The Debtors entered into that certain Asset Purchase Agreement, dated January 8, 2019 between the Debtors, on the one hand, and Strategic Global Management, Inc., a California corporation (the "Stalking Horse Purchaser") on the other hand, pursuant to which the Stalking Horse Purchaser shall acquire the Purchased Assets on the terms and conditions specified therein (together with the schedules and related documents thereto, the "Stalking Horse APA"). The sale transaction pursuant to the Stalking Horse APA is subject to competitive bidding as set forth herein. Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the *Debtors' Notice of Motion and Motion for the Entry of (I) an Order (1) Approving Form of Asset Purchase Agreement for Stalking Horse Bidder and for Prospective Overbidders to Use, (2) Approving Auction Sale Format, Bidding Procedures and Stalking Horse Bid Protections, (3) Approving Form of Notice to be Provided to Interested Parties, (4) Scheduling a Hearing to Consider Approval of the Sale to the Highest Bidder, (5) Approving Procedures Related to the Assumption of Certain Executory Contracts and Unexpired Leases; and (II) an Order Authorizing the Sale of Property Free and Clear of All Claims, Liens and Encumbrances* (the "Sale Motion") or the Bidding Procedures Order.

I. ASSETS TO BE SOLD

The Debtors seek to complete a sale of substantially all assets of APA Facilities, including both the Purchased Assets and the Other Assets (the "Sale"). The Stalking Horse APA will serve as the "stalking-horse" bid for the Purchased Assets.

II. THE BIDDING PROCEDURES

In order to ensure that the Debtors receive the maximum value for the Purchased Assets and/or the Other Assets, they intend to hold a sale process for the Purchased Assets and/or the Other Assets pursuant to the procedures and on the timeline proposed herein.

[1] Unless otherwise defined, all capitalized terms shall have the meanings ascribed to them in the Stalking Horse APA.

A. Provisions Governing Qualifications of Bidders

Unless otherwise ordered by the Court or as set forth in these procedures, in order to participate in the bidding process, each person, other than the Stalking Horse Purchaser, who wishes to participate in the bidding process must deliver, prior to the Bid Deadline (defined herein), the following to the Debtors:

a) a written disclosure of the identity of each entity that will be bidding for the Purchased Assets or and/or the Other Assets or otherwise participating in connection with such bid; and

b) an executed confidentiality agreement (to be delivered prior to the distribution of any confidential information by the Debtors) in form and substance satisfactory to the Debtors and which shall inure to the benefit of any purchaser of the Purchased Assets and/or the Other Assets; without limiting the foregoing, each such confidentiality agreement shall contain standard non-solicitation provisions.

A bidder that delivers the documents and information described above and that the Debtors determine, after consultation with the Official Committee of Unsecured Creditors, the Prepetition Secured Creditors, and any other party deemed appropriate within the business judgment of the Debtors (collectively, the "Consultation Parties") in their reasonable business judgment, is likely (based on availability of financing, experience, and other considerations) to be able to consummate the sale, will be deemed a potential bidder ("Potential Bidder").

B. Due Diligence

The Debtors will afford any Potential Bidder such due diligence access or additional information as the Debtors, in consultation with their advisors, deem appropriate, in their reasonable discretion. The due diligence period shall extend through and including the relevant Bid Deadline; provided, however, that any bid submitted under these procedures shall be irrevocable until at least the selection of the Successful Bidder(s) (defined herein) and any Back-Up Bidder(s) (defined herein).

C. Provisions Governing Qualified Bids

A bid submitted by a Potential Bidder will be considered a Qualified Bid (each, a "Qualified Bid," and each such Potential Bidder thereafter a "Qualified Bidder") only if the bid complies with the following requirements:

a) it states that the applicable Qualified Bidder offers to purchase, in cash, some or all of the Purchased Assets and/or the Other Assets;

b) it identifies with particularity the portion of the Purchased Assets and/or the Other Assets the Qualified Bidder is offering to purchase;

c) it allocates with specificity the portion of the purchase price offered that the Qualified Bidder attributes to St. Francis Medical Center, St. Vincent Medical

Center, and Seton Medical Center, and Seton Coastside, and each of the Other Assets, respectively;[2]

d) it includes a signed writing that the Qualified Bidder's offer is irrevocable until the selection of the Successful Bidder and the Back-Up Bidder, provided that if such bidder is selected as the Successful Bidder or the Back-Up Bidder then the offer shall remain irrevocable until the earliest of (i) the closing of the transaction with the Successful Bidder, (ii) in the case of the Successful Bidder, a termination of the Qualified Bid pursuant to the terms of the Successful Bidder Purchase Agreement and (iii) with respect to the Back-Up Bidder, the time specified in Section II (K) below;

e) it includes confirmation that there are no conditions precedent to the Qualified Bidder's ability to enter into a definitive agreement and that all necessary internal governance and shareholder approvals have been obtained prior to the bid;

f) it sets forth each third-party, regulatory and governmental approval required for the Qualified Bidder to consummate the transaction and the time period within which the Qualified Bidder expects to receive such approvals and establishes a substantial likelihood that the Qualified Bidder will obtain such approvals by the stated time period;

g) it includes a duly authorized and executed copy of a purchase or acquisition agreement in the form of the Stalking Horse APA (a "Purchase Agreement"), including the purchase price for some or all of the Purchased Assets and/or the Other Assets, or both, expressed in U.S. Dollars, together with all exhibits and schedules thereto, together with copies marked to show any amendments and modifications to the Stalking Horse APA ("Marked Agreement");

h) it is not subject to any financing contingency and includes written evidence of a firm ability to have the funding necessary to consummate the proposed transaction, that will allow the Debtors to make a reasonable determination, in consultation with the Consultation Parties, as to the Qualified Bidder's financial and other capabilities to consummate the transaction contemplated by the Purchase Agreement;

i) if the bid is for all of the Purchased Assets, it must have a value to the Debtors, in the Debtors' exercise of its reasonable business judgment, after consultation with its advisors and the Consultation Parties, that is greater than or equal to the sum of the value offered under the Stalking Horse APA, plus (i) the amount of the Break-Up Fee ($21,350,000.00); (ii) the amount of the Expense Reimbursement ($2,000,000.00); and (iii) $7,000,000.00 (the "Initial Bidding Increment," and, together with the Break-Up Fee and the Expense Reimbursement, the "Minimum Qualified Bid");

[2] For the avoidance of doubt, such allocation shall not be binding on the Debtors, their estates or any Consultation Party.

j) if the bid is a partial bid (the "Partial Bid"),[3] the terms of paragraph (i) immediately above shall not apply but the terms of paragraph (o) below concerning the Good Faith Deposit shall expressly apply in order to be a bid qualified to participate in the Partial Bid Auction (as defined below) (each, a "Partial Bid Auction Qualified Bid"). In the event that the Debtors aggregate Partial Bids, the Partial Bid purchasers' responsibility for the Break-Up Fee, the Expense Reimbursement, and the Initial Bidding Increment shall be reasonably allocated to each Partial Bid purchaser, and in no event shall the Stalking Horse Purchaser be entitled to more than one Break-Up Fee and/or Expense Reimbursement;

k) it identifies with particularity which (i) executory contracts and unexpired leases the Qualified Bidder wishes the Debtors to assume and assign to it, and (ii) Purchased Assets and/or Other Assets, subject to purchase money liens or the like, the Qualified Bidder wishes to acquire and therefore pay the associated purchase money financing;

l) it contains sufficient information concerning the Qualified Bidder's ability to provide adequate assurance of future performance with respect to executory contracts and unexpired leases the Qualified Bidder wishes the Debtors to assume and assign to it;

m) it includes an acknowledgement and representation that the Qualified Bidder: (A) has had an opportunity to conduct any and all required due diligence regarding the Purchased Assets and/or Other Assets prior to making its offer and that the offer is not subject to any further due diligence or the need to raise capital/financing to consummate the proposed transaction; (B) has relied solely upon its own independent review, investigation and/or inspection of any documents and/or the Purchased Assets and/or Other Assets in making its bid; (C) did not rely upon any written or oral statements, representations, promises, warranties or guaranties whatsoever, whether express or implied (by operation of law or otherwise), regarding the Purchased Assets and/or Other Assets or the completeness of any information provided in connection therewith or with the relevant Auction (defined below), except as expressly stated in the Purchase Agreement; and (D) is not entitled to any expense reimbursement, break-up fee, or similar type of payment in connection with its bid;

o) unless it is a Credit Bid (as defined below), it is accompanied by a (i) good faith deposit in the form of a wire transfer (to a bank account specified by the Debtors), certified check or such other form of cash or cash equivalent acceptable to the Debtors, payable to the order of the Debtors (or such other party as the Debtors may determine) in an amount equal to: (a) 20% of purchase price for bids under $5 million; (b) for bids greater than $5 million and less than $100 million, the greater of: (i) $1 million or (ii) 10% of purchase price; (c) for bids greater than $100 million, the greater of (i) $10 million or (ii) 5% of purchase price (collectively, the "Good Faith Deposit"), which Good Faith Deposit shall, be forfeited if such bidder

[3] A Partial Bid shall mean a bid for less than all of the Purchased Assets.

is the Successful Bidder and breaches its obligation to close; and (ii) if the Qualified Bid is a bid made by a secured creditor of the Debtors (a "Credit Bid Bidder") who intends to make a credit bid (each, a "Credit Bid Bid"), evidence of (a) the basis for and property covered by such Credit Bid Bidder's secured claim, (b) the amount of such Credit Bid Bidder's claim that is secured by the property in question, (c) whether it is the senior secured claim on the property (x) prepetition and (y) as of the date of the request to be a Qualified Bidder, as well as (d) evidence of the resolution of any Challenge to such Credit Bid Bidder's secured claim within the meaning of the Final DIP Order.

p) it contains a detailed description of how the Qualified Bidder intends to treat current employees of the Debtors;

r) it identifies the person(s) and their title(s) who will attend the relevant Auction, and confirms that such person(s) have authority to make binding Overbids (defined below) at such Auction

s) it contains such other information reasonably requested by the Debtors; and

t) it is received prior to the Bid Deadline.

The Debtors, in consultation with the Consultation Parties (who shall receive copies of the Purchase Agreements relating to any bids cast pursuant to these Bidding Procedures as soon as reasonably practicable), may qualify any bid that meets the foregoing requirements as a Qualified Bid. Notwithstanding the foregoing, the Stalking Horse Purchaser is deemed a Qualified Bidder and the Stalking Horse APA is deemed a Qualified Bid, for all purposes in connection with the Bidding Process, the Auctions, and the Sale.

The Debtors shall notify the Consultation Parties, the Stalking Horse Purchaser, all Qualified Bidders and the Notice Parties in writing as to whether or not any bids constitute Qualified Bids (and with respect to each Qualified Bidder that submitted a bid as to whether such Qualified Bidder's bid constitutes a Qualified Bid) and provide copies of the Purchase Agreements relating any such Qualified Bid to the Consultation Parties, the Stalking Horse Purchaser and such Qualified Bidders, and the Notice Parties on the earlier of: (1) the date that any bid other than the Stalking Horse Bid has been deemed a Qualified Bid, or (2) two business days prior to the Partial Bid Auction.

D. Bid Deadline

In order to be eligible to participate in the Auction, a Qualified Bidder that desires to make a bid will deliver written copies of its bid to the following parties (collectively, the "Notice Parties"): (i) counsel to the Debtors: Dentons US LLP, 601 S. Figueroa Street, Suite 2500, Los Angeles, CA 90017 (Attn: Tania M. Moyron (tania.moyron@dentons.com)); (ii) the Debtors' Investment Banker: Cain Brothers, a division of KeyBanc Capital Markets, 1 California Street, Suite 2400, San Francisco, CA 94111 (Attn: James Moloney (jmoloney@cainbrothers.com)); (iii) counsel to the Official Committee: Milbank, Tweed, Hadley & McCloy LLP, 2029 Century Park East, 33rd Floor, Los Angeles, CA 90067 (Attn: Gregory A. Bray (gbray@milbank.com); (iv) counsel to the Master Trustee and Series 2005 Bond Trustee: Mintz, Levin, Cohn, Ferris, Glovsky and Popeo,

P.C., One Financial Center, Boston, MA 02111 (Attn: Daniel S. Bleck and Paul Ricotta (dsbleck@mintz.com, pricotta@mintz.com)); (v) counsel to the Series 2015 and Series 2017 Notes Trustee: Maslon, LLP, 3300 Wells Fargo Center, 90 South Seventh Street, Minneapolis, MN 55402 (Attn: Clark Whitmore (clark.whitmore@maslon.com)), so as to be received by the Notice Parties not later than March 29, 2019, at 4:00 p.m. (prevailing Pacific Time) for partial bids (the "Partial Bid Deadline") or April 3, 2019, at 4:00 p.m. (prevailing Pacific Time) for full bids (the "Bid Deadline").

E. Credit Bidding

Any party with a valid, properly perfected security interest in any of the Purchased Assets and/or Other Assets (which is not subject to a pending Challenge within the meaning of the Final DIP Order) may credit bid for such Purchased Assets and/or Other Assets in connection with the Sale in accordance with and pursuant to § 363(k), except as otherwise limited by the Debtors for cause; provided, however, that any party seeking to credit bid may not credit bid unless such bid provides that all secured creditors with security interests on such Purchased Assets and/or Other Assets that are senior to such junior security interest are to be paid in cash in connection with such junior creditor's bid. Any credit bids made by secured creditors shall not impair or otherwise affect the Stalking Horse Purchaser's entitlement to the benefits of the Bidding Procedures and related protections granted under the Bidding Procedures Order.

F. Evaluation of Competing Bids

A Qualified Bid will be valued based upon several factors including, without limitation: (i) the amount of such bid; (ii) the risks and timing associated with consummating such bid; (iii) any proposed revisions to the form of Stalking Horse APA; and (iv) any other factors deemed relevant by the Debtors in their reasonable discretion, in consultation with the Consultation Parties, including the amount of cash included in the bid.

G. No Qualified Bids

If the Debtors do not receive any Qualified Bids other than the Stalking Horse APA, the Debtors will not hold an auction and the Stalking Horse Purchaser will be named the Successful Bidder for the Purchased Assets. If the Debtors receive one or more qualified Partial Bid Auction Qualified Bids and, after the Partial Bid Auction contemplated by Section (H) of these Bidding Procedures, the Debtors will determine, in consultation with the Consultation Parties, if there are any Partial Bidders that will not be qualified to participate at the Full Bid Auction

H. Auction Process

If the Debtors receive one or more Partial Bid Auction Qualified Bids as set forth above, the Debtors will conduct separate auctions of each asset or combinations thereof (each, a "Partial Bid Auction"). Any Partial Bidder holding a Partial Bid Auction Qualified Bid shall be entitled to bid on any assets in any Partial Bid Auction(s). The procedures below for the Full Bid Auction shall apply to the Partial Bid Auction, except as where otherwise indicated. The Debtors will conduct the Partial Bid Auction(s), which shall be transcribed, on April 8, 2019 at 10:00 a.m. (prevailing Pacific Time) at the offices of Dentons US LLP, 601 South Figueroa Street, Suite 2500, Los

Angeles, CA 90017, or such other location as shall be timely communicated to all entities entitled to attend the Auction.

The Partial Bid Auction Qualified Bids determined by the Debtors, in consultation with the Consultation Parties, at the Partial Bid Auction(s) (as set forth above) to be eligible to participate at the Full Bid Auction, including (without limitation) the highest and best bids for each asset (the "Winning Partial Bids"), shall be permitted to participate in the Full Bid Auction (as defined below) of the Purchased Assets and/or the Other Assets; except that:

(a) If the Partial Bids, at the conclusion of the Partial Bid Auction, include all four APA Facilities and exceed, in the aggregate, the Purchase Price in the Stalking Horse APA, there will be a Full Bid Auction (as defined below) and (1) the Stalking Horse Purchaser may overbid in the aggregate for all four APA Facilities, or (2) the Stalking Horse Purchaser may bid for less than the four APA Facilities and be entitled to a pro-rata Break-Up Fee for the APA Facilities which the Stalking Horse Purchaser does not acquire, as specified in the Stalking Horse APA at Section 6.1 (b)(2);

(b) If the Partial Bids do not include all four APA Facilities, and if there are no other Qualified Full Bids, then Seller, in its discretion, after consultation with the Consultation Parties, may choose, at the conclusion of the Partial Bid Auction, (1) to have no Full Bid Auction, and the Stalking Horse Purchaser will purchase the four APA Facilities pursuant to the Stalking Horse APA, or (2) if the Debtor and Consultation Parties deem the aggregate designated Winning Partial Bid(s) to be sufficient to warrant leaving one or more APA Facilities behind (the "Remaining Facility"), the Stalking Horse Purchaser shall have the option of (i) acquiring the Remaining Facility at the allocated price in the Stalking Horse APA, (ii) overbidding one or more of the Partial Bids, or (iii) terminating the Stalking Horse APA. In either event, the Stalking Horse Purchaser shall be entitled to the Break-Up Fee for all of the APA Facilities not acquired by the Stalking Horse Purchaser.

If the Debtors receive, in addition to the Stalking Horse APA, one or more Qualified Full Bids (and/or a combination of Winning Partial Bids from the Partial Bid Auction(s) seeking, on aggregate basis, to purchase all or substantially all of the Purchased Assets and/or the Other Assets), the Debtors will conduct a full bid auction of the Purchased Assets and/or the Other Assets (the "Full Bid Auction"), which shall be transcribed, on April 9, 2019 (the "Full Bid Auction Date"), at 10:00 a.m. (prevailing Pacific Time), at the offices of Dentons US LLP, 601 South Figueroa Street, Suite 2500, Los Angeles, CA 90017, or such other location as shall be timely communicated to all entities entitled to attend the Auction.

The Full Bid Auction shall be conducted in accordance with the following procedures:

a) only the Debtors, the Stalking Horse Purchaser, Qualified Bidders who have timely submitted a Qualified Bid, the U.S. Trustee, and the Consultation Parties, and their

respective advisors, and other parties who request and receive authority to attend the auction in advance from the Debtors may attend the Auction;

b) only the Stalking Horse Purchaser and the Qualified Bidders who have timely submitted Qualified Bids will be entitled to make any subsequent bids at the Auction;

c) each Qualified Bidder shall be required to confirm that it has not engaged in any collusion with respect to the bidding or the sale;

d) all Qualified Bidders who have timely submitted Qualified Bids will be entitled to be present for all Subsequent Bids (defined herein) at the relevant Auction and the actual identity of each Qualified Bidder will be disclosed on the record at the relevant Auction; provided that all Qualified Bidders wishing to attend the relevant Auction must have at least one individual representative with authority to bind such Qualified Bidder attending the relevant Auction in person;

e) the Debtors, after consultation with the Consultation Parties and the Stalking Horse Purchaser, may employ and announce at the relevant Auction additional procedural rules that are (i) reasonable under the circumstances for conducting the relevant Auction, (ii) in the best interest of the Debtors' estates; provided, however, that rules (i) are disclosed to the Stalking Horse Purchaser and each Qualified Bidder participating in the Auction, and (ii) are not inconsistent with the Bid Protections, the Stalking Horse APA, the Bankruptcy Code, or any order of the Court entered in connection herewith;

f) bidding at the relevant Auction will begin with a bid determined by the Debtors after consulting with the Consultation Parties as being the then highest and best bid which will be announced by the Debtors prior to the commencement of the Auction (the "Baseline Bid"). The Auction will continue in bidding increments to be determined in the discretion of the Debtors, in consultation with the Consultation Parties (each a "Overbid"), and all material terms of each Overbid shall be fully disclosed to all other Qualified Bidders who submitted Qualified Bids and are in attendance at the Auction (including, without limitation, Winning Partial Bids), as well as to the Notice Parties;

g) the initial Overbid, if any, shall provide for total consideration to Debtors with a value that exceeds the value of the consideration under the Baseline Bid by an incremental amount. Additional consideration in excess of the amount set forth in the respective Baseline Bid must include: (i) cash and/or (ii) in the case of a Qualified Bidder (including, without limitation, with respect to any Winning Partial Bids) that is a Credit Bid Bidder that has a valid and perfected lien (not subject to a Challenge within the meaning the Final DIP Order) on any of the Purchased Assets and/or the Other Assets, a Credit Bid of up to the full amount of such Credit Bidder's allowed perfected lien, subject to § 363(k) and any other restrictions set forth herein; and

i) at the Full Bid Auction, the Stalking Horse Purchaser may, subject to the terms and conditions set forth herein, elect to bid for the Purchased Assets as described in the Bid Procedures Order. In the alternative, the Stalking Horse Purchaser, and any bidder with a Qualified Full Bid, (a) may elect to bid against any one or more of the Winning Partial Bidders for the assets subject to the relevant Partial Bid(s), in lieu of seeking to acquire such Purchased Assets and/or Other Assets by means of the Stalking Horse Bid or another Qualified Full Bid; and (b) if successful with its Overbids for such assets, replace the Winning Partial Bidder(s) as the proponent of the relevant Winning Partial Bids or Aggregate Winning Partial Bid as to such assets. In the event that the Stalking Horse Purchaser or another bidder so elects, and as long as the Stalking Horse Purchaser or another bidder so bids, the Winning Partial Bidders must continue to present qualified Winning Partial Bids (i.e., bids as to which the aggregate of all still pending Winning Partial Bids is greater than or equal to the then Prevailing Highest Bid) for the Purchased Assets and/or the Other Assets in each round to continue to bid as Winning Partial Bidders in the Full Bid Auction. In addition, the Debtors may elect, in their discretion, after consultation with the Consultation Parties, to allow Partial Bidders to bid for all or substantially all the Purchased Assets and/or the Other Assets subject to augmenting its Good Faith Deposit, as necessary, or to allow proponents of Full Bids to bid for less than all or substantially all of the Purchased Assets and/or the Other Assets in any given round of the Auction, provided that in any given round there is a Full Bid or an Aggregate Partial Bid that is superior to Prevailing Highest Bid that is then subject to acceptance by the Debtors and binding on the Stalking Horse Purchaser or another Qualified Bidder. In all events, (i) any such Overbid shall continue to comply with all of the requirements for Qualified Bids set forth in Section C of these Bidding Procedures; and (ii) the bidder submitting such a modified Qualified Bid or Qualified Partial Bid shall furnish to the Debtors and the Consultation Parties, within twenty-four (24) hours of the conclusion of the Auction, a revised Purchase Agreement and Marked Agreement showing all amendments and modifications to the Stalking Horse APA and the Sale Order.

