The contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the contractor on this or other contracts which indicates that the contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and terminate any or all existing contracts the contractor may have with the County.

8.12.3 Non-responsible contractor

The County may debar a contractor if the Board of Supervisors finds, in its discretion, that the contractor has done any of the following: 1) violated a term of a contract with the County or a nonprofit corporation created by the County, 2) committed an act or omission which negatively reflects on the contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or

engaged in a pattern or practice which negatively reflects on same, 3) committed an act or offense which indicates a lack of business integrity or business honesty, or 4) made or submitted a false claim against the County or any other public entity.

8.12.4 **Contractor Hearing Board**

8.12.4.1 If there is evidence that the contractor may be subject to debarment, the Department will notify the contractor in writing of the evidence which is the basis for the proposed debarment and will advise the contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

8.12.4.2 The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The contractor and/or the contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the contractor should be debarred, and, if so, the appropriate length of time of the debarment. The contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

8.12.4.3 After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8.12.4.4 If a contractor has been debarred for a period longer than five (5) years, that contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion,

reduce the period of debarment or terminate the debarment if it finds that the contractor has adequately demonstrated one or more of the following: 1) elimination of the grounds for which the debarment was imposed; 2) a bona fide change in ownership or management; 3) material evidence discovered after debarment was imposed; or 4) any other reason that is in the best interests of the County.

8.12.4.5 The Contractor Hearing Board will consider a request for review of a debarment determination only where 1) the contractor has been debarred for a period longer than five (5) years; 2) the debarment has been in effect for at least five (5) years; and 3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

8.12.4.6 The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8.12.5 **Subcontractors of Contractor**

These terms shall also apply to subcontractors of County contractors.

8.13 Contractor's Acknowledgement of County's Commitment to Safely Surrendered Baby Law

8.13.1 The contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The contractor understands that it is the County's policy to encourage all County contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster, in Exhibit I, in a prominent position at the contractor's place of business. The contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. Information and posters for printing are available at www.babysafela.org.

8.14 Contractor's Warranty of Adherence to County's Child Support Compliance Program

8.14.1 The contractor acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County through contracts are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

8.14.2 As required by the County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting the contractor's duty under this Contract to comply with all applicable provisions of law, the contractor warrants that it is now in compliance and shall during the term of this Contract maintain in compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

8.15 County's Quality Assurance Plan

The County or its agent(s) will monitor the contractor's performance under this Contract on not less than an annual basis. Such monitoring will include assessing the contractor's compliance with all Contract terms and conditions and applicable federal, State, and County policies and procedures relating to performance standards

and outcome measures including but not limited to those performance standards and outcome measures required by specific federal, State, and/or County rules, directive, and guidelines for entities receiving their funding. Examples of such performance standards and/or outcome measures include, but are not limited to, those identified in Exhibit M and those reflected in County and/or program Service Exhibits/SOWs and practice parameters; as well as performance standards and/or outcomes measures related to the Patient Protection and Affordable Care Act (ACA) and Cal MediConnect Program.

Performance standards and/or outcome measures will be used as part of the determination of the effectiveness of the services delivered by Contractor. Substandard performance or outcomes by Contractor may be grounds for contract review and a corrective action plan (CAP).

Contractor deficiencies which the County determines are significant or continuing and that may place performance of the Contract in jeopardy if not corrected will be reported to the Board of Supervisors and listed in the appropriate contractor performance database. The report to the Board will include improvement/corrective action measures taken by the County and the contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate this Contract or impose other penalties as specified in this Contract.

8.15.1 Contractor shall establish and maintain a Quality Management Program. Contractor's written Quality Management Program shall describe its quality assurance, quality improvement and utilization review structure, process, decisions, actions and monitoring, in accordance with the Department's Quality Improvement Program Policy No. 1100.1, to ensure that the quality and appropriateness of care delivered to clients of the mental health system meets or exceeds the established County, State, and federal service standards and complies with the standards set by the DHCS through the Performance Contract and/or Mental Health Plan Contract.

8.15.2 The Contractor's Quality Management Program shall be consistent with Department's Quality Improvement Program Policy No. 1100.1 including the Department's Quality Improvement Work Plan and participation in Service Area Quality Assurance and Quality Improvement Committee meetings as outlined in Policy No. 1100.1.

8.15.3 The Contractor's Quality Management Program shall be consistent with the Department's Cultural Competency Plan. Contractor shall ensure that 100% of Contractor's staff, including clerical/support, administrative/management, clinical, subcontractors, and independent contractors receive **annual** cultural competence training.

Contractor shall monitor, track, document (e.g., training bulletins/flyers, sign-in sheets specifying name and function of staff, and/or individual certificates of completion, etc.) and make available upon request by the Federal, State and/or County government the annual cultural competence training provided to Contractor's staff, including clerical, administrative/ management, clinical, subcontractors, and independent contractors.

Contractor shall complete and submit an attestation of annual cultural competence training completed by 100% of staff to the Ethnic Services Manager (psbcc@dmh.lacounty.gov) by March 23rd of every Calendar Year.

Additionally, per the Federal Managed Care Network Adequacy Final Rule requirements, 100% of direct service practitioners (psychotherapists, psychiatrists, case managers, etc.) must complete cultural competence training within the past 12 months to meet annual reporting requirements. This information needs to be entered and updated quarterly into the application (https://lacdmhnact.dynamics365portals.us/) based on each practitioner specifying the hours of cultural competence training completed. This information is due quarterly on the following dates of every Calendar Year:

- July 1
- October 1
- January 1
- April 1

8.15.4 The Contractor's Quality Management Program shall be consistent with the Department's Quality Assurance requirements for Contract Providers as outlined in Policy 401.03.

8.16 Damage to County Facilities, Buildings or Grounds

8.16.1 The contractor shall repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by the contractor or employees or agents of the contractor performing in-kind services as referenced in Exhibit A, Financial Provisions, Section T. PAYMENTS BY CONTRACTOR TO COUNTY. Such repairs shall be made immediately after the contractor has become aware of such damage, but in no event later than thirty (30) days after the occurrence.

8.16.2 If the contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs shall be repaid by the contractor by cash payment upon demand.

