## **9. GRIEVANCE AND ARBITRATION PROCEDURES**

- A. Should any dispute arise between the City and the Union concerning the application or interpretation of this CET, an earnest effort shall be made to settle such dispute promptly in accordance with the following Grievance Procedure:

### Step 1. Employee, Supervisor and Steward

Any employee having a grievance may report the same to his Supervisor and an endeavor shall be made to adjust the grievance between the employee and the Supervisor. If a satisfactory adjustment is not obtained, the employee may request a Steward, and the three will attempt to resolve the matter. Where the matter involves imposition of disciplinary suspension or above, Step 1 does not apply and grievances shall be filed at Step 2.

### Step 2. Department Head Level

If a satisfactory adjustment is not obtained under Step 1, the grievance shall be reduced to writing on a standard grievance form setting forth all facts believed to be relevant to the dispute, and the grievance shall be signed by the employee or employees involved. The written grievance must then be submitted to the Department Head. A meeting shall be held at a mutually convenient date and time to discuss the grievance. Up to two (2) Union Representatives, other than the Grievant, may attend the Step 2 meeting. Any resolution reached at this meeting shall be reduced to writing. The Department Head shall endeavor to furnish the Union with his/her written decision within fifteen (15) working days of the Step 2 meeting, excluding Saturdays, Sundays and holidays.

### Step 3. Labor Relations Division Level

If a satisfactory adjustment is not obtained under Step 2, the Union may request a Step 3 meeting with the Labor Relations Director. Such appeal and request for a Step 3 meeting must be submitted in writing to the Labor Relations Director within five (5) working days from the receipt of the Department Head's Step 2 answer. Not more than two (2) Union Representatives may attend the Step 3 meeting, and the Labor Relations Director may designate members of his staff to represent the City. Any resolution reached at this meeting shall be reduced to writing. The Labor Relations Director or his or her designee shall endeavor to furnish the Union with his/her decision within thirty (30) working days of the Step 3 meeting.

Step 4. Arbitration

- a. If a grievance is not settled after it has gone through Step 3 of the Grievance Procedure, the Union must file a written notice with the Labor Relations Director of appeal and intent to submit the dispute to arbitration. The Notice of Intent to Arbitrate must be filed within fourteen (14) calendar days of its receipt of the Labor Relation Director's Step 3 answer. If the Union fails to request arbitration in writing within this time limit, the grievance shall be deemed settled on the basis of the Step 3 answer and not eligible to go to arbitration.
- b. Arbitrations shall generally be heard by a member of a permanent umpire panel consisting of individuals mutually agreed-to by the City and the Union. Arbitrators will hear cases on a rotating basis. In non-disciplinary contract interpretation cases, however, the City may, at its election, choose to have the dispute arbitrated pursuant to the Labor Arbitration Rules of the American Arbitration Association. The Arbitration's fees and expenses shall be borne equally by the parties, and all other expenses shall be borne by the party incurring them. The Grievant, one (1) witness, and one (1) Union Representative shall not lose pay for time off the job while attending the arbitration proceeding.
- c. The decision of the Arbitrator shall be final and binding on the Union and its members, the employees involved and the City. The Arbitrator shall have no power to add to, subtract from, or modify any of the terms of this CET, and shall have due regard for the rights and responsibilities of the Employer set forth in Article 2 of the CET "Management Rights." The Arbitrator shall have no power to grant any wage increases or decreases, and shall not uphold any grievance against the City on the basis of past practice. The Authority of the Arbitrator is limited to interpretation and application of the provisions of this CET. The Arbitrator shall have no authority to apply or interpret the provisions of the expired collective bargaining agreement between the Union and the City, unless the grievance at issue was submitted during the term of that agreement, or grant any right or relief for any alleged grievance under the terms of the expired collective bargaining agreement between the Union and the City, unless the grievance at issue was submitted during the term of that agreement.

- B. A grievance shall be deemed untimely, settled and withdrawn unless a written Step 2 grievance is filed with the Department Head within five (5) working days (excluding Saturdays, Sundays and holidays) after the Grievant first knew, or should have known, of the facts giving rise to the grievance. Grievances concerning a continuing practice or continuing act of the Employer must be grieved within ten (10) working days of the date the Grievant first knew, or should have known, of the act or practice. Any extensions of these time limits must be agreed to by the City in writing.

- C. In the event the Employer fails to respond to a grievance or schedule a meeting within the time periods provided in any steps of the Grievance Procedure, said grievance shall be denied and the Union may make a written request that the grievance be referred to the next step.
- D. Any agreement reached between the Employer and the Union under the Grievance Procedure shall be binding upon the Employer, the Union and the employees concerned and cannot be changed by any individual. No settlement at any stage of the grievance procedure, except an arbitration decision, shall be a precedent in any arbitration and shall not be admissible in evidence in any future arbitration proceeding.
- E. The City shall not be required to pay back wages more than five working days prior to the date a written grievance is filed.
- F. All claims for back wages shall be limited to the amount of wages that the employee would have earned, less any compensation received for temporary employment obtained subsequent to his/her removal from the City payroll, and payments from Unemployment Insurance, Social Security Disability, Welfare, Department of Health and Human Services, City-Funded Long-Term Disability Insurance, Sickness and Accident Insurance or Automobile Accident Income Replacement Insurance. Where appropriate, the City shall reimburse those agencies and insurance funds so as to not affect the employee's equity therein.
- G. In the case of a pay shortage in which the employee would not have been aware before receiving his pay, any adjustment made shall be retroactive to the beginning of the pay period covered by such pay, if a grievance is filed within the twenty (20) working days within receipt of such paycheck.
- H. Exchanging, pertinent information regarding a grievance is beneficial to both parties in attempting to resolve the grievance.

The Union shall be advised of the factors considered in the imposition of discipline and shall have the right to request copies of available written documents or statements pertaining thereto. If the Union requests information regarding a grievance from an employee's personnel file, the Union must present written authorization from the employee to release the information. Management shall be advised of the basis of the grievance and have the right to request copies of available written information or statements pertaining thereto and which the Union proposes to present in support of the grievance.

It is agreed that any information requested in accordance with the above provisions which is not made available to the other party shall not be admissible as evidence in any arbitration hearing provided that a written request has been made to the appropriate Local Union President or Departmental Representative.

- I. The grievance procedure contained in this CET shall be the exclusive grievance procedure and remedy for all members of the bargaining unit claiming a violation of this CET.

## 10. DISCIPLINARY PROCEDURE

- A. The City retains the right to promulgate, amend and modify disciplinary rules, procedures and penalties.
- B. The issuance of disciplinary action shall take place in a timely manner with due regard for the Employer's right to conduct workplace investigations of employee misconduct. Any dispute regarding the timeliness of the discipline shall be resolved through the grievance procedure.
- C. **NOTIFICATION REQUIREMENTS:** Notification shall be given to the appropriate union representative of any disciplinary action taken against any member which may result in any official entries being added to the employee's personnel file. Both employee and the Union representative shall be given a copy of such official entry.

In all cases when a supervisor contemplates issuance of disciplinary action, the supervisor shall inform the employee and allow the employee the opportunity to have union representation. If the employee's requested representative is unavailable, the Union shall promptly substitute other union representatives in the represented unit, if on duty and available. If the employee declines union representation, he/she shall indicate so in writing and a copy shall be given to the Union.

When the department has decided to issue discipline, the employee will be allowed adequate time and an available area to discuss the discipline with his/her steward, or in the absence of a steward an appropriate union representative. In the case of a suspension or discharge, where Union representation is available, this discussion will take place prior to the employee leaving City property. Upon request the management representative who is present and issuing the action will discuss the disciplinary action with the employee and his/her steward. Exceptions to this procedure would be in situations where the suspended or discharged employee is absent without leave, or the parties agree that such discussion would not be beneficial at this time.

In the case of an oral reprimand, a notation by date and subject only shall be placed in the employee's personnel file.

- D. All disciplinary actions shall be subject to the grievance procedure. It shall be the responsibility of the grievant to keep the Union and City informed of his/her mailing address and telephone number(s) at which he/she may be reached for purposes of notification. Certified mail to the address of record shall constitute proper notification to the grievant.
- E. During investigation, an employee shall have the right to request to have his/her steward present if the employee reasonably believes that his/her statements may lead to

disciplinary action. Before an employee is required to make any statements pertaining to his/her possible misconduct, the employee shall have the opportunity to discuss the matter first with his/her steward.

- F. **PERSONNEL RECORDS:** All employees within the bargaining unit shall have the right to review his/her personnel records pursuant to applicable law.

Special Conferences for important matters including problems of health and safety and periodic discussions of substantial issues which are of concern to Union members may be arranged upon mutual agreement between the Union President and the Department Head or his/her designated representative upon the request of either party. Such meeting shall be between representatives of the department, and no more than three (3) and at least two (2) representatives of the Union.

- A. **SENIORITY** is hereby defined as the length of continuous service beginning on the date of legal certification to a position in the classified service of the City of Detroit. Seniority, as defined above and in accordance with Human Resources Department Rules incorporated herein by reference, is established to serve as a basis for determining employee seniority rights provided for in this CET including the order of demotion or lay off in the event of a reduction in force and the reemployment rights of employees. Note: Seniority is not the same as "service time" as utilized for the various economic benefit provisions.

The seniority date of employees in the bargaining unit who were initially hired into Federal Economic Opportunity Act (FEOA) Service classes shall be made retroactive to the date of placement to a position in such FEOA Service class.

- B. **CONTINUOUS SERVICE** shall mean employment by the City of Detroit without interruption or breaks. The following shall not be considered breaks in service.

**Note:** Seniority is not the same as "service time" as utilized for the various economic benefit provisions.

1. Service in the Armed Forces of the United States up to four (4) years, or five (5) years if requested by the Government as provided under Federal law.
2. Absence from work due to injuries compensated for under the Workers' Compensation Act of the State of Michigan.
3. Duty-disability retirement.
4. Appointment or election to an exempt non-classified position of the City of Detroit.
5. Lay off as a result of a reduction in force for a period not exceeding two (4) years.
6. Leave of absence to serve in a qualifying employee labor organization for the term of said employment.
7. Leaves of absence for Peace Corps service up to two (2) years.
8. Other approved leaves of absence for a period not exceeding one (1) year.
9. Non-duty disability retirement for a period not exceeding one (1) year.

Employees may be granted a personal leave by the City for up to one (1) year. Seniority

C. **LOSS OF SENIORITY:** An employee shall lose his/her seniority for the following reasons only:

1. Discharge or permanent removal from the payroll and the separation is not reversed through the grievance procedure.
2. Regular service retirement.

D. **ADJUSTMENT FOR SEASONAL, TEMPORARY OR PART-TIME EMPLOYMENT:** If an employee in a special service classification employed on a seasonal, temporary or part-time basis is subsequently placed in a regular full-time classified position the following adjustments to seniority shall be made:

1. In the case of the seasonal or temporary employee, for each twelve (12) month period of employment in which the employee worked six (6) months or less, six (6) months shall be deducted from the length of continuous employment.
2. In the case of the part-time employee, for each period of employment in which the employee worked on a half-time or less basis, the employee shall be awarded one-half seniority credit and the length of continuous employment adjusted accordingly.

Any adjustment of seniority under this section shall be made from the employee's certification date as a seasonal, temporary or part-time employee.

E. **RESOLVING TIES IN SENIORITY:**

1. Where two or more persons have the same seniority date, the employee with the highest standing (examination rating) on the eligible register from which the employees were certified shall be deemed as having the greater seniority. In the event of identical examination ratings, the employee with the earliest examination date shall be deemed as having the greater seniority. In the further event of identical examination dates, the employee who first submitted his/her employment application (as measured by the examination number) shall be deemed as having the greater seniority.
2. In the case of inducted employees with the same seniority date, employees will be ranked in accordance with their length of continuous service in the department, agency or activity in which they were employed when inducted into the classified service. Insofar as possible to determine, such continuous service shall include any adjustments in accordance with procedures outlined in this Article.
3. Notwithstanding the above, in all cases of identical seniority dates, persons entitled to preference under the Michigan Veteran's Preference Act shall be deemed as having greater seniority than those employees without such preference.

The City may extend in its sole discretion this probationary period for up to an additional six (6) months. This decision may not be grieved. The reasons for the extension will be given in writing to the employee, and a copy given to the Union upon request.

The Union shall represent probationary employees for the purposes set forth in this CET except separation from City service or reversion to the formerly held title for reasons other than union activities. For probationary employees with prior City service, the Union shall represent such employees when a department issues a suspension or discharge for cause instead of taking action to revert the employee to his/her prior status.

- G. **SENIORITY LISTS:** The City will furnish to the Union quarterly, a seniority list and a separation list showing each employee's name, address, department, classification, , and total City seniority date. Upon request, the City will annually furnish a Union its relevant city wide seniority list by classification. These computer generated lists will be based on official Human Resources Department documents which have been approved and processed as of the date submitted. Any questions concerning this information or alleged errors should be submitted to the Administrative Services Division of the Human Resources Department. When the City has the capability, such lists will be provided to the Union on compact disks (CDs).

- H. **CLASSIFICATION SENIORITY:** Classification seniority shall be preserved where it is utilized in prior agreements.

#### 14. SENIORITY OF UNION REPRESENTATIVES

- A. Except as follows and as provided in Article 37 - Overtime, there shall be no exceptions or special seniority provisions for Union officers. 1. Provisionally-hired employees.
  2. Newly-hired employees who have not completed the probationary period.
  3. Employees hired on a seasonal, temporary or other limited term basis.

D. **DEPARTMENTAL DISPLACEMENT RIGHTS:** Permanent seniority employees who are being removed from a given class shall have the following optional displacement rights in their department:

1. To displace the least seniority employee in a lower class in the same occupational series, provided that they have prior year service in such classification within the last three (3) years and can perform the duties of the new position.
2. To displace the least seniority employee in some other classification which the senior employee previously held within the last three (3) years, provided that they can perform the duties of the new position.

In addition, employees who are unable to displace lesser seniority employees in their department may be transferred or demoted to other available vacant positions in the department for which they are adjudged to be qualified.

Those employees who are unable to displace lesser seniority employees or are not status-changed to other available vacancies in the department shall be laid off by issuance of a layoff notice from their department. Such laid off employees shall then have those City-wide displacement rights described below.

Employees who have an opportunity to displace a lesser seniority employee in the next lower class in their occupational series, but elect not to exercise such displacement rights and request to be laid off instead, shall not be eligible for these City-wide displacement rights. However, such employees will have those recall, reemployment and restoration rights set forth in Section F.

E. **CITY-WIDE DISPLACEMENT RIGHTS:** Permanent seniority employees laid off from a department or demoted to a lower classification due to reduction in force shall have the following displacement rights on a City-wide basis:

1. To displace provisional hires, probationary employees and limited term employees in the laid-off class in any other City department in that order.

On the date so specified for his/her retirement he/she shall be retired, notwithstanding that pending such period of notification he/she may have separated from City service. Upon his/her retirement he/she shall receive a Retirement Allowance as provided by the City Charter and Municipal Code. Employees may retire on or after July 1, 1992, with 25 years of credited service but less than 30 and receive an actuarially reduced pension which shall be known as the Actuarially Reduced 25 Year Option of the Retirement Plan. Employees who are receiving a duty or a non-duty disability pension or Income Protection benefits may elect to convert to this new option if they otherwise meet the qualifications.

Employees who have resigned with 25 or more years of service since July 1, 1992, shall have ninety (90) days to submit an application for this option from the date they are officially notified by the Pension Bureau that said application can be processed.

After the initial enrollment of applicants by the Pension Bureau, employees who subsequently leave City employment shall have ninety (90) days from their last paid date on the City payroll to select this option.

Retirees who began receiving a Duty or Non-Duty Disability Pension after July 1, 1992, may convert to this option no later than ninety (90) days after they would have had twenty-five (25) years with the City and have been notified by the Pension Bureau of the availability of this option.

Employees who began receiving Income Protection Benefits after July 1, 1992, may convert to this option anytime after they have had twenty-five (25) years of service with the City.

The above paragraphs notwithstanding, employees hired after January 1, 1996, shall not be eligible for a Service Retirement until they shall have attained fifty-five (55) years of age. This age requirement shall apply to both the Regular Service Retirement with thirty (30) years of service and for pension calculation purposes to the Early Service Retirement (actuarially reduced) with twenty-five (25) or more years of service.

- B. Retirement benefits shall be modified to include an optional coordination of benefits between regular retirement benefits and Social Security benefits for those employees who retire from the City with a regular retirement or the Actuarially Reduced 25 Year Option prior to becoming eligible for Social Security payments. Such coordination of benefits shall cause an approximate leveling of total monthly benefits derived from both the City's retirement system and Social Security without creating any additional actuarial costs.

- C. For employees hired on or after July 1, 1980, the vesting provisions of the City Retirement Plan shall require ten (10) years of service regardless of age in lieu of the "40 and 8" age and service requirement.
- D. For employees who separate from City service with a vested pension prior to reaching eligibility for a regular service retirement, time earned after July 1, 1986, shall not be factored into the formula for determining their pension benefit until they shall have attained age 62. This provision will not affect the current practice governing disabled employees.

In the event that any law, state or federal is passed during the term of this CTE which permits employees to vest their pension prior to meeting the vesting requirements set forth in this contract, any employee who vests his/her pension in such a manner shall not be eligible for any pension benefits until his/her sixty-second (62<sup>nd</sup>) birthday.

- E. Employees who become eligible for a pension under the vesting provisions of the plan, shall be ineligible for any of the hospital, medical, optical or dental benefits provided for other retirees, spouses, dependents or beneficiaries.
- F. Subject to the provisions in Section O, employee contributions to the general retirement annuity fund shall be optional. Balances in the fund standing to the individual credit of employees discontinuing contribution shall be maintained with accumulated interest to be paid out to the employee upon separation from the City. Employees qualified under the pension vesting provision of the general retirement system may withdraw their annuity with accumulated interest upon separation.

Upon attainment of twenty-five (25) years of service, an employee shall be eligible to withdraw, one time only prior to retirement, all or part of his/her annuity savings.

Non-Duty and Duty Disability retirees shall be eligible to withdraw, one time only, all or part of their annuity savings.

- G. At the time of retirement, members of the general City pension system may elect an option which shall entitle them to change their pension option from either option 2 or option 3 to a straight life pension after they have commenced collection of the pension if the member's beneficiary predeceases the member. This shall be known as the Pop-Up Option. The actuarial cost of the change in benefit shall be borne by the member who selects this change in his/her option election.
- H. Employees who retire on or after July 1, 1998, shall have their pensions computed according to the following formula. Using the highest paid 36 consecutive months out of the last 120 including longevity payments, as Average Final Compensation; 1.6% of Average Final Compensation for each year of service for the first 10 years; 1.8% of Average Final Compensation for each year of service for the second 10 years; 2.0% of Average Final Compensation for each year of service greater than 20 years up to 25 years; and 2.2% of Average Final Compensation in excess of 25 years; plus \$12 for each year of City service not to exceed \$120. In no case shall benefits paid by the Retirement

System exceed ninety percent (90%) of Average Final Compensation except in the case where a higher pension amount has been earned in accordance with the provisions in effect prior to July 1, 1992. For all years of credited service accrued by Union members after July 1, 2012, the multiplier shall be reduced to 1.5% of Average Final Compensation per year.

- I. Effective for bargaining unit members who retire on or after July 1, 1999, they shall have the Unused Sick Leave On Retirement payment benefit provided for in Article 25 of this CTE.
- J. Effective January 1, 1999, the maximum annual amount payable to an individual on a Duty Disability pension shall be increased to \$9,000 and for Non-Duty Disability pension to \$6,000.

The maximum amount of the Accidental Death Benefit as found in Chapter VI, Article VI, Part C, Section 1, Paragraphs B and C of the City Charter shall be increased from \$2,400 to \$5,700 per annum.

- K. Effective September 28, 2010, any employee covered by this CET, who is seeking a duty disability retirement, shall have an examination conducted by an independent medical examiner (IME). If the IME concludes that the employee's physical or medical condition does not relate to his/her employment with the City of Detroit, the employee shall not be eligible for the duty disability retirement.
- L. Effective January 1, 1999, minor dependents under age 19 or permanently mentally or physically impaired dependent children who become impaired prior to age 19 of employees who die with 20 years of service without a surviving spouse shall receive a payment of \$9,000 per year which shall be divided equally amongst all eligible dependents. The payment will cease when the last minor attains age 19 or for mentally or physically impaired children at death. There shall be no retirement escalator for this payment.
- M. In addition to in-service death pension benefits which already exist for employees with 20 or more years of service, effective July 1, 1998, if a bargaining unit member dies after having attained 15 or more but less than 20 years of creditable service at any age below 60, the surviving spouse will be paid a 50% joint and survivor election. Dependent children, if there is no eligible surviving spouse, are to be paid a total of \$6,000 which shall be divided equally amongst all eligible dependents until the youngest child reaches age 19, or for life if a child is permanently physically or mentally impaired.
- N. After the effective date of this CET, employees will no longer receive the 2.25% per annum escalation.
- O. Pension – Employer Contribution (414h Plan):

Upon notification by the Union to the City of its desire to activate a 414(h) Plan, the City will take steps to implement the provisions contained in the following paragraphs. The Union initiated the discussions and proposed the provisions contained in the paragraphs

and the parties recognize and agree that it will take some time before this program can become operational due to the necessity of making changes in the City's computerized payroll system.

It is hereby agreed that every member of this bargaining unit shall be required to make contributions in the amount of 5% of their annual compensation to the Annuity Savings Fund of the General Retirement System. The said 5% employee contribution to the Retirement system Annuity Fund, although designated as employee contributions, shall be paid by the City of Detroit in lieu of contributions by the employee. The employee shall not have the option of choosing to receive the contributed amount directly instead of having them paid by the employer to the annuity fund. There shall be no additional contribution expense to the City of Detroit, and the amounts so contributed by the employer on behalf of the employee shall be treated, for tax purposes, as employer contributions and thus shall not be taxable to the employee until these amounts are distributed or made available to the employee.

These provisions shall not affect the amount or benefits level of the retirement allowance, or the City of Detroit's obligation thereto.

The City shall not be responsible for any adverse ruling, if any, and monetary penalty, judgment, or damages to the City as a consequence of the City's compliance with the provisions of this CET.

- P. Employees shall have the option of selecting from two additional surviving beneficiary options of 25% and 75%.
- Q. Annuity Contribution Amounts: The City will offer employees who choose to contribute to the annuity plan the option of 3% up to the Social Security maximum salary which would then be increased to 5%, a straight 5%, or a straight 7% contribution.
- R. Members of the bargaining unit shall have the option of belonging to the City's current defined benefit/defined contribution retirement plan or a new defined contribution retirement plan in accordance with the rules the City will issue for a defined contribution plan. The parties agree that the defined contribution plan the Executive Branch will propose for acceptance by the City Council, although not specifically detailed at this time, is intended to be primarily in accordance with the provisions which were last advocated by the Executive Branch in November-December, 1997.
- S. Effective July 1, 2003, the membership of the General Retirement System, Board of Trustees [Article II, Section 2, Subsection (1)] shall be modified to provide that one of the trustees is: "The Mayor of the City or his/her designated representative, ex-officio. Such designated person shall be a full-time appointive or classified City employee."
- T. To the extent that employees in the bargaining unit participate in any supplemental retirement plans other than the General City Retirement System, the City reserves the right to withdraw from such supplemental plans at any time and in accordance with applicable law.

- U. All Retirement and Pension Plan Provisions provided for by the City Charter and Municipal Code are incorporated herein by referral unless otherwise specifically modified by this CET or Ordinance 2-93, J.C.C. Page 133.
- V. **Defined Contribution Plan for Current and New Hires** – The City reserves the right to design, establish, manage, amend, and implement a Defined Contribution Plan for current employees and new hires, which may include a Defined Contribution Retirement health care plan.
- W. Upon the effective date of this CET, all vision and dental benefits shall no longer be provided for any future retirees after January 1, 2013.
- X. The City reserves the right to modify, amend, and/or eliminate any and all aspects of its pension/retirement plan(s), unless prohibited by law.

WHEREAS, the City currently confronts daunting challenges characterized by persistent and systemic fiscal imbalances and deficit conditions, aggravated by the deterioration in revenues received from property taxes, income taxes, interest earnings, utility revenues, and intergovernmental revenues resulting from the recent serious recession in the U.S. and Michigan economies; by the growth in the City's legacy costs concurrently with the City's diminished ability to carry such costs; and by the difficulty in rapidly restructuring the City's operations so as to bring short-term and long-term expenditures in line with current and projected revenues; and

WHEREAS, a financially stable and vibrant City is important as a catalyst for the State of Michigan's overall image and success in economic development, business attractiveness, quality of life, and a host of other factors; and

WHEREAS, fundamentally changing the City's current trajectory can restore the quality of life which families, businesses and visitors have a right to expect and enjoy; and

WHEREAS, the City, through the Mayor and City Council, seeks to pursue this long-term vision by achieving, first, financial stability for the City, and, second, a sustainable and stable platform for growth ensuring the City's financial integrity in a manner that enables the City to grow, prosper and thrive; and

WHEREAS, the People of the State of Michigan have required the establishment of the Department of Treasury as a principal department of state government under Section 3 of Article V of the State Constitution of 1963 (the "Treasury Department") and provided that the State Treasurer, a constitutional officer appointed by the Governor with the advice and consent of the Michigan Senate (the "State Treasurer"), shall serve as the head of the Department, which is vested with responsibilities related to local government finance, budgeting and administration under state law; and

WHEREAS, the City is a political subdivision of the State of Michigan organized as a body corporate under Act 279, Public Acts of Michigan, 1909, as amended, the Home Rule City Act ("Act 279"), with the People of Detroit having created and provided for their continuing control of the municipal government of the City by adopting a Home Rule Charter of the City of Detroit (the "Charter"), and the People of the State of Michigan conferring comprehensive home rule power to the City through the State Constitution of 1963, subject to the limitations on the exercise of that power contained in the Constitution or the Charter, or imposed by statute;

WHEREAS, the Treasury Department desires to undertake jointly with the City efforts for the betterment of the residents of the City and the State of Michigan (the "State") as a whole through the adoption of this Financial Stability Agreement (this "Agreement"); and

WHEREAS, as a commitment to the long-term cooperative process established in this Agreement, the Mayor and the City Council desire to authorize and perform certain initial restructuring actions detailed herein with the Treasury Department; and

WHEREAS, the City is in need of specific and targeted operational and technical support and consultation in such areas as information technology, payroll and accounting, financial recordkeeping and reporting, internal controls, data management and analytics, enterprise application implementation, actuarial analysis and benefits management, State and federal grant management, revenue assessment and forecasting, and other areas; and

WHEREAS, this Agreement contains the terms and conditions authorizing a cooperative undertaking between public agencies for efficiently restructuring the City's operations and tackling the City's systemic issues and accumulated deficit with the goals of (i) ensuring that the City remains a safe and secure environment where residents and visitors can live and work, (ii) promoting the delivery of quality, efficient, and effective public services to residents and businesses, and (iii) creating a civic culture and environment that attracts as well as retains investment, businesses, jobs and new residents to the City and the State; and

WHEREAS, approval of this Agreement is intended to reaffirm the role of the City's executive and legislative branches under the Charter in the development of the strategy, policies and long-term vision of a revitalized City; and

WHEREAS, under this Agreement the City and the Treasury Department agree to jointly exercise powers relating to public finance, budgeting, and administration that they share in common and that each may exercise separately, including, but not limited to, the powers, privileges and authorities of the Treasury Department to protect the credit of the State and municipalities in the State, and to aid, advise and consult with the municipalities with respect to fiscal questions and certain other matters under Act 34,

Public Acts of Michigan, 2001, as amended, the Revised Municipal Finance Act ("Act 34"), and to require local units of government to agree to plans to correct deficit conditions under Act 140, Public Acts of Michigan, 1971, as amended, the Glenn Steil State Revenue Sharing Act of 1971 ("Act 140"), and under other applicable law; and the power and authority of the City under Act 34 and Act 140 in respect of the foregoing, and the comprehensive home rule and other powers, privileges and authority of the City to enter into contracts on matters of municipal concern including, but not limited to, under Act 279, the Charter, and other applicable law; and

WHEREAS, under Act 140 the City previously has submitted to the Treasury Department a "financial plan" (sometimes referred to as a "deficit elimination plan") within the meaning of Act 140; and

WHEREAS, this Agreement shall update, supplement and restate the City's deficit elimination plan currently on file with the Treasury Department, as the same may be modified from time to time, and constitutes the City's request that the Treasury Department assist and cooperate with the City in the joint formulation of the financial plan to correct the City's deficit condition.

NOW, THEREFORE, the parties hereby agree as set forth below. Without limiting the foregoing, the City, through its Mayor (the holder of such office at any given time, the "Mayor") and the City Council of the City of Detroit (the holders of such offices, collectively, at any given time, the "City Council"), hereby agree and promise to undertake the steps outlined in this Agreement in consideration of and reliance upon: (i) subject to the terms of this Agreement, the Treasury Department maintaining existing discretionary state revenue sharing initiatives and agreements under Act 140; (ii) subject to the terms of this Agreement, the City's continuing ability to issue new

#### **3.1 Revenue Conferences; Conduct.**

(a) Consistent with Section 8-213 of the Charter, the Directors of the Finance Department, Budget Department, Auditor General and City Council's Fiscal Analysis Division shall hold a revenue estimating conference ("Revenue Conference") each January and July, or such other dates as shall be determined by the Board Chair of the Financial Advisory Board or agreed to by the participants in the Revenue Conference, for the purpose of arriving at a consensus estimate of revenues to be available for the then current fiscal year of the City and the next fiscal year beginning the following July 1<sup>st</sup> (such estimate, a "Revenue Estimation"). The Board Chair of the Financial Advisory Board or his or her designee and the Chief Financial Officer shall attend and participate in the revenue estimating conference. The Board Chair of the Financial Advisory Board shall set the meeting dates of the Revenue Conference and shall preside over the Revenue Conference or, in the absence of the Board Chair, the Chief Financial Officer

shall preside. The revenues under consideration shall include all general fund, solid waste fund, and risk-management fund revenues, revenues of enterprise agencies that require a general fund subsidy, and all other revenues of the City. The parties shall also compile and consider any and all outstanding delinquent receivables in the possession of City agencies, departments and entities and, in conjunction with Corporation Counsel, recommend to the Mayor, the Chief Financial Officer, the City Council and the Financial Advisory Board the most efficient means to collect this revenue, which may include collection procedures undertaken by the Law Department. Revenue Conference reports should adhere to the reporting standards recommended by the City Council's Fiscal Analysis Division except as otherwise determined by the Financial Advisory Board.

(b) At or in connection with a Revenue Conference, the Revenue Conference may (a) take testimony from persons with municipal finance, budgetary, economic or related expertise and (b) request and receive from all public officers, departments, agencies and authorities of the City or the Treasury Department any assistance and information necessary to arrive at a Revenue Estimation (together with all other information considered by the Revenue Conference, such testimony, assistance and information, the "Revenue Estimation Evidence").

(c) The Revenue Estimation shall include a determination by the Revenue Conference of the amount of revenue to be applied to reduce any accumulated deficit or, if there is no accumulated deficit, to a budget stabilization account (the "Set-Aside").

(d) The Revenue Estimation, including any Set-Aside, shall be reviewed and approved by the Financial Advisory Board as provided in Section 1.5(f) and thereafter shall be effective and binding for the Budget period to which it applies.

(e) For purposes of the City's fiscal year 2013 Budget, and in lieu of the foregoing procedure, the City's Revenue Conference under Section 8-213 of the Charter shall arrive at the applicable Revenue Estimation and Set-Aside, which shall be provided to the State Treasurer for approval in lieu of approval by the Financial Advisory Board.

3.2 Revenue Conferences; Limitation on Adjournment. A Revenue Conference shall not be adjourned until the Board Chair, in the Board Chair's discretion, determines that either (a) a consensus regarding the Revenue Estimation based upon reasonable assumptions (economic and otherwise) has been reached or (b) sufficient Revenue Estimation Evidence exists to allow for a Revenue Estimation, despite any inability to reach a consensus with respect to such Revenue Estimation. A Revenue Estimation shall set forth discrete revenue estimates from each of the City's major revenue sources, in a form consistent with Treasury Department pronouncements, including all of the following: (a) property taxes; (b) income taxes; (c) casino gaming taxes; (d) State revenue sharing and other State grants; (e) federal grants; (f) licenses, fees, and permits; (g) interest income; (h) proceeds from the sale or lease of any City-owned assets; (i) operating transfers or reimbursements from other funds; and (i) other funds if required by the Charter. If a consensus cannot be reached with respect to a Revenue Estimation within 14 days after the beginning of the Revenue Conference, the Revenue Estimation Evidence shall be submitted by the Board Chair to the State Treasurer, who shall determine the Revenue Estimation, including any Set-Aside, for the upcoming Budget period.

3.3 Limitation on Mayor's Budget Proposal. Except for the Transitional Period as set forth in Section 6.7(b) of this Agreement, the Mayor shall not develop or propose

a Budget or any amendment to a Budget that (a) reflects revenues in excess of the Revenue Estimation, net of any Set-Aside, approved by the Financial Advisory Board for the corresponding Budget year, (b) reflects the collection of revenue from sources not approved by the Financial Advisory Board, (c) fails to comply with the requirements of Act 2 (as defined below) or other applicable law; or (d) incorporates payments not approved by the Financial Advisory Board as part of the Budget.

3.4 Limitation on City Council's Budget Approval. Except for the Transitional Period as set forth in Section 6.7(b) of this Agreement, the City Council shall not approve a Budget, any amendment to a budget, a general appropriations ordinance or any amendment to a general appropriations ordinance that (a) reflects revenues in excess of the Revenue Estimation, net of any Set-Aside, approved by the Financial Advisory Board for the corresponding Budget year, (b) reflects the collection of revenue from sources not approved by the Financial Advisory Board, (c) fails to comply with the requirements of Act 2 or other applicable law; or (d) incorporates payments not approved by the Financial Advisory Board as part of the Budget.

3.5. Budget Proceedings and Adoption. The Budget adopted for each fiscal year for the City shall comply with the following requirements:

- (a) Subject to Sections 3.1 to 3.4 of this Agreement, each Budget shall be prepared and presented, and each appropriations act proposed by the City shall be adopted, in accordance with the provisions of Act 2, Public Acts of Michigan, 1968, as amended, the Uniform Budgeting and Accounting Act ("Act 2"), applicable provisions of the Charter, and Secs. 18-2-16 through 18-2-25 of the Detroit City Code, as amended from time to time. The milestones for annual Budget adoption, including Revenue Conferences, are set forth on Annex C hereto.
- (b) Beginning with the first Budget adopted after the execution of this Agreement, the proposed Budget for each fiscal year shall be transmitted by the Mayor to the Financial Advisory Board not later than March 29 of each year.

- (c) During the period covered by any Budget, the Mayor shall propose such amendments to the existing Budget as are necessary (e.g., the reduction of budgeted expenditures under Section 3.6 of this Agreement; the adjustment of quarterly allotments) on a timely basis so as to prevent an expenditure from being made for which adequate revenues are unavailable or are projected to be unavailable (e.g., on account of a shortfall in actual revenue, or unusual or extraordinary expenditures) or otherwise to support the initiatives in the Triennial Budget. No amendments or modifications proposed by the Mayor to any proposed or approved Budget or approved by City Council shall become effective unless such amendments are consistent with the Triennial Budget, as certified by the Chief Financial Officer.
- (d) Each Budget shall be designed to ensure that the City shall not end the relevant fiscal year with an operating deficit in any fund (any such deficit, an "Operating Deficit"), provided that, upon the recommendation of the Financial Advisory Board, the Mayor shall have the authority to propose, and the City Council shall have the authority to approve, Operating Deficits proposed in Budgets or amendments thereto in the Financial Advisory Board's sole discretion.
- (e) If, during a fiscal year, it appears to the Mayor, the Chief Financial Officer or the City Council that the actual and probable revenues from taxes and other sources in a fund are less than the estimated revenues, including an available surplus upon which appropriations from the fund were based and other proceeds permitted by law, and will be insufficient to satisfy projected expenditures, the Mayor, within 30 days of notification of such revenue shortfall, shall present to the City Council the Chief Financial Officer's recommendations which, if adopted, would prevent expenditures from exceeding available revenues for that current fiscal year. The recommendations shall include proposals for reducing appropriations from the fund for budgetary centers in a manner that would cause the total of appropriations to not be greater than the total of revised estimated revenues of the fund, or proposals for measures necessary to provide revenues sufficient to meet expenditures of the fund, or both.
- (f) During the term of this Agreement, no officer or employee of the City shall make or authorize any obligation or other liability (i) not authorized by the Budget or (ii) in excess of any amount authorized in the Budget unless approved by the Mayor and the Financial Advisory Board in compliance with applicable law.
- (g) If during a fiscal year the Chief Financial Officer becomes aware of a proposed contract, financial transaction or settlement of claim which, in the Chief Financial Officer's judgment, will have a material adverse impact on the Budget or on City's long-term ability to achieve and maintain Financial Stability, the Chief Financial Officer shall report the Chief Financial Officer's concerns respecting the proposed contract, transaction

or settlement to the Mayor, the City Council, the Financial Advisory Board and the Treasury Department.

3.6 Budget Reductions; Ordinance; Impasse. Within 60 days of the effective date of this Agreement, the City Council shall adopt an amendment to the Finance and Taxation Ordinance or other appropriate provisions of the Detroit City Code providing that if the Chief Financial Officer reports to the Mayor, or if the Council Fiscal Analysis Director reports to the City Council and the Chief Financial Officer concurs, that expenditures during a fiscal year have exceeded or are likely to exceed appropriated levels, (i) the Mayor, consistent with Section 3.5(e) of this Agreement, shall submit a proposed appropriation amendment to the City Council decreasing budgeted appropriations in amounts sufficient to avoid the deficit; and the City Council promptly shall amend appropriations to avoid the deficit; and further if City Council fails to so amend the appropriation ordinance to avoid the deficit within 30 days after the submittal of the proposed appropriation amendment, then the requested appropriation amendment submitted by the Mayor becomes effective; and further (ii) if the Mayor fails to so submit a proposed appropriation amendment to the City Council decreasing budgeted appropriations in amounts sufficient to avoid the deficit within 30 days of notice by the Chief Financial Officer, the Council may introduce and adopt such an amendment on its own motion. The powers and actions authorized by this Section 3.6 shall be granted pursuant to MCL 141.1514a and MCL 141.1519(1)(b) to the extent necessary to implement this Section 3.6, but only to the limited extent and limited time necessary to implement this Section 3.6.

3.7 Triennial Budget. (a) As a means of addressing the City's fiscal imbalances and accumulated deficit and to permit continuous planning at least three

fiscal years in the future, beginning with fiscal year 2013 the City, in consultation with the Financial Advisory Board, shall develop and maintain a Triennial Budget for adoption by the City Council. The Triennial Budget shall contain specific and realistic operational metrics, expenditure reductions, revenue set-asides, or specific and realistic revenue enhancements, or any combination of them, in an amount sufficient to address, within a period of not to exceed 5 years, any current or accumulated deficit in any fund maintained by the City. The Financial Advisory Board may approve modifications to the period within which the accumulated deficit will be eliminated. In addition, the Triennial Budget shall provide for the liquidation of all significant inter-fund payables and receivables, not regularly settled, in not to exceed 5 years from the date of this Agreement. The Financial Advisory Board may approve modifications to the period within which the inter-fund payables and receivables will be settled. The Triennial Budget shall include details of the budget appropriation, reductions in employee salary, wages, employee retirement systems, other fringe benefits, debt retirement, and operating expenditures or revenue enhancements.

(b) The initial Triennial Budget shall be prepared and adopted prior to the end of the Transition Period (defined below), or such other date determined by the Chief Financial Officer and reported to the Financial Advisory Board and the Treasury Department, and shall include the subjects set forth on Annex A-1 hereto. When adopted by the City and approved by the Treasury Department, the initial Triennial Budget shall be attached as Annex A-2 hereto. The Triennial Budget shall be a "financial plan" (sometimes referred to as a "deficit elimination plan") within the meaning of Act 140, provided that the Treasury Department shall review compliance with the Triennial Budget annually, and shall retain full discretion under law to annually approve

of or disapprove of the then-current Triennial Budget as a satisfactory deficit elimination plan.

(c) Beginning with the City's fiscal year 2014 Budget, a copy of the proposed Triennial Budget shall be filed with the Treasury Department not later than April 12 of each year concurrently with submittal of the Mayor's annual Budget to City Council under the City's Finance and Taxation Ordinance. The City shall approve of and amend the Budget from time to time as necessary to give full effect to the Triennial Budget. The Chief Financial Officer shall have primary responsibility under the Mayor for the development of and adherence to the Triennial Budget. The Triennial Budget shall be posted on the City's website.

#### **4. COLLECTIVE BARGAINING AGREEMENTS**

4.1 Authority. The Mayor shall have the authority to negotiate, renegotiate, execute, amend, modify, reject or terminate collective bargaining agreements to the fullest extent authorized by law and subject to the terms of this Agreement.

4.2 Collective Bargaining Agreements; Restriction. The parties hereto agree that the Mayor shall not propose or execute, and the City Council shall not approve, any instrument which modifies, amends, extends, supplements or replaces the terms or conditions of, or is a successor agreement to, any collective bargaining agreement in effect as of the effective date of this Agreement or thereafter unless such modification, amendment, extension, supplement, replacement or successor agreement satisfies the requirements of Annex D as determined by the Financial Advisory Board or if a modification, amendment, extension, supplement, or replacement is required by law. For purposes of this Section 4.2, "collective bargaining agreement" includes an

arbitration award, excepting an arbitration award resulting from an arbitration proceeding concluded prior to the effective date of this Agreement.

4.3 Collective Bargaining Agreements; Approval. The Labor Relations Division shall negotiate and administer collective bargaining contracts in consultation with the Program Management Director. Upon the prior approval of the Financial Advisory Board following consultation with the Program Management Director, the head of the Labor Relations Division shall deliver to the Mayor any proposed collective bargaining agreement which satisfies the requirements of Section 4.2 of this Agreement for consideration and transmittal to the City Council in accordance with Sec. 6-408 of the Charter. The Mayor shall not approve and transmit to the City Council, and the City Council shall not approve of, any collective bargaining agreement which does not satisfy the requirements of Section 4.2 of this Agreement. If the City Council fails to approve a collective bargaining agreement as proposed by the Mayor and approved by the Financial Advisory Board within 30 days after the submittal of the proposed collective bargaining agreement, then the Program Management Director may approve the collective bargaining agreement in the place and stead of the City Council. The powers and actions of the Program Management Director authorized by this Section 4.3 shall be granted pursuant to MCL 141.1514a, MCL 141.1519(1)(g) and 141.1519(dd)(i), or other applicable law, to the extent necessary to implement this Section 4.3, but only to the limited extent and limited time necessary to implement this Section 4.3.

4.4. Duty to Bargain. It is the State Treasurer's determination pursuant to MCL 141.1514a(10) that beginning 30 days after the effective date of this Agreement, the City is not subject to Sec. 15(1) of Act 336, Public Acts of Michigan, 1947, as amended, MCL 423.215, for the remaining term of this Agreement.

## 5. PENDING LITIGATION REPORT

5.1 Report; Filing. Beginning on July 15, 2012, and continuing thereafter on a quarterly basis, the City's Law Department shall submit to the Financial Advisory Board a report (the "Pending Litigation Report") identifying all pending lawsuits or other legal actions or proceedings (including, but not limited to, lawsuits, actions or proceedings related to workers' compensation claims) to which the City is a party (any such lawsuit, action or proceeding, a "Pending Action"). Each Pending Litigation Report shall identify, with respect to each Pending Action: (a) all plaintiffs; (b) all defendants; (c) the court and judge before which the Pending Action is pending; (d) legal counsel representing the City (if other than the Law Department); (e) the specific cause(s) of action; (f) the length of time the Pending Action has been pending; (g) an estimate as to the budgetary impact upon the City (if any) from a disposition of the Pending Action unfavorable to the City; (h) the applicability of any liability insurance maintained by the City; (i) an assessment of the likely outcome of such Pending Action (which section of the Pending Litigation Report shall remain subject to any and all applicable privileges); and (j) any proposed settlement or disposition of any Pending Action. The City shall not settle or otherwise dispose of any Pending Action in an amount of \$250,000.00 or more without the prior written consent of the Financial Advisory Board under Section 1.5(m) of this Agreement or, prior to the first meeting of the Financial Advisory Board, the State Treasurer. For purposes of the Pending Litigation Report, the Financial Advisory Board shall be the client of the City's Law Department and shall be entitled to the attorney-client privilege, the attorney work product privilege, and all other privileges and duties afforded to clients under the Michigan Rules of Professional Conduct.

## 6. DEFAULTS AND REMEDIES

6.1 Obligations of the parties. (a) The City, through its officers and the City Council and applicable law, is bound by the obligations set forth in, and shall adhere to, this Agreement. Timely achievement of the Reform Program and performance of the financial and operational requirements set forth in this Agreement are of the essence of this Agreement. The Mayor and the City Council (and all departments, agencies and other entities organized within, and all officers acting on behalf of, the Mayor and the City Council, including in particular the Program Management Director and the Program Management Office) shall provide the Financial Advisory Board with access to all information, documentation and personnel as may be reasonably requested by the Financial Advisory Board from time to time, with respect to all matters related to the Reform Program and/or addressed in this Agreement. The parties intend that this Agreement may be deemed and function as an agreement entered into under MCL 141.1513.

(b) The Treasury Department, through the State Treasurer and applicable law, is bound by the obligations set forth in, and shall adhere to, this Agreement, consistent with applicable law.

6.2 Material Breach; Default. (a) For purposes of this Agreement, a breach of the obligations set forth in this Agreement, if uncured, shall be considered a material breach of this Agreement if, in the judgment of the Financial Advisory Board, the breach (i) materially impairs the timely and complete implementation of the Reform Program, (ii) materially impairs the Financial Advisory Board's ability to exercise its express responsibilities under this Agreement, or (iii) materially adversely affects the completion of 1 or more Reform Initiatives. Without limiting the foregoing, the obligations set forth in Section 1 (Financial Advisory Board), Section 2 (The Mayor and City Council), Section 3 (Financial and Budget Process; Revenue Conferences; Triennial Budget), Section 4.2, Annex B and Annex D shall be considered of primary importance in the achievement of the Reform Program whose performance is essential to the achievement of this Agreement's urgent public purposes.

(b) If the Financial Advisory Board determines that a material breach of this Agreement has occurred or is occurring, the Financial Advisory Board shall immediately notify the Mayor, the City Council and the Treasury Department of its determination. Upon receipt of the notice, the Mayor and the City Council, or either of them, shall take all lawful steps necessary to cure the material breach within 30 days, or, if the material breach is of a nature which cannot be cured within 30 days, shall commence and diligently pursue a cure, and shall report the steps taken to the Financial Advisory Board and the Treasury Department. The Financial Advisory Board shall investigate the circumstances and shall evaluate the efficacy of the cure or attempted cure by the

Mayor or City Council. The Mayor or the City Council shall have the opportunity to present evidence and argument to the Financial Advisory Board as to any aspect of the material breach and the efficacy of any cure. Following the expiration of the 30-day cure period, the Financial Advisory Board shall make a determination as to whether the material breach has been adequately cured. Following its investigation and the receipt of evidence and argument, the Financial Advisory Board shall make a declaration as to whether a default in the performance of the obligations under this Agreement. A declaration that a default has occurred shall require a vote of the Financial Advisory Board pursuant to Section 1.6 of this Agreement.

---

6.3 Default; Remedies. A declaration of default on account of a material uncured breach of this Agreement as provided in Section 6.2 may result in (a) the suspension by the Treasury Department of (i) discretionary State revenue sharing initiatives and agreements between the Treasury Department or the State and the City pursuant to Act 140 and/or (ii) Economic Vitality Incentive Program payments or other intergovernmental assistance between the Treasury Department or the State and the City pursuant to Act 140 and other applicable law, in each case to the extent permitted by law; (b) the withholding by the Treasury Department of approvals to enter the capital markets under Act 34; (c) accelerating or exercising other rights and remedies by the Treasury Department for collection of any existing loans from the State to the City under, e.g., Act 243 or other applicable law; (d) the filing of court proceedings by the Financial Advisory Board or the State Treasurer in the Circuit Court for Wayne County, Michigan, or the U.S. District Court for the Eastern District of Michigan seeking mandamus, an injunction, appointment of a referee, or other equitable relief consistent with the urgent public purposes of this Agreement so as to cause the obligations of this

Agreement to be fully and timely performed; (e) the placement by the State Treasurer of the City in receivership as provided in MCL 141.1515; and/or (f) other remedies available to the Treasury Department or under State law. The remedies provided in this Section 6.3 shall be cumulative.

6.4 Program Management Director; Board; Reform Initiative Remedies.

Timely achievement of the Reform Program being of the essence of this Agreement, in addition to the other remedies provided in this Agreement, the City and the Treasury Department agree that the following provisions shall apply in respect of individual Reform Initiatives:

(a) If in the judgment of the Mayor, the City Council, the Chief Financial Officer, the Program Management Director, the Financial Advisory Board or the Treasury Department a breach in the provisions of this Agreement, including the Annexes, has occurred or is imminently likely to occur which is materially frustrating or will materially frustrate the timely implementation of one or more Reform Initiatives (a "Reform Default Condition"), the Program Management Director shall provide written notice of the Reform Default Condition to the Mayor, the City Council, the Financial Advisory Board and the Treasury Department. Upon receipt of the notice, the Mayor and the City Council, or either of them, shall take all lawful steps necessary to cure the Reform Default Condition within 30 days, or, if the Reform Default Condition is of a nature which cannot be cured within 30 days, shall commence and diligently pursue a cure, and shall report the steps taken to the Financial Advisory Board and the Treasury Department.

(b) Upon receipt of the notice of a Reform Default Condition, the Financial Advisory Board shall investigate the circumstances and shall evaluate the efficacy of the

cure or attempted cure by the Mayor or City Council. The Mayor or the City Council shall have the opportunity to present evidence and argument to the Financial Advisory Board as to any aspect of the Reform Default Condition and the efficacy of any cure. Following the expiration of the 30-day cure period, the Financial Advisory Board shall make a determination as to whether the Reform Default Condition has been adequately cured so as to prevent a material breach of this Agreement respecting one or more Reform Initiatives. Following its investigation and the receipt of evidence and argument, the Financial Advisory Board shall make a declaration as to whether a default in the performance of the obligations under this Agreement in respect of one or more Reform Initiatives has occurred (a "Reform Default"). A declaration that a Reform Default has occurred shall require a vote of the Financial Advisory Board pursuant to Section 1.6 of this Agreement.

(c) In the event of a determination of a Reform Default by the Financial Advisory Board, and immediately upon the approval of the declaration that a Reform Default has occurred, the Mayor shall be deemed to have delegated his executive authority with respect of the Reform Initiative or Initiatives for which a Reform Default has been declared, but only in respect of such Reform Initiative or Initiatives, to the Program Management Director; and the City Council, by approval of this Agreement, shall be deemed to have given full legislative approval and authority to proceed with the implementation and execution of such Reform Initiative or Initiatives, but only in respect of such Reform Initiative or Initiatives. The Program Management Director thereafter shall exercise all lawful authority of the City in respect of the accomplishment, implementation and execution of the Reform Initiative or Initiatives for which the Reform Default was declared, provided that the Program Management Director shall be under

the supervision of, and shall report frequently, but not less often than monthly, to the Financial Advisory Board, the Treasury Department, the Mayor and the City Council in respect of the Program Management Director's actions, and the Financial Advisory Board shall review and approve or disapprove the proposed actions of the Program Management Director, including specifically the approval of any contracts proposed to be executed by the Program Management Director. The powers and actions of the Program Management Director authorized by this Section 6.4(c) additionally shall be granted pursuant to MCL 141.1514a, MCL 141.1519(1)(g) and 141.1519(dd)(i) to the extent necessary to implement this Section 6.4(c), but only to the limited extent and limited time necessary to implement this Section 6.4(c).

(d) Upon the earlier of (i) the accomplishment of the Reform Initiative or Initiatives for which the Financial Advisory Board had declared a Reform Default or (ii) the elimination or cure of the event or condition which was the basis of the Reform Default, the Financial Advisory Board, upon the recommendation of the Program Management Director or on its own motion, shall, by majority vote, declare the Reform Default terminated. The Financial Advisory Board also may consider a declaration that the Reform Default is terminated upon petition by the Mayor or the City Council. Immediately upon such declaration, the executive authority of the Mayor and the legislative approval of the City Council temporarily empowering the Program Management Director in respect of the specific Reform Initiative or Initiatives shall be deemed restored to the Mayor and City Council and the grants under Section 6.4(c) shall be withdrawn.

6.5 Additional Forbearance by Treasury Department. Provided that this Agreement remains in effect and there is no material failure to comply with, or adhere

to, this Agreement on the part of the City, the Treasury Department and the Financial Advisory Board shall forbear from exercising any of its respective remedies under Section 6.3.

6.6 Obligation Not Discharged by Contingencies. The obligations of the City as expressed and agreed to herein are not subject to release or discharge due to any contingencies within the City's reasonable control, including, but not limited to, clerical errors, computer failures, late mailings or the failure to comply with reporting due dates or other scheduled due dates excepting due to adverse weather, acts of God, acts of third parties or compliance with court orders. If the due date for a report, listing or other document falls on a weekend or legal holiday, then the report, listing, or other document shall be due on the first day thereafter that is not a weekend or legal holiday.

6.7 Transitional Provisions.

(a) The parties acknowledge that on account of inadequate systems and other operational constraints, the City will be unable to satisfy the reporting and budgeting requirements set forth in this Agreement as of the effective date of this Agreement. The parties agree that from the effective date of this Agreement until 60 days after the date that the Chief Financial Officer commences serving (the "Transitional Period"), the City will make every effort to comply with the reporting requirements set forth in this Agreement, but any failure to comply with the any such reporting requirements during the Transitional Period shall not be deemed to be a material breach of this Agreement.

(b) The parties acknowledge that as of the effective date of this Agreement and during the Transitional Period, the City will be in the midst of its budget preparation process for the fiscal year 2013 Budget, and that therefore the Budget provisions of this Agreement, including the responsibilities of the Financial Advisory Board and the

adoption of the initial Triennial Budget, cannot be fully accomplished for the fiscal year 2013 Budget. The City and the Treasury Department agree that during the Transitional Period, the City will make every effort to comply with the Budget process requirements set forth in this Agreement, and any failure to comply with any such Budget process requirements during the Transitional Period may be waived by the State Treasurer. Until the Board Chair of the Financial Advisory Board has been appointed and the Chief Financial Officer has commenced serving, the City's Revenue Conference under Section 8-213 of the Charter shall arrive at the Revenue Estimation for fiscal year 2013, and State Treasurer shall approve of the Revenue Estimation in lieu of the Financial Advisory Board under Sections 3.1 and 3.2 of this Agreement, which shall form the basis of the Mayor's proposed fiscal year 2013 Budget submitted pursuant to Section 3.3 of this Agreement and the City Council's approved fiscal year 2013 Budget pursuant to Section 3.4 of this Agreement. Notwithstanding the provisions of this Section 6.7(b), the Mayor and the City Council shall fully perform their respective obligations under Act 2 and the Charter in respect of the fiscal year 2013 Budget preparation and shall cause the fiscal year 2013 Budget and the 2013 general appropriations ordinance to be in effect as of July 1, 2012. During the Transitional Period, the Mayor shall not propose, and the City Council shall not approve, a Budget, any amendment to a budget, a general appropriations ordinance or any amendment to a general appropriations ordinance that reflects revenues in excess of, or collected from sources not included in, the applicable Revenue Estimation, net of any Set-Aside, for the 2013 Budget year.

## **7. AMENDMENT; WAIVER OF PROVISIONS**

7.1 Amendment; Waiver. This Agreement and the Annexes hereto may be amended only in writing by the mutual consent of the Financial Advisory Board, the

State Treasurer and the City (or their respective successors or permitted assigns), evidenced by all necessary and proper authority. By agreement of the parties, the Financial Advisory Board, in its sole discretion, may waive or forbear from any provision of this Agreement that requires an act by the City, provided that, for the avoidance of doubt, no entity other than the Financial Advisory Board shall be permitted to waive or forbear from any provision hereof that otherwise relates to a power reserved for the Financial Advisory Board. No waiver of or forbearance from any provision of this Agreement shall arise from any action or inaction of the Financial Advisory Board, except pursuant to an instrument in writing expressly waiving or forbearing from the provision executed by the party entitled to the benefit of the provision. The parties anticipate that Annex B to this Agreement will be amended and updated from time to time to reflect the dynamic nature of the Reform Program. Amendments to Annex B may be adopted by the Mayor and City Council with the approval of the Financial Advisory Board, as set forth in Section 2.4(a) of this Agreement. Amendments to Annex B may be proposed by the Mayor, the City Council, the Chief Financial Officer, the Program Management Director, the Financial Advisory Board or the Treasury Department.

## **8. DURATION OF AGREEMENT; RELEASE**

### **8.1 Duration of Agreement; Termination; City's Release from Obligations.**

This Agreement shall remain in effect until both of the following occur ("Financial Stability"):

- (a) The date of the earlier of:
  - (i) the end of the third consecutive fiscal year of the City in which each of the following conditions have been satisfied: (A) the City's audited financial statements indicate, on the basis of accounting

principles generally accepted in the United States, that the City general fund, excluding any revenues derived from borrowed funds, is not in a deficit condition; and (B) the City's accumulated deficit has been eliminated; or

- (ii) the City has achieved and maintained for at least two consecutive calendar years a credit rating by two or more nationally recognized securities rating agencies (without regard to any third party credit enhancement) on the City's outstanding long-term unsubordinated debt in any of the four highest long-term debt rating categories of such rating agency (BBB/Baa or higher), without regard to any refinement or gradation of such rating category by numerical modifier or otherwise; and

(b) The date that the State Treasurer certifies to the Governor that no material condition exists within the City, and that no action has been taken, or is being contemplated, by City officials, that would (A) implicate the need for a deficit elimination plan under Sec. 21 of Act 140, excepting for fund deficits of an immaterial nature; or (B) require implementation of the Treasury Department's authority under Sec. 802 of Act 34.

(c) The Mayor, with the approval of the City Council, may apply to the Financial Advisory Board to be released from the terms and conditions of this Agreement. If the financial conditions set forth in Section 8.1(a) and (b) have been satisfied by the City, the Financial Advisory Board shall release the City from the terms and conditions of this Agreement.

(d) Notwithstanding the provisions of subsections 8.1(a), (b) and (c) of this Section 8.1, this Agreement shall be earlier terminated by the Financial Advisory Board, with the consent of the State Treasurer, if requested by the Mayor and the City Council on behalf of City or by the Treasury Department.

## **9. CONTINUING EFFECT; EMPLOYEES; SEVERABILITY**

9.1 Continuing Effect. This Agreement shall remain in effect until terminated or until the Financial Advisory Board has released the City from the terms and conditions of this Agreement pursuant to Sections 8.1(c) or 8.1(d).

9.2 Joint Exercise of Power; Transfer. While this Agreement represents a joint exercise of power by the City and the Treasury Department, this Agreement does not transfer functions or services from the City or the Treasury Department to the Financial Advisory Board. Nothing in this Agreement prohibits the City from subsequently entering into a contract with the Financial Advisory Board for the transfer of functions or services from the City to the Financial Advisory Board, to the extent authorized under 1967 (Ex Sess) PA 8, as amended, MCL 124.531 to 124.536. The City and the Treasury Department intend that this Agreement be construed as an agreement between the City and the Treasury Department authorized under Act 7, Public Acts of Michigan, Extra Session of 1967, as amended, the Urban Cooperation Act of 1967, with the exception of the provisions of this Agreement authorized solely under MCL 141.1501 to 141.1531.

9.3 Employees. ## ANNEX E

### **SUPPORTIVE ACTIVITIES OF TREASURY DEPARTMENT AND STATE**

#### **Introduction**

The Treasury Department and the State remain committed to the overall growth and health of Michigan cities, and particularly so with the city of Detroit, the State's largest municipality. Ways to ensure this growth and health are emerging through a number of supportive initiatives.

Supportive activities already in process include:

#### **Improve Quality of Life and Safety for Detroiters**

- *Street lighting* – Improve public lighting by working with the city to create a separate authority to manage and finance streetlights. State legislation can create a new option for separate governmental authorities (similar to those for sewers) that allow for independent bonding authority against revenue as well as general funds. Detroit can then create such an entity to make financing more attractive to bondholders and thus lower the overall cost of the upgrades. This group would also have to develop multi-year lighting plans with the revenue to support them.
- *Law Enforcement* – As discussed in the governor's public safety message, over the next two years MSP will graduate two trooper classes – meaning approximately 180 troopers will be added, and will support our strategy to increase law enforcement resources in four Michigan cities, including Detroit.
- *Demolition* – Streamline, coordinate and accelerate demolition activities in the city.
- *Land Stewardship* – Improve the state's stewardship of its own land in the city with an emphasis on redevelopment, including undertaking a full review to determine what land can be redeveloped effectively and responsible ways to transition other parcels to successional landscapes.
- *Client Service* – The state will continue to enhance its presence within the city to better serve the client base for both DHS assistance and unemployment insurance.
- *Auto insurance* – Reduce auto insurance costs for residents through the Michigan Automobile Insurance Placement Facility, creating a base rate that reflects a more neutral score, resulting in noticeable rate reductions.

#### **Enhance Education**

- *K-12* – Ensure a quality school for every Detroit child through continued reforms of DPS, a strong start for the Education Achievement Authority, and support for Excellent Schools Detroit. Continue to drive a philanthropic agenda to provide post-secondary scholarship funding to Detroit graduates.
- *Early Childhood Education* – Ensure high quality early childhood education through a partnership with the Office of Great Start and increased collaboration with private and non-profit entities involved in providing these services to Detroiters.
- *Foundations for Learning* – Provide better access to services that enhance a child's learning process by moving DHS family independence specialists out of county offices and stationing them within 50 Detroit elementary schools. This will help eligible families access resources immediately, before barriers such as transportation, child care, housing instability, food insecurity, and access to healthcare impede a child's learning process.

### **Invest in Transportation Infrastructure**

- Move ahead with the New International Trade Crossing project.
- Expand and facilitate the Detroit Intermodal Freight Terminal, ensuring that southeast Michigan has regional facilities with sufficient capacity and interconnectivity to provide for existing and future intermodal demand and reducing time, monetary costs, and congestion.
- Establish the authority and board for, and develop a funding mechanism for, the new Regional Transit Authority. Invest in a regional, multi-modal system including BRT, bike paths and walkability.
- Working with CN and Amtrak, create a commuter rail station and stop at the former state fairgrounds, expand the West Grand Blvd. station to include better facilities for transfers and assist in the rebuilding of the Royal Oak and Troy stops.
- Accelerate a capacity improvement project for I-94 from I-96 to Conner Avenue, supporting more than 13,000 jobs between 2012 and 2020.
- Complete final engineering and start construction this summer for the West Detroit Junction Railroad Project to provide a shorter, faster route for intercity passenger trains, relieve congestion for freight trains, and help lay the groundwork for future commuter rail service between Ann Arbor and Detroit.

### **Invest in Physical Assets and Economic Drivers**

- *Citywide* –
  - Consolidate the planning and economic development functions for the city within the Detroit Economic Growth Corporation to avoid duplication, enable the development of unified strategy and execution, and simplify the process for new economic development within the city.
  - Coordinate and/or consolidate the state, Wayne County and city land banks to ensure the creation and execution of a common plan.
  - Devote \$3 million of state funds to clearing title on parcels identified by DEGC to ready them for speedy economic development.
- *Eastern Market* – Contribute to the revitalization of Eastern Market by investing in the conversion of Shed 1 (including incubator kitchens, entrepreneurial training, and business start-ups) and the renovation of Shed 5 into a full-scale grocery. Position the market as a Regional Food Innovation Cluster, focusing on science, technologies and enhanced management practices that will reshape food production and business. Assist the market in applying for a federal TIGER grant to create a seamless trail system from the Riverfront through the Eastern Market, Brush Park, and Wayne State University areas.
- *Riverfront* – Develop the Globe Building, expand Milliken State Park, dedicate a new launch for citizens near Riverfront Park and assist DEGC with resources and talent to transform Hart Plaza.
- *Belle Isle* – Create park funding for Belle Isle while ensuring continued City ownership by designating Belle Isle as a part of a cooperative relationship with Milliken State Park. This would include a long-term lease that would accrue the cost of the park's maintenance and improvements out of the Park Endowment Fund. We will partner with Belle Isle Conservancy and the City to implement a master plan for the Island.
- *Fairgrounds* – Transfer ownership of the former state fairgrounds to the State Land Bank and create a neighborhood and commercial center on the site.
- *Cobo Center* – Encourage its continued expansion in coordination with the Metropolitan Detroit CVB, and support improvements.

- *Midtown* – Continue to be a key partner in local efforts to create a Regional Innovation Cluster in Midtown through MEDC investments in the incubation and growth of small business, as well as support for residential, commercial and retail development projects.
- *Community Ventures* – A public-private partnership will identify employers willing to create new jobs and organizations that can provide training and other job readiness services for the structurally unemployed. For the first time, state agencies like MEDC, Workforce Development Agency and Department of Human Services will bring together employers, job readiness partners and private funders in a comprehensive and measurable program to assist young people aged 15 to 29 and ex-offenders. The outcome will create new, long-term jobs in Detroit.
- *Detroit-Focused Economic Gardening* – Use a comprehensive set of tools for accelerating entrepreneurship, business growth, access to capital, placemaking and talent enhancement.
- *Detroit Works Project* – Support concentrated services of blight elimination and rehabilitation for four city-targeted neighborhoods contiguous to important economic development anchors. This will be supported through coordination with MSHDA's Neighborhood Stabilization Program and the MEDC's Community Revitalization Program.

#### **Improve Detroit's Capacity to Collect Tax Revenues**

- Enhance city revenue collection capacity as requested by city of Detroit through technical assistance for collections, audit and city income tax administration.
- *Create a common assessment template* – Move the property assessment function from the city to the county to allow for efficiencies, commonality of method and improvements in communication between taxing entities as well as between property owners.

#### **Municipal Assistance/Services Authority**

- The Department of Treasury will partner with municipal governments in this state to establish the Municipal Assistance/Services Authority. The Authority will function as a center of best practices for the delivery of local government services and provide enhanced opportunities for local governments in Michigan to engage in service sharing and consolidation of activities, with State support.

RE: 2008-2012 City of Detroit & AFSCME, Council 25 Labor Contracts

Dear Mr. Martinico:

This letter is intended to clarify AFSCME's position as it relates to bringing closure to the 2008-2012 Labor Agreements between the parties.

As we both know, the City of Detroit and AFSCME have engaged in negotiations over the terms of a collective bargaining agreement for more than two years. The process included mediation and ultimately fact finding before a State appointed Fact Finder. The Fact Finder's report was issued on June 25, 2010 and the parties continued bargaining for more than 60 days following the release of the report, without reaching agreement. Following exhaustion of all of the procedures required by law, the City exercised its right to impose contract terms.

AFSCME understands that the City has lawfully imposed a full agreement on AFSCME and its affiliated units of the City of Detroit. AFSCME understands that this imposition is for the full agreement, including all terms imposed by the City and all other Articles tentatively agreed to by the parties during negotiations, for all five master agreements representing the AFSCME and all units (except the Emergency Services Operators (ESO) unit, as indicated below). AFSCME, and its affiliated City of Detroit unions and locals, accepts the imposed agreements and accepts said terms as final and binding upon the parties and shall withdraw all fact finding petitions filed on behalf of said unions and locals, based upon said understandings.

AFSCME acknowledges that the imposition will be effective for all of its affiliated unions and locals (and their respective bargaining agreements), except for the ESO unit. It is AFSCME's position that ESO's are eligible for arbitration under Act 312 and the City disputes their eligibility at this time. Additionally, the City has informed the union that the application of furlough days for the Crossing Guards (Local 1863), Senior ESOs, Telecommunication Operators (TCOs) and Senior TCOs have been waived for reasons of operational necessity. AFSCME's acceptance of the imposed terms is reliant upon these understandings as well.

Finally, AFSCME agrees to withdraw and/or refrain from filing any/all claims, charges, grievances or other litigation related in any way to the negotiation process or the imposition of contract terms by the City. This does not limit the union's right to grieve the City's interpretation or application of any of such terms, or any subsequent unfair labor practice charges or grievances.

Very truly yours,

Albert Garrett  
President, AFSCME Michigan Council 25

**UNITED STATES DISTRICT COURT  
FOR THE EASTERN DISTRICT OF MICHIGAN  
SOUTHERN DIVISION**

ROSE ROOTS, MARK PHILLIPS, WILLIAM  
HARPER, EARNEST JOHNSON, FELICIA  
JONES, CLARENCE L. WRIGHT, JR., ANGELA  
OBEY-YOUNG, Individually and on behalf of all  
others similarly situated,

Case No. 12-12848-CV

Plaintiffs,

THE CITY OF DETROIT,

Defendant.

---

**CLASS ACTION COMPLAINT AND JURY DEMAND**

Plaintiffs, Rose Roots, Mark Phillips, William Harper, Earnest Johnson, Felicia Jones, Clarence L. Wright, Jr., and Angela Obey-Young, on behalf of themselves and all others similarly situated, by and through their attorneys, The Miller Law Firm, P.C., state as follows for their Class Action Complaint:

**INTRODUCTION**

1. This case is brought on behalf of the thousands of individuals who retired from their employment with the City of Detroit ("City") with vested health benefits and who are being denied those vested contractual benefits in breach of: (1) contract, (2) statutory, (3) common law, (4) the City Charter, (5) the Municipal Code of the City of Detroit, (6) Resolutions of the City Council, and (7) fundamental federal Constitutional rights.

2. The City is balancing its budget on the backs of its former employees – retired senior citizens – by making devastating and draconian changes to their promised health care benefits. These seniors have worked for decades, based upon promised health care benefits, and earned the right to these health care benefits. Moreover, the retirees made irrevocable decisions like

selecting survivorship benefits and/or benefit levels, based upon the benefits promised to them. At a time, when they are living on fixed incomes and incurring the medical expenses of old age, the City seeks to deprive them of these promised and earned benefits upon which they so justly relied.

3. The City of Detroit adopted an Employee Health Benefit Plan ("Plan") pursuant to City Charter and the Municipal Code, and the specific terms of that Plan were subject to collective bargaining agreements ("CBAs"), with the CBAs to take precedence over the Plan.

4. Under the terms of the CBAs, individuals, who retired from eligible employment with the City of Detroit, are entitled to fully paid hospitalization and medical insurance, based on ward service under the Michigan Variable Fee coverage (MVF-2), and subject to the benefits and premium contributions in effect at the time of retirement, and Drug Prescription coverage. The prescription drug plan was subject to a \$2.00 deductible for retirees. With the May 9, 1996 execution of the 1995-1998 CBA, the prescription drug deductible was increased to \$3.00 for future retirees. These benefits, co-payments, deductibles and premium contribution rates were part of the contract in force at the time of each employee's retirement from the City.

5. After July 2006, the City began to, and continues to, unilaterally modify the retiree health insurance benefits and premium contribution rates. Health care rates were modified again in 2012. Also, the City has undertaken steps to again unilaterally modify the retiree health insurance benefits and premium contribution rates and these changes are imminent and substantial.

6. These unlawful, unilateral modifications negatively impact retirees who are senior citizens living on fixed incomes and who are among the most vulnerable members of society and, in many instances, residents of the City.

7. Plaintiffs seek a declaration that the City's unilateral changes to the retiree health insurance plan, including but not limited to, changes in covered benefits provided to retirees; increases in deductibles and co-payments assessed to retirees; and increases in premium contribution rates paid by retirees, substantially impair and breach the applicable collective bargaining agreements, and constitute a violation of Plaintiffs' constitutional rights. Plaintiffs seek injunctive relief to prevent further changes and to require the City to return the contractual benefits owed to the retirees. Plaintiffs also seek compensatory damages for all the wrongfully incurred charges caused by Defendant's unlawful policy and practice.

### **GENERAL ALLEGATIONS – PART I** **THE ESTABLISHMENT OF THE EMPLOYEE HEALTH BENEFIT PLAN**

21. Further, since at least some time at around June 1, 1946, the City provided for the establishment of an Employee Health Benefit Plan “for the purpose of providing hospital, surgical and death benefits” to eligible employees and retirees. *City of Detroit Municipal Code [Code], Chapter 13, Article VIII, Division 1, Sec. 13-8-1; (Charter of the City of Detroit*

1974. That prescription drug coverage provided for a \$2.00 deductible and payment of premiums by the City.

28. In December, 1976, the City Council passed a resolution to provide the same Drug Prescription coverage with a \$2.00 deductible to be effective January 1, 1977, for those retirees of the City who had retired prior to July 1, 1974.

30. The City Charter provides that “[e]mployees of the City have the right to collective organization and collective bargaining.” *Charter of 1997, Article. 6, Chapter 5, Human Resources Department, Sect. 6-507; Charter 2012, Article 6, Chapter 4, Sect. 4-407.*

31. “The terms of any collective bargaining contract, and all rules and rulings made under it, shall take precedence over any inconsistent classifications, rules or policies of the human resources department.” *Charter of 1997, Art. 6, Chapter 5, Human Resources Department, Sect. 6-508; Charter of 2012, Art. 6, Chapter 4, Human Resources Department, Sect. 4-408.*

32. The employees of the City are represented by many different unions and bargaining units.

33. Historically, to establish a uniform bargaining policy as to matters such as issues related to the Employee Health Benefit Plan, the City through its labor relations personnel, have

always bargained first with AFSCME the union which has the largest enrollment of City employees.

34. Then, the same bargained-for provisions are applied uniformly to other collective bargaining agreements. Indeed, many of the contracts contain "me too" provisions which call for identical provisions across bargaining groups.

35. Upon information and belief, such collective bargaining contracts have been negotiated regarding the terms of the Employee Health Benefit Plan since at least 1947. Mich. Comp. Laws § 423.201, et. seq., Act 336 of Public Act of 1947. See also Exhibit 1, Master Agreement between the City of Detroit and Michigan Council 25 of the American Federation of State County and Municipal Employees, AFL-CIO, 1977-80 (Michigan District Council 77 prior to March 3, 1978), Article 1.<sup>1</sup> The various Master Agreements are within the City of Detroit's possession.

36. The negotiated contractual terms of the collective bargaining contracts have consistently provided that the retiree healthcare benefits, co-payments and deductibles applicable to Plaintiffs and other similarly situated class members were established through the collectively bargained labor agreements in force at the time of their retirements.

37. Under the terms of all contracts, including the Agreements entered into between the City and AFSCME, the retirees' health care plan, benefits, deductibles, co-payments and premium contributions were governed by the CBA in effect at the time of retirement.

---

<sup>1</sup> Memorandum of Understanding Between the City of Detroit and Michigan Council 25, American Federation of State, County and Municipal Employees, dated 3-22-78, provided that AFSCME 25 was the successor in interest to AFSCME 77, and that the agreement between the City and Council 77 which was effective 9-7-77 and which expires on 6-30-80 shall be the City and Council 77, which was effective 9-7-77 and which expires on 6-30-80, shall be the Master Agreement between the parties for its term and otherwise in accordance with Article 47 of the adopted Master Agreement.

38. The specific CBA under which each retiree retired established vested rights to the healthcare coverage in effect at the time of retirement and the City promised to continue these vested rights the entire period of retirement.

39. Once the employee retires, the employee is no longer a member of the Union and is no longer subject to future CBAs.

40. The retired employees are entitled to these benefits for life and they are vested at retirement, and not subject to unilateral modification and/or revocation.

41. Non-union employees received the same benefits as union employees with regard to Health Care Benefits.

42. Article 34 of each of the CBAs (Article 36 in the 1977-1980 and 1980-1983 Agreements) consistently provided that retirees would receive fully paid hospitalization and medical insurance, including prescription drug coverage.

43. Plaintiffs set forth in Subsections A-I below the provisions in the Agreements from 1977 to 2005. To the extent that there may be retirees subject to Agreements that pre-dated the Agreements cited in Subsections A-I below, upon information and belief, those contracts are in the possession of Defendant and also provided for fully paid hospitalization and medical insurance.

In order to achieve this goal the parties agree to implement the following plan, in lieu of Article 36, not later than January 1, 1984:

A. The parties agree to create a Health Care Cost Containment Committee made up of an equal number of members from the City and from the Union. The committee will agree on securing the services of a health care consultant or administrator to assist the committee in designing and implementing a health care cost containment program. This committee shall review and agree to a health care cost containment plan which will cover active AFSCME employees and future retirees and will be implemented by the City no later than January 1, 1984. The plan will provide for quality health care and will limit the fees of physicians, hospitals, laboratories and druggists to those that charge reasonable fees including approved H.M.O.'s, health care networks and preferred drug providers. Further cost containment alternatives such as preferred providers, generic mail order drugs, a maintenance drug program,

restrictive weekend admission rules, preadmission certification for elective surgery, second opinions, ambulatory surgery, control of out-patient psychiatric care, birthing centers, hospice care coverage other than hospitals, patient incentive audit of hospital bills, worksite blood pressure tests and employee health care education programs will be reviewed and implemented by the Committee. No insurance carrier shall be allowed to underwrite City Health Care insurance unless they offer coordination of benefits. Any savings realized from this effort will be disposed of in accordance with paragraph B.

B. The Committee will review the costs of this program, on an annual basis, and will report to the Union and the City the amount of savings which the plan has generated. The accounting will be performed by a CPA mutually agreed upon by the parties if so desired to assure accuracy. A similar review and report will be made thereafter on an annual basis. The City and the Union agree that savings associated with this program will be shared equally by the employer and active AFSCME employees. The percentage of savings to be credited to the AFSCME bargaining unit employees shall be equal to one-half of the percentage of the difference in cost per employee of the active and **future retirees** of AFSCME in the general City hospitalization plan during the 1982-83 fiscal year versus the same base and equivalent accounting period in subsequent years. The general City hospitalization plan includes all active AFSCME employees **and future retirees** including those at the Department of Transportation and civilian employees of the Police and Fire Departments. Distribution of the savings attributed to the employees will be used as a bonus."

C. In the event that the January 1 – June 30, 1984 premium cost exceeds the 1982-83 base year cost, the City will pay up to 50% over the 1982-83 base year costs. In the event that the July 1, 1984 – June 30, 1985 premium cost exceeds the 1982-83 base year cost the City will pay up to 50% over the 1982-83 base year cost. In the event that the July 1, 1985 – June 30, 1986 premium cost exceeds the 1982-83 base year cost the City will pay up to 50% over the 1982-83 base year cost.

D. Effective July 1, 1983, the health care coverage premium for sponsored dependents must be borne by the employee.

E. No later than January 1, 1984, the City will also implement a cost containment dental and optical insurance program. The City and the Union agree that savings associated with this program will be shared equally by the employer and the employees in accordance with the formula shown in paragraph B." They may choose to elect coverage under this plan or they may choose alternative coverage through one of the Health Maintenance Organizations offered by the City. The City will pay the premium for this alternative health care coverage up to an amount equal to the amount the City pay (sic) for the Basic Plan.

The basic plan described herein will give member coverages, which are nearly the same as they currently enjoy. It does, however, include several cost containment features not found in our current program which will control costs of hospitalization and other medical services. Furthermore, the joint union/management health cost containment committee will be studying additional cost containment programs which shall include prescreening and employee awareness programs during the term of the agreement and will implement them if they fulfill or object of quality health care at reasonable prices. In the event that different optical, dental or prescription drug programs are less costly than the current ones used, they may be adopted in lieu of them." (Emphasis added.)

E. Emergency Room “Non-Admitting Usage Fee”

F. Opt-Out Payments When Alternate Coverage Exists

Further, this HCCRC will endeavor to coordinate its activities with and make its efforts compatible with any beneficial outcomes from the operations between the City and the AFL-CIO Coalition of Unions Committee on Health Care Issues. In that regard, the union has already expressed at the contract bargaining table its interest in adopting the potential lower-costing “HMO/POS” program now being carefully considered by that City/Coalition Committee, subject to the Union’s concerns about maintenance of the present benefits in the traditional BC/BS.

The benefits of this initiative will be initially realized in Year I for initiative A and in Year II for initiatives B, C and D. For initiatives E and F, if the parties should come to agreement on them, the benefits will take

effect in accordance with the understanding reached between the parties. And lastly, further benefits will be realized to the extent the HMO/POS program is adopted and saves the parties health care costs.

(See Exhibit 6.)

65. The 1995-1998 Agreement included A Memorandum of Understanding between the parties applied to National Health Care, "[I]f, during the term of this Agreement, a Federal Health Care Law is enacted, the parties shall enter into immediate collective bargaining negotiations over the impact of such a law on the existing arrangements for funding and providing health care benefits." (See Exhibit 6.)

66. Exhibit II "RE: HEALTH CARE PLANS" to the 1995-1998 Agreement provides:

[T]he City of Detroit offers a traditional hospitalization plan for employees and retirees plus they may choose alternative coverage through one of the health maintenance organizations or preferred provider plans offered by the City. The City will pay the premium for this alternative health care coverage up to an amount equal to amount equal to the amount the City pays for the traditional Plan. A list of the City's current hospitalization carriers and coverage descriptions is contained herein.

(See Exhibit 6.)

#### **H. The 1998-2001 Master Agreement.**

67. Article 34 to the 1998-2001 Master Agreement executed on March 8, 2000 provided in pertinent part:

The City shall continue to provide hospitalization and medical insurance based on the Blue Cross/Blue Shield ward service under the Michigan Variable Fee coverage (MVF-2) and the Prescription Drug Group Benefit Certificate with two dollar (\$2) co-pay (Certificate #87) [fn1], known as the two dollar (\$2) deductible Drug Rider for employees and their legal dependents, duty disability retirees and their legal dependents and duty death beneficiaries and their legal dependents, as provided by Chapter 13, Article 8 of the Municipal Code of the City of Detroit.

fn 1: the \$2 deductible Drug Rider (Certificate #87 as referenced above, reflects the benefit at the time the premium sharing arrangement was instituted. Currently, the co-pay for the Prescription Drug benefit is \$3.

Retirees shall be responsible for the co-pay amount in effect at the time of retirement.)

\* \* \*

The City's contribution for the cost of hospitalization on a monthly basis shall be as follows:

Single person	\$100.06
Two person	\$238.29
Family	\$253.54

Fifty percent of any premium charges that exceed the above amounts will be paid by the employees and fifty percent shall be paid by the employer.

\* \* \*

Employees who wish to insure sponsored dependents shall pay the premium cost of this coverage.

\* \* \*

The City will pay the premium for regular retirees and their spouses hospitalization and medical insurance based on the Blue Cross/Blue Shield ward service under the Michigan Variable Fee coverage (MVF-2) and the Prescription Drug Group Benefit Certificate with two dollar (\$2) co-pay (Certificate #87) [fn1] known as the two dollar (\$2) deductible Drug Rider as provided by City Council in the 1977-78 Closing Resolution. The City will pay this premium for regular retirees and their spouses for only as long as they receive a pension from the City.

For persons who retire (except for vested retirees) on or after July 1, 1986 the City will pay the following amounts for hospitalization and medical insurance:

Single person	\$100.06
Two person	\$238.29

Fifty percent of any increase over these amounts will be paid by the retiree. The City will pay this premium for regular retirees and their spouses only for as long as they receive a pension from the City.

fn 1: the \$2 deductible Drug Rider (Certificate #87 as referenced above, reflects the benefit at the time the premium sharing arrangement was instituted. Currently, the co-pay for the Prescription Drug benefit is \$3.

Retirees shall be responsible for the co-pay amount in effect at the time of retirement.)

\* \* \*

The City Blue Cross hospitalization plan for active employees and their dependents shall include Blue Cross Master Medical Insurance with a twenty percent (20%) co-pay benefit and a fifty dollar (\$50) per person annual deductible (\$100 for two or more in a family).

\* \* \*

Employees and retirees shall have the option of choosing alternative hospitalization medical coverage from any plan or program made available by the City. The City's contribution to the alternative plans or programs shall be limited to the premium cost for the level of benefits provided in Paragraphs B and D, as applicable. If at the end of any fiscal year an alternative hospitalization plan or program has failed to enroll 50 employees city-wide, the City shall have the option of removing that plan from the list of eligible plans or programs. Effective with the 1987-88 fiscal year all alternate carriers must account for their premium charges without distinguishing between active and retired employees using the following format:

Single Person  
Two persons  
Family.

(See Exhibit 7, Article 34, ¶¶ A, B, C, D, E, and F.)

