Chapter 11

Case No. 21-11569 (SCC)

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY,  
AND DISCLAIMERS REGARDING THE DEBTOR'S SCHEDULES OF  
ASSETS AND LIABILITIES AND STATEMENT OF FINANCIAL AFFAIRS**

On September 3, 2021 (the “**Petition Date**”), Philippine Airlines, Inc. (the “**Debtor**”) filed a voluntary petition for reorganization (the “**Bankruptcy Filing**”) under chapter 11 of the United States Bankruptcy Code (the “**Bankruptcy Code**”) in the United States Bankruptcy Court for the Southern District of New York (the “**Bankruptcy Court**”). The Debtor continues to operate its business and manage its properties as debtor and debtor in possession, pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. This chapter 11 case (the “**Chapter 11 Case**”) is pending before the Honorable Shelley C. Chapman.

The Schedules of Assets and Liabilities (the “**Schedules**” or “**SOALs**”) and Statement of Financial Affairs (the “**Statement**” or “**SOFA**”) were prepared pursuant to Bankruptcy Code section 521 and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”) by members of the management of the Debtor in conjunction with its financial and legal advisors using unaudited information available as of the Petition Date.

These *Global Notes and Statement of Limitations, Methodology, and Disclaimers Regarding the Debtor's Schedules of Assets and Liabilities and Statement of Financial Affairs* (the “**Global Notes**”) are incorporated by reference in, and comprise an integral part of, each of the Debtor's Schedules, sub-Schedules, Statement, sub-Statement, exhibits, and continuation sheets, and should be referred to in connection with any review of the Schedules and Statement. Disclosure of information in one Schedule, sub-Schedule, Statement, sub-Statement, exhibit, or continuation sheet, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedule, Statement, exhibit, or continuation sheet.

**THE SCHEDULES AND STATEMENT AND THESE GLOBAL NOTES  
SHOULD NOT BE RELIED UPON BY ANY PERSONS FOR INFORMATION**

---

<sup>1</sup> The Debtor in this chapter 11 case, along with its registration number in the Philippines, is Philippine Airlines, Inc. Philippine Securities and Exchange Commission Registration PW 37. The Debtor's corporate headquarters is located at PNB Financial Center, President Diosdado Macapagal Avenue, CCP Complex, Pasay City 1300, Metro Manila, Philippines.

**RELATING TO CURRENT OR FUTURE FINANCIAL CONDITIONS, EVENTS, OR PERFORMANCE OF THE DEBTOR.**

**Reservation of Rights.** The Debtor's Chapter 11 Case is large and complex. The Debtor's management has made every reasonable effort to ensure that the Schedules and Statement are as accurate and complete as possible, based on the information that was available to them at the time of preparation. Subsequent information or discovery may result in material changes to these Schedules and Statement, and inadvertent errors or omissions may have occurred. Because the Schedules and Statement contain unaudited information, which is subject to further review, verification, and potential adjustment, there can be no assurance that these Schedules and Statement are accurate and/or complete. Pursuant to Bankruptcy Rule 1009, the Debtor reserves all rights to, but is not required to, amend or supplement, or both, the Schedules and Statement from time to time as is necessary and appropriate.

The Debtor has made reasonable efforts to characterize, classify, categorize or designate the claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statement correctly. Further, none of the Debtor's affiliates filed any petitions in the Bankruptcy Court of this or any other relevant jurisdiction in the United States (each individually a "**Non-Debtor Affiliate**"). The Debtor has made reasonable efforts to exclude all assets and liabilities of the Non-Debtor Affiliates in the Schedules and Statement.

Due to the complexity and size of the Debtor's business, however, the Debtor may have improperly characterized, classified, categorized, or designated certain items. The Debtor thus reserves all of its rights to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statement as necessary or appropriate as additional information becomes available. In addition, certain items reported in the Schedules and Statement could be included in more than one category. In those instances, one category has been chosen to avoid duplication. The designation of a category is not meant to be wholly inclusive or descriptive of the rights or obligations represented by such item.

Nothing contained in the Schedules and Statement or these Global Notes shall constitute an admission or a waiver of rights with respect to the Chapter 11 Case, including, but not limited to, any issues involving substantive consolidation for plan purposes, subordination, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant nonbankruptcy laws to recover assets or avoid transfers. For the avoidance of doubt, listing a claim on Schedule D as "secured," on Schedule E/F as "priority unsecured" or "nonpriority unsecured," or listing a contract or lease on Schedule G as "executory" or "unexpired," does not constitute an admission by the Debtor of the legal rights of the claimant and/or contractual counterparty, or a waiver of the Debtor's right to recharacterize or reclassify such claim or contract. Failure to designate a claim on a given Debtor's Schedules as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtor that such amount is not "disputed," "contingent," or "unliquidated" or that such claim is not subject to objection. The Debtor reserves its rights to dispute, or assert offsets, setoffs, or defenses to, any claim reflected on the Schedules as to the nature, amount, liability, or status or to otherwise subsequently designate any claim as disputed, contingent, and/or unliquidated.

