- (xv) granting related relief.

This Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference from the United States District Court for the District of Delaware*, dated February 29, 2012. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2), and the Debtors confirm their consent pursuant to Local Rule 9013-1(f) to the entry of a final order by the Bankruptcy Court in connection with this Motion to the extent that it is later determined that the Bankruptcy Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution. Venue for this matter is proper in this district pursuant to 28 U.S.C. §§ 1408 and 1409.

The Debtors are operating their businesses as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

#### **A. The Prepetition 1L Credit Facility**

7. On May 27, 2022, certain of the Debtors<sup>4</sup> entered into the Prepetition 1L Credit Agreement with the Prepetition 1L Secured Parties. The Prepetition 1L Credit Agreement

originally provided for a \$3 million revolving credit facility (the “Revolving Credit Facility”), and a \$55 million term loan facility (the “Term Loan Facility,” and together with the Revolving Credit Facility, the “Prepetition 1L Credit Facility”). The Prepetition 1L Credit Agreement was subsequently amended such that the Revolving Credit Facility was increased to \$6 million. In addition, in the weeks leading up to the Petition Date, the Prepetition 1L Credit Agreement was amended to provide additional term loans in the aggregate principal amount of \$4,635,490 and \$10,598,775, respectively (together, the “Emergency Bridge”). As of the Petition Date, the total amount due under the Prepetition 1L Credit Facility was approximately \$96 million, inclusive of interest and fees.

8. All obligations under the Prepetition 1L Credit Agreement (the “Prepetition 1L Obligations”) are secured by Collateral (as defined in the Prepetition 1L Credit Agreement and related Pledge and Security Agreement) consisting of (i) substantially all of the tangible and intangible assets of Debtor AN Global LLC and the Prepetition 1L Guarantors other than AgileThought Mexico, S.A. de C.V.; (ii) the proceeds therefrom; and (iii) pledges of the Mexican subsidiaries<sup>5</sup> (collectively, the “Prepetition 1L Collateral”).

**B. The Prepetition 2L Credit Facility**

9. On November 22, 2021, certain of the Debtors (the “Prepetition 2L Obligors”)<sup>6</sup> entered into that certain Credit Agreement (as amended, the “Prepetition 2L Credit Agreement”), with the lenders party thereto (the “Prepetition 2L Lenders”), GLAS Americas LLC as collateral agent (the “Prepetition 2L Collateral Agent”), and GLAS USA LLC, as administrative agent (the “Prepetition 2L Administrative Agent” and, together with the Prepetition 2L Collateral Agent, the “Prepetition 2L Agents” and, together with the Prepetition 2L Lenders, the “Prepetition 2L Secured Parties” and, the Prepetition 2L Secured Parties together with the Prepetition 1L Secured Parties, the “Prepetition Secured Parties”). The Prepetition 2L Credit Agreement provided for a term loan facility in an initial aggregate principal amount of approximately \$20.7 million (the “Prepetition 2L Credit Facility”).

10. Under the Prepetition 2L Credit Agreement, each Prepetition 2L Lender has the option to convert all or any portion of its outstanding loans, interest and fees into common stock of Debtor AgileThought, Inc. at any time at the respective conversion prices. On December 27, 2021, Manuel Senderos and Kevin Johnston exercised the conversion options for their respective principal amounts of \$4.5 million and \$0.2 million, respectively.

11. Pursuant to an August 10, 2022 amendment to the Prepetition 2L Credit Agreement, the maturity date for the Tranche B loans, held by Nexxus Capital Private Equity Fund VI, L.P. (“Nexxus Capital”), was extended to June 15, 2023. In addition, upon maturity, such Tranche B loans, including interest and fees, became subject to a mandatory conversion into common stock of Debtor AgileThought, Inc. On June 15, 2023, the outstanding principal, interest,

(f/k/a AN Global Inc.); AgileThought México, S.A. de C.V.; 4th Source, LLC; IT Global Holdings LLC; AN Global LLC; QMX Investment Holdings USA, Inc.; AgileThought Digital Solutions S.A.P.I. de C.V.; 4th Source Holding Corp.; Entrepids Technology Inc.; AGS Alpama Global Services USA, LLC; AN USA; and AgileThought, LLC.

and fees related to the Nexxus Capital loans, in the approximate amount of \$10 million, converted to common stock of AgileThought, Inc.

12. As of the Petition Date, approximately \$13 million remains outstanding under the Prepetition 2L Credit Facility.

13. All obligations under the Prepetition 2L Credit Agreement (the “Prepetition 2L Obligations,” and together with the Prepetition 1L Obligations, the “Prepetition Obligations”) are secured by Collateral (as defined in the Prepetition 2L Credit Agreement and the related Guaranty and Collateral Agreement) consisting of (i) substantially all of the tangible and intangible assets of Debtor AgileThought, Inc. and the Prepetition 2L Guarantors other than AgileThought Digital Solutions, S.A.P.I. de C.V. and (ii) the proceeds therefrom (the “Prepetition 2L Collateral,” and together with the Prepetition 1L Collateral, the “Prepetition Collateral”). On May 27, 2022, the Prepetition 1L Agent and the Prepetition 2L Agents entered into a Subordination and Intercreditor Agreement regarding the relative priority of their respective liens on the Prepetition Collateral. Pursuant to such agreement (the “Intercreditor Agreement”), the Prepetition 2L Agents have agreed not to object if any of the Prepetition 1L Secured Parties seeks to provide postpetition financing or consent to use “cash collateral,” as defined in section 363(a) of the Bankruptcy Code (“Cash Collateral”).

#### **C. The AGS Subordinated Promissory Note**

14. On June 24, 2021, Debtor AgileThought, Inc. entered into a Subordinated Promissory Note with AGS Group LLC (“AGS Group”), pursuant to which AgileThought, Inc. incurred indebtedness to AGS Group in an aggregate principal amount equal to \$673,000 (as amended and restated, the “AGS Subordinated Promissory Note”). On January 31, 2023, the AGS Subordinated Promissory Note was cancelled in full and restated for a principal amount of \$775,931.61, with accrued interest totaling approximately \$100,000, due on March 31, 2023. In

addition, on February 10, 2023, AgileThought, Inc. agreed to issue and pledge 414,367 shares of common stock, valued at approximately \$1.8 million (approximately twice the then-current outstanding principal and interest owed under the AGS Subordinated Promissory Note), in favor of AGS Group to serve as collateral for AgileThought, Inc.'s obligations under the AGS Subordinated Promissory Note. However, pursuant to the Prepetition 1L Credit Agreement and the Prepetition 2L Credit Agreement, AgileThought, Inc. could not repay the AGS Subordinated Promissory Note if an event of default had occurred and was continuing under either the Prepetition 1L Credit Facility or the Prepetition 2L Credit Facility. The Debtors have entered into a letter agreement with AGS Group to provide that a failure to pay such indebtedness will not be deemed an event of default.

15. As of the Petition Date, AgileThought, Inc.'s obligations under the AGS Subordinated Promissory Note remain outstanding.

**D. Exitus Capital Subordinated Note**

16. On July 26, 2021, Debtor AgileThought Digital Solutions, S.A.P.I. de C.V. entered into a Simple Loan Facility Agreement and related promissory note (together, the “Exitus Subordinated Note”) with Exitus Capital, S.A.P.I. de C.V. (“Exitus Capital”) in an aggregate principal amount equal to \$3.7 million. The Exitus Subordinated Note matured on July 27, 2023.

17. On January 31, 2023, Debtor AgileThought, Inc. agreed to issue and pledge 1,207,712 shares of common stock, valued at approximately \$5.2 million (approximately twice the then-current outstanding principal and interest owed under the Exitus Subordinated Note), in favor of Exitus to serve as collateral for AgileThought Digital Solutions, S.A.P.I. de C.V.'s obligations under the Exitus Subordinated Note. However, pursuant to the Prepetition 1L Credit Agreement and the Prepetition 2L Credit Agreement, AgileThought Digital Solutions, S.A.P.I. de C.V. could only repay the Exitus Subordinated Note if the Debtors made certain scheduled repayments under

the Prepetition 1L Credit Facility. The Debtors did not make the required Prepetition 1L Credit Facility payments and were therefore unable to repay the Exitus Subordinated Note on the July 27, 2023 maturity date.

18. As of the Petition Date, AgileThought Digital Solutions, S.A.P.I. de C.V.'s obligations under the Exitus Subordinated Note remain outstanding in the total amount of approximately \$1.6 million.

#### **E. The Prior First Lien Facility**

19. On November 12, 2018, certain of the Debtors<sup>7</sup> entered into a credit agreement (the "Prior Credit Agreement"), under which Monroe Capital Management Advisors, LLC ("Monroe Capital") served as administrative agent for the lenders (the "Prior Lenders," and together with Monroe Capital, the "Prior Secured Parties"). The Prior Credit Agreement provided for a \$5 million revolving credit facility (the "Prior Revolving Credit Facility"), and a \$98 million term loan facility (the "Prior Term Loan Facility," and together with the Prior Revolving Credit Facility, the "Prior Credit Facility"). The principal of the Prior Credit Facility was paid off on May 27, 2022.

20. On December 29, 2021, Debtor AgileThought, Inc. agreed to issue and pledge 4,439,333 shares of common stock in favor of Monroe Capital to serve as collateral for the Debtors' obligations under the Prior Credit Facility. Monroe Capital still holds 2,016,129 shares

---

7. Debtors IT Global Holding LLC and 4th Source, LLC entered the Prior Credit Agreement as borrowers, while Debtors AN Global LLC, AgileThought, Inc. (f/k/a AN Global Inc.), QMX Investment Holdings USA, Inc., AgileThought Digital Solutions, S.A.P.I. de C.V., 4th Source Holding Corp., Facultas Analytics, S.A.P.I. de C.V., Faktos Inc, S.A.P.I. de C.V., Cuarto Origen, S. de R.L. de C.V., 4th Source Mexico, LLC, AGS Alpama Global Services Mexico, S.A. de C.V., Entrepids Technology Inc., Entrepids Mexico, S.A. de C.V., AGS Alpama Global Services USA, LLC, AN UX, S.A. de C.V., AN Data Intelligence, S.A. de C.V., AgileThought Mexico, S.A. de C.V. (f/k/a AN Digital S.A. de C.V.), Anzen Soluciones, S.A. de C.V., AN Evolution, S. de R.L. de C.V., AgileThought Servicios Administrativos, S.A. de C.V. (f/k/a Nasoft Servicios Administrativos, S.A. de C.V.), AN USA, AgileThought Servicios México, S.A. de C.V., and AgileThought LLC (collectively, the "Prior Guarantors") entered as guarantors.

as collateral for the Debtors' obligation to pay approximately \$3.5 million in deferred fees, payable on or before May 25, 2023, which remain unpaid.

## **II. Events of Default**

21. The Debtors have been in default under the Prepetition 1L Credit Agreement since December 31, 2022. These defaults include or have included, without limitation, failure to pay interests when due, failure to comply with certain negative covenants, and failure to comply with various financial covenants. On April 18, 2023, the Prepetition 1L Agent issued a Notice of Default with respect to these defaults.

22. The defaults under the Prepetition 1L Credit Agreement triggered cross-defaults under the Prepetition 2L Credit Facility and the Exitus Subordinated Note.

23. On August 25, 2023, the Prepetition 1L Agent and the Prepetition 1L Lenders under the Prepetition 1L Credit Facility delivered a "Notice of Acceleration and Demand for Immediate Payment" (the "Acceleration Notice") to Debtor AN Global LLC. The Acceleration Notice noted the existence of numerous events of default under the Prepetition 1L Credit Agreement, and declared the unpaid principal amount of all outstanding Prepetition 1L Obligations under the Prepetition 1L Documents to be immediately due and payable. The Acceleration Notice provided that such Prepetition 1L Obligations "are not less than \$93,640,057.55 and there are certain other amounts owing under the Financing Agreement, including accrued and unpaid interest, the Applicable Premium payable pursuant to Section 2.07(c) of the Financing Agreement and certain fees, costs and expenses (including fees of the Agents, FTI, and counsel for each Agent and each Lender) payable pursuant to Section 12.04 of the Financing Agreement." The Debtors do not dispute the existence of various events of default or the Prepetition 1L Agent's or Prepetition 1L Lenders' right to accelerate the obligations under the Prepetition 1L Credit Facility.

**THE DEBTORS' URGENT AND IMMEDIATE LIQUIDITY NEEDS**

24. Beginning in March 2023, the Debtors began exploring restructuring alternatives. In anticipation of their need for debtor-in-possession financing and the use of cash collateral, the Debtors have, in consultation with Teneo, performed a review and analysis of their projected cash needs. Based upon that review and analysis, the Debtors and their advisors determined that the use of cash collateral alone would be insufficient to operate their businesses, and that additional funding was necessary. The Debtors are in need of both access to Cash Collateral and an immediate infusion of liquidity to ensure sufficient working capital to operate their businesses, pay their employees and vendors, service their customers, administer their estates during these Chapter 11 Cases, and effectuate an orderly sale process. (DIP Decl. ¶ 8.) Teneo undertook a detailed analysis of the Debtors' operations and funding needs, and, from this review and analysis, it became clear that the Debtors would require an infusion of capital to operate during these Chapter 11 Cases as they continue to conduct their marketing for the sale process. (*Id.*)

25. Without prompt access to postpetition financing and Cash Collateral, the Debtors will be unable to: (a) ensure payments to employees, third-party vendors, utilities, taxing authorities, and insurance companies, among others, who provide the essential services needed to operate, maintain, and insure the Debtors' assets; (b) ensure the timely payment of administrative expenses to be incurred; (c) provide a positive message to the market that these Chapter 11 Cases are sufficiently funded and that the sale process for the Debtors' assets will be adequately robust, which is critical to ensure confidence in the Debtors from, among others, their customers, employees, and vendors; and (d) make any necessary payments to preserve the Debtors' workforce in the United States and other foreign countries in which the Debtors do business and preserve the value of the foreign subsidiaries. (*Id.* ¶ 9.) Immediate access to the DIP Facility and continued access to the Cash Collateral is therefore crucial to the Debtors' efforts to preserve value for their

stakeholders during these Chapter 11 Cases and to avoid immediate and irreparable harm to the value of the Debtors' estates. (*Id.*)

26. In furtherance of their cash needs, the Debtors and Teneo prepared an initial budget outlining the funding that would be critical in the initial thirteen (13) weeks post-filing, with such budget to be updated pursuant to the terms of the DIP Credit Agreement and the Interim Order. (*Id.* ¶ 10.) Based on information available as of the Petition Date, the Debtors believe that the initial budget, as will be updated with the consent of the DIP Agent, is an accurate reflection of their initial funding requirements and will allow them to meet their obligations in these Chapter 11 Cases. (*Id.*) The Debtors also believe, and therefore submit, that the initial budget is fair, reasonable, and appropriate under the circumstances. (*Id.*)

**ALTERNATIVE SOURCES OF FINANCING  
ARE NOT AVAILABLE ON BETTER TERMS**

**I. The Marketing Process**

27. The Debtors first engaged in a process to solicit new out-of-court financing as well as proposals to acquire the Debtors or their assets. The Debtors were unable to obtain new out-of-court financing on acceptable terms. Then, prior to the commencement of these Chapter 11 Cases, on June 28, 2023, the Debtors retained Teneo Securities LLC ("Teneo Securities") to act as the Debtors' investment banker in connection with, among other things, a marketing process for the Debtors' proposed debtor-in-possession financing facility. (*Id.* ¶ 11.) The Debtors, through Teneo Securities, contacted twenty-three four (23) potential lenders to seek proposals for debtor-in-possession financing. (*Id.*)

28. Obtaining access to third-party postpetition financing was difficult because all or nearly all of the Debtors' assets are encumbered under the existing capital structure, which, along with the Debtors' approximately \$112 million of prepetition funded indebtedness and

increasing losses from 2022 through 2023, restricts the availability of, and options for, postpetition financing. (*Id.* ¶ 12.) The prepetition sale process did not yield any offers sufficient to clear the debt; therefore, the Debtors believed that there was not an equity cushion available for the Debtors to obtain debtor-in-possession financing priming the Prepetition Secured Parties' liens over their objections. (*Id.*) Any dispute with the Prepetition Secured Parties or perceived uncertainty surrounding the Debtors' ability to fund these Chapter 11 Cases could cause significant turmoil within the Debtors' workforce and result in a substantial deterioration of value.

