MOTION OF INTERNATIONAL UNION, UAW AND *FLOWERS*
PLAINTIFFS TO COMPEL PRODUCTION OF DOCUMENTS WITHHELD
ON GROUNDS OF PRIVILEGE BY THE STATE OF MICHIGAN

International Union, UAW (“UAW”) and Robbie Flowers, Michael Wells, Janet Whitson, Mary Washington and Bruce Goldman, as plaintiffs in the suit *Flowers v. Snyder*, No. 13-729 CZ (Ingham County Circuit Court) (the “*Flowers* plaintiffs”) hereby move this Court for the entry of an order in the form attached hereto as Exhibit 1 to compel production of documents withheld by the State of Michigan (“the State”) on the grounds of attorney-client or executive privilege.

The State has claimed attorney-client and executive privilege with respect to numerous documents but have failed to provide sufficient detail on its privilege logs that would enable UAW and the *Flowers* plaintiffs to test whether the privilege has been properly invoked. With respect to one portion of its production, the State has failed to identify the parties to the relevant communications claimed to

be privileged; with respect to others, it has failed to identify the subject matter of the communication or that it included a request for legal advice.

In addition, the State has redacted portions of one document on which it claims a common interest privilege that antedates the retention of Emergency Manager Orr. There is no basis to assert a joint interest privilege with respect to communications that antedate the retention of the Emergency Manager and the State's apparent refusal to produce all such documents is groundless.

We have conferred with counsel for the State without resolution. Given the October 23 trial date and although the State has committed to providing more detailed privilege logs, we file this motion to preserve the issues should they not be resolved before October 23 and would request that the Court enter an order compelling production of all such documents.

ARGUMENT

I.

THE STATE SHOULD BE COMPELLED TO PRODUCE DOCUMENTS INVOLVING COMMUNICATIONS WITH THE EMERGENCY MANAGER THAT ANTEDATE THE EMERGENCY MANAGER'S RETENTION

On the privilege log the State provided with its production, a March 12, 2012 document was identified as withheld either under the common interest privilege. The document was authored by Richard Baird and addressed to Kevyn Orr and was produced in redacted form with the notation it is an "Email forwarding

attorney's legal advice; privileged Email are redacted." A copy of that entry is Exhibit A to correspondence dated October 15 to Margret Nelson. (That October 15, 2013 letter is included in Exhibit 6 to this Motion as Exhibit A). Given that the Emergency Manager was not retained until March 15, there can be no basis for withholding under a common interest theory a document between the State and the City that antedates EM Orr's retention.

In response to UAW's October 15 correspondence, the State advised that it believed that it could assert common interest privilege with respect to "a communication occurring in connection with, and only a few days prior to the appointment" but failed to identify any basis for why or how this could be so. (A copy of this correspondence dated October 18 is included in Exhibit 6 to this Motion as Exhibit B). The Court should require the State to produce documents that antedate the retention of the Emergency Manager that it has withheld on the basis of common interest privilege.

As UAW showed in its motion to compel production from the City, the City and the State have used the common interest theory to block inquiry into their joint communications concerning the decision to pursue this Chapter 9 filing. This involves both precluding deposition testimony concerning communications between and among the Emergency Manager and state officials – both elected and appointed – and withholding documents reflecting such communications.

Based on this assertion, for example, the Governor refused to answer questions involving his discussion with Orr concerning a host of policy-related topics: the June 14 Proposal to Creditors; consideration to be provided to retirees whose pension benefits the City would impair; sales of City assets; the City's cash flow, and whether reductions in accrued pension benefits were necessary. *See* Deposition of Richard Snyder, dated October 9, 2013, Tr. at 12, 14, 43, 58, and 68. (Relevant excerpts collected in Exhibit 6 as Exhibit D). With respect to the critical issue of the reduction of accrued pension liabilities, the common-interest privilege was invoked to foreclose inquiry:

Q. Let me – did you discuss with anyone other than your legal counsel and Mr. Orr whether there had to be cuts to Detroit's accrued pension liability?

A. When you say other people, there would be people from the administration in the meetings that we had.

Q. Who did you discuss that issue with?

A. There could be any number of people that would include my chief of staff, Andy Dillon, and other people of the administration.

Q. And what did you and Andy Dillon discuss on that issue?

MS. NELSON: I'm going to object on the grounds of attorney-client privilege. These discussions occurred in the meetings with Mr. Orr and his counsel.

Tr. at 58.¹ In effect, the deliberations of public officials with respect to critical government decisions have been shielded from disclosure.²

As the State would have it the common interest privilege would extend to communications antedating even its decision to retain EM Orr. That contention should be rejected and the State compelled to produce all such documents.

