**SUPPLEMENT TO REPLY IN SUPPORT OF CITY OF DETROIT'S
MOTION FOR THE ENTRY OF AN ORDER ENFORCING THE
CONFIRMATION ORDER AND BAR DATE ORDER AGAINST
TWW EMPLOYMENT SOLUTIONS, LLC**

The City of Detroit (“City”) hereby submits its supplement to its *Reply In Support Of City of Detroit’s Motion for the Entry of an Order Enforcing the Confirmation Order and Bar Date Order against TWW Employment Solutions, LLC* [Doc. No. 12922] (“Reply”). As set forth in the Reply, in 2012, the City determined that it would transition the day to day administration of the work that was being completed by the Detroit Workforce Development Department to an external fiscal agent – the Detroit Workforce Board, Inc. Reply, pp. 4-5. The City has discovered additional documents which evidence the transition.

The Mayor’s recommended budget for the 2012-2013 fiscal year for the Detroit Workforce Development Department is attached as **Exhibit 6** (“Recommended Budget”). The cover sheet to the Recommended Budget describes the transition and page 21-3 provides that the Mayor’s budget

recommendation was \$0 for the Detroit Workforce Development Department due to the transition.

The adopted budget for the 2012-2013 fiscal year for the Detroit Workforce Development Department is attached as **Exhibit 7** (“Adopted Budget”). As set forth on the cover page to the Adopted Budget, the Detroit Workforce Development Department was transitioning its services to the Detroit Workforce Board, Inc. and funding was provided to support the transition.

Further, excerpts from the City’s White Book, 2012-2013 Salary and Wage Adjustments, are attached as **Exhibit 8**. The white book is adopted each year with the budget and lists numerous positions with the Detroit Workforce Development Department. The white book further demonstrates that the Detroit Workforce Development Department was a department of the City of Detroit.

Finally, the transition was described in an article from the publication Deadline Detroit, dated July 18, 2012. The article is attached as **Exhibit 9**.

EXHIBIT 6

DETROIT WORKFORCE DEVELOPMENT DEPARTMENT (21)

Funding for this department has been eliminated in the FY 2012-13 Recommended Budget. The transition plan is as follows:

Introduction

Under the Workforce Investment Act of 1998 the City of Detroit is an automatically designated Workforce Area. The Chief Elected Official designates the Fiscal Agent and Grant Recipient and appoints the Board of Directors (Workforce Development Board) that is composed of no less than 51% private sector members. The remaining members of the Board are stipulated in the Law from Secondary, Post-Secondary, Higher Education, Labor, Community Based Organizations, Public Service members, etc. The Chief Elected Official and the Chair of the Workforce Board must execute an agreement describing how Workforce Funds and other Grants that flow through the board will be administered and how Service Provider Contractors will be selected.

The Act makes provision for the Workforce Board to incorporate, serve as the Fiscal Agent and Grant Recipient if the Chief Elected Official designates those responsibilities to the incorporated board.

Transition Plan

On the 10th of April a transition and corrective action plan was delivered to the Michigan Department of Economic Development "Workforce Development Agency". This plan described the actions taken to resolve prior questioned and disallowed costs, strategies to improve performance in the delivery of all programs and action anticipated to resolve delays in the award of contracts and payments for services delivered by Vendors and Contractors.

Action Plan

The Detroit Workforce Board, Inc., effective July 1, 2012 will assume the role of fiscal agent and grant recipient for those funds currently administered by the Detroit Workforce Development Department, subject to the designation by the Chief Elected Official of the City and concurrence by the Governor of the State of Michigan. Between now and July 1, 2012 the Corporation will hire staff in a variety of positions to administer the funds awarded to the Local Workforce Area and other funds directly granted to the Board to train, re-train, secure employment, operate local One-Stop Career Centers and provide various other training through a network of Vendors and Contractors selected by the Workforce Development Board in accordance with the Master Plan between the City Chief Elected Official, Board, and the Michigan Economic Development Corporation "Michigan Workforce Agency".

As the Fiscal Agent on July 1, 2012 the Workforce Board will process all requests for funds from the State and Federal Government or any other grantor of funds to the Board.

2. Advance workforce development by expanding the number and capacity of employment and training programs, by directing services to diverse sets of participant customers, including youth and adults, and by cultivating workplace preparedness among youth and adults.
3. Meet employer workforce needs by enhancing capacity to prepare and deliver qualified workers to meet the market-driven needs of employers, by developing high standards for work preparation and retention services, and by expanding services that contribute to job retention.
4. Enhance customer satisfaction by expanding and intensifying quality customer service to program participants, service providers and local employers by developing and implementing continuous improvement procedures, and by promoting all Detroit's Michigan Works! PREFACE

This book lists pay rates in effect as of July 1, 2012. There are no general wage increases reflected in this book for fiscal year 2012-2013; however, the salaries and wages of non-union employees/classifications reflect a ten percent (10%) reduction, (except classifications at the Detroit Water and Sewerage Department) which was effective January 23, 2012.

The single capital letter listed under the column entitled "CODE", identifies the rule to be used for progressing from the minimum to the maximum salary rate. The progression rules are explained in the Salary Step Increment Schedule. The parenthetical line below the classification indicates the classification's bargaining unit affiliation.

Effective May 1, 1997, appointees are covered by the Executive Pay Plan. Appointees are not eligible for general wage increases. Instead, pay levels in appointive classifications are set by the appointing authority solely on the basis of merit and consideration of market competition studies provided by the Human Resources Department.

On January 12, 2010, City Council approved the actions of the Detroit Elected Officials Compensation Commission whereby the salaries of the Mayor, the nine Council Members and the City Clerk was reduced by ten percent (10%). The ten percent (10%) reduction in the salaries of the Elected Officials is reflected in this booklet.

Mayor Dave Bing announces Detroit's Workforce Development Dept. to become non-profit

With the city facing a real unemployment rate “north of 40%” according to Mayor Dave Bing, Detroit’s workforce developments programs will be spun off from city government into a quasi-public non-profit.

Bing will appoint the new 501(c)3 Detroit Employment Solutions Corporation’s board of directors. Pamela Moore, who had been Director of the now shuttered Department of Workforce Development, will serve as the new organization’s President/CEO.

The move won’t save the city any money because Workforce Development was funded entirely by state and federal grants. Those grants will go now be routed to DESC.

However, Bing and Moore say the new non-profit will operate more nimbly and with lower overhead. Moore also says the non-profit structure allows DESC to seek other funding partners from the corporate and nonprofit sectors.

Bing says the new structure will allow the city to provide more job training services to Detroit residents. Roughly 35,000 Detroiters received training from the Department of Workforce Development in 2011.

“Historically, this municipality took on everything they could—whether they could manage it effectively or not,” said Bing. “I came in with a different approach and that is if you’re not good, if you’re not effective, then there are people or organizations that are competitive. The reality is we owe the services and the funding we get to the citizens of Detroit and there have been so many complaints that I knew we had to do something different.”

He adds that he hopes to implement similar reorganizations of the Department of Human Services and the Health Department in the near future.
