

IN THE UNITED STATES BANKRUPTCY COURT
FOR THE NORTHERN DISTRICT OF ALABAMA
SOUTHERN DIVISION

IN RE: BFW LIQUIDATION, LLC Debtor.	Chapter 11 Case No. 09-00634-BGC
--	---

**ORDER CONFIRMING DEBTOR'S
FOURTH AMENDED PLAN OF LIQUIDATION**

The *Debtor's Fourth Amended Plan Of Liquidation* [Doc. No. 1632] (the "Plan")¹, having been filed with the Bankruptcy Court (the "Court") on September 22, 2009 by BFW Liquidation, LLC, as debtor and debtor-in-possession, (collectively, "Debtor"); and the hearing to consider the confirmation of the Plan having been held before the Court on September 24, 2009 (the "Confirmation Hearing"); and after due notice to holders of Claims against, and Equity Interests in, Debtor and other parties in interest in accordance with the Bankruptcy Code and the Bankruptcy Rules; and upon all of the proceedings had before this Court and after full consideration of: (i) each of the objections to the confirmation of the Plan filed with the Court and not subsequently withdrawn, settled or deemed moot (the "Objections"); (ii) the *Declaration of Evan J. Gershbein Certifying the Ballots Accepting or Rejecting the Debtor's Plan of Reorganization Under Chapter 11 of the Bankruptcy Code*, filed on September 24, 2009; (iii) *Debtor's Brief in Support of Confirmation of Debtor's Amended Plan of Liquidation* [Doc. No. 1637], (iv) the declarations and/or affidavits filed with the Court; (v) all other evidence proffered or adduced at, memoranda and objections filed in connection with, and arguments of counsel made at the Confirmation Hearing; and (vi) the entire record of the above-captioned chapter 11 case (the "Chapter 11 Case"); and after due deliberation thereon; and good cause appearing therefor;

IT IS HEREBY FOUND AND DETERMINED THAT:²

¹ All capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Plan.

² Findings of fact shall be construed as conclusions of law and conclusions of law shall be construed as findings of fact when appropriate. *See* Fed. R. Bankr. P. 7052.

A. Exclusive Jurisdiction; Venue; Core Proceeding (28 U.S.C. §§ 157(b)(2) and 1334(a)). This Court has jurisdiction over the Chapter 11 Case pursuant to 28 U.S.C. §§ 157 and 1334. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409. Confirmation of the Plan is a core proceeding under 28 U.S.C. § 157(b)(2) and this Court has exclusive jurisdiction to determine whether the Plan complies with the applicable provisions of the Bankruptcy Code and should be confirmed.

B. Judicial Notice. This Court takes judicial notice of the docket of the Chapter 11 Case maintained by the Clerk of the Court and/or its duly-appointed agent, including, without limitation, all pleadings and other documents filed, all orders entered and all evidence and arguments made, proffered or adduced at, the hearings held before the Court during the pendency of the Chapter 11 Case.

C. Solicitation and Disclosure Statement. As previously established in this Court's Order Under 11 U.S.C. §§ 105 and 1125(B) and Fed. R. Bankr. P. 2002. 3003. 3017, 3018, and 3020 (I) Approving the Disclosure Statement for the Plan of Liquidation filed in this Case; and (II) Establishing Certain Deadlines and Procedures with Respect to Confirmation, dated August 7, 2009, [Doc. No. 1351] the adequacy of the Disclosure Statement, and the voting procedures set forth therein, were approved as satisfactory. Thereafter, Debtor timely mailed the Disclosure Statement and the Plan in accordance with the Court's Order. All procedures used to distribute ballots to the applicable holders of Claims and to tabulate the Ballots were fair and conducted in accordance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the local rules of the Court, and all other applicable rules, laws, and regulations. All due, adequate and sufficient notice of the Confirmation Hearing, along with deadlines for voting on or filing objections to the Plan, have been given to all known holders of Claims and Equity Interests substantially in accordance with the procedures set forth in this Court's Order [Doc. No. 1351] and no other or further notice is or shall be required.

D. Burden of Proof. Debtor, as Proponent of the Plan, has the burden of proving the satisfaction of the elements of Sections 1129(a) and (b) of the Bankruptcy Code by a preponderance of the evidence.

E. Plan Compliance with Bankruptcy Code (11 U.S.C. § 1129(a)(1)). The Plan complies with the applicable provisions of the Bankruptcy Code, thereby satisfying Section 1129(a)(1) of the Bankruptcy Code.

(a) Proper Classification (11 U.S.C. §§ 1122, 1123(a)(1)). In addition to Administrative Expense Claims, Priority Tax Claims, and Priority NonTax Claims which need not be classified, the Plan designates five (5) Classes of Claims and Equity Interests. The Claims and Equity Interests placed in each Class are substantially similar to other Claims or Equity Interests, as the case may be, in each such Class. Valid business, factual and legal reasons exist for separately classifying the various Classes of Claims and Equity Interests created under the Plan and such Classes do not unfairly discriminate between holders of Claims or Equity Interests. Thus, the Plan satisfies Sections 1122 and 1123(a)(1) of the Bankruptcy Code.

(b) Specify Unimpaired Classes (11 U.S.C. § 1123(a)(2)). The Plan specifies the Classes of Claims that are Unimpaired, namely the Priority-Tax Claims and Priority Non-Tax Claim, and the Class-1 Allowed Secured Claims, thereby satisfying Section 1123(a)(2) of the Bankruptcy Code.