In any event, with respect to the March 12, 2012 document noted above, the privilege log does not identify an attorney whose advice is reflected in the document. Nor does the redacted version of the document included in the production provide any information with respect to the attorney's involved or the subject matter of the communication sufficient to allow UAW or the *Flowers* plaintiffs to test the assertion of privilege (even assuming arguendo that it would be appropriate to claim common interest privilege with respect to a document antedating EM Orr's retention). As shown in part II below, a privilege log must contain such information to properly invoke privilege.

¹ As UAW urges in its motion with respect to the City's production [Docket No. 1234], this Court should reconsider its September 19 Order and require the production of all documents withheld on the basis of a common interest privilege that date from or before July 18, 2013, so that a full public record may be established concerning the deliberations of the Emergency Manager and the State that lead to this Chapter 9 filing.

² As shown in UAW's motion to compel production from the City, this is contrary to the Open Meetings Law which requires that the deliberations of a governing body be open to the public and narrowly limits the applicability of the attorney-client privilege to its deliberations.

II.

THE STATE'S PRIVILEGE LOG IS INSUFFICIENT TO PRESERVE CLAIMS OF PRIVILEGE

To assert the privilege a party “must make a minimal showing that the communication involved legal matters. This showing is not onerous and may be satisfied by as little as a statement in the privilege log explaining the nature of the legal issue for which advice was sought . . . Conclusory statements . . . do not satisfy even this minimal requirement.” *In re Search Warrant Executed at Law Offices of Stephen Garea*, 173 F.3d 429, 429 (6th Cir. 1999); *see generally United States v. Construction Prods. Research, Inc.*, 73 F.3d 464, 473 (2d Cir. 1996) (“if the party invoking the privilege does not provide sufficient detail to demonstrate fulfillment of the legal requirements for application of the privilege, his claim will be rejected”).

The State’s privilege log has does not contain information sufficient to invoke the privilege. Attachment C to the October 15 correspondence (Exhibit A to Exhibit 6 to this Motion) is the State’s second privilege log. It does not identify parties involved in any of the referenced communications nor does it indicate the subject matter of the communication or that it involved a request for legal advice. Similarly, with respect to entries on the State’s first and third privilege logs (Attachments B and D to the October 15 correspondence) where attorney-client or executive privilege is claimed, none identifies the nature of the legal issue for which advice was sought.

The City should be compelled to produce documents for which attorney-client privilege has not been properly invoked, or, in the alternative, this Court should require the production of the documents for *in camera* review to ascertain whether the privilege has been properly asserted.

CONCLUSION

The Court should compel production of documents (a) reflecting communications with the Kevyn Orr before the City retained Emergency Manager and (b) for which it has claimed privilege but has failed to sufficiently document in its privilege logs.

Re: In re City of Detroit

Dear Ms. Nelson:

Pursuant to Local Rule 7.1 of the U.S. District Court for the Eastern District of Michigan and Local Bankruptcy Rule 9014-1(g), I write to advise that International Union, United Automobile Workers ("UAW") and the *Flowers* plaintiffs intend to file a motion to compel discovery of certain documents identified on the privilege logs accompanying the State's document production and to seek to narrow the potential issues or documents that would be involved in such a motion. Because of the exigent schedule, UAW requests that the City respond to this correspondence by October 18, 2013.

In opposition to the motion of Michigan Council 25 of the American Federation of State, County and Municipal Employees, AFL-CIO and Sub-Chapter 98, City of Detroit Retirees' Motion To Compel Testimony of Kevyn Orr and All Other City and State Witnesses Regarding City-State Communications Prior To July 17, 2013 (the "AFSCME Motion"), the City recites that it and the State entered into a common interest agreement "at the time of the appointment of the Emergency Manager."

The September 12, 2013 Common Interest Agreement recites that "on or around the appointment of the Emergency Manager" the City and State entered into a verbal common interest agreement. Mr. Orr was appointed to the position of "emergency financial manager" for the City on March 15, 2013.

Accordingly, and at a minimum, documents which antedate March 15, 2013, and which involve communications with the City (and counsel) cannot be covered by the attorney client privilege that the State has asserted here. Exhibit A to this letter sets out an entry on the first and third privilege logs dated March 12. It identifies a communication between Richard Baird and Kevyn Orr that "forward[s] attorney's legal advice." Inasmuch as there was no attorney-client relationship between Jones Day and the state, there is no basis for this document to be withheld and we request its production.

Margaret Nelson
October 15, 2013
Page 2

Exhibit B to this letter are entries on the State's first and third privilege log where the State is withholding documents on the ground of "Executive Privilege." The State has waived deliberative privilege; thus it would appear that no documents should be withheld on grounds of Executive Privilege. Please produce these documents.¹ I also note that certain of these entries indicate that information is being redacted from a document which is included in the production. Because the log does not identify documents by bates number it is difficult to identify the referenced item. Please provide an identification of the redacted items by bates number.

