Bankruptcy Case No. 13-53846

Honorable Thomas J. Tucker

Chapter 9

**CITY OF DETROIT’S MOTION FOR (I) DETERMINATION THAT THE GOODMAN
ACKER AND HAAS & GOLDSTEIN LAW FIRMS HAVE VIOLATED THE PLAN OF
ADJUSTMENT BY (A) REFUSING TO HONOR AN ADR SETTLEMENT AND/OR (B)
SEEKING RELIEF ON A PRE-PETITION CLAIM BEYOND THAT ALLOWED BY
THE PLAN OF ADJUSTMENT AND (II) ORDER ENJOINING FURTHER
VIOLATIONS**

The City of Detroit (“City”) brings this motion because certain law firms, in pursuing pre-petition motor vehicle accident claims against the City, seek to disregard key provisions in the confirmed Eighth Amended Plan for the Adjustment of Debts of the City of Detroit (“Plan of Adjustment”), the Court’s Order Confirming Eighth Amended Plan for the Adjustment of the City of Detroit, and orders entered in this bankruptcy case. The City seeks this Court’s assistance in directing these firms to abide by orders entered in this case.

RELEVANT BANKRUPTCY PROCEEDINGS

A. The ADR Order.

1. As the Court knows, this case represents the largest municipal bankruptcy case in history. Recognizing that the City would be facing an enormous number of pre-petition litigation claims, the Court, in December 2013, entered a detailed ADR Order providing procedures to liquidate those claims. D.E. 2302. The purpose of the ADR Order was to promote the prompt and efficient liquidation of pre-petition litigation claims.

2. More than 1400 pre-petition litigation claims were ultimately filed against the City. Since the expiration of the February 2014 bar date for submission of claims, the City law

department has been diligently attempting to liquidate those claims, i.e., agree with opposing counsel on the proper value of the claim or, if that is not possible, liquidate the claims through litigation. Once the claim is liquidated, the ADR procedures provide for the claim to be treated in the appropriate fashion as provided by the Plan of Adjustment. The Plan of Adjustment has special rules for motor vehicle accident claims as discussed below.

B. The Plan of Adjustment provisions regarding first-party no-fault claims.

3. Each year, the City of Detroit receives hundreds of first party no-fault claims. Under the no-fault act, an individual's own insurer is normally responsible for paying "first party" no-fault benefits – primarily medical bills and wage loss. Those benefits are payable without regard to who was at fault in causing the accident.

4. However, the no-fault act also provides that for many bus passengers, the owner of the bus is responsible for paying first party no-fault benefits in the event the bus is involved in an accident – again, without regard to whether the bus driver was at fault. The City also is responsible for payment of first party no-fault benefits in other circumstances, such as if a City vehicle strikes a pedestrian and the pedestrian has no insurance coverage.

5. As a result, the City was inundated with over 300 pre-petition first-party no-fault bankruptcy claims. Those include claims filed both by the injured party and by medical providers that provided treatment for the injured party. Those claims comprised a very substantial percentage of the 1400 pre-petition bankruptcy litigation claims.

6. During the bankruptcy proceedings, the City's legal counsel initially took the position that all motor vehicle accident (MVA) claims, including first party no-fault claims, should be treated as all other unsecured claims. As the Court knows, all other holders of allowed

unsecured claims are to receive a pro rata share of New B Notes, which will be paid over 30 years.

7. The state of Michigan disagreed with that position. After extensive negotiations, the City and the state agreed on a Memorandum of Understanding, which is appended as exhibit 6-A. The key provision of the MOU, section II (A) (3), was incorporated verbatim into the Plan of Adjustment (Art. IV (S)):

“From and after the Effective Date, the City will continue to administer (either directly or through a third party administrator) and pay valid prepetition Claims for liabilities with respect to which the City is required to maintain insurance coverage pursuant to MCL § 500.3101 in connection with the operation of the City's motor vehicles, as follows: **(1) Claims for personal protection benefits as provided by MCL § 500.3107 and MCL § 500.3108, for which insurance coverage is required by MCL § 500.3101(1), shall be paid in full, to the extent valid, provided, however, that the City will not be liable for or pay interest or attorneys' fees under MCL § 500.3142 or MCL § 500.3148 on prepetition Claims for personal protection benefits;** (2) tort claims permitted by MCL § 500.3135, for which residual liability insurance coverage is required by MCL § 500.3101(1) and MCL § 500.3131, shall be paid, to the extent valid, only up to the minimum coverages specified by MCL § 500.3009(1), i.e., up to a maximum of (a) \$20,000 because of bodily injury to or death of one person in any one accident, and subject to that limit for one person, (b) \$40,000 because of bodily injury to or death of two or more persons in any one accident and (c) \$10,000 because of injury to or destruction of property of others in any accident; and (3) Claims for property protection benefits under MCL § 500.3121 and MCL § 500.3123 shall be paid, to the extent valid, only up to the maximum benefits specified in MCL § 500.3121; provided, however, for the avoidance of doubt, to the extent any valid Claim subject to subsections 2 and 3 above exceeds the applicable payment limits, the excess claim amount shall be treated as an Other Unsecured Claim or a Convenience Claim (as applicable). Nothing in the Plan shall discharge, release or relieve the City from any current or future liability with respect to Claims subject to insurance coverage pursuant to MCL § 500.3101 or Claims within the minimum coverage limits in MCL § 500.3009(1). The City expressly reserves the right to challenge the validity of any Claim subject to this Section IV.S, and nothing herein shall be deemed to expand the City's obligations or claimants' rights with respect to these Claims under State law.”

