E. The Proposed Disclosure Statement contains adequate information within the meaning of section 1125 of the Bankruptcy Code. No further information is necessary.

Balloting and Voting Procedures

F. The procedures, set forth below, for the solicitation and tabulation of votes to accept or reject the Plan provide for a fair and equitable voting process and are consistent with section 1126 of the Bankruptcy Code.

G. The ballots substantially in the forms annexed hereto as Exhibits 4-1, 4-2, 4-3, 4-4, 4-5, 4-6, 4-7, 4-8, 4-9, 4-10, 4-11, 4-12, 4-13, 4-14, 4-15, 4-16, and 4-17 (collectively, the "Ballots"), including all voting instructions provided therein, are consistent with Official Form No. 14, address the particular needs of these chapter 11 cases, and provide adequate information and instructions for each individual entitled to vote to accept or reject the Plan. No further information or instructions are necessary.

Parties Entitled to Vote

H. Pursuant to the Plan, Allowed Claims and Equity Interests in Class 2 (Senior Notes Claims), Class 3 (Senior Subordinated Notes Claims), Class 12 (General Unsecured Claims), Class 14 (CCB-1 Guarantees Claims), Class 15 (CCB-2 Guarantees Claims), Class 16 (PIERS Claims), Class 18 (Subordinated Claims), Class 19 (REIT Series), and Class 20 (Preferred Equity Interests) are impaired and are entitled to receive distributions under the Plan and, accordingly, holders of Allowed Claims and Equity Interests in such Classes are entitled to

vote on account of such Allowed Claims and Equity Interests (collectively, “Non-WMB Voting Entities”).

I. Pursuant to the Plan, Class 17A (WMB Senior Notes Claims) consists of Claims filed by entities that hold WMB Senior Notes, with respect to which a proof of claim was timely filed. Such Claims are impaired and, accordingly, the holders thereof are entitled to vote to accept or reject the Plan (together with the Non-WMB Voting Entities, “Voting Entities”). Pursuant to the Plan, Non-Filing WMB Senior Note Holders – entities that hold WMB Senior Notes, but with respect to which the holders thereof did not file a related proof of claim against the Debtors – do not hold Claims against the Debtors’ estates with respect to their WMB Senior Notes and, as such, are not entitled to vote. Such holders, however, are entitled to receive a distribution on account of these notes if the holders thereof agree to grant the releases set forth in Section 43.6 of the Plan. Such entities shall receive a form on which to make this election (the “Non-Filing WMB Senior Note Holder Election Form”), in the form annexed hereto as Exhibit 7-1. The nominees for such entities shall receive a master form on which to transmit such information to KCC, in the form annexed hereto as Exhibit 7-2. These forms address the particular needs of these chapter 11 cases and provide adequate information and instructions to the Non-Filing WMB Senior Note Holders and their nominees. No further information or instructions is necessary.

Parties Not Entitled to Vote

J. Pursuant to the Plan, Claims in Class 1 (Priority Non-Tax Claims), Class 4 (WMI Medical Plan Claims), Class 5 (JPMC Rabbi Trust / Policy Claims), Class 6 (Other Benefit Plan Claims), Class 7 (Qualified Plan Claims), Class 8 (WMB Vendor Claims), Class 9 (Visa Claims), Class 10 (Bond Claims), Class 11 (WMI Vendor Claims), and Class 13

(Convenience Claims) are unimpaired (the “Unimpaired Classes”) and, accordingly, pursuant to section 1126(f) of the Bankruptcy Code, holders of such Claims are conclusively presumed to accept the Plan and are not entitled to vote on account of such Claims.

K. Pursuant to the Plan, Claims in Class 17B (WMB Subordinated Notes Claims) and Equity Interests in Class 21 (Dime Warrants) and Class 22 (Common Equity Interests) (the “Non-Voting Impaired Classes”) will not receive or retain any property under the Plan and, accordingly, pursuant to section 1126(g) of the Bankruptcy Code, holders of such Claims or Equity Interests are deemed to reject the Plan and are not entitled to vote on account of such Claims or Equity Interests.

L. Pursuant to decretal paragraph 5 herein, creditors to whose claims the Debtors have filed an objection on or before the Voting Record Date are not entitled to vote (together with the Unimpaired Classes and the Non-Voting Impaired Classes, the “Non-Voting Creditors and Interest Holders”).

Notice of Non-Voting Status

M. The Notices of Non-Voting Status, substantially in the forms annexed hereto as Exhibits 5-1, 5-2, and 5-3, comply with the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules and, together with the Confirmation Hearing Notice, provide adequate notice to Non-Voting Creditors and Interest Holders of their non-voting status. No further notice is necessary.

Notice

N. The proposed distribution and contents of the Solicitation Packages comply with Bankruptcy Rules 2002 and 3017 and constitute sufficient notice to all interested parties of the Voting Record Date, Voting Deadline, Rights Offering Record Date, Subscription

Deadline, Plan Objection Deadline, Confirmation Hearing, and all related matters.

O. The period, set forth below, during which the Debtors may solicit acceptances to the Plan is a reasonable and sufficient period of time for Voting Entities to make an informed decision regarding whether to accept or reject the Plan and timely return Ballots evidencing such decision.

Subscription Form and Rights Offering Procedures

P. The Rights Offering Procedures, set forth below, provide for a fair and equitable Rights Offering process.

Q. The Subscription Form annexed hereto as Exhibit 6-1, including all instructions provided therein, addresses the particular needs of these chapter 11 cases and provides adequate information and instructions for individuals entitled to exercise Subscription Rights pursuant to the Plan. No further information or instructions are necessary.

The Confirmation Hearing

R. The procedures, set forth below, regarding notice to all parties in interest of the time, date, and place of the hearing to consider confirmation of the Plan (the "Confirmation Hearing") and for filing objections or responses to the Plan, provide due, proper, and adequate notice and comply with Bankruptcy Rules 2002 and 3017(d).

Notice of the Disclosure Statement Hearing

S. On March 26, 2010, the Debtors filed their *Joint Plan of Affiliated Debtors Pursuant to Chapter 11 of the United States Bankruptcy Code* and a related disclosure statement (the "Original Disclosure Statement"). A hearing to consider the adequacy of the information contained in the Original Disclosure Statement was set for May 19, 2010 (the "Original Hearing Date"), with objections to be filed before such date. The Debtors provided actual notice of the Original Hearing Date and the deadline for filing objections to the Original Disclosure Statement

to the Notice Parties and any other known holders of claims against or equity interests in the Debtors (the "Disclosure Statement Notice"), as attached hereto as Exhibit 2. On May 19, 2010, the Court held a status conference and scheduled the Hearing for June 3, 2010 to consider approval of the Proposed Disclosure Statement. On May 22, 2010, the Debtors provided actual notice of the June 3, 2010 hearing to the Notice Parties and any other known holders of claims against or equity interests in the Debtors (the "Amended Disclosure Statement Notice"). On June 3, 2010, the Court held a status conference and re-scheduled the hearing for June 17, 2010. On June 17, 2010, the Debtors requested to adjourn consideration of the Motion, and in response thereto, the Court held a status conference and re-scheduled the hearing for July 8, 2010. On July 8, 2010, the Court held a status conference and re-scheduled the hearing for July 20, 2010. On July 20, 2010, after the Debtors agreed on the record to the appointment of an examiner (the "Examiner"), the Court re-scheduled the hearing for September 7, 2010. Thereafter, based upon negotiations regarding the Plan, the Debtors requested to adjourn consideration of the Motion and the Court re-scheduled the hearing for September 24, 2010 and, then, to October 8, 2010. On October 6, 2010, the Debtors filed an amended Plan and the Proposed Disclosure Statement, and the Court scheduled the hearing for October 18, 2010. On the same day, the Debtors filed and served a notice of the October 18, 2010 hearing [Docket No. 5550] (the "Second Amended Disclosure Statement Notice").

T. Actual notice of the Hearing and the deadline for filing objections to the Proposed Disclosure Statement was provided to the Notice Parties in accordance with Bankruptcy Rule 2002. The Disclosure Statement Notice, the Amended Disclosure Statement Notice, and the Second Amended Disclosure Statement Notice each constitute good and sufficient notice and no further notice is necessary.

U. The form and manner of notice of the time set for filing objections to, and the time, date, and place of, the Hearing to consider the approval of the Proposed Disclosure Statement was adequate and comports with due process and no further notice is necessary.

V. All notices to be provided pursuant to the procedures set forth herein are good and sufficient notice to all parties in interest of all matters pertinent hereto and of all matters pertinent to the Confirmation Hearing and no other or further notice need be provided.

W. The legal and factual bases set forth in the Motion establish just and sufficient cause to grant the relief requested therein.

NOW, THEREFORE, IT IS HEREBY ORDERED that:

1. The Motion is GRANTED as set forth herein.
2. All Objections, responses to, and statements and comments, if any, in opposition to the Proposed Disclosure Statement, other than those withdrawn with prejudice in their entirety prior to, or on the record at, the Hearing, are OVERRULED in their entirety.

Disclosure Statement

3. The Proposed Disclosure Statement contains adequate information in accordance with section 1125 of the Bankruptcy Code and is **APPROVED**.

4. All Objections, if any, to the Proposed Disclosure Statement that have not been withdrawn or resolved as provided for in the record of the Hearing are overruled.

Examiner's Final Report

5. The Examiner shall file his final report on or before November 1, 2010 and, within three (3) business days or such later date as may be permitted by the Court, the Debtors shall make such report publicly available at www.kccllc.net/wamu.

Solicitation and Voting Procedures

Temporary Allowance / Disallowance of Claims

6. Solely for purposes of voting to accept or reject the Plan and not for the purpose of the allowance of, or distribution on account of, a Claim, and without prejudice to the rights of the Debtors in any other context, each Claim or Equity Interest within a Class of Claims or Equity Interests entitled to vote to accept or reject the Plan is temporarily allowed in an amount equal to the amount of such Claim as set forth in the Schedules, provided that:

- (a) If a proof of claim was timely filed in an amount that is liquidated, non-contingent, and undisputed, such claim is temporarily allowed for voting purposes in the amount set forth on the proof of claim, unless such claim is disputed as set forth in subparagraph (g) below;
- (b) If a proof of claim was timely filed in an amount that is contingent or unliquidated, such claim is accorded one vote and valued temporarily in the amount of one dollar (\$1.00), unless such claim is disputed as set forth in subparagraph (g) below;
- (c) If a claim has been estimated or otherwise allowed for voting purposes by order of the Bankruptcy Court, such claim is temporarily allowed in the amount so estimated or allowed by the Bankruptcy Court;
- (d) If a claim is listed in the Schedules as contingent, unliquidated, or disputed and a proof of claim was not (i) filed by the Bar Date or (ii) deemed timely filed by an order of the Bankruptcy Court prior to the Voting Deadline, such claim is disallowed for voting purposes and for purposes of allowance and distribution pursuant to Bankruptcy Rule 3003(c);
- (e) If a claim is listed in the Schedules or on a timely filed proof of claim as contingent, unliquidated, or disputed in part, such claim is temporarily allowed in the amount that is liquidated, non-contingent, and undisputed, unless such claim is disputed as set forth in subparagraph (g) below;
- (f) If a claim has been filed against multiple Debtors, each and every such related claim filed or to be filed in the chapter 11 cases is deemed filed against the consolidated Debtors and is deemed one claim against and obligation of the deemed consolidated Debtors and such claim is accorded one vote for voting purposes; and
- (g) If the Debtors have filed an objection to or request for estimation of a claim on or before the Voting Record Date, such claim is temporarily

disallowed, except as ordered by the Court before the Voting Deadline; provided, that, if the Debtors' objection seeks to reclassify or reduce the allowed amount of such claim, then such claim is temporarily allowed for voting purposes in the reduced amount and/or as reclassified, except as may be ordered by the Court before the Voting Deadline.

7. Notwithstanding the foregoing, WMB Senior Notes Claims shall be temporarily allowed for voting purposes only in an amount equal to the aggregate face value and interest accrued as of the Petition Date with respect to all WMB Senior Notes held by each holder of a WMB Senior Notes Claim as of October 25, 2010.

8. If any creditor seeks to challenge the allowance of its claim for voting purposes – i.e., the creditor believes it should be entitled to vote or believes it should be entitled to vote in a different class or amount – such creditor shall file with this Court a motion for an order pursuant to Bankruptcy Rule 3018(a) temporarily allowing such claim for voting purposes (a “Rule 3018(a) Motion”). Upon the filing of any such motion, such creditor's Ballot shall be counted in accordance with the above-designated guidelines unless temporarily allowed in a different amount by an order of this Court entered prior to or concurrent with entry of an order confirming the Plan. Any Rule 3018(a) Motion must be filed on or before the 10th day after service of notice of an objection or request for estimation, if any, as to that specific claim, but in any event no later than **October 25, 2010 at 4:00 p.m. (Eastern Time)**.

9. The deadline for the Debtors to respond to any Rule 3018(a) Motion is **November 4, 2010 at 4:00 p.m. (Eastern Time)**.

10. To the extent that a Rule 3018(a) Motion is filed and opposed by the Debtors, a hearing with respect thereto shall be held on **November 9, 2010 at 10:30 a.m. (Eastern Time)**.

11. A holder of a Disputed Claim will be deemed to have waived the right to elect to receive Reorganized Common Stock in lieu of some or all of the Creditor Cash or Cash

on account of Liquidating Trust Interests, as the case may be, attributable to any portion of such Disputed Claim that is allowed pursuant to a Final Order.

12. Each creditor that votes to accept or reject the Plan is deemed to have voted the full amount of its claim therefor.

The Voting Record Date

13. The Voting Record Date shall be set as **October 18, 2010**; provided, however, that solely for purposes of determining whether an entity is a holder of a WMB Senior Notes Claim entitled to vote on the Plan, the Voting Record Date for WMB Senior Notes Claims is the Bar Date.

14. The record holders of claims shall be determined, as of the Voting Record Date, based upon the records of the respective depository, the records of WMI, and the records of KCC. Accordingly, any notice of claim transfer received by a record holder of the Debtors' debt securities, WMI, KCC, or other similarly situated registrar after the Voting Record Date shall not be recognized for purposes of voting or receipt of Plan confirmation materials.

15. With respect to transfers of claims filed pursuant to Bankruptcy Rule 3001, the holder of a claim as of the Voting Record Date shall be the transferor of such claim and entitled to cast the ballot with respect to that claim unless the documentation evidencing such transfer was docketed by the Court on or before the Voting Record Date and no timely objection with respect to such transfer was filed by the transferor.

Solicitation Packages

16. The Solicitation Packages, as described in decretal paragraph 18 hereof, are **APPROVED**.

17. The Debtors shall mail the Solicitation Packages on or about **October 22, 2010**, but in any event not later than four (4) business days after the entry of this Order (the "Solicitation Date") (except with regards to Solicitation Packages containing Notices of Non-Voting Status, which shall be mailed not later than five (5) business days after entry of this Order), to (a) the U.S. Trustee, (b) counsel to the Creditors' Committee; (c) counsel to the Equity Committee; (d) the SEC; (e) the IRS, (f) the Dep't of Justice, (g) any other party requesting service of pleadings in these chapter 11 cases pursuant to Rule 2002, (h) all creditors who are listed on the Debtors' Schedules or who have filed a proof of claim by the Bar Date, and (i) all equity interest holders.

18. If a creditor timely files a proof of claim at least **twenty (20) days** before the Voting Deadline but after the Solicitation Date, and such creditor did not previously receive a Solicitation Package, the Debtors shall send the creditor a Solicitation Package as soon as reasonably practicable.

19. Solicitation Packages shall contain a copy of –
- (a) This Order (without attachments);
 - (b) The Confirmation Hearing Notice;
 - (c) A CD-ROM containing the Disclosure Statement, which shall include the Plan and the Global Settlement Agreement as attachments;
 - (d) Letters in support of or voicing opposition to the Plan, from the Debtors and various other constituencies;
 - (e) If the recipient is entitled to vote on the Plan, a Ballot customized for such holder in the form described below, and a postage-prepaid return envelope; **OR**

- (h) If the recipient is a Non-Voting Creditor or Interest Holder, then **only** the Confirmation Hearing Notice and a Notice of Non-Voting Status.

20. The Debtors may send the Disclosure Statement in a CD-ROM format instead of printed hard copies; provided, however, that, if service by CD-ROM imposes a hardship for any creditor, such creditor may submit to the Debtors a signed certification of hardship explaining why a paper copy should be provided to the creditor at the Debtors' cost. Upon receipt of a certification of hardship, the Debtors shall evaluate whether an actual hardship appears to exist and, in the event that it does, the Debtors will provide such creditor with a paper copy of the Plan, Disclosure Statement, and Settlement Agreement at no cost to the creditor within five (5) business days thereafter. If the Debtors determine that there is insufficient information to establish the existence of a hardship, the Debtors shall consult with the Creditors' Committee prior to making a final determination to deny any such request.

21. The Debtors shall not be required to send Solicitation Packages to creditors that have claims that have already been paid in full; provided, however, that, if, and to the extent that, any such creditor would be entitled to receive a Solicitation Package for any reason other than by virtue of the fact that such claim had been paid by the Debtors, then the Debtors shall send such creditor a Solicitation Package in accordance with the procedures set forth herein.

22. With respect to addressees from which Solicitation Packages are returned as undeliverable by the United States Postal Service, the Debtors are excused from mailing Solicitation Packages or any other materials related to voting or confirmation of the Plan to those entities listed at such addresses unless the Debtors are provided with accurate addresses for such

entities before the Solicitation Date, and failure to mail Solicitation Packages or any other materials related to voting or confirmation of the Plan to such entities will not constitute inadequate notice of the Confirmation Hearing or the Voting Deadline (as defined below) and shall not constitute a violation of Bankruptcy Rule 3017(d).

23. The Debtors are not required to distribute copies of the Plan or Disclosure Statement to any party to an executory contract who holds a claim that is not allowed, filed, or scheduled, or who holds a claim that is listed in the Schedules as contingent, unliquidated or disputed, unless such party makes a specific request in writing for same. The Debtors will distribute the Confirmation Hearing Notice to such counterparties to executory contracts that have not been assumed or rejected as of the Voting Record Date.

43. The following tabulation procedures are **APPROVED**:
- (a) Whenever a creditor casts more than one Ballot voting the same claim(s) before the Voting Deadline, the last valid Ballot received on or before the Voting Deadline shall be deemed to reflect the voter’s intent, and thus, to supersede any prior Ballot.
 - (b) Whenever a creditor casts a Ballot that is properly completed, executed, and timely returned to KCC, but does not indicate either an acceptance or rejection of the Plan, the Ballot shall be deemed to reflect the voter’s intent to accept the Plan.

- (c) Except with respect to Master Ballots, whenever a creditor casts a Ballot that is properly completed, executed, and timely returned to KCC, but indicates both an acceptance and a rejection of the Plan, the Ballot shall be deemed to reflect the voter's intent to accept the Plan.
- (d) A holder of claims shall be deemed to have voted the full amount of its claim in each class and shall not be entitled to split its vote within a particular class. Any Ballot (except a Master Ballot) that partially accepts and partially rejects the Plan shall be deemed to reflect the voter's intent to accept the Plan.
- (e) Whenever a holder of claims casts Ballots received by KCC on the same day, but which are voted inconsistently, such Ballots shall be deemed to reflect the voter's intent to accept the Plan.
- (f) The following Ballots shall not be counted:
 - 1. Any Ballot received after the Voting Deadline unless the Debtors shall have granted an extension of the Voting Deadline in writing with respect to such Ballot,
 - 2. Any Ballot that is illegible or contains insufficient information to permit the identification of the claimant,
 - 3. Any Ballot cast by a person or entity that does not hold a claim in a class that is entitled to vote to accept or reject the Plan,
 - 4. Any Ballot cast by a person who is not entitled to vote, even if such individual holds a claim in a voting class,

 - 6. Any Ballot which the Bankruptcy Court determines, after notice and a hearing, that such vote was not solicited or procured in good faith or in accordance with the provisions of the Bankruptcy Code, or
 - 7. Any Ballot transmitted to KCC by facsimile or other means not specifically approved herein.
- (g) If a party that is entitled to vote has claims (either scheduled or filed or both) against both of the Debtors based on the same transaction (e.g.; a claim against one Debtor that was guaranteed by another Debtor), the Debtors propose that said party shall be entitled to one vote for numerosity purposes in a dollar amount based upon its claim against one of the Debtors.

(h) A holder of claims in more than one (1) class must use separate Ballots for each class of claims.

44. With respect to Master Ballots submitted by Voting Nominees:

(a) All Voting Nominees to which beneficial holders return their Ballots shall summarize on the Master Ballot all Ballots cast by the Beneficial Holders and return the Master Ballot to KCC; provided, however, that each Voting Nominee shall be required to retain the Ballots cast by the respective beneficial holders for inspection for a period of at least one (1) year following the Voting Deadline;

(b) Votes cast by the Beneficial Holders through a Voting Nominee by means of a Master Ballot shall be applied against the positions held by such Voting Nominee as evidenced by a list of record holders provided by the respective depository and compiled as of the Voting Record Date; provided, however, that votes submitted by a Voting Nominee on a Master Ballot shall not be counted in excess of the position maintained by such Voting Nominee as of the Voting Record Date;

(c) To the extent that there are over-votes submitted by a Voting Nominee, KCC will attempt to reconcile discrepancies with the Voting Nominee;

(d) To the extent that over-votes on a Master Ballot are not reconciled prior to the preparation of the vote certification, KCC will apply the votes to accept and to reject the Plan in the same proportion as the votes to accept or reject the Plan submitted on the Master Ballot that contained the over-vote, but only to the extent of the position maintained by such Voting Nominee as of the Voting Record Date;

(e) Multiple Master Ballots may be completed by a single Voting Nominee and delivered to KCC and such votes shall be counted, except to the extent that such votes are inconsistent with or are duplicative of other Master Ballots, in which case the latest dated Master Ballot received on or before the Voting Deadline shall supersede and revoke any prior Master Ballot; and

(f) Each beneficial holder shall be deemed to have voted the full amount of its claim.

45. To assist in the solicitation process, KCC may, but is not obligated to, contact parties that submit incomplete or otherwise deficient ballots to cure such deficiencies.

49. To holders of Allowed PIERS Claims in Class 16 entitled to exercise Subscription Rights, the Debtors shall send a Subscription Form substantially in the form annexed hereto as Exhibit 6-1.

50. All Subscription Forms received by beneficial holders must be properly executed, completed, and delivered to the proper Voting Nominees by first-class mail, overnight courier, or personal delivery, so that the Voting Nominees can communicate each holder's election information to the Rights Offering Agent and such information is actually received by the Rights Offering Agent on or before the Subscription Expiration Date.

51. In addition, each holder of an Allowed PIERS Claim choosing to exercise Subscription Rights must provide payment in full to the Voting Nominee, so that the Voting can forward such funds to the Debtors, such that the funds are actually received by the Debtors no later than one (1) Business Day after the Subscription Expiration Date.

52. With respect to the Rights Offering, the procedures detailed in Article XXXIV of the Plan are **APPROVED**.

The Rights Offering Trust Account will be a segregated account maintained by KCC, as Rights Offering Agent for the benefit of the Debtors, exclusively for the purpose of administration of the Rights Offering until the Effective Date or such other later date, at the option of the

Reorganized Debtors. The Debtors shall not use such funds for any other purpose and shall not encumber or permit such funds to be encumbered with any Lien or similar encumbrance.

54. The Debtors may adopt such additional procedures, consistent with the provisions of the Plan, to more efficiently administer the exercise of the Subscription Rights, as required.

55. All questions concerning the timeliness, viability, form, and eligibility of any exercise of Subscription Rights shall be determined by the Debtors, whose good-faith determinations shall be final and binding. The Debtors, in their reasonable discretion, may waive any defect or irregularity, or permit a defect or irregularity to be corrected within such times as they may determine, or reject the purported exercise of any Subscription Rights. Elections on Ballots shall be deemed not to have been received or accepted until all irregularities have been waived or cured within such time as the Debtors determine in their reasonable discretion.

- a) record holders, as of the Voting Record Date, of claims listed on the Debtors' schedules of liabilities, to the extent that such claims (i) are listed in an amount greater than zero and are not identified as contingent, unliquidated or disputed, and (ii) have not been superseded by a filed proof of claim; and
 - b) record holders as of the Voting Record Date, of claims, to the extent that such claims (i) are the subject of timely filed proofs of claim, (ii) have not been disallowed, expunged, disqualified or suspended prior to the Voting Record Date, and (iii) are not the subject of a pending claim objection or request for estimation as of October 18, 2010, unless a Rule 3018(a) Motion (as defined below) has been filed; provided, however, that the Voting Record Date for holders of WMB Senior Notes Claims shall be the Bar Date.
4. ***Voting Deadline.*** All votes to accept or reject the Plan must be actually received by the Debtors' voting and tabulation agent, Kurtzman Carson Consultants LLC, at the address set forth below, by no later than 5:00 p.m. (Pacific Time) on **November 15, 2010** (the "Voting Deadline"). 5. ***Parties in Interest Not Entitled to Vote.*** Holders of unimpaired claims in classes deemed to accept the Plan and holders of claims and equity interests in classes deemed to reject the Plan are not entitled to vote and will not receive a Ballot. Such holders will receive a Notice of Non-Voting Status rather than a Ballot. If you have timely filed a proof of claim and disagree with either (a) the Debtors' objection to your claim and believe that you should be entitled to vote on the Plan or (b) the Debtors' classification or request for estimation of your claim and believe that you should be entitled to vote on the Plan in a different amount or class, then you must serve on the parties identified in paragraph 6 below and file with the Court a motion (a "Rule 3018(a) Motion") for an order pursuant to Rule 3018(a) of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") temporarily allowing your claim in a different amount or in a different class for purposes of voting to accept or reject the Plan. All Rule 3018(a) Motions must be filed on or before the 10th day after service of notice of an objection or request for estimation, if any, as to your claim, but in no event later than **October 25, 2010**. As to any creditor filing a Rule 3018(a) Motion, such creditor's Ballot will not be counted except as may be otherwise ordered by the Bankruptcy Court. Creditors may contact Kurtzman Carson Consultants LLC at **(888) 830-4644** to receive an appropriate Ballot for any claim for which a proof of claim has been timely filed and a Rule 3018(a) Motion has been granted. Rule 3018(a) Motions that are not timely filed and served in the manner set forth above shall not be considered.

6. ***Objections to Confirmation.***

PLEASE NOTE THAT, NOTWITHSTANDING YOUR FAILURE TO FILE A PROOF OF CLAIM OR BE SCHEDULED, YOUR RIGHTS MAY NEVERTHELESS BE IMPAIRED BY THE PLAN.
8. ***Additional Information.*** Any party in interest wishing to obtain information about the solicitation procedures or copies of the Disclosure Statement or the Plan should contact the Debtors' voting agent,

Kurtzman Carson Consultants LLC at (888) 830-4644. Interested parties may also examine the Disclosure Statement and the Plan free of charge at www.kcellc.net/wamu. 9. *Executory Contracts.*

- a) ***Cure of Defaults for Assumed Executory Contracts and Unexpired Leases:*** Except to the extent that different treatment has been agreed to by the non-debtor party or parties to any executory contract or unexpired lease to be assumed or assumed and assigned pursuant to Section 36.1 of the Plan, the Debtors will within at least (20) days prior to the Confirmation Hearing, file with the Bankruptcy Court and serve by first class mail on each non-debtor party to such executory contracts or unexpired leases to be assumed pursuant to Section 36.1 of the Plan, a notice, which shall include the cure amount as to each executory contract or unexpired lease to be assumed or assumed and assigned. **If you are a party to such executory contracts or unexpired leases to be assumed or assumed and assigned by the Debtors, you must file and serve any objection to the assumption or the cure amounts listed by the Debtors within twenty (20) days of the date of service of such notice.** If there are any objections filed, the Bankruptcy Court shall hold a hearing on a date to be set by the Bankruptcy Court. Notwithstanding Section 36.1 of the Plan, the Debtors retain their rights to reject any of their executory contracts or unexpired leases that are subject to a dispute concerning the amounts necessary to cure any defaults as of the Effective Date.
- b) ***Bar Date for Filing Proofs of Claim Relating to Executory Contracts and Unexpired Leases Rejected Pursuant to the Plan:*** Proofs of Claim for damages, if any, arising out of the rejection of an executory contract or unexpired lease pursuant to the Plan, if not already evidenced by a filed proof of Claim, must be filed with the Bankruptcy Court and served upon the attorneys for the Debtors, Weil, Gotshal & Manges LLP, 767 Fifth Avenue, New York, New York 10153 (Attn: Brian S. 10. *Releases and Injunctions.*

The Plan contains releases of certain persons and entities, including, among others, the Debtors, certain of their creditors, JPMC, the Federal Deposit Insurance Corporation, and their respective officers, directors and representatives, all as more specifically set forth in the Plan, together with an injunction which, among other things, prevents all Entities, and each Related Person of such Entities, who have held, hold or may hold Claims or any other debt or liability that is discharged or Equity Interests or other right of equity interest that is terminated or cancelled pursuant to the Plan or the Global Settlement Agreement, or who have held, hold or may hold Claims or any other debt or liability that is discharged or released pursuant to Sections 43.2, 43.6, 43.7, or 43.8 of the Plan, from (a) commencing or continuing, directly or indirectly, in any manner, any action or other proceeding (including, without limitation, any judicial, arbitral, administrative or other proceeding) of any kind on any such Claim or other debt or liability or Equity Interest that is terminated or cancelled pursuant to the Plan against any of the Released Parties or any of their respective assets, property or estates, (b) the enforcement, attachment, collection or recovery by any manner or means of any judgment, award, decree or order against any of the Released Parties or any of their respective assets, property or estates, (c) creating, perfecting, or enforcing any encumbrance of any kind against any of the Released Parties or any of their respective assets, property or estates, and (d) except to the extent provided, permitted or preserved by sections 553, 555, 556, 559 or 560 of the Bankruptcy Code or pursuant to the common law right of recoupment, asserting any right of setoff, subrogation or recoupment of any kind against any obligation due from any of the Released Parties or any of their respective assets, property or estates, with respect to any such

Claim or other debt or liability that is discharged or Equity Interest or other right of equity interest that is terminated or cancelled pursuant to the Plan, including as follows:

“43.6 Releases by Holders of Claims and Equity Interests. Except as otherwise expressly provided in the Plan, the Confirmation Order, or the Global Settlement Agreement, and except with respect to holders of WMB Senior Notes Claims and Non-Filing WMB Senior Note Holders who do not check the box labeled “Grant Plan Section 43.6 Release”, on the Effective Date, for good and valuable consideration, each Entity that has held, currently holds or may hold a Released Claim or any Equity Interest that is terminated, and each of its respective Related Persons, on their own behalf and on behalf of anyone claiming through them, on their behalf, or for their benefit, shall be deemed to have and hereby does irrevocably and unconditionally, fully, finally and forever waive, release, acquit and discharge each and all of the Released Parties from any and all Released Claims in connection with or related to any of the Debtors, the Reorganized Debtors, the Affiliated Banks, or their respective subsidiaries, assets, liabilities, operations, property or estates, the Chapter 11 Cases or the Plan or the Disclosure Statement, the assets to be received by JPMC pursuant to the Global Settlement Agreement, the Plan Contribution Assets, the Debtors’ Claims, the JPMC Claims, the FDIC Claim, the Purchase and Assumption Agreement, the WMI/WMB Intercompany Claims, any intercompany claims on the books of WMI or WMB related to the WaMu Pension Plan or the Lakeview Plan, claims related in any way to the Trust Preferred Securities (including, without limitation, the creation of the Trust Preferred Securities, the financing associated therewith, the requested assignment of the Trust Preferred Securities by the Office of Thrift Supervision and the transfer and the asserted assignment of the Trust Preferred Securities subsequent thereto), and/or any claim, act, fact, transaction, occurrence, statement, or omission in connection with or alleged in the Actions or in the Texas Litigation, or that could have been alleged in respect of the foregoing or other similar proceeding, including, without limitation, any such claim demand, right, liability, or cause of action for indemnification, contribution or any other basis in law or equity for damages, costs or fees incurred by the releasors herein arising directly or indirectly from or otherwise relating thereto; provided, however, that each Entity that has submitted a Ballot may elect, by checking or not checking, as applicable, the appropriate box on its Ballot, not to grant the releases set forth in Section 43.6 of the Plan with respect to those Released Parties other than (i) the Debtors, (ii) the Reorganized Debtors, (iii) the Trustees, and (iv) the Creditors’ Committee and its members in such capacity and for their actions as members, their respective Related Persons, and their respective predecessors, successors and assigns (whether by operation of law or otherwise), in which case, such Entity that so elects to not grant the releases will not receive a distribution hereunder; and provided, further, that, because the Plan and the Global Settlement Agreement, and the financial contributions contained therein, are conditioned upon the aforementioned releases, and, as such, these releases are essential for the successful reorganization of the Debtors, pursuant to the Confirmation Order, those Entities that opt out of the releases provided hereunder shall be bound and shall receive the distributions they otherwise would be entitled to receive pursuant to the Plan; and provided, further, that nothing contained in the Plan or the Confirmation Order shall (a) release, or is intended to release, any non-Debtor, including any non-Debtor Entity that may be a Released Party or a Related Person, in connection with any legal action or claim brought by the United States Securities and Exchange Commission or (b) prejudice the rights of any such non-Debtor Entity to defend or otherwise contest any such legal action or claim; and provided, further, that nothing contained in the Plan or the Confirmation Order shall (a) to the extent that (i) the Pension Plans are terminated from and after the Effective Date and (ii) the Pension Plans are underfunded as of the Effective Date, release, or is intended to release, any non-Debtor, including any non-Debtor Entity that may be a Released Party or a Related Person, from any liability as a fiduciary of the Pension Plans, under any law, government policy or regulatory provision, (b) enjoin or preclude the Pension Benefit Guaranty Corporation from enforcing such liability against such non-Debtor Entity during the applicable statute of limitations period set forth in 29 U.S.C. § 1303 following any such termination, or (c) prejudice the rights of any such non-Debtor Entity to defend or otherwise contest any such legal action or claim; and provided, further, that nothing in the Plan or the Confirmation Order is intended to, nor shall it, release any non-Debtor or non-Debtor Entity that may be a Released Party or a Related Person, in connection with any legal action or claim brought by CDTSC or the BKK Group relating to the BKK Site that is the subject of the BKK Litigation. In addition to, and not in any way limiting the foregoing, each holder of an Allowed WMB Senior Notes Claim and each Accepting Non-Filing WMB Senior Notes Holder shall be deemed to have released the Debtors, the Reorganized Debtors, the Liquidating Trustee, and each of their respective Related Persons from any and all direct and derivative claims arising from or related to such holder’s WMB Senior Notes, as well as any misrepresentation or other similar claim for damages arising from the purchase or sale of such holder’s WMB Senior Notes (including, without limitation, any Section 510(b) Subordinated WMB Notes Claims that such holder may have).

Several creditors and parties in interest have opposed the breadth and scope of the Plan’s proposed releases and contend that they are not in accordance with applicable law.

“43.7 Injunction Related to Releases. Except as provided in the Plan, the Confirmation Order, or the Global Settlement Agreement, as of the Effective Date, (i) all Entities that hold, have held, or may hold a Released Claim or Equity Interest relating to any of the Debtors or the Reorganized Debtors or any of their respective assets, property and estates, that is released pursuant to Section 43.6 of the Plan, (ii) all other parties in interest, and (iii) each of the Related Persons of each of the foregoing entities, are, and shall be, permanently, forever and completely stayed, restrained, prohibited, barred and

enjoined from taking any of the following actions, whether directly or indirectly, derivatively or otherwise, on account of or based on the subject matter of such discharged Released Claims or such Equity Interests: (i) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding (including, without limitation, any judicial, arbitral, administrative or other proceeding) in any forum; (ii) enforcing, attaching (including, without limitation, any prejudgment attachment), collecting, or in any way seeking to recover any judgment, award, decree, or other order; (iii) creating, perfecting or in any way enforcing in any matter, directly or indirectly, any Lien; (iv) setting off, seeking reimbursement or contributions from, or subrogation against, or otherwise recouping in any manner, directly or indirectly, any amount against any liability or obligation owed to any Entity released under Section 43.6 hereof; and (v) commencing or continuing in any manner, in any place of any judicial, arbitration or administrative proceeding in any forum, that does not comply with or is inconsistent with the provisions of the Global Settlement Agreement, the Plan or the Confirmation Order.

“43.8 Exculpation. The Released Parties, members of the Plan Administration Committee and Plan Investment Committee of the WaMu Savings Plan, and each of their Related Persons shall not have or incur any liability to any Entity for any act taken or omitted to be taken in connection with the Chapter 11 Cases (including any actions taken by the Creditors’ Committee after the Effective Date), the formulation, preparation, dissemination, implementation, confirmation or approval of the Plan or any compromises or settlements contained therein, the Disclosure Statement related thereto, the Global Settlement Agreement, or any contract, instrument, release or other agreement or document provided for or contemplated in connection with the consummation of the transactions set forth in the Plan and the Global Settlement Agreement; provided, however, that the foregoing provisions of this Section 43.8 shall not affect the liability of any Entity that otherwise would result from any such act or omission to the extent that such act or omission is determined in a Final Order to have constituted gross negligence or willful misconduct. Any of the foregoing parties in all respects shall be entitled to rely upon the advice of counsel with respect to their duties and responsibilities under the Plan.”

If you do not object to the Plan or if your objections are overruled, you will be bound by the confirmation of the Plan, and the Confirmation Order will make binding the releases and injunctions set forth therein as they relate to certain of the Released Parties. In addition, if you do not opt out of granting the releases on your Ballot as they relate to the opt-out Released Parties set forth in Section 43.6 of the Plan, the Confirmation Order may, nonetheless, make binding the releases and injunctions set forth therein. However, be advised that the Debtors, at the Confirmation Hearing, intend to seek enforcement of the releases, injunction and exculpation contained in the Global Settlement Agreement and in Section 43.6, 43.7 and 43.8 of the Plan as to all parties, regardless of whether you elect to opt out.

ITEM 1. Amount of General Unsecured Claim. The face amount of your claim for voting purposes is:

\$ _____

ITEM 2. Vote on the Plan. The undersigned holder of a General Unsecured Claim in the amount identified in **Item 1** above hereby votes to:

- Check one box: Accept the Plan
 Reject the Plan

ITEM 3. OPTIONAL – Opt-Out Election. By checking the box below, you elect NOT to grant the releases contained in Section 43.6 of the Plan as they relate to the opt-out release parties set forth in Section 43.6 of the Plan. Election to withhold consent is at your option. **Please be advised that if you elect NOT to grant the releases, you WILL NOT be entitled to a distribution under the Plan.** If you submit your Ballot without this box checked, you will be deemed to consent to the release. However, be advised that the Debtors, at the Confirmation Hearing, intend to seek enforcement of the releases, injunction, and exculpation contained in Sections 43.6, 43.7, and 43.8 of the Plan as to all parties regardless of whether you elect to opt out.

- Check the box: Elect to opt out

ITEM 4. OPTIONAL – Unsecured Convenience Class Election. By checking the box below, you elect to have your Claim reduced to \$50,000 and to be treated as a Convenience Claim against the Debtors, meaning that your Claim will be paid on the later of the Effective Date of the Plan, or the date such Convenience Claim becomes an Allowed Claim under the Plan, or as soon thereafter as is practicable, in Cash the full amount of such Allowed Convenience Claim. **If you elect to have your claim be treated as a Convenience Claim, (i) you will be deemed to have voted in favor of the Plan and the releases contained therein regardless of your elections in Items 2 and 3 above and (ii) you will be paid in full in Cash, and any election to receive Reorganized Common Stock in Item 5 below will be disregarded.**

- Check the box: Elect to have Claim treated as a Convenience Claim

ITEM 5. OPTIONAL – Exchange Election.

Commencing on the Effective Date, and subject to (a) the right of election described in the Plan and (b) the provisions of Section 32.1(a) of the Plan with respect to a Retention/Sale Transaction, each holder of an Allowed General Unsecured Claim shall be entitled to receive on account of such holder's Allowed General Unsecured Claim and Postpetition Interest Claim distributions in an aggregate amount equal to:

(i) such holder's *pro rata* share of Creditor Cash, and

(ii) such holder's *pro rata* share of Liquidating Trust Interests, in an aggregate amount equal to (a) such holder's Allowed General Unsecured Claim and (b) in the event that all Allowed Claims are paid in full, such holder's Postpetition Interest Claim.

Notwithstanding the foregoing, the Plan provides that each holder of an Allowed General Unsecured Claim shall be provided the right to elect, in its sole and absolute discretion, to receive Reorganized Common Stock (subject to adjustment based upon the amount of Reorganized Common Stock elected by holders of Allowed Senior Notes Claims and subject to dilution on account of the Rights Offering), in lieu of some or all of the Creditor Cash or Cash on account of Liquidating Trust Interests, as the case may be, that such holder otherwise is entitled to receive pursuant to the Plan. If you would like to make such an election, complete the information below.

- Check the box: Elect to receive Reorganized Common Stock in lieu of Creditor Cash

_____ % of such holder's *pro rata* share of Creditor Cash to be distributed as Reorganized Common Stock

- Check the box: Elect to receive Reorganized Common Stock in lieu of Cash to be received on account of Liquidating Trust Interests

_____ % of such holder's *pro rata* share of Liquidating Trust Interests to be distributed as Reorganized Common Stock

NOTE: To the extent a holder of an Allowed General Unsecured Claim receives Reorganized Common Stock, such holder's distribution of Creditor Cash or Cash to be received on account of Liquidating Trust Interests, as the case may be, shall be reduced on a dollar-for-dollar basis by the value of the Reorganized Common Stock so received (valued as of the Effective Date), so that the ultimate recovery percentage for each holder of an Allowed General Unsecured Claim is the same, regardless of whether a holder receives Reorganized Common Stock. Failure by any holder of an Allowed General Unsecured Claim to elect to exercise rights of election provided in the Plan and as described herein on or before the Voting Deadline shall constitute a deemed waiver and relinquishment of such rights by such holder. Any election made after the Voting Deadline shall not be binding upon the Debtors unless the Voting Deadline is waived, in writing, by the Debtors; provided, however, that under no circumstance may such waiver by the Debtors occur on or after the Effective Date. Any holder of an Allowed General Unsecured Claim electing to receive Reorganized Common Stock shall be subject to, and bound by a registration rights agreement, if any, a form of which will be filed with the Bankruptcy Court prior to the Voting Deadline.

NOTE: In the event that, as of the Effective Date, the Debtors have determined to enter into a Retention/Sale Transaction, all elections to receive Reorganized Common Stock **shall be deemed null and void and of no force or effect and no Reorganized Common Stock shall be issued pursuant to the Plan.**

ITEM 6. Important Tax Information Required – Potential Withholding. Distributions to holders of Claims by the Debtors or the Liquidating Trustee, and any subsequent amounts received by the Liquidating Trust allocable to a holder, are subject to any applicable tax withholding.

Under U.S. federal income tax law, interest and other reportable payments may, under certain circumstances, be subject to "backup withholding" at the then applicable backup withholding rate (currently 28%). Backup withholding generally applies if the holder (a) fails to furnish its social security number or other taxpayer identification number ("**TIN**"), (b) furnishes an incorrect TIN, (c) fails properly to report interest or dividends, or (d) under certain circumstances, fails to provide a certified statement, signed under penalty of perjury, that the TIN provided is its correct number and that it is a United States person that is not subject to backup withholding. Backup withholding is not an additional tax but merely an advance payment, which may be refunded to the extent it results in an overpayment of tax and the appropriate information is supplied to the IRS. Certain persons are exempt from backup withholding, including, in certain circumstances, corporations and financial institutions.

In addition, in the case of any Liquidating Trust Beneficiaries that are *not* U.S. persons, the Liquidating Trustee may be required to withhold up to 30% of the income or proceeds allocable to such persons, depending on the circumstances (including whether the type of income is subject to a lower treaty rate). Such withholding is not dependent on the Liquidating Trust distributing any cash or other proceeds.

To avoid unnecessary withholding, **each U.S. holder is required to properly complete and return the Substitute Form W-9 included at the end of this Ballot**, certifying that such holder is a U.S. person, that the TIN provided is correct, and that such holder is not subject to backup withholding, as per its instructions. Exempt persons should indicate their exempt status on the Substitute Form W-9 as per its instructions. **Each non-U.S. holder is required to complete and return the applicable IRS Form W-8 (W-8BEN, W-8ECI or W-8IMY, as applicable)**, signed under penalties of perjury, certifying the holder's foreign status. These forms may be obtained from the IRS website (<http://www.irs.gov>). Holders should consult their tax advisors as to any qualification for exemption from backup withholding, or a lower rate of U.S. withholding under an applicable treaty or exemption, and the procedure for obtaining such exemption.

ITEM 7. Acknowledgements and Certification. By signing this Ballot, the undersigned acknowledges that the undersigned has been provided with a copy of the Disclosure Statement, including all exhibits thereto. The undersigned certifies that (i) it is the holder of the General Unsecured Claim identified in Item 1 above as of October 18, 2010 and (ii) it has full power and authority to vote to accept or reject the Plan. The undersigned further acknowledges that the Debtors' solicitation of votes is subject to all terms and conditions set forth in the Disclosure Statement and the order of the Bankruptcy Court approving the Disclosure Statement and the procedures for the solicitation of votes to accept or reject the Plan contained therein. The undersigned further acknowledges that by voting to accept the Plan, any holder of a Claim against the Debtors is affirmatively agreeing to the various release and exculpation provisions of the Plan, which appear principally in Article 43 of the Plan and provide as follows:

"43.6 **Releases by Holders of Claims and Equity Interests.** Except as otherwise expressly provided in the Plan, the Confirmation Order, or the Global Settlement Agreement, and except with respect to holders of WMB Senior Notes Claims and Non-Filing WMB Senior Note Holders who do not check the box labeled "Grant Plan Section 43.6 Release", on the

Effective Date, for good and valuable consideration, each Entity that has held, currently holds or may hold a Released Claim or any Equity Interest that is terminated, and each of its respective Related Persons, on their own behalf and on behalf of anyone claiming through them, on their behalf, or for their benefit, shall be deemed to have and hereby does irrevocably and unconditionally, fully, finally and forever waive, release, acquit and discharge each and all of the Released Parties from any and all Released Claims in connection with or related to any of the Debtors, the Reorganized Debtors, the Affiliated Banks, or their respective subsidiaries, assets, liabilities, operations, property or estates, the Chapter 11 Cases or the Plan or the Disclosure Statement, the assets to be received by JPMC pursuant to the Global Settlement Agreement, the Plan Contribution Assets, the Debtors' Claims, the JPMC Claims, the FDIC Claim, the Purchase and Assumption Agreement, the WMI/WMB Intercompany Claims, any intercompany claims on the books of WMI or WMB related to the WaMu Pension Plan or the Lakeview Plan, claims related in any way to the Trust Preferred Securities (including, without limitation, the creation of the Trust Preferred Securities, the financing associated therewith, the requested assignment of the Trust Preferred Securities by the Office of Thrift Supervision and the transfer and the asserted assignment of the Trust Preferred Securities subsequent thereto), and/or any claim, act, fact, transaction, occurrence, statement, or omission in connection with or alleged in the Actions or in the Texas Litigation, or that could have been alleged in respect of the foregoing or other similar proceeding, including, without limitation, any such claim demand, right, liability, or cause of action for indemnification, contribution or any other basis in law or equity for damages, costs or fees incurred by the releasors herein arising directly or indirectly from or otherwise relating thereto; provided, however, that each Entity that has submitted a Ballot may elect, by checking or not checking, as applicable, the appropriate box on its Ballot, not to grant the releases set forth in Section 43.6 of the Plan with respect to those Released Parties other than (i) the Debtors, (ii) the Reorganized Debtors, (iii) the Trustees, and (iv) the Creditors' Committee and its members in such capacity and for their actions as members, their respective Related Persons, and their respective predecessors, successors and assigns (whether by operation of law or otherwise), in which case, such Entity that so elects to not grant the releases will not receive a distribution hereunder; and provided, further, that, because the Plan and the Global Settlement Agreement, and the financial contributions contained therein, are conditioned upon the aforementioned releases, and, as such, these releases are essential for the successful reorganization of the Debtors, pursuant to the Confirmation Order, those Entities that opt out of the releases provided hereunder shall be bound and shall receive the distributions they otherwise would be entitled to receive pursuant to the Plan; and provided, further, that nothing contained in the Plan or the Confirmation Order shall (a) release, or is intended to release, any non-Debtor, including any non-Debtor Entity that may be a Released Party or a Related Person, in connection with any legal action or claim brought by the United States Securities and Exchange Commission or (b) prejudice the rights of any such non-Debtor Entity to defend or otherwise contest any such legal action or claim; and provided, further, that nothing contained in the Plan or the Confirmation Order shall (a) to the extent that (i) the Pension Plans are terminated from and after the Effective Date and (ii) the Pension Plans are underfunded as of the Effective Date, release, or is intended to release, any non-Debtor, including any non-Debtor Entity that may be a Released Party or a Related Person, from any liability as a fiduciary of the Pension Plans, under any law, government policy or regulatory provision, (b) enjoin or preclude the Pension Benefit Guaranty Corporation from enforcing such liability against such non-Debtor Entity during the applicable statute of limitations period set forth in 29 U.S.C. § 1303 following any such termination, or (c) prejudice the rights of any such non-Debtor Entity to defend or otherwise contest any such legal action or claim; and provided, further, that nothing in the Plan or the Confirmation Order is intended to, nor shall it, release any non-Debtor or non-Debtor Entity that may be a Released Party or a Related Person, in connection with any legal action or claim brought by CDTSC or the BKK Group relating to the BKK Site that is the subject of the BKK Litigation. In addition to, and not in any way limiting the foregoing, each holder of an Allowed WMB Senior Notes Claim and each Accepting Non-Filing WMB Senior Notes Holder shall be deemed to have released the Debtors, the Reorganized Debtors, the Liquidating Trustee, and each of their respective Related Persons from any and all direct and derivative claims arising from or related to such holder's WMB Senior Notes, as well as any misrepresentation or other similar claim for damages arising from the purchase or sale of such holder's WMB Senior Notes (including, without limitation, any Section 510(b) Subordinated WMB Notes Claims that such holder may have).

Several creditors and parties in interest have opposed the breadth and scope of the Plan's proposed releases and contend that they are not in accordance with applicable law.

“43.7 Injunction Related to Releases. Except as provided in the Plan, the Confirmation Order, or the Global Settlement Agreement, as of the Effective Date, (i) all Entities that hold, have held, or may hold a Released Claim or Equity Interest relating to any of the Debtors or the Reorganized Debtors or any of their respective assets, property and estates, that is released pursuant to Section 43.6 of the Plan, (ii) all other parties in interest, and (iii) each of the Related Persons of each of the foregoing entities, are, and shall be, permanently, forever and completely stayed, restrained, prohibited, barred and enjoined from taking any of the following actions, whether directly or indirectly, derivatively or otherwise, on account of or based on the subject matter of such discharged Released Claims or such Equity Interests: (i) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding (including, without limitation, any judicial, arbitral, administrative or other proceeding) in any forum; (ii) enforcing, attaching (including, without limitation, any prejudgment attachment), collecting, or in any way seeking to recover any judgment, award, decree, or other order; (iii) creating, perfecting or in any way enforcing in any matter, directly or indirectly, any Lien; (iv) setting off, seeking reimbursement or contributions from, or subrogation against, or otherwise recouping in any manner, directly or indirectly, any amount against any liability or obligation owed to any Entity released under Section 43.6 hereof; and (v) commencing or continuing in any manner, in any place of any judicial, arbitration or administrative proceeding in any forum, that does not comply with or is inconsistent with the provisions of the Global Settlement Agreement, the Plan or the Confirmation Order.

“43.8 Exculpation. The Released Parties, members of the Plan Administration Committee and Plan Investment Committee of the WaMu Savings Plan, and each of their Related Persons shall not have or incur any liability to any Entity for any act taken or omitted to be taken in connection with the Chapter 11 Cases (including any actions taken by the Creditors’ Committee after the Effective Date), the formulation, preparation, dissemination, implementation, confirmation or approval of the Plan or any compromises or settlements contained therein, the Disclosure Statement related thereto, the Global Settlement Agreement, or any contract, instrument, release or other agreement or document provided for or contemplated in connection with the consummation of the transactions set forth in the Plan and the Global Settlement Agreement; provided, however, that the foregoing provisions of this Section 43.8 shall not affect the liability of any Entity that otherwise would result from any such act or omission to the extent that such act or omission is determined in a Final Order to have constituted gross negligence or willful misconduct. Any of the foregoing parties in all respects shall be entitled to rely upon the advice of counsel with respect to their duties and responsibilities under the Plan.”

**GUIDELINES FOR CERTIFICATION OF TAXPAYER
IDENTIFICATION NUMBER ON SUBSTITUTE FORM W-9**

Guidelines for Determining the Proper Identification Number to Give the Payer—Social Security numbers have nine digits separated by two hyphens: i.e., 000-00-0000. Employer identification numbers have nine digits separated by only one hyphen: i.e., 00-0000000. The table below will help determine the number to give the payer.

| <u>For this type of account</u> | <u>Give the SOCIAL SECURITY number of:</u> | <u>For this type of account</u> | <u>Give the EMPLOYER IDENTIFICATION number of:</u> |
|---|---|--|--|
| 1. An individual | The individual | 6. Sole proprietorship or disregarded entity not owned by an individual | The owner |
| 2. Two or more individuals (joint account) | The actual owner of the account or, if combined funds, the first individual on the account(1) | 7. A valid trust, estate, or pension trust | The legal entity(4) |
| 3. Custodian account of a minor (Uniform Gift to Minors Act) | The minor(2) | 8. Corporate or LLC electing corporate status on Form 8832 | The corporation |
| 4. a. The usual revocable savings trust (grantor is also trustee) | The grantor-trustee(1) | 9. Association, club, religious, charitable, educational or other tax exempt organization | The organization |
| b. So-called trust account that is not a legal or valid trust under state law | The actual owner(1) | 10. Partnership or multimember LLC | The partnership |
| 5. Sole proprietorship or disregarded entity owned by an individual | The owner(3) | 11. A broker or registered nominee | The broker or nominee |
| | | 12. Account with the Department of Agriculture in the name of a public entity (such as a state or local government, school district or prison) that receives agricultural program payments | The public entity |

- (1) List first and circle the name of the person whose number you furnish. If only one person on a joint account has a social security number, that person's number must be furnished.
- (2) Circle the minor's name and furnish the minor's social security number.
- (3) If you are an individual, you must show your individual name and you may also enter your business or "DBA" name on the second line. You may use either your social security number or employer identification number (if you have one), but the IRS encourages you to use your social security number.
- (4) List first and circle the name of the trust, estate or pension trust. (Do not furnish the identifying number of the personal representative or trustee unless the legal entity itself is not designated in the account title.)

Note: If no name is circled when more than one name is listed, the number will be considered to be that of the first name listed.

How to Obtain a TIN

If you do not have a taxpayer identification number or you do not know your number, obtain Form SS-5, Application for a Social Security Number Card, at the local office of the Social Security Administration (or the website www.ssa.gov) and apply for a social security number, or obtain Form W-7, Application for IRS Individual Taxpayer Identification Number, or Form SS-4, Application for Employer Identification Number, at the local office of the Internal Revenue Service (“IRS”) (or the website www.irs.gov) and apply for an individual taxpayer identification number or employer identification number, as applicable.

CAUTION: A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.

Payees Exempt from Backup Withholding

Payees specifically exempted from backup withholding on all payments include the following:

1. An organization exempt from tax under section 501(a) of the Internal Revenue IRC of 1986, as amended (the “IRC”), an individual retirement plan, or a custodial account under section 403(b)(7) of the IRC if the account satisfies the requirements of section 401(f)(2) of the IRC.
2. The United States or any of its agencies or instrumentalities.
3. A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities.
4. A foreign government or any of its political subdivisions, agencies or instrumentalities.
5. An international organization or any of its agencies or instrumentalities.

Other payees that may be exempt from backup withholding include:

6. A corporation.
7. A foreign central bank of issue.
8. A dealer in securities or commodities required to register in the United States, the District of Columbia or a possession of the United States.
9. A futures commission merchant registered with the Commodity Futures Trading Commission.
10. A real estate investment trust.
11. An entity registered at all times during the tax year under the Investment Company Act of 1940, as amended.
12. A common trust fund operated by a bank under section 584(a) of the IRC.
13. A financial institution.
14. A middleman known in the investment community as a nominee or custodian.
15. A trust exempt from tax under section 664 of the IRC or described in section 4947 of the IRC.

Payments of dividends and patronage dividends not generally subject to backup withholding include the following:

- Payments to nonresident aliens subject to withholding under section 1441 of the IRC.
- Payments to partnerships not engaged in a trade or business in the United States and that have at least one non-resident alien partner.
- Payments of patronage dividends not paid in money.

- Payments made by certain foreign organizations.

The chart below shows two of the types of payments that may be exempt from backup withholding. The chart applies to the exempt recipients listed above, 1 through 15.

| IF the payment is for ... | THEN the payment is exempt for ... |
|--------------------------------|---|
| Interest and dividend payments | All exempt recipients except for 9 |
| Broker transactions | Exempt recipients 1 through 13; also, a person who regularly acts as a broker and who is registered under the Investment Advisers Act of 1940, as amended |

Exempt payees should file the Substitute Form W-9 to avoid possible erroneous backup withholding. ENTER YOUR NAME ON THE APPROPRIATE LINE AND CHECK THE APPROPRIATE BOX FOR YOUR STATUS, THEN CHECK THE “EXEMPT PAYEE” BOX, SIGN AND DATE THE FORM, AND RETURN IT TO THE PAYER. Foreign payees who are not subject to backup withholding should complete the appropriate IRS Form W-8 and return it to the payer.

Privacy Act Notice

Section 6109 of the IRC requires most recipients of dividend, interest or other payments to give their correct taxpayer identification numbers to payers who must report the payments to the IRS. The IRS uses the numbers for identification purposes and to help verify the accuracy of tax returns. It may also provide this information to the Department of Justice for civil and criminal litigation, and to cities, states, the District of Columbia and U.S. possessions to carry out their tax laws. It may also disclose this information to other countries under a tax treaty, to federal and state agencies to enforce federal nontax criminal laws, and to federal law enforcement and intelligence agencies to combat terrorism.

Payees must provide payers with their taxpayer identification numbers whether or not they are required to file tax returns. Payers must generally withhold 28% of taxable interest, dividend and certain other payments to a payee who does not furnish a taxpayer identification number to a payer. Certain penalties may also apply.

Penalties

1. **Penalty for Failure to Furnish Taxpayer Identification Number** — If you fail to furnish your correct taxpayer identification number to a payer, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.
2. **Civil Penalty for False Information With Respect to Withholding** — If you make a false statement with no reasonable basis which results in no imposition of backup withholding, you are subject to a penalty of \$500.
3. **Criminal Penalty for Falsifying Information** — Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.
4. **Misuse of TINs** — If the requestor discloses or uses TINs in violation of federal law, the requestor may be subject to civil and criminal penalties.

ITEM 3. OPTIONAL – Opt-Out Election. By checking the box below, you elect NOT to grant the releases contained in Section 43.6 of the Plan as they relate to the opt-out release parties set forth in Section 43.6 of the Plan. Election to withhold consent is at your option. **Please be advised that if you elect NOT to grant the releases, you WILL NOT be entitled to a distribution under the Plan.** If you submit your Ballot without this box checked, you will be deemed to consent to the release. However, be advised that the Debtors, at the Confirmation Hearing, intend to seek enforcement of the releases, injunction, and exculpation contained in Sections 43.6, 43.7, and 43.8 of the Plan as to all parties regardless of whether you elect to opt out.

Check the box: Elect to opt out

ITEM 4. OPTIONAL – Exchange Election.

Commencing on the Effective Date, and subject to (a) the right of election described in the Plan and (b) the provisions of Section 32.1(a) of the Plan with respect to a Retention/Sale Transaction, each holder of an Allowed CCB-[x] Guarantees Claim shall be entitled to receive on account of such Allowed CCB-[x] Guarantees Claim and Postpetition Interest Claim such holder's *pro rata* share of (i) Creditor Cash, and (ii) Liquidating Trust Interests, in an aggregate amount equal to (a) such holder's Allowed CCB-[x] Guarantees Claim and (b) in the event that all Allowed Claims are paid in full, such holder's Postpetition Interest Claim.

Notwithstanding the foregoing, the Plan provides that holders of Allowed CCB-[x] Guarantees Claims each shall be provided the right to elect, in their sole and absolute discretion, to receive Reorganized Common Stock (to the extent remaining after distribution to holders of Allowed Senior Notes Claims, Allowed General Unsecured Claims, and Allowed Senior Subordinated Notes Claims, subject to adjustment based upon the number of shares elected by holders of Allowed CCB-[y] Guarantees Claims, and subject to dilution on account of the Rights Offering), in lieu of some or all of the Creditor Cash or Cash on account of Liquidating Trust Interests, as the case may be, that such holder otherwise is entitled to receive pursuant to the Plan. If you would like to make such an election, complete the information below.

Check the box: Elect to receive Reorganized Common Stock in lieu of Creditor Cash

_____ % of such holder's *pro rata* share of Creditor Cash to be distributed as Reorganized
Common Stock

Check the box: Elect to receive Reorganized Common Stock in lieu of Cash to be received on
account of Liquidating Trust Interests

_____ % of such holder's *pro rata* share of Cash to be received on account of Liquidating Trust
Interests to be distributed as Reorganized Common Stock

If the Plan and Confirmation Order provide that both (i) Reorganized Common Stock is subject to payover rights under the applicable contractual subordination provisions in the Indentures and Guarantee Agreements and (ii) such rights are exercisable individually per holder, please indicate below the percentage, if any, of such Reorganized Common Stock you would elect to receive

_____ % of such holder's *pro rata* share of remaining claim to be received on account of
subordination and payover rights if held to be applicable and exercisable separately by each holder.

NOTE: To the extent a holder receives Reorganized Common Stock, such holder's distribution of Creditor Cash or Cash to be received on account of Liquidating Trust Interests, as the case may be, shall be reduced on a

dollar-for-dollar basis by the value of the Reorganized Common Stock so received (valued as of the Effective Date), so that the ultimate recovery percentage for each holder of an Allowed CCB-[x] Guarantees Claim is the same, regardless of whether a holder receives Reorganized Common Stock. Failure by any holder of an Allowed CCB-[x] Guarantees Claim to elect to exercise election rights on or before the Voting Deadline shall constitute a deemed waiver and relinquishment of such rights by such holder. Any election made after the Voting Deadline shall not be binding upon the Debtors unless the Voting Deadline is waived, in writing, by the Debtors; provided, however, that under no circumstance may such waiver by the Debtors occur on or after the Effective Date. Any holder electing to receive Reorganized Common Stock shall be subject to, and bound by a registration rights agreement, if any, a form of which will be filed with the Bankruptcy Court prior to the Voting Deadline if applicable.

NOTE: In the event that, as of the Effective Date, the Debtors have determined to enter into a Retention/Sale Transaction, all elections to receive Reorganized Common Stock **shall be deemed null and void and of no force or effect and no Reorganized Common Stock shall be issued pursuant to the Plan.**

Voting on the Plan or exercising an election shall not constitute or be deemed a waiver of any rights or remedies that any holder or Indenture Trustee may have with respect to subordination and subrogation rights arising under or with respect to the Senior Notes, Senior Subordinated Notes, CCB Guarantees, PIERS Common Securities and PIERS Preferred Securities, all of which rights and remedies shall be controlled and governed by the Indentures and Guarantee Agreements providing for and relating to such subordination and subrogation rights and nothing in the Plan or any annex, attachment, schedule or exhibit to the Plan, shall amend, modify or impair such rights (or any remedies in respect thereof) in any manner or fashion; provided, however, that any disagreement with the priorities or distributions set forth in the Plan or in the Subordination Model shall be raised prior to, and decided at, the Confirmation Hearing, and all issues with respect to contractual subordination and subrogation not resolved at the Confirmation Hearing shall be governed pursuant to the Subordination Model or, if the decision of the Bankruptcy Court at the Confirmation Hearing differs from the Subordination Model, then all issues with respect to contractual subordination and subrogation shall be governed pursuant to such decision.

