¹ NTD: The Disclosure Statement provides that additional trustees may be appointed by the Trust Advisory Board in accordance with applicable law. This draft contemplates that a Delaware resident will also be appointed trustee in connection with the applicable provisions of the Delaware Business Trust Act, 12 Del. C. § 3801 et seq. See also Section 1.4 hereof.

to the Plan, in each case subject to the provisions of Sections 6.3 and 6.4 of this Trust Agreement regarding limitation on the Liquidating Trustee and the oversight and consent rights of the Trust Advisory Board (as defined herein) as provided for herein.

H. The Liquidating Trust is organized for the sole purpose of liquidating and distributing the Liquidating Trust Assets, with no objective to conduct a trade or business except to the extent reasonably necessary to, and consistent with, the liquidating purpose of the Liquidating Trust.

I. The Liquidating Trust is intended to qualify as a “liquidating trust” under the Internal Revenue Code of 1986, as amended (the “IRC”) and the regulations promulgated thereunder (the “Treasury Regulations”), specifically Treasury Regulations section 301.7701-4(d) and, as such, as a “grantor trust” for United States federal income tax purposes with the Liquidating Trust Beneficiaries treated as the grantors and owners of the Liquidating Trust.

Agreement

NOW, THEREFORE, in consideration of the promises and the mutual covenants contained herein, the Debtors and the Liquidating Trustee agree as follows:

ARTICLE I **DECLARATION OF TRUST**

1.1 Creation of Trust. The Debtors and the Liquidating Trustee, pursuant to the Plan and the Confirmation Order and in accordance with the applicable provisions of chapter 11 of the Bankruptcy Code, hereby constitute and create the Liquidating Trust, which shall bear the name “WMI Liquidating Trust.” In connection with the exercise of the Liquidating Trustee’s power hereunder, the Liquidating Trustee may use this name or such variation thereof as the Liquidating Trustee sees fit.

1.2 Purpose of Liquidating Trust. The sole purpose of the Liquidating Trust is to implement the Plan on behalf, and for the benefit, of the Liquidating Trust Beneficiaries, and to serve as a mechanism for liquidating, converting to Cash and distributing the Liquidating Trust Assets in accordance with Treasury Regulations section 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to, and consistent with, the liquidating purpose of the Liquidating Trust.

1.3 Transfer of Liquidating Trust Assets. On the Effective Date, the Debtors shall transfer, for the sole benefit of the Liquidating Trust Beneficiaries, pursuant to Bankruptcy Code sections 1123(a)(5)(B) and 1123(b)(3)(B) and in accordance with the Plan and the Confirmation Order, the Liquidating Trust Assets to the Liquidating Trust, free and clear of any and all liens, claims, encumbrances and interests (legal, beneficial or otherwise) of all other entities to the maximum extent contemplated by and permissible under Bankruptcy Code section 1141(c); provided, that the Liquidating Trust Assets may be transferred subject to certain liabilities, as provided in the Plan, Confirmation Order or otherwise herein. Such transfers shall be exempt from any stamp, real estate transfer, mortgage reporting, sales, use or other similar Tax, pursuant to section 1146(a) of the Bankruptcy Code. Upon delivery of all Liquidating Trust Assets to the

Liquidating Trust, the Debtors, the Reorganized Debtors, and the Liquidating Trust, and their predecessors, successors and assigns, and each other Entity released pursuant to Section 43.6 of the Plan shall be discharged and released from all liability with respect to the delivery of such distributions, and exculpated as provided in Section 43.8 of the Plan. In connection with the receipt of the Liquidating Trust Assets, the Liquidating Trust shall acquire and assume all of WMI's rights and obligations pursuant to Section 2.4 of the Global Settlement Agreement, and WMI shall have no further liability or obligations thereunder. The Liquidating Trust Assets and all other property held from time to time by the Liquidating Trust under this Trust Agreement and any earnings, including without limitation, interest, on any of the foregoing are to be applied by the Liquidating Trustee in accordance with the terms hereof, the Plan and the Confirmation Order for the benefit of the Liquidating Trust Beneficiaries, and for no other party, subject to the further covenants, conditions and terms hereinafter set forth.

1.4 Appointment and Acceptance of Liquidating Trustee. The Debtors hereby designate (i) William C. Kosturos, and (ii) [] in connection with the applicable provisions of the Delaware Business Trust Act, 12 Del. C. § 3801 et seq., as the same may from time to time be amended, or any successor statute (the "Trust Act") to serve as the initial Liquidating Trustee under the Plan. The Liquidating Trustee shall be deemed to be appointed pursuant to Bankruptcy Code section 1123(b)(3)(B). The Liquidating Trustee accepts the Liquidating Trust created by this Trust Agreement and the grant, assignment, transfer, conveyance and delivery to the Liquidating Trustee, on behalf, and for the benefit, of the Liquidating Trust Beneficiaries, by the Debtors of all of their respective right, title and interest in the Liquidating Trust Assets, upon and subject to the terms and conditions set forth herein, in the Plan and in the Confirmation Order. The Liquidating Trustee's powers are exercisable solely in a fiduciary capacity consistent with, and in furtherance of, the purpose of the Liquidating Trust and not otherwise. The Liquidating Trustee shall have the authority to bind the Liquidating Trust within the limitations set forth herein, but shall for all purposes hereunder be acting in the capacity as Liquidating Trustee, and not individually.

1.5 Liquidation of Liquidating Trust Assets. The Liquidating Trustee shall, in an expeditious but commercially reasonable manner and subject to the provisions of the Plan and the other provisions of this Trust Agreement, liquidate and convert to Cash the Liquidating Trust Assets, make timely distributions in accordance with the terms hereof and the Plan and not unduly prolong the existence of the Liquidating Trust. The Liquidating Trustee shall exercise reasonable business judgment and liquidate the Liquidating Trust Assets to maximize net recoveries; provided, however, that the Liquidating Trustee shall be entitled to take into consideration the risks, timing, and costs of potential actions in making determinations as to the maximization of recoveries and the determinations and actions of the Liquidating Trustee shall in all cases be subject to the limitations provided elsewhere herein. Such liquidations may be accomplished through the prosecution, compromise and settlement, abandonment or dismissal of any or all claims, rights or causes of action or otherwise or through the sale or other disposition of the Liquidating Trust Assets (in whole or in combination, and including the sale of any claims, rights or causes of action). The Liquidating Trustee may incur any reasonable and necessary expenses in connection with the liquidation and conversion of the Liquidating Trust Assets into Cash or in connection with the administration of the Liquidating Trust.

1.6 No Reversion to Debtors. In no event shall any part of the Liquidating Trust Assets revert to or be distributed to any Debtor or Reorganized Debtor. To the extent that any property or assets remain in the Liquidating Trust after the Liquidating Trust Beneficiaries have received the maximum amount of proceeds to which they are entitled under this Trust Agreement, the Liquidating Trustee may request an order from the Bankruptcy Court authorizing that such residue be contributed to a charitable organization (a “Charitable Organization”) described in section 501(c)(3) of the IRC and exempt from United States federal income tax under section 501(a) of the IRC that is unrelated to the Debtors, the Liquidating Trust, the Liquidating Trustee and any insider of the Liquidating Trust and that is not a “private foundation” as defined in section 509(a) of the IRC, or authorizing such other disposition as recommended by the Liquidating Trustee and approved by the Bankruptcy Court.

1.7 Incidents of Ownership. Except as provided in Section 1.6 hereof, the Liquidating Trust Beneficiaries shall be the sole beneficiaries of the Liquidating Trust and the Liquidating Trust Assets, and the Liquidating Trustee shall retain only such incidents of ownership as are necessary to undertake the actions and transactions authorized herein, in the Plan and in the Confirmation Order, including, but not limited to, those powers set forth in Section 6.2 hereof.

1.8 Privileges and Obligation to Respond to Ongoing Investigations. All Privileges shall be transferred, assigned, and delivered to the Liquidating Trust, without waiver, and shall vest in the Liquidating Trustee and Trust Advisory Board (and any other individual the Liquidating Trustee, with the consent of the Trust Advisory Board, may designate, as well as any other individual designated in this Trust Agreement). Pursuant to Federal Rule of Evidence 502(d) (to the extent Rule 502(d) is relevant notwithstanding the fact that the Debtors, the Liquidating Trustee, the FDIC Receiver and JPMC are joint holders of certain attorney-client privileges, work product protections, or other immunities or protections from disclosure), no Privileges shall be waived by disclosure to the Liquidating Trustee of the Debtors’ information subject to attorney-client privileges, work product protections, or other immunities or protections from disclosure, or by disclosure among the Debtors, the Liquidating Trustee, the FDIC Receiver, and/or JPMC of information that is subject to attorney-client privileges, work product protections, or other immunities or protections from disclosure jointly held by the Debtors, the FDIC Receiver, the Liquidating Trustee and/or JPMC. The Liquidating Trustee shall be obligated to respond, on behalf of the Debtors, to all Information Demands, including, without limitation and by way of example, any Information Demands made in connection with (a) the investigation by the United States Attorney for the Western District of Washington, (b) the action entitled “Washington Mutual, Inc. Securities, Derivative and ERISA Litigation,” Case No. 2:08-md-1919, and (c) other proceedings described more specifically in the Disclosure Statement. The FDIC Receiver and JPMC shall take reasonable steps to cooperate with the Liquidating Trustee in responding to Information Demands, and such cooperation shall include, for example, taking all steps necessary to maintain and avoid waiver of any and all Privileges (including, without limitation, any Privileges that are shared jointly among or between any of the parties). The Liquidating Trustee, with the consent of the Trust Advisory Board, may waive Privileges that are held solely by the Debtors and/or the Liquidating Trust, but not jointly held with the FDIC Receiver and/or JPMC, in the event and to the extent the Liquidating Trustee, with the consent of the Trust Advisory Board, determines in good faith that doing so is in the

best interests of the Liquidating Trust and its beneficiaries. The Liquidating Trustee, the FDIC Receiver and JPMC may disclose information that is subject to attorney-client privileges, work product protections, or other immunities or protections from disclosure that are jointly held with the FDIC Receiver and/or JPMC only (i) upon written permission from the Liquidating Trustee, the FDIC Receiver and JPMC, as the case may be; (ii) pursuant to an order of a court of competent jurisdiction, subject to the procedure described in the next sentence insofar as it applies; or (iii) as otherwise required by law, subject to the procedure described in the next sentence insofar as it applies. If the Liquidating Trustee, the FDIC Receiver or JPMC receives a request from a third party to disclose information that is subject to attorney-client privileges, work product protections, or other immunities or protections from disclosure that are jointly held with the Liquidating Trustee, the FDIC Receiver and/or JPMC, the party or parties who receives such request will (w) pursue all reasonable steps to maintain the applicable privileges or protections from disclosure, including, if necessary, to maintain the privileges or protections from disclosure by seeking a protective order against and/or otherwise objecting to the production of such material, (x) notify the Liquidating Trustee, FDIC Receiver and/or JPMC, as the case may be, (y) allow the Liquidating Trustee, the FDIC Receiver and/or JPMC, as the case may be, reasonable time under the circumstances to seek a protective order against and/or otherwise object to the production of such material, and (z) unless required by law, not disclose the materials in question unless and until any objection raised by the Liquidating Trustee, the FDIC Receiver and/or JPMC is resolved in favor of disclosure.

ARTICLE II

LIQUIDATING TRUST BENEFICIARIES

2.1 Conflicting Claims. If any conflicting claims or demands are made or asserted with respect to a Liquidating Trust Interest, the Liquidating Trustee shall be entitled, at its sole election, to refuse to comply with any such conflicting claims or demands. In so refusing, the Liquidating Trustee, at his sole election, may elect to make no payment or distribution with respect to the Liquidating Trust Interest subject to the claims or demands involved, or any part thereof, and the Liquidating Trustee shall refer such conflicting claims or demands to the Bankruptcy Court, which shall have exclusive jurisdiction over resolution of such conflicting claims or demands. In so doing, the Liquidating Trustee shall not be or become liable to any party for its refusal to comply with any of such conflicting claims or demands. The Liquidating Trustee shall be entitled to refuse to act until either (i) the rights of the adverse claimants have been adjudicated by a Final Order of the Bankruptcy Court (or such other court of proper jurisdiction) or (ii) all differences have been resolved by a written agreement among all of such parties and the Liquidating Trustee, which agreement shall include a complete release of the Liquidating Trust and the Liquidating Trustee (the occurrence of either (i) or (ii) in this Section 2.1 being referred to as a “Dispute Resolution”). Promptly after a Dispute Resolution is reached, the Liquidating Trustee shall transfer the payments and distributions, if any, together with any interest thereon to be paid in accordance with Section 4.5 hereof, in accordance with the terms of such Dispute Resolution. Any payment of any interest or income should be net of any expenses attributable thereto (including any taxes).

2.2 Rights of Liquidating Trust Beneficiaries. Each Liquidating Trust Beneficiary shall be entitled to participate in the rights and benefits due to a Liquidating Trust Beneficiary hereunder according to the terms of its Liquidating Trust Interest. The interest of a Liquidating Trust Beneficiary is hereby declared and shall be in all respects personal property. Except as expressly provided hereunder, a Liquidating Trust Beneficiary shall have no title to, right to, possession of, management of or control of the Liquidating Trust or the Liquidating Trust Assets or to any right to call for a partition or division of such assets or to require an accounting. No surviving spouse, heir or devisee of any deceased Liquidating Trust Beneficiary shall have any right of dower, homestead or inheritance, or of partition, or any other right, statutory or otherwise, in the Liquidating Trust Assets, but the whole title to the Liquidating Trust Assets shall be vested in the Liquidating Trustee and the sole interest of the Liquidating Trust Beneficiaries shall be the rights and benefits given to such person under this Trust Agreement and the Plan.

2.3 Evidence of Liquidating Trust Interest. Ownership of a Liquidating Trust Interest in the Liquidating Trust will be evidenced by book-entry on the books and records of the Liquidating Trust or, if so determined by the Liquidating Trustee with the consent of the Trust Advisory Board, by certificate. The Liquidating Trustee shall, upon the written request of a holder of a Liquidating Trust Interest, provide reasonably adequate documentary evidence of such holder's Liquidating Trust Interest, as indicated in the books and records of the Liquidating Trust. The expense of providing such documentation shall be borne by the requesting holder.

2.4 Transfers of Liquidating Trust Interests.

(a) General. The Liquidating Trust Interests shall be transferable (either by book-entry or by certificate, as provided in Section 2.3 above); provided, however, that if so certificated, the form of certificate, if applicable, shall carry a legend, in substance and form determined by the Liquidating Trustee, with consent of the Trust Advisory Board, setting forth that the interest in such certificate and the holder thereof as to such interest are governed by the terms and provisions of the Plan and this Trust Agreement.

(b) Registration. Notwithstanding the foregoing, on or after February 14, 2011, if the Liquidating Trustee, with consent of the Trust Advisory Board and upon advice of counsel, determines that a class of Liquidating Trust Interests may be subject to registration pursuant to section 12 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), the Liquidating Trustee shall pursue relief from such registration by obtaining either an exemptive order, a no-action letter or an interpretive letter from the Securities and Exchange Commission or its staff or, absent its ability to achieve that objective or in lieu thereof, shall register such class pursuant to section 12 of such statute (it being understood and agreed that the Liquidating Trustee with the consent of the Trust Advisory Board shall be authorized, among other things, to register such class and to seek relief from one or more of the requirements then applicable subsequent to such registration and to de-register such class).

(c) Limitations on Transfer. Notwithstanding any other provision to the contrary, (1) the Liquidating Trustee may disregard any transfer of Liquidating Trust Interests if sufficient necessary information (as reasonably determined by the Liquidating Trustee), including applicable Tax-related information, is not provided by such transferee to the

Liquidating Trustee and (2) transfers to non-United States Entities shall not be permitted unless either (A) a ruling has been obtained from the IRS or an opinion from the Liquidating Trustee's counsel (to the good faith satisfaction of the Liquidating Trustee) that stated interest income and any other income from tax refunds expected to be received or recognized by the Liquidating Trust are of a type and character that is eligible for exemption from United States withholding, or (B) the requirement in the preceding clause has been waived by the Liquidating Trustee with the consent of the Trust Advisory Board.

2.5 Limited Liability. No provision of this Trust Agreement, the Plan or the Confirmation Order, and no mere enumeration herein of the rights or privileges of any Liquidating Trust Beneficiary, shall give rise to any liability of such Liquidating Trust Beneficiary solely in its capacity as such, whether such liability is asserted by any Debtor, by creditors, employees, or equity interest holders of any Debtor, or by any other Person. Liquidating Trust Beneficiaries are deemed to receive the Liquidating Trust Assets in accordance with the provisions of this Trust Agreement, the Plan and the Confirmation Order in exchange for their Allowed Claims or Equity Interests, as applicable, without further obligation or liability of any kind, but subject to the provisions of this Trust Agreement.

ARTICLE III

DURATION AND TERMINATION OF LIQUIDATING TRUST

3.1 Duration. The Liquidating Trust shall become effective upon the Effective Date of the Plan and shall remain and continue in full force and effect until dissolved as provided for in Section 28.14(d) of the Plan.

3.2 Dissolution of the Liquidating Trust. The Liquidating Trustee and the Liquidating Trust shall be discharged or dissolved, as the case may be, at such time as (i) all of the Liquidating Trust Assets have been distributed pursuant to the Plan and this Trust Agreement, (ii) the Liquidating Trustee determines, with the consent of the Trust Advisory Board, that the administration of any remaining Liquidating Trust Assets is not likely to yield sufficient additional Liquidating Trust proceeds to justify further pursuit, or (iii) all distributions required to be made by the Liquidating Trustee under the Plan and this Trust Agreement have been made; provided, however, that in no event shall the Liquidating Trust be dissolved later than three (3) years from the Effective Date unless the Bankruptcy Court, upon motion within the six-month period prior to the third (3rd) anniversary (or within the six-month period prior to the end of an extension period), determines that a fixed period extension (not to exceed three (3) years, together with any prior extensions, without a favorable private letter ruling from the IRS or an opinion of counsel satisfactory to the Liquidating Trustee and the Trust Advisory Board that any further extension would not adversely affect the status of the trust as a liquidating trust for United States federal income tax purposes) is necessary to facilitate or complete the recovery and liquidation of the Liquidating Trust Assets. If at any time the Liquidating Trustee determines, in reliance upon such Trust Professionals as the Liquidating Trustee may retain, that the expense of administering the Liquidating Trust so as to make a final distribution to the Liquidation Trust Beneficiaries is likely to exceed the value of the assets remaining in the Liquidating Trust, the Liquidating Trustee may apply to the Bankruptcy Court for authority to (i) reserve any amount necessary to dissolve the Liquidating Trust, (ii) donate any balance to a charitable organization (A) described in section 501(c)(3) of the IRC, (B) exempt from United States federal income tax

under section 501(a) of the IRC, (C) not a “private foundation”, as defined in section 509(a) of the IRC, and (D) that is unrelated to the Debtors, the Liquidating Trust, and any insider of the Liquidating Trustee, and (iii) dissolve the Liquidating Trust.

3.3 Continuance of Liquidating Trust for Winding Up. After the dissolution of the Liquidating Trust and solely for the purpose of liquidating and winding up the affairs of the Liquidating Trust, the Liquidating Trustee shall continue to act as such until its duties have been fully performed. Upon distribution of all the Liquidating Trust Assets, the Liquidating Trustee shall retain the books, records and files that shall have been delivered to or created by the Liquidating Trustee. At the Liquidating Trustee’s discretion, all of such records and documents may be destroyed at any time following the date that is six (6) years after the final distribution of the Liquidating Trust Assets, subject to any joint prosecution and common interests agreement(s) to which the Liquidating Trustee may be party.

ARTICLE IV

ADMINISTRATION OF LIQUIDATING TRUST

4.1 Payment of Claims, Expenses and Liabilities. Subject to the Budget (as defined below) from time to time approved by the Trust Advisory Board in accordance with Section 4.14(a) hereof, the Liquidating Trustee shall use Cash of the Liquidating Trust: (i) to pay reasonable costs and expenses of the Liquidating Trust that are incurred (including, but not limited to, any Taxes imposed on the Liquidating Trust or actual reasonable out-of-pocket fees and expenses incurred by Trust Professionals in connection with the administration and liquidation of the Liquidating Trust Assets and preservation of books and records as provided in Section 6.7 hereof); (ii) to satisfy other obligations or other liabilities incurred or assumed by the Liquidating Trust (or to which the Liquidating Trust Assets are otherwise subject) in accordance with the Plan, the Confirmation Order, or this Trust Agreement, including fees and costs incurred in connection with the protection, preservation, liquidation and distribution of the Liquidating Trust Assets and the costs of investigating, prosecuting, resolving and/or settling any Claims; and (iii) to satisfy any other obligations of the Liquidating Trust expressly set forth in the Plan.

4.2 BB Liquidating Trust Interests. On the Effective Date, the Liquidating Trustee shall immediately distribute the funds on account of the BB Liquidating Trust Interests, subject to consensual release by the parties pursuant to Section 2.4 of the Global Settlement Agreement of such funds from the tax escrow account.

4.3 Distributions.

(a) Generally. Subject to Section 4.3(b), the Liquidating Trustee is required to distribute to the Liquidating Trust Beneficiaries on account of their Liquidating Trust Interests, on each Distribution Date (as defined below) all unrestricted Cash then on hand (including any Cash received from the Debtors on the Effective Date, and treating any permissible investment as Cash for purposes of this Section 4.3), except such amounts (i) as are allocable to or retained on account of Disputed Claims in accordance with Section 27.3 of the Plan, (ii) as are reasonably necessary to meet contingent liabilities and to maintain the value of the Liquidating Trust Assets during liquidation, (iii) as are necessary to pay reasonable incurred or anticipated expenses (including, but not limited to, any Taxes imposed on or payable by the

Debtors or the Liquidating Trust or in respect of the Liquidating Trust Assets), or (iv) as are necessary to satisfy other liabilities incurred or anticipated by the Liquidating Trust in accordance with the Plan, the Global Settlement Agreement, or this Trust Agreement; provided, that the amounts listed in clauses (ii), (iii) and (iv) shall be subject to the consent of the Trust Advisory Board unless reflected in the Budget, provided, further, that the Liquidating Trustee shall not be required to make a distribution pursuant to this Section 4.3 prior to January 1, 2011; provided, further, the Liquidating Trustee shall not be required to make a distribution pursuant to this Section 4.3 if the aggregate, net amount of unrestricted Cash available for distribution (taking into account the above listed exclusions) is such as would make the distribution impracticable as reasonably determined by the Liquidating Trustee, with the consent of the Trust Advisor Board, in accordance with applicable law, but only so long as such aggregate amount is less than Twenty-Five Million Dollars (\$25,000,000.00); and provided, further, that the Liquidating Trustee, with consent of the Trust Advisory Board, may decide to forego the first quarterly distribution to those Liquidating Trust Beneficiaries with respect to which the Liquidating Trustee, in its reasonable judgment, is not administratively prepared to make such distribution, in which case, such distribution shall be made to such holders as soon as practicable after the Liquidating Trustee is administratively prepared to do so. "Distribution Date" means the 1st day of the second month in each fiscal quarter during the term of the Liquidating Trust or such other dates that the Liquidating Trustee determines, in consultation with the Trust Advisory Board, are appropriate from time to time; provided, however, that there shall be at least one such date in each fiscal quarter during the term of the Liquidating Trust.

(b) Payment of Distributions. Each Liquidating Trust Beneficiary's share of the Liquidating Trust Interests as determined pursuant to the Plan shall be allocated, and the Liquidating Trust Assets shall be distributed, in accordance with Article XXXII of the Plan.

(c) De Minimis Distributions. No Cash payment shall be made to any holder of a Liquidating Trust Interest until such time, if ever, as the amount payable thereto, in any distribution from the Liquidating Trust, is equal to or greater than ten dollars (\$10.00). Any holder of a Liquidating Trust Interest on account of which the amount of Cash to be distributed pursuant to any distribution from the Liquidating Trust is less than ten dollars (\$10.00) shall be deemed to have no claim for such distribution against the Debtors, the Reorganized Debtors, the Liquidating Trust or the Liquidating Trust Assets. Subject to Section 4.5 hereof, any Cash not distributed pursuant to this Section 4.3 shall be the property of the Liquidating Trust free of any restrictions thereon, and shall be available for distribution to the other Liquidating Trust Beneficiaries, in accordance with the Plan and this Trust Agreement.

4.4 Undeliverable Property.

(a) Holding of Undeliverable Distributions: If any distribution to any holder of a Liquidating Trust Interest is returned to the Liquidating Trustee as undeliverable, no further distribution shall be made to such holder unless and until the Liquidating Trustee is notified, in writing, of such holder's then-current address. For purposes of this Trust Agreement, undeliverable distributions shall include checks sent to a holder in respect of distributions to such holder, which checks have not been cashed within 90 days following the date of issuance of such checks. Undeliverable distributions shall remain in the possession of the Liquidating Trustee until such time as a distribution becomes deliverable or as set forth in Section 4.4(b) below. All

Entities ultimately receiving an undeliverable distribution shall not be entitled to any interest or other accruals of any kind on account of the delay in payment resulting from the undeliverable status of such distribution. Nothing contained in the Plan shall require the Liquidating Trustee to attempt to locate any holder of a Liquidating Trust Interest.

