property valuation consultant for Washington Mutual, Inc. (“WMI”) and WMI Investment Corp. (“WMI Investment”), as debtors and debtors in possession (together, the “Debtors”), hereby files this fourth monthly application (the “Application”) for allowance of compensation for professional services rendered and for reimbursement of actual and necessary expenses incurred in connection with CONSOR’s services to the Debtors for the period commencing June 1, 2009 through and including July 31, 2009 (the “Compensation Period”). In support of this Application, CONSOR respectfully represents as follows:

Background

1. On September 26, 2008 (the “Commencement Date”), each of the Debtors commenced with this Court a voluntary case under the Bankruptcy Code. As of the date hereof, the Debtors continue to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

2. On October 3, 2008, this Court entered an order pursuant to Rule 1015(b) of the Bankruptcy Rules authorizing the joint administration of the Debtors’ chapter 11 cases.

3. During the April 13, 2009 hearing before the Court, and by order, dated April 13, 2009 [Docket No. 892] (the “Retention Order”), the Court approved the Debtors’ application to employ and retain CONSOR (the “CONSOR Retention Application”) as intellectual property valuation consultants for the Debtors nunc pro tunc to March 12, 2009. The Retention Order authorized CONSOR to be compensated on an hourly basis and to be reimbursed for actual and necessary out-of-pocket expenses, in accordance with sections 330 and 331 of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, the Guidelines, and the Administrative Order.

**Summary of Professional Compensation
and Reimbursement of Expenses Requested**

4. By this Application, CONSOR requests allowance of \$59,190.00 as compensation for professional services rendered during the Compensation Period. During the Compensation Period, CONSOR did not incur any expenses. All services for which compensation is requested by CONSOR were performed for or on behalf of the Debtors.

5. CONSOR has received no payment and no promises of payment from any source for services rendered or to be rendered in any capacity whatsoever in connection with the matters covered during the Compensation Period and addressed by this Application. There is no agreement or understanding between CONSOR and any other person, other than members of the firm, for the sharing of compensation to be received for services rendered in these cases.

6. The hourly rates charged by CONSOR are the standard rates charged for intellectual property valuation engagements, considering the size of the case and degree of responsibility, difficulty, complexity, and results achieved.

7. CONSOR maintains computerized records of the time spent by all CONSOR professionals in connection with its representation of the Debtors. Annexed hereto as Exhibit "B" are copies of CONSOR's itemized time records for professionals performing services for the Debtors during the Compensation Period.

8. I have read this Application and, to the best of my knowledge, it complies with sections 330 and 331 of the Bankruptcy Code, and the applicable sections of the Bankruptcy Rules, Local Rule 2016-2, the Guidelines and the Administrative Order.

Summary of Services

9. Generally, CONSOR's activity generating the fees and expenses set out herein can be summarized as intangible asset valuation, intangible asset analysis and recovery,

business analysis, communication (other external), and meetings with Debtors' employees and advisors. Specifically, CONSOR is valuing the intellectual property and intangible assets for Washington Mutual, Inc. from multiple perspectives: 1) Going Concern Value; 2) Litigation Risk Value; 3) Synergistic Value; 4) Blocking Value; and, 5) Brand Extension Value.

10. A summary sheet of the number of hours incurred by professionals, along with a breakdown of work performed by "project codes," each during the Fourth Monthly Period, is annexed hereto as Exhibit A. In addition, detail of professional fees by project codes, including detailed time entry by professional with description of task performed, is annexed hereto as Exhibit B.

11. The professional services performed by CONSOR were (a) necessary and appropriate to the administration of the Debtors' chapter 11 cases and (b) in the best interests of the Debtors and their estates. Compensation for CONSOR's services, as requested, is commensurate with the complexity, importance and nature of the problems, issues, or tasks involved. The professional services were performed with expedition and in an efficient manner.

12. Professional services performed by CONSOR on behalf of the Debtors during the Compensation Period required an aggregate expenditure of 122.40 recorded hours by CONSOR's professionals.

13. During the Compensation Period, CONSOR's hourly billing rates for professionals ranged from \$125 to \$695 per hour. Allowance of compensation in the amount requested would result in a blended hourly rate for professionals of approximately \$483.58 (based on 122.40 recorded hours at CONSOR's regular billing rates in effect at the time of the performance of services).

Reservation

14. To the extent time or disbursement charges for services rendered or disbursements incurred relate to the Compensation Period but were not processed prior to the preparation of this Application, or CONSOR has for any other reason not sought compensation or reimbursement of expenses herein with respect to any services rendered or expenses incurred during the Compensation Period, CONSOR reserves the right to request additional compensation for such services and reimbursement of such expenses in a future application.

Notice

15. No trustee or examiner has been appointed in these chapter 11 cases. Notice of this Application has been provided to: (i) the U.S. Trustee; (ii) counsel for the Creditors' Committee; and (iii) parties entitled to receive notice in these chapter 11 cases pursuant to Bankruptcy Rule 2002. In light of the nature of the relief requested, CONSOR submits that no other or further notice need be provided.

Conclusion

WHEREFORE CONSOR respectfully requests (i) allowance of compensation for professional services rendered to the Debtors during the Compensation Period in the amount of \$59,190.00 (80% of which equals \$47,352.00) and reimbursement for actual and necessary costs and expenses incurred by CONSOR during the Compensation Period in the amount of \$0.00, for a total of \$59,190.00, (ii) that, in accordance with the Administrative Order, the Court direct the Debtors to pay CONSOR \$47,352.00, representing 80% of the total amount of fees allowed, (iii) that the allowance of such compensation for professional services rendered be without prejudice to CONSOR's right to seek such further compensation for the full value of services performed and expenses incurred, and (iv) that the Court grant CONSOR such other and further relief as is just.
