Chapter 11

Case No. 20-30608 (JCW)

(Jointly Administered)

**MOTION OF THE DEBTORS FOR AN ORDER
AUTHORIZING ESTABLISHMENT OF A QUALIFIED
SETTLEMENT FUND FOR PAYMENT OF ASBESTOS CLAIMS**

Aldrich Pump LLC ("Aldrich") and Murray Boiler LLC ("Murray"), as debtors and debtors in possession (together, the "Debtors"), hereby move the Court for entry of an order, pursuant to sections 105(a) and 363(b) of title 11 of the United States Code (the "Bankruptcy Code"), approving the establishment and funding of a North Carolina trust (the "QSF Trust") that will constitute a "qualified settlement fund" to resolve or satisfy current and future asbestos-related claims asserted against or related to the Debtors (collectively, the "Aldrich/Murray Asbestos Claims"). The establishment of the QSF Trust would be upon the terms set forth in the Aldrich/Murray Settlement Facility Agreement by and among the Debtors, Trane Technologies Company LLC ("New Trane Technologies"), and Trane U.S. Inc. ("New Trane") attached hereto as Exhibit A (the "Trust Agreement"). In support of this Motion, the Debtors respectfully state as follows:

¹ The Debtors are the following entities (the last four digits of their respective taxpayer identification numbers follow in parentheses): Aldrich Pump LLC (2290) and Murray Boiler LLC (0679). The Debtors' address is 800-E Beaty Street, Davidson, North Carolina 28036.

Background

1. On June 18, 2020 (the "Petition Date"), the Debtors commenced their reorganization cases (the "Chapter 11 Cases") by filing voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code"). These Chapter 11 Cases have been consolidated for procedural purposes only and are being administered jointly.

2. On July 7, 2020, the Court entered an order [Dkt. 147] appointing an official committee of asbestos personal injury claimants (the "ACC") in these Chapter 11 Cases. On October 15, 2020, the Court entered an order [Dkt. 393] appointing Joseph W. Grier, III as the legal representative for future asbestos claimants in these Chapter 11 Cases (the "FCR").

3. The Debtors have made substantial progress towards their goal of negotiating and confirming a plan of reorganization that would establish a trust under section 524(g) of the Bankruptcy Code to resolve and pay valid current and future asbestos-related claims. To obtain information regarding asbestos claims filed against the Debtors, on December 14, 2020 the Debtors and the FCR filed a joint motion to (a) establish a bar date for mesothelioma and lung cancer claims asserted against either Debtor or its predecessors prior to the Petition Date and (b) approve a personal injury questionnaire to be submitted by those claimants who file a proof of claim [Dkt. 471] (the "Joint Bar Date / PIQ Motion"). A hearing on the Joint Bar Date / PIQ Motion took place on January 28, 2021, at which time the Court continued the hearing.

4. Notwithstanding the deferment of the Joint Bar Date/PIQ Motion, the Debtors and the FCR continued negotiations after the January 28, 2021 hearing. Over the span of nearly seven months, the Debtors, the FCR, and their respective professionals engaged in negotiations with the goal of arriving at appropriate terms for a section 524(g) trust. These efforts culminated in an agreed settlement (the "Settlement") on a plan with funding for a section

524(g) trust in the amount of \$545 million (the "Settlement Amount"), \$540 million of which would be paid on the effective date of the plan. To implement the Settlement, on September 24, 2021 the Debtors filed the *Joint Plan of Reorganization of Aldrich Pump LLC and Murray Boiler LLC* [Dkt. 831] (the "Plan").

5. To demonstrate their commitment to the Settlement and Plan and to further move these cases forward, the Debtors also have negotiated an agreement whereby New Trane Technologies and New Trane at this time will fund a trust (the "QSF Trust") with \$270 million for the benefit of holders of Aldrich/Murray Asbestos Claims under such Plan. The Plan provides for the assignment of the Debtors' insurance assets to the section 524(g) trust created by the Plan. Historically, the Debtors' insurance reimbursed approximately 50% of the amount of Aldrich/Murray Asbestos Claims. At the request of the FCR, and subject to the terms and conditions set forth in the Plan Support Agreement, New Trane Technologies and New Trane have agreed to provide any additional cash required for the Debtors to fully fund the section 524(g) trust under the Plan. As a result, the section 524(g) trust will be fully funded when the Plan goes effective.