**Reporting Date.** All asset and liability information, except where otherwise noted, is provided as of the close of business on September 3, 2021, the day before the Petition Date.

**Basis of Presentation.** Unlike the consolidated financial statements, the Schedules and Statement generally reflect the assets and liabilities of the Debtor on a non-consolidated basis (i.e. without its Non-Debtor Affiliates). Accordingly, the amounts listed in the Schedules and Statement will likely differ, at times materially, from the consolidated financial reports prepared historically by the Debtor for public reporting purposes or otherwise.

Although the Schedules and Statement may, at times, incorporate information prepared in accordance with International Financial Reporting Standards as issued by the International Accounting Standards Board (“IFRS”), the Schedules and Statement neither purport to represent nor reconcile to financial statements otherwise prepared and/or distributed by the Debtor in accordance with IFRS, or otherwise. The Debtor does not prepare financial statements in accordance with Generally Accepted Accounting Principles in the United States (“GAAP”).

**Currency.** All amounts are reflected in U.S. dollars, unless otherwise indicated. For amounts that are historically not tracked in U.S. dollars, the Debtor has used its ordinary course conversion policy that was in effect as of the Petition Date to list all amounts in the Schedules and SOFAs in U.S. dollars.

**Estimates and Assumptions.** The preparation of the Schedules and Statement required the Debtor to make reasonable estimates and assumptions that affected the reported amounts of certain assets and liabilities, the disclosure of certain contingent assets and liabilities, and the reported amounts of revenue and expense. Actual results could differ materially from these estimates. The Debtor reserves the right to amend the reported amounts of assets, liabilities, and expenses to reflect changes in those estimates or assumptions.

**Totals.** All totals that are included in the Schedules and Statement represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual totals may be different than the listed totals. Due to the numerous unliquidated, contingent, and/or disputed claims, summary statistics in the Schedules and Statement may materially understate the Debtor’s liabilities.

**Undetermined or Unknown Amounts.** The description of an amount as “Undetermined” or “Unknown” is not intended to reflect upon the materiality of such amount. Certain amounts may be clarified during the course of the Chapter 11 Case and certain amounts may depend on contractual obligations to be assumed as part of a sale in a bankruptcy proceeding under section 363 of the Bankruptcy Code.

**Asset Presentation and Valuation.** It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate assets for the Debtor to obtain current market valuations of all of its assets. Accordingly, unless otherwise indicated, the Schedules and Statement reflect net book values as of the Petition Date (unless other valuation method was available). These values do not purport to represent the ultimate value that would be received in the event of a sale and may not represent economic value as determined by an appraisal or other valuation technique. Certain

other assets are listed at undetermined or unknown amounts, as the net book values may differ materially from fair market values or the amounts ultimately realized. In addition, certain depreciable assets with a net book value of zero may be included for completeness. The Debtor does not intend to amend these Schedules and Statement to reflect actual values.

**Contingent Assets and Causes of Action.** Despite reasonable efforts to identify all known assets, the Debtor may not have listed all of its causes of action or potential causes of action against third parties as assets in its Schedules and Statement, including, but not limited to, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant non-bankruptcy laws to recover assets. The Debtor reserves all of its rights with respect to any causes of action, avoidance actions, controversy, right of setoff, cross claim, counterclaim, or recoupment, and any claim in connection with any contract, breach of duty imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertible directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law they may have, and neither these Global Notes nor the Schedules and Statement shall be deemed a waiver of any such claims, causes of actions, or avoidance actions or in any way prejudice or impair the assertion of such claims.

**Pledged Assets.** Certain of the assets listed on the Debtor's Schedule A/B have been pledged as collateral by the Debtor and may be outside of the Debtor's control, including, without limitation, in connection with the Debtor's post-petition financing facility which was approved by the Court on September 30, 2021.

**Liabilities.** Some of the scheduled liabilities are unknown, contingent, and/or unliquidated at this time. In such cases, the amounts are listed as "Unknown" or "Undetermined." Accordingly, the Schedules and the Statement may not equal the aggregate value of the Debtor's total liabilities as noted on any previously issued financial statements.

The Debtor has sought to allocate liabilities between the prepetition and post-petition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statement. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and post-petition periods may change. The Debtor reserves the right to, but is not required to, amend the Schedules and Statement as they deem appropriate to reflect such changes.

