- d. After the full 4.5% across the board pension cuts are restored for all three Waterfall Classes, and to the extent there are additional assets in the Restoration Reserve Account to fully fund COLA benefits over the actuarially-projected lives of the eligible recipient Waterfall Class, such assets will be used to fully fund and restore a portion of the COLA values that were eliminated as part of the Plan of Adjustment. COLA will be restored in minimum 10% COLA value increments up to 50% of the future COLA values for each member of Waterfall Class 1 (i.e., a 50% future COLA value will constitute a 1.25% simple COLA), then up to 50% of the future COLA values for each member of Waterfall Class 2, and then up to 50% of the future COLA values for each member of Waterfall Class 3 until all members of the three Waterfall Classes have had 50% of the value of their COLAs fully funded and restored. After 50% of the future values of COLA have been fully funded and restored, and to the extent there are additional assets in the Restoration Reserve Account for each of the three Waterfall Classes, then a second 50% COLA restoration will be made, first to members of Waterfall Class 1, then Waterfall Class 2, and then Waterfall Class 3. Classes will be restored in minimum 10% COLA value increments. Restoration payments will be calculated and paid on a prospective basis only.
- e. If the amounts in the Restoration Reserve Account are sufficient to fully-fund the 4.5% across the board pension cuts for all three Waterfall Classes and 100% COLA restoration for all three Waterfall Classes, then any additional assets in the Restoration Reserve Account shall be used to increase the frozen accrued benefits of active and other Members whose Annuity Savings Fund accounts were diminished as part of the Annuity Savings Fund Recoupment (described in Section G-2), such that they receive treatment equal to the 20%/20% ceiling applied to retirees in pay status under the Plan of Adjustment. If after such pension restoration there are additional assets in the Restoration Reserve Account to fully

fund benefit increments over their remaining actuarially projected lives, Waterfall Class 1 members will receive pension restoration in ½% benefit increments of the reductions to their monthly pension due to Annuity Savings Fund Recoupment, and once such pension benefits are restored, Waterfall Class 2 members will receive pension restoration in ½% benefit increments in connection with the reductions to their monthly pensions due to Annuity Savings Fund Recoupment. Restoration payments will be calculated and paid on a prospective basis only

- f. Once restoration payments to applicable retirees and restoration credits to active employees begin, as long as the Restoration Reserve Account continues to have assets sufficient to fund 100% of an incremental pension restoration amount for such Waterfall Class members for their actuarially projected lives, such restoration payments and credits will continue; provided, however, that in the event the Restoration Reserve Account, after having sufficient assets to fund 100% of two or more increments (over their actuarially projected lives), falls below 100% for the second or greater increment, the annual amounts to pay such second or other additional increment can continue until the Restoration Reserve Account lacks any assets to fund it. For example, assume a ½% increment in Waterfall Class 1 requires \$10 million in assets to be fully funded for the Waterfall Class members' actuarially projected lives, and that based on Fiscal Year 2018 results the Restoration Reserve Account has assets of \$22 million so as to fund two increments of restoration in Fiscal Year 2019, (i.e., a 1% pension increase). Assume further that in the following Fiscal Year the Restoration Reserve Account drops in value to \$17 million; in such event two increments could still be paid, and the second increment of ½% would cease being paid only if the value of assets in the Restoration Reserve Account dropped to or below \$10 million (in the event they dropped below \$10 million, the first increment also would cease being paid). For purposes of restoration reduction, restoration increments will be taken away in reverse order in which they were granted (i.e. last in, first out).
- g. In the event the Funded Level (not including the assets in the Restoration Reserve Account) falls below 71% (hereinafter, "Restoration Reserve Suspension Trigger"), then, until such time as the projected Funded Level in 2023 is 71% or above, further interest credits to the notional Restoration Reserve Account will cease notwithstanding the actual net investment returns for the Retirement System for the Fiscal Year in question. Furthermore, if the Funded Level projected to 2023 falls below the Funding Target (i.e., 70%) then restoration payments and credits in the following year will be modified in the following manner: (1) funds previously credited to the Restoration Reserve Account will be notionally transferred and credited to the Pension Reserve Account in sufficient amounts to restore the projected Funded Level in 2023 to 70%; (2) following such transfer, the remaining assets in the Restoration Reserve

Account shall be applied to make restoration payments in accordance with and pursuant to the same mechanism described in paragraph f.

- h. Following receipt of the actuarial reports for 2019, and in the event that the projected Funded Level as of 2023 is less than 71%, the Plan Actuary shall revisit the restoration calculations that it made during each of the prior four (4) years. It shall recalculate each such prior year's Funded Level projection, this time by assuming the lesser of (i) \$4.5 million in annual administrative expenses until 2023, or (ii) an amount of annual administrative expenses until 2023 equal to the average annual normal course administrative expenses in the prior four (4) years applicable to Component II, in addition to a net 6.75% annual investment return. If such retrospective recalculation indicates that fewer amounts would have transferred to the Restoration Reserve Account than actually were transferred during such look back period, then the Restoration Reserve Account shall be debited by the lesser of (i) this difference (plus interest at a rate equal to the rate that was credited to the Restoration Reserve Account during the look-back period) or (ii) the dollars that were actually paid out in restoration payments during such look-back period (plus interest at a rate equal to the rate that was credited to the Restoration Reserve Account during the look-back period); or (iii) the amount required to increase the projected 2023 Funded Level to 71%.

(3) *Restoration of Benefits from July 1, 2023 to June 30, 2033.*

- a. During this period, the Funding Target, the Restoration Target, the Permanent Restoration Targets and the Restoration Reserve Suspension Trigger shall be as set forth below:

<u>2023 Funded Level</u>	<u>2033 Funding Target/Restoration Target</u>
75%	75%/78%
74%	74%/77%
73%	73%/76%
72%	72%/75%
71%	71%/74%
70%	70%/73%
69% or lower	the % = to 2023 Funded Level %/73%

2033 Permanent Restoration Target

75%, or if greater, 1% more than 2033 Restoration Target

2033 Restoration Reserve Suspension Trigger

1% more than the projected Funding Target for all time periods

The same rules for variable restoration payments and credits that applied during the period ending June 30, 2023 shall apply during the period ending June 30, 2033 (including ceasing interest credits in the event of a Restoration Reserve Suspension Trigger, and making Restoration Reserve Account asset transfers to the Pension Reserve Fund in the event the 2033 Funded Level falls below the 2033 Funding Target), except as follows.

For purposes of determining whether the 2033 Restoration Target has been satisfied, the Plan Actuary shall project investment returns through June 30, 2033 at the then current investment return assumption which is assumed to be net of expenses (administrative and investment) and the applicable actuarial assumptions as utilized in the annual actuarial valuation. Further, the Plan Actuary shall assume, merely for purposes of determining whether the Restoration Target is satisfied, that the annual City contribution amount shall be the annual amount necessary to fund the Retirement System based upon an amortization of the actual 2023 UAAL at market value over 30 years (hereinafter, the “2023 UAAL Amortization”) and in such manner that the resulting annual contribution stream would achieve the Funding Target set forth above as of 2033. (Such projected, hypothetical contributions shall be for purposes only of making restoration determinations, and shall not necessarily be the actual contributions made or required to be made by the City or recommended during such period; all of which shall be determined independent of the restoration calculation process.). For purposes of calculating the funded ratio, the assets in the Restoration Reserve Account will be excluded.

- b. To the extent that the City’s actual contributions to the Retirement System in any of the Fiscal Years 2024 (the year ending June 30, 2024) through 2033 are greater than the projected annual contribution under the 2023 UAAL Amortization, such amounts, and any investment earnings thereon, shall be notionally credited to a new bookkeeping account in the Retirement System called the Extra Contribution Account. In determining pension restoration during the period from Fiscal Year 2024 through 2033, none of the amounts in the Extra Contribution Account shall be considered for purposes of determining the projected funded level for the Restoration Target or Permanent Restoration Targets. To the extent that the City’s (including for this purpose DWSD or a successor authority) actual contributions in any of the Fiscal Years 2024 through 2033 are less than the projected annual contribution under the 2023 UAAL Amortization, such difference and any investment earnings thereon shall be notionally allocated to the Pension Reserve Fund.
- c. Each year, in addition to the credit of assets that exceed the amount necessary to satisfy the Restoration Target, existing Restoration Account assets will be credited with interest equal to the net return on Retirement System investments, but capped at the then investment return assumption. In the event of net losses, the credited asset value of the Restoration Reserve Account will be diminished to reflect such losses.
- d. In connection with preparation of the actuarial report for Fiscal Year 2028, the Plan Actuary will determine whether the Retirement System has satisfied the applicable Permanent Restoration Target, which shall be 75%. Transfers from the Restoration Reserve Account for credit to the Pension Reserve Fund may be made in such amounts as are necessary to

satisfy the Permanent Restoration Target. If following such transfers the Funded Level as of June 30, 2028 has satisfied the Permanent Restoration Target (75%), then the amounts in the Restoration Reserve Account, if any (which will necessarily represent excess not necessary to satisfy the Permanent Restoration Target), and which fully fund one or more increments of restoration payments for one or more Waterfall Classes over such Waterfall Class members' actuarially projected lives, shall be transferred from the Restoration Reserve Account and credited to the Pension Reserve Account and the applicable incremental payments shall be permanently restored for the applicable Waterfall Class and shall no longer be variable from year to year. Variable restoration payments will continue to be paid or credited during the period from July 1, 2028 through June 30, 2033 based on the applicable Restoration Target set forth in paragraph a and otherwise in accordance with this Section G-4, notwithstanding whether the Restoration Target during this period is less than the Permanent Restoration Target as of June 30, 2028 of 75%.

- e. In connection with preparation of the annual actuarial valuation report for Fiscal Year 2033, the Plan Actuary will determine whether the Retirement System has satisfied the Permanent Restoration Target for 2033, as set forth in paragraph a. Transfers from the Restoration Reserve Account for credit to the Pension Reserve Account may be made in such amounts as are necessary to satisfy the Permanent Restoration Target. If following such transfers the Funded Level as of June 30, 2033 has satisfied the applicable Permanent Restoration Target, then the amounts in the Restoration Reserve Account if any (which will necessarily represent excess not necessary to satisfy the Permanent Restoration Target), and which fully fund one or more increments of restoration payments for one or more Waterfall Classes over such Waterfall Class members' actuarially projected lives, shall be transferred from the Restoration Reserve Account and credited to the Pension Reserve Account and the applicable incremental payments shall be permanently restored for the applicable Waterfall Class and shall no longer be variable from year to year.
- f. Following receipt of the actuarial reports for 2028, and in the event that the projected Funded Level of the Retirement System as of 2033 is less than 71%, the Plan Actuary shall revisit the restoration calculations that it made during each of the prior four (4) years. It shall recalculate each such prior year's Funded Level projection, this time by assuming the lesser of (i) \$4.5 million in annual administrative expenses until 2033, or (ii) an amount of annual normal course administrative expenses until 2033 equal to the average annual administrative expenses in the prior four (4) years applicable to Component II, in addition to a net 6.75% annual investment return. If such retrospective recalculation indicates that fewer amounts would have transferred to the Restoration Reserve Account than actually were transferred during such look back period, then the Restoration Reserve Account shall be debited by the lesser of (i) this difference (plus

interest at a rate equal to the rate that was credited to the Restoration Reserve Account during the look-back period) or (ii) the dollars that were actually paid out in restoration payments during such look-back period (plus interest at a rate equal to the rate that was credited to the Restoration Reserve Account during the look-back period); or (iii) the amount required to increase the projected 2033 Funded Level to 71%.

(4) *Restoration of Benefits from July 1, 2033 to June 30, 2043.*

- a. During this period, the Funding Target, the Restoration Target, the Permanent Restoration Target and the Restoration Reserve Suspension Trigger shall be as set forth below:

<u>2023 Funded Level</u>	<u>2043 Funding Target/Restoration Target</u>
75%	75%/78%
74%	74%/77%
73%	73%/76%
72%	72%/75%
71%	71%/74%
70%	70%/73%
69% or lower	the % = to 2023 Funded Level %/73%

2043 Permanent Restoration Target

75% ,or if greater, 1% more than 2043 Restoration Target

2043 Restoration Reserve Suspension Trigger

1% more than the projected Funding Target for all time periods

The same rules for restoration that applied during the period ending June 30, 2033 shall otherwise apply (including ceasing interest credits in the event of a Restoration Reserve Suspension Trigger, and making Restoration Account asset transfers to the Pension Reserve Fund in the event the 2043 Funded Level falls below the 2043 Funding Target). For example, for purposes of determining whether the 2043 Restoration Target has been satisfied, the Plan Actuary shall project annual contributions using the same 2023 UAAL Amortization. For purposes of calculating the funded ratio, the assets in the Restoration Reserve Account will be excluded, and no Extra Contribution Account assets shall be included for purposes of determining whether the Funded Level meets the Restoration Target or Permanent Restoration Target, including any additions to such account after 2033.

- b. In connection with preparation of the annual actuarial valuation report for Fiscal Year 2043, the Plan Actuary will determine whether the Retirement System has satisfied the applicable Permanent Restoration Target, as set forth in paragraph a. Transfers from the Restoration Reserve Account for credit to the Pension Reserve Account may be made in such amounts as are necessary to satisfy the Permanent Restoration Target. If following such transfers the Funded Level as of June 30, 2043 is equal to or greater than the applicable Permanent Restoration Target, then the amounts in the

Restoration Reserve Account if any (which will necessarily represent excess not necessary to satisfy the Permanent Restoration Target), shall be transferred from the Restoration Reserve Account and credited to the Pension Reserve Account and the applicable payments for the applicable Waterfall Class shall be permanently restored and shall no longer be variable.

(5) *Modification of the Pension Restoration Program.*

If any time after July 1, 2026, the Investment Committee (by vote of 5 of its 7 members), or the Board of Trustees (by a greater than 66% vote) determines that a change in relevant circumstances has occurred, or there was a mutual mistake of fact in developing the Pension Restoration Agreement, such that the continued operation of the Pension Restoration Agreement without amendment will: (a) materially harm the long-term economic interests of the City, or Retirement System; (b) materially impair the City's ability to fully fund over a reasonable period the then existing frozen benefit liabilities; or (c) materially hinder the restoration program, if as of that juncture (and for purposes of applying this subsection 5) annual funding levels (excluding the Extra Contribution Account) had materially exceeded the applicable Restoration Targets for a substantial period yet without any material actual restoration of benefits as contemplated herein having been made, the Investment Committee or the Board, as the case may be, shall provide written notice to the other entity of such a determination and of the need to amend the Pension Restoration Agreement and this Section G-4 (it being understood that the post-Chapter 9, 40-year amortization period (to 2053) to fully fund the Retirement System's frozen liabilities is, unless the relevant facts demonstrate otherwise, presumptively reasonable). The Investment Committee and the Board shall then meet to negotiate amendments to the Pension Restoration Agreement that address the identified risk of harm or impairment, but which also considers the Pension Restoration Agreement's objective of providing pension restoration. Such negotiations shall take into account reasonable actions the City has pursued or could pursue to mitigate such harm or impairment. Any such amendments shall require the approval of a majority vote of the combined members of the Investment Committee and Board (persons who sit on both the Board and Investment Committee shall have one vote). Such parties shall consult with the Mayor, City Council and the Governor of the State of Michigan ("Governor") in connection with such negotiation.

If the Board, acting through a majority, and the Investment Committee, acting through a majority, cannot agree to such amendments with the 90-day period following the provision of such notice by the determining party, then the Board and Investment Committee shall proceed to mediation upon demand from either the Board or the Investment Committee. In this regard, within 30-days following expiration of the 90-day period the Board and the Investment Committee shall each select a mediator from the list of approved mediators for the United States District Court for the Eastern District of Michigan. The two selected mediators shall appoint a third neutral mediator from the approved list. Each party shall

furnish a written statement to the mediators within 30 days of selection of the neutral mediator. Representatives of the Mayor and the Governor shall be consulted in connection with such mediations. If following a 90-day mediation period following submission of the written statements the matter is not settled, then either the Investment Committee or the Board can file an action in the United States District Court for the Eastern District of Michigan asking it to declare, inter alia, whether or in what manner to amend the Pension Restoration Agreement and this Section G-4.

**ARTICLE B. FREEZE OF POLICE AND FIRE RETIREMENT SYSTEM  
AS OF JUNE 30, 2014**

**Sec. B-1. Freeze of Police and Fire Retirement System as of June 30, 2014.**

Notwithstanding anything in Chapter 47 of the 1984 Detroit City Code, or in Chapter 54, Article II of the 1964 Detroit City Code, or any ordinances, resolutions, or orders, or parts thereof, whether codified or not codified, or any collective bargaining agreement or other documents governing terms of employment to the contrary, effective as of June 30, 2014 (the "Freeze Date"):

- (a) No new employee hired by the City on or after July 1, 2014 shall become a Member who is eligible to accrue a benefit under the terms of the Police and Fire Retirement System in effect as of the Freeze Date;
- (b) No employee who is rehired by the City on or after July 1, 2014 and who received a distribution of his accumulated employee contributions prior to July 1, 2014, shall become a Member who is eligible to accrue a benefit under the terms of the Police and Fire Retirement System in effect as of the Freeze Date; provided, however, that if a Member who is entitled to a Frozen Accrued Benefit as defined in subsection (d) of this Section B-1 and who is rehired by the City on or after July 1, 2014 repays to the Police and Fire Retirement System in accordance with a payment schedule approved by the Board of Trustees the amount of accumulated employee contributions that he withdrew, then such Member shall be eligible to accrue service credit under this Component II following rehire solely for the purpose of determining the Member's eligibility for payment of his Frozen Accrued Benefit;
- (c) No Member shall make contributions to the Annuity Savings Fund under the Police and Fire Retirement System in effect as of June 30, 2014 with respect to payroll dates occurring on or after August 1, 2014 and all Member contributions made with respect to payroll dates occurring on or after August 1, 2014 shall be made to and in accordance with the terms of Component I of the Combined Plan;
- (d) Benefit accruals for Members with respect to service rendered prior to July 1, 2014 will be frozen based on a Member's years of service and Average Final Compensation and the pension multiplier formulae as of such Freeze Date ("Frozen Accrued Benefit");
- (e) Except as otherwise provided in this Section B-1, compensation of a Member shall be frozen effective as of the Freeze Date for purposes of determining the Member's Frozen Accrued Benefit. No compensation of any type earned by a Member after the Freeze Date shall be taken into consideration for purposes of determining the Member's Frozen Accrued Benefit under the Police and Fire Retirement System;
- (f) Any Member who, as of June 30, 2014, would have been eligible to elect to use a portion of the unused accrued sick leave that he could have received in cash upon retirement ("Cashable Sick Leave") to increase his Average Final Compensation if the Member had been eligible to retire and had elected to retire as of June 30, 2014,

shall have a one-time election to have the value of twenty-five percent (25%) of the Member's Cashable Sick Leave as of June 30, 2014 included in the computation of the Member's Average Final Compensation for purposes of determining the Member's Frozen Accrued Benefit ("Sick Leave Election"); provided, however, that the amount of the member's Cashable Sick Leave at the time the completed election form is received by the Retirement System is at least equal to the value of twenty-five percent (25%) of the Member's Cashable Sick Leave as of June 30, 2014 and, provided further that the completed election form is received by the Retirement System no later than the dates established by the City. A Member's Sick Leave Election shall be made in the manner set forth by the Board of Trustees and the Police and Fire Retirement System. Notwithstanding anything in this subsection (f) to the contrary, a Member's Sick Leave Election will be void and the determination of the Member's Average Final Compensation for purposes of calculating the Member's Frozen Accrued Benefit will not take into account any of the Member's Cashable Sick Leave, if (i) the electing Member would not have been eligible to receive an immediate service retirement benefit if he retired as of June 30, 2014, and (ii) the electing Member's employment with the City is terminated before the electing Member becomes eligible for an immediate service retirement benefit under the Police and Fire Retirement System;

- (g) Service earned after the Freeze Date shall be credited to a Member under this Component II solely for purposes of determining a Member's vesting in and eligibility for payment of his or her Frozen Accrued Benefit and to a rehired Member solely for purposes of determining the Member's eligibility for payment of his or her Frozen Accrued Benefit. Service credit for all Members for benefit accrual purposes under the terms of the Police and Fire Retirement System in effect as of the Freeze Date shall be frozen effective as of the Freeze Date and no Member shall earn service credit with respect to benefits payable under the terms of the Police and Fire Retirement System in effect as of the Freeze Date (except for vesting and benefit payment eligibility purposes) after the Freeze Date; and
- (h) The Deferred Retirement Option Plan ("DROP") shall remain in effect for all Members who have either enrolled in or elected to participate in the DROP as of June 30, 2014. Members also may elect to participate in the DROP after June 30, 2014 with respect to their Frozen Accrued Benefits; however, participation in DROP with respect to such Frozen Accrued Benefits shall be limited to five years.

The foregoing terms of Section B-1 shall be referred to as the "Freeze" of the provisions of the Police and Fire Retirement System as in effect on the Freeze Date and the provisions of Component II of the Police and Fire Retirement System shall be interpreted and construed by the Board of Trustees and the Police and Fire Retirement System to give full effect to the Freeze. - (4) The required payment shall be made under one of the following options:

- a. two and one-half percent (2.5%) of the Member's Average Final Compensation multiplied by the number of years and fraction of a year of his or her creditable service, for the first twenty-five (25) years of such service; and
- b. two and one-tenths percent (2.1%) of the Member's Average Final Compensation multiplied by the number of years and fraction of a year of his or her creditable service in excess of twenty-five (25) years, subject to a maximum of thirty-five (35) years.

### **Sec. F-3. Pension Multiplier**

- (a) Notwithstanding Section F-2(a)(2) and F-2(b)(2), effective July 1, 1992 each Member who retires on or after that date shall be entitled to a Pension which, when added to the Annuity, will provide a straight life Retirement Allowance equal to 2.1% of his or her Average Final Compensation, multiplied by the number of years and fraction of a year, of his or her creditable service, not to exceed thirty-five (35) years of service for New Plan Members and twenty-five (25) years of service for Old Plan Members.
- (b) Effective July 1, 1997 or for DPCOA members the effective date of the CET-DPCOA, each Member who retires shall be entitled to a Pension which when added to the Annuity will provide a straight life Retirement Allowance equal to 2.5% (or 2.1% for DPCOA members) of his or her Average Final Compensation multiplied by the number of years and fraction of year of his or her creditable service for the first twenty-five (25) years or, in the case of a DPCOA member of his or her creditable service earned or accrued on or after the effective date of the CET-DPCOA. For Members represented by DFFA, DPCOA and DPLSA, the multiplier shall be 2.1% for each year of service over twenty-five (25) years. Maximum years of service for Pension credit shall be thirty-five (35) years for New Plan Members and twenty-five (25) years for Old Plan Members.
- (c) Effective September 1, 2011, each Member represented by DPOA who retires shall only be entitled to a Pension which, when added to the Annuity, will provide a straight life Retirement Allowance equal to 2.1% of his or her Average Final Compensation multiplied by the number of years and fraction of a year of his or her creditable service earned or accrued on or after September 1, 2011. Hence, for the first twenty-five (25) years of service accrued on or after September 1, 2011, the multiplier shall no longer be 2.5%; rather, 2.1%. Maximum years of service for Pension credit shall be thirty-five (35) years for New Plan Members and twenty-five (25) years for Old Plan Members. Service credit accrued prior to September 1, 2011 will be unaffected by this Section F-3(c).
- (d) Each DPLSA member who retires shall only be entitled to a Pension which, when added to the Annuity, will provide a straight life Retirement Allowance equal to 2.1% of his or her Average Final Compensation multiplied by the number of years and fraction of a year of his or her creditable service earned or accrued following the date of the Act 312 Award in D09 G-0786. Hence, for the first twenty-five (25) years of

service accrued after the date of the Act 312 Award, the multiplier shall no longer be 2.5% as stated in paragraph (b) above. Maximum years of service for Pension credit shall be thirty-five (35) years for New Plan Members and twenty-five (25) years for Old Plan Members.

**Sec. F-4. Disposition of surplus benefits upon death of retired member.**

In the event a retired Member dies before he or she has received in straight life Retirement Allowance payments an aggregate amount equal to his or her Accumulated Contributions standing to his or her credit in the Annuity Savings Fund at the time of his or her retirement, the difference between his or her said Accumulated Contributions and the said aggregate amount of straight life Retirement Allowance payments received by him or her shall be paid to such person or persons as he or she shall have nominated by written designation duly executed and filed with the Board of Trustees. If there is no such designated person or persons surviving the said deceased Retiree such difference, if any, shall be paid to his or her legal representative. No benefits shall be paid under this Section F-4 on account of the death of such a retired Member if he or she had elected Option 1, 2, 3, 3A or 3B provided for in Part H of this Article F.

**Sec. F-5. Retirement allowance for certain persons leaving City employment after eight years service (40 & 8).**

- (a) Should any DPLSA member or any fire equivalent who (1) has attained age forty years of Age, and (2) has acquired eight or more years of credited service, or any Member who terminates employment with the City on or after August 29, 2003 with ten or more years of credited service leave the employ of the Police Department or Fire Department prior to the date he or she would have first become eligible to retire as provided in this Part A, for any reason except his or her retirement or death, he or she shall be entitled to a Retirement Allowance computed according to Section F-2 (a) or (b) of this Article F, whichever is applicable, as said Section was in force as of the earlier of (i) the date his or her employment with the City last terminated or (ii) June 30, 2014; provided, that he or she does not withdraw his or her Accumulated Contributions from the Annuity Savings Fund. The Member's Retirement Allowance shall begin the first day of the calendar month next following the month in which his or her application for same is filed with the Board of Trustees, on or after the date he or she would have been eligible to retire had he or she continued in City employment. Notwithstanding the foregoing, prior to March 3, 2008 the Retirement Allowance of a DPOA member or a fire equivalent hired on or after July 1, 1985 shall not begin prior to the date on which the Member reaches his or her sixty-second birthday. Unless otherwise provided in this Component II, such person shall not receive service credit for the period of his or her absence from the City Police Department and/or Fire Department employ, nor shall his or her Beneficiary be entitled to any other benefit afforded in this Component II, except the benefits provided in Part A, Section F-2(a) or (b) or Part F of this Article F, whichever is applicable, subject to the above provisions, notwithstanding, his or her membership has terminated.

- (b) Effective August 28, 2003, for DPOA members and fire equivalents who terminate employment after ten (10) years of service shall be vested and shall have all options afforded to 40 & 8 Retirees.

**Sec. F-6. Reduced Early Pension Benefits (40 & 8 Vesting Retirees)**

- (a) Members who terminate employment and who are eligible for a Pension pursuant to Article F, Part A, Section F-5 of Component II (40 & 8) shall have the option of receiving an immediate, but reduced early Pension benefit in lieu of a deferred Pension.
- (b) This reduced early Pension benefit shall not result in an increase in employer contribution rates; therefore, the value of the Reduced Early Pension Benefit shall be the Actuarial Equivalent of the 40 & 8 Pension.
- (c) For employees represented by DFFA in ranks or classifications with a parity relationship to employees represented by the DPLSA and employees in higher ranks or classifications, upon termination, a vested employee must within 90 calendar days make an irrevocable election as to whether or not to take this option.
- (d) Individuals represented by DFFA, DPOA or DPLSA, who terminated employment prior to July 1, 1986, are not eligible for this option.
- (e) An employee who receives a lump sum payment for accumulated time upon termination is not allowed to have that time count towards his retirement service.
- (f) Since Members (other than DPOA and fire equivalents) are eligible to begin collecting their vested Pension as soon as they would have been eligible to retire had they continued their City employment, minimum retirement age (i.e., Age 55) shall not be a factor in computing the actuarially reduced Pension benefit.
- (g) All DFFA members, except those members in ranks or classifications with a parity relationship to employees represented by the DPOA, electing to receive the reduced early Pension benefits shall receive upon separation full pay for fifty percent (50%) of the unused sick bank amounts. This provision shall have no effect on a Member electing to receive the deferred 40 & 8 vested Pension who shall continue to be reimbursed for unused sick time in accordance with an applicable collective bargaining agreement.
- (h) Effective August 28, 2003, DPOA members and fire equivalents who terminate employment after ten (10) years of service shall be vested and shall have all options afforded to 40 & 8 retirees.

## **Part B — Total Disability Pension and Retirement Allowances**

### **Sec. F-7. Duty disability.**

If a Member shall become Totally Disabled for duty by reason of injury, illness or disease resulting from performance of duty and if the Board of Trustees shall find such injury, illness or disease to have resulted from the performance of duty, on written application to the Board of Trustees by or on behalf of such Member or by the head of his Department such Member shall be retired; notwithstanding that during such period of notification he or she may have separated from service; provided, the Medical Director, after examination of such Member shall certify to the Board of Trustees his or her Total Disability. If said Member was separated from service after filing of the written application, and he or she had attained twenty-five years or more of service prior to the date of separation, the Board of Trustees, shall retire said Member, under this Part B.

### **Sec. F-8. Duty disability benefits; members in service on or after July 1, 1941 but prior to January 1, 1969.**

- (a) A Member, as defined under Article D, Section D-1(a), (b), or (c), shall receive the following benefits:
  - (1) Each such Member shall receive a disability Pension of fifty percent (50%), or such other higher percentage that is in effect and applies to such Member, of the Member's Average Final Compensation at the time of disability retirement. On the date that a Member, who retired under Section F-7 and who receives benefits under this Section F-8, would have accrued twenty-five years of creditable service had the Member continued in active service, or on the date that the Member reaches age sixty, whichever comes first, the Member shall be eligible for optional benefits as provided Part H of this Article F.
  - (2) In addition to the disability Pension provided for in Section F-8(a)(1), any Member who receives a disability Pension pursuant to Section F-8(a)(1) and has not accrued a total of twenty-five (25) years of creditable service as of the date of the Member's disability retirement shall receive a supplemental disability payment in the amount of sixteen and two-thirds percent (16-2/3%) of the Member's Average Final Compensation at the earlier of (i) the time of disability retirement or (ii) June 30, 2014. This supplemental payment shall terminate upon the expiration of the period when a Member who retired under Section F-7 of this Part B and who receives benefits under Section F-8(a)(1) would have accrued twenty-five years of creditable service had the Member continued in active service, or on the date that the Member reaches Age sixty, whichever comes first.

Effective July 1, 1992 for DPLSA members, the Average Final Compensation used in this computation shall mean the current maximum salary for the rank(s), grade(s) or position(s) which would have been held by the Member over the sixty months prior to the earlier of (i) the date of retirement (reduced disability/service retirement when the Member would have attained a total of twenty-five years of

credited service) had he or she continued working in that classification which he or she held at the time of his or her disability or (ii) June 30, 2014. For Members who begin receiving such benefits on or after July 1, 1998 and before July 1, 2014, the amount of the Member's most recent full longevity payment shall be included in the definition of Average Final Compensation.

Effective July 1, 1992 for DFFA and DPOA members, the Average Final Compensation used in this computation shall be the highest average annual compensation that would have been received by such a Member had he or she continued working in the classification he or she held at the time of his or her disability, during any period of five consecutive years, selected by the Member, contained within the last ten years immediately preceding the earlier of (i) expiration of the period when the Member would have attained a total twenty-five years of creditable service and (ii) June 30, 2014.

Effective July 1, 2000, the Average Final Compensation used in this computation shall mean the current maximum salary, including the annual longevity payment provided above, for the rank(s), grade(s) or position(s) which would have been held by the Member over the thirty-six (36) months prior to the earlier of (i) retirement or (ii) June 30, 2014.

- (3) In the case of a Member retired under Section F-8 who receives benefits under F-8(a)(1) and F-8(a)(2), the Accumulated Contributions standing to the Member's credit at the date of retirement shall continue to be held in the Annuity Savings Fund and Regular Interest shall be credited thereto. If such Member dies before the date upon which the Member would have achieved a total of twenty-five years of creditable service had the Member continued in active service and before such Member reaches Age sixty, the balance of the member's Annuity Savings Account including interest thereon shall be paid as provided in Part D and Part E of this Article F.
- (b) This Section shall be applicable to those Members receiving benefits on the date of adoption of this Section who are not covered by the arbitration decision regarding the DPOA which became effective July 1, 1995, or the arbitration decision regarding the DPLSA which became effective June 30, 1998.
- (c) This Section does not rescind any substantive rights of disability retirees from the Retirement System who retired prior to the July 1, 1995 arbitration award, or the substantive rights of disability retirees from the DPLSA who retired prior to the June 30, 1998 arbitration award.
- (d) This Section does not amend any computations used to determine disability benefits payable under this Section F-8, or result in an increase or decrease in such disability benefits.

**Sec. F-9. Duty disability benefits; members beginning service on or after January 1, 1969 and becoming disabled prior to the dates set forth in Section F-10.**

- (a) A Member, as defined under Article D, Section D-1(d), who retired under Section F-7, shall receive the following benefits:
- (1) Each such Member shall receive a disability Pension of fifty percent (50%), or such other higher percentage that is in effect and applies to such Member, of the Member's Average Final Compensation at the earlier of (i) the time of disability retirement or (ii) June 30, 2014. On the date that a Member who retired under Section F-7 of this Part B and who receives benefits under this Section would have accrued twenty-five years of creditable service had the Member continued in active service, or on the date that the Member reaches Age sixty, whichever comes first, the Member shall be eligible for optional benefits as provided Part H of this Article F.
  - (2) In addition to the disability Pension provided for in Section F-8(a)(1) of this Part B, any Member who receives a disability Pension pursuant to Section F-8(a)(1) of this Part B and who has not accrued a total of twenty-five years or more of creditable service as of the date of the Member's disability retirement shall receive a supplemental disability payment in the amount of sixteen and two-thirds percent (16-2/3%) of the Member's Average Final Compensation at the earlier of (i) the time of the Member's disability retirement and (ii) June 30, 2014. This supplemental payment shall terminate when a Member who retires under Section F-7 and who receives benefits under Section F-8(a)(1) would have accrued twenty-five years of creditable service had he or she continued in active service or on the date that the Member reaches Age sixty, whichever comes first.
  - (3) In addition to the disability Pension provided for in Section F-8, any Member who receives a disability Pension pursuant to Section F-8(a)(1) and who has accrued more than twenty-five years ("additional years") of creditable service as of the earlier of (i) the date of the Member's disability retirement and (ii) June 30, 2014 shall receive another supplemental disability payment equal to two percent (2%), or such other higher percentage that is in effect and applies to such Member, of the Member's Average Final Compensation as of the earlier of such dates, multiplied by the number of additional years of creditable service the Member has accrued; provided, however, that such supplemental disability payment shall not exceed twenty percent (20%), or such other higher percentage that is in effect and applies to such Member, of the Member's Average Final Compensation.
  - (4) In the case of a Member who retires under Section F-7 and who receives benefits described under Section F-8(a)(1) through (3), the Accumulated Contributions standing to the Member's credit at the date of disability retirement shall continue to be held in a separate fund in the Annuity Savings Fund and Regular Interest shall be credited thereto. If such Member dies prior

to the time when the Member would have achieved a total of twenty-five years of creditable service had the Member continued in active service and before such Member reaches Age sixty, the amount of the Member's Accumulated Contributions so set aside and interest thereon shall be paid as provided in Part D and Part E of this Article. F

- (5) The amendment of Section F-8(a)(1) shall not result in an increase or decrease in the amount of disability benefits payable to Members.
- (b) This Section shall be applicable to those Members receiving benefits on the effective date of this Section F who are not covered by the arbitration decision regarding the DPOA which became effective July 1, 1995, or the arbitration decision regarding the DPLSA which became effective June 30, 1998. This Section does not rescind any substantive rights of disability retirees from the Retirement System who retired prior to the July 1, 1995 arbitration award, or the substantive rights of disability retirees from DPLSA who retired prior to the June 30, 1998 arbitration award.
- (c) This Section does not amend any computations used to determine benefits under Section F-8 of this Part, or result in an increase or decrease in such benefits.

**Sec. F-10. Duty Disability benefits; DFFA, DPOA and DPLSA members beginning service on or after January 1, 1969 and becoming disabled on or after the dates set forth below.**

- (a) This Section F-10 shall be applicable to:
  - (1) DFFA employees who file applications for disability retirement on or after July 1, 1995 and who have a parity relationship with the DPOA and on or after June 30, 1998, for DFFA employees with a parity relationship with the DPLSA and the DPCOA Inspector;
  - (2) all DPLSA employees who file applications for disability retirement on or after June 30, 1998; and
  - (3) all DPOA members who file applications for disability retirement on or after July 1, 1995.
- (b) A Member who retires as a result of duty disability shall receive for a period of twenty-four months the sum of:
  - (i) a basic benefit equal to 50% of the Member's Final Compensation at the earlier of (i) the time his or her duty disability retirement begins or (ii) June 30, 2014; and
  - (ii) a supplemental benefit equal to 16-2/3% of the Member's Final Compensation at the earlier of (i) the time his or her duty disability retirement begins or (ii) June 30, 2014.

On July 1st of each year, the benefits determined under paragraphs (i) and (ii) above then payable will each be increased by adding to said amounts the product of the initial amount of said benefit which was computed at the time the duty disability retirement began and the applicable Pension Improvement Factor (Escalator).

- (c) After a Member receives benefits hereunder for a period of twenty-four months, the Board will determine whether the Member is disabled from any occupation. If the Member is disabled from any occupation, the Member shall continue to receive the benefit provided in paragraphs (b)(i) and (b)(ii) until such time as the Member would have attained twenty-five years of creditable service had he continued in active Service with the City. At that time, the Member shall continue to receive the benefit described in paragraph (b)(i) above; however, benefits described in paragraph (b)(ii) above will cease. If the Member is not disabled from any occupation, he shall continue to receive the benefit described in paragraph (b)(i) above; benefits described in paragraph (b)(ii) will cease.
- (d) Duty disability retirement benefits shall continue to be paid to a Member on duty disability retirement after the Member has attained twenty-five years of creditable service, to the earlier of (i) the Member's attainment of Age sixty-five, or (ii) termination of disability as determined by the Board. Upon termination of disability or attainment of Age sixty-five, a Member with twenty-five years of creditable service shall be eligible to receive a service retirement benefit. The amount of such service retirement benefit shall be the same amount which would have been payable if the conversion from duty disability retirement to service retirement had occurred at the date of attaining twenty-five years of creditable service. In the event that the examinations and/or investigations conducted by the Police Department result in a determination that a DPOA Member is not qualified for reappointment as a Police Employee, for medical reasons, disability benefits will be continued.
- (e) If a Member on duty disability retirement returns to active service and within a twenty-four month period re-qualifies for duty disability retirement for the same or related reasons he or she had been retired, then the disability shall be deemed a continuation of the prior disabling condition and the period of the return to work will not have caused the Member to be entitled to a new initial determination of benefit amounts as set forth in paragraph (b) above. Instead, such Member will return to retirement at the point he or she had reached in sub-paragraphs (b), (c) or (d) above as if there had not been a break in his or her period of placement on duty disability retirement.
- (f) Disability retirement benefits shall continue to be considered benefits provided by the City pursuant to the 1918 Detroit City Charter, as amended, which are paid instead of and not in addition to any benefits under the State Workers' Disability Compensation Act.
- (g) Survivor benefit coverage applicable to active Members shall be continued during the period a Member is eligible for a duty disability benefit. Upon conversion to a service retirement benefit as provided in paragraph (d), automatic survivor benefit

coverage shall terminate. At that time, the Member shall have the right to elect an optional form of payment in the same manner as if he or she had retired from active membership on the conversion date.

(h) Pension Credit While on Duty Disability Status

- (1) While eligible to receive duty disability benefits, Pension service credit shall continue to accrue, but not beyond June 30, 2014.
- (2) The accrual of Pension service credit will cease on the earlier of (i) the date the Member has twenty-five years of creditable service, or (ii) June 30, 2014.

(i) Earnings Offset

- (1) In the event that a recipient of a duty disability retirement benefit receives earned income from gainful employment during a calendar year, the amount of the Member's disability benefit payable during the next subsequent Fiscal Year will be adjusted so it does not exceed the difference between (i) the Member's base salary at the date of disability, increased by 2.25% times the number of full years from the date of disability to the year in which the earnings offset is applied, and (ii) the amount of remuneration from gainful employment during the prior calendar year.
- (2) The earnings test shall be based on information the Board may periodically require from a duty disability benefit recipient or has secured from other reliable sources. Furnishing such information shall be a condition for a Member's continued eligibility for a duty disability benefit.

- (j) The withdrawal provision of the Retirement System will continue to apply to Members on duty disability. If a duty disability recipient elects annuity withdrawal after attaining twenty-five years of creditable service, the applicable benefit reduction will offset the duty disability benefit until the conversion date, after which it will offset the converted service retirement benefit.

**Sec. F-11. Non-duty disability.**

- (a) On written application to the Board by or on behalf of a Member or by the head of his Department, a Member, who becomes Totally Disabled for duty by reason of injury, illness or disease not resulting from the performance of duty as determined by the Board of Trustees, shall be retired by the Board of Trustees. If said Member was separated from service after the filing of the written application and had attained twenty-five years or more of creditable service prior to the date of separation, the Board shall retire said Member, under this Part B.
- (b) A Member retired under paragraph (a) above shall receive the following applicable benefits:

- (1) If such Member has less than five years of creditable service at the time of his or her disability retirement, his or her Accumulated Contributions standing to his or her credit in the Annuity Savings Fund shall be returned to the Member, or at his or her option, he or she shall receive a cash refund annuity which shall be the Actuarial Equivalent of his or her Accumulated Contributions.
- (2) If such Member has five or more years of creditable service at the time of his or her disability retirement, he or she shall receive a disability Retirement Allowance computed in accordance with the provisions of this Article F, Part A, Section F-2(a) or (b), whichever is applicable, and he or she shall have the right to elect an Option provided for in Part H of this Article F. The Member's Straight Life Retirement Allowance shall not be less than twenty per cent of his or her Average Final Compensation. Such Retirement Allowance shall be subject to Parts I and K of this Article F.
- (3) If a Member receiving non-duty disability benefits has any Accumulated Contributions standing to his or her credit in the Annuity Savings Fund when the Member would have attained twenty-five years (effective as of March 8, 2007, twenty years for DPOA members and fire equivalents) of creditable service, such Member may withdraw the balance of such contributions at that time.

**Sec. F-12. Disability retirement procedures.**

- (a) The Board shall establish procedures for determining whether a Member is disabled. Such procedures shall be consistent with any collective bargaining agreements between the City and the unions covering Police Employees and Fire Employees.
- (b) If a Member is determined to be disabled, the Board or its designee will examine the pension file, including the submissions of the Member and the Police or Fire Department, to determine if there is any dispute as to whether the disability "resulted from the performance of duty" within the meaning of the Combined Plan. If it is undisputed that the disability did result from the performance of duty, the Board will grant duty disability retirement benefits. If it is undisputed that the disability did not result from the performance of duty, the Board will grant non-duty disability retirement benefits, provided the Member meets the other conditions of eligibility. If the performance of duty issue is in dispute, the Board will refer the matter to arbitration by a member of the Disability Retirement Review Board ("DRRB"). The decision of the DRRB member as to whether the disability resulted from the performance of duty shall be final and binding upon the Member, the Department and the Board. The DRRB shall consist of three qualified arbitrators who will be individually assigned in rotating order to decide the matters referred to arbitration by the Board. The three members of the DRRB shall be disinterested persons qualified as labor arbitrators and shall be selected in accordance with agreements between the City and the unions representing Members. The procedure for the termination of DRRB members and the selection of new DRRB members also shall be carried out in

accordance with the agreements between the City and the unions representing Members.

(c) The hearing before a member of the DRRB will be conducted in accordance with the following procedures:

- (1) The Member and the City will have the right to appear in person or otherwise may be represented by counsel if they wish and will be afforded an equal opportunity to present evidence relevant to the issues;
- (2) A court reporter will be present and make a stenographic record of the proceedings;
- (3) The hearing will be closed to the public, except that the Member may select one person to be with him or her in the hearing room; provided, however, that person may not testify;
- (4) The witnesses will be sequestered;
- (5) The witnesses will be sworn by the court reporter and testify under oath;
- (6) The Member may not be called by the City as an adverse witness;
- (7) The DRRB member will apply the rules of evidence and follow the procedures which are customarily applied and followed in labor arbitration cases;
- (8) If the Member wishes to have an employee of the City released from duty to appear as a witness on his or her behalf, the Member may so inform the Board in writing which, in turn, will submit a written request to the appropriate Department for the release of the employee for the purpose of so testifying;
- (9) The DRRB member will afford the parties an opportunity for the presentation of oral argument and/or the submission of briefs;
- (10) The DRRB member will issue a written decision containing credibility resolutions as necessary, findings of fact and conclusions with respect to all relevant issues in dispute;
- (11) The authority of the DRRB member is limited to deciding whether or not the Member's disability "resulted from the performance of duty" within the meaning of the Combined Plan. The DRRB member shall have no authority to add to, subtract from, modify or disregard the terms of the Combined Plan; and
- (12) The costs associated with the hearing, including the arbitrator's fees and expenses and the court reporter's fees and expenses, will be paid by the Retirement System.

- (d) If a disability retiree is determined by the Board or its delegate to no longer be disabled, he or she may appeal that determination within seven (7) days thereof by filing a written request with the Board for a re-examination. The Board or its delegate shall promptly arrange for such re-examination. The Member's disability benefits will be continued pending that final and binding medical finding, and if the finding is that the Member is no longer disabled, his or her disability benefits will be further continued while the Police or Fire Department conducts such examinations and/or investigations as necessary to determine whether the Member is qualified for reappointment to active duty. In the event that the examinations and/or investigations conducted by the Police Department result in a determination that a Member represented by DPLSA is not qualified, for medical reasons, for reappointment to active duty, disability benefits will be continued.
- (e) The Board of Trustees shall not act upon or grant the application filed by a Police Employee or Fire Employee who, although he or she is not capable of performing the full duties of a Police Employee or Fire Employee, has not suffered any diminishment of his or her base wages or benefits because he or she is either:
  - (1) regularly assigned to a position, the full duties of which he or she is capable of performing; or
  - (2) assigned to a restricted duty position, unless the Police Department or Fire Department advises that it intends to seek a disability retirement for the Police Employee or Fire Employee in the foreseeable future.
- (f) The provisions in paragraph (e) above are not intended to and will not:
  - (1) affect the right of a Member to seek a disability retirement when no restricted duty position is available; or
  - (2) restrict in any way the existing authority of the Chief of Police or the Fire Commissioners to seek a duty or non-duty disability retirement for a Member or for that Member at that time to request a duty or non-duty disability retirement.
- (g) DPCOA and DPLSA members who are retired on disability Pensions pursuant to this Part B shall be entitled to lump sum payments of all accumulated time from the date that the Board of Trustees determines that they are entitled to such a Pension. These members shall not be required to utilize such time delaying their retirement dates.

or her service Retirement Allowance, disability Pension, or disability Retirement Allowance shall be changed proportionately, and if such rank, grade, or position shall have been abolished, his or her service Retirement Allowance, disability Pension, or disability Retirement Allowance shall be changed in proportion to the change made in the compensation of the existing rank, grade, or position most nearly approximating the rank, grade, or position so abolished.

**Sec. F-14. Increase of Benefits; Pension Improvement Factor (Escalator).**

On and after July 1, 1969, and the first of July of each year thereafter until July 1, 1992, the Pension portion of any Retirement Allowance or death benefit of a Member or Beneficiary of a Member as defined in Article D, Section D-1(d), which is paid or payable under this Component II shall be increased at the rate of two per cent (2.0%) per annum computed on the basis of the amount of the Pension received at the time of retirement.

On or after July 1, 1992 and the first of July each year thereafter until July 1, 2014, the Pension portion of any Retirement Allowance or death benefit of a Member or Beneficiary of a Member as defined in Article D, Section D-1(d), (including those Members who opt to retire under the New Plan provisions) shall be increased at the rate of two and twenty-five one-hundredths per cent (2.25%) per annum computed on the basis of the amount of the Pension received at the time of retirement.

Effective for Members who retire on or after July 1, 1997 (July 1, 1998 for DPCOA members, DPLSA members and DFFA members with a parity relationship with DPCOA and July 1, 2001 for DPOA members and their fire equivalents), the Pension Improvement Factor (Escalator) described in this Section shall be re-computed each Fiscal Year ending before July 1, 2014 on the basis of the amount of Pension received in the previous Fiscal Year (i.e., the 2.25% per annum escalation amount shall be compounded).

Pension benefits for DPCOA members under Component II based on service rendered after November 30, 2012 shall not be subject to any escalation amounts.

The Pension portion of any Retirement Allowance or death benefit of a Member, or Beneficiary of a Member as defined in Article D, Section D-1(d) of the Combined Plan provisions, and Article 51.G. of the DPLSA collective bargaining agreement or Article 3.K. of the DPOA collective bargaining agreement (to include those Members who opt out to retire under the New Plan provisions) earned after April 1, 2011 (for DPLSA members) or September 1, 2011 (for DPOA members), shall not be increased whatsoever, per annum or otherwise. The Pension portion of any Retirement Allowance or death benefit of a Member, or Beneficiary of a Member as defined herein, accrued prior to April 1, 2011 (for DPLSA members) or September 1, 2011 (for DPOA members), shall still be increased as provided herein. Hence, Pension benefits earned based on service rendered after April 1, 2011 (for DPLSA members) or September 1, 2011 (for DPOA members) will no longer receive the 2.25% per annum escalation amount. The 2.25% per annum escalation amount shall continue to apply to Pension benefits earned based on service rendered before April 1, 2011 (for DPLSA members) or September 1, 2011 (for DPOA members).

**Sec. F-15. Payment.**

Except as provided in the Plan of Adjustment, the escalation factor contained in Section F-14 above shall be payable to the Member or Beneficiary of a Member as defined in Article D, Section D-1(d), notwithstanding any Retirement Allowance or Pension amount limitation provisions in this Component II to the contrary.

**Part I — Pension Offset by Compensation Benefits.**

**Sec. F-25. Generally.**

Any amounts which may be paid under the provisions of any workmen's compensation, or pension, or similar law to a Member, or to the dependents of a Member on account of any disability or death, shall be offset against and payable out of funds provided by the City under the provisions of the Retirement System on account of the same disability or death. In case the present value of the total commuted benefits under said workmen's compensation, pension, or similar law, is less than the Pension Reserve or benefits otherwise payable from the funds provided by the City under this Retirement System, then the present value of the commuted payments shall be deducted from the Pension Reserve, and such benefits as may be provided by the Pension Reserve, so reduced, shall be payable under the provisions of the Retirement System.

**Part J — Monthly Payments.**

**Sec. F-26. Generally.**

Unless otherwise herein provided, all benefits payable under this Retirement System shall be paid in equal monthly installments.

## **Part K — Re-Examination of Beneficiaries.**

### **Sec. F-27. Authority of Board.**

- (a) Once each year during the retirement of a Member on a disability Pension or a disability Retirement Allowance and at least once in every three year period thereafter the Board of Trustees shall require any disability retiree, if he or she would not then be eligible for a service Retirement Allowance had he or she remained in active service, to undergo a medical examination at a place to be fixed by the Board of Trustees. If the retiree shall be required to travel more than twenty miles to reach such place, the Board of Trustees shall pay his or her reasonable traveling expenses. Should such disability retiree refuse to submit to such examination, his or her disability Pension or disability Retirement Allowance may be discontinued until he or she shall submit to such examination and should such refusal continue for one year, all of the Member's rights in and to a Pension may be revoked by the Board of Trustees. If, on medical examination of a Beneficiary, the Board of Trustees determines that the retiree is physically able and capable of resuming active duty, he or she shall be restored to such duty and his or her other disability Pension or disability Retirement Allowance shall cease. Such Member so restored to active duty shall be returned to duty in a rank or grade equivalent to or higher than the rank or grade in which he or she was serving at the time of his or her last retirement and his or her compensation shall be that provided for the rank or grade in which he or she is restored to service. It shall be the duty of the Commissioner of Police or the Board of Fire Commissioners to restore such Member to duty forthwith.
- (b) If the Board of Trustees determines that a disabled Old Plan Member is engaged in a gainful occupation, paying more than the difference between his or her Final Compensation as of the earlier of (i) the date of disability or (ii) June 30, 2014 and his or her disability Pension, or disability Retirement Allowance, the amount of his or her Pension shall be reduced to an amount, which together with the amount earned by the Member, shall equal the amount of such Final Compensation. If the Board of Trustees determines that a disabled New Plan Member is engaged in a gainful occupation, paying more than the difference between his or her base salary at the earlier of (i) the time of disability or (ii) June 30, 2014, increased by two and twenty-five one hundredths percent (2.25%) for each full year from the date of disability and his or her disability Pension, or disability Retirement Allowance, the amount of his or her Pension shall be reduced to an amount, which together with the amount earned by him or her, shall equal the amount of such final compensation. Should his or her earnings be later changed, the amount of his or her Pension may be further modified in like manner.
- (c) A disability retiree who shall be reinstated to active service prior to July 1, 2014 as provided in this Section, shall from the date of such restoration again become a Member of the Retirement System, and he or she shall contribute to the Retirement System thereafter in the same manner and at the same rate as he or she paid prior to his or her disability retirement. A disability retiree who shall be reinstated to active service after June 30, 2014, shall from the date of such restoration become an active

Member of the Retirement System and shall accrue future benefits pursuant to Component I. He or she shall contribute to the Retirement System at the rate required of active Members pursuant to Component I. Any Prior Service and Membership Service on the basis of which his or her service was computed at the time of his or her disability retirement shall be restored to full force and effect, and he or she shall be given service credit under Component I or Component II, as applicable, for the period of time he or she was in retirement due to such disability, except in the case of nonservice connected disability.

## **Part L — Withdrawal of Accumulated Contributions**

### **Sec. F-28. Member With Twenty or Twenty-Five Years of Service.**

Effective July 1, 1982, a Member with twenty-five years or more of creditable service (effective as of March 8, 2007, twenty years for DPOA members and fire equivalents) shall be allowed to withdraw either a portion or the full amount of his or her Accumulated Contributions, one time only, whether or not the Member retires. A Member shall make such election prior to the receipt of his or her first retirement benefit check.

### **Sec. F-29. Disabled Member**

A Member who is receiving disability benefits (duty or non-duty) from the Retirement System and who has twenty-five years (effective as of March 8, 2007, twenty years for DPOA members and fire equivalents) or more of creditable service shall have the right to withdraw the full amount of his or her Accumulated Contributions. If such Member withdraws his or her Accumulated Contributions, his or her retirement benefit shall be actuarially reduced to reflect such withdrawal.

### **Sec. F-30. Optional Annuity Withdrawal**

- (a) A Member shall have the right to elect to receive on the effective date of his or her service retirement a partial or total refund of his or her Accumulated Contributions. If a Member makes such an election, an Annuity payable under any Retirement Allowance or reduced Retirement Allowance shall be reduced proportionally. If the total Accumulated Contributions are withdrawn, no Annuity shall be payable.

The limitation of fifteen twenty-seconds of the maximum earnable compensation of a Police Employee and Fire Employee continues in effect. For purposes of determining the fifteen twenty-seconds limitation, a computation based on the Annuity which is an Actuarial Equivalent of the Accumulated Contributions standing to a Member's credit in the Annuity Savings Fund prior to any partial or total refund will be used.

On or after July 1, 1974, Members or former Members who are entitled to begin to receive the 40 & 8 benefit provided under Section F-6 will be entitled to the annuity refund withdrawal option.

On or after July 1, 1974, non-duty disability retirees represented by DFFA, DPCOA and DPLSA who retired pursuant to Article D, Section D-1(a), (b) or (c) prior to

having twenty-five years of service credit, shall be entitled to the annuity refund withdrawal option on the date he or she would have had twenty-five years of service credit had he or she continued as an active employee. Said option shall only apply to the balance of Accumulated Contributions, if any, remaining to such retiree's credit in accordance with the existing annuity refund provisions.

Survivor benefit beneficiaries as defined in Title IX, Chapter VII, Article VI, Part E, Section 2, parts (a), (b) and (c) of the 1918 City Charter in effect as of June 30, 1974, and continued in effect by Section 11-102 of the City Charter shall be entitled to the annuity withdrawal refund option subject to the same rules that would have been applicable to the deceased Member or Members had he or she not died. Said option shall only apply to the balance of Accumulated Contributions, if any, remaining to the applicable former Member's credit.

In any case of doubt, the Board of Trustees shall decide whether a Member or Beneficiary is entitled to an annuity refund withdrawal option.

- (b) A Member shall have the right on or after the effective date of his becoming eligible for a full service Retirement Allowance (Members who have either twenty or twenty-five years of creditable service depending upon the applicable bargaining unit) to elect to receive a partial or total refund of his or her Accumulated Contributions to the Annuity Savings Fund. If a Member makes such an election, an Annuity payable under any Retirement Allowance or reduced Retirement Allowance shall be reduced proportionally. If the total Accumulated Contributions are withdrawn, no Annuity shall be payable.

If a Member makes such an election, the Retirement Allowance shall be reduced to reflect the value of the Annuity withdrawn. The amount of the Annuity at the time of such election shall be the amount used at the time of retirement for purposes of computing the Retirement Allowance.

All members (except DPOA members retiring prior to July 1, 1982) who complete their required years of service, shall have the right to withdraw all or part of their Accumulated Contributions whether they choose to retire or not.

Effective July 21, 2000 for DFFA members having a parity relationship with the DPOA and for the DPCOA Inspector, and effective July 1, 2003 for DPLSA members, and effective July 21, 2000 for DPOA members, a Member who has elected to retire and elected to withdraw his or her Annuity for the purposes of calculating his or her Retirement Allowance (thereby lowering the Retirement Allowance), may nevertheless choose to leave the Annuity in the Retirement System collecting regular annuity interest with the option of a one-time withdrawal of the Annuity funds at a later date.

For a DPCOA, DPLSA or DFFA member or an employee with a parity relationship with the DPLSA and for the DPCOA Inspector who retires on or after July 1, 1990, and who has made or makes an election to receive a total or partial refund of his or

her accumulated contribution to the Annuity Savings Fund, there shall be no reduction of Retirement Allowances due to the portion of withdrawal representing interest credits. For members of DFFA and DPLSA, this Subsection shall be controlled by the requirements of the Act 312 arbitration award issued June 25, 1990 (MERC Case No. B89 C-0622, page numbers 22 and 23).

Effective January 15, 2010 for members of DPCOA and fire equivalents, or December 15, 2008 for DPLSA and fire equivalents, or March 8, 2007 for DPOA members and fire equivalents, a Member who retires and elects to leave a balance in the Annuity Savings Fund shall have the option of receiving a quarterly payment of interest earnings only or to take periodic withdrawals of principal, in addition to a one time complete withdrawal. Members of DPCOA and DPLSA and their fire equivalents must make their elections a minimum of thirty days before the beginning of a quarter; quarter defined as beginning March 1, June 1, September 1, and December 1.

An employee represented by DFFA, DPCOA or DPLSA who is entitled to a Retirement Allowance under Article F, Part A, Section F-5 of the Retirement System and who leaves the employ of the Police or Fire Department of the City on or after July 1, 1982 shall have the right to elect to receive on the effective date of termination a partial or total refund of his Accumulated Contributions. The Pension portion of his Retirement Allowance shall be computed as if the Member had not withdrawn his or her Accumulated Contributions from the Annuity Savings Fund until the date he or she was eligible to retire had he or she continued in City employment.

- (c) Effective in accordance with the specific date and terms of the DPOA award in Act 312 No. D98 E-0840 (Chairman Donald F. Sugerman, dated July 21, 2000), a DPOA member shall have the right to leave his or her withdrawn Annuity in the Pension system and accumulating interest, as provided therein.

## **ARTICLE G. METHOD OF FINANCING.**

### **Sec. G-1. General.**

The funds of the Retirement System shall be the Annuity Savings Fund, Annuity Reserve Fund, Pension Accumulation Fund, Pension Reserve Fund, Expense Fund and the Survivors Benefit Fund.

### **Sec. G-2. Annuity Savings Fund.**

- (a) The Annuity Savings Fund shall be the fund in which shall be accumulated at Regular Interest, the contributions deducted from the compensation of Members to provide for their Annuities. Subject to Section B-1(c), the contributions of a Member as defined in Article D, Section D-1(a), (b) or (c) shall be five percent of a Member's compensation until the Member has acquired twenty-five years of creditable service. Subject to Section B-1(c), the contribution of a Member as defined in Article D, Section D-1(d) shall be five percent of his or her compensation until he or she has acquired at least twenty-five years of creditable service (effective as of March 8, 2007, twenty years for DPOA members and fire equivalents) and attained age fifty-five. No Member shall have the option of choosing to receive the compensation required to be contributed hereunder directly instead of having such amounts paid by the City to the Annuity Savings Fund.
- (b) The City shall cause the contributions provided for in paragraph (a) above to be deducted from the compensation of each Member on each and every payroll, for each and every payroll period, from the date of his or her entrance in the System to the earlier of (i) the date he or she ceases to be a Member or (ii) the last payroll date occurring in July 2014.
- (c) The deductions provided for herein shall be made notwithstanding that the minimum compensation provided by law for any Member shall be reduced thereby. Every Member shall be deemed to consent and agree to the deductions made and provided for herein, and payment of his or her salary or compensation, less said deduction, shall be a full and complete discharge and acquittance of all claims and demands whatsoever for the services rendered by such person during the period covered by such payments, except as to the benefits provided under this Retirement System. The amounts to be deducted shall be deducted by the City Treasurer and when deducted shall be paid into the Annuity Savings Fund and shall be credited to the individual account of the Member from whose compensation said deduction was made.
- (d) If, under the provisions of this Component II, any person shall withdraw or be paid any part or all of his Accumulated Contributions and shall thereafter again become a Member on or before June 30, 2014, he or she shall, in addition to the contributions provided for in paragraph (a) above, redeposit in the Annuity Savings Fund, by an increased rate of contribution to be determined by the Board of Trustees, or by a single payment, such amount that his or her Accumulated Contributions at the date of

his or her eligibility for retirement will be the same amount it would have been had no withdrawal or payment been made therefrom.

- (e) Except as is otherwise provided in this Component II, upon the death or retirement of a Member, his or her Accumulated Contributions shall be transferred from the Annuity Savings Fund to the Annuity Reserve Fund.
- (f) In any Plan Year during the period beginning on or after July 1, 2014 and ending June 30, 2023 in which the annual rate of return credited to the accounts of Members investing in the Annuity Savings Fund as provided in paragraph (a) is less than the actual rate of return net of expenses of the Retirement System's invested assets for the second Plan Year immediately preceding the Plan Year in which the annual rate of return is credited ("ASF Return Excess"), an amount equal to the value of the ASF Return Excess shall be transferred to the Pension Accumulation Fund maintained under Component I of the Combined Plan and shall be used to fund the Transition Cost relating to Component I. The Transition Cost is a measure of the liability that Component I of the Retirement System has at its inception; due to the fact that at its inception, Members in Component I of the Retirement System receive vesting and eligibility credit under Component I for service that was earned prior to July 1, 2014 and is otherwise credited to Members under Component II of the Retirement System, as such Transition Cost is calculated by the Plan Actuary. In the event there is an ASF Return Excess for a Plan Year following the Plan Year in which such transfers have fully funded the Transition Costs relating to Component I, fifty percent (50%) of such ASF Return Excess shall be transferred to the Pension Accumulation Fund maintained under Component II and the remaining fifty percent (50%) of such ASF Return Excess shall be transferred to Component I and credited to the Rate Stabilization Fund maintained under Component I. "Transition Cost" shall be determined by the Plan Actuary.

### **Sec. G-3. Annuity Reserve Fund.**

The Annuity Reserve Fund shall be the fund from which shall be paid all Annuities payable as provided in this Component II, except Annuities which are payable from the Survivors Benefit Fund. Should a disability retiree be restored to active service, his or her Annuity Reserve at the time shall be transferred from the Annuity Reserve Fund to the Annuity Savings Fund and credited to his or her individual account therein.

### **Sec. G-4. Alternative Financing Method.**

Except as provided regarding the Survivors Benefit Fund, the Pension Accumulation Fund shall be the fund in which shall be accumulated reserves for the Pensions and other benefits payable from contributions made by the City, and from which transfers shall be made as provided in this section.

- (a) *Accrued Liability Fund.* Pursuant to *Ordinance No. 05-05*, which authorized the creation of the Detroit Police and Fire Retirement System Service Corporation, the City entered into a transaction ("the Pension Funding Transaction") to obtain funds as

an alternative to those available through the traditional funding mechanism described in Section G-5. The proceeds generated by the Pension Funding Transaction (or any Additional Pension Funding Transaction, as described below) that were deposited into the Retirement System will be termed the "Funding Proceeds." The Funding Proceeds were deposited into a new Fund in the Retirement System called the Accrued Liability Fund. The purpose of the Funding Proceeds is to fund all or part of the heretofore unfunded accrued liabilities ("UAAL") of the Retirement System. The Funding Proceeds are the assets of the Retirement System and will be applied, together with all other assets of the Retirement System, to fund the Retirement System's obligation to pay accrued benefits, as adjusted in the Plan of Adjustment.

This Accrued Liability Fund shall contain only the Funding Proceeds of the Pension Funding Transaction, and any earnings thereon. Prior to Fiscal Year 2013, funds were transferred each Fiscal Year (or monthly portion thereof) from the Accrued Liability Fund to the Pension Accumulation Fund as provided in the documents governing the Retirement System, including *Ordinance No. 5-05*.

- (b) As soon as practicable following the effective date of the Plan of Adjustment, any amounts remaining credited to the Accrued Liability Fund shall be transferred to the Pension Accumulation Fund and the Accrued Liability Fund shall cease to exist.

#### **Sec. G-5. Contributions to and payments from Pension Accumulation Fund.**

Contributions to and payments from the Pension Accumulation Fund shall be made as follows:

- (a) For Fiscal Years commencing prior to July 1, 2014, upon the basis of such assumptions as to future financial experiences as the Board of Trustees shall from time to time adopt, the Actuary annually computed the City's contribution, expressed as a percent of active Member contributions, to provide the Pension Reserves covering the Pensions or other City-financed benefits to which Members might be entitled or which might be payable at the time of their discontinuances of City employment; provided, such contribution percents shall not be less than amounts which, expressed as percents of active Member compensation will remain level from generation to generation of Detroit citizens. Upon the retirement or death of a Member, the Pension Reserve for any benefits payable on his or her behalf shall be transferred from the Pension Accumulation Fund to the Pension Reserve Fund, to the extent of there being assets in the Pension Accumulation Fund.
- (b) For Fiscal Years commencing prior to July 1, 2014, the Board of Trustees annually ascertained and reported to the Mayor and the Council the amount of contributions due the Retirement System by the City, and the Council may have appropriated and the City may have paid such contributions to the Retirement System during the ensuing Fiscal Year. When paid, such contributions were credited to the Pension Accumulation Fund.

- (c) For Fiscal Years commencing after June 30, 2014, the City shall make contributions to the Pension Accumulation Fund only as provided in the Plan of Adjustment.

**Sec. G-6. Retiree payments from Pension Reserve Fund; reinstatement of disability retirees to active service.**

Except as to the Survivor's Benefit Fund, the Pension Reserve Fund shall be the fund from which shall be paid Pensions on account of Members. Should a disability retiree be reinstated to active service, the Member's Pension Reserve, at that time, shall be transferred from the Pension Reserve Fund to the Pension Accumulation Fund.

**Sec. G-7. Expense Fund.**

The Expense Fund shall be the fund to which shall be credited all money provided by the City, if any, to pay the administration expenses of Component II, and from which shall be paid all the expenses necessary in connection with the administration and operation of Component II.

**Sec. G-8. Appropriations prior to July 1, 2014.**

- (a) The Board of Trustees shall certify the amount of the appropriation necessary to pay to the various funds of Component II of the Retirement System the amounts payable by the City as enumerated in this Component II, according to legal budget procedure.
- (b) To cover the requirements of Component II prior to July 1, 2014, such amounts as shall have been necessary to cover the needs of Component II prior to July 1, 2014 shall be paid into the Pension Accumulation Fund and the Expense Fund by special appropriations or transfers to the Retirement System; provided, however that no transfers can be made from the Accrued Liability Fund other than the annual transfer of the scheduled amortizing amount, or transfers under special circumstances pursuant to Section G-4 (as in effect prior to July 1, 2014).

**Sec. G-9. Maintenance of reserves.**

The maintenance of the Annuity Reserves in the Annuity Reserve Fund and the Pension Reserves in the Pension Reserve Fund are hereby made obligations of the Pension Accumulation Fund. All income, interest, and dividends derived from deposits and investments authorized by this Component II, which are not required for the allowance of interest to the funds of the Retirement System as provided herein, shall be credited to the Pension Accumulation Fund. Prior to July 1, 2014, the moneys credited to the Accrued Liability Fund were credited to the Pension Accumulation Fund only to the extent authorized pursuant to the terms of the Retirement System as in effect prior to July 1, 2014. Any contributions by the City to the System from any fund impressed by law with a certain and definite purpose shall be accounted for separately.

**Sec. G-10. Survivors Benefit Fund.**

- (a) The Survivors Benefit Fund shall be the fund in which shall be accumulated, at Regular Interest, the reserves for survivors benefits provided for in Article F, Part E, Section F-18, hereof, and from which such benefits shall be paid, but only to the

extent sufficient assets are credited to the fund at the time a claim for benefits is made. In the event there are insufficient assets credited to the Survivor's Benefit Fund to pay the benefits provided under this Section G-10, such benefits thereafter shall be payable from the Pension Reserve Fund.

- (b) After June 30, 1965 and prior to July 1, 1986, each Member shall contribute to the Survivors Benefit Fund one per cent of his or her compensation paid by the City until he or she has acquired twenty-five years of creditable service. The City shall cause the said contributions to be deducted from the Member's compensation, on each and every payroll, for each and every payroll period so long as he or she remains a Member and has not acquired twenty-five years of creditable service. Each and every Member shall be deemed to consent and agree to the said deductions. Said contributions, when deducted, shall be credited to the Survivors Benefit Fund and shall in no case become a part of the said Member's Accumulated Contributions, nor be subject to refund.
- (c) Each Member who retires after June 30, 1965, under Part B, Section F-7 of Article F shall, prior to July 1, 1986, contribute to the Survivors Benefit Fund one per cent of his or her final compensation as defined until he or she would have had a total of twenty-five years of creditable service had he or she continued in active service. The Retirement System shall cause the said contribution to be deducted from the Pension of each such retired Member on each and every retirement roll, for each and every retirement roll period, so long as he or she is receiving a Pension under Part B, Section F-8(a) of Article F. Each and every such retired Member who is receiving a Pension under Part B, Section F-8(a) of Article F shall be deemed to consent and agree to said deductions. Said contributions, when deducted, shall be credited to the Survivors Benefit Fund and shall in no case become a part of said Member's Accumulated Contributions, nor be subject to refund.
- (d) Effective July 1, 1986, the contributions, required by Article G, Section G-10(b) and G-10(c), to the Survivors Benefit Fund were eliminated for union members. For Fiscal Years ending prior to July 1, 2014, the City shall make the contributions necessary to maintain the benefit level by contributing that amount necessary to replace the contributions of members of DFFA and DPOA to the Survivor's Benefit Fund.
- (e) For Fiscal Years ending prior to July 1, 2014, upon the basis of such mortality and other tables of experience, and Regular Interest, as the Board of Trustees shall from time to time adopt, the Actuary shall annually compute the liabilities for benefits being paid from the Survivors Benefit Fund. The Board of Trustees shall report to the Mayor and the Council the amount of contributions to be made by the City to the Survivors Benefit Fund, and the Council shall appropriate and the City shall pay such amount to the Retirement System during the ensuing Fiscal Year. When paid, such appropriations shall be credited to the Survivors Benefit Fund. For Fiscal Years commencing prior to July 1, 2014, if the balance in the fund is not sufficient to fully cover the liabilities so computed, the City shall appropriate and pay, in the ensuing Fiscal Year, the amount of such insufficiency. For Fiscal Years commencing on and

after July 1, 2014, the City shall not make any contributions to the Survivor's Benefit Fund.

- (f) Upon the death of a Member, on whose account survivors benefits become payable as provided in Article F, Part B, Section F-8, hereof, his or her Accumulated Contributions standing to his or her credit in the Annuity Savings Fund at the time of his or her death shall be transferred from the Annuity Savings Fund to, and shall become a part of, the Survivors Benefit Fund, notwithstanding any provisions in this Component II to the contrary.

**Sec. G-11. Computation of Annuity and Pension Reserve liabilities for Members, Retirees and Beneficiaries.**

In computing the Annuity and Pension Reserve liabilities for Members, retirees and beneficiaries, the Board of Trustees shall cause the following annual Decrement Probabilities, Salary Factors and interest assumption to be used.

- (a) The annual Decrement Probabilities and Salary Factors to be used in evaluating the Annuity and Pension liabilities for Members shall be as shown in Tables 1 and 2 hereinafter set forth.
- (b) The total of active Member annual compensation shall be assumed to increase three percent per annum, compounded annually.
- (c) The mortality assumption for retirees and beneficiaries shall be the mortality rates contained in the 1971 group annuity male mortality table, without setback for men and set back five years for women.
- (d) The investment return assumption shall be five percent per annum, compounded annually, for Fiscal Years commencing prior to July 1, 2014.
- (e) For Fiscal Years commencing on or after July 1, 2014, the Annuity and Pension Reserve liabilities shall be calculated in a manner which is consistent with the Plan of Adjustment.

**Sec. G-12. Determination of City's annual contribution — Disability Pension liabilities.**

For Fiscal Years commencing prior to July 1, 2014, the City's annual contribution, expressed as a percent of active Member compensation, to finance disability Pensions shall be determined by dividing the average of the Pension Reserve liabilities for disability retirements incurred, during the three Fiscal Years ending with the date of the valuation by one percent of the active Members' annual compensation used in the valuation.

**Sec. G-13. Determination of City's annual contribution — Death Pension liabilities.**

For Fiscal Years commencing prior to July 1, 2014, the City's annual contribution, expressed as a percent of active Member compensations, to finance death-in-service Pensions shall be determined by dividing the average of the Pension reserve liabilities for death-in-service claims incurred during the three Fiscal Years ending with the date of the valuation by one percent of the active Member's annual compensations used in the valuation.

**Sec. G-14. Determination of City's annual contribution — Actuarial evaluation of annuity and Pension Reserve liabilities.**

The Annuity and Pension Reserve liabilities for Members, retirees and beneficiaries shall be actuarially evaluated as set forth in this Article G and the Plan of Adjustment.

**Sec. G-15. Determination of City's annual contribution — Service Pension liabilities for Fiscal Years commencing prior to July 1, 2014.**

- (a) The service Pension liabilities for Members shall be determined using the entry age-normal cost method of actuarial valuation.
- (b) The City's annual contribution, expressed as a percent of active Member compensations, to finance the prospective service Pension liabilities shall be determined by dividing the total of the individual annual normal costs of the active Members by one percent (1%) of the active Members' annual compensation used in the valuation.
- (c) The City's annual contribution, expressed as a percent of active Member compensation, to finance any unfunded Accrued Service Pension liabilities, including instances in which assets exceed liabilities, shall be determined by dividing such unfunded Accrued Service Pension liabilities by one percent (1%) of the present value of future compensation payable during a period of future years. Such period of future years shall be thirty years for the actuarial valuation as of June 30, 1974, decreasing one (1) year at each subsequent June 30th until a twenty year period is reached, which twenty year period shall be used in each subsequent actuarial valuation until June 30th, 2004 when the period shall again be thirty years.

**Sec. G-16. Board of trustees to compute City's annual contribution.**

Based upon the provisions of this Article, including any amendments, the Board of Trustees shall compute the City's annual contributions for Fiscal Years commencing prior to July 1, 2014, expressed as a percent of active Member compensation, to the Retirement System for the Fiscal Year beginning July 1, 1975, using actuarial valuation data as of June 30, 1974, and for each subsequent Fiscal Year prior to July 1, 2014 using actuarial valuation data as of the June 30th date which date is a year and a day before the first day of such Fiscal Year. The Board shall report to the Mayor and to the City Council the contribution percents so computed, and such contribution percents shall be used in determining the contribution dollars to be appropriated by the City Council and paid to the Retirement System. For each Fiscal Year beginning July 1, 1975 and each Fiscal Year thereafter and prior to July 1, 2014, such contribution dollars shall be determined by multiplying the applicable contribution percent for such Fiscal Year by the Member compensation paid for such Fiscal Year; provided that for the one Fiscal Year beginning July 1, 1975 and ending June 30, 1976, such Member compensation so used shall not exceed 106.09 percent of the active Members' annual compensation used in the actuarial valuation determining such contribution percent.

#### **Sec. G-17. Refunds for certain Members.**

Effective July 1, 1974, a Member who holds the rank of police inspector and above and who is not covered by a collective bargaining agreement shall, notwithstanding any other provisions of Component II to the contrary, have the right to elect to receive on the effective date of his or her service retirement a partial or total refund of his or her Accumulated Contributions. Effective as of March 8, 2007, a DPOA and fire equivalent retiree who elects not to withdraw his or her Accumulated Contributions as of the effective date of his or her service retirement shall have the option of receiving a quarterly payment of interest credited to his or her Accumulated Contributions or to receive periodic withdrawals of the contributions such Retiree made to Component II of the Retirement System. If a Member makes such an election, an Annuity payable under any Retirement Allowance or reduced Retirement Allowance shall be reduced proportionately. If the total Accumulated Contributions are withdrawn no Annuity shall be payable with respect to such withdrawn amounts.

#### **Sec. G-18. Employer Contribution**

Effective January 1, 1987 for members of DFFA and DPLSA or upon issuance of the 1986-89 Act 312 Award for members of DPOA, the employee contributions to the Annuity Fund, although designated as employee contributions, shall be paid by the City in lieu of contributions by the Employee. The Employee shall not have the option of choosing to receive the contributed amount directly instead of having them paid by the City to the Annuity Fund. There shall be no additional contribution expense to the City, and the amounts so contributed by the City on behalf of the Employee shall be treated, for tax purposes, as employer contributions and thus shall not be taxable to the Employee until these amounts are distributed or made available to the Employee.