Plan of Adjustment, Art. IV(S) (Emphasis added).¹

¹ The other major category of motor vehicle claims, other than first party no-fault claims, is “third party claims.” Under the no-fault law, a person injured in a motor vehicle accident must

8. The emphasized language makes clear that claimants pursuing pre-petition first party no-fault claims are entitled to recover the entire claim, to the extent valid, but not interest or attorney fees.² This result is exponentially better for claimants than the City's initial proposal of treating first party no-fault claims like all other unsecured claims.

C. The Plan of Adjustment gives this Court jurisdiction to resolve this matter.

9. The Plan of Adjustment binds all Holders of Claims. Plan of Adjustment, Art. III (G). The Plan of Adjustment also confers expansive jurisdiction on this Court to hear and decide disputes of the sort raised here:

“Pursuant to sections 105(c), 945 and 1142(b) of the Bankruptcy Code and notwithstanding entry of the Confirmation Order and the occurrence of the Effective Date, the Bankruptcy Court will retain exclusive jurisdiction over all matters arising out of, and related to, the Chapter 9 Case and the Plan to the fullest extent permitted by law, including, among other things, jurisdiction to:

“A. Allow, disallow, estimate, determine, liquidate, reduce, classify, re-classify, estimate or establish the priority or secured or unsecured status of any Claim,

* * *

“E. Adjudicate, decide or resolve any motions, adversary proceedings, contested or litigated matters and any other matters, and grant or deny any applications involving the City that may be pending on the Effective Date or brought thereafter;

“F. Enter such orders as may be necessary or appropriate to implement or consummate the provisions of the Plan and all contracts, instruments, releases and other agreements or documents entered into or delivered in connection with the Plan, the Disclosure Statement or the Confirmation Order;

ordinarily look to her or her own insurer for payment of medical bills. The injured party is precluded from suing a third party for additional damages, such as pain and suffering, unless (i) the other party's negligence caused the accident and (ii) the injured party suffered severe bodily injury as defined in the no-fault law. In the provision quoted above, third party claims are paid out as follows: the first \$20,000 in cash and the remainder (if any) as a bankruptcy claim (either a convenience claim or a general unsecured claim).

² The no-fault act generally does not allow recovery of interest or attorney fees, except in certain cases where payments are unreasonably delayed or denied.

“G. Resolve any cases, controversies, suits or disputes that may arise in connection with the consummation, interpretation or enforcement of the Plan or any contract, instrument, release or other agreement or document that is entered into or delivered pursuant to the Plan or any Entity's rights arising from or obligations incurred in connection with the Plan or such documents;

* * *

“I. Issue injunctions, enforce the injunctions contained in the Plan and the Confirmation Order, enter and implement other orders or take such other actions as may be necessary or appropriate to restrain interference by any Entity with consummation, implementation or enforcement of the Plan or the Confirmation Order;

* * *

“L. Determine any other matters that may arise in connection with or relate to the Plan, the Disclosure Statement, the Confirmation Order or any contract, instrument, release or other agreement or document entered into or delivered in connection with the Plan, the Disclosure Statement or the Confirmation Order;”

Plan of Adjustment, Art. VII.

ARGUMENT

A. The Goodman Acker and Haas & Goldstein law firms violated the Plan of Adjustment Injunction

10. Both the Goodman Acker and Haas & Goldstein law firms have violated the Plan of Adjustment injunction set forth in Article III(D)(5), which provides in pertinent part:

5. Injunction

On the Effective Date, except as otherwise provided herein or in the Confirmation Order,

a. all Entities that have been, are or may be holders of Claims against the City...shall be permanently enjoined from taking any of the following actions against or affecting the City or its property...

1. commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other

proceeding of any kind against or affect the City of its property...

5. proceeding in any manner in any place whatsoever that does not conform or comply with the provisions of the Plan or the settlements set forth herein to the extent such settlements have been approved by the Bankruptcy Court in connection with Confirmation of the Plan; and

6. taking any actions to interfere with the implementation or consummation of the Plan.

Plan of Adjustment, Art. III(D)(5) (emphasis supplied).

B. The Goodman Acker law firm should be compelled to carry out the Rosie Jones settlement agreement.

11. The Goodman Acker law firm has violated the injunction because it refuses to abide by the terms of a settlement agreement that resolved the claim of Rosie Jones. The Goodman Acker law firm is representing the plaintiff in Rosie Jones v. City of Detroit, Wayne County Circuit Court, Case No. 12-012579. Jones is pursuing first party no-fault benefits from the City of Detroit based on a pre-petition incident.

12. In March of 2014, counsel for the City and Jones negotiated a \$40,000 settlement. The settlement was set forth in the Agreement appended as exhibit 6-B – an ADR settlement agreement which bears the caption of this bankruptcy case.

13. Jones did not sign the agreement at the City's offices. Rather, the agreement was negotiated directly between counsel for the City and counsel for Jones and, at a later date, Jones signed the agreement at the request of her counsel. Jones' counsel returned to the City the ADR settlement agreement executed by Jones.

14. As a matter of custom, not law, the City routinely obtains the signature of both the client and lawyer on ADR settlements. When the City's counsel noticed that Jones' lawyer had

not signed the agreement, the agreement was sent back for counsel's signature. Jones' lawyer assured the City the agreement would be promptly signed by counsel and returned. It was not.

15. Jones' lawyer now takes the position that the agreement is not binding because Jones' lawyer did not sign the ADR agreement. That position is frivolous – it is too obvious for words that there is no legal requirement for an attorney, in addition to the client, to execute a settlement agreement. That is particularly true here, where the settlement was negotiated between counsel and Ms. Jones signed at the request of her lawyer.

16. The Plan of Adjustment provides no specific date for distributions on account of allowed claims. The City was not able to even begin addressing first party no-fault settlements until after the Plan of Adjustment became effective on December 10, 2014 – until that date there remained the possibility that the Plan of Adjustment would not go effective. In that event, first-party no fault claims might ultimately have been treated in a very different fashion.

