marketing of the Debtors' financing and sale processes, which the Debtors believe is the best way to maximize the value of the Debtors' assets.

6. Lincoln is an internationally recognized investment banking firm with approximately 900 professionals in more than 21 offices around the world. Lincoln has an excellent reputation and extensive relevant experience providing investment banking and related services in other complex chapter 11 cases. Lincoln has assisted and advised numerous debtors, committees, creditors, and other constituencies with respect to the chapter 11 process, has knowledge of potential strategic and financial buyers in the Debtors' industry and is experienced in analyzing and testifying regarding corporate restructuring issues, including postpetition financing and section 363 asset sales. In 2022 alone, Lincoln closed over 360 transactions and completed over 15,000 company valuations. Lincoln and its senior professionals have extensive experience in providing investment banking services to various parties in complex situations, including both in- and out-of-court.

7. In addition to numerous out-of-court restructuring situations, Lincoln and its professionals have been actively involved in major chapter 11 cases. *See, e.g., In re Fast Radius, Inc.*, Case No. 22-11051 (JKS) (Bankr. (KBO) (Bankr. D. Del. Dec. 19, 2019), ECF No. 453 (order authorizing employment of Lincoln as financial advisor and investment banker to the official committee of unsecured creditors).

Scope of Services to Be Provided

8. Subject to further order of the Court, and consistent with the terms of the Engagement Letter, Lincoln's anticipated services in these chapter 11 cases will, to the extent necessary, appropriate, feasible, and as may be requested by the Debtors, include the following:⁴

a. With respect to a Sale Transaction:

- (i) Identifying potential parties who might be interested in entering into a Sale Transaction;
- (ii) Assisting with the preparation of an information memorandum for delivery to potential parties to a Sale Transaction describing the Company, the business and/or the assets to be sold (the "Sale Information Memorandum");

- (ii) Identifying financing sources who might be interested in participating in a Financing Transaction;

⁴ In the event of any conflict between the Engagement Letter and the Application, the Engagement Letter shall govern.

- (iii) Assisting with the preparation of an information memorandum for delivery to financing sources describing the Company (the “Financing Information Memorandum”);
 - (iv) Formulating and recommending a strategy for pursuing a potential Financing Transaction;
 - (v) Contacting and eliciting interest from various financing sources, including senior lenders, junior capital providers and/or equity investors, as appropriate;

- c. With respect to a Restructuring Transaction:

- d. With respect to any Transaction:
- (i) Sitting for depositions and participating in hearings before the relevant bankruptcy court, if applicable, with respect to matters upon which Lincoln has provided advice, including as relevant, coordinating with the Company’s legal counsel with respect to testimony in connection therewith; and
 - (ii) Performing such other financial advisory or investment banking services as may be specifically agreed upon in writing by the Company and Lincoln.

9. Lincoln’s services will complement, and not duplicate, the services to be rendered by any other professional retained by the Debtors in these chapter 11 cases. Lincoln will carry out a unique function as an investment banker and will use reasonable efforts to coordinate with the

Debtors and other professionals retained in these chapter 11 cases to avoid unnecessary duplication of services.

Disinterestedness

10. To the best of the Debtors' knowledge, information, and belief, based entirely on, and except as otherwise set forth in, the Murphy Declaration, neither Lincoln nor its professionals have any connection with or represent any other entity having an adverse interest to the Debtors, their creditors, or any other party in interest, or their respective attorneys or accountants. The Murphy Declaration also sets forth, pursuant to Bankruptcy Rule 2014(a), to the best of Mr. Murphy's knowledge, all of Lincoln's connections with the Debtors, known creditors, other known parties in interest and their respective attorneys and accountants and any person employed in the Office of the United States Trustee for Region 7: Southern District of Texas (Houston Division) that Lincoln would expect to interact with in these cases. Based upon the Murphy Declaration, Lincoln is a "disinterested person" as that term is defined in section 101(14) of the Bankruptcy Code.

11. The Debtors believe that the employment of Lincoln as investment banker on the terms set forth in this Application is appropriate and in the best interests of the Debtors and their estates. The Debtors thus seek an order approving Lincoln's engagement by the Debtors on the terms set forth in this Application and the Engagement Letter.

Professional Compensation

12. In consideration of the services to be provided by Lincoln, and as more fully described in the Engagement Letter, subject to this Court's approval, the Debtors and Lincoln have

agreed that Lincoln shall, in respect of its services, be compensated under the following fee structure (the “Fee Structure”):⁵

- a. *Initial Advisory Fee.* A fee (the “Initial Advisory Fee”) of \$125,000 payable in cash upon the execution of the Engagement Letter.
- b. *Monthly Advisory Fee.* A monthly fee (the “Monthly Advisory Fee”) of \$125,000 that is earned, due, and payable in cash on the first day of each month. 100% of the Monthly Advisory Fees that have been paid shall be fully credited against the Sale Transaction Fee or Restructuring Fee after the fourth anniversary of the Monthly Advisory Fee.
- c. *Sale Transaction Fee.* A fee (the “Sale Transaction Fee”) equal to the Minimum Fee, plus an incentive fee equal to 2.00% of the Enterprise Value in excess of \$187,500,000 but less than \$250,000,000, plus an incentive fee equal to 3.00% of the Enterprise Value equal to or in excess of \$250,000,000 but less than \$300,000,000, plus an incentive fee equal to 4.00% of the Enterprise Value equal to or in excess of \$300,000,000, if a Sale Transaction is consummated during the term of the Engagement Letter. The Minimum Fee shall be (1) \$800,000 in the event a credit bid by Icahn Enterprises Holdings LP is the successful bid for substantially all (or all) assets and it consummates such Sale Transaction, and (2) \$2,000,000 in all other instances.
- d. *Financing Transaction Fee.* A fee (the “Financing Transaction Fee”) equal to (i) 2.50% of the committed amount of any bridge, debtor in possession, or other financing if provided by parties other than the Existing Lenders; or (ii) \$250,000 if provided by the Existing Lenders, if a Financing Transaction is consummated during the term of the Engagement Letter.
- e. *Restructuring Transaction Fee.* A fee (the “Restructuring Transaction Fee”) equal to \$2,000,000 if a Restructuring Transaction is consummated during the term hereof or the period of the Engagement Letter. Only one Sale Transaction Fee or Restructuring Transaction Fee shall be earned upon consummation of a Transaction, and only one of either a Sale Transaction Fee or a Restructuring Transaction Fee shall be payable under the Engagement Letter.
- f. *Expense Reimbursements.* Lincoln shall be reimbursed for all reasonable and documented out-of-pocket expenses (including reasonable fees and expenses of its counsel).

⁵ Summaries and other descriptions of the terms in the Engagement Letter set forth herein are not intended to replace the terms of the Engagement Letter, which shall govern to the extent any inconsistency between this Application and the Engagement Letter; *provided* that the Order shall control in the event of any inconsistencies between this Application, the Engagement Letter, and the Order.

13. During the pendency of these chapter 11 cases, Lincoln shall apply to the Court for the allowance of compensation for professional services rendered and reimbursement of expenses in accordance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Bankruptcy Local Rules, and any other applicable procedures and orders of the Court and consistent with the proposed compensation structure set forth in the Engagement Letter.

14. The Debtors believe that the proposed compensation structure is reasonable and comparable to those generally charged by investment bankers of similar stature to Lincoln for comparable engagements and appropriately reflects the nature of the services to be provided by Lincoln. The Proposed compensation structure is generally consistent with Lincoln's normal and customary billing practices for cases of this size and complexity that require the level of scope and services outlined herein.

15. Consistent with its ordinary practice and the practice of investment bankers, generally, whose fee arrangements are not typically hours-based, Lincoln does not maintain contemporaneous time records or provide or conform to a schedule of hourly rates for its professionals in the ordinary course. Given the foregoing and the fact that Lincoln's compensation is based on fixed fees, the Debtors request that, notwithstanding anything to the contrary in the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, any court order or any other guidelines regarding the submission and approval of fee applications, Lincoln's professionals be excused from maintaining time records in connection with the services to be rendered by the Debtors. Lincoln will nonetheless maintain reasonably detailed summary time records, in half hour increments, which records shall indicate the total hours incurred by each professional for each day and provide a brief description of the nature of the work performed.