(c) Specify Treatment of Impaired Classes (11 U.S.C. § 1123(a)(3)). The Plan specifies, in Section III.C, which Classes of Claims are Impaired, namely Class 2 - Convenience Class of Unsecured Claims Against Debtor, Class 3 - Allowed General Unsecured Claims, Class 4 - Interest in Debtor, and Class 5 - Allowed Punitive Damages Claims, thereby satisfying Section 1123(a)(3) of the Bankruptcy Code.

(d) No Discrimination (11 U.S.C. § 1123(a)(4)). The Plan provides for equal of treatment for each Claim or Equity Interest within a particular Class, unless the holder of a particular Claim or Equity Interest has agreed to a less favorable treatment of such Claim or Equity Interest, thereby satisfying Section 1123(a)(4) of the Bankruptcy Code.

(e) Implementation of Plan (11 U.S.C. § 1123(a)(5)). The Plan provides for the liquidation and conversion to Cash of Debtor's remaining Assets and the Distribution of the Net Proceeds realized therefrom by a Liquidating Trustee in accordance with the priorities established by the Bankruptcy Code, thereby satisfying Section 1123(a)(5) of the Bankruptcy Code.

(f) Equity Securities (11 U.S.C. § 1123(a)(6)) - Inapplicable. The requirements of 11 U.S.C. § 1123(a)(6) are not applicable to the Plan because Debtor is not a corporation.

(g) Selection of Directors and Officers (11 U.S.C. § 1123(a)(7)) - Inapplicable. The Plan provides for the dissolution and wind up of Debtor's business affairs, accordingly, Section 1123(a)(7) is inapplicable.

(h) Additional Plan Provisions (11 U.S.C. § 1123(b)). The Plan's provisions are appropriate, in the best interests of Debtor and its estate and not inconsistent with the applicable provisions of the Bankruptcy Code, thereby satisfying Section 1123(b) of the Bankruptcy Code.

(i) Identification of Plan (Fed. R. Bankr. P. 3016(a)). The Plan is dated and identifies the entity submitting it, thereby satisfying Fed. R. Bankr. P. 3016(a).

F. Debtor's Compliance with Bankruptcy Code (11 U.S.C. § 1129(a)(2)). Debtor has

complied with the applicable provisions of the Bankruptcy Code, thereby satisfying Section 1129(a)(2) of the Bankruptcy Code. Specifically:

(a) Debtor is a proper debtor under Section 109 of the Bankruptcy Code and proper proponent of the Plan under Section 1121(a) of the Bankruptcy Code.

(b) Debtor has complied with applicable provisions of the Bankruptcy Code, namely 11 U.S.C. §§ 1125 and 1126, except as otherwise provided or permitted by orders of this Court.

(c) By Order of this Court entered on August 7, 2009, the adequacy of the Disclosure Statement, and the voting procedures therein, were approved as satisfactory.

G. Plan Proposed in Good Faith (11 U.S.C. § 1129(a)(3)). Debtor has proposed the Plan in good faith and not by any means forbidden by law, thereby satisfying Section 1129(a)(3) of the Bankruptcy Code. In determining that the Plan has been proposed in good faith, the Court has examined the totality of the circumstances surrounding the filing of the Chapter 11 Case and the formulation of the Plan. The Chapter 11 Case was filed and the Plan was proposed with the legitimate and honest purpose of maximizing the value of Debtor's assets, liquidating and converting Debtor's remaining Assets to Cash, and expeditiously undertaking the Distribution of the Net Proceeds realized therefrom by a Liquidating Trustee.

H. Payments for Services or Costs and Expenses (11 U.S.C. § 1129(a)(4)). Any payment made or to be made by Debtor for services or for costs and expenses in or in connection with the Chapter 11 Case, or in connection with the Plan and incident to the Chapter 11 Case requiring approval, has been approved by, or is subject to the approval of, the Court as reasonable. Additionally, the Plan expressly provides for the Court to retain jurisdiction for the determination of any and all fee applications, thereby satisfying Section 1129(a)(4) of the Bankruptcy Code.

I. Directors, Officers and Insiders (11 U.S.C. § 1129(a)(5)). The Plan provides that from and after the Effective Date, the Liquidating Trustee, William Kaye, shall serve as the sole officer, sole director, sole member or sole manager of Debtor until its dissolution. Such appointment is consistent with the interests of the creditors and with public policy. Therefore, the requirements of Section 1129(a)(5)(A), to the extent applicable, have been satisfied.

Additionally, the Plan establishes that no insiders are to be employed or retained by Debtor, therefore, Section 1129(a)(5)(B) is not applicable.

J. Rate Changes (11 U.S.C. § 1129(a)(6)) - Inapplicable. Debtor is not subject to any governmental regulatory commission with jurisdiction, after confirmation of the Plan, over the rates of Debtor. Thus, Section 1129(a)(6) of the Bankruptcy Code is not applicable.

K. Best Interests of Creditors (11 U.S.C. § 1129(a)(7)). The Plan satisfies Section 1129(a)(7) of the Bankruptcy Code. The liquidation analysis set forth in the Disclosure Statement and other evidence proffered or adduced at the Confirmation Hearing (a) are persuasive and credible, (b) have not been controverted by other evidence or challenged in any of the Objections and (c) establish that each holder of a Claim or Equity Interest in an impaired Class either (i) has accepted the Plan or (ii) will receive or retain under the Plan, on account of such Claim or Equity Interest, property of a value, as of the Effective Date of the Plan, that is not less than the amount that it would receive if Debtor was liquidated under Chapter 7 of the Bankruptcy Code on such date.

