CASE No. 08-12229 (MFW)

Objection to alter my rights

CLAIMANT: C>J> LaScala Claim # 704

Rights should not be altered as this represents a purchase of preferred stock. In addition, speaking with Travis McRoberts of RICHARD, LAYTON & FINGER.P.A. this morning, it was mentioned that common stock is also part of this settlement. I had approximately 15,000 shares of common stock with a cost basis of \$86,176. Based on this, I believe my claim should be adjusted upwards acwith a cost basis of \$86,176. Based on this, I believe my claim should be adjusted upwards accordingly. Please refer to attached.