Indemnification

16. The Debtors have agreed to certain indemnification, contribution, and reimbursement obligations set forth in the Engagement Letter (the “Indemnification Agreement”). The Indemnification Agreement provides, among other things, that the Debtors will indemnify Lincoln and other Lincoln parties and that Lincoln and the Lincoln parties shall have no liabilities related to, arising out of, or in connection with Lincoln’s engagement except to the extent that any loss, claim, damage, fine, penalty, liability, or expense is found by a court of competent jurisdiction in a judgment that has become final in that it is no longer subject to appeal or other review to have resulted from such Lincoln Parties’ gross negligence, willful misconduct, or fraud. The terms of the Engagement Letter and Indemnification Agreement were negotiated at arm’s-length and the Debtors respectfully submit that the indemnification, contribution, and reimbursement provisions are reasonable and appropriate under the circumstances.

17. The Debtors believe that the provisions of the Indemnification Agreement, as modified by the Order, are appropriate under the circumstances and should be approved. The Debtors believe that such an indemnification obligation is customary, reasonable, and necessary to retain the services of an investment banker in these chapter 11 cases. Accordingly, the Debtors request that the Court approve the Engagement Letter, including the Indemnification Agreement, as modified by the proposed Order.

Basis for Relief

18. Section 327(a) provides that a debtor is authorized to employ professional persons “that do not hold or represent an interest adverse to the estate, and that are disinterested persons, to represent or assist the [Debtors] in carrying out the [Debtors’] duties under this title.” 11 U.S.C. § 327(a). Section 328(a) of the Bankruptcy Code provides, in relevant part, that a debtor “with the court’s approval, may employ or authorize the employment of a professional person under section

327 . . . on any reasonable terms and conditions of employment, including on a retainer, on an hourly basis, on a fixed or percentage fee basis, or on a contingent fee basis. . . . “ 11 U.S.C. § 328(a). Accordingly, section 328(a) of the Bankruptcy Code permits the compensation of investment bankers on more flexible terms that reflect the nature of their services and market conditions.

19. The Court’s approval of the Debtors’ retention of Lincoln in accordance with the terms and conditions of the Engagement Letter is warranted. *First*, the requirements of section 327 of the Bankruptcy Code are satisfied. The Debtors need Lincoln’s services to market, negotiate, and close a Transaction (as that term is defined in the Engagement Letter), and, if necessary, to provide expert advice and testimony regarding matters related to transactions contemplated by the Engagement Letter. Lincoln has extensive experience and an excellent reputation in providing high-quality investment banking services, both out of court and in chapter 11 cases. Lincoln is well qualified to provide its services to the Debtors in a cost-effective, efficient, and timely manner.

20. *Second*, the Debtors believe that the Fee Structure is market-based, fair, and reasonable under the standards set forth in section 328(a) of the Bankruptcy Code. The Fee Structure reflects Lincoln’s commitment to the variable level of time and effort necessary to perform the services to be provided, its particular expertise, and the market prices for its services for engagements of this nature both out of court and in the chapter 11 context.

21. Lincoln’s industry and restructuring experience, its capital markets knowledge, financing skills, and mergers and acquisitions capabilities, some or all of which may be required by the Debtors during the term of Lincoln’s engagement, were important factors in determining the Fee Structure. The ultimate benefit to the Debtors of Lincoln’s services could not be measured

merely by reference to the number of hours to be expended by Lincoln's professionals in the performance of such services. The Fee Structure takes into consideration Lincoln's anticipation that it will need to provide a substantial commitment of professional time and effort to perform its duties under the Engagement Letter and in light of the fact that such commitment may foreclose other opportunities for Lincoln. Further, the commitment required of Lincoln and its professionals to render services to the Debtors may vary substantially from week to week or month to month, creating "peak load" issues for the firm.

22. Because of Lincoln's expertise, commitment of resources to this engagement to the exclusion of other possible employment, and the time that Lincoln has devoted and will continue to devote to this engagement, the Debtors request that the Court approve the Fee Structure pursuant to section 328(a) of the Bankruptcy Code and that the Court evaluate Lincoln's final compensation and reimbursement of expenses in this Chapter 11 Case under the standards of section 328(a) of the Bankruptcy Code rather than under those of section 330 of the Bankruptcy Code, subject to Lincoln filing a final fee application seeking approval of the payment of its fees and expenses.

23. *Third*, the Indemnification Agreement is reasonable under the circumstances and reflect market conditions, and accordingly should be approved under section 328 of the Bankruptcy Code.

Notice

24. The Debtors will provide notice of this Motion to the following parties or their respective counsel: (a) the U.S. Trustee for the Southern District of Texas; (b) the holders of the 30 largest unsecured claims against the Debtors (on a consolidated basis); (c) counsel to the Prepetition Lender; (d) counsel to the DIP Lender; (e) the Office of the United States Attorney for the Southern District of Texas; (f) the state attorneys general for states in which the Debtors

conduct business; (g) the Internal Revenue Service; (h) the Securities and Exchange Commission; (i) the Environmental Protection Agency; (j) other governmental agencies having a regulatory or statutory interest in these cases; (k) counsel to the Committee; and (l) any party that has requested notice pursuant to Bankruptcy Rule 2002. In light of the nature of the relief requested, no other or further notice need be given.

The Debtors request that the Court enter the Order granting the relief requested herein and such other relief as the Court deems appropriate under the circumstances.

In order to better serve the Company in providing its services hereunder, Lincoln Advisors may be utilizing one or more of its affiliated entities, which may include foreign investments banks with whom its affiliated entities have a strategic relationship (collectively "Lincoln Affiliates"). Lincoln Advisors is not a registered broker-dealer and so may assign to Lincoln Affiliates all rights and obligations under this Letter Agreement concerning investment banking services when such activities require broker-dealer registration, as well as related Transaction Fees. The Company acknowledges that Lincoln Advisors and Lincoln Affiliates are not advisors as to legal, tax, accounting or regulatory matters in any jurisdiction. The Company should consult with its own advisors concerning such matters and is responsible for making its own independent investigation and appraisal of the transactions contemplated by this Letter Agreement, and Lincoln Advisors and Lincoln Affiliates have no responsibility or liability to the Company with respect such matters.

2. As used in this Letter Agreement, the term "Sale Transaction" shall mean (a) the acquisition, directly or indirectly, by a person or group (as such terms are defined in Section 13(d) of the Securities Exchange Act of 1934, as amended) in a single transaction or a series of transactions, of (i) all or a material portion of the assets, operations or business of the Company or (ii) twenty-five percent (25%) or more of the equity of the Company; or (b) any merger, consolidation, reorganization, recapitalization, equity issuance, business combination, joint venture, lease, or other transaction including any transaction pursuant to which either (i) the Company or any material portion of its assets, operations or business are transferred to, acquired by, or combined with, another party or (ii) the owners of the Company receive distributions or proceeds. "Sale Transaction" does not include any going-out-of-business, store closing or liquidation sales, other than where a material portion of inventory is to be liquidated in connection with a Transaction subject to this Letter Agreement. For the avoidance of doubt, inventory sales made pursuant to the Company's inventory management plan shall not constitute a Sale Transaction.. As used in this Letter Agreement, the term "Financing Transaction" shall mean the issuance, sale or placement of any equity, equity-linked or debt securities, instruments or obligations of or with respect to the Company with one or more lenders and/or investors. As used in this Letter Agreement, the term "Restructuring Transaction" shall mean any restructuring, reorganization, rescheduling, recapitalization, reduction, exchange, conversion, cancellation, elimination, retirement, refinancing, purchase, repurchase and/or material modification to related terms, conditions or covenants, whether by amendment or otherwise, of all or a material portion of the Company's debt securities and/or other indebtedness, obligations or liabilities (including, without limitation, unfunded pension and retiree medical liabilities, lease obligations, trade credit facilities, contract or tort obligations, joint venture interests and/or partnership interests), preferred stock, common stock, hybrid and/or other securities (collectively, the "Obligations"), however such result is achieved, including, without limitation, through a solicitation of votes, approvals, or consents giving effect thereto (including with respect to any plan of reorganization or plan of liquidation pursuant to the Bankruptcy Code (as defined below)), an offer by any party to convert, exchange, or acquire any of the Obligations, and/or any similar balance sheet restructuring involving the Company. A Sale Transaction, Financing Transaction and Restructuring Transaction are each referred to herein as a "Transaction."

