Case #: 08-12229 (MFW)  
Objection Title: Ninth Omnibus (non-substantive) Objection

Claimant Name: Jeffrey D. Frederick & Sherry J. Frederick Family Trust  
Claim Number: 3674  
Claim Amount: \$22,320.00 (Twenty two thousand three hundred twenty dollars)

This claim represents the investment this trust made in Washington Mutual Bonds which were to be used to fund home loan mortgages to qualified borrowers and based on accurate assessments of real estate values for which those loans were granted. Instead Washington Mutual failed to follow the necessary underwriting standards inherent in the home mortgage business and issued loans without performing due diligence towards the borrowers or the respective properties. Thus, Washington Mutual defaulted on the bonds. This was caused by reckless loans to unqualified buyers on real estate which did not meet the underwriting standards which were/ are outlined in the bond pro forma documents.

Respectfully,
