JURISDICTION AND VENUE

2. The United States Bankruptcy Court for the Southern District of Texas (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). The Debtors confirm their consent to the entry of a final order by the Court.

3. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

4. The bases for the relief requested herein are sections 327(a) and 328(a) of title 11 of the United States Code (the “Bankruptcy Code”), rules 2014(a) and 2016 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and rules 2014-1 and 2016-1 of the Bankruptcy Local Rules for the Southern District of Texas (the “Bankruptcy Local Rules”).

QUALIFICATIONS

5. BRRE is a leading provider of real estate services, headquartered in Chicago, Illinois and, together with its affiliates, has more than 30 professionals in the real estate space. BRRE is one of the leading real estate advisors to debtors, unsecured and secured creditors,

³ Any references to, or summaries of, the Engagement Letter in this Application are qualified by the express terms of the Engagement Letter, which shall govern if there is any conflict between the Engagement Letter and the summaries provided herein.

acquirers, and other parties-in-interest involved with financially troubled companies both in and outside of bankruptcy. BRRE has considerable expertise on issues relating to real property transactions involving financially distressed companies and extensive expertise acting as a real estate services provider for in-court and out-of-court asset sales and restructurings of companies of all sizes across a wide array of industries.

6. On a combined basis, BRRE's four principals have sold over \$5 billion in assets and more than 15 million square feet of real estate across multi-family, retail, office, industrial, distribution centers, and land. The two principals that will oversee this project, Michael Jerbich and Al Lieberman, have sold over 50,000 units of multi-family housing and have a combined 45+ years of bankruptcy experience and have been engaged as real estate advisors for dozens of debtors including, Sears, J.C. Penney's and Remington Outdoor, Co. Additionally, BRRE's senior principals' experience includes serving as real estate advisors to companies such as Balcor-American Express, Borders Books, Career Education Corporation, Colony Financial, Durango Georgia Paper, Interstate Brands, J.C. Penney, Lifestyle Family Fitness, Mann Theaters, NBG Home, Providence St. Joseph Health, Sears Holdings Corp., Warner Brothers Studio Stores, Wintrust Financial, and WorldCom. The Debtors believes that BRRE is well qualified to perform all services contemplated in these chapter 11 cases (these "Chapter 11 Cases").

SERVICES TO BE PROVIDED

7. The terms and conditions of the Engagement Letter govern the relationship between the Debtors and BRRE. The terms of the Engagement Letter were negotiated at arm's length among the Debtors and BRRE and reflect the parties' mutual agreement as to the substantial efforts that will be required in this engagement. Under the Engagement Letter, in consideration for the compensation contemplated thereby, BRRE has provided and agreed to provide certain services as reasonably requested by the Debtors.

8. Pursuant to the Engagement Letter, BRRE has agreed to provide the following services (the “Services”) to the Debtors:

- (i) Consult with the Debtors to discuss the Debtors’ goals, objectives, and financial parameters in relation to the Debtors’ owned and leases properties;
- (ii) Negotiate with the landlords of leases properties and other third parties on behalf of the Debtors in order assist the Debtors with respect to monetary lease modifications, non-monetary lease modifications, early termination rights, rent deferrals, sales, and landlord consents, on terms desired by the Debtors; and
- (iii) Report periodically, but in any event as often as reasonably requested by the Debtors, to the Debtors regarding the status of the services provided and details related thereto.

9. The Services are necessary to enable the Debtors to maximize the value of their estates and are in the best interests of the Debtors, their estates, and their creditors. Therefore, the Debtors, based upon the advice of their advisors, have requested BRRE’s services set forth in the Engagement Letter, subject to the Bankruptcy Court’s approval of this Application. BRRE stated their desire, willingness, and ability to act as the Debtors’ real estate consultants and advisors in connection with the Debtors’ leasehold interests and property.

COMPENSATION

10. In consideration of the services to be provided by BRRE, and as more fully described in the Engagement Letter, subject to this Court’s approval, the Debtors and BRRE have agreed that BRRE shall, in respect of its services, be compensated under the following fee structure (the “Fee Structure”):⁴

- (iv) Retainer. The Company paid BRRE a retainer in the amount of Fifty Thousand Dollars (\$50,000) upon execution of the Engagement Letter (the “Retainer”), which was earned upon BRRE’s receipt thereof in

⁴ Summaries and other descriptions of the terms in the Engagement Letter set forth herein are not intended to replace the terms of the Engagement Letter, which shall govern to the extent any inconsistency between this Application and the Engagement Letter; *provided* that the Order shall control in the event of any inconsistencies between this Application, the Engagement Letter, and the Order.

consideration of BRRE accepting the engagement. The Retainer is non-refundable and will be applied to the fees due under the Engagement Letter.

- (v) Monetary Lease Modifications. For each Monetary Lease Modification that BRRE successfully negotiates, BRRE shall earn and be paid the following fees:
 - (1) For each “Retail Store Lease” for which a Monetary Lease Modification is obtained, a fee equal to the greater of (i) four and ¼ percent (4.25%) of the Occupancy Cost Savings under the Lease and (ii) One Thousand Seven Hundred Fifty Dollars (\$1,750); and
 - (2) For each Distribution Center Lease for which a Monetary Lease Modification is obtained, a fee equal to the greater of (i) three percent (3.0%) of the Occupancy Cost Savings under the Lease and (ii) Two Thousand Five Hundred Dollars (\$2,500).
- (vi) Non-Monetary Lease Modifications. For each Non-Monetary Lease Modification in any Lease, BRRE shall earn and be paid a fee of Seven Hundred and Fifty Dollars (\$750).
- (vii) Early Termination Rights. For each Early Termination Right, BRRE shall earn and be paid a fee of One Thousand Five Hundred Dollars (\$1,500) per applicable Lease.
- (viii) Sales. For each Sale of a Lease or Sale of an Owned Property, BRRE shall earn and be paid a fee (“Sales Commission”) equal to three percent (3.0%) of the Gross Proceeds.

THE FEE STRUCTURE IS APPROPRIATE AND REASONABLE

11. The Fee Structure is the result of arms-length negotiations between and among the Debtors and BRRE in which there was substantial dialogue and compromise. The Debtors ultimately agreed to the Fee Structure because it is reasonable and appropriate in light of the market and because the Debtors require the services that BRRE will provide. The Fee Structure also reflects the scope of the extensive mandate that BRRE expects to undertake in connection with these chapter 11 cases and accounts for the potential for an unfavorable outcome resulting from factors outside of BRRE’s control.

12. BRRE’s strategic, real property, sale and lease negotiation expertise, as well as their significant industry knowledge, sale and negotiating skills, restructuring capabilities, and retail

expertise—some or all of which may be required by the Debtors during the term of the engagement hereunder—were important factors in determining the Fee Structure. Furthermore, the ultimate benefit to the Debtors of BRRE’s services hereunder cannot be measured by reference to the number of hours to be expended by professionals in the performance of such services. BRRE is well qualified and uniquely positioned to perform these services and assist the Debtors in these chapter 11 cases. The Services will assist the Debtors in achieving a successful outcome with respect to these chapter 11 cases, for the benefit of all stakeholders.