8.17 Employment Eligibility Verification

8.17.1 The contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Contract meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. The contractor shall obtain, from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. The contractor shall retain all such documentation for all covered employees for the period prescribed by law.

8.17.2 The contractor shall indemnify, defend, and hold harmless, the County, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against the contractor or the County or both in connection with any alleged violation of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Contract.

8.18 Facsimile Representations

The County and the contractor hereby agree to regard facsimile representations of original signatures of authorized officers of each

party, when appearing in appropriate places on the Amendments prepared pursuant to Paragraph 8.1 (Amendments) and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed to Amendments to this Contract, such that the parties need not follow up facsimile transmissions of such documents with subsequent (non-facsimile) transmission of "original" versions of such documents.

8.19 Fair Labor Standards

8.19.1 The contractor shall comply with all applicable provisions of the Federal Fair Labor Standards Act and shall indemnify, defend, and hold harmless the County and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for work performed by the contractor's employees for which the County may be found jointly or solely liable.

8.20 Force Majeure

8.20.1 Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this paragraph as "force majeure events").

8.20.2 Notwithstanding the foregoing, a default by a subcontractor of contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both contractor and such subcontractor, and without any fault or negligence of either of them. In such case, contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit contractor to meet the required performance schedule. As used in this subparagraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.

8.20.3 In the event contractor's failure to perform arises out of a force majeure event, contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

8.21 Governing Law, Jurisdiction, and Venue

This Contract shall be governed by, and construed in accordance with, the laws of the State of California and with all laws, regulations, and contractual obligations of County under its contract with the State. The contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Contract and further agrees and consents that venue of any action brought hereunder shall be exclusively in the County of Los Angeles.

8.22 Independent Contractor Status

8.22.1 This Contract is by and between the County and the contractor and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the County and the contractor. The employees and agents of one party shall not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.

8.22.2 The contractor shall be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Contract all compensation and benefits. The County shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the contractor.

8.22.3 The contractor understands and agrees that all persons performing work pursuant to this Contract are, for purposes of Workers' Compensation liability, solely employees of the contractor and not employees of the County. The contractor shall be solely liable and responsible for furnishing any and all Workers' Compensation benefits to any person as a result of any injuries arising from or connected with any work performed by or on behalf of the contractor pursuant to this Contract.

8.22.4 Contractor shall adhere to the provisions stated in Paragraph 7.6 (Confidentiality).

8.23 Indemnification

8.23.1 The contractor shall indemnify, defend and hold harmless the County, its Special Districts, elected and appointed officers, employees, agents and volunteers (County Indemnitees) from and against any and all liability, including but not limited to demands, claims, actions, fees, costs and expenses (including attorney and expert witness fees), arising from and/or relating to this Contract, except for such loss or damage arising from the sole negligence or willful misconduct of the County indemnitees.

8.24 General Provisions for all Insurance Coverage

8.24.1 Without limiting Contractor's indemnification of County, and in the performance of this Contract and until all of its obligations pursuant to this Contract have been met, Contractor shall provide and maintain at its own expense insurance coverage satisfying the requirements specified in Paragraphs 8.24 and 8.25 of this Contract. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Contractor pursuant to this Contract. The County in no way warrants that the Required Insurance is sufficient to protect the Contractor for liabilities which may arise from or relate to this Contract.

8.24.2 Evidence of Coverage and Notice to County

8.24.2.1 Certificate(s) of insurance coverage (Certificate) satisfactory to County, and a copy of an Additional Insured endorsement confirming County and its Agents (defined below) has been given Insured status under the Contractor's General Liability policy, shall be delivered to County at the address shown below and provided prior to commencing services under this Contract.

8.24.2.2 Renewal Certificates shall be provided to County not less than ten (10) days prior to contractor's policy expiration dates. The County reserves the right to obtain complete, certified

copies of any required contractor and/or sub-contractor insurance policies at any time.

8.24.2.3 Certificates shall identify all Required Insurance coverage types and limits specified herein, reference this Contract by name or number, and be signed by an authorized representative of the insurer(s). The Insured party named on the Certificate shall match the name of the contractor identified as the contracting party in this Contract. Certificates shall provide the full name of each insurer providing coverage, its NAIC (National Association of Insurance Commissioners) identification number, its financial rating, the amounts of any policy deductibles or self-insured retentions exceeding fifty thousand dollars ($50,000), and list any County required endorsement forms.

8.24.2.4 Neither the County's failure to obtain, nor the County's receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by the contractor, its insurance broker(s) and/or insurer(s), shall be construed as a waiver of any of the Required Insurance provisions.

8.24.2.5 Certificates and copies of any required endorsements shall be sent to:

County of Los Angeles – Department of Mental Health
Contracts Development and Administration Division
550 S. Vermont, 5th Floor, Room 500
Los Angeles, CA 90020
Attention: Chief of Contracts

8.24.2.6 Contractor also shall promptly report to County any injury or property damage accident or incident, including any injury to a contractor employee occurring on County property, and any loss, disappearance, destruction, misuse, or theft of County property, monies or securities entrusted to contractor. Contractor also shall promptly notify County of any third party claim or suit filed against contractor or any of its subcontractors which arises from or relates to

this Contract, and could result in the filing of a claim or lawsuit against contractor and/or County.

8.24.3 **Additional Insured Status and Scope of Coverage**

The County of Los Angeles, it's Special Districts, Elected Officials, Officers, Agents, employees and volunteers (collectively County and its Agents) shall be provided additional insured status under contractor's General Liability policy with respect to liability arising out of contractor's ongoing and completed operations performed on behalf of the County. County and its Agents additional insured status shall apply with respect to liability and defense of suits arising out of the contractor's acts or omissions, whether such liability is attributable to the contractor or to the County. The full policy limits and scope of protection also shall apply to the County and its Agents as an additional insured, even if they exceed the County's minimum Required Insurance specifications herein. Use of an automatic additional insured endorsement form is acceptable providing it satisfies the Required Insurance provisions herein.

8.24.4 **Cancellation of or Changes in Insurance**

Contractor shall provide County with, or contractor's insurance policies shall contain a provision that County shall receive, written notice of cancellation or any change in Required Insurance, including insurer, limits of coverage, term of coverage or policy period. The written notice shall be provided to County at least ten (10) days in advance of cancellation for non-payment of premium and thirty (30) days in advance for any other cancellation or policy change. Failure to provide written notice of cancellation or any change in Required Insurance may constitute a material breach of the Contract, in the sole discretion of the County, upon which the County may suspend or terminate this Contract.