I. Selection of Successful Bid

Prior to the conclusion of the relevant Auction, the Debtors, in consultation with the Consultation Parties, will review and evaluate each Qualified Bid in accordance with the procedures set forth herein and determine which offer or offers are the highest or otherwise best from among the Qualified Bids submitted at the relevant Auction (one or more such bids, collectively the "Successful Bid" and the bidder(s) making such bid, collectively, the "Successful Bidder"), and communicate to the Qualified Bidders the identity of the Successful Bidder and the details of the Successful Bid. The determination of the Successful Bid by the Debtors at the conclusion of the relevant Auction shall be subject to approval by the Court.

If selected, at the conclusion of the Partial Bid Auction, as the Winning Partial Bidder or the Back-Up Bidder in accordance with Section H above, then such party or parties, prior to the Full Bid Auction, shall increase its Good Faith Deposit in the amount set forth in Section II(C)(o), or as determined by the Seller in consultation with the Consultation Parties; provided, however, if a party or parties are bidding on all four APA Facilities, the deposit will be no less than $30,000,000.

If selected as the Successful Bidder or the Back-Up Bidder at the conclusion of the Full Bid Auction, each of the Successful Bidder and the Back-Up Bidder shall, within forty-eight (48) hours, increase its Good Faith Deposit to the sum of five percent (5%) of the Successful Bid or Back-Up Bid, as applicable. If the Successful Bidder fails to increase the Good Faith Deposit within forty-eight (48) hours of the Auction conclusion date (the "Final Deposit"), then (1) the Successful Bidder forfeits its Good Faith Deposit, and (2) the Successful Bid is nullified (i.e., the Back-Up Bidder becomes the Successful Bidder in the amount of its last bid).

Unless otherwise agreed to by the Debtors and the Successful Bidder, within two (2) business days after the conclusion of the relevant Auction, the Successful Bidder shall complete and execute all agreements, contracts, instruments, and other documents evidencing and containing the terms and conditions upon which the Successful Bid was made. Within forty-eight (48) hours following the conclusion of the relevant Auction, the Debtors shall file a notice identifying the Successful Bidder(s) and Back-Up Bidders with the Court and shall serve such notice by fax, email, or if neither is available, by overnight mail to all counterparties whose contracts are to be assumed and assigned.

The Debtors will sell the Purchased Assets and (to extent included in an Overbid) the Other Assets to the Successful Bidder pursuant to the terms of the Successful Bid upon the approval of such Successful Bid by the Court at the Sale Hearing and satisfaction of any other closing conditions set forth in the Successful Bidder's Purchase Agreement.

J. Return of Deposits

All deposits shall be returned to each bidder not selected by the Debtors as the Successful Bidder or the Back-Up Bidder (defined herein) no later than five (5) business days following the conclusion of the Auction.

K. Back-Up Bidder

If an Auction is conducted, the Qualified Bidder or Qualified Bidders with the next highest or otherwise best Qualified Bid, as determined by the Debtors in the exercise of their business judgment, in consultation with the Consultation Parties, at the relevant Auction shall be required to serve as a back-up bidder (the "Back-Up Bidder") and keep such bid open and irrevocable for thirty (30) business days after the entry of the Sale Order (the "Thirty-Day Period"). If during the Thirty-Day Period, the Successful Bidder fails to consummate the approved sale because of a breach or failure to perform on the part of such Successful Bidder, the Back-Up Bidder will be deemed to be the new Successful Bidder, and the Debtors will be authorized, but not required, to consummate the sale with the Back-Up Bidder without further order of the Court provided that the Back-Up Bidder shall thereafter keep such bid open and irrevocable in accordance with the terms of the Back-Up Bidder APA; provided further, however, that if the Back-Up Bidder is the Stalking Horse Purchaser, the Debtors will be authorized and required to consummate the sale to the Stalking Horse Purchaser.

If, after the Thirty-Day Period, the Successful Bidder has failed to consummate the approved sale, the Back-Up Bidder may elect, at its discretion, to remain as the Back-Up Bidder until (a) the sale closes, (b) the Successful Bidder defaults, or (c) the Back-Up Bidder elects to terminate its

participation as Back-Up Bidder. For the avoidance of doubt, after the Thirty-Day Period, if the Successful Bidder fails to consummate the approved sale because of a breach or failure to perform on the part of such Successful Bidder, the Back-Up Bidder will not be contractually obligated to be the Back-Up Bidder, and will have the option to either (i) be entitled to terminate its Back-Up Bidder APA and the return of its deposit, or (ii) remain as the Back-up Bidder, in which event, there will be no re-opening of the auction.

L. Break-Up Fee

In recognition of this expenditure of time, energy, and resources, the Debtors have agreed that if the Stalking Horse Purchaser is not the Successful Bidder as to the Purchased Assets, the Debtors will pay the Stalking Horse Purchaser at closing of the sale of the Purchased Assets the Break-Up Fee and the Expense Reimbursement as set forth in the Stalking Horse APA.

III. Sale Hearing

The Debtors will seek entry of the Sale Order, at the Sale Hearing on April 17, 2019, at 10:00 a.m. (or at another date and time convenient to the Court), to approve and authorize the sale transaction to the Successful Bidder(s) on terms and conditions determined in accordance with the Bidding Procedures. The Debtors may submit and present such additional evidence, as they may deem necessary, at the Sale Hearing demonstrating that the Sale is fair, reasonable, and in the best interest of the Debtors' estates and all interested parties, and satisfies the standards necessary to approve a sale of the Purchased Assets."

IV. Sale Order

The Sale Order will provide Court approval of (i) the Sale to the Successful Bidder, free and clear of all liens, claims, interests, and encumbrances, pursuant to 11 U.S.C. § 363, with the proceeds of the Sale deposited in accordance with Paragraph 4 of the Final DIP Order, with all liens, claims, interests, and encumbrances to attach to the sale proceeds with the same validity and in the same order of priority as they attached to the Purchased Assets prior to the Sale, including, without limitation, the liens and security interests of the DIP Lender and each of the Prepetition Secured Creditors under the relevant agreements, applicable law and the Final DIP Order, and (ii) the assumption by the Debtors and assignment to the Successful Bidder of the Assumed Executory Contracts and Leases pursuant to 11 U.S.C. § 365.

VII. Reservation

The Debtors reserve the right, as they may determine in their discretion and in accordance with their business judgment to be in the best interest of their estates, in consultation with their professionals and the Consultation Parties to: (i) modify the Bidding Procedures to discontinue incremental bidding and then require that any and all bidders or potential purchasers submit their sealed, highest and best offer for the Purchased Assets and/or the Other Assets; (ii) determine which Qualified Bid is the highest or otherwise best bid and which is the next highest or otherwise best bid; (iii) waive terms and conditions set forth herein with respect to all Potential Bidders; (iv)

impose additional terms and conditions with respect to all Potential Bidders; (v) extend the deadlines set forth herein; (vi) continue or cancel an Auction and/or Sale Hearing in open court without further notice; and (vii) implement additional procedural rules that the Debtors determine, in their reasonable business judgment and in consultation with the Consultation Parties will better promote the goals of the bidding process; provided that such modifications are disclosed to each Qualified Bidder participating in the Auction; provided, however, and notwithstanding the foregoing, these Bid Procedures shall not be modified so as to alter, extinguish or modify any rights or interests of the Stalking Horse Purchaser expressly set forth herein or in the Stalking Horse APA.

Scheduling a Court Hearing to Consider Approval of the Sale to the Highest Bidder and (5) Approving Procedures Related to the Assumption of Certain Executory Contracts and Unexpired Leases; and (II) An Order (A) Authorizing the Sale of Property Free and Clear of All Claims, Liens and Encumbrances [Doc. No. 1572] (the "Bidding Procedures Order," and the motion for entry of the Bidding Procedures Order, the "Bidding Procedures Motion"). The Bidding Procedures Order approved an Asset Purchase Agreement (the "APA") between the Debtors and stalking-horse bidder Strategic Global Management ("SGM"), and established procedures governing the auction of St. Francis Medical Center ("St. Francis"), St. Vincent Medical Center ("St. Vincent"), St. Vincent Dialysis Center ("St. Vincent Dialysis"), Seton Medical Center ("Seton"), Seton Medical Center Coastside ("Seton Coastside"), and related assets (collectively, the "Hospitals"). SGM's bid is $610 million, with $420 million allocated to St. Francis, $120 million allocated to St. Vincent, and $70 million allocated to Seton and Seton Coastside combined. SGM is also responsible for paying any cure costs owed in connection with executory contracts and/or unexpired leases that it designates for assumption and assignment.

The Bidding Procedures Order established a deadline of March 28, 2019, at 4:00 p.m. **[Note 1]** for the submission of partial bids, and a deadline of April 3, 2019, at 4:00 p.m., for the submission of full bids. The Debtors received one Qualified Bid for St. Vincent and one Qualified Bid for St. Francis. **[Note 2]** The Debtors did not receive a full system Qualified Bid. **[Note 3]** After consultation with the Consultation Parties, the Debtors determined not to conduct either a Partial Bid Auction or Full Bid Auction. Accordingly, SGM was named the Successful Bidder under the Bidding Procedures Order.

The APA requires the Debtors to use commercially reasonable to facilitate the renegotiation of the collective bargaining agreements (the "CBAs") between the Debtors and their employees:

> Representatives of Sellers who are parties to collective bargaining agreements and Purchaser shall meet and confer from time to time as reasonably requested by either party to discuss strategic business options and alternative approaches in negotiating each collective bargaining agreement. The applicable Sellers and Purchaser shall each participate in all union negotiations related to any specific collective bargaining agreement. Promptly following the Signing Date, applicable Sellers shall use commercially reasonable efforts to initiate discussions with Purchaser and conduct discussions to renegotiate each

collective bargaining agreement currently in effect with each applicable union. The applicable Sellers will not unreasonably withhold, condition or delay approval or implementation of any successfully renegotiated collective bargaining agreement. The parties recognize that an applicable Seller's failure to secure a modification to any collective bargaining agreement, or to conclude a successor collective bargaining agreement shall not be a breach of Sellers' obligation under this Agreement, provided that if the unions refuse to negotiate, or otherwise are not timely, reasonable or realistic in renegotiating, the collective bargaining agreements during the period between the Signing Date and the Closing Date, Sellers and Purchaser will jointly consider, and negotiate mutually in good faith, alternative approaches that may be available and/or necessary to reduce Sellers' labor cost structure, including, but not limited to, seeking to reject the collective bargaining agreement(s).

A. Assumption of Certain Executory Contracts and Unexpired Leases

The Bidding Procedures Order established procedures governing the assumption and assignment of executory contracts and unexpired leases. Pursuant to those procedures, the Debtors filed and served a *Notice to Counterparties to Executory Contracts and Unexpired Leases of the Debtors that May be Assumed and Assigned* [Doc. No. 1704] (the "First Cure Notice"), a *Supplemental Notice Re Notice to Counterparties to Executory Contracts and Unexpired Leases of the Debtors that May be Assumed and Assigned* [Doc. No. 1836] (the "Second Cure Notice"), and a *Second Supplemental Notice Re Notice to Counterparties to Executory Contracts and Unexpired Leases of the Debtors that May be Assumed and Assigned* [Doc. No. 2065] (the "Third Cure Notice," and together with the First and Second Cure Notices, the "Cure Notices"). The Cure Notices identify the amounts (the "Cure Amounts"), if any, that the Debtors believe are owed to each counterparty on account of executory contracts and unexpired leases which the Debtors seek to assume and assign to SGM (the "Designated Contracts").

Various counterparties filed objections to the Cure Amounts, many of which have been resolved or are moot. After certain counterparties filed objections, SGM decided that it no longer wished to designate the agreements with such counterparties for assumption and assignment. Specifically, SGM is no longer seeking assignment of agreements with Workday, Inc. [Doc. No. 1804], LinkedIn Corporation [Doc. Nos.

("SEIU-UHW") represents approximately 1,292 of the Debtors' employees at St. Francis and St. Vincent. Employees of the Debtors represented by SEIU-UHW are covered by CBAs containing successor clauses that purport to obligate any purchaser of the Hospitals to assume the CBAs in their entirety.

SEIU-UHW argues that the sale cannot be approved until the Debtors have first complied with the requirements of § 1113. SEIU-UHW relies upon *American Flint Glass Workers Union v. Anchor Resolution Corp*, 197 F.3d 76, 81-82 (3d Cir. 1999), in which the Third Circuit held that a debtor could not alter its obligations under a CBA through a partial assumption and assignment to a purchaser because that would be an "attempt to effect an alteration of the CBA" and therefore the debtor "was required to comply with the procedures set out in Code § 1113." *Am. Flint Glass Workers*, 197 F.3d at 81–82.

The Debtors contend that SEIU-UHW's objection lacks merit. First, the Debtors argue that SGM has committed to negotiate with all unions to attempt to modify the CBAs, making it possible that a consensual resolution regarding the CBAs may be achieved. Second, the Debtors assert that the sale may be approved in advance of § 1113 relief. In support of this position, Debtors rely upon *Local 211 v. Family Snacks, Inc., Official Unsecured Creditors' Comm. (In re Family Snacks, Inc.)*, 257 B.R. 884, 897 (B.A.P. 8th Cir. 2001):

> When a debtor is selling on a going concern basis, the union urges, *Ionosphere* should not apply because the only meaningful time the court can make a decision on rejection is prior to the sale. We see no basis for such a distinction, unless it is to give the union veto power over a going concern sale which, as we know from experience, is often the best way to reap the greatest benefit for all creditors. Section 1113 was never intended to give unions such power. Its sole purpose is to keep a debtor from unilaterally rejecting a CBA and to plainly articulate the rules for going about rejection. If, as *Ionosphere* concluded, a debtor who is liquidating piecemeal should not be forced into Chapter 7 in order to preserve its assets for equitable distribution to all creditors, the same is true for a debtor who is selling its assets on a going concern basis.

Family Snacks, 257 B.R. at 897.

C. Objections by St. Vincent IPA and Angeles IPA and the Debtors' Response

St. Vincent IPA Medical Corporation and Angeles IPA (collectively, "St. Vincent IPA") are parties to *Healthcare Services Risk Sharing Agreements* (the "Risk Sharing

Agreements") with certain of the Debtors. St. Vincent IPA argues that the Debtors should be required to withhold or earmark approximately $12 million from the sale proceeds to ensure that sufficient funds are available to pay the full Cure Amount that may ultimately be owed to St. Vincent IPA. St. Vincent IPA asserts that the Debtors have not clearly specified the Cure Amount that will be withheld.

The Debtors assert that St. Vincent IPA's concerns are not warranted for the following reasons:

1) Under the *Final Order (I) Authorizing Postpetition Financing, (II) Authorizing Use of Cash Collateral, (III) Granting Liens and Providing Superpriority Administrative Expense Status, (IV) Granting Adequate Protection, (V) Modifying Automatic Stay, and (VI) Granting Related Relief* [Doc. No. 409] (the "Final DIP Order"), all sale proceeds must be deposited in an Escrow Deposit Account. Deposit of the sale proceeds into the Escrow Deposit Account prevents the Debtors from spending or commingling the sale proceeds. Thus, the earmarking requested by St. Vincent IPA is not necessary.
2) Under the APA, SGM is required to pay the Cure Amount. St. Vincent IPA has not suggested that SGM is unwilling or unable to do so.

In an attempt to address St. Vincent's concerns, the Debtors have modified § 15 of the proposed Sale Order as follows:

> To the extent an Assumption Dispute relates solely to the Cure Amount, the Debtors may assume and/or assume and assign the applicable executory contract or unexpired lease prior to the resolution of the Assumption Dispute by the Bankruptcy Court, provided, that either (a) the Bankruptcy Court has estimated the maximum cure payment, pursuant to 11 U.S.C. § 502(c), and Buyer has remitted such amount to the Debtors to be held as sales proceeds in the Sale Proceeds Account for the relevant Debtor(s), or (b) the Buyer provides to the relevant Debtor(s) a separate reasonably acceptable undertaking to pay the disputed cure amount (or such smaller
> amount as may be fixed or estimated by the Bankruptcy Court or otherwise agreed to by such non-Debtor party and the applicable Buyer). The Debtors shall be and hereby are authorized to pay disputed cure amounts from the relevant Sales Proceeds Account(s) upon entry of a final order by this

Court to the extent the Buyer remitted to Sellers the amount required by item (a) of this paragraph of the Order.

II. Findings and Conclusions

A. Issues that Have Been Resolved or Will be Adjudicated at a Later Date

To provide a clear record, issues that have either been resolved or preserved for adjudication at a later date are set forth herein.

1. Adjudication of Objections to the Assumption and Assignment of Executory Contracts and Unexpired Leases

As set forth above, a continued hearing as to cure and adequate assurance issues raised by various counterparties to executory contracts and unexpired leases designated for assumption and assignment shall take place on **June 5, 2019, at 10:00 a.m.** Although Cardinal Health has not yet stipulated to a continuance of the hearing on its objections, the Court finds it appropriate to continue the hearing on Cardinal Health's objection to that same date. The Debtors' deadline to reply to Cardinal Health's objection is **May 29, 2019, at 4:00 p.m.**

2. Reservations of Rights Asserted by Various Parties

The United Nurses Association of California/Union of Health Care Professionals ("UNAC") reserves its rights with respect to any § 1113 motion that may be filed in the future. The Court confirms that all issues arising under § 1113 are preserved for adjudication at a later time.

The Official Committee of Unsecured Creditors (the "Committee") reserves the right to challenge security interests asserted by the Prepetition Secured Creditors (as defined in the Final DIP Order). The Committee's ability to challenge the validity of the security interests asserted by the Prepetition Secured Creditors is preserved.

Various parties reserve their rights to object to the language of the final order approving the Sale Motion. The Debtors are directed to work with interested parties to satisfy concerns regarding the form of the Sale Order.

3. Mechanics' Liens Asserted by MGH Painting, Inc. and Belfor USA Group, Inc.

MGH Painting, Inc. ("MGH Painting") and Belfor USA Group, Inc. ("Belfor") assert mechanic's liens against St. Vincent and object to any sale free and clear of those liens. The Debtors have reviewed the mechanic's liens and have confirmed that the mechanic's liens will attach to the sale proceeds of St. Vincent.

4. Issues Raised by the California Statewide Communities Development Authority

The California Statewide Communities Development Authority (the "CSCDA") filed a reservation of rights with respect to certain obligations arising under financing extended by the CSCDA to Seton. The Debtors state that they have resolved CSCDA's concerns and that the parties have agreed to a form of *Assignment and Assumption Agreement* to be executed by SGM and Seton with respect to the obligations.

5. Issues Raised by the California Attorney General

The California Attorney General (the "Attorney General") filed an objection seeking clarification that the sale transaction is subject to his review and approval pursuant to Cal. Corp. Code § 5914. The Debtors and the Attorney General have agreed to include the following language preserving the Attorney General's rights in the Sale Order:

> The California Attorney General, the Debtors, the Consultation Parties (as defined in the Bid Procedures Order) and the Purchaser, reserve all rights, arguments and defenses concerning the California Attorney General's authority, if any, to review the Sale under California Corporations Code sections 5914¬5924 and California Code of Regulations - Title 11, Chapter 15, section 999.5, and any conditions issued thereto. Nothing in this stipulation or sale order shall be construed as a waiver of the Attorney General's statutory and regulatory authority or other rights.

The Court notes that although the Debtors will submit to the Attorney General applications for transfer of the Hospitals pursuant to Cal. Corp. Code §§ 5914 *et seq.*, the Debtors reserve the right to challenge any conditions imposed by the Attorney General upon completion of the review, including the renewal of the conditions previously imposed in connection with the 2015 transaction involving the Debtors' predecessor. The Court finds that the Debtors' election to participate in the regulatory process established by Cal. Corp. Code §§ 5914 *et seq.* does not waive their ability to later assert that the Hospitals may be sold free and clear of conditions imposed by the Attorney General under § 363(f) of the Bankruptcy Code.