L. Acceptance by Certain Classes (11 U.S.C. § 1129(a)(8)). Under Section 1126(f) of the Bankruptcy Code, holders of Unimpaired Classes are conclusively presumed to have accepted the Plan. All Impaired Classes entitled to vote on the Plan voted to accept the Plan in accordance with Sections 1126(c) and (d) of the Bankruptcy Code.

M. Treatment of Administrative Expense Claims, Other Priority Claims and Tax Claims (11 U.S.C. § 1129(a)(9)). The treatment of Administrative Expense Claims under the Plan satisfies the requirements of Section 1129(a)(9)(A) and (B) of the Bankruptcy Code and the treatment of Priority Tax Claims and Priority Non-Tax Claims under the Plan satisfies the requirements of Section 1129(a)(9)(C) of the Bankruptcy Code.

N. Acceptance by Impaired Classes (11 U.S.C. § 1129(a)(10)). The Class 2 – Convenience Class of Unsecured Claims Against Debtor and the Class 3 – General Unsecured Claims Against Debtor are the impaired Classes of Claims under the Plan and have voted to accept the Plan, determined without including any acceptance of the Plan by “insiders,” thus satisfying Section 1129(a)(10) of the Bankruptcy Code.

O. Feasibility (11 U.S.C. § 1129(a)(11)). A chapter 11 plan, such as the Plan at issue in this Chapter 11 Case, which provides for a debtor's “liquidation” and the end of debtor's existence, relieves the plan proponent of the need to demonstrate that confirmation of the plan is not likely to

be followed by a debtor's liquidation.

The sale of substantially all of Debtor's Assets was previously approved by this Court and has been completed. The Plan itself provides for the liquidation and conversion to Cash of Debtor's remaining Assets and the Distribution of the Net Proceeds realized therefrom. The Plan further provides for the termination of all Interests in Debtor and the dissolution and wind up of Debtor's affairs. These procedures, and their implementation, are realistic and feasible, and because no further financial reorganization of Debtor will be possible, the Plan complies with 11 U.S.C. § 1123(a)(11) of the Bankruptcy Code.

P. Payment of Fees (11 U.S.C. § 1129(a)(12)). All fees payable under 28 U.S.C. § 1930 have been paid or will be paid on the Effective Date, thereby satisfying Section 1129(a)(12) of the Bankruptcy Code.

Q. Continuation of Retiree Benefits (11 U.S.C. § 1129(a)(13)) - Inapplicable. Debtor is not obligated for any retiree benefits as that term is defined in Section 1114, and therefore Section 1129(a)(13) does not apply.

R. Domestic Support Obligations (11 U.S.C. § 1129(a)(14)) - Inapplicable. Debtor is not an individual debtor, nor is it under any obligation to provide payment regarding domestic support, and therefore Section 1129(a)(14) does not apply.

S. Individual Debtors and Unsecured Claims (11 U.S.C. § 1129(a)(15)) - Inapplicable. Section 1129(a)(15) of the Bankruptcy Code requires plans for individual chapter 11 debtors to include provisions whereby they seek either to pay all unsecured claims in full, or devote an amount equal to five years' worth of the debtor's projected disposable income to unsecured creditors. Debtor is not an individual debtor and therefore section 1129(a)(15) is inapplicable.

T. Non-Profit Debtor Transfers (11 U.S.C. § 1129(a)(16)) - Inapplicable. Debtor is not a nonprofit entity and therefore Section 1129(a)(16) is also inapplicable.

U. Fair and Equitable (11 U.S.C. § 1129(b)). The plan is hereby determined to be fair and equitable and does not discriminate unfairly with regard to any Class of Claims or Interests and thereby satisfies Section 1129(b) with all of the applicable requirements for plan confirmation set forth in Section 1129(b) having been met.

V. Principal Purpose of Plan (11 U.S.C. § 1129(d)). The principal purpose of the Plan is not the avoidance of taxes or the avoidance of the application of Section 5 of the Securities Act of 1933 (15 U.S.C. § 77e), and the Plan is in the best interests of Debtor's creditors.

W. Good Faith Solicitation (11 U.S.C. § 1125(e)). Debtor and its agents, accountants, business consultants, representatives, attorneys and advisors have solicited votes on the Plan in good faith and in compliance with the applicable provisions of the Bankruptcy Code and are entitled to the protections afforded by Section 1125(e) of the Bankruptcy Code.

X. Ballots. All procedures used to distribute solicitation materials to the applicable holders of Claims and to tabulate the Ballots were fair and conducted in accordance with the Bankruptcy Code, the Bankruptcy Rules, the local rules of the Court and all other applicable rules, laws and regulations.

Y. Satisfaction of Confirmation Requirements. The Plan satisfies the requirements for confirmation set forth in Section 1129 of the Bankruptcy Code.

Z. No Further Action Required. No further action of this Court, or of Debtor, will be required to authorize Debtor to enter into, execute and deliver, or adopt, as the case may, any and all documents necessary to implement the provisions of the Plan.

AA. Retention of Jurisdiction. The Court may properly retain jurisdiction over the matters set forth in Section VIII of the Plan and as contemplated herein.