6. Establishing the QSF Trust by Court order will be beneficial to all parties. It will benefit Aldrich and Murray and the asbestos claimants by placing the funding the Debtors anticipate will be required from them without regard to insurance reimbursements in a trust for the benefit of holders of Aldrich/Murray Asbestos Claims. As with most qualified settlement funds, it will benefit the direct or indirect owners of Aldrich and Murray by giving rise to certain tax benefits.

7. Establishing a QSF Trust is also beneficial because it should assuage potential concerns raised by the Court in its August 23, 2021 decision and order in connection

with the preliminary injunction and declaratory relief litigation [Adv. Pro. Dkts. 307-08] (together, the "Injunction Decision") as to whether New Trane Technologies and New Trane will fund a plan. Injunction Decision ¶¶ 174-75. While the Debtors respectfully disagree with any doubts cast over New Trane Technologies' and New Trane's intention to fund a plan, the Debtors believe those parties' commitment to fund the QSF Trust at this time speaks for itself.

The Principal Terms of the QSF Trust²

8. Under the Trust Agreement, New Trane and New Trane Technologies will provide \$91,800,000 and \$178,200,000, respectively, in cash or cash equivalents to fund the QSF Trust (that amount, collectively with (a) any future contributions to the QSF Trust and (b) any net earnings on the initial funding amount or future contributions, the "Trust Funds"). Trust Agreement at Art. 1. By agreeing to fund the QSF Trust, New Trane and New Trane Technologies are committing to provide immediate funding that is otherwise not required under the Funding Agreements at this time. The Trust Funds may not be used to fund the costs of administering the Chapter 11 Cases; rather, funding for those costs will continue to be available under the terms of the Funding Agreements. *See id.* at Art. 7 (definition of Settlement Facility Expenses).

9. The funding of the QSF Trust is irrevocable and New Trane and New Trane Technologies will have no right to any of the Trust Funds except in the circumstances described in the Trust Agreement. *Id.* at Art. 6.1 and 6.2. In particular, New Trane and New Trane Technologies will have a right of reversion with respect to any remaining Trust Funds only if (a) the Court determines that all Aldrich/Murray Asbestos Claims that were to be paid

² The description of the Trust Agreement set forth herein is provided for the convenience of the Court and parties in interest and is qualified in its entirety by the Trust Agreement. In the event of any inconsistency between the description herein and the Trust Agreement, the Trust Agreement shall govern in all respects.

from the Trust Funds have been paid or otherwise satisfied (*Id.* at Art. 6.2(a)(i), (b), (c)) or (b) the Court dissolves or otherwise terminates the QSF Trust. *Id.* at Art. 6.2(a)(ii), (b). These reversionary rights, if ever triggered, would be governed by the terms of the Trust Agreement. *Id.* at Art. 6.2(a), (b), (c).

10. The Trust Funds will be controlled by an independent trustee (the "Trustee"), and the QSF Trust will be administered to ensure that it meets all requirements to qualify as a "qualified settlement fund" under section 468B of the Internal Revenue Code of 1986, as amended (the "IRC") and does not take any action that would cause the QSF Trust to no longer so qualify. *Id.* at Art. 3.1(c).

11. New Trane Technologies, or a designee of New Trane Technologies (which could be an affiliate of New Trane Technologies), will serve as the "Portfolio Manager" for the Trust Funds. *Id.* at Art. 7 (definition of Portfolio Manager). The Portfolio Manager will manage and make investment decisions with respect to the Trust Funds until they are released, for a reasonable fee that it will negotiate with the Trustee. *Id.* at Art. 4.2(a). The Trustee, the administrator, and the Portfolio Manager will be governed by, and will act in accordance with, the North Carolina prudent investor rule in Section 36C-9-901 of the North Carolina Uniform Trust Code. *Id.* In addition, the Trust Funds must be invested in accordance with the investment guidelines detailed in Exhibit A to the Trust Agreement, which guidelines generally are designed to limit the risk to, and enhance the liquidity of, the Trust Funds while achieving a prudent rate of return. *Id.* at Art. 4.2(b).

