The above-captioned debtors and debtors in possession (collectively, the "<u>Debtors</u>") state the following in support of this motion (this "<u>Motion</u>"):²

Relief Requested

1. The Debtors seek entry of an order, substantially in the attached form (the "Order"), (a) authorizing the Debtors to remit and pay (or use tax credits to offset) Taxes and Fees in the ordinary course of business that are payable or become payable during these Chapter 11 Cases (including any obligations subsequently determined upon audit or otherwise to be owed for periods prior to the Petition Date); and (b) granting related relief.

Jurisdiction and Venue

- 2. The United States Bankruptcy Court for the Southern District of Texas (the "Court") has jurisdiction over this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). The Debtors confirm their consent to the entry of a final order by the Court.
 - 3. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.
- 4. The bases for the relief requested herein are sections 105(a), 363(b), 507(a)(8), and 541 of title 11 of the United States Code (the "Bankruptcy Code"), rules 6003 and 6004 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), and rule 9013-1 of the Bankruptcy Local Rules for the Southern District of Texas (the "Bankruptcy Local Rules").

The Debtors, together with their non-Debtor affiliates (collectively, "<u>Avaya</u>" or the "<u>Company</u>"), are a leading provider of mission-critical, real-time communication applications. The facts and circumstances supporting this Motion are set forth in the *Declaration of Eric Koza, Chief Restructuring Officer of Avaya Holdings Corp. and Certain of Its Affiliates and Subsidiaries, in Support of the Debtors' Chapter 11 Petitions and First Day Motions (the "<u>First Day Declaration</u>"), filed contemporaneously with the filing of this Motion and incorporated by reference herein. Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the First Day Declaration.*

Background

- 5. On the date hereof (the "<u>Petition Date</u>"), the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code.
- 6. The Debtors have filed a motion requesting joint administration of these Chapter 11 Cases pursuant to Bankruptcy Rule 1015(b). The Debtors are operating their businesses and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No request for the appointment of a trustee or examiner has been made in these Chapter 11 Cases and no official committees have been appointed or designated.

Taxes and Fees Overview

7. In the ordinary course of business, the Debtors collect, withhold, and incur income, sales and use, foreign, property, business licensure, and regulatory taxes, as well as other governmental taxes, fees, and assessments (collectively, the "Taxes and Fees"). The Debtors pay or remit, as applicable, the Taxes and Fees to various governmental authorities (each, an "Authority," and collectively, the "Authorities") on a periodic basis (monthly, quarterly, semi-annually, or annually) depending on the nature and incurrence of a particular Tax or Fee and as required by applicable laws and regulations. A schedule identifying the Authorities is attached hereto as **Exhibit A**. The Debtors generally pay and remit Taxes and Fees through their payment

This Motion does not seek relief with respect to the Debtors' collection and remittance of employee-related taxes and withholdings, which are instead addressed in the Debtors' Emergency Motion for Entry of an Order (I) Authorizing the Debtors to (A) Pay Prepetition Wages, Salaries, Other Compensation, and Reimbursable Expenses, and (B) Continue Employee Benefits Programs, and (II) Granting Related Relief, filed contemporaneously herewith.

Although <u>Exhibit A</u> is intended to be comprehensive, the Debtors may have inadvertently omitted Authorities from <u>Exhibit A</u>. The Debtors request relief with respect to Taxes and Fees payable to all Authorities, regardless of whether such Authority is specifically identified in <u>Exhibit A</u>. To the extent the Debtors seek to pay any Taxes and Fees to any Authority not identified on <u>Exhibit A</u>, the Debtors shall provide three (3) calendar days' prior written notice to each of the advisors to the Akin Ad Hoc Group and the PW Ad Hoc Group (collectively, the "<u>Notice Parties</u>") and shall not make such payments without obtaining prior consent from the Notice Parties; provided, however, that if the Notice Parties do not object to the payments within three (3) calendar days of the

service providers, such as Anybill Financial Services, Inc., or through checks and electronic transfers that are processed through their banks and other financial institutions or service providers. From time to time, the Debtors may also receive tax credits for overpayments or refunds in respect of Taxes or Fees. The Debtors generally use these credits in the ordinary course of business to offset against future Taxes or Fees, or have the amount of such credits refunded to the Debtors.