3. In order that the Company and Lincoln Advisors best coordinate their efforts to effect a Transaction during the period of Lincoln Advisors' engagement, the Company and Lincoln Advisors agree that: (a) Lincoln Advisors will be the sole and exclusive investment banker to the Company in a Transaction; (b) the Company shall furnish to Lincoln Advisors the names of all parties with which it has had discussions or contact prior to or after the date hereof relating to a potential Transaction; in the event the Company continues or initiates any discussions relating to the possible sale, financing or restructuring of the Company other than through Lincoln Advisors, the Company agrees to coordinate these discussions with Lincoln Advisors; and (c) in the event the Company receives an unsolicited inquiry concerning matters covered by this Letter Agreement, the Company will refer any such inquiry to Lincoln Advisors.

Information

4. In connection with Lincoln Advisors' activities on the Company's behalf, the Company will furnish Lincoln Advisors with information and data concerning the Company (the "Information"). All Information: (a) made available to Lincoln Advisors by the Company; or (b) contained in any Information Memorandum or Supplemental Information will, at all times during the period of engagement of Lincoln Advisors hereunder, be complete and correct in all material respects (in the Company's good faith efforts) and will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein not misleading in the light of the circumstances under which such statements are made. Further, any projections provided by the Company to Lincoln Advisors, including those contained in the Information Memorandum or Supplemental Information, will be prepared in good faith and will be based upon assumptions which, in the light of the circumstances under which they are made, are reasonable. The Company will promptly notify Lincoln Advisors of any material inaccuracy or misstatement in, or omission from, any Information previously delivered to Lincoln Advisors. The Company acknowledges and agrees that Lincoln Advisors will be using and relying on the Information (and information available from public sources and other sources deemed reliable by Lincoln Advisors) without assuming any responsibility for independent verification thereof or independent appraisal of any of the Company's assets. Lincoln Advisors is not responsible for and does not assume responsibility for the accuracy or completeness of the Information or any other information regarding the Company. Lincoln Advisors will not use confidential information obtained from the Company pursuant to this engagement in connection with the performance by Lincoln Advisors and Lincoln Affiliates of services for other companies, and Lincoln Advisors and Lincoln Affiliates will not furnish any such information to such other companies. The Company also acknowledges that Lincoln Advisors and Lincoln Affiliates have no obligation to disclose any information acquired in connection with various investment banking and financial advisory relationships with, or services for, other clients and customers, to the Company or to use such information in connection with any transaction contemplated by this Letter Agreement.

5. In evaluating potential parties to a Transaction, Lincoln Advisors will be using publicly available information; information contained in public reports provided by third party vendors; and information furnished to Lincoln Advisors by such potential parties to a Transaction. Lincoln Advisors is not responsible for and does not assume responsibility for the accuracy or completeness of any information regarding any potential parties to a Transaction.

6. The Company will provide Lincoln Advisors with access to the Company's officers, directors, employees, independent accountants and legal counsel and other third parties having a relationship with the Company to the extent Lincoln Advisors shall deem reasonably necessary in connection with the performance of its services hereunder.

Compensation and Reimbursement of Expenses

7. In consideration of Lincoln Advisors' services pursuant to this Letter Agreement, the Company shall pay to Lincoln Advisors the following compensation (each, a "Transaction Fee"):

- (a) An initial non-refundable cash advisory fee ("Initial Advisory Fee") of \$125,000 payable in cash upon the execution of this Letter Agreement.
- (b) A monthly non-refundable cash advisory fee ("Monthly Advisory Fee") of \$125,000 payable in cash on the first day of each month of the term hereof. 100% of the Monthly Advisory Fees that have been paid shall be fully credited against the Sale Transaction Fee or Restructuring Fee after the fourth anniversary of the Monthly Advisory Fee.

- (c) In connection with a Sale Transaction, a transaction fee (a "Sale Transaction Fee") equal to the Minimum Fee, plus an incentive fee equal to 2.00% of the Enterprise Value (defined below) in excess of \$187,500,000 but less than \$250,000,000, plus an incentive fee equal to 3.00% of the Enterprise Value equal to or in excess of \$250,000,000 but less than \$300,000,000, plus an incentive fee equal to 4.00% of the Enterprise Value equal to or in excess of \$300,000,000, if a Sale Transaction is consummated during the term hereof or the period specified in paragraph 9. The "Minimum Fee" shall be (1) \$800,000 in the event a credit bid by Icahn Enterprises Holdings LP is the successful bid for substantially all (or all) assets and it consummates such Sale Transaction, and (2) \$2.0 million in all other instances.
- (d) In connection with a Financing Transaction, a transaction fee (a "Financing Transaction Fee") equal to (i) 2.50%% of the committed amount of any bridge, debtor-in-possession ("DIP"), or other financing if provided by parties other than Icahn Enterprises L.P. or related affiliates (the "Existing Lenders"); or (ii) \$250,000 if provided by the Existing Lenders, if a Financing Transaction is consummated during the term hereof or the period specified in paragraph 9.
- (e) In connection with a Restructuring Transaction, a cash transaction fee (a "Restructuring Transaction Fee") equal to \$2,000,000 if a Restructuring Transaction is consummated during the term hereof or the period specified in paragraph 9. Only one Sale Transaction Fee or Restructuring Transaction Fee shall be earned upon consummation of a Transaction, and only one of either a Sale Transaction Fee or a Restructuring Transaction Fee shall be payable under this Letter Agreement.
- (f) A Sale Transaction Fee, Financing Transaction Fee and Restructuring Transaction Fee shall each be in addition to the Initial Advisory Fee and Monthly Advisory Fee (subject to any applicable credit of the Monthly Advisory Fee as set forth above), and shall be earned, due and payable in cash at the time of the applicable closing.
- (g) All payments made pursuant to this paragraph 7, expense reimbursements paid pursuant to paragraph 11 below, and indemnity payments made pursuant to Exhibit I shall be entitled to priority as an expense of administration under any Proceeding (as defined below).
- (h) To the extent that Lincoln Advisors' personnel assist in, or provide testimony in trial or depositions for any action, suit, motion, objection, or proceeding (i) relating to a Transaction or (ii) Lincoln Advisors' engagement, in each instance following the consummation of a Transaction or termination of Lincoln Advisors' engagement, the Company shall pay Lincoln Advisors pursuant to its standard hourly bill rates, together with a reimbursement of all out-of-pocket expenses and disbursements, including reasonable attorneys' fees and disbursements, for the services of such persons.
- (i) It is agreed that separate Transactions or a series of Transactions may occur which could result in separate Transaction Fees being earned hereunder. Furthermore, if a Transaction could be characterized as a Sale Transaction, Financing Transaction, and/or Restructuring Transaction, Lincoln Advisors shall be entitled to the highest Transaction Fee with respect thereto.
- (j) A reasonable fee, if during the period specified in paragraph 9 for a Transaction, a person or group acquires assets or business of the Company, equity capital of the Company,

provides financing, enters into a restructuring or a similar event occurs that does not otherwise constitute a Transaction but which provides similar benefits to the Company or its Equity Owners (as defined below) or creditors. In the event the Company disputes the amount or applicability of the fee, it shall be determined by a third-party neutral selected by the parties.