The liabilities listed on the Schedules and Statement does not reflect any analysis of claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtor reserves all rights to dispute or challenge the validity of any asserted claims under section 503(b)(9) of the Bankruptcy Code or the characterization of the structure of any such transaction or any document or instrument related to any creditor's claim.

**Excluded Assets and Liabilities.** The Debtor may have excluded from the Schedules certain of the following items, which may be included in its IFRS financial statements: certain accrued liabilities, including, without limitation, accrued salaries, employee benefit accruals, and certain other accruals, capitalized interest, debt acquisition costs, goodwill, certain other assets, and deferred revenue and gains. Other non-material assets and liabilities may also have been excluded.

**Confidentiality.** In certain instances in the Schedules and Statement, the Debtor has deemed it necessary and appropriate to redact from the public record addresses of individuals (including current and former employees, directors and officers) because of concerns for the privacy of, or otherwise to preserve the confidentiality of, personally identifiable information. Notwithstanding, the Debtor will mail any required notice or other documents to the address in its books and records for such individuals.

**Intercompany Transactions.** All intercompany payments between the Debtor and the Non-Debtor Affiliates have not been included in the Statement. Instead, intercompany receivable balances as of the Petition Date have been listed on Schedule A/B (AB11), and intercompany payable balances have been listed on Schedule E/F for the Debtor.

**Bankruptcy Court First-Day Orders.** The Bankruptcy Court has authorized (but not directed) the Debtor to pay, in whole or in part, various outstanding prepetition claims, including but not limited to, Debtor's employee wages and compensation, insurance policy premiums, certain taxes, and certain claims of fuel vendors, foreign creditors, shippers, taxing and regulatory authorities, section 503(b)(9) claimants, and warehousemen. Accordingly, the scheduled claims are intended to reflect only sums due and owing before the Petition Date for which the Debtor did not obtain relief from the Bankruptcy Court to satisfy in whole or in part. As a result, certain claims due to, among other things, employees, taxes and regulatory authorities, insurance providers and customers are not included in these Schedules. The Debtor reserves its right to object to any listed claims on the ground that, among other things, such claims have already been satisfied pursuant to a Court order. The estimate of claims set forth in the Schedules, however, may not reflect assertions by the Debtor's creditors of a right to have such claims paid or reclassified under the Bankruptcy Code or orders of the Bankruptcy Court.

**Liens.** The inclusion on Schedule D of creditors that have asserted liens against the Debtor is not an acknowledgement of the validity, extent, or priority of any such liens, and the Debtor reserves its right, to the extent that the Debtor has not elsewhere waived this right, to challenge such liens and the underlying claims on any ground whatsoever. Reference to the applicable agreements and other relevant documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in these Global Notes or the Schedules and Statement shall be deemed a modification or interpretation of the terms of such agreements or an acknowledgment of same. Certain liens may have been inadvertently marked as disputed but had previously been acknowledged in an order of the Court as not being disputed by the Debtor. It is not the Debtor's intent that Schedules be construed to supersede any orders entered by the Bankruptcy Court.

**Leases.** In the ordinary course of its business, the Debtor leases facilities, equipment, and aircraft from certain third-party lessors for use in its daily operations. Any such leases are set forth on Schedule G, and the assets subject to these leases are reflected on Schedule A/B with the value attributed to them pursuant to IFRS 16. The properties subject to these leases are not reflected in the Statement as property or assets of third parties within the control of the Debtor. Nothing herein or in the Schedules or Statement shall be construed as a concession, admission or evidence as to the determination of the legal status of any leases identified in the Schedules or Statement, including whether such leases: (i) constitute an executory contract within the meaning of section 365 of the Bankruptcy Code or other applicable law; or (ii) have not expired or been terminated or otherwise are not current in full force and effect, and the Debtor reserves all of its rights, including the rights to dispute or challenge the validity, status, enforceability, characterization, or structure of any lease.

**Executory Contracts.** Listing a contract or lease on the Schedules and Statement shall not be deemed an admission that such contract is an executory contract, such lease is an unexpired lease, or that either necessarily is a binding, valid, and enforceable contract. The Debtor hereby expressly reserves the right to assert that any contract listed on the Schedules and Statement does not constitute an executory contract within the meaning of section 365 of the Bankruptcy Code, as well as the right to assert that any lease so listed does not constitute an unexpired lease within the meaning of section 365 of the Bankruptcy Code. Exclusion of a contract or lease on the Schedules and Statement shall not be deemed an admission that such contract is or is not an executory contract, such lease is or is not an unexpired lease, or that either necessarily is or is not a binding, valid, and enforceable contract.