17. After the Plan of Adjustment went effective, the City law department spent significant time attempting to compile and organize the various settlements. It then sought approval for more than 100 pre-petition, first party no-fault settlements from City Council. Each settlement entails considerable paperwork including the settlement agreement, a Medicare affidavit, settlement check and order of dismissal of the state court proceeding. At this same time, the City and its law department have been dealing with a myriad of legal, financial and organizational issues arising from the bankruptcy – including, in addition to the 1,400 litigation claims, hundreds of trade claims, dozens of administrative claims, implementation of complex settlements, preparation of the claims reserve motion, as well as handling hundreds of new **post**-petition litigation claims and lawsuits.

18. The City is now in the process of issuing payment for more than 100 pre-petition first party no-fault claims which have been settled and approved by City Council. The City will issue payment on the Jones claim promptly after this Court confirms the settlement is binding. As mentioned, the City is attempting to liquidate some 1,400 litigation claims, and that task will be virtually impossible if the City must deal with frivolous attempts to renege on agreed settlements. The City asks that the Court enforce the \$40,000 settlement.

19. Finally, the Goodman Acker law firm has announced that in the Rosie Jones case and other pre-petition no-fault cases it is handling, it intends to pursue recovery of interest and attorney fees notwithstanding the Plan of Adjustment express prohibition on recovery of those amounts. The City justifiably believes that Goodman Acker is attempting to renege on the Jones settlement precisely so it can seek to collect such amounts.

C. The Goodman Acker law-firm, and the Haas & Goldstein law-firm, should be enjoined from attempting to claim interest and attorney fees on pre-petition first party no-fault claims, and from bringing a state court action to enforce an alleged Plan of Adjustment obligation.

20. As mentioned, Goodman Acker has advised the City that it intends to pursue recovery of interest and attorney fees for pre-petition, first party no-fault cases. The firm of Haas & Goldstein recently filed a state court proceeding to compel the City to pay out pre-petition first party no-fault settlements and, in its pleadings, seeks recovery of interest and attorney fees. *See* exhibit 6-C. The Court should enjoin these law-firms from pursuing claims (recovery of interest and attorney fees) directly prohibited by the Plan of Adjustment.

21. Further, there is no specified date in the Plan of Adjustment for payment of pre-petition claims. The City is moving as quickly as reasonably possible to pay out pre-petition first party no-fault settlements. However, if any claimant or their legal representative has a concern, their remedy is to bring the matter to the attention of this Court, not a state court.

CONCLUSION AND RELIEF

22. For the reasons stated, the City respectfully requests that (1) the Court compel enforcement of the \$40,000 settlement with Ms. Jones, (2) the Court enjoin the respondent law firms from claiming interest or attorney fees in connection with pre-petition first party no-fault claims, and (3) the Court enjoin the respondent law firms from pursuing state court actions to seek payment of bankruptcy claims. On May 27, 2015, the City sought, but did not obtain, concurrence in the relief requested in this motion.

MEMORANDUM OF UNDERSTANDING
Between the
MICHIGAN DEPARTMENT OF INSURANCE AND FINANCIAL SERVICES,
THE CITY OF DETROIT,
and the
MICHIGAN DEPARTMENT OF TREASURY

Regarding

RENEWAL OF THE CITY OF DETROIT'S
NO-FAULT SELF-INSURANCE CERTIFICATE

I. PURPOSE AND BACKGROUND

1. The purpose of this Memorandum of Understanding (MOU) is to describe the agreements between the Michigan Department of Insurance and Financial Services (DIFS), the City of Detroit (City), and the Michigan Department of Treasury (Treasury) concerning the conditions under which the Director of DIFS (Director) will exercise her discretion to renew the City's certificate to self-insure against motor vehicle-related claims that arise under Chapter 31 of the Michigan Insurance Code (Chapter 31) and for which Chapter 31 mandates insurance coverage. Motor vehicle-related claims that arise under Chapter 31 and for which Chapter 31 mandates insurance coverage are referred to hereafter as "No-Fault Claims," and the certificate issued by the Director to self-insure against these claims is referred to as a "No-Fault Self-Insurance Certificate."

2. On 8.7.14, the City submitted to the Director an application to renew its No-Fault Self Insurance Certificate under the authority of section 3101d of the Michigan Insurance Code, MCL 500.3101d. If approved and issued by the Director, the No-Fault Self-Insurance Certificate will enable the City to comply with state laws requiring insurance on the motor vehicles owned by, registered to, and/or operated by the City.

3. Effective January 1, 2013, the Michigan Legislature provided statutory qualifications for the issuance of a No-Fault Self-Insurance Certificate (and transferred issuance authority from the Michigan Secretary of State to the Director) by enacting 2012 PA 204, MCL 500.3101d.

4. MCL 500.3101d(1) provides that "[a] person in whose name more than 25 motor vehicles are registered may qualify as a self-insurer by obtaining a certificate of self-insurance issued by the commissioner (now Director) under subsection (2)." Under subsection (2), the Director "may, in his or her discretion...issue a certificate of self-insurance to the person if the (Director) is satisfied that the person has and will continue to have the ability to pay judgments obtained against the person."

5. Consistent with the foregoing defined terms, the Director interprets this statutory requirement to apply to the City's ability to pay No-Fault Claims only, i.e., claims that must be covered by insurance under Chapter 31 and therefore fall within the scope of a No-Fault Self-Insurance Certificate. Accordingly, the statute governing the issuance or renewal of No-Fault Self-Insurance Certificates grants the Director discretion to issue a certificate to "a person" (which includes the City, see MCL 500.114) as long as the Director is satisfied that the person has and will continue to have the ability to pay No-Fault Claims against it.

