¹ The Debtors in these chapter 11 cases along with the last four digits of each Debtor’s federal tax identification number are: (i) Washington Mutual, Inc. (3725); and (ii) WMI Investment Corp. (5395). The Debtors’ principal offices are located at 925 Fourth Avenue, Seattle, Washington 98104.

WMI Investment Corp., as debtors and debtors in possession (together, the “Debtors”), hereby files this sixteenth monthly application (the “Application”) for allowance of compensation for professional services rendered and for reimbursement of actual and necessary expenses incurred in connection with WG&M’s representation of the Debtors for the period commencing March 1, 2010 through and including March 31, 2010 (the “Compensation Period”). In support of this Application, WG&M respectfully represents as follows:

Background

1. On September 26, 2008 (the “Commencement Date”), each of the Debtors commenced with this Court a voluntary case pursuant to chapter 11 of the Bankruptcy Code. The Debtors are authorized to continue to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On October 3, 2008, the Court entered an order, pursuant to Bankruptcy Rule 1015(b), authorizing the joint administration of the Debtors’ chapter 11 cases.

2. On October 15, 2008, the United States Trustee for the District of Delaware (the “U.S. Trustee”) appointed an official committee of unsecured creditors (the “Creditors’ Committee”). On January 11, 2010, the U.S. Trustee appointed an official committee of equity security holders (the “Equity Committee”).

3. During the October 30, 2008 hearing before the Court, and by order, dated November 11, 2008 [Docket No. 244] (the “Retention Order”), the Court approved the Debtors’ application to employ and retain WG&M as counsel for the Debtors nunc pro tunc to the Commencement Date. The Retention Order authorizes WG&M to be compensated on an hourly basis and to be reimbursed for actual and necessary out-of-pocket expenses, in accordance with

sections 330 and 331 of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, the Guidelines, and the Administrative Order.

4. Similarly, by order, dated October 31, 2008 [Docket No. 203], the Court approved the employment and retention of Richards, Layton & Finger, P.A. (“RL&F”) as co-counsel for the Debtors. WG&M and RL&F have divided responsibilities regarding representation of the Debtors and have made every effort to avoid and/or minimize unnecessary duplication of efforts in these chapter 11 cases.

**Summary of Professional Compensation
and Reimbursement of Expenses Requested**

5. By this Application, WG&M requests allowance of \$2,410,265.25 as compensation for professional services rendered during the Compensation Period and \$39,182.46 as reimbursement for actual and necessary expenses incurred by WG&M during the Compensation Period. All services for which compensation is requested by WG&M were performed for or on behalf of the Debtors.

6. WG&M has received no payment and no promise of payment from any source for services rendered or to be rendered in any capacity whatsoever in connection with the matters covered during the Compensation Period and addressed by this Application. There is no agreement or understanding between WG&M and any other person, other than members of the firm, for the sharing of compensation to be received for services rendered in these cases.

7. The fees charged by WG&M in these cases are billed in accordance with its existing billing rates and procedures in effect during the Compensation Period. The rates WG&M charges for the services rendered by its professionals and paraprofessionals in these chapter 11 cases are the same rates WG&M charges for professional and paraprofessional services rendered in comparable non-bankruptcy related matters. Such fees are reasonably based

on the customary compensation charged by comparably skilled practitioners in comparable non-bankruptcy cases in a competitive national legal market.

8. WG&M maintains computerized records of the time spent by all WG&M attorneys and paraprofessionals in connection with its representation of the Debtors. Subject to redaction where necessary to preserve the attorney-client privilege, annexed hereto as Exhibit "A" are copies of WG&M's itemized time records for professionals and paraprofessionals who performed services for the Debtors during the Compensation Period. All entries itemized in WG&M's time records comply with the requirements set forth in Local Rule 2016-2 and the Guidelines, including the use of separate work codes for different project types, as hereinafter described.

9. Annexed hereto as Exhibit "B" are WG&M's itemized records detailing expenses incurred on behalf of the Debtors during the Compensation Period. All entries itemized in WG&M's expense records comply with the requirements set forth in Local Rule 2016-2 and the Guidelines.

10. I have read this Application and, to the best of my knowledge, it complies with sections 330 and 331 of the Bankruptcy Code, and the applicable sections of the Bankruptcy Rules, Local Rule 2016-2, the Guidelines and the Administrative Order.

12. The foregoing professional services performed by WG&M were (a) necessary and appropriate to the administration of the Debtors' chapter 11 cases, (b) in the best interests of the Debtors and their estates, and (c) provided without unnecessary duplication of effort or expense incurred by professionals and paraprofessionals employed by RL&F. Compensation for the foregoing services as requested is commensurate with the complexity, importance, and nature of the problems, issues, or tasks involved. The professional services were performed with expedition and in an efficient manner.

13. A significant percentage of services performed by members, counsel, and associates of WG&M were rendered by the Business Finance and Restructuring Department.