8.24.5 **Failure to Maintain Insurance**

Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of the Contract, upon which County immediately may withhold payments due to contractor, and/or suspend or terminate this Contract.

County, at its sole discretion, may obtain damages from contractor resulting from said breach. Alternatively, the County may purchase the Required Insurance, and without further notice to contractor, deduct the premium cost from sums due to contractor or pursue contractor reimbursement.

8.24.6 **Insurer Financial Ratings**

Coverage shall be placed with insurers acceptable to the County with A.M. Best ratings of not less than A:VII unless otherwise approved by County.

8.24.7 **Contractor's Insurance Shall Be Primary**

Contractor's insurance policies, with respect to any claims related to this Contract, shall be primary with respect to all other sources of coverage available to contractor. Any County maintained insurance or self-insurance coverage shall be in excess of and not contribute to any contractor coverage.

8.24.8 **Waivers of Subrogation**

To the fullest extent permitted by law, the contractor hereby waives its rights and its insurer(s)' rights of recovery against County under all the Required Insurance for any loss arising from or relating to this Contract. The contractor shall require its insurers to execute any waiver of subrogation endorsements which may be necessary to effect such waiver.

8.24.9 **Subcontractor Insurance Coverage Requirements**

Contractor shall include all subcontractors as insureds under contractor's own policies, or shall provide County with each subcontractor's separate evidence of insurance coverage. Contractor shall be responsible for verifying each subcontractor complies with the Required Insurance provisions herein, and shall require that each subcontractor name the County and contractor as additional insureds on the subcontractor's General Liability policy. Contractor shall obtain County's prior review and approval of any subcontractor request for modification of the Required Insurance.

/

8.24.10 **Deductibles and Self-Insured Retentions (SIRs)**

Contractor's policies shall not obligate the County to pay any portion of any contractor deductible or SIR. The County retains the right to require contractor to reduce or eliminate policy deductibles and SIRs as respects the County, or to provide a bond guaranteeing contractor's payment of all deductibles and SIRs, including all related claims investigation, administration, and defense expenses. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

8.24.11 **Claims Made Coverage**

If any part of the Required Insurance is written on a claims made basis, any policy retroactive date shall precede the effective date of this Contract. Contractor understands and agrees it shall maintain such coverage for a period of not less than three (3) years following Contract expiration, termination or cancellation.

8.24.12 **Application of Excess Liability Coverage**

Contractors may use a combination of primary, and excess insurance policies which provide coverage as broad as ("follow form" over) the underlying primary policies, to satisfy the Required Insurance provisions.

8.24.13 **Separation of Insureds**

All liability policies shall provide cross-liability coverage as would be afforded by the standard ISO (Insurance Services Office, Inc.) separation of insureds provision with no insured versus insured exclusions or limitations.

8.24.14 **Alternative Risk Financing Programs**

The County reserves the right to review, and then approve, Contractor use of self-insurance, risk retention groups, risk purchasing groups, pooling arrangements and captive insurance to satisfy the Required Insurance provisions. The County and its Agents shall be designated as an Additional Covered Party under any approved program.

/

8.24.15 **County Review and Approval of Insurance Requirements**

The County reserves the right to review and adjust the Required Insurance provisions, conditioned upon County's determination of changes in risk exposures.

8.25 Insurance Coverage

8.25.1 **Commercial General Liability** insurance (providing scope of coverage equivalent to ISO policy form CG 00 01), naming County and its Agents as an additional insured, with limits of not less than:

General Aggregate:	$2 million
Products/Completed Operations Aggregate:	$1 million
Personal and Advertising Injury:	$1 million
Each Occurrence:	$1 million

8.25.2 **Automobile Liability** insurance (providing scope of coverage equivalent to ISO policy form CA 00 01) with limits of not less than $1 million for bodily injury and property damage, in combined or equivalent split limits, for each single accident. Insurance shall cover liability arising out of contractor's use of autos pursuant to this Contract, including owned, leased, hired, and/or non-owned autos, as each may be applicable.

8.25.3 **Workers Compensation and Employers' Liability** insurance or qualified self- insurance satisfying statutory requirements, which includes Employers' Liability coverage with limits of not less than $1 million per accident. If Contractor will provide leased employees, or, is an employee leasing or temporary staffing firm or a professional employer organization (PEO), coverage also shall include an Alternate Employer Endorsement (providing scope of coverage equivalent to ISO policy form WC 00 03 01 A) naming the County as the Alternate Employer, and the endorsement form shall be modified to provide that County will receive not less than thirty (30) days advance written notice of cancellation of this coverage provision. If applicable to Contractor's operations, coverage also shall be arranged to satisfy the requirements of any federal workers or workmen's

compensation law or any federal occupational disease law.

8.25.4 **Unique Insurance Coverage**

8.25.4.1 **Sexual Misconduct Liability**

Insurance covering actual or alleged claims for sexual misconduct and/or molestation with limits of not less than $2 million per claim and $2 million aggregate, and claims for negligent employment, investigation, supervision, training or retention of, or failure to report to proper authorities, a person(s) who committed any act of abuse, molestation, harassment, mistreatment or maltreatment of a sexual nature.

8.25.4.2 **Professional Liability-Errors and Omissions**

Insurance covering Contractor's liability arising from or related to this Contract, with limits of not less than $1 million per claim and $3 million aggregate. Further, Contractor understands and agrees it shall maintain such coverage for a period of not less than three (3) years following this Contract's expiration, termination or cancellation.

8.25.4.3 **Intentionally Omitted**

8.25.4.4 **Intentionally Omitted**

8.25.4.5 **Intentionally Omitted**

8.25.4.6 **Privacy/Network Security (Cyber) Liability**

Insurance coverage providing protection against liability for (1) privacy breaches [liability arising from the loss or disclosure of confidential information no matter how it occurs]; (2) system breach; (3) denial or loss of service; (4) introduction, implantation, or spread of malicious software code; (5) unauthorized access to or use of computer systems with limits up to $10 million based on criteria established by the County. No exclusion/restriction for unencrypted portable devices/media may be on the policy.

