NOTICE OF DEFICIENT FILING

It has been determined that the following document(s) are Missing and/or Non-Compliant:

11894 – Motion to Enforce , Motion for Sanctions for other Reason City of Detroit's Motion for (I) Determination that Courtney D. Payton Willfully Violated This Courts Order Granting Motion to Enforce, Entered at Docket Number 10743, and (II) Awarding Compensatory and Punitive Sanctions Filed by Debtor In Possession City of Detroit, Michigan (Swanson, Marc)

A 14-day notice of the motion was required, but the notice filed with the motion stated an objection deadline of "June 15, 2017, or such other date as the Court may set." (The Court did not set any other date.) The stated June 15, 2017 deadline is less than a sufficient notice period under the applicable rules, because the notice and motion were served by mail on June 1, 2017. Because service was by mail, rather than through the Court's ECF system or otherwise electronically in a way consented to by the respondent or her attorney, three days is added to the 14-day response period under Fed. R. Bankr. P. 9006(f). Therefore, the correct response deadline would be Monday, June 19, 2017. Because the notice stated a response deadline of June 15, 2017, it was defective. Therefore, a non-defective notice of the motion must be served, and a new period for filing a response to the motion must be given.
