**ORDER SUSTAINING DEBTOR'S SIXTY-FOURTH OMNIBUS
OBJECTION TO CERTAIN CLAIMS, WITH CERTAIN EXCEPTIONS**

This case is before the Court on the Sixty-Fourth omnibus objection to claims (Docket # 13016, the “Objection”),¹ filed by the Debtor, City of Detroit, Michigan (the “City”). This Court has jurisdiction over the Objection under 28 U.S.C. §§ 157 and 1334 and Article VII of the Plan; and this is a core proceeding under 28 U.S.C. § 157(b)(2); and venue of this proceeding and the Objection in this District is proper under 28 U.S.C. §§ 1408 and 1409; and the relief requested in the Objection is in the best interests of the City, and its creditors; and due and proper notice of the Objection was given as provided in the Objection; and no other or further notice of the Objection need be given; and the Court finding that the legal and factual bases set forth in the Objection establish just cause for the relief granted; and after due deliberation and good and sufficient cause appearing therefore;

¹ Capitalized terms used but not otherwise defined herein have the meaning ascribed to them in the Objection.

IT IS ORDERED that:

1. The Objection is sustained.
2. Each of the proofs of claim listed on Exhibit 2 annexed to the Objection is disallowed and expunged in its entirety, under Section 502(b) of the Bankruptcy Code except for the following claims: (a) claim number 2442 filed by Service Employees International Union, Local 517M, which was resolved by an Order entered by this Court at Docket # 13039; (b) claim number 2588 filed by Michigan Building and Construction Trades Council, which was withdrawn by an Order entered by this Court at Docket # 13037; (c) claim number 2859 filed by the SAAA Union – Members, the hearing on which has been adjourned by an Order entered by this Court at Docket # 13041; (d) claim number 2935 of the Senior Accountants, Analysts, and Appraisers Association (SAAA), the hearing on which has been adjourned by an Order entered by this Court at Docket # 13041; (e) claim number 3420 filed by the UAW, to which the City withdrew without prejudice its objection at Docket # 13034; and (f) claim number 3685 filed by the Electrical Workers Fringe Benefit Funds of Local #58, IBEW, which was settled by an agreement between the parties.
3. The City's claims agent is authorized to update the claims register to reflect the relief granted in this Order.

4. The City is authorized to take all actions necessary to effectuate the relief granted by this Order in accordance with the Objection.

5. Each claim and the objections by the City to each claim as addressed in the Objection and set forth on Exhibit 2 constitutes a separate contested matter as contemplated by Bankruptcy Rule 9014. This Order will be deemed and constitute a separate order with respect to each such claim and, to the extent necessary under Bankruptcy Rules 7054 and 9014, constitutes a final judgment with respect to such claim, and the Court expressly determines that there is no just reason for delay of the entry of the final judgment with respect to such claim. Any stay of this Order will apply only to the contested matter that involves such creditor and for which such stay has been granted or may be in effect, and will not act to stay the applicability or finality of this Order with respect to the other contested matters covered hereby, and further provided that the City will have the right, but not the need, to submit a separate order with respect to contested matters or claims.

6. The City retains all of its rights to object, on the merits or any other basis, to any of the Claims identified on Exhibit 2.

7. Notice of the Objection as provided therein is good and sufficient notice of such objection, and the requirements of Bankruptcy Rule 3007(a) and the local rules of the Court are satisfied by such notice.

8. Nothing in this Order is intended to, will constitute or will be deemed to constitute the City's consent, under section 904 of the Bankruptcy Code, to this Court's interference with (a) any of the political or governmental powers of the City, (b) any of the property or revenues of the City or (c) the City's use or enjoyment of any income-producing property.