Exhibit C to this letter is the State's second privilege log. It does not identify parties involved in any of the referenced communications nor does it indicate the subject matter of the communication or that it involved a request for legal advice. This is insufficient. To assert the privilege a party "must make a minimal showing that the communication involved legal matters. This showing is not onerous and may be satisfied by as little as a statement in the privilege log explaining the nature of the legal issue for which advice was sought. . . . Conclusory statements . . . do not satisfy even this minimal requirement." *In re Search Warrant Executed at Law Offices of Stephen Garea*, 173 F.3d 429, 429 (6th Cir. 1999); *see generally United States v. Construction Prods. Research, Inc.*, 73 F.3d 464, 473 (2d Cir. 1996) ("if the party invoking the privilege does not provide sufficient detail to demonstrate fulfillment of the legal requirements for application of the privilege, his claim will be rejected").

In addition certain documents are listed on this log with a claim that they are being withheld on the basis of "Executive Privilege" or "Privacy." For the reasons stated above no documents should be withheld on grounds of Executive Privilege. With respect to documents withheld on privacy grounds, we would expect that personal information, such as Social Security numbers, could be redacted. Please advise us of the bases under which these documents are being withheld.

Exhibit D to this letter are entries from the first and third logs which identify documents withheld on the basis of attorney-client privilege. In none of these entries is there any identification of the nature of the legal issue for which advice was sought. As discussed above, this is insufficient.

As you know, trial is scheduled for October 23 concerning the eligibility issues. We are entitled to test the State's assertion of privilege. Given the lack of specificity in the log we

¹ Certain of these entries also indicate that the document is being withheld on grounds of attorney client privilege. Yet the log does not identify whose advice is being either conveyed or provided. As stated below, such conclusory statements are insufficient. Please identify the person providing the advice and the general nature of the issue involved so that we may assess the privilege claim with respect to these entries.

are and have been unable to do so. We note in this regard that at his deposition earlier this week, the Governor refused to answer questions concerning topics discussed in any and all meetings where an attorney was present. To expedite resolution of the issue we request that the State submit to the Court for *in camera* inspection documents noted on the excerpts from the privilege logs in Exhibits B, C or D dated on or before July 18, 2013 as to which the State would continue to assert any privilege – whether attorney-client or otherwise, including those received or sent by the Governor.

Finally, Exhibit E contains two documents on the first and third logs which do not assert any privilege, nor do they identify a date or an author of the document. Please confirm that these documents have been produced by identifying the Bates number in the production.

Thank you for your attention to this matter and I look forward to reviewing your response.

Very truly yours,

Thomas N. Ciantra

Re: In re City of Detroit

Dear Mr. Ciantra:

I write in response to your October 15 letter. As I mentioned in my email to you Thursday morning, October 17, 2013, since receiving your letter we are making every effort to carefully review the issues you raised and respond to them as quickly as possible. As I noted, there were some issues that we could resolve immediately but other items would require additional review and a more detailed response. Below is an issue-by-issue response.

First, with respect to the March 12 document you reference in the fourth paragraph of your letter, that document was actually produced in redacted form, along with unredacted copies of the attachments (SOM40003136-3154). The document was not withheld. More broadly, we disagree with your interpretation of the Common Interest Agreement and application of the common interest doctrine. The recognition of a common interest as existing "on or around the appointment of the Emergency Manager" plainly extends to a communication occurring in connection with, and only a few days prior to, the appointment. Therefore, we cannot agree to your categorical request that the State withdraw its assertion of privilege pursuant to the common interest doctrine as to all documents before March 15, 2013. Additionally, even without the Common Interest Agreement, the redacted portions of the March 12 document are protected attorney-client communications.

Second, as I noted in my earlier email to you, I believe the issue you raise concerning documents identifying emergency manager candidates has now been resolved with the October 8, 2013 Protective Order.

Thomas N. Ciantra

Page 2

October 18, 2013

Third, we will be providing you a revised privilege log that includes bates number references for all documents that were produced in redacted form on the basis of privilege. But, as previously noted, the only documents that were withheld on the basis of executive privilege were Resumes or similar documents which by their very nature and purpose identified the respective candidate. This is what I explained in a telephone conversation with your co-counsel, Mr. Wertheimer, which he indicated was acceptable to him and the UAW. My confirming email to Mr. Wertheimer is attached. Nevertheless, to simplify matters and avoid any unnecessary dispute, we will identify each document previously withheld on this basis and produce them in redacted form.

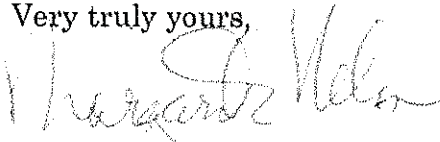

Fourth, although we disagree with your characterization of the descriptions in our privilege log, we will revise the entries to include additional detail concerning the nature of the issues underlying the attorney-client communications (your Exhibit D reference.) Additionally, we concur in your criticism of the privilege log for the State's Second Production of Documents and are revising it to conform with the requested information.

