IT IS HEREBY ORDERED THAT:

1. The Motion is GRANTED, as set forth herein, and the Responses are resolved or addressed by the terms of this Order or as set forth on the record of the Hearing.
2. As used herein, (a) the term "claim" has the meaning given to such term in section 101(5) of the Bankruptcy Code, (b) the term "entity" has the meaning given to such term in section 101(15) of the Bankruptcy Code and (c) the term "governmental unit" has the meaning given to such term in section 101(27) of the Bankruptcy Code.
3. The form of (a) Notice of Deadlines for Filing of Proofs of Claim attached as Exhibit B to the Reply and attached hereto as Annex I (the "Bar Date Notice") and (b) the proof of claim form attached as Exhibit 6.3 to the Motion and attached hereto as Annex II (the "Proof of Claim Form" and, together with the Bar Date Notice, the "Bar Date Notice Package"), and the manner of providing notice of the Bar Dates proposed in the Motion, are approved in all respects pursuant to Bankruptcy Rules 2002(a)(7) and 2002(l). The form and manner of notice of the Bar Dates approved herein are deemed to fulfill the notice requirements of the Bankruptcy Code and the Bankruptcy Rules. As such, the Debtors are authorized to serve the Bar Date Notice Package in the manner described in paragraphs 23 through 26 below. In addition, the City is authorized to

make non-substantive edits or corrections to the Bar Date Notice and the Proof of Claim form, consistent with the terms of this Order.

4. Except as otherwise provided in this Order, all entities (including, without limitation, individuals, partnerships, corporations, joint ventures and trusts) that assert claims against the City that arose (or are deemed to have arisen) prior to July 18, 2013 (any such claim, a "Prepetition Claim") must file a proof of claim in writing in accordance with the procedures described herein by 4:00 p.m., Eastern Time, on February 21, 2014 (the "General Bar Date").

5. Except as otherwise provided in this Order, the General Bar Date applies to all types of Prepetition Claims, including secured claims, unsecured priority claims and unsecured nonpriority claims. For the avoidance of doubt, the General Bar Date shall apply to claims asserting administrative expense priority under section 503(b)(9) of the Bankruptcy Code ("503(b)(9) Claims"). The filing of a proof of claim form shall satisfy the procedural requirements for the assertion of 503(b)(9) Claims. All administrative claims under section 503(b) of the Bankruptcy Code, other than 503(b)(9) Claims and the administrative portions of Rejection Damages Claims (as defined below), shall not be deemed proper if asserted by proof of claim.

6. Subject to the provisions of paragraphs 16 through 19 of this Order with respect to holders of claims subject to the Rejection Damages Bar Date,

the Amended Claims List Bar Date and the Governmental Bar Date, and the exceptions described in paragraph 8 below, the following entities must file a proof of claim on or before the General Bar Date:

(a) Any entity: (i) whose prepetition claim against the City is not listed in the List of Claims or is listed as disputed, contingent or unliquidated; and (ii) that desires to share in any distribution in this bankruptcy case and/or otherwise participate in the proceedings in this bankruptcy case associated with the confirmation of any chapter 9 plan of adjustment proposed by the City (a "Chapter 9 Plan"); and

(b) Any entity that believes that its prepetition claim is improperly classified in the List of Claims or is listed in an incorrect amount or priority and that desires to have its claim allowed in a classification, priority or amount other than that identified in the List of Claims, *provided that* any holder of GO Bonds (as defined below) asserting a claim solely for principal and interest in connection with such bonds is not required to file a proof of claim to preserve its right to a *pro rata* share of distributions on account of the amount of principal and interest under such bonds listed in the City's List of Claims.

7. The following procedures for the filing of proofs of claim shall apply:

(a) Proofs of claim must be on the Proof of Claim Form or otherwise conform substantially to Official Bankruptcy Form No. 10;

(b) Proofs of claim must be filed by mailing the original proof of claim or delivering the original proof of claim by hand or overnight courier either to: (a) the City of Detroit Claims Processing Center c/o Kurtzman Carson Consultants LLC, 2335 Alaska Avenue, El Segundo, CA 90245; or (b) the Clerk of the Court, United States Bankruptcy Court for the Eastern District of Michigan, 211 West Fort Street, Suite 1700, Detroit, Michigan 48226. Proofs of claim submitted by facsimile, electronic mail or electronic (ECF) court filing shall not be accepted and shall not be deemed properly filed;

(c) Proofs of claim will be deemed timely filed only if actually received by the City's claims agent, Kurtzman Carson Consultants LLC ("KCC"), or the Court at the addresses set forth in the foregoing subparagraph on or before the applicable Bar Date. If a creditor wishes to receive acknowledgement of receipt of a proof of claim by KCC or the Clerk of this Court (the "Clerk's Office"), the creditor also must submit to KCC or Clerk's Office by the applicable Bar Date and concurrently with submitting its original proof of claim: (i) a copy of the original proof of claim; and (ii) for claims submitted to KCC or by mail to the Clerk's Office, a self-addressed, postage prepaid return envelope; and

(d) Proofs of claim must (i) be signed by the claimant or by an authorized agent of the claimant; (ii) include any documents upon which the claim is based (or, if such documents are voluminous, a summary) or an explanation as to why the documents are not available; (iii) be written in the English language; and (iv) be denominated in United States currency. Any claimant that provides a summary in lieu of the documentation required by Bankruptcy Rule 3001 shall transmit the documents in support of its claim to KCC and the City within ten days after the date of any written request by the City for such documents.

8. Entities holding the following claims (to the extent such claims would be subject to the General Bar Date) shall not be required to file proofs of claim in this chapter 9 case on account of such claims:

(a) Any claim for liabilities associated with post-employment benefits under the City's Health and Life Insurance Benefit Plan, the Supplemental Death Benefit Plan or other non-pension post-employment welfare benefits, including unfunded actuarially accrued liabilities (any such claim, a "Healthcare Liability Claim").

(b) Any claim by present or potential future beneficiaries of the City's two pension systems, the General Retirement System and the Police and Fire Retirement System, for pension benefits or unfunded pension liabilities (any such claim, a "Pension Liability Claim").

(c) Any claim of (or on behalf of) an active employee for ordinary course compensation and employment benefits, including, without limitation, wages, salaries, employee medical benefits and/or insurance

benefits ("Ordinary Course Compensation Claims"), *provided, however*, that Ordinary Course Compensation Claims shall not include claims asserted or to be asserted in any lawsuit or similar proceeding even where such claims assert as damages an entitlement to wages, salaries, employee medical benefits and/or insurance benefits.

(d) Any claim by a holder for the repayment of principal, interest and/or other applicable fees and charges on or under (i) the Secured Bonds or (ii) the COPs.

(e) Any claim by a holder for the repayment of principal or interest on or under the City's unlimited tax general obligation bonds, limited tax general obligation bonds and general fund bonds (collectively, the "GO Bonds") to preserve its right to a *pro rata* share of distributions on account of the amount of principal and interest under such bonds listed in the City's List of Claims.

(f) Any claim arising from an ordinary course entitlement to an income tax refund (to the extent of such claimed entitlement) asserted through the City's established income tax refund procedures, *provided, however*, that entities holding any other Prepetition Claims or causes of action related to income tax matters that are not properly asserted through the City's established income tax refund procedures must file a proof of claim by the General Bar Date.

(g) Any claim with respect to which the holder already has filed a signed proof of claim against the City with the Clerk's Office or KCC in a form substantially similar to Official Bankruptcy Form No. 10;

(h) Any claim that is listed on the List of Claims if (i) the claim is not listed as "disputed," "contingent" or "unliquidated;" and (ii) such entity agrees with the amount, nature and priority of the claim as set forth in the List of Claims;

(i) Any claim that previously has been allowed by order of the Court;

(j) Any claim that has been paid in full by the City; and

(k) Any claim allowable under sections 503(b) and 507(a)(2) of the Bankruptcy Code as an expense of administration (other than any

503(b)(9) Claim or any portion of a Rejection Damages Claim asserting administrative priority under section 503(b) of the Bankruptcy Code).

9. Nothing herein shall operate to limit or deny the right of:

(a) any employee or retiree to vote on any Chapter 9 Plan proposed by the City in this case with respect to Healthcare Liability Claims or Pension Liability Claims that they may possess; or (b) any entity to file any proof of claim that such entity deems necessary or appropriate, subject to any rights the City or other parties in interest may have to object to any such proof of claim.

10. For the avoidance of doubt, the following entities should file proofs of claim to the extent the filing of such claim is not otherwise made unnecessary by the terms of the foregoing paragraph 8: (a) employees and retirees asserting Prepetition Claims *other than* Healthcare Liability Claims, Pension Liability Claims or Ordinary Course Compensation Claims and (b) insurers of the GO Bonds asserting claims in connection with such bonds.

11. Each of the Public Safety Unions may file one or more omnibus proofs of claim by the General Bar Date for its members with respect to (a) claims related to grievances for its respective members and/or (b) defense and indemnification claims arising from tort claims asserted or that may be asserted by third parties against the City and/or such Public Safety Union member(s), subject to the City's right to object to any such claims. The filing of any such omnibus

proof of claim is without prejudice to the right of any Public Safety Union member to file a claim on his or her own behalf.

12. The Retiree Committee may file one or more protective proofs of claim on behalf of retirees and their beneficiaries on account of Healthcare Liability Claims and Pension Liability Claims, subject to the City's rights to object to such claims. For the avoidance of doubt, it is not necessary for the Retiree Committee to file any such proof of claim: (a) to preserve the rights of retirees and their beneficiaries to receive any distributions from the City to which they may be entitled; or (b) to vote on any Chapter 9 Plan, to the extent such retirees and beneficiaries otherwise would be entitled to do so. In addition, nothing herein shall preclude the Retirement Systems from filing proofs of claim on behalf of retirees and beneficiaries on account of Pension Liability Claims, nor shall this Order constitute a judicial determination of the proper party or parties to assert any claim.

13. UAW may file one or more omnibus proofs of claim on behalf of UAW-represented employees and former employees, regardless of the nature of such claims, including, without limitation, claims for post-retirement health obligations, pension obligations (whether benefits, underfunding or otherwise) or other compensation, subject to the City's right to object to any such claims. The City shall reasonably cooperate with UAW in providing names and addresses of City retirees who are former employees of UAW-represented City bargaining

units to the extent the City has such information. The filing of any such omnibus proof of claim is without prejudice to the right of any UAW-represented employee or former employee to file a claim on his or her own behalf.

14. AFSCME may file one or more omnibus proofs of claim on behalf of AFSCME-represented employees and former employees, regardless of the nature of such claims, including, without limitation, claims for post-retirement health obligations, pension obligations (whether benefits, underfunding or otherwise) or other compensation, subject to the City's right to object to any such claims. The City shall reasonably cooperate with AFSCME in providing names and addresses of City retirees who are former employees of AFSCME-represented City bargaining units to the extent the City has such information. The filing of any such omnibus proof of claim is without prejudice to the right of any AFSCME-represented employee or former employee to file a claim on his or her own behalf.

15. For the avoidance of doubt, the classification, priority and treatment of claims for principal and interest under the GO Bonds pursuant to any Chapter 9 Plan shall not be affected by any provision of this Order or by whether or not the holders of GO Bonds file or do not file proofs of claim.

16. Any entities asserting claims arising from or relating to the rejection of executory contracts or unexpired leases, in accordance with

section 365 of the Bankruptcy Code and pursuant to an order of this Court entered prior to the confirmation of the City's Chapter 9 Plan (a "Rejection Order"), or claims otherwise related to such rejected agreements, including (a) secured claims, unsecured priority claims and unsecured nonpriority claims that arose or are deemed to have arisen prior to the Petition Date and (b) administrative claims under section 503(b) of the Bankruptcy Code (collectively, "Rejection Damages Claims") are required to file proofs of claim by the later of (a) the General Bar Date and (b) 4:00 p.m., Eastern Time, on the first business day that is at least 30 days after the entry of the applicable Rejection Order (the "Rejection Damages Bar Date"). For the avoidance of doubt, all prepetition and postpetition claims of any kind or nature relating to executory contracts or unexpired leases rejected by a Rejection Order must be filed by the Rejection Damages Bar Date. Rejection Orders entered after the date of entry of this Order shall include a description of the Rejection Damages Bar Date in the text of the Rejection Order.

17. Each entity asserting a Rejection Damages Claim with an administrative claim component must file, along with its proof of claim, a detailed statement describing the nature and basis of the portion of the Rejection Damages Claim asserting an administrative priority under section 503(b) of the Bankruptcy Code (the "Administrative Claim Supplement"). The filing of a proof of claim form, along with an attached Administrative Claim Supplement, if applicable, shall

satisfy the procedural requirements for the assertion of a Rejection Damages Claim (including any administrative claim included therein).

18. The City shall retain the right to: (a) dispute, or assert offsets or defenses against, any Filed Claim or any Scheduled Claim as to nature, amount, liability, classification, priority or otherwise; (b) subsequently designate any Scheduled Claim as disputed, contingent or unliquidated; and (c) otherwise amend or supplement the List of Claims. If the City amends or supplements the List of Claims after the Service Date, the City shall give notice of any such amendment or supplement to the holders of claims affected thereby, including notice of the applicable Amended Claims List Bar Date to file proofs of claim in response to the amendment or supplement to the List of Claims.

19. In particular, if the City amends or supplements its List of Claims to: (a) reduce the undisputed, noncontingent and liquidated amount of a claim; (b) change the nature, classification or priority of a Scheduled Claim in a manner adverse to the listed creditor; or (c) add a new Scheduled Claim to the List of Claims with respect to a party that was not previously served with notice of the Bar Dates (in each case, a "Modified Claim"), the affected claimant shall be permitted to file a proof of claim, or amend any previously filed proof of claim, in respect of the Modified Claim in accordance with the procedures described herein by the later of (a) the General Bar Date; and (b) 4:00 p.m., Eastern Time, on the

first business day that is at least 30 days after the date that notice of the applicable amendment to the List of Claims is served on the claimant (the "Amended Claims List Bar Date"). By contrast, if the amendment to the List of Claims improves the amount or treatment of a previously listed or filed claim, a claimant that previously was served with a notice of the Bar Dates is not permitted to file additional claims by the Amended Claims List Bar Date; *provided, however*, that nothing contained herein shall be construed to limit, enhance or otherwise affect a claimant's right to amend a timely filed proof of claim.

20. Nothing contained in this Order shall preclude the City from objecting to any claim, whether listed or filed, on any grounds. In addition, nothing herein limits, or is intended to limit, any claimant's rights to defend against any objection.

21. Pursuant to Bankruptcy Rule 3002(c)(1), the date by which governmental units shall file proofs of claim in this case shall be the later of:

(a) the first business day that is at least 180 days following the date of the entry of an order for relief in this case; and (b) any Rejection Damages Bar Date or Amended Claims List Bar Date applicable to the governmental unit.

22. Pursuant to section 105(a) of the Bankruptcy Code and Bankruptcy Rule 3003(c)(2), any entity that is required to file a proof of claim in this case pursuant to the Bankruptcy Code, the Bankruptcy Rules or this Order

with respect to a particular claim against the City, but that fails properly to do so by the applicable Bar Date, shall be forever barred, estopped and enjoined from:

(a) asserting any claim against the City or property of the City that (i) is in an amount that exceeds the amount, if any, that is identified in the List of Claims on behalf of such entity as undisputed, noncontingent and liquidated or (ii) is of a different nature or a different classification or priority than any Scheduled Claim identified in the List of Claims on behalf of such entity (any such claim under subparagraph (a) of this paragraph being referred to herein as an "Unscheduled Claim"); (b) voting upon, or receiving distributions under any Chapter 9 Plan in this case in respect of an Unscheduled Claim; or (c) with respect to any 503(b)(9) Claim or administrative priority claim component of any Rejection Damages Claim, asserting any such priority claim against the City or property of the City.

23. Within five business days after the entry of this Order or as soon as practicable thereafter, the City, through KCC or otherwise, shall serve the Bar Date Notice Package by first class mail, postage prepaid (or equivalent service), on:

- (a) all known potential claimants (or their counsel, if known), including all entities identified as potential claim holders in the List of Claims;
- (b) the Trustees;
- (c) counsel to the Official Committee of Retirees appointed in this case;

- (d) all parties that have requested notice of the proceedings in this case as of the date of this Order;
- (e) all parties that have filed proofs of claim in this case as of the date of this Order;
- (f) all known parties to executory contracts and unexpired leases with the City, including all parties to executory contracts and unexpired leases rejected by a Rejection Order, if any, as of the date of this Order;
- (g) all known parties to pending litigation with the City;
- (h) the United States Attorney for this District; and
- (i) all federal and state environmental protection agencies for this jurisdiction.

24. The City also shall serve the Bar Date Notice on the holders of the GO Bonds. If DTC has not already provided the Institutional Nominee List to the City as of the date of this Order, DTC is directed to provide the City with the Institutional Nominee List within three business days of this date or as soon as practicable thereafter. Service of the Bar Date Notice by electronic mail on those holders of the GO Bonds that previously consented in writing to receive notices regarding the GO Bonds by electronic mail shall constitute adequate notice of the Bar Dates on such holders.

25. As part of the Bar Date Package, the City shall mail one or more Proof of Claim Forms (as appropriate) to the parties receiving the Bar Date Notice. Except with respect to holders of GO Bonds, for holders of Scheduled Claims listed in the List of Claims, the Proof of Claim Form mailed to such entities

shall indicate how the City has listed the creditor's claim in the List of Claims, including: (a) the amount of the claim, if any; (b) whether the claim is listed as disputed, contingent or unliquidated; and (c) whether the claim is listed as a secured claim or an unsecured nonpriority claim. Along with Proof of Claim Forms distributed to the holders of GO Bonds, the City will provide a schedule identifying the amount listed in the List of Claims for each series of GO Bonds.

26. Pursuant to Bankruptcy Rule 2002(f), the City shall publish the Bar Date Notice, once, in the *Detroit Free Press*, *The Detroit News* and national editions of *USA Today* and *The Wall Street Journal* at least 28 days prior to the General Bar Date, which publication is hereby approved and shall be deemed good, adequate and sufficient publication notice of the Bar Dates. The City is authorized to modify the Bar Date Notice to the extent necessary or appropriate to conform the Bar Date Notice to publication and minimize expense.

27. The City and KCC are authorized and empowered to take such steps and perform such acts as may be necessary to implement and effectuate the terms of this Order.

28. The entry of this Order is without prejudice to the right of the City to seek a further order of this Court fixing a date by which holders of claims or interests not subject to the Bar Dates established herein must file such proofs of claim or interest or be barred from doing so.

29. The Court retains jurisdiction with respect to all matters arising from or related to the interpretation, implementation and/or enforcement of this Order.

**NOTICE OF DEADLINES FOR FILING OF PROOFS OF CLAIM**  
**(GENERAL BAR DATE IS FEBRUARY 21, 2014**  
**AT 4:00 P.M., EASTERN TIME)**

**TO ALL PERSONS AND ENTITIES WITH CLAIMS  
AGAINST THE CITY OF DETROIT, MICHIGAN (THE "CITY"):**

On [\_\_\_\_], 2013, the United States Bankruptcy Court for the Eastern District of Michigan (the "Court") entered an order (Docket No. [\_\_\_\_]) (the "Bar Date Order") establishing certain deadlines for the filing of proofs of claim in the chapter 9 bankruptcy case of the City.

By the Bar Date Order, the Court established **February 21, 2014 at 4:00 p.m., Eastern Time** (the "General Bar Date"), as the general claims bar date for filing proofs of claim in the City's case. As described below, certain claimants are not required to file proofs of claim with respect to their claims, and the Bar Date Order also establishes different bar dates with respect to certain categories of claims. See Section 1 for more information. ***To determine if you need to file a proof of claim in this case and the applicable deadline and instructions for filing a proof of claim, please read this Notice carefully.***

**List of Claims**

On September 30, 2013, the City filed its Second Amended List of Creditors and Claims, Pursuant to Sections 924 and 925 of the Bankruptcy Code (Docket No. 1059), which constitutes the City's list of claims (as amended or supplemented from time to time, the "List of Claims") under section 925 of title 11 the United States Code (the "Bankruptcy Code"). Any claim identified on the List of Claims is referred to herein as a "Scheduled Claim."

**Proof of Claim Form**

For your convenience, enclosed with this Notice is a proof of claim form (the "Claim Form"), which identifies on its face the amount, nature and classification of your claim(s), if any, listed in the City's List of Claims. *If you are the holder of a general obligation bond (defined in Section 1 as GO Bonds), please note that the List of Claims identifies the City's calculation of the total bond debt by series as of commencement of the City's bankruptcy case on July 18, 2013, and the List of Claims does not identify the amount owed to any particular bondholder. If you are a holder of a GO Bond, the amount listed by the City in the List of Claims for each series of GO Bonds is provided with your Claim Form.*

A blank copy of the Claim Form is available on the City's restructuring website at [www.kccllc.net/detroit](http://www.kccllc.net/detroit), along with all other documents filed in the City's bankruptcy case. **[Note: The preceding two paragraphs are for the service version, not the publication version, of this Notice.]**

For the convenience of potential claimants, a proof of claim form prepared for use in the City's chapter 9 case (the "Claim Form"), along with all other documents filed in the City's bankruptcy case, is available on the City's restructuring website at [www.kccllc.net/detroit](http://www.kccllc.net/detroit). **[Note: This paragraph is for the publication version of this Notice.]**

**Certain Definitions**

The following definitions come from the Bankruptcy Code and are provided for your convenience.

As used in this Notice the term "entity" has the meaning given to it in section 101(15) of the Bankruptcy Code and includes, among other things, individuals, partnerships, corporations, joint ventures and trusts.

As used in this Notice, the term "claim" means, as to or against the City and in accordance with section 101(5) of the Bankruptcy Code: (a) any right to payment, whether or not such right is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, legal, equitable, secured or unsecured; or (b) any right to an equitable remedy for breach of performance if such breach gives rise to a right to payment, whether or not such right to an equitable remedy is reduced to judgment, fixed, contingent, matured, unmatured, disputed, undisputed, secured or unsecured.

## SECTION 1 — WHO IS NOT REQUIRED TO FILE A PROOF OF CLAIM

### SUMMARY

- **Section 1 describes which of the City's creditors are not required to file a claim. It states that the following creditors, among others, are not required to file a claim:**
  - **City retirees and their beneficiaries** are not required to file claims for pension or healthcare benefits or other post-employment welfare benefits. *The City will work with retiree representatives to establish an appropriate process for retirees and their beneficiaries to vote on and receive payments under any restructuring plan.*
  - **City employees and their beneficiaries** are not required to file claims for pension or healthcare benefits, routine wages or other employment benefits. *The City will work with employee representatives to establish an appropriate process for employees to vote on and receive payments under any restructuring plan.*
  - **Taxpayers** are not required to file claims for routine income tax refunds. *The City will continue to process routine income tax refunds according to its usual procedures.*
  - **Bondholders** holding any of the bonds identified on the "Schedule of Secured Bonds" on the last two pages of this Notice and **holders of Certificates of Participation** issued by the City are not required to file claims for the repayment of principal, interest and/or other applicable fees and charges. *In each case, the applicable trustee or other agent has agreed to file the claim on behalf of the holders.*
  - **Other bondholders** holding general obligation bonds are not required to file claims to receive their *pro rata* share of distributions on account of the amount of principal and interest listed on the City's list of claims. *See Section 8 for more details about the list of claims.*
- A restructuring plan is a document that explains how the City proposes to pay the amounts it owes to its creditors. Once filed, this plan will be available for creditors to review. **If you are not required to file a claim, you do not need to complete and return a claim form, and you will still keep your rights to vote on a restructuring plan and receive payments under the plan.** Who gets to vote on the plan will be determined at a later date. The amount you may receive under the plan also will be determined later. The plan may propose that you receive less than the amount you are owed.
- **Even if you are not required to file a claim form, you are permitted to do so.**

The Bar Date Order provides that entities holding the following claims **are not required** to file proofs of claim on account of such claims to preserve any right they may have to receive distributions from the City and vote on any chapter 9 plan of adjustment (a "Plan") proposed by the City:

- (a) Claims of retirees, employees or other beneficiaries for (a) post-employment benefits under the City's Health and Life Insurance Benefit Plan, the Supplemental Death Benefit Plan or other non-pension post-employment welfare benefits, including unfunded actuarially accrued liabilities (any such claim, a "Retirement Healthcare Claim") and (b) pension benefits (any such claim, a "Pension Claim") under the City's two retirement systems, the General Retirement System and the Police and Fire Retirement System (together, the "Retirement Systems"). In consultation with the Official Committee of Retirees appointed in the Chapter 9 Case (the "Retiree Committee"), other groups representing the interests of current and future recipients of post-employment healthcare and pension benefits and, in the case of Pension Claims, the Retirement Systems, the City intends to establish an appropriate mechanism for such retirees, employees or other beneficiaries to vote on any Plan with respect to any pension and healthcare claims they may possess.
- (b) Claims of active employees for ordinary course compensation and employment benefits including, without limitation, wages, salaries, employee medical benefits and insurance benefits ("Ordinary Course Compensation Claims"). The City intends to continue to pay Ordinary Course Compensation Claims in the normal course. Accordingly, active employees need not file proofs of claim on account of Ordinary Course Compensation Claims. For the avoidance of doubt, claims asserted or to be asserted in any lawsuit or similar proceeding are not Ordinary Course

Compensation Claims even where the claims assert as damages an entitlement to wages, salaries, employee medical benefits and/or insurance benefits.

- (c) Any claim by a holder for the repayment of principal, interest and/or other applicable fees and charges on or under (i) the bonds identified on the "Schedule of Secured Bonds" on the last two pages of this Notice (collectively, the "Secured Bonds") or (ii) any certificates of participation issued by the City (collectively, the "COPs"). In each case, the trustee or similar entity with respect to the applicable series of Secured Bonds or COPs has informed the City that, consistent with Bankruptcy Rule 3003(c), it intends to: (i) file any proofs of claim against the City on behalf of the holders of the Secured Bonds and the COPs; and (ii) provide notice to the holders of the Secured Bonds and the COPs.
- (d) Any claim by a holder for the repayment of principal or interest on or under the City's unlimited tax general obligation bonds, limited tax general obligation bonds and general fund bonds (collectively, the "GO Bonds" or "general obligations bonds") to preserve its right to a *pro rata* share of payments on account of the amount of principal and interest under such bonds listed in the List of Claims. Holders of GO Bonds with claims for amounts beyond principal and interest under these bonds are required to file claims for those additional amounts unless another exception applies. Also, the insurers of the GO Bonds must file any claims relating to the GO Bonds by the General Bar Date. The classification, priority and treatment of claims for principal and interest under the GO Bonds pursuant to any Chapter 9 Plan shall not be affected by any provision of the Bar Date Order or by whether or not the holders of GO Bonds file or do not file proofs of claim.
- (e) Any claim arising from an ordinary course entitlement to an income tax refund (to the extent of such claimed entitlement) asserted through the City's established income tax refund procedures, provided, however, that entities holding any other Prepetition Claims or causes of action related to income tax matters that are not properly asserted through the City's established income tax refund procedures must file a proof of claim by the General Bar Date.
- (f) Any claim with respect to which the holder already has filed a signed proof of claim against the City with the Clerk of this Court in a form substantially similar to Official Bankruptcy Form No. 10.
- (g) Any claim that is listed on the List of Claims if (i) the claim is not listed as "disputed," "contingent" or "unliquidated;" and (ii) such entity agrees with the amount, nature and priority of the claim as set forth in the List of Claims.
- (h) Any claim that previously has been allowed by order of the Court.
- (i) Any claim that has been paid in full by the City.
- (j) Any claim allowable under sections 503(b) and 507(a)(2) of the Bankruptcy Code as an expense of administration (other than any 503(b)(9) Claim or any portion of a Rejection Damages Claim asserting administrative priority under section 503(b) of the Bankruptcy Code).

***For the avoidance of doubt, nothing herein or in the Bar Date Order affects any right that the claimants identified in subsections (a) through (h) of this Section 1 may have to vote on and receive distributions under any Plan proposed by the City. Further, nothing herein or in the Bar Date Order should be construed as an agreement by the City or a determination by the Court that any particular party is the proper holder of any specific claim against the City with the right to vote on any Plan proposed by the City and receive distributions from the City on account of such claim.***

***Nothing in this Section 1 limits the right of any entity (including, without limitation, the City, the Retiree Committee, the Retirement Systems or the City's unions, employees, retirees, bondholders, bond insurers, trustees, paying agents or any other entity) to (a) assert any proof of claim authorized under the Bankruptcy Code or (b) object to any proof of claim on any grounds to the extent permitted under the Bankruptcy Code.***

## **SECTION 2 — WHO MUST FILE A PROOF OF CLAIM**

### **SUMMARY**

- **Section 2 explains who must file a claim. If none of the exceptions in Section 1 apply to you, then you must file a claim.**
- Note that the instructions in this document are for filing claims for any amounts owed to you by the City that "arose" before July 18, 2013, when this bankruptcy case was filed. That may include amounts promised to you before July 18, 2013, even if they were not due until later.
- If you are the holder of a bond listed at the end of this document, or the holder of a Certificate of Participation, a trustee or agent has indicated that it will file a claim on your behalf.
- If you hold general obligation bonds, you are not required to file claims for your *pro rata* share of distributions on account of the amount of principal and interest listed on the City's list of claims. *See Section 8 for more details about the list of claims.* Claims for other amounts should be filed by the deadline.
- **Even if you are not required to file a claim form, you are permitted to do so.**

If none of the exceptions described in Section 1 applies, and if you have a claim that arose or is deemed to have arisen prior to the Filing Date (any such claim, a "Prepetition Claim"), you **MUST** file a proof of claim to share in distributions from the City's bankruptcy case and to vote on a Plan. Claims based on acts or omissions of the City that occurred before the Filing Date must be filed on or prior to the applicable Bar Date, even if such claims are not now fixed, liquidated or certain or did not mature or become fixed, liquidated or certain before the Filing Date.

Except where one of the exceptions described in Section 1 applies (or where the Rejection Damages Bar Date, the Amended Claims List Bar Date or the Governmental Bar Date applies to establish a different deadline), the following entities must file proofs of claim on or before the General Bar Date:

- (a) any entity (i) whose Prepetition Claim against the City is not listed in the City's List of Claims or is listed as "disputed," "contingent" or "unliquidated" and (ii) that desires to share in any distribution in this bankruptcy case and/or otherwise participate in the proceedings in this bankruptcy case associated with the confirmation of any Plan; and
- (b) any entity that believes its Prepetition Claim is improperly classified in the List of Claims or is listed in an incorrect amount or priority and that desires to have its claim allowed in a classification, priority or amount other than that identified in the List of Claims, *provided that* any holder of GO Bonds asserting a claim for principal and interest in connection with such bonds is not required to file a proof of claim to preserve its right to a *pro rata* share of distributions on account of the amount of principal and interest under such bonds listed in the City's List of Claims.

***Note that the Bar Date Order should not be construed as an agreement by the City or a determination by the Court that any particular party is the proper holder of any specific claim against the City with the right to vote on any Plan proposed by the City and receive distributions from the City on account of such claim.***

### SECTION 3 — THE BAR DATES

#### **SUMMARY**

- Section 3 states that the general deadline for creditors to file claims is **February 21, 2014 at 4:00 p.m., Eastern Time.**
- "Bar date" is the legal term for the deadline to file a claim form.
- There are other later deadlines for filing claims that apply to certain parties. Additional information about these deadlines will be sent to those parties. These deadlines also are explained in Section 3.

The Bar Date Order establishes the following bar dates for filing proofs of claim in this case (collectively, the "Bar Dates"):

- (a) The General Bar Date. Pursuant to the Bar Date Order, except as described below, all entities holding claims against the City that arose (or are deemed to have arisen) prior to the commencement of this case are required to file proofs of claim by the General Bar Date (i.e., by February 21, 2014 at 4:00 p.m., Eastern Time). This case was commenced on July 18, 2013 (the "Filing Date"). The General Bar Date applies to all types of claims against the City that arose prior to the Filing Date, including secured claims, unsecured priority claims and unsecured nonpriority claims. For the avoidance of doubt, the General Bar Date applies to all claims asserting administrative expense priority under section 503(b)(9) of the Bankruptcy Code, subject to Section 4 below.
- (b) The Rejection Damages Bar Date. Pursuant to the Bar Date Order, any entity asserting claims arising from or relating to the rejection of executory contracts or unexpired leases, in accordance with section 365 of the Bankruptcy Code and pursuant to an order entered prior to the confirmation and effectiveness of a Plan (any such order, a "Rejection Order"), or claims otherwise related to such rejected agreements, including (i) secured claims, unsecured priority claims and unsecured nonpriority claims that arose or are deemed to have arisen prior to the Filing Date and (ii) administrative claims under section 503(b) of the Bankruptcy Code (collectively, "Rejection Damages Claims") are required to file proofs of claim by the later of (a) the General Bar Date and (b) 4:00 p.m., Eastern Time, on the first business day that is at least 30 days after the entry of the relevant Rejection Order. The later of these dates is referred to in this Notice as the "Rejection Damages Bar Date." *For the avoidance of doubt, all prepetition and postpetition claims of any kind or nature arising from or relating to executory contracts or unexpired leases rejected by a Rejection Order must be filed by the Rejection Damages Bar Date.* In accordance with the Bar Date Order, any Rejection Order entered by the Bankruptcy Court will specify the Rejection Damages Bar Date applicable to any executory contracts or unexpired leases rejected thereunder.
- (c) The Amended Claims List Bar Date. Pursuant to the Bar Date Order, if, subsequent to the date of this Notice, the City amends or supplements its List of Claims to: (i) reduce the undisputed, noncontingent and liquidated amount of a claim; (ii) change the nature, classification or priority of a Scheduled Claim in a manner adverse to the listed creditor; or (iii) add a new Scheduled Claim to the List of Claims with respect to a party that was not previously served with notice of the Bar Dates (in each case, a "Modified Claim"), the affected claimant shall be permitted to file a proof of claim, or amend any previously filed proof of claim, in respect of the Modified Claim in accordance with the procedures described herein by the later of (i) the General Bar Date; and (ii) 4:00 p.m., Eastern Time, on the first business day that is at least 30 days after the date that notice of the applicable amendment to the List of Claims is served on the claimant (the "Amended Claims List Bar Date"). The City will provide notice of any Amended Claims List Bar Date to affected claimants. Affected claimants that previously filed a proof of claim (any such claim, a "Filed Claim") with respect the liabilities giving rise to any Modified Claim need not refile their proof of claim because the Filed Claim is deemed to supersede and replace the original Scheduled Claim and the Modified Claim. In addition, if the City's amendment to the List of Claims improves the amount or treatment of a Scheduled Claim or a Filed Claim, a claimant that previously was served with a notice of the Bar Dates is not permitted to file additional claims by

the Amended Claims List Bar Date; provided, however, that nothing contained in the Bar Date Order shall be construed to limit, enhance or otherwise affect a claimant's right to amend a timely filed proof of claim. In addition, notwithstanding the foregoing, nothing contained herein precludes the City from objecting to any Scheduled Claim or Filed Claim on any grounds.

- (d) The Governmental Bar Date. Governmental units (as defined in section 101(27) of the Bankruptcy Code) are not subject to the General Bar Date. Pursuant to Bankruptcy Rule 3002(c)(1), the date by which governmental units must file proofs of claim in this case (the "Governmental Unit Bar Date") is the later of: (i) the first business day that is at least 180 days following the date of the entry of an order for relief in this case; and (ii) any Rejection Damages Bar Date or Amended Claims List Bar Date applicable to the governmental unit. No order for relief has yet been entered in the City's chapter 9 case, and proceedings to establish the City's eligibility to be a chapter 9 debtor are ongoing at this time. If the City prevails in establishing eligibility, the Court will enter an order for relief consistent with section 921(d) of the Bankruptcy Code. **[Update as appropriate at time that this Notice is finalized.]** The City will provide notice of the entry of an order for relief to all known creditors that are governmental units of the Court's entry of an order for relief and the resulting Governmental Bar Date.

#### **SECTION 4 — WHAT TO FILE**

##### **SUMMARY**

- Section 4 explains the paperwork for filing a claim.
- The claim form is sometimes called a "proof of claim."
- You must complete and sign the claim form and provide all necessary supporting documentation or a summary of this documentation.
- The amount owed to you must be listed in U.S. dollars, and the form must be filled out in English.
- The claim form includes instructions and explanations to assist you.
- A claim form is enclosed. Extra copies are available for free on the internet at [www.kccllc.net/detroit](http://www.kccllc.net/detroit).

As noted above, the City is enclosing a Claim Form for use in this case, or you may use another proof of claim form that conforms substantially to Official Bankruptcy Form No. 10. If your claim is listed by the City on its List of Claims (other than claims arising from GO Bonds), the attached Claim Form sets forth: (a) the amount of your claim (if any) as listed by the City; (b) whether your claim is listed as disputed, contingent or unliquidated; and (c) whether your claim is listed as a secured claim or an unsecured nonpriority claim. *If you are the holder of a GO Bond, please note that the List of Claims identifies the City's calculation of the total bond debt by series as of the Filing Date, and the List of Claims does not identify the amount owed to any particular bondholder. If you are a holder of a GO Bond, the amount listed by the City in the List of Claims for each series of GO Bonds is provided with your Claim Form.*

You will receive a different Claim Form for each claim listed in your name by the City. You may utilize the Claim Form(s) provided by the City to file your claim. Additional proof of claim forms may be obtained at the following websites: (a) [www.kccllc.net/detroit](http://www.kccllc.net/detroit) for a blank Claim Form designed specifically for this case or (b) [www.uscourts.gov/bkforms](http://www.uscourts.gov/bkforms) for a copy of Official Bankruptcy Form No. 10. **[Note: The preceding two paragraphs are for the service version, not the publication version, of this Notice.]**

To file your claim, you may use (a) the Claim Form specifically prepared for this chapter 9 case, which is available at [www.kccllc.net/detroit](http://www.kccllc.net/detroit) or (b) another proof of claim form that conforms substantially to Official Bankruptcy Form No. 10 (which form is available at [www.uscourts.gov/bkforms](http://www.uscourts.gov/bkforms)). **[Note: This paragraph is for the publication version of this Notice.]**

All proof of claim forms must be **signed** by the claimant or by an authorized agent of the claimant. The proof of claim form must be written in English and be denominated in United States currency. You should attach to your completed proof of claim form any documents on which the claim is based (the "Supporting Documents") (or, if the Supporting Documents are voluminous, you may attach a summary) or an explanation as to why the documents are not available. If you file a summary of the Supporting Documents because they are voluminous, you must transmit the Supporting Documents to (a) the City of Detroit Claims Processing Center (as defined below) and (b) the City within ten days after the date of a written request by the City for such documents.

Each entity asserting a Rejection Damages Claim with an administrative claim component must file, along with its proof of claim, a detailed statement describing the nature and basis of the portion of the Rejection Damages Claim asserting an administrative priority under section 503(b) of the Bankruptcy Code (the "Administrative Claim Supplement").

Under the Bar Date Order, the filing of a proof of claim form satisfies the procedural requirements for the assertion of any administrative priority claims under section 503(b)(9) of the Bankruptcy Code. Likewise, the filing of a proof of claim form, along with an attached Administrative Claim Supplement, if applicable, satisfies the procedural requirements for the assertion of a Rejection Damages Claim (including any administrative claim included therein). Claims asserting administrative expense priority (a) under section 503(b)(9) of the Bankruptcy Code or (b) as a portion of a Rejection Damages Claim must be filed by the General Bar Date and the Rejection Damages Bar Date, respectively.

*All other administrative claims under sections 503(b) and 507(a)(2) of the Bankruptcy Code will not be deemed proper if asserted by proof of claim. The City intends to establish a process for the assertion of such claims at a future date if and to the extent necessary or appropriate. Note that the claim priorities provided under subsections (a)(1) and (a)(3) through (a)(10) of section 507 of the Bankruptcy Code are inapplicable in chapter 9 pursuant to section 901(a) of the Bankruptcy Code.*

## **SECTION 5 — WHEN AND WHERE TO FILE**

If you wish to receive acknowledgement of receipt of a proof of claim, you must submit by the applicable Bar Date and concurrently with submitting your original proof of claim (a) a copy of the original proof of claim and (b) for claims submitted to KCC or by mail to the Clerk's Office, a self-addressed, postage prepaid return envelope.

#### **SECTION 6 — EXECUTORY CONTRACTS AND UNEXPIRED LEASES**

##### **SUMMARY**

- Section 6 provides special rules for creditors asserting claims arising from contracts that the City rejects during its bankruptcy case.
- "Rejecting" a contract is a special bankruptcy power that allows the City to stop performing certain agreements upon approval of the Bankruptcy Court.

As described in Section 3 above, any entity wishing to assert a Rejection Damages Claim must file a proof of claim for any prepetition or postpetition damages caused by such rejection, or any other prepetition or postpetition claims of any kind or nature whatsoever relating to the rejected agreement, by the Rejection Damages Bar Date.

#### **SECTION 7 — CONSEQUENCES OF FAILURE TO FILE A PROOF OF CLAIM BY THE APPLICABLE BAR DATE**

##### **SUMMARY**

- Section 7 explains what happens if you are required to file a claim by the deadline, but do not.
- In that case, you will lose the right to vote on or receive payments under the City's restructuring plan.

ANY ENTITY THAT IS REQUIRED TO FILE A PROOF OF CLAIM WITH RESPECT TO A PARTICULAR CLAIM AGAINST THE CITY, BUT THAT FAILS TO DO SO BY THE APPLICABLE BAR DATE DESCRIBED IN THIS NOTICE, SHALL BE FOREVER BARRED, ESTOPPED AND ENJOINED FROM THE FOLLOWING: (A) ASSERTING ANY CLAIM AGAINST THE CITY OR PROPERTY OF THE CITY THAT (I) IS IN AN AMOUNT THAT EXCEEDS THE AMOUNT, IF ANY, THAT IS IDENTIFIED IN THE LIST OF CLAIMS ON BEHALF OF SUCH ENTITY AS UNDISPUTED, NONCONTINGENT AND

LIQUIDATED OR (II) IS OF A DIFFERENT NATURE OR A DIFFERENT CLASSIFICATION OR PRIORITY THAN ANY CLAIM IDENTIFIED IN THE LIST OF CLAIMS ON BEHALF OF SUCH ENTITY (ANY SUCH CLAIM BEING REFERRED TO IN THIS NOTICE AS AN "UNSCHEDULED CLAIM"); (B) VOTING UPON, OR RECEIVING DISTRIBUTIONS UNDER, ANY PLAN IN THIS CHAPTER 9 CASE IN RESPECT OF AN UNSCHEDULED CLAIM; OR (C) WITH RESPECT TO ANY 503(B)(9) CLAIM OR ADMINISTRATIVE PRIORITY CLAIM COMPONENT OF ANY REJECTION DAMAGES CLAIM, ASSERTING ANY SUCH PRIORITY CLAIM AGAINST THE CITY OR PROPERTY OF THE CITY.

## **SECTION 8 — THE CITY'S LIST OF CLAIMS**

### **SUMMARY**

- Section 8 explains that the City filed a list of the claims that it believes it owes.
- The enclosed claim form will show how the City listed your claim. A copy of the claim list also is available on the internet at [www.kccllc.net/detroit](http://www.kccllc.net/detroit).
- Note that the City's bond debt was listed by bond series. Individual bondholders were not listed. The claim form sent to holders of general obligation bonds will include a list of all series of general obligation bonds, showing the City's calculation of the total principal and interest as of the date the bankruptcy was filed.
- If your claim is on the claim list, that means the City may have filed a claim for you. Please review the information carefully. If the City listed your claim with any of these labels, you cannot rely on the City's claim: "contingent" or "unliquidated" or "disputed." If you see any of these words next to your claim, you must file the claim form by the deadline if the claim deadline applies to you. ***The parties listed in Section 1 do not have to file a claim form by the deadline.***

You may be listed as the holder of a claim against the City in the City's List of Claims. To determine if and how you are listed on the List of Claims, please refer to the descriptions set forth on the enclosed proof of claim form(s) regarding the nature, amount and status of your claim(s). See Section 10 below for instructions regarding how to access the List of Claims. If you received postpetition payments from the City on account of your claim, the information on the enclosed proof of claim form may reflect the net remaining amount of your claims.

If you rely on the City's List of Claims, it is your responsibility to determine that the claim is accurately listed in the List of Claims. However, you may rely on the enclosed form, which sets forth (a) the amount of your claim (if any) as listed; (b) specifies whether your claim is listed in the List of Claims as disputed, contingent or unliquidated; and (c) identifies whether your claim is listed as a secured, unsecured priority or unsecured nonpriority claim. *If you are the holder of a GO Bond, please note that the List of Claims identifies the City's calculation of the total bond debt by series as of the Filing Date, and the List of Claims does not identify the amount owed to any particular bondholder. If you are a holder of a GO Bond, the amount listed by the City in the List of Claims for each series of GO Bonds is provided with your Claim Form.*

As described above, if you agree with the nature, amount and priority of your claim as listed in the City's List of Claims, and if your claim is not described in the Schedules as "disputed," "contingent" or "unliquidated," you do not need to file a proof of claim. Otherwise, or if you decide to file a proof of claim, you must do so before the applicable Bar Date in accordance with the procedures set forth in this Notice. **[Note: This Section 8 is for the service version, not the publication version, of this Notice.]**

## **SECTION 9 — RESERVATION OF RIGHTS**

### **SUMMARY**

- Section 9 explains that the City has the right to "object" to any claim you may file.
- This means that the City can challenge your claim in Court. If the City challenges your claim, you will be notified.

The City reserves the right to (a) dispute, or to assert offsets or defenses against, any filed claim or any claim listed or reflected in the List of Claims as to nature, amount, liability, priority, classification or otherwise; (b) subsequently designate any listed claim as disputed, contingent or unliquidated; and (c) otherwise amend or supplement the List of Claims. Nothing contained in this Notice shall preclude the City from objecting to any claim, whether listed or filed, on any grounds. Nothing herein or in the Bar Date Order limits, or is intended to limit, any claimant's rights to defend against any objection.

## **SECTION 10 — ADDITIONAL INFORMATION**

### **SUMMARY**

- Section 10 explains how you can get more information.

**INSTRUCTIONS FOR PROOF OF CLAIM FORM**

*The instructions and definitions below are general explanations of the law. In certain circumstances, exceptions to these general rules may apply.*

**Items to be completed in Proof of Claim form****Court, Name of Debtor, and Case Number:**

For the convenience of creditors, the Court, Name of Debtor and Case Number already have been completed on this modified proof of claim form.

**Creditor's Name and Address:**

Fill in the name of the person or entity asserting a claim and the name and address of the person who should receive notices issued during the bankruptcy case. A separate space is provided for the payment address if it differs from the notice address. The creditor has a continuing obligation to keep the court informed of its current address. See Federal Rule of Bankruptcy Procedure (FRBP) 2002(g).

**1. Amount of Claim as of Date Case Filed:**

State the total amount owed to the creditor on the date of the bankruptcy filing. Follow the instructions concerning whether to complete items 4 and 5. Check the box if interest or other charges are included in the claim.

**2. Basis for Claim:**

State the type of debt or how it was incurred. Examples include goods sold, money loaned, services performed, personal injury/wrongful death, car loan, mortgage note, and credit card. If the claim is based on delivering health care goods or services, limit the disclosure of the goods or services so as to avoid embarrassment or the disclosure of confidential health care information. You may be required to provide additional disclosure if an interested party objects to the claim.

**3. Last Four Digits of Any Number by Which Creditor Identifies Debtor:** State only the last four digits of the debtor's account or other number used by the creditor to identify the debtor.

**3a. Debtor May Have Scheduled Account As:**

Report a change in the creditor's name, a transferred claim, or any other information that clarifies a difference between this proof of claim and the claim as listed by the debtor on the Second Amended List of Creditors and Claims, Pursuant to Sections 924 and 925 of the Bankruptcy Code (Docket No. 1059), as it may be amended or supplemented from time to time.

**4. Secured Claim:**

Check whether the claim is fully or partially secured. Skip this section if the claim is entirely unsecured. (See Definitions.) If the claim is secured, check the box for the nature and

value of property that secures the claim, attach copies of lien documentation, and state, as of the date of the bankruptcy filing, the annual interest rate (and whether it is fixed or variable), and the amount past due on the claim.

**5. Amount of Claim Entitled to Priority as a Administrative Expense Under 11 U.S.C. §§ 503(b)(9) and 507(a)(2).**

If any portion of the claim is entitled to priority under U.S.C. §§ 503(b)(9) and 507(a)(2), state the amount entitled to priority. (See Definitions.) A claim may be partly priority and partly non-priority.

**6. Credits:**

An authorized signature on this proof of claim serves as an acknowledgment that when calculating the amount of the claim, the creditor gave the debtor credit for any payments received toward the debt.

**7. Documents:**

Attach redacted copies of any documents that show the debt exists and a lien secures the debt. You must also attach copies of documents that evidence perfection of any security interest and documents required by FRBP 3001(c) for claims based on an open-end or revolving consumer credit agreement. You may also attach a summary in addition to the documents themselves. FRBP 3001(c) and (d). If the claim is based on delivering health care goods or services, limit disclosing confidential health care information. Do not send original documents, as attachments may be destroyed after scanning.

**8. Date and Signature:**

The individual completing this proof of claim must sign and date it. FRBP 9011. If the claim is filed electronically, FRBP 5005(a)(2) authorizes courts to establish local rules specifying what constitutes a signature. If you sign this form, you declare under penalty of perjury that the information provided is true and correct to the best of your knowledge, information, and reasonable belief. Your signature is also a certification that the claim meets the requirements of FRBP 9011(b). Whether the claim is filed electronically or in person, if your name is on the signature line, you are responsible for the declaration. Print the name and title, if any, of the creditor or other person authorized to file this claim. State the filer's address and telephone number if it differs from the address given on the top of the form for purposes of receiving notices. If the claim is filed by an authorized agent, provide both the name of the individual filing the claim and the name of the agent. If the authorized agent is a servicer, identify the corporate servicer as the company. Criminal penalties apply for making a false statement on a proof of claim.

**DEFINITIONS****Debtor**

A debtor is the person, corporation, or other entity that has filed a bankruptcy case.

**Creditor**

A creditor is a person, corporation, or other entity to whom debtor owes a debt that was incurred before the date of the bankruptcy filing. See 11 U.S.C. §101 (10).

**Claim**

A claim is the creditor's right to receive payment for a debt owed by the debtor on the date of the bankruptcy filing. See 11 U.S.C. §101 (5). A claim may be secured or unsecured.

**Proof of Claim**

A proof of claim is a form used by the creditor to indicate the amount of the debt owed by the debtor on the date of the bankruptcy filing. The creditor must file the form by sending or delivering the form to one of the addresses provided below.

**Secured Claim Under 11 U.S.C. § 506 (a)**

A secured claim is one backed by a lien on property of the debtor. The claim is secured so long as the creditor has the right to be paid from the property prior to other creditors. The amount of the secured claim cannot exceed the value of the property. Any amount owed to the creditor in excess of the value of the property is an unsecured claim. Examples of liens on property include a mortgage on real estate or a security interest in a car. A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In some states, a court judgment is a lien.

A claim also may be secured if the creditor owes the debtor money (has a right to setoff).

**Unsecured Claim**

An unsecured claim is one that does not meet the requirements of a secured claim. A claim may be partly

unsecured if the amount of the claim exceeds the value of the property on which the creditor has a lien.

**Claim Entitled to Priority as an Administrative Expense Under 11 U.S.C. §§ 503(b)(9) and 507(a)(2)**

Priority claims are certain categories of unsecured claims that are paid from the available money or property in a bankruptcy case before other unsecured claims. In a chapter 9 case, 11 U.S.C. § 503(b)(9) may provide priority status to claims for "the value of goods received by the debtor within 20 days before the date of commencement of a case ... in which the goods have been sold to the debtor in the ordinary course of such debtor's business." 11 U.S.C. § 503(b)(9).

Pursuant to 11 U.S.C. § 901(a), the priorities accorded certain claims under 11 U.S.C. § 507(a)(1) and (a)(3-10) are inapplicable in a chapter 9 case.

**Redacted**

A document has been redacted when the person filing it has masked, edited out, or otherwise deleted, certain information. A creditor must show only the last four digits of any social-security, individual's tax identification, or financial-account number, only the initials of a minor's name, and only the year of any person's date of birth. If the claim is based on the delivery of health care goods or services, limit the disclosure of the goods or services so as to avoid embarrassment or the disclosure of confidential health care information.

**Evidence of Perfection**

Evidence of perfection may include a mortgage, lien, certificate of title, financing statement, or other document showing that the lien has been filed or recorded.

**INFORMATION****Acknowledgment of Filing of Claim**

To receive acknowledgment of your filing, you may either enclose a stamped self-addressed envelope and a copy of this proof of claim or you may view a list of filed claims in this case by visiting the Claims and Noticing Agent's website at <http://www.kccllc.net/Detroit>

**Offers to Purchase a Claim**

Certain entities are in the business of purchasing claims for an amount less than the face value of the claims. One or more of these entities may contact the creditor and offer to purchase the claim. Some of the written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court or the debtor. The creditor has no obligation to sell its claim. However, if the creditor decides to sell its claim, any transfer of such claim is subject to FRBP 3001(e), any applicable provisions of the Bankruptcy Code (11 U.S.C. § 101 *et seq.*), and any applicable orders of the bankruptcy court.

**Addendum to the Proof of Claim of  
Michigan AFSCME Council 25, and its affiliated Locals of the City of Detroit**

This proof of claim (the "Claim") is for all claims due to Michigan AFSCME Council 25 and its affiliated Locals within the City of Detroit (the "Claimant"), and its members, and former members/retirees (or future retirees with pension or other post-employment benefit obligations vested prior to the City of Detroit's (the "City") bankruptcy filing), relating to:

(i) unfunded or underfunded pension obligations (including annuity savings fund obligations) owed with respect to the City's General Retirement System (the "Pension Obligations"),

(ii) other unfunded or underfunded post-employment benefit obligations (the "OPEB Obligations", including obligations owed with respect to the City's Health and Life Insurance Benefit Plan and/or the Supplemental Death Benefit Plan and/or other non-pension post-employment welfare benefits, including unfunded actuarially accrued liabilities),

(iii) grievances and other disputes under the various union contracts, the City Employment Terms or other contractual obligations,

(iv) monies owed for violations of local, state or federal law, unfair labor practice charges,

(v) monies owed due to uncompensated services performed,

(vi) any other claims which arose before July 18, 2013.

**The calculated aggregate amount owed pursuant to these claims amount to not less than \$8,718,697,854.82.** The not less than **\$8,718,697,854.82** amount asserted in this Claim consists of several separate claims.<sup>1</sup> (See attachment)

---

<sup>1</sup> The amount set forth in this Claim are estimates based on data provided to Claimant by the City, Collective Bargaining Agreements, the City's General Retirement System and other third

On November 21, 2013, the Court entered its order establishing bar dates for filing proofs of claim and approving the form and manner of notice thereof [Docket No. 1782] (the "Bar Date Order") establishing February 21, 2014 at 4:00 p.m. Eastern Time as the general claims bar date for filing proofs of claim in this case. While individuals or entities holding claims for, *inter alia*, Pension Obligations and OPEB Obligations were not required to file proofs of claim pursuant to the Bar Date Order, as the City has not (to date) determined how the claims for Pension Obligations and/or OPEB Obligations will be asserted and/or allowed, portions of this claim are in reference to Pension Obligations and OPEB Obligations as a protective measure.

As the documents supporting this Claim – including without limitation the relevant statutes, charter and ordinances, collective bargaining agreements, City Employment Terms, grievances, arbitration awards, unfair labor practice charges, the books and records of the City and its General Retirement System, and the City's communications with its employees and retirees – are voluminous, they are not attached to this Claim. Copies of the relevant documents supporting this Claim are or should be, upon information and belief, in the possession of the City.

Claimant expressly reserves the right to amend this Claim to re-characterize or further characterize all or any portion of these claims as administrative expenses or priority claims or to include such modifications, deletions or additions as may be just and proper.

Pursuant to the Bar Date Order, individual members of AFSCME Council 25, its affiliated Locals, and the Coalition of Unions have a right to file a proof of claim on their own

---

parties. Claimant reserves the right to amend this Claim to include updated data, any appropriate changes in applicable actuarial assumptions which serve as the basis for the calculations of the amounts set forth herein, and any appropriate updates for Claimant's members or former Claimant members who have or may become eligible in the future for pension benefits but whose data was not included in the herein calculations.

behalf. Thus, Claimant reserves the right for other units or individual members to file proof of claims in addition to this claim. Claimant has put forth a good faith effort to provide an exhaustive list of all outstanding claims while avoiding duplicative filings; any unnecessary duplication is not intentional and will be resolved.

The filing of this Proof of Claim is not and should not be deemed a waiver of any Claimant's challenge to the legal validity of this bankruptcy or any legal claims relating to the bankruptcy and/or Detroit's assets. Furthermore, this Claim shall not be deemed or construed to be a waiver of the rights of the Claimant (1) to have final orders with respect to non-core matters entered only after *de novo* review by the United States District Court, (2) to trial by jury in any proceeding so triable in these cases or any case, controversy, or proceeding related to these cases, (3) to have the United States District Court withdraw the reference in any matter subject to mandatory or discretionary withdrawal, (4) to assert any other rights, claims, actions, setoff or recoupments to which the Claimant is or may be entitled in law or in equity, all of which rights, claims, actions, defenses, setoffs, and recoupment the Claimant expressly reserves, and (5) to assert any and all rights or claims against others jointly or severally liable for the sums claimed herein.

# EXHIBIT 1 TO MICHIGAN AFSCME COUNCIL 25 PROOF OF CLAIM

<u>ISSUE NAME</u>	<u>DESCRIPTION</u>
Underfunded pension and post employment benefit obligations	Based upon data from the City and elsewhere, it is projected that the pension and health care obligations of the City's active employees and retirees amounts, in total, to no less than \$8.1 billion dollars.
Violations of local, state or federal law	Claimant asserts any and all claims arising from or related to every City breach of local, state or federal law, the orders of the Emergency Manager, or any other failure of the City or its agents to fulfill such legal obligations, to Claimant or its present or former members. This applies to legal violations impacting present or former union members for injury which has been, is presently or will be realized in the future. This applies whether or not such violations are identified herein.
Refusal to bargain AFSCME Local 1023: MERC Case Number D13 C-0331	AFSCME Local 1023 is a public safety local, and therefore its bargaining disputes must be resolved with binding arbitration pursuant to state law, if so requested by a negotiating party. The state labor board, in another case, ruled that 2012 Public Act 436 denied binding arbitration to public safety locals. AFSCME Local 1023 was not a party to that case and filed its own request for negotiation assistance with the state labor board. Local 1023 maintains a claim for the City's unilateral imposition of employment conditions, prior to binding arbitration, and contends that the state labor board interpreted Public Act 436 in error (by, for instance, not properly accounting for the other state law which requires binding arbitration).
Local 207, 2394 and 2920 DWSD refusal to bargain / Case Number C13 D-069	AFSCME water department locals were refused the opportunity to bargain a new contract, and incurred illegal changes in employment conditions.
Imposition of furloughs days in February 2013	In February 2013, the City unilaterally imposed furlough days, in violation of its obligation to bargain with its unions. The City required employees to take unpaid days off work at least twice per month. These furlough days were realized through the bulk of the 2013 calendar year, causing significant losses in wages and benefits that would have been earned or accrued during the lost time.
Detroit refusal to bargain concerning Transportation Locals: Case Number C12 H-157	The City has committed to bargain with AFSCME Locals 214 and 312. The members of these Locals work in the Detroit Department of Transportation. These locals, however, are part of a city-wide bargaining unit, as determined by Michigan courts. By refusing to bargain with the entire bargaining unit, but only select portions of the bargaining unit, the City is violating state labor law. Any changes in employment conditions realized by the entire unit – due to the City's failure to bargain – represent a claim.

AFSCME Council 25 (13th check ULP). MERC Case No. C12-E-092	On about November 30, 2011, the City passed an ordinance which curtailed payments into employee annuity accounts and stopped "13 <sup>th</sup> checks" being paid to retirees. By applying this change to union-negotiated benefits, the City violated state labor laws, by ignoring its bargaining obligation and repudiating its contractual obligations. An administrative law judge recommended a finding in favor of the Unions and estimated the award to be as high as \$174,000,000.
City of Detroit 2012 negotiations and implementation with Coalition: MERC Case No. C12 D-065, C12 F-125, C13 G-129	Following the negotiation of a Coalition tentative agreement in February 2012, the City violated state labor laws by refusing to execute that contract but illegally imposing other terms and conditions of employment. This includes wage and benefit concessions for all AFSCME members, which remain in existence today. The reader is referred to the Coalition of Detroit Unions Proof Of Claim, addressing the losses discussed therein. AFSCME's share of the Coalition proof of claim amount is in the range of 60% - 70%.
Violation of Privatization Ordinance	The City has repeatedly violated the City's Privatization Ordinance, prior to letting contracts to vendors to perform work normally performed by unionized employees. These claims are held by individual members of the Unions, as opposed to the union itself. Nonetheless, the claims seek all relief available to the employees under the law.
City of Detroit/DFFA/MERC: MERC Case No. C11 K-201	The union filed an unfair labor practice charge concerning removal of work from the applicable bargaining unit. This change impacted the employees who had previously performed the work.
City of Detroit longevity claim for AFSCME employees: Claim number 12-000522 and 12-000523; Wayne County Circuit Court Number 13-003430-AA	Under the 2005-2008 AFSCME union contract, employees had received a yearly payment, in December, based upon the number of hours they worked since the previous December; receiving the full longevity payment for hitting 1600 hours. Effective October 2010, the City imposed new contract terms on AFSCME employees, which removed the longevity pay. However, many AFSCME members had already worked the 1600 hours since the December 2009, entitling them to full longevity pay. Further, for members who had worked less than the 1600 hour threshold, they were entitled to prorated longevity payments for hours worked in each month during that year. The City refused any AFSCME members longevity pay, despite the clear contractual obligation. AFSCME members filed claims with the state for this payment, and the City challenged the payments. The claims were initially denied by the administrative law judge, and placed on appeal before Wayne County Circuit Court.

Negotiation of Local 542 supplemental agreement: MERC Case Number C07 L-033	MERC ruled that the City was obligated to negotiate a supplemental bargaining agreement with Local 542. Failure of the City to do so caused financial harm to members of this bargaining unit.
Detroit & SEMHA: MERC Case No. C05 H-194	The charge was filed to protest the layoff of four individuals from the Detroit Health Department and rehiring of them by a Detroit contractor, to perform the same work. The charge alleged a violation of state labor law. In the process of the hearing (despite repeated appeals, ancillary litigation and cancelations), the Union learned of other positions for which this occurred. The charge sought back pay and benefits for those impacted employees. The Union lost dues for those laid off members as well.
	Grievance Claims
Breach of contract claims	Claimant asserts any and all claims arising from or related to every City breach of the Council 25 Master Agreement, local supplemental agreements, Council or local memoranda or letters of understanding, the imposed City Employment Terms, the orders of the Emergency Manager, or any other failure of the City or its agents to perform any contractual obligation to the Claimant or its present or former members. This applies to breaches impacting present or former union members for injury which has been, is presently or will be realized in the future. This applies to all such breaches, whether or not listed specifically herein.
Exhibit 2 Listing of Specific Grievances	Exhibit 2, attached to this Proof Of Claim, contains a listing of a number of specific grievances filed by AFSCME Council 25 local unions. While this is intended to be a list of all active grievances currently in existence, derived after diligent search, Claimant reserves the right to add to or otherwise modify the list of grievances, or the description of any grievance listed therein.
City of Detroit/Human Services department: Grievance No. 25-01-12 / COA: 12-0077708-CL	In July and October, 2012, approximately 174 AFSCME Locals 1642 and 457 members, working at the Detroit Health Department and Workforce Development Department, were permanently laid off and replaced with employees from third party companies. The arbitrator found the City's actions to be in violation of the union contract, and awarded back pay and benefits to the members. The arbitrator's decision, confirmed by Circuit Court, is now on appeal.
City of Detroit Retirees Health Care: Grievance No. C10 A-025	In 2006, the City changed retiree health care benefits, requiring retirees to incur greater cost for health care. AFSCME filed a grievance on behalf of all AFSCME retirees (approximately 6,000), because the changes violated specific provisions of the union contracts under which the employees retired.
Payroll disputes	Repeatedly, the City of Detroit payroll system will not issue correct amounts of pay or benefits on payroll checks of AFSCME members. This problem has escalated over the years, resulting in significant losses of money and benefits for AFSCME members.

Detroit Service and Maintenance Outsourcing in Downtown Detroit: Grievance Number C09-078	In 2009, the City reduced the overtime of AFSCME members, due to work performed by private contractors, in the downtown Detroit area. This violation of Article 19 of the AFSCME Master Agreement continued for years after the fact. The violations impacted 40-60 employees throughout the period.
Tree Artisan failure to secure license: Grievance Number 727May08	Tree artisan employees in the AFSCME bargaining unit were discharged. The grievance was granted in that the City was required to pay for training and restore seniority to some employees. To the extent these benefits were not awarded, those employees have claims.
<b>TOTAL CLAIM AMOUNT</b>	<b>Not less than \$8,718,697,854.82 (estimated)</b>

Now comes Michigan AFSCME Council 25 and its affiliated Detroit Locals, with this response to the Objection of the City of Detroit (Docket No. 4876), filed pursuant to Sections 105 and 502(b) of title 11 of the United States Code (the “Bankruptcy Code”), and the Federal Rules of Bankruptcy Procedure Local Rules of the Bankruptcy Court of the Eastern District of Michigan (the “Local Rules”), concerning proof of claim number 2958 (“Claim”) filed by said Coalition, and states as follows:

**I. INTRODUCTION**

Michigan AFSCME Council 25 and its affiliated Detroit Locals (AFSCME) have filed proof of claim number 2858 (AFSCME Claim), alleging varied sources of liability. The City of Detroit objects generally, due to purported lack of legal

merit or duplication of claims. The objections are not specific about any particular element of the Claim, but make broad brush observations.

AFSCME concurs that continued efforts at resolution between the parties is in order. It is true that a number of the grievances addressed in the Claim have been resolved in principle, with signed agreements forthcoming. It is also true that certain aspects of the asserted damages within the Claim are duplicated within the City's proposed plan of adjustment; the proof of claim as filed on February 21, 2014 could not have accounted for subsequent developments in the bankruptcy litigation. AFSCME disagrees, however, that the Claim is without merit. Thus, resolution efforts amongst the parties should establish all aspects of the Claim still left in dispute.

With its Objections, the City has sought to treat the October 1, 2014 hearing date (Docket No. 5454) as a pre-hearing conference, because the volume of disputes within the Claim prevents "a typical claim objection proceeding." AFSCME concurs with this suggestion. Even more, AFSCME suggests that disputed aspects of the Claim be placed before a labor arbitrator for his/her assessment of the merit and value of the claims.

Nonetheless, below AFSCME reviews the legal merit of its claims.<sup>1</sup>

## **II. EVIDENCE AND ARGUMENT TO BE PRESENTED REGARDING THE PROOFS OF CLAIM**

### **A. Refusal to bargain AFSCME Local 1023: MERC Case Number D13 C-0331**

AFSCME Local 1023 is a union which represents emergency service operators (911 operators) for the City of Detroit Police Department. As a “public safety” union (representing public safety employees), the local resolves its disputes in negotiating a new union contract with the City through “binding arbitration”; where a neutral third party decides on the provisions to be contained within a union contract.<sup>2</sup> This statute is commonly known as “Act 312”, MCLA §§ 423.231-423.247. Importantly, Act 312 is a separate statute from the Public Employment Relation Act, MCLA §§ 423.201-423.217. Under Act 312, either the union or employer may initiate a binding arbitration proceeding. MCLA § 423.233.

On March 16, 2011, the state of Michigan passed Public Act 4 – the emergency manager law.<sup>3</sup> Among other things, this statute permitted a public employer, in certain conditions, to avoid compliance with one section of PERA, MCLA § 423.215(1). MCL § 141.1514a(10) (no duty to comply thirty days after a consent agreement is executed); MCL § 141.1526(3) (no duty to comply where the

<sup>2</sup> Technically, Act 312 sets up a three-person panel of arbitrators to rule on pending disputes in contract negotiations. The union and employer each select a panel member, and the chair of the panel is the neutral arbitrator. MCLA § 423.235

<sup>3</sup> The Local Government and School District Fiscal Accountability Act.

local government is placed in receivership). Section 215(1) obligates the employer to bargain with its unions. On April 10, 2012, the City's consent agreement with the state became effective, thus the City was no longer subject to Section 215(1) of PERA as of May 10, 2012. In November 2012, Public Act 4 was rejected by a state-wide vote of Michigan's citizenry. On December 26, 2012, Public Act 436 (MCLA §§ 141.1541-141.1575) was passed, and made effective March 28, 2013.<sup>4</sup> Public Act 436 also contains similar provisions alleviating a public employer from complying with Section 215(1).

On March 12, 2013, AFSCME Local 1023 requested MERC mediation to assist in negotiations (*Exhibit 1*) and made a written request to bargain a new contract to the City. (*Exhibit 1*) After the effective date of Public Act 436, on April 3, 2013, the City responded by refusing to bargain with the Local, citing to Public Act 436 and the fact that the City was under receivership. (*Exhibit 2*) On June 3, 2013, Local 1023 requested binding arbitration under Act 312. (*Exhibit 3*)

In requesting Act 312 arbitration, despite the suspension of Section 215(1), AFSCME took the position that Act 312 – a separate state statute from PERA – mandated the binding arbitration process, irrespective of the Public Act 436 and its

---

<sup>4</sup> Between the November 2012 repeal of Public Act 4 and the March 28, 2013 effective date of Public Act 436, the “emergency manager” law in effect in Michigan was a 1990 statute commonly known as Public Act 72.

reference to Section 215(1) of PERA. The City took the position that PA 436 obviated its Act 312 obligation to participate in binding arbitration.

In a proceeding with other public safety Detroit unions, the MERC issued a split decision that public safety unions of employers placed in receivership, under PA 436, are not eligible for Act 312. *City of Detroit*, 27 MPER ¶ 6 (2013) Thus, on June 21, 2013, MERC's staff ordered that AFSCME Local 1023's Act 312 petition was being dismissed administratively, based upon the June 14<sup>th</sup> decision of the MERC in other Detroit public safety unions. (*Exhibit 4*)

For its Claim, AFSCME contends that this decision was in error. The Act 312 statute is clear as to how a union establishes eligibility for participation in binding arbitration:

“Whenever in the course of mediation of a public police or fire department employee's dispute, except a dispute concerning the interpretation or application of an existing agreement (a “grievance” dispute), the dispute has not been resolved to the agreement of both parties within 30 days of the submission of the dispute to mediation, or within such further additional periods to which the parties may agree, the employees or employer may initiate binding arbitration proceedings by prompt request therefor, in writing, to the other, with copy to the employment relations commission.

MCLA § 423.233. The Act continues by mandating what the parties must do in the furtherance of binding arbitration: Section 234 (the parties “shall” choose a panel member within 10 days), Section 235 (MERC “shall” select a neutral arbitrator within 7 days of the request for arbitration), Section 236 (the arbitrator “shall” call and begin the hearing within 15 days after appointment), Section 240

(the decision of the arbitrator “shall” be final and binding, “if supported by competent, material, and substantial evidence on the whole record ...”).

Importantly, the statute prohibits the employer (and union) from changing employment terms during the pendency of the Act 312 proceeding:

“During the pendency of proceedings before the arbitration panel, existing wages, hours and other conditions of employment shall not be changed by action of either party without the consent of the other but a party may so consent without prejudice to his rights or position under this act.”

MCLA § 423.243. Thus, according to the statute, the City cannot unilaterally implement employment terms (i.e., CET) on a party which has sought binding arbitration under Act 312.

The requirements to engage in Act 312 proceedings are contained within the statute. A request in writing is the chief requirement. The Commission has confirmed that Appellant here made such a request. (*Exhibit 4*) MERC’s opinion in *City of Detroit*, 27 MPER ¶ 6 (2013) relied on the fact that the duty to bargain in PERA – as referenced in another statute – was no longer present. However, there is no need for the duty to bargain within PERA to exist, in order for Act 312 to be operative. Indeed, the above-quoted Section 240 of Act 312 outlines that statute’s self-contained duty to bargain. The employment conditions “shall not be changed by action of either party” without “consent of the other [party]”; stated another way, without bargaining to agreement. The duty to bargain within Act 312 is actually stronger than the duty to bargain within PERA. An employer under PERA

is allowed to make adjustments in employment conditions after bargaining with the union to a state of “impasse”. Under Act 312, however, even reaching impasse does not permit the employer to change employment conditions without agreement of the union.

Act 312 is supplementary to PERA. However, the state legislature clearly expressed its will of maintaining the employer’s obligations to comply with Act 312 – even *vis-a-vis* the emergency manager law. The legislature amended Act 312 with 2011 Public Act 116, during the same legislative session in which it passed the initial emergency manager law – PA 4. In doing so, the legislature did not exempt governments subject to PA 4 from applicability to Act 312. This fact demonstrates a willingness of the legislature to permit Act 312 proceedings to continue, even in the event of an emergency manager being appointed. Act 312 contains certain exemptions from the Act. It defines the employees who may utilize the act and exempts certain groups. It also clarifies that the Act does not apply to “persons employed by a private emergency medical service company who work under a contract with a governmental unit ...” or administrative or supporting employees working in emergency medical services. MCLA § 423.233. The legislature could have easily exempted employees who work for governments subject to PA 4 in Section 233; it did not. *Expressio unius est exclusio alterius*.<sup>5</sup>

---

<sup>5</sup> The express mention in a statute of one thing implies the exclusion of other

Even more, explicit language of the 2011 amendments to Act 312 acknowledges that public employers under an emergency manager will still be obligated to participate in Act 312 proceedings. Under 2011 PA 116, The legislature adopted certain factors that the arbitration panel must consider in reaching a final decision. One of those factors is: “Any law of this state or any directive issued under the local government and school district fiscal accountability act, **2011 PA 4**, MCL 141.1501 to 141.1531, that places limitations on a unit of government’s expenditures or revenue collection.” MCLA § 423.239(1)(a)(iv)(**emphasis** added). Thus, the state legislature clearly contemplated Act 312 when it drafted the PA 4. Nowhere in PA 116 are localities under an emergency manager not obligated to comply with Act 312. Instead, the arbitration panel is merely supposed to include “limitations . . . [on] expenditures or revenue collection” – due to the application of the emergency manager law – as a factor in reaching a decision. Hence, the interpretation of Act 436 to exempt governments in receivership altogether creates a clear conflict with the amended Act 312, and makes the above-quoted Section 9(1)(a)(iv) completely superfluous.

The Legislature is presumed to be aware of all existing statutes when enacting a new statute. *Cameron v. Auto Club Ins Ass’n.*, 263 Mich. App. 95, 98 (2004). Statutes that appear to conflict should be read together and reconciled, if similar things.” *Bradley v. Saranac Community Schools Bd. of Ed.*, 455 Mich. 285, 298 (1997).

possible. *World Book, Inc. v. Dep't. of Treasury*, 459 Mich. 403, 416 (1999). When two statutes lend themselves to an interpretation that avoids conflict, that interpretation should control. *Jackson Community College v. Dep't. of Treasury*, 241 Mich. App. 673, 681 (2000). The interpretation should give effect to each statute “without repugnancy, absurdity, or unreasonableness.” *Livonia Hotel, LLC v. City of Livonia*, 259 Mich. App. 116, 131 (2003), quoting *Michigan Humane Society v. Natural Resources Comm.*, 158 Mich. App. 393, 401 (1987). Here, MERC’s ruling nullifies Act 312, in violation of these doctrines.

For these and other reasons, Claimant contends that MERC erred in dismissing its Act 312 petition and denying that local binding arbitration. As a result of this dismissal, the City imposed significant wage and benefit concessions upon the Local 1023 membership.

**B. Local 207, 2394 and 2920 DWSD refusal to bargain / Case Number C13 D-069**

AFSCME represents three locals within the City of Detroit Water and Sewerage Department; Locals 207, 2920 and 2934. Prior to the time the City was no longer subject to Section 215(1) of PERA, due to the City being place in receivership, the AFSCME unions sought to bargain a new union contract. AFSCME was unable to secure contracts for all three locals due to the City’s bad faith bargaining. This Claim seeks damages due to the City’s illegal conduct.

### **C. Imposition of furloughs days in February 2013**

In February 2013, the City unilaterally imposed furlough days requiring City employees to take unpaid days off work at least twice per month. (*Exhibit 5*) These furlough days represented a 10% loss in income for those employees placed on furlough. Since most civilian employees had already incurred a 10% loss in base pay, this change brought the total loss in income for these employees to 20%.

As described in the Response to Objections filed by the Coalition of Detroit Unions (filed September 1, 2014 and responding to Docket No. 4874), during the period between November 2012 and May 10, 2013, the City's continued obligation with its unions before unilateral change in employment conditions is beyond dispute. The evidence will reveal that in this instance, the City failed to bargain to impasse prior to imposing the additional furlough days. Thus, the imposition violated PERA. The imposition lasted nearly one year for hundreds of furloughed employees. The damages associated with this element of the Claim are the financial losses so incurred.

### **D. Detroit refusal to bargain concerning Transportation Locals: Case Number C12 H-157**

AFSCME represents two locals within the City Department of Transportation, Locals 214 and 312. The City has refrained from imposing employment conditions on these two locals in the same manner it imposes employment conditions on other employees. This is because the federal

government provides funding for transportation departments of municipalities, released pursuant to the Federal Transit Act, 49 U.S.C. 5333(b) (aka “13(c)”). Under that federal statute, the municipality in receipt of federal funds is obligated to bargain with its unionized employees in good faith. Thus, the City has entered into a 13(c) protective agreement with AFSCME and its two locals.

These locals, however, are part of a city-wide bargaining unit, as determined by Michigan courts. AFSCME Council 25 Detroit locals have been considered one bargaining unit throughout the City. *Michigan Ass’n of Public Employees v. Michigan AFSCME Council 25*, 172 Mich. App. 761 (1988) As such, the changes made to the non-DDOT locals were improper, in that they represented the City severing the city-wide bargaining unit.

**E. AFSCME Council 25 (13th check ULP). MERC Case No. C12-E-092**

On about November 30, 2011, the City passed an ordinance which limited payments into employee annuity accounts and stopped “13<sup>th</sup> checks” being paid to retirees. By applying this change to union-represented employees and concerning union-negotiated contractual benefits for retirees, the City violated state labor laws. By making these changes, the City ignored its bargaining obligation and repudiated its contractual obligations. AFSCME filed a charge contesting the changes. (*Exhibit 6*)

In February 2013, Administrative Law Judge (“ALJ”) Doyle O’Connor of the Michigan Employment Relations Commission (“MERC”) heard oral argument on AFSCME’s motion for partial summary disposition. Following this Honorable Court’s authorization via modification of the automatic stay, on October 4, 2013, ALJ O’Connor issued his Decision and Recommended Order (DRO) granting the AFSCME motion for summary disposition. (*Exhibit 7*) ALJ O’Connor’s DRO “restore[s] to the Pension Board” of the Detroit General Retirement System “the discretion previously exercised . . . regarding [distribution of annual] excess earnings” of GRS to “affected retirement plan participants” and explicitly orders that these participants “be made whole by the City to the extent that there is any practical impediment to the Pension Board making those participants whole otherwise.” (*Exhibit 7*, pg 24)

In his order, ALJ O’Connor considered the losses realized during the 2011 and 2012 years as the damages in the charge. After that point, the City was under PA 436 and, therefore, the City could make such a change unilaterally. (*Exhibit 7*, pg 18) The ALJ also indicated that the proceedings had not developed to the point where a dollar figure could be conclusively ascertained as to the value of the award. He nonetheless stated the award could be as high as \$174,000,000. (Id)

**F. City of Detroit 2012 negotiations and implementation with Coalition: MERC Case No. C12 D-065, C12 F-125, C13 G-129**

Following the negotiation of a Coalition tentative agreement in February 2012, the City violated state labor laws by refusing to execute that contract but illegally imposing other terms and conditions of employment. This includes wage and benefit concessions for all AFSCME members, which remain in existence today. The reader is referred to the Coalition of Detroit Unions proof of claim, the Coalition response (filed September 1, 2014) to the City Objections to the Coalition proof of claim. (Docket No. 4874) The AFSCME claim represents a share of the Coalition claim, as AFSCME is a member of the Coalition.