12. Certain conditions must be met before the QSF Trust is funded. The Court must enter an order (a) approving the Trust Agreement, (b) establishing the QSF Trust, and (c) determining that the Court will be the supervisory court and will retain jurisdiction over the

QSF Trust for the life of the QSF Trust. That order must become final and non-appealable. Such a court order is needed to comply with section 468B of the IRC and related Treasury Regulations. *Id.* at Art. 7 (definition of Effectiveness Condition). A proposed form of order is attached hereto as Exhibit B.

Basis for Relief Requested

13. Section 363(c) of the Bankruptcy Code provides that a chapter 11 debtor may enter into transactions in the ordinary course of business without notice or a hearing. 11 U.S.C. § 363(c)(1). The implication of section 363(c) is that a chapter 11 debtor requires notice or a hearing to enter into transactions outside the ordinary course of business, and that is an accepted principle in chapter 11. *In re Drexel Burnham Lambert Grp., Inc.*, 157 B.R. 532, 537 (S.D.N.Y. 1993) ("Under 11 U.S.C. § 363(c)(1)...[i]n matters outside the ordinary course of business, notice to a trustee or creditors and bankruptcy court approval are required"); *In re Atlanta Retail, Inc.*, 287 B.R. 849, 856 (Bankr. N.D. Ga. 2002) ("Section 363(c) of the Bankruptcy Code permits chapter 11 debtors to enter into transactions in the ordinary course of business without court approval; however, transactions outside of the ordinary course, must be authorized by the courts"). Further, in connection therewith, section 105(a) of the Bankruptcy Code provides that the Court may "issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of [the Bankruptcy Code]." 11 U.S.C. § 105(a).

14. Under applicable case law, a court may authorize a debtor to enter into transactions outside of the ordinary course of business where a sound business purpose exists for doing so. *See, e.g., U.S. ex rel. Rahman v. Oncology Assoc., P.C.*, 269 B.R. 139, 161 (D. Md. 2001) ("[t]here must be some articulated business justification...for using, selling or leasing property out of the ordinary course of business") (internal citation omitted); *In re Century Drive LHDH, LLC*, No. 10-01253-8-SWH, 2010 Bankr. LEXIS 1453, *4 (Bankr. E.D.N.C. Apr. 28,

2010) (in reviewing a transaction outside the ordinary course of business, "the court should consider whether the debtor-in-possession exercised sound business judgment such that approval of the proposed course of action is warranted.").

15. When a debtor articulates a valid business justification, "[i]t has been recognized that courts should approve the exercise of a debtor's business judgment unless it is 'so manifestly unreasonable that it could not be based on sound business judgment, but only on bad faith, whim or caprice.'" *See In re Georgetown Steel Co., LLC*, 306 B.R. 549, 555 (Bankr. D.S.C. 2004) (quoting *In re Aerovox, Inc.*, 269 B.R. 74, 80 (Bankr. D. Mass. 2001)). Under the business judgment standard, courts "generally will not entertain objections to the debtor's conduct" if the debtor "articulates a reasonable basis for its business decisions (as distinct from a decision made arbitrarily or capriciously)." *See Comm. of Asbestos-Related Litigants and/or Creditors v. Johns-Manville Corp. (In re Johns-Manville Corp.)*, 60 B.R. 612, 616 (Bankr. S.D.N.Y. 1986).