(b) Failure to Claim Undeliverable Distributions: On or about the first anniversary of the Effective Date, the Liquidating Trustee shall file a list with the Bankruptcy Court setting forth the names of those Entities for which notices, have been sent, or distributions have been made, hereunder that have been returned as undeliverable as of the date thereof. Any holder of a Liquidating Trust Interest on such list that does not assert its rights pursuant to the Plan and herein to receive a distribution within two (2) years from and after the Effective Date shall have its entitlement to such undeliverable distribution discharged and shall be forever barred from asserting any entitlement pursuant to the Plan against the Debtors, the Reorganized Debtors, the Liquidating Trust, or their respective property. In such case, any consideration held for distribution on account of such Liquidating Trust Interest shall revert to the Liquidating Trustee for redistribution to other holders of Liquidating Trust Interest in accordance with the terms and provisions of this Trust Agreement, the Plan and the Confirmation Order.

4.5 Interest on Liquidating Trust Interests. As set forth in the Plan, interest shall not accrue and be paid on the Liquidating Trust Interests themselves, but only with respect to and to the extent provided for in the applicable contract that is the subject of an Allowed Claim or under applicable law with respect to an Allowed Claim (“Interest”). Interest may, as an incremental adjustment on the maximum amount the Liquidating Trust distributes in respect of a Liquidating Trust Interest, accrue up to and including the date of final payment in full of the Allowed Claim related to the Liquidating Trust Interest at the contract rate set forth in the agreement related to the Allowed Claim or, if no such rate exists and applicable law provides, at the federal judgment rate, provided that Interest shall only accrue on the then outstanding unpaid portion of the Allowed Claim, including any Post Petition Interest Claim thereon, that is the subject of an Allowed Claim.

4.6 Setoffs. The Liquidating Trustee may, pursuant to applicable bankruptcy or non-bankruptcy law, set off against any Liquidating Trust Interest and the distributions to be made pursuant to the Plan on account thereof (before any distribution is made on account of such Liquidating Trust Interest by the Liquidating Trustee), the claims, rights, and causes of action of any nature that one or more of the Debtors, Debtors in Possession, or the Reorganized Debtors may hold against the holder of such Allowed Claim; provided, however, that neither the failure to effect such a setoff nor the allowance of any Claim hereunder shall constitute a waiver or release by the Debtors, Debtors in Possession, the Liquidating Trustee or the Reorganized Debtors of any such claims, rights, and causes of action that the Debtors, Debtors in Possession, or the Reorganized Debtors may possess against such holder; and, provided, further, that nothing contained herein is intended to limit the ability of any creditor to effectuate rights of setoff or recoupment preserved or permitted by the provisions of sections 553, 555, 559, or 560 of the Bankruptcy Code or pursuant to the common law right of recoupment.

4.7 Distributions After the Effective Date. Distributions made after the Effective Date to holders of Liquidating Trust Interests on account of Claims that are not Allowed Claims

as of the Effective Date, but which later become Allowed Claims, shall be deemed to have been made in accordance with the terms and provisions of Article XXXII of the Plan.

4.8 Compliance with Laws. Any and all distributions of Liquidating Trust Assets shall be in compliance with applicable laws, including but not limited to, applicable federal and state tax and securities laws.

4.9 Fiscal Year. Except for the first and last years of the Liquidating Trust, the fiscal year of the Liquidating Trust shall be the calendar year. For the first and last years of the Liquidating Trust, the fiscal year of the Liquidating Trust shall be such portion of the calendar year that the Liquidating Trust is in existence.

4.10 Books and Records. The Liquidating Trustee shall retain and preserve the Debtors' books, records and files that shall have been delivered to or created by the Liquidating Trustee. The Liquidating Trustee shall maintain, in respect of the Liquidating Trust and the Liquidating Trust Beneficiaries and all others to receive distributions under this Trust Agreement, books and records relating to the assets and the income of the Liquidating Trust and the payment of expenses of, liabilities of, and claims against or assumed by, the Liquidating Trust and the Liquidating Trustee, in such detail and for such period of time as may be necessary to enable it to make full and proper reports in respect thereof in accordance with the provisions of this Trust Agreement and applicable provisions of law, including Tax law. Except as otherwise provided herein or in the Plan, nothing in this Trust Agreement requires the Liquidating Trustee to file any accounting or seek approval of any court with respect to the administration of the Liquidating Trust, or as a condition for making any payment or distribution out of the Liquidating Trust Assets. The Liquidating Trustee shall provide any member of the Trust Advisory Board with access to such books and records during normal business hours as may be reasonably requested with five (5) days advance notice. Liquidating Trust Beneficiaries shall have the right upon 30 days' prior written notice delivered to the Liquidating Trustee to inspect such books and records; provided, that, if so requested, all costs associated with such inspection shall be paid in advance by such requesting Liquidating Trust Beneficiary and such Liquidating Trust Beneficiary shall have entered into a confidentiality agreement reasonably satisfactory in form and substance to the Liquidating Trustee.

4.11 Cash Payments. All distributions required to be made by the Liquidating Trustee to the Liquidating Trust Beneficiaries shall be made in Cash denominated in United States dollars by checks drawn on a domestic bank selected by the Liquidating Trustee or, at the option of the Liquidating Trustee, by wire transfer from a domestic bank selected by the Liquidating Trustee or as otherwise required or provided in applicable agreements; provided, however, that Cash payments to foreign holders of Liquidating Trust Interests may be made, at the option of the Liquidating Trustee, in such funds as and by such means as are necessary or customary in a particular foreign jurisdiction.

4.12 Insurance. The Liquidating Trust shall maintain customary insurance coverage for the protection of the Liquidating Trustee, the members of the Trust Advisory Board employees and any such other persons serving as administrators and overseers of the Liquidating Trust on and after the Effective Date. The Liquidating Trustee also may obtain insurance

coverage it deems necessary and appropriate with respect to real and personal property which may become Liquidating Trust Assets, if any.

4.13 Disputes. To the extent a dispute arises between the Liquidating Trustee and the Trust Advisory Board concerning the performance of any of the powers, duties, and/or obligations herein, either the Liquidating Trustee or the Trust Advisory Board may file a motion and/or other pleadings with the Bankruptcy Court and obtain advice and guidance or such other relief as may be appropriate concerning a resolution of the matter(s) in dispute between the parties. In the event of a dispute, the Trust Advisory Board shall have the right to engage legal counsel to advise it with respect to the matter(s) in dispute and the reasonable fees and expenses of such legal counsel shall be reimbursed by the Liquidating Trustee from Cash in the Liquidating Trust, subject to Section 7.6 hereof.

4.14 Reports

(a) The Liquidating Trustee shall deliver reports (the “Reports”) to members of the Trust Advisory Board not later than 15 days following the end of each fiscal quarter. Such reports shall specify in reasonable detail (i) the status of any Causes of Action, Claims and litigation involving the Liquidating Trust or the Liquidating Trust Assets, including, without limitation, Avoidance Actions, including any settlements entered into by the Liquidating Trust, (ii) the costs and expenses of the Liquidating Trust that are incurred (including, but not limited to, any Taxes imposed on the Liquidating Trust or actual reasonable out-of-pocket fees and expenses incurred by Trust Professionals in connection with the administration and liquidation of the Liquidating Trust Assets and preservation of books and records as provided in Section 6.7 hereof) during the preceding fiscal quarter, (iii) the amounts listed in clause (ii) incurred since the Effective Date, (iv) the amount of Cash and other assets received by the Liquidating Trust during the prior fiscal quarter, (v) the Liquidating Trustee’s estimate as of the end of the most recent fiscal quarter of the uncollected Tax Refunds and all other Liquidating Trust Assets, (vi) the aggregate amount of Cash and other assets received by the Liquidating Trust since the Effective Date, (vii) the calculation of the estimated amount of the Cash and other assets to be distributed on the next Distribution Date, including any Cash on hand that is not to be distributed pursuant to Section 4.3(a) above, (viii) the aggregate amount of distributions from the Liquidation Trust to the Liquidation Trust Beneficiaries since the Effective Date, and (ix) such other information as the Trust Advisory Board may reasonably request from time to time. The Liquidating Trustee shall also timely prepare, file and distribute such additional statements, reports and submissions (A) as may be necessary to cause the Liquidating Trust and the Liquidating Trustee to be in compliance with applicable law or (B) as may be otherwise reasonably requested from time to time by the Trust Advisory Board.

(b) The Liquidating Trustee shall prepare and submit to the Trust Advisory Board for approval an annual plan and budget at least 30 days prior to the commencement of each fiscal year of the Trust; provided, however, that the first such report shall be submitted no later than 45 days after the Effective Date of the Plan. Such annual plan and budget shall set forth in reasonable detail: (i) the Liquidating Trustee’s anticipated actions to administer and liquidate the Liquidating Trust Assets; and (ii) the anticipated expenses, including the expenses of Trust Professionals, associated with conducting the affairs of the Liquidating Trust. Such annual plan and budget shall be updated and submitted to the Trust Advisory Board for review

and approval on a quarterly basis, and each such quarterly update shall reflect the differences between the anticipated actions described in the annual report and actual operations of the Trust to date. Any such annual plan and budget as approved by the Trust Advisory Board is referred to herein as the “Budget”). All actions by the Liquidating Trustee must be substantially consistent with the then current Budget, provided that the Liquidating Trustee may take action outside the Budget with the prior approval of the Trust Advisory Board.

4.15 The Liquidating Trustee shall make available, by posting on a website, to all Liquidating Trust Beneficiaries the Reports set forth in Section 4.14(a) above in such form and in such detail as appropriate with the consent of the Trust Advisory Board.

ARTICLE V

TAX MATTERS

5.1 Liquidating Trustee’s Tax Power for Debtors.

(a) For all taxable periods ended on or before December 31, 2009, the Liquidating Trustee shall have full and exclusive authority and responsibility in respect of all Taxes of the Debtors (including, without limitation, as the common parent or other agent of any consolidated, combined or unitary Tax group of which the Debtors were the agent), to the same extent as if the Liquidating Trustee were the Debtors. Without limiting the foregoing, each of the Debtors shall execute, on or prior to the Effective Date, a power of attorney authorizing the Liquidating Trustee to correspond with any authority on behalf of such Debtor and to sign, collect, negotiate, settle, and administer Tax payments and Tax returns.

(b) In furtherance of the transfer of the Liquidating Trust Assets to the Liquidating Trust on the Effective Date, the Liquidating Trust shall be entitled to all Tax Refunds of the Debtors (and the Liquidating Trust shall bear responsibility for (i) all Tax liabilities of the Debtors for taxable years ended on or before December 31, 2009, to the extent not discharged by the Plan or provided for payment in the Plan or the Global Settlement Agreement and (ii) WMI’s obligations pursuant to Section 2.4 of the Global Settlement Agreement), it being understood that the Liquidating Trustee only shall have whatever rights the Debtors have pursuant to the terms of the Global Settlement Agreement, and the Liquidating Trustee shall be contractually bound to all restrictions in the Global Settlement Agreement with respect to Tax filings.

(c) Following the Effective Date, the Liquidating Trustee shall prepare and file (or cause to be prepared and filed), on behalf of the Debtors, all Tax Returns required to be filed or that the Liquidating Trustee otherwise deems appropriate, including the filing of amended Tax Returns or requests for refunds for all taxable periods ended on or before December 31, 2009.

5.2 Liquidating Trust Assets Treated as Owned by Creditors. For all United States federal income tax purposes, all parties (including, without limitation, the Debtors, the Reorganized Debtors, the Liquidating Trustee, and the Liquidating Trust Beneficiaries) shall

treat the transfer of the Liquidating Trust Assets to the Liquidating Trust as (1) a transfer of the Liquidating Trust Assets (subject to any obligations relating to those assets) directly to the Liquidating Trust Beneficiaries and, to the extent Liquidating Trust Assets are allocable to Disputed Claims, to the Liquidating Trust Claims Reserve, followed by (2) the transfer by such beneficiaries to the Liquidating Trust of the Liquidating Trust Assets (other than the Liquidating Trust Assets allocable to the Liquidating Trust Claims Reserve) in exchange for Liquidating Trust Interests. Accordingly, the Liquidating Trust Beneficiaries shall be treated for United States federal income tax purposes as the grantors and owners of their respective share of the Liquidating Trust Assets (other than such Liquidating Trust Assets as are allocable to the Liquidating Trust Claims Reserve, discussed below). The foregoing treatment shall also apply, to the extent permitted by applicable law, for state and local income tax purposes.

5.3 Tax Reporting.

(a) The Liquidating Trustee shall file Tax Returns for the Liquidating Trust treating the Liquidating Trust as a grantor trust pursuant to Treasury Regulation section 1.671-4(a) and in accordance with this Article V. The Liquidating Trustee also will annually send to each holder of a Liquidating Trust Interest a separate statement regarding the receipts and expenditures of the Liquidating Trust as relevant for United States federal income tax purposes and will instruct all such holders to use such information in preparing their United States federal income tax returns or to forward the appropriate information to such holder's underlying beneficial holders with instructions to utilize such information in preparing their United States federal income tax returns. The Liquidating Trustee shall also file (or cause to be filed) any other statement, return or disclosure relating to the Liquidating Trust that is required by any governmental unit.

(b) On or before the Effective Date, the Debtors shall provide the Liquidating Trustee with a good-faith valuation of the Tax Refunds as of the Effective Date. The Liquidating Trustee, in consultation with the Trust Advisory Board, will then in good faith value all other Liquidating Trust Assets, and shall make all such values (including the Tax Refund values) available from time to time, to the extent relevant, and such values shall be used consistently by all parties to the Liquidating Trust (including, without limitation, the Debtors, the Liquidating Trustee, and Liquidating Trust Beneficiaries) for all United States federal income tax purposes.

(c) Allocations of Liquidating Trust taxable income among the Liquidating Trust Beneficiaries (other than taxable income allocable to the Liquidating Trust Claims Reserve) shall be determined by reference to the manner in which an amount of Cash representing such taxable income would be distributed (were such cash permitted to be distributed at such time) if, immediately prior to such deemed distribution, the Liquidating Trust had distributed all its assets (valued at their tax book value, and other than assets allocable to the Liquidating Trust Claims Reserve) to the holders of the Liquidating Trust Interests, adjusted for prior taxable income and loss and taking into account all prior and concurrent distributions from the Liquidating Trust. Similarly, taxable loss of the Liquidating Trust shall be allocated by reference to the manner in which an economic loss would be borne immediately after a hypothetical liquidating distribution of the remaining Liquidating Trust Assets. The tax book value of the Liquidating Trust Assets for purpose of this Section 5.3(c) shall equal their fair market value on the Effective Date, adjusted in accordance with tax accounting principles

prescribed by the IRC, the applicable Treasury Regulations, and other applicable administrative and judicial authorities and pronouncements.

(d) Subject to definitive guidance from the IRS or a court of competent jurisdiction to the contrary (including the receipt by the Liquidating Trustee of a private letter ruling if the Liquidating Trustee so requests one, or the receipt of an adverse determination by the IRS upon audit if not contested by the Liquidating Trustee), the Liquidating Trustee shall (i) timely elect to treat any Liquidating Trust Claims Reserve as a “disputed ownership fund” governed by Treasury Regulation section 1.468B-9, and (ii) to the extent permitted by applicable law, report consistently with the foregoing for state and local income tax purposes. All parties (including the Liquidating Trustee, the Debtors, and the Liquidating Trust Beneficiaries) shall report for United States federal, state and local income tax purposes consistently with the foregoing.

(e) The Liquidating Trustee shall be responsible for payment, out of the Liquidating Trust Assets, of any Taxes imposed on the Liquidating Trust or its assets, including the Liquidating Trust Claims Reserve. In the event, and to the extent, any Cash retained on account of Disputed Claims in the Liquidating Trust Claims Reserve is insufficient to pay the portion of any such Taxes attributable to the taxable income arising from the assets allocable to, or retained on account of, Disputed Claims, such Taxes shall be (i) reimbursed from any subsequent Cash amounts retained on account of Disputed Claims, or (ii) to the extent such Disputed Claims have subsequently been resolved, deducted from any amounts otherwise distributable by the Liquidating Trustee as a result of the resolution of such Disputed Claims.

(f) The Liquidating Trustee may request an expedited determination of Taxes of the Liquidating Trust, including the Liquidating Trust Claims Reserve, or the Debtors under section 505(b) of the Bankruptcy Code for all Tax Returns filed for, or on behalf of, the Liquidating Trust or the Debtors for all taxable periods through the dissolution of the Liquidating Trust.

5.4 Tax Withholdings by Liquidating Trustee. The Liquidating Trustee may withhold and pay to the appropriate Taxing Authority all amounts required to be withheld pursuant to the IRC or any provision of any foreign, state or local tax law with respect to any payment or distribution to the holders of Liquidating Trust Interests. All such amounts withheld and paid to the appropriate Taxing Authority shall be treated as amounts distributed to such holders of Liquidating Trust Interests for all purposes of this Trust Agreement. The Liquidating Trustee shall be authorized to collect such tax information from the holders of Liquidating Trust Interests (including, without limitation, social security numbers or other tax identification numbers) as in its sole discretion the Liquidating Trustee deems necessary to effectuate the Plan, the Confirmation Order, and this Trust Agreement. In order to receive distributions under the Plan, all holders of Liquidating Trust Interests (including, without limitation, (i) holders of Allowed Senior Notes Claims, Allowed Senior Subordinated Notes Claims, Allowed CCB-1 Guarantees Claims, Allowed CCB-2 Guarantees Claims, Allowed PIERS Claims, Allowed WMB Senior Notes Claims and REIT Series and (ii) Accepting Non-Filing WMB Senior Note Holders) will need to identify themselves to the Liquidating Trustee and provide tax information and the specifics of their holdings, to the extent the Liquidating Trustee deems appropriate. This identification requirement may extend to holders who hold their securities in street name. The

Liquidating Trustee may refuse to make a distribution to any holder of a Liquidating Trust Interest that fails to furnish such information in a timely fashion, until such information is delivered, and may treat such holder's Liquidating Trust Interests as disputed, including for purposes of Section 5.3(d), until such information is delivered; provided, however, that, upon the delivery of such information by a holder of a Liquidating Trust Interest, the Liquidating Trustee shall make such distribution to which the holder of the Liquidating Trust Interest is entitled, without interest; and, provided further that, if the Liquidating Trustee fails to withhold in respect of amounts received or distributable with respect to any such holder and the Liquidating Trustee is later held liable for the amount of such withholding, such holder shall reimburse the Liquidating Trustee for such liability.

ARTICLE VI

(a) “Managing Trustee” means William C. Kosturos so long as he continues in office, and all other individuals who have been duly elected and qualify as managing trustees of the Liquidating Trust hereunder pursuant to Section 1.4 or Article VIII hereof, but shall not include the Resident Trustee. (d) By its execution hereof, the Resident Trustee accepts the Liquidating Trust created herein. Except as otherwise expressly required by Section 6.1(c), the Resident Trustee shall not have any duty or liability with respect to the administration of the Liquidating Trust, the investment of the Liquidating Trust Assets, or the distribution of the Liquidating Trust Assets to the Liquidating Trust Beneficiaries. The Resident Trustee shall not be liable for the acts or omissions of the Managing Trustee, nor shall the Resident Trustee be liable for supervising or

The Resident Trustee shall not be personally liable under any circumstances, except for its own willful misconduct, bad faith or gross negligence.

6.2 Powers of the Liquidating Trustee.

(a) Pursuant to the terms of the Plan and the Confirmation Order and this Trust Agreement, the Liquidating Trustee shall have various powers, duties and responsibilities concerning the prosecution of certain litigation claims, the disposition of assets, the resolution of claims, and numerous other obligations relating to maximizing the proceeds of the Liquidating Trust Assets and the administration of the Liquidating Trust.

(b) The Liquidating Trustee shall have only such rights, powers and privileges expressly set forth in the Confirmation Order, the Plan and this Trust Agreement and as otherwise provided by applicable law. (i) to open bank accounts (and to delegate such authority to such representatives or agents of the Liquidating Trustee as the Liquidating Trustee may nominate from time to time), and to hold, manage, convert to Cash, and distribute the Liquidating Trust Assets, including prosecuting and resolving the Claims and Causes of Action belonging to the Liquidating Trust;

(ii) to hold the Liquidating Trust Assets for the benefit of the Liquidating Trust Beneficiaries, whether their Claims are Allowed on or after the Effective Date;

(v) to file all Tax and regulatory forms, returns, reports, and other documents required with respect to the Liquidating Trust;

(vi) in the Liquidating Trustee's reasonable business judgment, to object to Claims, and manage, control, prosecute, and/or settle on behalf of the Liquidating Trust, objections to Claims on account of which the Liquidating Trustee (as Disbursing Agent) will be responsible (if Allowed) for making distributions under the Plan;

(c) In all circumstances, the Liquidating Trustee shall comply with all of the Debtor's obligations under the Global Settlement Agreement and in accordance with applicable law and shall otherwise act in the best interest of all Liquidating Trust Beneficiaries, and the Liquidating Trustee shall act in furtherance of the purpose of the Liquidating Trust. With the consent of the Trust Advisory Board, the Liquidating Trustee may serve on the board of directors of any subsidiary of the Liquidating Trust, provided the subsidiary's objective is consistent with that of the Liquidating Trust (i.e. to sell its assets and distribute the proceeds in liquidation) (the "Objective").

(d) Except as otherwise provided in this Trust Agreement, the Liquidating Trustee will not be required to obtain the order or approval of the Bankruptcy Court, or any other court of competent jurisdiction in, or account to the Bankruptcy Court or any other court of competent jurisdiction for, the exercise of any right power or privilege conferred hereunder. Notwithstanding the foregoing, where the Liquidating Trustee determines, in its reasonable discretion, that it is necessary, appropriate or desirable, the Liquidating Trustee will have the right to submit to the Bankruptcy Court any question or questions regarding any specific action proposed to be taken by the Liquidating Trustee with respect to this Trust Agreement, the Liquidating Trust, or the Liquidating Trust Assets, including, without limitation, the administration and distribution of the Liquidating Trust Assets and the termination of the Liquidating Trust. Pursuant to the Plan, the Bankruptcy Court has retained jurisdiction for such purposes and may approve or disapprove any such proposed action upon motion by the Liquidating Trustee.

6.3 Limitations on Liquidating Trustee.

(a) The Liquidating Trustee shall, on behalf of the Liquidating Trust, hold the Liquidating Trust out as a trust in the process of liquidation and not as an investment company. The Liquidating Trustee shall be restricted to the liquidation of the Liquidating Trust Assets on behalf, and for the benefit, of the Liquidating Trust Beneficiaries and the distribution and application of Liquidating Trust Assets for the purposes set forth in, and the conservation and protection of the Liquidating Trust Assets and the administration thereof in accordance with, the provisions of this Trust Agreement, the Plan and the Confirmation Order.

(b) Notwithstanding anything in this Trust Agreement to the contrary, the Liquidating Trustee shall submit to the Trust Advisory Board for their approval the following matters and any other matters that the Trust Advisory Board may from time to time direct or that expressly require the approval of the Trust Advisory Board pursuant to the other terms of this Trust Agreement:

- (i) Any transaction involving the sale, assignment, transfer or abandonment of any Liquidating Trust Asset or Assets having a value in excess of \$100,000;
- (ii) Any proposed final settlement, disposition or abandonment of any Causes of Action, Claims or other litigation involving the Liquidation Trust or Liquidating Trust Assets with a value in excess of \$100,000;
- (iii) Any incurrence of any cost, expense or fee in excess of \$100,000 (covering services to be rendered or products utilized by the Liquidating Trustee within a one month period);
- (iv) Any determination to retain Trust Professionals and any compensation arrangements for such Trust Professionals, it being understood that the Liquidating Trustee initially intends to engage Weil, Gotshal & Manges LLP as legal counsel;
- (v) Determinations of the amount of any distributions;
- (vi) Any determination to initiate lawsuits or proceedings;
- (vii) If the equity interests of WMMRC become Liquidating Trust Assets, any appointment of any directors of WMMRC and any determination to consent to, or withhold the consent to, any action requiring the consent or approval of the equity holders of WMMRC;
- (viii) The dissolution of the Liquidating Trust.

The foregoing shall not limit the Liquidating Trustee's ability to make determinations and take actions regarding compliance with tax withholding requirements (including remittances).

6.4 Establishment of Trust Advisory Board

(a) The "Trust Advisory Board" means the board to be appointed in accordance with, and to exercise the duties set forth in, this Trust Agreement, which duties shall be (i) to oversee the liquidating and distribution of the Liquidating Trust Assets by the Liquidating Trustee in accordance with the Trust Agreement, the Plan and Confirmation Order, (ii) to approve (or withhold approval) of those matters submitted to it for approval in accordance with the terms of this Trust Agreement, and (iii) to remove, and appoint any successor to the Liquidating Trustee as provided for in this Trust Agreement. The Trust Advisory Board initially shall be comprised of three (3) members, to be selected jointly by the Debtors, the Creditors'

Committee and the Settlement Note Holders. The initial members of the Trust Advisory Board are set forth on Annex A hereto. Under no circumstance may a member of the Trust Advisory Board serve on the board of directors of any subsidiary of the Liquidating Trust, unless the subsidiary's objective is consistent with the Objective.