29. To avoid a protracted and expensive priming fight, which the Debtors could not afford, the Debtors and their advisors believed that their only alternatives were to: (a) obtain the consent of the Prepetition Secured Parties to the priming of their liens by a third-party lender; (b) locate a third-party lender willing to provide postpetition financing on a junior or unsecured basis; (c) find lenders willing to refinance out the Prepetition Secured Parties and provide incremental liquidity; or (d) find junior financing and a new secured lender. (*Id.* ¶ 13.)

30. Notwithstanding these considerations, the Debtors, with the assistance of Teneo Securities, solicited proposals for third-party debtor-in-possession financing. (*Id.* ¶ 14.) Teneo Securities reached out to twenty-three (23) third-party financing sources to gauge their interest in providing postpetition financing to the Debtors. (*Id.*) Of the third-party financing sources that Teneo Securities contacted, only four (4) demonstrated interest in pursuing a potential financing by executing a confidentiality agreement to facilitate an evaluation of funding a debtor-in-possession financing facility. (*Id.*) No potential financing parties were willing to provide financing junior to the existing Prepetition Secured Parties due to the amount of existing secured debt relative to the Debtors' financial position and the uncertainty surrounding the sale process. (*Id.*) In addition, any senior financing that does not include the consent of the Prepetition Secured

Parties would have required non-consensual priming. (*Id.*) For the foregoing reasons, the Debtors, in consultation with Teneo Securities, determined that reaching out to additional third-party financing sources would be fruitless and unlikely to result in any financing proposals. (*Id.*) As a result, under these circumstances, there is no better financing available to the Debtors other than the DIP Facility.

## **II. The DIP Facility Has Been Heavily Negotiated**

31. The Debtors and the DIP Lenders engaged in arm's length negotiations regarding the terms offered by the DIP Lenders. At the conclusion of this process, the Debtors determined that the DIP Lenders offered the most viable and beneficial DIP financing terms available and the parties were able to come to an agreement on the terms of the DIP Facility. Management and the Debtors' legal and financial advisors were actively involved throughout the negotiations with the DIP Lenders for debtor-in-possession financing, which were conducted at arms' length and in good faith. (*Id.* ¶ 15.) The terms of the DIP Facility were negotiated over the course of several weeks leading up to the Petition Date, with the Debtors and their advisors exchanging multiple drafts of the DIP Credit Agreement. (*Id.*) The Debtors and their advisors worked to negotiate the most favorable terms of the DIP Facility available to the Debtors given the Debtors' lack of alternative third-party financing. (*Id.*) Ultimately, the DIP Lenders were unwilling to lend on terms other than those specifically set forth in the DIP Documents.

## **III. The Terms, Rates, and Fees of the DIP Facility Are Reasonable**

32. The terms and conditions of the DIP Facility are fair and reasonable under the circumstances, especially in light of the Debtors' need for postpetition financing and their capital structure, among other factors. Pursuant to the DIP Documents, the Debtors have agreed, subject to Bankruptcy Court approval, to pay certain interest and fees to the DIP Agent and the DIP Lenders. (*Id.* ¶ 16.) Specifically, the Debtors have agreed to pay interest in kind (a) on the

Roll-Up Loans, at the Reference Rate (as defined in the DIP Credit Agreement) plus a margin of 10.00% per annum (the “Applicable Reference Rate”), which is the rate in effect under the Prepetition 1L Credit Facility, and (b) on the New Money DIP Loans, at either the Applicable Reference Rate or, if agreed by the DIP Lenders in their sole discretion, Adjusted Term SOFR (as defined in the DIP Credit Agreement) plus a margin of 11.00% per annum (the “Applicable SOFR Rate”, and together with the Applicable Reference Rate, collectively, the “Applicable Rate”). (*Id.*) Upon the occurrence and during the continuation of an Event of Default (as defined in the DIP Credit Agreement), interest will accrue the rate of interest otherwise in effect plus 2.00%, payable in cash upon demand. (*Id.*) In addition, the Debtors have agreed to pay to the DIP Lenders: (i) the Closing Fee; (ii) the Agency Fee; (iii) the Audit and Collateral Monitoring Fees; and (iv) the Exit Fee (collectively, the “DIP Fees”). (*Id.*)

33. The Applicable Rate and the DIP Fees provided for in the DIP Facility are reasonable under the circumstances as compared to similar debtor-in-possession financings in the market as well as the attendant interest rates, fees, and premiums in comparable debtor-in-possession financing facilities. (*Id.* ¶ 17.) The Applicable Rate and DIP Fees are customary, usual, and in line with debtor-in-possession financings of this kind. (*Id.*) The Debtors and their advisors considered the Applicable Rate and the DIP Fees when determining whether the DIP Facility constituted the best alternative reasonably available to the Debtors. (*Id.*) As a result, the Debtors’ payment of the Applicable Rate and DIP Fees in order to obtain the DIP Facility is in the best interests of the estates.

34. The Debtors and the DIP Lenders agree that the terms, covenants, interest rates, and fees were subject to negotiation and are an integral component of the overall terms of the DIP Facility, which, in turn, is integral to the broader restructuring’s success through the sale

process. (*Id.* ¶ 18.) Under the Debtors' circumstances, the interest rates, premiums, and fees reflected in the DIP Credit Agreement are reasonable because such economics constitute the best terms on which the Debtors could obtain the financing necessary to maintain their ongoing business operations and fund their Chapter 11 Cases and are an integral component of the overall terms of the DIP Facility. (*Id.*) The DIP Facility as a whole is crucial to avoid immediate and irreparable harm to the Debtors' estates, employees, customers and creditors.

**IV. The Milestones that the Debtors Must Meet Under the Terms of the DIP Facility Are Reasonable**

35. The DIP Facility contemplates, as a product of negotiation with and as required by the DIP Lenders as a condition to providing the DIP Facility, certain milestones that the Debtors must meet throughout their Chapter 11 Cases, the failure of which would constitute an event of default under the DIP Credit Agreement. These milestones were heavily negotiated and required by the DIP Lenders as a condition to providing the DIP Facility and the Stalking Horse Bid (as defined in the Sale Motion).

36. The DIP Facility serves as an important component of these Chapter 11 Cases because it provides the Debtors with the stability and certainty that they can smoothly enter into chapter 11 and continue to operate in the ordinary course of business while facilitating a robust sale process. (*Id.* ¶ 20.) The continued and viable operation of the Debtors' business would not be possible absent access to the DIP Facility. (*Id.*) The DIP Facility will prevent interruptions to the Debtors' operations, preserve the Debtors' ability to maintain ordinary course relationships with, among other parties in interest, employees, customers, and vendors, satisfy working capital needs in the ordinary course, and enable the Debtors to facilitate an orderly sale process pursuant to section 363 of the Bankruptcy Code. (*Id.*)

### **MATERIAL TERMS OF THE DIP CREDIT AGREEMENT**

37. As detailed in the DIP Declaration, the Debtors presently lack sufficient liquidity not only to support their operations but also to pursue a value-maximizing sale process or successfully reorganize. The Debtors have concluded that they require postpetition financing to meet their ongoing working capital and general business needs during these Chapter 11 Cases as well as the costs of bankruptcy administration. Accordingly, in consultation with their legal and financial advisors, the Borrower, the Guarantors, the DIP Agent, and the DIP Lenders have negotiated the DIP Facility. The Guarantors will provide guarantees of all of the Debtors' obligations and indebtedness arising under, in respect of, or in connection with the DIP Facility and the DIP Documents including, without limitation, all loans made to the Debtors pursuant to the DIP Documents and all other Obligations (as defined in the DIP Credit Agreement) (the "DIP Obligations"). The DIP Obligations are secured by substantially all of the tangible and intangible assets of the Borrower and the Guarantors and the proceeds therefrom (the "DIP Collateral").

38. The terms of the DIP Facility are memorialized in the DIP Credit Agreement, a substantially final version of which is attached to the proposed Interim Order as **Exhibit 2.**<sup>8</sup> The DIP Credit Agreement provides for a postpetition loan commitment in an aggregate principal amount not to exceed \$118.7 million (the "DIP Commitments"); *provided that*, until the Bankruptcy Court enters the Final Order, no loans under the DIP Credit Agreement shall

**BASIS FOR RELIEF REQUESTED**

**I. Approval of the DIP Facility Is Essential to the Debtors' Ability to Successfully Effectuate a Restructuring Transaction**

40. It is essential to the success of the Chapter 11 Cases that the Debtors immediately obtain access to sufficient postpetition financing. The Debtors' continuing viability, the avoidance of business interruption, the preservation of estate assets and the Debtors' ability to successfully effectuate a restructuring transaction all depend heavily upon the approval of the DIP Facility and the related actions requested herein.

41. For the following reasons, the Debtors respectfully submit that they have satisfied the standards applicable for approval of the DIP Facility.

**II. The Debtors Should Be Authorized to Obtain Postpetition Financing Through the DIP Documents**

42. The Bankruptcy Court should authorize the Debtors, as an exercise of the Debtors' sound business judgment, to enter into the DIP Documents, obtain access to the DIP Facility, and continue using Cash Collateral. Section 364 of the Bankruptcy Code authorizes a debtor to obtain secured or super-priority financing under certain circumstances discussed in detail below.

**A. Entry into the DIP Facility Is an Exercise of the Debtors' Sound Business Judgment**

43. Provided that an agreement to obtain secured credit does not run afoul of the provisions of, and policies underlying, the Bankruptcy Code, courts grant a debtor considerable deference in acting in accordance with its sound business judgment in obtaining such credit. *See, e.g., In re L.A. Dodgers LLC*, 457 B.R. 308, 313 (Bankr. D. Del. 2011) (“[C]ourts will almost always defer to the business judgment of a debtor in the selection of the lender.”); *In re Trans World Airlines, Inc.*, 163 B.R. 964, 974 (Bankr. D. Del. 1994) (approving a postpetition loan and

receivables facility “reflect[ed] sound and prudent business judgement”); *In re Ames Dep’t Stores, Inc.*, 115 B.R. 34, 40 (Bankr. S.D.N.Y. 1990) (“[C]ases consistently reflect that the court’s discretion under section 364 [of the Bankruptcy Code] is to be utilized on grounds that permit [a debtor’s] reasonable business judgment to be exercised so long as the financing agreement does not contain terms that leverage the bankruptcy process and powers or its purpose is not so much to benefit the estate as it is to benefit a party-in-interest.”); *In re Farmland Indus., Inc.*, 294 B.R. 855, 881 (Bankr. W.D. Mo. 2003) (noting that approval of postpetition financing requires, *inter alia*, an exercise of “sound and reasonable business judgment.”).

44. In determining whether debtors have exercised sound business judgment in selecting a particular DIP financing proposal, a court need only “examine whether a reasonable business person would make a similar decision under similar circumstances.” *In re Exide Techs.*, 340 B.R. 222, 239 (Bankr. D. Del. 2006). Bankruptcy courts generally will not second-guess a debtor’s business decisions when those decisions involve “a business judgment made in good faith, upon a reasonable basis, and within the scope of [its] authority under the [Bankruptcy] Code.” *In re Curlew Valley Assoc.’s*, 14 B.R. 506, 513–14 (Bankr. D. Utah Oct. 8, 1981) (noting that courts should not second guess a debtor’s business decision when that decision involves “a business judgment made in good faith, upon a reasonable basis, and within the scope of [the debtor’s] authority under the [Bankruptcy] Code”).

45. Furthermore, in considering whether the terms of postpetition financing are fair and reasonable, courts consider the terms in light of the totality of the circumstances. *Farmland Indus., Inc.*, 294 B.R. at 886; *see also Unsecured Creditors’ Comm. Mobil Oil Corp. v. First Nat’l Bank & Trust Co. (In re Elingsen McLean Oil Co., Inc.)*, 65 B.R. 358, 365 (W.D. Mich. 1986) (recognizing that a debtor may have to enter into “hard bargains” to acquire funds for its

reorganization). The Bankruptcy Court may also appropriately take into consideration non-economic benefits to the debtors offered by a proposed postpetition facility. For example, in *In re Ion Media Networks, Inc.*, the bankruptcy court for the Southern District of New York held that:

Although all parties, including the Debtors and the Committee, are naturally motivated to obtain financing on the best possible terms, a business decision to obtain credit from a particular lender is almost never based purely on economic terms. Relevant features of the financing must be evaluated, including noneconomic elements such as the timing and certainty of closing, the impact on creditor constituencies and the likelihood of a successful reorganization. This is particularly true in a bankruptcy setting where cooperation and establishing alliances with creditor groups can be a vital part of building support for a restructuring that ultimately may lead to a confirmable reorganization plan. That which helps foster consensus may be preferable to a notionally better transaction that carries the risk of promoting unwanted conflict.

No. 09-13125, 2009 WL 2902568, at \*4 (Bankr. S.D.N.Y. July 6, 2009).

46. Here, the Debtors' determination to secure the DIP Facility is an exercise of sound business judgment. As further discussed in the DIP Declaration, the DIP Facility was a product of an arms'-length negotiation and a careful evaluation of alternatives, as well as evaluation of the Debtors financial needs. (DIP Decl. ¶ 15.) Specifically, the Debtors, with the advice and counsel of their advisors, determined that the Debtors will require immediate liquidity to fund the administrative costs of these Chapter 11 Cases and the ongoing needs of the Debtors' business. Indeed, without immediate additional liquidity, the Debtors would be unable to preserve their business nor maximize value, to the detriment of the Debtors' customers, creditors, employees, vendors, and other parties in interest. The Debtors ultimately decided that moving forward with the proposed DIP Facility was an appropriate step given that the DIP Facility: (a) allows the Debtors to avoid a value-destructive priming fight; (b) provides a path forward in chapter 11 by allowing the Debtors to facilitate a sale process; and (c) allows the Debtors to operate in the ordinary course of business postpetition and fund the administration of the Chapter 11 Cases for the benefit of the estates and all of the Debtors' stakeholders. (*Id.* ¶ 9.) The Debtors and their

advisors therefore determined that entry into the DIP Facility was the best path available and they have obtained the best terms currently achievable under the circumstances. (*See id.* ¶ 24.)