13. Based upon guidance from their advisors, the Debtors believe that the compensation structure described above and set forth in the Engagement Letter is comparable to the compensation generally charged by advisors of similar stature to BRRE for comparable engagements, both in and out of bankruptcy. The Debtors have been advised that the compensation structure is also consistent with BRRE’s normal and customary billing practices for cases of comparable size and complexity that require the level and scope of services to be provided in this case.

RETENTION UNDER SECTION 327(A) AND 328 OF THE BANKRUPTCY CODE

14. The Debtors seek (i) approval of the fee arrangement under the Engagement Letter pursuant to sections 327(a) and 328 of the Bankruptcy Code; and (ii) to retain and employ BRRE as their real estate advisors. Section 328(a) provides, in relevant part, that a debtor, “with the court’s approval, may employ or authorize the employment of a professional person under section 327 . . . on any reasonable terms and conditions of employment, including on a retainer, on an hourly basis, on a fixed or percentage fee basis, or on a contingent fee basis.”⁵

⁵ 11 U.S.C. § 328(a).

15. Numerous courts have recognized that Congress intended section 328(a) to enable a debtor to retain professionals pursuant to specific fee arrangements to be determined at the time of the court's approval of the retention, subject to review if the terms are found to be improvident in light of "developments not capable of being anticipated at the time of the fixing of such terms and conditions."⁶

16. The fee structure set forth in the Engagement Letter is reasonable under section 328(a) of the Bankruptcy Code in light of: (a) the nature and scope of services to be provided by BRRE; (b) industry practice with respect to the fee structure proposed by BRRE; (c) market rates charged for comparable services both in and out of chapter 11; and (d) BRRE's substantial experience with respect to real estate issues.

17. Additionally, the terms of the Engagement Letter were negotiated in good faith and at arm's-length between the Debtors and BRRE and reflect the Debtors' evaluation of the value and expertise of the work to be performed by BRRE.

FEE APPLICATION

18. The Debtors believe that requiring BRRE to file detailed time records and periodic fee applications in accordance with sections 330 and 331 of the Bankruptcy Code and in compliance with Bankruptcy Rule 2016 and the Fee Guidelines is unnecessary under the circumstances because BRRE's compensation is result-oriented and directly related to benefits received by the Debtors' estates as a result of consummating a transaction.

19. BRRE is being retained under sections 327(a) and 328 of the Bankruptcy Code and will be employed by the Debtors to perform specialized and discrete tasks and accordingly, will

⁶ See *Donaldson, Lufkin & Jenrette Sec. Corp. v. Nat'l Gypsum Co. (In re Nat'l Gypsum Co.)*, 123 F.3d 861, 862–63 (5th Cir. 1997); *Henry A. Leonard & Co. v. United States Trustee (In re River Foal, Inc.)*, 161 B.R. 568, 569 (Bankr. S.D.N.Y. 1993).

not be compensated based upon time and effort expended. Instead, BRRE will be compensated based on a percentage of the proceeds of transaction or based on the occurrence of the transaction itself for the Services. Requiring BRRE to record and submit detailed time entries in light of the transactional nature of the services to be rendered by BRRE herein and the flat fee, percentage-based fee structure proposed under the Engagement Letter would be unduly burdensome to BRRE. The Debtors further acknowledge and agree that the ultimate benefit to the Debtors from BRRE's services likely could not be measured merely by reference to the number of hours to be expended by BRRE's professionals in the performance of such services. The Debtors request that BRRE be relieved of the requirement to maintain detailed time records.

20. As set forth in the Jerbich Declaration, it is standard practice in BRRE's industry for professionals providing services relating to marketing properties to be compensated on a flat fee percentage basis, rather than on an incremental basis, for such services. The Debtors have been advised by BRRE that it is not their practice to keep detailed time records similar to those customarily kept by attorneys and other professionals who are compensated on an hourly basis. BRRE will file a final fee application with the Court seeking approval of their fees and expenses upon completion of their Services.

21. The Debtors believe that the application submitted in the manner set forth herein will provide the Bankruptcy Court and other parties in interest with sufficient information to monitor the amount and type of service rendered by BRRE and is necessary and in the best interests of the Debtors, their creditors, and their estates.

22. The Debtors request that the Court enter the Order approving BRRE's retention as real estate advisor to the Debtors pursuant to sections 327(a) and 328(a) of the Bankruptcy Code.

INDEMNIFICATION

23. In addition to the Fee Structure and as a material part of the consideration for BRRE's agreement to the Services to the Debtors, the Debtors have agreed to indemnify, defend and hold harmless BRRE and its affiliates, their respective directors, officers, directors, members, managers, employees, agents, independent contractors, successors and assigns (each an "Indemnified Party") and such provisions the "Indemnity Provisions"). The Indemnity Provisions were fully negotiated by the Debtors and BRRE at arm's-length and in good faith.

24. The Debtors will not be responsible for any claims, liabilities, or expenses to the extent they result from the gross negligence or willful misconduct of BRRE. The Engagement Letter was negotiated by the Debtors and BRRE at arms' length and in good faith. The Debtors believe that the Indemnification Provisions are customary and reasonable for real estate advisor engagements, are substantially similar to BRRE's standard indemnification arrangements outside of chapter 11 engagements, and, as modified by the proposed order, are appropriate and reasonable for the types of engagements covered by the Engagement Letter, both out of court and in chapter 11 cases.

DISINTERESTEDNESS

25. Section 327(a) of the Bankruptcy Code provides that a debtor "may employ one or more attorneys, accountants, appraisers, auctioneers, or other professional persons, that do not hold or represent an interest adverse to the estate, and that are disinterested persons, to represent or assist the [debtor] in carrying out the [debtor's] duties . . ."⁷

26. Section 101(14) of the Bankruptcy Code defines a "disinterested person" as a person that:

⁷ 11 U.S.C. § 327(a).

- (i) is not a creditor, an equity security holder, or an insider;
- (ii) is not and was not, within 2 years before the date of the filing of the petition, a director, officer, or employee of the debtor; and
- (iii) does not have an interest materially adverse to the interest of the estate or of any class of creditors or equity holders, by reason of any direct or indirect relationship to, connection with, or interest in the debtor, or for any other reason.⁸

27. BRRE has conducted research regarding whether BRRE or any employee thereof providing the Services to the Debtors pursuant to the Engagement Letter, has any connection with the Debtors, creditors of the Debtors' estates, or any other parties in interest (based on the list of parties in interest obtained from the Debtors) or their respective attorneys and accountants, or other advisors, the results of which will be included in the Jerbich Declaration. Based on research conducted to date, to the best of the Debtors' knowledge, based on representations from BRRE, BRRE:(a) is a "disinterested person" as that term is defined in section 101(14) of the Bankruptcy Code, as modified by section 1107(b) of the Bankruptcy Code and (b) does not hold or represent an interest adverse to the Debtors or the Debtors' estates.

28. Except as disclosed in the Jerbich Declaration, BRRE indicated that based on the results of its research conducted to date, and to the best of its knowledge, BRRE does not have any conflicts or other relationships with any of the parties in interest listed on Schedule 1 attached to the Jerbich Declaration that would potentially prejudice or adversely impact its ability to act as real estate adviser to the Debtors.