68. The 1998-2001 Agreement also provided a dental plan for active employees, their dependents and duty disability retirees; continued optical care insurance; that the City would pay the costs if a Federal Health Security Act was enacted; that any insurer would be required to offer coordination of benefits and an opt-out program if the employee was covered by another health insurance plan. (Id., ¶¶ G, H, I, J and L.)

69. The parties also agreed to form a Health Care Cost Containment Committee:

...made up of an equal number of members from the City and the Union which will review and agree to further cost containment programs to cover both active employees and future retirees during the term of the Contract. Said cost containment programs shall not diminish the levels of benefits

provided in the basic plans but may require the insured to follow procedures prescribed by the carrier in order to be eligible for benefits. If premium levels remain below the amounts listed in the 1982-83 base premium levels for insurance listed in paragraph B the City will pay fifty percent (50%) of that amount to an escrow account which shall be used to offset health care costs or increase health care benefits. Furthermore, the parties agree during the term of this agreement to continue to discuss the City's hospitalization plans. The parties are committed to investigate programs which will reduce costs and bring about a corresponding reduction in premium sharing by employees. Programs to be considered would include alternative health care providers, additional cost containment programs, and alternative traditional plans. Any programs agreed to by the parties will be implemented during the term of this agreement.

(*Id.*, ¶ K.)

70. A Memorandum of Understanding between the parties applied to National Health Care provided that "[I]f, during the term of this Agreement, a Federal Health Care Law is enacted, the parties shall enter into immediate collective bargaining negotiations over the impact of such a law on the existing arrangements for funding and providing health care benefits." (*See* Exhibit 7.)

71. Exhibit II "RE: HEALTH CARE PLANS" to the 1998-2001 Agreement provides that:

[T]he City of Detroit offers a traditional hospitalization plan for employees and retirees plus they may choose alternative coverage through one of the health maintenance organizations or preferred provider plans offered by the City. The City will pay the premium for this alternative health care coverage up to an amount equal to amount equal to the amount the City pays for the traditional Plan. A list of the City's current hospitalization carriers and coverage descriptions is contained herein.

(*See* Exhibit 7.)

**I. The 2001-2005 Master Agreement.**

72. Article 34 of the 2001-2005 Master Agreement, which was executed on July 1, 2003, provided in pertinent part:

34. Hospitalization, Medical, Dental and Optical Care insurance Status quo of existing hospitalization, medical dental and optical care benefits will be maintained while the parties work cooperatively to institute mutually agreeable changes.

The City shall continue to provide hospitalization and medical insurance based on the Blue Cross/Blue Shield ward service under the Michigan Variable Fee coverage (MVF-2) and the Prescription Drug Group Benefit Certificate with two dollar (\$2) co-pay (Certificate #87) [fn1], known as the two dollar (\$2) deductible Drug Rider for employees and their legal dependents, duty disability retirees and their legal dependents and duty death beneficiaries and their legal dependents, as provided by Chapter 13, Article 8 of the Municipal Code of the City of Detroit.

fn 1: the \$2 deductible Drug Rider (Certificate #87 as referenced above, reflects the benefit at the time the premium sharing arrangement was instituted. Currently, the co-pay for the Prescription Drug benefit is \$3. Retirees shall be responsible for the co-pay amount in effect at the time of retirement.)

\* \* \*

The City's contribution for the cost of hospitalization on a monthly basis shall be as follows:

Single person	\$100.06
Two person	\$238.29
Family	\$253.54

Fifty percent of any premium charges that exceed the above amounts will be paid by the employees and fifty percent shall be paid by the employer. When the City's payroll system has the capability of allowing employees to pay these amount (sic) through the pre-tax IRS code 1225K mechanism, all bargaining unit members shall be entitled to participate.

\* \* \*

Employees who wish to insure sponsored dependents shall pay the premium cost of this coverage.

\* \* \*

The City will pay the premium for regular retirees and their spouses hospitalization and medical insurance based on the Blue Cross/Blue Shield ward service under the Michigan Variable Fee coverage (MVF-2) and the Prescription Drug Group Benefit Certificate with two dollar (\$2) co-pay (Certificate #87) [fn1] known as the two dollar (\$2) deductible Drug Rider as provided by City Council in the 1977-78 Closing Resolution. The City will pay this premium for regular retirees and their spouses for only as long as they receive a pension from the City. For persons who retire (except for vested retirees) on or after July 1, 1986 the City will pay the following amounts for hospitalization and medical insurance:

Single person \$100.06

Two person \$238.29

Fifty percent of any increase over these amounts will be paid by the retiree. The City will pay this premium for regular retirees and their spouses only for as long as they receive a pension from the City.

fn 1: the \$2 deductible Drug Rider (Certificate #87 as referenced above, reflects the benefit at the time the premium sharing arrangement was instituted. Currently, the co-pay for the Prescription Drug benefit is \$3. Retirees shall be responsible for the co-pay amount in effect at the time of retirement.)

\* \* \*

The City Blue Cross hospitalization plan for active employees and their dependents shall include Blue Cross Master Medical Insurance with a twenty percent (20%) co-pay benefit and a fifty dollar (\$50) per person annual deductible (\$100 for two or more in a family).

\* \* \*

Employees and retirees shall have the option of choosing alternative hospitalization medical coverage from any plan or program made available by the City. The City's contribution to the alternative plans or programs shall be limited to the premium cost for the level of benefits provided in Paragraphs B and D, as applicable. If at the end of any fiscal year an alternative hospitalization plan or program has failed to enroll 50 employees city-wide, the City shall have the option of removing that plan from the list of eligible plans or programs. Effective with the 1987-88 fiscal year all alternate carriers must account for their premium charges

without distinguishing between active and retired employees using the following format:

Single Person  
Two persons  
Family.

(See Exhibit 8, Article 34, ¶¶ A, B, C, D, E, and F.)

73. The 2001-2005 Agreement also provided a dental plan for active employees and duty disability retirees and their dependents; continued optical care insurance; that the City would pay the costs if a Federal Health Security Act was enacted; that any insurer would be required to offer coordination of benefits and an opt-out program if the employee was covered by another health insurance plan. (I. (Id., ¶¶ G, H, I and J.)

74. The parties agreed to form a Health Care Cost Containment Committee:

...made up of an equal number of members from the City and the Union which will review and agree to further cost containment programs to cover both active employees and future retirees during the term of the Contract. Said cost containment programs shall not diminish the levels of benefits provided in the basic plans but may require the insured to follow procedures prescribed by the carrier in order to be eligible for benefits. If premium levels remain below the amounts listed in the 1982-83 base premium levels for insurance listed in paragraph B the City will pay fifty percent (50%) of that amount to an escrow account which shall be used to offset health care costs or increase health care benefits. Furthermore, the parties agree during the term of this agreement to continue to discuss the City's hospitalization plans. The parties are committed to investigate programs which will reduce costs and bring about a corresponding reduction in premium sharing by employees. Programs to be considered would include alternative health care providers, additional cost containment programs, and alternative traditional plans. Any programs agreed to by the parties will be implemented during the term of this agreement.

(Id., ¶ K.)

75. The Agreement included a Memorandum of Understanding between the parties

which applied to National Health Care, “[I]f, during the term of this Agreement, a Federal Health Care Law is enacted, the parties shall enter into immediate collective bargaining negotiations over the impact of such a law on the existing arrangements for funding and providing health care benefits.” (*Id.*, ¶ I.)

76. Exhibit II “Re: Health Care Plans” to the 2001-2005 Agreement provides that:

[T]he City of Detroit offers a traditional hospitalization plan for employees and retirees plus they may choose alternative coverage through one of the health maintenance organizations or preferred provider plans offered by the City. The City will pay the premium for this alternative health care coverage up to an amount equal to amount equal to the amount the City pays for the traditional Plan. A list of the City’s current hospitalization carriers and coverage descriptions is contained herein.

(See Exhibit 8.)

**J. In 2006, the City Unilaterally Modified the Retirees’ Health Care Plan.**

77. Subsequent to the 2001-2005 CBA, when it came time to negotiate the terms of the 2005-2008 CBA, the collective bargaining representatives for AFSCME engaged in negotiations with the City’s labor relations personnel. The City unilaterally imposed contract terms for the 2005-2008 CBA, effective September 2006.

78. Notwithstanding the absence of a contract, in 2006, the City unilaterally and improperly modified the terms of the Employee Health Care Plan for union and non-union active employees and retirees although such a move was illegal.

79. The new plan changed the contribution rates, deductibles and benefits for retirees who had retired under prior collective bargaining agreements and had vested benefits in effect prior to July 2006.

80. Notwithstanding that the City had no right to change the terms of the Health Care plan as to those retirees who had retired with vested rights to retiree health care, the City unilaterally changed the terms of the health care plan.

81. The terms of the health care plan were mandatory subjects of collective bargaining under the state labor law, past practice and the agreements between the parties.

82. Yet, after the imposition of the contract, which was accepted by the Union as to the active employees only, the City impermissibly continued to make changes to the imposed contract, including unlawful changes as to retiree health care.

83. Under the City's new unilateral health care plan, co-payments and contributions were changed for retirees. By way of example and not limitation, changes to the Blue Cross traditional plan included the following:

BLUE CROSS TRADITIONAL	Prior to change	Post change
Annual Deductible/Individual	\$50	\$175
Annual Deductible/Family	\$100	\$350
Urgent care	100%	80% after deductible co-payment
Prescription Drug Co-pay Generic	\$2	\$5
Prescription Brand	\$2	\$15
Mail Order Generic (90 days)	\$2	\$10 copay
Mail Order Brand (90 days)	\$2	\$30 copay

(See Exhibit 9.)

84. These changes were effective in the latter half of 2006.

85. The City continued to make unilateral, illegal and improper changes to the terms of the health care plan, adversely affecting the retirees.

86. Thereafter, the City prepared a draft of the Master Agreement dated October 24, 2006 which provided in Article 33:

*The parties have reached an agreement in regard to health care plan changes in accordance with MOU Re: Concession Agreement. However, the hospitalization, medical, dental and optical care benefits as of June 30, 2005, will be maintained until the new care design plan changes are implemented. That implementation is to occur on or after July 17, 2006. Changes to this article are reflected in the Memorandum of Understanding RE: Alternative Health Care Plan.*

\* \* \*

The City shall continue to provide hospitalization and medical insurance based on the Blue Cross/Blue Shield ward service under the Michigan Variable Fee coverage (MVF-2) and the Prescription Drug Group Benefit Certificate with two dollar (\$2) co-pay (Certificate #87), known as the two dollar (\$2) deductible Drug Rider for employees and their legal dependents, duty disability retirees and their legal dependents and duty death beneficiaries and their legal dependents, as provided by Chapter 13, Article 8 of the Municipal Code of the City of Detroit.

fn 1: The \$2 deductible Drug Rider (Certificate #87 as referenced above, reflects the benefit at the time the premium sharing arrangement was instituted. Currently, the co-pay for the Prescription Drug benefit is \$3. Retirees shall be responsible for the co-pay amount in effect at the time of retirement.)

\* \* \*

The City's contribution for the cost of hospitalization on a monthly basis shall be as follows:

Single person	\$100.06
Two person	\$238.29
Family	\$253.54

Fifty percent of any premium charges that exceed the above amounts will be paid by the employees and fifty percent shall be paid by the employer. When the City's payroll system has the capability of allowing employees to pay these amounts through the pre-tax IRS code 125K mechanism, all bargaining unit members shall be entitled to participate.

\* \* \*

Employees who wish to insure sponsored dependents shall pay the premium cost of this coverage.

\* \* \*

The City will pay the premium for regular retirees and their spouses hospitalization and medical insurance based on the Blue Cross/Blue Shield ward service under the Michigan Variable Fee coverage (MVF-2) and the Prescription Drug Group Benefit Certificate with two dollar (\$2) co-pay (Certificate #87) [fn1] known as the two dollar (\$2) deductible Drug Rider as provided by City Council in the 1977-78 Closing Resolution. The city will pay this premium for regular retirees and their spouses for only as long as they receive a pension from the City.

For persons who retire (except for vested retirees) on or after July 1, 1986 the City will pay the following amounts for hospitalization and medical insurance:

Single person \$100.06  
Two person \$238.29

Fifty percent of any increase over these amounts will be paid by the retiree. The City will pay this premium for regular retirees and their spouses only for as long as they receive a pension from the City.

fn 1: The \$2 deductible Drug Rider (Certificate #87 as referenced above, reflects the benefit at the time the premium sharing arrangement was instituted. Currently, the co-pay for the Prescription Drug benefit is \$3. Retirees shall be responsible for the co-pay amount in effect at the time of retirement.)

\* \* \*

The City Blue Cross hospitalization plan for active employees and their dependents shall include Blue Cross Master Medical Insurance with a twenty percent (20%) co-pay benefit and a fifty dollar (\$50) per person annual deductible (\$100 for two or more in a family).

\* \* \*

Employees and retirees shall have the option of choosing alternative hospitalization medical coverage from any plan or program made available by the City. The City's contribution to the alternative plans or programs shall be limited to the premium cost for the level of benefits provided in Paragraphs B and D, as applicable. If at the end of any fiscal year an alternative hospitalization plan or program has failed to enroll 50 employees city-wide, the City shall have the option of removing that plan from the list of eligible plans or programs. Effective with the 1987-88

fiscal year all alternate carriers must account for their premium charges without distinguishing between active and retired employees using the following format:

Single Person

Two persons

Family. (Emphasis added)

(See Exhibit 10, Article 33, ¶¶ A, B, C, D, E and F.)

87. The October 24, 2006 draft agreement provided a dental plan for active employees and duty disability retirees; continued optical coverage; that the City would pay the costs if a Federal Health Security Act was enacted; and that any insurer would be required to offer coordination of benefits and an opt-out program if the employee was covered by another health insurance plan. (*Id.*, ¶¶ G, H, I, J and L.)

88. The October 24, 2006 draft agreement included a provision for a Health Care Cost Containment Committee:

...made up of an equal number of members from the City and the Union which will review and agree to further cost containment programs to cover both active employees and future retirees during the term of the Contract. Said cost containment programs shall not diminish the levels of benefits provided in the basic plans but may require the insured to follow procedures prescribed by the carrier in order to be eligible for benefits. If premium levels remain below the amounts listed in the 1982-83 base premium levels for insurance listed in paragraph B the City will pay fifty percent (50%) of that amount to an escrow account which shall be used to offset health care costs or increase health care benefits. Furthermore, the parties agreed during the term of this agreement to continue to discuss the City's hospitalization plans. The parties are committed to investigate programs which will reduce costs and bring about a corresponding reduction in premium sharing by employees. Programs to be considered would include alternative health care providers, additional cost containment programs, and alternative traditional plans. Any programs agreed to by the parties will be implemented during the term of this agreement.

(*Id.*, ¶ K.)

89. The October 24, 2006 draft included Exhibit II, "RE: HEALTH CARE PLANS," which added "SECTION VIII, City Alternative Health Care Plan." In pertinent part, it provided that "Currently, all retirees and their dependents who are eligible for Medicare regardless of age must enroll in Medicare Parts A and B at their own expense to be eligible for continued coverage, and this provision shall remain unchanged and applicable to all persons who retire in the future." (*Id.*, § 8, ¶E at p 154.)

90. The City did not have the right to unilaterally change the terms of the Employee Health Care Plan for these retirees who had retired with vested benefits.

91. Even more improperly, the City reduced the health care plan in 2008 from what it unilaterally imposed in 2006.

92. The City specifically promised the retirees that they would enjoy the medical benefits and contribution rates applicable at the time of their retirements.<sup>2</sup>

93. Retiree medical benefits are vested lifetime benefits. Once the City of Detroit received the benefit of the retirees' completed service, it could not unilaterally alter or revoke the terms.

94. The health benefits that are at issue had remained the same until the City of Detroit unilaterally and improperly modified the health care benefits.

**K. In 2009, 2010, 2011 and 2012 the City Again  
Unilaterally Changed the Retirees' Health Care Plan.**

95. In 2009, 2010, 2011 and 2012 the City continued to unilaterally raise premiums and make other improper changes to the retirees' health care benefits.

---

<sup>2</sup> For example, the website for the General Retirement System City of Detroit provides that the benefits applicable to a retiree are those that were in effect at the time of the retiree's retirement. Other documents published by the City of Detroit and provided to the retirees set forth this same information to retirees.

**L. The City Imminently Plans to Implement Substantial Modifications to the Retirees' Health Care Plan to the Detriment of Retirees.**

96. The City imminently plans to unilaterally and wrongfully further modify the employee benefit plan applicable to these retirees including increasing premiums and changing the value of the contracted for benefits.

**GENERAL ALLEGATIONS – PART III**  
**THE NON-UNION RETIREES HAVE THE SAME VESTED BENEFITS AS THOSE**  
**RETIREES WHO WERE COVERED BY A COLLECTIVE BARGAINING**  
**AGREEMENT**

97. The City agreed to provide non-Union employees with the same Employee Benefit Plan and same terms and provisions as employees who were members of a Union and subject to collective bargaining agreements. In fact, the Code and Charter make no distinction.

98. The non-Union employees who retired with vested benefits were unlawfully subject to modifications in July, 2006 and thereafter. Further, additional unlawful changes were made in 2012.

99. The City promised these non-Union retirees that they would enjoy the medical benefits and contribution rates applicable at the time of their retirements.

100. The City as a matter of practice provided the non-Union retirees with the same benefits as the Union retirees and represented that they would continue to obtain the same benefits as Union retirees.

**CLASS ACTION ALLEGATIONS**

101. This is a class action suit which seeks injunctive and declaratory relief and damages in the amount of wrongfully incurred sums paid by retirees for contributions to both

premiums and deductibles and other health care costs due to Defendant's unilateral breaches of the contracts and violations of Plaintiffs' constitutional rights.

102. Plaintiffs bring this action on behalf of themselves and all other similarly situated individuals and seek to represent a class comprised of all persons who have been or will be subject to Defendant's unlawful policy, practice, procedure of breaching the contracts between the parties and also depriving them of their constitutional rights.

103. During the periods at issue, Plaintiffs were retirees covered under the City of Detroit Employee Health Care Plan.

104. Plaintiffs bring this action on their own behalf and on behalf of the following proposed class:

All persons who retired from the City of Detroit with vested health care benefits and whose health care plan, including, premium contributions, benefits and deductibles, were unilaterally changed by the City of the Detroit.

105. The class is so numerous that joinder of all members is impracticable. Class members number in the thousands. The precise number of Class members and their addresses are unknown to the Plaintiffs, but can be obtained from the records of the City of Detroit.

106. There are questions of law or fact common to the Class, including at least the following:

a. Whether the City's retirees had vested health care benefits that could not retroactively changed by the City.

b. Whether the City unilaterally modified the health care plan, including health care benefits, prescription drug benefits, deductibles and premium contributions applicable to the benefit program for retirees;

c. Whether such unilateral modification of the health care plan, including health care benefits, prescription drug benefits, deductibles and premium contributions applicable to the benefit program for retirees breached the vested rights of the retirees;

d. Whether such unilateral modification of the health care plan, including health care benefits, prescription drug benefits, deductibles and premium contributions applicable to the benefit program for retirees, violated the retirees' constitutional rights under the Contract Clause of the U.S. Constitution and the 5<sup>th</sup> and 14<sup>th</sup> Amendments of the U.S. Constitution;

e. Whether Plaintiffs were harmed as a result of the City's wrongful conduct; and

f. What relief should be imposed in favor of the Plaintiffs and the Class, including declaratory and injunctive relief.

107. Plaintiffs' claims are typical of the claims of the other members of the Class. Plaintiffs have the same interests in this matter as all other members of the Class, and their claims are substantially identical to and typical of the claims of all members of the Class. Plaintiffs do not have interests antagonistic to or in conflict with those of the other members of the Class.

108. Plaintiffs are committed to pursuing this action and have retained competent counsel experienced in class actions. Plaintiffs will fairly and adequately represent the interests of the Class members.

109. The prosecution of separate actions by members of the Class could create a risk of establishing incompatible standards of conduct for Defendant.

110. Overall, the claims of the individual class members may be too small to warrant individual litigation, especially as to a group of retirees on fixed incomes, but cumulatively the

amount of potential damage is significant and injunctive relief is required to preclude the City's on-going wrongful conduct.

111. The prosecution of individual actions may, as a practical matter, be dispositive of the interests of the Class.

112. Defendants' actions are generally applicable to the Class as a whole, and Plaintiffs seek, *inter alia*, equitable remedies with respect to the Class as a whole.

113. The common questions of law and fact at issue here, some of which have been enumerated above, predominate over questions affecting only individual members of the Class, and a class action is the superior method for fair and efficient adjudication of the controversy.

114. The likelihood that individual members of the Class will prosecute separate actions is remote due to the time and expense necessary to conduct such litigation, particularly when Plaintiffs are retirees living on fixed incomes.

115. Plaintiffs are not likely to be able to vindicate and enforce their constitutional and contractual and statutory rights unless this action is maintained as a class action.

116. The issues raised can be more fairly and efficiently resolved in the context of a single action rather than piece-meal litigation in the context of separate actions.

117. The resolution of litigation in a single forum will avoid the danger and resultant confusion of possible inconsistent determinations

118. Defendant has acted and will act on grounds applicable to all class members, making final declaratory and injunctive relief on behalf of all members necessary and appropriate.

119. To Plaintiffs' knowledge, no similar litigation is currently pending by other members of the Class.

120. Plaintiffs' counsel, who is highly experienced in class actions, foresees little difficulty in the management of this case as a class action.

**COUNT I --BREACH OF CONTRACT**

121. Plaintiffs repeat and re-allege all of the preceding paragraphs as if full set forth herein.

122. Plaintiffs rendered services to the City of Detroit and performed their duties pursuant to the applicable Agreements.

123. The maintenance of the contribution rate, employee health insurance benefits, and coverage for medical and prescription drugs is a bargained for part of the compensation for services rendered by these Plaintiffs and the Class Members to the City.

124. Each of the Agreements under which these Plaintiffs and the Class Members retired is a binding and enforceable agreement between them and the City to provide health insurance and prescription drug benefits and coverage at the benefit and contribution levels during the term of the Contract then in effect when each Plaintiff and Class Member retired.

125. The City is thereby obligated to maintain the same health insurance and prescription drug benefits and coverage at the same contribution levels as in effect when each Plaintiff and Class Member retired.

126. For decades, the City engaged in the practice of providing health insurance to all of its retirees, union and non-union, at the benefit levels and contribution rates applicable at the time of their retirements.

127. This practice was based on mutual agreement and was a term and condition of employment that cannot be changed without the consent of the parties.

128. The retirees did not consent to the change.

129. The City has violated its promise to the retirees to provide these benefits for life as applicable at the time of retirement.

130. Plaintiffs and the Class Members relied on the CBAs in good faith and fully performed all of their obligations under them.

131. The Plaintiffs and Class Members relied on Defendant's past practice and promises.

132. The City breached its contractual obligations to Plaintiffs and the Class Members by failing to maintain the required contribution levels for health insurance and the same benefit levels in effect at the time of retirement, when the City unilaterally changed same benefits effective first in July 2006 and each time thereafter.

133. Plaintiffs and the Class Members have each been damaged by Defendant's breaches of the referenced CBAs and past practice and will continue to sustain injury and further damage if Defendant is allowed to continue to breach the terms and conditions of the CBAs.

134. Plaintiffs and the Class Members are entitled to relief because of Defendant's breaches of the CBAs, and breaches of past practice, including the modification of benefits and contribution rates.

WHEREFORE, Plaintiffs respectfully request: (a) certification of this action as a class action under Fed. R. Civ. P. 23, (b) a declaration that Defendant's actions are unconstitutional and/or constitute a breach of the collective bargaining agreements at issue, (c) permanent injunctive relief to prevent further irreparable Constitutional injury and breaches of the collective bargaining agreements, (d) entry of Judgment in Plaintiffs' favor in whatever amount Plaintiffs may be found to be entitled, plus interest, costs and attorneys' fees, and (e) any and all other relief which Plaintiffs are found to be entitled.

**COUNT II – BREACH OF IMPLIED CONTRACT**

Plaintiffs repeat and re-allege all of the preceding paragraphs as if full set forth herein.

135. Plaintiffs rendered services to the City of Detroit and performed their duties pursuant to the applicable agreements.

136. The maintenance of the contribution rate, employee health insurance benefits, and coverage for medical and prescription drugs is an agreed upon part of the compensation for services rendered by these Plaintiffs and the Class Members to the City.

137. For decades, the City engaged in the practice of providing health insurance to all of its retirees, union and non-union, at the benefit levels and contribution rates applicable at the time of their retirements.

138. This practice was based on mutual agreement and was a term and condition of employment that cannot be changed without the consent of the parties.

139. The retirees did not consent to the change.

140. The retirees relied on these agreements and past practices in good faith and fully performed all of their obligations under these agreements.

141. The City has violated its promise to the retirees to provide these benefits for life as applicable at the time of retirement.

142. The City breached its contractual obligations to Plaintiffs and the Class Members by failing to maintain the required contribution levels for health insurance and the same benefit levels in effect at the time of retirement, when the City unilaterally changed same benefits effective first in July, 2006 and each time thereafter.

143. Plaintiffs and the Class Members have each been damaged by Defendant's breaches of these promises and will continue to sustain injury and further damage if Defendant is allowed to continue to breach the terms and conditions of the agreement between the parties.

144. Plaintiffs and the Class Members are entitled to relief because of Defendant's breaches of the agreements and breaches of past practice, including the modification of benefits and contribution rates.

WHEREFORE, Plaintiffs respectfully request: (a) certification of this action as a class action under Fed. R. Civ. P. 23, (b) a declaration that Defendant's actions are unconstitutional and/or constitute a breach of the collective bargaining agreements at issue, (c) permanent injunctive relief to prevent further irreparable Constitutional injury and breaches of the collective bargaining agreements, (d) entry of Judgment in Plaintiffs' favor in whatever amount Plaintiffs may be found to be entitled, plus interest, costs and attorneys' fees, and (e) any and all other relief which Plaintiffs are found to be entitled.

**COUNT III - VIOLATION OF THE CONTRACTS**  
**CLAUSE OF THE UNITED STATES**  
**CONSTITUTION (U.S. CONST. ART I, SEC. 10, CL. 1)**

145. Plaintiffs repeat and re-allege all the preceding paragraphs as if fully set forth herein.

146. At all times relevant hereto, Defendant and its agents and employees were individuals acting under color of State and Municipal law.

147. At all times relevant hereto, Plaintiffs and the putative Class Members were "citizen(s) of the United States or other person(s) within the jurisdiction" entitled to bring suit pursuant to 42 U.S.C. § 1983.

148. The Constitution of the United States provides that “[n]o State shall....pass any...law impairing the obligation of contracts.” U.S. Const. Article I, Sec. 10, Cl. 1

149. Defendant violated the contract clause of the United States Constitution when it took actions impairing its contractual obligations to vested retirees by unilaterally increasing the contribution rates for premiums, the co-payments and deductibles, and other modifications to the health care plan to which it was contractually bound.

150. Under the collective bargaining agreements, Defendant is contractually obligated to provide health insurance and ancillary benefits at the same levels as the effective date of the CBAs under which the retirees retired.

151. Defendant’s unilateral increases and modifications to the contribution rates, premiums and benefits for health insurance prescription drug benefits for retired union and non-union members and their dependents substantially impaired the contractual obligations under the parties’ CBAs, and violated past practice and federal, state and municipal law.

152. Defendant’s unilateral increases and modifications to the contribution rates, premiums and benefits for health insurance and prescription drug coverage for retired union and non-union members and their dependents contravened the **reasonable expectations** of Plaintiffs and the Class of retired individuals and their dependents under the CBAs, past practice, and federal, state and municipal law.

153. Defendant’s unilateral increases and modifications to the contribution rates, premiums and benefits for health insurance and prescription drug coverage for retired union and non-union members and their dependents violated essential terms and conditions under the CBAs, past practice and federal, state and municipal law upon which Plaintiffs and the Class of retired individuals they seek to represent reasonably and materially relied.

154. Defendant's unilateral increase and modification of contribution rates, co-payments and deductibles diminish the benefit coverage and the contracts with these retirees and has no legitimate public purpose and/or constitutes an abuse of power.

155. The actions at issue substantially impair the provisions in Plaintiffs' contractual agreements.

156. As a direct and proximate result of Defendant's actions, Plaintiffs sustained and will continue to sustain injury and damages, including but not limited, to the deprivation of their rights under the U.S. Constitution.

157. Defendant's substantial impairment of these contractual obligations has proximately caused, and will continue to cause Plaintiffs and their dependents and the putative Class Members irreparable injury and damage, including (1) denial of their **reasonable expectations** under the CBAs, past practice and Municipal and State law, that Defendant would continue to comply with its contractual obligations; (2) interference with the protections under Municipal and State law to collectively bargain under the procedures provided under state law and municipal law; and (3) denial of their constitutional rights under the U.S. Constitution.

WHEREFORE, Plaintiffs respectfully request: (a) certification of this action as a class action under Fed. R. Civ. P. 23, (b) a declaration that Defendant's actions are unconstitutional and/or constitute a breach of the collective bargain agreements at issue, (c) permanent injunctive relief to prevent further irreparable Constitutional injury and breaches of the collective bargaining agreements, (d) entry of Judgment in Plaintiffs' favor in whatever amount Plaintiffs may be found to be entitled, plus interest, costs and attorneys' fees, and (e) any and all other relief which Plaintiffs are found to be entitled.

**COUNT IV -- VIOLATION OF THE PROCEDURAL AND SUBSTANTIVE DUE  
PROCESS CLAUSES OF THE 5<sup>TH</sup> AND 14<sup>TH</sup> AMENDMENTS.**

158. Plaintiffs repeat and re-allege all preceding paragraphs as if fully set forth herein.

159. At all times relevant hereto, Defendant and its agents and employees were individuals acting under color of State and Municipal law.

160. At all times relevant hereto, Plaintiffs and the putative Class Members were "citizen(s) of the United States or other person(s) within the jurisdiction" entitled to bring suit pursuant to 42 U.S.C. § 1983.

161. The Constitution of the United States provides that no person "shall be deprived of life, liberty, or property, without due process of law..." U.S. Const. Amendment V.

162. The rights and protections of the Fifth Amendment are fully applicable to state action. U.S. Const. Amendment XIV.

163. Plaintiffs have a vested contractual and constitutionally protected property interest in Defendant's compliance with its contractual obligations; to wit, to continue providing the same retiree contribution rate, co-payments, deductible and benefits under the CBAs and past practice; to return the retiree contribution rate, co-payments, deductible and benefits under the CBAs and past practice to the agreed upon rates and benefits; and to refrain from unilaterally altering and modifying the contribution rates, deductibles, benefits and financial obligations under the collective bargaining agreements and past practice as provided to retired employees.

164. Under the collective bargaining agreement and past practice, Defendant is contractually obligated to provide health insurance and ancillary benefits at the same levels as the effective date of the CBAs under which the retirees retired.

165. Plaintiffs vested contractual and constitutionally protected interests derive from, inter alia, the CBA's, the past practice, municipal, state and federal law.

166. Defendant does not have the right to unilaterally modify the contractual obligations.

167. Defendant deprived Plaintiffs and the retired Class Members of these vested contractual and constitutionally protected interests without notice and without an opportunity to be heard before the deprivation took place, thus, causing a forfeiture of property without due process in violation of the due process clause.

168. Plaintiffs did not waive their right to adequate notice or the reasonable opportunity to be heard before being deprived of their vested contractual and constitutionally protected interest.

169. The risks of depriving Plaintiffs and retired Class members of these vested contractual and constitutionally protected interests without first providing notice and a reasonable opportunity to be heard are high.

170. Defendant's interest to deprive Plaintiffs without first providing notice and a reasonable opportunity to be heard are non-existent or minimal.

171. The actions at issue substantially impair the provisions in Plaintiffs' contractual agreements and deprive them of a constitutionally protected property interest.

172. As a direct and proximate result of Defendant's actions, Plaintiffs sustained and will sustain injury and damages, including but not limited, to the deprivation of their rights under the US Constitution.

173. Defendant's substantial impairment of these contractual obligations has proximately caused, and will continue to cause Plaintiffs and their dependents and the putative Class Members irreparable injury and damage, including (1) denial of their reasonable expectations under the CBAs, past practice and State law, that Defendant would continue to

comply with its contractual obligations; (2) interference with the protections under the law to collectively bargain under the procedures provided under state law and municipal law; and (3) denial of their constitutional rights under the U.S. Constitution.

174. Plaintiffs have a Constitutionally-protected property interest in the health care benefits and contribution rates that they are entitled to receive.

175. Defendant has denied Plaintiffs the health care benefits and contribution rates without any cognizable procedure whatsoever.

176. The Charter for the City of Detroit recognizes that these retirees are entitled to representation, to wit, “[r]etired general city employees are entitled to be represented in the city legislative and budgetary proceedings on issues affecting their interest by persons elected by them,” but such representation was not given. *Charter, Article 9, Chapter 6.*

177. Defendant’s actions in unilaterally modifying the retirees’ health care benefits and contributions, as set forth herein, deprives and continues to deprive Plaintiffs of their constitutionally protected right to equal protection of the laws and substantive due process as secured by the Fourteenth Amendment of the United States Constitution.

178. Plaintiffs have been subject to adverse treatment by Defendant as set forth and described herein.

179. As a direct and proximate result of the Defendant’s unfair treatment, Plaintiffs have suffered and will continue to suffer substantial injury, including but not limited to irreparable harm.

180. As a direct and proximate result of Defendant’s failure to provide adequate due process, Plaintiffs have suffered and will continue to suffer substantial injury, including but not

limited to irreparable harm by the City's continued implementation of unilateral changes to the retirees' property interest in their health care benefits.

WHEREFORE, Plaintiffs respectfully request: (a) certification of this action as a class action under Fed. R. Civ. P. 23, (b) a declaration that Defendant's actions are unconstitutional and/or constitute a breach of the collective bargain agreements at issue, (c) permanent injunctive relief to prevent further irreparable Constitutional injury and breaches of the collective bargaining agreements, (d) entry of Judgment in Plaintiffs' favor in whatever amount Plaintiffs may be found to be entitled, plus interest, costs and attorneys' fees, and (e) any and all other relief which Plaintiffs are found to be entitled.

#### **COUNT V -- VIOLATION OF 42 U.S.C. § 1983**

181. Plaintiffs repeat and re-allege all the preceding paragraphs as if fully set forth herein.

182. The City through its actions and decisions has deprived Plaintiffs and the Class Members of their federally protected rights, provided by federal law and the United States Constitution.

183. The policies, decisions and actions of the City were based on considerations other than those proper to the good faith administration of justice.

184. The City's actions constitute a deliberate denial, under color of law, of Plaintiffs' federal rights guaranteed under the 5<sup>th</sup> Amendment Due Process and Equal Protection Clauses of the 14<sup>th</sup> Amendment of the United States Constitution, as well in violation of 42 U.S.C. § 1983.

185. Plaintiffs have, as a direct and proximate result of the City of Detroit's action, suffered and will continue to suffer substantial and irreparable harm and injury.

186. Defendant's actions have substantially harmed Plaintiffs and the putative Class Members and the City has announced future actions which will irreparably harm Plaintiffs and the putative Class Members. Thus, injunctive relief is required.

187. The City acted in an arbitrary, capricious and discriminatory manner and their actions show a reckless disregard and callous indifference for Plaintiffs' federally protected rights. Plaintiffs are therefore entitled to exemplary damages, costs and attorney fees pursuant to 42 U.S.C. § 1983.

WHEREFORE, Plaintiffs respectfully request: (a) certification of this action as a class action under Fed. R. Civ. P. 23, (b) a declaration that Defendant's actions are unconstitutional and/or constitute a breach of the collective bargain agreements at issue, (c) permanent injunctive relief to prevent further irreparable Constitutional injury and breaches of the collective bargaining agreements, (d) entry of Judgment in Plaintiffs' favor in whatever amount Plaintiffs may be found to be entitled, plus interest, costs and attorneys' fees, and (e) any and all other relief which Plaintiffs are found to be entitled.

#### **COUNT VI - INJUNCTIVE RELIEF AND IRREPARABLE HARM**

188. Defendant has undertaken steps to increase the rates of contribution and increase the co-payments and deductibles and otherwise unilaterally modify the agreed upon contractual terms of the retirees health care. Upon information and belief, such changes are scheduled to be implemented in July 2012 or some time shortly thereafter to union retirees and have already been implemented as to non-union retirees.

189. The City Administration, Labor Relations and City Council have authorized these changes.

190. These changes impair the obligation of contract as to Plaintiffs and the proposed class members.

191. It is also an unconstitutional impairment of obligation of contract in violation of Section 10 of the United States Constitution.

192. It is also an unconstitutional impairment of obligation in violation of the City Charter.

193. It is also an unconstitutional impairment of obligation in violation of the Municipal Code.

194. The retirees will be forced to make choices to allocate sparse resources, including foregoing health care coverage, prescriptions and medical care which will result in irreparable harm, and a permanent detrimental impact on health and well-being.

195. The imposition of additional insurance costs on retirees constitutes irreparable harm because of the financial hardship on retirees on fixed incomes, emotional distress and possible deprivation of life's necessities by reallocating scant resources to pay for needed healthcare. They will have to choose between medical care, food or other life essentials.

196. These retirees cannot afford to contribute the increased amounts, thus, they may have to reduce their health insurance or lose their level of coverage.

197. Even if the retirees prevail, reimbursing them at the end of the litigation will not compensate them for the impact on their health in the interim.

198. The balance of hardships weigh in favor of granting Plaintiffs injunctive relief because the harm to Plaintiffs cannot be undone.

199. Despite the manifest illegality, invalidity and unconstitutionality of these actions, Defendant, its officials, agents, and employees, unless restrained by order of this Court, will

enforce these changes against Plaintiffs, causing them irreparable injury, including the fact that they will be deprived of the ability to afford adequate health care and by reason of which Plaintiffs do not have an adequate remedy at law.

200. The Plaintiffs are likely to succeed on the merits as Plaintiffs have vested contractual rights to the health care benefits at issue.

201. A preliminary injunction is not contrary to the public interest.

WHEREFORE, Plaintiffs respectfully request the Court to issue a temporary injunction restraining Defendant from enforcing its resolution and these changes in the Employee Health Benefit Plan as to retirees and restore the non -union retirees to the status quo prior to the 2012 changes.

#### **RELIEF REQUESTED**

WHEREFORE, Plaintiffs respectfully request that this Court grant the following relief:

- A. Certify this action as a class action under Rule 23 of the Federal Rules of Civil Procedure;
- B. Declare that the actions of Defendant described constitute violations of the Contracts Clause of the United States Constitution and the 5<sup>th</sup> and 14<sup>th</sup> Amendments to the Constitution;
- C. Enter a permanent injunction prohibiting Defendant from engaging in the violations of the Contracts Clause of the United States Constitution and the 5<sup>th</sup> and 14<sup>th</sup> Amendments;
- D. Enter a Judgment finding that Defendant's actions in unilaterally changing the retirees' health care plan, modifying the contribution rate, benefits, deductibles and other terms of the plan constitutes a breach of the parties' CBAs;

- E. Award Plaintiffs and the Class they seek to represent compensatory damages in an amount to be determined at trial to fully compensate them for their injuries;
- F. Award any other damages that are permissible;
- G. Award attorneys' fees and costs; and
- H. Award such other relief as the Court deems appropriate and just.

1 (Court in Session)

2 THE CLERK: All rise. Court is in session. Please  
3 be seated. Case number 13-53846, City of Detroit, Michigan.

4 MS. LENNOX: Good morning, Your Honor. Heather  
5 Lennox of Jones, Day on behalf of the city.

6 I thought I would start this morning by reporting to Your  
7 Honor that the UAW and AFSCME have informed the city that they  
8 will each withdraw their objections to the plan confirmation  
9 with prejudice as to the city only.

10 And the city will amend the plan of adjustment in the  
11 Detroit general VEBA trust to add language to make clear that  
12 the library retirees and six Cobo Hall retirees will be in the  
13 general retiree VEBA.

14 Now we have negotiated the plan language with the library  
15 and with the UAW and AFSCME, so we are all agreed on that. I  
16 understand now that the retiree committee may have an issue  
17 with some of this language but as to the city and the library  
18 unions we are agreed.

19 THE COURT: Will there be a process to bring a final  
20 conclusion to that?

21 MS. LENNOX: Well, we were certainly discussing that  
22 issue before Court today and I don't -- I don't think the  
23 language in the plan is going to change. That's what we've  
24 negotiated. The issue is -- is frankly that is coming up is  
25 an issue that is beyond the scope of the plan.

1       It involves what -- what benefits will be provided by the  
2       VEBA trust and that is not something that the city decides.  
3       So to me it's not a plan issue.

4               THE COURT:   How many library employees are there?

5               MS. LENNOX:   We -- we expect that there will be  
6       about 330 or so library retirees that are in the VEBA and six  
7       Cobo Hall retirees.

8               THE COURT:   Who is here for the retiree committee?  
9       I just have one question for you.   Sir, for the record, sir --

10              MR. ALBERTS:   Sam Alberts from Dentons.

11              THE COURT:   Here's my question.

12              MR. ALBERTS:   Yes.

13              THE COURT:   Really?

14              MR. ALBERTS:   Yes.   And I'll -- and I'll --

15              THE COURT:   Seriously?

16              MR. ALBERTS:   Yes.

17              THE COURT:   Three hundred and thirty-six employees  
18       out of --

19              MR. ALBERTS:   Yes.

20              THE COURT:   -- 10,000?

21              MR. ALBERTS:   Yes.   May I explain?

22              THE COURT:   I don't want an explanation, I want you  
23       to resolve it.

24              MR. ALBERTS:   Well, Your Honor, I actually offered  
25       that --

1 THE COURT: I want you to resolve it now, go resolve  
2 it.

3 MR. ALBERTS: Your Honor, we tried this morning. We  
4 have a mediation at 1:30. I would suggest that the parties  
5 meet in mediation to try to resolve the issue.

6 THE COURT: Go resolve it. Okay. Okay. Anything  
7 further before I give my decision regarding the AFSCME matter?

8 MS. LENNOX: No, Your Honor. That was the only  
9 other matter on for this morning.

10 THE COURT: All right. May I have appearances  
11 regarding the AFSCME matter?

12 MS. LENNOX: Heather Lennox for the city.

13 MR. MACK: Richard Mack, Your Honor, AFSCME.

14 THE COURT: This matter is before the Court on the  
15 city's action to proof of claim number 2958 filed by AFSCME 25  
16 and its affiliated locals.

17 The core of the dispute is whether the settlement entered  
18 into between the city and AFSCME early in the case includes  
19 AFSCME's thirteenth check claim and related claims and its  
20 health care modification claim. The parties refer to this as  
21 Line 7 and 17 on AFSCME's proof of claim.

22 AFSCME filed its proof of claim on February 21<sup>st</sup>, 2014 in  
23 the total amount of over 8.7 billion dollars. This includes  
24 several claims other than the two that are presently before

25 the Court. In April of 2014, AFSCME and the city reached a  
13-53846-swr Doc 8485-20 Filed 11/26/14 Entered 11/26/14 15:47:43 Page 5 of 13

1 settlement agreement.

2 On May 15, 2014 the city filed its fourth amended plan in  
3 which it provides for the allowance of Class 11, the GRS  
4 pension claims in the amount of \$8,879,000,000 and the  
5 allowance of Class 12, the OPEB claims in the amount of  
6 \$4,303,000,000.

7 The plan provides the definition of the GRS pension claim  
8 as follows:

9 "Any claim (other than an OPEB claim), whether asserted  
10 by current or former employees of the city, their heirs or  
11 beneficiaries, or by the GRS, or any trustee thereof, or any  
12 other entity acting on the GRS' behalf against the city, or  
13 any fund managed by the city (including but not limited to the  
14 general fund, the water fund, the sewage disposal fund, the  
15 Detroit General Retirement System Service Corporation fund, or  
16 the pension funds), based upon, arising under, or related to  
17 any agreement, commitment, or other obligation whether  
18 evidenced by contract, agreement, rule, regulation, ordinance,  
19 or statute -- statute or law for A, any pension, disability,  
20 or other post-retirement payment or distribution in respect of  
21 the employment of current or former employees, or B, the  
22 payment by the GRS to persons who may at any time participated  
23 in, were beneficiaries of, or accrued post-retirement pension  
24 or financial benefits under the GRS".

1 provides the definition of OPEB claims as:

2 "Any claim against the city for OPEB benefits held by a  
3 retiree who retired on or before December 31, 2014 and is  
4 otherwise eligible for OPEB benefits and any eligible  
5 surviving beneficiaries of such retiree". This is at plan  
6 Section (I)(A)255.

7 The plan further states at (I)(A)254:

8 "OPEB benefits means collectively post-retirement health,  
9 vision, dental, life and death benefits provided to retired  
10 employees of the city and their surviving beneficiaries  
11 pursuant to employee health life -- health and life insurance  
12 benefit plan, and employee's death benefits plan, including  
13 the members of the certified class in the action captioned  
14 Weiler, et al v City of Detroit, case number 06-619737-CK  
15 (Wayne County Circuit Court), pursuant to the 'consent  
16 judgment and order of dismissal' entered in that action on  
17 August 26<sup>th</sup>, 2019".

18 The Bankruptcy Code defines a claim as:

19 "A, right to payment whether or not such right is reduced  
20 to judgment, liquidated, unliquidated, fixed, contingent,  
21 matured, unmatured, disputed, undisputed, legal, equitable,  
22 secured or unsecured. Or B, right to an equitable remedy for  
23 breach of performance if such breach gives rise to a right to  
24 payment whether or not such right to an equitable remedy is

1 disputed, undisputed, secured, or unsecured". And that's in  
2 11 USC Section 105(5).

3 The city asserts that pursuant to the plain language of  
4 the plan, the pension claim in the claim at issue is included  
5 in Class 11. Likewise the city argues that AFSCME's health  
6 care modification claim in the proof of claim before the  
7 Court, is included in Class 12.

8 AFSCME contends that both claims were intended to be in  
9 Class 14 which is the class for unsecured claims. It asserts  
10 that the language in the plan is at the very least ambiguous  
11 and that the Court should consider the way the phrase GRS  
12 pension claim is used throughout the plan and its context in  
13 the plan.

14 AFSCME contends that the definition of pension claim is  
15 intended to include only the claimant's rights to prospective  
16 plan payments, rather than the credits and disbursements that  
17 should have been made in the past that were covered in its  
18 proof of claim.

19 Likewise with respect to the health care modification  
20 claim, AFSCME asserts that it is not included in Class 12  
21 because Class 12 deals exclusively with prospective payments  
22 or distributions and is not intended to include past due  
23 benefits.

24 In the Official Committee of Unsecured Creditors v Dow

1 Circuit, 2006, the Court stated:

2 "In interpreting a confirmed plan, Courts use contract  
3 principals since the plan is effectively a new contract  
4 between the debtor and its creditors".

5 Absent ambiguity the plan, "is to be enforced as written  
6 unless -- I'm sorry, regardless of whether it is in line with  
7 the parties' prior obligations". Id. The Court concludes  
8 that the language of the plan is not ambiguous and that the  
9 definitions of GRS claim and OPEB claim in the plan plainly  
10 include the claims at issue here.

11 The Court finds that AFSCME's attempt to distinguish  
12 between the claimant's rights to prospective payments, and the  
13 rights to past due claims is not consistent with the broad  
14 definitions of the claims in Classes 11 and 12, or with the  
15 broad definition of a claim in the Bankruptcy Code.

16 By operation of Section 944(b) of the Bankruptcy Code,  
17 the debts that AFSCME seeks to assert through these two claims  
18 will be discharged. By operation of Section 944(a), the  
19 city's only debts coming out of bankruptcy will be those set  
20 forth in the confirmed plan if of course it is confirmed.

21 AFSCME relies in part upon the city's May 15, 2014  
22 objection to its proof of claim in support of its argument  
23 that the pension claim at issue here was not included in the  
24 settlement. Specifically it asserts that the city's objection

1 Class 11 as the city now asserts.

2 It also argues that the Court should consider evidence  
3 from the confidential mediations regarding the negotiations  
4 that led to the settlement. The Court rejects this argument.

5 First, the Court finds that the city did raise this issue  
6 in Paragraph 19 of its objection. Second, and more important,  
7 in Shachachner v Blue Cross and Blue Shield of Ohio, 77 F 3d  
8 889, 6<sup>th</sup> Circuit 1996.

9 The 6<sup>th</sup> Circuit held that extrinsic evidence of contract  
10 intent is admissible only if the contract is ambiguous on its  
11 face. Meaning that it is subject to -- to two reasonable  
12 interpretations.

13 And the Court further held that extrinsic evidence cannot  
14 be used to create an ambiguity. Further, the mere fact that  
15 the parties argue two different interpretations is not  
16 sufficient to establish that the contract is ambiguous.

17 As found earlier, the Court finds no ambiguity here.  
18 Accordingly, the task before the Court is only to determine  
19 the intent of the plan from its language and to apply it.

20 AFSCME also relies on its proof of claim as classifying  
21 these pensions -- pension and health care claims in Class 14.  
22 However, under Section 941 only the city can propose a plan  
23 and under Section 1123(a)(1), only the plan can classify  
24 claims.

1 classification of claims and not AFSCME's proof of claim. The  
2 Court will enter an appropriate order. Is there anything else  
3 on our agenda for today?

4 MS. LENNOX: No, Your Honor.

5 THE COURT: All right. I'd like to review with you  
6 the balance of our schedule here. What does the city foresee  
7 for tomorrow, please?

8 MS. LENNOX: My understanding for tomorrow, Your  
9 Honor, is that we will introduce -- I'm not sure if we've  
10 confirmed whether it's three or four witnesses, but we'll have  
11 obviously just the witnesses required to substantiate the FGIC  
12 settlement that we announced in Court last week. And we would  
13 expect that, I would think not to take much time at all.

14 THE COURT: Okay. All right. And then Wednesday we  
15 will take the testimony of Ms. Kopacz.

16 MS. LENNOX: Uh-huh.

17 THE COURT: And then if it's okay with everyone we  
18 will have closing arguments a week from today at 8:30. I  
19 assume that will be arguments on behalf of the city plan  
20 supporters and whatever pro se objectors the Court concludes  
21 should be given an opportunity for closing argument.

22 And then the Court will foresee giving an oral decision  
23 on the record here in open Court, one second, I don't want to  
24 pin myself down exactly at this point in time, but sometime

1 that schedule?

2 MS. LENNOX: No, Your Honor.

3 THE COURT: Okay. If there is nothing further,  
4 we'll be in recess for today.

5 THE CLERK: All rise.

6 MR. ALBERTS: Your Honor, is it 8:30 on Wednesday?

7 THE COURT: Yes, 8:30 Wednesday, please.

8 MR. ALBERTS: Thank you.

9 THE COURT: So 9:00 tomorrow, 8:30 Wednesday. No,  
10 what? What? Well, if it won't take very long, can we start  
11 at 9:00 instead of 8:30?

12 MS. LENNOX: That's fine, Your Honor.

13 MR. ALBERTS: Sure. So 9:00 tomorrow, 9:00  
14 Wednesday.

15 THE COURT: No. I don't know how long Ms. Kopacz is  
16 going to take, so I want to start at 8:30 on Wednesday.

17 MR. ALBERTS: Okay. 9:00.

18 THE COURT: 9:00 tomorrow.

19 MR. ALBERTS: That's perfect, Your Honor.

20 THE COURT: All right.

21 THE CLERK: Court is adjourned.

At the direction of FGIC, which shall be deemed given on the Effective Date, the COP Contract Administrator shall have irrevocably agreed (on behalf of itself, any successors and each FGIC COP Holder) to release and not to sue any COP Holder or any COP Insurer on behalf of any FGIC COP Holder, COP Insurer, the Detroit Retirement Systems Funding Trust 2005 or the Detroit Retirement

Systems Funding Trust 2006 in connection with any liability arising in connection with or related to (1) Sections 6.5 and 9.1 of the Contract Administration Agreements, (2) Section 8.03 of the COP Service Contracts, (3) distributions made pursuant to or in connection with this Section II.B.3.p.i.A, (4) the FGIC Settlement or (5) the Syncora Settlement. On the Effective Date, Syncora and FGIC shall, to the fullest extent permitted under law, be deemed to forever mutually release, waive and discharge all liabilities against each other relating to distributions made pursuant to or in connection with this Section II.B.3.p.i.A, Sections 6.5 and 9.1 of the Contract Administration Agreements or Section 8.03 of the COP Service Contracts.

For each ASF Distribution Recipient who does not elect the ASF Recoupment Cash Option described in Section II.B.3.r.ii.D.2.ii and in the case of any ASF Distribution Recipient that elected the ASF Recoupment Cash Option but does not timely deliver the ASF Recoupment Cash Payment to the GRS, the Annuity Savings Fund Excess Amount will: (A) be calculated and converted into monthly annuity amounts based on common actuarial assumptions (such as the ASF Distribution Recipient's life expectancy, and, if not already retired, expected date of retirement) and amortized using a 6.75% interest rate; and (B) then be deducted from the ASF Distribution Recipient's monthly pension check; provided, however, that in no event shall the total amount deducted from an ASF Distribution Recipient's monthly pension check exceed the ASF Recoupment Cap or the Current GRS Retiree Adjustment Cap, if applicable. The total ASF Recoupment from the ASF Distribution Recipient's monthly pension checks over time shall not exceed the amount necessary to amortize the applicable Annuity Savings Fund Excess Amount at 6.75% interest.

### **ii. Single Lump Sum Payment**

Each ASF Distribution Recipient shall be afforded the ASF Recoupment Cash Option.

No later than seven days following the Effective Date, the City, through its Claims and Balloting Agent, shall send the ASF Election Notice and the ASF Election Form by first-class U.S. mail to each ASF Distribution Recipient. The ASF Election Form shall explain that the amount of the ASF Recoupment Cash Payment shall be equal to the total amount of ASF Recoupment shown on the ASF Distribution Recipient's Ballot, unless the aggregate amount of ASF Recoupment for all ASF Distribution Recipients electing the ASF Recoupment Cash Option exceeds \$30,000,000, in which case (A) the ASF Recoupment Cash Payment will be the ASF Distribution Recipient's Pro Rata portion of \$30,000,000, and (B) the remaining portion of the ASF Distribution Recipient's ASF Recoupment will be annuitized and deducted from the ASF Distribution Recipient's monthly pension check, as provided for in Section II.B.3.r.ii.D.2.i.

An ASF Distribution Recipient must return his or her ASF Election Form to the Claims and Balloting Agent so that it is actually received by the Claims and Balloting Agent by the ASF Election Date.

ASF Distribution Recipients shall have until the ASF Final Cash Payment Date to make the ASF Recoupment Cash Payment, which payment must be made by cashier's check or wire transfer and may not be made by personal check. If an ASF Distribution Recipient's ASF Recoupment Cash Payment is not received by the ASF Final Cash Payment Date, GRS will notify the ASF Distribution Recipient of the failure to timely pay, and ASF Recoupment will be effected through diminution of such recipient's monthly pension check, as provided for in Section II.B.3.r.ii.D.2.i. The calculation of each electing ASF Distribution Recipient's ASF Recoupment Cash Payment shall not be adjusted under any circumstances, including as a result of default by any other electing ASF Distribution Recipient to remit his or her ASF Recoupment Cash Payment by the ASF Final Cash Payment Date.

The Detroit General VEBA will be governed by a seven member board of trustees that will be responsible for, among other things, management of property held by the Detroit General VEBA, administration of the Detroit General VEBA and determination of the level of and distribution of benefits to Detroit General VEBA Beneficiaries. The Detroit General VEBA Trust Agreement and related plan documentation will be substantially in the form set forth on Exhibit I.A.108. With respect to the initial appointment of the board of trustees, the Mayor will appoint one member, and the DRCEA and the Retiree Committee will each appoint three board members. The DRCEA will fill board member vacancies created by the departure of members initially appointed by the Retiree Committee or the DRCEA, and the Mayor will fill a board member vacancy created by the departure of the member appointed by the Mayor. The initial members of the Detroit General VEBA board of trustees shall be (1) Floyd Allen, (2) Roger Cheek, (3) Suzanne Daniels Paranjpe, (4) Doris Ewing,

(5) Barbara Wise-Johnson, (6) Shirley Lightsey and (7) Thomas Sheehan. Nothing in the Plan precludes either the Detroit General VEBA from being formed under Section 115 or the formation of a separate trust under Section 115, in each case with the City's consent, which consent will not be unreasonably withheld.

Distributions to Detroit General VEBA: On the Effective Date, the City shall distribute to the Detroit General VEBA New B Notes in the aggregate principal amount of \$218,000,000, in satisfaction of the Allowed OPEB Claims held by Detroit General VEBA Beneficiaries. The Detroit General VEBA shall also be entitled to additional distributions as set forth in Section II.B.3.p.i.A.

#### **B. Detroit Police and Fire VEBA.**

Establishment of Detroit Police and Fire VEBA: On or as soon as practicable following the Effective Date, the City will establish the Detroit Police and Fire VEBA to provide health benefits to Detroit Police and Fire VEBA Beneficiaries and certain of their dependents. The Detroit Police and Fire VEBA will be governed by a seven member board of trustees and, for the first four years, one additional non-voting, ex-officio member. The board of trustees will be responsible for, among other things, management of property held by the Detroit Police and Fire VEBA, administration of the Detroit Police and Fire VEBA and determination of the level of and distribution of benefits to Detroit Police and Fire VEBA Beneficiaries. The Detroit Police and Fire VEBA Trust Agreement and related plan documentation will be substantially in the form set forth on Exhibit I.A.112. With respect to the initial appointment of the board of trustees, the Mayor will appoint one member, and the RDPFFA and the Retiree Committee will each appoint three board members. The RDPMA will appoint the non-voting, ex-officio member. The RDPFFA will fill board member vacancies created by the departure of voting members initially appointed by the Retiree Committee or the RDPFFA, and the Mayor will fill a board member vacancy created by the departure of the member appointed by the Mayor. The RDPMA will fill a non-voting, ex-officio board member vacancy created by the departure of the member initially appointed by the RDPMA, but such non-voting, ex-officio member position shall expire on December 31, 2018. The initial members of the Detroit Police and Fire VEBA board of trustees shall be (1) Floyd Allen, (2) Gregory Best, (3) John Clark, (4) Andrew Dillon, (5) Allan Grant, (6) Thomas Sheehan, (7) Greg Trozak and (8) Shirley Berger (*ex officio*). Nothing in the Plan precludes either the Detroit Police and Fire VEBA from being formed under Section 115 or the formation of a separate trust under Section 115, in each case with the City's consent, which consent will not be unreasonably withheld.

Distributions to Detroit Police and Fire VEBA: On the Effective Date, the City shall distribute to the Detroit Police and Fire VEBA New B Notes in the aggregate principal amount of \$232,000,000, in satisfaction of the Allowed OPEB Claims held by Detroit Police and Fire VEBA Beneficiaries. #### **C. No Further Responsibility.**

From and after the Effective Date, the City shall have no further responsibility to provide retiree healthcare or any other retiree welfare benefits. The City shall have no responsibility from and after the Effective Date to provide life insurance or death benefits to former employees. On the Effective Date, the Employees Death Benefit Plan will be frozen for former employees, and the City will no longer have an obligation to contribute to fund death benefits under the plan for any participant or beneficiary who is a former employee. Existing retirees who participate in the plan will be granted a one-time opportunity to receive a lump sum distribution of the present value of their actuarially determined death benefit to the extent of the plan funding. For the avoidance of doubt, the Employees Death Benefit Plan shall not be merged into or operated by either the Detroit General VEBA or the Detroit Police and Fire VEBA. The Employees Death Benefit Board of Trustees shall continue to manage the Employees Death Benefit Plan and employ the staff of the Retirement Systems to administer the disbursement of benefits thereunder, the costs of which administration shall be borne by the assets of the Employees Death Benefit Plan.

Retirees (and active employees that retire prior to December 31, 2014) of the Detroit Public Library and the Detroit Regional Convention Facility Authority are Detroit General VEBA Beneficiaries and will receive the treatment set forth above. However, the collective bargaining and other legal rights and obligations of the Detroit Public Library and the Detroit Regional Convention Facility Authority, on one hand, and their respective unions and former and current employees, on the other hand, are not affected by the Plan. These parties retain the

right to negotiate further or additional benefits; provided, however, that the City shall not be responsible for, or have any obligation with respect to, any such further or additional benefits or the administration thereof. In addition, in consideration of the eligible retirees of the Detroit Public Library and the Detroit Regional Convention Facility Authority participating in the Detroit General VEBA, the Detroit Public Library and the Detroit Regional Convention Facility Authority shall reimburse the City for their allocable share of the New B Note debt service related to the Detroit General VEBA.

**t. Class 13 – Downtown Development Authority Claims.**

**i. Allowance.**

On the Effective Date, the Downtown Development Authority Claims shall be deemed Allowed in the amount of \$33,600,000.

**ii. Treatment.**

Unless such Holder agrees to a different treatment of such Claim, each Holder of an Allowed Downtown Development Authority Claim, in full satisfaction of such Allowed Claim, shall receive, on or as soon as reasonably practicable after the Effective Date, a Pro Rata share of approximately \$3.69 million in New B Notes.

**u. Class 14 – Other Unsecured Claims.**

**i. Treatment.**

Unless such Holder agrees to a different treatment of such Claim, each Holder of an Allowed Other Unsecured Claim, in full satisfaction of such Allowed Claim, shall receive (A) on or as soon as reasonably practicable after the Effective Date, a Pro Rata share of approximately \$16.48 million in New B Notes and (B) distributions in accordance with Section II.B.3.p.i.A.

**v. Class 15 – Convenience Claims.**

**i. Treatment.**

Each Holder of an Allowed Convenience Claim, in full satisfaction of such Allowed Claim, shall receive Cash equal to the amount of 25% of such Allowed Claim (as reduced, if applicable, pursuant to an election by such Holder in accordance with Section I.A.76) on or as soon as reasonably practicable after the Effective Date, unless such Holder agrees to a different treatment of such Claim.

**w. Class 16 – Subordinated Claims.**

**i. Treatment.**

On the Effective Date, all Subordinated Claims shall be disallowed, extinguished and discharged without Distribution under the Plan, and Holders of Subordinated Claims shall not receive or retain any property on account of such Claims. Pursuant to section 1126(g) of the Bankruptcy Code, Class 16 is deemed to have rejected the Plan and Holders of Subordinated Claims are not entitled to cast a Ballot in respect of such Claims.

**x. Class 17 – Indirect 36th District Court Claims.**

**i. Treatment.**

Unless such Holder agrees to a different treatment of its Claim, each Holder of an Allowed Indirect 36th District Court Claim, in full satisfaction of such Allowed Claim, shall receive: (A) if the Allowed amount of such Indirect 36th District Court Claim is less than \$100,000.00, on or as soon as reasonably practicable after the Effective Date, Cash in an amount equal to 33% of the Allowed amount of such Allowed Indirect 36th

District Court Claim; or (B) if the Allowed amount of such Indirect 36th District Court Claim is equal to or more than \$100,000.00, Cash equal to 33% of the Allowed amount of such Indirect 36th District Court Claim, plus simple interest on outstanding amounts at a rate of five percent per annum, payable in five equal annual installments, with the first installment to be paid on or as soon as reasonably practicable after the Effective Date and the remaining four installments to be paid on the date of the first four anniversaries of the Effective Date or, if any such date is not a Business Day, on the first Business Day thereafter.

**ii. Further Obligation of City, State and 36th District Court.**

Subject to the terms of the 36th District Court Settlement, the treatment of Allowed Indirect 36th District Court Claims set forth in Section II.B.3.x.i shall fulfill any obligation of the City and the 36th District Court that may exist with respect to all Indirect 36th District Court Claims. Nothing in Section II.B.3.x.i prevents the Holder of an Indirect 36th District Court Claim from seeking further relief or payment from the State with respect to such Indirect 36th District Court Claim to the extent such Claim is not satisfied pursuant to the Plan.

**C. Confirmation Without Acceptance by All Impaired Classes.**

The City requests Confirmation under section 1129(b) of the Bankruptcy Code in the event that any impaired Class does not accept or is deemed not to accept the Plan pursuant to section 1126 of the Bankruptcy Code. The Plan shall constitute a motion for such relief.

**D. Treatment of Executory Contracts and Unexpired Leases.**

**1. Assumption.**

Except as otherwise provided in the Plan, in any contract, instrument, release or other agreement or document entered into in connection with the Plan or in a Final Order of the Bankruptcy Court, or as requested in any motion Filed by the City on or prior to the Effective Date, on the Effective Date, pursuant to section 365 of the Bankruptcy Code, the City will be deemed to assume all Executory Contracts and Unexpired Leases to which it is a party. Notwithstanding the foregoing, Retirement System Indemnity Obligations shall not be assumed under the Plan and shall be discharged. For the avoidance of doubt, the City shall assume the Tunnel Lease pursuant to this Section II.D.1.

**2. Assumption of Ancillary Agreements.**

Each Executory Contract and Unexpired Lease assumed pursuant to Section II.D.1 will include any modifications, amendments, supplements, restatements or other agreements made directly or indirectly by any agreement, instrument or other document that in any manner affects such Executory Contract or Unexpired Lease, unless any such modification, amendment, supplement, restatement or other agreement is rejected pursuant to Section II.D.6 or designated for rejection in accordance with Section II.D.3.

**3. Approval of Assumptions and Assignments.**

The Confirmation Order will constitute an order of the Bankruptcy Court approving the assumption of Executory Contracts and Unexpired Leases pursuant to Sections II.D.1 and II.D.2 (and any related assignment) as of the Effective Date, except for Executory Contracts or Unexpired Leases that (a) have been rejected pursuant to a Final Order of the Bankruptcy Court, (b) are subject to a pending motion for reconsideration or appeal of an order authorizing the rejection of such Executory Contract or Unexpired Lease, (c) are subject to a motion to reject such Executory Contract or Unexpired Lease Filed on or prior to the Effective Date, (d) are rejected pursuant to Section II.D.6 or (e) are designated for rejection in accordance with the last sentence of this paragraph. An order of the Bankruptcy Court (which may be the Confirmation Order) entered on or prior to the Confirmation Date will specify the procedures for providing notice to each party whose Executory Contract or Unexpired Lease is being assumed pursuant to the Plan of: (a) the Executory Contract or Unexpired Lease being assumed; (b) the Cure Amount Claim, if any, that the City believes it would be obligated to pay in connection with such assumption; (c) any assignment of an Executory Contract or Unexpired Lease; and (d) the procedures for such party to object to

the assumption of the applicable Executory Contract or Unexpired Lease, the amount of the proposed Cure Amount Claim or any assignment of an Executory Contract or Unexpired Lease. If an objection to a proposed assumption, assumption and assignment or Cure Amount Claim is not resolved in favor of the City, the applicable Executory Contract or Unexpired Lease may be designated by the City for rejection, which shall be deemed effective as of the Effective Date.

**4. Payments Related to the Assumption of Executory Contracts and Unexpired Leases.**

To the extent that such Claims constitute monetary defaults, the Cure Amount Claims associated with each Executory Contract or Unexpired Lease to be assumed pursuant to the Plan will be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, at the option of the City: (a) by payment of the Cure Amount Claim in Cash on the Effective Date or (b) on such other terms as are agreed to by the parties to such Executory Contract or Unexpired Lease. If there is a dispute regarding: (a) the amount of any Cure Amount Claim, (b) the ability of the City or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under the contract or lease to be assumed or (c) any other matter pertaining to the assumption of such contract or lease, the payment of any Cure Amount Claim required by section 365(b)(1) of the Bankruptcy Code will be made within 30 days following the entry of a Final Order resolving the dispute and approving the assumption.

**5. Contracts and Leases Entered Into After the Petition Date.**

Contracts, leases and other agreements entered into after the Petition Date by the City, including (a) any Executory Contracts or Unexpired Leases assumed by the City and (b) the collective bargaining agreements identified on Exhibit II.D.5, will be performed by the City in the ordinary course of its business. Accordingly, such contracts and leases (including any assumed Executory Contracts or Unexpired Leases) will survive and remain unaffected by entry of the Confirmation Order.

**6. Rejection of Executory Contracts and Unexpired Leases.**

On the Effective Date, each Executory Contract and Unexpired Lease that is listed on Exhibit II.D.6 shall be deemed rejected pursuant to section 365 of the Bankruptcy Code. The Confirmation Order will constitute an order of the Bankruptcy Court approving such rejections, pursuant to section 365 of the Bankruptcy Code, as of the later of: (a) the Effective Date or (b) the resolution of any objection to the proposed rejection of an Executory Contract or Unexpired Lease. Each contract or lease listed on Exhibit II.D.6 shall be rejected only to the extent that any such contract or lease constitutes an Executory Contract or Unexpired Lease. The City reserves its right, at any time on or prior to the Effective Date, to amend Exhibit II.D.6 to delete any Executory Contract or Unexpired Lease therefrom, thus providing for its assumption pursuant to Section II.D.1, or add any Executory Contract or Unexpired Lease thereto, thus providing for its rejection pursuant to this Section II.D.6. The City will provide notice of any amendments to Exhibit II.D.6 to the parties to the Executory Contracts or Unexpired Leases affected thereby and to the parties on the then-applicable service list in the Chapter 9 Case. Listing a contract or lease on Exhibit II.D.6 shall not constitute an admission by the City that such contract or lease is an Executory Contract or Unexpired Lease or that the City has any liability thereunder. Any Claims arising from the rejection of an Executory Contract or Unexpired Lease pursuant to the Plan shall be treated as Class 14 Claims (Other Unsecured Claims), subject to the provisions of section 502 of the Bankruptcy Code.

**7. Rejection Damages Bar Date.**

Except as otherwise provided in a Final Order of the Bankruptcy Court approving the rejection of an Executory Contract or Unexpired Lease, Claims arising out of the rejection of an Executory Contract or Unexpired Lease must be Filed with the Bankruptcy Court and served upon counsel to the City on or before the later of: (a) 45 days after the Effective Date; or (b) 45 days after such Executory Contract or Unexpired Lease is rejected pursuant to a Final Order or designated for rejection in accordance with Section II.D.3. Any Claims not Filed within such applicable time periods will be forever barred from receiving a Distribution from, and shall not be enforceable against, the City.

**8. Preexisting Obligations to the City Under Rejected Executory Contracts and Unexpired Leases.**

Pursuant to section 365(g) of the Bankruptcy Code, rejection of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall constitute a breach of such contract or lease and not a termination thereof, and all obligations owing to the City under such contract or lease as of the date of such breach shall remain owing to the City upon rejection. Notwithstanding any applicable non-bankruptcy law to the contrary, the City expressly reserves and does not waive any right to receive, or any continuing obligation of a non-City party to provide, warranties, indemnifications or continued maintenance obligations on goods previously purchased, or services previously received, by the City from non-City parties to rejected Executory Contracts or Unexpired Leases, and any such rights shall remain vested in the City as of the Effective Date.

**9. Insurance Policies.**

From and after the Effective Date, each of the City's insurance policies (other than welfare benefits insurance policies) in existence as of or prior to the Effective Date shall be reinstated and continue in full force and effect in accordance with its terms and, to the extent applicable, shall be deemed assumed by the City pursuant to section 365 of the Bankruptcy Code and Section II.D.1. Nothing contained herein shall constitute or be deemed a waiver of any Causes of Action that the City may hold against any Entity, including any insurer under any of the City's insurance policies. For the avoidance of doubt, nothing contained in this Section II.D.9 shall apply to reinstate or continue any obligation of the City or any fund thereof to any Bond Insurer.

**ARTICLE III

The New York State Department of Financial Services shall have waived in writing the notice requirement under FGIC's plan of rehabilitation with respect to the settlement contemplated by the FGIC/COP Settlement Documents and the FGIC Development Agreement in form and substance reasonably acceptable to FGIC, and such waiver shall not have been vacated or otherwise modified.

17. The Effective Date shall have occurred within 180 days of the entry of the Confirmation Order, unless the City requests an extension of such deadline and such deadline is extended by the Bankruptcy Court.

**B. Waiver of Conditions to the Effective Date.**

The conditions to the Effective Date set forth in Section III.A may be waived in whole or part at any time by the City in its sole and absolute discretion, except for those conditions set forth in (1) Section III.A.9 and Section III.A.10, which conditions cannot be waived, (2) Sections III.A.5, III.A.13 and III.A.14, which may only be waived by the City with the prior written consent of Syncora, (3) Sections III.A.4 and III.A.15, which may only be waived by the City with the prior written consent of FGIC and (4) Section III.A.16, which may be waived by the City at any time on or after November 4, 2014 at 5:00 p.m. (Eastern Time) with the prior written consent of FGIC.

**C. Effect of Nonoccurrence of Conditions to the Effective Date.**

If each of the conditions to the Effective Date is not satisfied, or duly waived in accordance with Section III.B, then, before the time that each of such conditions has been satisfied and upon notice to such parties in interest as the Bankruptcy Court may direct, the City may File a motion requesting that the Bankruptcy Court vacate the Confirmation Order; provided, however, that, notwithstanding the Filing of such motion, the Confirmation Order may not be vacated if each of the conditions to the Effective Date is satisfied before the Bankruptcy Court enters an order granting such motion. If the Confirmation Order is vacated pursuant to this Section III.C: (1) the Plan will be null and void in all respects, including with respect to (a) the discharge of Claims pursuant to section 944(b) of the Bankruptcy Code, (b) the assumptions, assignments or rejections of Executory Contracts and Unexpired Leases pursuant to Section II.D and (c) the releases described in Section III.D.7; and (2) nothing contained in the Plan, nor any action taken or not taken by the City with respect to the Plan, the Disclosure Statement or the Confirmation Order, will be or will be deemed to be (a) a waiver or release of any Claims by or against the City, (b) an admission of any sort by the City or any other party in interest or (c) prejudicial in any manner the rights of the City or any other party in interest.

**D. Effect of Confirmation of the Plan.**

A nonexclusive schedule of currently pending actions and claims brought by the City is attached as Exhibit III.D.2. The City's inclusion of, or failure to include, any right of action or claim on Exhibit III.D.2 shall not be deemed an admission, denial or waiver of any claims, demands, rights or Causes of Action that the City may hold against any Entity, and all Entities are hereby notified that the City intends to preserve all such claims, demands, rights or Causes of Action.

**3. Comprehensive Settlement of Claims and Controversies.**

Pursuant to Bankruptcy Rule 9019 and in consideration for the distributions and other benefits provided under the Plan, the provisions of the Plan will constitute a good faith compromise and settlement of all claims or controversies relating to the rights that a holder of a Claim may have with respect to any Allowed Claim or any Distribution to be made pursuant to the Plan on account of any Allowed Claim. The entry of the Confirmation Order will constitute the Bankruptcy Court's approval, as of the Effective Date, of the compromise or settlement of all such claims or controversies and the Bankruptcy Court's finding that all such compromises or settlements are (a) in the best interests of the City, its property and Claim Holders and (b) fair, equitable and reasonable. For the avoidance of doubt, this Section III.D.3 shall not affect or limit the application of section 509 of the Bankruptcy Code or any similar doctrine to Bond Insurance Policy Claims.

**4. Discharge of Claims.**

**a. Complete Satisfaction, Discharge and Release.**

Except as provided in the Plan or in the Confirmation Order, the rights afforded under the Plan and the treatment of Claims under the Plan will be in exchange for and in complete satisfaction, discharge and release of all Claims arising on or before the Effective Date, including any interest accrued on Claims from and after the Petition Date. Except as provided in the Plan or in the Confirmation Order, Confirmation will, as of the Effective Date, discharge the City from all Claims or other debts that arose on or before the Effective Date, and all debts of the kind specified in section 502(g), 502(h) or 502(i) of the Bankruptcy Code, whether or not (i) a proof of Claim based on such debt is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code, (ii) a Claim based on such debt is allowed pursuant to section 502 of the Bankruptcy Code or (iii) the Holder of a Claim based on such debt has accepted the Plan.

**b. Discharge.**

In accordance with Section III.D.4.a, except as expressly provided otherwise in the Plan or the Confirmation Order, the Confirmation Order will be a judicial determination, as of the Effective Date, of a discharge of all debts of the City, pursuant to sections 524(a)(1), 524(a)(2) and 944(b) of the Bankruptcy Code, and such discharge will void any judgment obtained against the City at any time, to the extent that such judgment relates to a discharged debt; provided that such discharge will not apply to (i) debts specifically exempted from discharge under the Plan; and (ii) debts held by an Entity that, before the Confirmation Date, had neither notice nor actual knowledge of the Chapter 9 Case.

**5. Injunction.**

**On the Effective Date, except as otherwise provided herein or in the Confirmation Order,**

**4. asserting any setoff, right of subrogation or recoupment of any kind, directly or indirectly, against any obligation due the City or its property;**

**5. proceeding in any manner in any place whatsoever that does not conform to or comply with the provisions of the Plan or the settlements set forth herein to the extent such settlements have been approved by the Bankruptcy Court in connection with Confirmation of the Plan; and**

**6. taking any actions to interfere with the implementation or consummation of the Plan.**

**b. All Entities that have held, currently hold or may hold any Liabilities released pursuant to the Plan will be permanently enjoined from taking any of the following actions against the State, the State Related Entities, the officers, board of trustees/directors, attorneys, advisors and professionals of the RDPFFA or the DRCEA, and the Released Parties or any of their respective property on account of such released Liabilities: (i) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding of any kind; (ii) enforcing, levying, attaching, collecting or otherwise recovering by any manner or means, directly or indirectly, any judgment, award, decree or order; (iii) creating, perfecting or otherwise enforcing in any manner, directly or indirectly, any lien; (iv) asserting any setoff, right of subrogation or recoupment of any kind, directly or indirectly, against any obligation due the State, a State Related Entity, the officers, board of trustees/directors, attorneys, advisors and professionals of the RDPFFA or the DRCEA, or a Released Party; and (v) commencing or continuing any action, in any manner, in any place that does not comply with or is inconsistent with the provisions of the Plan. Notwithstanding the foregoing and without limiting the injunctions in Section III.D.5.a, the Holders of Indirect 36th District Court Claims shall not be enjoined from taking any of the foregoing actions against the State or the State Related Entities with respect to Indirect 36th District Court Claims to the extent such Claims are not satisfied pursuant to the Plan.**

**6. Exculpation.**

From and after the Effective Date, to the fullest extent permitted under applicable law and except as expressly set forth in this Section, neither the City, its Related Entities (including the members of the City Council, the Mayor and the Emergency Manager), to the extent a claim arises from actions taken by such Related Entity in its capacity as a Related Entity of the City, the State, the State Related Entities, the Exculpated Parties nor the Released Parties shall have or incur any liability to any person or Entity for any act or omission in connection with, relating to or arising out of the City's restructuring efforts and the Chapter 9 Case, including the authorization given to file the Chapter 9 Case, the formulation, preparation, negotiation, dissemination, consummation, implementation, confirmation or approval (as applicable) of the Plan, the property to be distributed under the Plan, the settlements implemented under the Plan, the Exhibits, the Disclosure Statement, any contract, instrument, release or other agreement or document provided for or contemplated in connection with the consummation of the transactions set forth in the Plan or the management or operation of the City; provided that the foregoing provisions shall apply to (a) the LTGO Exculpated Parties solely in connection with acts or omissions taken in connection with the LTGO Settlement Agreement or the Plan (as it relates to the LTGO Settlement Agreement), (b) the UTGO Exculpated Parties solely in connection with acts or omissions taken in connection with the UTGO Settlement Agreement or the Plan (as it relates to the UTGO Settlement Agreement), (c) the DWSD Exculpated Parties solely in connection with acts or omissions taken in connection with the DWSD Tender, DWSD Tender Motion or DWSD Tender Order, (d) the Syncora Exculpated Parties solely in connection with acts or omissions taken in connection with the Syncora Settlement Documents and any actions or litigation positions taken by the Syncora Exculpated Parties in the Chapter 9 Case, (e) the FGIC/COP Exculpated Parties solely in connection with acts or omissions taken in connection with the FGIC/COP Settlement Documents and any actions or litigation positions taken by the FGIC/COP Exculpated Parties in the Chapter 9 Case, (f) the RDPMA Exculpated Parties and (g) the COP Agent, solely in its capacity as such and solely in connection with any Distributions made pursuant to the terms of the Plan; provided, further, that the foregoing provisions in this Section III.D.6 shall not affect the liability of the City, its Related Entities, the State, the State Related Entities, the Released Parties and the Exculpated Parties that otherwise would result from any such act or omission to the extent that such act or omission is determined in a Final Order to have constituted gross negligence or willful misconduct or any act or omission occurring before the Petition Date. The City, its Related Entities (with respect to actions taken by such Related Entities in their capacities as Related Entities of the City), the State, the State Related Entities, the Released Parties and the Exculpated Parties shall be entitled to rely upon the advice of counsel and financial advisors with respect to their duties and responsibilities under, or in connection with, the Chapter 9 Case, the administration thereof and the Plan. This Section III.D.6 shall not affect any liability of (a) any of the COP Swap Exculpated Parties to the Syncora Exculpated Parties or FGIC or (b) the Syncora Exculpated Parties or FGIC/COP Exculpated Parties to any of the COP Swap Exculpated Parties.

## 7. Releases

Without limiting any other applicable provisions of, or releases contained in, the Plan or any contracts, instruments, releases, agreements or documents to be entered into or delivered in connection with the Plan, as of the Effective Date, in consideration for the obligations of the City under the Plan and the consideration and other contracts, instruments, releases, agreements or documents to be entered into or delivered in connection with the Plan (including the State Contribution Agreement):

- a. each holder of a Claim that votes in favor of the Plan, to the fullest extent permissible under law, will be deemed to forever release, waive and discharge (which release will be in addition to the release and discharge of Claims otherwise provided herein and under the Confirmation Order and the Bankruptcy Code):

- i. all Liabilities in any way relating to the City, the Chapter 9 Case (including the authorization given to file the Chapter 9 Case), the Plan, the Exhibits or the Disclosure Statement, in each case that such holder has, had or may have against the City or its current and former officials, officers, directors, employees, managers, attorneys, advisors and professionals, each acting in such capacity (and, in addition to and without limiting the foregoing, in the case of any Emergency Manager, in such Emergency Manager's capacity as an appointee under PA 436); provided further, for the avoidance of doubt, that any person or entity designated to manage the Chapter 9 Case for the City after the Emergency Manager's term is terminated, whether such person or entity acts as an employee, advisor or contractor to the City or acts as an employee, agent, contractor or appointee of the State under any applicable state law, shall be treated the same as an employee of the City hereunder; and

- ii. all Liabilities in any way relating to (A) Claims that are compromised, settled or discharged under or in connection with the Plan, (B) the Chapter 9 Case (including the authorization given to file the Chapter 9 Case), (C) the Plan, (D) the Exhibits, (E) the Disclosure Statement or (F) the DIA Settlement, in each case that such holder has, had or may have against the City's Related Entities, the State, the State Related Entities and the Released Parties; provided, however, that any such Liability of the Foundations, the DIA Funders and the CFSEM Supporting Organization and their Related Entities shall be released only to the extent that such Liability, if any, arises from any such entity's participation in the DIA Settlement;

provided, however, that the foregoing provisions shall not affect the liability of the City, its Related Entities and the Released Parties that otherwise would result from any act or omission to the extent that act or omission subsequently is determined in a Final Order to have constituted gross negligence or willful misconduct; and provided further, however, that if Classes 10 and 11 vote to accept the Plan, but any necessary conditions precedent to the receipt of the initial funding from the State (pursuant to the State Contribution Agreement) and the DIA Funding Parties that are such as of the commencement of the Confirmation Hearing (pursuant to the DIA Settlement) that can be satisfied or waived by the applicable funding party prior to the Confirmation Hearing (including, but not limited to, adoption of relevant legislation and appropriations by the State and execution of necessary and irrevocable agreements for their funding commitments by each of the DIA Funding Parties that are such as of the commencement of the Confirmation Hearing, which conditions may not be waived) are not satisfied or waived by the applicable funding party prior to the Confirmation Hearing, then Holders of Claims in Classes 10 and 11 that voted to accept the Plan shall be deemed to have voted to reject the Plan, and the voluntary release set forth in the first sentence of this Section III.D.7.a shall not apply to Holders of Claims in Classes 10 and 11; provided, further, that nothing in this Section III.D.7.a shall release (i) the City's obligations under the Plan or (ii) any defenses that any party may have against the City, its Related Entities, the State, the State Related Entities or the Released Parties; and

- b. if the State Contribution Agreement is consummated, each holder of a Pension Claim will be deemed to forever release, waive and discharge all Liabilities arising from or related to the City, the Chapter 9 Case, including the authorization given to file the Chapter 9 Case, the Plan, all Exhibits, the Disclosure Statement, PA 436 and its predecessor or replacement statutes, and Article IX, Section 24 of the Michigan Constitution that such party has, had or may have against the State and any State Related Entities. For the avoidance of doubt, the Plan does not release, waive or discharge obligations of the City that are established in the Plan or that arise from and after the Effective Date with respect to (i) pensions as modified by the Plan or (ii) labor-related obligations. Such post-Effective Date obligations shall be enforceable against the City or its representatives by active or retired employees or their collective bargaining representatives to the extent permitted by applicable non-bankruptcy law or the Plan, or, with respect to pensions only, GRS or PFRS.

