If the WARN Act is applicable to the purchase and sale contemplated by this Agreement, Purchasers, Purchasers' managers (whether manager or a third party), or their Affiliates, shall offer employment to a sufficient number of the employees on such terms and conditions so that Seller (or the Manager, as applicable) is not required to provide notice of a "plant closing" or "mass layoff" to any person or entity under the Worker Adjustment and Retraining Notification Act of 1988, 29 U.S.C. § 2101 et seq. or any other similar federal, state or local law or regulation (the "WARN Act") as a result of the termination of employment of the employees by Sellers (or the Manager, as applicable) as of the Closing, and Purchasers agree not to terminate or permit its manager to terminate any such hired employees who accept such employment for a period of ninety (90) calendar days after Closing in such manner, or to take any other action, which will cause the application of the WARN Act. Seller covenants and agrees to reasonably cooperate with such counsel. Purchaser shall not make any statement admitting or asserting liability or wrongdoing of any kind with respect to such claim by or on the part of any Seller which could be reasonably expected to have a material adverse effect on Seller, provided that it shall not be a breach of this Section 7.7(b) to provide truthful information when required by any statute, rule, court order or other legal obligation. This Section 7.7(b) shall survive the Closing.

7.8 Calculations. All prorations shall be made on the basis of the actual number of days in the year and month in which the Closing occurs or in the period of computation. Except as otherwise expressly provided herein, all apportionments and adjustments shall be made on an accrual or cash basis as set forth herein.

7.9 Post-Closing Access. For such three (3) year period after the Closing, upon prior written notice to Purchasers, Sellers shall have reasonable access to the books and records of the Property during regular business hours to enable Sellers to audit the same at their sole expense with respect to the period of ownership or operation of the Property by Sellers; provided, that (i) Sellers shall not unreasonably interfere with the operation of the Property, (ii) a representative of the Purchasers shall have the right, upon request, to accompany Sellers during such access, (iii) if an audit of such books and records pertaining to the period prior to Closing occurs, Sellers shall remove or cause to be removed the relevant materials from the Property so that the audit does not take place on the Property, and (iv) Purchasers shall not be responsible for books and records that are damaged (other than through Purchasers' intentional misconduct) or that are stolen. Purchasers shall reasonably cooperate with Sellers in connection with such audit. The terms of this Section 7.9 shall survive Closing and the delivery of the Deed.

In the event of any actual or threatened taking, pursuant to the power of eminent domain, of all or any portion of the Real Property owned by each Seller, or any proposed sale in lieu thereof, the Sellers shall give written notice thereof to the Purchasers promptly after any Seller learns or receives notice thereof. At Closing, all proceeds, awards and

In the event of any fire or other casualty affecting any Property, the Sellers shall give written notice thereof to the Purchasers promptly after any Seller learns or receives notice thereof. PURCHASERS FURTHER ACKNOWLEDGE AND AGREE THAT PURCHASERS HAVE NOT RELIED, AND WILL NOT RELY, UPON ANY DOCUMENTS (OTHER THAN THIS AGREEMENT) OR OTHER INFORMATION (ORAL OR WRITTEN) PROVIDED BY, OR PURPORTEDLY PROVIDED ON BEHALF OF, SELLERS UNDER ANY DOCUMENT OTHER THAN THIS AGREEMENT. PURCHASERS UNDERSTAND AND AGREE THAT ANY DOCUMENTS OR INFORMATION PROVIDED TO PURCHASERS BY SELLERS OR ON SELLERS' BEHALF HAVE BEEN OBTAINED FROM A VARIETY OF SOURCES AND HAVE NOT BEEN INDEPENDENTLY INVESTIGATED OR VERIFIED BY SELLERS AND ARE NOT TO BE RELIED UPON BY PURCHASERS IN PURCHASING THE PROPERTY, EXCEPT AS MAY BE SPECIFICALLY REPRESENTED HEREIN. SELLERS MAKE NO EXPRESS REPRESENTATIONS OR WARRANTIES AND SELLERS HEREBY DISCLAIM ANY AND ALL IMPLIED WARRANTIES CONCERNING THE TRUTH, ACCURACY AND

COMPLETENESS OF ANY DOCUMENTS OR INFORMATION PROVIDED TO PURCHASERS BY SELLERS OR BY ANYONE ACTING, OR PURPORTING TO ACT, ON BEHALF OF SELLERS, EXCEPT AS MAY BE SPECIFICALLY REPRESENTED HEREIN.

(c) EXCEPT AS OTHERWISE SPECIFICALLY PROVIDED IN THIS AGREEMENT AND THE SELLERS' DELIVERIES, PURCHASERS AGREE THAT NO REPRESENTATION BY OR ON BEHALF OF SELLERS HAS BEEN MADE TO PURCHASERS AS TO THE CONDITION OF THE PROPERTY, ANY RESTRICTIONS RELATED TO THE DEVELOPMENT OF THE PROPERTY, THE APPLICABILITY OF OR COMPLIANCE WITH ANY GOVERNMENTAL REQUIREMENTS, INCLUDING, BUT NOT LIMITED TO, ENVIRONMENTAL LAWS, OR THE SUITABILITY OF THE PROPERTY FOR ANY PURPOSE WHATSOEVER. PURCHASERS ACKNOWLEDGE THAT SELLERS DO NOT POSSESS ANY EXPERTISE CONCERNING HAZARDOUS MATERIALS (AS DEFINED BY ANY FEDERAL OR STATE LAW, RULE OR REGULATION) INCLUDING, WITHOUT LIMITATION, ASBESTOS, AND, EXCEPT AS OTHERWISE SPECIFICALLY PROVIDED IN THIS AGREEMENT AND THE SELLERS' DELIVERIES, THAT PURCHASERS ARE NOT RELYING ON ANY REPRESENTATION, OR THE LACK OF SAME, WITH RESPECT TO HAZARDOUS MATERIALS AS THEY APPLY TO CONDITIONS ON THE PROPERTY.

9.2 Liability of the Purchasers and the Sellers. Except for any obligation expressly assumed or agreed to be assumed by any Purchaser hereunder or pursuant to the Confirmation Order, the Purchasers do not assume any obligation of the Sellers or any liability for Claims, Liabilities and/or Litigation arising out of any occurrence prior to Closing. The Sellers shall not be responsible for any obligation of the Purchasers or any liability for any Claims, Liabilities and/or Litigation assumed by the Purchasers hereunder; provided, however, that the foregoing shall not release Sellers from their obligation to be responsible for the payment of liabilities in connection with the portion of the Grand Wailea Wage Litigation that is not being assumed by Purchasers at Closing. To the extent any such obligation is assumed by a Purchaser, such Purchaser and the applicable Seller agree to execute, upon or after the Closing, any and all necessary documents evidencing such assumption of liabilities and obligations, including without limitation, such documents and instruments as are necessary to assign the Litigation and Claims to Purchasers, including "Substitution of Counsel" documents necessary to replace Sellers' counsel(s) in connection with any Claims, Liabilities or Litigation. This Section 9.2 shall survive the Closing.