29. BRRE is not owed any amounts by the Debtors as of the Petition Date and does not hold a claim against the Debtors' estates. BRRE has indicated that if it discovers any information that is contrary to or pertinent to the statements made in the Jerbich Declaration, it will promptly disclose such information to this Bankruptcy Court, the Debtors, and the U.S. Trustee.

⁸ 11 U.S.C. § 101(14).

30. The Debtors have also been advised that BRRE has not shared or agreed to share any of their respective compensation from the Debtors with any other persons or firm, other than principals and employees of BRRE and its parent company, under its corporate structure, as permitted by section 504 of the Bankruptcy Code.

NOTICE

31. The Debtors will provide notice of this Motion to the following parties or their respective counsel: (a) the U.S. Trustee for the Southern District of Texas; (b) the holders of the 30 largest unsecured claims against the Debtors (on a consolidated basis); (c) counsel to the Prepetition Lender; (d) counsel to the DIP Lender; (e) the Office of the United States Attorney for the Southern District of Texas; (f) the state attorneys general for states in which the Debtors conduct business; (g) the Internal Revenue Service; (h) the Securities and Exchange Commission; (i) the Environmental Protection Agency; (j) other governmental agencies having a regulatory or statutory interest in these cases; (k) counsel to the Committee; and (l) any party that has requested notice pursuant to Bankruptcy Rule 2002. In light of the nature of the relief requested, no other or further notice need be given.

The Debtors request that the Court enter the Order granting the relief requested herein and such other relief as the Court deems appropriate under the circumstances.

The Company along with its affiliated entities (collectively, the “Debtors”), filed voluntary petitions for relief under chapter 11 of the United States Bankruptcy Code (the “Bankruptcy Code”) in the United States Bankruptcy Court for the Southern District of Texas, Houston Division (the “Bankruptcy Court”), being jointly administered under case number 23-90054 (the “Bankruptcy Cases”) (BRRE and the Company each a “Party” and collectively the “Parties”).

WITNESSETH:

WHEREAS, the Company desires to retain BRRE to provide the services described below for the properties listed Schedule A hereto (each, a “Property” and, collectively, the “Properties”), which are leased by the Company (each, a “Leased Property” and, collectively, the “Leased Properties”);

WHEREAS, each lease for a Leased Property is referred to herein as a “Lease” and collectively the “Leases”); and

WHEREAS, capitalized terms used but not otherwise defined herein shall have the meanings set forth on Schedule B hereto.

NOW THEREFORE, in consideration of the mutual covenants and conditions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Scope. In accordance with the terms and conditions of this Agreement, BRRE will provide the following services (the “Services”), to the extent requested by the Company and as appropriate:
 - a) consult with the Company to discuss the Company’s goals, objectives and financial parameters in relation to the Properties;
 - b) negotiate with the landlords of the Leased Properties and other third parties on behalf of the Company in order to assist the Company with respect to Covered Transactions on terms desired by the Company; and

- c) report periodically, but in any event as often as reasonably requested by the Company, to the Company regarding the status of the Services and details related thereto.

The Company hereby agrees and acknowledges that BRRE may provide certain of its services hereunder through one or more affiliates.

2. Term of Agreement; Termination; Survival. This Agreement shall be for a term of one (1) year following the Agreement Date (the “Term”), provided that the Term shall be extended until the Services are completed. Notwithstanding the foregoing, either Party may cancel this Agreement upon 10 days’ prior written notice to the other Party in accordance with the notice provision below. Any rights or obligations incurred or accrued by either Party prior to termination shall survive termination of this Agreement. The parties’ rights and obligations pursuant to this Section 2 and Sections 17 – 34 shall survive the termination or expiration of this Agreement.
3. Compensation. The compensation for the Services is set forth on Schedule B, which is attached hereto and incorporated herein (the “Compensation”).
4. Bankruptcy Court Approval.
 - a. The Company will file an application with the Bankruptcy Court seeking to employ BRRE on the terms set forth in this Agreement, under Section 327 of the Bankruptcy Code, with compensation of BRRE described in Section 3 above (“Compensation”) to be approved under Section 328 of the Bankruptcy Code, and shall request the Bankruptcy Court’s (a) timely consideration of BRRE’s application on a most expedited basis, and (b) entry of an order (the “Approval Order”) that provides, among other things: (i) approval of BRRE’s retention pursuant to the terms of this Agreement; (ii) the payment of all fees and reimbursement of expenses hereunder to BRRE in accordance with this Agreement; and (iii) authorization to the Company to take such further actions as are necessary or appropriate to carry out the terms and conditions of this Agreement. In so agreeing to seek an Approval Order, the Company acknowledges that it believes that BRRE’s general real estate sale and restructuring experience and expertise, its knowledge of the real estate markets, and its real estate capabilities will inure to the benefit of the Company in pursuing the Sale of the Property and providing the other Services, that the value to the Company of BRRE’s services derives in substantial part from that expertise and experience and that, accordingly, the structure and amount of the contingent Sale Fee and Refinancing Fee is reasonable regardless of the number of hours to be expended by BRRE’s professionals in the performance of the Services to be provided hereunder.
 - b. The Company will provide BRRE with a copy of the pleadings in connection with requesting any Approval Order prior to submission to the Bankruptcy Court for BRRE’s review and comment (without limiting the

foregoing, the Company shall use best efforts to give BRRE at least three (3) days' prior notice of such filing) and advise BRRE of any objection or hearings pertaining to BRRE's retention. Any Approval Order must be mutually acceptable to BRRE and the Company, and the incurrence of either Party's obligations hereunder will be conditioned upon the grant of such order. This Agreement shall not be binding on either Party prior to entry of an Approval Order. If an Approval Order that is acceptable to the Parties is not obtained within sixty (60) days from the date on which the application to approve BRRE's retention is filed with the Bankruptcy Court, either Party shall have the right to cease efforts to approve this Agreement at any time thereafter. Further, if an Approval Order is not obtained authorizing BRRE's services and fees as set forth herein, the Parties agree to work in good faith to address and resolve any issues that are impeding the Bankruptcy Court's approval of BRRE's retention to provide the Services described herein. In the event that the Company is unable to obtain a mutually acceptable Approval Order, and the Parties' efforts to engage BRRE's Services are terminated, BRRE reserves the right to seek a substantial contribution claim for any rights or obligations incurred or accrued prior to such termination.

c. Notwithstanding anything to the contrary in this Agreement, any legal action, suit or proceeding arising in connection with this Agreement shall be submitted to the exclusive jurisdiction of the Bankruptcy Court, and each Party hereby waives any defenses or objections based on lack of jurisdiction, improper venue, and/or forum non conveniens. From and after entry of an Approval Order, BRRE shall perform the Services and facilitate the Sale of the Property in accordance with the terms of the Approval Order in all respects, and otherwise in accordance with this Agreement.