(b) Each member of the Trust Advisory Board shall designate (i) one or more representatives who shall attend meetings of and participate in other activities of the Trust Advisory Board and (ii) an alternate representative to attend meetings and participate in other activities of the Trust Advisory Board when the representatives designated pursuant to clause (i) above are unavailable.

(c) Notwithstanding anything in this Trust Agreement to the contrary, the Trust Advisory Board shall not take any action which will cause the Liquidating Trust to fail to qualify as a "liquidating trust" for United States federal income tax purposes.

(d) A quorum for meetings of the Trust Advisory Board shall consist of a majority of the non-recused, voting members of the Trust Advisory Board then serving; provided, however, that, for purposes of determining whether a quorum is present at such a meeting, a voting member of the Trust Advisory Board shall be deemed present if a representative of the member is attending in person, by telephone or by proxy.

(e) Except as expressly provided herein, the affirmative vote of a majority of the non-recused, voting members of the Trust Advisory Board shall be the act of the Trust Advisory Board with respect to any matter that requires the determination, consent, approval or agreement of such board. Any or all of the members of the Trust Advisory Board may participate in a regular or special meeting by, or conduct the meeting through the use of, conference telephone or similar communications equipment by means of which all persons participating in the meeting may hear each other, in which case any required notice of such meeting may generally describe the arrangements (rather than or in addition to the place) for the holding thereof. Any member of the Trust Advisory Board participating in a meeting by this means is deemed to be present in person at the meeting. In all matters submitted to a vote of the Trust Advisory Board, each Trust Advisory Board member shall be entitled to cast one vote, which vote shall be cast personally by such Trust Advisory Board member or by proxy. In a matter in which the Liquidating Trustee cannot obtain direction or authority from the Trust Advisory Board, the Liquidating Trustee may file a motion requesting such direction or authority from the Bankruptcy Court; provided, however, that any member of the Trust Advisory Board may oppose such motion.

(f) A Trust Advisory Board member and its representative shall be recused from the Trust Advisory Board's deliberations and votes on any matters as to which such member has a conflicting interest. If a Trust Advisory Board member or its representative does not recuse itself from any such matter, that Trust Advisory Board member and its representative may be recused from such matter by the majority vote of the remaining, voting members of the Trust Advisory Board that are not recused from the matter.

(g) Any action required or permitted to be taken by the Trust Advisory Board at a meeting may be taken without a meeting if the action is taken by unanimous written consent

of the Trust Advisory Board as evidenced by one or more written consents describing the action taken, signed by the Trust Advisory Board and filed with the minutes or proceedings of the Trust Advisory Board.

(h) The authority of the members of the Trust Advisory Board shall be effective as of the Effective Date and shall remain and continue in full force and effect until the Liquidating Trust is dissolved in accordance with Section 3.2 hereof. The service of the members of the Trust Advisory Board shall be subject to the following:

(i) the members of the Trust Advisory Board shall serve until death or resignation pursuant to clause (ii) below, or removal pursuant to clause (iii) below;

(ii) a member of the Trust Advisory Board may resign at any time by providing a written notice of resignation to the remaining members of the Trust Advisory Board. Such resignation shall be effective when a successor is appointed as provided herein;

(iii) a member of the Trust Advisory Board may be removed by vote of the other two members for (a) fraud or willful misconduct in connection with the affairs of the Liquidating Trust or (b) cause, which shall include a breach of fiduciary duty other than as specified in the foregoing clause (a).

(iv) in the event of a vacancy in such member's position (whether by removal, death or resignation) a new member may be appointed, by the unanimous vote of the remaining members of the Trust Advisory Board. The appointment of a successor member of the Trust Advisory Board shall be evidenced by the filing with the Bankruptcy Court of a notice of appointment, which notice shall include the name, address, and telephone number of the successor member of the Trust Advisory Board; and

(v) immediately upon appointment of any successor member of the Trust Advisory Board, all rights, powers, duties, authority, and privileges of the predecessor member of the Trust Advisory Board hereunder shall be vested in and undertaken by the successor member of the Trust Advisory Board without any further act; and the successor member of the Trust Advisory Board shall not be liable personally for any act or omission of the predecessor member of the Trust Advisory Board.

(i) Members of the Trust Advisory Board will be compensated as set forth in the attached Annex B. Also, any member of the Trust Advisory Board shall be reimbursed by the Liquidating Trustee for its actual, reasonable out-of-pocket expenses incurred for serving on such board and for reasonable legal fees incurred by the Trust Advisory Board with respect to outside counsel in the same manner and priority as the compensation and expenses of the Liquidating Trustee under this Trust Agreement, in accordance with the Budget, after submission of reasonably detailed receipts or invoices evidencing such expenses. Except as provided for in this Section 6.4, the members of the Trust Advisory Board shall not be entitled to receive any

other form of compensation. The Budget shall include a reserve of no less than \$[100,000] for the fees and expenses of the Trust Advisory Board.

6.5 Resolution of Claims.

(a) Except as otherwise provided in Section 6.5(b), as of the Effective Date, objections to, and requests for estimation of Claims against the Debtors may be interposed and prosecuted only by the Liquidating Trustee, provided, however, that the Trust Advisory Board may make a demand on the Liquidating Trustee demanding that the Liquidating Trustee object to or file a request for estimation of any claim in excess of \$100,000, and, if the Liquidating Trustee fails to file such objection or request, the Trust Advisory Board may bring such objection or request on behalf of the Liquidating Trust. Such objections and requests for estimation shall be served on the respective claimant and filed with the Bankruptcy Court (i) on or before the 120th day following the later of (A) the Effective Date and (B) the date that a proof of Claim is filed or amended or a Claim is otherwise asserted or amended in writing by or on behalf of a holder of such Claim, or (ii) on such later date as may be fixed by the Bankruptcy Court whether fixed before or after the date specified in clauses (A) and (B) above.

(b) Notwithstanding any other provision hereof, if any portion of a Claim is Disputed, no payment or distribution provided hereunder shall be made on account of such Claim unless and until such Disputed Claim becomes Allowed.

(c) To the extent that a Disputed Claim ultimately becomes an Allowed Claim, distributions (if any) shall be made to the holder of such Allowed Claim in accordance with the provisions of the Plan and this Trust Agreement.

(d) On and after the Effective Date, the Liquidating Trustee shall, subject to the oversight and approval rights of the Trust Advisory Board as provided herein, have the authority to compromise, settle, otherwise resolve or withdraw any objections to Claims against the Debtors as it deems appropriate.

(e) The Liquidating Trustee, or the Trust Advisory Board, as provided in Section 6.5(a), may at any time request that the Bankruptcy Court estimate any Disputed Claim pursuant to section 502(c) of the Bankruptcy Code regardless of whether any of the Debtors or any other Person previously objected to such Claim or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including, without limitation, during the pendency of any appeal relating to any such objection. In the event that the Bankruptcy Court estimates any Disputed Claim, the amount so estimated shall constitute either the Allowed amount of such Claim or a maximum limitation on such Claim, as determined by the Bankruptcy Court. If the estimated amount constitutes a maximum limitation on the amount of such Claim, the Liquidating Trustee, or the Trust Advisory Board, as provided in Section 6.5(a), may pursue supplementary proceedings to object to the allowance of such Claim. All of the aforementioned objection, estimation and resolution procedures are intended to be cumulative and not exclusive of one another. Claims may be estimated and subsequently compromised, settled, withdrawn or resolved by any mechanism approved by the Bankruptcy Court.

(f) The amount of any Liquidating Trust Assets allocable to, or retained on account of, any Disputed Claim in the Liquidating Trust Claims Reserve shall be determined based on the estimation of such Disputed Claim pursuant to Section 6.5(e) hereof or as otherwise agreed in writing by the Debtors or the Liquidating Trustee and the holder of such Claim.

6.6 Actions Taken on Other Than Business Day. In the event that any payment or act under the Plan or this Trust Agreement is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date.

6.7 Agents and Professionals.

(a) The Liquidating Trust may, but shall not be required to, from time to time enter into contracts with, consult with and retain independent contractors, including attorneys, accountants, appraisers, disbursing agents or other parties deemed by the Liquidating Trustee to have qualifications necessary or desirable to assist in the proper administration of the Liquidating Trust (collectively, the “Trust Professionals”), on such terms as the Liquidating Trustee deems appropriate. The Liquidating Trustee may assume existing contracts and/or leases to which WMI is a party as of the date hereof including, without limitation, employment agreements, or may enter into new arrangements on substantially similar terms. None of the professionals that represented parties-in-interest in the Chapter 11 Cases shall be precluded from being engaged by the Liquidating Trustee solely on account of their service as a professional for such parties-in-interest prior to the Effective Date.

(b) After the Effective Date, Trust Professionals shall be required to submit reasonably detailed invoices on a monthly basis to the Liquidating Trustee and the Trust Advisory Board, including in such invoices a description of the work performed, who performed such work, and if billing on an hourly basis, the hourly rate of such person, plus an itemized statement of expenses. The Liquidating Trustee shall pay those invoices thirty (30) days after a copy of such invoices is provided to the Liquidating Trustee, without Bankruptcy Court approval, unless the Liquidating Trustee objects. The Trust Professionals shall not be required to file monthly, interim or final fee applications with the Bankruptcy Court. Notwithstanding this, in the event of any dispute concerning the entitlement to, or the reasonableness of any compensation and/or expenses of any Trust Professionals, either the Liquidating Trustee or the affected party may ask the Bankruptcy Court to resolve the dispute.

(c) All payments to Trust Professionals shall be paid out of the Liquidating Trust Assets.

6.8 Investment of Liquidating Trust Monies. All monies and other assets received by the Liquidating Trustee as Liquidating Trust Assets (including the proceeds thereof as a result of investment in accordance with this Section 6.8) shall, until distributed or paid over as herein provided, be held in trust for the benefit of the Liquidating Trust Beneficiaries, and shall not be segregated from other Liquidating Trust Assets, unless and to the extent required by the Plan. The Liquidating Trustee shall promptly invest any such monies (including any earnings thereon or proceeds thereof) as permitted by section 345 of the Bankruptcy Code, in the manner set forth

in this Section 6.8, but shall otherwise be under no liability for interest or income on any monies received by the Liquidating Trust hereunder and held for distribution or payment to the Liquidating Trust Beneficiaries, except as such interest shall actually be received. Investment of any monies held by the Liquidating Trust shall be administered in accordance with the general duties and obligations hereunder. The right and power of the Liquidating Trustee to invest the Liquidating Trust Assets, the proceeds thereof, or any income earned by the Liquidating Trust, shall be limited to the right and power to (i) invest such Liquidating Trust Assets (pending distributions in accordance with the Plan or this Trust Agreement) in (a) short-term direct obligations of, or obligations guaranteed by, the United States of America or (b) short-term obligations of any agency or corporation which is or may hereafter be created by or pursuant to an act of the Congress of the United States as an agency or instrumentality thereof; or (ii) deposit such assets in demand deposits at any bank or trust company, which has, at the time of the deposit, a capital stock and surplus aggregating at least \$1,000,000,000 (collectively, the “Permissible Investments”); provided, however, that the scope of any such Permissible Investments shall be limited to include only those investments that a liquidating trust, within the meaning of Treasury Regulations section 301.7701-4(d), may be permitted to hold, pursuant to the Treasury Regulations, or any modification in the IRS guidelines, whether set forth in IRS rulings, other IRS pronouncements or otherwise.

6.9 Termination. The duties, responsibilities and powers of the Liquidating Trustee shall terminate on the date the Liquidating Trust is dissolved pursuant to Section 3.3 hereof, under applicable law in accordance with the Plan, by an order of the Bankruptcy Court or by entry of a final decree closing the Debtors’ Chapter 11 cases; provided, that Sections 7.2, 7.4, 7.5 and 7.6 hereof shall survive such termination, dissolution and entry.

ARTICLE VII **CONCERNING THE LIQUIDATING TRUSTEE**

7.1 Reliance by Liquidating Trustee. Except as otherwise provided in this Trust Agreement, the Plan or the Confirmation Order, the Liquidating Trustee may rely and shall be protected in acting upon any resolution, statement, instrument, opinion, report, notice, request, consent, order or other paper or document reasonably believed by the Liquidating Trustee to be genuine and to have been signed or presented by the proper party or parties.

7.2 Liability to Third Persons. No Liquidating Trust Beneficiary shall be subject to any personal liability whatsoever, in tort, contract or otherwise, to any person in connection with the Liquidating Trust Assets or the affairs of the Liquidating Trustee. The Liquidating Trustee, the Trust Professionals and the members of the Trust Advisory Board shall not be subject to any personal liability whatsoever, in tort, contract or otherwise, to any person (including, in the case of the Liquidating Trustee and members of the Trust Advisory Board, to any Trust Professionals retained by the Liquidating Trustee in accordance with this Trust Agreement) in connection with the Liquidating Trust Assets or the affairs of the Liquidating Trust and shall not be liable with respect to any action taken or omitted to be taken in good faith, except for actions and omissions determined by a final order of the Bankruptcy Court to be due to their respective gross negligence, intentional fraud, criminal conduct or willful misconduct, and all such persons shall look solely to the Liquidating Trust Assets for satisfaction of claims of any nature arising in connection with affairs of the Liquidating Trust. Other than as set forth in the Plan or in the

Confirmation Order, nothing in this Section 7.2 shall be deemed to release any Liquidating Trust Beneficiary from any actions or omissions occurring prior to the Effective Date.

7.3 Nonliability of Liquidating Trustee and Trust Advisory Board for Acts of Others. Except as provided herein, nothing contained in this Trust Agreement, the Plan or the Confirmation Order shall be deemed to be an assumption by the Liquidating Trustee or the Trust Advisory Board of any of the liabilities, obligations or duties of the Debtors or shall be deemed to be or contain a covenant or agreement by the Liquidating Trustee to assume or accept any such liability, obligation or duty. Any successor Liquidating Trustee or Trust Advisory Board Member may accept and rely upon any accounting made by or on behalf of any predecessor Liquidating Trustee hereunder, and any statement or representation made as to the assets comprising the Liquidating Trust Assets or as to any other fact bearing upon the prior administration of the Liquidating Trust, so long as it has a good faith basis to do so. The Liquidating Trustee or the Trust Advisory Board shall not be liable for having accepted and relied in good faith upon any such accounting, statement or representation if it is later proved to be incomplete, inaccurate or untrue. The Liquidating Trustee or any successor Liquidating Trustee or Trust Advisory Board shall not be liable for any act or omission of any predecessor Liquidating Trustee or Trust Advisory Board, nor have a duty to enforce any claims against any predecessor Liquidating Trustee or Trust Advisory Board on account of any such act or omission, unless directed to do so by the Trust Advisory Board.

7.4 Exculpation. As of the Effective Date, the Liquidating Trustee, the Trust Professionals and the members of the Trust Advisory Board shall be and hereby are exculpated by all Persons, including without limitation, Liquidating Trust Beneficiaries, holders of Claims, holders of Equity interests, and other parties-in-interest, from any and all claims, causes of action and other assertions of liability arising out of or related to the discharge of their respective powers and duties conferred by the Plan, this Trust Agreement or any order of the Bankruptcy Court entered pursuant to or in furtherance of the Plan, or applicable law or otherwise, except for actions or omissions to act that are determined by final order of the Bankruptcy Court to have arisen out of their own respective intentional fraud, criminal conduct, gross negligence or willful misconduct. No Liquidating Trust Beneficiary, holder of a Claim, holder of an Equity Interest, or other party-in-interest shall have or be permitted to pursue any claim or cause of action against the Liquidating Trustee, the Liquidating Trust, the employees, professionals or representatives of either the Liquidating Trustee or the Liquidating Trust (including the Trust Professionals) or the members of the Trust Advisory Board, for making payments in accordance with, or for implementing, the provisions of the Plan, the Confirmation Order and this Agreement. Any action taken or omitted to be taken with the express approval of the Bankruptcy Court or the Trust Advisory Board shall conclusively be deemed not to constitute gross negligence or willful misconduct; provided, however, that, notwithstanding any provision herein to the contrary, the Liquidating Trustee shall not be obligated to comply with a direction of the Trust Advisory Board, whether or not express, which would result in a change to the distribution provisions of this Trust Agreement and the Plan.

7.5 Limitation of Liability. The Liquidating Trustee, the members of the Trust Advisory Board and the Trust Professionals will not be liable for punitive, exemplary,

consequential, special or other damages for a breach of this Trust Agreement under any circumstances.

7.6 Indemnity. The Liquidating Trustee (including the individual(s) serving as or comprising the Liquidating Trustee), the members of the Trust Advisory Board and their respective agents, employees, officers, directors, professionals, attorneys, accountants, advisors, representatives and principals, including, without limitation, the Trust Professionals (collectively, the “Indemnified Parties”) shall be indemnified by the Liquidating Trust solely from the Liquidating Trust Assets for any losses, claims, damages, liabilities and expenses occurring after the Effective Date, including, without limitation, reasonable attorneys’ fees, disbursements and related expenses which the Indemnified Parties may incur or to which the Indemnified Parties may become subject in connection with any action, suit, proceeding or investigation brought by or threatened against one or more of the Indemnified Parties on account of the acts or omissions in their capacity as, or on behalf of, the Liquidating Trustee or a member of the Trust Advisory Board; provided, however, that the Liquidating Trust shall not be liable to indemnify any Indemnified Party for any act or omission arising out of such Indemnified Party’s respective gross negligence, fraud or willful misconduct. Notwithstanding any provision herein to the contrary, the Indemnified Parties shall be entitled to obtain advances from the Liquidating Trust to cover their reasonable expenses of defending themselves in any action brought against them as a result of the acts or omissions, actual or alleged, of an Indemnified Party in its capacity as such, except for any actions or omissions arising from their own respective willful misconduct, Liquidating Trust Interest or gross negligence; provided, however, that the Indemnified Parties receiving such advances shall repay the amounts so advanced to the Liquidating Trust immediately upon the entry of a final, non-appealable judgment or order finding that such Indemnified Parties were not entitled to any indemnity under the provisions of this Section 7.6. The foregoing indemnity in respect of any Indemnified Party shall survive the termination of such Indemnified Party from the capacity for which they are indemnified.

7.7 Compensation and Expenses. The Liquidating Trustee (including the individual(s) serving as or comprising the Liquidating Trustee) shall receive fair and reasonable compensation for its services, to be paid out of the Liquidating Trust Assets, in accordance with the compensation schedule provided to the Bankruptcy Court and consented to by Creditors’ Committee and Settlement Note Holders. In addition, the Liquidating Trustee shall be entitled, with the consent of the Trust Advisory Board, without the need for approval of the Bankruptcy Court, to reimburse itself from the Liquidating Trust Assets on a monthly basis for all reasonable out-of-pocket expenses actually incurred in the performance of duties in accordance with this Trust Agreement and the Plan.

ARTICLE VIII

SUCCESSOR LIQUIDATING TRUSTEES

8.1 Resignation. The Liquidating Trustee may resign from the Liquidating Trust by giving at least sixty (60) days prior written notice thereof to each member of the Trust Advisory Board. Such resignation shall become effective on the later to occur of (a) the date specified in such written notice and (b) the effective date of the appointment of a successor Liquidating Trustee in accordance with Section 8.4 hereof and such successor’s acceptance of such appointment in accordance with Section 8.5 hereof.

8.2 Removal. The Liquidating Trustee may be removed, by a majority vote of the members of the Trust Advisory Board for (a) fraud or willful misconduct in connection with the affairs of the Liquidating Trust or (b) cause, which shall include a breach of fiduciary duty other than as specified in the foregoing clause (a). Such removal shall become effective on the date specified in such action by the Trust Advisory Board.

8.3 Effect of Resignation or Removal. The resignation, removal, incompetency, bankruptcy or insolvency of the Liquidating Trustee shall not operate to terminate the Liquidating Trust or to revoke any existing agency created pursuant to the terms of this Trust Agreement, the Plan or the Confirmation Order or invalidate any action theretofore taken by the Liquidating Trustee. All fees and expenses properly incurred by the Liquidating Trustee prior to the resignation, incompetency or removal of the Liquidating Trustee shall be paid from the Liquidating Trust Assets, unless such fees and expenses are disputed by (a) the Trust Advisory Board or (b) the successor Liquidating Trustee, in which case the Bankruptcy Court shall resolve the dispute and any disputed fees and expenses of the predecessor Liquidating Trustee that are subsequently allowed by the Bankruptcy Court shall be paid from the Liquidating Trust Assets. In the event of the resignation or removal of the Liquidating Trustee, such Liquidating Trustee shall: (i) promptly execute and deliver such documents, instruments and other writings as may be reasonably requested by the successor Liquidating Trustee or directed by the Bankruptcy Court to effect the termination of such Liquidating Trustee's capacity under this Trust Agreement; (ii) promptly deliver to the successor Liquidating Trustee all documents, instruments, records and other writings related to the Liquidating Trust as may be in the possession of such Liquidating Trustee; and (iii) otherwise assist and cooperate in effecting the assumption of its obligations and functions by such successor Liquidating Trustee.

8.4 Appointment of Successor. In the event of the death, resignation, removal, incompetency, bankruptcy or insolvency of the Liquidating Trustee, a vacancy shall be deemed to exist and a successor shall be appointed by a majority of the Trust Advisory Board; provided, however, that, under no circumstance, shall the successor Liquidating Trustee be a director or officer with respect to any Affiliate of the Liquidating Trust. In the event that a successor Liquidating Trustee is not appointed within thirty (30) days after the date of such vacancy, the Bankruptcy Court, upon its own motion or the motion of a Liquidating Trust Beneficiary or any member of the Trust Advisory Board, shall appoint a successor Liquidating Trustee.

8.5 Acceptance of Appointment by Successor Liquidating Trustee. Any successor Liquidating Trustee appointed hereunder shall execute an instrument accepting its appointment and shall deliver one counterpart thereof to the Bankruptcy Court for filing and to the Trust Advisory Board and, in case of the Liquidating Trustee's resignation, to the resigning Liquidating Trustee. Thereupon, such successor Liquidating Trustee shall, without any further act, become vested with all the liabilities, duties, powers, rights, title, discretion and privileges of its predecessor in the Liquidating Trust with like effect as if originally named Liquidating Trustee and shall be deemed appointed pursuant to Bankruptcy Code section 1123(b)(3)(B). The resigning or removed Liquidating Trustee shall duly assign, transfer and deliver to such successor Liquidating Trustee all property and money held by such resigning or removed Liquidating Trustee hereunder and shall, as directed by the Bankruptcy Court or reasonably requested by such successor Liquidating Trustee, execute and deliver an instrument or

instruments conveying and transferring to such successor Liquidating Trustee upon the trusts herein expressed, all the liabilities, duties, powers, rights, title, discretion and privileges of such resigning or removed Liquidating Trustee.

ARTICLE IX

MISCELLANEOUS PROVISIONS

9.1 Governing Law. Except to the extent that the Bankruptcy Code or other federal law is applicable, or to the extent that any document to be entered into in connection herewith provides otherwise, the rights, duties, and obligations arising under this Trust Agreement shall be governed by, and construed and enforced in accordance with, the Bankruptcy Code and, to the extent not inconsistent therewith, the laws of the State of Delaware, without giving effect to principles of conflicts of laws.

9.2 Jurisdiction. Subject to the proviso below, the parties agree that the Bankruptcy Court shall have exclusive jurisdiction over the Liquidating Trust and the Liquidating Trustee, including, without limitation, the administration and activities of the Liquidating Trust and the Liquidating Trustee, and, pursuant to the Plan, the Bankruptcy Court has retained such jurisdiction; provided, however, that notwithstanding the foregoing, the Liquidating Trustee shall have power and authority to bring any action in any court of competent jurisdiction (including the Bankruptcy Court) to prosecute any claims or Causes of Action assigned to the Liquidating Trust.

9.3 Severability. In the event any provision of this Trust Agreement or the application thereof to any person or circumstances shall be determined by a final, non-appealable judgment or order to be invalid or unenforceable to any extent, the remainder of this Trust Agreement or the application of such provision to persons or circumstances or in jurisdictions other than those as to or in which it is held invalid or unenforceable, shall not be affected thereby, and each provision of this Trust Agreement shall be valid and enforceable to the fullest extent permitted by law.

9.5 Headings. The headings contained in this Trust Agreement are solely for convenience of reference and shall not affect the meaning or interpretation of this Trust Agreement or of any term or provision hereof.

9.6 Relationship to the Plan. The terms of this Trust Agreement are intended to supplement the terms provided by the Plan and the Confirmation Order, and therefore this Trust Agreement incorporates the provisions of the Plan and the Confirmation Order (which may amend or supplement the Plan). Additionally, the Liquidating Trustee or Trust Advisory Board may seek any orders from the Bankruptcy Court, upon notice and a hearing in furtherance of implementation of the Plan, the Confirmation Order and this Trust Agreement. However, to the extent that there is conflict between the provisions of this Trust Agreement, the provisions of the Plan, or the Confirmation Order, each document shall have controlling effect in the following rank order: (1) this Trust Agreement, (2) the Confirmation Order, and (3) the Plan.

9.7 Entire Trust Agreement. This Trust Agreement (including the recitals and annex hereto), the Plan and the Confirmation Order constitute the entire agreement by and among the parties and supersede all prior and contemporaneous agreements or understandings by and among the parties with respect to the subject matter hereof.