- 8. Additionally, the Debtors are subject to, and may become subject to further routine audit investigations on account of tax returns and/or tax obligations ("Audits") during these Chapter 11 Cases. Audits may result in additional prepetition Taxes and Fees being assessed against the Debtors (such additional Taxes and Fees, "Assessments"). The Debtors seek authority to pay or remit tax obligations on account of any Assessments as they arise in the ordinary course of the Debtors' businesses, including as a result of any resolutions of issues addressed in an Audit.
- 9. The Debtors seek authority to pay and remit all prepetition and postpetition obligations on account of Taxes and Fees, including: (a) Taxes and Fees that accrue or are incurred postpetition; (b) Taxes and Fees that have accrued or were incurred prepetition but were not paid prepetition, or were paid in an amount less than actually owed; (c) payments made by the Debtors prepetition that were lost or otherwise not received in full by any of the Authorities; and (d) Taxes and Fees incurred for prepetition periods that become due and payable after the commencement of these Chapter 11 Cases, including as a result of Audits. In addition, for the avoidance of doubt,

date on which written notice is provided, then the Notice Parties shall be deemed to have consented to the payment of the Taxes and Fees. Nothing herein shall prevent the Debtors from seeking Court approval in the event of an objection.

Nothing in this Motion, or any related order, constitutes or should be construed as an admission of liability by the Debtors with respect to any Audit or Assessment. The Debtors expressly reserve all rights with respect to any Audit and the right to contest any Assessments claimed to be due as a result of any Audit.

the Debtors seek authority to pay Taxes and Fees for so-called "straddle" periods. Finally, the Debtors seek authority to undertake certain typical activities related to tax planning, with prior consent from the advisors to each of the Akin Ad Hoc Group and the PW Ad Hoc Group, including (a) converting Debtor entities from one form to another (e.g., converting an entity from a corporation to a limited liability company) via conversion, merger, or otherwise ("Entity Conversions"); (b) making certain tax elections (including with respect to the tax classification of Debtor entities) ("Entity Classification Elections"); (c) changing the position of Debtor entities within the Debtors' corporate structure ("Entity Movements"); and (d) modifying or resolving intercompany claims and moving assets or liabilities among Debtor entities if doing so will not alter the substantive rights of the Debtors' stakeholders in these Chapter 11 Cases ("Asset and Liability Movements" and, together with the Entity Conversions, Entity Classification Elections, and Entity Movements, the "Tax Planning Activities").

Debtors' business operations in several ways, including (but not limited to): (a) the Authorities may initiate audits of the Debtors, which would unnecessarily divert the Debtors' attention from these Chapter 11 Cases; (b) the Authorities may attempt to suspend the Debtors' operations, file liens, seek to lift the automatic stay, and/or pursue other remedies that will harm the Debtors' estates; (c) in certain instances, the Debtors' directors and officers could be subject to claims of personal liability, which would likely distract those key individuals from their duties related to the Debtors' restructuring; and (d) key government customers may cease purchasing products from the Debtors. Taxes and Fees not timely paid as required by law may result in fines and penalties,

The Debtors reserve their rights with respect to the proper characterization of any "straddle" Taxes and Fees and to seek reimbursement of any portion of any payment made that ultimately is not entitled to administrative or priority treatment.

the accrual of interest, or both. The Debtors also collect and hold certain outstanding tax liabilities in trust for the benefit of the applicable Authorities, and these funds may not constitute property of the Debtors' estates. Accordingly, the Debtors seek authority to pay, in their reasonable discretion, the Taxes and Fees as described in this Motion.