5. Additional Services. BRRE may provide additional services requested by the Company that are not otherwise specifically provided for in this Agreement. Any additional services will be mutually agreed upon in writing in advance by the Parties.
6. Recordkeeping. The Services to be provided by BRRE pursuant to this Agreement are, in general, transactional in nature. Accordingly, BRRE will not bill the Company by the hour or maintain time records.
7. Expenses and Disbursements. BRRE shall not be responsible for any transactional costs and/or legal expenses incurred by it or the Company in connection with its retention and Services. The Company shall reimburse BRRE for their respective reasonable out-of-pocket expenses (including, but not limited to, legal, mailing, marketing and travel expenses) incurred in connection with its retention and Services. For clarification, this also includes, but is not limited to, responding to any litigation or other type of inquiry, deposition or otherwise relating to the Services or this Agreement. Any reimbursable expenses shall be paid to BRRE within thirty (30) days of the Company's receipt of invoice.

8. Exclusive. During the duration of this Agreement, BRRE shall have the sole and exclusive authority to perform the Services for the Leases/Properties referenced herein. The Company agrees to forward all relevant inquiries regarding the Leases/Properties listed on Schedule A made to the Company, its representatives or related parties to BRRE. In the event that during the Term of this Agreement the Company hires a third party or the Company itself consummates a Covered Transaction for a Lease/Property listed on Schedule A, BRRE shall still be compensated in accordance with Schedule B of this Agreement.

The Company acknowledges that BRRE may be engaged to provide the same or similar services as those referenced herein to other persons or entities, including successful bidders with respect to Leases/Properties, and that any such engagement shall not constitute or be deemed to be a violation of this Agreement. BRRE will promptly notify the Company of any potential conflicts as soon as BRRE become aware thereof.

9. Company's Representative. Brandon Elam, Real Estate Manager, will be the Company's representative (the "Company's Representative") in dealing with BRRE. The Company reserves the right, at any time and from time-to-time, upon notice to BRRE in accordance with the notice provisions below, to designate a successor representative or an additional representative and to limit the authority of the representative in any respect. BRRE will report regularly to the Company's Representative in order to keep him/her fully apprised of BRRE's performance.
10. Company Cooperation. The Company shall make available to BRRE all information concerning the Leased Property necessary for the performance of its obligations hereunder, including, but not limited to, the current rents, taxes and other charges, copies of leases, the premise sizes, the commencement and expiration dates of leases, any lease options, up to date landlord contact information and such other information as BRRE reasonably requests for the performance of its Services.

All information provided by the Company to BRRE, including but not limited to the information referenced above, shall collectively be referred to as "Company Information". It is understood and agreed by the Parties that BRRE shall have no obligation to verify the accuracy of such information, that the incompleteness or inaccuracy of the Company Information may affect BRRE's Services and that BRRE shall have no liability whatsoever resulting from, whether directly or indirectly, the inaccuracy or incompleteness of the Company Information. Both Parties understand and agree that BRRE shall base its Services on the Company Information and any material inaccuracies, discrepancies or omissions in the Company Information may affect the Services provided, including but not limited to, a delay in the provision of the Services. Furthermore, both Parties understand and agree that the commencement of this Agreement as well as BRRE's performance of its Services is contingent upon BRRE's receipt of the requested Company Information.

11. Use of Company Name. BRRE may use the Company's name and logo to identify the Company as one of such BRRE's clients.
12. No Authority to Execute Agreements. BRRE shall have no right or power to enter into any agreement in the name of, or on behalf of, the Company or to otherwise obligate the Company in any manner unless authorized in a writing (that has not been revoked) signed by the Company.
13. Approval of Contracts. All of the terms and conditions of each lease or any other agreement involving the Leased Property shall be subject to approval by the Company, which approval may be withheld in the Company's sole and absolute discretion.
14. Meetings and Written Reports. After the commencement of this Agreement, BRRE shall meet with, in a manner agreed to by the Parties, the Company's Representative to review the Company's goals, objectives and financial parameters. Thereafter, BRRE will meet with or participate in telephone conferences with the Company's Representative and advisors regarding the status of the Services as mutually agreed to by the Parties. Provided however, that BRRE's failure to perform one of more of the tasks described immediately above shall not be a bar to BRRE being otherwise entitled to its Compensation hereunder.
15. Disclosures/Reports. All information, advice, recommendations or other content of any reports, presentations or other communications that BRRE provides under the terms of this Agreement are solely for the benefit of the Company. All opinions and advice (written or oral) given by BRRE to the Company in connection with this Agreement are intended solely for the benefit and use of the Company and no such opinion or advice shall be used for any other purpose, or reproduced, disseminated, quoted or referred to at any time, in any manner, or for any purpose, other than as provided herein, without the prior written consent of BRRE.

A. Compensation

BRRE shall be compensated for the Services as follows:

1. Retainer. The Company shall pay BRRE a retainer fee in the amount of fifty thousand dollars (\$50,000) upon execution of this Agreement (the “Retainer”), which shall be earned upon BRRE’s receipt thereof in consideration of BRRE accepting this engagement. The Retainer is non-refundable and will be applied to the fees due under this Agreement.
2. Monetary Lease Modifications. For each Monetary Lease Modification that BRRE successfully negotiates, BRRE shall earn and be paid the following fees:
 - a. For each “Retail Store Lease” (as designated on Schedule A) for which a Monetary Lease Modification is obtained, a fee equal to the greater of (i) four and ¼ percent (4.25%) of the Occupancy Cost Savings under the Lease and (ii) One Thousand Seven Hundred Fifty Dollars (\$1,750); and
 - b. For each Distribution Center Lease (as designated on Schedule A) for which a Monetary Lease Modification is obtained, a fee equal to the greater of (i) three percent (3.0%) of the Occupancy Cost Savings under the Lease and (ii) Two Thousand Five Hundred Dollars (\$2,500).
3. Non-Monetary Lease Modifications. For each Non-Monetary Lease Modification in any Lease, BRRE shall earn and be paid a fee of Seven Hundred and Fifty Dollars (\$750).
4. Early Termination Rights. For each Early Termination Right, BRRE shall earn and be paid a fee of One Thousand Five Hundred dollars (\$1,500) per applicable Lease.
5. Sales. For each Sale of a Lease or Sale of an Owned Property, BRRE shall earn and be paid a fee (“Sales Commission”) equal to: three percent (3.0%) of the Gross Proceeds.

If BRRE recognize an outside broker representing the purchaser in a transaction for which a Sales Commission is payable hereunder, BRRE will advise such broker that it must look to its own client for payment of any and all compensation which may become due it for the proposed transaction. It is acknowledged and agreed that BRRE shall not be required to share the Sales Commission payable hereunder with any outside broker, and in no event whatsoever shall the Company be required to pay any commission to any outside broker.

B. Payment of Compensation.

The Retainer shall be due and payable in full immediately upon the execution of this Agreement.

BRRE shall provide a deal sheet with the terms of each proposed Covered Transaction (each, a “Deal Sheet”) to the Company. Subject to Section 21 of this Agreement, and except as otherwise provided in this Schedule B, BRRE shall earn and be paid Compensation pursuant to this Agreement with respect to each Covered Transaction upon the soonest to occur of: (1) the submission of a Document that accurately reflects the Company-accepted Deal Sheet in all material respects by the landlord of the Property or other third party (if applicable) to the Company, (2) the Company’s entry into a written, binding Document with respect to such Covered Transaction, (3) the consummation of such Covered Transaction, or (4) the Company receiving the benefit of such Covered Transaction. Such Compensation, together with all applicable expenses with respect to such Covered Transaction, shall be due and payable immediately at such time, subject to, and in accordance with, this Schedule B. In the absence of the foregoing, BRRE shall not be entitled to any fees or expenses (other than the Retainer), notwithstanding the fact that the Company may determine in its sole discretion not to finalize a transaction that would otherwise give rise to a fee for BRRE.