**B. The Debtors Satisfy the Requirements for Entering in the DIP Facility Under Section 364(c) of the Bankruptcy Code**

47. The Debtors propose to obtain postpetition financing under the terms and conditions of the DIP Facility by providing security interests and other liens, as described herein and provided for in the DIP Documents, pursuant to sections 364(c) and 364(d) of the Bankruptcy Code. More specifically, the Debtors propose to provide to the DIP Lenders, subject to the Carve Out, continuing, valid, binding, enforceable, non-avoidable, and automatically and properly perfected postpetition security interests in and liens on the DIP Collateral, which include substantially all of the Debtors' assets, and, specifically, (a) a priming security interest and lien on the Prepetition Collateral to the extent such Prepetition Collateral is subject to prepetition liens that secure the prepetition facilities of the Prepetition Secured Lenders (as defined in the DIP Documents), (b) a junior security interest and lien to all property of the Debtors that is subject to Prepetition Permitted Liens, (c) a first lien priority senior security interest in all property of the Debtors that is not subject to a valid, perfected and non-avoidable lien, subject to and as further provided for in the DIP Documents and the Interim Order.

48. The statutory requirement for obtaining postpetition credit under section 364(c) is a finding, made after notice and hearing, that the debtors are "unable to obtain unsecured credit allowable under section 503(b)(1) of the [the Bankruptcy Code]." 11 U.S.C. § 364(c). Furthermore, section 364(c) financing is appropriate when the debtor-in-possession is unable to obtain unsecured credit allowable as an ordinary administrative claim. *See In re Crouse Grp., Inc.*, 71 B.R. 544, 549 (Bankr. E.D. Pa. 1987) (debtor seeking unsecured credit under section 364(c) of the Bankruptcy Code must prove that it was unable to obtain unsecured credit pursuant to section

364(b) of the Bankruptcy Code); *Ames Dep't Stores*, 115 B.R. at 37-39 (holding that debtor must show it made reasonable effort to seek other sources of financing under section 364(a) and (b) of the Bankruptcy Code).

49. Bankruptcy courts have articulated a three-part test to determine whether a debtor is entitled to financing under section 364(c) of the Bankruptcy Code. Specifically, courts look to whether:

- (a) [The debtor is] unable to obtain unsecured credit under section 364(b), *i.e.*, by allowing a lender only an administrative claim per 11 U.S.C. § 503(b)(1)(A);
- (b) The credit transaction is necessary to preserve the assets of the estate; and
- (c) The terms of the transaction are fair, reasonable, and adequate, given the circumstances of the debtor-borrower and the proposed lender.

*L.A. Dodgers*, 457 B.R. at 312 (citing *In re St. Mary Hosp.*, 86 B.R. 393, 401 (Bankr. E.D. Pa. 1988)); *see also Crouse Grp.*, 71 B.R. at 549; *Ames Dep't Stores*, 115 B.R. at 37-39. The elements of this test are satisfied here.

50. As described in the DIP Declaration, the Debtors recognized that it would be particularly difficult to secure financing because all of the Debtors' cash and material assets are encumbered by existing liens under their prepetition debt and the Prepetition 1L Lenders indicated that they would not consent to a "priming" DIP financing provided by a third party. (DIP Decl. ¶ 12.) In light of this, the Debtors understood that any third-party DIP financing would require engaging in a protracted and costly priming fight or valuation dispute with the Prepetition 1L Lenders at the very outset of these Chapter 11 Cases. (*Id.*) Regardless of the prospects of success, the expense and disruption associated with complex litigation at the beginning of the case would seriously jeopardize the Debtors' restructuring efforts, as already strained liquidity would be

required to fund such a fight. Such litigation would also have had a disastrous effect on the Debtors' effort to conduct a value-maximizing sale process.

51. Without adequate postpetition financing, the Debtors will be unable to administer these Chapter 11 Cases, which would significantly impair their ability to complete a sale of their assets while preserving the value of their enterprise. The DIP Facility ensures that the Debtors have the liquidity to fund these cases. Additionally, as set forth below, the terms of the DIP Facility are fair, reasonable and adequate given the facts and circumstances.

**C. The Debtors Should Be Authorized to Obtain Postpetition Financing on a Secured and Superpriority Basis.**

52. The Debtors propose to obtain financing under the DIP Facility by providing security interests and liens as set forth in the DIP Documents pursuant to section 364(c) of the Bankruptcy Code. Specifically, section 364(c) of the Bankruptcy Code provides that:

If the trustee is unable to obtain unsecured credit allowable under section 503(b)(1) of this title as an administrative expense, the court, after notice and a hearing, may authorize the obtaining of credit or the incurring of debt—

- (1) with priority over any or all administrative expenses of the kind specified in section 503(b) or 507(b) of this title;
- (2) secured by a lien on property of the estate that is not otherwise subject to a lien; or
- (3) secured by a junior lien on property of the estate that is subject to a lien.

11 U.S.C. § 364(c).

53. To satisfy the requirements of section 364(c) of the Bankruptcy Code, a debtor need only demonstrate “by a good faith effort that credit was not available without” the protections afforded to potential lenders by section 364(c) of the Bankruptcy Code. *Bray v. Shenandoah Fed. Sav. & Loan Ass’n (In re Snowshoe Co.)*, 789 F.2d 1085, 1088 (4th Cir. 1986) (“The statute imposes no duty to seek credit from every possible lender before concluding that

such credit is unavailable.”); *see also Pearl-Phil GMT (Far East) Ltd. v. Caldor Corp.*, 266 B.R. 575, 584 (S.D.N.Y. 2001) (superpriority administrative expenses authorized where debtor could not obtain credit as an administrative expense). When few lenders are likely to be able and willing to extend the necessary credit to a debtor, “it would be unrealistic and unnecessary to require [the debtor] to conduct such an exhaustive search for financing.” *In re Sky Valley, Inc.*, 100 B.R. 107, 113 (Bankr. N.D. Ga. 1988), *aff’d sub nom., Anchor Savs. Bank FSB v. Sky Valley, Inc.*, 99 B.R. 117, 120 n. 4 (N.D. Ga. 1989); *see also Ames Dep’t Stores*, 115 B.R. at 40 (approving financing facility and holding that the debtor made reasonable efforts to satisfy the standards of section 364(c) where it approached four lending institutions, was rejected by two, and selected the most favorable of the two offers it received).

54. As described above, the Debtors are unable to obtain unsecured credit. Therefore, approving superpriority claims in favor of the DIP Lenders is reasonable and appropriate.

55. Further, section 364(d) of the Bankruptcy Code provides that a debtor may obtain credit secured by a senior or equal lien on property of the estate already subject to a lien, after notice and a hearing, where the debtor is “unable to obtain such credit otherwise” and “there is adequate protection of the interest of the holder of the lien on the property of the estate on which such senior or equal lien is proposed to be granted.” 11 U.S.C. § 364(d)(1). The Debtors may incur “priming” liens under the DIP Facility to the extent such DIP Collateral is subject to prepetition liens that secure the Prepetition Obligations. *See Anchor Savs. Bank FSB v. Sky Valley, Inc.*, 99 B.R. 117, 122 (N.D. Ga. 1989) (“[B]y tacitly consenting to the superpriority lien, those [undersecured] creditors relieved the debtor of having to demonstrate that they were adequately protected.”). Accordingly, the Debtors may incur “priming” liens under the DIP Facility if either

(a) their Prepetition Secured Lenders have consented or (b) the Prepetition Secured Lenders' interests in collateral are adequately protected.

56. Here, the Prepetition 1L Secured Parties have affirmatively consented to the DIP Facility and actively participated in facilitating the proposed DIP Facility. Moreover, as set forth more fully in the Interim Order, the Debtors propose to provide an adequate protection package to protect the interests of the Prepetition 1L Secured Lenders. The Prepetition 2L Agents have not presently indicated that they affirmatively consent to the relief sought by this Motion. However, as discussed above, pursuant to the Intercreditor Agreement, the Prepetition 2L Agents have agreed not to object if any of the Prepetition 1L Secured Parties seeks to provide postpetition financing or consent to use cash collateral.<sup>9</sup> Therefore, the relief requested pursuant to section 364(d)(1) of the Bankruptcy Code is appropriate.

#### **D. No Adequate Alternative to the DIP Facilities Is Currently Available**

57. To obtain a postpetition financing facility, a debtor need only demonstrate “by a good faith effort that credit was not available without” the protections afforded to potential lenders by sections 364(c) and (d) of the Bankruptcy Code. *See YL West 87th Holdings I LLC*,

---

9. Section 6.2(a) of the Intercreditor Agreement provides: “If any First Lien Borrower or any other Credit Party shall be subject to any Insolvency Proceeding at any time prior to the Discharge of First Lien Obligations, and the First Lien Agent or the First Lien Lenders shall seek to provide any First Lien Borrower or any other Credit Party with, or consent to a third party providing, any financing under Section 364 of the Bankruptcy Code or consent to any order for the use of cash collateral under Section 363 of the Bankruptcy Code or any similar provision of any foreign Insolvency Proceeding or under a court order in respect of measures granted with similar effect under any Insolvency Proceeding (each, a “First Lien DIP Financing”) constituting Collateral with such First Lien DIP Financing to be secured by all or any portion of the Collateral (including assets that, but for the application of Section 552 of the Bankruptcy Code or any similar provision of any foreign Insolvency Proceeding would be Collateral), then the Second Lien Agents, on their own behalf and on behalf of the Second Lien Creditors, agree that they will raise no objection and will not support any objection to such First Lien DIP Financing or use of cash collateral or to the Liens securing the same on the grounds of a failure to provide ‘adequate protection’ for the Liens of the Second Lien Agents and Second Lien Creditors securing the Second Lien Obligations or on any other grounds (and without the consent of the First Lien Agent will not request any adequate protection solely as a result of such First Lien DIP Financing or use of cash collateral that is Collateral) except that if the First Lien Agent is granted Liens on additional collateral as adequate protection with respect to Collateral, the Second Lien Agents may request second priority Liens to those of the First Lien Agent on the same additional collateral as adequate protection of its interests in the Collateral.”

423 B.R. 421, 441 (Bankr. S.D.N.Y. 2010) (“Courts have generally deferred to a debtor's business judgment in granting section 364 financing.”); *In re Gen. Growth Props., Inc.*, 412 B.R. 122, 125 (Bankr. S.D.N.Y. 2009) (stating that debtor has an obligation only to make “reasonable efforts, under the circumstances . . . to obtain [unsecured financing], in the ordinary course of business or otherwise”); *In re Harborwalk, LP*, No. 10-80043-G3-11 (LZP) (Bankr. S.D. Tex. Jan. 29, 2010) [Docket No. 28] (“Section 364(d)(1) does not require that a debtor seek credit from every possible source, but a debtor must show that it made a reasonable effort to obtain postpetition financing from other potential lenders on less onerous terms and that such financing was unavailable.”) (internal citations omitted).

58. Given the amount of the Prepetition Obligations, procuring the necessary postpetition financing as unsecured debt or as debt secured by liens junior to the liens of the Prepetition Secured Parties was not a viable alternative. Moreover, the Debtors did not believe they would be able to secure third-party postpetition financing on a non-priming basis and/or on better terms than those provided by the DIP Lenders without protracted litigation regarding the priming of the Prepetition Secured Parties’ liens. Accordingly, the Debtors have determined that, under the circumstances, the DIP Facilities are the best postpetition financing option available to them and their estates.

59. As a result, the Debtors have shown, in satisfaction of the requirements of sections 364(c) and (d) of the Bankruptcy Code, that alternative credit on more favorable terms was unavailable to them.

#### **E. The Debtors Should Be Authorized to Use the Cash Collateral**

60. Section 363 of the Bankruptcy Code governs the Debtors’ use of property of their estates, including Cash Collateral. Pursuant to section 363(c)(2) of the Bankruptcy Code, a debtor may use cash collateral as long as “(A) each entity that has an interest in such cash

collateral consents; or (B) the court, after notice and a hearing, authorizes such use, sale, or lease in accordance with the provisions of this section.” 11 U.S.C. § 363(c)(2). Here, the DIP Lenders and the Prepetition Secured Lenders consent or are deemed to consent to the Debtors’ use of the Cash Collateral, subject to the terms and limitations set forth in the Interim Order.

61. Section 363(e) of the Bankruptcy Code provides for adequate protection of interests in property when a debtor uses cash collateral. Further, section 362(d)(1) of the Bankruptcy Code provides for adequate protection of interests in property due to the imposition of the automatic stay. *See In re Cont’l Airlines*, 91 F.3d 553, 556 (3d Cir. 1996) (en banc). While section 361 of the Bankruptcy Code provides examples of forms of adequate protection, such as granting replacement liens and administrative claims, courts decide what constitutes sufficient adequate protection on a case-by-case basis. *See, e.g., In re Swedeland Dev. Grp., Inc.*, 16 F.3d 552, 564 (3d Cir. 1994) (explaining that the “determination of whether there is adequate protection is made on a case by case basis”); *In re Satcon Tech. Corp.*, No. 12-12869 (KG), 2012 WL 6091160, at \*6 (Bankr. D. Del. Dec. 7, 2012) (same); *In re N.J. Affordable Homes Corp.*, 2006 WL 2128624, at \*14 (Bankr. D.N.J. June 29, 2006) (holding that “the circumstances of the case will dictate the necessary relief to be given”); *In re Columbia Gas Sys., Inc.*, 1992 WL 79323, at \*2 (Bankr. D. Del. Feb. 18, 1992) (holding that “what interest is entitled to adequate protection and what constitutes adequate protection must be decided on a case-by-case basis”); *see also In re Dynaco Corp.*, 162 B.R. 389, 394 (Bankr. D.N.H. 1993) (citing 2 Collier on Bankruptcy ¶ 361.01[1] at 361–66 (15th ed. 1993) (explaining that adequate protection can take many forms and “must be determined based upon equitable considerations arising from the particular facts of each proceeding”)).

62. As set forth above, the Prepetition Secured Parties have or are deemed to have consented to the use of Cash Collateral. The Debtors propose providing the Prepetition 1L Secured Parties with adequate protection that (i) is fair and reasonable and (ii) adequately protects against the diminution in value of their interest in the Prepetition Collateral. Specifically, as detailed in the Interim Order, the Debtors are proposing the following adequate protection (collectively, the “Adequate Protection Obligations”):

- (a) payment of all reasonable out-of-pocket fees, costs and expenses of the Prepetition 1L Secured Parties;
- (b) additional and replacement liens to the extent of any postpetition diminution in value of the Prepetition 1L Secured Parties’ interest in the Prepetition Collateral resulting from the use, sale or lease by the Debtors of such Prepetition Collateral and/or the imposition of the automatic stay, which liens will be junior to the Carve Out and the DIP Liens (the “First Lien Adequate Protection Liens”);
- (c) superpriority administrative expense claims to the extent of any postpetition diminution in value of the Prepetition 1L Secured Parties’ interest in the Prepetition Collateral resulting from the use, sale or lease by the Debtors of such Prepetition Collateral and/or the imposition of the automatic stay, which claims will be junior to the Carve Out and the DIP Obligations and be payable from and have recourse to all assets and property of the Debtors (the “First Lien Adequate Protection Superpriority Claim”); and
- (d) monthly adequate protection payments to the Prepetition 1L Lenders payable in-kind on the thirtieth day of each month equal to the interest at the Applicable Rate plus the Default Rate (as such terms are defined in the Prepetition 1L Credit Agreement) that would otherwise be owed to the Prepetition 1L Lenders under the Prepetition 1L Credit Agreement during such monthly period in respect of the Prepetition 1L Obligations, until such time as the full Prepetition 1L Obligations Amount is paid in full, in cash.

63. The Debtors submit that the proposed Adequate Protection Obligations are sufficient to protect the Prepetition 1L Secured Lenders from any potential diminution in value to the Prepetition Collateral. In light of the foregoing, the Debtors further submit, and the Prepetition Secured Lenders agree or are deemed to agree, that the proposed Adequate Protection Obligations to be provided for the benefit of the Prepetition 1L Secured Lenders are appropriate. Thus, the

Debtors' provision of the Adequate Protection Obligations is not only necessary to protect against any diminution in value but is fair and appropriate under the circumstances of these Chapter 11 Cases to ensure the Debtors are able to continue using the Cash Collateral, subject to the terms and limitations set forth in the Interim Order, for the benefit of all parties in interest and their estates.