This provision shall not affect the amount or benefit level of the Retirement Allowance, or the City's obligation with respect thereto.

## **ARTICLE H. MISCELLANEOUS.**

### **Sec. H-1. Recall of Retirees during emergencies.**

During an emergency declared by the Commissioner of Police or the Board of Fire Commissioners, the Commissioner or the Board of Fire Commissioners, as the case may be, shall have power, with the consent of a Retiree, to recall to active duty a Retiree for such period of service as the commissioner or the Board of Fire Commissioners shall deem advisable; provided, however, that the foregoing power shall not apply in the case of a Retiree who has reached the age of sixty-four years, and provided further, that any Retiree so recalled may, at any time, separate from active duty on his or her own application or by order of the Commissioner or the Board of Fire Commissioners. A Retiree so recalled shall serve in the rank at which he or she retired, or a higher rank, and shall receive the pay of such rank without deduction. On subsequent separation from active duty, such Retiree shall resume the Retiree status held by him prior to such recall.

## **ARTICLE I. DEFERRED RETIREMENT OPTION PLAN.**

### **Sec. I-1. General provisions.**

For periods on and after July 1, 2014, the Deferred Retirement Option Plan ("DROP") Program under Component II shall be available to Members who are covered by collective bargaining agreements with the City that permit such Members to participate in the DROP program and non-union executives of the Police Department and the Fire Department.

- (a) In lieu of terminating employment and accepting a Retirement Allowance under the Component II, any Member of the Retirement System who is eligible for the DROP program and who is eligible to immediately receive a twenty-five year (or twenty year) Retirement Allowance may elect to participate in the DROP program and defer the receipt of his or her Retirement Allowance in accordance with the provisions of this Article I. Any such election shall be irrevocable.
- (b) Participation in the DROP program for Members for who elected to participate in the DROP program prior to July 1, 2014 shall be limited to ten years. Participation for Members who elect to participate in DROP program after June 30, 2014 shall be limited to five years. At the end of such five (or ten) year period of participation in the DROP program, the Member shall be retired from employment.

### **Sec. I-2. Conversion to Retirement Allowance**

Upon the effective date of a Member's participation in the DROP program, the Member shall cease to accrue a Retirement Allowance under Component I and shall elect a form of payment for his Retirement Allowance pursuant to Part H of Article F. Seventy-five percent (75%) of the monthly Retirement Allowance (including applicable variable Pension Improvement Factor (Escalator) increases) that would have been payable, had the Member elected to terminate employment with the City on the effective date of his or her DROP election and receive an immediate Retirement Allowance, shall be paid into a DROP Account established on behalf of the Member under the Retirement System or in an entity selected by the Board.

### **Sec. I-3. Investment of DROP assets**

- (a) ING was previously selected by the Board as the DROP administration and investment entity for Members who elect to participate in the DROP program. ING shall continue to be the DROP administration and investment entity, unless and until such time as the Board terminates the agreement with ING as provided in paragraph (d) or determines that it is administratively feasible for the DROP program to be administered and invested under the Retirement System.
- (b) As soon as possible after July 1, 2014, the Board shall determine whether it is administratively feasible for the DROP program to be administered and the assets in DROP accounts to be invested under the Retirement System. If the Board determines that it is feasible to administer the DROP program under the Retirement System, the Board shall promptly take appropriate steps to implement such decision.

- (c) If amounts credited to DROP accounts are invested under the Retirement System, such amounts shall be comingled with the assets of the Retirement System for investment purposes and shall be invested by the Trustees. A Member's DROP account shall be credited with annual earnings at a rate equal to seventy-five percent (75%) of the actual net earnings rate of the assets of the Retirement System; however, in no event shall the earnings rate applied to a Member's DROP account for any Plan Year be less than zero percent (0%) nor greater than seven and three-quarters percent (7.75%).
- (d) The Board of Trustees entered into an administrative services agreement with ING. Such agreement shall remain in effect until such time as it is terminated by the Board as provided therein.
- (e) The Board of Trustees may replace ING with a trust type vehicle or the Board may determine that amounts subject to a DROP election will be invested with Retirement System assets as provided above.
- (f) Any fees associated with the maintenance of DROP Accounts outside of the Retirement System shall be paid by the Members by means of deduction from their DROP Accounts.

#### **Sec. I-4. Distribution of amounts credited to DROP Account**

A Member shall not receive a distribution of amounts credited to his DROP Account prior to his termination of employment with the City. Upon termination of employment, a Member who is a participant in the DROP program shall receive, at his or her option either a lump sum payment from the DROP Account equal to the amount then credited to the DROP Account or an annuity based upon the amount credited to his DROP Account. In addition, one hundred percent (100%) of the Member's monthly Retirement Allowance that otherwise would have been paid upon the Member's retirement had he or she not elected to participate in the DROP program (together with any applicable variable Pension Improvement Factor (Escalator) increases) shall commence to the Member in accordance with the form of payment selected by the Member at the commencement of his or her participation in the DROP program. Termination of employment includes termination of any kind, such as resignation, retirement, discharge or disability.

#### **Sec. I-5. Death of Member while participating in the DROP program**

If a Member dies while participating in the DROP program, a lump sum payment equal to the Member's DROP Account balance shall be paid to the Beneficiary named by the Member, or if no Beneficiary has been designated, to the Member's estate; provided, notwithstanding anything to the contrary herein, the Member's adjusted DROP Account balance under Component II upon the Member's death while participating in the DROP program shall not be less than total system DROP payments into his or her account (not including earnings and losses). In addition, one hundred percent (100%) of the Member's Retirement Allowance (together with any applicable variable Pension Improvement Factor (Escalator) increases) that would have been paid to the Member but for the Member's decision to participate in the DROP

program will be restored. Survivor benefits, if any, shall be paid in accordance with the payment option elected by the deceased Member at the time the Member elected to participate in the DROP program.

#### **Sec. I-6. Disability of Member While Participating in the DROP Program**

If a Member becomes Totally Disabled while participating in the DROP program and while still an Employee and his employment with the City is terminated because he is Totally Disabled, such Member (a) shall be immediately retired and one hundred percent (100%) of the Retirement Allowance) that would have been paid to the Member but for the Member's decision to participate in the DROP program (together with any applicable variable Pension Improvement Factor (Escalator) increases) will commence in accordance with the payment option selected by the Member at the commencement of the Member's participation in the DROP program as provided in Section I-2, and (b) shall be entitled to receive payment of the funds in his DROP Account (in the form of a lump sum or other form of payment described in Part H of Article F). Such Member shall not be entitled to disability retirement benefits under Article F hereof.

#### **Sec. I-7. Cost Neutrality**

- (a) The DROP program shall be effective only for as long as it is cost-neutral to the City, provided however, that the DROP program shall continue during the pendency of proceedings, described in paragraph (2) below, designed to restore the Retirement System to cost neutrality.
- (b) If the City contends that the DROP program is not cost-neutral, including, but not limited to, making the City's annual contribution to the Retirement System higher than it would be if the DROP program was not in effect, the Board and the City, along with the Plan Actuary as well as an actuary appointed by the City (who will be an associate or a fellow of the Society of Actuaries and a member of the American Academy of Actuaries) shall meet and confer in good faith regarding the cost. If the Board and the City are unable to reach an agreement as to cost, the matter shall be submitted to a third, independent, actuary, chosen or agreed upon by the Plan Actuary and the City's actuary. This actuary, when rendering a decision, will be limited to ordering implementation of changes necessary to make the DROP program cost-neutral. Upon the implementation of changes necessary to make the DROP program cost-neutral, Members shall have thirty days to elect to either (a) retire from active employment with the City or (b) withdraw from the DROP program and resume active participation in Component I of the Retirement System. The Board shall notify DROP participants of these changes prior to implementation. Those DROP participants resuming participation in Component I of the Retirement System shall not accumulate Credited Service for any time that they were participating in the DROP program (under either Component I or Component II). Those not making either election shall remain participants in the DROP program.
- (c) In the event the DROP program cannot be changed to restore cost neutrality, it shall be discontinued and Members participating in the DROP program at that time shall have the option to either (i) retire or (ii) continue active employment with the City

and resume active participation in Component I of the Retirement System. DROP participants resuming participation in Component I of the Retirement System shall not accumulate Credited Service for the time during which such DROP participants participated in the DROP program (under Component I or Component II).

## **ARTICLE J. PARTICIPANT ANNUITY SAVINGS FUND LOAN PROGRAM**

### **Sec. J-1. Participant Annuity Savings Fund Loan Program**

A Participant Annuity Savings Fund Loan Program (Participant Loan Program) will be established and available to bargaining unit Members. Its terms will be as follows:

- (a) Any loans granted or renewed shall conform to the requirements of Section 72(p) of the Internal Revenue Code. Such loan program shall be established in writing by the Board of Trustees in conformity with the terms of the Combined Plan document and applicable collective bargaining agreements, and must include, but need not be limited to the following:
  - (1) The identity of the administrator of the Participant Loan Program;
  - (2) A procedure to apply for loans, the amount of loan that will be approved or denied, and limitations, if any, on the types and amount of loans offered;
  - (3) The procedure under the program for determining a reasonable rate of interest;
  - (4) The events constituting default and the steps that will be taken to preserve plan assets.
- (b) The Participant Loan Program shall be contained in a separate written document copies of which shall be made available in the offices of the Retirement System for Members. The Board of Trustees is authorized to adopt rules and regulations, from time to time, to govern the administration and the operation of this program. Copies of the rules shall also be made available to prospective participating Members of the Retirement System in the offices of the Retirement System.
- (c) Subject to the rules and procedures established by the Board, loans may be made to Members from such Member's contributions to the Annuity Savings Fund. Former Members, spouses of Members, and Beneficiaries are not eligible to receive any loans from the Retirement System. Subject to rules and procedures established by the Board, a Member who has been in the Retirement System for twelve (12) months or more is eligible to apply for a loan. No Member shall have more than two (2) outstanding loans from the Retirement System (Component I and/or Component II) at any time. A Member who has previously defaulted on a loan under either Component I or Component II of the Combined Plan shall not be eligible for a loan from the Retirement System.
- (d) A Member who has satisfied applicable rules and procedures may borrow from his or her Annuity Savings Fund account an amount, which does not exceed fifty percent (50%) of the Member's vested accumulated balance, up to fifteen thousand dollars (\$15,000.00) reduced by the excess, if any, of: (1) the highest outstanding balance of loans from the Retirement System during the one (1) year period ending on the day before the date on which the loan is made (under both Component I and Component II), or (2) the outstanding balance of loans from the Retirement System on the date on

which the loan is made (under both Component I and Component II), whichever is less. The minimum loan amount shall be one thousand dollars (\$1,000.00).

- (e) In addition to such rules and procedures that are established by the Board, all loans shall comply with the following terms and conditions:
  - (1) Loan applications shall be in writing.
  - (2) All loans shall be memorialized by a promissory note made to the Retirement System and properly executed by the Member.
  - (3) Loan shall be repaid by equal payroll deductions over a period not to exceed five (5) years, or, where the loan is for the purpose of buying a principal residence, a period not to exceed fifteen (15) years. In no case shall the amount of the payroll deduction be less than twenty dollars (\$20.00) for any two-week period.
  - (4) Each loan granted under Component II shall be made against the assignment of the Member's entire right, title, and interest in and to the Annuity Savings Fund supported by the Member's collateral promissory note for the amount of the loan, including interest payable to the order of the Board of Trustees.
  - (5) Each loan shall bear interest at a rate determined by the Board. The Board shall not discriminate among Members in its determination of interest rates on loans. Loans initiated at different times may bear different interest rates, where, in the opinion of the Board, the difference in rates is supported by a change in market interest rates or a change in the Retirement System's current assumed rate of return. The loan interest rate shall bear a reasonable relationship to market rates for secured loans of a similar duration and shall bear a reasonable relationship to the costs to the Retirement System of administering the Retirement System. The loan interest rate shall be calculated in a manner that will not negatively affect the City's costs relating to the Retirement System or the return to Members.
  - (6) Loan repayments shall be suspended under this Retirement System as permitted by Section 414(u)(4) of the Internal Revenue Code. A Member who has an outstanding loan balance from the Retirement System who is absent from employment with the City, and who has satisfied the requirements of Section 414(u) of the Internal Revenue Code shall not be required to make loan repayments to the Retirement System during said periods of absence.
- (f) Any loans granted or renewed shall be made and administered pursuant to the participant loan program and Section 72(p) of the Internal Revenue Code and the regulations thereunder.
- (g) A Member's outstanding loan balance shall be considered a directed investment by the Member and interest payments shall be credited to the Member's account balance (provided that the interest credited shall be reduced appropriately to cover the

administrative cost of the loan program and avoid negatively affecting the City's costs or the Retirement System's investment returns), and shall not be part of net investment income or part of the Member's account balance for the purpose of allocation of net investment income under Article G.

- (h) No distributions shall be made to a Member, former Member, or Beneficiary until all loan balances drawn on the applicable vested accumulated balance and applicable accrued interest have been repaid or offset against the distributable Annuity Savings Fund account balance.
- (i) The Retirement System shall include, in its annual report to all Members, an accounting of the loan program established by this section, which contains the number and amount of loans made, the costs of administering the program, the amount of payments made including interest received by the Retirement System, the amount of loans outstanding, including any defaults or delinquencies, and an evaluation as to whether the interest charged in the Fiscal Year covered the costs of administering the program.

## **ARTICLE K. SPECIAL PLAN OF ADJUSTMENT PROVISIONS**

### **Sec. K-1. Benefit Changes implemented in accordance with the terms of the Plan Of Adjustment**

Notwithstanding anything in Articles A, C, D or E to the contrary, as of the effective date of the Plan of Adjustment and during the period that ends no earlier than June 30, 2023, the following changes in benefits provided under Component II of the Combined Plan shall be implemented:

- (1) Elimination or Reduction in Pension Improvement Factor (Escalator). With respect to all Pension benefits payable on or after the effective date of the Plan of Adjustment, the Pension Improvement Factor (Escalator) that will be applied to the monthly Pension benefit of a Member, Retiree, surviving Beneficiary or vested former employee will be equal to 1.0125%; provided, however, that the Board and the Investment Committee shall determine on the effective date of the Plan of Adjustment and not less frequently than annually thereafter that the “Funding Conditions” as defined herein have been satisfied, and in the event that such Funding Conditions have not been satisfied then the Pension Improvement Factor (Escalator) that will be applied to the monthly Pension benefit of a Member, Retiree, surviving Beneficiary or vested former employee will be reduced in proportion to the funding which is not received by the Retirement System (“Adjusted Pension Benefit”).

For purposes of this Section K-1, the term “Funding Conditions” shall mean that (i) Class 10 and Class 11 voted in favor of the Plan of Adjustment in accordance with the procedures for such vote under the Plan of Adjustment, (ii) the Plan of Adjustment is confirmed by the U.S. Bankruptcy Court, and (iii) the funds that are pledged to be contributed to the Retirement System pursuant to the terms of the State Contribution Agreement and the DIA Settlement Documents have been received.

- (2) Effect of Payment Default. In the event that all or a portion of the funds pledged to be contributed to the Retirement System pursuant to the terms of the DIA Settlement Agreement are not received by the Retirement System, the Board shall proportionately reduce the Pension Improvement Factor (Escalator) to be applied to the monthly Pension benefit of any retirees, surviving beneficiaries, employees and former employees to the extent of such default.

### **Sec. K-2. Income Stabilization Benefits**

- (1) The provisions of this Section K-2 shall become effective only if each of the Conditions Precedent (as that term is defined in the State Contribution Agreement) have been met to the satisfaction of the Authority and the Treasurer, unless any one or more of such conditions are waived in writing executed by the Authority and the Treasurer.

- (2) Beginning not later than 120 days after the Effective Date, Component II of the Combined Plan shall pay, in accordance with this Section K-2, an annual supplemental pension income stabilization benefit (“Income Stabilization Benefit”) to each Eligible Pensioner (as defined in Section G-3(5)) equal to the lesser of either (i) the amount needed to restore an Eligible Pensioner’s reduced annual pension benefit to 100% of the amount of the annual pension benefit that the Eligible Pensioner received from the Retirement System in 2013; or (ii) the amount needed to bring the total annual 2013 household income of the Eligible Pensioner up to 130% of the Federal Poverty Level for 2013. The Income Stabilization Benefit as determined under this Section K-2(2) will not increase after the date on which the Income Stabilization Benefit is determined. The Income Stabilization Benefit payable to an Eligible Pensioner will terminate immediately at such time as the Eligible Pensioner ceases to qualify as an Eligible Pensioner.
- (3) To the extent an Eligible Pensioner’s Estimated Adjusted Annual Household Income (as defined in this Section K-2) in any calendar year after the first year that the Eligible Pensioner receives a benefit under this Section K-2 is less than 105% of the Federal Poverty Level in that year, the Eligible Pensioner will receive an additional “Income Stabilization Benefit Plus” benefit commencing as of the next following July 1.
- a. The Income Stabilization Benefit Plus benefit for a calendar year will be equal to the lesser of either (i) the amount needed to restore 100% of the Eligible Pensioner’s Pension benefit, as increased by any Pension Improvement Factor (Escalator), under Component II of the Combined Plan; or (ii) the amount needed to bring the Eligible Pensioner’s Estimated Adjusted Annual Household Income in that calendar year up to 105% of the Federal Poverty Level in that year.
- b. An Eligible Pensioner’s “Estimated Adjusted Annual Household Income” for any year will be the sum of (i) the Eligible Pensioner’s 2013 total household income (per his or her (or in the case of a minor child, his or her legal guardian’s) 2013 income tax return or equivalent documentation), less the Pension benefit paid to the Eligible Pensioner by the Retirement System in 2013, as adjusted for inflation or Social Security COLA increases; (ii) the Adjusted Pension Benefit that is payable to the Eligible Pensioner for that year as determined under Section K-1, (iii) any pension restoration payment to the Eligible Pensioner as determined under Section K-3; and (iv) the Eligible Pensioner’s Income Stabilization Benefit.
- (4) A separate recordkeeping fund called the “Income Stabilization Fund” shall be established by the Board for the sole purpose of paying the Income Stabilization Benefits and Income Stabilization Benefits Plus to Eligible Pensioners. Any funds received by the Retirement System that is designated by the City as UTGO Bond Tax Proceeds or a contribution to the Income Stabilization Fund shall be

credited by the Board to the Income Stabilization Fund. The assets credited to the Income Stabilization Fund will be invested on a commingled basis with assets of the Retirement System and will be credited with a pro-rata portion of the earnings and losses of the Retirement System. Amounts credited to the Income Stabilization Fund may not be used for any purpose other than the payment of Income Stabilization Benefits and Income Stabilization Benefit Plus benefits to Eligible Pensioners, except as expressly provided in Section K-2(6).

- (5) For purposes of this Section K-2, an “Eligible Pensioner” is a retiree or surviving spouse who is at least 60 years of age or a minor child receiving survivor benefits, each as of the effective date of the Plan of Adjustment, whose benefit will be reduced as provided in Section K-1, and who is eligible to receive Income Stabilization Benefits because (i) such individual is receiving monthly pension benefits from the Retirement System as of the effective date of the Plan of Adjustment, and (ii) such individual has a total annual household income equal to or less than 140% of the federal poverty level in 2013 (per his or her (or in the case of a minor child, his or her legal guardian’s) 2013 income tax return or equivalent documentation).
- a. An eligible individual must apply for an Income Stabilization Benefit in accordance with procedures established by the Authority and provide such substantiation of the individual’s aggregate annual household income as is required by the State in its sole discretion.
  - b. The initial determination of Eligible Pensioners, and amount of the Income Stabilization Benefit payable to each Eligible Pensioner shall be made by the State in its sole discretion. The State shall transmit the list of Eligible Pensioners to the Investment Committee and the Board. The Board, with the assistance of the Investment Committee shall be responsible for administering the Income Stabilization Fund and annually certifying to the State Treasurer that it has administered the requirements for eligibility and payment of benefits with respect to Eligible Pensioners in accordance with the terms of the State Contribution Agreement.
  - c. After the initial determination of Eligible Pensioners is made, no new individuals will be eligible to receive an Income Stabilization Benefit or an Income Stabilization Benefits Plus benefit at any time in the future.
  - d. An Eligible Pensioner will cease to be an Eligible Pensioner as of the earlier of (i) the Eligible Pensioner’s death or (ii) with respect to any minor child receiving survivor benefits, the date the minor child reaches the age of 18 years.
- (6) For purposes of this Section K-2, the “Federal Poverty Level” means the poverty guidelines published each year in the Federal Register by the United States Department of Health and Human Resources.

- (7) In the event that, in 2022 (provided that the State has not issued a Certificate of Default (as defined in the State Contribution Agreement) with respect to the Retirement System at any time prior to 2022), it is the opinion of at least 75% of the independent members of the Investment Committee that the assets of the Income Stabilization Fund exceed the Income Stabilization Benefits and Income Stabilization Benefits Plus benefits anticipated to be made to Eligible Pensioners by the Retirement System in the future (“Excess Assets”), the Investment Committee may, in its sole discretion, recommend to the Board that all or a portion of the Excess Assets, in an amount not to exceed \$35 million, be used to fund the Adjusted Benefits payable by the Retirement System. The Investment Committee shall have the right to engage professional advisers to assist in making this determination and such expenses shall be paid by the Retirement System.
- (8) In the event that any funds remain in the Income Stabilization Fund on the date upon which there are no Eligible Pensioners under the Retirement System, such funds shall be used to fund the Adjusted Benefits payable by the Retirement System.

### **Sec. K-3. Restoration of Pension Benefits**

The following rules shall govern how Pension Improvement Factor (Escalator) (“COLA”) benefits, that are reduced as part of the Plan of Adjustment, shall be restored during the thirty year period following the confirmation order issued by the Bankruptcy court in *In Re City of Detroit, Michigan*, Case No. 13-53846. The pension restoration process shall be supervised, and restoration decisions undertaken by the Investment Committee and in accordance with the pension governance provisions set forth in the State Contribution Agreement and exhibits thereto. The pension restoration program shall be deemed a part of this Component II, but in the event of any conflict between the language set forth herein and the pension restoration agreement attached to and made a part of the Plan of Adjustment (“Pension Restoration Agreement”), the terms of the Pension Restoration Agreement will govern.

#### **(1) *Waterfall Classes.***

There will be three Waterfall Classes:

- a. Waterfall Class 1 – Retirees, in retirement benefit pay status as of June 30, 2014, and their surviving spouses and Beneficiaries.
- b. Waterfall Class 2 – Retirees, who entered into retirement benefit pay status after June 30, 2014, and their surviving spouses and Beneficiaries, and who are in pay status as of the end of the Fiscal Year prior to the year in which the restoration decision is made.
- c. Waterfall Class 3 – All retirees, surviving spouses, and beneficiaries in pay status and all other Members who as of June 30, 2014 are not in retirement benefit pay status.

(2) *Restoration of Benefits Through June 30, 2023.*

- a. Each year in conjunction with the annual actuarial valuation report, the Plan Actuary will project the funded ratio of the Retirement System as of 2023 based upon the market value of plan assets relative to the actuarial accrued liabilities (the "Funded Level"). This projection will be further based upon a 6.75% assumed rate of investment return which is net of expenses (administrative and investment), future employer contributions as set forth in the Plan of Adjustment (subject to conditions in the Plan of Adjustment), and such other actuarial assumptions as utilized by the Plan Actuary. For purposes of restoration of benefits through June 30, 2023, the Funding Target will be a 75% funded ratio, and the Restoration Target will be a 78% funded ratio, both projected to June 30, 2023. For purposes of calculating the funded ratio, the assets in the Restoration Reserve Account will be excluded. Each year, if the Plan Actuary projects that the Funded Level as of 2023 (excluding Restoration Reserve Account assets to avoid double counting) exceeds the Restoration Target (i.e., exceeds 78%), a credit of assets for bookkeeping purposes will be made into a new notional Restoration Reserve Account. The notional credit will be an amount equal to the excess of assets above the amount projected to be needed to satisfy the Restoration Target. Once the Restoration Reserve Account is established, each year thereafter, Restoration Account assets will be credited with interest in an amount equal to the net return on Retirement System investments but capped at the actuarially assumed rate of investment return (i.e., 6.75% for the period through June 30, 2023). In the event of net losses, the credited asset value of the Restoration Reserve Account will be diminished to reflect such losses and any required transfer to the PFRS Pension Reserve Fund as provided herein.
- b. Actual restoration payments and restoration credits will work as follows: each year, in conjunction with the preparation of the annual actuarial valuation report and following establishment of the Restoration Reserve Account, the Plan Actuary will determine whether there are sufficient funds in such account to restore COLA benefits in a minimum incremental amount of 10% or more. For example: if a retiree's then current COLA benefit is a 1.0% annual compounded COLA, the minimum incremental restoration would increase the COLA benefit to 1.225%. COLA restoration only will occur if the funding level in the Restoration Reserve Account can fund 100% of the COLA increase over the actuarially-projected lives of the eligible recipient Waterfall Class. If the Plan Actuary certifies that the Restoration Reserve Account as of the end of the prior Fiscal Year satisfies the required funding level for one or more increments of restoration, then in the next immediate Fiscal Year actual COLA restoration payments will be made to PFRS Waterfall Class 1 members in such increments until an amount sufficient to fund 66% of the value of their future COLA payments (e.g., a 1.5% compound COLA, or as otherwise applicable) has been funded. At that juncture, and to the

extent that additional assets in the Restoration Reserve Account would fully fund COLA restoration in at least one minimum 10% increment (i.e., amounts equal to 10% of the value of future COLA payments), Waterfall Class 2 members will receive COLA restoration, until an amount sufficient to fund 66% of the value of their future COLA payments has been funded. At that juncture, and to the extent that additional assets in the Restoration Reserve Account would fully fund COLA restoration in at least one minimum 10% increment (i.e., amounts equal to 10% of the value of future COLA payments), Waterfall Class 3 members will receive COLA restoration on a pro-rata basis. For Waterfall Class 3 members who are in pay status at that time of restoration, they will receive COLA payments; for active employees at the time of restoration, they will receive credits granting them a right upon retirement to receive COLA restoration equal to the 10% increments that are fully funded to Waterfall Class 3 members. For example: assume there are sufficient assets credited to the Restoration Reserve Account as of the end of a Fiscal Year to fully fund 66% of the value of the COLA for all Waterfall Class 1 and Class 2 members for their actuarially projected lives. To the extent additional assets remain in the Restoration Reserve Account to fully fund at least a 10% COLA increment for Waterfall Class 3 members for their actuarially projected lives, then (i) all retirees would receive a restoration payment of 76% of the value of their COLAs (their having already received by virtue of their membership in Waterfall Classes 1 and 2 an increase to 66% of the value of their COLAs) and also a 10% COLA increment would be credited to eligible active employees which would be included in their benefit payments upon retirement (thus causing their COLAs to increase in value from 45% to 55%). Restoration amounts actually paid from the Restoration Reserve Account will be debited from such account. Restoration payments will be calculated and paid on a prospective basis only.

- c. Once restoration payments and credits begin, as long as the Restoration Reserve Account continues to have assets to fund 100% of an incremental COLA restoration amount for such Waterfall Class for their actuarially projected lives, the restoration payments and credits will continue; provided, however, that in the event the Restoration Reserve Account, after having sufficient assets to fund 100% of two or more increments, falls below 100% for the second or greater increment, the annual amounts to pay such second or greater increment can continue until the Restoration Reserve Account lacks any assets to fund such additional increment. For example, assume a 10% increment in Waterfall Class 1 requires \$10 million in assets to be fully funded for the Waterfall Class members' actuarially projected lives, and that based on Fiscal Year 2018 results the Restoration Reserve Account has assets of \$22 million so as to fund two increments of restoration in Fiscal Year 2019. Assume further that in the following year the Restoration Reserve Account drops in value to \$17 million; in such event two increments could still be paid, and the second

increment would cease being paid only if the value of assets in the Restoration Reserve Account dropped to or below \$10 million (in the event they dropped below \$10 million, the first increment also would cease being paid). For purposes of restoration reduction, restoration increments will be taken away in reverse order in which they were granted (i.e. last in, first out).

- d. If the Funded Level (excluding Restoration Reserve Assets) projected to 2023 falls below 76% (hereinafter, "Restoration Reserve Suspension Trigger"), then, until such time as the projected Funded Level in 2023 is 76% or above, further interest credits to the notional Restoration Reserve Account will cease notwithstanding the actual net Retirement System investment returns for the Fiscal Year in question. Furthermore, if the Funded Level projected to 2023 falls below the Funding Target (i.e., 75%) then restoration payments to retirees and credits to active employees in the following year will be modified in the following manner: (1) funds previously credited to the Restoration Reserve Account will be notionally transferred and credited to the Pension Reserve Fund in sufficient amounts to restore the projected Funded Level in 2023 to 75%; (2) following such transfer, the remaining assets in the Restoration Reserve Account shall be applied to make restoration payments in accordance with and pursuant to the same mechanism described in paragraph c.
- e. In connection with preparation of the actuarial report for Fiscal Year 2023, the Plan Actuary will determine whether the Retirement System has satisfied the Permanent Restoration Target, which shall be 78%. Transfers from the Restoration Reserve Account for credit to the Pension Reserve Fund may be made in such amounts as are necessary to satisfy the Permanent Restoration Target. If following such transfers, the Funded Level as of June 30, 2023 has satisfied the Permanent Restoration Target (i.e., 78%), then the residual amounts, if any, in the Restoration Reserve Account (which will necessarily represent excess not necessary to satisfy the Permanent Restoration Target), and which fully fund one or more increments of COLA restoration payments for one or more Waterfall Classes for their actuarially projected lives, shall be transferred from the Restoration Reserve Account and credited to the Pension Reserve Fund and the applicable incremental COLA payments shall be permanently restored for the applicable Waterfall Class and shall no longer be variable from year to year.
- f. Following receipt of the actuarial reports for 2019, and in the event that the projected Funded Level of the Retirement System as of 2023 is less than 76%, the Plan Actuary shall revisit the restoration calculations that it made during each of the prior four (4) years. It shall recalculate each such prior year's Funded Level projection, this time by assuming the lesser of (i) \$4.5 million in annual administrative expenses until 2023, or (ii) an amount of annual administrative expenses until 2023 equal to the average

annual normal course administrative expenses in the prior four (4) years applicable to Component II, in addition to a net 6.75% annual investment return. If such retrospective recalculation indicates that fewer amounts would have transferred to the Restoration Reserve Account than actually were transferred during such look back period, then the Restoration Reserve Account shall be debited by the lesser of (i) this difference (plus interest at a rate equal to the rate that was credited to the Restoration Reserve Account during the look-back period or (ii) the dollars that were actually paid out in restoration payments during such look-back period (plus interest at a rate equal to the rate that was credited to the Restoration Reserve Account during the look-back period); or (iii) the amount required to increase the projected 2023 Funded Level to 76%.

(3) *Restoration of Benefits from July 1, 2023 to June 30, 2033.*

- a. If and to the extent that all COLA payments have not been restored as of June 30, 2023 pursuant to Section (2)(e), then during this period and for purposes of variable restoration, the Funding Target, the Restoration Target, the Permanent Restoration Target and the Restoration Reserve Suspension Trigger shall be as set forth below, all projected as of June 30, 2033:

<u>2023 Funded Level</u>	<u>2033 Funding Target/Restoration Target</u>
78%	81%/84%
77%	80%/83%
76%	79%/82%
75%	78%/81%
74% or lower	3% >than 2023 Funded Level %/81%

2033 Permanent Restoration Target - Same as 2033 Restoration Target

2033 Restoration Reserve Suspension Trigger – 1% higher than the projected Funding Target for all time periods

- b. The same rules for restoration payments that applied during the period ending June 30, 2023 shall apply (including ceasing interest credits in the event of a Restoration Reserve Suspension Trigger, and making Restoration Account asset transfers to the Pension Reserve Fund in the event the 2033 Funded Level falls below the 2033 Funding Target), except as follows. For purposes of determining whether the 2033 Restoration Target has been satisfied, the Plan Actuary shall project investment returns through June 30, 2033 using the then current investment return assumption which is assumed to be net of expenses (administrative and investment), and the then applicable actuarial assumptions as utilized in the annual actuarial valuation. Further, the Plan Actuary shall assume, merely for purposes of determining whether the Restoration Target is satisfied, that

the annual City contribution amount shall be the annual amount necessary to fund the Retirement System based upon an amortization of the actual 2023 UAAL (using the market value of assets) over 30 years (hereinafter, the “2023 UAAL Amortization”) and in such manner that the resulting annual contributions would achieve the applicable Funding Target (pursuant to paragraph b) as of 2033. Such projected, hypothetical contributions shall be for purposes only of making restoration determinations, and shall not necessarily be the actual contributions made or required to be made by the City or recommended during such period; all of which shall be determined independent of the restoration calculation process. For purposes of calculating the funded ratio, the assets in the Restoration Reserve account will be excluded.

- c. To the extent that the City’s actual contributions to the Retirement System in any of the Fiscal Years 2024 (i.e., the year ending June 20, 2024) through 2033 are greater than the projected annual contribution under the 2023 UAAL Amortization, such amounts, and any investment earnings thereon, shall be notionally credited to a new bookkeeping account in the Retirement System called the Extra Contribution Account. In determining pension restoration during the period from Fiscal Year 2024 through 2033, none of the amounts in the Extra Contribution Account shall be considered for purposes of determining the projected Funded Level for purposes of determining whether the Retirement System has attained the Restoration Target or the Permanent Restoration Target. To the extent that the City’s actual contributions in any of the Fiscal Years 2024 through 2033 are less than the City’s projected annual contribution under the 2023 UAAL Amortization, such difference and any investment earnings thereon shall be notionally allocated to the Pension Reserve Fund.
- d. Each year, in addition to the notional credit of amounts that exceed the amount necessary to satisfy the Restoration Target, existing notional Restoration Account assets will be credited with interest equal to the net return on Retirement System investments; however, such interest shall not exceed the then investment return assumption. In the event of net losses on the Retirement System’s investments, the notional assets credited to the Restoration Reserve Account will be reduced to reflect such losses.
- e. In connection with preparation of the actuarial report for Fiscal Year 2033, the Plan Actuary will determine whether the Retirement System has satisfied the applicable Permanent Restoration Target (i.e., the 2033 Restoration Target). Transfers from the Restoration Reserve Account for credit to the Pension Reserve Fund may be made in such amounts as are necessary to satisfy the Permanent Restoration Target. If following such transfers the funding level as of June 30, 2033 has satisfied the applicable Permanent Restoration Target, then the residual amounts in the Restoration Reserve Account, if any (which will necessarily represent excess not necessary to satisfy the Permanent Restoration Target), and

which fully fund one or more increments of COLA restoration payments for one or more Waterfall Classes, shall be transferred from the Restoration Reserve Account and credited to the Pension Reserve Fund and the applicable incremental COLA payments shall be permanently restored for the applicable Waterfall Class and shall no longer be variable from year to year.

- f. Following receipt of the actuarial report for 2028, and in the event that the projected Funded Level as of 2033 is less than 79%, the Plan Actuary shall revisit the restoration calculations that it made during each of the prior four (4) years. It shall recalculate each such prior year's Funded Level projection, this time by assuming the lesser of (i) \$4.5 million in annual administrative expenses until 2033, or (ii) an amount of annual administrative expenses until 2033 equal to the average annual normal course administrative expenses in the prior four (4) years applicable to Component II, in addition to a net 6.75% annual investment return. If such retrospective recalculation indicates that fewer amounts would have transferred to the Restoration Reserve Account than actually were transferred during such look back period, then the Restoration Reserve Account shall be debited by the lesser of (i) this difference (plus interest at a rate equal to the rate that was credited to the Restoration Reserve Account during the applicable look-back period) or (ii) the dollars that were actually paid out in restoration payments during such look-back period (plus interest at a rate equal to the rate that was credited to the Restoration Reserve Account during the applicable look-back period); or (iii) the amount required to increase the projected 2033 Funded Level to 79%.

(4) *Restoration of Benefits from July 1, 2033 to June 30, 2043.*

- a. If and to the extent that all COLA payments have not been restored pursuant to Section (3)(f) as of June 30, 2033, then during the period ending June 30, 2043 and for purposes of variable restoration, the Funding Target, the Restoration Target, the Permanent Restoration Target and the Restoration Reserve Suspension Trigger shall be as set forth below, all projected as of June 30, 2043.

<u>2023 Funded Level</u>	<u>2043 Funding Target/Restoration Target</u>
78%	84%/87%
77%	83%/86%
76%	82%/85%
75%	81%/84%
74% or lower	3% > than 2023 Funded Level %/84%

2043 Permanent Restoration Target - Same as 2043 Restoration Target

2043 Restoration Reserve Suspension Trigger – 1% higher than the projected Funding Target  
for all time periods

- b. The same rules for restoration that applied during the period ending June 30, 2033 shall otherwise apply (including ceasing interest credits in the event of a Restoration Reserve Suspension Trigger, and the making of notional asset transfers from the Restoration Reserve Account to the Pension Reserve Fund in the event the 2043 Funded Level falls below the 2043 Funding Target) and shall be rolled forward. For example, for purposes of determining whether the 2043 Restoration Target has been satisfied, the Plan Actuary shall project annual contributions using the same 2023 UAAL Amortization. For purposes of calculating the funded ratio, the assets in the Restoration Reserve account will be excluded, and no Extra Contribution Account assets shall be included for purposes of determining whether the Funded Level meets the Restoration Target or Permanent Restoration Target, including any additions to such account after 2033.
- c. In connection with preparation of the annual actuarial valuation report for Fiscal Year 2043, the Plan Actuary will determine whether the Retirement System has satisfied the applicable Permanent Restoration Target, as set forth in paragraph a above. Transfers from the Restoration Reserve Account for credit to the Pension Reserve Fund may be made in such amounts as are necessary to satisfy the Permanent Restoration Target. If following such transfers the Funded Level as of June 30, 2043 is equal to or greater than the applicable Permanent Restoration Target, then the residual amounts in the Restoration Reserve Account, if any (which will necessarily represent excess not necessary to satisfy the Permanent Restoration Target), shall be transferred from the Restoration Reserve Account and credited to the Pension Reserve Fund and the applicable incremental COLA payments shall be permanently restored for the applicable Waterfall Class and shall no longer be variable from year to year.

(5) *Modification of the Pension Restoration Program.*

If at any time after July 1, 2026, the Investment Committee by vote of five of its seven Members, or the Board of Trustees by a greater than 66% vote, determines that a change in relevant circumstances has occurred, or there was a mutual mistake of fact in developing the Pension Restoration Agreement attached to and made a part of the Plan of Adjustment, such that the continued operation of the Pension Restoration Agreement and this Section K-3 without amendment will: (a) materially harm the long-term economic interests of the City or Retirement System; (b) materially impair the City's ability to fully fund over a reasonable period the then existing frozen benefit liabilities; or (c) materially hinder the Restoration Program, if as of that juncture (and for purposes of applying this subsection K-3(5)(a)) annual funding levels (excluding the Extra Contribution Account) had materially exceeded the applicable Restoration Targets for a substantial period yet

without any material actual restoration of benefits as contemplated herein having been made, the Investment Committee or the Board, as the case may be, shall provide written notice to the other entity of such a determination and of the need to amend the Pension Restoration Agreement and this Section K-3 (it being understood that the post-Chapter 9, 40-year amortization period (to 2053) to fully fund frozen liabilities is, unless the relevant facts demonstrate otherwise, presumptively reasonable). The Investment Committee and the Board shall then meet to negotiate amendments to the Pension Restoration Agreement that address the identified risk of harm or impairment, but which also considers the Agreement's objective of providing pension restoration. Such negotiations shall take into account reasonable actions the City has pursued or could pursue to mitigate such harm or impairment. Any such amendments shall require the approval of a majority vote of the combined members of the Investment Committee and Board (persons who sit on both the Board and Investment Committee shall have one vote). Such parties shall consult with the Mayor, City Council and the Governor in connection with such negotiation.

If the Board, acting through a majority, and the Investment Committee, acting through a majority, cannot agree to such amendments within the 90-day period following the provision of such notice by the determining party, then the Board and Investment Committee shall proceed to mediation upon demand from either the Board or the Investment Committee. In this regard, within 30-days following expiration of the 90-day period the Board and the Investment Committee shall each select a mediator from the list of approved mediators for the United States District Court for the Eastern District of Michigan. The two selected mediators shall appoint a third neutral mediator from the approved list. Each party shall furnish a written statement to the mediators within 30 days of selection of the neutral mediator. Representatives of the Mayor and the Governor shall be consulted in connection with such mediations. If following a 90-day mediation period following submission of the written statements the matter is not settled, then either the Investment Committee or the Board can file an action in the United States District Court for the Eastern District of Michigan asking it to declare, *inter alia*, whether or in what manner to amend the Pension Restoration Agreement and this Section K-3.

If the payment of any distributions under the Trust is determined to have been excessive or improper, and the recipient thereof fails to make repayment to the Board or Board's agent of such excessive or improper payment upon the Board's request, the Board shall deduct the amount of such excessive or improper payment from any other benefits thereafter payable to such person. Until repaid to the Board or Board's agent, the amount of said excessive or improper payment shall not be included in the Trust Fund.

(b) The Board shall confer with the trustees and investment committee of the GRS and PFRS, respectively, with respect to the Special Restoration and General Restoration; provided, however, that the Board shall not have any right to initiate any enforcement

proceedings against the trustees or investment committee of either GRS or PFRS with respect to Special Restoration or General Restoration.

(c) The Board shall discharge its duties in the interests of the Beneficiaries and for the exclusive purpose of making distributions to the GRS and PFRS as provided in Section 4.1 and defraying reasonable expenses of administering the Trust and shall act with the care, skill, prudence and diligence under the circumstances then prevailing that a prudent person acting in like capacity and familiar with such matters would use in conduct of an enterprise of like character and with like aims.

Section 5.5 Payment of Expenses. The Board shall apply the assets of the Trust Fund to pay all reasonable costs, charges, and expenses (including, but not limited to, all brokerage fees and transfer tax expenses and other expenses incurred in connection with the sale or purchase of investments, all real and personal property taxes, income taxes and other taxes of any kind at any time levied or assessed under any present or future law upon, or with respect to, the Trust Fund or any property included in the Trust Fund and all legal, actuarial, accounting and financial advisory expenses) reasonably incurred by the Board in connection with maintaining and administering the Trust, including attendance at meetings related thereto. The expenses of the Board shall constitute a lien on the Trust Fund.

Section 5.6 No Board Compensation. Except as provided in Section 5.5, the members of the Board shall serve without compensation.

## **ARTICLE VI BOARD ACCOUNTS**

Section 6.1 Records. The Board shall maintain accurate and detailed records and accounts of all investments, receipts, disbursements, and other transactions with respect to the Trust, and all accounts, books and records relating thereto shall be open at all reasonable times to inspection and audit by interested persons at the principal office of the Trust.

Section 6.2 Annual Audit. The Trust Fund shall be audited annually by an independent firm of certified public accountants, and a statement of the results of such audit shall be provided to the Board and also made available for inspection by interested persons at the principal office of the Trust.

Section 6.3 No Interest by Beneficiaries. In no event shall any Beneficiary have any interest in any specific asset of the Trust Fund. At no time shall any account or separate fund be considered a savings account or investment or asset of any particular Beneficiary, or class of Beneficiaries, and no Beneficiary shall have any right to any particular asset which the Board may have allocated to any account or separate fund for accounting purposes.

Section 6.4 Accounting Year, Cash Basis. The accounting year of the Trust shall be the calendar year. All accounts of the Board shall be kept on a cash basis.

## ARTICLE VII COMPOSITION OF AND PROCEDURES FOR THE BOARD OF TRUSTEES

Section 7.1 Number and Appointment of Members. The Board of Trustees shall consist of five (5) voting members. The Retiree Committee has selected the following initial members of the Board of Trustees:[\_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, and \_\_\_\_\_.]

By execution of this Trust Agreement each Board member hereby acknowledges his or her appointment and acceptance of the duties and responsibilities set forth in this Trust Agreement.

Section 7.2 Term of Office. Each member of the Board shall serve a period of four years until the termination of the Trust, or if earlier, until his or her death, incapacity to serve hereunder, or resignation. In the event of a vacancy, the replacement Board member shall be appointed pursuant to procedures established by the Board.

Section 7.3 Resignation. A Board member may resign, and shall be fully discharged from further duty or responsibility under this Trust Agreement to the extent permitted by law, by giving at least ninety (90) days' advance written notice to the remaining Board Members stating a date when such resignation shall take effect, which notice or time period may be waived by the Board.

Section 7.4 Operation of the Board; Quorum. The Board shall select from among its members a chair and a vice chair. The Board shall hold regular meetings, and shall designate the time and place thereof in advance. The Board shall adopt its own rules of procedure and shall keep a record of proceedings. Each Board Member shall be entitled to one vote on each question before the Board. Three (3) members shall constitute a quorum at any meeting. A majority vote of the members present at a meeting of the Board at which a quorum exists shall be necessary for a decision by the Board.

Section 7.5 Reliance on Written Instruments. Each member of the Board shall be fully protected in acting upon any instrument, certificate or paper believed by him or her to be genuine and to be signed or presented by a duly authorized person or persons, and shall be under no duty to make any investigation or inquiry as to any statement contained in any such writing, but may accept the same as conclusive evidence of the truth and accuracy of the statements therein contained.

Section 7.6 No Individual Liability on Contracts. The members of the Board shall not be liable personally for any debts, obligations, or undertakings contracted by them, or for the breach of any contracts. Such claims and obligations shall be paid out of the Trust; provided, however, that the Board shall not be exempt from personal liability for willful misconduct, intentional wrongdoing, breach of applicable fiduciary duty, negligence or fraud, and the Trust shall not indemnify the Board for such liabilities, or to the extent that application of this sentence would violate any law.

Section 7.7 City Not Liable for Conduct of Board. The Board is not, in its capacity as the Board of Trustees, an officer, agent, employee, or representative of Detroit. In its capacity as the Board of Trustees, the Board is a principal acting independently of the City, which shall not be liable for any act, omission, contract, obligation, or undertaking of the Trust, the Board or its officers, agents, or representatives.

Section 7.8 Liability Insurance. The Board may obtain and keep current a policy or policies of insurance, insuring the members of the Board from and against any and all liabilities, costs and expenses incurred by such persons as a result of any act, or omission to act, in connection with the performance of their duties, responsibilities and obligations under this Trust Agreement or the Plan. To the extent permitted by applicable law, the premiums on such policies may be paid from the Trust Fund.

Section 7.9 Reimbursement for Defense of Claims. To the extent permitted by applicable law and not otherwise covered by liability insurance purchased by the Trust (without regard to any non-recourse rider purchased by the insured), the Board, employees of the Board and persons acting on the Board's behalf pursuant to an express written delegation (each separately, the "Indemnified Party") shall be reimbursed by the Trust Fund for reasonable expenses, including without limitation attorneys fees, incurred in defense of any claim that seeks a recovery of any loss to the Plan or Trust Fund or for any damages suffered by any party to, or beneficiary of this Trust Agreement (a) for which the Indemnified Party is adjudged not liable, or (b) which is dismissed or compromised in a final settlement, where the Board or, where required by applicable law, an independent fiduciary determines that the settling Indemnified Party was not primarily responsible (in such cases, all or only a portion of the settling Indemnified Party's reasonable expenses may be reimbursed, as directed by the Board or an independent fiduciary), provided that, the Board shall have the right to approve of the retention of any counsel whose fees would be reimbursed by the Trust Fund, but such approval shall not be withheld unreasonably.

## **ARTICLE VIII AMENDMENT, TERMINATION AND MERGER**

Section 8.1 Duration of the Trust. Unless terminated earlier pursuant to Section 8.3, this Trust Agreement shall terminate automatically on the earlier of: (a) the eighth anniversary of the Effective Date of the Plan of Adjustment if the City and the Board shall have agreed in writing that no Qualifying DWSD Transaction has occurred; or (b) the later of (i) written notice from GRS and PFRS of the death of the last individual who was a participant in such pension plans on the Effective Date of the Plan of Adjustment or (ii) the 90th anniversary of the effective date of this Trust Agreement.

Section 8.2 Amendment. The Trust Agreement may be amended at any time in writing by the Board or by Court order upon proper motion by the Board or the City, provided, however, that no amendment may impose a contribution obligation on the City beyond that specified in Section 3.1. No amendment to the Trust Agreement shall modify the responsibilities of the Board hereunder unless the Board has first consented to such amendment.

### Section 8.3 Termination.

(a) Notwithstanding Section 8.1, the Trust and this Trust Agreement may be terminated at any time in writing by the Board with a copy of such written instrument to be provided to the City, or by Court order upon proper motion. Upon termination of this Trust Agreement, the assets of the Trust Fund, if any, shall be paid out at the direction of the Board to the GRS and PFRS as provided in Section IV.F of the Plan of Adjustment. Neither Detroit nor the Board shall have any beneficial interest in the Trust Fund. If the Trust Fund has assets at the time of its termination, it shall remain in existence only until all such assets have been distributed.

(b) Upon termination of the Trust pursuant to Section 8.1 or 8.3, the Board shall continue to have all of the powers provided in this Trust Agreement as are necessary or desirable for the orderly liquidation and distribution of the Trust Fund in accordance with the provisions hereof.

## ARTICLE IX MISCELLANEOUS

Section 9.2 Non-Alienation. Except to the extent required by applicable law, the rights or interest of any Beneficiary to any future distributions under the provisions of the GRS or PFRS shall not be subject to attachment or garnishment or other legal process by any creditor of any such Beneficiary, nor shall any such Beneficiary have any right to alienate, anticipate, commute, pledge, encumber or assign any of the benefits or payments which he may expect to receive, contingent or otherwise, under GRS or PFRS.

RETIREE HEALTH CARE SETTLEMENT AGREEMENT

## SETTLEMENT AGREEMENT

Plaintiffs, the Official Committee of Retirees of the City of Detroit, Michigan (the “Committee”), Detroit Retired City Employees Association, Retired Detroit Police and Fire Fighters Association, and AFSCME Sub-Chapter 98, City of Detroit Retirees (collectively with the Committee, the “Plaintiffs”) and Defendants, the City of Detroit, Michigan (the “City”) and Kevyn Orr, individually and in his official capacity as Emergency Manager of the City of Detroit, Michigan (collectively with the City, the “Defendants”), hereby enter into this Settlement Agreement as of the 14<sup>th</sup> day of February, 2014 (the “Agreement”), which contains the following terms:

### I. GENERAL PROVISIONS

1. **Agreement Modifies March 1, 2014 Plan.** The City agrees to make the changes listed in Part II herein to the City of Detroit Retiree Health Care Plan for the period March 1, 2014 through December 31, 2014. The changes enumerated in Part II are modifications to the City of Detroit Retiree Health Care Plan described in the 2014 Health Care Plan Options Booklet (“Booklet”) distributed approximately January 2, 2014. These modifications are premised on the terms summarized in the Booklet going into effect on March 1, 2014, subject only to the modifications set forth in this Agreement, which resolves the Plaintiffs’ claims in Adversary Proceeding No. 14-04015 (the “Adversary Proceeding”).

2. **Modifications Will Not Decrease Benefits Offered in March 1, 2014 Plan.** None of the modifications in Part II reduces or eliminates any of the benefits in the City of Detroit Retiree Health Care Plan for the period March 1, 2014 through December 31, 2014 as described in the Booklet, except as specified in Part II(4)(a) and (b) below.

3. **Effective Date of Plan Modifications.** The modifications listed in Part II of this Agreement shall be effective with the beginning of the plan on March 1, 2014 unless otherwise noted in the Agreement.

4. **Aggregate Caps.** Unless specifically noted below, there is no cap on the amount that the City will spend to fulfill the modifications listed in Part II. For the two modifications listed in Part II(3)(a)/(b) and (d)/(e) that expressly include capped funds of \$2,500,000 and \$3,000,000, respectively, the City shall aggregate those caps to a total of \$5,500,000 such that if one capped fund is exhausted the City must draw from the other capped fund to the extent that the other capped fund has not been exhausted.

5. **Conditions on Agreement.** This Agreement, and the additional benefits set forth herein, are conditioned upon the City receiving debtor in possession financing that can be used for quality of life purposes on or before May 1, 2014 (the “DIP”). In the event the DIP is not in effect on or before May 1, 2014 and the City is unable to otherwise perform under this

Agreement, this Agreement shall be null and void and the parties shall be returned to their respective positions.

## **II. MODIFICATIONS TO THE CITY'S RETIREE HEALTH CARE PLAN FOR THE PERIOD MARCH 1, 2014 THROUGH DECEMBER 31, 2014**

### **1. Modification of Dental and Vision Coverage.**

- (a) **Dental Coverage.** The City will make available an additional dental benefits option in addition to the dental benefits coverage option described in the Booklet. The additional option will be offered by Golden Dental Inc. ("Golden"). The premium charged for this group coverage option will be no greater than \$23.73 per month for single coverage, \$38.83 per month for two-person coverage, and \$57.17 per month for family coverage, and the benefits will be as described in Exhibit 1 hereto; provided, however, that the amount charged to the retiree shall be increased to include an additional administrative charge, which administrative charge shall not exceed 20% of the applicable premium. The enrolling retiree will be fully responsible to pay the premium associated with this dental option, including the additional administrative charge, and the City shall allow the retirees to utilize the pension reduction feature for payment of the monthly premium. The City will use Reasonable Efforts to have such coverage effective June 1, 2014, including taking Reasonable Efforts to notify retirees by mail of this option as soon as practicable, and taking Reasonable Efforts to minimize the administrative charge. Reasonable Efforts, as used in this Agreement, requires the City to use good faith and reasonable diligence in light of its capabilities.
- (b) **Vision Coverage.** The City will make available an additional vision benefits option in addition to the vision benefits coverage option described in the Booklet. The additional option will be offered by Heritage Vision Plans, Inc. ("Heritage"). The premium for this group coverage option will be no greater than \$6.95 per month for single coverage and \$13.75 per month for 2 or more person coverage; provided, however, that the amount charged to the retiree shall be increased to include an additional administrative charge, which administrative charge shall not exceed 20% of the applicable premium. The option shall be a national network vision option similar to the option that the City provides to active employees. The enrolling retiree will be fully responsible to pay the premium associated with this vision option, including the additional administrative charge, and the City shall allow the retirees to utilize the pension reduction feature for payment of the monthly premium. The City will use Reasonable Efforts to have such coverage effective June 1, 2014, including taking Reasonable Efforts to notify retirees by mail of this option as soon as practicable, and taking Reasonable Efforts to minimize the administrative charge.

### **2. Modifications for Retirees Eligible for Medicare.**

- (a) **Extension of Enrollment Deadline to Opt Out of Medicare Advantage Plan Coverage.** For retirees of the City who are enrolled in Medicare and receive

coverage under a City-sponsored Medicare Advantage Plan through February 28, 2014, the date to opt out of such coverage was extended to February 7, 2014. Such retirees may opt out by hand delivery (no later than close of business February 7) or first-class mail delivery (post-marked on or before February 7) of the designated opt out form to the City Benefits Administration Office at Suite 1026, 2 Woodward Avenue, Detroit MI 48226. Retirees were permitted to request the designated opt out form by calling the City's Benefit Administration Customer Service Line or contacting the City Benefits Administration Office at the address above. The City will use Reasonable Efforts to process any such opt outs for which it receives timely notice in a manner so as to eliminate such Medicare Advantage Plan coverage effective March 1, 2014. To the extent the City is not able to process the timely sent opt out notices in a manner so as to eliminate such coverage effective March 1, 2014, such coverage shall be eliminated effective April 1, 2014. Retirees who did not opt out by February 7, 2014 will be enrolled in a City-sponsored Medicare Advantage Plan as described in the Booklet.

- (b) **HRA Contribution for Medicare-Eligible Retirees Who Opt Out.** For each Medicare-eligible retiree who opted out of coverage under the City-sponsored Medicare Advantage Plans on or prior to February 7, 2014, the City shall automatically enroll such retiree in a City-sponsored Health Reimbursement Arrangement ("HRA"). The HRA shall be administered by Flex Plan, Inc. The City will provide each electing enrollee with a vested \$115 monthly contribution credit to his or her HRA during the remainder of 2014, which will carry forward until used by the retiree or otherwise forfeited under terms to be negotiated by the parties hereto. The City will make all Reasonable Efforts to implement the HRA credits effective May 1, 2014, retroactive to March 1, 2014. The initial monthly credit for May 2014 shall be in an amount equal to the total of \$115 multiplied by the number of months starting March 2014 for which the enrolled retiree did not have Medicare Advantage Plan coverage (e.g., if John Smith had City-sponsored Medicare Advantage Plan coverage until February 28, 2014, the initial monthly credit for May 2014 will be \$345, covering March, April, and May; thereafter, the payments shall be \$115 per month for each month in 2014).
- (c) **Medicare Advantage Plan Catastrophic Drug Expenses.** Each of the Medicare Advantage Plans sponsored by the City for the period March 1, 2014 through December 31, 2014 include Medicare Part D prescription drug coverage, under which, once the \$4,550 out-of-pocket threshold is met, the participant's cost sharing obligation is limited to the greater of 5% of the cost of the prescription, or \$2.55 per prescription for generic and preferred multi-source drugs or \$6.35 per prescription for all other prescription drugs; provided, that the participant's cost sharing obligation shall never be greater than the cost sharing that applied prior to the participant meeting such threshold. For each participant who meets the \$4,550 out-of-pocket threshold while enrolled in one of the City's Medicare Advantage Plans during the period March 1, 2014 through December 31, 2014, the City will reimburse the amount of this cost sharing obligation to the related

retiree. For the avoidance of doubt, participant means both retiree and any retiree's spouse who is covered by the City's Medicare Advantage Plans.

**3. Modifications for Retirees Not Eligible for Medicare.**

- (a) **Additional Stipend to Retirees With \$75,000 or Lower Household Income Who Acquire Health Care Coverage on an Exchange.** The City will provide non-duty disabled retirees who are not eligible for Medicare a \$125 stipend that they may use to purchase health care coverage. The City will increase this stipend by \$50 for any non-Medicare eligible retiree who either (i) was enrolled in the City's retiree health program on December 31, 2013 or (ii) transitioned from active City benefits to retiree City benefits on or after November 1, 2013; but only to the extent such retiree described in (i) or (ii) above meets the following requirements:

- i) Not eligible for Medicare or Medicaid;
- ii) Not eligible for a benefit under Part II(4);
- iii) Not a duty-disabled retiree (duty-disabled retirees are eligible for higher stipends as provided for in the Booklet);
- iv) Under 65 years old (non-Medicare eligible retirees age 65 and older may receive an increased stipend under Part II(3)(c) below);
- v) Household income is \$75,000 or less, as demonstrated by satisfaction of the process set forth in Part II(3)(b);
- vi) Does not acquire a City-offered group health plan as set forth in Part II(3)(f); and
- vii) Purchases or is covered by a health insurance policy acquired through a health insurance exchange ("Exchange") established pursuant to the Patient Protection and Affordable Care Act.

**(b) Process to Obtain Additional \$50 Monthly Stipend.**

- i) The City will retain Aon Hewitt to administer the eligibility process for the additional \$50 monthly stipend set forth above in Part II(3)(a). Retirees will be given a 30-day notice period, to expire no later than April 30, 2014, during which they shall provide to Aon Hewitt the following:
  - (1) Submission of having purchased an insurance policy through an Exchange that covers such retiree. Such submission shall include information necessary to validate the retiree's eligibility, including the name of the insurer, monthly premium amount, and the amount of federal

subsidy, if any, that the retiree is to receive in connection with such Exchange-acquired coverage; and

- (2) If the proof of Exchange-acquired coverage shows that the retiree's premium does not also include a federal subsidy amount, such retiree shall also submit a copy of his or her most recently filed federal income tax return with proof of filing, but in no event a return prior to the 2011 tax year. If such federal income tax return shows household income in excess of \$75,000 and the retiree believes that household income in 2013 was below \$75,000, the retiree shall also submit – along with a copy of the most recently filed federal income tax return – proof sufficient for Aon Hewitt to conclude that his or her household income in 2013 was less than \$75,000.
- ii) Aon Hewitt shall submit to the City its list of retirees eligible for the additional \$50 monthly stipend and the monthly stipends shall be paid to the approved eligible retirees beginning in the month of June 2014 or as soon thereafter as administratively practical, with payments retroactive to March 1, 2014. For example, if the first payment is made in June 2014, it will be in the amount of \$200 for the months of March, April, May, and June; thereafter, the payments shall be \$50 per month for each succeeding month in 2014. The list provided by Aon Hewitt shall be final and no changes shall be made to such list for the remainder of 2014.

*The City shall cap the amount that it pays for this additional \$50 stipend during the period from March through December 2014 at \$3,000,000. In the event that there are more retirees meeting the requirements in Part II(3)(a) and (b) (i.e., retirees listed on the final list) than can be paid in full for \$3,000,000, each retiree will have his or her stipend amount reduced pro rata, unless there are additional funds that can be used as detailed in Part I(4).*

- (c) **Additional Payment to Non-Medicare Eligible Retirees Age 65 and Older.**  
The City will increase the stipend that it gives non-Medicare eligible retirees who are 65-years-old and older to \$300/month. For such purposes, a non-Medicare eligible retiree is any retiree age 65 or older who is not – directly or through his or her spouse – eligible to automatically enroll in and obtain premium-free coverage under Part A of Medicare as evidenced by a denial letter from the Centers for Medicare and Medicaid Services (“CMS”). Retirees who have previously submitted such a letter to the City will not be required to resubmit it. Non-Medicare eligible retirees who are duty-disabled will not be eligible for this increase because their stipend is already \$300 or more. The City will coordinate with Blue Cross Blue Shield of Michigan to determine the number of non-Medicare eligible retirees who are eligible for this \$300 stipend. The increased stipend will apply for each month from March 2014 through December 2014. The City will make all Reasonable Efforts to implement the \$300 increased

monthly stipend beginning April 1, 2014, with payment of the increased amount over the stipend otherwise paid for prior months being retroactive to March 1, 2014; thereafter, the stipend shall be \$300 per month for each succeeding month in 2014. Such eligible retirees will not receive any other stipend amounts from the City that are described in the Booklet or this Agreement.

(d) **\$125 Monthly Stipend For City Retirees' Spouses Who are Under Age 65, With \$75,000 or Lower Household Income, and Are Enrolled in Health Care Coverage on an Exchange.**

The City will provide a \$125 stipend to certain married retirees whose spouses either (i) were enrolled in the City's retiree health program on December 31, 2013 or (ii) transitioned from active City benefits to retiree City benefits on or after November 1, 2013; but only to the extent such spouse described in (i) or (ii) above meets the following requirements:

- i) Not eligible to enroll in one of the City's Medicare Advantage Plans;
- ii) Not eligible for Medicaid;
- iii) Not eligible for a benefit under Part II(4);
- iv) Under 65 years old;
- v) Household income is \$75,000 or less, as demonstrated by satisfaction of the process set forth in Part II(3)(e);
- vi) Does not acquire a City-offered group health plan as set forth in Part II(3)(f); and
- vii) Purchases or is covered by a health insurance policy acquired through an Exchange.

(e) **Process to Obtain \$125 Monthly Spouse Stipend.**

- i) The City will retain Aon Hewitt to administer the eligibility process for the \$125 monthly spouse stipend. Retirees will be given a 30-day notice period, to expire no later than April 30, 2014, during which they shall provide to Aon Hewitt the following proof:
  - (1) Submission of proof that their spouse is covered under an insurance policy purchased through an Exchange, including information necessary to validate the retirees' eligibility, including the name of the insurer, monthly premium amount, and the amount of federal subsidy, if any, that the spouse is to receive in connection with such Exchange-acquired coverage; and
  - (2) If the proof of Exchange-acquired coverage shows that the spouse's premium does not also include a federal subsidy

amount, such retiree shall also submit a copy of his or her most recently filed federal income tax return with proof of filing, but in no event a return prior to the 2011 tax year. If such federal income tax return shows household income in excess of \$75,000 and the retiree believes that household income in 2013 was below \$75,000, the retiree shall also submit – along with a copy of the most recently filed federal income tax return – proof sufficient for Aon Hewitt to conclude that his or her household income in 2013 was less than \$75,000.

- ii) Aon Hewitt shall submit to the City its list of retirees who are eligible for this \$125 monthly stipend and the monthly stipends shall be paid to the approved married retirees beginning in the month of June 2014 or as soon thereafter as administratively practical, with payments retroactive to March 1, 2014. For example, if the first payment is made in June 2014, it will be in the amount of \$500 for the months of March, April, May, and June; thereafter, the payments shall be \$125 per month for each succeeding month in 2014. The list provided by Aon Hewitt shall be final and no changes shall be made to such list for the remainder of 2014, except as follows:

- (1) if an eligible retiree ceases to be married (whether by death or divorce), the retiree's spouse will cease to be eligible for this stipend and the retiree shall be removed from the list effective as of the month immediately following such event; and
- (2) if a retiree's spouse transitions from active City benefits to retiree City benefits during 2014 and meets the eligibility provisions described in Part II(3)(d) and is approved as eligible pursuant to the process described in Part II(3)(e), the related retiree shall be added to the list effective as of the month in which the transition to retiree City benefits occurs, provided there is sufficient availability under the Aggregate Caps as described below.

*The City will cap the amount that it pays for spousal stipends at \$2,500,000.* In the event that there are more retirees initially satisfying the requirements in Part II(3)(e) (*i.e.*, retirees listed on the first list submitted by Aon Hewitt to the City) than can be paid in full for \$2,500,000, each such retiree will have his or her stipend amount reduced pro rata, provided that if there are additional funds that can be used as detailed in Part I(4), each such retiree will only have his or her stipend amount reduced pro rata to the extent the aggregate amount is not sufficient to satisfy the full amount of such stipends. Retirees who become eligible for this spousal stipend during the year, as described above, shall only be eligible for a stipend to the extent there is sufficient availability under the

Aggregate Caps detailed in Part I(4). The addition or removal of retirees from the list shall not impact the amount of the stipend being paid to other eligible retirees.

- (f) **City Group Plan.** In 2014, the City agrees to contract with Blue Cross Blue Shield of Michigan to offer a fully-insured group health plan option to retirees who are not eligible for Medicare. Such plan option shall be reasonably equivalent to the coverage offered by the City to active employees in 2014. The enrolling retiree will be fully responsible to pay the monthly premium associated with this option. The premium cost to retirees of such policy will include the cost to the City of enrollment and administration related to this policy option, so that the City will not incur any additional expense in offering this policy. The parties will use Reasonable Efforts to have such coverage effective May 1, 2014. The City shall provide a monthly stipend of \$100 to each retiree who enrolls in the City group plan, beginning with the May 1, 2014 payment. No other stipend amounts from the City that are described in the Booklet or this Agreement shall be available to retirees enrolling in this group option, unless either (i) the retiree is duty-disabled, in which case, he or she will instead receive the stipend available to duty-disabled retirees described in the Booklet, or (ii) the retiree is eligible for the stipend described in Part II(3)I, in which case, he or she will instead receive such stipend.

**4. Modifications for Retirees Below the Federal Poverty Level.**

- (a) **Coverage for Michigan Resident Retirees Eligible For Medicaid Coverage On or After April 1, 2014.** The parties recognize that CMS has approved the State of Michigan's request to operate the "Healthy Michigan" program for adults who will become eligible for Medicaid under Section 1902(a)(10)(A)(i)(VIII) of the Social Security Act, and that on April 1, 2014 Michigan will provide Medicaid coverage to all adults residing in the State with income up to and including 133% of the Federal Poverty Level. "Federal Poverty Level" means the applicable poverty guideline based on state of residence and household size issued annually by the U.S. Department of Health and Human Services. For those retirees who are eligible for Medicaid under the scheduled April 1, 2014 expansion, the City will facilitate their transition in the following manner: Within 10 days of the effective date of this Agreement, the City shall contact by letter those non-Medicare eligible retirees, who, according to the Retirement Systems' records, reside in Michigan and whose annual pension income is in an amount less than 100% of the Federal Poverty Level. Such retirees will be given a 30 day opportunity to submit to Aon Hewitt proof that their income falls below the Federal Poverty Level. Upon receipt by Aon Hewitt of a list of such retirees falling below the Federal Poverty Level, the City shall provide payment to such retirees of the amount equal to the value of the federal subsidy for the month of March that they would have received in connection with the second lowest cost Exchange-purchased silver plan, had such retiree, and to the extent the retiree is married, such retiree's spouse, been eligible for such subsidy for the month of March 2014 for such plan based on a determination of household income at 100% of the Federal Poverty Level. A similar payment will be made by the City in

connection with insurance coverage for April 2014 if such retiree and spouse are not covered by Medicaid. To the extent that the Medicaid expansion rules in Michigan have not provided such retirees the opportunity to migrate into the Michigan Medicaid program by May 1, 2014, the City shall cease its continued payment but the parties agree to negotiate in good faith an additional reasonable accommodation to such retirees that balances the City's and such retirees' interests. *Retirees eligible for payments under this subsection are not eligible for any other payment offered by the City as set forth in the Booklet or as set forth in this Agreement.*

- (b) **Coverage for Non-Medicare Eligible Retirees in States that Have Not Expanded Medicaid.** The City recognizes that not all States have chosen to expand Medicaid coverage in accordance with Title II of the Patient Protection and Affordable Care Act, and certain non-Medicare eligible retirees residing outside the State of Michigan whose incomes fall below 133% of the Federal Poverty Level will not be eligible for Medicaid coverage. Accordingly, in connection with such retirees, the City will pay a monthly amount equal to the lesser of: (1) the second lowest cost monthly premium for a silver plan for such retiree and spouse purchased through an Exchange in their place of residence; or (2) the ratable monthly amount necessary to increase the retiree's annual household income to 100% of the Federal Poverty Level. Within 10 days of the effective date of this Agreement, the City shall contact by letter those retirees, who, according to the Retirement Systems' records, reside in states that do not provide Medicaid coverage to adults up to the Federal Poverty Level, and whose annual pension income is in an amount less than 100% of the Federal Poverty Level. Such retirees will be given a 30 day opportunity to submit to Aon Hewitt proof that their income falls below the Federal Poverty Level. The City shall commence such payments as soon as reasonably practicable after receiving a list of such retirees from Aon Hewitt. *Retirees eligible for payments under this subsection are not eligible for any other payment offered by the City as set forth in the Booklet or as set forth in this Agreement.*

### III. RELEASES, FUTURE LEGAL PROCEEDINGS, AND MISCELLANEOUS

1. **Future Claims in City Plan Confirmation Proceedings.** This Agreement is entered into without prejudice to any party to this litigation with respect to any issue involving the rights, claims, obligations, and payments of health care and other post-employment benefits ("OPEB"); provided that the City will not seek to recover directly from the retirees any postpetition OPEB payments made to or on behalf of retirees. Each party expressly reserves its rights on OPEB issues in connection with negotiations of a plan of adjustment, and the Plaintiffs are free to pursue, and the City to oppose, their position that the postpetition OPEB payments the City made to or on behalf of retirees were a business necessity.

2. **Release.** Following the execution of this Agreement, the Plaintiffs will promptly dismiss the lawsuit – which solely addresses 2014 retiree health care benefits – with prejudice; provided, however, that any party to the lawsuit may bring an action in the Bankruptcy Court to enforce the terms of this Agreement resolving the lawsuit (an "Enforcement Action") and if the

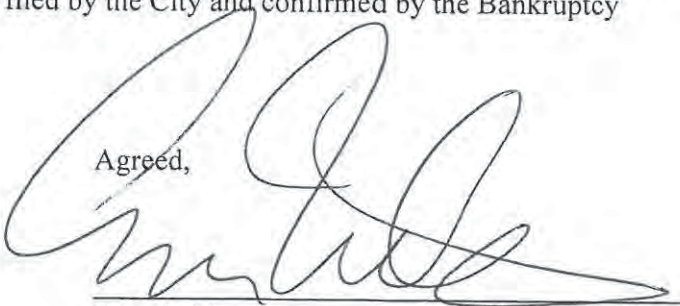

conditions contained in the last sentence of Part I(5) occur, then Plaintiffs are free to reinstate the Adversary Proceeding. Solely for purposes of an Enforcement Action, the City consents, pursuant to 11 U.S.C. § 904, to the Bankruptcy Court's hearing and deciding such Enforcement Action.

3. **Counterparts.** This Agreement may be signed in counterparts, and each counterpart shall be treated as an original.

4. **Good Faith.** As evidenced by the undersigned acknowledgment of Judge Wiley Daniel, Mediator, this Agreement was negotiated and entered into by all parties in good faith.

5. **Plan of Adjustment.** The terms of this Agreement, including Part III(4), shall be incorporated into any plan of adjustment filed by the City and confirmed by the Bankruptcy Court in 2014 in this bankruptcy case.

EXHIBIT I.A.332

STATE CONTRIBUTION AGREEMENT

**EXECUTION VERSION**

**CONTRIBUTION AGREEMENT**

This Contribution Agreement (“Agreement”), dated as of \_\_\_\_\_, 2014, is made by and among the Michigan Settlement Administration Authority, a Michigan body public corporate (the “Authority”), the General Retirement System of the City of Detroit, the Police and Fire Retirement System of the City of Detroit and the City of Detroit (the “City”).

**RECITALS**

A. The City filed a voluntary petition for relief under chapter 9 of the Bankruptcy Code on July 18, 2013 (the “Chapter 9 Case”) in the United States Bankruptcy Court for the Eastern District of Michigan (the “Court”).

B. During the course of the Chapter 9 Case, the City has asserted that the City’s Police and Fire Retirement System (the “PFRS” or a “System”) and the General Retirement System (the “GRS” or a “System” and collectively with the PFRS, the “Systems”) are underfunded.

C. During the course of the Chapter 9 Case, there have been suggestions that the State of Michigan (the “State”) may be obligated to pay all or a portion of the underfunding of pension benefits payable to retirees, a suggestion the State vigorously disputes.

D. As part of the mediation process in the Chapter 9 Case, the mediators asked the State and other parties to assist in reducing the amount of underfunding in the PFRS and GRS pension funds by providing settlement funds for the benefit of pensioners that would not be otherwise available.

E. As part of its determination that the City was eligible to file the Chapter 9 Case, the Court determined that pension obligations of the City can be impaired or diminished in the Chapter 9 Case and are not protected from such impairment or diminution by the State Constitution.

F. In support of confirmation of the City’s Fourth Amended Plan of Adjustment dated May 5, 2014 (as may be further amended from time to time, the “Plan”), the State has agreed, subject to satisfaction of the terms and conditions set forth herein and in the Plan, to make a contribution to the GRS and PFRS in return for releases from, among others, the GRS and PFRS as set forth in the Support and Release Agreement entered into by the State and each of the Systems in connection with this matter.

G. On June 20, 2014, the Authority was established as the disbursement agent for the State with respect to the State Contribution (as defined below).

H. Capitalized terms used in this Agreement but not defined have the same meanings as set forth in the Plan.

NOW THEREFORE, THE PARTIES HERETO AGREE AS FOLLOWS:

1. State Contribution. On the later of (a) the date on which the Conditions Precedent have been satisfied, and (b) 60 days after the Effective Date of the Plan, the Authority shall disburse \$98,800,000 to GRS and \$96,000,000 to PFRS (collectively, the “State Contribution”) for the purpose of increasing the assets of the PFRS and GRS. The total aggregate State Contribution is equal to the net present value of \$350,000,000 payable over 20 years determined using a discount rate of 6.75%, which results in a total contribution by the State of \$194,800,000. The State Contribution shall only be used to fund payments to holders of GRS Pension Claims and PFRS Pension Claims, each as defined in the Plan.

2. Governance Requirements of the GRS and PFRS. At all times during the 20 year period following the disbursement of the State Contribution to the GRS and PFRS, the GRS and PFRS each must establish an investment committee (the “Investment Committee”) for the purpose of making recommendations to, and approving certain actions by, the respective System's board of trustees and/or making determinations and taking action under and with respect to Investment Management, as set forth in the terms and conditions enumerated on **Exhibit A** and **Exhibit B**, respectively, each attached to and incorporated by reference into this Agreement. Further, the Emergency Manager for the City and any subsequently appointed emergency manager for the City, appointed under PA 436 or under any successor or replacement statutes to PA 436, shall not seek to exercise any powers granted under section 12(1)(m) of PA 436 (or equivalent provision under any successor or replacement statute) against the Board of GRS or the Board of PFRS until the earlier of (a) one year following entry of an order confirming the Plan, and (b) December 31, 2015.

3. Income Stabilization Funds and Income Stabilization Payments. The City, GRS and PFRS shall establish an income stabilization program and amend the governing documents for GRS and the governing documents for PFRS to include the following:

- a. A supplemental pension income stabilization payment (the “Income Stabilization Payments”) payable on an annual basis beginning not later than 120 days after the Effective Date, to each Eligible Pensioner equal to the lesser of (a) the amount needed to restore the Eligible Pensioner's reduced pension benefit to the amount of the pension benefit that the Eligible Pensioner received from GRS or PFRS in 2013, or (b) the amount needed to bring the total annual household income of the Eligible Pensioner up to 130% of the Federal Poverty Level in 2013.
- b. In addition, to the extent an Eligible Pensioner's Estimated Adjusted Annual Household Income in any calendar year is less than 105% of the Federal Poverty Level in that year, the Eligible Pensioner will receive an additional benefit (“Income Stabilization Benefit Plus”). The Income Stabilization Benefit Plus shall be equal to the lesser of either (a) 100% restoration of pension benefits, including escalators and cost of living adjustments; or (b) the amount needed to bring the Eligible Pensioner's Estimated Adjusted Annual Household Income in that calendar year up to 105% of the Federal Poverty Level in that year.