9.8 Cooperation. The Debtors shall turn over or otherwise make available to the Liquidating Trustee at no cost to the Liquidating Trust or the Liquidating Trustee, all books and records reasonably required by the Liquidating Trustee to carry out its duties hereunder, and agree to otherwise reasonably cooperate with the Liquidating Trustee in carrying out its duties hereunder, subject to the confidentiality provisions herein to preserve the confidential nature of the Debtors' books and records.

9.9 Amendment and Waiver. Any provision of this Trust Agreement may be amended or waived by the Liquidating Trustee with the consent of all members of the Trust Advisory Board. Notwithstanding this Section 9.9, any amendment to this Trust Agreement shall not be inconsistent with the purpose and intention of the Liquidating Trust to liquidate in an expeditious but orderly manner the Liquidating Trust Assets in accordance with Treasury Regulations section 301.7701-4(d) and Section 1.2 hereof.

9.10 Confidentiality. The Liquidating Trustee and its employees, members, agents, professionals and advisors, including the Trust Professionals, and each member of the Trust Advisory Board (each a "Confidential Party" and, collectively, the "Confidential Parties") shall hold strictly confidential and not use for personal gain any material, non-public information of which they have become aware in their capacity as a Confidential Party, of or pertaining to any

Debtor to which any of the Liquidating Trust Assets relates; provided, however, that such information may be disclosed if (a) it is now or in the future becomes generally available to the public other than as a result of a disclosure by the Confidential Parties; or (b) such disclosure is required of the Confidential Parties pursuant to legal process including but not limited to subpoena or other court order or other applicable laws or regulations. In the event that any Confidential Party is requested to divulge confidential information pursuant to this clause (b), such Confidential Party shall promptly, in advance of making such disclosure, provide reasonable notice of such required disclosure to the Liquidating Trustee (or the Trust Advisory Board in case the Liquidating Trustee is the disclosing party) to allow sufficient time to object to or prevent such disclosure through judicial or other means and shall cooperate reasonably with the Liquidating Trustee (or the Trust Advisory Board, as applicable) in making any such objection, including but not limited to appearing in any judicial or administrative proceeding in support of any objection to such disclosure.

9.11 Meanings of Other Terms. Except where the context otherwise requires, words importing the masculine gender include the feminine and the neuter, if appropriate, words importing the singular number shall include the plural number and vice versa and words importing persons shall include firms, associations, corporations and other entities. All references herein to Articles, Sections and other subdivisions, unless referring specifically to the Plan or provisions of the Bankruptcy Code, the Bankruptcy Rules, or other law, statute or regulation, refer to the corresponding Articles, Sections and other subdivisions of this Trust Agreement, and the words herein and words of similar import refer to this Trust Agreement as a whole and not to any particular Article, Section or subdivision of this Trust Agreement. The term “including” shall mean “including, without limitation.”

9.12 Counterparts. This Trust Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but such counterparts shall together constitute but one and the same instrument. A facsimile or portable document file (PDF) signature of any party shall be considered to have the same binding legal effect as an original signature.

9.13 Intention of Parties to Establish Liquidating Trust. This Trust Agreement is intended to create a liquidating trust for United States federal income tax purposes and, to the extent provided by law, shall be governed and construed in all respects as such a trust and any ambiguity herein shall be construed consistent herewith and, if necessary, this Trust Agreement may be amended to comply with such United States federal income tax laws, which amendments may apply retroactively.

2.4 Notice. Notice stating the place, if any, day, and time of each meeting of the stockholders, the means of remote communications, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such meeting, the record date for determining the stockholders entitled to vote at the meeting, if such date is different from the record date for determining stockholders entitled to notice of the meeting, and, in case of a special meeting, the purpose or purposes for which the meeting is called shall, unless otherwise provided by law, the Charter or these Bylaws, be delivered not less than ten nor more than 60 days before the date of the meeting, either personally or by mail, by or at the direction of the President, the Secretary, or the officer or person(s) calling the meeting, to each stockholder of record entitled to vote at such meeting. If such notice is to be sent by mail, it shall be directed to such stockholder at his address as it appears on the records of the Corporation, unless he shall have filed with the Secretary of the Corporation a written request that notices to him be mailed to some other address, in which case it shall be directed to him at such other address. Notice of any meeting of stockholders shall not be required to be given to any stockholder who shall attend such meeting in person or by proxy and shall not, at the beginning of such meeting, object to the transaction of any business because the meeting is not lawfully called or convened, or who shall, either before or after the meeting, submit a signed waiver of notice, in person or by proxy. Without limiting the manner by which notice otherwise may be given effectively to stockholders, any notice to stockholders may be given by electronic transmission in the manner provided in Section 232 of the DGCL.

2.5 Voting List. At least ten (10) days before each meeting of stockholders, the Secretary or other officer of the Corporation who has charge of the Corporation's stock ledger, either directly or through another officer appointed by him or through a transfer agent appointed by the Board, shall prepare a complete list of stockholders entitled to vote thereat (*provided, however*, if the record date for determining the stockholders entitled to vote is less than ten (10) days before the date of the meeting, the list shall reflect the stockholders entitled to vote as of the tenth day before the meeting date), arranged in alphabetical order and showing the address of each stockholder and number of shares registered in the name of each stockholder. For a period of ten (10) days prior to such meeting, such list shall be available on a reasonably accessible electronic network; *provided*, that the information required to gain access to such list is provided with the notice of the meeting, or during ordinary business hours, at the principal place of business of the Corporation and shall be open to examination by any stockholder for any purpose germane to the meeting. Such list shall be produced at such meeting and kept at the meeting at all times during such meeting and may be inspected by any stockholder who is present.

2.6 Quorum. The holders of a majority of the outstanding shares entitled to vote on a matter, present in person or by proxy, shall constitute a quorum at any meeting of stockholders, except as otherwise provided by law, the Charter, or these Bylaws. Where a separate vote by a class or classes or series is required, a majority of the voting power of the shares of such class or classes or series present in

person or represented by proxy shall constitute a quorum entitled to take action with respect to that vote on that matter. If a quorum shall not be present, in person or by proxy, at any meeting of stockholders, the stockholders entitled to vote thereat who are present, in person or by proxy, or, if no stockholder entitled to vote is present, any officer of the Corporation may adjourn the meeting from time to time, without notice other than announcement at the meeting of the time, place, if any, and the means of remote communications, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such adjourned meeting until a quorum shall be present, in person or by proxy; *provided, however*, that, if the adjournment is for more than thirty (30) days or if, after the adjournment, a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the adjourned meeting. At any adjourned meeting at which a quorum shall be present, in person or by proxy, any business may be transacted that may have been transacted at the original meeting had a quorum been present.

2.7 Required Vote; Withdrawal of Quorum. When a quorum is present at any meeting, the vote of the holders of at least a majority of the outstanding shares entitled to vote who are present, in person or by proxy, at the meeting shall decide any question brought before such meeting, unless the question is one on which, by applicable law or any rule or regulation applicable to the Corporation or its stock, or under an express provision of the Charter or these Bylaws, a different vote is required, in which case such applicable law, rule or regulation, or such express provision shall govern and control the decision of such question. The stockholders present at a duly constituted meeting may continue to transact business until adjournment, notwithstanding the withdrawal of enough stockholders to leave less than a quorum.

2.8 Method of Voting; Proxies. Except as otherwise provided in the Charter or by law, each outstanding share, regardless of class, shall be entitled to one vote on each matter submitted to a vote at a meeting of stockholders. Elections of directors need not be by written ballot. At any meeting of stockholders, every stockholder having the right to vote may vote either in person or by a proxy executed in writing by the stockholder or transmitted by the stockholder as permitted by law, including, without limitation, electronically, via telegram, internet, interactive voice response system, or other means of electronic transmission executed or authorized by such stockholder or by his duly authorized attorney-in-fact. Each such proxy shall be filed with the Secretary of the Corporation before or at the time of the meeting. Any such proxy transmitted electronically shall set forth information from which it can be determined by the Secretary of the Corporation that such electronic transmission was authorized by the stockholder. No proxy shall be valid after three (3) years from the date of its execution, unless otherwise provided in the proxy. If no date is stated in a proxy, such proxy shall be presumed to have been executed on the date of the meeting at which it is to be voted. Each proxy shall be revocable unless expressly provided therein to be irrevocable and coupled with an interest sufficient in law to support an irrevocable power or unless otherwise made irrevocable by law.

2.9 Record Date.

(a) For the purpose of determining stockholders entitled to notice of or to vote at any meeting of stockholders, or any adjournment thereof, or entitled to receive payment of any dividend or other distribution or allotment of any rights, or entitled to exercise any rights in respect of any change, conversion, or exchange of stock or for the purpose of any other lawful action, the Board may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board, for any such determination of stockholders, such date in any case to be not more than sixty (60) days and not less than ten (10) days prior to such meeting. If the Board so fixes a date, such date shall also be the record date for determining the stockholders entitled to vote at such meeting unless the Board determines, at the

time it fixes such record date, that a later date on or before the date of the meeting shall be the date for making such determination. If no record date is fixed:

(i) The record date for determining stockholders entitled to notice of or to vote at a meeting of stockholders shall be at the close of business on the day next preceding the day on which notice is given or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held.

(ii) The record date for determining stockholders for any other purpose shall be at the close of business on the day on which the Board adopts the resolution relating thereto.

(iii) A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; *provided, however*, that the Board may fix a new record date for the adjourned meeting.

(b) In order that the Corporation may determine the stockholders entitled to consent to corporate action in writing without a meeting (including, without limitation, by telegram, cablegram or other electronic transmission as permitted by law), the Board may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board, and which date shall not be more than ten (10) days after the date upon which the resolution fixing the record date is adopted by the Board. Any stockholder of record seeking to have the stockholders authorize or take corporate action by written consent shall, by written notice to the Secretary of the Corporation, request the Board to fix a record date. Such notice shall specify the action proposed to be consented to by stockholders. The Board shall promptly, but in all events within ten (10) days after the date on which such a request is received, adopt a resolution fixing the record date (unless a record date has previously been fixed by the Board pursuant to the first sentence of this paragraph). If no record date has been fixed by the Board within ten (10) days after the date on which such a request is received, the record date for determining stockholders entitled to consent to corporate action in writing without a meeting, when no prior action by the Board is required by applicable law, shall be the first date on which a signed written consent setting forth the action taken or proposed to be taken is delivered to the Corporation by delivering such consent to the Corporation's registered office in the State of Delaware, the Corporation's principal place of business, or an officer or agent of the Corporation having custody of the book in which proceedings of meetings of stockholders are recorded. Delivery made to the Corporation's registered office in the State of Delaware, principal place of business, or such officer or agent shall be by hand or by certified or registered mail, return receipt requested.

2.10 Conduct of Meeting. The Chairman of the Board, if such office has been filled, and, if not, or if the Chairman of the Board is absent or otherwise unable to act, the President, shall preside at all meetings of stockholders. The Secretary shall keep the records of each meeting of stockholders. In the absence or inability to act of any such officer, such officer's duties shall be performed by the officer given the authority to act for such absent or non-acting officer under these Bylaws or by some person appointed by the meeting.

2.11 Inspectors. The Board may, and shall if required by law, in advance of any meeting of stockholders, appoint one or more inspectors to act at such meeting or any adjournment thereof. If any of the inspectors so appointed shall fail to appear or act, the chairman of the meeting shall, or if inspectors shall not have been appointed, the chairman of the meeting may, appoint one or more inspectors. Each

inspector, before entering upon the discharge of his duties, shall take and sign an oath faithfully to execute the duties of inspector at such meeting with strict impartiality and according to the best of his ability. The inspectors shall determine the number of shares of capital stock of the Corporation outstanding and the voting power of each, the number of shares represented at the meeting, the existence of a quorum, and the validity and effect of proxies and shall receive votes, ballots, or consents, hear and determine all challenges and questions arising in connection with the right to vote, count and tabulate all votes, ballots, or consents, determine the results, and do such acts as are proper to conduct the election or vote with fairness to all stockholders. On request of the chairman of the meeting, the inspectors shall make a report in writing of any challenge, request, or matter determined by them and shall execute a certificate of any fact found by them. No director or candidate for the office of director shall act as an inspector of an election of directors. Inspectors need not be stockholders.

ARTICLE III DIRECTORS

3.1 Management. The business and affairs of the Corporation shall be managed by or under the direction of the Board. The Board may exercise all such authority and powers of the Corporation and do all such lawful acts and things as are not by statute or the Charter directed or required to be exercised or done solely by the stockholders.

3.2 Number; Qualification; Election; Term. The number of directors that shall constitute the entire Board shall be seven (7), which number may be increased or decreased by resolution of the Board; *provided, however,* that the number of directors that constitute the entire board shall not be less than three (3), nor more than fifteen (15). Except as otherwise provided by the Bylaws or the Charter, the directors shall be elected at the annual meeting of stockholders at which a quorum is present. Directors shall be elected by a plurality of the votes of the shares present in person or represented by proxy and entitled to vote on the election of directors. Each director so chosen shall hold office until his successor is elected and qualified or, if earlier, until his death, resignation, or removal from office. None of the directors need be a stockholder of the Corporation or a resident of the State of Delaware. Each director must have attained the age of majority.

3.3 Change in Number. No decrease in the number of directors constituting the entire Board shall have the effect of shortening the term of any incumbent director.

3.4 Vacancies. Except as otherwise provided in these Bylaws, when one or more directors shall resign from the Board, effective at a future date, a majority of the directors then in office, including those who have so resigned, shall have the power to fill such vacancy or vacancies, the vote thereon to take effect when such resignation or resignations shall become effective, and each director so chosen shall hold office as provided in these Bylaws in respect of the filling of other vacancies.

3.5 Meetings of Directors. The directors may hold their meetings and may have an office and keep the books of the Corporation, except as otherwise provided by statute, in such place or places within or without the State of Delaware as the Board may from time to time determine or as shall be specified in the notice of such meeting or duly executed waiver of notice of such meeting.

3.6 Annual Meeting. The Board shall meet for the purpose of organization, the election of officers and the transaction of other business, as soon as practicable after each annual meeting of stockholders, on the same day and at the same place where such annual meeting shall be held. In the event such annual meeting is not so held, the annual meeting of the Board may be held at such other time

or place (within or without the State of Delaware) as shall be specified in a notice thereof given as hereinafter provided in Section 3.9 of this Article III.

3.7 Regular Meetings. Regular meetings of the Board shall be held at such times and places, if any, as shall be designated from time to time by resolution of the Board. Notice of such regular meetings shall not be required.

3.8 Special Meetings. Special meetings of the Board shall be held whenever called by the Chairman of the Board, the President, or any two members of the Board.

3.9 Notice. The Secretary shall give notice of each annual, regular or special meeting of the Board to each director for which notice is required, at least (i) twenty-four (24) hours before the meeting if by telephone or by being personally delivered or sent by telex, telecopy, electronic transmission or similar means or (ii) five (5) days before the meeting if delivered by mail to the director's residence or usual place of business. Such notice shall be deemed to be delivered when deposited in the United States mail so addressed, with postage prepaid, or when transmitted if sent by telex, telecopy, electronic transmission or similar means. Neither the business to be transacted at, nor the purpose of, any annual, regular or special meeting of the Board need be specified in the notice or waiver of notice of such meeting. Any director may waive notice of any meeting by a writing signed by the director entitled to the notice, or by electronic transmission by the director, and filed with the minutes or corporate records. Notice of any such meeting need not be given to any director who shall attend such meeting without protesting, prior to or at its commencement, the lack of notice.

3.10 Quorum; Majority Vote. At all meetings of the Board, a majority of the directors fixed in the manner provided in these Bylaws shall constitute a quorum for the transaction of business. If at any meeting of the Board there be less than a quorum present, a majority of those present or any director solely present may adjourn the meeting from time to time without further notice. Unless the act of a greater number is required by law, the Charter, or these Bylaws, the act of a majority of the directors present at a meeting at which a quorum is in attendance shall be the act of the Board. At any time that the Charter provides that directors elected by the holders of a class or series of stock shall have more or less than one vote per director on any matter, every reference in these Bylaws to a majority or other proportion of directors shall refer to a majority or other proportion of the votes of such directors.

3.11 Procedure. At meetings of the Board, business shall be transacted in such order as from time to time the Board may determine. The Chairman of the Board, if such office has been filled, and, if not or if the Chairman of the Board is absent or otherwise unable to act, the President shall preside at all meetings of the Board. In the absence or inability to act of either such officer, a chairman shall be chosen by the Board from among the directors present. The Secretary of the Corporation shall act as the secretary of each meeting of the Board unless the Board appoints another person to act as secretary of the meeting. The Board shall keep regular minutes of its proceedings which shall be placed in the minute book of the Corporation.

3.12 Compensation. The Board shall have the authority to fix the compensation, including fees and reimbursement of expenses, paid to directors for attendance at regular or special meetings of the Board or any committee thereof; *provided, however*, that nothing contained in these Bylaws shall be construed to preclude any director from serving the Corporation in any other capacity or receiving compensation therefor.

3.13 Chairman of the Board. The Chairman of the Board, if elected by the Board, shall have such powers and duties as may be prescribed by the Board. The Chairman of the Board shall have authority to preside at all meetings of the stockholders and of the Board.

ARTICLE IV COMMITTEES

4.1 Designation. The Board may, by resolution adopted by a majority of the entire Board, designate one or more committees.

4.2 Number; Qualification; Term. Each committee shall consist of one or more directors appointed by resolution adopted by a majority of the entire Board. The number of committee members may be increased or decreased from time to time by resolution adopted by a majority of the entire Board. Each committee member shall serve as such until the earliest of (i) the expiration of his term as director, (ii) his resignation as a committee member or as a director, or (iii) his removal as a committee member or as a director.

4.3 Authority. Each committee, to the extent expressly provided in the resolution establishing such committee, shall have and may exercise all of the authority of the Board in the management of the business and property of the Corporation except to the extent expressly restricted by law, the Charter, or these Bylaws.

4.4 Committee Changes. The Board shall have the power at any time to fill vacancies in, to change the membership of, and to discharge any committee.

4.5 Alternate Members of Committees. The Board may designate one or more directors as alternate members of any committee. Any such alternate member may replace any absent or disqualified member at any meeting of the committee. If no alternate committee members have been so appointed to a committee or each such alternate committee member is absent or disqualified, the member or members of such committee present at any meeting and not disqualified from voting, whether or not he or they constitute a quorum, may unanimously appoint another member of the Board to act at the meeting in the place of any such absent or disqualified member.

4.6 Regular Meetings. Regular meetings of any committee may be held without notice at such time and place as may be designated from time to time by the committee and communicated to all members thereof.

4.7 Special Meetings. Special meetings of any committee may be held whenever called by any committee member. The committee member calling any special meeting shall cause notice of such special meeting, including therein the time and place of such special meeting, to be given to each committee member at least two days before such special meeting. Neither the business to be transacted at, nor the purpose of, any special meeting of any committee need be specified in the notice or waiver of notice of any special meeting.

4.8 Quorum; Majority Vote. At meetings of any committee, a majority of the number of members designated by the Board shall constitute a quorum for the transaction of business. If a quorum is not present at a meeting of any committee, a majority of the members present may adjourn the meeting from time to time, without notice other than an announcement at the meeting, until a quorum is present. The act of a majority of the members present at any meeting at which a quorum is in attendance shall be the act of a committee, unless the act of a greater number is required by law, the Charter, or these Bylaws.

4.9 Minutes. Each committee shall cause minutes of its proceedings to be prepared and shall report the same to the Board upon the request of the Board. The minutes of the proceedings of each committee shall be delivered to the Secretary of the Corporation for placement in the minute books of the Corporation.

4.10 Compensation. Committee members may, by resolution of the Board, be allowed a fixed sum and expenses of attendance, if any, for attending any committee meeting or a stated salary.

4.11 Responsibility. The designation of any committee and the delegation of authority to it shall not operate to relieve the Board or any director of any responsibility imposed upon it or such director by law.

ARTICLE V NOTICE

5.1 Method. Whenever by statute, the Charter, or these Bylaws, notice is required to be given to any director, committee member or stockholder and no provision is made as to how such notice shall be given, personal notice shall not be required and any such notice may be given (i) in writing, by mail, postage prepaid, addressed to such committee member, director or stockholder at his address as it appears on the books or (in the case of a stockholder) the stock transfer records of the Corporation, or (ii) by any other method permitted by law (including, without limitation, by electronic transmission (in the case of a director or committee member) or by facsimile telecommunication, when directed to a number at which a stockholder has consented to receive notice, electronic mail, when directed to an electronic mail address at which a stockholder has consented to receive notice, posting on an electronic network together with separate notice to a stockholder of such specific posting and by any other form of electronic transmission, when directed to a stockholder). Any notice required or permitted to be given by overnight courier service shall be deemed to be delivered and given at the time delivered to such service with all charges prepaid and addressed as aforesaid. Any notice required or permitted to be given by telegram, cablegram or other electronic transmission as permitted by law shall be deemed to be delivered and given at the time transmitted with all charges prepaid and addressed as aforesaid.

5.2 Waiver. Whenever any notice is required to be given to any stockholder, director, or committee member of the Corporation by statute, the Charter, or these Bylaws, a waiver thereof in writing, or by electronic transmission, signed by the person or persons entitled to such notice, whether before or after the time stated therein, shall be equivalent to the giving of such notice. Attendance of a stockholder, director, or committee member at a meeting shall constitute a waiver of notice of such meeting, except where such person attends for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened.

ARTICLE VI OFFICERS

6.1 Number; Titles; Term of Office. The officers of the Corporation shall be a Chief Executive Officer, a President, a Chief Financial Officer, a Secretary, and such other officers as the Board may from time to time elect or appoint, including, without limitation, one or more Vice Presidents (with each Vice President to have such descriptive title, if any, as the Board shall determine), and a Treasurer. Each officer shall hold office until his successor shall have been duly elected and shall have qualified, or, if earlier, until his death, or until he shall resign or shall have been removed in the manner hereinafter provided. Any two or more offices may be held by the same person. None of the officers need be a stockholder or a director of the Corporation or a resident of the State of Delaware.

6.2 Removal. Any officer or agent elected or appointed by the Board may be removed by the Board whenever in its judgment the best interest of the Corporation will be served thereby, but such removal shall be without prejudice to the contract rights, if any, of the person so removed. Election or appointment of an officer or agent shall not of itself create contract rights.

6.3 Vacancies. Any vacancy occurring in any office of the Corporation (by death, resignation, removal, or otherwise) may be filled by the Board.

6.4 Authority. Officers shall have such authority and perform such duties in the management of the Corporation as are provided in these Bylaws or as may be determined by resolution of the Board not inconsistent with these Bylaws.

6.5 Compensation. The compensation, if any, of officers and agents shall be fixed from time to time by the Board; *provided, however,* that the Board may delegate the power to determine the compensation of any officer and agent (other than the officer to whom such power is delegated) to the Chairman of the Board or the President.

6.6 Chief Executive Officer. The Chief Executive Officer shall be the chief executive officer of the Corporation and shall have the powers and perform the duties incident to that position. If the Chief Executive Officer is a director, he shall, in the absence of the Chairman of the Board, or if a Chairman of the Board shall not have been elected, preside at each meeting of the Board or the stockholders. Subject to the powers of the Board, he shall be in the general and active charge of the entire business and affairs of the Corporation, including authority over its officers, agents and employees, and shall have such other duties as may from time to time be assigned to him by the Board. The Chief Executive Officer shall see that all orders and resolutions of the Board are carried into effect, and execute bonds, mortgages and other contracts requiring a seal under the seal of the Corporation, except where required or permitted by law to be otherwise signed and executed and except where the signing and execution thereof shall be expressly delegated by the Board to some other officer or agent of the Corporation.

6.7 President. The President shall be the chief operating officer of the Corporation. He shall perform all duties incident to the office of President, and be responsible for the general direction of the operations of the business, reporting to the Chief Executive Officer, and shall have such other duties as may from time to time be assigned to him by the Board or as may be provided in these Bylaws. At the written request of the Chief Executive Officer, or in his absence or in the event of his inability to act, the President shall perform the duties of the Chief Executive Officer, and, when so acting, shall have the powers of and be subject to the restrictions placed upon the Chief Executive Officer in respect of the performance of such duties.

6.8 Chief Financial Officer. The Chief Financial Officer shall (i) have charge and custody of, and be responsible for, all the funds and securities of the Corporation, (ii) keep full and accurate accounts of receipts and disbursements in books belonging to the Corporation, (iii) deposit all moneys and other valuables to the credit of the Corporation in such depositories as may be designated by the Board or pursuant to its direction, (iv) receive, and give receipts for, moneys due and payable to the Corporation from any source whatsoever, (v) disburse the funds of the Corporation and supervise the investments of its funds, taking proper vouchers therefor, (vi) render to the Board, whenever the Board may require, an account of the financial condition of the Corporation, and (vii) in general, perform all duties incident to the office of Chief Financial Officer and such other duties as from time to time may be assigned to him by the Board. The Chief Financial Officer may also be the Treasurer if so determined by the Board and perform the duties hereinafter provided in Section 6.10 of this Article VI.