8.26 Intentionally Omitted

8.27 Intentionally Omitted

8.28 Nondiscrimination and Affirmative Action

8.28.1 The contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and shall be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, gender, sexual orientation, age (over 40), marital status, condition of physical handicap (including HIV and AIDS) or mental handicap, disability, medical condition (e.g., cancer), denial of family care leave, or political affiliation, status as a disabled veteran or veteran of the Vietnam era in compliance with all applicable Federal and State anti-discrimination laws and regulations. The applicable regulations of the Fair Employment and Housing Commission implementing Government Code Section 12990 (a-f), set forth in Chapter 5 of Division 4 of Title 2 of the California Code of Regulations, are incorporated into this Contract by reference and made a part hereof as if set forth in full. Contractor and its subcontractors shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other contract.

8.28.2 The contractor shall certify to, and comply with, the provisions of Exhibit D (Contractor's EEO Certification).

8.28.3 The contractor shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to race, color, religion, ancestry, national origin, sex, gender, sexual orientation, age (over 40), marital status, condition of physical handicap (including HIV and AIDS) or mental handicap, disability, medical condition (e.g., cancer), denial of family care leave, or political affiliation, status as a disabled veteran or veteran of the Vietnam era in compliance with all applicable Federal and State anti-discrimination laws and regulations. Such action shall include, but is not limited to: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation. and selection for training, including apprenticeship, and granting or denying family care leave. Contractor shall not discriminate against or harass, nor shall it permit harassment of, its employees during employment

based upon race, color, religion, national origin, ancestry, gender, age (over 40), marital status, sexual orientation, condition of physical handicap (including HIV and AIDS) or mental handicap, disability, medical condition (e.g., cancer), denial of family care leave, or political affiliation, status as a disabled veteran or veteran of the Vietnam era and in compliance with all applicable federal and State anti-discrimination laws and regulations. Contractor shall ensure that the evaluation and treatment of its employees and applicants for employment are free from such discrimination and harassment, and will comply with the provisions of the Fair Employment and Housing Act (Government Code section 12990 et seq.) and the applicable regulations promulgated thereunder (California Code of Regulations, Title 2, Section 7285.0 et seq.).

8.28.4 The contractor certifies and agrees that it will deal with its subcontractors, bidders, or vendors without regard to or because of race, color, religion, ancestry, national origin, sex, gender, sexual orientation, age, condition of physical handicap (including HIV and AIDS) or mental handicap, disability, medical condition (e.g., cancer), denial of family care leave, marital status, or political affiliation, status as a disabled veteran or veteran of the Vietnam era and in compliance with all applicable federal and State anti-discrimination laws and regulations. Further, Contractor shall give written notice of its obligations under this Paragraph 8.28 to labor organizations with which it has a collective bargaining or other contract.

8.28.5 The contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies shall comply with all applicable Federal and State laws and regulations to the end that no person shall, on the grounds of race, color, religion, ancestry, national origin, sex, gender, sexual orientation, age, condition of physical handicap (including HIV and AIDS) or mental handicap, disability, medical condition (e.g., cancer), denial of family care leave, marital status, or political affiliation, status as a disabled veteran or veteran of the Vietnam era be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.

8.28.6 The contractor shall allow County representatives access to the contractor's employment records during regular business hours to verify compliance with the provisions of

this Paragraph 8.28 (Nondiscrimination and Affirmative Action) when so requested by the County.

8.28.7 If the County finds that any provisions of this Paragraph 8.28 (Nondiscrimination and Affirmative Action) have been violated, such violation shall constitute a material breach of this Contract upon which the County may terminate or suspend this Contract. While the County reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment and Housing Commission or the Federal Equal Employment Opportunity Commission that the contractor has violated Federal or State anti-discrimination laws or regulations shall constitute a finding by the County that the contractor has violated the anti-discrimination provisions of this Contract.

8.28.8 The parties agree that in the event the contractor violates any of the anti-discrimination provisions of this Contract, the County shall, at its sole option, be entitled to the sum of five hundred dollars ($500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

8.28.9 Contractor shall include the provisions of this Paragraph 8.28 in every subcontract or purchase order unless otherwise expressly exempted.

8.29 Non Exclusivity

8.29.1 Nothing herein is intended nor shall be construed as creating any exclusive arrangement with the contractor. This Contract shall not restrict County from acquiring similar, equal or like goods and/or services from other entities or sources.

8.30 Notice of Delays

8.30.1 Except as otherwise provided under this Contract, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, that party shall, within three (3) business days, give notice thereof, including all relevant information with respect thereto, to the other party.

8.31 Notice of Disputes

8.31.1 The contractor shall bring to the attention of the County's Project Manager and/or County's Project Director any dispute between the County and the contractor regarding the performance of services as stated in this Contract. If the County's Project Manager or County's Project Director is not able to resolve the dispute, the Director or his designee shall resolve it.

8.32 Notice to Employees Regarding the Federal Earned Income Credit

8.32.1 The contractor shall notify its employees, and shall require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice No. 1015.

8.33 Notice to Employees Regarding the Safely Surrendered Baby Law

8.33.1 The contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The information is set forth in Exhibit I, Safely Surrendered Baby Law of this Contract. Additional information is available at www.babysafela.org.

8.34 Notices

8.34.1 All notices or demands required or permitted to be given or made under this Contract shall be in writing and shall be hand delivered with signed receipt or mailed by first-class registered or certified mail, postage prepaid, addressed to the parties as identified in Exhibits E - County's Administration and F - Contractor's Administration. Contractor's headquarters addresses may be changed by either party giving ten (10) days prior written notice thereof to the other party. The Director or his designee shall have the authority to execute all notices or demands required or permitted by the County under this Contract. Including but not limited to:

Administrative Amendments: Modifications to this Contract may be accomplished using an administrative amendment process for the following purposes:

1. Change of Contractor's name.
2. Change of Contractor's headquarters' address.
3. Change, revision, addition, or deletion of Provider site address.
4. Change, revision, addition, or deletion of Provider site number.
5. Change, revision, addition, or deletion of Provider site name.
6. Change, revision, addition, or deletion of services previously approved within the Legal Entity for an existing or new Provider site.
7. Technical Corrections.
8. Shifting of funds between currently contracted Funded Programs so long as such shifting will not cause Contractor to increase its Maximum Contract Amount.