9.3 Termination by Purchasers. Purchaser may terminate this Agreement if:

- (a) [Intentionally Deleted]
- (b) The Confirmation Order is not entered on or before January 31, 2013;
- (c) Any of Sellers' Chapter 11 cases are dismissed or converted to Chapter 7 cases without the prior written consent of Purchaser in its sole discretion;
- (d) The Bankruptcy Court approves any disclosure statement or Plan other than the Disclosure Statement and the Plan;

(e) The Bankruptcy Court grants stay relief with respect to any of Seller's assets, other than *de minimus* assets;

(f) The Break-Up Fee Order (as defined in the Plan) entered by the Bankruptcy Court following the Good Faith Hearing (as defined in the Plan) provides that Purchasers (or its Affiliates) are not good faith Purchasers on the basis of actions taken prior to September 10, 2012;

(g) UOB terminates its commitment to provide financing to Purchaser pursuant to Section 1 of the Paragraph titled "Termination of Commitment" of that certain Commitment Letter from UOB to GIC Real Estate, Inc., dated March 31, 2010;

(h) The total uses set forth on Schedule 2 attached hereto exceed the Purchase Price;

(i) Purchasers determine, in their sole discretion, that a Transaction Tax Liability (as such term is defined in the Plan) may be assessed against Purchasers or any of their respective Affiliates or any of the Sellers (or their Affiliates, other than MSR Resort Sub Intermediate Mezz LLC);

(j) If the Closing has not occurred on or prior January 31, 2013;

(k) If Seller materially defaults in performing any of its obligations under this Agreement (including its obligation to sell the Property), and such Seller fails to cure any such matter within ten (10) Business Days after notice thereof from the Purchaser; and

If any of the foregoing (a) – (k) occurs other than as a result of an action taken by the Purchasers, the Purchasers, at their option, may elect either (a) to terminate this Agreement, in which event the Deposit shall be forthwith returned to the Purchasers and all other rights and obligations of the Sellers and the Purchasers hereunder shall terminate immediately (except those which expressly survive the termination of this Agreement), or (b) to waive the right to terminate and, instead, to proceed to Closing.

9.4 Termination by Sellers. If the Purchasers materially default in performing any of their obligations under this Agreement (including their obligation to purchase the Property), and the Purchasers fail to cure any such default within ten (10) Business Days after notice thereof from the Sellers, then the Sellers' sole remedy for such default shall be to terminate this Agreement and retain the Deposit. The Sellers and the Purchasers agree that, in the event of such a default, the damages that the Sellers would sustain as a result thereof would be difficult if not impossible to ascertain. Therefore, the Sellers and the Purchasers agree that the Sellers shall retain the Deposit as full and complete liquidated damages and as the Sellers' sole remedy. In addition to the foregoing, Seller may terminate this Agreement if the total Purchase Price is not sufficient to fund the Plan.

9.5 Liquidator Agreement. Other than as set forth in the Liquidator Agreement, Purchasers shall have no liability or obligations with respect to the expenses under the Liquidator Agreement.

9.6 Releases. Seller and Purchaser shall mutually release each other and their Affiliates, as applicable, pursuant to and to the extent set forth in the Confirmation Order.

sole discretion, in order to take legal action to enforce this Agreement, (iv) to any Person on a “need to know” basis, such as their respective shareholders, partners, members, trustees, beneficiaries, directors, officers, employees, attorneys, consultants, engineers, surveyors, lenders, investors, managers, franchisors, Affiliates and such other Persons whose assistance is required to consummate the transactions described in this Agreement; provided, however, that in the case of clause (iv) above, Purchaser shall advise such Person of the confidential nature of such Confidential Information. EXHIBIT B

List of Assumed Executory Contracts and Unexpired Leases

Pursuant to Article V.A of the Plan, Executory Contracts and Unexpired Leases not previously assumed or rejected pursuant to an order of the Bankruptcy Court will be deemed assumed and assigned to the Purchaser, in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code, other than (1) the Rejected Hilton Management Agreements; (2) those that previously were assumed or rejected by the Debtors; (3) those identified as an Excluded Asset; (4) those that are identified on the Rejected Executory Contract and Unexpired Lease List; (5) those that are the subject of a motion to reject Executory Contracts or Unexpired Leases that is pending on the Confirmation Date; or (6) those that are subject to a motion to reject an Executory Contract or Unexpired Lease pursuant to which the requested effective date of such rejection is after the Effective Date.

Entry of the Confirmation Order by the Bankruptcy Court shall constitute an order approving the assumptions, assignments, or rejections of such Executory Contracts and Unexpired Leases as set forth in the Plan, all pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Each Executory Contract and Unexpired Lease assumed pursuant to the Plan or by Bankruptcy Court order, and not assigned to a third party on or prior to the Effective Date, shall revert in and be fully enforceable by the applicable contracting Reorganized Debtor in accordance with its terms, except as such terms may have been modified by order of the Bankruptcy Court. Notwithstanding anything to the contrary in the Plan, the Debtors, with the consent of the Purchaser, reserve the right to alter, amend, modify, or supplement the Executory Contracts and Unexpired Leases identified on the Assumed Executory Contract/Unexpired Lease List in their discretion prior to the Effective Date at any time through and including 60 days after the Effective Date (or such later date as provided in Article V.C of the Plan in the event of any objection by a counterparty to an Executory Contract or Unexpired Lease to the amount of any Cure Obligation or other matter relating to the proposed assumption and assignment).

Any provisions that restrict assignment in any Executory Contracts and Unexpired Leases assumed by the Debtors shall be deemed invalid for purposes of assumption and assignment in accordance with section 365 and 1123 of the Bankruptcy Code, including assignment of any assumed Executory Contract or Unexpired Lease to the Purchaser.

Article V.D of the Plan also provides that any monetary defaults under each Executory Contract and Unexpired Lease to be assumed pursuant to the Plan shall be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, by payment of the default amount in Cash on the Effective Date, subject to the limitations set forth as in the Plan, or on such other terms as the parties to such Executory Contracts or Unexpired Leases have otherwise agreed.

The Debtors have listed the amounts that the Debtors believe must be paid to cure all prepetition defaults, if any, under the Executory Contracts or Unexpired Leases as of the Petition Date in accordance with section 365(b) of the Bankruptcy Code (in each instance, the “Cure Amount”). Cure Amounts may be listed on an agreement-by-agreement basis or in the aggregate for multiple agreements.

Neither the exclusion nor inclusion of any contract or lease in the Plan Supplement, nor anything contained in the Plan, shall constitute an admission by the Debtors that any such contract or lease is in fact an Executory Contract or Unexpired Lease or that the Debtors or Purchaser, as applicable, have any liability thereunder. The Debtors also reserve the right to amend the Assumed Executory Contract/Unexpired Lease List and the amount of any proposed Cure Amount as permitted by the Plan.

Unless otherwise provided in the Plan, each assumed and assigned Executory Contract or Unexpired Lease shall include all modifications, amendments, supplements, restatements, or other agreements that in any manner affect such Executory Contract or Unexpired Lease, and all Executory Contracts and Unexpired Leases related thereto, if any, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests, unless any of the foregoing agreements have been previously rejected or repudiated or are rejected or repudiated under the Plan.

EXHIBIT C

List of Rejected Executory Contracts and Unexpired Leases

Pursuant to Article V.A of the Plan, Executory Contracts and Unexpired Leases not previously assumed or rejected pursuant to an order of the Bankruptcy Court will be deemed assumed and assigned to the Purchaser, in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code, other than (1) the Rejected Hilton Management Agreements; (2) those that previously were assumed or rejected by the Debtors; (3) those identified as an Excluded Asset; (4) those that are identified on the Rejected Executory Contract and Unexpired Lease List; (5) those that are the subject of a motion to reject Executory Contracts or Unexpired Leases that is pending on the Confirmation Date; or (6) those that are subject to a motion to reject an Executory Contract or Unexpired Lease pursuant to which the requested effective date of such rejection is after the Effective Date.

Entry of the Confirmation Order by the Bankruptcy Court shall constitute an order approving the assumptions, assignments, or rejections of such Executory Contracts and Unexpired Leases as set forth in the Plan, all pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Notwithstanding anything to the contrary in the Plan, the Debtors, with the consent of the Purchaser, reserve the right to alter, amend, modify, or supplement the schedules of Executory Contracts and Unexpired Leases identified in Article V, and in the Plan Supplement at any time through and including 60 days after the Effective Date (or such later date as provided in Article V.C in the event of any objection by a counterparty to an Executory Contract or Unexpired Lease to the amount of any Cure Obligation or other matter relating to the proposed assumption and assignment).