6.9 Vice Presidents. Each Vice President shall have such powers and duties as may be assigned to him by the Board or the President, and (in order of their seniority as determined by the Board or, in the absence of such determination, as determined by the length of time they have held the office of Vice President) shall exercise the powers of the President during that officer's absence or inability to act. As between the Corporation and third parties, any action taken by a Vice President in the performance of the duties of the President shall be conclusive evidence of the absence or inability to act of the President at the time such action was taken.

6.10 Treasurer. The Treasurer shall have custody of the Corporation's funds and securities, shall keep full and accurate account of receipts and disbursements, shall deposit all monies and valuable effects in the name and to the credit of the Corporation in such depository or depositories as may be designated by the Board, and shall perform such other duties as may be prescribed by the Board or the President.

6.11 Assistant Treasurers. Each Assistant Treasurer shall have such powers and duties as may be assigned to him by the Board or the President. The Assistant Treasurers (in the order of their seniority as determined by the Board or, in the absence of such a determination, as determined by the length of time they have held the office of Assistant Treasurer) shall exercise the powers of the Treasurer during that officer's absence or inability to act.

6.12 Secretary. Except as otherwise provided in these Bylaws, the Secretary shall keep the minutes of all meetings of the Board and of the stockholders in books provided for that purpose, and he shall attend to the giving and service of all notices. The Secretary shall have custody of the corporate seal of the Corporation (if any) and shall have authority to affix the same to any instrument requiring it and to attest it. He shall have charge of the certificate books, transfer books, and stock papers as the Board may direct, all of which shall at all reasonable times be open to inspection by any director upon application at the office of the Corporation during ordinary business hours. He shall in general perform all duties incident to the office of the Secretary, subject to the control of the Board and the President.

6.13 Assistant Secretaries. Each Assistant Secretary shall have such powers and duties as may be assigned to him by the Board or the President. The Assistant Secretaries (in the order of their seniority as determined by the Board or, in the absence of such a determination, as determined by the length of time they have held the office of Assistant Secretary) shall exercise the powers of the Secretary during that officer's absence or inability to act.

ARTICLE VII CERTIFICATES AND STOCKHOLDERS

7.1 Certificates for Shares. The Board may issue stock certificates, or may provide by resolution or resolutions that some or all of any or all classes or series of stock of the Corporation shall be uncertificated shares of stock. Any issued stock certificates for shares of stock or series of stock of the Corporation shall be in such form as shall be approved by the Board. The certificates shall be signed by the Chairman of the Board or the President or a Vice President and also by the Secretary or an Assistant Secretary or by the Treasurer or an Assistant Treasurer. Any and all signatures on the certificate may be sealed with the seal of the Corporation or a facsimile thereof. If any officer, transfer agent, or registrar who has signed, or whose facsimile signature has been placed upon, a certificate has ceased to be such officer, transfer agent, or registrar before such certificate is issued, such certificate may be issued by the Corporation with the same effect as if he were such officer, transfer agent, or registrar at the date of issue. The certificates shall be consecutively numbered and shall be entered in the books of the Corporation as they are issued and shall exhibit the holder's name and the number of shares. A certificate representing

shares issued by the Corporation shall, if the Corporation is authorized to issue more than one class or series of stock, set forth upon the face or back of the certificate, or shall state that the Corporation will furnish to any stockholder upon request and without charge, a full statement of the designations, preferences and relative, participating, optional or other special rights of each class of stock or series thereof and the qualifications, limitations or restrictions of such preferences and/or rights. The Corporation shall furnish to any holder of uncertificated shares, upon request and without charge, a full statement of the designations, preferences and relative, participating, optional or other special rights of each class of stock or series thereof and the qualifications, limitations or restrictions of such preferences and/or rights.

7.2 Replacement of Lost or Destroyed Certificates. The Board may direct a new certificate or certificates to be issued in place of a certificate or certificates theretofore issued by the Corporation and alleged to have been lost or destroyed, upon the making of an affidavit of that fact by the person claiming the certificate or certificates representing shares to be lost or destroyed. When authorizing such issue of a new certificate or certificates the Board may, in its discretion and as a condition precedent to the issuance thereof, require the owner of such lost or destroyed certificate or certificates, or his legal representative, to advertise the same in such manner as it shall require and/or to give the Corporation a bond with a surety or sureties satisfactory to the Corporation in such sum as it may direct as indemnity against any claim, or expense resulting from a claim, that may be made against the Corporation in respect of the certificate or certificates alleged to have been lost or destroyed.

7.3 Facsimile Signatures. Any or all of the signatures on a certificate may be a facsimile, engraved or printed. In case any officer, transfer agent or registrar who has signed or whose facsimile signature has been placed upon a certificate shall have ceased to be such officer, transfer agent or registrar before such certificate is issued, it may be issued by the Corporation with the same effect as if he were such officer, transfer agent or registrar at the date of issue.

7.4 Transfer of Shares. Shares of stock of the Corporation shall be transferable only on the books of the Corporation by the holders thereof in person or by their duly authorized attorneys or legal representatives. Upon surrender to the Corporation or the transfer agent of the Corporation of a certificate representing shares duly endorsed or accompanied by proper evidence of succession, assignment, or authority to transfer, the Corporation or its transfer agent shall issue a new certificate to the person entitled thereto, cancel the old certificate, and record the transaction upon its books, *provided, however,* that the Corporation shall be entitled to recognize and enforce any lawful restriction on transfer.

7.5 Registered Stockholders. The Corporation shall be entitled to treat the holder of record of any share or shares of stock as the holder in fact thereof and, accordingly, shall not be bound to recognize any equitable or other claim to or interest in such share or shares on the part of any other person, whether or not it shall have express or other notice thereof, except as otherwise provided by law.

7.6 Regulations. The Board shall have the power and authority to make all such rules and regulations as it may deem expedient concerning the issue, transfer, and registration or the replacement of certificates for shares of stock of the Corporation.

7.7 Legends. The Board shall have the power and authority to provide that certificates representing shares of stock bear such legends as the Board deems appropriate to assure that the Corporation does not become liable for violations of federal or state securities laws or other applicable law.

ARTICLE VIII
INDEMNIFICATION

8.1 Nature of Indemnity. Each person who was or is made a party or is threatened to be made a party to or is involved (including, without limitation, as a witness) in any actual or threatened action, suit or proceeding, whether civil, criminal, administrative or investigative (hereinafter a “proceeding”), by reason of the fact that he is or was a director or officer of the Corporation or is or was serving at the request of the Corporation as a director or officer of another corporation or of a partnership, limited liability company, joint venture, trust or other enterprise, including, without limitation, service with respect to an employee benefit plan (hereinafter, an “Indemnitee”), whether the basis of such proceeding is alleged action in an official capacity as a director or officer or in any other capacity while so serving, shall be indemnified and held harmless by the Corporation to the full extent permitted by the DGCL, as the same exists or may hereafter be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Corporation to provide broader indemnification rights than said law permitted the Corporation to provide prior to such amendment), or by other applicable law as then in effect, against all expense, liability and loss (including, without limitation, attorneys’ fees, costs and charges, judgments, fines, excise taxes or penalties under the Employee Retirement Income Security Act of 1974, as amended from time to time (“ERISA”), penalties and amounts paid or to be paid in settlement) actually and reasonably incurred or suffered by such Indemnitee in connection therewith; provided, however, that except as provided in Section 8.3 of this Article VIII with respect to proceedings to enforce rights to indemnification, the Corporation shall indemnify any such Indemnitee in connection with a proceeding (or part thereof) initiated by such Indemnitee only if such proceeding (or part thereof) was authorized by the Board. Each person who is or was serving as a director or officer of a majority-owned subsidiary of the Corporation shall be deemed to be serving, or have served, at the request of the Corporation.

8.2 Advances for Expenses. Expenses (including, without limitation, attorneys’ fees, costs and charges) incurred by an Indemnitee in defending a proceeding shall be paid by the Corporation in advance of the final disposition of such proceeding upon receipt of an undertaking by or on behalf an Indemnitee to repay all amounts so advanced in the event that it shall ultimately be determined by final judicial decision from which there is no further right to appeal that such Indemnitee is not entitled to be indemnified by the Corporation as authorized in this Article VIII. The Board may, upon approval of such Indemnitee, authorize the Corporation’s counsel to represent such person in any proceeding, whether or not the Corporation is a party to such proceeding.

8.3 Procedure for Indemnification and Advancement. Any indemnification or advance of expenses (including, without limitation, attorney’s fees, costs and charges) under this Article VIII shall be made promptly, and in any event within 60 days, or, in the case of a claim for an advancement of expenses, within 20 days, upon the written request of an Indemnitee (and, in the case of advance of expenses, receipt of a written undertaking by or on behalf of such Indemnitee to repay such amount if it shall ultimately be determined that such Indemnitee is not entitled to be indemnified therefor pursuant to the terms of this Article VIII). The right to indemnification or advancement as granted by this Article VIII shall be enforceable by such Indemnitee in any court of competent jurisdiction, if the Corporation denies such request, in whole or in part, or if no disposition thereof is made within 60 days (or 20 days with respect to advancement of expenses). Such Indemnitee’s costs and expenses incurred in connection with successfully establishing his right to indemnification or advancement, in whole or in part, in any such action shall also be indemnified by the Corporation to the fullest extent permitted by law. It shall be a defense to any such action (other than an action brought to enforce a claim for the advance of expenses (including, without limitation, attorney’s fees, costs and charges) under this Article VIII where the required undertaking, if any, has been received by the Corporation) that the claimant has not met the

standard of conduct set forth in the DGCL, as the same exists or hereafter may be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Corporation to provide broader indemnification rights than said law permitted the Corporation to provide prior to such amendment), but the burden of proving such defense shall be on the Corporation. Neither the failure of the Corporation (including its directors who are not parties to such action, a committee of such directors, independent legal counsel or its stockholders) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because he has met the applicable standard of conduct set forth in the DGCL, as the same exists or hereafter may be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Corporation to provide broader indemnification rights than said law permitted the Corporation to provide prior to such amendment), nor the fact that there has been an actual determination by the Corporation (including its directors who are not parties to such action, a committee of such directors, independent legal counsel or its stockholders) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct.

8.4 Other Rights; Continuation of Right to Indemnification. The indemnification and advancement of expenses provided by this Article VIII shall not be deemed exclusive of any other rights to which a person seeking indemnification or advancement of expenses may be entitled under any law (common or statutory), bylaw, agreement, vote of stockholders or directors or otherwise, both as to action in his official capacity and as to action in another capacity while holding office or while employed by or acting as agent for the Corporation, and shall continue as to a person who has ceased to be a director or officer, and shall inure to the benefit of the estate, heirs, executors and administrators of such person. All rights to indemnification under this Article VIII shall be deemed to be a contract between the Corporation and each Indemnitee. Any repeal or modification of this Article VIII or any repeal or modification of relevant provisions of the DGCL or any other applicable laws shall not in any way diminish any rights to indemnification of such Indemnitee or the obligations of the Corporation arising hereunder with respect to any proceeding arising out of, or relating to, any actions, transactions or facts occurring prior to the final adoption of such repeal or modification.

8.5 Insurance. The Corporation shall have power to purchase and maintain insurance on behalf of any person who is or was or has agreed to become a director or officer of the Corporation, or is or was serving at the request of the Corporation as a director or officer of another corporation, partnership, limited liability company, joint venture, trust or other enterprise (including, without limitation, with respect to an employee benefit plan), against any liability asserted against him and incurred by him or on his behalf in any such capacity, or arising out of his status as such, whether or not the Corporation would have the power to indemnify him against such liability under the provisions of this Article VIII; provided, however, that such insurance is available on acceptable terms, which determination shall be made by a vote of a majority of the Board.

8.6 Savings Clause. If this Article VIII or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Corporation shall nevertheless indemnify each person entitled to indemnification under the first paragraph of this Article VIII as to all expense, liability and loss (including, without limitation, attorneys' fees, costs and charges, fines, ERISA excise taxes and penalties, penalties and amounts paid or to be paid in settlement) actually and reasonably incurred or suffered by such person and for which indemnification is available to such person pursuant to this Article VIII to the full extent permitted by any applicable portion of this Article VIII that shall not have been invalidated and to the full extent permitted by applicable law.

ARTICLE IX
MISCELLANEOUS PROVISIONS

9.1 Dividends. Subject to provisions of law and the Charter, dividends may be declared by the Board at any regular or special meeting and may be paid in cash, in property, or in shares of stock of the Corporation. Such declaration and payment shall be at the discretion of the Board.

9.2 Reserves. There may be created by the Board out of funds of the Corporation legally available therefor such reserve or reserves as the Board from time to time, in its discretion, considers proper to provide for contingencies, to equalize dividends, or to repair or maintain any property of the Corporation, or for such other purpose as the Board shall consider beneficial to the Corporation, and the Board may modify or abolish any such reserve in the manner in which it was created.

9.3 Books and Records. The Corporation shall keep correct and complete books and records of account, shall keep minutes of the proceedings of its stockholders and Board and shall keep at its registered office or principal place of business, or at the office of its transfer agent or registrar, a record of its stockholders, giving the names and addresses of all stockholders and the number and class of the shares held by each.

9.4 Fiscal Year. The fiscal year of the Corporation shall be fixed by the Board; *provided, however,* that if such fiscal year is not fixed by the Board and the selection of the fiscal year is not expressly deferred by the Board, the fiscal year shall be the calendar year.

9.5 Seal. The seal of the Corporation shall be such as from time to time may be approved by the Board.

9.6 Resignations. Any director, committee member, or officer may resign by so stating at any meeting of the Board or by giving written notice to the Board, the Chairman of the Board, the President, or the Secretary. Such resignation shall take effect at the time specified therein or, if no time is specified therein, immediately upon its receipt. Unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

9.7 Securities of Other Corporations. The Chairman of the Board, the President, or any Vice President of the Corporation shall have the power and authority to transfer, endorse for transfer, vote, consent, or take any other action in respect of any securities of another issuer that may be held or owned by the Corporation and to make, execute, and deliver any waiver, proxy, or consent in respect of any such securities.

9.8 Telephone Meetings. Stockholders (acting for themselves or through a proxy), members of the Board, and members of a committee of the Board may participate in and hold a meeting of such stockholders, Board, or committee by means of a conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other, and participation in a meeting pursuant to this Section 8.8 shall constitute presence in person at such meeting, except where a person participates in the meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened.

9.9 Action Without a Meeting.

(a) Unless otherwise provided in the Charter, any action required by the DGCL to be taken at any annual or special meeting of the stockholders, or any action which may be taken at

any annual or special meeting of the stockholders, may be taken without a meeting, without prior notice, and without a vote, if a consent or consents in writing, setting forth the action so taken, shall be signed by the holders (acting for themselves or through a proxy) of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which the holders of all shares entitled to vote thereon were present and voted and shall be delivered to the Corporation by delivery to its registered office in the State of Delaware, its principal place of business, or an officer or agent of the Corporation having custody of the book in which proceedings of meetings of stockholders are recorded. Every written consent of stockholders shall bear the date of signature of each stockholder who signs the consent and no written consent shall be effective to take the corporate action referred to therein unless, within 60 days of the earliest dated consent delivered in the manner required by this Section 8.9(a) to the Corporation, written consents signed by a sufficient number of holders to take action are delivered to the Corporation by delivery to its registered office in the State of Delaware, its principal place of business, or an officer or agent of the Corporation having custody of the book in which proceedings of meetings of stockholders are recorded. Delivery made to the Corporation's registered office, principal place of business, or such officer or agent shall be by hand or by certified or registered mail, return receipt requested. A telegram, cablegram or other electronic transmission consenting to an action to be taken and transmitted by a stockholder or proxyholder, or by a person or persons authorized to act for a stockholder or proxyholder, shall be deemed to be written, signed and dated for the purposes of this Section to the extent permitted by law. Any such consent shall be delivered in accordance with Section 228(d)(1) of the DGCL.

(b) Unless otherwise restricted by the Charter or by these Bylaws, any action required or permitted to be taken at a meeting of the Board, or of any committee of the Board, may be taken without a meeting if a consent or consents in writing or by electronic transmission, setting forth the action so taken, shall be signed by all the directors or all the committee members, as the case may be, entitled to vote in respect of the subject matter thereof, and such consent shall have the same force and effect as a vote of such directors or committee members, as the case may be, and may be stated as such in any certificate or document filed with the Secretary of State of the State of Delaware or in any certificate delivered to any person. Such consent or consents shall be filed with the minutes of proceedings of the board or committee, as the case may be.

9.10 Invalid Provisions. If any part of these Bylaws shall be held invalid or inoperative for any reason, the remaining parts, so far as it is possible and reasonable, shall remain valid and operative.

9.11 Mortgages, etc. In respect of any deed, deed of trust, mortgage, or other instrument executed by the Corporation through its duly authorized officer or officers, the attestation to such execution by the Secretary of the Corporation shall not be necessary to constitute such deed, deed of trust, mortgage, or other instrument a valid and binding obligation against the Corporation unless the resolutions, if any, of the Board authorizing such execution expressly state that such attestation is necessary.

9.12 Headings. The headings used in these Bylaws have been inserted for administrative convenience only and do not constitute matter to be construed in interpretation.

9.13 References. Whenever herein the singular number is used, the same shall include the plural where appropriate, and words of any gender should include each other gender where appropriate.

c. PREEMPTIVE RIGHTS.

(A) Definitions. As used in this Article IV, the following capitalized terms shall have the respective meanings set forth below.

(i) “New Securities” means any shares of capital stock of the Corporation, whether or not now authorized, and securities of any type whatsoever that are, or may become, convertible into or exchangeable or exercisable for shares of capital stock, other than (1) any Common Stock issued upon conversion of any then issued and outstanding Preferred Stock or other securities convertible into or exchangeable or exercisable for Common Stock (which securities have been issued in accordance with (x) this Section 1(c) or (y) any of the immediately following clauses (2) through 5), (2) Common Stock and/or options, warrants or other Common Stock purchase rights, and the Common Stock issued pursuant to such options, warrants or other rights issued or to be issued to employees, officers or directors of, or consultants to the Corporation or any subsidiary

(ii) "Pro Rata Amount" means, at any time, with respect to any holder of shares of Common Stock, the ratio of (x) the number of shares of Common Stock owned by a holder of Common Stock to (y) the total number of shares of Common Stock of the Corporation issued and outstanding (on a fully diluted basis), including all issued and outstanding securities convertible into or exchangeable or exercisable for Common Stock on an as-converted or exercised basis (including, without limitation, any Preferred Stock and outstanding options and warrants exercisable for Common Stock); and

[Other applications of this definition are under discussion.]

(B) Subject to the other provisions of this Certificate of Incorporation, each Settlement Note Holder which holds 3.0 % or more of the issued and outstanding Common Stock shall have the right to purchase its Pro Rata Amount of any New Securities that the Corporation may, from time to time, propose to sell and issue. In the event the Corporation proposes to issue any New Securities, it shall give all Settlement Note Holders written notice, at their last addresses as they shall appear in the share register, at least thirty (30) days before such issuance, describing the New Securities, the price and number of shares (or principal amount) and the general terms upon which the Corporation proposes to issue the same. Each such Settlement Note Holder shall have thirty (30) days from the date of receipt of any such notice to agree to purchase up to the amount of New Securities equal to such Settlement Note Holder's Pro Rata Amount of such New Securities for the price and upon the general terms specified in the notice by giving written notice to the Corporation (at its principal office or such

other address as may be specified by the Corporation in its written notice to the Settlement Note Holders) of such Settlement Note Holder's intention to purchase such New Securities at the initial closing of the sale of New Securities and the number of such New Securities that such Settlement Note Holder intends to purchase.

(C) If a Settlement Note Holder fails to exercise in full its right of participation within said thirty (30) day period as set forth in Section 1(c)(B) above, the Corporation shall have ninety (90) days thereafter to sell the amounts of New Securities as to which such Settlement Note Holder's option was not exercised, at the price and upon the terms specified in the Corporation's notice. The Corporation shall not issue or sell any additional amounts of New Securities after the expiration of such ninety (90) day period without first offering such securities to the Settlement Note Holders in the manner provided in Section 1(c)(B) above.

(D) This Section 1(c) shall terminate upon the closing of the first underwritten public offering of Common Stock to the general public pursuant to an effective registration statement (other than a registration statement on Form S-4 or S-8 or any similar or successor form) filed with the Securities and Exchange Commission or any action by the Corporation pursuant to which the Common Stock becomes listed on a national securities exchange and shall thereafter have no force or effect.

2. **PREFERRED STOCK.** The Board of Directors is authorized, subject to limitations prescribed by law, to provide by resolution or resolutions for the issuance of shares of Preferred Stock in one or more series to establish the number of shares to be included in each such series, and to fix the voting powers (if any), designations, powers, preferences, and relative, participating, optional or other rights, if any, of the shares of each such series, and any qualifications, limitations or restrictions thereof. Irrespective of the provisions of Section 242(b)(2) of the DGCL, the number of authorized shares of Preferred Stock may be increased or decreased (but not below the number of shares thereof then outstanding) by the affirmative vote of the holders of a majority of the voting power of all of the then-outstanding stock of the Corporation entitled to vote thereon, without the separate vote of the holders of the Preferred Stock as a class, or any series thereof, unless a vote of any such holders is required pursuant to the terms of any series of Preferred Stock.

ARTICLE V. NO NON-VOTING EQUITY SECURITIES

Pursuant to section 1123(a)(6) of the title II of the United States Code (the "Bankruptcy Code"), notwithstanding any other provision contained herein to the contrary, the Corporation shall not issue non-voting equity securities.

ARTICLE VI. RESTRICTIONS ON TRANSFER OF SECURITIES

It is in the best interests of the Corporation and its stockholders that certain restrictions on the transfer or other disposition of shares of Common Stock, as relates to the preservation of certain tax attributes, be established as more fully set forth in this Article VI.

1. Definitions. As used in this Article VI, the following capitalized terms shall have the following respective meanings (and any references to any portions of Treasury Regulation Section 1.382-2T shall include any successor provision thereto):

“Acquire” means the acquisition, directly or indirectly, of ownership of Corporation Securities by any means, including, without limitation, (i) the exercise of any rights under any option, warrant, convertible security, pledge or other security interest or similar right to acquire shares, (ii) the entering into of any swap, hedge or other arrangement that results in the acquisition of any of the economic consequences of ownership of Corporation Securities, or (iii) any other acquisition or transaction treated under the applicable rules under section 382 of the Code as a direct or indirect acquisition (including the acquisition of an ownership interest in a Substantial Holder), but shall not include the acquisition of any such rights unless, as a result, the acquiror would be considered an owner within the meaning of the tax laws. The terms “Acquires” and “Acquisition” shall have the same meaning.

“Board” means the board of directors of the Corporation.

“Code” means the Internal Revenue Code of 1986, as amended from time to time.

“Corporation Securities” means (i) shares of Common Stock, (ii) any other interests that would be treated as “stock” of the Corporation pursuant to Treasury Regulation Section 1.382-2T(f)(18), and (iii) warrants, rights or options (including within the meaning of Treasury Regulation Section 1.382-4(d)(8)) to purchase Corporation Securities, but only to the extent such warrants, rights or options are treated as exercised pursuant to Treasury Regulation Section 1.382-4(d).

“Disposition” means the sale, transfer, exchange, assignment, liquidation, conveyance, pledge, or other disposition or transaction treated under the applicable rules under Section 382 of the Code as a direct or indirect disposition (including the disposition of an ownership interest in a Substantial Holder). The terms “Dispose” and “Disposition” shall have the same meaning.

“DTC” means The Depository Trust Company.

“Effective Date” means the effective date of the Plan, which shall be the date of filing of this Certificate of Incorporation.

“Percentage Stock Ownership” means percentage stock ownership as determined in accordance with Treasury Regulation Section 1.382-2T(g), (h) (without regard to the rule that treats stock of an entity as to which the constructive ownership rules apply as no longer owned by that entity), (j) and (k), and Treasury Regulation Section 1.382-4.

“Person” means an individual, corporation, estate, trust, association, limited liability company, partnership, joint venture or similar organization or “entity” within the meaning of Treasury Regulation Section 1.382-3 (including, without limitation, any group of Persons treated as a single entity under such regulation).

“Plan” means the Sixth Amended Joint Plan of Washington Mutual, Inc. and WMI Investment Corp. pursuant to Chapter 11 of the Bankruptcy Code.

“Prohibited Transfer” means any purported Transfer of Corporation Securities to the extent that such Transfer is prohibited and/or void under this Article VI.

“Restriction Release Date” means the earliest of (i) any date after the Effective Date if the Board in good faith determines that it is in the best interests of the Corporation and its stockholders for the ownership and transfer limitations set forth in this Article VI to expire, (ii) the beginning of a taxable year of the Corporation as of which no Tax Benefits are available, or (iii) December 31, 2030.

“Substantial Holder” means a Person (including, without limitation, any group of Persons treated as a single “entity” within the meaning of the Treasury Regulation Section 1.382-3) holding Corporation Securities, whether as of the Effective Date, after giving effect to the Plan, or thereafter, representing a Percentage Stock Ownership (including indirect ownership, as determined under applicable Treasury Regulations) in the Corporation of at least 4.75%.