**F. The Roll-Up Loans Are Appropriate**

64. Section 363(b) of the Bankruptcy Code permits a debtor to use, sell, or lease property, other than in the ordinary course of business, with court approval. It is well settled in the Third Circuit that such transactions should be approved when they are supported by a sound business purpose. *See In re Abbots Dairies, Inc.*, 788 F.2d 143 (3d Cir. 1986) (holding that in the Third Circuit, a debtor's use of assets outside the ordinary course of business under section 363(b) of the Bankruptcy Code should be approved if the debtor can demonstrate a sound business justification for the proposed transaction). The business judgment rule shields a debtor's management from judicial second-guessing. *In re Johns-Manville Corp.*, 60 B.R. 612, 615–16 (Bankr. S.D.N.Y. 1986) (“[T]he [Bankruptcy] Code favors the continued operation of a business by a debtor and a presumption of reasonableness attaches to a debtor's management decisions.”).

65. Repaying prepetition debt (often referred to as a “roll-up”) is a common feature in debtor-in-possession financing arrangements. The importance of “roll-up” features in DIP facilities has been repeatedly recognized by courts in this district and others, and such courts have granted relief similar to the relief requested herein. *See, e.g., In re SiO2 Medical Prods., Inc.*, No. 23-10366 (JTD) (Bankr. D. Del. Apr. 26, 2023) (authorizing an approximately \$120 million DIP facility, including a \$60 million roll-up of the prepetition term loan); *In re TPC Group Inc.*, No. 22-10493 (CTG) (Bankr. D. Del. June 3, 2022) (authorizing an approximately \$323 million DIP facility, including a \$238 million roll-up of prepetition secured notes, of which approximately \$59 million rolled up on an interim basis); *In re Extraction Oil & Gas, Inc.*, No. 20-11548 (CSS)

(Bankr. D. Del. Jul. 20, 2020) (authorizing an approximately \$50 million DIP facility including a \$22 million roll-up); *In re Blackhawk Mining LLC*, No. 19-11595 (LSS) (Bankr. D. Del. Jul. 23, 2019) (authorizing DIP facilities in the aggregate amount of \$240 million, including a \$100 million roll-up of the prepetition term loan and an additional \$140 million in incremental liquidity, pursuant to interim order); *In re ATD Corp.*, No. 18-12221 (KJC) (Bankr. D. Del. Oct. 26, 2018) (authorizing an approximately \$1,230 million DIP, including a full roll-up of the prepetition ABL outstanding principal of \$639 million and an additional \$250 million in additional liquidity, pursuant to interim order); *In re Remington Outdoor Co., Inc.*, No. 18-10684 (BLS) (Bankr. D. Del. Mar. 28, 2018) (authorizing approximately \$338 million DIP and a roll-up of approximately \$150 million, including a full ABL roll-up of \$114 million, pursuant to interim order); *In re True Religion Apparel, Inc.*, No. 20-10941 (CSS) (Bankr. D. Del. Aug. 1, 2017) (approving roll up with a ratio of 5.79:1 on term loan facility).<sup>10</sup>

66. As set forth above, the DIP Credit Agreement provides that the DIP Facility will be used to roll up, subject to entry of the Final Order, approximately \$96 million of the Debtors' prepetition debt under their capital structure. This repayment is a sound exercise of the Debtors' business judgment and is a material component of the structure of the DIP Facility. Without continued access to the additional liquidity provided under the DIP Facility, the Debtors will be unable to fund the administration of these Chapter 11 Cases and the sale process.

67. As discussed in the DIP Declaration, the Roll-Up Loans were the subject of arm's-length and good-faith negotiations between the Debtors and the DIP Lenders, is an integral component of the overall terms of the DIP Facility and was required by the DIP Lenders as

10. Because of the voluminous nature of the orders cited herein, such orders have not been attached to this motion. Copies of these orders are available upon request of the Debtors' proposed counsel.

considerations for the extension of postpetition financing. (DIP Decl. ¶ 15.) Additionally, the Roll-Up Loans were a necessary condition for the DIP Lenders to agree to provide the Emergency Bridge on a prepetition basis. The Emergency Bridge was required for the Debtors to continue funding their operations pending the filing of these Chapter 11 Cases and obtaining access to the DIP Facility. Further, the Debtors believe the Prepetition 1L Obligations are secured by perfected, first priority liens, and the portion being converted to Roll-Up Loans are fully secured such that the roll-up of the obligations merely accelerates the satisfaction of the obligations without affecting the recovery of other creditors. For these reasons and because no other party has put forward an actionable financing proposal, the granting of the Roll-Up Loans is reasonable, appropriate, a sound exercise of the Debtors' business judgment, and ultimately in the best interests of all stakeholders given the alternatives.

### **III. The Debtors Should Be Authorized to Pay the Fees Required Under the DIP Documents**

68. As described in the DIP Declaration, the Debtors have agreed, subject to Bankruptcy Court approval, to pay certain fees to the DIP Lenders (collectively, the "DIP Fees") in exchange for providing the DIP Facility. The DIP Fees include (i) a closing fee, payable in kind, in an amount equal to 5.00% of the New Money DIP Commitments (the "Closing Fee"), (ii) an agency fee in cash in an amount equal to \$100,000 (the "Agency Fee"), and (iii) an exit fee in cash in an amount equal to 5.00% of the DIP Loans, other than if the Second Additional Term Loans have been converted into Roll-Up Loans, in which case the fee is an incremental 1% to fees already payable on the Second Additional Term Loans (the "Exit Fee"). The Closing Fee shall be payable in kind and the Agency Fee shall be payable in cash, and both shall be fully earned and due and nonrefundable once paid. The Exit Fee is due on repayment of any DIP Loan.

69. The DIP Fees, together with the other provisions of the DIP Documents, represent the most favorable terms the DIP Lenders or any other potential investor would agree to make the DIP Facility available to the Debtors. The Debtors considered the DIP Fees when determining in their sound business judgment whether the DIP Documents constituted the best terms on which the Debtors could obtain sufficient postpetition financing necessary to continue their operations and fund the Chapter 11 Cases. Paying the DIP Fees—which were negotiated at arms’-length among the parties—in order to obtain the DIP Facility is in the best interests of the Debtors’ estates, creditors and other parties in interest. Accordingly, the Bankruptcy Court should authorize the Debtors to pay the DIP Fees.

**IV. The DIP Lenders Should Be Deemed Good-Faith Lenders Under Section 364(e)**

70. Section 364(e) of the Bankruptcy Code protects a good faith lender’s right to collect on loans extended to a debtor, and its right in any lien securing those loans, even if the authority of the debtor to obtain such loans or grant such liens is later reversed or modified on appeal. 11 U.S.C. § 364(e). Section 364(e) provides that:

The reversal or modification on appeal of an authorization under this section [364 of the Bankruptcy Code] to obtain credit or incur debt, or of a grant under this section of a priority or a lien, does not affect the validity of any debt so incurred, or any priority or lien so granted, to an entity that extended such credit in good faith, whether or not such entity knew of the pendency of the appeal, unless such authorization and the incurring of such debt, or the granting of such priority or lien, were stayed pending appeal.

*Id.*

71. Here, the Debtors believe the DIP Documents embody the most favorable terms on which the Debtors could obtain DIP Financing. As discussed in the Feltman Declaration, all negotiations regarding the provisions of the DIP Facility were conducted in good faith and on an arm’s length basis. The terms and conditions of the DIP Facility are fair and reasonable, and

the proceeds of the DIP Facility will be used only for purposes that are permissible under the Bankruptcy Code. Further, no consideration is being provided to any party to the DIP Facility other than as disclosed herein. Accordingly, the Bankruptcy Court should find that the DIP Lenders are “good faith” lenders within the meaning of section 364(e) of the Bankruptcy Code and are entitled to all of the protections afforded by that section.

**V. The Scope of the Carve Out Is Appropriate**

72. The DIP Superpriority Claims, the DIP Liens, the First Lien Adequate Protection Liens, and the First Lien Adequate Protection Superpriority Claim are subject to the Carve Out. The Carve Out ensures that assets will be available for the payment of fees of the U.S. Trustee and professional fees of the Debtors and an unsecured creditors’ committee, if one is appointed. Without the Carve Out, the Debtors and other parties in interest may be deprived of certain rights and powers because the services for which professionals may be paid in these Chapter 11 Cases would be restricted. *See Ames Dep’t Stores*, 115 B.R. at 40 (observing that courts insist on carve-outs for professionals representing parties in interest because “[a]bsent such protection, the collective rights and expectations of all parties-in-interest are sorely prejudiced”). The Carve Out does not directly or indirectly deprive the Debtors’ estates or other parties in interest of possible rights and powers. Accordingly, the Carve Out is necessary and appropriate, and should be approved.

**VI. The Automatic Stay Should Be Modified on a Limited Basis**

73. The relief requested herein contemplates a modification of the automatic stay to permit the Debtors to grant the DIP Liens. Specifically, the DIP Facility contemplates modifying the automatic stay so as to (i) permit the creation and perfection of the DIP Liens, and (ii) provide for the automatic vacation of such stay to permit the DIP Agent to enforce its rights

with respect to the DIP Collateral in the event of an Event of Default under the DIP Facility, subject to three (3) business days' written notice to counsel to the Debtors, and the U.S. Trustee.

74. Stay modifications of this kind are ordinary and standard features for postpetition financings, and in the Debtors' business judgment, are reasonable and fair under the present circumstances. *See, e.g., In re PGX Holdings, Inc.*, No. 23-10718 (CTG) (Bankr. D. Del. Aug. 4, 2023) (modifying automatic stay as necessary to effectuate the terms of the order and following occurrence of an event of default); *In re SiO2 Medical Prods., Inc.*, No. 23-10366 (JTD) (Bankr. D. Del. Apr. 26, 2023) (same); *In re Carestream Health, Inc.*, No. 22-10778 (JKS) (Bankr. D. Del. Aug. 24, 2022) (same); *In re Town Sports Int'l, LLC*, No. 12-12168 (CTG) (Bankr. D. Del. #### **SATISFACTION OF BANKRUPTCY RULE 6003**

75. Pursuant to Bankruptcy Rule 6003(b), any motion seeking to use property of the estate pursuant to section 363 of the Bankruptcy Code or to satisfy prepetition claims within twenty-one days of the Petition Date requires the Debtors to demonstrate that such relief "is necessary to avoid immediate and irreparable harm." As described herein, the Debtors will suffer immediate and irreparable harm without the Court's authorization to withdraw and borrow funds under the DIP Facility. If the relief is not granted, the Debtors' ability to continue to operate and pay their administrative expenses will be significantly disrupted, which will have a disastrous effect on the Debtors' operations.

---

11. Because of the voluminous nature of the orders cited herein, such orders have not been attached to this motion. Copies of these orders are available upon request of the Debtors' proposed counsel.

76. For this reason and those set forth above, the Debtors respectfully submit that Bankruptcy Rule 6003(b) has been satisfied and that the relief requested herein is necessary to avoid immediate and irreparable harm to the Debtors and their estates.

**INTERIM APPROVAL IS APPROPRIATE**

77. Bankruptcy Rules 4001(b) and 4001(c)(2) provide that a final hearing on a motion to obtain credit pursuant to section 364 of the Bankruptcy Code may not be commenced earlier than fourteen (14) days after the service of such motion. Upon request, however, a bankruptcy court is empowered to conduct a preliminary expedited hearing on the motion and authorize the obtaining of credit to the extent necessary to avoid immediate and irreparable harm to the Debtors' estates. *See* Fed. R. Bankr. P. 4001(c)(2).

78. The Debtors request that the Bankruptcy Court authorize them, on an interim basis pending the Final Hearing, to borrow under the DIP Facility in an amount up to \$11.2 million. As discussed above, this relief will enable the Debtors to operate their businesses in a manner that will permit them to preserve and maximize value and thereby avoid immediate and irreparable harm and prejudice to their estates and all parties in interest, pending the Final Hearing. Absent interim approval of this interim borrowing under the DIP Facility, the Debtors' businesses would suffer immediate and irreparable harm.

**REQUEST FOR FINAL HEARING**

79. Pursuant to Bankruptcy Rules 4001(b)(2) and 4001(c)(2), the Debtors request that the Bankruptcy Court set a date for the Final Hearing that is as soon as practicable, and in no event after twenty-five (25) days after the Petition Date, and fix the time and date prior to the Final Hearing for parties to file objections to this Motion.

**REQUESTS FOR IMMEDIATE RELIEF AND WAIVER OF STAY**

80. Pursuant to Bankruptcy Rules 6003(b) and 6004(h), the Debtors seek (a) immediate entry of an order granting the relief sought herein and (b) a waiver of any stay of the effectiveness of such an order. Bankruptcy Rule 6003(b) provides, in relevant part, that “[e]xcept to the extent that relief is necessary to avoid immediate and irreparable harm, the court shall not, within 21 days after the filing of the petition, issue an order granting the following . . . a motion to pay all or part of a claim that arose before the filing of the petition.” Bankruptcy Rule 6004(h) provides that “[a]n order authorizing the use, sale, or lease of property other than cash collateral is stayed until the expiration of 14 days after entry of the order, unless the court orders otherwise.” From this, courts have ruled that, where the failure to grant any such requested relief would result in immediate and irreparable harm to a debtor’s estate, a court may allow a debtor to pay all or part of a claim that arose prepetition immediately.

81. As set forth above, the relief requested herein is necessary to avoid immediate and irreparable harm to the Debtors. Accordingly, the Debtors submit that ample cause exists to justify (a) the immediate entry of an order granting the relief sought herein and (b) a waiver of the 14-day stay imposed by Bankruptcy Rule 6004(h), to the extent that it applies.

**RESERVATION OF RIGHTS**

82. Nothing contained in this Motion or any actions taken pursuant to any order granting the relief requested by this Motion is intended or shall be construed as: (a) an admission as to the validity of any claim against a Debtor entity or the existence of any lien against the Debtors’ property; (b) a waiver of the Debtors’ rights to dispute any claim or lien on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim would constitute an allowed claim; (e) a request or authorization to assume any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) a waiver or limitation of the

Debtors' rights under the Bankruptcy Code or any other applicable law; or (g) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) satisfied pursuant to this Motion are valid, and the Debtors expressly reserve their rights to contest the extent, validity, or perfection or seek avoidance of any or all such liens.

### **NOTICE**

83. Notice of the hearing of this Motion shall be provided to: (i) the U.S. Trustee for the District of Delaware; (ii) the holders of the twenty (20) largest unsecured claims against the Debtors on a consolidated basis; (iii) counsel for Blue Torch Finance LLC, as the administrative agent for the Prepetition 1L Lenders and the DIP Lenders; (iv) counsel for GLAS Americas LLC, as the administrative agent for the 2L Lenders; (v) Exitus Capital, S.A.P.I. de C.V.; (vi) Monroe Capital Management Advisors, LLC, as administrative agent for the Prior 1L Lenders; (vii) AGS Group LLC ; and (viii) all parties that have filed a notice of appearance and request for service of papers pursuant to Bankruptcy Rule 2002 (collectively, the "Notice Parties"). As this Motion is seeking "first day" relief, within two (2) business days of the hearing on this Motion, the Debtors will serve copies of this Motion and any order entered with respect to this Motion as required by Local Rule 9013-1(m). The Debtors submit that, in light of the nature of the relief requested, no other or further notice need be given.