Notwithstanding Sections III.D.5-7 and IV.L of the Plan, except as set forth in the COP Swap Settlement, nothing in the Plan or the Confirmation Order shall or shall be deemed to provide a release by the COP Swap Counterparties of any Liabilities related to the COPs, the COP Service Corporations, the Transaction Documents (as defined in the COP Swap Settlement), the COP Swap Settlement or the COP Swap Settlement Approval Order. For the avoidance of doubt, notwithstanding Section III.D.6 of the Plan, a vote of DWSD Bond Claims or DWSD Revolving Bond Claims in favor of the Plan shall not, and shall not be deemed to, effect a release pursuant to this Section III.D.7 by a Holder of any such DWSD Bond Claims, a Holder of any such DWSD Revolving Bond Claims or the Bond Insurer insuring any such Claims of any Liabilities against the City or its Related Entities that do not arise in connection with the DWSD Bonds or the DWSD Revolving Bonds. For the further avoidance of doubt, notwithstanding anything in the Plan to the contrary, a vote of a Claim other than a DWSD Bond Claim or DWSD Revolving Bond Claim in favor of the Plan shall not, and shall not be deemed to, effect a release pursuant to this Section III.D.7 by a Holder of any such voted Claim or the Bond Insurer insuring such voted Claim of any Liabilities against the City or any other Entity arising in connection with the DWSD Bonds or DWSD Revolving Bonds.

#### **E. No Diminution of State Power**

No provision of this Plan shall be construed: (1) so as to limit or diminish the power of the State to control, by legislation or otherwise, the City in the exercise of the political or governmental powers of the City, including expenditures for such exercise; (2) so as to limit or diminish the power of the State to effect setoffs necessary to compensate the State or relieve the State of liability against funds (a) owing to the City from the State, (b) granted to the City by the State, or (c) administered by the State on behalf of the City or the federal government (including funds resulting from federal or state grants), for acts or omissions by the City (including but not limited to misappropriation or misuse of funds); and (3) as a waiver by the State of its rights as a sovereign or rights granted to it pursuant to the Tenth Amendment to the United States Constitution, or limit or diminish the State's exercise of such rights.

#### **F. Effectiveness of the Plan.**

The Plan shall become effective on the Effective Date. Any actions required to be taken on the Effective Date shall take place and shall be deemed to have occurred simultaneously, and no such action shall be deemed to have occurred prior to the taking of any other such action.

#### **G. Binding Effect of Plan.**

Pursuant to section 944(a) of the Bankruptcy Code, on and after the Effective Date, the provisions of the Plan shall bind all Holders of Claims, and their respective successors and assigns, whether or not the Claim of any such Holder is Impaired under the Plan and whether or not such Holder has accepted the Plan. The releases and settlements effected under the Plan will be operative, and subject to enforcement by the Bankruptcy Court, from and after the Effective Date, including pursuant to the injunctive provisions of the Plan. Once approved, the

compromises and settlements embodied in the Plan, along with the treatment of any associated Allowed Claims, shall not be subject to any collateral attack or other challenge by any Entity in any court or other forum. As such, any Entity that opposes the terms of any compromise and settlement set forth in the Plan must (1) challenge such compromise and settlement prior to Confirmation of the Plan and (2) demonstrate appropriate standing to object and that the subject compromise and settlement does not meet the standards governing bankruptcy settlements under Bankruptcy Rule 9019 and other applicable law.

#### **ARTICLE IV MEANS FOR IMPLEMENTATION OF THE PLAN**

##### **A. DWSD.**

###### **1. Rates and Revenues.**

DWSD will maintain Fiscal Year 2015 rate setting protocols for a minimum of five years, subject to certain changes necessary to stabilize water and sewer revenues. Rates will be determined by the Board of Water Commissioners or, if a DWSD Authority is formed and approved by the incorporating units' governing bodies, by the board of any such DWSD Authority. The City may seek to implement a rate stability program for City residents, which program may, among other things, (a) provide a source of funds to mitigate against rate increases, (b) enhance affordability and (c) provide a buffer against delinquent payments.

###### **2. DWSD CBAs.**

Collective bargaining agreements with respect to current DWSD employees that are in effect and not expired as of the Effective Date will be assumed by the City.

###### **3. Potential DWSD Authority Transaction.**

As a result of mediation or otherwise, it is possible that the City may enter into a DWSD Authority Transaction that includes the formation of the DWSD Authority to conduct many or all of the operations currently conducted by DWSD. Any such transaction would be subject to the approval of incorporating units and numerous other conditions. The timing of any such transaction, if it occurs at all, is not known. If any such transaction could occur, unless waived by the City in its sole discretion, the City will enter into such transaction only if Macomb County, Oakland County and Wayne County, and each of their municipal affiliates or related public corporations, withdraw with prejudice or shall have withdrawn with prejudice their objections to the Confirmation of the Plan. Any DWSD Authority Transaction shall be on terms that are consistent with all other provisions of the Plan, applicable law and orders of the Bankruptcy Court. The City shall not enter into any binding agreement with respect to or consummate any DWSD Authority Transaction prior to the Effective Date without first obtaining an order of the Bankruptcy Court approving and authorizing such DWSD Authority Transaction.

All terms and conditions in respect of any DWSD Authority Transaction set forth in (a) any DWSD Bond Document or (b) any transaction document in respect of such a DWSD Authority Transaction shall in any case include: (i) no material modifications to the source of payment and security for any DWSD Bonds or 2014 Revenue and Revenue Refinancing Bonds; (ii) an opinion of tax counsel that such transfer shall have no material adverse effect on the tax exempt status of the interest on the DWSD Bonds or 2014 Revenue and Revenue Refinancing Bonds; (iii) that the City could issue at least \$1 of additional new money DWSD Bonds in compliance with the additional bonds test set forth in the applicable DWSD Bond Documents; and (iv) ratings confirmation of any rating agency then rating the DWSD Bonds and 2014 Revenue and Revenue Refinancing Bonds. A DWSD Authority Transaction shall not affect, impair, modify or otherwise alter the rights of any party under the DWSD Tender Order, the DWSD Bond Documents, the DWSD Revolving Bond Documents, the 2014 DWSD Refinancing Obligations, the 2014 Revenue and Revenue Refinancing Bonds or the 2014 Revenue Refinancing Bonds or any Bond Insurance Policy related to or issued in connection with any of the foregoing.

**B. The New B Notes, New C Notes and New LTGO Bonds.**

On or before the Effective Date, the City shall (a) execute the New B Notes Documents, issue the New B Notes, substantially on the terms set forth on Exhibit I.A.246, and distribute the New B Notes as set forth in the Plan; (b) execute the New C Notes Documents, issue the New C Notes, substantially on the terms set forth on Exhibit I.A.248 (and in any case in form and substance reasonably acceptable to the City and Syncora), and distribute the New C Notes as set forth in the Plan; and (c) execute the New LTGO Bond Documents, issue the New LTGO Bonds, substantially on the terms set forth on Exhibit I.A.237, and distribute the New LTGO Bonds as set forth in the Plan.

**C. The UTGO Settlement.**

On the Effective Date, the City and the Settling UTGO Bond Insurers shall consummate the UTGO Settlement Agreement, a copy of which is attached hereto as Exhibit I.A.360. The treatment of Unlimited Tax General Obligation Bond Claims under the Plan is provided for pursuant to the UTGO Settlement Agreement, which involves the settlement of, among other things, the UTGO Litigation and is subject to Bankruptcy Court approval pursuant to Bankruptcy Rule 9019. The Plan shall be construed as a motion for approval of, and the Confirmation Order shall constitute an order approving, the UTGO Settlement Agreement pursuant to Bankruptcy Rule 9019.

Pursuant to the UTGO Settlement Agreement, among other things: (1) the Unlimited Tax General Obligation Bond Claims shall be deemed Allowed in the amount of \$388,000,000; (2) the City shall issue the Municipal Obligation to the MFA, which in turn will issue the Restructured UTGO Bonds; (3) Holders of Allowed Unlimited Tax General Obligation Bond Claims shall be entitled to receive their Pro Rata share of \$279,618,950 of the Restructured UTGO Bonds as set forth in Schedule 1a of the UTGO Settlement Agreement; (4) the Settling UTGO Bond Insurers and the Non-Settling UTGO Bond Insurer shall be entitled to receive \$7,941,840 of the Restructured UTGO Bonds as set forth in Schedule 1b to the UTGO Settlement Agreement; and (5) a designee or designees of the City shall have the right to receive the Assigned UTGO Bond Tax Proceeds, which Assigned UTGO Bond Tax Proceeds will be distributed over a 14-year period to the Income Stabilization Funds of GRS and PFRS for the payment of Income Stabilization Payments to Eligible Pensioners and to the Retirement Systems, in accordance with applicable agreements.

Each Settling UTGO Bond Insurer shall receive, as soon as reasonably practicable after the occurrence of a Trigger Event, its allocable share of the Top-Off Payments in accordance with the terms of the UTGO Settlement Agreement.

**D. The State Contribution Agreement.**

Prior to or on the Effective Date, if Classes 10 and 11 vote to accept the Plan, the City, GRS, PFRS and the State will enter into the State Contribution Agreement, substantially on the terms set forth on Exhibit I.A.332.

**1. State Contribution.**

The State or the State's authorized agent will contribute the net present value of \$350 million payable over 20 years using a discount rate of 6.75% to GRS and PFRS for the benefit of the Holders of Pension Claims.

**2. Income Stabilization Payments.**

The Income Stabilization Funds of GRS and PFRS will receive not less than an aggregate amount of \$20 million over 14 years of the Assigned UTGO Bond Tax Proceeds in the form of annual installment payments pursuant to a payment schedule approved by the State. Following the Effective Date, on an annual basis, GRS and PFRS will distribute such portion of the funds held in their respective Income Stabilization Fund to Eligible Pensioners entitled to receive the Income Stabilization Benefit and the Income Stabilization Benefit Plus. The

Income Stabilization Benefit, which will be calculated in the first year following the Effective Date and will not increase thereafter, will be provided by the applicable Retirement System to each Eligible Pensioner. In addition, to the extent that an Eligible Pensioner's estimated adjusted annual household income (as determined by the applicable Retirement System) in any calendar year after the first year of the income stabilization program is less than 105% of the Federal Poverty Level for such year, the applicable Retirement System will distribute the Income Stabilization Benefit Plus to such Eligible Pensioner.

In the event that, in 2022 (provided that the State has not issued a certificate of default under the State Contribution Agreement with respect to GRS or PFRS, as applicable, at any time prior to 2022), it is the opinion of at least 75% of the independent members of the Investment Committee of GRS or PFRS, as applicable, that the Income Stabilization Fund of the applicable Retirement System is credited with Excess Assets, the respective Investment Committee may recommend that the Excess Assets, in an amount not to exceed \$35 million, be used to fund the Adjusted Pension Amounts payable by the applicable Retirement System. In the event that any funds remain in the Income Stabilization Fund of each or either of GRS or PFRS on the date upon which no Eligible Pensioners under the applicable Retirement System are living, such funds shall be used to fund the Adjusted Pension Amounts payable by the applicable Retirement System.

### **3. Conditions to State's Participation.**

The payment of the State Contribution by the State or the State's authorized agent is conditioned upon satisfaction of the conditions precedent set forth in the State Contribution Agreement, including, among other things, the following: (a) the Confirmation Order becoming a Final Order no later than December 31, 2014, which Confirmation Order must contain certain provisions as set forth in the State Contribution Agreement, including a requirement that the governing documents of GRS and PFRS be amended to include (i) the governance terms and conditions set forth in the State Contribution Agreement and (ii) the Income Stabilization Funds and Income Stabilization Payments; (b) the occurrence of the Effective Date no later than April 1, 2015; (c) acceptance of the Plan by Classes 10 and 11, which Plan must be in form and substance reasonably acceptable to the State and contain certain release provisions; (d) the Retiree Committee's endorsement of the Plan, including a letter from the Retiree Committee recommending that Classes 10 and 11 vote in favor of the Plan, or equivalent assurances from member organizations representing a majority of retirees in Classes 10 and 11; (e) active support of the Plan by, a release of and covenant not to sue the State from, and an agreement not to support in any way the litigation described in subsection (f) of this Section by, the City, the Retiree Committee, the Retirement Systems and certain unions and retiree associations, or equivalent assurances of litigation finality; (f) cessation of all litigation, or equivalent assurances of finality of such litigation, including the cessation of funding of any litigation initiated by any other party, as it relates to the City, (i) challenging PA 436 or any actions taken pursuant to PA 436 or (ii) seeking to enforce Article IX, Section 24 of the Michigan Constitution; (g) evidence satisfactory to the State of an irrevocable commitment by the Foundations (excluding the Special Foundation Funders, as that term is defined in the DIA Settlement Documents) to fund \$366 million (or the net present value thereof) as part of the DIA Settlement, as provided in Section IV.E.1; and (h) evidence satisfactory to the State of an irrevocable commitment by DIA Corp. to fund \$100 million (or the net present value thereof) as part of the DIA Settlement, as provided in Section IV.E.1.

### **4. Release of Claims Against the State and State Related Entities.**

The State Contribution Agreement requires that the Plan provide for the release of the State and the State Related Entities by each holder of a Pension Claim from all Liabilities arising from or related to the City, the Chapter 9 Case, the Plan, all Exhibits, the Disclosure Statement, PA 436 and its predecessor or replacement statutes, and Article IX, Section 24 of the Michigan Constitution, as more particularly described in the State Contribution Agreement and as set forth at Section III.D.7.b.

## **E. The DIA Settlement.**

On the Effective Date, the City and the DIA Corp. will enter into the DIA Settlement, pursuant to which (1) the DIA Funding Parties that are such as of the Effective Date have committed to assist in the funding of the City's restructured legacy pension obligations and (2) the City has agreed to enter into certain transactions that will cause the DIA to remain in the City in perpetuity, as described in and subject to the terms and conditions of the DIA Settlement Documents, and to otherwise make the DIA Assets available for the benefit of the residents of the City and the Counties and the citizens of the State. The DIA Settlement Documents attached hereto as Exhibit I.A.127 will qualify the description of the DIA Settlement in the Plan, Disclosure Statement and Exhibit I.A.126. The Plan shall be construed as a motion for approval of, and the Confirmation Order shall constitute an order approving, the DIA Settlement pursuant to Bankruptcy Rule 9019.

### **1. Funding Contributions.**

The DIA Settlement will be funded as follows: (a) irrevocable commitments in an aggregate amount of at least \$366 million by the Foundations (excluding the Special Foundation Funders, as that term is defined in the DIA Settlement Documents); and (b) in addition to its continuing commitments outside of the DIA Settlement, irrevocable commitments in an aggregate amount of \$100 million from the DIA Direct Funders (including the commitment of the Special Foundation Funders, as that term is defined in the DIA Settlement Documents, and subject to certain adjustments as set forth in the DIA Settlement Documents), the payment of which \$100 million will be guaranteed by DIA Corp., subject to the terms of the DIA Settlement Documents. The foregoing commitments shall be funded over the course of the 20 year period immediately following the Effective Date (subject to the annual confirmation of the City's continuing compliance with the terms of the DIA Settlement) according to the "Agreed Required Minimum Schedule" and subject to the option at any time for the "Present Value Discount," as set forth in the DIA Settlement Documents. Amounts committed by the Foundations and the DIA Direct Funders will be paid to the CFSEM Supporting Organization, which will (a) transfer such amounts for the purpose of funding the Retirement Systems upon the City's satisfaction of certain conditions and (b) not be subject to claims of creditors of the Community Foundation for Southeast Michigan.

### **2. Transfer of DIA Assets.**

On the Effective Date, the City shall irrevocably transfer all of its right, title and interest in and to the DIA Assets to DIA Corp., as trustee, to be held in perpetual charitable trust, and within the City limits, for the primary benefit of the residents of the City and the Counties and the citizens of the State.

### **3. Conditions to the DIA Funding Parties' Participation.**

The DIA Funding Parties' participation in the DIA Settlement is conditioned upon, among other things, the following: (a) execution of the DIA Settlement Documents by each Foundation; (b) the irrevocable commitment from the DIA Corp. described in Section IV.E.1; (c) the acceptance of the Plan by Classes 10 and 11; (d) the irrevocable transfer by the City of the DIA Assets described in Section IV.E.2; (e) approval by the DIA's Board of Directors and the taking effect of the recommendation of the governance committee as described in Exhibit I.A.126; (f) the earmarking of all funds provided by the DIA Funding Parties towards the recoveries upon Pension Claims under the Plan for Holders of Claims in Classes 10 and 11; (g) the adoption of prospective governance and financial oversight mechanisms for the Retirement Systems that are reasonably satisfactory to the DIA Funding Parties; (h) the amendment by DIA Corp. and the art institute authority for each of Macomb County, Oakland County and Wayne County, Michigan of each art institute authority's respective service agreement so that the termination of the 1997 Operating Agreement between the City and DIA Corp. will not affect the art institute authorities' obligations under such agreements to pay millage proceeds to DIA Corp.; (i) the approval of the DIA Settlement by the Attorney General for the State; (j) the agreement of the State to provide the State Contribution; and (k) the City's agreement to indemnify and hold harmless the DIA Funding Parties and the CFSEM Supporting Organization and their Related Entities pursuant to, and in accordance with, the terms of the DIA Settlement Documents.

## **F. Contingent Payment Rights**

On or as soon as reasonably practicable after the Confirmation Date, the City shall establish the Restoration Trust. The City shall issue the DWSD CVR to the Restoration Trust. If a Qualifying DWSD Transaction has not occurred before the seventh anniversary of the Effective Date, the DWSD CVR shall terminate and expire. The Restoration Trust shall distribute proceeds from the DWSD CVR in the following amounts and priorities: (1) first, to GRS up to an amount sufficient for all three GRS waterfall classes identified on Exhibit II.B.3.r.ii.C to have their 4.5% pension reductions restored; (2) second, to GRS up to an amount sufficient for all three GRS waterfall classes identified on Exhibit II.B.3.r.ii.C to have 92% of their COLA benefits restored; and (3) third, 53% to GRS and 47% to PFRS. If the City makes any contributions to either GRS or PFRS out of its portion of the Net DWSD Transaction Proceeds, such contributions and earnings thereon shall not be taken into account for determining whether any pension restoration may be made. The DWSD CVR may not be transferred.

### **1. Special Restoration**

Any proceeds from the DWSD CVR distributed by the Restoration Trust on account of a Qualifying DWSD Transaction consummated on or before the Effective Date, or fully executed and enforceable before the Effective Date but consummated after the Effective Date, shall be utilized for the purpose of funding the Special Restoration; provided that the City shall act in good faith so as not to unreasonably delay the execution of a Qualifying DWSD Transaction solely to avoid Special Restoration. In such case, the City will perform a Value Determination and arrive at the Discounted Value. The City will engage in good faith discussion as to the reasonableness of the Value Determination with the Retiree Committee or Restoration Trust, as applicable. In the event that the Retiree Committee or the Restoration Trust, as applicable, does not accept the Value Determination, the Retiree Committee or the Restoration Trust, as applicable, may seek to have the Bankruptcy Court determine the dispute, and the City consents to such jurisdiction.

Special Restoration shall follow the priorities of restoration of benefits set forth in Exhibits II.B.3.q.ii.C and II.B.3.r.ii.C. In order for benefits to be restored pursuant to the Special Restoration, such benefits must be fully funded by 50% of the Discounted Value for the full actuarially-determined lives of all participants for whom benefits are restored. In the event that actual Net DWSD Transaction Proceeds from the DWSD CVR do not equal 50% of the contemplated Net DWSD Transaction Proceeds as of the date of the Value Determination, the Investment Committees of the Retirement Systems will reduce or eliminate the Special Restoration benefits, as applicable, by the amount that 50% of the Discounted Value exceeds the actual Net DWSD Transaction Proceeds from the DWSD CVR received or projected to be received using a 6.75% discount rate. In the event that the Retiree Committee, the Restoration Trust or the City, as applicable, does not agree with the reduction in the Special Restoration benefits, the Retiree Committee or the Restoration Trust, as applicable, or the City may consult with the trustees and Investment Committees of PFRS or GRS with respect to any such reduction. Neither the Retiree Committee nor the Restoration Trust shall have any right to initiate any enforcement proceeding with respect to Special Restoration.

### **2. General Restoration**

Any Net DWSD Transaction Proceeds from the DWSD CVR distributed by the Restoration Trust on account of a Qualifying DWSD Transaction consummated after the Effective Date, if such Qualifying Transaction was not fully executed and enforceable before the Effective Date, shall be utilized for the purpose of funding the pension trusts, and such cash contributions shall be included in any calculations allowing for the restoration of benefits in accordance with the general rules governing pension restoration as provided for in Exhibits II.B.3.q.ii.C and II.B.3.r.ii.C.

## **G. The OPEB Settlement.**

The City and the Retiree Committee have reached a settlement related to the allowance and calculation of the OPEB Claims in Class 12 and the treatment of such Allowed OPEB Claims, the terms of which settlement are reflected in the Plan. The Plan shall be construed as a motion for approval of, and the Confirmation Order shall constitute an order approving, such settlement pursuant to Bankruptcy Rule 9019.

In the event that the City intends to redeem the principal amount of New LTGO Notes during any time that the Insured LTGO Bonds are outstanding, the City and the LTGO Distribution Agent shall be required to take certain actions as described in the LTGO Settlement Agreement. The Plan shall be construed as a motion for approval of, and the Confirmation Order shall constitute an order approving, the LTGO Settlement Agreement pursuant to Bankruptcy Rule 9019.

#### **I. The Syncora Settlement**

Pursuant to the Syncora Settlement, and in accordance with the Plan, among other things: (1) the City shall, pursuant to Section II.D.1, assume the Tunnel Lease; (2) the parties shall enter into the Syncora Development Agreement; (3) the parties shall dismiss or withdraw the Dismissed Syncora Litigation as set forth in the Syncora Settlement Agreement; (4) any vote cast by Syncora to reject the Plan shall be deemed a vote to accept the Plan; (5) Syncora shall support Confirmation; and (6) on the Effective Date or as soon thereafter as practical, the City shall pay the sum of \$5 million in full satisfaction of all of Claims filed or asserted against the City by Syncora relating to the COP Swap Agreements and any agreements related thereto, including the COP Syncora Swap Insurance Policies and the COP Swap Collateral Agreement. The Plan shall be construed as a motion for approval of, and the Confirmation Order shall constitute an order approving and authorizing the parties to enter into, (1) the Syncora Settlement pursuant to Bankruptcy Rule 9019 and (2) the related Syncora Development Agreement (including the garage option) and the Tunnel Lease. The City shall not amend the Plan in any way that adversely affects Syncora without Syncora's prior written consent.

#### **J. The FGIC/COP Settlement**

The City and FGIC have reached a settlement effecting a global resolution of all matters and litigation between the parties related to the Chapter 9 Case, as set forth in the FGIC/COP Settlement Documents (the terms of which qualify and control over any description of the FGIC/COP Settlement contained herein). Pursuant to the FGIC/COP Settlement, and in accordance with the Plan, among other things: (1) the City and the Developer, for the benefit of FGIC and the FGIC COP Holders, shall enter into the FGIC Development Agreement; (2) FGIC shall, on behalf of the FGIC COP Holders, become a Settling COP Claimant with respect to all COPs and COP Claims associated with COPs originally insured by FGIC; (3) the parties shall dismiss or withdraw the Dismissed FGIC/COP Litigation as set forth in the FGIC/COP Settlement Documents; (4) except for Excluded Actions, FGIC shall waive any claims it may have against any other party related to the Dismissed FGIC/COP Litigation as set forth in the FGIC/COP Settlement Documents; (5) any vote cast by FGIC to reject the Plan shall be deemed a vote to accept the Plan; and (6) in full satisfaction and discharge of FGIC's claims against the City related to FGIC's Swap Insurance Policies, (a) FGIC shall receive an Allowed Class 14 Claim in the amount of \$6.15 million, entitling FGIC to receive the Distributions provided pursuant to Section II.B.3.u.i and (b) the DDA shall assign to FGIC all of its right, title and interest to the New B Notes to be distributed to the DDA pursuant to Section II.B.3.t.ii. The Plan shall be construed as a motion for approval of, and the Confirmation Order shall constitute an order approving and authorizing the parties to enter into, (1) the FGIC/COP Settlement pursuant to Bankruptcy Rule 9019 and (2) the related FGIC Development Agreement. The City shall not amend the Plan in any way that adversely affects FGIC without FGIC's prior written consent.

#### **K. Issuance of the New Securities.**

The City shall issue the New Securities on the Effective Date or a subsequent Distribution Date, as applicable. To the maximum extent provided by section 1145 of the Bankruptcy Code and applicable non-

bankruptcy law, the issuance of New Securities as contemplated by the Plan is exempt from, among other things, the registration requirements of Section 5 of the Securities Act and any other applicable U.S. state or local law requiring registration prior to the offering, issuance, distribution, or sale of securities. The New Securities (a) are not "restricted securities" as defined in Rule 144(a)(3) under the Securities Act, and (b) are freely tradable and transferable by any initial recipient thereof that (i) is not an "affiliate" of the City or applicable issuer as defined in Rule 144(a)(1) under the Securities Act, (ii) has not been such an "affiliate" within 90 days of such transfer, and (iii) is not an entity that is an "underwriter" as defined in subsection (b) of Section 1145 of the Bankruptcy Code.

**L. Cancellation of Existing Bonds, Bond Documents, COPs and COP Documents.**

Except (a) as provided in any contract, instrument or other agreement or document entered into or delivered in connection with the Plan, (b) for purposes of evidencing a right to Distribution under the Plan or (c) as specifically provided otherwise in the Plan (including any rejection of Executory Contracts pursuant to Section II.D), on the Effective Date, the Bonds, the Bond Documents, the COPs and the COP Documents will be deemed automatically cancelled, terminated and of no further force or effect against the City without any further act or action under any applicable agreement, law, regulation, order or rule, and the obligations of the parties to the City, as applicable, under the Bonds, the Bond Documents, the COPs and the COP Documents shall be discharged; provided, however, that the Bonds, the Bond Documents, the COPs and the COP Documents shall continue in effect solely (i) to allow the Disbursing Agent to make any Distributions as set forth in the Plan and to perform such other necessary administrative or other functions with respect thereto, (ii) for any trustee, agent, contract administrator or similar entity under the Bond Documents or COP Documents to have the benefit of all the rights and protections and other provisions of the Bond Documents or COP Documents, as applicable, and all other related agreements with respect to priority in payment and lien rights with respect to any Distribution, (iii) to set forth the terms and conditions applicable to parties to the Bond Documents and COP Documents other than the City, (iv) as may be necessary to preserve any claim by (1) a Bondholder or Bond Agent under a Bond Insurance Policy or against any Bond Insurer, (2) a COPs Holder or COP Agent under a COP Insurance Policy or against any COP Insurer or (3) a COP Swap Counterparty under a Swap Insurance Policy or against any insurer thereunder and (v) with respect to any obligation of any party (other than the City, except to the extent provided in the COP Swap Settlement or the COP Swap Settlement Approval Order) under any COP Document related to such party's obligations owed in respect of the COP Swap Documents or the COP Swap Claims. Notwithstanding the foregoing, and except as otherwise expressly provided in the Plan (or the COP Swap Settlement or the COP Swap Settlement Approval Order), such Bonds, Bond Documents, COPs or COP Documents as remain outstanding shall not form the basis for the assertion of any Claim against the City. Nothing in the Plan impairs, modifies, affects or otherwise alters the rights of (a) Bondholders or Bond Agents with respect to claims under applicable Bond Insurance Policies or against the Bond Insurers, (b) COPs Holders or COP Agent with respect to claims under COP Insurance Policies and obligations related thereto or (c) COP Swap Counterparties with respect to claims under Swap Insurance Policies and obligations related thereto. For the avoidance of doubt, except for the immediately preceding sentence, this Section IV.L shall not apply to any Bonds that are Reinstated pursuant to Section II.B.3.a.ii. As of the Effective Date, the principal amounts of the COPs originally insured by FGIC shall be deemed accelerated and due and payable, and no interest on the COPs originally insured by FGIC shall accrue thereafter, solely for the purposes of determining distributions from the COP Trustee to holders of COPs originally insured by FGIC. The foregoing acceleration of principal and cessation of interest shall affect only the rights of each holder of COPs originally insured by FGIC to the receipt of proceeds of distributions under the Plan and not the rights of each such COPs holder against FGIC or shall not in any way modify payments currently required of FGIC under its existing insurance policies or FGIC's Plan of Rehabilitation.

**M. Release of Liens.**

Except as otherwise provided in the Plan or in any contract, instrument, release or other agreement or document entered into or delivered in connection with the Plan, or where a Claim is Reinstated, on the Effective Date, all Liens against the City's property will be deemed fully released and discharged, and all of the right, title and interest of any holder of such Liens, including any rights to any collateral thereunder, will revert to the City. As of the Effective Date, (1) the holders of such Liens will be authorized and directed to release any collateral or other property of the City (including any cash collateral) held by such Holder and to take such actions as may be requested by the City to evidence the release of such Lien, including the execution, delivery, filing or recording of such releases as may be requested by the City, and (2) the City shall be authorized to execute and file on behalf of

creditors Form UCC-3 termination statements or such other forms as may be necessary or appropriate to implement the provisions of this Section IV.M.

**N. Professional Fees**

**1. Professional Fee Reserve**

On the Effective Date, the City shall establish and fund the Professional Fee Reserve from the General Fund or, where applicable, the DWSD's funds, in an amount determined by the City to be sufficient to pay the Fee Review Professional Fees that remain unpaid as of the Effective Date, solely to the extent that such amounts are payable from the General Fund or the DWSD's funds. The initial amount of the Professional Fee Reserve shall be equal to the sum of (a) all invoices received from Fee Review Professionals and the Fee Examiner Parties as of the establishment and funding of the Professional Fee Reserve to the extent not yet paid (including holdbacks); (b) an estimate of the Fee Review Professionals' unbilled fees through the Effective Date as determined by the City in consultation with the Fee Review Professionals, which estimate shall be no lower than 125% of the aggregate amount of the highest monthly invoices respectively submitted by each Fee Review Professional pursuant to the Fee Review Order prior to the establishment and funding of the Professional Fee Reserve; and (c) an estimate of the Fee Examiner Parties' unbilled fees and expenses through the projected date of dismissal of the Fee Examiner under Section IV.N.3, as determined by the City in consultation with the Fee Examiner. The funds held in the Professional Fee Reserve may not be used for any purpose other than the payment of Fee Review Professional Fees until any and all disputes regarding the Fee Review Professional Fees, including any disputes arising under the Fee Review Order, have been fully and finally resolved pursuant to a Final Order or a stipulation between the disputing parties. Any amounts remaining in the Professional Fee Reserve after final resolution of all such disputes and the payment of all Fee Review Professional Fees determined to be reasonable in accordance with the Fee Review Order shall be released to the General Fund or the DWSD's funds, as applicable. If the Professional Fee Reserve is insufficient to pay all Fee Review Professional Fees that are determined to be reasonable in accordance with the Fee Review Order and that are payable from the General Fund or the DWSD's funds, the City shall pay such additional amounts from the General Fund or the DWSD's funds, as applicable.

**2. Fee Review Order**

The Fee Examiner shall review all fees and expenses of the Fee Review Professionals for the period from the Petition Date and ending on the Effective Date in accordance with the terms of the Fee Review Order. For the avoidance of doubt, the Fee Review Order shall not apply to any fees or expenses of the Fee Review Professionals for the period on and after the Effective Date, and the Fee Examiner shall not review any such fees or expenses; provided, however, that all fees and expenses of the Fee Examiner Parties, whether incurred before, on or after the Effective Date, shall remain subject to review and approval of the Bankruptcy Court pursuant to the terms of the Fee Review Order.

**3. Dismissal of the Fee Examiner**

Once the Fee Examiner completes his review of all Fee Review Professional Fees and submits or Files all reports related thereto as required by the Fee Review Order, the Fee Examiner shall be dismissed of all duties and obligations under the Fee Examiner Order and the Fee Review Order, other than any obligations of confidentiality thereunder. The confidentiality obligations of the Fee Examiner and the other Fee Examiner Parties, including the confidentiality obligations set forth in paragraph 22 of the Fee Review Order, shall remain binding from and after the Effective Date.

**4. Potential Review of Fees Not Subject to Fee Review Order**

The City shall have the right to bring before the Bankruptcy Court a request to review and determine the reasonableness of the fees and expenses of any Fee Review Professional retained by a creditor of the City or any of its departments to the extent that such fees and expenses have not been either (a) approved pursuant to or in accordance with the DWSD Tender Order, (b) subject to court review or (c) subject to a Bankruptcy Court-approved or agreed upon process for binding arbitration.

## **5. Court-Appointed Expert**

The Court-appointed expert, Martha E. M. Kopacz of Phoenix Management Services, and her counsel shall be compensated for any reasonable fees and expenses incurred through the Confirmation Date in accordance with the terms of the Court's Order Appointing Expert Witness (Docket No. 4215), entered on April 22, 2014, as amended.

### **O. Assumption of Indemnification Obligations.**

Notwithstanding anything otherwise to the contrary in the Plan, nothing in the Plan shall discharge or impair the obligations of the City as provided in the City Charter of the City or other organizational documents, resolutions, employment contracts, applicable law or other applicable agreements as of the Petition Date to indemnify, defend, reimburse, exculpate, advance fees and expenses to, or limit the liability of officers and employees of the City (consistent with the injunction provisions of Section III.D.5 and including the members of the City Council, the Mayor and the Emergency Manager) and their Related Entities, in each case to the extent such Entities were acting in such capacity, against any claims or causes of action whether direct or derivative, liquidated or unliquidated, foreseen or unforeseen, asserted or unasserted; provided that this Section IV.O shall be read in conjunction with the provisions for Indirect Employee Indemnity Claims set forth in Section III.D.5. Notwithstanding the foregoing, Retirement System Indemnity Obligations shall not be assumed under the Plan and shall be discharged. For the avoidance of doubt, no indemnification provision in any loan document, bond document, Bond Insurance Policy or other agreement with a Bond Insurer is exempted from discharge by reason of this Section IV.O.

### **P. Incorporation of Retiree Health Care Settlement Agreement.**

The terms of the Retiree Health Care Settlement Agreement resolving the Retiree Health Care Litigation, which agreement is attached hereto as Exhibit I.A.298, are incorporated herein by reference and shall be binding upon the parties thereto.

### **Q. Payment of Workers' Compensation Claims.**

From and after the Effective Date, (a) the City will continue to administer (either directly or through a third party administrator) and pay all valid claims for benefits and liabilities for which the City is responsible under applicable State workers' compensation law, regardless of when the applicable injuries were incurred, in accordance with the City's prepetition practices and procedures and governing State workers' compensation law, and (b) nothing in the Plan shall discharge, release or relieve the City from any current or future liability under applicable State workers' compensation law. The City expressly reserves the right to challenge the validity of any claim for benefits or liabilities arising under applicable State workers' compensation law.

### **R. 36th District Court Settlement.**

The City and the Settling 36th District Court Claimants have reached a settlement related to (1) the allowance of certain of the Settling 36th District Court Claimants' Claims and (2) the treatment of Allowed Indirect 36th District Court Claims under the Plan substantially on the terms attached hereto as Exhibit I.A.9. The 36th District Court Settlement is incorporated into the Plan, which shall be construed as a motion for approval of, and the Confirmation Order shall constitute an order approving, such settlement pursuant to Bankruptcy Rule 9019.

### **S. Payment of Certain Claims Relating to the Operation of City Motor Vehicles.**

From and after the Effective Date, the City will continue to administer (either directly or through a third party administrator) and pay valid prepetition Claims for liabilities with respect to which the City is required to maintain insurance coverage pursuant to MCL § 500.3101 in connection with the operation of the City's motor vehicles, as follows: (1) Claims for personal protection benefits as provided by MCL § 500.3107 and MCL § 500.3108, for which insurance coverage is required by MCL § 500.3101(1), shall be paid in full, to the extent valid, provided, however, that the City will not be liable for or pay interest or attorneys' fees under MCL § 500.3142

or MCL § 500.3148 on prepetition Claims for personal protection benefits; (2) tort claims permitted by MCL § 500.3135, for which residual liability insurance coverage is required by MCL § 500.3101(1) and MCL § 500.3131, shall be paid, to the extent valid, only up to the minimum coverages specified by MCL § 500.3009(1), i.e., up to a maximum of (a) \$20,000 because of bodily injury to or death of one person in any one accident, and subject to that limit for one person, (b) \$40,000 because of bodily injury to or death of two or more persons in any one accident and (c) \$10,000 because of injury to or destruction of property of others in any accident; and (3) Claims for property protection benefits under MCL § 500.3121 and MCL § 500.3123 shall be paid, to the extent valid, only up to the maximum benefits specified in MCL § 500.3121; provided, however, for the avoidance of doubt, to the extent any valid Claim subject to subsections 2 and 3 above exceeds the applicable payment limits, the excess claim amount shall be treated as an Other Unsecured Claim or a Convenience Claim (as applicable). Nothing in the Plan shall discharge, release or relieve the City from any current or future liability with respect to Claims subject to insurance coverage pursuant to MCL § 500.3101 or Claims within the minimum coverage limits in MCL § 500.3009(1). The City expressly reserves the right to challenge the validity of any Claim subject to this Section IV.S, and nothing herein shall be deemed to expand the City's obligations or claimants' rights with respect to these Claims under State law.

**T. Payment of Tax Refund Claims.**

From and after the Effective Date, the City will continue to administer (either directly or through a third party administrator) and pay all valid claims for income tax refunds and property tax refunds for which the City is responsible under applicable law, regardless of when the applicable right to a refund arose, in accordance with the City's prepetition practices and procedures. The City expressly reserves the right to challenge the validity of any claim for an income tax refund or property tax refund.

**U. Utility Deposits.**

From and after the Effective Date, the City will continue to administer utility deposits in accordance with the City's prepetition practices and procedures, including the payment of any undisputed, non-contingent, liquidated claims against the City for the refund of a utility deposit.

**V. Pass-Through Obligations.**

The City shall continue to honor its Pass-Through Obligations to the Pass-Through Recipients.

**W. Exit Facility.**

On the Effective Date, the City shall enter into the Exit Facility, as well as any ancillary notes, documents or agreements in connection therewith, including, without limitation, any documents required in connection with the creation or perfection of the liens securing the Exit Facility.

**X. Post-Effective Date Governance.**

Prior to or on the Effective Date, the Financial Review Commission shall be established pursuant to and in accordance with the Financial Review Commission Act. The Financial Review Commission shall provide oversight as set forth in the Financial Review Commission Act, including to ensure that, post-Effective Date, the City adheres to the Plan and continues to implement financial and operational reforms that promote more efficient and effective delivery of services to City residents. The City shall promptly provide to the Bankruptcy Court copies of any reports given to, or received from, the Financial Review Commission. Nothing herein shall expand, limit or otherwise modify the role or powers of the Financial Review Commission.

**ARTICLE V**  
**PROVISIONS REGARDING DISTRIBUTIONS UNDER THE PLAN**

**A. Appointment of Disbursing Agent.**

The City may act as Disbursing Agent or may employ or contract with other Entities to act as the Disbursing Agent or to assist in or make the Distributions required by the Plan. Any Disbursing Agent appointed by the City will serve without bond. Other than as specifically set forth in the Plan, the Disbursing Agent shall make all Distributions required to be made under the Plan.

**B. Distributions on Account of Allowed Claims.**

Except as otherwise provided in the Plan, on the Effective Date or as soon as practicable thereafter (or if a Claim is not an Allowed Claim on the Effective Date, on the date that such a Claim becomes an Allowed Claim, or as soon as reasonably practicable thereafter), each Holder of an Allowed Claim shall receive from the Disbursing Agent, the Bond Agent or the COP Agent, as applicable, the Distributions that the Plan provides for Allowed Claims in the applicable Class. In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date. If and to the extent that there are Disputed Claims, Distributions on account of any such Disputed Claims shall be made pursuant to the provisions set forth in Section VI.B. Except as otherwise provided in the Plan, Holders of Claims shall not be entitled to interest, dividends or accruals on the Distributions provided for in the Plan, regardless of whether such Distributions are delivered on or at any time after the Effective Date. Notwithstanding anything to the contrary in the Plan, no Holder of an Allowed Claim shall, on account of such Allowed Claim, receive a Distribution in excess of the Allowed amount of such Claim.

**C. Certain Claims to Be Expunged.**

Any Claim that has been or is hereafter listed in the List of Creditors as contingent, unliquidated or disputed, and for which no proof of Claim is or has been timely Filed, is not considered to be an Allowed Claim and shall be expunged without further action by the City and without further notice to any party or any action, approval or order of the Bankruptcy Court.

**D. Record Date for Distributions; Exception for Bond Claims.**

With the exception of Bond Claims, neither the City nor any Disbursing Agent will have any obligation to recognize the transfer of, or the sale of any participation in, any Claim that occurs after the close of business on the Distribution Record Date, and will be entitled for all purposes herein to recognize and distribute only to those Holders of Allowed Claims (including Holders of Claims that become Allowed after the Distribution Record Date) that are Holders of such Claims, or participants therein, as of the close of business on the Distribution Record Date. With the exception of the Bond Claims, the City and any Disbursing Agent shall instead be entitled to recognize and deal for all purposes under the Plan with only those record Holders stated on the official Claims Register as of the close of business on the Distribution Record Date. Unless otherwise set forth in the Confirmation Order, the City shall not establish a record date for Distributions to Holders of Bond Claims.

**E. Means of Cash Payments.**

Except as otherwise specified herein, all Cash payments made pursuant to the Plan shall be in U.S. currency and made by check drawn on a domestic bank selected by the Disbursing Agent or, at the option of the Disbursing Agent, by wire transfer, electronic funds transfer or ACH from a domestic bank selected by the Disbursing Agent; provided, however, that Cash payments to foreign Holders of Allowed Claims may be made, at the option of the Disbursing Agent, in such funds and by such means as are necessary or customary in a particular foreign jurisdiction.

**F. Selection of Distribution Dates for Allowed Claims.**

Except where the Plan requires the making of a Distribution on account of a particular Allowed Claim within a particular time, the Disbursing Agent shall have the authority to select Distribution Dates that, in the judgment of the Disbursing Agent, provide Holders of Allowed Claims with payments as quickly as reasonably practicable while limiting the costs incurred in the distribution process. Upon the selection of a Distribution Date by the Disbursing Agent, the Disbursing Agent shall File a notice of such Distribution Date that provides information regarding the Distribution to be made.

**G. Limitations on Amounts to Be Distributed to Holders of Allowed Claims Otherwise Insured.**

No Distributions under the Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the City's insurance policies until the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy; provided that, if the City believes a Holder of an Allowed Claim has recourse to an insurance policy and intends to direct the Disbursing Agent to withhold a Distribution pursuant to this Section V.G, the City shall provide written notice to such Holder regarding what the City believes to be the nature and scope of applicable insurance coverage. To the extent that one or more of the City's insurance carriers agrees to satisfy a Claim in full, then immediately upon such agreement such Claim may be expunged without a Claims objection having to be Filed and without any further notice or any action, order or approval of the Bankruptcy Court. Nothing in the Plan, including this Section V.G, shall constitute a waiver of any claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action or liabilities that any Entity may hold against any other Entity, including the City's insurance carriers and Bond Insurers, other than the City. For the avoidance of doubt, this Section shall not apply to Bond Insurance Policies or Swap Insurance Policies.

**H. City's Rights of Setoff Preserved.**

Notwithstanding anything to the contrary in the Plan, pursuant to section 553 of the Bankruptcy Code or otherwise applicable non-bankruptcy law, the City may set off against any Allowed Claim and the Distributions to be made pursuant to the Plan on account of such Allowed Claim the claims, rights and Causes of Action of any nature that the City may assert against the Holder of such Claim; provided, however, that neither the failure to effect a setoff nor the allowance of any Claim pursuant to the terms of the Plan shall constitute a waiver or release by the City of any claims, rights and Causes of Action that the City may assert against such Holder, all of which are expressly preserved.

**I. Delivery of Distributions and Undeliverable or Unclaimed Distributions.**

**1. Delivery of Distributions Generally.**

Except as set forth in Section V.I.2, Distributions to Holders of Allowed Claims shall be made at the addresses set forth in the City's records unless such addresses are superseded by proofs of Claim or transfers of Claim Filed pursuant to Bankruptcy Rule 3001.

**2. Delivery of Distributions on Account of Bond Claims.**

Distributions on account of the Bond Claims shall (a) be made by the Disbursing Agent to the Bond Agent under the applicable Bond Documents for the benefit of Holders of Bond Claims and (b) be deemed completed when made by the Disbursing Agent to the Bond Agent as if such Distributions were made directly to the Holders of such Claims. The applicable Bond Agent, in turn, shall make such distributions to the applicable Holders pursuant to the terms and conditions of the applicable Bond Documents and subject to the respective rights, claims and interests, if any, that the Bond Agent may have under the applicable Bond Documents or otherwise to the recovery or reimbursement of their fees, costs and expenses (including the fees, costs and expenses of counsel and financial advisors) from any distribution hereunder, whether such rights, claims or interests are in the nature of a charging lien or otherwise. The Bond Agent shall not be required to give any bond, surety or other security for the performance of its duties with respect to such Distributions.

**3. De Minimis Distributions / No Fractional New Securities.**

No distribution shall be made by the Disbursing Agent on account of an Allowed Claim if the amount to be distributed to the specific Holder of an Allowed Claim on the applicable Distribution Date has an economic value of less than \$25.00. No fractional New Securities shall be distributed. Where a fractional portion of a New Security otherwise would be called for under the Plan, the actual issuance shall reflect a rounding down to the nearest whole New Security.

**4. Undeliverable or Unclaimed Distributions.**

In the event that any Distribution to any Holder is returned as undeliverable, no Distribution to such Holder shall be made unless and until the Disbursing Agent has determined the then-current address of such Holder, at which time such Distribution shall be made to such Holder without interest.

**Any Holder of an Allowed Claim that does not claim an undeliverable or unclaimed Distribution within six months after the Effective Date shall be deemed to have forfeited its claim to such Distribution and shall be forever barred and enjoined from asserting any such claim against the City or its property.** In such cases, any Cash held by the City on account of such undeliverable or unclaimed Distributions shall become the property of the City free of any restrictions thereon and notwithstanding any federal or state escheat laws to the contrary. Any New Securities held for distribution on account of such Claims shall be canceled and of no further force or effect. Nothing contained in the Plan shall require any Disbursing Agent to attempt to locate any Holder of an Allowed Claim.

**5. Time Bar to Cash Payment Rights.**

Checks issued in respect of Allowed Claims shall be null and void if not negotiated within 90 days after the date of issuance thereof. Requests for reissuance of any check shall be made to the Disbursing Agent by the Holder of the Allowed Claim to whom such check originally was issued within 180 days after the date of the original check issuance. After such date, the Claim of any Holder to the amount represented by such voided check shall be released and forever barred from assertion against the City and its property.

**J. Other Provisions Applicable to Distributions in All Classes.**

**1. No Postpetition Interest.**

Except as otherwise specifically provided for in the Plan, or required by applicable bankruptcy law, the City shall have no obligation to pay any amount that constitutes or is attributable to interest on an Allowed Claim accrued after the Petition Date and no Holder of a Claim shall be entitled to be paid any amount that constitutes or is attributable to interest accruing on or after the Petition Date on any Claim without regard to the characterization of such amounts in any document or agreement or to whether such amount has accrued for federal income tax purposes. Any such amount that constitutes or is attributable to interest that has been accrued and has not been paid by the City shall be cancelled as of the Effective Date for federal income tax purposes.

**2. Compliance with Tax Requirements.**

In connection with the Plan and all instruments issued in connection therewith and distributed thereon, the City and any Disbursing Agent shall comply with all Tax withholding and reporting requirements imposed on it by any governmental unit, and all Distributions under the Plan shall be subject to such withholding and reporting requirements. All such amounts withheld and paid to the appropriate governmental unit shall be treated as if made directly to the Holder of an Allowed Claim. The City and the Disbursing Agent shall be authorized to take any actions that they determine, in their reasonable discretion, to be necessary or appropriate to comply with such withholding and reporting requirements, including withholding Distributions pending receipt of information necessary to facilitate such Distributions, or establishing any other mechanisms they believe are reasonable and appropriate.

Notwithstanding any other provision of the Plan, each Entity receiving or deemed to receive a Distribution pursuant to the Plan shall have sole and exclusive responsibility for the satisfaction and payment of any Tax imposed on such Entity on account of such Distribution, including income, withholding and other Tax obligations. The City has the right, but not the obligation, to refuse, or to direct a Disbursing Agent to refuse, to make a Distribution until a Holder of an Allowed Claim has made arrangements satisfactory to the City and any Disbursing Agent for payment of any such Tax obligations. The City may require, as a condition to making a Distribution, that the Holder of an Allowed Claim provide the City or any Disbursing Agent with a completed Form W-8, W-9 or other Tax information, certifications and supporting documentation, as applicable.

If the City makes such a request and the Holder of an Allowed Claim fails to comply before the date that is 180 days after the initial request is made, the amount of such Distribution shall irrevocably revert to the City and any Claim in respect of such Distribution shall be released and forever barred from assertion against the City and its property.

### **3. Allocation of Distributions.**

All Distributions to Holders of Allowed Claims that have components of principal and interest shall be deemed to apply first to the principal amount of such Claim until such principal amount is paid in full, and then the remaining portion of such Distributions, if any, shall be deemed to apply to any applicable accrued interest included in such Claim to the extent interest is payable under the Plan.

### **4. Surrender of Instruments.**

As a condition to participation under this Plan, the Holder of a note, debenture or other evidence of indebtedness of the City that desires to receive the property to be distributed on account of an Allowed Claim based on such note, debenture or other evidence of indebtedness shall surrender such note, debenture or other evidence of indebtedness to the City or its designee (unless such Holder's Claim will not be Impaired by the Plan, in which case such surrender shall not be required), and shall execute and deliver such other documents as are necessary to effectuate the Plan; provided, however, that, if a claimant is a Holder of a note, debenture or other evidence of indebtedness for which no physical certificate was issued to the Holder but which instead is held in book-entry form pursuant to a global security held by the Depository Trust Company or other securities depository or custodian thereof, there shall be no requirement of surrender. In the City's sole discretion, if no surrender of a note, debenture or other evidence of indebtedness occurs and the Holder of Claim does not provide an affidavit and indemnification agreement, in form and substance reasonably satisfactory to the City, that such note, debenture or other evidence of indebtedness was lost, then no distribution may be made to such Holder in respect of the Claim based on such note, debenture or other evidence of indebtedness. For the avoidance of doubt, (a) no Bond, note, debenture or other evidence of indebtedness of the City shall be surrendered or deemed surrendered that is subject to any Bond Insurance Policy and (b) no COP shall be surrendered or deemed surrendered hereby to the extent necessary to make or preserve a claim under any applicable policies or other instruments insuring the COPs and obligations related thereto or against any party, other than the City, that insures the COPs. Notwithstanding the foregoing, such Bonds or Bond Documents as remain outstanding shall not form the basis for the assertion of any Claim against the City.

## **ARTICLE VI PROCEDURES FOR RESOLVING DISPUTED CLAIMS**

### **A. Treatment of Disputed Claims.**

#### **1. General.**

No Claim shall become an Allowed Claim unless and until such Claim is deemed Allowed under the Plan or the Bankruptcy Code, or the Bankruptcy Court has entered a Final Order (including the Confirmation Order) allowing such Claim. Notwithstanding any other provision of the Plan, no payments or Distributions shall be made on account of a Disputed Claim until such Claim becomes an Allowed Claim. Without limiting the foregoing in any way, no partial payments and no partial Distributions will be made with respect to a disputed, contingent or

unliquidated Claim, or with respect to any Claim for which a proof of Claim has been Filed but not Allowed, until the resolution of such disputes or estimation or liquidation of such Claim by settlement or by Final Order.

## **2. ADR Procedures.**

At the City's option, any Disputed Claim designated or eligible to be designated for resolution through the ADR Procedures may be submitted to the ADR Procedures in accordance with the terms thereof and the ADR Procedures Order. For the avoidance of doubt, the designation of a Disputed Claim for resolution through the ADR Procedures, either prior to or after the Effective Date, will not modify, and will not be deemed to have modified, the terms of the ADR Injunction imposed pursuant to the ADR Procedures Order. Disputed Claims not resolved through the ADR Procedures will be resolved pursuant to the Plan.

## **3. Tort Claims.**

At the City's option, any unliquidated Tort Claim (as to which a proof of Claim was timely Filed in the Chapter 9 Case) not resolved through the ADR Procedures or pursuant to a Final Order of the Bankruptcy Court will be determined and liquidated in the administrative or judicial tribunal(s) in which it is pending on the Effective Date (subject to the City's right to seek removal or transfer of venue) or, if no action was pending on the Effective Date, in an administrative or judicial tribunal of appropriate jurisdiction that (a) has personal jurisdiction over the parties, (b) has subject matter jurisdiction over the Tort Claim and (c) is a proper venue. The City may exercise the above option by service upon the holder of the applicable Tort Claim of a notice informing such holder that the City has exercised such option (which notice shall be deemed to satisfy the notice requirements of Section I.B of the ADR Procedures). Upon the City's service of such notice, the automatic stay imposed pursuant to sections 362 and 922 of the Bankruptcy Code (along with any extension of such stay pursuant to the terms of the Stay Extension Order) or, after the Effective Date, the injunction set forth at Section III.D.5, will be deemed modified, without the necessity for further Bankruptcy Court approval or any further action by the City, solely to the extent necessary to allow the parties to determine or liquidate the Tort Claim in the applicable administrative or judicial tribunal(s); provided that nothing contained in this Section will modify, or will be deemed to have modified, the terms of the Stay Extension Order with respect to any Tort Claim prior to the City having served notice of its intent to determine and liquidate such Tort Claim pursuant to this Section. If the City does not serve such a notice upon a holder of a Tort Claim by the Claims Objection Bar Date, such holder may file a motion with the Bankruptcy Court no later than 30 days after the Claims Objection Bar Date seeking relief from the discharge injunction imposed pursuant to Section III.D.5 in order to liquidate and determine its Claim, which right and the deadline for exercising such right shall be set forth in the notice of entry of the Confirmation Order.

Any Tort Claim determined and liquidated pursuant to a judgment obtained in accordance with this Section VI.A.3 and applicable non-bankruptcy law that is no longer appealable or subject to review will be deemed an Allowed Claim, provided that only the amount of such Allowed Tort Claim that is not satisfied from proceeds of insurance payable to the holder of such Allowed Tort Claim will be treated as an Allowed Claim for the purposes of distributions under the Plan and subject to the terms of the Plan. Distributions on account of any such Allowed Tort Claim shall be made in accordance with the Plan. Nothing contained in this Section will constitute or be deemed a waiver of any claim, right or Cause of Action that the City may have against any Entity in connection with or arising out of any Tort Claim, including any rights under section 157(b)(5) of title 28 of the United States Code. All claims, demands, rights, defenses and Causes of Action that the City may have against any Entity in connection with or arising out of any Tort Claim are expressly retained and preserved.

## **B. Disputed Claims Reserve.**

On and after the Effective Date, until such time as all Disputed Claims have been compromised and settled or determined by Final Order and before making any Distributions, consistent with and subject to section 1123(a)(4) of the Bankruptcy Code, the City shall establish and maintain a reserve of property equal to (1) the Distributions to which Holders of Disputed Claims would be entitled under the Plan if such Disputed Claims were Allowed Claims in the Face Amount of such Disputed Claims or (2) such lesser amount as required by an order of the Bankruptcy Court. On the first Distribution Date that is at least 30 days (or such fewer days as may be agreed to by the City in its sole discretion) after the date on which a Disputed Claim becomes an Allowed Claim, the Disbursing Agent shall remit to the Holder of such Allowed Claim any Distributions such Holder would have been

entitled to under the Plan on account of such Allowed Claim had such Claim been Allowed as of the Effective Date. If a Disputed Claim is disallowed by Final Order, the property reserved on account shall become available for Distribution to the Holders of Allowed Claims within the Class(es) entitled to receive such property. Each Holder of a Disputed Claim that ultimately becomes an Allowed Claim will have recourse only to the assets held in the disputed claims reserve and not to any other assets held by the City, its property or any property previously distributed on account of any Allowed Claim.

**C. Objections to Claims.**

**1. Authority to Prosecute, Settle and Compromise.**

The City's rights to object to, oppose and defend against all Claims on any basis are fully preserved. As of the Effective Date, only the City shall have the authority to File, settle, compromise, withdraw or litigate to judgment objections to Claims, including pursuant to the ADR Procedures or any similar procedures approved by the Bankruptcy Court. Any objections to Claims shall be Filed no later than the Claims Objection Bar Date. On and after the Effective Date, the City may settle or compromise any Disputed Claim or any objection or controversy relating to any Claim without any further notice or any action, order or approval of the Bankruptcy Court.

**2. Expungement or Adjustment of Claims Without Objection.**

Any Claim that has been paid, satisfied or superseded shall be expunged from the Claims Register by the Claims and Balloting Agent at the request of the City, and any Claim that has been amended by the Holder of such Claim shall be adjusted on the Claims Register by the Claims and Balloting Agent at the request of the City, without the Filing of an objection and without any further notice or any action, order or approval of the Bankruptcy Court.

**3. Extension of Claims Objection Bar Date.**

Upon motion by the City to the Bankruptcy Court, the City may request, and the Bankruptcy Court may grant, an extension to the Claims Objection Bar Date generally or with respect to specific Claims. Any extension granted by the Bankruptcy Court shall not be considered to be a modification to the Plan under section 1127 of the Bankruptcy Code.

**4. Authority to Amend List of Creditors.**

The City will have the authority to amend the List of Creditors with respect to any Claim and to make Distributions based on such amended List of Creditors without approval of the Bankruptcy Court. If any such amendment to the List of Creditors reduces the amount of a Claim or changes the nature or priority of a Claim, the City will provide the Holder of such Claim with notice of such amendment and such Holder will have 20 days to File an objection to such amendment with the Bankruptcy Court. If no such objection is Filed, the Disbursing Agent may proceed with Distributions based on such amended List of Creditors without approval of the Bankruptcy Court.

Section 8.5 Fees and Expenses. Board members shall each be paid a stipend. For the 2015 and 2016 calendar year, this stipend shall be in the amount of \$12,000 per year (payable ratably on a monthly basis). Beginning with the 2017 calendar year and for each year thereafter, this stipend shall be in the amount of \$6,000 per year (payable ratably on a monthly basis); provided, however, that the Board, by a vote of not less than six (6) out of seven (7) Board members, shall have the power to provide for a different amount for the stipend; and provided, further, that in no event shall such annual stipend exceed \$12,000. Each Board member may be reimbursed for reasonable expenses properly and actually incurred in the performance of his or her duties. Compensation payable to the Board members and all reimbursed expenses shall be payable out of the Trust.

Section 8.6 Operation of the Board; Quorum. The Board shall select from among its members a chair and a vice chair. The Board shall hold regular meetings, and shall designate the time and place thereof in advance. The Board shall adopt its own rules of procedure and shall keep a record of proceedings. Each Board member shall be entitled to one vote on each question before the Board. Five (5) members shall constitute a quorum at any meeting. Except as provided in Section 8.5 and Article X, a majority vote of the seven (7) members of the Board, at a meeting in which a quorum exists, shall be necessary for a decision by the Board. Notwithstanding the foregoing, the voting members of the Board may act by unanimous written consent in lieu of a meeting.

## ARTICLE IX POWERS AND DUTIES OF THE BOARD OF TRUSTEES

Section 9.1 General. The Board shall be responsible for designing, adopting, maintaining and administering the Plan, as well as administering the Trust and managing the Trust assets as provided herein. Subject to the provisions of this Trust Agreement, the Plan documents and applicable laws, the Board shall have sole, absolute and discretionary authority to adopt such rules and regulations and take all actions that it deems desirable for the administration of the Plan and Trust, and to interpret the terms of the Plan and Trust. The decisions of the Board will be final and binding on all Participants and all other parties to the maximum extent allowed by law. In performing its duties hereunder, the members of the Board shall comply with the terms of the Trust, and shall discharge their duties for the exclusive purposes of providing benefits to participants and beneficiaries of the Plan and Trust and defraying reasonable expenses of the Plan and Trust, and with the care, skill, prudence, and diligence then prevailing that a prudent person acting in a like capacity – and familiar with such matters – would use in the conduct of an enterprise of like character and with like aims.

### Section 9.2 Plan Design and Administration.

(a) Adoption of Plan. The Board shall adopt a Plan to offer life, sickness, accident or other similar benefits to Participants. All terms of the Plan shall be determined by the Board; provided that such terms shall be consistent with this Trust Agreement, Code section 501(c)(9) and the regulations promulgated thereunder. The Board shall be under no obligation to design the Plan to assure that the assets of the Trust Fund are sufficient to provide benefits to all potential Participants of the Plan in subsequent years.

(b) Benefits. The Plan shall include benefits and any other features including, without limitation, premium-sharing or other cost-sharing or reimbursements, that the Board from time to time determines appropriate or desirable in its sole discretion. The Plan may provide for different benefit structures or programs for different groups of Participants, as determined by the Board in its sole discretion. In designing the Plan and the benefits to be provided thereunder, the Board may take into account relevant circumstances, including, without limitation, the degree to which Participants may have alternative resources or coverage sources, as well as the resources of the Trust Fund. Benefits provided under the Plan shall be limited to those health care benefits permitted by Code Section 501(c)(9), and any Plan eligibility restrictions established by the Board shall conform with the requirements set forth in Treasury Regulation Section 1.501(c)(9)-2. Notwithstanding the foregoing or any authority granted trustees herein, and for the duration of this Trust, for purposes of determining benefit levels and determination of benefits under this Trust, including but not limited to any coordination of benefits, any amounts paid into or from any Library or Cobo Hall health reimbursement account for Detroit General VEBA Beneficiaries who are Library or Cobo Hall retirees (and their spouses) shall not be taken into account.

(c) Method of Providing Benefits. Benefits under the Plan may be fully insured, partially insured or self-insured, as determined by the Board from time to time in its sole discretion. The expected cost of benefits under the Plan shall not exceed the amount expected to be available under the Trust.

(d) Plan Documentation. The Board shall be responsible for creating, adopting and/or executing any documents necessary to set forth the Plan's governing terms, and shall be responsible for communicating the terms of the Plan to the Eligible Retiree Members and Eligible Dependents in accordance with applicable law.

Section 9.3 Investment of the Trust. The Board, with the same care, skill, prudence, and diligence under the circumstances then prevailing that a prudent person acting in a similar capacity and familiar with those matters would use in the conduct of a similar enterprise with similar means, shall have full power and authority to manage, control, invest and reinvest the money and other assets of the Trust Fund, and the Bank shall comply with the proper written direction of the Board concerning those assets. The Board may employ outside advisors, including investment advisors, to advise it with regard to the investment of the assets of the Trust Fund. Any outside advisors shall acknowledge a fiduciary relationship to the Board and the Trust Fund.

In investing and managing the assets of the Trust, the Board:

shall consider among other circumstances: the general economic conditions; the possible effect of inflation or deflation; the role that each investment or course of action plays within the overall portfolio; the expected total return from income and the appreciation of capital; needs for liquidity, regularity of income, and preservation or appreciation of capital; and the adequacy of funding for the plan based on reasonable actuarial factors;

(b) shall diversify the investments of the Trust unless the Board reasonably determines that because of special circumstances, it is clearly prudent not to do so;

(c) shall make a reasonable effort to verify facts relevant to the investment and management of assets of the Trust; and

(d) may consider benefits created by an investment in addition to investment return only if the Board determines that the investment providing these collateral benefits would be prudent even without the collateral benefits.

Section 9.4 Appointment of Investment Managers. The Board, from time to time, may appoint one or more independent Investment Managers, pursuant to a written investment management agreement describing the powers and duties of the Investment Manager, to direct the investment and reinvestment of all or a portion of the Trust (hereinafter referred to as an "Investment Account"). The Board shall determine that each Investment Manager is a fiduciary to the Board and Trust with demonstrated expertise in the type of investments authorized by the Board and, is entitled (under its investment management agreement) to direct the investment and reinvestment of the Investment Account for which it is responsible, in its sole and independent discretion and without limitation, except for any limitations which from time to time the Board determines shall modify the scope of such authority. If an Investment Manager is appointed, it shall have the authority of the Bank specified in Section 5.1 hereof with respect to the Investment Account over which it has investment discretion and the Bank's duties with respect to such Investment Account shall be limited to following the instructions of the Investment Manager. Provided that an Investment Manager is prudently selected and monitored by the Board, the Board shall have no liability (a) for the acts or omissions of such Investment Manager; (b) for following directions of such Investment Manager which are given in

accordance with this Trust Agreement; or (c) for any loss of any kind which may result by reason of the manner of division of the Trust into Investment Accounts.

Section 9.5 Government Reports and Returns. The Board shall file all reports and returns that are required to be made with respect to the Trust and the Plan.

Section 9.6 Compromise or Settle Claims. The Board may compromise, settle and release claims or demands in favor of or against the Trust or the Board on such terms and conditions as the Board may deem advisable. The Board may at all times rely upon the advice of independent counsel in reaching such decisions.

Section 9.7 Appointment of Administrator. The Board may appoint one or more third parties to perform any administrative functions it has with regard to the Trust or Plan.

Section 9.8 Employment of Assistance. The Board has the exclusive authority to employ, contract and pay for all professional services including, but not limited to, actuarial, investment, legal, accounting, medical, and any other services that the Board considers necessary for the proper operation and administration of the Plan and Trust. The powers granted to the Board in this subparagraph include complete control of the procurement process, including contracts for office space, computer hardware and software, and human resource services. In accordance with the provisions of Section 5.3 hereof, the Board may direct the Bank to pay reasonable compensation therefor from the Trust Fund. The Board may take or may refrain from taking any action in accordance with or reliance upon the opinion of counsel or such expert advisors.

Section 9.9 Reliance on Written Instruments. The Board shall be fully protected in acting upon any instrument, certificate or paper believed by him or her to be genuine and to be signed or presented by a duly authorized person or persons, and shall be under no duty to make any investigation or inquiry as to any statement contained in any such writing, but may accept the same as conclusive evidence of the truth and accuracy of the statements therein contained.

Section 9.10 No Individual Liability on Contracts. The Board shall not be liable personally for any debts, obligations, or undertakings contracted by them, or for the breach of any contracts. Such claims and obligations shall be paid out of the Trust; provided, however, that neither the Board nor any of its members shall be exempt from personal liability for willful misconduct, intentional wrongdoing, breach of applicable fiduciary duty, negligence or fraud, and the Trust shall not indemnify the Board for such liabilities to the extent that such indemnification would violate the provisions of Section 9.13 herein, or to the extent that application of this sentence would violate any law.

Section 9.11 Detroit Not Liable for Conduct of Board. The Board is not in its capacity as Board an officer, agent, employee, or representative of Detroit. In its capacity as Board, the Board is a principal acting independently of Detroit, which shall not be liable for any act, omission, contract, obligation, liability, debt, or undertaking of the Board or its officers, agents, or representatives.

Section 9.12 Liability Insurance. The Board shall obtain and keep current a policy or policies of insurance, insuring the members of the Board from and against any and all liabilities, costs and expenses incurred by such persons as a result of any act, or omission to act, in

connection with the performance of their duties, responsibilities and obligations under this Trust Agreement or the Plan. To the extent permitted by applicable law, the premiums on such policies may be paid from the Trust Fund.

**Section 9.13 Reimbursement for Defense of Claims.**

(a) To the extent permitted by applicable law, and not otherwise covered by liability insurance purchased by the Trust (without regard to any non-recourse rider purchased by the insured), the Board, its individual trustees, employees of the Board and persons acting on the Board's behalf pursuant to an express written delegation to the extent such written delegation provides for indemnification (each separately, the "Indemnified Party") shall be indemnified and held harmless by the Trust Fund for all reasonable costs and expenses, including without limitation attorney's fees, judgments, settlements, liabilities, fines, or penalties, incurred or suffered in defense of any claim demand, cause of action or administrative proceeding that seeks to hold the Indemnified Party personally liable for any loss to the Plan or Trust Fund or for damages suffered by any party to, or beneficiary of this Trust Agreement arising out of conduct reasonably believed to be good faith acts within the scope and powers and duties of the Indemnified Party, provided that, the Board shall have the right to approve of the retention of any counsel whose fees would be paid by the Trust Fund, but such approval shall not be withheld unreasonably. In the event that indemnification is made by the Trust pursuant hereto, the Indemnified Party shall agree to reimburse the Trust for all fees, costs and expenses to the extent that it is determined that the Indemnified Party's acts or omissions constituted fraud, bad faith, willful misconduct, negligence, or breach of fiduciary duty, and an independent fiduciary shall take all reasonable steps to ensure reimbursement at the time the Trust Fund agrees to indemnify pursuant to this Section; provided further that in the case of a final judicial determination of negligence or breach of fiduciary duty the Indemnified Party's reimbursement obligation shall be limited to the lesser of \$50,000 or the deductible on any non-recourse commercial liability insurance policy.

(b) The Board may make, execute, record and file on its own behalf and on behalf of the Trust, all instruments and other documentation (including one or more separate indemnification agreements between the Trust and individual Indemnified Parties) that the Board deems necessary and appropriate in order to extend the benefit of the provisions of this Section to any Indemnified Party.

**Section 9.14 Subrogation and Reimbursement.** If the Plan is self-insured, the following provisions regarding subrogation and third-party reimbursement will apply.

(a) If the Trust Fund pays, or is obligated to pay, any amount to or on behalf of an individual ("Benefit Recipient"), the Trust Fund shall be subrogated as provided in this Section 9.14 to all the Benefit Recipient's rights of recovery with respect to the illness or injury for which the payment of benefits is made by the Trust Fund. The right of recovery referred to in the preceding sentence shall include the right to make a claim, sue, and recover against any person or entity from the first dollars of any funds which are paid or payable as a result of a personal injury claim or any reimbursement of health care expenses. If requested in writing by the Board, the Benefit Recipient shall take, through any representative designated by the Board, such action as may be necessary or appropriate to recover such payment from any person or entity, said action to be taken in the name of the Benefit Recipient. In the event of a recovery or

settlement, the Trust Fund shall be reimbursed in full on a first priority basis out of such recovery or settlement for expenses, costs, and attorneys' fees incurred by it in connection therewith.

(b) If the Trust Fund pays, or is obligated to pay, any amount to or on behalf of a Benefit Recipient for an illness or injury, the Trust Fund shall be entitled to, and shall have a first priority equitable lien on, the proceeds of any recovery, by judgment, settlement or otherwise, with respect to the illness or injury, and if paid to the Benefit Recipient, the Benefit Recipient shall immediately pay any such proceeds to the Trust Fund. If the Benefit Recipient fails to pay such proceeds, or does not cause such proceeds to be paid, to the Trust Fund, the Board may, in addition to any other remedy to which it may be entitled, recover the proceeds directly or by offset against claims for benefits under the Plan and Trust made with respect to the affected Benefit Recipient (or such Benefit Recipient's beneficiaries, heirs, attorneys, agents, representatives, or estate).

(c) The Trust Fund shall have the right of subrogation and reimbursement set forth in this Section 9.14 regardless of whether the Benefit Recipient is made whole and regardless of whether the recovery, or any part thereof, is designated as payment for health care expenses, pain and suffering, loss of income or any other specified or unspecified damages or reason, and without regard to whether recovery is designated as including or excluding the health care expenses covered by the Plan and Trust. Any recovery by a Benefit Recipient, an attorney or other third party shall be deemed to be for the benefit of the Plan and Trust and shall be held in constructive trust for the Trust Fund until the Trust Fund is reimbursed in full for all amounts paid by the Trust Fund. The subrogation and reimbursement rights of the Trust Fund described in this Section 9.14 include all rights against, and include all rights with respect to, proceeds from or held by any attorney, third party, insurance carrier or payer of medical benefits, including an uninsured or under-insured motorist carrier, a no-fault carrier and a school insurance carrier, even if such coverage was purchased by the Benefit Recipient, and without regard to whether the proceeds have been paid or are payable.

(d) By participating in the Plan, each Benefit Recipient agrees to cooperate fully with the Plan and Trust and to execute and deliver agreements, liens and other documents and do whatever else the Board deems necessary to enable and assist the Trust Fund in exercising its rights under this Section 9.14, but the Trust Fund's rights under this Section 9.14 shall be effective regardless of whether the Benefit Recipient actually signs any agreements, liens or other documents. By participating in the Plan, each Benefit Recipient also agrees (i) that he or she will not make or maintain any make whole, common trust fund or apportionment action or claim in contravention of the subrogation and reimbursement provisions of this Section 9.14; and (ii) that he or she will not oppose any proceeding by the Trust Fund to obtain reimbursement on procedural grounds. The Benefit Recipient, directly or through his or her representatives, shall not do anything to impair the Trust Fund's rights. If the Board determines that any Trust Fund recovery rights under Section 9.14 have been impaired by any action of the Benefit Recipient or his or her representatives or by the Benefit Recipient's or such other person's failure to comply with the Benefit Recipient's obligations under Section 9.14, the Board may, in addition to any other remedy to which it may be entitled, determine the amount by which the Trust Fund's recovery rights have been impaired and recover such amount directly or by offset against claims for benefits under the Trust Fund made with respect to the affected Benefit Recipient.

(e) This Section 9.14 entitles the Trust Fund to subrogation and reimbursement equal to the entire amount paid by the Trust Fund for the illness or injury to which the subrogation or reimbursement relates, including related expenses, costs and attorneys' fees, which shall be from the first dollars payable to or received by the Benefit Recipient, his representatives, heirs, legal counsel, estate or any other third party from any settlement, judgment or other payment, without reduction for attorneys' fees or for any other reason. The common fund, make-whole, apportionment or any similar doctrines shall not apply to any amounts received. Any attorneys' fees shall be the responsibility solely of the Benefit Recipient, and the Trust Fund shall not pay any attorneys' fees or costs associated with a Benefit Recipient's claim or lawsuit without the Board's prior written authorization.

(f) The intention of this Section 9.14 is to give the Trust Fund the first right of subrogation and reimbursement in full with respect to the first dollars paid or payable, even though the Benefit Recipient is not made whole. Each Benefit Recipient agrees that as a condition to receiving benefits under the Plan and from the Trust Fund, the Benefit Recipient shall comply with the requirements of this Section 9.14.

## **ARTICLE X AMENDMENT, TERMINATION AND MERGER**

Section 10.1 Amendment. The Trust Agreement may be amended at any time in writing by the Board, by a vote of not less than six (6) out of seven (7) Board members, or by Court order upon proper motion, provided, however, that no amendment may impose a contribution obligation on Detroit; provided further that no amendment shall in any way conflict with the terms of the Plan of Adjustment or a Court order confirming the Plan of Adjustment; and provided further that no amendment shall adversely affect the exempt status of the Trust or Plan under Section 501(c)(9) of the Code. No amendment to the Trust Agreement shall modify the responsibilities of the Bank hereunder unless the Bank has first consented to such amendment.

### Section 10.2 Termination.

(a) The Trust and this Trust Agreement may be terminated at any time in writing by action of the Board, acting by a vote of not less than six (6) out of seven (7) Board members, with a copy of such written instrument to be provided to the Bank, or by Court order upon proper motion. Upon termination of this Trust Agreement, the assets of the Trust Fund shall be paid out at the direction of the Board in the following order of priority: (i) the payment of reasonable and necessary administrative expenses (including taxes); (ii) the payment of benefits to Participants entitled to payments for claims arising prior to such termination; and (iii) upon satisfaction of all liabilities to existing Participants, either directly or through the purchase of insurance, to provide life, sick accident or other permissible benefits in accordance with Code section 501(c)(9) and the rules and regulations promulgated thereunder. Neither Detroit nor any member of the Board shall have any beneficial interest in the Trust Fund, except to the extent an Individual Trustee is also a Participant in the Plan. Any determination by the Board or an administrator to distribute assets of the Trust upon termination to an Individual Trustee who is also a Participant must have the written concurrence of the Bank. The Trust Fund shall remain in existence until all assets have been distributed.

(b) Upon termination, the Bank and the Board shall continue to have all of the powers provided in this Trust Agreement as are necessary or desirable for the orderly liquidation and distribution of the Trust Fund in accordance with the provisions hereof.

Section 10.3 Transfer of Assets and/or Liabilities. To the extent permitted by Code section 501(c)(9) and other applicable law, some or all of the assets and/or liabilities of the Trust Fund may at the discretion of the Board be transferred directly to another trust for the purpose of providing health or welfare benefits to some or all of the Participants on such terms and conditions as the Board may determine.

## **ARTICLE XI MISCELLANEOUS**

Section 11.1 Rights in Trust Fund. No Participant or other person shall have any right, title or interest in the Trust Fund or any legal or equitable right against the Bank, the Board, or Detroit, except as may be otherwise expressly provided in the Plan or in this Trust Agreement.

Section 11.2 Non-Alienation. Except to the extent required by applicable law, the rights or interest of any Participant to any benefits or future payments hereunder or under the provisions of the Plan shall not be subject to attachment or garnishment or other legal process by any creditor of any such Participant, nor shall any such Participant have any right to alienate, anticipate, commute, pledge, encumber or assign any of the benefits or payments which he may expect to receive, contingent or otherwise, under this Trust Agreement.

Section 11.3 Controlling Laws. The Trust shall be construed and the terms hereof applied according to the laws of the state of Michigan to the extent not superseded by federal law.

If requested in writing by the Board, the Benefit Recipient shall take, through any representative designated by the Board, such action as may be necessary or appropriate to recover such payment from any person or entity, said action to be taken in the name of the Benefit Recipient. In the event of a recovery or settlement, the Trust Fund shall be reimbursed in full on a first priority basis out of such recovery or settlement for expenses, costs, and attorneys' fees incurred by it in connection therewith.

(b) If the Trust Fund pays, or is obligated to pay, any amount to or on behalf of a Benefit Recipient for an illness or injury, the Trust Fund shall be entitled to, and shall have a first priority equitable lien on, the proceeds of any recovery, by judgment, settlement or otherwise, with respect to the illness or injury, and if paid to the Benefit Recipient, the Benefit Recipient shall immediately pay any such proceeds to the Trust Fund. If the Benefit Recipient fails to pay such proceeds, or does not cause such proceeds to be paid, to the Trust Fund, the Board may, in addition to any other remedy to which it may be entitled, recover the proceeds directly or by offset against claims for benefits under the Plan and Trust made with respect to the affected Benefit Recipient (or such Benefit Recipient's beneficiaries, heirs, attorneys, agents, representatives, or estate).

(c) The Trust Fund shall have the right of subrogation and reimbursement set forth in this Section 9.14 regardless of whether the Benefit Recipient is made whole and regardless of whether the recovery, or any part thereof, is designated as payment for health care expenses, pain and suffering, loss of income or any other specified or unspecified damages or reason, and without regard to whether recovery is designated as including or excluding the health care expenses covered by the Plan and Trust. Any recovery by a Benefit Recipient, an attorney or other third party shall be deemed to be for the benefit of the Plan and Trust and shall be held in constructive trust for the Trust Fund until the Trust Fund is reimbursed in full for all amounts paid by the Trust Fund. The subrogation and reimbursement rights of the Trust Fund described in this Section 9.14 include all rights against, and include all rights with respect to, proceeds from or held by any attorney, third party, insurance carrier or payer of medical benefits, including an uninsured or under-insured motorist carrier, a no-fault carrier and a school insurance carrier, even if such coverage was purchased by the Benefit Recipient, and without regard to whether the proceeds have been paid or are payable.

(d) By participating in the Plan, each Benefit Recipient agrees to cooperate fully with the Plan and Trust and to execute and deliver agreements, liens and other documents and do whatever else the Board deems necessary to enable and assist the Trust Fund in exercising its rights under this Section 9.14, but the Trust Fund's rights under this Section 9.14 shall be effective regardless of whether the Benefit Recipient actually signs any agreements, liens or other documents. By participating in the Plan, each Benefit Recipient also agrees (i) that he or she will not make or maintain any make whole, common trust fund or apportionment action or claim in contravention of the subrogation and reimbursement provisions of this Section 9.14; and (ii) that he or she will not oppose any proceeding by the Trust Fund to obtain reimbursement

on procedural grounds. The Benefit Recipient, directly or through his or her representatives, shall not do anything to impair the Trust Fund's rights. If the Board determines that any Trust Fund recovery rights under Section 9.14 have been impaired by any action of the Benefit Recipient or his or her representatives or by the Benefit Recipient's or such other person's failure to comply with the Benefit Recipient's obligations under Section 9.14, the Board may, in addition to any other remedy to which it may be entitled, determine the amount by which the Trust Fund's recovery rights have been impaired and recover such amount directly or by offset against claims for benefits under the Trust Fund made with respect to the affected Benefit Recipient.

(e) This Section 9.14 entitles the Trust Fund to subrogation and reimbursement equal to the entire amount paid by the Trust Fund for the illness or injury to which the subrogation or reimbursement relates, including related expenses, costs and attorneys' fees, which shall be from the first dollars payable to or received by the Benefit Recipient, his representatives, heirs, legal counsel, estate or any other third party from any settlement, judgment or other payment, without reduction for attorneys' fees or for any other reason. The common fund, make-whole, apportionment or any similar doctrines shall not apply to any amounts received. Any attorneys' fees shall be the responsibility solely of the Benefit Recipient, and the Trust Fund shall not pay any attorneys' fees or costs associated with a Benefit Recipient's claim or lawsuit without the Board's prior written authorization.

(f) The intention of this Section 9.14 is to give the Trust Fund the first right of subrogation and reimbursement in full with respect to the first dollars paid or payable, even though the Benefit Recipient is not made whole. Each Benefit Recipient agrees that as a condition to receiving benefits under the Plan and from the Trust Fund, the Benefit Recipient shall comply with the requirements of this Section 9.14.

## **ARTICLE X AMENDMENT, TERMINATION AND MERGER**

Section 10.1 Amendment. The Trust Agreement may be amended at any time in writing by the Board, by a vote of not less than six (6) out of seven (7) voting Board members, or by Court order upon proper motion, provided, however, that no amendment may impose a contribution obligation on Detroit; provided further that no amendment shall in any way conflict with the terms of the Plan of Adjustment or a Court order confirming the Plan of Adjustment; and provided further that no amendment shall adversely affect the exempt status of the Trust or Plan under Section 501(c)(9) of the Code. No amendment to the Trust Agreement shall modify the responsibilities of the Bank hereunder unless the Bank has first consented to such amendment.

### Section 10.2 Termination.

(a) The Trust and this Trust Agreement may be terminated at any time in writing by action of the Board, acting by a vote of not less than six (6) out of seven (7) voting Board members, with a copy of such written instrument to be provided to the Bank, or by Court order upon proper motion. Upon termination of this Trust Agreement, the assets of the Trust Fund shall be paid out at the direction of the Board in the following order of priority: (i) the payment of reasonable and necessary administrative expenses (including taxes); (ii) the payment of benefits to Participants entitled to payments for claims arising prior to such termination; and

(iii) upon satisfaction of all liabilities to existing Participants, either directly or through the purchase of insurance, to provide life, sick accident or other permissible benefits in accordance with Code section 501(c)(9) and the rules and regulations promulgated thereunder. Neither Detroit nor any member of the Board shall have any beneficial interest in the Trust Fund, except to the extent an Individual Trustee is also a Participant in the Plan. Any determination by the Board or an administrator to distribute assets of the Trust upon termination to an Individual Trustee who is also a Participant must have the written concurrence of the Bank. The Trust Fund shall remain in existence until all assets have been distributed.

(b) Upon termination, the Bank and the Board shall continue to have all of the powers provided in this Trust Agreement as are necessary or desirable for the orderly liquidation and distribution of the Trust Fund in accordance with the provisions hereof.

Section 10.3 Transfer of Assets and/or Liabilities. To the extent permitted by Code section 501(c)(9) and other applicable law, some or all of the assets and/or liabilities of the Trust Fund may at the discretion of the Board be transferred directly to another trust for the purpose of providing health or welfare benefits to some or all of the Participants on such terms and conditions as the Board may determine.