Finally, we are unable to identify any issue with the documents listed on your Exhibit E. The entries on your Exhibit E do not correspond to any entries on our privilege log. Can you identify the specific document on the log and we will examine them and respond.

I expect to provide you with our revised privilege logs by the end of the day Monday, and will follow up with a supplemental production of any additional documents on Tuesday at the latest. However, we cannot agree to submit all the documents as to which the State asserts privilege for *in camera* inspection absent a court order.

After you have reviewed the forthcoming revised privilege logs, if you have any questions as to specific documents, please call me to discuss them in more detail. I am committed to avoiding unnecessary disputes and welcome the opportunity to reach a reasonable resolution of any issues.

Very truly yours,

Subject: Redactions to documents related to Emergency Manager Candidates

We spoke again this afternoon by telephone regarding the redactions to the State's document production related to the Emergency Manager candidates. I reiterated my earlier email response of October 8 @ 9:00 a.m. that indicated only the candidate's name and personal information was redacted from emails, but that the redacted email document was produced. I also indicated that Resumes for these candidates were redacted to eliminate names, and identifying information, but those redacted Resumes were also produced. You indicated that was acceptable to you and to the UAW.

Yes. I just wondered if we might save ourselves an issue with the City and some of our "friends" there if we volunteered to pick up the expenses too, but it might be argued that the appropriation in PA 436 doesn't cover expenses. I'm OK with leaving as is but just thought I would raise it.

Payment of compensation for security personnel will be the obligation of the City.

The Emergency Manager covenants that the Emergency Manager will not discriminate against any employee or applicant for employment with respect to hire, tenure, terms, conditions, or privileges of employment, or a matter directly or indirectly related to employment, because of a disability that is unrelated to the individual's ability to perform the duties of a particular job or position. The Emergency Manager shall impose this covenant upon every subcontractor that enters into an agreement for the performance of any obligation imposed by this Contract. The Emergency Manager shall impose this covenant upon every subcontractor that enters into an agreement for the performance of any obligation imposed by this Contract. A breach of this covenant shall be a material breach of this Contract.

10.4 Invalidity. 1 The fourth production of documents was made
2 under the State's continuing obligation to
3 supplement its discovery responses. So the fact
4 that our production was completed by the fifth,
5 pursuant to the court order, is irrelevant to the
6 fact that we have an ongoing duty to supplement, and
7 that was the purpose for the additional document
8 production yesterday.

24 -GOVERNOR RICHARD D. SNYDER-
25 called as a witness, being first duly sworn, was

Page 11

1 through the appropriations process with the
2 legislature and the Governor.

3 Q. My question was would you support an additional
4 level of support?

5 A. I said I've been supportive of improved services for
6 citizens, not necessarily the repayment of debts.

7 Q. That might have been responsive so I don't mean to
8 be argumentative, but the narrower question is would
9 you support an additional level of support for
10 Detroit in order to help deal with the so-called
11 underfunding pension issue?

12 MS. NELSON: Asked and answered. Go ahead.
13 Go ahead.

14 THE WITNESS: Oh. I view that as a --
15 that's a question that I couldn't answer because
16 it's a hypothetical. It would depend on the entire
17 situation for the facts depending on the potential
18 plan of adjustment for the debts.

19 BY MS. LEVINE:

20 Q. Well, between March 28, 2013 and June 14, 2013, did
21 you have discussions with Kevyn Orr about a business
22 plan or a restructuring plan or a redevelopment plan
23 for the City of Detroit?

24 A. Kevyn Orr was building a plan for creditors they
25 presented in June of this year.

Page 10

1 examined and testified as follows:

2 EXAMINATION

3 BY MS. LEVINE:

4 Q. Good morning, Governor.

5 A. Good morning.

6 Q. My name is Sharon Levine. I'm with the law firm of
7 Lowenstein Sandler. I'm here on behalf of AFSCME,
8 and we appreciate your appearing for your deposition
9 today, so thank you.

10 Just for the record, when did you take
11 office as Governor of the State of Michigan?

12 A. January 1, 2011.

13 Q. And at the time you took office, was the State
14 providing greater financial -- a greater level of
15 financial support to the City of Detroit than it is
16 today?

17 A. I would have to check that.

18 Q. Would you be willing to support having the State
19 provide a greater level of financial support than it
20 is today in order to help the City of Detroit with
21 its plan of adjustment and particularly in order to
22 help fund the pension issues?

