1. The Motion is granted on an interim basis as set forth herein.
2. The Debtors are authorized and empowered, pursuant to sections 105(a) and 363(c)(1) of the Bankruptcy Code, to continue the Cash Management System maintained by the Debtors before the commencement of these chapter 11 cases, and to collect, concentrate, and disburse cash in accordance with that Cash Management System, including, without limitation, Intercompany Transactions (subject to such changes to the Cash Management System as may be necessary, from time to time, to implement the basic purposes of the Cash Management System).

3. The Debtors shall continue, in the ordinary course of business, to maintain all receipts and disbursements and records of all transfers within the Cash Management System utilized postpetition so that all postpetition transfers and transactions will be properly documented, and accurate Intercompany Balances will be maintained.

4. All Intercompany Claims against a Debtor by another Debtor or non-debtor affiliate arising after the Petition Date as a result of Intercompany Transactions and transfers in the ordinary course of business shall be accorded administrative expense priority status in accordance with section 503(b) of the Bankruptcy Code.

5. The Debtors are authorized to: (i) designate, maintain and continue to use any or all of their existing Bank Accounts including those listed on **Schedule 1**, hereof, in the names and with the account numbers existing immediately prior to the Petition Date (which **Schedule 1** shall be promptly amended to identify any Bank Accounts inadvertently omitted therefrom and which **Schedule 1**, as so amended, shall be served a reasonable period of time therefrom on the U.S. Trustee and the statutory committee of creditors (if appointed); (ii) deposit funds in and withdraw funds from such accounts by all usual means including, without limitation, checks, drafts, wire transfers, automated clearinghouse (“ACH”) payments, electronic funds transfer (“EFT”) payments, and other debits; (iii) pay any Bank Fees or charges associated with the Bank Accounts; and (iv) treat their prepetition Bank Accounts for all purposes as debtors in possession accounts.

6. Except as otherwise provided in this Order, all Banks are authorized and directed to continue to maintain, service, and administer the Bank Accounts as accounts of the Debtors as debtors-in-possession without interruption and in the usual and ordinary course, and to receive, process, honor and pay any and all checks, drafts, wire transfers, ACH payments, EFT

payments, or other debits drawn on any of the Bank Accounts after the Petition Date by the holders or makers thereof, to the extent funds are available as the case may be.

7. Any payment from a Bank Account made by any of the Banks arising from a request of the Debtors or a third-party payee made prior to or on the Petition Date (including any ACH payments or EFT payments such Bank is or becomes obligated to settle), or any instruments issued by any of the Banks on behalf of any Debtor, shall be deemed to be paid prepetition, whether or not actually debited from such Bank Account prepetition.

8. Unless otherwise ordered by this Court, no Bank shall honor or pay any checks, drafts, wires, ACH payments, or EFT payments issued on account of a prepetition claim. The banks may honor any checks, drafts, wires, ACH payments, or EFT payments issued on account of prepetition claims where this Court has specifically authorized such checks, drafts, wires, ACH payments, or EFT payments to be honored.

9. The Banks shall not be liable to any party on account of: (a) following the Debtors' representations, instructions, or presentations as to any order of the Court (without any duty of further inquiry); (b) the honoring of any prepetition checks, drafts, wires, ACH payments, or EFT payments in a good faith belief or upon a representation by the Debtors that the Court has authorized such prepetition check, draft, wire, ACH payments, or EFT payments; or (c) an innocent mistake made despite implementation of reasonable handling procedures.

10. Nothing contained herein shall prevent the Debtors from closing any Bank Account(s) as they may deem necessary and appropriate, any relevant Bank is authorized to honor the Debtors' requests to close such Bank Accounts, and the Debtors shall give notice of the closure of any account to the U.S. Trustee.

11. Pursuant to section 364(a) of the Bankruptcy Code, the Debtors are authorized in connection with the ordinary course of their Cash Management System to obtain unsecured credit and incur unsecured debt in the ordinary course of business without notice and a hearing.

12. The Debtors are in compliance with section 345(b) of the Bankruptcy Code with respect to the Bank Accounts located at Authorized Depositories.

13. The Debtors' time to comply with section 345(b) of the Bankruptcy Code is hereby extended for a period of 30 days from the date of this Interim Order (the "**Extension Period**"); provided, however, that such extension is without prejudice to the Debtors' right to request a further extension of the Extension Period or the waiver of the requirements of section 345(b) of the Bankruptcy Code in these cases.

14. The Debtors are authorized to use their existing Business Forms and are not required to obtain new paper check stock reflecting their status as debtors in possession, but shall take reasonable efforts to print or stamp "debtor in possession" and the chapter 11 case number under which these cases are being jointly administered on any paper check stock or checks generated electronically.

15. Notwithstanding the Debtors' use of a consolidated cash management system, the Debtors shall calculate quarterly fees under 28 U.S.C. § 1930(a)(6) based on the disbursements of each Debtor, regardless of which entity pays those disbursements.

16. The hearing to consider entry of an order granting the relief requested in the Motion on a final basis shall be held on **June 6, 2016 at 9:00 a.m. (Prevailing Central Time)**; and any objections to entry of such order shall be in writing, filed with the Court, and served upon (i) counsel to the Debtors, (ii) the U.S. Trustee and (iii) counsel for any statutory

committee appointed in these cases, in each case so as to be received no later than **4:00 p.m. (Prevailing Central Time) on May 27, 2016.**

17. Nothing contained in this Interim Order or any action taken by the Debtors in implementing this Interim Order shall be deemed (i) an admission as to the validity of any claim against the Debtors, (ii) a waiver of the Debtors' or any party in interest's rights to dispute the amount of, basis for or validity of any claim of the Banks under applicable nonbankruptcy law, or (iii) a waiver of any claims or causes of action which may exist against any Bank.

18. Entry of this Interim Order is necessary to avoid immediate and irreparable harm and, to the extent the relief granted herein implicates the use of property of the estate and section 363 of the Bankruptcy Code, the requirements under Bankruptcy Rule 6003(b) have been satisfied.

19. Notwithstanding any applicability of Bankruptcy Rule 6004(h), the terms and conditions of this Interim Order shall be immediately effective and enforceable upon its entry.

20. Notice of the Motion as provided herein shall be deemed good and sufficient notice of such Motion and the requirements of Bankruptcy Rule 6004(a) are waived.

21. The Debtors are authorized to take all actions necessary to effectuate the relief granted pursuant to this Interim Order in accordance with the Motion

22. This Court shall retain exclusive jurisdiction to hear and determine all matters arising from or related to the implementation, interpretation and/or enforcement of this Interim Order.