## **ARTICLE XI MISCELLANEOUS**

-------------	--

	<p><b><u>Payment Period</u></b> means the twenty year period commencing on and immediately following the date of the Closing.</p> <p><b><u>State</u></b> means the State of Michigan.</p> <p><b><u>Supporting Organization</u></b> means the Foundation for Detroit's Future, a Michigan nonprofit corporation, which is a supporting organization of CFSEM, which was established to accommodate the contribution and payment of monies from the Funders, as contemplated under this Term Sheet, and will obtain 501(c)(3) status prior to the Closing.</p> <p><b><u>The DIA</u></b> means The Detroit Institute of Arts, a Michigan not-for-profit corporation.</p> <p><b><u>Tri-Counties</u></b> means the Counties of Macomb, Oakland and Wayne, all in the State.</p> <p>Other capitalized terms are defined elsewhere in this Term Sheet.</p>
Scope of Settlement	<p>The consummation of the transactions contemplated in this Term Sheet shall be in full and final settlement of all disputes relating to the rights of the City, the Police and Fire Retirement System and the General Retirement System for the City (collectively, the "<b>Pensions</b>"), The DIA, and the State with respect to the Museum, including the Museum Assets. Disputes held by other of the City's creditors pertaining to the foregoing subject matter shall be resolved by confirmation of the Plan of Adjustment (defined below).</p>
Reservation of Rights	<p>This Term Sheet proposes a settlement of disputed factual and legal issues. Nothing in this Term Sheet constitutes an admission as to any factual or legal issue or a waiver of any claim or defense, and all rights of the City, The DIA, the Funders and all other parties in the City's bankruptcy case regarding the Museum and the Museum Assets are fully preserved until the Closing.</p>
Treatment of Museum Assets	<p>As a result of this settlement, at Closing, all right, title and interest in and to the Museum Assets shall be conveyed to The DIA to be held in perpetual charitable trust for the benefit of the people of the City and the State, including the citizens of the Tri-Counties, permanently free and clear of all liens, encumbrances, claims and interests of the City and its creditors (the "<b>Transfer</b>").</p>

<p style="text-align: center;"><b>Funding Commitments</b></p>	<p>All commitments of the Funders shall, subject to the terms and conditions of this Term Sheet and the Definitive Documentation, be the irrevocable, authorized, valid and binding commitments by the Funders, enforceable against such Funders, except that the commitment of The DIA as to any DIA Deficiency will be subject to its right of substitution as discussed in "<i>DIA Commitment Regarding Funding</i>" below. Exhibit B and Exhibit C, as applicable, set forth the commitment amount and, to the extent known prior to the date of this Term Sheet, the payment schedule for each Funder. Prior to execution of the Definitive Documentation, each Funder with respect to which the payment schedule was not known as of the date of this Term Sheet (unless such party becomes a "<b>Funder</b>" only after the date of the Definitive Documentation) shall agree to a payment schedule. Each Funder shall have the right to prepay its commitment in whole or in part at any time without penalty and no interest will be owed on any Funder's payments.</p> <p>All payments by the Funders shall be made as set forth in "<i>Payment Mechanism</i>" of this Term Sheet. (The mechanics, timing and terms of all payments by the State shall be determined between the State and the City.)</p> <p>The parties acknowledge that Funder payments are conditioned on the City meeting certain conditions both initially and on a continuing basis. See "<i>Conditions to Future Funding Obligations</i>" of this Term Sheet. Failure of the City to meet those conditions in any material respect may result in the delay of a scheduled payment by the Funders to the Supporting Organization and a delay of a scheduled payment by the Supporting Organization to the City until (i) all material requisite conditions for that payment are met; or (ii) cancellation of that payment if the material requisite conditions are not met within any established cure period.</p> <p>Funding commitments of the following amounts (before giving effect to any Present Value Discount, as applicable) are required as a condition to Closing:</p> <table data-bbox="727 1570 1341 1682"> <tr> <td>Foundation Funders (net)</td><td>\$366 million</td></tr> <tr> <td>DIA Funders and DIA</td><td>\$100 million*</td></tr> <tr> <td>State</td><td>\$350 million</td></tr> </table> <p style="text-align: center;">*inclusive of the intended funding amounts for the identified Foundation Funders</p>	Foundation Funders (net)	\$366 million	DIA Funders and DIA	\$100 million*	State	\$350 million
Foundation Funders (net)	\$366 million						
DIA Funders and DIA	\$100 million*						
State	\$350 million						

	<p>listed in Exhibit B</p> <p>To the extent the City fails to meet its indemnity obligations further described in Exhibit D, the Funders', the Supporting Organization's and The DIA's (with respect to a DIA Deficiency or under the Guaranty) funding commitments will be reduced by any litigation or defense costs, damages or settlement costs incurred by the applicable Funder, the Supporting Organization or The DIA in connection therewith. Similarly, the Funders, the Supporting Organization and The DIA may reduce their funding commitments to the extent that any litigation or defense costs, damages or settlement costs incurred by them and arising from the transactions contemplated by this Term Sheet and the Definitive Documentation are not otherwise covered by the City's indemnity obligations described in Exhibit D.</p>
Present Value Discount	<p>To the extent that the DIA Funders and The DIA have agreed upon an aggregate payment schedule (determined as of the Closing and adjusted after the Closing for any New Donor Commitments), that provides for the payment of greater than an aggregate of \$5 million per year during the Payment Period (the "<b>Agreed Required Minimum Schedule</b>"), the amount and timing of such annual excess in commitments shall, applying a discount rate to be agreed upon hereafter but prior to Closing, which may or may not be the same earnings rate that the Pensions use as provided for in the confirmed Plan of Adjustment as the Pensions' assumed future investment return, result in a present value discount in an amount which reflects the payments required to be made being instead made more rapidly than required by the Agreed Required Minimum Payment Schedule, which present value discount shall reduce the aggregate amount of the commitments that The DIA is required to secure or, as to any DIA Deficiency, undertake itself (the "<b>Present Value Discount</b>").</p> <p>Each Foundation Funder which funds its commitment more rapidly than ratably over twenty years shall likewise be entitled to a Present Value Discount determined in the same manner as set forth in the preceding paragraph.</p> <p>Any disputes regarding the calculation or application of a Present Value Discount will be irrevocably determined,</p>

	<p>to a scheduled payment have been satisfied and, if not initially satisfied, whether they have been timely cured. In the event that the Supporting Organization has determined that the conditions have not been satisfied (or timely cured) and the City disputes that determination, the City's only recourse shall be to dispute the Supporting Organization's determination. The City shall have no claim against any Funder (or under the Guaranty) for such Funder's reliance upon the determination of the Board of Directors of the Supporting Organization. Any dispute between the City and the Supporting Organization regarding whether the conditions had been satisfied or timely cured shall be determined in accordance with the "<i>Dispute Resolution</i>" section of this Term Sheet.</p> <p>In the event it is determined by the Supporting Organization or through arbitration that the conditions to a scheduled payment have been satisfied or timely cured, all Funders shall be required to make their scheduled payments to the Supporting Organization (or, as to DIA Funders that so elect in accordance with the "<i>Payment Mechanism</i>" section of this Term Sheet, to The DIA, which will be required to make its scheduled payments to the Supporting Organization). If a Foundation Funder, a DIA Funder or The DIA (either with respect to a Deficiency Amount or on behalf of a DIA Funder who elects to make its payments to The DIA) has made its scheduled payment to the Supporting Organization, the City shall have recourse only to the Supporting Organization (and not any Funder that made its scheduled payment) for such payment. If a Foundation Funder, a DIA Funder or The DIA (either with respect to a Deficiency Amount or on behalf a DIA Funder who elects to make its payments to The DIA) has not made its scheduled payment after it is determined by the Supporting Organization or through arbitration that the conditions to such payment have been satisfied or timely cured, the Supporting Organization shall, after making reasonable efforts to collect the scheduled payment from the Funder (the "<b>Non-funding Party</b>"), assign its right to enforce payment of that scheduled payment (the "<b>Default Amount</b>") to the City in full satisfaction of the Supporting Organization's obligation to make such payment to the City.</p> <p>If the Supporting Organization assigns to the City, in accordance with the preceding paragraph, the Supporting Organization's right to enforce payment of a Default Amount from a DIA Funder (a "<b>Defaulted DIA Funder</b>"), during the twelve-month period following the assignment of the claim</p>
--	---

	<p>to the City (the “<b>City Collection Period</b>”), the City shall exercise commercially reasonable efforts to collect the Default Amount from that Defaulted DIA Funder, and any amounts collected from that Defaulted DIA Funder shall reduce the amount subject to the Guaranty. If the City is unable to collect the Default Amount from a Defaulted DIA Funder during the City Collection Period, upon the expiration of the City Collection Period, the City may collect the Default Amount from The DIA under the Guaranty and, in such event, assign to The DIA all right and title to (and exclusive authority to collect) the Default Amount.</p> <p>In no event will any Funder other than the Non-funding Party have any responsibility for the payment or obligations of such Non-funding Party (except, as to The DIA, under the Guaranty), and the City will not have any right to collect any amounts from any Funder except as set forth above. Moreover, there will be no third-party beneficiaries to the rights of the City or the Supporting Organization, and no party other than the City or the Supporting Organization (or The DIA in respect of the Guaranty), as applicable, shall have the right to assert any claim against any Funder in respect of the obligations arising under the Definitive Documentation. Without limiting the foregoing, the failure of any Funder or the Supporting Organization to make a scheduled payment shall give rise to a claim by the City against such Non-funding Party, as set forth above, and not against any other Funder, the Supporting Organization, The DIA or the Museum Assets; provided, however, (i) as contemplated in “<i>The DIA Commitment Regarding Funding</i>” above, The DIA will be obligated for any DIA Deficiency except to the extent the DIA Deficiency is replaced during the Payment Period with a New Donor Commitment, and (ii) The DIA will have its obligations under the Guaranty.</p> <p>The City will be responsible for all costs of its enforcement against the Non-funding Party and will not seek reimbursement of costs of enforcement from any other party or the Supporting Organization. No other person or entity shall have the right to enforce payment.</p>
Initial Payment	<p>At and as a condition to the Closing (a) each of the Foundation Funders and the State shall pay at least 5% of its commitment under this Term Sheet and (b) The DIA and the DIA Funders in the aggregate shall pay at least \$5 million.</p>

<p><b>Transfer on Initial Payment</b></p>	<p>The Transfer shall be irrevocably consummated upon the Initial Payment to the City Account (defined in "<i>Conditions to Future Funding Obligations</i>" of this Term Sheet) (which shall be made at the Closing). In addition, at the Closing, the City and The DIA will enter into an agreement that (1) terminates the Operating Agreement, (2) includes a mutual release of pre-Closing claims, and (3) assigns (without recourse) from the City to The DIA all current and future commitments or gifts made or intended for the benefit of the Museum or The DIA, including without limitation money and works of art. The City will not, however, make any representations or warranties relating to the condition of, or title to, the Museum Assets or such commitments and will not have any liability with respect thereto.</p>
<p><b>Payment Mechanism</b></p>	<p>All payments by the Funders shall be made directly to the Supporting Organization which shall hold such payments in a segregated account (the "<b>Account</b>") pending payment to the City. Notwithstanding the foregoing, any DIA Funder may make its payments to The DIA instead of to the Supporting Organization; payments by The DIA (either with respect to a Deficiency Amount or on behalf a DIA Funder who elects pursuant to the preceding sentence to make its payments to The DIA) to the Supporting Organization shall be pursuant to the terms of an agreement which will be entered into between The DIA and the Supporting Organization in connection with the execution of the Definitive Documentation. As set forth under "<i>Default and Remedies</i>" above, only the City will have recourse or claims against the Account, provided all conditions specified in "<i>Conditions to Future Funding Obligations</i>" of this Term Sheet have been satisfied and as otherwise provided in this Term Sheet, and the City shall be paid when due, directly from the Account for the exclusive payment of the Pensions. The City will not be entitled to any interest or earnings on the balances of the Account. The City shall then pay such amounts to and for the exclusive payment of the Pensions in accordance with the allocation determined by the City and agreed by the Funders.</p>
<p><b>DIA Commitment for State-wide Services for State Contribution</b></p>	<p>In addition to continuing to operate the Museum for the benefit of the people of the City and the State, including the citizens of the Tri-Counties, and continuing to provide the special services to the residents of the Tri-Counties during the millage term that are provided for in the millage</p>

	<p>agreements, during the Payment Period The DIA will provide an array of art programs at no or discounted costs to the residents of the State. In determining which programs to offer, both the cost to The DIA of developing and operating these programs and The DIA's other fundraising obligations, including its need to raise funds for general operations and its stated goal of building endowment funds, as well as any fundraising obligation under this settlement, will be taken into account. As appropriate, The DIA will collaborate with its Michigan museum colleagues in the development of these programs. Given the length of the Payment Period, it is expected that these programs would be developed and adjusted over time. Such programs could include at the outset:</p> <ul style="list-style-type: none"> <li>• Two exhibitions in each twelve-month period, with the first such period beginning six months after the Closing, of objects from the Museum collection that would rotate through museums and art centers around the State on a schedule to be determined by The DIA and the recipient museums. Each exhibition will be developed and organized by The DIA and will include installation and de-installation of the objects, a marketing package (logo and advertising template) and, possibly, input on programming and education opportunities.</li> <li>• An annual professional development program coordinated with the Michigan Museums Association designed to strengthen museum professionals and introduce museum job opportunities to student audiences.</li> <li>• An expansion of the Museum's popular Inside/Out program (during the tenure of the program), which places high-quality art reproductions in Southeast Michigan communities, to include two additional outstate locations annually, supporting tourism, cultural awareness and life-long learning.</li> <li>• Art object conservation services at a discounted rate to Michigan museums conducted in consultation with the Museum conservators and the curatorial staff of the requesting museum.</li> <li>• The development of an educational program based on the Museum collection that supports National Common Core Standards, to be offered in two</li> </ul>

	Michigan communities annually and to include follow-up support for educators.
DIA Operating and Maintenance Commitments	<p>(1) Subject to the terms set forth herein and the Definitive Documentation, The DIA shall have complete responsibility for and control over Museum operations, capital expenditures, collection management, purchase or sale of assets, <i>etc.</i> and will be responsible for all related liabilities, including existing liabilities of The DIA to its employees, contractors and vendors.</p> <p>(2) The permanent primary situs of The DIA and its art collection will remain in the City in perpetuity. This Term Sheet and the Definitive Documentation will not otherwise restrict the ability of The DIA to lend or to otherwise allow works to travel outside of the City or the State, consistent with ordinary Museum operations and the state-wide services proposed under this settlement. Notwithstanding anything to the contrary set forth in this Term Sheet, The DIA acknowledges and agrees that the Museum shall be operated primarily for the benefit of the people of the City and the State, including the citizens of the Tri-Counties.</p> <p>(3) The DIA will be required to operate the Museum as an encyclopedic art museum in the City, in accordance with changing future demands in the operation of such a Museum. The DIA will not deaccession from its collection or sell, lease, pledge, mortgage, or otherwise encumber art that is accessioned to or otherwise held in its collection except in accordance with the code of ethics or applicable standards for museums published by the American Alliance of Museums (the "AAM") as amended or modified by the accreditation organization. If the AAM ceases to exist or to be generally regarded by leading American art museums as the preeminent American art museum accreditation organization, then the AAM's successor organization or such other organization that is at that time generally regarded by leading American art museums as the preeminent American art museum accreditation organization shall be substituted for the AAM.</p>

	<p>(4) In the event of a liquidation of The DIA, the Museum Assets will be transferred only to another not-for-profit entity (which entity shall be subject to the reasonable approval of the City and the Supporting Organization, if then in existence, and otherwise by majority vote of the City and the then-existing Foundation Funders). Such successor entity would subject itself to the same conditions as set forth in this Term Sheet and the Definitive Documentation, including but not limited to holding the Museum Assets in perpetual charitable trust for the people of the City and the State, including the citizens of the Tri-Counties. For the purposes of determining the majority vote described above, and for the avoidance of doubt, the parties agree that the City and each of the then-existing Foundation Funders shall each have one vote with respect to such approval.</p>
<p><b>City Commitments Relating to Pensions</b></p>	<p>(1) The City will adopt and maintain pension governance mechanisms that meet or exceed commonly accepted best practices reasonably satisfactory to the Funders and the State to ensure acceptable fiscal practices and procedures for management and investment of pensions and selection of acceptable pension boards to ensure the foregoing.</p> <p>(2) The City will establish, by the Effective Date (as defined below), a Receivership Transition Review Board ("<b>Review Board</b>") or other independent fiduciary that is independent of the City and any association of City employees or retirees for future supervision of the Pensions' management, administration and investments for at least twenty years after the Effective Date.</p> <p>(3) Any commitments by the City to make payments hereunder, or cause payments to be made, to the Pensions shall be subject to receipt of the related payment amount from the Supporting Organization which, in turn, will be conditioned on the City's compliance with the above.</p> <p>(4) The Pension funds themselves shall agree as part of the settlements approved through the confirmed Plan of Adjustment that they waive and release</p>

	<p>any and all claims against, and shall have no recourse directly against, the Funders or the Supporting Organization with respect to enforcement of the City's commitment to make payments to the Pensions or any such party, nor for any matter arising from the contemplated transaction. The agreement of the Pension funds, as implemented through the Plan of Adjustment and any associated court orders shall be binding on the Pensions and all entities or persons claiming through the Pensions, including without limitation any successors or assigns and any plan participants, and any of their representatives, successors or assigns.</p>
Other City Commitments	<ol style="list-style-type: none"> <li>(1) The City shall pass no charter, ordinance or other provision that solely affects or primarily targets the Museum, The DIA or museums within the City generally which such charter, ordinance or other provision has a material adverse impact on the Museum or The DIA (it being understood that a "material adverse impact" shall include any adverse financial impact or any contradiction, or adverse impact on the enforceability, of the terms of this settlement), except pursuant to State-enabling legislation, and the City agrees that the Detroit Arts Commission will henceforth have no oversight of The DIA, the Museum or the Museum Assets.</li> <li>(2) The City shall not impose any fee, tax or other cost on the Museum or The DIA that solely affects or primarily targets the Museum, The DIA or museums within the City generally.</li> <li>(3) The City shall provide (or cause to be provided) utilities and other City services to The DIA at the same pricing and on the same terms upon which the City offers to provide utilities and such other City services to arm's-length third parties generally.</li> <li>(4) The City agrees that there are no further commitments from the Funders, the Supporting Organization, The DIA or the State relating to the Museum or the Museum Assets beyond those contained in the Term Sheet or the Definitive</li> </ol>

	<p>Documentation.</p> <p>(5) The City agrees to the indemnification, jurisdiction, venue and choice of law language contained in Exhibit D for the benefit of the Funders.</p>
<p><b>Bankruptcy Court Approval Process</b></p>	<p>The settlement between the City and The DIA over the Transfer in exchange for the Funders' and the State's commitments for the Payment Amount and The DIA's commitment to provide for the operation and maintenance of the Museum is subject to the Bankruptcy Court's approval in a manner acceptable to the parties hereto, which the City shall seek promptly after the signing of the Definitive Documentation for the settlement.</p>

The City's ability to receive the benefit of the extended cure period, beyond the initial cure period, shall be subject to the approval of the Supporting Organization upon receipt of a written request from the City setting forth why the City is entitled to such extended cure period by meeting the requirements set forth above, which approval shall not be unreasonably withheld, conditioned or delayed. All obligations of the Funders and Supporting Organization to make payments shall be suspended for the duration of the cure period. If the City fails to cure a breach or failure during the cure period each Funder and the Supporting Organization shall have the right to cancel its remaining commitments.</p>
Changes in DIA Governance	<p>The DIA shall establish an ad-hoc committee (the "<b>Governance Committee</b>") to review best practices in museum governance, gather input from the parties to this Term Sheet and the State, and make recommendations regarding the future governance of The DIA. In addition to three members representing the perspective of The DIA, The DIA shall appoint to the Governance Committee one member representing each of the following perspectives: 1) the Foundation Funders; 2) the City; and 3) the State. In addition, The DIA shall appoint to the Governance Committee one person who is selected by agreement of the millage authorities of the Tri-Counties. The parties believe the proposed make-up of the Governance Committee will appropriately represent the perspectives of The DIA, the City, the State, the millage authorities and the Foundation Funders, but The DIA will consider adjustments to the proposed membership to the extent necessary to address any concerns raised by the State. Susan Nelson, principal of Technical Development Corporation, will facilitate and advise the process, with funding as required from the Foundation Funders. The process will be completed as quickly as possible but in any event prior to the Closing, with the Governance Committee's recommendations taking effect upon their approval by The DIA's Board of Directors and prior to Closing. The goal of the Governance Committee will be to ensure that The DIA has the best possible governance</p>

## EXHIBIT D

### INDEMNIFICATION, JURISDICTION, VENUE AND CHOICE OF LAW

*All capitalized terms used but not defined in this Exhibit D are defined in the Term Sheet.*

- (a) To the maximum extent permitted by law, the City shall indemnify, defend, and hold the Foundation Funders, the DIA Funders, The DIA and the Supporting Organization and their affiliates and all their respective shareholders, officers, directors, members, managers, employees, successors, assigns, representatives, attorneys and agents (the “**Indemnified Parties**”) harmless from, against, and with respect to any claim, liability, obligation, loss, damage, assessment, judgment, cost and expense (including, without limitation, actual out-of-pocket attorney fees and actual expenses incurred in investigating, preparing, defending against, or prosecuting any litigation or claim, action, suit, hearing, proceeding or demand) of any kind or character, arising out of or in any manner, incident, relating or attributable to the following (provided indemnification will not be available to an Indemnified Party to the extent resulting from such Indemnified Party’s breach of contract, sole ordinary negligence, gross negligence or intentional wrongful acts):
  - (i) *Any claims by third parties or the City arising out of any action properly taken by the Indemnified Parties under the Definitive Documentation with respect to the contemplated transaction including, but not limited to, any payment, non-payment or other obligation of the Indemnified Parties permitted thereunder;*
  - (ii) *Any breach or failure of any representation or warranty of the City contained in the Definitive Documentation between the City and the Indemnified Parties and/or other parties related to the contemplated transaction;*
  - (iii) *Any failure by the City to perform, satisfy or comply with any covenant, agreement or condition to be performed, satisfied or complied with by the City under the Definitive Documentation with the Indemnified Parties or under agreements with any third parties contemplated by this transaction;*
  - (iv) *Reliance by the Indemnified Parties upon any books or records of the City or reliance by them on any written information furnished by the City or any of the City’s employees, officials or agents to them to the extent any such information should prove to be false or materially inaccurate or misleading (including, without limitation, by omission), but only to the extent that such books, records or written information was furnished by the City in connection with the City showing its compliance with the conditions to initial or future funding as set forth in the Term Sheet;*
  - (v) *Any claim or objection made in the City’s Chapter 9 Bankruptcy (Case No. 13-53846) or any other action brought against, or involving, the Indemnified Parties with respect to their participation in any transaction contemplated by the proposed or confirmed Plan of Adjustment;*

(vi) *The transfer, assignment or sale by the City to The DIA of any assets or property (real or personal) and any rights, title and interests therein including, but not limited to, the Museum and all of the Museum Assets;*

(vii) *Any action or claim against the Indemnified Parties made by the Pensions, including any successors or assigns and any plan participants, or their representatives, successors or assigns (collectively, the "Pension Funds"), as nothing under the Term Sheet or the Definitive Documentation is intended to, nor are they to be construed or interpreted to, make the Indemnified Parties a party in privity with, or having an obligation in any capacity to the Pension Funds. By way of illustration and not limitation, the following statements apply:*

*First, the Indemnified Parties have no responsibility for the operation or administration of the Pension Funds and have no fiduciary responsibility for the Pension Funds as plan sponsor, plan administrator, investment advisor or otherwise.*

*Second, the Indemnified Parties have no obligation to contribute towards the funding of the Pension Funds and are not a funding guarantor.*

(viii) *Any action or claim brought by the City, The DIA, the Pension Funds or any other party concerning non-payment of the contributions pursuant to the contemplated transaction by the Indemnified Parties due to the breach of the Definitive Documentation by the City, the DIA, the Pension Funds or any other party, so long as the Indemnified Parties have made a good faith determination of the breach of the Definitive Documentation or payment condition.*

(b) An Indemnified Party shall notify the City in a timely manner of any matters as to which the Indemnified Party is entitled to receive indemnification and shall set forth in such notice reasonable detail regarding specific facts and circumstances then known by the Indemnified Party which pertain to such matters. Failure or delay in providing such notice shall not relieve the City of its defense or indemnity obligations except to the extent the City's defense of an applicable claim against an Indemnified Party is actually prejudiced by such Indemnified Party's failure or delay.

(c) The City shall not contest on any grounds the enforceability of its indemnification obligations hereunder.

(d) Notwithstanding the foregoing, the parties acknowledge that the City is not making any representations to The DIA regarding the City's title to the Museum Assets prior to the Closing and that The DIA will not be entitled to indemnification in connection with its defense of any post-Closing claims by third parties challenging The DIA's title to any Museum Asset to the extent that such claim is based on an allegation that the City did not have legal title to the particular Museum Asset prior to the Closing (a "**Quitclaim Challenge**"). To be clear, however, The DIA will be entitled to indemnification by the City under this Exhibit D in connection with any post-Closing challenges to The DIA's title to Museum Assets that are in any way based upon a claim that the title that the City

had to the Museum Assets prior to Closing was not effectively conveyed to The DIA at and as a result of the Closing.

### Defense of Indemnity Claims

(a) To the extent the City is notified of claim for which it is required to indemnify an Indemnified Party, the City shall be solely responsible for responding to or otherwise defending such claim. In such event, the City shall assume exclusive control of the defense of such claim at its sole expense using counsel of its sole choosing and may settle such claim in its sole discretion; provided, however, that (i) with respect to any claim that involves allegations of criminal wrongdoing, the City shall not settle such claim without the prior written approval of the Indemnified Party, which approval may be withheld in such Indemnified Party's sole discretion, and (ii) with respect to any other claim, the City shall not settle such claim in a manner that requires the admission of liability, fault, or wrongdoing on the part of an Indemnified Party, that fails to include a release of all covered claims pending against the Indemnified Party, or that imposes any obligation on the Indemnified Party without the prior written approval of the Indemnified Party, which approval may be withheld in such Indemnified Party's sole discretion. The City will keep the Indemnified Party reasonably informed of the status of any negotiations or legal proceedings related to any claim, and the Indemnified Party shall be entitled to engage counsel (at its own expense) to monitor the handling of any claim by the City. Notwithstanding the foregoing, other than as relates to a Quitclaim Challenge (for which The DIA will not be entitled to indemnification, as set forth above), The DIA shall be entitled to defend on its own behalf any claims regarding title to, interest in or control of the Museum Assets or operation of the Museum. To the extent The DIA intends to exercise such right, the City and The DIA shall use their commercially reasonable efforts in good faith to coordinate a joint defense of such claim (including as to selection of joint counsel). If the City and The DIA cannot agree on a joint defense of the claim, each party shall undertake its own defense, reserving all rights against the other for indemnification hereunder with respect to such claim, but, in such case, The DIA shall not be entitled to indemnification of its defense costs in connection therewith.

(b) Notwithstanding anything to the contrary set forth in this Exhibit D or the Term Sheet, to the extent that the City is required to indemnify an Indemnified Party hereunder, and the underlying claim being indemnified does not arise out of the City's breach of contract, sole ordinary negligence, gross negligence or intentional wrongful acts and is not due to a claim brought by the City, the City may reimburse itself for the costs of such indemnity out of the payments from the Supporting Organization, in which case the amount payable by the City to the Pensions shall be reduced by the amount reimbursed to the City for such indemnity.

### Jurisdiction/Venue/Choice of Law

The parties agree that, except as to disputes that are subject to arbitration in accordance with the "*Dispute Resolution*" section of the Term Sheet, jurisdiction shall be retained by

the United States Bankruptcy Court for the Eastern District of Michigan for all matters related to the contemplated transaction and venue shall be in Detroit. The parties agree that this agreement is to be governed by Michigan law.

### **The Commitments**

#### **2.1 DIA Funding Obligation.**

(a) Subject to the terms and conditions of this Agreement, including The DIA's guaranty obligations in Section 2.8(c) of this Agreement, The DIA hereby commits to pay to the Supporting Organization on the Closing Date and with respect to each Payment Date: (A) \$5 million multiplied by the number of annual payments required before and with respect to the then current Payment Date (treating the Closing Date for such purpose as a Payment Date) minus (B) the sum of (i) the aggregate amounts previously paid by The DIA, all DIA Direct Funders and both Special Foundation Funders plus (ii) the amount to be paid in the aggregate by all DIA Direct Funders and both Special Foundation Funders on such Payment Date. The DIA may pay an amount in excess of its obligation in this Section 2.1(a) without penalty or premium in connection with any payment otherwise made with respect to a Payment Date.

(b) Except for The DIA's guaranty obligations as provided in Section 2.8(c) of this Agreement, and taking into account the application of Sections 2.1(c) and (d) below, The DIA shall have no obligation to make any further payments and The DIA's obligations shall be entirely satisfied at such time (the "**Termination Date**") as: (A) the sum of (1) the remaining aggregate funding commitments of DIA Direct Funders to the Supporting Organization assuming such commitments are paid precisely in accordance with the funding schedule reflected in their individual DIA Direct Funder FDF Agreements plus, (2) the remaining aggregate funding commitments of both Special Foundation Funders to the Supporting Organization assuming such commitments are paid precisely in accordance with the funding schedule reflected in their individual Foundation FDF Agreements, plus (3) the aggregate amount theretofore paid by DIA Direct Funders, The DIA and both Special Foundation Funders to the Supporting Organization that is paid to the City Account is greater than or equal to (B) the sum of (i) \$5 million paid on the Closing Date plus (ii) nineteen (19) payments of \$5 million on each Payment Date thereafter, with each of the amounts in (A) and (B) being calculated with application of the Present Value Discount. The term "Termination Date" includes the date, if any, of the cancellation of the commitment of The DIA hereunder in accordance with Section 2.5(b) of this Agreement. Hypothetical examples of the calculation of The DIA's payment obligations pursuant to this Section 2.1 are attached as Schedule 2 to this Agreement.

(c) For purposes of the calculations in Sections 2.1(a) and 2.1(b) of this Agreement, in the event of a City Event of Default during a particular fiscal year (July 1 through June 30) that results in the cancellation of a payment pursuant to Section 2.5(b) of this

The obligation of each Foundation Funder to make such aggregate amount of payments to the Supporting Organization shall terminate at such time as, taking into account the application of Section 2.3(d), (A) the aggregate amount theretofore paid by that Foundation Funder to the Supporting Organization that is paid to the City Account is greater than or equal to (B) the aggregate amount of its commitment paid (i) on the Closing Date plus (ii) the nineteen (19) payments on each Payment Date thereafter, with each of the amounts in (A) and (B) being calculated with application of the Present Value Discount. For purposes of the calculations in this Section 2.2, in the event of a City Event of Default during a particular fiscal year (July 1 through June 30) that results in the cancellation of a payment pursuant to Section 2.5(b) of this Agreement, all Foundation Funders shall be deemed to have made the scheduled payment under their respective Foundation FDF Agreements on June 30 of such year notwithstanding the cancellation of such scheduled payment.

Further, the obligation of the Supporting Organization to remit payments to the City shall terminate upon the remittance in the aggregate of \$466 million, comprised of \$100 million from The DIA (including the commitments of DIA Direct Funders and Special Foundation Funders) and \$366 million from Foundation Funders (excluding Special Foundation Funders), in each case, without interest and before applying any Present Value Discount, if applicable, or the equivalent of such amount, applying the Present Value Discount, payable \$23.3 million at Closing and \$23.3 million with respect to each Payment Date thereafter. For purposes of the calculations in this Section 2.3(b), (x) in the event of a City Event of Default during a particular fiscal year (July 1 through June 30) that results in the cancellation of a payment by any Funder pursuant to Section 2.5(b) of this Agreement, the Supporting Organization shall be deemed to have made the scheduled payment under this Agreement on June 30 of such year notwithstanding such cancellation of such scheduled payment and (y) the provisions of Section 2.3(d) shall, if applicable, be taken into account in such calculation.

(d) The obligation of The DIA, a DIA Direct Funder and a Foundation Funder to make payment to the Supporting Organization of any portion of its commitment under this Agreement or any other Funding Agreement is conditioned upon the City's compliance with the covenants in Sections 5.2 and 5.3(a)-(d) of this Agreement, satisfaction of the conditions specified in Sections 2.4(a)-(c) above, the receipt of the Independent Audited Financial Reports and the Pension Certificate. The City acknowledges that The DIA under this Agreement, and under the DIA FDF Agreement, and each DIA Direct Funder and Foundation Funder under its respective Funding Agreement, shall have no obligation to make any payment to the Supporting Organization, nor shall the Supporting Organization have any obligation to remit any funds to the City Account, until all material requisite conditions precedent to funding in Section 2.4 of this Agreement are met. Failure of the City to meet the conditions to funding specified in this Section 2.4 in any material respect, including based on the Supporting Organization informing the City that the information provided in the Annual Report, the Independent Audited Financial Reports, the Pension Certificates or the Interim Reaffirmation is incomplete or unsatisfactory, shall be a "City Event of Default".

## **2.5 The City's Cure Right; Suspension or Cancellation of Funding.**

(a) The City shall have the opportunity to cure any City Event of Default by May 15th of the year following the date the Annual Report is due under Section 2.4(a) above (this being 135 days from the time conditions to funding were due to be met by the City) provided an issuance of written notice of a City Event of Default by the Supporting Organization was provided to the City by the Supporting Organization by January 31st of the year following the year such Annual Report was due from the City under Section 2.4(a) above. Notwithstanding the foregoing, to the extent that the applicable City Event of Default cannot reasonably be cured by May 15th as specified above or if the Event of Default arises out of the Independent Audited Financial Reports, the Pension Certificates or the Interim Reaffirmation of that Annual Report, and as long as the City has commenced to cure, and diligently pursues the cure of such default in good faith, such cure period shall be extended in writing by a reasonable period of time (the "Extended Cure Period"), to permit the City to cure such City Event of Default; provided, however, such Extended Cure Period shall not extend beyond December 15<sup>th</sup> (being 346 days from the date the Annual Report was due under Section 2.4(a) above). The City's ability to receive the benefit of the Extended Cure Period shall be subject to the written approval of the Supporting Organization upon receipt of a written request from the City setting forth why the City believes that it will be able to meet the requirements set forth above within the requested Extended Cure Period, which approval shall not be unreasonably withheld, conditioned or delayed.

(b) All obligations of The DIA under this Agreement, and as acknowledged by the City, all obligations of The DIA under the DIA FDF Agreement and of DIA Direct Funders and Foundation Funders under their respective Funding Agreements, to make scheduled payments and of the Supporting Organization to remit funds to the City Account shall be suspended for the duration of the initial and any Extended Cure Period. The City acknowledges and agrees that, if the City fails to cure a City Event of Default during the initial and any Extended Cure Period, the scheduled payment of The DIA under this Agreement and under the DIA FDF Agreement and of all DIA Direct Funders and Foundation Funders under their respective Funding Agreements shall be cancelled, and the Supporting Organization shall have

no obligation to remit any funds to the City Account with respect to such Payment Date. Further, the City acknowledges and agrees that if the City fails to cure a City Event of Default during the initial and any Extended Cure Period under this Agreement, The DIA, all DIA Direct Funders, Foundation Funders and the Supporting Organization shall have the right to cancel their respective remaining commitments under their respective Funding Agreements and this Agreement.

**2.6 Disputes and Remedies Regarding Conditions Precedent to Funding.** The DIA shall have the right to rely upon the determination of the board of directors of the Supporting Organization as to whether the conditions to a scheduled payment have been satisfied and, if not initially satisfied, whether any City Event of Default shall have been timely cured. The City acknowledges that each DIA Direct Funder and each Foundation Funder shall, pursuant to its respective Funding Agreement, similarly have the right to rely upon the determination of the board of directors of the Supporting Organization as to whether the conditions to a scheduled payment have been satisfied and, if not initially satisfied, whether any City Event of Default shall have been timely cured. The City shall have no claim (and not pursue any claim) against The DIA, any DIA Direct Funder or any Foundation Funder for such Funder's reliance upon the determination of the Supporting Organization. In the event that the Supporting Organization has determined that the conditions have not been satisfied (or the City Event of Default not timely cured) and the City disputes that determination, the City's only recourse shall be to dispute the Supporting Organization's determination in accordance with the provisions of Section 7.3 of this Agreement.

**2.7 Notification of Funding Conditions.** In the event it is determined by the Supporting Organization or through the dispute resolution provisions in Section 7.3 of this Agreement that the conditions to funding in Section 2.4 of this Agreement have been satisfied or a City Event of Default timely cured, the Supporting Organization shall within five (5) Business Days thereafter give written notification to each of The DIA, DIA Direct Funders and Foundation Funders. The DIA, and pursuant to each Funder's respective Funding Agreement, each DIA Direct Funder and Foundation Funder, shall be required to make its respective payment to the Supporting Organization (without interest) within twenty (20) days after written notification of such determination is issued by the Supporting Organization.

**2.8 Failures to Fund.**

(a) If The DIA has made its payment required under Section 2.1 of this Agreement or a Foundation Funder or DIA Direct Funder has made its scheduled payment under its respective Funding Agreement, in each case, to the Supporting Organization, the City shall have recourse only to the Supporting Organization (and not to any such Funder that made its payment) for such payment.

(b) If The DIA, a DIA Direct Funder or a Foundation Funder (the "**Non-funding Party**") has not within the twenty (20) day period specified in Section 2.7 of this Agreement made its payment to the Supporting Organization in accordance with this Agreement with respect to The DIA, or such DIA Direct Funder's or Foundation Funder's schedule reflected in its Funding Agreement, as applicable ("**Default Amount**"), the Supporting Organization shall notify the Non-funding Party that it must pay its Default Amount within thirty (30) days and if

not so paid, that the Supporting Organization shall assign its right to enforce payment of the Default Amount to the City. If the Non-funding Party does not pay its Default Amount within the thirty (30) day period, the Supporting Organization shall assign its right to enforce payment of the Default Amount to the City in full satisfaction of the Supporting Organization's obligation to make such payment to the City; provided that if the Non-funding Party is a DIA Direct Funder or a Special Foundation Funder (a "**Defaulted DIA Funder**") such assignment shall be made to The DIA and not the City. Except with respect to the guaranty obligation of The DIA with respect to a Defaulted DIA Funder in accordance with Section 2.8(c) below, the annual payment amount due to the City from the Supporting Organization on the Payment Date will be reduced by the Default Amount.

(c) In the case of a Defaulted DIA Funder, the Supporting Organization shall issue written notice to The DIA within two (2) days after the expiration of the twenty (20) day funding period specified in Section 2.7 of this Agreement of the name of the Defaulted DIA Funder and the Default Amount. The DIA shall within five (5) Business Days of receipt of such notice pay to the Supporting Organization (x) the Default Amount if the Termination Date has occurred and (y) if the Termination Date has not occurred, such additional amount as is necessary, if any, such that The DIA's payment to the Supporting Organization with respect to such Payment Date is equal to the amount that The DIA is otherwise required to pay pursuant to Section 2.1 of this Agreement. The DIA shall not, however, have any obligation pursuant to this Section 2.8(c) if The DIA's commitment has been cancelled as provided in Section 2.5 of this Agreement. If the Supporting Organization thereafter collects the Default Amount from the Defaulted DIA Funder, the Supporting Organization shall promptly pay such amount to The DIA.

(d) The City agrees that, except for the guaranty obligation of The DIA in Section 2.8(c) of this Agreement with respect to a Defaulted DIA Funder, in no event will any Funder other than the Non-funding Party have any responsibility for the payment or obligations of such Non-funding Party, and the City will not have any right to collect any amounts from any Funder except as set forth in Section 2.8(b) of this Agreement. No party other than the City (as provided in Section 2.8(b) of this Agreement), the Supporting Organization, or The DIA with respect to a Defaulted DIA Funder or a DIA Indirect Funder pursuant to any grant agreement directly with The DIA shall have the right to assert any claim against any Funder. Without limiting the foregoing, the failure of The DIA, any DIA Direct Funder, any Foundation Funder or the Supporting Organization to make a scheduled payment shall only give rise to a claim by the City against such Non-funding Party (pursuant to Section 2.8(b) above), or by the Supporting Organization, and not against any other Funder, the Supporting Organization, The DIA or the DIA Assets; provided, however, (x) The DIA will have its guaranty obligations under Section 2.8(c) of this Agreement and its rights under its applicable grant agreement with each DIA Indirect Funder and (y) the foregoing shall not preclude the City from asserting claims in satisfaction of an indemnity claim pursuant to Section 6.1(b) of this Agreement but only against cash, cash equivalents or cash receivables of The DIA (excluding any cash, cash equivalents or cash receivables that are restricted in use by the terms of the donation, gift, bequest or contribution of a third party or by restrictions imposed on the use of proceeds from the sale of art by the applicable standards or ethical guidelines of the AAM or the Association of Art Museum Directors (or such other organizations by which The DIA or the Museum or its Director is accredited in the future or of which they become members in accordance with then applicable art

museum best practices). Without limiting the foregoing, under no circumstances shall the City or the Supporting Organization have a claim against any DIA Indirect Funder.

(e) The City will be responsible for all costs of its enforcement against the Non-funding Party or the Supporting Organization, as applicable, and will not seek reimbursement of costs of enforcement from any other Funder or the Supporting Organization. No other person or entity shall have the right to enforce payment of any commitments in connection with any Funding Agreement or any Transactional Documentation except as specifically set forth in this Agreement.

### **ARTICLE III** **Initial Funding; Closing**

**3.1 Closing.** The closing of the transactions pursuant to this Agreement (the “**Closing**”) will take place immediately following the written confirmation from an authorized representative of the City, the Supporting Organization and The DIA in the form of **Exhibit E** to this Agreement (the “**Closing Direction**”); provided, that the Closing hereunder shall in all events occur concurrently with the closing under the Charitable Trust Agreement. The time and date on which the Closing occurs is referred to in this Agreement as the “**Closing Date**”.

**3.2 Initial Funding.** On the Closing Date, subject to the satisfaction of the deliverables pursuant to Section 3.3 of this Agreement, the Supporting Organization shall remit to the City Account pursuant to the wire transfer instructions on Schedule 1 to this Agreement:

(i) the aggregate payment by Foundation Funders (excluding Special Foundation Funders) of at least \$18.3 million, and

(ii) the aggregate payment by The DIA, DIA Direct Funders and Special Foundation Funders of at least \$5 million.

**3.3 At the Closing.** At the Closing, the Supporting Organization shall deliver, or cause to be delivered, to each of the other Parties fully executed copies of the following which, to the extent held by the Title Company in escrow, shall be deemed delivered by virtue of the release of such documents by the Title Company in accordance with escrow instructions previously delivered to the Title Company:

(a) each grant agreement between a Foundation Funder and the Supporting Organization in substantially the form of **Exhibit B** to this Agreement (the “**Foundation FDF Agreement**”).

(b) each grant agreement between a DIA Direct Funder and the Supporting Organization in substantially the form of **Exhibit C** to this Agreement (the “**DIA Direct Funder FDF Agreement**”).

(c) the agreement between The DIA and the Supporting Organization in substantially the form of **Exhibit D** to this Agreement with respect to The DIA’s payment obligations as set forth in Section 2.1 of this Agreement (the “**DIA FDF Agreement**”).

## **ARTICLE IV**

### **Representations and Warranties; Covenants of The DIA and the Supporting Organization**

#### **4.1 DIA Representations, Warranties and Covenants.**

(a) The DIA represents and warrants that this Agreement and the DIA FDF Agreement have been duly executed and The DIA's obligations under this Agreement and under the DIA FDF Agreement are authorized, valid and binding commitments of The DIA, enforceable against it in accordance with their respective terms.

(b) The DIA acknowledges that (x) Foundation Funders, DIA Funders and the Supporting Organization have no financial obligations other than, in the case of Foundation Funders, on a several basis, their individual commitments in their respective Foundation FDF Agreement, in the case of DIA Direct Funders, their respective commitments in each of their DIA Direct Funder FDF Agreements, and DIA Indirect Funders pursuant to any grant agreement directly with The DIA, and (y) that the Funders are not guaranteeing payment to the City of any amount committed by any other Funder (other than The DIA with respect to its obligations in Section 2.8(c) of this Agreement).

(c) The DIA agrees not to amend or modify the DIA FDF Agreement, or release or waive any rights that it has under such Funding Agreement, in a manner that would reasonably be expected to adversely affect the timing or amount of the payments to be made thereunder without the consent of the City.

**4.2 Supporting Organization Representations and Warranties.** The Supporting Organization represents that its obligations under this Agreement and under the applicable Funding Agreements have been duly executed and are authorized, valid and binding upon the Supporting Organization, enforceable against it in accordance with their respective terms.

#### **4.3 Supporting Organization Covenants as to Funding Agreements.**

(a) The Supporting Organization agrees not to amend or modify any Funding Agreement, or release or waive any rights that it has under any Funding Agreement, in a manner that would reasonably be expected to adversely affect the timing or amount of the payments to be made thereunder (i) without the consent of the City and, (ii) with respect to any DIA Direct Funder FDF Agreement or Foundation FDF Agreement with a Special Foundation Funder, the consent of The DIA.

(b) The Supporting Organization shall promptly after execution thereof deliver to The DIA and the City copies of any DIA Direct Funder FDF Agreement entered into after the Closing Date, or any modifications to any DIA Direct Funder FDF Agreement or Foundation FDF Agreement with a Special Foundation Funder executed at Closing, in the event that the commitments thereunder are increased or modified (with the consent of The DIA) after the Closing Date.

(c) Concurrently with the remittance of payments to the City Account by the Supporting Organization, the Supporting Organization shall deliver to The DIA and the City a schedule which reflects all payments received in such year from DIA Direct Funders and Special

Foundation Funders and shall denote thereon whether any such payment represents a prepayment in excess of the funding schedule under the applicable DIA Direct Funder FDF Agreement or Foundation FDF Agreement, as applicable, and the date on which such payment was remitted to the City Account.

**4.4 Reporting Obligations.** The DIA will provide to the other Funders and the City, and/or their representatives, within 150 days after the end of each fiscal year during the Payment Period (i) annual financial statements of The DIA audited by an independent certified public accountant and (ii) the annual report of the Director of the Museum in the form provided to the board of directors of the Museum.

**4.5 Supporting Organization Observer Right.** During the Payment Period, the Supporting Organization shall have the right to designate a representative to attend and participate in a non-voting observer capacity in the meetings of the Board of The DIA (or its successor entity) subject to such observer's compliance with the applicable policies regarding confidentiality, conflicts of interest and other similar matters as may reasonably be adopted from time to time by The DIA.

## **ARTICLE V** **Representations and Warranties; Covenants of the City**

### **5.1 City Representations and Warranties.**

(a) The City represents and warrants that this Agreement has been duly executed and the City's obligations under this Agreement are authorized, valid and binding commitments of the City, enforceable against it in accordance with its terms.

(b) The City acknowledges that (x) Foundation Funders, DIA Funders and the Supporting Organization have no financial obligations other than, in the case of Foundation Funders, on a several basis, each of their commitments in their individual Foundation FDF Agreements, in the case of DIA Direct Funders, their respective commitments in each of their DIA Direct Funder FDF Agreements, and DIA Indirect Funders pursuant to any grant agreement directly with The DIA, and (y) that the Funders are not guaranteeing payment to the City of any amount committed by any other Funder (other than The DIA with respect to its obligations in Section 2.8(c) of this Agreement). The City further acknowledges that it has no rights under any grant agreement between any DIA Indirect Funder and The DIA.

**5.2 City Commitments Relating to Pensions.** The City covenants to The DIA and Supporting Organization as follows:

(a) For the twenty (20) year period following the effective date of the Plan of Adjustment, the City shall maintain the Pension Governance Terms reflected in the GRS and the PFRS, as applicable, without modification or amendment, except as required to comply with applicable federal law, including without limitation to maintain the tax qualified status of the GRS or PFRS under the Internal Revenue Code, or the Plan of Adjustment.

(b) The City acknowledges that, except as provided in Section 6.3(e) and to pay reasonable expenses of maintaining the City Account, all funds remitted by the Supporting

Organization to the City Account in connection with this Agreement shall be used solely for the payment of contributions to GRS and PFRS, allocated as provided in the Plan of Adjustment, in satisfaction of the City's obligation to contribute to the Prior GRS Pension Plan and the Prior PFRS Pension Plan in accordance with the Plan of Adjustment. Except as provided in Section 6.3(e) and to pay reasonable expenses of maintaining the City Account, the City shall cause to be transferred from the City Account for payment of contributions to the Prior GRS Pension Plan and the Prior PFRS Pension Plan all amounts received from the Supporting Organization within not more than three (3) Business Days after such funds are deposited in the City Account.

(c) The City shall notify the Supporting Organization in writing prior to the selection of the initial and successor independent GRS Investment Committee and PFRS Investment Committee members and such notice shall include information regarding the identity and qualifications of the candidates under consideration by the State, the City and the GRS Board or PFRS Board, as applicable. In addition, upon the written request of the Supporting Organization, the City shall provide to the appropriate representatives of the State and the applicable Board any written comments or observations about the candidates that the Supporting Organization elects in its consulting role to provide to the City, provided that such written comments or observations are received by the City no later than three (3) days after the City has provided notice to the Supporting Organization of the identity of the candidates under consideration.

(d) The City shall provide written notification of any change to the wire transfer instructions to the City Account on Schedule 1 to this Agreement at least ten (10) Business Days prior to the next Payment Date.

**5.3 Other City Commitments.** The City covenants to The DIA and Supporting Organization as follows:

(a) The City shall pass no charter, ordinance or other provision that solely affects or primarily targets the Museum, The DIA or museums within the City generally which charter, ordinance or other provision has a material adverse impact on the Museum or The DIA (it being understood that a "material adverse impact" shall include any adverse financial impact or any contradiction, or adverse impact on the enforceability, of the terms of the DIA Settlement or the Transaction Documentation), except pursuant to State-enabling legislation.

(b) The City agrees that after the Effective Time the City of Detroit Arts Commission will have no oversight of The DIA, the Museum or the DIA Assets.

(c) The City shall not impose any fee, tax or other cost on the Museum or The DIA that solely affects or primarily targets the Museum, The DIA, the DIA Assets or museums within the City generally.

(d) The City shall provide (or cause to be provided) utilities, police, fire and other City services to The DIA at the same pricing and on the same terms upon which the City offers to provide utilities, police, fire and such other City services to arm's-length third parties generally.

(e) The City agrees that, as of the date hereof, there are no further commitments from the Funders, the Supporting Organization, The DIA or the State relating to the Museum or the DIA Assets beyond those contained in this Agreement or the other Transaction Documentation.

## **ARTICLE VI** **Indemnification**

**6.1 Indemnification by The DIA.** To the maximum extent permitted by law, The DIA shall indemnify, defend and hold harmless:

(a) DIA Funders, Foundation Funders, the City and the Supporting Organization and each of their Related Parties (the “**DIA Indemnified Parties**”) from, against, and with respect to any Loss arising out of or in any manner, incident, relating or attributable to, or resulting from The DIA’s failure to perform any of its obligations under the Transaction Documentation; and

(b) the City and its Related Parties from, against, and with respect to any Loss arising out of or in any manner, incident, relating or attributable to, or resulting from any claim brought by an employee of The DIA arising from or relating to his/her employment with The DIA which employment commenced at any time after the effective date of the Operating Agreement and prior to the Effective Time, including without limitation, wrongful termination, workers’ compensation, unemployment compensation, discrimination, violation of federal or state labor or employment laws, ERISA, bodily injury, personal injury or defamation, but excluding any claim relating to pension benefits from the GRS to which such employee was or is entitled by virtue of having been employed by the City prior to the commencement of employment with The DIA (the “**Employee Liabilities**”).

### **6.2 Indemnification by the City.**

(a) To the maximum extent permitted by law, the City shall indemnify, defend, and hold Foundation Funders, DIA Funders, The DIA and the Supporting Organization and their respective Related Parties (the “**City Indemnified Parties**”) harmless from, against, and with respect to any Loss arising out of or in any manner incident, relating or attributable to, or resulting from the following (provided indemnification will not be available to an Indemnified Party to the extent resulting from such Indemnified Party’s breach of contract, sole ordinary negligence, gross negligence or intentional wrongful acts):

(i) Any claims by third parties or the City arising out of any action properly taken by a City Indemnified Party under the Transaction Documentation, including but not limited to, any payment or non-payment or performance of any other obligation of the City Indemnified Parties permitted thereunder;

(ii) Any breach or failure of any representation or warranty of the City contained in the Transaction Documentation between the City and the City Indemnified Parties and/or other parties related to the transactions consummated pursuant to this Agreement or the Charitable Trust Agreement;

(iii) Any failure by the City to perform, satisfy or comply with any covenant, agreement or condition to be performed, satisfied or complied with by the City under the Transaction Documentation with the City Indemnified Parties or under agreements with any third parties contemplated by this Agreement or the Charitable Trust Agreement;

(iv) Reliance by the City Indemnified Parties upon any books or records of the City or reliance by them on any written information furnished by the City or any of the City's employees, officials or agents to them to the extent any such information should prove to be false or materially inaccurate or misleading (including, without limitation, by omission), but only to the extent that such books, records or written information was furnished by the City in connection with the City showing its compliance with the conditions to initial or future funding as set forth in this Agreement;

(v) Any claim or objection made after the Effective Date of the Plan of Adjustment in the Bankruptcy Case or any other action brought against, or involving, the City Indemnified Parties with respect to their participation in any transaction contemplated by the proposed or confirmed Plan of Adjustment;

(vi) The transfer, assignment or sale by the City to The DIA of any assets or property (real or personal) and any rights, title and interests therein including but not limited to, the Museum and all of the Museum Assets;

(vii) Any action or claim against the City Indemnified Parties made by the GRS or PFRS, including any successors or assigns and any plan participants, or their representatives, successors or assigns (collectively, the "**Pension Funds**"), as nothing under the Transaction Documentation is intended to, nor are they to be construed or interpreted to, make the City Indemnified Parties a party in privity with, or having an obligation in any capacity to the Pension Funds. By way of illustration and not limitation, the following statements apply:

First, the City Indemnified Parties have no responsibility for the operation or administration of the Pension Funds and have no fiduciary responsibility for the Pension Funds as plan sponsor, plan administrator, investment advisor or otherwise; and

Second, the City Indemnified Parties have no obligation to contribute towards the funding of the Pension Funds and are not a funding guarantor.

(viii) Any action or claim brought by the City, The DIA, the Pension Funds or any other party concerning non-payment of the commitments pursuant to this Agreement (and the Funding Agreements) by the City Indemnified Parties due to the breach of the Transaction Documentation by the City, The DIA, the Pension Funds or any other party, so long as the City Indemnified Parties have made a good faith determination of the breach of the Transaction Documentation or payment condition.

(b) The City shall not contest on any grounds the enforceability of its indemnification obligations hereunder.

(c) Notwithstanding the foregoing, the Parties acknowledge that the City is not making any representations to The DIA regarding the City's title to the Museum Assets prior to the Effective Time and that The DIA will not be entitled to indemnification in connection with its defense of any claims by third parties after the Effective Time challenging The DIA's title to any Museum Asset to the extent that such claim is based on an allegation that the City did not have legal title to the particular Museum Asset prior to the Effective Time (a "**Quitclaim Challenge**"). To be clear, however, The DIA will be entitled to indemnification by the City under this Section 6.2 in connection with any challenges after the Effective Time to The DIA's title to Museum Assets that are in any way based upon a claim that the title that the City had to the Museum Assets prior to the Effective Time was not effectively conveyed to The DIA at and as a result of the closing under the Charitable Trust Agreement. For avoidance of doubt, in the event of a final determination by the Bankruptcy Court not subject to appeal or certiorari by a court of competent jurisdiction that the Museum Assets must be re-conveyed to the City, the Losses for which The DIA may be indemnified shall not include the value of the Museum Assets but shall include all other Losses incurred by The DIA for which it is otherwise entitled to indemnification under this Agreement.

(d) Notwithstanding the foregoing, the City's indemnification of an Indemnified Party shall be limited solely to Losses arising out of or related to the Indemnified Party's participation in any transaction contemplated by the DIA Settlement.

### **6.3 Defense of Indemnity Claims.**

(a) An Indemnified Party shall provide written notice to The DIA or the City, as applicable (the "**Indemnifying Party**") in a timely manner and in any event, within twenty-one (21) days of receipt of any claim, of any matters as to which the Indemnified Party is entitled to receive indemnification and shall set forth in such notice reasonable detail regarding specific facts and circumstances then known by the Indemnified Party which pertain to such matters. Failure or delay in providing such notice shall not relieve the Indemnifying Party of its defense or indemnity obligations except to the extent the Indemnifying Party's defense of an applicable claim against an Indemnified Party is actually prejudiced by such Indemnified Party's failure or delay.

(b) To the extent the Indemnifying Party is notified of a claim for which it is required to indemnify an Indemnified Party, the Indemnifying Party shall be solely responsible at its expense for responding to or otherwise defending such claim. In such event, the Indemnifying Party shall assume exclusive control of the defense of such claim at its sole expense using counsel of its sole choosing and may settle such claim in its sole discretion; provided, however, that (i) with respect to any claim that involves allegations of criminal wrongdoing, the City shall not settle such claim without the prior written approval of the City Indemnified Party, which approval may be withheld in such City Indemnified Party's sole discretion, and (ii) with respect to any other claim, the Indemnifying Party shall not settle such claim in a manner that requires the admission of liability, fault, or wrongdoing on the part of an Indemnified Party, that fails to include a release of all covered claims pending against the

Indemnified Party, or that imposes any obligation on the Indemnified Party without the prior written approval of the Indemnified Party, which approval may be withheld in such Indemnified Party's sole discretion.

(c) The Indemnifying Party will keep the Indemnified Party reasonably informed of the status of any negotiations or legal proceedings related to any claim, and the Indemnified Party shall be entitled to engage counsel (at its own expense) to monitor the handling of any claim by the Indemnifying Party.

(d) Notwithstanding the foregoing, The DIA shall be entitled to defend on its own behalf any claims regarding title to, interest in or control of the Museum Assets or operation of the Museum (including with respect to a Quitclaim Challenge provided The DIA shall not be entitled to indemnification for a Quitclaim Challenge, as set forth above). To the extent The DIA intends to exercise such right, the City and The DIA shall use their commercially reasonable efforts in good faith to coordinate a joint defense of such claim (including as to selection of joint counsel). If the City and The DIA cannot agree on a joint defense of the claim, each Party shall undertake its own defense, reserving all rights against the other for indemnification hereunder with respect to such claim, but, in such case, The DIA shall not be entitled to indemnification of its defense costs in connection therewith.

(e) Notwithstanding anything to the contrary set forth in this Agreement or in the Charitable Trust Agreement, to the extent that the City is required to indemnify a City Indemnified Party hereunder, and the underlying claim being indemnified does not arise out of the City's breach of contract (including a City Event of Default), sole ordinary negligence, gross negligence or intentional wrongful acts and is not due to a claim brought by the City (including pursuant to Section 2.8(b) of this Agreement), the City may reimburse itself for the costs of such indemnity out of the City Account, in which case the amount payable by the City in satisfaction of the City's obligation to contribute to the Prior GRS Pension Plan and the Prior PFRS Pension Plan shall be reduced by the amount reimbursed to the City for such indemnity.

## **ARTICLE VII**

### **Miscellaneous**

**7.1 No Third Party Beneficiary.** Except for the Indemnified Parties, each of whom is an express third-party beneficiary under this Agreement with respect to ARTICLE VI of this Agreement, and each Funder who is an express third-party beneficiary under Sections 2.3(d), 2.5(b), 2.6, 2.8(a), 2.8(d), 2.8(e), 4.1(b), 4.4, 5.1(b) and 5.3(e) of this Agreement, the terms and provisions of this Agreement are intended solely for the benefit of the Parties and their respective successors and permitted assigns, and nothing contained in this Agreement, expressed or implied, is intended to confer upon any person or entity other than the City, The DIA, and the Supporting Organization any third-party beneficiary rights or remedies.

**7.2 Choice of Law; Jurisdiction; Venue.** This Agreement shall be construed in accordance with the laws of the State of Michigan without regard to such state's choice of law provisions which would require the application of the law of any other jurisdiction. By its execution and delivery of this Agreement, each of the Parties irrevocably and unconditionally agrees for itself that, except as to disputes regarding the calculation of the The DIA's payment

obligations under this Agreement or of a Foundation Funder under a Foundation FDF Agreement which shall be determined in accordance with Section 2.3(c) of this Agreement, or any disputes that are subject to arbitration in accordance with Section 7.3 of this Agreement, any legal action, suit or proceeding against it with respect to any matter arising under or arising out of or in connection with this Agreement, or for recognition or enforcement of any judgment rendered in any such action, suit or proceeding, including a proceeding under Section 2.3(c) or Section 7.3 of this Agreement, shall be brought in the Bankruptcy Court for so long as it has jurisdiction, and thereafter in the United States District Court for the Eastern District of Michigan; provided that if the United States District Court for the Eastern District of Michigan does not have jurisdiction, then such legal action, suit or proceeding shall be brought in such other court of competent jurisdiction located in Wayne County, Michigan; and provided, further, that The DIA may bring a legal action, suit or proceeding in a state court to obtain a writ of mandamus to enforce the obligations of the City in Section 5.3 of this Agreement. By execution and delivery of this Agreement, each of the Parties irrevocably accepts and submits to the exclusive jurisdiction of such court, generally and unconditionally, with respect to any such action, suit or proceeding and specifically consents to the jurisdiction and authority of the Bankruptcy Court to hear and determine all such actions, suits, and proceedings under 28 U.S.C. §157(b) or (c), whichever applies.

**7.3 Dispute Resolution.** Any controversy or claim arising out of or relating to the satisfaction of the conditions precedent to funding in ARTICLE II of this Agreement shall be settled by arbitration administered by the American Arbitration Association (“AAA”) in accordance with its Commercial Arbitration Rules, and judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof in accordance with Section 7.2 of this Agreement. Any such controversy or claim shall be submitted to a panel of three (3) AAA arbitrators. The place of the arbitration shall be within the Wayne County, Michigan. Except as may be required by law, neither a party nor an arbitrator may disclose the existence, content, or results of any arbitration hereunder without the prior written consent of all Parties to the arbitration. The Parties may apply to the arbitrator seeking injunctive relief until the arbitration award is rendered or the controversy is otherwise resolved. The Parties also may, without waiving any remedy under this Agreement, seek from any court having jurisdiction in accordance with Section 7.2 of this Agreement any interim or provisional relief that is necessary to protect the rights or property of that party, pending the establishment of the arbitral tribunal (or pending the arbitral tribunal’s determination of the merits of the controversy). Each Party shall bear its own costs and expenses and an equal share of the arbitrators’ and administrative fees of arbitration. With respect to any dispute as to a City Event of Default and a payment in connection with the same, the arbitration proceeding and its findings contemplated under this Section must be held and received by no later than the January 31<sup>st</sup> of the second calendar year after the year in which the Annual Report was due, as provided in Section 2.4(a) above, from the City to the Supporting Organization from which the disputed City Event of Default arose, regardless of whether the City Event of Default arises from the Annual Report or the Interim Reaffirmation of said report. If the arbitration hearing findings cannot be received by that January 31<sup>st</sup>, the position of the Supporting Organization that the City Event of Default exists and has not been cured will be deemed a final determination for purposes of determining whether the conditions to funding have been satisfied.

**7.4 Specific Performance.** It is understood and agreed by the Parties that money damages would be an insufficient remedy for any breach of this Agreement by any Party and each non-breaching Party shall be entitled to specific performance and injunctive or other equitable relief as a remedy for any such breach, including, without limitation, seeking an order of the court having jurisdiction in accordance with Section 7.2 of this Agreement requiring any Party to comply promptly with any of its obligations hereunder.

**7.5 Amendment and Waiver.** This Agreement may be amended and any provision of this Agreement may be waived; provided that any such amendment or waiver will be binding upon the Parties only if such amendment or waiver is set forth in a writing executed by all Parties during the Payment Period and, thereafter, by The DIA and the City. No course of dealing between or among any persons having any interest in this Agreement will be deemed effective to modify, amend or discharge any part of this Agreement or any rights or obligations of any Party under or by reason of this Agreement.

**7.6 Notices.** All notices, demands and other communications given or delivered under this Agreement shall be given in writing to the address indicated below (or such other address as the recipient specifies in writing) and will be deemed to have been given when delivered personally, three (3) Business Days after mailed by certified or registered mail, return receipt requested and postage prepaid, or when delivery is guaranteed if sent via a nationally recognized overnight carrier, or when receipt is confirmed if sent via facsimile or other electronic transmission to the recipient with telephonic confirmation by the sending party.

**7.7 Binding Agreement; Assignment.** This Agreement and all of the provisions hereof will be binding upon and inure to the benefit of the Parties and their respective successors and permitted assigns; provided that neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned by any Party (by operation of law or otherwise) without the prior written consent of all the other Parties. Any attempted assignment in violation of this Section 7.7 shall be null and void.

**7.8 Severability.** Whenever possible, each provision of this Agreement will be interpreted in such a manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be prohibited by or invalid under applicable law, such provision will be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of such provisions or the remaining provisions of this Agreement.

**7.9 No Strict Construction.** The language used in this Agreement will be deemed to be the language chosen by the Parties to express their mutual intent. In the event an ambiguity or question of intent or interpretation arises, this Agreement will be construed as if drafted jointly by the Parties, and no presumption or burden of proof will arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement.

**7.10 Captions.** The captions used in this Agreement are for convenience of reference only and do not constitute a part of this Agreement and will not be deemed to limit, characterize or in any way affect any provision of this Agreement, and all provisions of this Agreement will be enforced and construed as if no caption had been used in this Agreement.

**7.11 Entire Agreement.** This Agreement, including the Exhibits, constitutes the entire agreement of the Parties with respect to the subject matter of this Agreement and

supersedes all other prior negotiations, agreements and understandings, whether written or oral, among the Parties with respect to the subject matter of this Agreement.

**7.12 Counterparts.** This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same instrument, and shall become effective when counterparts have been signed by each of the Parties and delivered to the other Parties; it being understood that all Parties need not sign the same counterpart. The exchange of copies of this Agreement or of any other document contemplated by this Agreement (including any amendment or any other change thereto) and of signature pages thereof by facsimile transmission (whether directly from one facsimile device to another by means of a dial-up connection or whether otherwise transmitted via electronic transmission), by electronic mail in “portable document format” (“**.pdf**”) form, or by any other electronic means intended to preserve the original graphic and pictorial appearance of a document, or by a combination of such means, shall constitute effective execution and delivery of this Agreement as to the Parties and may be used in lieu of an original Agreement or other document for all purposes. Signatures of the Parties transmitted by facsimile, by electronic mail in .pdf form or by any other electronic means referenced in the preceding sentence, or by any combination thereof, shall be deemed to be original signatures for all purposes.

<b>Total</b>			<b>\$100,000,000</b>	<b>\$92,000,000</b>	<b>\$8,000,000</b>

As of the Closing Date, \$5 million multiplied by the single Payment Date (Closing) equals \$5 million. The sum of previous payments by The DIA, DIA Direct Funders and Special Foundation Funders (\$0) and the DIA Direct Funders' and Special Foundation Funders' scheduled payment at Closing (\$0) equals \$0. Therefore, at Closing, The DIA is obligated to pay \$5 million less \$0, which equals \$5 million. The formula applies in an identical manner to the June 30, 2016 Payment Date (and the remaining Payment Dates). \$5 million multiplied by the two (2) relevant Payment Dates (the Closing Date and June 30, 2016) equals \$10 million. The sum of the previous payments by The DIA, DIA Direct Funders and Special Foundation Funders (\$5 million) and the DIA Direct Funders' and Special Foundation Funders' scheduled payment (\$2 million) equals \$7 million. Therefore, on June 30, 2016, The DIA is obligated to pay \$10 million less \$7 million, which equals \$3 million.

As of June 30, 2016, The DIA has satisfied its payment obligation under the Omnibus Transaction Agreement (other than its guarantee obligation). The Present Value Discount of the total payments made as of the end of the day June 30, 2016, plus the Present Value Discount of

the DIA Direct Funders' and Special Foundation Funders' remaining scheduled payments equals the Present Value Discount of \$5 million paid at Closing and 19 annual payments of \$5 million commencing as of June 30, 2016.

\*DIA Direct Funder and Special Foundation Funder scheduled payments are assumed to be made on the Payment Date, as scheduled.

\*\* All examples assume an October 31, 2014 Closing Date.

<b>Total</b>			<b>\$74,316,096</b>	<b>\$60,000,000</b>	<b>\$14,316,096</b>	<b>\$0</b>

As of the Closing Date, \$5 million multiplied by the single Payment Date (the Closing Date) equals \$5 million. The sum of previous payments by The DIA, DIA Direct Funders and Special Foundation Funders (\$0) and the DIA Direct Funders' and Special Foundation Funders' scheduled payment at Closing (\$10,000,000) is \$10 million. Therefore, at Closing, The DIA is not obligated to make a payment. The same result occurs for each Payment Date up to June 30, 2027.

As of the June 30, 2027 Payment Date, \$5 million multiplied by the 13 relevant Payment Dates equals \$65 million. The sum of the previous payments by The DIA (\$0) and DIA Direct Funders and Special Foundation Funders (\$60 million) and the DIA Direct Funders' and Special Foundation Funders' scheduled payments on June 30, 2027 (\$0), equals \$60 million. Therefore, on June 30, 2027, The DIA is obligated to pay \$65 million less \$60 million, which equals \$5 million. The same result would occur for each of the remaining Payment Dates, except the Present Value Discount limitation under Section 2.1(b) applies as of the June 30, 2029 Payment Date. On that Payment Date, the formula for the Present Value Discount will result in The DIA only needing to pay \$4,316,096 in order for the Present Value Discount of the total payments made as of the end of that day, plus the Present Value Discount of the DIA Direct Funders' and Special Foundation Funders' remaining scheduled payments (\$0) equaling the Present Value Discount of \$5 million paid at Closing and 19 annual payments of \$5 million commencing as of June 30, 2016.

\*DIA Direct Funder and Special Foundation Funder scheduled payments are assumed to be made on the Payment Date, as scheduled.

\*\*No payment due because of Present Value Discount limitation.

<b>Total</b>			<b>\$73,726,128</b>	<b>\$60,000,000</b>	<b>\$5,316,159</b>	<b>\$8,409,969</b>

The facts are the same as in Example 2, except that The DIA makes a \$4,683,841 prepayment at the time of the June 30, 2027 Payment Date. For the June 30, 2028 Payment Date, The DIA is obligated to pay \$316,159, calculated as follows: \$5 million multiplied by 14 relevant Payment Dates equals \$70 million, less previous payments of \$69,683,841, equals \$316,159. The DIA makes a \$3,726,128 prepayment at the time of the June 30, 2028 Payment Date also. For the June 30, 2029 Payment Date, The DIA is not obligated to make any payment, notwithstanding the following calculation: \$5 million multiplied by 15 relevant Payment Dates equals \$75 million, less previous payments of \$73,726,128, equals \$1,273,872. However, under Section 2.1(b), the Present Value Discount of the payments made as of the end of the day on June 30, 2028 (\$73,726,128, before discounting), plus the Present Value Discount of the DIA Direct Funders' and Special Foundation Funders' remaining scheduled payments (\$0) equals the Present Value Discount of \$5 million paid at Closing and 19 annual payments of \$5 million commencing as of June 30, 2016. The DIA's prepayments at the time of the 2027 and 2028 Payment Dates results in The DIA not having a payment obligation in 2029 or thereafter.

\*DIA Direct Funder and Special Foundation Funder scheduled payments are assumed to be made on the Payment Date, as scheduled.

\*\*\$4,683,841 is the discounted value of \$5 million at a 6.75% discount rate for a one-year period.

\*\*\*\$3,726,128 is the discounted amount that results in The DIA fulfilling its payment obligation on a present value basis as of June 30, 2028.

\*\*\*\*No payment due because of Present Value Discount limitation and no guarantee because there are no remaining commitments.

The facts are the same as in Example 3, except the DIA Direct Funders' and Special Foundation Funders' Scheduled Payment has been revised as set forth above and The DIA will be required to make payments for the Payment Dates in years 2023 through 2030. The DIA's prepayment of \$4,683,841 at the time of the June 30, 2027 Payment Date and its payment obligation on the June 30, 2028 Payment Date remain the same as in Example 3. Under Section 2.1(a), The DIA has a \$5 million payment obligation with respect to the June 30, 2029 Payment Date. On the June 30, 2030 Payment Date, The DIA pays \$1,969,618, notwithstanding the following calculation: \$5 million multiplied by 16 relevant Payment Dates equals \$80 million, less previous payments of \$75,000,000, equals \$5,000,000. However, under Section 2.1(b), the Present Value Discount of the payments made as of the end of the day on June 30, 2030 (\$76,969,618 before discounting), plus the Present Value Discount of the DIA Direct Funders' and Special Foundation Funders' remaining scheduled payments (\$10,000,000, before discounting) equals the Present Value Discount of \$5 million paid at Closing and 19 annual payments of \$5 million commencing as of June 30, 2016. The DIA's aggregate payments as of the June 30, 2030 Payment Date result in The DIA not having a payment obligation in 2031 or thereafter.

\*DIA Direct Funder and Special Foundation Funder scheduled payments are assumed to be made on the Payment Date, as scheduled.

\*\*\$4,683,841 is the discounted value of \$5 million at a 6.75% discount rate for a one-year period.

\*\*\*\$1,969,618 is the discounted amount that results in The DIA fulfilling its payment obligation on a present value basis as of June 30, 2030.

\*\*\*\*No payment due because of Present Value Discount limitation, but The DIA guarantee applies if the 2033 and 2034 payments are not made or are not made on a timely basis.

## **SETTLEMENT, CONVEYANCE AND CHARITABLE TRUST AGREEMENT**

THIS SETTLEMENT, CONVEYANCE AND CHARITABLE TRUST AGREEMENT (this “**Agreement**”), effective as of the Effective Time, is entered into by and between the City of Detroit, Michigan (the “**City**”) and The Detroit Institute of Arts, a Michigan nonprofit corporation f/k/a Founders Society Detroit Institute of Arts (“**The DIA**”). The City and The DIA are together referred to herein as the “**Parties**” and individually as a “**Party**”. Capitalized terms used in this Agreement and not defined herein shall have the meaning ascribed thereto in the Omnibus Transaction Agreement among the City, The DIA and Foundation for Detroit’s Future, a Michigan nonprofit corporation (the “**Omnibus Transaction Agreement**”).

### **RECITALS**

WHEREAS, beginning in 1885 The DIA held the assets of the museum that is now commonly referred to as the Detroit Institute of Arts (the “**Museum**”) in charitable trust for the benefit of the people of the City and the State of Michigan (the “**State**”) and, beginning in 1919, the City began to hold certain of such assets in charitable trust, with museum assets acquired by either The DIA or the City, and assets contributed by other donors and the State, constituting additions to the trust corpus to the extent not expended for the ongoing conduct of the trust’s charitable and educational activities;

WHEREAS, the Attorney General of the State has determined that the Museum collection is held by the City in charitable trust;

WHEREAS, The DIA asserts that the Museum and all Museum Assets are owned by the City in charitable trust, the co-trustees of which are the City and The DIA and subject to the protections of a public trust;

WHEREAS, the City acknowledges that certain creditors of the City and other interested persons have taken the position that the City has full legal and beneficial title to the Museum, including its art collection;

WHEREAS, this Agreement is being entered into as part of the DIA Settlement pursuant to the Omnibus Transaction Agreement whereby the City will convey all of its right, title and interest (including legal title it may hold as trustee and legal title and beneficial interest it otherwise holds) to the Museum and all related assets to The DIA in exchange for fair value by virtue of (i) the settlement of any dispute regarding the ownership of Museum and the Museum Assets, (ii) the contributions through the Supporting Organization by The DIA (and through it, the DIA Indirect Funders), DIA Direct Funders and Special Foundation Funders of \$100 million, of Foundation Funders (excluding Special Foundation Funders) of \$366 million, and an additional contribution by the State of \$350 million, which aggregate \$816 million (in each case and in the aggregate before applying any discount for early payment), which amounts will be paid for the benefit of Pension Claims of the City, and (iii) the commitment of The DIA to hold the Museum Assets (as they may be augmented, replaced or disposed of consistent with the perpetual charitable trust and as otherwise permitted under this Agreement) (collectively, “**DIA Assets**”) in perpetual charitable trust and to operate the Museum primarily for benefit of the residents of the City and the Tri-Counties and the citizens of the State;

WHEREAS, the allocation of responsibilities with respect to the charitable trust assets and the operation of the Museum has changed from time to time;

WHEREAS, The DIA currently operates the Museum and manages its assets under an Operating Agreement for the Detroit Institute of Arts, made on December 12, 1997, between The DIA and the City (the “**Operating Agreement**”) whereby those responsibilities have been performed by The DIA as operator on the terms set forth therein;

WHEREAS, the City and The DIA currently are parties to that certain Licensing Agreement, dated December 12, 1997 (the “**Licensing Agreement**”) under which the City licensed the use of certain intellectual property assets to The DIA, which will be terminated by the Parties pursuant to this Agreement;

WHEREAS, as part of the DIA Settlement and concurrently with the closing pursuant to the Omnibus Transaction Agreement, the Transfer shall occur, each of the Operating Agreement and the Licensing Agreement shall be terminated, and the other transactions and agreements reflected herein shall become effective; and

WHEREAS, the Transfer of the Museum and the Museum Assets is for fair value, for a public purpose and authorized by law.

NOW THEREFORE, in consideration of the covenants and agreements hereinafter set forth and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, intending to be legally bound, the Parties hereby agree as follows:

**5.3. Acknowledgement of No Further Representations and Warranties.** Except for the representations and warranties in Section 5.2 of this Agreement or as otherwise specifically set forth in the Transaction Documentation, the Museum Assets are being transferred by the City to The DIA without warranty or representation of any kind, including any warranty of merchantability or fitness for a particular purpose or any warranty or representation which might otherwise be inherent in a description or in specifications.

**ARTICLE VI**  
**Covenants of the City**

**6.1. Further Assurances.** In addition to the actions specifically provided for elsewhere in this Agreement, at any time and from time to time, at The DIA's reasonable request, the City shall (x) at its own expense (except as provided in subsection (y)), do, execute, acknowledge and deliver all and every such further acts, transfers, assignments, conveyances, powers of attorney, and assurances (including in recordable form) as The DIA reasonably may require to transfer, convey, assign and deliver the Museum and the Museum Assets free and clear of all security interests, liens, encumbrances, claims and interests of the City and its creditors and to confirm The DIA's title to the Museum and all of the Museum Assets and (y) at no cost or expense to the City, take such actions, including filing such releases, as may be necessary to remove any security interest, lien, encumbrance, claim or interest of the City or any of its creditors on the Museum or the Museum Assets.

**6.2. Remittance of Museum Assets.** If after the Effective Time, the City receives (a) any monies for the benefit of The DIA or the Museum, including with respect to any existing or future (i) donations, gifts, bequests, and contributions from individuals, corporations, foundations and trusts, if any, and (ii) federal, state, regional, county or local tax proceeds and grants from governmental or quasi-public entities, if any, other than proceeds or grants that are intended for the City for reimbursement for specific amounts that were previously advanced or funded by the City with the expectation of the City at the time of such advance or funding that such reimbursement would be received by the City, or (b) any art or other property that is, as designated by its grant, intended for the benefit of the Museum or The DIA, in each case, the City shall promptly pay or deliver such monies, art or other property to The DIA.

**6.3. NO RECOURSE.** THE TRANSFER OF THE MUSEUM AND THE MUSEUM ASSETS IS FINAL AND IRREVOCABLE. THE DIA SHALL RETAIN TITLE TO AND OWNERSHIP OF THE MUSEUM AND THE DIA ASSETS IN PERPETUITY AND THE CITY SHALL NOT HAVE RECOURSE TO ANY OF THE DIA ASSETS FOR ANY CLAIMS THE CITY MAY HAVE AGAINST THE DIA, ANY OTHER FUNDER, THE SUPPORTING ORGANIZATION, THE STATE OR OTHERWISE, WHETHER ARISING NOW OR IN THE FUTURE, INCLUDING, WITHOUT LIMITATION, NONCOMPLIANCE BY THE DIA, ANY OTHER FUNDER OR THE SUPPORTING ORGANIZATION WITH ANY OF THE TERMS OR CONDITIONS OF THE OMNIBUS TRANSACTION AGREEMENT, THE TRANSACTION DOCUMENTS OR ANY RELATED DOCUMENTS; PROVIDED THAT THE FOREGOING SHALL NOT PRECLUDE THE CITY FROM ASSERTING CLAIMS IN SATISFACTION OF AN INDEMNITY OBLIGATION PURSUANT TO SECTION J OF THE OPERATING AGREEMENT OR SECTION 6.1(b) OF THE OMNIBUS AGREEMENT BUT ONLY AGAINST CASH, CASH EQUIVALENTS OR CASH RECEIVABLES OF THE DIA (EXCLUDING ANY CASH, CASH EQUIVALENTS OR CASH RECEIVABLES THAT ARE RESTRICTED IN USE BY THE TERMS OF THE DONATION, GIFT, BEQUEST OR CONTRIBUTION OF A THIRD PARTY OR BY RESTRICTIONS IMPOSED ON THE USE OF PROCEEDS FROM THE SALE OF ART BY THE APPLICABLE STANDARDS OR ETHICAL GUIDELINES OF THE AAM OR THE ASSOCIATION OF ART MUSEUM DIRECTORS (OR SUCH OTHER ORGANIZATIONS BY WHICH THE DIA OR THE MUSEUM OR ITS DIRECTOR IS ACCREDITED IN THE FUTURE OR OF WHICH THEY

BECOME MEMBERS IN ACCORDANCE WITH THEN APPLICABLE ART MUSEUM BEST PRACTICES).

## **ARTICLE VII** **Covenants of The DIA**

### **7.1. Charitable Trust.**

(a) The DIA as trustee shall hold the DIA Assets in perpetual charitable trust. The primary purpose of the charitable trust shall be to provide for the primary benefit of the residents of the City and the Tri-Counties and the citizens of the State an art museum located in the City of Detroit, including the ownership, maintenance and operation of The Detroit Institute of Arts, and all the benefits that are derivative thereof.

(b) The DIA shall neither change the name of the Museum from “The Detroit Institute of Arts” nor relocate the primary situs of the Museum from its current location at 5200 Woodward Avenue, Detroit, Michigan, without the approval of the City; provided that nothing in this Agreement or in any other agreement included in the Transaction Documentation shall be deemed to otherwise restrict the ability of The DIA to lend or to otherwise allow art works to travel outside of the City or the State consistent with ordinary Museum operations.

(c) In its capacity as trustee of the perpetual charitable trust, The DIA shall operate the Museum as an encyclopedic art museum in the City, in accordance with changing future demands in the operation of such a Museum. The DIA shall not deaccession from its collection or sell, lease, pledge, mortgage, or otherwise encumber art that is accessioned to its permanent collection except in accordance with the code of ethics or applicable standards for museums published by the AAM, as amended or modified by the AAM. If the AAM ceases to exist or ceases to be generally regarded by leading American art museums as the preeminent American art museum accreditation organization, then the code of ethics or applicable standards (as may be amended or modified) of AAM’s successor organization, or such other organization that is at that time generally regarded by leading American art museums as the preeminent American art museum accreditation organization, shall be substituted for such policies of the AAM.