**G. Violation of Privatization Ordinance**

The City of Detroit is a home rule city and is governed by its Charter. In 1997, the citizens of Detroit voted to have a Privatization Ordinance, when it approved the City of Detroit City Charter. The Charter included Section 6-307, which contained provisions requiring the City Council (“Council”) to adopt an ordinance establishing procedures for the letting of work to private entities that would displace regularly employed city workers. This Charter provision was adopted by the voters of the City of Detroit.

On March 31, 2004 the City Council of the City of Detroit (“City”) exercising its proprietary function adopted Ordinance No. 13-04, City Code Section 18-5-100 et seq., to govern the process of hiring entities to perform

services for the City of Detroit, which are performed by individuals employed by the City. Prior to hiring a vendor to perform services performed by City employees, there are various steps which must be completed to provide transparency and properly allow for the existing city employees to actively participate in the bidding process. The Privatization Ordinance requires City Council approval in order to solicit entities for bids, and that the City employees must be provided certain information which will enable them to make a bid. Most notably, the ordinance prohibits the letting of the work without a 2/3 affirmative vote of the City Council.

#### **H. City of Detroit/DFFA/MERC: MERC Case No. C11 K-201**

AFSCME has approximately thirteen (13) members assigned to the Fire Department of the City of Detroit, Apparatus Unit. Beginning May, 2011, AFSCME received notice that members of the Detroit Fire Fighters Association, Local 344 (“DFFA”) were performing the duties performed by the AFSCME membership. In November 2011, AFSCME filed an unfair labor practice charge concerning removal of work from the bargaining unit. (*Exhibit 8*) AFSCME contends that the City illegally removed such work. This element of the claim consists of the lost earnings of the AFSCME members.

**I. City of Detroit longevity claim for AFSCME employees: Claim number 12-000522 and 12-000523; Wayne County Circuit Court Number 13-003430-AA**

Under Article 25 of the 2005-2008 AFSCME collective bargaining agreement (“CBA”), employees who worked a minimum amount of hours received a yearly “longevity payment.” The amount of the payment was based upon the number of years of seniority, starting with \$150 for those who have served for five years and escalating up to a maximum of \$750.

Effective October 2010, the City imposed new contract terms on AFSCME employees, which removed the longevity pay. However, many AFSCME members had already worked the requisite number of hours, entitling them to full longevity pay. Further, the members who had worked less than the hour-threshold for a full longevity payment were entitled to prorated longevity payments for hours worked in each month during that year. Despite the clear contractual obligation, confirmed by City managers at the hearing, the City refused to pay any AFSCME members the longevity pay owed.

AFSCME City of Detroit employees, Dean Story and Rosemarie Haynesworth, and on behalf of all members of the AFSCME union who were entitled to longevity pay in December 2010, filed claims with the state of Michigan’s Department of Licensing and Regulatory Affairs, Wage and Hour Division (“The Division”) for this payment. However, the Division rejected

Plaintiffs' claim. (*Exhibits 9 and 10*) It rationalized that AFSCME had agreed to eliminate the longevity payment as of January 2011, which is accurate. However, the claims were for longevity earned during the prior year, which the employees earned and which AFSCME had not agreed to waive on their behalf.

Presently, the claims are on appeal before Wayne County Circuit Court. (*Exhibit 11*)

**J. Negotiation of Local 542 supplemental agreement: MERC Case Number C07 L-033**

A number of AFSCME locals negotiate “supplemental agreements” with various departments in the City of Detroit. These supplemental agreements, separate and apart from the Master Agreement which most of the AFSCME Detroit Locals negotiate collectively (there are thirteen Detroit Locals which negotiate the Master Agreement), contain provisions unique to that Local and department. AFSCME Local 542 filed an unfair labor practice charge, challenging the City’s failure to negotiate its supplemental agreement.

**K. Detroit & SEMHA: MERC Case No. C05 H-194**

In 2005, AFSCME filed a charge to protest the layoff of four individuals from the Detroit Health Department who were immediately rehired by a Detroit contractor, Southeastern Michigan Health Association (“SEMHA”), to perform the same work. AFSCME alleged that the contractors’ performance of unit work was in violation of PERA, and sought to have these employees placed back into the

AFSCME unit. During the litigation of the charge, AFSCME discovered that there were many other former City employees, who had been replaced as SEMHA employees. After a series of motions to dismiss, motions for reconsideration, subpoena litigation, appeals, hearing delays, etc., the evidentiary hearing has yet to be concluded. The charge seeks back pay and benefits for those impacted employees. Additionally, AFSCME Local 457 lost dues for those laid off members as well and the members who were improperly removed from the Local.

**L. Breach of contract claims**

AFSCME lists a general category of breach of contract claims, including but not limited to grievances. It is believed that a number of the grievances may be resolved in principle, and further discussion will ascertain any remaining grievances or contract claims.

**M. City of Detroit/Human Services department: Grievance No. 25-01-12 / COA: 12-0077708-CL**

In July and October, 2012, approximately 174 AFSCME members, in Locals 1642, 273 and 457 members, were permanently laid off and replaced with employees from third party companies. These employees were employed at the Health Department, the Department of Human Services and the Workforce Development Department for the City of Detroit. AFSCME argued that the City's actions violated language in the parties' collective bargaining agreement ("CBA").

Initially, the issue was arbitrated. Agreeing with AFSCME, the arbitrator found the City's actions to be in violation of the union contract, and awarded back pay and benefits to the members. (*Exhibit 12*) The City refused compliance with the award, requiring AFSCME to seek and secure confirmation of the award in Wayne County Circuit Court. (*Exhibit 13*) The matter is currently in the Court of Appeals.

#### **N. City of Detroit Retirees Health Care: Grievance No. C10 A-025**

In 2006, the City changed retiree health care benefits, requiring retirees to incur greater cost for health care. AFSCME filed a grievance on behalf of all AFSCME retirees (approximately 6,000), because the changes violated specific provisions of the union contracts under which the employees retired. After some advancement of the grievance, the parties decided to hold the grievance in abeyance because the retirees had decided to proceed with the litigation in federal court, *Roots et al., v. City of Detroit*, Case No. 12-12848 (E.D. Mich, Cohn).

#### **O. Payroll disputes**

Repeatedly, the City of Detroit payroll system will not issue correct amounts of pay or benefits on payroll checks of AFSCME members. This problem has escalated over the years, resulting in significant losses of money and benefits for AFSCME members. AFSCME has sought to remedy these discrepancies with the City, however, its efforts have been met with inaction.

**P. Detroit Service and Maintenance Outsourcing in Downtown Detroit: Grievance Number C09-078**

Beginning in 2009 and successively each year thereafter, the City has reduced the overtime of AFSCME members, due to work performed by private contractors, in the downtown Detroit area. This violation of Article 19 of the AFSCME Master Agreement continued for years. The violations impacted 40-60 employees throughout the period and until the termination of the Master Agreement in July 2012. In the dispute, AFSCME relies upon an arbitration decision concerning similar circumstances on Belle Isle in 2008.

**Q. Tree Artisan failure to secure license: Grievance Number 727May08**

Arbitrator George Roumell issued a ruling regarding eleven “tree artisan helpers”, discharged from the AFSCME bargaining unit. The grievance was granted in that the City was required to pay for training and restore seniority to some employees. The remaining controversy involves one employee, Hayward Prather, who was not reinstated. Ultimately, Mr. Prather became employed within the water department approximately two years later. However, he is owed damages for the two year period in which he was wrongfully discharged.

### **III. ARGUMENT**

The Bankruptcy Code broadly defines a “claim” as a “right to payment, whether or not such right is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, legal, equitable, secured, or

unsecured.” 11 U.S.C. § 101(5)(A). Claims also include “a cause of action or right to payment that has not yet accrued or become cognizable.” 2 COLLIER ON BANKRUPTCY ¶ 101.05 at 101-38 (2011).

“Tort claims constitute claims, and thus are payable out of the estate....” Id. ¶ 101.05[6] at 101-49; see also *In re Edge*, 60 B.R. 690, 694 (Bankr. M.D. Tenn. 1986). Claims also include adversarial administrative proceedings. See e.g., *In re Halo Wireless, Inc.*, Nos. 11-42464-btr-11, 3: 11-cv-0058-DCR, 3: 11-cv-0059-DCR; 2012 WL 1190722, at \*2-3 (E.D. Kent. April 9, 2012) Courts give the term “claim” the “broadest possible definition. *In re Lipa*, 433 B.R. 668, 669 (Bankr. E.D. Mich. 2010).

A properly filed proof of claim is prima facie evidence of the validity and amount of the claim. Fed.R.Bankr.P. 3001(f). A claim is deemed allowed unless a party in interest objects. 11 U.S.C. § 502(a). Chapter 9 bankruptcies follow § 502 of the bankruptcy code. Objections may be based upon one of the specific, statutory grounds:

Except as provided in subsection (e)(2), (f), (g), (h) and (i) of this section, if such objection to a claim is made, the court, after notice and a hearing shall determine the amount of such claim in lawful currency of the United States as of the date of the filing of the petition, and shall allow such claim in such amount, except to the extent that –

- (1) such claim is unenforceable against the debtor and property of the debtor, under any agreement or applicable law for a reason other than because such claim is contingent or unmatured;
- (2) such claim is for unmatured interest;
- (3) if such claim is for a tax assessed against property of the estate, such claim exceeds the value of the interest of the estate in such property;
- (4) if such claim is for service of an insider or attorney of the debtor, such claim exceeds the reasonable value of such services;
- (5) such claim is for a debt that is unmatured on the date of the filing of the petition and that is excepted from discharge under section 523(a)(5) of this title;
- (6) if such claim is the claim of a lessor for damages resulting from the termination of a lease of real property...;
- (7) if such claim is the claim of an employee for damages resulting from the termination of an employment contract...;
- (8) such claim results from a reduction, due to late payment, in the amount of an otherwise applicable credit available to the debtor in connection with an employment tax on wages, salaries, or commissions earned from the debtor; or
- (9) proof of such claim is not timely filed....

11 U.S.C. § 502(b).

The party objecting to a proof of claim bears the burden of proof to overcome the prima facie validity of the claim. 4 COLLIER ON BANKRUPTCY ¶ 502.02[3][f] at 502-17. “To defeat the claim, the objector must come forward with sufficient evidence and ‘show facts tending to defeat the claim by probative force equal to that of the allegations of the proofs of claim themselves.’” In re McLaughlin, 320 B.R. 661, 665 (Bankr. N.D. Ohio 2005)(quoting Wright v Holm (In re Holm), 931 F.2d 620, 623 (9th Cir.1991)).

AFSCME contends that the City’s Objection falls short of reaching the necessary burden of proof. The Objection does little more than spell out general

observations in the proof of claim as opposed to specific concerns addressed. The Objections should be overruled.

WHEREFORE, Michigan AFSCME Council 25 respectfully requests that this Honorable Court overrule the City of Detroit's Objections.

RE: City of Detroit Receivership Status and Act 312

Dear Ms. Enright:

As you are no doubt aware, effective March 28, 2013, the City of Detroit ("City") is in receivership status pursuant to 2012 PA 436 ("Act 436").

Act 436 provides, in Section 27 (3) that:

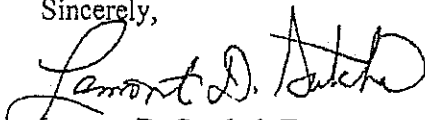

A local government placed in receivership under this act is not subject to section 15(1) of 1947 PA 336, MCL 423.215 for a period of 5 years from the date the local government is placed in receivership or until the time the receivership is terminated, whichever comes first.

In light of the statutory suspension of the duty to bargain under PERA, the City is no longer obligated to participate in collective bargaining, or by extension, Mediation or Act 312 proceedings regarding a successor agreement to [name of union] current Collective Bargaining Agreement ("CBA"), which expires on June 30, 2013. The City therefore will object to, and decline to participate in, such Mediation or Act 312 proceedings or other matters in connection with such proceedings.

The City will continue to abide by the currently effective CBA until its expiration. To the extent any notice of termination is required under the CBA, this letter shall serve as such notice.

The City will honor all currently scheduled meeting dates to discuss, on a consultative basis only, matters of concern to both parties going forward. While the City will not be engaging in traditional PERA collective bargaining, it will seek your organization's input, and provide information regarding the City's position, on relevant matters.

RE: Detroit, City of -and- Michigan AFSCME Council 25  
MERC Case No. D13 C-0331

Greetings Mr. Satchel and Ms. Phillips:

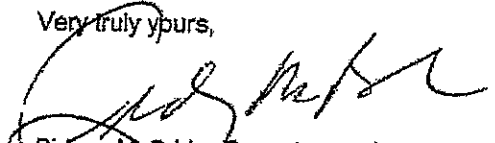

Recently the Michigan Employment Relations Commission issued a ruling that granted an employer's request to dismiss several pending Act 312 matters. Specifically, the employer had declined to participate in Act 312 arbitration, while operating under receivership status with an appointed emergency manager pursuant to 2012 PA 436. (See attached decision involving the City of Detroit.)

In the instant matter, the Union filed a 312 petition on May 31, 2013. However, the Employer has consistently advised all parties as far back as April 18, 2013 that in accordance with its current status in receivership pursuant to 2012 Act 436, it was unwilling to participate in mediation and Act 312 arbitration at this time.

Based on the reasoning set forth by the Commission in dismissing the City of Detroit's Act 312 cases noted above, the petition filed by the Union in this matter has been dismissed administratively.

Should you have any additional questions, feel free to contact me at [mcbrides2@michigan.gov](mailto:mcbrides2@michigan.gov) or 313-456-3417.

RE: Imposition of Budget Required Furlough (BRF) Days

Dear President McNeil:

As you know, the City is in a severe fiscal emergency and faces an impending inability to meet payroll and operational costs if labor costs are not reduced immediately. Our negotiations on this issue with City unions have not uncovered any acceptable alternative to the City's proposed implementation of Budget Required (BRF) days, and therefore the City is compelled to implement BRF days for its workforce at this time to meet immediate cost containment needs. BRF days have already been approved by City Council for non-union Executive and Legislative Branch employees. Accordingly, employees will serve one BRF day on a bi-weekly basis for a one year period, with the specific schedule to be determined by the City. The furloughs will begin for union-represented employees Monday, February 25, 2013.

This is an emergency measure to address an immediate economic crisis, which will not foreclose future negotiations for a new collective bargaining agreement.

Please contact the Labor Relations Division at 224-3860 should you have any questions.

Sincerely,

ATTACHMENT TO AMENDED UNFAIR LABOR PRACTICE CHARGE

Charging Party, AFSCME Council 25 and the Coalition of Detroit Unions alleges that Respondent, City of Detroit, violated the Public Employment Relations Act ("PERA"), Sections 10(1)(a, c, e) and Section 15 in the following manner:

1. The City of Detroit employs approximately 2,600 persons who are public employees and are represented by Michigan AFSCME Council 25. There are approximately 9,000 unionized employees in the City total.

2. The parties AFSCME and the City of Detroit have a collective bargaining agreement, which was in existence from approximately January 2011 through June 30, 2012.

3. The City's actions, described below, constitute repudiation of the AFSCME-City agreement, a violation of the status quo, and constitute a unilateral modification of a mandatory subject of bargaining without bargaining to impasse. It also constitutes a mid-term modification of the AFSCME bargaining agreement.

4. Certain employees have annuity plans with the City, in which either 3%, 5% or 7% of salary is contributed into the plan. As for retirees, they receive a check each month from the Retirement System.

5. Prior to November 30, 2011, if the market performed above 7.9%, this was considered "excess earnings".

6. Prior to November 2011, a portion of these excess earnings were distributed to the active employees' annuity accounts, wherein the active employees would receive an enhanced interest rate of return for that year of excess earnings.

7. Prior to November 2011, a portion of these excess earnings would also be distributed to retirees in the form of a 13<sup>th</sup> check. This 13<sup>th</sup> check would be distributed to retirees toward the end of the year, in addition to their normal pension check.

8. Prior to November 30, 2011, the GRS Board would review the excess earnings of the System in November or December of each year, and make the excess earnings distributions as outlined above.

9. On or about November 30, 2011, the Detroit City Council passed an ordinance requiring that active and retiree participants no longer receive excess earnings. This change eliminated excess earnings being given to active employee annuity accounts in the form of enhanced investments. The change also eliminated the excess earnings being distributed to retired participants, in the form of a "13<sup>th</sup> check".

10. This change in the City ordinance changed the City of Detroit prior language, granting such discretion to the GRS Board in paying out excess earnings. For decades, the GRS Board had paid out excess earnings to active employees via enhanced annuity earnings, and 13<sup>th</sup> checks to retirees. The November 30, 2011 ordinance change ended the past practice.

11. The ordinance change was effective as of December 2011. At that time, the GRS considered that the investment return of the System was higher than 7.9%. However, because of the new Ordinance, the System did not make excess earnings distributions to retirees in the form of a 13<sup>th</sup> check. Also, the System did not grant any annuity accounts of active employees a higher investment return beyond the 7.9%.

12. But for the City Council Ordinance as of November 30, 2011, the current retirees would have received an excess distribution in the form of a 13<sup>th</sup> check. The active employees would have received an excess earnings distribution in the form of enhanced investment return for their annuity account.

13. The changes of paragraphs 9-12 above applied to all City employees, including the City's unionized workforce. Indeed, in the Corporation Counsel's description of the change, she took the position that the ordinance change could be appropriately applied to unionized City employees, regardless of their bargaining relationship.

14. The City did not seek to negotiate this change in the treatment of the investment earnings beyond 7.9% with any City union. Charging Party was presented with this change as a fait accompli. Further, the change was made during the existence of the collective bargaining agreement.

15. The AFSCME bargaining agreement, in Article 47.T., indicates that "[a]ll Retirement and Pension Plan Provisions provided for by the City Charter and Municipal Code are incorporated herein by referral unless otherwise specifically modified by this Agreement and Ordinance 2-93, J.C.C. Page 133." Thus, the previous ordinance which established the past practice of the GRS Board making excess earnings distributions was incorporated into the AFSCME bargaining agreement.

16. By changing the Ordinance, and applying that Ordinance change to the AFSCME membership, the City was violating PERA. As a consequence, active employees are losing both their annuity account investments, as well as the right to a 13<sup>th</sup> check upon their retirement.

17. Charging Party requests that this City apply the language of the previous ordinance to the City's unionized workforce, return the practice of the excess earnings distributions to the annuity accounts and the retiree 13<sup>th</sup> checks, make whole any union employees who suffered a loss as a result of the City's actions, ask that the City post a notice of the violation of the act, and any other relief this Commission deems appropriate.

**DECISION AND RECOMMENDED ORDER**  
**OF ADMINISTRATIVE LAW JUDGE**  
**ON SUMMARY DISPOSITION**

Pursuant to the Public Employment Relations Act (PERA), 1965 PA 379, MCL 423.201, *et seq*, as amended, this case was assigned to Doyle O'Connor, Administrative Law Judge (ALJ) of the Michigan Administrative Hearing System, acting on behalf of the Michigan Employment Relations Commission (MERC). The following findings of fact, conclusions of law, and recommended order are based upon the entire record:

The Unfair Labor Practice Charge:

On May 10, 2012, a Charge was filed in this matter by AFSCME Council 25 (Charging Party) against the City of Detroit (Employer or Respondent). The Charge alleged that the Employer had violated PERA by unilaterally altering an established condition of employment. The Union alleged that the City had adopted an ordinance on November 30, 2011, which materially altered the handling of certain retirement benefits. Specifically, the Charge alleged that the long-standing agreement between the parties was that the annual rate of return on employee

annuity retirement accounts was essentially guaranteed by the City at a rate of 7.9%, with excess earnings flowing directly to employee accounts, and with any shortfalls covered by the City. The Unions asserted that changes implemented pursuant to the new ordinance adversely affected the approximately 2,600 individuals represented by AFSCME. The Union's contract with the City was alleged to have run from January 2011 and to have been set to expire June 30, 2012.

The Charge asserted that the new ordinance change was implemented without bargaining with AFSCME, during the term of an existing contract, and was therefore unlawful. It was asserted, and ultimately not disputed, that the contract expressly provide that "*all retirement and pension plan provisions provided for by the City Charter and Municipal Code are incorporated herein by reference unless otherwise specifically modified by this Agreement and Ordinance 2-93, J.C.C. Page 133*". Under the prior Ordinance, excess pension earnings were allocated by the General Retirement System (GRS) Board to further fund employee annuities and to provide for a reserve fund to pay for the issuance of "13<sup>th</sup> checks". The City filed a response in which it acknowledged that the City Council had substantively amended the pension Ordinance, but denied that its unilateral actions were unlawful.

The matter was scheduled for trial on July 24, 2012, with that date adjourned by mutual consent, with a new trial date of November 14, 2012. Shortly before the trial date, an Amended Charge was filed, and the Employer requested and was granted an adjournment of the trial. The Amended Charge added allegations that a portion of the excess earnings had been utilized by the General Retirement System's Board of Trustees to fund a hedge against inflation for retirees in the form of a "13<sup>th</sup> Check" issued annually. The amount of the annual allocation of excess earnings, if any, was calculated by the Trustees pursuant to an established formula. It was alleged that, but for the November ordinance change, individual retirees would have received a 13<sup>th</sup> check in December 2011 and again in 2012.

A pre-trial conference was held on December 6, 2012. The parties concurred that there were no material disputes of fact and that proceeding on summary disposition would be appropriate. The Union's motion for summary disposition was filed on December 28, 2012, with the City's response and cross-motion for summary disposition filed on January 25, 2013. Oral arguments were heard on February 8, 2013, with a bench opinion issued in the Union's favor. After the hearing and issuance of the bench opinion, the parties sought and were granted the opportunity to file supplemental briefs on the question of relief and regarding an intervening appellate decision. The Union's supplemental

brief was filed on June 24, 2013, with the City's supplemental brief filed July 15, 2013.

Subsequent to the supplemental briefing by the parties, Detroit was placed in receivership under State law and an emergency manager with extraordinary powers was put in charge of Detroit's affairs, in place of its elected officials. A bankruptcy filing followed shortly; with its attendant automatic stay of most, if not all, other litigation involving claims against the City. In deference to the bankruptcy proceeding, the bench opinion in this case was not followed by the issuance of a formal decision, as it ordinarily would have been. The multiple City of Detroit related proceedings pending before MERC, and before the several Administrative Law Judges, have all been held in abeyance. This occurred both in deference to the automatic bankruptcy stay and in recognition of the obvious fact that with the appointment of an emergency manager, of a term of uncertain duration, with the attendant suspension of any bargaining obligations, the subsequent bankruptcy filing, it is apparent that the nature of the relationship of the parties, their collective bargaining disputes, and their respective positions on myriad issues will be materially changed and the dormant pending litigation, and the relief sought therein, will all likely be moot.

#### Discussion and Conclusions of Law:

Counsel for the parties appeared for oral argument on February 8, 2013. Preliminary to the oral argument, I stated on the record my understanding of the position of the parties, as set forth below:<sup>1</sup>

JUDGE O'CONNOR:

We're here on cross motions for summary judgment. I have reviewed the pleadings. I have a couple introductory comments.

The Union's motion for summary disposition in this case relates to the adoption of a new City ordinance which prohibited [certain actions by] the General Retirement System Pension Board, GRS Board, which handles pension questions for all City employees or virtually all City employees other than police and fire. The ordinance prohibited the Board from granting a rate of return on annuities greater than the actual return, and which had the

apparent impact of precluding the issuance of the 13th checks to retirees<sup>2</sup>.

The Employer has responded and asserted its own cross motion for summary disposition. There's no dispute over the fact that a changed ordinance was adopted in November of 2011 and that a timely charge was filed. There's likewise no dispute over the fact that the terms of the pension plan are mandatory subjects of bargaining, which the City concedes in its brief.

It's alleged, and seemingly undisputed, that in November 2011 the City adopted a pension ordinance to be effective December 20, 2011 which altered certain prior practices of the Pension Board. That change occurred without bargaining and during the term of an existing collective bargaining agreement. That existing collective bargaining agreement incorporated by reference the prior version of the pension ordinance and City charter provisions.

Based on the pleadings, I have relied on several documents which both advocates also relied on, and I will denominate [those documents] as exhibits.

As I understand it, the Union's assertion is that the change was an unlawful unilateral change in an existing condition of employment, and a repudiation of the then in place collective bargaining agreement. The Union's motion is additionally supported by a facially competent affidavit.

The City earlier asserted the defense that the question of the Pension Board's exercise of discretion in the distribution of excess earnings was not an established condition of employment, and rather was in essence an ultra vires act by the Board. The Union addressed that assertion at least in part by its reliance on the decision in *AFSCME et al v Detroit*, 218 Mich App 263 (1996), in which the City

<sup>2</sup> The 13<sup>th</sup> check system is utilized by many employers as a method of giving some rough protection against inflation in deferred compensation systems. In the 1970s, it was not unusual to have formal inflation hedges in such systems tied directly to the cost of living indicators. That system became perceived as both unpredictable and prohibitively expensive by the late 1970s-early 1980s. It was replaced by concepts such as the 13<sup>th</sup> check system which created dedicated funding streams to provide an annual bump which while guaranteed to be paid, was not guaranteed to actually match the rate of inflation. It might be higher than a traditional COLA payment; it would likely be lower; but the annual receipt was assured.

prevailed. In that case, the City had sought a similar change regarding distribution of excess earnings; in that case via charter amendment, and according to the Court, the City acknowledged at the time that no such change could actually be implemented without first bargaining because the then current system of distribution of earnings was an established condition of employment. [Such a legal concession by the City in 1996 was regardless mandated by the earlier holding in *Detroit Police Officers Ass'n v Detroit*, 391 Mich 44, 54-55 (1974), which expressly held that while the City could change its pension ordinances, or Charter, as the City Council saw fit, changes to existing retirement benefits could not actually be implemented without fulfilling bargaining obligations.]

As both parties are presumably aware, the wisdom of the prior practice and the wisdom of the ordinance change are not issues before me for review. The only question before MERC is whether a change in mandatory [subjects of bargaining related to] conditions of employment was implemented in an unlawful manner. Similarly, the wisdom of the Court of Appeals decision in 1996 is not before me. It's a published decision involving these same two parties.

After considering the pre-hearing briefs and extensive arguments of both parties, I concluded that there were no questions of material fact and that a decision on summary disposition was appropriate, as urged by both parties, pursuant to Commission Rule R 423.165. See also *Detroit Public Schools*, 22 MPER 19 (2009) and *Oakland County and Oakland County Sheriff v Oakland County Deputy Sheriffs Assoc*, 282 Mich App 266 (2009). Accordingly, I rendered a bench decision, with the substantive portion of my findings of fact and conclusions of law from my bench opinion set forth below:

**JUDGE O'CONNOR:**

I am prepared to issue a bench opinion, which will be followed by a written decision.

I find that this case is controlled by the indistinguishable decision in the 1996 published Court of Appeals decision involving these same parties, AFSCME and Detroit. It is further controlled by judicial estoppel where the City

prevailed in that case by asserting the very thing they deny today, and that is the City, in the '96 case as recounted by the Court of Appeals conceded, as it must have done under the then existing law, that regardless of charter provision or any change to it, regardless of ordinance or any change to it, the City could not unilaterally change aspects of the pension plan without bargaining first with the Union.

The City today acknowledges in its brief its duty to bargain, but then asserts to the contrary, there was no duty to bargain under 2011 PA 4, which I'll address later.

The City never addressed, either in oral argument or its brief, the impact of the clearly controlling published decision between these same two parties. I find that shocking and troubling that it wasn't even addressed, because it is so clearly controlling.

The City, in the 1996 dispute [*AFSCME et al v Detroit*, 218 Mich App 263 (1996)], sought to change by charter amendment the very issue, or at least part of the very underlying issue at stake here today, and that is the Pension Board's allocation of excess earnings. In 1996, the City sought to change [the handling of excess earnings] by charter amendment. In 2011, the City sought to change [the handling of excess earnings] by pension ordinance change. The [difference between a charter amendment and an ordinance change] is not a distinction [which would alter the statutory duty to bargain].

[In the 1996 case, the Court of Appeals found that the City sought to change the City Charter to: *"require so-called 'excess earnings' from pension investments to be allocated among certain pension benefit funds in proportion to each fund's percentage of total system assets, with the remainder to be credited to the fund contributed to by the city, thereby reducing the city's future contribution obligations. This revision would limit the discretion exercised under the current charter by the pension board of trustees to allocate excess earnings among the several pension funds in its sole determination"*. The 1996 charter amendment effort was therefore functionally indistinguishable from the 2011 ordinance amendment in the goal of diverting funds from benefiting employees and

into the City coffers while taking away from the trustees the discretion to allocate funds to pay out the 13<sup>th</sup> checks. In the 1996 decision, the Court, in denying AFSCME relief, expressly relied on the City acknowledgment that it could not unilaterally accomplish that goal by charter amendment.]

Then and now there was no factual dispute; there is no factual dispute. The excess earnings have always been allocated at the discretion of the Pension Board. The Union has argued that that's a binding past practice. The City asserts that it wasn't mutual--an assertion I find frivolous given the prior litigation, given the City's concession in the prior litigation that it was an established prior practice. It's also -- I also find it frivolous based on the exhibits produced by the City in this case. The Corley letter<sup>3</sup>, which was an advice letter to City Council by its own staff which recounts in very specific terms that there was an existing prior practice that was well recognized, but the City did not like that prior practice and wanted to change it. [The advice letter] acknowledged with incredible specificity the prior practice that existed for over 20 years, spelling out year by year the amount of money allocated by the Pension Board over the City's concern about how it was being allocated, but with the City's acquiescence in collective bargaining agreement after collective bargaining agreement, and the City repeatedly re-adopted collective bargaining agreements [with the same language]. [The contractual reaffirmation of the obligation included] the 2008-2012 agreement which was initially unilaterally imposed on the Union and then expressly acquiesced [in] by the Union which incorporates by reference the very pension ordinance that the City [has now] sought to unilaterally change. It was more than a tacit agreement. It was an express agreement with full understanding by both parties.

Then -- in 1996 that is -- and now, [until] the change in 2011, the excess earnings have always been allocated at the discretion of the Pension Board. The Board, as set forth in the City's exhibits, allocated the so-called excess earnings, that is earnings above a projected target rate of

return, to essentially three different funds; the retiree 13th check; secondly to supplement the holdings in individual employee annuity funds; and third to reduce the City pension contribution. The Esuchanko charts which the City submitted made clear that in each and every year where there were excess earnings the Pension Board allocated them amongst those three funds at the Pension Board's discretion and in roughly comparable amounts each time.

There was no dispute even in 1996 that the practice had been longstanding. It's obvious that the City's preference, for understandable reasons, was to change that practice. It attempted to do so unilaterally in 1996 and again in 2011. As I said, I see no distinction between the City's unilateral effort to change it by pension ordinance or by charter amendment. In each case, as the City rightly conceded in 1996, regardless of a change to those ordinances or charter provisions, the duty to bargain remained.

In the 1996 decision, which is a published decision binding on the parties and binding on me, the Court recounts that the City in response to AFSCME's challenge, "*Agrees that the challenged provision cannot be legally implemented even if enacted by the voters without first bargaining*". [The 1996 decision further found that the City did not dispute "*plaintiffs' contention that these challenged provisions may not be legally implemented as to the city's union employees without bargaining*".]

The City's concession in 1996 that there was a duty to maintain these precise conditions of employment absent bargaining was correct under the law then, and remains correct under current case law interpreting PERA. Regardless, I would otherwise find the City bound by *res judicata* and by collateral estoppel by that 1996 decision involving these two parties before me today on that same mixed question of fact and law.

It's particularly notable that one of the earliest cases interpreting and enforcing PERA involved the City of Detroit and the DPOA [Detroit Police Officers Association], and an assertion by the City that, "*We don't have to bargain about pensions because they're controlled by our charter, and our pension ordinance,*" and the Michigan Supreme Court said,

"You're wrong". [See, *Detroit Police Officers Ass'n v Detroit*, 391 Mich 44, 54-55 (1974).]

[The City was] right in 1996 in acknowledging that they had to bargain before they could make a change, and it's not just wrong, but frivolous today to argue otherwise.

The City adopted the change disputed in this case by not just amending a pension ordinance. It's undisputed that after the [2011] pension ordinance was adopted, the City unilaterally implemented that change, unlike the position the City took in 1996, which was that they needed to change the charter, and that even if the charter were changed, which has a higher status than a pension ordinance, the City acknowledged they would still not be able to implement the change until they bargained with the Unions over it. Here the City threw out that concession and actually implemented the change without bargaining.

It's undisputed and supported by affidavit submitted by the Union and not contradicted by the City, that in each year in which there were excess earnings, the Pension Board allocated those earnings, then divided the monies as I've described into three separate pots, essentially; part to reduce the City's contribution under the defined benefit plan, part to the 13th check, and part to the annuity accounts. The Corley and Esuchanko documents submitted by and relied on by the City unequivocally establish that the practice was consistent and of longstanding.

Again, the 1996 Court of Appeals decision alone would have regardless established [that] this process was an established condition of employment. If it existed in 1996 and still existed in 2011, it's an established condition of employment.

The change directly affected an existing and fundamental condition of employment. Again, *DPOA v Detroit* held that pension plans and promises made under them were a fundamental condition of employment such that the City of Detroit had to bargain over them in the DPOA case, notwithstanding a preexisting charter provision which set terms different than the DPOA was seeking. [In *DPOA*, the Supreme Court allowed the unilateral change to stand,

end the practice is, at minimum, a tacit agreement. I think, frankly, it rises to the level of an express agreement where the parties, having previously fought over the terms of the charter and the pension ordinance, then incorporate them by reference in the collective bargaining agreement.

The City's sole proffered defense really was, in its brief, that the financial stability agreement entered into under 2011 PA 4 suspended the duty to bargain.<sup>4</sup> [At oral argument I strongly suggested to the City that such an argument was inapposite based on the timing of relevant events. Subsequent to the bench opinion, the City sought and was granted leave to withdraw that issue and argument from contention.]

The City has further raised the question of AFSCME's standing to represent already retired former employees. The City is incorrect in its assertions that the case law cited provides that AFSCME former employees who are retirees are not members of AFSCME. They may well be, they may not be. Its individual-- some retirees continue to belong to unions, some don't. They are, however, no longer part of the bargaining unit. The City was correct to that extent.

It is axiomatic that neither the Employer nor the Union can demand to bargain over changes in conditions affecting already retired former employees. It doesn't alter the Union's claim as to the impact on active employees who were promised that the Pension Board would have the discretion to allocate certain funds, excess earnings, to their annuity accounts and were promised that upon

---

<sup>4</sup> Effective March 28, 2013, the Local Financial Stability And Choice Act, (LFSCA), PA 436 of 2012, MCL 141.1541 *et seq.* was enacted by the Legislature for the stated purpose of placing financial checks and balances on public employers in a state of financial stress or emergency. As part of that statutory scheme, the Act authorizes the state treasurer to enter into a consent agreement with a local government in a state of financial stress or emergency for a period necessary to achieve the goals and objectives of the agreement. Section 8(11) of the LFSCA suspends the duty to bargain set forth in Section 15(1) of PERA for employers subject to a consent agreement, including consent agreements entered into pursuant to the Act's predecessor, Public Act 4 of 2011. Similarly, Section 27(3) of the LFSCA provides that a local government placed in receivership under the Act is not subject to Section 15(1) of PERA for a period of 5 years from the date the local government is placed in receivership or until the time the receivership is terminated, whichever occurs first. For purposes of the LFSCA, "receivership" means the process under the Act by which a financial emergency is addressed through the appointment of an emergency manager. MCL 141.1542(q). No provisions of that Act applied to Detroit at the time of the adoption or implementation of the disputed ordinance.

As I said, there's no duty to bargain over changes in conditions affecting already retired former employees. However, that doesn't fully answer the question in this case. The parties may, of course, voluntarily enter into negotiations over permissive subjects of bargaining. The question of possibly raising a pension benefit for people who already are retired is a permissive subject of bargaining. It's not prohibited. The parties can, if they choose to, negotiate over it.

The Union is asserting, and I have found the Employer in implementing unilaterally the changes to the pension ordinance and cutting off the 13th check, has repudiated the terms of an existing collective bargaining agreement. Under PERA, the repudiation of the clear, undisputed terms of an existing contract is more than a mere contract breach which would otherwise be left to the grievance procedure or circuit court suit over damages or whatnot. Rather it's treated as a refusal to bargain in good faith and is therefore an unfair labor practice even if related to a permissive subject of bargaining over which there was necessarily no duty to bargain as in the Commission decisions in the *Kalamazoo County Sheriff* case [*Kalamazoo County & Sheriff*, 24 MPER 17 (2010)] where the Commission held that where there is a mixed question, a collective bargaining agreement that covers both mandatory subjects and permissive subjects, the package is the package. It's a single package. Neither side can unilaterally carve it up into pieces and say, "*We'll comply with one piece. We won't comply with this other piece.*" unilaterally and without

violating the duty to bargain. Once a contract has been reached, it must be treated as binding on both parties, as the Commission held in *Kalamazoo County Sheriff*, or the possibility of productive future bargaining is destroyed.

I will be recommending the restoration of the status quo by restoring to the Pension Board the discretion it previously exercised, by the City being ordered to not interfere in the exercise of that discretion by the Pension Board regarding excess earnings, that the Retirement Board be notified by the City of the restoration of their preexisting discretion, that affected retirement plan participants, both active employees and retirees, be made whole by the City to the extent that there is any practical impediment to the Pension Board making those participants whole otherwise.

The most practical resolution may be for the Pension Board to reallocate those assets. Either way, it is ultimately the obligation of the City to correct the problem it caused by its unilateral action which, again, was taken in direct rejection of the obligations it conceded that it had in the 1996 litigation.

I will recommend a posting of a notice at the work places to reaffirm for active employees that the contractual promises made to them must be kept.

\*\*\*

[In response to a question from counsel] Well, what I've indicated I intend to order is that the *status quo* be restored, the steps that I'll be recommending be ordered are that the City restore to the Pension Board the discretion previously exercised, specifically that the City notify the Pension Board that the discretion has been restored. The Pension Board will have to act based on that discretion and determine what they think is necessary to put back-together what would have otherwise happened. And the Pension Board has a prior history as laid out by Corley and Esuchanko of how they typically did that, but it is within the discretion of the Pension Board how precisely they do that . . . my expectation is that the first level response will be by the Pension Board just using their discretion to decide what they think should happen.

What I propose to order is that to the extent that there's any practical impediment to the Pension Board making the participants whole, it will be upon the City to make the participants whole.

In my bench opinion, I failed to address a part of how this controversy arose, which I found inexplicable. Before it adopted the November 2011 ordinance changes, the City Council had before it an advice memo from the corporation counsel's office on which presumably they were intended to rely. That memo, which was introduced in the record in this hearing at the behest of the City, has a section titled "*Labor Law Considerations*". The memo acknowledges that the benefits were calculated and paid out in an unaltered fashion for decades. The memo inexplicably asserts that the benefits were not "bargained" for, but the memo fails to ever address the *DPOA v Detroit* 1974 decision, which established as a matter of first impression the obligation to bargain over the implementation of any legislated changes to the detailed provisions of the Detroit pension plan. Likewise, the memo fails to address the impact of, or even advise the Council of the existence of, the 1996 *AFSCME v Detroit* appellate decision in which the City prevailed expressly premised on the City's acknowledgment that it was aware that it could legislate changes to the pension plan, but that it could not implement those changes without bargaining. That the City Council acted on such an advice memo does not excuse their conduct; nonetheless, that such a fundamental matter was decided on by the Council in the absence of a review of the directly controlling law, including two directly relevant appellate cases wherein the City was the defendant, is troubling.

Further, the Corporation Counsel advice memo to City Council has, as a starting point, the 1997 Charter amendments adopted by the vote of the City electorate. An analysis was offered that the excess earnings distribution system was not "specifically authorized" in the 1997 Charter provisions regarding the pension plan. What is entirely omitted from the analysis is the occurrence of the 1996 decision of the Court of Appeals in *AFSCME v Detroit*, supra, and its sequelae. The proposal that would become the 1997 Charter initially included a provision, offered by the City administration, which would have ended the excess earnings distribution system and turned over that funding stream almost entirely to the City. The Wayne Circuit Court enjoined the Detroit Charter Revision Commission from including the disputed "excess earnings" related proposed Charter revisions in the ballot proposal which passed on August 6, 1996, and which became the 1997 Charter for the City. The Corporation Counsel memo relies on the Charter as adopted in August 1996.

In ignoring the decision in *AFSCME et al v Detroit*, the City likewise ignores the fact that the Court ruled just one week after that August 1996 election, finding that the injunction regarding the disputed Charter provision on excess earnings was improvidently granted, and allowing the disputed provisions to be placed before the voters in the election of November 1996. At that election, the electorate of the City, at a point in time when they still had a seemingly effective right to vote on such matters, voted down the specific proposal to shift the "excess earnings" away from deferred compensation for employees for the benefit of the City, and rejected the Charter amendment. Notwithstanding that express voicing of the will of the electorate, the 2011 ordinance amendment by the City Council, without so much as a nod of recognition, sought to mandate exactly what the voters had prohibited.

The rationale for the 2011 ordinance change was premised on what has now become a convenient public relations gambit: that the 13<sup>th</sup> checks amounted to a gift, a gratuity, or a bonus. They were not.<sup>5</sup> In fact, the 13<sup>th</sup> check system is utilized by many employers as a method of giving some rough protection against inflation in deferred compensation systems. In the 1970s, it was not unusual to have formal inflation hedges in such systems tied directly to the cost of living indicators. That system became perceived as both unpredictable and prohibitively expensive by the late 1970s-early 1980s. It was replaced by concepts such as the 13<sup>th</sup> check system, which created separate dedicated funding streams to provide an annual bump which, while guaranteed to be paid, was not guaranteed to actually match the rate of inflation. It might be higher than a traditional COLA payment; it would likely be lower; but the annual receipt was assured.

The 13<sup>th</sup> check system was such a well-established part of the City's deferred compensation system in 1996 that the City conceded, consistent with the earlier decision in *DPOA v Detroit*, that regardless of a Charter or ordinance change, the City could not revoke the payments without fulfilling the bargaining obligation. It is uncontested that the 13<sup>th</sup> check system was a mutually agreed upon obligation.

---

<sup>5</sup> The reference to retirement obligations for public employees as "gratuities" is not without historical precedent, *albeit* not supportive of the City's position. In *Bowler v Nagel*, 228 Mich 434 (1924), the Court specifically rejected Detroit's assertion that amounts paid from retirement funds were "gratuities". However, in *Brown v Highland Park*, 320 Mich 108 (1948), the Court faced a financially beleaguered city and held that, despite *Bowler*, such pension obligations were not individually enforceable "contractual" obligations in nature, such that the City of Highland Park could cut the widows of police and firemen off from their pensions, by the expedient of a Charter amendment, without offending State law or the Federal Constitutional impairment of contracts clause. Outrage over the impact of that decision helped lead to the 1963 Constitution, which in article 9, section 24, put the theory to rest and defined such public pension benefits as Constitutionally protected entitlements. The same Constitutional Convention adopted article 4, section 48, which authorized the creation of PERA, the unionization of public employees, and the negotiation of enforceable collective bargaining agreements.

Notwithstanding the *DPOA v Detroit* and *AFSCME v Detroit* decisions, the City was not locked in perpetuity to the continued payment of the 13<sup>th</sup> checks. It could have forthrightly bargained the obligation away. It could have traded it away. It could have in good faith exhausted its bargaining obligations and then, under controlling labor law, taken the entitlement away. It did none of those things. Instead, it continued over the years to re-commit itself to the system. In 2010, the parties had been in bargaining and reached what appeared to be, and what the City asserted to be, a good faith impasse in bargaining. In November 2010, the City imposed new conditions of bargaining in place of a 2008-2012 collective bargaining agreement, which the parties had been unable to resolve. The imposed terms altered many conditions of employment for AFSCME members and wrung significant financial concessions from the workforce. In January of 2011, AFSCME conceded the City's position that the parties had reached a lawful impasse and AFSCME expressly acquiesced in treating the City-imposed terms as the 2008-2012 collective bargaining agreement governing the relationship of the parties.<sup>6</sup>

Although the City could have, in November 2010, included in the post-bargaining impasse imposed terms a cut-off of the 13<sup>th</sup> check obligations, it did not. The resulting agreement, drafted by and initially unilaterally imposed by the City, left intact the 13<sup>th</sup> check system and expressly re-committed the parties, in Article 47(T) of the Contract, to compliance with the terms of the pension ordinance as it then existed. One year later, without bargaining, and during the unexpired terms of that Contract, the City Council voted to materially change the pension ordinance and the Employer followed up by unilaterally implementing the change, in derogation of the City's obligations under PERA, the mandate of *DPOA v Detroit*, and the City's own admission of unalterable obligations as set forth in *AFSCME v Detroit*. The ordinance maneuver by the City administration was a unilateral do-over in the midst of the 2008-2012 contract term which materially, and necessarily unlawfully, and adversely altered existing conditions of employment.

It is also notable that the advice memo upon which the City Council relied was itself substantially premised on a favorable reading of the then quite recent Wayne County Circuit Court decision in *Wayne County Retirement Commission v Wayne County*, Case No 10-013013 (Hon. Michael Sapala, September 29, 2011). In that case, at the trial level, relief was granted to Wayne County in a similar dispute over the

<sup>6</sup> The 2008-2012 terms were held to be a binding and voluntary collective bargaining agreement between the parties, which fulfilled their bargaining obligations for the period 2008-2012, in *City of Detroit and AFSCME*, Case No. C10 L-295, (ALJ Peltz, August 2012)(on exceptions).

distribution of excess earnings from its pension fund, and in which Wayne County, via a comparable ordinance amendment, seized some \$32 million from its employees' pension funds. It is certainly understandable that such a transfer of wealth seemed attractive to both the City and County; however, the Circuit Court decision was subsequently reversed in *Wayne County Retirement System v Wayne County*, 301 Mich App 1 (2013), with the County ordered to restore the funds to its pension plan. Like the City's own legal counsel's memo, the Sapala decision reviewed both Constitutional and Charter issues, but ignored the well-settled labor law implications of such unilateral actions by Employers who are subject to bargaining obligations.

### **The Post-Bench Opinion Supplemental Pleadings**

As noted above, after issuance of the bench opinion, the parties sought and were granted an opportunity to provide supplemental briefing on the question of relief and on the impact of an intervening appellate decision. AFSCME proposed several refinements to the scope or nature of the intended relief that I had described in the bench opinion.

AFSCME began by noting the substantial uncertainties inherent in attempting to restore the *status quo* in a dispute of this nature which goes well beyond the ordinary order of reinstatement of an employee with backpay. Pointing to the decision in *MSU Clerical Technical Union v MSU*, 214 Mich App 42 (1995), a case in which MERC was reversed for a failure to provide a full measure of relief, AFSCME understandably and correctly notes that the burden of uncertainty as to the amount or extent of a remedy awarded should be upon the wrongdoer and not upon the prevailing claimant. In my bench opinion, it was indicated that what was intended was a full make whole remedy, and that the first step response would be to restore to the pension board its proper freedom to exercise its discretion. I also noted from the bench that all of the parties, and the pension board, are aware of and capable of calculating and addressing the average prior annual payouts, and the basis on which they were in turn calculated, should this case ever reach the remedy stage.

Specifically, AFSCME proposes that I direct that the excess earnings be premised on a specific averaging of the percentages used over a multiple year period to divide up the money among the three recipient funds. AFSCME notes, based on the City's own figures, that going back for an eleven year period, the total excess earnings were divided so that the active employee share averaged 55% annually, while the amount devoted to the 13<sup>th</sup> checks averaged 17% annually of the total fund, with the remaining 28% going to the City itself. While such a mechanism is plausible, the City unsurprisingly faults AFSCME for selecting a specific period of years, rather than a longer period of time.

The City offers no alternative method of calculating the remedy, proposing instead that I revisit the merits and deny relief, a suggestion which is hereby rejected.<sup>7</sup>

Neither party has proposed, in their supplemental pleadings, a dollar figure for the relief. This very omission underscores the fundamental uncertainty of the amount which would be necessary to afford make-whole relief. In their arguments for summary disposition, both parties relied on the November 2011 memo from Irvin Corley, Jr, director of the City Council's fiscal analysis division, which provided specific advice to City Council regarding the prior handling of the excess earnings distribution system. In that memo, which was introduced in the record by the City, Corley provides dollar figures which were not placed in dispute. For 2008, the last year Corley analyzed, the excess earnings distribution was \$121,100,000. With approximately 72% of that money going for the benefit of the employee deferred compensation system, and the remaining 28% going for the City's benefit, the amount distributed for the benefit of employees was \$87,120,000 for that one year. Pursuant to its new ordinance, the City withheld the payments which otherwise would have been made in 2011 and 2012. The record does not reflect the amounts earned and paid out in 2009 and 2010. If one made the enormous assumption that the excess earnings, if any, which would have been the basis for payments in 2011 and 2012 were in any way comparable, the City would need to reserve something on the order of \$174,240,000 to satisfy claims. It is entirely unwarranted at this stage of the proceedings to order the reservation or payment of such a sum, which absent agreement of the parties on a specific amount, will require proofs as to what amount of gross excess earnings were generated relative to the withheld payments for 2011 and 2012. No relief can be ordered as to 2013, as the appointment of an emergency manager suspended the duty to bargain and thereby the enforceability under PERA of such obligations.

AFSCME's post-hearing suggestion that the remedial order direct payment based on some averaging of prior payments merely restates the obvious suggestion made in the bench opinion of a benchmark method for assessing compliance, when and if the question becomes relevant. Parties frequently find themselves successfully agreeing upon appropriate make whole remedies post-judgment in MERC cases, whether by compromise, rough estimate or with mathematical certainty. Failing at that, the statute and Commission Rule R423.177 provide for post-judgment compliance proceedings which are fully capable of resolving the question of the calculation of necessary payments, should

---

<sup>7</sup> Incredibly, the City's supplemental post-judgment brief persisted in aggressively ignoring the controlling 1974 *DPOA v Detroit* and 1996 *AFSCME v Detroit* decisions.

this dispute reach that stage. That Rule would require Charging Party to file a detailed specification of amounts claimed, with Respondent required to promptly respond with equal specificity. The parties are obviously far from a terminal point in this litigation and it would require an unwarranted degree of speculation upon speculation to attempt, at this stage, to engineer a more specific directive regarding relief.

AFSCME next raises a concern with the real possibility that, when and if this dispute resurfaces, the composition of the pension board of trustees may well have changed, either through the mere passage of time or through direct action by the emergency manager utilizing his extraordinary powers. The prospect is very real that the remedial order restoring discretion over the funding decision to the pension board may well place it in the hands of a new cast of characters, which may well have been selected in whole or in part by the emergency manager. While a legitimate concern, this is, at this point, speculation which cannot be addressed in a mere recommended remedial order. Again, regardless of who might constitute the pension board when, and if, this matter ever returns to them, there remain the compliance procedures to resolve disputes over implementation of any relief ultimately ordered. Regardless, it is implausible to suggest that this Agency could or should attempt to prospectively reconfigure the membership of an elected pension board.

Finally, despite noting in its supplemental pleading the intervening appointment in 2013 of an emergency manager, AFSCME proposes that the remedial order direct the City to bargain with the Union and to refrain from making any further changes in conditions until fulfilling its bargaining obligations. The City of course opposes such relief, which would be an ordinary portion of a standard MERC remedial order. The appointment of an emergency manager, under recently adopted Michigan law, suspends the obligation to bargain and with it, the obligation to maintain conditions of employment. The emergency manager is free to bargain with AFSCME, but cannot, under PERA, be compelled to do so, nor can the City be compelled, under PERA, to maintain pre-existing conditions of employment.

In its supplemental pleadings, the City, equally and similarly implausibly, proposes that I re-visit the question of summary disposition and dismiss the Charge. The City makes that request without, as noted above, any substantive discussion of the 1974 *DPOA v Detroit* and 1996 *AFSCME v Detroit* decisions. The City grants a mere nod to the existence of the decisions, placing the citations in footnote, *sans* discussion. The request for reconsideration of the substantive decision as issued from the bench is denied.

The City suggests, again, in its supplemental pleadings, that the matter should have been arbitrated. That suggestion was first made by the City in its first responsive pleading in September 2012, by which point the 2008-2012 collective bargaining agreement between the parties had been expired for months. Therefore, arbitration was not available. MERC does leave the parties to their available contractual remedies when there is a *bona fide* dispute over the interpretation of the parties' collective bargaining agreement and arbitration is available. Here, there was never a *bona fide* good-faith dispute over the question of the contractually mandated benefits, or over the right of either party to unilaterally abandon or modify its own obligations. There is no question amenable to arbitration here, as the City has repudiated its obligations rather than asserted a good faith dispute over some detail of its duties. The Commission will not find repudiation on the basis of an isolated breach, *Crawford County Bd of Comm'rs*, 1998 MERC Lab Op 17, 21; however, here the deferred compensation benefit cut applied across the board to the entirety of the AFSCME unit. The cut was indisputably unilateral and occurred during a period when a collective bargaining agreement was in place.

The City proposal to the Commission to remand the matter to arbitration is merely a tactic intended to avoid substantive and effective review or remedy. The Commission has the authority to interpret the terms of a collective bargaining agreement where necessary to determine whether a party has breached its collective bargaining obligations. *University of Michigan*, 1971 MERC Lab Op 994, 996, citing *NLRB v C & C Plywood Corp*, 385 US 421 (1967). If the term or condition in dispute is "covered by" a provision in the collective bargaining agreement, and the parties have agreed to a grievance resolution procedure ending in binding arbitration, the details and enforceability of the provision are generally left to arbitration, but only where there is a good faith dispute as to the nature of the contractual obligation. *Port Huron Ed Ass'n v Port Huron Area Sch Dist*, 452 Mich. 309, 317-321 (1996).

Here, there is no good faith dispute over the parameters of the Employer's obligations; rather, the City seeks to instead unlawfully reject its existing obligations contrary to its then-existent duty to bargain. Where such repudiation has occurred, the Commission is prohibited, by prior decision of our Supreme Court, from deferring to contractual arbitration and must instead enforce the statutory obligations on behalf of the people of the State. See, *Detroit Fire Fighters Ass'n v. City of Detroit*, 408 Mich. 663, 676 (Mich 1980).

Moreover, the City's asserted defenses are statutory and Constitutional rather than contractual and are not within the purview of

a private arbitrator. An arbitrator is not specially suited to resolve the dispute about the interplay between collective bargaining agreements, ordinances, City Charter provisions, and PERA bargaining obligations. The complexity of those very issues so vexed the Michigan Supreme Court in 1974 that it found the unilateral pension changes made by Detroit to have been improper, but gave the City a free pass for that event, while cautioning it to never similarly violate its bargaining obligations via charter or ordinance amendment. See, *DPOA v Detroit*. This is not a proper case for review by an arbitrator.

In its supplemental brief on remedies, the City raised the intervening decision of the Michigan Supreme Court in *Macomb County v AFSCME Council 25*, \_\_\_Mich\_\_\_ (No. 144303, June 12, 2013).<sup>8</sup> In that case, the Court reversed MERC in its earlier finding of a violation where Macomb County, acting through its retirement board, altered a long standing reliance on a particular actuarial table used to calculate benefits, to the disadvantage of some retirees. The decision functioned primarily to return the Commission to a closer hewing to the standard provided under *Port Huron Education Ass'n v Port Huron Sch Dist*, 452 Mich 309 (1996).

In *Macomb County*, at the MERC ALJ level, no violation of the statute was found. The Commission decision reversing ALJ Stern was in turn ultimately reversed by the Supreme Court. The grounds prove not relevant to the present matter. The Supreme Court found the underlying collective bargaining agreement in Macomb to be unambiguous and that it expressly provided discretion to the retirement board to make the challenged change in mortality tables. The Court held that MERC had erred by relying on a past practice, albeit of several decades duration, of using the same actuarial table as a basis for finding an unlawful unilateral change, rather than respecting the unambiguous language of the contract which, even if long unused, expressly allowed the retirement board to make the change in mortality tables.

The Court in *Macomb* reaffirmed the right of parties to rely on their agreements, as held in the earlier *Port Huron* case, the holding of which remains controlling law. Here, the finding of a violation is not based on any asserted past-practice; rather the unambiguous language of the then recently re-negotiated contract between the parties supports a finding of a repudiation. The parties here expressly provided for a particular benefit to be funded and disbursed in a particular manner. Their agreements were memorialized both in contract and in ordinance. The City Council

---

<sup>8</sup> While AFSCME sought to strike the City pleading as having gone beyond the leave granted to file a supplemental brief on the issue of remedies, I determined that the raising of intervening appellate authority was proper.

acted unilaterally in passing and then enforcing an ordinance to unilaterally take away a negotiated benefit. The *Macomb* decision affirms rather than detracts from the enforcement of rights as to an unambiguous agreement.

A portion of the *Macomb* decision re-affirmed earlier case law requiring MERC to refer back to arbitration disputes "covered by" a collective bargaining agreement which had in it an arbitration clause where there was any colorable claim that the complained of conduct was allowed under the contract. The Supreme Court held that such disputes are for arbitrators, not the Commission, to decide. Here, the "covered by" analysis is inapposite for two separate reasons. First, there was no contract in place when this Charge was brought and no arbitration clause to which the parties could defer to. Second, as more fully discussed above, the City simply advanced no arguable basis under the prior ordinance or several collective bargaining agreements which could excuse its conduct. Simply, no plausible contractual defense was proffered. Rather, the Employer here advanced statutory and Constitutionally based defenses which, as noted above, are not amenable to resolution by a private arbitrator.

Moreover the City's theory would turn the *Macomb* decision on its head. In *Macomb*, the Court found that the contract language expressly granted the retirement board the discretion to make certain decisions, and the retirement board made such a decision well within its established discretion. Here, the unilaterally imposed new ordinance took away from the pension board the discretion which the parties had expressly agreed the pension board alone would wield.

### **The Bankruptcy Court Related Developments**

On the petition of AFSCME, and at 2:41 PM on October 2, 2013, the Bankruptcy Court issued an order which in relevant part provided that the automatic stay was "*modified through 11:59 PM on October 4, 2013 to permit Administrative Law Judge Doyle O'Connor to execute his recommended decision*" in this pending case. While this Decision is being released consonant with the Bankruptcy Court's partial lifting of the stay at AFSCME's request, and with full consideration of the significant claims of the parties, its release may well offer little more solace than an assurance of a full ticket-price refund offered while still on the sharply tilting deck of the *Titanic*.

The parties are cautioned that, as they well know, the Bankruptcy Court also ordered that "*all deadlines for any party to act under state law that would otherwise result from any opinion or recommendation issued by the ALJ are tolled indefinitely pending further order of the Court*". The

parties are further reminded that this Decision and Recommended Order, and the relief recommended herein, is premised on the finding that the City failed, as to the complained of events, to meet its obligations under Sections 15 and 10(1)(e) of PERA to bargain in good faith and to refrain from unilaterally implementing changes to established conditions of employment contrary to that good faith bargaining obligation. Pursuant to State law, that obligation to bargain was suspended upon the appointment of an emergency manager, such that the Employer, acting through the Emergency Manager, is empowered in 2013 to now engage in just the sort of unilateral action which would otherwise be unlawful under PERA. For that reason, no prospective relief has been ordered, beyond 2012, as any such relief would be both speculative and inappropriate until such time as the City of Detroit is no longer exempted from the ordinary obligations under Section 15 of PERA.

### **Conclusion**

I have carefully considered any additional arguments asserted by the parties in this matter and have determined that they do not warrant a change in the result. For the reasons set forth above, I find that the deferred compensation related benefit cuts were an unlawful unilateral change in basic conditions of employment implemented in violation of the City's well-established obligations under Section 10(1)(e) of PERA to bargain in good faith, to refrain from repudiating prior agreements, and to refrain from unilaterally imposing adverse changes in conditions of employment. I recommend that the Commission issue the following order:

### **RECOMMENDED ORDER**

The City of Detroit, its officers, agents, and representatives shall:

1. Cease and desist, during such periods when the bargaining obligation is not otherwise suspended by operation of law, from:
  - a. Failing to bargain in good faith with the representative of its employees;
  - b. Unilaterally altering any established conditions of employment during the term of any collective bargaining agreement;
  - c. Seizing or transferring, or failing to return, assets held for the benefit of employees in pension funds or accounts or which were or are otherwise under the control or possession of the pension board of trustees;

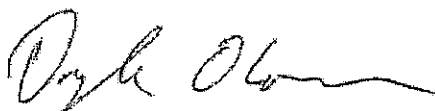

- d. Where an unexpired collective bargaining agreement is in place, repudiating the terms of such agreements by refusing to comply with the unambiguous obligations under such agreement;
- e. Interfering in the pension board's distribution of the excess earnings, if any, for the years 2011 and 2012;
- f. Interfering in the holding and distribution of assets by the retirement board when it is acting pursuant to authority expressly granted to it by the parties, whether through agreement memorialized in the pension ordinance or in separate written collective bargaining agreements.

2. Take the following affirmative action necessary to effectuate the purposes of the Act:

- a. Affirmatively renounce reliance on and cease any effort at enforcement of the November 30, 2011, pension ordinance amendment;
- b. Restore to the control of the pension board the entirety of any assets diverted from the control of the board following the adoption of the November 30, 2011 ordinance amendment and as anticipated by that ordinance change, including restoring to the board's control any "excess earnings" as previously defined by the pension board and attributable to 2011 and 2012;
- c. Take whatever steps are necessary to facilitate the distribution of the 2011 and 2012 excess earnings, if any, in keeping with the previously utilized methodology whereby a portion was utilized for 13<sup>th</sup> checks, a portion was transferred to active employee annuity accounts, and a portion was transferred for the benefit of the Employer;
- d. Provide statutory interest to, or otherwise make whole, the pension plan for the diversion of assets and the intervening lost earnings on those assets;
- e. Refrain from any interference in the distribution of the so-called "13<sup>th</sup> checks" by the retirement board, including in the distribution of any make-up or backpay checks for the years 2011 and 2012, as may be issued in the discretion of the retirement board;

- f. Refrain from any interference in the distribution of funds by the retirement board for the benefit of active employee annuity accounts for the years 2011 and 2012;
  - g. Otherwise make whole all AFSCME bargaining unit members adversely effected by the unilateral changes in conditions of employment found unlawful in this Decision, to the extent that such individuals are not made whole by remedial steps taken by the pension board;
  - h. Provide the Union with the full calculation of amounts reimbursable to the pension plan, or unit members, and interest on same;
  - i. Maintain all existing conditions of employment throughout the bargaining and fact-finding process, during such periods when the bargaining obligation is not otherwise suspended by operation of law.
3. Post an appropriate notice, as may be directed by the Commission, to employees in a conspicuous place at each City worksite and post it prominently on any website maintained by the City for employee access for a period of thirty (30) consecutive days, and additionally deliver a copy of the notice by mail or email to each employee in the AFSCME bargaining units.

**CHARGING PARTY-LABOR ORGANIZATION'S CHARGE  
AGAINST RESPONDENT CITY OF DETROIT**

NOW COMES Charging Party, MI AFSCME Council 25 ("Union") and its affiliated Local 542, by and through its attorney, Aina N. Watkins, and files this Unfair Labor Practice charge against Respondent, City of Detroit, ("City" or "Employer") and hereby states as follows:

1. The parties are subject to an imposed Collective Bargaining Agreement effective July 1, 2008 - June 30, 2012.
2. AFSCME has 13 members assigned to the Fire Department of the City of Detroit, Fire Apparatus Division.
3. The classifications of bargaining unit members consist of General Auto Mechanic, Painters, General Auto Body Mechanic, Air Equipment Mechanic, Auto Mechanic Sub Foreman and Storekeeper, etc.
4. On about May 23, 2011, June 7, 8, 9, 11, 2011 and continuing, the Union received notice that Apparatus Emergency Mechanics (also known as "Emergency Repairman") who are members of the Detroit Fire Fighters Association, DFFA Local 344, were performing General Auto Mechanic work.
5. The Apparatus Emergency Mechanics make emergency repairs and service automotive fire apparatus at fires, on the road or at the stations.
6. The General Auto Mechanic performs any and all automotive or mechanical repairs, or maintenance tasks to the types of mobile equipment employed by the Department; such as fire fighting apparatus and other special purpose vehicles, automobiles, trucks etc.
7. There are currently six (6) General Auto Mechanics in Fire Apparatus Division; two (2) were recently promoted to Emergency Repairman in February 2011.
8. Pursuant to the supplemental agreement Article 9 Career Development and Training, General Auto Mechanic and Auto Sub-Foreman classifications promote into the position of Emergency Repairman.

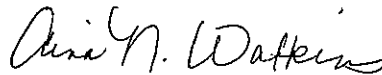

9. The Union contends that the Employer has improperly assigned work traditionally performed by AFSCME members to employees in another classification represented by Detroit Fire Fighters Association, DFFA Local 344.
10. The Union contends that the Employer is obligated to bargain over a decision to replace bargaining unit employees with employees from a different bargaining unit, where the work has been exclusively performed by employees in one unit.
11. The Employer has refused to bargain with the Union over the reassignment of work; the bargaining unit has been impacted adversely.

**WHEREFORE**, Charging Party alleges that Respondent has violated Section 10 (1) (e) and 15 (1) of PERA.

**WHEREFORE**, Charging Party respectfully asks that the Employer be ordered to take the following affirmative action to remedy the Unfair Labor Practice:

1. Cease and desist from refusing to bargain in good faith with the Union;
2. Make the members whole for any loss of pay or other financial or fringe benefits that he/she may have suffered;
3. Assign work traditionally performed by General Auto Mechanic to individuals properly placed in the classification; and
4. Post notices of its violations of the Act.

DECISION OF THE ADMINISTRATIVE LAW JUDGE

PROCEDURAL HISTORY

This is a proceeding held under Section 11 of 1978 PA 390, as amended, the Wage and Fringe Benefit Act (Act 390), MCL 408.481; and in accordance with 1969 PA 306, as amended, the Administrative Procedures Act (APA), MCL 24.201 *et seq.*

The purpose of this review is to examine Determination Order No. 160450 issued by the Department of Licensing & Regulatory Affairs, Wage Hour Division on March 8, 2012.

The Department determined that Act 390 was not violated "because payment of fringe benefit(s), longevity pay bonus, is not required by the terms set forth in the written fringe benefit policy/contract." Employee Story, through counsel, filed a March 20, 2012 appeal of the Determination Order.

This matter was subject to a fairly long procedural history. A hearing was originally scheduled for May 9, 2012. On April 18, 2012, Employer's counsel requested an adjournment of the initial hearing date. An April 26, 2012 Order Granting Adjournment set a new hearing date of June 11, 2012. On May 2, 2012, Employee's counsel requested an adjournment of the June 11, 2012 hearing date. A May 17, 2012 Order Granting Adjournment set a new hearing date of July 12, 2012.

On June 21, 2012, Employee's counsel submitted a correspondence requesting that a pre-hearing conference be scheduled for the purpose of allowing counsel time to inspect documents held by the City of Detroit. On June 22, 2012, Employer's counsel submitted a correspondence objecting to the necessity of the proposed pre-hearing conference. In response to these communications, I convened a telephone pre-hearing on June 28, 2012. After the phone conference, the hearing remained scheduled for July 12, 2012 and the

daylong hearing proceeded as scheduled at the Michigan Administrative Hearing System, Cadillac Place, Detroit, Michigan.

The hearing on this Determination Order and Docket 12-000522, another very similar claim concerning the same Employer, were consolidated on July 12, 2012 for hearing purposes only. Although necessarily similar in content, a separate Decision and Order will be issued regarding Docket 12-000522.

Employee was represented at the hearing by Attorney Richard G. Mack, Jr. The City of Detroit was represented at the hearing by Attorney Letitia C. Jones. A representative of the Wage Hour Division did not appear. The hearing proceeded in the absence of this party pursuant to Section 72(1) of the APA. Administrative Law Judge David Cohen presided.

At the close of the hearing, I acquiesced to a request from Employee's counsel to allow closing arguments via brief. A briefing schedule was set after the parties were in receipt of the transcript in the matter.

#### ISSUES AND APPLICABLE LAW

Are fringe benefits (a longevity pay bonus) due Employee? That is, did the Employer violate Section 3 of Act 390?

A bonus, such as a longevity payment, is a fringe benefit under Act 390. Section 1(e) defines "Fringe benefits" as:

"Fringe benefits" means compensation due an employee pursuant to a written contract or written policy for holiday, time off for sickness or injury, time off for personal reasons or vacation, bonuses, authorized expenses incurred during the course of employment, and contributions made on behalf of an employee.

Section 3 of Act 390 provides:

An employer shall pay fringe benefits to or on behalf of an employee in accordance with the terms set forth in the written contract or written policy.

#### FINDINGS OF FACT

Employee Dean Story is employed by the City of Detroit in the city's General Services Department. Employee Story is a member of the American Federation of State County and Municipal Employees (AFSCME) Local 542. The present matter solely concerns Employee Story's claim for a \$600.00 longevity bonus for the year 2010.

It should be noted that throughout the proceeding, Employee's counsel repeatedly drew attention to the fact that a large number of similarly situated AFSCME employees have filed Wage & Hour claims regarding the issue of a longevity bonus.

Traditionally, the City of Detroit has annually paid a longevity bonus to city employees during the month of December. The amount of the bonus was determined by the individual employee's years of service.

The longevity bonus was incorporated into past Master Agreements between the City of Detroit and AFSCME (Employee Exhibit 1 & Employer Exhibit 2b). The 2005-2008 collective bargaining agreement (CBA) language stated in pertinent part:

Employees who have qualified for longevity pay and have accumulated at least sixteen hundred (1600) hours of straight time regular payroll hours of paid time during the year immediately preceding any December 1 date or other day of payment will qualify for a full longevity payment provided they are on the payroll on the December 1 date or any other date of qualification. Except for employees first qualifying for increments, the payment will be

made in a lump sum annually on the first pay date after December 1 (Employee Exhibit 1 at Page 43).

One of the disputes between the parties concerns whether employees were required to work 1600 hours or 1800 hours to obtain the 2010 longevity bonus (Exhibit 1 compared to Exhibit 2b). It appears that originally 1800 hours was required to obtain the bonus, but this was revised down to 1600 hours to factor into consideration employee furlough days.

Further, Senior Personnel Payroll Clerk Derek Gibson testified that traditionally the calculation for longevity pay involved "all paid bank time". Elaborating, Mr. Gibson indicated that this included regular work time, vacation time, sick time, reserved sick time, holidays, comp time and jury duty (Tr. Page 87, lines 14-18). I find that this was the policy for calculating the longevity payment, although it was not a policy clearly specified in the actual written contract between the parties (Employee Exhibit 4 & 5 compared to Employee Exhibit 1).

Mr. Gibson also testified credibly that historically a formula was utilized to provide longevity pay on a pro-rated basis to employees who did not meet the 1600 hour requirement by December 1<sup>st</sup> (Tr. Page 90, lines 9-19). Employee's counsel argued that this information was not utilized by the Wage Hour Investigator in determining Employee's eligibility for a longevity payment. For the reasons discussed below, neither the longevity payment calculation criteria nor the pro-rata formula is relevant in the final analysis.

Although the longevity pay bonus was provided historically, longevity pay is not contained within the document which is titled as the 2008-2012 Master Agreement between the City of Detroit and AFSCME (Employer Exhibit 6). The record establishes that the City of Detroit and AFSCME engaged in a protracted two year negotiation process concerning the terms of the 2008-2012 collective bargaining agreement between the parties.

AFSCME ultimately filed an August 10, 2009 Petition for Fact Finding with the Michigan Employment Relations Commission (MERC). As a result, a Fact Finder was appointed on October 21, 2009 (Employer Exhibit 2c at Page 2). A Fact Finding Hearing began on December 21, 2009 and continued on twenty two additional dates, ending with the exchange of post-hearing briefs in May 2010. The Fact Finding Report that resulted was issued on June 25, 2010. Many issues were addressed by the Fact Finder. Relevant to this proceeding is that the Fact Finder recommended that longevity pay be discontinued.

Prior to the Fact Finding proceeding, the last offer made by the City of Detroit to AFSCME was rejected by the Union. The hearing record indicates that this offer, rejected in November 2009, would have generally maintained the longevity bonus. Specifically, the offer proposed that if an employee had a ten-day suspension or more, they would not receive longevity pay for that year.

During this period of Fact Finding and negotiations, Union members meeting the appropriate qualifications were paid annual longevity bonuses in December 2009.

After issuance of the June 2010 Fact Finding Report, in conjunction with MERC procedures a sixty (60) day period ensued where the parties were allowed to continue bargaining in an attempt to reach a resolution. The parties remained unable to come to terms on a collective bargaining agreement and effectively reached an impasse. On September 9, 2010, after the sixty (60) day period elapsed, City of Detroit Labor Relations Director Joseph Martinico notified AFSCME and the Detroit City Council that it would exercise its legal right to impose the City's last proposals on the open issues between the parties. On September 28, 2010, the Detroit City Council passed a resolution, implementing terms which included longevity pay being eliminated in its entirety (Employer Exhibit D at Page 3). This resolution was approved by Detroit's Mayor on October 5, 2010 (Employer Exhibit F).

On October 13, 2010, the City of Detroit wrote a correspondence to AFSCME Council 25 President Albert Garrett (Employee Exhibit 2). The letter stated in pertinent part:

In light of the fact that the City has fully fulfilled its bargaining duty with regard to the Fact-Finder's Report and Recommendations, the City maintains that it has the legal right under PERA {Michigan Public Employment Relations Act} to implement its final impasse position regarding all of the issues presented to the Fact-Finder. Attached please find a list of the economic provisions that the City intends to implement. Effective on October 25, 2010...longevity pay shall be eliminated and tuition refund suspended. effective immediately (Employee Exhibit 2 at Page 2).

On January 19, 2011, AFSCME Council 25 President Albert Garrett wrote Director of Labor Relations Joseph Martinico regarding the "2008-2012 City of Detroit & AFSCME, Council 25 Labor Contracts" (Employer Exhibit 5). This correspondence accepts the terms that were imposed on October 25, 2010 by the City of Detroit. The language in the January 19, 2011 letter states:

As we both know, the City of Detroit and AFSCME have engaged in negotiations over the terms of a collective bargaining agreement for more than two years. The process included mediation and ultimately fact finding before a State appointed Fact Finder. The Fact Finder's report was issued on June 25, 2010 and the parties continued bargaining for more than 60 days following the release of the report, without reaching agreement. Following exhaustion of all of the procedures required by law, the City exercised its right to impose contract terms.

AFSCME understands that the City has lawfully imposed a full agreement on AFSCME and its affiliated units of the City of Detroit. AFSCME understands that this imposition is for the full agreement, including all terms imposed by the City and all other Articles tentatively agreed to by the parties during negotiations, for all five master agreements representing the AFSCME and all units (except the Emergency Services Operations (ESO) unit, as indicated below). AFSCME, and its affiliated City of Detroit unions and locals, accepts the imposed agreements and accepts said terms as final and binding upon the parties and shall withdraw all fact finding petitions filed on behalf of said

unions and locals, based upon said understandings.

AFSCME acknowledges that the imposition will be effective for all of its affiliated unions and locals (and their respective bargaining agreements), except for the ESO unit. It is AFSCME's position that ESOs are eligible for arbitration under Act 312 and the City disputes their eligibility at this time. Additionally, the City has informed the union that the application of furlough days for the Crossing Guards (Local 1863), Senior ESOs Telecommunications Operations (TCOs) and Senior TCOs have been waived for reasons of operational necessity. AFSCME's acceptance of the imposed terms is reliant upon these understandings as well.

Finally, AFSCME agrees to withdraw and/or refrain from filing any/all claims, charges, grievances or other litigation related in any way to the negotiation process or the imposition of contract terms by the City. This does not limit the union's right to grieve the City's interpretation or application of any such terms, or any subsequent unfair labor practice charges or grievances (Employer Exhibit 5).

### CONCLUSIONS OF LAW

The principles that govern judicial proceedings also apply to administrative hearings. The Employee is the appellant in this case and must prove by a preponderance of the evidence that the determination order should be rescinded or modified.

As a general rule, there is no longer any authority under Act 390 to interpret a collective bargaining agreement covered by federal labor law (Wage Hour General Entry XV). However, this does not apply to collective bargaining agreements involving CBAs in public employment. Therefore, there is jurisdiction over public sector claims *Lawrence v City of Detroit* WH 90-669 (1992), *Wage Hour Digest, supra*, ¶1232.

Employee's counsel avers that the Division's Determination Order committed a fundamental error in how it viewed the longevity payment, arguing that the longevity payment at issue should be viewed as wages as opposed to a fringe benefit.

I find that the longevity pay being sought is properly viewed as a fringe benefit bonus as opposed to earned wages. The clear language of Section 1(e), quoted above, indicates that the term fringe benefit includes *bonuses* paid by an Employer pursuant to a written contract or written policy. R 408.9002(2)(d) defines the term *bonus*, as used in Act 390, to mean a premium or extra or irregular remuneration in addition to wages that is awarded to an employee under a written contract or written policy.

In the present matter, the longevity payment was clearly a premium or extra remuneration allowed under previous collective bargaining agreements. It was an incentive for attendance and loyalty to Employer derived by looking at years of service and the yearly hours of service provided by an employee, but it was not a wage. In *Elarton v Lenawee Hills Memorial Park Association, Inc* WH 84-4216 (1985), *Wage Hour Digest, supra*, ¶557,

an employee was to receive a payment, characterized as a bonus, if still employed on June 1, 1984. The bonus was to be calculated at a rate of 50 cents for each hour the employee had worked. The *Elarton* Administrative Law Judge held that the disputed sum was indeed a bonus and subject to the requirement of a written contract. It was not viewed as a wage even though the sum was clearly calculated by looking at the hours worked by the employee. A longevity payment, such as the one at issue presently, is properly characterized under Act 390 as a bonus and should not be viewed as akin to an hourly wage.

Employee, through counsel, raises numerous arguments that a 2010 longevity bonus should be paid. Looking to the rationale of the Wage Hour Investigator, Employee's counsel argues that there was a miscalculation of whether Employee met the 1600 hour requirement for the longevity payment. Employee's counsel noted that the Wage Hour Investigator calculated Employee's 2010 hours by looking at only the straight time worked by Employee until October 2010. As indicated above, the testimony of Payroll Clerk Derek Gibson clearly conveyed that the calculation was based upon straight time, as well as vacation time, sick time, holidays, and other periods.