Pursuant to Article V.G of the Plan, unless otherwise provided by a Bankruptcy Court order, any Proofs of Claim asserting Claims arising from the rejection or repudiation of the Debtors' Executory Contracts or Unexpired Leases pursuant to the Plan or otherwise must be filed with the Bankruptcy Court within 30 days after the later of (1) the date of entry of an order of the Bankruptcy Court (including the Confirmation Order) approving such rejection, (2) the effective date of such rejection, or (3) the Effective Date. Any Claims arising from the rejection or repudiation of the Debtors' Executory Contracts or Unexpired Leases that are not timely filed shall be disallowed automatically, forever barred from assertion, and shall not be enforceable against any Reorganized Debtor or the Purchaser, as applicable, without the need for any objection or further notice to or action, order, or approval of the Bankruptcy Court. Any Claim arising out of the rejection or repudiation of the Executory Contracts or Unexpired Leases shall not (a) be treated as a creditor with respect to such Claim, (b) be permitted to vote to accept or reject the Plan, or (c) participate in any distribution in the Chapter 11 Cases on account of such Claim. All Allowed Claims arising from the rejection of the Debtors' Executory Contracts shall be treated as General Unsecured Claims.

Neither the exclusion nor inclusion of any contract or lease in the Plan Supplement, nor anything contained in the Plan, shall constitute an admission by the Debtors that any such contract or lease is in fact an Executory Contract or Unexpired Lease or that the Debtors or Purchaser, as applicable, have any liability thereunder. The Debtors also reserve the right to amend the Rejected Executory Contract/Unexpired Lease List as permitted by the Plan.

Retained Causes of Actions

Article IV.N of the Plan provides as follows:

Unless any Causes of Action against an Entity are expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan or a Bankruptcy Court order, the Debtors reserve, and assign to Purchaser pursuant to the Purchase Agreement, any and all Causes of Action, including any actions specifically enumerated in the Plan Supplement, whether arising before or after the Petition Date, and preserve, and assign to Purchaser pursuant to the Purchase Agreement, the right to commence, prosecute, or settle such Causes of Action, notwithstanding the occurrence of the Effective Date. The Purchaser may pursue such Causes of Action in its sole discretion. **No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against them as any indication that the Debtors or Purchaser, as applicable, will not pursue any and all available Causes of Action against them.** No preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation or Consummation.

The Debtors reserve, and assign to Purchaser pursuant to the Purchase Agreement, the Causes of Action notwithstanding the rejection of any Executory Contract or Unexpired Lease during the Chapter 11 Cases or pursuant to the Plan. In accordance with section 1123(b)(3) of the Bankruptcy Code, any Causes of Action that a Debtor may hold against any Entity shall vest in the Debtors, and be assigned to Purchaser pursuant to the Purchase Agreement. The Purchaser, through their authorized agents or representatives, shall retain and may exclusively enforce any and all such Causes of Action. The Purchaser shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court.

Notwithstanding and without limiting the generality of Article IV.N of the Plan, the following **Exhibit E1** through **Exhibit E8** include specific types of Causes of Actions expressly preserved by the Debtors and the Reorganized Debtors, including: (1) claims related to contracts and leases; (2) claims related to insurance policies; (3) claims related to deposits, adequate assurance postings, and other collateral postings; (4) claims related to liens; (5) claims, defenses, cross-claims, and counter-claims related to litigation and possible litigation; (6) claims related to accounts receivable and accounts payable; (7) claims related to tax refunds; and (8) claims related to customer obligations, which are attached hereto as **Exhibit E1**, **Exhibit E2**, **Exhibit E3**, **Exhibit E4**, **Exhibit E5**, **Exhibit E6**, **Exhibit E7**, and **Exhibit E8** respectively.

Each of Exhibit E1, Exhibit E2, Exhibit E3, Exhibit E4, Exhibit E5, Exhibit E6, Exhibit E7, and Exhibit E8 is subject to the information provided in this Exhibit E.

Exhibit E1

Claims Related to Contracts and Leases

The following **Exhibit E1** includes contracts and leases to which one or more Debtors are a party **other than** the membership agreements with the Debtors' customers. Unless otherwise released by the Plan, the Debtors expressly reserve the Causes of Actions, based in whole or in part upon any and all contracts and leases to which any Debtor or Reorganized Debtor is a party or pursuant to which any Debtor or Reorganized Debtor has any rights whatsoever, regardless of whether such contract or lease is included on **Exhibit E1**. The claims and Causes of Actions reserved include Causes of Action against vendors, suppliers of goods or services, or any other parties: (a) for overpayments, back charges, duplicate payments, improper holdbacks, deposits, warranties, guarantees, indemnities, recoupment, or setoff; (b) for wrongful or improper termination, suspension of services or supply of goods, or failure to meet other contractual or regulatory obligations; (c) for failure to fully perform or to condition performance on additional requirements under contracts with any one or more of the Debtors before the assumption or rejection, if applicable, of such contracts; (d) for payments, deposits, holdbacks, reserves, or other amounts owed by any creditor, utility, supplier, vendor, insurer, surety, factor, lender, bondholder, lessor, or other party; (e) for any liens, including mechanic's, artisan's, materialmen's, possessory, or statutory liens held by any one or more of the Debtors; (f) arising out of environmental or contaminant exposure matters against landlords, lessors, environmental consultants, environmental agencies, or suppliers of environmental services or goods; (g) counter-claims and defenses related to any contractual obligations; (h) any turnover actions arising under section 542 or 543 of the Bankruptcy Code; and (i) for unfair competition, interference with contract or potential business advantage, breach of contract, infringement of intellectual property, or any business tort claims.

RECITALS

A. On February 1, 2011, each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code in the Bankruptcy Court;

B. On [TO COME], 2012, the Debtors and Purchaser entered into that certain asset purchase agreement (the "Purchase Agreement"), in accordance with that certain commitment letter between Debtors and the Purchaser, dated August 16, 2012;

C. On [TO COME], 2013, the Bankruptcy Court entered an order confirming the Plan (the "Confirmation Order");

D. The Plan and Confirmation Order contemplate (1) the creation of the Liquidation Trust (the "Liquidation Trust," or the "Trust") and the creation of the beneficial interests in the Liquidation Trust solely for the benefit of Holders of Allowed Claims against the Debtors in accordance with this Agreement and the Confirmation Order, including, without limitation, (a) the Holder of any Allowed Claim on account of the Grand Wailea Wage Litigation (as defined in the Purchase Agreement); and (b) the Holder of a Claim that may be asserted against the Debtors under the Settlement Agreement (as defined in the Purchase Agreement), if any, only to the extent provided in the Settlement Agreement (collectively, the "Beneficiaries" and, each individually, a "Beneficiary"), and (2) that, on the Effective Date of the Plan, (a), the applicable Debtors shall grant, assign, transfer, convey, and deliver to the Trust all of their right, title, and

E. The Confirmation Order contemplates that, pursuant to Treasury Regulation Section 301.7701-4(d), the Trust shall be created for the primary purpose of administering and liquidating the Trust Assets and for the secondary purposes of (a) resolving all Disputed Claims; (b) pursuing any Causes of Action that are Trust Assets; (c) making all distributions to the Beneficiaries as provided for under the Plan and Confirmation Order, with no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to and consistent with the liquidating purpose of the Trust and the Plan; and (d) winding down, dissolving, and liquidating the Debtors' estates in accordance with the Plan;

F. G. The Trustee shall have all powers necessary to implement the provisions of this Agreement and administer the Trust, including, without limitation, the power to: (1) preserve and maintain the Trust Assets; (2) object to and reconcile Claims against the Debtors; (3) settle or compromise any Disputed Claims against the Debtors; (4) distribute to or utilize the Trust Assets for the benefit of the Beneficiaries; and (5) otherwise perform the functions and take the actions provided for or permitted in the Plan, the Confirmation Order, this Agreement, or in any other agreement executed pursuant to the Plan, in each case subject to quarterly review by the Bankruptcy Court as described in Section 4.4 of this Agreement.

