General Notes

Description of these Chapter 11 Cases

On May 10, 2020 (the "<u>Petition Date</u>"), the Debtors commenced with the United States Bankruptcy Court for the Southern District of New York (the "<u>Court</u>") voluntary cases under chapter 11 of title 11 of the United States Code (the "<u>Bankruptcy Code</u>"). The Debtors are authorized to continue operating their businesses and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On May 15, 2020, the Bankruptcy Court entered an order authorizing the joint administration of these cases pursuant to Rule 1015(b) of the Federal Rules of Bankruptcy Procedure. On May 22, 2020, the United States Trustee for the Southern District of New York (the "<u>U.S. Trustee</u>") appointed an official committee of unsecured creditors pursuant to section 1102(a)(1) of the Bankruptcy Code. Additional information about these chapter 11 cases, court filings, and claims information is available at the Debtors' restructuring website: https://kccllc.net/avianca.

Financial Statements

The financial statements contained herein include the results of those entities in which the Debtors hold a direct substantial and controlling interest². The Financial Statements are unaudited, limited in scope and do not fully comply with generally accepted accounting principles in the United States of America ("<u>U.S. GAAP</u>") or international financial reporting standards ("<u>IFRS</u>"). The financial statements have been derived from the books and records of the Debtors and the Controlled Non-Debtor Entities. If U.S. GAAP or IFRS procedures had been applied in full, the Debtors believe that the financial information could be subject to changes and these changes could be material.

Although management made reasonable efforts to ensure that the financial information is accurate and complete based on information that was available to them at the time of preparation, subsequent information or discovery may result in material changes to the information. Notwithstanding any such discovery, new information, or errors or omissions, the Debtors do not undertake any obligation or commitment to update this Periodic Report. Nothing contained in this Periodic Report shall constitute a waiver of any rights of the Debtors, including the right to amend the information contained herein.

The financial information disclosed herein was not prepared in accordance with federal or state securities laws or other applicable non-bankruptcy law or in lieu of complying with any periodic reporting requirements thereunder. Persons and entities trading in or otherwise purchasing, selling, or transferring the claims against or equity interests in the Debtors should evaluate this financial information in light of the purposes for which it was prepared. The Debtors are not liable for and undertake no responsibility to indicate variations from securities laws or for any

evaluations of the Debtors based on this financial information or any other information.

The results of operations contained herein are not necessarily indicative of results that are expected from any other period and may not necessarily reflect the results of operations or financial position of the non-Debtors in the future. Further, this Periodic Report is limited in scope, covers a limited time period, and has been prepared solely for purposes of fulfilling the requirements of Bankruptcy Rule 2015.3. Given, among other things, the uncertainty surrounding the realization, measurement, and ownership of certain assets and the valuation and nature of certain liabilities, to the extent that a non-Debtor entity shows more assets than liabilities, this is not an admission that the non-Debtor entity was solvent on the Petition Date or at any time prior to the Petition Date, including the date as of or for the period of any financial statements or other information included in this Periodic Report. Likewise, to the extent that a non-Debtor entity was insolvent on the Petition Date or at any time prior to the Petition Date or at any time prior to the Petition Date, including the date as of or for the period of any financial statements or other information included in this Periodic Report. Likewise, to the extent that a non-Debtor entity was insolvent on the Petition Date or at any time prior to the Petition Date, including the date as of or other information that the non-Debtor entity shows more liabilities than assets, this is not an admission that the non-Debtor entity was insolvent on the Petition Date or at any time prior to the Petition Date, including the date as of or other information included in this Periodic Report. Likewise, to the restent that a non-Debtor entity was insolvent on the Petition Date or at any time prior to the Petition Date, including the date as of or for the period of any financial statements or other information included in this Periodic Report.

The balance sheets and statements of income have been included for the non-Debtor affiliates to the extent available on a basis consistent with the Debtor's consolidated financial statements. While statements of cash flow and statements of changes in stockholders' are prepared for consolidated Avianca Holdings S.A and prior years non-Debtor audited financials, these are not prepared at the individual entity basis in the ordinary course of business. Accordingly, a cash flow statement and statements of changes in stockholders' equity have not been included with this report.

Intercompany Transactions

Receivables and payables between the Controlled Non-Debtor Entities and Debtors and/or among the various Controlled Non-Debtor Entities have not been eliminated. No conclusion as to the legal obligation related to these intercompany transactions is made by this Periodic Report.

Current Values

The Debtors do not maintain fair market value or other bases of valuation for these entities, which may differ substantially from the net book value of these entities.

Reservation of Rights

Nothing contained in this Periodic Report shall constitute a waiver or admission by the Debtors in any respect, nor shall this Periodic Report or any information set forth herein waive or release any of the Debtors' rights or admission with respect to these chapter 11 cases, or their estates, including with respect to, among other things, matters involving objections to claims, substantive consolidation, equitable subordination, defenses, characterization or re-characterization of contracts, assumption or rejection of contracts under the provisions of chapter 3 of the Bankruptcy Code and/or causes of action under the provisions of chapter 5 of

<u>Exhibit D</u>

Description of Claims between the Controlled Non-Debtor Entities

The claims are intercompany payables and receivables arising from the normal course of business.

Exhibit E

Description of how federal, state, or local taxes, and any tax attributes, refunds, or other benefits, have been allocated between or among the controlled non-debtor entities and any other debtors or controlled non-debtor entity (include a copy of each tax sharing or tax allocation agreement which governs these transactions).

Debtors and non-debtors currently pay all federal, local and income taxes in accordance with the laws established for them in each country.

For non-debtors, according to the type of company, the taxes treatment generally is indicated as follows:

- For many of the non-debtor companies, each company pays its national and municipal taxes directly, complying with the regulations in force in each country, for national and foreign companies. There are no tax distribution or allocation agreements with any other entity.
- For non-debtor domestic limited liability companies, the tax liabilities are consolidated into a parent company return.
- Special Purpose Vehicle (SPV) entities (used for special financing transactions) are incorporated in certain jurisdictions as collateral, to meet the requirements of the financial parties. These entities are characterized by a simple registration, and the tax rate is equivalent to a fixed administrative fee according to the regulations in force in each country.
- For non-debtor, non-majority owned companies, generally the taxes are the responsibility of the companies, themselves, and us or the managing owner/partner.

<u>Exhibit F</u>

Description of Controlled Non-Debtor Entity's payments of Administrative Expenses, or Professional Fees otherwise payable by a Debtor