Agreements

The Court has approved stipulations setting a continued hearing on issues pertaining to the transfer of the Debtors' Medi-Cal and Medicare Provider Agreements for **June 5, 2019, at 10:00 a.m.**

7. Issues Raised by United Healthcare Pertaining to the Sale of the Debtors' Accounts Receivable Free and Clear of United Healthcare's Recoupment Rights

United Healthcare Insurance Company ("United Healthcare") asserts that it has not been provided adequate assurance of SGM's future performance under certain Capitation Agreements that SGM has designated for assignment. United Healthcare further objects to any sale of the Debtors' accounts receivable free and clear of United Healthcare's recoupment rights. The Court has approved a stipulation continuing the hearing on all objections raised by United Healthcare to **June 5, 2019, at 10:00 a.m.**

B. St. Vincent IPA's Objection Regarding Withholding of the Sale Proceeds Has Been Sufficiently Addressed by Additional Language to be Included in the Sale Order

The Court finds that concerns raised by St. Vincent regarding its ability to recover the Cure Amount that it may ultimately be owed have been adequately addressed by the additional language that the Debtors propose to add to the Sale Order. The additional language provides that an agreement to which St. Vincent is a party may be assumed and assigned if the Court has estimated the maximum cure payment under § 502(c) and SGM has either remitted such amount to the Debtors or has provided an undertaking to pay such amount. In the Court's view, the proposed procedures provide a reasonable means of estimating St. Vincent's Cure Amount prior to final adjudication thereof. Further, the Court finds that the proposed procedures are reasonably calculated to ensure that St. Vincent ultimately will be paid whatever Cure Amount it is entitled to receive.

C. SEIU-UHW's Objection is Overruled

SEIU-UHW contends that the Debtors are required to obtain rejection of the CBAs under § 1113 prior to moving for approval of the sale. The Court has previously followed the approach set forth in *Local 211 v. Family Snacks, Inc., Official Unsecured Creditors' Comm. (In re Family Snacks, Inc.)*, 257 B.R. 884, 897 (B.A.P. 8th Cir. 2001), in which the court held that "there is nothing in the language of §1113 that dictates when an application to reject must be made." *Family Snacks*, 257 B.R. at

895. The *Family Snacks* court reasoned that requiring the §1113 process to be completed prior to an asset sale would give unions undue power over the sale process to the detriment of other creditors:

> When a debtor is selling on a going concern basis, the union urges, *Ionosphere* should not apply because the only meaningful time the court can make a decision on rejection is prior to the sale. We see no basis for such a distinction, unless it is to give the union veto power over a going concern sale which, as we know from experience, is often the best way to reap the greatest benefit for all creditors. Section 1113 was never intended to give unions such power. Its sole purpose is to keep a debtor from unilaterally rejecting a CBA and to plainly articulate the rules for going about rejection. If, as *Ionosphere* concluded, a debtor who is liquidating piecemeal should not be forced into Chapter 7 in order to preserve its assets for equitable distribution to all creditors, the same is true for a debtor who is selling its assets on a going concern basis.

Family Snacks, 257 B.R. at 897.

SEIU-UHW argues that *Family Snacks* is distinguishable because the CBAs at issue therein did not contain a successor clause prohibiting sale absent assumption of the CBA. The Court finds that the presence of successor clauses in the CBAs to which SEIU-UHW is a party does not require the Debtors to obtain § 1113 relief prior to entry of the Sale Order. The sale will not close until after the Attorney General has conducted a review pursuant to Cal. Corp. Code §§ 5914–5924. Pursuant to Cal. Corp. Code § 5915, the Attorney General has 90 days, plus an additional 45 days if certain conditions are satisfied, to conduct the review. During this interim period, the APA provides that SGM will attempt to renegotiate the CBAs. In the event that such negotiations fail, the Debtors have the option of seeking relief under § 1113. That is, the sale cannot close until the CBAs have either been renegotiated or modified under § 1113. Consequently, entry of the Sale Order now does not circumvent the protections afforded by § 1113.

D. The Debtors are Authorized to Assume and Assign the Executory Contracts and Unexpired Leases Designated by SGM

Section 365(a) provides that the Debtor, "subject to the court's approval, may assume or reject any executory contract or unexpired lease of the debtor." In *Agarwal*

v. Pomona Valley Med. Grp. (In re Pomona Valley Med. Grp., Inc.), the Ninth Circuit explained the standard the Bankruptcy Court must apply in determining whether to approve the assumption of an executory contract or unexpired lease:

> In making its determination, a bankruptcy court need engage in "only a cursory review of a [debtor-in-possession]'s decision to reject the contract. Specifically, a bankruptcy court applies the business judgment rule to evaluate a [debtor-in-possession]'s rejection decision." ...
>
> Thus, in evaluating the rejection decision, the bankruptcy court should presume that the debtor-in-possession acted prudently, on an informed basis, in good faith, and in the honest belief that the action taken was in the best interests of the bankruptcy estate. *See Navellier v. Sletten,* 262 F.3d 923, 946 n. 12 (9th Cir.2001); *FDIC v. Castetter,* 184 F.3d 1040, 1043 (9th Cir.1999); *see also In re Chi-Feng Huang,* 23 B.R. at 801 ("The primary issue is whether rejection would benefit the general unsecured creditors."). It should approve the rejection of an executory contract under § 365(a) unless it finds that the debtor-in-possession's conclusion that rejection would be "advantageous is so manifestly unreasonable that it could not be based on sound business judgment, but only on bad faith, or whim or caprice."

Pomona Valley, 476 F.3d 665, 670 (9th Cir. 2007).

The assumption and assignment of the Designated Contracts constitutes an exercise of the Debtors' sound business judgment. Assignment of the agreements is necessary to facilitate the sale of the Hospitals. The assumption and assignment of the Designated Contracts is approved. This ruling does not apply to those Designated Contracts to which counterparties have asserted an objection with respect to adequate assurance of future performance and/or the appropriate cure amount; adjudication of the assumption and assignment of such contracts shall occur on **June 5, 2019, at 10:00 a.m.,** as set forth above.

E. The Sale Motion is Granted

Section 363(b) permits the debtor or trustee to sell estate property out of the ordinary course of business, subject to Court approval. The debtor or trustee must articulate a business justification for the sale of the property. *In re Walter*, 83 B.R. 14, 19–20 (9th Cir. BAP 1988) (citing *In re Continental Air Lines*, 780 F.2d 1223 (5th Cir. 1986)). Whether the articulated business justification is sufficient "depends on the case," in view of "all salient factors pertaining to the proceeding." *Id.* "The court's obligation in § 363(b) sales is to assure that optimal value is realized by the estate

under the circumstances." *Simantob v. Claims Prosecutor, LLC (In re Lahijani)*, 325 B.R. 282, 288–89 (B.A.P. 9th Cir. 2005).

The Debtors have demonstrated sufficient business justification for the sale. The Debtors incur significant operational losses at their hospitals, such that continued operations are not financially viable. A sale is the best means to preserve value for creditors.

The Court finds that the Debtors have adequately marketed the Hospitals. Cain Brothers ("Cain"), the Debtors' financial advisors, have been marketing the Hospitals since June 2018 and has contacted more than 181 strategic and financial buyers. Cain notified 90 parties of the sale process and provided access to a data room to sixteen parties who executed Non-Disclosure Agreements. Cain has remained in contact with potential purchasers and has been available to provide information.

Pursuant to §363(f)(2), the sale is free and clear of all liens asserted by secured claimants. All parties asserting secured claims have consented to the sale.

The Court finds that SGM is a good-faith purchaser entitled to the protections afforded by § 363(m). The APA was negotiated at arms-length and the Hospitals were vigorously marketed by Cain.

Notwithstanding Bankruptcy Rule 6004, the order approving the sale shall take effect immediately upon entry.

The Debtors shall submit a conforming order, incorporating this tentative ruling by reference, within seven days of the hearing.

No appearance is required if submitting on the court's tentative ruling. If you intend to submit on the tentative ruling, please contact Jessica Vogel or Daniel Koontz, the Judge's Law Clerks, at 213-894-1522. **If you intend to contest the tentative ruling and appear, please first contact opposing counsel to inform them of your intention to do so.** Should an opposing party file a late opposition or appear at the hearing, the court will determine whether further hearing is required. ("VHS"), and the above-referenced affiliated debtors and debtors in possession in the above-captioned chapter 11 bankruptcy cases (the "Debtors"), for the entry of an order, pursuant to §§ 105(a), 363, and 365 of title 11 of the United States Code (the "Bankruptcy Code"), Rules 2002, 6004, 6006, 9007, and 9014, and LBR 6004-1.[1]

At the previous hearing on the Motion on February 19, 2019 (the "Bidding Procedures Hearing"), the Court considered various objections (the "Premature Objections") filed by: (i) St Vincent IPA Medical Corporation and Angeles IPA [Docket No. 1397]; (ii) the California Attorney General [Docket No. 1352]; (iii) MGH Painting Inc. [Docket No. 1358]; and (iv) Belfor USA Group, Inc. [Docket No. 1364]. The Court ruled that the Premature Objections were premature and preserved for the Sale Hearing, as set forth in order granting the Motion (the "Bidding Procedures Order") [Docket No. 1572]. The Bidding Procedures Order also stated that objections filed by the U.S. Department of Health and Human Services and Centers for Medicare and Medicaid Services [Doc. No. 1346] and the California Department of Health Care Services [Doc. No. 1353] (the "Continued Objections") were continued, as resolved by stipulations [Docket Nos. 1458 and 1473, respectively], approved by this Court's orders [Docket Nos. 1465 and 1483, respectively].

A reasonable opportunity to object and to be heard regarding the relief provided herein has been afforded to parties-in-interest.

D. Arm's Length Transaction. The APA and other documents and instruments (the "Transaction Documents") related to and connected with this transaction (the "Transaction") and the consummation thereof were negotiated and entered into by the Debtors and Strategic Global Management, Inc. ("SGM"), as Purchaser under the APA without collusion, in good faith and through an arm's length bargaining process. Neither SGM nor any of its affiliates or representatives is an "insider" of the Debtors, as that term is defined in § 101(31). None of the Debtors, SGM, or their respective representatives engaged in any conduct that would cause or permit the APA, any of the other Transaction Documents or the Transaction to be avoided under § 363(n), or have acted in any improper or collusive manner. The terms and conditions of the APA and the other Transaction Documents, including, without limitation, the consideration provided in respect thereof, are fair and reasonable, and are not avoidable and shall not be avoided, and no damages may be assessed against SGM or any other party, as set forth in § 363(n). The consideration provided by SGM is fair, adequate and constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code and any other applicable laws of the United States or any of its jurisdictions or subdivisions, including the State of California.

E. Good Faith Purchaser. SGM has proceeded in good faith and without collusion in all respects in connection with the sale process, in that: (i) SGM, in proposing and proceeding with the Transaction in accordance with the APA, recognized that the Debtors were free to deal with other interested parties; (ii) SGM agreed to provisions in the APA that would enable the Debtors to accept a higher and better offer; (iii) SGM complied with all of the provisions in the Bidding Procedures Order applicable to SGM; (iv) all payments to be made by SGM and other agreements entered into or to be entered into between SGM and the Debtors in connection with the Transaction have been disclosed; (v) the negotiation and execution of the APA and related

Transaction Documents were conducted in good faith and constituted an arm's length transaction; (vi) SGM did not induce or cause the chapter 11 filings by the Debtors; and (vii) the APA was not entered into, and the Transaction being consummated pursuant to and in accordance with the APA is not being consummated, for the purpose of hindering, delaying or defrauding creditors of the Debtors. SGM is therefore entitled to all of the benefits and protections provided to a good-faith purchaser under § 363(m). Accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the Transaction shall not affect the validity of the Transaction, any terms or conditions of the Transaction or SGM's status as a "good faith" purchaser.

F. Justification for Relief. Good and sufficient reasons for approval of the APA and the other Transaction Documents and the Transaction have been articulated to this Court in the Motion and at the Sale Hearing, and the relief requested in the Motion and set forth in this Sale Order is in the best interests of the Debtors, their estates, and their creditors. The Debtors have demonstrated through the Motion and other evidence submitted at the Sale Hearing both (i) good, sufficient and sound business purpose and justification and (ii) compelling circumstances for the transfer and sale of the Purchased Assets as provided in the APA outside the ordinary course of business, and (iii) such transfer and sale is an appropriate exercise of the Debtors' business judgment and in the best interests of the Debtors, their estates, and their creditors.

G. Free and Clear. In accordance with §§ 363(b) and 363(f), the consummation of the Transaction pursuant to the Transaction Documents shall be a legal, valid, and effective transfer and sale of the Purchased Assets and, except with respect to the liens arising from the Special Assessments and the PACE Obligations (each as defined in §1.1(a)(iii) of the APA) assumed by SGM, shall vest in SGM, through the consummation of the Transaction, all of the Debtors' right, title, and interest in and to the Purchased Assets, free and clear of all liens, claims, interests, rights of setoff, recoupment, netting and deductions, rights of first offer, first refusal and any other similar contractual property, legal or equitable rights, and any successor or successor-in-interest liability theories (collectively, the "Encumbrances"). The Debtors have demonstrated that one or

more of the standards set forth in § 363(f)(1)-(5) have been satisfied. Those holders of Encumbrances who did not object, or who withdrew their objections, to the sale or the Motion are deemed to have consented pursuant to § 363(f)(2). Those holders of Encumbrances who did object fall within one or more of the other subsections of § 363(f). All holders of the Encumbrances in the Purchased Assets are adequately protected by having their respective Encumbrances attach to the Debtors' interests in the proceeds of the sale of the Purchased Assets under the APA (subject to any Challenge within the meaning of that certain *Final Order (I) Authorizing Postpetition Financing, (II) Authorizing Use of Cash Collateral, (III) Granting Liens and Providing Superpriority Administrative Expense Status, (IV) Granting Adequate Protection, (V) Modifying Automatic Stay, and (VI) Granting Related Relief* [Docket No. 409] (the "Final DIP Order") that has been, or may be, timely filed[3]), and any related documents or instruments delivered in connection therewith, whenever and wherever received (the "Sale Proceeds") to the extent and manner herein provided.

H. Prompt Consummation. The Debtors have demonstrated good and sufficient cause to waive the stay requirement under Rules 6004(h) and 6006(d). Time is of the essence in consummating the Transaction, and it is in the best interests of the Debtors and their estates to consummate the Transaction within the timeline set forth in the Motion and the APA. The Court finds that there is no just reason for delay in the implementation of this Order, and expressly directs entry of judgment as set forth in this Order.

[3] The Final DIP Order granted to the Committee standing to file the requisite pleading to challenge the validity, enforceability and amount of the Prepetition Liens (each such proceeding or appropriate pleading commencing a proceeding or other contested matter, a "Challenge") within ninety (90) days from the formation of the Committee (the "Challenge Deadline"). *See* Final DIP Order ¶ 5(e). The Committee's investigation as to the Prepetition Liens remains ongoing. The Committee and the Prepetition Secured Creditors have entered into a number of stipulations (the "Challenge Stipulations") by which the Committee has acknowledged and stipulated to the validity, enforceability and perfection of the Prepetition Liens in certain collateral identified in the Challenge Stipulations, and by which the Challenge Deadline has been extended a number of times with respect to the validity, enforceability and perfection of the Prepetition Liens in any other collateral. The Challenge Deadline with respect to any Prepetition Liens for which the Committee has not stipulated pursuant to the Challenge Stipulations as to the validity, enforceability and perfection thereof is now May 13, 2019.

I. Assumption of Executory Contracts and Unexpired Leases. The Debtors have demonstrated that it is an exercise of their sound business judgment to assume and assign to SGM the Currently Identified Designated Contracts (as defined and identified in paragraph 15 below) and to the extent subsequently identified by SGM pursuant to paragraph 16 below, the Subsequently Identified Designated Contracts (as defined in paragraph 16 below) (the Currently Identified Designated Contracts and the Subsequently Identified Contracts are collectively referred to herein as the "Designated Contracts") in connection with the consummation of the Transaction, and the assumption and assignment of the Designated Contracts is in the best interests of the Debtors and their estates.

J. Cure/Adequate Assurance. In connection with the Closing, and pursuant to the APA, unless otherwise ordered, any and all defaults existing on or prior to the Closing under any of the Designated Contracts will have been cured, within the meaning of § 365(b)(1)(A), by payment of the amounts and in the manner set forth below, unless otherwise agreed by SGM and the counterparty. SGM has provided or will provide adequate assurance of future performance of and under the Designated Contracts within the meaning of § 365(b)(1)(C) and § 365(f)(2)(B), and shall have no further obligation to provide assurance of performance to any counterparty to a Designated Contract. Pursuant to § 365(f), the Designated Contracts to be assumed by the Debtors (i.e., St. Francis Medical Center, a California nonprofit public benefit corporation ("St. Francis Medical Center"), St. Vincent Medical Center, a California nonprofit public benefit corporation ("St. Vincent Medical Center"), St. Vincent Dialysis Center, Inc., a California nonprofit public benefit corporation ("St. Vincent Dialysis Center"), and Seton Medical Center, a California nonprofit public benefit corporation ("Seton Medical Center") (collectively, the "Hospitals"), VHS, and Verity Holdings LLC, a California limited liability company ("Holdings")), and assigned to SGM under the APA shall be assigned and transferred to, and remain in full force and effect for the benefit of, SGM, notwithstanding any provision in such Designated Contracts prohibiting their assignment or transfer. The Debtors have demonstrated that no other parties to any of the Designated Contracts has incurred any actual pecuniary loss

resulting from a default on or prior to the Closing under any of the Designated Contracts within the meaning of § 365(b)(1)(B).

K. Rejection of Executory Contracts and Unexpired Leases. The Debtors will have demonstrated that it is a reasonable and appropriate exercise of their sound business judgment for the Hospitals to reject all of their executory contracts and unexpired leases, excluding (i) Designated Contracts, (ii) any prepetition multiparty contract affecting more than one Debtor in addition to the Hospitals, (iii) any prepetition contract that is the subject of a Rule 9019 settlement motion prior to Closing, and (vi) any collective bargaining agreement, pension plan or health and welfare plan providing collectively bargained benefits to which a Hospital is a party or sponsor, which matters shall be scheduled for determination as provided in paragraph 33 below. Each such executory contract rejection is subject only to the conditions set forth in paragraphs 18, 31, and 32. The Debtors shall file an appropriate motion to reject such contracts, covered by this paragraph K, prior to Closing and shall request therein that the rejection be effective as of the Closing or as otherwise appropriate.

L. Highest or Otherwise Best Offer. The Debtors solicited offers and noticed the Auction in accordance with the provisions of the Bidding Procedures Order. The Auction was duly noticed, the sale process was conducted in a non-collusive manner and the Debtors afforded a full, fair and reasonable opportunity for any person or entity to make a higher or otherwise better offer to purchase the Purchased Assets. Other than SGM's Stalking Horse Bid, the Debtors received two Qualified Partial Bids by the Partial Bid Deadline and did not receive a Qualified Full Bid (as such terms are defined by the Bidding Procedures Order). The Debtors properly consulted with the Consultation Parties in selecting the SGM Stalking Horse Bid as the highest and best bid and in determining that no auction should be held (as such terms are defined in the Bidding Procedures Order), as set forth in their No-Auction Notice. The transfer and sale of the Purchased Assets to SGM on the terms set forth in the APA constitutes the highest or otherwise best offer for the Purchased Assets and will provide a greater recovery for the Debtors' estates than would be provided by any other available alternative. The Debtors' determination, in

consultation with the Consultation Parties (as defined in the Bidding Procedure Order), that the APA constitutes the highest or best offer for the Purchased Assets and to not conduct an auction constitutes a valid and sound exercise of the Debtors' business judgment.

M. No *De Facto* or *Sub Rosa* Plan of Reorganization. The sale of the Purchased Assets does not constitute a *de facto* or *sub rosa* plan of reorganization or liquidation because it does not propose to (i) impair or restructure existing debt of, or equity or membership interests in, the Debtors, (ii) impair or circumvent voting rights with respect to any plan proposed by the Debtors, (iii) circumvent chapter 11 safeguards, including those set forth in §§ 1125 and 1129, or (iv) classify claims or equity or membership interests.

N. Legal and Factual Bases. The legal and factual bases set forth in the Motion and at the Sale Hearing establish just cause for the relief granted herein.

NOW THEREFORE, IT IS HEREBY ORDERED THAT:

1. The relief requested in the Motion is GRANTED and APPROVED in all respects to the extent provided herein.

2. All objections with regard to the relief sought in the Motion that have not been withdrawn, waived, settled, or provided for herein or in the Bidding Procedures Order, including any reservation of rights included in such objections, are overruled on the merits with prejudice. To the extent of any inconsistency between this Sale Order and the Bidding Procedures Order, the terms of this Sale Order shall prevail.

3. Pursuant to §§ 105(a), 363(b), 363(f), and 365, the Transaction, including the transfer and sale of the Purchased Assets to SGM on the terms set forth in the APA, is approved in all respects, and the Debtors are authorized and directed to consummate the Transaction in accordance with the APA, including, without limitation, by executing all of the Transaction Documents (and any ancillary documents or instruments that may be reasonably necessary or desirable to implement the APA or the Transaction) and taking all actions necessary and appropriate to effectuate and consummate the Transaction (including the transfer and sale of the Purchased Assets) in consideration of the Purchase Price (as defined in § 1.1 of the APA) upon

the terms set forth in the APA, including, without limitation, assuming and assigning to SGM the Designated Contracts. The Debtors and SGM shall have the right to make any mutually agreeable, non-material changes to the APA, which shall be in writing signed by both parties, without further order of the Court provided, that after reasonable notice, the Official Committee of Unsecured Creditors (the "Committee"), the DIP Agent (as defined in the Final DIP Order defined below), and the Prepetition Secured Creditors (as defined in the Final DIP Order) do not object to such changes. Any timely objection by the aforementioned parties to any agreed non-material changes to the APA may be resolved by the Court on shortened notice.