ITEM 6. Important Tax Information Required – Potential Withholding. Distributions to holders of Claims by the Debtors or the Liquidating Trustee, and any subsequent amounts received by the Liquidating Trust allocable to a holder, are subject to any applicable tax withholding.

Under U.S. federal income tax law, interest and other reportable payments may, under certain circumstances, be subject to “backup withholding” at the then applicable backup withholding rate (currently 28%). Backup withholding generally applies if the holder (a) fails to furnish its social security number or other taxpayer identification number (“**TIN**”), (b) furnishes an incorrect TIN, (c) fails properly to report interest or dividends, or (d) under certain circumstances, fails to provide a certified statement, signed under penalty of perjury, that the TIN provided is its correct number and that it is a United States person that is not subject to backup withholding. Backup withholding is not an additional tax but merely an advance payment, which may be refunded to the extent it results in an overpayment of tax and the appropriate information is supplied to the IRS. Certain persons are exempt from backup withholding, including, in certain circumstances, corporations and financial institutions.

In addition, in the case of any Liquidating Trust Beneficiaries that are *not* U.S. persons, the Liquidating Trustee may be required to withhold up to 30% of the income or proceeds allocable to such persons, depending on the circumstances (including whether the type of income is subject to a lower treaty rate). Such withholding is not dependent on the Liquidating Trust distributing any cash or other proceeds.

To avoid unnecessary withholding, **each U.S. holder is required to properly complete and return the Substitute Form W-9 included at the end of this Ballot**, certifying that such holder is a U.S. person, that the TIN provided is correct, and that such holder is not subject to backup withholding, as per its instructions. Exempt persons should indicate their exempt status on the Substitute Form W-9 as per its instructions. **Each non-U.S. holder is required to complete and return the applicable IRS Form W-8** (W-8BEN, W-8ECI or W-8IMY, as applicable), signed under penalties of perjury, certifying the holder’s foreign status. These forms may be obtained from the IRS website (<http://www.irs.gov>). Holders should consult their tax advisors as to any qualification for exemption from backup withholding, or a lower rate of U.S. withholding under an applicable treaty or exemption, and the procedure for obtaining such exemption.

ITEM 7. Acknowledgements and Certification. By signing this Ballot, the undersigned acknowledges that the undersigned has been provided with a copy of the Disclosure Statement, including all exhibits thereto. The undersigned certifies that (i) it is the holder of the CCB-[] Guarantees Claims identified in Item 1 above as of

October 18, 2010 and (ii) it has full power and authority to vote to accept or reject the Plan. The undersigned further acknowledges that the Debtors' solicitation of votes is subject to all terms and conditions set forth in the Disclosure Statement and the order of the Bankruptcy Court approving the Disclosure Statement and the procedures for the solicitation of votes to accept or reject the Plan contained therein. The undersigned further acknowledges that by voting to accept the Plan, any holder of a Claim against the Debtors is affirmatively agreeing to the various release and exculpation provisions of the Plan, which appear principally in Article 43 of the Plan and provide as follows:

“43.6 Releases by Holders of Claims and Equity Interests. Except as otherwise expressly provided in the Plan, the Confirmation Order, or the Global Settlement Agreement, and except with respect to holders of WMB Senior Notes Claims and Non-Filing WMB Senior Note Holders who do not check the box labeled “Grant Plan Section 43.6 Release”, on the Effective Date, for good and valuable consideration, each Entity that has held, currently holds or may hold a Released Claim or any Equity Interest that is terminated, and each of its respective Related Persons, on their own behalf and on behalf of anyone claiming through them, on their behalf, or for their benefit, shall be deemed to have and hereby does irrevocably and unconditionally, fully, finally and forever waive, release, acquit and discharge each and all of the Released Parties from any and all Released Claims in connection with or related to any of the Debtors, the Reorganized Debtors, the Affiliated Banks, or their respective subsidiaries, assets, liabilities, operations, property or estates, the Chapter 11 Cases or the Plan or the Disclosure Statement, the assets to be received by JPMC pursuant to the Global Settlement Agreement, the Plan Contribution Assets, the Debtors' Claims, the JPMC Claims, the FDIC Claim, the Purchase and Assumption Agreement, the WMI/WMB Intercompany Claims, any intercompany claims on the books of WMI or WMB related to the WaMu Pension Plan or the Lakeview Plan, claims related in any way to the Trust Preferred Securities (including, without limitation, the creation of the Trust Preferred Securities, the financing associated therewith, the requested assignment of the Trust Preferred Securities by the Office of Thrift Supervision and the transfer and the asserted assignment of the Trust Preferred Securities subsequent thereto), and/or any claim, act, fact, transaction, occurrence, statement, or omission in connection with or alleged in the Actions or in the Texas Litigation, or that could have been alleged in respect of the foregoing or other similar proceeding, including, without limitation, any such claim demand, right, liability, or cause of action for indemnification, contribution or any other basis in law or equity for damages, costs or fees incurred by the releasors herein arising directly or indirectly from or otherwise relating thereto; provided, however, that each Entity that has submitted a Ballot may elect, by checking or not checking, as applicable, the appropriate box on its Ballot, not to grant the releases set forth in Section 43.6 of the Plan with respect to those Released Parties other than (i) the Debtors, (ii) the Reorganized Debtors, (iii) the Trustees, and (iv) the Creditors' Committee and its members in such capacity and for their actions as members, their respective Related Persons, and their respective predecessors, successors and assigns (whether by operation of law or otherwise), in which case, such Entity that so elects to not grant the releases will not receive a distribution hereunder; and provided, further, that, because the Plan and the Global Settlement Agreement, and the financial contributions contained therein, are conditioned upon the aforementioned releases, and, as such, these releases are essential for the successful reorganization of the Debtors, pursuant to the Confirmation Order, those Entities that opt out of the releases provided hereunder shall be bound and shall receive the distributions they otherwise would be entitled to receive pursuant to the Plan; and provided, further, that nothing contained in the Plan or the Confirmation Order shall (a) release, or is intended to release, any non-Debtor, including any non-Debtor Entity that may be a Released Party or a Related Person, in connection with any legal action or claim brought by the United States Securities and Exchange Commission or (b) prejudice the rights of any such non-Debtor Entity to defend or otherwise contest any such legal action or claim; and provided, further, that nothing contained in the Plan or the Confirmation Order shall (a) to the extent that (i) the Pension Plans are terminated from and after the Effective Date and (ii) the Pension Plans are underfunded as of the Effective Date, release, or is intended to release, any non-Debtor, including any non-Debtor Entity that may be a Released Party or a Related Person, from any liability as a fiduciary of the Pension Plans, under any law, government policy or regulatory provision, (b) enjoin or preclude the Pension Benefit Guaranty Corporation from enforcing such liability against such non-Debtor Entity during the applicable statute of limitations period set forth in 29 U.S.C. § 1303 following any such termination, or (c) prejudice the rights of any such non-Debtor Entity to defend or otherwise contest any such legal action or claim; and provided, further, that nothing in the Plan or the Confirmation Order is intended to, nor shall it, release any non-Debtor or non-Debtor Entity that may be a Released Party or a Related Person, in connection with any legal action or claim brought by CDTSC or the BKK Group relating to the BKK Site that is the subject of the BKK Litigation. In addition to, and not in any way limiting the foregoing, each holder of an Allowed WMB Senior Notes Claim and each Accepting Non-Filing WMB Senior Notes Holder shall be deemed to have released the Debtors, the Reorganized Debtors, the Liquidating Trustee, and each of their respective Related Persons from any and all direct and derivative claims arising from or related to such holder's WMB Senior Notes, as well as any misrepresentation or other similar claim for damages arising from the purchase or sale of such holder's WMB Senior Notes (including, without limitation, any Section 510(b) Subordinated WMB Notes Claims that such holder may have).

Several creditors and parties in interest have opposed the breadth and scope of the Plan's proposed releases and contend that they are not in accordance with applicable law.

“43.7 Injunction Related to Releases. Except as provided in the Plan, the Confirmation Order, or the Global Settlement Agreement, as of the Effective Date, (i) all Entities that hold, have held, or may hold a Released Claim or Equity Interest relating to any of the Debtors or the Reorganized Debtors or any of their respective assets, property and estates, that is released pursuant to Section 43.6 of the Plan, (ii) all other parties in interest, and (iii) each of the Related Persons of each of the foregoing entities, are, and shall be, permanently, forever and completely stayed, restrained, prohibited, barred and enjoined from taking any of the following actions, whether directly or indirectly, derivatively or otherwise, on account of or

based on the subject matter of such discharged Released Claims or such Equity Interests: (i) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding (including, without limitation, any judicial, arbitral, administrative or other proceeding) in any forum; (ii) enforcing, attaching (including, without limitation, any prejudgment attachment), collecting, or in any way seeking to recover any judgment, award, decree, or other order; (iii) creating, perfecting or in any way enforcing in any matter, directly or indirectly, any Lien; (iv) setting off, seeking reimbursement or contributions from, or subrogation against, or otherwise recouping in any manner, directly or indirectly, any amount against any liability or obligation owed to any Entity released under Section 43.6 hereof; and (v) commencing or continuing in any manner, in any place of any judicial, arbitration or administrative proceeding in any forum, that does not comply with or is inconsistent with the provisions of the Global Settlement Agreement, the Plan or the Confirmation Order.

“43.8 Exculpation. The Released Parties, members of the Plan Administration Committee and Plan Investment Committee of the WaMu Savings Plan, and each of their Related Persons shall not have or incur any liability to any Entity for any act taken or omitted to be taken in connection with the Chapter 11 Cases (including any actions taken by the Creditors’ Committee after the Effective Date), the formulation, preparation, dissemination, implementation, confirmation or approval of the Plan or any compromises or settlements contained therein, the Disclosure Statement related thereto, the Global Settlement Agreement, or any contract, instrument, release or other agreement or document provided for or contemplated in connection with the consummation of the transactions set forth in the Plan and the Global Settlement Agreement; provided, however, that the foregoing provisions of this Section 43.8 shall not affect the liability of any Entity that otherwise would result from any such act or omission to the extent that such act or omission is determined in a Final Order to have constituted gross negligence or willful misconduct. Any of the foregoing parties in all respects shall be entitled to rely upon the advice of counsel with respect to their duties and responsibilities under the Plan.”

**GUIDELINES FOR CERTIFICATION OF TAXPAYER
IDENTIFICATION NUMBER ON SUBSTITUTE FORM W-9**

Guidelines for Determining the Proper Identification Number to Give the Payer—Social Security numbers have nine digits separated by two hyphens: i.e., 000-00-0000. Employer identification numbers have nine digits separated by only one hyphen: i.e., 00-0000000. The table below will help determine the number to give the payer.

| <u>For this type of account</u> | <u>Give the SOCIAL SECURITY number of:</u> | <u>For this type of account</u> | <u>Give the EMPLOYER IDENTIFICATION number of:</u> |
|---|---|--|--|
| 1. An individual | The individual | 6. Sole proprietorship or disregarded entity not owned by an individual | The owner |
| 2. Two or more individuals (joint account) | The actual owner of the account or, if combined funds, the first individual on the account(1) | 7. A valid trust, estate, or pension trust | The legal entity(4) |
| 3. Custodian account of a minor (Uniform Gift to Minors Act) | The minor(2) | 8. Corporate or LLC electing corporate status on Form 8832 | The corporation |
| 4. a. The usual revocable savings trust (grantor is also trustee) | The grantor-trustee(1) | 9. Association, club, religious, charitable, educational or other tax exempt organization | The organization |
| b. So-called trust account that is not a legal or valid trust under state law | The actual owner(1) | 10. Partnership or multimember LLC | The partnership |
| 5. Sole proprietorship or disregarded entity owned by an individual | The owner(3) | 11. A broker or registered nominee | The broker or nominee |
| | | 12. Account with the Department of Agriculture in the name of a public entity (such as a state or local government, school district or prison) that receives agricultural program payments | The public entity |

- (1) List first and circle the name of the person whose number you furnish. If only one person on a joint account has a social security number, that person's number must be furnished.
- (2) Circle the minor's name and furnish the minor's social security number.
- (3) If you are an individual, you must show your individual name and you may also enter your business or "DBA" name on the second line. You may use either your social security number or employer identification number (if you have one), but the IRS encourages you to use your social security number.
- (4) List first and circle the name of the trust, estate or pension trust. (Do not furnish the identifying number of the personal representative or trustee unless the legal entity itself is not designated in the account title.)

Note: If no name is circled when more than one name is listed, the number will be considered to be that of the first name listed.

How to Obtain a TIN

If you do not have a taxpayer identification number or you do not know your number, obtain Form SS-5, Application for a Social Security Number Card, at the local office of the Social Security Administration (or the website www.ssa.gov) and apply for a social security number, or obtain Form W-7, Application for IRS Individual Taxpayer Identification Number, or Form SS-4, Application for Employer Identification Number, at the local office of the Internal Revenue Service (“IRS”) (or the website www.irs.gov) and apply for an individual taxpayer identification number or employer identification number, as applicable.

CAUTION: A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.

Payees Exempt from Backup Withholding

Payees specifically exempted from backup withholding on all payments include the following:

1. An organization exempt from tax under section 501(a) of the Internal Revenue IRC of 1986, as amended (the “IRC”), an individual retirement plan, or a custodial account under section 403(b)(7) of the IRC if the account satisfies the requirements of section 401(f)(2) of the IRC.
2. The United States or any of its agencies or instrumentalities.
3. A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities.
4. A foreign government or any of its political subdivisions, agencies or instrumentalities.
5. An international organization or any of its agencies or instrumentalities.

Other payees that may be exempt from backup withholding include:

6. A corporation.
7. A foreign central bank of issue.
8. A dealer in securities or commodities required to register in the United States, the District of Columbia or a possession of the United States.
9. A futures commission merchant registered with the Commodity Futures Trading Commission.
10. A real estate investment trust.
11. An entity registered at all times during the tax year under the Investment Company Act of 1940, as amended.
12. A common trust fund operated by a bank under section 584(a) of the IRC.
13. A financial institution.
14. A middleman known in the investment community as a nominee or custodian.
15. A trust exempt from tax under section 664 of the IRC or described in section 4947 of the IRC.

Payments of dividends and patronage dividends not generally subject to backup withholding include the following:

- Payments to nonresident aliens subject to withholding under section 1441 of the IRC.
- Payments to partnerships not engaged in a trade or business in the United States and that have at least one non-resident alien partner.
- Payments of patronage dividends not paid in money.

- Payments made by certain foreign organizations.

The chart below shows two of the types of payments that may be exempt from backup withholding. The chart applies to the exempt recipients listed above, 1 through 15.

| IF the payment is for ... | THEN the payment is exempt for ... |
|--------------------------------|---|
| Interest and dividend payments | All exempt recipients except for 9 |
| Broker transactions | Exempt recipients 1 through 13; also, a person who regularly acts as a broker and who is registered under the Investment Advisers Act of 1940, as amended |

Exempt payees should file the Substitute Form W-9 to avoid possible erroneous backup withholding. ENTER YOUR NAME ON THE APPROPRIATE LINE AND CHECK THE APPROPRIATE BOX FOR YOUR STATUS, THEN CHECK THE “EXEMPT PAYEE” BOX, SIGN AND DATE THE FORM, AND RETURN IT TO THE PAYER. Foreign payees who are not subject to backup withholding should complete the appropriate IRS Form W-8 and return it to the payer.

Privacy Act Notice

Section 6109 of the IRC requires most recipients of dividend, interest or other payments to give their correct taxpayer identification numbers to payers who must report the payments to the IRS. The IRS uses the numbers for identification purposes and to help verify the accuracy of tax returns. It may also provide this information to the Department of Justice for civil and criminal litigation, and to cities, states, the District of Columbia and U.S. possessions to carry out their tax laws. It may also disclose this information to other countries under a tax treaty, to federal and state agencies to enforce federal nontax criminal laws, and to federal law enforcement and intelligence agencies to combat terrorism.

Payees must provide payers with their taxpayer identification numbers whether or not they are required to file tax returns. Payers must generally withhold 28% of taxable interest, dividend and certain other payments to a payee who does not furnish a taxpayer identification number to a payer. Certain penalties may also apply.

Penalties

1. **Penalty for Failure to Furnish Taxpayer Identification Number** — If you fail to furnish your correct taxpayer identification number to a payer, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.
2. **Civil Penalty for False Information With Respect to Withholding** — If you make a false statement with no reasonable basis which results in no imposition of backup withholding, you are subject to a penalty of \$500.
3. **Criminal Penalty for Falsifying Information** — Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.
4. **Misuse of TINs** — If the requestor discloses or uses TINs in violation of federal law, the requestor may be subject to civil and criminal penalties.

If the Plan is confirmed by the Bankruptcy Court, all holders of Claims against and Equity Interests in the Debtors (including those holders who abstain from voting or reject the Plan, and those holders who are not entitled to vote on the Plan) will be bound by the confirmed Plan and the transactions contemplated thereby, and may be bound to the releases contained therein.

Washington Mutual, Inc. and WMI Investment Corp., as debtors and debtors in possession (collectively, the “**Debtors**”), each of which is identified above, are soliciting votes with respect to the Sixth Amended Joint Plan of Affiliated Debtors Pursuant to Chapter 11 of the United States Bankruptcy Code, dated as of October 6, 2010 (as it may be further amended, the “**Plan**”), from the holders of certain impaired claims against the Debtors. The Plan is attached as Exhibit A to the Disclosure Statement for the Plan (as it may be amended, the “**Disclosure Statement**”). All capitalized terms used but not defined herein or in the enclosed voting instructions have the meanings ascribed to such terms in the Plan.

If you are, as of March 31, 2009, a holder of a WMB Senior Notes Claim, please use this Ballot to cast your vote to accept or reject the Plan. The United States Bankruptcy Court for the District of Delaware (the “**Bankruptcy Court**”) has approved the Disclosure Statement, which provides information to assist you in deciding how to vote on the Plan. Bankruptcy Court approval of the Disclosure Statement does not indicate approval of the Plan by the Bankruptcy Court. If you have any questions on how to properly complete this Ballot, please contact Kurtzman Carson Consultants LLC (the “**Voting Agent**”) at (888) 830-4644. Please be advised that Kurtzman Carson Consultants LLC cannot provide legal advice.

Please also note that the Debtors consented to, and the Bankruptcy Court directed, the appointment by the United States Trustee for the District of Delaware of Joshua R. Hochberg as examiner to conduct an investigation of the Debtors. The examiner will prepare a report summarizing its findings and such report, with the exception of any confidential information contained therein, will be made publicly available at www.kccllc.net/wamu prior to the deadline to vote on the Plan.

¹ The Debtors in these chapter 11 cases along with the last four digits of each Debtor’s federal tax identification number are: (i) Washington Mutual, Inc. (3725); and (ii) WMI Investment Corp. (5395). The Debtors’ principal offices are located at 925 Fourth Avenue, Seattle, Washington 98104.

IMPORTANT

You should review the Disclosure Statement and the Plan (including the Global Settlement Agreement) before you vote. You may wish to seek legal advice concerning the Plan and the classification and treatment of your claim or claims under the Plan.

Your WMB Senior Notes Claim against the Debtors has been placed in Class 17A under the Plan. If you hold claims in more than one class under the Plan, you will receive a Ballot for each class in which you are entitled to vote and must complete a separate Ballot for each such class of claims.

VOTING DEADLINE: 5:00 P.M. (Pacific Time) on November 15, 2010.

In order for your vote to be counted, the Ballot must be properly completed, signed, and returned so that it is actually received by the Voting Agent, Kurtzman Carson Consultants LLC, by no later than 5:00 p.m. (Pacific Time) on November 15, 2010, unless such time is extended by the Debtors. Please mail or deliver your Ballot to: Washington Mutual Ballot Processing, c/o Kurtzman Carson Consultants, 2335 Alaska Avenue, El Segundo, California 90245. **BALLOTS WILL NOT BE ACCEPTED BY TELECOPY, FACSIMILE, E-MAIL OR OTHER ELECTRONIC MEANS OF TRANSMISSION.**

If your Ballot is not received by the Voting Agent on or before the Voting Deadline and such deadline is not extended by the Debtors, your vote will not count as either an acceptance or rejection of the Plan.

If the Plan is confirmed by the Bankruptcy Court, the Plan will be binding on you whether or not you vote.

Your receipt of this Ballot does not signify that your claim(s) has been or will be allowed. However, as set forth below, if you vote to accept the Plan through this Ballot by checking the “accept” box, your Claim will be deemed allowed as set forth under the Plan.

ITEM 1. Amount of WMB Senior Notes Claim. For voting purposes, the face amount of WMB Senior Notes that you hold as of October 25, 2010 is:

\$ _____²

ITEM 2. Vote on the Plan. The undersigned holder of the WMB Senior Notes Claim in the amount identified in Item 1 above hereby votes to:

- Check one box:
- Accept the Plan
- Reject the Plan

ITEM 3. OPTIONAL – Grant Plan Section 43.6 Release. By checking the box below, you elect to GRANT the releases contained in Section 43.6 of the Plan as they relate to the release parties set forth in Section 43.6 of the Plan, as described in further detail below. Election to grant the release is at your option. **Please be advised that if you elect NOT to grant the releases, you WILL NOT be entitled to a distribution under the Plan unless your Claim is allowed as set forth below and under the Plan.** If you submit your Ballot without this box checked, you will be deemed to have not granted the release. However, be advised that the Debtors, at the Confirmation Hearing, intend to seek enforcement of the releases, injunction, and exculpation contained in Sections 43.6, 43.7, and 43.8 of the Plan as to all parties regardless of whether you elect here to grant the release.

- Check the box:
- Grant Plan Section 43.6 release

By checking the box above: (i) your WMB Senior Notes Claim shall be deemed an Allowed WMB Senior Notes Claim; (ii) the Debtors, the Liquidating Trustee, and all other parties in interest shall be deemed to have waived and released any and all objections, defenses, rights to setoff or recoupment, and rights to subordinate or recharacterize with respect to such Allowed WMB Senior Notes Claim; and (iii) you shall consent to provide on your behalf and with respect to your Allowed WMB Senior Notes Claim the releases provided in Section 43.6 of the Plan, including, without limitation, a release of the Debtors, the Reorganized Debtors, and the Liquidating Trustee from all direct and derivative claims arising from or related to your Allowed WMB Senior Notes Claim, as well as any misrepresentation or other similar claim for damages arising from the purchase or sale of your Allowed WMB Senior Notes Claim (including, without limitation, any Section 510(b) Subordinated WMB Notes Claims that you may have); provided, however, that the foregoing is not intended, nor shall it be construed, to release (i) the Debtors from their obligations pursuant to the Plan and (ii) the FDIC Receiver or the Receivership with respect to distributions to be made from the Receivership on account of WMB Senior Notes.

In the event you do not check the box above, the Debtors, the Liquidating Trustee, and all parties in interest shall reserve and maintain all of their respective rights to dispute your WMB Senior Notes Claim, including, without limitation, on the basis that the Debtors have no liability with respect thereto, the Claim is subject to other defenses, setoff, or recoupment, and/or the Claim is subject to equitable or mandatory subordination pursuant to section 510 of the Bankruptcy Code; provided, however, that, to the extent that your WMB Senior Notes Claim eventually is determined pursuant to a Final Order of the Bankruptcy Court to be an Allowed WMB Senior Notes Claim and you receive a distribution under the Plan, you shall be deemed to have consented to the releases provided in Section 43.6 of the Plan, including, without limitation, a release of the Debtors, the Reorganized Debtors, the Liquidating Trustee, and each of their respective Related Persons from any and all direct and derivative claims arising from or related to your Allowed WMB Senior Notes Claim, as well as any misrepresentation or other similar claim for damages arising from the purchase or sale of your Allowed WMB Senior Notes Claim (including, without limitation, any Section 510(b) Subordinated WMB Notes Claims that you may have). The FDIC Receiver acknowledges that amounts distributed to the holders of Allowed WMB Senior Notes Claims under the Plan shall not be credited against or otherwise reduce their claims against the Receivership; provided further that no holder of a WMB Senior Note shall be entitled to receive more from the Receivership than the amount owed under such WMB Senior Note.

² Please note that for purposes of voting and distribution, the amount of your claim, if allowed, shall be the face amount of WMB Senior Notes that you hold as of October 18, 2010, as well as interest accrued on such notes through September 26, 2008. The Debtors shall calculate this accrued interest portion of each claim prior to tabulation and distribution.

ITEM 4. Important Tax Information Required – Potential Withholding. Distributions to holders of Claims by the Debtors or the Liquidating Trustee, and any subsequent amounts received by the Liquidating Trust allocable to a holder, are subject to any applicable tax withholding.

Under U.S. federal income tax law, interest and other reportable payments may, under certain circumstances, be subject to “backup withholding” at the then applicable backup withholding rate (currently 28%). Backup withholding generally applies if the holder (a) fails to furnish its social security number or other taxpayer identification number (“*TIN*”), (b) furnishes an incorrect *TIN*, (c) fails properly to report interest or dividends, or (d) under certain circumstances, fails to provide a certified statement, signed under penalty of perjury, that the *TIN* provided is its correct number and that it is a United States person that is not subject to backup withholding. Backup withholding is not an additional tax but merely an advance payment, which may be refunded to the extent it results in an overpayment of tax and the appropriate information is supplied to the IRS. Certain persons are exempt from backup withholding, including, in certain circumstances, corporations and financial institutions.

In addition, in the case of any Liquidating Trust Beneficiaries that are *not* U.S. persons, the Liquidating Trustee may be required to withhold up to 30% of the income or proceeds allocable to such persons, depending on the circumstances (including whether the type of income is subject to a lower treaty rate). Such withholding is not dependent on the Liquidating Trust distributing any cash or other proceeds.

To avoid unnecessary withholding, **each U.S. holder is required to properly complete and return the Substitute Form W-9 included at the end of this Ballot**, certifying that such holder is a U.S. person, that the *TIN* provided is correct, and that such holder is not subject to backup withholding, as per its instructions. Exempt persons should indicate their exempt status on the Substitute Form W-9 as per its instructions. **Each non-U.S. holder is required to complete and return the applicable IRS Form W-8 (W-8BEN, W-8ECI or W-8IMY, as applicable)**, signed under penalties of perjury, certifying the holder’s foreign status. These forms may be obtained from the IRS website (<http://www.irs.gov>). Holders should consult their tax advisors as to any qualification for exemption from backup withholding, or a lower rate of U.S. withholding under an applicable treaty or exemption, and the procedure for obtaining such exemption.

ITEM 5. Acknowledgements and Certification. By signing this Ballot, the undersigned acknowledges that the undersigned has been provided with a copy of the Disclosure Statement, including all exhibits thereto. The undersigned certifies that (i) it is the holder of the WMB Senior Notes Claim identified in Item 1 above as of March 31, 2009 and (ii) it has full power and authority to vote to accept or reject the Plan. The undersigned further acknowledges that the Debtors’ solicitation of votes is subject to all terms and conditions set forth in the Disclosure Statement and the order of the Bankruptcy Court approving the Disclosure Statement and the procedures for the solicitation of votes to accept or reject the Plan contained therein. The undersigned further acknowledges that by voting to accept the Plan, any holder of a Claim against the Debtors is affirmatively agreeing to the various release and exculpation provisions of the Plan, which appear principally in Article 43 of the Plan and provide as follows:

“43.6 **Releases by Holders of Claims and Equity Interests.** Except as otherwise expressly provided in the Plan, the Confirmation Order, or the Global Settlement Agreement, and except with respect to holders of WMB Senior Notes Claims and Non-Filing WMB Senior Note Holders who do not check the box labeled “Grant Plan Section 43.6 Release”, on the Effective Date, for good and valuable consideration, each Entity that has held, currently holds or may hold a Released Claim or any Equity Interest that is terminated, and each of its respective Related Persons, on their own behalf and on behalf of anyone claiming through them, on their behalf, or for their benefit, shall be deemed to have and hereby does irrevocably and unconditionally, fully, finally and forever waive, release, acquit and discharge each and all of the Released Parties from any and all Released Claims in connection with or related to any of the Debtors, the Reorganized Debtors, the Affiliated Banks, or their respective subsidiaries, assets, liabilities, operations, property or estates, the Chapter 11 Cases or the Plan or the Disclosure Statement, the assets to be received by JPMC pursuant to the Global Settlement Agreement, the Plan Contribution Assets, the Debtors’ Claims, the JPMC Claims, the FDIC Claim, the Purchase and Assumption Agreement, the WMI/WMB Intercompany Claims, any intercompany claims on the books of WMI or WMB related to the WaMu Pension Plan or the Lakeview Plan, claims related in any way to the Trust Preferred Securities (including, without limitation, the creation of the Trust Preferred Securities, the financing associated therewith, the requested assignment of the Trust Preferred Securities by the Office of Thrift Supervision and the transfer and the asserted assignment of the Trust Preferred Securities subsequent thereto), and/or any claim, act, fact, transaction, occurrence, statement, or omission in connection with or alleged in the Actions or in the Texas Litigation, or that could have been alleged in respect of the foregoing or other similar proceeding, including, without limitation, any such claim demand, right, liability, or cause of action for indemnification, contribution or any other basis in law or equity for damages, costs or fees incurred by the releasors herein arising directly or indirectly from or otherwise relating thereto; provided, however, that each Entity that has submitted a Ballot may elect, by checking or not checking, as applicable, the appropriate box on its Ballot, not to grant the releases set forth in Section 43.6 of the Plan with respect to those Released Parties other than (i) the Debtors, (ii) the Reorganized Debtors, (iii) the Trustees, and (iv) the

Creditors' Committee and its members in such capacity and for their actions as members, their respective Related Persons, and their respective predecessors, successors and assigns (whether by operation of law or otherwise), in which case, such Entity that so elects to not grant the releases will not receive a distribution hereunder; and provided, further, that, because the Plan and the Global Settlement Agreement, and the financial contributions contained therein, are conditioned upon the aforementioned releases, and, as such, these releases are essential for the successful reorganization of the Debtors, pursuant to the Confirmation Order, those Entities that opt out of the releases provided hereunder shall be bound and shall receive the distributions they otherwise would be entitled to receive pursuant to the Plan; and provided, further, that nothing contained in the Plan or the Confirmation Order shall (a) release, or is intended to release, any non-Debtor, including any non-Debtor Entity that may be a Released Party or a Related Person, in connection with any legal action or claim brought by the United States Securities and Exchange Commission or (b) prejudice the rights of any such non-Debtor Entity to defend or otherwise contest any such legal action or claim; and provided, further, that nothing contained in the Plan or the Confirmation Order shall (a) to the extent that (i) the Pension Plans are terminated from and after the Effective Date and (ii) the Pension Plans are underfunded as of the Effective Date, release, or is intended to release, any non-Debtor, including any non-Debtor Entity that may be a Released Party or a Related Person, from any liability as a fiduciary of the Pension Plans, under any law, government policy or regulatory provision, (b) enjoin or preclude the Pension Benefit Guaranty Corporation from enforcing such liability against such non-Debtor Entity during the applicable statute of limitations period set forth in 29 U.S.C. § 1303 following any such termination, or (c) prejudice the rights of any such non-Debtor Entity to defend or otherwise contest any such legal action or claim; and provided, further, that nothing in the Plan or the Confirmation Order is intended to, nor shall it, release any non-Debtor or non-Debtor Entity that may be a Released Party or a Related Person, in connection with any legal action or claim brought by CDTSC or the BKK Group relating to the BKK Site that is the subject of the BKK Litigation. In addition to, and not in any way limiting the foregoing, each holder of an Allowed WMB Senior Notes Claim and each Accepting Non-Filing WMB Senior Notes Holder shall be deemed to have released the Debtors, the Reorganized Debtors, the Liquidating Trustee, and each of their respective Related Persons from any and all direct and derivative claims arising from or related to such holder's WMB Senior Notes, as well as any misrepresentation or other similar claim for damages arising from the purchase or sale of such holder's WMB Senior Notes (including, without limitation, any Section 510(b) Subordinated WMB Notes Claims that such holder may have).

Several creditors and parties in interest have opposed the breadth and scope of the Plan's proposed releases and contend that they are not in accordance with applicable law.

“43.7 Injunction Related to Releases. **GUIDELINES FOR CERTIFICATION OF TAXPAYER
IDENTIFICATION NUMBER ON SUBSTITUTE FORM W-9**

Guidelines for Determining the Proper Identification Number to Give the Payer—Social Security numbers have nine digits separated by two hyphens: i.e., 000-00-0000. Employer identification numbers have nine digits separated by only one hyphen: i.e., 00-0000000. The table below will help determine the number to give the payer.

| For this type of account | Give the SOCIAL SECURITY number of: | For this type of account | Give the EMPLOYER IDENTIFICATION number of: |
|---|---|--|--|
| 1. An individual | The individual | 6. Sole proprietorship or disregarded entity not owned by an individual | The owner |
| 2. Two or more individuals (joint account) | The actual owner of the account or, if combined funds, the first individual on the account(1) | 7. A valid trust, estate, or pension trust | The legal entity(4) |
| 3. Custodian account of a minor (Uniform Gift to Minors Act) | The minor(2) | 8. Corporate or LLC electing corporate status on Form 8832 | The corporation |
| 4. a. The usual revocable savings trust (grantor is also trustee) | The grantor-trustee(1) | 9. Association, club, religious, charitable, educational or other tax exempt organization | The organization |
| b. So-called trust account that is not a legal or valid trust under state law | The actual owner(1) | 10. Partnership or multimember LLC | The partnership |
| 5. Sole proprietorship or disregarded entity owned by an individual | The owner(3) | 11. A broker or registered nominee | The broker or nominee |
| | | 12. Account with the Department of Agriculture in the name of a public entity (such as a state or local government, school district or prison) that receives agricultural program payments | The public entity |

- (1) List first and circle the name of the person whose number you furnish. If only one person on a joint account has a social security number, that person's number must be furnished.
- (2) Circle the minor's name and furnish the minor's social security number.
- (3) If you are an individual, you must show your individual name and you may also enter your business or "DBA" name on the second line. You may use either your social security number or employer identification number (if you have one), but the IRS encourages you to use your social security number.
- (4) List first and circle the name of the trust, estate or pension trust. (Do not furnish the identifying number of the personal representative or trustee unless the legal entity itself is not designated in the account title.)

Note: If no name is circled when more than one name is listed, the number will be considered to be that of the first name listed.

How to Obtain a TIN

If you do not have a taxpayer identification number or you do not know your number, obtain Form SS-5, Application for a Social Security Number Card, at the local office of the Social Security Administration (or the website www.ssa.gov) and apply for a social security number, or obtain Form W-7, Application for IRS Individual Taxpayer Identification Number, or Form SS-4, Application for Employer Identification Number, at the local office of the Internal Revenue Service (“IRS”) (or the website www.irs.gov) and apply for an individual taxpayer identification number or employer identification number, as applicable.

CAUTION: A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.

Payees Exempt from Backup Withholding

Payees specifically exempted from backup withholding on all payments include the following:

16. An organization exempt from tax under section 501(a) of the Internal Revenue IRC of 1986, as amended (the “IRC”), an individual retirement plan, or a custodial account under section 403(b)(7) of the IRC if the account satisfies the requirements of section 401(f)(2) of the IRC.
17. The United States or any of its agencies or instrumentalities.
18. A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities.
19. A foreign government or any of its political subdivisions, agencies or instrumentalities.
20. An international organization or any of its agencies or instrumentalities.

Other payees that may be exempt from backup withholding include:

21. A corporation.
22. A foreign central bank of issue.
23. A dealer in securities or commodities required to register in the United States, the District of Columbia or a possession of the United States.
24. A futures commission merchant registered with the Commodity Futures Trading Commission.
25. A real estate investment trust.
26. An entity registered at all times during the tax year under the Investment Company Act of 1940, as amended.
27. A common trust fund operated by a bank under section 584(a) of the IRC.
28. A financial institution.
29. A middleman known in the investment community as a nominee or custodian.
30. A trust exempt from tax under section 664 of the IRC or described in section 4947 of the IRC.

Payments of dividends and patronage dividends not generally subject to backup withholding include the following:

- Payments to nonresident aliens subject to withholding under section 1441 of the IRC.
- Payments to partnerships not engaged in a trade or business in the United States and that have at least one non-resident alien partner.
- Payments of patronage dividends not paid in money.

- Payments made by certain foreign organizations.

The chart below shows two of the types of payments that may be exempt from backup withholding. The chart applies to the exempt recipients listed above, 1 through 15.

| IF the payment is for ... | THEN the payment is exempt for ... |
|--------------------------------|---|
| Interest and dividend payments | All exempt recipients except for 9 |
| Broker transactions | Exempt recipients 1 through 13; also, a person who regularly acts as a broker and who is registered under the Investment Advisers Act of 1940, as amended |

Exempt payees should file the Substitute Form W-9 to avoid possible erroneous backup withholding. ENTER YOUR NAME ON THE APPROPRIATE LINE AND CHECK THE APPROPRIATE BOX FOR YOUR STATUS, THEN CHECK THE “EXEMPT PAYEE” BOX, SIGN AND DATE THE FORM, AND RETURN IT TO THE PAYER. Foreign payees who are not subject to backup withholding should complete the appropriate IRS Form W-8 and return it to the payer.

Privacy Act Notice

Section 6109 of the IRC requires most recipients of dividend, interest or other payments to give their correct taxpayer identification numbers to payers who must report the payments to the IRS. The IRS uses the numbers for identification purposes and to help verify the accuracy of tax returns. It may also provide this information to the Department of Justice for civil and criminal litigation, and to cities, states, the District of Columbia and U.S. possessions to carry out their tax laws. It may also disclose this information to other countries under a tax treaty, to federal and state agencies to enforce federal nontax criminal laws, and to federal law enforcement and intelligence agencies to combat terrorism.

Payees must provide payers with their taxpayer identification numbers whether or not they are required to file tax returns. Payers must generally withhold 28% of taxable interest, dividend and certain other payments to a payee who does not furnish a taxpayer identification number to a payer. Certain penalties may also apply.

Penalties

5. **Penalty for Failure to Furnish Taxpayer Identification Number** — If you fail to furnish your correct taxpayer identification number to a payer, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.
6. **Civil Penalty for False Information With Respect to Withholding** — If you make a false statement with no reasonable basis which results in no imposition of backup withholding, you are subject to a penalty of \$500.
7. **Criminal Penalty for Falsifying Information** — Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.
8. **Misuse of TINs** — If the requestor discloses or uses TINs in violation of federal law, the requestor may be subject to civil and criminal penalties.

\$ _____

ITEM 2. Vote on the Plan. The undersigned holder of the Subordinated Claim in the amount identified in Item 1 above hereby votes to:

- Check one box: Accept the Plan
 Reject the Plan

ITEM 3. OPTIONAL – Opt-In Election. By checking the box below, you elect to GRANT the releases contained in Section 43.6 of the Plan as they relate to the release parties set forth in Section 43.6 of the Plan, as described in further detail below. Election to grant the release is at your option. **Please be advised that if you elect NOT to grant the releases, you WILL NOT be entitled to a distribution under the Plan unless your Claim is allowed under the Plan.** If you submit your Ballot without this box checked, you will be deemed to have not granted the release. However, be advised that the Debtors, at the Confirmation Hearing, intend to seek enforcement of the releases, injunction, and exculpation contained in Sections 43.6, 43.7, and 43.8 of the Plan as to all parties regardless of whether you elect here to grant the release.

- Check the box: Elect to Opt In

ITEM 4. Important Tax Information Required – Potential Withholding. Distributions to holders of Claims by the Debtors or the Liquidating Trustee, and any subsequent amounts received by the Liquidating Trust allocable to a holder, are subject to any applicable tax withholding.

Under U.S. federal income tax law, interest and other reportable payments may, under certain circumstances, be subject to “backup withholding” at the then applicable backup withholding rate (currently 28%). Backup withholding generally applies if the holder (a) fails to furnish its social security number or other taxpayer identification number (“*TIN*”), (b) furnishes an incorrect TIN, (c) fails properly to report interest or dividends, or (d) under certain circumstances, fails to provide a certified statement, signed under penalty of perjury, that the TIN provided is its correct number and that it is a United States person that is not subject to backup withholding. Backup withholding is not an additional tax but merely an advance payment, which may be refunded to the extent it results in an overpayment of tax and the appropriate information is supplied to the IRS. Certain persons are exempt from backup withholding, including, in certain circumstances, corporations and financial institutions.

In addition, in the case of any Liquidating Trust Beneficiaries that are *not* U.S. persons, the Liquidating Trustee may be required to withhold up to 30% of the income or proceeds allocable to such persons, depending on the circumstances (including whether the type of income is subject to a lower treaty rate). Such withholding is not dependent on the Liquidating Trust distributing any cash or other proceeds.

To avoid unnecessary withholding, **each U.S. holder is required to properly complete and return the Substitute Form W-9 included at the end of this Ballot**, certifying that such holder is a U.S. person, that the TIN provided is correct, and that such holder is not subject to backup withholding, as per its instructions. Exempt persons should indicate their exempt status on the Substitute Form W-9 as per its instructions. **Each non-U.S. holder is required to complete and return the applicable IRS Form W-8** (W-8BEN, W-8ECI or W-8IMY, as applicable), signed under penalties of perjury, certifying the holder’s foreign status. These forms may be obtained from the IRS website (<http://www.irs.gov>). Holders should consult their tax advisors as to any qualification for exemption from backup withholding, or a lower rate of U.S. withholding under an applicable treaty or exemption, and the procedure for obtaining such exemption.

ITEM 5. Acknowledgements and Certification. By signing this Ballot, the undersigned acknowledges that the undersigned has been provided with a copy of the Disclosure Statement, including all exhibits thereto. The undersigned certifies that (i) it is the holder of the Subordinated Claim identified in Item 1 above as of October 18, 2010 and (ii) it has full power and authority to vote to accept or reject the Plan. The undersigned further acknowledges that the Debtors’ solicitation of votes is subject to all terms and conditions set forth in the Disclosure Statement and the order of the Bankruptcy Court approving the Disclosure Statement and the procedures for the solicitation of votes to accept or reject the Plan contained therein. The undersigned further acknowledges that by voting to accept the Plan, any holder of a Claim against the Debtors is affirmatively agreeing to the various release and exculpation provisions of the Plan, which appear principally in Article 43 of the Plan and provide as follows:

“43.6 Releases by Holders of Claims and Equity Interests. Except as otherwise expressly provided in the Plan, the Confirmation Order, or the Global Settlement Agreement, and except with respect to holders of WMB Senior Notes Claims and Non-Filing WMB Senior Note Holders who do not check the box labeled “Grant Plan Section 43.6 Release”, on the Effective Date, for good and valuable consideration, each Entity that has held, currently holds or may hold a Released Claim or any Equity Interest that is terminated, and each of its respective Related Persons, on their own behalf and on behalf of anyone claiming through them, on their behalf, or for their benefit, shall be deemed to have and hereby does irrevocably and unconditionally, fully, finally and forever waive, release, acquit and discharge each and all of the Released Parties from any and all Released Claims in connection with or related to any of the Debtors, the Reorganized Debtors, the Affiliated Banks, or their respective subsidiaries, assets, liabilities, operations, property or estates, the Chapter 11 Cases or the Plan or the Disclosure Statement, the assets to be received by JPMC pursuant to the Global Settlement Agreement, the Plan Contribution Assets, the Debtors’ Claims, the JPMC Claims, the FDIC Claim, the Purchase and Assumption Agreement, the WMI/WMB Intercompany Claims, any intercompany claims on the books of WMI or WMB related to the WaMu Pension Plan or the Lakeview Plan, claims related in any way to the Trust Preferred Securities (including, without limitation, the creation of the Trust Preferred Securities, the financing associated therewith, the requested assignment of the Trust Preferred Securities by the Office of Thrift Supervision and the transfer and the asserted assignment of the Trust Preferred Securities subsequent thereto), and/or any claim, act, fact, transaction, occurrence, statement, or omission in connection with or alleged in the Actions or in the Texas Litigation, or that could have been alleged in respect of the foregoing or other similar proceeding, including, without limitation, any such claim demand, right, liability, or cause of action for indemnification, contribution or any other basis in law or equity for damages, costs or fees incurred by the releasors herein arising directly or indirectly from or otherwise relating thereto; provided, however, that each Entity that has submitted a Ballot may elect, by checking or not checking, as applicable, the appropriate box on its Ballot, not to grant the releases set forth in Section 43.6 of the Plan with respect to those Released Parties other than (i) the Debtors, (ii) the Reorganized Debtors, (iii) the Trustees, and (iv) the Creditors’ Committee and its members in such capacity and for their actions as members, their respective Related Persons, and their respective predecessors, successors and assigns (whether by operation of law or otherwise), in which case, such Entity that so elects to not grant the releases will not receive a distribution hereunder; and provided, further, that, because the Plan and the Global Settlement Agreement, and the financial contributions contained therein, are conditioned upon the aforementioned releases, and, as such, these releases are essential for the successful reorganization of the Debtors, pursuant to the Confirmation Order, those Entities that opt out of the releases provided hereunder shall be bound and shall receive the distributions they otherwise would be entitled to receive pursuant to the Plan; and provided, further, that nothing contained in the Plan or the Confirmation Order shall (a) release, or is intended to release, any non-Debtor, including any non-Debtor Entity that may be a Released Party or a Related Person, in connection with any legal action or claim brought by the United States Securities and Exchange Commission or (b) prejudice the rights of any such non-Debtor Entity to defend or otherwise contest any such legal action or claim; and provided, further, that nothing contained in the Plan or the Confirmation Order shall (a) to the extent that (i) the Pension Plans are terminated from and after the Effective Date and (ii) the Pension Plans are underfunded as of the Effective Date, release, or is intended to release, any non-Debtor, including any non-Debtor Entity that may be a Released Party or a Related Person, from any liability as a fiduciary of the Pension Plans, under any law, government policy or regulatory provision, (b) enjoin or preclude the Pension Benefit Guaranty Corporation from enforcing such liability against such non-Debtor Entity during the applicable statute of limitations period set forth in 29 U.S.C. § 1303 following any such termination, or (c) prejudice the rights of any such non-Debtor Entity to defend or otherwise contest any such legal action or claim; and provided, further, that nothing in the Plan or the Confirmation Order is intended to, nor shall it, release any non-Debtor or non-Debtor Entity that may be a Released Party or a Related Person, in connection with any legal action or claim brought by CDTSC or the BKK Group relating to the BKK Site that is the subject of the BKK Litigation. In addition to, and not in any way limiting the foregoing, each holder of an Allowed WMB Senior Notes Claim and each Accepting Non-Filing WMB Senior Notes Holder shall be deemed to have released the Debtors, the Reorganized Debtors, the Liquidating Trustee, and each of their respective Related Persons from any and all direct and derivative claims arising from or related to such holder’s WMB Senior Notes, as well as any misrepresentation or other similar claim for damages arising from the purchase or sale of such holder’s WMB Senior Notes (including, without limitation, any Section 510(b) Subordinated WMB Notes Claims that such holder may have).

**GUIDELINES FOR CERTIFICATION OF TAXPAYER
IDENTIFICATION NUMBER ON SUBSTITUTE FORM W-9**

Guidelines for Determining the Proper Identification Number to Give the Payer—Social Security numbers have nine digits separated by two hyphens: i.e., 000-00-0000. Employer identification numbers have nine digits separated by only one hyphen: i.e., 00-0000000. The table below will help determine the number to give the payer.

| For this type of account | Give the SOCIAL SECURITY number of: | For this type of account | Give the EMPLOYER IDENTIFICATION number of: |
|---|---|--|--|
| 1. An individual | The individual | 6. Sole proprietorship or disregarded entity not owned by an individual | The owner |
| 2. Two or more individuals (joint account) | The actual owner of the account or, if combined funds, the first individual on the account(1) | 7. A valid trust, estate, or pension trust | The legal entity(4) |
| 3. Custodian account of a minor (Uniform Gift to Minors Act) | The minor(2) | 8. Corporate or LLC electing corporate status on Form 8832 | The corporation |
| 4. a. The usual revocable savings trust (grantor is also trustee) | The grantor-trustee(1) | 9. Association, club, religious, charitable, educational or other tax exempt organization | The organization |
| b. So-called trust account that is not a legal or valid trust under state law | The actual owner(1) | 10. Partnership or multimember LLC | The partnership |
| 5. Sole proprietorship or disregarded entity owned by an individual | The owner(3) | 11. A broker or registered nominee | The broker or nominee |
| | | 12. Account with the Department of Agriculture in the name of a public entity (such as a state or local government, school district or prison) that receives agricultural program payments | The public entity |

- (1) List first and circle the name of the person whose number you furnish. If only one person on a joint account has a social security number, that person's number must be furnished.
- (2) Circle the minor's name and furnish the minor's social security number.
- (3) If you are an individual, you must show your individual name and you may also enter your business or "DBA" name on the second line. You may use either your social security number or employer identification number (if you have one), but the IRS encourages you to use your social security number.
- (4) List first and circle the name of the trust, estate or pension trust. (Do not furnish the identifying number of the personal representative or trustee unless the legal entity itself is not designated in the account title.)

Note: If no name is circled when more than one name is listed, the number will be considered to be that of the first name listed.

How to Obtain a TIN

If you do not have a taxpayer identification number or you do not know your number, obtain Form SS-5, Application for a Social Security Number Card, at the local office of the Social Security Administration (or the website www.ssa.gov) and apply for a social security number, or obtain Form W-7, Application for IRS Individual Taxpayer Identification Number, or Form SS-4, Application for Employer Identification Number, at the local office of the Internal Revenue Service (“IRS”) (or the website www.irs.gov) and apply for an individual taxpayer identification number or employer identification number, as applicable.

CAUTION: A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.

Payees Exempt from Backup Withholding

Payees specifically exempted from backup withholding on all payments include the following:

1. An organization exempt from tax under section 501(a) of the Internal Revenue IRC of 1986, as amended (the “IRC”), an individual retirement plan, or a custodial account under section 403(b)(7) of the IRC if the account satisfies the requirements of section 401(f)(2) of the IRC.
2. The United States or any of its agencies or instrumentalities.
3. A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities.
4. A foreign government or any of its political subdivisions, agencies or instrumentalities.
5. An international organization or any of its agencies or instrumentalities.

Other payees that may be exempt from backup withholding include:

6. A corporation.
7. A foreign central bank of issue.
8. A dealer in securities or commodities required to register in the United States, the District of Columbia or a possession of the United States.
9. A futures commission merchant registered with the Commodity Futures Trading Commission.
10. A real estate investment trust.
11. An entity registered at all times during the tax year under the Investment Company Act of 1940, as amended.
12. A common trust fund operated by a bank under section 584(a) of the IRC.
13. A financial institution.
14. A middleman known in the investment community as a nominee or custodian.
15. A trust exempt from tax under section 664 of the IRC or described in section 4947 of the IRC.

Payments of dividends and patronage dividends not generally subject to backup withholding include the following:

- Payments to nonresident aliens subject to withholding under section 1441 of the IRC.
- Payments to partnerships not engaged in a trade or business in the United States and that have at least one non-resident alien partner.
- Payments of patronage dividends not paid in money.

- Payments made by certain foreign organizations.

The chart below shows two of the types of payments that may be exempt from backup withholding. The chart applies to the exempt recipients listed above, 1 through 15.

| IF the payment is for ... | THEN the payment is exempt for ... |
|--------------------------------|---|
| Interest and dividend payments | All exempt recipients except for 9 |
| Broker transactions | Exempt recipients 1 through 13; also, a person who regularly acts as a broker and who is registered under the Investment Advisers Act of 1940, as amended |

Exempt payees should file the Substitute Form W-9 to avoid possible erroneous backup withholding. ENTER YOUR NAME ON THE APPROPRIATE LINE AND CHECK THE APPROPRIATE BOX FOR YOUR STATUS, THEN CHECK THE “EXEMPT PAYEE” BOX, SIGN AND DATE THE FORM, AND RETURN IT TO THE PAYER. Foreign payees who are not subject to backup withholding should complete the appropriate IRS Form W-8 and return it to the payer.

Privacy Act Notice

Section 6109 of the IRC requires most recipients of dividend, interest or other payments to give their correct taxpayer identification numbers to payers who must report the payments to the IRS. The IRS uses the numbers for identification purposes and to help verify the accuracy of tax returns. It may also provide this information to the Department of Justice for civil and criminal litigation, and to cities, states, the District of Columbia and U.S. possessions to carry out their tax laws. It may also disclose this information to other countries under a tax treaty, to federal and state agencies to enforce federal nontax criminal laws, and to federal law enforcement and intelligence agencies to combat terrorism.

Payees must provide payers with their taxpayer identification numbers whether or not they are required to file tax returns. Payers must generally withhold 28% of taxable interest, dividend and certain other payments to a payee who does not furnish a taxpayer identification number to a payer. Certain penalties may also apply.

Penalties

1. **Penalty for Failure to Furnish Taxpayer Identification Number** — If you fail to furnish your correct taxpayer identification number to a payer, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.
2. **Civil Penalty for False Information With Respect to Withholding** — If you make a false statement with no reasonable basis which results in no imposition of backup withholding, you are subject to a penalty of \$500.
3. **Criminal Penalty for Falsifying Information** — Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.
4. **Misuse of TINs** — If the requestor discloses or uses TINs in violation of federal law, the requestor may be subject to civil and criminal penalties.

1. The Plan will be accepted by Class 2 if it is accepted by the holders of two-thirds in amount and more than one-half in number of Claims in Class 2 that actually vote on the Plan. In the event that Class 2 rejects the Plan, the Bankruptcy Court may nevertheless confirm the Plan and thereby make it binding on beneficial holders for which you are acting as Voting Nominee if the Bankruptcy Court finds that the Plan does not unfairly discriminate against, and accords fair and equitable treatment to, the holders of Claims in Class 2 and all other Classes of Claims or Equity Interests rejecting the Plan, and otherwise satisfies the requirements of section 1129(b) of the Bankruptcy Code. If the Plan is confirmed by the Bankruptcy Court, all holders of Claims against and Equity Interests in the Debtors (including those holders who abstain from voting or reject the Plan, and those holders who are not entitled to vote on the Plan) will be bound by the confirmed Plan and the transactions contemplated thereby, and may be bound to the releases contained therein.

If you are, as of October 18, 2010, the holder of a Senior Notes Claim, please use this Ballot to cast your vote to accept or reject the Plan. **THIS BALLOT IS ONLY FOR THE BENEFICIAL HOLDERS OF THE SENIOR NOTES CLAIMS.**

The United States Bankruptcy Court for the District of Delaware (the “**Bankruptcy Court**”) has approved the Disclosure Statement, which provides information to assist you in deciding how to vote on the Plan. Bankruptcy Court approval of the Disclosure Statement does not indicate approval of the Plan by the Bankruptcy Court. Please be advised that Kurtzman Carson Consultants LLC cannot provide legal advice.

Please note that the Debtors consented to, and the Bankruptcy Court directed, the appointment by the United States Trustee for the District of Delaware of Joshua R. You should review the Disclosure Statement and the Plan (including the Global Settlement Agreement) before you vote. You may wish to seek legal advice concerning the Plan and the classification and treatment of your claim or claims under the Plan.

All of your Senior Notes Claims against the Debtors have been placed in Class 2 under the Plan. If you hold claims in more than one class under the Plan, you will receive a Ballot for each class in which you are entitled to vote and must complete a separate Ballot for each such class of claims.

VOTING DEADLINE: 5:00 P.M. (Pacific Time) on November 15, 2010.

In order for your vote to be counted, the Master Ballot from your Nominee must be properly completed, signed, and returned so that it is actually received by the Voting Agent, Kurtzman Carson Consultants LLC, by no later than 5:00 p.m. (Pacific Time) on November 15, 2010, unless such time is extended by the Debtors. Please mail or deliver your Ballot to your Voting Nominee.

BALLOTS WILL NOT BE ACCEPTED BY TELECOPY, FACSIMILE, E-MAIL OR OTHER ELECTRONIC MEANS OF TRANSMISSION.

If the Master Ballot from your Nominee is not received by the Voting Agent on or before the Voting Deadline and such deadline is not extended by the Debtors, your vote will not count as either an acceptance or rejection of the Plan.

If the Plan is confirmed by the Bankruptcy Court, the Plan will be binding on you whether or not you vote.

Your receipt of this Ballot does not signify that your claim(s) has been or will be allowed.

IF YOU RECEIVED A RETURN ENVELOPE ADDRESSED TO YOUR BANK, BROKER, OR OTHER VOTING NOMINEE (EACH OF THE FOREGOING, A "VOTING NOMINEE"), YOU MUST RETURN THIS BALLOT TO SUCH VOTING NOMINEE AND NOT THE VOTING AGENT. PLEASE ALLOW SUFFICIENT TIME FOR YOUR VOTING NOMINEE TO PROCESS YOUR VOTE ON A MASTER BALLOT AND RETURN THE MASTER BALLOT TO THE VOTING AGENT BEFORE THE VOTING DEADLINE.

FOR HOLDERS OF CLASS 2 (SENIOR NOTES CLAIMS)**

1. This Ballot is submitted to you to solicit your vote to accept or reject the Plan. **PLEASE READ THE PLAN AND THE DISCLOSURE STATEMENT CAREFULLY BEFORE COMPLETING THIS BALLOT.**
2. The Plan will be accepted by Class 2 if it is accepted by the holders of two-thirds in amount and more than one-half in number of Claims in Class 2 that actually vote on the Plan. In the event that Class 2 rejects the Plan, the Bankruptcy Court may nevertheless confirm the Plan and thereby make it binding on you if the Bankruptcy Court finds that the Plan does not unfairly discriminate against, and accords fair and equitable treatment to, the holders of Claims in Class 2 and all other Classes of Claims or Equity Interests rejecting the Plan, and otherwise satisfies the requirements of section 1129(b) of the Bankruptcy Code. If the Plan is confirmed by the Bankruptcy Court, all holders of Claims against and Equity Interests in the Debtors (including those holders who abstain from voting or reject the Plan, and those holders who are not entitled to vote on the Plan) will be bound by the confirmed Plan and the transactions contemplated thereby, and may be bound to the releases contained therein.
3. **Complete, sign, and return this Ballot in the envelope provided.**

ITEM 4. OPTIONAL – Opt-Out Election. By checking the box below, you elect NOT to grant the releases contained in Section 43.6 of the Plan as they relate to the opt-out release parties set forth in Section 43.6 of the Plan. Election to withhold consent is at your option. **Please be advised that if you elect NOT to grant the releases, you WILL NOT be entitled to a distribution under the Plan.** If you submit your Ballot without this box checked, you will be deemed to consent to the release. However, be advised that the Debtors, at the Confirmation Hearing, intend to seek enforcement of the releases, injunction, and exculpation contained in Sections 43.6, 43.7, and 43.8 of the Plan as to all parties regardless of whether you elect to opt out.

- Check the box: Elect to opt out

In order to elect to opt out of granting the releases, the Nominee holding your Senior Notes must “tender” your notes into the appropriate election account established at The Depository Trust Company (“DTC”) for this purpose. Senior Notes may not be withdrawn from the election account after your Nominee has tendered them to the election account at DTC. Once the Senior Notes have been tendered, no further trading will be permitted in the Senior Notes held in the election account. If the Plan is not confirmed, DTC will, in accordance with its customary practices and procedures, return all Senior Notes held in the election account to the applicable Nominee for credit to the account of the applicable beneficial holder.

ITEM 5. OPTIONAL – Exchange Election.

Commencing on the Effective Date, and subject to (a) the right of election described in the Plan and (b) the provisions of Section 32.1(a) of the Plan with respect to a Retention/Sale Transaction, each holder of an Allowed Senior Notes Claim shall be entitled to receive on account of such holder’s Allowed Senior Notes Claim and Postpetition Interest Claim such holder’s *pro rata* share of (i) Creditor Cash and (ii) Liquidating Trust Interests, in an aggregate amount equal to (a) such holder’s Allowed Senior Notes Claim and (b) in the event that all Allowed Claims are paid in full, such holder’s Postpetition Interest Claim.

Notwithstanding the foregoing, the Plan provides that holders of Allowed Senior Notes Claims each shall be provided the right to elect, in their sole and absolute discretion, to receive Reorganized Common Stock (subject

to adjustment based upon the amount of Reorganized Common Stock elected by holders of Allowed General Unsecured Claims and subject to dilution on account of the Rights Offering), in lieu of some or all of the Creditor Cash or Cash on account of Liquidating Trust Interests, as the case may be, that such holder otherwise is entitled to receive pursuant to the Plan. If you would like to make such an election, complete the information below.

Check the box: Elect to receive Reorganized Common Stock in lieu of Creditor Cash

_____ % of such holder's *pro rata* share of Creditor Cash to be distributed as Reorganized Common Stock

Check the box: Elect to receive Reorganized Common Stock in lieu of Cash to be received on account of Liquidating Trust Interests

_____ % of such holder's *pro rata* share of Cash to be received on account of Liquidating Trust Interests to be distributed as Reorganized Common Stock

If the Plan and Confirmation Order provide that both (i) Reorganized Common Stock is subject to payover rights under the applicable contractual subordination provisions in the Indentures and Guarantee Agreements and (ii) such rights are exercisable individually per holder, please indicate below the percentage, if any, of such Reorganized Common Stock you would elect to receive

_____ % of such holder's *pro rata* share of remaining claim to be received on account of subordination and payover rights if held to be applicable and exercisable separately by each holder.

In order to make the Exchange Election, the Voting Nominee holding your Senior Notes must "tender" your notes into the appropriate election account established at The Depository Trust Company ("DTC") for this purpose. Senior Notes may not be withdrawn from the election account after your Nominee has tendered them to the election account at DTC. Once the Senior Notes have been tendered, no further trading will be permitted in the Senior Notes held in the election account. If the Plan is not confirmed, DTC will, in accordance with its customary practices and procedures, return all Senior Notes held in the election account to the applicable Nominee for credit to the account of the applicable beneficial holder.

NOTE: To the extent a holder receives Reorganized Common Stock, such holder's distribution of Creditor Cash or Cash to be received on account of Liquidating Trust Interests, as the case may be, shall be reduced on a dollar-for-dollar basis by the value of the Reorganized Common Stock so received (valued as of the Effective Date), so that the ultimate recovery percentage for each holder of an Allowed Senior Notes Claim is the same, regardless of whether a holder receives Reorganized Common Stock. **If all Allowed Senior Notes Claims and Postpetition Interest Claims on account of Allowed Senior Notes Claims are paid in full, in Cash on the Effective Date, then holders of Allowed Senior Notes Claims who elected to receive Reorganized Common Stock shall not receive such stock and their election rights shall automatically be deemed cancelled. To the extent that all Allowed Senior Notes Claims and/or Postpetition Interest Claims on account of Allowed Senior Notes Claims are not paid in full, in Cash on the Effective Date, then holders of Allowed Senior Notes Claims who elected to receive Reorganized Common Stock shall only be entitled to receive Reorganized Common Stock with an aggregate value equal to any unpaid portion of their Allowed Senior Notes Claims and Postpetition Interest Claims in accordance with the Subordination Model attached to the Plan as Exhibit "G".** Failure by any holder of an Allowed Senior Notes Claim to elect to exercise election rights on or before the Voting Deadline shall constitute a deemed waiver and relinquishment of such rights by such holder. Any election made after the Voting Deadline shall not be binding upon the Debtors unless the Voting Deadline is waived, in writing, by the Debtors; provided, however, that under no circumstance may such waiver by the Debtors occur on or after the Effective Date. Any holder electing to receive Reorganized Common Stock shall be subject to, and bound by a registration rights agreement, if any, a form of which will be filed with the Bankruptcy Court prior to the Voting Deadline if applicable.

