Bankruptcy Case No. 13-53846

Chapter 9

**CITY OF DETROIT’S MOTION FOR THE ENTRY OF AN ORDER (I) ENFORCING
THE PLAN OF ADJUSTMENT INJUNCTION AND (II) REQUIRING THE DISMISSAL
WITH PREJUDICE OF THE FEDERAL COURT ACTION FILED BY JEROME
COLLINS TO THE EXTENT IT SEEKS RELIEF AGAINST THE CITY OF DETROIT
OR PROPERTY OF THE CITY OF DETROIT**

The City of Detroit, Michigan (“City”), by its undersigned counsel, files its Motion for the Entry of an Order (I) Enforcing the Plan of Adjustment Injunction and (II) Requiring the Dismissal with Prejudice of the Federal Court Action filed by Jerome Collins to the extent it Seeks Relief against the City of Detroit or Property of the City of Detroit (“Motion”). In support of this Motion, the City respectfully states as follows:

I. Introduction

1. On May 15, 2015, Jerome Collins (“Collins”) filed a federal court lawsuit against the City seeking monetary damages on account of a pre-petition claim. By Collins’ own admission, he has not filed a proof of claim and the alleged conduct giving rise to his claim occurred before the commencement of the City’s bankruptcy case. Consequently, filing and continuing to prosecute the federal court lawsuit violates both the Bar Date Order (as defined in paragraph 10 below) and the injunction set forth in the confirmed Plan (as defined in paragraph 15 below). The City informed Collins of both of these violations and asked Collins to voluntarily dismiss his federal court lawsuit, but to no avail. As a result, the City is left with no choice but to seek an order barring and permanently enjoining Collins from asserting and prosecuting the claims described in the federal court action against the City or property of the

City and requiring him to dismiss the federal court action with prejudice to the extent it seeks any such relief.

II. Background

A. Collins is Disciplined and Discharged from the Police Department Prior to the Petition Date

2. Collins joined the Detroit Police Department on September 20, 1993. Opinion and Award at 6, Exhibit 6A. Collins worked at the Eastern District and was assigned to the Community Relations Section. *Id.* In November 2009, the then Chief of Police, Warren Evans, received a letter requesting an investigation into Collins' attendance. *Id.* at 7. An internal affairs investigation revealed that Collins had two outside jobs during the period from November 2007 through November 2009 that overlapped with the time he was scheduled to work at the Police Department. *Id.* at 8, 10. The time records from his two outside jobs "clearly demonstrate that his outside employment overlapped in excess of 609 hours with the hours he claimed to have worked for the Department, from November 2007 through November 2009." *Id.* at 10. Collins had not sought nor obtained permission to maintain these outside jobs as prescribed by Police Department's Manual Provision, Code of Conduct. *Id.*

3. The Police Department requested that the Wayne County Prosecutor's Office issue a felony complaint and warrant against Office Collins on January 18, 2010. *Id.* at 11. On January 21, 2010, the Board of Police Commissioners suspended Collins without pay. *Id.* Pursuant to MCL § 750.218 and MCL § 750.505, Collins was subsequently prosecuted for two counts of false pretenses and one count of common law offenses. *Id.* He was acquitted of the charges on December 8, 2011, following a jury trial in the Wayne County Circuit Court. *Id.*

4. On December 12, 2012, Collins requested a reinstatement. *See* Ex. 6B, Complaint (as defined below in paragraph 17) ¶ 26; Ex. 6C, Answer and Affirmative Defenses

(as defined below in paragraph 21), pp. 4-5, ¶ 25. In this instance, the collective bargaining agreement provides for a grievance arbitration. Answer and Affirmative Defenses, p. 14, ¶ 9. A hearing on the grievance took place on February 8, 2012. Answer and Affirmative Defenses, pp. 4-5, ¶ 25. Collins failed to appear for the hearing. *Id.* Ultimately a grievance arbitration was held on June 12, 2013. Complaint ¶ 27, Answer and Affirmative Defenses, p. 15, ¶ 13. Closing arguments were due by July 26, 2013, through the submission of post-hearing briefs. Answer and Affirmative Defenses, p. 15 ¶ 13. Collins alleges that “on account of the City of Detroit’s bankruptcy filing, the June 12, 2013 hearing was adjourned without a decision, which remains presently unresolved.” Complaint ¶ 28.

5. A separate disciplinary hearing was held on July 8, 2013 through July 11, 2013. Answer and Affirmative Defenses, p. 15, ¶ 14. This hearing resulted in Collins being discharged from the Police Department. *Id.*; Opinion and Award at 1; Complaint ¶¶ 71, 73 (Collins alleges that he was terminated on July 6, 2013). Collins’ discharge rendered his grievance moot pursuant to the collective bargaining agreement. Answer and Affirmative Defenses, p. 15, ¶ 13.

6. Collins, through his union, filed an appeal of the discharge. Answer and Affirmative Defenses, p. 15, ¶ 16; Opinion and Award at 1. The subsequent appeal of the discharge occurred on December 11, 2013. Opinion and Award at 3. The arbitrator issued her decision on February 7, 2014, upholding the termination. Opinion and Award at 21. A final letter of termination was issued from the Chief of Police’s office, dated February 14, 2014. Answer and Affirmative Defenses, p. 15, ¶ 16.

B. The City's Bankruptcy Case

7. On July 18, 2013 (“Petition Date”), the City filed this chapter 9 case.

8. On October 10, 2013, the City filed its Motion Pursuant to Section 105, 501 and 503 of the Bankruptcy Code and Bankruptcy Rules 2002 and 3003(c), for Entry of an Order Establishing Bar Dates for Filing Proofs of Claim and Approving Form and Manner of Notice Thereof (“Bar Date Motion”). [Doc. No. 1146].

9. On November 21, 2013, this Court entered an order approving the Bar Date Motion (“Bar Date Order”). [Doc. No. 1782]. The Bar Date Order established February 21, 2014 (“General Bar Date”) as the deadline for filing claims against the City. Paragraph 6 of the Bar Date Order states that the

following entities must file a proof of claim on or before the Bar Date...any entity: (i) whose prepetition claim against the City is not listed in the List of Claims or is listed as disputed, contingent or unliquidated; and (ii) that desires to share in any distribution in this bankruptcy case and/or otherwise participate in the proceedings in this bankruptcy case associated with the confirmation of any chapter 9 plan of adjustment proposed by the City...

Bar Date Order ¶ 6.

10. Paragraph 22 of the Bar Date Order also provided that:

Pursuant to sections 105(a) of the Bankruptcy Code and Bankruptcy Rule 3003(c)(2), **any entity that is required to file a proof of claim in this case pursuant to the Bankruptcy Code, the Bankruptcy Rules or this Order with respect to a particular claim against the City, but that fails properly to do so by the applicable Bar Date, shall be forever barred, estopped and enjoined from:** (a) asserting any claim against the City or property of the City that (i) is in an amount that exceeds the amount, if any, that is identified in the List of Claims on behalf of such entity as undisputed, noncontingent and liquidated or (ii) is of a different nature or a different classification or priority than any Scheduled Claim identified in the List of Claims on behalf of such entity (any such claim under subparagraph (a) of this paragraph being referred to herein as an “Unscheduled Claim”); (b) voting upon, or receiving distributions under any Chapter 9 Plan in this case in respect of an Unscheduled Claim; or (c) with respect to any 503(b)(9) Claim or administrative priority claim component of any Rejection Damages Claim, asserting any such priority claim against the City or property of the City.

Bar Date Order ¶ 22 (emphasis added).

11. On October 22, 2014, the City filed its Eighth Amended Plan of the Adjustment of Debts of the City of Detroit (October 22, 2014) (“Plan”). [Doc. No. 8045].

12. On November 12, 2014, this Court entered an order confirming the Plan (“Confirmation Order”). [Doc. No. 8272].

13. The discharge provision in the Plan provides

Except as provided in the Plan or in the Confirmation Order, the rights afforded under the Plan and the treatment of Claims under the Plan will be in exchange for and in complete satisfaction, discharge and release of all Claims arising on or before the Effective Date. Except as provided in the Plan or in the Confirmation Order, Confirmation will, as of the Effective Date, discharge the City from all Claims or other debts that arose on or before the Effective Date, and all debts of the kind specified in section 502(g), 502(h) or 502(i) of the Bankruptcy Code, whether or not (i) proof of Claim based on such debt is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code, (ii) a Claim based on such debt is allowed pursuant to section 502 of the Bankruptcy Code or (ii) the Holder of a Claim based on such debt has accepted the Plan.

Plan, Art. III.D.4.

14. With certain exceptions not applicable here, the Plan does not afford any right to distributions or payments to claimants that did not timely file proofs of claim. Plan Art. I.A.19; Art. I.A.134; Art. VI.A.1. Such claims are not Allowed Claims under the Plan and thus are not entitled to distributions under the Plan. *Id.* (“Notwithstanding any other provision of the Plan, no payments or Distributions shall be made on account of a Disputed Claim until such Claim becomes an Allowed Claim.”).