Employee argues further that there was a policy to pay even partial, pro-rated longevity payments to employees who did not meet the minimum hours worked in a year (Exhibit 4 & 5). As such, Employee's counsel asserts that at least a pro-rata payment should be due to Employee based upon hours worked until imposition of terms by the City of Detroit.

Further, Employee's counsel, drawing upon labor law, asserts that Employer could not impose the terms recommended by the Fact Finder, but should instead be left with the terms last offered by Employer prior to fact finding, which would have largely preserved the longevity bonus.

However, I find that Employee's arguments, whether based on last best offer, or past longevity payment calculation and pro-rata disbursement methods, do not overcome the fact that Employer and AFSCME agreed to a contract that no longer provided for the longevity payment.

The key document in this analysis is the January 19, 2011 correspondence from AFSCME Council 25 President Albert Garrett to Employer's Director of Labor Relations, Joseph Martinico. It is quoted above in its entirety due to the language it employs. In the January 2011 correspondence, President Garrett unambiguously agrees, on behalf of AFSCME membership, to the changes in conditions of employment that were imposed by the City of Detroit; terms which eliminate longevity payments. In key part, the letter states that "AFSCME understands that the City has lawfully imposed a full agreement on AFSCME and its affiliated units of the City of Detroit. AFSCME understands that this imposition is for the full agreement, including all terms imposed by the City...AFSCME, and its affiliated City of Detroit unions and locals, accepts the imposed agreements and accepts said terms as final and binding upon the parties" (Employer Exhibit 5). This language is unambiguous and indicates an acceptance of contract terms which included the elimination of the longevity bonus.

Additionally, the correspondence states that "AFSCME agrees to withdraw and/or refrain from filing any/all claims, charges, grievances or other litigation related in any way to the negotiation process or the imposition of contract terms by the City. This does not limit the union's right to grieve the City's interpretation or application of any of such terms, or any subsequent unfair labor practices charges or grievances" (Employer Exhibit 5 at Page 2). I note that a signature block was provided on the letter for Director of Labor Relations Martinico and that it was signed above typed print indicating "AGREED" (Employer Exhibit 5 at Page 2) (Emphasis from original).

In Petitioner's Post Hearing Brief, counsel acknowledges that the Union can waive an unfair labor practice charge or a grievance, but notes that the Union can not waive the rights of its membership to bring a claim under Act 390. Employee's counsel cites the case of *Admiral Merchants Motor Freight, Inc v Dept of Labor*, 149 Mich App 344 (1986) in support of the position that an individual employee's rights under Act 390 cannot be waived by a contract or agreement negotiated by an exclusive bargaining representative (Petitioner's Post Hearing Brief at Page 10).

In reviewing *Admiral Merchants*, I note that the factual circumstances were somewhat different then the present matter. *Admiral Merchants* concerned an Act 390 claim by two employees. The employees' claims concerned the same issues embodied in a federal suit filed by the International Teamsters Union.

Clearly, *Admiral Merchants* reinforces the rights of employees to seek relief through a claim under Act 390. Employee Story has that right and has exercised it in the present matter. However, while an employee has a right to pursue an Act 390 claim, the employee can not obtain relief greater than that afforded by the statute.

The January 19, 2011 letter between the City of Detroit and the Union represents a meeting of the minds, both sides receiving consideration for their agreement. I find that it is a contract made on behalf of AFSCME members, including Employee Story, by an individual with apparent and actual authority to act on behalf of the AFSCME membership.

A recurrent theme present in the arguments of Employee's counsel sounded in equity. Counsel drew an analogy, arguing that the present situation was similar to an Employer hiring an Employee for \$500.00 a week, to be paid on Friday, and then reducing the compensation to \$400.00 on Thursday (Tr. Page 30). Counsel was eloquent in repeatedly noting that most of the employees affected by the longevity bonus made modest incomes for their hard work on behalf of the City of Detroit. In *Todd v Nemic Machinery Company* WH 96-51 (1996), *Wage Hour Digest, supra*, ¶1070, it was acknowledged that an Administrative Law Judge has no equitable powers to create a solution at odds with Act 390. In *Todd*, a change to an employee handbook in January 1995 resulted in an employee being denied a bonus by a narrow window of time. The employee worked through the entire bonus calculation period which ended on March 31, 1995, but was denied the bonus due to not being employed when the bonuses were physically issued two weeks later.

Issued and entered  
this 15<sup>th</sup> day of January, 2013

DECISION OF THE ADMINISTRATIVE LAW JUDGE

PROCEDURAL HISTORY

This is a proceeding held under Section 11 of 1978 PA 390, as amended, the Wage and Fringe Benefit Act (Act 390), MCL 408.481; and in accordance with 1969 PA 306, as amended, the Administrative Procedures Act (APA), MCL 24.201 *et seq.*

The purpose of this review is to examine Determination Order No. 160794 issued by the Department of Licensing & Regulatory Affairs, Wage Hour Division on March 8, 2012.

The Department determined that Act 390 was not violated "because payment of fringe benefit(s), longevity pay bonus, is not required by the terms set forth in the written fringe benefit policy/contract." Employee Haynesworth, through counsel, filed a March 20, 2012 appeal of the Determination Order.

This matter was subject to a fairly long procedural history. A hearing was originally scheduled for May 9, 2012. On April 18, 2012, Employer's counsel requested an adjournment of the initial hearing date. An April 26, 2012 Order Granting Adjournment set a new hearing date of June 11, 2012. On May 2, 2012, Employee's counsel requested an adjournment of the June 11, 2012 hearing date. A May 17, 2012 Order Granting Adjournment set a new hearing date of July 12, 2012.

On June 21, 2012, Employee's counsel submitted a correspondence requesting that a pre-hearing conference be scheduled for the purpose of allowing counsel time to inspect documents held by the City of Detroit. On June 22, 2012, Employer's counsel submitted a correspondence objecting to the necessity of the proposed pre-hearing conference. In response to these communications, I convened a telephone pre-hearing on June 28, 2012.

After the phone conference, the hearing remained scheduled for July 12, 2012 and the daylong hearing proceeded as scheduled at the Michigan Administrative Hearing System, Cadillac Place, Detroit, Michigan.

The hearing on this Determination Order and Docket 12-000523, another very similar claim concerning the same Employer, were consolidated on July 12, 2012 for hearing purposes only. Although necessarily similar in content, a separate Decision and Order will be issued regarding Docket 12-000523.

Employee Haynesworth was not present at the hearing and this is discussed below. Employee was represented by Attorney Richard G. Mack, Jr. The City of Detroit was represented at the hearing by Attorney Letitia C. Jones. A representative of the Wage Hour Division did not appear. The hearing proceeded in the absence of this party pursuant to Section 72(1) of the APA. Administrative Law Judge David Cohen presided.

At the close of the hearing, I acquiesced to a request from Employee's counsel to allow closing arguments via brief. A briefing schedule was set after the parties were in receipt of the transcript in the matter.

## ISSUES AND APPLICABLE LAW

Are fringe benefits (a longevity pay bonus) due Employee? That is, did the Employer violate Section 3 of Act 390?

A bonus, such as a longevity payment, is a fringe benefit under Act 390. Section 1(e) defines "Fringe benefits" as:

"Fringe benefits" means compensation due an employee pursuant to a written contract or written policy for holiday, time off for sickness or injury, time off for personal reasons or vacation, bonuses, authorized expenses incurred during the course of employment, and contributions made on behalf of an employee.

Section 3 of Act 390 provides:

An employer shall pay fringe benefits to or on behalf of an employee in accordance with the terms set forth in the written contract or written policy.

### FINDINGS OF FACT

Employee Rosemary Haynesworth is employed by the City of Detroit in the city's General Services Department. Employee Haynesworth is a member of the American Federation of State County and Municipal Employees (AFSCME) Local 542. The present matter solely concerns Employee Haynesworth's claim for a \$150.00 longevity bonus for the year 2010.

It should be noted that throughout the proceeding, Employee's counsel repeatedly drew attention to the fact that a large number of similarly situated AFSCME employees have filed Wage & Hour claims regarding the issue of a longevity bonus.

Traditionally, the City of Detroit has annually paid a longevity bonus to city employees during the month of December. The amount of the bonus was determined by the individual employee's years of service.

The longevity bonus was incorporated into past Master Agreements between the City of Detroit and AFSCME (Employee Exhibit 1 & Employer Exhibit 2b). The 2005-2008 collective bargaining agreement (CBA) language stated in pertinent part:

Employees who have qualified for longevity pay and have accumulated at least sixteen hundred (1600) hours of straight time regular payroll hours of paid time during the year immediately preceding any December 1 date or other day of payment will qualify for a full longevity payment provided they are on the payroll on the December 1 date or any other date of qualification.

Except for employees first qualifying for increments, the payment will be made in a lump sum annually on the first pay date after December 1 (Employee Exhibit 1 at Page 43).

One of the disputes between the parties concerns whether employees were required to work 1600 hours or 1800 hours to obtain the 2010 longevity bonus (Exhibit 1 compared to Exhibit 2b). It appears that originally 1800 hours was required to obtain the bonus, but this was revised down to 1600 hours to factor into consideration employee furlough days.

Further, Senior Personnel Payroll Clerk Derek Gibson testified that traditionally the calculation for longevity pay involved "all paid bank time". Elaborating, Mr. Gibson indicated that this included regular work time, vacation time, sick time, reserved sick time, holidays, comp time and jury duty (Tr. Page 87, lines 14-18). I find that this was the policy for calculating the longevity payment, although it was not a policy clearly specified in the actual written contract between the parties (Employee Exhibit 4 & 5 compared to Employee Exhibit 1).

Mr. Gibson also testified credibly that historically a formula was utilized to provide longevity pay on a pro-rated basis to employees who did not meet the 1600 hour requirement by December 1<sup>st</sup> (Tr. Page 90, lines 9-19). Employee's counsel argued that this information was not utilized by the Wage Hour Investigator in determining Employee's eligibility for a longevity payment. For the reasons discussed below, neither the longevity payment calculation criteria nor the pro-rata formula is relevant in the final analysis.

Although the longevity pay bonus was provided historically, longevity pay is not contained within the document which is titled as the 2008-2012 Master Agreement between the City of Detroit and AFSCME (Employer Exhibit 6). The record establishes that the City of Detroit and AFSCME engaged in a protracted two year negotiation process concerning the terms of the 2008-2012 collective bargaining agreement between the parties.

AFSCME ultimately filed an August 10, 2009 Petition for Fact Finding with the Michigan Employment Relations Commission (MERC). As a result, a Fact Finder was appointed on October 21, 2009 (Employer Exhibit 2c at Page 2). A Fact Finding Hearing began on December 21, 2009 and continued on twenty two additional dates, ending with the exchange of post-hearing briefs in May 2010. The Fact Finding Report that resulted was issued on June 25, 2010. Many issues were addressed by the Fact Finder. Relevant to this proceeding is that the Fact Finder recommended that longevity pay be discontinued.

Prior to the Fact Finding proceeding, the last offer made by the City of Detroit to AFSCME was rejected by the Union. The hearing record indicates that this offer, rejected in November 2009, would have generally maintained the longevity bonus. Specifically, the offer proposed that if an employee had a ten-day suspension or more, they would not receive longevity pay for that year.

During this period of Fact Finding and negotiations, Union members meeting the appropriate qualifications were paid annual longevity bonuses in December 2009.

After issuance of the June 2010 Fact Finding Report, in conjunction with MERC procedures a sixty day period ensued where the parties were allowed to continue bargaining in an attempt to reach a resolution. The parties remained unable to come to terms on a collective bargaining agreement and effectively reached an impasse. On September 9, 2010, after the sixty day period elapsed, City of Detroit Labor Relations Director Joseph Martinico notified AFSCME and the Detroit City Council that it would exercise its legal right to impose the City's last proposals on the open issues between the parties. On September 28, 2010, the Detroit City Council passed a resolution, implementing terms which included longevity pay being eliminated in its entirety (Employer Exhibit D at Page 3). This resolution was approved by Detroit's Mayor on October 5, 2010 (Employer Exhibit F).

On October 13, 2010, the City of Detroit wrote a correspondence to AFSCME Council 25 President Albert Garrett (Employee Exhibit 2). The letter stated in pertinent part:

In light of the fact that the City has fully fulfilled its bargaining duty with regard to the Fact-Finder's Report and Recommendations, the City maintains that it has the legal right under PERA {Michigan Public Employment Relations Act} to implement its final impasse position regarding all of the issues presented to the Fact-Finder. Attached please find a list of the economic provisions that the City intends to implement. Effective on October 25, 2010...longevity pay shall be eliminated and tuition refund suspended effective immediately (Employee Exhibit 2 at Page 2).

On January 19, 2011, AFSCME Council 25 President Albert Garrett wrote Director of Labor Relations Joseph Martinico regarding the "2008-2012 City of Detroit & AFSCME, Council 25 Labor Contracts" (Employer Exhibit 5). This correspondence accepts the terms that were imposed on October 25, 2010 by the City of Detroit. The language in the January 19, 2011 letter states:

As we both know, the City of Detroit and AFSCME have engaged in negotiations over the terms of a collective bargaining agreement for more than two years. The process included mediation and ultimately fact finding before a State appointed Fact Finder. The Fact Finder's report was issued on June 25, 2010 and the parties continued bargaining for more than 60 days following the release of the report, without reaching agreement. Following exhaustion of all of the procedures required by law, the City exercised its right to impose contract terms.

AFSCME understands that the City has lawfully imposed a full agreement on AFSCME and its affiliated units of the City of Detroit. AFSCME understands that this imposition is for the full agreement, including all terms imposed by the City and all other Articles tentatively agreed to by the parties during negotiations, for all five master agreements representing the AFSCME and all units (except the Emergency Services Operations (ESO) unit, as indicated below). AFSCME, and its affiliated City of Detroit unions and locals, accepts the imposed agreements and accepts said terms as final and binding upon

AFSCME acknowledges that the imposition will be effective for all of its affiliated unions and locals (and their respective bargaining agreements), except for the ESO unit. It is AFSCME's position that ESOs are eligible for arbitration under Act 312 and the City disputes their eligibility at this time. Additionally, the City has informed the union that the application of furlough days for the Crossing Guards (Local 1863), Senior ESOs Telecommunications Operations (TCOs) and Senior TCOs have been waived for reasons of operational necessity. AFSCME's acceptance of the imposed terms is reliant upon these understandings as well.

### CONCLUSIONS OF LAW

As a general rule, there is no longer any authority under Act 390 to interpret a collective bargaining agreement covered by federal labor law (Wage Hour General Entry XV). However, this does not apply to collective bargaining agreements involving CBAs in public employment. Therefore, there is jurisdiction over public sector claims *Lawrence v City of Detroit* WH 90-669 (1992), *Wage Hour Digest, supra*, ¶1232.

At the outset of my analysis, I note that Employee Rosemary Haynesworth did not appear at the hearing in this matter. As such, there is precedent for dismissing Employee Haynesworth's individual claim. In *Cooper, Graft, Martin, Savitski, McCormick, Dara & Trierweiler v Auto Mart Inc of Portland d/b/a Davis Ford Mercury* WH 91-565 thru 91-571 (1992), *Wage Hour Digest, supra*, ¶1049, a group of employees brought a claim against an employer. Three employees did not physically appear at the hearing in the matter and their claim was dismissed. This would be in holding with *Wage Hour Digest* General Entry XVI which indicates that dismissal is appropriate if an appellant fails to appear at a hearing. However, Employee Haynesworth's interests were represented by counsel. Further, both parties, through counsel, have expressed a vested interest in seeking a definitive resolution of the matter through the hearing process. As such, I decline to dismiss this matter based on Ms. Haynesworth's absence from the proceeding.

Employee's counsel avers that the Division's Determination Order committed a fundamental error in how it viewed the longevity payment, arguing that the longevity payment at issue should be viewed as wages as opposed to a fringe benefit.

I find that the longevity pay being sought is properly viewed as a fringe benefit bonus as opposed to earned wages. The clear language of Section 1(e), quoted above, indicates that the term fringe benefit includes *bonuses* paid by an Employer pursuant to a written contract or written policy. R 408.9002(2)(d) defines the term *bonus*, as used in Act 390, to mean a premium or extra or irregular remuneration in addition to wages that is awarded to an employee under a written contract or written policy.

In the present matter, the longevity payment was clearly a premium or extra remuneration allowed under previous collective bargaining agreements. It was an incentive for attendance and loyalty to Employer derived by looking at years of service and the yearly hours of service provided by an employee, but it was not a wage. In *Elarton v Lerawee Hills Memorial Park Association, Inc* WH 84-4216 (1985), *Wage Hour Digest, supra*, ¶557, an employee was to receive a payment, characterized as a bonus, if still employed on June 1, 1984. The bonus was to be calculated at a rate of 50 cents for each hour the employee had worked. The *Elarton* Administrative Law Judge held that the disputed sum was indeed a bonus and subject to the requirement of a written contract. It was not viewed as a wage even though the sum was clearly calculated by looking at the hours worked by the employee. A longevity payment, such as the one at issue presently, is properly characterized under Act 390 as a bonus and should not be viewed as akin to an hourly wage.

Employee, through counsel, raises numerous arguments that a 2010 longevity bonus should be paid. Looking to the rationale of the Wage Hour Investigator, Employee's counsel argues that there was a miscalculation of whether Employee met the 1600 hour requirement for the longevity payment. Employee's counsel noted that the Wage Hour Investigator calculated Employee's 2010 hours by looking at only the straight time worked by Employee until October 2010. As indicated above, the testimony of Payroll Clerk Derek Gibson clearly conveyed that the calculation was based upon straight time, as well as vacation time, sick time, holidays, and other periods.

Employee argues further that there was a policy to pay even partial, pro-rated longevity payments to employees who did not meet the minimum hours worked in a year (Exhibit 4 & 5). As such, Employee's counsel asserts that at least a pro-rata payment should be due to Employee based upon hours worked until imposition of terms by the City of Detroit.

Further, Employee's counsel, drawing upon labor law, asserts that Employer could not impose the terms recommended by the Fact Finder, but should instead be left with the terms last offered by Employer prior to fact finding, which would have largely preserved the longevity bonus.

However, I find that Employee's arguments, whether based on last best offer, or past longevity payment calculation and pro-rata disbursement methods, do not overcome the

fact that Employer and AFSCME agreed to a contract that no longer provided for the longevity payment.

The key document in this analysis is the January 19, 2011 correspondence from AFSCME Council 25 President Albert Garrett to Employer's Director of Labor Relations, Joseph Martinico. It is quoted above in its entirety due to the language it employs. In the January 2011 correspondence, President Garrett unambiguously agrees, on behalf of AFSCME membership, to the changes in conditions of employment that were imposed by the City of Detroit; terms which eliminate longevity payments. In key part, the letter states that "AFSCME understands that the City has lawfully imposed a full agreement on AFSCME and its affiliated units of the City of Detroit. AFSCME understands that this imposition is for the full agreement, including all terms imposed by the City...AFSCME, and its affiliated City of Detroit unions and locals, accepts the imposed agreements and accepts said terms as final and binding upon the parties" (Employer Exhibit 5). This language is unambiguous and indicates an acceptance of contract terms which included the elimination of the longevity bonus.

Additionally, the correspondence states that "AFSCME agrees to withdraw and/or refrain from filing any/all claims, charges, grievances or other litigation related in any way to the negotiation process or the imposition of contract terms by the City. This does not limit the union's right to grieve the City's interpretation or application of any of such terms, or any subsequent unfair labor practices charges or grievances" (Employer Exhibit 5 at Page 2). I note that a signature block was provided on the letter for Director of Labor Relations Martinico and that it was signed above typed print indicating "AGREED" (Employer Exhibit 5 at Page 2) (Emphasis from original).

In Petitioner's Post Hearing Brief, counsel acknowledges that the Union can waive an unfair labor practice charge or a grievance, but notes that the Union can not waive the rights of its members to bring a claim under Act 390. Employee's counsel cites the case of *Admiral Merchants Motor Freight, Inc v Dept of Labor*, 149 Mich App 344 (1986) in support of the position that an individual employee's rights under Act 390 cannot be waived by a contract or agreement negotiated by an exclusive bargaining representative (Petitioner's Post Hearing Brief at Page 10).

In reviewing *Admiral Merchants*, I note that the factual circumstances were somewhat different than the present matter. *Admiral Merchants* concerned an Act 390 claim by two employees. The employees' claims concerned the same issues embodied in a federal suit filed by the International Teamsters Union.

Clearly, *Admiral Merchants* reinforces the rights of employees to seek relief through a claim under Act 390. Employee Haynesworth has that right and has exercised it in the present matter. However, while an employee has a right to pursue an Act 390 claim, the employee can not obtain relief greater than that afforded by the statute.

The January 19, 2011 letter between the City of Detroit and the Union represents a meeting of the minds, both sides receiving consideration for their agreement. I find that it

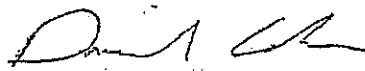

is a contract made on behalf of AFSCME members, including Employee Haynesworth, by an individual with apparent and actual authority to act on behalf of the AFSCME members.

A recurrent theme present in the arguments of Employee's counsel sounded in equity. Counsel drew an analogy, arguing that the present situation was similar to an Employer hiring an Employee for \$500.00 a week, to be paid on Friday, and then reducing the compensation to \$400.00 on Thursday (Tr. Page 30). Counsel was eloquent in repeatedly noting that most of the employees affected by the longevity bonus made modest incomes for their hard work on behalf of the City of Detroit. In *Todd v Nemic Machinery Company* WH 96-51 (1996), *Wage Hour Digest, supra*, ¶1070, it was acknowledged that an Administrative Law Judge has no equitable powers to create a solution at odds with Act 390. In *Todd*, a change to an employee handbook in January 1995 resulted in an employee being denied a bonus by a narrow window of time. The employee worked through the entire bonus calculation period which ended on March 31, 1995, but was denied the bonus due to not being employed when the bonuses were physically issued two weeks later.

Under Act 390, the payment of bonuses, such as a longevity payment bonus, is determined pursuant to the terms of a written contract or written agreement between the parties. The contract agreement, demonstrated by the January 19, 2011 correspondence, applies in this matter. It no longer provides for a longevity bonus.

PETITION FOR REVIEW

NOW COME Petitioners-Appellants, Dean Story and Rosemarie Haynesworth, by and through their attorneys, Miller Cohen PLC, and for their Petition for Review state as follows:

Petitioners seek review of a Decision entered by Administrative Law Judge David Cohen on January 15, 2013 involving an action brought under the Michigan Wage and Fringe Benefit Act, MCL § 408.481, in which Petitioners alleged that their employer, the City of Detroit, had failed to pay contractually mandated longevity pay that had accrued for time already worked.

**I. JURISDICTION AND VENUE**

1. This Court has jurisdiction to hear appeals from an Administrative Law Judge's decision relating to a determination issued by the Department of Licensing & Regulatory Affairs, Wage Hour Division under MCL § 408.481(9) and per MCL § 24.304.

MILLER COHEN, P.L.C.  
ATTORNEYS AND COUNSELORS AT LAW  
600 WEST LAFAYETTE BLVD.  
DETROIT, MICHIGAN 48226-0840  
(313) 964-4454

2. According to MCL § 408.481(9), review is appropriate “in the circuit where the employee is a resident, where the employment occurred, or where the employer has a principal place of business.”

3. Petitioner-appellant, Dean Story, is an individual resident of Detroit, MI. He is a member of a labor organization, AFSCME Local 542, the exclusive bargaining representative for bargaining unit members employed by the City of Detroit.

4. Petitioner-appellant, Rosemarie Haynesworth, is an individual resident of Detroit. She is a member of a labor organization, AFSCME Local 542, the exclusive bargaining representative for bargaining unit members employed by the City of Detroit.

5. Respondent-appellee, City of Detroit, is a government entity doing business in the County of Wayne.

## II. NATURE OF THE PROCEEDINGS

6. Petitioners, Rosemary Haynesworth and Dean Story, are members of AFSCME Local 542 who work for the City of Detroit in the general services department. Mr. Story has over twenty-six years of seniority; Ms. Haynesworth about nine years.

7. Local 542 represents employees of the City of Detroit, including the City of Detroit's general services department. Bargaining unit members of Local 542 made until recently, on average, between \$25,000 and \$30,000 a year. Recently, the City enacted a 10% base wage cut, health care employee costs amounting to almost 10% of employee compensation, and another 10% reduction in pay accomplished through furlough days. Thus, for a furloughing employee making approximately \$30,000 per year before these cuts, the employee is now making just above \$20,000 per year (gross).

8. AFSCME negotiates a Master Agreement, or collective bargaining agreement covering a number of different union locals, with the City of Detroit. There are approximately

2500 AFSCME-represented employees in the City of Detroit, all of whom work under the Master Agreement. This Master Agreement covers employees in eighteen (18) different locals.

9. While the parties were negotiating a successor collective bargaining agreement to the 2005-2008 Master Agreement (hereinafter, the "Master Agreement"), the agreement was in full force and effect up until October 13, 2010. (*Exhibit A*) The City terminated the agreement at that time. Indeed, that Agreement was explicitly extended until one of the parties were to provide ten days of written notice as to termination according to its very terms. (*Id.*) Specifically, the CBA states that:

"In the event that the City and the Union fail to arrive at an agreement on wages, fringe benefits, other monetary matters, and non-economic items by June 30, 2008, the Agreement will remain in effect on a day to day basis. Either party may terminate the agreement by giving the other party a ten (10) written notice on or after June 20, 2008."<sup>1</sup>

(*Id.*) The City terminated the agreement on October 13, 2010.

10. From July 2006 to October 13, 2010, AFSCME members worked under Article 25 of the Master Agreement between AFSCME and the City of Detroit.

11. Under Article 25 of the Master Agreement, employees received longevity pay based on the number of years of seniority, starting with \$150 for those who have served for five years and ending with \$750 for those who have served twenty-six years. (*Exhibit A*) Specifically, Article 25 subsection B of the collective bargaining agreement defines how employees qualify on an annual basis for longevity pay:

Employees who have qualified for longevity pay and have accumulated at least sixteen hundred (1600) hours of straight time regular payroll hours of paid time during the year immediately preceding any December 1 date or other day of payment will qualify for a full longevity payment provided they are on the payroll on December 1 date or any other date of qualification. Except for employees first qualifying for increments, the payment will be made in a lump sum annually on the first pay date after December 1.

<sup>1</sup> Also of important note is Article 52, which states that "[T]he Agreement will remain in effect on a day to day basis. Either party may terminate the agreement by giving the other party a ten (10) day written notice on or after June 20, 2008." (*Id.*)

(Id.)(emphasis added) In determining what time to consider regarding the 1600 hour requirement, the parties included regular work time, banked leave time, vacation time, sick time, bereavement leave, holiday time, comp time, and jury duty with overtime being the only exception. (Id.)

12. Additionally, if an employee does not meet the 1600 hours, he or she can still receive the prorated amount as long as the employee worked twenty hours per month. (Id.)

13. Also, according to Detroit's Municipal Code, longevity pay is provided to City employees, and represents "a *reward* based on length of service." Detroit Municipal Code § 13-7-1. Under the City Ordinance, City employees are entitled to longevity pay if they work 216 days from the immediately preceding December first. Detroit Municipal Code § 13-7-2(c).

14. Also, Respondent maintained a written policy that human resources relied upon to calculate the longevity pay. (*Exhibit B*)

15. Regardless of these still-effective Ordinance provisions and policies, on October 13, 2010, Respondent sent a letter to Al Garrett, President of AFSCME Council 25, stating that the City was eliminating longevity pay. (*Exhibit C*) The effect of this was to not only change the policy moving forward into the next year, but to deny City employees longevity pay for time that had already been served in 2010.

16. By October 13<sup>th</sup>, both Petitioners had already met the 1600 hour requirement. Specifically, Mr. Story had about 1,784 hours and Ms. Haynesworth had about 1,726.7 hours, according to the payroll audits performed by the Wage and Hour Division. Additionally, Petitioners were likely not alone. After all, 1600 hours is approximately 77% of a full-time work year of 2080 hours; yet, October 13<sup>th</sup> rests at the completion of 78% of the year. A full time AFSCME-represented employee would attain his/her 1600 hours, starting work with the first of December 2009, sometime during the first two weeks of September 2010. Thus, the average

AFSCME member has attained the 1600 hour threshold while working under the longevity provisions of the most-recent agreement, as of October 13, 2010.

17. Petitioners filed a charge with the Michigan Department of Licensing and Regulatory Affairs, Wage Hour Division, alleging that the deprivation of longevity pay was a violation of the Michigan Wage and Fringe Benefit Act, MCL § 408.481 (hereinafter, Act 390). The Petitioners and the Department maintained that the result reached with the Petitioners' case would likely control the result of the hundreds of other AFSCME-represented employees who also filed claims with the Department for lost longevity.

18. The Department rendered its determination that there was no violation of Act 390 on March 8, 2012. Petitioners properly filed an appeal that led to a full evidentiary hearing on July 12, 2012 and post-hearing briefs were filed in August 2012.

19. In a Decision from Administrative Law Judge David Cohen issued on January 15, 2013, the ALJ affirmed the Department's determination. (*Exhibit D*) Interestingly, the rationale of the ALJ varied from that of the Department, as to why the claims should be denied.

### III. GROUNDS ON WHICH RELIEF IS SOUGHT

20. Pursuant to the Administrative Procedures Act of 1969, Petitioners bring this Petition for Review on the basis that the ALJ's Decision was in violation of Act 390, was in excess of the statutory authority granted to the agency, was supported by a material error of law, and was not supported by competent, material, and substantial evidence on the whole of the record. MCL § 24.306. According to the Administrative Procedures Act: "The court, on request, shall hear oral arguments and receive written briefs." MCL § 24.304(3).

Accordingly, Petitioners request a briefing schedule from the Court, as well as a date for oral argument.

ATTORNEYS AND COUNSELORS AT LAW  
600 WEST LAFAYETTE BLVD.  
DETROIT, MICHIGAN 48226-0840  
(313) 964-4454

21. In the January 15<sup>th</sup> Decision, the ALJ primarily relied on a letter from AFSCME Council 25's President Al Garrett dated January 19, 2011. (*Exhibit E*) In that letter, President Garrett responded to Respondent's imposed agreement accepting that the City had properly imposed terms on the bargaining unit per the requirements of the Public Employment Relations Act, MCL § 423.201 *et seq* (PERA). Nowhere in President Garrett's letter did he waive the right of employees to be paid for already accrued compensation, but instead waived AFSCME's right to bring an unfair labor practice charge or grievance relating to the negotiation process or imposition of collective bargaining terms. Instead, President Garrett merely described the imposed terms prospectively, not accrued benefits that were already owed to bargaining unit members due to their service time that had already been performed.

22. Regardless of this distinction, the ALJ completely ignored the fact that Petitioners and their fellow employees had already accrued a right to be provided their longevity pay under the CBA that was currently in effect on October 13th. Also, the ALJ provided little rationale for disregarding case law cited to by Petitioners in their post-hearing brief. Namely, in *Admiral Merchants Motor Freight, Inc v Dept of Labor*, the Court of Appeals held that a labor organization cannot waive an employee's individual rights under Act 390. 149 Mich App 344 (1986).

23. Notably, the Court of Appeals in *Admiral Merchants* compared Act 390 to the Fair Labor Standards Act (FLSA) in deciding that Act 390 rights cannot be waived through the collective bargaining process. *Id.* at 351-53. This comparison to FLSA is quite appropriate considering the equally strong language in Section 11 of 390 Act. Rights under FLSA continue to be held by courts to be nonwaivable through collective bargaining. *See e.g., Barrentine v Arkansas-Best Freight System, Inc*, 450 US 728 (1981); *Brooklyn Savings Bank v O'Neill*, 324

US 697 (1945); *O'Brien v Encotech Constr Serv Inc*, 183 F Supp 2d 1047 (ND Ill 2002); *Gentry v Superior Court*, 165 P3d 556 (Cal. 2007).

24. Furthermore, the Michigan Employment Relations Commission (MERC) has no authority to enforce the Wage and Fringe Benefits Act (WFBA). See e.g., *Detroit Public Schools*, 20 MPER P 117 (2007). A plaintiff alleging a failure of his/her employer to pay wages or fringe benefits may either file a claim under the WFBA, or a lawsuit alleging a theory other than the WFBA (i.e., breach of contract). There is no obligation for the employee to exhaust the administrative remedies such as a grievance procedure under the WFBA before proceeding with other legal remedies. *Murphy v Sears, Roebuck & Co*, 190 Mich App 384, 388 (1991).

25. The ALJ distinguished the above-referenced case law arguing that *Admiral Merchants* only reaffirms that employees have a separate right to pursue remedy through Act 390. However, this misconstrues the law entirely--both *Admiral Merchants* and the FLSA cases the Court of Appeals cites to in that decision go beyond whether an employee can bring a claim under Act 390 separate and apart from a grievance or ULP. Instead, those cases indicate that a labor organization cannot negotiate away rights under Act 390 or FLSA. *Id.* at 195-96 (citing *Barrentine v Arkansas-Best Freight System, Inc*, 450 US 728, 740 (1981)) ("This Court's decisions interpreting the FLSA have frequently emphasized the nonwaivable nature of an individual employee's right to a minimum wage and to overtime pay under the Act. Thus, we have held that FLSA rights cannot be abridged by contract or otherwise waived because this would 'nullify the purposes' of the statute and thwart the legislative policies it has designed to effectuate. ... Moreover, we have held that congressionally granted FLSA rights take precedence over conflicting provisions in a collectively bargained compensation arrangement."))

26. Act 390 protects the rights of employees to be paid accrued wages or fringe benefits. This statutory right cannot be waived by a labor organization representing a collective

body of employees. Otherwise, an employer could change its written compensation policy after employees had already performed according to that document, and deny those employees the benefits they were promised. This interpretation is clearly at odds with the legislative rationale for Act 390.

27. Also, the ALJ completely ignored Petitioners' citation to relevant law regarding contract interpretation, even though the ALJ reiterated the importance of interpreting contractual language. The performance of City employees is reminiscent of a unilateral contract. The Michigan Court of Appeals stated in *Gaydos v White Motor Corp*, a case dealing with an employer's failure to provide promised severance pay, that "[a]s the employees continued to work [after the policy was established], consideration was supplied for a unilateral contract, upon which the employees had the right to rely." 54 Mich App 146, 148 (1974). In other words, Petitioners in this case had the right to expect payment for longevity pay because they had already begun performance.

28. Respondent's employees were led to believe that they would be paid longevity pay for 2009-2010 because Respondent paid longevity pay in 2008 and 2009, had several documents stating that employees would be paid longevity pay on the basis of hours worked in the year, and were even led to believe that longevity pay was not being removed from the successor agreement on the basis of their last best offer. Employees performed accordingly. In fact, by the time Respondent actually eliminated the longevity pay provision, over three-quarters of the year had passed. Consequently, Respondent has breached its duties and must provide all of its employees full longevity pay from December 1, 2009 to December 1, 2010 who achieved the 1600 hour requirement.

29. Finally, the ALJ largely ignored the four other documents that reflect "written policies" or plans that were in place dictating how employees would receive longevity pay. As

stated above and during the hearing, Petitioners' Exhibits 4 & 5 reflect the how longevity pay was calculated. In addition, the City Charter Provision directly requires that City employees receive "a reward based on length of service," which is exactly what longevity pay was. Detroit Municipal Code § 13-7-1. Furthermore, the City's own published ordinances state quite clearly that employees are entitled to longevity pay if they work 216 days from December 1<sup>st</sup>. Hence, there are several written sources that provide for how employees should be paid longevity pay that were deliberately overlooked by Respondent. Consequently, Petitioners and all employees similarly situated should be compensated accordingly.

#### IV. REQUESTED RELIEF

WHEREAS, Petitioner-Appellants request that this Court provide the parties a briefing schedule and oral argument per MCL § 24.304(3), and after considering those briefs and hearing oral argument, reverse ALJ Cohen's Decision and award Petitioner-Appellants, and all other similarly situated City employees the back longevity pay that was accrued for 2009-2010, along with interest, and all other damages that they would be entitled to under Act 309.

## ARBITRATOR'S OPINION AND AWARD

### APPEARANCES:

FOR DETROIT MEDICAL CENTER:

FOR MICHIGAN AFSCME COUNCIL 25  
and its Locals 457, 273 and 1642:

Andrew Jarvis, Assistant Corporation Counsel

Richard Mack, Attorney

### Introduction

The City of Detroit and Michigan AFSCME Council 25 and its Affiliate Locals were parties to a Master Agreement, including Council 25's Locals 457, 273 and 1642, who represented employees in the City of Detroit Health and Wellness Promotion Department, the Human Services Department and the Detroit Workforce Development Department. The cover sheet of this Master Agreement contained the following dates -- "July 1, 2008 - June 30, 2012."

Page 81 of the Master Agreement contained the following:

### 51. MODIFICATION AND TERMINATION

It is agreed between the parties that this Contract shall continue in full force and effect until 11:59 p.m., June 30, 2012. If either party desires to modify this Contract they shall give written notice during the month of February 2012. Negotiations for a new contract shall commence thirty (30) days after that date.

In the event that the City and the Union fail to arrive at an agreement on wages, fringe benefits other monetary matters, and non-economic items by June 30, 2012, the Agreement will remain in effect on a day to day basis. Either party may terminate the agreement by giving the other party a ten (10) day written notice on or after June 20, 2012.

The parties agree that this sole and complete Agreement is intended to cover all matters affecting wages, hours, and other terms and conditions of employment and that during the term of this Agreement, neither the City nor the Union will be required to negotiate on any further matters affecting these or any other subjects not specifically set forth in this Agreement, except by mutual agreement of the parties hereto.

On June 20, 2012, Lamont Satchel, Director of the City of Detroit Labor Relations Division, wrote Albert Garrett, President, Michigan Council 25, the following letter:

RE: Termination of 2008-2012 Collective Bargaining Agreement(s)

Dear President Garrett:

This letter serves as notification that in accordance with our collective bargaining agreement, the City hereby provides ten (10) days written notice of its intent to terminate the master and supplemental bargaining agreements as of July 1, 2012.

Please be advised that the City will continue its practice, where required, of disciplining and discharging non-probationary unit employees under a just cause standard notwithstanding the contract termination. The City also agrees to maintain the grievance and arbitration procedures with regards to all discipline and discharge cases. With regard to non-discipline or discharge cases, the City's position, in accordance with Michigan law, is that the termination of the agreement ends the contractual arbitration procedures for any dispute based upon facts arising after the termination date of the agreement, or not involving rights accrued or vested under the agreement. Accordingly, the City will determine its arbitration obligations on a case-by-case basis, and will act in accordance with its rights and obligations under Michigan law. The City of Detroit reserves all rights pursuant to applicable legal authority.

Previously, on May 31, 2012, DeAngelo Malcolm, Council 25 Staff Representative, had filed the following grievance with the City:

STATEMENT OF FACTS: The Union protests the actions taken by the City of Detroit. The city has shutdown various Departments (The

Health Department, Human Services Department, The Detroit Workforce Development Department) and laid off members of this bargaining unit and replaced them with 3rd party entities.

**VIOLATIONS:** The actions taken by the employer clearly violates, Purpose and Intent, Article -1 Recognition, Article 2, Management Rights and Responsibilities, Article-16 Reductions In Force, Lay Off, Demotion and Recall, Article 19 Contractual Work, Article 21- Maintenance of Condition, Article 42 Successor, Article-47 Retirement, MOU-Labor Management Committees of the CBA., as well as Local and State Laws and any other applicable Articles or Laws.

**DISPOSITION REQUESTED:** We demand that the City immediately cease and desist violating the CBA, Local and State laws, require the successor entities to recognize the union, hire its members who currently work in the affected positions, adopt a bargaining agreement with the union for said employees, expeditiously return all laid off employees affected and make the Union whole in all areas.

\*The Union reserves the right to modify this grievance.

On the same day, the grievance was appealed to arbitration.

#### Procedural Background

The question concerning the arbitration of this matter ended up in litigation involving these parties in the Wayne County Circuit Court, namely, American Federation of State, County and Municipal Employees Council 25, and its affiliated Locals 457, 273 and 1642 v. City of Detroit, Loretta Davis and Pamela Moore in Case No. 12-007708-CL before the Honorable Wendy M. Baxter who on June 27, 2012 issued an Order granting partial relief in denying a request for preliminary injunction and writ of mandamus wherein Judge Baxter ordered "that the City of Detroit and AFSCME shall arbitrate in an expedited fashion to commence within 28 days after the date of this Order; and it is further ordered that the arbitrator shall render a decision immediately thereafter on the grievance and/or unfair labor charge;"

Arbitration hearings were held on July 26, August 3, 7, 9, 14, 16 and 20, 2012. Post-

hearing briefs were thereafter filed.

The City of Detroit Health and Wellness Promotion Department

The City of Detroit Health and Wellness Promotion Department is a local health department as defined by the Michigan Public Health Code, MCLA §333.2422. The Michigan Public Health Code imposes certain requirements on the City as a local health department. MCL §333.2431 provides:

Sec. 2431. (1) A local health department shall:

- (a) Have a plan of organization approved by the department.
- (b) Demonstrate ability to provide required services.
- (c) Demonstrate ability to defend and indemnify employees for civil liability sustained in the performance of official duties except for wanton and willful misconduct.
- (d) Meet the other requirements of this part.

MCL §333.2433(1) states that a “local health department shall continually and diligently endeavor to prevent disease, prolong life, and promote the public health through organized programs, including prevention and control of environmental health hazards; prevention and control of diseases; prevention and control of health problems of particularly vulnerable population groups; development of health care facilities and health services delivery systems; and regulation of health care facilities and health services delivery systems to the extent provided by law.

MCL §333.2433(2) states that a local health department shall:

- (a) Implement and enforce laws for which responsibility is vested in the local health department.
- (b) Utilize vital and health statistics and provide for epidemiological and other research studies for the purpose of protecting the public health.

(c) Make investigations and inquiries as to:

(i) The causes of disease and especially of epidemics.

(ii) The causes of morbidity and mortality.

(iii) The causes, prevention, and control of environmental health hazards, nuisances, and sources of illness.

(d) Plan, implement, and evaluate health education through the provision of expert technical assistance, or financial support, or both.

(e) Provide or demonstrate the provision of required services as set forth in section 2473(2).

(f) Have powers necessary or appropriate to perform the duties and exercise the powers given by law to the local health officer and which are not otherwise prohibited by law.

(g) Plan, implement, and evaluate nutrition services by provision of expert technical assistance or financial support, or both.

If there is an imminent danger to the health or lives of individuals, then the Health Department shall perform certain actions and issue orders incorporating findings concerning the imminent danger and demand certain immediate action. *See* MCL §333.2451. And when there is an epidemic present, there are certain responsibilities placed upon the health department. MCL §333.2453.

Similarly, the health department has responsibilities in monitoring restaurants and evaluating conditions of buildings and approving cemeteries. *See* MCL §333.2455, 333.2458, MCL §333.245.

There is no dispute that prior to July 1, 2012 the Department of Health and Wellness Promotion, consistent with the above State statute, provided services such as immunizations, family planning and TB control programs, pediatric dental, vision and hearing screening, home visits by public nurses, inspection of food service establishments and epidemiology among other

various health programs. (Tr. 603-605).

Prior to July 1, 2012 and subsequent to July 1, 2012 Loretta Davis was and continues as the City's Chief Health Officer and Director of the City of Detroit Health and Wellness Promotion Department. (Tr. 607). As such, she is an appointee of the Mayor of Detroit. As such, she is responsible for enforcement of the health ordinances of the City. (Tr. 605-608). Betsy Pash, both before and after July 1, 2012, was and continues as Deputy Director of the Health and Wellness Promotion Department for the City of Detroit. (Tr. 116).

Ms. Pash acknowledged that in late February 2012 City officials decided the City of Detroit Health and Wellness Promotion Department would no longer provide statutory mandated health services to the citizens of Detroit. These services that had been performed by the City of Detroit Health and Wellness Promotion Department were to be performed by an outside entity.

By April 2012, a new corporation separate from the City of Detroit was incorporated, known as the Institute of Population Health (IPH). The incorporators were Loretta Davis and Betsy Pash. Loretta Davis became President and CEO and Betsy Pash became Chief Operating Officer of IPH. (Tr. 151, 604). The IPH was incorporated for the purposes of transferring the Health Department functions to the IPH. According to Ms. Pash, the Mayor no longer wanted the City to directly provide public health services. (Tr. 119).

On July 1, 2012, virtually all previous services that had been provided by the Department of Health and Wellness Promotion were transferred to the IPH.

According to Ms. Pash and confirmed by Ms. Davis, Ms. Pash acknowledged that "a lot of the money" funding the health department comes from State and Federal grants; that the grant money was either shifted or intended to be shifted over to the IPH. (Tr. 119-121, 602). Ms.

Davis testified that the Health and Wellness Promotion Department had been funded "around 95%" from State and Federal grants received by the City. (Tr. 602).

There was a discussion concerning four grants that go directly to the City that would be under the plan funneled through the City "through work done by the IPH, and by the SEMHA contractors". (Tr. 169). There was testimony that where the Health Department oversees in the past animal control that since there was no grant funding for animal control, this function would now be transferred to the Police Department. In the past, vital statistics was a source of revenue. Initially, this source of revenue was planned to be funneled to IPH. It was decided that the City would not transfer this function. (Tr. 363-364).

As noted, Ms. Davis is the President and CEO of IPH. Ms. Pash is Chief Operating Officer of IPH. (Tr. 134-135). Ms. Pash identified her and Ms. Davis' relationship as being on loan from the City to IPH as follows:

The City will continue to pay us. We will continue to be City employees. We will be able to enforce laws and ordinances in our public health capacity, but we will also be overseeing the operations at the IPH.  
(Tr. 134).

The City would pay both Ms. Pash's and Ms. Davis' salary and IPH would reimburse the City. (Tr. 134). When Ms. Davis later testified, she contradicted Ms. Pash's testimony on this point and seemed to be confused about how her salary would be paid. Ms. Davis testified: "I would also be on loan to the IPH for about a year, to help stand that up as their president and CEO. In those two roles, I will have exactly the same responsibilities that I was deemed qualified to do now." (Tr. 606).

The record further reveals that IPH, at least in the near future, would continue to use City

facilities to perform the functions that were previously performed by the City Health Department. IPH is not paying rent for the use of facilities.

Prior to any layoffs, there were 167 City employees in the Health Department, though there were 267 budgeted positions. (Tr. 127). It was unclear, however, whether all of these employees were represented by AFSCME. As early as May 4, 2012, the City began notifying AFSCME representatives of layoffs in the Health Department. In regard to the notices of layoffs and the intention of the Health Department concerning layoffs, Ms. Pash testified:

Q (By Mr. Mack) I'm looking at Exhibit 11, page 5. It indicates that their initial layoff notifications to the unions took place on May 4<sup>th</sup>. does that sound right?

A Correct.

Q And then the layoff notices to the employees took place on June 8<sup>th</sup>?

A That sounds right.  
(Tr. 358).

In regard to what actually occurred, Ms. Pash testified:

ARBITRATOR ROUMELL: And did I understand you to say that you have continued the City employees until September 20<sup>th</sup>?

THE WITNESS: 28<sup>th</sup>, yes.

ARBITRATOR ROUMELL: Have you laid off any people?

THE WITNESS: We laid off some people because of budget cuts that happened on July 1<sup>st</sup>.

ARBITRATOR ROUMELL All right. How many people do you still have employed, approximately?

THE WITNESS: 110.

ARBITRATOR ROUMELL: How many did you lay off?

THE WITNESS: We laid off – we eliminated 15 positions. It

ended up being about nine people.

REPORTER: 15?

THE WITNESS: 15.

ARBITRATOR ROUMELL: All right. so basically, the Health Department is intact. Am I correct?

THE WITNESS: Yes.

ARBITRATOR ROUMELL: But you plan to lay off everyone by September 28<sup>th</sup>?

THE WITNESS: Everyone but four positions.  
(Tr. 356).

Ms. Pash testified that after the planned layoffs of the City employees, IPH intends to hire new employees to perform the previous functions of the Health Department and have employed an outside employment agency to assist in hiring the new employees.

The plan to transfer the function of the Health Department to IPH was announced to the City Council on May 7, 2012. Mayor Bing, in a letter dated June 5, 2012, to Governor Snyder advised the Governor of the plan, announcing it was the City's intention "to partner with the Institute for Population Health (IPH)". (Exhibit 36). By letter dated June 27, 2012, Governor Snyder wrote Mayor Bing acknowledging the letter of June 5, 2012 approving the shifting of the grants from the City of Detroit to the IPH. As noted, the announcement to the City Council and the exchange of letters between the Mayor and the Governor all occurred before the Master Agreement expired.

In addition, the grievance challenging the change as a successor was filed on May 31, 2012.

Department of Workforce Development

Prior to July 1, 2012, the City of Detroit's Department of Workforce Development provided such services as providing job training and various services to needy families through grants from the State and Federal governments. The Department was governed by a 25 person Workforce Development Board appointed by the Mayor of the City. (Tr. 51-53). In the last fiscal year of the City, the Department received 99.9% of its funding from grants with the City only contributing \$1,500 to the Department's operation out of the General Fund. (Tr. 64). Pamela Moore was the Department Director. Calvin Sharp was the Deputy Director of the Department.

The Department on February 10, 2012 had received a letter from Elliott Forsyth, the State Director of Workforce Development, outlining problems in the Department which needed improvement, but did not suggest any outsourcing to another entity. (Tr. 63, 68). The record does not reveal that the Department received any other letter from Mr. Forsyth. Nor is there any evidence that the Department lost any State or Federal funding as a result of performance issues. (Tr. 62).

As of late June 2012, the Department had 48 City employees represented by the Union. On June 28, 2012, the Workforce Development Board signed a governance agreement with the Detroit Employment Solutions Corporation. On June 29, 2012, the 48 employees of the Department of Workforce Development were given a layoff notice and because of the injunction were not laid off until July 13, 2012. (Tr. 74). Three days later on July 16, 2012, 18 of the individuals previously working for the Department were hired by the Detroit Employment Solutions Corporation (DES) and are currently working for DES. They did not keep their City titles. The testimony was that "we found appropriate non-profit titles" for these employees. (Tr.

74). The testimony from Pamela Moore who is now the President and Chief Executive Officer of DES is: "We continue to hire. We have not stopped hiring. But to date there are 18 who have been brought over". (Tr. 75).

Pamela Moore resigned on June 30<sup>th</sup> as Director of the Department of Workforce Development and became President and CEO of DES. Calvin Sharp, who had been Deputy Director of the Department of Workforce Development became Chairman of DES. Pamela Moore also testified that previous employees of the Department of Workforce Development could be candidates for future employment of DES along with other possible candidates from other Workforce areas. In terms of hiring additional staff, Pamela Moore testified: "We project that the organization they have around 40 employees when we're done hiring, 35, 40." (Tr. 77). When asked "What determined that?", Ms. Moore responded, "The need. I mean, we still have the same functions that we have to provide, just in terms of administering \$48 million worth of grant. But we still have the same function, plus some additional functions that the City provided when we were part of the City that we now have to procure such as legal – you know, legal advice or ...". (Tr. 77).

In her testimony, Ms. Moore was asked about the governance agreement as follows:

Q It says, 13.0:

"The City of Detroit is the grant recipient under the Act and will carry out the roles and responsibilities associated with this function for the local Workforce Development area."

Do you see that?

A I do.

Q And then it says, 3.2:

"The City of Detroit as the grant recipient is financially

responsible and accountable for the management of all Workforce funds available to the board"?

A That is correct.

Q But all of the people who were performing the operations upon receiving this grant are now gone from the City?

A That is correct.

Q So how then is the City still on the hook financially and made accountable if it has no people to perform that service?

A So the Workforce Investment Act legislation--

Q Right.

A States that the local Workforce area and the chief elected official is the grant recipient of these dollars. So the City of Detroit continues to be the grant recipient of these dollars.

The Mayor and the Workforce Development board chair have the authority and responsibility to appoint a fiscal and administrative agent who will oversee these programs and services responsibly.

In the past that administrative and fiscal agent has been the Department of Workforce Development.

There has been a change, based on problems that were outlined by the State and the board's decision to recommend to the Mayor that the fiscal and administrative agent be changed, because those issues that were laid out in that February 10th letter where Mr. Forsyth does refer to DWDD, if those issues had been able to--

Q Well, ma'am, you are going beyond my question.

MR. JARVIS: Well, she is giving you an answer.

MR. MACK: No.

Q (By Mr. Mack) My question was, how is it that Detroit - the City of Detroit--is financially responsible and accountable for the management of our Workforce funds, but it has no people to oversee those funds?

ARBITRATOR ROUMELL: And she is answering that.

MR. JARVIS: She is answering that.

MR. MACK: She--well--

ARBITRATOR ROUMELL: Let her answer.

THE WITNESS: So again, the City of Detroit remains the grant recipient, but the power that is given to the board chair through the Workforce Investment Act and the chief elected official gives them the authority and the responsibility to designate a fiscal and administrative agent that will oversee these funds responsible.

Again, based on the State's issues that were outlined in the letter, a decision was made by the board chair and the Mayor and approved by the State to change the administrative and fiscal agent to Detroit Employment Solutions Corp.

(Tr. 85-87).

The City is financially responsible for the management of the grant money that is administered by DES as it was with the Department of Workforce Development. DES is using the same building previously operated by the Department of Workforce Development without any compensation to the City and the tenant in the building is the City. (Tr. 106-107). DES is using the same equipment and computers that were used by the Department of Workforce Development which are still owned by the City. (Tr. 399). This equipment contains the City serial numbers marked upon said equipment. (Tr. 400). The website of the Michigan State Department of Licensing and Regulatory Affairs shows that the Detroit Employment Solutions Corporation has the same I.D. number as the Workforce Development Board. (Tr. 765-767).

The grant money that previously was used to fund the Department of Workforce Development has been or is intended to be shifted to the DES.

By any conceivable definition, this record establishes that the DES is a successor in the

Department of Workforce Development. The same management at the time of the hearing; same employees; same funding source except for \$1,500. The City of Detroit is responsible for the grants. The same space and City of Detroit equipment being used, governed by the Workforce Development Board.

### Department of Human Services

The Department of Human Services assists low income members of the community by providing them with basic human needs. (Tr 259). The Department is 100% grant funded. (Tr. 262). The Head Start Grant amounts to about \$50 million that DHS received annually, most recently from November 1, 2011 through October 21, 2012. (Tr. 263-264). The Head Start Grant is a direct award from the Federal government to the City. (Tr. 263). Another significant grant that is awarded to the City is the Community Service Block Grant. The City received varying amounts for this grant, but received it annually, and most recently received \$6.8 million for October 1, 2011 through September 30, 2012 (Tr. 265). Cecily McClellan, a former center operations manager within the Department of Human Services, testified that the State had been withholding CSBG money from the City. (Tr. 196-197).

There had been a request from the Director of the Michigan Department of Human Services, Maura Corrigan, to de-designate as a Community Action Agency and to stop receiving CSBG funds. Ms. Corrigan supported de-designation because of problems with DHS being in compliance (Tr. 230). She wanted a non-profit to become the recipient of the grant and perform the services and not the City of Detroit. Director Corrigan had threatened an adversarial de-designation hearing. The Mayor had favored a voluntary de-designation. (Tr. 198-200). The City Council initially refused on March 16<sup>th</sup>, but later in June acquiesced. (Tr. 202).

The whole issue of designation was against a background where the State had delayed payments to the City. The dispute regarding use of City workers had centered compliance issues. (Tr. 230). Specifically "disallowance[s]" regarding grant money expenditures. (Tr. 287). There was some testimony that the State would not release the funds so long as it was city employees working on the projects (Tr. 215). DHS Planning Manager Sheila Washington-Bond indicated that the State would not release the funds if it was City workers doing the work. (Tr. 215). And Usula Holland, the Current Director of the Department of Human Services, testified that the State was very clear they did not want the City of Detroit to provide direct program service delivery. (Tr. 285-286).

The situation was as such that the State had already begun the process of an adversarial de-designation of the City. (Tr. 286). It was as an alternative that the city council acquiesced and all DHS staff were laid off. (Tr. 202, 209). After the lay offs, the State released the CSBG funds that had been withheld. (Tr. 300).

The City submits a new plan to the State every year for CSBG funds. The plan for the 2011-2012 year as originally submitted was similar to the 2010-2011 year, and was rejected by the State. (Tr. 272-273). These grant dollars were only awarded upon the State's recent approval of the Community Action Agency's revised plan for the 2011-2012 year. (Tr. 272-273). A material difference in the plan, and primary contingency upon which the State would grant the CSBG funds, is that the City would commit to go out of the business. (Tr. 285-286). As a result the State finally accepted the proposal and released the funds to be deposited with the City. (Tr. 301).

The understanding between the State and the City that the City would get out of the

business is even acknowledged by the Union in its post hearing brief: "The reason the City laid off the workers is because it committed to doing so to the State." (UB 14).

The City is self de-designating as a Community Action Agency and acting as only a temporary agent to contract these limited services funded by the CSBG out to the Detroit Rescue Mission and Salvation Army in the interim while the State looks for a new agency. (Tr. 299-301). This is not a permanent arrangement, as the State only released the funds contingent upon the City agreeing to no longer perform the work in the future. Prior to the Salvation Army and Detroit Rescue Mission taking the work, very little CSBG work had been performed between October, 2011 and February, 2012. And the City had done no CSBG work between February and June 2012. (Tr. 268).

Regarding the Head Start grant, the city has clearly indicated through its actions that it no longer wishes to stay in the business of providing those services. Head Start funds come directly from the federal government. Head Start is being ended. (Tr. 317). The State cut funding that provided weatherization utility assistance. (Tr. 246).

Ursula Holland is Director of Human Services. She acknowledged that the Department had 15 AFSCME employees, but they have been laid off. As she explained, "Our role is strictly closeout and interim provider". (Tr. 693). Ms. Holland explained that the City no longer has the weatherization program; that the federal government has identified another provider for the Head Start program. As she explained, these programs have been ended and Detroit will not be awarded these programs in the future. (Tr. 694-695).

## Discussion

### 1. Contract

In presenting its grievance, Council 25 and its affiliated Locals 457, 273 and 1642 rely on the following provisions of the Master Agreement between the Council and the City of Detroit for the period July 1, 2008 - June 30, 2012:

#### Article 1 - RECOGNITION OF UNION

- A. Pursuant to and in accordance with all applicable provisions of Act 336 of the Public Act of 1947, as amended, the Employer does hereby recognize the Union as the sole and exclusive representative for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment and other terms and conditions of employment for the term of this Agreement of all employees of the Employer included in the bargaining units described in Exhibit 1, attached.

\* \* \*

- E. When an operational function remains unchanged, but changes location, representation rights shall not be affected.
- F. In all other changes of operational functions, the employee has the right to retain membership in the Union.

#### Article 2 - MANAGEMENT RIGHTS AND RESPONSIBILITIES

Consistent with the express terms of this Agreement:

- A. The Union recognizes the prerogatives of the City to operate and manage its affairs in all respects in accordance with its responsibilities and powers of authority as set forth in the Charter and the Home Rule Act.

#### Article 19 - CONTRACTUAL WORK

- A. The City is genuinely interested in maintaining maximum employment for all seniority employees covered by this Agreement, consistent with the needs of the City. Therefore, in making these determinations the City intends always to keep the interest of the City's employees in mind.
- B. The right of contracting or subcontracting is vested in the City. The right to contract or subcontract shall not be used for the

purpose or intention of undermining the Union nor to discriminate against any of its members nor shall any seniority employee be laid off or demoted or caused to suffer a reduction in overtime work as a direct and immediate result of work performed by an outside contractor.

- C. In cases of contracting or subcontracting, including renewal of contracts, affecting employees covered by this Agreement, the City will hold advance discussion with the Union prior to letting the contract. The Union representatives will be advised of the nature, scope and approximate days of work to be performed and the reasons (equipment, manpower, etc.) why the City is contemplating contracting out the work.

#### Article 21 - MAINTENANCE OF CONDITIONS

Wages, hours, conditions of employment and current proper practices which are beneficial to the employees at the execution of this Agreement, shall, except as provided and improved herein, be maintained during the term of this Agreement. Changes must be mutually agreed upon by the City and the Union.

#### Article 42 - SUCCESSOR CLAUSE

This Agreement shall be binding upon the successors and assignees of the parties hereto, and no provisions, terms or obligations herein contained shall be affected, modified, altered, or changed to the detriment of the other party in any respect whatsoever by the consolidation, merger, sale, transfer, lease, or assignment of either party hereto, or affected, modified, altered, or changed in any respect whatsoever by a change of any kind of the ownership or management of either party hereto of any separable, independent segment of their party hereto.

By any definition, the Institute for Population Health is the alter ego of the City of Detroit Department of Health and Wellness Promotion. The City has transferred a majority of the functions of the Department of Health and Wellness Promotion to the IPH – services which by State statute the City is obligated to provide. In doing so, the City's Chief Health Officer, along with the Deputy Director of the Health Department were among the incorporators of the IPH and are the Chief Executive Officer and Chief Operating Officer, respectively, of IPH. Loretta Davis

and Betsy Pash presented conflicting testimony as to how their City salaries would be paid or reimbursed or whether their salaries would be paid by IPH. IPH would be funded by the State and Federal grants that had been received by the City.

The evidence was overwhelming that IPH was formed and steps were taken prior to June 30, 2012 to execute the plans to transfer the Health Department work. The incorporation took place in April 2012. The State's approval was obtained in June 2012. Plans to layoff were announced as early as May 2012. The layoff plans were delayed by the injunction which was issued prior to June 30, 2012. Yet, after the injunction expired, IPH still continued to employ 110 City employees to perform the former City work required by State statute. (Tr. 358).

Finally, if there is any doubt that IPH is not the alter ego of the City of Detroit Health Wellness Promotion Department, the intention is that IPH employees are going to perform the same duties and work performed as City of Detroit employees is the fact, as just noted, IPH has found itself unable to operate, at least temporarily, without using City of Detroit employees to perform duties that they were performing prior to June 30, 2012.

As to the Department of Workforce Development, the same analysis would apply. Before the contract expired, the City was planning to shift the functions of the Workforce Development Department to the Detroit Employment Solutions Corporation. By June 28, 2012, a governance agreement had been signed between the DES and the Workforce Policy Board (a Board that was appointed by the Mayor) providing for the transfer of the Department to DES. On June 30<sup>th</sup>, Pamela Moore, who had been Department Chair resigned and became President and CEO of DES. Calvin Sharp was Deputy Director of the Department of Workforce Development and became Chairman of the Board of DES. The 48 employees of the Department of Workforce

Development were given notice on June 29, 2012 that they would be laid off. Because of the injunction, they were not laid off until July 13. Eighteen were rehired on July 16 by DES. DES continued use of City facilities and City equipment.

As already noted, 99.9% of DES funding came from grants of State and Federal sources usually passed through the City.

By any definition, DES is the alter ego for the City. The planning and the action to implement both IPH and DES before June 30, 2012 and even the use of City employees after June 30, 2012 even beyond the expiration of the injunction confirms the alter ego status.

This Arbitrator finds as a fact that the IPH and the DES in labor parlance were alter egos to the City as the alter ego doctrine has been developed both by the Courts, the NLRB and arbitrators, including that the successor employers are bound by collective bargaining obligations. *See, NLRB v. Allcoast Transfer Inc.*, 780 F.2d 576 (6<sup>th</sup> Cir. 1986). *Also see*, the comments of Arbitrator Wolff in *Clark Food Service, Inc.*, 115 LA 1734 (2001), where he analyzes the NLRB standard as well as the standard of the courts in applying the alter ego doctrine.

However, the circumstances here can also be analyzed from the aspect that the City violated Article 1.A, E and F and Article 19. As this Arbitrator has concluded, the IPH and DES are alter egos of the Departments of Health and Wellness Promotion and Workforce Development. For this reason, this Arbitrator also concludes within the meaning of Article 1.E that the operational function remained unchanged. Therefore, those representation rights shall not be affected. Thus, as Arbitrator Chymy in *County of Santa Clara*, 97 LA 635 (1991), in interpreting similar recognition clauses, found the transfer of bargaining unit work to non-

bargaining unit employees violated the recognition clause. Transferring of work formerly performed by AFSCME employees in the Department of Health and Wellness Promotion and Workforce Development to IPH and DES violated the recognition clause.

A third reason why the City violated the 2008-2012 contract is Article 19. As noted, Article 19. B does provide that: "The right to contract or subcontract shall not be used for the purpose or intention of undermining the Union nor to discriminate against any of its members nor shall any seniority employee be laid off ... as a direct and immediate result of work performed by an outside contractor."

This is the intended result of both IPH and DES. Ms. Pash acknowledged that the IPH had employed an employment agency to recruit employees. As of the date of the last arbitration hearing, DES had employed 18 City employees, but DES expected to hire other employees who may not necessarily be City employees which could result in a violation of Article 19. Not to hire laid off City employees from the two Departments – Health and Workforce – would seem to undermine both the employees and the Union when the corporations can be construed as contractors, successors and alter egos.

As already noted, this grievance was filed on May 31, 2012 before the expiration of the 2008-2012 Master Agreement expiring on June 30, 2012. As further noted, there were activities that took place by the City prior to June 30, 2012 in preparation for the transfer of the work of the Department of Public Health and Wellness Promotion and the Department of Workforce Development to IPH and DES.

A dispute "arises under the contract" when material facts and occurrences arose before the expiration of the Collective Bargaining Agreement, even though some facts occur after the

expiration. See, *South Central Power Co. v. International Brotherhood of Electrical Workers Local Union 2359*, 186 F3d 733 (6<sup>th</sup> Cir. 1999), where the court analyzes the Supreme Court's decision on this point in *Nolde Bros. Inc. v. Local No. 358 Bakery and Confectionary Workers Union*, 430 U.S. 243 (1977), and *Litton Financial Printing Division v. NLRB*, 501 U.S. 190 (1991).

The point is that under the expired contract which the Union sought to enforce prior to the expiration of the contract by filing this grievance, because the City had taken steps, in the view of the Union, and which the Arbitrator agrees at least as to two Departments, violates the Union and the employees it represented of accumulated vested rights. The Union had the vested right to represent the employees under Article 1 and Article 42. The employees and the Union had the right not to be undermined pursuant to Article 19.B and the employees had certain rights under Article 19.B. These rights survived the expiration of the contract.

This point is emphasized by the Sixth Circuit as recently as this summer in *United Steel, Paper and Forestry vs. American Standard Corp.*, \_\_ Fed Appx, 2012 WL 2354365, 193 LRRM 2816 (6<sup>th</sup> Cir. Ky., June 21, 2012), where the contract was terminated on July 1, 2008. The employer had refused to extend the contract beyond that date for a separation pay provision in the contract. The employer closed the plant but refused to pay any of the employees separation pay. The Union grieved. The Employer refused to arbitrate. The Union sought to compel arbitration to court. The Sixth Circuit held that the separation pay accrued and vested under the expired contract, holding that the grievance for lack of separation pay filed after termination of the contract was arbitral. As the Sixth Circuit noted, "We conclude that the separation pay right in the CBA, accrued under the CBA." This ruling came even though the grievance was filed after

the contract had expired.

In this case, the grievance was filed before the contract expired. And the City was taking steps to violate the Master Agreement prior to its expiration, even though some of the actions violating the Agreement did not occur until after the contract was expired. For example, some of the layoffs were prevented by virtue of Judge Baxter's injunction until after July 13, 2012. Some layoffs were delayed for practical reasons.

As to the Department of Human Services, nearly all of the grants going to the Department of Human Services that were funding programs as a Community Action Agency have expired or been cut. This started with the weatherization utility assistance program being cut. (Tr. 246) The City has continually indicated, by permitting these grants to expire or the funding to be cut, that it is no longer looking to provide these services. (Tr. 199). The City has proposed a plan to the State that is largely to reimburse already CSBG incurred costs. (Tr 268). The CSBG grant money that is in excess of this reimbursement is provided as a one time exception and only under the express understanding that the City is to self de-designate and no longer to provide these services. The State has simply found it expedient to use the City as an agent to temporarily pass through this last fund to the Salvation Army and Detroit Rescue Mission while the State selects a new grant recipient for the oncoming fiscal year. The City should not be forced to provide services for which it has continually indicated it is trying to get out of the business of providing. As long as this is the last year the city accepts CSBG funds, and the State eventually contracts directly with a new agent for the performance of these tasks there is no violation by the City with regard to scaling back activities of the Department of Human Services.

The point is that both the State of Michigan and the Federal government have selected or

are in the process of selecting agencies other than the City of Detroit to furnish the services that were previously performed by Human Services. Even Ms. Holland is being transferred to another City Department because her job is being eliminated due to the actions that were initiated primarily by the State. It is a far different situation than the IPH or DES situation and for this reason the Arbitrator finds no basis for a contract violation as to what occurred in Human Services.

Having reached this point in the analysis, the Arbitrator turns to the brief filed by the City's Attorney which this Arbitrator, because of his emphasis, has chosen to quote in its totality as follows:

**EMPLOYER CITY OF DETROIT'S POST HEARING BRIEF**

Now comes, the City of Detroit, by and through its attorney, Andrew Jarvis, I support of its post hearing brief states the following:

**I. INTRODUCTION**

On March 16, 2011, Public Act 4 of 2011 was enacted by the legislature. Section 4a of PA 4 suspended Section 15(1) of PERA for employers subject to a consent agreement. On April 4, 2012, the City of Detroit and the State of Michigan entered into a consent agreement pursuant to PA 4.

On June 20, 2012, The City of Detroit sent a letter to all Union President stating: "This letter serves as notification that in accordance with our collective bargaining agreement, the City hereby provides ten (10) days written notice of its intent to terminate the collective bargaining agreement as of July 1, 2012."

On July 18, 2012 the City of Detroit sent a letter to all Union Officials. This letter included the City Employment Terms (CET). The letter indicated that the language was approved by the Financial Advisory Board on June 28, 2012 and July 12, 2012, and submitted to Council for approval. City Council voted not to approve the CET. On July 17, 2012, pursuant to the FSA, the CET was implemented by order of the Program Management Director effective July 18, 2012.<sup>1</sup>

It is with this background that Judge Baxter order expedited

Arbitration in this matter. The Union also filed a companion MERC Unfair Labor Practice Charge C 12 F-123, alleging as alleged in the Civil case which was the catalyst for the grievance that the City breached its duty to bargain in good faith. The Union also alleged that the Successor Language contained in the Master Agreement between the City and the Union somehow survives the execution of the Final Stability Agreement between the City and the State of Michigan as proscribed under Public Act 4 which in turn eliminated of the Duty to Bargain under MCL 423.215. The Union attempts to advance the argument that MCL 423.211 and MCL 423.210 are in place despite P.A. 4 and the Final Stability Agreement. This argument was soundly addressed in the *Decision and Recommended Order*<sup>1</sup> in the companion MERC case.

Under PA 4, there was a suspension of the duty to bargain under PERA. That suspension persisted until the board of canvassers certified the repeal provisions and placed the issue of PA 4 repeal on the ballot. The actions complained of in this matter, and the implementation of the CET, occurred at a time that there was no duty to bargain.

Under the Unions theory, anything previously done under P A 4 is void now that PA 4 is suspended. The Union has not presented any legal support for this claim. This Court already ruled in *Robert v. Detroit Board of Education*, Wayne County No. 12-010545 that actions taken while PA 4 was in effect survive and stand<sup>3</sup>

Furthermore the relief sought by the Union in this matter is for the Arbitrator to Order the Chief Executive of the City of Detroit to take grant monies from the Federal and State government(s) and restart the operations of Departments that the City has decided not to provide. This goes far beyond the four corners of the Collective Bargaining Agreement and the Arbitrator would become the *de facto* Chief Executive of the City of Detroit.

### CONCLUSION

It is an unfortunate economic fact of life that public employers in the State of Michigan have and will continue to have situations which cost cutting is necessary for continued financial solvency. Personnel costs in the form of wages and benefits are a large component of the overall cost of services including the elimination of services provided by the City of Detroit and its various Departments .

For all of the foregoing reasons, City of Detroit, respectfully requests that the Arbitrator deny the Unions Grievance *in toto*.

<sup>1</sup> See Exhibit I

<sup>2</sup> See Exhibit 2

<sup>3</sup> Exhibit 3, Transcript from *Robert v. Detroit Board of Education* pp. 39-40.

Exhibit 2 attached to the brief was the decision of Michigan Employment Relations Commission Administrative Law Judge David M. Peltz in *City of Detroit -and- Coalition of the City of Detroit Unions and American Federation of State, County and Municipal Employees, Council 25*, Case No. C12 F-125, Docket No. 12-001181-MERC, dated August 20, 2012. In his opinion, ALJ Peltz found at page 8:

So these other provisions all derive from, when they make reference to the duty to bargain, they derive from the obligations set forth in Section 15 (1) of the Act, they are 'not the source of that obligation. Based on the statutory language itself, I find that by enacting PA 4 and amending Section 15 of PERA, the Legislature intended to relieve public employers found to be in a state of financial stress or emergency and subject to a consent agreement from the obligation to collectively bargain.

ALJ Peltz recommended to the Michigan Employment Relations Commission that it may issue an order dismissing the unfair labor practice charge filed by the Coalition of Detroit Unions and AFSCME Council 25 against the City of Detroit, charging the City with a failure to bargain in good faith concerning the implementation by the City of new terms and conditions of employment unilaterally on or about July 1, 2012.

The case had been assigned to ALJ Peltz who explained the background of the case when he wrote:

This case arises from an unfair-labor practice charge filed on July 2, 2012, by the Coalition of Detroit Unions, a group comprised of thirty-three labor organizations representing employees of the City of Detroit, and by the American Federation of State, County and Municipal Employees (AFSCME), Council 25. The charge alleges that the City violated PERA when, on or about July 1, 2012, it unilaterally implemented new terms and conditions of employment for City employees, and by refusing to provide information to the Unions concerning those changes. Respondent contends that its actions were

authorized by Section 14a(10), MCL 141.1514a(1) of the Local Government & School District Fiscal Accountability Act, Public Act 4 of 2011, and by a recent amendment to Section 15 of PERA.<sup>1</sup>

<sup>1</sup> This matter was previously consolidated with Case No. C12 D-065; Docket No. 12-000577, in which the same Unions assert that the City violated its duty to bargain in good faith under PERA by failing or refusing to submit tentative agreements to Respondent's City Council for ratification. Additional proceedings are still pending in that matter.

Judge Peltz went on to explain the circumstances upon which the parties asked him to rule at page 2:

On August 8, 2012, the State Board of Canvassers voted to certify a referendum for the November ballot which, if passed, would repeal PA 4. Pursuant to Const 1963, art 2, Section 9 and MCL 168.477(2), the Board's action had the effect of suspending PA 4 pending the results of the upcoming election. As a result of the suspension of PA 4, the City acknowledges that Section 15(1) of PERA once again applies and that Respondent has a duty to negotiate in good faith with the Unions over terms and conditions of employment for members of Charging Parties' bargaining units. Nevertheless, both parties indicated that they wished to proceed with oral argument in this matter in order to clarify whether the City acted lawfully in implementing new terms and conditions of employment in July of 2012 while PA 4 was in effect.

Attached to the City's brief was Exhibit 3, the transcript of the Motion for Injunctive Relief plus the Ruling thereof in Case No. 12-010545-AW, Wayne County Circuit Court, *Roy Roberts v. Rev. David Murray, et al and Detroit Board of Education*. In that case, the Honorable John A. Murray, Judge of the Circuit Court, issued injunctive relief in effect upholding the status quo. In doing so, he in effect echoed the belief that actions taken by Roy Roberts pursuant to Public Act 4 prior to certification of the ballot initiative as to Public Act 4 by the Board of Canvassers remained valid for at pages 38-40, in ruling on the point, Judge Murphy stated:

Plaintiff Roy Roberts asks that we enter a status quo order allowing him to exclusively run the Detroit Public Schools notwithstanding the upcoming referendum vote on Public Act No.4.

Defendants believe that as a result of the upcoming referendum vote on Public Act 4, plaintiff has no basis in the interim to exercise any authority over the Detroit Public Schools.

Further, Public Act 4 repealed Public Act 72 and plaintiff cannot exercise authority under this former law.

This court disagrees with defendant's position on this latter point and finds that the actions of the plaintiff up to August 8, 2012 shall have – I will restate that.

The actions up to August 8, 2012 shall be maintained as part of a status quo order.

Article 2 Section 9 of our Michigan Constitution provides no law as to which the power of referendum properly has been invoked shall be effective thereafter unless approved by a majority of the electors voting thereon at the next general election.

August 8, 2012, I believe, is the date the State Board of Canvassers certified the referendum.

My interpretation of this constitutional provision is consistent with MCL 168.477(2). It reads in part:

" ... A law that is the subject of the referendum continues to be effective until the referendum is properly invoked which occurs when the Board of State Canvassers makes its official declaration of the sufficiency of the referendum petitions ... "

Any further action taken by the plaintiff under Public Act 4 after August 8, 2012 would not be effective. He is powerless to act except in those areas we will discuss next. But first let me clarify. The status quo going forward includes actions taken by the plaintiff up through the date the State Board of Canvassers certifies the referendum.

The Rulings by ALJ Peltz and Judge Murphy may represent the external law as it affects the duty to bargain during the time that PA 4 was in effect. However, the reference to the Peltz/Murphy rulings do not resolve the issue before this Arbitrator. It must be emphasized that this Arbitrator has found that the City, before the Master Agreement was terminated, namely, prior to June 30, 2012, and prior to the City's unilaterally imposed City Employment Terms, took

specific steps both as to the Departments of Health and Wellness Promotion and Workforce Development, as explained in this Opinion, to violate provision of the Master Agreement in effect prior to June 30, 2012 and in particular Articles 1, 19 and 42. And this Arbitrator has been called upon to interpret the Master Agreement pursuant to Article 8.B.

### The Remedy

Essentially, as to both the Department of Health and Wellness Promotion and IPH and the Department of Workforce Development and DES, this Arbitrator has found that in each case the City has violated Article 1 as to representation rights, and Article 19, contracting and subcontracting for the purposes of undermining the Union and the employees it represented, resulting in the layoff of seniority employees. Furthermore, by any definition, both IPH and DES, within the meaning of Article 42, are alter egos of the Health and Wellness Promotion Department and Department of Workforce Development, respectively, and therefore, successor employers. To repeat, how can anybody reach any other conclusion when the Chief Health Officer of the City admits that she is acting in a dual capacity for both the City and the IPH, along with her Deputy. In the case of DES, the Mayor appointed Workforce Development Board controlled DES and the former Director of the Department of Workforce Development is now the CEO, along with her former Deputy, who is Chairman of the Board, who perform the same functions that they performed for the City.

In formulating a remedy in such situations, arbitrators when finding a violation of a successor clause or elements of subcontracting have remanded the case back to the parties for a hearing on damages. *See, e.g., Marley-Wyllan Co.*, 88 LA 978 (Jacobowski, 1987); *Boatman Co.*, 91 LA 489 (Har, 1988).

Another approach has been taken by arbitrators where the arbitrator has ordered the company to cease and desist from allowing non-bargaining unit personnel from performing work of bargaining unit employees. *See, e.g., Dayton Power and Light Co.*, 111 LA 954 (Modjeska, 1998).

Similar results can be found in the public sector. In *County of Santa Clara*, 97 LA 635 (1991), Arbitrator Chvany, finding that the County violated the recognition, classification and wage provisions of the applicable agreement, ordered the County to cease and desist from transferring work to non-bargaining unit employees.

In *Clark Food Service, Inc.*, 115 LA 1734 (2001), Arbitrator Wolff ordered the successor employer to be bound to follow the contract of the parent employer under the facts of that case.

