Briggs & Stratton Corporation and its debtor affiliates in the above-captioned chapter 11 cases, as debtors and debtors in possession (collectively, the “**Debtors**”), respectfully represent as follows in support of this motion (the “**Motion**”):

Background

1. On July 20, 2020 (the “**Petition Date**”), the Debtors each commenced with this Court a voluntary case under title 11 of the United States Code (the “**Bankruptcy Code**”). The Debtors are authorized to continue to operate their business and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On August 5, 2020, the United States Trustee appointed an official committee of unsecured creditors (the “**Creditors’ Committee**”) in these chapter 11 cases pursuant to section 1102 of the Bankruptcy Code. No trustee or examiner has been appointed in these chapter 11 cases. The Debtors’ chapter

11 cases are being jointly administered for procedural purposes only pursuant to Rule 1015(b) of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”) and Rule 1015(b) of the Local Rules of Bankruptcy Procedure for the Eastern District of Missouri (the “**Local Rules**”).

2. On the Petition Date, the Debtors filed the *Motion of Debtors for Entry of an Order (I) Approving (A) Bidding Procedures, (B) Designation of Stalking Horse Bidder and Stalking Horse Bid Protections, (C) Scheduling Auction and Sale Hearing, (D) Form and Manner of Notice of Sale, Auction, and Sale Hearing, and (E) Assumption and Assignment Procedures; (II) Authorizing (A) Sale of Debtors’ Assets and Equity Interests Free and Clear of Liens, Claims, Interests, and Encumbrances and (B) Assumption and Assignment of Executory Contracts and Unexpired Leases; and (III) Granting Related Relief* [Docket No. 53]. On August 19, 2020, the Court entered an order [Docket No. 505] (the “**Bidding Procedures Order**”) that, among other things, approved bidding procedures in connection with the sale of the Debtors’ assets (the “**Sale Transaction**”), scheduled an auction to take place on September 1, 2020, and scheduled a sale hearing for September 15, 2020. On September 15, 2020, the Court entered an order (the “**Sale Order**”)¹ authorizing the Debtors to sell substantially all of their assets to Bucephalus Buyer, LLC (the “**Purchaser**”) pursuant to that certain *Stock and Asset Purchase Agreement*, effective as of July 19, 2020 (together with the exhibits thereto, as may be amended, modified, or supplemented from time to time in accordance with the terms thereof, the “**Purchase Agreement**”). The Sale Transaction closed on September 21, 2020 (the “**Sale Closing**”).² The Debtors continue to honor

their post-Sale Closing obligations, wind down their estates, and work on confirming a chapter 11 plan and otherwise concluding these chapter 11 cases.

3. On August 24, 2020, the Court entered the *Order (I) Establishing Deadlines for Filing Proofs of Claim and Procedures Relating Thereto and (II) Approving Form and Manner of Notice Thereof* [Docket No. 564] (the “**Bar Date Order**”) establishing that the Debtors shall provide notice of an order granting rejection of executory contracts and unexpired leases to contract counterparties affected by such rejection and such notice shall clearly indicate the deadline by which a claimant asserting rejection damages must file a proof of claim for damages arising from such rejection (the “**Rejection Notice**”).

4. On October 9, 2020, the Debtors filed their *Joint Chapter 11 Plan of Briggs & Stratton Corporation and its Affiliated Debtors* [Docket No. 1066] (the “**Plan**”) and the accompanying *Disclosure Statement for Joint Chapter 11 Plan of Reorganization of Briggs & Stratton Corporation and Its Affiliated Debtors* [Docket No. 1067].

5. Additional information regarding the Debtors’ business and capital structure and the circumstances leading to the commencement of these chapter 11 cases is set forth in the *Declaration of Jeffrey Ficks, Financial Advisor of Briggs & Stratton Corporation, in Support of the Debtors’ Chapter 11 Petitions and First Day Relief* [Docket No. 51] (the “**Ficks Declaration**”).³

Jurisdiction

6. The Court has jurisdiction to consider this matter pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue is proper before the Court pursuant to 28 U.S.C. §§ 1408 and 1409.

³ Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Ficks Declaration.

