1 **SCHEDULE A**

2 (List of the Contracts, Leases, and Cure Amounts⁵)

3 Per the Bidding Procedures Order,⁶ inclusion of any Contract, Lease, or other
4 agreement in this Cure Notice shall not constitute or be deemed a determination or
5 admission by the Debtors and their estates or any other party in interest that such
6 Contract, Lease, or other agreement is, in fact, an executory contract or unexpired
7 lease within the meaning of the Bankruptcy Code, or that any Cure Amount is owed
8 thereon, and any and all rights with respect thereto are hereby reserved.

9 The Debtors have made a good-faith effort to identify only executory contracts and
10 unexpired leases for purposes of creating **Schedule A**. However, due to the large
11 volume of contracts, agreements, and leases executed by or on behalf of the Debtors,
12 this list may include certain Contracts or Leases that (a) have already terminated or
13 expired, (b) were not formed prepetition, and/or (c) are no longer executory or
14 otherwise binding. Thus, the inclusion of a Contract or Lease in **Schedule A** does not
15 constitute an admission by the Debtors of the “executory” or “unexpired” nature of
16 such Contract or Lease, legal rights or any claim of any counterparty or other
17 beneficiary to such agreement, or a waiver of the Debtors’ right to recharacterize,
18 reclassify, or defend against such Contract or Lease or Cure Amount, or to dispute the
19 validity, status, or enforceability of any Contract or Lease or Cure Amount.

20 While reasonable efforts have been made to ensure the accuracy of **Schedule A**,
21 inadvertent errors or omissions may have occurred. As such, the Debtors reserve all
of their rights to add additional Contracts or Leases (along with any corresponding
Cure Amount), or to supplement any description of any Contract or Lease listed on
Schedule A.

16 ⁵ The Cure Amount may provide the aggregated amount for more than one Contract or Lease with
17 a counterparty, as indicated by an “*” in the initial Cure Amount box. Furthermore, because the
18 Debtors generally remain current with respect to payment of amounts arising in connection with
19 services rendered on or after the May 6, 2019 Petition Date, the Cure Amounts listed on **Schedule**
20 **A** likely do not include postpetition obligations that may be due and owing or future amounts that
21 may arise in connection with a Contract or Lease.

⁶ The Bid Procedures Motion [Docket No. 765] may be accessed free of charge on the Debtors’ case
information website at <http://www.kccellc.net/astriahhealth/document/list/4896>, or upon request to the
Debtors’ noticing agent by phone at (877) 726-6508 or by email at AstriaInfo@kccellc.com, or by
contacting counsel for the Debtors.
