and necessary expenses incurred during the period from December 1, 2009 through December 31, 2009 (the "Ninth Monthly Fee Period"), and represents as follows:

## I. INTRODUCTION

### A. Background

1. Bankruptcy Filing. On September 26, 2008, (the "Petition Date"), the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors continue to operate their businesses and manage their property as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

2. Jurisdiction. This Court has jurisdiction over this Application pursuant to 28 U.S.C. § 1334. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2). Venue of the Debtors' chapter 11 cases and this Application is proper under 28 U.S.C. §§ 1408 and 1409. The predicates for the relief sought herein are sections 330 and 331 of the Bankruptcy Code, Rule 2016 of the Bankruptcy Rules, Local Rule No. 2016-2, and the Compensation Order.

### B. Retention Of Quinn Emanuel And Billing History

3. On May 18, 2009, the Court authorized Quinn Emanuel's retention as special litigation and conflicts counsel to the Debtors nunc pro tunc to April 3, 2009, pursuant to the Order Under 11 U.S.C. 328 And 1103 And Fed. R. Bankr. P. 2014 And 5002 Authorizing Nunc Pro Tunc Retention And Employment Of Quinn Emanuel Urquhart Oliver & Hedges, LLP, As Special Litigation and Conflicts Counsel to the Debtors (Docket No. 1043) (the "Retention Order"). The Retention Order authorizes Quinn Emanuel to be compensated pursuant to the procedures set forth in the Bankruptcy Code, the Bankruptcy Rules, the Local Bankruptcy Rules, and Orders of this Court, including the Compensation Order.

4. This Application is Quinn Emanuel's ninth monthly application for approval and allowance of compensation and reimbursement for expenses. Quinn Emanuel makes this monthly application for approval and allowance of compensation pursuant to sections 330 and 331 of the Bankruptcy Code, Bankruptcy Rule 2016, Local Rule No. 2016-2, and the Compensation Order. No prior application has been made to this or any other court for the relief requested herein, nor has payment been received by Quinn Emanuel for legal services provided to and on behalf of the Debtors, or for out-of-pocket expenses incurred in connection therewith.

5. Quinn Emanuel has not entered into any agreement, express or implied, with any other party for the purpose of fixing or sharing fees or other compensation to be paid for professional services rendered in these cases.

6. No promises have been received by Quinn Emanuel or any member thereof as to compensation in connection with these cases other than in accordance with the provisions of the Bankruptcy Code.

## **II. APPLICATION**

7. By this Application, Quinn Emanuel is seeking (a) allowance of reasonable compensation for actual and necessary professional services rendered by Quinn Emanuel, as special litigation and conflicts counsel to the Debtors during the Ninth Monthly Fee Period, and (b) reimbursement of actual, reasonable and necessary expenses incurred by Quinn Emanuel in connection with such services during the Ninth Monthly Fee Period.

8. Specifically, Quinn Emanuel seeks approval of compensation in the amount of \$613,754.00 for legal services rendered on behalf of the Debtors during the Ninth Monthly Fee Period, and \$38,182.38 for reimbursement of all actual, reasonable and necessary expenses incurred in connection with the rendition of such services. The fees sought by this Application reflect an

aggregate of 1,436.20 hours of attorney and other paraprofessional time spent and recorded in performing services for the Debtors during the Ninth Monthly Fee Period, at a blended average hourly rate of \$427.35 for both professionals and paraprofessionals. The blended hourly rate for professionals only is \$447.79.

9. Quinn Emanuel rendered to the Debtors all services for which compensation is sought solely in connection with these cases, in furtherance of the duties and functions of the Debtors.