23 A. In terms of we have many competing interests for the
24 State of Michigan with respect to our budget. I
25 don't make those decisions by myself. It goes

Page 12

1 Q. Did you have discussions with him with regard to
2 that plan before the June presentation?

3 A. I had discussions that would have been subject to
4 attorney-client privilege.

5 Q. Is it your understanding that that plan includes a
6 two billion dollar note for unsecured creditors?

7 A. Yes.

8 Q. And what's your understanding of what that plan
9 includes with regard to vested pension benefits for
10 the citizens of Detroit?

11 A. The proposal includes some portion of that note
12 being allocated towards pensioners.

13 Q. So the plan does not include just leaving the vested
14 pension benefits alone, does it?

15 A. Well, with respect to the funded piece of pension
16 plans, that's available. There's an open question
17 with respect to the unfunded portion.

18 Q. Do you understand that in a Chapter 11 corporate
19 bankruptcy case that the Pension Benefit Guaranty
20 Corporation or the PBGC provides federal insurance
21 for beneficiaries of a pension if a defined benefit
22 plan is terminated?

23 A. Yes.

24 Q. And is it your understanding that in a Chapter 9
25 bankruptcy case there is no similar protection for

<p style="text-align: right;">Page 13</p> <p>1 vested pension benefits?</p> <p>2 A. Yes.</p> <p>3 Q. What's your understanding of how the Detroit</p> <p>4 citizens, the AFSCME retirees will support</p> <p>5 themselves assuming that there's a diminution in the</p> <p>6 current level of pension benefit provided?</p> <p>7 A. Could you clarify your question because you had</p> <p>8 conflicting statements.</p> <p>9 You asked about the citizens of Detroit and</p> <p>10 then you asked about the retirees.</p> <p>11 Q. Well, let's go with the retired citizens of Detroit</p> <p>12 first.</p> <p>13 To the extent that their pensions are</p> <p>14 diminished and there is no PBGC or federal</p> <p>15 protection for them, what's your understanding under</p> <p>16 the plan of -- the proposed plan how they will</p> <p>17 support themselves?</p> <p>18 MS. NELSON: Objection; calls for</p> <p>19 speculation, form, foundation.</p> <p>20 THE WITNESS: Given that we're in the</p> <p>21 Chapter 9 process, there's been no plan presented at</p> <p>22 this point in time.</p> <p>23 BY MS. LEVINE:</p> <p>24 Q. We already had a little bit of a discussion that</p> <p>25 you're aware of the plan that was presented to</p>	<p style="text-align: right;">Page 15</p> <p>1 attorney and other bankruptcy professionals paid</p> <p>2 ahead of retirees in connection with the Chapter 9</p> <p>3 process?</p> <p>4 A. I view that as a legal matter because that's a</p> <p>5 subject matter of how Chapter 9 bankruptcies work.</p> <p>6 Q. The question I was asking was whether or not you</p> <p>7 believe it's fair. I'm not asking you whether or</p> <p>8 not it's a legal matter.</p> <p>9 A. Well, I view it as just speculation on my part</p> <p>10 because we're in Chapter 9, so that would be part of</p> <p>11 the legal process.</p> <p>12 Q. Is it your understanding that the Wall Street</p> <p>13 creditors, municipal bond holders will share in this</p> <p>14 two billion dollar note alongside of the retirees</p> <p>15 with regard to their unsecured claims?</p> <p>16 A. Again, there has been no plan presented in</p> <p>17 bankruptcy, so that would be a hypothetical. If you</p> <p>18 go back to the proposal to the creditors, that was</p> <p>19 to be part of good faith negotiations, and there was</p> <p>20 an attempt to do that so that would have all been</p> <p>21 consensual.</p> <p>22 Q. Do you believe it's fair to pay Wall Street-type</p> <p>23 municipal bond creditors ahead of retirees?</p> <p>24 A. Again, that's part of the mutual negotiations that</p> <p>25 were part of the proposal for creditors.</p>
<p style="text-align: right;">Page 14</p> <p>1 creditors in June of 2013, correct?</p> <p>2 A. That was part of going through a process from the</p> <p>3 City of Detroit asking its creditors for good faith</p> <p>4 negotiations.</p> <p>5 Q. Right. And under that plan, to the extent there was</p> <p>6 an underfunding with regard to the pensions, there</p> <p>7 was going to be some change made to the pension</p> <p>8 benefits, correct?</p> <p>9 A. That would depend on mutual agreement between the</p> <p>10 parties.</p> <p>11 Q. Well, assuming that there is a reduction for the</p> <p>12 moment in pension benefits, have you had any</p> <p>13 conversations with Kevyn Orr with regard to whether</p> <p>14 or not there would be any other benefit or provision</p> <p>15 made to the retirees of the City of Detroit that</p> <p>16 were going to lose pension benefits as a result of</p> <p>17 that plan?</p> <p>18 A. Those discussions would have been subject to</p> <p>19 attorney-client privilege.</p> <p>20 Q. What's your understanding of the options that are</p> <p>21 available to the City of Detroit?</p> <p>22 A. Well, again, we're in bankruptcy now so there's been</p> <p>23 no plan presented by the City at this point in time,</p> <p>24 so that's a hypothetical.</p> <p>25 Q. Do you believe it's fair to have the bankruptcy</p>	<p style="text-align: right;">Page 16</p> <p>1 Q. Prior to the time that Detroit filed for bankruptcy,</p> <p>2 is it your understanding that House Speaker Bolger</p> <p>3 had any involvement or discussions with Kevyn Orr</p> <p>4 with regard to the bankruptcy filing?</p> <p>5 A. I don't recall.</p> <p>6 Q. Did he have discussions with you with regard to the</p> <p>7 bankruptcy filing?</p> <p>8 A. In terms of speaking to Speaker Bolger, occasionally</p> <p>9 I would give updates on what was going on with the</p> <p>10 City of Detroit.</p> <p>11 Q. And did he express any views with regard to the</p> <p>12 Chapter 9 filing?</p> <p>13 A. Not that I recall.</p> <p>14 Q. Did you have any conversations with Randy</p> <p>15 Richardville prior to the Chapter 9 filing?</p> <p>16 A. It would be the same with Speaker Bolger, that as</p> <p>17 part of the normal process I would give updates on</p> <p>18 where the situations stood.</p> <p>19 Q. Do you have any recollection of what he said to you</p> <p>20 with regard to those updates?</p> <p>21 A. No.</p> <p>22 Q. On or about July 18, when you authorized Detroit's</p> <p>23 Chapter 9 filing, what was your understanding of the</p> <p>24 dollar amount of the pension obligations that were</p> <p>25 underfunded?</p>