- (k) The Company acknowledges and agrees that the fees payable to Lincoln Advisors pursuant to this Letter Agreement are reasonable. The Company and Lincoln Advisors acknowledge and agree that the hours worked, the results achieved and the ultimate benefit to the Company of the work performed, in each case, in connection with this engagement, may be variable, and that the Company and Lincoln Advisors have taken this into account in setting the fees under this Letter Agreement.

8. For the foregoing purposes the "Enterprise Value" shall mean the enterprise value of the Company based on the aggregate consideration directly or indirectly paid or payable to the Company and all shareholders, partners and members, as well as holders of options, warrants, convertible securities, phantom equity and similar rights (collectively, "Equity Owners") or creditors in connection with or as a result of the Transaction (including retained assets and equity) determined as follows:

- (a) In the case of a Transaction involving the acquisition of equity securities, the Enterprise Value shall include the total consideration paid or payable to Equity Owners or creditors (or the Company in the case of a new issuance), plus (i) the amount of all indebtedness for borrowed money (including capitalized leases and repayment obligations under letters of credit) of the Company outstanding immediately prior to the Transaction, plus (ii) the amount of any liabilities under deferred compensation plans in existence immediately prior to the Transaction (collectively, "Indebtedness"). If less than all of the Company's fully diluted outstanding equity securities are acquired pursuant to the Transaction, then the Enterprise Value shall be calculated as if 100% of the Company's outstanding equity securities were acquired for the same per share consideration as those equity securities actually acquired.
- (b) In the case of a Transaction involving the acquisition of substantially all, but not all assets of the Company, the Enterprise Value shall include the total consideration paid or payable for the assets acquired (including the amount credit bid for such assets, if applicable) plus (x) the amount of all assumed Indebtedness, plus (y) the good faith estimated amount of distributable value of any current assets retained by the Company, plus (z) the amount of all liabilities assumed by a purchaser of such assets.
- (c) In any Transaction, the Enterprise Value will include consideration to the Company and its Equity Owners, and its creditors under covenants not to compete and management or consulting arrangements (excluding reasonable wages payable under bona fide agreements for actual services).
- (d) In any Transaction, the Enterprise Value will include the aggregate amount of (i) any dividends or distributions declared after the date hereof (other than normal recurring cash dividends in amounts consistent with past practice), and (ii) consideration or payments by the Company to repurchase any outstanding equity securities after the date hereof.
- (e) In any Transaction, the Enterprise Value will include amounts payable pursuant to any earnout, royalty or similar arrangement. To the extent payment of any consideration is

contingent, the fair market value of the contingent portion of the consideration shall be determined in good faith by Lincoln Advisors and the Company and included in the Enterprise Value. Amounts payable (at any time, now or in the future) pursuant to notes or an escrow arrangement will not be deemed contingent for purposes of calculating the Enterprise Value. Notwithstanding anything contained herein to the contrary, for purposes of determining the Success Fee, the Enterprise Value shall not be affected, whether negatively or positively, by the amount of any working capital or similar adjustment paid to or by the Company or its Equity Owners in connection with the Transaction.

- (f) The Enterprise Value will be deemed to include all forms of consideration, including without limitation, cash and cash equivalents, notes and other evidence of indebtedness, securities and other property. Consideration other than cash and cash equivalents will be valued as follows:
 - (i) notes and other evidence of indebtedness will be valued at face value;
 - (ii) common stock and securities convertible into common stock will be valued at fair market value (as determined in good faith, by agreement of the Company and Lincoln Advisors or a third-party neutral selected by them, without regard to minority or liquidity discounts);
 - (iii) preferred stock will be valued at the greater of liquidation value or redemption price (unless fair market value is otherwise determined in good faith by agreement of the Company and Lincoln Advisors); and
 - (iv) securities and property not referenced above will be valued at fair market value (as determined in good faith, by agreement of the Company and Lincoln Advisors or a third-party neutral selected by them).
- (g) In any Transaction, the Enterprise Value will include the present value of the lease payments to which any Equity Owner, creditors or their respective affiliates will be entitled in respect of any real or personal property of the Equity Owner, creditors or their respective affiliates that is leased to the Company or its business following the Transaction.

9. Notwithstanding termination of this Letter Agreement or Lincoln Advisors' engagement hereunder, in the event the Company or its Equity Owners or its creditors (i) consummates a Transaction pursuant to a definitive agreement or letter of intent, term sheet or similar documentation entered into during the term of this Letter Agreement, or (ii) consummates a Transaction or enters into a definitive agreement or letter of intent, term sheet or similar documentation regarding a Transaction within twelve months of the termination date of this Letter Agreement (which subsequently results in a Transaction), Lincoln Advisors shall be entitled to the Transaction Fee as set forth in paragraph 7 above.

10. The Company represents and warrants to Lincoln Advisors that there are no brokers, representatives or other persons which have an interest in compensation due to Lincoln Advisors from any Transaction contemplated herein.

11. In addition to the fees described in paragraph 7 above and the rights provided pursuant to Exhibit I, the Company agrees to promptly reimburse Lincoln Advisors, upon request from time to time, for all reasonable, out-of-pocket expenses (documented to the extent expenses exceed \$75.00) incurred by Lincoln Advisors in connection with the matters contemplated by this Letter Agreement, including without

limitation, transportation, lodging, meals, communications, color copying, color printing, document services and legal counsel (including, but not limited to, engagement (including negotiation of this Letter Agreement), retention and application for fees and expenses payable) and other professional advisor fees and expenses.

Indemnification and Remedies

12. The Company hereby agrees to the provisions attached to this Letter Agreement as Exhibit I, which provisions are incorporated herein and made a part hereof. The Company hereby further agrees to use its best efforts to cause to be included in any reorganization or liquidation plan releasing and/or exculpating Lincoln Advisors. For any Transaction, subject to any applicable court order in a Proceeding, the Company shall provide in the transaction documentation that all of Lincoln Advisors' fees and expenses in respect of such Transaction shall be paid in full in cash at the time of consummation of the Transaction, and shall cause same to occur. Prior to entering into any transaction involving a transfer or other disposition of material assets that does not directly or indirectly provide for the assumption of the obligations of the Company set forth in this Letter Agreement (including Exhibit I), the Company will notify Lincoln Advisors in writing thereof (if not previously so notified), and shall arrange alternative means of providing for the timely performance and payment of all obligations of the Company set forth in this Letter Agreement (including Exhibit I) reasonably satisfactory to Lincoln Advisors, which may include the assumption of such obligations by another party, insurance, surety bonds or the creation of an escrow. The terms and provisions of this paragraph 12 and Exhibit I shall survive any termination or expiration of this Letter Agreement.

Other Terms

13. Either party hereto may terminate this Letter Agreement at any time but only upon written notice to the other party, without liability or continuing obligation except as set forth in this paragraph. The following paragraphs shall survive and remain in full force and effect following the termination of this Letter Agreement and the completion of Lincoln Advisors' engagement hereunder: 7, 8, 9, 11, 12 (including Exhibit I), 13, 14, 16, 18, 19, 20, 21, 22 and 23. This Letter Agreement shall inure to the sole and exclusive benefit of the parties hereto and their respective successors and permitted assigns and, with respect to paragraph 12 (including the provisions of Exhibit I), the Indemnified Parties (as defined on Exhibit I). This Letter Agreement constitutes the entire agreement between the parties and supersedes any and all prior or contemporaneous arrangements, understandings, written or oral, between them relating to the subject matter hereof and has been duly authorized and executed by each of the parties hereto and, once executed by the other party, constitutes the legal, valid and binding obligation of each party. This Letter Agreement may not be assigned by the Company without the prior written consent of Lincoln Advisors. This Letter Agreement may not be amended or modified, nor may any provision be waived, except in writing signed by both parties. THE COMPANY (ON ITS OWN BEHALF AND, TO THE EXTENT PERMITTED BY LAW, ON BEHALF OF ITS EQUITY OWNERS AND ITS CREDITORS) AND LINCOLN ADVISORS (ON BEHALF OF ITSELF AND ANY AFFILIATES) EACH WAIVES ANY RIGHT TO TRIAL BY JURY IN ANY ACTION, CLAIM, SUIT OR PROCEEDING WITH RESPECT TO THE ENGAGEMENT OF LINCOLN ADVISORS UNDER THIS LETTER AGREEMENT OR ITS ROLE IN CONNECTION HEREWITH.