**Aircraft.** As part of their business, the Debtor operates numerous aircraft, the majority of which are not owned directly by the Debtor and are therefore not reflected as assets on Schedule A/B. As noted earlier, to the extent that the Debtor leases an aircraft from a non-Debtor lessor (including certain Non-Debtor Affiliates), either from a Special Purpose Vehicle or a third party under an operating lease, such lease will be reflected in the Debtor's Schedule E/F and also in its Schedule G.

**Future Aircraft and Aircraft Engine Purchases.** To the extent applicable, the Debtor has included on Schedule G any future purchase commitments connected with the purchase of aircraft or aircraft engines.

**Intellectual Property Rights.** Exclusion of certain intellectual property shall not be construed to be an admission that those intellectual property rights have been sold, abandoned, terminated, assigned, or otherwise transferred pursuant to a sale, acquisition, or other transaction, or otherwise have expired by their terms. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that those intellectual property rights have not been sold, abandoned, terminated, assigned, or otherwise transferred pursuant to a sale, acquisition, or other transaction, or otherwise have not expired by their terms. Accordingly, the Debtor reserves all of its rights as to the legal status of all intellectual property rights.

**Setoff.** Prior to the Petition Date, and in the ordinary course of business, the Debtor incurred setoffs in connection with, among other things, intercompany and third-party transactions.

Unless otherwise stated, certain setoffs that were incurred in the ordinary course or under customary practices are not listed in the Schedules and Statement and the Debtor has not intentionally offset amounts listed on Schedules A/B, D or E/F. Nonetheless, some amounts listed may have been affected by setoffs effectuated prior to the Petition Date of which the Debtor is not yet aware. The Debtor reserves all rights to challenge any setoff and/or recoupment rights that may be asserted.

**Payments.** The financial affairs and business of the Debtor is complex. Before the Petition Date, the Debtor and certain of its Non-Debtor Affiliates participated in a consolidated cash management system. As a result, certain payments in the Schedules and Statement may have been made prepetition by one entity on behalf of another entity through the operation of the consolidated cash management system. A description of the Debtor's prepetition cash management system is set forth in the *Debtor's Motion for Entry of Interim and Final Orders (A) Authorizing Debtor to Maintain and Use Existing Cash Management Systems, Bank Accounts and Business Forms; (B) Authorizing Financial Institutions to Honor and Process Related Checks and Transfers; (C) Waiving Compliance with Section 345 of the Bankruptcy Code; and (D) Granting Related Relief* [ECF 11]. The Debtor has used its reasonable best effort to attribute each payment to the Debtor which incurred the expense, not the entity which made the payment.

**Insiders.** For purposes of responses to Statement Question Nos. 28 and 29, the Debtor has listed its respective officers and directors. Persons listed as "insiders" have been included for informational purposes only. The Debtor does not take any position with respect to: (a) such person's influence over the control of the Debtor; (b) the management responsibilities or functions of such individual; (c) the decision-making or corporate authority of such individual; or (d) whether such individual could successfully argue that he or she is not an "insider" under applicable law, including the federal securities laws, or with respect to any theories of liability or for any other purpose.

**Signatory.** The Schedules and Statement have been signed by Nilo Thaddeus Rodriguez, in his capacity as Chief Financial Officer of the Debtor. In reviewing and signing the Schedules and Statement, he has necessarily relied upon the efforts, statements and representations of several of the Debtor's personnel and professionals. He has not (and could not have) personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors and their addresses.

**Limitation of Liability.** The Debtor and its officers, employees, agents, attorneys, and financial advisors do not guarantee or warrant the accuracy, completeness, or currentness of the data that is provided herein and shall not be liable for any loss or injury arising out of or caused, in whole or in part, by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. The Debtor and its officers, employees, agents, attorneys, and financial advisors expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided herein or, except to the extent required by applicable law or an order of the Bankruptcy Court, to notify any third party should the information be updated, modified, revised, or re-categorized. In no event shall the Debtor or its officers, employees, agents, attorneys, and financial advisors be liable to any third party for any direct, indirect, incidental, consequential, or

special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtor or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused.