NOW, THEREFORE, in consideration of the premises and the mutual covenants contained herein, the Debtors, the Purchaser, and the Trustee agree as follows:

ARTICLE I **DECLARATION OF TRUST**

1.1 Creation of Trust. The Debtors, the Purchaser, and the Trustee, pursuant to the Plan and the Confirmation Order and in accordance with the applicable provisions of chapter 11 of the Bankruptcy Code, hereby constitute and create the Trust, which shall bear the name "MSR Liquidation Trust." In connection with the exercise of the Trustee's power hereunder, the Trustee may use this name or such variation thereof as the Trustee sees fit.

1.2 Purpose of Trust. The purpose of the Trust is to implement paragraphs [TO COME] of the Confirmation Order and Articles IV.N and IV.O of the Plan on behalf, and for the benefit, of the Beneficiaries, and to serve as a mechanism for distributing and liquidating the Trust Assets to or utilizing the Trust Assets for the benefit of the Beneficiaries. The Trust will not hold itself out as an investment company and will not conduct a trade or business. The Trust will distribute the Trust Assets to the Beneficiaries in accordance with this Agreement, the Plan, and the Confirmation Order.

1.3 Transfer of Trust Assets. In satisfaction (in addition to the other distributions provided for under the Plan) of all Allowed Claims against the Debtors, the Debtors hereby transfer as of the applicable Effective Date, for the sole benefit of the Beneficiaries, pursuant to sections 1123(a)(5)(B) and 1123(b)(3)(B) of the Bankruptcy Code and in accordance with the Plan and the Confirmation Order, the Trust Assets to the Trust, free and clear of any and all liens, claims, causes of action, encumbrances, and interests (legal, beneficial, or otherwise) of all other entities to the maximum extent contemplated by and permissible under section 1141(c) of the Bankruptcy Code. The Trust Assets, all other property held from time to time by the Trust under this Agreement, and any earnings, including, without limitation, interest on any of the foregoing (collectively, the “Trust Property”), are to be held and applied by the Trustee in accordance with the terms hereof for the benefit of the Beneficiaries, and for no other party, subject to the further covenants, conditions, and terms hereinafter set forth.

In accordance with the Plan or the Confirmation Order, the transfer of certain of the Trust Assets to the Trust may be effectuated by transferring to the Trust the stock or other equity interests of one or more corporations or other entities that own such Trust Assets. Each such entity may be a Debtor or an entity into which such Trust Assets have been transferred, directly or indirectly, by a Debtor.

1.4 Resolution of Claims. In an expeditious but orderly manner and subject to the other provisions of the Plan and this Agreement, the Trustee shall cause the Trust to (a) file, withdraw, or litigate to judgment objections to Claims against the Debtors; (b) settle or compromise any Disputed Claims against the Debtors without any further notice to or action, order, or approval by the Bankruptcy Court; provided, however, that settlement of Disputed Claims pursuant to which the Trust will pay \$100,000 or more shall require the consent of Purchaser, such consent of Purchaser not to be unreasonably withheld, or approval of the Bankruptcy Court; (c) administer and adjust the Claims Register to reflect any such settlements or compromises without any further notice to or action, order, or approval by the Bankruptcy Court; and (d) distribute the Trust Assets, in accordance with Treasury Regulation § 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business. The Trustee may incur any reasonable and necessary expenses in connection with the performance of the foregoing actions and take any actions reasonably incidental thereto.

1.5 Appointment and Acceptance of Trustee. The Trustee shall be deemed to be appointed a “representative of the estates” pursuant to section 1123(b)(3)(B) of the Bankruptcy Code and [TO COME] shall be the designated representative of the Trustee. The Trustee accepts the Trust created by this Agreement and the grant, assignment, transfer, conveyance, and delivery to the Trustee, on behalf and for the benefit of the Beneficiaries, by the Debtors of all of

their respective right, title, and interest in the Trust Assets, upon and subject to the terms and conditions set forth herein, in the Plan, and in the Confirmation Order.

1.6 No Reversion to Debtors. In no event shall any part of the Trust Property revert to or be distributed to any of the Debtors.

1.7 Incidents of Ownership. The Beneficiaries shall be the sole beneficiaries of the Trust, the Trust Assets, and the Trust Property, and the Trustee shall retain only such incidents of ownership as are necessary to undertake the actions and transactions authorized herein, in the Plan, and in the Confirmation Order, including, but not limited to, those powers set forth in Section 6.1 hereof.

ARTICLE II **BENEFICIARIES**

2.1 Conflicting Claims. If any conflicting claims or demands are made or asserted with respect to an interest in Trust Property as evidenced by an Allowed Claim and subject to the treatment set forth in the Plan (each such interest, a “Beneficial Interest”), the Trustee shall be entitled, at its sole election, to refuse to comply with any such conflicting claims or demands. In so refusing, the Trustee may elect to make no payment or distribution with respect to the Beneficial Interest represented by the claims or demands involved, or any part thereof, and the Trustee shall refer such conflicting claims or demands to the Bankruptcy Court, which shall have exclusive jurisdiction over resolution of such conflicting claims or demands. In so doing, the Trustee shall not be or become liable to any party for its refusal to comply with any of such conflicting claims or demands. The Trustee shall be entitled to refuse to act until either (a) the rights of the adverse claimants have been adjudicated by a Final Order of the Bankruptcy Court or (b) all differences have been resolved by a written agreement among all of such parties and the Trustee, which agreement shall include a complete release of the Trust and the Trustee (the occurrence of either (a) or (b) being referred to as a “Dispute Resolution” in this Section 2.1). Until a Dispute Resolution is reached with respect to such conflicting claims or demands, the Trustee may, to the extent deemed reasonable in the Trustee’s sole discretion, establish segregated accounts with a United States financial institution for any payments or distributions from the Trust to be made with respect to the Beneficial Interest at issue. Promptly after a Dispute Resolution is reached, the Trustee shall transfer the payments and distributions, if any, held in the segregated account, together with any interest and income generated thereon, in accordance with the terms of such Dispute Resolution.

2.2 Rights of Beneficiaries. Each Beneficiary shall be entitled to participate in the rights and benefits due to a Beneficiary hereunder according to the terms of its Beneficial Interest. Each Beneficiary shall take and hold the same, subject to all the terms and conditions of this Agreement, the Plan, and the Confirmation Order. The interest of a Beneficiary is hereby declared and shall be in all respects personal property. Except as expressly provided hereunder, a Beneficiary shall have no title to, right to, possession of, management of, or control of the Trust or the Trust Property.

2.3 Interest Beneficial Only. The ownership of a Beneficial Interest in the Trust shall not entitle any Beneficiary to any title in or to the Trust Property or to any right to call for a

partition or division of such assets or to require an accounting, except as specifically provided herein.

2.4 Evidence of Beneficial Interest. Ownership of a Beneficial Interest in the Trust shall not be evidenced by any certificate, security, or receipt or in any other form or manner whatsoever, except as maintained on the books and records of the Trust by the Trustee (or any agent appointed by the Trustee for purposes of maintaining a record of the Beneficiaries and their respective Beneficial Interests in the Trust). The Trustee shall, upon written request of a holder of a Beneficial Interest, provide reasonably adequate documentary evidence of such holder's Beneficial Interest, as indicated in the books and records of the Trust. The expense of providing such documentation shall be borne by the requesting Beneficiary.

