objections or other responses to the Objection having been overruled or withdrawn; and the Court finding that the legal and factual bases set forth in the Objection and at the hearing establish just cause for the relief granted; and after due deliberation and good and sufficient cause appearing therefore;

IT IS ORDERED that:

1. The Objection is sustained.

2. Each of the proofs of claim listed on <u>Exhibit 2</u> annexed to the Objection is hereby disallowed and expunged in its entirety, pursuant to Section 502(b) of the Bankruptcy Code.

3. The City's claims agent is authorized to update the claims register to reflect the relief granted in this Order.

4. The City is authorized to take all actions necessary to effectuate the relief granted pursuant to this Order in accordance with the Objection.

5. Each claim and the objections by the City to each claim as addressed in the Objection and set forth on <u>Exhibit 2</u> constitutes a separate contested matter as contemplated by Bankruptcy Rule 9014. This Order shall be deemed and constitute a separate order with respect to each such claim and, to the extent necessary under Bankruptcy Rules 7054 and 9014, constitutes a final judgment with respect to such claim, and the Court expressly determines that there is no just reason for delay of the entry of the final judgment with respect to such claim. Any stay of this Order shall apply only to the contested matter that involves such creditor and for which such stay has been granted or may be in effect, and shall not act to stay the applicability or finality of this Order with respect to the other contested matters covered hereby, and further provided that the City shall have the right, but not the need, to submit a separate order with respect to contested matters or claims.

6. The City retains all of its rights to object, on the merits or any other basis, to any of the Claims identified on <u>Exhibit 2</u>.

7. Notice of the Objection as provided therein is good and sufficient notice of such objection, and the requirements of Bankruptcy Rule 3007(a) and the local rules of the Court are satisfied by such notice.

8. Nothing in this Order is intended to, shall constitute or shall be deemed to constitute the City's consent, pursuant to section 904 of the Bankruptcy Code, to this Court's interference with (a) any of the political or governmental powers of the City, (b) any of the property or revenues of the City or (c) the City's use or enjoyment of any income-producing property.