6. Additional rules applicable to No-Fault Self-Insurance Certificates are contained in R 257.531 – 257.540 of the Michigan Administrative Code, entitled "Certificates of No-Fault Self-Insurance."

7. As reported in the City's application and widely publicized, on July 18, 2013, the City filed a voluntary petition for relief under Chapter 9 of the United States Bankruptcy Code. The bankruptcy case was assigned Case No. 13-53846 and remains pending before the Honorable Steven W. Rhodes in the United States Bankruptcy Court, Eastern District of Michigan.

8. The City's ongoing bankruptcy and current financial condition validate the Director's legitimate concerns as to whether the City has and will continue to have the ability to pay No-Fault Claims against it, both in full and in a timely manner. Barring the agreements and satisfaction of the conditions set forth in this MOU, the Director would be justified in exercising her discretion to deny the City's application under MCL 500.3101d(2) and R 257.538.

9. However, in reliance on the City's and Treasury's agreements contained in this MOU and satisfaction of the conditions outlined below, the Director will renew the City's No-Fault Self Insurance Certificate under the authority vested by MCL 500.3101d.

II. AGREEMENTS AND CONDITIONS

A. THE CITY

1. The previous authority granted to the City to self-administer its No-Fault Claims is terminated. The City will contract with a DIFS-approved service provider/third-party administrator to manage its No-Fault Claims both pre- and post-bankruptcy petition to ensure appropriate and timely payment of benefits.

2. During the Certificate Term (defined in paragraph II.C.1, below), the City will provide DIFS with quarterly reports of No-Fault Claim liabilities and payments.

3. All No-Fault Claims against the City, whether arising pre- or post-bankruptcy petition, must be handled and paid by the City in full (if determined valid) in the

ordinary course of business. The City will amend its Plan for the Adjustment of Debts to reflect its intention to pay 100% of the determined value of all valid No-Fault Claims, as follows:

"From and after the Effective Date, the City will continue to administer (either directly or through a third party administrator) and pay valid prepetition Claims for liabilities with respect to which the City is required to maintain insurance coverage pursuant to MCL § 500.3101 in connection with the operation of the City's motor vehicles, as follows: (1) Claims for personal protection benefits as provided by MCL § 500.3107 and MCL § 500.3108, for which insurance coverage is required by MCL § 500.3101(1), shall be paid in full, to the extent valid, provided, however, that the City will not be liable for or pay interest or attorneys' fees under MCL § 500.3142 or MCL § 500.3148 on prepetition Claims for personal protection benefits; (2) tort claims permitted by MCL § 500.3135, for which residual liability insurance coverage is required by MCL § 500.3101(1) and MCL § 500.3131, shall be paid, to the extent valid, only up to the minimum coverages specified by MCL § 500.3009(1), i.e., up to a maximum of (a) \$20,000 because of bodily injury to or death of one person in any one accident, and subject to that limit for one person, (b) \$40,000 because of bodily injury to or death of two or more persons in any one accident and (c) \$10,000 because of injury to or destruction of property of others in any accident; and (3) Claims for property protection benefits under MCL § 500.3121 and MCL § 500.3123 shall be paid, to the extent valid, only up to the maximum benefits specified in MCL § 500.3121; provided, however, for the avoidance of doubt, to the extent any valid Claim subject to subsections 2 and 3 above exceeds the applicable payment limits, the excess claim amount shall be treated as an Other Unsecured Claim or a Convenience Claim (as applicable). Nothing in the Plan shall discharge, release or relieve the City from any current or future liability with respect to Claims subject to insurance coverage pursuant to MCL § 500.3101 or Claims within the minimum coverage limits in MCL § 500.3009(1). The City expressly reserves the right to challenge the validity of any Claim subject to this Section [IV.O], and nothing herein shall be deemed to expand the City's obligations or claimants' rights with respect to these Claims under State law."

4. The City will purchase an excess insurance policy for its No-Fault Claims with a specific retention of no greater than \$1,000,000 or an amount determined to be actuarially appropriate. The excess insurance policy must be written by a carrier authorized to transact such business in this state and comply with the requirements of R 257.537.

5. The City will accept and process any No-Fault Claims against it that have been filed against the Michigan Assigned Claims Plan, for adjudication and payment in the ordinary course subject to the provisions of paragraph II.A.3 above.

6. During the entire Certificate Term, the City will deposit in escrow with Treasury, to be held on behalf of DIFS: (a) the \$15.2 million reserved for the City's current No-Fault Self-Insurance Certificate; or (b) such other amount determined by DIFS to be actuarially appropriate (the DIFS Escrow), to ensure the City's ability to pay No-Fault Claims during the Certificate Term. The DIFS Escrow will be funded by transferring the required escrow amount from existing funds in the City's Self-Insurance Escrow Account maintained by Treasury.

Funds on deposit in the DIFS Escrow may be requisitioned by the City only for the payment of valid No-Fault Claims, and any request by the City to requisition funds from the DIFS Escrow will be subject to DIFS' review and prior approval and compliance with the terms of this MOU. The City does not anticipate requisitioning any funds from the DIFS Escrow during the Certificate Term because it intends to adjudicate and pay valid No-Fault Claims in the ordinary course of business. However, if during the Certificate Term the City requests, and DIFS approves, any requisition of funds from the DIFS Escrow to pay the City's valid No-Fault Claims, the City will promptly replenish any funds disbursed in accordance with the schedule agreed to by DIFS and the City at the time the requisition request is approved.

7. The City will take all reasonable and necessary steps to investigate No-Fault Claims, and will seek to eliminate fraudulent or wasteful spending and ensure that claim payments are calculated correctly and paid only to claimants whose claims are valid, due and owing.