10. Quinn Emanuel maintains written records of the time expended in the rendition of the professional services required by the Debtors. These records are maintained in the ordinary course of Quinn Emanuel's practice. In accordance with Local Rule 2016-2, attached hereto as part of the cover sheet is a billing summary for the Ninth Monthly Fee Period, setting forth the name of each attorney and paraprofessional for whose work on these cases compensation is sought, each attorney's year of bar admission, the aggregate of the time expended by each such attorney and paraprofessional, the hourly billing rate for each such attorney and paraprofessional at Quinn Emanuel's current billing rates, and an indication of the individual amounts requested as part of the total amount of compensation requested. Also set forth in the billing summary is additional information indicating whether each attorney is a partner or associate, and how many years each attorney has held such position. The compensation requested by Quinn Emanuel is based on the customary compensation charged by comparably skilled practitioners in cases other than cases under the Bankruptcy Code.

11. Attached hereto as **Exhibit "A"** are time entry records broken down in tenths of an hour by project category, in accordance with the U.S. Trustee Guidelines and Local Rule 2016-2, setting forth a detailed description of services performed by each attorney and paraprofessional on behalf of the Debtors.

12. Quinn Emanuel also maintains records of all actual and necessary expenses incurred in connection with the performance of professional services, a summary of which also is attached hereto as part of the cover sheet. The summary lists the amounts and categories of expenses for which reimbursement is sought. Attached hereto as **Exhibit "B"** is a summary of the expenses, including the date the expense was incurred and the charge.

### **III. SUMMARY OF PROFESSIONAL SERVICES RENDERED**

13. To provide an orderly and meaningful summary of the services rendered on behalf of the Debtors by Quinn Emanuel, in accordance with the U.S. Trustee Guidelines, Quinn Emanuel has established the following project billing categories in connection with these cases:

1. Fee Applications
2. Litigation
3. Case Administration
4. Court Hearings
5. Non-Working Travel
6. White Collar Matter

14. The following summary is intended to highlight a number of the services rendered by Quinn Emanuel where Quinn Emanuel expended a considerable number of hours on behalf of the Debtors. It is not meant to be a detailed description of all of the work performed by Quinn Emanuel during the Ninth Monthly Fee Period. Detailed descriptions of the day-to-day services provided by Quinn Emanuel and the time expended performing such services in each project billing category are fully set forth in **Exhibit A"** hereto. Such detailed descriptions show that Quinn Emanuel was heavily involved in the performance of services for the Debtors on a daily basis,

including late night/early morning and weekend work, often under extreme time pressure to meet the needs of the Debtors in these cases.

**A. Litigation: (Total Hours 1,240.80; Total Fees: \$557,851.50)**

15. ***Omnibus Bankruptcy Case:*** On September 26, 2008, the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. Quinn Emanuel attorneys became involved as special litigators and conflicts counsel to the Debtors on May 18, 2009. Quinn Emanuel attorneys are involved in various aspects of the case including the main chapter 11 proceeding. During the Ninth Monthly Fee Period, Quinn Emanuel attorneys spent time reviewing and negotiating the Information Access Agreement and working on objections to certain portions of the claims asserted by bondholders of Washington Mutual Bank, on behalf of the Debtors. While Weil Gotshal & Manges, LLP continues to function as the Debtors' primary bankruptcy counsel, Quinn Emanuel has assisted on limited issues that overlap with issues raised in various litigation that Quinn Emanuel is covering.

16. Quinn Emanuel attorneys also spent time reviewing the FDIC's reply to the Debtors' opposition to the FDIC's motion for stay relief. Although the hearing on the FDIC's motion was ultimately adjourned, Quinn Emanuel attorneys began to prepare for oral argument in opposition to the motion.

17. ***Rule 2004 Motion:*** During the Ninth Monthly Fee Period, Quinn Emanuel attorneys continued to review JPMC's production pursuant to Bankruptcy Rule 2004 and met and conferred with JPMC concerning that production. Moreover, Quinn Emanuel attorneys also drafted memoranda discussing the 2004 production and its deficits. Additionally, Quinn Emanuel attorneys spent a considerable amount of time preparing a motion to compel.

