PURPOSE OF CHAPTER 11 FILING: Chapter 11 of the Bankruptcy Code enables a debtor to reorganize or liquidate pursuant to a plan of reorganization. A plan is not effective unless approved by the Court at a confirmation hearing. Creditors will be given notice concerning any plan and will be given notice if this case is dismissed or converted to another chapter of the Bankruptcy Code. The Debtors will remain in possession of their property and will continue to operate their businesses unless a trustee is appointed. No motion to appoint a trustee has been filed at this time. Creditors may be sent a copy of the plan and a disclosure statement describing the plan. Creditors may have the opportunity to vote on the plan. Creditors will be sent notice of the date of the confirmation hearing and may object to confirmation of the plan and attend the confirmation hearing.

CREDITORS MAY NOT TAKE CERTAIN ACTIONS: A creditor is anyone to whom one or more Debtors owe money or property. Under the Bankruptcy Code, the Debtors are granted certain protection against creditors. Common examples of prohibited actions by creditors include contacting the Debtors to demand repayment, taking action against the Debtors to collect money owed to creditors or to take property of the Debtors, and starting or continuing foreclosure actions, repossessions, wage deductions, or refusing service or terminating a contract or lease without prior Court approval. If unauthorized actions are taken against the Debtors, the Court may penalize the creditor who takes them. A creditor who is considering taking action against the Debtors or property of the Debtors should review section 362 of the Bankruptcy Code and may wish to seek legal advice.
