¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are: (i) Washington Mutual, Inc. (3725); and (ii) WMI Investment Corp. (5395). The Debtors’ principal offices are located at 1301 Second Avenue, Seattle, Washington 98101.

expenses incurred by Venable in connection therewith in the amount of \$10,825.21 for the period from January 11, 2010 through January 31, 2010 (the "Compensation Period"). In support of this Application, Venable respectfully states as follows:

JURISDICTION AND VENUE

1. This Court has jurisdiction to consider this Application pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2). Venue of this chapter 11 case in this district is proper under 28 U.S.C. §§ 1408 and 1409.

2. The statutory predicates for the relief requested herein are 11 U.S.C. §§ 1103 and 328(a) of the Bankruptcy Code and Bankruptcy Rule 2016.

BACKGROUND

3. On September 26, 2008 (the "Petition Date"), the Debtors filed voluntary petitions under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code"). The Debtors are authorized to continue to operate their businesses and manage their properties as debtors-in-possession pursuant to sections 1107 and 1108 of the Bankruptcy Code. On October 3, 2008, the Court entered an order jointly administering these cases pursuant to Bankruptcy Rule 1015(b) for procedural purposes only.

4. On January 11, 2010, the United States Trustee appointed the Committee [Docket No. 2130]. No trustee or examiner has been appointed in these chapter 11 cases.

5. On January 11, 2010, pursuant to sections 328 and 1103(a) of the Bankruptcy Code, the Committee selected Venable to serve as counsel to the Committee. The Committee filed an application to employ Venable on January 27, 2010 (the "Application to Employ") [Docket No. 2250]. On February 22, 2010, this Court entered an order authorizing the retention of Venable as counsel to the Committee, *nunc pro tunc* to January 11, 2010 [Docket

No. 2403].

RELIEF REQUESTED

1. By this Application, Venable seeks (i) allowance and authorization of payment of interim compensation for professional services rendered by Venable as attorneys for the Committee during the Compensation Period in the amount of \$173,648.75 representing 386.90 hours in professional services, and (ii) reimbursement of reasonable, necessary expenses incurred by Venable during the Compensation Period in connection with such services, in the aggregate amount of \$10,825.21.¹ The blended hourly billing rate for Venable's attorneys and paralegals during the Compensation Period is \$448.82.²

2. Pursuant to the Administrative Fee Order, Venable may file a monthly fee application with the Court on or before the 25th day of each calendar month, or as soon as practicable thereafter. The Court order authorizing Venable's retention was entered on February 22, 2010, and Venable presents this Application for the Compensation Period as soon as practicable after February 25, 2010. Venable is seeking payment of \$138,919.00 (80% of \$173,648.75) of fees and \$10,825.21 for reimbursement of expenses relating to services rendered during the Compensation Period.

3. Venable has received no payment and no promises for payment from any source for services rendered during the Compensation Period and addressed in this Application. There is no agreement or understanding between Venable and any other person (other than members of Venable) for the sharing of compensation to be received for the services rendered in these cases.

¹ To the extent that professional services or expenses incurred during the Compensation Period have not been processed in Venable's billing and time-keeping system prior to the preparation of this Application, Venable reserves the right to request compensation for such services and reimbursement of such expenses by future application.

² The blended hourly billing rate is derived by dividing the total requested fees of \$173,648.75 by the total hours of 386.90.

4. As stated in the Verification, annexed hereto as Exhibit A, all of the services for which interim compensation is sought herein were rendered for or on behalf of the Committee solely in connection with these cases.

SUMMARY OF SERVICES RENDERED

5. Venable has rendered professional and paraprofessional services during the Compensation Period in the interests of the Committee. The variety and complexity of the issues in these chapter 11 cases and the need to act or respond to issues on an expedited basis and in furtherance of the Committee's needs have required the expenditure of substantial time by Venable personnel from several legal disciplines.

6. In the ordinary course of its practice, Venable maintains written records of the time expended by attorneys and paraprofessionals in the rendition of their professional services. In accordance with the provisions of the Administrative Fee Order, a compilation showing the name of the attorney or paraprofessional, the date on which the services were performed, a description of the services rendered, and the amount of time spent in performing the services for the Committee during the Compensation Period is annexed hereto as Exhibit B.

7. In the ordinary course of its practice, Venable also maintains records of all actual and necessary out-of-pocket expenses incurred in connection with the rendition of its professional and paraprofessional services, all of which are available for inspection. A schedule of the categories of expenses and amounts for which reimbursement is requested is annexed hereto as Exhibit C. A detailed summary of the expenses is attached hereto as Exhibit D.

8. Venable respectfully submits that the professional and paraprofessional services that it rendered on behalf of the Committee were necessary and appropriate and have directly contributed to the effective administration of these chapter 11 cases.