16. The Debtors' decision to establish and fund the QSF Trust has a clear and undeniable business justification: it would secure funding in advance from New Trane and New Trane Technologies of \$270 million to pay Aldrich/Murray Asbestos Claims. The Trust Funds would be set aside and protected, thus ensuring that they are readily available for the Debtors' eventual use as needed to resolve or satisfy Aldrich/Murray Asbestos Claims. Further, the Trust Funds would be managed and invested in accordance with prudent, pre-approved guidelines so those funds will remain secure and available. Although the same funding from New Trane and New Trane Technologies would be available to the Debtors in the future under the Funding Agreements even without this arrangement, obtaining and segregating those funds now inures to the benefit of asbestos claimants and the Debtors' estates. Significantly, New

Trane's and New Trane Technologies' obligations under the Funding Agreements will remain in effect and binding on the parties notwithstanding the fact that the QSF Trust has been established at this time.

17. Thus, for the reasons discussed herein, the Debtors submit that the establishment and funding of the QSF Trust in accordance with the Trust Agreement is amply supported by a valid business justification and should be authorized pursuant to sections 105(a) and 363(b) of the Bankruptcy Code. Recently, a similar motion also to establish a QSF Trust was approved in the *Bestwall* chapter 11 case pending in this District. *In re Bestwall LLC*, Case No. 17-31795 (LTB) [Dkt. 1398] (Bankr. W.D.N.C. Sep. 25, 2020).

Notice

18. Consistent with the *Order Establishing Certain Notice, Case Management, and Administrative Procedures* [Dkt. 123] (the "Case Management Order"), notice of this Motion has been provided to: (a) the Office of the United States Bankruptcy Administrator for the Western District of North Carolina (the "Bankruptcy Administrator"); (b) counsel to the ACC; (c) counsel to the Debtors' non-debtor affiliates, Trane Technologies Company LLC and Trane U.S. Inc.; (d) the FCR and his counsel; and (e) the other parties on the Service List established by the Case Management Order. The Debtors submit that, in light of the nature of the relief requested, no other or further notice need be provided.

No Prior Request

19. No prior request for the relief sought herein has been made to this Court or any other court.

WHEREFORE, the Debtors respectfully request that the Court enter an order, substantially in the form attached hereto as Exhibit B, granting (a) the relief requested herein and (b) such other and further relief to the Debtors as the Court may deem proper.

Reg. § 1.468B-1(c)(2), Asbestos Claims, and (5) be funded with the TTC Settlement Contribution and the TUI Settlement Contribution immediately upon its creation.

ARTICLE 1

AGREEMENT OF TRUST

1.1 Creation and Name. TTC and TUI, as grantors, hereby create, effective as of the Effective Date and with the consent of Aldrich and Murray, a North Carolina trust that shall be

known as the “Aldrich/Murray Settlement Facility” and that shall be managed by the Trustee. The Trustee shall transact the business and affairs of the Settlement Facility in the name “Aldrich/Murray Settlement Facility.”

1.2 Purpose. The purposes of the Settlement Facility are as follows:

1.3 Transfer of Assets.

(a) Immediate Cash Funding. On the Effective Date, (i) TTC shall deliver the TTC Settlement Contribution to the Settlement Facility and (ii) TUI shall deliver the TUI Settlement Contribution to the Settlement Facility. Each of the TTC Settlement Contribution and the TUI Settlement Contribution shall be so delivered by wire transfer of immediately available funds to the Settlement Facility Accounts, as directed in writing by the Trustee. The Trustee shall segregate and separately account for use of the TTC Settlement Contribution and the TUI Settlement Contribution as set forth in this Settlement Facility Agreement.

