Contemporaneously, PCO's *Verified Statement of Susan N. Goodman* [Docket No. 279] was submitted in support of the appointment, and, along with the Appointment Notice is attached herein as **Exhibit B.**
- 9. On August 6, 2019, the Court entered its Order on Debtors' Motion Establishing Procedures for Monthly and Interim Payment of Fees and Expense Reimbursement [Docket No. 453] (the "Interim Payment Order") directing professionals to submit Interim Fee Applications approximately every 120 days to

### SUMMARY OF SERVICES PROVIDED

- 18. PCO visited Debtors' locations three times over the course of this Application Period where she interviewed clinicians and patients, observed care, interacted with staff, and review quality and process documentation, among other activities.
- 19. Further, PCO attended the November and December (telephonically) status hearings and authored *Patient Care Ombudsman's First Consolidated Supplemental Report* [November 11, 2019 at Docket No. 750] and *Patient Care Ombudsman's Third Interim Report (Consolidated)* [December 31, 2019 at Docket No. 855].
- 20. PCO monitored docket pleadings and calendared hearings consistent with the level of engagement appropriate to the PCO role to monitor for items having potential impact on patient care and staff dynamics.
- 21. In the interim periods between site visits, PCO regularly engaged with staff and clinicians, both proactively and responsive to those reaching out to PCO.
- 22. PCO attaches monthly summaries of PCO's hours and expenses as **Exhibit C** and detailed fee statements/invoices as **Exhibit D**.
- 23. PCO attaches LF 2016, Local Form 2016A, Local Form 2916B, Local Form 2016C collectively as **Exhibit E**.
- 24. PCO attaches LF 2016D, the proposed Order Awarding Compensation for Services Rendered and Reimbursement for Expenses Pursuant to 11 U.S.C. §330 and §331, and Approving the Payment of Bank Fees (the "Order") as Exhibit F.

#### EVALUATION STANDARDS

25. United States Bankruptcy Code § 330(a)(3)-(4)(A) provides an analytical framework to evaluate the reasonableness of professional fees and expenses. The court considers the nature, extent, and value of the services rendered relative to: (1) the time spent, (2) the rates charged, (3) whether the services were necessary or provided a benefit to the estate, (4) the time spent relative to the complexity and nature of the task addressed, (5) whether the professional demonstrated skill and expertise, (6)

whether the professional fee is comparatively reasonable, and (7) whether the fee avoids unnecessary duplication and/or waste. If the professional fee requested fails this analysis, the court may reduce the amount of compensation awarded.

- 26. Bankruptcy Courts have employed the lodestar approach as the primary basis for determining the reasonableness of compensation under Bankruptcy Code § 330. Generally, this approach begins with calculating the total number of hours expended by the professional multiplied by the prevailing rate for similar work. *See* Unsecured Creditors' Comm. v. Puget Sound Plywood, 924 F. 2d 955 (9th Cir. 1991).
- 27. PCO's activities all classify as general case administration. PCO spent 154.8 hours engaged in activities associated with her role, including but not limited to site visits, interviews with patients and clinicians, director leadership and Chief Restructuring Officer ("CRO") follow-up, document review, remote monitoring, report and document preparation, court hearing attendance, and regular updates to the United States Trustee. PCO provided a vital and necessary service to patients cared for by Debtors. Accordingly, PCO requests that this Court enter a final order allowing full payment of PCO's fees and expenses in the total amount requested: **\$62,566.32**.
- 28. PCO's hourly rate of \$375.00 per hour compares favorably to hourly rates charged by other professionals in this field and is consistent with rates charged in PCO's health law practice. PCO has a clinical, health care operations, and health law compliance background that allowed for thorough PCO coverage without engagement of other professionals, at a cost savings to Debtors' estate.
- 29. Applicant has not shared or agreed to share compensation or reimbursement awarded in this case with any other person or entity. No agreement or understanding exists between Applicant and any other person for a division of compensation. Applicant has not entered into any agreement prohibited by U.S.C. Title 18 §155.

## RELIEF REQUESTED

WHEREFORE, PCO respectfully requests that this Court enter an order substantially in the form attached herein as Exhibit F:

- approving, on an interim final basis, the allowance of \$57,187.50 as reasonable a. compensation for actual and necessary professional services rendered by the PCO for the benefit of the Estate during the Application Period;
- b. approving, on an interim final basis, the reimbursement of actual and necessary out-of-pocket expenses in the amount of \$5,378.82 incurred by PCO in the performance of required professional services during the Application Period;
- authorizing and directing the Debtor to pay to the PCO the approved fees and c. expenses in the aggregate award amount of \$62,566.32, less those monies received before the entry of the Application Order; and,
  - d. granting such other and further relief as the Court deems just and proper.
