exigent circumstances of the Motion and the relief granted in this Interim Order has been granted in accordance with Bankruptcy Code §§ 102(1), 105, 361, 362, 363, 364, 503, and 507, Bankruptcy Rules 2002, 4001, 6004, and 9014, and Local Rules 2002-1, 4001-1(b), 4002-1(i), and 9013-1. After careful consideration of all matters before it, the Court is of the opinion that the estate would suffer irreparable injury if the Motion is not granted.

Therefore, the Court makes the following findings of fact and conclusions of law:

A. This Court has jurisdiction over this matter pursuant to 28 U.S.C. §1334. This matter constitutes a core proceeding within the meaning of 28 U.S.C. § 157(b). The Court has the authority to enter a final order in this matter. Venue is proper in this jurisdiction pursuant to 28 U.S.C. §§ 1408 and 1409.

B. The Debtors are unable to obtain financing on more favorable terms than the DIP Facility and are unable to obtain unsecured credit allowable under section 503(b)(1) as an administrative expense or secured credit solely under section 364(c) of the Bankruptcy Code.

C. The terms and conditions of the DIP Facility and the use of Cash Collateral, if any, are fair and reasonable, are the best available to the Debtors under the circumstances, reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties, and are supported by reasonably equivalent value and fair consideration, have been negotiated in good faith and at arm's length between the Debtors and the DIP Lender, and in express reliance upon the protections offered by Bankruptcy Code section 364(e).

Therefore, it is ORDERED that

1. The final hearing (the "Final Hearing") on the Motion shall be held on February 27, 2023, at 10:00 am., prevailing Central Time. Any objections or responses to entry of a final order on the Motion shall be filed on or before 4:00 p.m., prevailing Central Time, on February 22, 2023.

In the event no objections to entry of a final order on the Motion are timely received, the Court may enter such final order without need for the final hearing.

2. The Debtors are hereby authorized to enter into and perform under the DIP Facility with the DIP Lender on the terms reflected in the DIP Term Sheet attached hereto as **Exhibit 1**, which is hereby approved and incorporated herein in its entirety, and to perform all obligations under the DIP Term Sheet, which upon being entered into shall constitute valid, binding, and non-avoidable obligations of the Debtors that are enforceable against the Debtors in accordance with the terms of the DIP Term Sheet and this Interim Order.

3. In furtherance of the foregoing and without further order of this Court, the Debtors are authorized and directed to (a) perform all acts to negotiate, make, enter into, and perform under the DIP Documents and (b) perform all acts to make, execute and deliver all instruments and documents, including, without limitation, the execution and delivery of, and performance under, one or more amendments, waivers, consents or other modifications to and under the DIP Term Sheet and DIP Documents (collectively, the "Ancillary Documents"), in each of (a) and (b), in such form as the Debtors and the DIP Lender may agree, *provided* that such DIP Term Sheet, DIP Documents, and Ancillary Documents are consistent in all material respects with the DIP Term Sheet, and *provided further* that no further approval of the Court shall be required for the Debtors to pay any fees and other expenses (including any attorneys', accountants', appraisers' and financial advisors' fees), amounts, charges, costs, indemnities and other obligations paid in connection therewith that do not shorten the maturity of the extensions of credit under the DIP Term Sheet or DIP Documents or increase the aggregate commitments or the rate of interest payable thereunder.

4. The Debtors may draw \$35 million (the “Interim Advance”) of the up to \$75 million in New Money Loans extended by the DIP Lender, on an interim basis, as set forth in the DIP Term Sheet.

5. The Debtors are authorized to use the proceeds of Interim Advance and Cash Collateral solely for the purposes set forth on the Approved Budget attached hereto as Exhibit 2, subject to the Permitted Variances.

6. Immediately upon entry of this Interim Order, pursuant to Bankruptcy Code section 364(c)(1), the DIP Lender is granted an allowed superpriority administrative expense claim against the Debtors for all DIP Obligations (the “DIP Superpriority Claims”) (without the need to file any proofs of claim or request for payment of administrative expenses), subject only to the payment of quarterly US Trustee Fees and the Carve Out. The DIP Superpriority Claims may be repaid from any cash of the Debtors, including without limitation, Cash Collateral and, following entry of the Final Order, Avoidance Action Proceeds. Immediately upon entry of this Interim Order, pursuant to Bankruptcy Code sections 364(c)(2), 364(c)(3), and 364(d)(1), the DIP Liens are granted on all DIP Collateral as continuing, valid, binding, enforceable, non-avoidable, and automatically and properly perfected security interests in and liens on such DIP Collateral. This Interim Order shall be sufficient and conclusive evidence of the creation, validity, and perfection of all liens granted herein. The DIP Superpriority Claims and DIP Liens are hereby entitled to the treatment described in the section of the DIP Term Sheet titled “Priority and Security.” Except as set forth in, or permitted by, this Interim Order, or with the consent of the DIP Lender, no other superpriority administrative expense claims or liens *pari passu* or senior to the DIP Superpriority Claims or DIP Liens shall be granted or allowed in these Chapter 11 cases. The DIP Superpriority Claims and DIP Liens shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the

event that this Interim Order or any provision hereof is vacated, reversed, or modified on appeal or otherwise.