14. Lincoln Advisors makes no representations, express or implied, that its efforts on behalf of the Company will result in a Transaction. The Company agrees that Lincoln Advisors is acting as an independent contractor to perform the services for the Company contemplated by this Letter Agreement and neither this Letter Agreement nor Lincoln Advisors' services to the Company shall create any fiduciary, trustee or agency relationship with Lincoln Advisors and the Company, its owners or any other person. The Company acknowledges in Lincoln Advisors performing its services hereunder, that Lincoln Advisors shall act solely pursuant to a contractual relationship with the Company on an arm's length basis and that any

interaction Lincoln Advisors has with the Company and/or its directors, officers, employees, representatives, or agents pursuant to this Letter Agreement is part of such contractual arms-length relationship between Lincoln Advisors and the Company. The Company further acknowledges and agrees that, in any and all discussions with Lincoln Advisors in connection with this Letter Agreement and the matters contemplated hereby, Lincoln Advisors is solely providing services to the Company and all of the employees, officers or directors of the Company engaged in such discussions are acting solely as representatives of the Company and not in their individual or personal capacity as security holders and that any view expressed or recommendation that may be deemed to be made by Lincoln Advisors is made solely to and for the benefit of the Company. Neither this Letter Agreement nor the interactions that Lincoln Advisors has with the Company and/or its representatives and agents in connection with this Letter Agreement will be deemed to (i) confer any rights (directly or indirectly as a third party beneficiary or otherwise) upon the Company's directors, officers, employees, security holders, Equity Owners, affiliates, or creditors (or any of their representatives) or any other parties as against Lincoln Advisors, a Lincoln Affiliate or any other Indemnified Party (defined in Exhibit I hereto) or (ii) form a relationship with any such other party that would require Lincoln Advisors or any Lincoln Affiliate to treat such party as a "retail customer" for the purposes of Rule 15l-1 ("Regulation Best Interest") of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or a "retail investor" for the purposes of Rule 17a-14 of the Exchange Act ("Form CRS").

15. Lincoln Advisors agrees that there will be no obligation on the part of the Company to negotiate with or accept any offer from any potential parties to a Transaction unless the terms and conditions are acceptable to the Company.

16. Any advice rendered by Lincoln Advisors pursuant to this Letter Agreement may not be disclosed to any party other than the Company, its attorneys, financial advisors or other professionals without Lincoln Advisors' prior written consent.

17. In rendering our services to you hereunder, Lincoln Advisors is not responsible for and is not assuming any responsibility for the Company's underlying business decision to pursue or not to pursue any business strategy or to effect or not to effect any Transaction. The Company agrees that Lincoln Advisors shall not have the responsibility to provide "crisis management" services for the Company.

Notwithstanding anything contained in this Letter Agreement to the contrary: (a) Lincoln Advisors makes no representations or warranties about the Company's ability to (i) successfully improve its operations, (ii) maintain sufficient liquidity to operate its business or (iii) successfully complete any Transaction and (b) Lincoln Advisors makes no representation, warranty or commitment to underwrite, place or purchase any securities or provide any form of financing to the Company.

Public Announcements

18. Lincoln Advisors may publish (including on its website), at its own expense, advertisements announcing the completion of the Transaction (including the name of the Company) and Lincoln Advisors' role therein (which may include the reproduction of the Company's logo and a hyperlink to the Company's website).

Miscellaneous

19. This Letter Agreement shall be governed exclusively by and construed in accordance with the internal substantive laws of the State of Illinois. The Company irrevocably submits to the non-exclusive jurisdiction of any State or Federal court sitting in Chicago, Illinois over any suit, action or proceeding arising

out of or relating to this Letter Agreement, provided however that in the event of a Proceeding, the Court overseeing such Proceeding shall have exclusive jurisdiction over any of the foregoing. The Company irrevocably waives, to the fullest extent permitted by law, any objection it may now or hereafter have to the laying of venue of any such suit, action or proceeding brought in any such court and any claim that any such suit, action or proceeding brought in such a court has been brought in an inconvenient forum. The Company agrees that a final judgment in any such suit, action or proceeding brought in any such court shall be conclusive and binding upon the Company and may be enforced in any other courts to whose jurisdiction the Company is or may be subject, by suit upon such judgment.

20. The Company acknowledges that this Letter Agreement is being entered into with Lincoln Advisors, an Illinois limited liability company. The Company agrees that it has contracted solely with Lincoln Advisors and shall have no recourse to any Lincoln Affiliate, but shall look solely to Lincoln Advisors, for performance of the terms and conditions hereof. Lincoln Advisors may obtain assistance from its affiliates for the provision of services hereunder but such affiliates shall have no liability to the Company, the Equity Owners, creditors or affiliates, with respect to the engagement contemplated hereby.

21. In the event that the Company becomes subject to a proceeding under Title 11 of the United States Code (the "Bankruptcy Code"), an assignment for the benefit of creditors, a state or federal receivership action, or any other court-administered or supervised insolvency proceeding (whether voluntarily or involuntarily) (each a "*Proceeding*"), the Company will take all action deemed necessary or desirable by Lincoln Advisors (i) to obtain approval by the relevant court of the engagement and compensation and reimbursement of expenses agreement described herein in accordance with the applicable Proceeding and other applicable law, including in any carveout from liens or claims in any financing or cash collateral order, and (ii) to assist Lincoln Advisors in obtaining approval from the relevant court of Lincoln Advisors' compensation and expenses as described herein (including payment of Monthly Advisory Fees prior to any court approval thereof). Without limiting the foregoing, in the event of a Proceeding commenced under Title 11, the Company shall promptly seek entry of a final order of the bankruptcy court authorizing Lincoln Advisors' engagement as the Company's investment banker under this Letter Agreement pursuant to, and subject to the standards of review set forth in, Section 328(a) of the Bankruptcy Code (and not subject to the standards of review set forth in Section 330 of the Bankruptcy Code), *nunc pro tunc* to the date of filing of the Proceeding, with such order entered as promptly as practicable after the commencement of the Proceeding. The retention application and any order authorizing Lincoln Advisors' retention must be reasonably acceptable to Lincoln Advisors. The compensation described in paragraph 7 has been agreed upon with the express expectation that it is subject to review by the relevant court pursuant to the applicable Proceeding. The Company shall supply Lincoln Advisors with a draft of such application and any proposed order authorizing Lincoln Advisors' retention sufficiently in advance of their filing to enable Lincoln Advisors and its counsel to review and comment thereon. If the retention order is not obtained (or is later terminated or set aside for any reason), Lincoln Advisors may terminate this Letter Agreement and the Company shall reimburse Lincoln Advisors for all reasonable professional fees and out of pocket expenses reasonably incurred prior to such date of termination, unless prohibited from doing so by applicable law and/or the Court.

22. The invalidity or unenforceability of any provision of this Letter Agreement shall not affect the validity or enforceability of any other provision of this Letter Agreement, which shall remain in full force and effect pursuant to the terms of this Letter Agreement. The parties shall amend this Letter Agreement to replace any provision that is invalid or unenforceable with one that provides the parties the benefit of their original bargain to the extent possible. There shall be no construction of any provision against Lincoln Advisors due to the fact that this Agreement was drafted by Lincoln Advisors, and the parties to this Letter Agreement waive any statute or rule of law to such effect. The Company has all requisite power and authority to enter into this Letter Agreement and to perform its obligations hereunder. This Letter

Agreement has been duly and validly authorized by all necessary action on the part of the Company and has been duly executed and delivered by the Company and constitutes a legal, valid and binding agreement of the Company, enforceable in accordance with its terms. This Letter Agreement may be executed in any number of counterparts, each of which will be deemed an original and all of which will constitute one and the same instrument. Such counterparts may be delivered by one party to the other by facsimile or other electronic transmission, and such counterparts shall be valid for all purposes.