BB. Findings Related To Third-Party Releases. The Court makes the following findings related to the parties to be released in Section VI.C of the Plan:

- (a) That any Person or entity, including the Liquidating Trustee and the Pension Fund, retains the right to pursue any and all Causes of Action against any Persons who served as directors, officers or management employees of Debtor on or after the Petition Date and each of their respective agents, employees, representatives, and professionals, including Alvarez & Marsal, James Grady, SSG Capital Advisors, LLC, and their employees, and the Committee and its members and professionals (collectively, with each of their predecessors and successors in interest and their respective general and limited partners, officers, directors, employees, agents, professionals and other representatives, the "Bankruptcy Parties" or singularly, a "Bankruptcy Party") based in whole or in part upon any act or omission, transaction, agreement, event or other occurrence taking place on or before the Effective Date, relating in any way to Debtor, the Case, the Plan, the Disclosure Statement (the foregoing referred to as the "Bankruptcy Case Actions" or singularly, a "Bankruptcy Case Action"); provided however, if any Person or entity fails to commence a Bankruptcy Case Action against a Bankruptcy Party in a court of competent

jurisdiction on or before November 30, 2009 (the "Initial Release Date"), the Bankruptcy Parties (collectively, with each of their predecessors and successors in interest and their respective general and limited partners, officers, directors, employees, agents, professionals and other representatives, the "Released Parties³"), for good and valuable consideration, including, but not limited to, the commitment, obligation and service of each of the aforementioned to facilitate the expeditious implementation of the liquidation contemplated by the Plan, shall automatically be deemed to be released unconditionally and forever from any and all Claims or causes of action that any Person or entity would have been legally entitled to assert (in their own right, whether individually or collectively, or on behalf of the Holder of any Claim or Interest or other Person or entity), based in whole or in part upon any act or omission, transaction, agreement, event or other occurrence taking place on or before the earlier of the Effective Date or October 15, 2009, relating in any way to Debtor, the Case, the Plan, the Disclosure Statement (the foregoing referred to as the "Released Actions").

- (b) That in the event that the Effective Date has not occurred by October 15, 2009, if the Committee or the Liquidating Trustee fails to commence a Bankruptcy Case Action against a Bankruptcy Party in a court of competent jurisdiction on or before 45 days after the Effective Date (the "Secondary Release Date"), the Released Parties shall be released unconditionally and forever from any and all Claims or causes of action that any Person or entity would have been legally entitled to assert (in their own right, whether individually or collectively, or on behalf of the Holder of any Claim or Interest or other Person or entity), based in whole or in part upon any act or omission, transaction, agreement, event or other occurrence taking place between October 15, 2009 and the Effective Date, relating in any way to Debtor, the Case, the Plan, the Disclosure Statement.
- (c) That if the Committee or the Liquidating Trustee commences a Bankruptcy Case Action against a Bankruptcy Party in a court of competent jurisdiction on or before the Initial Release Date or Secondary Release Date as applicable, while that particular Bankruptcy Party shall not be deemed to be released, the foregoing release shall still be deemed applicable to the other Bankruptcy Parties for all other claims and causes of actions contemplated by this Section VI.C.4, and not otherwise timely prosecuted by the Committee or the Liquidating Trustee. With respect to the Liquidating Trustee and the professionals he retains, they shall not have any liability to any Person, including but not limited to Holders of Claims, except for gross negligence or intentional misconduct arising out of the discharge of their duties under the Plan.
- (d) That as of the Effective Date, for good and valuable consideration, to the fullest extent permissible under applicable law, the Holders of Claims or Interests, and each of their respective agents, employees, professionals, and representatives, will be deemed to completely and forever release, waive, void, extinguish, and discharge the Released Parties from all Released Actions (other than the rights to enforce obligations created under the Plan, and any right or obligation of such holder under the Plan, and the securities, contracts, instruments, releases, indentures, and other agreements or documents delivered thereunder or contemplated thereby, including, without limitation, the Plan and the Disclosure Statement). In the interest of clarity, this release, waiver, voiding, extinguishing and discharging of Released Parties from

³ In the interest of clarity, the following entities are not included among the Released Parties: Lone Star Fund V (U.S.) L.P.; ARP Chickamauga, LLC; ARP Moonville, LLC; LSF5 BI-LO Investments, LLC; BI-LO Holding, LLC; BI-LO, LLC; BG Cards, LLC; ARP Ballentine, LLC; ARP Island, LLC; ARP Morganton, LLC; ARP Hartsville, LLC; and ARP Winston Salem, LLC.

all Released Actions shall not include any Pension Claims, provided, however, the Pension Fund shall be deemed to have covenanted not to sue any Released Party that is an individual who served as an officer or director of the Debtor as of the Petition Date.

- (e) That Sections VI.C.4 and 5 of the Plan providing for the aforementioned releases are essential to the Plan.
- (f) That it is appropriate for the releases contained in Sections VI.C.4 and 5 of the Plan to cover the Related Persons to avoid the risk of suits against such persons that could harm this bankruptcy estate and circumvent Debtor's discharge.
- (g) That the releases contained in Sections VI.C.4 and 5 of the Plan were extensively negotiated between numerous parties, including but not limited to Debtor, the Committee, the Pension Fund, and any Persons who served as officers, directors, employees or representatives of Debtor, through extensive, arms-length negotiations. The release and indemnification provisions incorporated in the Plan are integral to the structure of the Plan and formed part of the agreement among all parties in interest embodied thereby.
- (h) That the Impaired Classes of Claims and Equity Interests have overwhelmingly voted to accept the Plan, including the releases contained therein.
- (i) That, based upon the Court's findings, the provisions contained within Sections VI.C.4 and 5 of the Plan are valid and appropriate.