4. As of the Closing, (i) the Transaction set forth in the APA shall effect a legal, valid, enforceable and effective transfer and sale of the Purchased Assets to SGM free and clear of all Encumbrances, except with respect to the liens arising from the Special Assessments and the PACE Obligations assumed by SGM, as further set forth in the APA and this Sale Order; and (ii) the APA, and the other Transaction Documents, and the Transaction, shall be enforceable against and binding upon, and not subject to rejection or avoidance by, the Debtors, any successor thereto including a trustee or estate representative appointed in the Bankruptcy Cases, the Debtors' estates, all holders of any Claim(s) (as defined in the Bankruptcy Code) against the Debtors, whether known or unknown, any holders of Encumbrances on all or any portion of the Purchased Assets, all counterparties to the Designated Contracts and all other persons and entities.

5. Encumbrances in and to Purchased Assets shall attach (subject to any Challenge within the meaning of the Final DIP Order that has been, or may be, timely filed) to the Sale Proceeds of such Purchased Assets with each such Encumbrance having the same force, extent, effect, validity and priority as such Encumbrance had on the Purchased Assets giving rise to the Sale Proceeds immediately prior to the Closing. For the avoidance of doubt, the foregoing force, extent, effect, validity and priority shall: (i) reflect the security interests, liens (including any Prepetition Replacement Liens arising for diminution of value, if any) and rights, powers and authorities that have been granted to the DIP Agent, the DIP Lender and to the Prepetition

Secured Creditors, as applicable, pursuant to the Final DIP Order, to the extent that (i) the rights granted to the Prepetition Secured Creditors with respect to §§506(c) and 552(b) by the Final DIP Order are not limited or modified as a result of the appeal from the Final DIP Order filed by the Committee on November 29, 2019; and/or (ii) any replacement liens or security interest granted to the Prepetition Secured Creditors by the Final DIP Order are not invalidated as a result of any Challenge within the meaning of the Final DIP Order that has been, or may be, timely filed. In addition, the Intercreditor Agreement (as defined in the Final DIP Order) shall apply with respect to the rights of the parties thereto in and to the Sale Proceeds and the Escrow Deposit Account, to the extent of and in accordance with its terms with all parties reserving all rights thereunder.

6. Subject to the fulfillment of the terms and conditions of the APA, this Sale Order shall, as of the Closing, be considered and constitute for all purposes a full and complete general assignment, conveyance, and transfer of the Purchased Assets and/or a bill of sale transferring all of the Debtors' rights, title and interest in and to the Purchased Assets to SGM. Consistent with, but not in limitation of the foregoing, each and every federal, state, and local governmental agency or department, except as stated herein, is hereby authorized and directed to accept all documents and instruments necessary and appropriate to consummate the transactions contemplated by the APA and approved in this Sale Order. A certified copy of this Order may be filed with the appropriate clerk and/or recorded with the appropriate recorder to cancel any Encumbrances of record.

7. Any person or entity that is currently, or on the Closing Date may be, in possession of some or all of the Purchased Assets is hereby directed to surrender possession of such Purchased Assets either to (a) the Debtors before the Closing or (b) to SGM or its designee upon the Closing, and to cooperate with the Debtors and SGM in the Debtors' and SGM's fulfillment of their obligations hereunder and pursuant to the APA.

8. The transfer of the Purchased Assets pursuant to the Transaction Documents shall be a legal, valid, and effective transfer and shall, in accordance with §§ 105(a) and 363(f), and upon consummation of the Transaction, including, without limitation, payment of the Purchase

Price to the Debtors, vest SGM with all right, title, and interest in the Purchased Assets, free and clear of all Encumbrances. Upon closing of the Transaction, SGM shall take title to and possession of the Purchased Assets, subject only to the Assumed Obligations, as set forth in the APA. The transfer of the Purchased Assets from the Debtors to SGM constitutes a transfer for reasonable equivalent value and fair consideration under the Bankruptcy Code and the laws of the State of California.

9. Following the Closing, no holder of any Encumbrance against the Debtors or upon the Purchased Assets shall interfere with SGM's respective rights in, title to or use and enjoyment of the Purchased Assets. All persons and entities are hereby forever prohibited and enjoined from taking any action that would adversely affect or interfere with the ability of the Debtors to sell and transfer the Purchased Assets to SGM, including the assumption and assignment of the Designated Contracts.

10. SGM shall not be deemed, as a result of any action taken in connection with, or as a result of the Transaction (including the transfer and sale of the Purchased Assets), to: (i) be a successor, continuation or alter ego (or other such similarly situated party) to the Debtors or their estates by reason of any theory of law or equity, including, without limitation, any bulk sales law, doctrine or theory of successor liability, or any theory or basis of liability, regardless of source of origin; or (ii) have, *de facto* or otherwise, merged with or into the Debtors; or (iii) be a mere continuation, *alter ego*, or substantial continuation of the Debtors. Other than the Assumed Liabilities, SGM is not assuming any of the Debtors' debts.

11. This Sale Order (i) shall be effective as a determination that, on Closing, all Encumbrances existing against the Purchased Assets before the Closing have been unconditionally released, discharged and terminated, and that the transfers and conveyances described herein have been effected, and (ii) shall be binding upon and shall govern the acts of all persons and entities. If, following a reasonable written request made by the Debtors, any person or entity that has filed financing statements or other documents or agreements evidencing any Encumbrances against the Purchased Assets shall not have delivered to the Debtors for use at or

in connection with Closing, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, releases of all Encumbrances which the person or entity has with respect to the Purchased Assets, then SGM and/or the Debtors are hereby authorized to execute and file such statements, instruments, releases and other documents on behalf of the person or entity with respect to such Purchased Assets. For the avoidance of doubt, such statements, instruments, releases and other documents shall not impair Encumbrances that attach (subject to any Challenge within the meaning of the Final DIP Order that has been, or may be, timely filed) to the Sale Proceeds or the terms of this Order, including, but not limited to paragraphs 5 and 13 hereof.

12. In accordance with the APA, concurrently with the Closing, SGM shall pay that portion of the Purchase Price due at Closing, by wire transfer of immediately available funds, to Debtors' Escrow Deposit Accounts (defined below), subject to the adjustments set forth in the APA. Any direct expenses of the Sale shall be disclosed by Debtors to the DIP Agent, the Prepetition Secured Creditors, and the Committee in advance of the Closing.

13. The terms and conditions of the Final DIP Order shall apply with respect to the Sale Proceeds and Escrow Deposit Accounts (defined herein). Without limiting the foregoing, the Debtors shall comply with paragraph 4 of the Final DIP Order in the following manner:

(a) the Debtors shall direct SGM, pursuant to the terms of the APA, to remit all Sale Proceeds to the separate accounts opened in the name of each Debtor for the Sale Proceeds (each such hereafter referred to as "Escrow Deposit Account");

(b) in giving direction to SGM pursuant to sub-paragraph (a), above, the Debtors shall exercise their reasonable business judgment, in good faith, and allocate the Sale Proceeds among the Escrow Deposit Accounts on the basis of the value of each Debtor's Purchased Assets as of the Closing (which allocation, for the avoidance of doubt, shall be subject to the reservations of rights in paragraph 4 of the Final DIP Order and paragraph 31 of the Bidding Procedures Order; provided further that nothing in this paragraph shall waive or limit any rights the Committee or the Prepetition Secured Creditors may have in connection with the confirmation of a proposed

chapter 11 plan for any of the Debtors' cases (including the right to seek to reallocate estate values and the Sale Proceeds);

(c) without limitation of the rights of the DIP Agent and DIP Lender under the DIP Financing Agreements and the Final DIP Order, no funds held in any Escrow Deposit Account shall be (i) commingled with any other funds of the applicable Debtor or any of the other Debtors or (ii) used by the Debtors for any purpose, except as provided in this Order, the DIP Credit Agreements or the Final DIP Order without further order of this Court, after reasonable notice under the circumstances to the DIP Agent, the Prepetition Secured Creditors and the Committee; and

(d) each Escrow Deposit Account shall be subject to a deposit account control agreement in favor of the DIP Agent and DIP Lender, and subject to, without limitation of the rights of the DIP Agent and DIP Lender under the DIP Financing Agreements and the Final DIP Order with respect to the Sale Proceeds and Escrow Deposit Account, including, without limitation, following the occurrence of an Event of Default or the Revolving Loan Termination Date (as defined in the DIP Credit Agreement), the Debtors shall not be permitted to use the funds held in any Escrow Deposit Account for any purpose, except as provided in paragraph 14, 15, 16, and 17 of this Order, and to fund any Purchase Price adjustment in favor of the Purchaser, without first obtaining the consent of the DIP Agent, DIP Lender and the Prepetition Secured Creditors or obtaining an order of the Court pursuant to §§ 363 or 1129 after reasonable notice under the circumstances to the DIP Agent, the DIP Lender, the Prepetition Secured Creditors and the Committee and, if necessary, a hearing thereon; and

(e) for the avoidance of doubt, the rights of the Debtors, the Committee, and the Prepetition Secured Creditors as to the Sale Proceeds and any funds held in a Deposit Escrow shall be, except as set forth herein, as contemplated by Paragraph 4 of the Final DIP Order, and nothing in this Order shall be construed as altering, amending, waiving, or affecting in any way such rights. Concurrently with the Closing or as soon thereafter as is possible, and in accordance with the APA, SGM shall pay to the counter-parties to the Designated Contracts the cure amounts

set forth in the Cure Notice, or as otherwise agreed to by the Debtors, SGM and the applicable counter-parties thereto or ordered by this Court after a continued hearing on the Cure Objections (the "Designated Cure Amounts"). SGM has the right under the APA to remove any Contracts from the list of Designated Contracts up to seven (7) days prior to Closing, as also set forth in the *Order Approving Stipulation Regarding Designation Deadline Re Order (1) Approving Form Of Asset Purchase Agreement For Stalking Horse Bidder And For Prospective Overbidders, (2) Approving Auction Sale Format, Bidding Procedures And Stalking Horse Bid Protections* [Docket No. 1865].

14. To the extent that any of the contracts and/or leases, which give rise to the Designated Cure Amounts and are set forth in the Designation Notice and are not subsequently and timely removed by SGM under the APA and the *Order Approving Stipulation Regarding Designation Deadline Re Order (1) Approving Form Of Asset Purchase Agreement For Stalking Horse Bidder And For Prospective Overbidders, (2) Approving Auction Sale Format, Bidding Procedures And Stalking Horse Bid Protections* [Docket No. 1865] (the "Currently Identified Designated Contracts") are executory contracts or unexpired leases (over which the Court is not making any such determination at this time), then in connection with the Closing, the Debtors shall be deemed to have assumed all such Currently Identified Designated Contracts (so that they are deemed part of the Designated Contracts) and to have assigned them to SGM, and SGM shall have assumed all obligations owing under all such Currently Identified Designated Contracts arising after and following the Closing. The Court shall resolve any and all disputes which may arise between the Debtors, SGM and any of the Currently Identified Designated Contract Counter-Parties over whether the Currently Identified Designated Contracts are executory contracts or unexpired leases and whether any of the Currently Identified Designated Contract Counter-Parties are entitled to an allowed claim against the Debtors which exceeds the Designated Cure Amounts (the "Assumption Dispute").

15. In the event that the Court determines that any such counter-parties to the Currently Identified Designated Contracts (the "Currently Identified Designated Contract

Counter-Parties" and, individually, a "Currently Identified Designated Contract Counter-Party") have an allowed cure claim against the Debtors which exceeds the Designated Cure Amounts (the "Excess Cure Amount"), the difference will be paid by SGM and shall not be the responsibility of the Debtors as more specifically set forth below; provided, however, that unless the Court makes such a determination on or before fifteen (15) days prior to Closing, and unless the Debtor, SGM and the Currently Identified Designated Contract Counter-Party agree otherwise, the Currently Identified Designated Contract which is the subject of such Assumption Dispute, shall be deemed a rejected contract within the meaning of § 1.11(a) of the APA as of ten (10) days prior to Closing, and SGM, except as provided below, shall have no obligation to assume such Currently Identified Designated Contract or to pay any Cure Amount or Excess Cure Amount in connection with such Currently Identified Designated Contract. To the extent an Assumption Dispute relates solely to the Cure Amount, the Debtors may, with SGM's consent, assume and assign the applicable executory contract or unexpired lease at Closing and prior to the resolution of the Assumption Dispute by the Bankruptcy Court, provided, that either (a) the Bankruptcy Court has estimated the maximum cure payment, pursuant to 11 U.S.C. § 502(c), and SGM has remitted such amount to the Debtors to be held as sales proceeds in the Sale Proceeds Account for the relevant Debtor(s), or (b) SGM provides to the relevant Debtor(s) and non-Debtor counterparty a separate reasonably acceptable undertaking that SGM will promptly pay the maximum disputed cure amount in accordance with 11 U.S.C. § 365 (b)(1)(A) and (B) (or such smaller amount as may be fixed or estimated by the Bankruptcy Court or otherwise agreed to by such non-Debtor party and SGM). The Debtors shall pay and hereby are authorized to pay disputed cure amounts from the relevant Sales Proceeds Account(s) upon entry of a final order by this Court to the extent SGM remitted to Sellers the amount required by item (a) of this paragraph of the Order.

16. All of the Currently Identified Designated Contracts, to the extent they are executory contracts or unexpired leases and are not subsequently and timely removed by SGM under the APA and the *Order Approving Stipulation Regarding Designation Deadline Re Order (1) Approving Form Of Asset Purchase Agreement For Stalking Horse Bidder And For*

Prospective Overbidders, (2) Approving Auction Sale Format, Bidding Procedures And Stalking Horse Bid Protections [Docket No. 1865], or deemed a rejected contract within the meaning of § 1.11(a) of the APA pursuant to paragraph 15 above, shall be part of the Designated Contracts that will be assumed by the Debtors and assigned to SGM at the Closing. In the event that SGM elects to add any other of the Debtors' executory contracts or unexpired leases to the list of Designated Contracts (the "Subsequently Identified Designated Contracts" and, individually, a "Subsequently Identified Designated Contract") under the APA and the *Order Approving Stipulation Regarding Designation Deadline Re Order (1) Approving Form Of Asset Purchase Agreement For Stalking Horse Bidder And For Prospective Overbidders, (2) Approving Auction Sale Format, Bidding Procedures And Stalking Horse Bid Protections* [Docket No. 1865], SGM shall notify the Debtors of any such Subsequently Identified Designated Contracts on or before thirty days before Closing, and the Debtors shall (i) file a notice with the Court identifying all such Subsequently Identified Designated Contracts and their respective cure amounts as agreed upon between the Debtors and SGM, and (ii) serve such notice by over-night mail on all counter-parties to the Subsequently Identified Designated Contracts (the "Subsequently Identified Designated Contract Counter-Parties"). All Subsequently Identified Designated Contracts shall be assumed by the Debtors and assigned to SGM at the Closing, with SGM to be obligated to pay all cure amounts owing to such Subsequently Identified Designated Contract Counter-Parties concurrently with the Closing, as set forth in the Debtors' notice, or as otherwise agreed to by the Debtors, SGM and the applicable counter-parties thereto, or ordered by the Court in accordance with paragraphs 34 and 36 below (the "Additional Cure Amounts"), so long as such amount as ordered by the Court is no greater than the amount agreed upon by SGM; and in the event the Additional Cure Amount is greater than the amount agreed upon by SGM, and SGM is not willing to pay the Additional Cure Amount, the Debtors shall not be required to pay the Additional Cure Amount(s) and the Subsequently Identified Designated Contract(s) shall be deemed a rejected contract within the meaning of § 1.11(a) of the APA pursuant to paragraph 15 above; provided, and for the avoidance of doubt, no collective bargaining agreement, pension plan or health and welfare plan providing

collectively bargained benefits to which a Hospital is a party or sponsor constitutes a Currently Identified Designated Contract or a Subsequently Identified Designated Contract for which SGM or the Debtors may be obligated to pay any cure amount.

17. Upon the Closing, the Debtors are authorized and directed to assume, assign and/or transfer each of the Designated Contracts to SGM, including the Currently Identified Designated Contracts and any Subsequently Identified Designated Contracts (collectively, the "Contract Counter-Parties"). At the Closing, SGM shall pay the (i) Sale Proceeds, (ii) the Designated Cure Amounts identified in paragraph 13 above, (iii) the Excess Cure Amounts identified in paragraph 15 above, and (iv) the Additional Cure Amounts, subject to paragraph 15 above. Payment by SGM of such Designated Cure Amounts and Additional Cure Amounts are deemed the necessary and sufficient amounts to "cure" all "defaults" with respect to all such Currently Identified Designated Contracts and Subsequently Identified Designated Contracts under § 365(b). The foregoing payment shall (i) effect a cure of all defaults existing under all such Currently Identified Designated Contracts, and (ii) compensate all such Contract Counter-Parties for any actual pecuniary loss resulting from any such default. The Debtors shall then have assumed and assigned to SGM, effective as of the Closing, all of the Designated Contracts (comprised of both all Currently Identified Designated Contracts and all Subsequently Identified Designated Contracts, if any), and, pursuant to § 365(f), the assignment by the Debtors of all such Designated Contracts to SGM shall not be a default thereunder. After the payment of the Designated Cure Amounts and the Additional Cure Amounts, neither the Debtors nor SGM shall have any further liabilities to any Contract Counter-Parties, other than SGM's obligations under the Designated Contracts that accrue and become due and payable after the Closing Date. In addition, adequate assurance of future performance has been demonstrated by or on behalf of SGM with respect to all of the Designated Contracts within the meaning of §§ 365(b)(1)(c), 365(b)(3) (to the extent applicable) and 365(f)(2)(B). For the avoidance of doubt, SGM shall not be liable for the payment of any liabilities or obligations arising from or related to (a) any executory contracts that the Debtors intend to reject by appropriate motion and which are not being assumed and assigned to SGM, (b) any multiparty contract affecting more than one Debtor in addition to one of the hospitals subject to the

Transaction, or (c) any collective bargaining agreement ("CBA"), pension plan, or health and welfare plan providing for collectively bargained for benefits to which a Hospital is a party or a sponsor, unless expressly assumed and assigned with SGM's consent.

18. The Debtors intend, and are hereby authorized, to (A) reject, pursuant to § 365(a), all executory contracts to which one or more of the Hospitals are a party, excluding (i) Designated Contracts, and (ii) any prepetition multiparty contract affecting more than one Debtor in addition to one of the Hospitals, and, (B) reject and terminate, to the extent separately authorized by this Court, pursuant to §§ 1113, 1114, and any other applicable provision of the Bankruptcy Code, any collective bargaining agreement, pension plan or health and welfare plan providing collectively bargained benefits to which one of the Hospitals is a party or sponsor and that SGM does not assume.

19. All of the Contract Counter-Parties are forever barred, estopped, and permanently enjoined from (i) raising or asserting against the Debtors or SGM, or any of their property, any assignment fee, acceleration, default, breach, or claim of pecuniary loss, or condition to assignment, arising under or related to the Designated Contracts, existing as of the Closing, or arising by reason of the consummation of the Transaction contemplated by the APA, including, without limitation, the Transaction and the assumption and assignment of the Designated Contracts, including any asserted breach relating to or arising out of the change-in-control provisions in such Designated Contracts, or any purported written or oral modification to the Designated Contracts and (ii) asserting against SGM any claim, counterclaim, breach, or condition asserted or assertable against the Debtors existing as of the Closing or arising by reason of the transfer of the Purchased Assets, except for the Assumed Obligations.

20. Any provisions in any Designated Contracts that prohibit or condition the assignment of such Designated Contract or allow the counterparty to such Designated Contract to terminate, recapture, impose any penalty, condition on renewal or extension or modify any term or condition upon the assignment of such Designated Contract constitute unenforceable anti-assignment provisions

that are void and of no force and effect with respect to the Debtors' assumption and assignment of such Designated Contract to SGM in accordance with the APA, pursuant to § 363(f).

21. The terms and provisions of this Sale Order, as well as the rights granted under the Transaction Documents, shall continue in full force and effect and are binding upon any successor, reorganized Debtors, or chapter 7 or chapter 11 trustee applicable to the Debtors, notwithstanding entry of any order of conversion or dismissal ~~any such conversion, dismissal or order entry~~. Nothing contained in any chapter 11 plan confirmed in the Debtors' cases or in any order confirming such a plan, nor any order dismissing the cases or converting the cases to a case under chapter 7, shall conflict with or derogate from the provisions of the APA, any documents or instruments executed in connection therewith, or the terms of this Sale Order, provided however, that in the event of a conflict between this Sale Order and an express or implied provision of the APA, this Sale Order shall govern. The provisions of this Sale Order and any actions taken pursuant hereto shall survive any conversion or dismissal of the cases and the entry of any other order that may be entered in the cases, including any order (i) confirming any plan of reorganization; (ii) converting the cases from chapter 11 to chapter 7; (iii) appointing a trustee or examiner in the cases; or (iv) dismissing the cases.

22. The Transaction contemplated by the APA and other Transaction Documents are undertaken without collusion and in "good faith," as that term is defined in § 363(m) of the Bankruptcy Code. SGM is a good faith purchaser within the meaning of § 363(m) and, as such, is entitled to the full protections of § 363(m). Accordingly, the reversal or modification on appeal of the authorization provided herein by this Sale Order to consummate the Transaction shall not affect the validity of the sale of the Purchased Assets to SGM. The APA and the Transactions contemplated thereby cannot be avoided under § 363(n).