This Arbitrator has emphasized repeatedly in this Opinion and in this Remedy section that in regard to the IPH and the DES that the relationship between the City and the Department of Health and Wellness Promotion and the Department of Workforce Development and the Board of Workforce Development was virtually indistinguishable, particularly at the leadership level; that in this case that the remedy should be of the type suggested by Arbitrator Wolff in *Clark Food Service, Inc.* because of the obvious violation of the successor clause as well as the Article 19.B contractual work clause and what turned out to be, when one listened to the testimony, a violation of Article 1, Recognition.

And, again, to continue to emphasize the point, this was all planned and began to be executed prior to the June 30, 2012 termination of the July 1, 2008 - June 30, 2012 Master Agreement.

However, for the reasons stated in this Opinion, there is no basis to grant relief as to

Human Services and, therefore, as to Human Services, the grievance will be denied.

### A W A R D

1. The grievance as to the Department of Health and Wellness Promotion is granted with the following relief:

- A. The City shall direct that the Institute of Population Health and its President and Chief Executive Officer and Chief Operating Officer, who also serve as the City's Health Officer and Director of the City's Department of Health and Wellness Promotion and Deputy Director of the City's Department of Health and Wellness Promotion to recognize AFSCME Council 25 and its applicable Locals as representative of all employees in any positions of the type that were performed by AFSCME represented employees under the 2008-2012 Master Agreement in the Department of Health and Wellness Promotion that are now employed or will be employed by IPH in the future.
- B. If IPH has hired or hires any employee who is not a laid off City of Detroit AFSCME represented employee in positions or their equivalent, previously held by AFSCME represented employees under the 2008-2012 Master Agreement in the Department of Health and Wellness Promotion to perform duties formerly performed in the Department of Health and Wellness Promotion, then the former AFSCME represented employees who held said positions either in the Department of Health and Wellness

Promotion or IPH and had been laid off shall be reinstated in said positions and be paid back pay and benefits from the time they were laid off, either by IPH or the City of Detroit's Department of Health and Wellness Promotion.

- C. The City shall cease and desist transferring any work previously done or performed by the City of Detroit's Health and Wellness Promotion Department prior to June 30, 2012 to IPH unless IPH recognizes AFSCME and its Local(s) and honors this Award in its totality.
- D. The City shall cease and desist from or assisting in the transferring of any grants to IPH unless IPH honors this Award in its totality in recognition that it is the alter ego of the City of Detroit and successor as discussed in the Opinion.
- E. It is the intent of this Award, as permitted by law, that IPH be obligated to bargain with AFSCME Council 25 as to wages, hours and other conditions of employment for the employees referred to in Paragraph 1.A above in recognition that it is the alter ego of the City of Detroit and successor as discussed in the Opinion.
- F. As to the planned layoffs testified to by Ms. Pash to take effect on September 28, 2012 (see Transcript 356), the City and IPH are bound to comply with Paragraph 1.B of this Award and not hire replacements in positions or their equivalent previously held by AFSCME members under the 2008-2012 Master Agreement in the Department of Health and

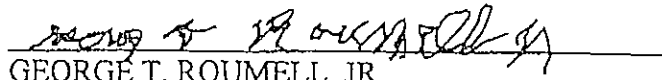

Wellness Promotion to perform duties formerly performed in the Department of Health and Wellness Promotion while there are former AFSCME members who performed those duties under the 2008-2012 Master Agreement who are on layoff or will be laid off.

2. The grievance as to the Workforce Development Department is hereby granted and the remedy shall be as follows:

- A. The City shall direct the Detroit Employment Solutions and Workforce Development Board to recognize AFSCME Council 25 and its applicable Locals as representative of all employees in any positions of the type that were performed by AFSCME represented employees under the 2008-2012 Master Agreement in the Department of Workforce Development that are now employed or will be employed by DES in the future.
- B. If DES has hired or hires any employee who is not a laid off City of Detroit AFSCME represented employee in positions or their equivalent, previously held by AFSCME represented employees under the 2008-2012 Master Agreement in the Department of Workforce Development to perform duties formerly performed in the Department of Workforce Development, then the former AFSCME represented employees who held said positions either in DES or the Department of Workforce Development and had been laid off shall be reinstated in said positions and be paid back pay from the time they were laid off, either by DES or the City of Detroit's Department of Workforce Development.

- C. The City shall cease and desist transferring any work previously done or performed by the City of Detroit Workforce Development Department prior to June 30, 2012 to DES unless DES recognizes AFSCME and its Locals and honors this Award in its totality.
- D. The City shall cease and desist from or assisting in the transferring of any grants to DES unless DES honors this Award in its totality in recognition that it is the alter ego of the City of Detroit and successor as discussed in the Opinion.
- E. It is the intent of this Award, as permitted by law, that DES be obligated to bargain with AFSCME Council 25 as to wages, hours and other conditions of employment for the employees referred to in Paragraph 2.A above in recognition that it is the alter ego of the City of Detroit and successor as discussed in the Opinion.
3. The grievance as to Human Services is denied.
4. The Arbitrator reserves jurisdiction, at the request of either party within six (6) months of this Award, to address disputes concerning the relief provided in this Award.

The City will use its best efforts to prepay the New LTGO Bonds on the Effective Date or as soon as reasonably practicable thereafter from the proceeds of the Exit Facility. If the City cannot prepay all of the New LTGO Bonds on the Effective Date or as soon as reasonably practicable thereafter, the City will use its best efforts to prepay as much of the New LTGO Bonds as reasonably possible, and the LTGO Settlement Parties will accept such partial prepayment. Upon a partial prepayment of the New LTGO Bonds, such New LTGO Bonds will be redeemed by lot.

**iii. Impact of UTGO Settlement.**

Pursuant to the UTGO Settlement Agreement, the City has agreed that (a) the Plan shall not permit the Holders of Allowed Limited Tax General Obligation Bond Claims to recover more on a percentage basis on account of such Allowed Limited Tax General Obligation Bond Claims than the Holders of Allowed Unlimited Tax General Obligation Bond Claims recover on a percentage basis on account of such Allowed Unlimited Tax General Obligation Bond Claims, as such percentage recoveries are projected on the terms set forth in the UTGO Settlement Agreement at Confirmation; and (b) if a Trigger Event occurs, the Settling UTGO Bond Insurers shall receive Top-Off Payments (as set forth in Section IV.C).

Those Holders identified on Schedule 1a of the UTGO Settlement Agreement shall retain ownership of the Stub UTGO Bonds, subject to Sections I.A.36 and IV.C, which Stub UTGO Bonds shall be reinstated.

**p. Class 9 – COP Claims.**

**i. Disputed.**

Except with respect to the COP Claims of the Settling COP Claimants, the COP Claims are Disputed Claims and are not Allowed by the Plan, and the City reserves all rights to (A) object to, avoid or subordinate such Claims on any and all available grounds, including through the assertion of any and all grounds asserted in the COP Litigation, and (B) assign the right to object to, avoid or subordinate such Claims or the City's rights in the COP Litigation to the Litigation Trust. If the City seeks to settle the COP Litigation on terms other than those set forth herein, the City will use its best efforts to reach agreement with the Retiree Committee or the Detroit General VEBA and the Detroit Police and Fire VEBA, as applicable, on any such settlement.

**ii. Assignment.**

Those COP Claims or portions thereof that relate to, and are measured by, the payment schedule under the COPs shall be deemed assigned to the beneficial holders of the COPs on a Pro Rata basis on and as of the Effective Date, solely for purposes of facilitating Distributions under this Plan and for no other purpose. Each beneficial holder shall be deemed to receive such COP Claims or portions thereof in an amount equal to the proportion that the unpaid principal amount of such holder's COPs bears to the aggregate unpaid principal amount of all COPs.

**iii. Treatment.**

**A. Plan COP Settlement Option.**

Each holder of a COP Claim may settle issues related to the allowance and treatment thereof and become a Settling COP Claimant as to all of the COP Claims held by such holder and its Affiliates by submitting to the City a Notice of COP Settlement Acceptance prior to the Effective Date. On the Effective Date, (1) each Settling COP Claimant shall sell all, but not less than all, of such Settling COP Claimant's COP Claims to the Litigation Trust and (2) the Litigation Trust shall provide to each such Settling COP Claimant its Pro Rata share of (a) the Class 9 Settlement Asset Pool and (b) New B Notes in the face amount of \$97,690,000, such that its Pro Rata share shall be calculated as an amount equal to the proportion that the unpaid principal amount plus accrued prepetition interest of COPs held by such Settling COP Claimant bears to the aggregate unpaid principal amount of all COPs plus all accrued prepetition interest thereon. On the Effective Date, any assets not subject to the Plan COP Settlement remaining in the Class 9 Settlement Asset Pool will revert to the City.

The City has granted the LTGO Settlement Parties, on behalf of the holders of Allowed Limited Tax General Obligation Bond Claims in Class 7, and the Retiree Committee consent rights regarding pre-Effective Date settlements of the COP Litigation if and as permitted under applicable non-bankruptcy law. On the Effective Date, on account of such consent rights, the Excess New B Notes shall be distributed as follows: (1) \$11.03 million to the Detroit General VEBA and the Detroit Police and Fire VEBA in proportion with the New B Notes allocated to each pursuant to Sections II.B.3.s.ii.A and II.B.3.s.ii.B; (2) \$4.19 million to be distributed Pro Rata among holders of Allowed Limited Tax General Obligation Bond Claims in Class 7; and (3) \$0.22 million to be distributed Pro Rata among holders of Allowed Other Unsecured Claims in Class 14. With respect to the distribution of the Excess New B Notes, on April 1, 2015, the City shall pay the interest then due on the Excess New B Notes and shall also prepay the October 1, 2015 interest payment on the Excess New B Notes (as a consequence of which, no interest

payment shall be made on the Excess New B Notes on October 1, 2015). The VEBA's may not sell or otherwise transfer their right, title or interest in the Excess New B Notes prior to the October 2, 2015.

The LTGO Settlement Parties have consented to the Syncora Settlement, including the adjustment of the LTGO Settlement Parties' share of the residual interests in the Disputed COP Claims Reserve by \$1.1 million (corresponding to a distribution on account of COP Claims held by Syncora allowed or purchased at 60.358%). The LTGO Settlement Parties' recovery on the residual interest in the Disputed COP Claim Reserve on account of a pre-Effective Date settlement shall be 27% of the Disputed COP Claim Reserve in New B Notes or other equivalent value reasonably acceptable to Ambac, without affecting the 65% share allocable to Holders of Claims in Class 12.

The LTGO Settlement Parties have consented to any pre-Effective Date settlement of any Class 9 Claim held or insured by Financial Guaranty Insurance Company (1) if the settlement does not cause a Distribution of New B Notes from the Disputed COP Claims Reserve on account of such settled claims being allowed or purchased at more than 60.358% (or equivalent value) or (2) if such settlement exceeds 60.358%, the settlement otherwise adjusts commensurately the LTGO Settlement Parties' residual interest in the Disputed COP Claims Reserve (or otherwise provides commensurate equivalent value reasonably acceptable to Ambac) to reflect any increase from 60.358%, in each case without affecting the 65% share allocable to Holders of Allowed Class 12 Claims.

As part of the Plan COP Settlement, each Settling COP Claimant shall pay to the COP Agent such claimant's Pro Rata share of any Allowed Claim for COP Agent Fees held by the COP Agent with such Pro Rata share calculated as an amount equal to the proportion that the unpaid principal amount plus accrued prepetition interest of COPs held by such Settling COP Claimant bears to the aggregate unpaid principal amount of all COPs plus all accrued prepetition interest thereon; provided that Syncora and any Settling COP Claimant not participating in the COP Litigation shall pay to the COP Agent only its respective Pro Rata share of that portion of COP Agent Fees that does not include any fees for services rendered or expenses incurred in connection with the COP Litigation.

## **B. Non-Settling Holders.**

Each beneficial holder of COPs shall receive the following treatment on account of its COP Claims unless such holder agrees to a different treatment of such Claims:

### **1. Disputed COP Claims Reserve.**

On the Effective Date, the City shall establish the Disputed COP Claims Reserve. The Disputed COP Claims Reserve shall contain: (a) an Unsecured Pro Rata Share of New B Notes calculated as if such Disputed COP Claims were Allowed in an amount equal to the aggregate amount of unpaid principal and interest as of the Petition Date for the COPs not subject to the Plan COP Settlement (or such other amount as may be required by an order of the Bankruptcy Court) and (b) any distributions made on account of New B Notes held in the Disputed COP Claims Reserve.

### **2. Distributions From The Disputed COP Claims Reserve.**

If and to the extent that Disputed COP Claims become Allowed Claims after the Effective Date (either through resolution of an objection to a Disputed COP Claim or through a settlement thereof) and except as set forth in the Syncora Settlement Documents, the COP Agent shall be sent a Distribution on behalf of the Holders of such Allowed Claims from the Disputed COP Claims Reserve of no less than (a) the portion of New B Notes held in the Disputed COP Claims Reserve initially allocated to the Disputed COP Claims that became Allowed Claims; and (b) any distributions received by the Disputed COP Claims Reserve on account of such portion of New B Notes. Upon the entry of a Final Order resolving any objection to, or approving a settlement related to, any Disputed COP Claim and after all Distributions to the holders of such resolved or settled Disputed COP Claims have been made or provided for: (a) an amount of New B Notes or distributions thereon in an amount equal to the costs, fees and expenses related to the COP Litigation incurred by the Litigation Trust from and after the Effective Date shall be distributed to the City, on the terms set forth in Section IV.I; and (b) following such distribution, the New B Notes

and any distributions thereon remaining in the Disputed COP Claims Reserve shall be distributed as follows: (i) 65% to the Detroit General VEBA and the Detroit Police and Fire VEBA in proportion with the New B Notes allocated to each pursuant to Sections II.B.3.s.ii.A and II.B.3.s.ii.B; (ii) 20% to be distributed Pro Rata among holders of Allowed Limited Tax General Obligation Bond Claims in Class 7; and (iii) 15% to be distributed Pro Rata among holders of Allowed Other Unsecured Claims in Class 14.

**iv. Impact of UTGO Settlement.**

Pursuant to the UTGO Settlement Agreement, the City has agreed that (a) the Plan shall not permit the Holders of Allowed COP Claims to recover more on a percentage basis on account of such Allowed COP Claims than the Holders of Allowed Unlimited Tax General Obligation Bond Claims recover on a percentage basis on account of such Allowed Unlimited Tax General Obligation Bond Claims, as such percentage recoveries are projected on the terms set forth in the UTGO Settlement Agreement at Confirmation; and (b) if a Trigger Event occurs, the Settling UTGO Bond Insurers shall receive Top-Off Payments (as set forth in Section IV.C).

**q. Class 10 – PFRS Pension Claims.**

**i. Allowance.**

The PFRS Pension Claims shall be allowed in an aggregate amount equal to the sum of approximately \$1,250,000,000.

**ii. Treatment.**

**A. Contributions to PFRS.**

During the Fiscal Years from the Effective Date through Fiscal Year 2023, annual contributions shall be made to fund benefits accrued under the Prior PFRS Pension Plan only in the amounts identified on Exhibit II.B.3.q.ii.A. The exclusive source for such contributions shall be certain DIA Proceeds and a portion of the State Contribution. After June 30, 2023, (1) PFRS will receive certain additional DIA Proceeds and (2) the City will contribute sufficient funds required to pay each Holder of a PFRS Pension Claim his or her PFRS Adjusted Pension Amount in accordance with and as modified by the terms and conditions contained in the Plan and the Prior PFRS Pension Plan, in accordance with the State Contribution Agreement and exhibits thereto. Nothing in this Plan prevents any non-City third party from making additional contributions to or for the benefit of PFRS if such party chooses to do so.

**B. Investment Return Assumption.**

During the period that ends on June 30, 2023, the trustees of the PFRS, or the trustees of any successor trust or pension plan, shall adopt and maintain an investment return assumption and discount rate for purposes of determining the assets and liabilities of the PFRS that shall be 6.75%.

**C. Modification of Benefits for PFRS Participants.**

During the period that ends no earlier than June 30, 2023, the pension benefits payable to each Holder of a PFRS Pension Claim shall be equal to the PFRS Adjusted Pension Amount for such Holder, provided that such PFRS Adjusted Pension Amount shall be (1) automatically reduced by the DIA Proceeds Default Amount in the event of a DIA Proceeds Payment Default and (2) increased by any PFRS Restoration Payment.

Restoration of all or a portion of the modified pension benefits will be provided in accordance with the methodology set forth on Exhibit II.B.3.q.ii.C. For purposes of calculating a PFRS Restoration Payment, market value of assets shall not include any City contributions through June 30, 2023, other than those listed on Exhibit II.B.3.q.ii.A or any State contributions if the PFRS trustees fail to comply with the requirements described in the State Contribution Agreement. In the event that the Foundations and DIA Corp. accelerate all or a portion of

their funding commitments described in Section IV.E.1 prior to June 30, 2023, the incremental portion of the acceleration will not count towards pension restoration.

**D. Contingent Payment Rights.**

The City will issue the DWSD CVR to the Restoration Trust for the benefit of Holders of Pension Claims, as described in Section IV.F.

**E. Accrual of Future Benefits.**

Each Holder of a PFRS Pension Claim who is an Active Employee shall receive, in addition to his or her PFRS Adjusted Pension Amount, as such amount may be modified herein, such additional pension benefit for service on or after July 1, 2014 consistent with the terms and conditions of the New PFRS Active Pension Plan Formula and the New PFRS Active Pension Plan.

**F. Governance.**

On or as soon as reasonably practicable after the Effective Date, an Investment Committee shall be established under PFRS in accordance with the State Contribution Agreement. The Investment Committee shall be vested with the authority and responsibilities set forth in the State Contribution Agreement for a period of 20 years following the Effective Date.

**G. No Changes in Terms for Ten Years.**

**Except as may be required to maintain the tax-qualified status of the PFRS or to comply with the terms of the Plan, the City, the trustees of the PFRS and all other persons or entities shall be enjoined from and against the subsequent amendment of the terms, conditions and rules of operation of the PFRS, or any successor plan or trust, that govern the calculation of pension benefits (including the PFRS Adjusted Pension Amount, accrual of additional benefits, the DIA Proceeds Default Amount, the Prior PFRS Pension Plan, the PFRS Restoration Payment, the New PFRS Active Pension Plan Formula and the terms of the New PFRS Active Pension Plan) or against any action that governs the selection of the investment return assumption described in Section II.B.3.q.ii.B, the contribution to the PFRS or the calculation or amount of PFRS pension benefits for the period ending June 30, 2023, notwithstanding whether that subsequent amendment or act is created or undertaken by contract, agreement (including collective bargaining agreement), statute, rule, regulation, ordinance, charter, resolution or otherwise by operation of law.**

**H. State Contribution Agreement.**

The State Contribution Agreement, the effectiveness of which is contingent upon the acceptance of the Plan by Classes 10 and 11, shall include the following principal terms: (1) the State, or the State's authorized agent, will distribute the State Contribution for the benefit of Holders of Pension Claims; and (2) the Plan shall provide for the release of the State and the State Related Entities by each holder of a Pension Claim from all Liabilities arising from or related to the City, the Chapter 9 Case, the Plan, all Exhibits, the Disclosure Statement, PA 436 and its predecessor or replacement statutes, and Article IX, Section 24 of the Michigan Constitution, as more particularly described in the State Contribution Agreement and as set forth at Section III.D.7.b.

**r. Class 11 – GRS Pension Claims.**

**i. Allowance.**

The GRS Pension Claims shall be allowed in an aggregate amount equal to the sum of approximately \$1,879,000,000.

**ii. Treatment.**

**A. Contributions to GRS.**

During the Fiscal Years from the Effective Date through Fiscal Year 2023, annual contributions shall be made to fund benefits accrued under the Prior GRS Pension Plan only in the amounts identified on Exhibit II.B.3.r.ii.A. The exclusive sources for such contributions shall be certain pension-related, administrative and restructuring payments received from the DWSD equal to approximately \$428.5 million, a portion of the State Contribution, certain DIA Proceeds, a portion of the Assigned UTGO Bond Tax Proceeds and certain revenues from City departments and the Detroit Public Library. After June 30, 2023, (1) certain DIA Proceeds shall be contributed to the GRS and (2) the City will contribute such additional funds as are necessary to pay each Holder of a GRS Pension Claim his or her GRS Adjusted Pension Amount in accordance with and as modified by the terms and conditions contained in the Plan and the Prior GRS Pension Plan, in accordance with the State Contribution Agreement and exhibits thereto. Nothing in this Plan prevents any non-City third party from making additional contributions to or for the benefit of GRS if such party chooses to do so.

**B. Investment Return Assumption**

During the period that ends on June 30, 2023, the board of trustees of the GRS, or the trustees of any successor trust or pension plan, shall adopt and maintain an investment return assumption and discount rate for purposes of determining the assets and liabilities of the GRS that shall be 6.75%.

**C. Modification of Benefits for GRS Participants.**

During the period that ends no earlier than June 30, 2023, the pension benefits payable to each Holder of a GRS Pension Claim shall be equal to the GRS Adjusted Pension Amount for such Holder, provided that such GRS Adjusted Pension Amount shall be (1) automatically reduced by the DIA Proceeds Default Amount in the event of a DIA Proceeds Payment Default and (2) increased by any GRS Restoration Payment.

Restoration of all or a portion of the modified pension benefits will be provided in accordance with the methodology set forth on Exhibit II.B.3.r.ii.C. For purposes of calculating a GRS Restoration Payment, market value of assets shall not include any City contributions through June 30, 2023, other than those listed on Exhibit II.B.3.r.ii.A or any State contributions if the GRS trustees fail to comply with the requirements described in the State Contribution Agreement. In the event that the Foundations and DIA Corp. accelerate all or a portion of their funding commitments described in Section IV.E.1 prior to June 30, 2023, the incremental portion of the acceleration will not count towards pension restoration.

**D. Annuity Savings Fund Recoupment.**

**1. ASF Current Participants.**

On or as soon as reasonably practicable after the Effective Date, the Annuity Savings Fund Excess Amount will be calculated for each ASF Current Participant and will be deducted from such participant's Annuity Savings Fund account and be used to fund the accrued pension benefits of all GRS participants; provided, however, that in no event shall the amount deducted from an ASF Current Participant's Annuity Savings Fund account exceed the ASF Recoupment Cap. In the event that the amount credited to an ASF Current Participant's Annuity Savings Fund account as of the Effective Date is less than such participant's Annuity Savings Fund Excess Amount, the ASF Current Participant will be treated as an ASF Distribution Recipient to the extent of the shortfall.

**2. ASF Distribution Recipients.**

**i. Monthly Deduction**

For each ASF Distribution Recipient that does not elect the ASF Recoupment Cash Option described in Section II.B.3.r.ii.D.2.ii and in the case of any ASF Distribution Recipient that elected the ASF

Recoupment Cash Option but does not timely deliver the ASF Recoupment Cash Payment to the GRS, the Annuity Savings Fund Excess Amount will: (A) be calculated and converted into monthly annuity amounts based on common actuarial assumptions (such as the ASF Distribution Recipient's life expectancy, gender and, if not already retired, expected date of retirement) and amortized using a 6.75% interest rate; and (B) then be deducted from the ASF Distribution Recipient's monthly pension check; provided, however, that in no event shall the total amount deducted from an ASF Distribution Recipient's monthly pension checks exceed the ASF Recoupment Cap or, if applicable, the Current GRS Retiree Adjustment Cap.

## **ii. Single Lump Sum Payment**

Each ASF Distribution Recipient shall be afforded the ASF Recoupment Cash Option.

No later than seven days following the Effective Date, the City, through its Claims and Balloting Agent, shall send the ASF Election Notice and the ASF Election Form by first-class U.S. mail to each ASF Distribution Recipient. The ASF Election Form shall explain that the amount of the ASF Recoupment Cash Payment shall be equal to the total amount of ASF Recoupment shown on the ASF Distribution Recipient's Ballot, unless the aggregate amount of ASF Recoupment for all ASF Distribution Recipients electing the ASF Recoupment Cash Option exceeds \$30,000,000, in which case (A) the ASF Recoupment Cash Payment will be the ASF Distribution Recipient's Pro Rata portion of \$30,000,000, and (B) the remaining portion of the ASF Distribution Recipient's ASF Recoupment will be annuitized and deducted from the ASF Distribution Recipient's monthly pension check, as provided for in Section II.B.3.r.ii.D.2.i.

An ASF Distribution Recipient must return his or her ASF Election Form to the Claims and Balloting Agent so that it is actually received by the Claims and Balloting Agent by the ASF Election Date.

GRS shall mail the ASF Final Cash Payment Notice no later than 14 days after the ASF Election Date. ASF Distribution Recipients shall have until the ASF Final Cash Payment Date to make the ASF Recoupment Cash Payment, which payment must be made by cashier's check or wire transfer and may not be made by personal check. If an ASF Distribution Recipient's ASF Recoupment Cash Payment is not received by the ASF Final Cash Payment Date, GRS will notify the ASF Distribution Recipient of the failure to timely pay, and ASF Recoupment will be effected through diminution of such recipient's monthly pension check, as provided for in Section II.B.3.r.ii.D.2.i. The calculation of each electing ASF Distribution Recipient's ASF Recoupment Cash Payment shall not be adjusted under any circumstances, including as a result of default by any other electing ASF Distribution Recipient to remit his or her ASF Recoupment Cash Payment by the ASF Final Cash Payment Date.

## **E. Contingent Payment Rights.**

The City will issue the DWSD CVR to the Restoration Trust for the benefit of Holders of Pension Claims, as described in Section IV.F.

## **F. Accrual of Future Benefits.**

Each Holder of a GRS Pension Claim who is an Active Employee shall receive, in addition to his or her GRS Adjusted Pension Amount, as such amount may be modified herein, such additional pension benefit for service on or after July 1, 2014, consistent with the terms and conditions of the New GRS Active Pension Plan Formula and the New GRS Active Pension Plan.

## **G. Governance.**

On or as soon as reasonably practicable after the Effective Date, an Investment Committee shall be established under GRS in accordance with the State Contribution Agreement. The Investment Committee shall be vested with the authority and responsibilities set forth in the State Contribution Agreement for a period of 20 years following the Effective Date.

**H. No Changes in Terms for Ten Years.**

Except as may be required to maintain the tax-qualified status of the GRS or to comply with the terms of the Plan, the City, the trustees of the GRS and all other persons or entities shall be enjoined from and against the subsequent amendment of the terms, conditions and rules of operation of the GRS, or any successor plan or trust, that govern the calculation of pension benefits (including the GRS Adjusted Pension Amount, accrual of additional benefits, the DIA Proceeds Default Amount, the Prior GRS Pension Plan, the GRS Restoration Payment, the New GRS Active Pension Plan Formula and the terms of the New GRS Active Pension Plan) or against any action that governs the selection of the investment return assumption described in Section II.B.3.r.ii.B, the contribution to the GRS, or the calculation or amount of GRS pension benefits for the period ending June 30, 2023, notwithstanding whether that subsequent amendment or act is created or undertaken by contract, agreement (including collective bargaining agreement), statute, rule, regulation, ordinance, charter, resolution or otherwise by operation of law.

**I. State Contribution Agreement**

The State Contribution Agreement, the effectiveness of which is contingent upon the acceptance of the Plan by Classes 10 and 11, shall include the following principal terms: (1) the State, or the State's authorized agent, will distribute the State Contribution for the benefit of Holders of Pension Claims; and (2) the Plan shall provide for the release of the State and the State Related Entities by each holder of a Pension Claim from all Liabilities arising from or related to the City, the Chapter 9 Case, the Plan, all Exhibits, the Disclosure Statement, PA 436 and its predecessor or replacement statutes, and Article IX, Section 24 of the Michigan Constitution, as more particularly described in the State Contribution Agreement and as set forth at Section III.D.7.b.

**s. Class 12 – OPEB Claims.**

**i. Allowance.**

As a result of a settlement between the City and the Retiree Committee, the OPEB Claims shall be allowed in an aggregate amount equal to \$4,303,000,000.

**ii. Treatment.**

**A. Detroit General VEBA.**

Establishment of Detroit General VEBA: On or as soon as practicable following the Effective Date, the City will establish the Detroit General VEBA to provide health benefits to Detroit General VEBA Beneficiaries and certain of their dependents. The Detroit General VEBA will be governed by a seven member board of trustees that will be responsible for, among other things, management of property held by the Detroit General VEBA, administration of the Detroit General VEBA and determination of the level of and distribution of benefits to Detroit General VEBA Beneficiaries. The Detroit General VEBA Trust Agreement and related plan documentation will be substantially in the form set forth on Exhibit I.A.108. With respect to the initial appointment of the board of trustees, the Mayor will appoint one member, and the DRCEA and the Retiree Committee will each appoint three board members. The DRCEA will fill board member vacancies created by the departure of members initially appointed by the Retiree Committee or the DRCEA, and the Mayor will fill a board member vacancy created by the departure of the member appointed by the Mayor. Nothing in the Plan precludes either the Detroit General VEBA from being formed under Section 115 or the formation of a separate trust under Section 115, in each case with the City's consent, which consent will not be unreasonably withheld.

Distributions to Detroit General VEBA: On the Effective Date, the City shall distribute to the Detroit General VEBA New B Notes in the aggregate principal amount of \$218,000,000, in satisfaction of the Allowed OPEB Claims held by Detroit General VEBA Beneficiaries. The Detroit General VEBA shall also be entitled to contingent additional distributions from the Disputed COP Claims Reserve as set forth in Section II.B.3.p.iii.B.

**B. Detroit Police and Fire VEBA.**

Establishment of Detroit Police and Fire VEBA: On or as soon as practicable following the Effective Date, the City will establish the Detroit Police and Fire VEBA to provide health benefits to Detroit Police and Fire VEBA Beneficiaries and certain of their dependents. The Detroit Police and Fire VEBA will be governed by a seven member board of trustees and, for the first four years, one additional non-voting, ex-officio member. The board of trustees will be responsible for, among other things, management of property held by the Detroit Police and Fire VEBA, administration of the Detroit Police and Fire VEBA and determination of the level of and distribution of benefits to Detroit Police and Fire VEBA Beneficiaries. The Detroit Police and Fire VEBA Trust Agreement and related plan documentation will be substantially in the form set forth on Exhibit I.A.112. With respect to the initial appointment of the board of trustees, the Mayor will appoint one member, and the RDPFFA and the Retiree Committee will each appoint three board members. The RDPMA will appoint the non-voting, ex-officio member. The RDPFFA will fill board member vacancies created by the departure of voting members initially appointed by the Retiree Committee or the RDPFFA, and the Mayor will fill a board member vacancy created by the departure of the member appointed by the Mayor. The RDPMA will fill a non-voting, ex-officio board member vacancy created by the departure of the member initially appointed by the RDPMA, but such non-voting, ex-officio member position shall expire on December 31, 2018. Nothing in the Plan precludes either the Detroit Police and Fire VEBA from being formed under Section 115 or the formation of a separate trust under Section 115, in each case with the City's consent, which consent will not be unreasonably withheld.

Distributions to Detroit Police and Fire VEBA: On the Effective Date, the City shall distribute to the Detroit Police and Fire VEBA New B Notes in the aggregate principal amount of \$232,000,000, in satisfaction of the Allowed OPEB Claims held by Detroit Police and Fire VEBA Beneficiaries. The Detroit Police and Fire VEBA shall also be entitled to contingent additional distributions from the Disputed COP Claims Reserve as set forth in Section II.B.3.p.iii.B.

**C. No Further Responsibility.**

From and after the Effective Date, the City shall have no further responsibility to provide retiree healthcare or any other retiree welfare benefits. The City shall have no responsibility from and after the Effective Date to provide life insurance or death benefits to current or former employees. On the Effective Date, the Employees Death Benefit Plan will be frozen, and the City will no longer have an obligation to contribute to fund death benefits under the plan for any participant or beneficiary. The Employees Death Benefit Plan will be self-liquidating, and existing retirees who participate in the plan will be granted a one-time opportunity to receive a lump sum distribution of the present value of their actuarially determined death benefit to the extent of the plan funding. For the avoidance of doubt, the Employees Death Benefit Plan shall not be merged into or operated by either the Detroit General VEBA or the Detroit Police and Fire VEBA. The Employees Death Benefit Board of Trustees shall continue to manage the Employees Death Benefit Plan and employ the staff of the Retirement Systems to administer the disbursement of benefits thereunder, the costs of which administration shall be borne by the assets of the Employees Death Benefit Plan.

**t. Class 13 – Downtown Development Authority Claims.**

**i. Allowance.**

On the Effective Date, the Downtown Development Authority Claims shall be deemed Allowed in the amount of \$33,600,000.

**ii. Treatment.**

Unless such Holder agrees to a different treatment of such Claim, each Holder of an Allowed Downtown Development Authority Claim, in full satisfaction of such Allowed Claim, shall receive, on or as soon as reasonably practicable after the Effective Date, an Unsecured Pro Rata Share of New B Notes.

**u. Class 14 – Other Unsecured Claims.**

**i. Treatment.**

Unless such Holder agrees to a different treatment of such Claim, each Holder of an Allowed Other Unsecured Claim, in full satisfaction of such Allowed Claim, shall receive (A) on or as soon as reasonably practicable after the Effective Date, an Unsecured Pro Rata Share of New B Notes and (B) distributions from the Disputed COP Claims Reserve in accordance with Section II.B.3.p.iii.B.

**v. Class 15 – Convenience Claims.**

**i. Treatment.**

Each Holder of an Allowed Convenience Claim, in full satisfaction of such Allowed Claim, shall receive Cash equal to the amount of 25% of such Allowed Claim (as reduced, if applicable, pursuant to an election by such Holder in accordance with Section I.A.76) on or as soon as reasonably practicable after the Effective Date, unless such Holder agrees to a different treatment of such Claim.

**w. Class 16 – Subordinated Claims.**

**i. Treatment.**

On the Effective Date, all Subordinated Claims shall be disallowed, extinguished and discharged without Distribution under the Plan, and Holders of Subordinated Claims shall not receive or retain any property on account of such Claims. Pursuant to section 1126(g) of the Bankruptcy Code, Class 16 is deemed to have rejected the Plan and Holders of Subordinated Claims are not entitled to cast a Ballot in respect of such Claims.

**x. Class 17 – Indirect 36th District Court Claims.**

**i. Treatment.**

Unless such Holder agrees to a different treatment of its Claim, each Holder of an Allowed Indirect 36th District Court Claim, in full satisfaction of such Allowed Claim, shall receive: (A) if the Allowed amount of such Indirect 36th District Court Claim is less than \$100,000.00, on or as soon as reasonably practicable after the Effective Date, Cash in an amount equal to 33% of the Allowed amount of such Allowed Indirect 36th District Court Claim; or (B) if the Allowed amount of such Indirect 36th District Court Claim is equal to or more than \$100,000.00, Cash equal to 33% of the Allowed amount of such Indirect 36th District Court Claim, plus simple interest on outstanding amounts at a rate of five percent per annum, payable in five equal annual installments, with the first installment to be paid on or as soon as reasonably practicable after the Effective Date and the remaining four installments to be paid on the date of the first four anniversaries of the Effective Date or, if any such date is not a Business Day, on the first Business Day thereafter.

**ii. Further Obligation of City, State and 36th District Court.**

Subject to the terms of the 36th District Court Settlement, the treatment of Allowed Indirect 36th District Court Claims set forth in Section II.B.3.x.i shall fulfill any obligation of the City and the 36th District Court that may exist with respect to all Indirect 36th District Court Claims. Nothing in Section II.B.3.x.i prevents the Holder of an Indirect 36th District Court Claim from seeking further relief or payment from the State with respect to such Indirect 36th District Court Claim to the extent such Claim is not satisfied pursuant to the Plan.

**C. Confirmation Without Acceptance by All Impaired Classes.**

The City requests Confirmation under section 1129(b) of the Bankruptcy Code in the event that any impaired Class does not accept or is deemed not to accept the Plan pursuant to section 1126 of the Bankruptcy Code. The Plan shall constitute a motion for such relief.

## **D. Treatment of Executory Contracts and Unexpired Leases.**

### **1. Assumption.**

Except as otherwise provided in the Plan, in any contract, instrument, release or other agreement or document entered into in connection with the Plan or in a Final Order of the Bankruptcy Court, or as requested in any motion Filed by the City on or prior to the Effective Date, on the Effective Date, pursuant to section 365 of the Bankruptcy Code, the City will be deemed to assume all Executory Contracts and Unexpired Leases to which it is a party. Notwithstanding the foregoing, Retirement System Indemnity Obligations shall not be assumed under the Plan and shall be discharged. For the avoidance of doubt, the City shall assume the Tunnel Lease pursuant to this Section II.D.1.

### **2. Assumption of Ancillary Agreements.**

Each Executory Contract and Unexpired Lease assumed pursuant to Section II.D.1 will include any modifications, amendments, supplements, restatements or other agreements made directly or indirectly by any agreement, instrument or other document that in any manner affects such Executory Contract or Unexpired Lease, unless any such modification, amendment, supplement, restatement or other agreement is rejected pursuant to Section II.D.6 or designated for rejection in accordance with Section II.D.3.

### **3. Approval of Assumptions and Assignments.**

The Confirmation Order will constitute an order of the Bankruptcy Court approving the assumption of Executory Contracts and Unexpired Leases pursuant to Sections II.D.1 and II.D.2 (and any related assignment) as of the Effective Date, except for Executory Contracts or Unexpired Leases that (a) have been rejected pursuant to a Final Order of the Bankruptcy Court, (b) are subject to a pending motion for reconsideration or appeal of an order authorizing the rejection of such Executory Contract or Unexpired Lease, (c) are subject to a motion to reject such Executory Contract or Unexpired Lease Filed on or prior to the Effective Date, (d) are rejected pursuant to Section II.D.6 or (e) are designated for rejection in accordance with the last sentence of this paragraph. An order of the Bankruptcy Court (which may be the Confirmation Order) entered on or prior to the Confirmation Date will specify the procedures for providing notice to each party whose Executory Contract or Unexpired Lease is being assumed pursuant to the Plan of: (a) the Executory Contract or Unexpired Lease being assumed; (b) the Cure Amount Claim, if any, that the City believes it would be obligated to pay in connection with such assumption; (c) any assignment of an Executory Contract or Unexpired Lease; and (d) the procedures for such party to object to the assumption of the applicable Executory Contract or Unexpired Lease, the amount of the proposed Cure Amount Claim or any assignment of an Executory Contract or Unexpired Lease. If an objection to a proposed assumption, assumption and assignment or Cure Amount Claim is not resolved in favor of the City, the applicable Executory Contract or Unexpired Lease may be designated by the City for rejection, which shall be deemed effective as of the Effective Date.

### **4. Payments Related to the Assumption of Executory Contracts and Unexpired Leases.**

To the extent that such Claims constitute monetary defaults, the Cure Amount Claims associated with each Executory Contract or Unexpired Lease to be assumed pursuant to the Plan will be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, at the option of the City: (a) by payment of the Cure Amount Claim in Cash on the Effective Date or (b) on such other terms as are agreed to by the parties to such Executory Contract or Unexpired Lease. If there is a dispute regarding: (a) the amount of any Cure Amount Claim, (b) the ability of the City or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under the contract or lease to be assumed or (c) any other matter pertaining to the assumption of such contract or lease, the payment of any Cure Amount Claim required by section 365(b)(1) of the Bankruptcy Code will be made within 30 days following the entry of a Final Order resolving the dispute and approving the assumption.

**5. Contracts and Leases Entered Into After the Petition Date.**

Contracts, leases and other agreements entered into after the Petition Date by the City, including (a) any Executory Contracts or Unexpired Leases assumed by the City and (b) the collective bargaining agreements identified on Exhibit II.D.5, will be performed by the City in the ordinary course of its business. Accordingly, such contracts and leases (including any assumed Executory Contracts or Unexpired Leases) will survive and remain unaffected by entry of the Confirmation Order.

**6. Rejection of Executory Contracts and Unexpired Leases.**

On the Effective Date, each Executory Contract and Unexpired Lease that is listed on Exhibit II.D.6 shall be deemed rejected pursuant to section 365 of the Bankruptcy Code. The Confirmation Order will constitute an order of the Bankruptcy Court approving such rejections, pursuant to section 365 of the Bankruptcy Code, as of the later of: (a) the Effective Date or (b) the resolution of any objection to the proposed rejection of an Executory Contract or Unexpired Lease. Each contract or lease listed on Exhibit II.D.6 shall be rejected only to the extent that any such contract or lease constitutes an Executory Contract or Unexpired Lease. The City reserves its right, at any time on or prior to the Effective Date, to amend Exhibit II.D.6 to delete any Executory Contract or Unexpired Lease therefrom, thus providing for its assumption pursuant to Section II.D.1, or add any Executory Contract or Unexpired Lease thereto, thus providing for its rejection pursuant to this Section II.D.6. The City will provide notice of any amendments to Exhibit II.D.6 to the parties to the Executory Contracts or Unexpired Leases affected thereby and to the parties on the then-applicable service list in the Chapter 9 Case. Listing a contract or lease on Exhibit II.D.6 shall not constitute an admission by the City that such contract or lease is an Executory Contract or Unexpired Lease or that the City has any liability thereunder. Any Claims arising from the rejection of an Executory Contract or Unexpired Lease pursuant to the Plan shall be treated as Class 14 Claims (Other Unsecured Claims), subject to the provisions of section 502 of the Bankruptcy Code.

**7. Rejection Damages Bar Date.**

Except as otherwise provided in a Final Order of the Bankruptcy Court approving the rejection of an Executory Contract or Unexpired Lease, Claims arising out of the rejection of an Executory Contract or Unexpired Lease must be Filed with the Bankruptcy Court and served upon counsel to the City on or before the later of: (a) 45 days after the Effective Date; or (b) 45 days after such Executory Contract or Unexpired Lease is rejected pursuant to a Final Order or designated for rejection in accordance with Section II.D.3. Any Claims not Filed within such applicable time periods will be forever barred from receiving a Distribution from, and shall not be enforceable against, the City.

**8. Preexisting Obligations to the City Under Rejected Executory Contracts and Unexpired Leases.**

Pursuant to section 365(g) of the Bankruptcy Code, rejection of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall constitute a breach of such contract or lease and not a termination thereof, and all obligations owing to the City under such contract or lease as of the date of such breach shall remain owing to the City upon rejection. Notwithstanding any applicable non-bankruptcy law to the contrary, the City expressly reserves and does not waive any right to receive, or any continuing obligation of a non-City party to provide, warranties, indemnifications or continued maintenance obligations on goods previously purchased, or services previously received, by the City from non-City parties to rejected Executory Contracts or Unexpired Leases, and any such rights shall remain vested in the City as of the Effective Date.

**9. Insurance Policies.**

From and after the Effective Date, each of the City's insurance policies (other than welfare benefits insurance policies) in existence as of or prior to the Effective Date shall be reinstated and continue in full force and effect in accordance with its terms and, to the extent applicable, shall be deemed assumed by the City pursuant to section 365 of the Bankruptcy Code and Section II.D.1. Nothing contained herein shall constitute or be deemed a waiver of any Causes of Action that the City may hold against any Entity, including any insurer under any

of the City's insurance policies. For the avoidance of doubt, nothing contained in this Section II.D.9 shall apply to reinstate or continue any obligation of the City or any fund thereof to any Bond Insurer.

### **ARTICLE III CONFIRMATION OF THE PLAN**

#### **A. Conditions Precedent to the Effective Date.**

The Effective Date will not occur, and the Plan will not be consummated, unless and until the City has determined that all of following conditions have been satisfied or waived in accordance with Section III.B:

1. The Bankruptcy Court shall have entered the Confirmation Order in form and substance satisfactory to the City.
2. The Bankruptcy Court shall have entered an order (which may be included in the Confirmation Order) approving and authorizing the City to take all actions necessary or appropriate to implement the Plan, including the transactions contemplated by the Plan and the implementation and consummation of the contracts, instruments, settlements, releases and other agreements or documents entered into or delivered in connection with the Plan.
3. The Confirmation Order shall not be stayed in any respect.
4. All actions and all contracts, instruments, settlements, releases and other agreements or documents necessary to implement the terms and provisions of the Plan are effected or executed and delivered, as applicable, in form and substance satisfactory to the City.
5. All authorizations, consents and regulatory approvals, if any, required in connection with the consummation of the Plan have been obtained and not revoked, including all governmental and Emergency Manager consents and approvals required to carry out the terms of the LTGO Settlement Agreement.
6. Any legislation that must be passed by the State legislature to effect any term of the Plan shall have been enacted.
7. The MFA board shall have approved the issuance of the Restructured UTGO Bonds and the Restructured UTGO Bonds shall have been issued.
8. The City shall have obtained all governmental and Emergency Manager consents and approvals required to carry out the terms of the UTGO Settlement Agreement.
9. The Plan and all Exhibits shall have been Filed and shall not have been materially amended, altered or modified from the Plan as confirmed by the Confirmation Order, unless such material amendment, alteration or modification has been made in accordance with Section VIII.B.
10. If Classes 10 and 11 have accepted the Plan, all conditions to the effectiveness of the State Contribution Agreement and the DIA Settlement Documents have been satisfied.
11. The Syncora Settlement and the Syncora Settlement Agreement shall have been approved by the Bankruptcy Court in form and substance reasonably acceptable to the City and Syncora, and such approval shall not have been vacated or otherwise modified, and the definitive documents contemplated thereby shall have been executed and delivered.
12. The Development Agreement shall have been approved by the Bankruptcy Court in form and substance reasonably acceptable to the City and Syncora, and such approval shall not have been vacated or otherwise modified, and the definitive documents contemplated thereby shall have been executed and delivered.

13. The Effective Date shall have occurred within 180 days of the entry of the Confirmation Order, unless the City requests an extension of such deadline and such deadline is extended by the Bankruptcy Court.

**B. Waiver of Conditions to the Effective Date.**

The conditions to the Effective Date set forth in Section III.A may be waived in whole or part at any time by the City in its sole and absolute discretion, except for those conditions set forth in Section III.A.7 and Section III.A.8, which conditions cannot be waived, and except for those conditions set forth in Sections III.A.11 and III.A.12, which may only be waived by the City with the prior written consent of Syncora.

**C. Effect of Nonoccurrence of Conditions to the Effective Date.**

If each of the conditions to the Effective Date is not satisfied, or duly waived in accordance with Section III.B, then, before the time that each of such conditions has been satisfied and upon notice to such parties in interest as the Bankruptcy Court may direct, the City may File a motion requesting that the Bankruptcy Court vacate the Confirmation Order; provided, however, that, notwithstanding the Filing of such motion, the Confirmation Order may not be vacated if each of the conditions to the Effective Date is satisfied before the Bankruptcy Court enters an order granting such motion. If the Confirmation Order is vacated pursuant to this Section III.C: (1) the Plan will be null and void in all respects, including with respect to (a) the discharge of Claims pursuant to section 944(b) of the Bankruptcy Code, (b) the assumptions, assignments or rejections of Executory Contracts and Unexpired Leases pursuant to Section II.D and (c) the releases described in Section III.D.7; and (2) nothing contained in the Plan, nor any action taken or not taken by the City with respect to the Plan, the Disclosure Statement or the Confirmation Order, will be or will be deemed to be (a) a waiver or release of any Claims by or against the City, (b) an admission of any sort by the City or any other party in interest or (c) prejudicial in any manner the rights of the City or any other party in interest.

**D. Effect of Confirmation of the Plan.**

**1. Dissolution of Retiree Committee.**

On the Effective Date, the Retiree Committee, to the extent not previously dissolved or disbanded, will dissolve and disband, and the members of the Retiree Committee and their respective professionals will cease to have any role arising from or related to the Chapter 9 Case.

**2. Preservation of Rights of Action by the City.**

Except as otherwise provided in the Plan or in any contract, instrument, release or other agreement entered into or delivered in connection with the Plan, in accordance with section 1123(b)(3)(B) of the Bankruptcy Code, the City will retain and may enforce any claims, demands, rights, defenses and Causes of Action that it may hold against any Entity, including but not limited to any and all Causes of Action against any party relating to the past practices of the Retirement Systems (including any investment decisions related to, and the management of, the Retirement Systems' respective pension plans or assets), to the extent not expressly released under the Plan or pursuant to any Final Order of the Bankruptcy Court. A nonexclusive schedule of currently pending actions and claims brought by the City is attached as Exhibit III.D.2. The City's inclusion of, or failure to include, any right of action or claim on Exhibit III.D.2 shall not be deemed an admission, denial or waiver of any claims, demands, rights or Causes of Action that the City may hold against any Entity, and all Entities are hereby notified that the City intends to preserve all such claims, demands, rights or Causes of Action.

**3. Comprehensive Settlement of Claims and Controversies.**

Pursuant to Bankruptcy Rule 9019 and in consideration for the distributions and other benefits provided under the Plan, the provisions of the Plan will constitute a good faith compromise and settlement of all claims or controversies relating to the rights that a holder of a Claim may have with respect to any Allowed Claim or any Distribution to be made pursuant to the Plan on account of any Allowed Claim. The entry of the Confirmation Order will constitute the Bankruptcy Court's approval, as of the Effective Date, of the compromise or settlement of

all such claims or controversies and the Bankruptcy Court's finding that all such compromises or settlements are (a) in the best interests of the City, its property and Claim Holders and (b) fair, equitable and reasonable. For the avoidance of doubt, this Section III.D.3 shall not affect or limit the application of section 509 of the Bankruptcy Code or any similar doctrine to Bond Insurance Policy Claims.

**4. Discharge of Claims.**

**a. Complete Satisfaction, Discharge and Release.**

Except as provided in the Plan or in the Confirmation Order, the rights afforded under the Plan and the treatment of Claims under the Plan will be in exchange for and in complete satisfaction, discharge and release of all Claims arising on or before the Effective Date, including any interest accrued on Claims from and after the Petition Date. Except as provided in the Plan or in the Confirmation Order, Confirmation will, as of the Effective Date, discharge the City from all Claims or other debts that arose on or before the Effective Date, and all debts of the kind specified in section 502(g), 502(h) or 502(i) of the Bankruptcy Code, whether or not (i) a proof of Claim based on such debt is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code, (ii) a Claim based on such debt is allowed pursuant to section 502 of the Bankruptcy Code or (iii) the Holder of a Claim based on such debt has accepted the Plan.

**b. Discharge.**

In accordance with Section III.D.4.a, except as expressly provided otherwise in the Plan or the Confirmation Order, the Confirmation Order will be a judicial determination, as of the Effective Date, of a discharge of all debts of the City, pursuant to sections 524(a)(1), 524(a)(2) and 944(b) of the Bankruptcy Code, and such discharge will void any judgment obtained against the City at any time, to the extent that such judgment relates to a discharged debt; provided that such discharge will not apply to (i) debts specifically exempted from discharge under the Plan; and (ii) debts held by an Entity that, before the Confirmation Date, had neither notice nor actual knowledge of the Chapter 9 Case.

**5. Injunction.**

**On the Effective Date, except as otherwise provided herein or in the Confirmation Order,**

**a. all Entities that have been, are or may be holders of Claims against the City, Indirect 36th District Court Claims or Indirect Employee Indemnity Claims, along with their Related Entities, shall be permanently enjoined from taking any of the following actions against or affecting the City or its property, DIA Corp. or its property, the DIA Assets, the Released Parties or their respective property and the Related Entities of each of the foregoing, with respect to such claims (other than actions brought to enforce any rights or obligations under the Plan and appeals, if any, from the Confirmation Order):**

**1. commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding of any kind against or affecting the City or its property (including (A) all suits, actions and proceedings that are pending as of the Effective Date, which must be withdrawn or dismissed with prejudice, (B) Indirect 36th District Court Claims and (C) Indirect Employee Indemnity Claims);**

**2. enforcing, levying, attaching, collecting or otherwise recovering by any manner or means, directly or indirectly, any judgment, award, decree or order against the City or its property;**

**3. creating, perfecting or otherwise enforcing in any manner, directly or indirectly, any encumbrance of any kind against the City or its property;**

**4. asserting any setoff, right of subrogation or recoupment of any kind, directly or indirectly, against any obligation due the City or its property;**

5. proceeding in any manner in any place whatsoever that does not conform to or comply with the provisions of the Plan or the settlements set forth herein to the extent such settlements have been approved by the Bankruptcy Court in connection with Confirmation of the Plan; and

6. taking any actions to interfere with the implementation or consummation of the Plan.

b. All Entities that have held, currently hold or may hold any Liabilities released pursuant to the Plan will be permanently enjoined from taking any of the following actions against the State, the State Related Entities, the officers, board of trustees/directors, attorneys, advisors and professionals of the RDPFFA or the DRCEA, and the Released Parties or any of their respective property on account of such released Liabilities: (i) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding of any kind; (ii) enforcing, levying, attaching, collecting or otherwise recovering by any manner or means, directly or indirectly, any judgment, award, decree or order; (iii) creating, perfecting or otherwise enforcing in any manner, directly or indirectly, any lien; (iv) asserting any setoff, right of subrogation or recoupment of any kind, directly or indirectly, against any obligation due the State, a State Related Entity, the officers, board of trustees/directors, attorneys, advisors and professionals of the RDPFFA or the DRCEA, or a Released Party; and (v) commencing or continuing any action, in any manner, in any place that does not comply with or is inconsistent with the provisions of the Plan. Notwithstanding the foregoing and without limiting the injunctions in Section III.D.5.a, the Holders of Indirect 36th District Court Claims shall not be enjoined from taking any of the foregoing actions against the State or the State Related Entities with respect to Indirect 36th District Court Claims to the extent such Claims are not satisfied pursuant to the Plan.

#### 6. Exculpation.

From and after the Effective Date, to the fullest extent permitted under applicable law and except as expressly set forth in this Section, neither the City, its Related Entities (including the members of the City Council, the Mayor and the Emergency Manager), to the extent a claim arises from actions taken by such Related Entity in its capacity as a Related Entity of the City, the State, the State Related Entities, the Exculpated Parties nor the Released Parties shall have or incur any liability to any person or Entity for any act or omission in connection with, relating to or arising out of the City's restructuring efforts and the Chapter 9 Case, including the authorization given to file the Chapter 9 Case, the formulation, preparation, negotiation, dissemination, consummation, implementation, confirmation or approval (as applicable) of the Plan, the property to be distributed under the Plan, the settlements implemented under the Plan, the Exhibits, the Disclosure Statement, any contract, instrument, release or other agreement or document provided for or contemplated in connection with the consummation of the transactions set forth in the Plan or the management or operation of the City; provided that the foregoing provisions shall apply to (a) the LTGO Exculpated Parties solely in connection with acts or omissions taken in connection with the LTGO Settlement Agreement or the Plan (as it relates to the LTGO Settlement Agreement), (b) the UTGO Exculpated Parties solely in connection with acts or omissions taken in connection with the UTGO Settlement Agreement or the Plan (as it relates to the UTGO Settlement Agreement), (c) the DWSD Exculpated Parties solely in connection with acts or omissions taken in connection with the DWSD Tender, DWSD Tender Motion or DWSD Tender Order, (d) the Syncora Exculpated Parties solely to the extent permitted by law and solely in connection with acts or omissions taken in connection with the Syncora Settlement Documents and any actions or litigation positions taken by the Syncora Exculpated Parties in the Chapter 9 Case, (e) the RDPMA Exculpated Parties and (f) the COP Agent, solely in its capacity as such and solely in connection with any Distributions made pursuant to the terms of the Plan; provided, further, that the foregoing provisions in this Section III.D.6 shall not affect the liability of the City, its Related Entities, the State, the State Related Entities, the Released Parties and the Exculpated Parties that otherwise would result from any such act or omission to the extent that such act or omission is determined in a Final Order to have constituted gross negligence or willful misconduct or any act or omission occurring before the Petition Date. The City, its Related Entities (with respect to actions taken by such Related Entities in their capacities as Related Entities of the City), the State, the State Related Entities, the Released Parties and the Exculpated Parties shall be entitled to rely upon the advice of counsel and financial advisors with respect to their duties and responsibilities under, or in connection with, the Chapter 9 Case, the administration thereof and the Plan. This Section III.D.6 shall not affect any liability of (a) any of the COP Swap Exculpated Parties to the Syncora

Exculpated Parties or Financial Guaranty Insurance Company or (b) the Syncora Exculpated Parties or Financial Guaranty Insurance Company to any of the COP Swap Exculpated Parties.

## **7. Releases**

Without limiting any other applicable provisions of, or releases contained in, the Plan or any contracts, instruments, releases, agreements or documents to be entered into or delivered in connection with the Plan, as of the Effective Date, in consideration for the obligations of the City under the Plan and the consideration and other contracts, instruments, releases, agreements or documents to be entered into or delivered in connection with the Plan (including the State Contribution Agreement):

- a. each holder of a Claim that votes in favor of the Plan, to the fullest extent permissible under law, will be deemed to forever release, waive and discharge (which release will be in addition to the release and discharge of Claims otherwise provided herein and under the Confirmation Order and the Bankruptcy Code):
  - i. all Liabilities in any way relating to the City, the Chapter 9 Case (including the authorization given to file the Chapter 9 Case), the Plan, the Exhibits or the Disclosure Statement, in each case that such holder has, had or may have against the City or its current and former officials, officers, directors, employees, managers, attorneys, advisors and professionals, each acting in such capacity (and, in addition to and without limiting the foregoing, in the case of any Emergency Manager, in such Emergency Manager's capacity as an appointee under PA 436); provided further, for the avoidance of doubt, that any person or entity designated to manage the Chapter 9 Case for the City after the Emergency Manager's term is terminated, whether such person or entity acts as an employee, advisor or contractor to the City or acts as an employee, agent, contractor or appointee of the State under any applicable state law, shall be treated the same as an employee of the City hereunder; and
  - ii. all Liabilities in any way relating to (A) Claims that are compromised, settled or discharged under or in connection with the Plan, (B) the Chapter 9 Case (including the authorization given to file the Chapter 9 Case), (C) the Plan, (D) the Exhibits, (E) the Disclosure Statement or (F) the DIA Settlement, in each case that such holder has, had or may have against the City's Related Entities, the State, the State Related Entities and the Released Parties; provided, however, that any such Liability of the Foundations, the DIA Funders and the CFSEM Supporting Organization and their Related Entities shall be released only to the extent that such Liability, if any, arises from any such entity's participation in the DIA Settlement;

provided, however, that the foregoing provisions shall not affect the liability of the City, its Related Entities and the Released Parties that otherwise would result from any act or omission to the extent that act or omission subsequently is determined in a Final Order to have constituted gross negligence or willful misconduct; and provided further, however, that if Classes 10 and 11 vote to accept the Plan, but any necessary conditions precedent to the receipt of the initial funding from the State (pursuant to the State Contribution Agreement) and the DIA Funding Parties that are such as of the commencement of the Confirmation Hearing (pursuant to the DIA Settlement) that can be satisfied or waived by the applicable funding party prior to the Confirmation Hearing (including, but not limited to, adoption of relevant legislation and appropriations by the State and execution of necessary and irrevocable agreements for their funding commitments by each of the DIA Funding Parties that are such as of the commencement of the Confirmation Hearing, which conditions may not be waived) are not satisfied or waived by the applicable funding party prior to the Confirmation Hearing, then Holders of Claims in Classes 10 and 11 that voted to accept the Plan shall be deemed to have voted to reject the Plan, and the voluntary release set forth in the first sentence of this Section III.D.7.a shall not apply to Holders of Claims in Classes 10 and 11; provided, further, that nothing in this

Section III.D.7.a shall release (i) the City's obligations under the Plan or (ii) any defenses that any party may have against the City, its Related Entities, the State, the State Related Entities or the Released Parties; and

- b. if the State Contribution Agreement is consummated, each holder of a Pension Claim will be deemed to forever release, waive and discharge all Liabilities arising from or related to the City, the Chapter 9 Case, including the authorization given to file the Chapter 9 Case, the Plan, all Exhibits, the Disclosure Statement, PA 436 and its predecessor or replacement statutes, and Article IX, Section 24 of the Michigan Constitution that such party has, had or may have against the State and any State Related Entities. For the avoidance of doubt, the Plan does not release, waive or discharge obligations of the City that are established in the Plan or that arise from and after the Effective Date with respect to (i) pensions as modified by the Plan or (ii) labor-related obligations. Such post-Effective Date obligations shall be enforceable against the City or its representatives by active or retired employees or their collective bargaining representatives to the extent permitted by applicable non-bankruptcy law or the Plan, or, with respect to pensions only, GRS or PFRS.

For the avoidance of doubt, notwithstanding Section III.D.6 of the Plan, a vote of DWSD Bond Claims or DWSD Revolving Bond Claims in favor of the Plan shall not, and shall not be deemed to, effect a release pursuant to this Section III.D.7 by a Holder of any such DWSD Bond Claims, a Holder of any such DWSD Revolving Bond Claims or the Bond Insurer insuring any such Claims of any Liabilities against the City or its Related Entities that do not arise in connection with the DWSD Bonds or the DWSD Revolving Bonds. For the further avoidance of doubt, notwithstanding anything in the Plan to the contrary, a vote of a Claim other than a DWSD Bond Claim or DWSD Revolving Bond Claim in favor of the Plan shall not, and shall not be deemed to, effect a release pursuant to this Section III.D.7 by a Holder of any such voted Claim or the Bond Insurer insuring such voted Claim of any Liabilities against the City or any other Entity arising in connection with the DWSD Bonds or DWSD Revolving Bonds.

#### **E. No Diminution of State Power**

No provision of this Plan shall be construed: (1) so as to limit or diminish the power of the State to control, by legislation or otherwise, the City in the exercise of the political or governmental powers of the City, including expenditures for such exercise; (2) so as to limit or diminish the power of the State to effect setoffs necessary to compensate the State or relieve the State of liability against funds (a) owing to the City from the State, (b) granted to the City by the State, or (c) administered by the State on behalf of the City or the federal government (including funds resulting from federal or state grants), for acts or omissions by the City (including but not limited to misappropriation or misuse of funds); and (3) as a waiver by the State of its rights as a sovereign or rights granted to it pursuant to the Tenth Amendment to the United States Constitution, or limit or diminish the State's exercise of such rights.

#### **F. Effectiveness of the Plan.**

The Plan shall become effective on the Effective Date. Any actions required to be taken on the Effective Date shall take place and shall be deemed to have occurred simultaneously, and no such action shall be deemed to have occurred prior to the taking of any other such action.

**G. Binding Effect of Plan.**

Pursuant to section 944(a) of the Bankruptcy Code, on and after the Effective Date, the provisions of the Plan shall bind all Holders of Claims, and their respective successors and assigns, whether or not the Claim of any such Holder is Impaired under the Plan and whether or not such Holder has accepted the Plan. The releases and settlements effected under the Plan will be operative, and subject to enforcement by the Bankruptcy Court, from and after the Effective Date, including pursuant to the injunctive provisions of the Plan. Once approved, the compromises and settlements embodied in the Plan, along with the treatment of any associated Allowed Claims, shall not be subject to any collateral attack or other challenge by any Entity in any court or other forum. As such, any Entity that opposes the terms of any compromise and settlement set forth in the Plan must (1) challenge such compromise and settlement prior to Confirmation of the Plan and (2) demonstrate appropriate standing to object and that the subject compromise and settlement does not meet the standards governing bankruptcy settlements under Bankruptcy Rule 9019 and other applicable law.

**ARTICLE IV  
MEANS FOR IMPLEMENTATION OF THE PLAN**

**A. DWSD.**

**1. Rates and Revenues.**

DWSD will maintain Fiscal Year 2015 rate setting protocols for a minimum of five years, subject to certain changes necessary to stabilize water and sewer revenues. Rates will be determined by the Board of Water Commissioners or, if a DWSD Authority is formed and approved by the incorporating units' governing bodies, by the board of any such DWSD Authority. The City may seek to implement a rate stability program for City residents, which program may, among other things, (a) provide a source of funds to mitigate against rate increases, (b) enhance affordability and (c) provide a buffer against delinquent payments.

**2. DWSD CBAs.**

Collective bargaining agreements with respect to current DWSD employees that are in effect and not expired as of the Effective Date will be assumed by the City.

**3. Potential DWSD Authority Transaction.**

As a result of mediation or otherwise, it is possible that the City may enter into a DWSD Authority Transaction that includes the formation of the DWSD Authority to conduct many or all of the operations currently conducted by DWSD. Any such transaction would be subject to the approval of incorporating units and numerous other conditions. The timing of any such transaction, if it occurs at all, is not known. If any such transaction could occur, unless waived by the City in its sole discretion, the City will enter into such transaction only if Macomb County, Oakland County and Wayne County, and each of their municipal affiliates or related public corporations, withdraw with prejudice or shall have withdrawn with prejudice their objections to the Confirmation of the Plan. Any DWSD Authority Transaction shall be on terms that are consistent with all other provisions of the Plan, applicable law and orders of the Bankruptcy Court. The City shall not enter into any binding agreement with respect to or consummate any DWSD Authority Transaction prior to the Effective Date without first obtaining an order of the Bankruptcy Court approving and authorizing such DWSD Authority Transaction.

All terms and conditions in respect of any DWSD Authority Transaction set forth in (a) any DWSD Bond Document or (b) any transaction document in respect of such a DWSD Authority Transaction shall in any case include: (i) no material modifications to the source of payment and security for any DWSD Bonds or 2014 Revenue and Revenue Refinancing Bonds; (ii) an opinion of tax counsel that such transfer shall have no material adverse effect on the tax exempt status of the interest on the DWSD Bonds or 2014 Revenue and Revenue Refinancing Bonds; (iii) that the City could issue at least \$1 of additional new money DWSD Bonds in compliance with the additional bonds test set forth in the applicable DWSD Bond Documents; and (iv) ratings confirmation of any rating agency then rating the DWSD Bonds and 2014 Revenue and Revenue Refinancing Bonds. A DWSD

Authority Transaction shall not affect, impair, modify or otherwise alter the rights of any party under the DWSD Tender Order, the DWSD Bond Documents, the DWSD Revolving Bond Documents, the 2014 DWSD Refinancing Obligations, the 2014 Revenue and Revenue Refinancing Bonds or the 2014 Revenue Refinancing Bonds or any Bond Insurance Policy related to or issued in connection with any of the foregoing.

**C. The UTGO Settlement.**

On the Effective Date, the City and the Settling UTGO Bond Insurers shall consummate the UTGO Settlement Agreement, a copy of which is attached hereto as Exhibit I.A.355. The treatment of Unlimited Tax General Obligation Bond Claims under the Plan is provided for pursuant to the UTGO Settlement Agreement, which involves the settlement of, among other things, the UTGO Litigation and is subject to Bankruptcy Court approval pursuant to Bankruptcy Rule 9019. The Plan shall be construed as a motion for approval of, and the Confirmation Order shall constitute an order approving, the UTGO Settlement Agreement pursuant to Bankruptcy Rule 9019.

Pursuant to the UTGO Settlement Agreement, among other things: (1) the Unlimited Tax General Obligation Bond Claims shall be deemed Allowed in the amount of \$388,000,000; (2) the City shall issue the Municipal Obligation to the MFA, which in turn will issue the Restructured UTGO Bonds; (3) Holders of Allowed Unlimited Tax General Obligation Bond Claims shall be entitled to receive their Pro Rata share of \$279,618,950 of the Restructured UTGO Bonds as set forth in Schedule 1a of the UTGO Settlement Agreement; (4) the Settling UTGO Bond Insurers and the Non-Settling UTGO Bond Insurer shall be entitled to receive \$7,941,840 of the Restructured UTGO Bonds as set forth in Schedule 1b to the UTGO Settlement Agreement; and (5) a designee or designees of the City shall have the right to receive the Assigned UTGO Bond Tax Proceeds, which Assigned UTGO Bond Tax Proceeds will be distributed over a 14-year period to the Income Stabilization Funds of GRS and PFRS for the payment of Income Stabilization Payments to Eligible Pensioners and to the Retirement Systems, in accordance with applicable agreements.

Following the Effective Date, on an annual basis, GRS and PFRS will distribute such portion of the funds held in their respective Income Stabilization Fund to Eligible Pensioners entitled to receive the Income Stabilization Benefit and the Income Stabilization Benefit Plus. The Income Stabilization Benefit, which will be calculated in the first year following the Effective Date and will not increase thereafter, will be provided by the applicable Retirement System to each Eligible Pensioner. In addition, to the extent that an Eligible Pensioner's estimated adjusted annual household income (as determined by the applicable Retirement System) in any calendar year after the first year of the income stabilization program is less than 105% of the Federal Poverty Level for such year, the applicable Retirement System will distribute the Income Stabilization Benefit Plus to such Eligible Pensioner.

In the event that, in 2022 (provided that the State has not issued a certificate of default under the State Contribution Agreement with respect to GRS or PFRS, as applicable, at any time prior to 2022), it is the opinion of at least 75% of the independent members of the Investment Committee of GRS or PFRS, as applicable, that the Income Stabilization Fund of the applicable Retirement System is credited with Excess Assets, the respective Investment Committee may recommend that the Excess Assets, in an amount not to exceed \$35 million, be used to fund the Adjusted Pension Amounts payable by the applicable Retirement System. In the event that any funds remain in the Income Stabilization Fund of each or either of GRS or PFRS on the date upon which no Eligible Pensioners under the applicable Retirement System are living, such funds shall be used to fund the Adjusted Pension Amounts payable by the applicable Retirement System.

## **3. Conditions to State's Participation.**

If the City makes any contributions to either GRS or PFRS out of its portion of the Net DWSD Transaction Proceeds, such contributions and earnings thereon shall not be taken into account for determining whether any pension restoration may be made. The DWSD CVR may not be transferred.

### **1. Special Restoration**

Any proceeds from the DWSD CVR distributed by the Restoration Trust on account of a Qualifying DWSD Transaction consummated on or before the Effective Date, or fully executed and enforceable before the Effective Date but consummated after the Effective Date, shall be utilized for the purpose of funding the Special Restoration; provided that the City shall act in good faith so as not to unreasonably delay the execution of a Qualifying DWSD Transaction solely to avoid Special Restoration. In such case, the City will perform a Value Determination and arrive at the Discounted Value. The City will engage in good faith discussion as to the reasonableness of the Value Determination with the Retiree Committee or Restoration Trust, as applicable. In the event that the Retiree Committee or the Restoration Trust, as applicable, does not accept the Value Determination, the Retiree Committee or the Restoration Trust, as applicable, may seek to have the Bankruptcy Court determine the dispute, and the City consents to such jurisdiction.

Special Restoration shall follow the priorities of restoration of benefits set forth in Exhibits II.B.3.q.ii.C and II.B.3.r.ii.C. In order for benefits to be restored pursuant to the Special Restoration, such benefits must be fully funded by 50% of the Discounted Value for the full actuarially-determined lives of all participants for whom benefits are restored. In the event that actual Net DWSD Transaction Proceeds from the DWSD CVR do not equal 50% of the contemplated Net DWSD Transaction Proceeds as of the date of the Value Determination, the Investment Committees of the Retirement Systems will reduce or eliminate the Special Restoration benefits, as applicable, by the amount that 50% of the Discounted Value exceeds the actual Net DWSD Transaction Proceeds from the DWSD CVR received or projected to be received using a 6.75% discount rate. In the event that the Retiree Committee, the Restoration Trust or the City, as applicable, does not agree with the reduction in the Special Restoration benefits, the Retiree Committee or the Restoration Trust, as applicable, or the City may consult with the trustees and Investment Committees of PFRS or GRS with respect to any such reduction. Neither the Retiree Committee nor the Restoration Trust shall have any right to initiate any enforcement proceeding with respect to Special Restoration.

### **2. General Restoration**

Any Net DWSD Transaction Proceeds from the DWSD CVR distributed by the Restoration Trust on account of a Qualifying DWSD Transaction consummated after the Effective Date, if such Qualifying Transaction was not fully executed and enforceable before the Effective Date, shall be utilized for the purpose of funding the pension trusts, and such cash contributions shall be included in any calculations allowing for the restoration of benefits in accordance with the general rules governing pension restoration as provided for in Exhibits II.B.3.q.ii.C and II.B.3.r.ii.C.

The Litigation Trustee shall submit to the City on a monthly basis invoices for its fees and expenses incurred in connection with the COP Litigation and distributions set forth in Section II.B.3.p.iii.B, including for the Litigation Trustee's professional fees. The City shall pay such invoices within 30 days of receipt of such invoices, pending reimbursement from the Disputed COP Claims Reserve. Reimbursement of the City from the Disputed COP Claims Reserve will be effected by an offset in the amount of fees and expenses paid to the date of such reimbursement against the amount to be paid by the City to the Disputed COP Claims Reserve on that date.

In the event that a Final Order is entered against the City or the Litigation Trust, as successor in interest to the City, in the COP Litigation such that the New B Notes in the Disputed COP Claims Reserve are subject to Distribution to the Holders of Allowed COP Claims in accordance with the Plan, the City will reimburse the Disputed COP Claims Reserve for any amounts withdrawn from the Disputed COP Claims Reserve prior to the date of such Final Order becoming a Final Order.

The Litigation Trustee shall provide the LTGO Litigation Parties with advance notice, as early as practicable under the circumstances, of any COP Litigation settlement negotiations, and the LTGO Litigation Parties and their counsel shall have the right to participate in such negotiations. Any potential settlement of the COP Litigation must resolve the settled claims in their entirety, including the release by the settling party of all counterclaims and third party claims relating to the settled claims that it made or could have made against any party. The Litigation Trustee will not take any Subject COP Litigation Actions without the consent of the LTGO Litigation Parties. The Litigation Trustee will not enter into a Subject COP Litigation Settlement without the consent of the LTGO Insurer.

In the event that, after consultation with the Litigation Trustee, (i) the LTGO Insurer does not consent to the Litigation Trustee entering into a Subject COP Litigation Settlement or (ii) the LTGO Litigation Parties do not consent to the Litigation Trustee taking a Subject COP Litigation Action, the Litigation Trustee or any LTGO Litigation Party may present the issue to the LTGO Independent Party for mediation and resolution. The LTGO Independent Party shall conduct a mediation to attempt to consensually resolve the issue. **L. Cancellation of Existing Bonds, Bond Documents, COPs and COP Documents.**

Except (a) as provided in any contract, instrument or other agreement or document entered into or delivered in connection with the Plan, (b) for purposes of evidencing a right to Distribution under the Plan or (c) as specifically provided otherwise in the Plan (including any rejection of Executory Contracts pursuant to Section II.D), on the Effective Date, the Bonds, the Bond Documents, the COPs and the COP Documents will be deemed automatically cancelled, terminated and of no further force or effect against the City without any further act or action under any applicable agreement, law, regulation, order or rule and the obligations of the parties to the City, as applicable, under the Bonds, the Bond Documents, the COPs and the COP Documents shall be discharged; provided, however, that the Bonds, the Bond Documents, the COPs and the COP Documents shall continue in effect solely (i) to allow the Disbursing Agent to make any Distributions as set forth in the Plan and to perform such other necessary administrative or other functions with respect thereto, (ii) for any trustee, agent, contract administrator or similar entity under the Bond Documents or COP Documents to have the benefit of all the rights and protections and other provisions of the Bond Documents or COP Documents, as applicable, and all other related agreements with respect to priority in payment and lien rights with respect to any Distribution, (iii) to set forth the terms and conditions applicable to parties to the Bond Documents and COP Documents other than the City, (iv) as may be necessary to preserve any claim by (1) a Bondholder or Bond Agent under a Bond Insurance Policy or against any Bond Insurer, (2) a COPs Holder or COP Agent under a COP Insurance Policy or against any COP Insurer or (3) a COP Swap Counterparty under a Swap Insurance Policy or against any insurer thereunder and (v) with respect to any obligation of any party (other than the City, except to the extent provided in the COP Swap Settlement or the COP Swap Settlement Approval Order) under any COP Document related to such party's obligations owed in respect of the COP Swap Documents or the COP Swap Claims. Notwithstanding the foregoing, and except as otherwise expressly provided in the Plan (or the COP Swap Settlement or the COP Swap Settlement Approval Order), such Bonds, Bond Documents, COPs or COP Documents as remain outstanding shall not form the basis for the assertion of any Claim against the City. Nothing in the Plan impairs, modifies, affects or otherwise alters the rights of (a) Bondholders or Bond Agents with respect to claims under applicable Bond Insurance Policies or against the Bond Insurers, (b) COPs Holders or COP Agent with respect to claims under COP Insurance Policies and obligations related thereto or (c) COP Swap Counterparties with respect to claims under Swap Insurance Policies and obligations related thereto. For the avoidance of doubt, except for the immediately preceding sentence, this Section IV.L shall not apply to any Bonds that are Reinstated pursuant to Section II.B.3.a.ii.

**M. Release of Liens.**

Except as otherwise provided in the Plan or in any contract, instrument, release or other agreement or document entered into or delivered in connection with the Plan, or where a Claim is Reinstated, on the Effective Date, all Liens against the City's property will be deemed fully released and discharged, and all of the right, title and interest of any holder of such Liens, including any rights to any collateral thereunder, will revert to the City. As of the Effective Date, (1) the holders of such Liens will be authorized and directed to release any collateral or other property of the City (including any cash collateral) held by such Holder and to take such actions as may be requested by the City to evidence the release of such Lien, including the execution, delivery, filing or recording of such releases as may be requested by the City, and (2) the City shall be authorized to execute and file on behalf of creditors Form UCC-3 termination statements or such other forms as may be necessary or appropriate to implement the provisions of this Section IV.M.

## **N. Professional Fees**

### **1. Professional Fee Reserve**

On the Effective Date, the City shall establish and fund the Professional Fee Reserve from the General Fund or, where applicable, the DWSD's funds, in an amount determined by the City to be sufficient to pay the Fee Review Professional Fees that remain unpaid as of the Effective Date, solely to the extent that such amounts are payable from the General Fund or the DWSD's funds. The initial amount of the Professional Fee Reserve shall be equal to the sum of (a) all invoices received from Fee Review Professionals as of the establishment and funding of the Professional Fee Reserve to the extent not yet paid (including holdbacks) and (b) an estimate of the Fee Review Professionals' unbilled fees through the Effective Date as determined by the City in consultation with the Fee Review Professionals, which estimate shall be no lower than 125% of the aggregate amount of the highest monthly invoices respectively submitted by each Fee Review Professional pursuant to the Fee Review Order prior to the establishment and funding of the Professional Fee Reserve. The funds held in the Professional Fee Reserve may not be used for any purpose other than the payment of Fee Review Professional Fees until any and all disputes regarding the Fee Review Professional Fees, including any disputes arising under the Fee Review Order, have been fully and finally resolved pursuant to a Final Order or a stipulation between the disputing parties. Any amounts remaining in the Professional Fee Reserve after final resolution of all such disputes and the payment of all Fee Review Professional Fees determined to be reasonable in accordance with the Fee Review Order shall be released to the General Fund or the DWSD's funds, as applicable. If the Professional Fee Reserve is insufficient to pay all Fee Review Professional Fees that are determined to be reasonable in accordance with the Fee Review Order and that are payable from the General Fund or the DWSD's funds, the City shall pay such additional amounts from the General Fund or the DWSD's funds, as applicable.

### **2. Fee Review Order**

The Fee Examiner shall review all fees and expenses of the Fee Review Professionals for the period from the Petition Date and ending on the Effective Date in accordance with the terms of the Fee Review Order. For the avoidance of doubt, the Fee Review Order shall not apply to any fees or expenses of the Fee Review Professionals for the period on and after the Effective Date, and the Fee Examiner shall not review any such fees or expenses; provided, however, that all fees and expenses of the Fee Examiner Parties, whether incurred before, on or after the Effective Date, shall remain subject to review and approval of the Bankruptcy Court pursuant to the terms of the Fee Review Order.