2.5 Transfers of Beneficial Interests. The Beneficial Interests in the Trust have not been registered pursuant to the Securities Act of 1933, as amended, or any state securities law. If the Beneficial Interests constitute "securities," the parties hereto intend that the exemption provisions of section 1145 of the Bankruptcy Code shall apply to the Beneficial Interests. The Beneficial Interests shall not be capable of being, and shall not be, transferred, assigned, pledged, or hypothecated in whole or in part. Any transfer, assignment, pledge, or hypothecation of a Beneficial Interest or any part thereof in violation of this Section 2.5 shall be void *ab initio*.

2.6 Limited Liability of Beneficial Interest Holders. No provision of this Agreement, the Plan, or the Confirmation Order, and no mere enumeration herein of the rights or privileges of any Beneficial Interest holder, shall give rise to any liability of such Beneficial Interest holder solely in its capacity as such, whether such liability is asserted by the Debtors, by creditors or employees of the Debtors, or by any other Person. Beneficial Interest holders are deemed to receive the Trust Property in accordance with the provisions of this Agreement, the Plan, and the Confirmation Order in exchange for their Allowed Claims, without further obligation or liability of any kind, but subject to the provisions of this Agreement. Neither any Beneficiary nor Purchaser shall be subject to any personal liability whatsoever, in tort, contract, or otherwise, to any person in connection with the Trust Property or the affairs of the Trustee, except for actions or omissions to act that are determined by Final Order of the Bankruptcy Court to have arisen out of the Beneficiary's or Purchaser's own gross negligence, fraud, or willful misconduct. Notwithstanding the foregoing, nothing in this Agreement shall limit the rights of the Trustee to assert any Causes of Actions that are Trust Assets against Beneficiaries of the Trust.

ARTICLE III

DURATION AND TERMINATION OF TRUST

3.1 Duration. The Trust shall become effective upon the Effective Date and shall remain and continue in full force and effect until terminated as provided herein. The Trust shall terminate upon the occurrence of the earlier of (a) the complete administration and distribution of the Trust Property in accordance with the Plan, the Confirmation Order, and this Agreement and the full performance of all other duties and functions of the Trustee set forth in the Plan, the Confirmation Order, and this Agreement or (b) the fifth anniversary of the Effective Date, subject to one or more finite extensions, which must be approved by the Bankruptcy Court before the then-current termination date and provided that the Trustee receives an opinion of counsel or a favorable ruling from the Internal Revenue Service to the effect that any such

extension would not adversely affect the status of the Trust as a grantor trust for federal income tax purposes. On the date of termination, any remaining Trust Property shall be distributed in accordance with Section 4.2(e) hereof. Notwithstanding anything to the contrary in this Agreement, in no event shall the Trustee unduly prolong the duration of the Trust, and the Trustee shall, in the exercise of its reasonable business judgment and in the interests of the Beneficiaries, at all times endeavor to (a) object to and reconcile Disputed Claims against the Debtors; (b) settle or compromise any Disputed Claims against the Debtors provided, however, that settlement of Disputed Claims pursuant to which the Trust will pay \$100,000 or more shall require the consent of Purchaser, such consent of Purchaser not to be unreasonably withheld, or approval of the Bankruptcy Court; and (c) otherwise terminate the Trust as soon as practicable in accordance with this Agreement.

3.2 Continuance of Trust for Winding Up. After the termination of the Trust and solely for the purpose of liquidating and winding up the affairs of the Trust, the Trustee shall continue to act as such until its duties have been fully performed. Upon distribution of all the Trust Property, the Trustee shall retain the books, records, and files that shall have been delivered to or created by the Trustee. At the Trustee's discretion, all of such records and documents may be destroyed at any time following the date that is six years after the final distribution of the Trust Property (unless such records and documents are necessary to fulfill the Trustee's obligations pursuant to Sections 4.7(a) and 6.1 hereof). Except as otherwise specifically provided herein, upon the final distribution of the Trust Property, the Trustee shall be deemed discharged and have no further duties or obligations hereunder, except to account to the Beneficiaries as provided in Section 4.4 hereof and as may be imposed on the Trustee by virtue of Section 6.1 hereof, and the Trust will be deemed to have been dissolved, and any remaining Trust Property shall be distributed in accordance with Section 4.2(e) hereof.

ARTICLE IV **ADMINISTRATION OF TRUST**

4.1 Payment of Claims, Expenses, and Liabilities. The Trustee shall expend Trust Property: (a) to pay reasonable administrative expenses of the Trust that are incurred (including, but not limited to, any taxes imposed on the Trust or reasonable professional, consultant, and employee fees and expenses in connection with the administration of the Trust Property and preservation of books and records as provided in Section 3.2 hereof); (b) to satisfy other obligations or other liabilities incurred or assumed by the Trust (or to which the Trust Property is otherwise subject) in accordance with the Plan, the Confirmation Order, or this Agreement (it being understood that the Trust has not assumed any obligations or liabilities of the Debtors), including (i) the costs of objecting to and reconciling Disputed Claims and settling or compromising any Disputed Claims against the Debtors, and (ii) any other fees and costs incurred in connection with the protection, preservation, liquidation, and distribution of the Trust Property; and (c) to satisfy any other obligations of the Trust expressly set forth in the Confirmation Order or the Plan.

4.2 Distributions.

(a) Generally. All distributions from the Trust to the holders of Beneficial Interests shall be made to the Beneficiaries in accordance with such Beneficiaries' respective pro

rata share of the total Beneficial Interests in accordance with the Plan and shall be entitled to distributions solely to the extent set forth in the Plan.

(b) Timing of Distributions. Except as may be required for the Trust to qualify as a “liquidating trust” within the meaning of Treasury Regulation § 301.7701-4(d) and any comparable provision of state or local law, the Trustee shall not make any distributions to the Beneficiaries until such time as the Trustee determines that all, or sufficiently all, of the Allowed Claims against the Debtors have been determined. Prior to any distribution being made, the Trustee shall establish a record date for such distribution of not less than 10 days or more than 60 days prior to the proposed date of distribution (the “Record Date”).

(c) Trust Property Available for Distribution. Notwithstanding anything in this Agreement to the contrary, the Trustee shall cause the Trust at all times to retain sufficient funds (the “Expense Reserve”) as the Trustee shall determine are reasonably necessary for the Trust to: (1) meet reasonably anticipated contingent liabilities and maintain the value of the Trust Property; (2) make the payments and satisfy the obligations and liabilities described in Section 4.1; (3) fund any other amounts as are required under the Plan; and (4) fund the agreed fees and expenses of the Trustee, the professionals, consultants, and employees retained by the Trustee (the “Trust Professionals”), and the Trust.

(d) Priority of Distribution of Trust Property. Any Trust Property available for distribution shall be applied, (i) first, to the payment of unpaid fees, costs, expenses, and liabilities of the Trustee, the Trust Professionals, and the Trust, and (ii) second, to distributions to Beneficiaries pursuant to Section 4.2 of this Agreement.

(e) Distribution of Trust Proceeds Upon Termination. Promptly upon the termination of the Trust, the Trustee shall distribute any Trust Property not yet distributed from the Trust to the Purchaser in accordance with the terms of this Agreement, the Plan, and the Confirmation Order.