18. ***District Court Action:*** On March 20, 2009, the Debtors filed an action against the Federal Deposit Insurance Corporation ("FDIC") in the United States District Court for the District of Columbia, *Washington Mutual, Inc. et al. v. Federal Deposit Insurance Corporation*, Case No. 1:09-cv-00533 (the "District Court Action"), challenging the disallowance of their claims and also claiming ownership to certain assets purportedly sold to JP Morgan Chase Bank, N.A. ("JPMC") and seeking the avoidance of certain assets improperly transferred to Washington Mutual Bank ("WMB").

19. During the Ninth Monthly Fee Period, Quinn Emanuel attorneys, on behalf of the Debtors, spent time negotiating a stipulation regarding confidentiality and a protective order with JPMC. The stipulation was filed on December 22, 2009.

20. ***Litigation with JPMC:*** Since Quinn Emanuel's retention on April 3, 2009, Quinn Emanuel lawyers have dedicated extensive time to performing services on behalf of the Debtors in connection with the Debtors' various litigations with JPMC. Specifically, Quinn Emanuel attorneys have conducted extensive interviews of persons familiar with the transactions comprising the various disputes with JPMC. Moreover, to avoid duplication and minimize the cost to the Debtors, Quinn Emanuel attorneys have been in constant contact with, and attended numerous strategy meetings with, the Debtors' primary bankruptcy counsel (Weil Gotshal & Manges LLP), as well as counsel for several key creditor constituencies, including the Official Committee of Unsecured Creditors.

21. ***JPMC Adversary Proceeding:*** On March 24, 2009, JP Morgan Chase Bank, N.A. ("JPMC") filed an adversary proceeding (the "JPMC Adversary Proceeding") against the Debtors captioned *JP Morgan Chase Bank, Nat'l Assoc. v. Washington Mutual, Inc. and WMI Investment Corp.*, Adv. No. 09-50551, concerning the proper ownership of specific WMB assets that JPMC alleges to have acquired from the FDIC.

22. Throughout the Ninth Monthly Fee Period, Quinn Emanuel attorneys spent a considerable amount of time (i) reviewing and negotiating the confidentiality stipulation and protective order; (ii) conducting a privilege review of the directors' documents; (iii) meeting and conferring with numerous third parties to supplement discovery; (iv) meeting and conferring with JPMC on its productions pursuant to Rule 2004 and various other discovery issues; and (v) serving document requests on FDIC. The confidentiality and protective order was filed on December 11, 2009. Quinn Emanuel attorneys also spent a significant amount of time reviewing documents to identify potential deponents.

**B. White Collar Matter: (Total Hours: 0.40; Total Fees: \$485.00)**

23. Throughout the Ninth Monthly Fee Period, Quinn Emanuel attorneys have continued to be involved in the Seattle U.S. Attorney's investigation into certain attorney-client privilege issues regarding the Debtors. During this period, Quinn Emanuel attorneys have engaged in numerous email exchanges regarding a Simpson Thacher subpoena and a privilege waiver stipulation.

**IV. FACTORS TO BE CONSIDERED IN AWARDING ATTORNEYS' FEES**

24. The factors to be considered in awarding attorneys' fees have been enumerated in In re First Colonial Corporation of America, 544 F.2d 1291, 1298-99 (5th Cir. 1977), cert. denied, 431 U.S. 904, which standards have been adopted by most courts. See, e.g., In re Lan Assoc., 192 F.3d 109, 123 n.8 (3d Cir. 1999) (suggesting First Colonial factors apply to § 330 compensation requests); In re Busy Beaver Building Centers, Inc., 19 F.3d 833, 850 (3d Cir. 1994). Quinn Emanuel respectfully submits that a consideration of these factors should result in this Court's allowance of the full compensation sought.

- (1) The Time and Labor Required. The professional services rendered by Quinn Emanuel on behalf of the Debtors has required the continuous expenditure of substantial time and effort, under time pressures which routinely required the performance of services

into the late evening/early morning and weekends. The services rendered required a high degree of professional competence and expertise.