15. The Plan injunction set forth in Article III.D.5 provides in pertinent part:

Injunction

On the Effective Date, except as otherwise provided herein or in the Confirmation Order,

a. all Entities that have been, are or may be holders of Claims against the City...shall be permanently enjoined from taking any of the following actions against or affecting the City or its property...

1. commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding of any kind against or affect the City of its property...

5. proceeding in any manner in any place whatsoever that does not conform or comply with the provisions of the Plan or the settlements set forth herein to the extent such settlements have been approved by the Bankruptcy Court in connection with Confirmation of the Plan; and

6. taking any actions to interfere with the implementation or consummation of the Plan.

Plan, Article III.D.5 (emphasis supplied).

16. The Court also retained jurisdiction to enforce the Plan injunction and to resolve any suits that may arise in connection with the consummation, interpretation or enforcement of the Plan. Plan, Art. VII. F, G, I.

C. Collins Files a Complaint in Federal Court in May 2015 Based on Pre-Petition Claims

17. On May 15, 2015, Collins filed a complaint (“Complaint”) against the City, the Detroit Police Department, Ralph Godbee, former Police Chief, Mattie Lewis, former Police Office and John Does in the United States District Court for the Eastern District of Michigan, case number 15-11756 (“Federal Court Action”). The Complaint is attached as Exhibit 6A.

18. The Complaint contains seven counts. Complaint, pp. 8-13. Each count stems from events which occurred prior to the Petition Date. *Id.*

19. On May 22, 2015, the City sent a letter to Collins’ counsel requesting that Collins agree to dismiss the Federal Court Action. May 22 letter, Exhibit 6D. In its May 22 letter, the City explained that the Federal Court Action alleges due process/equal protection violations and discrimination claims based upon the suspension without pay and subsequent discharge of Police

Officer Jerome Collins, which occurred on January 21, 2010 and July 11, 2013 respectively.” May 22 letter at 2. The City requested that Collins dismiss the Federal Court Action because he failed to file a proof of claim in the City’s bankruptcy case. *Id.*

20. On June 9, 2015, Collins responded to the May 22 letter and refused to dismiss the Federal Court Action. June 9 letter, Exhibit 6E.

21. On June 10, 2015, to avoid a default judgment, but not waive its rights under the Plan, Confirmation Order or Bar Date Order, the City filed an answer and affirmative defenses to the Complaint (“Answer and Affirmative Defenses”). The Answer and Affirmative Defenses is attached as Exhibit 6B.

III. Argument

22. Collins violated the Plan injunction and discharge provisions when he filed the Federal Court Action to assert claims and otherwise seek relief against the City. And, he continues to violate it by continuing to prosecute, and refusing to voluntarily dismiss, the action. Pursuant to the Plan, Collins’ claims against the City are discharged¹ and he is enjoined from, among other things, commencing any action against the City with respect to those claims. Plan, Art. III.D.4; Plan, Art. III.D.5.

23. Furthermore, Collins did not file a proof of claim by the General Bar Date and has at no time after the General Bar Date filed an untimely proof of claim or a motion for permission to file an untimely proof of claim on the basis of “excusable neglect” under *Pioneer Inv. Services Co v. Brunswick Associates Ltd. Partnership*, 507 U.S. 380 (1993)(“Pioneer Motion”) and its

¹ Only “claims against officers or employees of the City *in their individual capacity* under 42 U.S.C. §1983” (emphasis added) are excepted from the discharge and injunction provisions of the Plan, pursuant to paragraphs 30 and 32 of the Confirmation Order.

progeny. Thus, Collins is also barred, estopped and enjoined from asserting any claim against the City or property of the City under the Bar Date Order. Bar Date Order ¶ 22.²

24. However, even if Collins were now to file and have granted a *Pioneer* Motion (which he has not filed or sought), the relief to be afforded Collins would not include permitting Collins to proceed with his Federal Court Action against the City or property of the City. At most, Collins would be permitted to file a proof of claim which, if Collins were to succeed on the merits of his proof of claim, would afford Collins an “Other Unsecured Claim” under Class 14 of the Plan, and the right to a Pro Rata share of New B Notes and certain other distributions to the holders of Class 14 Claims described in the Plan. Under no scenario would Collins be permitted to commence or continue to prosecute the Federal Court Action or any other action or proceeding in any court (other than possibly the Bankruptcy Court) in connection with his claims against the City alleged in his Complaint.

IV. Conclusion

25. As such, the City respectfully requests that this Court enter an order in substantially the same form as the one attached as Exhibit 1, (a) granting the Motion; (b) requiring Collins to dismiss, or cause to be dismissed, with prejudice the Federal Court Action to the extent it seeks relief against the City or property of the City; (c) permanently barring, estopping and enjoining Collins from asserting any claims described in the Federal Court Action,

² Collins failure to timely file a proof of claim by the General Bar Date is an additional reason why Collins should be enjoined from continuing, and required to dismiss with prejudice, his claims against the City and its property. However, it is not necessary for the Court to decide any bar date issues or address the Motion on that basis. It is maintained as an alternative basis for granting the relief in the Motion. As described in paragraph 24, even if Collins had filed a timely proof of claim and that proof of claim were Allowed under the Plan, Collins sole right in connection with that claim would have been the right to receive distributions under the Plan on account of his Class 14 Claim (Other Unsecured Claim). There is no set of circumstances under which Collins is or would have been permitted to commence and prosecute the Federal Court Action against the City or its property.

or the alleged conduct forming the basis of the Federal Court Action, against the City or property of the City; and (d) prohibiting Collins from sharing in any distribution in this bankruptcy case.

The City sought, but did not obtain, concurrence to the relief sought in the Motion.

Specification 3: That he, POLICE OFFICER JEROME COLLINS, badge 1508, currently assigned to Eastern District, while on duty, did from April 2008 through November 2009, willfully disobey a direct order of the Department by working security and as a truancy officer at Allen Academy, without approval from the Chief of Police; THIS BEING IN VIOLATION OF

THE DETROIT POLICE DEPARTMENT MANUAL SERIES 100,
DIRECTIVE 102.3--7.9, CONDUCT, UNPROFESSIONAL, COMMAND 8.

IV. WILLFULLY MAKING A FALSE ORAL, WRITTEN STATEMENT OR REPORT

FINDINGS OF FACT

Commanders Steven Dolunt and James Moore were assigned to the Detroit Police Department's Eastern District during the relevant time period, beginning in 2007. The Grievant, Officer Jerome Collins, joined the Detroit Police Department on September 20, 1993. He worked at the Eastern District, assigned to the Community Relations Section at all relevant times.

The Commanders grew increasingly concerned about Officer Collins' whereabouts because they rarely saw him at the Eastern District. They decided to raise the matter with then-Deputy Chief Joyce Motley. Deputy Chief Motley told Dolunt and Moore "to let it go. . . . Community Relations was . . . under her, don't worry about it." Commander Dolunt said that he interpreted this response to mean that Officer Collins had a flexible work schedule and that he could do outside work.²

Deputy Chief Motley left the Department in September 2008 and her position was not filled.³ After Motley's departure, the Commanders received a letter from Officer Collins' wife or ex wife asserting that he was working at his personally-owned sports arena in Canton. The letter was referred to Internal Affairs for investigation.⁴ As Commander Moore

explained the circumstances, the request for investigation was prompted by their ongoing questions regarding Officer Collins' whereabouts:

We didn't see him, and we wanted to know what was going on. . . . But the bottom line is that we didn't see him the way we felt we should. We made inquiries. We didn't get answers that satisfied us. Therefore, we asked those people whose responsibility it is to take a deeper dive.⁵

Commander Dolunt said he probably discussed the allegations with Officer Collins after Internal Affairs was notified. Collins then became more visible, "He made a point to see me," he said.⁶ Internal Affairs subsequently reported that its investigation had yielded nothing. They put a surveillance team on Collins, followed him for a period of time and did not see anything out of the ordinary.⁷

About a year later, another letter was sent to then-Chief of Police Warren Evans requesting an investigation into Officer Collins' attendance:

Dear Chief of Police:

I am a concerned citizen living within the Eastern District boundaries and very close to some of the officers working there. It has come to my attention that one of the officers, Jerome Collins, works there, but no one ever sees him. He is suppose to be assigned to Community Relations but never reports to work.

I know that you said you want more officers on the street. I think it's time someone looks into what this officer is doing or not doing.

Sincerely,

Katherine Jones ⁸

The second Internal Affairs investigation focused on the manner in which the Eastern District's Community Relations Section was managed, the conduct of its Sergeant, Mattie Lewis, and Officers Collins and Borden. The investigation revealed that Officer Collins held two outside jobs that overlapped with the time he was scheduled to work at the Department. Further, that he had not sought or obtained permission from the Chief of Police to maintain these outside jobs, as prescribed by Manual Provision, Code of Conduct, 102.3-9.3:

102.3 - 9.3 Authorization

1. *The member shall submit an Inter-Office Memorandum requesting outside employment, through channels, to his or her commanding officer. The requesting member shall also submit a completed application for Authorization for Outside Employment or Business Activity (DPD 525), with the memorandum.*

2. *The requesting member's immediate supervisor shall submit a DPD 568, through channels, to the commanding officer regarding the member's sick time*

usage and duty status. Two (2) years of the requesting member's Police Attendance Cards (DPD 350C) shall be submitted with the DPD 568.

