How much do we have to give up?

We've been taxed, our health insurance benefits have been taken away. Now they want to cut our pensions as well?

How is this fair on any level? How will I be able to meet my obligations?

This action by Kevin Orr and Gov. Snyder will further erode the ability of the seniors of this community to contribute financially and provide for themselves.

Our government has bailed out big businesses and concerns, over and over, again. Why is there no for us? We have given our lives for this City and this Country. We sustained both financially according to the rules and laws.

now we seek a fair return on that loyalty.

Thank you.