11. The Debtors estimate that approximately \$5.8 million in Taxes and Fees is outstanding as of the Petition Date.⁷

Category	Description	Approximate Amount Accrued and Unpaid as of Petition Date
Income Taxes	Local, state, and federal taxes imposed on income earned in the ordinary course of business, generally payable on a quarterly basis.	\$400,000
Sales and Use Taxes	Taxes on goods and services sold or used, assessed based on the value of such goods and services, generally payable on a monthly basis.	\$2,900,000
Foreign Taxes	Taxes due to Authorities in foreign jurisdictions, including foreign corporate income taxes and value added taxes.	\$300,000
Property Taxes	Taxes related to real and personal property holdings, payable as such taxes come due in the ordinary course, at least on an annual basis.	\$1,700,0008
Business License Fees	Fees related to compliance with state licensing, permits, reporting, and other fees paid to state agencies.	\$300,000
Environmental Fees	Fees related to compliance with environmental and conservation laws and regulations.	N/A

The Debtors cannot predict the amounts of any potential Assessments that may result from Audits, if any. Accordingly, the Debtors' estimate of outstanding Taxes and Fees as of the Petition Date does not include any amounts relating to potential Assessments.

⁸ Generally, Property Taxes are assessed in January and paid in installments over the course of the calendar year in the ordinary course of business.

Category	Description	Approximate Amount Accrued and Unpaid as of Petition Date
Regulatory and Other Taxes and Fees	Taxes and Fees related to compliance with regulatory requirements, including periodic licensing, permitting, reporting, and similar requirements, payable on a monthly, quarterly, or annual basis, depending on the specific Tax or Fee.	\$200,000
	\$5,800,000	

II. Income Taxes.

- 12. The Debtors incur and are required to pay various state, local, and federal income taxes (collectively, the "<u>Income Taxes</u>") in the jurisdictions where the Debtors operate. The Debtors generally remit Income Taxes on a quarterly basis. In some jurisdictions, the Debtors remit to relevant Authorities estimated amounts with respect to Income Taxes, resulting in tax credits or overpayments that may be refunded to the Debtors in certain circumstances. In 2021, the Debtors remitted approximately \$8 million in Income Taxes to the applicable Authorities.
- 13. As of the Petition Date, the Debtors estimate that they owe approximately \$400,000 to the applicable Authorities on account of prepetition Income Taxes, including estimated amounts owed on account of 2022 Income Taxes. The Debtors request authority, but not direction, to satisfy any amounts owed on account of such Income Taxes that are due and owing as of the Petition Date or may become due and owing in the ordinary course of business during their Chapter 11 Cases.

III. Sales and Use Taxes.

14. The Debtors incur, collect, and remit sales and use taxes to the Authorities in connection with the sale, purchase, and use of goods and services (collectively, the "Sales and Use Taxes"). The Debtors generally remit Sales and Use Taxes on a monthly basis. In 2021, the Debtors remitted approximately \$22 million in Sales and Use Taxes to the applicable Authorities. As of the Petition Date, the Debtors estimate that they have incurred or collected approximately

\$2.9 million in Sales and Use Taxes that have not been remitted to the relevant Authorities. The Debtors request authority, but not direction, to satisfy any amounts owed on account of such Sales and Use Taxes that are due and owing as of the Petition Date or may become due and owing in the ordinary course of business during their Chapter 11 Cases.

IV. Foreign Taxes.

15. Because part of the Debtors' business is conducted abroad, the Debtors incur various taxes from foreign jurisdictions, including foreign corporate income taxes, value added taxes, withholding taxes, and other foreign taxes (collectively, the "Foreign Taxes"). In 2021, the Debtors remitted approximately \$600,000 in Foreign Taxes to the applicable Authorities. As of the Petition Date, the Debtors estimate that they owe approximately \$300,000 to the applicable Authorities on account of prepetition Foreign Taxes. The Debtors request authority, but not direction, to satisfy any amounts owed on account of such Foreign Taxes that are due and owing as of the Petition Date or may become due and owing in the ordinary course of business during their Chapter 11 Cases.

V. Property Taxes.

Authorities the power to levy property taxes against the Debtors' real and personal property (collectively, the "Property Taxes"). To avoid the imposition of statutory liens on their real and personal property, the Debtors pay the Property Taxes as they come due in the ordinary course of business. The deadlines for paying Property Taxes vary, but occur at least on an annual basis. In 2021, the Debtors remitted approximately \$1.7 million in Property Taxes to the applicable Authorities. As of the Petition Date, the Debtors estimate that they have incurred or collected approximately \$1.7 million in Property Taxes that have not been remitted to the relevant Authorities. The Debtors request authority, but not direction, to satisfy any amounts owed on

account of such Property Taxes that are due and owing as of the Petition Date or may become due and owing in the ordinary course of business during their Chapter 11 Cases.