### **3. Dismissal of the Fee Examiner**

Once the Fee Examiner completes his review of all Fee Review Professional Fees and submits or Files all reports related thereto as required by the Fee Review Order, the Fee Examiner shall be dismissed of all duties and obligations under the Fee Examiner Order and the Fee Review Order, other than any obligations of confidentiality thereunder. The confidentiality obligations of the Fee Examiner and the other Fee Examiner Parties, including the confidentiality obligations set forth in paragraph 22 of the Fee Review Order, shall remain binding from and after the Effective Date.

### **4. Potential Review of Fees Not Subject to Fee Review Order**

The City shall have the right to bring before the Bankruptcy Court a request to review and determine the reasonableness of the fees and expenses of any Fee Review Professional retained by a creditor of the City or any of its departments to the extent that such fees and expenses have not been either (a) approved pursuant to or in accordance with the DWSD Tender Order, (b) subject to court review or (c) subject to a Bankruptcy Court-approved or agreed upon process for binding arbitration.

### **5. Court-Appointed Expert**

The Court-appointed expert, Martha E. M. Kopacz of Phoenix Management Services, and her counsel shall be compensated for any reasonable fees and expenses incurred through the Confirmation Date in

accordance with the terms of the Court's Order Appointing Expert Witness (Docket No. 4215), entered on April 22, 2014, as amended.

**O. Assumption of Indemnification Obligations.**

Notwithstanding anything otherwise to the contrary in the Plan, nothing in the Plan shall discharge or impair the obligations of the City as provided in the City Charter of the City or other organizational documents, resolutions, employment contracts, applicable law or other applicable agreements as of the Petition Date to indemnify, defend, reimburse, exculpate, advance fees and expenses to, or limit the liability of officers and employees of the City (consistent with the injunction provisions of Section III.D.5 and including the members of the City Council, the Mayor and the Emergency Manager) and their Related Entities, in each case to the extent such Entities were acting in such capacity, against any claims or causes of action whether direct or derivative, liquidated or unliquidated, foreseen or unforeseen, asserted or unasserted; provided that this Section IV.O shall be read in conjunction with the provisions for Indirect Employee Indemnity Claims set forth in Section III.D.5. Notwithstanding the foregoing, Retirement System Indemnity Obligations shall not be assumed under the Plan and shall be discharged. For the avoidance of doubt, no indemnification provision in any loan document, bond document, Bond Insurance Policy or other agreement with a Bond Insurer is exempted from discharge by reason of this Section IV.O.

**P. Incorporation of Retiree Health Care Settlement Agreement.**

The terms of the Retiree Health Care Settlement Agreement resolving the Retiree Health Care Litigation, which agreement is attached hereto as Exhibit I.A.293, are incorporated herein by reference and shall be binding upon the parties thereto.

**Q. Payment of Workers' Compensation Claims.**

From and after the Effective Date, (a) the City will continue to administer (either directly or through a third party administrator) and pay all valid claims for benefits and liabilities for which the City is responsible under applicable State workers' compensation law, regardless of when the applicable injuries were incurred, in accordance with the City's prepetition practices and procedures and governing State workers' compensation law, and (b) nothing in the Plan shall discharge, release or relieve the City from any current or future liability under applicable State workers' compensation law. The City expressly reserves the right to challenge the validity of any claim for benefits or liabilities arising under applicable State workers' compensation law.

**R. 36th District Court Settlement.**

The City and the Settling 36th District Court Claimants have reached a settlement related to (1) the allowance of certain of the Settling 36th District Court Claimants' Claims and (2) the treatment of Allowed Indirect 36th District Court Claims under the Plan substantially on the terms attached hereto as Exhibit I.A.9. The 36th District Court Settlement is incorporated into the Plan, which shall be construed as a motion for approval of, and the Confirmation Order shall constitute an order approving, such settlement pursuant to Bankruptcy Rule 9019.

**S. Payment of Certain Claims Relating to the Operation of City Motor Vehicles.**

From and after the Effective Date, the City will continue to administer (either directly or through a third party administrator) and pay valid prepetition Claims for liabilities with respect to which the City is required to maintain insurance coverage pursuant to MCL § 500.3101 in connection with the operation of the City's motor vehicles, as follows: (1) Claims for personal protection benefits as provided by MCL § 500.3107 and MCL § 500.3108, for which insurance coverage is required by MCL § 500.3101(1), shall be paid in full, to the extent valid, provided, however, that the City will not be liable for or pay interest or attorneys' fees under MCL § 500.3142 or MCL § 500.3148 on prepetition Claims for personal protection benefits; (2) tort claims permitted by MCL § 500.3135, for which residual liability insurance coverage is required by MCL § 500.3101(1) and MCL § 500.3131, shall be paid, to the extent valid, only up to the minimum coverages specified by MCL § 500.3009(1), i.e., up to a maximum of (a) \$20,000 because of bodily injury to or death of one person in any one accident, and subject to that

limit for one person, (b) \$40,000 because of bodily injury to or death of two or more persons in any one accident and (c) \$10,000 because of injury to or destruction of property of others in any accident; and (3) Claims for property protection benefits under MCL § 500.3121 and MCL § 500.3123 shall be paid, to the extent valid, only up to the maximum benefits specified in MCL § 500.3121; provided, however, for the avoidance of doubt, to the extent any valid Claim subject to subsections 2 and 3 above exceeds the applicable payment limits, the excess claim amount shall be treated as an Other Unsecured Claim or a Convenience Claim (as applicable). Nothing in the Plan shall discharge, release or relieve the City from any current or future liability with respect to Claims subject to insurance coverage pursuant to MCL § 500.3101 or Claims within the minimum coverage limits in MCL § 500.3009(1). The City expressly reserves the right to challenge the validity of any Claim subject to this Section IV.S, and nothing herein shall be deemed to expand the City's obligations or claimants' rights with respect to these Claims under State law.

**T. Payment of Tax Refund Claims.**

From and after the Effective Date, the City will continue to administer (either directly or through a third party administrator) and pay all valid claims for income tax refunds and property tax refunds for which the City is responsible under applicable law, regardless of when the applicable right to a refund arose, in accordance with the City's prepetition practices and procedures. The City expressly reserves the right to challenge the validity of any claim for an income tax refund or property tax refund.

**U. Utility Deposits.**

From and after the Effective Date, the City will continue to administer utility deposits in accordance with the City's prepetition practices and procedures, including the payment of any undisputed, non-contingent, liquidated claims against the City for the refund of a utility deposit.

**V. Pass-Through Obligations.**

The City shall continue to honor its Pass-Through Obligations to the Pass-Through Recipients.

**W. Exit Facility.**

On the Effective Date, the City shall enter into the Exit Facility, as well as any ancillary notes, documents or agreements in connection therewith, including, without limitation, any documents required in connection with the creation or perfection of the liens securing the Exit Facility.

**X. Post-Effective Date Governance.**

Prior to or on the Effective Date, the Financial Review Commission shall be established pursuant to and in accordance with the Financial Review Commission Act. The Financial Review Commission shall provide oversight as set forth in the Financial Review Commission Act, including to ensure that, post-Effective Date, the City adheres to the Plan and continues to implement financial and operational reforms that promote more efficient and effective delivery of services to City residents. The City shall promptly provide to the Bankruptcy Court copies of any reports given to, or received from, the Financial Review Commission. Nothing herein shall expand, limit or otherwise modify the role or powers of the Financial Review Commission.

**ARTICLE V  
PROVISIONS REGARDING DISTRIBUTIONS UNDER THE PLAN**

**A. Appointment of Disbursing Agent.**

The City may act as Disbursing Agent or may employ or contract with other Entities to act as the Disbursing Agent or to assist in or make the Distributions required by the Plan. Any Disbursing Agent appointed by the City will serve without bond. Other than as specifically set forth in the Plan, the Disbursing Agent shall make all Distributions required to be made under the Plan.

**B. Distributions on Account of Allowed Claims.**

Except as otherwise provided in the Plan, on the Effective Date or as soon as practicable thereafter (or if a Claim is not an Allowed Claim on the Effective Date, on the date that such a Claim becomes an Allowed Claim, or as soon as reasonably practicable thereafter), each Holder of an Allowed Claim shall receive from the Disbursing Agent, the Bond Agent or the COP Agent, as applicable, the Distributions that the Plan provides for Allowed Claims in the applicable Class. In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date. If and to the extent that there are Disputed Claims, Distributions on account of any such Disputed Claims shall be made pursuant to the provisions set forth in Section VI.B. Except as otherwise provided in the Plan, Holders of Claims shall not be entitled to interest, dividends or accruals on the Distributions provided for in the Plan, regardless of whether such Distributions are delivered on or at any time after the Effective Date. Notwithstanding anything to the contrary in the Plan, no Holder of an Allowed Claim shall, on account of such Allowed Claim, receive a Distribution in excess of the Allowed amount of such Claim.

**C. Certain Claims to Be Expunged.**

Any Claim that has been or is hereafter listed in the List of Creditors as contingent, unliquidated or disputed, and for which no proof of Claim is or has been timely Filed, is not considered to be an Allowed Claim and shall be expunged without further action by the City and without further notice to any party or any action, approval or order of the Bankruptcy Court.

**D. Record Date for Distributions; Exception for Bond Claims.**

With the exception of Bond Claims, neither the City nor any Disbursing Agent will have any obligation to recognize the transfer of, or the sale of any participation in, any Claim that occurs after the close of business on the Distribution Record Date, and will be entitled for all purposes herein to recognize and distribute only to those Holders of Allowed Claims (including Holders of Claims that become Allowed after the Distribution Record Date) that are Holders of such Claims, or participants therein, as of the close of business on the Distribution Record Date. With the exception of the Bond Claims, the City and any Disbursing Agent shall instead be entitled to recognize and deal for all purposes under the Plan with only those record Holders stated on the official Claims Register as of the close of business on the Distribution Record Date. Unless otherwise set forth in the Confirmation Order, the City shall not establish a record date for Distributions to Holders of Bond Claims.

**E. Means of Cash Payments.**

Except as otherwise specified herein, all Cash payments made pursuant to the Plan shall be in U.S. currency and made by check drawn on a domestic bank selected by the Disbursing Agent or, at the option of the Disbursing Agent, by wire transfer, electronic funds transfer or ACH from a domestic bank selected by the Disbursing Agent; provided, however, that Cash payments to foreign Holders of Allowed Claims may be made, at the option of the Disbursing Agent, in such funds and by such means as are necessary or customary in a particular foreign jurisdiction.

**F. Selection of Distribution Dates for Allowed Claims.**

Except where the Plan requires the making of a Distribution on account of a particular Allowed Claim within a particular time, the Disbursing Agent shall have the authority to select Distribution Dates that, in the judgment of the Disbursing Agent, provide Holders of Allowed Claims with payments as quickly as reasonably practicable while limiting the costs incurred in the distribution process. Upon the selection of a Distribution Date by the Disbursing Agent, the Disbursing Agent shall File a notice of such Distribution Date that provides information regarding the Distribution to be made.

**G. Limitations on Amounts to Be Distributed to Holders of Allowed Claims Otherwise Insured.**

No Distributions under the Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the City's insurance policies until the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy; provided that, if the City believes a Holder of an Allowed Claim has recourse to an insurance policy and intends to direct the Disbursing Agent to withhold a Distribution pursuant to this Section V.G, the City shall provide written notice to such Holder regarding what the City believes to be the nature and scope of applicable insurance coverage. To the extent that one or more of the City's insurance carriers agrees to satisfy a Claim in full, then immediately upon such agreement such Claim may be expunged without a Claims objection having to be Filed and without any further notice or any action, order or approval of the Bankruptcy Court. Nothing in the Plan, including this Section V.G, shall constitute a waiver of any claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action or liabilities that any Entity may hold against any other Entity, including the City's insurance carriers and Bond Insurers, other than the City. For the avoidance of doubt, this Section shall not apply to Bond Insurance Policies or Swap Insurance Policies.

**H. City's Rights of Setoff Preserved.**

Notwithstanding anything to the contrary in the Plan, pursuant to section 553 of the Bankruptcy Code or otherwise applicable non-bankruptcy law, the City may set off against any Allowed Claim and the Distributions to be made pursuant to the Plan on account of such Allowed Claim the claims, rights and Causes of Action of any nature that the City may assert against the Holder of such Claim; provided, however, that neither the failure to effect a setoff nor the allowance of any Claim pursuant to the terms of the Plan shall constitute a waiver or release by the City of any claims, rights and Causes of Action that the City may assert against such Holder, all of which are expressly preserved.

**I. Delivery of Distributions and Undeliverable or Unclaimed Distributions.**

**1. Delivery of Distributions Generally.**

Except as set forth in Section V.I.2, Distributions to Holders of Allowed Claims shall be made at the addresses set forth in the City's records unless such addresses are superseded by proofs of Claim or transfers of Claim Filed pursuant to Bankruptcy Rule 3001.

**2. Delivery of Distributions on Account of Bond Claims.**

Distributions on account of the Bond Claims shall (a) be made by the Disbursing Agent to the Bond Agent under the applicable Bond Documents for the benefit of Holders of Bond Claims and (b) be deemed completed when made by the Disbursing Agent to the Bond Agent as if such Distributions were made directly to the Holders of such Claims. The applicable Bond Agent, in turn, shall make such distributions to the applicable Holders pursuant to the terms and conditions of the applicable Bond Documents and subject to the respective rights, claims and interests, if any, that the Bond Agent may have under the applicable Bond Documents or otherwise to the recovery or reimbursement of their fees, costs and expenses (including the fees, costs and expenses of counsel and financial advisors) from any distribution hereunder, whether such rights, claims or interests are in the nature of a charging lien or otherwise. The Bond Agent shall not be required to give any bond, surety or other security for the performance of its duties with respect to such Distributions.

**3. Delivery of Distributions on Account of COP Claims.**

Except as otherwise provided herein, Distributions on account of the COP Claims shall (a) be made by the Disbursing Agent to the COP Agent under the applicable COP Documents for the benefit of Holders of COP Claims and (b) be deemed completed when made by the Disbursing Agent to the COP Agent as if such Distributions were made directly to the Holders of such Claims. The applicable COP Agent, in turn, shall make such distributions to the applicable Holders pursuant to the terms and conditions of the applicable COP Documents and subject to the respective rights, claims and interests, if any, that the COP Agent may have under the applicable COP Documents or otherwise to the recovery or reimbursement of their fees, costs and expenses (including the fees,

costs and expenses of counsel and financial advisors) from any distribution hereunder, whether such rights, claims or interests are in the nature of a charging lien or otherwise. The COP Agent shall not be required to give any bond, surety or other security for the performance of its duties with respect to such Distributions.

**4. De Minimis Distributions / No Fractional New Securities.**

No distribution shall be made by the Disbursing Agent on account of an Allowed Claim if the amount to be distributed to the specific Holder of an Allowed Claim on the applicable Distribution Date has an economic value of less than \$25.00. No fractional New Securities shall be distributed. Where a fractional portion of a New Security otherwise would be called for under the Plan, the actual issuance shall reflect a rounding down to the nearest whole New Security.

**5. Undeliverable or Unclaimed Distributions.**

In the event that any Distribution to any Holder is returned as undeliverable, no Distribution to such Holder shall be made unless and until the Disbursing Agent has determined the then-current address of such Holder, at which time such Distribution shall be made to such Holder without interest.

**Any Holder of an Allowed Claim that does not claim an undeliverable or unclaimed Distribution within six months after the Effective Date shall be deemed to have forfeited its claim to such Distribution and shall be forever barred and enjoined from asserting any such claim against the City or its property.** In such cases, any Cash held by the City on account of such undeliverable or unclaimed Distributions shall become the property of the City free of any restrictions thereon and notwithstanding any federal or state escheat laws to the contrary. Any New Securities held for distribution on account of such Claims shall be canceled and of no further force or effect. Nothing contained in the Plan shall require any Disbursing Agent to attempt to locate any Holder of an Allowed Claim.

**6. Time Bar to Cash Payment Rights.**

Checks issued in respect of Allowed Claims shall be null and void if not negotiated within 90 days after the date of issuance thereof. Requests for reissuance of any check shall be made to the Disbursing Agent by the Holder of the Allowed Claim to whom such check originally was issued within 180 days after the date of the original check issuance. After such date, the Claim of any Holder to the amount represented by such voided check shall be released and forever barred from assertion against the City and its property.

**J. Other Provisions Applicable to Distributions in All Classes.**

**1. No Postpetition Interest.**

Except as otherwise specifically provided for in the Plan, or required by applicable bankruptcy law, the City shall have no obligation to pay any amount that constitutes or is attributable to interest on an Allowed Claim accrued after the Petition Date and no Holder of a Claim shall be entitled to be paid any amount that constitutes or is attributable to interest accruing on or after the Petition Date on any Claim without regard to the characterization of such amounts in any document or agreement or to whether such amount has accrued for federal income tax purposes. Any such amount that constitutes or is attributable to interest that has been accrued and has not been paid by the City shall be cancelled as of the Effective Date for federal income tax purposes.

**2. Compliance with Tax Requirements.**

In connection with the Plan and all instruments issued in connection therewith and distributed thereon, the City and any Disbursing Agent shall comply with all Tax withholding and reporting requirements imposed on it by any governmental unit, and all Distributions under the Plan shall be subject to such withholding and reporting requirements. All such amounts withheld and paid to the appropriate governmental unit shall be treated as if made directly to the Holder of an Allowed Claim. The City and the Disbursing Agent shall be authorized to take any actions that they determine, in their reasonable discretion, to be necessary or appropriate to

comply with such withholding and reporting requirements, including withholding Distributions pending receipt of information necessary to facilitate such Distributions, or establishing any other mechanisms they believe are reasonable and appropriate.

Notwithstanding any other provision of the Plan, each Entity receiving or deemed to receive a Distribution pursuant to the Plan shall have sole and exclusive responsibility for the satisfaction and payment of any Tax imposed on such Entity on account of such Distribution, including income, withholding and other Tax obligations. The City has the right, but not the obligation, to refuse, or to direct a Disbursing Agent to refuse, to make a Distribution until a Holder of an Allowed Claim has made arrangements satisfactory to the City and any Disbursing Agent for payment of any such Tax obligations. The City may require, as a condition to making a Distribution, that the Holder of an Allowed Claim provide the City or any Disbursing Agent with a completed Form W-8, W-9 or other Tax information, certifications and supporting documentation, as applicable.

If the City makes such a request and the Holder of an Allowed Claim fails to comply before the date that is 180 days after the initial request is made, the amount of such Distribution shall irrevocably revert to the City and any Claim in respect of such Distribution shall be released and forever barred from assertion against the City and its property.

### **3. Allocation of Distributions.**

All Distributions to Holders of Allowed Claims that have components of principal and interest shall be deemed to apply first to the principal amount of such Claim until such principal amount is paid in full, and then the remaining portion of such Distributions, if any, shall be deemed to apply to any applicable accrued interest included in such Claim to the extent interest is payable under the Plan.

### **4. Surrender of Instruments.**

As a condition to participation under this Plan, the Holder of a note, debenture or other evidence of indebtedness of the City that desires to receive the property to be distributed on account of an Allowed Claim based on such note, debenture or other evidence of indebtedness shall surrender such note, debenture or other evidence of indebtedness to the City or its designee (unless such Holder's Claim will not be Impaired by the Plan, in which case such surrender shall not be required), and shall execute and deliver such other documents as are necessary to effectuate the Plan; provided, however, that, if a claimant is a Holder of a note, debenture or other evidence of indebtedness for which no physical certificate was issued to the Holder but which instead is held in book-entry form pursuant to a global security held by the Depository Trust Company or other securities depository or custodian thereof, there shall be no requirement of surrender. In the City's sole discretion, if no surrender of a note, debenture or other evidence of indebtedness occurs and the Holder of Claim does not provide an affidavit and indemnification agreement, in form and substance reasonably satisfactory to the City, that such note, debenture or other evidence of indebtedness was lost, then no distribution may be made to such Holder in respect of the Claim based on such note, debenture or other evidence of indebtedness. For the avoidance of doubt, (a) no Bond, note, debenture or other evidence of indebtedness of the City shall be surrendered or deemed surrendered that is subject to any Bond Insurance Policy and (b) no COP shall be surrendered or deemed surrendered hereby to the extent necessary to make or preserve a claim under any applicable policies or other instruments insuring the COPs and obligations related thereto or against any party, other than the City, that insures the COPs. Notwithstanding the foregoing, such Bonds or Bond Documents as remain outstanding shall not form the basis for the assertion of any Claim against the City.

**ARTICLE VI**  
**PROCEDURES FOR RESOLVING DISPUTED CLAIMS**

**A. Treatment of Disputed Claims.**

**1. General.**

No Claim shall become an Allowed Claim unless and until such Claim is deemed Allowed under the Plan or the Bankruptcy Code, or the Bankruptcy Court has entered a Final Order (including the Confirmation Order) allowing such Claim. Notwithstanding any other provision of the Plan, no payments or Distributions shall be made on account of a Disputed Claim until such Claim becomes an Allowed Claim. Without limiting the foregoing in any way, no partial payments and no partial Distributions will be made with respect to a disputed, contingent or unliquidated Claim, or with respect to any Claim for which a proof of Claim has been Filed but not Allowed, until the resolution of such disputes or estimation or liquidation of such Claim by settlement or by Final Order.

**2. ADR Procedures.**

At the City's option, any Disputed Claim designated or eligible to be designated for resolution through the ADR Procedures may be submitted to the ADR Procedures in accordance with the terms thereof and the ADR Procedures Order. For the avoidance of doubt, the designation of a Disputed Claim for resolution through the ADR Procedures, either prior to or after the Effective Date, will not modify, and will not be deemed to have modified, the terms of the ADR Injunction imposed pursuant to the ADR Procedures Order. Disputed Claims not resolved through the ADR Procedures will be resolved pursuant to the Plan.

**3. Tort Claims.**

At the City's option, any unliquidated Tort Claim (as to which a proof of Claim was timely Filed in the Chapter 9 Case) not resolved through the ADR Procedures or pursuant to a Final Order of the Bankruptcy Court will be determined and liquidated in the administrative or judicial tribunal(s) in which it is pending on the Effective Date (subject to the City's right to seek removal or transfer of venue) or, if no action was pending on the Effective Date, in an administrative or judicial tribunal of appropriate jurisdiction that (a) has personal jurisdiction over the parties, (b) has subject matter jurisdiction over the Tort Claim and (c) is a proper venue. The City may exercise the above option by service upon the holder of the applicable Tort Claim of a notice informing such holder that the City has exercised such option (which notice shall be deemed to satisfy the notice requirements of Section I.B of the ADR Procedures). Upon the City's service of such notice, the automatic stay imposed pursuant to sections 362 and 922 of the Bankruptcy Code (along with any extension of such stay pursuant to the terms of the Stay Extension Order) or, after the Effective Date, the injunction set forth at Section III.D.5, will be deemed modified, without the necessity for further Bankruptcy Court approval or any further action by the City, solely to the extent necessary to allow the parties to determine or liquidate the Tort Claim in the applicable administrative or judicial tribunal(s); provided that nothing contained in this Section will modify, or will be deemed to have modified, the terms of the Stay Extension Order with respect to any Tort Claim prior to the City having served notice of its intent to determine and liquidate such Tort Claim pursuant to this Section. If the City does not serve such a notice upon a holder of a Tort Claim by the Claims Objection Bar Date, such holder may file a motion with the Bankruptcy Court no later than 30 days after the Claims Objection Bar Date seeking relief from the discharge injunction imposed pursuant to Section III.D.5 in order to liquidate and determine its Claim, which right and the deadline for exercising such right shall be set forth in the notice of entry of the Confirmation Order.

Any Tort Claim determined and liquidated pursuant to a judgment obtained in accordance with this Section VI.A.3 and applicable non-bankruptcy law that is no longer appealable or subject to review will be deemed an Allowed Claim, provided that only the amount of such Allowed Tort Claim that is not satisfied from proceeds of insurance payable to the holder of such Allowed Tort Claim will be treated as an Allowed Claim for the purposes of distributions under the Plan and subject to the terms of the Plan. Distributions on account of any such Allowed Tort Claim shall be made in accordance with the Plan. Nothing contained in this Section will constitute or be deemed a waiver of any claim, right or Cause of Action that the City may have against any Entity in connection with or arising out of any Tort Claim, including any rights under section 157(b)(5) of title 28 of the United States

Code. All claims, demands, rights, defenses and Causes of Action that the City may have against any Entity in connection with or arising out of any Tort Claim are expressly retained and preserved.

**B. Disputed Claims Reserve.**

On and after the Effective Date, until such time as all Disputed Claims have been compromised and settled or determined by Final Order and before making any Distributions, consistent with and subject to section 1123(a)(4) of the Bankruptcy Code, the City shall establish and maintain a reserve of property equal to (1) the Distributions to which Holders of Disputed Claims would be entitled under the Plan if such Disputed Claims were Allowed Claims in the Face Amount of such Disputed Claims or (2) such lesser amount as required by an order of the Bankruptcy Court. On the first Distribution Date that is at least 30 days (or such fewer days as may be agreed to by the City in its sole discretion) after the date on which a Disputed Claim becomes an Allowed Claim, the Disbursing Agent shall remit to the Holder of such Allowed Claim any Distributions such Holder would have been entitled to under the Plan on account of such Allowed Claim had such Claim been Allowed as of the Effective Date. If a Disputed Claim is disallowed by Final Order, the property reserved on account shall become available for Distribution to the Holders of Allowed Claims within the Class(es) entitled to receive such property. Each Holder of a Disputed Claim that ultimately becomes an Allowed Claim will have recourse only to the assets held in the disputed claims reserve and not to any other assets held by the City, its property or any property previously distributed on account of any Allowed Claim. (c) The Trust Fund shall have the right of subrogation and reimbursement set forth in this Section 9.14 regardless of whether the Benefit Recipient is made whole and regardless of whether the recovery, or any part thereof, is designated as payment for health care expenses, pain and suffering, loss of income or any other specified or unspecified damages or reason, and without regard to whether recovery is designated as including or excluding the health care expenses covered by the Plan and Trust. Any recovery by a Benefit Recipient, an attorney or other third party shall be deemed to be for the benefit of the Plan and Trust and shall be held in constructive trust for the Trust Fund until the Trust Fund is reimbursed in full for all amounts paid by the Trust Fund. The subrogation and reimbursement rights of the Trust Fund described in this Section 9.14 include all rights against, and include all rights with respect to, proceeds from or held by any attorney, third party, insurance carrier or payer of medical benefits, including an uninsured or under-insured motorist carrier, a no-fault carrier and a school insurance carrier, even if such coverage was purchased by the Benefit Recipient, and without regard to whether the proceeds have been paid or are payable.

(d) By participating in the Plan, each Benefit Recipient agrees to cooperate fully with the Plan and Trust and to execute and deliver agreements, liens and other documents and do whatever else the Board deems necessary to enable and assist the Trust Fund in exercising its rights under this Section 9.14, but the Trust Fund's rights under this Section 9.14 shall be effective regardless of whether the Benefit Recipient actually signs any agreements, liens or other documents. By participating in the Plan, each Benefit Recipient also agrees (i) that he or she will not make or maintain any make whole, common trust fund or apportionment action or claim in contravention of the subrogation and reimbursement provisions of this Section 9.14; and (ii) that he or she will not oppose any proceeding by the Trust Fund to obtain reimbursement on procedural grounds. The Benefit Recipient, directly or through his or her representatives, shall not do anything to impair the Trust Fund's rights. If the Board determines that any Trust Fund recovery rights under Section 9.14 have been impaired by any action of the Benefit Recipient or his or her representatives or by the Benefit Recipient's or such other person's failure to comply with the Benefit Recipient's obligations under Section 9.14, the Board may, in addition to any other remedy to which it may be entitled, determine the amount by which the Trust Fund's recovery rights have been impaired and recover such amount directly or by offset against claims for benefits under the Trust Fund made with respect to the affected Benefit Recipient.

(e) This Section 9.14 entitles the Trust Fund to subrogation and reimbursement equal to the entire amount paid by the Trust Fund for the illness or injury to which the subrogation or reimbursement relates, including related expenses, costs and attorneys' fees, which shall be from the first dollars payable to or received by the Benefit Recipient, his representatives, heirs, legal counsel, estate or any other third party from any settlement, judgment or other payment, without reduction for attorneys' fees or for any other reason. The common fund, make-whole, apportionment or any similar doctrines shall not apply to any amounts received. Any attorneys' fees shall be the responsibility solely of the Benefit Recipient, and the Trust Fund shall not pay any attorneys' fees or costs associated with a Benefit Recipient's claim or lawsuit without the Board's prior written authorization.

(f) The intention of this Section 9.14 is to give the Trust Fund the first right of subrogation and reimbursement in full with respect to the first dollars paid or payable, even though the Benefit Recipient is not made whole. Each Benefit Recipient agrees that as a condition to receiving benefits under the Plan and from the Trust Fund, the Benefit Recipient shall comply with the requirements of this Section 9.14.

## **ARTICLE X AMENDMENT, TERMINATION AND MERGER**

Section 10.1 Amendment. The Trust Agreement may be amended at any time in writing by the Board, by a vote of not less than six (6) out of seven (7) Board members, or by Court order upon proper motion, provided, however, that no amendment may impose a contribution obligation on Detroit; provided further that no amendment shall in any way conflict with the terms of the Plan of Adjustment or a Court order confirming the Plan of Adjustment; and provided further that no amendment shall adversely affect the exempt status of the Trust or Plan under Section 501(c)(9) of the Code. No amendment to the Trust Agreement shall modify the responsibilities of the Bank hereunder unless the Bank has first consented to such amendment.

### Section 10.2 Termination.

(a) The Trust and this Trust Agreement may be terminated at any time in writing by action of the Board, acting by a vote of not less than six (6) out of seven (7) Board members, with a copy of such written instrument to be provided to the Bank, or by Court order upon proper motion. Neither Detroit nor any member of the Board shall have any beneficial interest in the Trust Fund, except to the extent an Individual Trustee is also a Participant in the Plan. Any determination by the Board or an administrator to distribute assets of the Trust upon termination to an Individual Trustee who is also a Participant must have the written concurrence of the Bank. The Trust Fund shall remain in existence until all assets have been distributed.

(b) Upon termination, the Bank and the Board shall continue to have all of the powers provided in this Trust Agreement as are necessary or desirable for the orderly liquidation and distribution of the Trust Fund in accordance with the provisions hereof.

Section 10.3 Transfer of Assets and/or Liabilities. To the extent permitted by Code section 501(c)(9) and other applicable law, some or all of the assets and/or liabilities of the Trust Fund may at the discretion of the Board be transferred directly to another trust for the purpose of providing health or welfare benefits to some or all of the Participants on such terms and conditions as the Board may determine.

Except to the extent required by applicable law, the rights or interest of any Participant to any benefits or future payments hereunder or under the provisions of the Plan shall not be subject to attachment or garnishment or other legal process by any creditor of any such Participant, nor shall any such Participant have any right to alienate, anticipate, commute, pledge, encumber or assign any of the benefits or payments which he may expect to receive, contingent or otherwise, under this Trust Agreement.

(b) Alternatively, the Board may appoint a successor institutional trustee or custodian by securing from such successor an amendment to this Trust Agreement, executed by both the successor and an authorized representative of the Board, which replaces the current Bank with the successor institutional trustee or custodian, appointing such successor institutional trustee or custodian, and by delivering to the removed or resigning Bank an executed copy of the amendment. Such appointment shall take effect upon the date specified in the amendment.

(c) If no appointment of a successor institutional trustee or custodian is made by the Board within a reasonable time after such resignation, removal or other event, any court of competent jurisdiction may, upon application by the retiring Bank, appoint a successor institutional trustee or custodian after such notice to the Board and the retiring Bank, as such court may deem suitable and proper.

Section 7.4 Effect of Removal or Resignation of Bank. Upon the removal or resignation of the Bank in accordance with Section 7.1 or 7.2 above, the Bank shall be fully discharged from further duty or responsibility under this Trust Agreement to the extent permitted by law.

Section 7.5 Merger or Consolidation of the Bank. Any corporation continuing as the result of any merger or resulting from any consolidation, to which merger or consolidation the Bank is a party, or any corporation to which substantially all the business and assets of the Bank may be transferred, will be deemed to be continuing as the Bank.

For the 2015 and 2016 calendar year, this stipend shall be in the amount of \$12,000 per year (payable ratably on a monthly basis). Beginning with the 2017 calendar year and for each year thereafter, this stipend shall be in the amount of \$6,000 per year (payable ratably on a monthly basis); provided, however, that the Board, by a vote of not less than six (6) out of seven (7) voting Board members, shall have the power to provide for a different amount for the stipend; and provided, further, that in no event shall such annual stipend exceed \$12,000. ## **ARTICLE IX POWERS AND DUTIES OF THE BOARD OF TRUSTEES**

Section 9.1 General. The Board shall be responsible for designing, adopting, maintaining and administering the Plan, as well as administering the Trust and managing the Trust assets as provided herein. Subject to the provisions of this Trust Agreement, the Plan documents and applicable laws, the Board shall have sole, absolute and discretionary authority to adopt such rules and regulations and take all actions that it deems desirable for the administration of the Plan and Trust, and to interpret the terms of the Plan and Trust. The decisions of the Board will be final and binding on all Participants and all other parties to the maximum extent allowed by law. In performing its duties hereunder, the voting members of the Board shall comply with the terms of the Trust, and shall discharge their duties for the exclusive purposes of providing benefits to participants and beneficiaries of the Plan and Trust and defraying reasonable expenses of the Plan and Trust, and with the care, skill, prudence, and diligence then prevailing that a prudent person acting in a like capacity – and familiar with such matters – would use in the conduct of an enterprise of like character and with like aims.

### **Section 9.2 Plan Design and Administration.**

(a) Adoption of Plan. The Board shall adopt a Plan to offer life, sickness, accident or other similar benefits to Participants. All terms of the Plan shall be determined by the Board; provided that such terms shall be consistent with this Trust Agreement, Code section 501(c)(9) and the regulations promulgated thereunder. The Board shall be under no obligation to design the Plan to assure that the assets of the Trust Fund are sufficient to provide benefits to all potential Participants of the Plan in subsequent years.

(b) Benefits. The Plan shall include benefits and any other features including, without limitation, premium-sharing or other cost-sharing or reimbursements, that the Board from time to time determines appropriate or desirable in its sole discretion. The Plan may provide for different benefit structures or programs for different groups of Participants, as determined by the Board in its sole discretion. In designing the Plan and the benefits to be provided thereunder, the Board may take into account relevant circumstances, including, without limitation, the degree to which Participants may have alternative resources or coverage sources, as well as the resources of the Trust Fund. Benefits provided under the Plan shall be limited to those health care benefits permitted by Code Section 501(c)(9), and any Plan eligibility restrictions established by the Board shall conform with the requirements set forth in Treasury Regulation Section 1.501(c)(9)-2.

(c) Method of Providing Benefits. Benefits under the Plan may be fully insured, partially insured or self-insured, as determined by the Board from time to time in its sole discretion. The expected cost of benefits under the Plan shall not exceed the amount expected to be available under the Trust.

(d) Plan Documentation. The Board shall be responsible for creating, adopting and/or executing any documents necessary to set forth the Plan's governing terms, and shall be responsible for communicating the terms of the Plan to the Eligible Retiree Members and Eligible Dependents in accordance with applicable law.

Section 9.3 Investment of the Trust. The Board shall have full power and authority to manage, control, invest and reinvest the money and other assets of the Trust Fund subject to all terms, conditions, limitations, and restrictions imposed on the investment of assets of public employee retirement systems or plans by the Investment Act, and the Bank shall comply with the proper written direction of the Board concerning those assets. The Board may employ outside advisors, including investment advisors, to advise it with regard to the investment of the assets of the Trust Fund. Any outside advisors who are investment fiduciaries (as defined in the Investment Act) shall satisfy any applicable requirements of the Investment Act.

Section 9.4 Appointment of Investment Managers. The Board, from time to time, may appoint one or more independent Investment Managers, pursuant to a written investment management agreement describing the powers and duties of the Investment Manager, to direct the investment and reinvestment of all or a portion of the Trust (hereinafter referred to as an "Investment Account"). The Board shall determine that each Investment Manager satisfies the requirements of section 38.1133(11) of the Investment Act and, is entitled (under its investment management agreement) to direct the investment and reinvestment of the Investment Account for which it is responsible, in its sole and independent discretion and without limitation, except for any limitations which from time to time the Board determines shall modify the scope of such authority. If an Investment Manager is appointed, it shall have the authority of the Bank specified in Section 5.1 hereof with respect to the Investment Account over which it has investment discretion and the Bank's duties with respect to such Investment Account shall be limited to following the instructions of the Investment Manager. Provided that an Investment Manager is prudently selected and monitored by the Board, the Board shall have no liability (a) for the acts or omissions of such Investment Manager; (b) for following directions of such Investment Manager which are given in accordance with this Trust Agreement; or (c) for any loss of any kind which may result by reason of the manner of division of the Trust into Investment Accounts.

Section 9.5 Government Reports and Returns. The Board shall file all reports and returns that are required to be made with respect to the Trust and the Plan.

Section 9.6 Compromise or Settle Claims. The Board may compromise, settle and release claims or demands in favor of or against the Trust or the Board on such terms and conditions as the Board may deem advisable. The Board may at all times rely upon the advice of independent counsel in reaching such decisions.

Section 9.7 Appointment of Administrator. The Board may appoint one or more third parties to perform any administrative functions it has with regard to the Trust or Plan.

Section 9.8 Employment of Assistance. The Board has the exclusive authority to employ, contract and pay for all professional services including, but not limited to, actuarial, investment, legal, accounting, medical, and any other services that the Board considers necessary for the proper operation and administration of the Plan and Trust. The powers granted to the Board in this subparagraph include complete control of the procurement process, including contracts for office space, computer hardware and software, and human resource services. In accordance with the provisions of Section 5.3 hereof, the Board may direct the Bank to pay reasonable compensation therefor from the Trust Fund. The Board may take or may refrain from taking any action in accordance with or reliance upon the opinion of counsel or such expert advisors.

Section 9.9 Reliance on Written Instruments. The Board shall be fully protected in acting upon any instrument, certificate or paper believed by him or her to be genuine and to be signed or presented by a duly authorized person or persons, and shall be under no duty to make any investigation or inquiry as to any statement contained in any such writing, but may accept the same as conclusive evidence of the truth and accuracy of the statements therein contained.

Section 9.10 No Individual Liability on Contracts. The Board shall not be liable personally for any debts, obligations, or undertakings contracted by them, or for the breach of any contracts. Such claims and obligations shall be paid out of the Trust; provided, however, that neither the Board nor any of its members shall be exempt from personal liability for willful misconduct, intentional wrongdoing, breach of applicable fiduciary duty, negligence, or fraud, and the Trust shall not indemnify the Board for such liabilities, or to the extent that application of this sentence would violate any law.

Section 9.11 Detroit Not Liable for Conduct of Board. The Board is not in its capacity as Board an officer, agent, employee, or representative of Detroit. In its capacity as Board, the Board is a principal acting independently of Detroit, which shall not be liable for any act, omission, contract, obligation, liability, debt, or undertaking of the Board or its officers, agents, or representatives.

Section 9.12 Liability Insurance. The Board may obtain and keep current a policy or policies of insurance, insuring the members of the Board from and against any and all liabilities, costs and expenses incurred by such persons as a result of any act, or omission to act, in connection with the performance of their duties, responsibilities and obligations under this Trust Agreement or the Plan. To the extent permitted by applicable law, the premiums on such policies may be paid from the Trust Fund.

Section 9.13 Reimbursement for Defense of Claims. To the extent permitted by applicable law and not otherwise covered by liability insurance purchased by the Trust (without regard to any non-recourse rider purchased by the insured), the Board, employees of the Board and persons acting on the Board's behalf pursuant to an express written delegation (each separately, the "Indemnified Party") shall be reimbursed by the Trust Fund for reasonable expenses, including without limitation attorneys fees, incurred in defense of any claim that seeks a recovery of any loss to the Plan or Trust Fund or for any damages suffered by any party to, or beneficiary of this Trust Agreement (a) for which the Indemnified Party is adjudged not liable, or (b) which is dismissed or compromised in a final settlement, where the Board – or, where required by applicable law, an independent fiduciary – determines that the settling Indemnified

Party was not responsible (in such cases, all or only a portion of the settling Indemnified Party's reasonable expenses may be reimbursed, as directed by the Board or an independent fiduciary), provided that, the Board shall have the right to approve of the retention of any counsel whose fees would be reimbursed by the Trust Fund, but such approval shall not be withheld unreasonably.

Section 9.14 Subrogation and Reimbursement. If the Plan is self-insured, the following provisions regarding subrogation and third-party reimbursement will apply.

(a) If the Trust Fund pays, or is obligated to pay, any amount to or on behalf of an individual ("Benefit Recipient"), the Trust Fund shall be subrogated as provided in this Section 9.14 to all the Benefit Recipient's rights of recovery with respect to the illness or injury for which the payment of benefits is made by the Trust Fund. The right of recovery referred to in the preceding sentence shall include the right to make a claim, sue, and recover against any person or entity from the first dollars of any funds which are paid or payable as a result of a personal injury claim or any reimbursement of health care expenses. If requested in writing by the Board, the Benefit Recipient shall take, through any representative designated by the Board, such action as may be necessary or appropriate to recover such payment from any person or entity, said action to be taken in the name of the Benefit Recipient. In the event of a recovery or settlement, the Trust Fund shall be reimbursed in full on a first priority basis out of such recovery or settlement for expenses, costs, and attorneys' fees incurred by it in connection therewith.

(b) If the Trust Fund pays, or is obligated to pay, any amount to or on behalf of a Benefit Recipient for an illness or injury, the Trust Fund shall be entitled to, and shall have a first priority equitable lien on, the proceeds of any recovery, by judgment, settlement or otherwise, with respect to the illness or injury, and if paid to the Benefit Recipient, the Benefit Recipient shall immediately pay any such proceeds to the Trust Fund. If the Benefit Recipient fails to pay such proceeds, or does not cause such proceeds to be paid, to the Trust Fund, the Board may, in addition to any other remedy to which it may be entitled, recover the proceeds directly or by offset against claims for benefits under the Plan and Trust made with respect to the affected Benefit Recipient (or such Benefit Recipient's beneficiaries, heirs, attorneys, agents, representatives, or estate).

(c) The Trust Fund shall have the right of subrogation and reimbursement set forth in this Section 9.14 regardless of whether the Benefit Recipient is made whole and regardless of whether the recovery, or any part thereof, is designated as payment for health care expenses, pain and suffering, loss of income or any other specified or unspecified damages or reason, and without regard to whether recovery is designated as including or excluding the health care expenses covered by the Plan and Trust. Any recovery by a Benefit Recipient, an attorney or other third party shall be deemed to be for the benefit of the Plan and Trust and shall be held in constructive trust for the Trust Fund until the Trust Fund is reimbursed in full for all amounts paid by the Trust Fund. The subrogation and reimbursement rights of the Trust Fund described in this Section 9.14 include all rights against, and include all rights with respect to, proceeds from or held by any attorney, third party, insurance carrier or payer of medical benefits, including an uninsured or under-insured motorist carrier, a no-fault carrier and a school insurance carrier, even if such coverage was purchased by the Benefit Recipient, and without regard to whether the proceeds have been paid or are payable.

(d) By participating in the Plan, each Benefit Recipient agrees to cooperate fully with the Plan and Trust and to execute and deliver agreements, liens and other documents and do whatever else the Board deems necessary to enable and assist the Trust Fund in exercising its rights under this Section 9.14, but the Trust Fund's rights under this Section 9.14 shall be effective regardless of whether the Benefit Recipient actually signs any agreements, liens or other documents. By participating in the Plan, each Benefit Recipient also agrees (i) that he or she will not make or maintain any make whole, common trust fund or apportionment action or claim in contravention of the subrogation and reimbursement provisions of this Section 9.14; and (ii) that he or she will not oppose any proceeding by the Trust Fund to obtain reimbursement on procedural grounds. The Benefit Recipient, directly or through his or her representatives, shall not do anything to impair the Trust Fund's rights. If the Board determines that any Trust Fund recovery rights under Section 9.14 have been impaired by any action of the Benefit Recipient or his or her representatives or by the Benefit Recipient's or such other person's failure to comply with the Benefit Recipient's obligations under Section 9.14, the Board may, in addition to any other remedy to which it may be entitled, determine the amount by which the Trust Fund's recovery rights have been impaired and recover such amount directly or by offset against claims for benefits under the Trust Fund made with respect to the affected Benefit Recipient.

(e) This Section 9.14 entitles the Trust Fund to subrogation and reimbursement equal to the entire amount paid by the Trust Fund for the illness or injury to which the subrogation or reimbursement relates, including related expenses, costs and attorneys' fees, which shall be from the first dollars payable to or received by the Benefit Recipient, his representatives, heirs, legal counsel, estate or any other third party from any settlement, judgment or other payment, without reduction for attorneys' fees or for any other reason. The common fund, make-whole, apportionment or any similar doctrines shall not apply to any amounts received. Any attorneys' fees shall be the responsibility solely of the Benefit Recipient, and the Trust Fund shall not pay any attorneys' fees or costs associated with a Benefit Recipient's claim or lawsuit without the Board's prior written authorization.

(f) The intention of this Section 9.14 is to give the Trust Fund the first right of subrogation and reimbursement in full with respect to the first dollars paid or payable, even though the Benefit Recipient is not made whole. Each Benefit Recipient agrees that as a condition to receiving benefits under the Plan and from the Trust Fund, the Benefit Recipient shall comply with the requirements of this Section 9.14.

## **ARTICLE X AMENDMENT, TERMINATION AND MERGER**

Section 10.1 Amendment. The Trust Agreement may be amended at any time in writing by the Board, by a vote of not less than six (6) out of seven (7) voting Board members, or by Court order upon proper motion, provided, however, that no amendment may impose a contribution obligation on Detroit; provided further that no amendment shall in any way conflict with the terms of the Plan of Adjustment or a Court order confirming the Plan of Adjustment; and provided further that no amendment shall adversely affect the exempt status of the Trust or Plan under Section 501(c)(9) of the Code. No amendment to the Trust Agreement shall modify the responsibilities of the Bank hereunder unless the Bank has first consented to such amendment.

## Section 10.2 Termination.

(a) The Trust and this Trust Agreement may be terminated at any time in writing by action of the Board, acting by a vote of not less than six (6) out of seven (7) voting Board members, with a copy of such written instrument to be provided to the Bank, or by Court order upon proper motion. Upon termination of this Trust Agreement, the assets of the Trust Fund shall be paid out at the direction of the Board in the following order of priority: (i) the payment of reasonable and necessary administrative expenses (including taxes); (ii) the payment of benefits to Participants entitled to payments for claims arising prior to such termination; and (iii) upon satisfaction of all liabilities to existing Participants, either directly or through the purchase of insurance, to provide life, sick accident or other permissible benefits in accordance with Code section 501(c)(9) and the rules and regulations promulgated thereunder. Neither Detroit nor any member of the Board shall have any beneficial interest in the Trust Fund, except to the extent an Individual Trustee is also a Participant in the Plan. Any determination by the Board or an administrator to distribute assets of the Trust upon termination to an Individual Trustee who is also a Participant must have the written concurrence of the Bank. The Trust Fund shall remain in existence until all assets have been distributed.

(b) Upon termination, the Bank and the Board shall continue to have all of the powers provided in this Trust Agreement as are necessary or desirable for the orderly liquidation and distribution of the Trust Fund in accordance with the provisions hereof.

Section 10.3 Transfer of Assets and/or Liabilities. To the extent permitted by Code section 501(c)(9) and other applicable law, some or all of the assets and/or liabilities of the Trust Fund may at the discretion of the Board be transferred directly to another trust for the purpose of providing health or welfare benefits to some or all of the Participants on such terms and conditions as the Board may determine.

## ARTICLE XI MISCELLANEOUS

Except to the extent required by applicable law, the rights or interest of any Participant to any benefits or future payments hereunder or under the provisions of the Plan shall not be subject to attachment or garnishment or other legal process by any creditor of any such Participant, nor shall any such Participant have any right to alienate, anticipate, commute, pledge, encumber or assign any of the benefits or payments which he may expect to receive, contingent or otherwise, under this Trust Agreement.

FORM OF DEVELOPMENT AGREEMENT

**DEVELOPMENT AGREEMENT**  
**OPTION TO PURCHASE AND DEVELOP LAND**  
**BY AND BETWEEN**  
**CITY OF DETROIT**  
**AND**  
**PIKE POINTE HOLDINGS, LLC**

**THIS AGREEMENT** (referred to herein as the “Agreement”) is entered into as of the \_\_\_\_ day of September, 2014 (the “Effective Date”), by and between the City of Detroit, a Michigan public body corporate (the “City”), acting through its Planning & Development Department (“PDD”), whose address is 2300 Cadillac Tower, Detroit, Michigan 48226, and Pike Pointe Holdings, LLC, a Delaware limited liability company (“Developer”), whose address is [\_\_\_\_\_] ]. The City and Developer are sometimes referred to in this Agreement as a “Party” and, collectively, as the “Parties.”

**Recitals:**

A. In consideration of the Parties’ various contractual arrangements entered into contemporaneously herewith, including without limitation, extension of the lease of the Windsor Tunnel between the City and affiliates of Developer, and the mutual desire of the Parties to promote economic growth in the City (the “Arrangement”), the City has agreed to grant an option to Developer to acquire various parcels of land located in the City of Detroit as described in the attached **Exhibit A** (each a “Property” and, collectively, the “Properties”). Unless otherwise set forth herein, references in this Agreement to a Property shall apply only to the applicable Property and not the other Properties.

B. If Developer exercises its option with respect to one or more of parcels of the Property as set forth herein, Developer shall develop such Property in accordance with the terms and provisions of this Agreement.

Accordingly, the Parties agree as follows:

## **Section 1. TERMS OF OPTION**

(A) Grant of Option. The City hereby grants to Developer an option (the “Option”) to, from time to time, acquire any or all of the Properties from the City upon the terms and conditions set forth in this Agreement. The Option shall be effective for five (5) years from the Effective Date, except with respect to that certain Property located at 2200 Franklin for which the Option shall be effective for seven (7) years from the Effective Date (the “Option Period”). The Parties agree and acknowledge that the sole and exclusive consideration for the Option and any subsequent acquisition of any Property hereunder is deemed to be the Arrangement, the sufficiency of which is hereby acknowledged. The City shall cause to be recorded and maintained of record against the Properties in the appropriate land records for the duration of the Option Period the memorandum of option attached hereto as **Exhibit B**. Notwithstanding the foregoing, the Option Period may be extended for a period not to exceed two (2) years upon written consent of the City, which consent shall not be unreasonably withheld, conditioned or delayed (the “Option Extension”). For purposes of the Option Extension, it shall be unreasonable for the City to withhold consent thereto to the extent that, (i) on the date of Developer’s request therefor, development in the immediate vicinity of the Property has materially decreased or the general economic condition of the City or geographic region in which the Property is located has deteriorated, in either instance from and after the Effective Date to such a level that it would not be economically feasible for the Developer to pursue development of the Property and/or (ii) the Option Extension is reasonable given the complexity of the development contemplated by the Developer. Any dispute between the Parties with regard to a request for Option Extension which cannot be resolved by the Parties within sixty (60) days following the Developer’s request therefor shall be brought in the Bankruptcy Court for so long as it has jurisdiction, and thereafter in the United States District Court for the Eastern District of Michigan; provided, that if the United States District Court for the Eastern District of Michigan does not have jurisdiction, then such legal action, suit or proceeding shall be brought in such other court of competent jurisdiction located in Wayne County, Michigan; provided, further, by execution and delivery of this Agreement, each of the Parties irrevocably accepts and submits to the exclusive jurisdiction of such court, generally and unconditionally, with respect to any such action, suit or proceeding and specifically consents to the jurisdiction and authority of the Bankruptcy Court to hear and determine all such actions, suits, and proceedings under 28 U.S.C. §157(b) or (c), whichever applies.

(B) Diligence Notice. If the Developer desires (in its sole discretion) to undertake Due Diligence Activities (as hereinafter defined) with respect to one or more of the Properties, the Developer shall, from time to time, give prior written notice of its intent thereof to the City not less than sixty (60) days prior to the expiration of the Option Period (each, a “Diligence Notice”). The Developer shall be entitled to deliver any number of Diligence Notices with respect to the various Properties during the Option Period; provided, however, that any such Diligence Notice shall indicate reference to the Property the Developer intends to subject to the Due Diligence Activities hereunder.

(C) Condition of Property.

(1) Due Diligence Activities. Subject to the requirements of Section 2 below, upon delivery of the Diligence Notice to the City with respect to any Property, Developer shall have a period commencing on the date of the Diligence Notice and continuing through and including the date that is sixty (60) days prior to the expiration of the Option Period (the “Due Diligence Period”) to conduct its due diligence activities on any Property that is the subject of a Diligence Notice. For purposes of this Agreement, “Due Diligence Activities” include but are not limited to the following:

(a) such physical inspections, surveys, soil borings and bearing tests, possible relocation of utilities, and such environmental due diligence on or for the Property as Developer deems appropriate, all of which shall be completed at Developer’s expense;

(b) investigations, environmental site assessments, including Phase I and Phase II site assessments, sampling and testing of soil, groundwater, surface water, soil vapors, indoor air, and building materials (such as Asbestos and lead-based paint), and/or a Baseline Environmental Assessment, (“BEA”), as defined in Part 201 of the Natural Resources and Environmental Protection Act (“NREPA”), being MCL 324.20101 *et seq.*, and such other investigations and assessments as Developer may deem needed in its sole discretion to determine the condition of the Property and the Property’s compliance with Environmental Law and any other federal, state and local laws, rules, regulations and orders relating in any way to protection of human health, the environment and natural resources, all of which shall be completed at Developer’s expense; and

(c) a review of the title evidence, survey, entitlements, and payment of taxes and assessments, all of which shall be completed at Developer’s expense.

(d) a review of financing sources related to Developer’s proposed development and use of the Property, or any other matter that in Developer’s sole discretion is relevant to Developer’s acquisition of the Property.

(e) a review of all City Information and all publicly-available information with respect to the Property.

(f) a review of available public and private utilities and public accesses necessary for the proposed development of the Property.

(f) application and procurement of any zoning, site plan, elevation, special land use, environmental, conditional use or other municipal approvals or permits, or variances therefrom, required or appropriate for the proposed development of the Property. The City hereby authorizes the Developer to submit and apply for all such approvals, permits, and variances upon the commencement of the Due Diligence Period.

(2) City Information. The City shall use reasonable efforts to make available to Developer all information in the City's (or the City's agencies' or departments') possession or control related to the applicable Property within thirty (30) days following delivery to the City of a Diligence Notice for the applicable Property, including but not limited to existing leases, licenses, permits, approvals, contracts, warranties, title searches and policies, surveys, appraisals, environmental audits, Phase I environmental site assessments, Phase II reports or other testing or sampling data, asbestos surveys, reports, specifications, from the Planning, Building, Assessing, Environmental Affairs and Fire Departments, notices of violations of applicable laws, regulations and ordinances or other documents in the City's possession or control related to the applicable Property (collectively, the "City Information"). The City shall cooperate with the Developer and use reasonable efforts to facilitate the Developer's Due Diligence Activities, all at no material incremental cost to the City, including providing information, coordinating with tenants or other third party users of the Property as applicable, and executing such documentation as may be reasonable and necessary for Developer's access to the site and completion of the Due Diligence Activities including the preparation of a BEA.

(3) Insurance. Prior to entering onto any Property for any Due Diligence Activities, Developer or its contractors shall maintain the insurance coverage and comply with the insurance requirements specified in the City's Right-of-Entry, a form of which is attached as **Exhibit C** (the "Right-of-Entry").

(4) Indemnity. Developer shall defend, indemnify and hold harmless the City from and against any loss, liability, cost or expense incurred by the City to the extent resulting from Developer's (including its duly authorized employees, agents, engineers or other representatives) negligence or willful acts occurring in connection with the Due Diligence Activities; provided, however, that (i) in the event Developer provides an Objection Notice or otherwise elects not to proceed to Closing, the Developer shall in no circumstance have any obligation or liability with respect to any conditions pre-existing at the Property including without limitation any environmental condition, soil or groundwater contamination or other environmental conditions that may be discovered in the course of the Developer's Due Diligence Activities and thereafter disclosed to the City as required hereunder, except to the extent such conditions are materially exacerbated due to the negligence or willful acts of Developer or any of its duly authorized employees, agents, engineers or other representatives, and (ii) the Developer shall not be responsible for any loss, liability, cost, or expense resulting from the discovery of any adverse information or condition regarding the applicable Property or from the City's (or the City's agencies' or departments') negligence or misconduct.

(5) Results of Due Diligence Activities. If Developer concludes, in Developer's sole discretion, that a particular Property is satisfactory, then Developer shall so

notify the City in writing on or before the last day of the Due Diligence Period, by sending an “Election Notice,” and the parties shall proceed to closing the applicable Property subject to other terms and conditions of this Agreement. If Developer concludes, in Developer’s sole discretion, that, for any reason or for no reason, a particular Property is not satisfactory, then Developer shall so notify the City in writing on or before the last day of the Due Diligence Period, by sending a “Rejection Notice,” and the parties shall not proceed to Closing with respect to the applicable Property at such time. In the event the Developer issues a Rejection Notice with respect to any Property, Developer may not later elect to re-commence Due Diligence Activities with respect to the same Property and the Option granted hereunder with respect to such Property will be thereafter deemed released and of no further force or effect. If Developer concludes, in Developer’s sole discretion, as a result of the Due Diligence Activities that the condition of the Property is not satisfactory but Developer wants the City to cure such unsatisfactory conditions, then Developer shall notify the City in writing on or before the last day of the Due Diligence Period, by sending an “Objection Notice” setting forth with reasonable specificity the particular condition of the applicable Property which is unacceptable to Developer (each such condition referred to as a “Defect”). The City shall have the right, but not the obligation, within sixty (60) days of the Objection Notice (the “City Cure Period”), to cure such Defects; provided, however, that the City shall be required to cure any liens or encumbrances (collectively, a “Mandatory Cure”) (x) in favor of the City or any agency or department of the City or (y) result from a violation of Section 5(G) of this Agreement. If the City is unable or unwilling to cause any or all of the Defects (other than Mandatory Cures which the City shall be obligated to cure) during such City Cure Period, Developer shall have the right to either (i) elect not to exercise the Option with respect to the applicable Property by sending written notice to City of such election within two (2) days after the expiration of the City Cure Period, in which event the Developer may later elect to commence Due Diligence Activities with respect to the same Property by delivery of a Diligence Notice pursuant to the terms of Section 1(B) above; or (ii) waive its objection to such Defects and accept the Property subject to those Defects (Developer being deemed to have elected this option (ii) if it fails to make the election in the preceding option (i)). If Developer fails to provide an Election Notice or an Objection Notice within the Due Diligence Period, then Developer shall be deemed to have delivered a Rejection Notice with respect to the applicable Property. Notwithstanding any provision herein to the contrary, the City agrees to (1) cooperate with the Developer in clearing title to the Property to the extent that the title related Defects described in the Objection Notice are within the reasonable control of the City to address or eliminate and (2) cure all Mandatory Cure Defects. In the event that the expiration of the City Cure Period for a particular Property occurs (or would occur) after the expiration of the Option Period, the Option Period shall be extended for such Property until the date that is fifteen (15) days after the expiration of the applicable City Cure Period.

(6) As Is Condition of Property; City Cooperation. From time to time with respect to each Property, subject to the earliest to occur of (i) delivery by Developer of an Election Notice, (ii) written notice to Developer that the City has cured all Defects set forth in an Objection Notice provided prior to the expiration of the City Cured Period, or (iii) waiver by Developer of any Defects, each pursuant to Section 1(C)(5) above, closing of the transactions contemplated hereby with respect to a particular Property (each, a “Closing”) shall be on an “as-is, where-is” basis and the Developer shall take the applicable Property as it finds it at Closing

other than a matter resulting from a violation of the covenant set forth in Section 5(G) of this Agreement. The City makes no implied or express representations or warranties of any kind as to its condition, including its environmental condition and any other condition that may adversely affect the development, or its fitness for absolutely any purpose whatsoever. By proceeding to Closing after completion of its Due Diligence Activities, Developer will acknowledge that it is satisfied with the condition of the applicable Property, except as otherwise provided in this Agreement. By accepting title to the applicable Property at Closing, Developer shall be deemed to have waived any right to object to the status of title or to the condition of the applicable Property, regardless of the result of any Due Diligence Activities, and shall be deemed to have declared its full satisfaction with the status of title to and condition of the applicable Property, except as otherwise provided in this Agreement.

(7) Release of City from Liability. Upon Closing on any particular Property, Developer shall release the City and its officials, employees, and agents (but not any third party) from any and all claims or causes of action the Developer may have against the City for any liability, injury or loss as a result of any physical defects in or physical conditions of the applicable Property, including but not limited to any surface, subsurface, latent or patent conditions whether naturally occurring or by action of any party, including but not limited to environmental condition, other than a matter resulting from a violation of the City's covenant set forth in Section 5(G)(ii) of this Agreement.

(8) Security of Properties. In the event that a Property is vacant or otherwise not being utilized by the City, without imposing any liability or obligation with respect thereto, commencing on the commencement of Due Diligence Activities with respect to such Property, Developer shall have the right, but not the obligation, at its sole and absolute discretion, at Developer's cost and expense, to undertake any actions it deems reasonably necessary to secure the Property and prevent damage or unauthorized access to the applicable Property, including, without limitation, installing and maintaining fencing and/or signage on the applicable Property. As a condition to Developer exercising its right hereunder to secure any Property, the Developer must first obtain a general liability policy of insurance in connection with such activities in form and amount reasonably satisfactory to the City, with the City named as an additional insured thereto. In addition, Developer shall not be deemed to be in control of or operating the applicable Property as a result of Developer's undertaking of any security measures with respect to this section. Notwithstanding the foregoing, in exercising its right to secure the Property provided for herein, Developer shall not be deemed to have warranted to the City the effectiveness of the security measures so implemented.

(D) Manner of Conveyance. At the Closing, the applicable Property shall be conveyed to Developer (or its designee) by one or more quit claim deeds substantially in the form of the deed set forth in **Exhibit D** (the "Deeds") using legal descriptions approved by Developer and the City.

(E) Brokerage and Finder's Fees and Commission. Developer will defend and indemnify the City and hold it harmless with respect to any commissions, fees, judgments, or expenses of any nature and kind that the City or Developer may become liable to pay by reason of any claims by or on behalf of brokers, finders or agents claiming by, through or under Developer incident to this Agreement and the transaction contemplated hereby or any litigation

or similar proceeding arising therefrom unless the City has a written agreement with a broker, finder or agent providing for such payment in which case the City shall be responsible for such broker, finder or agents' commissions, fees, judgments or expenses. To the maximum extent permitted by applicable law, the City will defend and indemnify the Developer and hold it harmless with respect to any commissions, fees, judgments, or expenses of any nature and kind that the City or Developer may become liable to pay by reason of any claims by or on behalf of brokers, finders or agents claiming by, through or under the City incident to this Agreement and the transaction contemplated hereby or any litigation or similar proceeding arising therefrom unless the Developer has a written agreement with a broker, finder or agent providing for such payment in which case the Developer shall be responsible for such broker, finder or agents' commissions, fees, judgments or expenses.

(F) Taxes And Assessments.

(1) Property on Tax Rolls at Closing. All taxes and assessments which (i) have become a lien upon the Property or part thereof prior to the date of Closing, and (ii) have been discovered and specifically identified by Developer prior to the applicable Closing, shall be paid by the City and shall be a Mandatory Cure; provided, however, that all current property taxes shall be prorated and adjusted to the date of Closing on a due date basis. From and after each Closing, Developer shall be solely responsible for all taxes, liens, and assessments that become due and payable for the period after the applicable Closing against the applicable Property it acquires hereunder or any part thereof, whenever assessed, levied, or due, and shall have no claim against the City on account thereof.

(2) Approval of Requests for Economic Incentives/Entitlements and Land Use Approvals.

(i) The City agrees to consider any requests by Developer or its designee for any development or economic inducements (including tax abatements, tax credits, tax increment financing, grants, loans, cost reimbursements and like development incentives) for which any of the Properties are eligible, whether or not such requests are made as part of Developer's Due Diligence Activities or thereafter. The City also agrees to cooperate with and support Developer or its designee in any request to procure such development or economic inducements from other governmental authorities (whether or not related to or controlled by City).

(ii) The City agrees to consider requests or applications by Developer or its designee for approvals relating to zoning, site plans, special use permits, uses, variances or other municipal approvals that are necessary or appropriate to develop the Properties, provided that if the requests pertain to any of the Properties other than 1300 Beaubien, such requests are for uses that are consistent with the SD4 zoning classification as of the Effective Date or otherwise are consistent with residential, parking, retail or commercial uses permitted within the SD4 zoning classification as currently in effect or other uses suitable for the location.

(iii) The following shall apply to any consideration or cooperation by the City with respect to any formal requests made by Developer or its designee to the City, described in subsections (i) or (ii) of this Section: (a) the City agrees to process such requests pursuant

to its ordinary processes for the applicable requests, (b) the City shall not unreasonably withhold, condition or delay approvals of the applicable requests, and shall not unreasonably impede or interfere with development activities consistent with this Agreement, (c) the City shall not discriminate against Developer or its designee in the consideration or approval of such requests on account of the Arrangement, the events leading up to the Arrangement or this Agreement, and (d) the City shall use reasonable efforts to facilitate such requests, taking into consideration other similar requests for approvals or inducements, as applicable, of third parties granted by the City for similarly situated developments and uses as those contemplated by Developer for the Property; provided, however, the City shall process such requests pursuant to all then applicable rules, regulations, statutes and similar requirements.

(G) Inability to Convey. Subject to the Developer's rights under Section 6(D) below, if, for any reason, the City is unable to convey title to a particular Property to the Developer upon exercise of the Option and Developer's election to proceed to Closing with respect to the applicable Property pursuant to the terms of this Agreement, which shall include (i) if the City (or an agency or department of the City) does not own title to such Property, (ii) there is a Defect that is not cured or removed as of the Closing and such Defect materially hinders Developer's ability to develop the applicable Property in an economically viable manner, (iii) there are any uncured Mandatory Cure items, or (iv) if Developer determines that the scope or expense of any environmental remediation necessary to develop the applicable Property would make the development thereof, as contemplated by the Developer, economically unfeasible, the Developer and the City shall mutually agree upon alternate consideration commensurate to the undeveloped, fair-market value of the applicable Property (the "Alternate Consideration"); provided, however, that such value shall assume that any applicable Defects have been removed; provided, further, that, with respect to the applicable Property, the reasonable, actual and out-of-pocket acquisition and development costs incurred by Developer or its designee after the Effective Date and prior to the date upon which Developer or its designee obtains actual knowledge of the existence of the particular Defect or condition of such Property giving rise to Alternate Consideration, including, without limitation, costs associated with Due Diligence Activities, remediation activities, and architect, engineering, and design activities, shall be included in the amount of Alternate Consideration to the extent Alternate Consideration is required pursuant to Section 1(G)(i) or 1(G)(iii) above.

To the extent the Parties do not agree on the Alternate Consideration within sixty (60) days of establishing that Alternative Consideration is required, then, within thirty (30) days thereafter, the Developer and the City shall deliver to each other Developer's or City's, as the case may be, determination of the Alternate Consideration (which shall be in the form of an alternate parcel of real property or cash payment amount). Within ten (10) days after each Party delivers to the other party such Party's determination of the Alternate Consideration, the Developer and the City shall each appoint one disinterested appraiser having the qualifications set forth herein. Each such appraiser must be a Member of the Appraisal Institute (MAI) and have at least ten (10) years of experience appraising commercial or industrial property in the Detroit metropolitan area as a MAI appraiser. If either the Developer or the City fails to appoint an appraiser within such ten (10) day period, the appraiser appointed by the Developer or the City, as the case may be, shall appoint an appraiser having the qualifications set forth herein. As promptly as possible, but in no event later than thirty (30) days after the appointment of both

appraisers, the appraisers shall notify the Developer and the City in writing of their determination of which of the Developer's or the City's determination more closely approximates Alternate Consideration (all as valued as of the determination date). The Alternate Consideration so selected by the two appraisers will constitute the Alternate Consideration for purposes of this section, and will be binding upon the Developer and the City. If the two appraisers are unable to agree as to the Alternate Consideration, then the two appraisers shall promptly agree upon and appoint a third appraiser having the qualifications set forth herein. The third appraiser shall, within thirty (30) days of appointment, determine which of the two determinations of the Developer or the City more closely approximates Alternate Consideration, and shall notify the Developer and the City thereof. The Alternate Consideration selected by the third appraiser will constitute the Alternate Consideration for purposes of this section, and will be binding upon the Developer and the City. To the extent the Alternate Consideration selected by the appraisers hereunder is real property, (i) such real property shall be reasonably acceptable to Developer, and (ii) the City may elect in its sole discretion to satisfy such Alternate Consideration in the form of a cash payment to the Developer in an amount equal to the appraisers' determination of the cash value of the Alternate Consideration selected. To the extent the Alternate Consideration to be given to the Developer hereunder is real property, the City shall be deemed to be have granted Developer an option with respect to such Alternative Consideration property pursuant to the same terms as this Agreement; provided, however, that the time periods with respect to such option, including without limitation, the Option Period, shall commence upon the date that such new option with respect to the Alternative Consideration is granted to Developer and not as of the Effective Date.

(H) Use of the Properties During the Due Diligence Period. Commencing on the commencement of the Due Diligence Period, Developer shall have the right (but not the obligation), in its sole discretion, to elect to utilize all or a portion of the Properties identified on Schedule 1(H) prior to acquiring title of the Use Property for the operations of a surface lot parking facility and ancillary uses (collectively, the "Parking Use") by providing thirty (30) days' prior written notice thereof to City (a "Use Notice"). The Use Notice shall identify the Properties that will be used by Developer for the Parking Use (collectively, the "Use Property"). Developer's right to utilize the Use Property for the Parking Use shall commence as a license from the City upon the expiration of thirty (30) days following the delivery of the Use Notice to the City. Developer shall have the right to enter into an agreement with a third party to operate the Parking Use on the Use Property. Developer shall pay all costs associated with the Parking Use of the Use Property (including all federal, state and local taxes and charges as may be applicable thereto; however, Developer shall not be responsible for ad valorem property taxes during the Use Period) and shall receive all revenue with respect thereto. In the event that Developer delivers a Use Notice, Developer shall be required to deliver an Election Notice with respect to the Use Property; provided however, Developer shall have the right to elect at what point during the Due Diligence Period such Election Notice is given by providing written notice of such election prior to the expiration of the Due Diligence Period. The period between a Use Notice and Closing shall be referred to herein as the "Use Period." If Developer fails to deliver such election prior to the expiration of the Due Diligence Period, Developer shall be deemed to have delivered an Election Notice with respect to the Use Property on the last day of the Due Diligence Period. Developer shall maintain such commercially reasonable insurance as is customary for operations similar to the Parking Use on the Use Property and shall defend,

indemnify and hold harmless the City from and against any loss, liability, cost or expense incurred by the City to the extent resulting from the Parking Use; provided, however, that the Developer shall not be responsible for any loss, liability, cost, or expense resulting from the City's (or of the City's agencies' or departments') negligence or misconduct. Developer shall at all times keep the Use Property clean and free of debris and shall not permit any area of the Use Property to be littered with refuse during the Use Period. The City disclaims all representations and warranties as to the condition of the Use Property, including, but not limited to, any implied or express warranty of fitness of the Use Property for the Parking Use. Developer covenants and agrees that it shall not use the Use Property during the Use Period in any manner which violates the laws of the United States of America, the laws of the State of Michigan or any ordinances or other regulations of any governing municipality or other political subdivision. Developer's use of the Use Property and any activities or actions of Developer or its designee in connection therewith shall not be deemed a violation of the City's covenants under Section 5(G) below.

## **Section 2. ENVIRONMENTAL MATTERS**

(A) Definitions. The following words and expressions shall, wherever they appear in this document, be construed as follows:

(1) "Asbestos" shall have the meanings provided under the Environmental Laws and shall include, but not be limited to, asbestos fibers and friable asbestos as such terms are defined under the Environmental Laws.

(2) "Environmental Claims" shall mean all claims, demands, suits, proceedings, actions, whether pending or threatened, contingent or non-contingent, known or unknown, including but not limited to investigations and notices by any governmental authority, brought under common law and/or under any of the Environmental Laws which can or do relate to the Property.

(3) "Environmental Laws" shall mean all applicable federal, state, and local laws, rules, regulations, orders, judicial determinations and decisions or determinations by any judicial, legislative or executive body of any governmental or quasi-governmental entity, whether in the past, present or future, with respect to:

(i) the installation, existence, or removal of, or exposure to, Asbestos on the Property;

(ii) the existence on, or discharge from, or removal from the Property of Hazardous Materials; and

(iii) the effects on the environment of the Property or any activity conducted now, previously or hereafter conducted on the Property.

Environmental Laws shall include, but are not limited to, the following: (i) the Michigan Natural Resources and Environmental Protection Act, 1994 Public Act 451, as amended ("NREPA"); the Comprehensive Environmental Response,

Compensation, and Liability Act, 42 USC Sections 9601, et seq. (“CERCLA”); the Superfund Amendments and Reauthorization Act, Public Law 99-499, 100 Stat. 1613; the Resource Conservation and Recovery Act, 42 USC Sections 6901, et seq.; the National Environmental Policy Act, 42 USC Section 4321; the Toxic Substances Control Act, 15 USC Section 2601; the Hazardous Materials Transportation Act, 49 USC Section 1801; the Clean Air Act, 42 USC Sections 7401, et seq.; and the regulations promulgated in connection therewith; (ii) Environmental Protection Agency regulations pertaining to Asbestos (including 40 CFR Part 61, Subpart M); Occupational Safety and Health Administration Regulations pertaining to Asbestos (including CFR Sections 1901.1001 and 1926.58) as each may now or hereafter be amended; and (iii) any Michigan state and local laws and regulations pertaining to any Hazardous Materials.

(4) “Hazardous Materials” shall mean any of the following as defined by the Environmental Laws: Asbestos; hazardous wastes; solid wastes; toxic or hazardous substances, wastes or contaminants (including but not limited to polychlorinated biphenyls (PCBs), paint containing lead and urea formaldehyde foam insulation), and sewage.

(B) The City and Developer acknowledge and agree that some of the parcels to be transferred may be “facilities” pursuant to Part 201 of NREPA, whether or not as yet discovered to be such, and that given the number of parcels being transferred, the 100-year period over which the parcels were developed, numerous changes in uses, and the City’s lack of knowledge about the condition or history of most of the parcels, it may not be practicable or possible to identify all pre-existing contamination or conditions on the parcels which may strictly violate Environmental Laws. Further, the City and Developer acknowledge that although the Developer can give its general undertaking to comply with Environmental Laws with regard to its conduct of future activities on the parcels, at the time of Closing, neither City nor Developer will be able to estimate exactly what such compliance may involve with regard to existing contamination and other existing conditions on the parcels that may violate Environmental Laws. The City acknowledges that the Developer may conduct a BEA and CERCLA “All Appropriate Inquiry” assessment activities respecting the Property, the results of which assessments may be reported to federal and state authorities at such time as Developer issues an Election Notice to proceed to Closing with respect to such Property, in order to seek the associated protections from liability with respect to pre-existing environmental conditions at the Property (“Liability Protection”), or such earlier date as required pursuant to Environmental Laws or in order to preserve Liability Protection.

(C) The City shall authorize the Developer, through a fully executed Right-of-Entry (in the form attached), to enter upon the applicable Property during the Due Diligence Period to, subject to the conditions set forth herein, undertake environmental remediation activities approved by the City hereunder, and make soil boring and bearing tests, undertake such surveying and environmental due diligence activities as Developer deems appropriate, including without limitation sampling and testing of soil, soil vapor, surface water, groundwater, indoor air, and the installation of groundwater wells, provided such do not materially and permanently interfere with demolition or site improvement activities of the City or the rightful use of the

Property by a tenant in possession or other third party, if any. All such testing and remediation shall be done at Developer's expense. Developer shall at all times during the Due Diligence Period comply with the terms and provisions of the Right-of-Entry, and Developer's right to enter upon the applicable Property is subject to execution of such Right-of-Entry. To the extent any provision of such Right-of-Entry conflicts with the terms set forth herein, the terms of this Agreement shall govern. Developer shall upon request submit to the City a copy of each final survey or environmental testing report generated as a result of such activities. Developer shall give prior written notice to the City to inspect, investigate and/or remediate the condition of the Property during the Due Diligence Period, including any investigation of the environmental condition (each such notice referred to herein as an "Investigation Notice"). To the extent the Investigation Notice includes a request to perform any environmental remediation activities upon the applicable Property, prior to undertaking such remediation, the Developer shall submit to the City in writing (i) the scope of remediation activities contemplated by the Developer, (ii) evidence of commercially reasonable insurance appropriate for the scope of remediation contemplated by the Developer, and (iii) evidence that the Developer has the financial resources to complete the scope of remediation contemplated, each of which shall be subject to the prior written approval of the City, which approval shall not be unreasonably withheld, conditioned or delayed. Upon written request of Developer, the City shall provide an electronic mail address for delivery of any Investigation Notice; provided, Developer shall mail a copy of any Investigation Notice sent via electronic mail to the City pursuant to the provisions of Section 4 below. Developer shall use all commercially reasonable efforts to minimize damage to the Property in connection with such entry and shall restore the Property to substantially the condition existing prior to such entry, provided that the City acknowledges that soil borings and groundwater well sampling may be conducted, and it may not be practicable to fully restore the Property to the exact same condition. Developer shall indemnify, defend and hold the City harmless from and against any and all loss, cost, liability and expense, including reasonable attorney fees and litigation costs, suffered or incurred by the City as a result of the Developer's (including any of its duly authorized employees, agents, engineers or other representatives) negligent acts or omissions or willful misconduct occurring in connection with the activities conducted in accordance with the Right-of-Entry; provided however that (A) in the event Developer provides an Objection Notice or otherwise elects not to proceed to Closing, the Developer shall in no circumstance have any indemnity obligation or other liability with respect to any environmental conditions pre-existing at the Property including without limitation any soil or groundwater contamination or other environmental conditions that may be discovered in the course of the Developer's Due Diligence Activities and thereafter disclosed to the City as required hereunder, except to the extent such environmental conditions are materially exacerbated due to the negligence or willful misconduct of Developer or any of its duly authorized employees, agents, engineers or other representatives, and (B) in no event shall Developer have any indemnity obligation or other liability with respect to any loss, cost, liability or expense incurred by the City as the result of the gross negligence or willful misconduct of the City or its agents.