### **NO PRIOR REQUEST**

84. No prior request for the relief sought in this Motion has been made to this Bankruptcy Court or any other court.

WHEREFORE, the Debtors respectfully request that this Court: (i) consider the Motion on an expedited basis; (ii) grant the Interim Order, substantially in the form attached as **Exhibit A** hereto, authorizing the Debtors to obtain the postpetition financing described herein on an interim basis and setting the Motion for a final hearing; and (iii) grant such other and further relief as the Court may deem just and proper.

5 Findings of fact shall be construed as conclusions of law, and conclusions of law shall be construed as findings of fact.

3. *Notice.* Under the circumstances, the notice given by the Debtors of, and as described in, the Motion, the relief requested therein, and the Interim Hearing constitutes due and sufficient notice thereof and complies with Bankruptcy Rules 2002, 4001(b), (c) and (d), and 9014, and no further notice of the relief sought at the Interim Hearing and the relief granted herein is necessary or required.

4. *Debtors' Stipulations.* Without prejudice to the rights of any other party, but subject to the limitations thereon contained in paragraphs 27 and 28 of this Interim Order, the Debtors represent, admit, stipulate, and agree as follows:

(a) Prepetition 1L Obligations. As of the Petition Date, the Prepetition 1L Obligors, without defense, counterclaim, or offset of any kind, were jointly and severally indebted and liable to the Prepetition 1L Secured Parties under the Prepetition 1L Documents in the aggregate amount of not less than \$95,937,658.01, which consists of (x) approximately \$[\_\_\_\_\_] in principal amounts of term loans advanced under the Prepetition 1L Credit Agreement, plus (y) no less than approximately \$[\_\_\_\_\_] on account of accrued and unpaid interest thereon as of the Petition Date ((x) and (y) together, the "Prepetition 1L Obligations Amount"), plus all other fees, costs, expenses, indemnification obligations, reimbursement obligations, charges, premiums, if any, additional interest, any other "Obligations" (as defined on the Prepetition 1L Credit Agreement) and all other obligations of whatever nature owing, whether or not contingent, whenever arising, accrued, accruing, due, owing or chargeable under the Prepetition 1L Documents (collectively, including the Prepetition 1L Obligations Amount, the "Prepetition 1L Obligations"). The Prepetition 1L Obligations constitute legal, valid, binding and non-avoidable obligations against each of the Prepetition 1L Obligors and are not subject to any avoidance, recharacterization, effect, counterclaim, defense, offset, subordination, other claim, cause of action or other challenge of any

kind under the Bankruptcy Code, under applicable non-bankruptcy law or otherwise. No payments or transfers made to or for the benefit of (or obligations incurred to or for the benefit of) the Prepetition 1L Agent or Prepetition 1L Secured Parties by or on behalf of any of the Debtors prior to the Petition Date under or in connection with any of the Petition 1L Documents is subject to avoidance, recharacterization, effect, counterclaim, defense, offset, subordination, other claim, cause of action or other challenge of any kind or nature under the Bankruptcy Code, under applicable non-bankruptcy law or otherwise.

(b) Prepetition First Liens. Pursuant to the Prepetition 1L Documents, the Prepetition 1L Obligations are secured by valid, binding, perfected and enforceable first priority liens on and security interests in (the “Prepetition First Liens”) the “Collateral” (as defined in the Prepetition 1L Documents) (the “Prepetition Collateral”), subject only to certain Permitted Liens as permitted under the Prepetition 1L Documents. The Prepetition First Liens (i) are valid, binding, perfected, and enforceable first priority liens and security interests in the Prepetition Collateral, (ii) are not subject, pursuant to the Bankruptcy Code or other applicable law, to avoidance, recharacterization, recovery, subordination, attack, offset, counterclaim, defense, or “claim” (as defined in the Bankruptcy Code) of any kind, (iii) as of the Petition Date are subject or subordinate only to certain Permitted Liens (if any) as permitted by the terms of the Prepetition 1L Documents and (iv) constitute the legal, valid, and binding obligation of the Loan Parties (as defined in the Prepetition 1L Documents), enforceable in accordance with the terms of the applicable Prepetition 1L Documents.

(c) Cash Collateral. Any and all of the Debtors’ cash, including cash and other amounts on deposit or maintained in any account or accounts by the Debtors, and any amounts generated by the collection of accounts receivable or other disposition of the Prepetition Collateral

Parties”), the Borrower and certain of the Guarantors entered into that certain Intercreditor Agreement dated as of May 27, 2022 (as amended, supplemented or modified from time to time prior to the Petition Date, the “Intercreditor Agreement”), which sets forth the respective rights, obligations and priorities of the liens and security interests of Prepetition 1L Agent and the Prepetition 1L Lenders on the one hand, and the Prepetition 2L Collateral Agent and Prepetition 2L Lenders, on the other hand, with respect to the Collateral (as defined in the Intercreditor Agreement) and the obligations of Borrower and Guarantors party thereto due to the Prepetition 1L Agent and the Prepetition 1L Lenders, on the one hand, and the Prepetition 2L Collateral Agent and Prepetition 2L Lenders, on the other hand. Nothing in this Interim Order shall modify the terms of the Intercreditor Agreement, and the rights, priorities and obligations set forth thereunder.

5. *Findings Regarding the DIP Facility and Use of Cash Collateral.*

(a) Good cause has been shown for the entry of this Interim Order.

(b) As set forth in the Feltman Declaration, the Debtors have an immediate need to obtain the DIP Facility and to use the Cash Collateral in each case on an interim basis, in order to, among other things: (i) permit the orderly continuation of their respective businesses; (ii) maintain business relationships with their vendors, suppliers, customers, and other parties; (iii) make payroll and honor other obligations to employees; (iv) make capital expenditures; (v) make adequate protection payments; and (vi) pay the costs of the administration of the Chapter 11 Cases and satisfy other working capital and general corporate purposes of the Debtors. The Debtors require immediate access to sufficient working capital and liquidity through the incurrence of the new indebtedness for borrowed money and other financial accommodations to avoid irreparable harm by, among other things, preserving and maintaining the going concern value of the Debtors’ business. The Debtors will not have sufficient sources of working capital and financing to operate

their business or maintain their properties in the ordinary course of business throughout the Chapter 11 Cases without the DIP Facility and authorized use of Cash Collateral.

(c) As set forth in the Feltman Declaration, the Debtors are unable to obtain financing on more favorable terms from sources other than the DIP Lenders under the DIP Documents and are unable to obtain adequate unsecured credit allowable under Bankruptcy Code section 503(b)(1) as an administrative expense. Notwithstanding the existence of Unencumbered Assets, the Debtors are unable to secure adequate funding, the Debtors are also unable to obtain secured credit allowable under Bankruptcy Code sections 364(c)(1), 364(c)(2), and 364(c)(3) for the purposes set forth in the DIP Documents without the Debtors granting to the DIP Agent, for the benefit of itself and the DIP Lenders, subject to the Carve Out as provided for herein and the Permitted Liens (if any), the DIP Liens (as defined herein) and the DIP Superpriority Claims (as defined herein) and, subject to the Carve Out, incurring the Adequate Protection Obligations, in each case, under the terms and conditions set forth in this Interim Order and the DIP Documents. For the avoidance of doubt, the DIP Liens include liens on and security interests in the Unencumbered Assets pursuant to Bankruptcy Code section 364(c)(2).

(d) The terms of the DIP Facility, the DIP Documents, and the use of Cash Collateral are fair and reasonable, reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties and constitute reasonably equivalent value and fair consideration.

(e) The DIP Facility has been negotiated in good faith and at arm's length among the Debtors, the DIP Agent and the DIP Lenders, and all of the Debtors' obligations and indebtedness arising under, in respect of, or in connection with the DIP Facility and the DIP Documents including, without limitation, all loans (including, upon entry of the Final Order, the Roll-Up Loans) made to and guarantees issued by the Debtors pursuant to the DIP Documents and all other

Obligations (as defined in the DIP Credit Agreement) (collectively, the “DIP Obligations”) shall be deemed to have been extended by the DIP Agent and the DIP Lenders in good faith as that term is used in Bankruptcy Code section 364(e) and in express reliance upon the protections offered by Bankruptcy Code section 364(e) and the terms of this Interim Order. The DIP Obligations, the DIP Liens and the DIP Superpriority Claims shall be entitled to the full protection of Bankruptcy Code section 364(e) in the event that this Interim Order or any provision hereof is vacated, reversed, or modified on appeal or otherwise and any liens or claims granted to the DIP Agent or the DIP Lenders hereunder arising prior to the effective date of any such vacatur, reversal or modification of this Interim Order shall be governed in all respects by the original provisions of this Interim Order, including entitlement to all rights, remedies, privileges and benefits granted herein.

(f) Subject to entry of the Final Order, the Roll-Up Loans as provided for under the DIP Facility are appropriate and the DIP Lenders would not be willing to provide the New Money DIP Loans or extend credit to the Debtors thereunder without the inclusion of the Roll-Up Loans within the DIP Facility.

(g) The Debtors have requested entry of this Interim Order pursuant to Bankruptcy Rules 4001(b)(2) and 4001(c)(2) and the Local Rules. For the reasons set forth in the Motion, the declarations filed in support of the Motion, and the record presented to the Bankruptcy Court at the Interim Hearing, absent granting the relief sought by this Interim Order, the Debtors’ estates will be immediately and irreparably harmed. Consummation of the DIP Facility and authorization of the use of the Prepetition Collateral (including the Cash Collateral) in accordance with this Interim Order and the DIP Documents are, therefore, in the best interests of the Debtors’ estates and are consistent with the Debtors’ fiduciary duties.

6. *Authorization of the DIP Facility and the DIP Documents.*

(a) The Debtors are hereby expressly authorized and empowered to execute and deliver and, on such execution and delivery, directed to perform under the DIP Documents, including the DIP Credit Agreement, which is hereby approved and incorporated herein by reference.

(b) Upon entry of this Interim Order, the Borrower is hereby authorized to borrow, and the Guarantors are hereby authorized to guaranty, borrowings up to an aggregate principal amount of \$[11,200,000.00] in New Money DIP Loans (plus an amount equal to the Closing Fee and Agency Fee, plus interest, fees, indemnities, and other expenses and other amounts provided for in the DIP Credit Agreement), subject to and in accordance with this Interim Order and the DIP Documents.

(c) Proceeds of the DIP Loans and Cash Collateral shall be used solely for the purposes permitted under the DIP Credit Agreement, this Interim Order and in accordance with the applicable DIP Budget, the DIP Documents, and this Interim Order.

(d) In furtherance of the foregoing and without further approval of this Bankruptcy Court, each Debtor is authorized, and the automatic stay imposed by Bankruptcy Code section 362 is hereby lifted to the extent necessary and applicable, to perform all acts and to make, execute and deliver all instruments and documents (including, without limitation, the DIP Credit Agreement and any collateral documents contemplated thereby), and to pay all fees, expenses, indemnities, and other amounts contemplated thereby or that may be reasonably required or necessary for the Debtors' performance of their obligations under the DIP Facility including, without limitation:

- (i) the execution, delivery, and performance of the DIP Documents, including, without limitation, the DIP Credit Agreement and any collateral documents contemplated thereby;

- (ii) the execution, delivery and performance of one or more amendments, waivers, consents or other modifications to and under the DIP Documents (in each case in accordance with the terms of the DIP Documents and in such form as the Debtors, the DIP Agent and the Required Lenders (as defined in the DIP Credit Agreement) may agree), it being understood that no further approval of the Bankruptcy Court shall be required for any amendments, waivers, consents or other modifications to and under the DIP Documents or the DIP Budget, except that any modifications or amendments to the DIP Documents that shorten the maturity thereof or increase the aggregate commitments thereunder or the rate of interest payable with respect thereto shall be on notice and subject to a hearing and Bankruptcy Court approval, as necessary;
- (iii) the non-refundable and, upon entry of this Interim Order, irrevocable payment to each of the DIP Lenders or the DIP Agent, as applicable, of the fees referred to in the DIP Documents (which fees, in each case, shall be, and shall be deemed to have been, approved upon entry of this Interim Order, and which fees shall not be subject to any challenge, contest, attack, rejection, recoupment, reduction, defense, counterclaim, offset, subordination, recharacterization, avoidance or other claim, cause of action or other challenge of any nature under the Bankruptcy Code, under applicable non-bankruptcy law or otherwise) and any amounts due (or that may become due) in respect of any indemnification obligations under the DIP Documents, including:
- a closing fee of 5.0% of the aggregate principal amount of the New Money DIP Commitments (the “Closing Fee”), which shall be paid in immediately available funds on the Effective Date (as defined in the DIP Credit Agreement);

- An agency fee of \$100,000 per annum to the DIP Agent on account of managing agency and administrative costs (the “Agency Fee”), which shall be paid in immediately available funds on the Effective Date (as defined in the DIP Credit Agreement);
- Audit and collateral monitoring fees on account of visits to any or all of the Loan Parties and inspections, audits, physical counts, valuations, appraisals, environmental site assessments and/or examinations of any or all of the Loan Parties conducted by representatives of the Agents from time to time, including (i) \$1,500 per day per examiner plus the examiner’s out-of-pocket costs and reasonable expenses incurred in connection with all such visits, inspections, audits, physical counts, valuations, appraisals, environmental site assessments and/or examinations and (ii) the cost of all visits, inspections, audits, physical counts, valuations, appraisals, environmental site assessments and/or examinations conducted by a third party on behalf of the Agents (the “Audit and Collateral Monitoring Fees”); and
- An exit fee of 5.0% of the aggregate principal amount of the Term Loans (the “Exit Fee”), which shall be paid in accordance with the DIP Credit Agreement.

(iv) make the payments on account of the Adequate Protection Obligations provided for in this Interim Order; and

(v) the performance of all other acts required under or in connection with the DIP Documents.

(e) Upon execution and delivery of the DIP Credit Agreement and the other DIP Documents, such DIP Documents shall constitute valid, binding, and non-avoidable obligations of the Debtors enforceable against each Debtor party thereto in accordance with their respective terms and the terms of this Interim Order for all purposes during the Chapter 11 Cases, any subsequently converted Case of any Debtor to a case under chapter 7 of the Bankruptcy Code, or after the dismissal of any Case. No obligation, payment, transfer, or grant of security under the DIP Credit Agreement, the other DIP Documents or this Interim Order shall be stayed, restrained, voidable, avoidable or recoverable under the Bankruptcy Code or under any applicable law (including

without limitation, under Bankruptcy Code sections 502(d), 548 or 549 or under any applicable state Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, Uniform Voidable Transaction Act or similar statute or common law), or subject to any defense, reduction, setoff, recoupment or counterclaim.

(f) The Guarantors hereby are authorized and directed to jointly, severally and unconditionally guarantee in full all of the DIP Obligations of the Borrower and to incur any DIP Obligations and DIP Liens in connection therewith.