8. If, after conducting reasonable due diligence, the City determines and submits documentary evidence to the Director evidencing that the conditions contained in paragraphs II.A.1 and/or II.A.4 above cannot be satisfied despite its best efforts, the Director may in her discretion waive or modify the condition(s) or impose a reasonably equivalent alternative.

B. TREASURY

1. Treasury will transfer the required funds and maintain the DIFS Escrow on behalf of DIFS in accordance with the provisions of paragraph II.A.6 above.

2. Treasury will maintain the DIFS Escrow funds in a separate and distinct escrow account, and will not commingle the DIFS Escrow funds with other City self-insurance funds or accounts.

3. Upon approval and instructions by DIFS, Treasury will disburse amounts from the DIFS Escrow to the City or other designated payee(s).

C. DIFS

1. DIFS will issue the City a No-Fault Self-Insurance Certificate for a period of one year, beginning June 9, 2014 at 12:01 a.m. and ending June 8, 2015 at 11:59 p.m. (the Certificate Term).

2. DIFS will perform its responsibilities under the Michigan Insurance Code.

III. EFFECTIVE DATE AND DURATION

1. This MOU goes into effect when each party has signed it and shall remain in effect during the entire Certificate Term.

The undersigned authorized representatives of the parties have caused this MOU to be executed as of the dates indicated by each signature:

AGREEMENT RESOLVING CLAIMS OF ROSIE JONES

The City of Detroit (the "City") and the claimant identified in paragraph 2 below (the "Claimant") and, together with the City, the "Parties"), by and through their respective authorized representatives, do hereby agree as follows:

RECITALS

A. On July 18, 2013, the City commenced the above-captioned case (the "Chapter 9 Case") by filing a petition for relief under chapter 9 of title 11 of the United States Code (the "Bankruptcy Code") in the United States Bankruptcy Court for the Eastern District of Michigan (the "Bankruptcy Court"). On December 5, 2013, following its determination that the City met all of the applicable requirements and is eligible to be a debtor under chapter 9 of the Bankruptcy Code, the Bankruptcy Court entered the Order for Relief Under Chapter 9 of the Bankruptcy Code (Docket No. 1946) with respect to the City.

B. Pursuant to section 904 of the Bankruptcy Code, the City may continue to exercise its political and governmental powers, manage its property and revenues and use and enjoy its income-producing property without interference from the Bankruptcy Court.

{K:\DOCS\LIT\dempd\20000\setlmen\DJJD2004.DOC}

C. On December 24, 2013, the Bankruptcy Court entered the Order, Pursuant to Sections 105 and 502 of the Bankruptcy Code, Approving Alternative Dispute Resolution Procedures to Promote the Liquidation of Certain Prepetition Claims (Docket No. 2302) (the "ADR Order") establishing certain alternative dispute resolution procedures (collectively, the "ADR Procedures") to promote the resolution of certain claims designated by the City.

D. The Claimant is the current record holder of the proof[s] of claim identified under the heading "Filed Claim Number" in the table in paragraph 2 below (the "Filed Claim[s]").

E. The City (i) reviewed the Filed Claim[s] and the facts and circumstances of the alleged liabilities asserted therein and (ii) designated the Filed Claim[s] for potential resolution through the ADR Procedures.

F. The City believes that the resolution of the Filed Claim[s] as set forth in this Agreement is fair, reasonable and appropriate and will allow the Parties to avoid the cost, delay and burden of litigating potential disputes related to the Filed Claim[s]. In accordance with the ADR Order, the resolution of the Filed Claim[s] set forth in this Agreement terminates the ADR Procedures with respect to the Filed Claim[s] pursuant to section II.A.7 of the ADR Procedures.

G. Pursuant to section 904 of the Bankruptcy Code, the City is authorized to propose and enter into this Agreement without further order of the Bankruptcy Court.

H. The undersigned is authorized to enter into this Agreement on behalf of the City pursuant to a confidential memorandum dated March 25, 2014 that was issued to the City of Detroit Corporation Counsel by Kevyn Orr, Emergency Manager for the City of Detroit, entitled Litigation Claim Settlement Authority.

I. The Parties have agreed to the terms set forth in this Agreement, as indicated by the signatures of their respective authorized representatives below.

AGREEMENT

1. The Claimant represents and warrants to the City that it has not sold, assigned, factored or otherwise transferred any portion of or interest in the Filed Claim[s] and is the sole holder of the Filed Claim[s], with full authority to enter into this Agreement. The Claimant further agrees to indemnify and hold the City harmless for any damages, including without limitation actual and reasonable out of pocket costs, resulting from a breach of its representations and warranties set forth in this paragraph.

2. [Each of] the Filed Claim[s] is deemed amended, modified and allowed as a general unsecured, nonpriority claim (any such claim, a "Settled Claim") in the corresponding amount set forth in the table below under the heading "Settled Claim Amount":

Claimant	Filed Claim Number	Filed Claim Amount	Filed Claim Priority	Settled Claim Amount	Settled Claim Priority
Rosie Jones	1474	\$ 332,310.53	General unsecured, nonpriority	\$ 40,000.00	General unsecured, nonpriority

3. The Parties agree that any Filed Claim identified in paragraph 2 above for which there is no corresponding Settled Claim (or such amount is listed as \$0.00) is hereby withdrawn and deemed disallowed and expunged, pursuant to section 502 of the Bankruptcy Code.

4. The Claimant will not further amend the Filed Claim[s] (or the Settled Claim[s]) or file any additional proofs of claim with respect to the liabilities asserted in the Filed Claim[s]. Any further amendments to the Filed Claim[s] (or the Settled Claim[s]) or any additional claims filed by the Claimant or their successors or assigns with respect to the liabilities asserted in the Filed Claim[s] shall be null, void and of no effect.