- c. An Eligible Pensioner's "Estimated Adjusted Annual Household Income" shall be calculated as follows: (i) the annual pension benefit amount paid in 2013 shall be subtracted from the Eligible Pensioner's 2013 total household income (per their (or in the case of minor children, their legal guardian's) 2013 income tax returns or equivalent documentation) as adjusted for inflation or Social Security COLA increases to create a base additional income amount, plus (ii) the following three items as applicable, (x) the reduced pension benefit that GRS will pay the Eligible Pensioner for that year, (y) any GRS pension restoration due to an improved GRS funding level, and (z) the Eligible Pensioner's Income Stabilization Benefit. Notwithstanding the foregoing, Income Stabilization Payments, including the Income Stabilization Benefit Plus, under both GRS and PFRS shall not exceed \$20 million in aggregate.
- d. A separate recordkeeping sub-account called the "Income Stabilization Fund" will be set up under each of GRS and PFRS for the sole purpose of paying the Income Stabilization Payments to Eligible Pensioners. The assets credited to the sub-accounts will be invested on a commingled basis with the applicable System's assets and will be credited with a pro-rata portion of the System's earnings and losses.
- e. Amounts credited to the Income Stabilization Fund, including the Assigned UTGO Bond Tax Proceeds, may not be used for any purpose other than the payment of Income Stabilization Payments to Eligible Pensioners, except as expressly provided in subparagraph (f) below.
- f. In 2022, provided that the State has not issued a certificate of default with respect to a System at any time prior to 2022, the Investment Committee for that System shall conduct a valuation to determine the Income Stabilization Payments anticipated to be made from the System in the future, in order for the System to fulfill the obligation to make Income Stabilization Payments (the "Estimated Future Liability"). In the event that 75% of the independent members of the Investment Committee determine that the GRS or PFRS Income Stabilization Fund is credited with assets in excess of its Estimated Future Liability (the "Excess Assets"), the Investment Committee may, in its sole discretion, recommend to the Board of Trustees that the Excess Assets, but not more than \$35 million, be used to fund each System's payment of Adjusted Pension Amounts. The Investment Committee shall have the right to engage professionals to assist in this task as necessary, and such expenses shall be paid by the Systems. If any funds remain in the GRS or PFRS Income Stabilization Fund on the date upon which no Eligible Pensioners under their respective System are living, the remainder of each System's Income Stabilization Fund shall be used to fund each System's payment of Adjusted Pension Amounts.

- g. “Eligible Pensioners” are those retirees or surviving spouses who are at least 60 years of age or those minor children receiving survivor benefits from GRS or PFRS, each as of the Effective Date, whose pension benefit from GRS or PFRS will be reduced by the confirmed Plan, and who have a total household income equal to or less than 140% of the Federal Poverty Line in 2013 (per their (or in the case of minor children, their legal guardian’s) 2013 income tax returns or equivalent documentation). No new persons will be eligible to receive an Income Stabilization Payment at any time in the future, and any minor child receiving survivor benefits shall cease to be an Eligible Pensioner after he or she turns 18 years of age.
- h. The initial determination of Eligible Pensioners, and the amounts of Income Stabilization Payments payable to Eligible Pensioners shall be made by the State in its sole discretion. The State shall transmit the list of Eligible Pensioners to the Investment Committee and the Board of Trustees of GRS and PFRS, as applicable. The Board of Trustees, with the assistance of the Investment Committee of GRS and PFRS, shall be responsible for properly administering the respective Income Stabilization Fund and annually certifying to the Treasurer that it has properly administered the requirements for eligibility and payment of benefits with respect to Eligible Pensioners.

4. Conditions Precedent. The Authority’s obligations under this Agreement are not effective or enforceable until each of the following conditions (the “Conditions Precedent”) have been met to the satisfaction of the Authority and the Treasurer, unless any one or more of such conditions are waived in a writing executed by the Authority and the Treasurer:

- a. The Authority receives the State Contribution from the State.
- b. An endorsement of the Plan by the Official Retiree Committee which will include a letter from the Official Retiree Committee as part of the Plan solicitation package recommending to Classes 10 and 11 a vote in favor of the Plan, or equivalent assurances from member organizations representing a majority of retirees in the respective classes.
- c. Cessation of all litigation, including the cessation of funding of any litigation initiated by any other party, as it relates to the City (a) challenging PA 436 or any actions taken pursuant to PA 436, including but not limited to, a dismissal with prejudice of the cases set forth on **Exhibit D**, or (b) seeking to enforce Article IX, Section 24 of the Michigan Constitution; provided, however, (i) until the State Contribution is received by the Systems, the Systems agree to stay any pending litigation described in this subparagraph, and (ii) that as a condition precedent to the GRS and the PFRS dismissing any pending litigation described in this subparagraph that they are prosecuting, the GRS and the PFRS have the right to receive written confirmation from the Authority

that the Authority is prepared and authorized to disburse the State Contribution in accordance with this Agreement and the Plan, subject only to the dismissal by the GRS and PFRS of any pending litigation described in this subparagraph that they are prosecuting.

- d. Active support of the Plan by, a release of and covenant not to sue the State from, and an agreement not to support in any way (including funding) the litigation described in subparagraph 4(c) by the parties listed on **Exhibit C**, or equivalent assurance of litigation finality (which, as to the Systems, shall be deemed satisfied by the execution of the Support and Release Agreement to be entered into by the State and each of the Systems in connection with this matter).
- e. Classes 10 and 11 accept the Plan.
- f. By December 31, 2014, the Court enters a final, non-appealable order confirming the Plan that includes, at a minimum, the following:
  - i. A release of the State and State Related Entities by each holder of a Pension Claim of all Liabilities arising from or related to the City, the Chapter 9 Case, including the authorization given to file the Chapter 9 Case, the Plan, all Exhibits, the Disclosure Statement, PA 436 and its predecessor or replacement statutes, and Article IX, Section 24 of the Michigan Constitution that such party has, had or may have against the State and any State Related Entities.
  - ii. A requirement that the governing documents of GRS and the governing documents of PFRS be amended to include:
    - a) the governance terms and conditions set forth in Paragraph 2, Exhibit A and Exhibit B of this Agreement; and
    - b) the Income Stabilization Payments and Income Stabilization Fund described in Paragraph 3 of this Agreement.
  - iii. Approval of, and authority for the City to enter into, the UTGO Settlement.
  - iv. A requirement that the City irrevocably assigns the right to receive not less than an aggregate amount of \$20,000,000 of the payments on the Reinstated Stub UTGO Bonds to the Income Stabilization Funds of the GRS and PFRS. Such payments will be made to the Income Stabilization Funds in the form of annual installment payments over a 14 year period, pursuant to a payment schedule approved by the State.

- v. Approval of, and authority for the City to enter into, the DIA Settlement.
- vi. Agreement to and compliance with MCL 141.1561 and cooperation with the transition advisory board appointed pursuant to MCL 141.1563, or compliance with any new legislation that is enacted regarding post-bankruptcy governance.
- g. Evidence satisfactory to the State of an irrevocable commitment by:
  - i. The Foundations to fund \$366,000,000 (or the net present value thereof) as part of the DIA Settlement; and
  - ii. The DIA Corp. to fund \$100,000,000 (or the net present value thereof) as part of the DIA Settlement.
- h. The Plan Effective Date occurs on or before April 1, 2015.

5. Non-occurrence of Conditions Precedent. If the Conditions Precedent are not met to the satisfaction of the Authority and the Treasurer on or before April 1, 2015, upon written request of the Treasurer, the Authority shall remit the State Contribution to the Department and shall have no further obligations under this Agreement.

6. Default by GRS and PFRS; Cure Period; Remedies.

- a. A System will be in default if the System has not materially complied with any of the terms and conditions set forth in (i) the Plan, (ii) the Governing Documents, or (iii) this Agreement, including, but not limited to, failing to make the required Income Stabilization Payments or using funds in the Income Stabilization Fund for unauthorized purposes. For the purposes of this Agreement, “Governing Documents” shall mean, (x) for the GRS, the Combined Plan for the General Retirement System of the City of Detroit, Michigan, and (y) for the PFRS, the Combined Plan for the Police and Fire Retirement System of the City of Detroit, Michigan. Notwithstanding subparagraph ‘e’ below, there shall not be an event of default for purposes of this paragraph 6 unless and until the Treasurer delivers to the alleged defaulting System a written notice declaring and specifically identifying the facts of an alleged default (the “Default Notice”). Nothing herein shall prohibit the subject System from contesting the alleged default; provided, however, until the contest over the alleged default is resolved, the subject System may not include its State Contribution, as adjusted for earnings and losses, for purposes of determining whether benefits reduced by the Plan may be restored.
- b. In the event of a default by a System, the System shall have 100 days after receiving the Default Notice in accordance with subparagraph ‘a’ above (the “Cure Period”) to cure such default by remedying the damages sustained as a result of the default, as well as making any delinquent

Income Stabilization Payments, and restoring any funds improperly removed from any other fund maintained by the System, including the Income Stabilization Fund, as applicable. Prior to the expiration of the Cure Period, at least six of the seven total aggregate votes of the Investment Committee for the defaulting System must certify to the Treasurer that (i) the default has been cured, and (ii) that no material damages have been caused by the default that have not otherwise been remedied (the “Cure Certification”). During the Cure Period, the defaulting System may not include its State Contribution, as adjusted for earnings and losses, for purposes of determining whether benefits reduced by the Plan may be restored.

- c. If the Investment Committee for the defaulting System provides the Cure Certification to the Treasurer in accordance with subparagraph ‘b’ above, then the default will be deemed cured and the defaulting System may once again include its State Contribution, as adjusted for earnings and losses, for purposes of determining whether benefits reduced by the Plan may be restored.
- d. If the Investment Committee for the defaulting System fails to provide the Cure Certification to the Treasurer in accordance with subparagraph ‘b’ above, then no portion of the total State Contribution to the defaulting system, as adjusted for earnings and losses, may be taken into consideration by the System during the remainder of the 20 year period following the date of such default for purposes of determining whether benefits reduced by the Plan may be restored. Notwithstanding the foregoing, if at any time during or after the Cure Period the Investment Committee certifies by a simple majority vote, that (i) the default has been cured; and (ii) that no material damages have been caused by the default that have not otherwise been remedied, then the Treasurer may consent to the defaulting System once again including its State Contribution, as adjusted for earnings and losses, for purposes of determining whether benefits reduced by the Plan may be restored, which consent shall not be unreasonably withheld.
- e. Each Investment Committee shall provide compliance reports to the Treasurer on a semi-annual basis and at such other times as the Treasurer reasonably may request (each, a “Compliance Report”) that certifies that the Investment Committee is not aware of any defaults, or, if the Investment Committee is aware of a default, specifically identifying the facts of such default. After review of a Compliance Report, the Treasurer shall provide to the System either a certificate of compliance or a Default Notice.
- f. Notwithstanding the foregoing, in the event of a default, the Treasurer and the Authority shall have the right to pursue all available legal and

equitable remedies against the Board of Trustees for the defaulting System, the Investment Committee, or any other person.

7. Execution in Counterparts. This Agreement may be executed in counterparts, each of which when so executed and delivered shall be deemed to be an original and all of which taken together shall constitute one and the same instrument.

8. Governing Law/Jurisdiction. This Agreement shall be construed in accordance with the laws of the State of Michigan, without reference to its conflict of law provisions, and the obligations, rights and remedies of the parties hereunder shall be determined in accordance with such laws. The Bankruptcy Court of the Eastern District of Michigan shall have exclusive jurisdiction over any action or proceeding solely with respect to this Agreement, and each party, to the extent permitted by law, agrees to submit to such jurisdiction and to waive any defense based on venue or jurisdiction of such court.

9. Amendment. This Agreement may be amended, modified, superseded or canceled, and any of the terms, covenants, representations, warranties or conditions hereof may be waived only by an instrument in writing signed by each of the Parties.

10. Limitation of Liability. The obligation to make the State Contribution is not a general obligation or indebtedness of the State or the Authority and is subject to satisfaction of the conditions described herein. Furthermore, neither the State nor the Authority has any liability or obligation arising from or related to the contributions and funding of the Income Stabilization Fund of each System. Notwithstanding anything contained herein to the contrary, no State Related Entity or board member of the Authority shall have any liability for the representations, warranties, covenants, agreements or other obligations of the State or the Authority hereunder or in any of the certificates, notices or agreements delivered pursuant hereto.

SCOPE OF SETTLEMENT	<p>The GRS is currently administered by a ten (10) member Board of Trustees (the "Board") that is vested with the fiduciary authority for the general administration, management and operation of the Retirement System. At least one (1) of the IC Independent Members shall satisfy the requirements of (a) above and at least one (1) of the IC Independent Members shall satisfy the requirements of (b) above.</p> <p>The five (5) initial IC Independent Members shall be selected by mutual agreement of the appropriate representatives of the State, the City and the Board, in consultation with the Foundation for Detroit's</p>

	<p>Future. The initial Independent Members and their terms of office will be as follows: Ken Whipple (2 years), David Sowerby (3 years), Robert Rietz (4 years), Doris Ewing (5 years) and Kerrie VandenBosch (6 years). Successor Independent Members shall be recommended by a majority of the remaining Independent Members and confirmed by the Board and the State Treasurer in consultation with the Foundation for Detroit's Future, in accordance with such rules and regulations as may be adopted by the IC, provided such rules and regulations are not inconsistent with the POA and this agreement. In the event the Board and the State Treasurer cannot agree on the successor Independent Member within thirty (30) days of the receipt of the recommendation of the IC, the remaining Independent Members of the IC shall appoint the successor Independent Member.</p> <p>If no mutual agreement is reached as to the selection of one or more of the initial IC Independent Members by the time of confirmation of the City's Plan of Adjustment, then the Bankruptcy Court shall select the Independent Members necessary to fill the five (5) initial IC Independent Member positions for which no agreement has been reached.</p> <p>In the event the Bankruptcy Court selects the initial Independent Members as described immediately above, successor Independent Members shall be appointed in the same manner as the Independent Member being replaced, as described immediately above, after three (3) weeks' notice to the Board of the individuals chosen, in accordance with such rules and regulations as may be adopted by the IC, provided such rules and regulations are not inconsistent with the POA and this agreement.</p> <p>The Employee Member shall be an employee-elected Member from the Board appointed by the Board. Each initial Independent Member shall serve until the expiration of his/her initial term. After the initial term of office, the term of office of the IC Independent Members shall be six years. Each successor Independent Member shall be selected in accordance with the provisions above and shall serve until his or her death, incapacity, resignation or removal in accordance with the paragraph below. In addition, a Member of the IC may have voting privileges temporarily suspended by a 70% or higher vote of the other members if the Member is indicted or sued by a State or federal government for an alleged violation of the law that relates to his or her service on the IC, or for other alleged financial crimes, including fraud. Any vacancy occurring in the office of Member shall be filled within sixty (60) days following the date of the vacancy, for the unexpired portion of the term, in the same manner in which the office was previously filled.</p> <p>All members of the IC shall be reimbursed for the reasonable, actual and necessary expenses incurred in the performance of their duties. All reasonable and proper expenses related to the administration of the IC, including but not limited to the purchase of insurance, shall be payable out of the assets of the GRS. The IC may retain actuarial, legal counsel, audit or other professional or support personnel to provide advice to the IC as it deems reasonably necessary to perform its functions and such parties or persons may be reasonably compensated from the assets of the Plan; such engagements shall not be subject to the approval of the Board.</p> <p>The IC shall be an investment fiduciary to the GRS. An IC Member or other fiduciary under the GRS shall discharge his or her duties with respect to the GRS in compliance with the provisions of Public Act 314 of 1965, as amended. Members of the IC shall comply with all Board governance policies and procedures, including the Ethics and</p>

	Code of Conduct Policies, unless such compliance violates the Member's fiduciary duties or conflicts with the terms and conditions of this agreement.
IC MEETINGS	<p>The IC shall meet at least once every other month. The Members shall determine the time for the regular meetings of the IC and the place or places where such meetings shall be held. The Secretary or his or her designee shall be responsible for giving notice of the time and place of such meetings to the other Members.</p> <p>Notice and conduct of all meetings of the IC, both regular and special, shall be held within the City of Detroit and in accordance with applicable law including the Michigan Open Meetings Act (MCL §15.261 <u>et seq.</u>).</p> <p>The IC shall adopt its own rules of procedure and shall keep a record of its proceedings. Five (5) Members shall constitute a quorum at any meeting of the IC, so long as at least three (3) Independent Members are present. Each Member shall be entitled to one vote on each question before the IC and at least four (4) concurring votes shall be necessary for a decision of the committee except as otherwise provided in this Term Sheet.</p>
INVESTMENT COMMITTEE - RESPONSIBILITY	<p>The IC shall serve in a fiduciary capacity with respect to the Investment Management of all GRS Plan Assets, determination of the investment return assumption, and Board compliance with benefit plan provisions, as set forth more fully below. The IC shall have all the powers as a fiduciary under the first sentence of MCL §38.1133(5) and (6).</p> <p>All Investment Management decisions approved by the Board shall require a recommendation by an affirmative vote of the IC, in accordance with the provisions of this agreement. All actions and recommendations of the IC shall be forwarded to the Board for consideration and are subject to Board approval. The Board shall take no action with respect to any matter for which the IC has responsibility and authority, including the Investment Management matters described in the next paragraph, unless and until such action has been approved by affirmative vote of the IC. After delivery of such written explanation by the IC, the IC and the Chief Investment Officer are authorized to implement the decision. Any action taken by the Board or the IC in violation of the terms of this agreement shall constitute an ultra vires act and the IC or the Board, whichever is applicable, is granted the express right to seek to preliminarily enjoin such violation of the breaching party without the need to show irreparable harm.</p> <p>“Investment Management” with respect to plan assets shall mean:</p> <ol style="list-style-type: none"> <li>1. FORM OF SYNCORA DEVELOPMENT AGREEMENT

**DEVELOPMENT AGREEMENT**  
**OPTION TO PURCHASE AND DEVELOP LAND**  
**BY AND BETWEEN**  
**CITY OF DETROIT**  
**AND**  
**PIKE POINTE HOLDINGS, LLC**

**THIS AGREEMENT** (referred to herein as the “Agreement”) is entered into as of the \_\_\_\_ day of September, 2014 (the “Effective Date”), by and between the City of Detroit, a Michigan public body corporate (the “City”), acting through its Planning & Development Department (“PDD”), whose address is 2300 Cadillac Tower, Detroit, Michigan 48226, and Pike Pointe Holdings, LLC, a Delaware limited liability company (“Developer”), whose address is [\_\_\_\_\_] ]. The City and Developer are sometimes referred to in this Agreement as a “Party” and, collectively, as the “Parties.”

**Recitals:**

A. In consideration of the Parties’ various contractual arrangements entered into contemporaneously herewith, including without limitation, extension of the lease of the Windsor Tunnel between the City and affiliates of Developer, and the mutual desire of the Parties to promote economic growth in the City (the “Arrangement”), the City has agreed to grant an option to Developer to acquire various parcels of land located in the City of Detroit as described in the attached **Exhibit A** (each a “Property” and, collectively, the “Properties”). Unless otherwise set forth herein, references in this Agreement to a Property shall apply only to the applicable Property and not the other Properties.

B. If Developer exercises its option with respect to one or more of parcels of the Property as set forth herein, Developer shall develop such Property in accordance with the terms and provisions of this Agreement.

Accordingly, the Parties agree as follows:

## **Section 1. TERMS OF OPTION**

(A) Grant of Option. The City hereby grants to Developer an option (the “Option”) to, from time to time, acquire any or all of the Properties from the City upon the terms and conditions set forth in this Agreement. The Option shall be effective for five (5) years from the Effective Date, except with respect to that certain Property located at 2200 Franklin for which the Option shall be effective for seven (7) years from the Effective Date (the “Option Period”). The Parties agree and acknowledge that the sole and exclusive consideration for the Option and any subsequent acquisition of any Property hereunder is deemed to be the Arrangement, the sufficiency of which is hereby acknowledged. The City shall cause to be recorded and maintained of record against the Properties in the appropriate land records for the duration of the Option Period the memorandum of option attached hereto as **Exhibit B**. Notwithstanding the foregoing, the Option Period may be extended for a period not to exceed two (2) years upon written consent of the City, which consent shall not be unreasonably withheld, conditioned or delayed (the “Option Extension”). For purposes of the Option Extension, it shall be unreasonable for the City to withhold consent thereto to the extent that, (i) on the date of Developer’s request therefor, development in the immediate vicinity of the Property has materially decreased or the general economic condition of the City or geographic region in which the Property is located has deteriorated, in either instance from and after the Effective Date to such a level that it would not be economically feasible for the Developer to pursue development of the Property and/or (ii) the Option Extension is reasonable given the complexity of the development contemplated by the Developer. Any dispute between the Parties with regard to a request for Option Extension which cannot be resolved by the Parties within sixty (60) days following the Developer’s request therefor shall be brought in the Bankruptcy Court for so long as it has jurisdiction, and thereafter in the United States District Court for the Eastern District of Michigan; provided, that if the United States District Court for the Eastern District of Michigan does not have jurisdiction, then such legal action, suit or proceeding shall be brought in such other court of competent jurisdiction located in Wayne County, Michigan; provided, further, by execution and delivery of this Agreement, each of the Parties irrevocably accepts and submits to the exclusive jurisdiction of such court, generally and unconditionally, with respect to any such action, suit or proceeding and specifically consents to the jurisdiction and authority of the Bankruptcy Court to hear and determine all such actions, suits, and proceedings under 28 U.S.C. §157(b) or (c), whichever applies.

(B) Diligence Notice. If the Developer desires (in its sole discretion) to undertake Due Diligence Activities (as hereinafter defined) with respect to one or more of the Properties, the Developer shall, from time to time, give prior written notice of its intent thereof to the City not less than sixty (60) days prior to the expiration of the Option Period (each, a “Diligence Notice”). The Developer shall be entitled to deliver any number of Diligence Notices with respect to the various Properties during the Option Period; provided, however, that any such Diligence Notice shall indicate reference to the Property the Developer intends to subject to the Due Diligence Activities hereunder.

(C) Condition of Property.

(1) Due Diligence Activities. Subject to the requirements of Section 2 below, upon delivery of the Diligence Notice to the City with respect to any Property, Developer shall have a period commencing on the date of the Diligence Notice and continuing through and including the date that is sixty (60) days prior to the expiration of the Option Period (the “Due Diligence Period”) to conduct its due diligence activities on any Property that is the subject of a Diligence Notice. For purposes of this Agreement, “Due Diligence Activities” include but are not limited to the following:

(a) such physical inspections, surveys, soil borings and bearing tests, possible relocation of utilities, and such environmental due diligence on or for the Property as Developer deems appropriate, all of which shall be completed at Developer’s expense;

(b) investigations, environmental site assessments, including Phase I and Phase II site assessments, sampling and testing of soil, groundwater, surface water, soil vapors, indoor air, and building materials (such as Asbestos and lead-based paint), and/or a Baseline Environmental Assessment, (“BEA”), as defined in Part 201 of the Natural Resources and Environmental Protection Act (“NREPA”), being MCL 324.20101 *et seq.*, and such other investigations and assessments as Developer may deem needed in its sole discretion to determine the condition of the Property and the Property’s compliance with Environmental Law and any other federal, state and local laws, rules, regulations and orders relating in any way to protection of human health, the environment and natural resources, all of which shall be completed at Developer’s expense; and

(c) a review of the title evidence, survey, entitlements, and payment of taxes and assessments, all of which shall be completed at Developer’s expense.

(d) a review of financing sources related to Developer’s proposed development and use of the Property, or any other matter that in Developer’s sole discretion is relevant to Developer’s acquisition of the Property.

(e) a review of all City Information and all publicly-available information with respect to the Property.

(f) a review of available public and private utilities and public accesses necessary for the proposed development of the Property.

(f) application and procurement of any zoning, site plan, elevation, special land use, environmental, conditional use or other municipal approvals or permits, or variances therefrom, required or appropriate for the proposed development of the Property. The City hereby authorizes the Developer to submit and apply for all such approvals, permits, and variances upon the commencement of the Due Diligence Period.

(2) City Information. The City shall use reasonable efforts to make available to Developer all information in the City's (or the City's agencies' or departments') possession or control related to the applicable Property within thirty (30) days following delivery to the City of a Diligence Notice for the applicable Property, including but not limited to existing leases, licenses, permits, approvals, contracts, warranties, title searches and policies, surveys, appraisals, environmental audits, Phase I environmental site assessments, Phase II reports or other testing or sampling data, asbestos surveys, reports, specifications, from the Planning, Building, Assessing, Environmental Affairs and Fire Departments, notices of violations of applicable laws, regulations and ordinances or other documents in the City's possession or control related to the applicable Property (collectively, the "City Information"). The City shall cooperate with the Developer and use reasonable efforts to facilitate the Developer's Due Diligence Activities, all at no material incremental cost to the City, including providing information, coordinating with tenants or other third party users of the Property as applicable, and executing such documentation as may be reasonable and necessary for Developer's access to the site and completion of the Due Diligence Activities including the preparation of a BEA.

(3) Insurance. Prior to entering onto any Property for any Due Diligence Activities, Developer or its contractors shall maintain the insurance coverage and comply with the insurance requirements specified in the City's Right-of-Entry, a form of which is attached as **Exhibit C** (the "Right-of-Entry").

(4) Indemnity. Developer shall defend, indemnify and hold harmless the City from and against any loss, liability, cost or expense incurred by the City to the extent resulting from Developer's (including its duly authorized employees, agents, engineers or other representatives) negligence or willful acts occurring in connection with the Due Diligence Activities; provided, however, that (i) in the event Developer provides an Objection Notice or otherwise elects not to proceed to Closing, the Developer shall in no circumstance have any obligation or liability with respect to any conditions pre-existing at the Property including without limitation any environmental condition, soil or groundwater contamination or other environmental conditions that may be discovered in the course of the Developer's Due Diligence Activities and thereafter disclosed to the City as required hereunder, except to the extent such conditions are materially exacerbated due to the negligence or willful acts of Developer or any of its duly authorized employees, agents, engineers or other representatives, and (ii) the Developer shall not be responsible for any loss, liability, cost, or expense resulting from the discovery of any adverse information or condition regarding the applicable Property or from the City's (or the City's agencies' or departments') negligence or misconduct.

(5) Results of Due Diligence Activities. If Developer concludes, in Developer's sole discretion, that a particular Property is satisfactory, then Developer shall so

notify the City in writing on or before the last day of the Due Diligence Period, by sending an “Election Notice,” and the parties shall proceed to closing the applicable Property subject to other terms and conditions of this Agreement. If Developer concludes, in Developer’s sole discretion, that, for any reason or for no reason, a particular Property is not satisfactory, then Developer shall so notify the City in writing on or before the last day of the Due Diligence Period, by sending a “Rejection Notice,” and the parties shall not proceed to Closing with respect to the applicable Property at such time. In the event the Developer issues a Rejection Notice with respect to any Property, Developer may not later elect to re-commence Due Diligence Activities with respect to the same Property and the Option granted hereunder with respect to such Property will be thereafter deemed released and of no further force or effect. If Developer concludes, in Developer’s sole discretion, as a result of the Due Diligence Activities that the condition of the Property is not satisfactory but Developer wants the City to cure such unsatisfactory conditions, then Developer shall notify the City in writing on or before the last day of the Due Diligence Period, by sending an “Objection Notice” setting forth with reasonable specificity the particular condition of the applicable Property which is unacceptable to Developer (each such condition referred to as a “Defect”). The City shall have the right, but not the obligation, within sixty (60) days of the Objection Notice (the “City Cure Period”), to cure such Defects; provided, however, that the City shall be required to cure any liens or encumbrances (collectively, a “Mandatory Cure”) (x) in favor of the City or any agency or department of the City or (y) result from a violation of Section 5(G) of this Agreement. If the City is unable or unwilling to cause any or all of the Defects (other than Mandatory Cures which the City shall be obligated to cure) during such City Cure Period, Developer shall have the right to either (i) elect not to exercise the Option with respect to the applicable Property by sending written notice to City of such election within two (2) days after the expiration of the City Cure Period, in which event the Developer may later elect to commence Due Diligence Activities with respect to the same Property by delivery of a Diligence Notice pursuant to the terms of Section 1(B) above; or (ii) waive its objection to such Defects and accept the Property subject to those Defects (Developer being deemed to have elected this option (ii) if it fails to make the election in the preceding option (i)). If Developer fails to provide an Election Notice or an Objection Notice within the Due Diligence Period, then Developer shall be deemed to have delivered a Rejection Notice with respect to the applicable Property. Notwithstanding any provision herein to the contrary, the City agrees to (1) cooperate with the Developer in clearing title to the Property to the extent that the title related Defects described in the Objection Notice are within the reasonable control of the City to address or eliminate and (2) cure all Mandatory Cure Defects. In the event that the expiration of the City Cure Period for a particular Property occurs (or would occur) after the expiration of the Option Period, the Option Period shall be extended for such Property until the date that is fifteen (15) days after the expiration of the applicable City Cure Period.

(6) As Is Condition of Property; City Cooperation. From time to time with respect to each Property, subject to the earliest to occur of (i) delivery by Developer of an Election Notice, (ii) written notice to Developer that the City has cured all Defects set forth in an Objection Notice provided prior to the expiration of the City Cured Period, or (iii) waiver by Developer of any Defects, each pursuant to Section 1(C)(5) above, closing of the transactions contemplated hereby with respect to a particular Property (each, a “Closing”) shall be on an “as-is, where-is” basis and the Developer shall take the applicable Property as it finds it at Closing

other than a matter resulting from a violation of the covenant set forth in Section 5(G) of this Agreement. The City makes no implied or express representations or warranties of any kind as to its condition, including its environmental condition and any other condition that may adversely affect the development, or its fitness for absolutely any purpose whatsoever. By proceeding to Closing after completion of its Due Diligence Activities, Developer will acknowledge that it is satisfied with the condition of the applicable Property, except as otherwise provided in this Agreement. By accepting title to the applicable Property at Closing, Developer shall be deemed to have waived any right to object to the status of title or to the condition of the applicable Property, regardless of the result of any Due Diligence Activities, and shall be deemed to have declared its full satisfaction with the status of title to and condition of the applicable Property, except as otherwise provided in this Agreement.

(7) Release of City from Liability. Upon Closing on any particular Property, Developer shall release the City and its officials, employees, and agents (but not any third party) from any and all claims or causes of action the Developer may have against the City for any liability, injury or loss as a result of any physical defects in or physical conditions of the applicable Property, including but not limited to any surface, subsurface, latent or patent conditions whether naturally occurring or by action of any party, including but not limited to environmental condition, other than a matter resulting from a violation of the City's covenant set forth in Section 5(G)(ii) of this Agreement.

(8) Security of Properties. In the event that a Property is vacant or otherwise not being utilized by the City, without imposing any liability or obligation with respect thereto, commencing on the commencement of Due Diligence Activities with respect to such Property, Developer shall have the right, but not the obligation, at its sole and absolute discretion, at Developer's cost and expense, to undertake any actions it deems reasonably necessary to secure the Property and prevent damage or unauthorized access to the applicable Property, including, without limitation, installing and maintaining fencing and/or signage on the applicable Property. As a condition to Developer exercising its right hereunder to secure any Property, the Developer must first obtain a general liability policy of insurance in connection with such activities in form and amount reasonably satisfactory to the City, with the City named as an additional insured thereto. In addition, Developer shall not be deemed to be in control of or operating the applicable Property as a result of Developer's undertaking of any security measures with respect to this section. Notwithstanding the foregoing, in exercising its right to secure the Property provided for herein, Developer shall not be deemed to have warranted to the City the effectiveness of the security measures so implemented.

(D) Manner of Conveyance. At the Closing, the applicable Property shall be conveyed to Developer (or its designee) by one or more quit claim deeds substantially in the form of the deed set forth in **Exhibit D** (the "Deeds") using legal descriptions approved by Developer and the City.

(E) Brokerage and Finder's Fees and Commission. Developer will defend and indemnify the City and hold it harmless with respect to any commissions, fees, judgments, or expenses of any nature and kind that the City or Developer may become liable to pay by reason of any claims by or on behalf of brokers, finders or agents claiming by, through or under Developer incident to this Agreement and the transaction contemplated hereby or any litigation

or similar proceeding arising therefrom unless the City has a written agreement with a broker, finder or agent providing for such payment in which case the City shall be responsible for such broker, finder or agents' commissions, fees, judgments or expenses. To the maximum extent permitted by applicable law, the City will defend and indemnify the Developer and hold it harmless with respect to any commissions, fees, judgments, or expenses of any nature and kind that the City or Developer may become liable to pay by reason of any claims by or on behalf of brokers, finders or agents claiming by, through or under the City incident to this Agreement and the transaction contemplated hereby or any litigation or similar proceeding arising therefrom unless the Developer has a written agreement with a broker, finder or agent providing for such payment in which case the Developer shall be responsible for such broker, finder or agents' commissions, fees, judgments or expenses.

(F) Taxes And Assessments.

(1) Property on Tax Rolls at Closing. All taxes and assessments which (i) have become a lien upon the Property or part thereof prior to the date of Closing, and (ii) have been discovered and specifically identified by Developer prior to the applicable Closing, shall be paid by the City and shall be a Mandatory Cure; provided, however, that all current property taxes shall be prorated and adjusted to the date of Closing on a due date basis. From and after each Closing, Developer shall be solely responsible for all taxes, liens, and assessments that become due and payable for the period after the applicable Closing against the applicable Property it acquires hereunder or any part thereof, whenever assessed, levied, or due, and shall have no claim against the City on account thereof.

(2) Approval of Requests for Economic Incentives/Entitlements and Land Use Approvals.

(i) The City agrees to consider any requests by Developer or its designee for any development or economic inducements (including tax abatements, tax credits, tax increment financing, grants, loans, cost reimbursements and like development incentives) for which any of the Properties are eligible, whether or not such requests are made as part of Developer's Due Diligence Activities or thereafter. The City also agrees to cooperate with and support Developer or its designee in any request to procure such development or economic inducements from other governmental authorities (whether or not related to or controlled by City).

(ii) The City agrees to consider requests or applications by Developer or its designee for approvals relating to zoning, site plans, special use permits, uses, variances or other municipal approvals that are necessary or appropriate to develop the Properties, provided that if the requests pertain to any of the Properties other than 1300 Beaubien, such requests are for uses that are consistent with the SD4 zoning classification as of the Effective Date or otherwise are consistent with residential, parking, retail or commercial uses permitted within the SD4 zoning classification as currently in effect or other uses suitable for the location.

(iii) The following shall apply to any consideration or cooperation by the City with respect to any formal requests made by Developer or its designee to the City, described in subsections (i) or (ii) of this Section: (a) the City agrees to process such requests pursuant

to its ordinary processes for the applicable requests, (b) the City shall not unreasonably withhold, condition or delay approvals of the applicable requests, and shall not unreasonably impede or interfere with development activities consistent with this Agreement, (c) the City shall not discriminate against Developer or its designee in the consideration or approval of such requests on account of the Arrangement, the events leading up to the Arrangement or this Agreement, and (d) the City shall use reasonable efforts to facilitate such requests, taking into consideration other similar requests for approvals or inducements, as applicable, of third parties granted by the City for similarly situated developments and uses as those contemplated by Developer for the Property; provided, however, the City shall process such requests pursuant to all then applicable rules, regulations, statutes and similar requirements.

(G) Inability to Convey. Subject to the Developer's rights under Section 6(D) below, if, for any reason, the City is unable to convey title to a particular Property to the Developer upon exercise of the Option and Developer's election to proceed to Closing with respect to the applicable Property pursuant to the terms of this Agreement, which shall include (i) if the City (or an agency or department of the City) does not own title to such Property, (ii) there is a Defect that is not cured or removed as of the Closing and such Defect materially hinders Developer's ability to develop the applicable Property in an economically viable manner, (iii) there are any uncured Mandatory Cure items, or (iv) if Developer determines that the scope or expense of any environmental remediation necessary to develop the applicable Property would make the development thereof, as contemplated by the Developer, economically unfeasible, the Developer and the City shall mutually agree upon alternate consideration commensurate to the undeveloped, fair-market value of the applicable Property (the "Alternate Consideration"); provided, however, that such value shall assume that any applicable Defects have been removed; provided, further, that, with respect to the applicable Property, the reasonable, actual and out-of-pocket acquisition and development costs incurred by Developer or its designee after the Effective Date and prior to the date upon which Developer or its designee obtains actual knowledge of the existence of the particular Defect or condition of such Property giving rise to Alternate Consideration, including, without limitation, costs associated with Due Diligence Activities, remediation activities, and architect, engineering, and design activities, shall be included in the amount of Alternate Consideration to the extent Alternate Consideration is required pursuant to Section 1(G)(i) or 1(G)(iii) above.

To the extent the Parties do not agree on the Alternate Consideration within sixty (60) days of establishing that Alternative Consideration is required, then, within thirty (30) days thereafter, the Developer and the City shall deliver to each other Developer's or City's, as the case may be, determination of the Alternate Consideration (which shall be in the form of an alternate parcel of real property or cash payment amount). Within ten (10) days after each Party delivers to the other party such Party's determination of the Alternate Consideration, the Developer and the City shall each appoint one disinterested appraiser having the qualifications set forth herein. Each such appraiser must be a Member of the Appraisal Institute (MAI) and have at least ten (10) years of experience appraising commercial or industrial property in the Detroit metropolitan area as a MAI appraiser. If either the Developer or the City fails to appoint an appraiser within such ten (10) day period, the appraiser appointed by the Developer or the City, as the case may be, shall appoint an appraiser having the qualifications set forth herein. As promptly as possible, but in no event later than thirty (30) days after the appointment of both

appraisers, the appraisers shall notify the Developer and the City in writing of their determination of which of the Developer's or the City's determination more closely approximates Alternate Consideration (all as valued as of the determination date). The Alternate Consideration so selected by the two appraisers will constitute the Alternate Consideration for purposes of this section, and will be binding upon the Developer and the City. If the two appraisers are unable to agree as to the Alternate Consideration, then the two appraisers shall promptly agree upon and appoint a third appraiser having the qualifications set forth herein. The third appraiser shall, within thirty (30) days of appointment, determine which of the two determinations of the Developer or the City more closely approximates Alternate Consideration, and shall notify the Developer and the City thereof. The Alternate Consideration selected by the third appraiser will constitute the Alternate Consideration for purposes of this section, and will be binding upon the Developer and the City. To the extent the Alternate Consideration selected by the appraisers hereunder is real property, (i) such real property shall be reasonably acceptable to Developer, and (ii) the City may elect in its sole discretion to satisfy such Alternate Consideration in the form of a cash payment to the Developer in an amount equal to the appraisers' determination of the cash value of the Alternate Consideration selected. To the extent the Alternate Consideration to be given to the Developer hereunder is real property, the City shall be deemed to have granted Developer an option with respect to such Alternative Consideration property pursuant to the same terms as this Agreement; provided, however, that the time periods with respect to such option, including without limitation, the Option Period, shall commence upon the date that such new option with respect to the Alternative Consideration is granted to Developer and not as of the Effective Date.

(H) Use of the Properties During the Due Diligence Period. Commencing on the commencement of the Due Diligence Period, Developer shall have the right (but not the obligation), in its sole discretion, to elect to utilize all or a portion of the Properties identified on Schedule 1(H) prior to acquiring title of the Use Property for the operations of a surface lot parking facility and ancillary uses (collectively, the "Parking Use") by providing thirty (30) days' prior written notice thereof to City (a "Use Notice"). The Use Notice shall identify the Properties that will be used by Developer for the Parking Use (collectively, the "Use Property"). Developer's right to utilize the Use Property for the Parking Use shall commence as a license from the City upon the expiration of thirty (30) days following the delivery of the Use Notice to the City. Developer shall have the right to enter into an agreement with a third party to operate the Parking Use on the Use Property. Developer shall pay all costs associated with the Parking Use of the Use Property (including all federal, state and local taxes and charges as may be applicable thereto; however, Developer shall not be responsible for ad valorem property taxes during the Use Period) and shall receive all revenue with respect thereto. In the event that Developer delivers a Use Notice, Developer shall be required to deliver an Election Notice with respect to the Use Property; provided however, Developer shall have the right to elect at what point during the Due Diligence Period such Election Notice is given by providing written notice of such election prior to the expiration of the Due Diligence Period. The period between a Use Notice and Closing shall be referred to herein as the "Use Period." If Developer fails to deliver such election prior to the expiration of the Due Diligence Period, Developer shall be deemed to have delivered an Election Notice with respect to the Use Property on the last day of the Due Diligence Period. Developer shall maintain such commercially reasonable insurance as is customary for operations similar to the Parking Use on the Use Property and shall defend,

indemnify and hold harmless the City from and against any loss, liability, cost or expense incurred by the City to the extent resulting from the Parking Use; provided, however, that the Developer shall not be responsible for any loss, liability, cost, or expense resulting from the City's (or of the City's agencies' or departments') negligence or misconduct. Developer shall at all times keep the Use Property clean and free of debris and shall not permit any area of the Use Property to be littered with refuse during the Use Period. The City disclaims all representations and warranties as to the condition of the Use Property, including, but not limited to, any implied or express warranty of fitness of the Use Property for the Parking Use. Developer covenants and agrees that it shall not use the Use Property during the Use Period in any manner which violates the laws of the United States of America, the laws of the State of Michigan or any ordinances or other regulations of any governing municipality or other political subdivision. Developer's use of the Use Property and any activities or actions of Developer or its designee in connection therewith shall not be deemed a violation of the City's covenants under Section 5(G) below.

## **Section 2. ENVIRONMENTAL MATTERS**

(A) Definitions. The following words and expressions shall, wherever they appear in this document, be construed as follows:

(1) "Asbestos" shall have the meanings provided under the Environmental Laws and shall include, but not be limited to, asbestos fibers and friable asbestos as such terms are defined under the Environmental Laws.

(2) "Environmental Claims" shall mean all claims, demands, suits, proceedings, actions, whether pending or threatened, contingent or non-contingent, known or unknown, including but not limited to investigations and notices by any governmental authority, brought under common law and/or under any of the Environmental Laws which can or do relate to the Property.

(3) "Environmental Laws" shall mean all applicable federal, state, and local laws, rules, regulations, orders, judicial determinations and decisions or determinations by any judicial, legislative or executive body of any governmental or quasi-governmental entity, whether in the past, present or future, with respect to:

(i) the installation, existence, or removal of, or exposure to, Asbestos on the Property;

(ii) the existence on, or discharge from, or removal from the Property of Hazardous Materials; and

(iii) the effects on the environment of the Property or any activity conducted now, previously or hereafter conducted on the Property.

Environmental Laws shall include, but are not limited to, the following: (i) the Michigan Natural Resources and Environmental Protection Act, 1994 Public Act 451, as amended ("NREPA"); the Comprehensive Environmental Response,

Compensation, and Liability Act, 42 USC Sections 9601, et seq. (“CERCLA”); the Superfund Amendments and Reauthorization Act, Public Law 99-499, 100 Stat. 1613; the Resource Conservation and Recovery Act, 42 USC Sections 6901, et seq.; the National Environmental Policy Act, 42 USC Section 4321; the Toxic Substances Control Act, 15 USC Section 2601; the Hazardous Materials Transportation Act, 49 USC Section 1801; the Clean Air Act, 42 USC Sections 7401, et seq.; and the regulations promulgated in connection therewith; (ii) Environmental Protection Agency regulations pertaining to Asbestos (including 40 CFR Part 61, Subpart M); Occupational Safety and Health Administration Regulations pertaining to Asbestos (including CFR Sections 1901.1001 and 1926.58) as each may now or hereafter be amended; and (iii) any Michigan state and local laws and regulations pertaining to any Hazardous Materials.

(4) “Hazardous Materials” shall mean any of the following as defined by the Environmental Laws: Asbestos; hazardous wastes; solid wastes; toxic or hazardous substances, wastes or contaminants (including but not limited to polychlorinated biphenyls (PCBs), paint containing lead and urea formaldehyde foam insulation), and sewage.

(B) The City and Developer acknowledge and agree that some of the parcels to be transferred may be “facilities” pursuant to Part 201 of NREPA, whether or not as yet discovered to be such, and that given the number of parcels being transferred, the 100-year period over which the parcels were developed, numerous changes in uses, and the City’s lack of knowledge about the condition or history of most of the parcels, it may not be practicable or possible to identify all pre-existing contamination or conditions on the parcels which may strictly violate Environmental Laws. Further, the City and Developer acknowledge that although the Developer can give its general undertaking to comply with Environmental Laws with regard to its conduct of future activities on the parcels, at the time of Closing, neither City nor Developer will be able to estimate exactly what such compliance may involve with regard to existing contamination and other existing conditions on the parcels that may violate Environmental Laws. The City acknowledges that the Developer may conduct a BEA and CERCLA “All Appropriate Inquiry” assessment activities respecting the Property, the results of which assessments may be reported to federal and state authorities at such time as Developer issues an Election Notice to proceed to Closing with respect to such Property, in order to seek the associated protections from liability with respect to pre-existing environmental conditions at the Property (“Liability Protection”), or such earlier date as required pursuant to Environmental Laws or in order to preserve Liability Protection.

(C) The City shall authorize the Developer, through a fully executed Right-of-Entry (in the form attached), to enter upon the applicable Property during the Due Diligence Period to, subject to the conditions set forth herein, undertake environmental remediation activities approved by the City hereunder, and make soil boring and bearing tests, undertake such surveying and environmental due diligence activities as Developer deems appropriate, including without limitation sampling and testing of soil, soil vapor, surface water, groundwater, indoor air, and the installation of groundwater wells, provided such do not materially and permanently interfere with demolition or site improvement activities of the City or the rightful use of the

Property by a tenant in possession or other third party, if any. All such testing and remediation shall be done at Developer's expense. Developer shall at all times during the Due Diligence Period comply with the terms and provisions of the Right-of-Entry, and Developer's right to enter upon the applicable Property is subject to execution of such Right-of-Entry. To the extent any provision of such Right-of-Entry conflicts with the terms set forth herein, the terms of this Agreement shall govern. Developer shall upon request submit to the City a copy of each final survey or environmental testing report generated as a result of such activities. Developer shall give prior written notice to the City to inspect, investigate and/or remediate the condition of the Property during the Due Diligence Period, including any investigation of the environmental condition (each such notice referred to herein as an "Investigation Notice"). To the extent the Investigation Notice includes a request to perform any environmental remediation activities upon the applicable Property, prior to undertaking such remediation, the Developer shall submit to the City in writing (i) the scope of remediation activities contemplated by the Developer, (ii) evidence of commercially reasonable insurance appropriate for the scope of remediation contemplated by the Developer, and (iii) evidence that the Developer has the financial resources to complete the scope of remediation contemplated, each of which shall be subject to the prior written approval of the City, which approval shall not be unreasonably withheld, conditioned or delayed. Upon written request of Developer, the City shall provide an electronic mail address for delivery of any Investigation Notice; provided, Developer shall mail a copy of any Investigation Notice sent via electronic mail to the City pursuant to the provisions of Section 4 below. Developer shall use all commercially reasonable efforts to minimize damage to the Property in connection with such entry and shall restore the Property to substantially the condition existing prior to such entry, provided that the City acknowledges that soil borings and groundwater well sampling may be conducted, and it may not be practicable to fully restore the Property to the exact same condition. Developer shall indemnify, defend and hold the City harmless from and against any and all loss, cost, liability and expense, including reasonable attorney fees and litigation costs, suffered or incurred by the City as a result of the Developer's (including any of its duly authorized employees, agents, engineers or other representatives) negligent acts or omissions or willful misconduct occurring in connection with the activities conducted in accordance with the Right-of-Entry; provided however that (A) in the event Developer provides an Objection Notice or otherwise elects not to proceed to Closing, the Developer shall in no circumstance have any indemnity obligation or other liability with respect to any environmental conditions pre-existing at the Property including without limitation any soil or groundwater contamination or other environmental conditions that may be discovered in the course of the Developer's Due Diligence Activities and thereafter disclosed to the City as required hereunder, except to the extent such environmental conditions are materially exacerbated due to the negligence or willful misconduct of Developer or any of its duly authorized employees, agents, engineers or other representatives, and (B) in no event shall Developer have any indemnity obligation or other liability with respect to any loss, cost, liability or expense incurred by the City as the result of the gross negligence or willful misconduct of the City or its agents.

(D) In the event Developer elects to proceed to take title to any Property, upon the Closing, Developer takes such Property as it finds it, "AS IS", and the City makes no express or implied representations or warranties as to its fitness for absolutely any purpose whatsoever, including but not limited to any warranty that the Property is fit for the Developer's purpose or

regarding the presence or absence of Hazardous Materials at, on, in, under, about, or from the Property and compliance with the Property with Environmental Laws. Developer acknowledges that neither the City nor any agent or employee of the City has made any representation, warranty or agreement, either express or implied, and Developer has not relied on any representation, warranty or agreement of any kind made by the City or any agent or employee of the City, concerning (a) the physical or environmental condition of the Property, or (b) the presence or absence of any condition, substance or material, including but not limited to any waste material, equipment or device at, on, in, under, about, or from the Property. Developer agrees that the disclosures of the City concerning the Property and its condition are intended to satisfy any duties the City may have under the law, including but not limited to the statutes, Environmental Laws, and common law. Developer shall rely solely on its own due diligence with respect to such inquiries, investigations and assessments. By executing this Agreement, Developer acknowledges that it is satisfied with the condition of the Property, subject only to its Due Diligence Activities, including but not limited to inspection of the Property, review of title, and the results of the tests, investigations and surveys permitted under this Agreement. If, prior to Closing, Developer fails to undertake such investigations and/or obtain such test results and surveys, or fails to object to the condition of the Property based on the results of its Due Diligence Activities, and Developer thereafter elects to proceed to Closing, Developer shall thereupon be deemed to have waived any right to object to the condition of the Property and shall be deemed to have declared its full satisfaction therewith.

(E) Upon Closing on any particular Property, subject to the City's covenant set forth in Section 5(G)(ii) below, Developer, for itself and its successors and assigns, expressly waives and releases all Environmental Claims (whether for personal injury, property damage or otherwise) that Developer may have against the City and its officials, employees and agents in connection with or related to such Property or any aspect thereof except for Environmental Claims arising out of actions by the City of its employees or agents that caused the release or threatened release of hazardous substances on the parcels being transferred. Upon Closing on any particular Property, Developer releases and discharges the City from all Environmental Claims that Developer may have against the City in connection with or arising out of the present condition of the Property.

(F) Intentionally omitted.

(G) Subject to the City's covenant set forth in Section 5(G)(ii) below, after the Closing with respect to a Property, the City shall have no obligation or liability to Developer whatsoever to undertake any cleanup or other remedial action that may be required in connection with the Property under any Environmental Law, or to comply with any other federal, state or local requirement to attend to the physical condition of the Property.

(H) At its sole cost and expense, with respect to an applicable Property for the period commencing on the applicable Closing and ending on the applicable Commencement of Construction, Developer shall: (a) comply with all Environmental Laws; (b) pay when due the cost of Developer's compliance with the Environmental Laws resulting directly or indirectly out of environmental conditions caused or permitted by Developer during its period of ownership, use, possession or development of the Property; and (c) keep the Property free of any lien

imposed pursuant to the Environmental Laws resulting out of Developer's ownership, use, possession, or development of the Property.

(I) During the earliest of the date that Developer (a) receives title to the Property, (b) receives possession of the Property or (c) performs any removal or remedial activities on the Property, Developer shall comply with all Environmental Laws and will undertake to complete any further investigation and remediation of the environmental conditions, if any, necessary to permit the intended use of the Property in accordance with the Environmental Laws. As between the City and Developer but not as to third parties, Developer assumes the risk of liability for any and all Hazardous Materials, whether known or unknown, which may have been or may be present in, at, on, under about or from the Property except for hazardous materials released by the City or its agents, employees, or contractors.

(J) Notwithstanding anything to the contrary which may be contained in this Agreement, Developer represents and warrants and covenants to the City for the period after Developer's commencement of ownership, use, possession or development of the Property and terminating upon the Commencement of Construction at an applicable Property, as follows:

(i) Developer shall not directly or indirectly use or allow the use of the Property for the purpose of storing any Hazardous Materials Developer brings into the Property, nor shall Developer directly or indirectly use the Property in a manner which will cause or increase the likelihood of causing the release of such Hazardous Materials onto or from the Property, other than those Hazardous Materials which are necessary and commercially reasonable for the conduct of Developer's development activities or the business operated on the Property and which Hazardous Materials shall be, handled and disposed of in compliance with all Environmental Laws and industry standards and in a commercially reasonable manner.

(ii) Developer shall promptly notify the City of any claims or litigation against the Developer by any person (including any governmental authority), concerning the presence or possible presence of Hazardous Materials contamination at the Property or concerning any violation or alleged violation of the Environmental Laws by the Developer respecting the Property, and shall furnish the City with a copy of any such communication received by Developer.

(iii) Developer shall notify the City promptly and in reasonable detail in the event that Developer becomes aware of or suspects the presence of Hazardous Materials contamination or a violation of the Environmental Laws at the Property.

(iv) If Developer's operations at the Property violate the Environmental Laws so as to subject Developer or the City to a formal notice of violation by a governmental agency alleging a violation of the Environmental Laws, Developer shall promptly investigate the underlying circumstances and notify the City within fourteen (14) days of the results of its investigation. If Developer determines that an ongoing violation by Developer is occurring or did occur, Developer shall, to

the extent required by Environmental Laws, cease or cause a cessation of or take other actions to address those aspects of the use or operations causing the violation and shall remedy and cure in compliance with the Environmental Laws any conditions arising therefrom to the extent required by Environmental Laws at its own cost and expense. If Developer disputes that its activities are violating Environmental Laws, it shall expeditiously appeal and prosecute an appeal of the notice of violation or take other commercially reasonable actions to dispute such notice.

### **Section 3. CLOSING**

(A) Time and Place of Closing. The closing with respect to a particular Property shall take place at the office of the PDD, or such other location designated by the City and acceptable to Developer. Each Closing will take place within fifteen (15) days following the earliest to occur of (i) delivery by Developer of a Election Notice with respect to a particular Property, (ii) written notice to Developer that the City has cured all Defects set forth in an Objection Notice provided prior to the expiration of the City Cured Period with respect to a particular Property, or (iii) waiver by Developer of any Defects with respect to a particular Property, each pursuant to Section 1(C)(5) above. For the avoidance of doubt, no additional consideration shall be due from the Developer to the City at any Closing.

(B) Conditions to Closing. The City's obligation to proceed with a Closing is conditioned on the fulfillment by Developer of each of the following conditions precedent:

a. Resolution of Developer's Authority. Developer shall furnish to the City a certified copy of a resolution in form and substance as set forth on **Exhibit E**, duly authorizing the execution, delivery and performance of this Agreement and all other documents and actions contemplated hereunder with respect to a particular Property.

b. Intentionally Omitted.

c. Payment of Closing Costs. Developer shall have tendered payment of the closing costs payable by Developer, which shall include all title charges, escrow, closing and recording fees associated with any conveyance hereunder. For avoidance of doubt, the City shall not be responsible for any closing charges or transaction fees in connection with any Closing hereunder other than the payment of its own legal fees and expenses.

(C) Delivery of Deeds and Possession. The City will deliver to Developer at each Closing the Deeds with respect to the particular Property that is subject of such Closing to and possession of the applicable Property.

(D) Recording. Provided that Developer has complied with all conditions precedent as specified herein, the Deeds with respect to a particular Property shall be delivered at the applicable Closing for prompt recordation with the Register of Deeds of Wayne County, Michigan. Developer shall pay at each Closing all costs for recording the Deeds. Possession of the applicable Property shall be delivered to Developer at the applicable Closing.

### **Section 4: NOTICES**

All notices shall be deemed given on the day of mailing. Either Party to this Agreement may change its address for the receipt of notices at any time by giving notice thereof to the other as provided in this section. Any notice given by a Party hereunder must be signed by an authorized representative of such Party.

## **Section 5: COVENANTS**

(A) Developer covenants for itself and its successors and assigns and every successor in interest to any Property constituting a part of the Properties, that from and after Closing on such Property, Developer and its successors and assigns shall develop such Property only to and in accordance with the uses specified in this Agreement, unless otherwise agreed in writing by the City. The uses specified in this Agreement are for development and use of such Property into parking facilities, residential housing, commercial, retail space or any other use suitable for the location, consistent with the City's urban planning policies and the City's comprehensive development plan in effect as of the date the Developer seeks zoning and land use approval for such development. Subject to force majeure delays, within fifteen (15) months following Closing (the "Commencement Deadline") on any Property, the Developer shall achieve Commencement of Construction (as defined below) with respect to such Property. Following Commencement of Construction, the Developer shall diligently prosecute such development on the Property to substantial completion (which shall mean substantial completion of such development and all material improvements related thereto, exclusive of landscaping, punch list items and any tenant work for commercial or other space for which there are no tenants or for which the work is to be done by a tenant and any onsite or offsite work that is not commercially

necessary for occupancy) (the date upon which such substantial completion occurs referred to herein as the “Completion Date”). Subject to force majeure delays, the Completion Date shall occur within thirty nine (39) months following Closing for the applicable Property, or such longer period of time as may be reasonably necessary for Developer or its designee to actually achieve substantial completion of the applicable development or improvements, provided Developer is diligently pursuing such completion (the “Completion Deadline”). For purposes hereof, “force majeure delays” shall mean acts of God, terrorism, flooding, strikes, lockouts or other labor trouble, materially adverse weather conditions, fire or other casualty, governmental preemption in connection with an emergency, any rule, order or regulation of any governmental authority or any department or subdivision thereof and any other cause or event beyond the reasonable control of Developer (other than failure of Developer to secure necessary land use or zoning approvals from any governmental authority), or inability to secure materials, labor or access to the Property because of any such emergency, rule, order, regulation, war, civil disturbance, terrorist act or other emergency, or inability to secure materials, labor or access to the Property because of any other cause or event beyond the reasonable control of Developer (other than shortage of funds). In the event that the Developer elects to undertake environmental remediation of the Property after the Closing, “force majeure delays” also shall include the time reasonably necessary for the proper completion of all applicable remediation activities. In the event that Developer ceases, delays, or slows its development activities for a particular Property as a result of any claim or cause of action filed, threatened or asserted by the City (or any of its agencies or departments) and, (1) a court of competent jurisdiction dismisses such action or rules in favor of Developer with respect thereto or (2) the City withdraws its claims or causes of actions, the delay associated with such reduction or cessation in the development shall be deemed a “force majeure delay.” The Commencement Deadline and Completion Deadline shall be extended for a period of time equal to the number of days during which Developer is prevented from proceeding with the construction of the development at the Property by reason of force majeure, provided that (i) Developer is otherwise in material compliance with the terms and provisions of this Agreement, and (ii) Developer notifies the City of the events constituting such force majeure upon the later of (i) Closing with respect to the applicable Property and (ii) sixty (60) days after Developer has actual knowledge of their occurrence.

(B) For purposes of this Agreement, “Commencement of Construction” on a Property shall be deemed to have occurred when the Developer shall have commenced foundation or other equivalent site preparation work on the Property, which site preparation work may include renovation or demolition of existing buildings located on the Property, as applicable.

(C) If the development plan for a Property calls for development of improvements on the Property in two or more discrete phases, the requirements set forth in this Agreement relative to the Completion of Construction, as well as the remedies of the City applicable thereto, shall be satisfied upon Completion of Construction of the initial phase.

(D) Developer covenants and agrees that from and after Closing it will: (i) comply with all zoning requirements, and all other applicable state and federal statutes and regulations and local laws and ordinances applicable to the ownership, use and/or occupancy of the Property; and (ii) pay and discharge when due without penalty, and in all events before penalty for nonpayment attaches thereto, all taxes, assessments and governmental charges, including but not

limited to real estate taxes or assessments on the Property or any part thereof, except where the same may be contested in good faith.

(E) Certificate of Completion. The Developer shall give the City prompt written notice of the Completion Date. The City agrees that the PDD shall inspect the Property for purposes of issuance of the Certificate of Completion promptly following the Completion Date, and shall provide Developer with notice of any deficiencies in compliance with this Agreement, and an opportunity for cure and re-inspection. If, as of the Completion Deadline, PDD determines that Developer is in compliance with all provisions and requirements of this Agreement, PDD shall issue a “Certificate of Completion.” The Certificate of Completion shall be a conclusive acknowledgment by PDD of satisfaction by Developer of its obligations under this Agreement for the applicable Property or portion of the applicable Property addressed by the Certificate of Completion. The Certificate of Completion shall not, however, constitute evidence of compliance with or satisfaction of the requirements of any department, agency or entity with respect to any building, occupancy, or other permits, to the extent such departments are exercising their regulatory authority. The Certificate of Completion shall be in such form as can be recorded against the Property, or portion thereof, and shall release the Property, or portion thereof, from the City’s rights under this Agreement. The cost of recording the Certificate of Completion shall be the responsibility of Developer.

(F) Estate Conveyed. Notwithstanding anything contained in this Agreement to the contrary, the estate conveyed hereby shall be deemed to be a determinable fee and only upon the Commencement of Construction on the Property will the possibility of reverter retained by the City automatically expire as to that part of the applicable Property.

(G) City Covenants. During the Option Period and prior to a Closing with respect each Property, the City shall (i) maintain such Property in at least the same condition and repair (except for environmental condition and repair thereof, which is addressed in sub-clause (ii) below) as of the Effective Date, (ii) not, through its own action (or the action of any agency, department, employee, agent, or contractor), alter the environmental condition of the Property, as such exists as of the Effective Date, in a material and adverse manner, (iii) not “down zone” the Property or take zoning or land use action on the Property that would materially and adversely affect Developer’s ability to develop the Property for the uses otherwise permitted in this Agreement, and (iv) not execute or grant any lease, contract, agreement, lien, security interest, encumbrance, easement, or restriction with respect to such Property, or amend, modify, renew, extend or terminate any of the foregoing, without prior written consent of the Developer, which consent shall not be unreasonably withheld, conditioned or delayed.

## **Section 6: REMEDIES**

(A) City’s Remedies Prior to Conveyance. Except with respect to assignment to a Permitted Entity (as defined below), in the event that, prior to the conveyance of the Property, Developer assigns this Agreement or any right therein or in a Property without the prior written approval of the City, this Agreement and any rights of Developer in this Agreement, may, at the option of the City, be terminated by the City after thirty (30) days written notice and opportunity to cure provided by the City to Developer. Notwithstanding the foregoing, the Developer’s rights and obligations under this Agreement may be assigned: (i) to a wholly owned subsidiary

of Developer, or (ii) to a joint venture, limited liability company, partnership, limited partnership or other entity formed to develop or finance a Property or the Properties, provided that the Developer retains a direct or indirect interest in such entity (any such assignee being referred to as a “Permitted Entity”). In any case, the Developer shall provide written notice to the City of such assignment.

(B) City’s Remedies Subsequent to Conveyance.

(1) Event of Default. If, prior to the issuance of a Certificate of Completion on a Property, Developer breaches any covenant set forth in Sections 5(A) or (D) hereof applicable to such Property and fails to cure such breach within ninety (90) days after written demand by the City, such an event shall be deemed to constitute an **Event of Default**, provided, however, that if the nature of Developer's default is such that more than the cure period provided is reasonably required for its cure, then Developer shall not be deemed to be in default and an Event of Default shall not have occurred if Developer commences such cure within said period and thereafter diligently pursues such cure to completion within two hundred seventy (270) days of City’s initial written demand hereunder. Notwithstanding the foregoing, Developer shall have the right to dispute that an Event of Default has occurred or that an Event of Default has not been timely cured by written notice of dispute sent to the City (“Notice of Dispute”). In the event a Notice of Dispute is sent, the parties shall meet and in good faith work to resolve their differences. In the event the City and Developer cannot resolve their differences as to whether an Event of Default has occurred or has been cured, then the City shall not record a notice of an uncured and undisputed Event of Default as described in Section 6(B)(2) below without first bringing an action in a court of competent jurisdiction for a final judicial determination that an Event of Default occurred and was uncured. To the extent a court of competent jurisdiction deems that an Event of Default occurred prior to the Commencement of Construction and such cause of action was filed with the court of competent jurisdiction prior to the Commencement of Construction, irrespective of the date the court makes such determination, the City shall have all rights and remedies available to it hereunder as if such Event of Default was undisputed prior to the Commencement of Construction in the first instance. The City may, in its sole discretion, waive in writing any Default or Event of Default by Developer. Notwithstanding any provision contained herein to the contrary, any lender of Developer that has a security interest in a Property, shall have an additional notice and cure right that should provide such lender with a reasonable period of time after the expiration of any cure periods available to Developer in which to cure any Event of Default prior to the City enforcing its remedies hereunder.

(2) Right of Reverter. It is expressly understood and agreed between the Parties hereto that until the Commencement of Construction on a particular Property, the conveyance of such Property to Developer shall be construed and interpreted as the conveyance of a fee simple determinable, and that such conveyance shall endure only so long as subsequent to the conveyance and prior to the Commencement of Construction there has been no uncured or undisputed Event of Default with respect to such Property and such Event of Default results from a failure of the Commencement of Construction to have occurred prior to the Commencement Deadline (a “Reverter Event of Default”). In the event of an uncured and undisputed Reverter Event of Default and the City's recording of a notice thereof, after a judicial determination as required by Section 6(B)(1) above and written notice from the City to Developer of the City’s election to enforce the reverter set forth in this Section, title to the applicable Property (and only

the applicable Property) shall revert in the City, except for parcels of Property previously conveyed where Commencement of Construction has already been achieved. Upon such reversion of title, the City shall have the right to re-enter and take immediate possession of the applicable Property. Upon an uncured and undisputed Reverter Event of Default as to a Property occurring prior to the Commencement of Construction and expiration of the cure period, this Agreement and any rights of Developer arising hereunder with respect to the Property subject to the reverter, may, at the option of the City, be terminated by the City by the City providing written notice of such termination to the Developer prior to the cure of such Reverter Event of Default, and the Developer shall thereafter have no further interest in the reverted Property. In such case Developer agrees to promptly execute and deliver a quit claim deed for any such portion of reverted Property to the City. While the right of reversion as to a Property automatically terminates upon Commencement of Construction on such Property, the City agrees to provide Developer with a written acknowledgement, in recordable form, that the Commencement of Construction has occurred and the City's right of reversion has terminated as to such Property.

(3) Intentionally Omitted.

(C) Rights and Remedies Cumulative. The rights and remedies of the City, whether provided by law or by this Agreement, shall be cumulative, and the exercise by the City of any one or more remedies shall not preclude the exercise by it, at the same or different times, of any other remedy for the same default or breach or any other default or breach by the Developer. No waiver made by either Party shall apply to obligations beyond those expressly waived in writing.

(D) Developer's Remedies. If the City breaches its obligations under this Agreement after reasonable notice and opportunity to cure, Developer shall have the right to seek injunctive relief, specific performance or other equitable remedies for the City's breach of this Agreement. In no event shall the Developer be entitled to monetary damages as a result of the City's breach of this Agreement, except to the extent such damages arise out of the City's uncured breach of the covenant set forth in Section 5(G) above.

(E) City's Representatives Not Individually Liable. No official or employee of the City shall be personally liable to Developer or any successor in interest, in the event of any default or breach by the City or for any amount which may become due to Developer or successor or on any obligations under the terms of this Agreement.

## **Section 7: PROVISIONS NOT MERGED WITH DEEDS**

No provision of this Agreement is intended to or shall be merged into the Deeds transferring title to each Property from the City to Developer or any successor in interest, and any such Deeds shall not be deemed to affect or impair the provisions and covenants of this Agreement.

## **Section 8: ENTIRE AGREEMENT; AMENDMENT**

This Agreement (including all exhibits, schedules or other attachments hereto) constitutes the complete and exclusive statement of the terms of the agreement among the Parties with respect to the subject matter hereof and supersedes all prior agreements, understandings, promises, and arrangements, oral or written, between the Parties with respect to the subject matter hereof. This Agreement may be amended or modified only by an instrument in writing signed by both of the Parties.

## **Section 9: GOVERNING LAW**

This Agreement shall be governed by and construed in accordance with the laws of the State of Michigan without regard to conflicts-of-law principles that would require the application of any other law.

## **Section 10: COUNTERPARTS**

This Agreement may be executed in several counterparts, each of which shall be deemed to be an original, but together such counterparts shall constitute one and the same instrument.

## **Section 11: AUTHORITY OF CITY.**

Notwithstanding anything in this Agreement, in law or in equity, or otherwise to the contrary, this Agreement shall be of no force or effect and may not in any way be enforced against the City unless or until this Agreement and the transaction contemplated hereby have been: (i) approved in writing by the Emergency Manager for the City of Detroit, in accordance with Emergency Manager Order No. 5, (ii) either included in the Emergency Manager's financial and operating plan or approved in writing by the Governor of the State of Michigan or his or her designee, in accordance with Section 12(1)(k) of Public Act 436 of 2012; and (iii) either included in the Emergency Manager's financial and operating plan or approved in writing by the State Treasurer, in accordance with Section 15(1) of Public Act 436 of 2012.

**Section 12: CITY AGENCIES AND DEPARTMENTS.** Whenever this Agreement requires an action or creates an obligation on behalf of the City, the City shall also be required, as applicable, to cause all of its agencies and departments to undertake such obligations.

### RECITALS

A. The City, as landlord, and Tenant, as successor-in-interest to Detroit & Canada Tunnel Corporation (“**DCTC**”), as tenant, are parties to the Tube Lease, dated March 20, 1978 (the “**Tube Lease**”), whereby the City leases to Tenant the portion of the Detroit Windsor Tunnel (the entire such tunnel, the “**Tunnel**”) located in Detroit, which portion is more particularly defined in the Tube Lease and referenced herein as the “**Tube**.”

B. The City, as landlord, as successor-in-interest to Ford Motor Properties, Inc. as sublandlord, and Tenant, as tenant, as successor-in-interest to DCTC as subtenant, are parties to the Sublease, dated March 20, 1978 (the “**Plaza Lease**”; together with the Tube Lease, the “**Lease**”), whereby the City leases to Tenant certain property defined in the Plaza Lease as the “New Tunnel Plaza” (such premises, the “**Plaza Premises**”; together with the Tube, the “**Property**”).

C. The term of the Lease (the “**Term**”) expires on November 3, 2020, and the period commencing on the Effective Date through and including November 3, 2020 shall be referenced herein as the “**Existing Remainder Term**”.

D. The City desires to enter into a long-term agreement regarding the operation of the Property to assure that (i) the Tunnel will continue to provide to residents of Detroit and to other Tunnel passengers a safe and efficient route between Detroit and Windsor; (ii) the Property will be maintained and enhanced; and (iii), to promote such goals, there is transparency to the City regarding the operation of the Property.

E. In furtherance of the goals of the City, the Tenant desires to enter into a long-term agreement with the City regarding the leasing and operation of the Property.

NOW, THEREFORE, in consideration of the foregoing and other good and valuable consideration, the receipt and legal sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Capitalized Terms; Effective Date. Any capitalized term used herein and not otherwise defined shall have the meaning ascribed to such term in the Plaza Lease. “**Effective Date**” means the first day of the month next succeeding the month in which occurs the Date Hereof.

2. Extension of Term. The term of the Tube Lease is extended for the period beginning November 4, 2020 and ending on December 31, 2040 (such period, the “**Extension Term**”), upon all the terms and conditions as contained in the Tube Lease and applicable during the Third Renewal Option (as defined in the Plaza Lease), except as amended hereby. The term

of the Plaza Lease is extended for the Extension Term, upon all the terms and conditions as contained in the Plaza Lease and applicable during the Third Renewal Option (as defined in the Plaza Lease), except as amended hereby.

3. Existing Term CapEx Credit; CapEx Schedule.

- (a) For any Capital Expenditures (as defined below) paid by Tenant during the Existing Remainder Term (the “**Existing Remainder Term Capital Expenditures**”), Tenant shall receive a credit equal to the amount of such Existing Remainder Term Capital Expenditures (a “**CapEx Credit**”) against the aggregate rentals payable by Tenant pursuant to Article IV of the Plaza Lease (such amounts, the “**Rent**”) during the Existing Remainder Term; *provided, however,* that the aggregate CapEx Credit to which Tenant is entitled pursuant to this Paragraph 3 shall not exceed the aggregate Rent payable by Tenant during the Existing Remainder Term. Tenant shall not claim a CapEx Credit for any Capital Expenditures paid in advance of the performance of the related work, other than for progress payments customary in the industry (or payments required due to emergency) without the City’s prior written approval, which shall not be unreasonably withheld, delayed or conditioned. Subject to Paragraph 5, Tenant may not take a CapEx Credit during the Extension Term for an Existing Remainder Term Capital Expenditure.
- (b) “**Capital Expenditures**” means (i) capital expenditures, as determined by generally accepted accounting principles consistently applied in the United States (“**GAAP**”), paid for work to or at the Plaza Premises and (ii) (x) while the Existing JOA (as defined herein) or any successor agreement between Tenant (or its affiliate) and the City of Windsor (or its instrumentality) (any such agreement, a “**D/W Agreement**”) is in effect, 50% of the total capital expenditures, determined in accordance with GAAP, paid by Tenant (or its affiliate) and the City of Windsor (or its instrumentality) pursuant to a D/W Agreement for work to or at all or any portion of the underground tube of the Tunnel (i.e., the tube from and including the Detroit portal to and including the Windsor portal; such tube, the “**Underground Portion**”); *provided, however,* that Capital Expenditures made to the Underground Portion while a D/W Agreement is in effect shall be made such that the Detroit side of the Underground Portion is in a condition commensurate with the condition of the Windsor side of the Underground Portion; or (y) if no D/W Agreement is in effect, 100% of the capital expenditures, determined in accordance with GAAP, paid by Tenant for work to or at all or any portion for the Tube.
- (c) Within ninety (90) days after the Effective Date, Tenant shall provide the City a detailed plan and schedule for the capital improvements planned to be made to the Tunnel during the year in which the Effective Date occurs and the approximately five (5) years following the Effective Date. On or before each January 31<sup>st</sup> during the Term, Tenant shall deliver to the City an annual update of such plan together with a plan for the succeeding five (5) years.

4. Extension Term CapEx Credit.

- (a) For any Capital Expenditures paid by Tenant during the Extension Term (the “**Extension Term Capital Expenditures**”), Tenant shall receive a CapEx Credit against the Rent payable by Tenant during the Extension Term equal to the amount of such Extension Term Capital Expenditures; *provided, however*, the aggregate CapEx Credit to which Tenant is entitled during the Extension Term pursuant to this Paragraph 4 shall not exceed \$8,000,000; and *provided, further*, that the annual CapEx Credit claimed by Tenant under this Paragraph 4 in any given calendar year of the Extension Term shall not exceed 75% of the Rent payable for such calendar year (but such annual limitation shall not in any way reduce the aggregate CapEx Credit to which Tenant is entitled under this Paragraph 4). If the Lease (as amended from time to time) terminates prior to December 31, 2040, other than due to a default by Tenant, then the City shall pay to Tenant, on thirty (30) days’ written notice from Tenant, the amount of CapEx Credits that have accrued to Tenant but have not been applied against the Rent.
- (b) No more than sixty (60) days prior to November 4, 2020, Tenant shall provide the City a high-level, strategic plan for the capital improvements that may be made to the Tunnel during the Extension Term to the extent such plan is known or is customary in the tunnel operations field.

5. CapEx Credit Documentation.

- (a) Tenant may offset the amount of any accrued but uncredited CapEx Credits against any monthly payments of Rent, subject to the limitations in Paragraphs 3 and 4. On or prior to the date of claiming any CapEx Credit (i.e., on or before the date of payment of any monthly installment of Rent, or if none is payable, on or before the date such monthly installment of Rent would otherwise have been payable) or requesting payment pursuant to the last sentence of Paragraph 4(a), Tenant shall submit to the City a notice setting forth the amount of the claimed CapEx Credit, together with reasonably detailed written documentation of the Capital Expenditures (and the work associated therewith) for which Tenant is entitled to a CapEx Credit (such notice, a “**CapEx Notice**”). Within five (5) days after receipt of any CapEx Notice, the City shall have the right to ask for reasonable additional information to verify such Capital Expenditures were paid and to determine the nature of work associated with such Capital Expenditure. If the City in good faith believes that a CapEx Credit was claimed for an expenditure that does not fall within the definition of “Capital Expenditure,” as such term is defined in Paragraph 3(b) above, then the City shall give Tenant notice thereof (a “**Dispute Notice**”) within fifteen (15) days after receipt of the applicable CapEx Notice, and the date on which Rent is due shall be extended by fifteen (15) days. If the City timely delivers a Dispute Notice, Tenant shall receive the portion of the CapEx Credit that is undisputed, if any, and shall pay the amount of disputed Rent, subject to the provisions of Article XVIII(2) of the Plaza Lease regarding disputed payments.

- (b) Notwithstanding anything to the contrary in the Lease, as amended hereby, if the City timely provides a Dispute Notice in connection with a CapEx Credit claimed for Existing Remainder Term Capital Expenditures, and if and to the extent such dispute is resolved in Tenant's favor, then the City shall promptly pay an amount equal to the formerly disputed CapEx Credit to Tenant, or at Tenant's option, Tenant may credit such formerly disputed CapEx Credit against the Rent next coming due; provided, however, if (i) the aggregate accrued but unapplied CapEx Credit to which Tenant is entitled under Paragraph 3, plus the formerly disputed CapEx Credit, exceed the aggregate Rent payable during the portion of the Existing Remainder Term commencing at the time the dispute is resolved; or (ii) at the time the dispute is resolved, the Existing Remainder Term has ended; then in addition to, and without in any way reducing, the CapEx Credits to which Tenant is entitled under Paragraph 4, Tenant may take such formerly disputed CapEx Credit as a credit against the Rents payable during the Extension Term. Notwithstanding the foregoing, in no event shall Tenant be entitled to aggregate CapEx Credits for the Existing Remainder Term Capital Expenditures in excess of the aggregate Rent payable during the Existing Remainder Term.
- (c) Notwithstanding anything to the contrary in the Lease, as amended hereby, if the City timely delivers a Dispute Notice in connection with a CapEx Credit claimed for Extension Term Capital Expenditures, and if and to the extent such dispute is resolved in Tenant's favor, then the City shall promptly pay an amount equal to the formerly disputed CapEx Credit to Tenant, or at Tenant's option, Tenant may credit such formerly disputed CapEx Credit against the Rent next coming due (in addition to, and not in limitation of, any CapEx Credit due under Paragraph 4). Notwithstanding the foregoing, in no event shall Tenant be entitled to aggregate CapEx Credits for Extension Term Capital Expenditures in excess of \$8,000,000.
- (d) The provisions of this Paragraph 5 shall survive the expiration or sooner termination of the Lease, as amended hereby.