NOW THEREFORE, IT IS HEREBY ORDERED, ADJUDGED AND DECREED

THAT:

1. Confirmation. The Plan is approved and confirmed under Section 1129 of the Bankruptcy Code. The terms of the Plan and the exhibits thereto are incorporated by reference into and are an integral part of the Plan and this Confirmation Order. The Plan complies with all applicable provisions of the Bankruptcy Code and applicable Bankruptcy Rules relating to confirmation. Pursuant to Bankruptcy Rule 3020(e), the ten (10) day stay of this Confirmation Order imposed thereby is waived and Debtor is hereby authorized to consummate the Plan and the transactions contemplated thereby immediately upon the entry of this Confirmation Order and upon the satisfaction or waiver of the conditions set forth in Section V of the Plan.

2. Objections. All Objections to confirmation of the Plan that have not been withdrawn, waived, or settled and all reservations of rights included therein, are overruled on the merits. All withdrawn objections are deemed withdrawn with prejudice. Specifically, the objections in Docket Nos. 1549, 1550, 1552 and 1722 were withdrawn.

3. Provisions of Plan and Confirmation Order Nonseverable and Mutually Dependent.

The provisions of the Plan and this Confirmation Order, including the findings of fact and conclusions of law set forth herein, are nonseverable and mutually dependent.

4. Plan Classification Controlling. The classification of Claims and Equity Interests for purposes of the distributions to be made under the Plan shall be governed solely by the terms of the Plan. The classifications set forth on the Ballots tendered to or returned by Debtor's creditors in connection with voting on the Plan (a) were set forth on the Ballots solely for purposes of voting to accept or reject the Plan, (b) do not necessarily represent and in no event shall be deemed to modify or otherwise affect, the actual classification of such Claims or Equity Interests under the Plan for distribution purposes, and (c) may not be relied upon by any creditor or interest holder as representing the actual classification of such Claims or Equity Interests under the Plan for distribution purposes.

5. Binding Effect. Pursuant to Section 1141 of the Bankruptcy Code, effective as of the Effective Date, but subject to consummation of the Plan and except as expressly provided in the Plan or this Confirmation Order, the provisions of the Plan (including the exhibits to and all documents and agreements executed pursuant to the Plan) and this Confirmation Order shall be binding on (a) Debtor, (b) all holders of Claims against and Equity Interests in any of Debtor, whether or not impaired under the Plan and whether or not, if impaired, such holders accepted the Plan, (c) each Person acquiring property under the Plan, (d) any other party in interest, (e) any Person making an appearance in the Chapter 11 Case, and (f) each of the foregoing's respective heirs, successors, assigns, trustees, executors, administrators, affiliates, officers, directors, agents, representatives, attorneys, beneficiaries, or guardians.

6. Executory Contracts. Pursuant to section 1123(b)(2) of the Bankruptcy Code, all executory contracts and unexpired leases to which Debtor is or was a party and not previously rejected or assumed and assigned pursuant to prior order of the Court, or for which no motion to assume is pending as of the Effective Date, are deemed rejected pursuant to section 365(a) of the Bankruptcy Code as of the Confirmation Date.

Each party to an executory contract or unexpired lease rejected pursuant to the Plan (and only such entities) asserting a Claim for damages arising from such rejection shall File, not later than thirty (30) days following the Confirmation Date, a proof of such Claim; *provided, however*, that (1) the Bar Date established for rejection damages claims in this Section IV of the Plan shall not apply to Persons that may assert a Claim on account of an executory contract or unexpired lease that was rejected by Debtor before the Confirmation Date for which a prior Bar Date was established; and (2) any Person asserting a claim for rejection damages that does not timely File a proof of claim in accordance with the Plan shall be forever enjoined and barred from asserting such Claim against Debtor, the Estate or any property of the Estate.

7. Equity Interests are Terminated. All Equity Interests are terminated effective upon the Effective Date.

8. Releases. The releases, exculpation and indemnification provisions contained in the Plan, including but not limited to those provided in Section VI.C.4 and 5 of the Plan, are hereby authorized, approved and binding on all persons and entities who may have had standing to assert such Claims or Causes of Action and who granted or were deemed to grant the releases under the Plan, as stated therein.

9. Injunctions. The injunctions contained in the Plan, including but not limited to those provided in Section VI.C of the Plan, are hereby authorized, approved and binding on all persons and entities who may have had standing to assert any Released Actions against any Released Party.

10. General Authorizations. Pursuant to Section 1142(b) of the Bankruptcy Code, (a) Debtor, its officers and directors and (b) all other necessary parties are authorized and empowered to (x) execute and deliver any instrument, agreement or document and (y) perform any act that is necessary, desirable, or required to comply with the terms and conditions of the Plan and are authorized and empowered, without limitation, to:

(a) take all actions necessary or appropriate to enter into, implement and consummate the contracts, instruments and other agreements or documents created in connection with the Plan; *provided, however*, that Debtor may make such additional changes to the Plan as Debtor deems necessary, without notice and a hearing under Section 1127(b) of the Bankruptcy Code or disclosure or resolicitation under Section 1127(c) of the Bankruptcy Code, as long as such changes do not adversely affect the rights of any nonconsenting party in interest; and;

(b) take such steps as they deem necessary or desirable to prepare for and effect the consummation of the Plan in accordance with the Plan.

11. Exemption From Certain Taxes. Pursuant to Section 1146(a) of the Bankruptcy Code:

(a) the creation or transfer of any mortgage, deed of trust or other security interest, the making or assignment of any lease or sublease, or the making or delivery of any deed or other instrument of transfer under, in furtherance of or in connection with the Plan, and executed in connection with the liquidation of assets shall not be subject to any stamp tax, real estate tax or similar tax and this Confirmation Order directs the appropriate state, commonwealth and local government officials or agents to forego the collection of any such tax or governmental assessment and to accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax or governmental assessment.