7. *DIP Budget.*

(a) Except as otherwise provided herein or in the DIP Documents, the Debtors may only use Cash Collateral and the proceeds of the DIP Facility in accordance with a projected statement of sources and uses of cash for the Debtors for the 13 calendar weeks (but not any preceding weeks) attached hereto as **Exhibit 1** (as may be amended, replaced, supplemented or otherwise modified in accordance with the terms of this Interim Order and the DIP Documents, the “**DIP Budget**”), subject to permitted variances as set forth in the DIP Documents, including without limitation for: (A) working capital requirements; (B) general corporate purposes; and (C) the costs and expenses (including making payments on account of the Adequate Protection Obligations hereunder and payment of the allowed fees and expenses of professionals retained by the Debtors’ estates) of administering the Chapter 11 Cases (including payments under the Carve Out as provided herein). On the Monday (or, if such Monday is not a Business Day (as defined in the DIP Credit Agreement), the immediately succeeding Business Day) of each week following the week in which the Petition Date occurs, the Debtors shall deliver an updated DIP Budget, in each case substantially in the form attached hereto as **Exhibit 1** (with only such changes thereto

as the Required Lenders shall agree in their sole discretion) or is otherwise in form and substance satisfactory to the Required Lenders in their sole discretion.

(a) By 7:00 p.m. (New York City Time) on the third (3rd) Business Day after the end of each Testing Period (as defined in the DIP Credit Agreement), commencing with the Testing Period that ends on the last day of the third (3rd) Weekly Period after the Petition Date and weekly, the Debtors shall deliver to (i) the DIP Agent, and (ii) the DIP Lenders (with a copy to the DIP Lenders' advisors), a variance report, in form and substance satisfactory to the Required Lenders, showing for the Testing Period (1) the variance (as compared to the applicable DIP Budget) of the cash receipts (on a line item by line item basis and an aggregate basis for all line items) of the Debtors for the applicable period, and (2) the variance (as compared to the applicable DIP Budget) of the cash disbursements (on a line item by line item basis and an aggregate basis for all line items) made by the Debtors set forth in the DIP Budget for the applicable period (the "Variance Report"). Without giving effect to the making of DIP Loans or the repayments or prepayments of DIP Loans, (a) as of the last day of each four-week period (or any portion thereof) commencing for the period ended after the fourth full week after the Petition Date), in no event shall (i) disbursements (as set forth in the Variance Report) for such period exceed 110% of the amount of disbursements projected in the applicable DIP Budget, and (ii) receipts (as set forth in the Variance Report) for such period to be less than 90% of the amount of receipts projected in the applicable DIP Budget.

(b) The consent of the DIP Lenders to any applicable DIP Budget shall not be construed as consent to the use of any Cash Collateral or DIP Loans after the occurrence of an Event of Default (as defined in the DIP Credit Agreement), regardless of whether the aggregate funds shown on any applicable DIP Budget have been expended.

8. *Reporting Requirements/Access to Records.* The Debtors shall provide the DIP Lenders with all reporting and other information required to be provided to the DIP Agent under the DIP Documents. In addition to, and without limiting, whatever rights to access the DIP Agent and the DIP Lenders have under the DIP Documents, upon reasonable notice, at reasonable times during normal business hours, the Debtors shall permit representatives, agents, and employees of the DIP Agent and the DIP Lenders to: (i) have access to and inspect the Debtors' assets; (ii) examine the Debtors' books and records; and (iii) discuss the Debtors' affairs, finances, and condition with the Debtors' officers and relevant financial advisors; *provided that* nothing in this paragraph 8 or otherwise (x) shall require the Debtors or their advisors to furnish to, or discuss with, the DIP Agent and the DIP Lenders any materials (whether prepared by the Debtors' financial advisors or legal advisors or otherwise) or other information subject to any attorney-client or other privilege or confidentiality obligations or (y) shall be construed to obligate any of the aforementioned advisors to disclose any information or to otherwise take or refrain from taking any action, absent an express contractual requirement to do so.

9. *DIP Superpriority Claims.* Pursuant to Bankruptcy Code section 364(c)(1), all of the DIP Obligations shall constitute allowed senior administrative expense claims of the DIP Agent and the DIP Lenders, against each of the Debtors' estates (the "DIP Superpriority Claims"), without the need to file any proof of claim or request for payment of administrative expenses, with priority over any and all administrative expenses, adequate protection claims, diminution claims and all other claims against the Debtors, now existing or hereafter arising, of any kind whatsoever, including, without limitation, all administrative expenses of the kind specified in Bankruptcy Code sections 503(b) and 507(b), and over any and all administrative expenses or other claims arising under Bankruptcy Code sections 105, 326, 328, 330, 331, 503(b), 506(c), 507(a), 507(b), 726,

1113, or 1114 or otherwise, whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment, which allowed claims shall for the purposes of Bankruptcy Code section 1129(a)(9)(A) be considered administrative expenses allowed under Bankruptcy Code section 503(b) and which shall be payable from and have recourse to all prepetition and postpetition property of the Debtors and all proceeds thereof, including, upon entry of the Final Order, the proceeds of any claims or causes of action arising under chapter 5 of the Bankruptcy Code (the “Avoidance Actions” and any proceeds thereof, the “Avoidance Proceeds”), subject only to the payment of the Carve Out to the extent specifically provided for herein. Except as set forth in, or permitted by, this Interim Order, no other superpriority claims shall be granted or allowed in these Chapter 11 Cases.

10. *DIP Liens.* As security for the DIP Obligations, the following security interests and liens are hereby granted by the Debtors to the DIP Agent, for the benefit of the DIP Agent and the DIP Lenders (all property identified in clauses (a), (b) and (c) below being collectively referred to as the “DIP Collateral”), subject only to the payment of the Carve Out to the extent specifically provided for herein and the Permitted Liens (if any) (all such liens and security interests granted to the DIP Agent, for the benefit of the DIP Agent and the DIP Lenders, pursuant to this Interim Order and the DIP Documents, the “DIP Liens”). Other than as set forth for Avoidance Actions within, the DIP Liens shall be effective and automatically perfected upon the date of this Interim Order, and without the necessity of the execution, recordation of filings by the Debtors of mortgages, security agreements, control agreements, pledge agreements, financing statements or other similar documents, or the possession or control by the DIP Agent or any DIP Lender of, or over, any DIP Collateral (as defined herein):

(a) First Lien on Unencumbered Property. Pursuant to Bankruptcy Code section 364(c)(2), a valid, binding, continuing, enforceable, fully-perfected first priority senior security interest in and lien upon all prepetition and postpetition property of the Debtors, whether existing on the Petition Date or thereafter acquired, that, on or as of the Petition Date is not subject to valid, perfected and non-avoidable liens (or perfected after the Petition Date to the extent permitted by Bankruptcy Code section 546(b)), including, without limitation, any unencumbered cash of the Debtors (whether maintained with the DIP Agent or otherwise) and any investment of such cash, accounts, inventory, goods, contract rights, mineral rights, instruments, documents, chattel paper, patents, trademarks, copyrights, and licenses therefor, accounts receivable, receivables and receivables records, general intangibles, payment intangibles, tax or other refunds, insurance proceeds, letters of credit, intercompany claims, contracts, owned real estate, real property leaseholds, fixtures, deposit accounts, commercial tort claims (including, without limitation, any commercial tort claims against directors and officers of the Debtors), securities accounts, instruments, investment property, letter-of-credit rights, supporting obligations, vehicles, machinery and equipment, real property, leases (and proceeds from the disposition thereof), all of the issued and outstanding capital stock of each Debtor, other equity or ownership interests, including equity interests in subsidiaries and non-wholly-owned subsidiaries, money, investment property, causes of action (including, upon entry of the Final Order, the proceeds of Avoidance Actions), and all cash and non-cash proceeds, rents, products, substitutions, accessions, profits and supporting obligations of any of the collateral described above, whether in existence on the Petition Date or thereafter created, acquired, or arising and wherever located.

(b) Liens Priming the Prepetition First Liens and Prepetition Second Liens. Pursuant to Bankruptcy Code section 364(d)(1), a valid, binding, continuing, enforceable, fully-perfected

first priority senior priming security interest in and lien upon all prepetition and postpetition property of the Debtors including, without limitation, the Prepetition Collateral, Cash Collateral, and any investment of such cash, accounts, inventory, goods, contract rights, mineral rights, instruments, documents, chattel paper, patents, trademarks, copyrights, and licenses therefor, accounts receivable, receivables and receivables records, general intangibles, payment intangibles, tax or other refunds, insurance proceeds, letters of credit, intercompany claims, contracts, owned real estate, real property leaseholds, fixtures, deposit accounts, commercial tort claims (including, without limitation, any commercial tort claims against directors and officers of the Debtors), securities accounts, instruments, investment property, letter-of-credit rights, supporting obligations, vehicles, machinery and equipment, real property, leases (and proceeds from the disposition thereof), all of the issued and outstanding capital stock of each Debtor, other equity or ownership interests, including equity interests in subsidiaries and non-wholly-owned subsidiaries, money, investment property, causes of action, and all cash and non-cash proceeds, rents, products, substitutions, accessions, profits and supporting obligations of any of the collateral described above, whether in existence on the Petition Date or thereafter created, acquired, or arising and wherever located, that is subject to any of the Prepetition First Liens securing the Prepetition 1L Obligations or the Prepetition Second Liens securing the Prepetition 2L Obligations.

(c) Liens Junior to Certain Other Liens. Pursuant to Bankruptcy Code section 364(c)(3), a valid, binding, continuing, enforceable, fully-perfected security interest in and lien upon all prepetition and postpetition property of the Debtors (other than the property described in clauses (a) or (b) of this paragraph 10, as to which the liens and security interests in favor of the DIP Agent will be as described in such clauses), whether now existing or hereafter acquired, that is subject to valid, perfected and unavoidable liens in existence immediately prior to the Petition

Date, if any, that are senior to the liens securing the Prepetition 1L Obligations or to valid and unavoidable liens in existence immediately prior to the Petition Date, if any, that are perfected subsequent to the Petition Date as permitted by Bankruptcy Code section 546(b) that are senior to the liens securing the Prepetition 1L Obligations, which security interests and liens in favor of the DIP Agent and the DIP Lenders are junior only to such valid, perfected and unavoidable liens (collectively, the “Permitted Liens”).

11. *Carve Out.*

(a) Carve Out. As used in this Interim Order, the “Carve Out” means the sum of (i) all fees required to be paid to the Clerk of the Court and to the Office of the U.S. Trustee under section 1930(a) of title 28 of the United States Code plus interest at the statutory rate (without regard to the notice set forth in (iii) below); (ii) all reasonable fees and expenses up to \$25,000.00 incurred by a trustee under Bankruptcy Code section 726(b) (without regard to the notice set forth in (iii) below); (iii) to the extent allowed, whether by interim order, procedural order, or otherwise, and, with respect to the amounts in clause (x) below, to the extent provided for in the DIP Budget, and all unpaid fees and expenses (the “Allowed Professional Fees”) incurred by persons or firms retained by the Debtors pursuant to section 327, 328, or 363 of the Bankruptcy Code (the “Debtor Professionals”) and an official committee of unsecured creditors (the “Creditors’ Committee”), if any, pursuant to Bankruptcy Code section 328 or 1103 (the “Committee Professionals” and, together with the Debtor Professionals, the “Professional Persons”) (x) at any time before or on the first business day following delivery by the DIP Agent or the Required Lenders of a Carve Out Trigger Notice (as defined herein), whether allowed by the Bankruptcy Court prior to or after delivery of a Carve Out Trigger Notice (but not to exceed the amount of Allowed Professional Fees specified in the applicable DIP Budget for the period from the Petition Date to the date of the

Carve Out Trigger Notice, the “Pre-Carve Out Trigger Amount”), plus (y) Allowed Professional Fees of Professional Persons in an aggregate amount not to exceed \$[200,000] incurred after the first business day following delivery of the Carve Out Trigger Notice, to the extent allowed at any time, whether by interim order, procedural order, or otherwise, plus (z) up to \$[\_\_\_\_] on account of amounts required to be paid to Guggenheim Securities, LLC on account of any Transaction Fee under and as defined in that certain engagement letter between Guggenheim Securities, LLC and the Debtors, effective as of August 11, 2023, incurred at any time, before or after delivery of a Carve-Out Trigger Notice, and payable under sections 328, 330, and/or 331 of the Bankruptcy Code, and allowed by order of this Court at any time (the amounts set forth in clauses (y) and (z) being the “Post-Carve Out Trigger Notice Cap” and the amounts set forth in clauses (x), (y) and (z), net of any unused retainers held by or on behalf of such Professional Persons, collectively, the “Carve-Out Amount”). For the avoidance of doubt, the maximum aggregate Pre-Carve-Out Trigger Amount shall not exceed the cumulative amount set forth in the applicable DIP Budget for the Professional Persons incurred from the Petition Date to the date of the Carve Out Trigger Notice. Within three business days of the receipt of a Carve-Out Trigger Notice, each Professional Person shall provide its reasonable, good-faith estimate of the amount of its fees and expenses to be included in the Pre-Carve Out Trigger Amount. For purposes of the foregoing, “Carve Out Trigger Notice” shall mean a written notice delivered by email (or other electronic means) by the DIP Agent or the Required Lenders to the Debtors, their lead restructuring counsel, the U.S. Trustee, and lead counsel to the Creditors’ Committee (if appointed) providing that a Termination Event has occurred and stating that the Post-Carve Out Trigger Notice Cap has been invoked.

(b) The Debtors shall be authorized and permitted to establish and maintain an escrow, to be held solely for the benefit of the Professional Persons and fund such escrow on a weekly

basis the amount of the professional fees for the prior week set forth in the DIP Budget (solely to the extent of Carve-Out Amounts deposited, the “Funded Reserve Account”), to satisfy the Carve-Out. The Funded Reserve Account shall be funded on a weekly basis (starting on the Closing Date and then on the first business day of each week, and ending on the date upon which a Carve-Out Trigger Notice is delivered) with the amount for Professional Persons set forth in the DIP Budget for that week. After the delivery of a Carve-Out Trigger Notice, notwithstanding anything herein to the contrary, the Debtors shall be authorized to deposit cash on hand into the Funded Reserve Account up to the amount of the Carve-Out Amount, less cash the Debtors reasonably believe is necessary to maintain operations. The funds on deposit in the Funded Reserve Account shall be the sole source available to satisfy the obligations benefiting from the Carve-Out. The Debtors shall disburse funds on deposit in the Funded Reserve Account to satisfy the obligations benefiting from the Carve-Out, and shall be permitted to make such disbursement at any time, including following delivery of a Carve-Out Trigger Notice.

(c) Application of Funded Reserve Account. All funds in the Funded Reserve Account shall be used to pay the obligations set forth in Carve Out, until paid in full, and then, to the extent the Funded Reserve Account has not been reduced to zero, as follows: (1) first, to the DIP Agent for the benefit of the DIP Lenders, in accordance with the DIP Credit Agreement, until the DIP Facility is paid in full; (2) second, to the Prepetition 1L Agent, for the benefit of the Prepetition 1L Lenders, in accordance with the Prepetition 1L Documents; and (3) third, to the Prepetition 2L Collateral Agent, for the benefit of the Prepetition 2L Lenders, in accordance with the Prepetition 2L Documents. Notwithstanding anything to the contrary in the DIP Documents, this Interim Order, or the Final Order, following delivery of a Carve Out Trigger Notice, the DIP Agent shall not sweep or foreclose on cash (including cash received as a result of the sale or other disposition

of any assets) of the Debtors until the Funded Reserve Account has been fully funded, but shall have DIP Liens and DIP Superpriority Claims in any residual interest in the funds constituting the Funded Reserve Account, with any excess paid to the DIP Agent for application. Further, notwithstanding anything to the contrary in this Interim Order or the Final Order, (i) the failure of the Funded Reserve Account to satisfy in full the Allowed Professional Fees shall not affect the priority of the Carve Out, and (ii) in no way shall the DIP Budget, Carve Out, Post-Carve Out Trigger Notice Cap, Funded Reserve Account or any of the foregoing be construed as a cap or limitation on the amount of the Allowed Professional Fees due and payable by the Debtors. For the avoidance of doubt and notwithstanding anything to the contrary in this Interim Order, the DIP Facility, any Prepetition 1L Documents or any Prepetition 2L Documents, the Carve Out shall be senior to the DIP Superpriority Claims, the DIP Liens, the First Lien Adequate Protection Liens (as defined herein), the First Lien Adequate Protection Superpriority Claim (as defined herein), the Prepetition First Liens, the Prepetition Second Liens, the Prepetition 1L Obligations, the Prepetition 2L Obligations, and any and all other forms of adequate protection, liens, or claims securing the DIP Obligations, the Prepetition 1L Obligations, or the Prepetition 2L Obligations.