Notwithstanding anything to the contrary contained herein, the Sales Commission shall be paid in full to BRRE at the time of the closing or transfer of title to the subject Property, except in the case of an installment purchase contract, in which case the Sales Commission shall be paid in full to BRRE at the time of full execution and delivery of the installment purchase contract between the Company and the purchaser.

C. Definitions

“Covered Transaction” shall be defined as Early Termination Rights, Monetary Lease Modifications, Non-Monetary Lease Modifications, Sales, and Landlord Consents.

“Document” shall be defined as any amendment or agreement that modifies a Lease or any rights or obligations relating to a Lease in any manner, including, but not limited to, the

granting of Early Termination Rights, a Monetary Lease Modification, a Rent Deferral, a Lease Termination or a Lease Sale. A document shall also include any letter agreement relating to a Lease or Property. For the avoidance of doubt, the landlord, a third party or the Company, can generate a Document.

“Early Termination Rights” shall mean the right to obtain the right to terminate a Lease or Leases prior to their scheduled termination dates.

“Gross Occupancy Cost” shall be defined as the sum of the remaining occupancy costs of a Lease including, but not limited to, the base rent, any annual increases, percentage rent, CAM, taxes, insurance, rental tax, marketing and merchants association charges, utility charges, HVAC usage charges, trash removal charges, sprinkler usage charges, unpaid rents, tenant improvement dollars due to the landlord and any other charges payable by the Company to the Landlord under a particular Lease as of the Agreement Date. In the case of percentage rent, such rent will be calculated using sales figures for the twelve (12) months ended at the end of the month prior to the calculation (equitably adjusted if less than twelve (12) months of sales figures are available). CAM, taxes, insurance, marketing and merchants association charges and all other applicable charges will be calculated using the last available full year charge for each item (which may be a calendar year or a lease year, depending upon which is the most recent full year charge available). In the event that rent increases periodically based upon the change in the Consumer Price Index (CPI), the assumed annual CPI increase shall be two and one-half percent (2.5%).

“Gross Proceeds” shall be defined as the total consideration paid to the Company by a landlord, tenant, investor, purchaser or any other party to either waive, terminate, lease, sublease or purchase a Lease or Property or any right related to a Lease or Property. It includes, but is not limited to, any fees or other form of currency paid by the landlord, tenant, sub-tenant or other third party to the Company in relation to a Sale, lease or sublease. This list is not meant to be exhaustive and Gross Proceeds shall include any consideration or other quantifiable economic benefit paid or payable to the Company as a result of a Sale, lease or sublease.

“Landlord Consent” shall be defined as a consent from a landlord with respect to a Lease in connection with Section 365(d)(4) of the Bankruptcy Code.

“Monetary Lease Modification” shall be defined as any modification to or inclusion of additional provisions relating to the monetary terms of a Lease agreement, including, but not limited to, reduction in rent, deferral of rent, reduction in Lease term, reduction in Lease space, termination of rent, reduction of unamortized tenant allowance, reduction or elimination of the obligation to pay tenant allowance to the landlord, reduction or elimination of the requirement to improve the Lease space, the granting of tenant allowance or capital improvement dollars or landlord improvements to the Property, extensions of existing rent reductions past their original end date, any lease extension that do not result in a rent increase (where the option was at a higher rate), reduction in CAM charges, taxes,

elimination of percentage rent, conversion to percentage rent, reductions in or returns of security deposits and FF&E if otherwise non-refundable (either pursuant to the terms of the Lease or as determined by the landlord) or any or any other amendment to a Lease that results in Occupancy Cost Savings to the Company.

“New Gross Occupancy Cost” shall be defined as the reduced Gross Occupancy Cost that results or would result from a Monetary Lease Modification, Lease Termination or any other amendment to the Lease obtained by BRRE on behalf of the Company.

“Non-Monetary Lease Modification” shall be defined as any modification to the non-monetary terms of a Lease agreement, including, but not limited to, change of use, co-tenancy clause, sublease rights, the granting of an option (where there were no options), the granting of additional options, an amendment to the current option term or terms and relocation or reduction of Lease spaces that do not result in a reduction in Gross Occupancy Cost.

“Occupancy Cost Savings” shall be defined as the difference between the original Gross Occupancy Cost and the New Gross Occupancy Cost for the period from the earlier of the effective date of a Document, the date in which the Lease Termination, Monetary Lease Modification or other Service becomes effective or the date in which BRRE becomes entitled to its Fees under the end of the original or new Lease term as applicable pursuant to the terms of the Services. For example, if a Service includes a Monetary Lease Modification and an extension of the Lease the Occupancy Cost Savings shall be applicable through the duration of the Lease extension.

Occupancy Cost Savings include, but are not limited to, reduction in rent, reduction in Lease term, reduction in Lease space, termination of rent, delay or deferral of rent, reduction of unamortized tenant allowance, reduction or elimination of the obligation to pay tenant allowance to the landlord, reduction or elimination of the requirement to improve the Lease space, the granting of tenant allowance or capital improvement dollars or landlord improvements to the Property, extensions of existing rent reductions past their original end date, any lease extensions that do not result in a rent increase (where the option was at a higher rate), reduction in CAM charges, taxes, elimination of percentage rent, conversion to percentage rent, reductions in or returns of security deposits and FF&E if otherwise non-refundable (either pursuant to the terms of the Lease or as determined by the landlord) or any or any other amendment to a Lease that results in savings to the Company. For clarification purposes, Occupancy Cost Savings are not reduced by any lost security deposits or FF&E or any loss or fees not specifically authorized herein to be deducted from the calculation of Occupancy Cost Savings.

For Occupancy Cost Savings resulting from the extension of a rent reduction past the rent reduction in effect as of the Agreement Date, the savings shall be based upon the original rent set forth in the Lease. For Occupancy Cost Savings resulting from lease extensions that do not result in a rent increase, the savings shall be based upon the option price for the

period of the duration of the extension or if there is no option price then it shall be based upon the annual percentage increases. For Occupancy Cost Savings resulting from a Lease Termination, the savings shall be based upon the original Lease date – commencing on the date of the Lease Termination through the end date of the original Lease.

“Sale” shall be defined as the sale of a Lease or of an Owned Property, including, without limitation, with respect to vacant Properties and sale leaseback transactions. Sales shall also include, in addition to a conventional purchase of a fee simple interest, swaps, joint ventures and any other transaction, however characterized, by which the equity in a Property is transferred to a third party for consideration.

2. I am duly authorized to make submit this declaration (this "Declaration") on behalf of BRRE in support of the Application² filed by the Debtors in these chapter 11 cases for entry of an order authorizing the Debtors to retain and employ BRRE as their real estate advisors pursuant to the terms and conditions of the Engagement Letter, a copy of which is attached to the Application as Exhibit A.