(f) De Minimis Distributions. No distribution of Cash shall be required to be made hereunder to any holder of a Beneficial Interest unless such holder is entitled to receive, in any distribution from the Trust, at least \$50.00. Any holder of a Beneficial Interest on account of which the amount of Cash to be distributed pursuant to any distribution from the Trust is less than \$50.00 shall be deemed to have no claim for such distribution against the Debtors, the Trust, the Trustee, or the Trust Property. Subject to Section 4.3 hereof, any Cash not distributed pursuant to this Section 4.2(f) shall be the property of the Trust free of any restrictions thereon other than as set forth in this Agreement.

(g) Location for Distributions; Notice of Change of Address. Distributions shall be made by the Trustee to Beneficiaries as of the Record Date at the address listed in the Debtors’ records or such other address as may be provided to the Trustee by such Beneficiary. Each Beneficiary shall be responsible for providing the Trustee with timely written notice of any change in address. The Trustee is not obligated to make any distributions to any Beneficiary for whom the Trustee does not have a valid address. The Trustee has no obligation to determine the correct address of any Beneficiary.

4.3 Undeliverable Property.

(a) If any distribution of Trust Property to a Beneficiary is returned to the Trustee as undeliverable, no further distribution to such Beneficiary shall be made unless and until the Trustee has determined the then current address of such Beneficiary, at which time such distribution shall be made to such Beneficiary without interest. For purposes of this Agreement, undeliverable distributions shall include checks sent to a Beneficiary, respecting distributions to such Beneficiary, which checks have not been cashed within three months following the date of issuance of such checks. Undeliverable distributions shall remain in the possession of the Trustee until the next distribution date that the relevant distribution becomes deliverable (in which event it shall be distributed to such Beneficiary), subject to Section 4.3(b) hereof.

(b) Any Beneficiary that does not assert a claim for an undeliverable distribution of Trust Property held by the Trust prior to the date that is six months after the date of the distribution shall no longer have any claim to or interest in the funds represented by such undeliverable distribution. After such date, all unclaimed Trust Property or interests in Trust Property shall revert to or remain (notwithstanding any applicable federal or state escheat, abandoned, or unclaimed property laws to the contrary) in the Trust automatically and without need for a further order by the Bankruptcy Court, as applicable, and shall be redistributed to the remaining holders of Beneficial Interests in accordance with Section 4.2 of this Agreement. The Claim of any Beneficiary to such Trust Property or interest in property shall be released, settled, compromised, and forever.

4.4 Reports.

(a) The Trustee shall deliver reports to the Bankruptcy Court and Purchaser every quarter beginning at the end of first full quarter following the occurrence of the Effective Date, which reports shall specify in reasonable detail: (i) the status of the objections to and reconciliations of the Claims, including a summary balance sheet showing Trust Assets and Disputed Claims and a summary of all payments made; (ii) the fees and expenses of the Trust, the Trustee, and the Trust Professionals incurred and/or earned during the preceding three months and on a trailing 12-month basis; (iii) the aggregate fees and expenses of the Trust, the Trustee, and the Trust Professionals incurred and/or earned since the date of this Agreement; (iv) the amount of interest and/or dividends earned on the Trust Property during the preceding calendar quarter; (v) the aggregate amount of interest and/or dividends earned on the Trust Property since the date of this Agreement; (vi) the aggregate amount of distributions from the Trust to Beneficiaries since the date of this Agreement; and (vii) such other information as the Bankruptcy Court and Purchaser may reasonably request from time to time. The Trustee shall also timely prepare, file, and distribute such additional statements, reports, and submissions as may be necessary to cause the Trust and the Trustee to be in compliance with applicable law or as may be otherwise reasonably requested from time to time by the Bankruptcy Court.

(b) The Trustee shall provide the Bankruptcy Court with such other information as may be reasonably requested from time to time or on a regular basis by the Bankruptcy Court or Purchaser.

4.5 Exchange Act. If the Trust becomes subject to the registration requirements of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), the Trustee shall cause the Trust to register pursuant to, and comply with, the applicable reporting requirements of the Exchange Act. The Trustee shall use all commercially reasonable efforts to manage the Trust so as to prevent the Trust from having to be registered pursuant to the Exchange Act.

4.6 Fiscal Year. Except for the first and last years of the Trust, the fiscal year of the Trust shall be the calendar year. For the first and last years of the Trust, the fiscal year of the Trust shall be such portion of the calendar year that the Trust is in existence.

4.7 Books and Records.

(a) The Trustee shall retain and preserve the Debtors' books, records, and files that shall have been delivered to or created by the Trustee.

(b) To the extent necessary, the Purchaser shall provide to the Trustee reasonable access during normal business hours, upon reasonable notice, to the Debtors' books and records in the Purchaser's possession to enable the Trustee to perform the Trustee's tasks and duties under this Agreement, the Plan, and the Confirmation Order. Upon the reasonable request of the Trustee, the Purchaser shall permit the Trustee reasonable access to information and personnel that is related to the Debtors' businesses and reasonably necessary to perform the Trustee's tasks and duties under this Agreement, the Plan, and the Confirmation Order, to the extent such information and personnel is available to the Purchaser. The Bankruptcy Court shall retain jurisdiction to determine the reasonableness of a request for cooperation, access, or assistance.

(c) The Trustee shall maintain, in respect of the Trust and the holders of Beneficial Interests, books and records relating to the assets and the income of the Trust and the payment of expenses of the Trust and the Trustee, in such detail and for such period of time as may be necessary to enable it to make full and proper reports in respect thereof in accordance with the provisions of this Agreement and the applicable provisions of law. The Trustee shall provide any Beneficiary, at such Beneficiary's expense, with access to such books and records during normal business hours as may be reasonably requested with advance notice.

4.8 Cash Payments. All distributions required to be made by the Trustee to the holders of Beneficial Interests shall be made in cash denominated in U.S. dollars by checks drawn on a domestic bank selected by the Trustee or, at the option of the Trustee, by wire transfer from a domestic bank selected by the Trustee; provided, however, that cash payments to foreign holders of Beneficial Interests may be made, at the option of the Trustee, in such funds as and by such means as are necessary or customary in a particular foreign jurisdiction. All cash of the Trust shall be maintained in a United States financial institution.

4.9 Insurance. The Trust shall be entitled to use Trust Assets to maintain customary insurance coverage for the protection of the Trustee and any such other persons or Entities serving as administrators and overseers of the Trust on and after the Effective Date as the Trustee determines to be reasonably appropriate.

4.10 Disputed Claims. The Trustee shall have the right to cause the Trust to object, in accordance with Article VII of the Plan and applicable law to any Disputed Claim if and to the extent the Trustee believes that such Claim is not allowable; provided, however, that the Trustee shall perform the foregoing duties; and provided, further, that in making decisions as to the objection and reconciliation of Disputed Claims, the Trustee shall consider the cost of such objection and reconciliation and the likely distribution in respect of such Disputed Claim. Notwithstanding anything to the contrary contained in this Agreement, no payments or distributions will be made from the Trust on account of a Disputed Claim until such Disputed Claim becomes an Allowed Claim.

4.11 Funding Commitment of the Purchaser. The Purchaser shall also fund the Trust with: (a) to the extent the Trust Assets are exhausted and in the reasonable discretion of the Trustee additional funding is necessary to satisfy the Debtors' obligations under the Plan and the Trust's and the Trustee's obligations under this Agreement, including in connection with the resolution of the Disputed Claims and any distributions to the Beneficiaries, the Wind Down of the Debtors' Estates, and the payment of United States Trustee's fees as required under the Plan within 10 days following written notice by the Trustee, up to the lesser of (i) \$2,500,000.00 or (ii) 33% of the sum of: (A) Cash on Hand (as defined in the Purchase Agreement); and (B) any other cash amounts received by the Purchaser under the Plan or Purchase Agreement; and (b) on account of the Grant Wailea Wage Litigation, the amount of any damages imposed upon the Trust that exceeds the amount determined to be the portion of the service charges collected by the Debtors (or its agents) used to pay for costs or expenses other than wages and tips of employees (i.e., the amount of damages imposed that are "punitive" or of a similar nature, being in excess of the amounts that were actually collected in violation of the subject statute). (collectively, the "Funding Commitment").