23. The failure to specifically include any particular provision of the APA or the other Transaction Documents in this Sale Order shall not diminish or impair the effectiveness of such provisions, it being the intent of the Bankruptcy Court that the Transaction, the APA and the other Transaction Documents be authorized and approved in their entirety. Likewise, all of the provisions of this Sale Order are non-severable and mutually dependent.

24. This Order constitutes a final and appealable order within the meaning of 28 U.S.C. § 158(a). Notwithstanding Rules 6004(h), 6006(d), 7062, or 9014, if applicable, or any other LBR or otherwise, this Sale Order shall not be stayed for 14-days after the entry hereof, but shall be effective and enforceable immediately upon entry pursuant to Rule 6004(h) and 6006(d). Time is of the essence in approving the Transaction (including the transfer and the sale of the Purchased Assets).

25. The automatic stay in effect pursuant to § 362 is hereby lifted with respect to the Debtors to the extent necessary, without further order of this Court, to (i) allow SGM to deliver any notice provided for in the APA and Transaction Documents and (ii) allow SGM to take any and all actions permitted under the APA and Transaction Documents in accordance with the terms and conditions thereof.

26. Unless otherwise provided in this Sale Order, to the extent any inconsistency exists between the provisions of the APA and this Sale Order, the provisions contained in this Sale Order shall govern.

27. This Court shall retain exclusive jurisdiction to interpret, construe, and enforce the provisions of the APA and this Sale Order in all respects, and further, including, without limitation, to (i) hear and determine all disputes between the Debtors and/or SGM, as the case may be, and any other non-Debtor party to, among other things, the Designated Contracts concerning, among other things, assignment thereof by the Debtors to SGM and any dispute between SGM and the Debtors as to their respective obligations with respect to any asset, liability, or claim arising hereunder; (ii) compel delivery of the Purchased Assets to SGM free and clear of Encumbrances, except with respect to the liens arising from the Special Assessments and the PACE Obligations; (iii) compel the delivery of the Purchase Price or performance of other obligations owed to the Debtors; (iv) interpret, implement, and enforce the provisions of this Sale Order; and (v) protect SGM against (A) claims made related to any of the Excluded Liabilities (as defined in the APA), (B) any claims of successor or vicarious liability (or similar claims or theories) related to the Purchased Assets or the Designated Contracts, or (C) any Encumbrances asserted on or against SGM or the Purchased Assets.

28. Following the date of entry of this Sale Order, the Debtors and SGM are authorized to make changes to the APA and/or execute supplemental agreements implementing the transactions contemplated by the APA without the need for any further order of the Court provided that all such changes have been approved in writing by the Debtors, SGM, the Committee, the DIP Agent, and Prepetition Secured Creditors. Any other proposed changes to the APA or this Sale Order shall require a further order of the Court, after reasonable notice under the circumstances and a hearing.

29. Notwithstanding any other provision of this Sale Order or any other Order of this Court, no sale, transfer or assignment of any rights and interests of a regulated entity in any federal license or authorization issued by the FCC shall take place prior to the issuance of FCC regulatory approval for such sale, transfer or assignment pursuant to the Communications Act of 1934, as amended, and the rules and regulations promulgated thereunder. The FCC's rights and powers to take any action pursuant to its regulatory authority, including, but not limited to, imposing any regulatory conditions on such sales, transfers and assignments and setting any regulatory fines or forfeitures, are fully preserved, and nothing herein shall proscribe or constrain the FCC's exercise of such power or authority to the extent not inconsistent with the applicable provisions of the Bankruptcy Code.

30. To the extent the Purchased Assets contain records of the Verity Health System Retirement Plan A and Verity Health System Retirement Plan B (collectively, the "Pension Plans") or employment records of participants of the Pension Plans, SGM shall store, and preserve any such records until the Pension Benefit Guaranty Corporation ("PBGC") has completed its investigation regarding the Pension Plans and shall make such documents available to PBGC for inspection and copying. Such records include, but are not limited to, any Pension Plan governing documents, actuarial documents, and employment records (collectively, the "Pension Plan Documents"). The Debtors shall retain and not abandon any Pension Plan Documents that are not Purchased Assets no earlier than February 28, 2020, and shall make such documents available to the PBGC for inspection and copying.

31. No later than May 13, 2019, either (i) the Debtors will file a notice of a resolution of the issues regarding the transfer and/or proposed assumption and assignment or rejection of the

Hospitals' Medi-Cal Provider Agreements or (ii) DHCS will file a supplemental objection to the proposed transfer of the Medi-Cal Provider Agreements. If necessary, the Debtors will file any reply to the supplemental objection no later than 4:00 p.m. (Pacific Time), on May 27, 2019, and a hearing will be held on the issues raised regarding the transfer and/or proposed assumption and assignment or rejection of the Medi-Cal Provider Agreements on June 5, 2019, at 10:00 a.m. (Pacific Time); and all parties' rights, claims, and defenses are preserved until that hearing. Nothing in this Sale Order shall apply to Medi-Cal Provider Agreements until and unless there is a Court order approving a settlement between the Debtors and the DHCS or a Court order resolving the DHCS's objections.

32. No later than May 13, 2019, either (i) the Debtors will file a notice of a resolution of the issues regarding the transfer and/or proposed assumption and assignment or rejection of the Hospitals' Medicare Provider Agreements or (b) HHS will file a supplemental objection to the proposed transfer of the Medicare Provider Agreements. If necessary, the Debtors will file any reply to the supplemental objection no later than 4:00 p.m. (Pacific Time), on May 27, 2019, and a hearing will be held on the issues raised regarding the transfer and/or proposed assumption and assignment or rejection of the Medicare Provider Agreements on June 5, 2019, at 10:00 a.m. (Pacific Time); and all parties' rights, claims, and defenses are preserved until that hearing. Nothing in this Sale Order shall apply to Medicare Provider Agreements until and unless there is a Court order approving a settlement between the Debtors and the HHS or a Court order resolving the HHS's objections.

33. In accordance with the terms of §§ 4.7 and 5.11 of the APA, the Debtors and SGM will negotiate regarding modification of applicable CBAs. To the extent the Debtors seek modification, rejection and/or termination of CBAs, they will comply with the requirements of § 1113, as applicable, and may do so before or after Closing under their discretion.

34. A continued hearing on the Cure Objections shall be held on June 5, 2019, at 10:00 a.m. (Pacific Time). As to the Currently Identified Designated Contracts, by no later than May 22, 2019, at 4:00 p.m. (Pacific Time), the Debtors shall file a notice containing a list of (a) the Cure Objections that have been resolved, and (b) the Cure Objections as to which Court intervention is required. As to any executory contracts or unexpired leases that were listed on the Initial Designated Contract List, but not listed on any prior Cure Notice, any counterparty thereto may file an objection to the cure amount or assumption thereof by May 22, 2019, and all other provisions in paragraph 34 shall apply to resolution thereof.

MEMORANDUM OF POINTS AND AUTHORITIES

I. INTRODUCTION

Verity Health System of California, Inc., a California nonprofit public benefit corporation and the Debtor herein ("Verity"), and the above-referenced affiliated debtors, the debtors and debtors in possession in the above-captioned chapter 11 bankruptcy cases (collectively, the "Debtors"), seek entry of an order: (a) designating Strategic Global Management, Inc. ("SGM" or the "Stalking Horse Purchaser") as the stalking-horse bidder for St. Francis Medical Center, St. Vincent Medical Center, St. Vincent Dialysis Center, Seton Medical Center (collectively, the "Hospitals"), and related assets (collectively, the "Purchased Assets"), at a price of approximately $610 million ($420 million allocated to St. Francis Medical Center, $120 million allocated to St. Vincent Medical Center and $70 million allocated to Seton Medical Center and Seton Coastside combined), plus payment of Cure Costs (defined below) associated with any Assumed Leases and/or Assumed Contracts (the "Cash Consideration," and collectively, the "Stalking Horse Bid"); (b) setting bid procedures to establish guidelines for parties interesting in making an overbid; (c) scheduling an auction to be held on April 8, 2019 and April 9, 2019; and (d) scheduling a sale hearing for the Court to approve the winning bidder.

The Debtors have vigorously marketed the Purchased Assets and believe that the Stalking Horse Bid represents a fair market value for the Purchased Assets. Moreover, SGM is a buyer who will maintain the healthcare characteristics of St. Francis Medical Center, St. Vincent Medical Center, St. Vincent Dialysis Center and Seton Medical Center, continuing patient care for the communities served by the Hospitals and healthcare providers. Nonetheless, the Debtors are hopeful that there will be an auction which may result in overbids. Based on the foregoing, and for the reasons set forth below in greater detail, the Debtors respectfully request that the Court grant the Motion.

II. JURISDICTION AND VENUE

The Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2). The venue of these Cases is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

III. STATEMENT OF FACTS

A. GENERAL BACKGROUND

1. On August 31, 2018 ("Petition Date"), the Debtors each filed a voluntary petition for relief under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code").[1] Since the commencement of their cases, the Debtors have been operating their businesses as debtors in possession pursuant to §§ 1107 and 1108.

2. Debtor VHS, a California nonprofit public benefit corporation, is the sole corporate member of five Debtor California nonprofit public benefit corporations that operate six acute care hospitals, including the Hospitals and other facilities in the state of California. *See Declaration of Richard G. Adcock In Support of Emergency First-Day Motions* [Docket No. 8] (the "Adcock First-Day Declaration").

Imperial Highway Lynwood, CA 90262, including the patient tower and all of the facilities thereon; (ii) 2700 E. Slauson Ave, Huntington Park, CA 90255, and the Huntington Park Medical Office Building thereon; and (iii) 5953 S. Atlantic Blvd. 5, Maywood, CA 90270, and Maywood Medical Office Building thereon. *See* Adcock First-Day Declaration.

Downey Clinic , and Huntington Park Clinic. St. Francis is accredited by The Joint Commission. *See* Adcock First-Day Declaration.

5. As of the Petition Date, St. Francis employed approximately 2,017 employees, of which 1,583 are full-time, 136 are part time, and 298 are per diem. St. Francis was incorporated in 1983 and is governed by a Board of Trustees. *See* Adcock First-Day Declaration.

6. St. Vincent Medical Center ("St. Vincent") owns real property commonly known as: (i) 2131 W 3rd Street, Los Angeles, CA 90057, including the hospital and all of the facilities located thereon; and (ii) vacant land in Salton Sea, California. St. Vincent was founded as the first hospital in Los Angeles in 1856. In 1971, a new facility was constructed at St. Vincent's current location at 2131 West Third Street, Los Angeles, CA 90057. It has expanded to a 366 licensed bed, regional acute care, tertiary referral facility, specializing in cardiac care, cancer care, total joint and spine care, and multi-organ transplant services. St. Vincent serves both local residents and residents from Los Angeles, San Bernardino, Riverside, and Orange Counties. As a provider of healthcare services for a high percentage of elderly patients, many of the St. Vincent Medical Center's services and programs are focused on the treatment of various chronic diseases. *See* Adcock First-Day Declaration.

7. As of the Petition Date, St. Vincent employed approximately 1,099 employees, of which 897 are full-time, 42 are part time and 160 are per diem. *See* Adcock First-Day Declaration.

8. St. Vincent is the sole corporate member of the St. Vincent Dialysis Center, located on the hospital's campus. The St. Vincent Dialysis Center provides dialysis services for kidney disease patients, including hemodialysis and isolated ultrafiltration treatments as part of St. Vincent's end-stage renal disease program. *See* Adcock First-Day Declaration.

9. Seton Medical Center ("Seton") owns (i) real property commonly known as 1900 Sullivan Avenue, Daly City, CA 94015, and the hospital and the facilities thereon (the "Daly Property"), and (ii) an employee parking lot on the Daly Property. Seton Medical Center was originally founded as Mary's Help Hospital by the Daughters of Charity of St. Vincent De Paul in 1893. The original facility was destroyed in the San Francisco Earthquake of 1906, and by 1912,

Mary's Help Hospital reopened a new facility in San Francisco. In 1965, the hospital was moved to its current location at 1900 Sullivan Avenue in Daly City. The hospital was renamed Seton Medical Center in 1983, is currently licensed for 357 beds and serves residents from San Francisco and San Mateo areas. Seton has an emergency department with 18 licensed treatment stations. It also has 13 surgical operating rooms and three cardiac catheterization labs. Of the hospital's 83 licensed skilled nursing beds, 39 are in suspense, and the remaining 44 beds are utilized as subacute care beds. Additionally, the hospital has 24 licensed acute psychiatric beds which have been placed in suspense. The hospital has a broad spectrum of medical services, including cancer, cardiac, emergency, surgical, rehabilitation, respiratory, orthopedic, and sub-acute care. The hospital is accredited by The Joint Commission. Seton Medical Center and Seton Coastside share a consolidated license. *See* Adcock First-Day Declaration.

10. Seton also operates Seton Medical Center Coastside ("Seton Coastside") located at 600 Marine Blvd, Moss Beach, CA 94038. Seton Coastside was founded as Moss Beach Rehabilitation Hospital in 1970. In 1980, the City of Half Moon Bay acquired ownership of the hospital and signed an agreement for Daughters of Charity to manage operations of the hospital and rename it St. Catherine's Hospital. In 1993, St. Catherine's Hospital became Seton Coastside when it became integrated with Seton Medical Center. Today, Seton Coastside is licensed for 116 skilled nursing beds and five general, acute-care beds. Seton Coastside also operates the only 24-hour "standby" Emergency Department along the 55-mile stretch between Santa Cruz and Daly City. Under a consolidated license, Seton Medical Center and Seton Coastside share the same Board of Directors, executive leadership team, charity care policies, and union collective bargaining agreements. *See* Adcock First-Day Declaration.

11. As of the Petition Date, Seton Medical Center and Seton Coastside employed approximately 1,340 employees, of which 516 are full-time, 551 are part time and 273 are per diem. *See* Adcock First-Day Declaration.

12. Verity Holdings, LLC ("Holdings") is a direct subsidiary of its sole member VHS and was created in 2016 to hold and finance VHS' interests in four medical office buildings whose tenants are primarily physicians, medical groups, healthcare providers, and certain of the

VHS Hospitals. Holdings' real estate portfolio includes more than 15 properties. Holdings is the borrower on approximately $66.2 Million of non-recourse financing secured by separate deeds of trust and revenue and accounts pledges, including the rents on each medical office building. *See* Adcock First-Day Declaration.

13. Previously, the Hospitals were owned by the Daughters of Charity Healthcare System ("DCHS"). Despite continuous efforts to improve operations, operating losses continued to plague the health system due to, among other things, mounting labor costs, low reimbursement rates and the ever-changing healthcare landscape. In 2013, DCHS actively solicited offers for its hospitals. *See* Adcock First-Day Declaration.

14. In early 2014, DCHS announced that they were beginning a process to evaluate strategic alternatives for the health system. Throughout 2014, DCHS explored offers to sell their hospital system, including the Hospitals, and, in October of 2014, they entered into an agreement with Prime Healthcare Services and Prime Healthcare Foundation (collectively, "Prime") to sell the health system. However, to keep the hospitals open, DCHS needed to borrow $125 Million to mitigate immediate cash needs during the sales process; in other words, to allow DCHS to continue to operate until the sale could be consummated. In early 2015, the California Attorney General consented to the sale to Prime, subject to conditions on that sale that were so onerous that Prime terminated the transaction. *See* Adcock First-Day Declaration.

15. In 2015, DCHS again marketed their health system for sale, and, again, focused on offers that maintained the health system as a whole, and assumed all the obligations. In July 2015, the DCHS Board of Directors selected BlueMountain Capital Management LLC ("BlueMountain"), a private investment firm, to recapitalize its operations and transition leadership of the health system in the restructured Verity Health System (the "BlueMountain Transaction").

16. In connection with the BlueMountain Transaction, BlueMountain agreed to make a capital infusion of $100 Million to the health system, arrange loans for another $160 Million to the health system, and manage operations of the health system, with an option to buy the health system at a future time. In addition, the parties entered into a System Restructuring and Support

Los Angeles, California 90017-5704
(213) 623-9300

Agreement (the "Restructuring Agreement"), DCHS's name was changed to Verity Health System.

17. On December 3, 2015, the California Attorney General approved the BlueMountain Transaction, subject to conditions. Despite BlueMountain's infusion of cash and retention of various consultants and experts to assist in improving cash flow and operations, the health system did not prosper.

18. In July 2017, NantWorks, LLC ("NantWorks") acquired a controlling stake in Integrity Healthcare, LLC. NantWorks brought in a new CEO, CFO, and COO. NantWorks loaned another $148 Million to the Debtors.

19. Despite the infusion of capital and new management, it became apparent that the problems facing the Verity Health System were too large to solve without a formal court supervised restructuring. Thus, despite VHS' great efforts to revitalize its Hospitals and improvements in performance and cash flow, the legacy burden of more than a billion dollars of bond debt and unfunded pension liabilities, an inability to renegotiate collective bargaining agreements or payor contracts, the continuing need for significant capital expenditures for seismic obligations and aging infrastructure, and the general headwinds facing the hospital industry, made success impossible. Losses continue to amount to approximately $175 Million annually on a cash flow basis.

20. Prior to the Petition Date, the Debtors engaged in substantial efforts to market and sell their assets. In June 2018, the Debtor engaged Cain Brothers, a division of KeyBanc Capital Markets ("Cain"), to identify potential buyers of some or all of the Verity hospitals and related assets and commenced discussions with those potential buyer.

B. FACTS RELEVANT TO MOTION

21. Cain prepared a Confidential Investment Memorandum (the "CIM") and organized an online data site to share information with potentially buyers and contacted over 110 strategic and financial buyers beginning in July 2018 to solicit their interest in exploring a transaction regarding the Debtors.

22. By August 2018, as a result of its ongoing and broad marketing process, Cain had

received 11 Indications of Interest ("IOI"), and postpetition Cain continued to develop potential sales. The Debtors, in consultation with Cain and its other advisors, selected SGM's offer from one or more stalking horse bidder(s) to acquire the Purchased Assets through a sale under § 363.

23. Additional background facts on the Debtors, including an overview of the Debtors' business, information on the Debtors' capital structure and additional events leading up to these chapter 11 cases, are contained in the First-Day Declaration.

24. On September 14, 2018, the Office of the United States Trustee appointed an Official Committee of Unsecured Creditors (the "Official Committee") in these chapter 11 Cases. [Docket No. 197].

C. BIDDING PROCEDURES

25. As indicated above, a true and correct copy of the Stalking Horse APA, entered into between certain Debtors (Verity, Verity Holdings, St. Francis Medical Center, St. Vincent Medical Center, St. Vincent Dialysis Center and Seton Medical Center) and the Stalking Horse Purchaser, is attached hereto as **Exhibit A**. The bidding procedures (the "Bidding Procedures") are referenced, in part, in Article 6 of the Stalking Horse APA and set forth in a separate scheduled attached thereto.

26. Set forth below are the Bidding Procedures to be employed in connection with the sale of (i) the Purchased Assets, and (ii) the assets not otherwise enumerated in the Stalking Horse APA but associated with the ownership or operation of the Hospitals (the "Other Assets").

a. Provisions Governing Qualifications of Bidders

27. Unless otherwise ordered by the Court or as set forth in these procedures, in order to participate in the bidding process, each person, other than the Stalking Horse Purchaser, who wishes to participate in the bidding process must deliver, prior to the Bid Deadline (defined herein), the following to the Debtors:

a) a written disclosure of the identity of each entity that will be bidding for the Purchased Assets or and/or the Other Assets or otherwise participating in connection with such bid; and

b) an executed confidentiality agreement (to be delivered prior to the distribution of any confidential information by the Debtors) in form and substance satisfactory to the Debtors and which shall inure to the benefit

of any purchaser of the Purchased Assets and/or the Other Assets; without limiting the foregoing, each such confidentiality agreement shall contain standard non-solicitation provisions.

28. A bidder that delivers the documents and information described above and that the Debtors determine, after consultation with the Official Committee of Unsecured Creditors, the Prepetition Secured Creditors,[2] and any other party deemed appropriate within the business judgment of the Debtors (collectively, the "Consultation Parties") in their reasonable business judgment, is likely (based on availability of financing, experience, and other considerations) to be able to consummate the sale, will be deemed a potential bidder ("Potential Bidder").

b. Due Diligence

29. The Debtors will afford any Potential Bidder such due diligence access or additional information as the Debtors, in consultation with their advisors, deem appropriate, in their reasonable discretion. The due diligence period shall extend through and including the relevant Bid Deadline; provided, however, that any bid submitted under these procedures shall be irrevocable until at least the selection of the Successful Bidder(s) (defined herein) and any Back-Up Bidder(s) (defined herein).

c. Provisions Governing Qualified Bids

30. A bid submitted by a Potential Bidder will be considered a Qualified Bid (each, a "Qualified Bid," and each such Potential Bidder thereafter a "Qualified Bidder") only if the bid complies with the following requirements:

a) it states that the applicable Qualified Bidder offers to purchase, in cash, some or all of the Purchased Assets and/or the Other Assets;

b) it identifies with particularity the portion of the Purchased Assets and/or the Other Assets the Qualified Bidder is offering to purchase;

c) it allocates with specificity the portion of the purchase price offered that the Qualified Bidder attributes to St. Francis Medical Center, St. Vincent Medical

[2] As such term is defined in the *Final Order (I) Authorizing Postpetition Financing, (II) Authorizing Use of Cash Collateral, (III) Granting Liens and Providing Superpriority Administrative Expense Status, (IV) Granting Adequate Protection, (V) Modifying Automatic Stay, and (VI) Granting Related Relief* (the "Final DIP Order") [Docket No. 409].

