III. SUMMARY OF SERVICES RENDERED BY RCD

12. Attached hereto as Exhibits A-1 through A-4 are detailed descriptions of the services performed and expenses incurred by Applicant from June 1, 2023 through September 30, 2023. In summary, Applicant expended 199.60 hours in rendering necessary legal services involving this Chapter 11 proceeding for the period October 1, 2023 through January 31, 2024. The fees total \$96,176.00 for the period October 1, 2023 through January 31, 2024 (consisting of \$20,126.00 for the month of October 2023; \$18,192.00 for the month of November 2023; \$18,471.50 for the month of December 2023 and \$39,386.50 for the month of January, 2024). Applicant further incurred costs in regard to this proceeding in the amount of \$861.71 for the period from October 1, 2023 through January 31, 2024 (consisting of \$20.76 for the month of October 2023, \$25.70 for the month of November 2023; \$51.40 for the month of December 2023 and \$763.85 for the month of January, 2024). On Exhibit B, RCD has categorized its time by the project categories recommended by the Guidelines for Compensation and Expense Reimbursement of Professionals (the "Compensation Guidelines") referenced in Rule 2016 of the Rules of Practice and Procedure of the United States Bankruptcy Court for the Western District of North Carolina (the "Local Rules"). On Exhibit C, RCD has itemized the costs and expenses incurred on behalf of the Debtors that were billed during the Interim Period.

13. RCD believes that its billing rates for the Interim Period for these cases, which reflect RCD's customary billing rates for the years 2023 and 2024, should be deemed "reasonable billing rates" for purposes of this Court's determination of the "reasonableness" of the fees for services rendered.

14. Attached hereto as Exhibit D is a summary of this Applicant's prior fee applications.

15. A summary of the professionals/paraprofessionals that have rendered services to the Debtors, which includes each professional's or paraprofessional's title, hourly rate, total number of hours billed and the fees billed, is attached hereto as Exhibit E.

16. Attached as Exhibit F is a background summary of each professional included in this Application.

17. Attached hereto as Exhibits A-1 through A-4 are RCD's detailed invoices for the Interim Period which show on a daily basis the professionals recording time for these cases, how much time was charged for each professional and a description of the services rendered. Whenever in the attached time records, more than one RCD professional is involved or the RCD professionals show interaction with other professionals for the Debtors, each of the RCD professionals are performing distinct tasks for the Debtors and/or work to effectively and efficiently represent the Debtors. Services are provided for each month of the Interim Period and are divided by category of the task performed. To the extent that charges for services rendered or expenses incurred relate to the Interim Period but were not processed prior to the preparation of, or otherwise included in, this Application, RCD reserves the right to request additional compensation for such services and reimbursement of such expenses in future applications.

18. RCD believes that the services it provided to the Debtors during this Interim Period were necessary to the administration of and beneficial to the Debtors' estates. RCD further believes that the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the task addressed.

IV. DESCRIPTION OF SERVICES RENDERED DURING INTERIM PERIOD

19. As counsel to the Debtors, RCD has assisted the Debtors with a variety of matters in the Debtors' bankruptcy cases, as set forth in the summary description below and in greater detail on Exhibits A-1 through A-4.

20. RCD grouped its services using the eight categories set forth below in accordance with the recommendation of the Compensation Guidelines. RCD attempted to place the services provided in the category that best related to such services. Because some services may overlap categories, services pertaining to one category may in fact be included in another category. The services provided are generally described below by category.

- (c) RCD assisted the Debtors in responding to various post-petition procedural issues, including communicating with the Bankruptcy Administrator's office and Clerk's office to satisfy various post-petition requirements, and responding to various other inquiries.
- (d) RCD assisted the Debtors to develop a positive working relationship with the ACC's professionals, the FCR and his professionals, and other parties in interest in these cases. Whenever possible, disputes have been resolved consensually without the need for judicial intervention.
- (e) RCD assisted the Debtors in other administrative tasks, including preparing agendas for hearings, preparing notices related to omnibus hearings for 2024, and coordination of notice and service of all motions.
- (f) RCD assisted Jones Day and the Debtors in analyzing potential options for the next steps in these Chapter 11 Cases and participated in various meetings with co-counsel and other case parties re: same.
- (g) RCD assisted the Debtors and Jones Day in analysis of matters and developments in other proceedings potentially impacting strategic options for these cases, and corresponded with co-counsel and client representatives regarding these developments.
- (h) RCD generally advised the Debtors and co-counsel regarding various aspects of local practice and procedure.

C. Fee Proceedings

23. RCD's services provided during the Interim Period under this category include the preparation of monthly compensation statements for RCD for the months of September, October, November and December 2023, as well as preparing RCD's tenth interim fee application for the period from the June 1, 2023 through September 30, 2023. RCD also assisted in the coordination and filing of other interim fee applications for the Debtors' professionals, preparation of orders approving the interim fee applications, review of parties' fee requests, and review of supplemental affidavits as needed. RCD assisted in coordination and circulation of other Debtor professionals' monthly compensation statements as well as assisting other case professionals with questions on fee and engagement procedures. RCD assisted Jones Day in analyzing and advising the Debtors regarding questions on professional engagement issues and filing of Ordinary Course Professionals reports.