3. The *entire request package shall be* distributed as follows: the original and one (1) copy to the Chief of Police (through channels); one (1) copy in the member's file at his/her command; and one (1) copy to be retained by the member.

4. Once authorization has been granted, it shall remain in effect for a period of one (1) year unless the member terminates the business or employment activity or the department for cause terminates the authorization.⁹

Officer Collins worked at St. John Hospital as a contingent security officer from 2005 to 2010. Juan Rogers, Collins' supervisor, testified that full time officers were required to work from 7:00 a.m. to 3:00 p.m., while contingent officers were allowed flexible hours, if they had to leave to go to another job. Officer Collins usually reported to the hospital around 7:00 a.m. He left, however, at varying times that usually overlapped three or more hours with his departmental-duties.

Rogers said Collins was always accessible via surveillance camera and/or prep radio during his work hours at the hospital.¹⁰ The hospital used swipe cards to clock in and out, and employees were paid according to the hours recorded. Given the intricacies of the attendance-recording system, Rogers opined that Collins had to have been actually present

at the hospital as reflected in his time records.¹¹ Officer Collins admitted the accuracy of his hospital time-records in his *Garrity* interview.

Aside from his outside employment with the hospital, Officer Collins worked as a Security and Truancy Officer at Allen Academy. His weekly time records from the Academy indicated that he typically worked two to three weekdays from 9:00 a.m. to 3:00 p.m., in addition to working security in the nighttime.¹² However, Collins said in his *Garrity* interview that these time records were not accurate because he did not work at the Academy in the daytime. He said his duties as a Truancy Officer involved delivering letters to parents; a job he often did on the weekends. The nighttime security job at the Academy was from 11:00 p.m. to 4:00 or 5:00 a.m., he said.

Officer Collins' shift at the Detroit Police Department was generally on weekdays from 11:00 a.m. to 7:00 p.m., as documented by the Department's time records, activity logs, and daily details. His St. John Hospital and Allen Academy-time records clearly demonstrate that his outside employment overlapped in excess of 609 hours with the hours he claimed to have worked for the Department, from November 2007 through November 2009. Further, when his time records from his various employments with the Police Department, St. John

Hospital and Allen Academy are juxtaposed to one another, his claimed workdays often exceeded 27 hours.¹³

The Department requested that the Wayne County Prosecutor's Office issue a felony complaint and warrant against Officer Collins on January 18, 2010. On January 21, 2010, the Board of Police Commissioners suspended Officer Collins without pay.¹⁴ Pursuant to MCL § 750.218 and MCL § 750.505, Officer Collins was subsequently prosecuted for two counts of false pretenses (\$1,000.00 or more but less than \$20,000.00) and one count of common law offenses. He was acquitted of all charges on December 8, 2011 following a jury trial in the Wayne County Circuit Court.

Other facts will be raised in the relevant discussion.

DISCUSSION

This is a discharge case for which the Detroit Police Department bears the burden of proving just cause—not simply for imposing some discipline, but just cause for the ultimate sanction of discharge. Article 9.E.3. of the Collective Bargaining Agreement provides that where the penalty of discharge has been imposed, the standard of review in an appeal of a Trial Board decision to arbitration is *de novo*:

¹³Trial Board Exhibit 7A; Spreadsheet comparing the time overlaps between Jerome Collins' employment with the Detroit Police Department, St. John Health and Allen Academy

¹⁴Exhibit 7; Chronology of investigation and disciplinary proceedings

3. An appeal of a Trial Board decision to arbitration under this section shall be subject to the arbitration procedure of Article 8, insofar as they are specifically applicable to discipline arbitration, subject to the following provisions:

a. Any disciplinary matter brought to arbitration shall be limited to the issue of the severity of the penalty except discharges and suspensions of six (6) months or more in which cases the employee shall be entitled to a *de novo* hearing on all issues.

* * *

c. The umpire shall have the authority to affirm the Trial Board penalty, to reverse the Trial Board penalty, to set aside or to modify it in any way. In no event shall the umpire increase the penalty rendered by the Trial Board.

The Association notes that the Trial Board applied the preponderance of the evidence standard while making its findings. On *de novo* review, it urges the application of the criminal standard of beyond a reasonable doubt with respect to Counts I and IV. The Umpire agrees that where the basis for dismissal is criminal in nature or involves moral turpitude, the Department bears the burden of proving the misconduct beyond a reasonable doubt. See, for example, *P.O. Tara Lawson*, 01-0585 (Alexander, 2003). However, the Umpire rejects the notion advanced by the Association that this “quantum of proof . . . requires that the Employer establish *without a doubt* that Mr. Collins is guilty. . . ”¹⁵

¹⁵Association’s Post-Hearing Brief, pp. 7-8 [italics supplied by the Association].

Employing a “without a doubt” standard would indeed impose a higher standard on the Department than what is known in the criminal law.¹⁶

Conduct Unbecoming an Officer

The Department maintains that the Trial Board’s guilty-finding on Count I should be affirmed because Officer Collins conducted “himself in a manner unbecoming an officer by working two (2) unauthorized outside employments that overlapped his duties and responsibilities with the Detroit Police Department as a Community Relations Officer.” The Association counters that though “Collins’ various employers show overlapping work times . . . it does not prove that he was not working for the Department the total number of hours for which he was compensated.”¹⁷ This argument however misapprehends the gravamen of the misconduct alleged in Count 1.

Conduct unbecoming a police officer includes conduct which brings or may bring, the Police Department into disrepute or reflects discredit upon the officer or the department, thereby impairing efficient departmental operations. It is an honor and privilege to be employed as a police officer, and attached to that honor come certain expectations and a sacrifice of individual rights. Police officers must therefore conduct both their professional

¹⁶Michigan’s Standard Criminal Jury Instruction, CJI 2d 3.2 states, in part, that “A reasonable doubt is a fair, honest doubt growing out of the evidence or lack of evidence, it is not merely an imaginary or possible doubt, but a doubt based on reason and common sense. A reasonable doubt is just that, a doubt that is reasonable after a careful and considered examination of the facts and circumstances of this case.”

and personal lives in accordance with the higher standards and expectations of their department, eschewing dishonest acts and unfair dealing.

In his *Garrity* interview, Officer Collins said that the information *he* furnished to support *his* Allen Academy time-records and payroll was inaccurate, but “confirmed that [his] time records from St. John’s Hospital were correct.”¹⁸ Further, Collins’ Allen Academy time-records for 2009 show that this outside employment overlapped more than one thousand (1,000) hours with the time he was charged with performing his duties and responsibilities as a police officer.¹⁹

Because it is impossible for one to be in two and three places at the same time, or to work a 27-hour plus workday, Collins’ actions raised the specter of unfair dealing and dishonesty. This conduct clearly reflected discredit upon Officer Collins and brought the Department into disrepute, as demonstrated by the January 15, 2010-*Detroit Free Press* article captioned, “2 Detroit Cops are focus of time-card fraud investigation.”²⁰

For the above reasons, the evidence supports the Trial Board’s finding of guilt on Count I, Specification 1, *viz.*, Officer Collins conducted “himself in a manner unbecoming

an officer by working two (2) unauthorized outside employments that overlapped his duties and responsibilities with the Detroit Police Department as a Community Relations Officer.”

Willful Disobedience of Rules or Orders

In Count II, Specifications 2 and 3, the Trial Board found Officer Collins guilty of willfully disobeying a direct order of the Department by working at St. John Hospital from November 2007 through November 2009, and Allen Academy from April 2008 through November 2009, without approval from the Chief of Police.

There can be no doubt that Officer Collins was working two outside jobs during the relevant periods, based on the voluminous attendance records and his own admissions during his *Garrity* interview.²¹ There similarly is no question that Collins sought permission, or obtained approval from the Chief of Police to hold these outside employment positions during the relevant time-periods.

The evidence therefore clearly supports the Trial Board’s finding of guilt on Count II, Specifications 2 and 3, viz., willfully disobeying a direct order of the Department by working at St. John Hospital from November 2007 through November 2009, and Allen

Academy from April 2008 through November 2009, without approval from the Chief of Police.

Willfully Making a False Oral, Written Statement or Report

The Trial Board found Officer Collins guilty of making a false written report, when he completed and submitted Activity Logs that he knew contained false information on 77 various dates. (He was found not guilty on Specification 7 for January 12, 2009; Specification 9 for January 21, 2009; Specification 11, for January 28, 2009 and Specification 38 for May 14, 2009.)