5. The Parties agree that any Settled Claim is a general unsecured, nonpriority claim, subject to the treatment provided for such claims under any chapter 9 plan for the adjustment of debts confirmed by the Bankruptcy Court (a "Plan").

6. Any distribution made to the Claimant pursuant to a Plan is referred to herein as a "Plan Distribution." If the Claimant or its successors or assigns receive payment of any portion of the Settled Claims from any source, including from the City, other than through the Plan (a "Non-Plan Payment"), the portion of the Settled Claim[s] equal to the amount of the Non-Plan Payments shall be deemed fully satisfied, and the Claimant, for itself and any successors or assigns, hereby prospectively waives and disclaims the right to receive Plan Distributions on account of the portion of the Settled Claim[s] satisfied by any Non-Plan Payments.

7. Nothing in this Agreement will have any impact on any proof(s) of claim that the Claimant has filed or holds other than the Filed Claim[s]. The Parties retain all of their respective claims, defenses, objections, counterclaims and any and all rights in respect of any proofs of claim that the Claimant has filed or holds other than the Filed Claim[s].

8. As to the Filed Claims and Settled Claims described herein, the Claimant releases the City from any and all liability, actions, damages and claims (including claims for attorney fees, expert fees or court costs), known and unknown, arising or accruing at any time

prior to and after the date of this Agreement, that the Claimant has or may have against the City. The Claimant acknowledges that this Agreement represents the compromise of a disputed claim and is not to be construed as an admission of liability on the part of the City. As used in this Agreement, the Claimant and the City include each of their respective servants, agents, contractors, attorneys, employees, representatives, family members, heirs, elected officials, appointed officials, related corporations, subsidiaries, divisions, affiliates, directors and officers, if any. Where required by the City, the Claimant has executed the Medicare Reporting and Indemnification Affidavit[s], if any, attached as Exhibit A.

9. The Claimant stipulates to dismissal with prejudice of the civil action[s] related to the Filed Claims or Settled Claim[s] in the form attached hereto as Exhibit B.

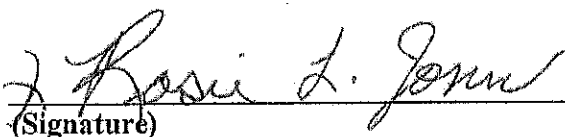

10. This Agreement may be executed in identical counterparts, and/or by facsimile or e-mail scan, each of which when so executed and delivered will constitute an original, but all of which taken together will constitute one and the same instrument. This Agreement constitutes the entire agreement between the Parties with respect to the matters addressed herein and may not be modified except in a writing signed by the Parties.

WHEREFORE, the undersigned have executed this Agreement on behalf of the parties hereto.

**AGREEMENT RESOLVING CLAIM OF WARREN CHIROPRACTIC & REHAB
CLINIC (GRETCHEN SMITH)**

THIS FORM IS FOR MOTOR VEHICLE CLAIMS ONLY

The City of Detroit (the "City") and the claimant identified in paragraph 3 below (the "Claimant" and, together with the City, the "Parties"), by and through their respective authorized representatives, do hereby agree as follows:

RECITALS

A. On July 18, 2013, the City commenced the above-captioned case (the "Chapter 9 Case") by filing a petition for relief under chapter 9 of title 11 of the United States Code (the "Bankruptcy Code") in the United States Bankruptcy Court for the Eastern District of Michigan (the "Bankruptcy Court"). On December 5, 2013, following its determination that the City met all of the applicable requirements and is eligible to be a debtor under chapter 9 of the Bankruptcy Code, the Bankruptcy Court entered the Order for Relief Under Chapter 9 of the Bankruptcy Code (Docket No. 1946) with respect to the City.

B. Pursuant to section 904 of the Bankruptcy Code, the City may continue to exercise its political and governmental powers, manage its property and revenues and use and enjoy its income-producing property without interference from the Bankruptcy Court.

C. On December 24, 2013, the Bankruptcy Court entered the Order, Pursuant to Sections 105 and 502 of the Bankruptcy Code, Approving Alternative Dispute Resolution Procedures to Promote the Liquidation of Certain Prepetition Claims (Docket No. 2302) (the "ADR Order") establishing certain alternative dispute resolution procedures (collectively, the "ADR Procedures") to promote the resolution of certain claims designated by the City.

D. The Claimant is the current record holder of the proof[s] of claim identified under the heading "Filed Claim Number" in the table in paragraph 3 below (the "Filed Claim[s]").

E. The City (i) reviewed the Filed Claim[s] and the facts and circumstances of the alleged liabilities asserted therein and (ii) designated the Filed Claim[s] for potential resolution through the ADR Procedures.

F. The City believes that the resolution of the Filed Claim[s] as set forth in this Agreement is fair, reasonable and appropriate and will allow the Parties to avoid the cost, delay and burden of litigating potential disputes related to the Filed Claim[s]. In accordance with the ADR Order, the resolution of the Filed Claim[s] set forth in this Agreement terminates the ADR Procedures with respect to the Filed Claim[s] pursuant to section II.A.7 of the ADR Procedures.

G. Pursuant to section 904 of the Bankruptcy Code, the City is authorized to propose and enter into this Agreement without further order of the Bankruptcy Court.

H. The undersigned is authorized to enter into this Agreement on behalf of the City pursuant to a confidential memorandum dated March 25, 2014 that was issued to the City of Detroit Corporation Counsel by Kevyn Orr, Emergency Manager for the City of Detroit, entitled Litigation Claim Settlement Authority.