NOTE: In the event that, as of the Effective Date, the Debtors have determined to enter into a Retention/Sale Transaction, all elections to receive Reorganized Common Stock **shall be deemed null and void and of no force or effect and no Reorganized Common Stock shall be issued pursuant to the Plan.**

Voting on the Plan or exercising an election shall not constitute or be deemed a waiver of any rights or remedies that any holder or Indenture Trustee may have with respect to subordination and subrogation rights arising under or with

respect to the Senior Notes, Senior Subordinated Notes, CCB Guarantees, PIERS Common Securities and PIERS Preferred Securities, all of which rights and remedies shall be controlled and governed by the Indentures and Guarantee Agreements providing for and relating to such subordination and subrogation rights and nothing in the Plan or any annex, attachment, schedule or exhibit to the Plan, shall amend, modify or impair such rights (or any remedies in respect thereof) in any manner or fashion; provided, however, that any disagreement with the priorities or distributions set forth in the Plan or in the Subordination Model shall be raised prior to, and decided at, the Confirmation Hearing, and all issues with respect to contractual subordination and subrogation not resolved at the Confirmation Hearing shall be governed pursuant to the Subordination Model or, if the decision of the Bankruptcy Court at the Confirmation Hearing differs from the Subordination Model, then all issues with respect to contractual subordination and subrogation shall be governed pursuant to such decision.

ITEM 6. Acknowledgements and Certification. By signing this Ballot, the undersigned acknowledges that the undersigned has been provided with a copy of the Disclosure Statement, including all exhibits thereto. The undersigned certifies that (i) it is the holder of the Senior Notes Claims identified in Item 1 above as of October 18, 2010 and (ii) it has full power and authority to vote to accept or reject the Plan. The undersigned further acknowledges that the Debtors' solicitation of votes is subject to all terms and conditions set forth in the Disclosure Statement and the order of the Bankruptcy Court approving the Disclosure Statement and the procedures for the solicitation of votes to accept or reject the Plan contained therein. The undersigned further acknowledges that by voting to accept the Plan, any holder of a Claim against the Debtors is affirmatively agreeing to the various release and exculpation provisions of the Plan, which appear principally in Article 43 of the Plan and provide as follows:

“43.6 Releases by Holders of Claims and Equity Interests. Except as otherwise expressly provided in the Plan, the Confirmation Order, or the Global Settlement Agreement, and except with respect to holders of WMB Senior Notes Claims and Non-Filing WMB Senior Note Holders who do not check the box labeled “Grant Plan Section 43.6 Release”, on the Effective Date, for good and valuable consideration, each Entity that has held, currently holds or may hold a Released Claim or any Equity Interest that is terminated, and each of its respective Related Persons, on their own behalf and on behalf of anyone claiming through them, on their behalf, or for their benefit, shall be deemed to have and hereby does irrevocably and unconditionally, fully, finally and forever waive, release, acquit and discharge each and all of the Released Parties from any and all Released Claims in connection with or related to any of the Debtors, the Reorganized Debtors, the Affiliated Banks, or their respective subsidiaries, assets, liabilities, operations, property or estates, the Chapter 11 Cases or the Plan or the Disclosure Statement, the assets to be received by JPMC pursuant to the Global Settlement Agreement, the Plan Contribution Assets, the Debtors' Claims, the JPMC Claims, the FDIC Claim, the Purchase and Assumption Agreement, the WMI/WMB Intercompany Claims, any intercompany claims on the books of WMI or WMB related to the WaMu Pension Plan or the Lakeview Plan, claims related in any way to the Trust Preferred Securities (including, without limitation, the creation of the Trust Preferred Securities, the financing associated therewith, the requested assignment of the Trust Preferred Securities by the Office of Thrift Supervision and the transfer and the asserted assignment of the Trust Preferred Securities subsequent thereto), and/or any claim, act, fact, transaction, occurrence, statement, or omission in connection with or alleged in the Actions or in the Texas Litigation, or that could have been alleged in respect of the foregoing or other similar proceeding, including, without limitation, any such claim demand, right, liability, or cause of action for indemnification, contribution or any other basis in law or equity for damages, costs or fees incurred by the releasors herein arising directly or indirectly from or otherwise relating thereto; provided, however, that each Entity that has submitted a Ballot may elect, by checking or not checking, as applicable, the appropriate box on its Ballot, not to grant the releases set forth in Section 43.6 of the Plan with respect to those Released Parties other than (i) the Debtors, (ii) the Reorganized Debtors, (iii) the Trustees, and (iv) the Creditors' Committee and its members in such capacity and for their actions as members, their respective Related Persons, and their respective predecessors, successors and assigns (whether by operation of law or otherwise), in which case, such Entity that so elects to not grant the releases will not receive a distribution hereunder; and provided, further, that, because the Plan and the Global Settlement Agreement, and the financial contributions contained therein, are conditioned upon the aforementioned releases, and, as such, these releases are essential for the successful reorganization of the Debtors, pursuant to the Confirmation Order, those Entities that opt out of the releases provided hereunder shall be bound and shall receive the distributions they otherwise would be entitled to receive pursuant to the Plan; and provided, further, that nothing contained in the Plan or the Confirmation Order shall (a) release, or is intended to release, any non-Debtor, including any non-Debtor Entity that may be a Released Party or a Related Person, in connection with any legal action or claim brought by the United States Securities and Exchange Commission or (b) prejudice the rights of any such non-Debtor Entity to defend or otherwise contest any such legal action or claim; and provided, further, that nothing contained in the Plan or the Confirmation Order shall (a) to the extent that (i) the Pension Plans are terminated from and after the Effective Date and (ii) the Pension Plans are underfunded as of the Effective Date, release, or is intended to release, any non-Debtor, including any non-Debtor Entity that may be a Released Party or a Related Person, from any liability as a fiduciary of the Pension Plans, under any law, government policy or regulatory provision, (b) enjoin or preclude the Pension Benefit Guaranty Corporation from enforcing such liability against such non-Debtor Entity during the applicable statute of limitations period set forth in 29 U.S.C. § 1303 following any such termination, or (c) prejudice the rights of any such non-Debtor Entity to defend or otherwise contest any such legal action or claim; and provided, further, that nothing in the Plan or the Confirmation Order is intended to, nor shall it, release any non-Debtor or non-Debtor Entity that may be a Released Party or a Related Person, in connection with any legal action or claim brought by CDTSC or the BKK Group relating to the BKK Site that is the subject of the BKK Litigation. In

addition to, and not in any way limiting the foregoing, each holder of an Allowed WMB Senior Notes Claim and each Accepting Non-Filing WMB Senior Notes Holder shall be deemed to have released the Debtors, the Reorganized Debtors, the Liquidating Trustee, and each of their respective Related Persons from any and all direct and derivative claims arising from or related to such holder's WMB Senior Notes, as well as any misrepresentation or other similar claim for damages arising from the purchase or sale of such holder's WMB Senior Notes (including, without limitation, any Section 510(b) Subordinated WMB Notes Claims that such holder may have).

Several creditors and parties in interest have opposed the breadth and scope of the Plan's proposed releases and contend that they are not in accordance with applicable law.

“43.7 Injunction Related to Releases. Except as provided in the Plan, the Confirmation Order, or the Global Settlement Agreement, as of the Effective Date, (i) all Entities that hold, have held, or may hold a Released Claim or Equity Interest relating to any of the Debtors or the Reorganized Debtors or any of their respective assets, property and estates, that is released pursuant to Section 43.6 of the Plan, (ii) all other parties in interest, and (iii) each of the Related Persons of each of the foregoing entities, are, and shall be, permanently, forever and completely stayed, restrained, prohibited, barred and enjoined from taking any of the following actions, whether directly or indirectly, derivatively or otherwise, on account of or based on the subject matter of such discharged Released Claims or such Equity Interests: (i) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding (including, without limitation, any judicial, arbitral, administrative or other proceeding) in any forum; (ii) enforcing, attaching (including, without limitation, any prejudgment attachment), collecting, or in any way seeking to recover any judgment, award, decree, or other order; (iii) creating, perfecting or in any way enforcing in any matter, directly or indirectly, any Lien; (iv) setting off, seeking reimbursement or contributions from, or subrogation against, or otherwise recouping in any manner, directly or indirectly, any amount against any liability or obligation owed to any Entity released under Section 43.6 hereof; and (v) commencing or continuing in any manner, in any place of any judicial, arbitration or administrative proceeding in any forum, that does not comply with or is inconsistent with the provisions of the Global Settlement Agreement, the Plan or the Confirmation Order.

“43.8 Exculpation. The Released Parties, members of the Plan Administration Committee and Plan Investment Committee of the WaMu Savings Plan, and each of their Related Persons shall not have or incur any liability to any Entity for any act taken or omitted to be taken in connection with the Chapter 11 Cases (including any actions taken by the Creditors' Committee after the Effective Date), the formulation, preparation, dissemination, implementation, confirmation or approval of the Plan or any compromises or settlements contained therein, the Disclosure Statement related thereto, the Global Settlement Agreement, or any contract, instrument, release or other agreement or document provided for or contemplated in connection with the consummation of the transactions set forth in the Plan and the Global Settlement Agreement; provided, however, that the foregoing provisions of this Section 43.8 shall not affect the liability of any Entity that otherwise would result from any such act or omission to the extent that such act or omission is determined in a Final Order to have constituted gross negligence or willful misconduct. Any of the foregoing parties in all respects shall be entitled to rely upon the advice of counsel with respect to their duties and responsibilities under the Plan.”

In the event that Class 3 rejects the Plan, the Bankruptcy Court may nevertheless confirm the Plan and thereby make it binding on beneficial holders for which you are acting as Voting Nominee if the Bankruptcy Court finds that the Plan does not unfairly discriminate against, and accords fair and equitable treatment to, the holders of Claims in Class 3 and all other Classes of Claims or Equity Interests rejecting the Plan, and otherwise satisfies the requirements of section 1129(b) of the Bankruptcy Code. If the Plan is confirmed by the Bankruptcy Court, all holders of Claims against and Equity Interests in the Debtors (including those holders who abstain from voting or reject the Plan, and those holders who are not entitled to vote on the Plan) will be bound by the confirmed Plan and the transactions contemplated thereby, and may be bound to the releases contained therein.

3. **HOW TO VOTE:**

If you are both the registered owner and the beneficial holder of any principal face amount of the Senior Subordinated Notes and you wish to vote any Senior Subordinated Notes Claims held by you as the beneficial holder thereof, you must complete, execute and return to the Voting Agent a Master Ballot in connection therewith.

If you are transmitting the votes of any beneficial holders of Senior Subordinated Notes Claims other than yourself, you must forward the Solicitation Package to such beneficial holders, together with (i) the Beneficial Holder Ballots for voting and (ii) a return envelope provided by and addressed to you, the Voting Nominee, with the beneficial holders then returning the individual Beneficial Holder Ballots to you, the Voting Nominee. In such case, you, the Voting Nominee, will tabulate the votes of your respective beneficial holders on a Master Ballot that will be provided to you, the Voting Nominee, separately by the Voting Agent, in accordance with any instructions set forth in the instructions to the Master Ballot, and then return the Master Ballot to the Voting Agent. You, the Voting Nominee, should advise the beneficial holders to return their individual Beneficial Holder Ballots to you by a date calculated by you to allow yourself sufficient time to prepare and return the Master

Ballot to the Voting Agent so that the Master Ballot is actually received by the Voting Agent by the Voting Deadline.

4. With respect to all Beneficial Holder Ballots returned to you, you must properly complete the Master Ballot, as follows:
 - a. Check the appropriate box in Item 1 on the Master Ballot;
 - b. Indicate the votes to accept or reject the Plan in Item 2 of the Master Ballot, as transmitted to you by the beneficial holders of the Senior Subordinated Notes Claims. To identify such beneficial holders without disclosing their names, please use the customer account number assigned by you to each such beneficial holder or, if no such customer account number exists, please assign a number to each account (making sure to retain a separate list of each beneficial holder and the assigned number). **IMPORTANT: EACH BENEFICIAL HOLDER MUST VOTE ALL OF HIS, HER, OR ITS SENIOR SUBORDINATED NOTES CLAIMS EITHER TO ACCEPT OR REJECT THE PLAN, AND MAY NOT SPLIT SUCH VOTE. IF ANY BENEFICIAL HOLDER HAS ATTEMPTED TO SPLIT SUCH VOTE, PLEASE CONTACT THE VOTING AGENT IMMEDIATELY;**
 - c. Please note that Item 3 of the Master Ballot requests that you transcribe the information provided by each beneficial holder in Item 3 of each completed Beneficial Holder Ballot relating to other Senior Subordinated Notes Claims voted;
 - d. Please note that Item 4 of the Master Ballot requests that you transcribe the information provided by each beneficial holder in Item 4 of each completed Beneficial Holder Ballot relating to the granting of certain releases, and that you tender the underlying Senior Subordinated Notes held by those beneficial holders electing to opt out of granting the releases to the appropriate account established at DTC for such purpose;
 - e. Please note that Item 5 of the Master Ballot requests that you transcribe the information provided by each beneficial holder in Item 5 of each completed Beneficial Holder Ballot relating to the Exchange Election, and that you tender the underlying Senior Subordinated Notes held by those beneficial holders making the Exchange Election to the appropriate account established at DTC for such purpose;
 - f. Review the certification in Item 6 of the Master Ballot;
 - g. Sign and date the Master Ballot, and provide the remaining information requested;
 - h. If additional space is required to respond to any item on the Master Ballot, please use additional sheets of paper clearly marked to indicate the applicable Item of the Master Ballot to which you are responding;
 - i. Contact the Voting Agent if you need any additional information; and
 - j. Deliver the completed, executed Master Ballot so as to be received by the Voting Agent before the Voting Deadline. For each completed, executed Beneficial Holder Ballot returned to you by a beneficial holder, either forward such Beneficial Holder Ballot (along with your Master Ballot) to the Voting Agent or retain such Beneficial Holder Ballot in your files for one year from the Voting Deadline.

ITEM 4. OPTIONAL – Opt-Out Election. By checking the box below, you elect NOT to grant the releases contained in Section 43.6 of the Plan as they relate to the opt-out release parties set forth in Section 43.6 of the Plan. Election to withhold consent is at your option. **Please be advised that if you elect NOT to grant the releases, you WILL NOT be entitled to a distribution under the Plan.** If you submit your Ballot without this box checked, you will be deemed to consent to the release. However, be advised that the Debtors, at the Confirmation Hearing, intend to seek enforcement of the releases, injunction, and exculpation contained in Sections 43.6, 43.7, and 43.8 of the Plan as to all parties regardless of whether you elect to opt out.

- Check the box: Elect to opt out

In order to elect to opt out of granting the releases, the Nominee holding your Senior Subordinated Notes must “tender” your notes into the appropriate election account established at The Depository Trust Company (“DTC”) for this purpose. Senior Subordinated Notes may not be withdrawn from the election account after your Nominee has tendered them to the election account at DTC. Once the Senior Subordinated Notes have been tendered, no further trading will be permitted in the Senior Subordinated Notes held in the election account. If the Plan is not confirmed, DTC will, in accordance with its customary practices and procedures, return all Senior Subordinated Notes held in the election account to the applicable Nominee for credit to the account of the applicable beneficial holder.

ITEM 5. OPTIONAL – Exchange Election.

Commencing on the Effective Date, and subject to (a) the right of election described in the Plan and (b) the provisions of Section 32.1(a) of the Plan with respect to a Retention/Sale Transaction, each holder of an Allowed Senior Subordinated Notes Claim shall be entitled to receive on account of such Allowed Senior Subordinated Notes Claim and Postpetition Interest Claim such holder’s *pro rata* share of (i) Creditor Cash and (ii) Liquidating Trust Interests, in an aggregate amount equal to (a) such holder’s Allowed Senior Subordinated Notes Claim and (b) in the

¹ Insert your name if the Senior Subordinated Notes are held by you in your own name or, if held in “street name,” insert the name of your broker or bank.

event that all Allowed Claims are paid in full, such holder's Postpetition Interest Claim.

Notwithstanding the foregoing, the Plan provides that holders of Allowed Senior Subordinated Notes Claims each shall be provided the right to elect, in their sole and absolute discretion, to receive Reorganized Common Stock (to the extent remaining after distribution to holders of Allowed Senior Notes Claims and Allowed General Unsecured Claims and subject to dilution on account of the Rights Offering), in lieu of some or all of the Creditor Cash or Cash on account of Liquidating Trust Interests, as the case may be, that such holder otherwise is entitled to receive pursuant to the Plan. If you would like to make such an election, complete the information below.

Check the box: Elect to receive Reorganized Common Stock in lieu of Creditor Cash

_____ % of such holder's *pro rata* share of Creditor Cash to be distributed as Reorganized Common Stock

Check the box: Elect to receive Reorganized Common Stock in lieu of Cash to be received on account of Liquidating Trust Interests

_____ % of such holder's *pro rata* share of Cash to be received on account of Liquidating Trust Interests to be distributed as Reorganized Common Stock

If the Plan and Confirmation Order provide that both (i) Reorganized Common Stock is subject to payover rights under the applicable contractual subordination provisions in the Indentures and Guarantee Agreements and (ii) such rights are exercisable individually per holder, please indicate below the percentage, if any, of such Reorganized Common Stock you would elect to receive

_____ % of such holder's *pro rata* share of remaining claim to be received on account of subordination and payover rights if held to be applicable and exercisable separately by each holder.

In order to make the Exchange Election, the Voting Nominee holding your Senior Subordinated Notes must "tender" your notes into the appropriate election account established at The Depository Trust Company ("DTC") for this purpose. Senior Subordinated Notes may not be withdrawn from the election account after your Nominee has tendered them to the election account at DTC. Once the Senior Subordinated Notes have been tendered, no further trading will be permitted in the Senior Subordinated Notes held in the election account. If the Plan is not confirmed, DTC will, in accordance with its customary practices and procedures, return all Senior Subordinated Notes held in the election account to the applicable Nominee for credit to the account of the applicable beneficial holder.

NOTE: To the extent a holder receives Reorganized Common Stock, such holder's distribution of Creditor Cash or Cash to be received on account of Liquidating Trust Interests, as the case may be, shall be reduced on a dollar-for-dollar basis by the value of the Reorganized Common Stock so received (valued as of the Effective Date), so that the ultimate recovery percentage for each holder of an Allowed Senior Subordinated Notes Claim is the same, regardless of whether a holder receives Reorganized Common Stock. Failure by any holder of an Allowed Senior Subordinated Notes Claim to elect to exercise election rights on or before the Voting Deadline shall constitute a deemed waiver and relinquishment of such rights by such holder. Any election made after the Voting Deadline shall not be binding upon the Debtors unless the Voting Deadline is waived, in writing, by the Debtors; provided, however, that under no circumstance may such waiver by the Debtors occur on or after the Effective Date. Any holder electing to receive Reorganized Common Stock shall be subject to, and bound by a registration rights agreement, if any, a form of which will be filed with the Bankruptcy Court prior to the Voting Deadline if applicable.

NOTE: In the event that, as of the Effective Date, the Debtors have determined to enter into a Retention/Sale Transaction, all elections to receive Reorganized Common Stock **shall be deemed null and void and of no force or effect and no Reorganized Common Stock shall be issued pursuant to the Plan.**

Voting on the Plan or exercising an election shall not constitute or be deemed a waiver of any rights or remedies that any holder or Indenture Trustee may have with respect to subordination and subrogation rights arising under or with respect to the Senior Notes, Senior Subordinated Notes, CCB Guarantees, PIERS Common Securities and PIERS Preferred Securities, all of which rights and remedies shall be controlled and governed by the Indentures and Guarantee Agreements providing for and relating to such subordination and subrogation rights and nothing in the Plan or any annex, attachment, schedule or exhibit to the Plan, shall amend, modify or impair such rights (or any

remedies in respect thereof) in any manner or fashion; provided, however, that any disagreement with the priorities or distributions set forth in the Plan or in the Subordination Model shall be raised prior to, and decided at, the Confirmation Hearing, and all issues with respect to contractual subordination and subrogation not resolved at the Confirmation Hearing shall be governed pursuant to the Subordination Model or, if the decision of the Bankruptcy Court at the Confirmation Hearing differs from the Subordination Model, then all issues with respect to contractual subordination and subrogation shall be governed pursuant to such decision.

The undersigned further acknowledges that the Debtors' solicitation of votes is subject to all terms and conditions set forth in the Disclosure Statement and the order of the Bankruptcy Court approving the Disclosure Statement and the procedures for the solicitation of votes to accept or reject the Plan contained therein. The undersigned further acknowledges that by voting to accept the Plan, any holder of a Claim against the Debtors is affirmatively agreeing to the various release and exculpation provisions of the Plan, which appear principally in Article 43 of the Plan and provide as follows:

“43.6 **Releases by Holders of Claims and Equity Interests.** Except as otherwise expressly provided in the Plan, the Confirmation Order, or the Global Settlement Agreement, and except with respect to holders of WMB Senior Notes Claims and Non-Filing WMB Senior Note Holders who do not check the box labeled “Grant Plan Section 43.6 Release”, on the Effective Date, for good and valuable consideration, each Entity that has held, currently holds or may hold a Released Claim or any Equity Interest that is terminated, and each of its respective Related Persons, on their own behalf and on behalf of anyone claiming through them, on their behalf, or for their benefit, shall be deemed to have and hereby does irrevocably and unconditionally, fully, finally and forever waive, release, acquit and discharge each and all of the Released Parties from any and all Released Claims in connection with or related to any of the Debtors, the Reorganized Debtors, the Affiliated Banks, or their respective subsidiaries, assets, liabilities, operations, property or estates, the Chapter 11 Cases or the Plan or the Disclosure Statement, the assets to be received by JPMC pursuant to the Global Settlement Agreement, the Plan Contribution Assets, the Debtors' Claims, the JPMC Claims, the FDIC Claim, the Purchase and Assumption Agreement, the WMI/WMB Intercompany Claims, any intercompany claims on the books of WMI or WMB related to the WaMu Pension Plan or the Lakeview Plan, claims related in any way to the Trust Preferred Securities (including, without limitation, the creation of the Trust Preferred Securities, the financing associated therewith, the requested assignment of the Trust Preferred Securities by the Office of Thrift Supervision and the transfer and the asserted assignment of the Trust Preferred Securities subsequent thereto), and/or any claim, act, fact, transaction, occurrence, statement, or omission in connection with or alleged in the Actions or in the Texas Litigation, or that could have been alleged in respect of the foregoing or other similar proceeding, including, without limitation, any such claim demand, right, liability, or cause of action for indemnification, contribution or any other basis in law or equity for damages, costs or fees incurred by the releasors herein arising directly or indirectly from or otherwise relating thereto; provided, however, that each Entity that has submitted a Ballot may elect, by checking or not checking, as applicable, the appropriate box on its Ballot, not to grant the releases set forth in Section 43.6 of the Plan with respect to those Released Parties other than (i) the Debtors, (ii) the Reorganized Debtors, (iii) the Trustees, and (iv) the Creditors' Committee and its members in such capacity and for their actions as members, their respective Related Persons, and their respective predecessors, successors and assigns (whether by operation of law or otherwise), in which case, such Entity that so elects to not grant the releases will not receive a distribution hereunder; and provided, further, that, because the Plan and the Global Settlement Agreement, and the financial contributions contained therein, are conditioned upon the aforementioned releases, and, as such, these releases are essential for the successful reorganization of the Debtors, pursuant to the Confirmation Order, those Entities that opt out of the releases provided hereunder shall be bound and shall receive the distributions they otherwise would be entitled to receive pursuant to the Plan; and provided, further, that nothing contained in the Plan or the Confirmation Order shall (a) release, or is intended to release, any non-Debtor, including any non-Debtor Entity that may be a Released Party or a Related Person, in connection with any legal action or claim brought by the United States Securities and Exchange Commission or (b) prejudice the rights of any such non-Debtor Entity to defend or otherwise contest any such legal action or claim; and provided, further, that nothing contained in the Plan or the Confirmation Order shall (a) to the extent that (i) the Pension Plans are terminated from and after the Effective Date and (ii) the Pension Plans are underfunded as of the Effective Date, release, or is intended to release, any non-Debtor, including any non-Debtor Entity that may be a Released Party or a Related Person, from any liability as a fiduciary of the Pension Plans, under any law, government policy or regulatory provision, (b) enjoin or preclude the Pension Benefit Guaranty Corporation from enforcing such liability against such non-Debtor Entity during the applicable statute of limitations period set forth in 29 U.S.C. § 1303 following any such termination, or (c) prejudice the rights of any such non-Debtor Entity to defend or otherwise contest any such legal action or claim; and provided, further, that nothing in the Plan or the Confirmation Order is intended to, nor shall it, release any non-Debtor or non-Debtor Entity that may be a Released Party or a Related Person, in connection with any legal action or claim brought by CDTSC or the BKK Group relating to the BKK Site that is the subject of the BKK Litigation. In addition to, and not in any way limiting the foregoing, each holder of an Allowed WMB Senior Notes Claim and each Accepting Non-Filing WMB Senior Notes Holder shall be deemed to have released the Debtors, the Reorganized Debtors, the Liquidating Trustee, and each of their respective Related Persons from any and all direct and derivative claims arising from or related to such holder's WMB Senior Notes, as well as any misrepresentation or other similar claim for damages arising from the purchase or sale of such holder's WMB Senior Notes (including, without limitation, any Section 510(b) Subordinated

WMB Notes Claims that such holder may have).

Several creditors and parties in interest have opposed the breadth and scope of the Plan's proposed releases and contend that they are not in accordance with applicable law.

“43.7 Injunction Related to Releases. Except as provided in the Plan, the Confirmation Order, or the Global Settlement Agreement, as of the Effective Date, (i) all Entities that hold, have held, or may hold a Released Claim or Equity Interest relating to any of the Debtors or the Reorganized Debtors or any of their respective assets, property and estates, that is released pursuant to Section 43.6 of the Plan, (ii) all other parties in interest, and (iii) each of the Related Persons of each of the foregoing entities, are, and shall be, permanently, forever and completely stayed, restrained, prohibited, barred and enjoined from taking any of the following actions, whether directly or indirectly, derivatively or otherwise, on account of or based on the subject matter of such discharged Released Claims or such Equity Interests: (i) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding (including, without limitation, any judicial, arbitral, administrative or other proceeding) in any forum; (ii) enforcing, attaching (including, without limitation, any prejudgment attachment), collecting, or in any way seeking to recover any judgment, award, decree, or other order; (iii) creating, perfecting or in any way enforcing in any matter, directly or indirectly, any Lien; (iv) setting off, seeking reimbursement or contributions from, or subrogation against, or otherwise recouping in any manner, directly or indirectly, any amount against any liability or obligation owed to any Entity released under Section 43.6 hereof; and (v) commencing or continuing in any manner, in any place of any judicial, arbitration or administrative proceeding in any forum, that does not comply with or is inconsistent with the provisions of the Global Settlement Agreement, the Plan or the Confirmation Order.

“43.8 Exculpation. The Released Parties, members of the Plan Administration Committee and Plan Investment Committee of the WaMu Savings Plan, and each of their Related Persons shall not have or incur any liability to any Entity for any act taken or omitted to be taken in connection with the Chapter 11 Cases (including any actions taken by the Creditors' Committee after the Effective Date), the formulation, preparation, dissemination, implementation, confirmation or approval of the Plan or any compromises or settlements contained therein, the Disclosure Statement related thereto, the Global Settlement Agreement, or any contract, instrument, release or other agreement or document provided for or contemplated in connection with the consummation of the transactions set forth in the Plan and the Global Settlement Agreement; provided, however, that the foregoing provisions of this Section 43.8 shall not affect the liability of any Entity that otherwise would result from any such act or omission to the extent that such act or omission is determined in a Final Order to have constituted gross negligence or willful misconduct. Any of the foregoing parties in all respects shall be entitled to rely upon the advice of counsel with respect to their duties and responsibilities under the Plan.”

1. The Plan will be accepted by Class ___ if it is accepted by the holders of two-thirds in amount and more than one-half in number of Claims in Class ___ that actually vote on the Plan. In the event that Class ___ rejects the Plan, the Bankruptcy Court may nevertheless confirm the Plan and thereby make it binding on beneficial holders for which you are acting as Voting Nominee if the Bankruptcy Court finds that the Plan does not unfairly discriminate against, and accords fair and equitable treatment to, the holders of Claims in Class ___ and all other Classes of Claims or Equity Interests rejecting the Plan, and otherwise satisfies the requirements of section 1129(b) of the Bankruptcy Code. If the Plan is confirmed by the Bankruptcy Court, all holders of Claims against and Equity Interests in the Debtors (including those holders who abstain from voting or reject the Plan, and those holders who are not entitled to vote on the Plan) will be bound by the confirmed Plan and the transactions contemplated thereby, and may be bound to the releases contained therein.

ITEM 4. OPTIONAL – Opt-Out Election. By checking the box below, you elect NOT to grant the releases contained in Section 43.6 of the Plan as they relate to the opt-out release parties set forth in Section 43.6 of the Plan. Election to withhold consent is at your option. **Please be advised that if you elect NOT to grant the releases, you WILL NOT be entitled to a distribution under the Plan.** If you submit your Ballot without this box checked, you will be deemed to consent to the release. However, be advised that the Debtors, at the Confirmation Hearing, intend to seek enforcement of the releases, injunction, and exculpation contained in Sections 43.6, 43.7, and 43.8 of the Plan as to all parties regardless of whether you elect to opt out.

- Check the box:
- Elect to opt out

In order to elect to opt out of granting the releases, the Nominee holding your underlying securities related to the CCB-[] Guarantees must “tender” your notes into the appropriate election account established at The Depository Trust Company (“DTC”) for this purpose. The underlying securities related to the CCB-[] Guarantees may not be withdrawn from the election account after your Nominee has tendered them to the election account at DTC. Once the underlying securities related to the CCB-[] Guarantees have been tendered, no further trading will be permitted in the underlying securities related to the CCB-[] Guarantees held in the election account. If the Plan is not confirmed, DTC will, in accordance with its customary practices and procedures, return all underlying securities related to the CCB-[] Guarantees held in the election account to the applicable Nominee for credit to the account of the applicable beneficial holder.

ITEM 5. OPTIONAL – Exchange Election.

Commencing on the Effective Date, and subject to (a) the right of election described in the Plan and (b) the provisions of Section 32.1(a) of the Plan with respect to a Retention/Sale Transaction, each holder of an Allowed CCB-[x] Guarantees Claim shall be entitled to receive on account of such Allowed CCB-[x] Guarantees Claim and Postpetition Interest Claim such holder’s *pro rata* share of (i) Creditor Cash, and (ii) Liquidating Trust Interests, in

¹ Insert your name if the underlying securities related to the CCB-[] Guarantees are held by you in your own name or, if held in “street name,” insert the name of your broker or bank.

an aggregate amount equal to (a) such holder's Allowed CCB-[x] Guarantees Claim and (b) in the event that all Allowed Claims are paid in full, such holder's Postpetition Interest Claim.

Notwithstanding the foregoing, the Plan provides that holders of Allowed CCB-[x] Guarantees Claims each shall be provided the right to elect, in their sole and absolute discretion, to receive Reorganized Common Stock (to the extent remaining after distribution to holders of Allowed Senior Notes Claims, Allowed General Unsecured Claims, and Allowed Senior Subordinated Notes Claims, subject to adjustment based upon the number of shares elected by holders of Allowed CCB-[y] Guarantees Claims, and subject to dilution on account of the Rights Offering), in lieu of some or all of the Creditor Cash or Cash on account of Liquidating Trust Interests, as the case may be, that such holder otherwise is entitled to receive pursuant to the Plan. If you would like to make such an election, complete the information below.

Check the box: Elect to receive Reorganized Common Stock in lieu of Creditor Cash
_____ % of such holder's *pro rata* share of Creditor Cash to be distributed as Reorganized
Common Stock

Check the box: Elect to receive Reorganized Common Stock in lieu of Cash to be received on
account of Liquidating Trust Interests
_____ % of such holder's *pro rata* share of Cash to be received on account of Liquidating Trust
Interests to be distributed as Reorganized Common Stock

If the Plan and Confirmation Order provide that both (i) Reorganized Common Stock is subject to payover rights under the applicable contractual subordination provisions in the Indentures and Guarantee Agreements and (ii) such rights are exercisable individually per holder, please indicate below the percentage, if any, of such Reorganized Common Stock you would elect to receive

_____ % of such holder's *pro rata* share of remaining claim to be received on account of
subordination and payover rights if held to be applicable and exercisable separately by each holder.

In order to make the Exchange Election, the Voting Nominee holding your underlying securities related to the CCB-[] Guarantees must "tender" your notes into the appropriate election account established at The Depository Trust Company ("DTC") for this purpose. The underlying securities related to the CCB-[] Guarantees may not be withdrawn from the election account after your Nominee has tendered them to the election account at DTC. Once the underlying securities related to the CCB-[] Guarantees have been tendered, no further trading will be permitted in the underlying securities related to the CCB-[] Guarantees held in the election account. If the Plan is not confirmed, DTC will, in accordance with its customary practices and procedures, return all underlying securities related to the CCB-[] Guarantees held in the election account to the applicable Nominee for credit to the account of the applicable beneficial holder.

NOTE: To the extent a holder receives Reorganized Common Stock, such holder's distribution of Creditor Cash or Cash to be received on account of Liquidating Trust Interests, as the case may be, shall be reduced on a dollar-for-dollar basis by the value of the Reorganized Common Stock so received (valued as of the Effective Date), so that the ultimate recovery percentage for each holder of an Allowed CCB-[x] Guarantees Claim is the same, regardless of whether a holder receives Reorganized Common Stock. Failure by any holder of an Allowed CCB-[x] Guarantees Claim to elect to exercise election rights on or before the Voting Deadline shall constitute a deemed waiver and relinquishment of such rights by such holder. Any election made after the Voting Deadline shall not be binding upon the Debtors unless the Voting Deadline is waived, in writing, by the Debtors; provided, however, that under no circumstance may such waiver by the Debtors occur on or after the Effective Date. Any holder electing to receive Reorganized Common Stock shall be subject to, and bound by a registration rights agreement, if any, a form of which will be filed with the Bankruptcy Court prior to the Voting Deadline if applicable.

NOTE: In the event that, as of the Effective Date, the Debtors have determined to enter into a Retention/Sale Transaction, all elections to receive Reorganized Common Stock **shall be deemed null and void and of no force or effect and no Reorganized Common Stock shall be issued pursuant to the Plan.**

Voting on the Plan or exercising an election shall not constitute or be deemed a waiver of any rights or remedies that any holder or Indenture Trustee may have with respect to subordination and subrogation rights arising under or with

respect to the Senior Notes, Senior Subordinated Notes, CCB Guarantees, PIERS Common Securities and PIERS Preferred Securities, all of which rights and remedies shall be controlled and governed by the Indentures and Guarantee Agreements providing for and relating to such subordination and subrogation rights and nothing in the Plan or any annex, attachment, schedule or exhibit to the Plan, shall amend, modify or impair such rights (or any remedies in respect thereof) in any manner or fashion; provided, however, that any disagreement with the priorities or distributions set forth in the Plan or in the Subordination Model shall be raised prior to, and decided at, the Confirmation Hearing, and all issues with respect to contractual subordination and subrogation not resolved at the Confirmation Hearing shall be governed pursuant to the Subordination Model or, if the decision of the Bankruptcy Court at the Confirmation Hearing differs from the Subordination Model, then all issues with respect to contractual subordination and subrogation shall be governed pursuant to such decision.

ITEM 6. Acknowledgements and Certification. By signing this Ballot, the undersigned acknowledges that the undersigned has been provided with a copy of the Disclosure Statement, including all exhibits thereto. The undersigned certifies that (i) it is the holder of the CCB-[] Guarantees Claims identified in Item 1 above as of October 18, 2010 and (ii) it has full power and authority to vote to accept or reject the Plan. The undersigned further acknowledges that the Debtors' solicitation of votes is subject to all terms and conditions set forth in the Disclosure Statement and the order of the Bankruptcy Court approving the Disclosure Statement and the procedures for the solicitation of votes to accept or reject the Plan contained therein. The undersigned further acknowledges that by voting to accept the Plan, any holder of a Claim against the Debtors is affirmatively agreeing to the various release and exculpation provisions of the Plan, which appear principally in Article 43 of the Plan and provide as follows:

“43.6 Releases by Holders of Claims and Equity Interests. Except as otherwise expressly provided in the Plan, the Confirmation Order, or the Global Settlement Agreement, and except with respect to holders of WMB Senior Notes Claims and Non-Filing WMB Senior Note Holders who do not check the box labeled “Grant Plan Section 43.6 Release”, on the Effective Date, for good and valuable consideration, each Entity that has held, currently holds or may hold a Released Claim or any Equity Interest that is terminated, and each of its respective Related Persons, on their own behalf and on behalf of anyone claiming through them, on their behalf, or for their benefit, shall be deemed to have and hereby does irrevocably and unconditionally, fully, finally and forever waive, release, acquit and discharge each and all of the Released Parties from any and all Released Claims in connection with or related to any of the Debtors, the Reorganized Debtors, the Affiliated Banks, or their respective subsidiaries, assets, liabilities, operations, property or estates, the Chapter 11 Cases or the Plan or the Disclosure Statement, the assets to be received by JPMC pursuant to the Global Settlement Agreement, the Plan Contribution Assets, the Debtors' Claims, the JPMC Claims, the FDIC Claim, the Purchase and Assumption Agreement, the WMI/WMB Intercompany Claims, any intercompany claims on the books of WMI or WMB related to the WaMu Pension Plan or the Lakeview Plan, claims related in any way to the Trust Preferred Securities (including, without limitation, the creation of the Trust Preferred Securities, the financing associated therewith, the requested assignment of the Trust Preferred Securities by the Office of Thrift Supervision and the transfer and the asserted assignment of the Trust Preferred Securities subsequent thereto), and/or any claim, act, fact, transaction, occurrence, statement, or omission in connection with or alleged in the Actions or in the Texas Litigation, or that could have been alleged in respect of the foregoing or other similar proceeding, including, without limitation, any such claim demand, right, liability, or cause of action for indemnification, contribution or any other basis in law or equity for damages, costs or fees incurred by the releasors herein arising directly or indirectly from or otherwise relating thereto; provided, however, that each Entity that has submitted a Ballot may elect, by checking or not checking, as applicable, the appropriate box on its Ballot, not to grant the releases set forth in Section 43.6 of the Plan with respect to those Released Parties other than (i) the Debtors, (ii) the Reorganized Debtors, (iii) the Trustees, and (iv) the Creditors' Committee and its members in such capacity and for their actions as members, their respective Related Persons, and their respective predecessors, successors and assigns (whether by operation of law or otherwise), in which case, such Entity that so elects to not grant the releases will not receive a distribution hereunder; and provided, further, that, because the Plan and the Global Settlement Agreement, and the financial contributions contained therein, are conditioned upon the aforementioned releases, and, as such, these releases are essential for the successful reorganization of the Debtors, pursuant to the Confirmation Order, those Entities that opt out of the releases provided hereunder shall be bound and shall receive the distributions they otherwise would be entitled to receive pursuant to the Plan; and provided, further, that nothing contained in the Plan or the Confirmation Order shall (a) release, or is intended to release, any non-Debtor, including any non-Debtor Entity that may be a Released Party or a Related Person, in connection with any legal action or claim brought by the United States Securities and Exchange Commission or (b) prejudice the rights of any such non-Debtor Entity to defend or otherwise contest any such legal action or claim; and provided, further, that nothing contained in the Plan or the Confirmation Order shall (a) to the extent that (i) the Pension Plans are terminated from and after the Effective Date and (ii) the Pension Plans are underfunded as of the Effective Date, release, or is intended to release, any non-Debtor, including any non-Debtor Entity that may be a Released Party or a Related Person, from any liability as a fiduciary of the Pension Plans, under any law, government policy or regulatory provision, (b) enjoin or preclude the Pension Benefit Guaranty Corporation from enforcing such liability against such non-Debtor Entity during the applicable statute of limitations period set forth in 29 U.S.C. § 1303 following any such termination, or (c) prejudice the rights of any such non-Debtor Entity to defend or otherwise contest any such legal action or claim; and provided, further, that nothing in the Plan or the Confirmation Order is intended to, nor shall it, release any non-Debtor or non-Debtor Entity that may be a Released Party or a Related Person, in connection with any legal action or claim brought by CDTSC or the BKK Group relating to the BKK Site that is the subject of the BKK Litigation. In

addition to, and not in any way limiting the foregoing, each holder of an Allowed WMB Senior Notes Claim and each Accepting Non-Filing WMB Senior Notes Holder shall be deemed to have released the Debtors, the Reorganized Debtors, the Liquidating Trustee, and each of their respective Related Persons from any and all direct and derivative claims arising from or related to such holder's WMB Senior Notes, as well as any misrepresentation or other similar claim for damages arising from the purchase or sale of such holder's WMB Senior Notes (including, without limitation, any Section 510(b) Subordinated WMB Notes Claims that such holder may have).

Several creditors and parties in interest have opposed the breadth and scope of the Plan's proposed releases and contend that they are not in accordance with applicable law.

“43.7 Injunction Related to Releases. Except as provided in the Plan, the Confirmation Order, or the Global Settlement Agreement, as of the Effective Date, (i) all Entities that hold, have held, or may hold a Released Claim or Equity Interest relating to any of the Debtors or the Reorganized Debtors or any of their respective assets, property and estates, that is released pursuant to Section 43.6 of the Plan, (ii) all other parties in interest, and (iii) each of the Related Persons of each of the foregoing entities, are, and shall be, permanently, forever and completely stayed, restrained, prohibited, barred and enjoined from taking any of the following actions, whether directly or indirectly, derivatively or otherwise, on account of or based on the subject matter of such discharged Released Claims or such Equity Interests: (i) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding (including, without limitation, any judicial, arbitral, administrative or other proceeding) in any forum; (ii) enforcing, attaching (including, without limitation, any prejudgment attachment), collecting, or in any way seeking to recover any judgment, award, decree, or other order; (iii) creating, perfecting or in any way enforcing in any matter, directly or indirectly, any Lien; (iv) setting off, seeking reimbursement or contributions from, or subrogation against, or otherwise recouping in any manner, directly or indirectly, any amount against any liability or obligation owed to any Entity released under Section 43.6 hereof; and (v) commencing or continuing in any manner, in any place of any judicial, arbitration or administrative proceeding in any forum, that does not comply with or is inconsistent with the provisions of the Global Settlement Agreement, the Plan or the Confirmation Order.

“43.8 Exculpation. The Released Parties, members of the Plan Administration Committee and Plan Investment Committee of the WaMu Savings Plan, and each of their Related Persons shall not have or incur any liability to any Entity for any act taken or omitted to be taken in connection with the Chapter 11 Cases (including any actions taken by the Creditors' Committee after the Effective Date), the formulation, preparation, dissemination, implementation, confirmation or approval of the Plan or any compromises or settlements contained therein, the Disclosure Statement related thereto, the Global Settlement Agreement, or any contract, instrument, release or other agreement or document provided for or contemplated in connection with the consummation of the transactions set forth in the Plan and the Global Settlement Agreement; provided, however, that the foregoing provisions of this Section 43.8 shall not affect the liability of any Entity that otherwise would result from any such act or omission to the extent that such act or omission is determined in a Final Order to have constituted gross negligence or willful misconduct. Any of the foregoing parties in all respects shall be entitled to rely upon the advice of counsel with respect to their duties and responsibilities under the Plan.”

If you are a holder of a PIERS Claim and did not receive a Subscription Form, please contact the Voting Agent.

The United States Bankruptcy Court for the District of Delaware (the “**Bankruptcy Court**”) has approved the Disclosure Statement, which provides information to assist you in deciding how to vote on the Plan. Bankruptcy Court approval of the Disclosure Statement does not indicate approval of the Plan by the Bankruptcy Court. IMPORTANT

You should review the Disclosure Statement and the Plan (including the Global Settlement Agreement) before you vote. You may wish to seek legal advice concerning the Plan and the classification and treatment of your claim or claims under the Plan.

All of your PIERS Claims against the Debtors have been placed in Class 16 under the Plan. If you hold claims in more than one class under the Plan, you will receive a Ballot for each class in which you are entitled to vote and must complete a separate Ballot for each such class of claims.

VOTING DEADLINE: 5:00 P.M. (Pacific Time) on November 15, 2010.

In order for your vote to be counted, the Master Ballot from your Nominee must be properly completed, signed, and returned so that it is actually received by the Voting Agent, Kurtzman Carson Consultants LLC, by no later than 5:00 p.m. (Pacific Time) on November 15, 2010, unless such time is extended by the Debtors. Please mail or deliver your Ballot to your Voting Nominee.

BALLOTS WILL NOT BE ACCEPTED BY TELECOPY, FACSIMILE, E-MAIL OR OTHER ELECTRONIC MEANS OF TRANSMISSION.

If the Master Ballot from your Nominee is not received by the Voting Agent on or before the Voting Deadline and such deadline is not extended by the Debtors, your vote will not count as either an acceptance or rejection of the Plan.

If the Plan is confirmed by the Bankruptcy Court, the Plan will be binding on you whether or not you vote.

Your receipt of this Ballot does not signify that your claim(s) has been or will be allowed.

IF YOU RECEIVED A RETURN ENVELOPE ADDRESSED TO YOUR BANK, BROKER, OR OTHER VOTING NOMINEE (EACH OF THE FOREGOING, A “VOTING NOMINEE”), YOU MUST RETURN THIS BALLOT TO SUCH VOTING NOMINEE AND NOT THE VOTING AGENT. PLEASE ALLOW SUFFICIENT TIME FOR YOUR VOTING NOMINEE TO PROCESS YOUR VOTE ON A MASTER BALLOT AND RETURN THE MASTER BALLOT TO THE VOTING AGENT BEFORE THE VOTING DEADLINE.

1. This Ballot is submitted to you to solicit your vote to accept or reject the Plan. **PLEASE READ THE PLAN AND THE DISCLOSURE STATEMENT CAREFULLY BEFORE COMPLETING THIS BALLOT.**
2. The Plan will be accepted by Class 16 if it is accepted by the holders of two-thirds in amount and more than one-half in number of Claims in Class 16 that actually vote on the Plan. In the event that Class 16 rejects the Plan, the Bankruptcy Court may nevertheless confirm the Plan and thereby make it binding on you if the Bankruptcy Court finds that the Plan does not unfairly discriminate against, and accords fair and equitable treatment to, the holders of Claims in Class 16 and all other Classes of Claims or Equity Interests rejecting the Plan, and otherwise satisfies the requirements of section 1129(b) of the Bankruptcy Code. If the Plan is confirmed by the Bankruptcy Court, all holders of Claims against and Equity Interests in the Debtors (including those holders who abstain from voting or reject the Plan, and those holders who are not entitled to vote on the Plan) will be bound by the confirmed Plan and the transactions contemplated thereby, and may be bound to the releases contained therein.

ITEM 4. OPTIONAL – Opt-Out Election. By checking the box below, you elect NOT to grant the releases contained in Section 43.6 of the Plan as they relate to the opt-out release parties set forth in Section 43.6 of the Plan. Election to withhold consent is at your option. **Please be advised that if you elect NOT to grant the releases, you WILL NOT be entitled to a distribution under the Plan.** If you submit your Ballot without this box checked, you will be deemed to consent to the release. However, be advised that the Debtors, at the Confirmation Hearing, intend to seek enforcement of the releases, injunction, and exculpation contained in Sections 43.6, 43.7, and 43.8 of the Plan as to all parties regardless of whether you elect to opt out.

- Check the box: Elect to opt out

In order to elect to opt out of granting the releases, the Nominee holding your underlying units related to your PIERS Claims must “tender” your units into the appropriate election account established at The Depository Trust Company (“DTC”) for this purpose. The units may not be withdrawn from the election account after your Nominee has tendered them to the election account at DTC. Once the units have been tendered, no further trading will be permitted in the units held in the election account. If the Plan is not confirmed, DTC will, in accordance with its customary practices and procedures, return all underlying units held in the election account to the applicable Nominee for credit to the account of the applicable beneficial holder.

ITEM 5. OPTIONAL – Exchange Election.

Commencing on the Effective Date, and subject to (a) the right of election described in the Plan and (b) the provisions of Section 32.1(a) of the Plan with respect to a Retention/Sale Transaction, each holder of an Allowed PIERS Claim shall be entitled to receive on account of such Allowed PIERS Claim and Postpetition Interest Claim such holder’s *pro rata* share of (i) Reorganized Common Stock (to the extent remaining after distribution to holders of Allowed Senior Notes Claims, Allowed General Unsecured Claims, Allowed Senior Subordinated Notes Claims, Allowed CCB-1 Guarantees Claims, and Allowed CCB-2 Guarantees Claims and subject to dilution on account of

the Rights Offering), (ii) Creditor Cash, and (iii) Liquidating Trust Interests, in an aggregate amount equal to (a) such holder's Allowed PIERS Claim and (b) in the event that all Allowed Claims are paid in full, such holder's Postpetition Interest Claim.

Notwithstanding the foregoing, the Plan provides that holders of Allowed PIERS Claims each shall be provided the right to elect, in their sole and absolute discretion, to receive additional Creditor Cash, Cash on account of Liquidating Trust Interests, or Reorganized Common Stock (to the extent remaining after distribution to holders of Allowed Senior Notes Claims, Allowed General Unsecured Claims, Allowed Senior Subordinated Notes Claims, Allowed CCB-1 Guarantees Claims, and Allowed CCB-2 Guarantees Claims and subject to dilution on account of the Rights Offering), as the case may be, in lieu of some or all of the Reorganized Common Stock, Creditor Cash or Cash on account of Liquidating Trust Interests, as the case may be, that such holder otherwise is entitled to receive pursuant to the Plan. If you would like to make such an election, complete the information below.

_____ % of the distribution to be received as Creditor Cash

_____ % of the distribution to be received as Cash on account of Liquidating Trust Interests

_____ % of the distribution to be received as Reorganized Common Stock

In order to make the Exchange Election, the Voting Nominee holding the underlying units, related to your PIERS Claims, must "tender" your units into the appropriate election account established at The Depository Trust Company ("DTC") for this purpose. The units may not be withdrawn from the election account after your Nominee has tendered them to the election account at DTC. Once the units have been tendered, no further trading will be permitted in the units held in the election account. If the Plan is not confirmed, DTC will, in accordance with its customary practices and procedures, return all units held in the election account to the applicable Nominee for credit to the account of the applicable beneficial holder.

NOTE: To the extent that there is an imbalance between the amount of Creditor Cash or Cash on account of Liquidating Trust Interests, as the case may be, and the number of Reorganized Common Stock shares elected by holders of Allowed PIERS Claims, either the Creditor Cash, Cash on account of Liquidating Trust Interests or Reorganized Common Stock shares elected shall be reduced, on a Pro Rata Share basis, to each holder to eliminate such imbalance. The ultimate recovery percentage for each holder of an Allowed PIERS Claim shall be the same, regardless of whether a holder elects to receive more or less Reorganized Common Stock. Failure by any holder of an Allowed PIERS Claim to elect to exercise election rights on or before the Voting Deadline shall constitute a deemed waiver and relinquishment of such rights by such holder. Any election made after the Voting Deadline shall not be binding upon the Debtors unless the Voting Deadline is waived, in writing, by the Debtors; provided, however, that under no circumstance may such waiver by the Debtors occur on or after the Effective Date. Any holder receiving Reorganized Common Stock shall be subject to, and bound by a registration rights agreement, if any, a form of which will be filed with the Bankruptcy Court prior to the Voting Deadline if applicable.

NOTE: In the event that, as of the Effective Date, the Debtors have determined to enter into a Retention/Sale Transaction, all elections to receive Reorganized Common Stock **shall be deemed null and void and of no force or effect and no Reorganized Common Stock shall be issued pursuant to the Plan.**

ITEM 6. Acknowledgements and Certification. By signing this Ballot, the undersigned acknowledges that the undersigned has been provided with a copy of the Disclosure Statement, including all exhibits thereto. The undersigned certifies that (i) it is the holder of the PIERS Claims identified in Item 1 above as of October 18, 2010 and (ii) it has full power and authority to vote to accept or reject the Plan. Except as otherwise expressly provided in the Plan, the Confirmation Order, or the Global Settlement Agreement, and except with respect to holders of WMB Senior Notes Claims and Non-Filing WMB Senior Note Holders who do not check the box labeled "Grant Plan Section 43.6 Release", on the Effective Date, for good and valuable consideration, each Entity that has held, currently holds or may hold a Released Claim or any Equity Interest that is terminated, and each of its respective Related Persons, on their own behalf and on behalf of

anyone claiming through them, on their behalf, or for their benefit, shall be deemed to have and hereby does irrevocably and unconditionally, fully, finally and forever waive, release, acquit and discharge each and all of the Released Parties from any and all Released Claims in connection with or related to any of the Debtors, the Reorganized Debtors, the Affiliated Banks, or their respective subsidiaries, assets, liabilities, operations, property or estates, the Chapter 11 Cases or the Plan or the Disclosure Statement, the assets to be received by JPMC pursuant to the Global Settlement Agreement, the Plan Contribution Assets, the Debtors' Claims, the JPMC Claims, the FDIC Claim, the Purchase and Assumption Agreement, the WMI/WMB Intercompany Claims, any intercompany claims on the books of WMI or WMB related to the WaMu Pension Plan or the Lakeview Plan, claims related in any way to the Trust Preferred Securities (including, without limitation, the creation of the Trust Preferred Securities, the financing associated therewith, the requested assignment of the Trust Preferred Securities by the Office of Thrift Supervision and the transfer and the asserted assignment of the Trust Preferred Securities subsequent thereto), and/or any claim, act, fact, transaction, occurrence, statement, or omission in connection with or alleged in the Actions or in the Texas Litigation, or that could have been alleged in respect of the foregoing or other similar proceeding, including, without limitation, any such claim demand, right, liability, or cause of action for indemnification, contribution or any other basis in law or equity for damages, costs or fees incurred by the releasors herein arising directly or indirectly from or otherwise relating thereto; provided, however, that each Entity that has submitted a Ballot may elect, by checking or not checking, as applicable, the appropriate box on its Ballot, not to grant the releases set forth in Section 43.6 of the Plan with respect to those Released Parties other than (i) the Debtors, (ii) the Reorganized Debtors, (iii) the Trustees, and (iv) the Creditors' Committee and its members in such capacity and for their actions as members, their respective Related Persons, and their respective predecessors, successors and assigns (whether by operation of law or otherwise), in which case, such Entity that so elects to not grant the releases will not receive a distribution hereunder; and provided, further, that, because the Plan and the Global Settlement Agreement, and the financial contributions contained therein, are conditioned upon the aforementioned releases, and, as such, these releases are essential for the successful reorganization of the Debtors, pursuant to the Confirmation Order, those Entities that opt out of the releases provided hereunder shall be bound and shall receive the distributions they otherwise would be entitled to receive pursuant to the Plan; and provided, further, that nothing contained in the Plan or the Confirmation Order shall (a) release, or is intended to release, any non-Debtor, including any non-Debtor Entity that may be a Released Party or a Related Person, in connection with any legal action or claim brought by the United States Securities and Exchange Commission or (b) prejudice the rights of any such non-Debtor Entity to defend or otherwise contest any such legal action or claim; and provided, further, that nothing contained in the Plan or the Confirmation Order shall (a) to the extent that (i) the Pension Plans are terminated from and after the Effective Date and (ii) the Pension Plans are underfunded as of the Effective Date, release, or is intended to release, any non-Debtor, including any non-Debtor Entity that may be a Released Party or a Related Person, from any liability as a fiduciary of the Pension Plans, under any law, government policy or regulatory provision, (b) enjoin or preclude the Pension Benefit Guaranty Corporation from enforcing such liability against such non-Debtor Entity during the applicable statute of limitations period set forth in 29 U.S.C. § 1303 following any such termination, or (c) prejudice the rights of any such non-Debtor Entity to defend or otherwise contest any such legal action or claim; and provided, further, that nothing in the Plan or the Confirmation Order is intended to, nor shall it, release any non-Debtor or non-Debtor Entity that may be a Released Party or a Related Person, in connection with any legal action or claim brought by CDTSC or the BKK Group relating to the BKK Site that is the subject of the BKK Litigation. In addition to, and not in any way limiting the foregoing, each holder of an Allowed WMB Senior Notes Claim and each Accepting Non-Filing WMB Senior Notes Holder shall be deemed to have released the Debtors, the Reorganized Debtors, the Liquidating Trustee, and each of their respective Related Persons from any and all direct and derivative claims arising from or related to such holder's WMB Senior Notes, as well as any misrepresentation or other similar claim for damages arising from the purchase or sale of such holder's WMB Senior Notes (including, without limitation, any Section 510(b) Subordinated WMB Notes Claims that such holder may have).

Several creditors and parties in interest have opposed the breadth and scope of the Plan's proposed releases and contend that they are not in accordance with applicable law.

“43.7 Injunction Related to Releases. Except as provided in the Plan, the Confirmation Order, or the Global Settlement Agreement, as of the Effective Date, (i) all Entities that hold, have held, or may hold a Released Claim or Equity Interest relating to any of the Debtors or the Reorganized Debtors or any of their respective assets, property and estates, that is released pursuant to Section 43.6 of the Plan, (ii) all other parties in interest, and (iii) each of the Related Persons of each of the foregoing entities, are, and shall be, permanently, forever and completely stayed, restrained, prohibited, barred and enjoined from taking any of the following actions, whether directly or indirectly, derivatively or otherwise, on account of or based on the subject matter of such discharged Released Claims or such Equity Interests: (i) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding (including, without limitation, any judicial, arbitral, administrative or other proceeding) in any forum; (ii) enforcing, attaching (including, without limitation, any prejudgment attachment), collecting, or in any way seeking to recover any judgment, award, decree, or other order; (iii) creating, perfecting or in any way enforcing in any matter, directly or indirectly, any Lien; (iv) setting off, seeking reimbursement or contributions from, or subrogation against, or otherwise recouping in any manner, directly or indirectly, any amount against any liability or obligation owed to any Entity released under Section 43.6 hereof; and (v) commencing or continuing in any manner, in any place of any judicial, arbitration or administrative proceeding in any forum, that does not comply with or is inconsistent with the provisions of the Global Settlement Agreement, the Plan or the Confirmation Order.

“43.8 Exculpation. The Released Parties, members of the Plan Administration Committee and Plan Investment Committee of the WaMu Savings Plan, and each of their Related Persons shall not have or incur any liability to any Entity for any act taken

or omitted to be taken in connection with the Chapter 11 Cases (including any actions taken by the Creditors' Committee after the Effective Date), the formulation, preparation, dissemination, implementation, confirmation or approval of the Plan or any compromises or settlements contained therein, the Disclosure Statement related thereto, the Global Settlement Agreement, or any contract, instrument, release or other agreement or document provided for or contemplated in connection with the consummation of the transactions set forth in the Plan and the Global Settlement Agreement; provided, however, that the foregoing provisions of this Section 43.8 shall not affect the liability of any Entity that otherwise would result from any such act or omission to the extent that such act or omission is determined in a Final Order to have constituted gross negligence or willful misconduct. Any of the foregoing parties in all respects shall be entitled to rely upon the advice of counsel with respect to their duties and responsibilities under the Plan."

**VOTING INSTRUCTIONS FOR COMPLETING THE MASTER BALLOT
FOR VOTING NOMINEES OF CLASS 19 (REIT SERIES)**

1. The Plan will be accepted by Class 19 if it is accepted by the holders of two-thirds in amount of Interests in Class 19 that actually vote on the Plan. In the event that Class 19 rejects the Plan, the Bankruptcy Court may nevertheless confirm the Plan and thereby make it binding on beneficial holders for which you are acting as Voting Nominee if the Bankruptcy Court finds that the Plan does not unfairly discriminate against, and accords fair and equitable treatment to, the holders of Interests in Class 19 and all other Classes of Claims or Equity Interests rejecting the Plan, and otherwise satisfies the requirements of section 1129(b) of the Bankruptcy Code. If the Plan is confirmed by the Bankruptcy Court, all holders of Claims against and Equity Interests in the Debtors (including those holders who abstain from voting or reject the Plan, and those holders who are not entitled to vote on the Plan) will be bound by the confirmed Plan and the transactions contemplated thereby, and may be bound to the releases contained therein.

2. **Complete, sign, and return this Master Ballot to Kurtzman Carson Consultants LLC so that it is received by the Voting Agent by no later than 5:00 p.m. (Pacific Time) on November 15, 2010 (the “Voting Deadline”), unless such time is extended in writing by the Debtors.** Ballots must be delivered either by mail with the enclosed envelope or by hand delivery or overnight courier to the Voting Agent at the following address:

3. **HOW TO VOTE:**

If you are both the registered owner and the beneficial holder of any principal face amount of the REIT Series shares and you wish to vote any REIT Series held by you as the beneficial holder thereof, you must complete, execute and return to the Voting Agent a Master Ballot in connection therewith.

If you are transmitting the votes of any beneficial holders of REIT Series other than yourself, you must forward the Solicitation Package to such beneficial holders, together with (i) the Beneficial Holder Ballots for voting and (ii) a return envelope provided by and addressed to you, the Voting Nominee, with the beneficial holders then returning the individual Beneficial Holder Ballots to you, the Voting Nominee. In such case, you, the Voting Nominee, will tabulate the votes of your respective beneficial holders on a Master Ballot that will be provided to you, the Voting Nominee, separately by the Voting Agent, in accordance with any instructions set forth in the instructions to the Master Ballot, and then return the Master Ballot to the Voting Agent. You, the Voting Nominee should advise the beneficial holders to return their individual Beneficial Holder Ballots to you by a date calculated by you to allow

yourself sufficient time to prepare and return the Master Ballot to the Voting Agent so that the Master Ballot is actually received by the Voting Agent by the Voting Deadline.

IF ANY BENEFICIAL HOLDER HAS ATTEMPTED TO SPLIT SUCH VOTE, PLEASE CONTACT THE VOTING AGENT IMMEDIATELY;**

 - d. Please note that Item 4 of the Master Ballot requests that you transcribe the information provided by each beneficial holder in Item 4 of each completed Beneficial Holder Ballot relating to the granting of certain releases, and that you tender the underlying REIT Series shares held by those beneficial holders electing to opt out of granting the releases to the appropriate account established at DTC for such purpose;
 - e. Review the certification in Item 5 of the Master Ballot;
 - f. Sign and date the Master Ballot, and provide the remaining information requested;

In addition to, and not in any way limiting the foregoing, each holder of an Allowed WMB Senior Notes Claim and each Accepting Non-Filing WMB Senior Notes Holder shall be deemed to have released the Debtors, the Reorganized Debtors, the Liquidating Trustee, and each of their respective Related Persons from any and all direct and derivative claims arising from or related to such holder's WMB Senior Notes, as well as any misrepresentation or other similar claim for damages arising from the purchase or sale of such holder's WMB Senior Notes (including, without limitation, any Section 510(b) Subordinated WMB Notes Claims that such holder may have).

Several creditors and parties in interest have opposed the breadth and scope of the Plan's proposed releases and contend that they are not in accordance with applicable law.

“43.7 Injunction Related to Releases. Except as provided in the Plan, the Confirmation Order, or the Global Settlement Agreement, as of the Effective Date, (i) all Entities that hold, have held, or may hold a Released Claim or Equity Interest relating to any of the Debtors or the Reorganized Debtors or any of their respective assets, property and estates, that is released pursuant to Section 43.6 of the Plan, (ii) all other parties in interest, and (iii) each of the Related Persons of each of the foregoing entities, are, and shall be, permanently, forever and completely stayed, restrained, prohibited, barred and enjoined from taking any of the following actions, whether directly or indirectly, derivatively or otherwise, on account of or based on the subject matter of such discharged Released Claims or such Equity Interests: (i) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding (including, without limitation, any judicial, arbitral, administrative or other proceeding) in any forum; (ii) enforcing, attaching (including, without limitation, any prejudgment attachment), collecting, or in any way seeking to recover any judgment, award, decree, or other order; (iii) creating, perfecting or in any way enforcing in any matter, directly or indirectly, any Lien; (iv) setting off, seeking reimbursement or contributions from, or subrogation against, or otherwise recouping in any manner, directly or indirectly, any amount against any liability or obligation owed to any Entity released under Section 43.6 hereof; and (v) commencing or continuing in any manner, in any place of any judicial, arbitration or administrative proceeding in any forum, that does not comply with or is inconsistent with the provisions of the Global Settlement Agreement, the Plan or the Confirmation Order.