Page 41	Page 43
<p>1 deferential to his partners or recent former 2 partners at Jones Day?</p> <p>3 A. No. Because, in fact, the City of Detroit made the 4 determination to hire Jones Day, and they went 5 through with that process, and that was a separate 6 independent process that I believe actually occurred 7 prior to Kevyn Orr joining the City of Detroit as 8 emergency manager.</p> <p>9 Q. Did you consider whether it would be difficult for 10 Mr. Orr to favor the interests of the City over the 11 interests of Jones Day?</p> <p>12 A. I don't understand your question because I don't 13 understand why Jones Day would be in conflict with 14 the City of Detroit. They're representing the City 15 of Detroit.</p> <p>16 Q. And aren't they being compensated by the City of 17 Detroit?</p> <p>18 A. They are being compensated by the City of Detroit.</p> <p>19 Q. Isn't there less of an appearance of conflict if it 20 had been a different law firm that had been retained 21 by the City of Detroit than Kevyn Orr's prior firm?</p> <p>22 A. And that's why it was important that he resigned and 23 severed all ties.</p> <p>24 Q. During the discussions that you had with Kevyn Orr 25 prior to the time that he was appointed as emergency</p>	<p>1 emergency manager or at any time during the period 2 of time that he was appointed as emergency manager 3 on July 18th with regard to outsourcing?</p> <p>4 A. I don't recall with respect to the interview 5 process, and there has been discussions about 6 looking at providers of services in both internal 7 and external services for the City of Detroit since 8 that date.</p> <p>9 Q. For that same period of time, during the interview 10 process and up to and including July 18th or 19th, 11 did you have any conversation with Kevyn Orr with 12 regard to selling or monetizing assets such as the 13 art, Belle Isle and water and sewer and other assets 14 of Detroit?</p> <p>15 A. Those discussions would have been subject to 16 attorney-client privilege.</p> <p>17 Q. Is it your understanding that the sale of assets are 18 one of the things that are under consideration in 19 connection with the restructuring plan that Kevyn 20 Orr proposed during June of 2013?</p> <p>21 A. I don't recall that portion of the proposal.</p> <p>22 Q. What's your view on monetizing these assets as part 23 of a restructuring plan including the art, Belle 24 Isle and water and sewer and some of the other 25 assets of Detroit?</p>
Page 42	Page 44
<p>1 manager or after he was appointed as emergency 2 manager but before July 18th, did you ever discuss 3 with Kevyn Orr outsourcing for the City of Detroit?</p> <p>4 A. Could you explain what you mean by outsourcing?</p> <p>5 Q. As part of the business plan for the City of 6 Detroit, the City of Detroit is looking at -- 7 potentially looking at outsourcing some of the 8 services that are currently performed by City 9 employees; is that correct?</p> <p>10 A. They're looking at the most efficient ways to 11 deliver services to the citizens of Detroit.</p> <p>12 Q. Is that yes?</p> <p>13 A. That would include that. In terms of looking at 14 other alternatives, some of those were outlined, in 15 fact, during the consent agreement in terms of 16 looking at opportunities such as having the Detroit 17 Economic Growth Corporation handle the planning and 18 zoning activities of the City of Detroit, and that 19 was done in the context of the Mayor and the City 20 Council approving that consent agreement.</p> <p>21 Q. I'm going to try again. 22 Did you have any conversations with Kevyn 23 Orr prior to the time that he was appoint -- prior 24 to the time that he was -- during the interview 25 process, prior to the time that he was appointed as</p>	<p>1 A. Again, that's a hypothetical discussion because it 2 would really come down to what's presented in the 3 plan of adjustment within the context of the 4 bankruptcy court, and it hasn't been done at this 5 point.</p> <p>6 Q. Well, I'm asking your view of whether or not those 7 items should be on the table in connection with the 8 structuring of that plan?</p> <p>9 A. I view those as primarily Kevyn Orr's decisions 10 because he's the emergency manager for the City of 11 Detroit.</p> <p>12 Q. During the interview process, prior to Kevyn Orr's 13 selection but during the period of time you were 14 talking to him, did you ever express a view that 15 vested pension benefits should not be modified by 16 the emergency manager for the City of Detroit?</p> <p>17 A. I don't recall.</p> <p>18 Q. Did you have discussions prior to the time that 19 Kevyn Orr was selected with regard to your views 20 about whether or not vested pension benefits should 21 be modified?</p> <p>22 A. I think that's just what -- what's different than 23 the prior question?</p> <p>24 Q. Are you saying you don't recall?</p> <p>25 A. I don't recall.</p>