Relief Requested

7. By this Motion, the Debtors seek entry of an order (the “**Proposed Order**”)⁴ pursuant to sections 105(a), 365, and 554(a) of the Bankruptcy Code and Bankruptcy Rules 6004, 6006, and 6007 for (i) authority to (a) reject certain executory contracts and unexpired personal property leases (the “**Contracts and Personal Property Leases**”), which are identified on **Exhibit A** (the “**Contracts and Personal Property Leases Schedule**”), annexed hereto, as of the date of this Motion (the “**Rejection Date**”) and nonresidential real property lease (the “**Real Property Lease**” and, together with the Contracts and Personal Property Leases, the “**Rejected Agreements**”), which is identified on **Exhibit B** (the “**Real Property Schedule**” and, together with the Contracts and Personal Property Leases Schedule, the “**Rejection Schedule**”), annexed hereto, as of the date that the Debtors relinquish control of the applicable leased premises by (1) returning the keys and, if applicable, any key codes and security codes to the affected landlord or an appropriate agent thereof or (2) notifying the affected landlord in writing that the keys, key codes, and/or security codes, if any, are not available and that the landlord may rekey the leased premises (the “**Abandonment Date**”); and (b) abandon certain property in connection with the rejection of the unexpired leases; and (ii) granting related relief.

8. Consistent with the Bar Date Order, the Debtors will provide notice of the deadline by which a claimant asserting damages arising from the rejection of Rejected Agreements must file a proof of claim, which will be calculated as the date that is **forty (40) days** after the service of the Rejection Notice (the “**Rejection Damages Bar Date**”).

⁴ Copies of the Proposed Order will be made available on the Debtors’ case information website at <http://www.kccllc.net/Briggs>.

Rejected Agreements

9. The Debtors, in their business judgment, have determined that the Rejected Agreements are unnecessary and burdensome to the Debtors' estates and should be rejected. The Rejected Agreements are divided into the following three categories: (i) vendor, supplier, and service contracts, (ii) nonresidential real property lease, and (iii) personal property leases.

10. Vendor, Supplier, and Service Contracts. Due to the Sale Transaction, which involved the transfer of substantially all of the Debtors' assets to the Purchaser, the Debtors no longer require the goods and services provided under various vendor, supplier, and service contracts included in the Rejected Schedule.

11. Nonresidential Real Property Lease. As of the Petition Date, Debtor Briggs & Stratton Corporation was party to that certain Commercial Lease Agreement, dated December 4, 2008, by and between 243 Overhill, LLC (the "**Landlord**") and Briggs & Stratton Corporation, successor by merger to Briggs & Stratton Power Products Group, LLC, dated December 4, 2008, as amended by Addendum 1 dated December 4, 2008, Addendum 2 dated December 8, 2009, Addendum 3 dated December 10, 2010, Addendum 4 dated December 31, 2012, Addendum 5 dated January 5, 2016, Addendum 6 dated December 20, 2016, Addendum 7 dated February 01, 2018, Addendum 8 dated January 18, 2019, and Addendum 9 dated December 13, 2019 (the "**Real Property Lease**"), related to the premises located at 243 Overshill Drive, Suite A, Mooresville, NC (the "**Leased Premises**"). The Debtors previously used the Leased Premises as office space. In August 2020, the Debtors moved out of the Mooresville Leased Premises, but as of the filing of this Motion had not returned the keys to the Landlord.

12. The Leased Premises no longer confer any benefit to the Debtors or their estates. Accordingly, the Debtors, in their business judgment, determined that the benefits provided by the Real Property Lease does not outweigh the costs associated therewith and seek to

reject the Real Property Lease as of the Abandonment Date in an effort to eliminate further financial burden and reduce postpetition administrative costs to the estates.

13. The Debtors also request authority to abandon any and all property and equipment remaining at the Leased Premises that the Debtors determine is too difficult to remove or expensive to store, such that the economic benefits of removing or storing such remaining property would be outweighed by the attendant costs (such assets, the “**De Minimis Assets**”).⁵ Any property or equipment remaining at the Leased Premises shall be deemed abandoned without further notice or order of the Court, free and clear of all liens, claims, interests, or other encumbrances.

14. Personal Property Leases. As of the Petition Date, certain of the Debtors were party to various equipment leases and other personal property leases (collectively, the “**Personal Property Leases**”), which, due to the Sale Transaction, are no longer necessary for the administration of the Debtors’ estates. The Debtors have determined in their business judgment that continued performance under the Personal Property Leases is no longer of any benefit to the bankruptcy estates and that paying for property thereunder (the “**Personal Property**”) that the Debtors no longer need is an unnecessary and burdensome expense. Accordingly, rejection of the Personal Property Lease and abandonment of the Personal Property is appropriate and in the best interest of the Debtors and their estates.