“43.8 Exculpation. The Released Parties, members of the Plan Administration Committee and Plan Investment Committee of the WaMu Savings Plan, and each of their Related Persons shall not have or incur any liability to any Entity for any act taken or omitted to be taken in connection with the Chapter 11 Cases (including any actions taken by the Creditors' Committee after the Effective Date), the formulation, preparation, dissemination, implementation, confirmation or approval of the Plan or any compromises or settlements contained therein, the Disclosure Statement related thereto, the Global Settlement Agreement, or any contract, instrument, release or other agreement or document provided for or contemplated in connection with the consummation of the transactions set forth in the Plan and the Global Settlement Agreement; provided, however, that the foregoing provisions of this Section 43.8 shall not affect the liability of any Entity that otherwise would result from any such act or omission to the extent that such act or omission is determined in a Final Order to have constituted gross negligence or willful misconduct. Any of the foregoing parties in all respects shall be entitled to rely upon the advice of counsel with

respect to their duties and responsibilities under the Plan."

**VOTING INSTRUCTIONS FOR COMPLETING THE MASTER BALLOT
FOR VOTING NOMINEES OF CLASS 20 (PREFERRED EQUITY INTERESTS)**

1. The Plan will be accepted by Class 20 if it is accepted by the holders of two-thirds in amount of Preferred Equity Interests in Class 20 that actually vote on the Plan. In the event that Class 20 rejects the Plan, the Bankruptcy Court may nevertheless confirm the Plan and thereby make it binding on beneficial holders for which you are acting as Voting Nominee if the Bankruptcy Court finds that the Plan does not unfairly discriminate against, and accords fair and equitable treatment to, the holders of Preferred Equity Interests in Class 20 and all other Classes rejecting the Plan, and otherwise satisfies the requirements of section 1129(b) of the Bankruptcy Code. If the Plan is confirmed by the Bankruptcy Court, all holders of Claims against and Equity Interests in the Debtors (including those holders who abstain from voting or reject the Plan, and those holders who are not entitled to vote on the Plan) will be bound by the confirmed Plan and the transactions contemplated thereby, and may be bound to the releases contained therein.

2. **Complete, sign, and return this Master Ballot to Kurtzman Carson Consultants LLC so that it is received by the Voting Agent by no later than 5:00 p.m. (Pacific Time) on November 15, 2010 (the “Voting Deadline”), unless such time is extended in writing by the Debtors.** Ballots must be delivered either by mail with the enclosed envelope or by hand delivery or overnight courier to the Voting Agent at the following address:

If you are both the registered owner and the beneficial holder of any principal face amount of Preferred Equity Interest shares and you wish to vote any Preferred Equity Interest shares held by you as the beneficial holder thereof, you must complete, execute and return to the Voting Agent a Master Ballot in connection therewith.

You, the Voting Nominee should advise the beneficial holders to return their individual Beneficial Holder Ballots to you by a date calculated by you to allow yourself sufficient time to prepare and return the Master Ballot to

 - e. Review the certification in Item 5 of the Master Ballot;

FOR HOLDERS OF CLASS 20 (PREFERRED EQUITY INTERESTS)**

1. This Ballot is submitted to you to solicit your vote to accept or reject the Plan. **PLEASE READ THE PLAN AND THE DISCLOSURE STATEMENT CAREFULLY BEFORE COMPLETING THIS BALLOT.**
2. The Plan will be accepted by Class 20 if it is accepted by the holders of two-thirds in amount of Preferred Equity Interests in Class 20 that actually vote on the Plan. In the event that Class 20 rejects the Plan, the Bankruptcy Court may nevertheless confirm the Plan and thereby make it binding on you if the Bankruptcy Court finds that the Plan does not unfairly discriminate against, and accords fair and equitable treatment to, the holders of Preferred Equity Interests in Class 20 and all other Classes rejecting the Plan, and otherwise satisfies the requirements of section 1129(b) of the Bankruptcy Code. If the Plan is confirmed by the Bankruptcy Court, all holders of Claims against and Equity Interests in the Debtors (including those holders who abstain from voting or reject the Plan, and those holders who are not entitled to vote on the Plan) will be bound by the confirmed Plan and the transactions contemplated thereby, and may be bound to the releases contained therein.
3. **Complete, sign, and return this Ballot in the envelope provided.**
4. To properly complete the Ballot, you must follow the procedures described below:
 - a. if you have a Preferred Equity Interest in Class 20, cast one vote to accept or reject the Plan by checking the appropriate box in Item 2;
 - b. if you are completing this Ballot on behalf of another person or entity, indicate your relationship with such person or entity and the capacity in which you are signing and submit satisfactory evidence of your authority to so act (e.g., a power of attorney or a certified copy of board resolutions authorizing you to so act);
 - c. if you also hold Equity Interests in a Class other than Class 20, you may receive more than one Ballot, labeled for a different Class. Your vote will be counted in determining acceptance or rejection of the Plan by a particular Class only if you complete, sign, and return the Ballot labeled for that Class in accordance with the instructions on that Ballot;

By checking the box below, you elect NOT to grant the releases contained in Section 43.6 of the Plan as they relate to the opt-out release parties set forth in Section 43.6 of the Plan. voting to accept the Plan, any holder of a Claim against or Equity Interest in the Debtors is affirmatively agreeing to the various release and exculpation provisions of the Plan, which appear principally in Article 43 of the Plan and provide as follows:

“43.6 Releases by Holders of Claims and Equity Interests. Except as otherwise expressly provided in the Plan, the Confirmation Order, or the Global Settlement Agreement, and except with respect to holders of WMB Senior Notes Claims and Non-Filing WMB Senior Note Holders who do not check the box labeled “Grant Plan Section 43.6 Release”, on the Effective Date, for good and valuable consideration, each Entity that has held, currently holds or may hold a Released Claim or any Equity Interest that is terminated, and each of its respective Related Persons, on their own behalf and on behalf of anyone claiming through them, on their behalf, or for their benefit, shall be deemed to have and hereby does irrevocably and unconditionally, fully, finally and forever waive, release, acquit and discharge each and all of the Released Parties from any and all Released Claims in connection with or related to any of the Debtors, the Reorganized Debtors, the Affiliated Banks, or their respective subsidiaries, assets, liabilities, operations, property or estates, the Chapter 11 Cases or the Plan or the Disclosure Statement, the assets to be received by JPMC pursuant to the Global Settlement Agreement, the Plan Contribution Assets, the Debtors’ Claims, the JPMC Claims, the FDIC Claim, the Purchase and Assumption Agreement, the WMI/WMB Intercompany Claims, any intercompany claims on the books of WMI or WMB related to the WaMu Pension Plan or the Lakeview Plan, claims related in any way to the Trust Preferred Securities (including, without limitation, the creation of the Trust Preferred Securities, the financing associated therewith, the requested assignment of the Trust Preferred Securities by the Office of Thrift Supervision and the transfer and the asserted assignment of the Trust Preferred Securities subsequent thereto), and/or any claim, act, fact, transaction, occurrence, statement, or omission in connection with or alleged in the Actions or in the Texas Litigation, or that could have been alleged in respect of the foregoing or other similar proceeding, including, without limitation, any such claim demand, right, liability, or cause of action for indemnification, contribution or any other basis in law or equity for damages, costs or fees incurred by the releasors herein arising directly or indirectly from or otherwise relating thereto; provided, however, that each Entity that has submitted a Ballot may elect, by checking or not checking, as applicable, the appropriate box on its Ballot, not to grant the releases set forth in Section 43.6 of the Plan with respect to those Released Parties other than (i) the Debtors, (ii) the Reorganized Debtors, (iii) the Trustees, and (iv) the Creditors’ Committee and its members in such capacity and for their actions as members, their respective Related Persons, and their respective predecessors, successors and assigns (whether by operation of law or otherwise), in which case, such Entity that so elects to not grant the releases will not receive a distribution hereunder; and provided, further, that, because the Plan and the Global Settlement Agreement, and the financial contributions contained therein, are conditioned upon the aforementioned releases, and, as such, these releases are essential for the successful reorganization of the Debtors, pursuant to the Confirmation Order, those Entities that opt out of the releases provided hereunder shall be bound and shall receive the distributions they otherwise would be entitled to receive pursuant to the Plan; and provided, further, that nothing contained in the Plan or the Confirmation Order shall (a) release, or is intended to release, any non-Debtor, including any non-Debtor Entity that may be a Released Party or a Related Person, in connection with any legal action or claim brought by the United States Securities and Exchange Commission or (b) prejudice the rights of any such non-Debtor Entity to defend or otherwise contest any such legal action or claim; and provided, further, that nothing contained in the Plan or the Confirmation Order shall (a) to the extent that (i) the Pension Plans are terminated from and after the Effective Date and (ii) the Pension Plans are underfunded as of the Effective Date, release, or is intended to release, any non-Debtor, including any non-Debtor Entity that may be a Released Party or a Related Person, from any liability as a fiduciary of the Pension Plans, under any law, government policy or regulatory provision, (b) enjoin or preclude the Pension Benefit Guaranty Corporation from enforcing such liability against such non-Debtor Entity during the applicable statute of limitations period set forth in 29 U.S.C. § 1303 following any such termination, or (c) prejudice the rights of any such non-Debtor Entity to defend or otherwise contest any such legal action or claim; and provided, further, that nothing in the Plan or the Confirmation Order is intended to, nor shall it, release any non-Debtor or non-Debtor Entity that may be a Released Party or a Related Person, in connection with any legal action or claim brought by CDTSC or the BKK Group relating to the BKK Site that is the subject of the BKK Litigation. In addition to, and not in any way limiting the foregoing, each holder of an Allowed WMB Senior Notes Claim and each Accepting Non-Filing WMB Senior Notes Holder shall be deemed to have released the Debtors, the Reorganized Debtors, the Liquidating Trustee, and each of their respective Related Persons from any and all direct and derivative claims arising from or related to such holder’s WMB Senior Notes, as well as any misrepresentation or other similar claim for damages arising from the purchase or sale of such holder’s WMB Senior Notes (including, without limitation, any Section 510(b) Subordinated WMB Notes Claims that such holder may have).

Several creditors and parties in interest have opposed the breadth and scope of the Plan’s proposed releases and contend that they are not in accordance with applicable law.

“43.7 Injunction Related to Releases. Except as provided in the Plan, the Confirmation Order, or the Global Settlement Agreement, as of the Effective Date, (i) all Entities that hold, have held, or may hold a Released Claim or Equity Interest relating to any of the Debtors or the Reorganized Debtors or any of their respective assets, property and estates, that is released pursuant to Section 43.6 of the Plan, (ii) all other parties in interest, and (iii) each of the Related Persons of each of the foregoing entities, are, and shall be, permanently, forever and completely stayed, restrained, prohibited, barred and enjoined from taking any of the following actions, whether directly or indirectly, derivatively or otherwise, on account of or based on the subject matter of such discharged Released Claims or such Equity Interests: (i) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding (including, without limitation, any judicial, arbitral, administrative or other proceeding) in any forum; (ii) enforcing, attaching (including, without limitation, any

prejudgment attachment), collecting, or in any way seeking to recover any judgment, award, decree, or other order; (iii) creating, perfecting or in any way enforcing in any matter, directly or indirectly, any Lien; (iv) setting off, seeking reimbursement or contributions from, or subrogation against, or otherwise recouping in any manner, directly or indirectly, any amount against any liability or obligation owed to any Entity released under Section 43.6 hereof; and (v) commencing or continuing in any manner, in any place of any judicial, arbitration or administrative proceeding in any forum, that does not comply with or is inconsistent with the provisions of the Global Settlement Agreement, the Plan or the Confirmation Order.

“43.8 **Exculpation.** The Released Parties, members of the Plan Administration Committee and Plan Investment Committee of the WaMu Savings Plan, and each of their Related Persons shall not have or incur any liability to any Entity for any act taken or omitted to be taken in connection with the Chapter 11 Cases (including any actions taken by the Creditors’ Committee after the Effective Date), the formulation, preparation, dissemination, implementation, confirmation or approval of the Plan or any compromises or settlements contained therein, the Disclosure Statement related thereto, the Global Settlement Agreement, or any contract, instrument, release or other agreement or document provided for or contemplated in connection with the consummation of the transactions set forth in the Plan and the Global Settlement Agreement; provided, however, that the foregoing provisions of this Section 43.8 shall not affect the liability of any Entity that otherwise would result from any such act or omission to the extent that such act or omission is determined in a Final Order to have constituted gross negligence or willful misconduct. Any of the foregoing parties in all respects shall be entitled to rely upon the advice of counsel with respect to their duties and responsibilities under the Plan.”

The Order authorizes the Debtors to solicit votes to accept or reject the Sixth Amended Joint Plan of Affiliated Debtors Pursuant to Chapter 11 of the United States Bankruptcy Code, dated as of October 6, 2010 (as it may be further amended, the “*Plan*”), a copy of which is annexed as Exhibit A to the Disclosure Statement.

Pursuant to the Plan, but subject to redistribution in accordance with the enforcement, pursuant to section 510(a) of the Bankruptcy Code, of contractual subordination provisions, as set forth in the Subordination Model attached to the Plan as Exhibit “G”, each holder of an Allowed PIERS Claim that was a holder as of October 18, 2010, the Rights Offering Record Date, has Subscription Rights entitling such holder to purchase shares of Additional Common Stock, if such holder, based on its Pro Rata Share of Subscription Rights, is entitled to subscribe for shares of Additional Common Stock for an aggregate Subscription Price of at least Two Million Dollars (\$2,000,000).³ Such Additional Common Stock shall be issued on the Effective Date or as soon thereafter as is practicable.

¹ The Debtors in these chapter 11 cases along with the last four digits of each Debtor’s federal tax identification number are: (i) Washington Mutual, Inc. (3725); and (ii) WMI Investment Corp. (5395). The Debtors’ principal offices are located at 925 Fourth Avenue, Seattle, Washington 98104.

² Capitalized terms used but not defined herein shall have the meanings ascribed to them in the Disclosure Statement.

³ With respect to the distribution of Subscription Rights to holders of Allowed PIERS Claims relating to the PIERS Preferred Securities, “Pro Rata Share” means the proportion that the face value of such holder’s claim bears to the aggregate face value of the PIERS Preferred Securities. Accordingly, only holders having Allowed PIERS Claims (relating to the PIERS Preferred Securities) in an amount equal to or greater than \$15,313,483.99 are eligible to participate in the Rights Offering. Stated differently, only holders of PIERS Claims relating to the PIERS Preferred

You have received this Subscription Form because you are a holder of Allowed PIERS Claims as of October 18, 2010, which may entitle you to participate in the Rights Offering and purchase shares of Additional Common Stock. Please utilize this Subscription Form to execute your election in the Rights Offering.

Please be advised that, pursuant to the Plan, the value attributable to Subscription Rights (but not the Subscription Rights) shall be subject to redistribution in accordance with the enforcement, pursuant to section 510(a) of the Bankruptcy Code, of contractual subordination provisions, as set forth in the Subordination Model attached to the Plan as Exhibit "G". Please be further advised that the Subscription Rights are nontransferable. To the extent a holder of an Allowed PIERS Claim that relates to a unit representing a PIERS Preferred Security elects to exercise Subscription Rights and receives shares of Additional Common Stock pursuant thereto, such holder's distribution of Creditor Cash or Cash to be received on account of Liquidating Trust Interests, as the case may be, shall be reduced, on a dollar-for-dollar basis, by the value attributable to the Subscription Rights exercised (but not the value of the Additional Common Stock received), so that the ultimate recovery percentage for each holder of an Allowed PIERS Claim is the same, regardless of whether a holder exercises Subscription Rights.

Please also note that, in the event a Retention/Sale Transaction has occurred, or an agreement for a Retention/Sale Transaction has been entered into and has not been terminated, prior to the Effective Date, **the Additional Common Stock shall not be issued and, in accordance with the provisions of Section 34.10 of the Plan, the Debtors shall return all payments made pursuant to the Rights Offering to the Voting Nominees** (unless the agreement for such Retention/Sale Transaction terminates subsequent to the satisfaction of such applicable conditions, in which case, the Additional Common Stock shall be distributed pursuant to Section 34.7 of the Plan).

IF YOU HAVE ANY QUESTIONS REGARDING THE SUBSCRIPTION FORM, OR IF YOU DID NOT RECEIVE A RETURN ENVELOPE WITH YOUR SUBSCRIPTION FORM, OR IF YOU DID NOT RECEIVE A COPY OF THE DISCLOSURE STATEMENT OR PLAN, OR IF YOU NEED ADDITIONAL COPIES OF THE SUBSCRIPTION FORM OR OTHER ENCLOSED MATERIALS, PLEASE CONTACT THE DEBTORS' RIGHTS OFFERING AGENT, KURTZMAN CARSON CONSULTANTS LLC, AT (888) 830-4644. ITEM 4. Important Tax Information Required – Potential Withholding. Distributions to holders of Claims by the Debtors or the Liquidating Trustee, and any subsequent amounts received by the Liquidating Trust allocable to a holder, are subject to any applicable tax withholding.

Under U.S. federal income tax law, interest and other reportable payments may, under certain circumstances, be subject to “backup withholding” at the then applicable backup withholding rate (currently 28%). Backup withholding generally applies if the holder (a) fails to furnish its social security number or other taxpayer identification number (“**TIN**”), (b) furnishes an incorrect TIN, (c) fails properly to report interest or dividends, or (d) under certain circumstances, fails to provide a certified statement, signed under penalty of perjury, that the TIN provided is its correct number and that it is a United States person that is not subject to backup withholding. Backup withholding is not an additional tax but merely an advance payment, which may be refunded to the extent it results in an overpayment of tax and the appropriate information is supplied to the IRS. Certain persons are exempt from backup withholding, including, in certain circumstances, corporations and financial institutions.

In addition, in the case of any Liquidating Trust Beneficiaries that are *not* U.S. persons, the Liquidating Trustee may be required to withhold up to 30% of the income or proceeds allocable to such persons, depending on the circumstances (including whether the type of income is subject to a lower treaty rate). Such withholding is not dependent on the Liquidating Trust distributing any cash or other proceeds.

To avoid unnecessary withholding, **each U.S. holder is required to properly complete and return IRS Form W-9**, certifying that such holder is a U.S. person, that the TIN provided is correct, and that such holder is not subject to backup withholding, as per its instructions. Exempt persons should indicate their exempt status on the Form W-9 as per its instructions. **Each non-U.S. holder is required to complete and return the applicable IRS**

⁴ The Debtors intend to record book entries on account of the BB Liquidating Trust Interests (rather than actually issuing certificates) and anticipate that funds on account of the BB Liquidating Trust Interests will be available for distribution as soon as the relevant parties have consensually released the funds pursuant to Section 2.4 of the Global Settlement Agreement, projected to be shortly after the Effective Date; provided, however, that, to the extent any of the WMB Senior Notes Claims are Disputed Claims as of the Effective Date, the Debtors shall reserve BB Liquidating Trust Interests and related funds on account of such Disputed Claims, and funds in such reserve shall be released upon final resolution of all such Disputed Claims (the “Final Distribution”). WMB Senior Notes will remain in the election account or will remain blocked, as the case may be, until the earlier of (a) the Final Distribution, or (b) the receipt by the Liquidating Trustee from the holder of such notes of such holder’s identity, tax information, and the specifics of their holdings, to the extent the Liquidating Trustee deems appropriate.

¹ Insert your name if the WMB Senior Notes are held by you in your own name or, if held in “street name,” insert the name of your broker or bank.

Form W-8 (W-8BEN, W-8ECI or W-8IMY, as applicable), signed under penalties of perjury, certifying the holder's foreign status. These forms may be obtained from the IRS website (<http://www.irs.gov>). Holders should consult their tax advisors as to any qualification for exemption from backup withholding, or a lower rate of U.S. withholding under an applicable treaty or exemption, and the procedure for obtaining such exemption.

HOLDERS WHO DO NOT WANT THEIR WMB SENIOR NOTES TO REMAIN IN THE ELECTION ACCOUNT OR REMAIN BLOCKED, AS THE CASE MAY BE, UNTIL THE FINAL DISTRIBUTION MUST COMPLETE AND RETURN A FORM W-9 OR W-8, AS APPROPRIATE, WITH THIS ELECTION FORM.

ITEM 5. Acknowledgements and Certification. By signing this Election Form, the undersigned acknowledges that the undersigned has been provided with a copy of the Disclosure Statement, including all exhibits thereto. The undersigned certifies that (i) it is the Non-Filing WMB Senior Note Holder identified in Item 1 above as of October 25, 2010 and (ii) it has full power and authority to elect to grant the releases in Section 43.6 of the Plan. The undersigned further acknowledges that the Debtors' solicitation of votes is subject to all terms and conditions set forth in the Disclosure Statement and the order of the Bankruptcy Court approving the Disclosure Statement and the procedures for the solicitation of votes to accept or reject the Plan contained therein. The undersigned further acknowledges that any Non-Filing WMB Senior Note Holder electing to grant such releases is affirmatively agreeing to the various release and exculpation provisions of the Plan, which appear principally in Article 43 of the Plan and provide as follows:

“43.6 Releases by Holders of Claims and Equity Interests. Except as otherwise expressly provided in the Plan, the Confirmation Order, or the Global Settlement Agreement, and except with respect to holders of WMB Senior Notes Claims and Non-Filing WMB Senior Note Holders who do not check the box labeled “Grant Plan Section 43.6 Release”, on the Effective Date, for good and valuable consideration, each Entity that has held, currently holds or may hold a Released Claim or any Equity Interest that is terminated, and each of its respective Related Persons, on their own behalf and on behalf of anyone claiming through them, on their behalf, or for their benefit, shall be deemed to have and hereby does irrevocably and unconditionally, fully, finally and forever waive, release, acquit and discharge each and all of the Released Parties from any and all Released Claims in connection with or related to any of the Debtors, the Reorganized Debtors, the Affiliated Banks, or their respective subsidiaries, assets, liabilities, operations, property or estates, the Chapter 11 Cases or the Plan or the Disclosure Statement, the assets to be received by JPMC pursuant to the Global Settlement Agreement, the Plan Contribution Assets, the Debtors' Claims, the JPMC Claims, the FDIC Claim, the Purchase and Assumption Agreement, the WMI/WMB Intercompany Claims, any intercompany claims on the books of WMI or WMB related to the WaMu Pension Plan or the Lakeview Plan, claims related in any way to the Trust Preferred Securities (including, without limitation, the creation of the Trust Preferred Securities, the financing associated therewith, the requested assignment of the Trust Preferred Securities by the Office of Thrift Supervision and the transfer and the asserted assignment of the Trust Preferred Securities subsequent thereto), and/or any claim, act, fact, transaction, occurrence, statement, or omission in connection with or alleged in the Actions or in the Texas Litigation, or that could have been alleged in respect of the foregoing or other similar proceeding, including, without limitation, any such claim demand, right, liability, or cause of action for indemnification, contribution or any other basis in law or equity for damages, costs or fees incurred by the releasors herein arising directly or indirectly from or otherwise relating thereto; provided, however, that each Entity that has submitted a Ballot may elect, by checking or not checking, as applicable, the appropriate box on its Ballot, not to grant the releases set forth in Section 43.6 of the Plan with respect to those Released Parties other than (i) the Debtors, (ii) the Reorganized Debtors, (iii) the Trustees, and (iv) the Creditors' Committee and its members in such capacity and for their actions as members, their respective Related Persons, and their respective predecessors, successors and assigns (whether by operation of law or otherwise), in which case, such Entity that so elects to not grant the releases will not receive a distribution hereunder; and provided, further, that, because the Plan and the Global Settlement Agreement, and the financial contributions contained therein, are conditioned upon the aforementioned releases, and, as such, these releases are essential for the successful reorganization of the Debtors, pursuant to the Confirmation Order, those Entities that opt out of the releases provided hereunder shall be bound and shall receive the distributions they otherwise would be entitled to receive pursuant to the Plan; and provided, further, that nothing contained in the Plan or the Confirmation Order shall (a) release, or is intended to release, any non-Debtor, including any non-Debtor Entity that may be a Released Party or a Related Person, in connection with any legal action or claim brought by the United States Securities and Exchange Commission or (b) prejudice the rights of any such non-Debtor Entity to defend or otherwise contest any such legal action or claim; and provided, further, that nothing contained in the Plan or the Confirmation Order shall (a) to the extent that (i) the Pension Plans are terminated from and after the Effective Date and (ii) the Pension Plans are underfunded as of the Effective Date, release, or is intended to release, any non-Debtor, including any non-Debtor Entity that may be a Released Party or a Related Person, from any liability as a fiduciary of the Pension Plans, under any law, government policy or regulatory provision, (b) enjoin or preclude the Pension Benefit Guaranty Corporation from enforcing such liability against such non-Debtor Entity during the applicable statute of limitations period set forth in 29 U.S.C. § 1303 following any such termination, or (c) prejudice the rights of any such non-Debtor Entity to defend or otherwise contest any such legal action or claim; and provided, further, that nothing in the Plan or the Confirmation Order is intended to, nor shall it,

release any non-Debtor or non-Debtor Entity that may be a Released Party or a Related Person, in connection with any legal action or claim brought by CDTSC or the BKK Group relating to the BKK Site that is the subject of the BKK Litigation. In addition to, and not in any way limiting the foregoing, each holder of an Allowed WMB Senior Notes Claim and each Accepting Non-Filing WMB Senior Notes Holder shall be deemed to have released the Debtors, the Reorganized Debtors, the Liquidating Trustee, and each of their respective Related Persons from any and all direct and derivative claims arising from or related to such holder's WMB Senior Notes, as well as any misrepresentation or other similar claim for damages arising from the purchase or sale of such holder's WMB Senior Notes (including, without limitation, any Section 510(b) Subordinated WMB Notes Claims that such holder may have).

Several creditors and parties in interest have opposed the breadth and scope of the Plan's proposed releases and contend that they are not in accordance with applicable law.

“43.7 Injunction Related to Releases. Except as provided in the Plan, the Confirmation Order, or the Global Settlement Agreement, as of the Effective Date, (i) all Entities that hold, have held, or may hold a Released Claim or Equity Interest relating to any of the Debtors or the Reorganized Debtors or any of their respective assets, property and estates, that is released pursuant to Section 43.6 of the Plan, (ii) all other parties in interest, and (iii) each of the Related Persons of each of the foregoing entities, are, and shall be, permanently, forever and completely stayed, restrained, prohibited, barred and enjoined from taking any of the following actions, whether directly or indirectly, derivatively or otherwise, on account of or based on the subject matter of such discharged Released Claims or such Equity Interests: (i) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding (including, without limitation, any judicial, arbitral, administrative or other proceeding) in any forum; (ii) enforcing, attaching (including, without limitation, any prejudgment attachment), collecting, or in any way seeking to recover any judgment, award, decree, or other order; (iii) creating, perfecting or in any way enforcing in any matter, directly or indirectly, any Lien; (iv) setting off, seeking reimbursement or contributions from, or subrogation against, or otherwise recouping in any manner, directly or indirectly, any amount against any liability or obligation owed to any Entity released under Section 43.6 hereof; and (v) commencing or continuing in any manner, in any place of any judicial, arbitration or administrative proceeding in any forum, that does not comply with or is inconsistent with the provisions of the Global Settlement Agreement, the Plan or the Confirmation Order.

“43.8 Exculpation. The Released Parties, members of the Plan Administration Committee and Plan Investment Committee of the WaMu Savings Plan, and each of their Related Persons shall not have or incur any liability to any Entity for any act taken or omitted to be taken in connection with the Chapter 11 Cases (including any actions taken by the Creditors' Committee after the Effective Date), the formulation, preparation, dissemination, implementation, confirmation or approval of the Plan or any compromises or settlements contained therein, the Disclosure Statement related thereto, the Global Settlement Agreement, or any contract, instrument, release or other agreement or document provided for or contemplated in connection with the consummation of the transactions set forth in the Plan and the Global Settlement Agreement; provided, however, that the foregoing provisions of this Section 43.8 shall not affect the liability of any Entity that otherwise would result from any such act or omission to the extent that such act or omission is determined in a Final Order to have constituted gross negligence or willful misconduct. Any of the foregoing parties in all respects shall be entitled to rely upon the advice of counsel with respect to their duties and responsibilities under the Plan.”

Liquidation Analysis for Each Debtor

Pursuant to section 1129(a)(7) of the Bankruptcy Code (the “Best Interest Test”), each holder of an impaired Claim or Equity Interest must either (i) accept the Plan, or (ii) receive or retain under the Plan property of a value, as of the Effective Date, that is not less than the value such non-accepting holder would receive or retain if the Debtors were to be liquidated under chapter 7 of the Bankruptcy Code on the Effective Date. In determining whether the Best Interest Test has been met, the first step is to determine the dollar amount that would be generated from a hypothetical liquidation of the Debtors’ assets in chapter 7. The gross amount of Cash available would be the sum of the proceeds from the disposition of the Debtors’ assets and the Cash held by the Debtors at the commencement of their chapter 7 cases. Such amount then would be reduced by the costs and expenses of the liquidation. Prior to determining whether the Best Interest Test has been met for general unsecured creditors, further reductions would be required to eliminate Cash and asset liquidation proceeds that would be applied to Secured Claims and amounts necessary to satisfy chapter 11 Administrative Expense Claims, Priority Tax Claims, and Priority Non-Tax Claims that are senior to General Unsecured Claims, including any incremental Administrative Expense Claims that may result from the termination of the Debtors’ businesses and the liquidation of assets. Any remaining Cash would be available for Distribution to general unsecured creditors and Equity Interest holders in accordance with the distribution hierarchy established by section 726 of the Bankruptcy Code.

The Liquidation Analysis (the “Liquidation Analysis”) below reflects the estimated Cash proceeds, net of liquidation-related costs that would be available to the Debtors’ creditors if the Debtors were to be liquidated in a chapter 7 case. Underlying the Liquidation Analysis are a number of estimates and assumptions regarding liquidation proceeds that, although developed and considered reasonable by the Debtors, are inherently subject to significant business, economic, and competitive uncertainties and contingencies beyond the control of the Debtors. ACCORDINGLY, THERE CAN BE NO ASSURANCE THAT THE VALUES REFLECTED IN THE LIQUIDATION ANALYSES WOULD BE REALIZED IF THE DEBTORS WERE, IN FACT, TO UNDERGO SUCH A LIQUIDATION, AND ACTUAL RESULTS COULD VARY MATERIALLY FROM THOSE SHOWN HERE.

General Assumptions

For purposes of the Liquidation Analysis, the Debtors considered many factors and made certain assumptions. Those assumptions that the Debtors consider significant are described below.

1. **Conversion:** Each of the Chapter 11 cases are converted to chapter 7 in 2010.
2. **Appointment of Chapter 7 Trustee:** A chapter 7 trustee is appointed to liquidate and wind down the Debtors’ estates.
3. **Chapter 7 Trustee:** The chapter 7 trustee would retain professionals (investment bankers, law firms, accounting firms, consultants, forensic experts, etc.) to assist in the liquidation and

wind down of the Debtors' estates. Although the chapter 7 trustee may retain certain of the Debtors' professionals for discrete projects, it is assumed that the trustee's primary investment banking, legal, accounting, consulting and forensic support would be provided by new professionals, because most (if not all) of the Debtors' professionals will hold Claims in the chapter 7 cases.

4. Tax Refunds: For the purposes of this analysis, the Debtors have assumed receipt of future tax refunds to be December 31, 2010. It's the receipt of these refunds that provide the recovery to the Senior Subordinated Notes, the CCB Guarantees, and the PIERS.

5. Start-Up Time: Given the complexity of the Chapter 11 cases and the underlying assets and Claims, it is anticipated that the chapter 7 trustee and any newly retained professionals will require at least 2 to 4 months to familiarize themselves with the Debtors' estates, the assets, the Claims and related matters before they begin marketing assets or litigating Claims.

6. Settlement Agreement: The conversion of the cases to chapter 7 are assumed to delay the consummation of the Global Settlement Agreement while the chapter 7 trustee and its professionals review the Debtors' major assets and the terms of the Global Settlement Agreement. For the purposes of this analysis, it is assumed that a chapter 7 trustee is able to consummate a global settlement agreement on the same terms and conditions as the Debtors propose in its plans. Without a consummation of a global settlement agreement on similar terms as the Global Settlement Agreement or, in the alternative, litigating to finality each issue related to distribution of assets, a chapter 7 trustee would be unable to resolve all claims in these estates or make significant distributions. The Debtors can provide no assurance that a chapter 7 trustee will be able to execute a Global Settlement Agreement on at least as favorable terms as the current agreement.

7. Duration of Liquidation: The Liquidation Analysis assumes that after the start-up period the actual liquidation of assets of the Debtors would continue for 2 to 4 months, during which time all of the Debtors' major assets would be sold and the Cash proceeds, net of liquidation-related costs, would be available for distribution to creditors.

Approximately 4,000 Claims have been filed in the Chapter 11 cases. It is unlikely that a chapter 7 trustee could adequately reconcile all Claims during a 9 to 12 month period of assessment and asset recovery. Therefore, a large number of the Claims in these cases will be reconciled, valued, negotiated and settled, and/or litigated to conclusion only after the asset recovery work is mostly complete. The Debtors estimate that a chapter 7 trustee will require an additional 6 to 12 months to reconcile Claims and pursue litigations. It is possible that some distributions could be made prior to such period, but Claims would be subject to reserves or an estimation process.

It is not uncommon in large cases for liquidations to last many years while chapter 7 trustees prosecute difficult Claims-related issues and other types of litigation.

8. Consolidation for Administrative Purposes: This Liquidation Analysis assumes that the Debtors are consolidated for administrative purposes during the chapter 7 cases.

9. Presentation: For the purposes of this analysis, the two Debtors, WMI and WMI Investment Corp., are shown combined. WMI Investment Corp. is not anticipated to have any claims against it, and therefore, the value of WMI Investment Corp.'s assets will be assets of WMI.

Notes:

(1) All amounts assumed to be paid at 12/31/10 under a Chapter 11 plan and 05/31/11 under a Chapter 7 liquidation.

Notes:

- (a) Cash is comprised of cash (including WMI's share of tax refunds already received) and restricted cash at WMI, WMI Investment Corp. and its subsidiaries, plus payments from JPMC for Visa Shares and intercompany loans pursuant to the Global Settlement Agreement proceeds related to the American Savings Bank Goodwill Litigation and BOLI/COLI and Rabbi Trust assets in both chapter 7 and 11 cases.
- (b) The Reorganized WMI includes WMI, WMI Investment Corp. and WMMRC, a wholly-owned subsidiary of WMI and a Hawaiian captive reinsurance company. WMI retained Blackstone Advisory Partners ("Blackstone") to prepare a valuation of the Reorganized WMI. Blackstone's conclusions regarding the value of Reorganized WMI are subject to the assumptions, limitations and qualifications set forth in the valuation analysis, annexed to this Disclosure Statement as

Exhibit D. As set forth therein, Blackstone's valuation work produced a range of \$125 million to \$165 million (on a pre-rights offering basis). To the extent Reorganized WMI's net operating losses are not available for any reason to shelter future taxable income, Blackstone's estimate of Reorganized WMI Value would be reduced by approximately \$10 million to \$20 million. For purposes of this analysis, we have assumed net operating losses are not available to shelter future taxable income and included the midpoint of that total range, \$130 million.

In chapter 7 cases, the Debtors believe that a chapter 7 trustee would be forced to sell WMMRC quickly which would substantially reduce the recovery associated with this asset. The Debtors' belief is based on consultation with various investment banks and potential bidders of WMMRC.

- (c) Includes investments in wholly-owned subsidiaries WaMu 1031 Exchange, a 1031 exchange administrator, and Ahmanson Obligation Company. Other assets include the Assurant Trust account and a remaining note related to a venture capital investment, as described in the Disclosure Statement.
- (d) In both the chapter 11 and 7 cases, WMI's portion of future tax refunds equates to 20% of the initial tax refund of approximately \$2.9 billion and an additional tax refund of \$2.8 billion less \$1,185 million paid to the FDIC and the WMB bondholders, netting a total of \$2,195 million.
- (e) It is anticipated that a delay would result from the conversion of the chapter 11 cases to cases under chapter 7 of the Bankruptcy Code due to the knowledge transfer required and associated with the transition to new attorneys and other professionals likely to be selected by a chapter 7 trustee. For the purposes of this analysis, the Debtors assumed that a 5 month delay would occur while a trustee is appointed and while the trustee's professionals become familiar with the many complex issues in the Debtors' cases. Based on the current rate of operating expenses, the Debtors estimate that the conversion of the cases to cases under chapter 7 of the Bankruptcy Code would result in an increase of \$4 million in operational expenses. Based on the current rate of professional fees being incurred in the Debtors' chapter 11 cases, the Debtors estimate that the conversion would equate to \$44 million in professional fees. In addition, as is customary, the Debtors anticipate that a chapter 7 trustee would receive compensation in the form of a transaction fee based on the total distribution available for creditors. For the purposes of this liquidation analysis, the Debtors assumed a 0.5% transaction fee would be imposed on the total distribution to creditors, which is equal to \$38 million.
- (f) As discussed, conversion to chapter 7 cases will cause a delay in the resolution of the cases. For the purposes of this analysis, it is assumed that payment on Senior Notes, Subordinated Notes, CCB Guarantees and PIERs prepetition and post-petition claims will be delayed by an additional five months. This results in increased post-petition interest on the Senior Notes, Subordinated Notes, CCB Guarantees and PIERs claims. The actual amount of delay could be somewhat less or far greater than this amount.
- (g) In both the chapter 11 and 7 cases, general unsecured claims will vary widely depending on the outcome of various claims objections. Current filed claims total in excess of \$55 billion excluding unliquidated claims. However, the Debtors' best estimate of eventually allowed claims in both cases will be approximately \$375 million.
- (h) PIERs claims consists of claims related to both preferred and common securities. All common securities are owned by WMI. Therefore recoveries in excess of \$765 million plus corresponding post-petition interest will be distributed back to the estate.

- (i) Subordinated Claims could arise from the outcome of various litigations and as such, no estimate of those claims have been included in the liquidation analysis under either a chapter 11 plan or a chapter 7 liquidation.

Exhibit D

Valuation Analysis

Enterprise Valuation of the Reorganized Debtors

To provide information to parties in interest regarding the possible range of values of their distributions under the Plan, the Debtors retained Blackstone Advisory Partners (“Blackstone”) as their financial advisor to, among other things, estimate (a) the value of the Reorganized Debtors (“Reorganized WMI”) on a going-concern basis, excluding the proceeds that may be received from the Rights Offering (“Reorganized WMI Value”) and (b) the value of the Subscription Rights as defined in the Plan.

In estimating the range of Reorganized WMI Value, Blackstone has, among other things:

- (a) reviewed certain recent historical financial information of the Debtors;
- (b) reviewed certain internal financial and operating data of the Debtors, which relates to Reorganized WMI’s business, its prospects and its projected dividend stream, including Reorganized WMI’s Projections;
- (c) reviewed the Net Operating Loss analysis prepared by the Debtors;
- (d) met with and discussed the Debtors’ operations and future prospects with the management team and their advisors, including the Debtors’ actuarial advisors and other constituents;
- (e) discussed relevant sections of the Internal Revenue Code with the Debtors' tax experts;
- (f) reviewed publicly available information for comparable companies and recent precedent transactions in the insurance and reinsurance industry;
- (g) considered certain economic and industry information relevant to the operating business;
- (h) reviewed the Plan of Reorganization, Disclosure Statement, Global Settlement Agreement and other filings made in the Chapter 11 cases; and
- (i) performed such other analyses and investigations and considered such other information as Blackstone deemed appropriate under the circumstances.

Blackstone did not independently verify the Projections in connection with preparing the estimates of Reorganized WMI Value and no appraisals of the Debtors were sought or obtained in connection herewith. Blackstone assumed that the Projections were reasonably prepared in good faith and on a basis reflecting the Debtors’ most accurate currently available estimates and judgments as to the future operating and financial performance of the Reorganized Debtors. The Projections provided by the Debtors assume that (i) approximately \$75 million to \$100 million of Reorganized WMI net operating losses are available and used to shelter future taxable income generated by Reorganized WMI and (ii) the consummation of the restructuring pursuant to the terms of the Plan does not in any way impact the availability of at least such amount of net operating losses as a deduction available against ordinary income rather than a capital loss. Blackstone’s estimated Reorganized WMI Value range assumes the Reorganized Debtors will achieve their Projections in all material respects, but assesses approximately a 50% probability of utilizing the net operating losses due to uncertainty of the characterization of the

worthless stock deduction. Moreover, Blackstone assumed and relied on the accuracy and completeness of all other financial and other information furnished to it by the Debtors.

The following is a brief summary of the financial analyses performed by Blackstone to arrive at the Reorganized WMI Value:

(a) Discounted Cash Flow Analysis

The discounted cash flow (“DCF”) analysis estimates the value of an asset or business by calculating the present value of expected future cash flows to be generated by that asset or business. Under this methodology, projected future cash flows are discounted by the assets’ or business’ weighted average cost of capital (the “Discount Rate”). The Discount Rate reflects the estimated blended rate of return that would be required by investors making an investment in the target asset or business. The Reorganized WMI Value was determined by calculating the present value of the projected dividend stream to be generated by Reorganized WMI based on the financial projections provided by the Debtors using a range of discount rates between 13% - 15%. For reasons described in (b) and (c) below, the DCF analysis was the primary methodology used by Blackstone to estimate Reorganized WMI Value.

(b) Precedent Transactions Analysis

The precedent transactions analysis estimates the value of an asset or business by observing transaction multiples paid by acquirers of comparable assets or businesses and applying those observed transaction multiples to the relevant financial information of the asset or business being valued. In addition to the intrinsic value of the assets or business being valued, transaction multiples observed for purposes of precedent transaction analysis may reflect aspects of value (e.g., control premiums, etc) that are not necessarily applicable to the asset or business being valued. Blackstone considered the precedent transaction analysis in its estimate of Reorganized WMI Value.

(c) Comparable Company Analysis

The comparable company valuation analysis estimates the value of a business by observing the multiples implied by the trading prices of the equity securities of such comparable businesses and applying those observed trading multiples to relevant financial information of the business being valued. Given the size of comparable companies and the nature of the operations, Blackstone did not rely on the comparable company analysis as a primary determinant of Reorganized WMI Value.

Based on the Projections and subject to the review and analysis described herein and to the assumptions, limitations and qualifications described herein, and solely for purposes of the Plan, Blackstone estimates that the range of Reorganized WMI Value is approximately \$125 to \$165 million, including the value of net operating losses assumed to be available to Reorganized WMI. Further, and given, among other things, the general uncertainty surrounding the future prospects of Reorganized WMI, Blackstone estimates that the value of the Subscription Rights is 100% of the Rights Offering, assuming the Debtor emerges from bankruptcy in 2010. If the Debtor’s emergence is delayed until next year, the value of the subscription rights may change to reflect, among other things, the benefit of incremental post-emergence tax attributes. Finally, to the extent Reorganized WMI’s net operating losses are not available for any reason to shelter future taxable income, Blackstone’s estimate of Reorganized WMI Value would be reduced by approximately \$10 million to \$20 million.

Blackstone's estimated range of Reorganized WMI Value and the value of the Subscription Rights does not constitute a recommendation to any holder of Allowed Claims as to how such person should vote or otherwise act with respect to the Plan. The estimated range of Reorganized WMI Value and of the value of the Subscription Rights set forth herein does not constitute an opinion as to fairness from a financial point of view to any person of the consideration to be received by such person under the Plan or of the terms and provisions of the Plan. The value of an operating business is subject to numerous uncertainties and contingencies which are difficult to predict and will fluctuate with changes in factors affecting the financial condition and prospects of such a business. As a result, the estimated range of the Reorganized WMI Value and the value of the Subscription Rights set forth herein is not necessarily indicative of actual outcomes, which may be significantly more or less favorable than those set forth herein. Neither the Reorganized Debtors, nor Blackstone, nor any other person assumes responsibility for any differences between the Reorganized WMI Value range or the value of the Subscription Rights and such actual outcomes.

The summary set forth above does not purport to be a complete description of the analyses performed by Blackstone. The preparation of a valuation estimate involves various determinations as to the most appropriate and relevant methods of financial analysis and the application of these methods in the particular circumstances and, therefore, such an estimate is not readily suitable to summary description. In performing these analyses, Blackstone and the reorganized Debtors made numerous assumptions with respect to industry performance, tax, business and economic conditions and other matters. The analyses performed by Blackstone are not necessarily indicative of actual values or future results, which may be significantly more or less favorable than suggested by such analyses.

- G. Proofs of claim have been filed, either prior to the Bar Date or otherwise, against the Debtors and their chapter 11 estates by holders of funded senior indebtedness against WMB (collectively, the "*Asserted WMB Notes Claims*"), which

proofs of claim are listed on Exhibit “B” hereto, including, without limitation, proofs of claim (collectively, the “**Proofs of Claim**”) filed by or on behalf of the Settlement WMB Noteholders (the “**Settlement WMB Noteholder Claims**”). As of the date hereof, the Settlement WMB Noteholders hold the beneficial interest, with power to direct, in the WMB Senior Notes to the extent and in the aggregate amount set forth on Exhibit “C” hereto (collectively, the “**WMB Holdings**”).

H. On March 20, 2009, the Debtors commenced litigation (the “**WMI Action**”) against the FDIC by filing a Complaint, styled Washington Mutual, Inc. and WMI Investment Corp. v. FDIC, Case No. 09-00533, in the United States District Court for the District of Columbia (the “**D.C. District Court**”), challenging the FDIC Receiver’s disallowance of the Debtors’ Claims, and asserting, among other claims, a claim for the Disputed Accounts, as defined below, as deposits and several causes of action to avoid preferential or fraudulent transfers pursuant to the Bankruptcy Code and other applicable federal and state laws. JPMC and the Ad Hoc Committee have intervened, and the Creditors’ Committee has moved to intervene, in the WMI Action. By order, dated January 7, 2010, the D.C. District Court ordered, among other things, that all proceedings in the WMI Action shall be stayed pending a determination by the Bankruptcy Court in the JPMC Action and the Turnover Action, each as defined below, as well as any pending or subsequent appeals.

I. On March 24, 2009, JPMC commenced litigation against the Debtors by filing a Complaint, styled JPMorgan Chase Bank, N.A. v. Washington Mutual, Inc., et al., Adversary Pro. No. 09-5-50551(MFW), in the Bankruptcy Court, asserting claims against the Debtors with respect to assets that JPMC claims to have acquired pursuant to the Purchase and Assumption Agreement (the “**JPMC Action**”) and named the FDIC Receiver as an additional defendant. The Creditors’ Committee and the Ad Hoc Committee have intervened in the JPMC Action.

J. On April 27, 2009, the Debtors commenced litigation against JPMC by filing a Complaint, styled Washington Mutual, Inc. et al. v. JPMorgan Chase Bank, N.A., Adversary Pro. No. 09-50934(MFW), in the Bankruptcy Court, seeking to recover the Disputed Accounts (the “**Turnover Action**”). By motion, dated May 19, 2009 (the “**SJ Motion**”), the Debtors sought entry of an order granting summary judgment in their favor and directing turnover of funds to WMI. A hearing to consider the SJ Motion was held on October 22, 2009 and the matter is *sub judice*. The Creditors’ Committee and the Ad Hoc Committee have intervened in the Turnover Action.

K. The Debtors, joined by the Creditors’ Committee, interposed an objection to certain of the Asserted WMB Notes Claims, including the Settlement WMB Noteholder Claims, in the *Debtors’ Twentieth Omnibus (Substantive) Objection to Claims*, dated as of January 22, 2010 [Docket No. 2205] (the “**Claims Objection**”). The Claims Objection remains pending and the parties thereto have commenced discovery in connection therewith.

L. Subsequent to filing the Claims Objection, the Debtors, the FDIC Receiver and the Settlement WMB Noteholders engaged in negotiations, in an attempt to resolve the Claims Objection and the Settlement WMB Noteholder Claims, as well as certain other issues among the Parties.

M. The Parties have concluded that because of, among other things, the complexity, uncertainty, inherent delay and substantial expense of litigating the issues associated with the Claims Objection, the WMI Action, the JPMC Action and the Turnover Action, the length of time necessary to resolve each of the issues presented therein, and the concomitant disruption to the Debtors' efforts to generate distributions for the benefit of the Debtors' creditors, it is in their respective best interests to resolve their disputes and related matters on the terms set forth in this Agreement and as embodied in the Plan. The Debtors further believe that the compromise and settlement provided herein is fair and reasonable, and in the best interests of the Debtors, the Debtors' estates and their creditors.

N. In connection therewith, the Debtors have provided each of the Settlement WMB Noteholders, and each of the Settlement WMB Noteholders acknowledges that it has received, information and documentation necessary and sufficient to address the merits of the transactions contemplated herein and the execution and delivery of this Agreement.

O. The Settlement WMB Noteholders further acknowledge that, by entering into this Agreement and the consummation of the Plan, other than the Claims specifically preserved by this Agreement, the Settlement WMB Noteholders are releasing any and all claims they hold or may assert against the Debtors, including, but not limited to, any Claim that could be asserted directly against the Debtors, any claim that could be asserted against the Debtors as a derivative claim on behalf of the FDIC Receiver, or any claim that has or could have been asserted against the Debtors and their current and former officers and directors in the litigations styled In re Washington Mutual, Inc., Sec., Deriv. & ERISA Litig., No. 2:08-md-1919 (MJP) and In re Washington Mutual, Inc. Securities Litigation, No. CO8-387 MJP, each pending in the United States District Court for the District of Washington (the "**MDL Litigation**" and, collectively with the WMI Action, the JPMC Action and the Turnover Action, the "**Litigations**").

P. Contemporaneous with the execution and delivery of this Agreement, the Debtors have filed with the Bankruptcy Court the Plan and a disclosure statement in connection therewith (the "**Disclosure Statement**").

NOW, THEREFORE, the Parties, in consideration of the promises, covenants and agreements herein described and for other good and valuable consideration acknowledged by each of them to be satisfactory and adequate, and intending to be legally bound, do hereby mutually agree as follows:

The Debtors hereby covenant and agree that the Debtors shall take, and shall cause their subsidiaries and Affiliates to take, all actions reasonably necessary to obtain, and shall take no action to impede or preclude, the approval of the Disclosure Statement and the entry of the Confirmation Order and the consummation, implementation and administration of the Plan provided that the Disclosure Statement and Plan (and its consummation, implementation and administration) are consistent with the terms herein, including, without limitation, that the Parties have acted in good faith in connection with the negotiation of the terms hereof.

Section 4.2. Covenants of the Settlement WMB Noteholders. Each of the Settlement WMB Noteholders, for itself and on behalf of its Affiliates who are Settlement WMB Noteholders, but not jointly with other Settlement WMB Noteholders, hereby covenants and agrees as follows:

(a) None of the Settlement WMB Noteholders shall sell, transfer, pledge, hypothecate or assign any of the WMB Holdings or any voting rights or participations or other interests therein during the period from the date hereof up to and including the Effective Date; provided, however, that, prior to the Effective Date, the Settlement WMB Noteholders may enter into and consummate one or more agreements to sell, transfer, pledge, hypothecate or assign the WMB Holdings or any voting rights or participations or other interests therein to any third party (a “*Proposed Transferee*”) provided that (i) any such Settlement WMB Noteholder desirous of selling, transferring, pledging, hypothecating or assigning any WMB Holdings shall inform, in writing, any purchaser, agent or other entity with respect thereto of the agreements set forth herein and (ii) such Proposed Transferee executes a letter agreement binding the Proposed Transferee to the terms and conditions of this Agreement to the same extent as the transferring Settlement WMB Noteholder is bound hereby; and, provided, further, that, (1) in the event that the Settlement WMB Noteholders have voted their Settlement WMB Noteholder Claims and Proofs of Claim in accordance with the solicitation procedures established by the Bankruptcy Court and (2) such votes are cast in acceptance of the Plan, then, the Settlement WMB Noteholders may sell, transfer, pledge, hypothecate or assign some or all the WMB Holdings without the requirement that a Proposed Transferee execute and deliver a letter agreement binding such Proposed Transferee to the terms and conditions of this Agreement; and, provided, further, that under no circumstances shall any of the Settlement WMB Noteholders be permitted to, and each Settlement WMB Noteholder agrees that it shall not, sell, transfer, pledge, hypothecate or assign any of the Settlement WMB Noteholders Claims or any interest in and to any of the Proofs of Claim. Notwithstanding anything contained in this Agreement to the contrary, (A) nothing in this Section 4.2(a) shall require a Settlement WMB Bondholder to take any action that it reasonably considers could cause it to breach applicable law, regulation or rule of applicable regulatory authority and (B) the foregoing covenant shall come into force on the date and time that this Agreement, the Plan and the Disclosure Statement are made publicly available.

(b) None of the Settlement WMB Noteholders shall (i) file or assert any additional claim or proof of claim, whatsoever, with the Bankruptcy Court or any other court or in the Receivership against any of the Releasees (including secured, unsecured, administrative, priority or substantial contribution claims); (ii) file any additional claim, commence or prosecute any pending or additional litigation, proceeding, action or matter or seek to recover damages or to seek any other type of relief against any of the Releasees based upon, arising from or relating to any of the Released Claims, or (iii) directly or indirectly aid any person in taking any action with respect to the Released Claims that is prohibited by Section 4.2(b) hereof.

(c) The Settlement WMB Noteholders shall (i) support, and otherwise take no action to impede or preclude, administration of the Debtors' chapter 11 cases, the approval of the Disclosure Statement or the confirmation, implementation and administration of the Plan, (ii) in accordance with the provisions of Section 5.1 hereof, (A) not consent to or vote for any modification of the Plan unless such modification is agreed to by the Debtors and (B) not vote for or support any chapter 11 plan not proposed or supported by the Debtors and (iii) not seek recourse, payment, turnover, indemnity, damages, setoff, pay-over, or other compensation from holders of any Allowed Claims, including, without limitation, Senior Notes Claims, Senior Subordinated Notes Claims, CCB-1 Guarantees Claims, CCB-2 Guarantees Claims, PIERS Claims, or General Unsecured Claims, on account of WMB-issued obligations.

(d) On and effective as of the Effective Date, and without limiting the generality of the foregoing, the Settlement WMB Noteholders shall be deemed to have covenanted not to sue the Releasees with respect to the respective claims released in accordance with Article III of the Global Settlement Agreement and to be permanently barred and enjoined from instituting, prosecuting, pursuing or litigating, in any manner, the WMI Released Claims against the WMI Releasees, the JPMC Released Claims against the JPMC Releasees, the Creditors' Committee Released Claims against the Creditors' Committee Releasees and the FDIC Released Claims against the FDIC Releasees and any other claims relating to the failure, takeover or sale of WMB, or in connection with the conduct and administration of the Receivership; provided, however, that the foregoing is not intended, nor shall it be construed, to release (i) the Debtors from their obligations hereunder or pursuant to the Plan and (ii) the FDIC Receiver or the Receivership with respect to distributions to be made from the Receivership on account of the WMB Holdings.

ARTICLE V PLAN AND PLAN SUPPORT

Section 5.1. Plan Support Commitment. From and after the date hereof, and provided that (a) this Agreement has not been terminated and (b) neither the Disclosure Statement nor the Plan has been amended or modified in a manner materially adverse to the Settlement WMB Noteholders, each of the Settlement WMB Noteholders shall (i) take any and all actions reasonably requested by the Debtors to support (A) approval of the Disclosure Statement in accordance with section 1125 of the Bankruptcy

Code and (B) confirmation of the Plan in accordance with section 1129 of the Bankruptcy Code, including, without limitation, in connection with the Debtors' solicitation of acceptances and rejections to the Plan, cause the Ad Hoc Committee (in connection with the Debtors' distribution of other solicitation materials and at the expense of the Debtors) to distribute a letter to each of the holders of WMB Senior Note Claims stating the support of the Settlement WMB Noteholders for confirmation of the Plan and encouraging that such holders vote to accept the Plan, (ii) not consent to or vote for any modification of the Plan unless such modification is (Y) not materially adverse to the Settlement WMB Noteholders and (Z) not inconsistent with the terms provided herein, as determined by the Settlement WMB Noteholders, in their sole and absolute discretion, and (iii) not vote for or support any chapter 11 plan not proposed or supported by the Debtors, JPMC, the Creditors' Committee and the FDIC Parties.

Section 5.2. Solicitation Required in Connection with Plan.

Notwithstanding anything contained in this Article V or elsewhere in this Agreement to the contrary, this Agreement is not, and shall not be deemed to be, a solicitation of acceptances of the Plan. The Debtors and the Settlement WMB Noteholders acknowledge and agree that the acceptance of the Plan will not be solicited until the Bankruptcy Court has approved the Disclosure Statement and related Ballots, and such Disclosure Statement and Ballots have been transmitted to parties entitled to receive same.

ARTICLE VI CLOSING AND TERMINATION

Section 6.1. Effective Date. This Agreement shall be effective immediately upon the execution and delivery of this Agreement by each of the entities identified on the signature pages of this Agreement.

Section 6.2. Termination of Agreement. This Agreement may be terminated by any Party, at their sole option and discretion, in the event that (a) any Party, taken as a whole, hereto materially breaches any of the covenants set forth in Article IV hereof or any of its other undertakings in this Agreement, (b) the Global Settlement Agreement is terminated and the Plan is withdrawn by the Debtors, (c) the Plan is amended or modified in a manner adverse to the economic interest of the Settlement WMB Noteholders, unless the Settlement WMB Noteholders have agreed to such amendment or modification, in writing; or (d) the Effective Date of the Plan has not occurred on or prior to January 31, 2011.

Section 6.3. Effect of Termination. Except as otherwise provided herein, in the event of the termination of this Agreement, this Agreement shall become null and void and be deemed of no force and effect, with no liability on the part of any Party hereto (or of any of its directors, officers, employees, consultants, contractors, agents, legal and financial advisors or other representatives), and no Party shall have any obligations to any other Party arising out of this Agreement. Upon termination, neither this Agreement nor any terms or provisions set forth herein shall be admissible in any

dispute, litigation, proceeding or controversy among the Parties and nothing contained herein shall constitute or be deemed to be an admission by any Party as to any matter, it being understood that the statements and resolutions reached herein were as a result of negotiations and compromises of the respective positions of the Parties. In addition, no Party shall seek to take discovery concerning this Agreement or admit this Agreement or any part of it into evidence against any other Party hereto.

ARTICLE VII MISCELLANEOUS

Section 7.1. Amendments. This Agreement may not be modified, amended or supplemented except by a written agreement executed by each Party to be affected, or whose constituency may be affected, by such modification, amendment or supplement.

Section 7.2. No Admission of Liability.

(a) The execution of this Agreement is not intended to be, nor shall it be construed as, an admission or evidence in any pending or subsequent suit, action, proceeding or dispute of any liability, wrongdoing, or obligation whatsoever (including as to the merits of any claim or defense) by any Party to any other Party or any other Person with respect to any of the matters addressed in this Agreement.

(b) None of this Agreement (including, without limitation, the Recitals and Exhibits hereto), the settlement or any act performed or document executed pursuant to or in furtherance of this Agreement or the settlement: (i) is or may be deemed to be or may be used as an admission or evidence of the validity of any claim, or any allegation made in the Actions or of any wrongdoing or liability of any Party; (ii) is or may be deemed to be or may be used as an admission or evidence of any liability, fault or omission of any Party in any civil, criminal or administrative proceeding in any court, administrative agency or other tribunal; (iii) is or may be deemed to be or used as an admission or evidence against the Reorganized Debtors or the Debtors with respect to the validity of any of the Settlement WMB Noteholder Claims; or (iv) is or may be deemed to be used as an admission or evidence of the jurisdiction of any court to adjudicate claims or matters relating to the Receivership. None of this Agreement, the settlement, or any act performed or document executed pursuant to or in furtherance of this Agreement or the settlement shall be admissible in any proceeding for any purposes, except to enforce the terms of the Agreement, and except that any Party may file this Agreement in any action for any purpose, including, but not limited to, in order to support a defense or counterclaim based on the principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction or any other theory of claim preclusion or issue preclusion or similar defense of counterclaim.

Section 7.3. Good Faith Negotiations. The Parties recognize and acknowledge that each of the Parties hereto is represented by counsel, and such Party received independent legal advice with respect to the advisability of entering into this

Agreement. Each of the Parties acknowledges that the negotiations leading up to this Agreement were conducted regularly and at arm's length; this Agreement is made and executed by and of each Party's own free will; that each knows all of the relevant facts and his or its rights in connection therewith, and that he or it has not been improperly influenced or induced to make this settlement as a result of any act or action on the part of any party or employee, agent, attorney or representative of any party to this Agreement. The Parties further acknowledge that they entered into this Agreement because of their desire to avoid the further expense and inconvenience of litigation and other disputes, and to compromise permanently and settle the claims between the Parties settled by the execution of this Agreement. The Parties further acknowledge and agree that, in connection with the Debtors' chapter 11 cases and the negotiation and consummation of this Agreement, the Settlement WMB Noteholders, at all times, acted (a) in good faith and (b) solely for themselves and not on behalf of or in representation of any other creditors, bondholders or other parties in interest.

Section 7.4. Third Party Beneficiaries. Nothing in this Agreement, express or implied, is intended or shall be construed to confer upon, or to give to, any Person other than the Parties hereto, the Reorganized Debtors, the Releasees, and their respective successors and assigns, any right, remedy or claim under or by reason of this Agreement or any covenant, condition or stipulation thereof; and the covenants, stipulations and agreements contained in this Agreement are and shall be for the sole and exclusive benefit of the Parties hereto, the Releasees and their respective successors and assigns.

Section 7.5. Governing Law; Retention of Jurisdiction; Service of Process. This Agreement shall be governed by and construed in accordance with the internal laws of the State of New York and applicable federal law. By its execution and delivery of this Agreement, each of the Debtors and the Settlement WMB Noteholders hereby irrevocably and unconditionally agrees for itself that any legal action, suit or proceeding between any or all of the foregoing with respect to any matter under or arising out of or in connection with this Agreement or for recognition or enforcement of any judgment rendered in any such action, suit or proceeding, shall be brought in the Bankruptcy Court for that purpose only, and, by execution and delivery of this Agreement, each hereby irrevocably accepts and submits itself to the jurisdiction of such court, generally and unconditionally, with respect to any such action, suit or proceeding, subject to a Party's rights pursuant to applicable law. In the event any such action, suit or proceeding is commenced, the Parties hereby agree and consent that service of process may be made, and personal jurisdiction over any Party hereto in any such action, suit or proceeding may be obtained, by service of a copy of the summons, complaint and other pleadings required to commence such action, suit or proceeding upon the Party at the address of such Party set forth in Section 7.10 hereof, unless another address has been designated by such Party in a notice given to the other Parties in accordance with Section 7.10 hereof.

Section 7.6. Headings. The headings of the sections, paragraphs and subsections of this Agreement are inserted for convenience only and are not part of this

Agreement and do not in any way limit or modify the terms or provisions of this Agreement and shall not affect the interpretation hereof.

Section 7.7. Binding Agreement Successors and Assigns; Joint and Several Obligations. This Agreement shall be binding only upon the execution and delivery of this Agreement by the Parties listed on the signature pages hereto, subject to Bankruptcy Court approval as to the Debtors. This Agreement is intended to, and shall be deemed to, bind and inure to the benefit of the Parties and their respective successors, assigns, administrators, constituents and representatives. The agreements, representations, covenants and obligations of the Parties under this Agreement are several only and not joint in any respect and none shall be responsible for the performance or breach of this Agreement by another.

