- Payments to Receiver and other professionals are captured in Lines 10a for services relating to Receivership operations, 11a for services relating to the distribution and claims plan development, and 11b for services related to the distribution and claims implementation.
- This number includes:
 - 4,830 Notices of Receiver's Initial Determination ("NOD") that were mailed or emailed out by the Receivership
 - 336 individual claim submissions received by Epiq through March 31, 2020 including:
 - 33 duplicates
 - 2 claims representing amendments of previously filed claims
 - 41 late-filed claims
 - 3 claims that were submitted prior to the Bar Date Order and the establishment of the claims process.

Of the 301 non-duplicative individual claims submissions received above, at least 15 non-duplicative claims did not list any appropriate Aequitas Receivership entities. Such 15 claims are included on the Consolidated Report, however they are not included in the individual entity reports. Additionally, 68 of the non-duplicative claims were filed against multiple Aequitas Receivership entities. For the purpose of the Consolidated Report, these claims are counted only once. On the individual entity reports, each entity determined on a preliminary basis as being named in the claim form has the claim included in its count. The Receivership staff is continuing to review all submissions to determine the validity of claims.
- Represents distributions to Non-Officer Former Employees, consistent with Court Order, Dkt. #838.