12. Administrative Expense Claims. The Court makes the following findings related to the treatment of Unclassified Claims under of the Plan:

(a) **Allowance and Payment of Fee Claims.** Except as provided by prior order of the Court, professionals or other entities asserting a Fee Claim must File and serve on Debtor, the Liquidating Trustee, the Bankruptcy Administrator, and such other entities as are designated by the Bankruptcy Rules, this Confirmation Order or other Final Order of the Court, an application for final allowance of compensation and reimbursement of expenses no later than thirty (30) days after the Effective Date. Such application may include fees and expenses of the applicant incurred after the Confirmation Date but prior to the Effective Date. Failure to timely and properly File an application for Allowance of a Fee Claim as set forth herein shall result in such Fee Claim being forever barred and discharged. Objections to an application for allowance of a Fee Claim must be Filed and served on the Liquidating Trustee, the Bankruptcy Administrator, and the applicant no later than twenty (20) days after the Filing of the application for allowance of such Fee Claim. Any Allowed Fee Claim unpaid as of the Effective Date shall be paid on the Effective Date or, if later, not later than the fifteenth (15th) Business Day after such Fee Claim becomes Allowed, in Cash equal to such Allowed Fee Claim from the Available Funds. Additionally, all final requests for Fee Claims must be filed with the Court not later than thirty (30) days after the Effective Date. Objections to the applications of such professionals or other entities for compensation or reimbursement of expenses must be filed and served on Debtor and its counsel, the Liquidating Trustee, the Bankruptcy Administrator, and the applicant or other entity, not later than twenty (20) days after the filing of the application for allowance of such Fee Claim.

(b) **General Allowance Procedures for Administrative Expense Claims Other than Fee Claims and Goods Claims.** Pursuant to section 502 of the Bankruptcy Code, requests for payment of an Administrative Expense Claim, other than statutory fees, Fee Claims, or Goods Claims, arising before the Effective Date, must be Filed and served on the Liquidating Trustee and the Bankruptcy Administrator, pursuant to procedures set forth in this Confirmation Order, no later than thirty (30) days after the Effective Date; provided, however, all requests for payment of Goods Claims that were not filed before the June 5, 2009 Bar Date established by the Court's Order of May 8, 2009, shall be denied, barred and discharged as untimely. Each such request for payment of an Administrative Expense Claim must include, at a minimum, (i) the name of the Holder of the Claim, (ii) the amount of the Claim, (iii) the basis for the Claim, and (iv) documents evidencing or supporting the Claim. Failure to timely and properly file a request for payment of an Administrative Expense Claim

as set forth herein shall result in the Administrative Expense Claim being forever barred and discharged. Objections to any such request may be made by Debtor or any party in interest and such objections, if any, must be filed and served on Debtor, the Bankruptcy Administrator, the Liquidating Trustee and the requesting party by the later of twenty (20) days after the Effective Date or twenty (20) days after the filing of the applicable request for payment. To the extent not paid prior to the Effective Date, these claims shall be paid on the Effective Date or, if later, no later than the fifteenth (15th) Business Day after such Claim becomes Allowed, in Cash equal to such Allowed Claim from the Available Funds.

(c) **Payment of Goods Claims and Administrative Expense Claims Allowed Under Section III.A.1(b) of the Plan.** Subject to the allowance procedures set forth in the Plan, unless such Holder agrees to other treatment (in which event, such other agreement shall govern), each Holder of a Goods Claim or an Allowed Administrative Expense Claim Allowed pursuant to Section III.A.1(b) of the Plan, shall, to the extent not already paid, be paid on the Effective Date or, if later, no later than the fifteenth (15th) Business Day after such Claim becomes Allowed, Cash equal to such Allowed Claim from the Available Funds.

(d) **Allowance and Payment of PACA Claims/PASA Claims.** All requests for payment of PACA Claims and/or PASA Claims that were not filed before the respective statutory deadline provided in either PACA or PASA, shall be denied, barred and discharged as untimely, as established by the PACA/PASA Order. Subject to the allowance procedures set forth in the PACA/PASA Order, unless the Holder of an Allowed PACA Claim or an Allowed PASA Claim agrees to other treatment (in which event, such other agreement shall govern), each such Holder of an Allowed PACA Claim or an Allowed PASA Claim Allowed pursuant to the terms of the PACA/PASA Order, shall, to the extent not already paid, be paid on the Effective Date Cash equal to such Allowed PACA Claim and/or Allowed PASA Claim from the Available Funds.

13. Resolution of Claims. Except as otherwise ordered by this Court, any Claim that is not an Allowed Claim shall be determined, resolved, or adjudicated in accordance with the terms of the Plan.

14. Provisions Regarding Allowance of Workers Compensation and Personal Injury Claims. The provisions contained in the Plan, including but not limited to those provided in Section III.D. of the Plan, with respect to the allowance and treatment of Workers Compensation Claims and Personal Injury Claims, are hereby authorized, approved and binding on all relevant Claimholders.

