| 05/23/2019 | 703 | ORDER issued by Magistrate Judge Jolie A. Russo: Interested non-party insurers' motion to intervene for the limited purpose of seeking relief from the litigation stay 685 is Granted. The litigation stay is lifted to allow the interested non-party insurers to commence a declaratory relief action. The court expresses no opinion as to the merits of such an action at this time. In addition, to the extent the Receivership Entity wishes to file its own complaint for breach of contract with respect to the insurance policies at issue, the stay is also lifted for that purpose.