ARTICLE V **TAX MATTERS**

5.1 Tax Treatment. The Debtors, the Trustee, the Purchaser, and the holders of Beneficial Interests will treat the Trust as a "liquidating trust" within the meaning of Treasury Regulation § 301.7701-4(d) and any comparable provision of state or local law. The Plan, the Confirmation Order, the Trust, and this Agreement are intended to comply with the advance-ruling guidelines contained in Rev. Proc. 94-45, 1994-2 C.B. 684. Consistent with this treatment, for all federal, state, and local income tax purposes, each Holder of an Allowed Claim shall be treated as transferring such Allowed Claim to the Debtors in exchange for the Holder's pro rata share of the Trust Assets, in addition to other distributions to which the Holder is entitled under the Plan, and then as transferring the Holder's pro rata share of the Trust Assets to the Trust in exchange for the Holder's Beneficial Interest. The holders of Beneficial Interests in the Trust will be treated solely for tax purposes as the grantors and deemed owners of the Trust; and the Debtors, the Trustee, the Purchaser, and the Beneficiaries will use consistent valuations for the transferred assets for tax purposes. The Trustee shall be authorized to take any action necessary to maintain compliance with this regulation or its successor that does not contradict the terms of this Agreement, the Plan, or the Confirmation Order.

5.2 Tax Reporting. The “taxable year” of the Trust shall be the “calendar year” as those terms are defined in Section 441 of the Internal Revenue Code. The Trustee shall file returns for the Trust as a grantor trust pursuant to Treasury Regulation § 1.671-4(a). The Trust’s taxable income, gain, loss, deduction, or credit will be allocated (subject to provisions of the Plan relating to Disputed Claims) to the Beneficiaries in accordance with their relative Beneficial Interests in the Trust.

5.3 Tax Withholdings. The Trustee may withhold and pay to the appropriate taxing authority all amounts required to be withheld pursuant to the Internal Revenue Code or any provision of any foreign, state, or local tax law with respect to any payment or distribution to the Beneficiaries. All such amounts withheld and paid to the appropriate taxing authority shall be treated as amounts distributed to such Beneficiaries for all purposes of this Agreement. The Trustee shall be authorized to collect such tax information from the Beneficiaries (including, without limitation, social security numbers or other tax identification numbers) as are necessary to effectuate the Plan, the Confirmation Order, and this Agreement. The Trustee may refuse to make a distribution to any Beneficiary that fails to furnish such information in a timely fashion, until such information is delivered; provided, however, that upon the Beneficiary’s delivery of such information, the Trustee shall make such distribution to which the Beneficiary is entitled, together with any interest and income actually earned thereon.

ARTICLE VI

POWERS OF AND LIMITATIONS ON TRUSTEE

6.1 Powers of the Trustee. The Trustee shall have all of the rights, powers, and privileges expressly set forth in the Plan, the Confirmation Order, this Agreement, and as otherwise provided by applicable law. Subject to the other provisions herein, the Trustee shall have the power to undertake the following actions and any powers reasonably incidental thereto which the Trustee in its reasonable discretion deems necessary or appropriate to fulfill the purpose of the Trust, unless otherwise specifically limited or restricted by this Agreement, the Plan, and the Confirmation Order:

- (a) file, withdraw, or litigate to judgment objections to Disputed Claims;
- (b) settle or compromise any Disputed Claim, and administer and adjust the Claims Register to reflect any such settlements or compromises, without any further notice to or action, order, or approval by the Bankruptcy Court; provided, however, that settlement of Disputed Claims pursuant to which the Trust will pay \$100,000 or more shall require the consent of Purchaser, such consent of Purchaser not to be unreasonably withheld, or approval of the Bankruptcy Court;
- (c) execute any documents and take any other actions necessary or incidental to the exercise of the Trustee’s powers granted herein;
- (d) in accordance with this Agreement, the Confirmation Order, and the Plan, hold legal title to any and all rights of the Beneficiaries in, to, or arising from the Trust Property;
- (e) protect and enforce the rights to the Trust Property vested in the Trustee by this Agreement by any method deemed reasonably appropriate, including, without limitation,

by judicial proceedings or pursuant to any applicable bankruptcy, insolvency, moratorium, or similar law and general principles of equity;

(f) make distributions of the Trust Property to the appropriate Beneficiaries in accordance with this Agreement, the Plan, and the Confirmation Order;

(g) file, if necessary, any and all tax returns with respect to the Trust and pay taxes properly payable by the Trust, if any;

(h) make all necessary filings in accordance with any applicable law, statute, or regulation, including, but not limited to, the Exchange Act;

(i) prepare and file quarterly reports and other filings with the Bankruptcy Court as set forth in this Agreement;

(j) determine and satisfy from the Trust Property any and all taxes and ordinary course liabilities, including reasonable professional, consultant, and employee fees and expenses permitted hereby, created, incurred or assumed by the Trust;

(k) retain and pay professionals, consultants, employees, contractors, or other agents, including any and all estate professionals, from the Trust Property to carry out its duties and obligations hereunder in accordance with the terms hereof;

(l) invest monies received by the Trust or Trustee or otherwise held by the Trust or Trustee in accordance with Section 6.6 hereof;

(m) in the event that the Trustee reasonably determines that the Beneficiaries or the Trust may, will, or have become subject to adverse tax consequences, take such actions that will, or are reasonably intended to, alleviate such adverse tax consequences;

(n) create sub-trusts or title vehicles of which the Trust or the Beneficiaries hold the beneficial or ownership interests, as applicable;

(o) purchase customary insurance coverage in accordance with Section 4.9 hereof; and

(p) take all necessary actions to effectuate the Wind Down of the Debtors;

(q) perform such functions and take such actions as are provided for or permitted by the Plan, the Confirmation Order, this Agreement, or any other agreement executed pursuant to the Plan, or that are reasonably necessary to effectuate the purposes of the Trust.

6.2 Limitations on Trustee.

(a) No part of the Trust Property shall be used or disposed of by the Trustee in furtherance of any trade or business. The Trustee shall not hold the Trust out as an investment company. The Trustee shall be restricted to the reconciliation of the Allowed Claims as set forth in this Agreement, the Plan, and the Confirmation Order, and the conservation and protection of

the Trust Property and the administration thereof on behalf, and for the benefit, of the Beneficiaries in accordance with the provisions of this Agreement, the Plan, and the Confirmation Order.

(b) The Trust shall not hold 50% or more of the stock (in either vote or value) of any entity that is treated as a corporation for federal income tax purposes, nor have any interest in an entity that is treated as a partnership for federal income tax purposes, unless such stock or partnership interest was obtained involuntarily, as a matter of practical economic necessity in order to preserve the value of the Trust Assets, or as otherwise necessary or required under the Plan and the Confirmation Order; *provided, however*, that in no event shall the Trustee receive or retain any such asset or interest that would jeopardize treatment of the Trust as a “liquidating trust” for federal income tax purposes.

6.3 Agents, Professionals, and Consultants; Employees. The Trust may, but shall not be required to, from time to time enter into contracts with, consult with, and retain independent contractors, including attorneys, accountants, appraisers, consultants, disbursing agents, or other parties deemed by the Trustee to have qualifications necessary or desirable to assist in the proper administration of the Trust, including any estate professionals retained during the Bankruptcy Cases as may be appropriate in the circumstances. The Trustee shall pay the reasonable fees and expenses of such persons out of the Trust Property in the ordinary course of business without the need for approval of the Bankruptcy Court. The Trustee may engage such professionals, consultants, employees, or other parties upon such terms as the Trustee, in its sole discretion, deems appropriate. The Trust may, but shall not be required to, from time to time, employ such persons in such capacities. In addition, the Trust may enter into an agreement with the Purchaser or other stakeholder to utilize the services of one or more of their employees.