15. Liquidating Trustee. The Liquidating Trustee for the Plan shall be appointed as of the Effective Date and shall serve without a bond. The Liquidating Trustee shall be William Kaye, whose address is 31 Rose Lane, East Rockaway, NY 11518. In the event of the death, resignation, incapacity, disqualification, or misconduct of the Liquidating Trustee, the Post Confirmation Committee shall appoint a successor. The Liquidating Trustee shall retain and have all of the rights, powers and duties necessary to carry out its responsibilities under the Plan and those rights, powers

and duties shall be exercisable solely by the Liquidating Trustee. Commencing on the Confirmation Date, Debtor shall work with the Committee and the Liquidating Trustee to facilitate a smooth transition of the responsibility of the wind down of the Estate to the Liquidating Trustee, including being able to make the payments on the Effective Date that are required by the Plan. Pursuant to Section VI.A.4 of the Plan, the Committee and Liquidating Trustee have agreed to the following compensation for the Liquidating Trustee's payment in this case, which shall not be subject to further notice, review or order of this Court:

The Liquidating Trustee shall receive the following fixed compensation during the following time periods after the Effective Date: (a) months 1 - 6 - \$15,000 per month; (b) months 7 -12 - \$10,000 per month; (c) months 13 - 24 - \$7,500 per month; and (d) month 25 until closing of case - \$2,500 per month. In addition, the Liquidating Trustee will receive five percent (5%) of the first two million dollars of recovery on any claims against Lone Star and the officers and directors and two-and-one-half percent (2 1/2%) on any recovery over two million dollars on any such claims. If these claims, if any, are settled within 12 months following the Effective Date, then thirty three and one-third percent (33 1/3%) of any monthly fees paid until the date of the settlement shall be credited against the percentages above. If these claims, if any, are settled during the second year following the Effective Date, then twenty percent (20%) of any monthly fees paid commencing on the 13th month following the Effective Date through the date of the settlement shall be credited against the percentages above.

Debtor did not participate in the negotiations of this fee arrangement and does not take position with respect to it other than that the Plan provides the Committee with the authority to agree to the fee agreement with the Liquidating Trustee. Therefore the provisions contained in the Plan, including but not limited to those provided in Section VI.A. of the Plan with respect to the Liquidation Trustee, are hereby expressly authorized and approved.

16. With respect to the disposition of the Property by the Liquidating Trustee, the Court hereby finds that:

(a) **Vesting of Assets.** Unless otherwise dealt with under the Plan or by a prior Final Order, on the Effective Date all property of the Estate (including all Causes of Action) will remain vested in the Estate and shall continue to be subject to the jurisdiction of the Court following confirmation of the Plan until distributed to Holders of Allowed Claims in accordance with the provisions of the Plan and this Confirmation Order. From and after the Effective Date, all property of the Estate shall be free and clear of all liens, claims and interest of Holders of Claims and Interests, except as otherwise provided in the Plan. All such property of the Estate shall be distributed in accordance with the provisions of the Plan and this Confirmation Order.

(b) **Liquidation of Assets.** Notwithstanding any other provision of the Plan, on the Effective Date or as soon as practicable thereafter, the Liquidating Trustee (without further motion, notice or order of the Court, subject to the terms of the Plan), shall liquidate the Assets on the terms and conditions set forth in the Plan and distribute the Net Proceeds thereof in accordance with the Plan.

(c) **Distributions.** The Liquidating Trustee shall liquidate the Assets of Debtor in accordance with the Plan and shall distribute the Net Proceeds thereof as follows: (a) first to pay the reasonable costs and expenses of the Liquidating Trustee and his professionals (including professional fees) incurred in administering, maintaining, and preserving the Available Funds and the liquidation of the Assets of Debtor (to the extent not otherwise paid pursuant to the Plan); and (b) second Pro Rata to the Holders of Allowed Claims on the terms and conditions, and in the priority, set forth in the Plan.

As such, the provisions contained in the Plan, including but not limited to those provided in Section VII.B. of the Plan, with respect to Distributions are hereby expressly authorized and approved.

17. Payment of Fees. All fees payable by Debtor under 28 U.S.C. § 1930 shall be paid on or before the Effective Date and Debtor shall not thereafter be liable for the payment of any additional fees under 28 U.S.C. § 1930.

18. Failure of Effective Date to Occur. In the event that the Effective Date does not timely occur, Debtor and the Committee reserve all rights to seek an order from the Court directing that this Confirmation Order be vacated, that the Plan be null and void in all respects, and/or that any settlement of Claims provided for in the Plan be null and void. In the event that the Court shall enter an order vacating this Confirmation Order, the time within which Debtor may assume and assign, or reject all executory contracts and unexpired leases not previously assumed, assumed and assigned, or rejected, shall be extended for a period of thirty (30) days after the date this Confirmation Order is vacated, without prejudice to further extensions.

19. Discharge of Debtor and Estate. Pursuant to Section 1141(d) of the Bankruptcy Code, and except as otherwise provided in the Plan, from and after the Effective Date, all persons who have held, hold or may hold Claims against or Interests in the Debtor are permanently enjoined from taking any of the following actions against the Debtor or its Estate, or any of its property on account of any such Claims or Interests: (A) commencing or continuing, in any manner or in any place, any action or other proceeding; (B) enforcing, attaching, collecting or recovering in any manner any

judgment, award, decree or order; (C) creating, perfecting or enforcing any lien or encumbrance; (D) asserting a setoff, right of subrogation or recoupment of any kind against any debt, liability or obligation due to the Debtor; and (E) commencing or continuing, in any manner or in any place, any action that does not comply with or is inconsistent with the provisions of the Plan, provided however, that nothing contained in the Plan shall preclude such persons from exercising their rights pursuant to and consistent with the terms of the Plan or this Order.