Center, and Seton Medical Center, and Seton Coastside, and each of the Other Assets, respectively;[3]

d) it includes a signed writing that the Qualified Bidder's offer is irrevocable until the selection of the Successful Bidder and the Back-Up Bidder, provided that if such bidder is selected as the Successful Bidder or the Back-Up Bidder then the offer shall remain irrevocable until the earliest of (i) the closing of the transaction with the Successful Bidder, (ii) in the case of the Successful Bidder, a termination of the Qualified Bid pursuant to the terms of the Successful Bidder Purchase Agreement and (iii) with respect to the Back-up Bidder, the time specified in paragraph 44 below;

e) it includes confirmation that there are no conditions precedent to the Qualified Bidder's ability to enter into a definitive agreement and that all necessary internal governance and shareholder approvals have been obtained prior to the bid;

f) it sets forth each third-party, regulatory and governmental approval required for the Qualified Bidder to consummate the transaction and the time period within which the Qualified Bidder expects to receive such approvals and establishes a substantial likelihood that the Qualified Bidder will obtain such approvals by the stated time period;

g) it includes a duly authorized and executed copy of a purchase or acquisition agreement in the form of the Stalking Horse APA (a "Purchase Agreement"), including the purchase price for some or all of the Purchased Assets and/or the Other Assets, or both, expressed in U.S. Dollars, together with all exhibits and schedules thereto, together with copies marked to show any amendments and modifications to the Stalking Horse APA ("Marked Agreement");

h) it is not subject to any financing contingency and includes written evidence of a firm ability to have the funding necessary to consummate the proposed transaction, that will allow the Debtors to make a reasonable determination, in consultation with the Consultation Parties, as to the Qualified Bidder's financial and other capabilities to consummate the transaction contemplated by the Purchase Agreement;

i) if the bid is for all of the Purchased Assets, it must have a value to the Debtors, in the Debtors' exercise of its reasonable business judgment, after consultation with its advisors and the Consultation Parties, that is greater than or equal to the sum of the value offered under the Stalking Horse APA, plus (i) the amount of the Break-Up Fee ($21,350,000.00); (ii) the amount of the expense reimbursement ($2,000,000.00); and (iii) $7,000,000.00 (the "Initial Bidding Increment," and, together with the Break-Up Fee and the Expense Reimbursement, the "Minimum Qualified Bid");

[3] For the avoidance of doubt, such allocation shall not be binding on the Debtors, their estates or any Consultation Party.

In the event that the Debtors aggregate Partial Bids, the Partial Bid purchasers' responsibility for the Break-Up Fee, the Expense Reimbursement, and the Initial Bidding Increment shall be reasonably allocated to each Partial Bid purchaser, and in no event shall the Stalking Horse Purchaser be entitled to more than one Break-Up Fee and/or Expense Reimbursement;

k) it identifies with particularity which (i) executory contracts and unexpired leases the Qualified Bidder wishes the Debtors to assume and assign to it, and (ii) Purchased Assets and/or Other Assets, subject to purchase money liens or the like, the Qualified Bidder wishes to acquire and therefore pay the associated purchase money financing;

o) unless it is a Credit Bid (as defined below), it is accompanied by a (i) good faith deposit in the form of a wire transfer (to a bank account specified by the Debtors), certified check or such other form of cash or cash equivalent acceptable to the Debtors, payable to the order of the Debtors (or such other party as the Debtors may determine) in an amount equal to (a) 20% of purchase price for bids under $5 million; (b) for bids greater than $5 million and less than $100 million, the greater of: (i) $1 million or (ii) 10% of purchase price; (c) for bids greater than $100 million, the greater of (i) $10 million or (ii) 5% of purchase price (collectively, the "Good Faith Deposit"), which Good Faith Deposit shall, be forfeited if such bidder is the Successful Bidder and breaches its obligation to close; and (ii) if the

Qualified Bid is a bid made by a secured creditor of the Debtors (a "Credit Bid Bidder") who intends to make a credit bid (each, a "Credit Bid Bid"), evidence of (a) the basis for and property covered by such Credit Bid Bidder's secured claim, (b) the amount of such Credit Bid Bidder's claim that is secured by the property in question, (c) whether it is the senior secured claim on the property (x) prepetition and (y) as of the date of the request to be a Qualified Bidder, as well as (d) evidence of the resolution of any Challenge to such Credit Bid Bidder's secured claim within the meaning of the Final DIP Order.

p) it contains a detailed description of how the Qualified Bidder intends to treat current employees of the Debtors;

r) it identifies the person(s) and their title(s) who will attend the relevant Auction, and confirms that such person(s) have authority to make binding Overbids (defined below) at such Auction

s) it contains such other information reasonably requested by the Debtors; and

t) it is received prior to the Bid Deadline.

31. The Debtors, in consultation with the Consultation Parties (who shall receive copies of the Purchase Agreements relating to any bids cast pursuant to these Bidding Procedures as soon as reasonably practicable), may qualify any bid that meets the foregoing requirements as a Qualified Bid. Notwithstanding the foregoing, the Stalking Horse Purchaser is deemed a Qualified Bidder and the Stalking Horse APA is deemed a Qualified Bid, for all purposes in connection with the Bidding Process, the Auctions, and the Sale.

32. The Debtors shall notify the Consultation Parties, the Stalking Horse Purchaser, all Qualified Bidders and the Notice Parties in writing as to whether or not any bids constitute Qualified Bids (and with respect to each Qualified Bidder that submitted a bid as to whether such Qualified Bidder's bid constitutes a Qualified Bid) and provide copies of the Purchase Agreements relating any such Qualified Bid to the Consultation Parties, the Stalking Horse Purchaser and such Qualified Bidders, and the Notice Parties on the earlier of (1) the date that any bid other than the Stalking Horse Bid has been deemed a Qualified Bid, or (2) two business days prior to the Partial Bid Auction.

d. Bid Deadline

33. In order to be eligible to participate in the Auction, a Qualified Bidder that desires

e. Credit Bidding

34. Any party with a valid, properly perfected security interest in any of the Purchased Assets and/or Other Assets (which is not subject to a pending Challenge within the meaning of the Final DIP Order) may credit bid for such Purchased Assets and/or Other Assets in connection with the Sale in accordance with and pursuant to § 363(k), except as otherwise limited by the Debtors for cause; provided, however, that any party seeking to credit bid may not credit bid unless such bid provides that all secured creditors with security interests on such Purchased Assets and/or Other Assets that are senior to such junior security interest are to be paid in cash in connection with such junior creditor's bid. Any credit bids made by secured creditors shall not impair or otherwise affect the Stalking Horse Purchaser's entitlement to the benefits of the Bidding Procedures and related protections granted under the Bidding Procedures Order.

f. Evaluation of Competing Bids

35. A Qualified Bid will be valued based upon several factors including, without

limitation: (i) the amount of such bid; (ii) the risks and timing associated with consummating such bid; (iii) any proposed revisions to the form of Stalking Horse APA; and (iv) any other factors deemed relevant by the Debtors in their reasonable discretion, in consultation with the Consultation Parties, including the amount of cash included in the bid.

g. No Qualified Bids

36. If the Debtors do not receive any Qualified Bids other than the Stalking Horse APA, the Debtors will not hold an auction and the Stalking Horse Purchaser will be named the Successful Bidder for the Purchased Assets. If the Debtors receive one or more qualified Partial Bid Auction Qualified Bids and, after the Partial Bid Auction contemplated by paragraphs 37 and 38 below (and Section H in the Bidding Procedures Schedule 6.1(b)(3) annexed to the Stalking Horse APA), the Debtors will determine, in consultation with the Consultation Parties, if there are any Partial Bidders that will not be qualified to participate at the Full Bid Auction

h. Auction Process

37. If the Debtors receive one or more Partial Bid Auction Qualified Bids as set forth above, the Debtors will conduct separate auctions of each asset or combinations thereof (each, a "Partial Bid Auction"). Any Partial Bidder holding a Partial Bid Auction Qualified Bid shall be entitled to bid on any assets in any Partial Bid Auction(s). The procedures below for the Full Bid Auction shall apply to the Partial Bid Auction, except as where otherwise indicated. The Debtors will conduct the Partial Bid Auction(s), which shall be transcribed, on April 8, 2019 at 10:00 a.m. (prevailing Pacific Time) at the offices of Dentons US LLP, 601 South Figueroa Street, Suite 2500, Los Angeles, CA 90017, or such other location as shall be timely communicated to all entities entitled to attend the Auction.

38. The Partial Bid Auction Qualified Bids determined by the Debtors, in consultation with the Consultation Parties, at the Partial Bid Auction(s) (as set forth above) to be eligible to participate at the Full Bid Auction, including (without limitation) the highest and best bids for each asset (the "Winning Partial Bids") shall be permitted to participate in the Full Bid Auction (as defined below) of the Purchased Assets and/or the Other Assets, except that:

(a) If the Partial Bids, at the conclusion of the Partial Bid Auction, include all four APA Facilities and exceed, in the aggregate, the Purchase Price in the Stalking Horse APA, there will be a Full Bid Auction (as defined below) and (1) the Stalking Horse Purchaser may overbid in the aggregate for all four APA Facilities, or (2) the Stalking Horse Purchaser may bid for less than the four APA Facilities and be entitled to a pro-rata Break-Up Fee for the APA Facilities which the Stalking Horse Purchaser does not acquire, as specified in the Stalking Horse APA at Section 6.26 (b)(2);

(b) If the Partial Bids do not include all four APA Facilities, and if there are no other Qualified Full Bids, then Seller, in its discretion, after consultation with the Consultation Parties, may choose, at the conclusion of the Partial Bid Auction, (1) to have no Full Bid Auction and the Stalking Horse Purchaser will purchase the four APA Facilities pursuant to the Stalking Horse APA, or (2) if the Debtor and Consultation Parties deem the aggregate designated Winning Partial Bid(s) to be sufficient to warrant leaving one or more APA Facilities behind (the "Remaining Facility"), the Stalking Horse Purchaser shall have the option of (i) acquiring the Remaining Facility at the allocated price in the Stalking Horse APA, (ii) overbidding one or more of the Partial Bids, or (iii) terminating the Stalking Horse APA. In either event, the Stalking Horse Purchaser shall be entitled to the Break-Up Fee for all of the APA Facilities not acquired by the Stalking Horse Purchaser.

39. If the Debtors receive, in addition to the Stalking Horse APA, one or more Qualified Full Bids (and/or a combination of Winning Partial Bids from the Partial Bid Auction(s) seeking, on aggregate basis, to purchase all or substantially all of the Purchased Assets and/or the Other Assets), the Debtors will conduct a full bid auction of the Purchased Assets and/or the Other Assets (the "Full Bid Auction"), which shall be transcribed, on April 9, 2019 (the "Full Bid Auction Date"), at 10:00 a.m. (prevailing Pacific Time), at the offices of Dentons US LLP, 601 South Figueroa Street, Suite 2500, Los Angeles, CA 90017, or such other location as shall be timely communicated to all entities entitled to attend the Auction.

The Full Bid Auction shall be conducted in accordance with the following procedures:

a) only the Debtors, the Stalking Horse Purchaser, Qualified Bidders who have timely submitted a Qualified Bid, the U.S. Trustee, and the Consultation Parties, and their respective advisors, and other parties who request and receive authority to attend the auction in advance from the Debtors may attend the Auction;

b) only the Stalking Horse Purchaser and the Qualified Bidders who have timely submitted Qualified Bids will be entitled to make any subsequent bids at the Auction;

Los Angeles, California 90017-5704
(213) 623-9300

c) each Qualified Bidder shall be required to confirm that it has not engaged in any collusion with respect to the bidding or the sale;

d) all Qualified Bidders who have timely submitted Qualified Bids will be entitled to be present for all Subsequent Bids (defined herein) at the relevant Auction and the actual identity of each Qualified Bidder will be disclosed on the record at the relevant Auction; provided that all Qualified Bidders wishing to attend the relevant Auction must have at least one individual representative with authority to bind such Qualified Bidder attending the relevant Auction in person;

e) the Debtors, after consultation with the Consultation Parties, and the Stalking Horse Purchaser, may employ and announce at the relevant Auction additional procedural rules that are (i) reasonable under the circumstances for conducting the relevant Auction, (ii) in the best interest of the Debtors' estates; provided, however, that rules (i) are disclosed to the Stalking Horse Purchaser and each Qualified Bidder participating in the Auction, and (ii) are not inconsistent with the Bid Protections, the Stalking Horse APA, the Bankruptcy Code, or any order of the Court entered in connection herewith;

f) bidding at the relevant Auction will begin with a bid determined by the Debtors after consulting with the Consultation Parties as being the then highest and best bid which will be announced by the Debtors prior to the commencement of the Auction (the "Baseline Bid"). The Auction will continue in bidding increments to be determined in the discretion of the Debtors, in consultation with the Consultation Parties (each a "Overbid"), and all material terms of each Overbid shall be fully disclosed to all other Qualified Bidders who submitted Qualified Bids and are in attendance at the Auction (including, without limitation, Winning Partial Bids), as well as to the Notice Parties;

g) the initial Overbid, if any, shall provide for total consideration to Debtors with a value that exceeds the value of the consideration under the Baseline Bid by an incremental amount. Additional consideration in excess of the amount set forth in the respective Baseline Bid must include: (i) cash and/or (ii) in the case of a Qualified Bidder (including, without limitation, with respect to any Winning Partial Bids) that is a Credit Bid Bidder that has a valid and perfected lien (not subject to a Challenge within the meaning the Final DIP Order) on any of the Purchased Assets and/or the Other Assets, a Credit Bid of up to the full amount of such Credit Bidder's allowed perfected lien, subject to § 363(k) and any other restrictions set forth herein; and

h) at the Full Bid Auction, the Stalking Horse Purchaser may, subject to the terms and conditions set forth herein, elect to bid for the Purchased Assets as described in the Bid Procedures Order. In the alternative, the Stalking Horse Purchaser, and any bidder with a Qualified Full Bid, (a) may elect to bid against any one or more of the Winning Partial Bidders for the assets subject to the relevant Partial Bid(s), in lieu of seeking to acquire such Purchased Assets and/or Other Assets by means of the Stalking Horse Bid or another Qualified Full Bid; and (b) if successful with its Overbids for such assets, replace the Winning Partial Bidder(s) as the proponent of the relevant Winning Partial Bids or Aggregate Winning Partial Bid as to such

assets. In the event that the Stalking Horse Purchaser or another bidder so elects, and as long as the Stalking Horse Purchaser or another bidder so bids, the Winning Partial Bidders must continue to present qualified Winning Partial Bids (i.e., bids as to which the aggregate of all still pending Winning Partial Bids is greater than or equal to the then Prevailing Highest Bid) for the Purchased Assets and/or the Other Assets in each round to continue to bid as Winning Partial Bidders in the Full Bid Auction. In addition, the Debtors may elect, in their discretion, after consultation with the Consultation Parties, to allow Partial Bidders to bid for all or substantially all the Purchased Assets and/or the Other Assets subject to augmenting its Good Faith Deposit, as necessary, or to allow proponents of Full Bids to bid for less than all or substantially all of the Purchased Assets and/or the Other Assets in any given round of the Auction, provided that in any given round there is a Full Bid or an Aggregate Partial Bid that is superior to Prevailing Highest Bid that is then subject to acceptance by the Debtors and binding on the Stalking Horse Purchaser or another Qualified Bidder. In all events, (i) any such Overbid shall continue to comply with all of the requirements for Qualified Bids set forth in Section C of these Bidding Procedures; and (ii) the bidder submitting such a modified Qualified Bid or Qualified Partial Bid shall furnish to the Debtors and the Consultation Parties, within twenty-four (24) hours of the conclusion of the Auction, a revised Purchase Agreement and Marked Agreement showing all amendments and modifications to the Stalking Horse APA and the Sale Order.

i. Selection of Successful Bid

40. Prior to the conclusion of the relevant Auction, the Debtors, in consultation with the Consultation Parties, will review and evaluate each Qualified Bid in accordance with the procedures set forth herein and determine which offer or offers are the highest or otherwise best from among the Qualified Bids submitted at the relevant Auction (one or more such bids, collectively the "Successful Bid" and the bidder(s) making such bid, collectively, the "Successful Bidder"), and communicate to the Qualified Bidders the identity of the Successful Bidder and the details of the Successful Bid. The determination of the Successful Bid by the Debtors at the conclusion of the relevant Auction shall be subject to approval by the Court. If selected, at the conclusion of the Partial Bid Auction, as the Winning Partial Bidder or the Back-Up Bidder in accordance with by paragraphs 37 and 38 above (and Section H in the Bidding Procedures Schedule 6.1(b)(3) annexed to the Stalking Horse APA), then such party or parties, prior to the Full Bid Auction, shall increase its Good Faith Deposit in the amount set forth in above in paragraph 30, subsection (o), or as determined by the Seller in consultation with the Consultation Parties; provided, however, if a party or parties are bidding on all four APA Facilities, the deposit

will be no less than $30,000,000. If selected as the Successful Bidder or the Back-Up Bidder at the conclusion of the Full Bid Auction, each of the Successful Bidder and the Back-Up Bidder shall, within forty-eight (48) hours, increase its Good Faith Deposit to the sum of five percent (5%) of the Successful Bid or Back-Up Bid, as applicable. If the Successful Bidder fails to increase the Good Faith Deposit within forty-eight (48) hours of the Auction conclusion date (the "Final Deposit"), then (1) the Successful Bidder forfeits its Good Faith Deposit, and (2) the Successful Bid is nullified (i.e., the Back-Up Bidder becomes the Successful Bidder in the amount of its last bid).

41. Unless otherwise agreed to by the Debtors and the Successful Bidder, within two (2) business days after the conclusion of the relevant Auction, the Successful Bidder shall complete and execute all agreements, contracts, instruments, and other documents evidencing and containing the terms and conditions upon which the Successful Bid was made. Within forty-eight (48) hours following the conclusion of the relevant Auction, the Debtors shall file a notice identifying the Successful Bidder(s) and Back-Up Bidders with the Court and shall serve such notice by fax, email, or if neither is available, by overnight mail to all counterparties whose contracts are to be assumed and assigned.

42. The Debtors will sell the Purchased Assets and (to extent included in an Overbid) the Other Assets to the Successful Bidder pursuant to the terms of the Successful Bid upon the approval of such Successful Bid by the Court at the Sale Hearing and satisfaction of any other closing conditions set forth in the Successful Bidder's Purchase Agreement.

j. Return of Deposits

43. All deposits shall be returned to each bidder not selected by the Debtors as the Successful Bidder or the Back-Up Bidder (defined herein) no later than five (5) business days following the conclusion of the Auction.

k. Back-Up Bidder

44. If an Auction is conducted, the Qualified Bidder or Qualified Bidders with the next highest or otherwise best Qualified Bid, as determined by the Debtors in the exercise of their business judgment, in consultation with the Consultation Parties, at the relevant Auction shall be

TONS US LLP

Los Angeles, California 90017-5704
(213) 623-9300

required to serve as a back-up bidder (the "Back-Up Bidder") and keep such bid open and irrevocable for thirty (30) business days after the entry of the Sale Order (the "Thirty-Day Period"). If during the Thirty-Day Period, the Successful Bidder fails to consummate the approved sale because of a breach or failure to perform on the part of such Successful Bidder, the Back-Up Bidder will be deemed to be the new Successful Bidder, and the Debtors will be authorized, but not required, to consummate the sale with the Back-Up Bidder without further order of the Court provided that the Back-Up Bidder shall thereafter keep such bid open and irrevocable in accordance with the terms of the Back-Up Bidder APA; provided further, however, that if the Back-Up Bidder is the Stalking Horse Purchaser, the Debtors will be authorized and required to consummate the sale to the Stalking Horse Purchaser. If, after the Thirty-Day Period, the Successful Bidder has failed to consummate the approved sale, the Back-Up Bidder may elect, at its discretion, to remain as the Back-Up Bidder until (a) the sale closes, (b) the Successful Bidder defaults, or (c) the Back-Up Bidder elects to terminate its participation as Back-Up Bidder. For the avoidance of doubt, after the Thirty-Day Period, if the Successful Bidder fails to consummate the approved sale because of a breach or failure to perform on the part of such Successful Bidder, the Back-Up Bidder will not be contractually obligated to be the Back-Up Bidder, and will have the option to either (i) be entitled to terminate its Back-Up Bidder APA and the return of its deposit, or (ii) remain as the Back-up Bidder, in which event, there will be no re-opening of the auction.

l. Break-Up Fee

45. In recognition of this expenditure of time, energy, and resources, the Debtors have agreed that if the Stalking Horse Purchaser is not the Successful Bidder as to the Purchased Assets, the Debtors will pay the Stalking Horse Purchaser at closing of the sale of the Purchased Assets an amount in cash equal to three and a half percent (3.5%) of the Cash Consideration ($21,350,000.00), plus reimbursement of reasonably documented reasonable costs and expenses in an amount not to exceed $2,000,000.00. The Break-Up Fee shall be payable at closing of the sale from the sale proceeds.