VI. Business License Fees.

Debtors to obtain and pay fees to the applicable Authorities for a wide range of business licenses, permits, and annual reports to remain in good standing (collectively, the "Business License Fees"). The methods for calculating Business License Fees and the deadlines for paying such amounts due thereunder vary by jurisdiction. In 2021, the Debtors remitted approximately \$400,000 in Business License Fees to the applicable Authorities. As of the Petition Date, the Debtors estimate that they owe approximately \$300,000 to the applicable Authorities on account of prepetition Business License Fees. The Debtors request authority, but not direction, to satisfy any amounts owed on account of such Business License Fees that are due and owing as of the Petition Date or may become due and owing in the ordinary course of business during their Chapter 11 Cases.

VII. Environmental Fees.

18. The Debtors incur a variety of fees related to environmental and conservation laws regulations, and participation in regulatory agencies boards and state and (the "Environmental Fees"). The Debtors remit these Environmental Fees to the relevant Authorities on a periodic basis. As of the Petition Date, the Debtors are also responsible for certain environmental remediation costs in connection with certain properties they either own or previously owned in Omaha, NE, Shreveport, LA, Montgomery, IL, and Inglewood, CA The Debtors' current estimated Remediation Costs total (the "Remediation Costs"). approximately \$4.3 million, all of which has been set aside in a separate environmental reserve fund. While the Debtors do not believe they have any Environmental Fees, including Remediation Costs, that are due and outstanding as of the Petition Date, the Debtors request authority, in an

abundance of caution, to remit any Environmental Fees, including any portion of the Remediation Costs, that become due upon entry of the Order, and to continue remitting Environmental Fees in the ordinary course of business on a postpetition basis.

VIII. Regulatory and Other Taxes and Fees.

19. The Debtors incur, in the ordinary course of business, certain regulatory assessments, permitting, licensing and other operational fees, including fees related to certain regulations, franchise taxes, and other miscellaneous taxes and fees (collectively, the "Regulatory and Other Taxes and Fees"). The Debtors typically remit Regulatory and Other Taxes and Fees to the relevant Authorities on a monthly, quarterly, or annual basis. In 2021, the Debtors remitted approximately \$200,000 in Regulatory and Other Taxes and Fees to the applicable Authorities. As of the Petition Date, the Debtors estimate that approximately \$200,000 in Regulatory and Other Taxes and Fees will have accrued and remain unpaid to the relevant Authorities. The Debtors request authority, but not direction, to satisfy any amounts owed on account of such Regulatory and Other Taxes and Fees are due and owing as of the Petition Date or that may become due and owing in the ordinary course of business during their Chapter 11 Cases.

Basis for Relief

I. Certain of the Taxes and Fees May Not Be Property of the Debtors' Estates.

20. Section 541(d) of the Bankruptcy Code provides, in relevant part, that "[p]roperty in which the debtor holds, as of the commencement of the case, only legal title and not an equitable interest . . . becomes property of the estate under subsection (a)(1) or (2) of this section only to the extent of the debtors' legal title to such property, but not to the extent of any equitable interest in such property that the debtor does not hold." Certain of the Taxes and Fees are collected or withheld by the Debtors on behalf of the applicable Authorities and are held in trust by the Debtors. See, e.g., 26 U.S.C. § 7501 (stating that certain Taxes and Fees are held in trust); Begier v. Internal

Revenue Serv., 496 U.S. 53, 57–60 (1990) (holding that certain taxes are property held by the debtor in trust for another and, as such, do not constitute property of the estate). For example, all U.S. federal internal revenue tax withheld is considered to be held in a special fund in trust for the United States. Begier, 496 U.S. at 60. Because the Debtors may not have an equitable interest in funds held on account of such "trust fund" Taxes and Fees, the Debtors should be permitted to pay those funds to the applicable Authorities as they become due.⁹