Section 7.8. Entire Agreement. This Agreement, the Confirmation Order and the Plan constitute the full and entire agreement among the Parties with regard to the subject hereof, and supersedes all prior negotiations, representations, promises or warranties (oral or otherwise) made by any Party with respect to the subject matter hereof. No Party has entered into this Agreement in reliance on any other Party's prior representation, promise or warranty (oral or otherwise) except for those that may be expressly set forth in this Agreement.

Section 7.9. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original copy of this Agreement and all of which, when taken together, shall constitute one and the same Agreement. Copies of executed counterparts transmitted by telecopy or other electronic transmission service shall be considered original executed counterparts, provided receipt of copies of such counterparts is confirmed.

Section 7.10. Notices. All demands, notices, requests, consents, and other communications hereunder shall be in writing and shall be deemed to have been duly given (i), when personally delivered by courier service or messenger, (ii) upon actual receipt (as established by confirmation of receipt or otherwise) during normal business hours, otherwise on the first business day thereafter if transmitted electronically (by e-mail transmission), by facsimile or telecopier, with confirmation of receipt, or (iii) three (3) Business Days after being duly deposited in the mail, by certified or registered mail, postage prepaid-return receipt requested, to the following addresses, or such other addresses as may be furnished hereafter by notice in writing, to the following Parties:

At the option and discretion of the Debtors, which option shall be exercised, in writing, on or prior to the commencement of the Confirmation Hearing, such payment shall be made (i) in full, in Cash, on or as soon as reasonably practicable following the later to occur of (a) the Effective Date and (b) the date on which such claim becomes an Allowed Claim, (ii) in accordance with section 1129(a)(9)(C) of the Bankruptcy Code, in full, in Cash, in equal quarterly installments commencing on the first (1st) Business Day following the Effective Date and continuing over a period not exceeding five (5) years from and after the Petition Date, together with interest accrued thereon at the applicable non-bankruptcy rate, subject to the sole option of the

PROVISION FOR TREATMENT OF PRIORITY NON-TAX CLAIMS (CLASS 1)

5.1 **Payment of Allowed Priority Non-Tax Claims:** Unless otherwise mutually agreed upon by the holder of an Allowed Priority Non-Tax Claim and the Debtors, on the later of the Effective Date and the date such Allowed Priority Non-Tax Claim becomes an Allowed Priority Non-Tax Claim, or as soon thereafter as is practicable, the Disbursing Agent shall pay to each holder of an Allowed Priority Non-Tax Claim, in Cash, the full amount of such Allowed Priority Non-Tax Claim, in full satisfaction, settlement, release, and discharge of, and in exchange for such Allowed Priority Non-Tax Claim.

ARTICLE VI

PROVISION FOR TREATMENT OF SENIOR NOTES CLAIMS (CLASS 2)

6.1 **Treatment of Senior Notes Claims:** Commencing on the Effective Date, and subject to the right of election described in Section 6.2 below, each holder of an Allowed Senior Notes Claim shall receive, in full satisfaction, release and exchange of such holder's Allowed Senior Notes Claim and Postpetition Interest Claim (which, for the avoidance of doubt, shall have been finally determined to not be subject to any avoidance, reduction, setoff, offset, recharacterization, subordination (whether equitable, contractual or otherwise), counterclaim, cross claim, defense, disallowance, impairment, objection, or challenge under applicable law or regulation by any person, except as otherwise provided herein), subject to the Lien or priority rights of the Senior Notes Indenture Trustee, such holder's Pro Rata Share of (i) Creditor Cash and (ii) Liquidating Trust Interests, in an aggregate amount equal to (a) such holder's Allowed Senior Notes Claim and (b) in the event that all Allowed Claims are paid in full, such holder's Postpetition Interest Claim. In addition, in accordance with the Subordination Model attached hereto as Exhibit "G", each holder of an Allowed Senior Notes Claim shall be entitled to receive on account of such Allowed Senior Notes Claim and, irrespective of whether all Allowed Claims are paid in full, such holder's Postpetition Interest Claim, redistributions of Creditor Cash, Cash received on account of Liquidating Trust Interests, Reorganized Common Stock, and the value attributable to Subscription Rights. The relative priorities among holders of Allowed Senior Notes Claims, Allowed Senior Subordinated Notes Claims, Allowed General Unsecured Claims, Allowed CCB-1 Guarantees Claims, Allowed CCB-2 Guarantees Claims, and Allowed PIERS Claims, and the order in which such holders are entitled to receive payment of their Allowed Claims and Postpetition Interest Claims, including, without limitation, on account of contractual subordination and subrogation provisions, are set forth in more detail in the Subordination Model attached hereto as Exhibit "G"; provided, however, that, to the extent that the priorities set forth in the Subordination Model conflict with the contractual subordination provisions of the Senior Subordinated Notes Indenture, CCB-1 Guarantee Agreements, CCB-2 Guarantee Agreements, Junior Subordinated Notes Indenture and/or PIERS Guarantee Agreement, the contractual subordination and subrogation provisions of such Indentures and Guarantee Agreements shall govern and shall be enforced pursuant to section 510(a) of the Bankruptcy Code.

6.2 **Right of Election:** On the Ballot, and subject to the provisions of Section 32.1(a) of the Plan with respect to a Retention/Sale Transaction, each holder of an Allowed

Senior Notes Claim shall be provided the right to elect, in its sole and absolute discretion, to receive Reorganized Common Stock (subject to adjustment based upon the amount of Reorganized Common Stock elected by holders of Allowed General Unsecured Claims and subject to dilution on account of the Rights Offering), in lieu of some or all of the Creditor Cash or Cash on account of Liquidating Trust Interests, as the case may be, that such holder otherwise is entitled to receive pursuant to the Plan, in each instance, subject to the Lien or priority rights of the Senior Notes Indenture Trustee; provided, however, that (a) each holder of an Allowed Senior Notes Claim may only elect to receive that percentage of Reorganized Common Stock that equals such holder's Pro Rata Share of all Allowed Senior Notes Claims and Allowed General Unsecured Claims; (b) if all Allowed Senior Notes Claims and Postpetition Interest Claims on account of Allowed Senior Notes Claims are paid in full, in Cash on the Effective Date, then holders of Allowed Senior Notes Claims who elected to receive Reorganized Common Stock shall not receive such stock and their election rights shall automatically be deemed cancelled; and (c) to the extent that all Allowed Senior Notes Claims and/or Postpetition Interest Claims on account of Allowed Senior Notes Claims are not paid in full, in Cash on the Effective Date, then holders of Allowed Senior Notes Claims who elected to receive Reorganized Common Stock shall only be entitled to receive Reorganized Common Stock with an aggregate value equal to any unpaid portion of their Allowed Senior Notes Claims and Postpetition Interest Claims in accordance with the Subordination Model attached hereto as Exhibit "G"; provided, however, that each holder of an Allowed Senior Notes Claim may only receive that percentage of Reorganized Common Stock that equals such holder's Pro Rata Share of (i) all Allowed Senior Notes Claims and Allowed General Unsecured Claims plus (ii) if such stock is being distributed on account of Postpetition Interest Claims, all Allowed Senior Subordinated Notes Claims, Allowed General Unsecured Claims, Postpetition Interest Claims in respect of Allowed Senior Notes Claims, and Postpetition Interest Claims in respect of Allowed Senior Subordinated Notes Claims. To the extent a holder of an Allowed Senior Notes Claim receives Reorganized Common Stock, such holder's distribution of Creditor Cash or Cash to be received on account of Liquidating Trust Interests, as the case may be, shall be reduced on a dollar-for-dollar basis by the value of the Reorganized Common Stock received (valued as of the Effective Date), so that the ultimate recovery percentage for each holder of an Allowed Senior Notes Claim is the same, regardless of whether a holder receives Reorganized Common Stock. Failure by any holder of an Allowed Senior Notes Claim to elect to exercise rights provided in this Section 6.2 on or before the Ballot Date shall constitute a deemed waiver and relinquishment of such rights by such holder. Any election made after the Ballot Date shall not be binding upon the Debtors unless the Ballot Date is waived, in writing, by the Debtors; provided, however, that under no circumstance may such waiver by the Debtors occur on or after the Effective Date.

6.3 **Limitation on Recovery**: Notwithstanding anything contained herein to the contrary, including, without limitation, the distributions to be made to a holder of an Allowed Senior Notes Claim in accordance with Section 6.1 of the Plan, in the event that the sum of (i) distributions of Reorganized Common Stock (valued as of the Effective Date), Creditor Cash and Cash received on account of Liquidating Trust Interests in accordance with Sections 6.1 and 6.2 and (ii) redistributions of Creditor Cash, Cash received on account of Liquidating Trust Interests, Reorganized Common Stock, and the value attributable to Subscription Rights, in accordance with the enforcement, pursuant to section 510(a) of the Bankruptcy Code, of contractual subordination provisions, as set forth in the Subordination Model attached hereto as Exhibit "G", are equal to or in excess of one hundred percent (100%) of such holder's Allowed Senior Notes

Claim and Postpetition Interest Claim, then the Cash received on account of Liquidating Trust Interests that is distributable to such holder in excess of such one hundred percent (100%) shall be deemed redistributed to holders of Allowed Claims or Equity Interests or the Disbursing Agent for and on behalf of holders of Disputed Claims in accordance with the Subordination Model attached hereto as Exhibit “G”. Notwithstanding anything contained herein to the contrary, for the avoidance of doubt, the subrogation rights of holders of Allowed Senior Notes Claims shall be preserved.

ARTICLE VII

PROVISION FOR TREATMENT OF SENIOR SUBORDINATED NOTES CLAIMS (CLASS 3)

7.1 **Treatment of Senior Subordinated Notes Claims:** Commencing on the Effective Date, and subject to the right of election described in Section 7.2 below, each holder of an Allowed Senior Subordinated Notes Claim shall receive, in full satisfaction, release and exchange of such holder’s Allowed Senior Subordinated Notes Claim and Postpetition Interest Claim (which, for the avoidance of doubt, shall have been finally determined to not be subject to any avoidance, reduction, setoff, offset, recharacterization, subordination (whether equitable, contractual or otherwise), counterclaim, cross claim, defense, disallowance, impairment, objection, or challenge under applicable law or regulation by any person, except as otherwise provided herein), subject to the Lien or priority rights of the Senior Subordinated Notes Indenture Trustee, such holder’s Pro Rata Share of (i) Creditor Cash and (ii) Liquidating Trust Interests, in an aggregate amount equal to (a) such holder’s Allowed Senior Subordinated Notes Claim and (b) in the event that all Allowed Claims are paid in full, such holder’s Postpetition Interest Claim; provided, however, that any distribution to holders of Allowed Senior Subordinated Notes Claims of (a) Creditor Cash, (b) Cash received on account of Liquidating Trust Interests and (c) Reorganized Common Stock (to the extent elected pursuant to Section 7.2), shall be redistributed, subject to Bankruptcy Rule 3021 and subject to any Lien or priority rights of the Senior Subordinated Notes Indenture Trustee, in accordance with the priorities set forth in the Subordination Model attached hereto as Exhibit “G”. In addition, in accordance with the Subordination Model attached hereto as Exhibit “G”, each holder of an Allowed Senior Subordinated Notes Claim shall be entitled to receive on account of such Allowed Senior Subordinated Notes Claim and, irrespective of whether all Allowed Claims are paid in full, such holder’s Postpetition Interest Claim, redistributions of Creditor Cash, Cash received on account of Liquidating Trust Interests, Reorganized Common Stock, and the value attributable to Subscription Rights. The relative priorities among holders of Allowed Senior Notes Claims, Allowed Senior Subordinated Notes Claims, Allowed General Unsecured Claims, Allowed CCB-1 Guarantees Claims, Allowed CCB-2 Guarantees Claims, and Allowed PIERS Claims, and the order in which such holders are entitled to receive payment of their Allowed Claims and Postpetition Interest Claims, including, without limitation, on account of contractual subordination and subrogation provisions, are set forth in more detail in the Subordination Model attached hereto as Exhibit “G”; provided, however, that, to the extent that the priorities set forth in the Subordination Model conflict with the contractual subordination provisions of the Senior Subordinated Notes Indenture, CCB-1 Guarantee Agreements, CCB-2 Guarantee Agreements, Junior Subordinated Notes Indenture and/or PIERS Guarantee Agreement, the contractual

subordination and subrogation provisions of such Indentures and Guarantee Agreements shall govern and shall be enforced pursuant to section 510(a) of the Bankruptcy Code.

7.2 **Right of Election:** On the Ballot, and subject to the provisions of Section 32.1(a) of the Plan with respect to a Retention/Sale Transaction, each holder of an Allowed Senior Subordinated Notes Claim shall be provided the right to elect, in its sole and absolute discretion, to receive Reorganized Common Stock (to the extent remaining after distribution to holders of Allowed Senior Notes Claims and Allowed General Unsecured Claims and subject to dilution on account of the Rights Offering), in lieu of some or all of the Creditor Cash or Cash on account of Liquidating Trust Interests, as the case may be, that such holder otherwise is entitled to receive pursuant to the Plan, in each instance, subject to the Lien or priority rights of the Senior Subordinated Notes Indenture Trustee; provided, however, that each holder of an Allowed Senior Subordinated Notes Claim may only elect to receive that percentage of Reorganized Common Stock that equals such holder's Pro Rata Share of all Allowed Senior Subordinated Notes Claims. To the extent a holder of an Allowed Senior Subordinated Notes Claim receives Reorganized Common Stock, such holder's distribution of Creditor Cash or Cash to be received on account of Liquidating Trust Interests, as the case may be, shall be reduced on a dollar-for-dollar basis by the value of the Reorganized Common Stock received (valued as of the Effective Date), so that the ultimate recovery percentage for each holder of an Allowed Senior Subordinated Notes Claim is the same, regardless of whether a holder receives Reorganized Common Stock. Failure by any holder of an Allowed Senior Subordinated Notes Claim to elect to exercise rights provided in this Section 7.2 on or before the Ballot Date shall constitute a deemed waiver and relinquishment of such rights by such holder. Any election made after the Ballot Date shall not be binding upon the Debtors unless the Ballot Date is waived, in writing, by the Debtors; provided, however, that under no circumstance may such waiver by the Debtors occur on or after the Effective Date.

7.3 **Limitation on Recovery:** Notwithstanding anything contained herein to the contrary, including, without limitation, the distributions to be made to a holder of an Allowed Senior Subordinated Notes Claim in accordance with Section 7.1 of the Plan, in the event that the sum of (i) distributions of Reorganized Common Stock (valued as of the Effective Date), Creditor Cash and Cash received on account of Liquidating Trust Interests in accordance with Sections 7.1 and 7.2, (ii) redistributions of Creditor Cash, Cash received on account of Liquidating Trust Interests, Reorganized Common Stock, and the value attributable to Subscription Rights, in accordance with the enforcement, pursuant to section 510(a) of the Bankruptcy Code, of contractual subordination provisions, as set forth in the Subordination Model attached hereto as Exhibit "G", and (iii) redistributions of Cash received on account of Liquidating Trust Interests in accordance with the provisions of Section 6.3 herein are equal to or in excess of one hundred percent (100%) of such holder's Allowed Senior Subordinated Notes Claim and Postpetition Interest Claim, then the Cash received on account of Liquidating Trust Interests that is distributable to such holder in excess of such one hundred percent (100%) shall be deemed redistributed to holders of Allowed Claims or Equity Interests or the Disbursing Agent for and on behalf of holders of Disputed Claims in accordance with the Subordination Model attached hereto as Exhibit "G". Notwithstanding anything contained herein to the contrary, for the avoidance of doubt, the subrogation rights of holders of Allowed Senior Subordinated Notes Claims shall be preserved.

Failure by any holder of an Allowed General Unsecured Claim to elect to exercise rights provided in this Section 16.2 on or before the Ballot Date shall constitute a deemed waiver and relinquishment of such rights by such holder. Any election made after the Ballot Date shall not be binding upon the Debtors unless the Ballot Date is waived, in writing, by the Debtors; provided, however, that under no circumstance may such waiver by the Debtors occur on or after the Effective Date.

Such election must be made on the Ballot and be received by the Debtors on or prior to the Ballot Date. Any election made after the Ballot Date shall not be binding upon the Debtors unless the Ballot Date is expressly waived, in writing, by the Debtors; provided, however, that, under no circumstance may such waiver by the Debtors occur on or after the Effective Date.

18.2 **Right of Election**: On the Ballot, and subject to the provisions of Section 32.1(a) of the Plan with respect to a Retention/Sale Transaction, each holder of an Allowed CCB-1 Guarantees Claim shall be provided the right to elect, in its sole and absolute discretion, to receive Reorganized Common Stock (to the extent remaining after distribution to holders of Allowed Senior Notes Claims, Allowed General Unsecured Claims, and Allowed Senior Subordinated Notes Claims, subject to adjustment based upon the number of shares elected by holders of Allowed CCB-2 Guarantees Claims, and subject to dilution on account of the Rights Offering), in lieu of some or all of the Creditor Cash or Cash on account of Liquidating Trust Interests, as the case may be, that such holder otherwise is entitled to receive pursuant to the Plan, in each instance, subject to the Lien or priority rights of the CCB-1 Trustee; provided, however, that each holder of an Allowed CCB-1 Guarantees Claim may only elect to receive that percentage of Reorganized Common Stock that equals such holder’s Pro Rata Share of all Allowed CCB-1 Guarantees Claims and Allowed CCB-2 Guarantees Claims. Failure by any holder of an Allowed CCB-1 Guarantees Claim to elect to exercise rights provided in this Section 18.2 on or before the Ballot Date shall constitute a deemed waiver and relinquishment of such rights by such holder. Any election made after the Ballot Date shall not be binding upon the Debtors unless the Ballot Date is waived, in writing, by the Debtors; provided, however, that under no circumstance may such waiver by the Debtors occur on or after the Effective Date.

18.3 **Limitation on Recovery**: Notwithstanding anything contained herein to the contrary, including, without limitation, the distributions to be made to a holder of an Allowed CCB-1 Guarantees Claim in accordance with Section 18.1 of the Plan, in the event that the sum of (i) distributions of Reorganized Common Stock (valued as of the Effective Date), Creditor Cash and Cash received on account of Liquidating Trust Interests in accordance with Sections 18.1 and 18.2, (ii) redistributions of Creditor Cash, Cash received on account of Liquidating Trust Interests, Reorganized Common Stock, and the value attributable to Subscription Rights, in accordance with the enforcement, pursuant to section 510(a) of the Bankruptcy Code, of contractual subordination provisions, as set forth in the Subordination Model attached hereto as

Notwithstanding anything contained herein to the contrary, for the avoidance of doubt, the subrogation rights of holders of Allowed CCB-1 Guarantees Claims shall be preserved.

ARTICLE XIX

PROVISION FOR TREATMENT OF CCB-2 GUARANTEES CLAIMS (CLASS 15)

19.1 **Treatment of CCB-2 Guarantees Claims:** Commencing on the Effective Date, and subject to the right of election described in Section 19.2 below, each holder of an Allowed CCB-2 Guarantees Claim shall receive, in full satisfaction, release and exchange of such holder’s Allowed CCB-2 Guarantees Claim and Postpetition Interest Claim (which, for the avoidance of doubt, shall have been finally determined to not be subject to any avoidance, reduction, setoff, offset, recharacterization, subordination (whether equitable, contractual or otherwise), counterclaim, cross claim, defense, disallowance, impairment, objection, or challenge under applicable law or regulation by any person, except as otherwise provided herein), subject to the Lien or priority rights of the CCB-2 Trustees, such holder’s Pro Rata Share of (i) Creditor Cash and (ii) Liquidating Trust Interests, in an aggregate amount equal to (a) such holder’s Allowed CCB-2 Guarantees Claim and (b) in the event that all Allowed Claims are paid in full, such holder’s Postpetition Interest Claim; provided, however, that any distribution to holders of Allowed CCB-2 Guarantees Claims of (a) Creditor Cash, (b) Cash received on account of Liquidating Trust Interests, and (c) Reorganized Common Stock (to the extent elected pursuant to Section 19.2), shall be redistributed, subject to Bankruptcy Rule 3021 and subject to the Lien or priority rights of the CCB-2 Trustees, in accordance with the priorities set forth in the Subordination Model attached hereto as Exhibit “G”. In addition, in accordance with the Subordination Model attached hereto as Exhibit “G”, each holder of an Allowed CCB-2 Guarantees Claim shall be entitled to receive on account of such Allowed CCB-2 Guarantees Claim and, irrespective of whether all Allowed Claims are paid in full, such holder’s Postpetition Interest Claim, redistributions of Creditor Cash, Cash received on account of Liquidating Trust Interests, Reorganized Common Stock, and the value attributable to Subscription Rights. The relative priorities among holders of Allowed Senior Notes Claims, Allowed Senior Subordinated Notes Claims, Allowed General Unsecured Claims, Allowed CCB-1 Guarantees Claims, Allowed CCB-2 Guarantees Claims, and Allowed PIERS Claims, and the order in which such holders are entitled to receive payment of their Allowed Claims and Postpetition Interest Claims, including, without limitation, on account of contractual subordination and subrogation provisions, are set forth in more detail in the Subordination Model attached hereto as Exhibit “G”; provided, however, that, to the extent that the priorities set forth in the Subordination Model conflict with the contractual subordination provisions of the Senior Subordinated Notes Indenture, CCB-1 Guarantee Agreements, CCB-2 Guarantee Agreements, Junior Subordinated

Notes Indenture and/or PIERS Guarantee Agreement, the contractual subordination and subrogation provisions of such Indentures and Guarantee Agreements shall govern and shall be enforced pursuant to section 510(a) of the Bankruptcy Code.

19.2 **Right of Election**: On the Ballot, and subject to the provisions of Section 32.1(a) of the Plan with respect to a Retention/Sale Transaction, each holder of an Allowed CCB-2 Guarantees Claim shall be provided the right to elect, in its sole and absolute discretion, to receive Reorganized Common Stock (to the extent remaining after distribution to holders of Allowed Senior Notes Claims, Allowed General Unsecured Claims, and Allowed Senior Subordinated Notes Claims, subject to adjustment based upon the number of shares of Reorganized Common Stock elected by holders of Allowed CCB-1 Guarantees Claims, and subject to dilution on account of the Rights Offering), in lieu of some or all of the Creditor Cash or Cash on account of Liquidating Trust Interests, as the case may be, that such holder otherwise is entitled to receive pursuant to the Plan, in each instance, subject to the Lien or priority rights of the CCB-2 Trustees; provided, however, that each holder of an Allowed CCB-2 Guarantees Claim may only elect to receive that percentage of Reorganized Common Stock that equals such holder's Pro Rata Share of all Allowed CCB-1 Guarantees Claims and Allowed CCB-2 Guarantees Claims. To the extent a holder of an Allowed CCB-2 Guarantees Claim receives Reorganized Common Stock, such holder's distribution of Creditor Cash or Cash to be received on account of Liquidating Trust Interests, as the case may be, shall be reduced on a dollar-for-dollar basis by the value of the Reorganized Common Stock received (valued as of the Effective Date), so that the ultimate recovery percentage for each holder of an Allowed CCB-2 Guarantees Claim is the same, regardless of whether a holder receives Reorganized Common Stock. Failure by any holder of an Allowed CCB-2 Guarantees Claim to elect to exercise rights provided in this Section 19.2 on or before the Ballot Date shall constitute a deemed waiver and relinquishment of such rights by such holder. Any election made after the Ballot Date shall not be binding upon the Debtors unless the Ballot Date is waived, in writing, by the Debtors; provided, however, that under no circumstance may such waiver by the Debtors occur on or after the Effective Date.

19.3 **Limitation on Recovery**: Notwithstanding anything contained herein to the contrary, including, without limitation, the distributions to be made to a holder of an Allowed CCB-2 Guarantees Claim in accordance with Section 19.1 of the Plan, in the event that the sum of (i) distributions of Reorganized Common Stock (valued as of the Effective Date), Creditor Cash and Cash received on account Liquidating Trust Interests in accordance with Sections 19.1 and 19.2, (ii) redistributions of Creditor Cash, Cash received on account of Liquidating Trust Interests, Reorganized Common Stock, and the value attributable to Subscription Rights, in accordance with the enforcement, pursuant to section 510(a) of the Bankruptcy Code, of contractual subordination provisions, as set forth in the Subordination Model attached hereto as Exhibit "G", (iii) redistributions of Cash received on account of Liquidating Trust Interests in accordance with the provisions of Sections 6.3 or 7.3 and (iv) distributions from the Receivership are equal to or in excess of one hundred percent (100%) of such holder's Allowed CCB-2 Guarantees Claim and Postpetition Interest Claim, then the Cash received on account of Liquidating Trust Interests that is distributable to such holder in excess of such one hundred percent (100%) shall be deemed redistributed to holders of Allowed Claims or Equity Interests or the Disbursing Agent for and on behalf of holders of Disputed Claims in accordance with the Subordination Model attached hereto as Exhibit "G". Notwithstanding anything contained

herein to the contrary, for the avoidance of doubt, the subrogation rights of holders of Allowed CCB-2 Guarantees Claims shall be preserved.

ARTICLE XX

20.1 **Treatment of PIERS Claims**: Commencing on the Effective Date, and subject to the right of election described in Section 20.2 below, each holder of an Allowed PIERS Claim shall receive, in full satisfaction, release and exchange of such holder's Allowed PIERS Claim and Postpetition Interest Claim (which, for the avoidance of doubt, shall have been finally determined to not be subject to any avoidance, reduction, setoff, offset, recharacterization, subordination (whether equitable, contractual or otherwise), counterclaim, cross claim, defense, disallowance, impairment, objection, or challenge under applicable law or regulation by any person, except as otherwise provided herein), subject to the Lien or priority rights of the PIERS Trustee, such holder's Pro Rata Share of (i) subject to the provisions of Section 32.1(a), Reorganized Common Stock (to the extent remaining after distribution to holders of Allowed Senior Notes Claims, Allowed General Unsecured Claims, Allowed Senior Subordinated Notes Claims, Allowed CCB-1 Guarantees Claims, and Allowed CCB-2 Guarantees Claims and subject to dilution on account of the Rights Offering), (ii) Creditor Cash and (iii) Liquidating Trust Interests, in an aggregate amount equal to (a) such holder's Allowed PIERS Claim and (b) in the event that all Allowed Claims are paid in full, such holder's Postpetition Interest Claim; provided, however, that notwithstanding the foregoing, the contractual subordination and subrogation rights of Entities who hold PIERS Preferred Securities shall be preserved and enforced hereunder pursuant to section 510(a) of the Bankruptcy Code and any distribution on account of the PIERS Common Securities of (i) Reorganized Common Stock, (ii) Creditor Cash and (iii) Cash on account of Liquidating Trust Interests shall be redistributed, subject to Bankruptcy Rule 3021 and subject to the Lien and priority rights of the PIERS Trustee, to Entities who hold PIERS Preferred Securities, until such time as such Entities' Allowed PIERS Claims and Postpetition Interest Claims have been satisfied in accordance with the terms and provisions of the PIERS Trust Agreement; and provided further that, any distribution to holders of Allowed PIERS Claims of (a) Creditor Cash, (b) Cash received on account of Liquidating Trust Interests, and (c) Reorganized Common Stock, shall be redistributed, subject to Bankruptcy Rule 3021 and subject to the Lien or priority rights of the PIERS Trustee, in accordance with the priorities set forth in the Subordination Model attached hereto as Exhibit "G". The relative priorities among holders of Allowed Senior Notes Claims, Allowed Senior Subordinated Notes Claims, Allowed General Unsecured Claims, Allowed CCB-1 Guarantees Claims, Allowed CCB-2 Guarantees Claims, and Allowed PIERS Claims, and the order in which such holders are entitled to receive payment of their Allowed Claims and Postpetition Interest Claims, including, without limitation, on account of contractual subordination and subrogation provisions, are set forth in more detail in the Subordination Model attached hereto as Exhibit "G"; provided, however, that, to the extent that the priorities set forth in the Subordination Model conflict with the contractual subordination provisions of the Senior Subordinated Notes Indenture, CCB-1 Guarantee Agreements, CCB-2 Guarantee Agreements, Junior Subordinated Notes Indenture and/or PIERS Guarantee Agreement, the contractual subordination and subrogation provisions of such Indentures and Guarantee Agreements shall govern and shall be enforced pursuant to section 510(a) of the Bankruptcy Code.

20.2 **Right of Election:** On the Ballot, and subject to the provisions of Section 32.1(a) of the Plan with respect to a Retention/Sale Transaction, each holder of an Allowed PIERS Claim shall be provided the right to elect, in its sole and absolute discretion, to receive additional Creditor Cash, Cash on account of Liquidating Trust Interests, or Reorganized Common Stock (to the extent remaining after distribution to holders of Allowed Senior Notes Claims, Allowed General Unsecured Claims, Allowed Senior Subordinated Notes Claims, Allowed CCB-1 Guarantees Claims, and Allowed CCB-2 Guarantees Claims and subject to dilution on account of the Rights Offering), as the case may be, in lieu of some or all of the Reorganized Common Stock, Creditor Cash or Cash on account of Liquidating Trust Interests, as the case may be, that such holder otherwise is entitled to receive pursuant to the Plan, in each instance, subject to the Lien or priority rights of the PIERS Trustee; provided, however, that, to the extent that there is an imbalance between the amount of Creditor Cash or Cash on account of Liquidating Trust Interests, as the case may be, and the number of Reorganized Common Stock shares elected by holders of Allowed PIERS Claims, either the Creditor Cash, Cash on account of Liquidating Trust Interests or Reorganized Common Stock shares elected shall be reduced, on a Pro Rata Share basis, to each holder to eliminate such imbalance. The ultimate recovery percentage for each holder of an Allowed PIERS Claim shall be the same, regardless of whether a holder elects to receive more or less Reorganized Common Stock. Failure by any holder of an Allowed PIERS Claim to elect to exercise rights provided in this Section 20.2 on or before the Ballot Date shall constitute a deemed waiver and relinquishment of such rights by such holder. Any election made after the Ballot Date shall not be binding upon the Debtors unless the Ballot Date is waived, in writing, by the Debtors; provided, however, that under no circumstance may such waiver by the Debtors occur on or after the Effective Date.

20.3 **Limitation on Recovery:** Notwithstanding anything contained herein to the contrary, including, without limitation, the distributions to be made to a holder of an Allowed PIERS Claim in accordance with Section 20.1 of the Plan, in the event that the sum of (i) distributions of Reorganized Common Stock (valued as of the Effective Date), Creditor Cash and Cash received on account of Liquidating Trust Interests in accordance with Sections 20.1 and 20.2 and (ii) redistributions of Cash received on account of Liquidating Trust Interests in accordance with the provisions of Sections 6.3, 7.3, 18.3, or 19.3 are equal to or in excess of one hundred percent (100%) of such holder's Allowed PIERS Claim and Postpetition Interest Claim, then the Cash received on account of Liquidating Trust Interests that is distributable to such holder in excess of such one hundred percent (100%) shall be deemed redistributed to holders of Allowed Claims or Equity Interests or the Disbursing Agent for and on behalf of holders of Disputed Claims in accordance with the Subordination Model attached hereto as Exhibit "G". Notwithstanding anything contained herein to the contrary, for the avoidance of doubt, the subrogation rights of holders of Allowed PIERS Claims shall be preserved.

20.4 **Subscription Rights:** In addition to the foregoing, each holder of an Allowed PIERS Claim that relates to a PIERS Preferred Security shall receive its Pro Rata Share of PIERS Subscription Rights, to be exercised pursuant to the terms of the Rights Offering, as set forth in Article XXXIV of the Plan; provided, however, that the value attributable to Subscription Rights (but not the Subscription Rights) shall be subject to redistribution in accordance with the enforcement, pursuant to section 510(a) of the Bankruptcy Code, of contractual subordination provisions, as set forth in the Subordination Model attached hereto as Exhibit "G"; and, provided, further, that, to the extent a holder of an Allowed PIERS Claim that

relates to a PIERS Preferred Security elects to exercise Subscription Rights and receives shares of Additional Common Stock pursuant thereto, such holder's distribution of Creditor Cash or Cash to be received on account of Liquidating Trust Interests, as the case may be, shall be reduced, on a dollar-for-dollar basis, by the value attributable to the Subscription Rights exercised (but not the value of the Additional Common Stock received), so that the ultimate recovery percentage for each holder of an Allowed PIERS Claim is the same, regardless of whether a holder exercises Subscription Rights.

ARTICLE XXI

PROVISION FOR TREATMENT OF WMB NOTES CLAIMS AND NON-FILING WMB SENIOR NOTE HOLDERS(CLASS 17)

21.1 Treatment of WMB Notes Claims

(a) Class 17A – WMB Senior Notes Claims: Class 17A shall consist of WMB Senior Notes Claims. Commencing on the Effective Date, each holder of an Allowed WMB Senior Notes Claim shall receive, in full satisfaction, release and exchange of such holder's Allowed WMB Senior Notes Claim, such holder's Pro Rata Share of BB Liquidating Trust Interests (which interests, in the aggregate, represent an undivided interest in WMI's share of the Homeownership Carryback Refund Amount, as defined and set forth in Section 2.4 of the Global Settlement Agreement, in an amount equal to Three Hundred Thirty-Five Million Dollars (\$335,000,000.00)); provided, however, that, notwithstanding the foregoing, the Settlement WMB Senior Note Holders shall have first priority to recover Cash distributions made on account of the BB Liquidating Trust Interests up to an aggregate amount of Ten Million Dollars (\$10,000,000.00), to compensate for the legal fees and expenses incurred by the Settlement WMB Senior Note Holders' and other WMB Senior Note Holders' retention of Wilmer Cutler Pickering Hale & Dorr LLP, Pachulski Stang Ziehl & Jones LLP, and Boies, Schiller & Flexner LLP in connection with the Debtors' Chapter 11 Cases. Each holder of a WMB Senior Notes Claim shall have the option of checking the box on the Class 17A Ballot labeled "Grant Plan Section 43.6 Release" and, by checking such box: (i) solely with respect to the Plan, such holder's WMB Senior Notes Claim shall be deemed an Allowed WMB Senior Notes Claim in an amount equal to the aggregate face value and interest accrued as of the Petition Date with respect to all WMB Senior Notes held by such holder as of October 25, 2010; provided, however, that, notwithstanding the foregoing, such amount shall be only for purposes of voting and calculating each holder's "Pro Rata Share" of BB Liquidating Trust Interests, and shall not in any way increase the amount to be distributed to holders of Allowed WMB Senior Notes Claims and Accepting Non-Filing WMB Senior Note Holders in excess of Three Hundred Thirty-Five Million Dollars (\$335 million); (ii) the Debtors, the Liquidating Trustee, and all other parties in interest shall be deemed to have waived and released any and all objections, defenses, rights to setoff or recoupment, and rights to subordinate or recharacterize with respect to such Allowed WMB Senior Notes Claim; and (iii) the holder of such Allowed WMB Senior Notes Claim shall consent to provide on its behalf and with respect to its Allowed WMB Senior Notes Claim the releases provided in Section 43.6 of the Plan, including, without limitation, a release of the Debtors, the Reorganized Debtors, and the Liquidating Trustee from all direct and derivative claims arising from or related to such holder's Allowed WMB Senior Notes Claim, as well as any misrepresentation or other similar claim for damages arising from the purchase or sale of

such holder's Allowed WMB Senior Notes Claim (including, without limitation, any Section 510(b) Subordinated WMB Notes Claims that such holder may have); provided, however, that the foregoing is not intended, nor shall it be construed, to release (i) the Debtors from their obligations pursuant to the Plan and (ii) the FDIC Receiver or the Receivership with respect to distributions to be made from the Receivership on account of WMB Senior Notes. In the event the holder of a WMB Senior Notes Claim does not check the box on the Class 17A Ballot labeled "Grant Plan Section 43.6 Release", the Debtors, the Liquidating Trustee, and all parties in interest shall reserve and maintain all of their respective rights to dispute such WMB Senior Notes Claim, including, without limitation, on the basis that the Debtors have no liability with respect thereto, the Claim is subject to other defenses, setoff, or recoupment, and/or the Claim is subject to equitable or mandatory subordination pursuant to section 510 of the Bankruptcy Code; provided, however, that, to the extent that such WMB Senior Notes Claim is determined pursuant to a Final Order of the Bankruptcy Court to be an Allowed Claim, (i) such Claim shall be deemed an Allowed WMB Senior Notes Claim, (ii) the holder of such Allowed WMB Senior Notes Claim shall be entitled to receive its Pro Rata Share of the BB Liquidating Trust Interests, and (iii) such holder shall be deemed to have consented to the releases provided in Section 43.6 of the Plan, including, without limitation, a release of the Debtors, the Reorganized Debtors, the Liquidating Trustee, and each of their respective Related Persons from any and all direct and derivative claims arising from or related to such holder's Allowed WMB Senior Notes Claim, as well as any misrepresentation or other similar claim for damages arising from the purchase or sale of such holder's Allowed WMB Senior Notes Claim (including, without limitation, any Section 510(b) Subordinated WMB Notes Claims that such holder may have). The FDIC Receiver acknowledges that amounts distributed to the holders of Allowed WMB Senior Notes Claims under the Plan shall not be credited against or otherwise reduce their claims against the Receivership; and, provided, further, that no holder of a WMB Senior Note shall be entitled to receive more from the Receivership than the amount owed with respect to such WMB Senior Note. For the avoidance of doubt, all of the \$335 million allocated for payment to holders of Allowed WMB Senior Notes Claims and Accepting Non-Filing WMB Senior Note Holders, as provided in Sections 21.1(a) and (b) of the Plan, shall be paid either to counsel to or to holders of Allowed WMB Senior Notes Claims and Accepting Non-Filing WMB Senior Note Holders, and none of the foregoing amounts shall revert either to the Debtors or the Reorganized Debtors, or be payable to creditors in any other Class under the Plan.

(b) Non-Filing WMB Senior Note Holders: Each Non-Filing WMB Senior Note Holder shall have the option of checking the box on the Non-Filing WMB Senior Note Holder Election Form labeled "Grant Plan Section 43.6 Release" and, by checking such box: (i) such holder shall be deemed to be an Accepting Non-Filing WMB Senior Note Holder, (ii) such holder shall be entitled to receive its Pro Rata Share of BB Liquidating Trust Interests, and (iii) such holder shall consent to provide on its behalf and with respect to its WMB Senior Notes the releases provided in Section 43.6 of the Plan, including, without limitation, a release of the Debtors, the Reorganized Debtors, and the Liquidating Trustee from all direct and derivative claims arising from or related to such holder's WMB Senior Notes, as well as any misrepresentation or other similar claim for damages arising from the purchase or sale of such holders (WMB Senior Notes); provided, however, that the foregoing is not intended, nor shall it be construed, to release (i) the Debtors from their obligations pursuant to the Plan and (ii) the FDIC Receiver or the Receivership with respect to distributions to be made from the Receivership on account of WMB Senior Notes. The FDIC Receiver acknowledges that

amounts distributed to Accepting Non-Filing WMB Senior Note Holders under the Plan shall not be credited against or otherwise reduce their claims against the Receivership; and, provided, further, that no Accepting Non-Filing WMB Senior Note Holder shall be entitled to receive more from the Receivership than the amount owed to such Accepting Non-Filing WMB Senior Note Holder with respect to its WMB Senior Notes. Notwithstanding the foregoing, and irrespective of whether a Non-Filing WMB Senior Note Holder receives a distribution of BB Liquidating Trust Interests pursuant to this Section (b), no Non-Filing WMB Senior Note Holder shall be deemed to hold a Claim against the Debtors with respect to such holder's WMB Senior Notes.

(c) Class 17B – WMB Subordinated Notes: On the Effective Date, and in consideration for the distribution to be made to the FDIC Receiver pursuant to the Global Settlement Agreement, all WMB Subordinated Notes Claims, to the extent that they are not Section 510(b) Subordinated WMB Notes Claims, shall be deemed disallowed, and holders thereof shall not receive any distribution from the Debtors.

(d) Right to Recovery: WMB Senior Notes Claims and WMB Subordinated Notes Claims are not superior in right of recovery to Allowed Senior Notes Claims, Allowed Senior Subordinated Notes Claims, Allowed CCB-1 Guarantees Claims, Allowed CCB-2 Guarantees Claims, Allowed PIERS Claims or Allowed General Unsecured Claims and the holders of WMB Senior Notes Claims and WMB Subordinated Notes Claims may not seek recourse, payment, turnover, indemnity, damages, setoff, pay-over, or other compensation from holders of any Allowed Claims, including, without limitation, Senior Notes Claims, Senior Subordinated Notes Claims, CCB-1 Guarantees Claims, CCB-2 Guarantees Claims, PIERS Claims, or General Unsecured Claims, on account of WMB-issued obligations.

ARTICLE XXII

PROVISION FOR TREATMENT OF SUBORDINATED CLAIMS (CLASS 18)

22.1 Treatment of Subordinated Claims: In the event that all Allowed Claims and Postpetition Interest Claims in respect of Allowed Claims (in each case, other than Subordinated Claims) are paid in full, the Liquidating Trust Interests shall be redistributed, and holders of Allowed Subordinated Claims shall be entitled to receive their Pro Rata Share of Liquidating Trust Interests in an aggregate amount equal to each holder's Allowed Subordinated Claim and Postpetition Interest Claim.

22.2 Limitation on Recovery: Notwithstanding anything contained herein to the contrary, including, without limitation, the distributions to be made to a holder of an Allowed Subordinated Claim in accordance with Section 22.1 of the Plan, in the event that the sum of distributions of Cash received on account of Liquidating Trust Interests in accordance with Section 22.1 are equal to or in excess of one hundred percent (100%) of such holder's Allowed Subordinated Claim and Postpetition Interest Claim, then the Cash received on account of Liquidating Trust Interests that is distributable to such holder in excess of such one hundred percent (100%) shall be deemed redistributed to holders of the Equity Interests or the Disbursing Agent for and on behalf of holders of Disputed Claims in accordance with the Subordination Model attached hereto as Exhibit "G".

ARTICLE XXIII

PROVISION FOR TREATMENT OF REIT SERIES (CLASS 19)

23.1 **Treatment of REIT Series:** In the event that all Allowed Claims and Postpetition Interest Claims in respect of Allowed Claims are paid in full (including with respect to Allowed Subordinated Claims), the Liquidating Trust Interests shall be redistributed, and holders of the REIT Series shall be entitled to receive their Pro Rata Share of Liquidating Trust Interests, to be shared on a pari passu basis with holders of Preferred Equity Interests. In addition, and separate and distinct from the distribution to be provided to holders of the REIT Series from the Debtors, pursuant to the Global Settlement Agreement, and in exchange for the releases set forth in the Global Settlement Agreement and in Article XLIII herein, on the Effective Date, JPMC shall pay, or transfer to the Disbursing Agent for payment to, each Releasing REIT Trust Holder Cash in an amount equal to One Thousand Two Hundred Fifty Dollars (\$1,250.00) (calculated by dividing Fifty Million Dollars (\$50,000,000.00) by the number of issued and outstanding shares of REIT Series) times the number of shares of REIT Series held by such Releasing REIT Trust Holder on the Voting Record Date; provided, however, that, at the election of JPMC, the amount payable to Releasing REIT Trust Holders pursuant to Section 2.24 of the Global Settlement Agreement may be paid in shares of common stock of JPMC, having an aggregate value equal to the amount of cash to be paid pursuant to Section 2.24 of the Global Settlement Agreement, valued at the average trading price during the thirty (30) day period immediately preceding the Effective Date.

23.2 **Cancellation of REIT Series:** Notwithstanding the provisions of Section 23.1 hereof, on the Effective Date, all REIT Series shall be deemed extinguished and the certificates and all other documents representing such Equity Interests shall be deemed cancelled and of no force and effect. For the avoidance of doubt, this Section 23.2 shall have no effect on, and shall not result in the extinguishment or cancellation of, the Trust Preferred Securities and, in accordance with the Global Settlement Agreement, JPMC or its designee is the sole legal, equitable and beneficial owner of the Trust Preferred Securities for all purposes.

ARTICLE XXIV

PROVISION FOR TREATMENT OF PREFERRED EQUITY INTERESTS (CLASS 20)

24.1 **Treatment of Preferred Equity Interests:** In the event that all Allowed Claims and Postpetition Interest Claims in respect of Allowed Claims are paid in full (including with respect to Allowed Subordinated Claims), the Liquidating Trust Interests shall be redistributed, and holders of Preferred Equity Interests shall be entitled to receive their Pro Rata Share of Liquidating Trust Interests, to be shared on a pari passu basis with holders of the REIT Series.

24.2 **Cancellation of Preferred Equity Interests:** Notwithstanding the provisions of Section 24.1 hereof, on the Effective Date, all Preferred Equity Interests shall be deemed extinguished and the certificates and all other documents representing such Equity Interests shall be deemed cancelled and of no force and effect.

ARTICLE XXV

PROVISION FOR TREATMENT OF DIME WARRANTS (CLASS 21)

25.1 **Cancellation of Dime Warrants:** Holders of Dime Warrants shall receive no distribution under the Plan; provided, however, that, to the extent that holders of Dime Warrants are determined, pursuant to a Final Order, to hold Allowed Claims, such Allowed Claims shall be deemed to be Allowed General Unsecured Claims classified in Class 12 and shall receive the treatment provided in Article XVI. On the Effective Date, all Dime Warrants shall be deemed extinguished and the certificates and all other documents representing such Equity Interests shall be deemed cancelled and of no force and effect.

ARTICLE XXVI

PROVISION FOR TREATMENT OF COMMON EQUITY INTERESTS (CLASS 22)

26.1 **Cancellation of Common Equity Interests:** Holders of Common Equity Interests shall receive no distribution under the Plan. On the Effective Date, all Common Equity Interests shall be deemed extinguished and the certificates and all other documents representing such Equity Interests shall be deemed cancelled and of no force and effect.

ARTICLE XXVII

PROVISION FOR TREATMENT OF DISPUTED CLAIMS

27.1 **Objections to Claims; Prosecution of Disputed Claims:** The Liquidating Trustee shall object to, and shall assume any pending objection filed by the Debtors to, the allowance of Claims filed with the Bankruptcy Court with respect to which it disputes liability, priority or amount, including, without limitation, objections to Claims that have been assigned and the assertion of the doctrine of equitable subordination with respect thereto. All objections, affirmative defenses and counterclaims shall be litigated to Final Order; provided, however, that the Liquidating Trustee shall have the authority to file, settle, compromise or withdraw any objections to Claims or Equity Interests. Unless otherwise ordered by the Bankruptcy Court, to the extent not already objected to by the Debtors, the Liquidating Trustee shall file and serve all objections to Claims as soon as practicable, but, in each instance, not later than one hundred eighty (180) days following the Effective Date or such later date as may be approved by the Bankruptcy Court.

27.2 **Estimation of Claims:** On and after the Effective Date, and unless otherwise limited by an order of the Bankruptcy Court, the Liquidating Trustee may at any time request the Bankruptcy Court to estimate for final distribution purposes any contingent, unliquidated or Disputed Claim pursuant to section 502(c) of the Bankruptcy Code regardless of whether the Debtors previously objected to or sought to estimate such Claim, and the Bankruptcy Court will retain jurisdiction to consider any request to estimate any Claim at any time during litigation concerning any objection to any Claim, including, without limitation, during the pendency of any appeal relating to any such objection. Unless otherwise provided in an order of the Bankruptcy Court, in the event that the Bankruptcy Court estimates any contingent,

unliquidated or Disputed Claim, the estimated amount shall constitute either the allowed amount of such Claim or a maximum limitation on such Claim, as determined by the Bankruptcy Court; provided, however, that, if the estimate constitutes the maximum limitation on such Claim, the Liquidating Trustee may elect to pursue supplemental proceedings to object to any ultimate allowance of such Claim; and, provided, further, that the foregoing is not intended to limit the rights granted by section 502(j) of the Bankruptcy Code. All of the aforementioned Claims objection, estimation and resolution procedures are cumulative and not necessarily exclusive of one another; provided, however, that in no event shall any such procedure increase or expand payment or performance from JPMC for any JPMC Assumed Liabilities.

27.3 **Payments and Distributions on Disputed Claims:**

(a) Disputed Claims Holdback: From and after the Effective Date, and until such time as each Disputed Claim has been compromised and settled, estimated by the Bankruptcy Court in an amount constituting the allowed amount, or allowed or disallowed by Final Order of the Bankruptcy Court, the Liquidating Trustee shall retain, for the benefit of each holder of a Disputed Claim, Creditor Cash (which the Disbursing Agent shall transfer to the Liquidating Trustee) and Liquidating Trust Interests, and any dividends, gains or income attributable thereto, in an amount equal to the Pro Rata Share of distributions that would have been made to the holder of such Disputed Claim if it were an Allowed Claim in an amount equal to the lesser of (i) the liquidated amount set forth in the filed proof of Claim relating to such Disputed Claim, (ii) the amount in which the Disputed Claim shall be estimated by the Bankruptcy Court pursuant to section 502 of the Bankruptcy Code constitutes and represents the maximum amount in which such Claim may ultimately become an Allowed Claim, or (iii) such other amount as may be agreed upon by the holder of such Disputed Claim and the Liquidating Trustee. Any Creditor Cash and Liquidating Trust Interests retained and held for the benefit of a holder of a Disputed Claim shall be treated as a payment and reduction on account of such Disputed Claim for purposes of computing any additional amounts to be paid in Cash or distributed in Liquidating Trust Interests in the event the Disputed Claim ultimately becomes an Allowed Claim. Such Creditor Cash and any dividends, gains or income paid on account of the Liquidating Trust Interests retained for the benefit of holders of Disputed Claims shall be retained by the Liquidating Trust for the benefit of such holders pending determination of their entitlement thereto under the terms of the Plan. A holder of a Disputed Claim will be deemed to have waived the right to elect to receive Reorganized Common Stock in lieu of some or all of the Creditor Cash or Cash on account of Liquidating Trust Interests, as the case may be, attributable to the portion of such Disputed Claim that is allowed pursuant to a Final Order.

(b) Allowance of Disputed Claims: At such time as a Disputed Claim becomes, in whole or in part, an Allowed Claim, the Liquidating Trustee shall distribute to the holder thereof the distributions, if any, to which such holder is then entitled under the Plan, together with any earnings that has accrued on the amount of Cash so retained (net of any expenses, including any taxes, relating thereto), but only to the extent that such earnings are attributable to the amount of the Allowed Claim. Such distribution, if any, shall be made as soon as practicable after the date that the order or judgment of the Bankruptcy Court allowing such Disputed Claim becomes a Final Order, but in no event more than ninety (90) days thereafter. The balance of any Cash and Liquidating Trust Interests previously retained but not distributed

to a Disputed Claim holder shall be included in future calculations of Cash and Liquidating Trust Interests, respectively, to holders of Allowed Claims.

(c) Tax Treatment of Retained Assets: The Liquidating Trustee shall treat any Assets retained pursuant to this Section 27.3 as part of the Liquidating Trust Claims Reserve.

ARTICLE XXVIII

THE LIQUIDATING TRUST

28.1 Execution of Liquidating Trust Agreement: On or before the Effective Date, the Debtors and the Liquidating Trustee shall execute the Liquidating Trust Agreement, and shall take all other necessary steps to establish the Liquidating Trust and the Liquidating Trust Interests therein, which shall be for the benefit of the Liquidating Trust Beneficiaries, as provided in Sections 6.1, 7.1, 16.1, 18.1, 19.1, 20.1 and 21.1, and, in certain circumstances, 22.1, 23.1 and 24.1 of the Plan, whether their Claims are Allowed before, on or after the Effective Date. The Liquidating Trust Agreement may provide powers, duties, and authorities in addition to those explicitly stated herein, but only to the extent that such powers, duties, and authorities do not affect the status of the Liquidating Trust as a “liquidating trust” for United States federal income tax purposes.

28.2 Purpose of the Liquidating Trust: The Liquidating Trust shall be established for the sole purpose of liquidating and distributing its assets, in accordance with Treasury Regulation section 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business.

28.3 Liquidating Trust Assets: The Liquidating Trust shall consist of the Liquidating Trust Assets. On the Effective Date, the Debtors shall transfer all of the Liquidating Trust Assets to the Liquidating Trust. The Liquidating Trust Assets may be transferred subject to certain liabilities, as provided in the Plan or the Liquidating Trust Agreement. Such transfer shall be exempt from any stamp, real estate transfer, mortgage reporting, sales, use or other similar Tax, pursuant to section 1146(a) of the Bankruptcy Code. Upon delivery of the Liquidating Trust Assets to the Liquidating Trust, the Debtors and their predecessors, successors and assigns, and each other Entity released pursuant to Section 43.5 herein shall be discharged and released from all liability with respect to the delivery of such distributions. In addition, the Liquidating Trust shall assume all of WMI’s rights and obligations pursuant to Section 2.4 of the Global Settlement Agreement, and WMI shall have no further liability or obligations thereunder, to the extent that the transfer to the Liquidating Trust shall not impose any additional obligations or liabilities on JPMC.

28.4 Administration of the Liquidating Trust: The Liquidating Trust shall be administered by the Liquidating Trustee according to the Liquidating Trust Agreement and the Plan. In the event of any inconsistency between the Plan and the Liquidating Trust Agreement, the Liquidating Trust Agreement shall govern.

28.5 **The Liquidating Trustee:** In the event the Liquidating Trustee dies, is terminated, or resigns for any reason, the Trust Advisory Board shall designate a successor; provided, however, that under no circumstance shall the Liquidating Trustee be a director or officer with respect to any Entity over which the Liquidating Trust has control.

28.6 **Role of the Liquidating Trustee:** In furtherance of and consistent with the purpose of the Liquidating Trust and the Plan, and subject to the terms of the Confirmation Order, the Plan and the Liquidating Trust Agreement, and the oversight of the Trust Advisory Board, the Liquidating Trustee shall, among other things, have the following rights, powers and duties, in each case subject to the Global Settlement Agreement: (i) to hold, manage, convert to Cash, and distribute the Liquidating Trust Assets, including prosecuting and resolving the Claims belonging to the Liquidating Trust, (ii) to hold the Liquidating Trust Assets for the benefit of the Liquidating Trust Beneficiaries, whether their Claims are Allowed on or after the Effective Date, (iii) in the Liquidating Trustee's reasonable business judgment, to investigate, prosecute, settle and/or abandon rights, causes of action, or litigation of the Liquidating Trust, including, without limitation, Avoidance Actions, (iv) to monitor and enforce the implementation of the Plan, (v) to file all tax and regulatory forms, returns, reports, and other documents required with respect to the Liquidating Trust, (vi) in the Liquidating Trustee's reasonable business judgment, to object to Claims, and manage, control, prosecute, and/or settle on behalf of the Liquidating Trust, objections to Claims on account of which the Liquidating Trustee (as Disbursing Agent) will be responsible (if Allowed) for making distributions under the Plan, (vii) to take all actions necessary and create any document necessary to implement the Plan, (viii) to hold, manage, and distribute Cash or non-Cash Liquidating Trust Assets obtained through the exercise of its power and authority, (ix) to act as a signatory to the Debtors for all purposes, including those associated with the novation of contracts or other obligations arising out of the sales of the Debtors' assets, and (x) to take all necessary actions and file all appropriate motions to obtain an order closing the Chapter 11 Cases. In all circumstances, the Liquidating Trustee shall comply with all of the Debtors' obligations under the Global Settlement Agreement and in accordance with applicable law, and otherwise shall act in the best interests of all Liquidating Trust Beneficiaries and in furtherance of the purpose of the Liquidating Trust. Under no circumstance may the Liquidating Trustee serve on the Board of Directors of any Affiliate of the Liquidating Trust.

28.7 **Liquidating Trustee's Tax Power for Debtors:**

(a) Following the Effective Date, the Liquidating Trustee shall prepare and file (or cause to be prepared and filed), on behalf of the Debtors, all Tax Returns required to be filed or that the Liquidating Trustee otherwise deems appropriate, including the filing of amended Tax Returns or requests for refunds for all taxable periods ended on or before December 31, 2009.

(b) For all taxable periods ended on or before December 31, 2009, the Liquidating Trustee shall have full and exclusive authority and responsibility in respect of all Taxes of the Debtors (including, without limitation, as the common parent or other agent of any consolidated, combined or unitary tax group of which the Debtors were the agent), to the same extent as if the Liquidating Trustee was the Debtor-in-Possession. Without limiting the foregoing, each of the Debtors shall execute, on or prior to the Effective Date, a power of

attorney authorizing the Liquidating Trustee to correspond with any Authority on behalf of such Debtor and to sign, collect, negotiate, settle, and administer Tax payments and Tax Returns.

(c) In furtherance of the transfer of the Liquidating Trust Assets to the Liquidating Trust on the Effective Date, the Liquidating Trust shall be entitled to all Tax Refunds of the Debtors (and the Liquidating Trust bears responsibility for (i) all Tax liabilities of the Debtors for taxable years ended on or before December 31, 2009, to the extent not discharged by the Plan or provided for payment in the Plan or the Global Settlement Agreement and (ii) WMI's obligations pursuant to Section 2.4 of the Global Settlement Agreement), it being understood that the Liquidating Trustee only shall have whatever rights WMI itself has pursuant to the terms of the Global Settlement Agreement and the Liquidating Trustee shall be contractually bound to all restrictions in the Global Settlement Agreement with respect to tax filings.

28.8 **Transferability of Liquidating Trust Interests:** The Debtors shall cause the Liquidating Trust Interests to be transferable (either by book-entry or by certificate); provided, however, that (i) if so certificated, the form of certificate, if applicable, shall carry a legend, in substance and form reasonably satisfactory to the Creditors' Committee and the Settlement Note Holders, setting forth that the interest in such certificate and the holder thereof as to such interest are governed by the terms and provisions of the Plan, and (ii) on or after February 14, 2011, if the Liquidating Trustee, with consent of the Trust Advisory Board and upon advice of counsel, determines that a class of Liquidating Trust Interests may be subject to registration pursuant to Section 12 of the Securities Exchange Act of 1934, as amended, the Liquidating Trustee shall pursue relief from such registration by obtaining either an exemptive order, a no-action letter or an interpretive letter from the Securities and Exchange Commission or its staff or, absent its ability to achieve that objective or in lieu thereof, shall register such class pursuant to Section 12 of such statute (it being understood and agreed that the Liquidating Trustee shall be authorized, among other things, to register such class and to seek relief from one or more of the requirements then applicable subsequent to such registration and to de-register such class); and provided, further, that, notwithstanding the foregoing, (1) the Liquidating Trustee may disregard any transfer of Liquidating Trust Interests if sufficient necessary information (as determined by the Liquidating Trustee), including applicable tax-related information, is not provided by such transferee to the Liquidating Trustee and (2) transfers to non-United States Entities will not be permitted unless either (a) a ruling has been obtained from the Internal Revenue Service or an opinion from the Liquidating Trustee's counsel (to the good faith satisfaction of the Liquidating Trustee) that stated interest income and any other income from tax refunds expected to be received or recognized by the Liquidating Trust are of a type and character that is eligible for exemption from U.S. withholding, or (b) the requirement in the preceding clause has been waived by the Liquidating Trustee (with the consent of the Trust Advisory Board).

28.9 **Cash:** The Liquidating Trustee may invest Cash (including any earnings thereon or proceeds therefrom) as permitted by section 345 of the Bankruptcy Code; provided, however, that such investments are investments permitted to be made by a Liquidating Trust within the meaning of Treasury Regulation section 301.7701-4(d), as reflected therein, or under applicable IRS guidelines, rulings, or other controlling authorities.

28.10 **Distribution of Liquidating Trust Assets:** The Liquidating Trustee is required to distribute to the holders of Allowed Claims on account of their Liquidating Trust Interests, on a quarterly basis, all unrestricted Cash on hand (including any Cash received from the Debtors on the Effective Date, and treating any permissible investment as Cash for purposes of this Section 28.10), except such amounts (i) as have been reserved on account of Disputed Claims, or are otherwise part of the Liquidating Trust Claims Reserve, in accordance with Section 27.3 of the Plan, (ii) as are reasonably necessary to meet contingent liabilities and to maintain the value of the Liquidating Trust Assets during liquidation, (iii) as are necessary to pay reasonable incurred or anticipated expenses (including, but not limited to, any Taxes imposed on or payable by the Debtors or the Liquidating Trust or in respect of the Liquidating Trust Assets), or (iv) as are necessary to satisfy other liabilities incurred or anticipated by the Liquidating Trust in accordance with the Plan, the Global Settlement Agreement, or the Liquidating Trust Agreement; provided, however, that the Liquidating Trustee shall not be required to make a distribution pursuant to this Section 28.10 if the aggregate, net amount of unrestricted Cash available for distribution (taking into account the above listed exclusions) is such as would make the distribution impracticable as reasonably determined by the Liquidating Trustee, in accordance with applicable law, but only so long as such aggregate amount is less than Twenty-Five Million Dollars (\$25,000,000.00); and provided further that the Liquidating Trustee may decide to forego the first quarterly distribution to those holders of Liquidating Trust Interests with respect to which the Liquidating Trustee, in its reasonable judgment, is not administratively prepared to make such distribution, in which case, such distribution shall be made to such holders as soon as practicable after the Liquidating Trustee is administratively prepared to do so.

28.11 **Costs and Expenses of the Liquidating Trust:** The reasonable costs and expenses of the Liquidating Trust, including the fees and expenses of the Liquidating Trustee and its retained professionals, shall be paid out of the Liquidating Trust Assets. Fees and expenses incurred in connection with the prosecution and settlement of any Claims shall be considered costs and expenses of the Liquidating Trust.

28.12 **Compensation of the Liquidating Trustee:** The individual(s) serving as or comprising the Liquidating Trustee shall be entitled to reasonable compensation in an amount consistent with that of similar functionaries in similar roles.

28.13 **Retention of Professionals/Employees by the Liquidating Trustee:** The Liquidating Trustee may retain and compensate attorneys, other professionals, and employees to assist in its duties as Liquidating Trustee on such terms as the Liquidating Trustee deems appropriate without Bankruptcy Court approval. The Liquidating Trustee may assume existing contracts and/or leases that WMI is party to, including, without limitation, employment agreements, or may enter into new arrangements on substantially similar terms. Without limiting the foregoing, the Liquidating Trustee may retain any professional that represented parties in interest in the Chapter 11 Cases.

28.14 Federal Income Tax Treatment of the Liquidating Trust:

(a) Liquidating Trust Assets Treated as Owned by Creditors: For all United States federal income tax purposes, all parties (including, without limitation, the Debtors, the Liquidating Trustee, and the Liquidating Trust Beneficiaries) shall treat the transfer of the Liquidating Trust Assets to the Liquidating Trust as (1) a transfer of the Liquidating Trust Assets (subject to any obligations relating to those assets) directly to the Liquidating Trust Beneficiaries and, to the extent Liquidating Trust Assets are allocable to Disputed Claims, to the Liquidating Trust Claims Reserve, followed by (2) the transfer by such beneficiaries to the Liquidating Trust of the Liquidating Trust Assets (other than the Liquidating Trust Assets allocable to the Liquidating Trust Claims Reserve) in exchange for Liquidating Trust Interests. Accordingly, the Liquidating Trust Beneficiaries shall be treated for United States federal income tax purposes as the grantors and owners of their respective share of the Liquidating Trust Assets (other than such Liquidating Trust Assets as are allocable to the Liquidating Trust Claims Reserve, discussed below). The foregoing treatment shall also apply, to the extent permitted by applicable law, for state and local income tax purposes.

(b) Tax Reporting.

(1) The Liquidating Trustee shall file Tax Returns for the Liquidating Trust treating the Liquidating Trust as a grantor trust pursuant to Treasury Regulation section 1.671-4(a) and in accordance with this Section 28.14. The Liquidating Trustee also will annually send to each holder of a Liquidating Trust Interest a separate statement regarding the receipts and expenditures of the Liquidating Trust as relevant for U.S. federal income tax purposes and will instruct all such holders to use such information in preparing their U.S. federal income tax returns or to forward the appropriate information to such holder's underlying beneficial holders with instructions to utilize such information in preparing their U.S. federal income tax returns. The Liquidating Trustee shall also file (or cause to be filed) any other statement, return or disclosure relating to the Liquidating Trust that is required by any governmental unit.