Officer Collins' shift at the Detroit Police Department was generally on weekdays from 11:00 a.m. to 7:00 p.m. He also worked at St. John Hospital, reporting usually around 7:00 a.m., and leaving at varying times which typically overlapped three or more hours with his departmental-duties. Further, according to the Allen Academy's time records, his typical weekly schedule consisted of two to three *weekdays* from 9:00 a.m. to 3:00 p.m.

During his *Garrity* interview, Officer Collins admitted that all of the 2009-Activity Logs that he completed were inaccurate because he consistently misrepresented that he began his police duties at 11:00 a.m. However, he asserted that his shift was, instead, from 2:00 p.m. to 10:00 p.m. or 1:30 p.m. to 9:30 p.m.

He said the Eastern District Command had given him "flex" time because he ran daily department-sponsored sports programming from 4:00 p.m. to 10:30 p.m. or 11:00 p.m., and

on the weekends. He further claimed that despite misrepresenting the time-periods when he conducted the more routine police activities that were listed in his Activity Logs, he did, in fact, perform them. The times were misrepresented, he said, because Sergeant Lewis instructed him to complete the logs in a manner consistent with the time sheets and daily details that she had completed.

It must be recalled that the allegations in Count IV relate only to Officer Collins' conduct in 2009 and that Officer Collins agreed to the accuracy of his hospital time-records. Furthermore that none of his command officers confirmed that his shift was, in fact, from 2:00 p.m. to 10:00 p.m. or 1:30 p.m. to 9:30 p.m.

Parenthetically, even if his "flex" shift-claim carried any validity, the Umpire notes that of the 77 guilty-findings in Count IV, Collins clocked out from the hospital on 54 occasions *at 2:00 p.m., and afterwards*. In six (6) other instances, he clocked out only a few minutes before 2:00 p.m., making it virtually impossible for him to reach the Eastern District by 2:00 p.m.²² Thus, Officer Collins effectively admitted that his outside employment with the hospital overlapped most time-periods that he was charged with performing his duties and responsibilities as a Community Relations Police Officer; by his own admissions, on 60 occasions he willfully made a false written report when he completed and submitted an Activity Log that he knew contained false information.

²²Trial Board Exhibit 7C; Spreadsheet comparing the time overlaps between Jerome Collins' employment with the Detroit Police Department, St. John Health and Allen Academy

The documentary evidence, coupled with Officer Collins' own admissions, support the Trial Board's findings of guilt with respect to Count IV, Specifications 5-6, 8, 10, 12-37, 39- 85, viz., Officer Collins willfully made a false written report when he completed and submitted an Activity Log that he knew contained false information.

The Penalty

"Just cause is a flexible concept, embodying notions of equity and fairness." *Arch of Illinois, Div of Apogee Coal Corp v District 12, United Mine Workers*, 85 F3d 1289, 1294 (7th Cir. 1996). However, properly understood:

Where an employee has violated a rule or engaged in conduct meriting disciplinary action, it is primarily the function of management to decide upon the proper penalty. If management acts in good faith upon a fair investigation and fixes a penalty not inconsistent with that imposed in other like cases, an arbitrator should not disturb it. . . The only circumstances under which a penalty imposed by management can be rightfully set aside by an arbitrator are those where discrimination, unfairness, or capricious and arbitrary action are proved—in other words, where there has been abuse of discretion.

Stockham Pipe Fittings Co, 1 LA 160, 162 (McCoy, 1945).

In recommending the penalty of dismissal, the Trial Board considered the nature of the charges, along with the absence of disciplinary sanctions during Officer Collins' 17-plus years of active service with the Department. The Association argues that the penalty is too harsh considering that this case represents Officer Collins' "first offense." Officer Collins' misconduct was protracted and premeditated. He willfully disobeyed the department's rules regarding outside employment over the course of two years and made false entries on his

Activity Logs for almost one year. His willful disobedience and fraudulent scheme ultimately brought the department into disrepute and reflected discredit upon him as an officer.

In other cases involving far less egregious misconduct than this case, members of this panel have upheld dismissals. *See, Wade Griffin*, Gr. No. 98-0100, (Brown, 1999) (affirming departmental dismissal where officer pled no contest to willfully submitting false medical excuses, with 13 specifications, and to conduct unbecoming an officer); *Rial Parsons*, 2 DPD Lab. Arb. 283 (Roumell, 1981) (affirming departmental dismissal where officer intentionally altered timekeeping record for his own benefit on at least seven different occasions for almost a one year period); *Renois Tompkins*, 4 DPD Lab. Arb. 482 (Chiesa, 1986) (affirming departmental dismissal where officer falsified court appearance records to increase his earnings and defrauded the MESC).

The Association also argues that the fact that Sergeant Lewis was not terminated for approving Officer Collins' inaccurate activity logs proves he is being subjected to disparate treatment. The claim of disparate treatment goes wanting for the reasons articulated by the Department:

While true, Sgt. Mattie Lewis . . . received [a] lesser penalt[y]; the circumstances are distinguishable such that it is not disparate treatment, nor is it arbitrary or capricious. First, Lewis received a forty-five day suspension for failing to supervise and false statement. She acknowledged her wrongdoing when she pled guilty and accepted a plea offer for the forty five-day suspension. The Department would distinguish by (1) the underlying conduct and charges were not similar, (2) different bargaining units; (3) the penalty was

issued under a negotiated plea agreement, not by a trial board; and (4) plea agreements have no precedential value and cannot be used for any other case.²³

It is difficult to see how the Department could be expected to “correct” the behavior here. This was not an isolated instance of misconduct, but a dishonest and fraudulent course of conduct that the Grievant engaged in day after day, for months and months. Considering the seriousness of these offenses, this Umpire cannot find that the Department violated concepts of reasonableness while imposing dismissal, notwithstanding the Grievant’s lack of prior discipline.

The Award to follow will affirm the Department’s guilty findings with respect to:

Count I, Specification 1, viz., Officer Collins conducted “himself in a manner unbecoming an officer by working two (2) unauthorized outside employments that overlapped his duties and responsibilities with the Detroit Police Department as a Community Relations Officer.”

Count II, Specifications 2 and 3, viz., Officer Collins willfully disobeyed a direct order of the Department by working at St. John Hospital from November 2007 through November 2009, and Allen Academy from April 2008 through November 2009, without approval from the Chief of Police.

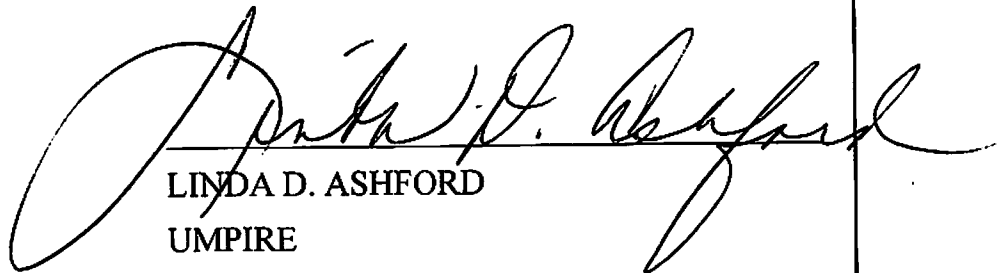

²³Department’s Post-Hearing Brief, p. 25.

Count IV, Specifications 5-6, 8, 10, 12-37, 39- 85, viz., Officer Collins willfully made a false written report, when he completed and submitted an Activity Log that he knew contained false information.

AWARD

The Trial Board's findings of guilt are affirmed with respect to: Count I, Specification 1; Count II, Specifications 2 and 3 and Count IV, Specifications 5-6, 8, 10, 12-37, 39-85.

The dismissal of Officer Jerome Collins from the Detroit Police Department is affirmed.

COMPLAINT AND JURY DEMAND

Now comes Jerome Collins, Plaintiff in the above-captioned matter, by and through his attorneys, Whitfield and Associates, PC, to complain as follows:

1. This action is for damages brought pursuant to 42 USC section 1983 and 1998, Fourth, Sixth and Fourteenth Amendments to the United States Constitution and under the statutory and common law of the State of Michigan, against the above-named individual defendants, in their Individual capacities and the City of Detroit. Jurisdiction is founded upon 28 USC section 1331 and 28 USC section 1343 and upon the pendent jurisdiction of this Court to adjudicate claims under Michigan law.

2. Venue is proper based on the situs of the incidents that occurred in the City of Detroit.

3. That at all times pertinent hereto, Plaintiff Jerome Collins was a resident of the City of Detroit, County of Wayne, State of Michigan.

4. That at all times pertinent hereto, Defendant City of Detroit was a municipal corporation, and was the employer of the named individual defendants.

5. That at all times pertinent hereto, Defendant Detroit Police Department (“DPD”) was an agency of Defendant City of Detroit.

6. That at all times pertinent hereto, Defendant Ralph Godbee was, upon information and belief, a resident of Defendant City of Detroit and served as either Assistant Chief or Chief of Defendant Detroit Police Department, and at all times acting in his individual capacity and within the scope of his employment as a police officer employed by the City of Detroit and under Color of Law.