In addition to the foregoing, the following conventions were adopted by the Debtor in the preparation of the Schedules and Statement:

### **Schedules of Assets and Liabilities**

#### **Schedule A/B Notes.**

- General. The Debtor's assets on Schedule A/B are listed at net book value based on the Debtor's reasonable best efforts as of the Petition Date unless otherwise noted and may not necessarily reflect the market or recoverable value of these assets as of the Petition Date.
- Cash and Cash Equivalents (AB1 through AB5). The reported bank balances and cash on hand include cash held in various currencies, converted into U.S. dollars per the Debtor's accounting policies as of the Petition Date. Cash on hand includes cash held at airport and office locations, as well as petty cash for incidental expenses. The Debtor excluded accounts with no current balances that may be seldom used or inactive.
- Accounts Receivable (AB11). Accounts receivable include, among other things, ordinary course receivables, and may also include any net credits in favor of the Debtor with respect to its trade payables.
- Mutual Funds or Publicly Traded Stocks (AB14). The entries listed in response to this question represent mutual fund accounts held at these various institutions. These amounts represent the most recent account statements received for each of these mutual fund accounts.
- Non-publicly traded stock (AB15). Ownership interests in other Debtor subsidiaries and Non-Debtor Affiliates have been identified in AB15 in an undetermined amount because the fair market value of such ownership interest is dependent on numerous variables and factors that may cause their fair market value to differ materially from their net book value. The Debtor's Schedule A/B reflects only those subsidiaries, trusts, and other entities in which the Debtor has a direct ownership interest.
- Inventory Purchased within 20 days (AB25). The Debtor has made reasonable efforts to identify or estimate all inventory included in AB22 that was purchased within the 20 days preceding the Petition Date; however, it is possible that inadvertent errors or omissions may have occurred in calculating these amounts.
- Office Furniture, Fixtures and Equipment (AB38 through AB45). In the Debtor's books and records, office furniture and fixtures are included in one trial balance amount. As such, in certain instances, the Debtor has not specifically reported office equipment by office furniture, office fixtures, and office equipment. The Debtor has made reasonable

efforts to identify all collectibles, artwork, and other memorabilia; however, it is possible that inadvertent errors or omissions may have occurred, or that property of *de minimis* value is not included in response to this question.

- Machinery, Equipment, and Vehicles (AB46 through AB53). Aircraft and engines listed by the Debtor in response to AB47-50 reflect only those aircraft and engines in which the Debtor holds a direct ownership interest. To the extent that the Debtor holds an ownership interest in a subsidiary or trust that in turn holds title to an aircraft or engine, the Debtor's Schedule A/B will reflect only the ownership interest in the subsidiary or trust and not the underlying aircraft or engine.
- Intangibles and Intellectual Property (AB60 through AB65). The Debtor has not listed or assigned any value for their goodwill. The Debtor does not ascribe in its books and records any value with respect to certain items listed. Therefore, such items' net book and current value are marked as unknown.

The Debtor uses certain customer lists in the ordinary course of business. However, due to the confidential nature of such customer lists, the Debtor has not furnished these lists for the purposes of AB63.

#### **Schedule D Notes.**

- The descriptions provided on Schedule D are intended only as a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. Nothing in these Global Notes or in the Schedules and Statement shall be deemed a modification, interpretation or acknowledgment of the terms of such agreements or related documents.
- Creditors' claims on Schedule D arose, or were incurred, on various dates. In certain instances, the date on which such claim arose may be an open issue of fact.
- Except as otherwise agreed in accordance with any stipulation and order entered by the Bankruptcy Court, the Debtor reserves its rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien listed on Schedule D purported to be granted to a secured creditor or perfected in any specific asset.
- Moreover, although the Debtor may have scheduled claims of various creditors as secured claims, the Debtor reserves all rights to dispute or challenge the secured nature of any creditor's claim or the characterization of the structure of any transaction or any document or instrument (including, without limitation, any intercompany agreement) related to such creditor's claim.
- The Debtor has not included on Schedule D the claims of any parties that may believe their claims are secured through setoff rights or inchoate statutory lien rights. Similarly, the Debtor has not included aircraft operating under finance leases through a Special Purpose Vehicle, who are the owner of the applicable aircraft/collateral. In addition, the

Debtor did not include on Schedule D the secured claims that were authorized to be satisfied post-petition pursuant to the *Final Order (A) Authorizing the Debtor to Obtain Postpetition Financing; (B) Granting Liens and Superpriority Administrative Expense Claims; (C) Granting Adequate Protection to the Bridge Lender; (D) Modifying the Automatic Stay; and (E) Granting Related Relief* [ECF 123].

- No claim on Schedule D is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities.