(2) On or before the Effective Date, the Debtors shall provide the Liquidating Trustee with a good-faith valuation of the Tax Refunds as of the Effective Date. The Liquidating Trustee will then in good faith value all other Liquidating Trust Assets, and shall make all such values (including the Tax Refund values) available from time to time, to the extent relevant, and such values shall be used consistently by all parties to the Liquidating Trust (including, without limitation, the Debtors, the Liquidating Trustee, and Liquidating Trust Beneficiaries) for all United States federal income tax purposes.

(3) Allocations of Liquidating Trust taxable income among the Liquidating Trust Beneficiaries (other than taxable income allocable to the Liquidating Trust Claims Reserve) shall be determined by reference to the manner in which an amount of cash representing such taxable income

would be distributed (were such cash permitted to be distributed at such time) if, immediately prior to such deemed distribution, the Liquidating Trust had distributed all its assets (valued at their tax book value, and other than assets allocable to the Liquidating Trust Claims Reserve) to the holders of the Liquidating Trust Interests, adjusted for prior taxable income and loss and taking into account all prior and concurrent distributions from the Liquidating Trust. Similarly, taxable loss of the Liquidating Trust shall be allocated by reference to the manner in which an economic loss would be borne immediately after a hypothetical liquidating distribution of the remaining Liquidating Trust Assets. The tax book value of the Liquidating Trust Assets for purpose of this paragraph shall equal their fair market value on the Effective Date, adjusted in accordance with tax accounting principles prescribed by the IRC, the applicable Treasury Regulations, and other applicable administrative and judicial authorities and pronouncements.

(4) Subject to definitive guidance from the IRS or a court of competent jurisdiction to the contrary (including the receipt by the Liquidating Trustee of a private letter ruling if the Liquidating Trustee so requests one, or the receipt of an adverse determination by the IRS upon audit if not contested by the Liquidating Trustee), the Liquidating Trustee shall (A) timely elect to treat any Liquidating Trust Claims Reserve as a “disputed ownership fund” governed by Treasury Regulation section 1.468B-9, and (B) to the extent permitted by applicable law, report consistently with the foregoing for state and local income tax purposes. All parties (including the Liquidating Trustee, the Debtors, and the Liquidating Trust Beneficiaries) shall report for United States federal, state and local income tax purposes consistently with the foregoing.

(5) The Liquidating Trustee shall be responsible for payment, out of the Liquidating Trust Assets, of any Taxes imposed on the trust or its assets, including the Liquidating Trust Claims Reserve. In the event, and to the extent, any Cash retained on account of Disputed Claims in the Liquidating Trust Claims Reserve is insufficient to pay the portion of any such Taxes attributable to the taxable income arising from the assets allocable to, or retained on account of, Disputed Claims, such Taxes shall be (i) reimbursed from any subsequent Cash amounts retained on account of Disputed Claims, or (ii) to the extent such Disputed Claims have subsequently been resolved, deducted from any amounts otherwise distributable by the Liquidating Trustee as a result of the resolution of such Disputed Claims.

(6) The Liquidating Trustee may request an expedited determination of Taxes of the Liquidating Trust, including the Liquidating Trust Claims Reserve, or the Debtors under section 505(b) of the Bankruptcy Code for all Tax Returns filed for, or on behalf of, the

Liquidating Trust or the Debtors for all taxable periods through the dissolution of the Liquidating Trust.

(c) Tax Withholdings by Liquidating Trustee. The Liquidating Trustee may withhold and pay to the appropriate Taxing Authority all amounts required to be withheld pursuant to the IRC or any provision of any foreign, state or local tax law with respect to any payment or distribution to the holders of Liquidating Trust Interests. All such amounts withheld and paid to the appropriate Taxing Authority shall be treated as amounts distributed to such holders of Liquidating Trust Interests for all purposes of the Liquidating Trust Agreement. The Liquidating Trustee shall be authorized to collect such tax information from the holders of Liquidating Trust Interests (including, without limitation, social security numbers or other tax identification numbers) as in its sole discretion deems necessary to effectuate the Plan, the Confirmation Order, and the Liquidating Trust Agreement. In order to receive distributions under the Plan, all holders of Liquidating Trust Interests (including, without limitation, (i) holders of Allowed Senior Notes Claims, Allowed Senior Subordinated Notes Claims, Allowed CCB-1 Guarantees Claims, Allowed CCB-2 Guarantees Claims, Allowed PIERS Claims, Allowed WMB Senior Notes Claims and REIT Series and (ii) Accepting Non-Filing WMB Senior Note Holders) will need to identify themselves to the Liquidating Trustee and provide tax information and the specifics of their holdings, to the extent the Liquidating Trustee deems appropriate. This identification requirement may, in certain cases, extend to holders who hold their securities in street name. The Liquidating Trustee may refuse to make a distribution to any holder of a Liquidating Trust Interest that fails to furnish such information in a timely fashion, until such information is delivered; provided, however, that, upon the delivery of such information by a holder of a Liquidating Trust Interest, the Liquidating Trustee shall make such distribution to which the holder of the Liquidating Trust Interest is entitled, without interest; and, provided further that, if the Liquidating Trustee fails to withhold in respect of amounts received or distributable with respect to any such holder and the Liquidating Trustee is later held liable for the amount of such withholding, such holder shall reimburse the Liquidating Trustee for such liability.

(d) Dissolution. The Liquidating Trustee and the Liquidating Trust shall be discharged or dissolved, as the case may be, at such time as (i) all of the Liquidating Trust Assets have been distributed pursuant to the Plan and the Liquidating Trust Agreement, (ii) the Liquidating Trustee determines, in its sole discretion, that the administration of any remaining Liquidating Trust Assets is not likely to yield sufficient additional Liquidating Trust proceeds to justify further pursuit, or (iii) all distributions required to be made by the Liquidating Trustee under the Plan and the Liquidating Trust Agreement have been made; provided, however, in no event shall the Liquidating Trust be dissolved later than three (3) years from the Effective Date unless the Bankruptcy Court, upon motion within the six-month period prior to the third (3rd) anniversary (or within the six-month period prior to the end of an extension period), determines that a fixed period extension (not to exceed three (3) years, together with any prior extensions, without a favorable private letter ruling from the IRS or an opinion of counsel satisfactory to the Liquidating Trustee and the Trust Advisory Board that any further extension would not adversely affect the status of the trust as a liquidating trust for United States federal income tax purposes) is necessary to facilitate or complete the recovery and liquidation of the Liquidating Trust Assets. If at any time the Liquidating Trustee determines, in reliance upon such professionals as the Liquidating Trustee may retain, that the expense of administering the

Liquidating Trust so as to make a final distribution to its beneficiaries is likely to exceed the value of the assets remaining in the Liquidating Trust, the Liquidating Trustee may apply to the Bankruptcy Court for authority to (i) reserve any amount necessary to dissolve the Liquidating Trust, (ii) donate any balance to a charitable organization (A) described in section 501(c)(3) of the IRC, (B) exempt from United States federal income tax under section 501(a) of the IRC, (C) not a “private foundation”, as defined in section 509(a) of the IRC, and (D) that is unrelated to the Debtors, the Liquidating Trust, and any insider of the Liquidating Trustee, and (iii) dissolve the Liquidating Trust.

28.15 **Indemnification of Liquidating Trustee:** The Liquidating Trustee or the individual(s) comprising the Liquidating Trustee, as the case may be, and the Liquidating Trustee’s agents and professionals, shall not be liable to the Liquidating Trust Beneficiaries for actions taken or omitted in their capacity as, or on behalf of, the Liquidating Trustee, except those acts arising out of their own willful misconduct or gross negligence, and each shall be entitled to indemnification and reimbursement for fees and expenses in defending any and all actions or inactions in their capacity as, or on behalf of, the Liquidating Trustee, except for any actions or inactions involving willful misconduct or gross negligence. Any indemnification claim of the Liquidating Trustee (and the other parties entitled to indemnification under this subsection) shall be satisfied solely from the Liquidating Trust Assets and shall be entitled to a priority distribution therefrom, ahead of the Liquidating Trust Interests and any other claim to or interest in such assets. The Liquidating Trustee shall be entitled to rely, in good faith, on the advice of its retained professionals.

28.16 **Privileges and Obligation to Respond to Ongoing Investigations:** All Privileges shall be transferred, assigned, and delivered to the Liquidation Trust, without waiver, and shall vest in the Liquidating Trustee (and any other individual the Liquidating Trustee may designate, as well as any other individual designated in the Liquidating Trust Agreement). Pursuant to Federal Rule of Evidence 502(d) (to the extent Rule 502(d) is relevant notwithstanding the fact that the Debtors, the Liquidating Trustee, the FDIC Receiver and JPMC are joint holders of certain attorney-client privileges, work product protections, or other immunities or protections from disclosure), no Privileges shall be waived by disclosure to the Liquidating Trustee of the Debtors’ information subject to attorney-client privileges, work product protections, or other immunities or protections from disclosure, or by disclosure among the Debtors, the Liquidating Trustee, the FDIC Receiver, and/or JPMC of information that is subject to attorney-client privileges, work product protections, or other immunities or protections from disclosure jointly held by the Debtors, the FDIC Receiver, the Liquidating Trustee and/or JPMC. The Liquidating Trustee shall be obligated to respond, on behalf of the Debtors, to all Information Demands, including, without limitation and by way of example, any Information Demands made in connection with (a) the investigation by the United States Attorney for the Western District of Washington, (b) the action entitled “Washington Mutual, Inc. Securities, Derivative and ERISA Litigation,” Case No. 2:08-md-1919, and (c) other proceedings described more specifically in the Disclosure Statement. The FDIC Receiver and JPMC shall take reasonable steps to cooperate with the Liquidating Trustee in responding to Information Demands, and such cooperation shall include, for example, taking all steps necessary to maintain and avoid waiver of any and all Privileges (including, without limitation, any Privileges that are shared jointly among or between any of the parties). The Liquidating Trustee may waive Privileges that are held solely by the Debtors and/or the Liquidating Trust, but not jointly held

with the FDIC Receiver and/or JPMC, in the event and to the extent the Liquidating Trustee determines in good faith that doing so is in the best interests of the Liquidating Trust and its beneficiaries. The Liquidating Trustee, the FDIC Receiver and JPMC may disclose information that is subject to attorney-client privileges, work product protections, or other immunities or protections from disclosure that are jointly held with the FDIC Receiver and/or JPMC only (i) upon written permission from the Liquidating Trustee, the FDIC Receiver and JPMC, as the case may be; (ii) pursuant to an order of a court of competent jurisdiction, subject to the procedure described in the next sentence insofar as it applies; or (iii) as otherwise required by law, subject to the procedure described in the next sentence insofar as it applies. If the Liquidating Trustee, the FDIC Receiver or JPMC receives a request from a third party to disclose information that is subject to attorney-client privileges, work product protections, or other immunities or protections from disclosure that are jointly held with the Liquidating Trustee, the FDIC Receiver and/or JPMC, the party or parties who receives such request will (w) pursue all reasonable steps to maintain the applicable privileges or protections from disclosure, including, if necessary, to maintain the privileges or protections from disclosure by seeking a protective order against and/or otherwise objecting to the production of such material, (x) notify the Liquidating Trustee, FDIC Receiver and/or JPMC, as the case may be, (y) allow the Liquidating Trustee, the FDIC Receiver and/or JPMC, as the case may be, reasonable time under the circumstances to seek a protective order against and/or otherwise object to the production of such material, and (z) unless required by law, not disclose the materials in question unless and until any objection raised by the Liquidating Trustee, the FDIC Receiver and/or JPMC is resolved in favor of disclosure.

ARTICLE XXIX

PROSECUTION AND EXTINGUISHMENT OF CLAIMS HELD BY THE DEBTORS

29.1 **Prosecution of Claims:** Except as settled and released herein, from and after the Effective Date, the Liquidating Trustee shall have the exclusive right and power to litigate any Claim or Cause of Action that constituted an Asset of the Debtors or Debtors in Possession, including, without limitation, any avoidance or recovery action under section 541, 542, 544, 545, 547, 548, 549, 550, 551, or 553 of the Bankruptcy Code and any other cause of action, right to payment, or claim that may be pending on the Effective Date or instituted by the Debtors or Debtors in Possession thereafter, to a Final Order, and the Liquidating Trustee may compromise and settle such claims, upon approval of the Bankruptcy Court. The net proceeds of any such litigation or settlement (after satisfaction of all costs and expenses incurred in connection therewith) shall be transferred to the Liquidating Trust for distribution in accordance with the Plan and the Liquidating Trust Agreement.

ARTICLE XXX

ACCEPTANCE OR REJECTION OF THE PLAN; EFFECT OF REJECTION BY ONE OR MORE CLASSES OF CLAIMS OR EQUITY INTERESTS

30.1 **Impaired Classes to Vote:** Each holder, as of the Voting Record Date, of a Claim or Equity Interest in an impaired Class not otherwise deemed to have rejected or accepted the Plan in accordance with Sections 31.3 and 31.4 of the Plan shall be entitled to vote separately to accept or reject the Plan.

30.2 **Acceptance by Class of Creditors:** An impaired Class of holders of Claims shall have accepted the Plan if the Plan is accepted by at least two-thirds (2/3) in dollar amount and more than one-half (1/2) in number of the Allowed Claims of such Class that have voted to accept or reject the Plan.

30.3 **Cramdown:** In the event that any impaired Class of Claims or Equity Interests shall fail to accept, or be deemed to reject, the Plan in accordance with section 1129(a) of the Bankruptcy Code, the Debtors reserve the right to (i) request that the Bankruptcy Court confirm the Plan in accordance with section 1129(b) of the Bankruptcy Code or (ii) subject to the consent of the Creditors' Committee and, in the event it affects any of JPMC's rights, obligations or liabilities, JPMC, amend the Plan.

ARTICLE XXXI

IDENTIFICATION OF CLAIMS AND EQUITY INTERESTS IMPAIRED AND NOT IMPAIRED BY THE PLAN

31.1 **Impaired and Unimpaired Classes:** Claims in Classes 1, 4 through 11, and 13 are not impaired under the Plan. Claims and Equity Interests in Classes 2, 3, 12, and 14 through 22 are impaired under the Plan.

31.2 **Impaired Classes Entitled to Vote on Plan:** The Claims and Equity Interests in Classes 2, 3, 12, 14 through 16, 17A, and 18 through 20 are impaired and receiving distributions pursuant to the Plan, and are therefore entitled to vote to accept or reject the Plan.

31.3 **Claims and Equity Interests Deemed to Reject:** The Claims in Class 17B and the Equity Interests in Classes 21 and 22 are not entitled to receive any distribution or retain their Claims or Equity Interests, as the case may be, pursuant to the Plan, are deemed to reject the Plan, and are not entitled to accept or reject the Plan, pursuant to section 1126(g) of the Bankruptcy Code.

31.4 **Claims Deemed to Accept:** The Claims in Classes 1, 4 through 11, and 13 are not impaired pursuant to the Plan, are deemed to accept the Plan, and are not entitled to accept or reject the Plan, pursuant to section 1126(f) of the Bankruptcy Code.

31.5 **Controversy Concerning Impairment:** In the event of a controversy as to whether any Class of Claims or Equity Interests is impaired under the Plan, the Bankruptcy Court shall, after notice and a hearing, determine such controversy.

ARTICLE XXXII

PROVISIONS GOVERNING DISTRIBUTIONS

32.1 **Time and Manner of Distributions:** Except as otherwise provided herein, distributions under the Plan shall be made to each holder of an Allowed Claim or Equity Interest as follows:

(a) Initial Distributions of Creditor Cash and Reorganized Common Stock: Within ten (10) Business Days following the Effective Date, the Disbursing Agent shall distribute, or cause to be distributed, to each holder of an Allowed Senior Notes Claim, an Allowed Senior Subordinated Notes Claim, an Allowed General Unsecured Claim, an Allowed CCB-1 Guarantees Claim, an Allowed CCB-2 Guarantees Claim, or an Allowed PIERS Claim, such Creditor's share, if any, of Creditor Cash and Reorganized Common Stock, as determined pursuant to Article VI, Article VII, Article VIII, Article XVI, Article XVIII, Article XIX, and Article XX hereof; provided, however, that, in the event that, as of the Effective Date, the Debtors have determined, with the consent of the Creditors' Committee and, if applicable, the Settlement Note Holders, to enter into a Retention/Sale Transaction, (a) all elections to receive Reorganized Common Stock shall be deemed null and void and of no force or effect and no Reorganized Common Stock shall be issued pursuant to the Plan, (b) the Debtors shall dissolve in accordance with the terms and provisions of applicable law, (c) if the Debtors have (i) determined to sell all or a portion of the equity interests in WMMRC or substantially all of the assets of WMMRC and (ii) entered into an agreement in connection therewith, and such transaction has not been consummated as of the Effective Date, the Debtors shall assign and transfer to the Liquidating Trust all of the Debtors' right, title and interest in and to such agreement and the equity interests in WMMRC and (d) upon consummation of any such transaction, the proceeds thereof (net of any expenses, including any taxes, reasonably allocable thereto) shall be distributed in accordance with the provisions of Section 28.10 of the Plan.

(b) Allocation of Liquidating Trust Interests: Within ten (10) Business Days after creation of the Liquidating Trust, the Disbursing Agent shall allocate, or cause to be allocated, (i) to the Liquidating Trustee on behalf of holders of Disputed Claims, (ii) to each holder of an Allowed Senior Notes Claim, an Allowed Senior Subordinated Notes Claim, an Allowed General Unsecured Claim, an Allowed CCB-1 Guarantees Claim, an Allowed CCB-2 Guarantees Claim, an Allowed PIERS Claim, an Allowed WMB Senior Notes Claim, and Postpetition Interest Claims in respect of the foregoing, and (iii) to each Accepting Non-Filing WMB Senior Note Holder, such holder's share, if any, of Liquidating Trust Interests, as determined pursuant to Article VI, Article VII, Article VIII, Article XVI, Article XVIII, Article XIX, and Article XX hereof. In addition, in the event that all Allowed Claims and Postpetition Interest Claims are paid in full, the Liquidating Trust Interests shall be redistributed to holders of Subordinated Claims and, after such Allowed Claims and Postpetition Interest Claims are paid in full, holders of the REIT Series and Preferred Equity Interests, as set forth in Sections 22.1, 23.1 and 24.1 of the Plan.

(c) Distribution of Cash to Holders of Certain Other Claims: Except as otherwise provided herein, on or as soon as practicable after the later of (i) the Effective Date and (ii) the date on which such claim becomes an Allowed Claim, the Disbursing Agent shall distribute, or cause to be distributed, to each holder of an Allowed Administrative Expense Claim, an Allowed Priority Tax Claim (to the extent applicable), an Allowed Priority Non-Tax Claim, an Allowed WMI Vendor Claim, an Allowed Convenience Claim, or an Allowed Trustee Claim, such holder's share of Cash, as determined pursuant to Article III, Article V, Article XV, Article XVII and Section 32.12 hereof.

32.2 Timeliness of Payments: Any payment or distribution to be made pursuant to the Plan shall be deemed to be timely made if made within ten (10) days after the

date specified in the Plan. Whenever any distribution to be made under this Plan shall be due on a day other than a Business Day, such distribution shall instead be made, without interest, on the immediately succeeding Business Day, but shall be deemed to have been made on the date due.

32.3 **Distributions by the Disbursing Agent:** All distributions under the Plan shall be made by the Disbursing Agent. The Disbursing Agent shall be deemed to hold all property to be distributed hereunder in trust for the Entities entitled to receive the same. The Disbursing Agent shall not hold an economic or beneficial interest in such property.

32.4 **Manner of Payment under the Plan:** Unless the Entity receiving a payment agrees otherwise, any payment in Cash to be made by the Disbursing Agent shall be made, at the election of the payor, by check drawn on a domestic bank or by wire transfer from a domestic bank; provided, however, that no Cash payment shall be made to a holder of an Allowed Claim or Equity Interest until such time, if ever, as the amount payable thereto is equal to or greater than Ten Dollars (\$10.00).

32.5 **Delivery of Distributions:** Subject to the provisions of Rule 9010 of the Bankruptcy Rules, and except as provided in Section 32.4 of the Plan, distributions and deliveries to holders of Allowed Claims or Equity Interests shall be made at the address of each such holder as set forth on the Schedules filed with the Bankruptcy Court, unless superseded by the address set forth on proofs of Claim or Equity Interests filed by such holders, or at the last known address of such holder if no proof of Claim is filed or if the Debtors have been notified in writing of a change of address; provided, however, that initial distributions paid by the Disbursing Agent for the benefit of holders of Senior Notes Claims, Senior Subordinated Notes Claims, CCB-1 Guarantees Claims, CCB-2 Guarantees Claims, PIERS Claims, and REIT Series shall be made to the appropriate Trustee under the respective governing documents for such obligations, with the REIT Series distributions to be made to the Trust Preferred Trustees for distribution to holders of the REIT Series. Each such Trustee shall, in turn, administer the initial distributions to the holders of Allowed Claims in accordance with the Plan and the applicable indentures. The Trustees shall not be required to give any bond or surety or other security for the performance of their duties unless otherwise ordered by the Bankruptcy Court. The Trustees shall only be required to make distributions in accordance with the terms of the Plan and shall have no liability for actions taken in accordance with the Plan or in reliance upon information provided to the Trustees in accordance with the Plan, except for liabilities resulting from their own gross negligence or willful misconduct. Subsequent distributions to holders of Senior Notes Claims, Senior Subordinated Notes Claims, CCB-1 Guarantees Claims, CCB-2 Guarantees Claims, PIERS Claims, and REIT Series on account of Liquidating Trust Interests (or such holders' transferees) that have identified themselves to the Liquidating Trustee will be the responsibility of the Liquidating Trustee as Disbursing Agent. The Liquidating Trustee, with the consent of the applicable Trustee(s) not to be unreasonably withheld, may engage a special paying agent to assist with subsequent distributions in respect of Liquidating Trust Interests. Notwithstanding the foregoing, all distributions are subject to the Lien and priority rights of the Trustees.

32.6 **Undeliverable Distributions:**

(a) **Holding of Undeliverable Distributions:** If any distribution to any holder is returned to the Disbursing Agent as undeliverable, no further distribution shall be made to such holder unless and until the Disbursing Agent is notified, in writing, of such holder's then-current address. Undeliverable distributions shall remain in the possession of the Disbursing Agent until such time as a distribution becomes deliverable. All Entities ultimately receiving undeliverable Cash shall not be entitled to any interest or other accruals of any kind. Nothing contained in the Plan shall require the Disbursing Agent to attempt to locate any holder of an Allowed Claim or Equity Interest.

(b) **Failure to Claim Undeliverable Distributions:** On or about the first (1st) anniversary of the Effective Date, the Disbursing Agent shall file a list with the Bankruptcy Court setting forth the names of those Entities for which distributions have been made hereunder that have been returned as undeliverable as of the date thereof. Any holder of an Allowed Claim or Equity Interest on such list that does not assert its rights pursuant to the Plan to receive a distribution within two (2) years from and after the Effective Date shall have its entitlement to such undeliverable distribution discharged and shall be forever barred from asserting any entitlement pursuant to the Plan against the Reorganized Debtors, the Liquidating Trust, or their respective property. In such case, any consideration held for distribution on account of such Claim or Equity Interest shall revert to the Disbursing Agent for redistribution to holders of Allowed Claims and Equity Interests in accordance with the terms and provisions hereof.

32.7 **Withholding and Reporting Requirements:** Any party issuing any instrument or making any distribution under the Plan shall comply with all applicable withholding and reporting requirements imposed by any United States federal, state or local tax law or Tax Authority, and all distributions under the Plan shall be subject to any such withholding or reporting requirements. Notwithstanding the above, each holder of an Allowed Claim or Equity Interest that is to receive a distribution under the Plan shall have the sole and exclusive responsibility for the satisfaction and payment of any Taxes imposed on such holder by any governmental unit, including income, withholding and other tax obligations, on account of such distribution. Any party issuing any instrument or making any distribution under the Plan has the right, but not the obligation, to not make a distribution until such holder has made arrangements satisfactory to such issuing or disbursing party for payment of any such Tax obligations and, if any party issuing any instrument or making any distribution under the Plan fails to withhold with respect to any such holder's distribution, and is later held liable for the amount of such withholding, the holder shall reimburse such party. The Disbursing Agent may require, as a condition to the receipt of a distribution, that the holder complete the appropriate Form W-8 or Form W-9, as applicable to each holder. If the holder fails to comply with such a request within one hundred eighty (180) days, such distribution shall be deemed an unclaimed distribution.

32.8 **Time Bar to Cash Payments:** Checks issued by the Disbursing Agent on account of Allowed Claims or Equity Interests shall be null and void if not negotiated within ninety (90) days from and after the date of issuance thereof. Requests for reissuance of any check shall be made directly to the Disbursing Agent by the holder of the Allowed Claim or Equity Interest with respect to which such check originally was issued. Any claim in respect of

such a voided check shall be made on or before the later of (i) the first (1st) anniversary of the Effective Date or (ii) ninety (90) days after the date of issuance of such check, if such check represents a final distribution hereunder on account of such Claim or Equity Interest. After such date, all Claims and Equity Interests in respect of voided checks shall be discharged and forever barred and the Disbursing Agent shall retain all monies related thereto for the sole purpose of redistribution to holders of Allowed Claims and Equity Interests in accordance with the terms and provisions hereof.

32.9 **Distributions After Effective Date:** Distributions made after the Effective Date to holders of Claims that are not Allowed Claims as of the Effective Date, but which later become Allowed Claims, shall be deemed to have been made in accordance with the terms and provisions of Article XXXII of the Plan.

32.10 **Setoffs:** The Disbursing Agent may, pursuant to applicable bankruptcy or non-bankruptcy law, set off against any Allowed Claim and the distributions to be made pursuant to the Plan on account thereof (before any distribution is made on account of such Claim by the Disbursing Agent), the claims, rights, and causes of action of any nature that one or more of the Debtors, Debtors in Possession, or the Reorganized Debtors may hold against the holder of such Allowed Claim; provided, however, that neither the failure to effect such a setoff nor the allowance of any Claim hereunder shall constitute a waiver or release by the Debtors, Debtors in Possession, or the Reorganized Debtors of any such claims, rights, and causes of action that the Debtors, Debtors in Possession, or the Reorganized Debtors may possess against such holder; and, provided, further, that nothing contained herein is intended to limit the ability of any Creditor to effectuate rights of setoff or recoupment preserved or permitted by the provisions of sections 553, 555, 559, or 560 of the Bankruptcy Code or pursuant to the common law right of recoupment.

32.11 **Allocation of Plan Distributions Between Principal and Interest:** To the extent that any Allowed Claim entitled to a distribution under the Plan consists of indebtedness and other amounts (such as accrued but unpaid interest thereon), such distribution shall be allocated first to the principal amount of the Claim (as determined for federal income tax purposes) and then, to the extent the consideration exceeds the principal amount of the Claim, to such other amounts.

32.12 **Certain Trustee Fees and Expenses:** In the event that the Debtors and the Creditors' Committee agree, in their joint and absolute discretion, as to the Trustee Claims incurred during the period from the Petition Date up to and including the Effective Date, such Trustee Claims shall be paid in Cash by the Disbursing Agent on the Effective Date, without the need for the Trustees to file an application for allowance thereof with the Bankruptcy Court; provided, however, that each member of the Creditors' Committee shall not participate in the Creditors' Committee vote regarding the reasonableness of its own fees and expenses. In the event that either the Debtors or the Creditors' Committee disagree with a Trustee as to the reasonableness of all or a portion of the fees and expenses requested by such Trustee, such Trustee may, at its sole discretion, request that the Bankruptcy Court (i) determine the reasonableness and allowance of such contested amounts and (ii) direct the Disbursing Agent to pay such additional amounts determined to be reasonable, if any, and the Debtors, Creditors' Committee, and any other Creditor or party in interest may object thereto. With respect to any

undisputed portion of such Trustee's fees and expenses, such claims shall be deemed Allowed Claims, and the Debtors shall direct the Disbursing Agent to pay such undisputed fees and expenses to the Trustee on the Effective Date. To the extent that the Disbursing Agent fails to pay any Trustee Claim in full, whether as a result of the Creditors' Committee's or the Debtors' objection as to reasonableness, the Bankruptcy Court's determination as to reasonableness, or a Trustee's determination not to request payment therefor, such Trustee shall have the right to assert its Lien and priority rights pursuant to the applicable Indenture or Guarantee Agreement for payment of any unpaid amount upon any payment or other distribution to be made in accordance with the provisions contained herein. Notwithstanding the foregoing, the Disbursing Agent shall be responsible and, upon presentation of supporting documentation in form and substance satisfactory to the Disbursing Agent, shall satisfy the Trustee Distribution Expenses; provided, however, that, under no circumstance shall the Disbursing Agent be responsible for any indemnification obligation, cost, or expense of any of the Trustees associated with the gross negligence or willful misconduct of a Trustee in making any such distribution.

32.13 **Distribution Record Date**: For purposes of distributions, on the Distribution Record Date, registers of the respective Trustees shall be closed and the Trustees shall have no obligation to recognize, and shall not recognize, any transfers of Claims arising under or related to the Indentures or the Guarantee Agreements occurring from and after the Distribution Record Date.

ARTICLE XXXIII

MEANS OF IMPLEMENTATION

33.1 **Incorporation and Enforcement of the Settlement Agreement**: The Plan incorporates by reference the terms of the Global Settlement Agreement, including, without limitation, (i) the Debtors' agreement to sell, free and clear of all Claims, rights, interests, and Liens, certain of the Plan Contribution Assets to the JPMC Entities, (ii) JPMC's obligations to pay certain consideration for such sale, including, without limitation, JPMC's agreement to pay or fund the payment of the JPMC Assumed Liabilities and certain other Claims, and to waive certain of its Claims against the Debtors, (iii) JPMC's obligation to transfer certain of the Plan Contribution Assets to the Debtors, (iv) the FDIC Receiver's transfer of any interest it or the Receivership might have in any Plan Contribution Assets, and (v) the agreement among the parties to resolve certain pending Claims and litigation, including the Related Actions, pursuant to the terms of the Global Settlement Agreement and the Plan.

33.2 **Intercompany Claims**: Intercompany Claims shall be extinguished, unless otherwise agreed or resolved between the parties to a given Intercompany Claim, resolved by the Global Settlement Agreement or released by operation of the Plan. Any such transaction may be effected without any further action by the stockholders of any of the Debtors or the Debtors in Possession.

33.3 **Merger/Dissolution/Consolidation**: On or as of the Effective Date or as soon as practicable thereafter, and without the need for any consent or approval, Reorganized WMI may, in its sole and absolute discretion, (i) cause any of the Reorganized WMI Entities to be merged, dissolved, or otherwise consolidated, (ii) cause the transfer of assets between or

among the Reorganized WMI Entities, or (iii) engage in any other transaction in furtherance of the Plan. As soon as practicable after initial distributions are made pursuant to Section 32.1 of the Plan, and without the need for any consent or approval, Reorganized WMI shall complete, or shall cause the completion of, the administrative dissolution of the Washington Mutual Capital Trust 2001.

33.4 Cancellation of Existing Securities and Agreements: Except as provided herein, on the latest to occur of (i) the Effective Date, (ii) the entry of a Final Order resolving all Claims in the Chapter 11 Cases, and (iii) the final distribution made to holders of Allowed Claims in accordance with Article XXXII of the Plan, any document, agreement, or instrument evidencing any Claim or Equity Interest shall be deemed automatically cancelled and terminated without further act or action under any applicable agreement, law, regulation, order, or rule and the obligations of the Debtors under such documents, agreements, or instruments evidencing such Claims and Equity Interests shall be discharged; provided, however, that the Indentures and Guarantee Agreements shall continue in effect for the purposes of (i) allowing the Trustees to make distributions pursuant to the Plan and to perform such other necessary functions with respect thereto, (ii) permitting the Trustees to maintain and assert any right or Lien for reasonable fees, costs, expenses and indemnities under the Indentures and Guarantee Agreements, (iii) effectuating the applicable subordination provisions of such documents, (iv) enabling the noteholders to receive distributions and (v) enabling the Trustees to make applications in accordance with Section 32.12 of the Plan; and, provided, further, that, except as otherwise provided herein, nothing in this Plan shall impair, affect, or adversely affect the related transactions and the rights of the parties thereto. Notwithstanding any of the foregoing, nothing contained herein shall be deemed to impair, waive or extinguish any rights of the Trustees with respect to any rights contained in the respective Indentures or Guarantee Agreements; provided, however, that, upon payment in full of the respective Trustee Claims and Trustee Distribution Expenses in accordance with the Plan, the rights of the Trustees to seek payment from or assert claims against the Debtors for amounts owed under the respective Indentures or Guarantee Agreements shall be discharged as provided in this Plan.

33.5 Claims of Subordination: Except as specifically provided herein, to the fullest extent permitted by applicable law, on the latest to occur of (i) the Effective Date, (ii) the entry of a Final Order resolving all Claims in the Chapter 11 Cases, and (iii) the final distribution made to holders of Allowed Claims in accordance with Article XXXII of the Plan, all Claims and Equity Interests, and all rights and claims between or among holders of Claims and Equity Interests relating in any manner whatsoever to Claims or Equity Interests, based upon any contractual, equitable or legal subordination rights, will be terminated and discharged in the manner provided in this Plan, and all such Claims, Equity Interests and rights so based, and all such contractual, equitable and legal subordination rights to which any Entity may be entitled will be irrevocably waived. To the fullest extent permitted by applicable law, the rights afforded and the distributions that are made in respect of any Claims or Equity Interests under this Plan will not be subject to levy, garnishment, attachment or like legal process by any holder of a Claim or Equity Interest by reason of any contractual, equitable or legal subordination rights, so that, notwithstanding any such contractual, equitable or legal subordination rights, each holder of a Claim or Equity Interest shall have and receive the benefit of the rights and distributions set forth in this Plan.

33.6 **Surrender of Instruments:** Except to the extent evidenced by electronic entry, as a condition of receiving any distribution under the Plan, each holder of a certificated instrument or note must surrender such instrument or note to the appropriate Trustee or the Disbursing Agent or its designee. Any holder of such instrument or note that fails to (i) surrender such instrument or note or (ii) execute and deliver an affidavit of loss and/or indemnity reasonably satisfactory to the appropriate Trustee or the Disbursing Agent before the first (1st) anniversary of the Effective Date shall be deemed to have forfeited all rights and Claims and may not participate in any distribution under the Plan. Any distribution so forfeited shall become the property of the Disbursing Agent for distribution to holders of Allowed Claims in accordance with the terms and provisions hereof.

33.7 **Issuance of Reorganized Common Stock and Additional Common Stock:** The issuance by Reorganized WMI of the Reorganized Common Stock and Additional Common Stock on the Effective Date, if applicable, is hereby authorized without the need for any further corporate action and without any further action by holders of Claims or Equity Interests.

33.8 **Exemption from Securities Laws:** To the maximum extent provided by section 1145 of the Bankruptcy Code and applicable non-bankruptcy law, the issuance under the Plan of the Reorganized Common Stock (if any), the Additional Common Stock (if any), and the Subscription Rights (if any) will be exempt from registration under the Securities Act of 1933, as amended, and all rules and regulations promulgated thereunder.

33.9 **Hart-Scott-Rodino Compliance:** Any shares of Reorganized Common Stock or Additional Common Stock to be distributed under the Plan to any Entity required to file a Premerger Notification and Report Form under the Hart-Scott-Rodino Antitrust Improvement Act of 1976, as amended, shall not be distributed until the notification and waiting periods applicable under such Act to such Entity shall have expired or been terminated.

33.10 **Fractional Stock or Other Distributions:** Notwithstanding anything to the contrary contained herein, no fractional shares of Reorganized Common Stock or Additional Common Stock shall be distributed, and no Cash payments of fractions of cents will be made. Fractional dollars shall be rounded down to the nearest whole dollar. Fractional shares of stock shall be rounded down to the nearest whole unit. No Cash will be paid in lieu of such fractional shares of stock or dollars.

33.11 **Contractual Subordination Rights:** Notwithstanding anything in the Plan or any annex, attachment, schedule or exhibit to the Plan, the subordination and subrogation rights in respect of the Senior Notes, Senior Subordinated Notes, CCB Guarantees, PIERS Common Securities and PIERS Preferred Securities shall be controlled and governed by the Indentures and Guarantee Agreements providing for and relating to such subordination and subrogation rights and nothing in the Plan or any annex, attachment, schedule or exhibit to the Plan, shall amend, modify or impair such rights (or any remedies in respect thereof) in any manner or fashion; provided, however, that any disagreement with the priorities or distributions set forth herein or in the Subordination Model shall be raised prior to, and decided at, the Confirmation Hearing, and all issues with respect to contractual subordination and subrogation not resolved at the Confirmation Hearing shall be governed pursuant to the Subordination Model

or, if the decision of the Bankruptcy Court at the Confirmation Hearing differs from the Subordination Model, then all issues with respect to contractual subordination and subrogation shall be governed pursuant to such decision.

33.12 **Stock Election Notice Date:** On or prior to the Stock Election Notice Date, the Debtors shall file with the Bankruptcy Court a notice that discloses, on a Class-by-Class basis, the percentage of Reorganized Common Stock elected by Classes 2, 3, 12, 14, 15 and 16 as a result of the right of election set forth in Sections 6.2, 7.2, 16.2, 18.2, 19.2 and 20.2 of the Plan.

ARTICLE XXXIV

RIGHTS OFFERING

34.1 **Issuance of Subscription Rights:** Pursuant to Section 20.4 of the Plan, each holder of an Allowed PIERS Claim that relates to PIERS Preferred Securities shall receive certain Subscription Rights (as set forth therein), entitling such holder to purchase its Pro Rata Share of Additional Common Stock, if such holder, based on its Pro Rata Share of Subscription Rights, is entitled to subscribe for shares of Additional Common Stock for an aggregate Subscription Price of at least Two Million Dollars (\$2,000,000); provided, however, that the value attributable to Subscription Rights (but not the Subscription Rights) shall be subject to redistribution in accordance with the enforcement, pursuant to section 510(a) of the Bankruptcy Code, of contractual subordination provisions, as set forth in the Subordination Model attached hereto as Exhibit “G”; and provided, further, that the Subscription Rights shall be nontransferable. Except as otherwise provided herein, the Additional Common Stock shall be issued on the Effective Date or as soon thereafter as is practicable. Each eligible holder of Subscription Rights shall have the right, but not the obligation, to participate in the Rights Offering as provided herein, and shall be entitled to acquire all or any portion of its Pro Rata Share of Additional Common Stock. Pursuant to the Rights Offering, an aggregate number of shares of Additional Common Stock having a value of One Hundred Million Dollars (\$100,000,000.00) shall be available for purchase by all eligible holders of Subscription Rights.

34.2 **Subscription Period:** The Rights Offering shall commence on the date Ballots and Subscription Forms are mailed to Voting Nominees on behalf of holders of Allowed PIERS Claims. On or prior to the Subscription Expiration Date, each Voting Nominee, on behalf of each respective holder of Subscription Rights intending and eligible to participate in the Rights Offering, must affirmatively communicate to the Rights Offering Agent such holder’s election to exercise Subscription Rights.

34.3 **Subscription Purchase Price:** Each Voting Nominee, on behalf of each respective holder of Subscription Rights intending to participate in the Rights Offering, shall be required to pay, by no later than one (1) Business Day after the Subscription Expiration Date, the Subscription Purchase Price for each share of Additional Common Stock elected by such holder, in accordance with the provisions of Section 34.4 hereof.

34.4 **Exercise of Subscription Rights:** In order to exercise Subscription Rights, each holder thereof must (i) be a holder of an Allowed PIERS Claim that relates to a

PIERS Preferred Security as of the Rights Offering Record Date, (ii) be entitled, based upon its Pro Rata Share of Subscription Rights, to subscribe for shares of Additional Common Stock having an aggregate purchase price of at least Two Million Dollars (\$2,000,000), (iii) make the election to exercise all or a portion of such rights on the Subscription Form in a specified amount, (iv) return such Subscription Form to such holder's Voting Nominee for electronic transmission to the Rights Offering Agent, so that such information is actually received by the Rights Offering Agent on or before the Subscription Expiration Date, and (v) pay to the Voting Nominee an amount equal to the Subscription Purchase Price multiplied by the number of shares of Additional Common Stock such holder is electing to purchase, so that the Voting Nominee can forward such funds to the Debtors, so that the funds are received by the Debtors no later than one (1) Business Day after the Subscription Expiration Date. If the Rights Offering Agent and/or the Debtors for any reason do not timely receive from a Voting Nominee, on behalf of a given holder of Subscription Rights, (i) information regarding such holder's election to exercise its Subscription Rights and (ii) immediately available funds as set forth above, such holder shall be deemed to have relinquished and waived its right to participate in the Rights Offering. The payments made in accordance with the Rights Offering shall be deposited and held by the Debtors in the Rights Offering Trust Account. The Rights Offering Trust Account will be a segregated account, maintained by the Debtors exclusively for the purpose of administration of the Rights Offering until the Effective Date or such other later date, at the option of the Reorganized Debtors. The Debtors shall not use such funds for any other purpose and shall not encumber or permit such funds to be encumbered with any Lien or similar encumbrance.

34.5 **General Procedures Governing Exercise of Subscription Rights:** Each eligible holder of Subscription Rights as of the Rights Offering Record Date may exercise all or any portion of such holder's Subscription Rights pursuant to the Subscription Form; provided, however, that such holder must be eligible to purchase at least the minimum amount prescribed above. The valid exercise of Subscription Rights shall be irrevocable. In order to facilitate the exercise of the Subscription Rights, on the commencement date of the Rights Offering, the Debtors will mail a Subscription Form to each Voting Nominee on behalf of holders of Subscription Rights as of the Rights Offering Record Date, together with appropriate instructions for the proper completion, due execution, and timely delivery of the Subscription Form, as the case maybe, as well as instructions for payment. The Debtors may adopt such additional detailed procedures consistent with the provisions of this Article XXXIV to more efficiently administer the exercise of the Subscription Rights.

34.6 **Oversubscription:** Subject to the Debtors' sole and absolute discretion, each eligible holder of Subscription Rights that exercises its Subscription Rights in full will also have an over-subscription right to purchase any shares of Additional Common Stock not purchased by other eligible holders of Subscription Rights pursuant to the Rights Offering, at the Subscription Purchase Price. Holders of Subscription Rights may exercise such over-subscription right only if such holders were eligible to and exercised their initial Subscription Rights in full. If holders of Subscription Rights exercise their over-subscription right for more shares of Additional Common Stock than are available to be purchased pursuant to the over-subscription right, the Debtors will allocate the shares of Additional Common Stock among those over-subscribing holders based on each holder's Pro Rata Share of Allowed PIERS Claims and Postpetition Interest Claims on account of Allowed PIERS Claims.

34.7 **Distribution of the Additional Common Stock:** On the Effective Date, or as soon as reasonably practicable thereafter, the Rights Offering Agent shall facilitate the distribution of the Additional Common Stock purchased pursuant to the Rights Offering; provided, however, that, in the event a Retention/Sale Transaction has occurred, or an agreement for a Retention/Sale Transaction has been entered into and has not been terminated, prior to the Effective Date, the Additional Common Stock shall not be issued and, in accordance with the provisions of Section 34.10 hereof, the Debtors shall return all payments made pursuant to the Rights Offering to the Voting Nominees.

34.8 **No Interest:** No interest shall be paid to Entities exercising Subscription Rights on account of amounts paid in connection with such exercise.

34.9 **Disputes/Defects Regarding Exercise of Subscription Rights:** All questions concerning the timeliness, viability, form, and eligibility of any exercise of Subscription Rights shall be determined by the Debtors, whose good-faith determinations shall be final and binding. The Debtors, in their reasonable discretion, may waive any defect or irregularity, or permit a defect or irregularity to be corrected within such times as they may determine, or reject the purported exercise of any Subscription Rights. Elections shall be deemed not to have been received or accepted until all irregularities have been waived or cured within such time as the Debtors determine in their reasonable discretion. The Debtors will use commercially reasonable efforts to give notice to any Voting Nominee or holder of Subscription Rights regarding any defect or irregularity in connection with any purported exercise of Subscription Rights, and may permit such defect or irregularity to be cured within such time as the Debtors may determine in good faith to be appropriate; provided, however, that neither the Debtors nor the Disbursing Agent nor the Rights Offering Agent shall incur any liability for failure to give such notification.

34.10 **Return of Unused Funds:** To the extent that any portion of the amount paid to the Rights Offering Agent by a Voting Nominee on behalf of a holder of Subscription Rights on account of the Rights Offering is not used to purchase Additional Common Stock, the Debtors or the Reorganized Debtors, as the case may be, will return such ratable portion to the Voting Nominee on behalf of the applicable holder within ten (10) Business Days of a determination that such funds will not be used. In addition, if the Rights Offering is cancelled or otherwise has not been consummated by the Effective Date, the Debtors or the Reorganized Debtors, as the case may be, will return any payments made pursuant to the Rights Offering to the Voting Nominees on behalf of each applicable holder of Subscription Rights within ten (10) Business Days thereafter.

ARTICLE XXXV

CREDITORS' COMMITTEE/EQUITY COMMITTEE

35.1 **Dissolution of the Creditors' Committee:** On the first (1st) Business Day thirty (30) days following the Effective Date, and provided that payments to holders of Unsecured Claims have been made in accordance with Article XXXII of the Plan, the Creditors' Committee shall be dissolved, and the members thereof shall be released and discharged of and from all further authority, duties, responsibilities, and obligations related to and arising from and

in connection with the Chapter 11 Cases, and the retention or employment of the Creditors' Committee's attorneys, financial advisors, and other agents, if any, shall terminate other than for purposes of filing and prosecuting applications for final allowances of compensation for professional services rendered and reimbursement of expenses incurred in connection therewith; provided, however, that the Creditors' Committee may, at its own discretion, continue or resume its duties arising from or relating to (i) any pending litigation or contested matter to which the Creditors' Committee is a party, (ii) any appeal filed regarding confirmation of the Plan, (iii) obligations arising under confidentiality agreements, joint interest agreements, and protective orders, if any, entered during the Chapter 11 Cases that remain in full force and effect according to their terms, (iv) applications for fees and expenses of members of the Creditors' Committee and requests for compensation and reimbursement of expenses pursuant to section 503(b) of the Bankruptcy Code for making a substantial contribution in any of the Chapter 11 Cases, and (v) motions, appeals or other litigation seeking the enforcement of the provisions of the Plan and the transactions contemplated hereunder or in the Confirmation Order; and provided further that the Debtors or the Reorganized Debtors, as the case may be, shall continue to compensate the Creditors' Committee's attorneys, financial advisors, and other agents, if any, for any of the post-Effective Date activities identified in this Section 35.1 of the Plan.

35.2 **Dissolution of the Equity Committee:** On the first (1st) Business Day following the Effective Date, the Equity Committee shall be dissolved and the members thereof shall be released and discharged of and from all further authority, duties, responsibilities, and obligations related to and arising from and in connection with the Chapter 11 Cases, and the retention or employment of the Equity Committee's attorneys, financial advisors, and other agents, if any, shall terminate other than for purposes of filing and prosecuting applications for final allowances of compensation for professional services rendered and reimbursement of expenses incurred in connection therewith.

ARTICLE XXXVI

EXECUTORY CONTRACTS AND UNEXPIRED LEASES

36.1 **Rejection or Assumption of Remaining Executory Contracts and Unexpired Leases:** Pursuant to sections 365(a) and 1123(b)(2) of the Bankruptcy Code, all prepetition executory contracts and unexpired leases that exist between one or both of the Debtors and any Entity, and which have not expired by their own terms on or prior to the Confirmation Date, shall be deemed rejected by the Debtors as of the Effective Date, except for any executory contract or unexpired lease that (i) has been assumed and assigned or rejected pursuant to an order of the Bankruptcy Court entered prior to the Effective Date or (ii) that is specifically designated as a contract or lease to be assumed or assumed and assigned on the schedules to the Plan Supplement, including, without limitation, any executory contract or unexpired lease sold, accepted, or transferred to one of the JPMC Entities pursuant to the terms of the Global Settlement Agreement; provided, however, that the Debtors reserve the right, on or prior to the Confirmation Date, to amend such schedules to delete any executory contract or unexpired lease therefrom or add any executory contract or unexpired lease thereto, in which event such executory contract(s) or unexpired lease(s) shall be deemed to be, as the case may be, either rejected, assumed, or assumed and assigned as of the Effective Date. The Debtors shall serve (i) notice of any executory contract and unexpired lease to be assumed or assumed and

assigned through the operation of this Section 36.1 by including a schedule of such contracts and leases in the Plan Supplement and (ii) notice of any executory contract and unexpired lease to be rejected through the operation of this Section 36.1 by serving a separate notice to the relevant counterparties to such agreements. To the extent there are any amendments to such schedules, the Debtors shall provide notice of any such amendments to the parties to the executory contracts and unexpired leases affected thereby. The listing of a document on the schedules to the Plan Supplement or in any separate notice shall not constitute an admission by the Debtors that such document is an executory contract or an unexpired lease or that the Debtors have any liability thereunder.

36.2 Approval of Rejection or Assumption of Executory Contracts and Unexpired Leases: Entry of the Confirmation Order by the Bankruptcy Court shall constitute approval, pursuant to sections 365(a) and 1123(b)(2) of the Bankruptcy Code, of the rejection, assumption, or assumption and assignment, as the case may be, of executory contracts and unexpired leases pursuant to Section 36.1 of the Plan or pursuant to the Global Settlement Agreement.

36.3 Inclusiveness: Unless otherwise specified on the schedules to the Plan Supplement, each executory contract and unexpired lease listed or to be listed therein shall include any and all modifications, amendments, supplements, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without regard to whether such agreement, instrument, or other document is listed on such schedule.

36.4 Cure of Defaults: Except to the extent that different treatment has been agreed to by the non-debtor party or parties to any executory contract or unexpired lease to be assumed or assumed and assigned pursuant to Section 36.1 of the Plan, the Debtors shall, pursuant to the provisions of sections 1123(a)(5)(G) and 1123(b)(2) of the Bankruptcy Code and consistent with the requirements of section 365 of the Bankruptcy Code, within at least twenty (20) days prior to the Confirmation Hearing, file with the Bankruptcy Court and serve by first class mail on each non-debtor party to such executory contracts or unexpired leases to be assumed pursuant to Section 36.1 of the Plan, a notice, which shall list the cure amount as to each executory contract or unexpired lease to be assumed or assumed and assigned. The parties to such executory contracts or unexpired leases will have twenty (20) days from the date of service of such notice to file and serve any objection to the cure amounts listed by the Debtors. If there are any objections filed, the Bankruptcy Court shall hold a hearing on a date to be set by the Bankruptcy Court. Notwithstanding Section 36.1 of the Plan, the Debtors shall retain their rights to reject any of their executory contracts or unexpired leases that are subject to a dispute concerning amounts necessary to cure any defaults through the Effective Date.

36.5 Rejection Damage Claims: If the rejection of an executory contract or unexpired lease by the Debtors hereunder results in damages to the other party or parties to such contract or lease, any claim for such damages, if not heretofore evidenced by a filed proof of Claim, shall be forever barred and shall not be enforceable against the Debtors, or their properties or agents, successors, or assigns, including, without limitation, the Reorganized Debtors and the Liquidating Trust, unless a proof of Claim is filed with the Bankruptcy Court and served upon attorneys for the Debtors or the Liquidating Trustee, as the case may be, on or

before thirty (30) days after the latest to occur of (i) the Confirmation Date, and (ii) the date of entry of an order by the Bankruptcy Court authorizing rejection of a particular executory contract or unexpired lease.

36.6 **Indemnification and Reimbursement Obligations:** For purposes of the Plan, (i) the obligations of the Debtors to indemnify and reimburse their directors or officers that were directors or officers, respectively, on or prior to the Petition Date shall be deemed rejected as of the Effective Date and such parties' rights to assert rejection damage claims, if any, shall be governed by Section 36.5 of the Plan and (ii) indemnification obligations of the Debtors arising from conduct of officers and directors during the period from and after the Petition Date shall be Administrative Expense Claims.

36.7 **Termination of Benefit Plans:** Notwithstanding anything contained in the Plan to the contrary, the Debtors and the Liquidating Trustee, as the case may be, shall be authorized, but not required, to terminate all Benefit Plans, in accordance with the terms and provisions of the documents and instruments relating thereto and applicable law, at such time as determined by the Debtors or the Liquidating Trustee, as the case may be, in their sole discretion; provided, however, that, until the transfer or termination of any Benefit Plan, the Debtors, the Liquidating Trustee, and the Reorganized Debtors, as the case may be, shall (a) continue to perform any and all of their administrative obligations thereunder and (b) with respect to Benefit Plans subject to Title IV of ERISA, continue to make any required minimum funding contributions and pay applicable Pension Benefit Guaranty Corporation insurance premiums; and, provided, further, that, upon termination thereof, the Debtors, the Liquidating Trustee, or the Reorganized Debtors, as the case may be, shall provide administrative services in connection with the operation and wind down of the Benefit Plans; and, provided, further, that the continuation of any Benefit Plan by the Debtors, the Liquidating Trustee, or the Reorganized Debtors, as the case may be, from and after the Confirmation Date, including, without limitation, the provision of administrative services in connection with the operation and wind down of such Benefit Plan, shall not constitute an assumption of such Benefit Plans in accordance with section 365 of the Bankruptcy Code; and, provided, further, that the failure to perform any obligation under the Benefit Plans or to provide administrative services in connection with the wind down of the Benefit Plans shall be without prejudice to (i) any Entity to assert such failure gives rise to an Administrative Expense Claim and (ii) the Debtors or the Liquidating Trustee to contest the assertion thereof. For the avoidance of doubt, the foregoing shall not apply to any employee benefit or welfare plan to be maintained by the Reorganized Debtors or the Liquidating Trustee, as the case may be, in the ordinary course of business after the Effective Date for the benefit of employees actively employed by the Reorganized Debtors or the Liquidating Trustee.

36.8 **Termination of Vendor Stipulation:** On the Effective Date, that certain Stipulation By and Between Debtors and JPMorgan Chase Bank, N.A. Concerning Certain Contracts, dated October 16, 2008, shall be terminated and deemed of no further force and effect, except as specifically provided in Section 2.14 of the Global Settlement Agreement.

(k) to issue injunctions, enter and implement other orders, or take such other actions as may be necessary or appropriate to restrain interference by any Entity with consummation or enforcement of the Plan or the Global Settlement Agreement;

(l) to determine any other matter that may arise in connection with or that is related to the Plan, the Disclosure Statement, the Confirmation Order, the Global Settlement Agreement, or any contract, instrument, release, or other agreement or document

created in connection therewith, unless such agreements or documents contain express enforcement or dispute resolution provisions, in which case, such provisions should govern;

(m) to hear and determine matters concerning state, local, and federal Taxes in accordance with sections 346, 505, and 1146 of the Bankruptcy Code (including, without limitation, any matter relating to the Tax Refunds, and any request by the Debtors or by the Liquidating Trustee, as applicable, for an expedited determination of Tax under section 505(b) of the Bankruptcy Code with respect to the Debtors, the Liquidating Trust, or the Liquidating Trust Claims Reserve, as applicable);

(n) to hear any other matter or for any purpose specified in the Confirmation Order that is not inconsistent with the Bankruptcy Code; and

(o) to enter a final decree closing the Chapter 11 Cases;

provided, however, that the foregoing is not intended to (i) expand the Bankruptcy Court's jurisdiction beyond that allowed by applicable law, (ii) grant the Bankruptcy Court jurisdiction over disputes between JPMC and the FDIC Receiver and/or FDIC Corporate under the Purchase and Assumption Agreement, (iii) impair the rights of an Entity to (a) invoke the jurisdiction of a court, commission, or tribunal with respect to matters relating to a governmental unit's police and regulatory powers and (b) contest the invocation of any such jurisdiction; and provided, further, that the invocation of such jurisdiction, if granted, shall not extend to the allowance or priority of Claims or the enforcement of any money judgment against the Debtors, the Reorganized Debtors, or the Liquidating Trust, as the case may be, entered by such court, commission, or tribunal, and (iv) impair the rights of an Entity to (a) seek the withdrawal of the reference in accordance with 28 U.S.C. § 157(d) and (b) contest any request for the withdrawal of reference in accordance with 28 U.S.C. § 157(d).

ARTICLE XLI

MODIFICATION, REVOCATION, OR WITHDRAWAL OF THE PLAN

41.1 **Modification of Plan**: The Debtors reserve the right, in accordance with the Bankruptcy Code and the Bankruptcy Rules, in the event any amendment or modification would materially adversely affect the substance of the economic provisions set forth in the Plan or the Global Settlement Agreement, to amend or modify the Plan, the Plan Supplement, or any exhibit to the Plan at any time prior to the entry of the Confirmation Order, subject in each case to the consent of the Creditors' Committee, the JPMC Entities, the Settlement Note Holders and the FDIC Receiver and FDIC Corporate; provided, however, that, for the avoidance of doubt, it is understood and agreed that any change to the definition of JPMC Assumed Liabilities or to the releases in Article XLIII of the Plan, or to the assets or benefits to be received by JPMC pursuant to the Global Settlement Agreement would be material to the JPMC Entities. Upon entry of the Confirmation Order, the Debtors may, upon order of the Bankruptcy Court, amend or modify the Plan, in accordance with section 1127(b) of the Bankruptcy Code, or remedy any defect or omission or reconcile any inconsistency in the Plan in such manner as may be necessary to carry out the purpose and intent of the Plan, subject in each case to the terms of the Global Settlement Agreement. A holder of a Claim that has accepted the Plan shall be deemed to have accepted the

Plan as modified if the proposed modification does not materially and adversely change the treatment of the Claim of such holder.

41.2 **Revocation or Withdrawal:**

(a) The Plan may be revoked or withdrawn prior to the Confirmation Date by the Debtors.

(b) If the Plan is revoked or withdrawn prior to the Confirmation Date, or if the Plan does not become effective for any reason whatsoever, then the Plan shall be deemed null and void. In such event, nothing contained herein shall be deemed to constitute a waiver or release of any claim by the Debtors or any other Entity, or to prejudice in any manner the rights of the Debtors or any other Entity in any further proceeding involving the Debtors.

41.3 **Amendment of Plan Documents:** From and after the Effective Date, the authority to amend, modify, or supplement the Plan Supplement, the Exhibits to the Plan Supplement and the Exhibits to the Plan, and any document attached to any of the foregoing, shall be as provided in such Plan Supplement, Exhibit to the Plan Supplement, or Exhibit to the Plan and their respective attachments, as the case may be.

41.4 **No Admission of Liability.**

(a) The submission of this Plan is not intended to be, nor shall it be construed as, an admission or evidence in any pending or subsequent suit, action, proceeding or dispute of any liability, wrongdoing, or obligation whatsoever (including as to the merits of any claim or defense) by any Entity with respect to any of the matters addressed in this Plan.

(b) None of this Plan (including, without limitation, the Exhibits hereto), or any settlement entered, act performed or document executed in connection with this Plan: (i) is or may be deemed to be or may be used as an admission or evidence of the validity of any claim, or any allegation made in any of the Related Actions or of any wrongdoing or liability of any Entity; (ii) is or may be deemed to be or may be used as an admission or evidence of any liability, fault or omission of any Entity in any civil, criminal or administrative proceeding in any court, administrative agency or other tribunal; (iii) is or may be deemed to be or used as an admission or evidence against the Reorganized Debtors, the Debtors, or any other Person or Entity with respect to the validity of any Claim; or (iv) is or may be deemed to be used as an admission or evidence of the jurisdiction of any court to adjudicate claims or matters relating to the Receivership. None of this Plan or any settlement entered, act performed or document executed in connection with this Plan shall be admissible in any proceeding for any purposes, except to carry out the terms of this Plan, and except that, once confirmed, any Entity may file this Plan in any action for any purpose, including, but not limited to, in order to support a defense or counterclaim based on the principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction or any other theory of claim preclusion or issue preclusion or similar defense of counterclaim.

ARTICLE XLII

CORPORATE GOVERNANCE AND MANAGEMENT OF THE REORGANIZED DEBTORS

42.1 **Corporate Action**: On the Effective Date, all matters provided for under the Plan that would otherwise require approval of the stockholders or directors of one or more of the Debtors or Reorganized Debtors, including, without limitation, the authorization to issue or cause to be issued the Reorganized Common Stock, the Additional Common Stock, and the Subscription Rights, the adoption of the Reorganized Debtors Certificates of Incorporation and the Reorganized Debtors By-Laws, and the election or appointment, as the case may be, of directors and officers of the Reorganized Debtors pursuant to the Plan, as applicable, shall be authorized and approved in all respects, in each case without further action under applicable law, regulation, order, or rule, including, without limitation, any action by the stockholders of the Debtors or the Reorganized Debtors, as the case may be. The cancellation of all Equity Interests and other matters provided under the Plan involving the corporate structure of the Reorganized Debtors or corporate action by the Reorganized Debtors, as applicable, shall be deemed to have occurred, be authorized, and shall be in effect without requiring further action under applicable law, regulation, order, or rule, including, without limitation, any action by the stockholders of the Debtors or the Reorganized Debtors. Without limiting the foregoing, from and after the Confirmation Date, the Debtors and the Reorganized Debtors shall take any and all actions deemed appropriate in order to consummate the transactions contemplated herein, and, notwithstanding any provision contained in the Debtors' articles of incorporation and by-laws to the contrary, such Entities shall not require the affirmative vote of holders of Equity Interests in order to take any corporate action including to (i) compromise and settle claims and causes of action of or against the Debtors and their chapter 11 estates and (ii) dissolve, merge, or consolidate with any other Entity.

42.2 **Reincorporation**: In the event that Reorganized Common Stock is issued pursuant to the Plan, prior to or on the Effective Date, WMI shall reincorporate from the State of Washington to the State of Delaware.

The Reorganized Debtors Certificates of Incorporation and the Reorganized Debtors By-Laws, to the extent applicable, shall prohibit the issuance of nonvoting equity securities to the extent required by section 1123(a)(6) of the Bankruptcy Code.

42.4 **Directors of the Reorganized Debtors**: In the event that Reorganized Common Stock is issued pursuant to the Plan, on the Effective Date, the boards of directors of each of the Reorganized Debtors shall each consist of seven (7) persons and will be comprised as follows: (i) the chief executive officer of Reorganized WMI and (ii) six (6) individuals selected by the Creditors' Committee; provided, however, that the first annual election of the boards of

directors shall take place within six (6) months after the Effective Date. The initial directors shall be disclosed prior to the Confirmation Hearing. In the event that, during the period from the Confirmation Hearing up to and including the Effective Date, circumstances require the substitution of one (1) or more persons selected to serve on the boards of directors of the Reorganized Debtors, the Creditors' Committee shall choose such substitute and the Debtors shall file a notice thereof with the Bankruptcy Court and, for purposes of section 1129 of the Bankruptcy Code, any such replacement person, designated in accordance with the requirements of the immediately preceding sentence, shall be deemed to have been selected and disclosed prior to the Confirmation Hearing.

42.5 **Officers of the Reorganized Debtors:** To the extent applicable, the board of directors of the Reorganized Debtors shall elect officers of the Reorganized Debtors as of or after the Effective Date.

ARTICLE XLIII

MISCELLANEOUS PROVISIONS

43.1 **Title to Assets:** Except as otherwise provided by the Plan and the Global Settlement Agreement, on the Effective Date, title to all assets and properties encompassed by the Plan shall vest in the Reorganized Debtors, the Liquidating Trust, the JPMC Entities or the FDIC Receiver, as the case may be, free and clear of all Liens and in accordance with sections 363 and 1141 of the Bankruptcy Code, and the Confirmation Order shall be a judicial determination of discharge of the liabilities of the Debtors and the Debtors in Possession except as provided in the Plan.