Page 57

1 Q. Have you ever been involved in a business, Governor
2 Snyder?
3 A. Yes.
4 Q. Isn't it true to assess the financial picture of a
5 business you need to know both the assets and the
6 liabilities of the business?
7 A. This is a different situation in terms --
8 Q. Could you answer my question?
9 A. Yes.
10 Q. The answer to my question is yes?
11 A. Yes.
12 Q. Okay. At the time you received Mr. Orr's July 16th,
13 2013 letter, do you know whether Mr. Orr or his
14 staff had undertaken an analysis such that they knew
15 with specificity the City's cash flow?
16 A. There had -- there was extensive work done doing
17 cash flow analysis of the City. Some of that work
18 was included in the proposal to creditors back in
19 June --
20 Q. Okay.
21 A. -- in addition to reports that had been provided
22 under his obligation as emergency manager.
23 Q. But at the time that you received the July 16th,
24 2013 letter, do you know whether Mr. Orr or his
25 staff had done an analysis which allowed them to

Page 58

1 know with specificity the extent of the City's cash
2 flow?
3 A. I believe they had.
4 Q. Okay. Did you ever discuss that with Mr. Orr?
5 A. That would be a matter of attorney-client privilege.
6 Q. Well, whether it's a matter of attorney-client
7 privilege is a legal question, and you have counsel
8 here who can object if she believes that a question
9 infringes on the attorney-client privilege, so I
10 would ask you to answer the question.
11 MS. NELSON: You can answer yes or no.
12 THE WITNESS: Yes.
13 BY MR. DeCHIARA:
14 Q. Yes, you did have discussions?
15 A. Yeah.
16 Q. And were those discussions -- were other people
17 present other than you and Mr. Orr in those
18 discussions?
19 A. Yes.
20 Q. Isn't it true you had one-on-one conversations with
21 Mr. Orr prior to the bankruptcy filing?
22 A. Yes.
23 Q. Okay. In any of those one-on-one conversations with
24 Mr. Orr did you ever have a discussion of the City's
25 cash flow?

Page 59

1 A. Not that I recall.
2 Q. Do you know whether a significant portion of
3 Detroit's unfunded pension liability is allocable to
4 the City's Water and Sewer Department?
5 A. I'm not aware of that relationship.
6 Q. Okay. Is that something that you think would be
7 relevant to a determination about whether or not the
8 City should pursue a bankruptcy?
9 A. I haven't considered that as a question.
10 Q. Okay. Let me now refer you to page six of
11 Exhibit 1, and at the bottom paragraph of the page
12 there's a reference to the June 14th creditor
13 proposal. Do you see that?
14 A. Yes.
15 Q. Okay. And you were familiar with that proposal when
16 you received this letter on July 16th?
17 A. Generally familiar. It's a 128-page document.
18 Q. Okay.
19

22 BY MR. DeCHIARA:
23 Q. I'd like to mark as -- well, I've already marked as
24 Exhibit 2, and I'll ask you to identify what I'll
25 identify for the record as a July 18th, 2013 letter

Page 60

1 from you to Mr. Orr and Mr. Dillon.
2 Is Exhibit 2 your response to what's been
3 marked as Exhibit 1?
4 A. Yes.