II. Certain of the Taxes and Fees May Be Priority Claims Entitled to Priority Treatment Under the Bankruptcy Code.

21. Claims on account of certain of the Taxes and Fees may be priority claims entitled to payment before general unsecured claims. See 11 U.S.C. § 507(a)(8) (describing taxes entitled to priority treatment). To the extent that such amounts are entitled to priority treatment under the Bankruptcy Code, the respective Authorities may attempt to assess interest and penalties if such amounts are not paid. See 11 U.S.C. § 507(a)(8)(G) (granting eighth priority status to "a penalty related to a claim of a kind specified in this paragraph and in compensation for actual pecuniary loss"). Claims entitled to priority status pursuant to section 507(a)(8) of the Bankruptcy Code must be paid in full under a confirmable plan pursuant to section 1129(a)(9)(C) of the Bankruptcy Code. Therefore, payment of certain of the Taxes and Fees at this time only affects the timing of the payment for the amounts at issue and will not unduly prejudice the rights and recoveries of junior creditors. See In re Equalnet Commc'ns Corp., 258 B.R. 368, 369 (Bankr. S.D. Tex. 2000) ("[C]ertain types of claims enjoy a priority status in addition to being sometimes critical to the ongoing nature of the business. For instance . . . certain tax claims are both priority claims in whole or in part. The need to pay these claims in an ordinary course of business time-frame is

For clarity, the Debtors are requesting authority to pay the Taxes and Fees as provided herein regardless of whether such Taxes and Fees constitute trust fund obligations.

simple common sense."). Payment of such Taxes and Fees likely will give Authorities no more than that to which they otherwise would be entitled under a chapter 11 plan and will save the Debtors the potential interest expense, legal expense, and penalties that might otherwise accrue on the Taxes and Fees during these Chapter 11 Cases.

III. Payment of the Taxes and Fees as Provided Herein Is a Sound Exercise of the Debtors' Business Judgment.

- 22. Courts have recognized that it is appropriate to authorize the payment of prepetition obligations where necessary to protect and preserve the estate, including an operating business's going-concern value. See, e.g., In re CoServ, L.L.C., 273 B.R. 487, 497 (Bankr. N.D. Tex. 2002); In re Ionosphere Clubs, Inc., 98 B.R. 174, 175–76 (Bankr. S.D.N.Y. 1989); Armstrong World Indus., Inc. v. James A. Phillips, Inc. (In re James A. Phillips, Inc.), 29 B.R. 391, 398 (S.D.N.Y. 1983). In so doing, these courts acknowledge that several legal theories rooted in sections 105(a) and 363(b) of the Bankruptcy Code support the payment of prepetition claims.
- 23. Section 363(b) of the Bankruptcy Code permits a bankruptcy court, after notice and a hearing, to authorize a debtor to "use, sell, or lease, other than in the ordinary course of business, property of the estate[.]" 11 U.S.C. § 363(b)(1). "In determining whether to authorize the use, sale or lease of property of the estate under this section, courts require the debtor to show that a sound business purpose justifies such actions." *Dai-Ichi Kangyo Bank, Ltd. v. Montgomery Ward Holding Corp.* (In re Montgomery Ward Holding Corp.), 242 B.R. 147, 153 (D. Del. 1999) (collecting cases); *see also Armstrong World*, 29 B.R. at 397 (relying on section 363 to allow contractor to pay prepetition claims of suppliers who were potential lien claimants because the payments were necessary for general contractors to release funds owed to debtors); *In re Ionosphere Clubs*, 98 B.R. at 175 (finding that a sound business justification existed to justify payment of certain prepetition wages).