(D) In the event Developer elects to proceed to take title to any Property, upon the Closing, Developer takes such Property as it finds it, "AS IS", and the City makes no express or implied representations or warranties as to its fitness for absolutely any purpose whatsoever, including but not limited to any warranty that the Property is fit for the Developer's purpose or

regarding the presence or absence of Hazardous Materials at, on, in, under, about, or from the Property and compliance with the Property with Environmental Laws. Developer acknowledges that neither the City nor any agent or employee of the City has made any representation, warranty or agreement, either express or implied, and Developer has not relied on any representation, warranty or agreement of any kind made by the City or any agent or employee of the City, concerning (a) the physical or environmental condition of the Property, or (b) the presence or absence of any condition, substance or material, including but not limited to any waste material, equipment or device at, on, in, under, about, or from the Property. Developer agrees that the disclosures of the City concerning the Property and its condition are intended to satisfy any duties the City may have under the law, including but not limited to the statutes, Environmental Laws, and common law. Developer shall rely solely on its own due diligence with respect to such inquiries, investigations and assessments. By executing this Agreement, Developer acknowledges that it is satisfied with the condition of the Property, subject only to its Due Diligence Activities, including but not limited to inspection of the Property, review of title, and the results of the tests, investigations and surveys permitted under this Agreement. If, prior to Closing, Developer fails to undertake such investigations and/or obtain such test results and surveys, or fails to object to the condition of the Property based on the results of its Due Diligence Activities, and Developer thereafter elects to proceed to Closing, Developer shall thereupon be deemed to have waived any right to object to the condition of the Property and shall be deemed to have declared its full satisfaction therewith.

(E) Upon Closing on any particular Property, subject to the City's covenant set forth in Section 5(G)(ii) below, Developer, for itself and its successors and assigns, expressly waives and releases all Environmental Claims (whether for personal injury, property damage or otherwise) that Developer may have against the City and its officials, employees and agents in connection with or related to such Property or any aspect thereof except for Environmental Claims arising out of actions by the City of its employees or agents that caused the release or threatened release of hazardous substances on the parcels being transferred. Upon Closing on any particular Property, Developer releases and discharges the City from all Environmental Claims that Developer may have against the City in connection with or arising out of the present condition of the Property.

(F) Intentionally omitted.

(G) Subject to the City's covenant set forth in Section 5(G)(ii) below, after the Closing with respect to a Property, the City shall have no obligation or liability to Developer whatsoever to undertake any cleanup or other remedial action that may be required in connection with the Property under any Environmental Law, or to comply with any other federal, state or local requirement to attend to the physical condition of the Property.

(H) At its sole cost and expense, with respect to an applicable Property for the period commencing on the applicable Closing and ending on the applicable Commencement of Construction, Developer shall: (a) comply with all Environmental Laws; (b) pay when due the cost of Developer's compliance with the Environmental Laws resulting directly or indirectly out of environmental conditions caused or permitted by Developer during its period of ownership, use, possession or development of the Property; and (c) keep the Property free of any lien

imposed pursuant to the Environmental Laws resulting out of Developer's ownership, use, possession, or development of the Property.

(I) During the earliest of the date that Developer (a) receives title to the Property, (b) receives possession of the Property or (c) performs any removal or remedial activities on the Property, Developer shall comply with all Environmental Laws and will undertake to complete any further investigation and remediation of the environmental conditions, if any, necessary to permit the intended use of the Property in accordance with the Environmental Laws. As between the City and Developer but not as to third parties, Developer assumes the risk of liability for any and all Hazardous Materials, whether known or unknown, which may have been or may be present in, at, on, under about or from the Property except for hazardous materials released by the City or its agents, employees, or contractors.

(J) Notwithstanding anything to the contrary which may be contained in this Agreement, Developer represents and warrants and covenants to the City for the period after Developer's commencement of ownership, use, possession or development of the Property and terminating upon the Commencement of Construction at an applicable Property, as follows:

(i) Developer shall not directly or indirectly use or allow the use of the Property for the purpose of storing any Hazardous Materials Developer brings into the Property, nor shall Developer directly or indirectly use the Property in a manner which will cause or increase the likelihood of causing the release of such Hazardous Materials onto or from the Property, other than those Hazardous Materials which are necessary and commercially reasonable for the conduct of Developer's development activities or the business operated on the Property and which Hazardous Materials shall be, handled and disposed of in compliance with all Environmental Laws and industry standards and in a commercially reasonable manner.

(ii) Developer shall promptly notify the City of any claims or litigation against the Developer by any person (including any governmental authority), concerning the presence or possible presence of Hazardous Materials contamination at the Property or concerning any violation or alleged violation of the Environmental Laws by the Developer respecting the Property, and shall furnish the City with a copy of any such communication received by Developer.

(iii) Developer shall notify the City promptly and in reasonable detail in the event that Developer becomes aware of or suspects the presence of Hazardous Materials contamination or a violation of the Environmental Laws at the Property.

(iv) If Developer's operations at the Property violate the Environmental Laws so as to subject Developer or the City to a formal notice of violation by a governmental agency alleging a violation of the Environmental Laws, Developer shall promptly investigate the underlying circumstances and notify the City within fourteen (14) days of the results of its investigation. If Developer determines that an ongoing violation by Developer is occurring or did occur, Developer shall, to

the extent required by Environmental Laws, cease or cause a cessation of or take other actions to address those aspects of the use or operations causing the violation and shall remedy and cure in compliance with the Environmental Laws any conditions arising therefrom to the extent required by Environmental Laws at its own cost and expense. If Developer disputes that its activities are violating Environmental Laws, it shall expeditiously appeal and prosecute an appeal of the notice of violation or take other commercially reasonable actions to dispute such notice.

### **Section 3. CLOSING**

(A) Time and Place of Closing. The closing with respect to a particular Property shall take place at the office of the PDD, or such other location designated by the City and acceptable to Developer. Each Closing will take place within fifteen (15) days following the earliest to occur of (i) delivery by Developer of a Election Notice with respect to a particular Property, (ii) written notice to Developer that the City has cured all Defects set forth in an Objection Notice provided prior to the expiration of the City Cured Period with respect to a particular Property, or (iii) waiver by Developer of any Defects with respect to a particular Property, each pursuant to Section 1(C)(5) above. For the avoidance of doubt, no additional consideration shall be due from the Developer to the City at any Closing.

(B) Conditions to Closing. The City's obligation to proceed with a Closing is conditioned on the fulfillment by Developer of each of the following conditions precedent:

a. Resolution of Developer's Authority. Developer shall furnish to the City a certified copy of a resolution in form and substance as set forth on **Exhibit E**, duly authorizing the execution, delivery and performance of this Agreement and all other documents and actions contemplated hereunder with respect to a particular Property.

b. Intentionally Omitted.

c. Payment of Closing Costs. Developer shall have tendered payment of the closing costs payable by Developer, which shall include all title charges, escrow, closing and recording fees associated with any conveyance hereunder. For avoidance of doubt, the City shall not be responsible for any closing charges or transaction fees in connection with any Closing hereunder other than the payment of its own legal fees and expenses.

(C) Delivery of Deeds and Possession. The City will deliver to Developer at each Closing the Deeds with respect to the particular Property that is subject of such Closing to and possession of the applicable Property.

(D) Recording. Provided that Developer has complied with all conditions precedent as specified herein, the Deeds with respect to a particular Property shall be delivered at the applicable Closing for prompt recordation with the Register of Deeds of Wayne County, Michigan. Developer shall pay at each Closing all costs for recording the Deeds. Possession of the applicable Property shall be delivered to Developer at the applicable Closing.

### **Section 4: NOTICES**

A notice, demand or other communication under this Agreement by either Party to the other shall be sufficiently given if it is dispatched by certified or registered mail, postage prepaid, return receipt requested, or sent by recognized overnight delivery service, or hand delivered, with receipt obtained, and addressed as follows:

\_\_\_\_\_  
\_\_\_\_\_

If to the City: Director  
Planning & Development Department  
65 Cadillac Square, Suite 2300  
Detroit, Michigan 48226

With a copy to (which copy shall not constitute notice):

Corporation Counsel  
City of Detroit Law Department

Suite 500  
Detroit, MI 48226

All notices shall be deemed given on the day of mailing. Either Party to this Agreement may change its address for the receipt of notices at any time by giving notice thereof to the other as provided in this section. Any notice given by a Party hereunder must be signed by an authorized representative of such Party.

## **Section 5: COVENANTS**

(A) Developer covenants for itself and its successors and assigns and every successor in interest to any Property constituting a part of the Properties, that from and after Closing on such Property, Developer and its successors and assigns shall develop such Property only to and in accordance with the uses specified in this Agreement, unless otherwise agreed in writing by the City. The uses specified in this Agreement are for development and use of such Property into parking facilities, residential housing, commercial, retail space or any other use suitable for the location, consistent with the City's urban planning policies and the City's comprehensive development plan in effect as of the date the Developer seeks zoning and land use approval for such development. Subject to force majeure delays, within fifteen (15) months following Closing (the "Commencement Deadline") on any Property, the Developer shall achieve Commencement of Construction (as defined below) with respect to such Property. Following Commencement of Construction, the Developer shall diligently prosecute such development on the Property to substantial completion (which shall mean substantial completion of such development and all material improvements related thereto, exclusive of landscaping, punch list items and any tenant work for commercial or other space for which there are no tenants or for which the work is to be done by a tenant and any onsite or offsite work that is not commercially

necessary for occupancy) (the date upon which such substantial completion occurs referred to herein as the “Completion Date”). Subject to force majeure delays, the Completion Date shall occur within thirty nine (39) months following Closing for the applicable Property, or such longer period of time as may be reasonably necessary for Developer or its designee to actually achieve substantial completion of the applicable development or improvements, provided Developer is diligently pursuing such completion (the “Completion Deadline”). For purposes hereof, “force majeure delays” shall mean acts of God, terrorism, flooding, strikes, lockouts or other labor trouble, materially adverse weather conditions, fire or other casualty, governmental preemption in connection with an emergency, any rule, order or regulation of any governmental authority or any department or subdivision thereof and any other cause or event beyond the reasonable control of Developer (other than failure of Developer to secure necessary land use or zoning approvals from any governmental authority), or inability to secure materials, labor or access to the Property because of any such emergency, rule, order, regulation, war, civil disturbance, terrorist act or other emergency, or inability to secure materials, labor or access to the Property because of any other cause or event beyond the reasonable control of Developer (other than shortage of funds). In the event that the Developer elects to undertake environmental remediation of the Property after the Closing, “force majeure delays” also shall include the time reasonably necessary for the proper completion of all applicable remediation activities. In the event that Developer ceases, delays, or slows its development activities for a particular Property as a result of any claim or cause of action filed, threatened or asserted by the City (or any of its agencies or departments) and, (1) a court of competent jurisdiction dismisses such action or rules in favor of Developer with respect thereto or (2) the City withdraws its claims or causes of actions, the delay associated with such reduction or cessation in the development shall be deemed a “force majeure delay.” The Commencement Deadline and Completion Deadline shall be extended for a period of time equal to the number of days during which Developer is prevented from proceeding with the construction of the development at the Property by reason of force majeure, provided that (i) Developer is otherwise in material compliance with the terms and provisions of this Agreement, and (ii) Developer notifies the City of the events constituting such force majeure upon the later of (i) Closing with respect to the applicable Property and (ii) sixty (60) days after Developer has actual knowledge of their occurrence.

(B) For purposes of this Agreement, “Commencement of Construction” on a Property shall be deemed to have occurred when the Developer shall have commenced foundation or other equivalent site preparation work on the Property, which site preparation work may include renovation or demolition of existing buildings located on the Property, as applicable.

(C) If the development plan for a Property calls for development of improvements on the Property in two or more discrete phases, the requirements set forth in this Agreement relative to the Completion of Construction, as well as the remedies of the City applicable thereto, shall be satisfied upon Completion of Construction of the initial phase.

(D) Developer covenants and agrees that from and after Closing it will: (i) comply with all zoning requirements, and all other applicable state and federal statutes and regulations and local laws and ordinances applicable to the ownership, use and/or occupancy of the Property; and (ii) pay and discharge when due without penalty, and in all events before penalty for nonpayment attaches thereto, all taxes, assessments and governmental charges, including but not

limited to real estate taxes or assessments on the Property or any part thereof, except where the same may be contested in good faith.

(E) Certificate of Completion. The Developer shall give the City prompt written notice of the Completion Date. The City agrees that the PDD shall inspect the Property for purposes of issuance of the Certificate of Completion promptly following the Completion Date, and shall provide Developer with notice of any deficiencies in compliance with this Agreement, and an opportunity for cure and re-inspection. If, as of the Completion Deadline, PDD determines that Developer is in compliance with all provisions and requirements of this Agreement, PDD shall issue a “Certificate of Completion.” The Certificate of Completion shall be a conclusive acknowledgment by PDD of satisfaction by Developer of its obligations under this Agreement for the applicable Property or portion of the applicable Property addressed by the Certificate of Completion. The Certificate of Completion shall not, however, constitute evidence of compliance with or satisfaction of the requirements of any department, agency or entity with respect to any building, occupancy, or other permits, to the extent such departments are exercising their regulatory authority. The Certificate of Completion shall be in such form as can be recorded against the Property, or portion thereof, and shall release the Property, or portion thereof, from the City’s rights under this Agreement. The cost of recording the Certificate of Completion shall be the responsibility of Developer.

(F) Estate Conveyed. Notwithstanding anything contained in this Agreement to the contrary, the estate conveyed hereby shall be deemed to be a determinable fee and only upon the Commencement of Construction on the Property will the possibility of reverter retained by the City automatically expire as to that part of the applicable Property.

(G) City Covenants. During the Option Period and prior to a Closing with respect each Property, the City shall (i) maintain such Property in at least the same condition and repair (except for environmental condition and repair thereof, which is addressed in sub-clause (ii) below) as of the Effective Date, (ii) not, through its own action (or the action of any agency, department, employee, agent, or contractor), alter the environmental condition of the Property, as such exists as of the Effective Date, in a material and adverse manner, (iii) not “down zone” the Property or take zoning or land use action on the Property that would materially and adversely affect Developer’s ability to develop the Property for the uses otherwise permitted in this Agreement, and (iv) not execute or grant any lease, contract, agreement, lien, security interest, encumbrance, easement, or restriction with respect to such Property, or amend, modify, renew, extend or terminate any of the foregoing, without prior written consent of the Developer, which consent shall not be unreasonably withheld, conditioned or delayed.

## **Section 6: REMEDIES**

(A) City’s Remedies Prior to Conveyance. Except with respect to assignment to a Permitted Entity (as defined below), in the event that, prior to the conveyance of the Property, Developer assigns this Agreement or any right therein or in a Property without the prior written approval of the City, this Agreement and any rights of Developer in this Agreement, may, at the option of the City, be terminated by the City after thirty (30) days written notice and opportunity to cure provided by the City to Developer. Notwithstanding the foregoing, the Developer’s rights and obligations under this Agreement may be assigned: (i) to a wholly owned subsidiary

of Developer, or (ii) to a joint venture, limited liability company, partnership, limited partnership or other entity formed to develop or finance a Property or the Properties, provided that the Developer retains a direct or indirect interest in such entity (any such assignee being referred to as a “Permitted Entity”). In any case, the Developer shall provide written notice to the City of such assignment.

(B) City’s Remedies Subsequent to Conveyance.

(1) Event of Default. If, prior to the issuance of a Certificate of Completion on a Property, Developer breaches any covenant set forth in Sections 5(A) or (D) hereof applicable to such Property and fails to cure such breach within ninety (90) days after written demand by the City, such an event shall be deemed to constitute an **Event of Default**, provided, however, that if the nature of Developer's default is such that more than the cure period provided is reasonably required for its cure, then Developer shall not be deemed to be in default and an Event of Default shall not have occurred if Developer commences such cure within said period and thereafter diligently pursues such cure to completion within two hundred seventy (270) days of City’s initial written demand hereunder. Notwithstanding the foregoing, Developer shall have the right to dispute that an Event of Default has occurred or that an Event of Default has not been timely cured by written notice of dispute sent to the City (“Notice of Dispute”). In the event a Notice of Dispute is sent, the parties shall meet and in good faith work to resolve their differences. In the event the City and Developer cannot resolve their differences as to whether an Event of Default has occurred or has been cured, then the City shall not record a notice of an uncured and undisputed Event of Default as described in Section 6(B)(2) below without first bringing an action in a court of competent jurisdiction for a final judicial determination that an Event of Default occurred and was uncured. To the extent a court of competent jurisdiction deems that an Event of Default occurred prior to the Commencement of Construction and such cause of action was filed with the court of competent jurisdiction prior to the Commencement of Construction, irrespective of the date the court makes such determination, the City shall have all rights and remedies available to it hereunder as if such Event of Default was undisputed prior to the Commencement of Construction in the first instance. The City may, in its sole discretion, waive in writing any Default or Event of Default by Developer. Notwithstanding any provision contained herein to the contrary, any lender of Developer that has a security interest in a Property, shall have an additional notice and cure right that should provide such lender with a reasonable period of time after the expiration of any cure periods available to Developer in which to cure any Event of Default prior to the City enforcing its remedies hereunder.

(2) Right of Reverter. It is expressly understood and agreed between the Parties hereto that until the Commencement of Construction on a particular Property, the conveyance of such Property to Developer shall be construed and interpreted as the conveyance of a fee simple determinable, and that such conveyance shall endure only so long as subsequent to the conveyance and prior to the Commencement of Construction there has been no uncured or undisputed Event of Default with respect to such Property and such Event of Default results from a failure of the Commencement of Construction to have occurred prior to the Commencement Deadline (a “Reverter Event of Default”). In the event of an uncured and undisputed Reverter Event of Default and the City's recording of a notice thereof, after a judicial determination as required by Section 6(B)(1) above and written notice from the City to Developer of the City’s election to enforce the reverter set forth in this Section, title to the applicable Property (and only

the applicable Property) shall revert in the City, except for parcels of Property previously conveyed where Commencement of Construction has already been achieved. Upon such reversion of title, the City shall have the right to re-enter and take immediate possession of the applicable Property. Upon an uncured and undisputed Reverter Event of Default as to a Property occurring prior to the Commencement of Construction and expiration of the cure period, this Agreement and any rights of Developer arising hereunder with respect to the Property subject to the reverter, may, at the option of the City, be terminated by the City by the City providing written notice of such termination to the Developer prior to the cure of such Reverter Event of Default, and the Developer shall thereafter have no further interest in the reverted Property. In such case Developer agrees to promptly execute and deliver a quit claim deed for any such portion of reverted Property to the City. While the right of reversion as to a Property automatically terminates upon Commencement of Construction on such Property, the City agrees to provide Developer with a written acknowledgement, in recordable form, that the Commencement of Construction has occurred and the City's right of reversion has terminated as to such Property.

(3) Intentionally Omitted.

(C) Rights and Remedies Cumulative. The rights and remedies of the City, whether provided by law or by this Agreement, shall be cumulative, and the exercise by the City of any one or more remedies shall not preclude the exercise by it, at the same or different times, of any other remedy for the same default or breach or any other default or breach by the Developer. No waiver made by either Party shall apply to obligations beyond those expressly waived in writing.

(D) Developer's Remedies. If the City breaches its obligations under this Agreement after reasonable notice and opportunity to cure, Developer shall have the right to seek injunctive relief, specific performance or other equitable remedies for the City's breach of this Agreement. In no event shall the Developer be entitled to monetary damages as a result of the City's breach of this Agreement, except to the extent such damages arise out of the City's uncured breach of the covenant set forth in Section 5(G) above.

(E) City's Representatives Not Individually Liable. No official or employee of the City shall be personally liable to Developer or any successor in interest, in the event of any default or breach by the City or for any amount which may become due to Developer or successor or on any obligations under the terms of this Agreement.

## **Section 7: PROVISIONS NOT MERGED WITH DEEDS**

No provision of this Agreement is intended to or shall be merged into the Deeds transferring title to each Property from the City to Developer or any successor in interest, and any such Deeds shall not be deemed to affect or impair the provisions and covenants of this Agreement.

## **Section 8: ENTIRE AGREEMENT; AMENDMENT**

This Agreement (including all exhibits, schedules or other attachments hereto) constitutes the complete and exclusive statement of the terms of the agreement among the Parties with respect to the subject matter hereof and supersedes all prior agreements, understandings, promises, and arrangements, oral or written, between the Parties with respect to the subject matter hereof. This Agreement may be amended or modified only by an instrument in writing signed by both of the Parties.

## **Section 9: GOVERNING LAW**

This Agreement shall be governed by and construed in accordance with the laws of the State of Michigan without regard to conflicts-of-law principles that would require the application of any other law.

## **Section 10: COUNTERPARTS**

This Agreement may be executed in several counterparts, each of which shall be deemed to be an original, but together such counterparts shall constitute one and the same instrument.

## **Section 11: AUTHORITY OF CITY.**

Notwithstanding anything in this Agreement, in law or in equity, or otherwise to the contrary, this Agreement shall be of no force or effect and may not in any way be enforced against the City unless or until this Agreement and the transaction contemplated hereby have been: (i) approved in writing by the Emergency Manager for the City of Detroit, in accordance with Emergency Manager Order No. 5, (ii) either included in the Emergency Manager's financial and operating plan or approved in writing by the Governor of the State of Michigan or his or her designee, in accordance with Section 12(1)(k) of Public Act 436 of 2012; and (iii) either included in the Emergency Manager's financial and operating plan or approved in writing by the State Treasurer, in accordance with Section 15(1) of Public Act 436 of 2012.

**Section 12: CITY AGENCIES AND DEPARTMENTS.** Whenever this Agreement requires an action or creates an obligation on behalf of the City, the City shall also be required, as applicable, to cause all of its agencies and departments to undertake such obligations.

Exhibit B and Exhibit C, as applicable, set forth the commitment amount and, to the extent known prior to the date of this Term Sheet, the payment schedule for each Funder. All payments by the Funders shall be made as set forth in *"Payment Mechanism"* of this Term Sheet. (The mechanics, timing and terms of all payments by the State shall be determined between the State and the City.)

The parties acknowledge that Funder payments are conditioned on the City meeting certain conditions both initially and on a continuing basis. See *"Conditions to Future Funding Obligations"* of this Term Sheet. Failure of the City to meet those conditions in any material respect may result in the delay of a scheduled payment by the Funders to the Supporting Organization and a delay of a scheduled payment by the Supporting Organization to the City until (i) all material requisite conditions for that payment are met; or (ii) cancellation of that payment if the material requisite conditions are not met within any established cure period.

Funding commitments of the following amounts (before giving effect to any Present Value Discount, as applicable) are required as a condition to Closing:

Foundation Funders (net)	\$366 million
DIA Funders and DIA	\$100 million*
State	\$350 million

\*inclusive of the intended  
funding amounts for the  
identified Foundation Funders

	<p>listed in Exhibit B</p> <p>To the extent the City fails to meet its indemnity obligations further described in Exhibit D, the Funders', the Supporting Organization's and The DIA's (with respect to a DIA Deficiency or under the Guaranty) funding commitments will be reduced by any litigation or defense costs, damages or settlement costs incurred by the applicable Funder, the Supporting Organization or The DIA in connection therewith. Similarly, the Funders, the Supporting Organization and The DIA may reduce their funding commitments to the extent that any litigation or defense costs, damages or settlement costs incurred by them and arising from the transactions contemplated by this Term Sheet and the Definitive Documentation are not otherwise covered by the City's indemnity obligations described in Exhibit D.</p>
<p><b>Present Value Discount</b></p>	<p>To the extent that the DIA Funders and The DIA have agreed upon an aggregate payment schedule (determined as of the Closing and adjusted after the Closing for any New Donor Commitments), that provides for the payment of greater than an aggregate of \$5 million per year during the Payment Period (the "<b>Agreed Required Minimum Schedule</b>"), the amount and timing of such annual excess in commitments shall, applying a discount rate to be agreed upon hereafter but prior to Closing, which may or may not be the same earnings rate that the Pensions use as provided for in the confirmed Plan of Adjustment as the Pensions' assumed future investment return, result in a present value discount in an amount which reflects the payments required to be made being instead made more rapidly than required by the Agreed Required Minimum Payment Schedule, which present value discount shall reduce the aggregate amount of the commitments that The DIA is required to secure or, as to any DIA Deficiency, undertake itself (the "<b>Present Value Discount</b>").</p> <p>Each Foundation Funder which funds its commitment more rapidly than ratably over twenty years shall likewise be entitled to a Present Value Discount determined in the same manner as set forth in the preceding paragraph.</p> <p>Any disputes regarding the calculation or application of a Present Value Discount will be irrevocably determined,</p>

	based upon the formula described in this Term Sheet, by an independent auditing firm to be agreed upon in the Definitive Documentation.
<b>The DIA Commitment Regarding Funding</b>	The DIA undertakes to secure commitments for contributions of \$100 million (subject to the Present Value Discount) from the business community (and their related foundations), other foundations and individuals. As of the Closing, The DIA shall be responsible for any portion of the \$100 million (subject to the Present Value Discount) for which it has not secured commitments from DIA Funders as of the Closing (the “ <b>DIA Deficiency</b> ”). However, The DIA shall have the right after the Closing to substitute for its obligation to pay any or all of the DIA Deficiency commitments from new DIA Funders or an increased funding commitment from an existing DIA Funder (each a “ <b>New Donor Commitment</b> ”) for such amount of the DIA Deficiency. Subject to the terms of this Term Sheet, all New Donor Commitments shall be payable according to payment schedules which shall not run later than the end of the Payment Period. In addition, The DIA agrees that it will have no claims against the Foundation Funders for failure to fund their commitments and that the Foundation Funders have made no commitments beyond those set forth in this Term Sheet (as will be reflected in the Definitive Documentation).
<b>DIA Guaranty</b>	Subject to the terms and conditions of this Term Sheet, The DIA shall guaranty (the “ <b>Guaranty</b> ”) the payment by all DIA Funders of all amounts such DIA Funders pledge against the \$100 million (subject to the Present Value Discount) commitment of The DIA under the “ <i>Funding Commitment</i> ” section of this Term Sheet. The City may take action to collect Default Amounts under the Guaranty as permitted under the “ <i>Default and Remedies</i> ” section of this Term Sheet. The City shall not otherwise take action to collect any amounts under the Guaranty, and under no circumstances will anyone other than the City have any right to take any action to collect any amounts under the Guaranty. The DIA Guaranty shall be in form and substance acceptable to the City and the Funders.
<b>Default and Remedies</b>	All Funders (including The DIA, both as to any DIA Deficiency and with respect to the Guaranty) shall have the right to rely upon the determination of the Board of Directors of the Supporting Organization as to whether the conditions

to a scheduled payment have been satisfied and, if not initially satisfied, whether they have been timely cured. In the event that the Supporting Organization has determined that the conditions have not been satisfied (or timely cured) and the City disputes that determination, the City's only recourse shall be to dispute the Supporting Organization's determination. The City shall have no claim against any Funder (or under the Guaranty) for such Funder's reliance upon the determination of the Board of Directors of the Supporting Organization. Any dispute between the City and the Supporting Organization regarding whether the conditions had been satisfied or timely cured shall be determined in accordance with the "*Dispute Resolution*" section of this Term Sheet.

In the event it is determined by the Supporting Organization or through arbitration that the conditions to a scheduled payment have been satisfied or timely cured, all Funders shall be required to make their scheduled payments to the Supporting Organization (or, as to DIA Funders that so elect in accordance with the "*Payment Mechanism*" section of this Term Sheet, to The DIA, which will be required to make its scheduled payments to the Supporting Organization). If a Foundation Funder, a DIA Funder or The DIA (either with respect to a Deficiency Amount or on behalf of a DIA Funder who elects to make its payments to The DIA) has made its scheduled payment to the Supporting Organization, the City shall have recourse only to the Supporting Organization (and not any Funder that made its scheduled payment) for such payment. If a Foundation Funder, a DIA Funder or The DIA (either with respect to a Deficiency Amount or on behalf a DIA Funder who elects to make its payments to The DIA) has not made its scheduled payment after it is determined by the Supporting Organization or through arbitration that the conditions to such payment have been satisfied or timely cured, the Supporting Organization shall, after making reasonable efforts to collect the scheduled payment from the Funder (the "**Non-funding Party**"), assign its right to enforce payment of that scheduled payment (the "**Default Amount**") to the City in full satisfaction of the Supporting Organization's obligation to make such payment to the City.

If the Supporting Organization assigns to the City, in accordance with the preceding paragraph, the Supporting Organization's right to enforce payment of a Default Amount from a DIA Funder (a "**Defaulted DIA Funder**"), during the twelve-month period following the assignment of the claim

	<p>to the City (the “<b>City Collection Period</b>”), the City shall exercise commercially reasonable efforts to collect the Default Amount from that Defaulted DIA Funder, and any amounts collected from that Defaulted DIA Funder shall reduce the amount subject to the Guaranty. If the City is unable to collect the Default Amount from a Defaulted DIA Funder during the City Collection Period, upon the expiration of the City Collection Period, the City may collect the Default Amount from The DIA under the Guaranty and, in such event, assign to The DIA all right and title to (and exclusive authority to collect) the Default Amount.</p> <p>In no event will any Funder other than the Non-funding Party have any responsibility for the payment or obligations of such Non-funding Party (except, as to The DIA, under the Guaranty), and the City will not have any right to collect any amounts from any Funder except as set forth above. Moreover, there will be no third-party beneficiaries to the rights of the City or the Supporting Organization, and no party other than the City or the Supporting Organization (or The DIA in respect of the Guaranty), as applicable, shall have the right to assert any claim against any Funder in respect of the obligations arising under the Definitive Documentation. Without limiting the foregoing, the failure of any Funder or the Supporting Organization to make a scheduled payment shall give rise to a claim by the City against such Non-funding Party, as set forth above, and not against any other Funder, the Supporting Organization, The DIA or the Museum Assets; provided, however, (i) as contemplated in “<i>The DIA Commitment Regarding Funding</i>” above, The DIA will be obligated for any DIA Deficiency except to the extent the DIA Deficiency is replaced during the Payment Period with a New Donor Commitment, and (ii) The DIA will have its obligations under the Guaranty.</p> <p>The City will be responsible for all costs of its enforcement against the Non-funding Party and will not seek reimbursement of costs of enforcement from any other party or the Supporting Organization. No other person or entity shall have the right to enforce payment.</p>
<b>Initial Payment</b>	<p>At and as a condition to the Closing (a) each of the Foundation Funders and the State shall pay at least 5% of its commitment under this Term Sheet and (b) The DIA and the DIA Funders in the aggregate shall pay at least \$5 million.</p>

<p><b>Transfer on Initial Payment</b></p>	<p>The Transfer shall be irrevocably consummated upon the Initial Payment to the City Account (defined in “<i>Conditions to Future Funding Obligations</i>” of this Term Sheet) (which shall be made at the Closing). In addition, at the Closing, the City and The DIA will enter into an agreement that (1) terminates the Operating Agreement, (2) includes a mutual release of pre-Closing claims, and (3) assigns (without recourse) from the City to The DIA all current and future commitments or gifts made or intended for the benefit of the Museum or The DIA, including without limitation money and works of art. The City will not, however, make any representations or warranties relating to the condition of, or title to, the Museum Assets or such commitments and will not have any liability with respect thereto.</p>
<p><b>Payment Mechanism</b></p>	<p>All payments by the Funders shall be made directly to the Supporting Organization which shall hold such payments in a segregated account (the “<b>Account</b>”) pending payment to the City. Notwithstanding the foregoing, any DIA Funder may make its payments to The DIA instead of to the Supporting Organization; payments by The DIA (either with respect to a Deficiency Amount or on behalf a DIA Funder who elects pursuant to the preceding sentence to make its payments to The DIA) to the Supporting Organization shall be pursuant to the terms of an agreement which will be entered into between The DIA and the Supporting Organization in connection with the execution of the Definitive Documentation. As set forth under “<i>Default and Remedies</i>” above, only the City will have recourse or claims against the Account, provided all conditions specified in “<i>Conditions to Future Funding Obligations</i>” of this Term Sheet have been satisfied and as otherwise provided in this Term Sheet, and the City shall be paid when due, directly from the Account for the exclusive payment of the Pensions. The City will not be entitled to any interest or earnings on the balances of the Account. The City shall then pay such amounts to and for the exclusive payment of the Pensions in accordance with the allocation determined by the City and agreed by the Funders.</p>
<p><b>DIA Commitment for State-wide Services for State Contribution</b></p>	<p>In addition to continuing to operate the Museum for the benefit of the people of the City and the State, including the citizens of the Tri-Counties, and continuing to provide the special services to the residents of the Tri-Counties during the millage term that are provided for in the millage</p>

	<p>agreements, during the Payment Period The DIA will provide an array of art programs at no or discounted costs to the residents of the State. In determining which programs to offer, both the cost to The DIA of developing and operating these programs and The DIA's other fundraising obligations, including its need to raise funds for general operations and its stated goal of building endowment funds, as well as any fundraising obligation under this settlement, will be taken into account. As appropriate, The DIA will collaborate with its Michigan museum colleagues in the development of these programs. Given the length of the Payment Period, it is expected that these programs would be developed and adjusted over time. Such programs could include at the outset:</p> <ul style="list-style-type: none"> <li>• Two exhibitions in each twelve-month period, with the first such period beginning six months after the Closing, of objects from the Museum collection that would rotate through museums and art centers around the State on a schedule to be determined by The DIA and the recipient museums. Each exhibition will be developed and organized by The DIA and will include installation and de-installation of the objects, a marketing package (logo and advertising template) and, possibly, input on programming and education opportunities.</li> <li>• An annual professional development program coordinated with the Michigan Museums Association designed to strengthen museum professionals and introduce museum job opportunities to student audiences.</li> <li>• An expansion of the Museum's popular Inside/Out program (during the tenure of the program), which places high-quality art reproductions in Southeast Michigan communities, to include two additional outstate locations annually, supporting tourism, cultural awareness and life-long learning.</li> <li>• Art object conservation services at a discounted rate to Michigan museums conducted in consultation with the Museum conservators and the curatorial staff of the requesting museum.</li> <li>• The development of an educational program based on the Museum collection that supports National Common Core Standards, to be offered in two</li> </ul>

	Michigan communities annually and to include follow-up support for educators.
<b>DIA Operating and Maintenance Commitments</b>	<p>(1) Subject to the terms set forth herein and the Definitive Documentation, The DIA shall have complete responsibility for and control over Museum operations, capital expenditures, collection management, purchase or sale of assets, <i>etc.</i> and will be responsible for all related liabilities, including existing liabilities of The DIA to its employees, contractors and vendors.</p> <p>(2) The permanent primary situs of The DIA and its art collection will remain in the City in perpetuity. This Term Sheet and the Definitive Documentation will not otherwise restrict the ability of The DIA to lend or to otherwise allow works to travel outside of the City or the State, consistent with ordinary Museum operations and the state-wide services proposed under this settlement. Notwithstanding anything to the contrary set forth in this Term Sheet, The DIA acknowledges and agrees that the Museum shall be operated primarily for the benefit of the people of the City and the State, including the citizens of the Tri-Counties.</p> <p>(3) The DIA will be required to operate the Museum as an encyclopedic art museum in the City, in accordance with changing future demands in the operation of such a Museum. The DIA will not deaccession from its collection or sell, lease, pledge, mortgage, or otherwise encumber art that is accessioned to or otherwise held in its collection except in accordance with the code of ethics or applicable standards for museums published by the American Alliance of Museums (the "AAM") as amended or modified by the accreditation organization. If the AAM ceases to exist or to be generally regarded by leading American art museums as the preeminent American art museum accreditation organization, then the AAM's successor organization or such other organization that is at that time generally regarded by leading American art museums as the preeminent American art museum accreditation organization shall be substituted for the AAM.</p>

	<p>(4) In the event of a liquidation of The DIA, the Museum Assets will be transferred only to another not-for-profit entity (which entity shall be subject to the reasonable approval of the City and the Supporting Organization, if then in existence, and otherwise by majority vote of the City and the then-existing Foundation Funders). Such successor entity would subject itself to the same conditions as set forth in this Term Sheet and the Definitive Documentation, including but not limited to holding the Museum Assets in perpetual charitable trust for the people of the City and the State, including the citizens of the Tri-Counties. For the purposes of determining the majority vote described above, and for the avoidance of doubt, the parties agree that the City and each of the then-existing Foundation Funders shall each have one vote with respect to such approval.</p>
<p><b>City Commitments Relating to Pensions</b></p>	<p>(1) The City will adopt and maintain pension governance mechanisms that meet or exceed commonly accepted best practices reasonably satisfactory to the Funders and the State to ensure acceptable fiscal practices and procedures for management and investment of pensions and selection of acceptable pension boards to ensure the foregoing.</p> <p>(2) The City will establish, by the Effective Date (as defined below), a Receivership Transition Review Board ("<b>Review Board</b>") or other independent fiduciary that is independent of the City and any association of City employees or retirees for future supervision of the Pensions' management, administration and investments for at least twenty years after the Effective Date.</p> <p>(3) Any commitments by the City to make payments hereunder, or cause payments to be made, to the Pensions shall be subject to receipt of the related payment amount from the Supporting Organization which, in turn, will be conditioned on the City's compliance with the above.</p> <p>(4) The Pension funds themselves shall agree as part of the settlements approved through the confirmed Plan of Adjustment that they waive and release</p>

	<p>any and all claims against, and shall have no recourse directly against, the Funders or the Supporting Organization with respect to enforcement of the City's commitment to make payments to the Pensions or any such party, nor for any matter arising from the contemplated transaction. The agreement of the Pension funds, as implemented through the Plan of Adjustment and any associated court orders shall be binding on the Pensions and all entities or persons claiming through the Pensions, including without limitation any successors or assigns and any plan participants, and any of their representatives, successors or assigns.</p>
<p><b>Other City Commitments</b></p>	<ol style="list-style-type: none"> <li>(1) The City shall pass no charter, ordinance or other provision that solely affects or primarily targets the Museum, The DIA or museums within the City generally which such charter, ordinance or other provision has a material adverse impact on the Museum or The DIA (it being understood that a "material adverse impact" shall include any adverse financial impact or any contradiction, or adverse impact on the enforceability, of the terms of this settlement), except pursuant to State-enabling legislation, and the City agrees that the Detroit Arts Commission will henceforth have no oversight of The DIA, the Museum or the Museum Assets.</li> <li>(2) The City shall not impose any fee, tax or other cost on the Museum or The DIA that solely affects or primarily targets the Museum, The DIA or museums within the City generally.</li> <li>(3) The City shall provide (or cause to be provided) utilities and other City services to The DIA at the same pricing and on the same terms upon which the City offers to provide utilities and such other City services to arm's-length third parties generally.</li> <li>(4) The City agrees that there are no further commitments from the Funders, the Supporting Organization, The DIA or the State relating to the Museum or the Museum Assets beyond those contained in the Term Sheet or the Definitive</li> </ol>

	<p>Documentation.</p> <p>(5) The City agrees to the indemnification, jurisdiction, venue and choice of law language contained in Exhibit D for the benefit of the Funders.</p>
<p><b>Bankruptcy Court Approval Process</b></p>	<p>The settlement between the City and The DIA over the Transfer in exchange for the Funders' and the State's commitments for the Payment Amount and The DIA's commitment to provide for the operation and maintenance of the Museum is subject to the Bankruptcy Court's approval in a manner acceptable to the parties hereto, which the City shall seek promptly after the signing of the Definitive Documentation for the settlement.</p>
<p><b>Conditions to The DIA's, the City's and the Funders' Commitments and Initial Payments under the Settlement</b></p>	<p>The City's and the Funders' obligations under the settlement will become binding only upon:</p> <ol style="list-style-type: none"> <li>(1) execution of Definitive Documentation acceptable in all respects to The DIA, the City, the State and the Funders, memorializing the terms of this Term Sheet, including irrevocable commitments (subject to The DIA's right of substitution as to the DIA Deficiency) of the Funders, in the aggregate, for the full Payment Amount,</li> <li>(2) Bankruptcy Court entry of an order confirming the Plan of Adjustment of Debts of the City of Detroit, Michigan (the "<b>Plan of Adjustment</b>") that is binding on The DIA, the City and all of the City's creditors and provides, among other things, for approval and inclusion of all of the terms of this settlement, including treatment of the Payment Amount in accordance with this Term Sheet and protection of the Museum Assets as provided in "<i>Treatment of Museum Assets</i>" of this Term Sheet, and not stayed on appeal,</li> <li>(3) occurrence of the Effective Date,</li> <li>(4) approval of the settlement by the Michigan Attorney General as consistent with Michigan law and with Attorney General Opinion No. 7272,</li> <li>(5) agreement by the millage authorities for each of the Tri-Counties to the settlement for protection of the three-county millage payable to the Museum for the balance of the millage period approved in 2012,</li> </ol>

	<p>(6) approval of the relevant City and State persons or entities specified in the Local Financial Stability and Choice Act (PA 436) to the extent applicable, including, but not limited to, the Emergency Manager, the Governor of the State and/or the Treasurer of the State and (if needed) the Detroit City Council and/or Detroit Arts Commission, in each case, for the Transfer,</p> <p>(7) The DIA, the Foundation Funders, the City and the State being satisfied with The DIA's governance structure, mechanisms and documents, program for provision of statewide services, multi-year fundraising plan, insurance coverage, policies, practices and procedures and such other matters as the Funders determine are critical to their decision to fund and the City determines are critical to its decision to execute the Definitive Documentation,</p> <p>(8) Closing occurring no later than December 31, 2014,</p> <p>(9) All existing agreements and other arrangements between the City and The DIA are either affirmed, modified or terminated, as provided in this Term Sheet or as otherwise agreed between the City and The DIA.</p> <p>(10) The DIA agrees to indemnify and hold harmless the Foundation Funders, the City and the Supporting Organization from any and all claims against them (together with all reasonable associated costs and expenses) that result from The DIA's failure to perform any of its obligations under the Definitive Documentation. The DIA acknowledges that the Foundation Funders and the Supporting Organization have no financial obligations other than, in the case of the Foundation Funders, the amount specified in the "Funding Commitments" of this Term Sheet and are not guaranteeing payment to the City of any amount committed by the DIA Funders or The DIA.</p>
<b>Closing of Settlement</b>	<p>Upon satisfaction of all "Conditions to The DIA's, the City's, the State's and the Funders' Commitments and Initial Payments under the Settlement" under this Term Sheet (any of which may be waived by agreement of all parties to this Term Sheet for whose benefit the condition exists) and the occurrence of the</p>

	effective date of the Plan of Adjustment (" <b>Effective Date</b> ").
<b>Conditions to Future Funding Obligations</b>	<p>The Funders' obligations to continue to fund the settlement (and the Supporting Organization's obligation to continue to pay funds provided by the Funders to the City) are conditioned on the following:</p> <ol style="list-style-type: none"> <li>(1) all amounts paid by the Funders shall be used only to pay Pensions as provided in this Term Sheet and the confirmed Plan of Adjustment,</li> <li>(2) the Funders' receipt of an annual certification from the Review Board or other oversight authority reasonably acceptable to the Funders that the City is in compliance with its obligation to use the amounts paid by the Funders solely for the benefit of the pensioners and that the amounts received from the Funders are unencumbered by the City or any other entity,</li> <li>(3) the amounts paid by the Funders and transmitted by the Supporting Organization to the City are placed into a segregated account to be used for payments to the Pensions only and shown separately on the City's books ("<b>City Account</b>"),</li> <li>(4) the Funders' receipt of an annual reconciliation report of the City Account prepared by external auditors reasonably satisfactory to the Funders at the City's expense, certifying use of funds in a manner consistent with the settlement,</li> <li>(5) full compliance by the City with the terms of the funding agreements with the Funders or the Supporting Organization, and</li> <li>(6) the City's continued compliance with the first two commitments set forth above in the provision entitled "<i>City Commitments Relating to Pensions</i>" of this Term Sheet.</li> </ol> <p>The City shall have the opportunity to cure any breach or failure of these conditions within 180 days of issuance of notice of the same by the Funders or the Supporting Organization. Notwithstanding the foregoing, to the extent that the applicable event of default cannot reasonably be cured within the period specified above, and as long as the City has commenced to cure, and diligently pursues the cure of such default in good faith, such cure period shall be</p>

	<p>extended by a reasonable period of time to permit the City to cure such event of default; provided, however, such additional extended cure period shall not extend beyond the later of: (i) 180 days beyond the initial cure period; and (ii) the date that the next applicable payment is due the City by the Supporting Organization. The City's ability to receive the benefit of the extended cure period, beyond the initial cure period, shall be subject to the approval of the Supporting Organization upon receipt of a written request from the City setting forth why the City is entitled to such extended cure period by meeting the requirements set forth above, which approval shall not be unreasonably withheld, conditioned or delayed. All obligations of the Funders and Supporting Organization to make payments shall be suspended for the duration of the cure period. If the City fails to cure a breach or failure during the cure period each Funder and the Supporting Organization shall have the right to cancel its remaining commitments.</p>
<p><b>Changes in DIA Governance</b></p>	<p>The DIA shall establish an ad-hoc committee (the "<b>Governance Committee</b>") to review best practices in museum governance, gather input from the parties to this Term Sheet and the State, and make recommendations regarding the future governance of The DIA. In addition to three members representing the perspective of The DIA, The DIA shall appoint to the Governance Committee one member representing each of the following perspectives: 1) the Foundation Funders; 2) the City; and 3) the State. In addition, The DIA shall appoint to the Governance Committee one person who is selected by agreement of the millage authorities of the Tri-Counties. The parties believe the proposed make-up of the Governance Committee will appropriately represent the perspectives of The DIA, the City, the State, the millage authorities and the Foundation Funders, but The DIA will consider adjustments to the proposed membership to the extent necessary to address any concerns raised by the State. Susan Nelson, principal of Technical Development Corporation, will facilitate and advise the process, with funding as required from the Foundation Funders. The process will be completed as quickly as possible but in any event prior to the Closing, with the Governance Committee's recommendations taking effect upon their approval by The DIA's Board of Directors and prior to Closing. The goal of the Governance Committee will be to ensure that The DIA has the best possible governance</p>

	structure for maintaining its position as one of America's great art museums.
<b>Future Obligations of The DIA</b>	The DIA will provide to the other Funders and the City, or their representatives, on an annual basis, a narrative report covering overall operations, fundraising and state services, as well as audited financial statements.
<b>Dispute Resolution</b>	In connection with the negotiation of the Definitive Documentation, the parties shall use good faith efforts to work with the State to identify and agree upon alternative dispute resolution mechanisms that provide a process for resolution of disputes surrounding whether conditions to a scheduled payment have been satisfied or cured while considering the ability of the public, Pensions and other stakeholders to monitor such alternative dispute resolution process.

## EXHIBIT D

### INDEMNIFICATION, JURISDICTION, VENUE AND CHOICE OF LAW

*All capitalized terms used but not defined in this Exhibit D are defined in the Term Sheet.*

- (a) To the maximum extent permitted by law, the City shall indemnify, defend, and hold the Foundation Funders, the DIA Funders, The DIA and the Supporting Organization and their affiliates and all their respective shareholders, officers, directors, members, managers, employees, successors, assigns, representatives, attorneys and agents (the “**Indemnified Parties**”) harmless from, against, and with respect to any claim, liability, obligation, loss, damage, assessment, judgment, cost and expense (including, without limitation, actual out-of-pocket attorney fees and actual expenses incurred in investigating, preparing, defending against, or prosecuting any litigation or claim, action, suit, hearing, proceeding or demand) of any kind or character, arising out of or in any manner, incident, relating or attributable to the following (provided indemnification will not be available to an Indemnified Party to the extent resulting from such Indemnified Party’s breach of contract, sole ordinary negligence, gross negligence or intentional wrongful acts):
  - (i) *Any claims by third parties or the City arising out of any action properly taken by the Indemnified Parties under the Definitive Documentation with respect to the contemplated transaction including, but not limited to, any payment, non-payment or other obligation of the Indemnified Parties permitted thereunder;*
  - (ii) *Any breach or failure of any representation or warranty of the City contained in the Definitive Documentation between the City and the Indemnified Parties and/or other parties related to the contemplated transaction;*
  - (iii) *Any failure by the City to perform, satisfy or comply with any covenant, agreement or condition to be performed, satisfied or complied with by the City under the Definitive Documentation with the Indemnified Parties or under agreements with any third parties contemplated by this transaction;*
  - (iv) *Reliance by the Indemnified Parties upon any books or records of the City or reliance by them on any written information furnished by the City or any of the City’s employees, officials or agents to them to the extent any such information should prove to be false or materially inaccurate or misleading (including, without limitation, by omission), but only to the extent that such books, records or written information was furnished by the City in connection with the City showing its compliance with the conditions to initial or future funding as set forth in the Term Sheet;*
  - (v) *Any claim or objection made in the City’s Chapter 9 Bankruptcy (Case No. 13-53846) or any other action brought against, or involving, the Indemnified Parties with respect to their participation in any transaction contemplated by the proposed or confirmed Plan of Adjustment;*

(vi) *The transfer, assignment or sale by the City to The DIA of any assets or property (real or personal) and any rights, title and interests therein including, but not limited to, the Museum and all of the Museum Assets;*

(vii) *Any action or claim against the Indemnified Parties made by the Pensions, including any successors or assigns and any plan participants, or their representatives, successors or assigns (collectively, the "Pension Funds"), as nothing under the Term Sheet or the Definitive Documentation is intended to, nor are they to be construed or interpreted to, make the Indemnified Parties a party in privity with, or having an obligation in any capacity to the Pension Funds. By way of illustration and not limitation, the following statements apply:*

*First, the Indemnified Parties have no responsibility for the operation or administration of the Pension Funds and have no fiduciary responsibility for the Pension Funds as plan sponsor, plan administrator, investment advisor or otherwise.*

*Second, the Indemnified Parties have no obligation to contribute towards the funding of the Pension Funds and are not a funding guarantor.*

(viii) *Any action or claim brought by the City, The DIA, the Pension Funds or any other party concerning non-payment of the contributions pursuant to the contemplated transaction by the Indemnified Parties due to the breach of the Definitive Documentation by the City, the DIA, the Pension Funds or any other party, so long as the Indemnified Parties have made a good faith determination of the breach of the Definitive Documentation or payment condition.*

(b) An Indemnified Party shall notify the City in a timely manner of any matters as to which the Indemnified Party is entitled to receive indemnification and shall set forth in such notice reasonable detail regarding specific facts and circumstances then known by the Indemnified Party which pertain to such matters. Failure or delay in providing such notice shall not relieve the City of its defense or indemnity obligations except to the extent the City's defense of an applicable claim against an Indemnified Party is actually prejudiced by such Indemnified Party's failure or delay.

(c) The City shall not contest on any grounds the enforceability of its indemnification obligations hereunder.

(d) Notwithstanding the foregoing, the parties acknowledge that the City is not making any representations to The DIA regarding the City's title to the Museum Assets prior to the Closing and that The DIA will not be entitled to indemnification in connection with its defense of any post-Closing claims by third parties challenging The DIA's title to any Museum Asset to the extent that such claim is based on an allegation that the City did not have legal title to the particular Museum Asset prior to the Closing (a "**Quitclaim Challenge**"). To be clear, however, The DIA will be entitled to indemnification by the City under this Exhibit D in connection with any post-Closing challenges to The DIA's title to Museum Assets that are in any way based upon a claim that the title that the City

had to the Museum Assets prior to Closing was not effectively conveyed to The DIA at and as a result of the Closing.

### **Defense of Indemnity Claims**

(a) To the extent the City is notified of claim for which it is required to indemnify an Indemnified Party, the City shall be solely responsible for responding to or otherwise defending such claim. In such event, the City shall assume exclusive control of the defense of such claim at its sole expense using counsel of its sole choosing and may settle such claim in its sole discretion; provided, however, that (i) with respect to any claim that involves allegations of criminal wrongdoing, the City shall not settle such claim without the prior written approval of the Indemnified Party, which approval may be withheld in such Indemnified Party's sole discretion, and (ii) with respect to any other claim, the City shall not settle such claim in a manner that requires the admission of liability, fault, or wrongdoing on the part of an Indemnified Party, that fails to include a release of all covered claims pending against the Indemnified Party, or that imposes any obligation on the Indemnified Party without the prior written approval of the Indemnified Party, which approval may be withheld in such Indemnified Party's sole discretion. The City will keep the Indemnified Party reasonably informed of the status of any negotiations or legal proceedings related to any claim, and the Indemnified Party shall be entitled to engage counsel (at its own expense) to monitor the handling of any claim by the City. Notwithstanding the foregoing, other than as relates to a Quitclaim Challenge (for which The DIA will not be entitled to indemnification, as set forth above), The DIA shall be entitled to defend on its own behalf any claims regarding title to, interest in or control of the Museum Assets or operation of the Museum. To the extent The DIA intends to exercise such right, the City and The DIA shall use their commercially reasonable efforts in good faith to coordinate a joint defense of such claim (including as to selection of joint counsel). If the City and The DIA cannot agree on a joint defense of the claim, each party shall undertake its own defense, reserving all rights against the other for indemnification hereunder with respect to such claim, but, in such case, The DIA shall not be entitled to indemnification of its defense costs in connection therewith.

(b) Notwithstanding anything to the contrary set forth in this Exhibit D or the Term Sheet, to the extent that the City is required to indemnify an Indemnified Party hereunder, and the underlying claim being indemnified does not arise out of the City's breach of contract, sole ordinary negligence, gross negligence or intentional wrongful acts and is not due to a claim brought by the City, the City may reimburse itself for the costs of such indemnity out of the payments from the Supporting Organization, in which case the amount payable by the City to the Pensions shall be reduced by the amount reimbursed to the City for such indemnity.

### **Jurisdiction/Venue/Choice of Law**

The parties agree that, except as to disputes that are subject to arbitration in accordance with the "*Dispute Resolution*" section of the Term Sheet, jurisdiction shall be retained by

the United States Bankruptcy Court for the Eastern District of Michigan for all matters related to the contemplated transaction and venue shall be in Detroit. The parties agree that this agreement is to be governed by Michigan law.

### **The Commitments**

#### **2.1 DIA Funding Obligation.**

(a) Subject to the terms and conditions of this Agreement, including The DIA's guaranty obligations in Section 2.8(c) of this Agreement, The DIA hereby commits to pay to the Supporting Organization on the Closing Date and with respect to each Payment Date: (A) \$5 million multiplied by the number of annual payments required before and with respect to the then current Payment Date (treating the Closing Date for such purpose as a Payment Date) minus (B) the sum of (i) the aggregate amounts previously paid by The DIA, all DIA Direct Funders and both Special Foundation Funders plus (ii) the amount to be paid in the aggregate by all DIA Direct Funders and both Special Foundation Funders on such Payment Date. The DIA may pay an amount in excess of its obligation in this Section 2.1(a) without penalty or premium in connection with any payment otherwise made with respect to a Payment Date.

(b) Except for The DIA's guaranty obligations as provided in Section 2.8(c) of this Agreement, and taking into account the application of Sections 2.1(c) and (d) below, The DIA shall have no obligation to make any further payments and The DIA's obligations shall be entirely satisfied at such time (the "**Termination Date**") as: (A) the sum of (1) the remaining aggregate funding commitments of DIA Direct Funders to the Supporting Organization assuming such commitments are paid precisely in accordance with the funding schedule reflected in their individual DIA Direct Funder FDF Agreements plus, (2) the remaining aggregate funding commitments of both Special Foundation Funders to the Supporting Organization assuming such commitments are paid precisely in accordance with the funding schedule reflected in their individual Foundation FDF Agreements, plus (3) the aggregate amount theretofore paid by DIA Direct Funders, The DIA and both Special Foundation Funders to the Supporting Organization that is paid to the City Account is greater than or equal to (B) the sum of (i) \$5 million paid on the Closing Date plus (ii) nineteen (19) payments of \$5 million on each Payment Date thereafter, with each of the amounts in (A) and (B) being calculated with application of the Present Value Discount. The term "Termination Date" includes the date, if any, of the cancellation of the commitment of The DIA hereunder in accordance with Section 2.5(b) of this Agreement. Hypothetical examples of the calculation of The DIA's payment obligations pursuant to this Section 2.1 are attached as Schedule 2 to this Agreement.

(c) For purposes of the calculations in Sections 2.1(a) and 2.1(b) of this Agreement, in the event of a City Event of Default during a particular fiscal year (July 1 through June 30) that results in the cancellation of a payment pursuant to Section 2.5(b) of this

Agreement, The DIA, all DIA Direct Funders and both Special Foundation Funders shall, in each case, be deemed to have made the annual payment required by, with respect to The DIA, Section 2.1(a) of this Agreement and The DIA FDF Agreement, and with respect to DIA Direct Funders and Special Foundation Funders by their respective Funding Agreements, on June 30 of such year notwithstanding such cancellation of such scheduled payment.

(d) The DIA's payment obligations under Sections 2.1(a) and 2.1(b) above and Section 2.8(c) shall be reduced by (x) any litigation or defense costs, damages or settlement costs incurred by The DIA, any DIA Direct Funder or any Special Foundation Funder to the extent the City fails to meet its indemnity obligations set forth in Section 6.2 of this Agreement, and (y) to the extent of any litigation or defense costs, damages or settlement costs incurred by The DIA, any DIA Direct Funder or any Special Foundation Funder arising from the transactions contemplated by this Agreement and the other Transaction Documentation that are not otherwise covered by the City's indemnity obligations in Section 6.2 of this Agreement.

**2.2 Foundation Funders Commitments to Supporting Organization.** Under their respective Foundation FDF Agreements, each Foundation Funder has committed to make an aggregate amount of payments to the Supporting Organization. The obligation of each Foundation Funder to make such aggregate amount of payments to the Supporting Organization shall terminate at such time as, taking into account the application of Section 2.3(d), (A) the aggregate amount theretofore paid by that Foundation Funder to the Supporting Organization that is paid to the City Account is greater than or equal to (B) the aggregate amount of its commitment paid (i) on the Closing Date plus (ii) the nineteen (19) payments on each Payment Date thereafter, with each of the amounts in (A) and (B) being calculated with application of the Present Value Discount. For purposes of the calculations in this Section 2.2, in the event of a City Event of Default during a particular fiscal year (July 1 through June 30) that results in the cancellation of a payment pursuant to Section 2.5(b) of this Agreement, all Foundation Funders shall be deemed to have made the scheduled payment under their respective Foundation FDF Agreements on June 30 of such year notwithstanding the cancellation of such scheduled payment.

### **2.3 Payments.**

(a) Subject to the terms and conditions of ARTICLE II, funding of the commitments shall be made by (i) each Foundation Funder pursuant to the terms and conditions of its Foundation FDF Agreement, (ii) The DIA pursuant to the terms and conditions of this Agreement and the DIA FDF Agreement, and (iii) each DIA Direct Funder pursuant to the terms and conditions of its DIA Direct Funder FDF Agreement.

(b) Subject to the terms and conditions of this Agreement, on the Closing Date, and on an annual basis thereafter commencing in 2016, on each Payment Date the Supporting Organization will remit to the City Account pursuant to the wire transfer instructions on Schedule 1 to this Agreement: (x) the payments made by all Foundation Funders as described in Section 2.2 of this Agreement and any prepayments by Foundation Funders, plus (y) the payments made by The DIA pursuant to Section 2.1 of this Agreement and the DIA FDF Agreement and any prepayments by The DIA, plus (z) the payments made by all DIA Direct Funders pursuant to the DIA Direct Funder FDF Agreements and any prepayments by DIA

Direct Funders. No interest will be owed on any Funder's payments. The Supporting Organization shall not have any obligation to remit funds to the City Account if it has not received scheduled payments from a Funder, except as provided in Section 2.8(c) of this Agreement with respect to The DIA's guaranty of payment obligations with respect to a Defaulted DIA Funder. Further, the obligation of the Supporting Organization to remit payments to the City shall terminate upon the remittance in the aggregate of \$466 million, comprised of \$100 million from The DIA (including the commitments of DIA Direct Funders and Special Foundation Funders) and \$366 million from Foundation Funders (excluding Special Foundation Funders), in each case, without interest and before applying any Present Value Discount, if applicable, or the equivalent of such amount, applying the Present Value Discount, payable \$23.3 million at Closing and \$23.3 million with respect to each Payment Date thereafter. For purposes of the calculations in this Section 2.3(b), (x) in the event of a City Event of Default during a particular fiscal year (July 1 through June 30) that results in the cancellation of a payment by any Funder pursuant to Section 2.5(b) of this Agreement, the Supporting Organization shall be deemed to have made the scheduled payment under this Agreement on June 30 of such year notwithstanding such cancellation of such scheduled payment and (y) the provisions of Section 2.3(d) shall, if applicable, be taken into account in such calculation.

(c) Either the City or the Supporting Organization may deliver written notice to the other party that they have been unable to reach agreement upon the calculation of the amount of any prepayment by any Foundation Funder applying the Present Value Discount in accordance with the applicable Foundation FDF Agreement in advance of a particular Payment Date. In addition, the City may deliver a written notice of objection to the Supporting Organization regarding the calculation of the payment obligations of The DIA with respect to a particular Payment Date within sixty (60) days after the remittance of the funds by the Supporting Organization to the City on behalf of The DIA. Any such disputes regarding the calculation of any such payment obligations under this Agreement or the applicable Foundation FDF Agreement will be determined by an independent accounting firm of national or regional (Midwest) reputation; provided that no such firm may have a conflict of interest and such firm shall be required to maintain independence as those terms are defined by the AICPA Code of Professional Conduct (as of June 1, 2012) (the "Accountant"). The Accountant shall be agreed to by the City and the Supporting Organization with respect to a Foundation Funder or by the City and The DIA if the dispute relates to The DIA's payment obligations. If the applicable Parties cannot agree on the Accountant within fourteen (14) days after either Party issues written notice to the other Party of the existence of a dispute, then within seven (7) days after the end of such fourteen (14) day notice period, each of such Parties shall submit the names of two (2) accounting firms that meet the standards of the preceding sentence, within seven (7) days thereafter, either Party may strike one name submitted by the other Party and the Accountant shall be selected by lot from the remaining names. The City and the Supporting Organization or The DIA, as applicable, shall deliver their calculations of the amounts they assert are owing to the Accountant within fourteen (14) days after the selection of the Accountant. The Accountant shall deliver its determination of the disputed payment obligations under this Agreement within thirty (30) days after receipt of the written notice of calculations from the Parties, and when rendered in writing, shall be final and binding upon each of the Parties. The City and The DIA agree that the Supporting Organization shall not be responsible for any shortfall in the amount of funds remitted to the City Account on behalf of The DIA due to a dispute regarding the calculation of The DIA's payment obligations in accordance with the provisions of this Section

2.3(c) nor shall the Supporting Organization have any other liability as a result of any such dispute.

(d) The obligation of the Foundation Funders under Section 2.2 of this Agreement and of the Supporting Organization to remit funds to the City Account under Section 2.3(b) above shall be reduced by (x) any litigation or defense costs, damages or settlement costs incurred by the Supporting Organization or the Foundation Funder to the extent the City fails to meet its indemnity obligations set forth in Section 6.2 of this Agreement, and (y) to the extent of any litigation or defense costs, damages or settlement costs incurred by the Supporting Organization or the Foundation Funder arising from the transactions contemplated by this Agreement and the other Transaction Documentation, that are not otherwise covered by the City's indemnity obligations in Section 6.2 of this Agreement.

## **2.4 City Reporting and Conditions to Funding.**

(a) Commencing in 2015, by December 31<sup>st</sup> of each year, the City shall, at its expense, provide an annual report (the "**Annual Report**") to the Supporting Organization containing the following information:

(i) an annual reconciliation report of the City Account, performed at the City's expense, prepared by an independent external auditor, the selection of which is reasonably satisfactory to the Supporting Organization, certifying that the amounts transferred to the City Account by the Supporting Organization on each preceding Payment Date were used by the City in a manner consistent with the terms of the Transaction Documentation, including, without limitation, to make contributions to GRS and PFRS in satisfaction of the City's obligation to contribute to the Prior GRS Pension Plan and the Prior PFRS Pension Plan in accordance with the Plan of Adjustment, the payment of reasonable expenses of maintaining the City Account and consistent with Section 6.3(e) of this Agreement,

(ii) certification by the City's Chief Financial Officer on behalf of the City that the City has complied with the covenants in Sections 5.2 and 5.3(a)-(d) of this Agreement through the date of the Annual Report,

(iii) certification from the Escrow Agent that to its knowledge the amounts contributed to the GRS or PFRS from the City Account were unencumbered by the City or any other entity,

(iv) information as of the date of the Annual Report about the current membership of the:

- (A) board of trustees of the GRS (the "**GRS Board**"),
- (B) board of trustees of the PFRS (the "**PFRS Board**"),
- (C) investment committee of the GRS (the "**GRS Investment Committee**"), and

- (D) investment committee of the PFRS (the “**PFRS Investment Committee**”).

The information for this subsection (iv) should include the term of each member (where applicable), whether the person is a member of the GRS Board or PFRS Board by virtue of his or her position with the City, by appointment or by election, and, with respect to the independent members of the Investment Committees, such person’s qualifications.

(v) evidence from the respective Investment Committee reasonably necessary to show that the internal controls governing the investment of the respective Pension Funds are in compliance with the applicable provision of the Plan of Adjustment, and

(vi) any additional information that is necessary to evidence that the City is in compliance with the terms of this Agreement as may be reasonably requested by the Supporting Organization from time to time.

(b) Prior to the Closing Date, the City shall cause the Pension Governance Terms to be amended to provide that, commencing in 2015, no later than December 31 of each year, the GRS Investment Committee and the PFRS Investment Committee will provide the Supporting Organization with the following information:

(i) a copy of the audited annual financial statement and the corresponding management letter for each of the GRS and the PFRS, as applicable, for the fiscal period ending June 30 of that year, containing a non-qualified opinion of an independent external auditor to the GRS and the PFRS, as applicable (the “**Independent Audited Financial Reports**”).

(ii) a certification as of the date of the Annual Report from the respective Chair of each of the PFRS Investment Committee and the GRS Investment Committee on behalf of their respective Investment Committees in a form reasonably acceptable to the Supporting Organization (the “**Pension Certificate**”) that:

- (A) the City is current in its obligation to contribute to the Prior GRS Pension Plan and the Prior PFRS Pension Plan in accordance with the Plan of Adjustment,
- (B) the operation of the respective Investment Committees is in accordance with the applicable Pension Governance Terms, and
- (C) the City has complied and is continuing to comply with the covenants in Section 5.2(a) of this Agreement,

(iii) copies of the documentation provided for under Section 6 of the Contribution Agreement by and among the Michigan Settlement Administration Authority, GRS, PFRS and the City (“**Contribution Agreement**”), including, as

applicable: (A) the compliance report(s) ("**Compliance Report**") covering the calendar year for which the Annual Report is made that the respective Investment Committee provided to the Treasurer of the State of Michigan ("**Treasurer**"); (B) any additional compliance reports provided during the calendar year for which the Annual Report is made as requested by the Treasurer; (C) either the certificate of compliance or the Default Notice, within the meaning of Section 6 of the Contribution Agreement, as applicable, that was provided to the respective Investment Committee by the Treasurer; and (D) in the event that the Treasurer issued a Default Notice, the Cure Certification, within the meaning of Section 6 of the Contribution Agreement, provided by the Investment Committee for the defaulting system. Notwithstanding anything in this subsection (iii) to the contrary, if the parties to the Contribution Agreement agree to revise the requirements of Section 6 of the Contribution Agreement or the information required in the Compliance Report, in order to meet the conditions of this subsection (iii), the respective Investment Committee shall be required only to provide documentation to the Supporting Organization that meets such revised requirements. However, any such change in reporting requirements pursuant to this subsection (iii) shall not change the reporting obligations under subsections (i), (ii), (iv) and (v) of this **Section 2.4(b)**.

(iv) Commencing in 2016, before May 15th of each year, the GRS Investment Committee and the PFRS Investment Committee will provide the Chief Financial Officer of the City with the information required of the GRS and PFRS in **Section 2.4(c)** of this Agreement, and

(v) any additional information from the GRS Investment Committee or the PFRS Investment Committee that may be reasonably requested by the Supporting Organization from time to time.

(c) Commencing in 2016, by May 15<sup>th</sup> of each year, the City shall provide (or with respect to the Pension Certificates cause to be provided) to the Supporting Organization a reaffirmation of the information and certifications provided by the City in the Annual Report which shall be executed by the Chief Financial Officer of the City (the "**Interim Reaffirmation**") and which shall confirm that as of the date of the Interim Reaffirmation there has been no impairment or modification of the information in the most recent Annual Report since the date of that Annual Report, and which shall include confirmation from the GRS Investment Committee and PFRS Investment Committee that as of the date of the Interim Reaffirmation there has been no impairment or modification of the information in the most recent Pension Certificates since the date of such Pension Certificates. The Interim Reaffirmation shall include copies of the unaudited financial statements as of and for the most recent period prepared for each of the PFRS and the GRS.

To further confirm that the conditions precedent to funding are satisfied, the Supporting Organization reserves the right to make an onsite review and inspection of the City's records and financial information and may employ at its cost an outside agent or consultant to undertake that review. The City will cooperate with any such onsite review and will provide those persons conducting the review adequate office space and assistance (without charge) to conduct that review. The City specifically waives, in favor of the Supporting Organization, or its agent or consultant, any fee for a public record search, pursuant to MCLA 15.234.

(d) The obligation of The DIA, a DIA Direct Funder and a Foundation Funder to make payment to the Supporting Organization of any portion of its commitment under this Agreement or any other Funding Agreement is conditioned upon the City's compliance with the covenants in Sections 5.2 and 5.3(a)-(d) of this Agreement, satisfaction of the conditions specified in Sections 2.4(a)-(c) above, the receipt of the Independent Audited Financial Reports and the Pension Certificate. The City acknowledges that The DIA under this Agreement, and under the DIA FDF Agreement, and each DIA Direct Funder and Foundation Funder under its respective Funding Agreement, shall have no obligation to make any payment to the Supporting Organization, nor shall the Supporting Organization have any obligation to remit any funds to the City Account, until all material requisite conditions precedent to funding in Section 2.4 of this Agreement are met. Failure of the City to meet the conditions to funding specified in this Section 2.4 in any material respect, including based on the Supporting Organization informing the City that the information provided in the Annual Report, the Independent Audited Financial Reports, the Pension Certificates or the Interim Reaffirmation is incomplete or unsatisfactory, shall be a "City Event of Default".

## **2.5 The City's Cure Right; Suspension or Cancellation of Funding.**

(a) The City shall have the opportunity to cure any City Event of Default by May 15th of the year following the date the Annual Report is due under Section 2.4(a) above (this being 135 days from the time conditions to funding were due to be met by the City) provided an issuance of written notice of a City Event of Default by the Supporting Organization was provided to the City by the Supporting Organization by January 31st of the year following the year such Annual Report was due from the City under Section 2.4(a) above. Notwithstanding the foregoing, to the extent that the applicable City Event of Default cannot reasonably be cured by May 15th as specified above or if the Event of Default arises out of the Independent Audited Financial Reports, the Pension Certificates or the Interim Reaffirmation of that Annual Report, and as long as the City has commenced to cure, and diligently pursues the cure of such default in good faith, such cure period shall be extended in writing by a reasonable period of time (the "Extended Cure Period"), to permit the City to cure such City Event of Default; provided, however, such Extended Cure Period shall not extend beyond December 15<sup>th</sup> (being 346 days from the date the Annual Report was due under Section 2.4(a) above). The City's ability to receive the benefit of the Extended Cure Period shall be subject to the written approval of the Supporting Organization upon receipt of a written request from the City setting forth why the City believes that it will be able to meet the requirements set forth above within the requested Extended Cure Period, which approval shall not be unreasonably withheld, conditioned or delayed.

(b) All obligations of The DIA under this Agreement, and as acknowledged by the City, all obligations of The DIA under the DIA FDF Agreement and of DIA Direct Funders and Foundation Funders under their respective Funding Agreements, to make scheduled payments and of the Supporting Organization to remit funds to the City Account shall be suspended for the duration of the initial and any Extended Cure Period. The City acknowledges and agrees that, if the City fails to cure a City Event of Default during the initial and any Extended Cure Period, the scheduled payment of The DIA under this Agreement and under the DIA FDF Agreement and of all DIA Direct Funders and Foundation Funders under their respective Funding Agreements shall be cancelled, and the Supporting Organization shall have

no obligation to remit any funds to the City Account with respect to such Payment Date. Further, the City acknowledges and agrees that if the City fails to cure a City Event of Default during the initial and any Extended Cure Period under this Agreement, The DIA, all DIA Direct Funders, Foundation Funders and the Supporting Organization shall have the right to cancel their respective remaining commitments under their respective Funding Agreements and this Agreement.

**2.6 Disputes and Remedies Regarding Conditions Precedent to Funding.** The DIA shall have the right to rely upon the determination of the board of directors of the Supporting Organization as to whether the conditions to a scheduled payment have been satisfied and, if not initially satisfied, whether any City Event of Default shall have been timely cured. The City acknowledges that each DIA Direct Funder and each Foundation Funder shall, pursuant to its respective Funding Agreement, similarly have the right to rely upon the determination of the board of directors of the Supporting Organization as to whether the conditions to a scheduled payment have been satisfied and, if not initially satisfied, whether any City Event of Default shall have been timely cured. The City shall have no claim (and not pursue any claim) against The DIA, any DIA Direct Funder or any Foundation Funder for such Funder's reliance upon the determination of the Supporting Organization. In the event that the Supporting Organization has determined that the conditions have not been satisfied (or the City Event of Default not timely cured) and the City disputes that determination, the City's only recourse shall be to dispute the Supporting Organization's determination in accordance with the provisions of Section 7.3 of this Agreement.

**2.7 Notification of Funding Conditions.** In the event it is determined by the Supporting Organization or through the dispute resolution provisions in Section 7.3 of this Agreement that the conditions to funding in Section 2.4 of this Agreement have been satisfied or a City Event of Default timely cured, the Supporting Organization shall within five (5) Business Days thereafter give written notification to each of The DIA, DIA Direct Funders and Foundation Funders. The DIA, and pursuant to each Funder's respective Funding Agreement, each DIA Direct Funder and Foundation Funder, shall be required to make its respective payment to the Supporting Organization (without interest) within twenty (20) days after written notification of such determination is issued by the Supporting Organization.

**2.8 Failures to Fund.**

(a) If The DIA has made its payment required under Section 2.1 of this Agreement or a Foundation Funder or DIA Direct Funder has made its scheduled payment under its respective Funding Agreement, in each case, to the Supporting Organization, the City shall have recourse only to the Supporting Organization (and not to any such Funder that made its payment) for such payment.

(b) If The DIA, a DIA Direct Funder or a Foundation Funder (the "**Non-funding Party**") has not within the twenty (20) day period specified in Section 2.7 of this Agreement made its payment to the Supporting Organization in accordance with this Agreement with respect to The DIA, or such DIA Direct Funder's or Foundation Funder's schedule reflected in its Funding Agreement, as applicable ("**Default Amount**"), the Supporting Organization shall notify the Non-funding Party that it must pay its Default Amount within thirty (30) days and if

not so paid, that the Supporting Organization shall assign its right to enforce payment of the Default Amount to the City. If the Non-funding Party does not pay its Default Amount within the thirty (30) day period, the Supporting Organization shall assign its right to enforce payment of the Default Amount to the City in full satisfaction of the Supporting Organization's obligation to make such payment to the City; provided that if the Non-funding Party is a DIA Direct Funder or a Special Foundation Funder (a "**Defaulted DIA Funder**") such assignment shall be made to The DIA and not the City. Except with respect to the guaranty obligation of The DIA with respect to a Defaulted DIA Funder in accordance with Section 2.8(c) below, the annual payment amount due to the City from the Supporting Organization on the Payment Date will be reduced by the Default Amount.

(c) In the case of a Defaulted DIA Funder, the Supporting Organization shall issue written notice to The DIA within two (2) days after the expiration of the twenty (20) day funding period specified in Section 2.7 of this Agreement of the name of the Defaulted DIA Funder and the Default Amount. The DIA shall within five (5) Business Days of receipt of such notice pay to the Supporting Organization (x) the Default Amount if the Termination Date has occurred and (y) if the Termination Date has not occurred, such additional amount as is necessary, if any, such that The DIA's payment to the Supporting Organization with respect to such Payment Date is equal to the amount that The DIA is otherwise required to pay pursuant to Section 2.1 of this Agreement. The DIA shall not, however, have any obligation pursuant to this Section 2.8(c) if The DIA's commitment has been cancelled as provided in Section 2.5 of this Agreement. If the Supporting Organization thereafter collects the Default Amount from the Defaulted DIA Funder, the Supporting Organization shall promptly pay such amount to The DIA.

(d) The City agrees that, except for the guaranty obligation of The DIA in Section 2.8(c) of this Agreement with respect to a Defaulted DIA Funder, in no event will any Funder other than the Non-funding Party have any responsibility for the payment or obligations of such Non-funding Party, and the City will not have any right to collect any amounts from any Funder except as set forth in Section 2.8(b) of this Agreement. No party other than the City (as provided in Section 2.8(b) of this Agreement), the Supporting Organization, or The DIA with respect to a Defaulted DIA Funder or a DIA Indirect Funder pursuant to any grant agreement directly with The DIA shall have the right to assert any claim against any Funder. Without limiting the foregoing, the failure of The DIA, any DIA Direct Funder, any Foundation Funder or the Supporting Organization to make a scheduled payment shall only give rise to a claim by the City against such Non-funding Party (pursuant to Section 2.8(b) above), or by the Supporting Organization, and not against any other Funder, the Supporting Organization, The DIA or the DIA Assets; provided, however, (x) The DIA will have its guaranty obligations under Section 2.8(c) of this Agreement and its rights under its applicable grant agreement with each DIA Indirect Funder and (y) the foregoing shall not preclude the City from asserting claims in satisfaction of an indemnity claim pursuant to Section 6.1(b) of this Agreement but only against cash, cash equivalents or cash receivables of The DIA (excluding any cash, cash equivalents or cash receivables that are restricted in use by the terms of the donation, gift, bequest or contribution of a third party or by restrictions imposed on the use of proceeds from the sale of art by the applicable standards or ethical guidelines of the AAM or the Association of Art Museum Directors (or such other organizations by which The DIA or the Museum or its Director is accredited in the future or of which they become members in accordance with then applicable art

museum best practices). Without limiting the foregoing, under no circumstances shall the City or the Supporting Organization have a claim against any DIA Indirect Funder.

(e) The City will be responsible for all costs of its enforcement against the Non-funding Party or the Supporting Organization, as applicable, and will not seek reimbursement of costs of enforcement from any other Funder or the Supporting Organization. No other person or entity shall have the right to enforce payment of any commitments in connection with any Funding Agreement or any Transactional Documentation except as specifically set forth in this Agreement.

### **ARTICLE III** **Initial Funding; Closing**

**3.1 Closing.** The closing of the transactions pursuant to this Agreement (the “**Closing**”) will take place immediately following the written confirmation from an authorized representative of the City, the Supporting Organization and The DIA in the form of **Exhibit E** to this Agreement (the “**Closing Direction**”); provided, that the Closing hereunder shall in all events occur concurrently with the closing under the Charitable Trust Agreement. The time and date on which the Closing occurs is referred to in this Agreement as the “**Closing Date**”.

**3.2 Initial Funding.** On the Closing Date, subject to the satisfaction of the deliverables pursuant to Section 3.3 of this Agreement, the Supporting Organization shall remit to the City Account pursuant to the wire transfer instructions on Schedule 1 to this Agreement:

(i) the aggregate payment by Foundation Funders (excluding Special Foundation Funders) of at least \$18.3 million, and

(ii) the aggregate payment by The DIA, DIA Direct Funders and Special Foundation Funders of at least \$5 million.

**3.3 At the Closing.** At the Closing, the Supporting Organization shall deliver, or cause to be delivered, to each of the other Parties fully executed copies of the following which, to the extent held by the Title Company in escrow, shall be deemed delivered by virtue of the release of such documents by the Title Company in accordance with escrow instructions previously delivered to the Title Company:

(a) each grant agreement between a Foundation Funder and the Supporting Organization in substantially the form of **Exhibit B** to this Agreement (the “**Foundation FDF Agreement**”).