7. That at all times pertinent hereto, Defendant Mattie Lewis was, upon information and belief, a resident of Defendant City of Detroit and employed as a police officer for the Defendant Detroit Police Department, and at all times acting in her individual capacity and within the scope of her employment as a police officer employed by the City of Detroit and under Color of Law.

8. That at all times pertinent hereto, the various persons identified as John Doe were, upon information and belief, residents of Defendant City of Detroit and employed as police officers with Defendant Detroit Police Department, and at all times acting in their individual capacities and within the scope of their employment as a police officer employed by the City of Detroit and under Color of Law.

COMMON ALLEGATIONS

9. Plaintiff hereby incorporates and repeats Paragraphs 1-8, as though stated in their entirety.

10. That, on September 20, 1993, Defendant City of Detroit hired Plaintiff to work as a law enforcement officer, and vested him with all the powers, duties, obligations and responsibilities attendant to the position of officers of the Detroit Police Department.

11. That Plaintiff performed his assigned duties as well or better than others in the same position.

12. That, prior to commencing said employment with Defendant, Plaintiff, among other things, coached and played semi-professional softball.

13. That, as Plaintiff listed on his employment application, his coaching and athletic background, DPD officials, near the beginning of September 2004, assigned Plaintiff to the Ninth Precinct, where he worked in the Community Relations unit under the supervision of Commander Vivian Talbert.

14. That, near mid-September 2004, Talbert instructed Plaintiff that his primary task in Community Relations was to develop after-school sports programs for youth in the community as part of an on-going crime fighting initiative.

15. That Talbert further advised Plaintiff that, to achieve his Community Relations goal of working with such adolescents, he was required to work each day from 2:00 PM to 10:00 PM, five days a week.

16. That, in early 2006, the Ninth Precinct merged with the Fifth Precinct to form the Eastern District, where DPD assigned Plaintiff to work under the supervision of Defendant Mattie Lewis, a sergeant who headed the Community Relations unit of the newly created district.

17. That, following the merger, Sergeant Lewis ordered Plaintiff to continue to perform his community relations duties from 2:00-10:00, even though DPD's official records and logs would show that he was scheduled to work from 12:00 AM to 8:00 PM.

18. That, consistent with the goals of the Community Relations detail, Plaintiff organized youths from the community into competitive football, bowling, baseball, and basketball teams.

19. That, in furtherance of his community relations duties, Plaintiff organized regular after-school practice sessions that included teams from Detroit and surrounding municipalities.

20. That, when he arrived at work each day, Plaintiff checked in with Defendant Lewis, who posted Plaintiff's weekly schedules in the Eastern District's Community Relations office, and, further, provided copies of these schedules to Defendant Deputy Chief Godbee and the Eastern District's two Commanders.

21. That Plaintiff continued this schedule with the knowledge, support, and approval of Plaintiff's supervisory officers until Plaintiff's estranged wife inquired as to Plaintiff's hours in a September 2008 letter to Defendant DPD and an anonymous letter sent to Defendant DPD raised similar inquiries in November 2009.

22. That DPD's Internal Affairs unit reviewed the September 2008 letter from Plaintiff's estranged wife, investigated it and found that it was of no moment.

23. That an Internal Affairs investigation of the November 2009 letter found that Plaintiff had committed larceny by false pretense, for an amount in excess of hundred dollars (\$100.00), based on hours he allegedly had not worked.

24. In defense against the above findings:

- a. Plaintiff repeatedly explained that he had not committed larceny, since his actual hours worked were in excess of those DPD paid him for, based on his activity logs.
- b. Plaintiff repeatedly explained that his supervisor had only approved his 2:00 PM-10:00 PM work schedule, but, in fact, had ordered him to work those hours.
- c. Plaintiff advised Internal Affairs that Deputy Chief Godbee and the two commanders, not only had full knowledge of his schedule, but had approved it and had also attended Plaintiff's teams sporting events.
- d. in spite of the fact that Plaintiff explained that it was improbable that a Community Relations outreach initiative such as DPD sought could have functioned within the time listed on the daily logs, given that all sports programs generally lasted until 9:00 PM or 9:30 PM.

25. That, in spite of Plaintiff's explanations, DPD issued a directive that:

- a. caused Plaintiff to be suspended from his position as a law enforcement officer and his paychecks to be suspended;
- b. caused felony criminal charges to be initiated against him.
- c. caused Plaintiff to lose certification as a law enforcement officer, and, thus, his ability to find law enforcement work elsewhere.

26. That after his December 8, 2011, acquittal in the above criminal court trial, Plaintiff initiated a grievance proceeding to challenge the DPD's administrative action that suspended him without pay.

27. That, on June 12, 2013, a hearing convened on Plaintiff's grievance for back pay and reinstatement based on his acquittal of all charges in the criminal court proceedings.

28. That, on account of the City of Detroit's bankruptcy filing, the June 12, 2013 hearing was adjourned without a decision, which remains presently unresolved.

29. That, consistent with DPD's policy manuals, Plaintiff, made a March 15, 2012, request for all pertinent records, documents, and notes that related to his grievance; but, while

Defendants provided certain records and documents, they secretly withheld Sergeant Lewis's July 6, 2010 Garrity.

30. That Plaintiff did not learn of the existence of Sergeant Lewis's Garrity, until his July 6, 2013, trial board hearing, when Internal Affairs investigator Donald Svenkesen testified that DPD had taken Lewis's Garrity.

31. That, in the face of Plaintiff's repeated requests for Lewis's Garrity, Defendants, in intentional and reckless disregard of Plaintiff's due process rights, withheld this document and other information, including initiative reports, showing his community relations activity.

32. That, since Lewis's records provided the alleged basis for DPD's decision to bring criminal proceedings against Plaintiff, to discipline him and terminate his employment, her Garrity, which indicated her purposeful or inadvertent failure to keep accurate activity logs, would have undermined the stated basis for DPD's discharge decision.

33. That after completion of the trial board hearing, the Detroit Police Officers' Association (DPOA) acted pursuant to the Collective Bargaining Agreement and appealed Plaintiff's termination to an arbitrator.

34. That Plaintiff, in preparation for his arbitration hearing, once more requested Lewis's Garrity, but DPD continued to withhold that Garrity in violation of Plaintiff's due process rights.

35. That having access to the police files and police witnesses on the case, Defendants intentionally failed to provide Sergeant Lewis's Garrity, either at the prosecutorial stage, at the disciplinary hearing, at the trial board stage and at the arbitration phase, even though it contained information material to DPD's charges and to any defenses that Plaintiff might have established.

36. That, as Defendant City of Detroit is a governmental unit, the improper, and unlawful withholding of Lewis's Garrity was so prejudicial, so injurious and so wanton as to constitute a failure of Due Process, under the State and federal constitutions.

37. That, inasmuch as Lewis's Garrity contained highly probative and material information, Defendant's repeated and willful failure to produce it not only materially impacted Plaintiff's litigation strategies, but also demonstrated a fraudulent intent to conceal its existence.

38. That DPD also subjected Plaintiff to a difference in treatment based on sex, as shown by the following facts:

- a. DPD initiated similar administrative charges against Plaintiff and Sergeant Mattie Lewis and Officer Kenyetta Borden, both African-American females, as a result of the same investigation;
- b. DPD suspended each female officer with pay;
- c. At the trial board each female officer was given a lesser form of punishment than Plaintiff and, afterwards, returned to work.

39. That due to Defendants' conduct, as set forth above, Plaintiff suffered the following injuries and damages:

- a. Being wrongfully suspended from his job without pay, decertified as a law enforcement officer, arrested and, thereafter, prosecuted;
- b. Severe emotional distress from the period of his suspension to the present;
- c. Physical manifestations of emotional distress, including, but not limited to, sleeplessness, irritability, loss of appetite, headaches and other symptoms;
- d. Fright, shock, indignity, humiliation and embarrassment of being wrongfully charged, suspended, arrested and prosecuted.
- e. Loss of enjoyment of daily activities;
- f. Loss of employment opportunity;
- g. Payment of significant attorney fees;
- h. Many of Plaintiff's injuries and damages are likely to be permanent
- i. Other damages which may be revealed through discovery.

**COUNT I - VIOLATION OF DUE PROCESS RIGHTS AND EQUAL PROTECTION
UNDER THE FOURTEENTH AMENDMENT OF THE UNITED STATES
CONSTITUTION & 42 U.S. C & 1983**

40. Plaintiff hereby incorporates and repeats Paragraphs 1-39, as though stated in their entirety.

41. Defendants acted under Color of Law and pursuant to and pursuant to statute, custom, usage, or practice, individually and in concert with one another, unlawfully, maliciously, and intentionally and with deliberate indifference and callous disregard of Plaintiff's rights and deprived Plaintiff of his liberty and property interests without due process of law and denied Plaintiff equal protection of the law, in violation of the Fourteenth Amendment to the Constitution of the United States and in violation of 42 USC, Section 1983.