8.34.2 Such administrative amendment may be executed by the Director under delegated authority from the Board of Supervisors without prior approval of County Counsel. Such administrative amendment may be initiated by the County, with Contractor's written consent. Contractor's signature will be required to make such administrative amendments effective.

8.35 Intentionally Omitted

8.36 Public Records Act

8.36.1 Any documents submitted by the contractor; all information obtained in connection with the County's right to audit and inspect the contractor's documents, books, and accounting records pursuant to Paragraph 8.38 (Record Retention and Inspection-Audit Settlement) of this Contract become the exclusive property of the County. All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. (Public

Records Act) and which are marked "trade secret", "confidential", or "proprietary". The County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

8.36.2 County shall notify Contractor upon receipt of a request for such marked documents.

8.36.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret", "confidential", or "proprietary", the contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

8.37 Publicity

8.37.1 The contractor shall not disclose any details in connection with this Contract to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing the contractor's need to identify its services and related clients to sustain itself, the County shall not inhibit the contractor from publishing its role under this Contract within the following conditions:

8.37.1.1 The contractor shall develop all publicity material in a professional manner; and

8.37.1.2 During the term of this Contract, the contractor shall not, and shall not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior written consent of the County's Project Director. The County shall not unreasonably withhold written consent.

8.37.2 The contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Contract with the County of Los Angeles, provided that the requirements of this Paragraph 8.37 (Publicity) shall apply.

8.38 Record Retention and Inspection-Audit Settlement

8.38.1 The contractor shall maintain accurate and complete financial records, employment records and other records relating to its performance of this Contract. All such material shall be maintained by the contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's option, the contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

8.38.2 In the event that an audit of the contractor is conducted specifically regarding this Contract by any Federal or State auditor, or by any auditor or accountant employed by the contractor or otherwise, then the contractor shall file a copy of such audit report with the Department of Mental Health Contracts Development and Administration Division within thirty (30) days of the contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Contract. Subject to applicable law, the County shall make a reasonable effort to maintain the confidentiality of such audit report(s). Failure on the part of the contractor to comply with any of the provisions of this subparagraph 8.38 shall constitute a material breach of this Contract upon which the County may terminate or suspend this Contract.

8.38.3 Direct Services and Indirect Services Records: Contractor shall maintain a record of all direct services and indirect services rendered by all professional, para-professional, intern, student, volunteer and other personnel under this Contract in sufficient detail to permit an evaluation and audit of such services. All such records shall be retained, maintained, and made available within three (3) business days for inspection, review, and/or audit by authorized representatives and designees of County, State, and/or federal governments during the term of this Contract and during the applicable period of records retention. In addition to the general requirements in this Paragraph 8.38, Contractor shall comply with any additional patient/client record requirements described in the Service Exhibit(s)/Statement of Work(s) and shall adequately document the delivery of all services described in the Service Exhibit(s)/Statement of Work(s).

8.38.3.1 Patient/Client Records (Direct Services): Contractor shall maintain treatment and other records for each individual patient/client of all direct services (e.g., 24-hour services, day services, targeted case management, mental health services, medication support, and crisis intervention) in accordance with all applicable County, State and federal requirements. Such treatment and other records shall include, but not be limited to, patient/client identification number, demographic information, and all data elements required by the County's claims processing information system, consent for treatment form, assessment, treatment plan, progress notes, and any other applicable information. The required data elements shall be in accordance with the Organizational Provider's Manual. All patient/client records shall be maintained by Contractor at a location in Los Angeles County for a minimum period that is at least equivalent to the later of any of the following:

8.38.3.1.1 Ten (10) years following discharge of the patient/client or termination of services.

8.38.3.1.2 For minors, one (1) year after the minor reaches the age of 18, but not less than ten (10) years and/or from the final date of the contract period between DMH and Contractor, the date of completion of any audit, or the date the service was rendered, whichever is later.

8.38.3.1.3 Ten (10) years after completion of all County, State and/or federal audits.

8.38.3.1.4 Ten (10) years after the conclusion of any audit appeal and/or when audit findings are fully resolved.

8.38.3.1.5 During such retention period, all such records shall be available within three (3) business days and open during County's normal business hours to authorized representatives and

designees of County, State, and/or federal governments for purposes of inspection, review, and/or audit. Nothing in this paragraph shall limit Contractor's obligation to retain records for the period described by law.

8.38.3.2 Case Management Support Services, Outreach Services, and Client Supportive Services Records (Indirect Services): Contractor shall maintain accurate and complete program records of all indirect services (i.e., all services other than direct services) in accordance with all applicable County, State and federal requirements. All program records shall be maintained by Contractor for a minimum period that is at least equivalent to the later of any of the following:

8.38.3.2.1 Ten (10) years following the expiration or earlier termination of this Contract.

8.38.3.2.2 Ten (10) years after completion of all County, State and/or federal audits.

8.38.3.2.3 Ten (10) years after the conclusion of any audit appeal and/or when audit findings are fully resolved.

8.38.3.2.4 During such retention period, all such records shall be available within three (3) business days and open during County's normal business hours to authorized representatives and designees of County, State, and/or federal governments for purposes of inspection and/or audit. Nothing in this paragraph shall limit Contractor's obligation to retain records for the period described by law.

8.38.4 Financial Records: The contractor shall maintain accurate and complete financial records of its activities and operations relating to this Contract in accordance with generally accepted accounting principles, with the procedures set out in the State's Cost and Financial Reporting System (CFRS) Instruction Manual, and with all

applicable federal, State and County requirements, guidelines, standards, and procedures. Minimum standards for accounting principles are set forth in County's Auditor-Controller's Contract Accounting and Administration Handbook which shall be furnished to Contractor by County upon request. The above financial records shall include, but are not limited to:

8.38.4.1 Books of original entry and a general ledger.

8.38.4.2 Reports, studies, statistical surveys or other information Contractor used to identify and allocate indirect costs. "Indirect costs" shall mean those costs as described by the guidelines, standards, and procedures which may be provided by County in writing to Contractor, the Centers for Medicare and Medicaid Provider Reimbursement Manual Parts 1 and 2 (Publications #15-1 and #15-2), and the OMB Uniform Guidance, Subpart E: Cost Principles.