WG&M has a preeminent practice in this area and enjoys a national reputation for its expertise in financial reorganizations and restructurings of troubled entities, with approximately 80 attorneys specializing in this area of law. WG&M has been actively involved in major chapter 11 cases, and currently represents or has represented, among others, the following debtors: General Motors Corporation; Lehman Brothers Holdings Inc.; Enron Corp.; Uno Restaurant Holdings Corp.; BearingPoint, Inc.; SemGroup L.P.; Extended Stay Inc.; Magna Entertainment Group; Finlay Enterprises, Inc.; LandSource Communities Development LLC; Vertis Holdings, Inc.; PRC, LLC; Charys Holding Co., Inc. and Crochet & Borel Services, Inc.; Sharper Image Corporation; Silicon Graphics, Inc.; Atkins Nutritionals, Inc.; Footstar, Inc.; New World Pasta Company; Parmalat USA Corp.; Loral Space & Communications Ltd.; TL Administration Corporation; Republic Engineered Product Holdings; WestPoint Stevens Inc.; Worldcom, Inc.; Adelphia Business Solutions, Inc.; APW Ltd.; Agway, Inc.; Formica Corp.; and Global Crossing Ltd. As a consequence, WG&M brings to these cases a high level of expertise and experience that inures to the benefit of the Debtors and all parties in interest.

14. Professional services performed by WG&M on behalf of the Debtors during the Compensation Period required an aggregate expenditure of 3,983.5 recorded hours by WG&M's members, counsel, associates, and paraprofessionals. Of the aggregate time expended, 1,186.9 recorded hours were expended by partners and counsel of WG&M, 2,426.8 recorded hours were expended by associates, and 369.8 recorded hours were expended by paraprofessionals of WG&M.

15. During the Compensation Period, WG&M's hourly billing rates for attorneys ranged from \$395 to \$990 per hour. Allowance of compensation in the amount requested would result in a blended hourly rate for attorneys of approximately \$646.60 (based

upon 3,613.7 recorded hours at WG&M's regular billing rates in effect at the time of the performance of services).³

Actual and Necessary Disbursements of WG&M

16. Annexed hereto as Exhibit "B" are WG&M's itemized records detailing expenses incurred on behalf of the Debtors during the Compensation Period. WG&M requests allowance of actual and necessary expenses incurred by WG&M during the Compensation Period in the aggregate amount of \$39,182.46.

17. WG&M's disbursement policies pass through all out of pocket expenses at actual cost or an estimated actual cost when the actual cost is difficult to determine. For example, with respect to duplication charges, WG&M will charge \$.10 per page because the actual cost is difficult to determine. Similarly, as it relates to computerized research, WG&M believes that it does not make a profit on that service as a whole although the cost of any particular search is difficult to ascertain. Other reimbursable expenses (whether the service is performed by WG&M in-house or through a third party vendor) include, but are not limited to, facsimiles, toll calls, overtime, overtime meals, deliveries, court costs, cost of food at meetings, transcript fees, travel, and clerk fees. Notably, WG&M charges all of its clients \$1.00/page for out-going facsimile transmissions and does not charge its clients for incoming facsimile transmissions, and all travel expenses are billed at coach fare rates.

Reservation

18. To the extent time or disbursement charges for services rendered or disbursements incurred relate to the Compensation Period but were not processed prior to the

³ The blended attorney rate was calculated using total attorney compensation of \$2,336,620.75 and total attorney hours billed of 3,613.7.

preparation of this Application, or WG&M has for any other reason not sought compensation or reimbursement of expenses herein with respect to any services rendered or expenses incurred during the Compensation Period, WG&M reserves the right to request additional compensation for such services and reimbursement of such expenses in a future application.

Notice

19. No trustee or examiner has been appointed in these chapter 11 cases.

Notice of this Application has been provided to: (i) the United States Trustee for the District of Delaware; (ii) counsel for the Creditors' Committee; (iii) counsel for the Equity Committee; and (iv) parties entitled to receive notice in these chapter 11 cases pursuant to Bankruptcy Rule 2002. In light of the nature of the relief requested, the Debtors submit that no other or further notice need be provided.

Conclusion

WHEREFORE WG&M respectfully requests (i) allowance of compensation for professional services rendered to the Debtors during the Compensation Period in the amount of \$2,410,265.25 (80% of which equals \$1,928,212.20) and reimbursement for actual and necessary costs and expenses incurred by WG&M during the Compensation Period in the amount of \$39,182.46 for a total of \$2,449,447.71, (ii) that, in accordance with the Administrative Order, the Court direct the Debtors to pay WG&M \$1,967,394.66, representing 80% of the total amount of fees and 100% of the expenses allowed, (iii) that the allowance of such compensation for professional services rendered and reimbursement of actual and necessary expenses incurred be without prejudice to WG&M's right to seek such further compensation for the full value of services performed and expenses incurred, and (iv) that the Court grant WG&M such other and further relief as is just.