**7.2. State-wide Services.** In addition to continuing to operate the Museum for the primary benefit of the residents of the City, the Tri-Counties and the citizens of the State, and continuing to provide the special services to the residents of the Tri-Counties during the balance of the ten (10) year millage period commencing in 2013 that are provided for in the agreements for the Millage, during the Payment Period The DIA will provide an array of art programs at no or discounted costs to the residents of the State. In determining which programs to offer, both the cost to The DIA of developing and operating these programs and The DIA’s other fundraising obligations, including its need to raise funds for general operations and its stated goal of building endowment funds, as well as any fundraising obligation under the Omnibus Transaction Agreement, will be taken into account. As appropriate, The DIA will collaborate with its Michigan museum colleagues in the development of these programs. Given the length of the Payment Period, it is expected that these programs would be developed and adjusted over time. Such programs could include at the outset:

(i) two exhibitions in each twelve-month period, with the first such period beginning six (6) months after the Closing, of objects from the Museum collection that will rotate through museums and art centers around the State on a schedule to be determined by The DIA and the recipient museums. Each exhibition will be developed and organized by The DIA and will include installation and de-installation of the objects, a marketing package (logo and advertising template) and, possibly, input on programming and education opportunities,

(ii) an annual professional development program coordinated with the Michigan Museums Association designed to strengthen museum professionals and introduce museum job opportunities to student audiences,

(iii) an expansion of the Museum's popular Inside/Out program (during the tenure of the program), which places high-quality art reproductions in Southeast Michigan communities, to include two additional outstate locations annually, supporting tourism, cultural awareness and life-long learning,

(iv) art object conservation services at a discounted rate to Michigan museums conducted in consultation with the Museum conservators and the curatorial staff of the requesting museum, and

(v) the development of an educational program based on the Museum collection that supports National Common Core Standards, to be offered in two Michigan communities annually and to include follow-up support for educators.

**7.3. Liquidation.** In the event of a dissolution of, and liquidation of the assets and affairs of, The DIA in accordance with the Michigan Nonprofit Corporation Act, the DIA Assets will be conveyed to another nonprofit entity determined by the board of directors of The DIA, subject to the reasonable approval of the City and the Supporting Organization, if then in existence, and otherwise by majority vote of the City and any Foundation Funders who have remaining commitments under their Funding Agreements. As a condition to receiving the conveyance, such successor entity must subject itself to the same conditions as set forth in this Agreement, including but not limited to, holding the DIA Assets in perpetual charitable trust for the primary benefit of the residents of the City and the Tri-Counties and the citizens of the State. For the purposes of determining the majority vote described above, and for the avoidance of doubt, the Parties agree that the City and each of the Foundation Funders who have remaining commitments under their Funding Agreements at the time of such dissolution or liquidation shall each have one vote with respect to any such approval.

**7.4. City Board Representative.** From and after the Effective Time, in perpetuity, the City shall have the right to appoint one director to the Board of The DIA (or its successor entity). Such representative shall be designated in writing to The DIA by the Mayor of the City with approval by the City Council. Such director shall be subject to removal by The DIA for cause. The City shall have the right in accordance with this Section 7.4 to appoint a successor representative to any vacancy created by the removal of the City's representative for cause or otherwise.

**7.5. Enforcement of Certain of The DIA's Obligations.** The Attorney General of the State and the Corporation Counsel of the City (on behalf of the City) (or their respective successors) shall have the exclusive rights to enforce the obligations of The DIA (x) to hold the DIA Assets in perpetual charitable trust and (y) under ARTICLE VII of this Agreement. If the Corporation Counsel of the City (on behalf of the City) exercises its rights to enforce the obligations of The DIA pursuant to this Section 7.5 by means of a legal action or proceeding, the unsuccessful party to such action or proceeding shall pay to the prevailing party all costs and expenses, including reasonable attorneys' fees and disbursements, incurred by such prevailing party in such action or proceeding and in any appeal in connection therewith. If such prevailing party recovers a judgment in any such action, proceeding or appeal, such costs, expenses and attorneys' fees and disbursements shall be included in and as a part of such judgment.

## **ARTICLE VIII**

### **Incorporation by Reference; Entire Agreement**

**8.1. Incorporation by Reference.** The following provisions of the Omnibus Transaction Agreement are hereby incorporated by reference as if set forth in full herein *mutatis mutandis*: Article I (Definitions), Article VI (Indemnification) with respect to the indemnification of the City by The DIA pursuant to Section 6.1 of the Omnibus Transaction Agreement and the indemnification of The DIA by the City pursuant to Section 6.2 of the Omnibus Transaction Agreement, subject to the limitations and procedural requirements otherwise set forth in Article VI of the Omnibus Transaction Agreement, Section 7.4 (Specific Performance), Section 7.6 (Notices) (with respect to the Parties hereto), Section 7.7 (Binding Agreement; Assignment), Section 7.8 (Severability), Section 7.9 (No Strict Construction), Section 7.10 (Captions), and Section 7.12 (Counterparts).

**8.2. No Third Party Beneficiary.** Except for the Related Parties, each of whom is an express third-party beneficiary under this Agreement with respect to Section 4.3 of this Agreement, and the Attorney General of the State who is an express third party beneficiary under this Agreement with respect to Section 7.5 of this Agreement, the terms and provisions of this Agreement are intended solely for the benefit of the City and The DIA and their respective successors and permitted assigns, and nothing contained in this Agreement, expressed or implied, is intended to confer upon any person or entity any third-party beneficiary rights or remedies.

**8.3. Choice of Law; Jurisdiction; Venue.** This Agreement shall be construed in accordance with the laws of the State of Michigan without regard to such state's choice of law provisions which would require the application of the law of any other jurisdiction. By its execution and delivery of this Agreement, each of the Parties irrevocably and unconditionally agrees for itself that, subject to the exclusive rights of the Attorney General of the State and the Corporation Counsel of the City (on behalf of the City) as set forth in Section 7.5 of this Agreement, any legal action, suit or proceeding against it with respect to any matter arising under or arising out of or in connection with this Agreement or for recognition or enforcement of any judgment rendered in any such action, suit or proceeding, shall be brought in the Bankruptcy Court for so long as the Bankruptcy Court has jurisdiction, and thereafter in the United States District Court for the Eastern District of Michigan; provided that if the United States District Court for the Eastern District of Michigan does not have jurisdiction, then (i) if such legal action,

suit or proceeding relates to or seeks to enforce the obligations of The DIA to hold the DIA Assets in perpetual charitable trust or the obligations of The DIA under Article VII of this Agreement, then such legal action, suit or proceeding shall be brought only in Wayne County Probate Court, or (ii) if such legal action, suit or proceeding involves any other matter relating to this Agreement not referenced in subsection (i), then it may be brought only in such other court of competent jurisdiction located in Wayne County, Michigan. By execution and delivery of this Agreement, each of the City and The DIA irrevocably accepts and submits to the exclusive jurisdiction of such courts, generally and unconditionally, with respect to any such action, suit or proceeding and specifically consents to the jurisdiction and authority of the Bankruptcy Court to hear and determine all such actions, suits, and proceedings under 28 U.S.C. §157(b) or (c), whichever applies.

**8.4. Amendment and Waiver.** This Agreement may be amended and any provision of this Agreement may be waived; provided that any such amendment or waiver will be binding upon the Parties only if such amendment or waiver is set forth in a writing executed by both Parties. No course of dealing between The DIA and the City will be deemed effective to modify, amend or discharge any part of this Agreement or any rights or obligations of either Party under or by reason of this Agreement.

**8.5. Entire Agreement.** This Agreement, including the Exhibits, together with the Omnibus Transaction Agreement, constitutes the entire agreement of the Parties with respect to the subject matter of this Agreement and supersedes all other prior negotiations, agreements and understandings, whether written or oral, among the Parties with respect to the subject matter of this Agreement.

**Date Authorized:**

**Grant Number:**

**#[Insert grant number]**

**Amount Granted:**

**#[Insert Grant Amount]  
(Conditional, multi-year)**

**II. Grant**

The purpose of this grant of **#[INSERT GRANT AMOUNT]** to the Foundation for Detroit's Future ("Grantee"), a supporting organization of the Community Foundation for Southeast Michigan, is to provide the funding, in part, for the proposed DIA Settlement found in the Corrected Fifth Amended Plan for the Adjustment of the Debts of the City of Detroit, as it may be further amended and as modified, and in a term sheet found in Exhibit I.A.102 of same, provided DIA Settlement provisions and said term sheet remain substantially unchanged ("Plan of Adjustment"). The grant and the payment of the grant installments will be conditioned upon the City of Detroit and the City of Detroit General Retirement System and Police and Fire Retirement System ("Pension Funds") being in compliance with (i) the conditions precedent for closing found in the Plan of Adjustment, and (ii) certain material grant conditions, of both an initial and ongoing nature, that are memorialized in the Omnibus Transaction Agreement ("OTA") to be entered into between the City of Detroit, the Detroit Institute of Arts, and the Grantee substantially in the form attached to this Terms of Grant Agreement as Exhibit A and incorporated herein by this reference, a copy of which will be provided to Foundation promptly following its execution. Any capitalized defined terms not defined herein will have the definitions found in the OTA.

This Terms of Grant Agreement is also known as a "Foundation FDF Agreement" under the OTA.

Grant payments will be made in equal annual installments over a twenty-year period, subject to those conditions and any terms and conditions of this Terms of Grant Agreement. The schedule of grant payments will be made as follows and subject to the following conditions:

a. Initial Grant Payment

1. Payment amount and date. Foundation will make an initial grant payment to Grantee of \$[INSERT 1/20 OF TOTAL GRANT AWARD] upon the later of (i) the return of this signed Terms of Grant Agreement by Grantee, and (ii) August 30, 2014.
2. Payment Conditions.  
Grantee acknowledges that this initial grant payment is being made by Foundation in order to facilitate the ability of Grantee to provide, in part, the initial payment to the City of Detroit by Grantee due at Closing in the event that the DIA Settlement found in the Plan of Adjustment is approved, and both (i) the City of Detroit and the City of Detroit Pension Funds are in compliance with their material grant conditions, of both an initial and ongoing nature, that are memorialized in Article IV(E) of the Plan of Adjustment and (ii) the conditions to the Foundation's and Grantee's grant obligations set forth in the OTA and the Plan of Adjustment have been satisfied in all material respects.

In the event that the Plan of Adjustment is not approved by the U.S. Bankruptcy Court, or the Closing is otherwise not consummated, by December 31, 2014, Grantee will return to Foundation all provided grant funds by January 31, 2015. The remaining grant installments under this Terms of Grant Agreement will likewise be cancelled and this Terms of Grant Agreement will terminate.

3. Report on City of Detroit Compliance with Initial Grant Conditions  
Grantee will provide to Foundation a report within 45 days of the Closing Date documenting that the conditions precedent for Closing were met and that the initial grant payment contemplated by the OTA has been made by the Grantee to the City of Detroit. In the event the Closing does not occur by December 31, 2014, a first and final report will be provided by January 31, 2015.

b. Annual Grant Payments

1. Payment Amounts and Dates. Commencing in 2015 and continuing until 2033 (except as otherwise provided herein), Foundation will annually make a grant payment to Grantee of \$[INSERT 1/20 OF TOTAL GRANT AWARD] by September 15 of that year. Foundation intends Grantee to use these annual payments to fund, in part, the annual payments from Grantee to the City of Detroit, pursuant to and subject to the terms and conditions of the OTA, on a funding schedule commencing June 30, 2016, and each June 30 thereafter ending on June 30, 2034 (the payment dates to the City of Detroit being subject to possible extensions pursuant to the OTA).

Foundation acknowledges that it has the right to, but is not required to, rely on any finding by the board of trustees of the Grantee that the City is in compliance with the Conditions for Funding found in Section 2.4 of the OTA and that as a result of such a finding the Foundation is obligated to make timely payment to Grantee as provided in Section 2.7 of the OTA. Foundation will not unreasonably dispute any such finding by the board of the Grantee that the City is in compliance. If (i) Foundation has failed to make an annual grant installment

payment to Grantee when due hereunder and Grantee has provided the Foundation the 30-day notice contemplated by Section 2.8(b) of the OTA, and (ii) the Foundation has not made the required grant payment by the expiration of such 30-day period, then Grantee will assign its right to enforce collection of the payment from the Foundation to the City and the City will have the right to pursue collection of that payment as provided in the OTA. Foundation will be responsible for its own costs and attorney fees in defending any action by Grantee or City to enforce payment from Foundation, unless those costs and attorney fees are otherwise indemnified or set-off on behalf of Foundation by the provisions of the OTA or the Plan of Adjustment.

2. Annual Grant Payment Conditions

Grantee agrees that any annual grant payment it receives from the Foundation will be used for the sole purpose of making the annual payments to be made by Grantee to the City of Detroit pursuant to Section 2.3 of the OTA.

In the event the Foundation has provided (i) an annual grant payment to the Grantee prior to the date Grantee has determined that the City has complied with Section 2.4 of the OTA for the year in which the annual grant payment is to be used, or (ii) Foundation, in its sole discretion, advances any future annual grant payment to Grantee, Grantee will maintain such grant balances in conservatively invested reserves to ensure that the monies provided are available to make payment to the City when conditions have been met. Any earnings on such early grant payments will be used to offset operational costs of Grantee relating to the purposes of this grant. If on December 31, 2034, there remains any earnings after payment of those operational expenses, Grantee, in its discretion, may use those excess earnings (i) to make grants and/or establish endowments that will support the ongoing revitalization, or maintain and expand the quality of life of the residents, of the City of Detroit and/or (ii) return those excess earnings ratably to the Foundation Funders.

In the event the City fails to meet the conditions for release of an annual payment to it under Section 2.4 of the OTA and all applicable cure periods available to the City pursuant to Section 2.5 of the OTA (including any periods of time necessary for dispute resolution as provided in the OTA) have expired, the Foundation may either request that the Grantee return that annual grant payment to the Foundation, at which time the Foundation's obligation to make such annual grant payment is automatically terminated and cancelled, or request that the Grantee retain the annual grant payment for application to a future annual grant payment due to the Grantee from the Foundation. Foundation and Grantee also acknowledge and agree that consistent with Section 2.5(b) of the OTA, the Foundation may cancel its remaining grant installments to Grantee if the City fails to meet the conditions for release of an annual payment to it under the OTA, and all applicable cure periods available to the City pursuant to Section 2.5 of the OTA (including any periods of time necessary for dispute resolution as provided in the OTA) have expired. If Foundation elects to cancel its remaining grant payments, the Foundation may either request that the Grantee return any pre-paid annual grant amount provided to Grantee that has not yet been paid or is not obligated to be paid to the City by Grantee and/or allow Grantee to retain some or all of such pre-paid grant installments to offset operational costs of Grantee relating to the purposes of this grant.

3. Present Value Election

Consistent with the OTA, Foundation has the right to elect to make early payment of any or all of its grant payment obligations to the Grantee and have its obligation under this Terms of Grant Agreement reduced by a present value discount rate of 6.75% as provided in the OTA. Grantee will transfer such early payment to the City of Detroit and elect that present value discount provided the requirements of the next paragraph are met.

Foundation agrees that it will only make the above mentioned present value election if (i) the Grantee receives confirmation from the City, in a form reasonably acceptable to Grantee, that the Grantee's future grant payment obligations to the City under the OTA will be properly reduced as a result of such present value election by Foundation, and (ii) Foundation and Grantee agree to reasonable arrangements to prevent such early payment election from Foundation jeopardizing the fiscal stability and operations of Grantee and its abilities to perform its obligations under the OTA.

III. Indemnification and Other Provisions

Foundation and Grantee acknowledge that Foundation is a third-party beneficiary of certain provisions contained in the OTA and the contemplated order confirming the Plan of Adjustment. Foundation's rights as a third-party beneficiary include, but are not limited to, (i) indemnification by the City of Detroit as found in Section 6.2 of the OTA, (ii) set-offs on grant installments as a result of the City of Detroit failing to pay for defense and other costs (except that Foundation is not entitled to such set-off if the Grantee has, as a result of the City failing to pay all of the defense and other costs of the Foundation, incurred those costs on behalf of Foundation and Grantee), (iii) jurisdiction and choice of law provisions, and (iv) certain injunctive and other relief as found in the Plan of Adjustment as confirmed by court order. Foundation's obligation to make any installment payment under this Terms of Grant Agreement is expressly conditioned upon the existence of all such third-party benefits including, but not limited to, said indemnification provision, set-off provisions and injunctive relief.

This Terms of Grant Agreement, or any rights, obligations or funds awarded under this Terms of Grant Agreement, may not be assigned, unless otherwise expressly provided herein, without the prior written consent of the non-assigning party, and any purported assignment in violation of the foregoing will be void and of no effect. WHEREAS, the Detroit General Retirement System Service Corporation, a Michigan nonprofit corporation (“DGRS”), and the Detroit Police and Fire Retirement System Service Corporation, a Michigan nonprofit corporation (“PFRS” and, together with DGRS, each a “Service Corporation” and collectively the “Service Corporations”) created each of (i) the Detroit Retirement Systems Funding Trust 2005 (the “2005 Pension Funding Trust”) pursuant to that certain Trust Agreement, dated June 2, 2005, among the Service Corporations and U.S. Bank National Association, as trustee, and (ii) the Detroit Retirement Systems Funding Trust 2006 (the “2006 Pension Funding Trust”) pursuant to that certain Trust Agreement, dated June 12, 2006, among the Service Corporations and U.S. Bank National Association, as trustee;

WHEREAS, the 2005 Pension Funding Trust issued certain Taxable Certificates of Participation Series 2005 (the “2005 Pension Funding Securities”) and the 2006 Pension Funding Trust issued certain Taxable Certificates of Participation Series 2006 (the “2006 Pension Funding Securities” and collectively with the 2005 Pension Funding Securities, the “Certificates of Participation” or “COPs”);

WHEREAS, Financial Guaranty Insurance Company (“FGIC”) issued certain financial guaranty insurance policies guaranteeing the payment of the principal of and interest on certain of the Certificates of Participation (“FGIC COPs Policies”);

WHEREAS, in connection with the issuance of the COPs, the Service Corporations entered into certain swap transactions under certain 1992 ISDA Master Agreements (Local Currency Single Jurisdiction) (together with all ancillary and related instruments and agreements, as the same may have been subsequently amended, restated, supplemented or otherwise modified, the “COP Swap Agreements”);

WHEREAS, FGIC issued certain financial guaranty insurance policies guaranteeing the payment of certain amounts owed by the Service Corporations under the COP Swap Agreements;

WHEREAS, the City of Detroit, Michigan (the “City”) has proposed a Plan for the Adjustment of Debts, as amended (the “Plan”),<sup>1</sup> and FGIC has opposed and objected to such Plan; and

WHEREAS, the City and FGIC (collectively, the “Parties”) and their representatives have engaged in good faith, arm’s length settlement discussions regarding a consensual resolution of their disputes under or in respect of the Plan, the Certificates of Participation and the COP Swap Agreements.

NOW, THEREFORE, in consideration of the foregoing and the promises, mutual covenants, and agreements set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties, by and through their respective undersigned counsel, agree and stipulate as follows:

1. ---

<sup>1</sup> Capitalized terms not defined herein have the meanings given to them in the Plan.

Pending approval of this Stipulation, FGIC shall take no action in furtherance of any objection, joinder, reservation of rights, or opposition to the Plan. For the avoidance of doubt, while approval for this Stipulation is pending, FGIC shall refrain from calling or examining any witnesses, introducing other evidence or advancing legal argument in connection with the confirmation trial on the Plan.

4. FGIC, on behalf of itself and the COP Holders, shall opt into the Plan COP Settlement with respect to the COPs originally insured by FGIC (the “FGIC-Insured COPs”), without impairing the COP Holders’ insurance claims against FGIC.

8. This Stipulation shall automatically terminate upon the occurrence of a Termination Event.

9. This Stipulation, including Exhibit 1 hereto, and the Settlement Agreement contain the entire understanding of the Parties hereto concerning the subject matter hereof and supersedes all prior understandings and agreements, whether written or oral, between the Parties hereto on such subject matter. The Parties acknowledge that they are not relying on any promises or representations not contained in this Stipulation.

For purposes of this Agreement, and without limiting the Developer's ability to identify and receive approval of a different development partner, the Detroit Regional Convention Facility Authority is deemed by the City an approved development partner. The Development Proposal shall include an application for the brownfield plan necessary for the application for TIF Incentives, and it shall also identify which components of the Development Proposal are eligible for the TIF Incentives, disbursement of which shall be governed by the Economic Incentive Agreements (as defined in Section 5(I)(a) below), and the City shall use its commercially reasonable efforts to cause the State or applicable State related entity to grant any approvals necessary for those TIF Incentives no later than one hundred twenty (120) days after the date of approval of the Development Proposal, subject to the terms hereof. The Development Proposal shall include the terms of the Guaranty (as defined in Section 5(B) below), including the identity of any guarantor thereunder, and also include the terms of any proposed equity investment and financing for the Development; provided, however, (i) the Development Proposal does not need to disclose any additional equity partners, provided that the Developer will not partner with any third party that is prohibited from doing business with the City, (ii) the Development proposal does not need to disclose the holder(s) of the COPs or holders of the beneficial interests in the COPs, and (iii) the Development Proposal does not need to identify a development partner if the rights under the Agreement have been transferred to a developer prior to the date of the Development Proposal Deadline, which transferee has previously been approved by the City, which approval shall not be unreasonably withheld, conditioned or delayed.

(2) The City shall review any Development Proposal submitted to the City by the Developer and within ninety (90) days of receipt by the City of such Development Proposal (the "Development Proposal Review Period") the City shall either (i) approve the Development Proposal or (ii) provide the Developer with the specific reasons why the Development Proposal is not acceptable, which may include unacceptability of the proposed development partner (if required). If the City does not approve the Development Proposal, the Developer may provide a revised Development Proposal(s) to the City for its approval pursuant to the process herein, which shall continue until the earlier of (i) the date on which a Development Proposal is approved, and (ii) the Development Proposal Deadline which shall be automatically extended by the aggregate of all Development Proposal Review Periods. The City and, to the extent applicable related to the TIF Incentives, the State, shall reasonably cooperate with the Developer in

preparation of the Development Proposal, at no incremental cost to the City or, as applicable, the State. The Development Proposal, as approved by the City pursuant to this Section 1(A) shall be hereinafter referred to as the “Approved Development Proposal.”

(3) Upon request of the Developer, the City may approve an extension of the Development Proposal Deadline by up to twenty-four (24) additional months, which approval shall not be unreasonably withheld, delayed or conditioned. The City agrees that it would be unreasonable to withhold its approval of such extension if (i) the Developer requested the extension because development in the immediate vicinity of the Property has materially decreased or the general economic condition of the City has deteriorated to such a level that it would not be economically feasible for the Developer to pursue development of the Property or (ii) it is reasonable given the complexity of the development contemplated by the Developer for the Property.

(B) Option and Diligence Procedure.

(1) The Developer shall have until a date which is one hundred eighty (180) days prior to the Development Proposal Deadline (as may be extended) to give the City written notice of its intent to conduct the Diligence Activities (as hereinafter defined) on the Property (the “Diligence Notice”). Following receipt of the Diligence Notice, the City shall use its commercially reasonable efforts during the Diligence Period (as defined below) to provide the Developer and its contractors, consultants and their respective agents with such access to the Property as may be reasonably requested by the Developer from time to time, subject to any access limitation of that certain Sublease of Riverfront Arena between the City, Olympia Entertainment, Inc. and the Detroit Red Wings, Inc., dated June 15, 2014, and the related Parking Agreement (as may be amended, restated or modified, the “JLA Lease”). For purposes of this Agreement, “Diligence Activities” include but are not limited to the following:

(a) such physical inspections, surveys, soil borings and bearing tests and possible relocation of utilities, all as Developer deems necessary in its sole discretion, all of which shall be completed at Developer’s expense;

(b) subject to the terms and provisions of Section 2 below, including giving of such Investigation Notices and obtaining City approval as may be required thereunder, investigations, environmental studies, environmental site assessments (including Phase I and Phase II site assessments, and/or sampling and invasive testing of soil, groundwater, surface water, soil vapors, indoor air, and building materials (such as Asbestos and lead-based paint)), and such other investigations and assessments as Developer may deem necessary in its sole discretion to determine the condition of the Property and the Property’s compliance with Environmental Laws (as defined below) and any other federal, state and local laws, rules, regulations and orders relating in any way to protection of human health, the environment and natural resources, all of which shall be completed at Developer’s expense; and

(c) a review of available public and private utilities and public accesses necessary for the proposed development of the Property.

(2) Title and Survey. The City shall deliver to Developer a title commitment and ALTA survey for the Property (the "Title Commitment and Survey") promptly following execution of this Agreement. Within twenty (20) business days after the Developer's receipt of the Title Commitment and Survey (in form reasonably acceptable to the Developer) and copies of each of the title exceptions referenced in the Title Commitment and Survey, the Developer shall examine the Title Commitment and Survey and shall make any objections to any items therein that would cause title to the Property not to be good and marketable, free and clear of any items that, in Developer's reasonable discretion, would unreasonably interfere with the construction, use or operation of the Development for its intended purposes or impair the value of the Development to such an extent as to make such Development not commercially feasible (any of the foregoing a "Title Defect") by written notice to the City (the "Title Objection Notice"). For avoidance of doubt, the City shall not be obligated to cure, remove or bond over any objection to the Title Commitment and Survey that fails to qualify as a Title Defect hereunder. The Title Objection Notice shall state with specificity the reasons for Developer's objection(s) and the curative steps requested by the Developer which would remove the basis for the Developer's objection(s). The City shall cure, remove or bond over any Title Defects prior to the Closing Date. If the Developer orders an update to the Title Commitment and Survey prior to Closing (as defined in Section 3(A) below), and such update shows any additional Title Defect not caused by the Developer or its agents, consultants or contractors, the City shall cause each such Title Defect to be cured, removed or bonded over prior to Closing.

(3) City Information. To the extent within the possession of the City and the City Parties (as defined below), as reasonably determined by the City's corporation counsel upon due inquiry, the City shall, promptly upon the written request of the Developer, provide, and shall cause all City Parties to provide, to the Developer (i) copies of all environmental studies, asbestos reports or other environmental reports on the Property, and all material documents, records or non-privileged communications related to the presence, use or release of Hazardous Materials at the Property subject to a pending claim or matter or present at concentrations exceeding those allowed by law, (ii) copies of all title reports and the underlying documents referenced therein, (iii) copies of all surveys of the Property, (iv) copies of any other records, documents, instruments, agreements or files with respect to the use or ownership of the Property, to the extent materially relevant after Closing, (v) to the extent not included in the above, copies of the correspondence to or from the City or any City Parties related to the use or ownership of the Property, to the extent materially relevant after Closing and (vi) such other documentation as is reasonably requested by Developer with respect to the Property. For purposes of this Agreement, "City Parties" shall mean any department, subdivision or agency of the City and/or any governmental authority within the direct or indirect control or supervision of the City.

(4) Insurance. Prior to entering onto the Property for any Diligence Activities, Developer or its contractors shall maintain the insurance coverage and comply

with the insurance requirements specified in the City's Right-of-Entry, a form of which is attached as **Exhibit A** (the "Right-of-Entry").

(5) Indemnity. Developer shall defend, indemnify and hold harmless the City from and against any loss, liability, cost or expense incurred by the City to the extent resulting from Developer's (including its duly authorized employees, agents, engineers or other representatives) negligence or willful acts occurring in connection with the Diligence Activities; provided, however, that the Developer shall not be responsible for any loss, liability, cost, or expense resulting from the City's (or any City Parties') negligence or misconduct.

(6) The Developer shall notify the City in writing, no less than one hundred twenty (120) days following the Diligence Notice (the "Diligence Period"), that either (i) the Developer intends to proceed to Closing on the Property (the "Notice of Option Exercise"), or (ii) the condition of the Property is such that, in Developer's reasonable judgment, the condition adversely affects Developer's ability to timely complete the Development or adversely affects the use, value or marketability of the Property (the "Objection Notice"), which Objection Notice shall state with reasonable specificity the particular diligence matter(s) unacceptable to the Developer, including any Title Defects ("Objections"). The City, in its sole discretion, shall have the option (but not the obligation) to cure, remove or bond over such Objections within sixty (60) days following receipt of the Objection Notice (the "Cure Period"), provided, that the City must cure, remove or bond over such Objections that (a) are encumbrances for the benefit of the City, the City Parties, their lenders or vendors, (b) are Title Defects, or (c) may reasonably be deemed to directly cause a delay in the Developer's ability to complete the Development in accordance with the terms and conditions of this Agreement more than two (2) years after the Completion Deadline; provided, however, in the event any such Objection may reasonably be deemed to directly cause a delay in the Developer's ability complete the Development in accordance with the terms and conditions of this Agreement of two (2) years or less after the Completion Deadline (a "Minor Delay Defect"), then the City shall not be obligated to cure, remove or bond over such Minor Delay Defect; however, the number of days of delay reasonably determined to be caused by such Minor Delay Defect shall be deemed Force Majeure Delay (as hereinafter defined) for the equivalent number of days. Without limiting the generality of the foregoing, the City shall be obligated to cause to be cured, removed or bonded over prior to expiration of the Cure Period: (i) mechanics' liens; (ii) judgment liens against the City or any City Parties; (iii) mortgages, similar loan documents and voluntary liens with respect to indebtedness of the City or any City Party; (iv) delinquent taxes, charges, impositions or assessments; (v) fines issued by any governmental or quasi-governmental authority or other liens encumbering the Property or any portion thereof which are in liquidated amount; and (vi) any other monetary liens against the property. To the extent the Developer desires to proceed to Closing on the Property following delivery of an Objection Notice, the Developer must deliver to the City a Notice of Option Exercise prior to fifteen (15) days following expiration of the Cure Period. Failure of the Developer to timely deliver a Notice of Option Exercise as provided for herein shall result in automatic termination of the Developer's rights under this Agreement and the

Developer shall thereafter have no further interest in the Property. Following delivery by the Developer of a Notice of Option Exercise, the City shall be bound to convey the Property, upon the terms and conditions set forth herein, and the City and the Developer shall proceed to closing on the Property on a mutually agreed upon date which is the later of (i) two (2) years following approval by the City of the Development Proposal, and (ii) six (6) months following completion of Demolition (as defined in Section 5(H)(b) below) by the City (the "Closing Date").

(7) As Is Condition of Property; City Cooperation. The City makes no implied or express representations or warranties of any kind as to any condition that may adversely affect the development, or its fitness for absolutely any purpose whatsoever, other than with respect to the Sufficient Environmental Remediation (as defined in Section 5(H)(b) below). Upon delivery to the City of the Notice of Option Exercise, Developer will be deemed to have acknowledged that it is satisfied with the condition of the applicable Property, subject to the completion of the Sufficient Environmental Remediation, and shall be deemed to have waived any right to object to the status of title or to the condition of the Property, regardless of the result of any Diligence Activities, except as expressly provided for in this Agreement.

(8) Release of City from Liability. Upon Closing and subject to the City's obligation hereunder to perform Sufficient Environmental Remediation, Developer shall release the City and its officials, employees, and agents (but not any third party) from any and all claims or causes of action the Developer may have against the City for any liability, injury or loss as a result of any physical defects in or physical conditions of the Property, including but not limited to any surface, subsurface, latent or patent conditions whether naturally occurring or by action of any party.

(C) Brokerage and Finder's Fees and Commission. Developer will defend and indemnify the City and hold it harmless with respect to any commissions, fees, judgments, or expenses of any nature and kind that the City or Developer may become liable to pay by reason of any claims by or on behalf of brokers, finders or agents claiming by, through or under Developer incident to this Agreement and the transaction contemplated hereby or any litigation or similar proceeding arising therefrom unless the City has a written agreement with a broker, finder or agent providing for such payment in which case the City shall be responsible for such broker, finder or agents' commissions, fees, judgments or expenses. To the maximum extent permitted by applicable law, the City will defend and indemnify the Developer and hold it harmless with respect to any commissions, fees, judgments, or expenses of any nature and kind that the City or Developer may become liable to pay by reason of any claims by or on behalf of brokers, finders or agents claiming by, through or under the City incident to this Agreement and the transaction contemplated hereby or any litigation or similar proceeding arising therefrom unless the Developer has a written agreement with a broker, finder or agent providing for such payment in which case the Developer shall be responsible for such broker, finder or agents' commissions, fees, judgments or expenses. Developer represents and warrants to the City that it has not engaged or otherwise dealt with any brokers entitled to any commissions, fees, judgments, or expenses in connection with this Agreement.

(D) Taxes And Assessments. All taxes and assessments which (i) have become a lien

upon the Property or part thereof prior to the date of Closing, and (ii) have been discovered and specifically identified by Developer prior to the Closing, shall be paid by the City on or prior to the Closing Date; provided, further that all current property taxes shall be paid by the City through the date of Closing. From and after Closing, and subject to any abatement or other tax limitation described in this Agreement, Developer shall be solely responsible for all taxes, liens, and assessments that become due and payable for the period after the Closing against the Property it acquires hereunder or any part thereof, whenever assessed, levied, or due.

## **Section 2. ENVIRONMENTAL MATTERS**

(A) Definitions. The following words and expressions shall, wherever they appear in this Agreement, be construed as follows:

(1) “Asbestos” shall have the meanings provided under the Environmental Laws and shall include, but not be limited to, asbestos fibers, friable asbestos or asbestos-containing materials or presumed asbestos-containing materials, as such terms are defined under the Environmental Laws.

(2) “Environmental Claims” shall mean all claims, demands, suits, proceedings, actions, whether pending or threatened, contingent or non-contingent, known or unknown, including but not limited to investigations and notices by any governmental authority or other person, brought under common law and/or under any of the Environmental Laws which can or do relate to the Property or the operations conducted thereon.

(3) “Environmental Laws” shall mean all applicable federal, state, and local laws, rules, regulations, orders, judicial determinations and decisions or determinations by any judicial, legislative or executive body of any governmental or quasi-governmental entity, or any other legally binding requirement, whether in the past, present or future, with respect to or otherwise related to the environment, natural resources, pollution or contamination and human health and safety, including, but not limited to:

(a) the installation, existence, or removal of, or exposure to, Asbestos at, on or in the Property;

(b) the existence on, discharge from, release of, exposure to, or removal from the Property of Hazardous Materials; and

(c) the effects on the environment of the Property or any activity conducted now, or previously or hereafter conducted, on the Property.

Without limiting the foregoing, Environmental Laws shall include, but not be limited to, the following: (i) the Michigan Natural Resources and Environmental Protection Act, 1994 Public Act 451, as amended (“NREPA”); the Comprehensive Environmental Response, Compensation, and Liability Act, 42 USC Sections 9601, et seq. (“CERCLA”); the Superfund Amendments and

Reauthorization Act, Public Law 99-499, 100 Stat. 1613; the Resource Conservation and Recovery Act, 42 USC Sections 6901, et seq.; the National Environmental Policy Act, 42 USC Section 4321; the Toxic Substances Control Act, 15 USC Section 2601; the Hazardous Materials Transportation Act, 49 USC Section 1801; the Clean Air Act, 42 USC Sections 7401, et seq.; the Occupational Safety and Health Act, 29 USC Sections 651, et seq., as each have been amended and the regulations promulgated in connection therewith; (ii) Environmental Protection Agency regulations pertaining to Asbestos (including 40 CFR Part 61, Subpart M); Occupational Safety and Health Administration Regulations pertaining to Asbestos (including CFR Sections 1901.1001 and 1926.58) as each may now or hereafter be amended; and (iii) any Michigan state and local laws and regulations pertaining to any Hazardous Materials.

(4) “Hazardous Materials” shall include any material, substance or waste classified, regulated, or otherwise characterized as “hazardous,” “toxic,” “radioactive,” a “pollutant,” “contaminant,” or words of similar meaning or is otherwise regulated by Environmental Laws, including, without limitation, polychlorinated biphenyls (PCBs), paint containing lead and urea formaldehyde foam insulation, and sewage.

(B) The City and Developer acknowledge and agree that some of the parcels to be transferred may be “facilities” pursuant to Part 201 of NREPA, whether or not as yet discovered to be such and that the obligations to perform Sufficient Environmental Remediation is the City’s obligation and shall be done at its cost and expense.

(C) The City shall authorize the Developer, through a fully executed Right-of-Entry (in the form attached), to enter upon the Property during the Diligence Period to, subject to the reasonable conditions set forth herein, make soil boring and bearing tests, undertake such surveying and environmental due diligence activities as Developer deems appropriate, including without limitation sampling and testing of soil, soil vapor, surface water, groundwater, indoor air, and the installation of groundwater wells, provided such do not materially and unreasonably interfere with demolition or site improvement activities of the City or the rightful use of the Property by a tenant in possession or other third party, if any, provided the City shall use its commercially reasonable efforts to facilitate such access to tenant spaces. All such testing and remediation shall be done at Developer’s expense; provided, if sampling occurs, the City shall have the right, at its cost and expense, to obtain split samples of any environmental media to the extent reasonably practicable. During the Diligence Period, Developer shall comply with the terms and provisions of the Right-of-Entry. Developer’s right to enter upon the applicable Property is subject to execution of such Right-of-Entry and subject to the prior written authorization by the tenant under the JLA Lease, which the City shall use commercially reasonable efforts to procure promptly upon receipt of the Diligence Notice from the Developer. Upon request from the City, Developer shall promptly provide the City with a copy of each final survey or environmental testing report generated as a result of such activities. Developer shall give prior written notice to the City of Developer’s plan to inspect and/or investigate the environmental condition of the Property during the Diligence Period (each such notice referred to herein as an “Investigation Notice”). The Investigation Notice shall identify any agents or

contractors that the Developer intends to use in conducting the activities covered by the Investigation Notice and the general scope of such activities; provided, the scope of any such investigations, site assessments or testing activities shall be subject to the City's prior written approval, which approval shall not be unreasonably withheld, conditioned or delayed; provided, further, Developer shall have sole discretion to determine what analysis any samples will be subjected to. Developer shall use all commercially reasonable efforts to minimize damage to the Property in connection with such entry and shall restore the Property to the condition existing prior to such entry. Developer shall indemnify, defend and hold the City harmless from and against any and all out-of-pocket loss, cost, liability and expense, including reasonable attorney fees and litigation costs, suffered or incurred by the City as a result of the Developer's (including any of its duly authorized employees, agents, engineers or other representatives) negligent acts or omissions or willful misconduct occurring in connection with the activities conducted in accordance with the Right-of-Entry.

(D) In the event Developer elects to proceed to take title to the Property, upon the Closing and subject to the Sufficient Environmental Remediation, Developer takes such Property as it finds it, "AS IS", and the City makes no express or implied representations or warranties as to its fitness for absolutely any purpose whatsoever, including but not limited to any warranty that the Property is fit for the Developer's purpose or regarding the presence or absence of Hazardous Materials at, on, in, under, at, or from the Property and compliance with the Property with Environmental Laws, other than with respect to Sufficient Environmental Remediation. Except with respect to Sufficient Environmental Remediation, Developer acknowledges that neither the City nor any agent or employee of the City has made any representation, warranty or agreement, either express or implied, and Developer has not relied on any representation, warranty or agreement of any kind made by the City or any agent or employee of the City, concerning (a) the physical or environmental condition of the Property, or (b) the presence or absence of any condition, substance or material, including but not limited to any waste material, equipment or device at, on, in, under, about, or from the Property. Developer agrees that the disclosures of the City concerning the Property and its condition are intended to satisfy any duties the City may have under the law, including but not limited to the statutes, Environmental Laws, and common law. By executing this Agreement, Developer acknowledges that it is entitled to receive from the City Sufficient Environmental Remediation and is entitled to conduct its Diligence Activities, including but not limited to inspection of the Property, review of title, and the results of the tests, investigations and surveys permitted under this Agreement. If, prior to Closing, Developer fails to undertake such investigations and/or obtain such test results and surveys, or fails to object to the condition of the Property based on the results of its Diligence Activities, and Developer thereafter elects to proceed to Closing, Developer shall thereupon be deemed to have waived any right to object to the condition of the Property and shall be deemed to have declared its full satisfaction therewith, subject to Sufficient Environmental Remediation.

(E) Upon Closing, Developer, for itself and its successors and assigns, expressly waives and releases all Environmental Claims (whether for personal injury, property damage or otherwise) that Developer may have against the City and its officials, employees and agents in connection with or related to such Property or any aspect thereof, except with respect to Sufficient Environmental Remediation.

(F) After the Closing, the City shall have no obligation or liability to Developer whatsoever to undertake any cleanup or other remedial action that may be required in connection with the Property under any Environmental Law, or to comply with any other federal, state or local requirement to attend to the physical condition of the Property, subject to the City's obligations hereunder related to Sufficient Environmental Remediation.

(G) At its sole cost and expense, with respect to the Property for the period commencing on the Closing and ending on Commencement of Construction (as defined in Section 5(C) below), Developer shall: (a) comply with all Environmental Laws; (b) pay when due the cost of Developer's compliance with the Environmental Laws resulting out of environmental conditions caused or permitted by Developer during its period of ownership, use, possession or development of the Property; and (c) keep the Property free of any lien imposed pursuant to the Environmental Laws resulting out of Developer's ownership, use, possession, or development of the Property.

(H) Notwithstanding anything to the contrary which may be contained in this Agreement, Developer represents and warrants and covenants to the City for the period after Developer's commencement of ownership, use, possession or development of the Property through and including Commencement of Construction, as follows:

(a) Developer shall not use or allow the use of the Property for the purpose of storing any Hazardous Materials Developer brings into the Property, nor shall Developer use the Property in a manner which will cause or increase the likelihood of causing the release of such Hazardous Materials onto or from the Property, in each case other than those Hazardous Materials which are necessary and commercially reasonable for the conduct of Developer's development activities or the business operated on the Property and which Hazardous Materials shall be handled and disposed of in compliance with all Environmental Laws and industry standards and in a commercially reasonable manner.

(b) Developer shall promptly notify the City of any claims or litigation against the Developer by any person (including any governmental authority), concerning the presence or possible presence of Hazardous Materials contamination at the Property or concerning any violation or alleged violation of the Environmental Laws by the Developer respecting the Property, and shall furnish the City with a copy of any such communication received by Developer.

(c) Developer shall notify the City promptly and in reasonable detail in the event that Developer becomes aware of or suspects the presence of Hazardous Materials at levels exceeding those allowed by the Environmental Laws or contamination or a material violation of the Environmental Laws at the Property.

(d) If Developer's operations at the Property violate the Environmental Laws so as to subject Developer or the City to a formal notice of violation by a governmental agency alleging a violation of the Environmental Laws, Developer shall promptly notify the City of the Developer's receipt of such formal notice of

violation and shall promptly investigate the underlying circumstances and notify the City within five (5) days after the completion of its investigation of the results of its investigation. If Developer determines that an ongoing material violation by Developer is occurring or did occur, Developer shall, to the extent required by Environmental Laws, cease or cause a cessation of or take other actions to address those aspects of the use or operations causing the violation and shall remedy and cure in compliance with the Environmental Laws any conditions arising therefrom to the extent required by Environmental Laws at its own cost and expense. If Developer disputes that its activities are violating Environmental Laws, it shall expeditiously appeal and prosecute an appeal of the notice of violation or take other commercially reasonable actions to dispute such notice.

### **Section 3. CLOSING**

(A) On the Closing Date, the City shall, subject to Developer's satisfaction of the conditions precedent set forth in Section 3(B) below, convey the Property to the Developer (the "Closing") by quit-claim deed substantially in the form of the deed set forth in **Exhibit B** (the "Deed") using legal descriptions approved by Developer and the City. The Parties agree and acknowledge that the sole and exclusive consideration for conveyance of the Property hereunder is deemed to be the Arrangement, the sufficiency of which is hereby acknowledged.

(B) Conditions to Closing. The City's obligation to proceed with a Closing is conditioned on the fulfillment by Developer of each of the following conditions precedent:

a. Resolution of Developer's Authority. Developer shall furnish to the City a certified copy of a resolution in form and substance reasonably acceptable to the City and the title company insuring title to the Property, duly authorizing the execution, delivery and performance of this Agreement and all other documents and actions contemplated hereunder.

b. Payment of Closing Costs. Developer shall have tendered payment of the closing costs payable by Developer, which shall include all title charges, escrow, closing and recording fees associated with any conveyance hereunder except those costs expressly allocated to the City hereunder. The City shall pay all closing costs in connection with transfer of the Property at Closing to the extent such costs are expressly allocated to sellers of real property in Detroit, Michigan pursuant to applicable law. Each Party shall bear the cost of its own legal fees and expenses in connection with this Agreement.

(C) Delivery of Deeds and Possession. The City will deliver to Developer at Closing the Deed with respect to the Property and possession thereof.

(D) Recording. Provided that Developer has complied with all conditions precedent as specified in Section 3(B) above, the Deed shall be delivered at the Closing for prompt recordation with the Register of Deeds of Wayne County, Michigan. Developer shall pay at Closing all costs for recording the Deed. Possession of the Property shall be delivered to Developer at the Closing.

### **Section 4: NOTICES**

All notices, demands, requests, consents, approvals or other communications (any of the foregoing, a “Notice”) required, permitted, or desired to be given hereunder to any Party shall be in writing and either (a) hand delivered, (b) sent by registered or certified mail, postage prepaid, return receipt requested, (c) sent by facsimile transmission (with confirmation), or (d) sent by reputable overnight prepaid courier, addressed to the Party to be so notified at its address set forth below, or to such other address as such Party may hereafter specify in accordance with the provisions of this Section. ## **Section 5: COVENANTS**

(A) Developer covenants for itself and its successors and assigns and every successor in interest to the Property, that from and after Closing on the Property, Developer and its successors and assigns shall develop such Property only to and in accordance with the Approved Development Proposal and otherwise pursuant to the terms and conditions of this Agreement, unless otherwise agreed in writing by the City. Subject to Force Majeure Delays (as defined below), within twelve (12) months following the Closing Date (the “Commencement Deadline”), the Developer shall achieve Commencement of Construction with respect to such Property. Following Commencement of Construction, the Developer shall diligently prosecute the Development on the Property to substantial completion in material conformance with the Approved Development Proposal (which shall mean substantial completion of the Development and all improvements related thereto, exclusive of landscaping, punch list items and any tenant work for commercial or other space for which there are no tenants or for which the work is to be done by a tenant and any onsite or offsite work that is not commercially necessary for occupancy in material conformance with the Approved Development Proposal) (the date upon which such substantial completion occurs referred to herein as the “Completion Date”). Subject to Force Majeure Delays, the Completion Date shall occur within thirty-six (36) months following the Closing Date (the “Completion Deadline”). For purposes of this Agreement, “Force Majeure Delays” shall mean an event, casualty, occurrence, condition, or circumstance of any kind or nature reasonably beyond the control of the applicable party hereto which renders such party unable to perform any of its obligations contemplated hereunder, in full or in part, including, without limitation, (i) acts of declared or undeclared war by a foreign enemy; (ii) civil commotion, insurrection or riots; (iii) fire or casualty or condemnation; (iv) floods, hurricanes or other materially adverse weather conditions; (v) earthquakes; (vi) acts of God; (vii) governmental preemption in the case of emergency; (viii) unavailability of materials to the extent not within the reasonable control of the applicable party (other than shortage of funds); (ix) strikes, lockouts or other labor trouble; (x) inability to secure labor or access to the Property including, without limitation, holdover of the tenant under the JLA Lease (as defined below) beyond any stated expiration date (inclusive of all renewal options thereunder); (xi) acts of terrorism; (xii) the suspension of government operations; (xiii) any act, omission, rule, order or regulation of any governmental authority or any department or subdivision thereof (other than, with respect to the City, the City, any department, subdivision or agency of the City or any governmental authority within the direct or indirect control or supervision of the City and other than, with respect to the Developer, the failure of the Developer to secure the Required Approvals if the Developer does not apply for and diligently prosecute the applications for such Required Approvals); (ix) the presence of hazardous materials on the Property and any related remedial action; and (x) any other cause, event or circumstance not within the reasonable control of the applicable party (other than shortage of funds).

(B) The Commencement Deadline and Completion Deadline shall be extended for a period of time equal to the number of days during which Developer is prevented from proceeding with the construction of the development at the Property by reason of Force Majeure

Delays, provided that (i) Developer is otherwise in compliance with the terms and provisions of this Agreement, and (ii) Developer notifies the City of the events constituting such Force Majeure Delays no later than sixty (60) days after Developer has actual knowledge of their occurrence. At Closing, Developer shall cause the City to be provided with a commercially reasonable completion guarantee, or other assurance of completion (which other assurance of completion shall be reasonably acceptable to the City), given by an entity reasonably acceptable to the City, which guarantees for the benefit of the City substantial completion of the Development on or before the Completion Deadline (the “Guaranty”).

(C) For purposes of this Agreement, “Commencement of Construction” on the Property shall be deemed to have occurred when the Developer shall have commenced site preparation work on the Property, which site preparation work may include renovation or demolition of existing structures located on the Property by the Developer, as applicable.

(D) Developer covenants and agrees that from and after Closing, through and including the Commencement of Construction, it will: (i) comply with all applicable zoning requirements, and all other applicable state and federal statutes and regulations and local laws and ordinances applicable to the ownership, use and/or occupancy of the Property; and (ii) except as abated in accordance with the terms hereof, pay and discharge when due without penalty, and in all events before penalty for nonpayment attaches thereto, all taxes, assessments and governmental charges, including but not limited to real estate taxes or assessments on the Property or any part thereof, except where the same may be contested in good faith.

(E) Developer covenants and agrees to permit the City or its designee to encumber that portion of the Property depicted in the attached **Exhibit C** with an easement upon terms and conditions determined by the City in its reasonable discretion, for the purpose of constructing certain riverwalk improvements. In the event the easement contemplated above is not placed of record prior to Closing, the Developer (including any successors or assigns thereof) shall permit such easement to be placed of record following Closing free of charge. Notwithstanding any provision hereof to the contrary, no such easement described in this paragraph, to the extent recorded prior to Closing, shall form the basis for a Title Defect or any Objection hereunder, and the City shall not be required for any reason to cure, remove or bond over such encumbrance.

(F) Developer covenants and agrees to permit the City or its designee to maintain on the Property those certain public transportation assets of the City commonly referred to as the “people mover” and all ancillary assets related thereto free of charge (the “People Mover”). Developer further covenants and agrees to permit the City or its designee to encumber the Property with an easement upon terms and conditions determined by the City in its reasonable discretion, for the purpose of maintaining, renewing and replacing, as necessary in the City’s sole discretion, the People Mover in the location on the Property in which the People Mover is situated as of the date of this Agreement. In the event the easement contemplated above is not placed of record prior to Closing, the Developer (including any successors or assigns thereof) shall permit such easement to be placed of record following Closing free of charge. Notwithstanding any provision hereof to the contrary, no such easement described in this paragraph, to the extent recorded prior to Closing, shall form the basis for a Title Defect or any

Objection hereunder, and the City shall not be required for any reason to cure, remove or bond over such encumbrance.

(G) Estate Conveyed. Notwithstanding anything contained in this Agreement to the contrary, the estate conveyed hereby shall be deemed to be a determinable fee and only upon Commencement of Construction hereunder will the possibility of reverter retained by the City automatically expire as to that part of the applicable Property.

(H) City Covenants.

(a) Prior to Closing, the City shall (1) subject to Demolition, maintain the Property in at least the same condition and repair (except for environmental condition and repair thereof, which is addressed in sub-clause (2) below) as such exists on the Effective Date, (2) not, through its own action, alter the environmental condition of the Property, as such exists on the Effective Date, in a material and adverse manner, (3) not take zoning or land use action on the Property without Developer's prior written consent, and (4) not execute or grant any lease, contract, agreement, lien, security interest, encumbrance, easement, or restriction with respect to such Property, or amend, modify, renew or extend any of the foregoing, without prior written consent of the Developer, which consent shall not be unreasonably withheld, conditioned or delayed; provided, however, without the consent of the Developer, the City shall be permitted to (i) enter into, amend, modify or renew any contract, agreement or lease with respect to the Property to the extent that such instrument is terminable at will by the City and is terminated by the City prior to the Closing or the term of such instrument does not extend beyond Closing, and (ii) amend or modify the JLA Lease in any manner which would not materially, adversely alter the rights of the Developer hereunder (for avoidance of doubt, the City shall be permitted to terminate the JLA Lease without the Developer's prior consent); provided, however, in no event shall the City renew or otherwise extend the JLA Lease, subject to the right of the existing tenant thereunder to so extend the JLA Lease. The City shall pass no charter, ordinance or other provision that solely affects or primarily targets the Developer or its rights under this Agreement which charter, ordinance or other provision has a material adverse impact on the Developer or its rights under this Agreement (it being understood that a "material adverse impact" shall include any adverse financial impact on or any contradiction, or adverse impact on the enforceability of, the terms of this Agreement or the Economic Incentive Agreements). To the extent any COBO Interests are intended to benefit the owner of the Property, but are not otherwise in the name of, or held by, the City, upon written request of the Developer given to the City not less than ninety (90) days prior to Closing, the City shall use reasonable efforts to cause such COBO Interests to be conveyed to the Developer at Closing.

(b) Promptly upon expiration of the JLA Lease, but in no event more than ninety (90) days after expiration of the JLA Lease (the "Demolition Commencement Date"), the City shall commence or cause to be commenced the demolition of all improvements on the Property (except for those certain improvements commonly referred to as the Joe Louis Arena Garage) (the "Demolition Property"), which demolition shall include (i) removal and disposal of all building improvements and materials located thereon and (ii) certain excavation work to be completed at the Demolition Property, which excavation work shall include, without limitation, clearing and grubbing, soil erosion and control, and site excavation and embankment on the

Demolition Property, all in accordance with plans and specifications reasonably acceptable to the Developer and all applicable laws, including, but not limited to Environmental Laws (“Demolition”). For the avoidance of doubt, if the City commences staging for the Demolition by the Demolition Commencement Date, the City will be deemed to have timely commenced Demolition. Notwithstanding the foregoing, Demolition shall also include (i) remediation or removal of Hazardous Materials (including, but not limited to, asbestos-containing materials, PCB-containing light fixtures, mercury-containing switches) related to the removal and disposal of materials from the Demolition Property to the extent required by or necessary to comply with applicable laws or as is customary for demolition projects of a similar scope and nature and (ii) the investigation, control or removal of any Hazardous Materials at, on or below the surface of the Property that is sufficient under and otherwise causes the Property to comply with applicable law for Developer to develop and use the Property consistent with the Development Proposal for its intended purposes as a multiuse hotel, residential condominium, office or retail development (“Sufficient Environmental Remediation”). Sufficient Environmental Remediation may, at the City’s election, include controls that do not unreasonably interfere with the Development Proposal; provided such are acceptable to the governmental authorities with jurisdiction over the Property. Developer agrees that, in conjunction with Developer, the City may have prepared and submitted to the Michigan Department of Environmental Quality a Baseline Environmental Assessment (Phase II) and associated Due Care Plans approved by and for the benefit of Developer, which approval shall not be unreasonably withheld, delayed or conditioned; however, the submission of such shall not alleviate the City’s obligation to undertake such other actions necessary to perform Sufficient Environmental Remediation to allow for the implementation of the Development Proposal. The Developer agrees that in conducting Sufficient Environmental Remediation, the City may rely on protective barriers to prevent contact with affected soil and deed restrictions to limit groundwater use and other due care requirements approved by the governmental authorities and reasonably acceptable to Developer. Sufficient Environmental Remediation shall not include the construction of measures adopted as controls to the extent that they are otherwise specifically part of the Development Proposal, in which case Developer shall construct them as part of the Development; however, if the costs to do so are increased as a result of government approved controls, the City shall reimburse Developer for the increased costs to satisfy any government imposed controls. Developer or any future owner will be responsible for maintaining any reasonable controls or due care measures adopted as part of the Sufficient Environmental Remediation. The Demolition Commencement Date is expected to occur on or before September 15, 2017. Demolition shall be completed within one (1) year following the Demolition Commencement Date. The State shall make available to the City and/or the City Parties certain CRP Incentives set forth below, of which up to \$6,000,000 will be for the purpose of reimbursing the City for the costs and expenses incurred in connection with the Demolition (the “Demolition CRP Incentives”). For purposes of this Agreement, “CRP Incentives” shall mean incentives available from the Michigan Strategic Fund, in cooperation with the Michigan Economic Development Corporation (“MEDC”), through the Community Revitalization Program under Public Act 252 of 2011. If there are any remaining Demolition CRP Incentives following the Demolition and the Sufficient Environmental Remediation, such funds shall be made available to reimburse the Developer for other eligible costs for the Development, to the extent the Developer otherwise meets the eligibility requirements for CRP Incentives and enters into the Economic Incentive Agreements applicable to such CRP Incentives.

(c) Until the earlier of Closing or termination of the Developer's rights under this Agreement, the City shall fund or cause to be funded all costs and expenses for the repairs specified on page 15 "Opinion of Expected Construction Costs – July 2014" in the Physical Conditions Due Diligence Review and Evaluation dated September 2014 prepared by Desman Associates, except for Item #3 identified therein.

(d) The City represents to Developer that, as of the Closing Date, the City or an instrumentality of the City will have the right, power and authority to convey the Property in the manner provided for in this Agreement.

(I) Economic Incentive Covenants.

(a) In order to facilitate construction of the Development pursuant to the Approved Development Proposal on the Property, the State has agreed to reimburse the Developer for certain eligible project costs through TIF Incentives, as more particularly set forth herein. To the extent that the Approved Development Proposal meets the eligibility requirements for TIF Incentives, the Developer shall be provided up to \$18,000,000 in TIF Incentives, which TIF Incentives will accrue interest at three percent (3%) per annum on any outstanding balance thereof, pursuant to one or more subsequent final written grants or loans (forgivable or otherwise), as applicable, and a development agreement or other economic assistance agreements, as applicable, which shall be entered into by the Developer and the State no later than one hundred twenty (120) following the City's approval of the Approved Development Proposal (which date may be extended by up to sixty (60) days in the event that the TIF Incentives require review by the Michigan Department of Environmental Quality) (the "Economic Incentive Agreements"). The Economic Incentive Agreements shall include (i) a schedule of performance- based project milestones for construction of the Development, and (ii) a pro-forma budget for the Development, as agreed upon by the City, the State and the Developer. The Economic Incentive Agreements will be executed in accordance with the standard process, including the filing of any necessary applications. The Economic Incentive Agreements shall govern disbursement of the TIF Incentives, including those project costs related to the Development that are eligible for TIF Incentives, as well as conditions precedent, milestones and timing for such disbursement, and shall include customary periodic reporting requirements of the Developer for data related to the Development both during and after construction. For purposes of this Agreement, "TIF Incentives" shall mean certain redevelopment incentives awarded by the Michigan Strategic Fund (MSF) under the Brownfield Tax Increment Financing Program (Act 381 of 1996), as administered by MEDC.

(b) To the extent the Development includes residential uses, the Economic Incentive Agreements shall also provide for designation of the Development as a Neighborhood Enterprise Zone ("NEZ"), and the City and each of the City Parties shall cooperate with and assist the Developer in applying for the NEZ certificate. The City and each of the City Parties shall establish either a Commercial Redevelopment Zone (as defined in the Commercial Redevelopment Act, defined below) or a Commercial Rehabilitation Zone (as defined in the Commercial Rehabilitation Act, defined below), as requested by the Developer, such that the Property will be eligible for the property tax abatements available for properties in the applicable zone. The City and each of the City Parties shall cooperate with and assist the Developer in

applying for and obtaining the tax abatements for which the Property and any development thereon is eligible under the Commercial Rehabilitation Act or the Commercial Redevelopment Act. For purposes hereof, "Commercial Redevelopment Act" means the Public Act 255 of 1978, MCL § 207.651 *et seq.*, and "Commercial Rehabilitation Act" means the Public Act 210 of 2005, MCL § 207.841 *et seq.*

(c) The City shall use its commercially reasonable efforts to assist the Developer in obtaining any additional sources of developer financings and grants not already expressly provided for in this Agreement that are identified in writing to the City by the Developer.

(J) Land Use Covenants.

(a) The City shall change the zoning requirement for the Property to be designated "B-5", which will permit the Developer to develop the Property as a mixed-use development, provided that the City administratively approves the site plans, which approval will not be unreasonably withheld, delayed or conditioned. Approval by the City of the Development Proposal shall not be deemed approval with respect to any site plan, elevation, special land use, environmental, conditional use or other municipal approvals or permits, or variances therefrom, required for the Development (the "Required Approvals"); provided, however, upon approval by the City of the Development Proposal and prior to Closing, the Developer may proceed with securing the Required Approvals at its sole cost and expense.

(b) With respect to any formal requests made by Developer or its designee to the City or State for any Required Approvals, the City or State, as applicable: (a) agrees to process such requests promptly and to use commercially reasonable efforts to process them within thirty (30) days of submission by the Developer, (b) shall not unreasonably withhold, condition or delay approvals of the applicable requests, provided that the City or State have the legal authority to grant such approval and that such approval does not violate any applicable law, rule or regulation of general application, (c) shall not unreasonably impede or interfere with the Development, (d) shall not discriminate against Developer in the consideration or approval of such Required Approvals on account of the circumstances surrounding the Arrangement and this Agreement and the events leading up thereto, and (e) shall use reasonable efforts to facilitate such requests, taking into consideration other similar requests for approvals or inducements, as applicable, of third parties granted thereby for similarly situated developments and uses as those contemplated for the Development; provided, however, the City or State, as applicable, shall process such requests for all Required Approvals pursuant to all then applicable rules, regulations, statutes and similar requirements.

**Section 6: REMEDIES**

(A) City's Remedies Prior to Conveyance. In the event that, prior to the Closing on the Property, Developer assigns or otherwise transfers this Agreement or any right therein or in the Property to any entity prohibited from doing business with the City, this Agreement and any rights of Developer in this Agreement, may, at the option of the City, be terminated by the City after thirty (30) days written notice and opportunity to cure provided by the City to Developer. In any case, the Developer shall provide written notice to the City of such assignment.

(B) City's Remedies Subsequent to Conveyance.

(1) Event of Default. If, prior to the Developer achieving substantial completion of the Development, the Developer breaches any covenant set forth in this Agreement and fails to cure such breach within thirty (30) days after written demand by the City, such an event shall be deemed to constitute an "Event of Default", provided, however, that if the nature of Developer's default is such that more than the cure period provided is reasonably required for its cure, then Developer shall not be deemed to be in default if Developer commences such cure within said period and thereafter diligently pursues such cure to completion within one hundred eighty (180) days of City's initial written demand hereunder. Notwithstanding the foregoing, Developer shall have the right to dispute that an Event of Default has occurred or that an Event of Default has not been timely cured by written notice of dispute sent to the City ("Notice of Dispute"). In the event a Notice of Dispute is sent, such Parties shall meet and in good faith work to resolve their differences. In the event the City and Developer cannot resolve their differences as to whether an Event of Default has occurred or has been cured, then the City shall not take any action with respect to such uncured and disputed Event of Default as described in Sections 6(B)(2) or 6(B)(3) below without first bringing an action in a court of competent jurisdiction for a final judicial determination that an Event of Default occurred and was uncured. Notwithstanding the foregoing, the Developer shall not be entitled to give a Notice of Dispute and the City shall not be required to first meet in good faith with the Developer as provided for above, and may proceed directly to seek judicial relief in a court of competent jurisdiction to the extent such Event of Default arises from or relates to the imminent risk of harm to property or persons. The City may, in its sole discretion, waive in writing any default or Event of Default by Developer.

(2) City's Remedies. Upon the occurrence of an Event of Default by the Developer, then after a judicial determination as required by Section 6(B)(1) above, the City shall have the right (as its sole remedy except as set forth in Section 6(B)(3) below with respect to the failure of the Developer to achieve Commencement of Construction prior to the Commencement Deadline as the same may be extended as provided herein), to seek injunctive relief, specific performance or other equitable remedies (other than the forfeiture of Developer's title to or interest in the Property) for the Developer's breach of this Agreement,. In no event shall the City be entitled to monetary damages as a result of the Developer's breach of this Agreement.

(3) Right of Reverter. It is expressly understood and agreed between the Parties hereto that until Commencement of Construction, the conveyance of such Property to Developer shall be construed and interpreted as the conveyance of a fee simple determinable, and that in the event of an uncured and undisputed Event of Default caused solely by the failure of the Developer to achieve Commencement of Construction prior to the Commencement Deadline as the same may be extended as provided herein, then after a judicial determination as required by Section 6(B)(1) above, title to the Property shall automatically revert in the City. Upon such reversion of title, the City shall have the right to re-enter and take immediate possession of the Property. While the right of reversion as to the Property automatically terminates upon Commencement of Construction, the City agrees to provide Developer with a written acknowledgement, in recordable form, that Commencement of Construction has occurred

and the City's right of reversion has terminated hereunder and to take such further action as may reasonably be requested by the Developer, at no incremental cost to the City, to extinguish the right of reversion of record.

(C) Rights and Remedies Cumulative. The rights and remedies of the City and the Developer, whether provided by law or by this Agreement, shall be cumulative, and the exercise by the City or the Developer of any one or more remedies shall not preclude the exercise by it, at the same or different times, of any other remedy for the same default or breach or any other default or breach by the Developer or the City. No waiver made by any Party shall apply to obligations beyond those expressly waived in writing.

(D) Developer's Remedies. If the City breaches its obligations under this Agreement after reasonable notice and opportunity to cure, Developer shall have the right to seek injunctive relief, specific performance or other equitable remedies for the City's breach of this Agreement. In no event shall the Developer be entitled to monetary damages as a result of the City's breach of this Agreement.

(E) Representatives Not Individually Liable. No official or employee of the City shall be personally liable to Developer or any successor in interest, in the event of any default or breach by the City or for any amount which may become due to Developer or successor or on any obligations under the terms of this Agreement. No director, officer or employee of the Developer or any successor in interest shall be personally liable to the City, in the event of any default or breach by the Developer or any successor in interest for any amount which may become due to the City or on any obligations under the terms of this Agreement.

#### **Section 7: PROVISIONS NOT MERGED WITH DEEDS**

No provision of this Agreement is intended to or shall be merged into the Deed transferring title to the Property from the City to Developer or any successor in interest, and any such Deed shall not be deemed to affect or impair the provisions and covenants of this Agreement.

#### **Section 8: ENTIRE AGREEMENT; AMENDMENT**

This Agreement (including all exhibits, schedules or other attachments hereto) constitutes the complete and exclusive statement of the terms of the agreement among the Parties with respect to the subject matter hereof and supersedes all prior agreements, understandings, promises, and arrangements, oral or written, between or among the Parties with respect to the subject matter hereof. This Agreement may be amended or modified only by an instrument in writing signed by all of the Parties.

#### **Section 9: GOVERNING LAW; JURISDICTION**

This Agreement shall be governed by and construed in accordance with the laws of the State of Michigan without regard to conflicts-of-law principles that would require the application of any other law. Any dispute between the Parties under this Agreement which cannot be resolved by informal dispute resolution by the Parties within sixty (60) days of notice to the other

Party shall be brought in the United States Bankruptcy Court for the Eastern District of Michigan (the "Bankruptcy Court") for so long as it has jurisdiction, and thereafter in the United States District Court for the Eastern District of Michigan (the "District Court"); provided, that if the District Court does not have jurisdiction, then such legal action, suit or proceeding shall be brought in such other court of competent jurisdiction located in Wayne County, Michigan; provided, further, by execution and delivery of this Agreement, each of the Parties irrevocably accepts and submits to the exclusive jurisdiction of such court, generally and unconditionally, with respect to any such action, suit or proceeding and specifically consents to the jurisdiction and authority of the Bankruptcy Court to hear and determine all such actions, suits, and proceedings under 28 U.S.C. §157(b) or (c), whichever applies.

#### **Section 10: COUNTERPARTS**

This Agreement may be executed in several counterparts, each of which shall be deemed to be an original, but together such counterparts shall constitute one and the same instrument.

#### **Section 11: AUTHORITY OF CITY.**

Notwithstanding anything in this Agreement, in law or in equity, or otherwise to the contrary, this Agreement shall be of no force or effect and may not in any way be enforced against the City unless or until this Agreement and the transaction contemplated hereby have been: (i) approved in writing by the Emergency Manager for the City of Detroit, in accordance with Emergency Manager Order No. 5 (as modified by Order No. 42), (ii) either included in the Emergency Manager's financial and operating plan or approved in writing by the Governor of the State of Michigan or his or her designee, in accordance with Section 12(1)(k) of Public Act 436 of 2012; and (iii) either included in the Emergency Manager's financial and operating plan or approved in writing by the State Treasurer, in accordance with Section 15(1) of Public Act 436 of 2012. The City shall provide written notice to Developer of the satisfaction of the foregoing conditions, within five (5) business days after satisfaction thereof.

**Section 12: CITY AGENCIES AND DEPARTMENTS.** Whenever this Agreement requires an action or creates an obligation on behalf of the City, the City shall also be required, as applicable, to cause all of the City Parties to take such actions and perform such obligations.

#### **Section 13: TRANSFERABILITY.**

(A) Developer shall be entitled to freely transfer or assign its rights and obligations hereunder at any time, as long as it provides the City written notice thereof and it does not transfer its rights hereunder to a party that is prohibited from doing business with the City, and upon such assignment and an assumption of the obligations and liabilities of the Developer by any such transferee, the Developer shall be automatically released from any of its obligations or liabilities hereunder.

(B) Notwithstanding anything to the contrary contained herein, the COPs and any beneficial interests in COPs shall be freely transferable without restriction of any kind or notice to the City or any City Parties.

**EXHIBIT I.A.237**

FORM OF LTGO SETTLEMENT AGREEMENT

**SETTLEMENT AGREEMENT**  
**(LTGO)**

This Settlement Agreement (“**Agreement**”) is entered into as of July 24, 2014, among the City of Detroit (the “**City**”), Ambac Assurance Corporation (“**Ambac**”), and BlackRock Financial Management, on behalf of certain managed funds and accounts listed on Exhibit B (“**Uninsured Bondholder**,” and together with Ambac, the “**LTGO Parties**”). In this Agreement, the City and the LTGO Parties are referred to collectively as the “**Parties**.”

**RECITALS**

**WHEREAS**, as of the close of Fiscal Year 2013 (*i.e.*, June 30, 2013), the City had \$160,970,000 in outstanding principal amount of limited tax general obligation bonds, excluding any limited tax general obligation bonds secured by distributable state aid and sold to the Michigan Finance Authority (the “**Prior LTGO Bonds**”);

**WHEREAS**, more than two thirds in amount of the Prior LTGO Bonds are either insured by Ambac under financial guaranty insurance policies (the “**Bond Insurance Policies**”) that were issued contemporaneously with certain Prior LTGO Bonds (the “**Insured Prior LTGO Bonds**”) or held by the Uninsured Bondholder;

**WHEREAS**, the Governor of the State of Michigan determined on March 1, 2013 that a financial emergency existed in the City, and the Emergency Manager (together with any successors, the “**Emergency Manager**”) was appointed for the City on March 14, 2013;

(b) In addition to issuing and delivering the New LTGO Notes to the LTGO Claims Holders, the City shall also deliver and distribute to the LTGO Claim Holders the Pro Rata share of the Reserve B Notes in accordance with Section 2.2(e) of this Agreement. The Plan will provide in the event the City intends to redeem all or a portion of principal amount of New B Notes during any time that the Insured Prior LTGO Bonds are outstanding pursuant to Section 2.1(b)(ii) then:

(ii) at least 34 days prior to the redemption date, the Distribution Agent will direct the paying agent for the Insured Prior LTGO Bonds to send a redemption notice to Insured Prior LTGO Bondholders providing for a pro rata redemption of Insured Prior LTGO Bonds in an aggregate principal amount equal to the proportion that the principal amount of the New B Notes held by the Distribution Agent which are to be redeemed bears to the total principal amount of Insured Prior LTGO Bonds then outstanding pursuant to Section 2.1(b)(ii), in accordance with the procedures for redemption in the Prior LTGO Bonds documents;

(iii) no later than noon, Eastern Time, on the business day prior to the redemption date the City will pay the redemption price of the New B Notes to the paying agent for the New B Notes, and upon receipt of the redemption price of the portion of the New B Notes of which it is the beneficial owner, but no later than 10:00 a.m. Eastern Time, on the redemption date the Distribution Agent shall promptly transfer the redemption price for the portion of the Insured Prior LTGO Bonds to be redeemed to the paying agent for the Insured Prior LTGO Bonds to effectuate the redemption of the Insured Prior LTGO Bonds on the same day;

(iv) if Ambac issues endorsements to its bond Insurance Policies decreasing such Policies by the redemption principal amount, the holders of Insured Prior LTGO Bonds will be deemed to consent to such endorsements and such

Bond Insurance Policies will be so reduced; and

(v) the City understands that the paying agent for the Insured Prior LTGO Bonds will apply the amount received to reduce the principal amount, pro rata, of the Insured Prior LTGO Bonds which then remain outstanding as provided in Section 2.1(b) and such reduction in principal shall be deemed a redemption in part, of such Insured Prior LTGO Bonds.

(c) The Plan will provide that, from and after the Effective Date:

(i) The City will remain a named plaintiff and defendant in the COP Litigation but will transfer all of its rights and interests in the COP Litigation to a Litigation Trust whose beneficiaries, for the purpose of the COP Litigation, shall be the Litigation Parties and the Holders of Allowed Class 14 Claims. The Litigation Trustee will be selected by the LTGO Representative and the Retiree Committee and must be acceptable to the City. The document creating the Litigation Trust shall include indemnification of the Litigation Trustee by the City and will contain such other terms satisfactory to the Retiree Committee, the LTGO Representative and the City.

(ii) The Litigation Trustee will follow the day to day direction of the VEBA Trust Representatives in prosecuting and defending the COP Litigation, including defending any counterclaims and third-party claims therein. The Litigation Trustee and VEBA Trust Representatives will meet, in person or by phone at reasonable times and with reasonable advance notice, with all or any of the LTGO Representative, the VEBA Trust Representatives and the City (the "**Litigation Parties**") as requested to discuss the status, progress and prosecution of the COP Litigation. The Litigation Trustee will provide copies of all court filings by any party in the COP Litigation and such other documents relating to the COP Litigation as may be reasonably requested by the Litigation Parties. Upon request from a Litigation Party, the Litigation Trustee will provide to such Litigation Party drafts of court papers that will be filed by the Litigation Trustee as early as practicable under the circumstances to allow for comments, which may be accepted or rejected.

(iii) The cost of all fees and expenses incurred in connection with the COP Litigation will be borne by the Disputed COP Claims Reserve, subject to the funding of the Disputed COP Claims Reserve pursuant to Section II.B.3.p.iii of the Plan. The City will advance payment of all such fees and expenses within 30 days of receipt of the statements for the same pending reimbursement from the Disputed COP Claims Reserve. Reimbursement of the City will be effected by an offset in the amount of fees and expenses paid to the date of such reimbursement against the amount to be paid by the City to the Disputed COP Claims Reserve on that date. In the event that the COP Litigation is unsuccessful and a final, nonappealable judgment is entered against the City or the Litigation Trust as successor in interest to the City, such that the notes in the Disputed COP Claims Reserve are subject to release and distribution in full to the holders of Allowed Class 9 Claims in accordance with the Plan, the City will reimburse the

Disputed COP Claims Reserve for any amounts withdrawn prior to the date of such adverse judgment.

(iv) The Litigation Trustee will submit invoices for the fees and expenses incurred in connection with the COP Litigation, including for the Litigation Trustee's professional fees to the City on a monthly basis, and the City will pay such invoice within 30 days after receipt, subject to reimbursement as provided in paragraph (c)(iii) above. The Litigation Trustee fees will be fixed and consented to by the LTGO Representative and the VEBA Trustee Representatives.

(v) The Litigation Trustee will consult with the Litigation Parties in connection with any potential settlement of the COP Litigation. The Litigation Trustee will provide the Litigation Parties advance notice as early as practicable under the circumstances of any settlement negotiations, and the Litigation Parties and their counsel will have the right to participate in such negotiations. Any potential settlement must resolve the settled claims in their entirety, including the release by the settling party of all counterclaims and third party claims relating to the settled claims that it made or could have made against anyone. The Litigation Trustee will not take action on the matters set forth below unless all of the Litigation Parties agree with the decision relating to (B), (C) and (D) below, and the LTGO Representative agrees with the settlement described in (A) below:

(B) Any change of COP Litigation counsel.

(C) Any decision not to appeal an adverse decision on any claim or defense related to the COP Litigation.

(D) Any decision to voluntarily dismiss a substantive claim or counterclaim or to end the COP Litigation

To the extent the Litigation Parties are unable to reach agreement on the above matters, the Litigation Trustee or any Litigation Party may refer the matter to the Independent Party for mediation. Subject to such mediation, the Litigation Trustee shall have the authority to take whatever action may be required to avoid potentially adverse or prejudicial consequences of inaction. If a consensual resolution cannot be reached, the Independent Party will decide a substantive resolution of the issue or issues based upon the Independent Party's assessment of the merits of the legal claims, counterclaims and legal liabilities in the COP Litigation, which decision will be binding on the Litigation Parties and Litigation Trustee.

The City, the COP Litigation counsel, the VEBA Trust Representatives and the LTGO Representative will take any steps that may be required to preserve applicable privileges of the City and the COP Litigation counsel.

(d) In the event any Holder of a Disputed COP Claim enters into a settlement of such claim with the City prior to the Effective Date, including pursuant to the Plan, the portion of the New B Notes allocable to such Disputed COP Claim if such Disputed COP Claim had been allowed in full that is not used to satisfy the Disputed COP Claim pursuant to the terms of such settlement shall be deposited into the Disputed COP Claims Reserve and then distributed from the Disputed COP Claims Reserve pursuant to Section 2.2(e).

(e) Following the occurrence of the Effective Date, upon a settlement, or the entry of an order by the trial court having jurisdiction over the objections to the Disputed COP Claims, resolving any objection to any disputed COP Claim (“**Resolved COP Claims**”) and after all distributions on account of Allowed Claims respecting such Resolved COP Claim have been made or provided for, any and all New B Notes and distributions thereon remaining in the Disputed COP Claims Reserve with respect to such Resolved COP Claim shall be distributed as follows, and valued at face value for the purposes of the distribution: (I) an amount of New B Notes and/or distributions thereon in an amount equal to the costs, fees and expenses related to the COP Litigation incurred from and after the Effective Date shall be distributed to the City to reimburse it for attorneys’ fees relating to the COP Litigation, subject to and in accordance with the provisions of Section 2.2(c)(iii) above; (II) following such distribution, the balance of the New B Notes and any distributions thereon remaining in the Disputed COP Claims Reserve allocated to or with respect to such Resolved COP Claim shall be distributed as follows: (i) 65% to the Detroit General VEBA and the Detroit Police and Fire VEBA in proportion with the New B Notes allocated to each pursuant to Sections II.B.3.s.ii.A and II.B.3.s.ii.B of the Plan; and (ii) 20% to the LTGO Claim Holders (the “**Reserve B Notes**”) to be allocated Pro Rata; and (iii) 15% is to be allocated as determined by the City.

## Section 2.5 Stay of Litigation, Proofs of Claim.

(a) The Ambac Action, as it pertains to the Prior LTGO Bonds, shall be stayed pending the issuance of an Approval Order or Plan Confirmation Order and the occurrence of the Effective Date, whereupon Ambac and the City shall ask the Bankruptcy Court to dismiss the Ambac Action as it pertains to the Prior LTGO Bonds without prejudice until the Approval Order or the Plan Confirmation Order, as applicable, is a Final Order, when such dismissal shall be deemed to be with prejudice. If the Ambac Action is dismissed without prejudice and subsequently refiled pursuant to this Agreement, then the statute of limitations for the causes of action asserted in the Ambac Action, and all other defenses based on the passage of time, shall be tolled for 60 days after the date of the event that would permit a refiling.

(b) As soon as practicable subsequent to the execution and delivery of this Agreement by each of the Parties, but in no event later than five (5) business days subsequent thereto, Ambac and the City shall take any and all action as is appropriate to (i) stay the Ambac Action as provided in subsection (a) above, (ii) maintain the status quo in the Ambac Action as it pertains to the Prior LTGO Bonds as of the execution of this Agreement, and (iii) ensure that no action (including separate litigation and any objection to proofs of claim filed by the LTGO Parties relating to the Prior LTGO Bonds) is undertaken or commenced inconsistent with seeking a stay of and maintaining the status quo of the Ambac Action as it pertains to the Prior LTGO Bonds; provided, however, that any such stay shall terminate on the first (1st) business day following termination of this Agreement.

(c) In the event (i) an Approval Motion is made by the City and denied by the Bankruptcy Court, (ii) an Approval Order is issued but is not consistent with this Agreement in any material respect or is overturned on appeal, (iii) a Plan consistent with this Agreement in all material respects is not confirmed by the Bankruptcy Court, or (iv) a Plan Confirmation Order is entered by the Bankruptcy Court but is not consistent in all material respects with this Agreement, or is overturned on appeal, then Ambac may resume the Ambac Action and terminate this Agreement by written notice to the other Parties.

(d) The LTGO Parties agree that all proofs of claims filed by any of them with respect to Prior LTGO Bonds shall be deemed resolved and fully satisfied by approval of this Agreement in the Confirmation Order or an Approval Order, as applicable, which is a Final Order.

## Section 2.6 Additional Covenants

The City shall pay the reasonable and customary fees and expenses (including reasonable attorneys' fees) of (i) the paying agent with respect to the Prior LTGO Bonds, (ii) the paying agent in respect of all transactions contemplated by this Agreement, and (iii) the Distribution Agent pursuant to the Distribution Agreement.

(b) Further Action. To the extent that the City has not taken all necessary action to authorize the execution, delivery and performance of this Agreement, it will do so.

### **ARTICLE III PLAN OF ADJUSTMENT AND PLAN SUPPORT**

Section 3.1 Plan Commitment Regarding Voting and Abstention From Objection. From and after the date hereof, and so long as the City has complied, and is complying, with its covenants and obligations under this Agreement, each LTGO Party shall withdraw its objections to the Plan regarding the treatment of the Prior LTGO Bonds no later than August 1, 2014. The Plan shall provide that such treatment, consistent with this Agreement, is the treatment for all LTGO Claim Holders. The Uninsured Bondholder will vote its Prior LTGO Bonds and Ambac will vote its Prior LTGO Bonds and reimbursement claims in support of such Plan treatment promptly following the execution of this Agreement or as otherwise agreed by the City. Upon the finalization of the terms of this Agreement, the Parties will file a stipulation and proposed order with the Bankruptcy Court that will permit each LTGO Party to modify its previous vote(s) and submit a vote in support of the Plan, pursuant to Federal Rule of Bankruptcy Procedure 3018. For the absence of doubt, nothing contained in this Agreement shall require any LTGO Party to vote for the treatment of any class of claims under the Plan other than the LTGO Bonds, or refrain from objecting to the Plan with respect to issues other than the treatment of the LTGO Bonds.

Section 3.2 Solicitation Required in Connection with Plan. Notwithstanding anything contained in this Article III or elsewhere in this Agreement to the contrary, this Agreement is not, and shall not be deemed to be, a solicitation of acceptances of the Plan.

Section 3.3 Plan Document Provisions. All Plan Documents, as they relate to the settlement embodied in this Agreement must (i) be in form and substance reasonably satisfactory to the LTGO Parties and to the City and be consistent with this Agreement, (ii) provide that the Plan treatment for Prior LTGO Bonds is part of a settlement of the pending Ambac Action as it pertains to the Prior LTGO Bonds.

Section 4.1 Events of Default. The breach by any Party of any material agreement or covenant set forth in this Agreement will be an event of default ("**Event of Default**") under this Agreement.

Section 4.2 Remedies. The Parties acknowledge and agree that a breach of the provisions of this Agreement by any Party would cause irreparable damage to the other Parties and that such other Parties would not have an adequate remedy at law for such damage. Therefore, the obligations of the Parties set forth in this Agreement shall be enforceable by an order compelling specific performance issued by the

Bankruptcy Court, and appropriate injunctive relief may be applied for and granted in connection therewith. Such remedies shall be cumulative and not exclusive and shall be in addition to any other remedies that the Parties may have under this Agreement or otherwise. Any LTGO Party may exercise its rights hereunder on its own. Consistent with Section 904 of the Bankruptcy Code, the City hereby consents to the Bankruptcy Court enforcing the terms of this Agreement.

#### Section 4.3 Termination.

(a) This Agreement may be terminated by the mutual agreement of all of the LTGO Parties upon an Event of Default caused by the City. This Agreement may be terminated by less than all of the LTGO Parties as to such LTGO Party or LTGO Parties upon an Event of Default caused by the City if (i) an action or proceeding seeking to enforce the material agreement or covenant purported to be breached is brought by one or more LTGO Parties before the Bankruptcy Court, (ii) the Bankruptcy Court, after notice and a hearing, finds that an Event of Default caused by the City has occurred and (iii) either (A) the Bankruptcy Court declines to issue an order compelling specific performance by the City of the applicable agreement or covenant purported to be breached or (B) the Bankruptcy Court issues such an order compelling specific performance but the City fails to comply with the order.