- (2) The Novelty and Difficulty of Questions. Novel and complex issues have already arisen in the course of the Chapter 11 Cases, and it can be anticipated that other such issues will be encountered. In these cases, as in many others in which the firm is involved, Quinn Emanuel's advocacy and methodology have helped clarify and resolve difficult issues.
- (3) The Skill Requisite to Perform the Legal Services Properly. Quinn Emanuel believes that its recognized expertise in the area of bankruptcy related litigation and its methodology employed in these cases is beneficial to the Debtors.
- (4) The Preclusion of Other Employment by Applicant Due to Acceptance of the Case. The matters in which Quinn Emanuel's bankruptcy litigation practice group are involved need attention on a continuous basis and require many of Quinn Emanuel's attorneys to commit significant portions of their time to these cases.
- (5) The Customary Fee. The compensation sought herein is based upon Quinn Emanuel's normal hourly rates for services of this kind. Quinn Emanuel respectfully submits that the compensation sought herein is not unusual given the magnitude and complexity of these cases and the time dedicated to the representation of the Debtors. Such compensation is commensurate with fees charged by other attorneys of comparable experience.
- (6) Whether the Fee is Fixed or Contingent. Quinn Emanuel charges customary hourly rates for the time expended by its attorneys and paraprofessionals in representing the Debtors and Quinn Emanuel's fee is not outcome dependent. Pursuant to sections 330 and 331 of the Bankruptcy Code, all fees sought by professionals retained under sections 327 or 1103 of the Bankruptcy Code are contingent pending final approval by the Court.
- (7) Time Limitation Imposed by Client or Other Circumstances. As stated above, Quinn Emanuel has been required to attend to various issues as they have arisen in these cases. Quinn Emanuel has had to routinely perform those services under significant time constraints requiring attorneys and other professionals assigned to these cases to work late evenings/early mornings, and on the weekends.
- (8) The Amount Involved and Results Obtained. The amount of time spent on various tasks has been judicious, and Quinn Emanuel believes that its efforts are benefiting the Debtors.
- (9) The Experience, Reputation and Ability of the Attorneys. Quinn Emanuel's attorneys involved in this representation have played a major role in numerous complex restructurings including, for example, the chapter 11 cases of Sem Group, L.P. et al., Solutia Inc. et al., Refco Inc., et al., and Enron Corp., et al. Quinn Emanuel's experience enables it to perform the services described herein competently and expeditiously.

- (10) The "Undesirability" of the Case. Although not undesirable, these cases have required a significant commitment of time from several of Quinn Emanuel's attorneys and other professionals.
- (11) Nature and Length of Professional Relationship. Quinn Emanuel was selected as special litigation and conflicts counsel to the Debtors on April 3, 2009, and was retained nunc pro tunc to that date pursuant to an order of this Court dated May 19, 2009.

**V. ALLOWANCE OF COMPENSATION**

25. The professional services rendered by Quinn Emanuel have required a high degree of professional competence and expertise so that the numerous issues requiring evaluation and action by the Debtors could be addressed with skill and dispatch. It is respectfully submitted that the services rendered to the Debtors were performed efficiently, effectively and economically, and the actions taken to date have been in furtherance of the Debtors' interests.

26. The allowance of interim compensation for services rendered and reimbursement of expenses in bankruptcy cases is expressly provided for in section 331 of the Bankruptcy Code:

Any professional person . . . may apply to the court not more than once every 120 days after an order for relief in a case under this title, or more often if the court permits, for such compensation for services rendered . . . as is provided under section 330 of this title.

11 U.S.C. § 331. This Court has authorized the filing of this Application in the Compensation Order.

27. With respect to the level of compensation, section 330(a)(1) of the Bankruptcy Code provides, in pertinent part, that the Court may award to a professional person: "reasonable compensation for actual, necessary services rendered." Section 330(a)(3)(A), in turn, provides that:

[i]n determining the amount of reasonable compensation to be awarded, the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including -

- (A) the time spent on such services;
- (B) the rates charged for such services;
- (C) whether the services were necessary to the administration of, or beneficial at the time which the service was rendered toward the completion of, a case under this title;
- (D) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issues or task addressed; and
- (E) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a) (3) (A).