#### **Schedule E/F Notes.**

- The Debtor has made reasonable efforts to report all priority and general unsecured claims against the Debtor on Schedule E/F based on the Debtor's books and records as of the Petition Date. However, the actual amount of claims against the Debtor may vary significantly from the represented liabilities. Parties in interest should not accept that the listed liabilities necessarily reflect the correct amount of any unsecured creditor's allowed claims or the correct amount of all unsecured claims. Similarly, parties in interest should not anticipate that recoveries in these cases will reflect the relationship of the aggregate asset values and aggregate liabilities set forth in the Schedules. Parties in interest should consult their own professionals and advisors with respect to pursuing a claim. Although the Debtor and its professionals have generated financial information and data the Debtor believes to be reasonable, actual liabilities (and assets) may deviate significantly from the Schedules due to certain events that occur throughout this Chapter 11 Case.
- The claims listed on Schedule E/F arose or were incurred on various dates. In certain instances, the date on which a claim arose may be unknown or subject to dispute. Although reasonable efforts have been made to determine the date upon which claims listed on Schedule E/F were incurred or arose, some claims represent an aggregation of multiple invoices. Fixing the date for each claim on Schedule E/F would be unduly burdensome and cost-prohibitive and, therefore, the Debtor has made its best effort to identify the date the liability was incurred, but in some cases of an aggregated claim amount, may have indicated "various", and in other cases, may not have listed a date for each claim listed on Schedule E/F.
- The Bankruptcy Court has approved the payment of certain claims held by taxing and regulatory authorities against the Debtor including, without limitation, certain claims covered by the *Final Order (A) Authorizing, but Not Requiring, the Debtor to Remit and Pay Sales, Use and Franchise Taxes and Certain Other Government Charges and (B) Authorizing Banks and Other Financial Institutions to Receive, Process, Honor, and Pay Checks Issued and Electronic Payment Requests Made Relating to the Foregoing* [ECF 118]. Accordingly, the Debtor's Schedule E/F only reflects those tax related claims due and owing as of the Petition Date for which the Debtor did not obtain relief from the Bankruptcy Court to satisfy in whole or in part. In addition, certain of such claims may be subject to on-going audits and the Debtor is otherwise unable to determine with certainty the amount of many, if not all, of the claims listed on Schedule E/F. Therefore,

the Debtor has listed estimated claim amounts, where possible, or alternatively listed such claims as undetermined in amount and marked the claims as unliquidated, pending final resolution of ongoing audits or other outstanding issues. The Debtor reserves its right to dispute or challenge whether such claims are entitled to priority.

- The Bankruptcy Court has approved the payment of certain unsecured employee claims against the Debtor including, without limitation, certain claims of employees for wages, salaries, and benefits described in the *Final Order (I) Authorizing the Debtor to (A) Pay Certain Employee Wages and Other Compensation and Related Obligations and (B) Maintain and Continue Employee Benefits and Programs in the Ordinary Course, and (II) Authorizing and Directing Applicable Banks to Honor All Checks and Transfers Related to Such Obligations* [ECF 120] (the “**Employee Wages and Benefits Order**”). Accordingly, the Debtor’s Schedule E/F only reflects those employee related claims due and owing as of the Petition Date for which the Debtor did not obtain relief from the Bankruptcy Court to satisfy in whole or in part. Due to confidentiality concerns, the Debtor has not included the addresses of the employee claimants listed on the publicly filed Schedule E/F, but will provide the appropriate information to the claims agent to ensure proper noticing.
- The listing of any priority claim on Schedule E/F does not constitute an admission by the Debtor that such claim is entitled to priority treatment under section 507 of the Bankruptcy Code. The Debtor reserves the right to take the position that any claim listed on Schedule E/F is not entitled to priority.
- The Bankruptcy Court approved the payment of certain non-priority unsecured claims against the Debtor pursuant to various “first day” orders. While the Debtor has made every effort to reflect the current obligations as of the Petition Date net of postpetition adjustments for additional invoices received or payments issued on Schedule E/F, certain payments made, and certain invoices received, after the Petition Date may not be accounted for on Schedule E/F. The Debtor may pay additional claims listed during this Chapter 11 Case, as authorized by the Bankruptcy Court.
- Certain prepetition amounts owing to counterparties to executory contracts and unexpired leases are reflected. Such prepetition amounts, however, may be paid in connection with the assumption or the assumption and assignment of an executory contract or unexpired lease. Claims that may arise in connection with the rejection of any executory contracts and unexpired leases, if any, that may be or have been rejected are not included.
- Schedule E/F also contains information regarding pending litigation involving the Debtor. However, certain omissions may have occurred. The inclusion of any legal action in the Schedules and Statement does not constitute an admission by the Debtor of any liability, the validity of any litigation, or the amount of any potential claim that may result from any claims with respect to any legal action and the amount and treatment of any potential claim resulting from any legal action currently pending or that may arise in the future. In addition, the Debtor did not include litigation by customers relating to ordinary course disputes regarding tickets, refunds, lost baggage or other similar matters

that are pending before an administrative board. The Debtor currently intends to address all such disputes and litigation in the ordinary course of business post-emergence.