¹ The Debtor entities in these chapter 11 cases, along with the last four digits of each Debtor entity's federal tax identification number, are: IEH Auto Parts Holding LLC (6529); AP Acquisition Company Clark LLC (4531); AP Acquisition Company Gordon LLC (5666); AP Acquisition Company Massachusetts LLC (7581); AP Acquisition Company Missouri LLC (7840); AP Acquisition Company New York LLC (7361); AP Acquisition Company North Carolina LLC (N/A); AP Acquisition Company Washington LLC (2773); Auto Plus Auto Sales LLC (6921); IEH AIM LLC (2233); IEH Auto Parts LLC (2066); IEH Auto Parts Puerto Rico, Inc. (4539); and IEH BA LLC (1428). The Debtors' service address is: 112 Townpark Drive NW, Suite 300, Kennesaw, GA 30144.

² Capitalized terms used and not otherwise defined herein shall have the meanings ascribed to them in the Application.

3. Except as otherwise stated in this Declaration, I have personal knowledge of the facts set forth herein and, if called as a witness, I could and would testify thereto. Certain of the disclosures set forth herein are related to matters within the knowledge of other employees of BRRE and are based on information provided by them.

QUALIFICATIONS

4. BRRE is a leading provider of real estate services, headquartered in Chicago, Illinois and, together with its affiliates, has more than 30 professionals in the real estate space. BRRE is one of the leading real estate advisors to debtors, unsecured and secured creditors, acquirers, and other parties-in-interest involved with financially troubled companies both in and outside of bankruptcy. BRRE has considerable expertise on issues relating to real property transactions involving financially distressed companies and extensive expertise acting as a real estate services provider for in-court and out-of-court asset sales and restructurings of companies of all sizes across a wide array of industries.

5. On a combined basis, BRRE's four principals have sold over \$5 billion in assets and more than 15 million square feet of real estate across multi-family, retail, office, industrial, distribution centers, and land. The two principals that will oversee this project, Michael Jerbich and Al Lieberman, have sold over 50,000 units of multi-family housing and have a combined 45+ years of bankruptcy experience and have been engaged as real estate advisors for dozens of debtors including, Sears, J.C. Penney's and Remington Outdoor, Co. Additionally, BRRE's senior principals' experience includes serving as real estate advisors to companies such as Balcor-American Express, Borders Books, Career Education Corporation, Colony Financial, Durango Georgia Paper, Interstate Brands, J.C. Penney, Lifestyle Family Fitness, Mann Theaters, NBG Home, Providence St. Joseph Health, Sears Holdings Corp., Warner Brothers Studio Stores,

Wintrust Financial, and WorldCom. Accordingly, the Debtors believes that BRRE is well qualified to perform all services contemplated in these chapter 11 cases (the “Chapter 11 Cases”).

SERVICES TO BE PROVIDED

6. BRRE entered into the Engagement Letter, effective as of February 17, 2023, a copy of which is attached to the Application as Exhibit A. BRRE will provide the Services described in the Engagement Letter and in the Application.

COMPENSATION

7. I submit that the Fee Structure described in the Engagement Letter and the Application, which BRRE will charge for its Services, are consistent with BRRE’s typical fee for work of this nature, are fair and reasonable for the Services that BRRE will render and are consistent with, and comparable to, rates generally charged by other professionals in this region for similar work.

8. It is not the general practice of BRRE to keep detailed time records similar to those customarily kept by attorneys and other professionals who are compensated on an hourly basis. BRRE believes it is unnecessary for BRRE to file monthly, interim, or final fee applications with the Court because BRRE is being paid on a contingent fee basis and therefore request a waiver and/or modification of the billing requirements set forth in Local Rule 2016-1.

INDEMNIFICATION

9. In addition to the Fee Structure and as a material part of the consideration for BRRE’s agreement to provide real estate advisory services to the Debtors, the Debtor has agreed to indemnify, defend and hold harmless the Indemnified Parties (as defined in the Engagement Letter) (the “Indemnity Provisions”). The Indemnity Provisions were fully negotiated by the Debtors and BRRE at arm’s-length and in good faith.

10. In my experience, real estate advisors rely heavily on information provided by debtors in making contacts with potential lenders, investors, buyers, or other parties to potential transactions. It is customary, for this reason, that real estate advisors receive indemnification from the entities for whom they work. In my opinion, based on my broad experience, the Indemnity Provision is appropriate and reasonable for this type of engagement both in out of court and in chapter 11 cases, and reflects the qualifications and limitations on indemnification provisions that are customary in this district and other jurisdictions.

Riley Valuation Services has provided or currently provides appraisal and valuation service to the Debtors’ proposed investment banker, Lincoln International and the Committee’s proposed financial advisor, FTI Consulting.

13. BRRE and its affiliates provide services to a wide range of institutions and individuals and may in the past have had, and may currently or in the future have, relationships with parties that may have interests with respect to the Debtors. In the ordinary course of business, investment funds affiliated with BRRE and its affiliates and certain of BRRE’s and its affiliates’ employees, as well as investment funds in which such employees may have financial interests, but over whose investment decisions such employees have no input or control, may acquire, hold or

sell, long or short positions, or trade or otherwise effect transactions, in debt, equity, and other securities and financial instruments (including bank loans and other obligations) of, or investments in, the Debtors or other parties that may have an interest in these Chapter 11 Cases or have other relationships with such parties. With respect to any such securities, financial instruments and/or investments, all rights in respect of such securities, financial instruments and investments, including any voting rights, will be exercised by the holder of the rights, in its sole discretion. Moreover, the BRRE employees who are working on these Chapter 11 Cases are subject to compliance mechanisms and policies and procedures designed to prevent confidential, non-public information from being improperly shared.

14. Affiliates of BRRE provide valuation opinions on the securities and derivative holdings of various business development companies, private equity firms, and hedge funds, which may include debt securities of the Debtors. This work is unrelated to the real estate services that BRRE intends to provide in these Chapter 11 Cases. Moreover, such affiliates through the establishment of an “Information Wall” have separated their employees who provide valuation opinions on securities and derivative holdings from the rest of the employees of BRRE. This “Information Wall” includes physical and technological barriers, compliance mechanisms and policies and procedures designed to prevent confidential, non-public information and work product from being shared improperly. BRRE is a separate legal entity and observes all legal formalities between entities. BRRE adheres to all confidentiality obligations across entities with respect to client information. BRRE personnel do not have access to the files of other business lines nor do other business lines have access to BRRE files.

15. In the ordinary course of business, BRRE and its affiliates, including B. Riley Securities, from time to time discuss issues concerning stressed and distressed companies with

creditors and prospective creditors that are clients of the firm, or that otherwise contact BRRE or its affiliates, or that are referred to the firm in light of BRRE's or its affiliates' reputation for covering such companies and/or relevant industry expertise. At the time of those contacts, it is not known whether any particular company will actually file for bankruptcy, or if any of these creditors and/or potential creditors will serve on any future committee, or even be creditors of the relevant estates in the event of a future bankruptcy. BRRE may communicate with and, when appropriate or requested, send materials to one, or more, of the 30 largest unsecured creditors identified by a debtor and who are, therefore, potential members of a creditors' committee, if we either know, work with, are contacted by, or are otherwise referred to the relevant creditor. In some circumstances, we or our affiliates may contact potential committee members with whom we are not previously familiar.