(b) each grant agreement between a DIA Direct Funder and the Supporting Organization in substantially the form of **Exhibit C** to this Agreement (the “**DIA Direct Funder FDF Agreement**”).

(c) the agreement between The DIA and the Supporting Organization in substantially the form of **Exhibit D** to this Agreement with respect to The DIA’s payment obligations as set forth in Section 2.1 of this Agreement (the “**DIA FDF Agreement**”).

## **ARTICLE IV**

### **Representations and Warranties; Covenants of The DIA and the Supporting Organization**

#### **4.1 DIA Representations, Warranties and Covenants.**

(a) The DIA represents and warrants that this Agreement and the DIA FDF Agreement have been duly executed and The DIA's obligations under this Agreement and under the DIA FDF Agreement are authorized, valid and binding commitments of The DIA, enforceable against it in accordance with their respective terms.

(b) The DIA acknowledges that (x) Foundation Funders, DIA Funders and the Supporting Organization have no financial obligations other than, in the case of Foundation Funders, on a several basis, their individual commitments in their respective Foundation FDF Agreement, in the case of DIA Direct Funders, their respective commitments in each of their DIA Direct Funder FDF Agreements, and DIA Indirect Funders pursuant to any grant agreement directly with The DIA, and (y) that the Funders are not guaranteeing payment to the City of any amount committed by any other Funder (other than The DIA with respect to its obligations in Section 2.8(c) of this Agreement).

(c) The DIA agrees not to amend or modify the DIA FDF Agreement, or release or waive any rights that it has under such Funding Agreement, in a manner that would reasonably be expected to adversely affect the timing or amount of the payments to be made thereunder without the consent of the City.

**4.2 Supporting Organization Representations and Warranties.** The Supporting Organization represents that its obligations under this Agreement and under the applicable Funding Agreements have been duly executed and are authorized, valid and binding upon the Supporting Organization, enforceable against it in accordance with their respective terms.

#### **4.3 Supporting Organization Covenants as to Funding Agreements.**

(a) The Supporting Organization agrees not to amend or modify any Funding Agreement, or release or waive any rights that it has under any Funding Agreement, in a manner that would reasonably be expected to adversely affect the timing or amount of the payments to be made thereunder (i) without the consent of the City and, (ii) with respect to any DIA Direct Funder FDF Agreement or Foundation FDF Agreement with a Special Foundation Funder, the consent of The DIA.

(b) The Supporting Organization shall promptly after execution thereof deliver to The DIA and the City copies of any DIA Direct Funder FDF Agreement entered into after the Closing Date, or any modifications to any DIA Direct Funder FDF Agreement or Foundation FDF Agreement with a Special Foundation Funder executed at Closing, in the event that the commitments thereunder are increased or modified (with the consent of The DIA) after the Closing Date.

(c) Concurrently with the remittance of payments to the City Account by the Supporting Organization, the Supporting Organization shall deliver to The DIA and the City a schedule which reflects all payments received in such year from DIA Direct Funders and Special

Foundation Funders and shall denote thereon whether any such payment represents a prepayment in excess of the funding schedule under the applicable DIA Direct Funder FDF Agreement or Foundation FDF Agreement, as applicable, and the date on which such payment was remitted to the City Account.

**4.4 Reporting Obligations.** The DIA will provide to the other Funders and the City, and/or their representatives, within 150 days after the end of each fiscal year during the Payment Period (i) annual financial statements of The DIA audited by an independent certified public accountant and (ii) the annual report of the Director of the Museum in the form provided to the board of directors of the Museum.

**4.5 Supporting Organization Observer Right.** During the Payment Period, the Supporting Organization shall have the right to designate a representative to attend and participate in a non-voting observer capacity in the meetings of the Board of The DIA (or its successor entity) subject to such observer's compliance with the applicable policies regarding confidentiality, conflicts of interest and other similar matters as may reasonably be adopted from time to time by The DIA.

## **ARTICLE V** **Representations and Warranties; Covenants of the City**

### **5.1 City Representations and Warranties.**

(a) The City represents and warrants that this Agreement has been duly executed and the City's obligations under this Agreement are authorized, valid and binding commitments of the City, enforceable against it in accordance with its terms.

(b) The City acknowledges that (x) Foundation Funders, DIA Funders and the Supporting Organization have no financial obligations other than, in the case of Foundation Funders, on a several basis, each of their commitments in their individual Foundation FDF Agreements, in the case of DIA Direct Funders, their respective commitments in each of their DIA Direct Funder FDF Agreements, and DIA Indirect Funders pursuant to any grant agreement directly with The DIA, and (y) that the Funders are not guaranteeing payment to the City of any amount committed by any other Funder (other than The DIA with respect to its obligations in Section 2.8(c) of this Agreement). The City further acknowledges that it has no rights under any grant agreement between any DIA Indirect Funder and The DIA.

**5.2 City Commitments Relating to Pensions.** The City covenants to The DIA and Supporting Organization as follows:

(a) For the twenty (20) year period following the effective date of the Plan of Adjustment, the City shall maintain the Pension Governance Terms reflected in the GRS and the PFRS, as applicable, without modification or amendment, except as required to comply with applicable federal law, including without limitation to maintain the tax qualified status of the GRS or PFRS under the Internal Revenue Code, or the Plan of Adjustment.

(b) The City acknowledges that, except as provided in Section 6.3(e) and to pay reasonable expenses of maintaining the City Account, all funds remitted by the Supporting

Organization to the City Account in connection with this Agreement shall be used solely for the payment of contributions to GRS and PFRS, allocated as provided in the Plan of Adjustment, in satisfaction of the City's obligation to contribute to the Prior GRS Pension Plan and the Prior PFRS Pension Plan in accordance with the Plan of Adjustment. Except as provided in Section 6.3(e) and to pay reasonable expenses of maintaining the City Account, the City shall cause to be transferred from the City Account for payment of contributions to the Prior GRS Pension Plan and the Prior PFRS Pension Plan all amounts received from the Supporting Organization within not more than three (3) Business Days after such funds are deposited in the City Account.

(c) The City shall notify the Supporting Organization in writing prior to the selection of the initial and successor independent GRS Investment Committee and PFRS Investment Committee members and such notice shall include information regarding the identity and qualifications of the candidates under consideration by the State, the City and the GRS Board or PFRS Board, as applicable. In addition, upon the written request of the Supporting Organization, the City shall provide to the appropriate representatives of the State and the applicable Board any written comments or observations about the candidates that the Supporting Organization elects in its consulting role to provide to the City, provided that such written comments or observations are received by the City no later than three (3) days after the City has provided notice to the Supporting Organization of the identity of the candidates under consideration.

(d) The City shall provide written notification of any change to the wire transfer instructions to the City Account on Schedule 1 to this Agreement at least ten (10) Business Days prior to the next Payment Date.

**5.3 Other City Commitments.** The City covenants to The DIA and Supporting Organization as follows:

(a) The City shall pass no charter, ordinance or other provision that solely affects or primarily targets the Museum, The DIA or museums within the City generally which charter, ordinance or other provision has a material adverse impact on the Museum or The DIA (it being understood that a "material adverse impact" shall include any adverse financial impact or any contradiction, or adverse impact on the enforceability, of the terms of the DIA Settlement or the Transaction Documentation), except pursuant to State-enabling legislation.

(b) The City agrees that after the Effective Time the City of Detroit Arts Commission will have no oversight of The DIA, the Museum or the DIA Assets.

(c) The City shall not impose any fee, tax or other cost on the Museum or The DIA that solely affects or primarily targets the Museum, The DIA, the DIA Assets or museums within the City generally.

(d) The City shall provide (or cause to be provided) utilities, police, fire and other City services to The DIA at the same pricing and on the same terms upon which the City offers to provide utilities, police, fire and such other City services to arm's-length third parties generally.

(e) The City agrees that, as of the date hereof, there are no further commitments from the Funders, the Supporting Organization, The DIA or the State relating to the Museum or the DIA Assets beyond those contained in this Agreement or the other Transaction Documentation.

## **ARTICLE VI** **Indemnification**

**6.1 Indemnification by The DIA.** To the maximum extent permitted by law, The DIA shall indemnify, defend and hold harmless:

(a) DIA Funders, Foundation Funders, the City and the Supporting Organization and each of their Related Parties (the “**DIA Indemnified Parties**”) from, against, and with respect to any Loss arising out of or in any manner, incident, relating or attributable to, or resulting from The DIA’s failure to perform any of its obligations under the Transaction Documentation; and

(b) the City and its Related Parties from, against, and with respect to any Loss arising out of or in any manner, incident, relating or attributable to, or resulting from any claim brought by an employee of The DIA arising from or relating to his/her employment with The DIA which employment commenced at any time after the effective date of the Operating Agreement and prior to the Effective Time, including without limitation, wrongful termination, workers’ compensation, unemployment compensation, discrimination, violation of federal or state labor or employment laws, ERISA, bodily injury, personal injury or defamation, but excluding any claim relating to pension benefits from the GRS to which such employee was or is entitled by virtue of having been employed by the City prior to the commencement of employment with The DIA (the “**Employee Liabilities**”).

### **6.2 Indemnification by the City.**

(a) To the maximum extent permitted by law, the City shall indemnify, defend, and hold Foundation Funders, DIA Funders, The DIA and the Supporting Organization and their respective Related Parties (the “**City Indemnified Parties**”) harmless from, against, and with respect to any Loss arising out of or in any manner incident, relating or attributable to, or resulting from the following (provided indemnification will not be available to an Indemnified Party to the extent resulting from such Indemnified Party’s breach of contract, sole ordinary negligence, gross negligence or intentional wrongful acts):

(i) Any claims by third parties or the City arising out of any action properly taken by a City Indemnified Party under the Transaction Documentation, including but not limited to, any payment or non-payment or performance of any other obligation of the City Indemnified Parties permitted thereunder;

(ii) Any breach or failure of any representation or warranty of the City contained in the Transaction Documentation between the City and the City Indemnified Parties and/or other parties related to the transactions consummated pursuant to this Agreement or the Charitable Trust Agreement;

(iii) Any failure by the City to perform, satisfy or comply with any covenant, agreement or condition to be performed, satisfied or complied with by the City under the Transaction Documentation with the City Indemnified Parties or under agreements with any third parties contemplated by this Agreement or the Charitable Trust Agreement;

(iv) Reliance by the City Indemnified Parties upon any books or records of the City or reliance by them on any written information furnished by the City or any of the City's employees, officials or agents to them to the extent any such information should prove to be false or materially inaccurate or misleading (including, without limitation, by omission), but only to the extent that such books, records or written information was furnished by the City in connection with the City showing its compliance with the conditions to initial or future funding as set forth in this Agreement;

(v) Any claim or objection made after the Effective Date of the Plan of Adjustment in the Bankruptcy Case or any other action brought against, or involving, the City Indemnified Parties with respect to their participation in any transaction contemplated by the proposed or confirmed Plan of Adjustment;

(vi) The transfer, assignment or sale by the City to The DIA of any assets or property (real or personal) and any rights, title and interests therein including but not limited to, the Museum and all of the Museum Assets;

(vii) Any action or claim against the City Indemnified Parties made by the GRS or PFRS, including any successors or assigns and any plan participants, or their representatives, successors or assigns (collectively, the "**Pension Funds**"), as nothing under the Transaction Documentation is intended to, nor are they to be construed or interpreted to, make the City Indemnified Parties a party in privity with, or having an obligation in any capacity to the Pension Funds. By way of illustration and not limitation, the following statements apply:

First, the City Indemnified Parties have no responsibility for the operation or administration of the Pension Funds and have no fiduciary responsibility for the Pension Funds as plan sponsor, plan administrator, investment advisor or otherwise; and

Second, the City Indemnified Parties have no obligation to contribute towards the funding of the Pension Funds and are not a funding guarantor.

(viii) Any action or claim brought by the City, The DIA, the Pension Funds or any other party concerning non-payment of the commitments pursuant to this Agreement (and the Funding Agreements) by the City Indemnified Parties due to the breach of the Transaction Documentation by the City, The DIA, the Pension Funds or any other party, so long as the City Indemnified Parties have made a good faith determination of the breach of the Transaction Documentation or payment condition.

(b) The City shall not contest on any grounds the enforceability of its indemnification obligations hereunder.

(c) Notwithstanding the foregoing, the Parties acknowledge that the City is not making any representations to The DIA regarding the City's title to the Museum Assets prior to the Effective Time and that The DIA will not be entitled to indemnification in connection with its defense of any claims by third parties after the Effective Time challenging The DIA's title to any Museum Asset to the extent that such claim is based on an allegation that the City did not have legal title to the particular Museum Asset prior to the Effective Time (a "**Quitclaim Challenge**"). To be clear, however, The DIA will be entitled to indemnification by the City under this Section 6.2 in connection with any challenges after the Effective Time to The DIA's title to Museum Assets that are in any way based upon a claim that the title that the City had to the Museum Assets prior to the Effective Time was not effectively conveyed to The DIA at and as a result of the closing under the Charitable Trust Agreement. For avoidance of doubt, in the event of a final determination by the Bankruptcy Court not subject to appeal or certiorari by a court of competent jurisdiction that the Museum Assets must be re-conveyed to the City, the Losses for which The DIA may be indemnified shall not include the value of the Museum Assets but shall include all other Losses incurred by The DIA for which it is otherwise entitled to indemnification under this Agreement.

(d) Notwithstanding the foregoing, the City's indemnification of an Indemnified Party shall be limited solely to Losses arising out of or related to the Indemnified Party's participation in any transaction contemplated by the DIA Settlement.

### **6.3 Defense of Indemnity Claims.**

(a) An Indemnified Party shall provide written notice to The DIA or the City, as applicable (the "**Indemnifying Party**") in a timely manner and in any event, within twenty-one (21) days of receipt of any claim, of any matters as to which the Indemnified Party is entitled to receive indemnification and shall set forth in such notice reasonable detail regarding specific facts and circumstances then known by the Indemnified Party which pertain to such matters. Failure or delay in providing such notice shall not relieve the Indemnifying Party of its defense or indemnity obligations except to the extent the Indemnifying Party's defense of an applicable claim against an Indemnified Party is actually prejudiced by such Indemnified Party's failure or delay.

(b) To the extent the Indemnifying Party is notified of a claim for which it is required to indemnify an Indemnified Party, the Indemnifying Party shall be solely responsible at its expense for responding to or otherwise defending such claim. In such event, the Indemnifying Party shall assume exclusive control of the defense of such claim at its sole expense using counsel of its sole choosing and may settle such claim in its sole discretion; provided, however, that (i) with respect to any claim that involves allegations of criminal wrongdoing, the City shall not settle such claim without the prior written approval of the City Indemnified Party, which approval may be withheld in such City Indemnified Party's sole discretion, and (ii) with respect to any other claim, the Indemnifying Party shall not settle such claim in a manner that requires the admission of liability, fault, or wrongdoing on the part of an Indemnified Party, that fails to include a release of all covered claims pending against the

Indemnified Party, or that imposes any obligation on the Indemnified Party without the prior written approval of the Indemnified Party, which approval may be withheld in such Indemnified Party's sole discretion.

(c) The Indemnifying Party will keep the Indemnified Party reasonably informed of the status of any negotiations or legal proceedings related to any claim, and the Indemnified Party shall be entitled to engage counsel (at its own expense) to monitor the handling of any claim by the Indemnifying Party.

(d) Notwithstanding the foregoing, The DIA shall be entitled to defend on its own behalf any claims regarding title to, interest in or control of the Museum Assets or operation of the Museum (including with respect to a Quitclaim Challenge provided The DIA shall not be entitled to indemnification for a Quitclaim Challenge, as set forth above). To the extent The DIA intends to exercise such right, the City and The DIA shall use their commercially reasonable efforts in good faith to coordinate a joint defense of such claim (including as to selection of joint counsel). If the City and The DIA cannot agree on a joint defense of the claim, each Party shall undertake its own defense, reserving all rights against the other for indemnification hereunder with respect to such claim, but, in such case, The DIA shall not be entitled to indemnification of its defense costs in connection therewith.

(e) Notwithstanding anything to the contrary set forth in this Agreement or in the Charitable Trust Agreement, to the extent that the City is required to indemnify a City Indemnified Party hereunder, and the underlying claim being indemnified does not arise out of the City's breach of contract (including a City Event of Default), sole ordinary negligence, gross negligence or intentional wrongful acts and is not due to a claim brought by the City (including pursuant to Section 2.8(b) of this Agreement), the City may reimburse itself for the costs of such indemnity out of the City Account, in which case the amount payable by the City in satisfaction of the City's obligation to contribute to the Prior GRS Pension Plan and the Prior PFRS Pension Plan shall be reduced by the amount reimbursed to the City for such indemnity.

## **ARTICLE VII**

### **Miscellaneous**

**7.1 No Third Party Beneficiary.** Except for the Indemnified Parties, each of whom is an express third-party beneficiary under this Agreement with respect to ARTICLE VI of this Agreement, and each Funder who is an express third-party beneficiary under Sections 2.3(d), 2.5(b), 2.6, 2.8(a), 2.8(d), 2.8(e), 4.1(b), 4.4, 5.1(b) and 5.3(e) of this Agreement, the terms and provisions of this Agreement are intended solely for the benefit of the Parties and their respective successors and permitted assigns, and nothing contained in this Agreement, expressed or implied, is intended to confer upon any person or entity other than the City, The DIA, and the Supporting Organization any third-party beneficiary rights or remedies.

**7.2 Choice of Law; Jurisdiction; Venue.** This Agreement shall be construed in accordance with the laws of the State of Michigan without regard to such state's choice of law provisions which would require the application of the law of any other jurisdiction. By its execution and delivery of this Agreement, each of the Parties irrevocably and unconditionally agrees for itself that, except as to disputes regarding the calculation of the The DIA's payment

obligations under this Agreement or of a Foundation Funder under a Foundation FDF Agreement which shall be determined in accordance with Section 2.3(c) of this Agreement, or any disputes that are subject to arbitration in accordance with Section 7.3 of this Agreement, any legal action, suit or proceeding against it with respect to any matter arising under or arising out of or in connection with this Agreement, or for recognition or enforcement of any judgment rendered in any such action, suit or proceeding, including a proceeding under Section 2.3(c) or Section 7.3 of this Agreement, shall be brought in the Bankruptcy Court for so long as it has jurisdiction, and thereafter in the United States District Court for the Eastern District of Michigan; provided that if the United States District Court for the Eastern District of Michigan does not have jurisdiction, then such legal action, suit or proceeding shall be brought in such other court of competent jurisdiction located in Wayne County, Michigan; and provided, further, that The DIA may bring a legal action, suit or proceeding in a state court to obtain a writ of mandamus to enforce the obligations of the City in Section 5.3 of this Agreement. By execution and delivery of this Agreement, each of the Parties irrevocably accepts and submits to the exclusive jurisdiction of such court, generally and unconditionally, with respect to any such action, suit or proceeding and specifically consents to the jurisdiction and authority of the Bankruptcy Court to hear and determine all such actions, suits, and proceedings under 28 U.S.C. §157(b) or (c), whichever applies.

**7.3 Dispute Resolution.** Any controversy or claim arising out of or relating to the satisfaction of the conditions precedent to funding in ARTICLE II of this Agreement shall be settled by arbitration administered by the American Arbitration Association (“AAA”) in accordance with its Commercial Arbitration Rules, and judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof in accordance with Section 7.2 of this Agreement. Any such controversy or claim shall be submitted to a panel of three (3) AAA arbitrators. The place of the arbitration shall be within the Wayne County, Michigan. Except as may be required by law, neither a party nor an arbitrator may disclose the existence, content, or results of any arbitration hereunder without the prior written consent of all Parties to the arbitration. The Parties may apply to the arbitrator seeking injunctive relief until the arbitration award is rendered or the controversy is otherwise resolved. The Parties also may, without waiving any remedy under this Agreement, seek from any court having jurisdiction in accordance with Section 7.2 of this Agreement any interim or provisional relief that is necessary to protect the rights or property of that party, pending the establishment of the arbitral tribunal (or pending the arbitral tribunal’s determination of the merits of the controversy). Each Party shall bear its own costs and expenses and an equal share of the arbitrators’ and administrative fees of arbitration. With respect to any dispute as to a City Event of Default and a payment in connection with the same, the arbitration proceeding and its findings contemplated under this Section must be held and received by no later than the January 31<sup>st</sup> of the second calendar year after the year in which the Annual Report was due, as provided in Section 2.4(a) above, from the City to the Supporting Organization from which the disputed City Event of Default arose, regardless of whether the City Event of Default arises from the Annual Report or the Interim Reaffirmation of said report. If the arbitration hearing findings cannot be received by that January 31<sup>st</sup>, the position of the Supporting Organization that the City Event of Default exists and has not been cured will be deemed a final determination for purposes of determining whether the conditions to funding have been satisfied.

**7.4 Specific Performance.** It is understood and agreed by the Parties that money damages would be an insufficient remedy for any breach of this Agreement by any Party and each non-breaching Party shall be entitled to specific performance and injunctive or other equitable relief as a remedy for any such breach, including, without limitation, seeking an order of the court having jurisdiction in accordance with Section 7.2 of this Agreement requiring any Party to comply promptly with any of its obligations hereunder.

**7.5 Amendment and Waiver.** This Agreement may be amended and any provision of this Agreement may be waived; provided that any such amendment or waiver will be binding upon the Parties only if such amendment or waiver is set forth in a writing executed by all Parties during the Payment Period and, thereafter, by The DIA and the City. No course of dealing between or among any persons having any interest in this Agreement will be deemed effective to modify, amend or discharge any part of this Agreement or any rights or obligations of any Party under or by reason of this Agreement.

**7.6 Notices.** All notices, demands and other communications given or delivered under this Agreement shall be given in writing to the address indicated below (or such other address as the recipient specifies in writing) and will be deemed to have been given when delivered personally, three (3) Business Days after mailed by certified or registered mail, return receipt requested and postage prepaid, or when delivery is guaranteed if sent via a nationally recognized overnight carrier, or when receipt is confirmed if sent via facsimile or other electronic transmission to the recipient with telephonic confirmation by the sending party.

**7.7 Binding Agreement; Assignment.** This Agreement and all of the provisions hereof will be binding upon and inure to the benefit of the Parties and their respective successors and permitted assigns; provided that neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned by any Party (by operation of law or otherwise) without the prior written consent of all the other Parties. Any attempted assignment in violation of this Section 7.7 shall be null and void.

**7.8 Severability.** Whenever possible, each provision of this Agreement will be interpreted in such a manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be prohibited by or invalid under applicable law, such provision will be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of such provisions or the remaining provisions of this Agreement.

**7.9 No Strict Construction.** The language used in this Agreement will be deemed to be the language chosen by the Parties to express their mutual intent. In the event an ambiguity or question of intent or interpretation arises, this Agreement will be construed as if drafted jointly by the Parties, and no presumption or burden of proof will arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement.

**7.10 Captions.** The captions used in this Agreement are for convenience of reference only and do not constitute a part of this Agreement and will not be deemed to limit, characterize or in any way affect any provision of this Agreement, and all provisions of this Agreement will be enforced and construed as if no caption had been used in this Agreement.

**7.11 Entire Agreement.** This Agreement, including the Exhibits, constitutes the entire agreement of the Parties with respect to the subject matter of this Agreement and

supersedes all other prior negotiations, agreements and understandings, whether written or oral, among the Parties with respect to the subject matter of this Agreement.

**7.12 Counterparts.** This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same instrument, and shall become effective when counterparts have been signed by each of the Parties and delivered to the other Parties; it being understood that all Parties need not sign the same counterpart. The exchange of copies of this Agreement or of any other document contemplated by this Agreement (including any amendment or any other change thereto) and of signature pages thereof by facsimile transmission (whether directly from one facsimile device to another by means of a dial-up connection or whether otherwise transmitted via electronic transmission), by electronic mail in “portable document format” (“**.pdf**”) form, or by any other electronic means intended to preserve the original graphic and pictorial appearance of a document, or by a combination of such means, shall constitute effective execution and delivery of this Agreement as to the Parties and may be used in lieu of an original Agreement or other document for all purposes. Signatures of the Parties transmitted by facsimile, by electronic mail in .pdf form or by any other electronic means referenced in the preceding sentence, or by any combination thereof, shall be deemed to be original signatures for all purposes.

6/30/34	20	\$100,000,000	\$95,000,000	\$5,000,000	\$0
<b>Total</b>			<b>\$100,000,000</b>	<b>\$92,000,000</b>	<b>\$8,000,000</b>

As of the Closing Date, \$5 million multiplied by the single Payment Date (Closing) equals \$5 million. The sum of previous payments by The DIA, DIA Direct Funders and Special Foundation Funders (\$0) and the DIA Direct Funders' and Special Foundation Funders' scheduled payment at Closing (\$0) equals \$0. Therefore, at Closing, The DIA is obligated to pay \$5 million less \$0, which equals \$5 million. The formula applies in an identical manner to the June 30, 2016 Payment Date (and the remaining Payment Dates). \$5 million multiplied by the two (2) relevant Payment Dates (the Closing Date and June 30, 2016) equals \$10 million. The sum of the previous payments by The DIA, DIA Direct Funders and Special Foundation Funders (\$5 million) and the DIA Direct Funders' and Special Foundation Funders' scheduled payment (\$2 million) equals \$7 million. Therefore, on June 30, 2016, The DIA is obligated to pay \$10 million less \$7 million, which equals \$3 million.

As of June 30, 2016, The DIA has satisfied its payment obligation under the Omnibus Transaction Agreement (other than its guarantee obligation). The Present Value Discount of the total payments made as of the end of the day June 30, 2016, plus the Present Value Discount of

the DIA Direct Funders' and Special Foundation Funders' remaining scheduled payments equals the Present Value Discount of \$5 million paid at Closing and 19 annual payments of \$5 million commencing as of June 30, 2016.

\*DIA Direct Funder and Special Foundation Funder scheduled payments are assumed to be made on the Payment Date, as scheduled.

\*\* All examples assume an October 31, 2014 Closing Date.

<b>Total</b>			<b>\$74,316,096</b>	<b>\$60,000,000</b>	<b>\$14,316,096</b>	<b>\$0</b>

As of the Closing Date, \$5 million multiplied by the single Payment Date (the Closing Date) equals \$5 million. The sum of previous payments by The DIA, DIA Direct Funders and Special Foundation Funders (\$0) and the DIA Direct Funders' and Special Foundation Funders' scheduled payment at Closing (\$10,000,000) is \$10 million. Therefore, at Closing, The DIA is not obligated to make a payment. The same result occurs for each Payment Date up to June 30, 2027.

As of the June 30, 2027 Payment Date, \$5 million multiplied by the 13 relevant Payment Dates equals \$65 million. The sum of the previous payments by The DIA (\$0) and DIA Direct Funders and Special Foundation Funders (\$60 million) and the DIA Direct Funders' and Special Foundation Funders' scheduled payments on June 30, 2027 (\$0), equals \$60 million. Therefore, on June 30, 2027, The DIA is obligated to pay \$65 million less \$60 million, which equals \$5 million. The same result would occur for each of the remaining Payment Dates, except the Present Value Discount limitation under Section 2.1(b) applies as of the June 30, 2029 Payment Date. On that Payment Date, the formula for the Present Value Discount will result in The DIA only needing to pay \$4,316,096 in order for the Present Value Discount of the total payments made as of the end of that day, plus the Present Value Discount of the DIA Direct Funders' and Special Foundation Funders' remaining scheduled payments (\$0) equaling the Present Value Discount of \$5 million paid at Closing and 19 annual payments of \$5 million commencing as of June 30, 2016.

\*DIA Direct Funder and Special Foundation Funder scheduled payments are assumed to be made on the Payment Date, as scheduled.

\*\*No payment due because of Present Value Discount limitation.

The facts are the same as in Example 2, except that The DIA makes a \$4,683,841 prepayment at the time of the June 30, 2027 Payment Date. For the June 30, 2028 Payment Date, The DIA is obligated to pay \$316,159, calculated as follows: \$5 million multiplied by 14 relevant Payment Dates equals \$70 million, less previous payments of \$69,683,841, equals \$316,159. The DIA makes a \$3,726,128 prepayment at the time of the June 30, 2028 Payment Date also. For the June 30, 2029 Payment Date, The DIA is not obligated to make any payment, notwithstanding the following calculation: \$5 million multiplied by 15 relevant Payment Dates equals \$75 million, less previous payments of \$73,726,128, equals \$1,273,872. However, under Section 2.1(b), the Present Value Discount of the payments made as of the end of the day on June 30, 2028 (\$73,726,128, before discounting), plus the Present Value Discount of the DIA Direct Funders' and Special Foundation Funders' remaining scheduled payments (\$0) equals the Present Value Discount of \$5 million paid at Closing and 19 annual payments of \$5 million commencing as of June 30, 2016. The DIA's prepayments at the time of the 2027 and 2028 Payment Dates results in The DIA not having a payment obligation in 2029 or thereafter.

\*DIA Direct Funder and Special Foundation Funder scheduled payments are assumed to be made on the Payment Date, as scheduled.

\*\*\$4,683,841 is the discounted value of \$5 million at a 6.75% discount rate for a one-year period.

\*\*\*\$3,726,128 is the discounted amount that results in The DIA fulfilling its payment obligation on a present value basis as of June 30, 2028.

\*\*\*\*No payment due because of Present Value Discount limitation and no guarantee because there are no remaining commitments.

The facts are the same as in Example 3, except the DIA Direct Funders' and Special Foundation Funders' Scheduled Payment has been revised as set forth above and The DIA will be required to make payments for the Payment Dates in years 2023 through 2030. The DIA's prepayment of \$4,683,841 at the time of the June 30, 2027 Payment Date and its payment obligation on the June 30, 2028 Payment Date remain the same as in Example 3. Under Section 2.1(a), The DIA has a \$5 million payment obligation with respect to the June 30, 2029 Payment Date. On the June 30, 2030 Payment Date, The DIA pays \$1,969,618, notwithstanding the following calculation: \$5 million multiplied by 16 relevant Payment Dates equals \$80 million, less previous payments of \$75,000,000, equals \$5,000,000. However, under Section 2.1(b), the Present Value Discount of the payments made as of the end of the day on June 30, 2030 (\$76,969,618 before discounting), plus the Present Value Discount of the DIA Direct Funders' and Special Foundation Funders' remaining scheduled payments (\$10,000,000, before discounting) equals the Present Value Discount of \$5 million paid at Closing and 19 annual payments of \$5 million commencing as of June 30, 2016. The DIA's aggregate payments as of the June 30, 2030 Payment Date result in The DIA not having a payment obligation in 2031 or thereafter.

\*DIA Direct Funder and Special Foundation Funder scheduled payments are assumed to be made on the Payment Date, as scheduled.

\*\*\$4,683,841 is the discounted value of \$5 million at a 6.75% discount rate for a one-year period.

\*\*\*\$1,969,618 is the discounted amount that results in The DIA fulfilling its payment obligation on a present value basis as of June 30, 2030.

\*\*\*\*No payment due because of Present Value Discount limitation, but The DIA guarantee applies if the 2033 and 2034 payments are not made or are not made on a timely basis.

## **SETTLEMENT, CONVEYANCE AND CHARITABLE TRUST AGREEMENT**

THIS SETTLEMENT, CONVEYANCE AND CHARITABLE TRUST AGREEMENT (this “**Agreement**”), effective as of the Effective Time, is entered into by and between the City of Detroit, Michigan (the “**City**”) and The Detroit Institute of Arts, a Michigan nonprofit corporation f/k/a Founders Society Detroit Institute of Arts (“**The DIA**”). The City and The DIA are together referred to herein as the “**Parties**” and individually as a “**Party**”. Capitalized terms used in this Agreement and not defined herein shall have the meaning ascribed thereto in the Omnibus Transaction Agreement among the City, The DIA and Foundation for Detroit’s Future, a Michigan nonprofit corporation (the “**Omnibus Transaction Agreement**”).

### **RECITALS**

WHEREAS, beginning in 1885 The DIA held the assets of the museum that is now commonly referred to as the Detroit Institute of Arts (the “**Museum**”) in charitable trust for the benefit of the people of the City and the State of Michigan (the “**State**”) and, beginning in 1919, the City began to hold certain of such assets in charitable trust, with museum assets acquired by either The DIA or the City, and assets contributed by other donors and the State, constituting additions to the trust corpus to the extent not expended for the ongoing conduct of the trust’s charitable and educational activities;

WHEREAS, the Attorney General of the State has determined that the Museum collection is held by the City in charitable trust;

WHEREAS, The DIA asserts that the Museum and all Museum Assets are owned by the City in charitable trust, the co-trustees of which are the City and The DIA and subject to the protections of a public trust;

WHEREAS, the City acknowledges that certain creditors of the City and other interested persons have taken the position that the City has full legal and beneficial title to the Museum, including its art collection;

WHEREAS, this Agreement is being entered into as part of the DIA Settlement pursuant to the Omnibus Transaction Agreement whereby the City will convey all of its right, title and interest (including legal title it may hold as trustee and legal title and beneficial interest it otherwise holds) to the Museum and all related assets to The DIA in exchange for fair value by virtue of (i) the settlement of any dispute regarding the ownership of Museum and the Museum Assets, (ii) the contributions through the Supporting Organization by The DIA (and through it, the DIA Indirect Funders), DIA Direct Funders and Special Foundation Funders of \$100 million, of Foundation Funders (excluding Special Foundation Funders) of \$366 million, and an additional contribution by the State of \$350 million, which aggregate \$816 million (in each case and in the aggregate before applying any discount for early payment), which amounts will be paid for the benefit of Pension Claims of the City, and (iii) the commitment of The DIA to hold the Museum Assets (as they may be augmented, replaced or disposed of consistent with the perpetual charitable trust and as otherwise permitted under this Agreement) (collectively, “**DIA Assets**”) in perpetual charitable trust and to operate the Museum primarily for benefit of the residents of the City and the Tri-Counties and the citizens of the State;

WHEREAS, the allocation of responsibilities with respect to the charitable trust assets and the operation of the Museum has changed from time to time;

WHEREAS, The DIA currently operates the Museum and manages its assets under an Operating Agreement for the Detroit Institute of Arts, made on December 12, 1997, between The DIA and the City (the “**Operating Agreement**”) whereby those responsibilities have been performed by The DIA as operator on the terms set forth therein;

WHEREAS, the City and The DIA currently are parties to that certain Licensing Agreement, dated December 12, 1997 (the “**Licensing Agreement**”) under which the City licensed the use of certain intellectual property assets to The DIA, which will be terminated by the Parties pursuant to this Agreement;

WHEREAS, as part of the DIA Settlement and concurrently with the closing pursuant to the Omnibus Transaction Agreement, the Transfer shall occur, each of the Operating Agreement and the Licensing Agreement shall be terminated, and the other transactions and agreements reflected herein shall become effective; and

WHEREAS, the Transfer of the Museum and the Museum Assets is for fair value, for a public purpose and authorized by law.

NOW THEREFORE, in consideration of the covenants and agreements hereinafter set forth and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, intending to be legally bound, the Parties hereby agree as follows:

### **Transfer of Assets**

**2.1. Transfer.** As of the Effective Time, the City hereby irrevocably sells, transfers, conveys, assigns and delivers to The DIA, and The DIA hereby acquires, all of the City's right, title and interest (including legal title it may hold as trustee and legal title and beneficial interest it otherwise holds) throughout the world in and to the Museum and the Museum Assets free and clear of all security interests, liens, encumbrances, claims and interests of the City and its creditors (the "**Transfer**"). **ARTICLE IV**  
**Termination of the Various Agreements**

**4.1. Termination of the Operating Agreement.** As of the Effective Time, the Operating Agreement is terminated without any further action or notice by the Parties and without any further rights or obligations of any Party thereunder other than The DIA’s indemnity obligation under Section J of the Operating Agreement (which shall survive in accordance with its terms).

**4.2. Termination of the Licensing Agreement.** As of the Effective Time, the Licensing Agreement is terminated without any further action or notice by the Parties and without any further rights or obligations of any Party thereunder.

**4.3. ## **ARTICLE VII** **Covenants of The DIA**

### **7.1. Charitable Trust.**

(a) The DIA as trustee shall hold the DIA Assets in perpetual charitable trust. The primary purpose of the charitable trust shall be to provide for the primary benefit of the residents of the City and the Tri-Counties and the citizens of the State an art museum located in the City of Detroit, including the ownership, maintenance and operation of The Detroit Institute of Arts, and all the benefits that are derivative thereof.

(b) The DIA shall neither change the name of the Museum from “The Detroit Institute of Arts” nor relocate the primary situs of the Museum from its current location at 5200 Woodward Avenue, Detroit, Michigan, without the approval of the City; provided that nothing in this Agreement or in any other agreement included in the Transaction Documentation shall be deemed to otherwise restrict the ability of The DIA to lend or to otherwise allow art works to travel outside of the City or the State consistent with ordinary Museum operations.

(c) In its capacity as trustee of the perpetual charitable trust, The DIA shall operate the Museum as an encyclopedic art museum in the City, in accordance with changing future demands in the operation of such a Museum. The DIA shall not deaccession from its collection or sell, lease, pledge, mortgage, or otherwise encumber art that is accessioned to its permanent collection except in accordance with the code of ethics or applicable standards for museums published by the AAM, as amended or modified by the AAM. If the AAM ceases to exist or ceases to be generally regarded by leading American art museums as the preeminent American art museum accreditation organization, then the code of ethics or applicable standards (as may be amended or modified) of AAM’s successor organization, or such other organization that is at that time generally regarded by leading American art museums as the preeminent American art museum accreditation organization, shall be substituted for such policies of the AAM.

**7.2. State-wide Services.** In addition to continuing to operate the Museum for the primary benefit of the residents of the City, the Tri-Counties and the citizens of the State, and continuing to provide the special services to the residents of the Tri-Counties during the balance of the ten (10) year millage period commencing in 2013 that are provided for in the agreements for the Millage, during the Payment Period The DIA will provide an array of art programs at no or discounted costs to the residents of the State. In determining which programs to offer, both the cost to The DIA of developing and operating these programs and The DIA’s other fundraising obligations, including its need to raise funds for general operations and its stated goal of building endowment funds, as well as any fundraising obligation under the Omnibus Transaction Agreement, will be taken into account. As appropriate, The DIA will collaborate with its Michigan museum colleagues in the development of these programs. Given the length of the Payment Period, it is expected that these programs would be developed and adjusted over time. Such programs could include at the outset:

(i) two exhibitions in each twelve-month period, with the first such period beginning six (6) months after the Closing, of objects from the Museum collection that will rotate through museums and art centers around the State on a schedule to be determined by The DIA and the recipient museums. Each exhibition will be developed and organized by The DIA and will include installation and de-installation of the objects, a marketing package (logo and advertising template) and, possibly, input on programming and education opportunities,

(ii) an annual professional development program coordinated with the Michigan Museums Association designed to strengthen museum professionals and introduce museum job opportunities to student audiences,

(iii) an expansion of the Museum's popular Inside/Out program (during the tenure of the program), which places high-quality art reproductions in Southeast Michigan communities, to include two additional outstate locations annually, supporting tourism, cultural awareness and life-long learning,

(iv) art object conservation services at a discounted rate to Michigan museums conducted in consultation with the Museum conservators and the curatorial staff of the requesting museum, and

(v) the development of an educational program based on the Museum collection that supports National Common Core Standards, to be offered in two Michigan communities annually and to include follow-up support for educators.

**7.3. Liquidation.** In the event of a dissolution of, and liquidation of the assets and affairs of, The DIA in accordance with the Michigan Nonprofit Corporation Act, the DIA Assets will be conveyed to another nonprofit entity determined by the board of directors of The DIA, subject to the reasonable approval of the City and the Supporting Organization, if then in existence, and otherwise by majority vote of the City and any Foundation Funders who have remaining commitments under their Funding Agreements. As a condition to receiving the conveyance, such successor entity must subject itself to the same conditions as set forth in this Agreement, including but not limited to, holding the DIA Assets in perpetual charitable trust for the primary benefit of the residents of the City and the Tri-Counties and the citizens of the State. For the purposes of determining the majority vote described above, and for the avoidance of doubt, the Parties agree that the City and each of the Foundation Funders who have remaining commitments under their Funding Agreements at the time of such dissolution or liquidation shall each have one vote with respect to any such approval.

**7.4. City Board Representative.** From and after the Effective Time, in perpetuity, the City shall have the right to appoint one director to the Board of The DIA (or its successor entity). Such representative shall be designated in writing to The DIA by the Mayor of the City with approval by the City Council. Such director shall be subject to removal by The DIA for cause. The City shall have the right in accordance with this Section 7.4 to appoint a successor representative to any vacancy created by the removal of the City's representative for cause or otherwise.

**7.5. Enforcement of Certain of The DIA's Obligations.** The Attorney General of the State and the Corporation Counsel of the City (on behalf of the City) (or their respective successors) shall have the exclusive rights to enforce the obligations of The DIA (x) to hold the DIA Assets in perpetual charitable trust and (y) under ARTICLE VII of this Agreement. If the Corporation Counsel of the City (on behalf of the City) exercises its rights to enforce the obligations of The DIA pursuant to this Section 7.5 by means of a legal action or proceeding, the unsuccessful party to such action or proceeding shall pay to the prevailing party all costs and expenses, including reasonable attorneys' fees and disbursements, incurred by such prevailing party in such action or proceeding and in any appeal in connection therewith. If such prevailing party recovers a judgment in any such action, proceeding or appeal, such costs, expenses and attorneys' fees and disbursements shall be included in and as a part of such judgment.

## **ARTICLE VIII**

### **Incorporation by Reference; Entire Agreement**

**8.1. Incorporation by Reference.** The following provisions of the Omnibus Transaction Agreement are hereby incorporated by reference as if set forth in full herein *mutatis mutandis*: Article I (Definitions), Article VI (Indemnification) with respect to the indemnification of the City by The DIA pursuant to Section 6.1 of the Omnibus Transaction Agreement and the indemnification of The DIA by the City pursuant to Section 6.2 of the Omnibus Transaction Agreement, subject to the limitations and procedural requirements otherwise set forth in Article VI of the Omnibus Transaction Agreement, Section 7.4 (Specific Performance), Section 7.6 (Notices) (with respect to the Parties hereto), Section 7.7 (Binding Agreement; Assignment), Section 7.8 (Severability), Section 7.9 (No Strict Construction), Section 7.10 (Captions), and Section 7.12 (Counterparts).

**8.2. No Third Party Beneficiary.** Except for the Related Parties, each of whom is an express third-party beneficiary under this Agreement with respect to Section 4.3 of this Agreement, and the Attorney General of the State who is an express third party beneficiary under this Agreement with respect to Section 7.5 of this Agreement, the terms and provisions of this Agreement are intended solely for the benefit of the City and The DIA and their respective successors and permitted assigns, and nothing contained in this Agreement, expressed or implied, is intended to confer upon any person or entity any third-party beneficiary rights or remedies.

**8.3. Choice of Law; Jurisdiction; Venue.** This Agreement shall be construed in accordance with the laws of the State of Michigan without regard to such state's choice of law provisions which would require the application of the law of any other jurisdiction. By its execution and delivery of this Agreement, each of the Parties irrevocably and unconditionally agrees for itself that, subject to the exclusive rights of the Attorney General of the State and the Corporation Counsel of the City (on behalf of the City) as set forth in Section 7.5 of this Agreement, any legal action, suit or proceeding against it with respect to any matter arising under or arising out of or in connection with this Agreement or for recognition or enforcement of any judgment rendered in any such action, suit or proceeding, shall be brought in the Bankruptcy Court for so long as the Bankruptcy Court has jurisdiction, and thereafter in the United States District Court for the Eastern District of Michigan; provided that if the United States District Court for the Eastern District of Michigan does not have jurisdiction, then (i) if such legal action,

suit or proceeding relates to or seeks to enforce the obligations of The DIA to hold the DIA Assets in perpetual charitable trust or the obligations of The DIA under Article VII of this Agreement, then such legal action, suit or proceeding shall be brought only in Wayne County Probate Court, or (ii) if such legal action, suit or proceeding involves any other matter relating to this Agreement not referenced in subsection (i), then it may be brought only in such other court of competent jurisdiction located in Wayne County, Michigan. By execution and delivery of this Agreement, each of the City and The DIA irrevocably accepts and submits to the exclusive jurisdiction of such courts, generally and unconditionally, with respect to any such action, suit or proceeding and specifically consents to the jurisdiction and authority of the Bankruptcy Court to hear and determine all such actions, suits, and proceedings under 28 U.S.C. §157(b) or (c), whichever applies.

**8.4. Amendment and Waiver.** This Agreement may be amended and any provision of this Agreement may be waived; provided that any such amendment or waiver will be binding upon the Parties only if such amendment or waiver is set forth in a writing executed by both Parties. No course of dealing between The DIA and the City will be deemed effective to modify, amend or discharge any part of this Agreement or any rights or obligations of either Party under or by reason of this Agreement.

**8.5. Entire Agreement.** This Agreement, including the Exhibits, together with the Omnibus Transaction Agreement, constitutes the entire agreement of the Parties with respect to the subject matter of this Agreement and supersedes all other prior negotiations, agreements and understandings, whether written or oral, among the Parties with respect to the subject matter of this Agreement.

NOW, THEREFORE, for valuable consideration, including, without limitation, the consideration received by the City under the Charitable Trust Agreement, the receipt of which is hereby acknowledged, the City and The DIA hereby agree as follows:

1. Definitions. As used in this Agreement:

"Assigned Intellectual Property" shall mean the City's entire right, title and interest throughout the world in and to the Copyrights, Trademark Rights, Patent Rights and Other Rights embodied in, related to, evidenced by or are or that were inherent in, associated with, or primarily used to develop, manage or exploit the City Art Collection or operation of the Museum, and specifically including, but not limited to, the rights: (a) to seek and obtain protection therefor (including, without limitation, the right to seek and obtain copyright registrations, trademark registrations, industrial design registrations, and design and utility

patents and the like) in the United States and all other countries in The DIA's name (or otherwise as The DIA may desire); (b) to sue for and collect damages and all other remedies for any current or past infringements, violations, or misappropriations of the same; and (c) to collect royalties, products and proceeds in connection with any of the foregoing.

**"City Art Collection"** shall mean the works of art owned by the City, and part of the collection of the Museum or otherwise under the auspices of the Museum (including, without limitation, any item that is still in the "City art collection" (as defined in the Operating Agreement but taking into account any additions to or subtractions from such collection over time) as of the Effective Time), the Museum's library, all related license rights and permissions in favor of the City and/or The DIA (to the full extent that they are subject to transfer), whether by (a) gift directly to The DIA or the City or to any third person or entity for the benefit of the Museum; (b) purchase; or (c) otherwise.

**"Copyrights"** shall mean the City's rights to all works of authorship under the copyright laws of the United States and all other countries and governmental divisions throughout the world for the full term or terms thereof (and including all copyright rights accruing by virtue of copyright treaties and conventions) including, but not limited to, all moral rights, all rights of attribution and integrity, any and all renewals, extensions, reversion or restoration of copyright now or hereafter provided by law and all rights to make applications for and receive copyright registrations therefor in the United States and all other countries.

**"Other Rights"** shall mean all intellectual property and proprietary rights in the United States and all other countries and governmental divisions throughout the world not otherwise included in the Copyrights, Trademark Rights and Patent Rights, and specifically including, but not limited to, worldwide rights in and to all trade secrets, trade dress, know-how, techniques, designs, concepts, confidential information and associated goodwill.

**"Patent Rights"** shall mean all patent applications and issued patents throughout the world in the United States and all foreign countries which have been or may be granted therefor and thereon, and any and all divisions, continuations, continuations-in-part, reexaminations, substitutions, reissues, extensions and renewals of such patents.

**"Trademark Rights"** shall mean all trademarks, service marks, trade names, trade dress, domain name registrations and other indicia of source, together with the goodwill associated with and symbolized by the same, including any applications, registrations, renewals and extensions thereof, and all other corresponding rights at common law or otherwise that are or may be secured under the laws of the United States or any foreign country, now or hereafter in effect.

2. **Assignment.** The City hereby irrevocably assigns, conveys, sells, grants and transfers to The DIA, and The DIA hereby acquires, the City's entire right, title and interest (including legal title it may hold as trustee and legal title and beneficial interest it otherwise holds) throughout the world in and to the Assigned Intellectual Property free and clear of all security interests, liens, encumbrances, claims and interests of the City and its creditors. All Assigned Intellectual Property being transferred pursuant to this Assignment shall be transferred on an "AS-IS, WHERE-IS" basis, and the City makes no representations or warranties with respect to the Assigned Intellectual Property. The DIA shall hold the Assigned Intellectual

Property in a perpetual charitable trust for the benefit of the citizens of the City and the State in accordance with the terms of the Charitable Trust Agreement.

3. Construction. Nothing in this Assignment, express or implied, is intended or will be construed to expand or defeat, impair or limit in any way the rights, obligations, claims or remedies of the Parties as set forth in the Charitable Trust Agreement. To the extent that any term or provision of this Assignment is deemed to be inconsistent with the terms of the Charitable Trust Agreement, the terms of the Charitable Trust Agreement shall control.

4. Dispute Resolution. Any dispute arising out of this Assignment shall be determined in accordance with the provisions of Sections 8.1 and 8.3 of the Charitable Trust Agreement

5. Binding Agreement. This Assignment and all of the provisions hereof will be binding upon and inure to the benefit of the Parties and their respective successors and permitted assigns.

6. Counterparts. This Assignment may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same instrument, and shall become effective when counterparts have been signed by each of the Parties and delivered to the other party; it being understood that both Parties need not sign the same counterpart. The exchange of copies of this Assignment or of any other document contemplated by this Assignment (including any amendment or any other change thereto) and of signature pages thereof by facsimile transmission (whether directly from one facsimile device to another by means of a dial-up connection or whether otherwise transmitted via electronic transmission), by electronic mail in "portable document format" (".pdf") form, or by any other electronic means intended to preserve the original graphic and pictorial appearance of a document, or by a combination of such means, shall constitute effective execution and delivery of this Assignment as to the Parties and may be used in lieu of an original Assignment or other document for all purposes. Signatures of the parties transmitted by facsimile, by electronic mail in .pdf form or by any other electronic means referenced in the preceding sentence, or by any combination thereof, shall be deemed to be original signatures for all purposes.

**I. Acceptance of Grant**

The grant to your organization from the **[INSERT NAME OF FOUNDATION]** ("Foundation") is for the explicit purposes described below and is subject to your acceptance of the terms described herein.

**Grant Number:**

**#[Insert grant number]**

**Amount Granted:**

**#[Insert Grant Amount]  
(Conditional, multi-year)**

**II. Grant**

The purpose of this grant of \$**[INSERT GRANT AMOUNT]** to the Foundation for Detroit's Future ("Grantee"), a supporting organization of the Community Foundation for Southeast Michigan, is to provide the funding, in part, for the proposed DIA Settlement found in the Corrected Fifth Amended Plan for the Adjustment of the Debts of the City of Detroit, as it may be further amended and as modified, and in a term sheet found in Exhibit I.A.102 of same, provided DIA Settlement provisions and said term sheet remain substantially unchanged ("Plan of Adjustment"). The grant and the payment of the grant installments will be conditioned upon the City of Detroit and the City of Detroit General Retirement System and Police and Fire Retirement System ("Pension Funds") being in compliance with (i) the conditions precedent for closing found in the Plan of Adjustment, and (ii) certain material grant conditions, of both an initial and ongoing nature, that are memorialized in the Omnibus Transaction Agreement ("OTA") to be entered into between the City of Detroit, the Detroit Institute of Arts, and the Grantee substantially in the form attached to this Terms of Grant Agreement as Exhibit A and incorporated herein by this reference, a copy of which will be provided to Foundation promptly following its execution. Any capitalized defined terms not defined herein will have the definitions found in the OTA.

This Terms of Grant Agreement is also known as a "Foundation FDF Agreement" under the OTA.

Grant payments will be made in equal annual installments over a twenty-year period, subject to those conditions and any terms and conditions of this Terms of Grant Agreement. The schedule of grant payments will be made as follows and subject to the following conditions:

a. Initial Grant Payment

1. Payment amount and date. Foundation will make an initial grant payment to Grantee of \$[INSERT 1/20 OF TOTAL GRANT AWARD] upon the later of (i) the return of this signed Terms of Grant Agreement by Grantee, and (ii) August 30, 2014.
2. Payment Conditions.  
Grantee acknowledges that this initial grant payment is being made by Foundation in order to facilitate the ability of Grantee to provide, in part, the initial payment to the City of Detroit by Grantee due at Closing in the event that the DIA Settlement found in the Plan of Adjustment is approved, and both (i) the City of Detroit and the City of Detroit Pension Funds are in compliance with their material grant conditions, of both an initial and ongoing nature, that are memorialized in Article IV(E) of the Plan of Adjustment and (ii) the conditions to the Foundation's and Grantee's grant obligations set forth in the OTA and the Plan of Adjustment have been satisfied in all material respects.

In the event that the Plan of Adjustment is not approved by the U.S. Bankruptcy Court, or the Closing is otherwise not consummated, by December 31, 2014, Grantee will return to Foundation all provided grant funds by January 31, 2015. The remaining grant installments under this Terms of Grant Agreement will likewise be cancelled and this Terms of Grant Agreement will terminate.

3. Report on City of Detroit Compliance with Initial Grant Conditions  
Grantee will provide to Foundation a report within 45 days of the Closing Date documenting that the conditions precedent for Closing were met and that the initial grant payment contemplated by the OTA has been made by the Grantee to the City of Detroit. In the event the Closing does not occur by December 31, 2014, a first and final report will be provided by January 31, 2015.

b. Annual Grant Payments

1. Payment Amounts and Dates. Commencing in 2015 and continuing until 2033 (except as otherwise provided herein), Foundation will annually make a grant payment to Grantee of \$[INSERT 1/20 OF TOTAL GRANT AWARD] by September 15 of that year. Foundation intends Grantee to use these annual payments to fund, in part, the annual payments from Grantee to the City of Detroit, pursuant to and subject to the terms and conditions of the OTA, on a funding schedule commencing June 30, 2016, and each June 30 thereafter ending on June 30, 2034 (the payment dates to the City of Detroit being subject to possible extensions pursuant to the OTA).

Foundation acknowledges that it has the right to, but is not required to, rely on any finding by the board of trustees of the Grantee that the City is in compliance with the Conditions for Funding found in Section 2.4 of the OTA and that as a result of such a finding the Foundation is obligated to make timely payment to Grantee as provided in Section 2.7 of the OTA. Foundation will not unreasonably dispute any such finding by the board of the Grantee that the City is in compliance. If (i) Foundation has failed to make an annual grant installment

payment to Grantee when due hereunder and Grantee has provided the Foundation the 30-day notice contemplated by Section 2.8(b) of the OTA, and (ii) the Foundation has not made the required grant payment by the expiration of such 30-day period, then Grantee will assign its right to enforce collection of the payment from the Foundation to the City and the City will have the right to pursue collection of that payment as provided in the OTA. Foundation will be responsible for its own costs and attorney fees in defending any action by Grantee or City to enforce payment from Foundation, unless those costs and attorney fees are otherwise indemnified or set-off on behalf of Foundation by the provisions of the OTA or the Plan of Adjustment.

2. Annual Grant Payment Conditions

Grantee agrees that any annual grant payment it receives from the Foundation will be used for the sole purpose of making the annual payments to be made by Grantee to the City of Detroit pursuant to Section 2.3 of the OTA.

In the event the Foundation has provided (i) an annual grant payment to the Grantee prior to the date Grantee has determined that the City has complied with Section 2.4 of the OTA for the year in which the annual grant payment is to be used, or (ii) Foundation, in its sole discretion, advances any future annual grant payment to Grantee, Grantee will maintain such grant balances in conservatively invested reserves to ensure that the monies provided are available to make payment to the City when conditions have been met. Any earnings on such early grant payments will be used to offset operational costs of Grantee relating to the purposes of this grant. If on December 31, 2034, there remains any earnings after payment of those operational expenses, Grantee, in its discretion, may use those excess earnings (i) to make grants and/or establish endowments that will support the ongoing revitalization, or maintain and expand the quality of life of the residents, of the City of Detroit and/or (ii) return those excess earnings ratably to the Foundation Funders.

In the event the City fails to meet the conditions for release of an annual payment to it under Section 2.4 of the OTA and all applicable cure periods available to the City pursuant to Section 2.5 of the OTA (including any periods of time necessary for dispute resolution as provided in the OTA) have expired, the Foundation may either request that the Grantee return that annual grant payment to the Foundation, at which time the Foundation's obligation to make such annual grant payment is automatically terminated and cancelled, or request that the Grantee retain the annual grant payment for application to a future annual grant payment due to the Grantee from the Foundation. Foundation and Grantee also acknowledge and agree that consistent with Section 2.5(b) of the OTA, the Foundation may cancel its remaining grant installments to Grantee if the City fails to meet the conditions for release of an annual payment to it under the OTA, and all applicable cure periods available to the City pursuant to Section 2.5 of the OTA (including any periods of time necessary for dispute resolution as provided in the OTA) have expired. If Foundation elects to cancel its remaining grant payments, the Foundation may either request that the Grantee return any pre-paid annual grant amount provided to Grantee that has not yet been paid or is not obligated to be paid to the City by Grantee and/or allow Grantee to retain some or all of such pre-paid grant installments to offset operational costs of Grantee relating to the purposes of this grant.

3. Present Value Election

Consistent with the OTA, Foundation has the right to elect to make early payment of any or all of its grant payment obligations to the Grantee and have its obligation under this Terms of Grant Agreement reduced by a present value discount rate of 6.75% as provided in the OTA. Grantee will transfer such early payment to the City of Detroit and elect that present value discount provided the requirements of the next paragraph are met.

Foundation agrees that it will only make the above mentioned present value election if (i) the Grantee receives confirmation from the City, in a form reasonably acceptable to Grantee, that the Grantee's future grant payment obligations to the City under the OTA will be properly reduced as a result of such present value election by Foundation, and (ii) Foundation and Grantee agree to reasonable arrangements to prevent such early payment election from Foundation jeopardizing the fiscal stability and operations of Grantee and its abilities to perform its obligations under the OTA.

III. Indemnification and Other Provisions

Foundation and Grantee acknowledge that Foundation is a third-party beneficiary of certain provisions contained in the OTA and the contemplated order confirming the Plan of Adjustment. Foundation's rights as a third-party beneficiary include, but are not limited to, (i) indemnification by the City of Detroit as found in Section 6.2 of the OTA, (ii) set-offs on grant installments as a result of the City of Detroit failing to pay for defense and other costs (except that Foundation is not entitled to such set-off if the Grantee has, as a result of the City failing to pay all of the defense and other costs of the Foundation, incurred those costs on behalf of Foundation and Grantee), (iii) jurisdiction and choice of law provisions, and (iv) certain injunctive and other relief as found in the Plan of Adjustment as confirmed by court order. Foundation's obligation to make any installment payment under this Terms of Grant Agreement is expressly conditioned upon the existence of all such third-party benefits including, but not limited to, said indemnification provision, set-off provisions and injunctive relief.

This Terms of Grant Agreement, or any rights, obligations or funds awarded under this Terms of Grant Agreement, may not be assigned, unless otherwise expressly provided herein, without the prior written consent of the non-assigning party, and any purported assignment in violation of the foregoing will be void and of no effect. This Terms of Grant Agreement will be governed by and construed in accordance with the laws of the state of Michigan, with jurisdiction in the State and Federal Courts of Michigan (as more specifically provided in the OTA and the Plan of Adjustment).

IV. Review of Grant Activity

Grantee will provide written annual reports to the Foundation each July 30 showing the use of the grant funds provided under this grant. Grantee may extend the date for any annual report to no later than January 30 of the following calendar year if Grantee is unable to obtain information from the City of Detroit necessary for completing the report. Foundation and Grantee agree that the reports to be provided will be of a standard format and content to be provided to all Foundation Funders. The content of the annual reports will include, without limitation:

- Information on the Grantee's progress toward meeting the terms of this grant
- A statement of determination by the board of Grantee regarding the City's compliance with the Conditions for Funding found in Section 2.4 of the OTA
- A statement of facts regarding the accounting treatment of the remaining payments due to Grantee by the Foundation for consideration by the Foundation in preparing its statements of financial position
- Copies of any and all evaluation or similar reports, if any, provided to any other Foundation Funder or any party to the OTA
- An explanation of any significant changes in the organizational leadership of the Grantee, such information to be provided promptly to Foundation if it occurs between the filing of an annual report

A final report is due by June 30, 2035.

In addition, Grantee will furnish the Foundation with any additional information reasonably requested by the Foundation from time to time. Without limiting the generality of the foregoing, Grantee will provide the Foundation (or its designated representatives) with reasonable access to Grantee's files, records and personnel for the purpose of making financial audits, evaluations or verification, program evaluations, or other verifications concerning this grant as the Foundation reasonably deems necessary during the term of this grant and for five years thereafter. The fees and expenses of any such representative that is designated by the Foundation to undertake these tasks, and any reasonable out-of-pocket costs actually incurred by the Grantee in complying with this request, will be paid by the Foundation.

#### V. Standard Provisions

In accepting this grant, the Grantee agrees to the following and certifies the following statements:

- a. Grantee will use the funds granted solely for the purpose stated and Grantee will repay any portion of the amounts granted which is not used for the purpose of the grant or not expended by the due date for the final report.
- b. Grantee is and will at all times maintain its status as (i) a nonprofit corporation in good standing under the laws of the State of Michigan, and (ii) an organization described in Section 501(c)(3) and Section 509(a)(3) of the U.S. Internal Revenue Code ("Code") that is not a "private foundation" within the meaning of Section 509(a) of the Code because it is a Type-I supporting organization of the Community Foundation for Southeast Michigan.
- c. Grantee will notify the Foundation immediately of any change in its tax status.
- d. Grantee will return any unexpended funds if the Grantee loses its exemption from Federal income taxation as a 501(c)(3) nonprofit organization pursuant to Section 509(a)(1), 509(a)(2) or 509(a)(3) of the Code.
- e. Grantee will maintain books and records adequate to verify actions related to this grant during the term of this grant and for five years thereafter.
- f. Grant funds will only be expended for charitable, educational, literary or scientific purposes within the meaning of Section 501(c)(3) of the Code, and Grantee will comply with all applicable federal and state laws and regulations that govern the use

of funds received from private foundations. Grantee will in no event use grant funds or any income earned thereon to:

- i. Carry on propaganda or otherwise to attempt to influence legislation (within the meaning of Section 4945(d)(1) of the Code).
- ii. Influence the outcome of any specific public election or carry on, directly or indirectly, any voter registration drive (within the meaning of Section 4945(d)(2) of the Code).
- iii. Make grants to individuals or to other organizations for travel, study or similar purpose that do not comply with the requirements of Section 4945(d)(3) or (4) of the Code.
- iv. Undertake any activity other than for a charitable, educational, literary or scientific purpose specified in Section 170(c)(2)(B) of the Code.
- v. Inure a benefit to any private person or entity in violation of Section 501(c)(3) and 4941 of the Code, including but not limited to any Foundation trustee, officer, employee, or his/her spouse, children, grandchildren, and great grandchildren or their respective spouses for any purpose.
- vi. Support a use that is not in compliance with all applicable anti-terrorist financing and asset control laws, regulations, rules and executive orders, including but not limited to, the USA Patriot Act of 2001 and Executive Order No. 13224. Furthermore, Grantee agrees to ensure that no Foundation funds will be disbursed to any organization or individual listed on the United States Government's Terrorist Exclusion List or the Office of Foreign Assets Control (OFAC) Specially Designated Nationals & Blocked Persons List. In addition, Grantee takes reasonable steps to ensure that its board, staff and volunteers have no dealings whatsoever with known terrorist or terrorist organizations.
- g. Grantee acknowledges and agrees that this Terms of Grant Agreement does not imply a commitment by the Foundation to continued funding beyond the express terms of this Terms of Grant Agreement.
- h. Grantee represents that this grant will not result in the private benefit of any individual or entity, including, but not limited to, the discharge of any pledge or financial obligation of any individual or entity.

VI. Publicity

Communications regarding this grant, the OTA and the City's compliance with the ongoing conditions of the OTA will be coordinated and made by Grantee, in consultation with Foundation and other Foundation Funders. Foundation and Grantee will obtain the other's approval prior to making any public announcement about this grant. Foundation may include information on this grant in its period publications without the need for Grantee approval.

(y) if Ambac issues endorsements to its Bond Insurance Policies decreasing such Policies by the redemption principal amount, the holders of Insured Prior LTGO Bonds will be deemed to consent to such endorsements and such Bond Insurance Policies will be so reduced; and

(z) the City understands that the paying agent for the Insured Prior LTGO Bonds will apply the amount received to reduce the principal amount, pro rata, of the Insured Prior LTGO Bonds which then remain outstanding as provided in Section 2.1(b) above and such reduction in principal shall be deemed a redemption, in part, of such the Insured Prior LTGO Bonds.

(ii) Any redemption of the New LTGO Bonds will be in whole and not in part.

(iii) In the event the City decides not to issue the New LTGO Bonds by the Effective Date but instead to pay cash to the LTGO Claim Holders, the Holders of Insured Prior LTGO Bonds which then remain outstanding as provided in Section 2.1(b) above will receive pro rata, cash equal to the Insured Prior LTGO Bonds' Pro Rata shares of such cash. The City understands that the paying agent for the Insured Prior LTGO

Bonds will apply such cash, pro rata, to reduce the principal of Insured Prior LTGO Bonds which then remain outstanding as provided in Section 2.1(b) and such reduction in principal shall be deemed a redemption, in part, of such Insured Prior LTGO Bonds.

(iv) All Settlement-Related Documents will be in form and substance reasonably satisfactory to the LTGO Parties (and in the case of the Plan Documents, solely as they relate to this Agreement).

(v) Each of the New LTGO Bonds will be freely transferable through the DTC System under a unique CUSIP identification number or, if the DTC System is discontinued with respect to the New LTGO Bonds, in such other manner as is permitted in accordance with their terms.

(vi) The City will not optionally redeem Insured Prior LTGO Bonds except as set forth in this Agreement.

(b) In addition to issuing and delivering the New LTGO Notes to the LTGO Claims Holders, the City shall also deliver and distribute to the LTGO Claim Holders the Pro Rata share of the Reserve B Notes in accordance with Section 2.2(e) of this Agreement. The Plan will provide in the event the City intends to redeem all or a portion of principal amount of New B Notes during any time that the Insured Prior LTGO Bonds are outstanding pursuant to Section 2.1(b)(ii) then:

(i) at least 35 days prior to the redemption date, the Distribution Agent will direct the paying agent for the Reserve B Notes to send a redemption notice to the New B Note Holders

(ii) at least 34 days prior to the redemption date, the Distribution Agent will direct the paying agent for the Insured Prior LTGO Bonds to send a redemption notice to Insured Prior LTGO Bondholders providing for a pro rata redemption of Insured Prior LTGO Bonds in an aggregate principal amount equal to the proportion that the principal amount of the New B Notes held by the Distribution Agent which are to be redeemed bears to the total principal amount of Insured Prior LTGO Bonds then outstanding pursuant to Section 2.1(b)(ii), in accordance with the procedures for redemption in the Prior LTGO Bonds documents;

(iii) no later than noon, Eastern Time, on the business day prior to the redemption date the City will pay the redemption price of the New B Notes to the paying agent for the New B Notes, and upon receipt of the redemption price of the portion of the New B Notes of which it is the beneficial owner, but no later than 10:00 a.m. Eastern Time, on the redemption date the Distribution Agent shall promptly transfer the redemption price for the portion of the Insured Prior LTGO Bonds to be redeemed to the paying agent for the Insured Prior LTGO Bonds to effectuate the redemption of the Insured Prior LTGO Bonds on the same day;

(iv) if Ambac issues endorsements to its bond Insurance Policies decreasing such Policies by the redemption principal amount, the holders of Insured Prior LTGO Bonds will be deemed to consent to such endorsements and such

Bond Insurance Policies will be so reduced; and

(v) the City understands that the paying agent for the Insured Prior LTGO Bonds will apply the amount received to reduce the principal amount, pro rata, of the Insured Prior LTGO Bonds which then remain outstanding as provided in Section 2.1(b) and such reduction in principal shall be deemed a redemption in part, of such Insured Prior LTGO Bonds.

(c) The Plan will provide that, from and after the Effective Date:

(i) The City will remain a named plaintiff and defendant in the COP Litigation but will transfer all of its rights and interests in the COP Litigation to a Litigation Trust whose beneficiaries, for the purpose of the COP Litigation, shall be the Litigation Parties and the Holders of Allowed Class 14 Claims. The Litigation Trustee will be selected by the LTGO Representative and the Retiree Committee and must be acceptable to the City. The document creating the Litigation Trust shall include indemnification of the Litigation Trustee by the City and will contain such other terms satisfactory to the Retiree Committee, the LTGO Representative and the City.

(ii) The Litigation Trustee will follow the day to day direction of the VEBA Trust Representatives in prosecuting and defending the COP Litigation, including defending any counterclaims and third-party claims therein. The Litigation Trustee and VEBA Trust Representatives will meet, in person or by phone at reasonable times and with reasonable advance notice, with all or any of the LTGO Representative, the VEBA Trust Representatives and the City (the "**Litigation Parties**") as requested to discuss the status, progress and prosecution of the COP Litigation. The Litigation Trustee will provide copies of all court filings by any party in the COP Litigation and such other documents relating to the COP Litigation as may be reasonably requested by the Litigation Parties. Upon request from a Litigation Party, the Litigation Trustee will provide to such Litigation Party drafts of court papers that will be filed by the Litigation Trustee as early as practicable under the circumstances to allow for comments, which may be accepted or rejected.

(iii) The cost of all fees and expenses incurred in connection with the COP Litigation will be borne by the Disputed COP Claims Reserve, subject to the funding of the Disputed COP Claims Reserve pursuant to Section II.B.3.p.iii of the Plan. The City will advance payment of all such fees and expenses within 30 days of receipt of the statements for the same pending reimbursement from the Disputed COP Claims Reserve. Reimbursement of the City will be effected by an offset in the amount of fees and expenses paid to the date of such reimbursement against the amount to be paid by the City to the Disputed COP Claims Reserve on that date. In the event that the COP Litigation is unsuccessful and a final, nonappealable judgment is entered against the City or the Litigation Trust as successor in interest to the City, such that the notes in the Disputed COP Claims Reserve are subject to release and distribution in full to the holders of Allowed Class 9 Claims in accordance with the Plan, the City will reimburse the

Disputed COP Claims Reserve for any amounts withdrawn prior to the date of such adverse judgment.

(iv) The Litigation Trustee will submit invoices for the fees and expenses incurred in connection with the COP Litigation, including for the Litigation Trustee's professional fees to the City on a monthly basis, and the City will pay such invoice within 30 days after receipt, subject to reimbursement as provided in paragraph (c)(iii) above. The Litigation Trustee fees will be fixed and consented to by the LTGO Representative and the VEBA Trustee Representatives.

(v) The Litigation Trustee will consult with the Litigation Parties in connection with any potential settlement of the COP Litigation. The Litigation Trustee will provide the Litigation Parties advance notice as early as practicable under the circumstances of any settlement negotiations, and the Litigation Parties and their counsel will have the right to participate in such negotiations. Any potential settlement must resolve the settled claims in their entirety, including the release by the settling party of all counterclaims and third party claims relating to the settled claims that it made or could have made against anyone. The Litigation Trustee will not take action on the matters set forth below unless all of the Litigation Parties agree with the decision relating to (B), (C) and (D) below, and the LTGO Representative agrees with the settlement described in (A) below:

(A) Any settlement that releases from the Disputed COP Claims Reserve to any of the COP Holders a pro rata share of the B Notes (or equivalent currency) based on 40% or more of the face amount of their claim.

(B) Any change of COP Litigation counsel.

(C) Any decision not to appeal an adverse decision on any claim or defense related to the COP Litigation.

(D) Any decision to voluntarily dismiss a substantive claim or counterclaim or to end the COP Litigation

To the extent the Litigation Parties are unable to reach agreement on the above matters, the Litigation Trustee or any Litigation Party may refer the matter to the Independent Party for mediation. Subject to such mediation, the Litigation Trustee shall have the authority to take whatever action may be required to avoid potentially adverse or prejudicial consequences of inaction. If a consensual resolution cannot be reached, the Independent Party will decide a substantive resolution of the issue or issues based upon the Independent Party's assessment of the merits of the legal claims, counterclaims and legal liabilities in the COP Litigation, which decision will be binding on the Litigation Parties and Litigation Trustee.

The City, the COP Litigation counsel, the VEBA Trust Representatives and the LTGO Representative will take any steps that may be required to preserve applicable privileges of the City and the COP Litigation counsel.

(d) In the event any Holder of a Disputed COP Claim enters into a settlement of such claim with the City prior to the Effective Date, including pursuant to the Plan, the portion of the New B Notes allocable to such Disputed COP Claim if such Disputed COP Claim had been allowed in full that is not used to satisfy the Disputed COP Claim pursuant to the terms of such settlement shall be deposited into the Disputed COP Claims Reserve and then distributed from the Disputed COP Claims Reserve pursuant to Section 2.2(e).

(e) Following the occurrence of the Effective Date, upon a settlement, or the entry of an order by the trial court having jurisdiction over the objections to the Disputed COP Claims, resolving any objection to any disputed COP Claim (“**Resolved COP Claims**”) and after all distributions on account of Allowed Claims respecting such Resolved COP Claim have been made or provided for, any and all New B Notes and distributions thereon remaining in the Disputed COP Claims Reserve with respect to such Resolved COP Claim shall be distributed as follows, and valued at face value for the purposes of the distribution: (I) an amount of New B Notes and/or distributions thereon in an amount equal to the costs, fees and expenses related to the COP Litigation incurred from and after the Effective Date shall be distributed to the City to reimburse it for attorneys’ fees relating to the COP Litigation, subject to and in accordance with the provisions of Section 2.2(c)(iii) above; (II) following such distribution, the balance of the New B Notes and any distributions thereon remaining in the Disputed COP Claims Reserve allocated to or with respect to such Resolved COP Claim shall be distributed as follows: (i) 65% to the Detroit General VEBA and the Detroit Police and Fire VEBA in proportion with the New B Notes allocated to each pursuant to Sections II.B.3.s.ii.A and II.B.3.s.ii.B of the Plan; and (ii) 20% to the LTGO Claim Holders (the “**Reserve B Notes**”) to be allocated Pro Rata; and (iii) 15% is to be allocated as determined by the City.

Section 2.3 Confirmation Order and Findings. The Plan Confirmation Order shall (i) approve the terms and conditions of this Agreement, (ii) direct that each month monies for the payment of one-sixth of the next semi-annual debt service payable on the New LTGO Bonds must be segregated and deposited into a debt service fund and not be used for any purpose other than paying debt service on the New LTGO Bonds so long as any New LTGO Bonds remain outstanding, (iii) provide that Plan treatment of the Prior LTGO Bonds is part of a settlement of the Ambac Action as it relates to the Prior LTGO Bonds, (iv) provide that the Bankruptcy Court will have exclusive post-confirmation authority and power to enforce this Agreement and all Settlement-Related Documents and (v) be in form and substance reasonably satisfactory to the LTGO Parties.

Section 2.4 Conditions to Plan Effectiveness. The Plan shall provide that the effectiveness of the Plan is subject to the City having obtained all governmental and Emergency Manager consents and approvals required to carry out the terms of this Agreement.

## Section 2.5 Stay of Litigation, Proofs of Claim.

(a) The Ambac Action, as it pertains to the Prior LTGO Bonds, shall be stayed pending the issuance of an Approval Order or Plan Confirmation Order and the occurrence of the Effective Date, whereupon Ambac and the City shall ask the Bankruptcy Court to dismiss the Ambac Action as it pertains to the Prior LTGO Bonds without prejudice until the Approval Order or the Plan Confirmation Order, as applicable, is a Final Order, when such dismissal shall be deemed to be with prejudice. If the Ambac Action is dismissed without prejudice and subsequently refiled pursuant to this Agreement, then the statute of limitations for the causes of action asserted in the Ambac Action, and all other defenses based on the passage of time, shall be tolled for 60 days after the date of the event that would permit a refiling.

(b) As soon as practicable subsequent to the execution and delivery of this Agreement by each of the Parties, but in no event later than five (5) business days subsequent thereto, Ambac and the City shall take any and all action as is appropriate to (i) stay the Ambac Action as provided in subsection (a) above, (ii) maintain the status quo in the Ambac Action as it pertains to the Prior LTGO Bonds as of the execution of this Agreement, and (iii) ensure that no action (including separate litigation and any objection to proofs of claim filed by the LTGO Parties relating to the Prior LTGO Bonds) is undertaken or commenced inconsistent with seeking a stay of and maintaining the status quo of the Ambac Action as it pertains to the Prior LTGO Bonds; provided, however, that any such stay shall terminate on the first (1st) business day following termination of this Agreement.

(c) In the event (i) an Approval Motion is made by the City and denied by the Bankruptcy Court, (ii) an Approval Order is issued but is not consistent with this Agreement in any material respect or is overturned on appeal, (iii) a Plan consistent with this Agreement in all material respects is not confirmed by the Bankruptcy Court, or (iv) a Plan Confirmation Order is entered by the Bankruptcy Court but is not consistent in all material respects with this Agreement, or is overturned on appeal, then Ambac may resume the Ambac Action and terminate this Agreement by written notice to the other Parties.

(d) The LTGO Parties agree that all proofs of claims filed by any of them with respect to Prior LTGO Bonds shall be deemed resolved and fully satisfied by approval of this Agreement in the Confirmation Order or an Approval Order, as applicable, which is a Final Order.

## Section 2.6 Additional Covenants

(a) Paying Agent and Distribution Agent. The City shall pay the reasonable and customary fees and expenses (including reasonable attorneys' fees) of (i) the paying agent with respect to the Prior LTGO Bonds, (ii) the paying agent in respect of all transactions contemplated by this Agreement, and (iii) the Distribution Agent pursuant to the Distribution Agreement.

(b) Further Action. To the extent that the City has not taken all necessary action to authorize the execution, delivery and performance of this Agreement, it will do so.

### **ARTICLE III PLAN OF ADJUSTMENT AND PLAN SUPPORT**

Section 3.1 Plan Commitment Regarding Voting and Abstention From Objection. From and after the date hereof, and so long as the City has complied, and is complying, with its covenants and obligations under this Agreement, each LTGO Party shall withdraw its objections to the Plan regarding the treatment of the Prior LTGO Bonds no later than August 1, 2014. The Plan shall provide that such treatment, consistent with this Agreement, is the treatment for all LTGO Claim Holders. The Uninsured Bondholder will vote its Prior LTGO Bonds and Ambac will vote its Prior LTGO Bonds and reimbursement claims in support of such Plan treatment promptly following the execution of this Agreement or as otherwise agreed by the City. Upon the finalization of the terms of this Agreement, the Parties will file a stipulation and proposed order with the Bankruptcy Court that will permit each LTGO Party to modify its previous vote(s) and submit a vote in support of the Plan, pursuant to Federal Rule of Bankruptcy Procedure 3018. For the absence of doubt, nothing contained in this Agreement shall require any LTGO Party to vote for the treatment of any class of claims under the Plan other than the LTGO Bonds, or refrain from objecting to the Plan with respect to issues other than the treatment of the LTGO Bonds.

Section 3.2 Solicitation Required in Connection with Plan. Notwithstanding anything contained in this Article III or elsewhere in this Agreement to the contrary, this Agreement is not, and shall not be deemed to be, a solicitation of acceptances of the Plan.