- 24. Courts also authorize payment of prepetition claims in appropriate circumstances based on section 105(a) of the Bankruptcy Code. Section 105(a) of the Bankruptcy Code codifies a bankruptcy court's inherent equitable powers to "issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title." 11 U.S.C. § 105(a). Under section 105(a), courts may authorize pre-plan payments of prepetition obligations when essential to the continued operation of a debtor's businesses. See In re CoServ, 273 B.R. at 616 (finding that sections 105 and 1107 of the Bankruptcy Code provide the authority for a debtor in possession to pay prepetition claims); In re Mirant Corp., 296 B.R. 427, 429 (Bankr. N.D. Tex. 2003) (noting that non-payment of prepetition claims may seriously damage a debtor's business). A bankruptcy court's use of its equitable powers to "authorize the payment of prepetition debt when such payment is needed to facilitate the rehabilitation of the debtor is not a novel concept." In re Ionosphere Clubs, 98 B.R. at 175–76 (citing Miltenberger v. Logansport, C. & S.W. Ry. Co., 106 U.S. 286 (1882)). The Bankruptcy Code authorizes the postpetition payment of prepetition claims when the payments are critical to preserving the going-concern value of the debtor's estate, as is the case here. See, e.g., In re CoServ, 273 B.R. at 497 ("[I]t is only logical that the bankruptcy court be able to use [s]ection 105(a) of the [Bankruptcy] Code to authorize satisfaction of the prepetition claim in aid of preservation or enhancement of the estate."). Indeed, at least one court has recognized that there are instances when a debtor's fiduciary duty can "only be fulfilled by the preplan satisfaction of a prepetition claim." *In re CoServ*, 273 B.R. at 497.
- 25. The Debtors' timely payment of the Taxes and Fees is critical to their continued and uninterrupted operations. If certain Taxes and Fees remain unpaid, the Authorities may seek to recover such amounts directly from the Debtors' directors, officers, or employees, thereby distracting such key personnel from the administration of these Chapter 11 Cases.

See, e.g., Schmehl v. Helton, 662 S.E.2d 697, 707 (W. Va. 2008) (noting that corporate officers may be held responsible for payment of certain corporate taxes); In re Am. Motor Club, Inc., 139 B.R. 578, 581–83 (Bankr. E.D.N.Y. 1992) (stating "[i]f the employer fails to pay over the trust fund taxes, the IRS may collect an equivalent amount directly from officers or employees of the employer who are responsible for collecting the tax" and finding director personally liable for unpaid taxes) (citing United States v. Energy Res. Co., 495 U.S. 545, 547 (1990)). Any collection action on account of such amounts, and any potential ensuing liability, would distract the Debtors and their personnel to the detriment of all parties in interest. The dedicated and active participation of the Debtors' officers and employees is integral to the Debtors' continued operations and essential to the orderly administration and, ultimately, the success of these Chapter 11 Cases. 10

- 26. Finally, the Debtors' failure to timely pay Taxes and Fees may result in increased tax liability for the Debtors if interest and penalties accrue on the unpaid Taxes and Fees. Such a result would be contrary to the best interests of the Debtors' estates and all stakeholders.
- 27. For the foregoing reasons, the Court should authorize the Debtors to pay all prepetition and postpetition obligations on account of Taxes and Fees, including any Assessments.

Emergency Consideration

28. The Debtors request emergency consideration of this Motion pursuant to Bankruptcy Rule 6003, which empowers a court to grant relief within the first twenty-one days after the commencement of a chapter 11 case "to the extent that relief is necessary to avoid immediate and irreparable harm." An immediate and orderly transition into chapter 11 is critical

Nothing herein is a concession that the Debtors' officers, directors, or employees would have personal liability for unpaid taxes. However, the threat of such collection efforts, even if ultimately unwarranted, would be a critical distraction. In addition, such individuals may be entitled to indemnification by the Debtors' estates which would be an unnecessary cost to be incurred.

to the viability of the Debtors' operations. Failure to receive the requested relief during the first twenty-one days of these Chapter 11 Cases would imperil the Debtors' restructuring and cause irreparable harm. The Debtors have satisfied the "immediate and irreparable harm" standard of Bankruptcy Rule 6003 and request that the Court approve the relief requested in this Motion on an emergency basis.