6. Repair and Maintenance Standards. Notwithstanding anything to the contrary in the Lease, but subject to the casualty and condemnation provisions therein, Tenant shall maintain the Property in a good and safe condition and repair, in compliance with all applicable laws, and in accordance with the following sections of the Existing JOA (as defined below): Sections 8.1(d), (e) and (f), and the first grammatical paragraph of Section 8.1; Sections 8.3(a), (b) and (c); Section 8.4; Section 8.6; Section 9; Exhibit 8.1 and Sections 1, 2 and the first paragraph of Section 3 of Exhibit 9.1, provided that the second sentence of that first paragraph of Section 3 of Exhibit 9.1 shall be replaced with "The program shall include regular and customary cleaning and grounds maintenance." In the event that the Existing JOA is terminated or amended, these standards shall continue to apply (to the extent applicable).

7. Reporting. In addition to its reporting obligations under the Lease, but subject to Paragraph 10 hereof, Tenant shall deliver, at its sole cost and expense, the following reports and information to the City:

- (a) Within one hundred eighty (180) days following the end of each calendar year ending during the term of the Lease: (i) a copy of the audited balance sheets of Tenant at the end of each such calendar year and the related audited statements of income, calculation of annual rental, changes in equity and cash flows for such year, including, in each case, the notes thereto, together with the report thereon of the independent certified public accountants of Tenant, in each case in a manner and containing information consistent with Tenant's current practices and certified by Tenant's chief financial officer that such financial statements fairly present the financial condition and the results of operations, changes in equity and cash flows of Tenant as at the respective dates of and for the periods referred to in such financial statements, all in accordance with generally accepted accounting principles in the United States consistently applied; (ii) a report, in a format reasonably acceptable to the City, certified by the Tenant's chief financial officer, providing reasonably detailed information regarding any work associated with Capital Expenditures undertaken by the Tenant with respect to the Property, including such information as may be reasonably requested by the City, which shall include the type of work associated with such Capital Expenditures, the expected cost therefor, the expected completion date, the contractor engaged to perform such work associated with such Capital Expenditures, and any expected disruption of traffic in the Property as a result of the work associated with such Capital Expenditures; and (iii) a report, in a format reasonably acceptable to the City, detailing the amount of traffic through the Property on a weekly, monthly and quarterly basis, the make-up of that traffic and the Tenant's projections for the traffic in the upcoming calendar year and the Tenant's basis therefor;
- (b) Within thirty (30) days after the end of each six-month period, commencing with the six-month period ending June 30, 2015, a report, in a format reasonably acceptable to the City, detailing all material incidents that occurred in the Tunnel, including, but not limited to, vehicular accidents and hazardous material releases, but in each case only if such incidents materially impeded the normal operations of the Tunnel;
- (c) promptly after the occurrence thereof, an email report on any incident occurring in the Tunnel and causing material damage to property or injury to persons, if such incident results in the closure of any portion of the Tunnel for at least an hour;
- (d) within thirty (30) days after receipt by Tenant, a copy of (i) the engineering reports required by Sections 8.7 and 8.8 of the Joint Operating Agreement by and among the Corporation of the City of Windsor, the Windsor Tunnel Commission and Tenant (as successor-in-interest to DCTC and The Detroit and Windsor Subway Company, Ltd.) dated November 1, 1997 (the "**Existing JOA**"); or (ii) if the Existing JOA is amended or modified to change the requirements for those reports, (x) every year, an engineering report based on visual inspection of the Tunnel made by an independent, licensed engineer reasonably acceptable to Tenant and (y) every five (5) years a comprehensive engineering report on the Tunnel prepared by an independent, licensed engineer reasonably acceptable to

the City, which report shall include, but not be limited to, an analysis of the structural integrity of the Tunnel, a description of the current state of the Tunnel, including its fixtures and mechanical systems, recommended capital expenditures for the Tunnel and such other information as the City may reasonably request; and

- (e) Within thirty (30) days after such request, any information regarding the Property reasonably requested by the City, provided that such information is in the possession or control of Tenant.

8. Right to Inspect. The City shall have the right, upon at least three (3) business days' written notice to Tenant, at reasonable times, provided that such inspection does not unreasonably interfere with the normal operation of the Property (and as to any portion of the Property subleased as of the date hereof or subsequently subleased to a governmental authority, does not violate the applicable sublease) and at the City's sole cost and expense, to have the Property inspected by an engineer, who is (i) either employed directly by the City or with whom the City has contracted; and (ii) licensed and has at least ten (10) years' experience in engineering matters related to construction, maintenance and repair of infrastructure projects or tunnels. Inspections made pursuant to this Paragraph 8 may only be performed once in each calendar year, except such limitation shall not apply when Tenant is in default of its obligations under Paragraph 6 of this Amendment or any other of its obligations regarding the repair, maintenance and operation of the Tunnel. Tenant shall make the Property and a senior officer who is responsible for maintenance and/or operations of the Property reasonably available to such engineer for the purposes of such inspection and shall provide such engineer any documentation in Tenant's possession or control, reasonably requested by such engineer, subject to Paragraph 10. Without limiting any provision hereof, any such engineering inspections conducted by or on behalf of the City shall be performed in accordance with all applicable laws and with all reasonable operating rules and regulations applicable to the Property. The City shall cause any individual or firm performing an inspection pursuant to this Paragraph 8 to be bound by the confidentiality obligations of the City pursuant to the provisions of Paragraph 10 hereof.

9. Calculation of Net Operating Income. For the avoidance of doubt, in calculating "net operating income" as defined in Section IV(2)(b) of the Plaza Lease, Tenant shall not include any expenses that are not attributable to the operation, maintenance and repair of the Property or to Tenant's obligations under the Lease; and, to the extent Tenant or Tenant's affiliates incur costs that are only partially attributable to the Property, Tenant shall not include as an expense for Section IV(2)(b) of the Plaza Lease the portion of those costs that are not attributable to the Property. Allocations will be prepared consistent with GAAP and the specific methodology and allocation shall be reflected and set forth in the companies' audited financial statements.

10. Confidentiality.

- (a) Notwithstanding anything to the contrary in the Lease, no information or document provided by Tenant to the City pursuant to or in connection with the Lease, as amended hereby, shall be subject to any confidentiality restrictions, and the City may publicly disclose such information or disclose such information to

third parties as it deems appropriate in its sole discretion; *provided, however*, that Tenant shall have no obligation to deliver to the City (and Tenant may redact from information it delivers to the City) any Confidential Information (as defined below); and *provided, further*, that if Tenant delivers to the City any Confidential Information (and labels it as such), then the City shall not disclose such information to third parties (other than to its professional advisors, employees, third-party report providers, affiliates, officers, members, underwriters, agents, consultants, lenders, investors and legal counsel and as to those, only on a need-to-know basis, as reasonably determined by the City, provided such parties are bound by the confidentiality obligations of the City set forth in this Paragraph 10).

- (b) **“Confidential Information”** means information that (i) relates to maintaining national security and/or to maintaining security at the Tunnel; (ii) is required to be kept confidential by applicable law, regulation or order; or (iii) is a trade secret or is other information that is proprietary to Tenant (including, without limitation, information regarding Tenant’s proprietary toll and revenue collecting and accounting system and Tenant’s mobile app for express payments, and other technical and business information relating to Tenant’s proprietary ideas, patentable ideas, copyrights, and other proprietary systems and software).
- (c) If Tenant chooses to withhold Confidential Information from the City, Tenant shall promptly provide written notice that it has done so. The City, through its authorized representative, shall have the right, upon reasonable advance written notice to Tenant, to inspect any Confidential Information, which shall not be redacted, at the offices of Tenant within the City to verify during customary business hours that such information is Confidential Information and to review such Confidential Information, provided that the City may not make a copy of such Confidential Information.
- (d) Notwithstanding anything to the contrary in Lease (as amended hereby), in an effort to ensure that the City, Tenant and the City of Windsor can effectively and efficiently operate the Tunnel in an integrated and seamless manner, the City shall have the right to share with Windsor all information regarding the Tunnel it receives, and Tenant shall cause it and its affiliates to not restrict the City of Windsor, or its affiliates, from providing the City any information related to the Tunnel.
- (e) Nothing contained in this Lease (as amended hereby) shall be construed to limit or reduce the rights and powers of the State of Michigan or the United States of America.

11. **Ineligible Parties.** It shall be a default under the Lease, as amended hereby, if any Ineligible Party (as defined below) shall be involved in the operation, financing, construction or management of the Property or the improvements thereon, or if such Ineligible Party has a direct or indirect beneficial interest in Tenant. **“Ineligible Party”** means any individual or entity, or any entity controlled by, controlling or under common control with any individual or entity, maintaining a controlling interest in any crossing of the border between the State of Michigan

and Canada, such as any tunnel, bridge or other similar infrastructure; *provided, however* that the term “Ineligible Party” shall not include Pike Pointe Holdings, LLC; any entity controlled, controlling or under common control with Pike Pointe Holdings LLC; or Windsor.

12. Operation of an Integrated Tunnel. The parties acknowledge that it is in their respective and joint interests to cause the entire Tunnel to be operated in a harmonious and integrated manner. The City understands that to effect such operation, Tenant intends to negotiate a new or amended operating agreement with the City of Windsor (or an agency or instrumentality thereof), and that Tenant will negotiate such agreement in good faith (but that Tenant shall have no obligation to enter into such an agreement). The City also understands that achieving such purpose may require amendments to the Lease (as amended hereby) and agrees to be reasonable, and to act in good faith, in discussing and considering any such amendments. For avoidance of doubt, (i) Tenant will not have any obligation to enter into any such amendment that would (x) adversely affect (other than in a de minimis manner) its rights under the Lease, as amended hereby, (y) increase (other than in a de minimis manner) its obligations under the Lease, as amended from time to time or (z) decrease (other than in a de minimis manner) the City’s obligations under the Lease, as amended from time to time; and (ii) the City will not have any obligation to enter into any such amendment that would (x) adversely affect (other than in a de minimis manner) its rights under the Lease, as amended hereby, (y) increase (other than in a de minimis manner) its obligations under the Lease, as amended from time to time or (z) decrease (other than in a de minimis manner) Tenant’s obligations under the Lease, as amended from time to time.

13. Notices. Article XVIII(3) of the Plaza Lease and Article XV(3) of the Tube Lease are each amended and restated as follows:

## OPTION AGREEMENT

## OPTION AGREEMENT

THIS OPTION AGREEMENT (this “**Agreement**”) is made and entered into as of the \_\_\_\_ day of \_\_\_\_\_, 2014, by and between Pike Pointe Holdings, LLC (“**Pike Pointe**”) and the City of Detroit, a Michigan municipal corporation (the “**City**”).

### RECITALS

A. The City owns that certain parking garage, commonly known as the Grand Circus Parking Garage, located at 1600-01 Woodward Avenue, Detroit, Michigan, as more particularly described in Exhibit 1 (the “**Circus Garage**”).

B. The Detroit Building Authority (the “**DBA**”) had previously owned the Circus Garage and had leased it to the City pursuant to the Contract of Lease No. 2 by and between the City and the DBA, dated October 1985, (as amended, the “**DBA Lease**”).

C. The DBA Lease has previously terminated pursuant to its terms, and pursuant to the terms of the DBA Lease, title to the property leased thereunder, including the Circus Garage, reverted back to the City.

D. Syncora Capital Assurance Inc. and Syncora Guarantee Inc. (collectively, “**Syncora**”) own the entire beneficial interest in Pike Pointe.

E. Syncora, through one or more of its affiliates, including Pike Pointe, owns and operates certain public infrastructure projects.

F. In connection with the continued improvement of the City, the City desires to grant an option to Pike Pointe with respect to the possibility of negotiating and entering into a mutually agreeable concession agreement for the operation and maintenance of the Circus Garage pursuant to the terms of this Agreement, and Pike Pointe desires to accept such option.

NOW, THEREFORE, in consideration of the foregoing and other good and valuable consideration, the receipt and legal sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Option. Pike Pointe shall have the option, in its sole discretion, to enter into a concession for the Circus Garage (the “**Option**”) on the terms set forth herein. In order to exercise the Option, Pike Pointe must deliver written notice to the City notifying the City that Pike Pointe has exercised the Option (the “**Exercise Notice**”), which Exercise Notice must be delivered within one (1) year from the effective date of the Seventh Amended Plan for the Adjustment of Debts of the City of Detroit, as it may be further amended and as modified (the “**Plan of Adjustment**”). After delivery of the Exercise Notice, the City and Pike Pointe shall promptly and in good faith, negotiate a concession agreement in accordance with the terms set forth in Exhibit 2; provided, however, that neither party shall be obligated to execute a concession agreement. If, within ninety (90) days following the delivery of the Exercise Notice, an agreement has not been reached between the City and Pike Pointe regarding the Circus Garage, either party may, by delivery of notice to the other party, terminate this Option, and thereafter Pike Pointe shall have no right with respect to the Circus Garage.

2. Failure to Exercise. If Pike Pointe fails to send the Exercise Notice within one (1) year after the effective date of the Plan of Adjustment, Pike Pointe will be deemed to have not exercised the Option and will have no further right to do so nor shall it have any interest in the Circus Garage. At such time, this Agreement and the Option will have no further force or effect.

3. Anti-Assignment. Pike Pointe may not assign to any third party (other than a wholly owned subsidiary or other affiliate of Syncora in which Syncora is the direct or indirect beneficial owner (a “**Pike Pointe Affiliate**”), any interest in this Agreement or the Option without the City’s prior written consent, which consent may be withheld in the City’s sole discretion. Any attempted assignment without the City’s consent shall be void ab initio and of no force and effect, and such purported transferee shall have no right to exercise the Option nor shall it have any interest in the Circus Garage. Notwithstanding anything to the contrary in this Agreement, Pike Pointe shall have no right to exercise the Option if, at the time of such exercise and the execution of the Concession Agreement, Syncora is not a direct or indirect beneficial owner of Pike Pointe.

4. Title to Circus Garage. The City shall cause the DBA to execute such documentation as is necessary to confirm the transfer of ownership of the Circus Garage to the City promptly after execution of this Agreement. The City shall retain title to the Circus Garage during such time as Pike Pointe has the right to exercise the Option and shall maintain the Circus Garage in at least the same condition and repair as of the date hereof.

5. Development Agreements. Pike Pointe hereby acknowledges that the City has entered into certain development agreements with third party developers, which agreements contemplate that those developers will have the right to use parking spots within the Circus Garage at fair market rates (as determined by Pike Pointe from time to time and consistent with the rates provided to other patrons of the Circus Garage), and Pike Pointe agrees that it shall execute leases, licenses or other usage agreements with such developers on those terms. The City will provide the material terms and conditions of those development agreements with respect to developers’ use of Circus Garage as soon as is reasonably practicable following execution of this Agreement.

6. Due Diligence Activities.

- (a) Prior to delivery of the Exercise Notice, Pike Pointe shall have a period commencing on the date hereof and continuing through and including the date of the delivery of the Exercise Notice or the expiration or termination of this Option, whichever is sooner, (the “Due Diligence Period”) to conduct its due diligence activities on the Circus Garage, which shall not unreasonably interfere with the use and operation of the Circus Garage. For purposes of this Agreement, “Due Diligence Activities” include but are not limited to the following:

- (A) such physical inspections, soil borings and bearing tests, surveys, and possible relocation of utilities on or for the Circus Garage as Pike Pointe deems appropriate, all of which shall be completed at Pike Pointe’s expense;

- (B) investigations, environmental site assessments, including Phase I and Phase II site assessments, sampling and testing of soil, groundwater, surface water, soil vapors, indoor air, and building materials (such as Asbestos and lead-based paint), and/or a Baseline Environmental Assessment, (“BEA”), as defined in Part 201 of the Natural Resources and Environmental Protection Act (“NREPA”), being MCL 324.20101 et seq., and such other investigations and assessments as Pike Pointe may deem needed in its sole discretion to determine the condition of the Circus Garage and the Circus Garage’s compliance with applicable law, all of which shall be completed at Pike Pointe’s expense; and
  - (C) a review of the title evidence, survey, entitlements, and payment of taxes and assessments, all of which shall be completed at Pike Pointe’s expense;
  - (D) a review of financing sources related to Pike Pointe’s proposed use of the Circus Garage, or any other matter that in Pike Pointe’s sole discretion is relevant to Pike Pointe’s use of the Circus Garage;
  - (E) a review of all City Information and all publicly-available information with respect to the Circus Garage;
  - (F) a review of available public and private utilities and public accesses necessary for the proposed use of the Circus Garage; and
  - (G) application and procurement of any zoning, site plan, elevation, special land use, environmental, conditional use or other municipal approvals or permits, or variances therefrom, required or appropriate for the proposed use of the Circus Garage. The City hereby authorizes Pike Pointe to submit and apply for all such approvals, permits, and variances upon the commencement of the Due Diligence Period.
- (b) Restoration of City Property. Promptly following completion of a Due Diligence Activity, Pike Pointe shall restore the Circus Garage and all property therein to the state in which it existed prior to the commencement of the Due Diligence Activity.
- (c) City Information. The City shall use reasonable efforts to make available to Pike Pointe all information in the City’s (or the City’s agencies’ or departments’) possession or control related to the Circus Garage within thirty (30) days following the effective date of the Plan of Adjustment, including but not limited to existing leases, licenses, permits, approvals, contracts, warranties, title searches and policies, surveys, appraisals, environmental audits, Phase I environmental site assessments, Phase II reports or other testing or sampling data, asbestos surveys, reports, specifications, from the Planning, Building, Assessing, Environmental

Affairs and Fire Departments, notices of violations of applicable laws, regulations and ordinances or other documents in the City's possession or control related to the Circus Garage, to the extent the City is not required by law or applicable agreement to keep such information confidential (collectively, the "**City Information**"). The City shall cooperate with Pike Pointe and use reasonable efforts to facilitate Pike Pointe's Due Diligence Activities, all at no material incremental cost to the City, including providing information, coordinating with third party users of the Circus Garage as applicable, and executing such documentation as may be reasonable and necessary for Pike Pointe's access to the site and completion of the Due Diligence Activities including the preparation of a BEA.

- (d) Insurance. Prior to entering onto the Circus Garage for any Due Diligence Activities, Pike Pointe or its contractors shall enter into a right-of-entry agreement regarding the entry into the Circus Garage to be reasonably agreed to by the City and Pike Pointe.
- (e) Indemnity. Pike Pointe shall defend, indemnify and hold harmless the City from and against any loss, liability, cost or expense incurred by the City to the extent resulting from Pike Pointe's (including its duly authorized employees, agents, engineers or other representatives) negligence or willful acts occurring in connection with the Due Diligence Activities; provided, however, that Pike Pointe shall in no circumstance have any obligation or liability with respect to any conditions pre-existing at the Circus Garage including without limitation any environmental condition, soil or groundwater contamination or other environmental conditions that may be discovered in the course of the Pike Pointe's Due Diligence Activities and thereafter disclosed to the City, except to the extent such conditions are materially exacerbated due to the negligence or willful acts of Pike Pointe or any of its duly authorized employees, agents, engineers or other representatives, and (ii) Pike Pointe shall not be responsible for any loss, liability, cost, or expense resulting from the discovery of any adverse information or condition regarding the Circus Garage or from the City's (or the City's agencies' or departments') negligence or misconduct.

7. Notices. All notices, demands and other communications given or delivered under this Agreement shall be given in writing to the address indicated below (or such other address as the recipient specifies in writing) and will be deemed to have been given when delivered personally, three (3) business days after mailed by certified or registered mail, return receipt requested and postage prepaid, or when delivery is guaranteed if sent via a nationally recognized overnight carrier, or when receipt is confirmed if sent via facsimile or other electronic transmission to the recipient with telephonic confirmation by the sending party.

8. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

9. Time of Essence. Time is of the essence of this Agreement.

10. Severability. If any provision of this Agreement or the application thereof to any person or circumstances shall, to any extent, be declared invalid, illegal or unenforceable by a court of competence jurisdiction, all other provisions and applications hereof shall remain in full force and effect.

11. Merger of Prior Agreements. This Agreement supersedes all prior agreements and understandings between the parties hereto relating to the subject matter hereof.

12. Governing Law; Venue. This Agreement shall be governed by and construed in accordance with the laws of the State of Michigan. By its execution and delivery of this

Agreement, each of the City and Pike Pointe irrevocably and unconditionally agrees for itself that any legal action, suit or proceeding against it with respect to any matter arising under or arising out of or in connection with this Agreement, or for recognition or enforcement of any judgment rendered in any such action, suit or proceeding shall be brought in the Bankruptcy Court for so long as it has jurisdiction, and thereafter in the United States District Court for the Eastern District of Michigan; provided that if the United States District Court for the Eastern District of Michigan does not have jurisdiction, then such legal action, suit or proceeding shall be brought in such other court of competent jurisdiction located in Wayne County, Michigan. (ii) will be payable from the unlimited tax full faith, credit and resources of the City and the UTGO Bond Tax Levy and secured, to the extent permitted by law, including without limitation Section 12(1)(x) of Act 436, by a lien granted by the City on the UTGO Bond Tax Levy pursuant to the Emergency Manager Order, the grant of which will be confirmed by the Bankruptcy Court in the Plan Confirmation Order (or, if applicable, the Approval Order);

(iii) also will be secured by and payable from a portion of the City's Distributable State Aid, subject to a statutory lien and trust as provided in section 15(2) of the Shared Credit Rating Act;

(iv) will have the same rights (other than priority) in and to the Distributable State Aid, and have the same protections (including, without limitation, a statutory lien to the same extent the 2010 Series A Bonds are secured by a statutory lien), as the 2010 Series A Bonds, except that the City's Deposit Date Balance Requirement (as defined in Section 2.5) with respect to the Municipal Obligation shall be as described in paragraph 2.5(e) below;

(v) will have the identical Financial Terms as the Restructured UTGO Bonds; and

(vi) will be pledged by the MFA to the bond trustee for the holders of the MFA Bonds pursuant to a resolution of the MFA authorizing the issuance of the MFA Bonds.

(b) The UTGO Bond Tax Levy shall be escrowed and used to pay the Municipal Obligation prior to the use of Distributable State Aid in the same manner as provided for the 2010 Series A Bonds, as described herein.

(c) Distributable State Aid will be pledged by the City and secured by a lien under the Master Indenture to be used for the purpose of paying principal of and interest on the Municipal Obligation and any additional bonds or other future obligations issued by the City and secured by Distributable State Aid.

(d) The lien on Distributable State Aid for the Municipal Obligation will be a fourth priority lien, subordinate, as of the MFA Bonds issuance date, only to the following:

(i) the first priority lien on Distributable State Aid for the City's \$249,790,000 Distributable State Aid General Obligation Limited Tax Bonds, Series 2010 (the "**2010 Senior Bonds**");

(ii) the second priority lien on Distributable State Aid for the City's 2010 Series A Bonds, which lien in favor of the 2010 Series A Bonds is subordinate to the lien in favor of the 2010 Senior Bonds; and

(iii) the third priority lien on Distributable State Aid for the City's third-lien limited tax general obligations bonds (the "**Third Lien Bonds**") securing the MFA's \$129,520,000 Local Government Loan Program Revenue Bonds, Series 2012C (City of Detroit Limited Tax General Obligation Local Project Bonds Third Lien), which lien in favor of the Third Lien Bonds is subordinate to the lien in favor of the 2010 Series A Bonds.

(e) The Emergency Manager shall issue the Emergency Manager Order in substantially the form attached hereto as Exhibit B.

#### Section 2.4. Escrow and Application of Aggregate UTGO Tax Levy.

(a) The City agrees that, pursuant to documentation in form and substance satisfactory to the Parties, proceeds of the Aggregate UTGO Tax Levy collected by the City will be segregated and transmitted no less often than as provided in the schedule of Statutory Tax Collection Distribution Dates published by the Bureau of Local Government Services of the Michigan Department of Treasury, and in any event, no less often than (x) bi-monthly during the period beginning each July 1 and ending the following March 31, and (y) monthly during the period beginning April 1 and ending the following June 30 of each year, to U.S. Bank National Association as escrow trustee (the "**Debt Millage Escrow Trustee**"), to be held and distributed pursuant to the terms and conditions of the Debt Millage Escrow Agreement. The Debt Millage Escrow Trustee shall be required to allocate the revenue pro rata, as required by the Debt Millage Escrow Agreement, among the outstanding UTGO Bonds, the 2010 Series A Bonds, and any Additional Bonds.

(b) Proceeds of the Aggregate UTGO Tax Levy allocated to the UTGO Bonds will be transferred promptly by the Debt Millage Escrow Trustee (i) first, for deposit to the Tax Levy Account held by the Master Trustee for the Municipal Obligation in an amount sufficient, together with funds already on deposit therein to pay debt service due on the Municipal Obligation on or before the April 1 following such deposit, together with any past due debt service on the Municipal Obligation, and (ii) second, to the assignee of the rights to payment from the Assigned UTGO Bond Tax Levy of amounts payable on the Stub UTGO Bonds on or before the April 1 following such deposit, an amount equal to the scheduled debt service on the Stub UTGO Bonds. Proceeds of the Aggregate UTGO Bond Tax Levy transferred to the Master Trustee for the purpose of paying debt service on the Municipal Obligation will be held in trust under applicable State law.

(c) Neither the Holders of the MFA Bonds nor the Bond Insurers will seek payment from the proceeds of the UTGO Bond Tax Levy in excess of the amounts necessary to pay the Municipal Obligation scheduled annual debt service

plus any amount necessary to pay past due Municipal Obligation debt service plus any amounts required by Section 2.14(b).

Section 2.5. Distributable State Aid and Flow of Funds.

(a) Pursuant to the Agreement to Deposit Distributable State Aid, the State Treasurer has agreed to deliver 100% of the Distributable State Aid due the City to the Master Trustee for deposit under the Master Indenture for as long as the Municipal Obligation is outstanding. Payments by the State Treasurer of Distributable State Aid will be deposited directly into the funds and accounts held by the Master Trustee in accordance with and as provided by the Agreement to Deposit Distributable State Aid and the Master Indenture. Distributable State Aid payments made to the Master Trustee for the purpose of paying debt service on the Municipal Obligation will be held in trust and subject to a statutory lien under applicable State law.

(b) The Master Trustee will be required to deposit all of the City's Distributable State Aid in the Debt Retirement Fund established under the Master Indenture and allocate and set aside Distributable State Aid into the various Distributable Aid Escrow Funds as provided in the Master Indenture, including, without limitation, the Series 2014 DSA Escrow Fund defined in Section 2.5(d) below (the "**DSA Escrow Funds**") created pursuant to one or more supplemental indentures to the Master Indenture for the purpose of accumulating Distributable State Aid in amounts required by such supplemental indentures to be deposited in the DSA Escrow Funds by the dates specified in such supplemental indentures to pay debt service on the bonds and obligations of the City secured by a pledge of Distributable State Aid.

(c) On each date that the State Treasurer deposits a payment of the City's Distributable State Aid (each a "**DSA Deposit**") with the Master Trustee (each a "**DSA Deposit Date**"), the Master Trustee shall set-aside such amounts as shall be sufficient to fund the minimum balances required to be on deposit in each DSA Escrow Fund to pay the then current annual principal and interest requirements on the related obligation as provided in the Master Indenture (each, a "**Deposit Date Balance Requirement**") and collectively the "**Deposit Date Balance Requirements**"). Any amounts remaining in the Debt Retirement Fund after the setting aside of the amounts necessary to satisfy the Deposit Date Balance Requirements of all DSA Escrow Funds, shall be released to the City for deposit to the General Fund of the City.

(d) On or before the Effective Date, the City pursuant to a supplemental indenture to the Master Indenture shall establish with the Master Trustee a Series 2014 DSA Escrow Fund (the "**Series 2014 DSA Escrow Fund**") for the purpose of accumulating Distributable State Aid in sufficient amounts to pay debt service on the Municipal Obligation. Moneys on deposit in the Series 2014 DSA Escrow Fund shall be held and withdrawn by the Master Trustee solely for the purpose of paying to the bond trustee for the holders of the MFA Bonds (as assignee of the MFA) the principal of and interest on the Municipal Obligation when due and payable, which payments will be used to make corresponding payments of principal and interest on the MFA Bonds. Within the

Series 2014 DSA Escrow Fund there shall be created three separate and segregated sub-accounts designated the “Distributable Aid Account,” the “Tax Levy Account,” and the “General Account.” Proceeds of the Aggregate UTGO Tax Levy allocated to the Municipal Obligation and transferred to the Master Trustee by the Escrow Agent pursuant to Section 2.4(b)(i) shall be deposited to the Tax Levy Account and used as described in subsection (f) below. That portion of Distributable State Aid necessary to pay the principal of and interest on the Municipal Obligation when due, shall be set aside and maintained in the Distributable Aid Account and used as described in subsection (e) below. All other moneys deposited to the Series 2014 DSA Escrow Fund from time to time by the City shall be set aside and maintained in the General Account and used as described in subsection (f) below.

(e) To the extent the Master Trustee does not have on deposit in the Tax Levy Account the required portions of principal and interest due on the next October 1 or April 1 on the first day of each month set forth below (the “**Deposit Date Balance Requirement for the Municipal Obligation**”), the Master Indenture will provide for the deposit of all, or such lesser amount as is necessary to correct the deficiency in the Deposit Date Balance Requirement for the Municipal Obligation, of that month’s distribution of Distributable State Aid into the Distributable State Aid Account of the Series 2014 DSA Escrow Fund (after all deposits to DSA Escrow Funds established to pay debt service on obligations of the City having priority over the Municipal Obligation) . The Deposit Date Balance Requirement for the Municipal Obligation will be as follows:

#### DEPOSIT DATE BALANCE REQUIREMENT

MONTH OF DSA PAYMENT	PORTION OF NEXT MUNICIPAL OBLIGATION INTEREST PAYMENT	PORTION OF NEXT MUNICIPAL OBLIGATION PRINCIPAL PAYMENT
November	1/3	4/6
January	2/3	5/6
March	100%	100%
September	100%	3/6

(f) Amounts on deposit in the Series 2014 DSA Escrow Fund shall be withdrawn from the DSA Escrow Fund for the purpose of paying debt service on the Municipal Obligation when due to the bond trustee for the holders of the MFA Bonds (as assignee of the MFA), which payments will be used to make corresponding payments of principal and interest on the MFA Bonds. Amounts shall be debited first from the Tax Levy Account in an amount necessary to pay the principal of and interest on the

Municipal Obligation on the corresponding payment date, and thereafter, if the amount on deposit in the Tax Levy Account is not sufficient to make the payments required, the amount necessary to satisfy the deficiency shall be debited, first, from the Distributable Aid Account, and second, from the General Account.

Section 2.6. Additional Indebtedness. From and after the date of this Agreement and, pursuant to documentation in form and substance satisfactory to the Parties, until the MFA Bonds have been paid in full:

(a) the City shall not incur, or permit to be outstanding, debt secured by a lien on the Distributable State Aid that is senior to the lien securing the Municipal Obligation, other than debt secured by a lien on the Distributable State Aid on the date of this Agreement (“Existing DSA Debt”) and additional debt (“Additional DSA Debt”) secured on a second or third lien level so that the aggregate principal amount of (x) Existing DSA Debt (as of the effective date of this Agreement – i.e., \$479,310,000) plus (y) the Additional DSA Debt thereafter issued will not exceed \$560,000,000, provided that, with respect to any Additional Debt the existing financial covenants in the Master Indenture restricting the issuance of additional bonds under the Master Indenture are satisfied.

(b) Notwithstanding clause (a), the City may issue first, second or third lien refunding bonds secured pursuant to the Master Indenture so long as any such refunding issuance results in debt service savings by the City in each year that such refunding bonds will be outstanding (based upon the amortization schedule in effect prior to the time of such refunding) or, if the last maturity of the MFA Bonds is prior to final maturity of the refunding bonds then to be issued, then in each year during which the MFA Bonds are outstanding.

(c) The City shall not incur debt secured by a lien on the Distributable State Aid that is pari passu with the lien securing the Municipal Obligation.

(d) The City may incur debt secured by a lien on the Distributable State Aid that is junior and subordinate to the lien securing the Municipal Obligation.

Section 2.7. Levy and Collection of the Ad Valorem Debt Millage.

The Settlement-Related Documents will provide that:

(a) The City shall impose in each year a separate debt millage levy reasonably projected to be in an amount necessary to pay the debt service coming due on all unlimited tax general obligation bonds (including both the Municipal Obligation and the Stub UTGO Bonds) before the next annual tax levy, including any past due amounts, plus any amounts necessary to reimburse the City for other City funds used to pay prior debt service, less any millage proceeds or other funds already on deposit with the Debt Millage Escrow Trustee which are available to pay the debt service next

coming due. The City shall comply with applicable law in levying and collecting ad valorem millage levied to pay all unlimited tax general obligation bonds.

(b) The City shall certify annually not later than June 30 in each year that it has imposed the debt millage levy as required by and in accordance with Section 2.7(a). Such annual certification shall be in the form attached hereto as Exhibit C and shall be promptly provided to the Bond Insurers.

(c) The City shall furnish to the Bond Insurers promptly upon request such information reasonably requested by the Bond Insurers to confirm the imposition of the debt millage levy and to monitor collections. The Bond Insurers shall have the right to discuss such information with the City, and the City will use reasonable efforts to explain the collection process to the Bond Insurers, including the allocation methods used for partial property tax payments.

#### Section 2.8. Plan Effectiveness and Escrowing of Payments.

(a) If the Effective Date of the Plan does not occur on or prior to September 30, 2014 for any reason other than proximately by reason of the actions or positions taken by any of the executing Bond Insurers, or their failure to support the Plan as provided in Section 3.1 below, solely in their capacity as the insurers of the Prior UTGO Bonds and not in any other capacity (including, for the avoidance of doubt in their capacity as insurers of any other obligations of the City), the City will pay into an escrow to be established with the current paying agent for the Prior UTGO Bonds the pro rata portion of the October 2014 scheduled interest debt service payment and any pro rata payments of principal and interest due thereafter, which would otherwise be paid on the Restructured UTGO Bonds, as if the transaction contemplated by this Agreement (other than the MFA Bond issuance) had closed. Specifically, and for clarification of the City's obligation under this paragraph, the City will pay into escrow the pro rata portion of scheduled debt service payments on the \$287.56 million of Restructured UTGO Bonds due after September 30, 2014 through the Effective Date of the Plan, on the same terms and schedule as set forth in the current documents governing the Prior UTGO Bonds, which, subject to Section 2.8(b) below, such escrowed funds shall be released to the Bond Insurers on the Effective Date of the Plan. Such escrow shall be pursuant to the Settlement Escrow Agreement ("Settlement Escrow Agreement") in the form of Exhibit D attached hereto, which will be executed and delivered on the date of the execution and delivery of this Agreement.

(b) If the Plan is not effective by March 31, 2015, and the Bankruptcy Court has issued an Approval Order (that is not stayed pending appeal) approving the settlement embodied in this Agreement, then on [March 31, 2015] the monies in such escrow will be released to the Bond Insurers, and the City will make all subsequent debt service payments, including the payment due on April 1, 2015, directly to the paying agent for the Prior UTGO Bonds as if the Restructured UTGO Bonds transaction (other than the MFA Bond issuance) had closed. If an Approval Order is entered but is subject to a stay pending appeal, the City shall continue to pay into escrow

the scheduled debt service on the Prior UTGO Bonds for so long as such stay remains in effect, and shall release all monies in the escrow accounts as soon as such order is no longer subject to stay.

(c) If the Plan is not effective by September 30, 2014, then within fifteen (15) days of a request by the Bond Insurers, the City shall file an Approval Motion pursuant to Bankruptcy Rule 9019 with the Bankruptcy Court. The City and the Bond Insurers may mutually make an Approval Motion pursuant to Bankruptcy Rule 9019 at any time upon mutual agreement of the City and the Bond Insurers.

Section 2.9. Confirmation Order and Findings. The Plan Confirmation Order shall include provisions substantially in the form of Exhibit E. Any material modification to such provisions shall be reasonably satisfactory to the Parties.

Section 2.10. Conditions to Plan Effectiveness. The Plan shall provide that the effectiveness of the Plan is subject to the following conditions:

(a) The Michigan Finance Authority board shall have approved the issuance of the MFA Bonds and such bonds shall have been issued; and

(b) The City shall have obtained all governmental and Emergency Manager consents and approvals required to carry out the terms of this Agreement.

Section 2.11. Most Favored Nation. In recognition of the unique features of the UTGO Bonds and in consideration of the settlement, the City agrees that the Bond Insurers will benefit from a “most favored nation” provision consisting of the two fundamental protections below and that such provision will be described in the Plan. Further, the City agrees that, if a class of Impaired Financial Creditors receives treatment other than the current treatment in the *Fourth Amended Plan for the Adjustment of Debts of the City of Detroit (May 5, 2014)* [Docket No. 4392], such class’ treatment in the Plan will include the existence of this “most favored nation” provision.

(a) Recovery Percentage Projected as of Confirmation Date. Under no circumstances shall the terms of the Plan permit either of the Limited Tax General Obligation Claims or the COP Claims (each as defined in the Plan and collectively, the “**Impaired Financial Creditors**”) to recover more on a percentage basis than the UTGO Claims as projected at Plan confirmation. In determining whether a Class of Impaired Financial Creditors will recover more on a percentage basis than the UTGO Claims as projected at Plan confirmation, the recovery percentage for each of the Impaired Financial Creditors’ Claims will be the sum of:

(i) the percentage that any cash payments and the principal amount of any “hard pay” instrument, combination of instruments or any other evidences of indebtedness or payment obligations of any kind (collectively, the “**Hard Pay Instruments**”) provided to such Impaired Financial Creditor Class under the Plan is

of the aggregate amount of all the Allowed Claims in such Impaired Financial Creditor Class; and

(ii) the percentage that the reasonably anticipated recovery (as reasonably determined by the City as of Plan confirmation and as disclosed to creditors subject to the Bond Insurers' right to contest such determination as part of the confirmation hearing) on account of any "soft pay", contingent, or similar type of instrument, combination of instruments or any other evidences of indebtedness, contracts or settlements creating payment obligations of any kind including, without limitation, payment obligations relating to a sale, lease, privatization, public private partnership or similar arrangement or the value of any assets projected to be distributed or promised revenue streams or recoveries of any kind (collectively, the "**Soft Pay Instruments**" and together with the Hard Pay Instruments, the "**Plan Instruments**") provided to such Impaired Financial Creditor Class under the Plan is of the aggregate amount of all the Allowed Claims in such Impaired Financial Creditor Class.

(b) **Actual Recovery Percentage Post-Confirmation.** In the event the actual recovery percentage of any Impaired Financial Creditor Class on the aggregate Plan Instruments provided to such Impaired Financial Creditor's Class would result in such Class receiving 69.5% or more of the aggregate amount of all the Allowed Claims in any such Class (the "**Trigger Event**"), then payments that contribute to the Impaired Financial Creditor Class receiving a recovery over 69.5% (the "**Trigger Payments**") shall be made under such Plan Instruments to the Bond Insurers ("**Top-Off Payments**") on account of the Bond Insurer Claims in amounts equal to the following:

(i) the amount of the Trigger Payment, multiplied by

(ii) the quotient of

(A) \$100.5 million, divided by

(B) the sum of (x) 30.5% of the aggregate amount of all the Allowed Claims in the particular Impaired Financial Creditor Class, and (y) \$100.5 million.

For purposes of this sub-section, all actual recoveries for Impaired Financial Creditor Classes shall be determined by discounting the payments using a 5% discount rate back to the date of Plan confirmation. Amounts payable to the Bond Insurers pursuant to the provisions of this Section 2.11 will be allocated to the Bond Insurers as set forth on Schedule 2 attached hereto.

(c) **Reporting.** The City shall deliver to the Bond Insurers:

(i) promptly after the first payment is made thereunder, a written notice of any payment under any Soft Pay Plan Instrument benefiting any Impaired Financial Creditor Class, including the amount and date of such payment;

(ii) on each January 15 of every year beginning in the year after the first payment is made on any Soft Pay Plan Instrument benefiting any Impaired Financial Creditor Class and until the maturity date of the Soft Pay Instrument, a written report calculating the aggregate recovery percentage of each Impaired Financial Creditor Class;

(iii) after any Impaired Financial Creditor Class achieves a recovery percentage on the aggregate amount of all the Allowed Claims in such class equal to or greater than 60%, on each January 15 and July 15, a written report calculating the aggregate recovery percentage of each Impaired Financial Creditor Class;

(iv) after a Trigger Event occurs, a written report on each date that a payment is made under any Plan Instruments held by or benefiting an Impaired Financial Creditor Class that explains the calculation for the Trigger Payment and the Top-Off Payment and demonstrates compliance with the terms of this Agreement; and

(v) written notice in the event any Impaired Financial Creditor challenges or disagrees in any manner with the determination of any payments related to a Trigger Payment.

The City official executing any written notice or written report described above will respond within a reasonable time to written inquiries from any Bond Insurer regarding such notice or report. In the event any Bond Insurer or Insurers make a written request to meet with such City official, such City Official will meet within a reasonable time period with such Bond Insurer or Insurers to answer their reasonable questions regarding any such notice or report.

(d) Dispute Resolution. In the event any of the Bond Insurers provides a written notice to the City articulating disagreement with the City's determination of whether a Trigger Event has occurred or with the amount of shared payments after a Trigger Event pursuant to subsection 2.11(c)(iv), the City will notify all Bond Insurers and meet with the Bond Insurers within 15 business days of such written notice. At the meeting the Parties will attempt in good faith to resolve the differences. If the Parties are unable to reach a resolution of the differences the Bond Insurers will have the right to bring an enforcement action in the Bankruptcy Court.

#### Section 2.12. Legal Opinions.

Bond counsel will provide at closing customary legal opinions relating to the validity, priority and enforceability of any MFA transaction in form and substance reasonably satisfactory to the Bond Insurers; such opinions to include standard bankruptcy opinion exceptions. Bond counsel will also provide a customary opinion in form and substance reasonably satisfactory to the Bond Insurers, on the exemption of interest from Federal and State taxation of the MFA Bonds and the Municipal Obligation.

No opinion will be provided with respect to any aspect of any lien on the UTGO Bond Tax Levy.

Section 2.13. Stay of Litigation, Proofs of Claim.

(a) The Assured/NPFG Action and Ambac Action (the “**UTGO Litigation**”) as it relates to the Prior UTGO Bonds shall be stayed pending the issuance of an Approval Order or Plan Confirmation Order and the occurrence of the Effective Date, whereupon the Parties shall ask the Bankruptcy Court to dismiss the UTGO Litigation without prejudice until the Approval Order or the Plan Confirmation Order, as applicable, is a Final Order, when such dismissal shall be deemed to be with prejudice.

(b) As soon as practicable subsequent to the execution and delivery of this Agreement by each of the Parties, but in no event later than five (5) business days subsequent thereto, the Parties shall take any and all action as is appropriate to (i) stay the UTGO Litigation as provided in subsection (a) above, (ii) maintain the status quo of the Parties in the UTGO Litigation as of the execution of this Agreement, and (iii) ensure that no action (including separate litigation and any objection to proofs of claim filed by the Bond Insurers relating to the Prior UTGO Bonds) is undertaken or commenced inconsistent with seeking a stay of and maintaining the status quo of the UTGO Litigation; provided, however, that any such stay shall terminate on the first (1st) business day following termination of this Agreement.

(c) In the event (i) an Approval Motion is made by the City and denied by the Bankruptcy Court, (ii) an Approval Order is issued but is not consistent with this Agreement in any material respect or is overturned on appeal, (iii) a Plan consistent with this Agreement in all material respects is not confirmed by the Bankruptcy Court other than changes regarding payments relating to the Stub UTGO Bonds, or (iv) a Plan Confirmation Order is entered by the Bankruptcy Court but is not consistent in all material respects with this Agreement, or is overturned on appeal, then any Party (including one or more of the Bond Insurers as to such Bond Insurer or Bond Insurers) may resume the UTGO Litigation and terminate this Agreement as to such Party by written notice to the Parties.

(d) The Bond Insurers agree that all proofs of claims filed by any of them with respect to Prior UTGO Bonds shall be deemed resolved and fully satisfied by approval of this Agreement in the Plan Confirmation Order, which is a Final Order or an Approval Order, which is a Final Order, as applicable.

Section 2.14. Additional Covenants

(a) City Will Not Contest. The City shall not contest the validity or enforceability of any of the liens or interests granted under this Agreement or any of the obligations of the City set forth in this Agreement.

(b) Paying Agent, Master Trustee and Escrow Agent Fees.

The City shall pay the reasonable and customary fees and expenses (including reasonable attorneys' fees) of (i) the paying agent with respect to the Prior UTGO Bonds (including the paying agent relating to the Prior UTGO Bonds that are not Holders Restructured UTGO Bonds) and (ii) of the paying agent, the Master Trustee, the Debt Millage Escrow Trustee and the escrow agent identified in the Settlement Escrow Agreement in respect of all transactions contemplated by this Agreement.

(c) Further Action. To the extent that the City has not taken all necessary action to authorize the execution, delivery and performance of this Agreement, it will do so.

### **ARTICLE III PLAN OF ADJUSTMENT AND PLAN SUPPORT**

Section 3.1. Plan Support Commitment. From and after the date hereof, and so long as the City has complied, and is complying, with its covenants and obligations under this Agreement, the Bond Insurers will each support the treatment of the Prior UTGO Bonds in the Plan by, at a hearing or in a court filing, expressing such support solely as insurers of the Prior UTGO Bonds and, if each Bond Insurer has established its right to vote, will each vote Prior UTGO Bonds and reimbursement claims in support of such Plan treatment. The Plan shall provide that such treatment, consistent with this Agreement, is the treatment for all holders of the Prior UTGO Bonds. For the absence of doubt, nothing contained in this Agreement shall require any Bond Insurer to support or vote for the treatment of any class of claims under the Plan other than the UTGO Bonds.

Section 3.2. Solicitation Required in Connection with Plan. Notwithstanding anything contained in this Article III or elsewhere in this Agreement to the contrary, this Agreement is not, and shall not be deemed to be, a solicitation of acceptances of the Plan. The City and the Bond Insurers acknowledge and agree that the acceptance of the Plan will not be solicited until the Bankruptcy Court has approved the Disclosure Statement and related ballots, and such Disclosure Statement and ballots have been transmitted to parties entitled to receive same.

Section 3.3. Plan Document Provisions. All Plan Documents, as they relate to the settlement embodied in this Agreement must (i) be in form and substance reasonably satisfactory to the Bond Insurers and to the City and be consistent with this Agreement, (ii) provide that the Plan treatment for Prior UTGO Bonds is part of a settlement of the pending UTGO Litigation.

## ARTICLE IV DEFAULTS AND REMEDIES

Section 4.1. Events of Default. The breach by any Party of any material agreement or covenant set forth in this Agreement or the Settlement Escrow Agreement will be an event of default ("Event of Default") under this Agreement.

Section 4.2. Remedies. The Parties acknowledge and agree that a breach of the provisions of this Agreement by any Party would cause irreparable damage to the other Parties and that such other Parties would not have an adequate remedy at law for such damage. Therefore, the obligations of the Parties set forth in this Agreement and the Settlement Escrow Agreement shall be enforceable by an order compelling specific performance issued by the Bankruptcy Court, and appropriate injunctive relief may be applied for and granted in connection therewith. Upon an Event of Default by the City, any Bond Insurer will have the right to compel immediate payment of amounts held under the Settlement Escrow Agreement by order of the Bankruptcy Court. Such remedies shall be cumulative and not exclusive and shall be in addition to any other remedies that the Parties may have under this Agreement, the Settlement Escrow Agreement or otherwise. Any Bond Insurer may exercise its rights hereunder on its own. Consistent with Section 904 of the Bankruptcy Code, the City hereby consents to the Bankruptcy Court enforcing the terms of this Agreement and the Settlement Escrow Agreement.

Section 4.3. Termination.

(a) This Agreement may be terminated by the mutual agreement of all of the Bond Insurers upon an Event of Default caused by the City. This Agreement may be terminated by less than all of the Bond Insurers as to such Bond Insurer or Bond Insurers upon an Event of Default caused by the City if (i) an action or proceeding seeking to enforce the material agreement or covenant purported to be breached is brought by one or more Bond Insurers before the Bankruptcy Court, (ii) the Bankruptcy Court, after notice and a hearing, finds that an Event of Default caused by the City has occurred and (iii) either (A) the Bankruptcy Court declines to issue an order compelling specific performance by the City of the applicable agreement or covenant purported to be breached or (B) the Bankruptcy Court issues such an order compelling specific performance but the City fails to comply with the order.

(b) This Agreement may be terminated by the City if any of the Bond Insurers fails to (i) support the Plan with respect to Class 8 – UTGO Claims or (ii) if it has the right to vote its Class 8 Claims as determined by the voting procedures process approved by the Bankruptcy Court in an order entered on March 11, 2014 (Docket No. 2984) (as such order may have been amended from time to time), vote its Class 8 Claims to accept the Plan. This Agreement may be terminated by the City upon an Event of Default caused by the Bond Insurers, or any of them, if (i) an action or proceeding seeking to enforce the material agreement or covenant purported to be breached is brought by the City before the Bankruptcy Court, (ii) the Bankruptcy Court finds, after

notice and a hearing, that an Event of Default caused by the applicable Bond Insurer has occurred and (iii) either (A) the Bankruptcy Court declines to issue an order compelling specific performance by the applicable Bond Insurer of the applicable agreement or covenant purported to be breached or (B) the Bankruptcy Court issues such an order compelling specific performance but the applicable Bond Insurer fails to comply with the order.

(c) Upon any such termination, any Party (including one or more of the Bonds Insurers as to such Bond Insurer or Bond Insurers) may resume the UTGO Litigation unless it has been previously dismissed with prejudice or has been previously deemed dismissed with prejudice.

## **ARTICLE V REPRESENTATIONS AND WARRANTIES**

Section 5.1. Representations and Warranties of the City. The City represents and warrants to the Bond Insurers that:

- (a) It is a municipal corporation of the State of Michigan.
- (b) It has the power to execute and deliver this Agreement and to perform its obligations hereunder and it has taken or will take all necessary action to authorize such execution, delivery and performance.
- (c) Such execution, delivery and performance do not violate or conflict with any law applicable to it, any order or judgment of any court or other agency of government applicable to it, or any material agreements specifically applicable to it or any of its assets.
- (d) Other than (i) approvals by the MFA, the State Treasurer, the execution of the Emergency Manager Order, and the approvals required by Section 19 of Act 436 to be obtained prior to delivery of the Municipal Obligation, all of which the City reasonably expects to be obtained prior to the Effective Date, and (ii) the approval of the Bankruptcy Court, all governmental and Emergency Manager consents and approvals that are required to have been obtained by it as of the date of execution of this Agreement with respect to the execution, delivery and performance of this Agreement have been obtained and are in full force and effect and all conditions of any such consents and approvals have been complied with.

Section 5.2. Representations and Warranties of the Bond Insurers. Each of the Bond Insurers represents to the City that:

- (a) It is duly organized and validly existing under the laws of the jurisdiction of its organization or incorporation.

(b) It has the power to execute and deliver this Agreement and to perform its obligations under this Agreement and it has taken all necessary corporate action to authorize such execution, delivery and performance.

(c) Such execution, delivery and performance do not violate or conflict with any law applicable to it, any provision of its constitutional documents, any order or judgment of any court or other agency of government applicable to it, or any agreements specifically applicable to it or any of its assets.

(d) All corporate or governmental consents and approvals that are required to have been obtained by it with respect to this Agreement have been obtained and are in full force and effect and all conditions of any such consents and approvals have been complied with.

(e) Each of the respective Bond Insurers had and has standing to bring and resolve the UTGO Litigation related to the Prior UTGO Bonds that it insures (Assured and NPFG represent that each had and has standing to bring and resolve the Assured/NPFG Action, and Ambac represents that it had and has standing to bring and resolve the Ambac Action).

Section 5.3. Mutual Representations and Warranties. Unless otherwise noted, each Party makes the following representations, warranties and covenants (on a several basis, with respect to such Party only) to each of the other Parties:

(a) Each person signing this Agreement warrants that he or she is legally competent and authorized to execute this Agreement on behalf of the Party whose name is subscribed at or above such person's signature.

(b) The Parties have not made any statement or representation to each other regarding any facts relied upon by them in entering into this Agreement, and each of them specifically does not rely upon any statement, representation or promise of the other Parties hereto or any other person in entering into this Agreement, except as expressly stated herein or in the exhibits hereto. Each party has relied upon its own investigation and analysis of the facts and not on any statement or representation made by any other party in choosing to enter into this Agreement and the transactions contemplated herein.

If this

Agreement is terminated, then no Party hereto may (i) use this Agreement, any of its terms or any discussions or negotiations conducted in respect of this Agreement, or any part of the foregoing, in the UTGO Litigation; (ii) seek discovery with respect to any of the matters described in subsection (i) in the UTGO Litigation; or (iii) seek to admit any of the matters described in subsection (i) into evidence in the UTGO Litigation.

## ARTICLE VIII MISCELLANEOUS

Section 8.1. Amendments. This Agreement may not be modified, amended or supplemented except by a written agreement executed by each Party to be affected by such modification, amendment or supplement.

Section 8.2. No Admission of Liability.

(a) The execution of this Agreement is not intended to be, nor shall it be construed as, an admission or evidence in any pending or subsequent suit, action, proceeding or dispute of any liability, wrongdoing, or obligation whatsoever (including as to the merits of any claim or defense) by any Party to any other Party or any other person with respect to any of the matters addressed in this Agreement.

(b) None of this Agreement (including, without limitation, the recitals and exhibits hereto), the settlement or any act performed or document executed pursuant to or in furtherance of this Agreement or the settlement: (i) is or may be deemed to be or may be used as an admission or evidence of the validity of any claim or of any wrongdoing or liability of any Party; or (ii) is or may be deemed to be or may be used as an admission or evidence of any liability, fault or omission of any Party in any civil, criminal or administrative proceeding in any court, administrative agency or other tribunal. Section 8.3. Good Faith Negotiations. The Parties recognize and acknowledge that each of the Parties hereto is represented by counsel, and such Party received independent legal advice with respect to the advisability of entering into this Agreement. Each of the Parties acknowledges that the negotiations leading up to this Agreement were conducted regularly and at arm's length; this Agreement is made and executed by and of each Party's own free will; that each knows all of the relevant facts and his or its rights in connection therewith, and that he or it has not been improperly influenced or induced to make this settlement as a result of any act or action on the part of any party or employee, agent, attorney or representative of any party to this

Agreement. The Parties further acknowledge that they entered into this Agreement because of their desire to avoid the further expense and inconvenience of litigation and other disputes, and to compromise permanently and settle the claims between the Parties settled by the execution of this Agreement.

Nothing in this Agreement, express or implied, is intended or shall be construed to confer upon, or to give to, any Person other than the Parties hereto and their respective successors and assigns, any right, remedy or claim under or by reason of this Agreement or any covenant, condition or stipulation thereof; and the covenants, stipulations and agreements contained in this Agreement are and shall be for the sole and exclusive benefit of the Parties hereto and their respective successors and assigns.

Section 8.6. Governing Law; Retention of Jurisdiction; Service of Process. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Michigan, without giving effect to any principles of conflicts of law and applicable federal law. By its execution and delivery of this Agreement, each of the Parties hereby irrevocably and unconditionally agrees for itself that any legal action, suit or proceeding between any or all of the foregoing with respect to any matter under or arising out of or in connection with this Agreement or for recognition or enforcement of any judgment rendered in any such action, suit or proceeding, shall be brought in the Bankruptcy Court for that purpose only, and, by execution and delivery of this Agreement, each hereby irrevocably accepts and submits itself to the jurisdiction of such court, generally and unconditionally, with respect to any such action, suit or proceeding. In the event any such action, suit or proceeding is commenced, the Parties hereby agree and consent that service of process may be made, and personal jurisdiction over any Party hereto in any such action, suit or proceeding may be obtained, by service of a copy of the summons, complaint and other pleadings required to commence such action, suit or proceeding upon the Party at the address of such Party set forth in Section 8.11 hereof, unless another address has been designated by such Party in a notice given to the other Parties in accordance with Section 8.11 hereof. The City agrees that the Bankruptcy Court will have exclusive post-confirmation authority and power to enforce this Agreement and all Settlement-Related Documents and to hear and adjudicate any challenge, action, suit or proceeding brought by any third party challenging the validity or enforceability of any provision of this Agreement, until all UTGO Bonds have been paid in full and all Plan Instruments are no longer outstanding. The agreements, representations, covenants and obligations of the Parties under this Agreement are several only and not joint in any respect and none shall be responsible for the performance or breach of this Agreement by another.

Section 8.9. Entire Agreement. This Agreement shall constitute the full and entire agreement among the Parties with regard to the subject hereof, and supersedes all prior negotiations, representations, promises or warranties (oral or otherwise) made by any Party with respect to the subject matter hereof. No Party has entered into this Agreement in reliance on any other Party's prior representation, promise or warranty (oral or otherwise) except for those that may be expressly set forth in this Agreement.

Section 204. Allocation and Deposit. (a) Each Fiscal Year, commencing with the Effective Date and for as long as any UTGO Bonds remain outstanding, within one (1) Business Day of receipt by the Escrow Trustee of each Debt Millage Deposit, the Escrow Trustee shall set aside in the UTGO Debt Millage Fund each Debt Millage Deposit received, and make transfers from the UTGO Debt Millage Fund, as follows:

1. FIRST, a percentage of each Debt Millage Deposit received shall be allocated and set aside in each of the 2010A UTGO Account, the 2014 UTGO Bonds Account and any Additional Bonds Account that corresponds to the percentage that the Debt Service Requirement payable on the related series of UTGO Bonds as shown on Exhibit D bears to the Debt Service Requirement payable (or past due) on all UTGO Bonds on or before May 1 of each Fiscal Year until the sum of the aggregate Debt Millage Deposits (when taken together with any investment earnings on deposit) equals the Debt Service Requirement on all UTGO Bonds for such Fiscal Year. Once the Debt Service Requirement has been satisfied for all UTGO Bonds for payments due on or before May 1 of each Fiscal Year, any excess shall be allocated to the same accounts in

proportion to the Debt Service Requirements payable on such UTGO Bonds in the next Fiscal Year.

2. SECOND, the Escrow Trustee shall allocate deposits made to the 2014 UTGO Bonds Account (i) first to the 2014 Municipal Obligation Subaccount until the Debt Service Requirement payable (or past due) on the Municipal Obligation as shown on Exhibit D on or before April 1 of the then current Fiscal Year has been satisfied and (ii) second, to the Stub UTGO Bonds Subaccount until the Debt Service Requirement payable (or past due) on the Stub UTGO Bonds on or before April 1 of the then current Fiscal Year has been satisfied. 3. THIRD, within three Business Days after a deposit is made to any account or subaccount in the UTGO Debt Millage Fund the Escrow Trustee shall transfer the funds in such account or subaccount as follows:

(d) Funds on deposit in the Additional Bonds Account shall be transferred to the paying agent or trustee for the related series of Additional Bonds.

(b) The Escrow Trustee shall keep and maintain a ledger on its books and records showing each Debt Millage Deposit into the Debt Millage Fund of the UTGO Debt Millage Fund, all transfers of funds from one account to another or from the UTGO Debt Millage Fund to the Master Trustee or the Income Stabilization Funds or the paying agent or trustee for any Additional Bonds, which ledger shall be substantially in the form attached hereto as Exhibit D-2 (the "Set Aside Ledger"). ### DETERMINATIONS

Section 201. Finding, and Declaration of Need to Issue Bonds; Authorized Denominations. (a) The Emergency Manager hereby finds and declares that it is necessary for the City to restructure and refund (under applicable state law) \$287,560,790 of the Prior UTGO Bonds which mature on or after April 1, 2015, by restructuring them as Restructured UTGO Bonds to be transferred to the MFA and in such form issuing them in the principal amounts as

shown on Exhibit B as Municipal Obligations, in Authorized Denominations and leaving \$43,349,210 of the Prior UTGO Bonds remaining outstanding as Stub UTGO Bonds in Authorized Denominations as shown on Exhibit C, pursuant to and in accordance with the provisions of Act 34 and Act 279, for the purpose of satisfying the Class 8 claims as required by the Plan of Adjustment. The MFA Bonds will, in the aggregate, mature or be subject to mandatory redemption and optional redemption in the same principal amounts per maturity, and bear interest at the same interest rates as the Restructured UTGO Bonds.

(b) On the Effective Date, that portion of the Aggregate UTGO Tax Levy designated to pay the principal of and interest on the Stub UTGO Bonds (but subject to the prior rights of the holders of the Municipal Obligation) (the "Assigned UTGO Bond Tax Proceeds") shall be assigned by the Plan of Adjustment (without any further consent or action on the part of, or additional consideration payable to, the Bond Insurers, the Dissenting Bond Insurer or the holders of the Stub UTGO Bonds) to the Plan Assignees, and such proceeds shall not be paid to the paying agent for the UTGO Bonds, but shall be paid to the Plan Assignees directly by the Debt Millage Escrow Trustee.

Section 202. Declaration of Borrowing. The City shall issue the Bonds as hereinafter provided and as finally confirmed by the Authorized Officer in the Supplemental Order, secured by the unlimited tax full faith, credit and resources of the City which will be payable from ad valorem taxes levied on all taxable property within the City without limitation as to rate or amount, for the purposes stated herein.

### ARTICLE III

#### AUTHORIZATION, REDEMPTION AND ASSIGNMENT OF THE BONDS

Section 301. Authorization of Bonds and Pledge. (a) The City hereby authorizes the issuance of the Bonds in such series and in such principal amounts as shall be confirmed in the Supplemental Order. The Bonds shall be payable from and secured, to the extent permitted by applicable law, including, without limitation, Section 12(1)(x) of Act 436, by a lien on the Debt Millage Revenues derived from an annual levy of ad valorem taxes on all taxable property in the City without limitation as to rate or amount. Pursuant to authorization provided in Act 227, the City hereby pledges as additional security for the payment of principal of and interest on the Bonds, Distributable Aid payments that the City is eligible to receive on a fourth lien basis subordinate to the pledge thereof for the payment of the Prior DSA Bonds. The Finance Director is hereby authorized and directed to negotiate, approve and execute the Fifth Supplemental Indenture for and on behalf of the City with U.S. Bank National Association, Detroit, Michigan, as Master Trustee, to provide for a fourth lien pledge of Distributable Aid to secure payment of the Bonds. Nothing in this Order shall restrict or be construed as restricting the City's ability to make additional pledges or assignments of Distributable Aid as security for current or future bonds or obligations of the City, subject to the requirements for the issuance of additional bonds and obligations set forth in the Master Indenture.

(b) The Debt Millage Revenues as pledged by the City to secure payment of the Bonds, shall constitute "special revenues," as defined in Section 902 of the Bankruptcy Code and "pledged special revenues," as the term is used in Section 922(d) of the Bankruptcy Code.

Section 302. Designations, Dates, Interest Rates, Maturities, Redemption and Other Terms of the Bonds and Stub UTGO Bonds.

(a) The Bonds shall be designated as “DISTRIBUTABLE STATE AID FOURTH LIEN RESTRUCTURED BONDS (UNLIMITED TAX GENERAL OBLIGATION), SERIES 2014 and may bear such later or earlier dates and additional or alternative designations as the Authorized Officer may determine in the Supplemental Order, shall be issued in fully registered form and shall be consecutively numbered from “R-1” upwards, respectively unless otherwise provided by the Authorized officer in the Supplemental Order. The Bonds shall be dated and issued in Denominations all as determined by the Authorized Officer and confirmed by the Authorized Officer in the Supplemental Order.

(b) The Bonds shall be issued in multiple separate series, each one corresponding to the related series of the Prior UTGO Bonds listed on Exhibit A hereto. Each separate series of the Municipal Obligations shall be issued in a principal amount equal to 86.9% of the outstanding principal amount of each maturity of the related series of Prior UTGO Bonds in Authorized Denominations as provided in Section 201(a). Each series of Municipal Obligations shall be further subdivided into two subseries, with one subseries equal to 84.5% of the outstanding principal amount of each maturity of the related series of Prior UTGO Bonds, in Authorized Denominations, and the second subseries equal to 2.4% of the outstanding principal amount of each maturity of the related series of Prior UTGO Bonds, in Authorized Denominations.

(c) The Bonds and the Stub UTGO Bonds shall bear interest from \_\_\_\_\_, 201\_, at the same interest rate per annum as the related Prior UTGO Bonds; be subject to amortization on the same schedule as the related Prior UTGO Bonds; mature on the same dates; and be subject to redemption in the same manner as the related Prior UTGO Bonds. Unless otherwise provided by the Authorized Officer in the Supplemental Order, interest on the Bonds shall be calculated on the basis of a 360 day year consisting of twelve, 30 day months. In the event that a calculation of interest is not an integral multiple of \$0.01, the Paying Agent shall round all amounts less than or equal to \$0.0049 down to the nearest \$0.01 and round all amounts greater than \$.0049 up to the nearest \$0.01. The Bonds shall be payable, as to principal and interest, in lawful money of the United States of America.

(d) On or after the Effective Date, the Municipal Obligations shall be delivered to the MFA in consideration for bonds to be issued by the MFA (the “MFA Bonds”) and the following additional provisions shall apply:

(1) Each subseries of Municipal Obligations shall be in the form of a single fully-registered, nonconvertible bond in the denomination of the full principal amount thereof, dated as of the date of delivery of the Municipal Obligations, payable in principal installments serially shown on Exhibit B and approved by the MFA and the Authorized Officer. The obligation to deliver the Municipal Obligations to the MFA shall be evidenced by execution of a Purchase Contract (the “Purchase Contract”) between the City and the MFA providing for the transfer of the Municipal Obligations to the MFA in consideration for the MFA Bonds, and an Authorized Officer is authorized and directed to execute and deliver the Purchase Contract when it is in final form and to make the

determinations set forth above. An Authorized Officer is authorized and directed to approve of a series designation with respect to each series of Municipal Obligations.

(2) Each subseries of the Municipal Obligations shall not be convertible or exchangeable into more than one fully-registered bond. Principal of and interest on the Municipal Obligations shall be payable as provided in the Bond form in this Order as the same may be amended to conform to MFA requirements.

(3) The Master Trustee shall record on the registration books payment by the City of each installment of principal or interest or both when made and the cancelled checks or other records evidencing such payments shall be returned to and retained by the City Treasurer.

(4) Upon payment by the City of all outstanding principal of and interest on a Municipal Obligation, the MFA shall deliver the respective Municipal Obligation to the City for cancellation.

(e) Concurrently with the restructuring of a portion of the Prior UTGO Bonds and issuance of the MFA Bonds, the Stub UTGO Bonds, in Authorized Denominations as provided in Section 201(a), will be reinstated and remain Outstanding and will be payable from the UTGO Bond Tax Levy, provided that the Assigned UTGO Bond Tax Proceeds as assigned by the Plan of Adjustment shall be paid by the Debt Millage Escrow Trustee to the Plan Assignees and such proceeds shall not be paid to the paying agent for the Stub UTGO Bonds.

Section 303. Execution, Authentication and Delivery of Bonds. The Bonds shall be executed in the name of the City by the manual or facsimile signatures of the Mayor and the Finance Director and authenticated by the manual signature of the Finance Director, and the seal of the City (or a facsimile thereof) shall be impressed or imprinted on the Bonds. After the Bonds have been executed and authenticated for delivery, they shall be delivered by the Finance Director to the MFA in consideration for the issuance of the MFA Bonds.

Section 304. Authentication of the Bonds. Anything in this Order to the contrary notwithstanding, the Bonds bearing the manual or facsimile signatures of the Mayor and the Finance Director shall require no further authorization.

Section 305. The MFA's Depository. Notwithstanding any other provision herein to the contrary, as long as the MFA is the owner of the Bonds, the Bonds are payable as to principal, premium, if any, and interest at the corporate trust office of \_\_\_\_\_, \_\_\_\_\_, Michigan, or such other qualified bank or financial institution as shall be designated in writing to the City by the MFA (the "Authority's Depository"). The City will deposit, or cause the Master Trustee, to deposit with the MFA's Depository payments of the principal of, premium, if any, and interest on the Bonds in immediately available funds at least five business days prior to the date on which any such payment is due whether by maturity, redemption or otherwise. Written notice of any redemption of the Bonds shall be given by the City and received by the MFA's Depository at least 40 days prior to the date on which such redemption is to be made.

Section 306. Mutilated, Destroyed, Stolen or Lost Bonds. (a) Subject to the provisions of Act 354, Public Acts of Michigan, 1972, as amended and any other applicable law, if (i) any mutilated Bond is surrendered to the City, and the City receives evidence to its satisfaction of the destruction, loss or theft of any Bond and (ii) there is delivered to the City such security or indemnity as may be required by it to save the City harmless, then, in the absence of notice to the City that such Bond has been acquired by a bona fide purchaser, the City shall execute and deliver in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Bond, a new Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding.

(b) If any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the City in its discretion may, instead of issuing a new Bond, pay such Bond.

(c) Any new Bond issued pursuant to this Section in substitution for a Bond alleged to be mutilated, destroyed, stolen or lost shall constitute an original additional contractual obligation on the part of the City, and shall be equally secured by and entitled to equal proportionate benefits with all other Bonds of like tenor issued under this Order.

Section 307. Form of the Bonds. The Bonds shall be in substantially the following form with such insertions, omissions, substitutions and other variations as shall not be inconsistent with this Order or required by the Michigan Attorney General and the MFA or permitted by the Supplemental Order or as approved by an Authorized Officer and Bond Counsel:

[Form of Bond]

United States of America  
State of Michigan  
County of Wayne

CITY OF DETROIT  
DISTRIBUTABLE STATE AID FOURTH LIEN RESTRUCTURED BOND  
(UNLIMITED TAX GENERAL OBLIGATION), SERIES 2014\_\_

REGISTERED OWNER: Michigan Finance Authority

PRINCIPAL AMOUNT: \_\_\_\_\_ Dollars (\$\_\_\_\_,000)

DATE OF ORIGINAL ISSUE: \_\_\_\_\_, 2014

The CITY OF DETROIT, County of Wayne, State of Michigan (the "City"), for value received, hereby promises to pay to the Michigan Finance Authority (the "Authority"), or registered assigns, the Principal Amount shown above, in lawful money of the United States of America, unless prepaid prior thereto as hereinafter provided. Capitalized terms used herein, but not defined herein, shall have the meanings ascribed to them in the Order, as hereinafter defined.

The Principal Amount shall be payable on the dates and in the annual principal installment amounts set forth in Schedule A attached hereto and made a part hereof, or if a portion of the Principal Amount is prepaid as provided below, with interest on said principal installments from the [Date of Original Issue] shown above, until paid at the rate [of interest as set forth on the attached schedule] [of \_\_\_\_\_ percent (\_\_\_\_%) per annum]. Interest is first payable on \_\_\_\_\_ 1, 20\_\_, and semiannually thereafter on the first day of \_\_\_\_\_ and \_\_\_\_\_ of each year, as set forth in the Purchase Contract.

Notwithstanding any other provision of this bond, as long as the MFA is the owner of this bond, (a) this bond is payable as to principal, premium, if any, and interest at the corporate trust office of \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, or at such other place as shall be designated in writing to the City by the MFA (the "Authority's Depository"); (b) the City agrees that it will cause the Master Trustee to deposit with the MFA's Depository payments of the principal of, premium, if any, and interest on this bond in immediately available funds at least five business days prior to the date on which any such payment is due whether by maturity, redemption or otherwise; and (c) written notice of any redemption of this bond shall be given by the City and received by the MFA's Depository at least 40 days prior to the date on which such redemption is to be made.

Additional Interest

[In the event of a default in the payment of principal or interest hereon when due, whether at maturity, by redemption or otherwise, the amount of such default shall bear interest

(the "additional interest") at a rate equal to the rate of interest which is two percent above the MFA's cost of providing funds (as determined by the MFA) to make payment on the bonds of the MFA issued to provide funds to purchase this bond but in no event in excess of the maximum rate of interest permitted by law. The additional interest shall continue to accrue until the MFA has been fully reimbursed for all costs incurred by the MFA (as determined by the MFA) as a consequence of the City's default. Such additional interest shall be payable on the interest payment date following demand of the MFA. In the event that (for reasons other than the default in the payment of any municipal obligation purchased by the MFA) the investment of amounts in the reserve account established by the MFA for the bonds of the MFA issued to provide funds to purchase this bond fails to provide sufficient available funds (together with any other funds which may be made available for such purpose) to pay the interest on outstanding bonds of the MFA issued to fund such account, the City shall and hereby agrees to pay on demand only the City's pro rata share (as determined by the MFA) of such deficiency as additional interest on this bond.]

This bond is a single, fully-registered, non-convertible bond in the principal sum of \$\_\_\_\_,000, issued pursuant to and in accordance with Act 34, Public Acts of Michigan, 2001, as amended, and Act 279, Public Acts of Michigan, 1909, as amended, Act 227, Public Acts of Michigan, 1985, as amended ("Act 227") and pursuant to and in accordance with an Order duly adopted by the Emergency Manager of the City on \_\_\_\_\_, \_\_\_\_ [and a Supplemental Order of the Authorized Officer of the City issued on \_\_\_\_\_, \_\_\_\_ (together,] the "Order"). The Bonds are issued for the purpose of restructuring certain unlimited tax general obligation bonds of the City as described in the Order, pursuant to the City's Plan of Adjustment under the Bankruptcy Case.

[Optional and/or Mandatory Redemption Provisions]

This Bond is payable out of the City's Debt Retirement Fund for this issue (which will be held by the Master Trustee), and the City is obligated to levy annually sufficient taxes to provide for the payment of the principal of and interest on the bonds of this issue as they mature on all taxable property in the City without limitation as to rate or amount (the revenues of such levy, the "Debt Millage Revenues").

The Bonds shall be payable from and secured, to the extent permitted by applicable law, including without limitation, Section 12(1)(x) of Act 436, by a lien on the Debt Millage Revenues.

The Debt Millage Revenues as pledged by the City to secure payment of the Bonds, shall constitute "special revenues," as defined in Section 902 of the Bankruptcy Code and "pledged special revenues," as the term is used in Section 922(d) of the Bankruptcy Code.

As additional security for the City's obligation to pay the Bonds, pursuant to Act 227 the City has pledged the payments that the City is eligible to receive from the State of Michigan under Act 140, Public Acts of Michigan, 1971, as amended ("Distributable Aid"), and certain monies in the funds and accounts established by the City with U.S. Bank National Association, as master trustee (the "Trustee"), pursuant to the terms and conditions of a Master Debt Retirement Trust Indenture dated as of March 1, 2010, as supplemented, by (i) the First Supplemental Debt Retirement Trust Indenture dated as of March 1, 2010; (ii) the Second

Supplemental Debt Retirement Trust Indenture dated as of December 1, 2010; (iii) the Third Supplemental Debt Retirement Trust Indenture dated as of March 1, 2012; (iv) the Fourth Supplemental Debt Retirement Trust Indenture dated as of August 1, 2012; and (v) the Fifth Supplemental Debt Retirement Trust Indenture, dated as of \_\_\_\_\_, 2014, by and between the City and the Master Trustee (collectively, the "Trust Indenture"). The pledge and lien on Distributable Aid securing the Bonds is on a fourth lien basis to a lien on Distributable Aid securing the City's outstanding Prior DSA Bonds. The City has reserved the right to make additional pledges or assignments of Distributable Aid on a prior, parity or subordinate basis with the pledge of Distributable Aid securing the Prior DSA Bonds and the Bonds as security for future bonds or obligations of the City, subject to the requirements for the issuance of additional bonds and obligations as provided in the Trust Indenture.

This bond is transferable only upon the registration books of the City by the registered owner of record in person, or by the registered owner's attorney duly authorized in writing, upon the surrender of this bond together with a written instrument of transfer satisfactory to the City duly executed by the registered owner or the registered owner's attorney duly authorized in writing, and thereupon a new registered bond or bonds in the same aggregate principal amount and of the same maturity shall be issued to the transferee in exchange therefor as provided in the resolution authorizing this bond and upon the payment of the charges, if any, therein prescribed.

It is hereby certified and recited that all acts, conditions and things required by law to be done, precedent to and in the issuance of this bond and the series of bonds of which this is one, exist and have been done and performed in regular and due form and time as required by law, and that the total indebtedness of the City, including this bond and the series of bonds of which this is one, does not exceed any constitutional, statutory or charter debt limitation.

IN WITNESS WHEREOF, the City of Detroit by authority of its Mayor, has caused this bond to be signed for and on its behalf and in its name by the manual or facsimile signature of the Mayor of the City and the manual or facsimile signature of its Finance Director and the official seal of the City to be impressed hereon, all as of the Date of Original Issue.

### SPECIAL COVENANTS

Section 401. Tax Exemption Covenant for Tax-Exempt Bonds. The City covenants that it will not take any action, or fail to take any action required to be taken, if taking such action or failing to take such action would adversely affect the general exclusion from gross income of interest on any Tax-Exempt Bonds, from federal income taxation under the Code.