(d) Reduction for Unused Retainers. Prior to any payment from the Funded Reserve Account, each Professional Person must apply any unused retainers held by or on behalf of such Professional Person as of the Petition Date to satisfy its Allowed Professional Fees prior to receiving payment from the funds in the Funded Reserve Amount for its Allowed Professional Fees.

(e) Carve Out Procedure. Debtors must, upon reasonable request of DIP Agent, but no less frequently than once every two (2) weeks, provide to DIP Agent a written report (“Carve Out Report”), in which Debtors disclose their then current estimate of: (1) the aggregate amount of

unpaid professional fees, costs, and expenses accrued or incurred by the Professional Persons through the date of the Carve Out Report; and (2) the projected fees, costs, and expenses of the Professional Persons for the thirty (30) day period following the date of such Carve Out Report.

(f) Reservation of Rights. Nothing herein may be construed as consent by the DIP Agent, the DIP Lenders, or the Prepetition 1L Secured Parties to the allowance of any fees, costs, or expenses of the Professional Persons or will affect the right of DIP Agent, the DIP Lenders, or the Prepetition 1L Secured Parties to object to the allowance and payment of any such fees, costs, or expenses, or the right of the DIP Agent, the DIP Lenders, or the Prepetition 1L Secured Parties to the return of any portion of the Carve Out that is funded with respect to fees, costs, and expenses for a Professional Person that are approved on an interim basis, but that are later denied on a final basis.

(g) No Direct Obligation to Pay Allowed Professional Fees. Neither the DIP Agent, the DIP Lenders, nor the Prepetition 1L Secured Parties shall be responsible for the payment or reimbursement of any fees or disbursements of any Professional Person incurred in connection with the Chapter 11 Cases or any successor cases under any chapter of the Bankruptcy Code. Nothing in this Interim Order or otherwise shall be construed to obligate DIP Agent, the DIP Lenders, nor the Prepetition 1L Secured Parties, nor the Debtors, in any way, to pay compensation to, or to reimburse expenses of, any Professional Person or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement.

12. *Limitation on Charging Expenses Against Collateral.* Subject to entry of the Final Order (but retroactive to the Petition Date), no expenses of administration of the Chapter 11 Cases or any future proceeding that may result therefrom, including liquidation in bankruptcy or other proceedings under the Bankruptcy Code, shall be charged against or recovered from the Prepetition

Collateral or the DIP Collateral (except to the extent of the Carve Out), the DIP Agent, the DIP Lenders, or the Prepetition 1L Secured Parties pursuant to Bankruptcy Code sections 105(a) or 506(c) or any similar principle of law or equity, without the prior written consent of the DIP Agent, the DIP Lenders, and the Prepetition 1L Secured Parties, as applicable, and no such consent shall be implied from any other action, inaction, or acquiescence by the DIP Agent, the DIP Lenders, or the Prepetition 1L Secured Parties.

13. *No Marshaling/Application of Proceeds.* Subject to entry of the Final Order (but retroactive to the Petition Date), the DIP Agent and the Prepetition 1L Agent shall be entitled to apply the payments or proceeds of the DIP Collateral and the Prepetition Collateral in accordance with the provisions of this Interim Order or the Final Order, as applicable, the DIP Documents, the Intercreditor Agreement, or the Prepetition 1L Documents, each as applicable, and in no event shall the DIP Agent, the DIP Lenders, or any of the Prepetition 1L Secured Parties be subject to the equitable doctrine of “marshaling” or any other similar doctrine with respect to any of the DIP Collateral or Prepetition Collateral.

14. *Equities of the Case.* Subject to entry of the Final Order (but retroactive to the Petition Date), (i) the DIP Agent, the DIP Lenders, and the Prepetition 1L Secured Parties shall be entitled to all of the rights and benefits of Bankruptcy Code section 552(b) and (ii) the “equities of the case” exception under Bankruptcy Code section 552(b) shall not apply to such parties with respect to the proceeds, products, offspring or profits of any of the Prepetition Collateral or the DIP Collateral, as applicable.

15. *Use of Cash Collateral.* The Debtors are hereby authorized to use all Cash Collateral solely in accordance with this Interim Order, the DIP Documents and the applicable DIP Budget including, without limitation, to make payments on account of the Adequate Protection

Obligations provided for in this Interim Order, from the date of this Interim Order through and including the date of the Final Hearing. Except on the terms and conditions of this Interim Order, the Debtors shall be enjoined and prohibited from at any time using the Cash Collateral.

16. *Adequate Protection for the Prepetition 1L Secured Parties.* Subject only to the Carve Out and the terms of this Interim Order, pursuant to Bankruptcy Code sections 361, 363(e), and 364, and in consideration of the stipulations and consents set forth herein, as adequate protection of their interests in the Prepetition Collateral (including Cash Collateral), for and equal in amount to the aggregate postpetition diminution in value of such interests (each such diminution, a “Diminution in Value”), resulting from the imposition of the priming DIP Liens on the Prepetition Collateral, the Carve Out, the Debtors’ sale, lease or use of the Prepetition Collateral (including Cash Collateral), the imposition of the automatic stay, and/or any other reason for which adequate protection may be granted under the Bankruptcy Code, the Prepetition 1L Agent, for the benefit of themselves and the Prepetition 1L Lenders, are hereby granted the following (collectively, the “Adequate Protection Obligations”):

(a) First Lien Adequate Protection Liens. As security for and solely to the extent of any Diminution in Value, additional and replacement valid, binding, enforceable non-avoidable, and effective and automatically perfected postpetition security interests in, and liens on, as of the date of this Interim Order (the “First Lien Adequate Protection Liens”), without the necessity of the execution by the Debtors (or recordation or other filing) of security agreements, control agreements, pledge agreements, financing statements, mortgages, or other similar documents, all DIP Collateral. Subject to the terms of this Interim Order, the First Lien Adequate Protection Liens shall be subordinate only to the (A) Carve Out, (B) the DIP Liens, and (C) the Permitted Liens (if any). The First Lien Adequate Protection Liens shall otherwise be senior to all other

security interests in, liens on, or claims against any of the DIP Collateral (including, for the avoidance of doubt, the Prepetition First Liens and any lien or security interest that is avoided and preserved for the benefit of the Debtors and their estates under Bankruptcy Code section 551).

(b) First Lien Adequate Protection Superpriority Claim. As further adequate protection, and to the extent provided by Bankruptcy Code sections 503(b) and 507(b), an allowed administrative expense claim in the Chapter 11 Cases to the extent of any postpetition Diminution in Value ahead of and senior to any and all other administrative expense claims in such Chapter 11 Cases, except the Carve Out and the DIP Superpriority Claims (the “First Lien Adequate Protection Superpriority Claim”). The First Lien Adequate Protection Superpriority Claim shall be payable from and have recourse to all prepetition and postpetition property of the Debtors and all proceeds thereof (excluding Avoidance Actions, but including, subject to entry of the Final Order, the Avoidance Proceeds). Subject to the Carve Out and the DIP Superpriority Claims in all respects, the First Lien Adequate Protection Superpriority Claim will not be junior to any claims and shall have priority over all administrative expense claims against each of the Debtors, now existing or hereafter arising, of any kind or nature whatsoever, including, without limitation, administrative expense claims of the kinds specified in or ordered pursuant to Bankruptcy Code sections 105, 326, 328, 330, 331, 365, 503(a), 503(b), 506(c) (subject to entry of the Final Order), 507(a), 507(b), 546(d), 726, 1113 and 1114. The Prepetition 1L Secured Parties shall not receive or retain any payments, property or other amounts in respect of the First Lien Adequate Protection Superpriority Claims under Bankruptcy Code section 507(b) granted hereunder unless and until

the DIP Obligations have been indefeasibly paid in full, in cash, or satisfied in a manner otherwise agreed to by the Required Lenders, in each case as provided in the DIP Documents.

(c) Fees and Expenses. As further adequate protection, the Debtors are authorized and directed to pay, without further Bankruptcy Court order, reasonable and documented fees and expenses (the “First Lien Adequate Protection Fees”), whether incurred before or after the Petition Date, of the Prepetition 1L Agent and Prepetition 1L Lenders, including, without limitation, the reasonable and documented fees and expenses of Ropes & Gray, LLP and Chipman Brown Cicero & Cole, LLP counsel to the Prepetition 1L Agent. The invoices for such fees and expenses shall not be required to comply with any particular format, may be in summary form only, and may include redactions. The applicable professional shall serve copies of the invoices supporting the First Lien Adequate Protection Fees on counsel to the Debtors, the U.S. Trustee and counsel to the Creditors’ Committee (if any), and any First Lien Adequate Protection Fees shall be subject to prior ten day review by the Debtors, the U.S. Trustee and the Creditors’ Committee (if any), and in the event the Debtors, the U.S. Trustee or the Creditors’ Committee shall file with this Bankruptcy Court an objection to any such legal invoice, the portion of such legal invoice subject to such objection shall not be paid until resolution of such objection by this Bankruptcy Court. If no objection is filed within such ten day review period, such invoice shall be paid without further order of the Bankruptcy Court within five days following the expiration of the foregoing review period and shall not be subject to any further review, challenge, or disgorgement. For the avoidance doubt, the provision of such invoices shall not constitute a waiver of attorney- client privilege or any benefits of the attorney work product doctrine.

(d) First Lien Accrued Adequate Protection Payments. As further adequate protection, the Prepetition 1L Agent, on behalf of the Prepetition 1L Lenders, shall receive, upon entry of this

Interim Order, monthly adequate protection payments (the “First Lien Accrued Adequate Protection Payments”) payable in-kind on the thirtieth day of each month equal to the interest at the Applicable Rate plus the Default Rate (as such terms are defined in the Prepetition 1L Credit Agreement) that would otherwise be owed to the Prepetition 1L Lenders under the Prepetition 1L Credit Agreement during such monthly period in respect of the Prepetition 1L Obligations, until such time as the full Prepetition 1L Obligations Amount is indefeasibly and irrevocably (x) paid in full, in cash; or (y) fully converted into DIP Obligations.

17. *Section 507(b) Reservation.* Nothing herein shall impair or modify the application of Bankruptcy Code section 507(b) in the event that the adequate protection provided to the Prepetition 1L Secured Parties is insufficient to compensate for any Diminution in Value of their interests in the Prepetition Collateral during the Chapter 11 Cases. Nothing contained herein shall be deemed a finding by the Bankruptcy Court, or an acknowledgment by any of the Prepetition 1L Secured Parties that the adequate protection granted herein does in fact adequately protect any of the Prepetition 1L Secured Parties against any diminution in value of their respective interests in the Prepetition Collateral (including the Cash Collateral).

18. *Restrictions on Disposition of Material Assets Outside the Ordinary Course of Business.* Except as expressly permitted under the “first day” pleadings or the DIP Documents, the Debtors shall not use, sell or lease any material assets outside the ordinary course of business, or seek authority of this Bankruptcy Court to the extent required by Bankruptcy Code section 363, without obtaining the prior written consent of the Required Lenders at least five days (or such shorter period as the DIP Agent, at the direction of the Required Lenders, may agree) prior to the date on which the Debtors seek the Bankruptcy Court’s authority for such use, sale, or lease. Except as otherwise provided under the DIP Documents, subject to the Carve Out and Permitted

Liens, in the event of any such sale, lease, transfer, license, or other disposition of property of the Debtors that constitutes DIP Collateral outside the ordinary course of business (to the extent permitted by the DIP Documents and this Interim Order), the Debtors are authorized and shall promptly pay, without further notice or order of this Bankruptcy Court, the DIP Agent, for the benefit of the DIP Parties, 100% of the net cash proceeds resulting therefrom no later than the second business day following receipt of such proceeds. Upon indefeasible and irrevocable payment in full of the DIP Obligations, subject to the Carve Out and Permitted Liens, the Debtors are authorized and shall promptly pay, without further notice or order of this Bankruptcy Court, the Prepetition Agent, for the benefit of the Prepetition 1L Lenders, 100% of the net cash proceeds resulting from any such sale, lease, transfer, license, or other disposition of property of the Debtors that constitutes DIP Collateral outside the ordinary course of business (to the extent permitted by the DIP Documents and this Interim Order) no later than the second business day following receipt of such proceeds. Except as otherwise provided under the DIP Documents, subject to the Carve Out and Permitted Liens, in the event of any casualty, condemnation, or similar event with respect to property that constitutes DIP Collateral, the Debtors are authorized and shall promptly pay to the DIP Agent, for the benefit of the DIP Parties, any insurance proceeds, condemnation award, or similar payment (excluding any amounts on account of any D&O policies) no later than the second business day following receipt of payment by the Debtors, unless the Required Lenders consent, each in its sole discretion, in writing, to the funds being reinvested by the Debtors.

19. *Insurance.* At all times the Debtors shall maintain casualty and loss insurance coverage for the Prepetition Collateral and the DIP Collateral on substantially the same basis as maintained prior to the Petition Date. Upon entry of this Interim Order, the DIP Agent shall be, and shall be deemed to be, without any further action or notice, named as additional insured and

lender's loss payee on each insurance policy maintained by the Debtors which in any way relates to the DIP Collateral.

20. *Reservation of Rights of the DIP Agent, DIP Lenders, and Prepetition 1L Secured Parties.* Notwithstanding any other provision in this Interim Order to the contrary, the entry of this Interim Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly, or otherwise impair: (a) any of the rights of any of the Prepetition 1L Secured Parties to seek any other or supplemental relief in respect of the Debtors including the right to seek additional adequate protection; provided that any such further or different adequate protection shall at all times be subordinate and junior to the claims and liens of the DIP Agent and the DIP Lenders granted under this Interim Order and the DIP Documents; (b) any of the rights of the DIP Agent, the DIP Lenders, or the Prepetition 1L Secured Parties under the Bankruptcy Code or under non-bankruptcy law, including, without limitation, the right of any of the DIP Agent, the DIP Lenders, or the Prepetition 1L Secured Parties to (i) request modification of the automatic stay of Bankruptcy Code section 362, (ii) request dismissal of any of the Chapter 11 Cases, conversion of any of the Chapter 11 Cases to cases under chapter 7, or appointment of a chapter 11 trustee or examiner with expanded powers in any of the Chapter 11 Cases, (iii) seek to propose, subject to the provisions of Bankruptcy Code section 1121, a chapter 11 plan or plans; or (c) any other rights, claims, or privileges (whether legal, equitable, or otherwise) of any of the DIP Agent, the DIP Lenders, or the Prepetition 1L Secured Parties. The delay in or failure of the DIP Agent, the DIP Lenders and/or the Prepetition 1L Secured Parties to seek relief or otherwise exercise their rights and remedies shall not constitute a waiver of any of the DIP Agent's, the DIP Lenders' or the Prepetition 1L Secured Parties' rights and remedies.