46. If the Stalking Horse APA is terminated because the Stalking Horse Purchaser is

not selected as the Successful Bidder or the Back-Up Bidder at Auction (or the Stalking Horse Purchaser is selected as the Back-Up Bidder but the sale of the Purchased Assets is consummated and closed with another entity), the Debtors shall pay to the Stalking Horse Purchaser the Break-Up Fee by wire transfer of immediately available funds immediately upon, and contemporaneous with, the closing of the sale of the Purchased Assets from the first cash proceeds thereof. The Break-Up Fee shall constitute an administrative expense claim with priority under § 507(a) in favor of the Stalking Horse Purchaser.

47. The Debtors acknowledge that the provision of the Break-Up Fee is an integral part of the Stalking Horse APA and are a material and necessary inducement for the Stalking Horse Purchaser to enter into the Stalking Horse APA and to consummate the transactions contemplated therein. In the event that the payment of the Breakup Fee (including any costs of collection) becomes due and payable to the Stalking Horse Purchaser, and such amounts are actually paid to the Stalking Horse Purchaser, such amounts will constitute liquidated damages (and not a penalty). In light of the difficulty of accurately determining actual damages with respect to the foregoing, the right to any such payment of the Breakup Fee (and any related collection costs) and the return of the Deposit to the Stalking Horse Purchaser constitute a reasonable estimate of the damages that will compensate the Stalking Horse Purchaser in the circumstances in which such fees and reimbursements are payable for the efforts and resources expended and the opportunities foregone while negotiating the Stalking Horse APA and in reliance on the Stalking Horse APA and on the expectation of the consummation of the transactions contemplated therein. The Debtors believe that the entry into this Stalking Horse APA provides value to the Debtors' estates and bankruptcy cases by, among other things, inducing other Qualified Bidders to submit higher or better offers for the Purchased Assets.

m. Sale Hearing

48. The Debtors will seek entry of the Sale Order, at the Sale Hearing on April 17, 2019, at 10:00 a.m. (or at another date and time convenient to the Court), to approve and authorize the sale transaction to the Successful Bidder(s) on terms and conditions determined in accordance with the Bidding Procedures.

TONS US LLP
601 South Figueroa Street, Suite 2500
Los Angeles, California 90017-5704
(213) 623-9300

49. At the Sale Hearing, the Debtors will seek Court approval of the Sale to the Successful Bidder (or, in the event the Successful Bidder fails to close, the Back-Up Bidder), free and clear of all liens, claims, interests, and encumbrances pursuant to § 363, with all liens, claims, interests, and encumbrances to attach to the sale proceeds with the same validity and in the same order of priority as they attached to the Purchased Assets (and to the extent included in the Successful Bid, the Other Assets prior to the Sale), including the assumption by the Debtors and assignment to the Successful Bidder of the Assumed Executory Contracts and Leases pursuant to § 365. The Debtors will submit and present additional evidence, as necessary, at the Sale Hearing demonstrating that the Sale is fair, reasonable, and in the best interest of the Debtors' estates and all interested parties, and satisfies the standards necessary to approve a sale of the Purchased Assets and/or the Other Assets.

n. Reservation.

50. The Debtors reserve the right, as they may determine in their discretion and in accordance with their business judgment to be in the best interest of their estates, in consultation with their professionals and the Consultation Parties to: (i) modify the Bidding Procedures to discontinue incremental bidding and then require that any and all bidders or potential purchasers submit their sealed, highest and best offer for the Purchased Assets and/or the Other Assets; (ii) determine which Qualified Bid is the highest or otherwise best bid and which is the next highest or otherwise best bid; (iii) waive terms and conditions set forth herein with respect to all Potential Bidders; (iv) impose additional terms and conditions with respect to all Potential Bidders; (v) extend the deadlines set forth herein; (vi) continue or cancel an Auction and/or Sale Hearing in open court without further notice; and (vii) implement additional procedural rules that the Debtors determine, in their reasonable business judgment and in consultation with the Consultation Parties will better promote the goals of the bidding process; provided that such modifications are disclosed to each Qualified Bidder participating in the Auction; provided, however, and notwithstanding the foregoing, these Bid Procedures shall not be modified so as to alter, extinguish or modify any rights or interests of the Stalking Horse Purchaser expressly set forth herein or in the Stalking Horse APA.

D. NOTICE PROCEDURES

51. The Debtors propose that any objections to the Sale (other than an Assumption Objection (defined herein) which shall be governed by the procedures set forth below) (a "Sale Objection"), must: (i) be in writing; (ii) comply with the Rules and the LBR; (iii) set forth the specific basis for the Sale Objection; (iv) be filed with the Court at 255 East Temple St. (Attn: Judge E. Robles), Los Angeles, CA 90012, together with proof of service, on or before the Sale Objection Deadline set forth in the Bidding Procedures Order; and (v) be served, so as to be actually received on or before the Sale Objection Deadline, upon the Notice Parties. If a Sale Objection is not filed and served on or before the Sale Objection Deadline, the Debtors request that the objecting party be barred from objecting to the Sale and not be heard at the Sale Hearing, and this Court may enter the Sale Order without further notice to such party. The Debtors also request that the Court approve the form of the Procedures Notice, substantially in the form of Exhibit 3 to the Bidding Procedures Order. The Debtors will serve a copy of the Procedures Notice on the Notice Parties and all parties which the Debtors are require to serve pursuant to LBR 6004-1(b)(3) and the *Order Granting Emergency Motion of Debtors for Order Limiting Scope of Notice* [Docket No. 132] (the "Procedures Notice Parties").

52. The Debtors propose to file with the Court and serve the Procedures Notice within one (1) business day following entry of the Bidding Procedures Order, by first-class mail, postage prepaid on the Procedures Notice Parties. The Procedures Notice provides that any party that has not received a copy of the Motion or the Bidding Procedures Order that wishes to obtain a copy of the Motion or the Bidding Procedures Order, including all exhibits thereto, may make such a request in writing to Dentons US LLP, Attn: Tania M. Moyron, 601 S. Figueroa St., Suite 2500, Los Angeles, CA 90017 or by emailing tania.moyron@dentons.com or calling (213) 623-9300.

53. The Debtors submit that the foregoing notices comply fully with Bankruptcy Rule 2002 and are reasonably calculated to provide timely and adequate notice of the Bidding Procedures, Auction and Sale, and Sale Hearing to the Debtors' creditors and other parties in interests as well as to those who have expressed an interest or are likely to express an interest in bidding on the Purchased Assets. Based on the foregoing, the Debtors respectfully request that

this Court approve these proposed notice procedures.

E. PROCEDURES FOR THE ASSUMPTION AND ASSIGNMENT OF ASSIGNED CONTRACTS AND LEASES

54. As noted above, the Debtors will seek to assume and assign certain contracts and leases to be identified in the Purchase Agreement(s) (collectively, the "Assumed Executory Contracts").

55. At least initially, the Assumed Executory Contracts will be those contracts and leases that the Debtors believe may be assumed and assigned as part of the orderly transfer of the Purchased Assets. The Successful Bidder(s) may choose to exclude (or to add) certain contracts or leases to the list of Assumed Executory Contracts, subject to further notice.

56. In the interim, the Debtors will file with the Court and serve the cure notice, substantially in the form of Exhibit 4 (the "Cure Notice") to the Bidding Procedures Order, (along with a copy of this Motion) upon each counterparty to the Assumed Executory Contracts. The Cure Notice will state the date, time and place of the Sale Hearing as well as the date by which any objection to the assumption and assignment of Assumed Executory Contracts (including the Cure Amount (defined below)) must be filed and served. The Cure Notice also will identify the amounts, if any, that the Debtors believe are owed to each counterparty to an Assumed Executory Contract in order to cure any defaults that exist under such contract (the "Cure Amounts"). To the extent there is a contract subsequently added to the list of contracts to be assumed by the Successful Bidder pursuant to the Successful Bidder's Purchase Agreement selected at the Auction, this Motion constitutes a separate motion to assume and assign that contract to the Successful Bidder pursuant to § 365; each such contract will be listed in the Successful Bidder's Purchase Agreement, and will be given a separate Cure Notice filed and served by overnight delivery within five (5) business days of the conclusion of the Auction and announcement of the Successful Bidder.

57. The inclusion of a contract, lease, or other agreement on the Cure Notice shall not constitute or be deemed a determination or admission by the Debtors and their estates or any other party in interest that such contract, lease, or other agreement is, in fact, an executory

contract or unexpired lease within the meaning of the Bankruptcy Code, and any and all rights with respect thereto shall be reserved.

58. If a Contract or Lease is assumed and assigned pursuant to Court Order, then unless the Assumed Executory Contract counterparty properly files and serves an objection to the Cure Amount contained in the Cure Notice by the Assumption Objection Deadline (defined below), the Assumed Executory Contract counterparty will receive at the time of the Closing of the sale (or as soon as reasonably practicable thereafter), the Cure Amount as set forth in the Cure Notice, if any. If an objection is filed by a counterparty to an Assumed Executory Contract, the Debtors propose that such objection must set forth a specific default in the executory contract or unexpired lease, claim a specific monetary amount that differs from the amount, if any, specified by the Debtors in the Cure Notice, and set forth any reason why the counterparty believes the executory contract or unexpired lease cannot be assumed and assigned to the Successful Bidder.

59. If any counterparty objects for any reason to the assumption and assignment of an Assumed Executory Contract (including to a Cure Amount) (an "Assumption Objection"), the Debtors propose that the counterparty must file the objection and serve it so as to be actually received on or before the Assumption Objection Deadline established in the Bidding Procedures Order, provided, however, as to any Successful Bidder who is not the Stalking Horse Purchaser, any counterparty may raise at the Sale Hearing an objection to the assumption and assignment of the Assumed Executory Contract solely with respect to the Successful Bidder's ability to provide adequate assurance of future performance under the Assumed Executory Contract. After receipt of an Assumption Objection, the Debtors will attempt to reconcile any differences in the Cure Amount or otherwise resolve the objection with the counterparty. In the event that the Debtors and the counterparty cannot resolve an Assumption Objection, and the Court does not otherwise make a determination at the Sale Hearing regarding an Assumption Objection related to a Cure Amount, the Debtors shall segregate from the sale proceeds any disputed Cure Amounts pending the resolution of any such Cure Amount disputes by the Court or mutual agreement of the parties.

60. The Successful Bidder shall be responsible for satisfying any requirements regarding adequate assurance of future performance that may be imposed under §365(b) in

TONS US LLP

Los Angeles, California 90017-5704

connection with the proposed assignment of any Assumed Executory Contract, and the failure to provide adequate assurance of future performance to any counterparty to any Assumed Executory Contract shall not excuse the Successful Bidder from performance of any and all of its obligations pursuant to the Successful Bidder's Purchase Agreement. The Debtors propose that the Court make its determinations concerning adequate assurance of future performance under the Assumed Executory Contacts pursuant to § 365(b) at the Sale Hearing. Cure Amounts disputed by any counterparty will be resolved by the Court at the Sale Hearing or such later date as may be agreed to or ordered by the Court.

61. Except to the extent otherwise provided in the Successful Bidder's Purchase Agreement, the Debtors and the Debtors' estates shall be relieved of all liability accruing or arising after the assumption and assignment of the Assumed Executory Contracts pursuant to § 365(k).

IV. ARGUMENT

A. APPROVAL OF THE BIDDING PROCEDURES IS APPROPRIATE AND IN THE BEST INTERESTS OF THE DEBTORS' ESTATES AND STAKEHOLDERS.

Section 363(b)(1) provides that "[t]he trustee, after notice and a hearing, may use, sell, or lease, other than in the ordinary course of business, property of the estate [.]" 11 U.S.C. § 363(b)(1). Section 105(a) provides in pertinent part that "[t]he Court may issue any order, process or judgment that is necessary and appropriate to carry out the provisions of this title." 11 U.S.C. § 105(a). Rules 2002 and 6004 of the Federal Rules of Bankruptcy Procedure (the "Rules") govern the scope of the notice to be provided in the event a debtor elects to sell property of the estate under § 363.

With respect to the procedures to be adopted in conducting a sale outside the ordinary course of a debtor's business, Rule 6004 provides only that such sale may be by private sale or public auction, and requires only that the debtor provide an itemized list of the property sold together with the prices received upon consummation of the sale. Fed. R. Bankr. P. 6004(f). LBR 6004-1 provides, in pertinent part, as follows:

> **(b) Motion for Order Establishing Procedures for the Sale of Estate Property.**
>
> (2) Contents of Notice [of a Sale Procedure Motion]. The notice must describe the proposed bidding procedures and include a copy of the

> proposed purchase agreement. If the purchase agreement is not available, the moving party must describe the terms of the sale proposed, when a copy of the actual agreement will be filed with the court, and from whom it may be obtained. The notice must describe the marketing efforts undertaken and the anticipated marketing plan, or explain why no marketing is required. [...]
>
> (3) Service of the Notice and Motion. The moving party must serve the motion and notice of the motion and hearing by personal delivery, messenger, telephone, fax, or email to the parties to whom notice of the motion is required to be given by the FRBP or by these rules, any other party that is likely to be adversely affected by the granting of the motion, and the United States trustee. The notice of hearing must state that any response in opposition to the motion must be filed and served at least 1 day prior to the hearing, unless otherwise ordered by the court. [...]
>
> (6) Break-Up Fees. If a break-up fee or other form of overbid protection is requested in the Sale Procedure Motion, the request must be supported by evidence establishing: (A) That such a fee is likely to enhance the ultimate sale price; and (B) The reasonableness of the fee. [...]

LBR 6004-1(b).

Neither the Bankruptcy Code nor the Rules contain specific provisions with respect to the procedures to be employed by a debtor in conducting a public or private sale. Nonetheless, as one court has stated, "[i]t is a well-established principle of bankruptcy law that the objective of bankruptcy rules and the [debtors'] duty with respect to such sales is to obtain the highest price or greatest overall benefit possible for the estate." *In re Atlanta Packaging Prods., Inc.*, 99 B.R. 124, 131 (Bankr. N.D. Ga. 1988). Additionally, courts have long recognized the need for competitive bidding at hearings; "[c]ompetitive bidding yields higher offers and thus benefits the estate. Therefore, the objective is 'to maximize bidding, not restrict it.'" *Id.*; *see also Burtch v. Ganz (In re Mushroom Transp. Co.)*, 382 F.3d 325, 339 (3d Cir. 2004) (finding that debtor's fiduciary duties included maximizing and protecting the value of the estate's assets); *Four B. Corp. v. Food Barn Stores, Inc. (In re Food Barn Stores, Inc.)*, 107 F.3d 558, 564-65 (8th Cir. 1997) ("[A] primary objective of the [Bankruptcy] Code [is] to enhance the value of the estate at hand."). Courts uniformly recognize that procedures established for the purpose of enhancing competitive bidding are consistent with the fundamental goal of maximizing the value of a debtor's estate and, therefore, are appropriate. *See Calpine Corp. v. O'Brien Envtl. Energy, Inc. (In re O'Brien Envtl.*

TONS US LLP
601 South Figueroa Street, Suite 2500
Los Angeles, California 90017-5704

Energy, Inc.), 181 F.3d 527, 536-37 (3d Cir. 1999) (noting that bidding procedures that promote competitive bidding provide benefit to debtor's estate); *Official Comm. of Subordinated Bondholders v. Integrated Res. Inc. (In re Integrated Res. Inc.)*, 147 B.R. 650, 659 (S.D.N.Y. 1992) (such sale procedures "encourage bidding and to maximize the value of the Assets").

Here, the Bidding Procedures are designed to promote the paramount goal of any proposed sale of property of the Debtors' estates: maximizing the value of sale proceeds received by the estates. The Bidding Procedures provide for an orderly and appropriately competitive process through which interested parties may submit offers to purchase the Purchased Assets and/or the Other Assets. Specifically, the Debtors, with the assistance of their advisors, have structured the Bidding Procedures to promote active bidding by interested parties and to confirm the highest or otherwise best offer reasonably available for the Purchased Assets and/or the Other Assets. Additionally, the Bidding Procedures will allow the Debtors to conduct the Auction in a fair and transparent manner that will encourage participation by financially capable bidders with demonstrated ability to consummate a timely Sale. Accordingly, the Bidding Procedures should be approved because, under the circumstances, they are reasonable, appropriate and in the best interests of the Debtors, their estates, creditors, and all parties in interest.

B. THE BREAK-UP FEE HAS A SOUND BUSINESS PURPOSE AND IS NECESSARY TO PRESERVE THE VALUE OF THE DEBTORS' ESTATES.

The Debtors submit that the Break-Up Fee is a normal and oftentimes necessary component of sales outside the ordinary course of business under § 363 of the Bankruptcy Code. In particular, such a protection encourages a potential purchaser to invest the requisite time, money, and effort to conduct due diligence and sale negotiations with a debtor despite the inherent risks and uncertainties of the chapter 11 process. *See, e.g., Integrated Resources*, 147 B.R. at 660 (noting that fees may be legitimately necessary to convince a "white knight" to offer an initial bid, for the expenses such bidder incurs and the risks such bidder faces by having its offer held open, subject to higher and better offers); *In re Hupp Indus.*, 140 B.R. 191, 194 (Bankr. N.D. Ohio 1997) (without any reimbursement, "bidders would be reluctant to make an initial bid for fear that their first bid will be shopped around for a higher bid from another bidder who would

capitalize on the initial bidder's. . . due diligence"); *In re Marrose Corp.*, 1992 WL 33848, at *5 (Bankr. S.D.N.Y. 1992) (stating that "agreements to provide reimbursement of fees and expenses are meant to compensate the potential acquirer who serves as a catalyst or 'stalking horse' which attracts more favorable offers"); *In re 995 Fifth Ave. Assocs.*, 96 B.R. 24, 28 (Bankr. S.D.N.Y. 1989) (finding that bidding incentives may be "legitimately necessary to convince a white knight to enter the bidding by providing some form of compensation for the risks it is undertaking") (citations omitted).

A proposed bidding incentive, such as the Break-Up Fee, should be approved when it is in the best interests of the estate. *See In re S.N.A. Nut Co.*, 186 B.R. 98, 104 (Bankr. N.D. Ill. 1995); *see also In re America West Airlines, Inc.*, 166 B.R. 908 (Bankr. D. Ariz. 1994); *In re Hupp Indus., Inc.*, 140 B.R. 191 (Bankr. N.D. Ohio 1992). Typically, this requires that the bidding incentive provide some benefit to the debtor's estate. *Calpine Corp. v. O'Brien Envtl. Energy, Inc. (In re O'Brien Envtl. Energy, Inc.)*, 181 F.3d 527, 533 (3d Cir. 1999) (holding even though bidding incentives are measured against a business judgment standard in non-bankruptcy transactions the administrative expense provisions of § 503(b) govern in the bankruptcy context).

In evaluating the appropriateness of a break-up fee, the appropriate question for the Court to consider is "whether the break-up fee served any of three possible useful functions: (1) to attract or retain a potentially successful bid; (2) to establish a bid standard or minimum for other bidders to follow; or (3) to attract additional bidders." *In re Integrated Resources, Inc.*, 147 B.R. at 662 (where the Court heard testimony that the average breakup fee in the industry is 3.3%). Break-up fees in the same general range as the Break-Up Fee have been routinely approved in the context of bankruptcy sales. *See In re CXM, Inc.*, 307 B.R. 94, 103–04 (Bankr. N.D. Ill. 2004) (court approved break-up fee in amount equal to the actual expenses that the stalking horse incurred in connection with its bid to buy the Sale Assets, subject to a maximum cap of $200,000, which equaled 3% of the cash purchase price); *In re Women First Healthcare, Inc.*, 332 B.R. 115, 118 (Bankr. D. Del. 2005) (court approved break-up fee that equaled 4.7% percent of the purchase price; *In re Dan River, Inc.*, No. 04-10990 (Banker. N.D. Ga. Dec. 17, 2004) (court approved break-up fee equal to 5.3% of the cash purchase price); *In re Lake Burton Dev., LLC*,

(213) 623-9300

2010 WL 5563622, *43 (Bankr. N.D. Ga. Mar. 18, 2010) (court approved break-up fee equal to 4.75% of cash purchase price); *In re Case Engineered Lumber, Inc.*, No. 09–22499 (Bankr. N.D.Ga. Sept. 1, 2009)(J. Brizendine) (approving break-up fee equal to 3.5% of the cash purchase price); *In re Tama Beef Packing Inc.*, 321 B.R. 469, 498 (8th Cir. BAP 2005) (noting that the bankruptcy court correctly concluded that break-up fees are "usually limited to one to four perfect of the purchase price"). Notably, this Court has also approved break-up fees within the range of the Break-Up Fee. *See In re Verity Health System of California, Inc.*, No. 18-20151 (Bankr. C.D. Cal. Oct. 30, 2018) (J. Robles) (approving break-up fee equal to 4% of the cash purchase price); *In re T Asset Acquisition Company, LLC*, No. 09-31853 (Bankr. C.D. Cal. Jan. 28, 2010) (J. Robles) (approving break-up fee equal to 3% of the cash purchase price).

The Debtors submit that all of the bidding procedures the Debtors are seeking to have the Court approve, including the proposed Break-Up Fee to the Stalking Horse Purchaser, satisfies all three of the useful functions set forth above: (1) to attract or retain a potentially successful bid; (2) to establish a bid standard or minimum for other bidders to follow; and (3) to attract additional bidders. The proposed break-up fee of 3.5% of the purchase price is well within the percentage parameters that have been approved by many other courts. Thus, the Debtors believe that the proposed Break-Up Fee is fair and reasonably compensates the Stalking Horse Purchaser for taking actions that will benefit the Debtors' estates. The Break-Up Fee compensates the Stalking Horse Purchaser for diligence and professional fees incurred in negotiating the terms of the Stalking Horse APA on an expedited timeline.