23. Certain laws and regulations, including, but not limited to, Section 326 of the USA PATRIOT Act of 2001, as amended, and regulations promulgated thereunder, require Lincoln Advisors to collect certain identification elements and perform certain subsequent screening and diligence in connection with certain investment banking services. Accordingly, the Company shall deliver to Lincoln Advisors, together with all applicable supporting documentation, the information Lincoln Advisors deems reasonably necessary to complete such screening and diligence.

If the foregoing correctly sets forth our understanding, please sign the enclosed copy of this Letter Agreement in the space provided and return it to us.

Very truly yours,

**EXHIBIT I****INDEMNIFICATION AND REMEDIES**

1. **Indemnification.** In the event that Lincoln Advisors, any Lincoln Affiliate, or any of their respective officers, directors, members, employees, agents, representatives, affiliates or any person who controls any of them within the meaning of the federal securities laws (each such entity and person being referred to hereinafter as an "Indemnified Party" and, collectively, the "Indemnified Parties") becomes involved in any capacity in any actual or threatened investigation, dispute (whether or not formal proceedings are instituted and whether or not the Indemnified Person is a party), claim, action, suit or proceeding (in court, arbitration, mediation or otherwise) related to or arising out of Lincoln Advisors' engagement contemplated by the Letter Agreement (including, but not limited to, any objections to Lincoln Advisors' fees in any Proceeding), then the Company will reimburse each Indemnified Party for all legal and other expenses relating thereto as the expenses are incurred. In addition, the Company agrees to indemnify and hold harmless each Indemnified Party from and against any and all losses, claims, damages, expenses and liabilities (collectively, "Losses") related to or arising out of (i) Lincoln Advisors' engagement contemplated by the Letter Agreement, except to the extent a court of competent jurisdiction shall have determined by a final judgment (without possibility of appeal) that such Losses were primarily caused by the gross negligence, fraud, bad faith, or willful misconduct of such Indemnified Party, and (ii) any untrue statement or alleged untrue statement of a material fact contained in the Information Memorandum or the Supplemental Information or the omission or alleged omission to state therein (or correct) a material fact necessary in order to make the statements therein not misleading in light of the circumstances under which they were made. The Company's indemnification obligations are in addition to any liability that the Company might otherwise have to any Indemnified Party.

2. **Contribution.** If any indemnification or reimbursement sought by an Indemnified Party pursuant to the Letter Agreement is unavailable or insufficient to hold an Indemnified Party harmless, then (whether or not Lincoln Advisors is the Indemnified Party) the Company shall contribute to the Losses for which such indemnification or reimbursement is unavailable or insufficient in proportion to the relative economic interests of the Company on the one hand, and Lincoln Advisors on the other hand, in connection with the relevant matter. If the foregoing allocation according to relative economic interests is not permitted by applicable law, then the Company shall contribute in a proportion that reflects not only the relative economic interests referred to above, but also the relative fault of the Company, on the one hand, and Lincoln Advisors, on the other hand, as well as any other relevant equitable considerations. The Company and Lincoln Advisors agree that for the purposes of this paragraph, the relative economic interests of the Company and Lincoln Advisors in connection with the transaction shall be deemed to be in the same proportion that the total value of the Transaction or contemplated transaction by the Company bears to the fees actually paid to Lincoln Advisors under the Letter Agreement.

3. **Limitations.** In no event shall any Indemnified Party be liable to the Company in connection with any matter relating to the engagement of Lincoln Advisors pursuant to the Letter Agreement, except to the extent that a court having competent jurisdiction shall have determined by final judgment (without possibility of appeal) that such liability was primarily caused by the gross negligence, fraud, bad faith or willful misconduct of such Indemnified Party. In no event shall any Indemnified Party be deemed grossly negligent to the extent such party is acting in accordance with or in reliance on the direction or authority of the Company. In no event shall any Indemnified Party be liable to the Company for lost profits, consequential damages, special damages, incidental damages, punitive damages or similar items other than actual damages, in connection with any matter relating to the engagement of Lincoln Advisors pursuant to the Letter Agreement.

Notwithstanding anything to the contrary, in no event shall the aggregate liability of all Indemnified Parties in connection with any matter relating to the engagement of Lincoln Advisors pursuant to the Letter Agreement, exceed the amount of the fees (exclusive of expense reimbursement) actually paid to Lincoln Advisors pursuant to the Letter Agreement in respect of the relevant Transaction.

The Company shall not settle, compromise or consent to the entry of any judgment in or otherwise seek to terminate any pending or threatened action, suit, dispute, inquiry, investigation or proceeding arising out of or related to Lincoln International's engagement pursuant to the Letter Agreement, or any matter referred to in, the Letter Agreement (whether or not an Indemnified Party is an actual or potential party thereto), or participate in or otherwise facilitate any such settlement, compromise, consent or termination by or on behalf of any person or entity, unless such settlement, compromise, consent or termination contains a release of the Indemnified Parties reasonably satisfactory in form and substance to Lincoln International.

4. **General.** The provisions of this Exhibit I shall remain in full force and effect whether or not any of the transactions contemplated by this Letter Agreement are consummated and shall survive the expiration or termination of the period of Lincoln Advisors' engagement. All capitalized terms defined in the Letter Agreement but not defined in this Exhibit I have the meanings set forth in the Letter Agreement.

**DECLARATION OF BRENDAN J. MURPHY
IN SUPPORT OF THE DEBTORS' APPLICATION FOR
ENTRY OF AN ORDER (A) AUTHORIZING THE RETENTION AND
EMPLOYMENT OF LINCOLN INTERNATIONAL LLC AS INVESTMENT
BANKER TO THE DEBTORS AND (B) GRANTING RELATED RELIEF**

I, Brendan J. Murphy, hereby declare under penalty of perjury that, to the best of my knowledge and belief, and after reasonable inquiry, the following is true and correct:

1. I am a Managing Director in the Capital Advisory Group at Lincoln Partners Advisors LLC ("Lincoln"), which has its principal office at 110 North Wacker Drive, 51st Floor, Chicago, Illinois 60606. I am authorized to execute declaration (this "Declaration") on behalf of Lincoln. Unless otherwise stated in this Declaration, I have personal knowledge of the facts set forth herein, whether through direct knowledge or based upon information provided to me by employees of Lincoln.

¹ The Debtor entities in these chapter 11 cases, along with the last four digits of each Debtor entity's federal tax identification number, are: IEH Auto Parts Holding LLC (6529); AP Acquisition Company Clark LLC (4531); AP Acquisition Company Gordon LLC (5666); AP Acquisition Company Massachusetts LLC (7581); AP Acquisition Company Missouri LLC (7840); AP Acquisition Company New York LLC (7361); AP Acquisition Company North Carolina LLC (N/A); AP Acquisition Company Washington LLC (2773); Auto Plus Auto Sales LLC (6921); IEH AIM LLC (2233); IEH Auto Parts LLC (2066); IEH Auto Parts Puerto Rico, Inc. (4539); and IEH BA LLC (1428). The Debtors' service address is: 112 Townpark Drive NW, Suite 300, Kennesaw, GA 30144.

2. I submit this Declaration on behalf of Lincoln in support of the Application² filed by the Debtors in these chapter 11 cases for entry of an order authorizing the Debtors to retain and employ Lincoln as their investment banker pursuant to the terms and conditions of the Engagement Letter, a copy of which is attached to the Application as Exhibit A.

3. Unless otherwise indicated, all facts set forth in this Declaration are based on my personal knowledge, my discussions with the Debtors' senior management, other members of the Lincoln team, or other interested parties, my review of relevant documents, or my opinion based upon my experience, knowledge, and information concerning the Debtors' operations and financial affairs. If I were called to testify, I would testify competently to the facts set forth herein.