D. Financing and Relief from Stay Proceedings

24. RCD did not provide significant services in this category during the Interim Period

E. Litigation

25. RCD assisted co-counsel in addressing matters related to certain litigation brought derivatively by the ACC, including analyzing discovery propounded on the Debtors in those proceedings and assisting in preparation of responses. RCD assisted co-counsel in addressing issues related to production of estimation-related discovery, including assisting in drafting motions to dismiss certain appeals filed by matching claimants as moot. RCD assisted co-counsel in analyzing and responding to an amicus brief filed by certain claimants in the Purdue Pharma appeal pending before the United States Supreme Court, and preparing a notice of filing of such amicus briefs for filing in this Court. RCD assisted co-counsel in analyzing and formulating options in response to this Court's opinions denying motions to dismiss filed by the ACC and clients of Maune Raichle and the Debtors' denying motion to withdraw derivative standing from the ACC. RCD also assisted co-counsel in preparing responses to motions for certification of direct appeal of the dismissal opinion to the Fourth Circuit, as well

as preparing motions to defer briefing on motions for leave to appeal the dismissal opinion in the District Court.

F. Plan and Disclosure

26. RCD did not provide significant services in this category during the Interim Period.

G. Claim Administration

27. RCD reviewed certain correspondence to claimants' counsel regarding attempts to resolve potential claim objections based on duplication, withdrawal, dismissal and other bases.

H. Miscellaneous Assistance or Other

28. This category is to be used for services that do not otherwise fall into the categories described above and was not used during the Interim Period.

29. As noted above, during the Interim Period, RCD provided services to facilitate the Debtors' discharge of their administrative duties as debtors in possession and to maximize value of the estates for the benefit of creditors, stakeholders and other parties in interest. In addition to the services provided above, RCD responded to numerous inquiries of parties in interest regarding the status of the case. RCD believes that all of these services have helped to ensure the efficient administration of these cases and compliance with the requirements of the Bankruptcy Code. Further, RCD represents to the Court that it has voluntarily reduced its billings and therefore its application for compensation for the Interim Period by approximately \$121.00 to arrive at its request for fees for the Interim Period. Certain billing entries RCD has voluntarily written off are shown on Exhibits A-1 through A-4 as no-charge entries, while the majority of such non-charged billing entries are not shown on Exhibits A-1 through A-4.

V. DESCRIPTION OF DISBURSEMENTS AND EXPENSES INCURRED DURING THE INTERIM PERIOD

30. It is RCD's policy with respect to expenses to charge its clients in all areas of practice for expenses incurred in connection with each client's case. The customary expenses charged to clients include, among other things, filing and court fees, regular and express mail charges, special or hand delivery charges, photocopying charges, travel expenses, expenses for "working meals," computerized research charges, and transcription costs.

31. RCD requests reimbursement for its actual and necessary expenses incurred during the Interim Period in the amount of \$861.71. A detailed breakdown of such expenses is provided in RCD's invoices attached hereto as Exhibits A-1 through A-4. The expenses RCD incurred in the rendition of professional services were necessary and reasonable under the circumstances to serve the needs of the Debtors.

VI. LEGAL STANDARD

32. This Application is submitted under the standards set forth in a number of decisions of the United States Supreme Court and the Fourth Circuit Court of Appeals; Hensley v. Eckerhart, 461 U.S. 424 (1983); Blum v. Stenson, 465 U.S. 886 (1984); Pennsylvania v. Delaware Valley Cit. Council, 107 S.C. 3078 (1987); Lilly v. Harris-Teeter Supermarket, 842 F.2^d 1496 (4th Cir. 1988); Daly v. Hill, 790 F.2^d 1071 (4th Cir. 1986); and Barber v. Kimbrell's, Inc., 577 F.2^d 216, 226 n. 28 (4th Cir. 1978), cert. denied, 439 U.S. 934 (1979) which adopted the standards of Johnson v. Ga. Highway Express, Inc., 488 F.2^d 714, 717-19 (5th Cir. 1974). Under the rule of Barber, these standards include the time and labor expended; the novelty and difficulty of the questions raised; the skill required to perform properly the legal services rendered; the attorney's opportunity costs in handling the case; the customary fee for like work; the attorney's expectations at the outset of the case; the time limitations imposed by the client or circumstances; the amount in controversy and the results obtained; the experience, reputation and ability of the attorney; the undesirability of the case within the legal community in which the case arose; the nature and length of the professional relationship between attorney and client; and attorneys' fees in similar cases. Under these

standards, the compensation and rates requested herein are reasonable for services rendered by the Applicant in this case.

VII. NOTICE

33. Notice of this motion has been provided to: (a) the office of the United States Bankruptcy Administrator for the Western District of North Carolina; (b) counsel to the ACC; (c) counsel to the Debtors' non-debtor affiliates, Trane Technologies Company LLC and Trane U.S. Inc.; (d) the FCR and his counsel; and (e) the other parties on the Service List established by the Case Management Order. RCD submits that, in light of the nature of the relief requested, no other or further notice need be provided.

VIII. CONCLUSION

34. Based on the foregoing, RCD makes this Application for an allowance of interim compensation for professional services rendered and reimbursement for actual costs and expenses incurred in the performance of legal services as counsel to the Debtors in connection with these proceedings.

WHEREFORE, RCD respectfully requests that (a) RCD be allowed (i) interim compensation of \$96,176.00 as reasonable, actual and necessary professional services rendered by it on behalf of the Debtors during the Interim Period and (ii) interim reimbursement of expenses incurred during the Interim Period of \$861.71 as reasonable, actual and necessary; (b) the Debtors be authorized and directed to pay to RCD the amount of \$97,037.71, which is equal to the sum of 100% of RCD's allowed interim compensation and 100% of RCD's allowed expense reimbursement for the Interim Period less all previous payments received pursuant to the Fee Procedures Order; and (c) such other relief as is just and proper.