16. BRRE and its affiliates' personnel may have business associations with certain creditors of the Debtors or counsel or other professionals involved in these Chapter 11 Cases on matters unrelated to these Chapter 11 Cases. In addition, in the ordinary course of its business, BRRE and its affiliates may engage counsel or other professionals in unrelated matters who now represent, or in the future may represent, creditors or other interested parties in these Chapter 11 Cases.

17. BRRE and its affiliates' personnel may have business associations with certain creditors of the Debtors or counsel or other professionals involved in these Chapter 11 Cases on matters unrelated to these Chapter 11 Cases. In addition, in the ordinary course of their businesses, BRRE and its affiliates may engage, or may be engaged by, counsel or other professionals in unrelated matters who now represent, or in the future may represent, creditors or other interested parties in these Chapter 11 Cases. Specifically, without limitation, in matters unrelated to these

Chapter 11 Cases, BRRE and its affiliates have hired the following law firms: Brown Redrick, Thompson Hine, LLP, Kane Russell Coleman Logan, and Sidley Austin.

18. To the best of my knowledge, on matters entirely unrelated to the Debtors, BRRE and/or its subsidiaries and affiliates have provided due diligence, asset appraisal, consultation, enterprise valuation, and/or field exam services in the ordinary course of business to many lenders, investors, and other market participants, some of whom may be creditors, equity security holders and other parties in interest in these Chapter 11 Cases.

19. B. Riley Valuation Services was engaged by Debtor IEH Auto Parts LLC dba Auto Plus, pursuant to an engagement letter dated March 6, 2023, to provide appraisal and valuation services of certain assets belonging to the company. The Debtors intend to file a separate application for an order approving B. Riley Valuation Services' engagement.

20. B. Riley Retail Solutions has been in discussions with the Debtors with regard to a potential transaction relating to the liquidation of the Debtors' retail assets under either a fee structure, whereby B. Riley Retail Solutions would earn a fee of the gross proceeds of a liquidation sale, or an equity structure, in which B. Riley Retail Solutions would guarantee to the Debtors a minimum liquidation price for all of the retail assets to be liquidated. As of the date of this Declaration, I am informed that no formal offer has been received or accepted with regard to the engagement of B. Riley Retail Solutions as the Debtors' consultant or agent.

C. Interested Party Review.

21. In connection with our proposed retention by the Debtors in these cases, we undertook to determine whether we have any conflicts or other relationships that might cause BRRE not to be disinterested or to hold or represent an interest adverse to the Debtors. To determine its relationship with parties in interest in these Chapter 11 Cases, BRRE has researched

the client databases maintained with respect to BRRE to determine whether it has any relationships with the entities (individually an “Interested Party” and collectively, the “Interested Parties”) that were identified to BRRE by the Debtors. The list of Interested Parties is attached hereto as Schedule 1.

22. In connection with BRRE’s proposed engagement by the Debtors, BRRE undertook to determine whether it has any conflicts or other relationships that might cause BRRE not to hold or represent an interest adverse to the Debtors. To determine BRRE’s relationship with parties in interest in these Chapter 11 Cases, BRRE researched the client databases maintained with respect to BRRE and its affiliates, to determine whether it has any relationships with certain entities connected to the Debtors (individually an “Interested Party” and collectively, the “Interested Parties”) that were identified to BRRE by the Debtors. The list of Interested Parties is attached hereto as Schedule 1.

23. The review of the Interested Parties described herein was conducted by BRRE pursuant the following procedures: we check the internal databases of B. Riley Financial, Inc. and its subsidiaries, and, additionally, we ask our corporate senior management, finance, accounting, compliance and legal departments, as well as managers at our above-described investment banking, retail, real estate, appraisal, advisory, operations, liquidation and wealth and capital management affiliates to review the list of interested parties and to identify and describe any relationships. Based on the process set forth herein, it is my understanding that the overall design and implementation of BRRE’s current procedures provide a reasonable level of comfort to B. Riley Financial, Inc. and BRRE that relationships and potential conflicts will be identified and were identified in these cases. Continued inquiry will be made following the filing of this

Declaration by undertaking the same procedures described herein on a periodic basis, with additional disclosures to be filed in this Court if necessary or otherwise appropriate.

24. Except as otherwise disclosed herein, and insofar as I have been able to ascertain after due diligence, to the best of my knowledge, information, and belief, after reasonable inquiry, neither I, BRRE, nor any principal, manager, or consultant of BRRE, represent any party in interest or any other entity other than the Debtor. Except as outlined above, BRRE's due diligence has revealed that BRRE:

- (i) does not hold or represent any interest adverse to the Debtor or its creditors;
- (ii) is not a creditor, security holder, or insider of the Debtor and does not represent any entity (or its attorneys or accountants) other than the Debtor in connection with these Chapter 11 Cases;
- (iii) does not have any interest materially adverse to the interests of the Debtors or their estates or any class of creditors or equity security holders of the Debtors, by reason of any direct or indirect relationship to, connection with, or any interest in, the Debtors or for any other reason; and
- (iv) has no connections with the Debtors, creditors, equity interest holders, or any party in interest herein, or with the respective attorneys or accountants of the foregoing, except as set forth herein.

25. In addition, BRRE does not believe that any relationship that BRRE, or any of its professionals or employees participating in or connected with BRRE's engagement with the Debtor, may have with any Interested Parties in connection with any unrelated matter will interfere with, or impair, BRRE's representation of the Debtors in these Chapter 11 Cases. To the extent that any information disclosed herein requires amendment or modification upon BRRE's receipt of additional information or as additional creditor information becomes available, BRRE will promptly file a supplemental declaration.

26. No agreement presently exists to share with any other person or firm any compensation received by BRRE for its services in these Chapter 11 Cases. If any such agreement

is entered into, BRRE undertakes to amend and supplement this Declaration to disclose the terms of any such agreement.

27. No promises have been received by BRRE, or by any employee thereof, as to compensation in connection with these Chapter 11 Cases other than in accordance with the provisions of the Bankruptcy Code.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct, to the best of my information, knowledge and belief.

) **RE: Docket No. ____**

**ORDER AUTHORIZING THE RETENTION AND EMPLOYMENT OF
B. RILEY REAL ESTATE, LLC AS THE DEBTORS' REAL ESTATE ADVISORS**

Upon the application (the "Application")¹ of the above-captioned debtors and debtors in possession (collectively, the "Debtors") for entry of an order (this "Order"), authorizing the Debtors to retain and employ B. Riley Real Estate, LLC ("BRRE") as real estate advisor, pursuant to the terms of the Engagement Letter, all as more fully set forth in the Application; and upon the Jerbich Declaration; and this Court having jurisdiction over this matter pursuant to 28 U.S.C. § 1334; and this Court having found that this is a core proceeding pursuant to 28 U.S.C. § 157(b); and that this Court may enter a final order consistent with Article III of the United States Constitution; and this Court having found that venue of this proceeding and the Application in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and this Court having found that the Debtors' notice of the Application and opportunity for a hearing on the Application were appropriate under the circumstances and no other notice need be provided as set forth herein; and this Court having reviewed the Application and having determined that the legal and factual bases set forth in support of the Application establish just cause for the relief granted herein; and upon

¹ Capitalized terms used but not otherwise defined herein have the meanings ascribed to them in the Application.

all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is ORDERED THAT:

1. The Debtors are authorized, pursuant to sections 327(a) and 328(a) of the Bankruptcy Code and Bankruptcy Rules 2014 and 2016, to employ and retain BRRE as their real estate advisors effective as of February 17, 2023, on the terms and conditions set forth in the Engagement Letter attached as Exhibit A to the Application, as modified by this Order.