4. Lincoln is an internationally recognized investment banking firm with approximately 900 professionals in more than 21 offices around the world. Lincoln has an excellent reputation and extensive relevant experience providing investment banking and related services in other complex chapter 11 cases. Lincoln has assisted and advised numerous debtors, committees, creditors, and other constituencies with respect to the chapter 11 process, has knowledge of potential strategic and financial buyers in the Debtors' industry and is experienced in analyzing and testifying regarding corporate restructuring issues, including postpetition financing and section 363 asset sales. In 2022 alone, Lincoln closed over 360 transactions and completed over 15,000 company valuations. Lincoln and its senior professionals have extensive experience in providing investment banking services to various parties in complex situations, including both in- and out-of-court.

² Capitalized terms used and not otherwise defined herein shall have the meanings ascribed to them in the Application.

5. In addition to numerous out-of-court restructuring situations, Lincoln and its professionals have been actively involved in major chapter 11 cases. *See, e.g., In re Fast Radius, Inc.*, Case No. 22-11051 (JKS) (Bankr. D. Del. Dec. 12, 2022), ECF No. 198 (order authorizing employment of Lincoln as investment banker to the debtors); *In re Benevis Corp.*, Case No. 20-33918 (Bankr. S.D. Tex. Oct. 6, 2020), ECF No. 348 (order authorizing employment of Lincoln as investment banker to the debtors); *In re Pyxus International, Inc.*, Case No. 20-11570 (Bankr. D. Del. Aug. 30, 2020), ECF No. 373 (order authorizing employment of Lincoln as financial advisor to the official committee of equity security holders); *In re Valeritas Holdings, Inc.*, Case No. 20-10290 (Bankr. D. Del. March 12, 2020), ECF No. 176 (order authorizing employment of Lincoln as investment banker to the debtors); *In re Dura Automotive Sys., LLC*, Case No. 19-12378 (KBO) (Bankr. D. Del. Dec. 19, 2019), ECF No. 453 (order authorizing employment of Lincoln as financial advisor and investment banker to the official committee of unsecured creditors).

6. In connection with its proposed retention by the Debtors in these chapter 11 cases, Lincoln obtained from the Debtors and/or their representatives the names of individuals and entities that may be parties in interest (individually a “Potential Party in Interest” and collectively, the “Potential Parties in Interest”) in these chapter 11 cases. A list of the Potential Parties in Interest is attached to this Declaration as **Schedule 1**. Lincoln searched the name of each Potential Party in Interest in Lincoln’s customer relationship management software platform (the “Lincoln CRM”) to determine the names of each Potential Party in Interest that has entered into engagement agreement with Lincoln in the past three years. The Lincoln CRM covers its affiliates, subsidiaries, and/or parent entities, as well as all parties that participate in their transaction processes, even if not a client or adverse party, as well as any business development activities. Additionally, where a search of the Lincoln CRM *did not* produce a name identical to the name of a Potential Party in

Interest or associated with a Potential Party in Interest by virtue of name similarity, Lincoln also identified and disclosed relationships with such Potential Party in Interest.

7. In several instances, the names on the Debtors' list of Potential Parties in Interest were very common and/or generic. As such, it was not possible to identify with certainty whether Lincoln has any client relationship to disclose for those specific names.

8. To the extent that this inquiry is revealed that any of the Potential Parties in Interest (or their apparent affiliates or entities that Lincoln believes to be affiliates, as the case may be) entered into any such engagement agreements with Lincoln within the last three years, such parties are listed on **Schedule 2** attached hereto. None of the parties listed on **Schedule 2** are more than 1% of Lincoln's revenue.

9. To the best of my knowledge and belief, Lincoln's representation of each entity listed on **Schedule 2** (or their apparent affiliates or entities that Lincoln believes to be affiliates, as the case may be) was or is only involved in matters that are unrelated to the Debtors and these chapter 11 cases. Other than as listed on **Schedule 2**, I am unaware of any engagements of Lincoln by the Potential Parties in Interest within the last three years.

10. Given the size of Lincoln and the breadth of Lincoln's client base, however, it is possible that Lincoln may now or in the future be retained by one or more of the Potential Parties in Interest in unrelated matters without my knowledge. To the extent the Debtors discover and disclose additional Potential Parties in Interest during the court of these chapter 11 cases, Lincoln will use reasonable efforts to identify whether a material relationship exists with any such parties. To the extent that Lincoln discovers or enters into any new, material relationship with Potential Parties in Interest, it will supplement this Declaration.

11. In addition to the parties listed on **Schedule 2**, Lincoln may also represent, or may have represented, affiliates, equity holders or sponsors of Potential Parties in Interest and Lincoln may have worked with, continue to work with, have or had mutual clients with, been represented by and/or advised certain accounting and law firms that are Potential Parties in Interest (and, in the case of law firms, may have entered into engagement agreements in which the law firm was named as client although the work was performed for a mutual client of Lincoln's and the applicable law firm). Lincoln may also represent, or may have represented in the past, committees or groups of lenders or creditors in connection with certain restructuring or refinancing engagements, which committees or groups include, or included, entities that are Potential Parties in Interest. Certain of the Potential Parties in Interest may also be vendors and/or have other non-investment banking relationships with Lincoln.

12. Although Lincoln has researched the Potential Parties in Interest list, the Debtors may have customers, creditors, competitors, and other parties with whom they maintain business relationships that are not included as Potential Parties in Interest and with whom Lincoln may maintain business relationships. In addition, as of the date hereof, Lincoln and its affiliates have approximately 900 employees worldwide. It is possible that certain of Lincoln's and its affiliates' respective directors, officers, and employees may have had in the past, may currently have, or may in the future have connections to (a) the Debtors, (b) Potential Parties in Interest, or (c) funds or other investment vehicles that may own debt or securities of the Debtors or Potential Parties in Interest. For the avoidance of doubt, no employees of Lincoln working on this engagement hold any debt or equity in the Debtors. Further, in the abundance of caution, Icahn Enterprises L.P. ("IEP") was placed on Lincoln's restricted (trading) list and no employees are permitted to buy or sell such security.

13. Other than as disclosed herein, Lincoln has no relationship with the Debtors of which I am aware after due inquiry. Based on the foregoing, I believe Lincoln is disinterested as defined in section 101(14) of the Bankruptcy Code and does not hold or represent an interest materially adverse to the Debtors or their estates.

14. As of the date hereof, Lincoln received an Initial Advisory Fee of \$125,000 and \$1,132.13 in expense reimbursements. In addition, Lincoln received \$375,000 as a retainer to be applied against its go-forward Monthly Advisory Fees.

15. The Fee Structure, including the indemnification obligations, set forth in the Application and Engagement Letter was negotiated at arms' length, and is consistent with Lincoln's typical compensation for work of this nature. The indemnification terms sought here have been standard for Lincoln engagements for years, and I believe them to be comparable to those generally obtained by investment banking firms of similar stature to Lincoln for comparable engagements, both in and out of court. I am not aware of any restructuring engagements, whether in or out of court, where Lincoln has been engaged with indemnification provisions that are not consistent in all material respects with those requested here.

16. It is not the general practice of investment banking firms to keep detailed time records similar to those customarily kept by attorneys. Lincoln's restructuring professionals, when formally retained in chapter 11 cases, and when required by local rules, do, and in these chapter 11 cases, will, keep time records in half-hour increments, describing their daily activities and the identity of persons who performed such tasks.

17. Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct, to the best of my information, knowledge and belief.

Subject to Paragraph 5 of this Order, all compensation and reimbursement of expenses payable under the Engagement Letter shall be subject to review only pursuant to the standards set forth in section 328(a) of the Bankruptcy Code and shall not be subject to any other standard of review including, but not limited to, that set forth in section 330 of the Bankruptcy Code.