21. *Termination Event.* Subject to paragraph 22, the Debtors' authorization to use Cash Collateral and the proceeds of the DIP Facility pursuant to this Interim Order shall automatically terminate, and the DIP Obligations shall become due and payable, without further notice or action by the Bankruptcy Court following the earliest to occur of any of the following (each a "Termination Event"): (a) the occurrence of an Event of Default (as defined in the DIP Credit Agreement); (b) the Debtors' failure to (i) comply with any provision of this Interim Order, (ii) comply with any other covenant or agreement specified in this Interim Order or the DIP Credit Agreement (which covenants and agreements, together with any applicable grace periods, are explicitly incorporated by reference into this Interim Order), or (iii) comply with any of the milestones set forth in Schedule 7.01(x) of the DIP Credit Agreement; or (c) the occurrence of the Maturity Date (as defined in the DIP Credit Agreement).

22. *Remedies Upon a Termination Event.* The Debtors shall immediately provide notice to counsel to the DIP Agent, the DIP Lenders, and the Prepetition 1L Agent (with a copy to counsel to the Creditors' Committee (if any)), of the occurrence of any Termination Event, at which time the Debtors' ability to use Cash Collateral hereunder shall terminate (subject to the proviso at the end of this paragraph 22) and the DIP Obligations shall become due and payable. Upon the occurrence of a Termination Event and following the giving of not less than three business days' advance written notice, which may be by email (the "Enforcement Notice"), to counsel to the Debtors, the U.S. Trustee, and counsel to the Creditors' Committee (if any) (the "Notice Period"), (a) the DIP Agent and the DIP Lenders may exercise any rights and remedies against the DIP Collateral available to them under this Interim Order, the DIP Documents, and applicable non-bankruptcy law, including but not limited to terminating all commitments to extend credit under the DIP Facility and (b) the Prepetition 1L Secured Parties may exercise any rights

and remedies to satisfy the Prepetition 1L Obligations, the First Lien Adequate Protection Superpriority Claims and any other First Lien Adequate Protection Obligations, subject to the DIP Obligations, the DIP Superpriority Claims, Permitted Liens and, in each case, the Carve Out. The only permissible basis for the Debtors, the Creditors' Committee (if any), or any other party to contest, challenge or object to an Enforcement Notice shall be solely with respect to the validity of the Termination Event(s) giving rise to such Enforcement Notice (*i.e.*, whether such Termination Event validly occurred and has not been cured or waived in accordance with this Interim Order). The automatic stay pursuant to Bankruptcy Code section 362 shall be automatically terminated with respect to the DIP Agent, the DIP Lenders, and the Prepetition 1L Secured Parties at the end of the Notice Period, without further notice or order of the Bankruptcy Court, unless the DIP Agent, the DIP Lenders, the Prepetition 1L Agent, and the Prepetition 1L Lenders elect otherwise in a written notice to the Debtors, which may be by email. Upon termination of the automatic stay, the DIP Agent, the DIP Lenders, and the Prepetition 1L Secured Parties shall be permitted to exercise all rights and remedies set forth herein, in the DIP Documents, and the Prepetition 1L Documents, as applicable, and as otherwise available at law against the DIP Collateral or Prepetition Collateral, without any further order of or application or motion to the Bankruptcy Court, and without restriction or restraint imposed by any stay under Bankruptcy Code sections 362 or 105, or otherwise, against (x) the enforcement of the liens and security interests in the DIP Collateral or the Prepetition Collateral, or (y) the pursuit of any other rights and remedies granted to the DIP Agent, the DIP Lenders, or the Prepetition 1L Secured Parties pursuant to the DIP Documents, the Prepetition 1L Documents, or this Interim Order; provided that during the Notice Period the Debtors may use the proceeds of the DIP Facility (to the extent drawn prior to the occurrence of a Termination Event) or Cash Collateral only to (i) fund operations in accordance

with the DIP Credit Agreement and the DIP Budget and (ii) to fund the Funded Reserve Account; provided further that during the Notice Period the Debtors, the DIP Lenders, and the DIP Agent consent to a hearing on an expedited basis to consider whether a Termination Event has occurred; provided further, that if a hearing to consider the foregoing is requested to be heard before the end of the Notice Period but is scheduled for a later date by the Bankruptcy Court, the Notice Period shall be automatically extended to the date of such hearing, but in no event later than five business days after delivery of the Enforcement Notice; provided further that any fees and expenses incurred by the Debtors or the Creditors Committee during the Notice Period shall permanently reduce the Post-Carve Out Trigger Notice Cap. Any party in interest shall be entitled to seek an emergency hearing for the purpose of contesting whether assets constitute assets of the Debtors' estates and nothing in this Interim Order shall affect any party in interest's rights or positions at such hearing.

23. *No Waiver for Failure to Seek Relief.* The failure or delay of the DIP Agent, the DIP Lenders or any of the Prepetition 1L Secured Parties to exercise rights and remedies under this Interim Order, the DIP Documents, the Prepetition 1L Documents, or applicable law, as the case may be, shall not constitute a waiver of their respective rights hereunder, thereunder or otherwise.

24. *Perfection of the DIP Liens and Adequate Protection Liens.*

(a) The DIP Agent and the Prepetition 1L Agent are hereby authorized, but not required, to file or record (and to execute in the name of the Debtors, as their true and lawful attorneys, with full power of substitution, to the maximum extent permitted by law) financing statements, intellectual property filings, mortgages, depository account control agreements, notices of lien, or similar instruments in any jurisdiction in order to validate and perfect the liens and security interests granted hereunder. Whether or not the DIP Agent or the Prepetition 1L

Agent shall, in their sole discretion, choose to file such financing statements, intellectual property filings, mortgages, notices of lien, or similar instruments, such liens and security interests shall be deemed valid, automatically perfected, allowed, enforceable, non-avoidable and not subject to challenge, dispute or subordination (subject to the priorities set forth in this Interim Order), at the time and on the date of entry of this Interim Order. Upon the request of the DIP Agent or the Prepetition 1L Agent, as applicable, each of the Prepetition 1L Secured Parties and the Debtors, without any further consent of any party, is authorized to take, execute, deliver, and file such instruments (in the case of the Prepetition 1L Secured Parties, without representation or warranty of any kind) to enable the DIP Agent or the Prepetition 1L Agent to further validate, perfect, preserve, and enforce the DIP Liens and the First Lien Adequate Protection Liens, respectively. All such documents will be deemed to have been recorded and filed as of the Petition Date. Notwithstanding anything to the contrary herein, any financing statements, intellectual property filings, mortgages, depository account control agreements, notices of lien, or similar instruments in any jurisdiction previously filed by the Prepetition 1L Agent in order to validate and perfect the liens securing the Prepetition 1L Obligations shall remain in existence and shall be deemed postpetition filings to validate and perfect the liens securing the Term Loans, including, without limitations, the Roll Up Loans (subject to entry of the Final Order).

(b) A certified copy of this Interim Order may, in the discretion of the DIP Agent or the Prepetition 1L Agent, be filed with or recorded in filing or recording offices in addition to or in lieu of such financing statements, mortgages, notices of lien or similar instruments, and all filing offices are hereby authorized to accept such certified copy of this Interim Order for filing and recording; provided, however, that notwithstanding the date of any such filing, the date of such perfection shall be the date of this Interim Order.

(c) Effective upon entry of the Final Order, any provision of any lease or other license, contract or other agreement that requires (i) the consent or approval of one or more landlords or other parties or (ii) the payment of any fees or obligations to any governmental entity, in order for any Debtor to pledge, grant, sell, assign, or otherwise transfer any such leasehold interest, or the proceeds thereof, or other collateral related thereto, is hereby deemed to be inconsistent with the applicable provisions of the Bankruptcy Code. Thereupon, any such provision shall have no force and effect with respect to the granting of the DIP Liens and the Adequate Protection Liens on such leasehold interest or the proceeds of any assignment, and/or sale thereof by any Debtor in accordance with the terms of the DIP Credit Agreement or this Interim Order.

25. *Preservation of Rights Granted Under this Interim Order.*

(a) Subject to the Carve Out, other than as set forth in this Interim Order, neither the DIP Liens nor the First Lien Adequate Protection Liens shall be made subject to or *pari passu* with any lien or security interest granted in any of the Chapter 11 Cases or arising after the Petition Date, and neither the DIP Liens nor the First Lien Adequate Protection Liens shall be subject or junior to any lien or security interest that is avoided and preserved for the benefit of the Debtors' estates under Bankruptcy Code section 551.

(b) In the event this Interim Order or any provision hereof is vacated, reversed, or modified on appeal or otherwise, any liens or claims granted to the Prepetition 1L Secured Parties hereunder arising prior to the effective date of any such vacatur, reversal, or modification of this Interim Order shall be governed in all respects by the original provisions of this Interim Order, including entitlement to all rights, remedies, privileges, and benefits granted herein, and the Prepetition 1L Secured Parties shall be entitled to the protections afforded in Bankruptcy Code

section 363(m) with respect to all uses of the Prepetition Collateral (including the Cash Collateral) and all Adequate Protection Obligations.

(c) Subject to the Carve Out, unless and until all DIP Obligations, Prepetition 1L Obligations, and First Lien Adequate Protection Obligations are indefeasibly paid in full, in cash, and all commitments to extend credit under the DIP Facility are terminated, the Debtors irrevocably waive the right to seek and shall not seek or consent to, directly or indirectly (i) except as permitted under the DIP Documents and with the prior written consent of the DIP Agent and the Required Lenders (x) any modification, stay, vacatur, or amendment of this Interim Order, (y) a priority claim for any administrative expense, secured claim or unsecured claim against any of the Debtors (now existing or hereafter arising of any kind or nature whatsoever, including, without limitation, any administrative expense of the kind specified in Bankruptcy Code sections 503(b), 507(a) or 507(b)) in any of the Chapter 11 Cases, equal or superior to the DIP Superpriority Claims, the First Lien Adequate Protection Superpriority Claims, and the Prepetition 1L Obligations (or the liens and security interests securing such claims and obligations), or (z) any other order allowing use of the DIP Collateral; (ii) except as permitted under the DIP Documents, any lien on any of the DIP Collateral or the Prepetition Collateral with priority equal or superior to the DIP Liens, the First Lien Adequate Protection Liens, or the Prepetition First Liens, as the case may be; (iii) the use of Cash Collateral for any purpose other than as permitted in the DIP Documents and this Interim Order; (iv) except as set forth in the DIP Documents, the return of goods pursuant to section 546(h) of the Bankruptcy Code (or other return of goods on account of any prepetition indebtedness) to any creditor of any Debtor; (v) an order converting or dismissing any of the Chapter 11 Cases; (vi) an order appointing a chapter 11 trustee in any of the Chapter 11

Cases; or (vii) an order appointing an examiner with enlarged powers in any of the Chapter 11 Cases.

(d) Notwithstanding any order dismissing any of the Chapter 11 Cases under Bankruptcy Code section 1112 or otherwise entered at any time, (x) the DIP Liens, the DIP Superpriority Claims, the First Lien Adequate Protection Liens, the First Lien Adequate Protection Superpriority Claims, and the other administrative claims granted pursuant to this Interim Order, shall continue in full force and effect and shall maintain their priorities as provided in this Interim Order until all DIP Obligations and First Lien Adequate Protection Obligations are indefeasibly paid in full, in cash (and such DIP Liens, DIP Superpriority Claims, First Lien Adequate Protection Liens, First Lien Adequate Protection Superpriority Claims, and the other administrative claims granted pursuant to this Interim Order, shall, notwithstanding such dismissal, remain binding on all parties in interest); and (y) the Bankruptcy Court shall retain jurisdiction, notwithstanding such dismissal, for the purposes of enforcing the claims, liens and security interests referred to in clause (x) above.

(e) Except as expressly provided in this Interim Order or in the DIP Documents, the DIP Liens, the DIP Superpriority Claims, the First Lien Adequate Protection Liens, the First Lien Adequate Protection Superpriority Claims, and all other rights and remedies of the DIP Agent, the DIP Lenders, the Prepetition 1L Agent, and the Prepetition 1L Lenders granted by the provisions of this Interim Order and the DIP Documents shall survive, shall maintain their priority as provided in this Interim Order, and shall not be modified, impaired or discharged by (i) the entry of an order converting any of the Chapter 11 Cases to a case under chapter 7, dismissing any of the Chapter 11 Cases, terminating the joint administration of these Chapter 11 Cases or by any other act or omission, (ii) the entry of an order approving the sale of any Prepetition Collateral or DIP

Collateral pursuant to Bankruptcy Code section 363(b) or (iii) the entry of an order confirming a plan of reorganization in any of the Chapter 11 Cases and, pursuant to Bankruptcy Code section 1141(d)(4), the Debtors have waived any discharge as to any remaining DIP Obligations or First Lien Adequate Protection Obligations. The terms and provisions of this Interim Order and the DIP Documents shall continue in these Chapter 11 Cases, in any successor cases if these Chapter 11 Cases cease to be jointly administered, or in any superseding chapter 7 cases under the Bankruptcy Code. The DIP Liens, the DIP Superpriority Claims, the First Lien Adequate Protection Obligations and all other rights and remedies of the DIP Parties and the Prepetition 1L Secured Parties granted by the provisions of this Interim Order shall continue in full force and effect until the DIP Obligations and the First Lien Adequate Protection Obligations are indefeasibly paid in full, in cash (or, with respect to the DIP Obligations, otherwise satisfied in a manner agreed to by the Required Lenders).

26. *Expenses and Indemnification.*

(a) All (i) reasonable and documented out-of-pocket fees and expenses incurred by professionals or consultants retained by the DIP Agent and the DIP Lenders (collectively, the “DIP Professionals”), incurred in connection with the Chapter 11 Cases (in any capacity) and the DIP Facility, whether or not the DIP Facility is successfully consummated, and (ii) reasonable and documented out-of-pocket expenses (including, without limitation, fees, disbursements and other charges of DIP Professionals) of the DIP Agent and the DIP Lenders, for enforcement costs and documentary taxes associated with the DIP Facility and the transactions contemplated thereby, are to be paid by the Debtors. All fees and expenses described above shall be payable by the Debtors (whether accrued or incurred prior to, on, or after the Petition Date) within ten calendar days after the delivery of invoices (which invoices shall not be required to comply with any particular format

and may be in summary form only and may be in redacted form to protect privileged and confidential information) to the Debtors, the U.S. Trustee, and the Creditors' Committee (if any), without the necessity of filing motions or fee applications and such fees and expenses shall not be subject to any further review, challenge, or disgorgement following the expiration of such period.

(b) As set forth in the DIP Facility, the Debtors will, jointly and severally, indemnify the DIP Lenders, the DIP Agent, and their respective affiliates, successors and assigns and the officers, directors, employees, agents, advisors, controlling persons, and members of each of the foregoing (each an "Indemnified Person"), and hold them harmless from and against any and all losses, claims, damages, costs, expenses (including but not limited to reasonable and documented legal fees and expenses), and liabilities arising out of or relating to the execution or delivery of the DIP Credit Agreement and other DIP Documents, transactions contemplated hereby and thereby, and any actual or proposed use of the proceeds of any loans made under the DIP Facility in accordance with the terms of the DIP Credit Agreement; provided that no such person will be indemnified for costs, expenses, or liabilities to the extent determined by a final, non-appealable judgment of a court of competent jurisdiction to have been incurred solely by reason of the actual fraud, gross negligence, or willful misconduct of such person (or their related persons).