15. Pursuant to the Bidding Procedures Order, prior to the closing of the Sale Transaction, the Debtors used reasonable best efforts to notify each of the counterparties to the

⁵ The Debtors do not believe De Minimis Assets remain at the Leased Premises and are seeking relief out of an abundance of caution.

Rejected Agreements (the “**Counterparties**”) of the Sale Transaction⁶ and provided notice that the Counterparty’s executory contract or unexpired lease may be assumed and assigned to the Purchaser in connection therewith.⁷

16. Between September 14, 2020 and October 26, 2020, the Debtors filed the First Amended Assumption and Assignment Notice, the Second Amended Assumption and Assignment Notice, the Third Amended Assumption and Assignment Notice, and the Fourth Amended Assumption and Assignment Notice, each of which removed certain of the Rejected Agreements from the list of executory contracts and unexpired leases that were ultimately assumed and assigned to the Purchaser in connection with the Sale Transaction (the “**Purchased Contracts**”). See First Amended Assumption and Assignment Notice; Second Amended Assumption and Assignment Notice; Third Amended Assumption and Assignment Notice; Fourth Amended Assumption and Assignment Notice.

⁶ See *Notice of Sale, Bidding, Procedures, Auction and Sale Hearing* [Docket No. 527] (the “**Sale Notice**”); *Certificate of Service* [Docket Nos. 572, 589, 675, 676, 699, 759, 843, 849, 929] (serving the Sale Notice on the Counterparties).

⁷ See *Notice of Cure Costs and Proposed Assumption and Assignment of Executory Contracts and Unexpired Leases in Connection with Sale* [Docket Nos. 513, 514, 515, 537] (the “**Initial Assumption and Assignment Notice**”); *Certificate of Service* [Docket Nos. 574, 575, 595, 677, 678] (serving the Initial Assumption and Assignment Notice on certain Counterparties); *Amended Notice of Cure Costs and Proposed Assumption and Assignment of Executory Contracts and Unexpired Leases in Connection with Sale* [Docket No. 879] (the “**First Amended Assumption and Assignment Notice**”); *Certificate of Service* [Docket Nos. 913, 946] (serving the First Amended Assumption and Assignment Notice on certain Counterparties); *Second Amended Notice of Cure Costs and Proposed Assumption and Assignment of Executory Contracts and Unexpired Leases in Connection with Sale* [Docket No. 965] (the “**Second Amended Assumption and Assignment Notice**”); *Certificate of Service* [Docket No. 978] (serving the Second Amended Assumption and Assignment Notice on certain Counterparties); *Third Amended Notice of Cure Costs and Proposed Assumption and Assignment of Executory Contracts and Unexpired Leases in Connection with Sale* [Docket No. 1040] (the “**Third Amended Assumption and Assignment Notice**”); *Certificate of Service* [Docket No. 1063] (serving the Third Amended Assumption and Assignment Notice on certain Counterparties); *Fourth Amended Notice of Cure Costs and Proposed Assumption and Assignment of Executory Contracts and Unexpired Leases in Connection with Sale* [Docket No. 1162] (the “**Fourth Amended Assumption and Assignment Notice**” and, together with the Initial Assumption and Assignment Notice, the First Amended Assumption and Assignment Notice, the Second Amended Assumption and Assignment Notice, and the Third Amended Assumption and Assignment Notice, the “**Assumption and Assignment Notice**”); *Certificate of Service* [Docket No. 1170] (serving the Fourth Amended Assumption and Assignment Notice on certain Counterparties).

17. Pursuant to the Sale Order and the Purchase Agreement, following the Sale Closing, the Purchaser may designate additional agreements (each an “**Additional Agreement**”) that were not (i) already assumed and assigned to the Purchaser, (ii) previously rejected by the Debtors in the chapter 11 cases, and (iii) deemed an Excluded Asset (as defined in the Purchase Agreement) and upon such designation, the Debtors shall use commercially reasonable efforts to assume and assign the Additional Agreement to the Purchaser. *See* Sale Order ¶ 22; Purchase Agreement § 6.9.⁸

18. As of the date of the Motion, the Rejected Agreements have not been assumed and assigned to the Purchaser in connection with the Sale Transaction and are not Purchased Contracts. Accordingly, because the Rejected Agreements may result in unnecessary expense to the Debtors’ estates, the Debtors seek to reject the Contracts and Personal Property Leases, effective as of the Rejection Date, and the Real Property Lease, effective as of the Abandonment Date, to eliminate further financial burden and potential postpetition administrative costs to the estates.