8.38.4.3 Bronzan-McCorquodale/County statistics and total facility utilization information (e.g., patient days, visits) which can be identified by type of service pursuant to any policies and procedures which may be provided by County in writing to Contractor.

8.38.4.4 A listing of all County remittances received.

8.38.4.5 Patient/client financial folders clearly documenting:

8.38.4.5.1 Contractor's determination of patient's/client's eligibility for Medi-Cal, medical insurance and any other third party payer coverage; and

8.38.4.5.2 Contractor's reasonable efforts to collect charges from the patient/client, his/her responsible relatives, and any other third party payer.

(a) Individual patient/client ledger cards indicating the type and amount of charges incurred and

payments by source and service type.

(b) Employment records.

8.38.4.6 The entries in all the above financial records must be readily traceable to applicable source documentation (e.g., remittance invoices, vendor invoices, employee timecards, signed by employee and countersigned by supervisor, subsidiary ledgers and journals, appointment logs, patient ledger cards, etc.). Any apportionment of costs shall be made in accordance with the requirements of the State's CFRS Instruction Manual, the Federal Centers for Medicare and Medicaid Provider Reimbursement Manual Parts 1 and 2 (Publications #15–1 and #15–2), and Los Angeles County DMH Organizational Provider's Manual for Specialty Mental Health Services under the Rehabilitation Option and Targeted Case Management Services. All such records shall be maintained by Contractor for a minimum period that is at least equivalent to the later of any of the following:

8.38.4.6.1 Ten (10) years following the expiration or earlier termination of this Contract;

8.38.4.6.2 Ten (10) years after completion of all County, State and/or federal audits; or

8.38.4.6.3 Ten (10) years after the conclusion of any audit appeal and/or when audit findings are fully resolved.

8.38.4.6.4 During such retention period, all such records shall be available within three (3) business days and open during County's normal business hours to authorized representatives and designees of County, State, and/or federal governments for purposes of inspection, review, and/or audit. Such access shall include access to individuals with knowledge of financial records and Contractor's outside auditors, and regular and special reports from Contractor.

8.38.5 Preservation of Records: If, following termination of this Contract, Contractor's facility(ies) is (are) closed or if majority ownership of Contractor changes, then within 48 hours of closure or ownership change, Director of DHCS and Director shall be notified in writing by Contractor of all arrangements made by Contractor for preservation of all the patient/client, financial, and other records referred to in this Paragraph 8.38.

8.38.6 Audits:

8.38.6.1 Contractor shall provide County and its authorized representative's access to and the right to examine, audit, excerpt, copy, or transcribe, any pertinent transaction, activity, time cards, or any other records relating to this Contract.

8.38.6.2 County may, in its sole discretion, perform periodic fiscal and/or program review(s) of Contractor's records that relate to this Contract. If County determines that the results of any such reviews indicate the need for corrective action, Contractor shall within 30 calendar days after receiving the findings of the fiscal and/or program review, either (a) submit a corrective plan of action to DMH, or (b) request a review by the Director. If Contractor requests a review by the Director within the 30 calendar days, and if a corrective plan of action is then required, Contractor shall have 30 calendar days to submit its corrective plan of action.

8.38.6.3 Audit Reports: In the event that any audit of any or all aspects of this Contract is conducted by any federal or State auditor, or by any auditor or accountant employed by Contractor or otherwise, then Contractor shall file a copy of such audit report(s) with DMH's Contracts Development and Administration Division within 30 calendar days of Contractor's receipt thereof, unless otherwise provided by applicable federal or State law or under this Contract. Contractor shall promptly notify County of any request for access to information related to this Contract by any other governmental agency.

8.38.6.4 California Department of Health Care Services (DHCS) Access to Records: Contractor agrees that for a period of ten (10) years following the furnishing of services under this Contract; three (3) years after final audit is completed including appeals, or ten (10) years after termination of this Agreement; whichever occurs later, Contractor shall maintain and make available to the DHCS, the Secretary of the United States Department of Health and Human Services (HHS), or the Controller General of the United States, and any other authorized federal and State agencies, or to any of their duly authorized representatives, the contracts, books, documents and records of Contractor which are necessary to verify the nature and extent of the cost of services hereunder. Furthermore, if Contractor carries out any of the services provided hereunder through any subcontract with a value or cost of TEN THOUSAND DOLLARS ($10,000) or more over a 12-month period with a related organization (as that term is defined under federal law), Contractor agrees that each such subcontract shall provide for such access to the subcontract, books, documents and records of the subcontractor as provided in Paragraph 3.10 and in this Paragraph 8.38.

8.38.6.5 Federal Access to Records: Grant-funded programs require audits and compliance with federal guidelines pursuant to OMB Uniform Guidance, Subpart F: Single Audit Requirements. If, and to the extent that, Section 1861(v)(1)(I) of the Social Security Act (42 United States Code Section 1395x(v)(1)(I)) is applicable, Contractor agrees that for a period of ten (10) years following the furnishing of services under this Contract, three (3) years after final audit is completed including appeals, or ten (10) years after termination of this Contract; whichever, is later, Contractor shall maintain and make available to the Secretary of the United States Department of HHS, or the Controller General of the United States, or to any of their duly authorized representatives, the contracts, books, documents and records of

Contractor which are necessary to verify the nature and extent of the cost of services hereunder. Furthermore, if Contractor carries out any of the services provided hereunder through any subcontract with a value or cost of TEN THOUSAND DOLLARS ($10,000) or more over a 12-month period with a related organization (as that term is defined under federal law), Contractor agrees that each such subcontractor shall provide for such access to the subcontract, books, documents and records of the subcontractor as provided in Paragraph 3.10 and in this Paragraph 8.38.

8.39 Recycled Bond Paper

8.39.1 Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the contractor agrees to use recycled-content paper to the maximum extent possible on this Contract.

8.40 Subcontracting

8.40.1 The requirements of this Contract may not be subcontracted by the contractor **without the advance approval of the County**. Any attempt by the contractor to subcontract without the prior consent of the County may be deemed a material breach of this Contract.

8.40.2 If the contractor desires to subcontract, the contractor shall provide the following information promptly at the County's request:

8.40.2.1 The reasons for the particular subcontract.

8.40.2.2 A detailed description of the services to be performed by the subcontractor;

8.40.2.3 Identification of the proposed subcontractor.

8.40.2.4 A description of the proposed subcontract amount and manner of compensation, together with Contractor's cost or price analysis thereof.