Section 402. Arbitrage Covenant. (a) The City will not directly or indirectly (1) use or permit the use of any proceeds of any Tax-Exempt Bonds or other funds of the City or (2) take or omit to take any action required by Section 148(a) of the Code in order to maintain the exclusion from gross income of the interest on any Tax-Exempt Bonds for federal income tax purposes. To that end, the City will comply with all requirements of Section 148 of the Code to the extent applicable to the Tax-Exempt Bonds and the requirements set forth in the Non-Arbitrage and Tax Compliance Certificate of the City.

(b) Without limiting the generality of subsection (a), above, the City agrees that there shall be paid by the City from time to time all amounts, if any, required to be rebated to the United States pursuant to Section 148(f) of the Code. This covenant shall survive payment in full or defeasance of the Tax-Exempt Bonds.

(c) Notwithstanding any provision of this Section, if the City obtains an opinion of Bond Counsel to the effect that any action required under this Section is no longer required, or that some further action is required, to maintain the exclusion from gross income of the interest of any Tax-Exempt Bonds for federal income tax purposes pursuant to Section 103 of the Code, the City may conclusively rely on such opinion in complying with the provisions hereof.

## ARTICLE V

Section 906. Negotiated Transaction. (a) Pursuant to Section 309(1) of Act 34 the Emergency Manager determines to negotiate the delivery of the Bonds to the MFA in consideration for the transfer by the City to the MFA of the Bonds, as provided in the Purchase Contract approved by the Finance Director within the parameters established hereby, and confirmed by the Finance Director in the Supplemental Order. The reason for choosing a negotiated transaction instead of a competitive sale is that the terms of the Plan of Adjustment and the UTGO Settlement Agreement require the City to secure the payment of the Bonds with Distributable Aid under the terms of Act 227 which may only be accomplished by a delivery of the Bonds to the MFA. The negotiated transaction will allow the Municipal Obligations to be transferred to the MFA in consideration for the MFA Bonds to successfully implement a portion of the Plan of Adjustment.

(b) Subject to the foregoing, the Purchase Contract shall be dated the date of delivery of the Bonds. The Finance Director is hereby authorized and directed to execute the Purchase Contract for and on behalf of the City.

Section 907. Delivery of Bonds. Subject to the approval of the Supplemental Order, the Finance Director is hereby authorized to deliver the Municipal Obligations to the MFA upon the issuance and delivery of the MFA Bonds in consideration therefor.

Section 908. Official Statement. The Finance Director is hereby authorized to execute the Official Statement or other offering materials with respect to the Bonds in the form approved by him with such changes as the Finance Director may authorize. Circulation of the Preliminary Official Statement, if any, or other preliminary offering materials is hereby approved.

Section 909. Appointment of Bond Counsel; Engagement of Other Parties. The appointment by the Emergency Manager of the law firm of Miller, Canfield, Paddock and Stone, P.L.C. of Detroit, Michigan, as Bond Counsel for the Bonds is hereby ratified and confirmed, notwithstanding the periodic representation by Miller, Canfield, Paddock and Stone, P.L.C., in unrelated matters of other parties and potential parties to the issuance of the Bonds. The fees and expenses of Miller, Canfield, Paddock and Stone, P.L.C. as Bond Counsel and other accumulated bond related fees and expenses shall be payable as a cost of issuance from available funds in accordance with the agreement of such firm on file with the Emergency Manager.

Section 910. Parties in Interest. Nothing in this Order, expressed or implied, is intended or shall be construed to confer upon, or to give to, any person or entity, other than the City, the Master Trustee, the MFA, the holders of the Bonds, the holders of the MFA Bonds, the Bond Insurers, and the Dissenting Bond Insurer any right, remedy or claim under or by reason of this Order or any covenant, condition or stipulation hereof, and all covenants, stipulations, promises and agreements in this Order contained by and on behalf of the City, or the MFA shall be for the sole and exclusive benefit of the City and the MFA.

Section 911. No Recourse Under Order. All covenants, agreements and obligations of the City contained in this Order shall be deemed to be the covenants, agreements and obligations of the City and not of any councilperson, member, officer or employee of the City in his or her individual capacity, and no recourse shall be had for the payment of the principal of or interest on the Bonds or for any claim based thereon or on this Order against any councilperson, member,

officer or employee of the City or any person executing the Bonds in his or her official individual capacity.

Section 912. Severability. If any one or more sections, clauses or provisions of this Order shall be determined by a court of competent jurisdiction to be invalid or ineffective for any reason, such determination shall in no way affect the validity and effectiveness of the remaining sections, clauses and provisions hereof.

Section 913. Cover Page, Table of Contents and Article and Section Headings. The cover page, table of contents and Article and Section headings hereof are solely for convenience of reference and do not constitute a part of this Order, and none of them shall affect its meaning, construction or effect.

Section 914. Conflict. All resolutions or parts of resolutions or other proceedings of the City in conflict herewith shall be and the same hereby are repealed insofar as such conflict exists.

Section 915. Governing Law and Jurisdiction. This Order shall be governed by and construed in accordance with the laws of the State.

Section 916. Order and Supplemental Order are a Contract. The provisions of this Order and the Supplemental Order shall constitute a contract among the City, the MFA, the holders of the Bonds and the Bond Insurers.

Section 917. Effective Date. This Order shall take effect immediately upon its adoption by the Council.

Section 918. Notices. All notices and other communications hereunder shall be in writing and given by United States certified or registered mail, expedited courier overnight delivery service or by other means (including facsimile transmission) that provides a written record of such notice and its receipt. ## SETTLEMENT ESCROW AGREEMENT

THIS SETTLEMENT ESCROW AGREEMENT (the "Agreement" or "Settlement Escrow Agreement"), is dated as of the \_\_\_\_ day of \_\_\_\_\_, 2014, made by and among the City of Detroit, County of Wayne, State of Michigan (the "City"), Ambac Assurance Corporation ("Ambac"), Assured Guaranty Municipal Corp. and Assured Guaranty Corp. (together, "Assured"), and National Public Finance Guarantee Corporation ("NPFG"), and U. S. Bank National Association, Detroit, Michigan (in such capacity, the "Settlement Escrow Trustee"). In this Agreement, each of the City, Ambac, Assured, NPFG and the Settlement Escrow Trustee is referred to individually as a "Party"; Ambac, Assured, and NPFG (including their successors and assigns) are referred to collectively as the "Bond Insurers"; and the City, the Settlement Escrow Trustee and the Bond Insurers are referred to collectively as the "Parties."

Capitalized terms not otherwise defined herein shall have the meaning set forth in the UTGO Settlement Agreement (defined herein).

### WITNESSETH:

WHEREAS, the City and the Bond Insurers have heretofore entered into a Settlement Agreement, dated XX (the "UTGO Settlement Agreement") to consensually resolve their dispute under or in respect of the Prior UTGO Bonds, the Assured/NPFG Action, the AMBAC Action as it relates to the Prior UTGO Bonds, and the UTGO Claims, all arising out of a petition for relief filed by the City pursuant to Chapter 9 of title 11 of the United States Code in the United States Bankruptcy Court for the Eastern District of Michigan;

WHEREAS, if the Effective Date of the Plan does not occur on or prior to September 30, 2014, for any reason other than proximately by reason of the actions or positions taken by any of the Bond Insurers, or their failure to support the Plan as described in Section 3.1 of the UTGO Settlement Agreement, solely in their capacity as the insurers of the Prior UTGO Bonds and not in any other capacity (including, for the avoidance of doubt in their capacity as insurers of any other obligations of the City), the City will be obligated to pay into an escrow to be established with the Settlement Escrow Trustee under this Agreement the October 2014 scheduled interest debt service payment that would otherwise be made on the Restructured UTGO Bonds as if the transaction contemplated by the UTGO Settlement Agreement (other than the MFA Bond issuance) had closed (the "Pro Forma Restructured UTGO Bonds"), and any pro rata payments of principal and interest due thereafter, as further described in Section 2.8 of the UTGO Settlement Agreement and herein;

WHEREAS, the City has executed the Debt Millage Escrow Agreement pursuant to which the City will be required, as of the Effective Date, to segregate and deposit the UTGO Tax Levy with the Debt Millage Escrow Trustee;

NOW, THEREFORE, in consideration of the mutual undertakings, provisions and agreements herein contained, the sufficiency of which are hereby acknowledged, and in order to provide for the payment of the Pro Forma Restructured UTGO Bonds should the Effective Date

not occur on or prior to September 30, 2014, and to secure the performance and observance of the conditions and covenants herein set forth and for other valuable consideration, the receipt of which is hereby acknowledged, the City covenants and agrees with the Settlement Escrow Trustee and the Bond Insurers as follows:

**ARTICLE I.**  
**ESTABLISHMENT OF FUNDS AND ACCOUNTS**

Section 101 Establishment of Settlement Escrow Fund. There is hereby created and established with the Settlement Escrow Trustee, pursuant to Order No. \_\_\_\_ and this Agreement, a single and common trust fund designated the "Settlement Escrow Fund" (the "**Settlement Escrow Fund**").

Section 102 Deposits to the Settlement Escrow Fund.

(a) If the Effective Date of the Plan does not occur on or prior to September 30, 2014 for any reason other than proximately by reason of the actions or positions taken by any of the Bond Insurers, or their failure to support the Plan as described in Section 3.1 of the UTGO Settlement Agreement, solely in their capacity as the insurers of the Prior UTGO Bonds and not in any other capacity (including, for the avoidance of doubt in their capacity as insurers of any other obligations of the City), the City shall pay the Settlement Escrow Trustee, from Debt Millage Revenues, for deposit into the Settlement Escrow Fund the October 2014 scheduled interest debt service payment with respect to the Pro Forma Restructured UTGO Bonds, as shown on Exhibit A, and any pro rata payments of principal and interest due thereafter, as shown on Exhibit A, as if the transaction contemplated by the UTGO Settlement Agreement (other than the MFA Bond issuance) had closed. Any such monies in the Settlement Escrow Fund which would have been payable on October 1, 2014 shall be released to the Bond Insurers on the Effective Date of the Plan. Any other monies then on deposit in the Settlement Escrow Fund shall be transferred on the Effective Date to the Debt Millage Escrow Trustee for deposit in the 2014 UTGO Municipal Obligation Subaccount in the 2014 UTGO Bonds Account established pursuant to the Debt Millage Escrow Agreement.

(b) If the Plan is not effective by March 31, 2015, and the Bankruptcy Court has issued an Approval Order (that is not stayed pending appeal) approving the settlement embodied in the UTGO Settlement Agreement, the monies in the Settlement Escrow Fund will be released and paid to the Bond Insurers in the amounts shown in Exhibit A for each prior interest payment date and the City shall make, or shall cause the Debt Millage Escrow Trustee to make, all subsequent debt service payments on each interest date payment (as shown on Exhibit A) directly to the paying agent for the Prior UTGO Bonds. If an Approval Order is entered but is subject to a stay pending appeal, the City shall continue to pay into the Settlement Escrow Fund the scheduled debt service on the Pro Forma Restructured UTGO Bonds as shown on Exhibit A for so long as such stay remains in effect, and, as soon as such order is no longer subject to stay, shall thereafter apply all monies in the Settlement Escrow Fund first, to immediately reimburse the Bond Insurers for payments of principal and interest made on and after October 1, 2014 with respect to the Prior UTGO Bonds, and thereafter to make payments directly to the Paying Agent for the UTGO Bonds.

(c) Notwithstanding the foregoing, if any Bond Insurer shall have defaulted in its obligation to make payments under its respective Bond Insurance Policy or Policies, any payment required to be made to such Bond Insurer shall be made to the holders of the Prior UTGOs at the direction of the City but only to the extent of any uncured failure or shortfall in the Bond Insurer's payment.

Section 103 Partial Payments; Accounting.

(a) If on any interest payment date amounts held in the Settlement Escrow Fund are less than the amounts due with respect to all Pro Forma Restructured UTGO Bonds (as shown on Exhibit A), such payments shall distributed pro rata based upon the aggregate amount payable to each Bond Insurer. If the City fails to deposit into the Settlement Escrow Fund, or to otherwise pay to the Bond Insurers or holders of the Prior UTGO the amounts required by this Agreement, any deficiencies shall be paid into the Settlement Escrow Fund from the first available amounts of the Aggregate UTGO Tax Levy as provided for in Section 2.4(b)(i) of the UTGO Settlement Agreement, and shall be distributed to, or at the direction of the Bond Insurers, pro rata, as soon as practicable (subject to Section 102(b)) hereof.

(b) The Settlement Escrow Trustee shall keep and maintain a record showing each deposit into the Settlement Escrow Fund, and all transfers of funds made therefrom, which shall be provided to any Bond Insurer upon request.

(c) Any payment to a Bond Insurer shall be paid by wire transfer in immediately available funds into the accounts as shown in Section 501.

**ARTICLE II.**  
**INVESTMENT OF FUNDS**

Section 201 Permitted Investments. All money held by the Settlement Escrow Fund, without the need for further direction by the City, shall be invested by the Settlement Escrow Trustee in accordance with written instructions from the City in mutual funds registered under the investment company act of 1940, title I of chapter 686, 54 Stat. 789, 15 USC 80a-1 to 80a-3 and 80a-4 to 80a-64, that are at the time of purchase within the highest classification established by not less than two standard rating services and so long as the portfolio of such mutual funds is limited to bonds, and other obligations on which the full and timely payment of principal and interest is unconditionally guaranteed by the full faith and credit of the United States. All investments shall mature or be redeemable at the option of the holder no later than the next interest payment date on the Pro Forma Restructured UTGO Bonds. In the absence of any written direction delivered to the Settlement Escrow Trustee by the City, the Settlement Escrow Trustee shall hold funds uninvested. The Settlement Escrow Trustee shall be entitled to rely on any written direction from the City as to the suitability and legality of the directed investment.

**ARTICLE III.**  
**THE SETTLEMENT ESCROW TRUSTEE**

Section 301 Powers and Duties of Settlement Escrow Trustee. (a) The Settlement Escrow Trustee may execute any of the trusts or powers hereof and perform any of its duties by or through attorneys, agents, receivers or employees, and shall be entitled to act upon the opinion or advice of its counsel concerning all matters hereof, and may in all cases be reimbursed hereunder for reasonable compensation paid to all such attorneys, agents, receivers and employees as may reasonably be employed in connection with the trust hereof. The Settlement Escrow Trustee may act upon an opinion of counsel and shall not be responsible for any loss or damage resulting from any action or nonaction by it taken or omitted to be taken in good faith in reliance upon such opinion of counsel.

(b) The Settlement Escrow Trustee shall not be responsible for any recital herein, or for the validity of the execution by the City of this Settlement Escrow Agreement, or of any supplements thereto or instruments of further assurance, or for the validity or sufficiency of, or filing of documents related to the security for the Prior UTGO Bonds intended to be secured hereby.

(c) The Settlement Escrow Trustee shall not be responsible or liable for any loss suffered in connection with any investment of funds made by it in accordance with this Settlement Escrow Agreement.

(d) The Settlement Escrow Trustee shall be protected in acting upon any notice, request, consent, certificate, order, affidavit, letter, telegram or other paper or document reasonably believed by it to be genuine and correct and to have been signed or sent by the proper person or persons.

(e) As to the existence or non-existence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, the Settlement Escrow Trustee shall be entitled to rely upon a certificate believed in good faith to be genuine and correct, signed on behalf of the City or a Bond Insurer by an authorized officer of the City or Bond Insurer, as the case may be, as sufficient evidence of the facts therein contained. The Settlement Escrow Trustee may also accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same.

(f) The permissive right of the Settlement Escrow Trustee to do things enumerated in this Settlement Escrow Agreement, as amended, shall not be construed as a duty, and the Settlement Escrow Trustee shall not be answerable for other than its gross negligence or willful misconduct. The immunities and exceptions from liability of the Settlement Escrow Trustee shall extend to its officers, directors, employees and agents.

(g) The Settlement Escrow Trustee shall not be required to give any note or surety in respect to the execution of its rights and obligations hereunder.

(h) All moneys received by the Settlement Escrow Trustee shall, until used or applied or invested as herein provided, be held in trust in the manner and for the purpose for which they

were received, but need not be segregated from other funds except to the extent required by this Settlement Escrow Agreement, as amended, or by law. The Settlement Escrow Trustee shall not be under any liability for interest on any moneys received hereunder except such as may be agreed upon.

(i) The Settlement Escrow Trustee shall not be under any obligation to initiate any suit or to take any remedial proceeding under this Settlement Escrow Agreement or to take any steps in the execution of the trusts created by this Settlement Escrow Agreement or in the enforcement of any rights and powers under this Settlement Escrow Agreement until it has been indemnified to its satisfaction against any and all fees, costs and expenses and other reasonable disbursements and against all liability.

(j) The Settlement Escrow Trustee shall have no responsibility or liability with respect to any information, statement or recital in any official statement, offering memorandum or other disclosure material prepared or distributed with respect to the issuance of the Prior UTGO Bonds, except for liability for its own gross negligence or willful misconduct.

(k) The Settlement Escrow Trustee may become the holder of any of the Prior UTGO Bonds with the same rights it would have if it were not Settlement Escrow Trustee, and, to the extent permitted by law, may act as depositary for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of holders, whether or not such committee shall represent the holders of a majority in principal amount of any of the Prior UTGO Bonds of such series then outstanding.

(l) The Settlement Escrow Trustee shall not be liable for any error of judgment made in good faith by any of its officers, employees, agents or representatives, unless it shall be proved that the Settlement Escrow Trustee was negligent in ascertaining the pertinent facts.

(m) The Settlement Escrow Trustee has no obligation or liability to the holders for the payment of interest on, principal of or redemption premium, if any, with respect to the Prior UTGO Bonds from its own funds; but rather the Settlement Escrow Trustee's obligations shall be limited to the performance of its duties hereunder.

(n) Whether or not therein expressly so provided, every provision of this Agreement or related documents, relating to the conduct or affecting the liability of or affording protection to the Settlement Escrow Trustee shall be subject to the provisions of this Article.

Section 302 Fees and Expenses of Settlement Escrow Trustee. (a) The Settlement Escrow Trustee shall be entitled to reasonable and customary fees for services rendered under this Agreement, as amended, and shall be reimbursed for all expenses reasonably incurred in connection with such services. Such fees and expenses shall be payable by the City and shall be determined in accordance with the Fee Schedule attached as Exhibit E of this Agreement or as otherwise may be agreed to by the City and the Settlement Escrow Trustee. The Settlement Escrow Trustee shall not have a lien for the payment of its fees and expenses upon any of the money deposited with it in accordance with this Agreement.

(b) The City shall be liable for all fees, expenses, charges, losses, costs, liabilities and damages (including reasonable attorneys' or other professional fees) incurred by the Settlement

Escrow Trustee pursuant to this Agreement except for those which are adjudicated to have resulted from the gross negligence or willful misconduct of the Settlement Escrow Trustee, and shall pay such amounts to or at the direction of the Settlement Escrow Trustee.

Section 303 Resignation; Appointment of Successor Settlement Escrow Trustee; Successor Settlement Escrow Trustee Upon Merger, Consolidation or Sale. (a) The Settlement Escrow Trustee and any successor Settlement Escrow Trustee may resign only upon giving 60 days' prior written notice to the City and the Bond Insurers. Such resignation shall take effect only upon the appointment of a successor Settlement Escrow Trustee and the acceptance of such appointment by the successor Settlement Escrow Trustee. Upon appointment of a successor Settlement Escrow Trustee, the resigning Settlement Escrow Trustee shall, after payment of its fees, costs and expenses, assign all of its right, title and interest in the Settlement Escrow Fund, and transfer and assign its right, title and interest in the Settlement Escrow Agreement to the successor Settlement Escrow Trustee. The successor Settlement Escrow Trustee shall meet the requirements of Section 303(b) below and shall accept in writing its duties and responsibilities hereunder and file such acceptance with the City.

(b) In case the Settlement Escrow Trustee shall give notice of resignation or be removed, or be dissolved, or shall be in the course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or in case it shall be taken under the control of any public office or offices, or of a receiver appointed by a court, a successor may be appointed by the Bond Insurers, with the prior written consent of the City (to the extent that no breach by the City of any material agreement or covenant, i.e. an "Event of Default," shall have occurred and be continuing under this Settlement Escrow Agreement, written notice of which has been provided by the Bond Insurers to the City and the Settlement Escrow Trustee), which consent shall not be unreasonably be withheld. Every such Settlement Escrow Trustee appointed pursuant to the provisions of this Section 303(b) (i) shall at all times be a bank having trust powers or a trust company, (ii) shall at all times be organized and doing business under the laws of the United States of America or of any state, (iii) shall have, or be wholly owned by an entity having, a combined capital and surplus of at least \$75,000,000, (iv) shall be authorized under such laws to exercise corporate trust powers, and (v) shall be subject to supervision or examination by federal or state authority.

(c) Any corporation or association into which the Settlement Escrow Trustee may be merged or converted or with or into which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any merger, conversion, sale, consolidation or transfer to which it is a party, provided such company shall be eligible under Section 303(b) hereof, shall be and become successor Settlement Escrow Trustee hereunder and shall be vested with all the trusts, powers, rights, obligations, duties, remedies, immunities and privileges hereunder as was its predecessor, without the execution or filing of any instrument or any further act on the part of any of the parties hereto.

Section 304 Removal of Settlement Escrow Trustee. The Settlement Escrow Trustee may be removed at any time by an instrument or concurrent instruments in writing delivered to the Settlement Escrow Trustee signed by the City and by all of the Bond Insurers. No removal of the Settlement Escrow Trustee and no appointment of a successor Settlement Escrow Trustee

shall become effective until the successor Settlement Escrow Trustee has accepted its appointment. Upon such removal and the payment of its fees, costs and expenses, the Settlement Escrow Trustee shall assign to the successor Settlement Escrow Trustee all of its right, title and interest in the Trust Estate.

## **UTGO Settlement Agreement – Insert for Confirmation Order**

### **Findings of Fact and Conclusions of Law**

A. After sufficient notice and opportunity for all parties to be heard, and after due deliberation, based on the Court's thorough review and full consideration of the UTGO Settlement Agreement and good and sufficient cause appearing therefor, the Court makes the following findings of fact and conclusions of law. Any finding of fact constitutes a finding of fact even if it is stated as a conclusion of law, and any conclusion of law constitutes a conclusion of law even if it is stated as a finding of fact. All findings of fact and conclusions of law announced by the Court on the record in connection with confirmation of the Plan or otherwise at the Confirmation Hearing are incorporated herein by reference.<sup>1</sup> The findings and conclusions set forth herein and in the record of the Confirmation Hearing constitute the Court's findings of fact and conclusions of law pursuant to Rule 52 of the Federal Rules of Civil Procedure, as made applicable herein by Bankruptcy Rules 7052 and 9014.

B. The UTGO Settlement described in the Plan and the UTGO Settlement Agreement are fair, equitable, reasonable, and in the best interests of the City and its creditors and residents.<sup>2</sup> The UTGO Settlement Agreement is the result of extensive arms' length negotiations among the City and the UTGO Bond Insurers – all of whom were represented by

---

<sup>1</sup> The findings of fact and conclusions of law set forth herein and announced on the record during the Confirmation Hearing shall be construed in a manner consistent with each other so as to effect the purpose of each; provided, however, that if there is any direct conflict that cannot be reconciled, then, solely to the extent of such conflict, the provisions of this Confirmation Order shall govern and shall control and take precedence over any findings of fact or conclusions of law announced on the record at the Confirmation Hearing.

<sup>2</sup> Capitalized terms used herein but not defined shall have the meanings ascribed to them in the Plan or the UTGO Settlement Agreement, a copy of which is attached to the Plan as Exhibit \_\_\_\_.

sophisticated counsel. The compromises and settlements embodied in the UTGO Settlement (a) resolve all disputes with respect to claims classified in Class 8 under the Plan and the issues raised by the UTGO Bond Insurers in the UTGO Litigation and (b) are, collectively, a key compromise upon which several provisions of the Plan rest. In the absence of such compromises and settlements, the City's emergence from chapter 9 would likely have been delayed by litigation and burdened with additional expenses. The UTGO Settlement and the UTGO Settlement Agreement: (a) were negotiated and entered into in good faith, (b) comport with policies and purposes of chapter 9, (c) are fair, equitable and reasonable; (d) are in the best interests of the City and its creditors and residents as they not only fully resolve the UTGO Litigation but also permit the City's assignees to receive value from the Assigned UTGO Bond Tax Proceeds as set forth in the Plan; (e) are within the range of reasonable results if the disputes resolved by the UTGO Settlement, including the Assured/NPFG Action and the Ambac Action as they relate to the UTGO Bonds, were instead litigated to a conclusion; (f) fall above the lowest point in the range of reasonableness; and (g) meet the standards for approval under sections 105(a) and 1123(b) of the Bankruptcy Code, Bankruptcy Rule 9019(a) and other applicable law.

C. Without limiting any of the foregoing, the Court hereby finds that:

- a. The Plan incorporates the UTGO Settlement Agreement, and the effectiveness of the Plan is expressly conditioned upon: (a) the Michigan Finance Authority board having approved the issuance of the MFA Bonds and such bonds having been issued; and (b) the City having obtained all governmental and Emergency Manager consents and approvals required to carry out the terms of the UTGO Settlement Agreement.

- b. As of the Effective Date, the Plan represents a full, final and complete compromise, settlement, release and resolution of, among other matters, all disputes and pending or potential litigation (including any appeals), including, without limitation, the UTGO Litigation, regarding the allowability, amount, priority and treatment of the Unlimited Tax General Obligation Bond Claims. The treatment of Class 8 UTGO Claims under the Plan is a component of a settlement and compromise of the UTGO Litigation.
- c. Good and valuable consideration has been provided for all releases and exculpations granted pursuant to the UTGO Settlement Agreement, including, without limitation, the releases and exculpations granted pursuant to sections 6.1 and 6.2 of the UTGO Settlement Agreement. Such provisions are fair, equitable, reasonable and integral elements of the UTGO Settlement Agreement.
- d. The Court confirms that as of the Effective Date and pursuant to Emergency Manager Order No. \_\_, the Municipal Obligation shall be secured, to the extent permitted by law, including without limitation section 12(1)(x) of Act 436, by a lien granted by the City on the UTGO Bond Tax Levy for so long as either the Municipal Obligation or the Stub UTGO Bonds are outstanding.
- e. As of the Effective Date, the UTGO Bond Tax Levy shall constitute “special revenues,” as defined in section 902 of the Bankruptcy Code, and

“pledged special revenues,” as that term is used in section 922(d) of the Bankruptcy Code.

- f. As of the Effective Date, the MFA shall possess a valid and enforceable statutory fourth lien and trust on Distributable State Aid, as provided in section 15(2) of the Shared Credit Rating Act or as otherwise provided under applicable law.
- g. As of the Effective Date, Holders of the MFA Bonds shall possess all of the MFA’s rights and interest in the Municipal Obligation including all the rights and interest provided herein and under the UTGO Settlement Agreement, subject to the reservation by the MFA of rights to indemnification and to make all determinations and approvals and receive all notices accorded to it under the Municipal Obligation and related documents. Accordingly, the MFA Bonds will be payable from and secured by (i) payments made by the City on the Municipal Obligation and to the extent permitted by law, including without limitation section 12(1)(x) of Act 436, a lien on the portion of the UTGO Bond Tax Levy allocable to the Municipal Obligation, pledged by the City to secure the Municipal Obligation and (ii) a lien, made a statutory lien as provided by the Shared Credit Rating Act, on moneys in the funds and accounts established for the MFA Bonds under the authorizing resolution for such bonds, including payments pledged by the City and received and held by the MFA or its trustee for the MFA Bonds, which include, without

limitation, all payments of (x) the proceeds of the UTGO Bond Tax Levy and (y) Distributable State Aid.

**NOW, THEREFORE, IT IS HEREBY ORDERED, ADJUDGED, AND DECREED THAT:**

1. The UTGO Settlement. Consistent with the findings herein, the UTGO Settlement and the UTGO Settlement Agreement, including without limitation all of the transactions contemplated, the liens granted, and the protections created therein, are APPROVED in their entirety as a good faith, fair, reasonable, and equitable compromise and settlement of all disputes with respect to claims classified in Class 8 under the Plan that is in the best interests of the City and its creditors and residents. The entry of this Confirmation Order constitutes approval of the UTGO Settlement Agreement pursuant to the Bankruptcy Rules, including Bankruptcy Rule 9019, the Bankruptcy Code, including section 1123, and Act 279, Public Acts of Michigan, 1909, as amended; Act 436, Public Acts of Michigan, 2012; Act 34, Public Acts of Michigan, 2001, as amended; and Act 80, Public Acts of Michigan, 1981, as amended. As provided in the Plan, on the Effective Date, the UTGO Settlement Agreement shall be binding on the City, Ambac, Assured and NPMG.

2. Approval of Exculpations and Releases. All exculpations and releases granted pursuant to the UTGO Settlement, including, without limitation, the releases and exculpations granted pursuant to sections 6.1 and 6.2 of the UTGO Settlement Agreement, are hereby approved in their entirety. The Court approves such settlements and releases on the grounds that good and valuable consideration has been provided therefor, and that such provisions are fair, equitable, reasonable, and integral elements of the UTGO Settlement Agreement.

3. Segregation of UTGO Bond Tax Levy. The proceeds of the UTGO Bond Tax Levy collected by the City shall be segregated and transmitted to the Debt Millage Escrow Trustee under the Debt Millage Deposit Escrow Agreement, and the Debt Millage Escrow Trustee shall segregate and transmit the proceeds allocable to the Municipal Obligation to the Master Trustee in accordance with section 2.4(a) of the UTGO Settlement Agreement.

4. Annual Certification of Debt Millage Levy. Pursuant to the Section 2.7(b) of the UTGO Settlement Agreement, the City shall certify annually, not later than June 30 of each year, that it has imposed the debt millage levy as required by and in accordance with the terms of the UTGO Settlement Agreement.

5. Retention of Jurisdiction. Pursuant to section 945(a) of the Bankruptcy Code, the Court shall retain jurisdiction over the UTGO Settlement and the UTGO Settlement Agreement and any dispute arising from or related to the UTGO Settlement Agreement. For the avoidance of doubt and as the City has consented, the Court shall retain exclusive post-confirmation authority and power, to implement, interpret and enforce the UTGO Settlement Agreement and all Settlement-Related Documents, including, without limitation, all exhibits to the UTGO Settlement Agreement, the Restructured UTGO Bonds, the Municipal Obligation and the MFA Bonds. As the City has consented, the Court reserves all powers as are necessary or appropriate to enforce or to give effect to the Court's retained jurisdiction under the Plan and this Confirmation Order, including by way of injunction, as long as any of the Municipal Obligation, Stub UTGO Bonds or MFA Bonds are outstanding.

TERMS OF PFRS PENSION RESTORATION

## TERMS OF PFRS PENSION RESTORATION

### Pension Restoration Process

The following rules shall govern how accrued pensions, including COLA benefits, that are reduced as part of the Plan of Adjustment, shall be restored during the thirty year period following the Confirmation Order. The pension restoration process shall be supervised, and restoration decisions undertaken by the Investment Committee of PFRS and in accordance with the pension governance provisions set forth in the State Contribution Agreement and exhibits thereto. This pension restoration program shall be deemed a part of Component II of the Combined Plan for the Police and Fire Retirement System, but in the event of any conflict between the language set forth herein and the Combined Plan the terms of this Pension Restoration Agreement will govern.

### GENERAL RESTORATION RULES

#### I. PFRS RESTORATION

##### 1. Waterfall Categories

There will be three Waterfall Classes:

- a. PFRS Waterfall Class 1 – Retirees in retirement benefit pay status as of June 30, 2014, and their surviving spouses and beneficiaries
- b. PFRS Waterfall Class 2 – Retirees, who entered into retirement benefit pay status after June 30, 2014, and their surviving spouses and beneficiaries, and who are in pay status as of the end of the PFRS Fiscal Year prior to the year in which the restoration decision is made
- c. PFRS Waterfall Class 3 – All retirees, surviving spouses, and beneficiaries in pay status and all other PFRS participants who as of June 30, 2014 are not in retirement benefit pay status

##### 2. General PFRS Pension Restoration Through June 30, 2023

Each year in conjunction with the annual actuarial valuation report, the PFRS actuary will project the PFRS funded ratio as of 2023 based upon the market value of plan assets relative to the actuarial accrued liabilities (the “Funded Level”). This projection will be further based upon a 6.75% assumed rate of investment return which is net of expenses (administrative and investment), future employer contributions as set forth in the Plan of Adjustment (subject to conditions in the Plan of Adjustment), and such other actuarial

assumptions as utilized by the PFRS actuary. For purposes of PFRS Restoration through June 30, 2023, the Funding Target will be a 75% funded ratio, and the Restoration Target will be a 78% funded ratio, both projected to June 30, 2023. For purposes of calculating the funded ratio, the assets in the Restoration Reserve Account will be excluded. Each year, if the actuary projects that the Funded Level as of 2023 (excluding Restoration Account assets to avoid double counting) exceeds the Restoration Target (i.e., exceeds 78%), a credit of assets for bookkeeping purposes will be made into a new notional Restoration Reserve Account. The notional credit will be an amount equal to the excess of assets above the amount projected to be needed to satisfy the Restoration Target. Once the Restoration Reserve Account is established, each year thereafter, Restoration Account assets will be credited with interest in an amount equal to the net return on plan investments but capped at the actuarially assumed rate of investment return (i.e., 6.75% for the period through June 30, 2023). In the event of net losses, the credited asset value of the Restoration Reserve Account will be diminished to reflect such losses and any required transfer to the PFRS Pension Reserve Account as provided herein.

Actual restoration payments and restoration credits will work as follows: each year, in conjunction with the preparation of the annual actuarial valuation report and following establishment of the Restoration Reserve Account, the PFRS actuary will determine whether there are sufficient funds in such account to restore COLA benefits in a minimum incremental amount of 10% or more. For example: If a retiree's then current COLA benefit is a 1.0% annual compounded COLA, the minimum incremental restoration would increase the COLA benefit to 1.225%. COLA restoration only will occur if the funding level in the Restoration Reserve Account can fund 100% of the COLA increase over the actuarially-projected lives of the eligible recipient PFRS Waterfall Class. If the actuary certifies that the Restoration Reserve Account as of the end of the prior PFRS fiscal year satisfies the required funding level for one or more increments of restoration, then in the next immediate PFRS fiscal year actual COLA restoration payments will be made to PFRS Waterfall Class 1 members in such increments until an amount sufficient to fund 66% of the value of their future COLA payments (e.g., a 1.5% compound COLA, or as otherwise applicable) has been funded. At that juncture, and to the extent that additional assets in the Restoration Reserve Account would fully fund COLA restoration in at least one minimum 10% increment (i.e., amounts equal to 10% of the value of future COLA payments), PFRS Waterfall Class 2 members will receive COLA restoration, until an amount sufficient to fund 66% of the value of their future COLA payments has been funded. At that juncture, and to the extent that additional assets in the Restoration Reserve Account would fully fund COLA restoration in at least one minimum 10% increment (i.e., amounts equal to 10% of the value of future COLA payments), PFRS Waterfall Class 3 members will receive COLA restoration on a pro-rata basis. For PFRS Waterfall Class 3 members who are in pay status at that time of restoration, they will receive COLA payments; for active employees at the time of restoration, they will receive credits granting them a right upon retirement to receive COLA restoration equal to the 10% increments that are fully funded to PFRS Waterfall Class 3 members. For Example: Assume there are sufficient assets credited to the Restoration Reserve Account as of the

end of a fiscal year to fully fund 66% of the value of the COLA for all PFRS Waterfall Class 1 and Class 2 members for their actuarially projected lives. To the extent additional assets remain in the Restoration Reserve Account to fully fund at least a 10% COLA increment for PFRS Waterfall Class 3 members for their actuarially projected lives, then (i) all retirees would receive a restoration payment of 76% of the value of their COLAs (their having already received by virtue of their membership in PFRS Waterfall Classes 1 and 2 an increase to 66% of the value of their COLAs) and also a 10% COLA increment would be credited to eligible active employees which would be included in their benefit payments upon retirement (thus causing their COLAs to increase in value from 45% to 55%). Restoration amounts actually paid from the Restoration Reserve Account will be debited from such account. Restoration payments will be calculated and paid on a prospective basis only.

Once restoration payments and credits begin, as long as the Restoration Reserve Account continues to have assets to fund 100% of an incremental COLA restoration amount for such Waterfall Class for their actuarially projected lives, the restoration payments and credits will continue; provided, however, that in the event the Restoration Reserve Account, after having sufficient assets to fund 100% of two or more increments, falls below 100% for the second or greater increment, the annual amounts to pay such second or greater increment can continue until the Restoration Reserve Account lacks any assets to fund such additional increment. For Example, assume a 10% increment in PFRS Waterfall Class 1 requires \$10 million in assets to be fully funded for the PFRS Waterfall Class' actuarially projected lives, and that based on FY 2018 results the Restoration Reserve Account has assets of \$22 million so as to fund two increments of restoration in FY 2019. Assume further that in the following year the Restoration Reserve Account drops in value to \$17 million; in such event two increments could still be paid, and the second increment would cease being paid only if the value of assets in the Restoration Reserve Account dropped to or below \$10 million (in the event they dropped below \$10 million, the first increment also would cease being paid). For purposes of restoration reduction, restoration increments will be taken away in reverse order in which they were granted (i.e. last in, first out).

If the PFRS Funded Level (excluding Restoration Reserve Assets) projected to 2023 falls below 76% (hereinafter, "Restoration Reserve Suspension Trigger"), then, until such time as the projected PFRS Funded Level in 2023 is 76% or above, further interest credits to the notional Restoration Reserve Account will cease notwithstanding the actual net PFRS investment returns for the fiscal year in question. Furthermore, if the PFRS Funded Level projected to 2023 falls below the Funding Target (i.e., 75%) then restoration payments to retirees and credits to active employees in the following year will be modified in the following manner: (1) funds previously credited to the Restoration Reserve Account will be notionally transferred and credited to the PFRS Pension Reserve Account in sufficient amounts to restore the projected PFRS Funded Level in 2023 to 75%; (2) following such transfer, the remaining assets in the Restoration Reserve Account shall be applied to

make restoration payments in accordance with and pursuant to the same mechanism described in the previous paragraph.

In connection with preparation of the actuarial report for FY 2023, the PFRS actuary will determine whether PFRS has satisfied the Permanent Restoration Target, which shall be 78%. Transfers from the Restoration Reserve Account for credit to the PFRS Pension Reserve Account may be made in such amounts as are necessary to satisfy the Permanent Restoration Target. If following such transfers, the PFRS Funded Level as of June 30, 2023 has satisfied the Permanent Restoration Target (*i.e.*, 78%), then the residual amounts, if any, in the Restoration Reserve Account (which will necessarily represent excess not necessary to satisfy the Permanent Restoration Target), and which fully fund one or more increments of COLA restoration payments for one or more PFRS Waterfall Classes for their actuarially projected lives, shall be transferred from the Restoration Reserve Account and credited to the PFRS Pension Reserve Account and the applicable incremental COLA payments shall be permanently restored for the applicable PFRS Waterfall Class and shall no longer be variable from year to year.

Following receipt of the actuarial reports for 2019, and in the event that the projected Funded Level of PFRS as of 2023 is less than 76%, the PFRS actuary shall revisit the restoration calculations that it made during each of the prior 4 years. It shall recalculate each such prior year's Funded Level projection, this time by assuming the lesser of (i) \$4.5 million in annual administrative expenses until 2023, or (ii) an amount of annual administrative expenses until 2023 equal to the average annual normal course administrative expenses in the prior 4 years applicable to Component II, in addition to a net 6.75% annual investment return. If such retrospective recalculation indicates that fewer amounts would have transferred to the PFRS Restoration Reserve Account than actually were transferred during such look back period, then the PFRS Restoration Reserve Account shall be debited by the lesser of (i) this difference (plus interest at a rate equal to the rate that was credited to the Restoration Reserve Account during the look-back period or (ii) the dollars that were actually paid out in restoration payments during such look-back period (plus interest at a rate equal to the rate that was credited to the Restoration Reserve Account during the look-back period); or (iii) the amount required to increase the projected 2023 PFRS Funded Level to 76%.

3. General PFRS Pension Restoration from July 1, 2023 to June 30, 2033.

If and to the extent that all COLA payments have not been restored pursuant to the permanent restoration feature as of June 30, 2023 described in the immediately preceding paragraph, then during this period and for purposes of variable restoration, the Funding Target, the Restoration Target, the Permanent Restoration Target and the Restoration Reserve Suspension Trigger shall be as set forth on Exhibit A hereto, all projected as of June 30, 2033. The same rules for restoration payments that applied during the period ending June 30, 2023 shall apply (including ceasing interest credits in

the event of a Restoration Reserve Suspension Trigger, and making Restoration Account asset transfers in the event the 2033 PFRS Funded Level falls below the 2033 Funding Target), except as follows. For purposes of determining whether the 2033 Restoration Target has been satisfied, the Plan actuary shall project investment returns through June 30, 2033 at the then current investment return assumption which is assumed to be net of expenses (administrative and investment), and the then applicable actuarial assumptions as utilized in the annual actuarial valuation. Further, the Plan actuary shall assume, merely for purposes of determining whether the Restoration Target is satisfied, that the annual City contribution amount shall be the annual amount necessary to fund the PFRS based upon an amortization of the actual 2023 UAAL (using the market value of assets) over 30 years (hereinafter, the "2023 UAAL Amortization") and in such manner that the resulting annual contribution stream would achieve the applicable PFRS' Funding Target (on Exhibit A) as of 2033. (Such projected, hypothetical contributions shall be for purposes only of making restoration determinations, and shall not necessarily be the actual contributions made or required to be made by the City or recommended during such period; all of which shall be determined independent of the restoration calculation process). For purposes of calculating the funded ratio, the assets in the Restoration Reserve account will be excluded

To the extent that the City's actual contributions to the PFRS in any of the FYs 2024 (i.e., the year ending June 30, 2024) through 2033 are greater than the projected annual contribution under the 2023 UAAL Amortization, such amounts, and any investment earnings thereon, shall be notionally credited to a new bookkeeping account in PFRS called the Extra Contribution Account. In determining pension restoration during the period from FY 2024 through 2033, none of the amounts in the Extra Contribution Account shall be considered for purposes of determining the projected funded level for the Restoration Target or Permanent Restoration Target. To the extent that the City's actual contributions to the PFRS in any of the FYs 2024 through 2033 are less than the projected annual contribution under the 2023 UAAL Amortization, such difference and any investment earnings thereon shall be notionally allocated to the Restoration Reserve Account.

Each year, in addition to the crediting of assets that exceed the amount necessary to satisfy the Restoration Target, existing Restoration Account assets will be credited with interest equal to the net return on plan investments, but capped at the then actuarial investment return assumption. In the event of net losses, the credited asset value of the Restoration Reserve Account will be diminished to reflect such losses.

In connection with preparation of the annual actuarial valuation report for FY 2033, the PFRS actuary will determine whether PFRS has satisfied the applicable Permanent Restoration Target, as set forth on Exhibit A. Transfers from the Restoration Reserve Account for credit to the PFRS Pension Reserve Account may be made in such amounts as are necessary to satisfy the Permanent Restoration Target. If following such transfers the funding level as of June 30, 2033 has satisfied the applicable Permanent Restoration

Target , then the residual amounts in the Restoration Reserve Account, if any (which will necessarily represent excess not necessary to satisfy the Permanent Restoration Target), and which fully fund one or more increments of COLA restoration payments for one or more PFRS Waterfall Classes, shall be transferred from the Restoration Reserve Account and credited to the PFRS Pension Reserve Account and the applicable incremental COLA payments shall be permanently restored for the applicable PFRS Waterfall Class and shall no longer be variable from year to year.

Following receipt of the actuarial reports for 2028, and in the event that the projected Funded Level of PFRS as of 2033 is less than 79%, the PFRS actuary shall revisit the restoration calculations that it made during each of the prior 4 years. It shall recalculate each such prior year's Funded Level projection, this time by assuming the lesser of (i) \$4.5 million in annual administrative expenses until 2033, or (ii) an amount of annual administrative expenses until 2033 equal to the average annual normal course administrative expenses in the prior 4 years applicable to Component II, in addition to a net 6.75% annual investment return. If such retrospective recalculation indicates that fewer amounts would have transferred to the PFRS Restoration Reserve Account than actually were transferred during such look back period, then the PFRS Restoration Reserve Account shall be debited by the lesser of (i) this difference (plus interest at a rate equal to the rate that was credited to the Restoration Reserve Account during the applicable look-back period or (ii) the dollars that were actually paid out in restoration payments during such look-back period (plus interest at a rate equal to the rate that was credited to the Restoration Reserve Account during the applicable look-back period); or (iii) the amount required to increase the projected 2033 PFRS Funded Level to 79%.

4. General PFRS Pension Restoration from July 1, 2033 to June 30, 2043.

If and to the extent that all COLA payments have not been restored pursuant to the permanent restoration feature as of June 30, 2033 described in the immediately preceding paragraph, then during the period ending June 30, 2044 and for purposes of variable restoration, the Funding Target , the Restoration Target, the Permanent Restoration Target and the Restoration Reserve Suspension Trigger shall be as set forth on Exhibit A hereto. The same rules for restoration that applied during the period ending June 30, 2033 shall otherwise apply (including ceasing interest credits in the event of a Restoration Reserve Suspension Trigger, and making Restoration Account asset transfers in the event the 2043 PFRS Funded Level falls below the 2043 Funding Target), and shall be rolled forward. For example, for purposes of determining whether the 2043 Restoration Target has been satisfied, the Plan actuary shall project annual contributions using the same 2023 UAAL Amortization. For purposes of calculating the funded ratio, the assets in the Restoration Reserve account will be excluded, and no Extra Contribution Account assets shall be included for purposes of determining whether the Funded Level meets the Restoration Target or Permanent Restoration Target, including any additions to such account after 2033.

In connection with preparation of the annual actuarial valuation report for FY 2043, the PFRS actuary will determine whether PFRS has satisfied the applicable Permanent Restoration Target, as set forth on Exhibit A. Transfers from the Restoration Reserve Account for credit to the PFRS Pension Reserve Account may be made in such amounts as are necessary to satisfy the Permanent Restoration Target. If following such transfers the PFRS Funded Level as of June 30, 2043 is equal to or greater than the applicable Permanent Restoration Target, then the residual amounts in the Restoration Reserve Account, if any (which will necessarily represent excess not necessary to satisfy the Permanent Restoration Target), shall be transferred from the Restoration Reserve Account and credited to the PFRS Pension Reserve Account and the applicable incremental COLA payments shall be permanently restored for the applicable PFRS Waterfall Class and shall no longer be variable from year to year.

5. Modification of the Pension Restoration Program

If any time after July 1, 2026, the PFRS Investment Committee (by vote of 5 of its 7 members), or the PFRS Board of Trustees (by a greater than 66% vote) determines that a change in relevant circumstances has occurred, or there was a mutual mistake of fact in developing this Pension Restoration Agreement, such that the continued operation of this Agreement without amendment will: (a) materially harm the long-term economic interests of the City, or Retirement System; (b) materially impair the City's ability to fully fund over a reasonable period the then existing frozen benefit liabilities; or (c) materially hinder the Restoration program, if as of that juncture (and for purposes of applying this subsection 5(c)) annual funding levels (excluding the Extra Contribution Account) had materially exceeded the applicable PFRS Restoration Targets for a substantial period yet without any material actual restoration of benefits as contemplated herein having been made, the Investment Committee or the Board, as the case may be, shall provide written notice to the other entity of such a determination and of the need to amend this Restoration Agreement (it being understood that the post-Chapter 9, 40-year amortization period (to 2053) to fully fund PFRS frozen liabilities is, unless the relevant facts demonstrate otherwise, presumptively reasonable). The Investment Committee and the Board shall then meet to negotiate amendments to this Agreement that address the identified risk of harm or impairment, but which also considers this Agreement's objective of providing pension restoration. Such negotiations shall take into account reasonable actions the City has pursued or could pursue to mitigate such harm or impairment. Any such amendments shall require the approval of a majority vote of the combined members of the Committee and Board (persons who sit on both the Board and Committee shall have one vote). Such parties shall consult with the Mayor, City Council and the Governor in connection with such negotiation. If the Board, acting through a majority, and the Investment Committee, acting through a majority, cannot agree to such amendments within the 90-day period following the provision of such notice by the determining party, then the Board and Investment Committee shall proceed to mediation upon demand from either the Board or the Investment Committee. In this regard, within 30-days following expiration of the 90-day period the Board and the Investment Committee shall each select a mediator from the list of approved mediators for the United States District Court for the Eastern District of Michigan. The two selected mediators shall

appoint a third neutral mediator from the approved list. Each party shall furnish a written statement to the mediators within 30 days of selection of the neutral mediator. Representatives of the Mayor and the Governor shall be consulted in connection with such mediations. If following a 90-day mediation period following submission of the written statements the matter is not settled, then either the Investment Committee or the Board can file an action in the United States District Court for the Eastern District of Michigan asking it to declare, inter alia, whether or in what manner to amend this Agreement.

TERMS OF GRS PENSION RESTORATION

## **TERMS OF GRS PENSION RESTORATION**

### **Pension Restoration Process**

The following rules shall govern how accrued pensions, including COLA benefits, that are reduced as part of the Plan of Adjustment, shall be restored during the thirty year period following the Confirmation Order. The pension restoration process shall be supervised, and restoration decisions undertaken by the Investment Committee of GRS and in accordance with the pension governance provisions set forth in the State Contribution Agreement and exhibits thereto. This pension restoration program shall be deemed a part of Component II of the Combined Plan for the General Retirement System of the City of Detroit, but in the event of any conflict between the language set forth herein and the Combined Plan the terms of this Pension Restoration Agreement will govern.

### **GENERAL RESTORATION RULES**

#### **I. GRS RESTORATION**

##### **1. Waterfall Categories**

There will be three Waterfall Classes:

- a. GRS Waterfall Class 1 – Retirees, in retirement benefit pay status as of June 30, 2014, and their surviving spouses and beneficiaries
- b. GRS Waterfall Class 2 – Retirees, who entered into retirement benefit pay status after June 30, 2014, and their surviving spouses and beneficiaries, and who are in pay status as of the end of the GRS Fiscal Year prior to the year in which the restoration decision is made
- c. GRS Waterfall Class 3 – All other GRS participants who as of June 30, 2014 are not in retirement benefit pay status

##### **2. General GRS Pension Restoration Through June 30, 2023**

Each year in conjunction with the annual actuarial valuation report, the GRS actuary will project the GRS funded ratio as of 2023 based upon the market value of plan assets relative to the actuarial accrued liabilities (the “Funded Level”). This projection will be further based upon a 6.75% assumed rate of investment return which is net of expenses (investment and administrative), future employer contributions as set forth in the Plan of Adjustment (subject to the conditions in the Plan of Adjustment) and such other actuarial assumptions as utilized by the GRS actuary. For purposes of GRS Restoration through June 30, 2023, the Funding Target will be a 70% funded ratio, the Restoration Target will be a 75% funded ratio, and the Restoration Reserve Suspension Trigger will be a

71% funded ratio, all projected to June 30, 2023. For purposes of calculating the funded ratio, the assets in the Restoration Reserve account will be excluded. Each year, if the actuary projects that the projected Funded Level as of June 30, 2023 (excluding Restoration Account assets to avoid double counting) exceeds the Restoration Target (i.e., exceeds 75%), a credit of assets for bookkeeping purposes will be made into a new notional Restoration Reserve Account. The notional credit will be in an amount equal to the excess of assets above the amount projected to be needed to satisfy the Restoration Target. Once the Restoration Reserve Account is established, each year thereafter, Restoration Account assets will be credited with interest in an amount equal to the net return on plan investments, but capped at the actuarially assumed rate of investment return (i.e., 6.75% for the period through June 30, 2023). In the event of net losses, the credited asset value of the Restoration Reserve Account will be diminished to reflect such losses and any required transfer to the GRS Pension Reserve Account.

To the extent that the City's (including DWSD or a successor authority) actual contributions in any of the FYs 2015 through 2023 are less than the contributions provided for in the Plan of Adjustment, such difference and any investment earnings thereon shall be notionally allocated to the Pension Fund Reserve Account.

Actual restoration payments and credits will work as follows: Each year in conjunction with preparation of the annual actuarial valuation report and following establishment of the Restoration Reserve Account, the GRS actuary will determine whether there are sufficient funds in such account to restore a portion of the 4.5% across the board pension cuts in one or more minimum incremental amounts equal to  $\frac{1}{2}\%$  of the monthly benefit for each member of GRS Waterfall Class 1 (i.e. reducing the initial across the board cut to 4.0%). This restoration only occurs if the funding level in the Restoration Reserve Account can fund 100% of each incremental increase over the remaining actuarially projected lives of the eligible recipients in GRS Waterfall Class 1. If the Restoration Reserve Account satisfies the required funding level, then in the next GRS fiscal year, actual restoration payments will be made to GRS Waterfall Class 1 members in amounts equal to the benefit associated with each increment that have been fully funded in the Restoration Reserve Account. Once Waterfall Class 1 has sufficient assets in the GRS Restoration Reserve Account to fully fund and restore the 4.5% cut in their monthly benefits, and to the extent that additional assets in the Restoration Reserve Account remain and will fully fund at least  $\frac{1}{2}\%$  of the monthly benefit for each member of GRS Waterfall Class 2 over their remaining actuarially projected lives, then GRS Waterfall Class 2 members will receive pension restoration in minimum  $\frac{1}{2}\%$  benefit increments until an amount equal to the 4.5% cuts in their monthly benefits has been fully funded. At that juncture, and to the extent that additional assets in the Restoration Reserve Account remain and will fund at least a minimum  $\frac{1}{2}\%$  of the monthly benefit of each member in GRS Waterfall Class 3 over their remaining actuarially projected

lives, then each such member of the class shall receive a credit granting them a right upon retirement to receive pension restoration equal to the benefit increments that are fully funded. Restoration payments will be calculated and paid on a prospective basis only.

After the full 4.5% across the board pension cuts are restored for all three GRS Waterfall Classes, and to the extent there are additional assets in the Restoration Reserve Account to fully fund COLA benefits over the actuarially-projected lives of the eligible recipient GRS Waterfall Class, such assets will be used to fully fund and restore a portion of the COLA values that were eliminated as part of the Plan of Adjustment. COLA will be restored in minimum 10% COLA value increments up to 50% of the future COLA values for each member of GRS Waterfall Class 1 (i.e., a 50% future COLA value will constitute a 1.25% simple COLA), then up to 50% of the future COLA values for each member of Waterfall Class 2, and then up to 50% of the future COLA values for each member of Waterfall Class 3 until all members of the three GRS Waterfall Classes have had 50% of the value of their COLAs fully funded and restored. After 50% of the future values of COLA have been fully funded and restored, and to the extent there are additional assets in the Restoration Reserve Account for each of the three GRS Waterfall Classes, then a second 50% COLA restoration will be made, first to members of GRS Waterfall Class 1, then Waterfall Class 2, and then Waterfall Class 3. Classes will be restored in minimum 10% COLA value increments. Restoration payments will be calculated and paid on a prospective basis only.

If the amounts in the Restoration Reserve Account are sufficient to fully-fund the 4.5% across the board pension cuts for all three GRS Waterfall Classes and 100% COLA restoration for all three GRS Waterfall Classes, then any additional assets in the Restoration Reserve Account shall be used to increase the frozen accrued benefits of active and other GRS participants whose ASF accounts were diminished as part of the ASF Recoupment, such that they receive treatment equal to the 20%/20% ceiling applied to retirees in pay status under the Plan of Adjustment. If after such pension restoration there are additional assets in the Restoration Reserve Account to fully fund benefit increments over their remaining actuarially projected lives, GRS Waterfall Class 1 members will receive pension restoration in  $\frac{1}{2}\%$  benefit increments of the reductions to their monthly pension due to ASF Recoupment, and once such pension benefits are restored, Waterfall Class 2 members will receive pension restoration in  $\frac{1}{2}\%$  benefit increments in connection with the reductions to their monthly pensions due to ASF Recoupment. Restoration payments will be calculated and paid on a prospective basis only.

Once restoration payments to applicable retirees and restoration credits to active employees begin, as long as the Restoration Reserve Account continues to have assets sufficient to fund 100% of an incremental pension restoration amount for such GRS Waterfall Class members for their actuarially projected lives, such restoration payments and credits will continue; provided, however,

that in the event the Restoration Reserve Account, after having sufficient assets to fund 100% of two or more increments (over their actuarially projected lives), falls below 100% for the second or greater increment, the annual amounts to pay such second or other additional increment can continue until the Restoration Reserve Account lacks any assets to fund it. For example, assume a  $\frac{1}{2}\%$  increment in GRS Waterfall Class 1 requires \$10 million in assets to be fully funded for the GRS Waterfall Class' actuarially projected lives, and that based on FY 2018 results the Restoration Reserve Account has assets of \$22 million so as to fund two increments of restoration in FY 2019, *i.e.*, a 1% pension increase. Assume further that in the following year the Restoration Reserve Account drops in value to \$17 million; in such event two increments could still be paid, and the second increment of  $\frac{1}{2}\%$  would cease being paid only if the value of assets in the Restoration Reserve Account dropped to or below \$10 million (in the event they dropped below \$10 million, the first increment also would cease being paid). For purposes of restoration reduction, restoration increments will be taken away in reverse order in which they were granted (*i.e.* last in, first out).

In the event the GRS Funded Level (not including Restoration Reserve Assets) falls below 71% (hereinafter, "Restoration Reserve Suspension Trigger"), then, until such time as the projected GRS Funded Level in 2023 is 71% or above, further interest credits to the notional Restoration Reserve Account will cease notwithstanding the actual net GRS investment returns for the fiscal year in question. Furthermore, if the GRS Funded Level projected to 2023 falls below the Funding Target (*i.e.*, 70%) then restoration payments and credits in the following year will be modified in the following manner: (1) funds previously credited to the Restoration Reserve Account will be notionally transferred and credited to the GRS Pension Reserve Account in sufficient amounts to restore the projected GRS Funded Level in 2023 to 70%; (2) following such transfer, the remaining assets in the Restoration Reserve Account shall be applied to make restoration payments in accordance with and pursuant to the same mechanism described in the previous paragraph.

Following receipt of the actuarial reports for 2019, and in the event that the projected Funded Level of GRS as of 2023 is less than 71%, the GRS actuary shall revisit the restoration calculations that it made during each of the prior 4 years. It shall recalculate each such prior year's Funded Level projection, this time by assuming the lesser of (i) \$4.5 million in annual administrative expenses until 2023, or (ii) an amount of annual administrative expenses until 2023 equal to the average annual normal course administrative expenses in the prior 4 years applicable to Component II, in addition to a net 6.75% annual investment return. If such retrospective recalculation indicates that fewer amounts would have been transferred to the GRS Restoration Reserve Account than actually were transferred during such look back period, then the GRS Restoration Reserve Account shall be debited by the lesser of (i) this difference (plus interest at a rate equal to the rate that was credited to the Restoration Reserve Account during the look-back period or (ii) the dollars that were actually paid out in restoration

payments during such look-back period (plus interest at a rate equal to the rate that was credited to the Restoration Reserve Account during the look-back period); or (iii) the amount required to increase the projected 2023 GRS Funded Level to 71%.

3. General GRS Pension Restoration from July 1, 2023 to June 30, 2033.

During this period, the Funding Target, the Restoration Target, the Permanent Restoration Targets and the Restoration Reserve Suspension Trigger shall be as set forth on Exhibit A hereto. The same rules for variable restoration payments and credits that applied during the period ending June 30, 2023 shall apply during the period ending June 30, 2033 (including ceasing interest credits in the event of a Restoration Reserve Suspension Trigger, and making Restoration Account asset transfers in the event the 2033 GRS Funded Level falls below the 2033 Funding Target), except as follows. For purposes of determining whether the 2033 Restoration Target has been satisfied, the Plan actuary shall project investment returns through June 30, 2033 at the then current investment return assumption which is assumed to be net of expenses (administrative and investment) and the applicable actuarial assumptions as utilized in the annual actuarial valuation. Further, the GRS Plan actuary shall assume, merely for purposes of determining whether the Restoration Target is satisfied, that the annual City contribution amount shall be the annual amount necessary to fund the GRS based upon an amortization of the actual 2023 UAAL at market value over 30 years (hereinafter, the "2023 UAAL Amortization") and in such manner that the resulting annual contribution stream would achieve the GRS Funding Target (on Exhibit A) as of 2033. (Such projected, hypothetical contributions shall be for purposes only of making restoration determinations, and shall not necessarily be the actual contributions made or required to be made by the City or recommended during such period; all of which shall be determined independent of the restoration calculation process.). For purposes of calculating the funded ratio, the assets in the Restoration Reserve account will be excluded.

To the extent that the City's actual contributions to the GRS in any of the FYs 2024 (the year ending June 30, 2024) through 2033 are greater than the projected annual contribution under the 2023 UAAL Amortization, such amounts, and any investment earnings thereon, shall be notionally credited to a new bookkeeping account in GRS called the Extra Contribution Account. In determining pension restoration during the period from FY 2024 through 2033, none of the amounts in the Extra Contribution Account shall be considered for purposes of determining the projected funded level for the Restoration Target or Permanent Restoration Targets. To the extent that the City's (including for this purpose DWSD or a successor authority) actual contributions in any of the FYs 2024 through 2033 are less than the projected annual contribution under the 2023 UAAL Amortization, such difference and any investment earnings thereon shall be notionally allocated to the Pension Fund Reserve Account.

Each year, in addition to the credit of assets that exceed the amount necessary to satisfy the Restoration Target, existing Restoration Account assets will be credited with interest equal to the net return on plan investments, but capped at the then investment return assumption. In the event of net losses, the credited asset value of the Restoration Reserve Account will be diminished to reflect such losses.

In connection with preparation of the actuarial report for FY 2028, the GRS actuary will determine whether GRS has satisfied the applicable Permanent Restoration Target, which shall be 75%. Transfers from the Restoration Reserve Account for credit to the GRS Pension Reserve Account may be made in such amounts as are necessary to satisfy the Permanent Restoration Target. If following such transfers the GRS Funded Level as of June 30, 2028 has satisfied the Permanent Restoration Target(75%), then the amounts in the Restoration Reserve Account, if any (which will necessarily represent excess not necessary to satisfy the Permanent Restoration Target), and which fully fund one or more increments of restoration payments for one or more GRS Waterfall Classes over such GRS Waterfall Class members' actuarially projected lives, shall be transferred from the Restoration Reserve Account and credited to the GRS Pension Reserve Account and the applicable incremental payments shall be permanently restored for the applicable GRS Waterfall Class and shall no longer be variable from year to year. Variable restoration payments will continue to be paid or credited during the period from July 1, 2028 through June 30, 2033 based on the applicable Restoration Target set forth in Exhibit A and otherwise in accordance with this restoration memorandum, notwithstanding whether the Restoration Target during this period is less than the Permanent Restoration Target as of June 30, 2028 of 75%.

In connection with preparation of the annual actuarial valuation report for FY 2033, the GRS actuary will determine whether GRS has satisfied the Permanent Restoration Target for 2033, as set forth on Exhibit A. Transfers from the Restoration Reserve Account for credit to the GRS Pension Reserve Account may be made in such amounts as are necessary to satisfy the Permanent Restoration Target. If following such transfers the GRS Funded Level as of June 30, 2033 has satisfied the applicable Permanent Restoration Target, then the amounts in the Restoration Reserve Account if any (which will necessarily represent excess not necessary to satisfy the Permanent Restoration Target), and which fully fund one or more increments of restoration payments for one or more GRS Waterfall Classes over such GRS Waterfall Class members' actuarially projected lives, shall be transferred from the Restoration Reserve Account and credited to the GRS Pension Reserve Account and the applicable incremental payments shall be permanently restored for the applicable GRS Waterfall Class and shall no longer be variable from year to year.

Following receipt of the actuarial reports for 2028, and in the event that the projected Funded Level of GRS as of 2033 is less than 71%, the GRS actuary shall revisit the restoration calculations that it made during each of the prior 4 years. It shall recalculate each such prior year's Funded Level projection, this time by assuming the lesser of (i) \$4.5 million in annual administrative expenses until 2033, or (ii) an amount of annual normal course administrative expenses until 2033 equal to the average annual administrative expenses in the prior 4 years applicable to Component II, in addition to a net 6.75% annual investment return. If such retrospective recalculation indicates that fewer amounts would have transferred to the GRS Restoration Reserve Account than actually were transferred during such look back period, then the GRS Restoration Reserve Account shall be debited by the lesser of (i) this difference (plus interest at a rate equal to the rate that was credited to the Restoration Reserve Account during the look-back period or (ii) the dollars that were actually paid out in restoration payments during such look-back period (plus interest at a rate equal to the rate that was credited to the Restoration Reserve Account during the look-back period); or (iii) the amount required to increase the projected 2033 GRS Funded Level to 71%.

4. General GRS Pension Restoration from July 1, 2033 to June 30, 2043.

During this period, the Funding Target, the Restoration Target, the Permanent Restoration Target and the Restoration Reserve Suspension Trigger shall be as set forth on Exhibit A hereto. The same rules for restoration that applied during the period ending June 30, 2033 shall otherwise apply (including ceasing interest credits in the event of a Restoration Reserve Suspension Trigger, and making Restoration Account asset transfers in the event the 2043 GRS Funded Level falls below the 2043 Funding Target). For example, for purposes of determining whether the 2043 Restoration Target has been satisfied, the Plan actuary shall project annual contributions using the same 2023 UAAL Amortization. For purposes of calculating the funded ratio, the assets in the Restoration Reserve account will be excluded, and no Extra Contribution Account assets shall be included for purposes of determining whether the Funded Level meets the Restoration Target or Permanent Restoration Target, including any additions to such account after 2033.

In connection with preparation of the annual actuarial valuation report for FY 2043, the GRS actuary will determine whether GRS has satisfied the applicable Permanent Restoration Target, as set forth on Exhibit A. Transfers from the Restoration Reserve Account for credit to the GRS Pension Reserve Account may be made in such amounts as are necessary to satisfy the Permanent Restoration Target. If following such transfers the GRS Funded Level as of June 30, 2043 is equal to or greater than the applicable Permanent Restoration Target, then the amounts in the Restoration Reserve Account if any (which will necessarily represent excess not necessary to satisfy the Permanent Restoration Target),

shall be transferred from the Restoration Reserve Account and credited to the GRS Pension Reserve Account and the applicable payments for the applicable GRS Waterfall Class shall be permanently restored and shall no longer be variable.

#### 5. Modification of the Pension Restoration Program

If any time after July 1, 2026, the GRS Investment Committee (by vote of 5 of its 7 members), or the GRS Board of Trustees (by a greater than 66% vote) determines that a change in relevant circumstances has occurred, or there was a mutual mistake of fact in developing this Pension Restoration Agreement, such that the continued operation of this Agreement without amendment will: (a) materially harm the long-term economic interests of the City, or Retirement System; (b) materially impair the City's ability to fully fund over a reasonable period the then existing frozen benefit liabilities; or (c) materially hinder the Restoration program, if as of that juncture (and for purposes of applying this subsection 5(c)) annual funding levels (excluding the Extra Contribution Account) had materially exceeded the applicable PFRS Restoration Targets for a substantial period yet without any material actual restoration of benefits as contemplated herein having been made, the Investment Committee or the Board, as the case may be, shall provide written notice to the other entity of such a determination and of the need to amend this Restoration Agreement (it being understood that the post-Chapter 9, 40-year amortization period (to 2053) to fully fund GRS frozen liabilities is, unless the relevant facts demonstrate otherwise, presumptively reasonable). The Investment Committee and the Board shall then meet to negotiate amendments to this Agreement that address the identified risk of harm or impairment, but which also considers this Agreement's objective of providing pension restoration. Such negotiations shall take into account reasonable actions the City has pursued or could pursue to mitigate such harm or impairment. Any such amendments shall require the approval of a majority vote of the combined members of the Committee and Board (persons who sit on both the Board and Committee shall have one vote). Such parties shall consult with the Mayor, City Council and the Governor in connection with such negotiation. If the Board, acting through a majority, and the Investment Committee, acting through a majority, cannot agree to such amendments within the 90-day period following the provision of such notice by the determining party, then the Board and Investment Committee shall proceed to mediation upon demand from either the Board or the Investment Committee. In this regard, within 30-days following expiration of the 90-day period the Board and the Investment Committee shall each select a mediator from the list of approved mediators for the United States District Court for the Eastern District of Michigan. The two selected mediators shall appoint a third neutral mediator from the approved list. Each party shall furnish a written statement to the mediators within 30 days of selection of the neutral mediator. Representatives of the Mayor and the Governor shall be consulted in connection with such

mediations. If following a 90-day mediation period following submission of the written statements the matter is not settled, then either the Investment Committee or the Board can file an action in the United States District Court for the Eastern District of Michigan asking it to declare, *inter alia*, whether or in what manner to amend this Agreement.

**JURISDICTION AND VENUE**

A. The Court has jurisdiction over this matter and this Chapter 9 Case pursuant to 28 U.S.C. § 1334 and Rule 83.50(a) of the Local Rules of the United States District Court for the Eastern District of Michigan.

B. Confirmation of the Plan is a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(L), and this Court has jurisdiction to enter a final order with respect thereto.

C. The City is a proper debtor under section 109 of the Bankruptcy Code<sup>4</sup> and the proper proponent of the Plan under section 941 of the Bankruptcy Code.

D. On the Effective Date of the Plan, or as soon thereafter as is practicable, all appeals of the Opinion Regarding Eligibility and the Order for Relief, in accordance with settlements by and among the appellants and the City, shall be withdrawn.

### **MODIFICATIONS OF THE PLAN**

E. The Plan does not materially and adversely affect or change the treatment of any Claim against the City under the Fourth Amended Plan. Pursuant to sections 942 and 1127(d) of the Bankruptcy Code and Bankruptcy Rule 3019, the Plan does not require additional disclosure under section 1125 of the Bankruptcy Code or the resolicitation of acceptances or rejections of the Fourth Amended Plan under section 1126 of the Bankruptcy Code, nor does it require that

<sup>4</sup> See Opinion Regarding Eligibility (Docket No. 1945), entered on December 5, 2013 (the "Opinion Regarding Eligibility"); Order for Relief Under Chapter 9 of the Bankruptcy Code (Docket No. 1946), entered on December 5, 2013 (the "Order for Relief").

holders of Claims against the City be afforded an opportunity to change previously cast acceptances or rejections of the Fourth Amended Plan as filed with the Court. The filing of the Plan, and the disclosure of certain modifications and amendments to the Fourth Amended Plan contained therein on the record at the Confirmation Hearing, constitute due and sufficient notice thereof under the circumstances of the Chapter 9 Case. Accordingly, the Plan is properly before the Court, and, except as set forth in the Plan or later orders of the Court, all votes cast with respect to the Fourth Amended Plan prior to the filing of the Plan shall be binding and shall apply with respect to the Plan.

**STANDARDS FOR CONFIRMATION  
UNDER SECTION 943 OF THE BANKRUPTCY CODE**

F. The evidentiary record of the Confirmation Hearing and the Confirmation Standards Exhibit support the findings of fact and conclusions of law set forth in the following paragraphs.

G. The Court's supplemental opinion regarding confirmation of the Plan (the "Confirmation Opinion"), to be issued, is incorporated fully herein.

H. Section 943(b)(1). The Plan complies with the provisions of the Bankruptcy Code made applicable to this Chapter 9 Case by sections 103(e) and 901 of the Bankruptcy Code.<sup>5</sup> In particular:

1. *Section 1122*. In accordance with section 1122(a) of the Bankruptcy Code, Section II.B of the Plan classifies each Claim against the City into a Class containing only substantially similar Claims. The legal rights under applicable law of each holder of Claims within each Class under the Plan are substantially similar in nature and character to the legal rights of all other holders of Claims within such Class. No Claims were separately classified under the Plan to gerrymander favorable votes with respect to the Plan. In accordance with section 1122(b) of the Bankruptcy Code, Convenience Claims are separately classified in Class 15 under the Plan solely for the purpose of administrative convenience.

2. *Section 1123(a)(1)*. In accordance with section 1123(a)(1) of the Bankruptcy Code, Section II.B of the Plan properly classifies all Claims that require classification. Valid factual and legal reasons

---

<sup>5</sup> Section 901 of the Bankruptcy Code incorporates into chapter 9 the following chapter 11 provisions relevant to plan confirmation: sections 1122, 1123(a)(1)-(5), 1123(b), 1123(d), 1125, 1126(a)-(c) and (e)-(g), 1127(d), 1128, 1129(a)(2), 1129(a)(3), 1129(a)(6), 1129(a)(8), 1129(a)(10), 1129(b)(1) and 1129(b)(2)(A)-(B) of the Bankruptcy Code. *See* 11 U.S.C. § 901(a).

exist for the separate classification of (a) certain secured Claims from Other Secured Claims and (b) certain unsecured Claims from Other Unsecured Claims.

3. *Section 1123(a)(2)*. In accordance with section 1123(a)(2) of the Bankruptcy Code, Section II.B of the Plan properly identifies and describes each Class of Claims that is not impaired under the Plan.<sup>6</sup>

4. *Section 1123(a)(3)*. In accordance with section 1123(a)(3) of the Bankruptcy Code, Section II.B of the Plan properly identifies and describes the treatment of each Class of Claims that is impaired under the Plan.

5. *Section 1123(a)(4)*. In accordance with section 1123(a)(4) of the Bankruptcy Code, the Plan provides the same treatment for each Claim of a particular Class unless the holder of such a Claim has agreed to less favorable treatment. Because ASF Recoupment is a settlement mechanism designed to (a) implement a critical component of the City's comprehensive settlement of pension-related issues and (b) enable the trustees of the GRS

<sup>6</sup> See Order Pursuant to (I) 11 U.S.C. §§ 105, 364(c), 364(d)(1), 364(e), 902, 904, 921, 922 and 928 (A) Approving Postpetition Financing and (B) Granting Liens and (II) Bankruptcy Rule 9019 Approving Settlement of Confirmation Objections (Docket No. 7028), entered on August 25, 2014 (the "DWSD Tender Order"); Notice of Occurrence of Settlement Date and Unimpairment of Class 1A Claims and (B) Withdrawal of DWSD Plan Objections by Financial Creditors (Docket No. 7268), filed on September 4, 2014 (the "DWSD Settlement Notice").

(collectively, the "GRS Trustees") to recover a portion of excess interest allocated to members' Annuity Savings Fund accounts from the GRS's traditional defined benefit pension plan (the "GRS Traditional Pension Plan"), ASF Recoupment may be deemed (x) separate and distinct from the calculation of recoveries provided to holders of GRS Pension Claims and, thus, (y) disregarded for purposes of determining whether the Plan complies with section 1123(a)(4) of the Bankruptcy Code.

6. The consideration provided to Syncora in connection with the Syncora Settlement that is not provided on account of the Plan COP Settlement (a) is separate and distinct from the treatment of Class 9 COP Claims held or insured by Syncora under the Plan, (b) is provided on account of (i) Syncora's agreement to invest new funds (subject to the terms and conditions of the applicable agreements) pursuant to commercial relationships with the City that are distinct from COP Claims held or insured by Syncora and (ii) Syncora's agreement to resolve all of its pending litigation against the City and, thus, (c) has been disregarded for purposes of determining whether the Plan complies with section 1123(a)(4) of the Bankruptcy Code. The consideration provided to FGIC in connection with the FGIC/COP Settlement that is not provided on account of the Plan COP Settlement (a) is separate and distinct from the treatment of Class 9 COP Claims held or insured by FGIC under the Plan and reflects an agreement to invest

new funds in a commercial relationship with the City, (b) is provided on account of FGIC's agreement to resolve all of its pending litigation against the City and, thus, (c) has been disregarded for purposes of determining whether the Plan complies with section 1123(a)(4) of the Bankruptcy Code.

7. *Section 1123(a)(5).* In accordance with section 1123(a)(5) of the Bankruptcy Code, the Plan provides adequate means for its implementation, including, without limitation, (a) the issuance of the New Securities pursuant to the Plan, (b) the consummation of the Settlements (as such term is defined below) described in the Plan, (c) the consummation of the State Contribution Agreement, (d) the assumption or rejection of Executory Contracts and Unexpired Leases, (e) the establishment and funding of the Professional Fee Reserve, (f) the City's assumption of certain indemnification obligations, (g) the City's entry into the Exit Facility and any agreements and ancillary notes related thereto and (h) the provisions regarding Effective Date transactions and transfers in Article IV of the Plan.

8. *Section 1123(b)(1).* In accordance with section 1123(b)(1) of the Bankruptcy Code, Section II.B of the Plan impairs or leaves unimpaired, as the case may be, each Class of Claims.

9. *Section 1123(b)(2).* In accordance with section 1123(b)(2) of the Bankruptcy Code, Section II.D and other provisions of

the Plan provide for the assumption, assumption and assignment, or rejection of the Executory Contracts or Unexpired Leases of the City that have not been previously assumed, assumed and assigned, or rejected pursuant to section 365 of the Bankruptcy Code and orders of the Court.

10. *Section 1123(b)(3).* In accordance with section 1123(b)(3) of the Bankruptcy Code, Section III.D.2 of the Plan provides that, except as otherwise provided in the Plan or in any contract, instrument, release or other agreement entered into or delivered in connection with the Plan, the City will retain and may enforce any claims, demands, rights, defenses and Causes of Action that it may hold against any Entity (including but not limited to (a) any and all Causes of Action against any party relating to the past practices of the Retirement Systems, (b) the currently pending actions and claims brought by the City identified on Schedule A to Exhibit III.D.2 to the Plan and (c) potential recovery actions that may be brought by the City under the Bankruptcy Code (or similar federal or state law) against, among other parties, the Entities identified on Schedule B to Exhibit III.D.2 to the Plan), to the extent not expressly released under the Plan or by any Final Order of the Court.