Relief Requested Should Be Granted

A. Rejection of Rejected Agreements Constitutes a Sound Exercise of Debtors’ Reasonable Business Judgment and Is in Best Interests of Debtors’ Estates

19. Section 365(a) of the Bankruptcy Code provides, in pertinent part, that a debtor in possession “subject to the court’s approval, may assume or reject any executory contract or unexpired lease of the debtor.” 11 U.S.C. § 365(a). “The ability of a debtor to reject a burdensome executory contract is a fundamentally important component of bankruptcy law.” *In*

⁸ If the Purchaser designates an Additional Agreement for assumption and assignment that is a Rejected Agreement at least four (4) business days prior to the hearing on the Motion, the Debtors will use reasonable best efforts to file a revised Rejection Schedule prior to the hearing to remove such Rejected Agreement from the Rejection Schedule.

re Noranda Aluminum, Inc., 549 B.R. 725, 727 (Bankr. E.D. Mo. 2016); *see also NLRB v. Bildisco & Bildisco*, 465 U.S. 513, 528 (1984) (“[T]he authority to reject an executory contract is vital to the basic purpose of a Chapter 11 reorganization, because rejection can release the debtor’s estate from burdensome obligations that can impede a successful reorganization.”).

20. The standard applied to determine whether the rejection of an executory contract or unexpired lease should be authorized is the “business judgment” standard, which “entails a determination that the transaction is in the best interest of the estate.” *Noranda*, 549 B.R. at 728 (citing *Four B. Corp. v Food Barn Stores, Inc.*, 107 F.3d 558, 567 n.16 (8th Cir. 1997); *Crystalin, L.L.C. v. Selma Props., Inc.*, 293 B.R. 455, 463-64 (B.A.P. 8th Cir. 2003)); *see also In re Steaks to Go*, 226 B.R. 35, 37 (Bankr. E.D. Mo. 1998) (“Generally, a Bankruptcy Court is to review a decision by a debtor in possession or a trustee to reject an executory contract, and order rejection if the rejection is based on the debtor or trustee’s best business judgment in the circumstances”). The business judgment test “is not an onerous one and does not require the bankruptcy court to place itself in the position of the trustee or debtor-in-possession and determining whether assuming the [lease] would be a good business decision or a bad one.” *Noranda*, 549 B.R. at 728 (quoting *Crystalin*, 293 B.R. at 464).

21. In the Eighth Circuit, under the business judgment standard, the decision to reject an agreement must be in the “exercise of sound business judgment showing benefit to the estate.” *Noranda*, 549 B.R. at 728 (citing *Crystalin*, 293 B.R. at 464). Further, the bankruptcy court “should not interfere with the trustee or debtor-in-possession’s business judgment except on a finding of bad faith or gross abuse of their business discretion.” *Noranda*, 549 B.R. at 728 (citing *Crystalin*, 293 B.R. at 464) (internal quotations omitted). If a debtor’s request to reject an executory contract or unexpired lease “is not manifestly unreasonable or made in bad faith, the court should normally grant approval as long as the proposed action *appears* to enhance the

debtor's estate.” *Noranda*, 549 B.R. at 728 (citing *Food Barn*, 107 F.3d at 567 n. 16 (emphasis added)).

22. The Debtors believe that rejection of the Rejected Agreements is well within their business judgment and is in the best interests of their estates. The Debtors have no ongoing business that requires the goods, services, and facilities provided under the Rejected Agreements. Thus, at this point, the Rejected Agreements potentially impose unnecessary expenses on the Debtors' estates. Consequently, the rejection of the Rejected Agreements will result in the avoidance of a potential cost and thus a net gain for the Debtors' estates. In addition, understanding the size of the rejection damage claims is an important factor in the Debtors' plan formulation and plan confirmation processes. The Debtors proposed Rejection Damages Bar Date provides for a deadline near the end of December, which will enable the Debtors to have a better understanding of the claims pool as they pursue confirmation of the Plan.