3. Lincoln shall file interim and final fee applications for the allowance of compensation for services rendered and reimbursement of expenses incurred in accordance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Bankruptcy Local Rules, and any applicable orders of this Court. Lincoln is hereby authorized to keep reasonably detailed time records in half-hour increments, and shall not be required to conform to any schedules of hourly rates, and will submit, with any interim or final fee application, together with the time records, a narrative summary of services rendered and will identify each professional rendering services and the total amount of compensation requested by Lincoln.

4. Lincoln will review its files periodically during the pendency of these chapter 11 cases to ensure that no conflicts or other disqualifying circumstances exist or arise. If any new relevant facts or relationships are discovered or arise, Lincoln will promptly file a supplemental declaration, as required by Bankruptcy Rule 2014(a).

5. Lincoln shall be compensated in accordance with the terms of the Engagement Letter. Notwithstanding anything to the contrary herein, the fees and expenses payable to Lincoln pursuant to the Engagement Letter shall be subject to review only pursuant to the standards set forth in section 328(a) of the Bankruptcy Code and shall not be subject to the standard of review set forth in section 330 of the Bankruptcy Code, except by the U.S. Trustee. This Order and the record relating to the Court's consideration of the Application shall not prejudice or otherwise affect the rights of the U.S. Trustee to challenge the reasonableness of Lincoln's compensation and expense reimbursements under sections 330 and 331 of the Bankruptcy Code.

6. Notwithstanding anything to the contrary in the Application or any of its attachments, no amounts shall be paid to Lincoln absent an order of this Court approving a fee application filed on notice to parties in interest in these chapter 11 cases under the procedures set forth in any order establishing procedures for compensation and reimbursement of expenses of professionals, except that the Debtors are authorized to pay the Monthly Advisory Fee to Lincoln each month when required under the Engagement Agreement without a prior fee statement or application, provided that Lincoln shall file interim fee applications with time entries and requests for reimbursement that comply with Bankruptcy Local Rule 2016-1, except as otherwise expressly set forth in this Order, pursuant to the deadlines and other procedures set forth in any order establishing procedures for compensation and reimbursement of expenses of professionals.

7. In the event that, during the pendency of these cases, Lincoln seeks reimbursement for any attorneys' fees and/or expenses, the invoices and supporting time records from such attorneys, appropriately redacted to preserve applicable privileges, shall be included in Lincoln's fee applications and such invoices and time records shall be in compliance with the Bankruptcy Local Rules and approval of the Court under the standards of sections 330 and 331 of the Bankruptcy Code, without regard to whether such attorney has been retained under section 327 of the Bankruptcy Code and without regard to whether such attorneys' services satisfy section 330(a)(3)(C) of the Bankruptcy Code; *provided, however*, that Lincoln shall not seek reimbursement from the Debtors' estates for any fees incurred in defending any of Lincoln's fee applications in these chapter 11 cases. Notwithstanding the foregoing, Lincoln shall only be reimbursed for any legal fees incurred in connection with these cases to the extent permitted under applicable law and the decisions of the Court.

8. The indemnification, contribution, and reimbursement provisions set forth in the Indemnification Agreement are approved, subject, during the pendency of these chapter 11 case, to the following:

- a. subject to the provisions of subparagraphs (b) and (d) below, the Debtors are authorized to indemnify, and to provide contribution and reimbursement to, and shall indemnify, and provide contribution and reimbursement to, any Lincoln Party (as defined in the Indemnification Agreement) in accordance with the Indemnification Agreement for any claim arising from, related to, or in connection with the services provided for in the Engagement Letter;
- b. notwithstanding subparagraph (a) above or any provisions of the Indemnification Agreement to the contrary, the Debtors shall have no obligation to indemnify Lincoln or provide contribution or reimbursement to Lincoln (i) for any claim or expense that is judicially determined (the determination having become final and no longer subject to appeal) to have arisen from Lincoln's self-dealing, breach of fiduciary duty (if any), gross negligence, willful misconduct, or bad faith; (ii) for a contractual dispute in which the

Debtors allege the breach of Lincoln's contractual obligations if this Court determines that indemnification, contribution, or reimbursement would not be permissible pursuant to *In re United Artists Theatre Co.*, 315 F.3d 217 (3d Cir. 2003); or (iii) for any claim or expense that is settled prior to a judicial determination as to the exclusions set forth in clauses (i) and (ii) above, but determined by this Court, after notice and a hearing pursuant to subparagraph (c) hereof to be a claim or expense for which Lincoln should not receive indemnity, contribution, or reimbursement under the terms of the Indemnification Agreement, as modified by this Order;

- c. if, during the pendency of the Debtors' cases, the indemnification is held unenforceable by reason of the exclusions set forth in subparagraph (b) above (*i.e.*, self-dealing, breach of fiduciary duty (if any), gross negligence, willful misconduct, or bad faith) and Lincoln makes a claim for the payment of any amounts by the Debtors on account of the Debtors' contribution obligations, then the proviso beginning with the word "provided" in the first sentence of the second paragraph of the Indemnification Agreement shall not apply;
- d. if, before the earlier of (i) the entry of an order confirming a chapter 11 plan in these chapter 11 cases (that order having become a final order no longer subject to appeal) and (ii) the entry of an order closing these chapter 11 cases, Lincoln believes that it is entitled to the payment of any amounts by the Debtors on account of the Debtors' indemnification, contribution, and/or reimbursement obligations under the Indemnification Agreement (as modified by this Order), including without limitation, the advancement of defense costs, Lincoln must file an application therefor in this Court, and the Debtors may not pay any such amounts to Lincoln before the entry of an order by this Court approving the payment. This subparagraph (d) is intended only to specify the period of time during which this Court shall have jurisdiction over any request by Lincoln for indemnification, contribution, and/or reimbursement, and not a provision limiting the duration of the Debtors' obligation to indemnify, or make contributions or reimbursements to, Lincoln.

9. To the extent the Debtors wish to expand the scope of Lincoln's services beyond those services set forth in or contemplated by the Engagement Letter or this Order (and as to which additional compensation would otherwise be payable), the Debtors shall be required to seek further approval from this Court. The Debtors shall file notice of any proposed additional services and

any underlying engagement agreement with the Court and serve such notice on the U.S. Trustee, counsel for the Committee, and any party requesting notice under Bankruptcy Rule 2002. If no such party files an objection within fourteen days of the Debtors filing such notice, such additional services and any underlying engagement agreement may be approved by the Court by further order without further notice or hearing.

10. Lincoln is authorized to apply any prepetition advance or retainer to satisfy any unbilled or other remaining prepetition fees and expenses Lincoln becomes aware of during its ordinary course billing review and reconciliation. Any remaining retainer held by Lincoln shall be held by Lincoln as security throughout these chapter 11 cases until Lincoln's fees and expenses are fully paid. Lincoln shall note or otherwise indicate any such application of prepetition advances or retainers on any fee applications filed with the Court.

11. Notwithstanding anything in the Application, the Murphy Declaration, or the Engagement Letter to the contrary: (a) Lincoln shall, to the extent that Lincoln uses the services of independent contractors, subcontractors, or employees of foreign affiliates or subsidiaries (collectively, the "Contractors") in these cases, (i) pass through the cost of such Contractors to the Debtors at the same rate that Lincoln pays the Contractors and (ii) seek reimbursement for actual costs only; and (b) the Debtors shall ensure that the Contractors are subject to the same conflict checks as required for Lincoln, including filing such disclosures required by Bankruptcy Rule 2014 with the Court.

12. Lincoln shall make reasonable efforts to avoid any duplication of services provided by any of the Debtors' other retained professionals in these chapter 11 cases.

13. To the extent there is any inconsistency between the terms of the Engagement Letter, the Application, the Murphy Declaration, and this Order, the terms of this Order shall govern.

14. Notice of the Application is deemed good and sufficient notice of such Application and the requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.

15. The terms and conditions of this Order are immediately effective and enforceable upon its entry.

16. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Order in accordance with the Application.

17. Notwithstanding any term in the Engagement Letter to the contrary, this Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Order.