- All asserted or potential litigation-related claims referenced on Schedule E/F are contingent, unliquidated, and disputed. Specific disclosure regarding asserted or potential litigation-related claims may be subject to certain disclosure restrictions and/or may be of a peculiarly personal and private nature. The Debtor continues to research any possible restrictions with respect to disclosure of asserted or potential litigation-related claims. The Debtor will amend or supplement these Schedules and Statement as necessary or appropriate in this regard.
- Schedule E/F does not include certain deferred liabilities, accruals, or general reserves. Such amounts are general estimates and do not represent specific claims as of the Petition Date for the Debtor.
- In the ordinary course of business, the Debtor generally receives invoices for goods and services after the delivery of such goods or services. As of the filing of the Schedules and Statement, the Debtor had not received all invoices for payables, expenses, or liabilities that may have accrued before the Petition Date. Accordingly, the information contained on Schedules E/F may be incomplete. The Debtor reserves the right, but is not required, to amend Schedules E/F if it receives such invoices. The claims of individual creditors are generally listed at the amounts recorded on the Debtor's books and records and may not reflect credits or allowances due from the creditor. The Debtor reserves all of its rights concerning credits or allowances.

#### **Schedule G Notes.**

- The Debtor's business is complex. While commercially reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors, omissions or over-inclusions may have occurred. The Debtor hereby reserves all rights to dispute the validity, status, or enforceability of any contracts, agreements or leases set forth on Schedule G and to amend or supplement Schedule G as necessary. Additionally, the placing of a contract or lease onto Schedule G shall not be deemed an admission that such contract is an executory contract or unexpired lease, or that it is necessarily a binding, valid, and enforceable contract. Any and all of the Debtor's rights, claims and causes of action with respect to the contracts and agreements listed on Schedule G are hereby reserved and preserved. In addition, the Debtor is continuing its review of all relevant documents and expressly reserves its right to amend all Schedules at a later time as necessary and/or to challenge the classification of any agreement as an executory contract or unexpired lease in any appropriate filing.
- In some case, the same supplier or provider appears multiple times on Schedule G. This multiple listing is intended to reflect distinct agreements between the Debtor and such supplier or provider.

- As a general matter, certain of the Debtor's executory contracts and unexpired leases could be included in more than one category. In those instances, one category has been chosen to avoid duplication. Further, the designation of a category is not meant to be wholly inclusive or descriptive of the entirety of the rights or obligations represented by such contract.
- Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease or that it is or is not a binding, valid, and enforceable contract. The Debtor's rights under the Bankruptcy Code with respect to any such omitted contracts or agreements are not impaired by the omission. Schedule G may be amended at any time to add any omitted contract, agreement or lease.
- The contracts, agreements, and leases listed on Schedule G may have expired or may have been rejected, terminated, assigned, modified, amended, and/or supplemented from time to time by various amendments, change orders, restatements, waivers, estoppel certificates, letters, and other documents, instruments, and agreements that may not be listed therein or that may be listed as a single entry. The Debtor expressly reserves its rights to challenge whether such related materials constitute an executory contract, a single contract or agreement, or multiple, severable, or separate contracts.
- Certain of the real property leases listed on Schedule G may contain renewal options, guarantees of payment, options to purchase, rights of first refusal, rights to lease additional space, and other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth on Schedule G. Certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financings, and their inclusion on Schedule G is not an admission that the agreement is an executory contract, financing agreement, or otherwise.
- Due to confidentiality concerns, the Debtor did not include contracts with individual employees on Schedule G. As noted earlier, pursuant to the Employee Wages and Benefits Order, the Bankruptcy Court has authorized (but not directed) the Debtor to pay, in whole or in part, certain outstanding prepetition claims, including but not limited to, Debtor's employee wages and compensation and such claims are not included in the Schedules.

#### **Schedule H Notes.**

- In the ordinary course of its business, the Debtor may be involved in pending or threatened litigation and claims. These matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross-claims and counterclaims against other parties. Because all such claims are "contingent," "unliquidated," or "disputed," such claims have not been set forth individually on Schedule H.
- Schedule H is furnished for informational purposes only to apprise parties in interest of co-debtor relationships of the Debtor as of the Petition Date and is derived from

documents in the possession of the Debtor. It is not an admission or recognition that any co-debtor liability exists or existed.

### **Statement of Financial Affairs**

**Statement Questions 1 and 2 – Revenue.** For purposes of these questions, the Debtor has not included revenue on account of intercompany activity between the Debtor and any Non-Debtor Affiliates, other than lease revenue from Air Philippines Corp. d/b/a PAL Express. Refer to Global Note “Intercompany Transactions” for further detail.