20. Reservation of Rights of the Estate and Retention and Enforcement of Causes of Action. Unless expressly and unequivocally released in the Plan, nothing contained in the Plan shall be deemed to be a waiver or relinquishment or release of any Causes of Action that the Liquidating Trustee may choose to assert on behalf of the Estate under any provision of the Bankruptcy Code or any applicable non-bankruptcy law. All Causes of Action, cross-claims, setoffs, defenses and counterclaims of Debtor or the Estate of any kind or nature whatsoever including, without limitation, those against third parties arising before the Effective Date that have not been disposed of prior to the Effective Date shall be preserved and retained for enforcement by the Liquidating Trustee for the benefit of the Estate as set forth in the Plan, except to the extent expressly and unequivocally released or enjoined by the Plan or pursuant to a Final Order. Without limitation of the foregoing, pursuant to section 1123(b) of the Bankruptcy Code, the Liquidating Trustee, and his successors and assigns, shall retain and is solely empowered and authorized to enforce, for the benefit of the Estate: (a) the Causes of Action, including, but not limited to, those against any former or current officer, director, member, manager or agent of Debtor or any insider or affiliate of Debtor⁴, as those terms as defined in the Bankruptcy Code, arising under applicable non-bankruptcy law under either federal or state law, including but not limited to breaches of fiduciary duty; and against any professional retained by Debtor prior to the Filing Date for malpractice or negligence or other torts, including any

lawyer, law firm, accountant, accounting firm, consultant or consulting firm or investment banker or investment banking firm for services performed prior to the Filing Date and (b) all other Causes of Action and related recoveries of any nature or type whatsoever, at law or in equity, against any Person or entity. Regardless of whether a name of a Person or entity is listed among the forgoing, the Liquidating Trustee is retaining for enforcement for the benefit of the Estate any and all Causes of Action against any and all former officers, directors, members, managers and agents of Debtor.

Furthermore, except as specifically released or enjoined by the Plan or pursuant to a Final Order, the Liquidating Trustee is retaining for enforcement for the benefit of the Estate all Avoidance Actions, including, but not limited to, against the following Persons or entities: (a) any Person or entity who received a payment or property from Debtor to or for their benefit on account of an antecedent debt owed by Debtor within ninety (90) days of the Filing Date, including, but not limited to, those persons or entities identified in response to Question 3(a) on Debtor's Statement of Financial Affairs Filed with the Court, (b) any insider of Debtor, as that term is defined by the Bankruptcy Code, who received a payment or transfer of property from Debtor to or for their benefit on account of an antecedent debt owed by Debtor within one year of the Filing Date and (c) any Person or entity who received a transfer of property from Debtor or from whom Debtor assumed an obligation within two years of the Filing Date. Regardless of whether or not a Person or entity is identified as a recipient of a payment or other transfer of property from Debtor or the transferor of obligation to Debtor in Debtor's Statement of Financial Affairs Filed with the Court, all Avoidance Actions against any Persons or entities shall be reserved and retained for enforcement by the Liquidating Trustee, for the benefit of the Estate.⁵

Additionally, upon the Effective Date, the Liquidating Trustee shall automatically be substituted in as the Plaintiff in any action in which Debtor or the Committee was the Plaintiff, and as the party in interest with respect to any proof of claim filed by either Debtor or the Committee against BI-LO, LLC and its affiliates or any objection to a claim filed by the Debtor or the Committee.

⁵ Nothing in the Plan prejudices any party's positions with respect to jurisdictional, substantive, and procedural issues pertaining to the Causes of Action and other claims described in this paragraph.

21. Retention of Jurisdiction. Pursuant to Sections 105(a) and 1142 of the Bankruptcy Code and notwithstanding the entry of this Confirmation Order or the occurrence of the Effective Date, this Court shall retain exclusive jurisdiction over the Chapter 11 Case and also all matters arising under, arising in, or related to, the Chapter 11 Case and the Plan to the fullest extent permitted by law, including, among other things, jurisdiction over the matters set forth in Section VIII of the Plan.

22. Notice of Occurrence of Effective Date. On or before the fifth (5th) Business Day following the occurrence of the Effective Date, the Liquidating Trustee shall serve notice of entry of this Confirmation Order and occurrence of the Effective Date pursuant to Fed. R. Bankr. P. 2002(f)(7), 2002(k) and 3020(c) on all creditors, equity security holders, the Bankruptcy Administrator and other parties in interest, by causing a notice (the "Notice of Effective Date"), to be delivered to such parties by first-class mail, postage prepaid; provided, however, that notice need not be given or served under the Bankruptcy Code, the Bankruptcy Rules, or this Confirmation Order to any Person to whom Debtor mailed a notice of the Confirmation Hearing, but received such notice returned marked "undeliverable as addressed," "moved-left no forwarding address" or "forwarding order expired," or similar reason, unless Debtor has been informed in writing by such Person of that Person's new address. This notice shall include the deadlines as set forth in the Plan to file non-goods Administrative Claims. The notice described herein is adequate under the particular circumstances and no other or further notice is necessary.

23. Headings. The headings contained within this Confirmation Order are used for the convenience of the parties and shall not alter or affect the meaning of the text of this Confirmation Order.

24. References to Plan Provisions. The failure specifically to include or reference any particular provision of the Plan in this Confirmation Order shall not diminish or impair the effectiveness of such provision, it being the intent of the Court that the Plan be confirmed in its entirety.

25. Confirmation Order Controlling. If there is any conflict or inconsistency between the Plan and this Confirmation Order, the terms of this Confirmation Order shall control.

26. Jury Trial. To the extent any claimant is entitled to a jury trial pursuant to 28 U.S.C. § 157(b)(5), nothing in this Confirmation Order diminishes or expands that claimant's right to a jury trial.

27. Substantial Consummation. "Substantial consummation" of the Plan, as defined in 11 U.S.C. § 1101(2), shall be deemed to occur when the Liquidating Trustee makes the Final Distribution.