9. The following summary of services rendered during the Compensation Period is not intended to be a detailed description of the work performed, as those day-to-day services and the time expended in performing such services are fully set forth in Exhibit B. Rather, it is merely an attempt to highlight certain of those areas in which services were rendered to the Committee, as well as to identify some of the problems and issues that Venable was required to address.

B659 – Equity Committee Administration

10. This Task Category relates to services rendered to the Committee during the Compensation Period addressing the Committee's organizational and administrative needs. Following the Committee's formation, Venable attorneys spent time working with the Committee to develop bylaws for governance of the Committee's conduct throughout these cases. The services provided by Venable attorneys also include administering, managing and coordinating the provision of legal services to the Committee through monitoring the docket and all pleadings filed in these cases, maintaining case calendars, and regular calls, emails, and telephonic meetings with the Committee and individual Committee members. Other services include drafting of Committee meeting minutes and maintaining a Committee meeting contact list.

B705 – Contested Matters and Uncategorized Adversary Proceedings

11. This Task Category relates to preparation for and attendance at hearings and other proceedings before this Court. Venable attorneys were needed to appear at a hearing on January 28, 2010 on the Debtors' motion for an order disbanding the Committee, where they actively asserted the Committee's positions. Venable attorneys prepared for the hearing by reviewing

and analyzing issues, pleadings, and other documents; conducting research on relevant issues; and preparing, filing, and serving an Opposition to the Motion to Disband.

B707 – Employment of Professionals

12. This Task Category relates to services performed by Venable attorneys and paraprofessionals in connection with the preparation of the Committee’s Application to Employ Venable as its counsel and the related disclosure affidavit. These services include drafting and editing of the Application to Employ and the affidavit as well as conducting and reviewing a conflicts check. This task category also relates to services performed by Venable attorneys in connection with interviewing potential financial advisors.

B710 – Fee Applications

13. This Task Category includes time worked by Venable attorneys analyzing issues regarding fee applications.

B712 – General Operations

14. This Task Category includes time worked by Venable attorneys and paraprofessionals in connection with matters relating to the operations of the Debtors, administrative matters with respect to Debtors’ cases, and general corporate advice.

B716 – Non-Working Travel (@ 50%)

15. This Task Category includes time spent by Venable attorneys and paraprofessionals traveling in connection with representing the Committee, including travel to and from hearings before the Court. Venable’s billing with respect to this Task Category was billed at 50% of each timekeeper’s applicable billing rate.

B721 – Non-Bankruptcy Litigation (Other Court Litigation)

16. This Task Category includes time spent by Venable attorneys reviewing and analyzing various potential and actual litigation matters filed in or pending in courts other than the Bankruptcy Court.

BASIS FOR RELIEF

17. The factors to be considered in awarding attorneys' fees have been enumerated in In re First Colonial Corporation of America, 544 F.2d 1291, 1298-99 (5th Cir. 1977), cert. denied, 431 U.S. 904, which standards have been adopted by most courts. See, e.g., In re Lan Assoc., 192 F.3d 109, 123 n.8 (3d Cir. 1999) (suggesting First Colonial factors apply to § 330 compensation requests); In re Busy Beaver Building Centers, Inc., 19 F.3d 833, 850 (3d Cir. 1994). Venable respectfully submits that a consideration of these factors should result in this Court's allowance of the full compensation sought.

- (1) The Time and Labor Required. The professional services rendered by Venable on behalf of the Committee has required the continuous expenditure of substantial time and effort, under time pressures. The services rendered required a high degree of professional competence and expertise.
- (2) The Novelty and Difficulty of Questions. Novel and complex issues have already arisen in the course of the chapter 11 case of Washington Mutual, Inc., *et al.*, and it can be anticipated that other such issues will be encountered. In these cases, as in many others in which the firm is involved, Venable's advocacy and methodology have helped clarify and resolve difficult issues.
- (3) The Skill Requisite to Perform the Legal Services Properly. Venable believes that its recognized expertise in the area of bankruptcy related litigation and its methodology employed in these cases is beneficial to the Committee.
- (4) The Preclusion of Other Employment by Applicant Due to Acceptance of the Case. The matters in which Venable's attorneys are involved need attention on a continuous basis and require many of Venable's attorneys to commit significant portions of their time to

these cases.