(b) This Agreement may be terminated by the City if (i) any of the LTGO Parties fails to withdraw its objections to the Plan regarding the treatment of the Prior LTGO Bonds on or before August 1, 2014, or (ii) any of the LTGO Parties fails to submit a ballot to vote its Class 7 Claims to accept the Plan promptly following the execution of this Agreement or as otherwise agreed by the City. This Agreement may be terminated by the City upon an Event of Default caused by the LTGO Parties, or any of them, if (i) an action or proceeding seeking to enforce the material agreement or covenant purported to be breached is brought by the City before the Bankruptcy Court, (ii) the Bankruptcy Court finds, after notice and a hearing, that an Event of Default caused by the applicable LTGO Party has occurred and (iii) either (A) the Bankruptcy Court declines to issue an order compelling specific performance by the applicable LTGO Party of this Agreement or the applicable covenant purported to be breached or (B) the Bankruptcy Court issues such an order compelling specific performance but the applicable LTGO Party fails to comply with the order.

(c) Upon any such termination, Ambac may resume the Ambac Action unless it has been previously dismissed with prejudice or has been previously deemed dismissed with prejudice.

### **ARTICLE V REPRESENTATIONS AND WARRANTIES**

Section 5.1 Representations and Warranties of the City. The City represents and warrants to the LTGO Parties that:

(d) Other than (i) approvals of the State Treasurer, the Emergency Loan Board and the City Council to be obtained prior to delivery of the New LTGO Bonds, which the City reasonably expects to be obtained prior to the Effective Date, and (ii) the approval of the Bankruptcy Court, all governmental and Emergency Manager consents and approvals that are required to have been obtained by it as of the date of execution of this Agreement with respect to the execution, delivery and performance of this Agreement have been obtained and are in full force and effect and all conditions of any such consents and approvals have been complied with.

Section 5.2 Representations and Warranties of the LTGO Parties. Each of the LTGO Parties represents to the City that:

(a) It is duly organized and validly existing under the laws of the jurisdiction of its organization or incorporation.

(b) It has the power to execute and deliver this Agreement and to perform its obligations under this Agreement and it has taken all necessary corporate action to authorize such execution, delivery and performance.

(c) Such execution, delivery and performance do not violate or conflict with any law applicable to it, any provision of its constitutional documents, any order or judgment of any court or other agency of government applicable to it, or any agreements specifically applicable to it or any of its assets.

(d) All corporate or governmental consents and approvals that are required to have been obtained by it with respect to this Agreement have been obtained and are in full force and effect and all conditions of any such consents and approvals have been complied with.

Section 5.3 Representations and Warranties of Ambac. Ambac had and has standing to bring and resolve the Ambac Action as it pertains to the Prior LTGO Bonds that it insures.

Section 5.4 Mutual Representations and Warranties. Unless otherwise noted, each Party makes the following representations, warranties and covenants (on a several basis, with respect to such Party only) to each of the other Parties:

(a) Each person signing this Agreement warrants that he or she is legally competent and authorized to execute this Agreement on behalf of the Party whose name is subscribed at or above such person's signature.

(b) The Parties have not made any statement or representation to each other regarding any facts relied upon by them in entering into this Agreement, and each of them specifically does not rely upon any statement, representation or promise of the other Parties hereto or any other person in entering into this Agreement, except as expressly stated herein or in the exhibits hereto. Each party has relied upon its own investigation and analysis of the facts and not on any statement or representation made by any other party in choosing to enter into this Agreement and the transactions contemplated herein.

(c) The Parties and their respective attorneys have made such investigation of the facts pertaining to this Agreement and all of the matters pertaining thereto as they deem necessary.

## **ARTICLE VI EXCULPATION**

Section 6.1 Exculpation. The Plan will include the LTGO Excipated Parties as excuplated parties for acts and omissions (other than those constituting gross negligence or willful misconduct) in connection with the Plan as it relates to this Agreement and this Agreement.

Section 6.2 Releases. Upon the dismissal with prejudice or deemed dismissal with prejudice of the Ambac Action as it pertains to the Prior LTGO Bonds, Ambac and the City shall be deemed to have released each other, and each of their respective officials, officers, directors, employees and representatives, of and from any and all claims and causes of action related to the Prior LTGO Bonds and the Ambac Action.

## **ARTICLE VII DISMISSAL OF CASE AND TERMINATION**

Section 7.1 Effect of Dismissal of the Bankruptcy Case. In the event the Bankruptcy Case is dismissed, any Party may at any time within 60 days after such dismissal immediately terminate this Agreement by written notice to the other Parties.

Section 7.2 Effect of Termination. In the event of the termination of this Agreement by any Party pursuant to any provisions of this Agreement, this Agreement shall become null and void and be deemed of no force and effect, with no liability on the part of any Party hereto (or of any of its elected or appointed officials, directors, officers, employees, consultants, contractors, agents, legal and financial advisors or other representatives) arising from such termination, and no Party shall have any obligations to any other Party arising out of this Agreement. Upon termination, neither this Agreement nor any terms or provisions set forth herein shall be admissible in any dispute, litigation, proceeding or controversy among the Parties and nothing

contained herein shall constitute or be deemed to be an admission by any Party as to any matter, it being understood that the statements and resolutions reached herein were as a result of negotiations and compromises of the respective positions of the Parties. If the Ambac Action is reinstated, and this Agreement is terminated, then no Party hereto may (i) use this Agreement, any of its terms or any discussions or negotiations conducted in respect of this Agreement, or any part of the foregoing, in the Ambac Action; (ii) seek discovery with respect to any of the matters described in subsection (i) in the Ambac Action; or (iii) seek to admit any of the matters described in subsection (i) into evidence in the Ambac Action.

## **ARTICLE VIII MISCELLANEOUS**

Section 8.1 Amendments. This Agreement may not be modified, amended or supplemented except by a written agreement executed by each Party to be affected by such modification, amendment or supplement.

Section 8.2 No Admission of Liability.

(a) The execution of this Agreement is not intended to be, nor shall it be construed as, an admission or evidence in any pending or subsequent suit, action, proceeding or dispute of any liability, wrongdoing, or obligation whatsoever (including as to the merits of any claim or defense) by any Party to any other Party or any other person with respect to any of the matters addressed in this Agreement.

(b) None of this Agreement (including, without limitation, the recitals and exhibits hereto), the settlement or any act performed or document executed pursuant to or in furtherance of this Agreement or the settlement: (i) is or may be deemed to be or may be used as an admission or evidence of the validity of any claim or of any wrongdoing or liability of any Party; or (ii) is or may be deemed to be or may be used as an admission or evidence of any liability, fault or omission of any Party in any civil, criminal or administrative proceeding in any court, administrative agency or other tribunal. None of this Agreement, the settlement, or any act performed or document executed pursuant to or in furtherance of this Agreement or the settlement shall be admissible in any proceeding for any purposes, except to enforce the terms of the Agreement, and except that any Party may file this Agreement in any action for any purpose, including, but not limited to, in order to support a defense or counterclaim based on the principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction or any other theory of claim preclusion or issue preclusion or similar defense of counterclaim.

Section 8.3 Good Faith Negotiations. The Parties recognize and acknowledge that each of the Parties hereto is represented by counsel, and such Party received independent legal advice with respect to the advisability of entering into this Agreement. Each of the Parties acknowledges that the negotiations leading up to this Agreement were conducted regularly and at arm's length; this Agreement is made and executed by and of each Party's own free will; that each knows all of the relevant facts

and his or its rights in connection therewith, and that it has not been improperly influenced or induced to make this settlement as a result of any act or action on the part of any party or employee, agent, attorney or representative of any party to this Agreement. The Parties further acknowledge that they entered into this Agreement because of their desire to avoid the further expense and inconvenience of litigation and other disputes, and to compromise permanently and settle the claims between the Parties settled by the execution of this Agreement.

Section 8.4 Rights and Remedies. Nothing in this Agreement is intended to augment, impair any rights, remedies and interests, including without limitation, liens, of any of the Parties hereto other than with respect to the Prior LTGO Bonds.

Section 8.5 Third Party Beneficiaries. Nothing in this Agreement, express or implied, is intended or shall be construed to confer upon, or to give to, any Person other than the Parties hereto and their respective successors and assigns, any right, remedy or claim under or by reason of this Agreement or any covenant, condition or stipulation thereof; and the covenants, stipulations and agreements contained in this Agreement are and shall be for the sole and exclusive benefit of the Parties hereto and their respective successors and assigns.

Section 8.6 Governing Law; Retention of Jurisdiction; Service of Process. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Michigan, without giving effect to any principles of conflicts of law and applicable federal law. By its execution and delivery of this Agreement, each of the Parties hereby irrevocably and unconditionally agrees for itself that any legal action, suit or proceeding between any or all of the foregoing with respect to any matter under or arising out of or in connection with this Agreement or for recognition or enforcement of any judgment rendered in any such action, suit or proceeding, shall be brought in the Bankruptcy Court for that purpose only, and, by execution and delivery of this Agreement, each hereby irrevocably accepts and submits itself to the jurisdiction of such court, generally and unconditionally, with respect to any such action, suit or proceeding. In the event any such action, suit or proceeding is commenced, the Parties hereby agree and consent that service of process may be made, and personal jurisdiction over any Party hereto in any such action, suit or proceeding may be obtained, by service of a copy of the summons, complaint and other pleadings required to commence such action, suit or proceeding upon the Party at the address of such Party set forth in Section 8.11 hereof, unless another address has been designated by such Party in a notice given to the other Parties in accordance with Section 8.11 hereof. The City agrees that the Bankruptcy Court will have exclusive post-confirmation authority and power to enforce this Agreement and all Settlement-Related Documents and to hear and adjudicate any challenge, action, suit or proceeding brought by any third party challenging the validity or enforceability of any provision of this Agreement, until all New LTGO Bonds have been paid in full and all Plan Instruments are no longer outstanding. Pursuant to Section 904 of the Bankruptcy Code, the City hereby consents to the Bankruptcy Court enforcing the terms of this Agreement.

Section 8.7 Headings. The headings of the Articles and Sections of this Agreement are inserted for convenience only and are not part of this Agreement and do not in any way limit or modify the terms or provisions of this Agreement and shall not affect the interpretation hereof.

Section 8.8 Binding Agreement Successors and Assigns; Joint and Several Obligations. This Agreement shall be binding upon the execution and delivery of this Agreement by the Parties listed on the signature pages hereto. This Agreement is intended to bind and inure to the benefit of the Parties and their respective successors, assigns, administrators, constituents and representatives. The agreements, representations, covenants and obligations of the Parties under this Agreement are several only and not joint in any respect and none shall be responsible for the performance or breach of this Agreement by another.

Section 8.9 Entire Agreement. This Agreement shall constitute the full and entire agreement among the Parties with regard to the subject matter hereof, and supersedes all prior negotiations, representations, promises or warranties (oral or otherwise) made by any Party with respect to the subject matter hereof. No Party has entered into this Agreement in reliance on any other Party's prior representation, promise or warranty (oral or otherwise) except for those that may be expressly set forth in this Agreement.

Section 8.10 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original copy of this Agreement and all of which, when taken together, shall constitute one and the same Agreement. The Maximum Aggregate Principal Amount shall not include the accretion of principal at the Accretion Rate as provided in this Order.

## **ARTICLE III**

### **AUTHORIZATION, REDEMPTION AND ASSIGNMENT OF THE BONDS**

Section 301. Authorization of Bonds to Satisfy the Claims and Pledge. The City hereby authorizes the issuance of the Bonds as hereinafter defined in such principal amount as shall be confirmed in the Supplemental Order to satisfy the LTGO Claims. The principal of and interest on the Bonds shall hereby be secured by the limited tax full faith and credit pledge of the City. The City pledges to pay the principal of and interest on the Bonds as a first budget obligation from its general funds and in case of insufficiency thereof, from the proceeds of an annual levy of ad valorem taxes on all taxable property of the City, subject to applicable constitutional, statutory and charter tax rate limitations.

Section 302. Designations, Date, Interest, Maturity and Other Terms of the Bonds to Satisfy the Claims. (a) The Bonds shall be designated “FINANCIAL RECOVERY BONDS (LIMITED TAX GENERAL OBLIGATION), SERIES 2014” and may bear such later or earlier dates and additional or alternative designations, series or subseries as the Authorized Officer may determine in the Supplemental Order, shall be issued in fully registered form and shall be consecutively numbered from “R-1” upwards, unless otherwise provided by the Authorized Officer in the Supplemental Order. The Bonds shall be dated and issued in such denominations all as determined by the Authorized Officer and confirmed by the Authorized Officer in the Supplemental Order.

(b) The Bonds of each series shall mature on the April 1, 2037 or such other April 1 which is not in excess of 23 years from the Date of Original Issue and shall accrete in principal amount, bear interest at the Interest Rate on a taxable or tax exempt basis, payable on the Interest

Payment Dates, all as shall be determined and confirmed by the Authorized Officer in the Supplemental Order. The Bonds shall be subject to mandatory sinking fund redemption on April 1 in the years and in the Accretion Values set forth in the form of Bond provided in Section 307 hereof. Unless otherwise provided by the Authorized Officer in the Supplemental Order, interest on the Bonds shall be calculated on the basis of the actual number of days elapsed in a 360 day year. The Bonds shall be payable, as to principal and interest, in lawful money of the United States of America.

(c) The Bonds shall also accrete in principal amount at the Accretion Rate starting from the Date of Original Issue and compounded semiannually on each Accretion Date until the Conversion Date. Thereafter, the Bonds at their Accretion Value shall bear interest at the Interest Rate on a taxable or tax exempt basis, payable on a current basis on the Interest Payment Dates, all as shall be determined and confirmed by the Authorized Officer in the Supplemental Order.

(d) Except as may be otherwise determined by the Authorized Officer in the Supplemental Order, interest on the Bonds shall be payable to the Registered Owner as of the 15th day of the month, whether or not a Business Day (a "Regular Record Date"), prior to each Interest Payment Date. Interest on the Bonds shall be payable to such Registered Owners by check or draft drawn on the Paying Agent on each Interest Payment Date and mailed by first class mail or, upon the written request of the Owner of \$1,000,000 or more in aggregate principal amount of Bonds (with complete wiring instructions no later than the Regular Record Date for such Interest Payment Date), by wire transfer by the Paying Agent to such Owner. Such a request may provide that it will remain in effect with respect to subsequent Interest Payment Dates unless and until changed or revoked at any time prior to a Regular Record Date by subsequent written notice to the Paying Agent.

(e) Interest on Bonds not punctually paid or duly provided for on an Interest Payment Date shall forthwith cease to be payable to the Registered Owners on the Regular Record Date established for such Interest Payment Date, and may be paid to the Registered Owners as of the close of business on a date fixed by the Paying Agent (a "Special Record Date") with respect to the payment of such defaulted interest to be fixed by the Paying Agent, or may be paid at any time in any other lawful manner. The Paying Agent shall give notice to the Registered Owners at least seven days before any such Special Record Date.

(f) The principal of the Bonds shall be payable to the Registered Owners of the Bonds upon the presentation of the Bonds to the Paying Agent at the principal corporate trust office of the Paying Agent.

(g) The Bonds shall be subject to redemption prior to maturity or shall not be subject thereto, upon such terms and conditions as shall be determined by the Authorized Officer and confirmed in the Supplemental Order, provided, however, that redemption at the option of the City prior to maturity may occur on any Interest Payment Date for which notice is given as provided herein and such redemption shall be in whole.

Unless waived by any registered owner of Bonds to be redeemed, official notice of redemption shall be given by the Paying Agent on behalf of the City. Such notice shall be dated

and shall contain at a minimum the following information: original issue date; maturity dates; interest rates, CUSIP numbers, if any; certificate numbers, and in the case of partial redemption, the called amounts of each certificate; the redemption date; the redemption price or premium; the place where Bonds called for redemption are to be surrendered for payment; and that interest on Bonds or portions thereof called for redemption shall cease to accrue from and after the redemption date.

In addition, further notice shall be given by the Paying Agent in such manner as may be required or suggested by regulations or market practice at the applicable time, but no defect in such further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as prescribed herein.

Section 303. Execution, Authentication and Delivery of Bonds. The Bonds shall be executed in the name of the City by the manual or facsimile signatures of the Emergency Manager and the Finance Director of the City and authenticated by the manual signature of the Finance Director or an authorized representative of the Paying Agent, as the case may be, and a facsimile of the seal of the City shall be imprinted on the Bonds. Additional Bonds bearing the manual or facsimile signatures of the Emergency Manager or Mayor of the City and the Finance Director, and upon which the facsimile of the seal of the City is imprinted may be delivered to the Paying Agent for authentication and delivery in connection with the exchange or transfer of Bonds. The Paying Agent shall indicate on each Bond the date of its authentication.

Section 304. Authentication of the Bonds. (a) No Bond shall be entitled to any benefit under this Order or be valid or obligatory for any purpose unless there appears on such Bond a Certificate of Authentication substantially in the form provided for in Section 307 of this Order, executed by the manual or facsimile signature of the Finance Director or by an authorized signatory of the Paying Agent by manual signature, and such certificate upon any Bond shall be conclusive evidence, and the only evidence, that such Bond has been duly authenticated and delivered hereunder.

(b) The Paying Agent shall manually execute the Certificate of Authentication on each Bond upon receipt of a written direction of the Authorized Officer of the City to authenticate such Bond.

Section 305. Transfer of Registration and Exchanges on the Bonds. (a) The registration of each Bond is transferable only upon the Bond Registry by the Registered Owner thereof, or by his attorney duly authorized in writing, upon the presentation and surrender thereof at the designated corporate trust office of the Paying Agent together with a written instrument of transfer satisfactory to the Paying Agent, duly executed by the Registered Owner thereof or his attorney duly authorized in writing, and thereupon one or more fully executed and authenticated Bonds in any authorized denominations of like maturity and tenor, in equal aggregate principal amount shall be issued to the transferee in exchange therefor.

(b) Each Bond may be exchanged for one or more Bonds in equal aggregate principal amount of like maturity and tenor in one or more authorized denominations, upon the presentation and surrender thereof at the principal corporate trust office of the Paying Agent

together with a written instrument of transfer satisfactory to the Paying Agent, duly executed by the Registered Owner hereof or his attorney duly authorized in writing.

Section 306. Regulations with Respect to Exchanges and Transfers. (a) In all cases in which the privilege of exchanging Bonds or transferring the registration of Bonds is exercised, the City shall execute and the Paying Agent shall authenticate and deliver Bonds in accordance with the provisions of this Order. All Bonds surrendered in any such exchanges or transfers shall be forthwith canceled by the Paying Agent.

(b) For every exchange or transfer of Bonds, the City or the Paying Agent may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and, except as otherwise provided in this Order, may charge a sum sufficient to pay the costs of preparing each new Bond issued upon such exchange or transfer, which shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer.

(c) The Paying Agent shall not be required (i) to issue, register the transfer of or exchange any Bond during a period beginning at the opening of business 15 days before the day of the giving of a notice of redemption of Bonds selected for redemption as described in the form of Bonds contained in Section 307 of this Order and ending at the close of business on the day of that giving of notice, or (ii) to register the transfer of or exchange any Bond so selected for redemption in whole or in part, except the unredeemed portion of Bonds being redeemed in part. The City shall give the Paying Agent notice of call for redemption at least 20 days prior to the date notice of redemption is to be given.

Section 307. Form of the Bonds. The Bonds shall be in substantially the following form with such insertions, omissions, substitutions and other variations as shall not be inconsistent with this Order or as approved by an Authorized Officer in the Supplemental Order:

[Forms of Bonds]

[Unless this certificate is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC") to the City (as hereinafter defined), or its agent for registration of transfer, exchange, or payment and any certificate issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered owner hereof, Cede & Co., has an interest herein.]

Section 308. Registration. The City and the Paying Agent may treat and consider the Registered Owner of any Bond as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal (and premium, if any) thereof and interest thereon and for all other purposes whatsoever, and all such payments so made to such Bondowner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Section 309. Mutilated, Destroyed, Stolen or Lost Bonds. (a) Subject to the provisions of Act 354, Public Acts of Michigan, 1972, as amended and any other applicable law, if (i) any mutilated Bond is surrendered to the Paying Agent or the City and the Paying Agent and the City receive evidence to their satisfaction of the destruction, loss or theft of any Bond and (ii) there is delivered to the City and the Paying Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the City or the Paying Agent that such Bond has been acquired by a bona fide purchaser, the City shall execute and the Paying Agent shall authenticate and deliver in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Bond, a new Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding.

(b) If (i) the City and the Paying Agent receive written notice from the Security Depository to the effect that the Security Depository is unable or unwilling to discharge its responsibilities with respect to the Bonds under the book-entry-only system maintained by it or (ii) the Authorized Officer determines that it is in the best interests of the Beneficial Owners that they be able to obtain Bonds in certificated form, then the City may so notify the Security Depository and the Paying Agent, and, in either event, the City and the Paying Agent shall take appropriate steps to provide the Beneficial Owners with Bonds in certificated form to evidence their respective ownership interests in the Bonds. Whenever the Security Depository requests the City and the Paying Agent to do so, the Authorized Officer on behalf of the City and the Paying Agent will cooperate with the Security Depository in taking appropriate action after

reasonable notice to make available Bonds registered in whatever name or names the Beneficial Owners transferring or exchanging Bonds shall designate.

(c) Notwithstanding any other provision of the Order to the contrary, so long as the Bonds are held pursuant to the book-entry-only system maintained by the Security Depository:

(i) all payments with respect to the principal and interest on such Bonds and all notices with respect to such Bonds shall be made and given, respectively, to the Security Depository as provided in the representation letter from the City and the Paying Agent to the Security Depository with respect to such Bonds; and

(ii) all payments with respect to principal of the Bonds and interest on the Bonds shall be made in such manner as shall be prescribed by the Security Depository.

### **DETERMINATIONS**

Section 201. Finding, and Declaration of Need to Issue Bonds. The Emergency Manager hereby finds and declares that it is necessary for the City to issue the Bonds hereunder in such sum as shall be determined and approved by the Emergency Manager, not in excess of \$632,000,000 (the “Maximum Aggregate Principal Amount”), and to evidence such debt by the issuance of the Bonds in one or more series not in excess of the Maximum Aggregate Principal Amount, in Authorized Denominations, pursuant to and in accordance with the provisions of Section 36a of Act 279, for the purpose of satisfying the Claims.

## **ARTICLE III**

### **AUTHORIZATION, REDEMPTION AND ASSIGNMENT OF THE BONDS**

Section 301. Authorization of Bonds to Satisfy the Claims and Pledge. The City hereby authorizes the issuance of the Bonds as hereinafter defined in such principal amount as shall be confirmed in the Supplemental Order to satisfy the Claims as determined by the Authorized Officer in the Supplemental Order or subsequently confirmed by the Authorized Officer to Bond Counsel. The principal of and interest on the Bonds shall hereby be secured by the limited tax full faith and credit pledge of the City.

The City pledges to pay the principal of and interest on the Bonds as a first budget obligation from its general funds and in case of insufficiency thereof, from the proceeds of an annual levy of ad valorem taxes on all taxable property of the City, subject to applicable constitutional, statutory and charter tax rate limitations.

Section 302. Designations, Date, Interest, Maturity and Other Terms of the Bonds to Satisfy the Claims. (a) The Bonds shall be designated “FINANCIAL RECOVERY BONDS,

SERIES 2014B” and may bear such later or earlier dates and additional or alternative designations, series or subseries as the Authorized Officer may determine in the Supplemental Order, shall be issued in fully registered form and shall be consecutively numbered from “R-1” upwards, unless otherwise provided by the Authorized Officer in the Supplemental Order. The Bonds shall be dated and issued in such denominations all as determined by the Authorized Officer and confirmed by the Authorized Officer in the Supplemental Order.

(b) The Bonds of each series shall mature on such Maturity Dates not in excess of 30 years from the Date of Original Issue and shall bear interest at the Interest Rate on a taxable basis, payable on the Interest Payment Dates, all as shall be determined and confirmed by the Authorized Officer in the Supplemental Order. Unless otherwise provided by the Authorized Officer in the Supplemental Order, interest on the Bonds shall be calculated on the basis of the actual number of days elapsed in a 360 day year. The Bonds shall be payable, as to principal and interest, in lawful money of the United States of America.

(c) Except as may be otherwise determined by the Authorized Officer in the Supplemental Order, interest on the Bonds shall be payable to the Registered Owner as of the 15th day of the month, whether or not a Business Day (a “Regular Record Date”), prior to each Interest Payment Date. Interest on the Bonds shall be payable to such Registered Owners by check or draft drawn on the Paying Agent on each Interest Payment Date and mailed by first class mail or, upon the written request of the Owner of \$1,000,000 or more in aggregate principal amount of Bonds (with complete wiring instructions no later than the Regular Record Date for such Interest Payment Date), by wire transfer by the Paying Agent to such Owner. Such a request may provide that it will remain in effect with respect to subsequent Interest Payment Dates unless and until changed or revoked at any time prior to a Regular Record Date by subsequent written notice to the Paying Agent.

(d) Interest on Bonds not punctually paid or duly provided for on an Interest Payment Date shall forthwith cease to be payable to the Registered Owners on the Regular Record Date established for such Interest Payment Date, and may be paid to the Registered Owners as of the close of business on a date fixed by the Paying Agent (a “Special Record Date”) with respect to the payment of such defaulted interest to be fixed by the Paying Agent, or may be paid at any time in any other lawful manner. The Paying Agent shall give notice to the Registered Owners at least seven days before any such Special Record Date.

(e) The principal of the Bonds shall be payable to the Registered Owners of the Bonds upon the presentation of the Bonds to the Paying Agent at the principal corporate trust office of the Paying Agent.

(f) The Bonds shall be subject to redemption and/or tender for purchase prior to maturity or shall not be subject thereto, upon such terms and conditions as shall be determined by the Authorized Officer and confirmed in the Supplemental Order.

Unless waived by any registered owner of Bonds to be redeemed, official notice of redemption shall be given by the Paying Agent on behalf of the City. Such notice shall be dated and shall contain at a minimum the following information: original issue date; maturity dates; interest rates, CUSIP numbers, if any; certificate numbers, and in the case of partial redemption,

the called amounts of each certificate; the redemption date; the redemption price or premium; the place where Bonds called for redemption are to be surrendered for payment; and that interest on Bonds or portions thereof called for redemption shall cease to accrue from and after the redemption date.

In addition, further notice shall be given by the Paying Agent in such manner as may be required or suggested by regulations or market practice at the applicable time, but no defect in such further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as prescribed herein.

Section 303. Execution, Authentication and Delivery of Bonds. The Bonds shall be executed in the name of the City by the manual or facsimile signatures of the Emergency Manager and the Finance Director of the City and authenticated by the manual signature of the Finance Director or an authorized representative of the Paying Agent, as the case may be, and a facsimile of the seal of the City shall be imprinted on the Bonds. Additional Bonds bearing the manual or facsimile signatures of the Emergency Manager or Mayor of the City and the Finance Director, and upon which the facsimile of the seal of the City is imprinted may be delivered to the Paying Agent for authentication and delivery in connection with the exchange or transfer of Bonds. The Paying Agent shall indicate on each Bond the date of its authentication.

Section 304. Authentication of the Bonds. (a) No Bond shall be entitled to any benefit under this Order or be valid or obligatory for any purpose unless there appears on such Bond a Certificate of Authentication substantially in the form provided for in Section 307 of this Order, executed by the manual or facsimile signature of the Finance Director or by an authorized signatory of the Paying Agent by manual signature, and such certificate upon any Bond shall be conclusive evidence, and the only evidence, that such Bond has been duly authenticated and delivered hereunder.

(b) The Paying Agent shall manually execute the Certificate of Authentication on each Bond upon receipt of a written direction of the Authorized Officer of the City to authenticate such Bond.

Section 305. Transfer of Registration and Exchanges on the Bonds. (a) The registration of each Bond is transferable only upon the Bond Registry by the Registered Owner thereof, or by his attorney duly authorized in writing, upon the presentation and surrender thereof at the designated corporate trust office of the Paying Agent together with a written instrument of transfer satisfactory to the Paying Agent, duly executed by the Registered Owner thereof or his attorney duly authorized in writing, and thereupon one or more fully executed and authenticated Bonds in any authorized denominations of like maturity and tenor, in equal aggregate principal amount shall be issued to the transferee in exchange therefor.

(b) Each Bond may be exchanged for one or more Bonds in equal aggregate principal amount of like maturity and tenor in one or more authorized denominations, upon the presentation and surrender thereof at the principal corporate trust office of the Paying Agent together with a written instrument of transfer satisfactory to the Paying Agent, duly executed by the Registered Owner hereof or his attorney duly authorized in writing.

Section 306. Regulations with Respect to Exchanges and Transfers. (a) In all cases in which the privilege of exchanging Bonds or transferring the registration of Bonds is exercised, the City shall execute and the Paying Agent shall authenticate and deliver Bonds in accordance with the provisions of this Order. All Bonds surrendered in any such exchanges or transfers shall be forthwith canceled by the Paying Agent.

(b) For every exchange or transfer of Bonds, the City or the Paying Agent may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and, except as otherwise provided in this Order, may charge a sum sufficient to pay the costs of preparing each new Bond issued upon such exchange or transfer, which shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer.

(c) The Paying Agent shall not be required (i) to issue, register the transfer of or exchange any Bond during a period beginning at the opening of business 15 days before the day of the giving of a notice of redemption of Bonds selected for redemption as described in the form of Bonds contained in Section 307 of this Order and ending at the close of business on the day of that giving of notice, or (ii) to register the transfer of or exchange any Bond so selected for redemption in whole or in part, except the unredeemed portion of Bonds being redeemed in part. The City shall give the Paying Agent notice of call for redemption at least 20 days prior to the date notice of redemption is to be given.

Section 307. Form of the Bonds. The Bonds shall be in substantially the following form with such insertions, omissions, substitutions and other variations as shall not be inconsistent with this Order or as approved by an Authorized Officer in the Supplemental Order:

[Forms of Bonds]

[Unless this certificate is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC") to the City (as hereinafter defined), or its agent for registration of transfer, exchange, or payment and any certificate issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered owner hereof, Cede & Co., has an interest herein.]

The interest so payable, and punctually paid or duly provided for, will be paid, as provided in the hereinafter defined Order, to the person in whose name this Bond is registered on the books maintained for such purpose by the hereinafter defined Paying Agent (the "Bond Registry"), on the close of business on the Regular Record Date for such interest payment, which shall be the fifteenth day (whether or not a Business Day) of the calendar month immediately preceding such Interest Payment Date. Any such interest not so punctually paid or duly provided for shall herewith cease to be payable to the Registered Owner on such Regular Record Date, and may be paid to the person in whose name this Bond is registered at the close of business on a Special Record Date for the payment of such defaulted interest to be fixed by the Paying Agent, notice of which shall be given to Registered Owners at least seven days before such Special Record Date,

or may be paid at any time in any other lawful manner. Capitalized terms used herein but not defined herein, shall have the meanings ascribed to them in the Order.

The principal of this Bond is payable in lawful money of the United States of America upon presentation and surrender of this Bond at the designated corporate trust office of \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, as registrar, transfer agent and paying agent under the Order (such bank and any successor as paying agent, the "Paying Agent"). Interest on this Bond is payable in like money by check or draft drawn on the Paying Agent and mailed to the Registered Owner entitled thereto, as provided above, by first class mail or, upon the written request of a Registered Owner of at least \$1,000,000 in aggregate principal amount of Bonds (with complete wiring instructions no later than the Regular Record Date for such Interest Payment Date), by wire transfer by the Paying Agent to such Registered Owner, and such request may provide that it will remain in effect with respect to subsequent Interest Payment Dates unless and until changed or revoked at any time prior to a Regular Record Date by subsequent written notice to the Paying Agent. Interest shall be computed on the basis of a 360-day year consisting of twelve 30 day months. For prompt payment of this Bond, both principal and interest, the full faith, credit and resources of the City are hereby irrevocably pledged.

This bond is one of a series of bonds aggregating the principal sum of \$\_\_\_\_\_, issued under and in full compliance with the Constitution and statutes of the State of Michigan, and particularly Section 36a of Act No. 279, Public Acts of Michigan, 1909, as amended ("Act 279"), for the purpose of satisfying certain Claims, as defined in the Order. Pursuant to the Order, the bonds of this series (the "Bonds") are limited tax general obligations of the City, and the City is obligated to levy annually ad valorem taxes on all taxable property in the Issuer, subject to applicable constitutional, statutory and charter tax rate limitations.

The "Order" is an Order of the Emergency Manager issued on \_\_\_\_\_, 2014, supplemented by a Supplemental Order of an Authorized Officer of the City issued on \_\_\_\_\_, 2014, authorizing the issuance of the Bonds.

The bonds of this series shall be subject to redemption prior to maturity as follows:

(a) *Optional Redemption.* Bonds or portions of bonds in Authorized Denominations of multiples of \$1,000 or integral multiples of \$1.00 in excess thereof are subject to redemption prior to maturity, at the option of the Issuer, in such order as the Issuer may determine, and by lot within a maturity on any date after the Date of Original Issue, at a redemption price of par plus accrued interest to the date fixed for redemption.

(b) *Mandatory Redemption.* [TO BE DETERMINED]

*General Redemption Provisions.* In case less than the full amount of an outstanding bond is called for redemption, the Paying Agent, upon presentation of the bond called for redemption, shall register, authenticate and deliver to the registered owner of record a new bond in the principal amount of the portion of the original bond not called for redemption.

Notice of redemption shall be given to the registered owners of Bonds or portions thereof called for redemption by mailing of such notice not less than thirty (30) days but not more than

sixty (60) days prior to the date fixed for redemption to the registered address of the registered owner of record. Bonds or portions thereof so called for redemption shall not bear interest after the date fixed for redemption, whether presented for redemption or not, provided funds are on hand with the Paying Agent to redeem such Bonds.

Reference is hereby made to the Order for the provisions with respect to the nature and extent of the security for the Bonds, the manner and enforcement of such security, the rights, duties and obligations of the City, and the rights of the Paying Agent and the Registered Owners of the Bonds. As therein provided, the Order may be amended in certain respects without the consent of the Registered Owners of the Bonds. A copy of the Order is on file and available for inspection at the office of the Finance Director and at the principal corporate trust office of the Paying Agent.

The City and the Paying Agent may treat and consider the person in whose name this Bond is registered on the Bond Registry as the absolute owner hereof, whether this Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal hereof and interest hereon and for all other purposes whatsoever, and all such payments so made to such person or upon his order shall be valid and effectual to satisfy and discharge the liability hereon to the extent of the sum or sums so paid.

The registration of this Bond is transferable only upon the Bond Registry by the Registered Owner hereof or by his attorney duly authorized in writing upon the presentation and surrender hereof at the designated corporate trust office of the Paying Agent together with a written instrument of transfer satisfactory to the Paying Agent, duly executed by the Registered Owner hereof or his attorney duly authorized in writing, and thereupon one or more fully executed and authenticated Bonds in any authorized denominations of like maturity and tenor, in equal aggregate principal amount shall be issued to the transferee in exchange therefor as provided in the Resolution upon the payment of the charges, if any, therein prescribed.

It is hereby certified, recited and declared that all acts, conditions and things required by law to exist, happen and to be performed, precedent to and in the issuance of the Bonds do exist, have happened and have been performed in due time, form and manner as required by the Constitution and statutes of the State of Michigan, and that the total indebtedness of the City, including the Bonds does not exceed any constitutional, statutory or charter limitation.

This Bond is not valid or obligatory for any purpose until the Paying Agent's Certificate of Authentication on this Bond has been executed by the Paying Agent.

IN WITNESS WHEREOF, the City of Detroit, by its Emergency Manager, has caused this bond to be signed in the name of the City by the facsimile signatures of its Emergency Manager and Finance Director of the City, and a facsimile of its corporate seal to be printed hereon, all as of the Date of Original Issue.

Section 308. Registration. The City and the Paying Agent may treat and consider the Registered Owner of any Bond as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal (and premium, if any) thereof and interest thereon and for all other purposes whatsoever, and all such payments so made to such Bondowner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Section 309. Mutilated, Destroyed, Stolen or Lost Bonds. (a) Subject to the provisions of Act 354, Public Acts of Michigan, 1972, as amended and any other applicable law, if (i) any mutilated Bond is surrendered to the Paying Agent or the City and the Paying Agent and the City receive evidence to their satisfaction of the destruction, loss or theft of any Bond and (ii) there is delivered to the City and the Paying Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the City or the Paying Agent that such Bond has been acquired by a bona fide purchaser, the City shall execute and the Paying Agent shall authenticate and deliver in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Bond, a new Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding.

(b) If any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the City in its discretion may, instead of issuing a new Bond, pay such Bond.

(c) Any new Bond issued pursuant to this Section in substitution for a Bond alleged to be mutilated, destroyed, stolen or lost shall constitute an original additional contractual obligation on the part of the City, and shall be equally secured by and entitled to equal proportionate benefits with all other Bonds issued under this Order.

Section 310. Book-Entry-Only System Permitted. (a) If determined by the Authorized Officer in the Supplemental Order, the Bonds or portions of the Bonds shall be issued to a securities depository selected by the Authorized Officer (the "Security Depository") to be held pursuant to the book-entry-only system maintained by the Security Depository and registered in the name of the Security Depository or its nominee. Ownership interests in Bonds held under such book-entry-only system shall be determined pursuant to the procedures of the Security Depository and Article 8 of the applicable Uniform Commercial Code (such persons having such interests, "Beneficial Owners").

(b) If (i) the City and the Paying Agent receive written notice from the Security Depository to the effect that the Security Depository is unable or unwilling to discharge its responsibilities with respect to the Bonds under the book-entry-only system maintained by it or (ii) the Authorized Officer determines that it is in the best interests of the Beneficial Owners that they be able to obtain Bonds in certificated form, then the City may so notify the Security Depository and the Paying Agent, and, in either event, the City and the Paying Agent shall take appropriate steps to provide the Beneficial Owners with Bonds in certificated form to evidence their respective ownership interests in the Bonds. Whenever the Security Depository requests the City and the Paying Agent to do so, the Authorized Officer on behalf of the City and the Paying Agent will cooperate with the Security Depository in taking appropriate action after

reasonable notice to make available Bonds registered in whatever name or names the Beneficial Owners transferring or exchanging Bonds shall designate.

(c) Notwithstanding any other provision of the Order to the contrary, so long as the Bonds are held pursuant to the book-entry-only system maintained by the Security Depository:

(i) all payments with respect to the principal and interest on such Bonds and all notices with respect to such Bonds shall be made and given, respectively, to the Security Depository as provided in the representation letter from the City and the Paying Agent to the Security Depository with respect to such Bonds; and

(ii) all payments with respect to principal of the Bonds and interest on the Bonds shall be made in such manner as shall be prescribed by the Security Depository.

(c) The Disputed COP Claims Reserve shall contain no less than (i) an Unsecured Pro Rata Share of Bonds, calculated as if such Disputed COP Claims were Allowed in an amount equal to the sum of (A) aggregate unpaid principal amount as of the Petition Date for the COPs other than those giving rise to the Settled COP Claims (or such other amount as may be required by an order of the Bankruptcy Court), and (B) with respect to the Settled COPs Claims, the aggregate unpaid principal amount as of the Petition Date for the COPs giving rise to the Settled COPs claims less the amounts expended in settlement of such Settled COP Claims; and (ii) any distributions made on account of Bonds held in the Disputed COP Claims Reserve.

General funds of the City, proceeds of all taxes levied pursuant to Section 301 hereof [and any amounts transferred from the debt retirement funds related to the COPs, if any,] shall be used to pay the principal of and interest on the Bonds when due. The foregoing amounts shall be placed in the Debt Retirement Fund and held in trust by the Paying Agent, and so long as the principal of or interest on the Bonds shall remain unpaid, no moneys shall be withdrawn from the Debt Retirement Fund except to pay such principal and interest. Section 403. Investment of Monies in the Funds and Accounts. (a) The Finance Director shall direct the investment of monies on deposit in the Funds and Accounts established hereunder, and the Paying Agent, upon written direction or upon oral direction promptly confirmed in writing by the Finance Director, shall use its best efforts to invest monies on deposit in the Funds and Accounts in accordance with such direction.

Section 404. Satisfaction of Claims. (a) On the Effective Date, the City shall issue the Bonds in an amount sufficient to satisfy the Claims. ### AUTHORIZATION, REDEMPTION AND ASSIGNMENT OF THE BONDS

Section 301. Authorization of Bonds to Satisfy the Claims and Pledge. The City hereby authorizes the issuance of the Bonds as hereinafter defined in such principal amount as shall be confirmed in the Supplemental Order to satisfy a portion of the COP Claims as determined by the Authorized Officer in the Supplemental Order or subsequently confirmed by the Authorized Officer to Bond Counsel. The principal of and interest on the Bonds shall hereby be payable from (i) the City Parking Revenues and (ii) secured by the limited tax full faith and credit pledge of the City.

In the event of insufficient City Parking Revenues, the City pledges to pay the principal of and interest on the Bonds as a first budget obligation from its general funds and in case of insufficiency thereof, from the proceeds of an annual levy of ad valorem taxes on all taxable property of the City, subject to applicable constitutional, statutory and charter tax rate limitations.

Section 302. Designations, Date, Interest, Maturity and Other Terms of the Bonds to Satisfy the Claims. (a) The Bonds shall be designated "FINANCIAL RECOVERY BONDS, SERIES 2014C" and may bear such later or earlier dates and additional or alternative designations, series or subseries as the Authorized Officer may determine in the Supplemental Order, shall be issued in fully registered form and shall be consecutively numbered from "R-1" upwards, unless otherwise provided by the Authorized Officer in the Supplemental Order. The Bonds shall be dated and issued in Authorized Denominations all as determined by the Authorized Officer and confirmed by the Authorized Officer in the Supplemental Order.

(b) The Bonds of each series shall mature on the Maturity Date not more than 13 years from the Date of Original Issue and shall bear interest at the Interest Rate on a taxable basis, payable on the Interest Payment Dates, all as shall be determined and confirmed by the Authorized Officer in the Supplemental Order. Unless otherwise provided by the Authorized Officer in the Supplemental Order, interest on the Bonds shall be calculated on the basis of a 360-day year and twelve 30-day months. The Bonds shall be payable, as to principal and interest, in lawful money of the United States of America.

(c) Except as may be otherwise determined by the Authorized Officer in the Supplemental Order, interest on the Bonds shall be payable to the Registered Owner as of the 15th day of the month, whether or not a Business Day (a "Regular Record Date"), prior to each Interest Payment Date. Interest on the Bonds shall be payable to such Registered Owners by check or draft drawn on the Paying Agent on each Interest Payment Date and mailed by first class mail or, upon the written request of the Owner of \$1,000,000 or more in aggregate principal amount of Bonds (with complete wiring instructions no later than the Regular Record Date for such Interest Payment Date), by wire transfer by the Paying Agent to such Owner. Such a request may provide that it will remain in effect with respect to subsequent Interest Payment Dates unless and until changed or revoked at any time prior to a Regular Record Date by subsequent written notice to the Paying Agent.

(d) Interest on Bonds not punctually paid or duly provided for on an Interest Payment Date shall forthwith cease to be payable to the Registered Owners on the Regular Record Date established for such Interest Payment Date, and may be paid to the Registered Owners as of the close of business on a date fixed by the Paying Agent (a "Special Record Date") with respect to the payment of such defaulted interest to be fixed by the Paying Agent, or may be paid at any time in any other lawful manner. The Paying Agent shall give notice to the Registered Owners at least seven days before any such Special Record Date.

(e) The principal of the Bonds shall be payable to the Registered Owners of the Bonds upon the presentation of the Bonds to the Paying Agent at the principal corporate trust office of the Paying Agent.

(f) The Bonds shall be subject to optional, mandatory sinking fund and mandatory redemption prior to maturity or shall not be subject thereto, upon such terms and conditions as shall be determined by the Authorized Officer and confirmed in the Supplemental Order.

Unless waived by any registered owner of Bonds to be redeemed, official notice of redemption shall be given by the Paying Agent on behalf of the City. Such notice shall be dated and shall contain at a minimum the following information: original issue date; maturity dates; interest rates, CUSIP numbers, if any; certificate numbers, and in the case of partial redemption, the called amounts of each certificate; the redemption date; the redemption price or premium; the place where Bonds called for redemption are to be surrendered for payment; and that interest on Bonds or portions thereof called for redemption shall cease to accrue from and after the redemption date.

In addition, further notice shall be given by the Paying Agent in such manner as may be required or suggested by regulations or market practice at the applicable time, but no defect in such further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as prescribed herein.

Section 303. Execution, Authentication and Delivery of Bonds. The Bonds shall be executed in the name of the City by the manual or facsimile signatures of the Mayor and the Finance Director of the City and authenticated by the manual signature of the Finance Director or an authorized representative of the Paying Agent, as the case may be, and a facsimile of the seal of the City shall be imprinted on the Bonds. The Bonds shall be delivered to the Litigation Trust for the Benefit of the Settling COP Claimants as described in the Plan of Adjustment. Additional Bonds bearing the manual or facsimile signatures of the Mayor of the City and the Finance Director, and upon which the facsimile of the seal of the City is imprinted may be delivered to the Paying Agent for authentication and delivery in connection with the exchange or transfer of Bonds. The Paying Agent shall indicate on each Bond the date of its authentication.

Section 304. Authentication of the Bonds. (a) No Bond shall be entitled to any benefit under this Order or be valid or obligatory for any purpose unless there appears on such Bond a Certificate of Authentication substantially in the form provided for in Section 307 of this Order, executed by the manual or facsimile signature of the Finance Director or by an authorized signatory of the Paying Agent by manual signature, and such certificate upon any Bond shall be

conclusive evidence, and the only evidence, that such Bond has been duly authenticated and delivered hereunder.

(b) The Paying Agent shall manually execute the Certificate of Authentication on each Bond upon receipt of a written direction of the Authorized Officer of the City to authenticate such Bond.

Section 305. Transfer of Registration and Exchanges on the Bonds. (a) The registration of each Bond is transferable only upon the Bond Registry by the Registered Owner thereof, or by his attorney duly authorized in writing, upon the presentation and surrender thereof at the designated corporate trust office of the Paying Agent together with a written instrument of transfer satisfactory to the Paying Agent, duly executed by the Registered Owner thereof or his attorney duly authorized in writing, and thereupon one or more fully executed and authenticated Bonds in any authorized denominations of like maturity and tenor, in equal aggregate principal amount shall be issued to the transferee in exchange therefor.

(b) Each Bond may be exchanged for one or more Bonds in equal aggregate principal amount of like maturity and tenor in one or more authorized denominations, upon the presentation and surrender thereof at the principal corporate trust office of the Paying Agent together with a written instrument of transfer satisfactory to the Paying Agent, duly executed by the Registered Owner hereof or his attorney duly authorized in writing.

Section 306. Regulations with Respect to Exchanges and Transfers. (a) In all cases in which the privilege of exchanging Bonds or transferring the registration of Bonds is exercised, the City shall execute and the Paying Agent shall authenticate and deliver Bonds in accordance with the provisions of this Order. All Bonds surrendered in any such exchanges or transfers shall be forthwith canceled by the Paying Agent.

(b) For every exchange or transfer of Bonds, the City or the Paying Agent may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and, except as otherwise provided in this Order, may charge a sum sufficient to pay the costs of preparing each new Bond issued upon such exchange or transfer, which shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer.

(c) The Paying Agent shall not be required (i) to issue, register the transfer of or exchange any Bond during a period beginning at the opening of business 15 days before the day of the giving of a notice of redemption of Bonds selected for redemption as described in the form of Bonds contained in Section 307 of this Order and ending at the close of business on the day of that giving of notice, or (ii) to register the transfer of or exchange any Bond so selected for redemption in whole or in part, except the unredeemed portion of Bonds being redeemed in part. The City shall give the Paying Agent notice of call for redemption at least 20 days prior to the date notice of redemption is to be given.

Section 307. Form of the Bonds. The Bonds shall be in substantially the following form with such insertions, omissions, substitutions and other variations as shall not be inconsistent with this Order or as approved by an Authorized Officer in the Supplemental Order:

[Form of Bonds]

[Unless this certificate is presented by an authorized representative of The Depository Trust Company, a New York corporation (“DTC”) to the City (as hereinafter defined), or its agent for registration of transfer, exchange, or payment and any certificate issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered owner hereof, Cede & Co., has an interest herein.]

Interest shall be computed on the basis of a 360-day year consisting of twelve 30 day months. For prompt payment of this Bond, both principal and interest, the full faith, credit and resources of the City are hereby irrevocably pledged.

In the event that the City fails to make a principal and interest payment when due (a "Payment Default"), the City shall have 30 days, following written notice of such default (the "Cure Period"), to cure such Payment Default. A copy of the Order is on file and available for inspection at the office of the Finance Director and at the principal corporate trust office of the Paying Agent.

It is hereby certified, recited and declared that all acts, conditions and things required by law to exist, happen and to be performed, precedent to and in the issuance of the Bonds do exist, have happened and have been performed in due time, form and manner as required by the Constitution and statutes of the State of Michigan, and that the total indebtedness of the City, including the Bonds does not exceed any constitutional, statutory or charter limitation.

Section 308. Registration. The City and the Paying Agent may treat and consider the Registered Owner of any Bond as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal (and premium, if any) thereof and interest thereon and for all other purposes whatsoever, and all such payments so made to such Bondowner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Section 309. Mutilated, Destroyed, Stolen or Lost Bonds. (a) Subject to the provisions of Act 354, Public Acts of Michigan, 1972, as amended and any other applicable law, if (i) any mutilated Bond is surrendered to the Paying Agent or the City and the Paying Agent and the City receive evidence to their satisfaction of the destruction, loss or theft of any Bond and (ii) there is delivered to the City and the Paying Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the City or the Paying Agent that such Bond has been acquired by a bona fide purchaser, the City shall execute and the Paying Agent shall authenticate and deliver in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Bond, a new Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding.

(b) If any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the City in its discretion may, instead of issuing a new Bond, pay such Bond.

(c) Any new Bond issued pursuant to this Section in substitution for a Bond alleged to be mutilated, destroyed, stolen or lost shall constitute an original additional contractual obligation on the part of the City, and shall be equally secured by and entitled to equal proportionate benefits with all other Bonds issued under this Order.

Section 310. Book-Entry-Only System Permitted. (a) If determined by the Authorized Officer in the Supplemental Order, the Bonds or portions of the Bonds shall be issued to a securities depository selected by the Authorized Officer (the "Security Depository") to be held pursuant to the book-entry-only system maintained by the Security Depository and registered in the name of the Security Depository or its nominee. Ownership interests in Bonds held under such book-entry-only system shall be determined pursuant to the procedures of the Security Depository and Article 8 of the applicable Uniform Commercial Code (such persons having such interests, "Beneficial Owners").

(b) If (i) the City and the Paying Agent receive written notice from the Security Depository to the effect that the Security Depository is unable or unwilling to discharge its responsibilities with respect to the Bonds under the book-entry-only system maintained by it or (ii) the Authorized Officer determines that it is in the best interests of the Beneficial Owners that they be able to obtain Bonds in certificated form, then the City may so notify the Security Depository and the Paying Agent, and, in either event, the City and the Paying Agent shall take appropriate steps to provide the Beneficial Owners with Bonds in certificated form to evidence their respective ownership interests in the Bonds. Whenever the Security Depository requests the City and the Paying Agent to do so, the Authorized Officer on behalf of the City and the Paying Agent will cooperate with the Security Depository in taking appropriate action after

reasonable notice to make available Bonds registered in whatever name or names the Beneficial Owners transferring or exchanging Bonds shall designate.

(c) Notwithstanding any other provision of the Order to the contrary, so long as the Bonds are held pursuant to the book-entry-only system maintained by the Security Depository:

(i) all payments with respect to the principal and interest on such Bonds and all notices with respect to such Bonds shall be made and given, respectively, to the Security Depository as provided in the representation letter from the City and the Paying Agent to the Security Depository with respect to such Bonds; and

(ii) all payments with respect to principal of the Bonds and interest on the Bonds shall be made in such manner as shall be prescribed by the Security Depository.

## COMPONENT I

## **ARTICLE 1. GENERAL PROVISIONS**

### **Sec. 1.1. General Retirement System Established; Adoption of 2014 Combined Plan Document; Amendment and Restatement of 2014 Combined Plan Document**

Effective July 1, 1938, a General Retirement System for the employees of the City of Detroit was established for the purpose of providing retirement and survivor benefits for eligible City employees and their beneficiaries. The provisions of the Detroit General Retirement System, as in effect July 1, 2014, were set forth in a Combined Plan Document. As provided in Ordinance 19-14 and Ordinance 20-14 and Section 47-1-1 of the Detroit City Code, this Combined Plan Document replaced in its entirety Chapter 47 of the Detroit City Code as in effect on June 30, 2014 and any conflicting provisions in any collective bargaining agreements covering Members (including, without limitation, the City Employment Terms that applied to Members effective July 18, 2012). All resolutions and policies of the Retirement Board previously adopted which were inconsistent with the provisions of the Combined Plan Document were also repealed to the extent of such inconsistency.

The Combined Plan Document is hereby amended and restated effective July 1, 2014, in the form of this instrument. Component I of the Combined Plan Document applies to benefits accrued by Members on and after July 1, 2014 and to operation of the Detroit General Retirement System on and after July 1, 2014. Component II of the Combined Plan Document applies to benefits accrued by Members prior to July 1, 2014. Except as specifically provided in Component II, benefits provided under Component II of the Combined Plan Document are frozen effective June 30, 2014.

### **Sec. 1.2. Retirement System Intended to be Tax-Qualified**

The Retirement System is a governmental plan under Section 414(d) of the Internal Revenue Code which is intended to be a qualified plan and trust pursuant to applicable provisions of the Internal Revenue Code. The Board shall construe and administer the provisions of the Retirement System in a manner that gives effect to the tax-qualified status of the Retirement System.

### **Sec. 1.3. Compliance With Plan of Adjustment**

The Retirement System is intended to comply with all relevant provisions (including Exhibits) of the Plan for the Adjustment of Debts of the City of Detroit, as approved by the United States Bankruptcy Court in *In re City of Detroit, Michigan, Case No. 13-53846* ("Plan of Adjustment"). Component I and Component II of the Combined Plan shall be interpreted and construed by the City, the Board of Trustees and the Retirement System to give full effect to the Plan of Adjustment. To the extent that a conflict arises between the Combined Plan Document and the Plan of Adjustment, the City, the Board of Trustees, the Investment Committee and the Retirement System are directed to interpret any inconsistency or ambiguity to give full effect to the Plan of Adjustment.

#### **Sec. 1.4. Board of Trustees**

Effective July 1, 1938, a Board of Trustees of the Detroit General Retirement System was created. The Board is vested with responsibility for the general administration, management and operation of the Detroit General Retirement System and with the trust and investment powers conferred in this Combined Plan Document.

#### **Sec. 1.5. Board of Trustees – Membership; Appointment**

Notwithstanding the foregoing, an incumbent Retiree Trustee shall not be required to submit a nominating petition but instead shall submit a written communication indicating his or her intention to seek an additional term.

- (3) *Ballot.* Each candidate whose name appears on the ballot at any election held for the office of Retiree Trustee shall be identified by the title of the position held by the Retiree at the time of retirement and by the word “incumbent” if the candidate is a current trustee seeking re-election. No ballot shall contain any organizational or political designation or mark. Rotation and arrangement of names on the ballot shall be in accordance with the rules and regulations of the Board.
- (4) *Voting.* Procedures regarding mailing of ballots, poll lists, custody of ballots, marking of ballots, return of ballots, handling of return envelopes received, and sealed ballot boxes shall be the same as those adopted and followed by the Board in the immediately preceding election of an active employee Trustee.

The regular term of office for the elected Member Trustees and the Trustee appointed by the Mayor under Section 1.5(5) shall be for a period of six years, one such Trustee to be elected or appointed, as the case may be, each year. The term of office for the Retiree Trustee shall be two years.

If an active employee Trustee leaves the employ of the City, or if an elected or appointed Trustee fails to attend four consecutive scheduled Board meetings without being excused for cause by the Trustees attending such meetings, the Trustee shall be considered to have resigned from the Board. By resolution, the Board shall declare the office vacated as of the date of adoption of such resolution. If a vacancy occurs in the office of Trustee, the vacancy shall be filled at the next regular election held by the Board, or at any special election ordered by resolution adopted by the Board.

### **Sec. 1.10. Board of Trustees; Compensation; Expenses**

Members of the Board of Trustees shall serve without additional compensation from the Employer, but they shall be compensated by the Retirement System as follows:

- (1) *Stipend.* Trustees are eligible for a meeting stipend, provided the Trustee attends one or more regular or special Board meetings during a month. The stipend amount shall be a minimum of sixty-seven dollars (\$67.00) per week multiplied by the Trustee's years of service. Eligibility rules and the amount of the stipend shall be set by Board resolution. However, the amount of the weekly meeting stipend shall not exceed two hundred dollars (\$200.00).
- (2) *Ex Officio Trustees.* Ex Officio Trustees are not eligible for a stipend payment.

#### **Sec. 1.14. Board of Trustees; Legal Advisors**

- (1) The Board shall appoint legal advisors (including a general counsel) who shall be directly responsible to and shall hold office at the pleasure of the Board of Trustees. Any legal advisor to the Board of Trustees shall be an attorney licensed to practice law in the State of Michigan and shall be experienced in matters relating to pension systems. The qualifications of legal counsel shall be approved by the Board of Trustees.
- (2) Legal advisors to the Board of Trustees shall have such duties relative to pension matters as shall be assigned by the Board of Trustees.
- (3) Costs and expenses relative to the position of legal advisors to the Board shall be payable out of the assets of the Retirement System, subject to the provisions of the *Public Employee Retirement System Investment Act, as amended, MCL 38.1132 et seq.*

#### **Sec. 1.15. Designation of Actuary; Authority to Engage Additional Actuaries**

The Retirement System actuary as of July 1, 2014 shall continue to serve as such until resignation or removal by the Board. In the event the Board desires to retain a new actuary, the Board and the Investment Committee shall collectively participate in the evaluation and selection of a qualified actuary. The Retirement System actuary shall be responsible for assisting the Board and the Investment Committee in performing their actuarial duties and shall comply with all requests for information or modeling requested by the Board or the Investment Committee, and shall attend meetings of the Board and Investment Committee as requested, so as to allow the Board and Investment Committee to perform satisfactorily the rights and duties set forth in the Combined Plan, the term sheet regarding Investment Committee Governance for General Retirement System, attached to that certain agreement by and between the Michigan Settlement Administration Authority, a Michigan body public corporation (the "Authority"), the Retirement System, the Police and Fire Retirement System for the City of Detroit, Michigan ("PFRS") and the City (the "State Contribution Agreement") as Exhibit A (the "Governance Term Sheet") and the Plan of Adjustment. Furthermore, the Board shall not act on any recommendation made by the Retirement System's actuary based on any calculation, assumption or assessment rejected by the Investment Committee.

Nothing herein shall be interpreted as limiting the Investment Committee's authority to engage an actuarial consulting firm other than the Retirement System's actuary to perform actuarial services deemed necessary to fulfill its fiduciary and other duties to the Retirement System as set forth in the Governance Term Sheet and the Plan of Adjustment.

**Sec. 1.16. Board of Trustees; Adoption of Mortality and Other Tables of Experience and Rates of Interest; Limitations on Payments by the Retirement System**

- (4) Solely for purposes of determining eligibility for a retirement benefit under Section 5.2, a Member shall be credited with the sum of his Prior Service as determined by the Board and his Credited Service on and after July 1, 2014 determined under Section 4.1(2).

### **Sec. 4.2. Vesting Service**

### **Sec. 4.3. Service Credit; Military Service**

An Employee who enters the military service of the United States while employed by an Employer shall have the period of such military service credited as Service in the same manner as if the Employee had served the Employer without interruption, provided that (1) the Employee's entry into such military service and re-employment thereafter shall be in accordance with applicable laws, ordinances, and regulations of the State of Michigan and the Employer; (2) he or she is re-employed by the Employer upon completion of such military service; and (3) the Member contributes to the Retirement System the Mandatory Employee Contributions that would have been made by the Member but for the Member's military service. ### **Sec. 5.1. Eligibility for Unreduced Normal Retirement Benefit**

Any Member who attains his Normal Retirement Date while employed by the City may retire upon written application filed with the Board setting forth the date on which the Member desires to be retired. The date of retirement shall be effective as of the first day following the later of (i) the Member's last day on the City payroll, or (ii) the date the Member executes and files an application for retirement, notwithstanding that the Member may have separated from Service during the notification period. If a Member ceases to be an Employee before becoming eligible for a deferred vested Retirement Allowance under Section 5.3, the Member may elect to receive distribution of the Accumulated Mandatory Employee Contributions made to the Retirement System by such Member. If a Member elects to receive his Accumulated Mandatory Employee Contributions, such amounts shall be paid to the Member in a lump sum payment or in equal monthly

installments for a period not to exceed three years, according to such rules and regulations as the Board may adopt from time to time.

## **ARTICLE 6. RETIREMENT ALLOWANCE; VARIABLE PENSION IMPROVEMENT FACTOR (ESCALATOR)**

### **Sec. 6.1. Retirement Allowance**

The Retirement Allowance payable to a Member commencing at the later of his Normal Retirement Date or his actual retirement from employment with the Employer in the form of a Straight Life Retirement Allowance shall be equal to one and one-half percent (1.5%) of the Member's Average Final Compensation multiplied by the Member's years (computed to the nearest one-twelfth (1/12th) year) of Credited Service earned after June 30, 2014.

### **Sec. 6.2. Variable Pension Improvement Factor (Escalator)**

Except as provided in Section 9.5, beginning July 1, 2018 and effective the first day of each Plan Year thereafter, the Board may determine that a Retiree's annual Retirement Allowance shall be increased by a factor of two percent (2.0%), computed each year on the basis of the amount of the original Retirement Allowance received at the time of Retirement; provided, that the recipient of said Retirement Allowance shall have attained Age sixty-two and shall have been receiving a Retirement Allowance for a period of not less than twelve months prior to the first day of such Plan Year. The Pension Improvement Factor (Escalator) shall not be compounded.

## **ARTICLE 7. DEATH BENEFITS**

### **Sec. 7.1. Accidental Death Benefit; Performance of Duty**

- (1) If a Member is killed in the performance of duty in the service of the Employer, or dies as the result of illness contracted or injuries received while in the performance of duty in the service of the Employer, and such death, illness or injury resulting in death, is found by the Board to have resulted from the actual performance of duty in the service of the Employer, the Member's surviving Spouse shall be entitled to a monthly annuity benefit equal to the Member's Retirement Allowance at the time of his death, unreduced for early payment. Such benefit shall be payable until the surviving Spouse's death.
- (2) The minimum annual Retirement Allowance payable to a surviving Spouse under this Section 7.1 shall be equal to ten percent (10%) of the Member's Average Final Compensation determined as of the date of the Member's death.

### **Sec. 7.2. Death Benefits for Surviving Spouses Generally**

If any Member dies while in the employ of the Employer (other than in the performance of duty) after the date such Member has earned ten or more years of Credited Service, the Member's surviving Spouse shall receive a Retirement Allowance. The Retirement Allowance payable to the Spouse shall be computed in the same manner in all respects as if said Member had (i) retired effective the day preceding the Member's death, notwithstanding that the Member had not attained his or her Normal Retirement Date, (ii) elected a Joint and One Hundred Percent Survivor Allowance as described in Section 8.1, and (iii) nominated the surviving Spouse as Beneficiary.

### **Sec. 7.3. Refund of Accumulated Mandatory Contributions Upon Death of Member**

If a Member dies while employed by the City or following termination of employment and the Member is not eligible for a benefit under Section 7.1 or 7.2, the Member's Accumulated Mandatory Employee Contributions to the Retirement System at the time of death shall be paid to the Beneficiary nominated in a written designation duly executed by the Member and filed with the Board. In the event there is no such designated Beneficiary surviving, the Member's Accumulated Mandatory Employee Contributions shall be paid to the Member's estate. If a Member who dies without a legal will has not nominated a Beneficiary, the Member's Accumulated Mandatory Employee Contributions at the time of death may be used to pay burial expenses if the Member leaves no other estate sufficient for such purpose. Such expenses shall not exceed a reasonable amount as determined by the Board.

### **Sec. 7.4. Benefits Offset by Compensation Benefits; Subrogation**

- (1) Any amounts which may be paid or payable to a Beneficiary on account of a Member's death under the provisions of any Workers' Compensation, pension, or similar law, except federal Social Security old-age and survivors' benefits, shall be an offset against any amounts payable from funds of the Retirement System on account of the Member's death. If the present value of the benefits payable under said Workers' Compensation, pension, or similar law, is less than the Pension Reserve for the Retirement Allowance

payable by the Retirement System, the present value of the said Workers' Compensation, pension, or similar legal benefit shall be deducted from the amounts payable by the Retirement System, and such amounts as may be provided by the Retirement System, so reduced, shall be payable as provided in this Combined Plan Document.

- (2) In the event a person becomes entitled to a pension payable by the Retirement System because of an accident or injury caused by the act of a third party, the Retirement System shall be subrogated to the rights of said person against such third party to the extent of the benefit which the Retirement System pays or becomes liable to pay.

## ARTICLE 8. FORMS OF PAYMENT

### Sec. 8.1. Retirement Allowance Options

- (1) Until the date the first Retirement Allowance payment check is issued, any Member may elect to receive a Straight Life Retirement Allowance payable throughout life, or the Member may elect to receive the Actuarial Equivalent of the Straight Life Retirement Allowance computed as of the effective date of retirement, in a reduced Retirement Allowance payable throughout life, and nominate a Beneficiary to receive benefit payments following the Member's death, in accordance with the options set forth below:
- (a) *Option One. Cash Refund Annuity.* If a Retiree who elected a Cash Refund Annuity dies before payment of the Accumulated Contributions made to the Retirement System on and after July 1, 2014 has been received in an aggregate amount equal to, but not exceeding the Retiree's Accumulated Mandatory Employee Contributions at the time of retirement, the difference between said Accumulated Mandatory Employee Contributions and the aggregate amount of annuity payments already received, shall be paid in a single lump sum to a Beneficiary nominated by written designation duly executed by the Member and filed with the Board. If there are no such designated Beneficiaries surviving said Retiree, any such difference shall be paid to the Retiree's estate.
  - (b) *Option Two. Joint and One Hundred Percent Survivor Allowance.* Upon the death of a Retiree who elected a Joint and One Hundred Percent Survivor Allowance, one hundred percent of the reduced Retirement Allowance shall be paid to and continued throughout the life of the Beneficiary nominated by written designation duly executed and filed with the Board prior to the date the first payment of the Retirement Allowance becomes due.
  - (c) *Option "A". Joint and Seventy-Five Percent Survivor Allowance.* Upon the death of a Retiree who elected a Joint and Seventy-Five Percent Survivor Allowance, seventy-five percent of the reduced Retirement Allowance shall be continued throughout the life of and paid to the Beneficiary nominated by written designation duly executed by the Member and filed with the Board prior to the date the first payment of the Retirement Allowance becomes due.
  - (d) *Option Three. Joint and Fifty Percent Survivor Allowance.* Upon the death of a Retiree who elected a Joint and Fifty Percent Survivor Allowance, fifty percent of the reduced Retirement Allowance shall be continued throughout the life of and paid to the Beneficiary nominated by written designation duly executed by the Member and filed with the Board prior to the date the first payment of the Retirement Allowance becomes due.
  - (e) *Option "B". Joint and Twenty-Five Percent Survivor Allowance.* Upon the death of a Retiree who elected a Joint and Twenty-Five Percent Survivor Allowance, twenty-five percent of the reduced Retirement Allowance shall be paid throughout the life of the Beneficiary nominated by written designation duly executed and

filed with the Board prior to the date the first payment of the Retirement Allowance becomes due.

- (2) *Joint and Survivor Optional Forms of Payment.* The Joint and Survivor Optional Forms of Payment provided under the Retirement System shall be made available in either the standard form or the pop-up form, as follows:
  - (a) *Standard Form.* Under the Standard Form, the reduced Retirement Allowance shall be paid throughout the lifetime of the Retiree.
  - (b) *Pop-up Form.* Under the Pop-up Form, the reduced Retirement Allowance shall be paid throughout the lifetime of the Retiree and the designated Beneficiary. In the event of the death of the designated Beneficiary during the lifetime of the Retiree, the amount of the Retirement Allowance shall be changed to the amount that would have been payable had the Retiree elected the Straight Life Retirement Allowance Form of Payment.
- (3) *Coordination of Benefits.* According to such rules and regulations as the Board shall adopt, until the first payment of a Retirement Allowance becomes due, but not thereafter, a Member under Age sixty-five may elect to have the Member's Straight Life Retirement Allowance provided for under Component I equated on an Actuarial Equivalent basis to provide an increased Retirement Allowance payable to Age sixty-two or Age sixty-five, and to provide a decreased Retirement Allowance thereafter. The increased Retirement Allowance payable to such Age shall approximate the total of the decreased Retirement Allowance payable thereafter and the estimated social security benefit. If a Member elects to receive increased and then decreased Retirement Allowance payments provided for in this paragraph, he or she may also elect to have such payments reduced by electing one of the optional forms of payment provided for in paragraph (1) of this Section 8.1. This coordination of benefits option shall not create any additional actuarial costs to the City.

#### **Sec. 8.2. Disposition of Surplus Benefits upon Death of Retiree and Beneficiary**

If under a Joint and One Hundred Percent Survivor allowance, a Joint and Seventy-Five Percent Survivor allowance, a Joint and Fifty Percent Survivor allowance, or a Joint and Twenty-Five Percent Survivor allowance as provided for under Section 8.1(1), both a Retiree and his Beneficiary die before they have received in Retirement Allowance payments an aggregate amount equal to the Retiree's Accumulated Mandatory Employee Contributions at the time of retirement, the difference between the said Accumulated Mandatory Employee Contributions and the aggregate amount of Retirement Allowances paid to the Retiree and Beneficiary, shall be paid in a single lump sum to such person or persons nominated by written designation of the Retiree duly executed and filed with the Board. If there are no such person or persons surviving the Retiree and the Beneficiary, any such difference shall be paid to the estate of the second to die of the Retiree or Beneficiary.

## **ARTICLE 9. FUNDING AND RESERVES**

### **Sec. 9.1. Funding Objective of the Retirement System**

The funding objective of Component I of the Retirement System is to establish and receive Employer and Member contributions during each Plan Year that are sufficient to fully cover the actuarial cost of benefits anticipated to be paid on account of Credited Service rendered by Members during the Plan Year (the normal cost requirements of the Retirement System), and to amortize the unfunded actuarial costs of benefits likely to be paid on account of Credited Service rendered on or after July 1, 2014 and before the first day of the Plan Year (the unfunded actuarial accrued liability of Component I of the Retirement System).

### **Sec. 9.2. Funds**

Component I of the Retirement System shall consist of the Accumulated Mandatory Employee Contribution Fund, the Accumulated Voluntary Employee Contribution Fund, the Pension Accumulation Fund, the Rate Stabilization Fund, the Medical Benefit Fund, the Expense Fund, and the Income Fund, as follows:

- (1) The Accumulated Mandatory Employee Contribution Fund shall be the Fund in which shall be accumulated the contributions of Members to provide their Retirement Allowances. Upon the Retirement, termination, or death of a Member with a vested Retirement Allowance, the Member's Accumulated Mandatory Employee Contributions shall be deemed to be part of the Pension Reserve which shall be used to pay the Member's Retirement Allowance.
- (2) The Accumulated Voluntary Employee Contribution Fund shall be the Fund in which shall be accumulated the voluntary after-tax contributions of Members together with earnings thereon.
- (3) The Pension Accumulation Fund shall be the fund in which shall be accumulated reserves for the Retirement Allowances and other benefits payable from that portion of the Employer's annual contribution that is not credited to the Rate Stabilization Fund and amounts transferred to Component I as provided in Section E-16(c) of Component II, and from which shall be paid Retirement Allowances and other benefits on account of Members.
- (4) The Rate Stabilization Fund shall be the Fund to which shall be credited Employer annual contributions in excess of the amount of the Employer's contribution which is credited to the Pension Accumulation Fund and amounts transferred to Component I as provided in Section E-16(c) of Component II.
- (5) The Medical Benefit Fund shall be the Fund to which shall be credited contributions made for the purpose of funding Medical Benefits.
- (6) The Expense Fund shall be the fund to which shall be credited any money provided by the Employers to pay the administrative expenses of the Retirement System, and from

which shall be paid certain expenses incurred in connection with the administration and operation of the Retirement System.

- (7) The Income Fund shall be the Fund to which shall be credited all interest, dividends, and other income derived from the investments of Component I of the Retirement System and any earnings thereon, all gifts and bequests received by Component I of the Retirement System, and all other moneys credited to Component I of the Retirement System, the disposition of which is not specifically provided for in this Article 9. There shall be paid or transferred from the Income Fund, all amounts required to credit earnings and losses to the various Funds of the Retirement System in accordance with the provisions of Component I of this Combined Plan Document. Amounts credited to the Income Fund in excess of amounts needed to credit earnings and losses of the Retirement System as provided in this Component I for any Plan Year shall be transferred to the Pension Accumulation Fund and used to pay Retirement Allowances and other benefits on account of Members.

### **Sec. 9.3. Method of Financing Retirement System Benefits**

- (1) The pension liabilities for Members shall be determined by the Plan's Actuary using the entry-age normal cost method of actuarial valuation.
- (2) The Employer's annual contribution to finance the prospective pension liabilities for the nine Plan Year period commencing July 1, 2014 and ending June 30, 2023 shall be five percent (5%) of the base Compensation of active Members for the applicable Plan Year. A portion of the Employer's annual contribution for each Plan Year as determined by the City shall be credited to the Rate Stabilization Fund. The remainder of the City's annual contribution shall be allocated to the Pension Accumulation Fund.
- (3) Except as provided in Section 9.5, for each Plan Year, a Member shall contribute to the Retirement System an amount equal to four percent (4%) of his or her base Compensation for such Plan Year. A Member's Mandatory Employee Contributions for the Plan Year beginning July 1, 2014 and ending June 30, 2015 shall commence as of the Member's first payroll date occurring in August 2014. The officer or officers responsible for processing the payroll shall cause a Member's Mandatory Employee Contributions to be deducted from the Member's Compensation on each and every payroll, for each and every payroll period, from the later of (i) the Member's first payroll date occurring in August 2014, and (ii) the Member's date of hire to the date he ceases to be an Employee. The contribution shall be deducted from a Member's Compensation, notwithstanding that the minimum compensation provided by law for the Member shall be reduced thereby. Payment of compensation, less said Mandatory Employee Contributions, shall be a complete discharge of all claims and demands whatsoever for the services rendered by the said Member during the period covered by such payment. Member Mandatory Employee Contributions will be used for the purpose of funding the normal cost of the Retirement System.

#### **Sec. 9.4. Member Contributions Picked-Up**

- (1) The Employer shall pick up Member Mandatory Employee Contributions required pursuant to Sections 9.3(3) and 9.5 in accordance with Code Section 414(h).
- (2) The picked-up contributions, although designated as employee contributions shall be treated as City contributions for the purpose of determining a Member's tax treatment under the Internal Revenue Code. The City shall pay the contributions picked-up on behalf of a Member from the same source of funds that are used for paying compensation to the Member.
- (3) The Employer shall pick up Member Mandatory Employee Contributions by a reduction in the Member's cash salary or an offset against a future salary increase, or both. The Employer shall designate Mandatory Employee Contributions that are picked-up and paid to the Retirement System as employer contributions and not as employee contributions. No Member who participates in the Retirement System shall have the option of choosing to receive the contributed amounts directly instead of having those amounts paid by the City to the Retirement System.

#### **Sec. 9.5. Fiscal Responsibility: Increased Funding Obligations and Benefit Reductions**

- (1) To safeguard the long-term actuarial and financial integrity of the Retirement System, in the event the funding level of Component I of the Retirement System projected over a five year period falls below one hundred percent (100%), the following remedial action shall be required in the order set forth below, beginning with the Plan Year following the Plan Year in which such determination is made and continuing until the funding level is restored to not less than one hundred percent (100%):
  - (a) the Trustee may not award the variable pension improvement factor (escalator) described in Section 6.2 to any Retiree;
  - (b) all amounts credited to the Rate Stabilization Fund shall be transferred to the Pension Accumulation Fund for the purposes of funding benefits payable under Component I of the Retirement System; and
  - (c) Member Mandatory Employee Contributions shall be increased from four percent (4%) of Compensation to five percent (5%) of Compensation for up to the next following five Plan Years.
- (2) In the event the funding level of Component I of the Retirement System determined as provided in Section 9.5(1) is projected to fall below eighty percent (80%), the following remedial action shall be required in the order set forth below, beginning with the Plan Year following the Plan Year in which such determination is made and continuing until the funding level is restored to not less than eighty percent (80%):
  - (a) the remedial action required in Section 9.5(1) shall be implemented or continued;

- (b) the Retirement Allowance payable to a Retiree shall not include the variable pension improvement factor (escalator) that was most recently added to the Retiree's Retirement Allowance for a Plan Year;
- (c) Member Mandatory Employee Contributions shall be increased from five percent (5%) of Compensation to six percent (6%) of Compensation for up to the next following five Plan Years;
- (d) the Retirement Allowance payable to a Retiree shall not include the variable pension improvement factor (escalator) that was most recently added to the Retiree's Retirement Allowance for the Plan Year preceding the Plan Year referenced in paragraph (b) above; and
- (e) the Retirement Allowance accrued by Members for up to the next five Plan-Year-period shall be determined as provided in Section 6.1, except that one percent (1%) shall be substituted for one and one-half percent (1.5%) wherever it appears in said Section 6.1.

In determining whether the eighty percent (80%) funding level under this Section 9.5(2) has been achieved, the Plan's Actuary shall calculate the funding percentage of the Retirement System after taking into account the elimination of the variable pension improvement factor (escalator) pursuant to Section 9.5(1)(a) but prior to taking into account the remedial steps provided in Sections 9.5(1)(b) and (c).

- (3) For purposes of this Section 9.5, the "funding level" of Component I of the Retirement System shall mean the ratio of the market value of the assets of Component I of the Retirement System to the actuarial accrued liability of Component I of the Retirement System. The actuarial accrued liability shall be calculated by the Plan's Actuary utilizing an interest rate assumption of six and three-quarters percent (6.75%) and other reasonable assumptions as directed by the Board upon the recommendation of the Investment Committee. The market value of assets shall be determined on the basis of a three-year look back period of smoothed investment returns.

## **ARTICLE 10. VOLUNTARY EMPLOYEE CONTRIBUTIONS**

### **Sec. 10.1. Voluntary Employee Contributions; Amount; Vesting**

Subject to procedures established by the Board, a Member may elect to reduce his Compensation for any Plan Year by a whole percentage equal to three percent (3%), five percent (5%) or seven percent (7%) and have such amount contributed by the Employer to a Voluntary Employee Contribution Account maintained on his behalf under Component I of the Retirement System. Voluntary Employee Contributions shall be made to the Retirement System on an after-tax basis. Amounts credited to a Member's Voluntary Employee Contribution Account shall be one hundred percent (100%) vested at all times.

### **Sec. 10.2. Changing an Election to Contribute**

A Member may change or revoke an election to make Voluntary Employee Contributions to the Retirement System pursuant to this Article 10 in such manner and with such advance notice as the City shall determine. Notwithstanding the foregoing, a Member shall be permitted to change such election not less frequently than annually.

### **Sec. 10.3. Individual Member Accounting; Crediting of Earnings**

The Board shall maintain a Voluntary Employee Contribution Account on behalf of each Member who elects to make Voluntary Employee Contributions to the Retirement System. Each Plan Year, a Member's Voluntary Employee Contribution Account shall be credited with earnings at a rate equal to the actual net investment rate of return on the assets of the Retirement System for the second Plan Year immediately preceding the Plan Year in which the earnings are credited; in no event, however, shall the earnings rate credited to a Member's Voluntary Employee Contribution Account for any Plan Year be less than zero percent (0%) nor greater than five and one-quarter percent (5.25%).

### **Sec. 10.4. Distribution of Accumulated Voluntary Employee Contributions**

- (1) If a Member ceases to be an Employee other than by reason of death, the Member may elect to receive distribution of the Accumulated Voluntary Employee Contributions made to the Retirement System by such Member. If a Member elects to receive his Accumulated Voluntary Employee Contributions, such amounts shall be paid to the Member in a lump sum payment or in equal monthly installments for a period not to exceed three years, according to such rules and regulations as the Board may adopt from time to time.
- (2) In lieu of receiving distribution of his Accumulated Voluntary Employee Contributions as provided in Section 10.4(1), a Member may elect to have the actuarial equivalent value of his Accumulated Voluntary Employee Contributions added to his Retirement Allowance and paid in the form of an annuity described in Section 8.1.
- (3) If a Member dies while employed by the Employer or following termination of employment but prior to receiving distribution of the Member's Accumulated Voluntary Employee Contributions, the amounts credited to the Member's Voluntary Employee

Contribution Account at the time of death shall be paid to the Beneficiary nominated in a written designation duly executed by the Member and filed with the Board. In the event there is no such designated Beneficiary surviving the Member, the Member's Accumulated Voluntary Employee Contributions shall be paid to the Member's estate. If a Member who dies without a legal will has not nominated a Beneficiary, the Member's Accumulated Voluntary Employee Contributions at the time of death may be used to pay burial expenses if the Member leaves no other estate sufficient for such purpose. Such expenses shall not exceed a reasonable amount as determined by the Board.

## **ARTICLE 11. LOAN PROGRAM FOR VOLUNTARY EMPLOYEE CONTRIBUTIONS**

### **Sec. 11.1. The Loan Program**

A loan program shall be available to Members who have amounts credited to a Voluntary Employee Contributions Account under Component I of the Retirement System. The Board is authorized to adopt rules and regulations, from time to time, to govern the administration and the operation of the loan program. Copies of the rules shall be made available to eligible Members in the offices of the Retirement System. Any loans granted or renewed under the Retirement System shall be made and administered pursuant to and in compliance with Section 72(p) of the Internal Revenue Code and regulations thereunder.

### **Sec. 11.2. Eligibility for Loan**

Subject to the rules and procedures established by the Board, loans may be made to eligible Members from such Member's Voluntary Employee Contribution Account. An eligible Member is any Member who has participated in the Retirement System for twelve months or more. Former Members, Spouses and Beneficiaries are not eligible to receive any loans from the Retirement System. No Member shall have more than two outstanding loans from the Retirement System (Component I and/or Component II) at any time. A Member who has previously defaulted on a loan (under either Component I or Component II) shall not be eligible for a loan from the Retirement System.

### **Sec. 11.3. Amount of Loan**

An eligible Member who has satisfied applicable rules and procedures established by the Board may borrow from his Voluntary Employee Contribution Account an amount which does not exceed the lesser of (i) fifty percent (50%) of the Member's Voluntary Employee Contribution Account balance, and (ii) Ten Thousand Dollars (\$10,000.00), in each case reduced by the excess, if any, of: (1) the Member's highest outstanding loan balance under the Retirement System (both Component I and Component II) during the one (1) year period ending on the day before the date on which the loan is made, or (2) the outstanding loan balance under the Retirement System (both Component I and Component II) on the date on which the loan is made, whichever is less. The minimum loan amount shall be One Thousand Dollars (\$1,000.00).

### **Sec. 11.4. Terms and Conditions**

In addition to such rules and procedures that are established by the Board, all loans shall comply with the following terms and conditions:

- (a) Each loan application shall be made in writing.
- (b) All loans shall be memorialized by a collateral promissory note for the amount of the loan, including interest, payable to the order of the Retirement System and properly executed by the Member.

- (c) Each loan shall be repaid by substantially equal payroll deductions over a period not to exceed five years, or, where the loan is for the purpose of buying a principal residence, a period not to exceed fifteen years. In no case shall the amount of the payroll deduction be less than Twenty Dollars (\$20.00) for any two-week pay period. A Member receiving a loan will be required to authorize payroll deductions from his compensation in an amount sufficient to repay the loan over its term.
- (d) An amount equal to the principal amount of the loan to a Member (but not more than one half of the Member's vested interest in the Defined Contribution Plans of the Retirement System) will be designated as collateral for guaranteeing the loan.
- (e) Each loan shall bear interest at a rate determined by the Board. The Board shall not discriminate among Members in its determination of interest rates on loans. However, loans initiated at different times may bear different interest rates, where, in the opinion of the Board, the difference in rates is supported by a change in market interest rates or a change in the Retirement System's current assumed rate of return. The loan interest rate shall bear a reasonable relationship to market rates for secured loans of a similar duration and shall bear a reasonable relationship to the costs to the Retirement System of administering the loan. The loan interest rate shall be calculated in a manner that will not negatively affect either the Employers' costs with respect to the Retirement System or the investment return allocated to Members.
- (f) Loan repayments shall be suspended during a period of military service, as permitted by Section 414(u)(4) of the Internal Revenue Code. A Member who has an outstanding loan balance from the Retirement System who is absent from employment with the City, and who has satisfied the requirements of Section 414(u) of the Internal Revenue Code shall not be required to make loan repayments to the Retirement System during said periods of absence.