11. *Section 1123(b)(5).* In accordance with section 1123(b)(5) of the Bankruptcy Code, Section II.B of the Plan modifies or leaves unaffected, as the case may be, the rights of holders of Claims in each Class.

12. *Section 1123(b)(6)*. In accordance with section 1123(b)(6) of the Bankruptcy Code, the Plan includes additional appropriate provisions that are not inconsistent with applicable provisions of the Bankruptcy Code, including, without limitation, the provisions of Article III, Article IV, Article V, Article VI, Article VII and Article VIII of the Plan.

13. *Section 1123(d)*. In accordance with section 1123(d) of the Bankruptcy Code, Section II.D.4 of the Plan provides for the satisfaction of Cure Amount Claims associated with each Executory Contract or Unexpired Lease to be assumed pursuant to the Plan in accordance with section 365(b)(1) of the Bankruptcy Code. All Cure Amount Claims will be determined in accordance with the underlying agreements and applicable law.

14. *Section 1127(d)*. All creditors entitled to vote on the Plan received proper notice of the Confirmation Hearing, and were provided an adequate opportunity to object to any amendments and modifications to the Fourth Amended Plan.<sup>7</sup>

15. *Section 1129(a)(2)*. The City has complied with all applicable provisions of the Bankruptcy Code with respect to the Plan and the solicitation of acceptances or rejections thereof. In particular, the Plan complies

16. *Section 1129(a)(3)*. The Plan has been proposed (a) in good faith; (b) with honesty, sincerity and good intentions; (c) with a basis for expecting that an adjustment of the City's debts and an operational restructuring of the City can be effected in accordance with the purpose of chapter 9, and that the Plan is feasible; and (d) not by any means forbidden by law. The Plan and the treatment of Claims thereunder are, and the process pursuant to which the City has sought Confirmation thereof has been, fundamentally fair to the City's creditors.

---

<sup>23</sup> See Plan, at § II.B.3.w.i.

<sup>24</sup> See *id.*.

<sup>25</sup> See Second Supplemental Voting Declaration, at ¶¶ 8-9.

<sup>26</sup> See *id.* at Exhibits A-C.

The purpose of the Plan is to adjust the City's debts to enable the City to reverse its decades-long financial decline, eliminate its service delivery insolvency, restore adequate municipal services to its residents and meet its future financial obligations, consistent with the overarching remedial purpose of chapter 9 and the objectives and purposes of the Bankruptcy Code. The City's good faith in proposing the Plan and its prior versions, and fundamental fairness in dealing with its creditors, is further evidenced by the fact that the Plan (a) incorporates multiple key settlements that are the result of extensive arm's length negotiations (often conducted within the context of Court-ordered mediation) between the City and representatives of a large proportion of its creditors, (b) has been proposed with the support of the City's largest creditor constituencies and (c) is feasible (see ¶¶ N.10-18 below). In so finding, the Court has considered the totality of the circumstances in this Chapter 9 Case.

17. *Section 1129(a)(6)*. Section III.A.7 of the Plan provides that the obtaining of any authorizations, consents and regulatory approvals necessary under applicable nonbankruptcy law is a specific condition to the effectiveness of the Plan, consistent with the language of section 1129(a)(6) of the Bankruptcy Code.<sup>27</sup> The Board of Water Commissioners will continue to have all authority to set and approve the water and sewerage rates charged by the DWSD,

---

<sup>27</sup> See Plan, at § III.A.7.

provided that, if a DWSD Authority is approved and formed, such rates would be determined by the board of such DWSD Authority.<sup>28</sup>

18. *Section 1129(a)(8).* The Plan has not been accepted by all impaired Classes of Claims because (a) Classes 14 and 15 (collectively, the "Impaired Rejecting Classes") have voted to reject the Plan<sup>29</sup> and (b) consistent with section 1126(g) of the Bankruptcy Code, the holders of Claims in Class 16 (Subordinated Claims) (who receive no Distributions pursuant to Section II.B.3.w.i of the Plan) are deemed to have rejected the Plan.<sup>30</sup> Nevertheless, as more fully explained below, the Plan is confirmable because it satisfies section 1129(b) of the Bankruptcy Code with respect to such Impaired Rejecting Classes.

19. *Section 1129(a)(10).* The Plan has been accepted by the following impaired Classes of Claims that are entitled to vote on the Plan, determined without including any acceptance of the Plan by any insider: Classes 5, 7, 8, 9, 10, 11, 12, 13 and 17.<sup>31</sup>

20. *Section 1129(b)(1): Unfair Discrimination.* For the reasons set forth in the Confirmation Opinion, the Plan does not discriminate unfairly against the Impaired Rejecting Classes. The Plan provides greater

percentage recoveries to holders of (a) Pension Claims in Classes 10 and 11 (as high as approximately 59% and 60%, respectively, although the Court does not make any specific finding with respect to such percentage recoveries), (b) Class 8 Unlimited Tax General Obligation Bond Claims (approximately 74%), (c) Limited Tax General Obligation Bond Claims (approximately 44%) and (d) Indirect 36th District Court Claims (approximately 33%) than to holders of (x) Other Unsecured Claims (approximately 13%) and (y) Convenience Claims (25% recovery).

21. Despite the differences in the Classes' respective recoveries, the Court finds that such discrimination is fair in light of, among other things, (a) the circumstances of the City's Chapter 9 Case, (b) the purpose of chapter 9, which is to adjust an insolvent municipality's debt so that it can provide adequate municipal services and (c) the Court's conscience, as informed by the Court's experience, education and sense of morality.

22. Substantial mission-based considerations justify the differential treatment of Pension Claims. The City is a municipal service enterprise whose mission is to provide municipal services to its residents and visitors to promote their health, welfare and safety. The City, therefore, has a strong interest in preserving its relationships with its employees and in enhancing their motivation, consistent with the City's financial resources. In contrast, the City

has no similar mission-related investment in its relationships with holders of Claims in Classes 14 and 15.

23. The Plan's differential treatment of Pension Claims is further justified because the fulfillment of the City municipal service mission is informed by, and subject to, the provisions of the constitution and laws of the State of Michigan and the City's status as an agency of the State. Article IX, Section 24 of the Michigan Constitution (the "Pensions Clause") (a) singles out municipal pension claims for special protection and (b) in so doing, specifically expresses the considered judgment of the people of the State of Michigan, which is entitled to substantial deference in connection with determining the fairness of the Plan's discrimination against the Impaired Rejecting Classes.

24. The reasonable expectations of creditors further demonstrate that the Plan's treatment of Pension Claims is fair, because the Pensions Clause gives notice to all of the City's unsecured creditors that, outside of bankruptcy, the rights of pension creditors are distinct and entitled to special State-law protections that are unavailable to other unsecured creditors of the City. Such constitutional notice (a) reasonably justifies the enhanced expectations of Holders of Pension Claims in this Chapter 9 Case and (b) should lower the reasonable expectations of all other unsecured creditors.

25. Moreover, the Plan's treatment of Pension Claims is the result of a collection of interconnected settlements. The factors that inform the reasonableness of each individual settlement are the same factors that inform the Court's judgment regarding the fairness of discrimination under the Plan. Because each such settlement is fair and reasonable, the discrimination in claim treatment resulting from such settlements also is fair.

26. The treatment of Limited Tax General Obligation Bond Claims, Unlimited Tax General Obligation Bond Claims and Indirect 36th District Court Claims also is fair because, in each instance, such treatment is the result of arm's-length, intensely negotiated and reasonable settlements between the City and the respective creditors and their representatives and is based on the asserted differing legal rights of, and litigation brought by, such parties. Specifically, a reasonable basis exists for the differential treatment of Limited Tax General Obligation Bond Claims and Unlimited Tax General Obligation Bond Claims, because the treatment of such Claims reflects (a) the results of protracted and comprehensively negotiated settlements between the City and the holders of such Claims and (b) the claimants' arguments to relative priority and security under State law. In addition, the Plan's treatment of Indirect 36th District Court Claims is related to the City's mission, and therefore is fair, because of the City's continuing legal and funding relationship with the 36th District Court.

27. The plan would not be feasible without discriminating among unsecured creditors because, with respect to Pension Claims in particular, the City's recovery will turn in large part on its ability to marshal the support of its residents in general and its retirees, employees and their labor unions in particular. With respect to Pension Claims, Limited Tax General Obligation Bond Claims, Unlimited Tax General Obligation Bond Claims and Indirect 36th District Court Claims, the settlements achieved by the City removed the risk of ongoing litigation over their respective asserted priorities, which litigation posed a significant obstacle to the City's ability to confirm a workable plan. The City's proposal of the differential treatment between Classes of unsecured Claims under the Plan was made in good faith and was not motivated by personal animosity or antipathy. The Plan treats holders of Claims in the Impaired Rejecting Classes as well as possible under the circumstances.

28. The Plan does not discriminate unfairly against Class 16 (Subordinated Claims) because the Claims within such Class are subordinated to all other Claims classified under the Plan in accordance with section 510(b) of the Bankruptcy Code and are entitled to Distributions under the Plan only to the extent that Classes that are senior in priority are paid in full.

*Section 1129(b)(1), (b)(2): Fair and Equitable.* For the reasons to be set forth in the Confirmation Opinion, the Plan is "fair and equitable"

with respect to the Impaired Rejecting Classes. No evidence suggests that the City or any Class or group of creditors has committed any overreaching or misconduct that would require the Court to impose a remedy as a condition to Confirmation. Moreover, the circumstances of the City's Chapter 9 Case suggest to the Court's conscience that it is fair and equitable to impose the Plan upon the dissenting creditors against their stated will. A large number of Detroit residents are suffering hardship due to the City's service delivery insolvency. This condition is inhumane and intolerable, and can only be successfully addressed if the Plan is confirmed. No viable alternatives to the Plan exist that would resolve the City's service delivery insolvency and provide a greater recovery to Classes 14 and 15. Requiring creditors in the Impaired Rejecting Classes to share in the sacrifice that other creditors of the City have agreed to endure, and confirming the Plan, thus is fair and equitable under the circumstances.

I. Section 943(b)(2). The Plan complies with the provisions of chapter 9 of the Bankruptcy Code. The Plan complies with section 941 of the Bankruptcy Code because the City filed the Plan for the Adjustment of Debts of the City of Detroit (Docket No. 2708) on February 21, 2014, consistent with the First Order Establishing Dates and Deadlines (Docket No. 280), entered on August 2, 2013, which order established March 1, 2014 as the deadline for the City to file its plan of adjustment. The Plan complies with section 942 of the

Bankruptcy Code because the amendments and modifications made to the Fourth Amended Plan are either immaterial to, or do not adversely affect the treatment of, any Claim under the Plan.

J. Section 943(b)(3). The Court, with the assistance of counsel, will establish an expeditious mediation and Court-review process to determine the reasonableness and disclosure of all fees and expenses, paid and unpaid, for which the City is obligated in connection with this case through the Effective Date, as required by section 943(b)(3) of the Bankruptcy Code, including (1) the professional fees and expenses of the GRS and the PFRS, to the extent that the City reimburses them, (2) the fees and expenses of the Fee Examiner and his professionals, (3) the Court-appointed feasibility expert and her counsel and (4) the other Fee Review Professionals. The preceding sentence does not apply with respect to fees and expenses explicitly dealt with in settlements previously approved by orders of the Court. The review pursuant to such process will satisfy the requirements of section 943(b)(3) of the Bankruptcy Code.

1. In addition, pursuant to the Fee Review Order and the Fee Examiner Order, and with the City's consent, the Fee Examiner was appointed in the Chapter 9 Case as an officer of the Court and has reviewed, or will review, the fees and expenses of all Fee Review Professionals submitted to the Fee Examiner for review in accordance with the Fee Review Order for the period

beginning on the Petition Date. Unless the Court subsequently orders otherwise, the fee review process established by the Fee Review Order will continue for fees and expenses incurred through the Effective Date pursuant to Section IV.N.2 of the Plan. In accordance with the Fee Review Order, each quarterly report and supplemental quarterly report filed by the Fee Examiner to date has determined that all Fee Review Professional Fees incurred during the relevant reporting periods have been fully disclosed and are reasonable or otherwise are commensurate with the complexity and speed of the Chapter 9 Case and the quality of services provided.<sup>32</sup> Further, the fees and expenses of the Fee Examiner Parties are subject to Court review and approval under the terms of the Fee Review Order and the Plan.

K. Section 943(b)(4).

1. All actions to be taken by the City to carry out the Plan are consistent with, do not violate and are not prohibited by applicable law, including, but not limited to, the following actions:

- the creation of the Detroit General VEBA and the Detroit Police and Fire VEBA;
- payments to be made by the DWSD during the period from the Effective Date through June 30, 2023 on account of (a) the DWSD's \$428.5 million currently-calculated allocable share of the unfunded actuarially accrued liabilities of the GRS (as modified by the Plan), (b) related administrative costs and (c) restructuring costs incurred by the City in connection with the Chapter 9 Case allocable to the DWSD (the "DWSD Pension Funding"), consistent with paragraph 24 of the DWSD Tender Order;
- all actions taken in connection with the UTGO Settlement Agreement and all provisions of the Plan addressing recoveries upon Unlimited Tax General Obligation Bond Claims, including Sections II.B.3.n, II.B.3.o, II.B.3.p and IV.C of the Plan (such provisions of the Plan as they relate to such recoveries, and, collectively with the UTGO Settlement Agreement, the "UTGO Settlement"), including, but not limited to, the City's designation of an entity or entities to receive the Assigned UTGO Bond Tax Proceeds;
- the transfer of the DIA Assets to DIA Corp. pursuant to the DIA Settlement;<sup>33</sup> and

---

<sup>33</sup> See Attorney General's Approval of DIA Settlement (Docket No. 5338), filed on June 17, 2014.

- all actions taken in connection with the Syncora Development Agreement (including the garage option), the Tunnel Lease and the FGIC Development Agreement.

L. Section 943(b)(5). The Plan satisfies the requirements of section 943(b)(5) of the Bankruptcy Code. The Plan expressly provides for the cash payment, in full, of Allowed Administrative Claims, including administrative expenses allowed under section 503(b) of the Bankruptcy Code either (1) on the Effective Date or as soon as reasonably practicable thereafter or (2) if the Administrative Claim is not Allowed as of the Effective Date, 30 days after the date on which such Administrative Claim becomes an Allowed Claim.<sup>34</sup>

M. Section 943(b)(6). The Plan satisfies the requirements of section 943(b)(6) of the Bankruptcy Code. The effectiveness of the Plan is expressly conditioned upon the obtaining of any authorizations, consents and regulatory approvals necessary under applicable nonbankruptcy law.<sup>35</sup> Neither the DWSD Pension Funding nor the provisions of the Plan relating to the DWSD CVR constitute a tax upon any DWSD ratepayer subject to electoral approval.

The restructuring of the City's obligations pursuant to the Plan, and the consequent restructuring (and lowering) of DWSD's costs, will not necessitate an increase in the rates charged by DWSD in excess of normally scheduled rate increases.

<sup>34</sup> See Plan, at § II.A.1.a.

<sup>35</sup> See Plan, at § III.A.7.

N. Section 943(b)(7).

1. *Best Interests of Creditors.* The Plan is in the best interests of creditors. The Plan provides the City's creditor body, as a whole, with a better alternative than dismissal of the Chapter 9 Case and all that creditors can reasonably expect under the circumstances. Outside of bankruptcy, the City would face several billion dollars in cumulative deficits over the next ten years, even if it attempted only to maintain the current level of inadequate public services. Although the automatic stay has allowed the City to enhance its cash position during the bankruptcy, the fundamentals of the City's financial forecasts have not changed materially since the City first created the baseline financial forecasts in June 2013. Moreover, if the City's Chapter 9 Case were dismissed, the City would lose the benefit of many of the settlements it has reached with its creditors. The City does not have sufficient excess revenues to continue paying its creditors outside of bankruptcy.

2. The legal limitations on the collection of judgments that apply outside of bankruptcy also constrain the best interests of creditors test in bankruptcy. Because Michigan Public Act 236 of 1961, the Revised Judicature Act, M.C.L. §§ 600.101, *et seq.* (the "Revised Judicature Act"), provides the sole remedy under State law for the City's creditors to recover on their claims, the City cannot be compelled under State law to liquidate City-owned assets to satisfy

creditors' claims.<sup>36</sup> The City also cannot be compelled to sell any City-owned assets under the Bankruptcy Code because, in chapter 9 cases, section 904 of the Bankruptcy Code prohibits the Court from interfering with "(1) any of the political or governmental powers of the debtor; (2) any of the property or revenues of the debtor; or (3) the debtor's use or enjoyment of any income-producing property."<sup>37</sup>

3. Maintaining the art collection housed at the DIA (the "DIA Collection") is critical to the feasibility of the Plan and to the City's future because the DIA Collection is an invaluable and irreplaceable resource, and because the DIA stands at the center of the City's cultural life. Selling the DIA Collection would impede the City's efforts to attract new residents, visitors and businesses and would only deepen the City's fiscal, economic and social problems. In addition, using the DIA Collection or some portion thereof as collateral for a loan to pay creditors would be imprudent because doing so would (a) merely substitute debt for debt and thus not benefit the City and (b) create a risk that the City would lose any art used as collateral in the event of a default.

4. Moreover, it would be impracticable for the City to liquidate the DIA Collection in an attempt to maximize creditor recoveries. Because (a) many works within the DIA Collection are subject to donor

---

<sup>36</sup> See M.C.L. § 600.6093.

<sup>37</sup> 11 U.S.C. § 904.

restrictions and (b) the Michigan Attorney General and DIA Corp. contend that the entire DIA Collection is held in trust, any attempt to liquidate the DIA Collection or any material portion thereof to satisfy the claims of creditors most likely would result in costly, complex and time-consuming litigation regarding the City's precise ownership interests in the approximately 60,000 works of art that comprise the DIA Collection. A forced liquidation of the DIA Collection would generate only a fraction of its true economic value.

5. Nevertheless, the Plan provides for multiple new sources of revenue, cost saving initiatives and settlements that improve recoveries for creditors. The City has made reasonable efforts to monetize assets other than the DIA Collection, including the Detroit Windsor Tunnel, certain real estate properties, certain parking properties and the Joe Louis Arena property. The City also has entered into the Great Lakes Water Authority memorandum of understanding, which benefits all of the City's creditors.<sup>38</sup>

6. The transactions and settlements associated with the "Grand Bargain" – including the State Contribution Agreement, the DIA Settlement and the City's comprehensive settlement of pension-related and labor-related issues negotiated with the Retiree Committee, the Retirement

---

<sup>38</sup> See Memorandum of Understanding Regarding the Formation of the Great Lakes Water Authority, filed as Exhibit A to the Notice of Execution of Framework for Creating a Water and Sewer Authority (Docket No. 7357).

Systems and certain unions and retiree associations – will generate at least an additional \$816 million in nominal revenue for the benefit of the holders of Pension Claims. In addition, the City has entered into favorable settlements with representatives of the holders of Pension Claims, OPEB Claims, COP Claims, Unlimited Tax General Obligation Bond Claims, Limited Tax General Obligation Bond Claims and Indirect 36th District Court Claims. The difference between the amounts asserted by such claimants and the amounts accepted in settlement of such Claims redounds to the benefit of all the City's stakeholders. The successful implementation of the reinvestment initiatives incorporated into the Plan (the "Reinvestment Initiatives") is indispensable to the City's efforts to provide its creditors with as significant a recovery as could be expected under the circumstances, and the maximization of such creditor recoveries influenced the design of the Reinvestment Initiatives. In addition, absent confirmation of the Plan, the City would not have the ability to access the capital markets on reasonable terms, meaning that the issuance of numerous and large judgments against the City would quickly deplete the City's limited resources and its tax base.

7. Raising taxes also is not a viable option for the City. The City is legally prohibited from raising property tax rates above their current levels, which rates are higher than those in neighboring communities and among the highest in Michigan. The likelihood of the people of Detroit or the State

legislature voting to raise taxes is remote. Even if the City could legally increase property tax rates, doing so would not increase the City's revenues because the City has reached its practical taxable limit, *i.e.*, tax saturation, meaning that any further tax increases on Detroit residents most likely would (a) exacerbate the City's already high tax collection delinquency rate, (b) continue the flight of residents and businesses from the City, (c) discourage inflow of prospective residents and businesses, (d) destabilize growth and (e) ultimately reduce the City's overall tax revenues. The loss of population in Detroit has compounded the City's financial difficulties and led to additional cutbacks in municipal services – which cutbacks, in turn, have led to continuing losses of population, industry and tax revenues. Increasing the tax burden on Detroit residents would only perpetuate this vicious cycle.

8. The effect of dismissal of the City's Chapter 9 Case would be the issuance of myriad judgment levies under State law.<sup>39</sup> In a dismissal scenario, the Revised Judicature Act would require the City to satisfy any judgments obtained by creditors either through bond issuances or property tax levies.<sup>40</sup> If the Chapter 9 Case were dismissed, the City's creditors would not realize greater recoveries than they would receive under the Plan because the City

---

<sup>39</sup> See M.C.L. § 600.6093.

<sup>40</sup> See *id.*

would lack the resources and ability to satisfy such judgment levies. In such a scenario, the City's pension obligations alone likely would quickly eradicate any meaningful recoveries for other unsecured creditors outside of chapter 9.

9. Dismissal of the Chapter 9 Case would deprive the City of the benefit of the Reinvestment Initiatives. Without such reinvestment, the City's ability to provide basic services would continue to decline below even today's inadequate levels. Without the ability to provide adequate levels of basic services, the City would be unable to reverse the exodus of residents and businesses from the City that has depleted the City's tax base, reduced land values and led to widespread abandonment and blight. In addition, the Plan offers financial benefits that would be unavailable to the City in the event of dismissal, including the \$816 million that will be contributed to the Retirement Systems in connection with the Grand Bargain, the Exit Facility and the cost savings to be realized by the Reinvestment Initiatives and the Settlements under the Plan.

10. *Feasibility.* The Plan is feasible, within the meaning of section 943(b)(7) of the Bankruptcy Code. On and after the Effective Date, it is more likely than not that the City will be able to (a) make all payments contemplated by the Plan without a significant probability of default and

(b) sustainably provide adequate municipal services to its residents.<sup>41</sup> The City has demonstrated a reasonable prospect that the City will successfully implement the Plan and the Reinvestment Initiatives.<sup>42</sup>

11. The City's revenue and expense projections contained in (a) the ten-year summary of the Reinvestment Initiatives (the "10-Year Reinvestment Initiative Summary") introduced into evidence as City Exhibit 108 (July 2014); (b) the ten-year statement of projected cash flows (the "10-Year Forecast") introduced into evidence as City Exhibits 109 (July 2014), 733 (September 2014), 780 (October 2014), 781 (October 2014) and 782 (October 2014); (c) the forty-year statement of projected cash flows (the "40-Year Forecast") introduced into evidence as City Exhibits 111 (July 2014), 734 (September 2014), 779 (October 2014) and 793 (October 2014); and (d) the ten-year statement of projected cash flows of the City's water and sewage disposal funds introduced into evidence as part of City Exhibit 3 (collectively with the 10-Year Reinvestment Initiative Summary, the 10-Year Forecast and the 40-Year Forecast, the "Projections"), are reasonable, made in good faith, accurate,

consistent with other financial projections made by the City and based upon assumptions that are reasonable when considered individually or collectively.<sup>43</sup>

12. The City will have employees that have the necessary skill and commitment to implement, and perform according to the terms of, the Plan. The City will also have adequate systems, controls and procedures (as modified, modernized and developed by the Reinvestment Initiatives) to (a) monitor the City's financial and operational performance and (b) minimize and eliminate fraud, abuse and waste (both in the City's day-to-day operations and in the implementation of the Reinvestment Initiatives).<sup>44</sup>

13. The City is beginning to implement appropriate controls to reasonably ensure the City's ongoing compliance with the terms of the Plan.<sup>45</sup> These controls include, but are not limited to: (a) the Michigan Financial Review Commission (the "Financial Review Commission") established pursuant to Public Act 181 of 2014, M.C.L. §§ 141.1631, *et seq.* ("PA 181" or the "Financial Review Commission Act"); (b) the requirements imposed by Public Act 182 of 2014,

M.C.L. § 117.4s-t ("PA 182" and, together with PA 181, the "Grand Bargain Legislation"), that the City (i) adopt a sound, multi-year financial plan, (ii) appoint a Chief Financial Officer and (iii) post its financial forecasts and contracts to the City's official website; and (c) the adoption of governance and financial oversight mechanisms for the Retirement Systems in connection with the State Contribution Agreement. The Financial Review Commission will have broad authority, under the Grand Bargain Legislation, to obtain and review the City's financial records on an ongoing basis, and to conduct financial audits of the City.<sup>46</sup>

14. The Reinvestment Initiatives provide for the reinvestment of approximately \$1.7 billion in the City between the Effective Date and June 30, 2023. The Reinvestment Initiatives will allow the City to achieve approximately \$483 million in additional revenue and \$358 million in cost savings during that same period, resulting in net reinvestment in the City of approximately \$877 million. The Reinvestment Initiatives are reasonably designed to, and more likely than not will, ensure that the City will be able to (a) remedy its service delivery insolvency and provide adequate municipal services to its residents, (b) meet its financial obligations on a prospective basis, (c) promote the stability of

<sup>46</sup> See M.C.L. § 141.1636.

the City's population and (d) provide a platform for the growth of both the City's resident and business populations.<sup>47</sup>

15. The costs associated with the Reinvestment Initiatives are reasonable. The goals of the Reinvestment Initiatives are achievable.<sup>48</sup> The City can arrest the reinforcing trends of population loss, declining property values and declining revenues if adequate services are restored, blight is remediated and the City becomes a more attractive place to live and work. The Reinvestment Initiatives will accelerate investment in the City by business, community and philanthropic organizations.

16. Absent the Reinvestment Initiatives, the City cannot provide a sustainable level of services to its residents. The Reinvestment Initiatives are necessary to (a) remedy the City's service delivery insolvency, (b) reduce blight and strengthen neighborhoods, (c) improve the efficiency of, and adequately fund, the City's operations (including, but not limited to, its administrative and support departments and the operations of the 36th District Court), (d) allow elected officials to more effectively manage the City, (e) enhance the City's revenues, (f) reduce the City's costs and (g) ensure the provision of

adequate and significantly improved municipal and public safety services to City residents and businesses.<sup>49</sup> The Mayor's office and the City Council have been consulted in connection with the City's restructuring and are committed to working in concert to implement the Plan and the Reinvestment Initiatives.<sup>50</sup>

17. It is more likely than not that the Plan is sustainable over the long term.<sup>51</sup> Based on the Projections, the City will have sufficient liquidity to sustain normal municipal operations, issue and perform under the New Securities, satisfy the Settlements and otherwise meet its financial obligations after the Effective Date. The amount and terms of the Exit Facility are reasonable. The City will have sufficient resources to service the Exit Facility. The Plan and the Exit Facility will enable the City to resolve onerous debts related to the City's excessive prepetition borrowing. The City's commitment, under the Plan, to use its best efforts to prepay the New LTGO Bonds on the Effective Date, or as soon as reasonably practicable thereafter, is both reasonable and feasible. Credit markets

likely (a) will be receptive to the newly de-leveraged City and (b) would be closed to the City absent the restructuring to be implemented pursuant to the Plan and the Reinvestment Initiatives. Although future economic risks cannot be predicted with certainty, and some economic risk factors are outside of the City's control, under the Plan, the City more likely than not will be able to adapt to unforeseen circumstances as necessary to preserve its revitalization.

18. Under the Plan, the DWSD will have sufficient resources to make the capital improvements necessary to enable the DWSD to continue to provide an adequate level of water and sewer service to its customers, and the DWSD's current capital improvement plans are reasonable for this purpose. There is no material risk of a system-wide failure that would prevent the DWSD from providing adequate levels of service. In addition, the DWSD Pension Funding does not negatively impact the feasibility of the Plan with respect to other creditors or the reinvestment initiatives.

### **EXECUTORY CONTRACTS**

O. Pursuant to sections 365 and 1123(b)(2) of the Bankruptcy Code (incorporated into this Chapter 9 Case by section 901 of the Bankruptcy Code), upon the occurrence of the Effective Date, Section II.D of the Plan provides for the assumption, assumption and assignment or rejection of certain Executory Contracts and Unexpired Leases. The City's determinations regarding the

assumption, assumption and assignment or rejection of Executory Contracts and Unexpired Leases are based on and within the sound business judgment of the City, are necessary to the implementation of the Plan and are in the best interests of the City, holders of Claims and other parties in interest in the Chapter 9 Case.

The City has filed Exhibit II.D.6 to the Plan (as it may have been amended or supplemented) and either has provided or will provide notice of the City's determinations regarding the assumption, assumption and assignment or rejection of Executory Contracts or Unexpired Leases and any related Cure Amount Claims consistent with the procedures (collectively, the "Contract Procedures") set forth in the Order, Pursuant to Sections 365, 901 and 1123 of the Bankruptcy Code, (A) Establishing Procedures with Respect to the Proposed Assumption and Rejection of Executory Contracts and Unexpired Leases and (B) Approving the Form and Manner of Notice Thereof (Docket No. 6512), entered on August 4, 2014 (the "Contract Procedures Order").

### **SETTLEMENTS AND RELEASES**

P. Pursuant to Bankruptcy Rule 9019(a) or otherwise, and in consideration for the distributions and other benefits provided under the Plan, the provisions of the Plan constitute a good faith compromise and settlement of all Claims and controversies resolved pursuant to the Plan.

Q. Based upon the representations and arguments of counsel to the City, the Retiree Committee, the Retirement Systems, Syncora, FGIC, the State, DIA Corp., the RDPFFA and the DRCEA, and all other testimony either actually given or proffered and other evidence introduced at the Confirmation Hearing and the full record of this Chapter 9 Case, the findings and conclusions of which are hereby incorporated by reference as if fully set forth herein, this Order constitutes the Court's approval of all Settlements provided for herein or in the Plan because, among other things, all aspects of such Settlements have been fully disclosed and such Settlements (and, as applicable, the agreements underlying such Settlements): (1) were negotiated and entered into in good faith and at arm's length; (2) comport with the policies and purposes of chapter 9 of the Bankruptcy Code; (3) reflect a reasonable balance between certainty and the risks and expenses of both future litigation and the continuation of the Chapter 9 Case; (4) fall well within the range of reasonableness for the resolution of complex litigation; (5) are fair, equitable and reasonable and in the best interests of the City, its creditors and other parties in interest; (6) represent appropriate exercises of the City's business judgment; (7) are essential to the successful implementation of the Plan; and (8) meet the standards for approval under sections 105(a) and 1123(b) of the Bankruptcy Code, Bankruptcy Rule 9019(a) and other applicable law.

R.     The DIA Settlement. The DIA Settlement resolves a substantial dispute surrounding the extent of the City's property rights with respect to the DIA Assets. Under the DIA Settlement, as reflected in Section IV.E.2 of the Plan, the City will irrevocably transfer all of its right, title and interest in and to the DIA Assets to DIA Corp., as trustee, to hold in perpetual charitable trust, and within the City limits, for the primary benefit of the residents of the City and the Counties and the citizens of the State.<sup>52</sup>

1.     The City cannot be compelled to liquidate the DIA Collection.<sup>53</sup> Even if such a liquidation could be compelled, however, many works in the DIA Collection are subject to donor restrictions and, contrary to the City's position, the Michigan Attorney General and DIA Corp. assert that the entire DIA Collection is held in trust.<sup>54</sup> The City's likelihood of success in potential litigation over whether the City has sufficient interest in the DIA Assets (or in any of them) to permit it to sell any such assets and use the proceeds of sale for its own purposes, including payment of operating expenses or debt, is uncertain. Any such litigation would likely take substantial time and cause the City to incur substantial expense.

---

<sup>52</sup>     *See* Plan, at Exhibit I.A.127 (DIA Settlement Documents).

<sup>53</sup>     *See supra*, ¶ N.2; 11 U.S.C. § 904.

<sup>54</sup>     *See* Michigan Attorney General Opinion No. 7272 (June 13, 2013).

2. For the reasons set forth in the Confirmation Opinion, even if the City were to prevail in whole or in part in such litigation over the City's ability to sell the DIA Assets, it would not be in the City's best interests to liquidate the DIA Assets because (a) the City's ability to realize, on a timely basis, the full value of each of the DIA Assets it would be permitted to sell is uncertain and (b) a forced liquidation of the DIA Collection likely would yield only a fraction of the DIA Collection's true economic value. A proposed sale or other deaccession of the DIA Assets would have been resisted, and likely would have provoked adverse action, including litigation, by (a) DIA Corp. and donors to DIA Corp. and to the DIA and (b) the international art community. Preservation of the DIA Assets and the DIA is strongly in the interest of the City and its residents, is an important element in the revitalization of the City, critical to the feasibility of the Plan and to the City's future and therefore is in the interest of its creditors, who are receiving under the Plan payments over a period of time.

3. The compromises and settlements embodied in the DIA Settlement (a) accurately reflect and effectively resolve a substantial dispute surrounding the extent of the property rights the City possesses with respect to the DIA Assets, (b) avoid objections to confirmation of the Plan regarding the Plan's treatment of Pension Claims, (c) resolve pending appeals regarding the Court's ability to impair pensions under chapter 9 of the Bankruptcy Code, and (d) are,

collectively, a key compromise upon which several provisions of the Plan rest.

In the absence of the DIA Settlement, the City's emergence from chapter 9 would likely have been delayed by litigation and burdened with additional expenses.

4. The DIA Settlement has not been entered into fraudulently, nor with the intent to hinder, delay or defraud any entity to which the City is, or may become, indebted on or after the Effective Date. The DIA Settlement is not a fraudulent transfer under state or federal law.

5. The transfer of the DIA Assets to the DIA Corp. serves the public purpose of providing civic, artistic and cultural activities to the general public. Such transfer is authorized by law, including by Section 4k of the Michigan Home Rule City Act, M.C.L. § 117.4k, and Section 1-102 of the Detroit City Charter.

6. The DIA Settlement (a) eliminates the risk and expense of litigation regarding the DIA Assets and the Plan's treatment of Pension Claims and (b) leverages the DIA Assets for the benefit of the City's pensioners while also protecting the DIA Assets from the threat of liquidation and preserving the DIA Assets for the benefit of the City, its residents and surrounding communities. Based on the evidence of (a) the amount of the consideration to be provided under the DIA Settlement directly to the Retirement Systems, (b) DIA Corp.'s commitments to the City under the DIA Settlement, including the obligation to

maintain for the benefit of the public an encyclopedic art museum the permanent primary situs of which will be in the City, and (c) the settlement of litigation over the extent of the City's right, title or interest in the DIA Assets, the DIA Settlement and the transfer of the DIA Assets as provided in the DIA Settlement are for fair value and fair consideration and are fair, equitable, reasonable and in the best interests of the City and its creditors and residents.

S. The UTGO Settlement. After sufficient notice and opportunity for all parties to be heard, and after due deliberation, based on the Court's thorough review and full consideration of the UTGO Settlement Agreement and good and sufficient cause appearing therefor, the Court makes the following findings of fact and conclusions of law with respect to the UTGO Settlement:

1. The UTGO Settlement described in the Plan and the UTGO Settlement Agreement are fair, equitable, reasonable and in the best interests of the City and its creditors and residents. The UTGO Settlement Agreement is the result of extensive arm's length negotiations among the City and the Settling UTGO Bond Insurers – all of whom were represented by sophisticated counsel. The compromises and settlements embodied in the UTGO Settlement (a) resolve all disputes with respect to claims classified in Class 8 under the Plan and the issues raised by the Settling UTGO Bond Insurers in the UTGO Litigation and (b) are, collectively, a key compromise upon which several provisions of the

Plan rest. In the absence of such compromises and settlements, the City's emergence from chapter 9 would likely have been delayed by litigation and burdened with additional expenses.

2. The UTGO Settlement and the UTGO Settlement

Agreement: (a) were negotiated and entered into in good faith; (b) comport with the policies and purposes of chapter 9; (c) are fair, equitable and reasonable; (d) are in the best interests of the City and its creditors and residents as they not only fully resolve the UTGO Litigation but also permit the City's assignees to receive value from the Assigned UTGO Bond Tax Proceeds as set forth in the Plan, which receipt fulfills a requirement of the State Contribution Agreement; (e) are within the range of reasonable results if the disputes resolved by the UTGO Settlement, including the UTGO Litigation, were instead litigated to a conclusion; (f) fall above the lowest point in the range of reasonableness; and (g) meet the standards for approval under sections 105(a) and 1123(b) of the Bankruptcy Code, Bankruptcy Rule 9019(a) and other applicable law.

3. Without limiting any of the foregoing, the Court hereby

finds that:

- The Plan incorporates the UTGO Settlement Agreement, and the effectiveness of the Plan is expressly conditioned upon: (a) the MFA board having approved the issuance of the Restructured UTGO Bonds and such bonds having been issued;

and (b) the City having obtained all governmental and Emergency Manager consents and approvals required to carry out the terms of the UTGO Settlement Agreement.<sup>55</sup>

- As of the Effective Date, the Plan represents a full, final and complete compromise, settlement, release and resolution of, among other matters, all disputes and pending or potential litigation (including any appeals), including, without limitation, the UTGO Litigation, regarding the allowability, amount, priority and treatment of the Unlimited Tax General Obligation Bond Claims. The treatment of Class 8 Unlimited Tax General Obligation Bond Claims under the Plan is a component of a settlement and compromise of the UTGO Litigation.<sup>56</sup>
- Good and valuable consideration has been provided for all releases and exculpations granted pursuant to the UTGO Settlement Agreement, including, without limitation, the releases and exculpations granted pursuant to Sections 6.1 and 6.2 of the UTGO Settlement Agreement. Such provisions are fair, equitable, reasonable and integral elements of the UTGO Settlement Agreement.<sup>57</sup>
- The Court confirms that, as of the Effective Date and pursuant to Emergency Manager Bond Order No. 4, the Municipal Obligation shall be secured, to the extent permitted by law, including, without limitation, Section 12(1)(x) of PA 436, by a lien granted by the City on the UTGO Bond Tax Levy

for so long as either the Municipal Obligation or the Stub UTGO Bonds are outstanding.<sup>58</sup>

- As of the Effective Date, the UTGO Bond Tax Levy shall constitute "special revenues," as defined in section 902 of the Bankruptcy Code, and "pledged special revenues," as that term is used in section 922(d) of the Bankruptcy Code.<sup>59</sup>
- As of the Effective Date, the MFA shall possess a valid and enforceable statutory fourth lien and trust on the shared revenue payments that the City is entitled to receive from the State under the Michigan Constitution and Michigan Public Act 140 of 1971, the Glenn Steil State Revenue Sharing Act, M.C.L. §§ 141.901, *et seq.*, as amended ("Distributable State Aid"), as provided in Section 15(2) of Michigan Public Act 227 of 1985, the Shared Credit Rating Act, M.C.L. §§ 141.1051, *et seq.*, or as otherwise provided under applicable law.<sup>60</sup>
- As of the Effective Date, Holders of the Restructured UTGO Bonds shall possess all of the MFA's rights and interest in the Municipal Obligation including all the rights and interest provided herein and under the UTGO Settlement Agreement, subject to the reservation by the MFA of rights to indemnification and to make all determinations and approvals and receive all notices accorded to it under the Municipal Obligation and related documents. Accordingly, the Restructured UTGO Bonds will be payable from and secured by (a) payments made by the City on the Municipal Obligation and to the extent

permitted by law, including, without limitation, Section 12(1)(x) of PA 436, a lien on the portion of the UTGO Bond Tax Levy allocable to the Municipal Obligation, pledged by the City to secure the Municipal Obligation; and (b) a lien, made a statutory lien as provided by the Shared Credit Rating Act, on moneys in the funds and accounts established for the Restructured UTGO Bonds under the authorizing resolution for such bonds, including payments pledged by the City and received and held by the MFA or its trustee for the Restructured UTGO Bonds, which include, without limitation, all payments of (i) the proceeds of the UTGO Bond Tax Levy and (ii) Distributable State Aid.<sup>61</sup>

T. The LTGO Settlement. The LTGO Settlement Agreement and all Sections of the Plan pertaining to recoveries upon Limited Tax General Obligation Bond Claims, including Sections II.B.3.n and II.B.3.p.i.A of the Plan (such sections of the Plan, collectively with the LTGO Settlement Agreement, the "LTGO Settlement") are fair, equitable, reasonable and in the best interests of the City and its creditors and residents. The LTGO Settlement is the result of extensive arm's length negotiations among the City, the LTGO Insurer and BlackRock Financial Management (on behalf of certain managed funds and accounts) ("BlackRock"). The compromises and settlements embodied in the LTGO Settlement (1) resolve all disputes with respect to (a) the Plan and any objections filed by the LTGO Insurer or BlackRock related to the Plan, (b) the

Claims classified in Class 7 under the Plan and (c) all issues relating to Limited Tax General Obligation Bonds raised in the adversary proceeding brought before the Bankruptcy Court, captioned as *Ambac Assurance Corp. v. City of Detroit, Michigan*, No. 13-5310 (Bankr. E.D. Mich.) (the "Ambac Action"); and (2) are, collectively, a key compromise upon which several provisions of the Plan rest.<sup>62</sup> In the absence of such compromises and settlements, the City's emergence from chapter 9 likely would have been delayed by litigation and burdened with additional expenses, with no assurance of a better result for the City. The treatment of Limited Tax General Obligation Bonds and related Limited Tax General Obligation Bond Claims under the Plan is part of the settlement of the Ambac Action, as such proceeding relates to such Bonds and Claims.

U. The OPEB Settlement. The OPEB Settlement is the result of extensive arm's length negotiations between the City and the Retiree Committee, which was represented by sophisticated counsel, and is an integral component of the City's global settlement of pension-related and other labor-related issues negotiated with, among others, the Retiree Committee. The compromises and settlements embodied in the OPEB Settlement (1) resolve all disputes with respect to the aggregate valuation of Claims classified in Class 12 under the Plan and the issues raised by the Retiree Committee in the Retiree Health Care Litigation; and

---

<sup>62</sup> See Plan, at Exhibit I.A.237 (LTGO Settlement Agreement).

(2) are, collectively, a key compromise upon which several provisions of the Plan rest. In the absence of such compromises and settlements, the City's emergence from chapter 9 likely would have been delayed by litigation and burdened with additional expenses, with no assurance of a better result for the City.

1. The OPEB Settlement is in the best interests of the City and its creditors and residents as it fully resolves (a) the dispute between the City and the Retiree Committee regarding the aggregate valuation of OPEB Claims and the treatment of OPEB Claims under the Plan and (b) the Retiree Health Care Litigation. The OPEB Settlement is within the range of reasonable results if the disputes resolved by the OPEB Settlement, including the Retiree Health Care Litigation, were instead litigated to a conclusion.

V. The 36th District Court Settlement. The 36th District Court Settlement is the result of extensive arm's length negotiations among the City, the 36th District Court and the Settling 36th District Court Claimants. The compromises and settlements embodied in the 36th District Court Settlement resolve all disputes with respect to (1) the Plan and any objections filed by Settling 36th District Court Claimants related to the Plan and (2) the treatment of Indirect 36th District Court Claims under the Plan. In the absence of such compromises and settlements, the City's emergence from chapter 9 likely would have been

delayed by litigation and burdened with additional expenses, with no assurance of a better result for the City.

1. The 36th District Court Settlement is in the best interests of the City and its creditors and residents as it not only resolves the treatment of Indirect 36th District Court Claims under the Plan, but also provides for the payment of the Settling 36th District Court Claimants' Claims at a significant discount while enabling the City to avoid further litigation with the Settling 36th District Court Claimants regarding the City's power to impair Indirect 36th District Court Claims under the Plan. The 36th District Court Settlement is within the range of reasonable results if the disputes resolved by the 36th District Court Settlement were instead litigated to a conclusion.

W. The Syncora Settlement. The Syncora Settlement is the result of extensive arm's length negotiations among the City, Syncora and other interested parties impacted by the Syncora Settlement, including the Retiree Committee and the LTGO Insurer. The Syncora Settlement includes a long term commitment by Syncora to the revitalization of core areas of the City and a partnership between Syncora and the City focused on the City's growth. Without limiting the foregoing, the Court hereby finds as follows with respect to the Syncora Settlement:

1. The compromises and settlements embodied in the Syncora Settlement resolve all disputes between the City and Syncora with respect to (a) any Class 9 Claim or Class 14 Claim held by Syncora, (b) the Plan and all objections filed by Syncora related to the Plan (including any objection related to the UTGO Settlement) and (c) all issues arising in connection with the Dismissed Syncora Litigation, including, but not limited to, issues arising in connection with the COP Swap Settlement and the Tunnel Lease. In the absence of the Syncora Settlement, the City's emergence from chapter 9 likely would have been delayed by additional litigation and burdened with additional expenses, with no assurance of a better result for the City. The Syncora Settlement is (a) a reasonable exercise of the City's business judgment and (b) within the range of reasonable results if the disputes resolved by the Syncora Settlement were instead litigated to a conclusion.

2. As part of the Syncora Settlement and to resolve all pending litigation involving the City and Syncora, the parties have agreed to enter into certain transactions (collectively, the "Syncora Redevelopment Transactions"), which include: (a) the amendment, assumption and extension of the Tunnel Lease;<sup>63</sup> (b) the Syncora Development Agreement;<sup>64</sup> and (c) the agreement between the City and Pike Pointe Holdings, LLC (the "Developer"), a subsidiary of

<sup>64</sup> See Plan, at Exhibit I.A.340.

Syncora, that provides the Developer, for a period of one year following the Effective Date, with the option to enter into a 30-year concession agreement to operate and maintain the Grand Circus Parking Garage. The Syncora Redevelopment Transactions will provide the City with benefits that the City otherwise would be unable to realize, including by laying the groundwork for a decades-long partnership between the City and Syncora that promises to provide substantial investment in, and rehabilitation of, City assets on a mutually beneficial basis. In addition, pursuant to the Syncora Settlement, the City will pay Syncora the sum of \$5 million (the "Swap-Related Consideration") in consideration for Syncora's (a) dismissal of Syncora's appeals of the COP Swap Settlement Approval Order (Docket No. 4094) and the Order Regarding Casino Revenues and Automatic Stay (Docket No. 670) and (b) withdrawal of Syncora's other litigation claims arising from the COP Swap Documents.<sup>65</sup> The Swap-Related Consideration, and any consideration provided by the City to Syncora in connection with the Syncora Redevelopment Transactions, is separate and distinct from, and constitutes no part of, the treatment under the Plan of Class 9 COP Claims. The Syncora Development Agreement is solely for the benefit of Syncora (subject to any provision set forth in the Plan for payment of COP Agent Fees). The Syncora

<sup>65</sup> See Plan, at § IV.I.

Settlement provides benefits to Classes 7, 12 and 14 under the Plan that would otherwise have been unavailable thereto.

X. The FGIC/COP Settlement. The FGIC/COP Settlement is the result of extensive good faith, arm's length negotiations among the City, FGIC, the FGIC COP Holders and the State. The FGIC/COP Settlement is founded on a long term commitment by FGIC to the revitalization of core areas of the City and a partnership among FGIC, the City and the State focused on the City's growth. Without limiting the foregoing, the Court hereby finds as follows with respect to the FGIC/COP Settlement:

1. The compromises and settlements embodied in the FGIC/COP Settlement resolve all disputes between the City, FGIC and the FGIC COP Holders with respect to (a) all Class 9 or Class 14 Claims held by FGIC and all Class 9 Claims held by the FGIC COP Holders, (b) the Plan and any objection filed by FGIC or the FGIC COP Holders related to the Plan and (c) all issues arising in connection with the Dismissed FGIC/COP Litigation. In the absence of the FGIC/COP Settlement, the City's emergence from chapter 9 likely would have been delayed by litigation and burdened with additional expenses, with no assurance of a better result for the City. The FGIC/COP Settlement is (a) a reasonable exercise of the City's business judgment and (b) within the range of

reasonable results if the disputes resolved by the FGIC/COP Settlement were instead litigated to a conclusion.

2. As part of the FGIC/COP Settlement and to resolve all pending litigation involving the City and FGIC, the City and FGIC have agreed to enter into the FGIC Development Agreement. The FGIC Development Agreement will provide the City with various benefits that the City otherwise would be unable to realize, including by laying the groundwork for a decades-long partnership among the City, FGIC and the State that promises to provide substantial investment in, and rehabilitation of, City assets. Any consideration provided by the City to FGIC in connection with the FGIC Development Agreement is separate and distinct from, and constitutes no part of, the treatment under the Plan of Class 9 COP Claims. The FGIC Settlement Consideration and the FGIC Development Agreement are solely for the benefit of FGIC and the FGIC COP Holders (subject to any provision set forth in the Plan for payment of COP Agent Fees).<sup>66</sup>

---

<sup>66</sup> In addition, pursuant to the FGIC/COP Settlement, in full satisfaction and discharge of FGIC's Claims against the City related to the COP Swap Documents, FGIC will receive an Allowed Class 14 Claim in the amount of \$6.13 million and the Downtown Development Authority shall assign to FGIC all of the Downtown Development Authority's right, title and interest to its distribution of New B Notes under the Plan on account of its \$33.6 million Class 13 Claim. This consideration is solely for FGIC's benefit.

The FGIC/COP Settlement provides benefits to Classes 7, 12 and 14 under the Plan that would otherwise have been unavailable thereto.

3. The consideration to be paid by the City pursuant to the Syncora Settlement and the FGIC/COP Settlement is expected to be offset by certain newly-identified sources of revenue not incorporated into the City's July and September 2014 Projections (the "Prior Projections"), meaning that (a) the City's overall cash position set forth in the Prior Projections remains materially unchanged in the City's October 2014 Projections (incorporating the costs of the Syncora Settlement and the FGIC/COP Settlement) and (b) the City will have sufficient cash and revenues to satisfy its obligations under the Settlements and meet its operating expenses going forward.

Y. ASF Recoupment. ASF Recoupment, as set forth at Section II.B.3.r.ii.D of the Plan, is: (1) an integral component of the City's global settlement of pension-related and other labor-related issues negotiated with, among others, the Retirement Systems and the Retiree Committee; and (2) is well within the range of possible reasonable settlements.

1. During the period beginning in the mid-1980s until fiscal year 2012, Annuity Savings Fund accounts maintained on behalf of certain participants (who voluntarily contributed after tax dollars into the Annuity Savings Fund maintained by the GRS) often were credited with interest in excess of the

actual or market rate of return for assets in the GRS Traditional Pension Plan (such interest, the "ASF Excess Interest"). Because the assets credited to such Annuity Savings Fund accounts were coinvested with the assets of the GRS Traditional Pension Plan, assets of the GRS Traditional Pension Plan were allocated to the applicable Annuity Savings Fund accounts to fund such ASF Excess Interest. The City asserts that the aggregate total of such ASF Excess Interest credited during the period from 2003 through 2013 was approximately \$387 million. The ASF Recoupment contemplated by the Plan would recover approximately \$190 million in total ASF Excess Interest credited to Annuity Savings Fund accounts through reductions to retiree pension benefits and asset transfers from active GRS participants.

2. The City has argued that the crediting of ASF Excess Interest to Annuity Savings Fund accounts constitutes a violation under Michigan Public Act 314 of 1965, the Public Employee Retirement System Investment Act, as well as the common law of trusts of the fiduciary duties owed to the GRS Traditional Pension Plan by the GRS Trustees and was an *ultra vires* act under the Detroit City Charter. Several GRS participants object, and assert a number of defenses to, the ASF Recoupment proposed by the City.

3. The Court does not rule on the merits of the City's claim to recover ASF Recoupment or the merits of the GRS participants' defenses.

The Court reviews the parties' respective positions solely to determine whether the ASF Recoupment component of the City's broader pension-related settlement is reasonable. The Court finds substantial merit in the City's claim to recover ASF Excess Interest. The legal authority of the GRS Trustees to credit ASF Savings Fund Accounts with ASF Excess Interest was doubtful, and the prudence of the practice even more so. The Court further finds that the defenses to ASF Recoupment asserted by the objecting GRS participants likely have little merit. Accordingly, the Court finds that the City would have a reasonable likelihood of success (between 60% and 70%) on any claim to recover ASF Excess Interest. Nevertheless, the length, complexity and expense of any such litigation, and related issues of collectability, would be substantial.

4. ASF participants received due process of law with respect to ASF Recoupment. In particular, ASF participants received (a) the Plain Language Supplement as part of their Solicitation Packages describing in detail the effect of ASF Recoupment (as well as subsequent communications from the City, the Retiree Committee, the Retirement Systems and certain retiree associations) and (b) sufficient opportunity to object to the Plan and ASF Recoupment, an opportunity exercised by many ASF participants.<sup>67</sup>

---

<sup>67</sup> See Certificate of Service (Docket No. 6177), at ¶¶ 10, 14.

5. ASF Recoupment will not cause the amounts recovered from ASF Distribution Recipients to exceed the ASF Recoupment Cap or the Current GRS Retiree Adjustment Cap as such amounts are amortized over time using a 6.75% interest rate. Subject to Section II.B.3.r of the Plan, GRS participants subject to ASF Recoupment have the option to pay the ASF Recoupment Amount in a lump sum. The caps and other limitations on ASF Recoupment limit the hardship resulting to GRS participants therefrom.

Z. Plan Releases. Each non-Debtor party that will benefit from the releases, exculpations and related injunctions set forth in, among others, Sections III.D.5, III.D.6 and III.D.7 of the Plan (collectively, the "Plan Releases") either shares an identity of interest with the City, was instrumental to the successful prosecution of the Chapter 9 Case or provided substantial consideration, which value will allow for distributions that would not otherwise be available but for the contributions made by such non-Debtor parties. The Plan Releases are, individually and collectively, integral to, and necessary for the successful implementation of, the Plan, essential to the City's restructuring and supported by reasonable consideration. The City and all creditors that voted to accept the Plan have expressly consented to the Plan Releases. Releases of non-Debtor parties pursuant to Section III.D.7 of the Plan were appropriately disclosed by the City in the Disclosure Statement, on each Ballot mailed to creditors and in the Plain

Language Supplement.<sup>68</sup> Accordingly, in light of all of the circumstances, the Plan Releases are consonant with the prevailing law in this District and are fair to the releasing parties. Without limiting the foregoing, the Court hereby finds as follows with respect to the Plan Releases:

1. The releases set forth in Section III.D.7.a of the Plan are consensual releases that apply only to holders of Claims that voted to accept the Plan. The Plan's consensual release provisions are lawful and appropriate.

2. The exculpation provision contained in Section III.D.6 of the Plan complies with applicable law and is appropriate. Such provision contains a carve-out for gross negligence and willful misconduct and is limited to claims arising out of the City's restructuring efforts and the Chapter 9 Case. In addition, the Plan's exculpation provision extends only to certain parties who either have settled with the City or have actively participated in the City's restructuring activities.

3. The non-consensual third party releases and related injunctions contained in the Plan (as such releases and injunctions may have been modified herein with respect to claims asserted against officers and employees of the City in their individual capacity pursuant to 42 U.S.C. § 1983 (*see* ¶¶ 22, 32 below)) are lawful and appropriate because unusual circumstances exist in the

City's Chapter 9 Case that justify their application. As far as this Court is aware, this is the first chapter 9 case wherein (a) the debtor has sought to compromise pension benefits for a municipality's active and retired workforce *and* (b) third parties under no obligation to contribute funds to creditors of a municipal debtor have volunteered to provide funding in addition to proposed recoveries under the debtor's plan of adjustment.

4. As part of the Grand Bargain, the State has agreed to contribute \$194.8 million to reduce the Retirement Systems' underfunding.<sup>69</sup> The settlements the City reached with representatives of its retirees and employees are conditioned upon the receipt of the State funding.<sup>70</sup> The contributions to be made by the State pursuant to the State Contribution Agreement are made in exchange for the release of, among other things, (a) the constitutionally-based claims asserted by the Retirement Systems and holders of Pension Claims that such Claims may not be impaired and (b) certain litigation identified in the State Contribution Agreement. The funding obligation of the State under the State Contribution Agreement is expressly conditioned upon the State and the State Related Entities obtaining the release set forth in Section III.D.7.b of the Plan.<sup>71</sup>

---

<sup>69</sup> See Plan, at Exhibit I.A.332 (State Contribution Agreement).

<sup>70</sup> See Plan, at Exhibits I.A.127, I.A.332.

<sup>71</sup> See Plan, Exhibit I.A.332, at 5.

The funding obligation of the DIA Funders under the DIA Settlement Documents is expressly conditioned upon the State's provision of funding pursuant to the State Contribution Agreement.<sup>72</sup> Because (a) the consummation of both the State Contribution Agreement and the DIA Settlement – and, thus, the State's and DIA Funders' respective contributions pursuant thereto – depends upon the approval of the releases set forth at Section III.D.7.b of the Plan; (b) the releases set forth at Section III.D.7.b of the Plan apply only with respect to holders of Class 10 and Class 11 Claims, *i.e.*, direct beneficiaries of both the State Contribution Agreement and the DIA Settlement; and (c) such provisions otherwise comply with applicable law, the Court hereby finds that the releases set forth at Section III.D.7.b of the Plan and any related injunctions are lawful and appropriate under the unusual circumstances of the City's Chapter 9 Case.

AA. Exit Facility. The terms and conditions of the Exit Facility and all of the transaction documents governing the Exit Facility, including, but not limited to, bond purchase agreements, indentures, bond forms, account control agreements and all other related documents and agreements (collectively, the "Exit Facility Documents") and the fees to be paid thereunder (1) are fair and reasonable, (2) reflect the City's exercise of prudent judgment, (3) are supported by reasonably

equivalent value and fair consideration, (4) are proposed in good faith, (5) are critical to the success and feasibility of the Plan and (6) are in the best interests of the City. The Exit Facility and the fees to be paid thereunder are the result of a full and fair marketing process conducted by the City and its agents and advisors.

The Exit Facility and the Exit Facility Documents and the fees to be paid thereunder were negotiated in good faith, without fraud or collusion and at arm's length among the parties, without the intent to hinder, delay or defraud any creditor of the City, and are supported by reasonably equivalent value and fair consideration. Credit extended under the Exit Facility and the Exit Facility Documents is extended in good faith for purposes and uses that are permitted by law, and not in violation of the Bankruptcy Code or of applicable nonbankruptcy law, and the Exit Facility (including the transactions contemplated by the Exit Facility Documents) is not prohibited by applicable bankruptcy or nonbankruptcy law. Each of (1) the MFA, (2) Barclays Capital Inc. (or such other qualifying affiliate as transferee), (3) the indenture trustee to be named under the Exit Facility Documents and (4) the holders of the bonds to be issued in connection with the Exit Facility (collectively, the "Exit Bonds"), therefore, shall not be affected by any reversal, modification, vacatur, amendment, reargument or reconsideration of this Order, any order finding jurisdiction, the Order for Relief or any other order.

BB. Waiver of Stay of Confirmation Order. To enable the City to (1) consummate the DIA Settlement and the State Contribution Agreement expeditiously, both of which settlements are conditioned upon the occurrence of the Effective Date; (2) begin implementing, and making distributions to the City's creditors pursuant to, the Plan; and (3) emerge from bankruptcy as expeditiously as possible to minimize costs to all parties and remedy its service delivery insolvency, good cause exists to support a waiver of the stay imposed by Bankruptcy Rule 3020(e).

ACCORDINGLY, IT IS HEREBY ORDERED, ADJUDGED AND DECREED, AS FOLLOWS:

**A. Confirmation of Plan**

1. The Plan and each of its provisions (whether or not specifically approved herein) are CONFIRMED in each and every respect, pursuant to section 943 of the Bankruptcy Code. Failure specifically to include or reference particular sections or provisions of the Plan or any related agreement in this Order shall not diminish or impair the effectiveness of such sections or provisions, it being the intent of the Court that the Plan be confirmed and such related agreements be approved in their entirety.

2. The Effective Date of the Plan shall occur on the date determined by the City when the conditions set forth in Section III.A of the Plan

have been satisfied or, if applicable, have been waived in accordance with Section III.B of the Plan.

3. Any objections or responses to Confirmation of the Plan and the reservation of rights contained therein that (a) have not been withdrawn, waived or settled prior to the entry of this Order or (b) are not cured by the relief granted herein are hereby OVERRULED in their entirety and on their merits, and all withdrawn objections or responses are hereby deemed withdrawn with prejudice.

**B. Findings of Fact and Conclusions of Law**

4. Any finding of fact set forth in this Order constitutes a finding of fact even if it is stated as a conclusion of law, and any conclusion of law set forth in this Order constitutes a conclusion of law even if it is stated as a finding of fact. All findings of fact and conclusions of law announced by the Court on the record in connection with confirmation of the Plan or otherwise at the Confirmation Hearing or in the Confirmation Opinion are incorporated herein by reference.<sup>73</sup> The findings of fact and conclusions of law set forth herein, in the

<sup>73</sup> The findings of fact and conclusions of law that are (a) set forth herein, (b) announced on the record during the Confirmation Hearing and (c) in the Confirmation Opinion shall be construed in a manner consistent with each other so as to effect the purpose of each; *provided, however*, that if there is any direct conflict that cannot be reconciled, then, solely to the extent of such conflict, the provisions of the Confirmation Opinion shall govern and

Confirmation Opinion and in the record of the Confirmation Hearing constitute the Court's findings of fact and conclusions of law pursuant to Rule 52 of the Federal Rules of Civil Procedure, as made applicable herein by Bankruptcy Rules 7052 and 9014.

### **C. Approval of Settlements**

5. Consistent with the findings herein, the DIA Settlement, the State Contribution Agreement, the UTGO Settlement, the LTGO Settlement, the 36th District Court Settlement, the OPEB Settlement, the Syncora Settlement and the FGIC/COP Settlement (collectively, the "Settlements"), including, without limitation, any and all of the transactions contemplated, liens granted and protections created therein, are approved in all respects as good faith, fair, reasonable and equitable compromises and settlements of all disputes with respect to the subject matter thereof that are in the best interests of the City and its creditors and residents.

6. The entry of this Order constitutes: (a) approval of the each of the Settlements pursuant to, as applicable, (i) the Bankruptcy Rules, including Bankruptcy Rule 9019, (ii) the Bankruptcy Code, including section 1123 thereof

8. As provided in the Plan, on the Effective Date, the UTGO Settlement Agreement shall be binding on the City, Ambac, Assured and NPMG. All exculpations and releases granted pursuant to the UTGO Settlement, including, without limitation, the releases and exculpations granted pursuant to Sections 6.1 and 6.2 of the UTGO Settlement Agreement, are hereby approved in their entirety.

The Court approves such settlements and releases on the grounds that good and valuable consideration has been provided therefor, and that such provisions are fair, equitable, reasonable and integral elements of the UTGO Settlement Agreement.

9. The proceeds of the UTGO Bond Tax Levy collected by the City shall be segregated and transmitted to the Debt Millage Escrow Trustee (as such term is defined at Section 2.4(a) of the UTGO Settlement Agreement) under the Debt Millage Escrow Agreement (as such term is defined at Section 1.2 of the UTGO Settlement Agreement), and the Debt Millage Escrow Trustee shall segregate and transmit the proceeds allocable to the Municipal Obligation to the Master Trustee (as such term is defined at Section 1.2 of the UTGO Settlement Agreement) in accordance with Section 2.4(a) of the UTGO Settlement Agreement.

10. Pursuant to the Section 2.7(b) of the UTGO Settlement Agreement, the City shall certify annually, not later than June 30 of each year, that it has imposed the debt millage levy as required by and in accordance with the terms of the UTGO Settlement Agreement.

11. All exculpations and releases granted pursuant to the LTGO Settlement, including, without limitation, the releases and exculpations granted pursuant to Sections 6.1 and 6.2 of the LTGO Settlement Agreement, are hereby approved in their entirety. The Court hereby approves such settlements and releases on the grounds that good and valuable consideration has been provided

therefor, and that such provisions are fair, equitable, reasonable and integral elements of the LTGO Settlement.

12. All consent rights granted by the City to the LTGO Settlement Parties, on behalf of the holders of Allowed Limited Tax General Obligation Bond Claims, as reflected in the LTGO Settlement and specifically in Section II.B.3.p.i.A of the Plan, with respect to pre-Effective Date and post-Effective Date settlements of the COP Litigation are integral elements of the LTGO Settlement and supported by good and valuable consideration.

13. In accordance with the LTGO Settlement, each month, the City shall segregate and deposit into a debt service fund monies for the payment of one-sixth of the next semi-annual debt service payable on the New LTGO Bonds, which monies shall not be used for any purpose other than paying debt service on the New LTGO Bonds so long as any New LTGO Bonds remain outstanding.

14. The Syncora Settlement Documents, including, but not limited to, (a) the Settlement Agreement between the City and Syncora, (b) the Syncora Development Agreement (including the garage option) and (c) the Tunnel Lease, and all transactions contemplated thereby, are hereby approved in all respects. The Syncora Development Agreement shall be administered by, and consideration related thereto shall be distributed to, Syncora in a manner consistent with this Order and the Plan.

15. Notwithstanding anything to the contrary in this Order or the Plan (including, without limitation, Sections II.B.3.p.i.A, III.D.6 or IV.L of the Plan, the FGIC/COP Settlement or the Syncora Settlement): (a) none of the form, method, mechanics or allocation of distributions in Section II.B.3.p.i.A of the Plan, nor any findings or orders of the Bankruptcy Court related thereto, shall, or shall be asserted or construed to, affect or prejudice any rights, claims or defenses between the COP Swap Counterparties, on the one hand, and any Settling COP Claimant (including Syncora, FGIC and the FGIC COP Holders) or COP Insurer, on the other hand. Subject to the proviso at the end of this paragraph, the preceding sentence hereby amends and replaces in its entirety the fourth paragraph of Section II.B.3.p.i.A of the Plan; (b) neither (i) any determinations, adjudications, findings or rulings in the Plan or by the Bankruptcy Court regarding the distributions or consideration provided to the COP Insurers or the Settling COP Claimants under the Plan, including whether such distributions or consideration are solely for the benefit of any particular parties nor (ii) any acceleration or deemed acceleration of any COPs provided for in the Plan or by the Bankruptcy Court shall in any way affect or prejudice any rights, claims or defenses of the COP Swap Counterparties, including with respect to such distributions or consideration; and (c) no release or agreement by any COP Agent provided for in the Plan (including, without limitation any agreement not to sue any COP Holder or any COP Insurer

in Section II.B.3.p.i.A of the Plan) or by the Bankruptcy Court, shall in any way affect any liability of such COP Holder, COP Insurer or COP Agent to any COP Swap Counterparty (or to any COP Agent on behalf of such COP Swap Counterparty) or impair in any way the rights or obligations of any COP Swap Counterparty or COP Agent (on behalf of any COP Swap Counterparty) to sue any COP Holder, COP Insurer or COP Agent; *provided, however* that, notwithstanding anything in this paragraph to the contrary, the COP Swap Counterparties have agreed not to, and shall not, seek to enjoin, block, prevent, subject to any lien (other than a judgment lien) or otherwise interfere with (a) the distribution by the Debtor of the Class 9 Settlement Asset Pool and New B Notes to, as applicable, FGIC, the FGIC COP Holders, Syncora and the Settling COP Claimants under and as provided for in Section II.B.3.p.i.A of the Plan, (b) any performance, operation, administration of, sale of, transfer of, assignment of or other action with respect to the FGIC Development Agreement, the Syncora Development Agreement or the Tunnel Lease (it being understood that this clause (b) shall not impair any rights or claims of the COP Swap Counterparties to monetary damages related to such agreements or the value thereof), or (c) except as a defense, counterclaim or claim against and in response to a party asserting a counterclaim, in each case asserted by either of the COP Swap Counterparties, distributions to FGIC, the FGIC COP

Holders, Syncora and the Settling COP Claimants (as applicable) of the proceeds of any of the foregoing.

16. The FGIC/COP Settlement Documents, including, but not limited to, (a) the Settlement Agreement between the City and FGIC, (b) the Stipulation Regarding FGIC Plan COP Settlement and FGIC COP Swap Settlement and (c) the FGIC Development Agreement, and all transactions contemplated thereby are hereby approved in all respects. The FGIC Settlement Consideration and the FGIC Development Agreement shall be administered and distributed to FGIC and the FGIC COP Holders in a manner consistent with this Order and the Plan. The allocation of Plan distributions among FGIC and the FGIC COP Holders shall be determined in accordance with agreements among FGIC and the FGIC COP Holders disclosed in a term sheet filed with the Court on October 22, 2014, as the same was amended on October 27, 2014 and may be subsequently amended (with the written consent of the parties thereto) and more fully documented (the "FGIC/FGIC COP Holders Term Sheet"). Pursuant to the FGIC/COP Settlement, the Downtown Development Authority shall, as of the Effective Date, irrevocably assign to FGIC all of the New B Notes that the Downtown Development Authority is entitled to receive pursuant to its Class 13 Allowed Claim.

17. The COP Service Corporations shall enter into such Supplemental Trust Agreements as FGIC and Syncora may reasonably request with respect to their respective insured COPs as long as such Supplemental Trust Agreements (a) do not impose any additional obligations or liability on the COP Service Corporations and (b) are consistent with the allocation of Plan distributions among FGIC and the FGIC COP Holders agreed to by and among FGIC and the FGIC COP Holders pursuant to the FGIC/FGIC COP Holders Term Sheet.

18. Pursuant to and in accordance with the New C Notes Documents, revenues collected by the City related to (a) tickets issued for parking violations (including, but not limited to, meter collections, towing, storage fees and booting fees), other than revenues that would otherwise be paid to the 36th District Court, and (b) if the New C Notes are issued in a principal amount greater than \$21,271,804, garage operations at the Parking Garages (collectively, the "City Parking Revenues") shall be directly remitted to a bank or banks or other financial institution which the Emergency Manager designates as a depository of the City (such institution, the "Depository Bank"). The Depository Bank shall deposit City Parking Revenues received by it into a special, separate and segregated fund (the "City Parking Revenue Fund") established at the Depository Bank. Beginning on the date of delivery of the New C Notes and commencing on the first day of each fiscal year thereafter, each day, City Parking Revenues deposited into the City

Parking Revenue Fund shall be remitted by the Depository Bank to a special, separate and segregated account held for and on behalf of the City (the "Debt Retirement Fund") by the bond registrar, transfer agent and paying agent for the New C Notes until sufficient funds are on deposit in the Debt Retirement Fund to pay the principal and interest payable on the New C Notes on the last day of that Fiscal Year (such amount, the "Annual Deposit Requirement"). Once the Annual Deposit Requirement is satisfied for that fiscal year, any additional City Parking Revenues deposited in the City Parking Revenue Fund during that fiscal year may be remitted to the City for deposit into the General Fund and may be used by the City for any other purposes permitted by law.

**D. Approval of Releases and Exculpation**

19. The Plan Releases set forth in Section III.D.7 of the Plan are approved in all respects, are incorporated herein in their entirety, are so ordered and shall be immediately effective on the Effective Date of the Plan without further order or action on the part of the Court, any of the parties to such releases or any other party.

20. Without limiting any other applicable provisions of, or releases contained in, the Plan, this Order or any contracts, instruments, releases, agreements or documents to be entered into or delivered in connection with the Plan, as of the Effective Date, in consideration for the obligations of the City under

the Plan and the consideration and other contracts, instruments, releases, agreements or documents to be entered into or delivered in connection with the Plan (including the State Contribution Agreement), each holder of a Claim that voted in favor of the Plan, to the fullest extent permissible under law, is hereby deemed to forever release, waive and discharge all Liabilities in any way relating to: (a) the City, the Chapter 9 Case (including the authorization given to file the Chapter 9 Case), the Plan, the Exhibits or the Disclosure Statement, in each case that such holder has, had or may have against the City or its current and former officials, officers, directors, employees, managers, attorneys, advisors and professionals, each acting in such capacity (and, in addition to and without limiting the foregoing, in the case of any Emergency Manager, in such Emergency Manager's capacity as an appointee under PA 436), *provided that*, for the avoidance of doubt, any person or entity designated to manage the Chapter 9 Case for the City after the Emergency Manager's term is terminated, whether such person or entity acts as an employee, advisor or contractor to the City or acts as an employee, agent, contractor or appointee of the State under any applicable state law, shall be treated the same as an employee of the City hereunder; and (b) (i) Claims that are compromised, settled or discharged under or in connection with the Plan, (ii) the Chapter 9 Case (including the authorization given to file the Chapter 9 Case), (iii) the Plan, (iv) the Exhibits, (v) the Disclosure Statement or

(vi) the DIA Settlement, in each case that such holder has, had or may have against the City's Related Entities, the State, the State Related Entities and the Released Parties; *provided, however*, that any such Liability of the Foundations, the DIA Funders and the CFSEM Supporting Organization and their Related Entities shall be released only to the extent that such Liability, if any, arises from any such entity's participation in the DIA Settlement.

21. Nothing in paragraph 20 hereof shall (a) affect the liability of the City, its Related Entities and the Released Parties that otherwise would result from any act or omission to the extent that act or omission subsequently is determined in a Final Order to have constituted gross negligence or willful misconduct; or (b) release (i) the City's obligations under the Plan or (ii) any defenses that any party may have against the City, its Related Entities, the State, the State Related Entities or the Released Parties.

22. For the avoidance of doubt, notwithstanding anything in the Plan or this Order (including paragraph 20) to the contrary, claims against officers or employees of the City in their individual capacity under 42 U.S.C. § 1983 shall not be released.

23. If the State Contribution Agreement is consummated, each holder of a Pension Claim will be deemed forever to release, waive and discharge all Liabilities arising from or related to the City, the Chapter 9 Case, including the

authorization given to file the Chapter 9 Case, the Plan, all Exhibits, the Disclosure Statement, PA 436 and its predecessor or replacement statutes, and Article IX, Section 24 of the Michigan Constitution that such party has, had or may have against the State and any State Related Entities. For the avoidance of doubt, the foregoing sentence does not provide for a release, waiver or discharge of obligations of the City that are established in the Plan or that arise from and after the Effective Date with respect to (a) pensions as modified by the Plan or (b) labor-related obligations, which post-Effective Date obligations shall be enforceable against the City or its representatives by active or retired employees or their collective bargaining representatives to the extent permitted by applicable non-bankruptcy law or the Plan, or, with respect to pensions only, the GRS or the PFRS.

24. As a condition to the State funding, the State and certain parties, including Michigan Council 25, Sub-Chapter 98, Local 3308 and Local 917 of AFSCME, entered into certain Support and Release Agreements and, for the avoidance of doubt, in the event of an express conflict between any such Support and Release Agreement, on the one hand, and the Plan, Plan Supplements or this Order, on the other hand, as to the parties to these Support and Release Agreements, their respective Support and Release Agreement shall govern.

25. Notwithstanding Sections III.D.5 through III.D.7 and IV.L of the Plan, paragraph Z of the above findings (titled "Plan Releases") and paragraphs 19 through 21 and 29 through 33 hereof, except as set forth in the COP Swap Settlement, nothing in the Plan or this Order shall or shall be deemed to provide a release by the COP Swap Counterparties of any Liabilities related to the COPs, the COP Service Corporations, the Transaction Documents (as defined in the COP Swap Settlement), the COP Swap Settlement or the COP Swap Settlement Approval Order.

26. Without limiting any other applicable provisions of, or releases contained in, the Plan or any contracts, instruments, releases, agreements or documents to be entered into or delivered in connection with the Plan, as of the Effective Date, in consideration for the obligations under the Plan and the consideration and other contracts, instruments, releases, agreements or documents to be entered into or delivered in connection with the Plan, each Settling COP Claimant shall be, and hereby is, to the fullest extent permitted under law, deemed to forever release, waive and discharge all Liabilities relating to COP Documents such Settling COP Claimant has, had or may have against the (a) the GRS, (b) the PFRS or (c) Related Entities of either the GRS or the PFRS. At the direction of FGIC, which shall be, and hereby is, deemed given on the Effective Date, the COP Contract Administrator shall have irrevocably agreed (on behalf of

itself, any successors and each FGIC COP Holder) to release and not to sue any COP Holder or any COP Insurer on behalf of any FGIC COP Holder, COP Insurer, the Detroit Retirement Systems Funding Trust 2005 or the Detroit Retirement Systems Funding Trust 2006 in connection with any liability arising in connection with or related to (a) Sections 6.5 and 9.1 of the Contract Administration Agreements, (b) Section 8.03 of the COP Service Contracts, (c) distributions made pursuant to or in connection with Section II.B.3.p.i.A of the Plan, (d) the FGIC/COP Settlement or (e) the Syncora Settlement. 27. The exculpation provision set forth in Section III.D.6 of the Plan is approved in all respects, is incorporated herein in its entirety, is so ordered and shall be immediately effective on the Effective Date of the Plan without further order or action on the part of the Court, any of the parties to such exculpation or any other party. From and after the Effective Date, to the fullest extent permitted under applicable law and except as expressly set forth in this paragraph, neither the City; its Related Entities (including the members of the City Council, the Mayor

The City, its Related Entities (with respect to actions taken by such Related Entities in their capacities as Related Entities of the City), the State, the State Related Entities, the Released Parties and the Exculpated Parties shall be entitled to rely upon the advice of counsel and financial advisors with respect to their duties and responsibilities under, or in connection with, the Chapter 9 Case, the administration thereof and the Plan. All settlements (including, without limitation, the Settlements), compromises, releases (including, without limitation, the Plan Releases), waivers, discharges, exculpations and injunctions set forth in the Plan shall be, and hereby are, operative, effective and binding on all Persons who may have had standing to assert any settled, released, discharged, exculpated or enjoined causes of action, and no other Person or entity shall possess such standing to assert such causes of action after the Effective Date. The compromises and settlements (including, without limitation, the Settlements) embodied in the Plan, along with the treatment of any associated Allowed Claims, shall not be subject to any collateral attack or other challenge by any Entity in any court or other forum.

may be requested by the City to evidence the release of such Lien, including (i) the execution, delivery, filing or recording of appropriate releases and (ii) the taking of any action necessary to implement, consummate and otherwise effect the Plan in accordance with its terms, and (b) the City shall be authorized to execute and file on behalf of creditors such forms as may be necessary or appropriate to implement the provisions of Section IV.M of the Plan and this paragraph. All entities holding Claims against the City shall be, and hereby are, bound by the terms and provisions of all documents executed and delivered by them in connection with the Plan.