8 BY MR. DeCHIARA:
9 Q. Governor, I've had the court reporter mark as
10 Exhibit 3 a document which bears the title City of
11 Detroit Proposal for Creditors, June 14th, 2013.
12 Let me represent to you that this document
13 was attached to the Orr Declaration that was filed
14 in the bankruptcy proceeding as the City's proposal
15 for creditors.
16 Let me -- did you see this document in any
17 prior form before it was made public on or about
18 June 14th, 2013?
19 A. Yes.
20 Q. And do you plan -- were you shown drafts of the
21 document?
22 A. I'd seen a draft or so. I can't recall whether it
23 was one or more.
24 Q. Okay. And who showed them to you?
25 A. Again, I don't recall.

Page 65	Page 67
<p>1 It doesn't say I agree with that or disagree with 2 that. It simply says I authorized it to go forward 3 where a plan would be presented to a judge that 4 could be the result of further negotiations, 5 mediations, all kinds of work that ultimately a 6 judge would decide. 7 Q. Okay. I'm not addressing your July 18th letter. 8 A. Yeah. 9 Q. I'm just pegging the question -- 10 A. Okay. 11 Q. -- by time frame as of July 18th. 12 A. Okay. 13 Q. So as of July 18th, did you share Mr. Orr's view 14 that there had to be significant cuts in pension 15 liabilities? 16 A. Based on the current situations with negotiations, 17 that continued to be the position that would be on 18 the table going into bankruptcy. 19 Q. Again, I'm not sure that was responsive. 20 A. Uh-huh. 21 Q. As of July 18th, 2013, did you share Mr. Orr's view 22 that whether through negotiation or other means that 23 there as an end result had to be significant cuts in 24 accrued pension liabilities? 25 A. I wouldn't use the word had to be but likely could</p>	<p>1 negotiation that would be satisfactory to the 2 parties involved. 3 That didn't happen in terms of that regard 4 but I still had hope to say that as you go through 5 the bankruptcy process I viewed it as likelihood 6 that there was less flexibility under the bankruptcy 7 process just because of the nature of federal 8 bankruptcy law than there probably was before. 9 Q. Was it your view that as of July 18th in the 10 bankruptcy one way or another accrued pension 11 liabilities would have to be reduced? 12 A. Based on the facts going into it, it was one of 13 those questions, as you said, there was a likelihood 14 of that happening. 15 Q. That's not my question. 16 A. Yes. Yeah, I believe there's a likelihood there 17 could be reductions in unfunded pension liabilities. 18 Q. Okay. I'm not asking -- 19 A. Yeah. 20 Q. Governor, I'm not asking you to predict the 21 likelihood of what might have happened. 22 A. Okay. 23 Q. I'm asking you whether you believed that in 24 bankruptcy there would have had to be one way or 25 another reductions in Detroit's accrued pension</p>
Page 66	Page 68
<p>1 be. 2 Q. Okay. Well, Mr. Orr used the word "there must be". 3 A. Uh-huh. 4 Q. Did you share that view that there had to be? 5 A. Not necessarily. 6 Q. Okay. 7 A. Just as I said. 8 Q. Okay. So did you think about this issue as of -- or 9 as of the July 18th, 2013 time frame, had you given 10 thought to whether or not there had to be cuts to 11 accrued pension benefits? 12 A. I gave thought to the issue because I have concern 13 for the retirees, and that was why one of the 14 important questions in my view was to have a retiree 15 representative in the bankruptcy. 16 Q. And what was your -- since you said you gave thought 17 to it, can you articulate what your position was as 18 to whether or not there had to be cuts in accrued 19 pension liabilities? And I'm focusing on your views 20 on the matter as of July 18th, 2013. 21 A. My view going back prior to that is I had hoped 22 that there would be negotiations to resolve this 23 short of bankruptcy because bankruptcy was a last 24 resort; that I hoped that people could come to the 25 table and come up with a mutual understanding and</p>	<p>1 liabilities? 2 A. I would say it's not a hundred percent belief. 3 Q. But was it a less than 100 percent belief that there 4 had to be reductions? 5 A. Again, if you looked at the numbers, as we discussed 6 earlier, those are significant numbers, and it would 7 be hard to see how it could be a hundred percent. 8 Q. Let me -- did you discuss with anyone other than 9 your legal counsel and Mr. Orr whether there had to 10 be cuts to Detroit's accrued pension liability? 11 A. When you say other people, there would be people 12 from the administration in the meetings that we had. 13 Q. Who did you discuss that issue with? 14 A. There could be any number of people that would 15 include my chief of staff, Andy Dillon, and other 16 people of the administration. 17 Q. And what did you and Andy Dillon discuss on that 18 issue? 19 MS. NELSON: I'm going to object on the 20 grounds of attorney-client privilege. These 21 discussions occurred in the meetings with Mr. Orr 22 and his counsel. 23 MR. DeCHIARA: Well, there hasn't been 24 testimony to that effect. 25 MS. NELSON: He just said it.</p>