42. The Section 1983 Defendants are liable to Plaintiff for violating his Constitutional rights with the following:

- a. The policies, procedures, and the statutes of the Detroit Police Rules and Policies embody property and liberty interests for the Plaintiff that are protected by the United States Constitution, which the §1983 Defendants violated, among other things, by withholding material evidence, and, which they, thereby, also deprived Plaintiff of his right to due process and liberty;
- b. Plaintiff's good name and reputation, honor, and integrity, were connected with and inseparable from his employment status as a Detroit Police Officer, his certification from the police academy, and his ability to pursue his law enforcement career, and his income, and each constituted an enforceable liberty and property interest protected by the due process clause of the fourteenth amendment; the procedure employed or ignored by the §1983 Defendants deprived Plaintiff of his liberty and property interests and violated his right to due process and to liberty.

43. Plaintiff had a substantive right to equal treatment without regard to sex, and the §1983 Defendants violated plaintiff's right to equal protection under the law;

44. Plaintiff had a substantive right to equal protection, and the §1983 defendants, in their arbitrary and capricious actions, treated plaintiff differently than other persons who were similarly situated and deprived plaintiff of his right to equal protection under the law.

45. The Defendants liable under §1983 acted in clear violation of established constitutional rights that a reasonable person would have known were applicable, and the §1983 defendants were so obviously unlawful that only unknowledgeable person or a person who knowingly violated the law would have behaved towards plaintiff as they did. In any regard, a competent public official would have recognized that plaintiff's rights were being breached.

46. The Defendants liable under section 1983 inflicted such measures upon plaintiff as to forthwith cause monetary damages, past, present and future, as to inflict reputational damage, and to hinder and impede his earning potential, to inflict grievous emotional suffering, including embarrassment, outrage, severe and grievous emotional anguish, pain, humiliation, anxiety and injury.

**COUNT II - DUE PROCESS AND EQUAL PROTECTION VIOLATIONS UNDER
ARTICLE I, SECTIONS 2 AND 17 OF THE 1963 MICHIGAN CONSTITUTION AS TO
DEFENDANTS GODBEE, LEWIS, AND JOHN DOE DEFENDANTS**

47. Plaintiff hereby incorporates and repeats Paragraphs 1-46, as though stated in their entirety.

48. Defendants Godbee, Lewis and John Doe acted under color of law and pursuant to statute, custom, usage or practice, individually and in concert with one another, when they unlawfully, maliciously, and intentionally, and with regard deliberate indifference and callous disregard of Plaintiff's rights, deprived Plaintiff of his liberty and property interests without due process of law and denied Plaintiff equal protection under the law, in violation of Article 1, Section 2 and 17 of the Michigan Constitutions.

49. The aforementioned defendants, (to the extent that any other Constitutional remedies are deemed unavailable) are liable to Plaintiff for violating his constitutional rights under the Michigan Constitution of 1963, constituent with and provided in the allegation set forth herein.

50. These acts, as well as others, were in violation of defendants' affirmative duties to secure Plaintiff's constitutionally protected rights.

COUNT III - SEX DISCRIMINATION UNDER 42 USC §1983 AS TO ALL DEFENDANTS

51. Plaintiff hereby incorporates and repeats Paragraphs 1-50, as though stated in their entirety.

52. Plaintiff has a constitutionally protected right to fair and equal treatment regardless of his sex. This right is protected by the Equal Protection Clause of the Fourteenth Amendment.

53. Defendants, without conducting the required investigation, discriminatorily determined that unlawful discrepancies existed between Plaintiff's daily activity logs and his official schedule.

54. Further, Defendants, without conducting the required investigation, discriminatorily revoked Plaintiff's law enforcement certification as a police officer and refused his request for re-certification.

55. These acts, as well as others, were in violation of Defendants' affirmative duties to secure Plaintiff's constitutionally protected rights.

56. Defendants and their agents, acting under color of state law and in concert with one another, by their conduct, showed intentional, outrageous, and reckless disregard for Plaintiff's constitutionally protected rights.

57. As a direct and proximate result of Defendants' policies, practices, customs, failure to train or improperly-provided training, Plaintiff was deprived of his constitutionally protected rights, suffered damages, including, but not limited to, loss earnings, mental anguish, physical and emotional distress, humiliation and embarrassment, and loss of reputation.

COUNT IV - GROSS NEGLIGENCE AS TO ALL DEFENDANTS

58. Plaintiff hereby incorporates and repeats Paragraphs 1-57, as though stated in their entirety.

59. Defendants were, at all times, under a duty to act reasonably to avoid causing injury with respect to Plaintiff's constitutional rights.

60. Defendants breached their duties, at each stage of the disciplinary proceedings, including arbitration, they refused to provide to Plaintiff or his attorneys copies of all documents, records, notes and memoranda that were pertinent to the disciplinary charges against him.

61. Defendants' conduct, by deliberately concealing and failing to disclose the above-captioned material and exculpatory evidence, breached that duty.

62. Defendants' conduct constituted gross negligence and is an exception to the defense of governmental immunity.

63. Defendants' breaches were the direct and proximate cause of Plaintiff's damages.

COUNT V - TORTIOUS INTERFERENCE WITH THE COLLECTIVE BARGAINING AGREEMENT AS TO ALL INDIVIDUAL DEFENDANTS

64. Plaintiff hereby incorporates and repeats Paragraphs 1-63, as though stated in their entirety.

65. Plaintiff was a member of the Detroit Police Officers ("DPOA"), a union for law enforcement officers, which was the exclusive bargaining agent for non-supervisory Detroit Police Officers.

66. Godbee, Lewis, and all John Doe defendants, acting with intentional and willful malice and bad faith, with deliberate indifference for the consequences of their actions, and outside the scope of any legitimate governmental function, and in complete failure to follow DPD's policies and procedures unjustly instigated DPD's breach of its contract with Plaintiff, when they caused DPD to terminate Plaintiff, based on allegations that they knew to be false and on investigatory/hearing procedures they knew to be *partisan and inadequate*.

67. As a direct and proximate result of the actions of Godbee, Lewis, and the John Doe defendants, Plaintiff suffered monetary damages, impairment of his professional reputation, severe and grievous emotional suffering, embarrassment and outrage.

COUNT VI - VIOLATIONS OF ELLIOTT-LARSEN CIVIL RIGHTS LAWS – SEXUAL DISCRIMINATION

68. Plaintiff hereby incorporates and repeats Paragraphs 1-67, as though stated in their entirety.

69. Plaintiff is an "employee" within the meaning of the Elliott-Larsen Civil Rights Act, Mich. Comp. Laws Ann. Section 37.2201, et. seq. (the "Act").

70. Plaintiff, an African-American male, is a member of a protected class.

71. DPD, on July 6, 2013, terminated Plaintiff from employment as a law enforcement officer.

72. This termination resulted from Plaintiff's gender. Specifically, DPD, through its employees, treated similarly situated female employees Police Officers Lewis and Bordee differently by according them lesser punishments for similar infractions and failing to provide Plaintiff due process rights.

73. Prior to his July 6, 2013 termination, Plaintiff was a certified law enforcement officer, who performed the duties as well or better than other similarly situated employees.

**COUNT VII - INTENTIONAL INFLICTION OF MENTAL AND EMOTIONAL
DISTRESS AS TO ALL DEFENDANTS**

74. Plaintiff hereby incorporates and repeats Paragraphs 1-73, as though stated in their entirety.

75. Defendants acted in an extreme and outrageous manner when they, acting under color of state law, haphazardly and without adequate investigation, imposed on Plaintiff a series of disciplinary measures that culminated in discharge.

76. That Defendants, thereby, intended to or recklessly inflicted severe emotional distress upon Plaintiff by terminating him from his position.

77. That Defendants' actions caused Plaintiff severe emotional distress.

78. As a direct and proximate result of Defendants' actions, Plaintiff suffered injury and damages, including, but not limited to, loss of earnings, mental anguish, physical and emotional distress, humiliation, embarrassment, needless notoriety in the media, and an irreparable loss of reputation.

Wherefore, Plaintiff requests that this Court enter judgment in his favor and against Defendants, for the following relief:

1. Legal Relief:

- a. a judgment for lost wages, including back-pay and front-pay, in whatever amount he is found to be entitled;
- b. compensatory damages in whatever amount he is found to be entitled;
- c. punitive and exemplary damages commensurate with the wrong and Defendants' ability to pay;
- d. an award of interest, costs and reasonable attorney fees.

2. Equitable Relief

- a. an injunction barring Defendants from taking further adverse action against Plaintiff relative to requests for job references, or through continued notoriety in the media, press releases or statements of a defamatory nature with regard to the issues herein litigated or reasonably related thereto;
- b. an injunction that requires Defendant to offer Plaintiff employment, or in the alternative, to take such steps necessary to re-certify him as a law enforcement officer, that he may continue his chosen career elsewhere;
- c. an award of interest, costs, and reasonable attorney fees;
- d. Any other equitable relief that appears appropriate at the time of trial.