7. Notwithstanding and without minimizing the force of the foregoing paragraph, the Debtors are authorized to enter into, and cause the financial institutions servicing the Debtors' deposit accounts to enter into, such deposit account control agreements and other collateral agreements with the DIP Lender and such financial institutions as the DIP Lender may reasonably require, or alternatively, the DIP Lender shall be entitled to enjoy the benefit of all control agreements to which the Debtors are a party, as set forth above, without the need to enter into any such new agreements.

8. As adequate protection for any diminution in value of the interests of the Prepetition lender in the Prepetition Collateral, the Prepetition Lender is granted the Adequate Protection described in the section of the DIP Term Sheet titled "Adequate Protection" (including the liens described in the DIP Term Sheet) as set forth therein.

9. The Stipulations described in the section of the DIP Term Sheet titled "Acknowledgement/Stipulations" shall immediately be binding on the Debtors and their successors in interest (including any trustee appointed in the Chapter 11 Case or any subsequent chapter 7 case). Each Stipulation shall be binding on all parties-in-interest for all purposes unless (i) such Stipulation is challenged by a party with requisite standing filing an adversary complaint or motion (as applicable) in accordance with the procedures described, and within the time specified by, the section of the DIP Term Sheet titled "Challenge Period" (a "Challenge") and (ii) such Challenge is successful.

10. Notwithstanding anything to the contrary in any other order of this Court, the financial institutions where the Debtors' bank accounts are located (a) are authorized to accept and

honor all representations from the Debtors as to which checks, drafts, wires, or ACH transfers should be honored or dishonored, consistent with any order of this Court and governing law, and (b) have no duty to independently inquire as to whether such payments are authorized by an order of this Court.

11. The financial institution where the Debtors' bank accounts are located shall implement reasonable handling procedures in coordination with the Debtors designed to effectuate the terms of this Interim Order. No financial institution that implements such handling procedures and then honors a pre-petition check or other item drawn on any Bank Account that is the subject of this Interim Order either (i) in good faith belief that the Court has authorized such pre-petition check or item to be honored or (ii) as a result of an innocent mistake made despite implementation of such handling procedures, shall be deemed to be liable to the Debtors or their estates otherwise in violation of this Interim Order.

12. Nothing in this Final Order or otherwise shall be construed to obligate the DIP Lender in any way, to pay compensation to, or to reimburse expenses of, any professionals or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement.

13. The provisions of this Interim Order and any actions taken pursuant hereto shall survive the entry of any order confirming a plan, converting the Chapter 11 Cases, or dismissing the Chapter 11 Cases or any successor case, and the terms and provisions of this Interim Order shall continue in full force notwithstanding any such order.

14. Notwithstanding Bankruptcy Rules 4001(a)(3), 6004(h), 7062 or 9024, any other Bankruptcy Rule or Rule 62(a) of the Federal Rules of Civil Procedure, this Interim Order shall be immediately effective and enforceable upon its entry and there shall be no stay of execution or effectiveness of this Interim Order.

15. Upon the occurrence and during the continuance of any Event of Default, and without further application to the Bankruptcy Court, the automatic stay provisions of Section 362 of the Bankruptcy Code shall be vacated and modified to the extent necessary to permit the DIP Lender to take any of the following actions, at the same or different time: (a) issue a written notice (the “Remedies Notice”) (which may be by email) to the Debtors and their counsel, counsel for any Committee, and the U.S. Trustee (the “Remedies Notice Parties”) declaring the occurrence of the Termination Date (as defined below); (b) issue a Carve-Out Notice, (c) declare all DIP Obligations to be immediately due and payable without presentment, demand or protest or other notice of any kind, all of which are expressly waived by the Debtors; (d) declare the suspension or termination of the DIP Facility as to any further liability or obligation of the DIP Lender thereunder, but without affecting the DIP Liens or DIP Obligations (the “Termination Notice”); (e) terminate, as applicable, the right of the Debtors to use Cash Collateral; *provided that* the Debtors may use Cash Collateral during the Remedies Notice Period and any other period authorized by the Bankruptcy Court; and (f) charge the default rate of interest under the DIP Facility. During the five (5) days immediately following the date the DIP Lender delivers a Remedies Notice to the Remedies Notice Parties (the “Remedies Notice Period”), the DIP Lender and/or Debtors may seek an emergency hearing (a “Stay Relief Hearing”) to determine whether an Event of Default has occurred. In the event the Bankruptcy Court determines during a Stay Relief Hearing that an Event of Default has occurred, the Court may fashion an appropriate remedy, which may include the exercise of any and all rights available to the DIP Lender under Interim Order, the DIP Term Sheet, the DIP Credit Agreement, and/or the Final Order, as applicable. Upon expiration of the Remedies Notice Period, unless ordered otherwise by the Court, the automatic stay provisions of Section 362 of the Bankruptcy Code shall be vacated and modified