8.40.2.5 A draft copy of the proposed subcontract which shall include the following provisions:

"This contract is a subcontract under the terms of the prime contract with the County of Los Angeles and shall be subject to all of the provisions of such prime contract, including those related to ensuring high quality of service and outcomes".

8.40.2.6 A copy of the proposed subcontract, if in excess of $10,000 and utilizes public funds, shall also contain the following provision:

"The contracting parties shall be subject to the examination and audit of the State Auditor, pursuant to the California Government Code, Section 8546.7.for a period of ten (10) years from the end of the Fiscal Year in which such services were provided or until final resolution of any audits, whichever occurs later."

8.40.2.7 Further, the Contractor will also be subject to the examination and audit of the State Auditor, pursuant to the Government Code, Section 8546.7, for a period of ten (10) years from the end of the fiscal year in which such services were provided or until final resolution of any audits, whichever occurs later.

8.40.2.8 Other pertinent information and/or certifications requested by the County.

8.40.3 The contractor shall indemnify, defend, and hold the County harmless with respect to the activities of each and every subcontractor in the same manner and to the same degree as if such subcontractor(s) were the contractor employees.

8.40.4 The contractor shall remain fully responsible for all performances required of it under this Contract, including those that the contractor has determined to subcontract, notwithstanding the County's approval of the contractor's proposed subcontract.

8.40.5 The County's consent to subcontract shall not waive the County's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Contract. The contractor is responsible to notify its subcontractors of this County right.

8.40.6 The Director is authorized to act for and on behalf of the County with respect to approval of any subcontract and subcontractor employees. After approval of the subcontract by the County, contractor shall forward a fully executed subcontract to the County for their files.

8.40.7 The contractor shall be solely liable and responsible for all payments or other compensation to all subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County's consent to subcontract.

8.40.8 The contractor shall obtain certificates of insurance, which establish that the subcontractor maintains all the programs of insurance required by the County from each approved subcontractor. Before any subcontractor employee may perform any work hereunder, contractor shall ensure delivery of all such documents to:

8.41 Termination for Breach of Warranty to Maintain Compliance with County's Child Support Compliance Program

8.41.1 Failure of the contractor to maintain compliance with the requirements set forth in Paragraph 8.14 (Contractor's Warranty of Adherence to County's Child Support Compliance Program) shall constitute default under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of the contractor to cure such default within ninety (90) calendar days of written notice shall be grounds upon which the County may terminate this Contract pursuant to Paragraph 8.43 (Termination for Default) and pursue debarment of the contractor, pursuant to County Code Chapter 2.202.

8.42 Termination for Convenience

8.42.1 This Contract may be terminated by the County or Contractor at any time without cause by giving at least 30 calendar days prior written notice to the other party.

8.42.2 After receipt of a notice of termination and except as otherwise directed by the County, the contractor shall:

8.42.2.1 On or after the date of the written notice of termination, County, in its sole discretion, may stop all payments to Contractor hereunder until preliminary settlement based on the Annual Cost Report. Contractor shall prepare an Annual Cost Report in accordance with the terms of the Financial Exhibit A.

8.42.2.2 Upon issuance of any notice of termination, Contractor shall make immediate and appropriate plans to transfer or refer all patients/clients receiving services under this Contract to other agencies for continuing services in accordance with the patient's/client's needs. Such plans shall be subject to prior written approval of the Director or his designee, except that in specific cases, as determined by Contractor, where an immediate patient/client transfer or referral is indicated, Contractor may make an immediate transfer or referral. If Contractor terminates this Contract, all costs related to all such transfers or referrals as well as all costs related to all continuing services shall not be a charge to this Contract nor reimbursable in any way under this Contract; and

8.42.2.3 If Contractor is in possession of any equipment, furniture, removable fixtures, materials, or supplies owned by County as provided in Paragraph 9.16 (PURCHASES), the same shall be immediately returned to County.

8.42.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the contractor under this Contract shall be maintained by the contractor in accordance with Paragraph 8.38 (Record Retention and Inspection-Audit Settlement).

8.43 Termination for Default

8.43.1 The County may, by written notice to the contractor, terminate the whole or any part of this Contract, if, in the judgment of County's Director:

8.43.1.1 Contractor has materially breached this Contract; or

8.43.1.2 Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Contract; or

8.43.1.3 Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

8.43.2 In the event that the County terminates this Contract in whole or in part as provided in Paragraph 8.43.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this paragraph.

8.43.3 Except with respect to defaults of any subcontractor, the contractor shall not be liable for any such excess costs of the type identified in Paragraph 8.43.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the contractor and subcontractor, and without the fault or negligence of either of them, the contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be

furnished by the subcontractor were obtainable from other sources in sufficient time to permit the contractor to meet the required performance schedule. As used in this paragraph, the term "subcontractor(s)" means subcontractor(s) at any tier.

8.43.4 If, after the County has given notice of termination under the provisions of Paragraph 8.43 (Termination for Default) it is determined by the County that the contractor was not in default under the provisions of Paragraph 8.43 (Termination for Default) or that the default was excusable under the provisions of subparagraph 8.43.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Paragraph 8.42 (Termination for Convenience).

8.43.5 The rights and remedies of the County provided in this Paragraph 8.43 (Termination for Default) shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.44 Termination for Improper Consideration

8.44.1 The County may, by written notice to the contractor, immediately terminate the right of the contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by the contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment, or extension of this Contract or the making of any determinations with respect to the contractor's performance pursuant to this Contract. In the event of such termination, the County shall be entitled to pursue the same remedies against the contractor as it could pursue in the event of default by the contractor.

8.44.2 The contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

8.44.3 Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

8.45 Termination for Insolvency

8.45.1 The County may terminate this Contract forthwith in the event of the occurrence of any of the following:

8.45.1.1 Insolvency of the contractor. The contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the contractor is insolvent within the meaning of the Federal Bankruptcy Code;

8.45.1.2 The filing of a voluntary or involuntary petition regarding the contractor under the Federal Bankruptcy Code;

8.45.1.3 The appointment of a Receiver or Trustee for the contractor; or

8.45.1.4 The execution by the contractor of a general assignment for the benefit of creditors.

8.45.2 The rights and remedies of the County provided in this Paragraph 8.45 (Termination for Insolvency) shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.46 Termination for Non-Adherence of County Lobbyist Ordinance

8.46.1 The contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the contractor, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the contractor or any County Lobbyist or County Lobbying firm retained by the contractor to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Contract, upon which the County may in its sole discretion, immediately terminate or suspend this Contract.