3. Damages for Mental and Emotional Distress

- a. an award for Plaintiff's emotional injury and suffering, his shock, fright, outrage, humiliation, un-justified publicity;
- b. an award for punitive and exemplary damages, attorney fees, costs and interest, as may be allowed under law;
- c. such other relief as the court may find equitable and just.

DEFENDANTS' ANSWER TO COMPLAINT

Defendants, by and through the undersigned attorneys, pursuant to the Federal Rules of Civil Procedure, do submit their answer and affirmative defenses in response to Plaintiff's Complaint that was filed on May 15, 2015, and state as follows:

**RESERVATION OF RIGHT TO WITHDRAW DEFENSE
AND/OR INDEMNIFICATION FOR INDIVIDUAL DEFENDANTS**

The undersigned attorneys LETITIA C. JONES and HEIDI JUNTILA pursuant to Section 13-11-1 of the Detroit City Code reserve the right to withdraw as counsel for the individually named Defendants in the event Defendants' representation request is not approved by the Detroit City Council.

1. Defendants neither admit nor deny because the allegation seeks a legal conclusion for which no response is required.
2. Defendants admit.
3. Upon information and belief, Defendants admit that at one time he lived in the City of Detroit. His file lists a Farmington Hills address.
4. Defendants admit.
5. Defendants admit, although the Detroit Police Department is not a legal entity that can be sued. A caption change is required/requested.
6. Defendants admit in part, deny in part. Upon information and belief, Godbee was a resident of the City of Detroit and served as Assistant Chief or Chief during some of the relevant times; he was replaced by Interim Chief Chester Logan, who was replaced by the current Chief, James Craig.

Without further discovery, Defendants can neither admit nor deny the remainder of the allegations in paragraph no. 6.

7. Defendants admit in part, deny in part. Upon information and belief, Mattie Lewis was a resident of the City of Detroit. Lewis was a Sergeant for the City of Detroit and has since retired. Without further discovery, Defendants can neither admit nor deny the remainder of the allegations in paragraph no. 7.
8. Defendants can neither admit nor deny this allegation as it is vague and fails to identify the party that the allegations applies to.

COMMON ALLEGATIONS

9. Defendants repeat and incorporate their answers to paragraphs 1 through 8 as if fully restated herein.
10. Defendants admit.
11. Without further discovery, Defendants neither admit nor deny the allegations of paragraph 11, leaving Plaintiff to his proofs.
12. Without further discovery, Defendants neither admit nor deny the allegation of paragraph 12.
13. Without further discovery, Defendants neither admit nor deny the allegation of paragraph 13.

14. Defendants neither admit nor deny the allegation of paragraph 14 for lack of knowledge. Talbert retired from the Detroit Police Department in January 2006.

15. Defendants neither admit nor deny the allegation of paragraph 15 for lack of knowledge. Talbert retired from the Detroit Police Department in January 2006.

16. Defendants admit.

17. Defendants deny

18. Defendants deny.

19. Defendants deny.

20. Defendants deny.

21. Defendants deny.

22. Without further discovery, Defendants neither admit nor deny the allegation in paragraph 22.

23. Defendants admit.

24. Without further discovery, Defendants can neither admit nor deny the allegations set forth within paragraph 24.

25. Defendants admit in part, deny in part. Plaintiff's actions in having three jobs

overlapping hours led to criminal charges being filed against him. Because of those charges, Plaintiff was suspended without pay on January 21, 2010. On December 12, 2011, Plaintiff requested a reinstatement hearing on December 12, 2011. The earliest scheduled opportunity for hearing took place on February 8, 2012. Plaintiff failed to appear for the hearing. He avoided service of process for the reinstatement and disciplinary hearings – thus causing further delay. His actions causing the delay, led to the expiration of his certification as an officer.

26. Defendants admit that Plaintiff, through his union, submitted a letter requesting reinstatement.

27. Defendants admit that the 9F hearing convened on June 12, 2013 relating to Plaintiff's grievance for back pay and reinstatement, but denies the remaining allegation in paragraph 27 as to the basis of the grievance.

28. Defendants deny, as it is not unresolved. The discharge of Officer Collins renders the results from the 9F hearing moot.

29. Defendants deny.

30. Defendants can neither admit nor deny the allegations in paragraph 30, as to when Plaintiff learned of Lewis' Garrity.

31. Defendants deny. Defendant Mattie Lewis' Garrity statement had been misplaced and could not be located; however, Lewis' testimony at the investigative interview, at the preliminary exam and at the trial were made available. She was unavailable for the disciplinary hearing, so her trial testimony and the investigative interview testimony was used for her testimony at the disciplinary hearing. His attorneys at the criminal hearing had ample opportunity to cross-examine Lewis at trial. Plaintiff's due process rights were not violated.

32. Defendants deny. While Lewis' testimony was considered, there were over 9 other witnesses who testified and 16 other items entered into evidence that were also considered.

33. Defendants admit.

34. Defendants can neither admit nor deny the allegations in paragraph 34, as the City is not privy to his preparations for defending the matter.

35. Defendants deny that there was any intent to prevent Plaintiff from obtaining Lewis' Garrity. It was misplaced and neither Plaintiff's attorney, nor the City's attorney, had a copy.

36. Defendants deny. See response 31.

37. Defendants deny. See response 31.

38. Defendants deny this allegation that Plaintiff was treated differently because of his sex; denies that the individuals listed in the subparts were similarly situated.

39. Defendants deny the allegations listed in paragraph 39, to include all subparts.

**DEFENDANTS' SPECIAL AND AFFIRMATIVE DEFENSES
TO PLAINTIFF'S COMPLAINT**

In further answer, and by way of special and affirmative defenses (in addition to or in conjunction with the defenses set forth in the foregoing Answer) Defendants, by and through the undersigned attorneys, state that they will rely upon the following special and affirmative defenses, if applicable, and if supported by facts to be determined through appropriate discovery:

1. Defendant Detroit Police Department is not a separate legal entity from Defendant City of Detroit, as such the caption should be revised to reflect the correct entity being sued. Any responses given in the aforementioned answer and these affirmative defenses apply as to both (*i.e., City of Detroit and Detroit Police Department*) until such time as the correction is made.
2. Any responses given in the aforementioned answer and these affirmative defenses applies to Mattie Lewis, who was served on June 8, 2015.
3. Defendant City of Detroit is not responding to claims alleged against Ralph Godbee as he is no longer an employee of the City, the City has not accepted service on their behalf and is unaware whether he has been properly served.
4. It is impossible to respond to claims alleged against John Doe, for the reasons that (s)he has not yet been properly identified or served.
5. The underlying misconduct that led to the criminal and departmental charges occurred between November 2007 and November 2009,

where it was found that Collins was working three jobs, which resulted in overlapping of hours worked and time fraud.

6. On January 21, 2010, he was suspended without pay during the pendency of the criminal investigation and trial. This is done when any member has serious criminal charges pending.
7. The jury found him not guilty of the criminal charges.
8. The Department proceeded with finalizing its internal investigation, which resulted in departmental charges.
9. On December 12, 2011, he requested to be reinstated. The collective bargaining agreement provides for a 9F grievance arbitration, which was scheduled for February 8, 2012.
10. He failed to appear at the February 8, 2012 hearing to address that issue.
11. The disciplinary hearing was initially scheduled for April 24, 2012. Plaintiff's attorney requested an adjournment until August. It was rescheduled numerous times, during which time Collins evaded service. On May 7, 2013, he appeared without attorney. The union's attorney was present and took over the case. At which point, it was rescheduled for July 8 through 11, 2013.

12. Members off more than 2 years must reapply for certification to be a licensed officer in the State of Michigan. [Pub. Act 203 (9)]

13. Ultimately, a grievance arbitration was held on June 12, 2013 to resolve the issue of reinstatement and possibility of back pay. Closing arguments were due July 26, 2013, through the submission of post-hearing briefs. A decision was to be issued within two months of the filing of briefs.

14. A disciplinary hearing was held on July 8, 2013 through July 11, 2013, wherein he was discharged from the department. The discharge rendered the suspension without pay issue moot, pursuant to the language in Section 9(f) of the collective bargaining agreement.

15. Subsequently, the City filed for bankruptcy on July 18, 2013, which resulted in an automatic stay of all proceedings, to include arbitrations. Notice to file a bankruptcy claim by November 29, 2013 was issued, with a deadline of February 21, 2014.

16. Collins, through his union, filed an appeal of the discharge. The subsequent appeal of the discharge occurred on December 11, 2013, with closing arguments through briefs to be submitted by January 30, 2014. A decision would be issued within 60 days. After petitioning the

bankruptcy court to allow the decision to be issued, the arbitrator issued her decision on February 7, 2014, upholding the termination. A final letter of termination was issued from the Chief's office, dated February 14, 2014.

17. As of February 21, 2014, Collins had not filed a claim. Collins sought to vacate the arbitration decision, which was denied as untimely on October 9, 2014 in Wayne County Circuit Court.

