

To the United States Bankruptcy Court Eastern District of Washington case # 19-01189-11. I Bobbi L. Cooper do not support the dismissal of the PTO that is owed to the former employees of Astria Regional Medical Center. I have not received any of PTO and I have a statement attached that shows what my PTO balance was at the time of the layoffs in February 2020 and a pay stub from 05/24/2019 which was around the time of the bankruptcy filing and one from 12/20/2019. I did receive the money that was paid out for the WARN ACT which was \$ 466.00.

RE: Astria Regional Medical Center Bankruptcy

SCOTT CANADAY
Vice President

Dear Astria Regional Medical Center Member:

GRACE LAND
Vice President

As you know, it has been over one year since Astria Regional Medical Center ("Astria") filed for bankruptcy, and several months since the hospital closed. Since that time, our Union has worked hard to get the best possible outcome for our members. We'd like to bring you up to date on the status of the money owed to you by Astria.

ELIZABETH SCOTT
Vice President

We submitted a bankruptcy claim on behalf of all SEIU 1199NW Astria employees for any paid time off owed to eligible members (those with at least 1 year of service) and for Astria's failure to give notice of layoff. In order to pursue these claims, we need to confirm your date of hire, rate of pay and how much paid time off you had accrued but not used at the time you were laid off. The following information comes from Astria's records:

While bankruptcy is a slow process, we are attempting to secure payment as fully and promptly as possible. Though we cannot make guarantees at this point, we do expect payment in full for all unused PTO accrued by eligible employees in the year before the Hospital closed. If a settlement is reached and

approved by the Bankruptcy Court, you should receive a check within a short period of time. It is also possible that there will be additional checks at some point in the future. Astria will deduct taxes from these checks.

We know that it has been a difficult journey since Astria filed for bankruptcy and we look forward to being able to share some good news with you.

Sincerely,