without further order of the Bankruptcy Court to the extent necessary to permit the DIP Lender to exercise any and all remedies against the DIP Collateral permitted under state law.

16. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Interim Order in accordance with the Motion.

17. This Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Interim Order.

	<p>Debtors with certain financing commitments, and the Prepetition Lender authorize the use of Prepetition Collateral, including Cash Collateral, but solely on the terms and conditions set forth in this DIP Term Sheet and subject to the Final Order.</p> <p>vi. Accordingly, after considering all of their practical alternatives, the Debtors have concluded, in an exercise of their sound business judgment, that the financing to be provided by the DIP Lender pursuant to the terms of this DIP Term Sheet represents the best financing currently available to the Debtors.</p> <p>vii. Good cause has been shown for immediate entry of this the Interim Order pursuant to Bankruptcy Rules 4001(b)(2) and (c)(2) and Local Rule 4001-2. Entry of the Interim Order is in the best interest of the Debtors, their estates and creditors. The terms of this DIP Term Sheet (including the Debtors' continued use of the Prepetition Collateral, including Cash Collateral) are in the best interest of the Debtors' estates under the circumstances, reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties, and are supported by reasonably equivalent value and fair consideration for the Prepetition Lender's consent thereto.</p> <p>viii. The Debtors, the DIP Lender and the Prepetition Lender have negotiated the terms and conditions of this DIP Term Sheet (including the Debtors' continued use of the Prepetition Collateral, including Cash Collateral) in good faith and at arm's length, and any credit extended and loans made to the Debtors pursuant to this DIP Term Sheet and the Debtors' Stipulations shall be, and hereby are, deemed to have been extended, issued or made, as the case may be, in "good faith" within the meaning of section 364(e) of the Bankruptcy Code. Subject to the paragraph below titled "Challenge Period," the Prepetition Lender is entitled to receive adequate protection as set forth herein pursuant to sections 361, 362, 363 and 364 of the Bankruptcy Code for any diminution in the value of the Prepetition Collateral, including Cash Collateral, resulting from the automatic stay or the Debtors' use, sale or lease of the Prepetition Collateral, including Cash Collateral, during these Cases.</p> <p>Subject to entry of the Final Order, the Debtors shall provide a full release to the DIP Lender, which would not bind the Committee or other party in interest until the expiration of the</p>

	<p>period described in the paragraph below titled “Challenge Period.”</p>
<p><u>Challenge Period:</u></p>	<p>The Financing Orders shall establish a deadline that:</p> <ul style="list-style-type: none"> (i) in the case of any Committee, is within 60 days from the Committee’s formation, which deadline shall be subject to extension by (x) agreement of the Committee, the Debtors and the Prepetition Lender, or (y) by order of the Court, (ii) in the case that a chapter 7 or chapter 11 trustee is appointed or elected within 60 days after the Petition Date (including following a conversion of the Cases to cases under chapter 7), then in the case of such chapter 7 or chapter 11 trustee, is the longer of 60 days from the Petition Date or 30 days from the appointment of such chapter 7 or chapter 11 trustee, or (iii) in the case of any other party in interest (including a chapter 7 or chapter 11 trustee appointed or elected more than 60 days after the Petition Date), is within 60 days of the Petition Date, <p>by which the Committee, or any creditor or other party-in-interest (in any case, which has obtained the requisite standing) must commence an adversary proceeding, if at all, against the Prepetition Lender or the Prior Prepetition Lender for the purpose of challenging the validity, extent, priority, perfection and enforceability of the prepetition secured debt under the Prepetition Loan Documents, or the liens, claims and security interests in the Prepetition Collateral in favor of the Prepetition Lender or the Prior Prepetition Lender, or otherwise asserting any claims or causes of action against the Prepetition Lender or the Prior Prepetition Lender on behalf of the Debtors’ estates; <u>provided, however,</u> that nothing contained in this DIP Term Sheet or the Financing Orders shall be deemed to confer standing on any Committee or any other party in interest to commence such an adversary proceeding. If such an adversary proceeding is not commenced within such period, then the Prepetition Lender and Prior Prepetition Lender shall automatically receive full waivers and releases provided in the Financing Orders and the liens of the Prepetition Lender and Prior Prepetition Lender, as applicable, shall be valid, perfected, enforceable and unavoidable without any further action by the Prepetition Lender or Prior Prepetition Lender under the terms of the Financing Orders.</p>