2. BRRE's compensation as set forth in the Engagement Letter, including, without limitation, the service fees, is approved pursuant to section 328(a) of the Bankruptcy Code as modified by this Order.

3. The Debtors are authorized to pay the Retainer on a postpetition basis.

4. BRRE will not be required to file monthly or interim fee applications; *provided, however*, BRRE shall file a final fee application with this Court seeking approval of their fees and expenses upon completion of their Services. All compensation requested and payments made to BRRE during these chapter 11 cases will be included in the final fee application and subject to approval pursuant to section 328(a) of the Bankruptcy Code and shall not be evaluated under the standard set forth in section 330 of the Bankruptcy Code, except as provided in paragraph 6 of this Order. Said final fee application shall include, among other things, a specific breakdown of compensation and fees sought on a per store/per lease basis in the categories described in the employment application, setting forth detail and information regarding the calculation of such fees and expenses.

5. Notwithstanding anything to the contrary in the Bankruptcy Code, the Bankruptcy Rules, the Bankruptcy Local Rules, any order of this Court, or any guidelines established by the U.S. Trustee regarding submission and approval of fee applications, BRRE and their professionals

shall be excused from (a) the requirement to maintain or provide detailed time records for the Services and for services rendered postpetition and (b) providing or conforming to any schedule of hourly rates.

6. Notwithstanding paragraphs 2 through 5 of this Order and any provision to the contrary in the Application or the Engagement Letter, the United States Trustee for the Southern District of Texas (the “U.S. Trustee”) shall have the right to object to BRRE’s respective requests for compensation and reimbursement based on the reasonableness standard provided in section 330 of the Bankruptcy Code, and not section 328(a) of the Bankruptcy Code. This Order and the record relating to this Court’s consideration of the Application shall not prejudice the rights of the U.S. Trustee to challenge the reasonableness of BRRE’s fees under section 330 of the Bankruptcy Code. Accordingly, nothing in this Order or the record relating to this Court’s consideration of the Application shall constitute a finding of fact or conclusion of law binding on the U.S. Trustee with respect to the reasonableness of BRRE’s fees.

7. The indemnification, contribution, and reimbursement provisions set forth in the Indemnification Provisions are approved, subject, during the pendency of these chapter 11 case, to the following:

- a. The Indemnified Parties shall not be entitled to indemnification, contribution, or reimbursement for services other than those described in the Engagement Letter and the Application, unless such services and indemnification therefor are approved by the Court after notice and hearing;
- b. The Debtors shall have no obligation to indemnify any Indemnified Party, or provide contribution or reimbursement to any Indemnified Party, for any claim or expense that is either: (i) judicially determined (the determination having become final) to have arisen from such Indemnified Party’s gross negligence, fraud, breach of fiduciary duty (if any), bad faith or willful misconduct; or (ii) for a contractual dispute in which the Debtors allege the breach of such Indemnified Party’s contractual obligations, unless the Court determines that indemnification, contribution or reimbursement

would be permissible; or (iii) settled prior to a judicial determination as to the exclusions set forth in clauses (i) and (ii) immediately above, but determined by the Court, after notice and a hearing to be a claim or expense for which the Indemnified Parties should not receive indemnity, contribution, or reimbursement under the terms of Indemnified Parties' retention by the Debtors pursuant to the terms of the Engagement Letter, as modified by this Order; and

- c. If, before the earlier of: (i) the entry of an order confirming a chapter 11 plan in this case (that order having become a final order no longer subject to appeal); and (ii) the entry of an order closing these chapter 11 cases, any Indemnified Party believes that it is entitled to the payment of any amounts by the Debtors on account of the Debtors' indemnification, contribution, and/or reimbursement obligations under the Engagement Letter (as modified by this Order) and the Application, including without limitation the advancement of defense costs, such Indemnified Party must file an application therefor in this Court, and the Debtors may not pay any such amounts to such Indemnified Party before the entry of an order by this Court approving the payment. This subparagraph (c) is intended only to specify the period of time under which the Court shall have jurisdiction over any request for fees and expenses by Indemnified Parties for indemnification, contribution, or reimbursement, and not a provision limiting the duration of the Debtors' obligation to indemnify any Indemnified Party. All parties in interest shall retain the right to object to any demand by any Indemnified Party for indemnification, contribution, or reimbursement.

8. To the extent the Debtors and BRRE enter into any additional engagement letters, the Debtors shall file notices of such additional engagement letters with the Court, and serve any additional engagement letters on the applicable notice parties. To the extent any of such parties object, within fourteen days of such new engagement letters being served, to the additional services to be provided by BRRE, the Debtors will promptly seek a hearing before the Court. All additional services will be subject to the provisions of this Order. To the extent no related timely objections are filed, such additional engagement letters shall be deemed approved pursuant to this Order.

9. BRRE is a "disinterested person" as defined in section 101(14) of the Bankruptcy Code and as required by section 327(a) of the Bankruptcy Code.

10. BRRE shall disclose any and all facts that may have a bearing on whether BRRE, their respective affiliates, and/or any individuals working on the engagement hold or represent any interest adverse to the Debtors, their creditors, or other parties in interest in these cases. The obligation to disclose identified in this paragraph shall be a continuing obligation.

11. BRRE shall provide ten-business-days' notice to the Debtors, the U.S. Trustee, and any official committee before any increases in the hourly rates (if any) set forth in the Application or the Engagement Letter are implemented. The U.S. Trustee retains all rights to object to any rate increase on all grounds, including the reasonableness standard set forth in section 330 of the Bankruptcy Code, and the Court retains the right to review any rate increase pursuant to section 330 of the Bankruptcy Code.

12. BRRE shall make reasonable efforts to avoid any duplication of services provided by any of the Debtors' other retained professionals in these chapter 11 cases.

13. To the extent there is any inconsistency between the terms of the Engagement Letter, the Application, the Jerbich Declaration, and this Order, the terms of this Order shall govern.

14. With respect to controversies or claims arising out of or in any way related to the Services in the Engagement Letter notwithstanding any arbitration, dispute resolution, or exclusive jurisdiction provisions contained in the Engagement Letter, any disputes arising under the Engagement Letter shall be heard in this Court during the pendency of these chapter 11 cases.

15. The contents of the Application satisfy the requirements of Bankruptcy Rule 6003(b).

16. Notice of the Application is deemed good and sufficient notice of such Application and the requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.

17. The terms and conditions of this Order are immediately effective and enforceable upon its entry.

18. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Order in accordance with the Application.

19. This Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Order.