“Tax Benefits” means the net operating loss carryovers, capital loss carryovers, general business credit carryovers, alternative minimum tax credit carryovers and foreign tax credit carryovers, as well as any “net unrealized built-in loss” within the meaning of Section 382 of the Code, of the Corporation or any direct or indirect subsidiary thereof.

“Transfer” means any direct or indirect Acquisition or Disposition of Corporation Securities.

“Treasury Regulation” means a Treasury regulation promulgated under the Code.

2. Ownership Limitations.

(a) To the fullest extent permitted by law, from and after the Effective Date and prior to the Restriction Release Date:

(A) no Person shall be permitted to make an Acquisition, whether in a single transaction or series of related transactions, and any such purported Acquisition will be *void ab initio*, to the extent that after giving effect to such purported Acquisition (i) the purported acquiror or any other Person by reason of the purported acquiror's Acquisition would become a Substantial Holder, or (ii) the Percentage Stock Ownership of a Person that, prior to giving effect to the purported Acquisition, is a Substantial Holder would be increased; and

(B) no Substantial Holder shall Dispose of any Corporation Securities without consent of the Board, as provided in Section 2(b) of this Article VI, and any such purported Disposition will be *void ab initio*.

The prior sentence is not intended to prevent the Corporation Securities from being DTC-eligible and shall not preclude the settlement of any transactions in the Corporation Securities entered into through the facilities of a national securities exchange, but such transaction, if prohibited by the prior sentence, shall nonetheless be a Prohibited Transfer.

(b) The restrictions set forth in Section 2(a) of this Article VI shall not apply to a proposed Transfer if the transferor or the transferee, upon providing at least fifteen (15) days prior written notice of such proposed Transfer to the Board, obtains the written consent to the proposed Transfer from a majority of the Board. The Board will consider whether the proposed Transfer, when considered alone or with other proposed or planned Transfers, will impair the Corporation's Tax Benefits and may, within its discretion, determine whether to permit the proposed Transfer, or not to permit the proposed Transfer, in order to protect the Corporation's Tax Benefits. The Board shall endeavor to inform the requesting party of its determination within ten (10) days after receiving such written notice; *provided, however*, that the failure of the Board to respond during such ten (10) day period shall not be deemed to be a consent to the Transfer. As a condition to granting its consent, the Board may, in its discretion, require and/or obtain (at the expense of the transferor and/or transferee) such representations and/or agreements from the transferor and/or transferee, such opinions of counsel to be rendered by counsel selected by the Board, and such other advice, in each case as to such matters as the Board determines is appropriate. The Board may waive the restrictions imposed in this Article VI, in whole or in part, in circumstances where it believes doing so would be to be beneficial to stockholders of the Corporation taken as a whole.

3. Treatment of Excess Securities.

(a) No employee or agent of the Corporation shall record any Prohibited Transfer, and the purported transferee (the "Purported Transferee") of a Prohibited Transfer shall not be recognized as a stockholder of the Corporation for any purpose whatsoever in respect of the Corporation Securities which are the subject of the Prohibited Transfer (the "Excess Securities"). Until the Excess Securities are acquired by another Person in a Transfer that is not a Prohibited Transfer, the Purported Transferee shall not be entitled with respect to such Excess Securities to any rights of stockholders

of the Corporation, including, without limitation, the right to vote such Excess Securities and to receive dividends or distributions, whether liquidating or otherwise, in respect thereof. Once the Excess Securities have been acquired in a Transfer that is in accordance with this Section 3 of this Article VI and is not a Prohibited Transfer, such Corporation Securities shall cease to be Excess Securities.

(b) If the Board determines that a Prohibited Transfer has occurred, such Prohibited Transfer and, if applicable, the recording of such Prohibited Transfer, shall, to the fullest extent permitted by law, be *void ab initio* and have no legal effect and, upon written demand by the Corporation, the Purported Transferee shall transfer or cause to be transferred any certificate or other evidence of ownership of the Excess Securities within the Purported Transferee's possession or control, together with any dividends or other distributions that were received by the Purported Transfer from the Corporation with respect to the Excess Securities (the "Prohibited Distributions"), to an agent designated by the Board (the "Agent").

(A) In the case of a Prohibited Transfer described in Section 2(a)(A) of this Article VI, the Agent shall thereupon sell to a buyer or buyers, the Excess Securities transferred to it in one or more arm's-length transactions (including over a national securities exchange on which the Corporation Securities may be traded, if possible); *provided, however*, that the Agent, in its sole discretion, shall effect such sale or sales in an orderly fashion and shall not be required to effect any such sale within any specific time frame if, in the Agent's discretion, such sale or sales would disrupt the market for the Corporation Securities or otherwise would adversely affect the value of the Corporation Securities. If the Purported Transferee has resold the Excess Securities before receiving the Corporation's demand to surrender the Excess Securities to the Agent, the Purported Transferee shall be deemed to have sold the Excess Securities for the Agent, and shall be required, to the fullest extent permitted by law, to transfer to the Agent any Prohibited Distributions and proceeds of such sale, except to the extent that the Corporation grants written permission to the Purported Transferee to retain a portion of such sales proceeds not exceeding the amount that the Purported Transferee would have received from the Agent pursuant to Section 3(c) of this Article VI if the Agent, rather than the Purported Transferee, had resold the Excess Securities.

(B) In the case of a Prohibited Transfer described in Section 2(a)(B) of this Article VI, the transferor of such Prohibited Transfer (the "Purported Transferor") shall also deliver to the Agent the sales proceeds from the Prohibited Transfer (in the form received, i.e., whether in cash or other property), and the Agent shall thereupon sell any non-cash consideration to a buyer or buyers in one or more arm's-length transactions (including over a national securities exchange, if possible). If the Purported Transferee is determinable (other than with respect to a transaction entered into through the facilities of a national securities exchange), the Agent shall, to the extent possible, return the Prohibited Distributions to the Purported Transferor, and shall reimburse the

Purported Transferee from the sales proceeds received from the Purported Transferor (or the proceeds from the disposition of any non-cash consideration) for the cost of any Excess Securities returned in accordance with Section 3(c) of this Article VI. If the Purported Transferee is not determinable, or to the extent the Excess Securities have been resold and thus cannot be returned to the Purported Transferor, the Agent shall use the proceeds to acquire on behalf of the Purported Transferor, in one or more arm's-length transactions (including over a national securities exchange on which the Corporation Securities may be traded, if possible), an equal amount of Corporation Securities in replacement of the Excess Securities sold; *provided, however*, that, to the extent the amount of proceeds is not sufficient to fund the purchase price of such Corporation Securities and the Agent's costs and expenses (as described in Section 3(c) of this Article VI), the Purported Transferor shall promptly fund such amounts upon demand by the Agent.

(c) The Agent shall apply any proceeds or any other amounts received by it and in accordance with Section 3 of this Article VI as follows:

(A) *first*, such amounts shall be paid to the Agent to the extent necessary to cover its costs and expenses incurred in connection with its duties hereunder;

(B) *second*, any remaining amounts shall be paid to the Purported Transferee, up to the amount actually paid by the Purported Transferee, for the Excess Securities (or in the case of any Prohibited Transfer by gift, devise or inheritance or any other Prohibited Transfer without consideration, the fair market value, (x) calculated on the basis of the closing market price for the Corporation Securities on the day before the Prohibited Transfer or (y) if the Corporation Securities are not listed or admitted to trading on any stock exchange but are traded in the over-the-counter market, calculated based upon the difference between the highest bid and lowest asked prices, as such prices are reported by the National Association of Securities Dealers through its NASDAQ system or any successor system on the day before the Prohibited Transfer or, if none, on the last preceding day for which such quotations exist, or (z) if the Corporation Securities are neither listed nor admitted to trading on any stock exchange nor traded in the over-the-counter market, then as determined in good faith by the Board, which amount (or fair market value) shall be determined at the discretion of the Board); and

(C) *third*, any remaining amounts, subject to the limitations imposed by the following proviso, shall be paid to one or more organizations qualifying under Section 501(c)(3) of the Code (or any comparable successor provision) ("Section 501(c)(3)") selected by the Board; *provided, however*, that, if the Excess Securities (including any Excess Securities arising from a previous Prohibited Transfer not sold by the Agent in a prior sale or sales) represent a 4.75% or greater Percentage Stock Ownership interest in the Corporation, then

such remaining amounts shall be paid to two or more organizations qualifying under Section 501(c)(3) selected by the Board, such that no organization qualifying under Section 501(c)(3) shall possess Percentage Stock Ownership in the Corporation in excess of 4.74%.

The recourse of any Purported Transferee in respect of any Prohibited Transfer shall be limited to the amount payable to the Purported Transferee pursuant to clause (B) above. Except as may be required by law, in no event shall the proceeds of any sale of Excess Securities pursuant to this Article VI inure to the benefit of the Corporation.

(d) If the Purported Transferee or the transferor fails to surrender the Excess Securities (as applicable) or the proceeds of a sale thereof to the Agent within thirty (30) days from the date on which the Corporation makes a demand pursuant to Section (3)(b) of this Article VI, then the Corporation shall use its best efforts to enforce the provisions hereof, including the institution of legal proceedings to compel the surrender.

4. Obligation to Provide Information.

(a) At the request of the Corporation, any Person which is a beneficial, legal or record holder of Corporation Securities, and any proposed transferor or transferee and any Person controlling, controlled by or under common control with the proposed transferor or transferee, shall provide such information as the Corporation may reasonably request as may be necessary from time to time in order to determine compliance with this Article VI or the status of the Corporation's Tax Benefits.

5. Bylaws; Legends; Compliance.

(a) The bylaws of the Corporation may make appropriate provisions to effectuate the requirements of this Article VI.

(b) Until the Restriction Release Date, all certificates representing Corporation Securities shall bear a conspicuous legend as follows:

“THE TRANSFER OF THE SECURITIES REPRESENTED HEREBY IS SUBJECT TO OWNERSHIP RESTRICTIONS PURSUANT TO ARTICLE VI OF THE CERTIFICATE OF INCORPORATION OF [WASHINGTON MUTUAL, INC.] [REPRINTED IN SUBSTANTIAL PART ON THE BACK OF THIS CERTIFICATE]. THE CORPORATION WILL FURNISH A COPY OF ITS CERTIFICATE OF INCORPORATION TO THE HOLDER OF RECORD OF THIS CERTIFICATE WITHOUT CHARGE UPON A WRITTEN REQUEST ADDRESSED TO THE CORPORATION AT ITS PRINCIPAL PLACE OF BUSINESS.”

(c) The Corporation shall have the power to make appropriate notations upon its stock transfer records and instruct any transfer agent, registrar, securities intermediary or depository with respect to the requirements of this Article VI for any uncertificated Corporation Securities or Corporation Securities held in an indirect holding system, and the Corporation shall provide notice of the restrictions on transfer and ownership to holders of uncertificated shares in accordance with applicable law.

(d) The Board shall have the power to determine all matters necessary for determining compliance with this Article VI, including, without limitation, determining (A) the identification of Substantial Holders, (B) whether a Transfer is a Prohibited Transfer, (C) the Percentage Stock Ownership of any Substantial Holder or other Person, (D) whether an instrument constitutes a Corporation Security, (E) the amount (or fair market value) due to a Purported Transferee pursuant to clause (B) of Section 3(c) of this Article VI, and (F) any other matters that the Board determines to be relevant. The good faith determination of the Board on such matters shall be conclusive and binding for the purposes of this Article VI.

ARTICLE VII. BOARD OF DIRECTORS

1. The business and affairs of the Corporation shall be managed by, or under the direction of, the Board of Directors. The Board of Directors may exercise all such authority and powers of the Corporation and do all such lawful acts and things as are not by statute or this Certificate of Incorporation directed or required to be exercised or done solely by the stockholders.

2. Subject to the rights of the holders of any series of Preferred Stock to elect additional directors under specified circumstances, the number of directors of the Corporation shall be fixed from time to time exclusively by the Board of Directors pursuant to a resolution adopted by a majority of the Whole Board or a bylaw of the Corporation; *provided, however*, that the number of directors shall not be less than three (3), nor more than fifteen (15). The term “Whole Board” at any time shall mean the total number of directors fixed at the time, whether or not there exist any vacancies in previously-authorized directorships.

3. Subject to the rights of the holders of any series of Preferred Stock then outstanding, newly created directorships resulting from any increase in the number of directors or any vacancies in the Board of Directors resulting from death, resignation, retirement, disqualification, removal from office or any other cause shall, unless otherwise required by the DGCL, be filled only by the Board of Directors, *provided* that a quorum is then in office and present, or by a majority of the directors then in office, if less than a quorum is then in office, or by the sole remaining director. Directors elected to fill a newly created directorship or other vacancies shall hold office until such director’s successor has been duly elected or until his earlier death, resignation or removal as provided in this Certificate of Incorporation.

4. Subject to the rights of the holders of any series of Preferred Stock then outstanding, any director may be removed, with or without cause, from office at any time, at a meeting called for that purpose, and only by the affirmative vote of the holders of a majority of the voting power of the issued and outstanding shares of Common stock and the issued and outstanding shares of Preferred Stock, if any, entitled to vote generally with the Common Stock on all matters on which the holders of Common Stock are entitled to vote, voting together as a single class.

5. Elections for directors need not be by written ballot unless the bylaws of the Corporation shall otherwise provide.

6. The Board of Directors is expressly authorized to adopt, amend or repeal the bylaws of the Corporation. The stockholders shall also have the power to adopt, amend or repeal the bylaws of the Corporation; *provided, however*, that, in addition to any vote of the holders of any class or series of stock of the Corporation required by the DGCL, by this Certificate of Incorporation or by the bylaws, the affirmative vote of the holders of more than 50% of the voting power of the issued and outstanding shares of Common Stock and the issued and outstanding shares of Preferred Stock, if any, entitled to vote generally with the Common Stock on all matters on which the holders of Common Stock are entitled to vote, voting together as a single class, shall be required to adopt, amend or repeal the bylaws of the Corporation.

ARTICLE VIII. LIABILITY OF DIRECTORS

A director of the Corporation shall not be personally liable either to the Corporation or to any stockholder for monetary damages for breach of fiduciary duty as a director, except (i) for any breach of the director's duty of loyalty to the Corporation or its stockholders, (ii) for acts or omissions which are not in good faith or which involve intentional misconduct or knowing violation of the law, (iii) for any matter in respect of which such director shall be liable under Section 174 of the DGCL or any amendment or successor provision thereto, or (iv) for any transaction from which the director shall have derived an improper personal benefit. Neither amendment nor repeal of this Article VIII, nor the adoption of any provision of this Certificate of Incorporation inconsistent with this Article VIII shall eliminate or reduce the effect of this Article VIII in respect of any matter occurring, or any cause of action, suit or claim that, but for this Article VIII, would accrue or arise prior to such amendment, repeal or adoption of an inconsistent provision.

ARTICLE IX. AMENDMENT

The Corporation reserves the right to amend, alter, change or repeal any provision contained in this Certificate of Incorporation, in the manner now or hereafter prescribed by statute, and all rights conferred upon stockholders herein are granted subject to this reservation. Notwithstanding any other provision of this Certificate of

Incorporation or the bylaws of the Corporation, and notwithstanding the fact that a lesser percentage or separate class vote may be specified by the DGCL, this Certificate of Incorporation, the bylaws of the Corporation or otherwise, but in addition to any affirmative vote of the holders of any particular class or series of the capital stock required by the DGCL, this Certificate of Incorporation, the bylaws of the Corporation or otherwise, the affirmative vote of the holders of at least 80% of the voting power of the issued and outstanding shares of Common Stock and the issued and outstanding shares of Preferred Stock, if any, entitled to vote generally with the Common Stock on all matters on which the holders of Common Stock are entitled to vote, voting together as a class, shall be required to adopt any provision inconsistent with, or to amend or repeal any provision of, Articles VIII, IX or X of this Certificate of Incorporation.

ARTICLE X. BUSINESS OPPORTUNITIES

1. Except as otherwise agreed in writing, to the fullest extent permitted by law, (i) no Original Stockholder (or any of the officers, directors, employees, advisory board members, agents, stockholders, members, partners, affiliates and subsidiaries of any Original Stockholder or any of its affiliates (collectively the “Original Affiliates”)) shall have the duty (fiduciary or otherwise) or obligation, if any, to refrain from (a) engaging in the same or similar activities or lines of business as the Corporation, (b) doing business with any client, customer or vendor of the Corporation or (c) entering into and performing one or more agreements (or modifications or supplements to pre-existing agreements) with the Corporation, including, without limitation, in the case of any of clause (a), (b) or (c), any such matters as may be corporate opportunities, and (ii) no Original Stockholder nor any Original Affiliate shall be deemed to have breached any duties (fiduciary or otherwise), if any, to the Corporation or its stockholders by reason of any Original Stockholder or any Original Affiliate engaging in any such activity or entering into such transactions, including, without limitation, any corporate opportunities.

2. If any Original Stockholder or Original Affiliate acquires knowledge of a corporate opportunity or is utilizing any corporate opportunity, the Corporation shall have no interest in such corporate opportunity and no expectancy that such corporate opportunity be offered to it, any such interest or expectancy being hereby renounced, so that (i) such Original Stockholder or Original Affiliate shall, to the fullest extent permitted by law, have the right to hold and utilize any such corporate opportunity for its own account (and for the account of its officers, directors, employees, advisory board members, agents, stockholders, members, partners, affiliates and subsidiaries (other than the Corporation)) or to direct, sell, assign or transfer such corporate opportunity to any person other than the Corporation and (ii) such Original Stockholder or Original Affiliate shall have no obligation to communicate or offer such corporate opportunity to the Corporation and shall not, to the fullest extent permitted by law, breach any duty (fiduciary or otherwise) to the Corporation or any of its stockholders or be liable to the Corporation, or any of its stockholders for breach of any duty (fiduciary or otherwise) as a director, officer or stockholder of the Corporation by reason of the fact that any

Original Stockholder or Original Affiliate acquires, utilizes, or seeks such corporate opportunity for itself, directs such corporate opportunity to another person, or otherwise does not communicate information regarding such corporate opportunity to the Corporation or any of its stockholders; *provided, however*, that the Corporation does not renounce any interest or expectancy it may have in any corporate opportunity that is offered to any director or officer of the Corporation (as defined in Securities Exchange Rule 16a-1(f) who also is an Original Affiliate if such opportunity is expressly offered to such person in his capacity as a director or officer of the Corporation (as defined in Securities Exchange Act Rule 16a-1(f)).

3. For purposes of this Article X, (i) the term “corporate opportunity” shall mean an investment, business opportunity or prospective economic or competitive advantage, including, without limitation, any matter (a) in which the Corporation could have an interest or expectancy, (b) which the Corporation is financially able to undertake, or with respect to which the Corporation would reasonably be able to obtain debt or equity financing, and (c) which is, from its nature, in the line or lines of the Corporation’s business or reasonable expansion thereof, (ii) the term “Corporation” shall mean the Corporation and all corporations, partnerships, joint ventures, associations and other entities in which the Corporation beneficially owns (directly or indirectly) 50% or more of the outstanding voting stock, voting power, partnership interests or similar voting interests, (iii) the term “person” shall mean an individual, partnership, corporation, limited liability company, unincorporated organization, trust or joint venture, or a governmental agency or political subdivision thereof, or other entity of any kind, and (iv) the term “Original Stockholder” shall mean each of the holders of Corporation’s Common Stock as of the Effective Date (as defined Article VI of this Certificate of Incorporation) and each of their respective affiliates (as defined in Rule 405 of the Securities Act of 1933, as amended from time to time and any successor provision thereto); *provided, however*, that for purposes of this definition of “Original Stockholder,” and the definition of “Original Affiliate” above, none of the Original Stockholders, on one hand, or the Corporation, on the other hand, shall be deemed to be an affiliate of one another.

4. Neither the alteration, amendment or repeal of this Article X nor the adoption of any provisions of this Certificate of Incorporation inconsistent with this Article X shall eliminate or reduce the effect of this Article X in respect of any matter occurring, or any cause of action, suit or claim that, but for this Article X, would accrue or arise prior to such alteration, amendment, repeal or adoption.

Any such request by a Holder pursuant to this Section 2.1(a)(i) is referred to herein as a “Demand Registration Request,” and the registration so requested is referred to herein as a “Demand Registration” (with respect to any Demand Registration, the Holder making such demand for registration being referred to as the “Initiating Holder(s)”). As promptly as practicable, but no later than ten (10) Business Days after receipt of a Demand Registration Request, the Company shall give written notice (the “Demand Exercise Notice”) of such Demand Registration Request to all Holders of record of Registrable Securities.

Notwithstanding any other provision of this Agreement, each of Aurelius, Appaloosa, Centerbridge or Owl Creek shall have the right to make no more than two (2) Demand Registration Requests, which registrations have been declared or ordered effective. Notwithstanding any other provision of this Agreement, any Holder or Holders that together are holding more than 50% of the then outstanding Common Equity of the Company shall have the right to require the Company to effect a Qualified IPO/Listing.

(ii) The Company, subject to Sections 2.3 and 2.6, shall include in a Demand Registration (x) the Registrable Securities intended to be disposed of by the Initiating Holders and (y) the Registrable Securities intended to be disposed of by any other Holder of Registrable Securities, which shall have made a written request to the Company for inclusion in such registration pursuant to Section 2.2 (which request shall specify the maximum number of Registrable Securities intended to be disposed of by such Participating Holder) within thirty (30) days after the receipt of the Demand Exercise Notice (or fifteen (15) days if, at the request of the Initiating Holders, the Company states in such written notice or gives telephonic notice to all Holders, with written confirmation to follow promptly thereafter, that such registration will be on a Form S-3).

(iii) The Company shall use its commercially reasonable efforts to (x) effect such registration under the Securities Act (including, without limitation, by means of a shelf registration pursuant to Rule 415 under the Securities Act if so requested and if the Company is then eligible to use such a registration) of the Registrable Securities which the Company has been so requested to register, for distribution in accordance with such intended method of distribution, including a distribution to, and resale by, the members or partners of a Holder (a "Partner Distribution") and (y) if requested by the Majority Participating Holders, obtain acceleration of the effective date of the registration statement relating to such registration.

(iv) Notwithstanding anything contained herein to the contrary, the Company shall, at the request of any Holder seeking to effect a Partner Distribution, file any prospectus supplement or post-effective amendments and otherwise take any action necessary to include therein all disclosure and language deemed necessary or advisable by such Holder if such disclosure or language was not included in the initial registration statement, or revise such disclosure or language if deemed necessary or advisable by such Holder, including filing a prospectus supplement naming the Holders, partners, members and shareholders to the extent required by law, to effect such Partner Distribution.

(b) Notwithstanding anything to the contrary in Section 2.1(a), the Demand Registration rights granted in Section 2.1(a) are subject to the following limitations: (i) none of Appaloosa, acting individually, Aurelius, acting individually, Centerbridge, acting individually, or Owl Creek, acting individually shall make more than two (2) Demand Registration Requests, which registrations have been declared or ordered effective (provided, however, if in any registration effected pursuant to a Demand Registration Request, such Initiating Holder is not able to include all of the Registrable Securities requested to be included in such registration by such Initiating Holder, then such Demand Registration shall not count toward the two (2) Demand Registrations granted to each such Initiating Holder hereunder); (ii) the Company shall not be required to cause a registration pursuant to Section 2.1(a)(i) to be declared effective within a period of ninety (90) days after the effective date of any other registration statement of the

Company filed pursuant to the Securities Act; (iii) the Company shall not be obligated to effect a Demand Registration unless the anticipated offering price, net of any underwriting discounts or commissions, is greater than or equal to \$9,500,000 and (iv) if the Board, in its good faith judgment, determines that any registration of Registrable Securities should not be made or continued because it would materially interfere with any material financing, acquisition, corporate reorganization or merger or other transaction or event involving the Company or any of its subsidiaries (a “Valid Business Reason”), then (x) the Company may postpone filing a registration statement relating to a Demand Registration Request for a reasonable time, but in no event for more than ninety (90) days after the date the Board determines a Valid Business Reason exists and (y) in case a registration statement has been filed relating to a Demand Registration Request, if the Valid Business Reason has not resulted from actions taken by the Company, the Company may cause such registration statement to be withdrawn and its effectiveness terminated or may postpone amending or supplementing such registration statement until a reasonable time, but in no event for more than ninety (90) days after the date the Board determines a Valid Business Reason exists (such period of postponement or withdrawal under this clause (iv), the “Postponement Period”); and the Company shall give written notice of its determination to postpone or withdraw a registration statement and of the fact that the Valid Business Reason for such postponement or withdrawal exists, in each case, promptly after the occurrence thereof.