Upon the entry of this Order, all entities holding Claims against the City that are treated under the Plan, and other parties in interest, along with their respective present or former employees, agents, officers, directors or principals, shall be, and hereby are, enjoined from taking any actions to interfere with the implementation and consummation of the Plan.

32. On the Effective Date, except as otherwise provided in the Plan or in this Order, all Entities that have been, are or may be holders of Claims against the City, Indirect 36th District Court Claims or Indirect Employee Indemnity Claims asserted against officers or employees of the City in their official capacity, along with their Related Entities, shall be, and hereby are, permanently enjoined from taking any of the following actions against or affecting the City or its

For the avoidance of doubt, notwithstanding anything

in the Plan or this Order (including this paragraph) to the contrary, claims against officers or employees of the City in their individual capacity under 42 U.S.C.

§ 1983 shall not be enjoined. In addition, all individuals affected by the AFS Recoupment are enjoined from commencing any proceeding against the GRS and its trustees, officers, employees or professionals arising from GRS's compliance with the Plan or this Order.

33. All Entities that have held, currently hold or may hold any Liabilities released pursuant to the Plan shall be, and hereby are, permanently enjoined from taking any of the following actions against the State, the State Related Entities, the officers, board of trustees/directors, attorneys, advisors and professionals of the RDPFFA or the DRCEA, and the Released Parties or any of their respective property on account of such released Liabilities: (a) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding of any kind; (b) enforcing, levying, attaching, collecting or otherwise recovering by any manner or means, directly or indirectly, any judgment, award, decree or order; (c) creating, perfecting or otherwise enforcing in any manner, directly or indirectly, any lien; (d) asserting any setoff, right of subrogation or recoupment of any kind, directly or indirectly, against any obligation due the State, a State Related Entity, the officers, board of trustees/directors, attorneys, advisors and professionals of the RDPFFA or the

DRCEA, or a Released Party; and (e) commencing or continuing any action, in any manner, in any place that does not comply with or is inconsistent with the provisions of the Plan or this Order. Notwithstanding the provisions of this paragraph and without limiting the injunctions in Section III.D.5.a of the Plan or paragraph 32 hereof, the holders of Indirect 36th District Court Claims shall not be enjoined from taking any of the foregoing actions against the State or the State Related Entities with respect to Indirect 36th District Court Claims to the extent such Claims are not satisfied pursuant to the Plan.

34. During the period that begins on the Effective Date and ends on June 30, 2023, the trustees of the PFRS, the trustees of the GRS or the trustees of any successor trust or pension plan to either the PFRS or the GRS shall adopt and maintain an investment return assumption and discount rate for purposes of determining the assets and liabilities of the PFRS or the GRS (as applicable) that shall be 6.75%. Except as may be required to maintain the tax-qualified status of the PFRS or the GRS, or to comply with the terms of the Plan or this Order, the City, the trustees of the PFRS, the trustees of the GRS and all other persons or entities shall be, and hereby are, enjoined from and against the subsequent amendment of the terms, conditions and rules of operation of either the PFRS, the GRS or any successor plan or trust to either the PFRS or the GRS, that govern the calculation of pension benefits (including, as applicable, the PFRS Adjusted

Pension Amount, the GRS Adjusted Pension Amount, accrual of additional benefits, the DIA Proceeds Default Amount, the Prior PFRS Pension Plan, the Prior GRS Pension Plan, the PFRS Restoration Payment, the GRS Restoration Payment, the New PFRS Active Pension Plan Formula, the New GRS Active Pension Plan Formula, the terms of the New PFRS Active Pension Plan and the terms of the New GRS Active Pension Plan) or against any action that governs the selection of the investment return assumptions described in Section II.B.3.q.ii.B of the Plan (with respect to the PFRS) or Section II.B.3.r.ii.B of the Plan (with respect to the GRS), the contributions to the PFRS or the GRS, or the calculation or amount of PFRS pension benefits or GRS pension benefits (as the case may be), for the period ending June 30, 2023, notwithstanding whether that subsequent amendment or act is created or undertaken by contract, agreement (including collective bargaining agreement), statute, rule, regulation, ordinance, charter, resolution or otherwise by operation of law.

## **I. State Contribution Agreement**

35. The State Contribution Agreement is approved in all respects, and the City is hereby authorized to enter into, and take any action necessary to perform under or implement, the terms thereof. The State shall file and serve via the Court's electronic case filing and noticing system a notice that the conditions precedent to the State's payment of the State Contribution (as set forth at

Section IV.D.3 of the Plan) have been satisfied or otherwise addressed pursuant to the procedures outlined in the State Contribution Agreement no later than ten days after all such conditions have been satisfied or otherwise addressed.

36. In accordance with Section IV.D.2 of the Plan, the Income Stabilization Funds of the GRS and the PFRS shall receive not less than an aggregate amount of \$20 million over 14 years of the Assigned UTGO Bond Tax Proceeds in the form of annual installment payments pursuant to a payment schedule approved by the State.

37. In accordance with Section 4.f.ii of the State Contribution Agreement, filed as Exhibit I.A.332 to the Plan, the governing documents of the GRS and the governing documents of the PFRS shall be amended to include (a) the governance terms and conditions set forth in Paragraph 2, Exhibit A and Exhibit B of the State Contribution Agreement and (b) the Income Stabilization Payments and Income Stabilization Fund described in Paragraph 3 of the State Contribution Agreement.

#### **J. DWSD Authority Transaction**

38. The Memorandum of Understanding Regarding the Formation of the Great Lakes Water Authority (the "Memorandum of Understanding"), filed as Exhibit A to the Notice of Execution of Framework for Creating a Water and Sewer Authority (Docket No. 7357), is approved in all respects. The City is

hereby authorized to enter into, and take any action necessary to perform under or implement, the terms of the Memorandum of Understanding and any final agreement resulting therefrom creating a regional water and sewer/stormwater authority to be called the Great Lakes Water Authority (the "GLWA") in accordance with, and subject to all approvals and consents required under, State law, the DWSD Tender Order, all documents related to the 2014 DWSD Refinancing Obligations, all documents related to the 2014 Revenue Refinancing Bonds, all documents related to the 2014 Revenue and Revenue Refinancing Bonds and the DWSD Bond Documents. The GLWA transaction contemplated in the Memorandum of Understanding, if consummated, would constitute a Qualifying DWSD Transaction as such term is defined in the Plan.

**K. ASF Recoupment**

39. ASF Recoupment is (a) an integral component of the City's global settlement of pension-related and other labor-related issues negotiated with, among others, the Retiree Committee, (b) is well within the range of possible reasonable settlements and (3) is approved in all respects. The City is hereby authorized to, and shall, on or as soon as reasonably practicable after the Effective Date, calculate the Annuity Savings Fund Excess Amount for each ASF Current Participant, and the GRS, at the direction of the City, and solely as agent of the City and without any liability accruing to the GRS, shall deduct the Annuity

Savings Fund Excess Amount from each such participant's Annuity Savings Fund account, which deducted amounts shall be used to fund the accrued pension benefits of all GRS participants; *provided, however*, that in no event shall the amount deducted from an ASF Current Participant's Annuity Savings Fund account exceed the ASF Recoupment Cap and the Current GRS Retiree Adjustment Cap. In the event that the amount credited to an ASF Current Participant's Annuity Savings Fund account as of the Effective Date is less than such participant's Annuity Savings Fund Excess Amount, the ASF Current Participant will be treated as an ASF Distribution Recipient to the extent of the shortfall.

40. For each ASF Distribution Recipient who, after receipt of notice as required by the Plan and this Order, does not elect the ASF Recoupment Cash Option described in Section II.B.3.r.ii.D.2.ii of the Plan and in the case of any ASF Distribution Recipient that elected the ASF Recoupment Cash Option but does not timely deliver the ASF Recoupment Cash Payment to the GRS, the City is hereby authorized to, and shall, on or as soon as reasonably practicable after the Effective Date: (a) calculate the Annuity Savings Fund Excess Amount; and (b) convert such amount into monthly annuity amounts based on common actuarial assumptions (such as the ASF Distribution Recipient's life expectancy, and, if not already retired, expected date of retirement) and amortized using a 6.75% interest rate, and the GRS, pursuant to the Plan and at the direction of the Court, and

without any liability accruing to the GRS, shall deduct such monthly annuity amounts from the ASF Distribution Recipient's monthly pension check; *provided, however,* that in no event shall the total amount deducted from an ASF Distribution Recipient's monthly pension check exceed the ASF Recoupment Cap or the Current GRS Retiree Adjustment Cap, if applicable. The total ASF Recoupment from the ASF Distribution Recipient's monthly pension checks over time shall not exceed the amount necessary to amortize the applicable Annuity Savings Fund Excess Amount at 6.75% interest.

41. Each ASF Distribution Recipient shall be afforded the ASF Recoupment Cash Option. No later than seven days following the Effective Date, the City, through its Claims and Balloting Agent, shall send the ASF Election Notice and the ASF Election Form by first-class U.S. mail to each ASF Distribution Recipient. The ASF Election Form shall explain that the amount of the ASF Recoupment Cash Payment shall be equal to the total amount of ASF Recoupment shown on the ASF Distribution Recipient's Ballot, unless the aggregate amount of ASF Recoupment for all ASF Distribution Recipients electing the ASF Recoupment Cash Option exceeds \$30,000,000, in which case (a) the ASF Recoupment Cash Payment will be the ASF Distribution Recipient's Pro Rata portion of \$30,000,000, and (b) the remaining portion of the ASF Distribution Recipient's ASF Recoupment will be annuitized and deducted from the ASF

Distribution Recipient's monthly pension check, as provided for in Section II.B.3.r.ii.D.2.i of the Plan. An ASF Distribution Recipient must return his or her ASF Election Form to the Claims and Balloting Agent so that it is actually received by the Claims and Balloting Agent by the ASF Election Date.

42. The GRS shall mail the ASF Final Cash Payment Notice no later than 14 days after the ASF Election Date. ASF Distribution Recipients shall have until the ASF Final Cash Payment Date to make the ASF Recoupment Cash Payment, which payment must be made by cashier's check or wire transfer and may not be made by personal check. If an ASF Distribution Recipient's ASF Recoupment Cash Payment is not received by the ASF Final Cash Payment Date, the GRS will notify the ASF Distribution Recipient of the failure to timely pay, and ASF Recoupment will be effected through diminution of such recipient's monthly pension check, as provided for in Section II.B.3.r.ii.D.2.i of the Plan and paragraph 40 hereof. The calculation of each electing ASF Distribution Recipient's ASF Recoupment Cash Payment shall not be adjusted under any circumstances, including as a result of default by any other electing ASF Distribution Recipient to remit his or her ASF Recoupment Cash Payment by the ASF Final Cash Payment Date.

## **L. Survival of Indemnities**

43. Notwithstanding anything to the contrary in this Order or the Plan, nothing in this Order or the Plan shall discharge or impair the obligations of the City as provided in the City Charter of the City or other organizational documents, resolutions, employment contracts, applicable law or other applicable agreements as of the Petition Date to indemnify, defend, reimburse, exculpate, advance fees and expenses to, or limit the liability of officers and employees of the City (consistent with the provisions hereof and including the members of the City Council, the Mayor and the Emergency Manager) and their Related Entities, in each case to the extent such Entities were acting in such capacity, against any claims or causes of action whether direct or derivative, liquidated or unliquidated, foreseen or unforeseen, asserted or unasserted. Notwithstanding the foregoing, Retirement System Indemnity Obligations shall not be assumed under the Plan or this Order and shall be, and hereby are, discharged. For the avoidance of doubt, no indemnification provision in any loan document, bond document, Bond Insurance Policy or other agreement with a Bond Insurer is exempted from discharge by reason of this paragraph.

## **M. Issuance of New Securities and Exemption From Securities Laws**

44. The issuance of the New Securities by the City on the Effective Date or on a subsequent Distribution Date (as applicable) is hereby approved and

authorized. To the maximum extent provided by section 1145 of the Bankruptcy Code and applicable non-bankruptcy law, the issuance of New Securities pursuant to the Plan is, and shall be, exempt from Section 5 of the Securities Act and any other applicable U.S. state or local law requiring registration prior to the offering, issuance, distribution, or sale of securities. Except as set forth in the Plan with respect to the Syncora Excess New B Notes, the New Securities (a) are not "restricted securities" as defined in Rule 144(a)(3) under the Securities Act, and (b) are, and shall be, freely tradable and transferable by any initial recipient (including the Detroit General VEBA and the Detroit Police and Fire VEBA) thereof that (i) is not an "affiliate" of the City or applicable issuer as defined in Rule 144(a)(1) under the Securities Act, (ii) has not been such an "affiliate" within 90 days of such transfer and (iii) is not an entity that is an "underwriter" as defined in subsection (b) of Section 1145 of the Bankruptcy Code. It is hereby expressly found and determined that the Detroit General VEBA and the Detroit Police and Fire VEBA are not affiliates of the City within the meaning of Rule 144(a)(1) under the Securities Act.

#### **N. Executory Contracts and Unexpired Leases**

45. The Executory Contract and Unexpired Lease provisions of Section II.D of the Plan are specifically approved in all respects, are incorporated herein in their entirety and are so ordered. The City is authorized to assume,

assume and assign, or reject Executory Contracts or Unexpired Leases in accordance with Section II.D of the Plan and the Contract Procedures Order.

46. The assumption of Executory Contracts and Unexpired Leases pursuant to Sections II.D.1 and II.D.2 of the Plan (and any related assignment) as of the Effective Date is hereby approved, except for Executory Contracts or Unexpired Leases that: (a) have been rejected pursuant to a Final Order of the Court, (b) are subject to a pending motion for reconsideration or appeal of an order authorizing the rejection of such Executory Contract or Unexpired Lease, (c) are subject to a motion to reject such Executory Contract or Unexpired Lease filed on or prior to the Effective Date, (d) are rejected pursuant to Section II.D.6 of the Plan or (e) are designated for rejection in accordance with the last sentence of this paragraph. If an objection to a proposed assumption, assumption and assignment or Cure Amount Claim filed in accordance with the Contract Procedures is not resolved in favor of the City, the applicable Executory Contract or Unexpired Lease may be designated by the City for rejection, which shall be, and hereby is, deemed effective as of the Effective Date.

47. Contracts, leases and other agreements entered into after the Petition Date by the City, including (a) any Executory Contracts or Unexpired Leases assumed by the City and (b) the collective bargaining agreements identified on Exhibit II.D.5 to the Plan, will be performed by the City in the ordinary course

of its business. Accordingly, such contracts and leases (including any assumed Executory Contracts or Unexpired Leases) will survive and remain unaffected by entry of this Order.

48. The rejection of each Executory Contract and Unexpired Lease that is listed on Exhibit II.D.6 to the Plan is hereby approved pursuant to section 365 of the Bankruptcy Code as of the later of (a) the Effective Date or (b) the resolution of any objection to the proposed rejection of an Executory Contract or Unexpired Lease. Each contract or lease listed on Exhibit II.D.6 to the Plan shall be rejected only to the extent that any such contract or lease constitutes an Executory Contract or Unexpired Lease. The City may, at any time on or prior to the Effective Date, amend Exhibit II.D.6 to the Plan to delete any Executory Contract or Unexpired Lease therefrom, thus providing for its assumption pursuant to Section II.D.1 of the Plan, or add any Executory Contract or Unexpired Lease thereto, thus providing for its rejection pursuant to Section II.D.6 of the Plan. The City will provide notice of any such amendments to Exhibit II.D.6 to the Plan in accordance with the terms of the Contract Procedures Order. Listing a contract or lease on Exhibit II.D.6 to the Plan shall not constitute an admission by the City that such contract or lease is an Executory Contract or Unexpired Lease or that the City has any liability thereunder. Any Claims arising from the rejection of an Executory Contract or Unexpired Lease pursuant to the Plan shall be treated as

Class 14 Claims (Other Unsecured Claims), subject to the provisions of section 502 of the Bankruptcy Code.

**O. Plan Distributions**

49. On and after the Effective Date, Distributions on account of Allowed Claims and the resolution and treatment of Disputed Claims shall be effectuated pursuant to Section II.B and Article V of the Plan. The Distribution Record Date shall be 5:00 p.m., Eastern Time, on the date of entry of this Order.

**P. Retained Causes of Action**

50. Except as otherwise provided in the Plan or in any contract, instrument, release or other agreement entered into or delivered in connection with the Plan, in accordance with section 1123(b)(3)(B) of the Bankruptcy Code, the City shall retain and may enforce any claims, demands, rights, defenses and Causes of Action that it may hold against any Entity, including but not limited to, (a) any and all Causes of Action against any party relating to the past practices of the Retirement Systems (including any investment decisions related to, and the management of, the Retirement Systems' respective pension plans or assets) and (b) the currently pending actions and claims brought by the City and identified on Exhibit III.D.2 to the Plan, to the extent not expressly released under the Plan or pursuant to any Final Order of the Court. The City's inclusion of, or failure to include, any right of action or claim on Exhibit III.D.2 to the Plan shall not be

deemed an admission, denial or waiver of any claims, demands, rights or Causes of Action that the City may hold against any Entity.

**Q. Claims Bar Dates and Other Claims Matters**

51. General Administrative Claim Bar Date Provisions. Except as otherwise provided in Section II.A.2.b or Section II.A.2.c of the Plan or in a Bar Date Order or other order of the Court, unless previously filed, requests for payment of Administrative Claims must be filed and served on the City no later than 45 days after the Effective Date. Holders of Administrative Claims that are required to file and serve a request for payment of such Administrative Claims and that do not file and serve such a request by the applicable Bar Date will be forever barred from asserting such Administrative Claims against the City or its property, and such Administrative Claims will be deemed discharged as of the Effective Date. Objections to such requests must be filed and served on the City and the requesting party by the later of (a) 150 days after the Effective Date, (b) 60 days after the filing of the applicable request for payment of Administrative Claims or (c) such other period of limitation as may be specifically fixed by a Final Order for objecting to such Administrative Claims. The foregoing procedures shall be specified in the notice of entry of this Order and served on all parties in interest.

52. Holders of Claims based on Liabilities incurred by the City after the Petition Date in the ordinary course of its operations will not be required

to file or serve any request for payment or application for allowance of such Claims. Such Claims will be paid by the City, pursuant to the terms and conditions of the particular transaction giving rise to such Claims, without further action by the holders of such Claims or further action or approval of the Court.

53. Holders of Administrative Claims that are Postpetition Financing Claims will not be required to file or serve any request for payment or application for allowance of such Claims. Such Administrative Claims will be satisfied pursuant to Section II.A.1.b of the Plan.

54. Professional Fee Reserve. On the Effective Date, the City shall establish and fund the Professional Fee Reserve from the General Fund or, where applicable, the DWSD's funds, in an amount sufficient to pay the Fee Review Professional Fees that remain unpaid as of the Effective Date, solely to the extent that such amounts are payable from the General Fund or the DWSD's funds. The initial amount of the Professional Fee Reserve shall be equal to the sum of (a) all invoices received from Fee Review Professionals and the Fee Examiner Parties as of the establishment and funding of the Professional Fee Reserve to the extent not yet paid (including holdbacks); (b) an estimate of the Fee Review Professionals' unbilled fees through the Effective Date as determined by the City in consultation with the Fee Review Professionals, which estimate shall be no lower than 125% of the aggregate amount of the highest monthly invoices respectively

submitted by each Fee Review Professional pursuant to the Fee Review Order prior to the establishment and funding of the Professional Fee Reserve; and (c) an estimate of the Fee Examiner Parties' unbilled fees and expenses through the projected date of dismissal of the Fee Examiner under Section IV.N.3 of the Plan, as determined by the City in consultation with the Fee Examiner. The funds held in the Professional Fee Reserve may not be used for any purpose other than the payment of Fee Review Professional Fees until any and all disputes regarding the Fee Review Professional Fees, including any disputes arising under the Fee Review Order or the process established under paragraph 87 hereof, have been fully and finally resolved pursuant to a Final Order or a stipulation between the disputing parties. Any amounts remaining in the Professional Fee Reserve after final resolution of all such disputes and the payment of all Fee Review Professional Fees determined to be reasonable by the Court shall be released to the General Fund or the DWSD's funds, as applicable. If the Professional Fee Reserve is insufficient to pay all Fee Review Professional Fees that are determined to be reasonable by the Court and that are payable from the General Fund or the DWSD's funds, the City shall pay such additional amounts from the General Fund or the DWSD's funds, as applicable.

55. Bar Date for Rejection Damage Claims. Except as otherwise provided in a Final Order of the Court approving the rejection of an Executory

Contract or Unexpired Lease, Claims arising out of the rejection of an Executory Contract or Unexpired Lease must be filed with the Court and served upon counsel to the City on or before the later of: (a) 45 days after the Effective Date; or (b) 45 days after such Executory Contract or Unexpired Lease is rejected pursuant to a Final Order or designated for rejection in accordance with Section II.D.3 of the Plan. Any Claims not filed within such applicable time periods will be forever barred from receiving a Distribution from, and shall not be enforceable against, the City.

56. Notwithstanding anything to the contrary in the Plan or this Order, neither FGIC nor the COP Trustee shall be required to file any Claims arising out of the rejection of the COP Service Contracts pursuant to the Plan, which Claims are resolved and treated pursuant to the terms of the FGIC/COP Settlement Documents and the Plan.

57. Workers' Compensation Claims. From and after the Effective Date, (a) the City shall continue to administer (either directly or through a third party administrator) and pay all valid claims for benefits and liabilities for which the City is responsible under applicable State workers' compensation law, regardless of when the applicable injuries were incurred, in accordance with the City's prepetition practices and procedures and governing State workers' compensation law, and (b) nothing in the Plan or this Order shall discharge, release

or relieve the City from any current or future liability under applicable State workers' compensation law; *provided that* the City shall retain the right to challenge the validity of any claim for benefits or liabilities arising under applicable State workers' compensation law.

58. Claims Related to Operation of City Motor Vehicles. From and after the Effective Date, the City shall continue to administer (either directly or through a third party administrator) and pay valid prepetition Claims for liabilities with respect to which the City is required to maintain insurance coverage pursuant to M.C.L. § 500.3101 in connection with the operation of the City's motor vehicles consistent with the terms of Section IV.S of the Plan. Nothing in the Plan or this Order shall discharge, release or relieve the City from any current or future liability with respect to Claims subject to insurance coverage pursuant to M.C.L. § 500.3101 or Claims within the minimum coverage limits in M.C.L. § 500.3009(1); *provided that* the City shall retain the right to challenge the validity of any Claim subject to Section IV.S of the Plan or this paragraph, and nothing therein or herein shall be deemed to expand the City's obligations or any claimant's rights with respect to such Claims under State law.

59. Payment of Tax Refund Claims. From and after the Effective Date, the City shall continue to administer (either directly or through a third party administrator) and pay all valid claims for income tax refunds and property tax

refunds for which the City is responsible under applicable law, regardless of when the applicable right to a refund arose, in accordance with the City's prepetition practices and procedures; *provided that* the City shall retain the right to challenge the validity of any claim for an income tax refund or property tax refund.

60. Utility Deposits. From and after the Effective Date, the City will continue to administer utility deposits in accordance with the City's prepetition practices and procedures, including the payment of any undisputed, non-contingent, liquidated claims against the City for the refund of a utility deposit.

61. Pass-Through Obligations. The City has certain Pass-Through Obligations to the Pass-Through Recipients with respect to which the City acts, or may in the future act, as tax-collecting agent for tax increment revenues derived from property taxes of the City and certain other jurisdictions and required to be transmitted by the Treasurer of the City to the Pass-Through Recipients under the respective tax increment financing enabling statutes. The City shall continue to honor its Pass-Through Obligations to the Pass-Through Recipients.

## **R. Plan Implementation**

62. In accordance with section 1142 of the Bankruptcy Code, without further action by the Court, the City is authorized to: (a) take any and all actions necessary or appropriate to implement, effectuate and consummate the Plan, this Order or the transactions contemplated thereby or hereby, including the

transactions contemplated by the Plan and the implementation and consummation of the contracts, instruments, settlements (including the Settlements), releases (including the Plan Releases) and other agreements or documents entered into or delivered in connection with the Plan; and (b) execute and deliver, adopt or amend, as the case may be, any contracts, instruments, releases, agreements and documents necessary to implement, effectuate and consummate the Plan, including, without limitation, those contracts, instruments, releases, agreements and documents identified in Article IV of the Plan. All transactions effected by the City during the pendency of the Chapter 9 Case from the Petition Date through the Confirmation Date are approved and ratified.

63. Each federal, state, commonwealth, county, municipal, local, foreign or other governmental agency is hereby directed and authorized to accept any and all documents, mortgages and instruments necessary or appropriate to effectuate, implement or consummate the transactions contemplated by the Plan and this Order.

**S. Cancellation of Existing Bonds,  
Bond Documents, COPs and COP Documents**

64. Except (a) as provided in any contract, instrument or other agreement or document entered into or delivered in connection with the Plan, (b) for purposes of evidencing a right to Distribution under the Plan or (c) as

specifically provided otherwise in the Plan or this Order (including any rejection of Executory Contracts pursuant to Section II.D of the Plan or paragraph 48 hereof), on the Effective Date, the Bonds, the Bond Documents, the COPs and the COP Documents will be deemed automatically cancelled, terminated and of no further force or effect against the City without any further act or action under any applicable agreement, law, regulation, order or rule, and the obligations of the parties to the City, as applicable, under the Bonds, the Bond Documents, the COPs and the COP Documents shall be discharged; *provided, however*, that the Bonds, the Bond Documents, the COPs and the COP Documents shall continue in effect solely (a) to allow the Disbursing Agent to make any Distributions as set forth in the Plan and to perform such other necessary administrative or other functions with respect thereto; (b) for any trustee, agent, contract administrator or similar entity under the Bond Documents or COP Documents to have the benefit of all the rights and protections and other provisions of the Bond Documents or COP Documents, as applicable, and all other related agreements with respect to priority in payment and lien rights with respect to any Distribution; (c) to set forth the terms and conditions applicable to parties to the Bond Documents and COP Documents other than the City; (d) as may be necessary to preserve any claim by (i) a Bondholder or Bond Agent under a Bond Insurance Policy or against any Bond Insurer, (ii) a COPs Holder or COP Agent under a COP Insurance Policy or against any

COP Insurer or (iii) a COP Swap Counterparty under a Swap Insurance Policy or against any insurer thereunder; and (e) with respect to any obligation of any party (other than the City, except to the extent provided in the COP Swap Settlement or the COP Swap Settlement Approval Order) under any COP Document related to such party's obligations owed in respect of the COP Swap Documents or the COP Swap Claims. Notwithstanding the foregoing, and except as otherwise expressly provided in the Plan (or the COP Swap Settlement or the COP Swap Settlement Approval Order), such Bonds, Bond Documents, COPs or COP Documents as remain outstanding shall not form the basis for the assertion of any Claim against the City. For the avoidance of doubt, this paragraph shall not apply to any Bonds that are Reinstated pursuant to Section II.B.3.a.ii of the Plan.

65. As of the Effective Date, the principal amounts of the COPs originally insured by FGIC shall be, and hereby are, deemed accelerated and due and payable, and no interest on the COPs originally insured by FGIC shall accrue thereafter, solely for the purposes of determining distributions from the COP Trustee to FGIC and the FGIC COP Holders. The foregoing acceleration of principal and cessation of interest shall affect only the rights of each FGIC COP Holder to the receipt of proceeds of distributions under the Plan and not the rights of each such FGIC COP Holder against FGIC and shall not in any way modify payments currently required of FGIC under its existing insurance policies or the

First Amended Plan of Rehabilitation for Financial Guaranty Insurance Company, dated June 4, 2013 (the "FGIC Rehabilitation Plan").

66. FGIC (irrespective of the terms of FGIC's COP Insurance Policies including, without limitation, the definition of "Due for Payment") may elect on or prior to the earlier to occur of (a) the Effective Date and (b) December 15, 2014, by filing a notice with the Court on or prior to such date, to treat all (but not less than all) of the outstanding principal owing on all (but not less than all) series of the FGIC-insured COPs as having been accelerated and currently "Due for Payment" (as such term is defined in the applicable FGIC COP Insurance Policy for purposes of such policy) as of the Effective Date, in which case, with respect to each FGIC COP Insurance Policy there shall be deemed a Permitted Policy Claim (as defined in the FGIC Rehabilitation Plan) in the amount of (a) the outstanding principal amount of the FGIC-Insured COPs in each CUSIP, as of the Effective Date, insured by such policy and (b) interest accrued and unpaid on such principal amount of such FGIC-Insured COPs through the Effective Date, in which case no interest shall accrue on or after the Effective Date. If FGIC does not elect to accelerate its COP Insurance Policies pursuant to the preceding sentence, FGIC's and the FGIC COP Holders' respective rights and obligations with respect to FGIC's COP Insurance Policies shall be governed by the FGIC/FGIC COP Holders Term Sheet.

67. Nothing in the Plan impairs, modifies, affects or otherwise alters the rights of (a) Bondholders or Bond Agents with respect to claims under applicable Bond Insurance Policies or against the Bond Insurers, (b) COPs Holders or the COP Agent with respect to claims under COP Insurance Policies and obligations related thereto or (c) COP Swap Counterparties with respect to claims under Swap Insurance Policies and obligations related thereto.

68. No provision of this Order or the Plan shall (a) enjoin any holder of a COP from enforcing its rights against any COP Insurer or (b) exculpate, release or affect any rights any holder of a COP may have with respect to any COP Insurance Policy.

**T. Binding Effect of Prior Orders**

69. Effective as of the Confirmation Date, but subject to the occurrence of the Effective Date and subject to the terms of the Plan and this Order, all prior orders entered in the Chapter 9 Case, all documents and agreements executed by the City as authorized and directed thereunder and all motions or requests for relief by the City pending before the Court as of the Effective Date shall be binding upon and shall inure to the benefit of the City and any other parties expressly subject thereto. Nothing in the Plan or this Order shall in any respect modify the DWSD Tender Order, the rulings made and the rights granted

therein or any of the documents approved, authorized or entered into pursuant thereto.

**U. Final Order; Waiver of Stay**

70. This Order is a final order, and the period in which an appeal must be filed shall commence immediately upon the entry hereof. The stay of this Order otherwise imposed by Bankruptcy Rule 3020(e) is hereby waived as of the date hereof.

**V. Reversal**

71. If any or all of the provisions of this Order are hereafter reversed, modified or vacated by subsequent order of this Court or any other federal appellate court with appropriate jurisdiction, such reversal, modification or vacatur shall not affect the validity of the acts or obligations incurred or undertaken under or in connection with the Plan prior to the City's receipt of written notice of such order. Notwithstanding any such reversal, modification or vacatur of this Order, any such act or obligation incurred or undertaken pursuant to, and in reliance on, this Order prior to the effective date of such reversal, modification or vacatur shall be governed in all respects by the provisions of this Order and the Plan and all related documents or any amendments or modifications thereto.

## **W. Notice of Confirmation of the Plan**

72. Pursuant to Bankruptcy Rules 2002(f)(7) and 3020(c)(2), on or before ten Business Days after occurrence of the Effective Date, the City shall mail or cause to be mailed to all creditors a notice (the "Confirmation Notice"), substantially in the form of Appendix II hereto, that informs such creditors of: (a) entry of this Order; (b) the occurrence of the Effective Date; (c) the assumption and rejection of Executory Contracts and Unexpired Leases pursuant to the Plan, as well as the deadline and procedures for the filing of Claims arising from any such rejection; (d) the deadline and procedures for the filing of Administrative Claims; and (e) such other matters as the City deems to be appropriate; *provided, however*, that the City shall be obligated to serve the Confirmation Notice only on the record holders of Claims as of the Confirmation Date. The City is directed to publish the Confirmation Notice once in the national editions of *The Wall Street Journal* and *USA Today* and the daily edition of the *Detroit Free Press* no later than ten Business Days after the Effective Date. As soon as practicable after the entry of this Order, the City shall make copies of this Order and the form Confirmation Notice available on (a) the City's official website at [www.detroitmi.gov](http://www.detroitmi.gov) and (b) the Document Website at [www.kccllc.net/Detroit](http://www.kccllc.net/Detroit).

## **X. Miscellaneous Provisions**

73. The City is hereby authorized to make non-material modifications or amendments to the Plan at any time prior to the substantial consummation of the Plan, without further order of the Court. In addition, without the need for a further order or authorization of this Court, but subject to the express provisions of this Order, the City shall be, and hereby is, authorized and empowered to make non-material modifications to the documents filed with the Court, including Exhibits or documents forming part of the evidentiary record at the Confirmation Hearing, in its reasonable business judgment as may be necessary or appropriate.

74. The City shall not, without FGIC's prior written consent, amend the Plan in a manner that (a) would have a materially adverse effect on Class 9 or (b) adversely affect FGIC; *provided, however*, that, notwithstanding anything to the contrary in this Order or the Plan, nothing in this Order or the Plan is intended to or shall be deemed to limit any rights of the FGIC COP Holders to object to any such Plan amendment.

75. On the Effective Date, the Retiree Committee, to the extent not previously dissolved or disbanded, will dissolve and disband, and the members of the Retiree Committee and their respective professionals will cease to have any role arising from or related to the Chapter 9 Case. Notwithstanding the foregoing,

the Retiree Committee's professionals will have standing to participate in the post-Effective Date determination by the Court of the reasonableness of the fees and expenses incurred by the Retiree Committee and its professionals in connection with the City's Chapter 9 Case.

76. Pursuant to the Order Resolving Corrected Motion of the Official Committee of Retirees for Entry of An Order Allowing an Administrative Expense Claim, entered on March 31, 2014 (Docket No. 3334), approving a stipulation and settlement agreement that requires the City to include a provision under the Barton doctrine first developed in Barton v. Barbour, 104 U.S. 126 (1881), and this Court having previously held that the Barton doctrine is applicable to members of the Retiree Committee, each and every member of the Retiree Committee is not only subject to protections under the release and injunction provisions of the Plan but is further protected by the provisions of the Barton doctrine and thus no action may be taken against any member of the Retiree Committee without separate relief granted by this Court.

77. On the Effective Date or as soon thereafter as is practicable, all appeals of the Opinion Regarding Eligibility and the Order for Relief, subject to settlements by and among the appellants and the City, shall be withdrawn.

78. The terms and conditions of the Exit Facility are fair and reasonable, and the Exit Facility has been negotiated in good faith and at arm's

length. The City is hereby authorized to enter into, execute, deliver, file, record and issue the Exit Facility Documents and to incur the obligations under the Exit Facility, including the granting of liens thereunder, the payment of all fees, expenses, indemnities and other amounts provided for in each of the Exit Facility and the other instruments, agreements, guaranties and documents entered into in connection therewith, all of which are hereby approved. The City is authorized and empowered to incur and to perform its obligations in accordance with, and subject to, the Exit Facility Documents and to perform all acts, and make, execute and deliver all instruments and documents which may be required for the performance by the City under the Exit Facility Documents and the creation and perfection of the liens described in and provided for by the Exit Facility Documents. Subject to (a) the terms and conditions set forth in the Exit Facility Documents and (b) the City's compliance with the procedures for authorizing the borrowing of money under Sections 12(1) and 19 of PA 436 and the State Local Emergency Financial Assistance Loan Board's approval of the Exit Facility under Section 36a of Michigan Public Act 279 of 1909, the Home Rule City Act, M.C.L. §§ 117.1, *et seq.* (as amended), the City is hereby authorized to issue the Exit Bonds for purchase by the MFA in accordance with the terms and conditions set forth in the Exit Facility Documents.

79. The Exit Facility Documents and the obligations of the City thereunder, including all related pledges and security agreements, shall, upon execution, constitute legal, valid, binding and authorized obligations of the City, enforceable in accordance with their terms. The loans, advances and financial accommodations to be extended under the Exit Facility are being extended, and shall be, and hereby are, deemed to have been extended, in good faith, for legitimate purposes, are reasonable, shall not be subject to avoidance, recharacterization or subordination (including equitable subordination) for any purposes whatsoever, and shall not constitute preferential transfers, fraudulent transfers or conveyances or other voidable transfers under the Bankruptcy Code or any other applicable non-bankruptcy law.

80. Notwithstanding any other provision of this Order or the Plan, as to the United States, its agencies, departments or agents, nothing in the Plan or this Order shall discharge, release or otherwise preclude: (a) any liability of the City arising on or after the Effective Date; (b) any liability that is not a "claim" within the meaning of section 101(5) of the Bankruptcy Code; (c) any valid defense of setoff or recoupment with respect to a Claim; or (d) any liability of any entity under environmental laws arising, continuing or springing anew after the Effective Date that any entity would be subject to as a post-Effective Date owner or operator of property, *provided that*, for the avoidance of doubt and without

limiting the liabilities previously described in sub-paragraph (d), any liability that is a dischargeable "claim" within the meaning of section 101(5) of the Bankruptcy Code and arose before the Effective Date, including any liabilities for costs expended or paid by the United States under environmental laws before the Effective Date or any penalties or fines owed to the United States for days of violation of environmental laws before the Effective Date, shall be treated as otherwise provided in the Plan.

81. The Plan does not, and shall not be deemed to, modify, limit, release, discharge or enjoin any claims (a) related to the Retirement Systems that Bank of New York Mellon in its capacity as custodian under (i) the Global Custody Agreement with the Policemen and Firemen Retirement System of the City of Detroit, (ii) the Global Custody Agreement with the General Retirement System of the City of Detroit and (iii) the Global Custody Agreement with The Board of Trustees of The City of Detroit Employees' Benefit Plan (in such capacity, "BNY Mellon") may have against persons or entities other than the City or (b) against property of the Retirement Systems held by BNY Mellon in its capacity as custodian.

82. Any document related to the Plan that refers to a plan of adjustment of the City other than the Plan confirmed by this Order shall be, and it hereby is, deemed to be modified such that the reference to a plan of adjustment of

the City in such document shall mean the Plan confirmed by this Order, as appropriate.

83. Without intending to modify any prior Order of this Court (or any agreement, instrument or document addressed by any prior Order), in the event of a direct conflict between the Plan, on the one hand, and any other agreement, instrument, or document intended to implement the provisions of the Plan, on the other, the provisions of the Plan shall govern (except as provided in paragraph 24 above, and unless otherwise expressly provided for in such agreement, instrument, or document). In the event of a direct conflict between the Plan or any agreement, instrument, or document intended to implement the Plan, on the one hand, and this Order, on the other, the provisions of this Order shall govern.

84. In accordance with Section III.C of the Plan, if the Effective Date does not occur, then upon motion by the City, the Court may declare that:

(a) the Plan is null and void in all respects, including with respect to (i) the discharge of Claims pursuant to section 944 of the Bankruptcy Code, (ii) the assumptions, assignments or rejections of Executory Contracts or Unexpired Leases pursuant to Section II.D of the Plan and (iii) the releases described in Section III.D.7 of the Plan; and (b) nothing contained in the Plan shall (i) constitute a waiver or release of any Claims by or against the City or (ii) prejudice in any manner the rights of the City or any other party in interest.

85. To the extent that (a) the Court has held that any term or provision of the Plan is invalid, void or unenforceable and (b) with the consent of the City, the Court altered and interpreted such term or provision, consistent with Section VIII.D of the Plan, to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void or unenforceable: (a) such term or provision, as altered or interpreted, shall be (i) valid and enforceable pursuant to its terms, (ii) considered integral to the Plan and shall not be deleted or modified without the City's consent and (iii) non-severable and mutually dependent; and (b) notwithstanding any such holding, alteration or interpretation, the remainder of the terms and provisions of the Plan shall remain in full force and effect and shall in no way be affected, impaired or invalidated by such holding, alteration or interpretation.

86. Pursuant to Section IV.N of the Plan and in accordance with the Fee Review Order, the Fee Examiner shall continue to review and assess all Fee Review Professional Fees for the period through, but not including, the Effective Date pursuant to the standard of section 943(b)(3) of the Bankruptcy Code. The Fee Review Order shall not apply to any fees or expenses of the Fee Review Professionals for the period on and after the Effective Date, and the Fee Examiner shall not review any such fees or expenses. All fees and expenses of the Fee Examiner Parties, whether incurred before, on or after the Effective Date, shall

remain subject to review and approval of the Court pursuant to the terms of the Fee Review Order. Upon completing his review of all Fee Review Professional Fees and submitting all reports related thereto (as required by the Fee Review Order), the Fee Examiner shall have no further duties or obligations under the Fee Review Order other than obligations of confidentiality thereunder (which obligations, including, but not limited to, the confidentiality obligations set forth at paragraph 22 of the Fee Review Order, shall remain binding from and after the Effective Date). Nothing in this paragraph prohibits the mediator from requesting or requiring the Fee Examiner to participate in mediation regarding Professional Fees at any time.

87. The Court, with the assistance of counsel, will establish an expeditious mediation and Court-review process to determine the reasonableness and disclosure of all fees and expenses, paid and unpaid, for which the City is obligated in connection with this case through the Effective Date, as required by 11 U.S.C. § 943(b)(3). The preceding sentence does not apply with respect to fees and expenses explicitly dealt with in settlements previously approved by orders of the Court.

88. The provisions in the Plan and in this Order regarding fees and expenses shall include the professional fees and expenses of (a) the GRS and the PFRS, to the extent that the City reimburses them; (b) the Fee Examiner and his

professionals, and the Court-appointed feasibility expert and her counsel; and  
(c) the other Fee Review Professionals.

89. Notwithstanding Section II.B.3.s.ii.A of the Plan, Charles Gayney shall serve as an initial member of the Detroit General VEBA board of trustees in place of Suzanne Daniels Paranjpe.

**Y. No Diminution of State Power**

90. No provision of the Plan or this Order shall be construed: (a) to limit or diminish the power of the State to control, by legislation or otherwise, the City in the exercise of the political or governmental powers of the City, including expenditures for such exercise; or (b) as a waiver by the State of its rights as a sovereign or rights granted to it pursuant to the Tenth Amendment to the United States Constitution, or limit or diminish the State's exercise of such rights.

**Z. Post-Effective Date Governance**

91. The City shall promptly provide to the Court copies of any reports given to, or received from, the Financial Review Commission. Nothing in the Plan or this Order shall expand, limit or otherwise modify the role or powers of the Financial Review Commission.

**AA. Retention of Jurisdiction**

92. The Court shall, and hereby does, retain such jurisdiction over the City and the Chapter 9 Case as is consistent with section 1334 of title 28 and

title 11 of the United States Code until the Effective Date. Notwithstanding the entry of this Order, from and after the Effective Date, the Court shall retain such jurisdiction over the Chapter 9 Case to the fullest extent permitted by law, including, among other things, jurisdiction over those matters and issues described in Article VII of the Plan, *provided, however*, that notwithstanding Article VII of the Plan, the Court shall not have jurisdiction over any dispute between or among FGIC and the FGIC COP Holders with respect to agreements between or among them that do not involve the City, the State or any Released Party (other than FGIC and the FGIC COP Holders) as a party.

93. Pursuant to section 945(a) of the Bankruptcy Code, the Court shall, and hereby does, retain jurisdiction over the UTGO Settlement and the UTGO Settlement Agreement and any dispute arising from or related to the UTGO Settlement Agreement. For the avoidance of doubt and as the City has consented, the Court shall retain exclusive post-Confirmation authority and power to implement, interpret and enforce the UTGO Settlement Agreement and all Settlement-Related Documents (as such term is defined at Section 1.2 of the UTGO Settlement Agreement), including, without limitation, all exhibits to the UTGO Settlement Agreement, the Restructured UTGO Bonds and the Municipal Obligation. As the City has consented, the Court reserves all powers as are necessary or appropriate to enforce or to give effect to the Court's retained

jurisdiction under the Plan and this Order, including by way of injunction, as long as any of the Municipal Obligation, Stub UTGO Bonds or Restructured UTGO Bonds are outstanding.

94. Pursuant to section 945(a) of the Bankruptcy Code, the Court shall, and hereby does, retain jurisdiction over the settlement of Limited Tax General Obligation Bond Claims and the LTGO Settlement and any dispute arising from or related to the LTGO Settlement. For the avoidance of doubt and as the City has consented, the Court shall retain exclusive post-Confirmation authority and power to implement, interpret and enforce the LTGO Settlement and all Settlement-Related Documents, including, without limitation, all exhibits to the LTGO Settlement Agreement and the New LTGO Bonds. As the City has consented, the Court reserves all powers as are necessary or appropriate to enforce or to give effect to the Court's retained jurisdiction under the Plan and this Order, including by way of injunction, as long as any of the New LTGO Bonds are outstanding.

95. Pursuant to section 945(a) of the Bankruptcy Code, the Court shall, and hereby does, retain jurisdiction over any matters, cases, controversies, suits or disputes that may arise in connection with the FGIC Development Agreement or the Syncora Development Agreement.

At the direction of FGIC, which shall be deemed given on the Effective Date, the COP Contract Administrator shall have irrevocably agreed (on behalf of itself, any successors and each FGIC COP Holder) to release and not to sue any COP Holder or any COP Insurer on behalf of any FGIC COP Holder, COP Insurer, the Detroit Retirement Systems Funding Trust 2005 or the Detroit Retirement

### **i. Monthly Deduction.**

For each ASF Distribution Recipient who does not elect the ASF Recoupment Cash Option described in Section II.B.3.r.ii.D.2.ii and in the case of any ASF Distribution Recipient that elected the ASF Recoupment Cash Option but does not timely deliver the ASF Recoupment Cash Payment to the GRS, the Annuity Savings Fund Excess Amount will: (A) be calculated and converted into monthly annuity amounts based on common actuarial assumptions (such as the ASF Distribution Recipient's life expectancy, and, if not already retired, expected date of retirement) and amortized using a 6.75% interest rate; and (B) then be deducted from the ASF Distribution Recipient's monthly pension check; provided, however, that in no event shall the total amount deducted from an ASF Distribution Recipient's monthly pension check exceed the ASF Recoupment Cap or the Current GRS Retiree Adjustment Cap, if applicable. The total ASF Recoupment from the ASF Distribution Recipient's monthly pension checks over time shall not exceed the amount necessary to amortize the applicable Annuity Savings Fund Excess Amount at 6.75% interest.

Each ASF Distribution Recipient shall be afforded the ASF Recoupment Cash Option.

No later than seven days following the Effective Date, the City, through its Claims and Balloting Agent, shall send the ASF Election Notice and the ASF Election Form by first-class U.S. mail to each ASF Distribution Recipient. The ASF Election Form shall explain that the amount of the ASF Recoupment Cash Payment shall be equal to the total amount of ASF Recoupment shown on the ASF Distribution Recipient's Ballot, unless the aggregate amount of ASF Recoupment for all ASF Distribution Recipients electing the ASF Recoupment Cash Option exceeds \$30,000,000, in which case (A) the ASF Recoupment Cash Payment will be the ASF Distribution Recipient's Pro Rata portion of \$30,000,000, and (B) the remaining portion of the ASF Distribution Recipient's ASF Recoupment will be annuitized and deducted from the ASF Distribution Recipient's monthly pension check, as provided for in Section II.B.3.r.ii.D.2.i.

An ASF Distribution Recipient must return his or her ASF Election Form to the Claims and Balloting Agent so that it is actually received by the Claims and Balloting Agent by the ASF Election Date.

ASF Distribution Recipients shall have until the ASF Final Cash Payment Date to make the ASF Recoupment Cash Payment, which payment must be made by cashier's check or wire transfer and may not be made by personal check. If an ASF Distribution Recipient's ASF Recoupment Cash Payment is not received by the ASF Final Cash Payment Date, GRS will notify the ASF Distribution Recipient of the failure to timely pay, and ASF Recoupment will be effected through diminution of such recipient's monthly pension check, as provided for in Section II.B.3.r.ii.D.2.i. The calculation of each electing ASF Distribution Recipient's ASF Recoupment Cash Payment shall not be adjusted under any circumstances, including as a result of default by any other electing ASF Distribution Recipient to remit his or her ASF Recoupment Cash Payment by the ASF Final Cash Payment Date.

#### **B. Detroit Police and Fire VEBA.**

Establishment of Detroit Police and Fire VEBA: On or as soon as practicable following the Effective Date, the City will establish the Detroit Police and Fire VEBA to provide health benefits to Detroit Police and Fire VEBA Beneficiaries and certain of their dependents. The Detroit Police and Fire VEBA will be governed by a seven member board of trustees and, for the first four years, one additional non-voting, ex-officio member. The board of trustees will be responsible for, among other things, management of property held by the Detroit Police and Fire VEBA, administration of the Detroit Police and Fire VEBA and determination of the level of and distribution of benefits to Detroit Police and Fire VEBA Beneficiaries. The Detroit Police and Fire VEBA Trust Agreement and related plan documentation will be substantially in the form set forth on Exhibit I.A.112. With respect to the initial appointment of the board of trustees, the Mayor will appoint one member, and the RDPFFA and the Retiree Committee will each appoint three board members. The RDPMA will appoint the non-voting, ex-officio member. The RDPFFA will fill board member vacancies created by the departure of voting members initially appointed by the Retiree Committee or the RDPFFA, and the Mayor will fill a board member vacancy created by the departure of the member appointed by the Mayor. The RDPMA will fill a non-voting, ex-officio board member vacancy created by the departure of the member initially appointed by the RDPMA, but such non-voting, ex-officio member position shall expire on December 31, 2018. The initial members of the Detroit Police and Fire VEBA board of trustees shall be (1) Floyd Allen, (2) Gregory Best, (3) John Clark, (4) Andrew Dillon, (5) Allan Grant, (6) Thomas Sheehan, (7) Greg Trozak and (8) Shirley Berger (*ex officio*). Nothing in the Plan precludes either the Detroit Police and Fire VEBA from being formed under Section 115 or the formation of a separate trust under Section 115, in each case with the City's consent, which consent will not be unreasonably withheld.

Distributions to Detroit Police and Fire VEBA: On the Effective Date, the City shall distribute to the Detroit Police and Fire VEBA New B Notes in the aggregate principal amount of \$232,000,000, in satisfaction of the Allowed OPEB Claims held by Detroit Police and Fire VEBA Beneficiaries. The Detroit Police and Fire VEBA shall also be entitled to additional distributions as set forth in Section II.B.3.p.i.A.

#### **C. No Further Responsibility.**

From and after the Effective Date, the City shall have no further responsibility to provide retiree healthcare or any other retiree welfare benefits. The City shall have no responsibility from and after the Effective Date to provide life insurance or death benefits to former employees. On the Effective Date, the Employees Death Benefit Plan will be frozen for former employees, and the City will no longer have an obligation to contribute to fund death benefits under the plan for any participant or beneficiary who is a former employee. Existing retirees who participate in the plan will be granted a one-time opportunity to receive a lump sum distribution of the present value of their actuarially determined death benefit to the extent of the plan funding. For the avoidance of doubt, the Employees Death Benefit Plan shall not be merged into or operated by either the Detroit General VEBA or the Detroit Police and Fire VEBA. The Employees Death Benefit Board of Trustees shall continue to manage the Employees Death Benefit Plan and employ the staff of the Retirement Systems to administer the disbursement of benefits thereunder, the costs of which administration shall be borne by the assets of the Employees Death Benefit Plan.

Retirees (and active employees that retire prior to December 31, 2014) of the Detroit Public Library and the Detroit Regional Convention Facility Authority are Detroit General VEBA Beneficiaries and will receive the treatment set forth above. However, the collective bargaining and other legal rights and obligations of the Detroit Public Library and the Detroit Regional Convention Facility Authority, on one hand, and their respective unions and former and current employees, on the other hand, are not affected by the Plan. These parties retain the

right to negotiate further or additional benefits; provided, however, that the City shall not be responsible for, or have any obligation with respect to, any such further or additional benefits or the administration thereof. In addition, in consideration of the eligible retirees of the Detroit Public Library and the Detroit Regional Convention Facility Authority participating in the Detroit General VEBA, the Detroit Public Library and the Detroit Regional Convention Facility Authority shall reimburse the City for their allocable share of the New B Note debt service related to the Detroit General VEBA.

**t. Class 13 – Downtown Development Authority Claims.**

**i. Allowance.**

On the Effective Date, the Downtown Development Authority Claims shall be deemed Allowed in the amount of \$33,600,000.

**ii. Treatment.**

Unless such Holder agrees to a different treatment of such Claim, each Holder of an Allowed Downtown Development Authority Claim, in full satisfaction of such Allowed Claim, shall receive, on or as soon as reasonably practicable after the Effective Date, a Pro Rata share of approximately \$3.69 million in New B Notes.

**u. Class 14 – Other Unsecured Claims.**

**i. Treatment.**

Unless such Holder agrees to a different treatment of such Claim, each Holder of an Allowed Other Unsecured Claim, in full satisfaction of such Allowed Claim, shall receive (A) on or as soon as reasonably practicable after the Effective Date, a Pro Rata share of approximately \$16.48 million in New B Notes and (B) distributions in accordance with Section II.B.3.p.i.A.

**v. Class 15 – Convenience Claims.**

**i. Treatment.**

Each Holder of an Allowed Convenience Claim, in full satisfaction of such Allowed Claim, shall receive Cash equal to the amount of 25% of such Allowed Claim (as reduced, if applicable, pursuant to an election by such Holder in accordance with Section I.A.76) on or as soon as reasonably practicable after the Effective Date, unless such Holder agrees to a different treatment of such Claim.

**w. Class 16 – Subordinated Claims.**

**i. Treatment.**

On the Effective Date, all Subordinated Claims shall be disallowed, extinguished and discharged without Distribution under the Plan, and Holders of Subordinated Claims shall not receive or retain any property on account of such Claims. Pursuant to section 1126(g) of the Bankruptcy Code, Class 16 is deemed to have rejected the Plan and Holders of Subordinated Claims are not entitled to cast a Ballot in respect of such Claims.

**x. Class 17 – Indirect 36th District Court Claims.**

**i. Treatment.**

Unless such Holder agrees to a different treatment of its Claim, each Holder of an Allowed Indirect 36th District Court Claim, in full satisfaction of such Allowed Claim, shall receive: (A) if the Allowed amount of such Indirect 36th District Court Claim is less than \$100,000.00, on or as soon as reasonably practicable after the Effective Date, Cash in an amount equal to 33% of the Allowed amount of such Allowed Indirect 36th

District Court Claim; or (B) if the Allowed amount of such Indirect 36th District Court Claim is equal to or more than \$100,000.00, Cash equal to 33% of the Allowed amount of such Indirect 36th District Court Claim, plus simple interest on outstanding amounts at a rate of five percent per annum, payable in five equal annual installments, with the first installment to be paid on or as soon as reasonably practicable after the Effective Date and the remaining four installments to be paid on the date of the first four anniversaries of the Effective Date or, if any such date is not a Business Day, on the first Business Day thereafter.

**ii. Further Obligation of City, State and 36th District Court.**

Subject to the terms of the 36th District Court Settlement, the treatment of Allowed Indirect 36th District Court Claims set forth in Section II.B.3.x.i shall fulfill any obligation of the City and the 36th District Court that may exist with respect to all Indirect 36th District Court Claims. Nothing in Section II.B.3.x.i prevents the Holder of an Indirect 36th District Court Claim from seeking further relief or payment from the State with respect to such Indirect 36th District Court Claim to the extent such Claim is not satisfied pursuant to the Plan.

**C. Confirmation Without Acceptance by All Impaired Classes.**

The City requests Confirmation under section 1129(b) of the Bankruptcy Code in the event that any impaired Class does not accept or is deemed not to accept the Plan pursuant to section 1126 of the Bankruptcy Code. The Plan shall constitute a motion for such relief.

**D. Treatment of Executory Contracts and Unexpired Leases.**

**1. Assumption.**

Except as otherwise provided in the Plan, in any contract, instrument, release or other agreement or document entered into in connection with the Plan or in a Final Order of the Bankruptcy Court, or as requested in any motion Filed by the City on or prior to the Effective Date, on the Effective Date, pursuant to section 365 of the Bankruptcy Code, the City will be deemed to assume all Executory Contracts and Unexpired Leases to which it is a party. Notwithstanding the foregoing, Retirement System Indemnity Obligations shall not be assumed under the Plan and shall be discharged. For the avoidance of doubt, the City shall assume the Tunnel Lease pursuant to this Section II.D.1.

**2. Assumption of Ancillary Agreements.**

Each Executory Contract and Unexpired Lease assumed pursuant to Section II.D.1 will include any modifications, amendments, supplements, restatements or other agreements made directly or indirectly by any agreement, instrument or other document that in any manner affects such Executory Contract or Unexpired Lease, unless any such modification, amendment, supplement, restatement or other agreement is rejected pursuant to Section II.D.6 or designated for rejection in accordance with Section II.D.3.

**3. Approval of Assumptions and Assignments.**

The Confirmation Order will constitute an order of the Bankruptcy Court approving the assumption of Executory Contracts and Unexpired Leases pursuant to Sections II.D.1 and II.D.2 (and any related assignment) as of the Effective Date, except for Executory Contracts or Unexpired Leases that (a) have been rejected pursuant to a Final Order of the Bankruptcy Court, (b) are subject to a pending motion for reconsideration or appeal of an order authorizing the rejection of such Executory Contract or Unexpired Lease, (c) are subject to a motion to reject such Executory Contract or Unexpired Lease Filed on or prior to the Effective Date, (d) are rejected pursuant to Section II.D.6 or (e) are designated for rejection in accordance with the last sentence of this paragraph. An order of the Bankruptcy Court (which may be the Confirmation Order) entered on or prior to the Confirmation Date will specify the procedures for providing notice to each party whose Executory Contract or Unexpired Lease is being assumed pursuant to the Plan of: (a) the Executory Contract or Unexpired Lease being assumed; (b) the Cure Amount Claim, if any, that the City believes it would be obligated to pay in connection with such assumption; (c) any assignment of an Executory Contract or Unexpired Lease; and (d) the procedures for such party to object to

the assumption of the applicable Executory Contract or Unexpired Lease, the amount of the proposed Cure Amount Claim or any assignment of an Executory Contract or Unexpired Lease. If an objection to a proposed assumption, assumption and assignment or Cure Amount Claim is not resolved in favor of the City, the applicable Executory Contract or Unexpired Lease may be designated by the City for rejection, which shall be deemed effective as of the Effective Date.

**4. Payments Related to the Assumption of Executory Contracts and Unexpired Leases.**

To the extent that such Claims constitute monetary defaults, the Cure Amount Claims associated with each Executory Contract or Unexpired Lease to be assumed pursuant to the Plan will be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, at the option of the City: (a) by payment of the Cure Amount Claim in Cash on the Effective Date or (b) on such other terms as are agreed to by the parties to such Executory Contract or Unexpired Lease. If there is a dispute regarding: (a) the amount of any Cure Amount Claim, (b) the ability of the City or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under the contract or lease to be assumed or (c) any other matter pertaining to the assumption of such contract or lease, the payment of any Cure Amount Claim required by section 365(b)(1) of the Bankruptcy Code will be made within 30 days following the entry of a Final Order resolving the dispute and approving the assumption.

**5. Contracts and Leases Entered Into After the Petition Date.**

Contracts, leases and other agreements entered into after the Petition Date by the City, including (a) any Executory Contracts or Unexpired Leases assumed by the City and (b) the collective bargaining agreements identified on Exhibit II.D.5, will be performed by the City in the ordinary course of its business. Accordingly, such contracts and leases (including any assumed Executory Contracts or Unexpired Leases) will survive and remain unaffected by entry of the Confirmation Order.

**6. Rejection of Executory Contracts and Unexpired Leases.**

On the Effective Date, each Executory Contract and Unexpired Lease that is listed on Exhibit II.D.6 shall be deemed rejected pursuant to section 365 of the Bankruptcy Code. The Confirmation Order will constitute an order of the Bankruptcy Court approving such rejections, pursuant to section 365 of the Bankruptcy Code, as of the later of: (a) the Effective Date or (b) the resolution of any objection to the proposed rejection of an Executory Contract or Unexpired Lease. Each contract or lease listed on Exhibit II.D.6 shall be rejected only to the extent that any such contract or lease constitutes an Executory Contract or Unexpired Lease. The City reserves its right, at any time on or prior to the Effective Date, to amend Exhibit II.D.6 to delete any Executory Contract or Unexpired Lease therefrom, thus providing for its assumption pursuant to Section II.D.1, or add any Executory Contract or Unexpired Lease thereto, thus providing for its rejection pursuant to this Section II.D.6. The City will provide notice of any amendments to Exhibit II.D.6 to the parties to the Executory Contracts or Unexpired Leases affected thereby and to the parties on the then-applicable service list in the Chapter 9 Case. Listing a contract or lease on Exhibit II.D.6 shall not constitute an admission by the City that such contract or lease is an Executory Contract or Unexpired Lease or that the City has any liability thereunder. Any Claims arising from the rejection of an Executory Contract or Unexpired Lease pursuant to the Plan shall be treated as Class 14 Claims (Other Unsecured Claims), subject to the provisions of section 502 of the Bankruptcy Code.

**7. Rejection Damages Bar Date.**

Except as otherwise provided in a Final Order of the Bankruptcy Court approving the rejection of an Executory Contract or Unexpired Lease, Claims arising out of the rejection of an Executory Contract or Unexpired Lease must be Filed with the Bankruptcy Court and served upon counsel to the City on or before the later of: (a) 45 days after the Effective Date; or (b) 45 days after such Executory Contract or Unexpired Lease is rejected pursuant to a Final Order or designated for rejection in accordance with Section II.D.3. Any Claims not Filed within such applicable time periods will be forever barred from receiving a Distribution from, and shall not be enforceable against, the City.

**8. Preexisting Obligations to the City Under Rejected Executory Contracts and Unexpired Leases.**

Pursuant to section 365(g) of the Bankruptcy Code, rejection of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall constitute a breach of such contract or lease and not a termination thereof, and all obligations owing to the City under such contract or lease as of the date of such breach shall remain owing to the City upon rejection. Notwithstanding any applicable non-bankruptcy law to the contrary, the City expressly reserves and does not waive any right to receive, or any continuing obligation of a non-City party to provide, warranties, indemnifications or continued maintenance obligations on goods previously purchased, or services previously received, by the City from non-City parties to rejected Executory Contracts or Unexpired Leases, and any such rights shall remain vested in the City as of the Effective Date.

**9. Insurance Policies.**

From and after the Effective Date, each of the City's insurance policies (other than welfare benefits insurance policies) in existence as of or prior to the Effective Date shall be reinstated and continue in full force and effect in accordance with its terms and, to the extent applicable, shall be deemed assumed by the City pursuant to section 365 of the Bankruptcy Code and Section II.D.1. Nothing contained herein shall constitute or be deemed a waiver of any Causes of Action that the City may hold against any Entity, including any insurer under any of the City's insurance policies. For the avoidance of doubt, nothing contained in this Section II.D.9 shall apply to reinstate or continue any obligation of the City or any fund thereof to any Bond Insurer.

**ARTICLE III

The New York State Department of Financial Services shall have waived in writing the notice requirement under FGIC's plan of rehabilitation with respect to the settlement contemplated by the FGIC/COP Settlement Documents and the FGIC Development Agreement in form and substance reasonably acceptable to FGIC, and such waiver shall not have been vacated or otherwise modified.

17. The Effective Date shall have occurred within 180 days of the entry of the Confirmation Order, unless the City requests an extension of such deadline and such deadline is extended by the Bankruptcy Court.

#### **B. Waiver of Conditions to the Effective Date.**

The conditions to the Effective Date set forth in Section III.A may be waived in whole or part at any time by the City in its sole and absolute discretion, except for those conditions set forth in (1) Section III.A.9 and Section III.A.10, which conditions cannot be waived, (2) Sections III.A.5, III.A.13 and III.A.14, which may only be waived by the City with the prior written consent of Syncora, (3) Sections III.A.4 and III.A.15, which may only be waived by the City with the prior written consent of FGIC and (4) Section III.A.16, which may be waived by the City at any time on or after November 4, 2014 at 5:00 p.m. (Eastern Time) with the prior written consent of FGIC.

**C. Effect of Nonoccurrence of Conditions to the Effective Date.**

If each of the conditions to the Effective Date is not satisfied, or duly waived in accordance with Section III.B, then, before the time that each of such conditions has been satisfied and upon notice to such parties in interest as the Bankruptcy Court may direct, the City may File a motion requesting that the Bankruptcy Court vacate the Confirmation Order; provided, however, that, notwithstanding the Filing of such motion, the Confirmation Order may not be vacated if each of the conditions to the Effective Date is satisfied before the Bankruptcy Court enters an order granting such motion. If the Confirmation Order is vacated pursuant to this Section III.C: (1) the Plan will be null and void in all respects, including with respect to (a) the discharge of Claims pursuant to section 944(b) of the Bankruptcy Code, (b) the assumptions, assignments or rejections of Executory Contracts and Unexpired Leases pursuant to Section II.D and (c) the releases described in Section III.D.7; and (2) nothing contained in the Plan, nor any action taken or not taken by the City with respect to the Plan, the Disclosure Statement or the Confirmation Order, will be or will be deemed to be (a) a waiver or release of any Claims by or against the City, (b) an admission of any sort by the City or any other party in interest or (c) prejudicial in any manner the rights of the City or any other party in interest.

**D. Effect of Confirmation of the Plan.**

**1. Dissolution of Retiree Committee.**

On the Effective Date, the Retiree Committee, to the extent not previously dissolved or disbanded, will dissolve and disband, and the members of the Retiree Committee and their respective professionals will cease to have any role arising from or related to the Chapter 9 Case.

**2. Preservation of Rights of Action by the City.**

Except as otherwise provided in the Plan or in any contract, instrument, release or other agreement entered into or delivered in connection with the Plan, in accordance with section 1123(b)(3)(B) of the Bankruptcy Code, the City will retain and may enforce any claims, demands, rights, defenses and Causes of Action that it may hold against any Entity, including but not limited to any and all Causes of Action against any party relating to the past practices of the Retirement Systems (including any investment decisions related to, and the management of, the Retirement Systems' respective pension plans or assets), to the extent not expressly released under the Plan or pursuant to any Final Order of the Bankruptcy Court. A nonexclusive schedule of currently pending actions and claims brought by the City is attached as Exhibit III.D.2. The City's inclusion of, or failure to include, any right of action or claim on Exhibit III.D.2 shall not be deemed an admission, denial or waiver of any claims, demands, rights or Causes of Action that the City may hold against any Entity, and all Entities are hereby notified that the City intends to preserve all such claims, demands, rights or Causes of Action.

**3. Comprehensive Settlement of Claims and Controversies.**

Pursuant to Bankruptcy Rule 9019 and in consideration for the distributions and other benefits provided under the Plan, the provisions of the Plan will constitute a good faith compromise and settlement of all claims or controversies relating to the rights that a holder of a Claim may have with respect to any Allowed Claim or any Distribution to be made pursuant to the Plan on account of any Allowed Claim. The entry of the Confirmation Order will constitute the Bankruptcy Court's approval, as of the Effective Date, of the compromise or settlement of all such claims or controversies and the Bankruptcy Court's finding that all such compromises or settlements are (a) in the best interests of the City, its property and Claim Holders and (b) fair, equitable and reasonable. For the avoidance of doubt, this Section III.D.3 shall not affect or limit the application of section 509 of the Bankruptcy Code or any similar doctrine to Bond Insurance Policy Claims.

**4. Discharge of Claims.**

**a. Complete Satisfaction, Discharge and Release.**

Except as provided in the Plan or in the Confirmation Order, the rights afforded under the Plan and the treatment of Claims under the Plan will be in exchange for and in complete satisfaction, discharge and release of all Claims arising on or before the Effective Date, including any interest accrued on Claims from and after the Petition Date. Except as provided in the Plan or in the Confirmation Order, Confirmation will, as of the Effective Date, discharge the City from all Claims or other debts that arose on or before the Effective Date, and all debts of the kind specified in section 502(g), 502(h) or 502(i) of the Bankruptcy Code, whether or not (i) a proof of Claim based on such debt is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code, (ii) a Claim based on such debt is allowed pursuant to section 502 of the Bankruptcy Code or (iii) the Holder of a Claim based on such debt has accepted the Plan.

**b. Discharge.**

In accordance with Section III.D.4.a, except as expressly provided otherwise in the Plan or the Confirmation Order, the Confirmation Order will be a judicial determination, as of the Effective Date, of a discharge of all debts of the City, pursuant to sections 524(a)(1), 524(a)(2) and 944(b) of the Bankruptcy Code, and such discharge will void any judgment obtained against the City at any time, to the extent that such judgment relates to a discharged debt; provided that such discharge will not apply to (i) debts specifically exempted from discharge under the Plan; and (ii) debts held by an Entity that, before the Confirmation Date, had neither notice nor actual knowledge of the Chapter 9 Case.

**5. Injunction.**

**On the Effective Date, except as otherwise provided herein or in the Confirmation Order,**

**4. asserting any setoff, right of subrogation or recoupment of any kind, directly or indirectly, against any obligation due the City or its property;**

**5. proceeding in any manner in any place whatsoever that does not conform to or comply with the provisions of the Plan or the settlements set forth herein to the extent such settlements have been approved by the Bankruptcy Court in connection with Confirmation of the Plan; and**

**6. taking any actions to interfere with the implementation or consummation of the Plan.**

**b. All Entities that have held, currently hold or may hold any Liabilities released pursuant to the Plan will be permanently enjoined from taking any of the following actions against the State, the State Related Entities, the officers, board of trustees/directors, attorneys, advisors and professionals of the RDPFFA or the DRCEA, and the Released Parties or any of their respective property on account of such released Liabilities: (i) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding of any kind; (ii) enforcing, levying, attaching, collecting or otherwise recovering by any manner or means, directly or indirectly, any judgment, award, decree or order; (iii) creating, perfecting or otherwise enforcing in any manner, directly or indirectly, any lien; (iv) asserting any setoff, right of subrogation or recoupment of any kind, directly or indirectly, against any obligation due the State, a State Related Entity, the officers, board of trustees/directors, attorneys, advisors and professionals of the RDPFFA or the DRCEA, or a Released Party; and (v) commencing or continuing any action, in any manner, in any place that does not comply with or is inconsistent with the provisions of the Plan. Notwithstanding the foregoing and without limiting the injunctions in Section III.D.5.a, the Holders of Indirect 36th District Court Claims shall not be enjoined from taking any of the foregoing actions against the State or the State Related Entities with respect to Indirect 36th District Court Claims to the extent such Claims are not satisfied pursuant to the Plan.**

**6. Exculpation.**

From and after the Effective Date, to the fullest extent permitted under applicable law and except as expressly set forth in this Section, neither the City, its Related Entities (including the members of the City Council, the Mayor and the Emergency Manager), to the extent a claim arises from actions taken by such Related Entity in its capacity as a Related Entity of the City, the State, the State Related Entities, the Exculpated Parties nor the Released Parties shall have or incur any liability to any person or Entity for any act or omission in connection with, relating to or arising out of the City's restructuring efforts and the Chapter 9 Case, including the authorization given to file the Chapter 9 Case, the formulation, preparation, negotiation, dissemination, consummation, implementation, confirmation or approval (as applicable) of the Plan, the property to be distributed under the Plan, the settlements implemented under the Plan, the Exhibits, the Disclosure Statement, any contract, instrument, release or other agreement or document provided for or contemplated in connection with the consummation of the transactions set forth in the Plan or the management or operation of the City; provided that the foregoing provisions shall apply to (a) the LTGO Exculpated Parties solely in connection with acts or omissions taken in connection with the LTGO Settlement Agreement or the Plan (as it relates to the LTGO Settlement Agreement), (b) the UTGO Exculpated Parties solely in connection with acts or omissions taken in connection with the UTGO Settlement Agreement or the Plan (as it relates to the UTGO Settlement Agreement), (c) the DWSD Exculpated Parties solely in connection with acts or omissions taken in connection with the DWSD Tender, DWSD Tender Motion or DWSD Tender Order, (d) the Syncora Exculpated Parties solely in connection with acts or omissions taken in connection with the Syncora Settlement Documents and any actions or litigation positions taken by the Syncora Exculpated Parties in the Chapter 9 Case, (e) the FGIC/COP Exculpated Parties solely in connection with acts or omissions taken in connection with the FGIC/COP Settlement Documents and any actions or litigation positions taken by the FGIC/COP Exculpated Parties in the Chapter 9 Case, (f) the RDPMA Exculpated Parties and (g) the COP Agent, solely in its capacity as such and solely in connection with any Distributions made pursuant to the terms of the Plan; provided, further, that the foregoing provisions in this Section III.D.6 shall not affect the liability of the City, its Related Entities, the State, the State Related Entities, the Released Parties and the Exculpated Parties that otherwise would result from any such act or omission to the extent that such act or omission is determined in a Final Order to have constituted gross negligence or willful misconduct or any act or omission occurring before the Petition Date. The City, its Related Entities (with respect to actions taken by such Related Entities in their capacities as Related Entities of the City), the State, the State Related Entities, the Released Parties and the Exculpated Parties shall be entitled to rely upon the advice of counsel and financial advisors with respect to their duties and responsibilities under, or in connection with, the Chapter 9 Case, the administration thereof and the Plan. This Section III.D.6 shall not affect any liability of (a) any of the COP Swap Exculpated Parties to the Syncora Exculpated Parties or FGIC or (b) the Syncora Exculpated Parties or FGIC/COP Exculpated Parties to any of the COP Swap Exculpated Parties.

## 7. Releases.

Without limiting any other applicable provisions of, or releases contained in, the Plan or any contracts, instruments, releases, agreements or documents to be entered into or delivered in connection with the Plan, as of the Effective Date, in consideration for the obligations of the City under the Plan and the consideration and other contracts, instruments, releases, agreements or documents to be entered into or delivered in connection with the Plan (including the State Contribution Agreement):

- a. each holder of a Claim that votes in favor of the Plan, to the fullest extent permissible under law, will be deemed to forever release, waive and discharge (which release will be in addition to the release and discharge of Claims otherwise provided herein and under the Confirmation Order and the Bankruptcy Code):
  - i. all Liabilities in any way relating to the City, the Chapter 9 Case (including the authorization given to file the Chapter 9 Case), the Plan, the Exhibits or the Disclosure Statement, in each case that such holder has, had or may have against the City or its current and former officials, officers, directors, employees, managers, attorneys, advisors and professionals, each acting in such capacity (and, in addition to and without limiting the foregoing, in the case of any Emergency Manager, in such Emergency Manager's capacity as an appointee under PA 436); provided further, for the avoidance of doubt, that any person or entity designated to manage the Chapter 9 Case for the City after the Emergency Manager's term is terminated, whether such person or entity acts as an employee, advisor or contractor to the City or acts as an employee, agent, contractor or appointee of the State under any applicable state law, shall be treated the same as an employee of the City hereunder; and
  - ii. all Liabilities in any way relating to (A) Claims that are compromised, settled or discharged under or in connection with the Plan, (B) the Chapter 9 Case (including the authorization given to file the Chapter 9 Case), (C) the Plan, (D) the Exhibits, (E) the Disclosure Statement or (F) the DIA Settlement, in each case that such holder has, had or may have against the City's Related Entities, the State, the State Related Entities and the Released Parties; provided, however, that any such Liability of the Foundations, the DIA Funders and the CFSEM Supporting Organization and their Related Entities shall be released only to the extent that such Liability, if any, arises from any such entity's participation in the DIA Settlement;

provided, however, that the foregoing provisions shall not affect the liability of the City, its Related Entities and the Released Parties that otherwise would result from any act or omission to the extent that act or omission subsequently is determined in a Final Order to have constituted gross negligence or willful misconduct; and provided further, however, that if Classes 10 and 11 vote to accept the Plan, but any necessary conditions precedent to the receipt of the initial funding from the State (pursuant to the State Contribution Agreement) and the DIA Funding Parties that are such as of the commencement of the Confirmation Hearing (pursuant to the DIA Settlement) that can be satisfied or waived by the applicable funding party prior to the Confirmation Hearing (including, but not limited to, adoption of relevant legislation and appropriations by the State and execution of necessary and irrevocable agreements for their funding commitments by each of the DIA Funding Parties that are such as of the commencement of the Confirmation Hearing, which conditions may not be waived) are not satisfied or waived by the applicable funding party prior to the Confirmation Hearing, then Holders of Claims in Classes 10 and 11 that voted to accept the Plan shall be deemed to have voted to reject the Plan, and the voluntary release set forth in the first sentence of this Section III.D.7.a shall not apply to Holders of Claims in Classes 10 and 11; provided, further, that nothing in this Section III.D.7.a shall release (i) the City's obligations under the Plan or (ii) any defenses that any party may have against the City, its Related Entities, the State, the State Related Entities or the Released Parties; and

- b. if the State Contribution Agreement is consummated, each holder of a Pension Claim will be deemed to forever release, waive and discharge all Liabilities arising from or related to the City, the Chapter 9 Case, including the authorization given to file the Chapter 9 Case, the Plan, all Exhibits, the Disclosure Statement, PA 436 and its predecessor or replacement statutes, and Article IX, Section 24 of the Michigan Constitution that such party has, had or may have against the State and any State Related Entities. For the avoidance of doubt, the Plan does not release, waive or discharge obligations of the City that are established in the Plan or that arise from and after the Effective Date with respect to (i) pensions as modified by the Plan or (ii) labor-related obligations. Such post-Effective Date obligations shall be enforceable against the City or its representatives by active or retired employees or their collective bargaining representatives to the extent permitted by applicable non-bankruptcy law or the Plan, or, with respect to pensions only, GRS or PFRS.