23. Accordingly, rejection of the Rejected Agreements should be approved.

B. Retroactive Rejection of Rejected Agreements is Appropriate Under Circumstances

24. Retroactive rejection of the Contracts and Personal Property Leases as of the Rejection Date and, if applicable, the Real Property Lease as of the Abandonment Date, is fair and equitable. The Counterparties had adequate notice of the Sale Transaction and potential for the Debtors to reject the Rejected Agreements if not assumed and assigned to the Purchaser throughout the Debtors' chapter 11 cases. The Counterparties had further notice that the Rejected Agreements were removed from the Assumption and Assignment Notice and not assumed and assigned to the Purchaser. In addition, the Debtors vacated the Leased Premises in August 2020, which provided the Landlord further notice that the Real Property Lease would likely be rejected if not assumed and assigned to the Purchaser. Moreover, the Debtors shall serve this Motion on the Counterparties by the Rejection Date to notify the Counterparties that upon entry of the order

approving the Motion, the Contracts and Personal Property Leases will be rejected as of such date and the Real Property Lease will be rejected as of the Abandonment Date. This is a modest request for retroactive relief, in circumstances where the Rejected Agreements have no ongoing value to the Debtors.

25. Bankruptcy courts are empowered to grant retroactive rejection of a contract under sections 105(a) and 365(a) of the Bankruptcy Code. *See Thinking Machs. Corp. v. Mellon Fin. Servs. Corp. (In re Thinking Machs. Corp.)*, 67 F.3d 1021, 1028-29 (1st Cir. 1995) (indicating “rejection under section 365(a) does not take effect until judicial approval is secured, but the approving court has the equitable power, in suitable cases, to order a rejection to operate retroactively” to the motion filing date); *Constant Ltd. Partnership v. Jamesway Corp.*, 179 B.R. 33, 37 (S.D.N.Y. 1995) (section 365(d) “does not state that rejection cannot be applied retroactively, or that there are restrictions as to the manner in which the court can approve rejection”); *In re Chi-Chi’s, Inc.*, 305 B.R. 396, 399 (Bankr. D. Del. 2004) (“[T]he court’s power to grant retroactive relief is derived from the bankruptcy court’s equitable powers so long as it promotes the purposes of § 365(a).”). Courts in this and other jurisdictions have previously considered and allowed retroactive rejection. *See, e.g., In re Armstrong Energy, Inc.*, Case No. 17-47541 (E.D. Mo. 2017) [Docket No. 207] (granting debtors’ motion to reject certain executory contracts *nunc pro tunc* to the petition date); *In re Noranda Aluminum Inc.*, Case No. 16-10083 (Bankr. E.D. Mo. 2016) [Docket No. 419] (same); *In re Arch Coal, Inc.*, Case No. 16-40120 (Bankr. E.D. Mo. 2016) [Docket No. 390] (same); *see also Pac. Shores Dev., LLC v. At Home Corp.*, 392 F.3d 1064, 1065-71 (9th Cir. 2004) (affirming the bankruptcy court’s approval of retroactive rejection of unexpired leases to the date the debtor filed its motion seeking to reject them), cert. denied, 546 U.S. 814 (2005); *In re Alta Mesa Resources, Inc., et al.*, (Bankr. S.D. Tex. May 27, 2020) [Docket No. 1781] (authorizing retroactive rejection of executory contracts to the

date of the motion); *In re Southland Royalty Company LLC*, Case No. 20-10158 (KBO) (Bankr. D. Del. Apr. 17, 2020) [Docket No. 343] (authorizing retroactive rejection of executory contracts to various dates, including to the date of the motion); *In re Rupari Holding Corp*, 2017 Bankr. LEXIS 4095 at *14 (Bankr. D. Del. 2017) (authorizing retroactive rejection of executory contracts to the closing date of the sale of the debtors' assets); *In re ALCO Stores, Inc.*, Case No. 14- 34941 (SGJ) (Bankr. N.D. Tex. Oct. 27, 2014) [Docket. No. 176] (rejecting lease as of the petition date).

26. In addition, the Court has the authority, pursuant to its equitable powers under section 105(a) of the Bankruptcy Code, to authorize rejection of an executory contract where such relief is necessary for the debtors to carry out their fiduciary duties under section 1107(a) of the Bankruptcy Code. Section 105(a) of the Bankruptcy Code empowers bankruptcy courts to “issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title.” 11 U.S.C. § 105(a). Section 1107(a) of the Bankruptcy Code “contains an implied duty of the debtor-in-possession” to act as a fiduciary to “protect and preserve the estate” on behalf of the debtor’s creditors and other parties in interest. *In re CEI Roofing, Inc.*, 315 B.R. 50, 59 (Bankr. N.D. Tex. 2004).