6.4 Investment of Trust Monies. The Trustee shall invest any cash received by the Trustee or otherwise held by the Trustee in highly-rated short-term investments of which the length of term shall be consistent with the obligations to pay costs, expenses, and other obligations and make distributions under Section IV of this Agreement, which investments shall consist of: (a) short-term investments issued or guaranteed by the United States or by a department, agency, or instrumentality of the United States; (b) other short-term instruments of the highest credit rating available of two nationally recognized rating agencies; or (c) other similar highly-rated short-term investments. For the avoidance of doubt, the investment powers of the Trustee, other than those reasonably necessary to maintain the value of the Trust Assets and to effectuate the liquidating purpose of the Trust, are limited to powers to invest in demand and time deposits, such as short-term certificates of deposit, in banks or other savings institutions, or other temporary, liquid investments, such as Treasury bills.

ARTICLE VII **CONEERNING THE TRUSTEE**

7.1 Generally. The Trustee shall exercise such of the rights and powers vested in it by this Agreement, the Plan, and the Confirmation Order, and use reasonable business judgment in its exercise. The Trustee shall administer the Trust in accordance with the Confirmation Order, the Plan, and this Agreement. No provision of this Agreement, the Plan, or the Confirmation Order shall be construed to relieve the Trustee from liability for its own actions or

omissions to act that are determined by Final Order of the Bankruptcy Court to have arisen out of the Trustee's own gross negligence, fraud, or willful misconduct, except that the Trustee shall not be liable to any person or entity, including the Trust or any Beneficiary, for any action taken in good faith and in the exercise of the Trustee's reasonable business judgment, or taken in reliance upon the advice of professionals, consultants, or employees retained by the Trustee in accordance with this Agreement.

7.2 Reliance by Trustee. Except as otherwise provided in this Agreement, the Plan, or the Confirmation Order:

(a) the Trustee may rely and shall be protected in acting upon any resolution, statement, instrument, opinion, report, notice, request, consent, order, or other paper or document reasonably believed by the Trustee to be genuine and to have been signed or presented by the proper party or parties; and

(b) persons (including any professionals, consultants, or employees retained by the Trustee in accordance with this Agreement) engaged in transactions with the Trustee shall look only to the Trust Property to satisfy any liability incurred by the Trustee to such person in carrying out the terms of this Agreement, the Plan, or the Confirmation Order, and the Trustee shall have no personal or individual obligation to satisfy any such liability.

7.3 No Implied Obligations. The Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth herein, in the Plan, and in the Confirmation Order, and no other or further covenants or obligations shall be implied into this Agreement. The Trustee shall not be responsible in any manner whatsoever for the correctness of any recitals, statements, representations, or warranties herein or in any documents or instrument evidencing or otherwise constituting a part of the Trust Property. The Trustee makes no representations as to the value of the Trust Property or any part thereof, or as to the validity, execution, enforceability, legality, or sufficiency of this Agreement, and the Trustee shall incur no liability or responsibility with respect to any such matters.

7.4 Liability to Third Persons. The Trustee and agents of and professionals, consultants, and employees retained by the Trustee shall not be subject to any liability whatsoever, in tort, contract, or otherwise, to any person or entity in connection with the Trust Property or the affairs of the Trust, or the exercise of any of their respective powers and duties conferred by this Agreement, the Plan, the Confirmation Order, or otherwise, except for actions or omissions to act that are determined by Final Order of the Bankruptcy Court to have arisen out of their own respective gross negligence, fraud, or willful misconduct. All persons shall look solely to the Trust Property for satisfaction of claims of any nature arising in connection with affairs of the Trust. The Trustee and its agents and professionals, consultants, and employees shall not be liable to any person or entity except for direct damages found in a Final Order of the Bankruptcy Court to have arisen out of their own respective gross negligence, fraud, or willful misconduct. The aggregate liability of the Trustee and its agents and professionals, consultants, and employees, whether in tort, contract, or otherwise, is limited to the amount of fees paid to the Trustee for services under this Agreement. The Trustee and its agents and professionals, consultants, and employees shall not be liable for incidental or consequential damages under any circumstances, even if it has been advised of the possibility of such damages. Other than as set

forth in the Plan or in the Confirmation Order, nothing in this Section 7.4 shall be deemed to release any Beneficiary from any actions or omissions occurring prior to the Effective Date.

7.5 Nonliability of Trustee for Acts of Others. Nothing contained in this Agreement, the Plan, or the Confirmation Order shall be deemed to be an assumption by the Trustee of any of the liabilities, obligations, or duties of the Debtors or Beneficiaries and shall not be deemed to be or contain a covenant or agreement by the Trustee to assume or accept any such liability, obligation, or duty. Any successor Trustee may accept and rely upon any accounting made by or on behalf of any predecessor Trustee hereunder, and any statement or representation made as to the assets comprising the Trust Property or as to any other fact bearing upon the prior administration of the Trust, so long as it has a good faith basis to do so. A Trustee shall not be liable for having accepted and relied in good faith upon any such accounting, statement, or representation if it is later proved to be incomplete, inaccurate, or untrue. A Trustee or successor Trustee shall not be liable for any act or omission of any predecessor Trustee.

7.6 Indemnity. The Trustee and its agents, employees, officers, directors, professionals, attorneys, accountants, advisors, representatives, and principals (collectively, the "Indemnified Parties") shall be indemnified and held harmless by the Trust, to the fullest extent permitted by law, solely from the Trust Property for any losses, claims, damages, liabilities, and expenses, including, without limitation, reasonable attorneys' fees, disbursements, and related expenses which the Indemnified Parties may incur or to which the Indemnified Parties may become subject in connection with any action, suit, proceeding, or investigation brought or threatened against one or more of the Indemnified Parties on account of the acts or omissions of the Trustee solely in its capacity as such; provided, however, that the Trust shall not be liable to indemnify any Indemnified Party for any actions or omissions to act that are determined by Final Order of the Bankruptcy Court to have arisen out of the Indemnified Party's own gross negligence, fraud, or willful misconduct. Notwithstanding any provision herein to the contrary, the Indemnified Parties shall be entitled to obtain advances from the Trust to cover their reasonable expenses of defending themselves in any action brought against them as a result of the acts or omissions, actual or alleged, of an Indemnified Party in its capacity as such; provided, however, that the Indemnified Parties receiving such advances shall repay the amounts so advanced to the Trust upon the entry of a Final Order finding that such Indemnified Parties were not entitled to any indemnity under the provisions of this Section 7.6. The foregoing indemnity in respect of any Indemnified Party shall survive the termination of such Indemnified Party from the capacity for which they are indemnified.

7.7 Compensation and Expenses. The Trustee shall receive compensation for its services in accordance with the compensation schedule attached hereto as Annex A. The Trustee shall be entitled to reimburse itself and the Trust Professionals from the Trust Property on a monthly basis for all reasonable out-of-pocket expenses actually incurred by it in the performance of its duties in accordance with this Agreement, and, when due, reasonable professional fees in accordance with the terms of such professionals' retention.

The resigning or removed Trustee shall duly assign, transfer, and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder and shall, as directed by the Bankruptcy Court or reasonably requested by such successor Trustee, execute and deliver an instrument or instruments conveying and transferring to such successor Trustee upon the Trust herein expressed, all the liabilities, duties, powers, rights, title, discretion, and privileges of such resigning or removed Trustee.
