(continued...)

³ The assets owned by Pennsylvania Land Resources (the "PLR Assets") comprised the Debtors' natural gas business located in the Marcellus Shale. Although the PLR Assets constitute Designated Reserve Price Assets for purposes of the Plan, the Debtors consummated the sale of the PLR Assets on June 2, 2016. See Notice of Closing and Assignment of Purchaser Interests in Connection with Sale of the PLR Assets (Docket No. 2602) (June 4, 2016).