Notwithstanding Sections III.D.5-7 and IV.L of the Plan, except as set forth in the COP Swap Settlement, nothing in the Plan or the Confirmation Order shall or shall be deemed to provide a release by the COP Swap Counterparties of any Liabilities related to the COPs, the COP Service Corporations, the Transaction Documents (as defined in the COP Swap Settlement), the COP Swap Settlement or the COP Swap Settlement Approval Order. For the avoidance of doubt, notwithstanding Section III.D.6 of the Plan, a vote of DWSD Bond Claims or DWSD Revolving Bond Claims in favor of the Plan shall not, and shall not be deemed to, effect a release pursuant to this Section III.D.7 by a Holder of any such DWSD Bond Claims, a Holder of any such DWSD Revolving Bond Claims or the Bond Insurer insuring any such Claims of any Liabilities against the City or its Related Entities that do not arise in connection with the DWSD Bonds or the DWSD Revolving Bonds. For the further avoidance of doubt, notwithstanding anything in the Plan to the contrary, a vote of a Claim other than a DWSD Bond Claim or DWSD Revolving Bond Claim in favor of the Plan shall not, and shall not be deemed to, effect a release pursuant to this Section III.D.7 by a Holder of any such voted Claim or the Bond Insurer insuring such voted Claim of any Liabilities against the City or any other Entity arising in connection with the DWSD Bonds or DWSD Revolving Bonds.

**E. No Diminution of State Power.**

No provision of this Plan shall be construed: (1) so as to limit or diminish the power of the State to control, by legislation or otherwise, the City in the exercise of the political or governmental powers of the City, including expenditures for such exercise; (2) so as to limit or diminish the power of the State to effect setoffs necessary to compensate the State or relieve the State of liability against funds (a) owing to the City from the State, (b) granted to the City by the State, or (c) administered by the State on behalf of the City or the federal government (including funds resulting from federal or state grants), for acts or omissions by the City (including but not limited to misappropriation or misuse of funds); and (3) as a waiver by the State of its rights as a sovereign or rights granted to it pursuant to the Tenth Amendment to the United States Constitution, or limit or diminish the State's exercise of such rights.

**F. Effectiveness of the Plan.**

The Plan shall become effective on the Effective Date. Any actions required to be taken on the Effective Date shall take place and shall be deemed to have occurred simultaneously, and no such action shall be deemed to have occurred prior to the taking of any other such action.

**G. Binding Effect of Plan.**

Pursuant to section 944(a) of the Bankruptcy Code, on and after the Effective Date, the provisions of the Plan shall bind all Holders of Claims, and their respective successors and assigns, whether or not the Claim of any such Holder is Impaired under the Plan and whether or not such Holder has accepted the Plan. The releases and settlements effected under the Plan will be operative, and subject to enforcement by the Bankruptcy Court, from and after the Effective Date, including pursuant to the injunctive provisions of the Plan. Once approved, the

compromises and settlements embodied in the Plan, along with the treatment of any associated Allowed Claims, shall not be subject to any collateral attack or other challenge by any Entity in any court or other forum. As such, any Entity that opposes the terms of any compromise and settlement set forth in the Plan must (1) challenge such compromise and settlement prior to Confirmation of the Plan and (2) demonstrate appropriate standing to object and that the subject compromise and settlement does not meet the standards governing bankruptcy settlements under Bankruptcy Rule 9019 and other applicable law.

#### **ARTICLE IV MEANS FOR IMPLEMENTATION OF THE PLAN**

##### **A. DWSD.**

###### **1. Rates and Revenues.**

DWSD will maintain Fiscal Year 2015 rate setting protocols for a minimum of five years, subject to certain changes necessary to stabilize water and sewer revenues. Rates will be determined by the Board of Water Commissioners or, if a DWSD Authority is formed and approved by the incorporating units' governing bodies, by the board of any such DWSD Authority. The City may seek to implement a rate stability program for City residents, which program may, among other things, (a) provide a source of funds to mitigate against rate increases, (b) enhance affordability and (c) provide a buffer against delinquent payments.

###### **2. DWSD CBAs.**

Collective bargaining agreements with respect to current DWSD employees that are in effect and not expired as of the Effective Date will be assumed by the City.

###### **3. Potential DWSD Authority Transaction.**

As a result of mediation or otherwise, it is possible that the City may enter into a DWSD Authority Transaction that includes the formation of the DWSD Authority to conduct many or all of the operations currently conducted by DWSD. Any such transaction would be subject to the approval of incorporating units and numerous other conditions. The timing of any such transaction, if it occurs at all, is not known. If any such transaction could occur, unless waived by the City in its sole discretion, the City will enter into such transaction only if Macomb County, Oakland County and Wayne County, and each of their municipal affiliates or related public corporations, withdraw with prejudice or shall have withdrawn with prejudice their objections to the Confirmation of the Plan. Any DWSD Authority Transaction shall be on terms that are consistent with all other provisions of the Plan, applicable law and orders of the Bankruptcy Court. The City shall not enter into any binding agreement with respect to or consummate any DWSD Authority Transaction prior to the Effective Date without first obtaining an order of the Bankruptcy Court approving and authorizing such DWSD Authority Transaction.

All terms and conditions in respect of any DWSD Authority Transaction set forth in (a) any DWSD Bond Document or (b) any transaction document in respect of such a DWSD Authority Transaction shall in any case include: (i) no material modifications to the source of payment and security for any DWSD Bonds or 2014 Revenue and Revenue Refinancing Bonds; (ii) an opinion of tax counsel that such transfer shall have no material adverse effect on the tax exempt status of the interest on the DWSD Bonds or 2014 Revenue and Revenue Refinancing Bonds; (iii) that the City could issue at least \$1 of additional new money DWSD Bonds in compliance with the additional bonds test set forth in the applicable DWSD Bond Documents; and (iv) ratings confirmation of any rating agency then rating the DWSD Bonds and 2014 Revenue and Revenue Refinancing Bonds. A DWSD Authority Transaction shall not affect, impair, modify or otherwise alter the rights of any party under the DWSD Tender Order, the DWSD Bond Documents, the DWSD Revolving Bond Documents, the 2014 DWSD Refinancing Obligations, the 2014 Revenue and Revenue Refinancing Bonds or the 2014 Revenue Refinancing Bonds or any Bond Insurance Policy related to or issued in connection with any of the foregoing.

**B. The New B Notes, New C Notes and New LTGO Bonds.**

**C. The UTGO Settlement.**

On the Effective Date, the City and the Settling UTGO Bond Insurers shall consummate the UTGO Settlement Agreement, a copy of which is attached hereto as Exhibit I.A.360. The treatment of Unlimited Tax General Obligation Bond Claims under the Plan is provided for pursuant to the UTGO Settlement Agreement, which involves the settlement of, among other things, the UTGO Litigation and is subject to Bankruptcy Court approval pursuant to Bankruptcy Rule 9019. The Plan shall be construed as a motion for approval of, and the Confirmation Order shall constitute an order approving, the UTGO Settlement Agreement pursuant to Bankruptcy Rule 9019.

Pursuant to the UTGO Settlement Agreement, among other things: (1) the Unlimited Tax General Obligation Bond Claims shall be deemed Allowed in the amount of \$388,000,000; (2) the City shall issue the Municipal Obligation to the MFA, which in turn will issue the Restructured UTGO Bonds; (3) Holders of Allowed Unlimited Tax General Obligation Bond Claims shall be entitled to receive their Pro Rata share of \$279,618,950 of the Restructured UTGO Bonds as set forth in Schedule 1a of the UTGO Settlement Agreement; (4) the Settling UTGO Bond Insurers and the Non-Settling UTGO Bond Insurer shall be entitled to receive \$7,941,840 of the Restructured UTGO Bonds as set forth in Schedule 1b to the UTGO Settlement Agreement; and (5) a designee or designees of the City shall have the right to receive the Assigned UTGO Bond Tax Proceeds, which Assigned UTGO Bond Tax Proceeds will be distributed over a 14-year period to the Income Stabilization Funds of GRS and PFRS for the payment of Income Stabilization Payments to Eligible Pensioners and to the Retirement Systems, in accordance with applicable agreements.

Each Settling UTGO Bond Insurer shall receive, as soon as reasonably practicable after the occurrence of a Trigger Event, its allocable share of the Top-Off Payments in accordance with the terms of the UTGO Settlement Agreement.

**D. The State Contribution Agreement.**

Prior to or on the Effective Date, if Classes 10 and 11 vote to accept the Plan, the City, GRS, PFRS and the State will enter into the State Contribution Agreement, substantially on the terms set forth on Exhibit I.A.332.

**1. State Contribution.**

The State or the State's authorized agent will contribute the net present value of \$350 million payable over 20 years using a discount rate of 6.75% to GRS and PFRS for the benefit of the Holders of Pension Claims.

**2. Income Stabilization Payments.**

The Income Stabilization Funds of GRS and PFRS will receive not less than an aggregate amount of \$20 million over 14 years of the Assigned UTGO Bond Tax Proceeds in the form of annual installment payments pursuant to a payment schedule approved by the State. Following the Effective Date, on an annual basis, GRS and PFRS will distribute such portion of the funds held in their respective Income Stabilization Fund to Eligible Pensioners entitled to receive the Income Stabilization Benefit and the Income Stabilization Benefit Plus. The

Income Stabilization Benefit, which will be calculated in the first year following the Effective Date and will not increase thereafter, will be provided by the applicable Retirement System to each Eligible Pensioner. In addition, to the extent that an Eligible Pensioner's estimated adjusted annual household income (as determined by the applicable Retirement System) in any calendar year after the first year of the income stabilization program is less than 105% of the Federal Poverty Level for such year, the applicable Retirement System will distribute the Income Stabilization Benefit Plus to such Eligible Pensioner.

In the event that, in 2022 (provided that the State has not issued a certificate of default under the State Contribution Agreement with respect to GRS or PFRS, as applicable, at any time prior to 2022), it is the opinion of at least 75% of the independent members of the Investment Committee of GRS or PFRS, as applicable, that the Income Stabilization Fund of the applicable Retirement System is credited with Excess Assets, the respective Investment Committee may recommend that the Excess Assets, in an amount not to exceed \$35 million, be used to fund the Adjusted Pension Amounts payable by the applicable Retirement System. In the event that any funds remain in the Income Stabilization Fund of each or either of GRS or PFRS on the date upon which no Eligible Pensioners under the applicable Retirement System are living, such funds shall be used to fund the Adjusted Pension Amounts payable by the applicable Retirement System.

### **3. Conditions to State's Participation.**

The payment of the State Contribution by the State or the State's authorized agent is conditioned upon satisfaction of the conditions precedent set forth in the State Contribution Agreement, including, among other things, the following: (a) the Confirmation Order becoming a Final Order no later than December 31, 2014, which Confirmation Order must contain certain provisions as set forth in the State Contribution Agreement, including a requirement that the governing documents of GRS and PFRS be amended to include (i) the governance terms and conditions set forth in the State Contribution Agreement and (ii) the Income Stabilization Funds and Income Stabilization Payments; (b) the occurrence of the Effective Date no later than April 1, 2015; (c) acceptance of the Plan by Classes 10 and 11, which Plan must be in form and substance reasonably acceptable to the State and contain certain release provisions; (d) the Retiree Committee's endorsement of the Plan, including a letter from the Retiree Committee recommending that Classes 10 and 11 vote in favor of the Plan, or equivalent assurances from member organizations representing a majority of retirees in Classes 10 and 11; (e) active support of the Plan by, a release of and covenant not to sue the State from, and an agreement not to support in any way the litigation described in subsection (f) of this Section by, the City, the Retiree Committee, the Retirement Systems and certain unions and retiree associations, or equivalent assurances of litigation finality; (f) cessation of all litigation, or equivalent assurances of finality of such litigation, including the cessation of funding of any litigation initiated by any other party, as it relates to the City, (i) challenging PA 436 or any actions taken pursuant to PA 436 or (ii) seeking to enforce Article IX, Section 24 of the Michigan Constitution; (g) evidence satisfactory to the State of an irrevocable commitment by the Foundations (excluding the Special Foundation Funders, as that term is defined in the DIA Settlement Documents) to fund \$366 million (or the net present value thereof) as part of the DIA Settlement, as provided in Section IV.E.1; and (h) evidence satisfactory to the State of an irrevocable commitment by DIA Corp. to fund \$100 million (or the net present value thereof) as part of the DIA Settlement, as provided in Section IV.E.1.

### **4. Release of Claims Against the State and State Related Entities.**

The State Contribution Agreement requires that the Plan provide for the release of the State and the State Related Entities by each holder of a Pension Claim from all Liabilities arising from or related to the City, the Chapter 9 Case, the Plan, all Exhibits, the Disclosure Statement, PA 436 and its predecessor or replacement statutes, and Article IX, Section 24 of the Michigan Constitution, as more particularly described in the State Contribution Agreement and as set forth at Section III.D.7.b.

## **E. The DIA Settlement.**

On the Effective Date, the City and the DIA Corp. will enter into the DIA Settlement, pursuant to which (1) the DIA Funding Parties that are such as of the Effective Date have committed to assist in the funding of the City's restructured legacy pension obligations and (2) the City has agreed to enter into certain transactions that will cause the DIA to remain in the City in perpetuity, as described in and subject to the terms and conditions of the DIA Settlement Documents, and to otherwise make the DIA Assets available for the benefit of the residents of the City and the Counties and the citizens of the State. The DIA Settlement Documents attached hereto as Exhibit I.A.127 will qualify the description of the DIA Settlement in the Plan, Disclosure Statement and Exhibit I.A.126. The Plan shall be construed as a motion for approval of, and the Confirmation Order shall constitute an order approving, the DIA Settlement pursuant to Bankruptcy Rule 9019.

### **1. Funding Contributions.**

The DIA Settlement will be funded as follows: (a) irrevocable commitments in an aggregate amount of at least \$366 million by the Foundations (excluding the Special Foundation Funders, as that term is defined in the DIA Settlement Documents); and (b) in addition to its continuing commitments outside of the DIA Settlement, irrevocable commitments in an aggregate amount of \$100 million from the DIA Direct Funders (including the commitment of the Special Foundation Funders, as that term is defined in the DIA Settlement Documents, and subject to certain adjustments as set forth in the DIA Settlement Documents), the payment of which \$100 million will be guaranteed by DIA Corp., subject to the terms of the DIA Settlement Documents. The foregoing commitments shall be funded over the course of the 20 year period immediately following the Effective Date (subject to the annual confirmation of the City's continuing compliance with the terms of the DIA Settlement) according to the "Agreed Required Minimum Schedule" and subject to the option at any time for the "Present Value Discount," as set forth in the DIA Settlement Documents. Amounts committed by the Foundations and the DIA Direct Funders will be paid to the CFSEM Supporting Organization, which will (a) transfer such amounts for the purpose of funding the Retirement Systems upon the City's satisfaction of certain conditions and (b) not be subject to claims of creditors of the Community Foundation for Southeast Michigan.

### **2. Transfer of DIA Assets.**

On the Effective Date, the City shall irrevocably transfer all of its right, title and interest in and to the DIA Assets to DIA Corp., as trustee, to be held in perpetual charitable trust, and within the City limits, for the primary benefit of the residents of the City and the Counties and the citizens of the State.

### **3. Conditions to the DIA Funding Parties' Participation.**

The DIA Funding Parties' participation in the DIA Settlement is conditioned upon, among other things, the following: (a) execution of the DIA Settlement Documents by each Foundation; (b) the irrevocable commitment from the DIA Corp. described in Section IV.E.1; (c) the acceptance of the Plan by Classes 10 and 11; (d) the irrevocable transfer by the City of the DIA Assets described in Section IV.E.2; (e) approval by the DIA's Board of Directors and the taking effect of the recommendation of the governance committee as described in Exhibit I.A.126; (f) the earmarking of all funds provided by the DIA Funding Parties towards the recoveries upon Pension Claims under the Plan for Holders of Claims in Classes 10 and 11; (g) the adoption of prospective governance and financial oversight mechanisms for the Retirement Systems that are reasonably satisfactory to the DIA Funding Parties; (h) the amendment by DIA Corp. and the art institute authority for each of Macomb County, Oakland County and Wayne County, Michigan of each art institute authority's respective service agreement so that the termination of the 1997 Operating Agreement between the City and DIA Corp. will not affect the art institute authorities' obligations under such agreements to pay millage proceeds to DIA Corp.; (i) the approval of the DIA Settlement by the Attorney General for the State; (j) the agreement of the State to provide the State Contribution; and (k) the City's agreement to indemnify and hold harmless the DIA Funding Parties and the CFSEM Supporting Organization and their Related Entities pursuant to, and in accordance with, the terms of the DIA Settlement Documents.

## **F. Contingent Payment Rights.**

On or as soon as reasonably practicable after the Confirmation Date, the City shall establish the Restoration Trust. The City shall issue the DWSD CVR to the Restoration Trust. If a Qualifying DWSD Transaction has not occurred before the seventh anniversary of the Effective Date, the DWSD CVR shall terminate and expire. The Restoration Trust shall distribute proceeds from the DWSD CVR in the following amounts and priorities: (1) first, to GRS up to an amount sufficient for all three GRS waterfall classes identified on Exhibit II.B.3.r.ii.C to have their 4.5% pension reductions restored; (2) second, to GRS up to an amount sufficient for all three GRS waterfall classes identified on Exhibit II.B.3.r.ii.C to have 92% of their COLA benefits restored; and (3) third, 53% to GRS and 47% to PFRS. If the City makes any contributions to either GRS or PFRS out of its portion of the Net DWSD Transaction Proceeds, such contributions and earnings thereon shall not be taken into account for determining whether any pension restoration may be made. The DWSD CVR may not be transferred.

### **1. Special Restoration.**

Any proceeds from the DWSD CVR distributed by the Restoration Trust on account of a Qualifying DWSD Transaction consummated on or before the Effective Date, or fully executed and enforceable before the Effective Date but consummated after the Effective Date, shall be utilized for the purpose of funding the Special Restoration; provided that the City shall act in good faith so as not to unreasonably delay the execution of a Qualifying DWSD Transaction solely to avoid Special Restoration. In such case, the City will perform a Value Determination and arrive at the Discounted Value. The City will engage in good faith discussion as to the reasonableness of the Value Determination with the Retiree Committee or Restoration Trust, as applicable. In the event that the Retiree Committee or the Restoration Trust, as applicable, does not accept the Value Determination, the Retiree Committee or the Restoration Trust, as applicable, may seek to have the Bankruptcy Court determine the dispute, and the City consents to such jurisdiction.

Special Restoration shall follow the priorities of restoration of benefits set forth in Exhibits II.B.3.q.ii.C and II.B.3.r.ii.C. In order for benefits to be restored pursuant to the Special Restoration, such benefits must be fully funded by 50% of the Discounted Value for the full actuarially-determined lives of all participants for whom benefits are restored. In the event that actual Net DWSD Transaction Proceeds from the DWSD CVR do not equal 50% of the contemplated Net DWSD Transaction Proceeds as of the date of the Value Determination, the Investment Committees of the Retirement Systems will reduce or eliminate the Special Restoration benefits, as applicable, by the amount that 50% of the Discounted Value exceeds the actual Net DWSD Transaction Proceeds from the DWSD CVR received or projected to be received using a 6.75% discount rate. In the event that the Retiree Committee, the Restoration Trust or the City, as applicable, does not agree with the reduction in the Special Restoration benefits, the Retiree Committee or the Restoration Trust, as applicable, or the City may consult with the trustees and Investment Committees of PFRS or GRS with respect to any such reduction. Neither the Retiree Committee nor the Restoration Trust shall have any right to initiate any enforcement proceeding with respect to Special Restoration.

### **2. General Restoration.**

Any Net DWSD Transaction Proceeds from the DWSD CVR distributed by the Restoration Trust on account of a Qualifying DWSD Transaction consummated after the Effective Date, if such Qualifying Transaction was not fully executed and enforceable before the Effective Date, shall be utilized for the purpose of funding the pension trusts, and such cash contributions shall be included in any calculations allowing for the restoration of benefits in accordance with the general rules governing pension restoration as provided for in Exhibits II.B.3.q.ii.C and II.B.3.r.ii.C.

## **G. The OPEB Settlement.**

The City and the Retiree Committee have reached a settlement related to the allowance and calculation of the OPEB Claims in Class 12 and the treatment of such Allowed OPEB Claims, the terms of which settlement are reflected in the Plan. The City shall not amend the Plan in any way that adversely affects FGIC without FGIC's prior written consent.

#### **K. Issuance of the New Securities.**

The City shall issue the New Securities on the Effective Date or a subsequent Distribution Date, as applicable. To the maximum extent provided by section 1145 of the Bankruptcy Code and applicable non-

bankruptcy law, the issuance of New Securities as contemplated by the Plan is exempt from, among other things, the registration requirements of Section 5 of the Securities Act and any other applicable U.S. state or local law requiring registration prior to the offering, issuance, distribution, or sale of securities. The New Securities (a) are not "restricted securities" as defined in Rule 144(a)(3) under the Securities Act, and (b) are freely tradable and transferable by any initial recipient thereof that (i) is not an "affiliate" of the City or applicable issuer as defined in Rule 144(a)(1) under the Securities Act, (ii) has not been such an "affiliate" within 90 days of such transfer, and (iii) is not an entity that is an "underwriter" as defined in subsection (b) of Section 1145 of the Bankruptcy Code.

**L. Cancellation of Existing Bonds, Bond Documents, COPs and COP Documents.**

Except (a) as provided in any contract, instrument or other agreement or document entered into or delivered in connection with the Plan, (b) for purposes of evidencing a right to Distribution under the Plan or (c) as specifically provided otherwise in the Plan (including any rejection of Executory Contracts pursuant to Section II.D), on the Effective Date, the Bonds, the Bond Documents, the COPs and the COP Documents will be deemed automatically cancelled, terminated and of no further force or effect against the City without any further act or action under any applicable agreement, law, regulation, order or rule, and the obligations of the parties to the City, as applicable, under the Bonds, the Bond Documents, the COPs and the COP Documents shall be discharged; provided, however, that the Bonds, the Bond Documents, the COPs and the COP Documents shall continue in effect solely (i) to allow the Disbursing Agent to make any Distributions as set forth in the Plan and to perform such other necessary administrative or other functions with respect thereto, (ii) for any trustee, agent, contract administrator or similar entity under the Bond Documents or COP Documents to have the benefit of all the rights and protections and other provisions of the Bond Documents or COP Documents, as applicable, and all other related agreements with respect to priority in payment and lien rights with respect to any Distribution, (iii) to set forth the terms and conditions applicable to parties to the Bond Documents and COP Documents other than the City, (iv) as may be necessary to preserve any claim by (1) a Bondholder or Bond Agent under a Bond Insurance Policy or against any Bond Insurer, (2) a COPs Holder or COP Agent under a COP Insurance Policy or against any COP Insurer or (3) a COP Swap Counterparty under a Swap Insurance Policy or against any insurer thereunder and (v) with respect to any obligation of any party (other than the City, except to the extent provided in the COP Swap Settlement or the COP Swap Settlement Approval Order) under any COP Document related to such party's obligations owed in respect of the COP Swap Documents or the COP Swap Claims. Notwithstanding the foregoing, and except as otherwise expressly provided in the Plan (or the COP Swap Settlement or the COP Swap Settlement Approval Order), such Bonds, Bond Documents, COPs or COP Documents as remain outstanding shall not form the basis for the assertion of any Claim against the City. Nothing in the Plan impairs, modifies, affects or otherwise alters the rights of (a) Bondholders or Bond Agents with respect to claims under applicable Bond Insurance Policies or against the Bond Insurers, (b) COPs Holders or COP Agent with respect to claims under COP Insurance Policies and obligations related thereto or (c) COP Swap Counterparties with respect to claims under Swap Insurance Policies and obligations related thereto. For the avoidance of doubt, except for the immediately preceding sentence, this Section IV.L shall not apply to any Bonds that are Reinstated pursuant to Section II.B.3.a.ii. As of the Effective Date, the principal amounts of the COPs originally insured by FGIC shall be deemed accelerated and due and payable, and no interest on the COPs originally insured by FGIC shall accrue thereafter, solely for the purposes of determining distributions from the COP Trustee to holders of COPs originally insured by FGIC. The foregoing acceleration of principal and cessation of interest shall affect only the rights of each holder of COPs originally insured by FGIC to the receipt of proceeds of distributions under the Plan and not the rights of each such COPs holder against FGIC or shall not in any way modify payments currently required of FGIC under its existing insurance policies or FGIC's Plan of Rehabilitation.

**M. Release of Liens.**

Except as otherwise provided in the Plan or in any contract, instrument, release or other agreement or document entered into or delivered in connection with the Plan, or where a Claim is Reinstated, on the Effective Date, all Liens against the City's property will be deemed fully released and discharged, and all of the right, title and interest of any holder of such Liens, including any rights to any collateral thereunder, will revert to the City. As of the Effective Date, (1) the holders of such Liens will be authorized and directed to release any collateral or other property of the City (including any cash collateral) held by such Holder and to take such actions as may be requested by the City to evidence the release of such Lien, including the execution, delivery, filing or recording of such releases as may be requested by the City, and (2) the City shall be authorized to execute and file on behalf of

creditors Form UCC-3 termination statements or such other forms as may be necessary or appropriate to implement the provisions of this Section IV.M.

**N. Professional Fees.**

**1. Professional Fee Reserve.**

On the Effective Date, the City shall establish and fund the Professional Fee Reserve from the General Fund or, where applicable, the DWSD's funds, in an amount determined by the City to be sufficient to pay the Fee Review Professional Fees that remain unpaid as of the Effective Date, solely to the extent that such amounts are payable from the General Fund or the DWSD's funds. The initial amount of the Professional Fee Reserve shall be equal to the sum of (a) all invoices received from Fee Review Professionals and the Fee Examiner Parties as of the establishment and funding of the Professional Fee Reserve to the extent not yet paid (including holdbacks); (b) an estimate of the Fee Review Professionals' unbilled fees through the Effective Date as determined by the City in consultation with the Fee Review Professionals, which estimate shall be no lower than 125% of the aggregate amount of the highest monthly invoices respectively submitted by each Fee Review Professional pursuant to the Fee Review Order prior to the establishment and funding of the Professional Fee Reserve; and (c) an estimate of the Fee Examiner Parties' unbilled fees and expenses through the projected date of dismissal of the Fee Examiner under Section IV.N.3, as determined by the City in consultation with the Fee Examiner. The funds held in the Professional Fee Reserve may not be used for any purpose other than the payment of Fee Review Professional Fees until any and all disputes regarding the Fee Review Professional Fees, including any disputes arising under the Fee Review Order, have been fully and finally resolved pursuant to a Final Order or a stipulation between the disputing parties. Any amounts remaining in the Professional Fee Reserve after final resolution of all such disputes and the payment of all Fee Review Professional Fees determined to be reasonable in accordance with the Fee Review Order shall be released to the General Fund or the DWSD's funds, as applicable. If the Professional Fee Reserve is insufficient to pay all Fee Review Professional Fees that are determined to be reasonable in accordance with the Fee Review Order and that are payable from the General Fund or the DWSD's funds, the City shall pay such additional amounts from the General Fund or the DWSD's funds, as applicable.

**2. Fee Review Order.**

The Fee Examiner shall review all fees and expenses of the Fee Review Professionals for the period from the Petition Date and ending on the Effective Date in accordance with the terms of the Fee Review Order. For the avoidance of doubt, the Fee Review Order shall not apply to any fees or expenses of the Fee Review Professionals for the period on and after the Effective Date, and the Fee Examiner shall not review any such fees or expenses; provided, however, that all fees and expenses of the Fee Examiner Parties, whether incurred before, on or after the Effective Date, shall remain subject to review and approval of the Bankruptcy Court pursuant to the terms of the Fee Review Order.

**3. Dismissal of the Fee Examiner.**

Once the Fee Examiner completes his review of all Fee Review Professional Fees and submits or Files all reports related thereto as required by the Fee Review Order, the Fee Examiner shall be dismissed of all duties and obligations under the Fee Examiner Order and the Fee Review Order, other than any obligations of confidentiality thereunder. The confidentiality obligations of the Fee Examiner and the other Fee Examiner Parties, including the confidentiality obligations set forth in paragraph 22 of the Fee Review Order, shall remain binding from and after the Effective Date.

**4. Potential Review of Fees Not Subject to Fee Review Order.**

The City shall have the right to bring before the Bankruptcy Court a request to review and determine the reasonableness of the fees and expenses of any Fee Review Professional retained by a creditor of the City or any of its departments to the extent that such fees and expenses have not been either (a) approved pursuant to or in accordance with the DWSD Tender Order, (b) subject to court review or (c) subject to a Bankruptcy Court-approved or agreed upon process for binding arbitration.

**5. Court-Appointed Expert.**

The Court-appointed expert, Martha E. M. Kopacz of Phoenix Management Services, and her counsel shall be compensated for any reasonable fees and expenses incurred through the Confirmation Date in accordance with the terms of the Court's Order Appointing Expert Witness (Docket No. 4215), entered on April 22, 2014, as amended.

**O. Assumption of Indemnification Obligations.**

Notwithstanding anything otherwise to the contrary in the Plan, nothing in the Plan shall discharge or impair the obligations of the City as provided in the City Charter of the City or other organizational documents, resolutions, employment contracts, applicable law or other applicable agreements as of the Petition Date to indemnify, defend, reimburse, exculpate, advance fees and expenses to, or limit the liability of officers and employees of the City (consistent with the injunction provisions of Section III.D.5 and including the members of the City Council, the Mayor and the Emergency Manager) and their Related Entities, in each case to the extent such Entities were acting in such capacity, against any claims or causes of action whether direct or derivative, liquidated or unliquidated, foreseen or unforeseen, asserted or unasserted; provided that this Section IV.O shall be read in conjunction with the provisions for Indirect Employee Indemnity Claims set forth in Section III.D.5. Notwithstanding the foregoing, Retirement System Indemnity Obligations shall not be assumed under the Plan and shall be discharged. For the avoidance of doubt, no indemnification provision in any loan document, bond document, Bond Insurance Policy or other agreement with a Bond Insurer is exempted from discharge by reason of this Section IV.O.

**P. Incorporation of Retiree Health Care Settlement Agreement.**

The terms of the Retiree Health Care Settlement Agreement resolving the Retiree Health Care Litigation, which agreement is attached hereto as Exhibit I.A.298, are incorporated herein by reference and shall be binding upon the parties thereto.

**Q. Payment of Workers' Compensation Claims.**

From and after the Effective Date, (a) the City will continue to administer (either directly or through a third party administrator) and pay all valid claims for benefits and liabilities for which the City is responsible under applicable State workers' compensation law, regardless of when the applicable injuries were incurred, in accordance with the City's prepetition practices and procedures and governing State workers' compensation law, and (b) nothing in the Plan shall discharge, release or relieve the City from any current or future liability under applicable State workers' compensation law. The City expressly reserves the right to challenge the validity of any claim for benefits or liabilities arising under applicable State workers' compensation law.

**R. 36th District Court Settlement.**

The City and the Settling 36th District Court Claimants have reached a settlement related to (1) the allowance of certain of the Settling 36th District Court Claimants' Claims and (2) the treatment of Allowed Indirect 36th District Court Claims under the Plan substantially on the terms attached hereto as Exhibit I.A.9. The 36th District Court Settlement is incorporated into the Plan, which shall be construed as a motion for approval of, and the Confirmation Order shall constitute an order approving, such settlement pursuant to Bankruptcy Rule 9019.

**S. Payment of Certain Claims Relating to the Operation of City Motor Vehicles.**

From and after the Effective Date, the City will continue to administer (either directly or through a third party administrator) and pay valid prepetition Claims for liabilities with respect to which the City is required to maintain insurance coverage pursuant to MCL § 500.3101 in connection with the operation of the City's motor vehicles, as follows: (1) Claims for personal protection benefits as provided by MCL § 500.3107 and MCL § 500.3108, for which insurance coverage is required by MCL § 500.3101(1), shall be paid in full, to the extent valid, provided, however, that the City will not be liable for or pay interest or attorneys' fees under MCL § 500.3142

or MCL § 500.3148 on prepetition Claims for personal protection benefits; (2) tort claims permitted by MCL § 500.3135, for which residual liability insurance coverage is required by MCL § 500.3101(1) and MCL § 500.3131, shall be paid, to the extent valid, only up to the minimum coverages specified by MCL § 500.3009(1), i.e., up to a maximum of (a) \$20,000 because of bodily injury to or death of one person in any one accident, and subject to that limit for one person, (b) \$40,000 because of bodily injury to or death of two or more persons in any one accident and (c) \$10,000 because of injury to or destruction of property of others in any accident; and (3) Claims for property protection benefits under MCL § 500.3121 and MCL § 500.3123 shall be paid, to the extent valid, only up to the maximum benefits specified in MCL § 500.3121; provided, however, for the avoidance of doubt, to the extent any valid Claim subject to subsections 2 and 3 above exceeds the applicable payment limits, the excess claim amount shall be treated as an Other Unsecured Claim or a Convenience Claim (as applicable). Nothing in the Plan shall discharge, release or relieve the City from any current or future liability with respect to Claims subject to insurance coverage pursuant to MCL § 500.3101 or Claims within the minimum coverage limits in MCL § 500.3009(1). The City expressly reserves the right to challenge the validity of any Claim subject to this Section IV.S, and nothing herein shall be deemed to expand the City's obligations or claimants' rights with respect to these Claims under State law.

**T. Payment of Tax Refund Claims.**

From and after the Effective Date, the City will continue to administer (either directly or through a third party administrator) and pay all valid claims for income tax refunds and property tax refunds for which the City is responsible under applicable law, regardless of when the applicable right to a refund arose, in accordance with the City's prepetition practices and procedures. The City expressly reserves the right to challenge the validity of any claim for an income tax refund or property tax refund.

**U. Utility Deposits.**

From and after the Effective Date, the City will continue to administer utility deposits in accordance with the City's prepetition practices and procedures, including the payment of any undisputed, non-contingent, liquidated claims against the City for the refund of a utility deposit.

**V. Pass-Through Obligations.**

The City shall continue to honor its Pass-Through Obligations to the Pass-Through Recipients.

**W. Exit Facility.**

On the Effective Date, the City shall enter into the Exit Facility, as well as any ancillary notes, documents or agreements in connection therewith, including, without limitation, any documents required in connection with the creation or perfection of the liens securing the Exit Facility.

**X. Post-Effective Date Governance.**

Prior to or on the Effective Date, the Financial Review Commission shall be established pursuant to and in accordance with the Financial Review Commission Act. The Financial Review Commission shall provide oversight as set forth in the Financial Review Commission Act, including to ensure that, post-Effective Date, the City adheres to the Plan and continues to implement financial and operational reforms that promote more efficient and effective delivery of services to City residents. The City shall promptly provide to the Bankruptcy Court copies of any reports given to, or received from, the Financial Review Commission. Nothing herein shall expand, limit or otherwise modify the role or powers of the Financial Review Commission.

**ARTICLE V**  
**PROVISIONS REGARDING DISTRIBUTIONS UNDER THE PLAN**

**A. Appointment of Disbursing Agent.**

The City may act as Disbursing Agent or may employ or contract with other Entities to act as the Disbursing Agent or to assist in or make the Distributions required by the Plan. Any Disbursing Agent appointed by the City will serve without bond. Other than as specifically set forth in the Plan, the Disbursing Agent shall make all Distributions required to be made under the Plan.

**B. Distributions on Account of Allowed Claims.**

Except as otherwise provided in the Plan, on the Effective Date or as soon as practicable thereafter (or if a Claim is not an Allowed Claim on the Effective Date, on the date that such a Claim becomes an Allowed Claim, or as soon as reasonably practicable thereafter), each Holder of an Allowed Claim shall receive from the Disbursing Agent, the Bond Agent or the COP Agent, as applicable, the Distributions that the Plan provides for Allowed Claims in the applicable Class. In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date. If and to the extent that there are Disputed Claims, Distributions on account of any such Disputed Claims shall be made pursuant to the provisions set forth in Section VI.B. Except as otherwise provided in the Plan, Holders of Claims shall not be entitled to interest, dividends or accruals on the Distributions provided for in the Plan, regardless of whether such Distributions are delivered on or at any time after the Effective Date. Notwithstanding anything to the contrary in the Plan, no Holder of an Allowed Claim shall, on account of such Allowed Claim, receive a Distribution in excess of the Allowed amount of such Claim.

**C. Certain Claims to Be Expunged.**

Any Claim that has been or is hereafter listed in the List of Creditors as contingent, unliquidated or disputed, and for which no proof of Claim is or has been timely Filed, is not considered to be an Allowed Claim and shall be expunged without further action by the City and without further notice to any party or any action, approval or order of the Bankruptcy Court.

**D. Record Date for Distributions; Exception for Bond Claims.**

With the exception of Bond Claims, neither the City nor any Disbursing Agent will have any obligation to recognize the transfer of, or the sale of any participation in, any Claim that occurs after the close of business on the Distribution Record Date, and will be entitled for all purposes herein to recognize and distribute only to those Holders of Allowed Claims (including Holders of Claims that become Allowed after the Distribution Record Date) that are Holders of such Claims, or participants therein, as of the close of business on the Distribution Record Date. With the exception of the Bond Claims, the City and any Disbursing Agent shall instead be entitled to recognize and deal for all purposes under the Plan with only those record Holders stated on the official Claims Register as of the close of business on the Distribution Record Date. Unless otherwise set forth in the Confirmation Order, the City shall not establish a record date for Distributions to Holders of Bond Claims.

**E. Means of Cash Payments.**

Except as otherwise specified herein, all Cash payments made pursuant to the Plan shall be in U.S. currency and made by check drawn on a domestic bank selected by the Disbursing Agent or, at the option of the Disbursing Agent, by wire transfer, electronic funds transfer or ACH from a domestic bank selected by the Disbursing Agent; provided, however, that Cash payments to foreign Holders of Allowed Claims may be made, at the option of the Disbursing Agent, in such funds and by such means as are necessary or customary in a particular foreign jurisdiction.

**F. Selection of Distribution Dates for Allowed Claims.**

Except where the Plan requires the making of a Distribution on account of a particular Allowed Claim within a particular time, the Disbursing Agent shall have the authority to select Distribution Dates that, in the judgment of the Disbursing Agent, provide Holders of Allowed Claims with payments as quickly as reasonably practicable while limiting the costs incurred in the distribution process. Upon the selection of a Distribution Date by the Disbursing Agent, the Disbursing Agent shall File a notice of such Distribution Date that provides information regarding the Distribution to be made.

**G. Limitations on Amounts to Be Distributed to Holders of Allowed Claims Otherwise Insured.**

No Distributions under the Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the City's insurance policies until the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy; provided that, if the City believes a Holder of an Allowed Claim has recourse to an insurance policy and intends to direct the Disbursing Agent to withhold a Distribution pursuant to this Section V.G, the City shall provide written notice to such Holder regarding what the City believes to be the nature and scope of applicable insurance coverage. To the extent that one or more of the City's insurance carriers agrees to satisfy a Claim in full, then immediately upon such agreement such Claim may be expunged without a Claims objection having to be Filed and without any further notice or any action, order or approval of the Bankruptcy Court. Nothing in the Plan, including this Section V.G, shall constitute a waiver of any claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action or liabilities that any Entity may hold against any other Entity, including the City's insurance carriers and Bond Insurers, other than the City. For the avoidance of doubt, this Section shall not apply to Bond Insurance Policies or Swap Insurance Policies.

**H. City's Rights of Setoff Preserved.**

Notwithstanding anything to the contrary in the Plan, pursuant to section 553 of the Bankruptcy Code or otherwise applicable non-bankruptcy law, the City may set off against any Allowed Claim and the Distributions to be made pursuant to the Plan on account of such Allowed Claim the claims, rights and Causes of Action of any nature that the City may assert against the Holder of such Claim; provided, however, that neither the failure to effect a setoff nor the allowance of any Claim pursuant to the terms of the Plan shall constitute a waiver or release by the City of any claims, rights and Causes of Action that the City may assert against such Holder, all of which are expressly preserved.

**I. Delivery of Distributions and Undeliverable or Unclaimed Distributions.**

**1. Delivery of Distributions Generally.**

Except as set forth in Section V.I.2, Distributions to Holders of Allowed Claims shall be made at the addresses set forth in the City's records unless such addresses are superseded by proofs of Claim or transfers of Claim Filed pursuant to Bankruptcy Rule 3001.

**2. Delivery of Distributions on Account of Bond Claims.**

Distributions on account of the Bond Claims shall (a) be made by the Disbursing Agent to the Bond Agent under the applicable Bond Documents for the benefit of Holders of Bond Claims and (b) be deemed completed when made by the Disbursing Agent to the Bond Agent as if such Distributions were made directly to the Holders of such Claims. The applicable Bond Agent, in turn, shall make such distributions to the applicable Holders pursuant to the terms and conditions of the applicable Bond Documents and subject to the respective rights, claims and interests, if any, that the Bond Agent may have under the applicable Bond Documents or otherwise to the recovery or reimbursement of their fees, costs and expenses (including the fees, costs and expenses of counsel and financial advisors) from any distribution hereunder, whether such rights, claims or interests are in the nature of a charging lien or otherwise. The Bond Agent shall not be required to give any bond, surety or other security for the performance of its duties with respect to such Distributions.

**3. De Minimis Distributions / No Fractional New Securities.**

No distribution shall be made by the Disbursing Agent on account of an Allowed Claim if the amount to be distributed to the specific Holder of an Allowed Claim on the applicable Distribution Date has an economic value of less than \$25.00. No fractional New Securities shall be distributed. Where a fractional portion of a New Security otherwise would be called for under the Plan, the actual issuance shall reflect a rounding down to the nearest whole New Security.

**4. Undeliverable or Unclaimed Distributions.**

In the event that any Distribution to any Holder is returned as undeliverable, no Distribution to such Holder shall be made unless and until the Disbursing Agent has determined the then-current address of such Holder, at which time such Distribution shall be made to such Holder without interest.

**Any Holder of an Allowed Claim that does not claim an undeliverable or unclaimed Distribution within six months after the Effective Date shall be deemed to have forfeited its claim to such Distribution and shall be forever barred and enjoined from asserting any such claim against the City or its property.** In such cases, any Cash held by the City on account of such undeliverable or unclaimed Distributions shall become the property of the City free of any restrictions thereon and notwithstanding any federal or state escheat laws to the contrary. Any New Securities held for distribution on account of such Claims shall be canceled and of no further force or effect. Nothing contained in the Plan shall require any Disbursing Agent to attempt to locate any Holder of an Allowed Claim.

**5. Time Bar to Cash Payment Rights.**

Checks issued in respect of Allowed Claims shall be null and void if not negotiated within 90 days after the date of issuance thereof. Requests for reissuance of any check shall be made to the Disbursing Agent by the Holder of the Allowed Claim to whom such check originally was issued within 180 days after the date of the original check issuance. After such date, the Claim of any Holder to the amount represented by such voided check shall be released and forever barred from assertion against the City and its property.

**J. Other Provisions Applicable to Distributions in All Classes.**

**1. No Postpetition Interest.**

Except as otherwise specifically provided for in the Plan, or required by applicable bankruptcy law, the City shall have no obligation to pay any amount that constitutes or is attributable to interest on an Allowed Claim accrued after the Petition Date and no Holder of a Claim shall be entitled to be paid any amount that constitutes or is attributable to interest accruing on or after the Petition Date on any Claim without regard to the characterization of such amounts in any document or agreement or to whether such amount has accrued for federal income tax purposes. Any such amount that constitutes or is attributable to interest that has been accrued and has not been paid by the City shall be cancelled as of the Effective Date for federal income tax purposes.

**2. Compliance with Tax Requirements.**

In connection with the Plan and all instruments issued in connection therewith and distributed thereon, the City and any Disbursing Agent shall comply with all Tax withholding and reporting requirements imposed on it by any governmental unit, and all Distributions under the Plan shall be subject to such withholding and reporting requirements. All such amounts withheld and paid to the appropriate governmental unit shall be treated as if made directly to the Holder of an Allowed Claim. The City and the Disbursing Agent shall be authorized to take any actions that they determine, in their reasonable discretion, to be necessary or appropriate to comply with such withholding and reporting requirements, including withholding Distributions pending receipt of information necessary to facilitate such Distributions, or establishing any other mechanisms they believe are reasonable and appropriate.

Notwithstanding any other provision of the Plan, each Entity receiving or deemed to receive a Distribution pursuant to the Plan shall have sole and exclusive responsibility for the satisfaction and payment of any Tax imposed on such Entity on account of such Distribution, including income, withholding and other Tax obligations. The City has the right, but not the obligation, to refuse, or to direct a Disbursing Agent to refuse, to make a Distribution until a Holder of an Allowed Claim has made arrangements satisfactory to the City and any Disbursing Agent for payment of any such Tax obligations. The City may require, as a condition to making a Distribution, that the Holder of an Allowed Claim provide the City or any Disbursing Agent with a completed Form W-8, W-9 or other Tax information, certifications and supporting documentation, as applicable.

If the City makes such a request and the Holder of an Allowed Claim fails to comply before the date that is 180 days after the initial request is made, the amount of such Distribution shall irrevocably revert to the City and any Claim in respect of such Distribution shall be released and forever barred from assertion against the City and its property.

### **3. Allocation of Distributions.**

All Distributions to Holders of Allowed Claims that have components of principal and interest shall be deemed to apply first to the principal amount of such Claim until such principal amount is paid in full, and then the remaining portion of such Distributions, if any, shall be deemed to apply to any applicable accrued interest included in such Claim to the extent interest is payable under the Plan.

### **4. Surrender of Instruments.**

As a condition to participation under this Plan, the Holder of a note, debenture or other evidence of indebtedness of the City that desires to receive the property to be distributed on account of an Allowed Claim based on such note, debenture or other evidence of indebtedness shall surrender such note, debenture or other evidence of indebtedness to the City or its designee (unless such Holder's Claim will not be Impaired by the Plan, in which case such surrender shall not be required), and shall execute and deliver such other documents as are necessary to effectuate the Plan; provided, however, that, if a claimant is a Holder of a note, debenture or other evidence of indebtedness for which no physical certificate was issued to the Holder but which instead is held in book-entry form pursuant to a global security held by the Depository Trust Company or other securities depository or custodian thereof, there shall be no requirement of surrender. In the City's sole discretion, if no surrender of a note, debenture or other evidence of indebtedness occurs and the Holder of Claim does not provide an affidavit and indemnification agreement, in form and substance reasonably satisfactory to the City, that such note, debenture or other evidence of indebtedness was lost, then no distribution may be made to such Holder in respect of the Claim based on such note, debenture or other evidence of indebtedness. For the avoidance of doubt, (a) no Bond, note, debenture or other evidence of indebtedness of the City shall be surrendered or deemed surrendered that is subject to any Bond Insurance Policy and (b) no COP shall be surrendered or deemed surrendered hereby to the extent necessary to make or preserve a claim under any applicable policies or other instruments insuring the COPs and obligations related thereto or against any party, other than the City, that insures the COPs. Notwithstanding the foregoing, such Bonds or Bond Documents as remain outstanding shall not form the basis for the assertion of any Claim against the City.

## **ARTICLE VI PROCEDURES FOR RESOLVING DISPUTED CLAIMS**

### **A. Treatment of Disputed Claims.**

#### **1. General.**

No Claim shall become an Allowed Claim unless and until such Claim is deemed Allowed under the Plan or the Bankruptcy Code, or the Bankruptcy Court has entered a Final Order (including the Confirmation Order) allowing such Claim. Notwithstanding any other provision of the Plan, no payments or Distributions shall be made on account of a Disputed Claim until such Claim becomes an Allowed Claim. Without limiting the foregoing in any way, no partial payments and no partial Distributions will be made with respect to a disputed, contingent or

unliquidated Claim, or with respect to any Claim for which a proof of Claim has been Filed but not Allowed, until the resolution of such disputes or estimation or liquidation of such Claim by settlement or by Final Order.

## **2. ADR Procedures.**

At the City's option, any Disputed Claim designated or eligible to be designated for resolution through the ADR Procedures may be submitted to the ADR Procedures in accordance with the terms thereof and the ADR Procedures Order. For the avoidance of doubt, the designation of a Disputed Claim for resolution through the ADR Procedures, either prior to or after the Effective Date, will not modify, and will not be deemed to have modified, the terms of the ADR Injunction imposed pursuant to the ADR Procedures Order. Disputed Claims not resolved through the ADR Procedures will be resolved pursuant to the Plan.

## **3. Tort Claims.**

At the City's option, any unliquidated Tort Claim (as to which a proof of Claim was timely Filed in the Chapter 9 Case) not resolved through the ADR Procedures or pursuant to a Final Order of the Bankruptcy Court will be determined and liquidated in the administrative or judicial tribunal(s) in which it is pending on the Effective Date (subject to the City's right to seek removal or transfer of venue) or, if no action was pending on the Effective Date, in an administrative or judicial tribunal of appropriate jurisdiction that (a) has personal jurisdiction over the parties, (b) has subject matter jurisdiction over the Tort Claim and (c) is a proper venue. The City may exercise the above option by service upon the holder of the applicable Tort Claim of a notice informing such holder that the City has exercised such option (which notice shall be deemed to satisfy the notice requirements of Section I.B of the ADR Procedures). Upon the City's service of such notice, the automatic stay imposed pursuant to sections 362 and 922 of the Bankruptcy Code (along with any extension of such stay pursuant to the terms of the Stay Extension Order) or, after the Effective Date, the injunction set forth at Section III.D.5, will be deemed modified, without the necessity for further Bankruptcy Court approval or any further action by the City, solely to the extent necessary to allow the parties to determine or liquidate the Tort Claim in the applicable administrative or judicial tribunal(s); provided that nothing contained in this Section will modify, or will be deemed to have modified, the terms of the Stay Extension Order with respect to any Tort Claim prior to the City having served notice of its intent to determine and liquidate such Tort Claim pursuant to this Section. If the City does not serve such a notice upon a holder of a Tort Claim by the Claims Objection Bar Date, such holder may file a motion with the Bankruptcy Court no later than 30 days after the Claims Objection Bar Date seeking relief from the discharge injunction imposed pursuant to Section III.D.5 in order to liquidate and determine its Claim, which right and the deadline for exercising such right shall be set forth in the notice of entry of the Confirmation Order.

Any Tort Claim determined and liquidated pursuant to a judgment obtained in accordance with this Section VI.A.3 and applicable non-bankruptcy law that is no longer appealable or subject to review will be deemed an Allowed Claim, provided that only the amount of such Allowed Tort Claim that is not satisfied from proceeds of insurance payable to the holder of such Allowed Tort Claim will be treated as an Allowed Claim for the purposes of distributions under the Plan and subject to the terms of the Plan. Distributions on account of any such Allowed Tort Claim shall be made in accordance with the Plan. Nothing contained in this Section will constitute or be deemed a waiver of any claim, right or Cause of Action that the City may have against any Entity in connection with or arising out of any Tort Claim, including any rights under section 157(b)(5) of title 28 of the United States Code. All claims, demands, rights, defenses and Causes of Action that the City may have against any Entity in connection with or arising out of any Tort Claim are expressly retained and preserved.

## **B. Disputed Claims Reserve.**

On and after the Effective Date, until such time as all Disputed Claims have been compromised and settled or determined by Final Order and before making any Distributions, consistent with and subject to section 1123(a)(4) of the Bankruptcy Code, the City shall establish and maintain a reserve of property equal to (1) the Distributions to which Holders of Disputed Claims would be entitled under the Plan if such Disputed Claims were Allowed Claims in the Face Amount of such Disputed Claims or (2) such lesser amount as required by an order of the Bankruptcy Court. On the first Distribution Date that is at least 30 days (or such fewer days as may be agreed to by the City in its sole discretion) after the date on which a Disputed Claim becomes an Allowed Claim, the Disbursing Agent shall remit to the Holder of such Allowed Claim any Distributions such Holder would have been

entitled to under the Plan on account of such Allowed Claim had such Claim been Allowed as of the Effective Date. If a Disputed Claim is disallowed by Final Order, the property reserved on account shall become available for Distribution to the Holders of Allowed Claims within the Class(es) entitled to receive such property. Each Holder of a Disputed Claim that ultimately becomes an Allowed Claim will have recourse only to the assets held in the disputed claims reserve and not to any other assets held by the City, its property or any property previously distributed on account of any Allowed Claim.

### **C. Objections to Claims.**

#### **1. Authority to Prosecute, Settle and Compromise.**

The City's rights to object to, oppose and defend against all Claims on any basis are fully preserved. As of the Effective Date, only the City shall have the authority to File, settle, compromise, withdraw or litigate to judgment objections to Claims, including pursuant to the ADR Procedures or any similar procedures approved by the Bankruptcy Court. Any objections to Claims shall be Filed no later than the Claims Objection Bar Date. On and after the Effective Date, the City may settle or compromise any Disputed Claim or any objection or controversy relating to any Claim without any further notice or any action, order or approval of the Bankruptcy Court.

#### **2. Expungement or Adjustment of Claims Without Objection.**

Any Claim that has been paid, satisfied or superseded shall be expunged from the Claims Register by the Claims and Balloting Agent at the request of the City, and any Claim that has been amended by the Holder of such Claim shall be adjusted on the Claims Register by the Claims and Balloting Agent at the request of the City, without the Filing of an objection and without any further notice or any action, order or approval of the Bankruptcy Court.

#### **3. Extension of Claims Objection Bar Date.**

Upon motion by the City to the Bankruptcy Court, the City may request, and the Bankruptcy Court may grant, an extension to the Claims Objection Bar Date generally or with respect to specific Claims. Any extension granted by the Bankruptcy Court shall not be considered to be a modification to the Plan under section 1127 of the Bankruptcy Code.

#### **4. Authority to Amend List of Creditors.**

The City will have the authority to amend the List of Creditors with respect to any Claim and to make Distributions based on such amended List of Creditors without approval of the Bankruptcy Court. If any such amendment to the List of Creditors reduces the amount of a Claim or changes the nature or priority of a Claim, the City will provide the Holder of such Claim with notice of such amendment and such Holder will have 20 days to File an objection to such amendment with the Bankruptcy Court. If no such objection is Filed, the Disbursing Agent may proceed with Distributions based on such amended List of Creditors without approval of the Bankruptcy Court.

Notwithstanding any such holding, alteration or interpretation, the remainder of the terms and provisions of the Plan shall remain in full force and effect and shall in no way be affected, impaired or invalidated by such holding, alteration or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is: (1) valid and enforceable pursuant to its terms; (2) integral to the Plan and may not be deleted or modified without the City's consent; and (3) non-severable and mutually dependent.

**NOTICE OF (I) ENTRY OF ORDER CONFIRMING EIGHTH  
AMENDED PLAN FOR THE ADJUSTMENT OF DEBTS OF THE  
CITY OF DETROIT AND (II) OCCURRENCE OF EFFECTIVE DATE**

**PLEASE TAKE NOTICE OF THE FOLLOWING:**

**1. Confirmation of the Plan and Occurrence of the Effective Date.**

On \_\_\_\_\_, 2014, the United States Bankruptcy Court for the Eastern District of Michigan (the "Bankruptcy Court") entered an order (Docket No. \_\_\_\_ ) (the "Confirmation Order") confirming the Eighth Amended Plan for the Adjustment of Debts of the City of Detroit (as it may have been amended, supplemented or modified, the "Plan"), in the above-captioned chapter 9 case of the City of Detroit, Michigan (the "City"). The Effective Date of the Plan occurred on \_\_\_\_\_, 201\_. Unless otherwise defined in this Notice, capitalized terms and phrases used herein have the meanings given to them in the Plan and the Confirmation Order.

**2. Discharge of Claims.**

a. Except as provided in the Plan or in the Confirmation Order, the rights afforded under the Plan and the treatment of Claims under the Plan are in exchange for and in complete satisfaction, discharge and release of all Claims arising on or before the Effective Date, including any interest accrued on Claims from and after the Petition Date. Except as provided in the Plan or in the Confirmation Order, as of the Effective Date, the City is discharged from all Claims or other debts that arose on or before the Effective Date, and all debts of the kind specified in section 502(g), 502(h) or 502(i) of the Bankruptcy Code, whether or not (i) a proof of Claim based on such debt was Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code, (ii) a Claim based on such debt was allowed pursuant to section 502 of the Bankruptcy Code or (iii) the Holder of a Claim based on such debt accepted the Plan.

b. In accordance with the foregoing, except as expressly provided otherwise in the Plan or the Confirmation Order, the Confirmation Order is a judicial determination, as of the Effective Date, of a discharge of all debts of the City, pursuant to sections 524(a)(1), 524(a)(2) and 944(b) of the Bankruptcy Code, and such discharge voids any judgment obtained against the City at any time, to the extent that such judgment relates to a discharged debt; provided that, in accordance with section

944(c)(1) of the Bankruptcy Code, such discharge does not apply to (i) debts specifically exempted from discharge under the Plan; (ii) debts held by an Entity that, before the Confirmation Date, had neither notice nor actual knowledge of the Chapter 9 Case; (iii) claims against officers or employees of the City in their individual capacity under 42 U.S.C. § 1983; or (iv) Claims of (A) T&T Management, Inc., (B) HRT Enterprises and (C) the John W. and Vivian M. Denis Trust related to condemnation or inverse condemnation actions against the City alleging that the City has taken private property without just compensation in violation of the Takings Clause of the Fifth Amendment to the United States Constitution.

### **3. Releases.**

a. General Releases by Holders of Claims. Without limiting any other applicable provisions of, or releases contained in, the Plan or any contracts, instruments, releases, agreements or documents to be entered into or delivered in connection with the Plan, as of the Effective Date, in consideration for the obligations of the City under the Plan and the consideration and other contracts, instruments, releases, agreements or documents to be entered into or delivered in connection with the Plan (including the State Contribution Agreement), each holder of a Claim that voted in favor of the Plan, to the fullest extent permissible under law, is deemed to forever release, waive and discharge (which release will be in addition to the release and discharge of Claims otherwise provided herein and under the Confirmation Order and the Bankruptcy Code):

i. all Liabilities in any way relating to the City, the Chapter 9 Case (including the authorization given to file the Chapter 9 Case), the Plan, the Exhibits or the Disclosure Statement, in each case that such holder has, had or may have against the City or its current and former officials, officers, directors, employees, managers, attorneys, advisors and professionals, each acting in such capacity (and, in addition to and without limiting the foregoing, in the case of any Emergency Manager, in such Emergency Manager's capacity as an appointee under PA 436); provided further, for the avoidance of doubt, that any person or entity designated to manage the Chapter 9 Case for the City after the Emergency Manager's term is terminated, whether such person or entity acts as an employee, advisor or contractor to the City or acts as an employee, agent, contractor or appointee of the State under any applicable state law, shall be treated the same as an employee of the City hereunder; and

ii. all Liabilities in any way relating to (A) Claims that are compromised, settled or discharged under or in connection with the Plan, (B) the Chapter 9 Case (including the authorization given to file the Chapter 9 Case), (C) the Plan, (D) the Exhibits, (E) the Disclosure Statement or (F) the DIA Settlement, in each case that such holder has, had or may have against the City's Related Entities, the State, the State Related Entities and the Released Parties; provided, however, that any such Liability of the Foundations, the DIA Funders and the CFSEM Supporting Organization and their Related Entities are released only to the extent that such Liability, if any, arises from any such entity's participation in the DIA Settlement;

provided, however, that the foregoing provisions shall not affect the liability of the City, its Related Entities and the Released Parties that otherwise would result from any act or omission to the extent that act or omission subsequently is determined in a Final Order to have constituted gross negligence or willful misconduct; provided, further, that nothing in Section III.D.7.a of the Plan shall release (i) the City's obligations under the Plan or (ii) any defenses that any party may have against the City, its Related Entities, the State, the State Related Entities or the Released Parties. Notwithstanding anything in the Plan or the Confirmation Order to the contrary, claims against officers or employees of the City in their individual capacity under 42 U.S.C. § 1983 shall not be released.

b. Release by Holders of Pension Claims. Without limiting any other applicable provisions of, or releases contained in, the Plan or any contracts, instruments, releases,

agreements or documents entered into or delivered in connection with the Plan, as of the Effective Date, in consideration for the obligations of the City under the Plan and the consideration and other contracts, instruments, releases, agreements or documents to be entered into or delivered in connection with the Plan (including the State Contribution Agreement), if the State Contribution Agreement is consummated, each holder of a Pension Claim is deemed to forever release, waive and discharge all Liabilities arising from or related to the City, the Chapter 9 Case, including the authorization given to file the Chapter 9 Case, the Plan, all Exhibits, the Disclosure Statement, PA 436 and its predecessor or replacement statutes, and Article IX, Section 24 of the Michigan Constitution that such party has, had or may have against the State and any State Related Entities. For the avoidance of doubt, the Plan does not release, waive or discharge obligations of the City that are established in the Plan or that arise from and after the Effective Date with respect to (i) pensions as modified by the Plan or (ii) labor-related obligations. Such post-Effective Date obligations shall be enforceable against the City or its representatives by active or retired employees or their collective bargaining representatives to the extent permitted by applicable non-bankruptcy law or the Plan, or, with respect to pensions only, GRS or PFRS.

Notwithstanding Sections III.D.5-7 and IV.L of the Plan, except as set forth in the COP Swap Settlement, nothing in the Plan or the Confirmation Order shall or shall be deemed to provide a release by the COP Swap Counterparties of any Liabilities related to the COPs, the COP Service Corporations, the Transaction Documents (as defined in the COP Swap Settlement), the COP Swap Settlement or the COP Swap Settlement Approval Order. For the avoidance of doubt, notwithstanding Section III.D.6 of the Plan, a vote of DWSD Bond Claims or DWSD Revolving Bond Claims in favor of the Plan shall not, and shall not be deemed to, effect a release pursuant to Section III.D.7 of the Plan by a Holder of any such DWSD Bond Claims, a Holder of any such DWSD Revolving Bond Claims or the Bond Insurer insuring any such Claims of any Liabilities against the City or its Related Entities that do not arise in connection with the DWSD Bonds or the DWSD Revolving Bonds. For the further avoidance of doubt, notwithstanding anything in the Plan to the contrary, a vote of a Claim other than a DWSD Bond Claim or DWSD Revolving Bond Claim in favor of the Plan shall not, and shall not be deemed to, effect a release pursuant to Section III.D.7 of the Plan by a Holder of any such voted Claim or the Bond Insurer insuring such voted Claim of any Liabilities against the City or any other Entity arising in connection with the DWSD Bonds or DWSD Revolving Bonds.

#### **4. Injunctions.**

**On the Effective Date, except as otherwise provided in the Plan or in the Confirmation Order:**

**a. All Entities that have been, are or may be holders of Claims against the City, Indirect 36th District Court Claims or Indirect Employee Indemnity Claims asserted against officers or employees of the City in their official capacity, along with their Related Entities, are permanently enjoined from taking any of the following actions against or affecting the City or its property, DIA Corp. or its property, the DIA Assets, the Released Parties or their respective property and the Related Entities of each of the foregoing, with respect to such claims (other than actions brought to enforce any rights or obligations under the Plan and appeals, if any, from the Confirmation Order): (i) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding of any kind against or affecting the City or its property (including (A) all suits, actions and proceedings that are pending as of the Effective Date, which must be withdrawn or dismissed with prejudice, (B) Indirect 36th District Court Claims and (C) Indirect Employee Indemnity Claims asserted against officers or employees of the City in their official capacity); (ii) enforcing, levying, attaching, collecting or otherwise recovering by any manner or means, directly or indirectly, any judgment, award, decree or order against the City or its property; (iii) creating, perfecting or otherwise enforcing in any manner, directly or indirectly,**

any encumbrance of any kind against the City or its property; (iv) asserting any setoff, right of subrogation or recoupment of any kind, directly or indirectly, against any obligation due the City or its property; (v) proceeding in any manner in any place whatsoever that does not conform to or comply with the provisions of the Plan or the settlements set forth therein to the extent such settlements have been approved by the Bankruptcy Court in connection with Confirmation of the Plan; and (vi) taking any actions to interfere with the implementation or consummation of the Plan. Notwithstanding anything in the Plan or the Confirmation Order to the contrary, claims against officers or employees of the City in their individual capacity under 42 U.S.C. § 1983 are not enjoined. In addition, all individuals affected by the AFS Recoupment are enjoined from commencing any proceeding against the GRS and its trustees, officers, employees or professionals arising from GRS's compliance with the Plan or this Order.

b. All Entities that have held, currently hold or may hold any Liabilities released pursuant to the Plan are permanently enjoined from taking any of the following actions against the State, the State Related Entities, the officers, board of trustees/directors, attorneys, advisors and professionals of the RDPFFA or the DRCEA, and the Released Parties or any of their respective property on account of such released Liabilities: (i) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding of any kind; (ii) enforcing, levying, attaching, collecting or otherwise recovering by any manner or means, directly or indirectly, any judgment, award, decree or order; (iii) creating, perfecting or otherwise enforcing in any manner, directly or indirectly, any lien; (iv) asserting any setoff, right of subrogation or recoupment of any kind, directly or indirectly, against any obligation due the State, a State Related Entity, the officers, board of trustees/directors, attorneys, advisors and professionals of the RDPFFA or the DRCEA, or a Released Party; and (v) commencing or continuing any action, in any manner, in any place that does not comply with or is inconsistent with the provisions of the Plan. Notwithstanding the foregoing and without limiting the injunctions in sub-paragraph 4(a) above, the Holders of Indirect 36th District Court Claims shall not be enjoined from taking any of the foregoing actions against the State or the State Related Entities with respect to Indirect 36th District Court Claims to the extent such Claims are not satisfied pursuant to the Plan.

## **5. Treatment of Executory Contracts and Unexpired Leases.**

a. Assumption. Except for Executory Contracts and Unexpired Leases rejected in the Plan or by other court order, or as requested in any motion Filed by the City on or prior to the Effective Date, as of the Effective Date, pursuant to section 365 of the Bankruptcy Code, the City has been deemed to assume all Executory Contracts and Unexpired Leases to which it is a party. Notwithstanding the foregoing, Retirement System Indemnity Obligations have not been assumed under the Plan and have been discharged. For the avoidance of doubt, the City has assumed the Tunnel Lease pursuant to Section II.D.1 of the Plan.

b. Assumption of Ancillary Agreements. Each Executory Contract and Unexpired Lease assumed pursuant to Section II.D.1 of the Plan includes any modifications, amendments, supplements, restatements or other agreements made directly or indirectly by any agreement, instrument or other document that in any manner affects such Executory Contract or Unexpired Lease, unless any such modification, amendment, supplement, restatement or other agreement is rejected pursuant to Section II.D.6 of the Plan or designated for rejection in accordance with Section II.D.3 of the Plan.

c. Approval of Assumptions and Assignments. The Confirmation Order constitutes an order of the Bankruptcy Court approving the assumption of Executory Contracts and Unexpired Leases pursuant to Sections II.D.1 and II.D.2 of the Plan (and any related assignment) as of the

Effective Date, except for Executory Contracts or Unexpired Leases that (a) have been rejected pursuant to a Final Order of the Bankruptcy Court, (b) are subject to a pending motion for reconsideration or appeal of an order authorizing the rejection of such Executory Contract or Unexpired Lease, (c) are subject to a motion to reject such Executory Contract or Unexpired Lease Filed on or prior to the Effective Date, (d) are rejected pursuant to Section II.D.6 of the Plan or (e) are designated for rejection in accordance with the last sentence of this paragraph. The City has provided separate notice to each party whose Executory Contract or Unexpired Lease is being assumed pursuant to the Plan of: (a) the Executory Contract or Unexpired Lease being assumed; (b) the Cure Amount Claim, if any, that the City believes it would be obligated to pay in connection with such assumption; (c) any assignment of an Executory Contract or Unexpired Lease; and (d) the procedures for such party to object to the assumption of the applicable Executory Contract or Unexpired Lease, the amount of the proposed Cure Amount Claim or any assignment of an Executory Contract or Unexpired Lease are set forth in the Contract Procedures Order (Docket No. 6512). If an objection to a proposed assumption, assumption and assignment or Cure Amount Claim is not resolved in favor of the City, the applicable Executory Contract or Unexpired Lease may be designated by the City for rejection, which shall be deemed effective as of the Effective Date.

d. Payments Related to the Assumption of Executory Contracts and Unexpired Leases. To the extent that such Claims constitute monetary defaults, the Cure Amount Claims associated with each Executory Contract or Unexpired Lease to be assumed pursuant to the Plan will be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, at the option of the City: (a) by payment of the Cure Amount Claim in Cash on the Effective Date or (b) on such other terms as are agreed to by the parties to such Executory Contract or Unexpired Lease. If there is a dispute regarding: (a) the amount of any Cure Amount Claim, (b) the ability of the City or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under the contract or lease to be assumed or (c) any other matter pertaining to the assumption of such contract or lease, the payment of any Cure Amount Claim required by section 365(b)(1) of the Bankruptcy Code will be made within 30 days following the entry of a Final Order resolving the dispute and approving the assumption.

e. Contracts and Leases Entered Into After the Petition Date. Contracts, leases and other agreements entered into after the Petition Date by the City, including (a) any Executory Contracts or Unexpired Leases assumed by the City and (b) the collective bargaining agreements identified on Exhibit II.D.5 to the Plan, will be performed by the City in the ordinary course of its business. Accordingly, such contracts and leases (including any assumed Executory Contracts or Unexpired Leases) will survive and remain unaffected by entry of the Confirmation Order.

f. Rejection of Executory Contracts and Unexpired Leases. Each Executory Contract and Unexpired Lease that is listed on Exhibit II.D.6 to the Plan was deemed rejected as of the Effective Date pursuant to section 365 of the Bankruptcy Code. The Confirmation Order constitutes an order of the Bankruptcy Court approving such rejections, pursuant to section 365 of the Bankruptcy Code, as of the later of: (a) the Effective Date or (b) the resolution of any objection to the proposed rejection of an Executory Contract or Unexpired Lease. Each contract or lease listed on Exhibit II.D.6 to the Plan is rejected only to the extent that any such contract or lease constitutes an Executory Contract or Unexpired Lease. Listing a contract or lease on Exhibit II.D.6 to the Plan does not constitute an admission by the City that such contract or lease is an Executory Contract or Unexpired Lease or that the City has any liability thereunder. Any Claims arising from the rejection of an Executory Contract or Unexpired Lease pursuant to the Plan shall be treated as Class 14 Claims (Other Unsecured Claims), subject to the provisions of section 502 of the Bankruptcy Code.

g. Rejection Damages Bar Date. Except as otherwise provided in a Final Order of the Bankruptcy Court approving the rejection of an Executory Contract or

**Unexpired Lease, Claims arising out of the rejection of an Executory Contract or Unexpired Lease must be Filed with the Bankruptcy Court and served upon counsel to the City on or before the later of: (a) 45 days after the Effective Date, i.e., \_\_\_\_\_, 20\_\_; or (b) 45 days after such Executory Contract or Unexpired Lease is rejected pursuant to a Final Order or designated for rejection in accordance with Section II.D.3 of the Plan. Any Claims not Filed within such applicable time periods will be forever barred from receiving a Distribution from, and shall not be enforceable against, the City. Proof of claim forms and instructions for filing claims can be found at the City's restructuring website, <https://www.kccllc.net/detroit>.**

h. Preexisting Obligations to the City Under Rejected Executory Contracts and Unexpired Leases. Pursuant to section 365(g) of the Bankruptcy Code, rejection of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall constitute a breach of such contract or lease and not a termination thereof, and all obligations owing to the City under such contract or lease as of the date of such breach shall remain owing to the City upon rejection. Notwithstanding any applicable non-bankruptcy law to the contrary, the City expressly reserves and does not waive any right to receive, or any continuing obligation of a non-City party to provide, warranties, indemnifications or continued maintenance obligations on goods previously purchased, or services previously received, by the City from non-City parties to rejected Executory Contracts or Unexpired Leases, and any such rights shall remain vested in the City as of the Effective Date.

i. Insurance Policies. From and after the Effective Date, each of the City's insurance policies (other than welfare benefits insurance policies) in existence as of or prior to the Effective Date are reinstated and continue in full force and effect in accordance with their terms and, to the extent applicable, are deemed assumed by the City pursuant to section 365 of the Bankruptcy Code and Section II.D.1 of the Plan. Nothing contained in the Plan shall constitute or be deemed a waiver of any Causes of Action that the City may hold against any Entity, including any insurer under any of the City's insurance policies. For the avoidance of doubt, nothing contained in Section II.D.9 of the Plan shall apply to reinstate or continue any obligation of the City or any fund thereof to any Bond Insurer.

## **6. Payment of Administrative Claims.**

a. Administrative Claims in General. Except as specified in Section II.A.1 of the Plan, and subject to the bar date provisions therein, unless otherwise agreed by the Holder of an Administrative Claim and the City, or ordered by the Bankruptcy Court, each Holder of an Allowed Administrative Claim will receive, in full satisfaction of such Allowed Administrative Claim, Cash in an amount equal to such Allowed Administrative Claim either: (1) on the Effective Date or as soon as reasonably practicable thereafter; or (2) if the Administrative Claim is not Allowed as of the Effective Date, 30 days after the date on which such Administrative Claim becomes an Allowed Claim. No Claim of any official or unofficial creditors' committee or any member thereof for professionals' fees or other costs and expenses incurred by such creditors' committee or by a member of such creditors' committee shall constitute an Allowed Administrative Claim, except that the Retiree Committee's members and the Retiree Committee Professionals shall be entitled to payment in accordance with the Fee Review Order and any additional fee process established by the Court.

## **7. Bar Dates for Administrative Claims.**

a. General Bar Date Provisions. Except as otherwise provided in subparagraphs 7(b) or 7(c) below or in a Bar Date Order or other order of the Bankruptcy Court, unless previously Filed, requests for payment of Administrative Claims must be Filed and served on the City no later than 45 days after the Effective Date, i.e., \_\_\_\_\_, 20\_\_. Holders of Administrative Claims that are required to File and serve a request for payment of such Administrative Claims and that do not File and serve such a request by the applicable Bar Date will

be forever barred from asserting such Administrative Claims against the City or its property, and such Administrative Claims will be deemed discharged as of the Effective Date. Objections to such requests must be Filed and served on the City and the requesting party by the later of (i) 150 days after the Effective Date, i.e., \_\_\_\_\_, 20\_\_ , (ii) 60 days after the Filing of the applicable request for payment of Administrative Claims or (iii) such other period of limitation as may be specifically fixed by a Final Order for objecting to such Administrative Claims.

b. Ordinary Course Claims. Holders of Claims based on Liabilities incurred by the City after the Petition Date in the ordinary course of its operations are not required to File or serve any request for payment or application for allowance of such Claims. Such Claims will be paid by the City, pursuant to the terms and conditions of the particular transaction giving rise to such Claims, without further action by the Holders of such Claims or further action or approval of the Bankruptcy Court.

c. Claims Under the Postpetition Financing Agreement. Holders of Administrative Claims that are Postpetition Financing Claims are not required to File or serve any request for payment or application for allowance of such Claims. Such Administrative Claims will be satisfied as set forth in subparagraph 7(b) above.

d. No Modification of Bar Date Order. The Plan does not modify any other Bar Date Order, including Bar Dates for Claims entitled to administrative priority under section 503(b)(9) of the Bankruptcy Code.

#### 8. ASF Recoupment Cash Option.

a. ASF Recoupment Cash Option Election. No later than seven days following the Effective Date, i.e., \_\_\_\_\_, 20\_\_, the City, through its Claims and Balloting Agent, will send the ASF Election Notice and the ASF Election Form by first-class U.S. mail to each ASF Distribution Recipient. The ASF Election Notice will notify ASF Distribution Recipients that each ASF Distribution Recipient may elect to pay the total amount of his or her ASF Recoupment in a single lump sum by timely returning a properly-completed ASF Election Form. The ASF Election Form will explain that the amount of the ASF Recoupment Cash Payment shall be equal to the total amount of ASF Recoupment shown on the ASF Distribution Recipient's Ballot, unless the aggregate amount of ASF Recoupment for all ASF Distribution Recipients electing the ASF Recoupment Cash Option exceeds \$30,000,000, in which case (i) the ASF Recoupment Cash Payment will be the ASF Distribution Recipient's Pro Rata portion of \$30,000,000, and (ii) the remaining portion of the ASF Distribution Recipient's ASF Recoupment will be annuitized and deducted from the ASF Distribution Recipient's monthly pension check, as provided for in Section II.B.3.r.ii.D.2.i of the Plan. ***An ASF Distribution Recipient must return his or her ASF Election Form to the Claims and Balloting Agent so that it is actually received by the Claims and Balloting Agent by the ASF Election Date, i.e., 35 days after the date on which the ASF Election Form is mailed.***

b. ASF Recoupment Cash Payment. GRS will mail the ASF Final Cash Payment Notice no later than 14 days after the ASF Election Date. The ASF Final Cash Payment Notice is a notice that will be sent to each ASF Distribution Recipient who timely elects the ASF Recoupment Cash Option, and will indicate the amount of such ASF Distribution Recipient's ASF Recoupment Cash Payment. ***ASF Distribution Recipients shall have until the ASF Final Cash Payment Date – i.e., the later of (i) 90 days after the Effective Date, i.e., \_\_\_\_\_, 20\_\_ or (ii) 50 days after the date of mailing of an ASF Final Cash Payment Notice – to make the ASF Recoupment Cash Payment, which payment must be made by cashier's check or wire transfer and may not be made by personal check. If an ASF Distribution Recipient's ASF Recoupment Cash Payment is not received by the ASF Final Cash Payment Date, GRS will notify the ASF Distribution Recipient of the failure to timely pay, and***

***ASF Recoupment will be effected through diminution of such recipient's monthly pension check, as provided for in Section II.B.3.r.ii.D.2.i of the Plan.*** The calculation of each electing ASF Distribution Recipient's ASF Recoupment Cash Payment shall not be adjusted under any circumstances, including as a result of default by any other electing ASF Distribution Recipient to remit his or her ASF Recoupment Cash Payment by the ASF Final Cash Payment Date.