<u>No Priming or Pari Passu Liens:</u>	No order shall be entered authorizing or approving any liens or encumbrances on the DIP Collateral or the Prepetition Collateral, as applicable, senior to or <i>pari passu</i> with the liens of the Prepetition Lender other than the liens of the DIP Lender.
<u>Restrictions on Use of DIP Facility Loans and Cash Collateral:</u>	None of the Carve-Out, any Cash Collateral, the DIP Facility Loans, the DIP Collateral, or the Prepetition Collateral may be used to challenge the amount, validity, perfection, priority or enforceability of, or assert any defense, counterclaim or offset to, the DIP Facility, this DIP Term Sheet, or the DIP Documents or the Prepetition Debt or the Prepetition Loan Documents, or the security interests and liens securing any of the DIP Obligations or the Prepetition Debt, or to fund prosecution or assertion of any claims, or to otherwise litigate against the DIP Lender, <u>provided</u> that up to \$25,000 shall be made available to the Committee for investigation costs in respect of the stipulations contemplated below or otherwise set forth in the Financing Orders.
<u>Payment of Expenses:</u>	The reasonable and documented fees and out-of-pocket expenses incurred or accrued by the DIP Lender (the foregoing to include all unpaid reasonable and documented prepetition fees, out-of-pocket costs and expenses incurred by the DIP Lender in connection with the DIP Facility) in connection with any and all aspects of the Debtors' Cases shall be timely paid upon receipt of an invoice or other request for payment in accordance with the Financing Orders.
<u>Indemnification:</u>	The Debtors shall agree to indemnify and hold harmless the DIP Lender (solely in its capacity as DIP Lender) and each of its respective affiliates and each of their respective officers, directors, employees, agents, advisors, attorneys and representatives (each, an " <u>Indemnified Party</u> ") from and against any and all claims, damages, losses, liabilities and expenses (including, without limitation, reasonable and documented fees and out-of-pocket expenses of counsel), that may be incurred by or asserted or awarded against any Indemnified Party (including, without limitation, in connection with any investigation, litigation or proceeding or the preparation of a defense in connection therewith), arising out of or in connection with or by reason of the DIP Facility, or any of transactions contemplated hereby, except to the extent arising from an Indemnified Party's gross negligence or willful misconduct. In the case of an investigation, litigation or other proceeding to which the indemnity in this paragraph applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any of the Debtors, any of their respective directors, security holders or creditors, an Indemnified Party or any other person or an Indemnified Party is otherwise a party thereto and whether or

	not the transactions contemplated hereby are consummated.
<u>Reservation of Rights:</u>	The adequate protection provisions contained herein shall be without prejudice to the rights of the Prepetition Lender to seek any other, further or additional adequate protection. Nothing in the DIP Term Sheet or the Financing Orders shall be deemed to waive, modify or otherwise impair the rights of the Prepetition Lender, and the Prepetition Lender shall expressly reserve all of its rights and remedies under the Prepetition Loan Documents and applicable law. Without limiting the foregoing, nothing in the DIP Term Sheet or the Financing Orders shall have the effect of, or shall be construed as having the effect of amending or waiving any covenant, term or provision of the Prepetition Loan Documents, or any rights or remedies of the Prepetition Lender thereunder, including (without limitation) any right to require strict compliance with such covenant, term or provision despite any consent or agreement contained in the DIP Term Sheet or the Financing Orders.
<u>Fiduciary Duties:</u>	Notwithstanding anything to the contrary in this DIP Term Sheet or the Financing Orders, or any other document, order, or instrument, nothing in the DIP Term Sheet or the Financing Orders shall require the Debtors, the Debtors' board of directors, or any similar governing body of the Debtors, after consulting with counsel, to take any action or to refrain from taking any action with respect to any alternative financing transaction to the extent taking or failing to take such action would be inconsistent with applicable law or its fiduciary obligations under applicable law. To extent of any conflict between this provision and any other provision in this DIP Term Sheet, this provision will control.
<u>Miscellaneous:</u>	This summary of terms and conditions does not purport to summarize all of the conditions, covenants, representations, warranties and other provisions that would be contained in definitive credit documentation for the DIP Facility contemplated hereby, all of which shall be acceptable to the DIP Lender.
<u>Governing Law:</u>	The laws of the State of New York (excluding the laws applicable to conflicts or choice of law), except as governed by the Bankruptcy Code.

IN WITNESS WHEREOF, this DIP Term Sheet is duly executed as of the date first set forth above.