#### **Sec. 11.5. Loan Balance**

A Member's outstanding loan balance shall be considered a directed investment by the Member and interest payments shall be credited to the Member's Voluntary Employee Contribution Account (provided that the interest credited to the Member's Voluntary Employee Contribution Account shall be reduced appropriately to cover the administrative costs of the loan program and avoid negatively affecting the Employers' costs or the Retirement System's investment returns), and shall not be part of the Retirement System's net investment income or part of the Member's Voluntary Employee Contribution Account balance for the purpose of allocation of net investment income under the Retirement System.

#### **Sec. 11.6. Default**

In the event a Member defaults on a loan before the loan is repaid in full, the unpaid balance thereof will become due and payable and, to the extent that the outstanding amount is not repaid by the end of the calendar quarter which follows the calendar quarter in which the last

payment was received, such amount shall be deemed to have been distributed to the Member for tax purposes, consistent with Section 72(p) of the Internal Revenue Code.

#### **Sec. 11.7. Distribution**

No distribution shall be made to a Member, former Member, Spouse or Beneficiary from the Retirement System until all outstanding loan balances and applicable accrued interest have been repaid or offset against amounts distributable to the individual from the Retirement System.

#### **Sec. 11.8. Annual Report**

The Retirement System shall include, in its annual report to all Members, an accounting of the Loan Program established by this Article 11, which contains the number and amount of loans made, the costs of administering the Loan Program maintained under this Component I, the amount of payments made including interest received by Component I of the Retirement System, the amount of loans outstanding, including any defaults or delinquencies, and an evaluation as to whether the interest charged in that Fiscal Year covered the costs of administering the Loan Program under Component I.

## ARTICLE 12. LIMITATION ON BENEFITS AND CONTRIBUTIONS

### Sec. 12.1. Compliance With Code Section 415(b) And Regulations

- (1) Notwithstanding any other provision of this Combined Plan Document, the defined benefit component of the Retirement System shall be administered in compliance with the provisions of Code Section 415(b) and regulations thereunder that are applicable to governmental plans.
- (2) The maximum annual benefit accrued by a Member during a "limitation year" (which shall be the Plan Year) and the maximum annual benefit payable under the Retirement System to a Member at any time within a Plan Year, when expressed as an annual benefit in the form of a straight life annuity (with no ancillary benefits), shall be equal to \$160,000 (as such amount is adjusted pursuant to Code Section 415(d) for such Plan Year).
- (3) Notwithstanding the foregoing:
  - (a) if the benefit under the Retirement System is payable in any form other than a straight life annuity, the determination as to whether the limitation described in Section 12.1(2) has been satisfied shall be made, in accordance with the regulations prescribed by the Secretary of the Treasury, by adjusting such benefit to the Actuarially Equivalent straight life annuity beginning at the same time, in accordance with Section 12.1(8) or (9);
  - (b) if the benefit under the Retirement System commences before Age sixty-two, the determination of whether the limitation set forth in Section 12.1(2) (the "Dollar Limit") has been satisfied shall be made, in accordance with regulations prescribed by the Secretary of the Treasury, by reducing the Dollar Limit so that the Dollar Limit (as so reduced) is equal to an annual benefit payable in the form of a straight life annuity, commencing when such benefit under the Retirement System commences, which is Actuarially Equivalent to a benefit in the amount of the Dollar Limit commencing at Age sixty-two; provided, however, if the Retirement System has an immediately commencing straight life annuity commencing both at Age sixty-two and the age of benefit commencement, then the Dollar Limit (as so reduced) shall equal the lesser of (i) the amount determined under this Section 12.1(3)(b) without regard to this proviso, or (ii) the Dollar Limit multiplied by a fraction the numerator of which is the annual amount of the immediately commencing straight life annuity under the Retirement System and the denominator of which is the annual amount of the straight life annuity under the Retirement System, commencing at Age sixty-two; and
  - (c) if the benefit under the Retirement System commences after Age sixty-five, the determination of whether the Dollar Limit has been satisfied shall be made, in accordance with regulations prescribed by the Secretary of the Treasury, by increasing the Dollar Limit so that the Dollar Limit (as so increased) is equal to an annual benefit payable in the form of a straight life annuity, commencing when

the benefit under the Retirement System commences, which is Actuarially Equivalent to a benefit in the amount of the Dollar Limit commencing at Age sixty-five; provided, however, if the Retirement System has an immediately commencing straight life annuity commencing both at Age sixty-five and the Age of benefit commencement, the Dollar Limit (as so increased) shall equal the lesser of (i) the amount determined under this Section 12.1(3)(c) without regard to this proviso, or (ii) the Dollar Limit multiplied by a fraction the numerator of which is the annual amount of the immediately commencing straight life annuity under the Retirement System and the denominator of which is the annual amount of the immediately commencing straight life annuity under the Retirement System, commencing at Age sixty-five.

- (4) Notwithstanding the foregoing provisions of this Section 12.1, except as provided in Section 12.1(5), the maximum annual benefit specified in Section 12.1(2) above shall not apply to a particular Retirement System benefit if (a) the annual amount of such Retirement System benefit, together with the aggregate annual amount of any other pensions payable with respect to such Member under all other defined benefit plans maintained by an Employer, does not exceed \$10,000 for the Plan Year or any prior Plan Year and (b) the Member was not at any time a participant in a defined contribution plan maintained by an Employer.
- (5) In the case of a Member who has less than ten years of participation in the Retirement System, the limitation set forth in Section 12.1(2) shall be such limitation (without regard to this Section 12.1(5)), multiplied by a fraction, the numerator of which is the number of years of participation in the Retirement System (or parts thereof) credited to the Member and the denominator of which is ten. In the case of a Member who has less than ten years of Vesting Service, the limitations set forth in Paragraph (b) of Section 12.1(2) and in Section 12.1(4) shall be such limitations (determined without regard to this Section 12.1(5)) multiplied by a fraction, the numerator of which is the number of years of Vesting Service, or parts thereof, credited to the Member and the denominator of which is ten.
- (6) Notwithstanding anything in this Section 12.1 to the contrary, if the annual benefit of a Member who has terminated employment with the Employer is limited pursuant to the limitations set forth in Section 12.1(2), such annual benefit shall be increased in accordance with the cost-of-living adjustments of Code Section 415(d).
- (7) For purposes of determining actuarial equivalence under Paragraph (b) or (c) of Section 12.1(3), the interest rate assumption shall be five percent (5%) and the mortality table used shall be the applicable mortality table specified by the Board.
- (8) The actuarially equivalent straight life annuity for purposes of adjusting any benefit payable in a form to which Code Section 417(e)(3) does not apply, as required by Paragraph (a) of Section 12.1(3), is equal to the greater of (a) the annual amount of the straight life annuity payable under the Retirement System commencing at the same annuity starting date as the form of benefit payable to the Member, or (b) the annual amount of the straight life annuity commencing at the same annuity starting date that has

the same actuarial present value as the form of benefit payable to the Member, computed using the interest rate and mortality assumptions set forth in Section 12.1(7).

- (9) The actuarially equivalent straight life annuity for purposes of adjusting any benefit payable in a form to which Code Section 417(e)(3) applies, as required by Paragraph (a) of Section 12.1(3), is equal to the greatest of (a) the annual amount of the straight life annuity commencing at the same annuity starting date that has the same Actuarial Equivalent present value as the form of benefit payable to the Member, (b) the annual amount of the straight life annuity commencing at the same annuity starting date that has the same actuarial present value as the form of benefit payable to the Member, computed using a five and one-half percent (5.5%) interest rate assumption and the applicable mortality table specified by the Board, or (c) the annual amount of the straight life annuity commencing at the same annuity starting date that has the same actuarial present value as the form of benefit payable to the Member, computed using the applicable interest rate and the applicable mortality table, both as specified by the Board, divided by 1.05.
- (10) For purposes of applying the limitations set forth in this Section 12.1, all qualified defined benefit plans (whether or not terminated) ever maintained by an Employer shall be treated as one defined benefit plan.
- (11) For purposes of this Section 12.1, the term “compensation” shall include those items of remuneration specified in Treasury Regulation § 1.415(c)-2(b) and shall exclude those items of remuneration specified in Treasury Regulation § 1.415(c)-2(c), taking into account the timing rules specified in Treasury Regulation § 1.415(c)-2(e), but shall not include any amount in excess of the limitation under Code Section 401(a)(17) in effect for the year. The term “compensation” as defined in the preceding sentence shall include any payments made to a Member by the later of (a) two and one-half months after the date of the Member’s severance from employment with an Employer or (b) the end of the limitation year that includes the date of the Member’s severance from employment with an Employer, provided that, absent a severance from employment, such payments would have been paid to the Member while the Member continued in employment with the Employer and are regular compensation for services performed during the Member’s regular working hours, compensation for services outside the Member’s regular working hours (such as overtime or shift differential pay), commissions, bonuses or other similar compensation.
- (12) This Section 12.1 shall be administered in conformity with the regulations issued by the Secretary of the Treasury interpreting Code Section 415 including, but not limited to, any regulation providing for the “grandfathering” of any benefit accrued prior to the effective date of such regulations or statutory provision.

## **Sec. 12.2. Compliance with Code Section 415(c) and Regulations**

- (1) The “Annual Addition” with respect to a Member for a limitation year (which shall be the Plan Year) shall in no event exceed the lesser of:

- (a) \$40,000 (adjusted as provided in Code Section 415(d)); or
  - (b) One hundred percent (100%) of the Member's compensation, as defined in Code Section 415(c)(3) and regulations issued thereunder, for the limitation year.
- (2) The Annual Addition with respect to a Member for a limitation year means the sum of his Voluntary Employee Contributions for such limitation year to the Retirement System, and the employer contributions, employee contributions and forfeitures allocated to his accounts under any other qualified defined contribution plan (whether or not terminated) maintained by an Employer, and the amounts described in Code Sections 415(l)(2) and 419A(d)(2) allocated to his account.
- (3) In the event the Annual Addition to the Retirement System on behalf of a Member would otherwise exceed the amount that may be applied for his benefit under the limitation contained in this Section 12.2, the limitation shall be satisfied by reducing the Member's Voluntary Employee Contributions to the extent necessary and distributing such amounts to the Member.

## **ARTICLE 16. RETIREE MEDICAL ACCOUNT**

### **Sec. 16.1. Establishment of Account**

A Medical Benefits Account shall be established and maintained under the Retirement System out of which the Board shall pay the cost, which would otherwise be borne by the Employers, for certain medical and related benefits provided under the plans or programs maintained by the Employers to provide Medical Benefits (the "Medical Plans") for the benefit of the Medical Beneficiaries. The provisions of this Article 16 are intended to comply with Section 401(h) of the Code and shall be construed to comply therewith.

### **Sec. 16.2. Effective Date of Retiree Medical Account**

Medical Benefits may be paid from the Medical Benefits Account beginning October \_\_\_\_, 2014, or such other date recommended by an enrolled actuary (within the meaning of Section 7701(a)(35) of the Code) and approved by the Board and Investment Committee.

### **Sec. 16.3. Funding of Benefits**

Subject to the Plan of Adjustment and the right reserved to the City to amend or terminate the provision of Medical Benefits under its general power to amend the Plan under Section 17.5, the City expects and intends to make actuarially determined contributions under the Retirement System from time to time to fund the Medical Benefits Account. The assets of the Medical Benefits Account may be invested together with the other assets of the Retirement System, in which case earnings of the Retirement System shall be allocated to the Medical Benefits Account on a reasonable basis, or such assets may be invested separately. In any event, no part of the Retirement System, other than the assets of the Medical Benefits Account, shall be available to pay for any part of the cost of Medical Benefits.

The amount determined by the City to be contributed for any Plan Year by the Employers pursuant to the paragraph above shall be reasonable and ascertainable and shall not exceed the total cost for such Plan Year of providing Medical Benefits to the Medical Beneficiaries, determined in accordance with generally accepted actuarial methods and assumptions that are reasonable in view of the provisions and coverage of the medical and other welfare plans providing such benefits, the funding medium and any other applicable considerations. At the time any Employer makes a contribution to the Trustee, the Employer shall designate the portion thereof that is allocable to the Medical Benefits Account.

### **Sec. 16.4. Limitation on Contributions**

At all times the aggregate of the contributions made by the Employers to provide Medical Benefits shall not exceed twenty-five percent (25%) of the sum of the aggregate contributions made by the Employers to the Plan under Sections 9.3, 9.4 and 9.5 other than the contributions to fund past service credits, plus the aggregate contributions to the Medical Benefits Account. In the event that a contribution under Section 16.3 shall exceed the amount described in the preceding sentence, such contribution shall be reduced by the excess amount.

#### **Sec. 16.5. Impossibility of Diversion**

In no event, prior to the satisfaction of all liabilities to provide Medical Benefits, shall the Medical Benefits Account be used for, or diverted to, any purpose other than the payment of such benefits and any necessary or appropriate expenses of administration associated therewith. Any amounts credited to the Medical Benefits Account following the satisfaction of all such liabilities shall be returned to the Employers.

#### **Sec. 16.6. Administration**

The Medical Plans shall continue to be administered, and claims processed, under their respective terms. The interpretation and administration of the terms of this Article 16 shall be subject to the provisions of the Combined Plan Document.

#### **Sec. 16.7. Right to Amend or Terminate Medical Plans**

The Employers expressly reserve the exclusive right, retroactively to the extent permitted by law, to amend, modify, change, terminate or revoke any medical or other welfare plan or policy maintained by any such Employer that provides medical or other welfare benefits, including but not limited to Medical Benefits, and to require Members, former Members, their eligible Spouses and dependents to pay all or any portion of the cost of such medical benefits.

#### **Sec. 16.8. Reversion**

At no time prior to the satisfaction of all liabilities under the Retirement System to provide Medical Benefits, shall any part of the Medical Benefits Account be used for any purpose other than providing Medical Benefits, and any necessary or appropriate expenses attributable to the administration of the Medical Benefits Account. If any residual assets remain in the Medical Benefits Account after the satisfaction of all obligations of the Employers to provide Medical Benefits to the Medical Beneficiaries, such assets shall be returned to the Employers. In the event a Medical Beneficiary's interest in the Medical Benefits Account is forfeited prior to the termination of the Retirement System, an amount equal to such forfeiture shall be applied as soon as possible to reduce the Employers' contributions to the Medical Benefits Account.

#### **Sec. 16.9. Limitation of Rights**

A Medical Beneficiary shall have no right, title or claim in any specific asset of the Medical Benefits Account, but shall have the right only to the Medical Benefits provided from time to time under the Medical Benefits Account.

## **ARTICLE 17. MISCELLANEOUS**

### **Sec. 17.1. Nonduplication of Benefits**

If any Member is a participant in another defined benefit pension plan, retirement system or annuity plan sponsored by an Employer (including Component II of this Retirement System) and the Member is or becomes entitled to accrue pension benefits under such plan or retirement system (including Component II of this Retirement System) with respect to any period of service for which he is entitled to accrue a benefit under Component I of this Retirement System, such Member shall not be eligible to accrue or receive payment of a benefit under Component I with respect to such period of service.

### **Sec. 17.2. Assignments Prohibited**

The right of a person to a pension, annuity, the return of Accumulated Voluntary Employee Contributions and/or the return of Accumulated Mandatory Employee Contributions, the Retirement Allowance itself, to any optional form of payment, to any other right accrued or accruing to any person under the provisions of this Retirement System, and the monies in the various funds of the Retirement System shall not be assignable and shall not be subject to execution, garnishment, attachment, the operation of bankruptcy or insolvency law, or any other process of law whatsoever, except as specifically provided in this Combined Plan Document or by an eligible domestic relations order of a lawful court.

### **Sec. 17.3. Protection Against Fraud**

A person who, with intent to deceive, makes any statements or reports required under this Retirement System that are untrue, or who falsifies or permits to be falsified any record or records of this Retirement System, or who otherwise violates, with intent to deceive, any terms or provisions of the Retirement System, shall be subject to prosecution under applicable law.

### **Sec. 17.4. Errors**

If any change or error in the records results in any person receiving from the Retirement System more or less than the person would have been entitled to receive from the Retirement System had the records been correct, the Board shall correct such error and, as far as practicable, shall adjust the payment in such a manner that the actuarial equivalent of the benefit to which such person was correctly entitled shall be paid.

### **Sec. 17.5. Amendment; Termination; Exclusive Benefit**

The City reserves the right to amend the Combined Plan Document created hereunder at any time; such amendments may include termination of the Retirement System; provided, however, that following the effective date of the Plan of Adjustment, no amendment other than amendments permitted under the terms of the Plan of Adjustment (including amendments contemplated in Section G-4(5) of Component II) may be made to the terms, conditions and rules of operation of the Retirement System, or any successor plan or trust, that govern the calculation of pension benefits during the period ending June 30, 2023, nor may any amendment or termination deprive any Member, former Member or Beneficiary of any then vested benefit

under the Retirement System, except as provided in the Plan of Adjustment. Notwithstanding the foregoing, the City and the Board have the authority to amend the Combined Plan Document as necessary to retain the tax qualified status of the Retirement System under the Internal Revenue Code. The City shall make no amendment or amendments to the Retirement System which causes any part of the assets of the Retirement System to be used for, or diverted to, any purpose other than the exclusive benefit of Members, former Members or their Beneficiaries; provided, that the City may make any amendment necessary, with or without retroactive effect, to comply with applicable federal law. Any amendment of the Retirement System by the City must be approved by the Council or person standing in the stead of the Council.

Upon termination of the Retirement System or upon complete discontinuance of contributions to the Retirement System, the rights of all Members to benefits accrued to the date of such termination or discontinuance, to the extent then funded, shall be nonforfeitable.

#### **Sec. 17.6. Forfeitures Not to Increase Benefits**

Any forfeitures arising under the Retirement System due to a Member's termination of employment or death, or for any other reason, shall be used to pay expenses of the Retirement System and shall not be applied to increase the benefits any Member would otherwise receive under the Retirement System at any time prior to termination of the Retirement System.

#### **Sec. 17.7. Required Distributions - Compliance with Code Section 401(a)(9) and Regulations**

The Retirement System will apply the minimum distribution requirements of Code Section 401(a)(9) in accordance with the final regulations issued thereunder, notwithstanding any provision in the Combined Plan Document to the contrary. Pursuant to Code Section 401(a)(9)(A)(ii), a Member's interest must begin to be distributed by the later of (i) the April 1 of the calendar year following the calendar year in which he attains the Age of seventy and one-half (70-1/2), or (ii) April 1 of the calendar year following the year in which he retires. Distributions will be made in accordance with Regulations Sections 1.401(a)(9)-2 through 1.401(a)(9)-9. The provisions of this Section 17.7 and the regulations cited herein and incorporated by reference override any inconsistent plan distribution options.

#### **Sec. 17.8. Direct Rollovers**

- (1) For purposes of compliance with Code Section 401(a)(31), a distributee may elect, at the time and in the manner prescribed by the Board, to have any portion of an eligible rollover distribution paid directly to an eligible retirement plan specified by the distributee in a direct rollover.
- (2) For purposes of this Section 17.8, the following terms shall have the following meanings:
  - (a) "Direct rollover" means a payment by the retirement system to an eligible retirement plan specified by a distributee.
  - (b) "Distributee" means a Member or former Member. It also includes the Member's or former Member's surviving Spouse, a Spouse or former spouse who is the

alternate payee under an eligible domestic relations order, or a nonspouse beneficiary who is a designated beneficiary as defined by Code Section 401(a)(9)(E). However, a nonspouse beneficiary may only make a direct rollover to an individual retirement account or individual retirement annuity established for the purpose of receiving the distribution, and the account or annuity will be treated as an “inherited” individual retirement account or annuity.

- (c) “Eligible retirement plan” means any of the following that accepts a distributee’s eligible rollover distribution:
  - (i) a qualified trust described in Code Section 401(a);
  - (ii) an annuity plan described in Code Section 403(a);
  - (iii) an annuity contract described in Code Section 403(b);
  - (iv) an individual retirement account described in Code Section 408(a);
  - (v) an individual retirement annuity described in Code Section 408(b);
  - (vi) a Roth IRA described in Code Section 408A; or
  - (vii) a plan eligible under Code Section 457(b) that is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or a political subdivision of a state that agrees to separately account for amounts transferred into that plan from the Retirement System.
- (d) “Eligible rollover distribution” means any distribution of all or any portion of the balance to the credit of a distributee under the Retirement System, except that an eligible rollover distribution does not include: any distribution that is one of a series of substantially equal periodic payments (not less frequently than annually) made for the life (or the life expectancy) of the distributee or the joint lives (or joint life expectancies) of the distributee and the distributee’s designated beneficiary, or for a specified period of ten years or more; any distribution to the extent such distribution is required under Code Section 401(a)(9); the portion of any distribution that is not includible in gross income; and any other distribution which the Internal Revenue Service does not consider eligible for rollover treatment, such as any distribution that is reasonably expected to total less than \$200 during the year. Notwithstanding the foregoing, a portion of a distribution will not fail to be an “eligible rollover distribution” merely because the portion consists of after-tax contributions that are not includible in Member’s gross income upon distribution from the Retirement System. However, such portion may be transferred only (i) to an individual retirement account or annuity described in Code Section 408(a) or (b) or to a qualified defined contribution plan described in Code Section 401(a) that agrees to separately account for amounts so transferred (and earnings thereon), including separately accounting for the portion of the distribution that is includible in gross income and the portion of the distribution that is not so includible; (ii) to a qualified defined benefit plan

described in Code Section 401(a) or to an annuity contract described in Code Section 403(b) that agrees to separately account for amounts so transferred (and earnings thereon), including separately accounting for the portion of the distribution that is includible in gross income and the portion of the distribution that is not so includible; or (iii) to a Roth IRA described in Code Section 408A.

#### **Sec. 17.9. Construction**

Words in the singular should be read and construed as though used in the plural, and words in the plural should be read and construed as though used in the singular, where appropriate. The words “hereof”, “herein”, and “hereunder” and other similar compounds of the word “here”, shall mean and refer to Component I and/or Component II of this Combined Plan Document or to the Combined Plan Document in its entirety, as the context may require, and not to any particular provision or section thereof. The table of contents, article and section headings are included for convenience of reference, and are not intended to add to, or subtract from, the terms of the Combined Plan Document or the Retirement System created hereunder.

#### **Sec. 17.10. Severability**

If any section or part of a section of this Combined Plan Document or provision relating to the Retirement System is for any reason held to be invalid or unconstitutional, such holding shall not be construed as affecting the validity of the remaining sections of the Combined Plan Document or Retirement System or of the Combined Plan Document or Retirement System in its entirety.

EXHIBIT I.A.250.b

PRINCIPAL TERMS OF NEW GRS ACTIVE PENSION PLAN

## NEW GRS ACTIVE PENSION PLAN -- MATERIAL TERMS

1. Benefit Formula: FAC (average base compensation over last 10 consecutive years of employment) x Years of Service x 1.5%. If an employee had leave of not less than 2 months without pay under the Family and Medical Leave Act in the last 2 years of employment, such employee's FAC will be determined using the highest 10 consecutive years of base compensation over the last 12 consecutive years of employment. Average base compensation means no overtime, no unused sick leave, no longevity or any other form of bonus.
2. Actual time for accrual is actual time served. For vesting and eligibility, 1,000 hours for a year of service.
3. Normal Retirement Age – age 62 with a transition period for active employees as of June 30, 2014 as follows:

<u>Age as of July 1, 2014</u>	<u>Normal Retirement Age</u>
61 years	60 years
60 years	60 years
59 years	60.3 years
58 years	60.6 years
57 years	60.9 years
56 years	61.0 years
55 years	61.3 years
54 years	61.6 years
53 years	61.9 years
52 years	62 years

4. 10 Years of Service for vesting.
5. Early retirement -- Eligible at 55 & 30 years of service, with true actuarial reduction. No pension payments allowed below age 55; terminated employees must wait until 62.
6. Deferred Vested -- 10 Years payable at 62.
7. Disability -- to be provided by commercial insurance until normal retirement age. In applying the formula for an age 62 pension, a disabled employee will be credited with service for the period of long-term disability leave.
8. Annuity Savings Fund - voluntary Annuity Savings Fund contributions equal to 3%, 5% or 7% of after-tax pay. Interest will be credited at the actual net investment rate of return for GRS, but will in no event be lower than 0% or higher than 5.25%. No in-service withdrawals permitted.

9. Investment Return/Discount Rate – 6.75%
10. COLA - Variable COLA benefit payable after the hybrid plan has been in effect for 4 full plan years, provided that the funding level is above 100%. A simple 2% COLA on hybrid benefit. Retirees become eligible for a COLA only for plan years after the retiree reaches age 62 and has been retired for a minimum of 12 months.
11. Contributions - Employer contribution of 5% of the base compensation of eligible employees. A portion of such contribution is used to fund normal cost and a portion is credited to a rate stabilization fund. Employees contribute 4% of base compensation toward normal cost.
12. If the funding level is below 100% (based on 3 year look back of smoothed returns), the plan's risk-shifting levers listed below will be applied in the listed order, until the actuary can state that by virtue of the use of levers, and a 6.75% discount rate and return assumption, the funding level is projected to be 100% on a market value basis within the next 5 years.
  - (a) No COLAs will be paid;
  - (b) Amounts credited to the rate stabilization fund will be used to fund accrued benefits; and
  - (c) Employee contributions to the hybrid will increase by 1% to 5% of base compensation for up to a 5 year period.

If the funding level is below 80% (without taking into account the use of rate stabilization funds and the 1% increase in employee contributions):

- (d) The steps taken in (a), (b) and (c) above will be continued;
- (e) The most recently awarded COLA is rescinded (i.e., Members' future benefit payments will be not include that COLA);
- (f) Employee contributions to the hybrid will increase to 6% of base compensation for up to a 5 year period;
- (g) The second most recently awarded COLA is rescinded; and
- (h) The benefit accrual rate is decreased from 1.5% to 1% for up to 5 years.

# COMPONENT I

## **ARTICLE 1. GENERAL PROVISIONS**

### **Sec 1.1. Police and Fire Retirement System Established; Adoption of 2014 Plan Document**

Effective July 1, 1941, a Pension System for Policemen and Firemen of the City of Detroit was established for the purpose of providing retirement allowances and death benefits for Policemen and Firemen and their beneficiaries by amendment to the Charter of the City of Detroit. That Pension System was amended on numerous occasions after July 1, 1941, including an amendment renaming the Retirement System as the "Police and Fire Retirement System of the City of Detroit." The provisions of the Police and Fire Retirement System of the City of Detroit, as in effect July 1, 2014, are set forth in this Plan Document (including Appendix A attached hereto). Component I of the Plan Document applies to benefits accrued by Members on and after July 1, 2014 and to operation of the Police and Fire Retirement System of the City of Detroit on and after July 1, 2014. Component II of the Plan Document generally applies to benefits accrued by Members prior to July 1, 2014. Except as specifically provided in Component II, benefits provided under Component II of the Plan Document are frozen effective June 30, 2014.

Pursuant to Section 47-1-2 of the Detroit City Code, this Combined Plan Document shall replace the provisions of the Police and Fire Retirement System of the City of Detroit as set forth in the City of Detroit Charter, the Detroit City Code and any conflicting provisions in any collective bargaining agreements, rulings or opinions covering Members (including, without limitation, City Employment Terms). All resolutions and policies of the Board previously enacted which are inconsistent with the provisions of this Plan Document are also hereby repealed to the extent of such inconsistency.

### **Sec 1.2. Retirement System Intended to be Tax-Qualified; Governmental Plan**

The Retirement System is a governmental plan under Section 414(d) of the Internal Revenue Code which is intended to be a qualified plan and trust pursuant to applicable provisions of the Internal Revenue Code. The Board shall construe and administer the provisions of the Retirement System in a manner that gives effect to the tax-qualified status of the Retirement System.

### **Sec 1.3. Compliance With Plan of Adjustment**

The Retirement System is intended to comply with all relevant provisions (including Exhibits) of the Plan for the Adjustment of Debts of the City of Detroit, as approved by the United States Bankruptcy Court in *In re City of Detroit, Michigan, Case No. 13-53846* ("Plan of Adjustment"). Component I and Component II of the Combined Plan shall be interpreted and construed by the City, the Board of Trustees and the Retirement System to give full effect to the Plan of Adjustment. To the extent that a conflict arises between the Combined Plan Document and the Plan of Adjustment, the City, the Board of Trustees, the Investment Committee and the Retirement System are directed to interpret any inconsistency or ambiguity to give full effect to the Plan of Adjustment.

#### **Sec 1.4. Board of Trustees**

Effective July 1, 1941, a Board of Trustees of the Police and Fire Retirement System of the City of Detroit was created. The Board is vested with responsibility for the general administration, management and operation of the Police and Fire Retirement System of the City of Detroit and with the trust and investment powers conferred in this Combined Plan Document.

The term of office for each elected Trustee under Sections 1.5(7), (8) and (10) shall be three years. The term of office for the Trustee who is selected by the Board under Section 1.5(9) shall be two years. The term of office for the Trustees appointed by the Mayor under Sections 1.5(11) and (12) shall be three years. Except as provided in Section 1.6(3), elected Trustees holding office on June 30, 2014 shall serve the remainder of their terms.

If a Trustee resigns or is removed by the other Trustees for cause, or if an elected or appointed Trustee fails to attend three consecutive scheduled Board meetings without being excused for cause by the Trustees attending such meetings, the Trustee shall be considered to have resigned from the Board. If a vacancy occurs in the office of Trustee from any cause other than expiration of a term, the vacancy for the unexpired term shall be filled within sixty days of the date of said vacancy in the same manner as the office was previously filled. No vacancy shall result by reason of a change in the rank or grade of a Trustee during the term of office.

#### **Sec 1.9. Board of Trustees; Officers and Employees**

The Board of Trustees shall elect from its membership a chairman and a vice chairman. The executive director of the Retirement System or his or her representative shall serve as secretary of the Board of Trustees. An eligible Employee's membership in the Retirement System shall be automatic; no eligible Employee shall have the option to elect to become a Member of the Retirement System.
- (2) Any appointive official of the Police Department or Fire Department appointed from the membership thereof shall be permitted to remain a Member, paying contributions and entitled to benefits as though he had remained in the rank, grade or position held at the date of his appointment.

A Member who elects to participate in the DROP Program under Component I, Component II or both shall be considered to have separated from service with the City by reason of retirement and shall neither accrue a benefit under the Retirement System nor be required to make Mandatory Employee Contributions to the Retirement System pursuant to Section 9.3(3) or 9.5 or permitted to make Voluntary Employee Contributions pursuant to Section 10.1.

- (3) If a Member ceases to be a Member under paragraph (1) and later becomes employed as a Police Assistant, such Member shall not become a Member upon reemployment. - (4) Retirement benefits for a Retiree who returns to active full time employment other than as a Police Assistant shall be subject to the following:

- (b) A Retiree who returns to work will be entitled to receive a second Retirement Allowance in accordance with the provisions of the Retirement System in effect during his re-employment period.
- (c) A Retiree's Average Final Compensation and Credited Service for purposes of determining the Retiree's second Retirement Allowance will be based upon the Compensation and Credited Service earned by the Retiree after he returns to work.

## **ARTICLE 4. SERVICE CREDIT**

### **Sec 4.1. Credited Service**

- (1) The Board shall keep an accurate record of each Member's accumulated Service credit from the date of commencement of employment with the City to the date of termination of employment with the City.
- (2) A Member shall be credited with one month of Credited Service for each calendar month during which he performs one hundred forty (140) or more Hours of Service for the City as a Police Officer or Fire Fighter beginning on the later of (i) July 1, 2014 or (ii) his date of hire with the City as a Police Officer or Fire Fighter and ending on the date his employment with the City as a Police Officer or Fire Fighter is terminated. Service shall be credited in years and twelfths (1/12<sup>th</sup>) of a year. Not more than one-twelfth (1/12<sup>th</sup>) of a year of Credited Service shall be credited to a Member on account of all Service rendered to the City in a calendar month. Not more than one year of Credited Service shall be credited to a Member on account of all Service rendered to the City in any period of 12 consecutive months.
- (3) Not more than one month of Credited Service shall be granted for any period of more than one month during which the Member is absent without pay; notwithstanding the foregoing, any Member who shall be suspended from duty and subsequently reinstated to duty without further disciplinary action shall receive credit for the time of such period of suspension.
- (4) Solely for purposes of determining eligibility for a retirement benefit under Sections 5.1 and 5.4, a Member shall be credited with the sum of his Prior Service as determined by the Board and his Credited Service on and after July 1, 2014 determined under Section 4.1(2). The period of time during which a Member is on layoff from the service of the City shall be included in the Member's Credited Service solely for the purposes of determining whether the Member has attained his Normal Retirement Age for purposes of Section 5.1.

### **Sec 4.2. Vesting Service**

- (1) A Member shall be credited with a year of Vesting Service for each Plan Year commencing on or after July 1, 2014 during which the Member performs 1,000 or more Hours of Service for the City.
- (2) A Member's total Vesting Service shall be the sum of his Prior Service and his Service determined under Section 4.2(1).

### **Sec 4.3. Service Credit; Military Service**

A Member who enters the military service of the United States while employed with the City shall have the period of such military service credited as City Service in the same manner as if the Member had served the City without interruption, provided that (1) the Member's entry into such military service and re-employment thereafter shall be in accordance with applicable

laws, ordinances, and regulations of the State of Michigan and the City, (2) he or she is re-employed by the City upon completion of such military service, and (3) the Member contributes to the Retirement System the Mandatory Employee Contributions that would have been made by the Member but for the Member's military service. The Member shall be permitted to make such contributions in accordance with Code Section 414(u) and regulations thereunder. During the period of military service and until return to City employment, the Member's Mandatory Employee Contributions to the Retirement System shall be suspended.

#### **Sec 4.4. Service Credit; Qualified Military Service**

Notwithstanding any provision of this Combined Plan Document to the contrary, contributions, benefits, and service credit with respect to qualified military service under Component I, shall be provided in accordance with Code Section 414(u). Notwithstanding anything to the contrary herein, if a Member dies while performing qualified military service (as defined in Code Section 414(u)), to the extent required by Code Section 401(a)(37), the survivors of the Member are entitled to any additional benefits (if any, and other than benefit accruals relating to the period of qualified military service) provided under the Retirement System as if the Member had resumed and then terminated employment on account of death.

Notwithstanding anything to the contrary herein, if the City decides to provide Differential Wage Payments to individuals who are performing service in the uniformed services (as defined in Chapter 43 of Title 238, United States Code) while on active duty for a period of more than thirty days, such Differential Wage Payment will be treated as compensation under the Code Section 415(c)(3) limits, but not for purposes of benefit accruals under the Retirement System. For these purposes the term "Differential Wage Payment" means a payment defined in Code Section 3401(h)(2) that is made by the City to an individual who is performing service in the uniformed services while on active duty for a period of more than thirty days.

## **ARTICLE 5. ELIGIBILITY FOR RETIREMENT**

### **Sec 5.1. Eligibility for Unreduced Normal Retirement Benefit**

Any Member who attains his Normal Retirement Age while employed by the City may retire upon written application filed with the Board setting forth the date on which the Member desires to be retired. The date of retirement shall be effective as of the first day following the later of (i) the Member's last day on the City payroll, or (ii) the date the Member executes and files an application for retirement, notwithstanding that the Member may have separated from Service during the notification period. Such a Member shall be entitled to receive an unreduced Retirement Allowance calculated as provided in Section 6.1 and payable in a form of payment selected by the Member pursuant to Section 8.1.

### **Sec 5.2. Eligibility for Deferred Vested Retirement Benefit**

Any Member who terminates employment with the City prior to satisfying the requirements for receipt of a retirement benefit under Section 5.1 and who is credited with ten (10) or more years of Vesting Service upon his or her termination of employment (regardless of Age) shall be entitled to receive an unreduced Retirement Allowance commencing at any time following his Attainment of Age sixty-two. At a Member's election, the Member may begin receiving a Retirement Allowance following his Attainment of Age fifty-five, actuarially reduced for early commencement, in lieu of an unreduced Retirement Allowance beginning at age sixty-two. Deferred vested retirement benefits shall be payable in accordance with a form of payment selected by the Member pursuant to Section 8.1.

### **Sec 5.3. Eligibility for Disability Retirement Benefit – Duty Disability**

- (1) If, prior to attainment of his Normal Retirement Date, a Member shall become Totally Disabled for duty by reason of injury, illness or disease resulting from performance of duty and if, pursuant to Section 5.6, the Board shall find such injury, illness or disease to have resulted from the performance of duty, on written application to the Board by or on behalf of such Member or by the head of his Department such Member shall be retired; notwithstanding that during such period of notification he or she may have separated from service and provided further that the Medical Director, after examination of such Member shall certify to the Board the Member's Total Disability. A Member who retires as a result of duty disability shall receive for a period of twenty-four months the sum of:
  - (a) a basic benefit equal to fifty percent (50%) of his Final Compensation at the time his duty disability retirement begins, and
  - (b) a supplemental benefit equal to sixteen and two-thirds percent (16-2/3%) of his Final Compensation at the time his duty disability retirement begins.

Subject to Section 9.5, on the first day of each Plan Year, a Member's duty disability benefit will be increased as provided in Section 6.2.

- (2) After a Member receives benefits hereunder for a period of twenty-four months, the Board will determine whether the Member is disabled from any occupation. If the

Member is disabled from any occupation, the Member shall continue to receive the benefit provided in paragraphs (1)(a) and (1)(b) until such time as the Member would have attained twenty-five years of Credited Service had he continued in active Service with the City. At that time, the Member shall continue to receive the benefit described in paragraph 1(a) above; however, benefits described in paragraph (1)(b) above will cease. If the Member is not disabled from any occupation, he shall continue to receive the benefit described in paragraph (1)(a) above; benefits described in paragraph 1(b) will cease.

- (3) In the event a Member receiving duty disability benefits has attained twenty-five years of Credited Service, duty disability benefits shall continue to be paid to the Member until the earlier of (i) the Member's Attainment of Age sixty-five, or (ii) the date the Member ceases to be Totally Disabled as determined by the Board. Upon termination of disability or Attainment of Age sixty-five, a Member with twenty-five years of Credited Service shall be eligible to receive a Retirement Allowance as provided in Section 6.1. The amount of such Retirement Allowance shall be equal to the amount which would have been payable to the Member if the Member's conversion from duty disability retirement to a Retirement Allowance had occurred on the date the Member attained twenty-five years of Credited Service.
- (4) If a Member on duty disability retirement returns to active Service with the City and shall re-qualify for duty disability retirement for the same or related reasons within twenty-four months of his return to active Service, then the disability shall be deemed a continuation of the prior Total Disability and the period of the Member's active Service following the return to work will not qualify the Member to be entitled to a new initial determination of disability for purposes of determining the benefit payable to the Member. Instead, such Member will return to duty disability retirement benefits based on the number of months of disability with which the Member was credited at the time of his return to active Service, as if there had not been a break in his period of duty disability retirement.
- (5) During the period a Member is eligible to receive duty disability benefits under this Section 5.3, the Member shall continue to be credited with Credited Service until the Member accrues twenty-five years of Credited Service, at which time accrual of Credited Service shall cease.
- (6) In the event that a recipient of a duty disability retirement benefit receives earned income from gainful employment during a calendar year, the amount of the Member's disability benefit payable during the next subsequent Plan Year will be adjusted so it does not exceed the difference between (i) the Member's base salary at the date of duty disability, increased by the variable Pension Improvement Factor (Escalator) (if any) applicable to such benefit pursuant to Section 6.2 multiplied by the number of full Plan Years from the date of the Member's duty disability to the year in which the earnings offset is applied, and (ii) the amount of the Member's remuneration from gainful employment during the prior calendar year. The amount of income received by a Member shall be determined by the Board based upon information received from the Member or based upon information secured from other reliable sources. Furnishing such information to the Board at such

times as the Board shall require shall be a condition for the Member's continued eligibility for duty disability benefits.

#### **Sec 5.4. Eligibility for Disability Retirement Benefit – Non-Duty Disability**

- (1) Upon the application of a Member or the Member's Department head, a Member who becomes totally and permanently disabled prior to his or her Normal Retirement Date in the employ of the City not resulting from the performance of duty shall be retired by the Board; provided that the Medical Director shall certify to the Board after a medical examination, that such Member is mentally or physically totally and permanently disabled for the further performance of duty to the City. Such a Member shall receive the following applicable benefits:
  - (a) If such Member has less than five years of Credited Service at the time of his disability retirement, his Accumulated Mandatory Employee Contributions standing to his credit in the Accumulated Mandatory Employee Contributions Fund shall be returned to him, or at his option he shall receive a cash refund annuity which shall be the actuarial equivalent of his Accumulated Mandatory Employee Contributions.
  - (b) If such Member has five or more years of Credited Service at the time of his disability retirement, he shall receive a disability Retirement Allowance computed in accordance with the provisions of Section 6.1 payable in any of the optional forms provided in Section 8.1 hereof. His annual Straight Life Retirement Allowance shall not be less than twenty per cent (20%) of his Average Final Compensation.
- (2) If a Member receiving non-duty disability retirement benefits is or becomes engaged in a gainful occupation, business, or employment paying more than the difference between the disabled Member's Retirement Allowance and Average Final Compensation, the Member's Retirement Allowance shall be reduced by the amount of such difference. If the amount of the Retiree's earnings changes, the Retirement Allowance may be adjusted accordingly. The amount of income received by a Member shall be determined by the Board based upon information received from the Member or based upon information secured from other reliable sources. Furnishing such information to the Board at such times as the Board shall require shall be a condition for the Member's continued eligibility for non-duty disability benefits.

#### **Sec 5.5. Disability Retirees; Reexamination**

- (1) At least once each year during each year following the retirement of a Member under Section 5.3 or Section 5.4, the Board shall require that such disability Retiree who has not attained his Normal Retirement Age undergo a medical examination, to be made by, or under the direction of the Medical Director; provided, however, that medical examinations shall not be required if the Medical Director determines that the Retiree's condition is permanent and there is no need for further reexamination. Retirees shall be reimbursed for reasonable costs actually incurred by the Retirees in connection with such

examinations. Should any such Retiree who has not attained Normal Retirement Age fail to submit to a required medical examination, the Retiree's Retirement Allowance may be suspended by the Board until the examination is completed. Should such failure continue for one year, all of the disability Retiree's rights in and to the duty or non-duty disability Retirement Allowance may be revoked by the Board. If upon such examination of a Retiree, the examiner reports that the Retiree is no longer Totally Disabled, and such report is concurred in by the Board, the Retiree shall be restored to active service with the City and the Retirement Allowance paid pursuant to Section 5.3 or Section 5.4 shall be suspended until the Retiree terminates active Service with the City.

- (2) A disabled Retiree who has been, or shall be, reinstated to active Service in the employ of the City shall again become a Member. All Credited Service at the time of the disability retirement shall be restored to the Member.

#### **Sec 5.6. Disability Benefits; Procedures for Determination of Disability**

- (1) The Board shall establish procedures for determining whether a Member is Totally Disabled. Such procedures shall be consistent with any collective bargaining agreements between the City and the unions covering Police Employees and Fire Employees.
- (2) If a Member is determined to be Totally Disabled under Section 5.3(1) or 5.4(1), the Board or its designee will examine the pension file, including the submissions of the Member and the Police or Fire Department, to determine if there is any dispute as to whether the disability "resulted from the performance of duty" within the meaning of the Combined Plan. If it is undisputed that the disability did result from the performance of duty, the Board will grant duty disability retirement benefits. If it is undisputed that the disability did not result from the performance of duty, the Board will grant non-duty disability retirement benefits, provided the Member meets the other conditions of eligibility. If the performance of duty issue is in dispute, the Board will refer the matter to arbitration by a member of the Disability Retirement Review Board ("DRRB"). The decision of the DRRB member as to whether the disability resulted from the performance of duty shall be final and binding upon the Member, the Department and the Board. The DRRB shall consist of three qualified arbitrators who will be individually assigned in rotating order to decide the matters referred to arbitration by the Board. The three members of the DRRB shall be disinterested persons qualified as labor arbitrators and shall be selected in accordance with agreements between the City and the unions representing Members. The procedure for the termination of DRRB members and the selection of new DRRB members also shall be carried out in accordance with the agreements between the City and the unions representing Members.
- (3) The hearing before a member of the DRRB will be conducted in accordance with the following procedures:
  - (a) The Member and the City will have the right to appear in person or otherwise may be represented by counsel if they wish and will be afforded an equal opportunity to present evidence relevant to the issues;

- (b) A court reporter will be present and make a stenographic record of the proceedings;
  - (c) The hearing will be closed to the public, except that the Member may select one person to be with him or her in the hearing room; provided, however, that person may not testify;
  - (d) The witnesses will be sequestered;
  - (e) The witnesses will be sworn by the court reporter and testify under oath;
  - (f) The Member may not be called by the City as an adverse witness;
  - (g) The DRRB member will apply the rules of evidence and follow the procedures which are customarily applied and followed in labor arbitration cases;
  - (h) If the Member wishes to have an employee of the City released from duty to appear as a witness on his or her behalf, the Member may so inform the Board in writing which, in turn, will submit a written request to the appropriate Department executive for the release of the employee for the purpose of so testifying;
  - (i) The DRRB member will afford the parties an opportunity for the presentation of oral argument and/or the submission of briefs;
  - (j) The DRRB member will issue a written decision containing credibility resolutions as necessary, findings of fact and conclusions with respect to all relevant issues in dispute;
  - (k) The authority of the DRRB member is limited to deciding whether or not the Member's disability "resulted from the performance of duty" within the meaning of the Combined Plan. The DRRB member shall have no authority to add to, subtract from, modify or disregard the terms of the Combined Plan: and
  - (l) The costs associated with the hearing, including the arbitrator's fees and expenses and the court reporter's fees and expenses, will be paid by the Retirement System.
- (4) If a disability Retiree is determined by the Board to no longer be Totally Disabled, he or she may appeal that determination within seven (7) days thereof by filing a written request with the Board for a re-examination. The Board shall promptly arrange for such re-examination. The Member's disability benefits will be continued pending that final and binding medical finding, and if the finding is that the Member is no longer Totally Disabled, his or her disability benefits will be further continued while the Police or Fire Department conducts such examinations and/or investigations as necessary to determine whether the Member is qualified for reappointment to active duty. In the event that the examinations and/or investigations conducted by the Police Department result in a determination that a Member represented by DPLSA is not qualified, for medical reasons, for reappointment to active duty, disability benefits will be continued.

- (5) The Board shall not act upon or grant the application filed by a Member who, although he or she is not capable of performing the full duties of a Police Employee or Fire Employee, has not suffered any diminishment of his or her base wages or benefits because he or she is either:
  - (a) regularly assigned to a position, the full duties of which he or she is capable of performing; or
  - (b) assigned to a restricted duty position, unless the Member's Department advises that it intends to seek a disability retirement for the Member in the foreseeable future.
- (6) The provisions in paragraph (5) above are not intended to and will not:
  - (a) affect the right of a Member to seek a disability retirement when no restricted duty position is available; or
  - (b) restrict in any way the existing authority of the Chief of Police or the Fire Commissioner to seek a duty or non-duty disability retirement for a Member for that Member at that time to request a duty or non-duty disability retirement.

#### **Sec 5.7. Return of Accumulated Mandatory Contributions to Non-Vested Member**

If a Member ceases employment with the City before becoming eligible for a Retirement Allowance under Section 5.1 or 5.2 or a disability Retirement Allowance pursuant to Section 5.3 or 5.4, the Member may elect to receive distribution of the Accumulated Mandatory Employee Contributions made to the Retirement System by such Member. If a Member elects to receive his Accumulated Mandatory Employee Contributions, such amounts shall be paid to the Member in a lump sum payment or in equal monthly installments for a period not to exceed three years, according to such rules and regulations as the Board may adopt from time to time.

#### **Sec 5.8. Benefits Offset by Compensation Benefits; Subrogation**

- (1) Any amounts which may be paid or payable to a Member, Retiree, or Beneficiary on account of disability or death under the provisions of any Workers' Compensation, pension, or similar law, except federal Social Security old-age and survivors' and disability insurance benefits, shall be an offset against any amounts payable from funds of the Retirement System (Component I and Component II combined) on account of the same disability or death. If the present value of the benefits payable under said Workers' Compensation, pension, or similar law, is less than the Pension Reserve for the Retirement Allowance payable by the Retirement System (under both Component I and Component II), the present value of the said Workers' Compensation, pension, or similar legal benefit shall be deducted from the amounts payable by the Retirement System (under both Component I and Component II), and such amounts as may be provided by the Retirement System, so reduced, shall be payable as provided in this Combined Plan Document.

- (2) In the event a person becomes entitled to a pension payable by the Retirement System because of an accident or injury caused by the act of a third party, the Retirement System shall be subrogated to the rights of said person against such third party to the extent of the benefit which the Retirement System pays or becomes liable to pay.

## **ARTICLE 6. RETIREMENT ALLOWANCE; VARIABLE PENSION IMPROVEMENT FACTOR (ESCALATOR)**

### **Sec 6.1. Retirement Allowance**

The Retirement Allowance payable to a Member commencing at the later of his Normal Retirement Age or his actual retirement from employment with the City in the form of a Straight Life Retirement Allowance shall be equal to two percent (2%) of the Member's Average Final Compensation multiplied by the Member's years (computed to the nearest one-twelfth ( $1/12^{\text{th}}$ ) year) of Credited Service earned after June 30, 2014.

### **Sec 6.2. Variable Pension Improvement Factor (Escalator)**

Except as provided in Section 9.5, beginning July 1, 2015 and effective the first day of each Plan Year thereafter, the Board may determine that the annual Retirement Allowance of a Member shall be increased by a factor of one percent (1.0%), computed each year on the basis of the amount of the original Retirement Allowance received at the time of Retirement ("Pension Improvement Factor (Escalator)"); provided, that the recipient of said Retirement Allowance shall have been receiving a Retirement Allowance for a period of not less than twelve months prior to the first day of such Plan Year. The Pension Improvement Factor (Escalator) shall be compounded.

## ARTICLE 7. DEATH BENEFITS

### Sec 7.1. Accidental Death Benefit; Performance of Duty

- (1) If a Member is killed in the performance of duty in the service of the City, or dies as the result of illness contracted or injuries received while in the performance of duty in the service of the City, and such death, illness, or injury resulting in death, is found by the Board to have resulted from the actual performance of duty in the service of the City, the following benefits shall be paid:
  - (a) the Accumulated Mandatory Employee Contributions standing to his or her credit in the Accumulated Mandatory Employee Contributions Fund at the time of his or her death shall be paid to such person or persons as the Member shall have nominated by written designation duly executed and filed with the Board. If no such designated person survives the Member, the said Accumulated Mandatory Employee Contributions shall be paid to the Member's legal representative, subject to paragraph (e) of this Section 7.1(1).
  - (b) the surviving spouse shall receive a pension of five-elevenths of the Member's Final Compensation payable for the spouse's lifetime. If the Member's child or children under age eighteen years also survive the deceased Member, each such child shall receive a pension of one-tenth of such Final Compensation; provided, that if there are more than two such surviving children under age eighteen years, each such child's pension shall be an equal share of seven thirty-thirds of such Final Compensation. Upon the death, marriage, adoption, or Attainment of Age eighteen years of any such child, his or her pension shall terminate and there shall be a redistribution of the benefit by the Board to the deceased Member's remaining eligible children, if any; provided, that in no case shall any such child's pension exceed one-tenth of the Member's Final Compensation. In no case shall the total of the benefits provided for in this paragraph (b), payable on account of the death of a Member exceed two-thirds of the Member's Final Compensation.
  - (c) if no surviving spouse survives the deceased Member or if the Member's surviving spouse dies before his youngest unmarried surviving child attains Age eighteen years, his unmarried child or children under Age eighteen years shall each receive a pension of one-fourth of the Member's Final Compensation; provided that if there are more than two such surviving children under age eighteen years, each such child's pension shall be an equal share of one-half of such Final Compensation. Upon the death, marriage, adoption, or Attainment of Age eighteen years of any such child, his or her pension shall terminate and there shall be a redistribution by the Board to the deceased Member's remaining eligible children, if any; provided, that in no case shall any such child's pension exceed one-fourth of the Member's Final Compensation.
  - (d) if the Member has no surviving spouse or surviving children under Age eighteen years and if the Member leaves surviving either a father or mother or both, whom the Board shall find to be actually dependent upon such Member for financial

support, such dependent father and mother shall each receive a pension of one-sixth of the Member's Final Compensation.

- (e) If a Member dies intestate, without having designated a person or persons, as provided in paragraph (a) of this Section 7.1(1), and without heirs, the amount of his Accumulated Mandatory Employee Contributions in the Accumulated Mandatory Employee Contribution Fund, not to exceed a reasonable sum, to be determined by the Board, shall be used to pay his burial expenses, provided the Member leaves no other estate sufficient for such purpose. Any balance credited to such Member in the Accumulated Mandatory Employee Contribution Fund, and not used for burial expenses shall remain a part of the funds of the Retirement System and shall be transferred to the Pension Accumulation Fund.

## **Sec 7.2. Non-Duty Death Benefits**

The surviving spouse of any Member who dies while in the employ of the City (other than in the performance of duty) after the date such Member has earned ten or more years of Credited Service, shall receive a Retirement Allowance computed in the same manner in all respects as if said Member had (i) retired effective on the day preceding the Member's death, notwithstanding that the Member had not attained Normal Retirement Age, (ii) elected a Joint and One Hundred Percent Survivor Allowance as described in Section 8.1, and (iii) nominated the surviving spouse as Beneficiary.

## **Sec 7.3. Refund of Accumulated Mandatory Contributions Upon Death of Member**

If a Member who is not covered by Section 7.1 dies while employed by the City or following termination of employment but prior to commencement of a Retirement Allowance, the Member's Accumulated Mandatory Employee Contributions to the Retirement System at the time of death shall be paid to the Beneficiary nominated in a written designation duly executed by the Member and filed with the Board. In the event there is no such designated Beneficiary surviving, the Member's Accumulated Mandatory Employee Contributions shall be paid to the Member's estate. If a Member who dies without a legal will has not nominated a Beneficiary, the Member's Accumulated Mandatory Employee Contributions at the time of death may be used to pay burial expenses if the Member leaves no other estate sufficient for such purpose. Such expenses shall not exceed a reasonable amount as determined by the Board.

## ARTICLE 8. FORMS OF PAYMENT

### Sec 8.1. Retirement Allowance Options

- (1) Until the date the first Retirement Allowance payment check is issued, any Member may elect to receive a Straight Life Retirement Allowance payable throughout life, or the Member may elect to receive the Actuarial Equivalent of the Straight Life Retirement Allowance computed as of the effective date of retirement, in a reduced Retirement Allowance payable throughout life, and nominate a Beneficiary, in accordance with the options set forth below:

If there are no such designated Beneficiaries surviving said Retiree, any such difference shall be paid to the Retiree's estate.
  - (b) *Option Two. Joint and One Hundred Percent Survivor Allowance.* Upon the death of a Retiree who elected a Joint and One Hundred Percent Survivor Allowance, one hundred percent of the Member's reduced Retirement Allowance shall be paid to and continued throughout the life of the Beneficiary nominated by written designation duly executed and filed with the Board prior to the date the first payment of the Retirement Allowance becomes due.
  - (c) *Option "A". Joint and Seventy-Five Percent Survivor Allowance.* Upon the death of a Retiree who elected a Joint and Seventy-Five Percent Survivor Allowance, seventy-five percent of the Member's reduced Retirement Allowance shall be continued throughout the life of and paid to the Beneficiary nominated by written designation duly executed by the Member and filed with the Board prior to the date the first payment of the Retirement Allowance becomes due.

  - (b) *Pop-up Form.* Under the Pop-up Form, the reduced Retirement Allowance shall be paid throughout the lifetime of the Retiree and the designated Beneficiary. In the event of the death of the designated Beneficiary during the lifetime of the Retiree, the amount of the Retirement Allowance payable to the Retiree shall be changed to the amount that would have been payable had the Retiree elected the Straight Life Retirement Allowance Form of Payment.

## **Sec 8.2. Disposition of Surplus Benefits upon Death of Retiree and Beneficiary**

If under a Joint and One Hundred Percent Survivor allowance, a Joint and Seventy-Five Percent Survivor allowance, a Joint and Fifty Percent Survivor allowance or a Joint and Twenty-Five Percent Survivor allowance as provided for under Section 8.1, both a Retiree and Beneficiary die before they have received in Retirement Allowance payments an aggregate amount equal to the Retiree's Accumulated Mandatory Employee Contributions (and if the Retiree makes an election pursuant to Section 10.4(2), his Accumulated Voluntary Employee Contributions) at the time of retirement, the difference between the said Accumulated Mandatory Employee Contributions (and Accumulated Voluntary Employee Contributions, if applicable) and the aggregate amount of Retirement Allowances paid to the Retiree and Beneficiary, shall be paid in a single lump sum to such person or persons nominated by written designation of the Retiree duly executed and filed with the Board. If there is no such person or persons surviving the Retiree and the Beneficiary, any such difference shall be paid to the estate of the Retiree or the Beneficiary, whichever is the last to die.

## **ARTICLE 9. FUNDING AND RESERVES**

### **Sec 9.1. Funding Objective of the Retirement System**

The funding objective of Component I of the Retirement System is to establish and receive City and Member contributions during each Plan Year that are sufficient to fully cover the actuarial cost of benefits anticipated to be paid on account of Credited Service rendered by Members during the Plan Year (the normal cost requirements of the Retirement System), and to amortize the unfunded actuarial costs of benefits likely to be paid on account of Credited Service rendered on or after July 1, 2014 and before the first day of the Plan Year (the unfunded actuarial accrued liability of the Retirement System).

### **Sec 9.2. Funds**

Component I of the Retirement System shall consist of the Accumulated Mandatory Employee Contribution Fund, the Accumulated Voluntary Contribution Fund, the Deferred Retirement Option Program Fund (if applicable), the Medical Benefits Account Fund, the Pension Accumulation Fund, the Rate Stabilization Fund, the Expense Fund and the Income Fund, as follows:

- (1) The Accumulated Mandatory Employee Contribution Fund shall be the Fund in which shall be accumulated the contributions of Members to provide their Retirement Allowances. Upon the retirement, termination, disability or death of a Member with a Retirement Allowance, the Member's Accumulated Mandatory Employee Contributions shall be deemed to be part of the Pension Reserve which shall be used to pay the Member's or Beneficiary's Retirement Allowance.
- (2) The Accumulated Voluntary Employee Contribution Fund shall be the Fund in which shall be accumulated the voluntary after-tax contributions of Members, together with earnings thereon.
- (3) The Deferred Retirement Option Plan Fund shall be the fund in which shall be accumulated the amounts credited to the DROP Accounts of Members who have elected to participate in the DROP Program pursuant to Article 12, together with earnings thereon, provided that the DROP Accounts are held and invested within the Retirement System.
- (4) The Medical Benefits Account Fund shall be the fund in which shall be accumulated the amounts contributed to the Retirement System for the purposes of paying Medical Benefits.
- (5) The Pension Accumulation Fund shall be the fund in which shall be accumulated reserves for the Retirement Allowances and other benefits payable from that portion of the City's annual contribution that is not credited to the Rate Stabilization Fund and amounts transferred to Component I as provided in Section G-2(f) of Component II and from which shall be paid Retirement Allowances and other benefits on account of Members.

- (6) The Rate Stabilization Fund shall be the Fund to which shall be credited City contributions in excess of the amount of the City's contribution which is credited to the Pension Accumulation Fund and amounts transferred to Component I as provided in Section G-2(f) of Component II.
- (7) The Expense Fund shall be the fund to which shall be credited any money provided by the City, if any, to pay the administrative expenses of the Retirement System, and from which shall be paid certain expenses incurred in connection with the administration and operation of the Retirement System.
- (8) The Income Fund shall be the Fund to which shall be credited all interest, dividends, and other income derived from the investments of the assets of Component I of the Retirement System, all gifts and bequests received by Component I of the Retirement System, and all other moneys credited to Component I of the Retirement System, the disposition of which is not specifically provided for in this Article 9. There shall be paid or transferred from the Income Fund, all amounts required to credit earnings and losses to the various Funds of the Retirement System in accordance with the provisions of Component I of this Combined Plan Document. Amounts credited to the Income Fund in excess of amounts needed to credit earnings and losses of the Retirement System as provided in this Component I for any Plan Year shall be transferred to the Pension Accumulation Fund and used to pay Retirement Allowances and other benefits on account of Members.

### **Sec 9.3. Method of Financing Retirement System Benefits**

- (1) The pension liabilities for Members under this Component I shall be determined by the Plan's Actuary using the entry-age normal cost method of actuarial valuation.
- (2) The City's annual contribution to finance the prospective pension liabilities during the nine Plan Year period commencing July 1, 2014 and ending June 30, 2023 shall be (a) eleven and two-tenths percent (11.2%) of the base Compensation of active employees who are members of the DFFA (for pay periods ending on or before the effective date of the 2014-2019 collective bargaining agreement between the City and DFFA) and members of DPOA (for pay periods ending on or before October 3, 2014) and (b) twelve and one-quarter percent (12.25%) of the base Compensation of active employees who are members of the DPCOA, the DPLSA, the DPOA (for pay periods beginning on or after October 3, 2014) and the DFFA (for pay periods beginning on or after the effective date of the 2014-2019 collective bargaining agreement between the City and DFFA). A portion of the City's annual contribution for each Plan Year shall be credited to the Rate Stabilization Fund. The remainder of the City's annual contribution shall be allocated to the Pension Accumulation Fund.
- (3) Except as provided in Section 9.5, for each Plan Year, a Member who was an active employee as of June 30, 2014 ("current active") shall contribute to the Retirement System an amount equal to six percent (6%) of his or her base Compensation for such Plan Year and a Member who is hired or rehired by the City on or after July 1, 2014 ("new employee") shall contribute to the Retirement System an amount equal to eight percent

(8%) of his or her base Compensation for such Plan Year. A Member's Mandatory Employee Contributions for the Plan Year beginning July 1, 2014 and ending June 30, 2015 shall commence as of the Member's first payroll date occurring in August 2014. The officer or officers responsible for processing the payroll shall cause a Member's Mandatory Employee Contributions to be deducted from the Member's Compensation on each and every payroll, for each and every payroll period, from the later of (i) the Member's first payroll date occurring in August 2014 and (ii) the Member's date of hire, to the date he ceases to be a Member. The contribution shall be deducted from the Members' Compensation, notwithstanding that the minimum compensation provided by law for any Member shall be reduced thereby. Payment of compensation, less said Mandatory Employee Contributions, shall be a complete discharge of all claims and demands whatsoever for the services rendered by the said Member during the period covered by such payment. Member Mandatory Employee Contributions will be used for the purpose of funding the normal cost of the Retirement System.

#### **Sec 9.4. Member Contributions Picked-Up**

- (1) The City shall pick up Member Mandatory Employee Contributions required pursuant to Sections 9.3(3) and 9.5 in accordance with Code Section 414(h).
- (2) The picked-up contributions, although designated as employee contributions shall be treated as City contributions for the purpose of determining a Member's tax treatment under the Internal Revenue Code. The City shall pay the contributions picked-up on behalf of a Member from the same source of funds that are used for paying compensation to the Member.
- (3) The City shall pick up Member Mandatory Employee Contributions by a reduction in the Member's cash salary or an offset against a future salary increase, or both. The City shall designate the Mandatory Employee Contributions that are picked-up and paid to the Retirement System as employer contributions and not as employee contributions. No Member who participates in the Retirement System shall have the option of choosing to receive the contributed amounts directly instead of having those amounts paid by the City to the Retirement System.

#### **Sec 9.5. Fiscal Responsibility: Benefit Reductions and Increased Funding Obligations**

- (1) To safeguard the long-term actuarial and financial integrity of the Retirement System, in the event the funding level of Component I of the Retirement System projected over a five year period falls below ninety percent (90%), the Trustee may not award the variable Pension Improvement Factor (Escalator) described in Section 6.2 to any individual beginning with the Plan Year following the Plan Year in which such determination is made and continuing until the funding level is restored to not less than ninety percent (90%).
- (2) In the event the funding level of the Retirement System projected over a five year period falls below ninety percent (90%), the following remedial action shall be required in the order set forth below, beginning with the Plan Year following the Plan Year in which

such determination is made and continuing until the funding level is projected to be one hundred percent (100%) on a market value basis within the next five years:

- (a) the remedial action required in Section 9.5(1) shall be implemented or continued;
  - (b) all amounts credited to the Rate Stabilization Fund shall be transferred to the Pension Accumulation Fund for the purposes of funding benefits payable under the Retirement System;
  - (c) Mandatory Employee Contributions for active and new employees shall be increased by one percent (1%) for up to the next following five Plan Years;
  - (d) Mandatory Employee Contributions for active and new employees shall be increased by an additional one percent (1%) per year;
  - (e) Mandatory Employee Contributions for active and new employees shall be increased by an additional one percent (1%) per year;
  - (f) the Retirement Allowance payable to a Retiree shall not include the variable Pension Improvement Factor (Escalator) that was most recently paid to the Retiree on the date the funding level is projected to fall below ninety percent (90%);
  - (g) the Retirement Allowance payable to a Retiree shall not include the variable Pension Improvement Factor (Escalator) that was most recently added to the Member's Retirement Allowance for the Plan Year preceding the Plan Year referenced in paragraph (f) above;
  - (h) Mandatory Employee Contributions for active and new employees shall be increased by an additional one percent (1%) per year; and
  - (i) contributions made to the Retirement System by the City shall be increased, consistent with applicable actuarial principles and the *Public Employee Retirement System Investment Act, as amended, MCL 38.1132 et seq.*
- (3) For purposes of this Section 9.5, the "funding level" shall mean the ratio of the market value of the assets of Component I of the Retirement System to the actuarial accrued liability of Component I of the Retirement System. The actuarial accrued liability shall be calculated by the Plan's Actuary utilizing an interest rate assumption of six and three-quarters percent (6.75%) and other reasonable assumptions as directed by the Board upon the recommendation of the Investment Committee. The market value of assets shall be determined on the basis of a three-year look back period of smoothed investment returns.

## **ARTICLE 10. VOLUNTARY EMPLOYEE CONTRIBUTIONS**

### **Sec 10.1. Voluntary Employee Contributions; Amount; Vesting**

Subject to procedures established by the Board, a Member who is covered by a collective bargaining agreement with the City that permits the Member to make Voluntary Employee Contributions to Component I of the Retirement System may elect to reduce his Compensation for any Plan Year by a whole percentage not less than one percent (1%) nor more than ten percent (10%) and have such amount contributed by the City to a Voluntary Employee Contribution Account maintained on his behalf under Component I of the Retirement System. A Member represented by the DPOA may elect to reduce the amount paid to him or her by the City for accumulated sick leave in excess of 400 hours by a whole percentage not less than one percent (1%) nor more than one hundred percent (100%) of such amount and have such amount contributed by the City to a Voluntary Employee Contribution Account maintained on his behalf under Component I of the Retirement System. Voluntary Employee Contributions shall be made to the Retirement System on an after-tax basis. Amounts credited to a Member's Voluntary Employee Contribution Account shall be one hundred percent (100%) vested at all times.

### **Sec 10.2. Changing an Election to Contribute**

A Member may change or revoke an election to make Voluntary Employee Contributions to the Retirement System pursuant to this Article 10 in such manner and with such advance notice as the City shall determine. Notwithstanding the foregoing, a Member shall be permitted to change such election not less frequently than annually.

### **Sec 10.3. Individual Member Accounting; Crediting of Earnings**

The Board shall maintain a Voluntary Employee Contribution Account on behalf of each Member who elects to make Voluntary Employee Contributions to the Retirement System. Each Plan Year, a Member's Voluntary Employee Contribution Account shall be credited with earnings at a rate equal to the actual net investment rate of return on the assets of the Retirement System for the second Fiscal Year immediately preceding the Fiscal Year in which the earnings are credited; in no event, however, shall the earnings rate credited to a Member's Voluntary Employee Contribution Account for any Plan Year be less than zero percent (0%) nor greater than five and one-quarter percent (5.25%).

### **Sec 10.4. Distribution of Accumulated Voluntary Employee Contributions**

- (1) If a Member ceases employment with the City other than by reason of death, the Member may elect to receive distribution of the Accumulated Voluntary Employee Contributions made to the Retirement System by such Member. If a Member elects to receive his Accumulated Voluntary Employee Contributions, such amounts shall be paid to the Member in a lump sum payment or in equal monthly installments for a period not to exceed three years, according to such rules and regulations as the Board may adopt from time to time.
- (2) In lieu of receiving distribution of his Accumulated Voluntary Employee Contributions as provided in Section 10.4(1), a Member may elect to have the Actuarial Equivalent

Value of his Accumulated Voluntary Employee Contributions added to his Retirement Allowance and paid in the form of an annuity described in Section 8.1.

- (3) If a Member dies while employed by the City or following termination of employment but prior to receiving distribution of the Member's Accumulated Voluntary Employee Contributions, the amounts credited to the Member's Voluntary Employee Contribution Account at the time of death shall be paid to the Beneficiary nominated in a written designation duly executed by the Member and filed with the Board. In the event there is no such designated Beneficiary surviving, the Member's Accumulated Voluntary Employee Contributions shall be paid to the Member's estate. If a Member who dies without a legal will has not nominated a Beneficiary, the Member's Accumulated Voluntary Employee Contributions at the time of death may be used to pay burial expenses if the Member leaves no other estate sufficient for such purpose. Such expenses shall not exceed a reasonable amount as determined by the Board.

## **ARTICLE 11. LOAN PROGRAM FOR VOLUNTARY EMPLOYEE CONTRIBUTIONS**

### **Sec 11.1. The Loan Program**

A loan program shall be available to Members who have amounts credited to a Voluntary Employee Contributions Account. The Board is authorized to adopt rules and regulations, from time to time, to govern the administration and the operation of the loan program. Copies of the rules shall be made available to eligible Members in the offices of the Retirement System. Any loans granted or renewed under the Retirement System shall be made and administered pursuant to and in compliance with Section 72(p) of the Internal Revenue Code and regulations thereunder.

### **Sec 11.2. Eligibility for Loan**

Subject to the rules and procedures established by the Board, loans may be made to eligible Members from such Member's Voluntary Employee Contribution Account. An eligible Member is any Member who has participated in the Retirement System for twelve (12) months or more. Former Members, spouses and Beneficiaries are not eligible to receive any loans from the Retirement System. No Member shall have more than two (2) outstanding loans from the Retirement System (Component I and/or Component II) at any time. A Member who has previously defaulted on a loan under either Component I or Component II of the Combined Plan shall not be eligible for a loan from the Retirement System.

### **Sec 11.3. Amount of Loan**

An eligible Member who has satisfied applicable rules and procedures established by the Board may borrow from his Voluntary Employee Contribution Account an amount, which does not exceed the lesser of (i) fifty percent (50%) of the Member's Voluntary Employee Contribution Account balance, and (ii) Fifteen Thousand Dollars (\$15,000.00), in each case reduced by the excess, if any, of: (1) the Member's highest outstanding loan balance under the Retirement System (both Component I and Component II) during the one (1) year period ending on the day before the date on which the loan is made, or (2) the outstanding loan balance under the Retirement System (both Component I and Component II) on the date on which the loan is made, whichever is less. The minimum loan amount shall be One Thousand Dollars (\$1,000.00).

### **Sec 11.4. Terms and Conditions**

In addition to such rules and procedures that are established by the Board, all loans shall comply with the following terms and conditions:

- (a) Each loan application shall be made in writing.
- (b) All loans shall be memorialized by a collateral promissory note for the amount of the loan, including interest, payable to the order of the Retirement System and properly executed by the Member.
- (c) Each loan shall be repaid by substantially equal payroll deductions over a period not to exceed five (5) years, or, where the loan is for the purpose of buying a

principal residence, a period not to exceed fifteen (15) years. In no case shall the amount of the payroll deduction be less than Twenty Dollars (\$20.00) for any two-week pay period. A Member receiving a loan will be required to authorize payroll deductions from his compensation in an amount sufficient to repay the loan over its term.

- (d) An amount equal to the principal amount of the loan to a Member (but not more than one half of the Member's vested interest in the Defined Contribution Plans of the Retirement System) will be designated as collateral for guaranteeing the loan.
- (e) Each loan shall bear interest at a rate determined by the Board. The Board shall not discriminate among Members in its determination of interest rates on loans. However, loans initiated at different times may bear different interest rates, where, in the opinion of the Board, the difference in rates is supported by a change in market interest rates or a change in the Retirement System's current assumed rate of return. The loan interest rate shall bear a reasonable relationship to market rates for secured loans of a similar duration and shall bear a reasonable relationship to the costs to the Retirement System of administering the loan. The loan interest rate shall be calculated in a manner that will not negatively affect either the City's costs with respect to the Retirement System or the investment return allocated to Members.
- (f) Loan repayments shall be suspended during a period of military service, as permitted by Section 414(u)(4) of the Internal Revenue Code. A Member who has an outstanding loan balance from the Retirement System who is absent from employment with the City, and who has satisfied the requirements of Section 414(u) of the Internal Revenue Code shall not be required to make loan repayments to the Retirement System during said periods of absence.

#### **Sec 11.5. Loan Balance**

A Member's outstanding loan balance shall be considered a directed investment by the Member and interest payments shall be credited to the Member's Voluntary Employee Contribution Account (provided that the interest credited to the Member's Voluntary Employee Contribution Account shall be reduced appropriately to cover the administrative costs of the loan program and avoid negatively affecting the City's costs or the Retirement System's investment returns), and shall not be part of the Retirement System's net investment income or part of the Member's Voluntary Employee Contribution Account balance for the purpose of allocation of net investment income under the Retirement System.

#### **Sec 11.6. Default**

In the event a Member defaults on a loan before the loan is repaid in full, the unpaid balance thereof will become due and payable and, to the extent that the outstanding amount is not repaid by the end of the calendar quarter which follows the calendar quarter in which the last payment was received, such amount shall be deemed to have been distributed to the Member for tax purposes, consistent with Section 72(p) of the Internal Revenue Code.

### **Sec 11.7. Distribution**

No distribution shall be made to a Member, former Member, spouse or Beneficiary from the Retirement System until all outstanding loan balances and applicable accrued interest have been repaid or offset against amounts distributable to the Member from the Retirement System.

## **ARTICLE 12. DEFERRED RETIREMENT OPTION PLAN (“DROP”) PROGRAM**

### **Sec 12.1. General Provisions**

The following provisions are hereby established as the Deferred Retirement Option Plan (“DROP”) Program under Component I, which shall be available to Members who are covered by collective bargaining agreements with the City that permit such Members to participate in the DROP program and those non-union executives of the Police Department and the Fire Department.

- (1) In lieu of terminating employment and accepting a Retirement Allowance under the Component I, any Member of the Retirement System who is eligible for the DROP program and who is eligible to immediately retire and receive an unreduced Retirement Allowance under Section 5.1 may elect to participate in the DROP program and defer the receipt of his or her Retirement Allowance in accordance with the provisions of this Article 12. Any such election shall be irrevocable.
- (2) A Member shall be entitled to participate in the DROP program under Component I for a maximum of five years. At the end of such five year period of participation in the DROP program, the Member shall be retired from employment.

### **Sec 12.2. Conversion to Retirement Allowance**

Upon the effective date of a Member’s participation in the DROP program, the Member shall cease to accrue a Retirement Allowance pursuant to Section 6.1 and shall elect a form of payment for his Retirement Allowance pursuant to Section 8.1. Seventy-five percent (75%) of the monthly Retirement Allowance (including applicable variable Pension Improvement Factor (Escalator) increases) that would have been payable, had the Member elected to terminate employment with the City on the effective date of his or her DROP election and receive an immediate Retirement Allowance, shall be paid into a DROP Account established on behalf of the Member under the Retirement System or in an entity selected by the Board.

### **Sec 12.3. Investment of DROP Assets**

- (1) ING was previously selected by the Board as the DROP administration and investment entity for Members who elect to participate in the DROP program. ING shall continue to be the DROP administration and investment entity, unless and until such time as the Board terminates the agreement with ING as provided in paragraph (4) or determines that it is administratively feasible for the DROP program to be administered and invested under the Retirement System.
- (2) As soon as possible after July 1, 2014, the Board shall determine whether it is administratively feasible for the DROP program to be administered and the assets in DROP accounts invested under the Retirement System. If the Board determines that it is feasible to administer the DROP program under the Retirement System, the Board shall promptly take appropriate steps to implement such decision.

- (3) If amounts credited to a DROP Account are invested under the Retirement System, such amounts shall be comingled with the assets of the Retirement System for investment purposes and shall be invested by the Trustees. A Member's DROP Account shall be credited with annual earnings at a rate equal to seventy-five percent (75%) of the actual net earnings rate of the assets of the Retirement System; however, in no event shall the earnings rate applied to a Member's DROP Account for any Plan Year be less than zero percent (0%) nor greater than seven and three-quarters percent (7.75%).
- (4) The Board of Trustees entered into an administrative services agreement with ING. Such agreement shall remain in effect until such time as it is terminated by the Board as provided therein.
- (5) The Board of Trustees may replace ING with a trust type vehicle or the Board may determine that amounts subject to a DROP election will be invested with Retirement System assets as provided above.
- (6) Any fees associated with the maintenance of DROP Accounts outside of the Retirement System shall be paid by the Members by means of deduction from their DROP Accounts.

#### **Sec 12.4. Distribution of Amounts Credited to DROP Account**

A Member shall not receive a distribution of amounts credited to his DROP Account prior to his termination of employment with the City. Upon termination of employment, a Member who is a participant in the DROP program shall receive, at his or her option either a lump sum payment from the DROP Account equal to the amount then credited to the DROP Account or an annuity based upon the amount credited to his DROP Account. In addition, one hundred percent (100%) of the Member's monthly Retirement Allowance that otherwise would have been paid upon the Member's retirement had he or she not elected to participate in the DROP program (together with any applicable variable Pension Improvement Factor (Escalator) increases) shall commence to the Member in accordance with the form of payment selected by the Member at the commencement of his or her participation in the DROP program. Termination of employment includes termination of any kind, such as resignation, retirement, discharge or disability.

#### **Sec 12.5. Death of Member While Participating in the DROP Program**

If a Member dies while participating in the DROP program, a lump sum payment equal to the Member's DROP Account balance shall be paid to the Beneficiary named by the Member, or if no Beneficiary has been designated, to the Member's estate. In addition, one hundred percent (100%) of the Member's Retirement Allowance (together with any applicable variable Pension Improvement Factor (Escalator) increases) that would have been paid to the Member but for the Member's decision to participate in the DROP program will be restored. Survivor benefits, if any, shall be paid in accordance with the payment option elected by the deceased Member at the time the Member elected to participate in the DROP program.

#### **Sec 12.6. Disability of Member While Participating in the DROP Program**

If a Member becomes Totally Disabled while participating in the DROP program and while still an Employee and his employment with the City is terminated because he is Totally Disabled, such Member (a) shall be immediately retired and one hundred percent (100%) of the Retirement Allowance) that would have been paid to the Member but for the Member's decision to participate in the DROP program (together with any applicable variable Pension Improvement Factor (Escalator) increases) will commence in accordance with the payment option selected by the Member at the commencement of the Member's participation in the DROP program as provided in Section 12.1(2), and (b) shall be entitled to receive payment of the funds in his DROP Account (in the form of a lump sum or other form of payment described in Section 8.1). Such Member shall not be entitled to disability retirement benefits under Section 5.3 or Section 5.4 hereof.

#### **Sec 12.7. Cost Neutrality**

- (1) The DROP program shall be effective only for as long as it is cost-neutral to the City, provided however, that the DROP program shall continue during the pendency of proceedings, described in paragraph (2) below, designed to restore the Retirement System to cost neutrality.
- (2) If the City contends that the DROP program is not cost-neutral, including, but not limited to, making the City's annual contribution to the Retirement System higher than it would be if the DROP program was not in effect, the Board and the City, along with the Plan Actuary as well as an actuary appointed by the City (who will be an associate or a fellow of the Society of Actuaries and a member of the American Academy of Actuaries) shall meet and confer in good faith regarding the cost. If the Board and the City are unable to reach an agreement as to cost, the matter shall be submitted to a third, independent, actuary, chosen or agreed upon by the Plan Actuary and the City's actuary. This actuary, when rendering a decision, will be limited to ordering implementation of changes necessary to make the DROP program cost-neutral. ## **ARTICLE 13. LIMITATION ON BENEFITS AND CONTRIBUTIONS**

### **Sec 13.1. Compliance With Code Section 415(b) And Regulations**

- (1) Notwithstanding any other provision of this Combined Plan Document, the defined benefit component of the Retirement System shall be administered in compliance with the provisions of Code Section 415(b) and regulations thereunder that are applicable to governmental plans.
- (2) The maximum annual benefit accrued by a Member during a “limitation year” (which shall be the Plan Year) and the maximum annual benefit payable under the Retirement System to a Member at any time within a Plan Year, when expressed as an annual benefit in the form of a straight life annuity (with no ancillary benefits), shall be equal to \$160,000 (as such amount is adjusted pursuant to Code Section 415(d) for such Plan Year).
- (3) Notwithstanding the foregoing:
  - (a) if the benefit under the Retirement System is payable in any form other than a straight life annuity, the determination as to whether the limitation described in Section 13.1(2) has been satisfied shall be made, in accordance with the regulations prescribed by the Secretary of the Treasury, by adjusting such benefit to the Actuarially Equivalent straight life annuity beginning at the same time, in accordance with Section 13.1(9) or (10);
  - (b) if the benefit under the Retirement System commences before Age sixty-two, the determination of whether the limitation set forth in Section 13.1(2) (the “Dollar Limit”) has been satisfied shall be made, in accordance with regulations prescribed by the Secretary of the Treasury, by reducing the Dollar Limit so that the Dollar Limit (as so reduced) is equal to an annual benefit payable in the form of a straight life annuity, commencing when such benefit under the Retirement System commences, which is Actuarially Equivalent to a benefit in the amount of the Dollar Limit commencing at Age sixty-two (adjusted for participation of fewer than 10 years, if applicable); provided, however, if the Retirement System has an immediately commencing straight life annuity commencing both at Age sixty-two and the age of benefit commencement, then the Dollar Limit (as so reduced) shall equal the lesser of (i) the amount determined under this Section 13.1(3)(b) without regard to this proviso, or (ii) the Dollar Limit multiplied by a fraction the numerator of which is the annual amount of the immediately commencing straight life annuity under the Retirement System and the denominator of which is the annual amount of the straight life annuity under the Retirement System, commencing at Age sixty-two; and
  - (c) if the benefit under the Retirement System commences after Age sixty-five, the determination of whether the Dollar Limit has been satisfied shall be made, in accordance with regulations prescribed by the Secretary of the Treasury, by increasing the Dollar Limit so that the Dollar Limit (as so increased) is equal to an

annual benefit payable in the form of a straight life annuity, commencing when the benefit under the Retirement System commences, which is Actuarially Equivalent to a benefit in the amount of the Dollar Limit commencing at Age sixty-five; provided, however, if the Retirement System has an immediately commencing straight life annuity commencing both at Age sixty-five and the Age of benefit commencement, the Dollar Limit (as so increased) shall equal the lesser of (i) the amount determined under this Section 13.1(3)(c) without regard to this proviso, or (ii) the Dollar Limit multiplied by a fraction the numerator of which is the annual amount of the immediately commencing straight life annuity under the Retirement System and the denominator of which is the annual amount of the immediately commencing straight life annuity under the Retirement System, commencing at Age sixty-five.