If the Company shall give any notice of postponement or withdrawal of any registration statement pursuant to clause (iii) above, the Company shall not, during the period of postponement or withdrawal, register any Common Equity, other than pursuant to a registration statement on Form S-4 or S-8 (or an equivalent registration form then in effect). Each Holder of Registrable Securities agrees that, upon receipt of any notice from the Company that the Company has determined to withdraw any registration statement pursuant to clause (iii) above, such Holder will discontinue its disposition of Registrable Securities pursuant to such registration statement and, if so directed by the Company, will deliver to the Company (at the Company’s expense) all copies, other than permanent file copies, then in such Holder’s possession of the prospectus covering such Registrable Securities that was in effect at the time of receipt of such notice. If the Company shall have withdrawn or prematurely terminated a registration statement filed under Section 2.1(a)(i) (whether pursuant to clause (iii) above or as a result of any stop order, injunction or other order or requirement of the SEC or any other governmental agency or court), the Company shall not be considered to have effected an effective registration for the purposes of this Agreement until the Company shall have filed a new registration statement covering the Registrable Securities covered by the withdrawn registration statement and such registration statement shall have been declared effective and shall not have been withdrawn. If the Company shall give any notice of withdrawal or postponement of a registration statement, the Company shall, no later than three (3) months after the date of the postponement or withdrawal, use its commercially reasonable best efforts to effect the registration under the Securities Act of the Registrable Securities covered by the withdrawn or postponed registration statement in accordance with this Section 2.1 (unless the Initiating Holders shall have withdrawn such request, in which case the Company shall not be considered to have effected an effective registration for the purposes of this Agreement), and such registration shall not be withdrawn or postponed pursuant to clause (iii) of Section 2.1(b) above.

(c) In connection with any Demand Registration, the Initiating Holder(s) shall have the right to designate the lead managing underwriter (any lead managing underwriter for the purposes of this Agreement, the “Manager”) in connection with such registration and each other managing underwriter for such registration; provided that in each case, each such underwriter is reasonably satisfactory to the Company.

(d) A Demand Registration Request may be withdrawn prior to the filing of a registration statement pursuant to such request by the Majority Participating Holders (a “Withdrawn Request”) and a registration statement pursuant to such request may be withdrawn prior to the effectiveness thereof by the Majority Participating Holders (a “Withdrawn Demand Registration”), and such withdrawals shall be treated as a Demand Registration which shall have been effected pursuant to this Section 2.1, unless the Holders of Registrable Securities to be included in such registration statement reimburse the Company for its reasonable out-of-pocket Expenses relating to the preparation and filing of such Demand Registration Statement (to the extent actually incurred); provided; however, that if a Withdrawn Request or Withdrawn Registration Statement is made (i) because of a material adverse change in the business, financial condition or prospects of the Company, or (ii) as provided in Section 2.3(d), or (iii) because of a postponement of such registration pursuant to Section 2.1(b), then such withdrawal shall not be treated as a Demand Registration effected pursuant to this Section 2.1 (and shall not be counted toward the number of Demand Registrations), and the Company shall pay all Expenses in connection therewith.

2.2. Piggyback Registrations.

(a) If at any time after the date hereof, the Company proposes or is required (pursuant to Section 2.1 or otherwise) to register any of its Common Equity under the Securities Act (other than pursuant to registrations on Form S-4 or Form S-8 or any similar successor forms thereto), the Company shall give prompt written notice (in any event within ten (10) Business Days after receipt of notice of any exercise of demand registration rights by any Person) of its intention to do so to the Holders. Upon the written request of any Holder, made within twenty (20) days following the receipt of any such written notice (which request shall specify the maximum number of Registrable Securities intended to be disposed and the intended method of distribution thereof), the Company shall, subject to Sections 2.2(c), 2.3 and 2.6 hereof, use its commercially reasonable efforts to cause all such Registrable Securities, which the Holder has so requested the registration thereof, to be registered under the Securities Act with the securities which the Company at the time proposes to register to permit the sale or other disposition by the Holder (in accordance with the intended method of distribution thereof) of the Registrable Securities to be so registered, including, if necessary, by filing with the SEC a post-effective amendment or a supplement to the registration statement filed by the Company or the prospectus related thereto pursuant to a Form 8-K. There is no limitation on the number of such piggyback registrations pursuant to the preceding sentence which the Company is obligated to effect. No registration of Registrable Securities effected under this Section 2.2(a) shall relieve the Company of its obligations to effect Demand Registrations under Section 2.1 hereof.

(b) The Company, subject to Sections 2.3 and 2.6, may elect to include in any registration statement and offering pursuant to demand registration rights by any Person, (i) authorized but unissued shares of Common Equity or shares of Common Equity held by the

Company as treasury shares and (ii) any other shares of Common Equity which are requested to be included in such registration pursuant to the exercise of piggyback registration rights granted by the Company after the date hereof and which are not inconsistent with the rights granted in, or otherwise conflict with the terms of, this Agreement (“Additional Piggyback Rights”); provided, however, that such inclusion shall be permitted only to the extent that it is pursuant to, and subject to, the terms of the underwriting agreement or arrangements, if any, entered into by the Initiating Holders.

(c) If, at any time after giving written notice of its intention to register any equity securities and prior to the effective date of the registration statement filed in connection with such registration, the Company shall determine for any reason not to register or to delay registration of such equity securities, the Company may, at its election, give written notice of such determination to all Holders of record of Registrable Securities and (i) in the case of a determination not to register, shall be relieved of its obligation to register any Registrable Securities in connection with such abandoned registration, without prejudice, however, to the rights of Holders under Section 2.1, and (ii) in the case of a determination to delay such registration of its equity securities, shall be permitted to delay the registration of such Registrable Securities for the same period as the delay in registering such other equity securities.

(d) Any Holder shall have the right to withdraw its request for inclusion of its Registrable Securities in any registration statement pursuant to this Section 2.2 by giving written notice to the Company of its request to withdraw; provided, however, that (i) such request must be made in writing prior to the earlier of the execution of the underwriting agreement or the execution of the custody agreement with respect to such registration and (ii) such withdrawal shall be irrevocable and, after making such withdrawal, a Holder shall no longer have any right to include Registrable Securities in the registration as to which such withdrawal was made.

(e) Notwithstanding anything contained herein to the contrary, the Company shall, at the request of any Holder (including to effect a Partner Distribution), file any prospectus supplement or post-effective amendments and otherwise take any action necessary to include therein all disclosure and language deemed necessary or advisable by such Holder if such disclosure or language was not included in the initial registration statement, or revise such disclosure or language if deemed necessary or advisable by such Holder including filing a prospectus supplement naming the Holders, partners, members and shareholders to the extent required by law.

2.3. Allocation of Securities Included in Registration Statement .

(a) If any requested registration made pursuant to Section 2.1 involves an underwritten offering and the Manager of such offering shall advise the Company that, in its view, the number of securities requested to be included in such registration by the Holders of Registrable Securities, the Company or any other Persons exercising Additional Piggyback Rights exceeds the largest number (the “Section 2.3(a) Sale Number”) that can be sold in an orderly manner in such registration within a price range acceptable to the Majority Participating Holders, then the total number of securities that the Manager advises the Company can be included in such registration shall be allocated in the following order of priority:

(i) first, all Registrable Securities requested to be included in such registration by the Holders thereof; provided, however, that if the number of such Registrable Securities exceeds the Section 2.3(a) Sale Number, the number of such Registrable Securities (not to exceed the Section 2.3(a) Sale Number) to be included in such registration shall be allocated on a *pro rata* basis among all Holders requesting that Registrable Securities be included in such registration (including, pursuant to Section 2.1 or Section 2.2(a)), based on the number of Registrable Securities then owned by each such Holder requesting inclusion in relation to the number of Registrable Securities owned by all Holders requesting inclusion;

(ii) second, to the extent that the number of Registrable Securities to be included pursuant to clause (i) of this Section 2.3(a) is less than the Section 2.3(a) Sale Number, any securities that the Company proposes to register, up to the Section 2.3(a) Sale Number; and

(iii) third, to the extent that the number of Registrable Securities to be included pursuant to clauses (i) and (ii) of this Section 2.3(a) is less than the Section 2.3(a) Sale Number, the remaining securities to be included in such registration shall be allocated on a *pro rata* basis among all Persons requesting that securities be included in such registration pursuant to the exercise of Additional Piggyback Rights (“Piggyback Shares”), based on the aggregate number of Piggyback Shares then owned by each Person requesting inclusion in relation to the aggregate number of Piggyback Shares owned by all Persons requesting inclusion, up to the Section 2.3(a) Sale Number.

(iv) Notwithstanding anything in this Section 2.3(a) to the contrary, no employee shareholder of the Company will be entitled to include Registrable Securities in a registration requested by an Initiating Holder pursuant to Section 2.1 to the extent the Manager of such offering shall determine in good faith that the participation of such employee shareholder would adversely affect the marketability of the securities being sold by the Initiating Holder(s) in such registration.

(b) If any registration made pursuant to Section 2.2 involves an underwritten primary offering on behalf of the Company after the date hereof and the Manager (as selected by the Company) shall advise the Company that, in its view, the number of securities requested to be included in such registration exceeds the number (the “Section 2.3(b) Sale Number”) that can be sold in an orderly manner in such registration within a price range acceptable to the Company, then the total number of securities that the Manager advises the Company can be included in such registration shall be allocated in the following order of priority:

(i) first, all equity securities that the Company proposes to register for its own account;

(ii) second, to the extent that the number of Registrable Securities to be included pursuant to clause (i) of this Section 2.3(b) is less than the Section 2.3(b) Sale Number, the remaining Registrable Securities to be included in such registration shall be allocated on a *pro rata* basis among all Holders requesting that Registrable Securities be included in such registration pursuant to the exercise of piggyback rights pursuant to Section 2.2, based on the aggregate number of Registrable Securities then owned by each such Holder requesting inclusion

in relation to the aggregate number of Registrable Securities owned by all Holders requesting inclusion, up to the Section 2.3(b) Sale Number; and

(iii) third, to the extent that the number of Registrable Securities to be included pursuant to clauses (i) and (ii) of this Section 2.3(b) is less than the Section 2.3(b) Sale Number, the remaining securities to be included in such registration shall be allocated on a *pro rata* basis among all Persons requesting that securities be included in such registration pursuant to the exercise of Additional Piggyback Rights, based on the aggregate number of Piggyback Shares then owned by each Person requesting inclusion in relation to the aggregate number of Piggyback Shares owned by all Persons requesting inclusion, up to the Section 2.3(b) Sale Number.

(c) If any registration pursuant to Section 2.2 involves an underwritten offering that was initially requested by any Person(s) other than a Holder to whom the Company has granted registration rights which are not inconsistent with the rights granted in, or otherwise conflict with the terms of, this Agreement, and the Manager (as selected by the Company or such other Person) shall advise the Company that, in its view, the number of securities requested to be included in such registration exceeds the number (the “Section 2.3(c) Sale Number”) that can be sold in an orderly manner in such registration within a price range acceptable to the Company, then the total number of securities that the Manager advises the Company can be included in such registration shall be allocated in the following order of priority:

(i) first, the securities requested to be included in such registration shall be allocated on a *pro rata* basis among such Person(s) requesting the registration and all Holders requesting that Registrable Securities be included in such registration pursuant to the exercise of piggyback rights pursuant to Section 2.2, based on the aggregate number of securities or Registrable Securities, as applicable, then owned by each of the foregoing requesting inclusion in relation to the aggregate number of securities or Registrable Securities, as applicable, owned by all such Holders and Persons requesting inclusion, up to the Section 2.3(c) Sale Number;

(ii) second, to the extent that the number of Registrable Securities to be included pursuant to clause (i) of this Section 2.3(c) is less than the Section 2.3(c) Sale Number, the remaining shares to be included in such registration shall be allocated on a *pro rata* basis among all Persons requesting that securities be included in such registration pursuant to the exercise of Additional Piggyback Rights, based on the aggregate number of Piggyback Shares then owned by each Person requesting inclusion in relation to the aggregate number of Piggyback Shares owned by all Persons requesting inclusion, up to the Section 2.3(c) Sale Number; and

(iii) third, to the extent that the number of securities to be included pursuant to clauses (i) and (ii) of this Section 2.3(c) is less than the Section 2.3(c) Sale Number, the remaining shares to be included in such registration shall be allocated to shares the Company proposes to register for its own account, up to the Section 2.3(c) Sale Number.

(d) If, as a result of the proration provisions set forth in clauses (a), (b) or (c) of this Section 2.3, any Holder shall not be entitled to include all Registrable Securities in a registration that such Holder has requested be included, such Holder may elect to withdraw such Holder’s

request to include Registrable Securities in such registration or may reduce the number requested to be included; provided, however, that (x) such request must be made in writing prior to the earlier of the execution of the underwriting agreement or the execution of the custody agreement with respect to such registration and (y) such withdrawal or reduction shall be irrevocable and, after making such withdrawal or reduction, such Holder shall no longer have any right to include Registrable Securities in the registration as to which such withdrawal or reduction was made to the extent of the Registrable Securities so withdrawn or reduced.

2.4. Registration Procedures. If and whenever the Company is required by the provisions of this Agreement to use its commercially reasonable efforts to effect or cause the registration of any Registrable Securities under the Securities Act as provided in this Agreement, the Company shall, as expeditiously as possible (but, in any event, within sixty (60) days after a Demand Registration Request in the case of Section 2.4(a) below):

(a) prepare and file with the SEC a registration statement on an appropriate registration form of the SEC for the disposition of such Registrable Securities in accordance with the intended method of disposition thereof (including, without limitation, a Partner Distribution), which registration form (i) shall be selected by the Company and (ii) shall, in the case of a shelf registration, be available for the sale of the Registrable Securities by the selling Holders thereof and such registration statement shall comply as to form in all material respects with the requirements of the applicable registration form and include all financial statements required by the SEC to be filed therewith, and the Company shall use its commercially reasonable efforts to cause such registration statement to become effective and remain continuously effective for such period as any Participating Holder pursuant to such registration statement shall request (*provided, however*, that before filing a registration statement or prospectus or any amendments or supplements thereto, or comparable statements under securities or state “blue sky” laws of any jurisdiction, or any free writing prospectus related thereto, the Company will furnish to one counsel for the Participating Holders (selected by the Majority Participating Holders), copies of all such documents proposed to be filed (including all exhibits thereto), which documents will take into account to the reasonable review and reasonable comment of such counsel, and the Company shall not file any registration statement or amendment thereto, any prospectus or supplement thereto or any free writing prospectus related thereto to which the Majority Participating Holders, if any, shall reasonably object);

(b) (i) prepare and file with the SEC such amendments and supplements to such registration statement and the prospectus used in connection therewith as may be necessary to keep such registration statement continuously effective for such period as any Participating Holder pursuant to such registration statement shall request and to comply with the provisions of the Securities Act with respect to the sale or other disposition of all Registrable Securities covered by such registration statement in accordance with the intended methods of disposition by the seller or sellers thereof set forth in such registration statement and (ii) provide notice to such sellers of Registrable Securities of the Company’s reasonable determination that a post-effective amendment to a registration statement would be appropriate;

(c) furnish, without charge, to each Participating Holder of the securities covered by such registration statement such number of copies of such registration statement, each amendment and supplement thereto (in each case including all exhibits), the prospectus included

in such registration statement (including each preliminary prospectus and any summary prospectus) and any other prospectus filed under Rule 424 under the Securities Act, each free writing prospectus utilized in connection therewith, in each case, in conformity with the requirements of the Securities Act, and other documents, as such Participating Holder may reasonably request in order to facilitate the public sale or other disposition of the Registrable Securities owned by such Participating Holder (the Company hereby consenting to the use in accordance with all applicable law of each such registration statement (or amendment or post-effective amendment thereto) and each such prospectus (or preliminary prospectus or supplement thereto) or free writing prospectus by each such Participating Holder and the underwriters, if any, in connection with the offering and sale of the Registrable Securities covered by such registration statement or prospectus);

(d) use its commercially reasonable efforts to register or qualify the Registrable Securities covered by such registration statement under such other securities or state “blue sky” laws of such jurisdictions as any Participating Holder of Registrable Securities shall reasonably request in writing, and do any and all other acts and things which may be reasonably necessary or advisable to enable such sellers to consummate the disposition of the Registrable Securities in such jurisdictions (including keeping such registration or qualification in effect for so long as such registration statement remains in effect), except that in no event shall the Company be required to (i) qualify to do business as a foreign corporation in any jurisdiction where it would not, but for the requirements of this paragraph (d), be required to be so qualified, (ii) subject itself to taxation in any such jurisdiction or to consent to general service of process in any such jurisdiction or (iii) consent to general service of process in any such jurisdiction;

(e) promptly notify each Participating Holder: (i) when the registration statement, any pre-effective amendment, the prospectus or any prospectus supplement related thereto, any post-effective amendment to the registration statement or any free writing prospectus has been filed and, with respect to the registration statement or any post-effective amendment, when the same has become effective; (ii) of any request by the SEC or state securities authority for amendments or supplements to the registration statement or the prospectus related thereto or for additional information; (iii) of the issuance by the SEC of any stop order suspending the effectiveness of the registration statement or the initiation of any proceedings for that purpose; (iv) of the receipt by the Company of any notification with respect to the suspension of the qualification of any Registrable Securities for sale under the securities or state “blue sky” laws of any jurisdiction or the initiation of any proceeding for such purpose; (v) of the existence of any fact of which the Company becomes aware which results in the registration statement or any amendment thereto, the prospectus related thereto or any supplement thereto, any document incorporated therein by reference, any free writing prospectus or the information conveyed to any purchaser at the time of sale to such purchaser containing an untrue statement of a material fact or omitting to state a material fact required to be stated therein or necessary to make any statement therein not misleading; and (vi) if at any time the representations and warranties contemplated by any underwriting agreement, securities sale agreement, or other similar agreement, relating to the offering shall cease to be true and correct in all material respects; and, if the notification relates to an event described in clause (v), the Company shall promptly prepare and furnish to each such seller a reasonable number of copies of a prospectus supplemented or amended so that, as thereafter delivered to the purchasers of such Registrable Securities, such prospectus shall not include an untrue statement of a material fact or omit to state a material fact required to be stated

therein or necessary to make the statements therein in the light of the circumstances under which they were made not misleading;

(f) comply (and continue to comply) with all applicable rules and regulations of the SEC (including, without limitation, maintaining disclosure controls and procedures (as defined in Exchange Act Rule 13a-15(e)) and internal control over financial reporting (as defined in Exchange Act Rule 13a-15(f)) in accordance with the Exchange Act), and make generally available to its security holders, as soon as reasonably practicable after the effective date of the registration statement, an earnings statement (which need not be audited) covering the period of at least twelve (12) consecutive months beginning with the first day of the Company's first calendar quarter after the effective date of the registration statement, which earnings statement shall satisfy the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder;

(g) (i) use its commercially reasonable best efforts to (A) cause all such Registrable Securities covered by such registration statement to be listed on the principal securities exchange on which similar securities issued by the Company are then listed (if any), if the listing of such Registrable Securities is then permitted under the rules of such exchange, or (B) if no similar securities are then so listed, to either cause all such Registrable Securities to be listed on a national securities exchange or to secure designation of all such Registrable Securities as a Nasdaq National Market "national market system security" within the meaning of Rule 11Aa2-1 of the Exchange Act or, failing that, secure Nasdaq National Market authorization for such shares and, without limiting the generality of the foregoing, take all actions that may be required by the Company as the issuer of such Registrable Securities in order to facilitate the managing underwriter's arranging for the registration of at least two market makers as such with respect to such shares with the NASD, and (ii) comply (and continue to comply) with the requirements of any self-regulatory organization applicable to the Company, including without limitation all corporate governance requirements;

(h) provide and cause to be maintained a transfer agent and registrar for all such Registrable Securities covered by such registration statement not later than the effective date of such registration statement;

(i) enter into such customary agreements (including, if applicable, an underwriting agreement) and take such other actions as the Majority Participating Holders or the underwriters shall reasonably request in order to expedite or facilitate the disposition of such Registrable Securities (it being understood that the Holders of the Registrable Securities which are to be distributed by any underwriters shall be parties to any such underwriting);

(j) use its commercially reasonable efforts (i) to obtain an opinion from the Company's counsel and a "cold comfort" letter and updates thereof from the Company's independent public accountants who have certified the Company's financial statements included or incorporated by reference in such registration statement, in each case, in customary form and covering such matters as are customarily covered by such opinions and "cold comfort" letters (including, in the case of such "cold comfort" letter, events subsequent to the date of such financial statements) delivered to underwriters in underwritten public offerings, which opinion and letter shall be dated the dates such opinions and "cold comfort" letters are customarily dated and otherwise reasonably satisfactory to the underwriters, if any, and to the Majority

Participating Holders, and (ii) furnish to each Participating Holder a copy of such opinion and letter addressed to such Participating Holder;

(k) deliver promptly to one counsel for the Participating Holders (selected by the Majority Participating Holders) copies of all correspondence between the SEC and the Company, its counsel or auditors and all memoranda relating to discussions with the SEC or its staff with respect to the registration statement, and, upon receipt of such confidentiality agreements as the Company may reasonably request, make reasonably available for inspection by one counsel for the Participating Holders (selected by the Majority Participating Holders) participating in any disposition to be effected pursuant to such registration statement and by any accountant or other agent retained by the Participating Holder, all pertinent financial and other records, pertinent corporate documents and properties of the Company, and cause all of the Company's officers, directors and employees to supply all information reasonably requested by any such counsel for the Participating Holders, accountant or agent in connection with such registration statement;

(m) provide a CUSIP number for all Registrable Securities, not later than the effective date of the registration statement;

(n) use its commercially reasonable efforts to make available its employees and personnel for participation in "road shows" and other marketing efforts and otherwise provide reasonable assistance to the underwriters (taking into account the needs of the Company's businesses and the requirements of the marketing process) in marketing the Registrable Securities in any underwritten offering;

(o) prior to the filing of any document which is to be incorporated by reference into the registration statement or the prospectus (after the initial filing of such registration statement), and prior to the filing of any free writing prospectus, provide copies of such document to counsel for each Participating Holder and make the Company's representatives reasonably available for discussion of such document and make such changes in such document concerning the Participating Holders prior to the filing thereof as counsel for the Participating Holders or underwriters may reasonably request;

(p) furnish to one counsel for the Participating Holders (selected by the Majority Participating Holders) without charge, at least one signed copy of the registration statement and any post-effective amendments or supplements thereto, including financial statements and schedules, all documents incorporated therein by reference, the prospectus contained in such registration statement (including each preliminary prospectus and any summary prospectus), any other prospectus filed under Rule 424 under the Securities Act and all exhibits (including those incorporated by reference) and any free writing prospectus utilized in connection therewith;

(q) cooperate with the Participating Holders to facilitate the timely preparation and delivery of certificates not bearing any restrictive legends representing the Registrable Securities to be sold, and cause such Registrable Securities to be issued in such denominations and

registered in such names in accordance with the underwriting agreement at least three (3) Business Days prior to any sale of Registrable Securities to the underwriters or, if not an underwritten offering, in accordance with the instructions of the Participating Holders at least three (3) Business Days prior to any sale of Registrable Securities and instruct any transfer agent and registrar of Registrable Securities to release any stop transfer orders in respect thereof;

(r) take no direct or indirect action prohibited by Regulation M under the Exchange Act; *provided, however*, that to the extent that any prohibition is applicable to the Company, the Company will take such action as is necessary and feasible to make any such prohibition inapplicable;

(s) use its commercially reasonable efforts to cause the Registrable Securities covered by the applicable registration statement to be registered with or approved by such other governmental agencies or authorities as may be necessary to enable the Participating Holders or the underwriters, if any, to consummate the disposition of such Registrable Securities;

(t) take all such other commercially reasonable actions as are necessary or advisable in order to expedite or facilitate the disposition of such Registrable Securities;

(u) take all reasonable action to ensure that any free writing prospectus utilized in connection with any registration covered by Section 2.1 or 2.2 complies in all material respects with the Securities Act, is filed in accordance with the Securities Act to the extent required thereby, is retained in accordance with the Securities Act to the extent required thereby and, when taken together with the related prospectus, will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; and

(v) in connection with any underwritten offering, if at any time the information conveyed to a purchaser at the time of sale includes any untrue statement of a material fact or omits to state any material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading, promptly file with the SEC such amendments or supplements to such information as may be necessary so that the statements as so amended or supplemented will not, in light of the circumstances, be misleading.

(w) To the extent the Company is a well-known seasoned issuer (as defined in Rule 405 under the Securities Act) (a “WKSI”) at the time any Demand Registration Request is submitted to the Company, and such Demand Registration Request requests that the Company file an automatic shelf registration statement (as defined in Rule 405 under the Securities Act) (an “automatic shelf registration statement”) on Form S-3, the Company shall file an automatic shelf registration statement which covers those Registrable Securities which are requested to be registered. The Company shall use its commercially reasonable efforts to remain a WKSI (and not become an ineligible issuer (as defined in Rule 405 under the Securities Act)) during the period during which such automatic shelf registration statement is required to remain effective. If the Company does not pay the filing fee covering the Registrable Securities at the time the automatic shelf registration statement is filed, the Company agrees to pay such fee at such time or times as the Registrable Securities are to be sold. If the automatic shelf registration statement has been outstanding for at least three (3) years, at the end of the third year the Company shall

refile a new automatic shelf registration statement covering the Registrable Securities. If at any time when the Company is required to re-evaluate its WKSI status the Company determines that it is not a WKSI, the Company shall use its commercially reasonable efforts to refile the shelf registration statement on Form S-3 and, if such form is not available, Form S-1 and keep such registration statement effective during the period during which such registration statement is required to be kept effective.

(x) If the Company files any shelf registration statement for the benefit of the holders of any of its securities other than the Holders, the Company agrees that it shall include in such registration statement such disclosures as may be required by Rule 430B under the Securities Act (referring to the unnamed selling security holders in a generic manner by identifying the initial offering of the securities to the Holders) in order to ensure that the Holders may be added to such shelf registration statement at a later time through the filing of a prospectus supplement rather than a post-effective amendment.

