I believe them to be true and correct. If called upon as a witness, I could, and would, competently testify to the facts contained herein.

After reviewing the books, records and files of the above-referenced matter, I make the following Declaration.

I am informed and believe, and thereon allege that Debtor, Borrego Community Health Found (hereinafter referred to as "Debtor") executed a Retail Installment Sale Contract – Simple Finance Charge (With Arbitration Provision) written contractual agreement for the purchase of a 2017 Chevrolet Silverado 2500, vehicle (V.I.N. 1GC2CUEG2HZ289922) (hereinafter referred to as the "property") which Debtor, Borrego Community Health Foundation has listed in its Chapter 11 Petition. True and correct copies of the contractual agreement and the Lien and Title Information for the property are attached hereto as Exhibits "A" and "B". The aforementioned, prevailing Security Agreement was duly assigned by Bob Stall Chevrolet to Secured Creditor during the normal course of business on or about September 22, 2017.

As of the date hereof, Debtor is past due for the October 6, 2022 through and including January 6, 2023, monthly payments at the rate of \$640.33 per month and Debtor will become due for the sum of \$640.33 again on February 6, 2023. Debtor is in possession of the property at this time.

Based upon information derived from the JD Power Guide, a true and correct photocopy of which is attached hereto as Exhibit "D". I am informed and believe, and thereon allege, the property has a replacement value to Debtor of \$27,750.00. This is the value indicated for collateral of this year, make, model and general features in the reference guide most commonly used source of valuation data used by Movant in the ordinary course of business for determining the value of this type of collateral. Although it appears that the Debtor has equity in the property, Secured Creditor seeks relief "for cause" due to the Debtor being in default under the terms of the loan agreement due to its election not to make the required payments under the terms of the loan agreement.