- (4) The adjustments in Sections 13.1(3)(b) shall not apply to a Member with at least 15 years of Credited Service as a Police Member or a Fire Member within the meaning of Code Section 415(b)(2)(H). In addition, the adjustments in Sections 13.1(3)(b) and 13.1(6) shall not apply to benefits payable on account of the disability or the death of a Member.
- (5) Notwithstanding the foregoing provisions of this Section 13.1, except as provided in Section 13.1(6), the maximum annual benefit specified in Section 13.1(2) above shall not apply to a particular Retirement System benefit if (a) the annual amount of such Retirement System benefit, together with the aggregate annual amount of any other pensions payable with respect to such Member under all other defined benefit plans maintained by the City, does not exceed \$10,000 for the Plan Year or any prior Plan Year, and (b) the Member was not at any time a participant in a Defined Contribution Plan maintained by the City.
- (6) In the case of a Member who has less than ten years of participation in the Retirement System, the limitation set forth in Section 13.1(2) shall be such limitation (without regard to this Section 13.1(6)), multiplied by a fraction, the numerator of which is the number of years of participation in the Retirement System (or parts thereof) credited to the Member and the denominator of which is ten. In the case of a Member who has less than ten years of Vesting Service, the limitations set forth in Paragraph (b) of Section 13.1(2) and in Section 13.1(5) shall be such limitations (determined without regard to this Section 13.1(6)) multiplied by a fraction, the numerator of which is the number of years of Vesting Service, or parts thereof, credited to the Member and the denominator of which is ten. The adjustment in this Section 13.1(6) shall not apply to benefits paid on account of the disability or death of a Member.
- (7) Notwithstanding anything in this Section 13.1 to the contrary, if the annual benefit of a Member who has terminated employment with the City is limited pursuant to the limitations set forth in Section 13.1(2), such annual benefit shall be increased in accordance with the cost-of-living adjustments of Code Section 415(d).
- (8) For purposes of determining actuarial equivalence under Paragraph (b) or (c) of Section 13.1(3), the interest rate assumption shall be five percent (5%) and the mortality table used shall be the applicable mortality table specified by the Board.

- (9) The Actuarially Equivalent straight life annuity for purposes of adjusting any benefit payable in a form to which Code Section 417(e)(3) does not apply, as required by Paragraph (a) of Section 13.1(3), is equal to the greater of (a) the annual amount of the straight life annuity payable under the Retirement System commencing at the same annuity starting date as the form of benefit payable to the Member, or (b) the annual amount of the straight life annuity commencing at the same annuity starting date that has the same actuarial present value as the form of benefit payable to the Member, computed using the interest rate and mortality assumptions set forth in Section 13.1(8).
- (10) The Actuarially Equivalent straight life annuity for purposes of adjusting any benefit payable in a form to which Code Section 417(e)(3) applies, as required by Paragraph (a) of Section 13.1(3), is equal to the greatest of (a) the annual amount of the straight life annuity commencing at the same annuity starting date that has the same Actuarial Equivalent present value as the form of benefit payable to the Member, (b) the annual amount of the straight life annuity commencing at the same annuity starting date that has the same actuarial present value as the form of benefit payable to the Member, computed using a five and one-half percent (5.5%) interest rate assumption and the applicable mortality table specified by the Board, or (c) the annual amount of the straight life annuity commencing at the same annuity starting date that has the same actuarial present value as the form of benefit payable to the Member, computed using the applicable interest rate and the applicable mortality table, both as specified by the Board, divided by 1.05.
- (11) For purposes of applying the limitations set forth in this Section 13.1, all qualified defined benefit plans (whether or not terminated) ever maintained by the City shall be treated as one defined benefit plan.
- (12) For purposes of this Section 13.1, the term “compensation” shall include those items of remuneration specified in Treasury Regulation § 1.415(c)-2(b) and shall exclude those items of remuneration specified in Treasury Regulation § 1.415(c)-2(c), taking into account the timing rules specified in Treasury Regulation § 1.415(c)-2(e), but shall not include any amount in excess of the limitation under Code Section 401(a)(17) in effect for the year. The term “compensation” as defined in the preceding sentence shall include any payments made to a Member by the later of (a) two and one-half months after the date of the Member’s severance from employment with the City or (b) the end of the limitation year that includes the date of the Member’s severance from employment with the City, provided that, absent a severance from employment, such payments would have been paid to the Member while the Member continued in employment with the City and are regular compensation for services performed during the Member’s regular working hours, compensation for services outside the Member’s regular working hours (such as overtime or shift differential pay), commissions, bonuses or other similar compensation.
- (13) This Section 13.1 shall be administered in conformity with the regulations issued by the Secretary of the Treasury interpreting Code Section 415 including, but not limited to those interpreting Section 415(b)(2)(H), and any regulation providing for the “grandfathering” of any benefit accrued prior to the effective date of such regulations or statutory provision.

### **Sec 17.4. Limitation on Contributions**

At all times the aggregate of the contributions made by the City to provide Medical Benefits shall not exceed twenty-five percent (25%) of the sum of the aggregate contributions made by the City to the Plan under Sections 9.3 and 9.5, other than the contributions to fund past service credits, plus the aggregate contributions to the Medical Benefits Account. In the event that a contribution under Section 17.3 shall exceed the amount described in the preceding sentence, such contribution shall be reduced by the excess amount.

### **Sec 17.5. Impossibility of Diversion**

In no event, prior to the satisfaction of all liabilities to provide Medical Benefits shall the Medical Benefits Account be used for, or diverted to, any purpose other than the payment of such benefits and any necessary or appropriate expenses of administration associated therewith. Any amounts credited to the Medical Benefits Account following the satisfaction of all such liabilities shall be returned to the City.

#### **Sec 17.6. Administration**

The Medical Plans shall continue to be administered, and claims processed, under their respective terms. Notwithstanding, the interpretation and administration of the terms of this Article 17 shall be pursuant to the provisions of the Combined Plan document.

#### **Sec 17.7. Right to Amend or Terminate Medical Plans**

The City expressly reserves the exclusive right, retroactively to the extent permitted by law, to amend, modify, change, terminate or revoke any medical or other welfare plan or policy maintained by the City that provides medical or other welfare benefits, including but not limited to Medical Benefits, and to require Members, former Members, their eligible spouses and dependents to pay all or any portion of the cost of such medical benefits.

#### **Sec 17.8. Reversion**

At any time prior to the satisfaction of all liabilities under the Retirement System to provide Medical Benefits, no part of the Medical Benefits Account may be used for any purpose other than providing Medical Benefits, and any necessary or appropriate expenses attributable to the administration of the Medical Benefits Account. If any residual assets remain in the Medical Benefits Account after the satisfaction of all obligations of the City to provide Medical Benefits to the Medical Beneficiaries, such assets shall be returned to the City. In the event a Medical Beneficiary's interest in the Medical Benefits Account is forfeited prior to the termination of the Retirement System, an amount equal to such forfeiture shall be applied as soon as possible to reduce the City's contributions.

#### **Sec 17.9. Limitation of Rights**

A Medical Beneficiary shall have no right, title or claim in any specific asset of the Medical Benefits Account, but shall have the right only to the Medical Benefits provided from time to time under the Medical Benefits Account.

## **ARTICLE 18. MISCELLANEOUS**

### **Sec 18.1. Nonduplication of Benefits**

If any Member is a participant in another defined benefit pension plan, retirement system or annuity plan sponsored by the City (including Component II of this Retirement System) and the Member is or becomes entitled to accrue pension benefits under such plan or retirement system (including Component II of this Retirement System) with respect to any period of service for which he is entitled to accrue a benefit under Component I of this Retirement System, such Member shall not be eligible to accrue or receive payment of a benefit under Component I with respect to such period of service.

### **Sec 18.2. Assignments Prohibited**

The right of a person to a pension, annuity, the return of Accumulated Voluntary Employee Contributions and/or the return of Accumulated Mandatory Employee Contributions, the Retirement Allowance itself, to any optional form of benefit, to any other right accrued or accruing to any person under the provisions of this Retirement System, and the monies in the various funds of the Retirement System shall not be assignable and shall not be subject to execution, garnishment, attachment, the operation of bankruptcy or insolvency law, or any other process of law whatsoever, except as specifically provided in this Combined Plan Document or by an eligible domestic relations order of a lawful court.

### **Sec 18.3. Protection Against Fraud**

A person who, with intent to deceive, makes any statements or reports required under this Retirement System that are untrue, or who falsifies or permits to be falsified any record or records of this Retirement System, or who otherwise violates, with intent to deceive, any terms or provisions of the Retirement System, shall be subject to prosecution under applicable law.

### **Sec 18.4. Conviction of Felony; Forfeiture of Rights**

If a Member or Beneficiary shall be convicted by a court of competent jurisdiction of a felony or high misdemeanor involving moral turpitude committed during active Service, the Board shall have the power to order the forfeiture of all rights of the Member or Beneficiary to benefits hereunder, except the return of the Member's Accumulated Mandatory Employee Contributions and Accumulated Voluntary Employee Contributions.

### **Sec 18.5. Amendment; Termination; Exclusive Benefit**

The City reserves the right to amend the Combined Plan document created hereunder at any time; such amendments may include termination of the Retirement System; provided, however, that following the effective date of the Plan of Adjustment, no amendment other than amendments permitted under the terms of the Plan of Adjustment (including amendments contemplated in Section K-4(5) of Component II) may be made to the terms, conditions and rules of operation of the Combined Plan or any successors plan or trust that govern the calculation of pension benefits, nor may any amendment or termination deprive any Member, former Member or Beneficiary of any then vested benefit under the Retirement System, except as provided in the

Plan of Adjustment. Notwithstanding the foregoing, the City and the Board have the authority to amend the Combined Plan document as necessary to retain the tax qualified status of the Retirement System under the Internal Revenue Code. The City shall make no amendment or amendments to the Retirement System which causes any part of the assets of the Retirement System to be used for, or diverted to, any purpose other than the exclusive benefit of Members, former Members or their Beneficiaries; provided, that the City may make any amendment necessary, with or without retroactive effect, to comply with applicable federal law. Any amendment of the Retirement System by the City must be approved by the Council or a person standing in the stead of the Council.

Upon termination of the Retirement System or upon complete discontinuance of contributions to the Retirement System, the rights of all Members to benefits accrued to the date of such termination or discontinuance, to the extent then funded, shall be nonforfeitable.

#### **Sec 18.6. Forfeitures Not to Increase Benefits**

Any forfeitures arising under the Retirement System due to a Member's termination of employment or death, or for any other reason, shall be used to pay expenses of the Retirement System and shall not be applied to increase the benefits any Member would otherwise receive under the Retirement System at any time prior to termination of the Retirement System.

#### **Sec 18.7. Required Distributions - Compliance with Code Section 401(a)(9) and Regulations**

The Retirement System will apply the minimum distribution requirements of Code Section 401(a)(9) in accordance with the final regulations issued thereunder, notwithstanding any provision in the Combined Plan document to the contrary. Pursuant to Code Section 401(a)(9)(A)(ii), a Member's interest must begin to be distributed by the later of (i) the April 1 of the calendar year following the calendar year that he attains the Age of seventy and one-half (70-1/2), or (ii) April 1 of the calendar year following the year in which he retires. Distributions will be made in accordance with Regulations Sections 1.401(a)(9)-2 through 1.401(a)(9)-9. The provisions of this Section 18.7 and the regulations cited herein and incorporated by reference override any inconsistent plan distribution options.

#### **Sec 18.8. Direct Rollovers**

- (1) For purposes of compliance with Code Section 401(a)(31), a distributee may elect, at the time and in the manner prescribed by the Board, to have any portion of an eligible rollover distribution paid directly to an eligible retirement plan specified by the distributee in a direct rollover.
  - (a) For purposes of this Section 18.8, the following terms shall have the following meanings:
  - (b) "*Direct rollover*" means a payment by the Retirement System to an eligible retirement plan specified by a distributee.

- (c) “*Distributee*” means a Member or former Member. It also includes the Member’s or former Member’s surviving spouse, a spouse or former spouse who is the alternate payee under an eligible domestic relations order, or a nonspouse beneficiary who is a designated beneficiary as defined by Code Section 401(a)(9)(E). However, a nonspouse beneficiary may only make a direct rollover to an individual retirement account or individual retirement annuity established for the purpose of receiving the distribution, and the account or annuity will be treated as an “inherited” individual retirement account or annuity.
- (d) “*Eligible retirement plan*” means any of the following that accepts a distributee’s eligible rollover distribution:
  - (i) a qualified trust described in Code Section 401(a);
  - (ii) an annuity plan described in Code Section 403(a);
  - (iii) an annuity contract described in Code Section 403(b);
  - (iv) an individual retirement account described in Code Section 408(a);
  - (v) an individual retirement annuity described in Code Section 408(b);
  - (vi) a Roth IRA described in Code Section 408A; or
  - (vii) a plan eligible under Code Section 457(b) that is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or a political subdivision of a state that agrees to separately account for amounts transferred into that plan from the Retirement System.
- (e) “*Eligible rollover distribution*” means any distribution of all or any portion of the balance to the credit of a distributee under the Retirement System, except that an eligible rollover distribution does not include: any distribution that is one of a series of substantially equal periodic payments (not less frequently than annually) made for the life (or the life expectancy) of the distributee or the joint lives (or joint life expectancies) of the distributee and the distributee’s designated beneficiary, or for a specified period of ten years or more; any distribution to the extent such distribution is required under Code Section 401(a)(9); the portion of any distribution that is not includible in gross income; and any other distribution which the Internal Revenue Service does not consider eligible for rollover treatment, such as any distribution that is reasonably expected to total less than \$200 during the year. Notwithstanding the foregoing, a portion of a distribution will not fail to be an “eligible rollover distribution” merely because the portion consists of after-tax contributions that are not includible in Member’s gross income upon distribution from the Retirement System. However, such portion may be transferred only (i) to an individual retirement account or annuity described in Code Section 408(a) or (b) or to a qualified defined contribution plan described in Code Section 401(a) that agrees to separately account for amounts so transferred (and earnings thereon), including separately accounting for the portion

of the distribution that is includible in gross income and the portion of the distribution that is not so includible; (ii) to a qualified defined benefit plan described in Code Section 401(a) or to an annuity contract described in Code Section 403(b) that agrees to separately account for amounts so transferred (and earnings thereon), including separately accounting for the portion of the distribution that is includible in gross income and the portion of the distribution that is not so includible; or (iii) to a Roth IRA described in Code Section 408A.

#### **Sec 18.9. Construction**

Words in the singular should be read and construed as though used in the plural, and words in the plural should be read and construed as though used in the singular, where appropriate. The words “hereof”, “herein”, and “hereunder” and other similar compounds of the word “here”, shall mean and refer to Component I of this Combined Plan document and not to any particular provision or section thereof. The table of contents, article and section headings are included for convenience of reference, and are not intended to add to, or subtract from, the terms of the Combined Plan document or the Retirement System created hereunder.

#### **Sec 18.10. Severability**

If any section or part of a section of this Combined Plan document or provision relating to the Retirement System is for any reason held to be invalid or unconstitutional, such holding shall not be construed as affecting the validity of the remaining sections of the Combined Plan document or Retirement System or of the Combined Plan document or Retirement System in its entirety.

## **ARTICLE B. FREEZE OF GENERAL RETIREMENT SYSTEM AS OF JUNE 30, 2014**

### **Sec. B-1. Freeze of Eligibility and Benefits Under General Retirement System**

Notwithstanding anything in Articles I, II, III, or IV of Chapter 47 of the 1984 Detroit City Code or this Combined Plan for the General Retirement System of the City of Detroit, Michigan to the contrary, effective as of June 30, 2014 (the “Freeze Date”):

- (a) No new employee hired by an Employer on or after July 1, 2014 shall become a Member who is eligible to accrue a benefit under the terms of the General Retirement System in effect as of the Freeze Date;
- (b) No employee who is rehired by an Employer on or after July 1, 2014 shall become a Member who is eligible to accrue either a benefit or service credit for any purpose under the terms of the General Retirement System in effect as of the Freeze Date; provided, however, that a Member who is entitled to a Frozen Accrued Benefit as defined in subsection (c) of this Section B-1 and who is rehired by an Employer on or after July 1, 2014 but prior to the date the Member incurs a six-year break in service shall be eligible to accrue service credit following rehire solely for the purpose of determining the Member’s vesting in and eligibility for payment of his Frozen Accrued Benefit;
- (c) Benefit accruals for Members with respect to service rendered prior to July 1, 2014 will be frozen based on a Member’s years of service, Average Final Compensation, and the pension multiplier formulae in effect as of such Freeze Date under the terms of the General Retirement System (“Frozen Accrued Benefit”);
- (d) Except as otherwise provided in subsection (e) of this Section B-1, compensation of a Member shall be frozen effective as of the Freeze Date for purposes of determining the Member’s Frozen Accrued Benefit. No compensation of any type earned by a Member after the Freeze Date shall be taken into consideration for purposes of determining the Member’s Frozen Accrued Benefit under the General Retirement System;
- (e) Any Member who, as of June 30, 2014, would have been eligible to elect to use a portion of his unused accrued sick leave to increase his Average Final Compensation (“Sick Leave Rollover”) if the Member had been eligible to retire and had elected to retire as of June 30, 2014, shall have a one-time election (“Special Election”) to add the value of twenty-five percent (25%) of the Member’s unused sick leave accrued for purposes of the Sick Leave Rollover in accordance with the terms of the applicable collective bargaining agreement, City Employment Terms or Detroit Code of Ordinance to the earnings used in computing Average Final Compensation for purposes of determining the Member’s Frozen Accrued Benefit; provided, however, that at least twenty-five percent (25%) of the Member’s sick leave accrued for purposes of the Sick Leave Rollover in accordance with the terms of the applicable collective bargaining agreement, City Employment Terms or Detroit Code of Ordinance remains in the Member’s sick leave bank at the time the completed Special Election form is received by the Retirement System and, provided further that the completed Special Election form is received by the Retirement System no later than August 22, 2014 or, if later, the date set forth in a collective bargaining

agreement between the City and a union whose members are eligible to make a Special Election. A Member's Special Election shall be made in the manner set forth by the Board of Trustees and the Retirement System. A Member may revoke a Special Election, as long as such revocation occurs on or before the latest date upon which such Member is permitted to make a Special Election. Notwithstanding anything in this subsection (e) to the contrary, a Member's Special Election will be void and the determination of the Member's Average Final Compensation for purposes of calculating the Member's Frozen Accrued Benefit will not take into account any of the Member's unused sick leave, if (i) the electing Member would not have been eligible to receive an immediate service retirement if he retired as of June 30, 2014, and (ii) the electing Member's employment with an Employer is terminated before the electing Member becomes eligible for an immediate service retirement under the Retirement System;

- (f) Service earned after the Freeze Date shall be credited to a Member solely for purposes of determining the Member's vesting in and eligibility for payment of his or her Frozen Accrued Benefit. Service credit for all Members for benefit accrual purposes under the terms of the General Retirement System in effect as of the Freeze Date shall be frozen effective as of the Freeze Date and no Member shall earn service credit with respect to benefits payable under the terms of the General Retirement System in effect as of the Freeze Date (except for vesting and benefit payment eligibility purposes) after the Freeze Date; and
- (g) No Member shall make contributions to the Annuity Savings Fund under the General Retirement System in effect as of June 30, 2014 with respect to wages earned on or after the earliest date following June 30, 2014 that the City's payroll department can implement the freeze. All after tax contributions made on or after the date referenced in the preceding sentence shall be made to and in accordance with the terms of Component I of the Combined Plan.

The foregoing terms shall be referred to as the "Freeze" of the provisions of the General Retirement System as in effect on the Freeze Date and the provisions of Articles I, II, III, or IV of Chapter 47 of the 1984 Detroit City Code and this Component II of the Combined Plan shall be interpreted and construed by the Board of Trustees and the Retirement System to give full effect to the Freeze. To the extent that a conflict arises between this Section B-1, the provisions in Chapter 47, or any collective bargaining agreement or other document governing the terms of employment of any employee, the Board of Trustees and the Retirement System are directed to interpret any inconsistency or ambiguity to give full effect to the Freeze.

## ARTICLE C. DEFINITIONS

### Sec. C-1. Definitions

Unless a different meaning is plainly required by context, for purposes of this Component II the following words and phrases have the meanings respectively ascribed to them by this Section C-1:

- (1) *Accrued Service* means a Member's credited service for employment rendered before July 1, 2014.
- (2) *Accumulated Contributions* means the sum of all amounts deducted from the compensation of a Member and credited to the Member's individual account in the Annuity Savings Fund, together with regular interest thereon.
- (3) *Annuity* means the portion of the retirement allowance which is paid for by a Member's accumulated contributions.
- (4) *Annuity Reserve* means the present value of all payments to be made on account of any annuity or benefit in lieu of any annuity. Such annuity reserve shall be computed upon the basis of such mortality tables and regular interest as shall be adopted by the Board.
- (5) *Average Final Compensation* means:
  - a. On or before June 30, 1992. For those Members who retired or separated from active service with vested pension rights on or before June 30, 1992, the highest average compensation received by a Member during any period of five consecutive years of credited service selected by the Member from the ten years of credited service which immediately preceded the date of the Member's last termination of City employment. If a Member has less than five years of credited service, the Average Final Compensation shall be the average of the annual compensation received during the Member's total years of credited service.
  - b. On or after July 1, 1992 but before July 1, 1998. For those Members who retired or separated from active service with vested pension rights on or after July 1, 1992 but before July 1, 1998, the highest average compensation received by a Member during any period of four consecutive years of credited service during the ten years of credited service which immediately preceded the date of the Member's last termination of City employment. If a Member has less than four years of credited service, the Average Final Compensation shall be the average of the annual compensation received during the Member's total years of credited service.
  - c. On or after July 1, 1998. For those Members who retire or separate from active service with vested pension rights on or after July 1, 1998, the

highest average compensation received by a Member during any period of three consecutive years of credited service during ten years of credited service which immediately precede the date of the Member's last termination of City employment. If a Member has less than three years of credited service, the Average Final Compensation shall be the average of the annual compensation received during the Member's total years of credited service.

- d. Sick Leave Election. For those nonunion Members with a regular or early service retirement who retire on or after July 1, 1999, in computing the highest average compensation received by a Member, the Member shall have the option of adding the value of twenty-five percent (25%) of the Member's unused accrued sick leave at the time of retirement to the earnings used in computing the Average Final Compensation. Bargaining unit members who retire on or after July 1, 1999 and prior to July 1, 2014 shall have the Unused Sick Leave On Retirement benefit provided for in the applicable bargaining agreement. For any Member choosing to exercise this option, the lump sum payment the Member will receive will be the remaining value of the unused accrued sick leave bank as provided in the bargaining agreement.

(6) *Beneficiary* means any person or persons (designated by a Member pursuant to procedures established by the Board) who are entitled to receive a retirement allowance or pension payable from funds of the General Retirement System due to the participation of a Member.

(7) *Compensation* means:

For those Members retired or separated from active service with vested pension rights, on or before June 30, 1992, all remuneration, excluding longevity payments, paid to a Member because of personal services rendered by the Member to the Employer. Compensation in excess of the limitations set forth in Section 401(a)(17) of the Internal Revenue Code shall be disregarded.
- b. On or after July 1, 1992. For those Members who retire on or after July 1, 1992, all remuneration, including longevity payments, paid to a Member because of personal services rendered by the Member to the Employer. Upon reaching eligibility for Service Retirement, he or she shall receive a pension as provided in Sections E-4(b)-(e) of this Component II of the Combined Plan, together with an annuity which shall be the equivalent of the annuity which would have been received had contributions to the Annuity Savings Fund continued. Said contributions are to be based on the final compensation at the date of duty disability and the annuity percentage in effect for the employee on the July first prior to the effective date on which the employee is added to the disability retirement payroll, provided said July first is at least six months prior to the effective date that the employee is added to the regular retirement payroll. In computing the pension, membership service credit shall be given for the period a Duty Disability Retirement Allowance is received. The Disability Retirement Allowance shall consist of:
  - (i) Cash Refund Annuity which shall be the actuarial equivalent of the Member's accumulated contributions in the Annuity Savings Fund at the time of retirement. If a retiree dies before receipt of annuity payments in an aggregate amount equal to, but not exceeding, the retiree's accumulated contributions, the difference between the accumulated contributions and the aggregate amount of annuity payments received shall be paid in a single lump sum to such person or persons nominated by written designation duly executed and filed with the Board. If there is no such designated person surviving the retiree, such difference shall be paid to the retiree's estate.
  - (ii) In addition to the Annuity, a Disability Pension of sixty-six and two-thirds percent (66-2/3%) of the Member's Average Final Compensation at the time of duty disability, subject to the provisions of Sections E-12 and E-13 of this Component II of the Combined Plan. This Disability Pension shall in no event exceed fifty-seven hundred dollars (\$5,700.00) per annum.

- (iii) For Members who retired on disability on or after January 1, 1999 or on or after July 1, 2012 for members of the Emergency Medical Service Officers Association and Police Officers Association of Michigan bargaining units, in addition to the Annuity, a Disability Pension of sixty-six and two-thirds percent (66-2/3%) of the Member's average compensation at the time of duty disability, subject to the provisions of Sections E-12 and E-13 of this Component II of the Combined Plan. This Disability Pension shall in no event exceed nine thousand dollars (\$9,000.00) per annum.
- (c) *Non-Duty Disability; Eligibility.* Upon the application of a Member or the Member's department head, a Member who has at least ten years of credited service who becomes totally and permanently incapacitated for duty as a result of causes which do not occur in the actual performance of duty to the employer, may be retired by the Board if the IME certifies to the Board after examination that such Member is mentally or physically totally incapacitated for the further performance of duty, that such incapacity is likely to be permanent, and that such Member should be retired.
- (d) *Non-Duty Disability; Benefits.* Upon retirement for non-duty disability as provided in Section E-5(c) of this Component II of the Combined Plan, a Member shall receive the following benefits:
  - (1) After attaining sixty years of age, a Member shall receive a Service Retirement Allowance as provided in Section E-4 of this Component II of the Combined Plan and shall have the right to elect an Option as provided in Section E-8 of this Component II.
  - (2) Prior to age sixty, a Member shall receive benefits as provided in Section E-5(d)(2)(i)-(iv) of this Component II of the Combined Plan:
    - i. A Cash Refund Annuity which shall be the actuarial equivalent of the Member's accumulated contributions in the Annuity Savings Fund at the time of retirement. In the event a retiree dies before the total of the Cash Refund Annuity payments received equals or exceeds the amount of his or her accumulated contributions at the time of retirement, the remainder shall be paid in a single lump sum to such person or persons nominated by written designation duly executed by the Member and filed with the Board. If there is no such designated person or persons surviving, any such remainder shall be paid to the retiree's estate.
    - ii. In addition to the Annuity, a Disability Pension which shall be based on the Service Retirement factors in effect on the effective date of disability. The service retirement factors shall be multiplied by the Average Final Annual Compensation multiplied by the number of years and fractions of years of service credited to the retiree. In addition, a basic pension of twelve dollars (\$12.00) per annum for a maximum of ten years of credited service shall be added for a total not to exceed one hundred twenty dollars (\$120.00) and adjustments thereto, as calculated pursuant to applicable

provisions of this Component II of the Combined Plan. Said Disability Pension shall begin as of the date of the disability. However, in no case shall the Disability Pension begin more than six months before the date the application for disability retirement was filed with the Board, or prior to the date his or her name last appeared on a City payroll with pay, whichever is later. Payment of the Disability Pension shall continue to age sixty. Said Disability Pension shall not exceed thirty-nine hundred dollars (\$3,900.00) per annum, and shall be subject to the provisions of Sections E-12 and E-13 of this Component II of the Combined Plan.

- iii. A Member who retired on disability on or after January 1, 1999 shall receive a Disability Pension as provided for in Section E-5(d)(2)(ii) of this Component II of the Combined Plan. Said Disability Pension shall not exceed six thousand dollars (\$6,000.00) per annum, and shall be subject to the provisions of Sections E-12 and E-13 of this Component II of the Combined Plan.

- v. Upon Attaining Age Sixty, the retiree shall receive a Pension computed according to the provisions of Section E-4(b)-(e) of this Component II of the Combined Plan; provided, that no service credit shall be given for the time a Disability Pension provided for in Section E-5(d)(2)(ii) of this Component II of the Combined Plan was received. Upon attaining age sixty, the retiree shall have the right to make an election under Section E-8 of this Component II of the Combined Plan.

#### **Sec. E-6. Accidental Death Benefit; Performance of Duty**

If a Member is killed in the performance of duty in the service of the employer, or dies as the result of illness contracted or injuries received while in the performance of duty in the service of the employer, and such death, illness, or injuries resulting in death, is found by the Board to have resulted from the actual performance of duty in the service of the employer, the following benefits shall be paid, subject to Section E-12 of this Component II of the Combined Plan:

- (a) *Annuity Savings Fund.* Accumulated savings in the Member's Annuity Savings Fund at the time of death shall be paid in a single lump sum to such person or persons as the Member nominated in a writing duly executed and filed with the Board. In the event there is no designated person or persons surviving the Member, the accumulated contributions shall be paid to the Member's estate.

- (b) *A Pension* of one-third of the final compensation of said Member shall be paid to the surviving Spouse to continue until remarriage. If an unmarried child, or children under age eighteen also survive the deceased Member, each surviving child shall receive a pension of one-fourth of said final compensation, to be divided equally. Upon any such child's adoption, marriage, attainment of age eighteen, or death, whichever occurs first, such child's pension shall terminate and there shall be a redistribution by the Board to the surviving eligible children under age eighteen. In no event shall any child receive a pension of more than one-fourth of said final compensation.
- (c) *No Surviving Spouse; Children.* If there is no surviving Spouse, or if such surviving Spouse dies or remarries before the youngest surviving child of a deceased Member shall have attained the age of eighteen, any unmarried child or children under age eighteen, if any, shall receive a Pension equal to one-fourth of the deceased Member's final compensation; provided, that if there are more than two such surviving children, each shall receive a pension of an equal share of one-half of said final compensation. Upon any such child's adoption, marriage, attainment of age eighteen, or death, whichever occurs first, the child's Pension shall terminate and there shall be a redistribution by the Board to the surviving eligible children under age eighteen. In no case shall any such child's Pension be more than one-fourth of the deceased Member's final compensation.
- (d) *Annual Limit.* The total amount payable under Section E-6(b) and (c) of this Component II of the Combined Plan on account of the death of a Member, shall not exceed nine thousand dollars (\$9,000.00) per annum.
- (e) *Dependent Father and/or Mother.* If the deceased Member has no surviving Spouse or children eligible for a Pension under this section, a Pension equal to one-sixth of the deceased Member's final compensation shall be paid to the Member's surviving dependent father and/or mother; provided that in no case shall either parent's Pension exceed fifty dollars (\$50.00) per month. Payment to a dependent parent or parents shall be contingent upon a finding by the Board of Trustees after investigation that such parent or parents were actually dependent upon said deceased Member through a lack of earning power resulting from physical or mental disability.
- (f) *Section E-12 of Component II of the Combined Plan Applicable.* The benefits provided in Section E-6 of this Component II shall be subject to Section E-12 of this Component II.

#### **Sec. E-7. Accumulated Contributions; Return of 1973 Defined Contribution Plan Amount**

- (a) *Cessation of Employment.*
  - (1) If a Member ceases to be an employee of the employer before becoming eligible for a Pension paid out of City contributions to the Retirement System, such Member shall be paid all or part of the Member's Annuity Savings Fund, being the 1973 Defined Contribution Plan amount, as the Member shall demand by written application filed with the Board.

- (2) Except as otherwise provided in this Article, upon the death of a Member, the Member's Annuity Savings Fund shall be paid to such person or persons nominated in a written designation duly executed by the Member and filed with the Board. In the event there is no such designated person or persons surviving, the Member's said accumulated contributions shall be paid to the Member's estate.
  - (3) If a Member who dies without a legal will is not survived by a Spouse and has not nominated a beneficiary as provided in Section E-7(a)(2) of this Component II, the Member's accumulated Annuity Savings Fund contributions at the time of death may be used to pay burial expenses, if the Member leaves no other estate sufficient for such purpose. Such expenses shall not exceed a reasonable amount as determined by the Board.
  - (4) Accumulated contributions to be returned as provided in this section may be paid in equal monthly installments for a period not to exceed three years, according to such rules and regulations as the Board may adopt from time to time. After a Member ceases to be a Member, any balance in the Annuity Savings Fund which is unclaimed by the said Member or the Member's heirs, shall remain a part of the funds of the Retirement System and shall be transferred to the Pension Accumulation Fund.
- (b) *One-Time Withdrawal; Twenty-Five Years.* Prior to the receipt of the first retirement benefit check, an employee with twenty-five or more years of service shall be allowed to withdraw either a partial or full amount of his or her accumulated contributions, one time only.
  - (c) *One-Time Withdrawal; Duty and Non-Duty Disability Retirees.* Duty and non-duty disability retirees shall be allowed to withdraw either a partial or full amount of their accumulated contributions, one time only.
  - (d) *One-Time Withdrawal.* Withdrawal by a Member under either (b) or (c) of this Section E-7 constitutes the one time withdrawal allowed.

#### **Sec. E-8. Retirement Allowance Options**

- (a) *Election by Member.* Until the earlier of the first time a retirement allowance payment check is cashed, or six months after the first payment check is issued, but not thereafter, any Member may elect to receive a Straight Life Retirement Allowance payable throughout life, or the Member may elect to receive the actuarial equivalent of the Straight Life Retirement Allowance computed as of the effective date of retirement, in a reduced retirement allowance payable throughout life, with the exception that there will be no reduction in the benefits received pursuant to Section E-4(e) of this Component II of the Combined Plan, and nominate a beneficiary to receive benefits following the Member's death, in accordance with the options set forth below:

*Option One. Cash Refund Annuity.* If a retiree who elected a Cash Refund Annuity dies before payment of the annuity portion of the reduced retirement allowance has been

received in an aggregate amount equal to, but not exceeding the retiree's accumulated contributions in the Annuity Savings Fund at the time of retirement, the difference between said accumulated contributions and the aggregate amount of annuity payments already received, shall be paid in a single lump sum to such person or person nominated by written designation duly executed by the Member and filed with the Board. If no such designated person or persons survive the retiree, any such difference shall be paid to the retiree's estate.

*Option Two. Joint and One Hundred Percent Survivor Allowance.* Upon the death of a retiree who elected a Joint and One Hundred Percent Survivor Allowance, one hundred percent of the reduced retirement allowance shall be paid to and continued throughout the life of the person nominated by written designation duly executed and filed with the Board prior to the date the first payment of the retirement allowance becomes due.

*Option "A". Joint and Seventy-Five Percent Survivor Allowance.* Upon the death of a retiree who elected a Joint and Seventy-Five Percent Survivor Allowance, seventy-five percent of the reduced retirement allowance shall be continued throughout the life of and paid to the person nominated by written designation duly executed by the Member and filed with the Board prior to the date the first payment of the retirement allowance becomes due.

*Option Three. Joint and Fifty Percent Survivor Allowance.* Upon the death of a retiree who elected a Joint and Fifty Percent Survivor Allowance, fifty percent of the reduced retirement allowance shall be continued throughout the life of and paid to the person nominated by written designation duly executed by the Member and filed with the Board prior to the date the first payment of the retirement allowance becomes due.

*Option "B". Joint and Twenty-Five Percent Survivor Allowance.* Upon the death of a retiree who elected a Joint and Twenty-Five Percent Survivor Allowance, twenty-five percent of the reduced retirement allowance shall be paid throughout the life of the person nominated by written designation duly executed and filed with the Board prior to the date the first payment of the retirement allowance becomes due.

- (b) *Joint and Survivor Optional Forms of Payment.* The Joint and Survivor Optional Forms of Payment provided under Section E-8(a) of this Component II of the Combined Plan shall be made available in either the standard form or the pop-up form, as follows:
- (1) *Standard Form.* Under the Standard Form, the reduced retirement allowance shall be paid throughout the lifetime of the retiree.
  - (2) *Pop-up Form.* Under the Pop-up Form, the reduced allowance shall be paid throughout the lifetime of the retiree and the designated beneficiary. In the event of the death of the designated beneficiary during the lifetime of the retiree, the amount of the allowance shall be changed to the amount that would have been payable had the retiree elected the Straight Life Retirement Allowance form of payment.

- (c) *Coordination of Benefits.* According to such rules and regulations as the Board shall adopt, until the first payment of a retirement allowance becomes due, but not thereafter, a Member under age sixty-five may elect to have the Member's Straight Life Retirement Allowance provided for in Section E-4 of this Component II of the Combined Plan equated on an actuarial equivalent basis to provide an increased retirement allowance payable to age sixty-two or age sixty-five, and to provide a decreased retirement allowance thereafter. The increased retirement allowance payable to such age shall approximate the total of the decreased retirement allowance payable thereafter and the estimated social security benefit. If a Member elects to receive increased and then decreased retirement allowance payments provided for in this paragraph, he or she may also elect to have such payments reduced by electing one of the optional forms of payment provided for in paragraph (a) of this section. This coordination of benefits option shall not create any additional actuarial costs.

#### **Sec. E-9. Benefits for Surviving Spouses; Generally**

- (a) The surviving Spouse of any Member who dies while in the employ of the City or in the employ of a second governmental unit as provided in Section E-14 of this Component II after the date such Member either (1) has earned twenty years of credited service regardless of age, or (2) has earned eight years of credited service and has attained age sixty-five, or (3) has earned ten or more years of credited service and has attained age sixty, shall receive a retirement allowance. The Spouse's retirement allowance shall be computed according to Section E-4 of this Component II of the Combined Plan in the same manner in all respects as if the said Member had retired effective the day preceding the Member's death, notwithstanding that the Member had not attained age sixty, elected a Joint and One Hundred Percent Survivor Allowance as provided for in Section E-8 of this Component II, and nominated the surviving Spouse as beneficiary. No payments shall be made under this Section E-9 on account of the death of a Member if any benefits are paid under Section E-6 of this Component II. If an Employee dies with twenty (20) years of service and without a surviving Spouse, dependent children shall be paid a total of nine thousand dollars (\$9,000.00) per year which shall be divided equally among all eligible dependent children until the youngest child reaches age nineteen, or for life, if a child is permanently physically or mentally impaired and such impairment occurred prior to the child's attainment of age nineteen. There shall be no retirement escalator for this payment.
- (b) In addition to in-service death benefits which existed prior to July 1, 1998 for Members with twenty or more years of service, if a Member dies on or after July 1, 1998 or such later date as provided in a collective bargaining agreement, after having attained fifteen or more but less than twenty years of creditable service at any age below sixty, the surviving Spouse will be paid a Fifty Percent Joint and Survivor benefit. If there is no eligible surviving Spouse, dependent children shall be paid a total of six thousand dollars (\$6,000.00) which shall be divided equally among all eligible dependent children until the youngest child reaches age nineteen, or for life if a child is permanently physically or mentally impaired.

#### **Sec. E-10. Benefits for Surviving Spouses; Disability Retirees**

The surviving Spouse of a disability retiree who retired under the provisions of Section E-5 of this Component II of the Combined Plan and who died before the age of sixty shall receive a retirement allowance computed in the same manner as if the disability retiree had been a Member who became eligible for death benefits under Section E-9 of Component II of the Combined Plan, provided the disability retiree had earned fifteen or more years of credited service. In the case of a non-duty disability retiree, credited service shall be determined on the effective date of the non-duty disability retirement. In the case of a duty disability retiree, credited service shall be determined on the date of death of the disability retiree assuming City employment had continued until the date of death.

#### **Sec. E-11. Disposition of Surplus Benefits upon Death of Retiree and Beneficiary**

If under a Joint and One Hundred Percent Survivor allowance, a Joint and Seventy-Five Percent Survivor allowance, a Joint and Fifty Percent Survivor allowance, or a Joint Twenty-Five Percent Survivor allowance as provided for under Section E-8 of this Component II of the Combined Plan, both a retiree and beneficiary die before they have received in retirement allowance payments, an aggregate amount equal to the retiree's accumulated contributions in the Annuity Savings Fund at the time of retirement, less withdrawals, the difference between the said accumulated contributions and the said aggregate amount of retirement allowances paid the retiree and beneficiary, shall be paid in a single lump sum to such person or persons nominated by written designation of the retiree duly executed and filed with the Board. If there are no person or persons surviving retiree and beneficiary, any such difference shall be paid to the retiree's estate.

#### **Sec. E-12. Pensions Offset by Compensation Benefits; Subrogation**

- (a) Generally. Any amounts which may be paid or payable to a Member, retiree, or to the dependents of a Member or retiree on account of any disability or death under the provisions of any Workers' Compensation, pension, or similar law, except federal Social Security old-age and survivors' and disability insurance benefits, shall be offset against any pensions payable from funds of the Retirement System on account of the same disability or death. If the present value of the benefits payable under said Workers' Compensation, pension, or similar law, is less than the Pension Reserve for said pension payable by the Retirement System, the present value of the said Workers' Compensation, pension, or similar legal benefit shall be deducted from the Pension Reserve, and such pensions as may be provided by the Pension Reserve so reduced shall be payable as provided in this Article E.
- (b) The City's right of subrogation. In the event a person becomes entitled to a pension payable by the Retirement System because of an accident or injury caused by the act of a third party, the City shall be subrogated to the rights of said person against such third party to the extent of the benefit which the City or the Retirement System pays or becomes liable to pay.

#### **Sec. E-13. Disability Retirees; Reexamination; Authority of the Board**

- (a) *Medical examination.* At least once each year during the first five years following the retirement of a Member with a Disability Retirement Allowance or Disability Pension, and at least once in every three year period thereafter, the Board may, and upon the retiree's application shall, require that any disability retiree who has not attained age sixty undergo a medical examination, to be made by, or under the direction of, the Medical Director. Should any such disability retiree who has not attained age sixty refuse to submit to at least one such medical examination in any such period, the retiree's retirement allowance or pension may be discontinued by the Board until withdrawal of such refusal. Should such refusal continue for one year, all of the disability retiree's rights in and to the Pension portion of the Retirement Allowance may be revoked by the Board. If upon such examination of a disability retiree, the Medical Director reports that the retiree is physically able and capable of resuming employment, and such report is concurred in by the Board, the retiree shall be restored to active service with the City and the Disability Retirement Allowance shall terminate.
- (b) *Other employment.* If such disability retiree is or becomes engaged in a gainful occupation, business, or employment paying more than the difference between the retiree's Disability Retirement Allowance and final compensation, the Pension portion of the Disability Retirement Allowance shall be reduced by the amount of such difference. If the amount of the earnings changes, the Pension may be adjusted accordingly.
- (c) *Reinstatement to active service.* A disability retiree who has been, or shall be, reinstated to active service in the employ of the City as provided in this Section, shall again become a Member of the Retirement System. All credited service at the time of the retirement shall be restored to full force and effect and a duty disability retiree shall be given membership service credit for the period said retiree was out of service due to such duty disability.

#### **Sec. E-14. Transfer of Department or Department Functions; Generally**

In the event a function or functions of a City Department or the Department itself is transferred to the federal or state government, or to a political subdivision of the State of Michigan (second governmental unit), a Member of the Retirement System whose employment is transferred from the City to the second governmental unit shall be entitled to a retirement allowance payable by the Retirement System subject to the following conditions:

- (a) *Employment within sixty days of transfer.* The employee enters the employment of the second governmental unit within sixty days from and after the effective date of the transfer of the function or functions of a City Department or the Department itself to the second governmental unit.
- (b) *Credited service combined; ten year minimum.* The employee's credited service as a Member of the Retirement System plus any credited service acquired in the employ of the second governmental unit totals at least ten years.
- (c) *Retirement; second governmental unit.* If the employee retires from employment with the second governmental unit on account of age and service, the employee's Retirement

Allowance shall be computed in accordance with Section E-3(b) or Section E-4 of this Component II of the Combined Plan, whichever is applicable. If the employee retires from employment in the second governmental unit because of total and permanent disability arising from non-service connected causes, the Retirement Allowance shall be computed in accordance with Section E-5(d) of this Component II of the Combined Plan. In computing the Retirement Allowance, the basic pension shall not exceed twelve dollars (\$12.00) per year for a maximum of ten years for a total amount to not exceed one hundred twenty dollars (\$120.00), and the membership service pension shall be based only upon City-credited service existing at the time of transfer. In determining the Average Final Compensation defined in Section C-1 of this Component II of the Combined Plan, the compensation received as an employee of the second governmental unit shall be regarded as compensation paid by the City. If the employee leaves the employ of the second governmental unit with a deferred retirement allowance, no City retirement allowance shall be paid unless the employee has met the requirements of Section E-3(d)(1) of this Component II of the Combined Plan. Notwithstanding the foregoing, effective as of the Freeze Date, for purposes of calculating a Retirement Allowance for a Member whose employment was transferred prior to July 1, 2014 from the City to a second governmental unit, Average Final Compensation for the transferred Member shall be compensation received by such transferred Member prior to July 1, 2014 as an employee of the second governmental unit.

- (d) *Allowance starting date.* The retirement allowance shall begin upon retirement from the employment of the second governmental unit, but in no event prior to the date the employee would have become eligible for retirement had the employee continued in City employment. If retirement is because of total and permanent disability arising from non-service-connected causes, the retirement allowance shall begin upon the approval of retirement by the Board.

#### **Sec. E-15. Pension Improvement Factor (Escalator)**

- (a) *Increase of pension.* On or after July 1, 1992 and prior to the effective date of the Plan of Adjustment, effective as of the first day of July of each year, the pension portion of any Retirement Allowance or Duty Death Benefit which is paid or payable under this Article shall be increased by a factor of two and one quarter percent (2.25%), computed on the basis of the amount of the original pension received at the time of retirement, including, if applicable, any supplemental pensions provided under this Article; provided, that the recipient of said pension shall have been on the retirement rolls at least one year prior to said July first date. If the recipient has been on the retirement payroll less than one year prior to said July first date, the amount of the increase shall be prorated accordingly.
- (b) *Payment.* Except as provided in paragraph (c) below, the pension improvement factor of two and one quarter percent (2.25%) provided for in Section E-15(a) of this Component II, shall be payable notwithstanding any Retirement Allowance or pension amount limitation provisions in this Article to the contrary.
- (c) After the effective date of the City Employment Terms between the City of Detroit and Police Officers Association of Michigan presented to the union on July 18, 2012,

employees represented by the union will no longer receive the two and one-quarter percent (2.25%) per annum escalation.

- (d) Effective April 1, 2013, the post-retirement escalator factor for all service after that date shall be eliminated for any employee who is a member of the American Federation of State, County and Municipal Employees, AFL-CIO Local 2920.

**Sec. E-16. Adoption of Rates of Interest; Limitations on Payments By Retirement System; Transfer of Investment Returns in Excess of Crediting Rate**

- (a) The Retirement System and the Board of Trustees shall not make any payment to active or retired Members other than payments that are required by the Retirement System as established by this Combined Plan to govern the Retirement System or the Plan of Adjustment. This prohibition applies to all payments that are not authorized by this Combined Plan, whether such payments are those commonly referred to as a "thirteenth check" or by any other name.
- (b) The Retirement System and the Board of Trustees shall not provide any savings plan, annuity plan, or other Member investment or savings vehicle that provides an annual return to investing Members which in any year is greater than the actual investment return net of expenses of the Retirement System's invested reserves for the year in which the return is earned and accrued, provided that such return shall neither be greater than the assumed annual return as expressed in the Retirement System's valuation for that year nor less than zero. This prohibition shall apply to all annual returns credited to accounts of investing Members in the Annuity Savings Fund of the 1973 Defined Contribution Plan from the effective date of Ordinance 37-11 to June 30, 2013. Notwithstanding anything in this Section E-16 to the contrary, effective for Plan Years beginning on and after July 1, 2013, the annual rate of return credited to a Member's account in the Annuity Savings Fund of the 1973 Defined Contribution Plan shall be no less than zero and no greater than the lesser of (i) 5.25% or (ii) the actual investment return net of expenses of the Retirement System's invested reserves for the second Plan Year immediately preceding the Plan Year in which the annual return is credited.
- (c) In any Plan Year during the period beginning on or after July 1, 2014 and ending June 30, 2023 in which the annual rate of return credited to the accounts of Members investing in the Annuity Savings Fund as provided in paragraph (b) is less than the actual rate of return net of expenses of the Retirement System's invested assets for the second Plan Year immediately preceding the Plan Year in which the annual rate of return is credited ("ASF Return Excess"), an amount equal to the value of the ASF Return Excess shall be transferred to the Pension Accumulation Fund maintained under Component I of the Combined Plan and shall be used to fund the Transition Cost relating to Component I. The Transition Cost is a measure of the liability that Component I of the Retirement System has at its inception; due to the fact that at its inception, Members in Component I of the Retirement System receive vesting and eligibility credit under Component I for service that was earned prior to July 1, 2014 and is otherwise credited to Members under Component II of the Retirement System, as such Transition Cost is calculated by the Plan Actuary. In the event there is an ASF Return Excess for a Plan Year following the Plan

Year in which such transfers have fully funded the Transition Costs relating to Component I, fifty percent (50%) of such ASF Return Excess shall be transferred to the Pension Accumulation Fund maintained under Component II and the remaining fifty percent (50%) of such ASF Return Excess shall be transferred to Component I and credited to the Rate Stabilization Fund maintained under Component I. "Transition Cost" shall be determined by the Plan Actuary.

#### **Sec. E-17. Funds**

The 1973 Defined Benefit/Defined Contribution (Annuity) Plan shall consist of the Annuity Savings Fund, the Annuity Reserve Fund, the Pension Accumulation Fund, the Pension Reserve Fund, and the Income Fund.

#### **Sec. E-18. Method of Financing**

(a) *Annuity Savings Fund of the 1973 Defined Contribution Plan.*

- (1) The Annuity Savings Fund of the 1973 Defined Contribution Plan shall be the fund in which shall be accumulated at regular interest, in accordance with the limitations that are contained in Section E-16 of this Component II of the Combined Plan, the contributions of Members made prior to the first payroll date occurring in August 2014 to provide their annuities. At the election of the Member, the amount of the basic contribution of a Member to the Retirement System prior to the first payroll date occurring in August 2014 were zero percent (0%), three percent (3%), five percent (5%), or seven percent (7%) of annual compensation. If a Member elected three percent (3%), his or her contribution shall be that amount which is subject to taxation under the provisions of the *Federal Insurance Contribution Act, 26 USC 3101 et seq. (Act)*, plus five percent (5%) of the portion of annual compensation, if any, which exceeds the amount subject to taxation under that *Act*.
- (2) The contribution rate elected by the Member under Section E-18(a)(1) of this Component II of the Combined Plan were deducted from the Member's compensation notwithstanding that the minimum compensation provided by law for any Member were reduced thereby. Payment of compensation, less said deductions, constituted a complete discharge of all claims and demands whatsoever for the services rendered by the said Member during the period covered by such payment, except as to benefits provided under this Article E.
- (3) Upon retirement of a Member with a Retirement Allowance, the Member's accumulated contributions shall be transferred from the Annuity Savings Fund to the Annuity Reserve Fund, refunded to the Member, or a combination thereof.

(b) *Annuity Reserve Fund.* The Annuity Reserve Fund shall be the fund, from which all annuities and benefits in lieu of annuities payable as provided in this Article E, shall be paid. If a disability retiree is reinstated to active City service, the retiree's Annuity Reserve at that time shall be transferred from the Annuity Reserve Fund to the Annuity Savings Fund and credited to his or her individual account therein.

- (c) *Pension Accumulation Fund.* The Pension Accumulation Fund shall be the fund in which shall be accumulated reserves for the pensions and other benefits payable from the contributions made by the City, including various departments thereof, the Detroit Public Library, and certain third parties pursuant to the Plan of Adjustment and from which shall be paid pensions and other benefits on account of Members with prior service credit, and transfers as provided in this Section E-18. Contributions to the Pension Accumulation Fund from the effective date of the Plan of Adjustment through Fiscal Year 2023, shall be made only in the amounts and from the sources identified in the Plan of Adjustment.

For Fiscal Years beginning after June 30, 2023, contributions to fund pension benefits (adjusted as provided in the Plan of Adjustment) shall be made as follows:

- (1) Certain amounts shall be contributed by certain third parties as provided in the Plan of Adjustment.
  - (2) The City's annual contribution shall be calculated by the Actuary as provided in Section E-19.
  - (3) Upon the retirement of a Member without prior service credit, or upon a Member's death in the performance of duty, the Pension Reserve Fund for the pension or pensions to be paid on the Member's account shall be transferred from the Pension Accumulation Fund to the Pension Reserve Fund.
  - (4) Upon the basis of such mortality and other tables of experience and interest as the Board shall adopt from time to time consistent with Section 1.16(d) of Component I, the Actuary shall compute annually the pension reserve liabilities for pension benefits being paid to retirees and beneficiaries.
  - (5) On an annual basis, the Board shall ascertain and report to the Mayor and the Council the amount of City contributions due to the Retirement System. The Council shall appropriate and the City shall pay such contributions during the appropriate Fiscal Year. When paid, such contributions shall be credited to the Pension Accumulation Fund.
  - (6) If the amount appropriated by the City and paid to the Retirement System for any Fiscal Year is insufficient to make the transfers and pay the pensions, as adjusted in the Plan of Adjustment, from the Pension Accumulation Fund as provided in this Section E-18, the amount of such insufficiency shall be provided by the appropriating authorities of the City.
- (d) *Accrued Liability Fund.* Pursuant to *Ordinance No. 5-05*, which authorized the creation of the Detroit General Retirement Service Corporation, the City previously entered into a transaction (the "Pension Funding Transaction") to obtain funds as an alternative to those available through the traditional funding mechanism described above in Subsection (c). The proceeds generated by the Pension Funding Transaction (or any Additional Pension Funding Transactions, as described below) that were deposited into the System are termed the "Funding Proceeds." The Funding Proceeds were deposited into a new fund in the System to be called the Accrued Liability Fund. The purpose of the Funding

Proceeds was to fund all or part of the heretofore unfunded actuarial accrued liability (“UAAL”) of the Retirement System, as determined as of a date certain, that is, the “Determination Date,” pursuant to the Retirement System’s actuarial valuation as of that date. The Funding Proceeds are assets of the Retirement System and will be applied, together with all other assets of the Retirement System, to fund the Retirement System’s obligation to pay pension benefits, as adjusted in the Plan of Adjustment.

This Accrued Liability Fund shall contain only the Funding Proceeds of this Pension Funding Transaction, and any earnings thereon. Prior to Fiscal Year 2013, funds were transferred each Fiscal Year (or monthly portion thereof) from the Accrued Liability Fund to the Pension Accumulation Fund as provided in *Chapter 47 of the 1984 Detroit City Code* and *Ordinance No. 5-05*.

As soon as practicable following the effective date of the Plan of Adjustment, any amounts remaining credited to the Accrued Liability Fund shall be transferred to the Pension Accumulation Fund and the Accrued Liability Fund shall cease to exist.

- (e) *Pension Reserve Fund.* The Pension Reserve Fund shall be the fund from which pensions shall be paid to retirees and beneficiaries. Should a disability retiree be reinstated to active service, the retiree’s Pension Reserve at that time, shall be transferred from the Pension Reserve Fund to the Pension Accumulation Fund.
- (f) *Expense Fund.* The Expense Fund shall be the fund to which shall be credited all money provided by the City to pay the administrative expenses of the Retirement System, and from which shall be paid all the expenses necessary in connection with the administration and operation of the Retirement System.
- (g) *Income Fund.* The Income Fund shall be the Fund to which shall be credited all interest, dividends, and other income derived from the investments of the Retirement System (other than those derived from the investments credited to any Accrued Liability Fund), all gifts and bequests received by the Retirement System, and all other moneys the disposition of which is not specifically provided for in this Article E. There shall be paid or transferred from the Income Fund, all amounts required to credit regular interest to the various Funds of the Retirement System, except for the Accrued Liability Fund which is to be credited with interest, dividends and other earnings pursuant to Section E-18(d)(2) of this Component II of the Combined Plan in accordance with the limitations that are contained in Section E-18 of this Component II of the Combined Plan.
- (h) *Maintenance of Reserves.*
  - (1) The maintenance of proper reserves in the various Funds of the Retirement System except the Expense Fund are hereby made obligations of the Pension Accumulation Fund.
  - (2) City contributions to the Retirement System to the extent necessary to provide pensions on account of Members who are employees of a revenue-supported division of the City shall be made from the revenues of the said division. Any City contribution to the Retirement System from any Fund by law with a certain

and definite purpose shall, at the direction of the Finance Director, be accounted for separately.

#### **Sec. E-19. Determination of City's Annual Contribution**

- (a) For the period ending June 30, 2023, the City shall make only those contributions to the Retirement System as are set forth in the Plan of Adjustment.
- (b) For Fiscal Years beginning on and after July 1, 2023, the annuity and pension reserve liabilities for Members, retirees, and beneficiaries, shall be actuarially evaluated as set forth in this Article for each division as is accounted for separately pursuant to Section E-18(h)(2) of this Component II of the Combined Plan.

(1) *Pension Liabilities.*

- a. The pension liabilities for Members shall be determined by the Actuary using reasonable and appropriate actuarial assumptions approved by the Board and the Investment Committee.
- b. The City's annual contribution to finance any unfunded accrued pension liabilities, expressed as a percentage of active employees' compensation, shall be determined by amortizing such unfunded accrued pension liabilities as a level percentage of such compensation over a period or periods of future years as established by the Board and approved by the Investment Committee.

- (2) *Pension Accumulation Fund.* Based upon the provisions of this Article E including any amendments, the Board shall compute the City's annual contributions to the Retirement System, expressed as a percentage of active Member compensation each Fiscal Year, using actuarial valuation data as of the June thirtieth date which date is a year and a day before the first day of such Fiscal Year. The Board shall report to the Mayor and Council the contribution percentages so computed. Such contribution percentages shall be used in determining the contribution dollars to be appropriated by Council and paid to the Retirement System. Such contribution dollars shall be determined by multiplying the applicable contribution percentage for such Fiscal Year by the Member compensation paid for such Fiscal Year. Such contribution dollars for each Fiscal Year shall be paid to the Retirement System in such Fiscal Year in a manner to be agreed upon from time to time by the Board and the City, provided, for any Fiscal Year for which an agreement has not been reached before the first day of such Fiscal Year, such contribution dollars shall be paid in equal monthly installments at the end of each calendar month in such Fiscal Year.

## **ARTICLE F. PARTICIPANT LOAN PROGRAM**

### **Sec. F-1. Established.**

Any loans granted or renewed shall be made pursuant to a Participant Loan Program which shall conform with the requirements of Section 72(p) of the Internal Revenue Code. Such loan program shall be established in writing by the Board of Trustees, and must include, but need not be limited to the following:

- (1) The identity of the administrator of the Participant Loan Program;
- (2) A procedure to apply for loans, the amount of loan that will be approved or denied, and limitations, if any, on the types and amount of loans offered;
- (3) The procedures under the program for determining a reasonable rate of interest; and
- (4) The events constituting default and the steps that will be taken to preserve plan assets.

### **Sec. F-2. The Loan Program.**

- (1) This Loan Program shall be contained in a separate written document copies of which shall be made available in the offices of the Retirement System for prospective participants in the Loan Program. The Board of Trustees is authorized to adopt rules and regulations, from time to time, to govern the administration and the operation of this program. Copies of the rules shall also be made available to prospective Members in the offices of the Retirement System; and
- (2) All collective bargaining agreements which accept the terms of this section are specifically agreeing to be subject to the Board's authority to modify or amend the Participant Loan Program from time to time, including during the effective terms of the applicable labor agreement and no such modification or amendment shall be deemed a violation of said labor agreement and no grievance or other form of action shall be effective to overturn or alter the Board's decision.

### **Sec. F-3. Eligibility.**

Subject to rules and procedures established by the Board, loans will initially be made only to non-union Members of the Retirement System. Union employees will be eligible when their respective bargaining unit has accepted the Loan Program. Former Members, spouses of Members, and beneficiaries are not eligible to receive any loans from the Retirement System. Subject to rules and procedures established by the Board, a Member who has been in the Combined Plan for twelve (12) months or more is eligible to apply for a loan under this Component II. No Member shall have more than two outstanding loans from the Retirement System (Component I and/or Component II) at any time. A Member who has previously defaulted on a loan (under either Component I or Component II) shall not be eligible for a loan from the Retirement System.

#### **Sec. F-4. Amount of Loan.**

A Member who has satisfied applicable rules and procedures may borrow from his or her account an amount, which does not exceed fifty percent (50%) of the Member's vested accumulated balance, or ten thousand dollars (\$10,000.00) reduced by the excess, if any, of: 1) the highest outstanding balance of loans from the Retirement System (both Component I and Component II) during the one (1) year period ending on the day before the date on which the loan is made, or 2) the outstanding balance of loans from the Retirement System (both Component I and Component II) on the date on which the loan is made, whichever is less. The minimum loan amount shall be one thousand dollars (\$1,000.00).

#### **Sec. F-5. Terms and Conditions.**

In addition to such rules and procedures that are established by the Board, all loans shall comply with the following terms and conditions:

- (1) Loan applications shall be in writing;
- (2) Loans shall be repaid by equal payroll deductions over a period not to exceed five (5) years, or, where the loan is for the purpose of buying a principal residence, a period not to exceed fifteen (15) years. In no case shall the amount of the payroll deduction be less than twenty dollars (\$20.00) for any two-week period;
- (3) Each loan shall be made against the assignment of the Member's entire right, title, and interest in and to the Retirement System, supported by the Member's collateral promissory note for the amount of the loan, including interest payable to the order of the Board of Trustees;
- (4) Each loan shall bear interest at a rate determined by the Board. The Board shall not discriminate among Members in its determination of interest rates on loans. Loans initiated at different times may bear different interest rates, where, in the opinion of the Board, the difference in rates is supported by a change in market interest rates or a change in the Retirement System's current assumed rate of return. The loan interest rate shall bear a reasonable relationship to market rates for secured loans of a similar duration and shall bear a reasonable relationship to the costs to the Retirement System of administering the Combined Plan. The loan interest rate shall be calculated in a manner that will not negatively affect the Employers' costs with respect to the Retirement System or the investment return allocated to Members;
- (5) Loan repayments shall be suspended under this plan as permitted by Section 414(u)(4) of the Internal Revenue Code. A participant who has an outstanding loan balance from the plan who is absent from employment with the employer, and who has satisfied the requirements of Section 414(u) of the Internal Revenue Code shall not be required to make loan repayments to the Retirement System during said periods of absence.

**Sec. F-6. Renewal of Loan.**

Any loans granted or renewed shall be made pursuant to the Participant Loan Program and Section 72(p) of the Internal Revenue Code and the regulations thereunder.

**Sec. F-7. Loan Balance.**

A Member's outstanding loan balance shall be considered a directed investment by the Member and interest payments shall be credited to the Member's account balance, and shall not be part of net investment income or part of the Member's account balance for the purpose of allocation of net investment income under the Retirement System.

**Sec. F-8. Distributions.**

No distributions shall be made to a Member, former Member, or beneficiary until all loan balances drawn on the applicable vested accumulated balance and applicable accrued interest have been liquidated.

**Sec. F-9. Annual Report.**

The Retirement System shall include, in its annual report to all Members, an accounting of the Loan Program established by this Article F, which contains the number and amount of loans made under this Component II, the costs of administering the Loan Program under Component II, the amount of payments made including interest received by Component II of the Retirement System, the amount of loans outstanding, including any defaults or delinquencies, and an evaluation as to whether the interest charged in that Fiscal Year covered the costs of administering the Loan Program maintained under this Component II.

## ARTICLE G. SPECIAL PLAN OF ADJUSTMENT PROVISIONS

### Sec. G-1. Benefit Changes Implemented Pursuant to the Terms of the Plan Of Adjustment

Notwithstanding anything in Articles A, C, D or E of Component II to the contrary, as of the effective date of the Plan of Adjustment and during the period that ends no earlier than June 30, 2023, the following provisions to comply with the terms of the Plan of Adjustment shall be implemented:

- (1) *Reduction in monthly pension payments.*
  - a. For a retiree or a surviving beneficiary who is receiving a monthly pension benefit as of the effective date of the Plan of Adjustment, as soon as practicable following such effective date such retiree's or surviving beneficiary's monthly pension benefit will be reduced to an amount that is equal to 95.5% of the monthly pension benefit being paid to such retiree or surviving beneficiary as of the date immediately preceding the effective date of the Plan of Adjustment ("Adjusted Accrued Benefit"); provided, however, that the Board and the Investment Committee shall determine on the effective date of the Plan of Adjustment and not less frequently than annually thereafter that the "Funding Conditions" as defined herein have been satisfied, and in the event that such Funding Conditions have not been satisfied then such retiree's or surviving beneficiary's Adjusted Accrued Benefit will be reduced in proportion to the funding which is not received by the Retirement System but not below an amount that is equal to 73% of the monthly pension benefit being paid to such retiree or surviving beneficiary as of the date immediately preceding the effective date of the Plan of Adjustment.
  - b. The Frozen Accrued Benefit that will be paid as a monthly Retirement Allowance upon the retirement or death of an active employee Member or a vested former employee Member on or after the Effective Date, will be reduced to an amount that is equal to 95.5% of the monthly pension benefit that would otherwise have been paid to the active employee or vested former employee under the terms of this Component II of the Combined Plan without taking into account this Section G-1 ("Adjusted Deferred Accrued Benefit"); provided, however, that the Board and the Investment Committee shall determine on an annual basis that the "Funding Conditions" as defined herein have been satisfied, and in the event such Funding Conditions have not been satisfied then such active employee Member's or vested former employee Member's Adjusted Accrued Benefit will be reduced in proportion to the funding which is not received by the Retirement System but not below an amount that is equal to 73% of the monthly pension benefit that would otherwise have been paid to the active employee or vested former employee under the terms of this Component II of the Combined Plan without taking into account this Section G-1.

- c. *Cap on Benefit Reductions for Certain Retirees.* With respect to any retiree or surviving beneficiary receiving monthly pension benefits from the Retirement System as of June 30, 2014, such retiree's or surviving beneficiary's Adjusted Accrued Benefit, as further reduced to take into account any ASF Recoupment under Section G-2, shall not be less than 80% of the monthly pension benefit being paid to such retiree or surviving beneficiary as of the date immediately preceding the Effective Date.

For purposes of this Sec. G-1, the term "Funding Conditions" shall mean that (i) Class 10 and Class 11 voted in favor of the Plan of Adjustment in accordance with the procedures for such vote under the Plan of Adjustment, (ii) the Plan of Adjustment is confirmed by the U.S. Bankruptcy Court, and (iii) the funds that are pledged to be contributed to the Retirement System pursuant to the terms of the State Contribution Agreement and the DIA Settlement Documents have been received.

- (2) *Elimination of Pension Improvement Factor.* For all pension benefits payable after the Effective Date, the Pension Improvement Factor (Escalator) that will be applied to the monthly Adjusted Accrued Benefit or Adjusted Deferred Accrued Benefit of a Member, retiree, surviving beneficiary or vested former employee will be equal to 0%.
- (3) *Recoupment of Excess Returns on Annuity Savings Fund Account.* The terms of Section G-2 Annuity Savings Fund Recoupment shall apply to the Annuity Savings Fund account of Members, retirees and vested former employees as provided in Section G-2.
- (4) *Future Disability Pensions Eliminated.* The Duty Disability Retirement Allowance and Non-Duty Disability Retirement Allowance are eliminated with respect to Members who become disabled on or after July 1, 2014.
- (5) *Effect of Payment Default.* In the event that all or a portion of the funds pledged to be contributed to the Retirement System pursuant to the terms of the DIA Settlement Agreement are not received by the Retirement System, the Board shall automatically reduce the monthly pension benefits payable to Members, retirees, surviving beneficiaries, and former employees to the extent of such default.

## **Sec. G-2. Annuity Savings Fund Recoupment**

Notwithstanding anything in Articles A, B, C, D or E to the contrary, upon the effective date of the Plan of Adjustment, Members, retirees or vested former employees who were identified by the City as a Class 11 Holder under the Plan of Adjustment and who participated in the Annuity Savings Fund ("ASF") at any time during the period that began on July 1, 2003 and ended on June 30, 2013 ("ASF Recalculation Period") are subject to the following provisions:

- (1) *Recoupment from Members, retirees and vested former employees who maintain an Annuity Savings Fund account ("ASF account") as of the Effective Date.* For each Member, retiree or vested former employee who maintains an ASF account

in the Retirement System as of the effective date of the Plan of Adjustment, such individual's ASF account balance will be reduced by such individual's Annuity Savings Fund Excess Amount, as determined by the City in accordance with this Section G-2 (1).

- a. For a Member, retiree or former vested employee who did not receive any distribution or loan from such individual's ASF account during the ASF Recalculation Period, the Annuity Savings Fund Excess Amount means the difference between the value of such individual's ASF account as recalculated using the Actual Return (as defined in paragraph (3) below) and the actual value of such individual's ASF account as of June 30, 2013; provided, however, that an individual's Annuity Savings Fund Excess Amount shall not exceed 20% of the highest value of such individual's ASF account balance (including any unpaid loan balance relating to the ASF account) during the ASF Recalculation Period.
- b. For a Member, retiree or vested former employee who during the ASF Recalculation Period has received a distribution (other than a total distribution) or loan from the ASF, the Annuity Savings Fund Excess Amount means the difference between (i) the sum of (A) the value of such individual's ASF account as of June 30, 2013 and (B) all distributions (including any unpaid loans) received by such individual from his or her ASF account during the ASF Recalculation Period, and (ii) the value of such individual's ASF account as of June 30, 2013 as recalculated using the Actual Return; provided, however, that an individual's Annuity Savings Fund Excess Amount shall not exceed 20% of the highest value of such individual's ASF account balance (including any unpaid loans made to the individual) during the ASF Recalculation Period.

- (2) *Recoupment from Members, retirees and former employees who previously took total Annuity Savings Fund account distributions.* Except as provided in paragraph (4) below, for each Member, retiree or vested former employee who has received a total distribution of the individual's ASF account during the ASF Recalculation Period, the individual's monthly pension benefit (and the survivor monthly pension benefit payable to the Member's survivor, if any) will be reduced by the individual's "Monthly Annuity Savings Fund Excess Amount" as determined by the City in accordance with this Section G-2(2).

A Monthly Annuity Savings Fund Excess Amount means the difference between (i) the value of the ASF account of a Member, retiree or vested former employee as of the date of distribution to such individual from the ASF, provided such date falls within the ASF Recalculation Period, and (ii) the value of the individual's ASF account as of such date, as recalculated using the Actual Return; provided, however, such difference shall not exceed 20% of the highest value of such individual's ASF account balance (including any unpaid loan balance) during the ASF Recalculation Period; provided, further, such amount will be converted into

a monthly annuity amount based on the individual's life expectancy, gender and, if the Member has not already retired, the expected date of retirement.

- (3) *Recoupment from Members, retirees and former employees who received partial Annuity Savings Fund account distributions.* A Member, retiree or vested former employee who previously received a distribution of a portion but not the entirety of the Member's Annuity Savings Account shall be subject to paragraph (1) to the extent of any funds then credited to the Member's Annuity Savings Fund account and shall be subject to paragraph (2) to the extent of any Excess Amount that cannot be recovered pursuant to paragraph (1).
- (4) *Cash repayment option.* Notwithstanding paragraphs (2) and (3) above and subject to the Cash Option Cap described below, a Member, retiree, employee or former employee whose monthly pension benefit will be reduced pursuant to paragraph (2) or (3) may elect to make a single lump sum cash payment to the Retirement System of the Annuity Savings Fund Excess Amount by cashier's check or wire transfer ("Cash Repayment Option"). Each individual eligible for the Cash Repayment Option shall be provided by first-class U.S. mail an election notice and an election form no later than seven days following the Effective Date. The individual shall have thirty-five days from the date on which the election form is mailed to return the election form as directed on the form. An election of the Cash Repayment Option shall be effective only if it is received by the deadline set forth on the election form.

No later than fourteen days following the election deadline, the Board shall notify each individual who timely elects the Cash Repayment Option of the amount to be repaid to the Retirement System ("Final Payment Notice"). Such amount must be paid to the Retirement System on or before the later of (i) ninety days after the Effective Date, or (ii) fifty days following the date on which the Final Payment Notice is mailed to the individual.

If payment is not timely received, the monthly pension benefit of an individual who elects the Cash Repayment Option shall be reduced as provided in paragraph (2) or (3).

The Cash Repayment Option shall be limited to an aggregate amount of \$30 million (the "Cash Option Cap"). In the event the Retirement System receives timely and properly completed election forms representing an aggregate recovery amount in excess of the Cash Option Cap, then each individual who made a timely election of the Cash Repayment Option shall be permitted to repay an amount equal to his pro rata share of the Cash Option Cap. Any Annuity Savings Fund Excess Amount that is not repaid under the Cash Repayment Option shall be repaid as provided in paragraph (2) or (3).

- (5) *Definition of Actual Return.* "Actual Return" means the actual net return percentage on the Retirement System's invested assets for each Fiscal Year

during the ASF Recalculation Period; provided, however, that for any such Fiscal Year the net return shall not be greater than 7.9% nor less than 0%.

- (6) *Limitation on recoupment.* Notwithstanding anything in this Section G-2 to the contrary:
- a. a Member's ASF account value after recoupment of the Member's Annuity Savings Fund Excess Amount will never be less than the contributions made to the ASF by such Member and will reflect all interest credited by the Board to the Member's ASF account for the Fiscal Years ending prior to July 1, 2002; and
  - b. in no event shall the amount recovered from a Member described in Section G-2(2) (or G-2(3), with respect to amounts that may not be recovered pursuant to Section G-2(1)) exceed the Member's Annuity Savings Fund Excess Amount plus interest on such amount at a rate of 6.75%. Upon the Member's repayment of such amount in full, the Member's monthly pension benefit in effect immediately prior to adjustment as provided in Section G-2(2) (adjustment as provided in Section G-1), increased as provided in Section G-4, if applicable, shall be fully restored.
- (7) *Cap on benefit reductions for certain retirees.* With respect to any retiree or surviving beneficiary receiving monthly pension benefits from the Retirement System as of June 30, 2014, the Adjusted Accrued Benefit of such retiree or surviving beneficiary, as further reduced to take into account any ASF Recoupment under Section G-2, shall not be less than 80% of the monthly pension benefit being paid to such retiree or surviving beneficiary as of the date immediately preceding the Effective Date.

Annuity Savings Fund Excess Amounts of Members described in paragraphs (1) and (3) shall be transferred from the Annuity Savings Fund to the Pension Accumulation Fund and shall be used to pay pensions and other benefits to Members as provided in Component II of the Combined Plan.

### **Sec. G-3. Income Stabilization Benefits**

- (1) The provisions of this Section G-3 shall become effective only if each of the Conditions Precedent (as that term is defined in the State Contribution Agreement) have been met to the satisfaction of the Authority and the Treasurer, unless any one or more of such conditions are waived in a writing executed by the Authority and the Treasurer.
- (2) Beginning not later than 120 days after the Effective Date, Component II of the Combined Plan shall pay, in accordance with this Section G-3, an annual supplemental pension income stabilization benefit ("Income Stabilization Benefit") to each Eligible Pensioner (as defined in Section G-3(5)) equal to the lesser of either (i) the amount needed to restore an Eligible Pensioner's reduced

annual pension benefit to 100% of the amount of the annual pension benefit that the Eligible Pensioner received from the Retirement System in 2013; or (ii) the amount needed to bring the total annual 2013 household income of the Eligible Pensioner up to 130% of the Federal Poverty Level for 2013. The Income Stabilization Benefit as determined under this Section G-3(2) will not increase after the date on which the Income Stabilization Benefit is determined. The Income Stabilization Benefit payable to an Eligible Pensioner will terminate immediately at such time as the Eligible Pensioner ceases to qualify as an Eligible Pensioner.

- (3) To the extent an Eligible Pensioner's Estimated Adjusted Annual Household Income (as defined in this Section G-3) in any calendar year after the first year that the Eligible Pensioner receives a benefit under this Section G-3 is less than 105% of the Federal Poverty Level in that year, the Eligible Pensioner will receive an additional "Income Stabilization Benefit Plus" benefit commencing as of the next following July 1.
  - a. The Income Stabilization Benefit Plus benefit for a calendar year will be equal to the lesser of either (i) the amount needed to restore 100% of the Eligible Pensioner's pension benefit, as increased by any Pension Improvement Factor (Escalator), under Component II of the Combined Plan; or (ii) the amount needed to bring the Eligible Pensioner's Estimated Adjusted Annual Household Income in that calendar year up to 105% of the Federal Poverty Level in that year.
  - b. An Eligible Pensioner's "Estimated Adjusted Annual Household Income" for any year will be the sum of (i) the Eligible Pensioner's 2013 total household income (per his or her (or in the case of a minor child, his or her legal guardian's) 2013 income tax return or equivalent documentation), less the pension benefit paid to the Eligible Pensioner from the Retirement System in 2013, as adjusted for inflation or Social Security COLA increases; (ii) the Adjusted Accrued Benefit that is payable to the Eligible Pensioner for that year as determined under Section G-1, (iii) any pension restoration payment to the Eligible Pensioner as determined under Section G-4; and (iv) the Eligible Pensioner's Income Stabilization Benefit.
- (4) A separate recordkeeping fund called the "Income Stabilization Fund" shall be established by the Board for the sole purpose of paying the Income Stabilization Benefits and Income Stabilization Benefits Plus to Eligible Pensioners. Any funds received by the Retirement System that is designated by the City as UTGO Bond Tax Proceeds or a contribution to the Income Stabilization Fund shall be credited by the Board to the Income Stabilization Fund. The assets credited to the Income Stabilization Fund will be invested on a commingled basis with assets of the Retirement System and will be credited with a pro-rata portion of the earnings and losses of the Retirement System. Amounts credited to the Income Stabilization Fund may not be used for any purpose other than the payment of

Income Stabilization Benefits and Income Stabilization Benefit Plus benefits to Eligible Pensioners, except as expressly provided in Section G-3 (7).

- (5) For purposes of this Section G-3, an “Eligible Pensioner” is a retiree or surviving spouse who is at least 60 years of age or a minor child receiving survivor benefits, each as of the effective date of the Plan of Adjustment, whose benefit will be reduced as provided in Section G-1, and who is eligible to receive Income Stabilization Benefits because (i) such individual is receiving monthly pension benefits from the Retirement System as of the effective date of the Plan of Adjustment, and (ii) such individual has a total annual household income equal to or less than 140% of the federal poverty level in 2013 (per his or her (or in the case of a minor child, his or her legal guardian’s) 2013 income tax return or equivalent documentation).
- a. An eligible individual must apply for an Income Stabilization Benefit in accordance with procedures established by the Authority and provide such substantiation of the individual’s aggregate annual household income as is required by the State in its sole discretion.
  - b. The initial determination of Eligible Pensioners, and amount of the Income Stabilization Benefit payable to each Eligible Pensioner shall be made by the State in its sole discretion. The State shall transmit the list of Eligible Pensioners to the Investment Committee and the Board. The Board, with the assistance of the Investment Committee, shall be responsible for administering the Income Stabilization Fund and annually certifying to the State Treasurer that it has administered the requirements for eligibility and payment of benefits with respect to Eligible Pensioners in accordance with the terms of the State Contribution Agreement.
  - c. After the initial determination of Eligible Pensioners is made, no new individuals will be eligible to receive an Income Stabilization Benefit or an Income Stabilization Benefits Plus benefit at any time in the future.
  - d. An Eligible Pensioner will cease to be an Eligible Pensioner as of the earlier of (i) the Eligible Pensioner’s death, or (ii) with respect to any minor child receiving survivor benefits, the date the minor child reaches the age of 18 years.
- (6) For purposes of this Section G-3, the “Federal Poverty Level” means the poverty guidelines published each year in the Federal Register by the United States Department of Health and Human Resources.
- (7) In the event that in 2022 (provided that the State has not issued a Certificate of Default (as defined in the State Contribution Agreement) with respect to the Retirement System at any time prior to 2022), it is the opinion of at least 75% of the independent members of the Investment Committee that the assets of the Income Stabilization Fund exceed the Income Stabilization Benefits and Income

Stabilization Benefits Plus benefits anticipated to be made to Eligible Pensioners by the Retirement System in the future (“Excess Assets”), the Investment Committee may, in its sole discretion, recommend to the Board that all or a portion of the Excess Assets, in an amount not to exceed \$35 million, be used to fund the Adjusted Accrued Benefits or Adjusted Deferred Accrued Benefits, as applicable, payable by the Retirement System. The Investment Committee shall have the right to engage professional advisers to assist in making this determination and such expenses shall be paid by the Retirement System.

- (8) In the event that any funds remain in the Income Stabilization Fund on the date upon which there are no Eligible Pensioners under the Retirement System, such funds shall be used to fund the Adjusted Accrued Benefits or Adjusted Deferred Accrued Benefits, as applicable, payable by the Retirement System.

#### **Sec. G-4. Restoration of Pension Benefits**

The following rules shall govern how accrued pensions, including Pension Improvement Factor (“COLA”) benefits, that are reduced as part of the Plan of Adjustment, shall be restored during the thirty year period following the confirmation order issued by the Bankruptcy court in *In Re. City of Detroit, Michigan*, Case No. 13-53846. The pension restoration process shall be supervised, and restoration decisions undertaken by the Investment Committee and in accordance with the pension governance provisions set forth in the State Contribution Agreement and exhibits thereto. The pension restoration program shall be deemed a part of this Component II, but in the event of any conflict between the language set forth herein and the pension restoration agreement attached to and made a part of the Plan of Adjustment (“Pension Restoration Agreement”), the terms of the Pension Restoration Agreement will govern.

- (1) *Waterfall Classes.*

- a. Waterfall Class 1 – Retirees, in retirement benefit pay status as of June 30, 2014, and their surviving spouses and beneficiaries.
- b. Waterfall Class 2 – Retirees, who entered into retirement benefit pay status after June 30, 2014, and their surviving spouses and beneficiaries, and who are in pay status as of the end of the Fiscal Year prior to the year in which the restoration decision is made.

- (2) *Restoration of Benefits Through June 30, 2023.*

- a. Each year in conjunction with the annual actuarial valuation report, the Plan Actuary will project the funded ratio of the Retirement System as of 2023 based upon the market value of plan assets relative to the actuarial

accrued liabilities (the “Funded Level”). This projection will be further based upon a 6.75% assumed rate of investment return which is net of expenses (investment and administrative), future Employer contributions as set forth in the Plan of Adjustment (subject to the conditions in the Plan of Adjustment) and such other actuarial assumptions as utilized by the Plan Actuary. For purposes of restoration of benefits through June 30, 2023, the Funding Target will be a 70% funded ratio, the Restoration Target will be a 75% funded ratio, and the Restoration Reserve Suspension Trigger will be a 71% funded ratio, all projected to June 30, 2023. For purposes of calculating the funded ratio, the assets in the Restoration Reserve Account will be excluded. Each year, if the Actuary projects that the projected Funded Level as of June 30, 2023 (excluding Restoration Reserve Account assets to avoid double counting) exceeds the Restoration Target (i.e., exceeds 75%), a credit of assets for bookkeeping purposes will be made into a new notional “Restoration Reserve Account”. The notional credit will be in an amount equal to the excess of assets above the amount projected to be needed to satisfy the Restoration Target. Once the Restoration Reserve Account is established, each year thereafter, Restoration Reserve Account assets will be credited with interest in an amount equal to the net return on Retirement System investments, but capped at the actuarially assumed rate of investment return (i.e., 6.75% for the period through June 30, 2023). In the event of net losses, the credited asset value of the Restoration Reserve Account will be diminished to reflect such losses and any required transfer to the Pension Reserve Fund.

- b. To the extent that the City’s (including DWSD or a successor authority) actual contributions in any of the Fiscal Years 2015 through 2023 are less than the contributions provided for in the Plan of Adjustment, such difference and any investment earnings thereon shall be notionally allocated to the Pension Reserve Fund.
- c. Actual restoration payments and credits will work as follows: each year in conjunction with preparation of the annual actuarial valuation report and following establishment of the Restoration Reserve Account, the Plan Actuary will determine whether there are sufficient funds in such account to restore a portion of the 4.5% across the board pension cuts in one or more minimum incremental amounts equal to ½% of the monthly benefit for each member of Waterfall Class 1 (i.e. reducing the initial across the board cut to 4.0%). This restoration only occurs if the funding level in the Restoration Reserve Account can fund 100% of each incremental increase over the remaining actuarially projected lives of the eligible recipients in Waterfall Class 1. If the Restoration Reserve Account satisfies the required funding level, then in the next Fiscal Year, actual restoration payments will be made to Waterfall Class 1 members in amounts equal to the benefit associated with each increment that have been fully funded in the Restoration Reserve Account. Once Waterfall Class 1 has sufficient

assets in the Restoration Reserve Account to fully fund and restore the 4.5% cut in their monthly benefits, and to the extent that additional assets in the Restoration Reserve Account remain and will fully fund at least ½% of the monthly benefit for each member of Waterfall Class 2 over their remaining actuarially projected lives, then Waterfall Class 2 members will receive pension restoration in minimum ½% benefit increments until an amount equal to the 4.5% cuts in their monthly benefits has been fully funded. At that juncture, and to the extent that additional assets in the Restoration Reserve Account remain and will fund at least a minimum ½% of the monthly benefit of each member in Waterfall Class 3 over their remaining actuarially projected lives, then each such member of Waterfall Class 3 shall receive a credit granting them a right upon retirement to receive pension restoration equal to the benefit increments that are fully funded. Restoration payments will be calculated and paid on a prospective basis only.