27. In view of the foregoing, the Debtors request that the Court approve pursuant to sections 105(a) and 365(a) of the Bankruptcy Code the rejection of the Contracts and Personal Property Leases retroactive to the Rejection Date and, if applicable, rejection of the Real Estate Lease retroactive to the Abandonment Date.

C. Abandonment of De Minimis Assets and Personal Property Should Be Approved

28. The Debtors also request authority to abandon any De Minimis Assets remaining at the Leased Premises, as of the Abandonment Date, and, to the extent that the Counterparties to the Personal Property Leases do not timely retrieve the Personal Property, the Debtors seek to abandon the Personal Property, as of the Rejection Date.

29. Under section 554(a) of the Bankruptcy Code, a debtor, after notice and a hearing, is authorized to “abandon any property of the estate that is burdensome to the estate or that is of inconsequential value and benefit to the estate.” 11 U.S.C. § 554(a). The right to abandon property is virtually unfettered, unless (a) abandonment of the property will contravene laws designed to protect public health and safety or (b) the property poses an imminent threat to the public’s welfare. *See In re Midlantic Nat’l Bank*, 474 U.S. 494, 501 (1986). However, if the debtor is liquidating, these factors do not apply. *See Missouri Dep’t. of Natural Res. V. Valley Steel Prods. Co., Inc. (In re Valley Steel Prods. Co., Inc.)*, 157 B.R. 442, (449 (Bankr. E.D. Mo. 1993) (“[section 554(a)] does not apply to a [chapter 11] debtor that is liquidating its estate”). That said, neither of these limitations is relevant under the instant facts.

30. Due to the Sale Transaction, the De Minimis Assets and the Personal Property are no longer necessary for the administration of the Debtors’ estates. In addition, the De Minimis Assets, if any, are of inconsequential value to the Debtors’ estates. The costs to the Debtors of removing or storing the De Minimis Assets and Personal Property will exceed any realistic economic benefit that might be realized by retaining such property. Accordingly, the Debtors have determined, in the exercise of their sound business judgment that abandonment of such property will be in the best interest of the Debtors and their estates. Accordingly, the Debtors request authority to abandon the De Minimis Assets and Personal Property pursuant to sections 105(a) and 554(a) of the Bankruptcy Code.

**Compliance with Bankruptcy Rule 6004(a)
and Waiver of Bankruptcy Rule 6004(h)**

31. To implement the foregoing successfully, the Debtors request that the Court find that notice of the Motion satisfies Bankruptcy Rule 6004(a) and that the Court waive the 14-day period under Bankruptcy Rule 6004(h).

Waiver of Bankruptcy Rule 6006(f)(6)

32. In the interest of minimizing administrative expenses and avoiding potential confusion to the Counterparties, the Debtors request that the Court waive the 100 executory contract and unexpired lease limitation imposed by Bankruptcy Rule 6006(f)(6), and authorize the rejection of all of the Rejected Agreements listed on the Rejection Schedule. *See In re Peabody Energy Corp.*, Case No. 16-42529 (Bankr. E.D. Mo. 2016) [Docket No. 1639] (waiving Bankruptcy Rule 6006(f)(6) and authorizing the assumption and rejection of certain unexpired leases).

Reservation of Rights

33. Nothing contained herein is intended to be or shall be deemed as (i) an admission that the Rejected Agreements are executory contracts or unexpired leases, (ii) an admission as to the validity of any claim against the Debtors, (iii) a waiver or limitation of the Debtors' or any party in interest's rights to dispute the amount of, basis for, or validity of any claim, (iv) a waiver of the Debtors' rights under the Bankruptcy Code or any other applicable nonbankruptcy law, (v) an agreement or obligation to pay any claims, or (vi) a waiver of any claims or causes of action which may exist against any creditor or interest holder. Likewise, if the Court grants the relief sought herein, any payment made pursuant to the Court's order is not intended to be and should not be construed as an admission to the validity of any claim or a waiver of the Debtors' rights to dispute such claim subsequently.

Notice

34. Notice of this Motion will be provided to (i) the Office of the United States Trustee for the Eastern District of Missouri; (ii) the holders of the thirty (30) largest unsecured claims against the Debtors on a consolidated basis; (iii) Latham & Watkins LLP (Attn: Peter P. 35. No previous request for the relief sought herein has been made by the Debtors to this or any other Court.