(b) TTC/Aldrich Funding Agreement. TTC and Aldrich acknowledge and agree that: (i) TTC has no obligation to deliver the TTC Settlement Contribution to the Settlement Facility, as provided in Section 1.3(a), under the existing terms of the TTC/Aldrich Funding Agreement; (ii) notwithstanding the lack of any existing obligation to do so, on the Effective Date, as requested by Aldrich, TTC shall deliver the TTC Settlement Contribution to the Settlement Facility, under the TTC/Aldrich Funding Agreement, as provided in Section 1.3(a); (iii) each of TTC and Aldrich hereby waives any requirement or limitation set forth in Section 2 of the TTC/Aldrich Funding Agreement to the extent necessary to permit (A) the delivery of the TTC Settlement Contribution to the Settlement Facility, under the TTC/Aldrich Funding Agreement, as provided in Section 1.3(a), and (B) the release of the Trust Funds as provided in Section 1.5 or as otherwise provided in this Settlement Facility Agreement; (iv) TTC hereby waives, for any and all purposes of the TTC/Aldrich Funding Agreement (including the satisfaction of the conditions of Section 2.d of the TTC/Aldrich Funding Agreement in connection with any future request by Aldrich for funding under the Funding Agreement), any breach of the TTC/Aldrich Funding Agreement (including Section 5 thereof) resulting from (A) the delivery of the TTC Settlement Contribution to the Settlement Facility, under the TTC/Aldrich Funding Agreement, as provided

in Section 1.3(a), or (B) the release of the Trust Funds as provided in Section 1.5 or as otherwise provided in this Settlement Facility Agreement; (v) the establishment of the Settlement Facility shall not affect in any way the obligations of TTC under the TTC/Aldrich Funding Agreement except to the extent that TTC shall not be obligated to fund a Permitted Funding Use (as such term is defined in the TTC/Aldrich Funding Agreement) under the TTC/Aldrich Funding Agreement to the extent there are funds available for release under this Settlement Facility to pay such Permitted Funding Use; and (vi) the TTC Settlement Contribution shall be considered as pre-funding for Permitted Funding Uses, including funding for a Section 524(g) Trust included in a Chapter 11 524(g) Plan in the Chapter 11 Cases, and, to the extent permissible under the terms of this Settlement Facility Agreement, a Permitted Funding Use, including funding for a Section 524(g) Trust included in a Chapter 11 524(g) Plan in the Chapter 11 Cases, shall first be paid by the disbursement of funds from the Settlement Facility to the full extent such funds are available therefor before additional funds are sought by Aldrich under the TTC/Aldrich Funding Agreement for such Permitted Funding Use.

(c) TUI/Murray Funding Agreement. TUI and Murray acknowledge and agree that: (i) TUI has no obligation to deliver the TUI Settlement Contribution to the Settlement Facility, as provided in Section 1.3(a), under the existing terms of the TUI/Murray Funding Agreement; (ii) notwithstanding the lack of any existing obligation to do so, on the Effective Date, as requested by Murray, TUI shall deliver the TUI Settlement Contribution to the Settlement Facility, under the TUI/Murray Funding Agreement, as provided in Section 1.3(a); (iii) each of TUI and Murray hereby waives any requirement or limitation set forth in Section 2 of the TUI/Murray Funding Agreement to the extent necessary to permit (A) the delivery of the TUI Settlement Contribution to the Settlement Facility, under the TUI/Murray Funding Agreement, as provided in Section 1.3(a), and (B) the release of the Trust Funds as provided in Section 1.5 or as otherwise provided in this Settlement Facility Agreement; (iv) TUI hereby waives, for any and all purposes of the TUI/Murray Funding Agreement (including the satisfaction of the conditions of Section 2.d of the TUI/Murray Funding Agreement in connection with any future request by Murray for funding under the TUI/Murray Funding Agreement), any breach of the TUI/Murray Funding Agreement (including Section 5 thereof) resulting from (A) the delivery of the TUI Settlement Contribution to the Settlement Facility, under the TUI/Murray Funding Agreement, as provided in Section 1.3(a), or (B) the release of the Trust Funds as provided in Section 1.5 or as otherwise provided in this Settlement Facility Agreement; (v) the establishment of the Settlement Facility shall not affect in any way the obligations of TUI under the TUI/Murray Funding Agreement except to the extent that TUI shall not be obligated to fund a Permitted Funding Use (as such term is defined in the TUI/Murray Funding Agreement) under the TUI/Murray Funding Agreement to the extent there are funds available for release under this Settlement Facility to pay such Permitted Funding; and (vi) the TUI Settlement Contribution shall be considered as pre-funding for Permitted Funding Uses, including funding for a Section 524(g) Trust included in a Chapter 11 524(g) Plan in the Chapter 11 Cases, and, to the extent permissible under the terms of this Settlement Facility Agreement, a Permitted Funding Use, including funding for a Section 524(g) Trust included in a Chapter 11 524(g) Plan in the Chapter 11 Cases, shall first be paid by the disbursement of funds from the Settlement Facility to the full extent such funds are available therefor before additional funds are sought by Murray under the TUI/Murray Funding Agreement for such Permitted Funding Use.