Additionally, the Debtors do not believe that the Break-Up Fee will have a chilling effect on the sale process. Rather, the Stalking Horse Purchaser will increase the likelihood that the best possible price for the Purchased Assets will be received, by permitting other qualified bidders to rely on the diligence performed by the Stalking Horse Purchaser, and moreover, by allowing qualified bidders to utilize the Stalking Horse APA as a platform for negotiations and modifications in the context of a competitive bidding process.

Finally, the Break-Up Fee will be paid only if, among other things, the Debtors enter into a transaction for the Purchased Assets with a bidder other than the Stalking Horse Purchaser.

Accordingly, no Break-Up Fee will be paid unless a higher and better offer is achieved and consummated. In sum, the Break-Up Fee is reasonable under the circumstances and will enable the Debtors to maximize the value for the Purchased Assets while limiting any chilling effect in the sale process.

C. THE PROCEDURE FOR ASSUMPTION AND ASSIGNMENT OF CERTAIN EXECUTORY CONTRACTS AND UNEXPIRED LEASES IS APPROPRIATE

Section 365(a) provides that, subject to the court's approval, a trustee "may assume or reject any executory contracts or unexpired leases of the debtor." 11 U.S.C. § 365(a). Upon finding that a trustee has exercised its sound business judgment in determining to assume an executory contract or unexpired lease, courts should approve the assumption under § 365(a). *See Nostas Assocs. v. Costich (In re Klein Sleep Prods., Inc.)*, 78 F.3d 18, 25 (2d Cir. 1996); *see also Orion Pictures Corp. v. Showtime Networks, Inc. (In re Orion Pictures Corp.)*, 4 F.3d 1095, 1099 (2d Cir. 1993).

Pursuant to § 365(f)(2), a trustee may assign an executory contract or unexpired lease of nonresidential real property if:

> (A) the trustee assumes such contract or lease in accordance with the provisions of this section; and
>
> (B) adequate assurance of future performance by the assignee of such contract or lease is provided, whether or not there has been a default in such contract or lease.

11 U.S.C. § 365(f)(2).

The meaning of "adequate assurance of future performance" depends on the facts and circumstances of each case, and should be given "practical, pragmatic construction." *See Carlisle Homes, Inc. v. Arrari (In re Carlisle Homes, Inc.)*, 103 B.R. 524, 538 (Bankr. D.N.J. 1989); *see also In re Natco Indus., Inc.*, 54 B.R. 436, 440 (Bankr. S.D.N.Y. 1985) (adequate assurance of future performance does not mean absolute assurance that debtor will thrive and pay rent); *In re Bon Ton Rest. & Pastry Shop, Inc.*, 53 B.R. 789, 803 (Bankr. N.D. Ill. 1985) ("Although no single solution will satisfy every case, the required assurance will fall considerably short of an absolute guarantee of performance.").

(213) 623-9300

Among other things, adequate assurance may be given by demonstrating the assignee's financial health and experience in managing the type of enterprise or property assigned. *In re Bygaph, Inc.*, 56 B.R. 596, 605-6 (Bankr. S.D.N.Y. 1986) (adequate assurance of future performance is present when prospective assignee of lease has financial resources and expressed willingness to devote sufficient funding to business to give it strong likelihood of succeeding; chief determinant of adequate assurance is whether rent will be paid).

The Debtors and the Successful Bidder will present evidence at the Sale Hearing to prove the financial credibility, willingness, and ability of the Successful Bidder to perform under the contracts or leases. The Court and other interested parties therefore will have the opportunity to evaluate the ability of any Successful Bidder to provide adequate assurance of future performance under the contracts or leases, as required by § 365(b)(1)(C).

In addition, the Debtors submit that the cure procedures set forth herein are appropriate, reasonably calculated to provide notice to any affected party, and afford the affected party to opportunity to exercise any rights affected by the Motion, and consistent with § 365. To the extent that any defaults exist under any Assumed Executory Contracts, any such defaults will be cured pursuant to the Successful Bidder's Purchase Agreement. Except as otherwise limited by § 365 of the Bankruptcy Code, any provision in the Assumed Executory Contracts that would restrict, condition, or prohibit an assignment of such contracts will be deemed unenforceable pursuant to § 365(f)(1) of the Bankruptcy Code.

Accordingly, the Debtors submit that the cure procedures for effectuating the assumption and assignment of the Assumed Executory Contracts as set forth herein are appropriate and should be approved.

D. APPROVAL OF THE SALE IS WARRANTED UNDER § 363

As discussed above, § 363(b)(1) of the Bankruptcy Code provides that a debtor "after notice and a hearing, may use, sell, or lease, other than in the ordinary course of business, property of the estate." 11 U.S.C. § 363(b)(1).

i. The Sale of the Assets is Authorized by § 363 as a Sound Exercise of the Debtors' Business Judgment

In accordance with Rule 6004, sales of property rights outside the ordinary course of business may be by private sale or public auction. The Debtors have determined that the Sale of the Purchased Assets and/or the Other Assets by public auction will enable it to obtain the highest and best offer for these assets (thereby maximizing the value of the estate) and is in the best interests of the Debtors' creditors. In particular, the Stalking Horse APA is the result of comprehensive arms' length negotiations for the Sale of the Purchased Assets and/or the Other Assets and the Sale pursuant to the terms of the Stalking Horse APA, subject to higher or otherwise better offers at the Auction, will provide a greater recovery for the Debtors' creditors than would be provided by any other existing alternative. The Debtors similarly have determined in their business judgment that a sale of the Purchased Assets and/or the Other Assets through a competitive, public auction is the best way to maximize the value of those assets.

Sections 363 provides that a trustee, "after notice and a hearing, may use, sell, or lease, other than in the ordinary course of business, property of the estate." 11 U.S.C. § 363(b). Although § 363 does not specify a standard for determining when it is appropriate for a court to authorize the use, sale or lease of property of the estate, a sale of a debtor's assets should be authorized if a sound business purpose exists for doing so. *See, e.g., Meyers v. Martin (In re Martin)*, 91 F.3d 389, 395 (3d Cir. 1996); *In re Abbotts Dairies of Pa., Inc.*, 788 F.2d 143 (2d Cir. 1986); *In re Titusville Country Club*, 128 B.R. 396 (W.D. Pa. 1991); *In re Delaware & Hudson Ry. Co.*, 124 BR. 169, 176 (D. Del. 1991); *see also Official Comm. of Unsecured Creditors v. The LTV Corp. (In re Chateaugay Corp.)*, 973 F.2d 141, 143 (2d Cir. 1992); *Committee of Equity Sec. Holders v. Lionel Corp. (In re Lionel Corp.)*, 722 F.2d 1063, 1070 (2d Cir. 1983); *Committee of Asbestos-Related Litigants and/or Creditors v. Johns-Manville Corp. (In re Johns-Manville Corp.)*, 60 B.R. 612, 616 (Bankr. S.D.N.Y. 1986).

The paramount goal in any proposed sale of property of the estate is to maximize the proceeds received by the estate. *See, e.g., In re Food Barn Stores, Inc.*, 107 F.3d 558, 564-65 (8th Cir. 1997) (in bankruptcy sales, "a primary objective of the Code [is] to enhance the value of

the estate at hand"); *Integrated Resources*, 147 B.R. at 659 ("It is a well-established principle of bankruptcy law that the. . . [trustee's] duty with respect to such sales is to obtain the highest price or greatest overall benefit possible for the estate.") (*quoting In re Atlanta Packaging Prods., Inc.*, 99 BR. 124, 130 (Bankr. N.D. Ga. 1988)). As long as the sale appears to enhance a debtor's estate, court approval of a debtor's decision to sell should only be withheld if the debtor's judgment is clearly erroneous, too speculative, or contrary to the provisions of the Bankruptcy Code. *GBL Holding Co., Inc. v. Blackburn/Travis/Cole, Ltd.*, 331 B.R. 251, 255 (N.D. Tex. 2005); *In re Lajijani*, 325 B.R. 282, 289 (B.A.P. 9th Cir. 2005); *In re WPRV-TV, Inc.*, 143 B.R. 315, 319 (D.P.R. 1991) ("The trustee has ample discretion to administer the estate, including authority to conduct public or private sales of estate property. Courts have much discretion on whether to approve proposed sales, but the trustee's business judgment is subject to great judicial deference.").

Applying § 363, the proposed Sale of the Purchased Assets and/or the Other Assets should be approved. As set forth above, the Debtors have determined that the best method of maximizing the recovery of the Debtors' creditors would be through the Sale of the Purchased Assets. As assurance of value, bids will be tested through the Auction consistent with the requirements of the Bankruptcy Code, the Bankruptcy Rules, and pursuant to the Bidding Procedures approved by the Court. Consequently, the fairness and reasonableness of the consideration to be paid by the Successful Bidder ultimately will be demonstrated by adequate "market exposure" and an open and fair auction process—the best means, under the circumstances, for establishing whether a fair and reasonable price is being paid.

In addition to the Debtors' prior marketing efforts, the Debtors' investment banker has been contacting potential interested parties and has assembled a data room which is available upon the execution of an appropriate confidentiality agreement. There is a limited universe of potential acquirers of the Purchased Assets, and the Debtors and their advisors have been in active discussions with many of these potential purchasers.

ii. The Sale of the Debtors' Assets Free and Clear of Liens and Other Interests is Authorized by § 363(f) of the Bankruptcy Code

The Debtors further submit that it is appropriate to sell the Purchased Assets free and clear of liens pursuant to § 363(f), with any such liens attaching to the sale proceeds of the Purchased Assets to the extent applicable. Section 363(f) authorizes a trustee to sell assets free and clear of liens, claims, interests and encumbrances if:

(1) applicable nonbankruptcy law permits the sale of such property free and clear of such interests;

(2) such entity consents;

(3) such interest is a lien and the price at which such property is to be sold is greater than the value of all liens on such property;

(4) such interest is in bona fide dispute; or

(5) such entity could be compelled, in a legal or equitable proceeding, to accept a money satisfaction of such interest.

11 U.S.C. § 363(f).

This provision is supplemented by § 105(a), which provides that "[t]he Court may issue any order, process or judgment that is necessary or appropriate to carry out the provisions of [the Bankruptcy Code]." 11 U.S.C. § 105(a).

Because § 363(f) of the Bankruptcy Code is drafted in the disjunctive, satisfaction of any one of its five requirements will suffice to permit the sale of the Debtor's Assets "free and clear" of liens and interests. *In re Dundee Equity Corp.*, 1992 Bankr. LEXIS 436, at *12 (Bankr. S.D.N.Y. Mar. 6, 1992) ("Section 363(f) is in the disjunctive, such that the sale free of the interest concerned may occur if any one of the conditions of § 363(f) have been met."); *In re Bygaph, Inc.*, 56 B.R. 596, 606 n.8 (Bankr. S.D.N.Y. 1986) (same); *Michigan Employment Sec. Comm'n v. Wolverine Radio Co. (In re Wolverine Radio Co.)*, 930 F.2d 1132, 1147 n.24 (6th Cir. 1991) (stating that § 363(f) is written in the disjunctive; holding that the court may approve the sale "free and clear" provided at least one of the subsections of § 363(f) is met).

The Debtors believe that at least one of the tests of § 363(f) of the Bankruptcy Code is satisfied with respect to the transfer of the Purchased Assets and/or the Other Assets pursuant to

the Stalking Horse APA. Additionally, at least § 363(f)(2) will be met in connection with the transactions proposed under the Purchase Agreement because each of the parties holding liens on the Purchased Assets and/or the Other Assets will consent or, absent any objection to this motion, will be deemed to have consented to the Sale. Any lienholder also will be adequately protected by having its liens, if any, in each instance against the Debtors or their estates, attach to the sale proceeds ultimately attributable to the Purchased Assets and/or the Other Assets in which such creditor alleges an interest, in the same order of priority, with the same validity, force and effect that such creditor had prior to the Sale, subject to any claims and defenses the Debtors may possess with respect thereto. Accordingly, § 363(f) authorizes the transfer and conveyance of the Purchased Assets free and clear of any such claims, interests, liabilities, or liens.

Although § 363(f) provides for the sale of assets "free and clear of any interests," the term "any interest" is not defined anywhere in the Bankruptcy Code. *Folger Adam Security v. DeMatteis/MacGregor JV*, 209 F.3d 252, 257 (3d Cir. 2000). Courts have interpreted "any interest" expansively to include not only in rem interests in property, but also other obligations that are "connected to or arise from the property being sold" or that could "potentially travel with the property being sold." *In re Gardens Regional Hospital and Medical Center, Inc.*, 567 B.R. 820, 825 (Bankr. C.D. Cal. 2017) (California Attorney General imposed conditions are an "interest in property" that can be stripped off the assets through a sale under § 363); *In re La Paloma Generating, Co.*, 2017 WL 5197116, *4 (Bankr. D. Del. Nov. 9, 2017) (holding that emission surrender obligations created by California regulations and statutes and enforced by the California Air Resources Board are an interest in property which can be cut off by a § 363 sale) *See also In re Trans World Airlines, Inc.*, 322 F.3d 283, 285, 288 (3d Cir. 2001) (holding that plaintiff's interests in travel vouchers that were issued to settle employment discrimination are an interest under § 363 because they arise from the property being sold); *PBBPC, Inc. v. Combined Benefit Fund v. Walter Energy, Inc.*, 551 B.R. 631, 641 (N.D. Ala. 2016) (sale under § 363 cuts off Coal Act obligations despite language in Act imposing successor liability on buyer); *In re Christ Hospital*, 502 B.R. 158, 76-79 (Bankr. Mar. 27, 2013) (holding that debtor's assets could be sold free and clear of New York State Department of Labor's right to use the debtor's experience rating to access the buyer's tax liability as successor to the debtor); *In re Grumman Olson Indus. Inc.*, 467 B.R. 694, 702–03 (S.D.N.Y 2012) ("Section 363(f) can be used to sell property free and clear of claims that could otherwise be assertable against the buyer of the assets under the common law doctrine of successor liability"); *WBO P'ship v. Va. Dep't of Med. Assistance Servs. (In re WBO P'ship)*, 189 B.R. 97, 104–05 (Bankr. E.D. Va. 1995) (holding that Commonwealth of Virginia's right to recapture depreciation is an "interest" as that term is used in § 363(f))

In the case of *In re Trans World Airlines, Inc.*, 322 F.3d 283, 288-89 (3d Cir. 2003), the Third Circuit specifically addressed the scope of the term "any interest." The Third Circuit observed that while some courts have "narrowly interpreted that phrase to mean only in rem interests in property," the trend in modern cases is towards "a more expansive reading of 'interests in property' which 'encompasses other obligations that may flow from ownership of the property.'" *Id.* at 289 (*citing* 3 Collier on Bankruptcy, ¶ 363.06[1] (L. King, 15th rev. ed. 1988)). As determined by the Fourth Circuit in *In re Leckie Smokeless Coal Co.*, the scope of § 363(f) is not limited to *in rem* interests. 99 F.3d 573, 581-582 (4th Cir. 1996) (holding that coal mine operators could sell their assets free and clear of their obligations to a benefits plan and fund

under the Coal Act). Thus, debtors "could sell their assets under § 363(f) free and clear of successor liability that otherwise would have arisen under federal statute." *Folger*, 209 F.3d at 258 (*citing Leckie*, 99 F.3d at 582).

Courts have consistently held that a buyer of a debtor's assets pursuant to a § 363 sale takes such assets free from successor liability resulting from pre-existing claims. *See The Ninth Avenue Remedial Group v. Allis-Chalmers Corp.*, 195 B.R. 716, 732 (Bankr. N.D. Ind. 1996) (stating that a bankruptcy court has the power to sell assets free and clear of any interest that could be brought against the bankruptcy estate during the bankruptcy); *MacArthur Company v. Johns-Manville Corp. (In re Johns-Manville Corp.)*, 837 F.2d 89, 93-94 (2d Cir. 1988) (channeling of claims to proceeds consistent with intent of sale free and clear under § 363(f)). The purpose of an order purporting to authorize the transfer of assets free and clear of all "interests" would be frustrated if claimants could thereafter use the transfer as a basis to assert claims against the purchaser arising from the Debtors' pre-sale conduct. Under § 363(f), the purchaser is entitled to know that the Purchased Assets and/or the Other Assets are not infected with latent claims that will be asserted against the purchaser after the proposed transaction is completed. Accordingly, consistent with the above-cited case law, the order approving the Sale should state that the Successful Bidder is not liable as a successor under any theory of successor liability, for claims that encumber or relate to the Purchased Assets and/or the Other Assets.

iii. The Successful Bidder Should be Afforded All Protections Under § 363(m) as A Good Faith Purchaser

Section 363(m) protects a good-faith purchaser's interest in property purchased from the debtor's estate notwithstanding that the sale conducted under § 363(b) is later reversed or modified on appeal. Specifically, § 363(m) states that:

> The reversal or modification on appeal of an authorization under [section 363(b)] . . . does not affect the validity of a sale . . . to an entity that purchased . . . such property in good faith, whether or not such entity knew of the pendency of the appeal, unless such authorization and such sale were stayed pending appeal.

11 U.S.C. § 363(m). Section 363(m) "codifies Congress's strong preference for finality and efficiency" in bankruptcy proceedings. *In re Energytec, Inc.* 739 F.3d 215, 218-19 (5th Cir.

TONS US LLP
601 South Figueroa Street, Suite 2500
Los Angeles, California 90017-5704
(213) 623-9300

2013). The Ninth Circuit has repeatedly held that, under § 363(m), "[w]hen a sale of assets is made to a good faith purchaser, it may not be modified or set aside unless the sale was stayed pending appeal." *Paulman v. Gateway Venture Partners III, L.P. (In re Filtercorp, Inc).*, 163 F.3d 570, 576 (9th Cir. 1998) ; *In re Ewell*, 958 F.2d 276, 282 (9th Cir. 1992) ("Because the Buyer was a good faith purchaser, under 11 U.S.C. § 363(m) the sale may not be modified or set aside on appeal unless the sale was stayed pending appeal."); *Onouli-Kona Land Co. v. Estate of Richards (In re Onouli-Kona Land Co.)*, 846 F.2d 1170, 1172 (9th Cir. 1988) ("Finality in bankruptcy has become the dominant rationale for our decisions [...]").

The selection of the Successful Bidder will be the product of arms' length, good faith negotiations in an anticipated competitive purchasing process. The Debtors intend to request at the Sale Hearing a finding that the Successful Bidder is a good faith purchaser entitled to the protections of § 363(m).

E. RELIEF FROM THE 14-DAY WAITING PERIOD UNDER RULES 6004(H) AND 6006(D) IS APPROPRIATE

Rule 6004(h) provides that an "order authorizing the use, sale, or lease of property . . . is stayed until the expiration of 14 days after entry of the order, unless the court orders otherwise." Similarly, Rule 6006(d) provides that an "order authorizing the trustee to assign an executory contract or unexpired lease . . . is stayed until the expiration of 14 days after the entry of the order, unless the court orders otherwise." The Debtors request that the Order be effective immediately by providing that the 14-day stays under Rules 6004(h) and 6006(d) are waived.

The purpose of Rules 6004(h) and 6006(d) is to provide sufficient time for an objecting party to appeal before an order can be implemented. *See* Advisory Committee Notes to Fed. R. Bankr. P. 6004(h) and 6006(d). Although Rules 6004(h) and 6006(d) and the Advisory Committee Notes are silent as to when a court should "order otherwise" and eliminate or reduce the 14-day stay period, *Collier* suggests that the 14-day stay period should be eliminated to allow a sale or other transaction to close immediately "where there has been no objection to the procedure." *Collier on Bankruptcy*, ¶ 6004.11 (Alan N. Resnick & Henry J. Sommer eds., 16th ed.). Furthermore, *Collier* provides that if an objection is filed and overruled, and the objecting

(213) 623-9300

party informs the court of its intent to appeal, the stay may be reduced to the amount of time actually necessary to file such appeal. *Id.*

The Debtors hereby request that the Court waive the 14-day stay periods under Rules 6004(h) and 6006(d) or, in the alternative, if an objection to the Sale is filed, reduce the stay period to the minimum amount of time needed by the objecting party to file its appeal.

F. THE APPLICABLE REQUIREMENTS OF LBR 6004-1 HAVE BEEN SATISFIED

Here all of the applicable requirements of LBR 6004-1(b) pertaining to the Motion and the request therein to approve the Bidding Procedures have been satisfied. First, as required by LBR 6004-1(b)(2), the Notice of Motion describes the proposed Bidding Procedures and includes a copy of the Stalking Horse APA. Second, as required by LBR 6004-1(b)(2), the Notice of the Bid Procedures Motion and this Memorandum describe marketing efforts undertaken and the anticipated marketing of the Purchased Assets through the deadline for prospective Overbidders to submit bids for the Auction. Third, the Debtors provided notice of the Notice of Motion, Motion, and this Memorandum pursuant to LBR 6004-1(b)(3) and the *Order Granting Emergency Motion of Debtors for Order Limiting Scope of Notice* [Docket No. 132]. Therefore, the Debtors submit that service of the Notice of Motion, Motion, and this Memorandum by such means was adequate and appropriate.

V. CONCLUSION

WHEREFORE, the Debtors respectfully request that the Court enter an order: (i) granting the relief requested herein; and (ii) granting such other and further relief as the Court may deem proper.