43.2 **Discharge and Release of Claims and Termination of Equity Interests.**

(a) Except as expressly provided in the Plan or the Confirmation Order, all distributions and rights afforded under the Plan and the treatment of Claims and Equity Interests under the Plan shall be, and shall be deemed to be, in exchange for, and in complete satisfaction, settlement, discharge and release of, all Claims and any other obligations, suits, judgments, damages, debts, rights, remedies, causes of action or liabilities of any nature whatsoever, and of all Equity Interests, or other rights of a holder of an Equity Interest, relating to any of the Debtors or the Reorganized Debtors or any of their respective assets, property and estates, or interests of any nature whatsoever, including any interest accrued on such Claims from and after the Petition Date, and regardless of whether any property will have been distributed or retained pursuant to the Plan on account of such Claims or other obligations, suits, judgments, damages, debts, rights, remedies, causes of action or liabilities, or Equity Interests or other rights of a holder of an equity security or other ownership interest. Upon the Effective Date, the Debtors and the Reorganized Debtors shall (i) be deemed discharged under section 1141(d)(1)(A) of the Bankruptcy Code and released from any and all Claims and any other obligations, suits, judgments, damages, debts, rights, remedies, causes of action or liabilities, and any Equity Interests or other rights of a holder of an equity security or other ownership interest, of any nature whatsoever, including, without limitation, liabilities that arose before the Effective Date (including prior to the Petition Date), and all debts of the kind specified in sections 502(g), 502(h) or 502(i) of the Bankruptcy Code, whether or not (a) a proof of Claim based upon such

In accordance with the foregoing, except as expressly provided in the Plan or the Confirmation Order, the Confirmation Order shall constitute a judicial determination, as of the Effective Date, of the discharge and release of all such Claims or other obligations, suits, judgments, damages, debts, rights, remedies, causes of action or liabilities, and any Equity Interests, or other rights of a holder of an equity interest and termination of all rights of any such holder in any of the Debtors, pursuant to sections 524 and 1141 of the Bankruptcy Code, and such discharge shall void and extinguish any judgment obtained against any of the Released Parties, and their respective assets, property and estates at any time, to the extent such judgment is related to a discharged Claim, debt or liability or terminated right of any holder of any Equity Interest in any of the Debtors. As of the Effective Date, and in consideration for the value provided under the Global Settlement Agreement to effectuate the Plan, each holder of a Claim or Equity Interest in any Class under this Plan shall be and hereby is deemed to release and forever waive and discharge as against each and any of the Released Parties, and their respective assets, property and estates, all such Claims and Equity Interests.

(c) In furtherance of the foregoing, and except for the JPMC Assumed Liabilities, Allowed WMB Vendor Claims, and Allowed WMI Vendor Claims, to the extent provided in the Global Settlement Agreement, none of the JPMC Entities or any of their Related Persons shall have any liability for, and the Debtors on behalf of themselves and their respective estates and Related Persons hereby release the JPMC Entities and each of their Related Persons from liability for, any and all Claims that (i) are or were property of the Debtors, their estates, or their respective Related Persons or (ii) were or could have been brought in any of the Related Actions.

43.3 Injunction on Claims: Except as otherwise expressly provided in the Plan, the Confirmation Order or such other order of the Bankruptcy Court that may be applicable, all Entities, and each Related Person of such Entities, who have held, hold or may hold Claims or any other debt or liability that is discharged or Equity Interests or other right of equity interest that is terminated or cancelled pursuant to the Plan or the Global Settlement Agreement, or who have held, hold or may hold Claims or any other debt or liability that is discharged or released pursuant to Sections 43.2 or 43.6 hereof,

respectively, are permanently enjoined, from and after the Effective Date, from (a) commencing or continuing, directly or indirectly, in any manner, any action or other proceeding (including, without limitation, any judicial, arbitral, administrative or other proceeding) of any kind on any such Claim or other debt or liability or Equity Interest that is terminated or cancelled pursuant to the Plan against any of the Released Parties or any of their respective assets, property or estates, (b) the enforcement, attachment, collection or recovery by any manner or means of any judgment, award, decree or order against any of the Released Parties or any of their respective assets, property or estates, (c) creating, perfecting, or enforcing any encumbrance of any kind against any of the Released Parties or any of their respective assets, property or estates, and (d) except to the extent provided, permitted or preserved by sections 553, 555, 556, 559 or 560 of the Bankruptcy Code or pursuant to the common law right of recoupment, asserting any right of setoff, subrogation or recoupment of any kind against any obligation due from any of the Released Parties or any of their respective assets, property or estates, with respect to any such Claim or other debt or liability that is discharged or Equity Interest or other right of equity interest that is terminated or cancelled pursuant to the Plan; provided, however, that such injunction shall not preclude the United States of America, any state or any of their respective police or regulatory agencies from enforcing their police or regulatory powers; and, provided, further, that, except in connection with a properly filed proof of Claim, the foregoing proviso does not permit the United States of America, any State or any of their respective police or regulatory agencies from obtaining any monetary recovery from any of the Released Parties or any of their respective assets, property or estates, with respect to any such Claim or other debt or liability that is discharged or Equity Interest or other right of equity interest that is terminated or cancelled pursuant to the Plan, including, without limitation, any monetary claim or penalty in furtherance of a police or regulatory power; and, provided, further that, subject to Section 3.8 of the Global Settlement Agreement, such injunction shall not preclude the JPMC Entities, the Receivership, the FDIC Receiver and the FDIC Corporate from pursuing any and all claims against each other or any other defenses thereto pursuant to the Purchase and Assumption Agreement. Such injunction shall extend to all successors and assigns of the Released Parties and their respective assets, property and estates.

43.4 **Integral to Plan**: Each of the discharge, injunction and release provisions provided in this Article XLIII is an integral part of the Plan and is essential to its implementation. Each of the Released Parties shall have the right to independently seek the enforcement of the discharge, injunction and release provisions set forth in this Article XLIII.

43.5 **Releases by the Debtors**: Except as otherwise expressly provided in the Plan, the Confirmation Order, or the Global Settlement, on the Effective Date, for good and valuable consideration, each of the Debtors and the Reorganized Debtors on its own behalf and as representative of its respective estate, and each of its respective Related Persons, and on behalf of the Liquidating Trust, the Liquidating Trustee, the Liquidating Trust Beneficiaries and the Disbursing Agent, and each of their respective Related Persons, shall be deemed to have and hereby does irrevocably and unconditionally, fully, finally and forever waive, release, acquit, and discharge the Released Parties and each of their respective Related Persons, from any and all Claims or Causes of Action that the Debtors, the Reorganized Debtors, the Liquidating Trust, the Liquidating Trustee, the Liquidating Trust Beneficiaries, and the Disbursing Agent, and their

respective Related Persons, or any of them, or anyone claiming through them, on their behalf or for their benefit, have or may have or claim to have, now or in the future, against any Released Party or any of their respective Related Persons that are Released Claims or otherwise are based upon, relate to, or arise out of or in connection with, in whole or in part, any act, omission, transaction, event or other circumstance relating to the Debtors, the Affiliated Banks, or any of their respective Related Persons, taking place or existing on or prior to the Effective Date, and/or any Claim, act, fact, transaction, occurrence, statement, or omission in connection with or alleged or that could have been alleged in the Related Actions, including, without limitation, any such claim, demand, right, liability, or cause of action for indemnification, contribution, or any other basis in law or equity for damages, costs or fees.

43.6 Releases by Holders of Claims and Equity Interests. Except as otherwise expressly provided in the Plan, the Confirmation Order, or the Global Settlement Agreement, and except with respect to holders of WMB Senior Notes Claims and Non-Filing WMB Senior Note Holders who do not check the box labeled “Grant Plan Section 43.6 Release”, on the Effective Date, for good and valuable consideration, each Entity that has held, currently holds or may hold a Released Claim or any Equity Interest that is terminated, and each of its respective Related Persons, on their own behalf and on behalf of anyone claiming through them, on their behalf, or for their benefit, shall be deemed to have and hereby does irrevocably and unconditionally, fully, finally and forever waive, release, acquit and discharge each and all of the Released Parties from any and all Released Claims in connection with or related to any of the Debtors, the Reorganized Debtors, the Affiliated Banks, or their respective subsidiaries, assets, liabilities, operations, property or estates, the Chapter 11 Cases or the Plan or the Disclosure Statement, the assets to be received by JPMC pursuant to the Global Settlement Agreement, the Plan Contribution Assets, the Debtors’ Claims, the JPMC Claims, the FDIC Claim, the Purchase and Assumption Agreement, the WMI/WMB Intercompany Claims, any intercompany claims on the books of WMI or WMB related to the WaMu Pension Plan or the Lakeview Plan, claims related in any way to the Trust Preferred Securities (including, without limitation, the creation of the Trust Preferred Securities, the financing associated therewith, the requested assignment of the Trust Preferred Securities by the Office of Thrift Supervision and the transfer and the asserted assignment of the Trust Preferred Securities subsequent thereto), and/or any claim, act, fact, transaction, occurrence, statement, or omission in connection with or alleged in the Actions or in the Texas Litigation, or that could have been alleged in respect of the foregoing or other similar proceeding, including, without limitation, any such claim demand, right, liability, or cause of action for indemnification, contribution or any other basis in law or equity for damages, costs or fees incurred by the releasors herein arising directly or indirectly from or otherwise relating thereto; **provided, however,** that each Entity that has submitted a Ballot may elect, by checking or not checking, as applicable, the appropriate box on its Ballot, not to grant the releases set forth in Section 43.6 of the Plan with respect to those Released Parties other than (i) the Debtors, (ii) the Reorganized Debtors, (iii) the Trustees, and (iv) the Creditors’ Committee and its members in such capacity and for their actions as members, their respective Related Persons, and their respective predecessors, successors and assigns (whether by operation of law or otherwise), in which case, such Entity that so elects to not grant the releases will not receive a distribution hereunder; and **provided, further,** that, because the Plan and the Global Settlement Agreement, and the financial contributions contained therein, are conditioned upon the aforementioned releases, and, as such, these releases are essential for the successful reorganization of the Debtors, pursuant to the

Confirmation Order, those Entities that opt out of the releases provided hereunder shall be bound and shall receive the distributions they otherwise would be entitled to receive pursuant to the Plan; and provided, further, that nothing contained in the Plan or the Confirmation Order shall (a) release, or is intended to release, any non-Debtor, including any non-Debtor Entity that may be a Released Party or a Related Person, in connection with any legal action or claim brought by the United States Securities and Exchange Commission or (b) prejudice the rights of any such non-Debtor Entity to defend or otherwise contest any such legal action or claim; and provided, further, that nothing contained in the Plan or the Confirmation Order shall (a) to the extent that (i) the Pension Plans are terminated from and after the Effective Date and (ii) the Pension Plans are underfunded as of the Effective Date, release, or is intended to release, any non-Debtor, including any non-Debtor Entity that may be a Released Party or a Related Person, from any liability as a fiduciary of the Pension Plans, under any law, government policy or regulatory provision, (b) enjoin or preclude the Pension Benefit Guaranty Corporation from enforcing such liability against such non-Debtor Entity during the applicable statute of limitations period set forth in 29 U.S.C. § 1303 following any such termination, or (c) prejudice the rights of any such non-Debtor Entity to defend or otherwise contest any such legal action or claim; and provided, further, that nothing in the Plan or the Confirmation Order is intended to, nor shall it, release any non-Debtor or non-Debtor Entity that may be a Released Party or a Related Person, in connection with any legal action or claim brought by CDTSC or the BKK Group relating to the BKK Site that is the subject of the BKK Litigation. In addition to, and not in any way limiting the foregoing, each holder of an Allowed WMB Senior Notes Claim and each Accepting Non-Filing WMB Senior Notes Holder shall be deemed to have released the Debtors, the Reorganized Debtors, the Liquidating Trustee, and each of their respective Related Persons from any and all direct and derivative claims arising from or related to such holder's WMB Senior Notes, as well as any misrepresentation or other similar claim for damages arising from the purchase or sale of such holder's WMB Senior Notes (including, without limitation, any Section 510(b) Subordinated WMB Notes Claims that such holder may have).

43.7 Injunction Related to Releases. Except as provided in the Plan, the Confirmation Order, or the Global Settlement Agreement, as of the Effective Date, (i) all Entities that hold, have held, or may hold a Released Claim or Equity Interest relating to any of the Debtors or the Reorganized Debtors or any of their respective assets, property and estates, that is released pursuant to Section 43.6 of the Plan, (ii) all other parties in interest, and (iii) each of the Related Persons of each of the foregoing entities, are, and shall be, permanently, forever and completely stayed, restrained, prohibited, barred and enjoined from taking any of the following actions, whether directly or indirectly, derivatively or otherwise, on account of or based on the subject matter of such discharged Released Claims or such Equity Interests: (i) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding (including, without limitation, any judicial, arbitral, administrative or other proceeding) in any forum; (ii) enforcing, attaching (including, without limitation, any prejudgment attachment), collecting, or in any way seeking to recover any judgment, award, decree, or other order; (iii) creating, perfecting or in any way enforcing in any matter, directly or indirectly, any Lien; (iv) setting off, seeking reimbursement or contributions from, or subrogation against, or otherwise recouping in any manner, directly or indirectly, any amount against any

liability or obligation owed to any Entity released under Section 43.6 hereof; and (v) commencing or continuing in any manner, in any place of any judicial, arbitration or administrative proceeding in any forum, that does not comply with or is inconsistent with the provisions of the Global Settlement Agreement, the Plan or the Confirmation Order.

43.8 **Exculpation**: The Released Parties, members of the Plan Administration Committee and Plan Investment Committee of the WaMu Savings Plan, and each of their Related Persons shall not have or incur any liability to any Entity for any act taken or omitted to be taken in connection with the Chapter 11 Cases (including any actions taken by the Creditors' Committee after the Effective Date), the formulation, preparation, dissemination, implementation, confirmation or approval of the Plan or any compromises or settlements contained therein, the Disclosure Statement related thereto, the Global Settlement Agreement, or any contract, instrument, release or other agreement or document provided for or contemplated in connection with the consummation of the transactions set forth in the Plan and the Global Settlement Agreement; provided, however, that the foregoing provisions of this Section 43.8 shall not affect the liability of any Entity that otherwise would result from any such act or omission to the extent that such act or omission is determined in a Final Order to have constituted gross negligence or willful misconduct. Any of the foregoing parties in all respects shall be entitled to rely upon the advice of counsel with respect to their duties and responsibilities under the Plan.

43.9 **Bar Order**: Each and every Entity is permanently enjoined, barred and restrained from instituting, prosecuting, pursuing or litigating in any manner any and all claims, demands, rights, liabilities, or causes of action of any and every kind, character or nature whatsoever, in law or in equity, known or unknown, direct or derivative, whether asserted or unasserted, against any of the Released Parties, based upon, related to, or arising out of or in connection with any of the Released Claims, the Debtors' Claims, the JPMC Claims, the FDIC Claim, the Purchase and Assumption Agreement (other than any rights or claims the JPMC Entities, the Receivership, the FDIC Receiver or the FDIC Corporate may have under the Purchase and Assumption Agreement), confirmation and consummation of the Plan, the negotiation and consummation of the Global Settlement Agreement, or any claim, act, fact, transaction, occurrence, statement or omission in connection with or alleged or that could have been alleged in the Related Actions, including, without limitation, any such claim, demand, right, liability, or cause of action for indemnification, contribution, or any other basis in law or equity for damages, costs or fees incurred arising directly or indirectly from or otherwise relating to the Related Actions, either directly or indirectly by any Person for the direct or indirect benefit of any Released Party arising from or related to the claims, acts, facts, transactions, occurrences, statements or omissions that are, could have been or may be alleged in the Related Actions or any other action brought or that might be brought by, through, on behalf of, or for the benefit of any of the Released Parties (whether arising under federal, state or foreign law, and regardless of where asserted).

43.10 **Deemed Consent**: By submitting a Ballot and receiving a distribution under or any benefit pursuant to this Plan and not electing to withhold consent to the releases of the applicable Released Parties set forth in Section 43.6 of the Plan, or by order of the Bankruptcy Court, each holder of a Claim or Equity Interest shall be deemed, to the fullest extent

permitted by applicable law, to have specifically consented to the releases set forth in Section 43.6 of the Plan.

43.11 **No Waiver**: Notwithstanding anything to the contrary contained in Sections 43.5 and 43.6 hereof, the releases and injunctions set forth in such sections shall not, and shall not be deemed to, limit, abridge or otherwise affect the rights of the Reorganized Debtors, the Creditors' Committee, the Liquidating Trustee, the JPMC Entities, the FDIC Receiver, FDIC Corporate or the Settlement Note Holders to enforce, sue on, settle or compromise the rights, claims and other matters expressly retained by any of them.

43.12 **Supplemental Injunction**: Notwithstanding anything contained herein to the contrary, all Entities, including Entities acting on their behalf, who currently hold or assert, have held or asserted, or may hold or assert, any Released Claims or Equity Interests against any of the Released Parties based upon, attributable to, arising out of or relating to any Claim against or Equity Interest in any of the Debtors, whenever and wherever arising or asserted, whether in the U.S. or anywhere else in the world, whether sounding in tort, contract, warranty, statute, or any other theory of law, equity or otherwise, shall be, and shall be deemed to be, permanently stayed, restrained and enjoined from taking any action against any of the Released Parties for the purpose of directly or indirectly collecting, recovering or receiving any payment or recovery with respect to any Released Claims or Equity Interests arising prior to the Effective Date (including prior to the Petition Date), including, but not limited to:

(c) Creating, perfecting or enforcing any Lien of any kind against any of the Released Parties or the assets or property of any Released Party with respect to any such Released Claim or Equity Interest;

(d) Except as otherwise expressly provided in the Plan, the Confirmation Order, or the Global Settlement Agreement, asserting, implementing or effectuating any setoff, right of subrogation, indemnity, contribution or recoupment of any kind against any obligation due to any of the Released Parties or against the property of any Released Party with respect to any such Released Claim or Equity Interest; and

(e) Taking any act, in any manner, in any place whatsoever, that does not conform to, or comply with, the provisions of the Plan, the Confirmation Order, or the Global Settlement Agreement relating to such Released Claim or Equity Interest;

provided, however, that the Debtors' compliance with the formal requirements of Bankruptcy Rule 3016 shall not constitute an admission that the Plan provides for an injunction against conduct not otherwise enjoined under the Bankruptcy Code.

43.13 **Term of Existing Injunctions or Stays:** Unless otherwise provided, all injunctions or stays provided for in the Chapter 11 Cases pursuant to sections 105, 362, or 525 of the Bankruptcy Code, or otherwise, and in existence on the Confirmation Date, shall remain in full force and effect until entry of an order in accordance with Section 43.22 of the Plan or such other Final Order of the Bankruptcy Court; provided, however, that the terms of the Stock Trading Order shall remain in full force and effect forever, including, without limitation, with respect to any violation thereof on or before the Effective Date.

43.14 **Payment of Statutory Fees:** All fees payable pursuant to section 1930 of title 28 of the United States Code, and, if applicable, any interest payable pursuant to section 3717 of title 31 of the United States Code, as determined by the Bankruptcy Court, shall be paid on the Effective Date or thereafter as and when they become due or otherwise pursuant to an agreement between the Reorganized Debtors and the United States Department Justice, Office of the United States Trustee, until such time as the Chapter 11 Cases are closed in accordance with the provisions of Section 43.22 of the Plan.

43.15 **Post-Effective Date Fees and Expenses:** From and after the Effective Date, the Reorganized Debtors shall, in the ordinary course of business and without the necessity for any approval by the Bankruptcy Court, retain professionals and pay the reasonable professional fees and expenses incurred by the Reorganized Debtors related to implementation and consummation of the Plan without further approval from the Bankruptcy Court.

43.16 **Exemption from Transfer Taxes:** Pursuant to sections 106, 1141 and 1146(a) of the Bankruptcy Code, the issuance, transfer, or exchange of notes or equity securities under or in connection with the Plan or the Global Settlement Agreement, the creation of any mortgage, deed of trust, or other security interest, the making or assignment of any lease or sublease, or the making or delivery of any deed or other instrument of transfer under, in furtherance of, or in connection with, the Plan or the Global Settlement Agreement, including, without limitation, the Reorganized Common Stock, the Additional Common Stock, the Subscription Rights, the Trust Preferred Securities, and any merger agreements or agreements of consolidation, deeds, bills of sale, or assignments executed in connection with any of the transactions contemplated under the Plan or the Global Settlement Agreement shall not be subject to any stamp, real estate transfer, mortgage recording, sales, use or other similar Tax. The Confirmation Order shall direct all state and local government officials and agents to forego the collection of any such tax or governmental assessment and to accept for filing and recordation any instrument or other document issued or transferred pursuant to the Plan, without the payment of any such tax or government assessment.

43.17 **Withdrawal of Equity Committee Proceedings:** On the Effective Date, the Equity Committee Adversary Proceeding and, to the extent it has been transferred to the Bankruptcy Court, the Equity Committee Action to Compel, and any other proceeding or action instituted by the Equity Committee (including any appeal), shall be deemed withdrawn, with prejudice, without any further action.

43.18 **Payment of Fees and Expenses of Certain Creditors:** Within ten (10) Business Days of receiving a detailed invoice with respect thereto, but in no event more than ninety (90) days after the Effective Date, the Disbursing Agent shall pay all reasonable fees and expenses incurred by (i) Fried, Frank, Harris, Shriver & Jacobson LLP, (ii) Blank Rome LLP, (iii) White & Case LLP, (iv) Kasowitz, Bensen, Torres & Friedman LLP, and (v) Zolfo Cooper on behalf of certain Creditors who hold claims against the Debtors, during the period from the Petition Date through and including the Effective Date, in connection with the Chapter 11 Cases, the Global Settlement Agreement, the Plan, or the transactions contemplated therein (including, without limitation, investigating, negotiating, documenting, and completing such transactions and enforcing, attempting to enforce, and preserving any right or remedy contemplated under the Global Settlement Agreement and in the Chapter 11 Cases), without the need for any of these professionals to file an application for allowance thereof with the Bankruptcy Court. In the event that the Disbursing Agent disagrees with the reasonableness of all or a portion of any such invoice, the Creditors may, in their sole discretion, request that the Bankruptcy Court (i) determine the reasonableness and allowance of such contested amounts and (ii) direct the Disbursing Agent to pay such additional amounts determined to be reasonable, if any, and the Disbursing Agent, Creditors' Committee, and any other Creditor or party in interest may object thereto.

43.19 **Severability:** If, prior to the Confirmation Date, any term or provision of the Plan shall be held by the Bankruptcy Court to be invalid, void or unenforceable, the Bankruptcy Court shall, with the consent of the Debtors, have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void or unenforceable, and such term or provision shall then be applicable as altered or interpreted. Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and provisions of the Plan shall remain in full force and effect and shall in no way be affected, impaired or invalidated by such holding, alteration or interpretation; provided, however, that, any holding, alteration or interpretation that alters, amends or modifies the definition of JPMC Assumed Liabilities or the releases provided in the Plan or the assets or benefits to be provided to JPMC pursuant to the Global Settlement Agreement absent JPMC's express written consent (which may be withheld, delayed, or conditioned in JPMC's sole discretion) shall render the remainder of the terms and provisions of the Plan and the Global Settlement Agreement of no force or effect. Except with respect to the foregoing proviso, the Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted, is valid and enforceable pursuant to its terms.

43.20 **Governing Law:** Except to the extent that the Bankruptcy Code or other federal law is applicable, or to the extent that an exhibit hereto or any document to be entered into in connection herewith provides otherwise, the rights, duties, and obligations arising under this Plan shall be governed by, and construed and enforced in accordance with, the Bankruptcy Code and, to the extent not inconsistent therewith, the laws of the State of New York, without giving effect to principles of conflicts of laws.

RECITALS

A. On September 25, 2008, the Office of Thrift Supervision (the “*OTS*”), by order number 2008-36, closed Washington Mutual Bank (“*WMB*”), appointed the FDIC Receiver as receiver for WMB and advised that the FDIC Receiver was immediately taking possession of WMB’s assets.

B. On or about September 25, 2008, the FDIC Receiver, FDIC Corporate and JPMC entered into that certain Purchase and Assumption Agreement, Whole Bank, dated September 25, 2008, as amended, modified or supplemented prior to the date hereof (the “*Purchase and Assumption Agreement*”). JPMC has asserted various claims for indemnity against each of the FDIC Receiver and FDIC Corporate arising from the Purchase and Assumption Agreement, including, but not limited to, (1) claims for indemnity for and against any and all potential losses, claims or liabilities arising from or related to the mortgage origination and sale/securitization activities of WMB and its affiliates, including, without limitation, liabilities associated with the Complaint filed in the litigation styled Deutsche Bank National Trust Co. v. FDIC, No.

09-cv-01656 (RMC), currently pending in the D.C. District Court, as defined below, and (2) other claims for indemnity under Section 12.1(a)(9) of the Purchase and Assumption Agreement.

C. On September 26, 2008 (the “*Petition Date*”), each of the Debtors filed a voluntary petition for relief under chapter 11 of title 11 of the United States Code, as amended (the “*Bankruptcy Code*”), with the United States Bankruptcy Court for the District of Delaware (the “*Bankruptcy Court*”). By order, dated October 3, 2008, the Debtors’ chapter 11 cases are being jointly administered and are styled as In re Washington Mutual, Inc., et al., No. 08-12229 (MFW) (the “*Chapter 11 Cases*”).

D. On December 30, 2008, the Debtors filed with the FDIC Receiver a proof of claim against WMB’s receivership (the “*Receivership*” and, collectively with the FDIC Receiver and FDIC Corporate, sometimes hereinafter referred to as the “*FDIC Parties*”), asserting claims on behalf of the Debtors’ chapter 11 estates (the “*Debtors’ Claims*”). By letter, dated January 23, 2009, and entitled “*Notice of Disallowance*”, the FDIC Receiver disallowed the Debtors’ Claims.

E. On March 20, 2009, the Debtors commenced litigation (the “*WMI Action*”) against the FDIC by filing a Complaint, styled Washington Mutual, Inc. and WMI Investment Corp. v. FDIC, Case No. 09-00533, in the United States District Court for the District of Columbia (the “*D.C. District Court*”), challenging the FDIC Receiver’s disallowance of the Debtors’ Claims, and asserting, among other claims, a claim for the Disputed Accounts, as defined below, as deposits and several causes of action to avoid preferential or fraudulent transfers pursuant to the Bankruptcy Code and other applicable federal and state laws. On June 11, 2009, FDIC Corporate filed a motion to dismiss the claims asserted against FDIC Corporate and the FDIC Receiver filed an answer and counterclaims asserting claims against the Debtors and a motion to dismiss certain aspects of the Debtors’ complaint in the WMI Action. On July 13, 2009, the FDIC Receiver amended its counterclaims and added JPMC as an additional counterclaim defendant. JPMC and certain holders of funded indebtedness of WMB (collectively, the “*Bank Creditors*”) have intervened, and the Creditors’ Committee has moved to intervene, in the WMI Action. By order, dated January 7, 2010, the D.C. District Court ordered, among other things, that all proceedings in the WMI Action shall be stayed pending a determination by the Bankruptcy Court in the JPMC Action and the Turnover Action, each as defined below, as well as any pending or subsequent appeals.

F. On March 24, 2009, JPMC commenced litigation against the Debtors by filing a Complaint, styled JPMorgan Chase Bank, N.A. v. Washington Mutual, Inc., et al., Adversary Pro. No. 09-5-50551(MFW), in the Bankruptcy Court, asserting claims against the Debtors with respect to assets that JPMC claims to have acquired pursuant to the Purchase and Assumption Agreement (the “*JPMC Action*”) and named the FDIC Receiver as an additional defendant. On May 29, 2009, the Debtors filed an answer and counterclaims. JPMC filed a motion to dismiss such counterclaims, which motion was denied by the Bankruptcy Court on August 24, 2009. The Creditors’ Committee and the Bank Creditors have intervened in the JPMC Action.

G. On April 27, 2009, the Debtors commenced litigation against JPMC by filing a Complaint, styled Washington Mutual, Inc. et al. v. JPMorgan Chase Bank, N.A., Adversary Pro. No. 09-50934(MFW), in the Bankruptcy Court, seeking to recover the Disputed Accounts (the “**Turnover Action**”). JPMC filed a motion to dismiss the Turnover Action, which motion to dismiss was denied by the Bankruptcy Court on June 24, 2009. On July 6, 2009, JPMC filed an answer, counterclaims and a crossclaim that named the FDIC Receiver as an additional defendant in the Turnover Action. On July 27, 2009, the FDIC Receiver filed an answer to JPMC’s crossclaim. The Debtors have provided each of the Settlement Note Holders, and each of the Settlement Note Holders acknowledges that it has received, information and documentation necessary and sufficient to address the merits of the transactions contemplated herein and the execution and delivery of this Agreement.

O. From and after the Petition Date, the Debtors and JPMC have cooperated to, among other things, (1) determine the respective ownership of assets and responsibility for any corresponding liabilities, (2) facilitate the Debtors’ distillation of financial information and (3) prepare and file, with the assistance of the FDIC Receiver, consolidated tax returns for WMI, WMB and certain of their respective subsidiaries and Affiliates.

P. By order, dated June 24, 2009, the Bankruptcy Court authorized and permitted the Debtors to conduct discovery pursuant to Rule 2004 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”) in order to facilitate the Debtors’ inquiry into the existence of potential additional claims and causes of action of the Debtors and the Debtors’ chapter 11 estates against JPMC (the “**Rule 2004 Inquiry**”). S. On December 15, 2009, counsel for WMI sent two letters, entitled (1) "Freedom of Information Act Request" and (2) "Expedited Request for FDIC Exempt Records and Information" (collectively, the "**Record Requests**"). W. The Parties remain committed to the compromise and settlement set forth in the Initial Agreement, as modified herein, and have concluded that because of, among other things, the complexity, inherent delay and substantial expense of litigating the issues associated with the WMI Action, the JPMC Action, the Turnover Action, the Rule 2004 Inquiry, the Debtors' Claims, the JPMC Claims, the Bankruptcy Stay Motions and the appeals therefrom, the FDIC Claim and the asserted transfer of the Trust Preferred Securities and the consequent issuance of the REIT Series, each as defined below, the length of time necessary to resolve each of the issues presented therein, the complexity and uncertainty involved and the concomitant disruption to the Debtors' efforts to generate distributions for the benefit of the Debtors' creditors and of the FDIC Receiver's efforts to resolve matters with respect to the Receivership, it is in

their respective best interests to resolve their disputes and related matters on the terms set forth in this Agreement and as embodied in the Plan, as defined below. The Debtors further believe that the compromise and settlement provided herein is fair and reasonable, and in the best interests of the Debtors, the Debtors' estates and their creditors.

X. Contemporaneous with the execution and delivery of this Agreement, the Debtors have filed with the Bankruptcy Court that certain Sixth Amended Joint Plan of Affiliated Debtors Pursuant to Chapter 11 of the United States Bankruptcy Code, dated October 6, 2010 (as the same may be amended or modified from time to time in accordance with the terms hereof and thereof, the "**Plan**") and a disclosure statement in connection therewith (the "**Disclosure Statement**").

Section 2.4. Tax Matters. It is the understanding of the Parties that this Section 2.4 allocates (i) the Homeownership Carryback Refund Amount thirty and three hundred fifty-seven thousandths percent (30.357%) to the FDIC Receiver and sixty-nine and six hundred forty-three thousandths (69.643%) to WMI, and (ii) all other Net Tax Refunds eighty percent (80%) to JPMC and twenty percent (20%) to WMI, and this Section 2.4 shall be interpreted in a manner consistent with this understanding.

(a) Cooperation; Control of Tax Matters.

(i) From and after the date hereof, WMI, JPMC and the FDIC Receiver (on behalf of WMB) shall cooperate with each other to maximize the amount of Net Tax Refunds received (which, for avoidance of doubt, includes taking such actions as necessary to ensure that net operating losses incurred in connection with Pre-2009 Group Taxes shall to the maximum extent possible be carried back in order to maximize Net Tax Refunds). Notwithstanding anything in this Agreement or otherwise to the contrary, WMI and the FDIC Receiver (on behalf of WMB) agree to make and shall make (or cause to be made), if not already made, any elections or filings necessary to ensure that the 2008 tax year shall be the tax year of the Group to which the 5-year carryback available under Section 172(b)(1)(H) of the Internal Revenue Code of 1986, as amended, shall apply (the "*Election*"). Each of WMI and the FDIC Receiver represent that it has not made any election or filing which would make the Election invalid or inoperative in any way.

(ii) From and after the date hereof, subject to the terms and provisions of Section 2.4(a)(iii) hereof, but without otherwise limiting the foregoing, WMI, JPMC and the FDIC Receiver shall jointly control and administer all Pre-2009 Group Tax matters, in respect of all relevant Tax years, that (x) relate to U.S. federal income tax and (y) are reasonably expected to have a material effect on the amount of Net Tax Refunds to which the FDIC Receiver is entitled under this Agreement, provided, however, that the FDIC Receiver's concurrence shall not be required with respect to any settlement offers made or accepted by WMI on or before May 21, 2010, the principal terms of which have been evidenced in writing (whether or not such offer or acceptance is conditioned upon approval of any supervising authority). For the avoidance of doubt, the preceding sentence shall not apply to give the FDIC Receiver joint control of any proceedings related to any of the predecessor entities listed on Schedule 2.4(a). WMI and JPMC shall jointly control and administer all other Pre-2009 Group Tax matters, in respect of all relevant Tax years. From and after the date hereof, WMI, JPMC and the FDIC Receiver shall consult with and keep one another fully informed on all other Pre-2009 Group Tax matters that are jointly controlled by WMI, JPMC and the FDIC Receiver pursuant to the first sentence of this Section 2.4(a)(ii), and their ongoing

discussions with the applicable Tax Authorities in respect of such Group Tax matters. From and after the date hereof, each of WMI and JPMC shall consult with and keep each other fully informed on all other Pre-2009 Group Tax matters and its ongoing discussions with the applicable Tax Authorities, and shall, from time-to-time, inform the FDIC Receiver of the status of all other Tax proceedings relating to Net Tax Refunds. For purposes of the foregoing, the administration of Pre-2009 Group Tax matters shall include, without limitation, the resolution of all current and pending Tax controversies (both administrative and judicial), the filing of any related carryback claims, elections, and other Tax Returns, and the entering into any other related agreements with a Tax Authority, except to the extent that such actions must be, pursuant to a legal or regulatory requirement, undertaken by the FDIC Receiver on behalf of WMB (or any subsidiary of WMB on or before September 24, 2008). For this purpose, JPMC and WMI will each have the right to participate in any meetings or proceedings related to the resolution of any Tax controversy that relates to the resolution of Pre-2009 Group Tax matters and each Party to this Agreement agrees to execute any forms, including (but not limited to) IRS Forms 2848, to authorize such participation upon the request of either JPMC or WMI; provided, however, in deciding whether to participate in any such meeting or proceeding, JPMC will give due consideration (in consultation with WMI and the FDIC Receiver) to whether participation by JPMC in any such meeting or proceeding would, in JPMC's sole discretion, materially adversely affect the resolution of the Pre-2009 Group Tax matters at issue and related proceedings. Similarly, the FDIC Receiver will have the right to participate in any meetings or proceedings related to the resolution of any Tax controversy that relates to the resolution of Pre-2009 Group Tax matters that are jointly controlled by WMI, JPMC and the FDIC Receiver pursuant to the first sentence of this Section 2.4(a)(ii), and each Party to this Agreement agrees to execute any forms, including (but not limited to) IRS Forms 2848, to authorize such participation upon the request of the FDIC Receiver; provided, however, in deciding whether to participate in any such meeting or proceeding, the FDIC Receiver will give due consideration (in consultation with WMI and JPMC) to whether participation by the FDIC Receiver in any such meeting or proceeding would, in the FDIC Receiver's sole discretion, materially adversely affect the resolution of the Pre-2009 Group Tax matters at issue and related proceedings. Notwithstanding WMI's and JPMC's control over the administration of certain Pre-2009 Group Tax matters, to the extent that any of the foregoing actions must be undertaken by the FDIC Receiver as a result of a legal or regulatory requirement, then the FDIC Receiver shall take any actions that are reasonably requested by WMI and JPMC jointly with respect to Pre-2009 Group Taxes. None of WMI, JPMC and the FDIC Receiver shall, with respect to Taxes, make or change any Tax election, change any annual Tax accounting period, adopt or change any method of Tax accounting, enter into any closing agreement, settle any Tax claim or assessment, surrender any right to claim a Tax refund, offset or other reduction in Tax liability, or consent to any extension or waiver of the limitations period applicable to any Tax claim or assessment relating to any Pre-2009 Group Tax matters unless it obtains the written consent of: (x) in the case of any such action that is to be taken by WMI, JPMC and, to the extent it has joint control over with respect to the matter pursuant to the first sentence of this Section 2.4(a)(ii), the FDIC Receiver; (y) in the case of any such action that is to be taken by JPMC, WMI and,

to the extent it has joint control over with respect to the matter pursuant to the first sentence of this Section 2.4(a)(ii), the FDIC Receiver; and (z) in the case of any such action that is to be taken by the FDIC Receiver, each of WMI and JPMC (which, in the case of each of (x), (y) and (z), shall not be unreasonably withheld or delayed).

(iii) From and after the date hereof, to the extent reasonably necessary to administer and resolve any Pre-2009 Group Tax matter, (A) JPMC shall provide each of WMI and the FDIC Receiver access in a reasonable and timely manner to historic WMI or WMB employees with material knowledge of such matters who are currently employees of JPMC, and WMI shall provide each of JPMC and the FDIC Receiver access in a reasonable and timely manner to historic WMI, JPMC or WMB employees with material knowledge of such matters that are currently employees of WMI and (B) JPMC shall provide each of WMI and the FDIC Receiver, and, with respect to each of WMI and the FDIC Receiver, its officers, employees, and representatives (including, without limitation, its legal and tax advisors) with reasonable and timely access to all information, data, and documentation (including, without limitation, tax and accounting records, financial information records and financial information systems, databases, email servers, and other electronic information systems) within its possession or control and reasonably necessary to administer and resolve any Pre-2009 Group Tax matter, and WMI shall provide each of JPMC and the FDIC Receiver, and, with respect to each of JPMC and the FDIC Receiver its officers, employees, and representatives (including, without limitation, its legal and tax advisors) with reasonable and timely access to all information, data, and documentation (including, without limitation, tax and accounting records, financial information records and financial information systems, databases, email servers, and other electronic information systems) within its possession or control and reasonably necessary to administer and resolve any Pre-2009 Group Tax matter. WMI and JPMC, respectively, shall provide such information, data, and documentation in a manner and forum reasonably convenient to each of WMI, JPMC and the FDIC Receiver, and shall permit the other Parties, through their officers, employees, and representatives, to make extracts and copies of such information, data, and documents to the extent reasonably necessary in the administration and resolution of any Pre-2009 Group Tax matter.

(iv) Without in any way limiting the foregoing, the FDIC Receiver (on behalf of WMB) shall fully cooperate with WMI and JPMC with respect to the administration and resolution of all Pre-2009 Group Tax matters, will reasonably provide WMI, the Creditors' Committee and JPMC, through their respective officers, employees, and representatives, the necessary information, data, and documentation (electronic and otherwise and notwithstanding the termination of the IAA/JPMC pursuant to Section 2.20 hereof) within its possession or control in support of such administration and resolution (including providing such documentation in a reasonable location and within a reasonable timeframe), and shall permit WMI and JPMC, through their respective officers, employees, and representatives, to make extracts and copies of such information, data, and documents to the extent reasonably necessary in the administration and resolution of any Pre-2009 Group Tax matter. The Parties

agree that any request for information that may reasonably be available both from JPMC and the FDIC Receiver shall first be requested from JPMC.

(v) Without limiting WMI's rights under Section 8.7 hereof, in the event WMI transfers all or part of its rights under this Section 2.4 to a liquidating trust pursuant to the Plan, WMI may assign (but is not obligated to assign) any or all of its control rights under this Section 2.4 to such liquidating trust; provided, however, that WMI shall continue to be responsible for all the liabilities and obligations of WMI under Section 2.4 of this Agreement; and, provided, further, however, that, if WMI assigns all of its rights and obligations under this Section 2.4 to a liquidating trust, WMI shall have no further liability or obligations under this Section 2.4 as long as the transfer to the liquidating trust shall not impose any additional liabilities or obligations on JPMC.

(vi) Notwithstanding anything to the contrary in this Agreement, the FDIC Receiver may not assign its rights under this Section 2.4(a) without the prior written consent of WMI and JPMC. Any purported assignment in violation of the preceding sentence shall be null and void.

(b) Receipt and Distribution of Tax Refunds. WMI, the FDIC Receiver and JPMC (as applicable, including on behalf of WMB and any subsidiary acquired by JPMC from the FDIC Receiver on behalf of WMB) shall jointly direct all Tax Authorities to pay any refunds of Pre-2009 Group Taxes to the Refund Escrow Account. In the event that any Party, any current or future subsidiary of any Party, any entity that is or was a subsidiary of any Party at any time on or after the Petition Date, any entity that is or was an Affiliate at any time on or after the Petition Date of any Party, any successor of any Party (including, for the avoidance of doubt, any liquidating trust established pursuant to the Plan), or any member of any Group has received on or after the Petition Date or hereafter receives any refund of Pre-2009 Group Taxes (other than any refunds deposited in the Disputed Accounts and the WMI Accounts governed by Section 2.1 hereof), the relevant Party shall promptly remit or cause to be remitted the amount of such refunds to the Refund Escrow Account. To the extent reasonably determined (as provided in Section 2.4(a)(ii) hereof) by WMI, JPMC and the FDIC Receiver jointly to be necessary for the discharge of Pre-2009 Group Tax Liabilities, WMI, JPMC and the FDIC Receiver shall jointly direct the custodian of the Refund Escrow Account to make remittances to discharge Pre-2009 Group Tax Liabilities.

(i) As soon as practical following JPMC's awareness that any Party, any current or future subsidiary of any Party, any entity that is or was a subsidiary of any Party at any time on or after the Petition Date, any entity that is or was an Affiliate at any time on or after the Petition Date of any Party, any successor of any Party (including, for the avoidance of doubt, any liquidating trust established pursuant to the Plan), or any member of any Group has received a refund of Pre-2009 Group Taxes, other than any refunds deposited in the Disputed Accounts and the WMI Accounts governed by Section 2.1 hereof (or if already received, following the Effective Date), JPMC will reasonably estimate the following amounts:

- (A) The total expected amount of Pre-2009 Group Tax Liabilities (the “*Expected Pre-2009 Group Tax Liabilities*”);
- (B) The Homeownership Carryback Threshold;
- and
- (C) The Homeownership Carryback Refund Amount.

For the avoidance of doubt, any estimated amount of the Homeownership Carryback Threshold shall be calculated net of the Expected Pre-2009 Group Tax Liabilities that have not, at the time of the calculation, been paid.

(ii) (A) Upon receipt of any refund of Pre-2009 Group Taxes, an amount equal to fifty percent (50%) of the interest component of such refund shall be distributed, in aggregate, as applicable to WMI, JPMC and the FDIC Receiver. Such direct distributions shall be made in the proportion to which the refunds to which such interest relates are divided between WMI, JPMC and the FDIC Receiver under this Agreement (it being understood that such interest which relates to the Homeownership Carryback Refund Amount shall be paid thirty and three hundred fifty-seven thousandths percent (30.357%) to the FDIC Receiver and sixty-nine and six hundred forty-three thousandths percent (69.643%) to WMI); all other such interest shall be paid eighty percent (80%) to JPMC and twenty percent (20%) to WMI. Such direct distributions to WMI, JPMC and the FDIC Receiver shall be treated, for all computational purposes of this Agreement, as if such distributions were distributions to the Washington Mutual Escrow Account, the JPMC Escrow Account and the FDIC Escrow Account, respectively, and released therefrom.

(B) At least quarterly (on or prior to each March 1, June 1, September 1 and December 1), fifty percent (50%) of all amounts earned by the Refund Escrow Account with respect to assets held in such account shall be distributed to WMI, JPMC and the FDIC Receiver in the same proportion that the Net Tax Refunds which were held in the Refund Escrow Account and generated such earnings are expected to be distributed to each of WMI, JPMC and the FDIC Receiver, as determined pursuant to the then-current adjusted estimates of the amount of Net Tax Refunds that will be received and the then-current Homeownership Carryback Threshold that are calculated under Section 2.4(b) of this Agreement and adjusted under Section 2.4(c) of this Agreement. In each case, such direct distributions to WMI, JPMC and the FDIC Receiver shall be treated, for all computational purposes of this Agreement, as if such distributions were distributions to the Washington Mutual Escrow Account, JPMC Escrow Account and the FDIC Escrow Account, respectively, and released therefrom.

(iii) Upon estimation of the amounts pursuant to Section 2.4(b)(i) hereof (subject to the Tax Dispute Resolution Procedure), and if any amounts were paid to a Tax Authority pursuant to Section 2.4(g)(iv), JPMC, WMI and the FDIC

Receiver shall jointly direct the custodian of the Refund Escrow Account to pay (A) eighty percent (80%) of any amount of refund received attributable to Pre-2009 Group Taxes to JPMC, and (B) twenty percent (20%) of any amount of refund received attributable to Pre-2009 Group Taxes to WMI, in each case until the gross amounts paid by JPMC and WMI, as the case may be, pursuant to Section 2.4(g)(iv) hereof has been offset by gross amounts paid to JPMC and WMI, as the case may be, pursuant to this Section 2.4(b)(iii) provided, however, that, if any person pursuant to this Section 2.4 shall have not made all or part of a payment required by Section 2.4(g)(iv) hereof, such person will be reimbursed pursuant to this Section 2.4(b)(iii) only up to the amount such person paid pursuant to Section 2.4(g)(iv) hereof. Notwithstanding anything contained herein to the contrary, to the extent that any Pre-2009 Group Tax Liabilities were paid by any Party hereto (or any Affiliate of such Party) other than pursuant to Section 2.4(g) hereof, then JPMC, WMI and the FDIC Receiver shall jointly direct the custodian of the Refund Escrow Account to reimburse such amount to JPMC, WMI or the FDIC Receiver, as appropriate.

(iv) All amounts in the Refund Escrow Account in excess of the amounts required to be paid pursuant to Sections 2.4(b)(ii) and 2.4(b)(iii) hereof shall be retained in the Refund Escrow Account until the balance of the Refund Escrow Account equals the amount of the Expected Pre-2009 Group Tax Liabilities that have not yet been paid.

(v) Subject to Section 2.4(b)(vii) below, upon estimation of the amounts pursuant to Section 2.4(b)(i) hereof (subject to the Tax Dispute Resolution Procedure), but only after the payments of any amounts pursuant to Sections 2.4(b)(ii) and 2.4(b)(iii) hereof and after taking into account Section 2.4(b)(iv) hereof, to the extent that the net amount of refunds of Pre-2009 Group Taxes paid to the JPMC Escrow Account under this Agreement (such net amount, the “*JPMC Balance*”) is less than eighty percent (80%) of the Homeownership Carryback Threshold (the “*JPMC Amount*”), JPMC, WMI and the FDIC Receiver shall jointly direct the custodian of the Refund Escrow Account to pay eighty percent (80%) of any incremental refunds of Pre-2009 Group Taxes received to the JPMC Escrow Account, and twenty percent (20%) of any incremental refunds of Pre-2009 Group Taxes received to the Washington Mutual Escrow Account.

(vi) Subject to Section 2.4(b)(vii) below, upon payment of the amounts required pursuant to Section 2.4(b)(v) hereof, JPMC, WMI and the FDIC Receiver shall jointly direct the custodian of the Refund Escrow Account to pay sixty-nine and six hundred forty-three thousandths percent (69.643%) of any incremental refunds of Pre-2009 Group Taxes to the Washington Mutual Escrow Account and thirty and three hundred fifty-seven thousandths percent (30.357%) of any incremental refunds of Pre-2009 Group Taxes to the FDIC Escrow Account.

(vii) Notwithstanding anything to the contrary in this Section 2.4 (other than Section 2.4(b)(ii)(A) hereof), any Homeownership Carryback Refund Amount shall be transferred from the Refund Escrow Account sixty-nine and six

hundred forty-three thousandths percent (69.643%) to the Washington Mutual Escrow Account and thirty and three hundred fifty-seven thousandths percent (30.357%) to the FDIC Escrow Account, so that the net amount of refunds of Pre-2009 Group Taxes paid to the FDIC Escrow Account shall be equal to thirty and three hundred fifty-seven thousandths percent (30.357%) of the Homeownership Carryback Refund Amount, and the net amount of refunds of Pre-2009 Group Taxes paid to the Washington Mutual Escrow Account under this Section 2.4(b)(vii) shall be equal to sixty-nine and six hundred forty-three thousandths percent (69.643%) of the Homeownership Carryback Refund Amount.

(c) Adjustments to Estimates. As additional information becomes available about the amount of Net Tax Refunds (including whenever additional Pre-2009 Group Tax Liabilities are determined to come into existence), JPMC may, from time-to-time (and at the reasonable request of WMI or the FDIC Receiver, shall), reasonably revise its estimates of figures calculated pursuant to this Section 2.4.

(i) Subject to Section 2.4(c)(iv) below, to the extent that, pursuant to a revised estimate calculated under this Section 2.4(c), the JPMC Balance exceeds the revised estimate of the JPMC Amount (such estimate, the “**Revised JPMC Amount**”), JPMC, WMI and the FDIC Receiver shall jointly direct: (y) the custodian of the JPMC Escrow Account to debit an amount equal to such excess from the JPMC Escrow Account and (z) the custodian of the Washington Mutual Escrow Account to debit an amount equal to twenty-five percent (25%) of such excess from the Washington Mutual Escrow Account, and, in each case, to pay the amounts so debited to the Washington Mutual Escrow Account and the FDIC Escrow Account in the percentages set forth in Section 2.4(b)(vi) hereof.

(ii) Subject to Section 2.4(c)(iv) below, to the extent that the Revised JPMC Amount exceeds the JPMC Balance, JPMC, WMI and the FDIC Receiver shall jointly direct the custodian of the Washington Mutual Escrow Account and the custodian of the FDIC Escrow Account (A) to debit an aggregate amount equal to one hundred twenty-five percent (125%) of such excess from the Washington Mutual Escrow Account and the FDIC Escrow Account in the percentages set forth in Section 2.4(b)(vi) hereof, but as to each only to the extent of the net amount previously allocated to the Washington Mutual Escrow Account and the FDIC Escrow Account, respectively, under Section 2.4(b)(vi) and Section 2.4(b)(vii) hereof (for the avoidance of doubt, taking into account all prior adjustments), and (B) to pay eighty percent (80%) of the amount so debited to the JPMC Escrow Account and twenty percent (20%) of the amount so debited to the Washington Mutual Escrow Account.

(iii) Payments pursuant to this Section 2.4(c) shall be made within five (5) Business Days of the date on which the revised estimate was agreed upon, in writing by JPMC, WMI and the FDIC Receiver, or under the Tax Dispute Resolution Procedure.

(iv) Notwithstanding anything to the contrary in this Section 2.4, (y) no adjustments shall be made to the Washington Mutual Escrow Account or the FDIC Escrow Account under this Section 2.4(c) that would reduce such accounts below the amounts that were transferred to such accounts under Sections 2.4(b)(vi) and (vii) hereof, based on a revised determination of Homeownership Carryback Refund Amount and (z) to the extent that, pursuant to such revised determination of Homeownership Carryback Refund Amount calculated pursuant to this Section 2.4(c), the Washington Mutual Escrow Account and the FDIC Escrow Account shall be entitled to additional amounts, such amounts shall be immediately transferred to the Washington Mutual Escrow Account and the FDIC Escrow Account, as applicable.

(d) Final JPMC Amount. Within a reasonable period of time after the date on which both JPMC and WMI reasonably believe that (i) all Net Tax Refunds, including the Homeownership Carryback Refund Amount, have been received and (ii) all Pre-2009 Group Tax liabilities have been satisfied, settled or otherwise discharged, and (iii) the final amount of Net Tax Refunds received has been determined and is not subject to change, JPMC shall reasonably calculate a final value for the JPMC Amount (such calculated final value, the “*Final JPMC Amount*”), a final value for the Homeownership Carryback Threshold and a final value for the Homeownership Carryback Refund Amount. If a Final JPMC Amount is agreed upon or determined under the Tax Dispute Resolution Procedure, then --

(i) Subject to Section 2.4(d)(iv), to the extent that the JPMC Balance exceeds the Final JPMC Amount, JPMC, WMI and the FDIC Receiver shall jointly direct (y) the custodian of the JPMC Escrow Account to debit the JPMC Escrow Account for the amount by which the JPMC Balance exceeds the Final JPMC Amount and (z) the custodian of the Washington Mutual Escrow Account to debit the Washington Mutual Escrow Account for an amount equal to twenty-five (25%) of such excess, and, in each case, to pay the amounts so debited to the Washington Mutual Escrow Account and the FDIC Escrow Account in the percentages set forth in Section 2.4(b)(vi) hereof.

(ii) Subject to Section 2.4(d)(iv), to the extent that the Final JPMC Amount exceeds the JPMC Balance, JPMC, WMI and the FDIC Receiver shall jointly direct the custodian of the Washington Mutual Escrow Account and the custodian of the FDIC Escrow Account (A) to debit an aggregate amount equal to one hundred twenty-five percent (125%) of the amount by which the Final JPMC Amount exceeds the JPMC Balance, from the Washington Mutual Escrow Account and the FDIC Escrow Account in the percentages set forth in Section 2.4(b)(vi) hereof, but as to each only to the extent of the net amount previously allocated to the Washington Mutual Escrow Account and the FDIC Escrow Account, respectively, under Section 2.4(b)(vi), Section 2.4(b)(vii) and Section 2.4(c)(i) hereof (for the avoidance of doubt, taking into account all prior adjustments), and (B) to pay eighty percent (80%) of the amount so debited to the JPMC Escrow Account and twenty percent (20%) of the amount so debited to the Washington Mutual Escrow Account; and

(iii) The payments to be made pursuant to this Section 2.4(d) shall be made within five (5) Business Days of the date on which the calculations made pursuant to this Section 2.4(d) are finalized.

(iv) Notwithstanding anything to the contrary in this Section 2.4, (y) no adjustments shall be made to the Washington Mutual Escrow Account or the FDIC Escrow Account under this Section 2.4(d) that would reduce such accounts below the amount that would be transferred to such accounts under Section 2.4(b)(vii) hereof, based on the final determination of Homeownership Carryback Refund Amount and (z) to the extent that, pursuant to such revised determination of Homeownership Carryback Refund Amount calculated pursuant to this Section 2.4(d), the Washington Mutual Escrow Account and the FDIC Escrow Account shall be entitled to additional amounts, such amounts shall be immediately transferred to the Washington Mutual Escrow Account and the FDIC Escrow Account, as applicable.

(e) Calculations and Estimates. JPMC shall in a reasonable time (and in case of a revised calculation or estimate, within ten (10) Business Days) provide such calculations or estimates undertaken pursuant to this Section 2.4 and the underlying data, substantiation and computations to each of WMI and the FDIC Receiver for review. Each of WMI and the FDIC Receiver shall have a reasonable period to review any such calculations or estimates and such underlying items. WMI, JPMC and the FDIC Receiver shall endeavor in good faith to resolve any differences regarding any calculation or estimate undertaken pursuant to this Section 2.4 without delay. To the extent WMI, JPMC and the FDIC Receiver are unable to resolve any differences regarding a calculation or estimate undertaken pursuant to this Section 2.4, the Parties shall utilize the Tax Dispute Resolution Procedure.

(f) Tax Expenses. Except as otherwise provided herein, each of WMI, JPMC and the FDIC Receiver shall be responsible for its own expenses (including, without limitation, all of its outside advisors) incurred in connection with the pursuit or receipt of any refund, credit, offset or abatement of Pre-2009 Group Taxes.

(g) Payment of Pre-2009 Group Tax Liabilities. If, pursuant to the procedure detailed in Section 2.4(a) hereof, it is reasonably determined that an amount of Pre-2009 Group Taxes should be paid or a claim for any amount of Pre-2009 Group Taxes should be settled, and funds are available in the Refund Escrow Account to pay part or all of such Pre-2009 Group Taxes, JPMC, WMI and the FDIC Receiver shall jointly direct the custodian of the Refund Escrow Account to remit the amount of such payment or settlement to the relevant Tax Authority. To the extent that it is reasonably determined pursuant to the procedures detailed in Section 2.4(a) hereof that an amount of Pre-2009 Group Taxes should be paid or a claim for any amount of Pre-2009 Group Taxes should be settled, and funds are not available in the Refund Escrow Account to discharge such payment or provide for such settlement after first making the adjustments provided for by Section 2.4(c) hereof:

(i) First, JPMC, WMI and the FDIC Receiver shall jointly direct the custodian of the Washington Mutual Escrow Account and the custodian of the JPMC Escrow Account to pay from the Washington Mutual Escrow Account and the JPMC Escrow Account, in the percentages set forth in Section 2.4(b)(v) hereof, one-hundred percent (100%) of the amount of the payment or settlement of such Pre-2009 Group Taxes for which funds are not available in the Refund Escrow Account up to an aggregate amount equal to the result of dividing (y) the excess of the JPMC Balance over the then-current JPMC Amount, if any, by (z) eighty percent (80%).

(ii) Subject to the provisions of subparagraph (v) of this Section 2.4(g), thereafter, JPMC, WMI and the FDIC Receiver shall (A) jointly direct the custodian of the FDIC Escrow Account to pay thirty and three hundred fifty-seven thousandths percent (30.357%) of the remaining amount of the payment or settlement of such Pre-2009 Group Taxes for which funds are not available in the Refund Escrow Account, and (B) jointly direct the custodian of the Washington Mutual Escrow Account to pay sixty-nine and six hundred forty-three thousandths percent (69.643%) of the remaining amount of the payment or settlement of such Pre-2009 Group Taxes for which funds are not available in the Refund Escrow Account; provided, however, that, in both cases (A) and (B) only until (and so that) the net amount of refunds of Pre-2009 Group Taxes paid to the FDIC Escrow Account shall be equal to thirty and three hundred fifty-seven thousandths percent (30.357%) of the Homeownership Carryback Refund Amount, and the net amount of refunds of Pre-2009 Group Taxes paid to the Washington Mutual Escrow Account shall be equal to the sum of (x) sixty-nine and six hundred forty-three thousandths percent (69.643%) of the Homeownership Carryback Refund Amount, plus (y) twenty-five percent (25%) of the then-current JPMC Amount.

(iii) Thereafter, JPMC, WMI and the FDIC Receiver shall jointly direct the custodian of the Washington Mutual Escrow Account and the custodian of the JPMC Escrow Account to pay from the Washington Mutual Escrow Account and the JPMC Escrow Account, in the percentages set forth in Section 2.4(b)(v) hereof, one-hundred percent (100%) of the amount of the payment or settlement of such Pre-2009 Group Taxes for which funds are not available in the Refund Escrow Account until the balance of the JPMC Escrow Account is reduced to zero.

(iv) Thereafter, JPMC shall be responsible for paying eighty percent (80%) of the amount of the payment or settlement of Pre-2009 Group Taxes for which funds are not available in the Refund Escrow Account and WMI shall be responsible for paying twenty percent (20%) of such deficiency.

(v) Notwithstanding anything to the contrary herein, no amounts shall be debited out of the FDIC Escrow Account except (without duplication) with respect to (x), distributions made from the FDIC Escrow Account to the FDIC Receiver, (y) thirty and three hundred fifty-seven thousandths percent (30.357%) of any Homeownership Refund Taxes, and (z) amounts debited from the FDIC Escrow Account that need to be debited in order to properly reflect adjustments or modifications to the

Homeownership Carryback Threshold or the Homeownership Carryback Refund Amount, or any estimates thereof, if any.

(h) Release of JPMC Escrow Account, Washington Mutual Escrow Account and FDIC Escrow Account.

(i) JPMC, WMI and the FDIC Receiver shall jointly direct the custodian of the JPMC Escrow Account, the Washington Mutual Escrow Account and the FDIC Escrow Account to release all or a portion of the JPMC Escrow Account, the Washington Mutual Escrow Account and the FDIC Escrow Account as the case may be, to JPMC, WMI and the FDIC Receiver, respectively, as soon as is practicable after the earlier to occur of: (A) the date on which all Pre-2009 Group Tax Liabilities are finally determined and paid and the final amount of Net Tax Refunds Received has been determined and is not subject to change; and (B) the date on which JPMC (with respect to the Washington Mutual Escrow Account), WMI (with respect to the JPMC Escrow Account), or JPMC and WMI jointly (with respect to the FDIC Escrow Account), consents, in writing, to permit the release of all or such agreed portion of the JPMC Escrow Account, the Washington Mutual Escrow Account or the FDIC Escrow Account, as applicable (such consent, in each case, not to be unreasonably withheld or delayed); provided, however, that there shall be released from each escrow account at least quarterly (on or prior to each March 1, June 1, September 1 and December 1) fifty percent (50%) of all amounts earned by such escrow account with respect to assets held therein.

(ii) In the event that distributions have been made from the JPMC Escrow Account, the Washington Mutual Escrow Account or the FDIC Escrow Account, as the case may be, and a provision of this Section 2.4 (including without limitation, Sections 2.4(c) and 2.4(g) hereof) requires that an amount be paid from the JPMC Escrow Account, the Washington Mutual Escrow Account or the FDIC Escrow Account, as applicable, for which there are insufficient funds in such account, then WMI, JPMC or the FDIC Receiver, as applicable, shall return such amount to the respective account to allow the account to satisfy its obligations hereunder (and such amount shall thereafter be treated as if it had not been distributed); moreover for the avoidance of doubt, the JPMC Balance shall be determined without regard to distributions from the JPMC Escrow Account to JPMC.

(i) Tax Dispute Resolution Procedure. In the event that WMI or the FDIC Receiver do not consent to the estimates or calculations provided by JPMC, and WMI, JPMC and the FDIC Receiver are unable to resolve their differences as provided in Section 2.4(e) hereof, then WMI, JPMC and the FDIC Receiver will attempt to agree on the appointment of a mutually acceptable tax professional to arbitrate the dispute. If they are unable to agree on a single tax professional, then a panel of three (3) tax professionals shall be selected as follows: each of WMI, JPMC and the FDIC Receiver shall designate a tax professional. Each of WMI, JPMC and the FDIC Receiver shall then present their calculations or estimates (including underlying data, substantiation and computations) to the tax professional or the panel of tax professionals,

which will determine (by majority vote in the case of the panel) whether WMI, JPMC or and the FDIC Receiver's calculations or estimates are more reasonable, and calculations or estimates so determined to be more reasonable shall apply for purposes of this Section 2.4 as if agreed upon by WMI, JPMC and the FDIC Receiver. In assessing whether WMI's, JPMC's or the FDIC Receiver's calculations or estimates are more reasonable, the tax professional or the panel of tax professionals shall treat the calculations or estimates submitted by each party with the same level of deference. The fees and expenses of the tax professional or the panel of tax professionals will be paid from the Refund Escrow Account (or, once the Refund Escrow Account is terminated, from the JPMC Escrow Account, the Washington Mutual Escrow Account or the FDIC Escrow Account, as the case may be). WMI, JPMC and the FDIC Receiver agree to act as expeditiously as practicably possible in connection with this tax dispute resolution process.

(j) Capital Contributions. WMI, WMB, the FDIC Parties and JPMC shall treat, solely for Tax purposes, all amounts paid, waived, allocated or transferred by WMI to WMB or to JPMC (on behalf of WMB or any subsidiary acquired by it from WMB, and hereby at the direction of the FDIC Parties) pursuant to the terms of this Agreement (other than any amounts paid or properties transferred to JPMC pursuant to this Section 2.4 and Sections 2.15, 2.17 and 2.18 hereof) as capital contributions from WMI to WMB, and then, as applicable, as a transfer from WMB to JPMC pursuant to the terms and conditions of the Purchase and Assumption Agreement.