Processing of Checks and Electronic Fund Transfers Should Be Authorized

29. The Debtors have sufficient funds to pay the amounts described herein in the ordinary course of business by virtue of expected cash flows from ongoing business operations and anticipated access to cash collateral and debtor in possession financing. Under the Debtors' existing cash management system, the Debtors can readily identify checks or wire transfer requests as relating to an authorized payment in respect of the relief requested herein. Checks or wire transfer requests that are not related to authorized payments will not be honored inadvertently. The Debtors request that the Court authorize all applicable financial institutions, when requested by the Debtors, to receive, process, honor, and pay any and all checks or wire transfer requests in respect of the relief requested herein.

Waiver of Bankruptcy Rules 6004(a) and 6004(h)

30. The Debtors request that the Court enter an order providing that notice of the relief requested herein satisfies Bankruptcy Rule 6004(a) and that the Debtors have established cause to exclude such relief from the fourteen-day stay period under Bankruptcy Rule 6004(h).

Reservation of Rights

31. Nothing contained herein or any actions taken pursuant to such relief requested is intended or shall be construed as: (a) an admission as to the amount of, basis for, or validity of any claim against a Debtor entity under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any

grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Motion or any order granting the relief requested by this Motion or a finding that any particular claim is an administrative expense claim or other priority claim; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors', or any other party in interest's, rights under the Bankruptcy Code or any other applicable law; or (h) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief requested in this Motion are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens. If the Court grants the relief sought herein, any payment made pursuant to the Court's order is not intended and should not be construed as an admission as to the validity of any particular claim or a waiver of the Debtors' or any other party in interest's rights to subsequently dispute such claim.

ORDER (I) AUTHORIZING THE PAYMENT OF CERTAIN TAXES AND FEES, AND (II) GRANTING RELATED RELIEF

Upon the emergency motion (the "Motion")² of the above-captioned debtors and debtors in possession (collectively, the "Debtors") for entry of an order (this "Order"), (a) authorizing the Debtors to remit and pay (or use tax credits to offset) Taxes and Fees; and (b) granting related relief, all as more fully set forth in the Motion; and upon the First Day Declaration; and this Court having jurisdiction over this matter pursuant to 28 U.S.C. § 1334; and this Court having found that this is a core proceeding pursuant to 28 U.S.C. § 157(b); and this Court having found that it may enter a final order consistent with Article III of the United States Constitution; and this Court having found that venue of this proceeding and the Motion in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and this Court having found that the relief requested in the Motion is in the best interests of the Debtors' estates, their creditors, and other parties in interest; and this Court having found that the Debtors' notice of the Motion and opportunity for a hearing on the Motion were appropriate under the circumstances and no other notice need be provided; and this Court

A complete list of each of the Debtors in these Chapter 11 Cases may be obtained on the website of the Debtors' proposed claims and noticing agent at http://www.kccllc.net/avaya. ² Capitalized terms used but not defined herein have the meanings ascribed to them in the Motion.

having reviewed the Motion and having heard the statements in support of the relief requested therein at a hearing before this Court (the "Hearing"); and this Court having determined that the legal and factual bases set forth in the Motion and at the Hearing establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

- 1. The Debtors are authorized, but not directed, to: (a) negotiate, pay, and remit (or use tax credits to offset), or otherwise satisfy the Taxes and Fees (including corresponding Assessments) that arose or accrued prior to the Petition Date and that will become due and owing in the ordinary course of business during the pendency of these Chapter 11 Cases at such time when the Taxes and Fees are payable in accordance with applicable law; and (b) negotiate, pay and remit (or use tax credits to offset) Taxes and Fees that arise or accrue in the ordinary course of business on a postpetition basis—including, for the avoidance of doubt, posting collateral or a letter of credit in connection with any dispute related to the Audits or Assessments or paying any Taxes and Fees arising as a result of the Audits or Assessments; provided, notwithstanding anything to the contrary herein or in the Motion, that in the event the Debtors make a payment with respect to any Taxes and Fees for the prepetition portion of any "straddle" amount, and this Court subsequently determines such amount was not entitled to priority or administrative treatment under section 507(a)(8) or 503(b)(1)(B) of the Bankruptcy Code, the Debtors may (but shall not be required to) seek an order from the Court requiring a return of such amounts, and the payment of such amount shall, upon order of the Court, be refunded to the Debtors.
- 2. The Debtors shall maintain a matrix/schedule of payments made pursuant to this Order, including the following information: (a) the names of the payee; (b) the nature of the payment; (c) the amount of the payment; (d) the category or type of payment; (e) the Debtor or