1.4 Acceptance of Appointment and Contributions. In connection with and in furtherance of the purposes of the Settlement Facility, the Trustee hereby expressly accepts its appointment as trustee of the Settlement Facility and, in such capacity, accepts the delivery of the TTC Settlement Contribution and the TUI Settlement Contribution to the Settlement Facility.

1.5 Release Conditions. Subject to Section 4.1 and Section 4.3, the Trustee shall release the Trust Funds to resolve or satisfy Asbestos Claims in accordance with, and upon satisfaction of, either of the following conditions (the “***Release Conditions***”), unless, in the case of Aldrich Trust Funds, TTC, in its sole discretion, or, in the case of Murray Trust Funds, TUI, in its sole discretion, waives the requirement (in whole or in part) that either of the Release Conditions be met:

(a) Release Pursuant to Chapter 11 524(g) Plan. Subject to Section 4.1 and Section 4.3, the Trustee shall release Trust Funds, in whole or in part as necessary, to resolve or satisfy Asbestos Claims by providing funding for a Section 524(g) Trust included in a Chapter 11 524(g) Plan in the Chapter 11 Cases, upon the effectiveness of the Chapter 11 524(g) Plan. For the avoidance of doubt, the Trust Funds shall not be used to fund costs of administering the Chapter 11 Cases.

(b) Release Without Chapter 11 524(g) Plan. Subject to Section 4.1 and Section 4.3, if no Chapter 11 524(g) Plan has become effective, then, at any time when neither of the Chapter 11 Cases is pending, the Trustee shall release the Trust Funds, as necessary, to resolve or satisfy Asbestos Claims by paying to the holder of any Asbestos Claim the amount of such Asbestos Claim upon establishment of the amount thereof, by either (i) a Final Order of a court of competent jurisdiction or (ii) a final settlement.

ARTICLE 2

TRUSTEE

2.1 Appointment. The initial Trustee shall be U.S. Bank National Association.

2.2 Term of Service.

(a) Initial Trustee. The initial Trustee shall serve from the Effective Date, and each successor Trustee named to fill a vacancy shall serve from the date of appointment, until the earlier of (i) its resignation pursuant to Section 2.2(b), (ii) its removal pursuant to Section 2.2(c), or (iii) the termination of the Settlement Facility pursuant to Section 6.2.

(b) Resignation. The Trustee may resign at any time by written notice to TTC, TUI, Aldrich, and Murray. Such notice shall specify a date on which such resignation shall take effect, which date shall not be (i) less than ninety (90) days after the date such notice is given, where practicable, or (ii) more than one hundred eighty (180) days after such notice.

(c) Removal. The Trustee may be removed in the event that it becomes unable or unwilling to discharge its duties under this Settlement Facility Agreement, or for other good cause. For such purposes, good cause shall be deemed to include failure to comply with Section 3.2, a consistent pattern of neglect or failure with respect to the performance of the duties

of the Trustee under this Settlement Facility Agreement, or repeated non-attendance at scheduled meetings related to the administration of the Settlement Facility, including those contemplated by Section 3.2(f). Such removal shall be made only by order of the Bankruptcy Court, upon motion by TTC, TUI, Aldrich, or Murray (after consultation with the others).

2.3 Appointment of Successor Trustee(s).

(a) Vacancy. In the event of a vacancy in the position, TTC, TUI, Aldrich, and Murray, acting jointly, shall nominate a successor Trustee for appointment by the Bankruptcy Court, after notice and opportunity for hearing. Any successor Trustee must meet the qualification requirements of Section 2.7.

(b) Vesting of Powers on Appointment.