(k) FDIC Receiver. For the avoidance of doubt, the FDIC Receiver shall not be responsible for Group Taxes other than (x) thirty and three hundred fifty-seven thousandths percent (30.357%) of any Homeownership Refund Taxes and (y) Taxes, if any, imposed on interest allocated to WMB or the FDIC Receiver.

(l) No Double Counting. The Parties intend that the provisions of this Agreement be applied in a manner that prevents any item of refund, credit, offset, abatement, taxes or expenses from being taken into account more than once.

(m) Escrow Tax Treatment. For Tax purposes, the FDIC Receiver shall be deemed to own the assets in the FDIC Escrow Account and shall include as income for Tax purposes any income generated by assets in the FDIC Escrow Account. For Tax purposes, JPMC shall be deemed to own the assets in the JPMC Escrow Account and shall include as income for Tax purposes any income generated by assets in the JPMC Escrow Account. For Tax purposes, WMI shall be deemed to own the assets in the Washington Mutual Escrow Account and shall include as income for Tax purposes any income generated by assets in the Washington Mutual Escrow Account. For Tax purposes, the assets in the Refund Escrow Account shall be deemed to be owned by WMI, JPMC and the FDIC Receiver consistent with the allocation of interest in Section 2.4(b)(ii) hereof. Accordingly, as the owner for Tax purposes, WMI (or any assignee of its ownership rights), JPMC and the FDIC Receiver shall include as income for Tax purposes the income generated by the assets in the Refund Escrow Account in the

same proportion that interest is allocated in Section 2.4(b)(ii) hereof, during the relevant period.

Section 2.5. Withdrawal of Claims.

(a) Chapter 11 Claims. Except as expressly provided herein or pursuant to the terms and provisions of the Plan, from and after the Effective Date, JPMC, the FDIC Receiver and FDIC Corporate shall take such action as may be reasonably requested by WMI to (a) cause the withdrawal, with prejudice, or the expungement of the JPMC Claims and the FDIC Claim and (b) assist the Debtors in the prosecution of any objections to the proofs of claim filed against the WMI Entities by creditors of WMB, including, without limitation, by filing with the Bankruptcy Court or such other court of competent jurisdiction with respect to the Bank Bondholder Claims a notice or other pleading stating that the claims and causes of action asserted by the FDIC Parties and the Receivership against the Debtors in the FDIC Claim and/or the WMI Action represent all claims and causes of action of the FDIC Parties and the Receivership against the Debtors and that the claims similar in nature which are asserted in the Bank Bondholder Claims, including, without limitations, fraudulent transfer claims, breach of fiduciary claims, corporate veil piercing or alter ego claims, substantive consolidation, securities fraud, and the undercapitalization of, failure to support and looting of WMB, are derivative in nature of the claims of the Receivership and of the claims set forth in the FDIC Claim and the WMI Action. Without in any way limiting the foregoing, on the Effective Date, the Debtors shall direct Kurtzman Carson Consultants, LLC (“**KCC**”), the Bankruptcy Court appointed claims agent in the Debtors’ Chapter 11 Cases, to remove from the claims registry of the Debtors’ Chapter 11 Cases the FDIC Claim and the JPMC Claims except as expressly set forth herein and pursuant to the terms and provisions of the Plan.

(b) Receivership Claims. Except as expressly provided herein or pursuant to the terms and provisions of the Plan, from and after the Effective Date, the Debtors and JPMC shall take such action as may be reasonably requested by the FDIC Receiver to cause the withdrawal, with prejudice, or the expungement of the Debtors’ Claims. Notwithstanding the foregoing, and for the avoidance of doubt, nothing contained herein shall result in the withdrawal, with prejudice, or the expungement of any rights, claims or defenses that the JPMC Entities or the FDIC Parties may have pursuant to the Purchase and Assumption Agreement.

Section 2.6. Stay and Dismissal of Actions.

(a) As soon as practicable subsequent to the execution and delivery of this Agreement by each of the Parties, but in no event later than five (5) Business Days subsequent thereto, the Debtors, the FDIC Parties and JPMC shall take any and all action as is appropriate to (i) stay the Related Actions, including any pending appeals, (ii) maintain the status quo of the JPMC Entities, the FDIC Parties and the Debtors in each of the Related Actions as of the execution of this Agreement, and (iii) ensure that no action (including separate litigation and any objection to such proofs of

claim) is undertaken or commenced inconsistent with seeking a stay of and maintaining the status quo of the Related Actions; provided, however, that any such stay shall terminate on the first (1st) Business Day following termination of this Agreement. The Debtors, the FDIC Receiver, FDIC Corporate and JPMC acknowledge that this Section 2.6(a) is not intended to alter, affect or modify the rights, claims, defenses or substantive positions of any of the Debtors, the FDIC Receiver, FDIC Corporate or the JPMC Entities in the Related Actions.

(b) As soon as practicable following the Effective Date, but in no event later than five (5) Business Days subsequent thereto, JPMC, the FDIC Parties and the Debtors shall take any and all action as is appropriate or as another Party may reasonably request to cause the respective clerk's office to record the dismissal, with prejudice, of each of the Actions, including, without limitation, filing with the District Court and the Bankruptcy Court, as applicable, a Stipulation of Dismissal With Prejudice, substantially in the forms annexed hereto as Exhibit "H", "I" and "J", respectively, and the filing of appropriate notices withdrawing any pending appeals.

(c) As soon as practicable following the Effective Date, but in no event later than five (5) Business Days subsequent thereto, the Debtors shall withdraw the Record Requests and waive any rights that they may have to administrative appeals or litigation with respect to the Record Requests.

Section 2.7. Texas Litigation. As soon as practicable following the execution and delivery of this Agreement by all of the Parties, but in no event later than fifteen (15) Business Days subsequent thereto, WMI and the FDIC Parties shall use their reasonable best efforts to seek rulings from the D.C. District Court and, to the extent necessary or desirable, the Bankruptcy Court or the relevant appellate court, (a) enjoining the plaintiffs in the Texas Litigation and any other plaintiffs who have brought or may in the future bring such claims from taking any action inconsistent with the Debtors' and the FDIC Receiver's ownership and exclusive control of such claims and causes of action (including resolutions of such claims and causes of action), including, without limitation, prosecution of the Texas Litigation, and (b) enjoining any other Person from instituting or prosecuting any claims on behalf of WMI, WMB or the Receivership. Upon the Effective Date, or as soon thereafter as is practicable following entry of an order of the D.C. District Court and/or the Bankruptcy Court or an appellate court consistent with clauses (a) and (b) above, solely to the extent that a final non-appealable judgment has not been entered previously against the plaintiffs in the Texas Litigation as of such date, WMI and the FDIC Parties shall take any and all actions reasonably requested by WMI, the FDIC Parties or JPMC to dismiss, with prejudice, the Texas Litigation by taking any and all action as is appropriate, including without limitation, filing with the D.C. District Court a Stipulation of Dismissal With Prejudice, substantially in the form annexed hereto as Exhibit "K", and appealing any order of the D.C. District Court providing less than all of the relief contemplated by this Section 2.7; provided, however, that it shall not be a breach hereunder if, the Debtors and the FDIC Receiver having used their reasonable best efforts, the D.C. District Court, the Bankruptcy Court or any appellate court nevertheless (1) determines that the claims and causes of action being asserted in the Texas Litigation

are, in whole or in part, not property of the Debtors and the Debtors' Chapter 11 Cases and allows the current plaintiffs in the Texas Litigation to continue prosecuting the claims asserted therein, in whole or in part, or (2) does not grant the relief referred to in clauses (a) and (b) of this Section 2.7.

Section 2.8. WMI Medical Plan. On the Effective Date, and pursuant to the 363 Sale and Settlement, (a) JPMC shall be deemed to have assumed, as of September 25, 2008, sponsorship and (i) be the sole legal, equitable and beneficial owner of the WMI Medical Plan and its assets for all purposes and the WMI Entities shall be deemed to have sold, transferred and assigned any and all right, title and interest the WMI Entities may have in such assets, free and clear of the liens, Claims, interests and encumbrances of any Person, other than the liens, Claims, interests and encumbrances, if any, of JPMC, (ii) assumed all duties, responsibilities, liabilities and obligations associated with sponsorship, of the WMI Medical Plan and the employee welfare plan and arrangement obligations as set forth on Exhibit "L" hereto, including, without limitation, any and all Assumed Liabilities and other post-Petition Date liabilities to pay retiree obligations in connection with the WMI Medical Plan (including medical and term life insurance and other post employment benefits), and (iii) shall satisfy the liabilities and obligations to pay or provide any and all benefits accrued from and after September 25, 2008 in connection with the WMI Medical Plan and the employee welfare plan and arrangement obligations as set forth on Exhibit "L" hereto, (b) to the extent any beneficiaries of the WMI Medical Plan have filed a proof of claim against the Debtors and the Debtors' chapter 11 estates, JPMC shall pay or fund the payment of the Assumed Liabilities portion of any and all such Claims, to the extent such portion of any such Claim becomes an Allowed Claim; provided, however, that JPMC shall not be obligated to make duplicative payments to such beneficiaries on account of clauses (a)(iii) and (b) hereof, and (c) WMI shall (i) transfer all its right, title and interest in and to any outstanding checks made out to WMI, including pharmacy rebates in connection with contracts associated with or attributable to the WMI Medical Plan and (ii) pay to JPMC an amount equal to the pharmacy rebates in connection with contracts associated with or attributable to the WMI Medical Plan and received by the WMI Entities from and after the Petition Date, currently estimated to be approximately Seven Hundred Seventy-Five Thousand Dollars (\$775,000.00). Nothing contained herein to the contrary shall preclude JPMC, as sponsor, from amending, modifying or changing the aforementioned plans from and after the Effective Date to the extent permitted by law and the terms of such plans.

Section 2.9. Non-Qualified Benefit Plans and Assets/Employee Issues.

(a) On and effective as of the Effective Date, and pursuant to the 363 Sale and Settlement, (i) all assets in the Rabbi Trusts set forth on Exhibit "M" hereto (the "**JPMC Rabbi Trusts**"), all BOLI/COLI policies and the proceeds thereof set forth on Exhibit "N" hereto and all CCBI split dollar policies set forth on Exhibit "O" hereto (the policies identified on Exhibits "N" and "O" hereto are sometimes hereinafter collectively referred to as the "**JPMC Policies**") and all rights thereunder shall be deemed to be and forever determined to be the property of JPMC, (ii) the WMI Entities shall be

deemed to have relinquished any claims that the WMI Entities may have asserted with respect to the assets set forth on Exhibits “M”, “N” and “O” and the WMI Entities shall be deemed to have sold, transferred and assigned any and all right, title and interest the WMI Entities may have or may have had in such assets, free and clear of all liens, Claims, interests and encumbrances, other than the liens, Claims, interests and encumbrances, if any, of JPMC and of those Persons who have filed proofs of claim against the Debtors and the Debtors’ chapter 11 estates, as set forth on Schedule 2.9(a) hereto, (iii) the WMI Entities shall take such actions as may be reasonably requested by JPMC to cause third parties, including, without limitation, the issuers of the JPMC Policies to recognize and reflect on their books and records that JPMC is the owner of or the beneficiary of, as the case may be, the JPMC Rabbi Trusts and the JPMC Policies and JPMC shall be authorized and expressly permitted to exercise all ownership rights related to the JPMC Policies, including, without limitation, surrender or liquidation rights, (iv) the WMI Entities shall take such action as may be reasonably requested by JPMC to cause the trustees of the JPMC Rabbi Trusts to terminate the JPMC Rabbi Trusts and to distribute the assets contained in such JPMC Rabbi Trusts to JPMC, including, but not limited to, using their reasonable best efforts to obtain dismissal of the Second and Third Claims for declaratory relief set forth in the complaint, dated March 11, 2010, filed in the litigation styled Union Bank v. JPMorgan Chase Bank, N.A., Adversary Pr. No. 10-50788 (MFW), currently pending in the Bankruptcy Court, (v) subject to JPMC becoming the owner of the JPMC Policies and receiving the assets contained in the JPMC Rabbi Trusts, and subject to JPMC’s receipt of a release of claims (in form reasonably acceptable to JPMC and the WMI Entities) in favor of JPMC and the WMI Entities from the beneficiaries of the arrangements identified on Exhibit “P” hereto, but it shall not be a breach hereunder if such releases are not provided, JPMC shall (A) satisfy the obligation to pay or provide any and all benefits with respect to the arrangements that are identified on Exhibit “P” hereto (but, to the extent of applicable laws, may change the form and time of payment of benefits), (B) pay or provide for such benefits in a manner consistent with Section 409A of the IRC (to the extent applicable) and (C) irrespective of whether the above-referenced releases are received, to the extent that any beneficiaries of the JPMC Rabbi Trusts and the JPMC Policies have filed proofs of claim in connection therewith against the Debtors and their chapter 11 estates, pay or fund the payment of the Assumed Liabilities portion of any and all such Claims, as set forth on Schedule 2.9(a) hereto, to the extent such portion of any such Claim becomes an Allowed Claim and to the extent payable, in whole or in part, by the Debtors or the Debtors’ chapter 11 estates; provided, however, that JPMC shall not be obligated to make duplicative payments to such beneficiaries on account of clauses (B) and (C) hereof, and (vi) the WMI Entities shall use their reasonable efforts and otherwise cooperate with JPMC in obtaining the receipt of a release of claims in favor of JPMC and the WMI Entities from the beneficiaries of the arrangements that are identified on Exhibit “P” hereto. To the extent necessary, on the Effective Date, the automatic stay, extant pursuant to section 362 of the Bankruptcy Code, shall be deemed modified *nunc pro tunc* to the Petition Date to permit JPMC to cause the surrender of any such policies or the liquidation of any assets contained in such rabbi trusts. For the avoidance of doubt, except with respect to Assumed Liabilities, nothing contained in this Section 2.9(a) or otherwise in this

Agreement is intended to require, and this Agreement shall not be interpreted in any way (y) as requiring JPMC to assume any “*nonqualified deferred compensation plan*”, as defined in Section 409A(d)(1) of the IRC, sponsored or maintained by the WMI Entities, WMB or the JPMC Rabbi Trusts and that any obligation of JPMC to make payments or provide benefits pursuant to this Section 2.9(a) shall be a new obligation of JPMC or (z) as requiring the WMI Entities to assume any liabilities or obligations arising at any time from and after the Effective Date, including any liabilities (other than Assumed Liabilities) arising from the requirement of the release described in subsection (v) above, or the failure or refusal of any Person to provide such a release.

Section 2.20. IAA Agreements.

(a) IAA/JPMC. From and after the date of execution of this Agreement by the WMI Entities and JPMC, the IAA/JPMC shall be deemed amended under its current terms to provide for the extension of the term set forth therein (a) up to and including the entry of an order of the Bankruptcy Court approving the Disclosure Statement in accordance with section 1125 of the Bankruptcy Code and (b) either (i) further extended through the later to occur of (A) date of entry of an order of the Bankruptcy Court closing the Chapter 11 Cases and (B) December 31, 2011; provided, however, that such extension shall be solely for the limited purposes of providing the Debtors, or their successors in interest, as the case may be, with access to documents reasonably necessary (1) to comply with pending or future requests in any litigation or governmental investigation, (2) in connection with any objection by the Debtors, or their successors in interest, as the case may be, to any claim in the Chapter 11 Cases, so long as such objection is interposed on or prior to January 31, 2011, and (3) with respect to the Debtors' administration and resolution of all Pre-2009 Group Tax matters in accordance with the terms and provisions of this Agreement or (ii) rather than extending the expiration of the IAA/JPMC in accordance with subsections (b)(i)(A) and (B) above, JPMC, at its sole option, discretion and expense, may elect to make available for inspection and copying by WMI any or all of the books and records to which WMI has access under the IAA/JPMC, including all electronic records, through and up to twelve (12) months following the Effective Date. If so elected, WMI and JPMC shall agree on a third party provider which, subject to confidentiality limitations, shall have such access as may reasonably be required to copy the records (including electronic records and backup tapes) designated by WMI, and JPMC shall be relieved of any further obligations or undertaking to the WMI Entities with respect thereto.

(b) IAA/FDIC. From and after the date of execution of this Agreement by the Debtors, the Creditors' Committee and the FDIC Receiver, the IAA/FDIC shall be deemed amended under its current terms to provide for an expiration upon the earlier to occur of (i) entry of an order of the Bankruptcy Court closing the Chapter 11 Cases and (ii) the closing of the Receivership.

Section 2.21. BKK Litigation.

(a) Liabilities and Policies. On and effective as of the Effective Date, and pursuant to the 363 Sale and Settlement, (a) JPMC shall assume any and all liabilities and obligations of the WMI Entities (other than WMI Rainier LLC) for remediation or clean-up costs and expenses (and excluding tort and tort related liabilities, if any), in excess of applicable and available insurance, arising from or relating to (i) the BKK Litigation, (ii) the Amended Consent Decree, dated March 6, 2006, entered in connection therewith, and (iii) that certain Amended and Restated Joint Defense, Privilege and Confidentiality Agreement, dated as of February 28, 2005, by and among the BKK Joint Defense Group, as defined therein (collectively, the "**BKK Liabilities**"), (b) JPMC shall pay or fund the payment of BKK Liabilities to the extent such BKK Liabilities are not covered by insurance policies (the "**BKK-Related Policies**") issued by

the insurance carriers (the “**BKK-Related Carriers**”), set forth in Schedule 2.21 annexed hereto, (c) the WMI Entities and the FDIC Receiver shall provide JPMC with a corporate resolution, in a form reasonably acceptable to JPMC, duly authorized by the WMI Entities and the FDIC Receiver, as the case may be, authorizing JPMC to act as their exclusive agent with respect to all rights and benefits to which the WMI Entities or the FDIC Receiver are entitled under the BKK-Related Policies and to resolve the BKK Liabilities on behalf of the WMI Entities, (d) the WMI Entities shall cooperate with JPMC in the negotiation of any agreements or settlements with the BKK-Related Carriers or any third parties related to the BKK Liabilities and execute any documents which may be reasonably necessary to effectuate the terms of this Section 2.21 or such agreements or settlements, (e) subject to the consent of the BKK-Related Carriers, if legally required, the WMI Entities and the FDIC Receiver agree that JPMC, rather than any of the WMI Entities or the FDIC Receiver, shall be entitled to recover from the BKK-Related Carriers any costs and expenses, including any costs and expenses related to any judgments or settlements, incurred by any of the WMI Entities or WMB prior to the Effective Date, related to, or in the defense of claims related to, the BKK Liabilities and hereby assign all such rights to JPMC, (f) the WMI Entities agree to provide JPMC with notice of any claim made or suit filed against any of the WMI Entities relating to the BKK Liabilities within thirty (30) days following receipt of such claim or suit, (g) JPMC shall indemnify the WMI Entities (other than WMI Rainier LLC) for the BKK Liabilities to the extent that such liabilities are not covered by the BKK-Related Policies and defend the WMI Entities (other than WMI Rainier LLC) with regard to the BKK Liabilities to the extent that the WMI Entities (other than WMI Rainier LLC) are not defended under the BKK-Related Policies, (h) the WMI Entities agree (i) that JPMC has sole discretion to retain counsel of its choice to defend any claims or suits pursuant to its obligations under this Section 2.21, (ii) that JPMC may retain common counsel to defend both it and the WMI Entities, and (iii) to waive any actual or potential conflicts of interest in order to permit JPMC to use common counsel. As of the Effective Date, the WMI Entities shall assign for themselves and their successors in interest to JPMC all claims for contribution, equitable indemnity and cost recovery that they have or may have in the future related to the BKK Liabilities. The FDIC Receiver agrees that all of the BKK-Related Policies and all rights belonging to WMB under the BKK-Related Policies, were assigned or otherwise transferred to JPMC pursuant to the Purchase and Assumption Agreement. The FDIC Receiver agrees to (x) execute any documents which may be necessary to effectuate the terms of the Purchase and Assumption Agreement with regard to the BKK-Related Policies, (y) file, as reasonably requested by JPMC, statements in support of the assignment in any appropriate court of law, and (z) execute any documents reasonably necessary to effectuate any agreement with the BKK-Related Carriers or with any third parties, including any settlement agreements, relating to the BKK-Related Policies or the BKK Liabilities.

(b) Claims Objections and Reimbursement. The Debtors agree to object to the proofs of claim filed against the Debtors and the Debtors’ chapter 11 estates and numbered 2138, 2213, 2233, 2405, 2467, 2693 and 3148 (collectively, the “**BKK Proofs of Claim**”). To the extent the BKK Proofs of Claim are not withdrawn,

with prejudice, JPMC shall defend the Debtors against and reimburse the Debtors for any distribution which the Debtors become obligated to make and make on account of remediation or clean-up costs and expenses contained in such BKK Proofs of Claim and not otherwise covered by the BKK-Related Policies and/or reimbursed by the BKK-Related Carriers. The Debtors shall cooperate to enable counsel selected by JPMC to defend against such BKK Proofs of Claim. All other provisions of subsection (a) of the Section 2.21 providing for the use of the BKK-Related Policies are applicable to this Section 2.21(b).

(c) Non-Transferability. Nothing in this Section 2.21 is intended to transfer to JPMC any liabilities of the WMI Entities not specified in this Section 2.21 or any liabilities of WMI Rainier LLC.

Section 2.22. Allowance of Certain JPMC Claims. On and effective as of the Effective Date, the JPMC Claims shall constitute the JPMC Allowed Unsecured Claim and shall be classified with and treated in the same manner as other allowed general unsecured claims under the Plan, including, without limitation, with respect to distributions pursuant to Plan; provided, however, that, notwithstanding the foregoing, on and effective as of the Effective Date, the JPMC Entities shall be deemed to have contributed all amounts distributable or payable to the JPMC Entities pursuant to the Plan on account of the JPMC Allowed Unsecured Claim to the Debtors in exchange for certain of the releases identified in the Plan.

Section 2.23. Bond Indemnity Matters. On and effective as of the Effective Date, and pursuant to the 363 Sale and Settlement, (a) all of the WMI Entities' right, title and interest in and to the Bonds, if any, shall be deemed to be and forever determined to be the property of JPMC and the WMI Entities will be deemed to have sold, transferred, and assigned any and all right, title and interest the WMI Entities may have in the Bonds, free and clear of the liens, Claims, interests and encumbrances of any Person other than the liens, Claims, interests and encumbrances, if any, of JPMC, (b) JPMC shall assume all Assumed Liabilities of the WMI Entities related to the Bonding Companies (including, without limitation, Safeco Insurance Company), the Bonded Obligations and the Bond Indemnity and (c) to the extent that any of the Bonding Companies have filed proofs of claim against the Debtors and their chapter 11 estates, JPMC shall pay or fund the payment of the Assumed Liabilities portion of any and all such Claims, as set forth on Schedule 2.23 hereto, to the extent such portion of any such Claim becomes an Allowed Claim; provided, however, that JPMC shall not be obligated to make duplicate payments on account of clauses (b) and (c) hereof.

Section 2.24. Plan Releases Matters. The Plan shall provide, to the fullest extent legally permissible, that any Person, including, without limitation, each REIT Trust Holder, receiving a distribution pursuant to the Plan shall release, and shall be deemed to have released, the JPMC Entities, the FDIC Receiver, FDIC Corporate and the Receivership from any and all Released Claims and any other Claims such Person may have arising from or relating to the claims or interests for which such party is receiving such distribution; provided, however, that, as set forth in Section 3.8 hereof,

nothing is or shall be intended, nor shall it be construed, to release any claims or defenses that the JPMC Entities and the FDIC Parties may have pursuant to the Purchase and Assumption Agreement. The Plan shall also provide that the Debtors shall seek to bind those entities that opt out of the releases provided in the Plan. The releases that will be obtained through the Plan are essential to the success of the reorganization and necessary to make the Plan feasible. Without limiting the foregoing, in consideration for the waiver and release of the Releasees from any and all Claims resulting from, among other things, the issuance or assignment of the Trust Preferred Securities or any commitment, disclosure or non-disclosure with respect thereto, the declaration of any Exchange Event, as defined in the offering materials relating to the Trust Preferred Securities, with respect to the Trust Preferred Securities by the OTS, the assignment of the Trust Preferred Securities subsequent thereto, and any and all claims in any way related to the Trust Preferred Series or the REIT Series, pursuant to the Plan, on the Effective Date, JPMC shall pay, or transfer to the Disbursing Agent, as defined in the Plan, for payment to any Releasing REIT Trust Holder an amount equal to One Thousand Two Hundred Fifty Dollars (\$1,250.00) (calculated by dividing Fifty Million Dollars (\$50,000,000.00) by the number of issued and outstanding shares of REIT Series) times the number of shares of REIT Series held by such REIT Trust Holder on the record date for voting to accept or reject the Plan; provided, however, that, at the election of JPMC, the amount payable to Releasing REIT Trust Holders pursuant to the provisions of this Section 2.24 may be paid in shares of common stock of JPMC, having an aggregate value equal to the amount of cash to be paid pursuant this Section 2.24, valued at the average trading price during the thirty (30) day period immediately preceding the Effective Date.

Section 2.25. Checks, Funds, Rebatelements and Reimburselements. On and effective as of the Effective Date, pursuant to the 363 Sale and Settlement, and except as otherwise expressly set forth herein, including, without limitation, pursuant to Section 2.4 hereof, the WMI Entities, the FDIC Receiver and the JPMC Entities shall waive and release any and all claims and rights to checks or funds received by the other Party at any time from and after the Petition Date and made out to “*Washington Mutual*”, “*WaMu*”, “*WAMU*”, “*WMP*”, “*WMB*” or other similar nomenclature; provided, however, that, within twenty (20) Business Days from the execution and delivery hereof, the WMI Entities, the FDIC Receiver and the JPMC Entities shall provide to the other Party a list setting forth the amounts received by each such Party and referenced above; and, provided, further, that, to the extent that any JPMC Entities have received any amounts from communications carriers that represent funds for overcharges, refunds or rebates, which relate to activity during the period prior to the Petition Date, such JPMC Entities shall (a) pay to WMI any such amounts received or (b) pay or fund the payment of any Claims of such communications carriers to the extent such Claims become Allowed Claims; and, provided, further, that, within five (5) Business Days of the Effective Date, JPMC and WMI shall provide instructions, in form acceptable to the plaintiffs and defendants in the litigation styled Microsoft Cases, J.C.C.P. No. 4106, pending in the Superior Court of California, County of San Francisco (the “*Microsoft-California Class Action*”), instructing the Microsoft Claims Administrator in the Microsoft-California Class Action to distribute to WMI all eligible proceeds of that certain Settlement

Agreement, dated June 16, 2003, as amended, entered in the Microsoft-California Class Action.

Section 2.26. No Pass-Through Liability. This Agreement shall not create, and the terms and provisions shall not be construed to create, any additional liability on the part of the FDIC Parties as a result of the transfer of assets and assumption of liabilities set forth herein, including, without limitation, liability arising as a result of claims for setoff, recoupment, indemnification, contribution or subrogation.

Section 2.27. Orders of Investigation. On and effective as of the Effective Date, (a) except with respect to the WMI Releasees, as defined in Section 3.1 hereof, the FDIC Parties may enforce any existing FDIC Order of Investigation or issue, file or serve any additional or replacement FDIC Order of Investigation against any Person, and (b) each of the WMI Releasees set forth on any such FDIC Order of Investigation shall be relieved of any and all obligations to comply with or other requirements set forth therein or under applicable law, if any.

Section 2.28. Allocation of Consideration Received by FDIC Receiver. Pursuant to this Agreement, the FDIC Receiver is releasing potential claims against certain present or former WMI or WMB directors or officers (the “*Potential Claims*”). The FDIC Receiver has allocated no more than One Hundred Twenty Five Million Dollars (\$125,000,000.00) of the consideration to be received by the FDIC Receiver pursuant to the Plan and Sections 2.4 and 2.26 hereof to the FDIC Receiver’s release of the Potential Claims.

Section 2.29. WMB Claims and Distributions. The Debtors and the FDIC Receiver acknowledge and agree that (a) the Plan provides a distribution (contingent on the occurrence of certain conditions) to Bank Creditors in the amount of Three Hundred Thirty-Five Million Dollars (\$335,000,000.00) (the “Bank Creditor Distribution”), on account of and in complete and full satisfaction of purported claims of Bank Creditors against WMI (other than claims that are otherwise subordinated pursuant to section 510 of the Bankruptcy Code), including, without limitation, the Bank Bondholder Claims, to the extent it is determined by Final Order that such claims, including the Bank Bondholder Claims, are Allowed Claims against the Debtors and the Debtors’ chapter 11 estates, (b) the Bank Creditor Distribution shall be paid when WMI receives its distribution of the Homeownership Carryback Refund Amount in accordance with Section 2.4 hereof, (c) as set forth in Sections 2.5 and 4.6 hereof, the Bank Bondholder Claims are derivative in nature of the claims and causes of action asserted by the FDIC Parties and the Receivership in the FDIC Claim and the WMI Action and (d) the claims and causes of action that have or may be asserted by the FDIC Parties and the Receivership against the Debtors and the Debtors’ chapter 11 estates are being released, discharged or settled as a result of this Agreement and the Plan.

Section 3.6. Relief for Indemnification and Contribution Claims.

Without in any way limiting the scope of Section 3.1 hereof, each of the FDIC Parties further agrees that, from and after the Effective Date, if (a) any claim or cause of action is commenced, asserted, continued or pursued by, on behalf of, or for the benefit of any of the FDIC Parties against any Person, including, without limitation, any Excluded Party, for claims or causes of action relating to the period prior to the Effective Date, (b) a judgment or settlement is obtained in connection therewith requiring payment by such Person to any of the FDIC Parties or otherwise (the "***FDIC Judgment or Settlement***"), and (c) as a direct or indirect result thereof, any Person seeks and successfully obtains, by way of judgment, award, settlement (with consent of the FDIC Parties, which consent shall not be unreasonably withheld) or otherwise, directly or indirectly, any contribution or indemnity from any of the WMI Releasees based upon, arising from, or related to the FDIC Judgment or Settlement, then, such FDIC Party shall not execute on, collect on, obtain a lien based upon, or otherwise perfect or use in any manner any FDIC Judgment or Settlement unless the FDIC Party first reduces the FDIC Judgment or Settlement amount or otherwise structures such FDIC Judgment or Settlement, by agreement or otherwise, such that none of the WMI Releasees shall be required to make any payment on such contribution or indemnification or, directly or indirectly, any payment of any portion of the FDIC Judgment or Settlement that exceeds amounts paid or to be paid from available insurance coverage, including, without limitation, any insurance under the Tower Insurance Programs. (a) None of the Settlement Note Holders shall sell, transfer, pledge, hypothecate or assign any of the Settlement Note Holdings or any voting rights or participations or other interests therein during the period from the date hereof up to and including the Effective Date; provided, however, that, prior to the Effective Date, the Settlement Note Holders may enter into one or more agreements to sell, transfer, pledge, hypothecate or assign the Settlement Note Holdings or any voting rights or participations or other interests therein to any third party (a "***Proposed Transferee***") provided that (i) any such Settlement Note Holder desirous of selling, transferring, pledging, hypothecating or assigning any Settlement Note Holdings shall inform, in writing, any purchaser, agent or other entity with respect thereto of the agreements set forth herein and (ii) such Proposed Transferee executes a letter agreement, in form and substance satisfactory to WMI and the transferring Settlement Note Holder, binding the Proposed Transferee to the terms and conditions of this Agreement to the same extent as the transferring Settlement Note Holders is bound herein; provided, however, that, with respect to the Settlement Note Holdings of Senior Note Claims, Senior Subordinated Note Claims and REIT Series, each as set forth on Exhibit "C" hereto, any one of the

Settlement Note Holders may sell, transfer, pledge, hypothecate or assign such Settlement Note Holdings without the requirement that a Proposed Transferee execute and deliver a letter agreement binding such Proposed Transferee to the terms and conditions of this Agreement with respect to (1) all of their Senior Notes Claims or any voting rights or participations or other interests therein, (2) such amount of Senior Subordinated Notes Claims held by the Settlement Note Holders or any voting rights or participations or other interests therein in excess of, when calculated on an aggregate basis, seventy percent (70%) of the outstanding principal amount of the Senior Subordinated Note Claims and (3) such amount of REIT Series interests held by the Settlement Note Holders or any voting rights or participations or other interests therein in excess of, when calculated on an aggregate basis, twenty percent (20%) of the outstanding principal amount of the REIT Series; and, provided, further, that, from and after December 15, 2010, the Settlement Note Holders may sell, transfer, pledge, hypothecate or assign any and all Settlement Note Holdings without the requirement that a Proposed Transferee execute and deliver a letter agreement binding such Proposed Transferee to the terms and conditions of this Agreement.

(b) None of the Settlement Note Holders shall (i) file or assert any additional claims or proofs of claim, whatsoever, with the Bankruptcy Court or any other court or in the Receivership against any of the WMI Releasees, JPMC Releasees, Creditors' Committee Releasees and FDIC Releasees (including secured, unsecured, administrative, priority or substantial contribution claims); (ii) file any additional claims, commence or prosecute any pending or additional litigation, proceeding, action or matter or seek to recover damages or to seek any other type of relief against any of the WMI Releasees, the JPMC Releasees and the FDIC Releasees based upon, arising from or relating to any of the Released Claims, or (iii) directly or indirectly aid any person in taking any action with respect to the Released Claims that is prohibited by this Section 5.4(b).

(c) The Settlement Note Holders shall (i) support, and otherwise take no action to impede or preclude, administration of the Debtors' Chapter 11 Cases, the approval of the Disclosure Statement or the confirmation, implementation and administration of the Plan and (ii) in accordance with the provisions of Section 6.1 hereof, (A) not consent to or vote for any modification of the Plan unless such modification is agreed to by the Debtors, JPMC and the FDIC Parties and (B) not vote for or support any chapter 11 plan not proposed or supported by the Debtors, JPMC and the FDIC Parties.

(d) On and effective as of the Effective Date, and without limiting the generality of the foregoing, the Settlement Note Holders shall be deemed to have covenanted not to sue the WMI Releasees, the JPMC Releasees, the Creditors' Committee Releasees and the FDIC Releasees with respect to the respective claims released in accordance with Article III hereof and to be permanently barred and enjoined from instituting, prosecuting, pursuing or litigating, in any manner, the WMI Released Claims against the WMI Releasees, the JPMC Released Claims against the JPMC

Releasees, the Creditors' Committee Released Claims against the Creditors' Committee Releasees and the FDIC Released Claims against the FDIC Releasees.

(e) On the Effective Date, each of the Settlement Note Holders shall provide the WMI Entities, JPMC, FDIC Receiver and FDIC Corporate with a certificate to the effect that each of the representations and warranties set forth in Sections 4.7, 4.8 and 4.10 of this Agreement are true and correct as of the Effective Date.

Section 5.5. Covenants of the Creditors' Committee. The Creditors' Committee hereby covenants and agrees as follows:

(a) The Creditors' Committee shall support, and otherwise take no action to impede or preclude, the approval of the Disclosure Statement or the confirmation, implementation and administration of the Plan in a manner consistent with this Agreement.

(b) On and effective as of the Effective Date, and without limiting the generality of the foregoing, subject to the terms of this Agreement, the Creditors' Committee shall be deemed to have covenanted not to sue the WMI Releasees, the JPMC Releasees, the Settlement Note Releasees and the FDIC Releasees with respect to the respective claims released in accordance with Article III hereof and to be permanently barred and enjoined from instituting, prosecuting, pursuing or litigating, in any manner, the WMI Released Claims against the WMI Releasees, the JPMC Released Claims against the JPMC Releasees, the Settlement Note Released Claims against the Settlement Note Releasees and the FDIC Released Claims against the FDIC Releasees; provided, however, that nothing contained in this Agreement or the Plan shall prevent the Creditors' Committee from pursuing avoidance actions or claims objections on behalf of the Debtors or their successors with respect to WMI Releasees.

(c) On the Effective Date, the Creditors' Committee shall provide the WMI Entities, JPMC, FDIC Receiver and FDIC Corporate with a certificate to the effect that each of the representations and warranties set forth in Sections 4.9 and 4.10 of this Agreement are true and correct as of the Effective Date.

ARTICLE VI PLAN AND PLAN SUPPORT

Section 6.1. Plan Support Commitment. From and after the date hereof, and provided that (a) this Agreement has not been terminated and (b) neither the Disclosure Statement nor the Plan has been amended or modified in a manner adverse to JPMC, the FDIC Parties, the Creditors' Committee and the Settlement Note Holders, JPMC, the FDIC Parties, the Creditors' Committee and each of the Settlement Note Holders shall (i) take any and all actions reasonably requested by the Debtors to support (A) approval of the Disclosure Statement in accordance with section 1125 of the Bankruptcy Code and (B) confirmation of the Plan in accordance with section 1129 of the Bankruptcy Code, (ii) not consent to or vote for any modification of the Plan unless such

modification is (Y) not adverse to JPMC, the FDIC Parties, the Creditors' Committee and the Settlement Note Holders and (Z) not inconsistent with the terms provided herein, as determined by JPMC, the FDIC Receiver, FDIC Corporate, the Creditors' Committee and the Settlement Note Holders, in their sole and absolute discretion, and (iii) not vote for or support any chapter 11 plan not proposed or supported by the Debtors, JPMC, the Creditors' Committee and the FDIC Parties.

Section 6.2. Solicitation Required in Connection with Plan.

Notwithstanding anything contained in this Article VI or elsewhere in this Agreement to the contrary, this Agreement is not, and shall not be deemed to be, a solicitation of acceptances of the Plan. The Debtors, JPMC, the FDIC Receiver, FDIC Corporate, the Creditors' Committee and the Settlement Note Holders acknowledge and agree that the acceptance of the Plan will not be solicited until the Bankruptcy Court has approved the Disclosure Statement and related ballots, and such Disclosure Statement and ballots have been transmitted to parties entitled to receive same.

ARTICLE VII CLOSING AND TERMINATION

Section 7.1. Closing. The consummation of the transactions contemplated hereby shall take place at a closing to be held at 10:00 am., New York time, on the Effective Date at the offices of Weil, Gotshal & Manges LLP, 767 Fifth Avenue, New York, New York 10153, or such other date or place as is mutually agreed upon in writing by the Parties hereto.

Section 7.2. Conditions to Effective Date. Except with regard to the covenants of the JPMC Entities set forth in Section 5.1 hereof, the covenants of the FDIC Parties set forth in Section 5.2 hereof, the covenants of the WMI Entities set forth in Section 5.3 hereof, the covenants of the Settlement Note Holders set forth in Section 5.4 hereof and the covenants of the Creditors' Committee set forth in Section 5.5 hereof, the terms and provisions of this Agreement are expressly subject to the following conditions unless waived, in writing, by the Parties:

(a) the execution and delivery of this Agreement by each of the entities identified on the signature pages of this Agreement;

(b) by October 19, 2010, FDIC Board approval of this Agreement and authorization for the consummation of the transactions contemplated herein;

(c) the entry of the Confirmation Order by the Bankruptcy Court confirming the Plan in accordance with section 1129 of the Bankruptcy Code, and such Confirmation Order shall have become a Final Order;

(d) the effective date of the Plan; and

(e) the disposition of the Texas Litigation in a manner provided herein.

Section 7.3. Termination of Agreement. This Agreement may be terminated by any Party, at their sole option and discretion, in the event that (a) either the FDIC Board or the Board of Directors of WMI (or the Operations Committee thereof, if applicable) shall have failed to approve this Agreement by October 19, 2010, (b) any other Party hereto materially breaches any of the covenants set forth in Article V hereof or any of its other undertakings in this Agreement, or (c) the Confirmation Order is not entered by the Bankruptcy Court and the effective date of the Plan does not occur on or prior to December 31, 2010; provided, however, that, upon the joint instruction and notice provided by WMI and JPMC, and the consent of the Creditors' Committee, the date set forth in subsection (c) above shall be extended up to and including January 31, 2011.

Section 7.4. Effect of Termination. Except as otherwise provided herein, in the event of the termination of this Agreement, this Agreement shall become null and void and be deemed of no force and effect, with no liability on the part of any Party hereto (or of any of its directors, officers, employees, consultants, contractors, agents, legal and financial advisors or other representatives), and no Party shall have any obligations to any other Party arising out of this Agreement, including, without limitation, the contribution of all or any portion of the Plan Contribution Assets, the allowance, disallowance, expungement or withdrawal of the WMI Claims, the JPMC Claims or the FDIC Claim as provided herein, except for the obligations and or provisions set forth in Sections 2.6(a), 2.7 and 2.14(b) hereof, which provisions are intended to survive the expiration or termination of this Agreement. Upon termination, neither this Agreement nor any terms or provisions set forth herein shall be admissible in any dispute, litigation, proceeding or controversy among the Parties and nothing contained herein shall constitute or be deemed to be an admission by any Party as to any matter, it being understood that the statements and resolutions reached herein were as a result of negotiations and compromises of the respective positions of the Parties. In addition, no Party shall seek to take discovery concerning this Agreement or admit this Agreement or any part of it into evidence against any other Party hereto.

ARTICLE VIII MISCELLANEOUS

Section 8.1. Amendments. This Agreement may not be modified, amended or supplemented except by a written agreement executed by each Party to be affected, or whose constituency may be affected, by such modification, amendment or supplement.

Section 8.2. No Admission of Liability.

(a) The execution of this Agreement is not intended to be, nor shall it be construed as, an admission or evidence in any pending or subsequent suit,

action, proceeding or dispute of any liability, wrongdoing, or obligation whatsoever (including as to the merits of any claim or defense) by any Party to any other Party or any other Person with respect to any of the matters addressed in this Agreement.

(b) None of this Agreement (including, without limitation, the Recitals and Exhibits hereto), the settlement or any act performed or document executed pursuant to or in furtherance of this Agreement or the settlement: (i) is or may be deemed to be or may be used as an admission or evidence of the validity of any claim, or any allegation made in the Actions or of any wrongdoing or liability of any Party; (ii) is or may be deemed to be or may be used as an admission or evidence of any liability, fault or omission of any Party in any civil, criminal or administrative proceeding in any court, administrative agency or other tribunal; (iii) is or may be deemed to be or used as an admission or evidence against the Reorganized Debtors or the Debtors with respect to the validity of any of the Debtors' Claims, the JPMC Claims or the FDIC Claim; or (iv) is or may be deemed to be used as an admission or evidence of the jurisdiction of any court to adjudicate claims or matters relating to the Receivership. None of this Agreement, the settlement, or any act performed or document executed pursuant to or in furtherance of this Agreement or the settlement shall be admissible in any proceeding for any purposes, except to enforce the terms of the Agreement, and except that any Party may file this Agreement in any action for any purpose, including, but not limited to, in order to support a defense or counterclaim based on the principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction or any other theory of claim preclusion or issue preclusion or similar defense of counterclaim.

Section 8.3. Good Faith Negotiations. The Parties recognize and acknowledge that each of the Parties hereto is represented by counsel, and such Party received independent legal advice with respect to the advisability of entering into this Agreement. Each of the Parties acknowledges that the negotiations leading up to this Agreement were conducted regularly and at arm's length; this Agreement is made and executed by and of each Party's own free will; that each knows all of the relevant facts and his or its rights in connection therewith, and that he or it has not been improperly influenced or induced to make this settlement as a result of any act or action on the part of any party or employee, agent, attorney or representative of any party to this Agreement. The Parties further acknowledge that they entered into this Agreement because of their desire to avoid the further expense and inconvenience of litigation and other disputes, and to compromise permanently and settle the claims between the Parties settled by the execution of this Agreement. The Parties further acknowledge and agree that, in connection with the Chapter 11 Cases and the negotiation and consummation of this Agreement, the Settlement Note Holders, at all times, acted (a) in good faith and (b) solely for themselves and not on behalf of or in representation of any other creditors, bondholders or other parties in interest.

Section 8.4. Third Party Beneficiaries. Nothing in this Agreement, express or implied, is intended or shall be construed to confer upon, or to give to, any Person other than the Parties hereto, the Reorganized Debtors, the Releasees, and their respective successors and assigns, any right, remedy or claim under or by reason of this

Agreement or any covenant, condition or stipulation thereof; and the covenants, stipulations and agreements contained in this Agreement are and shall be for the sole and exclusive benefit of the Parties hereto, the Releasees and their respective successors and assigns.

Section 8.5. Governing Law; Retention of Jurisdiction; Service of Process. This Agreement shall be governed by and construed in accordance with the internal laws of the State of New York and applicable federal law. By its execution and delivery of this Agreement, each of the WMI Entities, JPMC, for itself and on behalf of the JPMC Entities, the FDIC Receiver, FDIC Corporate and the Settlement Note Holders hereby irrevocably and unconditionally agrees for itself that any legal action, suit or proceeding between any or all of the foregoing with respect to any matter under or arising out of or in connection with this Agreement or for recognition or enforcement of any judgment rendered in any such action, suit or proceeding, shall be brought in the Bankruptcy Court for that purpose only, and, by execution and delivery of this Agreement, each hereby irrevocably accepts and submits itself to the jurisdiction of such court, generally and unconditionally, with respect to any such action, suit or proceeding, subject to a Party's rights pursuant to applicable law; provided, however, that, notwithstanding the foregoing, any disputes between the JPMC Entities and the FDIC Parties arising from the Purchase and Assumption Agreement shall be subject to the jurisdictional provisions set forth therein or under applicable law. In the event any such action, suit or proceeding is commenced, the Parties hereby agree and consent that service of process may be made, and personal jurisdiction over any Party hereto in any such action, suit or proceeding may be obtained, by service of a copy of the summons, complaint and other pleadings required to commence such action, suit or proceeding upon the Party at the address of such Party set forth in Section 8.10 hereof, unless another address has been designated by such Party in a notice given to the other Parties in accordance with Section 8.10 hereof.

Section 8.6. Headings. The headings of the sections, paragraphs and subsections of this Agreement are inserted for convenience only and are not part of this Agreement and do not in any way limit or modify the terms or provisions of this Agreement and shall not affect the interpretation hereof.

Section 8.7. Binding Agreement Successors and Assigns; Joint and Several Obligations. This Agreement shall be binding only upon the execution and delivery of this Agreement by the Parties listed on the signature pages hereto, subject to (a) Bankruptcy Court approval as to the Debtors and (b) FDIC Board approval as to the FDIC Receiver and FDIC Corporate. This Agreement is intended to, and shall be deemed to, bind and inure to the benefit of the Parties and their respective successors, assigns, administrators, constituents and representatives. The agreements, representations, covenants and obligations of the Parties under this Agreement are several only and not joint in any respect and none shall be responsible for the performance or breach of this Agreement by another.

Section 8.8. Entire Agreement. This Agreement, the Confirmation Order and the Plan constitute the full and entire agreement among the Parties with regard to the subject hereof, and supersedes all prior negotiations, representations, promises or warranties (oral or otherwise) made by any Party with respect to the subject matter hereof. No Party has entered into this Agreement in reliance on any other Party's prior representation, promise or warranty (oral or otherwise) except for those that may be expressly set forth in this Agreement.

Section 8.9. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original copy of this Agreement and all of which, when taken together, shall constitute one and the same Agreement. Copies of executed counterparts transmitted by telecopy or other electronic transmission service shall be considered original executed counterparts, provided receipt of copies of such counterparts is confirmed.

Section 8.10. Notices. All demands, notices, requests, consents, and other communications hereunder shall be in writing and shall be deemed to have been duly given (i), when personally delivered by courier service or messenger, (ii) upon actual receipt (as established by confirmation of receipt or otherwise) during normal business hours, otherwise on the first business day thereafter if transmitted electronically (by e-mail transmission), by facsimile or telecopier, with confirmation of receipt, or (iii) three (3) Business Days after being duly deposited in the mail, by certified or registered mail, postage prepaid-return receipt requested, to the following addresses, or such other addresses as may be furnished hereafter by notice in writing, to the following Parties:

The Escrow Agent shall be entitled to reasonable compensation for its services as Escrow Agent hereunder, as listed on Schedule A annexed hereto, and to reimbursement for all reasonable expenses of or reasonable disbursements incurred by the Escrow Agent in the performance of its duties hereunder, including the reasonable fees, expenses and disbursements of counsel to the Escrow Agent. All such amounts shall be promptly authorized for payment by WMI, JPMC and the FDIC Receiver upon the receipt of a reasonably detailed written invoice from the Escrow Agent. Any such fees and expenses of the Escrow Agent shall be payable out of the Escrow Funds, the funds of the Washington Mutual Escrow Account, the JPMC Escrow Account, the FDIC Escrow Account, and/or by WMI, JPMC and the FDIC Receiver in the same manner, and to the same extent, as if such fees and expenses were Pre-2009 Group Taxes determined to be payable under Section 2.4(g) of the Settlement Agreement.

V. Rights, Duties and Immunities of Escrow Agent.

The acceptance by the Escrow Agent of its duties under this Refund Escrow Agreement is subject to the following terms and conditions, which all parties to this Refund Escrow Agreement hereby agree shall govern and control the rights, duties and immunities of the Escrow Agent:

(a) The duties and obligations of the Escrow Agent shall be determined solely by reference to the express provisions of this Refund Escrow Agreement and Section 2.4 of the Settlement Agreement and the Escrow Agent shall not be liable, except for the performance of such duties and obligations as are specifically set forth herein. The Escrow Agent shall not be required to inquire as to the performance or observation of any obligation, term or condition under any agreement or arrangement by WMI, JPMC and the FDIC Receiver other than Section 2.4 of the Settlement Agreement. The Escrow Agent is not a party to, and is not bound by, any agreement or other document out of which this Refund Escrow Agreement may arise (except to the extent expressly incorporated herein). The Escrow Agent shall be under no liability to any party hereto by reason of any failure on the part of any other party hereto or any maker, guarantor, endorser or other signatory of any document or any other person to perform such person's obligations under any such document. This Refund Escrow Agreement shall not be deemed to create a fiduciary relationship between the parties hereto under state or federal law.

(b) The Escrow Agent shall not be responsible in any manner for the validity or sufficiency of this Refund Escrow Agreement or of any property delivered hereunder, or for the value or collectability of any note, check or other instrument, if any, so delivered, or for any representations made or obligations assumed by any party other than the Escrow Agent. Nothing herein contained shall be deemed to obligate the Escrow Agent to deliver any cash, instruments, documents or any other property referred to herein, unless the same shall have first been received by the Escrow Agent pursuant to this Refund Escrow Agreement.

(c) Each of WMI, JPMC and the FDIC Receiver, jointly and severally, agrees to reimburse the Escrow Agent on demand for, and to indemnify and hold the Escrow Agent harmless against and with respect to, any and all loss, liability, damage or expense (including, but without limitation, attorneys' fees, costs and disbursements) that the Escrow Agent may suffer or incur in connection with this Refund Escrow Agreement and its performance hereunder or in connection herewith, except to the extent such loss, liability, damage or expense arises from its willful misconduct or gross negligence as adjudicated by a court of competent jurisdiction. The Escrow Agent shall have the further right at any time and from time to time to charge, and reimburse itself from, the property held in escrow hereunder.

(d) The Escrow Agent shall be fully protected in acting on and relying upon any written notice, direction, request, waiver, consent, receipt, signature or other paper or document which the Escrow Agent in good faith believes to have been signed and presented by the proper party or parties.

(e) The Escrow Agent shall not be liable for any error of judgment, or for any act done or step taken or omitted by it in good faith or for any mistake in act or law, or for anything which it may do or refrain from doing in connection herewith, except its own gross negligence or willful misconduct.

(f) The Escrow Agent may seek the advice of legal counsel in the event of any dispute or question as to the construction of any of the provisions of this Refund Escrow Agreement or its duties hereunder, and it shall incur no liability and shall be fully protected in respect of any action taken, omitted or suffered by it in good faith in accordance with the written advice or opinion of such counsel.

(g) The parties hereto agree that should any dispute arise with respect to the payment, ownership or right of possession of the Refund Escrow Account, the Escrow Agent is authorized and directed to retain in its possession, without liability to anyone, except for its willful misconduct or gross negligence, all or any part of the Refund Escrow Account until such dispute shall have been settled either by mutual agreement by the parties concerned or by the final order of the Bankruptcy Court and a notice executed by the parties to the dispute or their authorized representatives shall have been delivered to the Escrow Agent setting forth the resolution of the dispute, which notice WMI, JPMC and the FDIC Receiver hereby agree to so execute and deliver to the Escrow Agent in the event that such a final order is obtained from or issued by the Bankruptcy Court. The Escrow Agent shall be under no duty whatsoever to institute, defend or partake in such proceedings. The Escrow Agent shall have the option, after 30 calendar days' notice to the other parties of its intention to do so, to file an action in interpleader requiring the parties to answer and litigate any claims and rights among themselves. The rights of the Escrow Agent under this paragraph are cumulative of all other rights which it may have by law or otherwise.

(h) The Escrow Agent shall provide a monthly account statement to each party to this Agreement.

(i) The agreements set forth in this Section V shall survive the resignation or removal of the Escrow Agent, the termination of this Refund Escrow Agreement and the payment of all amounts hereunder.

VI. Resignation of Escrow Agent.

(a) The Escrow Agent shall have the right to resign upon 30 days written notice to WMI, JPMC and the FDIC Receiver. In the event of such resignation, WMI, JPMC and the FDIC Receiver shall agree upon and appoint a successor escrow agent hereunder by delivering to the Escrow Agent a joint written notice of such appointment. Upon receipt of such notice, the Escrow Agent shall deliver to the designated successor escrow agent all money and other property held hereunder and shall thereupon be released and discharged from any and all further responsibilities whatsoever under this Refund Escrow Agreement; provided, however, that the Escrow Agent shall not be deprived of its compensation earned prior to such time, but shall refund a ratable portion of any compensation paid in advance.

(b) If no successor escrow agent shall have been designated by the date specified in the Escrow Agent's notice, all obligations of the Escrow Agent hereunder shall nevertheless cease and terminate. Its sole responsibility thereafter shall be to keep safely all property then held by it and to deliver the same to a person designated by the other parties hereto or in accordance with the direction of a final order of the Bankruptcy Court; provided, however, that the Escrow Agent may apply to a court of competent jurisdiction for the appointment of a successor escrow agent or for other appropriate relief.

VII. Notices.

All notices, communications and deliveries required or permitted by this Refund Escrow Agreement, including monthly account statements and transaction advices for the Refund Escrow Account, shall be deemed given or made (a) on the date delivered if delivered by telecopy and confirmed by receipt of electronic confirmation or other evidence of receipt, (b) upon actual receipt (as established by confirmation of receipt or otherwise) on the first Business Day after transmission electronically by e-mail, (c) on the date delivered, if delivered in person, (d) in each case, on the date delivered if it is mailed by registered or certified mail (return receipt requested) (with postage and other fees prepaid) or (e) on the day after it is delivered, prepaid, by an overnight express delivery service that confirms to the sender delivery on such day, as follows:

IX. Termination.

The Refund Escrow Account shall be deemed dissolved and this Refund Escrow Agreement shall terminate upon the written agreement of the parties hereto, upon disbursement of all of the Escrow Funds, or upon transfer of all of the Escrow Funds then in the possession of the Escrow Agent to the Bankruptcy Court or such other party as the parties hereto may jointly agree upon in writing in accordance with the terms of this Refund Escrow Agreement.

X. Governing Law; Jurisdiction.

THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE OF NEW YORK AND APPLICABLE FEDERAL LAW. WMI, JPMC, THE FDIC RECEIVER AND THE ESCROW AGENT HEREBY IRREVOCABLY AND UNCONDITIONALLY AGREE THAT ANY LEGAL ACTION, SUIT OR PROCEEDING BETWEEN ANY OR ALL OF THE FOREGOING WITH RESPECT TO ANY MATTER UNDER OR ARISING OUT OF OR IN CONNECTION WITH THIS REFUND ESCROW AGREEMENT OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT RENDERED IN ANY SUCH ACTION, SUIT OR PROCEEDING, SHALL BE BROUGHT IN THE BANKRUPTCY COURT FOR THAT PURPOSE ONLY, AND, BY EXECUTION AND DELIVERY OF THIS REFUND ESCROW AGREEMENT, EACH HEREBY IRREVOCABLY ACCEPTS AND SUBMITS ITSELF TO THE JURISDICTION OF SUCH COURT, GENERALLY AND UNCONDITIONALLY, WITH RESPECT TO ANY SUCH ACTION, SUIT OR PROCEEDING. EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE

COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR THE BREACH, TERMINATION OR VALIDITY OF THIS AGREEMENT, OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT.

XI. Counterparts.

This Refund Escrow Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original, and such counterparts together shall constitute and be one and the same instrument.

XII. Entire Agreement.

This Refund Escrow Agreement (as amended, supplemented or otherwise modified from time to time) sets forth in full the terms of agreement between the parties and is intended as the full, complete and exclusive contract governing the relationship between the parties with respect to the transactions contemplated herein, superseding all other discussion, promises, representations, warranties, agreements and understandings, whether written or oral, between the parties with respect thereto.

XIII. Waiver.

No waiver of any provision hereof shall be effective unless made in writing and signed by the waiving party. No delay or failure of any party to require the performance of any term or obligation of this Refund Escrow Agreement or to exercise any right, power or remedy hereunder shall prevent any subsequent enforcement of such term or obligation or operate as a waiver thereof; nor shall any single waiver by any party of any breach of this Refund Escrow Agreement be deemed a waiver of any subsequent breach.

XIV. Severability.

Wherever possible, each provision of this Refund Escrow Agreement shall be interpreted in such a manner as to be effective and valid under applicable law, but if any provision of this Refund Escrow Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Refund Escrow Agreement. In the event any provision of this Refund Escrow Agreement is prohibited or invalid, the Escrow Agent shall not release the Escrow Funds unless and until receipt of joint written instructions on behalf of WMI, JPMC and the FDIC Receiver, or as required by a final and nonappealable order of the Bankruptcy Court.

XV. No Strict Construction.

This Refund Escrow Agreement and all other agreements and documents executed and/or delivered in connection herewith have been prepared through the joint efforts of all of the parties hereto or thereto. Neither the provisions of this Refund Escrow Agreement or any such other agreements and documents nor any alleged ambiguity therein shall be interpreted or resolved against any party on the ground that such party or such party's counsel drafted this Refund Escrow Agreement or such other agreements and documents, or based on any other rule of strict construction.

XVI. Force Majeure.

The Escrow Agent shall not incur any liability for not performing any act or fulfilling any obligation hereunder by reason of any occurrence beyond its control (including, but not limited to, any provision of any present or future law or regulation or any act of any governmental authority, any act of God or war or terrorism, or the unavailability of the Federal Reserve Bank wire services or any electronic communication facility).

XVII. Exclusive Benefit; Assignment.

Except as specifically set forth in this Refund Escrow Agreement, this Refund Escrow Agreement is for the exclusive benefit of the parties hereto and their respective permitted successors hereunder, and shall not be deemed to give, either expressly or implicitly, any legal or equitable right, remedy, or claim to any other entity or person whatsoever. No party may assign any of its rights or obligations under this Refund Escrow Agreement without the prior written consent of the other parties; provided, that the Escrow Agent may resign upon the terms described herein; and provided, further, that WMI may assign its rights and obligations hereunder to a liquidating trust pursuant to the Plan.

XVIII. JPMC Escrow Account, the FDIC Escrow Account and the Washington Mutual Escrow Account.

WMI, JPMC and the FDIC Receiver agree that the form of escrow agreement that is to be used for each of the JPMC Escrow Account, the FDIC Escrow Account and the Washington Mutual Escrow Account shall be substantially similar to this Refund Escrow Agreement, subject to such revisions as may be mutually agreed between WMI, JPMC and the FDIC Receiver prior to the execution of the escrow agreements for each of the JPMC Escrow Account, the FDIC Escrow Account and the Washington Mutual Escrow Account (including, without limitation, authorizing the payment of the fees and expenses out of such escrow accounts or the Refund Escrow Account in the same manner, and to the same extent, as if such fees and expenses were Pre-2009 Group Taxes determined to be payable under Section 2.4(g) of the Settlement Agreement).

XIX. Use of Name.

No printed or other material in any language, including prospectuses, notices, reports, and promotional material which mentions [“_____”] by name or the rights, powers, or duties of the Escrow Agent under this Refund Escrow Agreement shall be issued by any other parties hereto, or on such party’s behalf, without the prior written consent of the Escrow Agent.

FORMS OF PENSION PLAN AMENDMENTS

WAMU PENSION PLAN

Amendment No. 13

WHEREAS, Washington Mutual, Inc. (the “Company”) sponsors and maintains the WaMu Pension Plan, as amended and restated effective October 1, 1998, and as subsequently amended (the “Plan”); and

WHEREAS, the Company has the right to amend the Plan pursuant to Section 12.1 of the Plan; and

WHEREAS, the Company desires to amend the Plan as set forth below:

NOW, THEREFORE, the Plan is hereby amended, effective as of the dates indicated below, as follows:

1. Effective as of September 25, 2008, the Preamble is amended to add the following paragraph at the end thereof:

Effective as of September 25, 2008, the Plan was amended to permit JPMorgan Chase Bank, N. A. (“JPMC”) to become a contributing employer to the Plan so that employees of the Company and Related Employers who became employees of JPMC in connection with JPMC’s purchase of certain assets, pursuant to the Purchase and Assumption Agreement dated as of September 25, 2008 (the “P&A”), by and among the Federal Deposit Insurance Corporation, as receiver of Washington Mutual Bank, JPMC and the Federal Deposit Insurance Corporation, could continue as participants in the Plan. As of [date], JPMC became the sponsor of the Plan, and is solely authorized to amend and restate the plan as it deems appropriate on and after such date.

2. Effective as of September 25, 2008, the Plan is amended to add the following new Article 17:

ARTICLE 17

MULTIPLE EMPLOYER PROVISIONS

17.1 Multiple Employer Plan.

Effective as of September 25, 2008, JPMC adopted the Plan for the benefit of Contributing Employer Employees and became a Contributing Employer hereunder. The purpose of this Article 17 is to set forth the special provisions that apply to all individuals who were participating in the Plan on September 24, 2008, and who became Contributing Employer Employees on September 25, 2008, so that JPMC may adopt the Plan and become a Contributing Employer in the Plan. The eligibility requirements

set forth in Article 3 and all other benefits, rights and features available to Participants under the Plan shall be construed to apply to Contributing Employer Employees who participate in the Plan.

17.2 Definitions.

- a. “Contributing Employer” means JPMC, who with the consent of the Company, adopted the Plan with effect from September 25, 2008, for the benefit of the Contributing Employer Employees.
- b. “Contributing Employer Employee” means any employee of the Company and Related Employers who became employees of JPMC in connection with the transactions contemplated by the P&A. The term shall also include employees hired by JPMC after the date of the P&A to perform services at former facilities of Washington Mutual Bank. In addition, the term shall include any Leased Employee that Code section 414(n) requires the Contributing Employer to treat as an employee, but only to the extent coverage of such leased employee is necessary to maintain the qualification of the Plan.

17.3 Service.

For purposes of vesting and benefits, a Contributing Employer Employee shall be credited with all service with the Company and Related Employers as recognized under the Plan as of September 25, 2008, and service with the Contributing Employer on and after September 25, 2008.

17.4 Testing.

The limitation on benefits described in Code section 415 shall be applied with respect to the Plan as a whole, without regard to a Participant’s employment by the Employer or the Contributing Employer. The tests and requirements listed below apply separately for the Employer and the Contributing Employer:

- (i) Nondiscrimination testing as described in Code section 401(a)(4) and the applicable regulations;
- (ii) Coverage testing as described in Code section 410(b) and the applicable regulations;
- (iii) Top heavy testing as described in Code section 416 and the applicable regulations; and
- (iv) The minimum funding requirement and the deduction limitation described in Code sections 412 and 404 and the applicable regulations.

17.5 Accounts and Distributions.

The Account of a Contributing Employer Employee shall include any amounts credited to the Account on behalf of such individual by the Contributing Employer and the Employer, if any. For purposes of Articles 6 and 7, a Participant shall not be entitled to a distribution of his or her Vested Accrued Benefits unless such individual has a severance from employment and is not rehired by the Contributing Employer or Employer.

This Amendment No. 13 is adopted and executed this ____ day of _____, 2010.