- (5) The Customary Fee. The compensation sought herein is based upon Venable's normal hourly rates for services of this kind. Venable respectfully submits that the compensation sought herein is not unusual given the magnitude and complexity of these cases and the time dedicated to the representation of the Committee. Such compensation is commensurate with fees charged by other attorneys of comparable experience.
- (6) Whether the Fee is Fixed or Contingent. Venable charges customary hourly rates for the time expended by its attorneys and paraprofessionals in representing the Committee and Venable's fee is not outcome dependent. Pursuant to sections 330 and 331 of the Bankruptcy Code, all fees sought by professionals retained under sections 327 or 1103 of the Bankruptcy Code are contingent pending final approval by the Court.
- (7) Time Limitation Imposed by Client or Other Circumstances. As stated above, Venable has been required to attend to various issues as they have arisen in these cases. Venable has had to routinely perform those services under significant time constraints.
- (8) The Amount Involved and Results Obtained. The amount of time spent on various tasks has been judicious, and Venable believes that its efforts are benefiting the Committee.
- (9) The Experience, Reputation and Ability of the Attorneys. Venable's attorneys involved in this representation have played a major role in numerous chapter 11 cases, including those of Alamo National Rental Car, General Growth Properties, Inc., Lehman Brothers Holdings, Inc., Magna Entertainment Corporation, DBSI, Inc., Kmart, Inc., Glasstech Holdings, Inphomation Communications, Inc., the operator of the Psychic Friends Network, Geonex Corporation, the Driggs Corporation, USA Floral Products, Inc., CRIIMI MAE, Inc., Thornburg Mortgage, Inc., Iridium Operating LLC, US Office Products Company, and Enron. Venable's experience enables it to perform the services described herein competently and expeditiously.
- (10) The "Undesirability" of the Case. Although not undesirable, these cases have required a significant commitment of time from several of Venable's attorneys and other professionals.

- (11) Nature and Length of Professional Relationship. Venable was selected as counsel to the Committee on January 11, 2010, and was retained nunc pro tunc to that date pursuant to an order of this court dated February 22, 2010.

ALLOWANCE OF COMPENSATION

18. The professional and paraprofessional services rendered by Venable required a high degree of professional competence and expertise so that the numerous issues requiring evaluation and determination by the Committee could be addressed with skill and have, therefore, required the expenditure of substantial time and effort. It is respectfully submitted that the services rendered to the Committee were performed efficiently, effectively and economically, and the results obtained to date have benefited not only the members of the Committee, but also the equity security holder body as a whole and the Debtors' estates.

19. The allowance of interim compensation for services rendered and reimbursement of expenses in bankruptcy cases is expressly provided for in section 331 of the Bankruptcy Code:

. . . any professional person ... may apply to the court not more than once every 120 days after an order for relief in a case under this title, or more often if the court permits, for such compensation for services rendered ... as is provided under section 330 of this title.

11 U.S.C. § 331. Moreover, this Court has authorized the filing of this Application in the Administrative Fee Order.

20. With respect to the level of compensation, 11 U.S.C. § 330(a)(1)(A) provides, in pertinent part, that the Court may award to a professional person "reasonable compensation for actual, necessary services rendered" 11 U.S.C. § 330(a)(1)(A). Section 330(a)(3), in turn, provides that:

In determining the amount of reasonable compensation to be awarded ... the court shall consider the nature, the extent, and the value of such services,

taking into account all relevant factors, including —

- (A) the time spent on such services;
- (B) the rates charged for such services;
- (C) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (D) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- (E) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and
- (F) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. §330(a)(3). The clear Congressional intent and policy expressed in this statute is to provide for adequate compensation in order to continue to attract qualified and competent bankruptcy practitioners to bankruptcy cases.

21. The total time spent by Venable attorneys and paraprofessionals during the Compensation Period was 386.90 hours. The work involved, and thus the time expended, was carefully assigned to the appropriate professional or paraprofessional in light of the experience and expertise required for a particular task.

22. As shown by this Application and supporting documents, Venable spent its time economically and without unnecessary duplication of efforts. Attached hereto as Exhibit E is a schedule of the hours expended by the attorneys and paraprofessionals during the Compensation Period, their normal hourly rates, and the value of their services. In addition, Venable incurred actual out-of-pocket expenses in connection with the rendition of the

professional services to the Committee in the sum of \$10,825.21 for which Venable respectfully requests reimbursement in full.

23. The disbursements and expenses have been incurred in accordance with Venable's normal practice of charging clients for expenses clearly related to and required by particular matters. Venable has endeavored to minimize these expenses to the fullest extent possible.

24. Venable's billing rates do not include charges for photocopying, telephone and facsimile charges, computerized research, travel expenses, "working meals," secretarial overtime, postage and certain other office services, since the needs of each client for such services differ. Venable believes that it is fairest to charge each client only for the services actually used in performing services for it. In these proceedings, Venable charges \$.10 per page for internal duplicating and does not charge for facsimile transmissions.

25. No prior application has been made in this or in any other Court for the relief requested herein for the Compensation Period.

WHEREFORE, Venable respectfully requests that this Court: (i) approve the allowance of \$173,648.75 for compensation for professional and paraprofessional services rendered to the Committee during the period from January 11, 2010 through and including January 31, 2010; (ii) approve the reimbursement of Venable's out-of-pocket expenses incurred in connection with the rendering of such services during the period January 11, 2010 through and including January 31, 2010 in the amount of \$10,825.21; and (iii) authorize and direct the Debtors to pay Venable the amount of \$149,744.21, which is equal to the sum of 80% of Venable's fees and 100% of Venable's expenses incurred during the Compensation Period.
