EXHIBIT 1

Retained Causes of Action

Article X.F. of the Second Amended Joint Plan of Reorganization of Movie Gallery, Inc. and Its Debtor Subsidiaries Under Chapter 11 of the Bankruptcy Code dated February 18, 2008 (as amended, supplemented or modified from time to time, the “Plan”) provides as follows:

Except as otherwise provided in the Plan or Confirmation Order and except as provided in the Litigation Trust Agreement, after the Effective Date, the Reorganized Debtors shall retain all rights to commence, pursue, litigate or settle, as appropriate, any and all Causes of Actions, whether existing as of the Commencement Date or thereafter arising, in any court or other tribunal including, without limitation, in an adversary proceeding Filed in one or more of the Chapter 11 Cases.

Unless a claim or Cause of Action against a Holder of a Claim or an Equity Interest or other Entity is expressly waived, relinquished, released, compromised or settled in the Plan or any Final Order (including, without limitation, the Confirmation Order), the Debtors expressly reserve such claim or Cause of Action for later adjudication by the Debtors, the Reorganized Debtors or the Litigation Trust (including, without limitation, claims and Causes of Action not specifically identified or of which the Debtors may presently be unaware or which may arise or exist by reason of additional facts or circumstances unknown to the Debtors at this time or facts or circumstances that may change or be different from those the Debtors now believe to exist) and, therefore, no preclusion doctrine, including, without limitation, the doctrines of *res judicata*, collateral estoppel, issue preclusion, claim preclusion, waiver, estoppel (judicial, equitable or otherwise) or laches shall apply to such claims or Causes of Action upon or after the Confirmation or Consummation of the Plan based on the Disclosure Statement, the Plan or the Confirmation Order, except where such claims or Causes of Action have been expressly released in the Plan (including, without limitation, and for the avoidance of doubt, the Debtor Release contained in Article X.B. hereof) or any other Final Order (including, without limitation, the Confirmation Order). In addition, the Debtors, the Reorganized Debtors and the Litigation Trust expressly reserve the right to pursue or adopt any claims alleged in any lawsuit in which the Debtors are a plaintiff, defendant or an interested party, against any Entity, including, without limitation, the plaintiffs or co-defendants in such lawsuits.

Notwithstanding and without limiting the generality of Article X.F. of the Plan, the following Exhibits 1A through 1G include specific types of Causes of Actions expressly preserved by the Debtors and the Reorganized Debtors.

EXHIBIT 1A

Claims Related to Contracts and Leases

The following Exhibit 1A includes contracts and leases to which one or more Debtors are a party. Unless otherwise released by the Plan, the Debtors expressly reserve the Causes of Actions, based in whole or in part upon any and all contracts and leases to which any Debtor or Reorganized Debtor is a party or pursuant to which any Debtor or Reorganized Debtor has any rights whatsoever, regardless of whether such contract or lease is included on Exhibit 1A. The claims and Causes of Actions reserved include, without limitation, Causes of Action against vendors, suppliers of goods or services or any other parties: (a) for overpayments, back charges, duplicate payments, improper holdbacks, deposits, warranties, guarantees, indemnities, recoupment or setoff; (b) for wrongful or improper termination, suspension of services or supply of goods or failure to meet other contractual or regulatory obligations; (c) for failure to fully perform or to condition performance on additional requirements under contracts with any one or more of the Debtors before the assumption or rejection, if applicable, of such contracts; (d) for payments, deposits, holdbacks, reserves or other amounts owed by any creditor, utility, supplier, vendor, insurer, surety, factor, lender, bondholder, lessor or other party; (e) for any liens, including mechanic's, artisan's, materialmen's, possessory or statutory liens held by any one or more of the Debtors; (f) arising out of environmental or contaminant exposure matters against landlords, lessors, environmental consultants, environmental agencies or suppliers of environmental services or goods; (g) counter-claims and defenses related to any contractual obligations; (h) any turnover actions arising under section 542 or 543 of the Bankruptcy Code; or (i) for unfair competition, interference with contract or potential business advantage, breach of contract, infringement of intellectual property or any business tort claims.