Debtors that made the payment; (f) the payment date; and (g) the purpose of such payment. The Debtors shall provide a copy of such matrix/schedule to the advisors to the U.S. Trustee, any statutory committee appointed in the Chapter 11 Cases, the Akin Ad Hoc Group, and the PW Ad Hoc Group within twenty (20) calendar days following the conclusion of each calendar month.

- 3. Notwithstanding the relief granted herein or any actions taken hereunder, nothing contained in this Order shall create any rights in favor of, or enhance the status of any claim held by, any of the Authorities.
- 4. Nothing in this Order authorizes the Debtors to accelerate any payments not otherwise due.
- 5. To the extent that the Debtors have overpaid any Taxes and Fees, the Debtors are authorized to seek a refund or credit.
- 6. To the extent the Debtors seek to pay any Taxes and Fees to any Authority not identified on **Exhibit A**, the Debtors shall provide three (3) calendar days' prior written notice to each of the advisors to the Akin Ad Hoc Group and the PW Ad Hoc Group (collectively, the "Notice Parties") and shall not make such payments without obtaining prior consent from the Notice Parties; *provided*, *however*, that if the Notice Parties do not object to the payments within three (3) calendar days of the date on which written notice is provided, then the Notice Parties shall be deemed to have consented to the payment of the Taxes and Fees. Nothing herein shall prevent the Debtors from seeking Court approval in the event of an objection.
- 7. The Debtors are authorized to undertake the Tax Planning Activities, with the prior consent from the advisors to each of the Akin Ad Hoc Group and the PW Ad Hoc Group.

- 8. The Debtors' rights to contest the validity or priority of any Taxes and Fees on any grounds they deem appropriate are reserved and extend to the payment of Taxes and Fees relating to Audits that have been completed, are in progress, or arise from prepetition periods.
- 9. Notwithstanding the relief granted herein and any actions taken pursuant to such relief, nothing in this Order shall be deemed: (a) an admission as to the amount of, basis for, or validity of any claim against a Debtor entity under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined in the Motion or any order granting the relief requested by the Motion or a finding that any particular claim is an administrative expense claim or other priority claim; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors', or any other party in interest's, rights under the Bankruptcy Code or any other applicable law; or (h) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief requested in the Motion are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens.
- 10. The banks and financial institutions on which checks were drawn or will be drawn or electronic funds transfer requests made in payment of the prepetition or postpetition obligations approved herein are authorized to receive, process, honor, and pay all such checks and electronic payment requests when presented for payment, and all such banks and financial institutions are

authorized to rely on the Debtors' designation of any particular check or electronic payment request as approved by this Order.

- 11. The Debtors are authorized to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests that are dishonored as a consequence of these Chapter 11 Cases with respect to prepetition amounts owed in connection with the relief granted herein.
- 12. Notwithstanding anything to the contrary in this Order, any payment made or to be made hereunder, and any authorization herein, shall be subject to the requirements (if any) imposed on the Debtors under any order(s) of this Court approving the postpetition secured debtor-in-possession financing facility and the use of cash collateral (any such order, a "Financing Order"), including any documentation with respect to such financing and any budget in connection with such Financing Order. In the event of any conflict between the terms of this Order and a Financing Order, the terms of the applicable Financing Order shall control (solely to the extent of such conflict).
 - 13. The contents of the Motion satisfy the requirements of Bankruptcy Rule 6003(b).
- 14. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion and the requirements of Bankruptcy Rule 6004(a) and the Bankruptcy Local Rules are satisfied by such notice.
- 15. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Order are immediately effective and enforceable upon its entry.
- 16. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Order.

17.	This Court retains exclu	sive jurisdiction with respect to all matters arising from or
related to the	implementation, interpret	tation, and enforcement of this Order.