28. The congressional policy expressed in this statute is to provide for adequate compensation in order to continue to attract qualified and competent professionals to bankruptcy cases. See In re Busy Beaver Building Centers, Inc., 19 F.3d 833, 850 (3d Cir. 1994) ("Congress rather clearly intended to provide sufficient economic incentive to lure competent bankruptcy specialists to practice in the bankruptcy courts") (citation and internal quotation marks omitted).

29. The total time spent by Quinn Emanuel attorneys and paraprofessionals during the Ninth Monthly Fee Period was 1,436.20 hours, which services have a fair market value of \$613,754.00. As shown by this Application and supporting exhibits, Quinn Emanuel spent its time economically and without unnecessary duplication of time (or duplication of the efforts of the Debtors' other retained professionals). In addition, the work involved, and thus the time expended, was carefully assigned in light of the experience and expertise required for a particular task.

## **VI. EXPENSES**

30. Quinn Emanuel has expended the total amount \$38,182.58 in actual, reasonable and necessary expenses in connection with representing the Debtors during the Ninth Monthly Fee

Period. Quinn Emanuel maintains records of all actual and necessary expenses incurred in connection with the performance of professional services. A breakdown of expenses, including the date the expense was incurred and the charge, is annexed hereto as **Exhibit "B."**

31. In connection with the reimbursement of actual, reasonable and necessary expenses, it is Quinn Emanuel's policy to charge its clients in all areas of practice for expenses, other than fixed and routine overhead expenses, incurred in connection with representing its clients. The expenses charged to Quinn Emanuel's clients include, among other things, telephone and telecopier toll and other charges, mail and express mail charges, document word-processing charges, photocopying charges, out-of-town travel expenses, local transportation expenses, expenses for working meals, computerized research, transcription costs, as well as non-ordinary overhead expenses particularly attributable to an individual client or cases such as secretarial and other overtime.

32. Quinn Emanuel charges the Debtors' estates for these expenses at rates consistent with those charged to Quinn Emanuel's other bankruptcy clients, which rates are equal to or less than the rates charged by Quinn Emanuel to its non-bankruptcy clients. Quinn Emanuel seeks reimbursement from the estate at the following rates for the following expenses: (a) ten cents per page for photocopying; and (b) one dollar per page for out-going facsimiles. In accordance with section 330 of the Bankruptcy Code and with the U.S. Trustee Guidelines, Quinn Emanuel will seek reimbursement only for the actual cost of such expenses to Quinn Emanuel.

33. In providing or obtaining from third parties services which are reimbursable by clients, Quinn Emanuel does not include in such reimbursable amount any costs of investment, equipment or capital outlay, except that the reimbursable cost of photocopying and faxes includes a factor for the cost of equipment.

34. Quinn Emanuel regularly charges its non-bankruptcy clients for ordinary business hour fees and expenses for secretarial, library, word processing, and other staff services because such items are not included in the firm's overhead for the purpose of setting the billing rates. Quinn Emanuel has incurred, but has not charged, the Debtors' estate for any word processing or secretarial overtime charges.

35. Attorneys at Quinn Emanuel have not incurred expenses for luxury accommodations, deluxe meals or air travel in excess of coach fares. Throughout the Ninth Monthly Fee Period, Quinn Emanuel has been keenly aware of cost considerations and has tried to minimize the expenses charged to the Debtors' estate.

## **VII. NOTICE**

36. Notice of this Application has been given to the following in accordance with the Compensation Order: (a) the United States Trustee, (b) the Debtors, and (c) the Creditors' Committee. In addition, all parties eligible to receive electronic notice will receive notice of this Application. Quinn Emanuel submits that no further notice need be given in accordance with the Compensation Order.

**VIII. CONCLUSION**

**WHEREFORE**, Quinn Emanuel respectfully requests an award of compensation for professional services rendered as special litigation and conflicts counsel during the Ninth Monthly Fee Period in the amount of \$613,754.00, together with reimbursement of \$38,182.58 for all actual, reasonable and necessary expenses incurred, and such other and further relief as is just.