I. The Parties have agreed to the terms set forth in this Agreement, as indicated by the signatures of their respective authorized representatives below.

AGREEMENT

1. The Claimant represents and warrants to the City that it has not sold, assigned, factored or otherwise transferred any portion of or interest in the Filed Claim[s] and is the sole holder of the Filed Claim[s], with full authority to enter into this Agreement. The Claimant further agrees to indemnify and hold the City harmless for any damages, including without limitation actual and reasonable out of pocket costs, resulting from a breach of its representations and warranties set forth in this paragraph.

2. The current version of the City's proposed Plan of Adjustment provides different payment provisions for each of the three following category of claims arising from operation of City motor vehicles: (1) claims for personal protection benefits as provided by MCL 500.3107 and MCL 500.3108, for which insurance coverage is required by MCL 500.3101(1), ("PPI Claims"); (2) tort claims permitted by MCL 500.3135, for which residual liability insurance coverage is required by MCL 500.3101(1) and MCL 500.3135, ("Tort Claims"); and (3) claims for property protection benefits under MCL 500.3121 and MCL 500.3123 ("Property Claims"). Accordingly, it is necessary that this Settlement Agreement properly identify each type of claim.

3. Each of the Filed Claim[s] is deemed amended, modified and allowed, and to be paid as a PPI Claim, a Tort Claim or a Property Claim, as the case may be, in accordance with, and subject to the treatment provided for claims of that type under, any chapter 9 plan for the adjustment of debts confirmed by the Bankruptcy Court (a "Plan"), (any such claim, a "Settled MVA Claim"), in the corresponding amount set forth in the table below under the heading "Settled MVA Claim Amount." **NOTE – if any bankruptcy claim combines two or more types of claims, the claims must be separated in the chart below:**

Claimant	Filed Claim Number	Filed Claim Amount	Filed MVA Claim Type -- identify as a PPI, Tort or Property Claim	Settled MVA Claim Amount	Settled MVA Claim Type-- identify as a PPI, Tort or Property Claim
WARREN CHIROPRACTIC & REHAB CLINIC (GRETCHEN SMITH),	3042	\$18,680.00	PPI	\$10,000.00	PPI

For any Tort Claims listed, identify all other bankruptcy claims that arise out of the same motor vehicle accident: _____

4. The Parties agree that any Filed Claim identified in paragraph 3 above for which there is no corresponding Settled Claim (or such amount is listed as \$0.00) is hereby withdrawn and deemed disallowed and expunged, pursuant to section 502 of the Bankruptcy Code.

5. The Claimant will not further amend the Filed Claim[s] (or the Settled MVA Claim[s]) or file any additional proofs of claim with respect to the liabilities asserted in the Filed Claim[s]. Any further amendments to the Filed Claim[s] (or the Settled MVA Claim[s]) or any additional claims filed by the Claimant or their successors or assigns with respect to the liabilities asserted in the Filed Claim[s] shall be null, void and of no effect.

6. The Parties agree that any Settled MVA Claim shall be paid in accordance with, and subject to the treatment provided for claims of that type under, any chapter 9 plan for the adjustment of debts confirmed by the Bankruptcy Court (a "Plan").

7. Any distribution made to the Claimant pursuant to a Plan is referred to herein as a "Plan Distribution." If the Claimant or its successors or assigns receive payment of any portion of the Settled Claims from any source, including from the City, other than through the Plan (a "Non-Plan Payment"), the portion of the Settled MVA Claim[s] equal to the amount of the Non-Plan Payments shall be deemed fully satisfied, and the Claimant, for itself and any successors or assigns, hereby prospectively waives and disclaims the right to receive Plan Distributions on account of the portion of the Settled MVA Claim[s] satisfied by any Non-Plan Payments.

8. Nothing in this Agreement will have any impact on any proof(s) of claim that the Claimant has filed or holds other than the Filed Claim[s]. The Parties retain all of their respective claims, defenses, objections, counterclaims and any and all rights in respect of any proofs of claim that the Claimant has filed or holds other than the Filed Claim[s].

9. As to the Filed Claims and Settled MVA Claims described herein, the Claimant releases the City from any and all liability, actions, damages and claims (including claims for attorney fees, expert fees or court costs), known and unknown, arising or accruing at any time prior to and after the date of this Agreement, that the Claimant has or may have against the City; provided,

WHEREFORE, the undersigned have executed this Agreement on behalf of the parties hereto.

On December 24, 2013, the Bankruptcy Court entered the Order, Pursuant to Sections 105 and 502 of the Bankruptcy Code, Approving Alternative Dispute Resolution Procedures to Promote the Liquidation of Certain Prepetition Claims (Docket No. 2302) (the "ADR Order") establishing certain alternative dispute resolution procedures (collectively, the "ADR Procedures") to promote the resolution of certain claims designated by the City.

The Claimant is the current record holder of the proof[s] of claim identified under the heading "Filed Claim Number" in the table in paragraph 2 below (the "Filed Claim[s]").

The City (i) reviewed the Filed Claim[s] and the facts and circumstances of the alleged liabilities asserted therein and (ii) designated the Filed Claim[s] for potential resolution through the ADR Procedures.

The City believes that the resolution of the Filed Claim[s] as set forth in this Agreement is fair, reasonable and appropriate and will allow the Parties to avoid the cost, delay and burden of

litigating potential disputes related to the Filed Claim[s]. In accordance with the ADR Order, the resolution of the Filed Claim[s] set forth in this Agreement terminates the ADR Procedures with respect to the Filed Claim[s] pursuant to section II.A.7 of the ADR Procedures.

Pursuant to section 904 of the Bankruptcy Code, the City is authorized to propose and enter into this Agreement without further order of the Bankruptcy Court.