18. The above lawsuit was filed on May 5, 2015, and the summons and complaint served on the City on May 21, 2015.

19. Plaintiff's claims are barred by the doctrine of Res Judicata, as the underlying discipline action was heard and appealed to final and binding arbitration.

20. Plaintiff's claims occurred prior to the City filing for bankruptcy.

21. Plaintiff failed to file a bankruptcy claim to preserve his right to any monetary damages believed owed on the counts now alleged in the instant Complaint.

22. Plaintiff's claims are hereby barred by the bankruptcy injunction of the 8th Amended Plan, as he failed to file a claim with the bankruptcy court within the deadline set by the bankruptcy court.

23. By filing a §1983 action, Plaintiff appears to be seeking to bypass the provisions of bankruptcy relating to any relief to be granted.

24. Plaintiff's claims are barred as he fails to state a claim upon which relief can be granted, as the relationship between the parties was that of employer-employee, thereby no need to act under color of law.

25. Plaintiff appears to be seeking to bypass the statutory requirements of Title VII actions by alleging §1983 claims.

26. Plaintiff is further barred from bringing a Title VII action, as he failed to follow the statutory requirements (i.e., filing a Complaint with the EEOC).

27. Plaintiff is further barred from bringing a Title VII action, as the statute of limitations has run.

28. Plaintiff's claims are barred by governmental immunity.

29. Plaintiff's claims should fail as he cannot show any violation of due process, given he exhausted all his internal administrative remedies in his attempt to be reinstated with back pay, to include an unsuccessful attempt to vacate the final and binding arbitration decision.

30. Plaintiff's claims should fail as he cannot show any violation of equal protection, given his case is not similarly situated to the two he seeks to use as a comparison. Discipline is determined on a case-by-case basis, and both Borden and Lewis accepted plea agreements in lieu of a hearing, and as such those agreements do not set precedence for any other matter.

31. Further, the disciplinary actions against Borden and Lewis were not as egregious, given Plaintiff's misconduct was over a number of years, where Borden was a one-time 3-day incident, for which she received a suspension without pay for three days.

32. Plaintiff has no standing to bring Count V: Tortious interference with the Collective Bargaining Agreement, as the agreement is between the City and the Union (not the individual member).

33. Plaintiff is unable to show a prima facie case of sex discrimination under the ELCRA. They are unable to show by direct or indirect evidence that sex was a factor in the discipline process.

34. Defendants' actions were in all respects legal, reasonable and non-discriminatory. At all times, the City acted properly, and in compliance with the cited statutes (e.g., 42 USC 1983, ELCRA) in the investigation and disciplinary process.

35. Plaintiff is requested to file a response addressing each of the special and affirmative defenses listed above within 30 days. Failure to deny any of the abovementioned defenses will act as an admission by the Plaintiff.

36. Reservation to amend, supplement or otherwise modify its answer and affirmative defenses pending completion of discovery is hereby made.

WHEREFORE, Defendants deny any liability to Plaintiff and would respectfully request this Honorable Court enter a judgment in favor of Defendants; dismissing all of Plaintiff's claims with prejudice, and awarding Defendants with costs and attorney's fees incurred by reason of the necessity to defend against Plaintiff's claims.

Respectfully,

NOTICE OF VIOLATION OF FEDERAL BANKRUPTCY PLAN INJUNCTION AND DEMAND TO DISMISS

Counselor:

Demand is hereby made that you **sign and return by June 15, 2015** the enclosed stipulated order to dismiss the above referenced action ("the Lawsuit"). The Lawsuit is premised upon a claim that arose prior to the July 18, 2013 filing by the City of Detroit of a petition under Chapter 9 of the U.S. Bankruptcy Code, *In re City of Detroit, Michigan*, Case No. 13-53846, United States Bankruptcy Court, Eastern District of Michigan. Under federal law and orders entered in the City's bankruptcy, the claim alleged in the Lawsuit was subject to the bankruptcy stay. The Bankruptcy Court approved the Eight Amended Plan for the Adjustment of Debts of the City of Detroit ("the Plan"), by order dated November 12, 2014, and the Plan became effective on December 10, 2014. The Plan, and orders entered along with the Plan, include an injunction against commencing or continuing any actions except as allowed for or provided in the Plan.

The above captioned lawsuit alleges due process/equal protection violations and discrimination claims based upon the suspension without pay and subsequent discharge of Police Officer Jerome Collins, which occurred on January 21, 2010 and July 11, 2013 respectively. The discharge rendered the suspension without pay issue moot. Subsequently, the City filed for bankruptcy on June 18, 2013, which resulted in an automatic stay of all proceedings. The subsequent appeal of the discharge occurred on December 11, 2013, with the decision to uphold the termination issued on February 7, 2014. A final letter of termination was issued from the Chief's office, dated February 14, 2014. Collins sought to vacate the arbitration decision, which was denied on October 9, 2014. The above lawsuit was filed on May 5, 2015, and the summons and complaint served on the City on May 21, 2015.

On November 29, 2013, Plaintiff was served with the "Information about Deadlines to File Claims, along with a Proof of Claims form. As set forth in that notice, the act of filing of the complaint and effecting service, and any other act in that lawsuit, was done in violation of federal bankruptcy law and orders issued by bankruptcy Judge Steven W. Rhodes.

The bankruptcy court set a deadline of February 21, 2014 for the filing of claims in bankruptcy by those who had a pre-petition claim against the City, including its officers and employees. Based upon our investigation, Jerome Collins did not file a timely bankruptcy claim and did not seek relief from the bankruptcy stay to file the lawsuit. Having failed to file a claim in the bankruptcy, any action taken in furtherance of the continuation of the above lawsuit violates the Plan injunction and related bankruptcy court orders confirming the Plan. See the enclosed Order and Plan excerpts.

If you fail to sign and return the dismissal order as requested, or provided us with proof that the action is not subject to the Plan, we will file a motion with the bankruptcy court to enforce the Plan's injunction. If we must file such a motion we will seek costs and sanctions.

Subject: Jerome Collins -v- COD et al 15-CV-11756

Dear Ms. Jones:

We reviewed your May 25, 2015 correspondence concerning the above-captioned matter. Perhaps needless to add, it leaves us with a great many concerns relative to the ongoing violations of our client's contractual, civil and constitutional rights.

Our first concern relative to the bankruptcy itself is that Mr. Collins never received official notice of Defendant City of Detroit's bankruptcy filing, nor of the imposition of the automatic stay, nor of his right to file a proof of claim, nor of the deadline for filing a proof of claim. The documents that you provided us to establish that Mr. Collins was notified of his right to file a proof of claim, in fact, contained a redacted blank instead of the actual address of service. However, even with the redaction, Mr. Collins asserts that he never received notice of the claim from your client or from the US Bankruptcy Court.

These concerns come in the wake of the numerous and wanton violations of procedural and substantive due process that Mr. Collins endured *ab initio* -- that is, since the early investigations into the matters at hand. To be more precise, after being acquitted in a criminal proceeding that your client should never have forced Mr. Collins to endure, Mr. Collins applied for reinstatement with the Detroit Police Department (DPD). As you may know, former Chief Godbee denied that request.

Mr. Collins grieved Chief Godbee's request to an arbitrator, who convened a hearing, heard testimony and then halted proceedings, based on the bankruptcy filing. Either the arbitrator or the City of Detroit ignored the fact that Mr. Collins had a due process right to have his request for reinstatement fully adjudicated: he never received notice of a decision on his grievance.

Your client applied the stay to Mr. Collins's grievance process, and, in fact, the arbitrator failed to decide his grievance. Even though the arbitrator failed, refused or neglected to issue a decision in that matter, she - incredibly enough! - opened proceedings to hear the City's case for terminating Mr. Collins's employment. The upshot is that the City has handled the bankruptcy stay in a manner that is not only slanted and partial, but absolutely prejudicial to Mr. Collins's due process rights.

Mr. Collins sought recourse by filing a complaint with Defendant City's Office of Inspector General. Not surprisingly, Inspector General Heath, in a February 15, 2015 letter, found that, while the DPD had made errors in failing to provide evidence, the evidence was not overwhelmingly exculpatory and that those making the error had offered a plausible excuse. These findings, however, accompanied Mr. Heath's admission that his office operates in a very narrow scope.

It is my understanding that Mr. Collins will look into the possibility of filing a delayed proof of claim. However, at this moment, we are unable to accede to your request that we dismiss the complaint in the above-captioned matter.

Mr. Whitfield:

I am in receipt of the summons/complaint filed on behalf of your client, Jerome Collins. I will file my appearance notice on Tuesday - as Monday is a holiday. Please be advised that you are currently in violation of the bankruptcy injunction, and I am electronically serving you with the attached demand notice for dismissal of this matter, along with the relevant attachments. I am also forwarding a copy of this via the US Postal Service.

If you elect to approve your signature on the order, I will correct the email address before filing. If you elect not to approve your signature on the order to dismiss, the City will be forced to file a motion with the bankruptcy court seeking sanctions.

If you have any questions, please contact me at (313) 237-3002.

Respectfully,

Letitia C. Jones