The Company may require as a condition precedent to the Company's obligations under this Section 2.4 that each Participating Holder as to which any registration is being effected furnish the Company such information regarding such seller and the distribution of such securities as the Company may from time to time reasonably request provided that such information is necessary for the Company to consummate such registration and shall be used only in connection with such registration.

Each Holder of Registrable Securities agrees that upon receipt of any notice from the Company of the happening of any event of the kind described in clause (v) of paragraph (e) of this Section 2.4, such Holder will discontinue such Holder's disposition of Registrable Securities pursuant to the registration statement covering such Registrable Securities until such Holder's receipt of the copies of the supplemented or amended prospectus contemplated by paragraph (e) of this Section 2.4 and, if so directed by the Company, will deliver to the Company (at the Company's expense) all copies, other than permanent file copies, then in such Holder's possession of the prospectus covering such Registrable Securities that was in effect at the time of receipt of such notice. In the event the Company shall give any such notice, the applicable period mentioned in paragraph (b) of this Section 2.4 shall be extended by the number of days during such period from and including the date of the giving of such notice to and including the date when each Participating Holder covered by such registration statement shall have received the copies of the supplemented or amended prospectus contemplated by paragraph (e) of this Section 2.4.

If any such registration statement or comparable statement under state "blue sky" laws refers to any Holder by name or otherwise as the Holder of any securities of the Company, then such Holder shall have the right to require (i) the insertion therein of language, in form and substance satisfactory to such Holder and the Company, to the effect that the holding by such Holder of such securities is not to be construed as a recommendation by such Holder of the investment quality of the Company's securities covered thereby and that such holding does not imply that such Holder will assist in meeting any future financial requirements of the Company, or (ii) in the event that such reference to such Holder by name or otherwise is not in the opinion of such Holder's counsel required by the Securities Act or any similar federal statute or any state "blue sky" or securities law then in force, the deletion of the reference to such Holder.

2.5. Registration Expenses.

(a) All Expenses shall be borne by the Company; provided that all Selling Expenses relating to the Holders' Registrable Securities registered pursuant to this Agreement shall be borne by the Holders.

(b) Notwithstanding the foregoing, (x) the provisions of this Section 2.5 shall be deemed amended to the extent necessary to cause these expense provisions to comply with state "blue sky" laws of each state in which the offering is made and (y) in connection with any registration hereunder, each Participating Holder shall pay all underwriting discounts and commissions and any transfer taxes, if any, attributable to the sale of such Registrable Securities, *pro rata* with respect to payments of discounts and commissions in accordance with the number of shares sold in the offering by such Participating Holder.

2.6. Certain Limitations on Registration Rights. In the case of any registration under Section 2.1 pursuant to an underwritten offering, or, in the case of a registration under Section 2.2, if the Company has determined to enter into an underwriting agreement in connection therewith, all securities to be included in such registration shall be subject to such underwriting agreement and no Person may participate in such registration unless such Person (i) agrees to sell such Person's securities on the basis provided therein and completes and executes all reasonable questionnaires, and other documents (including custody agreements and powers of attorney) which must be executed in connection therewith; provided, however, that all such documents shall be consistent with the provisions hereof and (ii) provides such other information to the Company or the underwriter as may be necessary to register such Person's securities.

2.7. Limitations on Sale or Distribution of Other Securities.

(a) Each Holder agrees, (i) to the extent requested in writing by a managing underwriter, if any, of any registration effected pursuant to Section 2.1, not to sell, transfer or otherwise dispose of, including any sale pursuant to Rule 144 under the Securities Act, any Common Equity, or any other equity security of the Company or any security convertible into or exchangeable or exercisable for any equity security of the Company (other than as part of such underwritten public offering) during the time period reasonably requested by the managing underwriter, not to exceed ninety (90) days or such shorter period as the Company or any executive officer or director of the Company shall agree to (and the Company hereby also so agrees (except that the Company may effect any sale or distribution of any such securities pursuant to a registration on Form S-4 or Form S-8, or any successor or similar form which is (x) then in effect or (y) shall become effective upon the conversion, exchange or exercise of any then outstanding Common Equity Equivalent), to use its commercially reasonable efforts to cause each holder of any equity security or any security convertible into or exchangeable or exercisable for any equity security of the Company purchased from the Company at any time other than in a public offering so to agree), and (ii) to the extent requested in writing by a managing underwriter of any underwritten public offering effected by the Company for its own account, not to sell any Common Equity (other than as part of such underwritten public offering) during the time period reasonably requested by the managing underwriter, which period shall not exceed ninety (90) days or such shorter period as the Company or any executive officer or director of the Company shall agree to.

(b) The Company hereby agrees that, if it shall previously have received a request for registration pursuant to Section 2.1 or 2.2, and if such previous registration shall not have been withdrawn or abandoned, the Company shall not sell, transfer, or otherwise dispose of, any Common Equity, or any other equity security of the Company or any security convertible into or exchangeable or exercisable for any equity security of the Company (other than as part of such underwritten public offering, a registration on Form S-4 or Form S-8 or any successor or similar form which is (x) then in effect or (y) shall become effective upon the conversion, exchange or exercise of any then outstanding Common Equity Equivalent), until a period of ninety (90) days shall have elapsed from the effective date of such previous registration; and the Company shall (i) so provide in any registration rights agreements hereafter entered into with respect to any of its securities and (ii) use its commercially reasonable efforts to cause each holder of any equity security or any security convertible into or exchangeable or exercisable for any equity security of the Company purchased from the Company at any time other than in a public offering to so agree.

2.8. No Required Sale. Nothing in this Agreement shall be deemed to create an independent obligation on the part of any Holder to sell any Registrable Securities pursuant to any effective registration statement.

2.9. Indemnification.

(a) In the event of any registration of any securities of the Company under the Securities Act pursuant to this Article 2, the Company will, and hereby agrees to, and hereby does, indemnify and hold harmless, to the fullest extent permitted by law, each Participating Holder, its affiliates, directors, officers, fiduciaries, employees, stockholders, members or general and limited partners (and the directors, officers, fiduciaries, employees, stockholders, members, general and limited partners or other affiliates thereof), each other Person who participates as a seller (and its directors, officers, fiduciaries, employees, stockholders, members, general and limited partners or other affiliates thereof), from and against any and all losses, claims, damages or liabilities, joint or several, actions or proceedings (whether commenced or threatened) and expenses (including reasonable fees of counsel and any amounts paid in any settlement effected with the Company's consent to which each such indemnified party may become subject under the Securities Act or otherwise in respect thereof (collectively, "Claims"), insofar as such Claims arise out of or are based upon (i) any untrue statement or alleged untrue statement of a material fact contained in any registration statement under which such securities were registered under the Securities Act or the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, (ii) any untrue statement or alleged untrue statement of a material fact contained in any preliminary, final or summary prospectus or any amendment or supplement thereto, together with the documents incorporated by reference therein, or any free writing prospectus utilized in connection therewith, or the omission or alleged omission to state therein a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, or (iii) any untrue statement or alleged untrue statement of a material fact in the information conveyed by the Company to any purchaser at the time of the sale to such purchaser, or the omission or alleged omission to state therein a material fact required to be stated therein, or (iv) any violation by the Company of any federal, state or common law rule or regulation applicable to the Company and relating to action

required of or inaction by the Company in connection with any such registration, and the Company will reimburse any such indemnified party for any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such Claim as such expenses are incurred; *provided, however*, that the Company shall not be liable to any such indemnified party in any such case to the extent such Claim arises out of or is based upon any untrue statement or alleged untrue statement of a material fact or omission or alleged omission of a material fact made in such registration statement or amendment thereof or supplement thereto or in any such prospectus or any preliminary, final or summary prospectus or free writing prospectus in reliance upon and in conformity with written information furnished to the Company by or on behalf of such indemnified party specifically for use therein. Such indemnity and reimbursement of expenses shall remain in full force and effect regardless of any investigation made by or on behalf of such indemnified party and shall survive the transfer of such securities by such seller.

(b) Each Participating Holder shall, severally and not jointly, indemnify and hold harmless (in the same manner and to the same extent as set forth in paragraph (a) of this Section 2.9), to the fullest extent permitted by law, the Company, its officers and directors, each Person controlling the Company within the meaning of the Securities Act and all other prospective sellers and their directors, officers, stockholders, fiduciaries, managing directors, agents, affiliates, consultants, representatives, successors, assigns or general and limited partners and respective controlling Persons from and against any and all Claims insofar as such Claims arise out of or are based upon any untrue statement or alleged untrue statement of any material fact in, or omission or alleged omission of any material fact from, such registration statement, any preliminary, final or summary prospectus contained therein, or any amendment or supplement thereto, or any free writing prospectus utilized in connection therewith, if such statement or alleged statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Company or its representatives by or on behalf of such Participating Holder, if any, specifically for use therein and reimburse such indemnified party for any legal or other expenses reasonably incurred in connection with investigating or defending any such Claim as such expenses are incurred; *provided, however*, that the aggregate amount which any such Participating Holder shall be required to pay pursuant to this Section 2.9(b) and Sections 2.9(c) and (e) shall in no case be greater than the amount of the net proceeds received by such Participating Holder upon the sale of the Registrable Securities pursuant to the registration statement giving rise to such Claim. The Company and each Participating Holder hereby acknowledge and agree that, unless otherwise expressly agreed to in writing by such Participating Holders to the contrary, for all purposes of this Agreement, the only information furnished or to be furnished to the Company for use in any such registration statement, preliminary, final or summary prospectus or amendment or supplement thereto or any free writing prospectus are statements specifically relating to (a) the beneficial ownership of shares of Common Equity by such Participating Holder and its Affiliates and (b) the name and address of such Participating Holder. If any additional information about such Holder or the plan of distribution (other than for an underwritten offering) is required by law to be disclosed in any such document, then such Holder shall not unreasonably withhold its agreement referred to in the immediately preceding sentence. Such indemnity and reimbursement of expenses shall remain in full force and effect regardless of any investigation made by or on behalf of such indemnified party and shall survive the transfer of such securities by such Holder.

(c) Indemnification similar to that specified in the preceding paragraphs (a) and (b) of this Section 2.9 (with appropriate modifications) shall be given by the Company and each Participating Holder with respect to any required registration or other qualification of securities under any applicable securities and state “blue sky” laws.

(d) Any Person entitled to indemnification under this Agreement shall notify promptly the indemnifying party in writing of the commencement of any action or proceeding with respect to which a claim for indemnification may be made pursuant to this Section 2.9, but the failure of any indemnified party to provide such notice shall not relieve the indemnifying party of its obligations under the preceding paragraphs of this Section 2.9, except to the extent the indemnifying party is materially and actually prejudiced thereby and shall not relieve the indemnifying party from any liability which it may have to any indemnified party otherwise than under this Article 2. In case any action or proceeding is brought against an indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, unless in the reasonable opinion of outside counsel to the indemnified party a conflict of interest between such indemnified and indemnifying parties may exist in respect of such claim, to assume the defense thereof jointly with any other indemnifying party similarly notified, to the extent that it chooses, with counsel reasonably satisfactory to such indemnified party, and after notice from the indemnifying party to such indemnified party that it so chooses, the indemnifying party shall not be liable to such indemnified party for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation; *provided, however*, that (i) if the indemnifying party fails to take reasonable steps necessary to defend diligently the action or proceeding within twenty (20) days after receiving notice from such indemnified party that the indemnified party believes it has failed to do so; or (ii) if such indemnified party who is a defendant in any action or proceeding which is also brought against the indemnifying party reasonably shall have concluded that there may be one or more legal or equitable defenses available to such indemnified party which are not available to the indemnifying party or which may conflict with those available to another indemnified party with respect to such Claim; or (iii) if representation of both parties by the same counsel is otherwise inappropriate under applicable standards of professional conduct, then, in any such case, the indemnified party shall have the right to assume or continue its own defense as set forth above (but with no more than one firm of counsel for all indemnified parties in each jurisdiction, except to the extent any indemnified party or parties reasonably shall have made a conclusion described in clause (ii) or (iii) above) and the indemnifying party shall be liable for any expenses therefor. No indemnifying party shall, without the written consent of the indemnified party, effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified party is an actual or potential party to such action or claim) unless such settlement, compromise or judgment (A) includes an unconditional release of the indemnified party from all liability arising out of such action or claim and (B) does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any indemnified party.

(e) If for any reason the foregoing indemnity is unavailable, unenforceable or is insufficient to hold harmless an indemnified party under Sections 2.9(a), (b) or (c), then each applicable indemnifying party shall contribute to the amount paid or payable to such indemnified

party as a result of any Claim in such proportion as is appropriate to reflect the relative fault of the indemnifying party, on the one hand, and the indemnified party, on the other hand, with respect to such Claim. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the indemnifying party or the indemnified party and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. If, however, the allocation provided in the second preceding sentence is not permitted by applicable law, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative faults but also the relative benefits of the indemnifying party and the indemnified party as well as any other relevant equitable considerations. The parties hereto agree that it would not be just and equitable if any contribution pursuant to this Section 2.9(e) were to be determined by *pro rata* allocation or by any other method of allocation which does not take account of the equitable considerations referred to in the preceding sentences of this Section 2.9(e). The amount paid or payable in respect of any Claim shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such Claim. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. Notwithstanding anything in this Section 2.9(e) to the contrary, no indemnifying party (other than the Company) shall be required pursuant to this Section 2.9(e) to contribute any amount greater than the amount of the net proceeds received by such indemnifying party upon the sale of the Registrable Securities pursuant to the registration statement giving rise to such Claim, less the amount of any indemnification payment made by such indemnifying party pursuant to Sections 2.9(b) and (c).

(f) The indemnity and contribution agreements contained herein shall be in addition to any other rights to indemnification or contribution which any indemnified party may have pursuant to law or contract and shall remain operative and in full force and effect regardless of any investigation made or omitted by or on behalf of any indemnified party and shall survive the transfer of the Registrable Securities by any such party. In the event one or more Holders effect a Partner Distribution pursuant to a registration statement in which the name of partners, members or shareholders who receive a distribution are named in a prospectus supplement or registration statement, the partners, members or shareholders so named shall be entitled to indemnification and contribution by the Company to the same extent as a Holder hereunder.

(g) The indemnification and contribution required by this Section 2.9 shall be made by periodic payments of the amount thereof during the course of the investigation or defense, as and when bills are received or expense, loss, damage or liability is incurred; *provided, however*, that the recipient thereof hereby undertakes to repay such payments if and to the extent it shall be determined by a court of competent jurisdiction in a final unappealable decision that such recipient is not entitled to such payment hereunder.

3. Underwritten Offerings.

3.1. Requested Underwritten Offerings. If requested by the underwriters for any underwritten offering pursuant to a registration requested under Section 2.1, the Company shall

enter into a customary underwriting agreement with the underwriters. Such underwriting agreement shall contain terms not inconsistent with the provisions of this Agreement and contain such representations and warranties by, and such other agreements on the part of, the Company and such other terms as are generally prevailing in agreements of that type, including, without limitation, indemnities and contribution agreements on substantially the same terms as those contained herein. Upon the Company's request each Participating Holder shall be a party to such underwriting agreement. The Company shall not be required to make any representations or warranties with respect to written information specifically provided by a Participating Holder for inclusion in the registration statement. Each such Participating Holder shall not be required to make any representations or warranties to or agreements with the Company or the underwriters other than representations, warranties or agreements regarding such Participating Holder, its ownership of and title to the Registrable Securities, any written information specifically provided by such Participating Holder for inclusion in the registration statement and its intended method of distribution; and any liability of such Participating Holder to any underwriter or other Person under such underwriting agreement shall be limited to liability arising from breach of its representations and warranties and shall in no case be greater than the amount of the net proceeds received by such Holder upon the sale of the Registrable Securities pursuant to the registration statement.

3.2. Piggyback Underwritten Offerings. In the case of a registration pursuant to Section 2.2, if the Company shall have determined to enter into an underwriting agreement in connection therewith, all of the Participating Holders' Registrable Securities to be included in such registration shall be subject to such underwriting agreement. Any Participating Holder may, at its option, require that any or all of the representations and warranties by, and the other agreements on the part of, the Company to and for the benefit of such underwriters shall also be made to and for the benefit of such Participating Holder and that any or all of the conditions precedent to the obligations of such underwriters under such underwriting agreement be conditions precedent to the obligations of such Participating Holder; *provided, however*, that the Company shall not be required to make any representations or warranties with respect to written information specifically provided by a Participating Holder for inclusion in the registration statement. Each such Participating Holder shall not be required to make any representations or warranties to or agreements with the Company or the underwriters other than representations, warranties or agreements regarding such Participating Holder, its ownership of and title to the Registrable Securities, any written information specifically provided by such Participating Holder for inclusion in the registration statement and its intended method of distribution; and any liability of such Participating Holder to any underwriter or other Person under such underwriting agreement shall be limited to liability arising from breach of its representations and warranties and shall in no case be greater than the amount of the net proceeds received by such Participating Holder upon the sale of the Registrable Securities pursuant to the registration statement.

4. General.

4.1. Adjustments Affecting Registrable Securities. The Company agrees that it shall not effect or permit to occur any combination or subdivision of shares of Common Equity which would adversely affect the ability of any Holder of any Registrable Securities to include such Registrable Securities in any registration contemplated by this Agreement or the marketability of such Registrable Securities in any such registration.

4.2. Rule 144 and Rule 144A. If the Company shall have filed a registration statement pursuant to the requirements of Section 12 of the Exchange Act or a registration statement pursuant to the requirements of the Securities Act in respect of the Common Equity or Common Equity Equivalents, the Company covenants that (i) so long as it remains subject to the reporting provisions of the Exchange Act, it will timely file the reports required to be filed by it under the Securities Act or the Exchange Act (including, but not limited to, the reports under Sections 13 and 15(d) of the Exchange Act referred to in subparagraph (c)(1) of Rule 144 under the Securities Act, as such Rule may be amended (“Rule 144”)) or, if the Company is not required to file such reports, it will, upon the request of any Holder, make publicly available other information so long as necessary to permit sales by such Holder under Rule 144, Rule 144A under the Securities Act, as such Rule may be amended (“Rule 144A”), or any similar rules or regulations hereafter adopted by the SEC, and (ii) it will take such further action as any Holder may reasonably request, all to the extent required from time to time to enable such Holder to sell Registrable Securities without registration under the Securities Act within the limitation of the exemptions provided by (A) Rule 144, (B) Rule 144A or (C) any similar rule or regulation hereafter adopted by the SEC. Upon the request of any Holder of Registrable Securities, the Company will deliver to such Holder a written statement as to whether it has complied with such requirements.

4.3. Nominees for Beneficial Owners. If Registrable Securities are held by a nominee for the beneficial owner thereof, the beneficial owner thereof may, at its option, be treated as the Holder of such Registrable Securities for purposes of any request or other action by any Holder or Holders of Registrable Securities pursuant to this Agreement (or any determination of any number or percentage of shares constituting Registrable Securities held by any Holder or Holders of Registrable Securities contemplated by this Agreement), provided that the Company shall have received assurances reasonably satisfactory to it of such beneficial ownership.

4.4. Amendments and Waivers. Any provisions of this Agreement may be amended, modified, supplemented or waived with the written approval of Holders holding eighty percent (80%) or more of the Registrable Securities then held by all Holders; provided, however, that any amendment, modification, supplement or waiver of any of the provisions of this Agreement that affects any party to this Agreement disproportionately vis-à-vis the Holders and results in an adverse effect on such party will require the written approval of such party. No waiver of any of the provisions of this Agreement shall be deemed to or shall constitute a waiver of any other provision hereof (whether or not similar). No failure or delay on the part of any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof or of any other or future exercise of any such right, power or privilege.

4.5. Limitation on Subsequent Registration Rights. From and after the date hereof, the Company may not, without the prior written consent of Holders holding eighty percent (80%) or more of the Registrable Securities then held by all Holders, enter into any agreement with any holder or prospective holder of any securities of the Company which provides such holder or prospective holder with more favorable information and registration rights than are granted to the Holders by this Agreement.

4.6. Notices. Any notice, request, instruction or other document to be given hereunder by any party to the others shall be in writing and delivered personally or sent by registered or

certified mail, postage prepaid, or by facsimile to the Company at the address set forth below and to any subsequent Holder subject to this Agreement at such address as indicated by the Company's records, or at such address or to the attention of such other person as the recipient party has specified by prior written notice to the sending party. Any notice, request, instruction or other document given as provided above shall be deemed given to the receiving party upon actual receipt, if delivered personally; three (3) business days after deposit in the mail, if sent by registered or certified mail; upon confirmation of successful transmission if sent by facsimile (provided that if given by facsimile such notice, request, instruction or other document shall be followed up within one (1) business day by dispatch pursuant to one of the other methods described herein); or on the next business day after deposit with an overnight courier, if sent by an overnight courier:

4.7. Successors and Assigns. Except as otherwise provided herein, this Agreement shall bind and inure to the benefit of and be enforceable by the Company and its successors and assigns and each Holder and his, her and its respective successors, permitted assigns and heirs. Each Holder may assign its rights under this Agreement to any Affiliate of such Holder, provided that such assignment shall not relieve such Holder of its obligations under this Agreement. This Agreement may not be assigned by the Company, without the written approval of Holders holding a majority of the Registrable Securities then held by all Holders. Upon any such assignment, such assignee shall have and be able to exercise and enforce all rights of the assigning Holder which are assigned to it and, to the extent such rights are assigned, any reference to the assigning Holder shall be treated as a reference to the assignee. The parties hereto and their respective successors may assign their rights under this Agreement, in whole but not in part, in connection with the sale, transfer, assignment, pledge, hypothecation or other disposition of shares of Registrable Securities held by them.

4.8. Entire Agreement. This Agreement and the other writings referred to herein or delivered pursuant hereto which form a part hereof constitute the entire agreement, and supersede all other prior agreements, understandings, representations and warranties both written and oral, among the parties, with respect to the subject matter hereof.

4.9. Governing Law; Submission to Jurisdiction; Waiver of Jury Trial.

(a) THIS AGREEMENT SHALL BE DEEMED TO BE MADE IN AND IN ALL RESPECTS SHALL BE INTERPRETED, CONSTRUED AND GOVERNED BY AND IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK WITHOUT REGARD TO THE CONFLICTS OF LAW PRINCIPLES THEREOF. The parties hereby irrevocably submit to the personal jurisdiction of the courts of the State of New York located in the County

of New York and the Federal courts of the United States of America located in the County of New York solely in respect of the interpretation and enforcement of the provisions of this Agreement and of the documents referred to in this Agreement, and in respect of the transactions contemplated hereby, and hereby waive, and agree not to assert, as a defense in any action, suit or proceeding for the interpretation or enforcement hereof or of any such document, that it is not subject thereto or that such action, suit or proceeding may not be brought or is not maintainable in said courts or that the venue thereof may not be appropriate or that this Agreement or any such document may not be enforced in or by such courts, and the parties hereto irrevocably agree that all claims with respect to such action or proceeding shall be heard and determined in such a New York State or Federal court located in the County of New York. The parties hereby consent to and grant any such court jurisdiction over the person of such parties and, to the extent permitted by law, over the subject matter of such dispute and agree that mailing of process or other papers in connection with any such action or proceeding in the manner provided in Section 4.6 or in such other manner as may be permitted by law shall be valid and sufficient service thereof.

(b) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (i) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (ii) EACH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (iii) EACH PARTY MAKES THIS WAIVER VOLUNTARILY, AND (iv) EACH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 4.9.

4.10. Interpretation; Construction

(a) The table of contents and headings herein are for convenience of reference only, do not constitute part of this Agreement and shall not be deemed to limit or otherwise affect any of the provisions hereof. Where a reference in this Agreement is made to a Section, such reference shall be to a Section of this Agreement unless otherwise indicated. Whenever the words “include,” “includes” or “including” are used in this Agreement, they shall be deemed to be followed by the words “without limitation.”

(b) The parties have participated jointly in negotiating and drafting this Agreement. In the event that an ambiguity or a question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provision of this Agreement.

4.11. Counterparts. This Agreement may be executed in separate counterparts (including by facsimile), all of which taken together shall constitute one and the same agreement.

4.12. Severability. The provisions of this Agreement shall be deemed severable and the invalidity or unenforceability of any provision shall not affect the validity or enforceability of the other provisions hereof. If any provision of this Agreement, or the application thereof to any person or any circumstance, is invalid or unenforceable, (a) a suitable and equitable provision shall be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision and (b) the remainder of this Agreement and the application of such provision to other persons or circumstances shall not be affected by such invalidity or unenforceability, nor shall such invalidity or unenforceability affect the validity or enforceability of such provision, or the application thereof, in any other jurisdiction.

4.13. Specific Performance. The parties hereto agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that each party hereto shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in the courts of the State of New York located in the County of New York and the Federal courts of the United States of America located in the County of New York, this being in addition to any other remedy to which such party is entitled at law or in equity.

4.14. Further Assurances. Each party hereto shall do and perform or cause to be done and performed all such further acts and things and shall execute and deliver all such other agreements, certificates, instruments, and documents as any other party hereto reasonably may request in order to carry out the intent and accomplish the purposes of this Agreement and the consummation of the transactions contemplated hereby.
