NOTICE OF PROPOSED SETTLEMENT OF CONTROVERSY

, Trustee in the above captioned case, proposes to settle an action, the nature of which is described below.

If any creditor or other party in interest has an objection to the settlement, the objection and a request for a hearing on such objection shall be in writing, served upon the person named below and filed with the Clerk of the United States Bankruptcy Court.

Such objection and request shall be filed with the Clerk and served upon the person named below no later than February 10, 2010.

In the event an objection is timely filed a hearing thereon will be held before the Honorable Morris Stern on:

DATE: 2/23/10
TIME: 11:00AM
COURTROOM: 3A

If no objection is filed with the Clerk and served upon the person named below on or before February 10, 2010, the settlement will be consummated as proposed on or after the fifth day following the last day to file objections.

The nature of the action and the terms of the settlement are as follows:

Nature of the Action:

An adversary complaint (Adv. Pro. No. 09-1568) was filed against Avenue E Anesthesia Associates LLC, seeking to recover \$45,036.25 in alleged preferential transfers.

Avenue E denies that the transfers are preferential and maintains that it has valid defenses to the complaint. Through counsel, Avenue E provided the Liquidating Trustee with an analysis supporting certain of its asserted defenses.

071519510012500000000001

Terms of the Settlement:

After arms length negotiations, the Liquidating Trustee and Avenue E have agreed as follows:

(1) The Liquidating Trustee will dismiss the complaint against Avenue E to avoid preferential transfers; and

(2) Avenue E will withdraw with prejudice each and every claim or request for payment of administrative claim, if any, that was or could have been filed by or on behalf of Avenue E.

(3) Avenue E is currently involved in litigation with IJKG, LLC and others. Nothing in the Settlement Agreement shall be deemed a waiver of any cause of action, right or claim that Avenue E has or may have in that litigation.

The Liquidating Trustee believes that this settlement is in the best interest of the Estate, as it avoids the costs, uncertainty and delay associated with continued litigation.