The undersigned is authorized to enter into this Agreement on behalf of the City pursuant to a confidential memorandum dated March 25, 2014 that was issued to the City of Detroit Corporation Counsel by Kevyn Orr, Emergency Manager for the City of Detroit, entitled Litigation Claim Settlement Authority.

The Parties have agreed to the terms set forth in this Agreement, as indicated by the signatures of their respective authorized representatives below.

AGREEMENT

1. The Claimant represents and warrants to the City that it has not sold, assigned, factored or otherwise transferred any portion of or interest in the Filed Claim[s] and is the sole holder of the Filed Claim[s], with full authority to enter into this Agreement. The Claimant further agrees to indemnify and hold the City harmless for any damages, including without limitation actual and reasonable out of pocket costs, resulting from a breach of its representations and warranties set forth in this paragraph.

2. The current version of the City's proposed Plan of Adjustment provides different payment provisions for each of the three following category of claims arising from operation of City motor vehicles: (1) claims for personal protection benefits as provided by MCL 500.3107 and MCL 500.3108, for which insurance coverage is required by MCL 500.3101(1), (hereafter "PPI Claims"); and (2) tort claims permitted by MCL 500.3135, for which residual liability insurance coverage is required by MCL 500.3101(1) and MCL 500.3135, (hereafter, "Tort Claims"); and claims for property protection benefits under MCL 500.3121 and MCL 500.3123 ("Property Claims"). Accordingly, it is necessary that this Settlement Agreement properly identify each type of claim.

3. Each of the Filed Claim[s] is deemed amended, modified and allowed, and to be paid as a PPI Claim, a Tort Claim or a Property Claim, as the case may be, in accordance with, and subject to the treatment provided for claims of that type under, any chapter 9 plan for the adjustment of debts confirmed by the Bankruptcy Court (a "Plan"), (any such claim, a "Settled MVA Claim"), in the corresponding amount set forth in the table below under the heading "Settled MVA Claim Amount." **NOTE - if any bankruptcy claim combines two or more types of claims, the claims must be separated in the chart below:**

Claimant	Filed Claim Number	Filed Claim Amount	Filed MVA Claim Type – identify as a PPI, Tort or Property Claim	Settled MVA Claim Amount	Settled MVA Claim Type – identify as a PPI, Tort or Property Claim
Priority Patient Transport, LLC (Gretchin Smith)	3056	\$12, 617.50	PPI	\$6,100.00	PPI - \$6,100.00

For any tort claims listed, identify all other bankruptcy claims that arise out of the same motor vehicle accident:

4. The Parties agree that any Filed Claim identified in paragraph 2 above for which there is no corresponding Settled Claim (or such amount is listed as \$0.00) is hereby withdrawn and deemed disallowed and expunged, pursuant to section 502 of the Bankruptcy Code.

5. The Claimant will not further amend the Filed Claim[s] (or the Settled MVA Claim[s]) or file any additional proofs of claim with respect to the liabilities asserted in the Filed Claim[s]. Any further amendments to the Filed Claim[s] (or the Settled MVA Claim[s]) or any additional claims filed by the Claimant or their successors or assigns with respect to the liabilities asserted in the Filed Claim[s] shall be null, void and of no effect.

6. The Parties agree that any Settled MVA Claim shall be paid in accordance with, and subject to the treatment provided for claims of that type under, any chapter 9 plan for the adjustment of debts confirmed by the Bankruptcy Court (a "Plan").

7. Any distribution made to the Claimant pursuant to a Plan is referred to herein as a "Plan Distribution." If the Claimant or its successors or assigns receive payment of any portion of the Settled Claims from any source, including from the City, other than through the Plan (a "Non-Plan Payment"), the portion of the Settled MVA Claim[s] equal to the amount of the Non-Plan Payments shall be deemed fully satisfied, and the Claimant, for itself and any successors or assigns, hereby prospectively waives and disclaims the right to receive Plan Distributions on account of the portion of the Settled MVA Claim[s] satisfied by any Non-Plan Payments.

8. Nothing in this Agreement will have any impact on any proof(s) of claim that the Claimant has filed or holds other than the Filed Claim[s]. The Parties retain all of their respective claims, defenses, objections, counterclaims and any and all rights in respect of any proofs of claim that the Claimant has filed or holds other than the Filed Claim[s].

9. As to the Filed Claims and Settled MVA Claims described herein, the Claimant releases the City from any and all liability, actions, damages and claims (including claims for attorney fees, expert fees or court costs), known and unknown, arising or accruing at any time prior to and after the date of this Agreement, that the Claimant has or may have against the City; provided, however, for PPI Claims, Claimant does not release claims arising after July 18, 2013,

except to the extent such claims have been paid by the City. The Claimant acknowledges that this Agreement represents the compromise of a disputed claim and is not to be construed as an admission of liability on the part of the City. As used in this Agreement, the Claimant and the City include each of their respective servants, agents, contractors, attorneys, employees, representatives, family members, heirs, elected officials, appointed officials, related corporations, subsidiaries, divisions, affiliates, directors and officers, if any. Where required by the City, the Claimant has executed the Medicare Reporting and Indemnification Affidavit[s], if any, attached as Exhibit A.

10. The Claimant stipulates to the entry of an order dismissing with prejudice, and without costs or fees, any civil action[s] related to the Filed Claim[s] or Settled Claim[s].

11. This Agreement may be executed in identical counterparts, and/or by facsimile or e-mail scan, each of which when so executed and delivered will constitute an original, but all of which taken together will constitute one and the same instrument. This Agreement constitutes the entire agreement between the Parties with respect to the matters addressed herein and may not be modified except in a writing signed by the Parties.

WHEREFORE, the undersigned have executed this Agreement on behalf of the parties hereto.