**Statement Question 3 – 90 Day Payments.** For the purpose of this question, all payments are listed on the Statement of the Debtor only if it actually made the payment, irrespective of whether the payment satisfied an obligation owed by the Debtor or was made on behalf or for the benefit of a Non-Debtor Affiliate.

**Statement Question 4 – Payments to Insiders.** For the purpose of this question, all payments are listed on the Statement of the Debtor only if it actually made the payment. In addition, due to privacy and security concerns associated with the public disclosure of the income of the Debtor’s officers and employees in their home countries, the Debtor has categorized each individual as either an officer or director and reported the aggregate payment amounts the Debtor made to each category. Refer to Global Note “Insiders” for further detail.

**Statement Question 6 – Setoffs.** The Debtor routinely incurs setoffs from third parties during the ordinary course of business. Setoffs in the ordinary course can result from various items including intercompany transactions, counterparty settlements (in particular, interline ticketing setoffs with other carriers), pricing/quantity discrepancies, and other transaction true-ups. These customary setoffs are consistent with the ordinary course of business in the Debtor’s industry and can be particularly voluminous, making it unduly burdensome and costly for the Debtor to list all such setoffs. Consequently, ordinary course setoffs are excluded from the Debtor’s responses to Statement Question 6. The Debtor reserves all rights to enforce or challenge, as the case may be, any setoffs that have been or could have been asserted.

**Statement Question 7 – Legal Actions.** The Debtor has made commercially reasonable efforts to identify all current pending litigation involving the Debtor and to record these actions in the Statement. However, certain omissions may have occurred. The inclusion of any legal action in this question does not constitute an admission by the Debtor of any liability, the validity of any litigation, or the amount of any potential claim that may result from any claims with respect to any legal action and the amount and treatment of any potential claim resulting from any legal action currently pending or that may arise in the future. Refer to prior note regarding litigation claims.

**Statement Question 9 – Certain Gifts and Charitable Contributions.** The Debtor did not include non-cash gifts such as frequent flier program mile donations, ticket upgrades and other similar promotions to customers, which were deemed to have no value to the Debtor.

**Statement Question 11 – Payments Related to Bankruptcy.** During the one year prior to the Petition Date, the Debtor sought assistance from various professionals and has included all payments made to those professionals, including those services unrelated to the bankruptcy filing. Due to timing and resource limitations, the Debtor is unable to effectively bifurcate payments solely related to debt restructuring and/or bankruptcy services for the one-year period prior to the Petition Date. As a result, the payments listed in response to this question may include payments not related to debt restructuring and/or bankruptcy services for certain professionals listed.

**Statement Question 16 – Personally Identifiable Information.** The Debtor's privacy policies are disclosed on its public website, in multiple languages, and are presented to customers upon booking tickets or signing up for frequent flyer programs.

**Statement Question 20 – Safe Deposit Boxes and Storage Units.** Due to the nature of the Debtor's business, there are certain times when the Debtor's aircraft are not in active service. During this time, the Debtor stores such off-duty aircraft in third-party storage facilities around the world. The Debtor, certain third-party storage providers, and other individuals may have access to the aircraft when they are in storage.

**Statement Question 21 – Property Held for Another.** The response excludes property borrowed temporarily from other carriers since, in the ordinary course of business, the Debtor exchanges parts with other airlines for brief periods to address urgent operational needs. Aircraft equipment provided under a formal lease is listed on Schedule G.

**Statement Question 25 – Businesses in Which the Debtor Has an Interest.** Given the complexities of the organizational structure of the Debtor, for purposes of Statement Question 25, the Debtor has listed only the direct subsidiaries of the Debtor.

**Statement Question 26d – Recipients of Financial Statements.** The Debtor has provided financial statements in the ordinary course of business to numerous financial institutions, creditors, and other parties within two years immediately before the Petition Date. Considering the number of such recipients and the possibility that such information may have been shared with parties without the Debtor's knowledge or consent, the Debtor has not disclosed any parties that may have received such financial statements for purposes of Statement 26d.

**Statement Question 27 – Inventories.** The Debtor's policy concerning the counts of inventory and its related components does not include counts of the entire inventory balance. Instead, cycle counts of portions of inventory are conducted on a periodic basis. As such, the response to this question reflects details from those cycle counts.

**Statement Question 28 and 29 – Current and Former Officer and Directors.** The Debtor has made reasonable best efforts to list the known current and former officers and directors based on a review of existing books and records and other available information which may not be complete and updated as of the Petition Date. As such, there may be inadvertent errors or omissions for Statement Questions 28 and 29 due to these limitations. See Global Note "Insiders" for further detail.

**Statement Question 30 – Payments, Distributions, or Withdrawals to Insiders.** Refer to Statement Question 4 for this item.