Section 3.3 Plan Document Provisions. All Plan Documents, as they relate to the settlement embodied in this Agreement must (i) be in form and substance reasonably satisfactory to the LTGO Parties and to the City and be consistent with this Agreement, (ii) provide that the Plan treatment for Prior LTGO Bonds is part of a settlement of the pending Ambac Action as it pertains to the Prior LTGO Bonds.

### **ARTICLE IV DEFAULTS AND REMEDIES**

Section 4.1 Events of Default. The breach by any Party of any material agreement or covenant set forth in this Agreement will be an event of default ("**Event of Default**") under this Agreement.

Section 4.2 Remedies. The Parties acknowledge and agree that a breach of the provisions of this Agreement by any Party would cause irreparable damage to the other Parties and that such other Parties would not have an adequate remedy at law for such damage. Therefore, the obligations of the Parties set forth in this Agreement shall be enforceable by an order compelling specific performance issued by the

Bankruptcy Court, and appropriate injunctive relief may be applied for and granted in connection therewith. Such remedies shall be cumulative and not exclusive and shall be in addition to any other remedies that the Parties may have under this Agreement or otherwise. Any LTGO Party may exercise its rights hereunder on its own. Consistent with Section 904 of the Bankruptcy Code, the City hereby consents to the Bankruptcy Court enforcing the terms of this Agreement.

#### Section 4.3 Termination.

(a) This Agreement may be terminated by the mutual agreement of all of the LTGO Parties upon an Event of Default caused by the City. This Agreement may be terminated by less than all of the LTGO Parties as to such LTGO Party or LTGO Parties upon an Event of Default caused by the City if (i) an action or proceeding seeking to enforce the material agreement or covenant purported to be breached is brought by one or more LTGO Parties before the Bankruptcy Court, (ii) the Bankruptcy Court, after notice and a hearing, finds that an Event of Default caused by the City has occurred and (iii) either (A) the Bankruptcy Court declines to issue an order compelling specific performance by the City of the applicable agreement or covenant purported to be breached or (B) the Bankruptcy Court issues such an order compelling specific performance but the City fails to comply with the order.

(b) This Agreement may be terminated by the City if (i) any of the LTGO Parties fails to withdraw its objections to the Plan regarding the treatment of the Prior LTGO Bonds on or before August 1, 2014, or (ii) any of the LTGO Parties fails to submit a ballot to vote its Class 7 Claims to accept the Plan promptly following the execution of this Agreement or as otherwise agreed by the City. This Agreement may be terminated by the City upon an Event of Default caused by the LTGO Parties, or any of them, if (i) an action or proceeding seeking to enforce the material agreement or covenant purported to be breached is brought by the City before the Bankruptcy Court, (ii) the Bankruptcy Court finds, after notice and a hearing, that an Event of Default caused by the applicable LTGO Party has occurred and (iii) either (A) the Bankruptcy Court declines to issue an order compelling specific performance by the applicable LTGO Party of this Agreement or the applicable covenant purported to be breached or (B) the Bankruptcy Court issues such an order compelling specific performance but the applicable LTGO Party fails to comply with the order.

(c) Upon any such termination, Ambac may resume the Ambac Action unless it has been previously dismissed with prejudice or has been previously deemed dismissed with prejudice.

### **ARTICLE V REPRESENTATIONS AND WARRANTIES**

Section 5.1 Representations and Warranties of the City. The City represents and warrants to the LTGO Parties that:

(a) It is a municipal corporation of the State of Michigan.

(b) It has the power to execute and deliver this Agreement and to perform its obligations hereunder and it has taken or will take all necessary action to authorize such execution, delivery and performance.

(c) Such execution, delivery and performance do not violate or conflict with any law applicable to it, any order or judgment of any court or other agency of government applicable to it, or any material agreements specifically applicable to it or any of its assets.

(d) Other than (i) approvals of the State Treasurer, the Emergency Loan Board and the City Council to be obtained prior to delivery of the New LTGO Bonds, which the City reasonably expects to be obtained prior to the Effective Date, and (ii) the approval of the Bankruptcy Court, all governmental and Emergency Manager consents and approvals that are required to have been obtained by it as of the date of execution of this Agreement with respect to the execution, delivery and performance of this Agreement have been obtained and are in full force and effect and all conditions of any such consents and approvals have been complied with.

Section 5.2 Representations and Warranties of the LTGO Parties. Each of the LTGO Parties represents to the City that:

(a) It is duly organized and validly existing under the laws of the jurisdiction of its organization or incorporation.

(b) It has the power to execute and deliver this Agreement and to perform its obligations under this Agreement and it has taken all necessary corporate action to authorize such execution, delivery and performance.

(c) Such execution, delivery and performance do not violate or conflict with any law applicable to it, any provision of its constitutional documents, any order or judgment of any court or other agency of government applicable to it, or any agreements specifically applicable to it or any of its assets.

(d) All corporate or governmental consents and approvals that are required to have been obtained by it with respect to this Agreement have been obtained and are in full force and effect and all conditions of any such consents and approvals have been complied with.

Section 5.3 Representations and Warranties of Ambac. Ambac had and has standing to bring and resolve the Ambac Action as it pertains to the Prior LTGO Bonds that it insures.

Section 5.4 Mutual Representations and Warranties. Unless otherwise noted, each Party makes the following representations, warranties and covenants (on a several basis, with respect to such Party only) to each of the other Parties:

(a) Each person signing this Agreement warrants that he or she is legally competent and authorized to execute this Agreement on behalf of the Party whose name is subscribed at or above such person's signature.

(b) The Parties have not made any statement or representation to each other regarding any facts relied upon by them in entering into this Agreement, and each of them specifically does not rely upon any statement, representation or promise of the other Parties hereto or any other person in entering into this Agreement, except as expressly stated herein or in the exhibits hereto. Each party has relied upon its own investigation and analysis of the facts and not on any statement or representation made by any other party in choosing to enter into this Agreement and the transactions contemplated herein.

(c) The Parties and their respective attorneys have made such investigation of the facts pertaining to this Agreement and all of the matters pertaining thereto as they deem necessary.

## **ARTICLE VI EXCULPATION**

Section 6.1 Exculpation. The Plan will include the LTGO Excipated Parties as excuplated parties for acts and omissions (other than those constituting gross negligence or willful misconduct) in connection with the Plan as it relates to this Agreement and this Agreement.

Section 6.2 Releases. Upon the dismissal with prejudice or deemed dismissal with prejudice of the Ambac Action as it pertains to the Prior LTGO Bonds, Ambac and the City shall be deemed to have released each other, and each of their respective officials, officers, directors, employees and representatives, of and from any and all claims and causes of action related to the Prior LTGO Bonds and the Ambac Action.

## **ARTICLE VII DISMISSAL OF CASE AND TERMINATION**

Section 7.1 Effect of Dismissal of the Bankruptcy Case. In the event the Bankruptcy Case is dismissed, any Party may at any time within 60 days after such dismissal immediately terminate this Agreement by written notice to the other Parties.

Section 7.2 Effect of Termination. In the event of the termination of this Agreement by any Party pursuant to any provisions of this Agreement, this Agreement shall become null and void and be deemed of no force and effect, with no liability on the part of any Party hereto (or of any of its elected or appointed officials, directors, officers, employees, consultants, contractors, agents, legal and financial advisors or other representatives) arising from such termination, and no Party shall have any obligations to any other Party arising out of this Agreement. Upon termination, neither this Agreement nor any terms or provisions set forth herein shall be admissible in any dispute, litigation, proceeding or controversy among the Parties and nothing

contained herein shall constitute or be deemed to be an admission by any Party as to any matter, it being understood that the statements and resolutions reached herein were as a result of negotiations and compromises of the respective positions of the Parties. If the Ambac Action is reinstated, and this Agreement is terminated, then no Party hereto may (i) use this Agreement, any of its terms or any discussions or negotiations conducted in respect of this Agreement, or any part of the foregoing, in the Ambac Action; (ii) seek discovery with respect to any of the matters described in subsection (i) in the Ambac Action; or (iii) seek to admit any of the matters described in subsection (i) into evidence in the Ambac Action.

## **ARTICLE VIII MISCELLANEOUS**

Section 8.1 Amendments. This Agreement may not be modified, amended or supplemented except by a written agreement executed by each Party to be affected by such modification, amendment or supplement.

Section 8.2 No Admission of Liability.

(a) The execution of this Agreement is not intended to be, nor shall it be construed as, an admission or evidence in any pending or subsequent suit, action, proceeding or dispute of any liability, wrongdoing, or obligation whatsoever (including as to the merits of any claim or defense) by any Party to any other Party or any other person with respect to any of the matters addressed in this Agreement.

(b) None of this Agreement (including, without limitation, the recitals and exhibits hereto), the settlement or any act performed or document executed pursuant to or in furtherance of this Agreement or the settlement: (i) is or may be deemed to be or may be used as an admission or evidence of the validity of any claim or of any wrongdoing or liability of any Party; or (ii) is or may be deemed to be or may be used as an admission or evidence of any liability, fault or omission of any Party in any civil, criminal or administrative proceeding in any court, administrative agency or other tribunal. None of this Agreement, the settlement, or any act performed or document executed pursuant to or in furtherance of this Agreement or the settlement shall be admissible in any proceeding for any purposes, except to enforce the terms of the Agreement, and except that any Party may file this Agreement in any action for any purpose, including, but not limited to, in order to support a defense or counterclaim based on the principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction or any other theory of claim preclusion or issue preclusion or similar defense of counterclaim.

Section 8.3 Good Faith Negotiations. The Parties recognize and acknowledge that each of the Parties hereto is represented by counsel, and such Party received independent legal advice with respect to the advisability of entering into this Agreement. Each of the Parties acknowledges that the negotiations leading up to this Agreement were conducted regularly and at arm's length; this Agreement is made and executed by and of each Party's own free will; that each knows all of the relevant facts

and his or its rights in connection therewith, and that it has not been improperly influenced or induced to make this settlement as a result of any act or action on the part of any party or employee, agent, attorney or representative of any party to this Agreement. The Parties further acknowledge that they entered into this Agreement because of their desire to avoid the further expense and inconvenience of litigation and other disputes, and to compromise permanently and settle the claims between the Parties settled by the execution of this Agreement.

Section 8.4 Rights and Remedies. Nothing in this Agreement is intended to augment, impair any rights, remedies and interests, including without limitation, liens, of any of the Parties hereto other than with respect to the Prior LTGO Bonds.

Section 8.5 Third Party Beneficiaries. Nothing in this Agreement, express or implied, is intended or shall be construed to confer upon, or to give to, any Person other than the Parties hereto and their respective successors and assigns, any right, remedy or claim under or by reason of this Agreement or any covenant, condition or stipulation thereof; and the covenants, stipulations and agreements contained in this Agreement are and shall be for the sole and exclusive benefit of the Parties hereto and their respective successors and assigns.

Section 8.6 Governing Law; Retention of Jurisdiction; Service of Process. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Michigan, without giving effect to any principles of conflicts of law and applicable federal law. By its execution and delivery of this Agreement, each of the Parties hereby irrevocably and unconditionally agrees for itself that any legal action, suit or proceeding between any or all of the foregoing with respect to any matter under or arising out of or in connection with this Agreement or for recognition or enforcement of any judgment rendered in any such action, suit or proceeding, shall be brought in the Bankruptcy Court for that purpose only, and, by execution and delivery of this Agreement, each hereby irrevocably accepts and submits itself to the jurisdiction of such court, generally and unconditionally, with respect to any such action, suit or proceeding. In the event any such action, suit or proceeding is commenced, the Parties hereby agree and consent that service of process may be made, and personal jurisdiction over any Party hereto in any such action, suit or proceeding may be obtained, by service of a copy of the summons, complaint and other pleadings required to commence such action, suit or proceeding upon the Party at the address of such Party set forth in Section 8.11 hereof, unless another address has been designated by such Party in a notice given to the other Parties in accordance with Section 8.11 hereof. The City agrees that the Bankruptcy Court will have exclusive post-confirmation authority and power to enforce this Agreement and all Settlement-Related Documents and to hear and adjudicate any challenge, action, suit or proceeding brought by any third party challenging the validity or enforceability of any provision of this Agreement, until all New LTGO Bonds have been paid in full and all Plan Instruments are no longer outstanding. Pursuant to Section 904 of the Bankruptcy Code, the City hereby consents to the Bankruptcy Court enforcing the terms of this Agreement.

Section 8.7 Headings. The headings of the Articles and Sections of this Agreement are inserted for convenience only and are not part of this Agreement and do not in any way limit or modify the terms or provisions of this Agreement and shall not affect the interpretation hereof.

Section 8.8 Binding Agreement Successors and Assigns; Joint and Several Obligations. This Agreement shall be binding upon the execution and delivery of this Agreement by the Parties listed on the signature pages hereto. This Agreement is intended to bind and inure to the benefit of the Parties and their respective successors, assigns, administrators, constituents and representatives. The agreements, representations, covenants and obligations of the Parties under this Agreement are several only and not joint in any respect and none shall be responsible for the performance or breach of this Agreement by another.

Section 8.9 Entire Agreement. This Agreement shall constitute the full and entire agreement among the Parties with regard to the subject matter hereof, and supersedes all prior negotiations, representations, promises or warranties (oral or otherwise) made by any Party with respect to the subject matter hereof. No Party has entered into this Agreement in reliance on any other Party's prior representation, promise or warranty (oral or otherwise) except for those that may be expressly set forth in this Agreement.

Section 8.10 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original copy of this Agreement and all of which, when taken together, shall constitute one and the same Agreement. Copies of executed counterparts transmitted by telecopy or other electronic transmission service shall be considered original executed counterparts, provided receipt of copies of such counterparts is confirmed.

Section 8.11 Notices. All demands, notices, requests, consents, and other communications hereunder shall be in writing and shall be deemed to have been duly given (a) when personally delivered by courier service or messenger, (b) upon actual receipt (as established by confirmation of receipt or otherwise) during normal business hours, otherwise on the first business day thereafter if transmitted electronically (by e-mail transmission), by facsimile or telecopier, with confirmation of receipt, or (c) three (3) business days after being duly deposited in the mail, by certified or registered mail, postage prepaid-return receipt requested, to the following addresses, or such other addresses as may be furnished hereafter by notice in writing, to the following Parties:

The principal of and interest on the Bonds shall hereby be secured by the limited tax full faith and credit pledge of the City. The City pledges to pay the principal of and interest on the Bonds as a first budget obligation from its general funds and in case of insufficiency thereof, from the proceeds of an annual levy of ad valorem taxes on all taxable property of the City, subject to applicable constitutional, statutory and charter tax rate limitations.

Section 302. Designations, Date, Interest, Maturity and Other Terms of the Bonds to Satisfy the Claims. (a) The Bonds shall be designated “FINANCIAL RECOVERY BONDS (LIMITED TAX GENERAL OBLIGATION), SERIES 2014” and may bear such later or earlier dates and additional or alternative designations, series or subseries as the Authorized Officer may determine in the Supplemental Order, shall be issued in fully registered form and shall be consecutively numbered from “R-1” upwards, unless otherwise provided by the Authorized Officer in the Supplemental Order. Unless otherwise provided by the Authorized Officer in the Supplemental Order, interest on the Bonds shall be calculated on the basis of the actual number of days elapsed in a 360 day year. The Bonds shall be payable, as to principal and interest, in lawful money of the United States of America.

Interest on the Bonds shall be payable to such Registered Owners by check or draft drawn on the Paying Agent on each Interest Payment Date and mailed by first class mail or, upon the written request of the Owner of \$1,000,000 or more in aggregate principal amount of Bonds (with complete wiring instructions no later than the Regular Record Date for such Interest Payment Date), by wire transfer by the Paying Agent to such Owner. Such a request may provide that it will remain in effect with respect to subsequent Interest Payment Dates unless and until changed or revoked at any time prior to a Regular Record Date by subsequent written notice to the Paying Agent.

(e) Interest on Bonds not punctually paid or duly provided for on an Interest Payment Date shall forthwith cease to be payable to the Registered Owners on the Regular Record Date established for such Interest Payment Date, and may be paid to the Registered Owners as of the close of business on a date fixed by the Paying Agent (a "Special Record Date") with respect to the payment of such defaulted interest to be fixed by the Paying Agent, or may be paid at any time in any other lawful manner. The Paying Agent shall give notice to the Registered Owners at least seven days before any such Special Record Date.

(f) The principal of the Bonds shall be payable to the Registered Owners of the Bonds upon the presentation of the Bonds to the Paying Agent at the principal corporate trust office of the Paying Agent.

(g) The Bonds shall be subject to redemption prior to maturity or shall not be subject thereto, upon such terms and conditions as shall be determined by the Authorized Officer and confirmed in the Supplemental Order, provided, however, that redemption at the option of the City prior to maturity may occur on any Interest Payment Date for which notice is given as provided herein and such redemption shall be in whole.

Unless waived by any registered owner of Bonds to be redeemed, official notice of redemption shall be given by the Paying Agent on behalf of the City. Such notice shall be dated

and shall contain at a minimum the following information: original issue date; maturity dates; interest rates, CUSIP numbers, if any; certificate numbers, and in the case of partial redemption, the called amounts of each certificate; the redemption date; the redemption price or premium; the place where Bonds called for redemption are to be surrendered for payment; and that interest on Bonds or portions thereof called for redemption shall cease to accrue from and after the redemption date.

In addition, further notice shall be given by the Paying Agent in such manner as may be required or suggested by regulations or market practice at the applicable time, but no defect in such further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as prescribed herein.

Section 303. Execution, Authentication and Delivery of Bonds. The Bonds shall be executed in the name of the City by the manual or facsimile signatures of the Emergency Manager and the Finance Director of the City and authenticated by the manual signature of the Finance Director or an authorized representative of the Paying Agent, as the case may be, and a facsimile of the seal of the City shall be imprinted on the Bonds. Additional Bonds bearing the manual or facsimile signatures of the Emergency Manager or Mayor of the City and the Finance Director, and upon which the facsimile of the seal of the City is imprinted may be delivered to the Paying Agent for authentication and delivery in connection with the exchange or transfer of Bonds. The Paying Agent shall indicate on each Bond the date of its authentication.

Section 304. Authentication of the Bonds. (a) No Bond shall be entitled to any benefit under this Order or be valid or obligatory for any purpose unless there appears on such Bond a Certificate of Authentication substantially in the form provided for in Section 307 of this Order, executed by the manual or facsimile signature of the Finance Director or by an authorized signatory of the Paying Agent by manual signature, and such certificate upon any Bond shall be conclusive evidence, and the only evidence, that such Bond has been duly authenticated and delivered hereunder.

(b) The Paying Agent shall manually execute the Certificate of Authentication on each Bond upon receipt of a written direction of the Authorized Officer of the City to authenticate such Bond.

Section 305. Transfer of Registration and Exchanges on the Bonds. (a) The registration of each Bond is transferable only upon the Bond Registry by the Registered Owner thereof, or by his attorney duly authorized in writing, upon the presentation and surrender thereof at the designated corporate trust office of the Paying Agent together with a written instrument of transfer satisfactory to the Paying Agent, duly executed by the Registered Owner thereof or his attorney duly authorized in writing, and thereupon one or more fully executed and authenticated Bonds in any authorized denominations of like maturity and tenor, in equal aggregate principal amount shall be issued to the transferee in exchange therefor.

(b) Each Bond may be exchanged for one or more Bonds in equal aggregate principal amount of like maturity and tenor in one or more authorized denominations, upon the presentation and surrender thereof at the principal corporate trust office of the Paying Agent

together with a written instrument of transfer satisfactory to the Paying Agent, duly executed by the Registered Owner hereof or his attorney duly authorized in writing.

Section 306. Regulations with Respect to Exchanges and Transfers. (a) In all cases in which the privilege of exchanging Bonds or transferring the registration of Bonds is exercised, the City shall execute and the Paying Agent shall authenticate and deliver Bonds in accordance with the provisions of this Order. All Bonds surrendered in any such exchanges or transfers shall be forthwith canceled by the Paying Agent.

(b) For every exchange or transfer of Bonds, the City or the Paying Agent may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and, except as otherwise provided in this Order, may charge a sum sufficient to pay the costs of preparing each new Bond issued upon such exchange or transfer, which shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer.

(c) The Paying Agent shall not be required (i) to issue, register the transfer of or exchange any Bond during a period beginning at the opening of business 15 days before the day of the giving of a notice of redemption of Bonds selected for redemption as described in the form of Bonds contained in Section 307 of this Order and ending at the close of business on the day of that giving of notice, or (ii) to register the transfer of or exchange any Bond so selected for redemption in whole or in part, except the unredeemed portion of Bonds being redeemed in part. The City shall give the Paying Agent notice of call for redemption at least 20 days prior to the date notice of redemption is to be given.

Section 307. Form of the Bonds. The Bonds shall be in substantially the following form with such insertions, omissions, substitutions and other variations as shall not be inconsistent with this Order or as approved by an Authorized Officer in the Supplemental Order:

[Forms of Bonds]

[Unless this certificate is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC") to the City (as hereinafter defined), or its agent for registration of transfer, exchange, or payment and any certificate issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered owner hereof, Cede & Co., has an interest herein.]

Interest shall be computed on the basis of a 360-day year consisting of twelve 30 day months. For prompt payment of this Bond, both principal and interest, the full faith, credit and resources of the City are hereby irrevocably pledged.

This bond is one of a series of bonds aggregating the principal sum of \$\_\_\_\_\_, issued under and in full compliance with the Constitution and statutes of the State of Michigan, and particularly Section 36a of Act No. 279, Public Acts of Michigan, 1909, as amended (“Act 279”), for the purpose of satisfying certain LTGO Claims, as defined in the Order. Pursuant to the Order, the bonds of this series (the “Bonds”) are limited tax general obligations of the City, and the City is obligated to levy annually ad valorem taxes on all taxable property in the Issuer, subject to applicable constitutional, statutory and charter tax rate limitations.

The “Order” is an Order of the Emergency Manager issued on \_\_\_\_\_, 2014, supplemented by a Supplemental Order of an Authorized Officer of the City issued on \_\_\_\_\_, 2014, authorizing the issuance of the Bonds.

The bonds of this series shall be subject to redemption prior to maturity as follows:

The Bonds shall be subject to mandatory redemption, in part, by lot, on the redemption dates and in the Accretion Values set forth below, and at a redemption price equal to the Accretion Value thereof as of the date of redemption, without premium, plus accrued interest to the date fixed for redemption.

The Accretion Value of the Bonds to be redeemed on the dates set forth above shall be reduced by the Accretion Value of Term Bonds that has been redeemed (other than by mandatory sinking fund redemption) or otherwise acquired by the City and delivered to the Paying Agent prior to giving the notice of redemption described below. The City may satisfy any mandatory redemption requirement by the purchase and surrender of Term Bonds of the same maturity and interest rate in lieu of calling such Term Bonds for mandatory redemption.

*General Redemption Provisions.* In case less than the full amount of an outstanding bond is called for redemption, the Paying Agent, upon presentation of the bond called for redemption, shall register, authenticate and deliver to the registered owner of record a new bond in the principal amount of the portion of the original bond not called for redemption.

Notice of redemption shall be given to the registered owners of Bonds or portions thereof called for redemption by mailing of such notice not less than thirty (30) days but not more than sixty (60) days prior to the date fixed for redemption to the registered address of the registered owner of record. Bonds or portions thereof so called for redemption shall not bear interest after the date fixed for redemption, whether presented for redemption or not, provided funds are on hand with the Paying Agent to redeem such Bonds.

Reference is hereby made to the Order for the provisions with respect to the nature and extent of the security for the Bonds, the manner and enforcement of such security, the rights,

duties and obligations of the City, and the rights of the Paying Agent and the Registered Owners of the Bonds. As therein provided, the Order may be amended in certain respects without the consent of the Registered Owners of the Bonds. A copy of the Order is on file and available for inspection at the office of the Finance Director and at the principal corporate trust office of the Paying Agent.

The City and the Paying Agent may treat and consider the person in whose name this Bond is registered on the Bond Registry as the absolute owner hereof, whether this Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal hereof and interest hereon and for all other purposes whatsoever, and all such payments so made to such person or upon his order shall be valid and effectual to satisfy and discharge the liability hereon to the extent of the sum or sums so paid.

The registration of this Bond is transferable only upon the Bond Registry by the Registered Owner hereof or by his attorney duly authorized in writing upon the presentation and surrender hereof at the designated corporate trust office of the Paying Agent together with a written instrument of transfer satisfactory to the Paying Agent, duly executed by the Registered Owner hereof or his attorney duly authorized in writing, and thereupon one or more fully executed and authenticated Bonds in any authorized denominations of like maturity and tenor, in equal aggregate principal amount shall be issued to the transferee in exchange therefor as provided in the Order upon the payment of the charges, if any, therein prescribed.

It is hereby certified, recited and declared that all acts, conditions and things required by law to exist, happen and to be performed, precedent to and in the issuance of the Bonds do exist, have happened and have been performed in due time, form and manner as required by the Constitution and statutes of the State of Michigan, and that the total indebtedness of the City, including the Bonds does not exceed any constitutional, statutory or charter limitation.

This Bond is not valid or obligatory for any purpose until the Paying Agent's Certificate of Authentication on this Bond has been executed by the Paying Agent.

IN WITNESS WHEREOF, the City of Detroit, by its Emergency Manager, has caused this bond to be signed in the name of the City by the facsimile signatures of its Emergency Manager and Finance Director of the City, and a facsimile of its corporate seal to be printed hereon, all as of the Date of Original Issue.

Section 308. Registration. The City and the Paying Agent may treat and consider the Registered Owner of any Bond as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal (and premium, if any) thereof and interest thereon and for all other purposes whatsoever, and all such payments so made to such Bondowner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Section 309. Mutilated, Destroyed, Stolen or Lost Bonds. (a) Subject to the provisions of Act 354, Public Acts of Michigan, 1972, as amended and any other applicable law, if (i) any mutilated Bond is surrendered to the Paying Agent or the City and the Paying Agent and the City receive evidence to their satisfaction of the destruction, loss or theft of any Bond and (ii) there is delivered to the City and the Paying Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the City or the Paying Agent that such Bond has been acquired by a bona fide purchaser, the City shall execute and the Paying Agent shall authenticate and deliver in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Bond, a new Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding.

(b) If any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the City in its discretion may, instead of issuing a new Bond, pay such Bond.

(c) Any new Bond issued pursuant to this Section in substitution for a Bond alleged to be mutilated, destroyed, stolen or lost shall constitute an original additional contractual obligation on the part of the City, and shall be equally secured by and entitled to equal proportionate benefits with all other Bonds issued under this Order.

Section 310. Book-Entry-Only System Permitted. (a) If determined by the Authorized Officer in the Supplemental Order, the Bonds or portions of the Bonds shall be issued to a securities depository selected by the Authorized Officer (the "Security Depository") to be held pursuant to the book-entry-only system maintained by the Security Depository and registered in the name of the Security Depository or its nominee. Ownership interests in Bonds held under such book-entry-only system shall be determined pursuant to the procedures of the Security Depository and Article 8 of the applicable Uniform Commercial Code (such persons having such interests, "Beneficial Owners").

(b) If (i) the City and the Paying Agent receive written notice from the Security Depository to the effect that the Security Depository is unable or unwilling to discharge its responsibilities with respect to the Bonds under the book-entry-only system maintained by it or (ii) the Authorized Officer determines that it is in the best interests of the Beneficial Owners that they be able to obtain Bonds in certificated form, then the City may so notify the Security Depository and the Paying Agent, and, in either event, the City and the Paying Agent shall take appropriate steps to provide the Beneficial Owners with Bonds in certificated form to evidence their respective ownership interests in the Bonds. Whenever the Security Depository requests the City and the Paying Agent to do so, the Authorized Officer on behalf of the City and the Paying Agent will cooperate with the Security Depository in taking appropriate action after

reasonable notice to make available Bonds registered in whatever name or names the Beneficial Owners transferring or exchanging Bonds shall designate.

(c) Notwithstanding any other provision of the Order to the contrary, so long as the Bonds are held pursuant to the book-entry-only system maintained by the Security Depository:

(i) all payments with respect to the principal and interest on such Bonds and all notices with respect to such Bonds shall be made and given, respectively, to the Security Depository as provided in the representation letter from the City and the Paying Agent to the Security Depository with respect to such Bonds; and

(ii) all payments with respect to principal of the Bonds and interest on the Bonds shall be made in such manner as shall be prescribed by the Security Depository.

The Emergency Manager hereby finds and declares that it is necessary for the City to issue the Bonds hereunder in such sum as shall be determined and approved by the Emergency Manager, not in excess of \$632,000,000 (the “Maximum Aggregate Principal Amount”), and to evidence such debt by the issuance of the Bonds in one or more series not in excess of the Maximum Aggregate Principal Amount, in Authorized Denominations, pursuant to and in accordance with the provisions of Section 36a of Act 279, for the purpose of satisfying the Claims.

## **ARTICLE III**

### **AUTHORIZATION, REDEMPTION AND ASSIGNMENT OF THE BONDS**

Section 301. Authorization of Bonds to Satisfy the Claims and Pledge. The City hereby authorizes the issuance of the Bonds as hereinafter defined in such principal amount as shall be confirmed in the Supplemental Order to satisfy the Claims as determined by the Authorized Officer in the Supplemental Order or subsequently confirmed by the Authorized Officer to Bond Counsel. The principal of and interest on the Bonds shall hereby be secured by the limited tax full faith and credit pledge of the City.

The City pledges to pay the principal of and interest on the Bonds as a first budget obligation from its general funds and in case of insufficiency thereof, from the proceeds of an annual levy of ad valorem taxes on all taxable property of the City, subject to applicable constitutional, statutory and charter tax rate limitations.

Section 302. Designations, Date, Interest, Maturity and Other Terms of the Bonds to Satisfy the Claims. (a) The Bonds shall be designated “FINANCIAL RECOVERY BONDS,

SERIES 2014B” and may bear such later or earlier dates and additional or alternative designations, series or subseries as the Authorized Officer may determine in the Supplemental Order, shall be issued in fully registered form and shall be consecutively numbered from “R-1” upwards, unless otherwise provided by the Authorized Officer in the Supplemental Order. The Bonds shall be dated and issued in such denominations all as determined by the Authorized Officer and confirmed by the Authorized Officer in the Supplemental Order.

(b) The Bonds of each series shall mature on such Maturity Dates not in excess of 30 years from the Date of Original Issue and shall bear interest at the Interest Rate on a taxable basis, payable on the Interest Payment Dates, all as shall be determined and confirmed by the Authorized Officer in the Supplemental Order. Unless otherwise provided by the Authorized Officer in the Supplemental Order, interest on the Bonds shall be calculated on the basis of the actual number of days elapsed in a 360 day year. The Bonds shall be payable, as to principal and interest, in lawful money of the United States of America.

(c) Except as may be otherwise determined by the Authorized Officer in the Supplemental Order, interest on the Bonds shall be payable to the Registered Owner as of the 15th day of the month, whether or not a Business Day (a “Regular Record Date”), prior to each Interest Payment Date. Interest on the Bonds shall be payable to such Registered Owners by check or draft drawn on the Paying Agent on each Interest Payment Date and mailed by first class mail or, upon the written request of the Owner of \$1,000,000 or more in aggregate principal amount of Bonds (with complete wiring instructions no later than the Regular Record Date for such Interest Payment Date), by wire transfer by the Paying Agent to such Owner. Such a request may provide that it will remain in effect with respect to subsequent Interest Payment Dates unless and until changed or revoked at any time prior to a Regular Record Date by subsequent written notice to the Paying Agent.

(d) Interest on Bonds not punctually paid or duly provided for on an Interest Payment Date shall forthwith cease to be payable to the Registered Owners on the Regular Record Date established for such Interest Payment Date, and may be paid to the Registered Owners as of the close of business on a date fixed by the Paying Agent (a “Special Record Date”) with respect to the payment of such defaulted interest to be fixed by the Paying Agent, or may be paid at any time in any other lawful manner. The Paying Agent shall give notice to the Registered Owners at least seven days before any such Special Record Date.

(e) The principal of the Bonds shall be payable to the Registered Owners of the Bonds upon the presentation of the Bonds to the Paying Agent at the principal corporate trust office of the Paying Agent.

(f) The Bonds shall be subject to redemption and/or tender for purchase prior to maturity or shall not be subject thereto, upon such terms and conditions as shall be determined by the Authorized Officer and confirmed in the Supplemental Order.

Unless waived by any registered owner of Bonds to be redeemed, official notice of redemption shall be given by the Paying Agent on behalf of the City. Such notice shall be dated and shall contain at a minimum the following information: original issue date; maturity dates; interest rates, CUSIP numbers, if any; certificate numbers, and in the case of partial redemption,

the called amounts of each certificate; the redemption date; the redemption price or premium; the place where Bonds called for redemption are to be surrendered for payment; and that interest on Bonds or portions thereof called for redemption shall cease to accrue from and after the redemption date.

In addition, further notice shall be given by the Paying Agent in such manner as may be required or suggested by regulations or market practice at the applicable time, but no defect in such further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as prescribed herein.

Section 303. Execution, Authentication and Delivery of Bonds. The Bonds shall be executed in the name of the City by the manual or facsimile signatures of the Emergency Manager and the Finance Director of the City and authenticated by the manual signature of the Finance Director or an authorized representative of the Paying Agent, as the case may be, and a facsimile of the seal of the City shall be imprinted on the Bonds. Additional Bonds bearing the manual or facsimile signatures of the Emergency Manager or Mayor of the City and the Finance Director, and upon which the facsimile of the seal of the City is imprinted may be delivered to the Paying Agent for authentication and delivery in connection with the exchange or transfer of Bonds. The Paying Agent shall indicate on each Bond the date of its authentication.

Section 304. Authentication of the Bonds. (a) No Bond shall be entitled to any benefit under this Order or be valid or obligatory for any purpose unless there appears on such Bond a Certificate of Authentication substantially in the form provided for in Section 307 of this Order, executed by the manual or facsimile signature of the Finance Director or by an authorized signatory of the Paying Agent by manual signature, and such certificate upon any Bond shall be conclusive evidence, and the only evidence, that such Bond has been duly authenticated and delivered hereunder.

(b) The Paying Agent shall manually execute the Certificate of Authentication on each Bond upon receipt of a written direction of the Authorized Officer of the City to authenticate such Bond.

Section 305. Transfer of Registration and Exchanges on the Bonds. (a) The registration of each Bond is transferable only upon the Bond Registry by the Registered Owner thereof, or by his attorney duly authorized in writing, upon the presentation and surrender thereof at the designated corporate trust office of the Paying Agent together with a written instrument of transfer satisfactory to the Paying Agent, duly executed by the Registered Owner thereof or his attorney duly authorized in writing, and thereupon one or more fully executed and authenticated Bonds in any authorized denominations of like maturity and tenor, in equal aggregate principal amount shall be issued to the transferee in exchange therefor.

(b) Each Bond may be exchanged for one or more Bonds in equal aggregate principal amount of like maturity and tenor in one or more authorized denominations, upon the presentation and surrender thereof at the principal corporate trust office of the Paying Agent together with a written instrument of transfer satisfactory to the Paying Agent, duly executed by the Registered Owner hereof or his attorney duly authorized in writing.

Section 306. Regulations with Respect to Exchanges and Transfers. (a) In all cases in which the privilege of exchanging Bonds or transferring the registration of Bonds is exercised, the City shall execute and the Paying Agent shall authenticate and deliver Bonds in accordance with the provisions of this Order. All Bonds surrendered in any such exchanges or transfers shall be forthwith canceled by the Paying Agent.

(b) For every exchange or transfer of Bonds, the City or the Paying Agent may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and, except as otherwise provided in this Order, may charge a sum sufficient to pay the costs of preparing each new Bond issued upon such exchange or transfer, which shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer.

(c) The Paying Agent shall not be required (i) to issue, register the transfer of or exchange any Bond during a period beginning at the opening of business 15 days before the day of the giving of a notice of redemption of Bonds selected for redemption as described in the form of Bonds contained in Section 307 of this Order and ending at the close of business on the day of that giving of notice, or (ii) to register the transfer of or exchange any Bond so selected for redemption in whole or in part, except the unredeemed portion of Bonds being redeemed in part. The City shall give the Paying Agent notice of call for redemption at least 20 days prior to the date notice of redemption is to be given.

Section 307. Form of the Bonds. The Bonds shall be in substantially the following form with such insertions, omissions, substitutions and other variations as shall not be inconsistent with this Order or as approved by an Authorized Officer in the Supplemental Order:

[Forms of Bonds]

[Unless this certificate is presented by an authorized representative of The Depository Trust Company, a New York corporation (“DTC”) to the City (as hereinafter defined), or its agent for registration of transfer, exchange, or payment and any certificate issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered owner hereof, Cede & Co., has an interest herein.]

Pursuant to the Order, the bonds of this series (the "Bonds") are limited tax general obligations of the City, and the City is obligated to levy annually ad valorem taxes on all taxable property in the Issuer, subject to applicable constitutional, statutory and charter tax rate limitations.

The "Order" is an Order of the Emergency Manager issued on \_\_\_\_\_, 2014, supplemented by a Supplemental Order of an Authorized Officer of the City issued on \_\_\_\_\_, 2014, authorizing the issuance of the Bonds.

The bonds of this series shall be subject to redemption prior to maturity as follows:

*(a) Optional Redemption.* Bonds or portions of bonds in Authorized Denominations of multiples of \$1,000 or integral multiples of \$1.00 in excess thereof are subject to redemption prior to maturity, at the option of the Issuer, in such order as the Issuer may determine, and by lot within a maturity on any date after the Date of Original Issue, at a redemption price of par plus accrued interest to the date fixed for redemption.

*(b) Mandatory Redemption.* [TO BE DETERMINED]

*General Redemption Provisions.* In case less than the full amount of an outstanding bond is called for redemption, the Paying Agent, upon presentation of the bond called for redemption, shall register, authenticate and deliver to the registered owner of record a new bond in the principal amount of the portion of the original bond not called for redemption.

Notice of redemption shall be given to the registered owners of Bonds or portions thereof called for redemption by mailing of such notice not less than thirty (30) days but not more than

sixty (60) days prior to the date fixed for redemption to the registered address of the registered owner of record. Bonds or portions thereof so called for redemption shall not bear interest after the date fixed for redemption, whether presented for redemption or not, provided funds are on hand with the Paying Agent to redeem such Bonds.

Reference is hereby made to the Order for the provisions with respect to the nature and extent of the security for the Bonds, the manner and enforcement of such security, the rights, duties and obligations of the City, and the rights of the Paying Agent and the Registered Owners of the Bonds. As therein provided, the Order may be amended in certain respects without the consent of the Registered Owners of the Bonds. A copy of the Order is on file and available for inspection at the office of the Finance Director and at the principal corporate trust office of the Paying Agent.

The City and the Paying Agent may treat and consider the person in whose name this Bond is registered on the Bond Registry as the absolute owner hereof, whether this Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal hereof and interest hereon and for all other purposes whatsoever, and all such payments so made to such person or upon his order shall be valid and effectual to satisfy and discharge the liability hereon to the extent of the sum or sums so paid.

The registration of this Bond is transferable only upon the Bond Registry by the Registered Owner hereof or by his attorney duly authorized in writing upon the presentation and surrender hereof at the designated corporate trust office of the Paying Agent together with a written instrument of transfer satisfactory to the Paying Agent, duly executed by the Registered Owner hereof or his attorney duly authorized in writing, and thereupon one or more fully executed and authenticated Bonds in any authorized denominations of like maturity and tenor, in equal aggregate principal amount shall be issued to the transferee in exchange therefor as provided in the Resolution upon the payment of the charges, if any, therein prescribed.

It is hereby certified, recited and declared that all acts, conditions and things required by law to exist, happen and to be performed, precedent to and in the issuance of the Bonds do exist, have happened and have been performed in due time, form and manner as required by the Constitution and statutes of the State of Michigan, and that the total indebtedness of the City, including the Bonds does not exceed any constitutional, statutory or charter limitation.

This Bond is not valid or obligatory for any purpose until the Paying Agent's Certificate of Authentication on this Bond has been executed by the Paying Agent.

IN WITNESS WHEREOF, the City of Detroit, by its Emergency Manager, has caused this bond to be signed in the name of the City by the facsimile signatures of its Emergency Manager and Finance Director of the City, and a facsimile of its corporate seal to be printed hereon, all as of the Date of Original Issue.

Section 308. Registration. The City and the Paying Agent may treat and consider the Registered Owner of any Bond as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal (and premium, if any) thereof and interest thereon and for all other purposes whatsoever, and all such payments so made to such Bondowner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Section 309. Mutilated, Destroyed, Stolen or Lost Bonds. (a) Subject to the provisions of Act 354, Public Acts of Michigan, 1972, as amended and any other applicable law, if (i) any mutilated Bond is surrendered to the Paying Agent or the City and the Paying Agent and the City receive evidence to their satisfaction of the destruction, loss or theft of any Bond and (ii) there is delivered to the City and the Paying Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the City or the Paying Agent that such Bond has been acquired by a bona fide purchaser, the City shall execute and the Paying Agent shall authenticate and deliver in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Bond, a new Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding.

(b) If any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the City in its discretion may, instead of issuing a new Bond, pay such Bond.

(c) Any new Bond issued pursuant to this Section in substitution for a Bond alleged to be mutilated, destroyed, stolen or lost shall constitute an original additional contractual obligation on the part of the City, and shall be equally secured by and entitled to equal proportionate benefits with all other Bonds issued under this Order.

Section 310. Book-Entry-Only System Permitted. (a) If determined by the Authorized Officer in the Supplemental Order, the Bonds or portions of the Bonds shall be issued to a securities depository selected by the Authorized Officer (the "Security Depository") to be held pursuant to the book-entry-only system maintained by the Security Depository and registered in the name of the Security Depository or its nominee. Ownership interests in Bonds held under such book-entry-only system shall be determined pursuant to the procedures of the Security Depository and Article 8 of the applicable Uniform Commercial Code (such persons having such interests, "Beneficial Owners").

(b) If (i) the City and the Paying Agent receive written notice from the Security Depository to the effect that the Security Depository is unable or unwilling to discharge its responsibilities with respect to the Bonds under the book-entry-only system maintained by it or (ii) the Authorized Officer determines that it is in the best interests of the Beneficial Owners that they be able to obtain Bonds in certificated form, then the City may so notify the Security Depository and the Paying Agent, and, in either event, the City and the Paying Agent shall take appropriate steps to provide the Beneficial Owners with Bonds in certificated form to evidence their respective ownership interests in the Bonds. Whenever the Security Depository requests the City and the Paying Agent to do so, the Authorized Officer on behalf of the City and the Paying Agent will cooperate with the Security Depository in taking appropriate action after

reasonable notice to make available Bonds registered in whatever name or names the Beneficial Owners transferring or exchanging Bonds shall designate.

(c) Notwithstanding any other provision of the Order to the contrary, so long as the Bonds are held pursuant to the book-entry-only system maintained by the Security Depository:

(i) all payments with respect to the principal and interest on such Bonds and all notices with respect to such Bonds shall be made and given, respectively, to the Security Depository as provided in the representation letter from the City and the Paying Agent to the Security Depository with respect to such Bonds; and

(ii) all payments with respect to principal of the Bonds and interest on the Bonds shall be made in such manner as shall be prescribed by the Security Depository.

The City hereby authorizes the issuance of the Bonds as hereinafter defined in such principal amount as shall be confirmed in the Supplemental Order to satisfy a portion of the COP Claims as determined by the Authorized Officer in the Supplemental Order or subsequently confirmed by the Authorized Officer to Bond Counsel. The principal of and interest on the Bonds shall hereby be payable from (i) the City Parking Revenues and (ii) secured by the limited tax full faith and credit pledge of the City.

In the event of insufficient City Parking Revenues, the City pledges to pay the principal of and interest on the Bonds as a first budget obligation from its general funds and in case of insufficiency thereof, from the proceeds of an annual levy of ad valorem taxes on all taxable property of the City, subject to applicable constitutional, statutory and charter tax rate limitations.

Section 302. Designations, Date, Interest, Maturity and Other Terms of the Bonds to Satisfy the Claims. (a) The Bonds shall be designated "FINANCIAL RECOVERY BONDS, SERIES 2014C" and may bear such later or earlier dates and additional or alternative designations, series or subseries as the Authorized Officer may determine in the Supplemental Order, shall be issued in fully registered form and shall be consecutively numbered from "R-1" upwards, unless otherwise provided by the Authorized Officer in the Supplemental Order. The Bonds shall be dated and issued in Authorized Denominations all as determined by the Authorized Officer and confirmed by the Authorized Officer in the Supplemental Order.

(b) The Bonds of each series shall mature on the Maturity Date not more than 13 years from the Date of Original Issue and shall bear interest at the Interest Rate on a taxable basis, payable on the Interest Payment Dates, all as shall be determined and confirmed by the Authorized Officer in the Supplemental Order. Unless otherwise provided by the Authorized Officer in the Supplemental Order, interest on the Bonds shall be calculated on the basis of a 360-day year and twelve 30-day months. The Bonds shall be payable, as to principal and interest, in lawful money of the United States of America.

(c) Except as may be otherwise determined by the Authorized Officer in the Supplemental Order, interest on the Bonds shall be payable to the Registered Owner as of the 15th day of the month, whether or not a Business Day (a "Regular Record Date"), prior to each Interest Payment Date. Interest on the Bonds shall be payable to such Registered Owners by check or draft drawn on the Paying Agent on each Interest Payment Date and mailed by first class mail or, upon the written request of the Owner of \$1,000,000 or more in aggregate principal amount of Bonds (with complete wiring instructions no later than the Regular Record Date for such Interest Payment Date), by wire transfer by the Paying Agent to such Owner. Section 308. Registration. The City and the Paying Agent may treat and consider the Registered Owner of any Bond as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal (and premium, if any) thereof and interest thereon and for all other purposes whatsoever, and all such payments so made to such Bondowner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Section 309. Mutilated, Destroyed, Stolen or Lost Bonds. (a) Subject to the provisions of Act 354, Public Acts of Michigan, 1972, as amended and any other applicable law, if (i) any mutilated Bond is surrendered to the Paying Agent or the City and the Paying Agent and the City receive evidence to their satisfaction of the destruction, loss or theft of any Bond and (ii) there is delivered to the City and the Paying Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the City or the Paying Agent that such Bond has been acquired by a bona fide purchaser, the City shall execute and the Paying Agent shall authenticate and deliver in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Bond, a new Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding.

(b) If any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the City in its discretion may, instead of issuing a new Bond, pay such Bond.

(c) Any new Bond issued pursuant to this Section in substitution for a Bond alleged to be mutilated, destroyed, stolen or lost shall constitute an original additional contractual obligation on the part of the City, and shall be equally secured by and entitled to equal proportionate benefits with all other Bonds issued under this Order.

Section 310. Book-Entry-Only System Permitted. (a) If determined by the Authorized Officer in the Supplemental Order, the Bonds or portions of the Bonds shall be issued to a securities depository selected by the Authorized Officer (the "Security Depository") to be held pursuant to the book-entry-only system maintained by the Security Depository and registered in the name of the Security Depository or its nominee. Ownership interests in Bonds held under such book-entry-only system shall be determined pursuant to the procedures of the Security Depository and Article 8 of the applicable Uniform Commercial Code (such persons having such interests, "Beneficial Owners").

(b) If (i) the City and the Paying Agent receive written notice from the Security Depository to the effect that the Security Depository is unable or unwilling to discharge its responsibilities with respect to the Bonds under the book-entry-only system maintained by it or (ii) the Authorized Officer determines that it is in the best interests of the Beneficial Owners that they be able to obtain Bonds in certificated form, then the City may so notify the Security Depository and the Paying Agent, and, in either event, the City and the Paying Agent shall take appropriate steps to provide the Beneficial Owners with Bonds in certificated form to evidence their respective ownership interests in the Bonds. Whenever the Security Depository requests the City and the Paying Agent to do so, the Authorized Officer on behalf of the City and the Paying Agent will cooperate with the Security Depository in taking appropriate action after

reasonable notice to make available Bonds registered in whatever name or names the Beneficial Owners transferring or exchanging Bonds shall designate.

(c) Notwithstanding any other provision of the Order to the contrary, so long as the Bonds are held pursuant to the book-entry-only system maintained by the Security Depository:

(i) all payments with respect to the principal and interest on such Bonds and all notices with respect to such Bonds shall be made and given, respectively, to the Security Depository as provided in the representation letter from the City and the Paying Agent to the Security Depository with respect to such Bonds; and

(ii) all payments with respect to principal of the Bonds and interest on the Bonds shall be made in such manner as shall be prescribed by the Security Depository.

## ARTICLE 1 – GENERAL PROVISIONS

### Sec. 1.1. General Retirement System Established; Adoption of 2014 Combined Plan Document

Effective July 1, 1938, a General Retirement System for the employees of the City of Detroit was established for the purpose of providing retirement and survivor benefits for eligible City employees and their beneficiaries. The provisions of the Detroit General Retirement System, as in effect July 1, 2014, are set forth in this Combined Plan Document. Component I of the Combined Plan Document applies to benefits accrued by Members on and after July 1, 2014 and to operation of the Detroit General Retirement System on and after July 1, 2014. Component II of the Combined Plan Document applies to benefits accrued by Members prior to July 1, 2014. Except as specifically provided in Component II, benefits provided under Component II of the Combined Plan Document are frozen effective June 30, 2014.

This Combined Plan Document shall replace in its entirety Chapter 47 of the Detroit City Code as in effect on June 30, 2014 and any conflicting provisions in any collective bargaining agreements covering Members (including, without limitation, the City Employment Terms that applied to Members effective July 18, 2012). All resolutions and policies of the Retirement Board previously adopted which are inconsistent with the provisions of this Combined Plan Document are also hereby also repealed to the extent of such inconsistency.

### Sec. 1.2. Retirement System Intended to be Tax-Qualified

The Retirement System is a governmental plan under Section 414(d) of the Internal Revenue Code which is intended to be a qualified plan and trust pursuant to applicable provisions of the Internal Revenue Code. The Board shall construe and administer the provisions of the Retirement System in a manner that gives effect to the tax-qualified status of the Retirement System.

### Sec. 1.3. Board of Trustees

Effective July 1, 1938, a Board of Trustees of the Detroit General Retirement System was created. The Board is vested with responsibility for the general administration, management and operation of the Detroit General Retirement System and with the trust and investment powers conferred in this Combined Plan Document.

### Sec. 1.4. Board of Trustees – Membership; Appointment

The Board of Trustees of the Detroit General Retirement System shall consist of ten Trustees, as follows:

- (3) The City Treasurer, *ex officio*;
- (4) Five active employee members of the Retirement System to be elected by the Members in accordance with such rules and regulations as may be adopted by the Board. No more than one Trustee shall be elected from any one City Department;
- (5) One Detroit resident, appointed by the Mayor subject to the approval of the Board, who is neither an employee of the City nor is eligible to receive benefits under the Retirement System; and

- (3) *Ballot.* Each candidate whose name appears on the ballot at any election held for the office of Retiree Trustee shall be identified by the title of the position held by the Retiree at the time of retirement and by the word "incumbent" if the candidate is a current trustee seeking re-election. No ballot shall contain any organizational or political designation or mark. Rotation and arrangement of names on the ballot shall be in accordance with the rules and regulations of the Board.
- (4) *Voting.* Procedures regarding mailing of ballots, poll lists, custody of ballots, marking of ballots, return of ballots, handling of return envelopes received, and sealed ballot boxes shall be the same as those adopted and followed by the Board in the immediately preceding election of an active employee Trustee.

If an active employee Trustee leaves the employ of the City, or if an elected or appointed Trustee fails to attend four consecutive scheduled Board meetings without being excused for cause by the Trustees attending such meetings, the Trustee shall be considered to have resigned from the Board. - (2) In the event a person becomes entitled to a pension payable by the Retirement System because of an accident or injury caused by the act of a third party, the Retirement System shall be subrogated to the rights of said person against such third party to the extent of the benefit which the Retirement System pays or becomes liable to pay.

## ARTICLE 8 – FORMS OF PAYMENT

### Sec. 8.1. Retirement Allowance Options

- (1) Until the date the first Retirement Allowance payment check is issued, any Member may elect to receive a *Straight Life Retirement Allowance* payable throughout life, or the Member may elect to receive the Actuarial Equivalent of the *Straight Life Retirement Allowance* computed as of the effective date of retirement, in a reduced Retirement Allowance payable throughout life, and nominate a Beneficiary, in accordance with the options set forth below:
  - (a) *Option One. Cash Refund Annuity.* If a Retiree who elected a Cash Refund Annuity dies before payment of the Accumulated Contributions made to the Retirement System on and after July 1, 2014 has been received in an aggregate amount equal to, but not exceeding the Retiree's Accumulated Mandatory Employee Contributions at the time of retirement, the difference between said Accumulated Mandatory Employee Contributions and the aggregate amount of annuity payments already received, shall be paid in a single lump sum to a Beneficiary nominated by written designation duly executed by the Member and filed with the Board. If there are no such designated Beneficiaries surviving said Retiree, any such difference shall be paid to the Retiree's estate.
  - (b) *Option Two. Joint and One Hundred Percent Survivor Allowance.* Upon the death of a Retiree who elected a *Joint and One Hundred Percent Survivor Allowance*, one hundred percent of the reduced Retirement Allowance shall be paid to and continued throughout the life of the Beneficiary nominated by written designation duly executed and filed with the Board prior to the date the first payment of the Retirement Allowance becomes due.
  - (c) *Option "A". Joint and Seventy-Five Percent Survivor Allowance.* Upon the death of a Retiree who elected a *Joint and Seventy-Five Percent Survivor Allowance*, seventy-five percent of the reduced Retirement Allowance shall be continued throughout the life of and paid to the Beneficiary nominated by written designation duly executed by the Member and filed with the Board prior to the date the first payment of the Retirement Allowance becomes due.
  - (d) *Option Three. Joint and Fifty Percent Survivor Allowance.* Upon the death of a Retiree who elected a *Joint and Fifty Percent Survivor Allowance*, fifty percent of the reduced Retirement Allowance shall be continued throughout the life of and paid to the Beneficiary nominated by written designation duly executed by the Member and filed with the Board prior to the date the first payment of the Retirement Allowance becomes due.
  - (e) *Option "B". Joint and Twenty-Five Percent Survivor Allowance.* Upon the death of a Retiree who elected a *Joint and Twenty-Five Percent Survivor Allowance*, twenty-five percent of the reduced Retirement Allowance shall be paid throughout the life of the Beneficiary nominated by written designation duly executed and filed with the Board prior to the date the first payment of the Retirement Allowance becomes due.
- (2) *Joint and Survivor Optional Forms of Payment.* The *Joint and Survivor Optional Forms of Payment* provided under the Retirement System shall be made available in either the standard form or the pop-up form, as follows:

- (a) *Standard Form.* Under the *Standard Form*, the reduced Retirement Allowance shall be paid throughout the lifetime of the Retiree.
- (b) *Pop-up Form.* Under the *Pop-up Form*, the reduced Retirement Allowance shall be paid throughout the lifetime of the Retiree and the designated Beneficiary. In the event of the death of the designated Beneficiary during the lifetime of the Retiree, the amount of the Retirement Allowance shall be changed to the amount that would have been payable had the Retiree elected the *Straight Life Retirement Allowance Form of Payment*.
- (3) *Coordination of Benefits.* According to such rules and regulations as the Board shall adopt, until the first payment of a Retirement Allowance becomes due, but not thereafter, a Member under Age sixty-five may elect to have the Member's *Straight Life Retirement Allowance* provided for in this Retirement System equated on an Actuarial Equivalent basis to provide an increased Retirement Allowance payable to Age sixty-two or Age sixty-five, and to provide a decreased Retirement Allowance thereafter. The increased Retirement Allowance payable to such Age shall approximate the total of the decreased Retirement Allowance payable thereafter and the estimated social security benefit. If a Member elects to receive increased and then decreased Retirement Allowance payments provided for in this paragraph, he or she may also elect to have such payments reduced by electing one of the optional forms of payment provided for in paragraph (1) of this Section 8.1. This coordination of benefits option shall not create any additional actuarial costs.

#### **Sec. 8.2. Disposition of Surplus Benefits upon Death of Retiree and Beneficiary**

If under a Joint and One Hundred Percent Survivor allowance, a Joint and Seventy-Five Percent Survivor allowance, a Joint and Fifty Percent Survivor allowance, or a Joint and Twenty-Five Percent Survivor allowance as provided for under Section 8.1(1), both a Retiree and his Beneficiary die before they have received in Retirement Allowance payments an aggregate amount equal to the Retiree's Accumulated Mandatory Employee Contributions at the time of retirement, the difference between the said Accumulated Mandatory Employee Contributions and the aggregate amount of Retirement Allowances paid to the Retiree and Beneficiary, shall be paid in a single lump sum to such person or persons nominated by written designation of the Retiree duly executed and filed with the Board. If there are no such person or persons surviving the Retiree and the Beneficiary, any such difference shall be paid to the estate of the second to die of the Retiree or Beneficiary.

## ARTICLE 9 – FUNDING AND RESERVES

### Sec. 9.1. Funding Objective of the Retirement System

The funding objective of Component I of the Retirement System is to establish and receive Employer and Member contributions during each Plan Year that are sufficient to fully cover the actuarial cost of benefits anticipated to be paid on account of Credited Service rendered by Members during the Plan Year (the normal cost requirements of the Retirement System), and amortize the unfunded actuarial costs of benefits likely to be paid on account of Credited Service rendered on or after July 1, 2014 and before the first day of the Plan Year (the unfunded actuarial accrued liability of Component I of the Retirement System).

### Sec. 9.2. Funds

Component I of the Retirement System shall consist of the Accumulated Mandatory Employee Contribution Fund, the Accumulated Voluntary Employee Contribution Fund, the Pension Accumulation Fund, the Rate Stabilization Fund, the Expense Fund, and the Income Fund, as follows:

- (1) The Accumulated Mandatory Employee Contribution Fund shall be the Fund in which shall be accumulated the contributions of Members to provide their Retirement Allowances. Upon the Retirement, termination, or death of a Member with a vested Retirement Allowance, the Member's Accumulated Mandatory Employee Contributions shall be deemed to be part of the Pension Reserve which shall be used to pay the Member's Retirement Allowance.
- (2) The Accumulated Voluntary Employee Contribution Fund shall be the Fund in which shall be accumulated the voluntary after-tax contributions of Members together with earnings thereon.
- (3) The Pension Accumulation Fund shall be the fund in which shall be accumulated reserves for the Retirement Allowances and other benefits payable from that portion of the Employer's annual contribution that is not credited to the Rate Stabilization Fund, and from which shall be paid Retirement Allowances and other benefits on account of Members.
- (4) The Rate Stabilization Fund shall be the Fund to which shall be credited Employer contributions in excess of the amount of the Employer's contribution which is credited to the Pension Accumulation Fund.
- (5) The Expense Fund shall be the fund to which shall be credited any money provided by the Employer to pay the administrative expenses of the Retirement System, and from which shall be paid certain expenses incurred in connection with the administration and operation of the Retirement System.
- (6) The Income Fund shall be the Fund to which shall be credited all interest, dividends, and other income derived from the investments of Component I of the Retirement System and any earnings thereon, all gifts and bequests received by Component I of the Retirement System, and all other moneys credited to Component I of the Retirement System, the disposition of which is not specifically provided for in this Article 9. There shall be paid or transferred from the Income Fund, all amounts required to credit earnings and losses to the various Funds of the Retirement System in accordance with the provisions of Component I of this Combined Plan Document.

### **Sec. 9.3. Method of Financing Retirement System Benefits**

- (1) The pension liabilities for Members shall be determined by the Plan's Actuary using the entry-age normal cost method of actuarial valuation.
- (2) The Employer's annual contribution to finance the prospective pension liabilities for the nine Plan Year period commencing July 1, 2014 and ending June 30, 2023 shall be five percent of the Compensation of active Members for the applicable Plan Year. A portion of the Employer's annual contribution for each Plan Year shall be credited to the Rate Stabilization Fund. The remainder of the City's annual contribution shall be allocated to the Pension Accumulation Fund.
- (3) Except as provided in Section 9.5, for each Plan Year, a Member shall contribute to the Retirement System an amount equal to four percent of his or her Compensation for such Plan Year. A Member's Mandatory Employee Contributions for the Plan Year beginning July 1, 2014 and ending June 30, 2015 shall commence as of July 14, 2014. The officer or officers responsible for processing the payroll shall cause a Member's Mandatory Employee Contributions to be deducted from the Member's Compensation on each and every payroll, for each and every payroll period, from the date of his participation in the Retirement System to the date he ceases to be a Member. The contribution shall be deducted from the Members' Compensation, notwithstanding that the minimum compensation provided by law for any Member shall be reduced thereby. Payment of compensation, less said Mandatory Employee Contributions, shall be a complete discharge of all claims and demands whatsoever for the services rendered by the said Member during the period covered by such payment. Member Mandatory Employee Contributions will be used for the purpose of funding the normal cost of the Retirement System.

### **Sec. 9.4. Member Contributions Picked-Up**

- (1) The Employer shall pick up Member Mandatory Employee Contributions required pursuant to Sections 9.3(3) and 9.5 in accordance with Code Section 414(h).
- (2) The picked-up contributions, although designated as employee contributions shall be treated as City contributions for the purpose of determining a Member's tax treatment under the Internal Revenue Code. The City shall pay the contributions picked-up on behalf of a Member from the same source of funds that are used for paying compensation to the Member.
- (3) The Employer shall pick up Member Mandatory Employee Contributions by a reduction in the Member's cash salary or an offset against a future salary increase, or both. The Employer shall designate Mandatory Employee Contributions that are picked-up and paid to the Retirement System as employer contributions and not as employee contributions. No Member who participates in the Retirement System shall have the option of choosing to receive the contributed amounts directly instead of having those amounts paid by the City to the Retirement System.

### **Sec. 9.5. Fiscal Responsibility: Increased Funding Obligations and Benefit Reductions**

- (1) To safeguard the long-term actuarial and financial integrity of the Retirement System, in the event the funding level of Component I of the Retirement System projected over a five year period falls below one hundred percent (100%), the following remedial action shall be required in the order set forth below, beginning with the Plan Year following the Plan Year in which such determination is made and continuing until the funding level is restored to not less than one hundred percent (100%):

- (a) the Trustee may not award the variable pension improvement factor (escalator) described in Section 6.2 to any Retiree;
  - (b) all amounts credited to the Rate Stabilization Fund shall be transferred to the Pension Accumulation Fund for the purposes of funding benefits payable under Component I of the Retirement System; and
  - (c) Member Mandatory Contributions shall be increased from four percent (4%) of Compensation to five percent (5%) of Compensation for the next following five Plan Years.
- (2) In the event the funding level of the Retirement System determined as provided in Section 9.5(1) is projected to fall below eighty percent (80%), the following remedial action shall be required in the order set forth below, beginning with the Plan Year following the Plan Year in which such determination is made and continuing until the funding level is restored to not less than eighty percent (80%):
- (a) the remedial action required in Section 9.5(1) shall be implemented or continued;
  - (b) the Retirement Allowance payable to a Retiree shall not include the variable pension improvement factor (escalator) that was most recently added to the Retiree's Retirement Allowance for a Plan Year;
  - (c) Member Mandatory Employee Contributions shall be increased from five percent (5%) of Compensation to six percent (6%) of Compensation for the next following five Plan Years;
  - (d) the Retirement Allowance payable to a Retiree shall not include the variable pension improvement factor (escalator) that was most recently added to the Retiree's Retirement Allowance for the Plan Year preceding the Plan Year referenced in paragraph (b) above; and
  - (e) the Retirement Allowance accrued by Members for up to a five Plan-Year-period shall be determined as provided in Section 6.1, except that one percent (1%) shall be substituted for one and one-half percent (1.5%) wherever it appears in said Section 6.1.
- In determining whether the eighty percent (80%) funding level under this Section 9.5(2) has been achieved, the Plan's Actuary shall calculate the funding percentage of the Retirement System after taking into account the elimination of the variable pension improvement factor (escalator) pursuant to Section 9.5(1)(a) but prior to taking into account the remedial steps provided in Sections 9.5(1)(b) and (c).
- (3) For purposes of this Section 9.5, the "funding level" shall mean the ratio of the market value of the assets of Component I of the Retirement System to the actuarial accrued liability of Component I of the Retirement System. The actuarial accrued liability shall be calculated by the Plan's Actuary utilizing an interest rate assumption of six and three-quarters percent (6.75%) and other reasonable assumptions as directed by the Board upon the recommendation of the Investment Committee. The market value of assets shall be determined on the basis of a three-year look back period of smoothed investment returns.

## **ARTICLE 10 – VOLUNTARY EMPLOYEE CONTRIBUTIONS**

### **Sec. 10.1. Voluntary Employee Contributions; Amount; Vesting**

Subject to procedures established by the Board, a Member may elect to reduce his Compensation for any Plan Year by a whole percentage equal to three percent (3%), five percent (5%) or seven percent (7%) and have such amount contributed by the Employer to a Voluntary Employee Contribution Account maintained on his behalf under Component I of the Retirement System. Voluntary Employee Contributions shall be made to the Retirement System on an after-tax basis. Amounts credited to a Member's Voluntary Employee Contribution Account shall be one hundred percent (100%) vested at all times.

### **Sec. 10.2. Changing an Election to Contribute**

A Member may change or revoke an election to make Voluntary Employee Contributions to the Retirement System pursuant to this Article 10 in such manner and with such advance notice as the Board shall determine. Notwithstanding the foregoing, a Member shall be permitted to change such election not less frequently than annually.

### **Sec. 10.3. Individual Member Accounting; Crediting of Earnings**

The Board shall maintain a Voluntary Employee Contribution Account on behalf of each Member who elects to make Voluntary Employee Contributions to the Retirement System. Each Plan Year, a Member's Voluntary Employee Contribution Account shall be credited with earnings at a rate equal to the actual net investment rate of return on the assets of the Retirement System for the second fiscal year immediately preceding the fiscal year in which the earnings are credited; in no event, however, shall the earnings rate credited to a Member's Voluntary Employee Contribution Account for any Plan Year be less than zero percent (0%) nor greater than five and one-quarter percent (5.25%).

### **Sec. 10.4. Distribution of Accumulated Voluntary Employee Contributions**

- (1) If a Member ceases to be an Employee other than by reason of death, the Member may elect to receive distribution of the Accumulated Voluntary Employee Contributions made to the Retirement System by such Member. If a Member elects to receive his Accumulated Voluntary Employee Contributions, such amounts shall be paid to the Member in a lump sum payment or in equal monthly installments for a period not to exceed three years, according to such rules and regulations as the Board may adopt from time to time.
- (2) In lieu of receiving distribution of his Accumulated Voluntary Employee Contributions as provided in Section 10.4(1), a Member may elect to have the actuarial equivalent value of his Accumulated Voluntary Employee Contributions added to his Retirement Allowance and paid in the form of an annuity described in Section 8.1.
- (3) If a Member dies while employed by the Employer or following termination of employment but prior to receiving distribution of the Member's Accumulated Voluntary Employee Contributions, the amounts credited to the Member's Accumulated Voluntary Employee Contribution Account at the time of death shall be paid to the Beneficiary nominated in a written designation duly executed by the Member and filed with the Board. In the event there is no such designated Beneficiary surviving, the Member's Accumulated Voluntary Employee Contributions shall be paid to the Member's estate. If a Member who dies without a legal will has not nominated a Beneficiary, the Member's Accumulated Voluntary Employee Contributions at the time of death

may be used to pay burial expenses if the Member leaves no other estate sufficient for such purpose. Such expenses shall not exceed a reasonable amount as determined by the Board.

## **ARTICLE 11 – LOAN PROGRAM FOR VOLUNTARY EMPLOYEE CONTRIBUTIONS**

### **Sec. 11.1. The Loan Program**

A loan program shall be available to Members who have amounts credited to a Voluntary Employee Contributions Account. The Board is authorized to adopt rules and regulations, from time to time, to govern the administration and the operation of the loan program. Copies of the rules shall be made available to eligible Members in the offices of the Retirement System. Any loans granted or renewed under the Retirement System shall be made and administered pursuant to and in compliance with Section 72(p) of the Internal Revenue Code and regulations thereunder.

### **Sec. 11.2. Eligibility for Loan**

Subject to the rules and procedures established by the Board, loans may be made to eligible Members from such Member's Voluntary Employee Contribution Account. An eligible Member is any Member who has participated in the Retirement System for twelve (12) months or more. Former Members, Spouses and Beneficiaries are not eligible to receive any loans from the Retirement System. No Member shall have more than two (2) outstanding loans from the Retirement System (Component I and/or Component II) at any time. A Member who has previously defaulted on a loan shall not be eligible for a loan from the Retirement System.

### **Sec. 11.3. Amount of Loan**

An eligible Member who has satisfied applicable rules and procedures established by the Board may borrow from his Voluntary Employee Contribution Account an amount, which does not exceed the lesser of (i) fifty percent (50%) of the Member's Voluntary Employee Contribution Account balance, and (ii) Ten Thousand Dollars (\$10,000.00), in each case reduced by the excess, if any, of: (1) the Member's highest outstanding loan balance under the Retirement System during the one (1) year period ending on the day before the date on which the loan is made, or (2) the outstanding loan balance under the Retirement System on the date on which the loan is made, whichever is less. The minimum loan amount shall be One Thousand Dollars (\$1,000.00).

### **Sec. 11.4. Terms and Conditions**

In addition to such rules and procedures that are established by the Board, all loans shall comply with the following terms and conditions:

- (a) Each loan application shall be made in writing.
- (b) All loans shall be memorialized by a collateral promissory note for the amount of the loan, including interest, payable to the order of the Retirement System and properly executed by the Member.
- (c) Each loan shall be repaid by substantially equal payroll deductions over a period not to exceed five (5) years, or, where the loan is for the purpose of buying a principal residence, a period not to exceed fifteen (15) years. In no case shall the amount of the payroll deduction be less than Twenty Dollars (\$20.00) for any two-week pay period. A Member receiving a loan will be required to authorize payroll deductions from his compensation in an amount sufficient to repay the loan over its term.

- (d) An amount equal to the principal amount of the loan to a Member (but not more than one half of the Member's vested interest in the Retirement System) will be designated as collateral for guaranteeing the loan.
- (e) Each loan shall bear interest at a rate determined by the Board. The Board shall not discriminate among Members in its determination of interest rates on loans. However, loans initiated at different times may bear different interest rates, where, in the opinion of the Board, the difference in rates is supported by a change in market interest rates or a change in the Retirement System's current assumed rate of return. The loan interest rate shall bear a reasonable relationship to market rates for secured loans of a similar duration and shall bear a reasonable relationship to the costs to the Retirement System of administering the loan. The loan interest rate shall be calculated in a manner that will not negatively affect either the Employer's costs with respect to the Retirement System or the investment return allocated to Members.
- (f) Loan repayments shall be suspended during a period of military service, as permitted by Section 414(u)(4) of the Internal Revenue Code. A Member who has an outstanding loan balance from the Retirement System who is absent from employment with the City, and who has satisfied the requirements of Section 414(u) of the Internal Revenue Code shall not be required to make loan repayments to the Retirement System during said periods of absence.

#### **Sec. 11.5. Loan Balance**

A Member's outstanding loan balance shall be considered a directed investment by the Member and interest payments shall be credited to the Member's Voluntary Employee Contribution Account (provided that the interest credited to the Member's Voluntary Employee Contribution Account shall be reduced appropriately to cover the administrative costs of the loan program and avoid negatively affecting the Employer's costs or the Retirement System's investment returns), and shall not be part of the Retirement System's net investment income or part of the Member's Voluntary Employee Contribution Account balance for the purpose of allocation of net investment income under the Retirement System.

#### **Sec. 11.6. Default**

In the event a Member defaults on a loan before the loan is repaid in full, the unpaid balance thereof will become due and payable and, to the extent that the outstanding amount is not repaid by the end of the calendar quarter which follows the calendar quarter in which the last payment was received, such amount shall be deemed to have been distributed to the Member for tax purposes, consistent with Section 72(p) of the Internal Revenue Code.

#### **Sec. 11.7. Distribution**

No distribution shall be made to a Member, former Member, Spouse or Beneficiary from the Retirement System until all outstanding loan balances and applicable accrued interest have been repaid or offset against amounts distributable to the Member from the Retirement System.

## ARTICLE 12 - LIMITATION ON BENEFITS AND CONTRIBUTIONS

### Sec. 12.1. Compliance With Code Section 415(b) And Regulations

- (1) Notwithstanding any other provision of this Combined Plan Document, the defined benefit component of the Retirement System shall be administered in compliance with the provisions of Code Section 415(b) and regulations thereunder that are applicable to governmental plans.
- (2) The maximum annual benefit accrued by a Member during a limitation year (which shall be the Plan Year) and the maximum annual benefit payable under the Retirement System to a Member at any time within a Plan Year, when expressed as an annual benefit in the form of a straight life annuity (with no ancillary benefits), shall be equal to \$160,000 (as such amount is adjusted pursuant to Code Section 415(d) for such Plan Year).
- (3) Notwithstanding the foregoing:
  - (a) if the benefit under the Retirement System is payable in any form other than a straight life annuity, the determination as to whether the limitation described in Section 12.1(2) has been satisfied shall be made, in accordance with the regulations prescribed by the Secretary of the Treasury, by adjusting such benefit to the Actuarially Equivalent straight life annuity beginning at the same time, in accordance with Section 12.1(8) or (9);
  - (b) if the benefit under the Retirement System commences before Age sixty-two, the determination of whether the limitation set forth in Section 12.1(2) (the "Dollar Limit") has been satisfied shall be made, in accordance with regulations prescribed by the Secretary of the Treasury, by reducing the Dollar Limit so that the Dollar Limit (as so reduced) is equal to an annual benefit payable in the form of a straight life annuity, commencing when such benefit under the Retirement System commences, which is Actuarially Equivalent to a benefit in the amount of the Dollar Limit commencing at Age sixty-two; provided, however, if the Retirement System has an immediately commencing straight life annuity commencing both at Age sixty-two and the age of benefit commencement, then the Dollar Limit (as so reduced) shall equal the lesser of (i) the amount determined under this Section 12.1(3)(b) without regard to this proviso, or (ii) the Dollar Limit multiplied by a fraction the numerator of which is the annual amount of the immediately commencing straight life annuity under the Retirement System and the denominator of which is the annual amount of the straight life annuity under the Retirement System, commencing at Age sixty-two; and
  - (c) if the benefit under the Retirement System commences after Age sixty-five, the determination of whether the Dollar Limit has been satisfied shall be made, in accordance with regulations prescribed by the Secretary of the Treasury, by increasing the Dollar Limit so that the Dollar Limit (as so increased) is equal to an annual benefit payable in the form of a straight life annuity, commencing when the benefit under the Retirement System commences, which is Actuarially Equivalent to a benefit in the amount of the Dollar Limit commencing at Age 65; provided, however, if the Retirement System has an immediately commencing straight life annuity commencing both at Age sixty-five and the Age of benefit commencement, the Dollar Limit (as so increased) shall equal the lesser of (i) the amount determined under this Section 12.1(3)(c) without regard to this proviso, or (ii) the Dollar Limit multiplied by a fraction the numerator of which is the annual amount of the immediately commencing straight life annuity under the Retirement System and the denominator of which is the annual amount of the immediately

- (4) Notwithstanding the foregoing provisions of this Section 12.1, except as provided in Section 12.1(5), the maximum annual benefit specified in Section 12.1(2) above shall not apply to a particular Retirement System benefit if (a) the annual amount of such Retirement System benefit, together with the aggregate annual amount of any other pensions payable with respect to such Member under all other defined benefit plans maintained by the Employer, does not exceed \$10,000 for the Plan Year or any prior Plan Year and (b) the Member was not at any time a participant in a defined contribution plan maintained by the Employer.
- (5) In the case of a Member who has less than ten years of participation in the Retirement System, the limitation set forth in Section 12.1(2) shall be such limitation (without regard to this Section 12.1(5)), multiplied by a fraction, the numerator of which is the number of years of participation in the Retirement System (or parts thereof) credited to the Member and the denominator of which is ten. In the case of a Member who has less than ten years of Vesting Service, the limitations set forth in Paragraph (b) of Section 12.1(2) and in Section 12.1(4) shall be such limitations (determined without regard to this Section 12.1(5)) multiplied by a fraction, the numerator of which is the number of years of Vesting Service, or parts thereof, credited to the Member and the denominator of which is ten.
- (6) Notwithstanding anything in this Section 12.1 to the contrary, if the annual benefit of a Member who has terminated employment with the Employer is limited pursuant to the limitations set forth in Section 12.1(2), such annual benefit shall be increased in accordance with the cost-of-living adjustments of Code Section 415(d).
- (7) For purposes of determining actuarial equivalence under Paragraph (b) or (c) of Section 12.1(3), the interest rate assumption shall be five percent (5%) and the mortality table used shall be the applicable mortality table specified by the Board.
- (8) The actuarially equivalent straight life annuity for purposes of adjusting any benefit payable in a form to which Code Section 417(e)(3) does not apply, as required by Paragraph (a) of Section 12.1(3), is equal to the greater of (a) the annual amount of the straight life annuity payable under the Retirement System commencing at the same annuity starting date as the form of benefit payable to the Member, or (b) the annual amount of the straight life annuity commencing at the same annuity starting date that has the same actuarial present value as the form of benefit payable to the Member, computed using the interest rate and mortality assumptions set forth in Section 12.1(7).
- (9) The actuarially equivalent straight life annuity for purposes of adjusting any benefit payable in a form to which Code Section 417(e)(3) applies, as required by Paragraph (a) of Section 12.1(3), is equal to the greatest of (a) the annual amount of the straight life annuity commencing at the same annuity starting date that has the same Actuarial Equivalent present value as the form of benefit payable to the Member, (b) the annual amount of the straight life annuity commencing at the same annuity starting date that has the same actuarial present value as the form of benefit payable to the Member, computed using a five and one-half percent (5.5%) interest rate assumption and the applicable mortality table specified by the Board, or (c) the annual amount of the straight life annuity commencing at the same annuity starting date that has the same actuarial present value as the form of benefit payable to the Member, computed using the applicable interest rate and the applicable mortality table, both as specified by the Board, divided by 1.05.

- (10) For purposes of applying the limitations set forth in this Section 12.1, all qualified defined benefit plans (whether or not terminated) ever maintained by the Employer shall be treated as one defined benefit plan.
- (11) For purposes of this Section 12.1, the term “compensation” shall include those items of remuneration specified in Treasury Regulation § 1.415(c)-2(b) and shall exclude those items of remuneration specified in Treasury Regulation § 1.415(c)-2(c), taking into account the timing rules specified in Treasury Regulation § 1.415(c)-2(e), but shall not include any amount in excess of the limitation under Code Section 401(a)(17) in effect for the year. The term “compensation” as defined in the preceding sentence shall include any payments made to a Member by the later of (a) two and one-half months after the date of the Member’s severance from employment with the Employer or (b) the end of the limitation year that includes the date of the Member’s severance from employment with the Employer, provided that, absent a severance from employment, such payments would have been paid to the Member while the Member continued in employment with the Employer and are regular compensation for services performed during the Member’s regular working hours, compensation for services outside the Member’s regular working hours (such as overtime or shift differential pay), commissions, bonuses or other similar compensation.
- (12) This Section 12.1 shall be administered in conformity with the regulations issued by the Secretary of the Treasury interpreting Code Section 415 including, but not limited to, any regulation providing for the “grandfathering” of any benefit accrued prior to the effective date of such regulations or statutory provision.