8.47 Termination for Non-Appropriation of Funds

8.47.1 Notwithstanding any other provision of this Contract, the County shall not be obligated for the contractor's performance hereunder or by any provision of this Contract during any of the County's future fiscal years unless and

until the County's Board of Supervisors appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the contractor in writing of any such non-allocation of funds at the earliest possible date.

8.48 Termination for Breach of Warranty to Maintain Compliance with County's Defaulted Property Tax Reduction Program

8.48.1 Failure of contractor to maintain compliance with the requirements set forth in Paragraph 8.53 "Warranty of Compliance with County's Defaulted Property Tax Reduction Program" shall constitute default under this contract. Without limiting the rights and remedies available to County under any other provision of this contract, failure of contractor to cure such default within ten (10) days of notice shall be grounds upon which County may terminate this contract and/or pursue debarment of contractor, pursuant to County Code Chapter 2.206.

8.49 Time Off for Voting

8.49.1 The contractor shall notify its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the time off for voting law (Elections Code Section 14000). Not less than ten (10) days before every statewide election, every contractor and subcontractors shall keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of Section 14000.

8.50 Validity

8.50.1 If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

8.51 Waiver

8.51.1 No waiver by the County of any breach of any provision of this Contract shall constitute a waiver of any other breach

or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this paragraph 8.53 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.52 Warranty Against Contingent Fees

8.52.1 The contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the contractor for the purpose of securing business.

8.52.2 For breach of this warranty, the County shall have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

8.53 Warranty of Compliance with County's Defaulted Property Tax Reduction Program

8.53.1 Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

Unless contractor qualifies for an exemption or exclusion, contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this contract will maintain compliance, with Los Angeles County Code Chapter 2.206.

8.54 Compliance with County's Zero Tolerance Policy on Human Trafficking

Contractor acknowledges that the County has established a Zero Tolerance Policy on Human Trafficking prohibiting contractors from engaging in human trafficking.

If a Contractor or member of Contractor's staff is convicted of a human trafficking offense, the County shall require that the Contractor or member of Contractor's staff be removed immediately from performing services under the Contract. County will not be under any obligation to disclose confidential information regarding the offenses other than those required by law.

Disqualification of any member of Contractor's staff pursuant to this paragraph shall not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of this Contract.

9 UNIQUE TERMS AND CONDITIONS

9.1 Third Party Beneficiaries

9.1.1 Notwithstanding any other provision of this Contract, the parties do not in any way intend that any person or entity shall acquire any rights as a third party beneficiary of this Contract.

9.2 Health Insurance Portability and Accountability Act of 1996 (HIPAA)

9.2.1 The parties acknowledge the existence of the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and its implementing regulations, and subtitle D, Privacy, of the Health Information Technology for Economic and Clinical Health Act (HITECH). Contractor understands and agrees that, as a provider of mental health services, it is a *"Covered Entity"* under HIPAA and HITECH and, as such, has obligations with respect to the confidentiality, privacy, and security of patients' medical information, and must take certain steps to preserve the confidentiality of this information, both internally and externally, including the training of its staff and the establishment of proper procedures for the release of such information, including the use of appropriate consents and authorizations specified under HIPAA and HITECH.

9.2.2 The parties acknowledge their separate and independent obligations with respect to HIPAA and HITECH and that such obligations relate to *transactions and code sets, privacy, and security.* Contractor understands and agrees that it is separately and independently responsible for compliance with HIPAA and HITECH in all these areas and that County has not undertaken any responsibility for compliance on contractor's behalf. Contractor has not relied, and will not in any way rely, on County for legal advice or other representations with respect to contractor's obligations under

HIPAA and HITECH but will independently seek its own counsel and take the necessary measures to comply with the law and its implementing regulations.

9.2.3 Contractor and County understand and agree that each is independently responsible for HIPAA and HITECH compliance and agree to take all necessary and reasonable actions to comply with the requirements of the HIPAA and HITECH laws and implementing regulations related to transactions and code sets, privacy, and security.

9.2.4 Each party further agrees that, should it fail to comply with its obligations under HIPAA and HITECH, it shall indemnify and hold harmless the other party (including the other party's officers, employees, and agents), for damages to the other party that are attributable to such failure.

9.2.5 Contractor and County understand and agree that HIPAA has imposed additional requirements in regards to changes in DMH's County's information system.

(1) County has a Guide to Procedure Codes available at http://lacdmh.lacounty.gov/hipaa/index.html which includes a "crosswalk" of DMH activity codes to Current Procedural Terminology (CPT) and Health Care Procedure Coding System (HCPCS) codes.

(2) County has electronic Data Interchange (EDI) Contract forms available at http://lacdmh.lacounty.gov/hipaa/edi_homepage.html and http://lacdmh.lacounty.gov/hipaa/IBHIS_EDI_homepage.htm which includes information about the applicable HIPAA transactions that can be processed in the Integrated Behavioral Health Information System (IBHIS)

Contractor acknowledges that County is using the IBHIS in which clinical, demographic, administrative, financial, claims, outcomes, and other information will be exchanged between DMH and contract providers exclusively through the use of EDI transactions and other County defined b2b ("Business-to-Business") data collection and interoperability solutions.

(3) As County defines requirements for each transaction and determines the method by which each transaction is to be exchanged between Contractor and County,

County shall notify Contractor of the effective date(s) by which Contractor shall be required to implement each newly defined interface through County's release of revised Companion Guides. Revised Companion Guides shall be released prior to the effective date(s) upon which each newly defined interface is required in accordance with the schedule below and in accordance with County's estimate of the effort required to implement each newly defined interface, unless earlier effective date(s) are imposed by law or regulation, or earlier effective dates(s) are established by mutual contract between County and Contractor.

(a) 120 days for new interface requiring major development and testing,

(b) 90 days for new interfaces requiring moderate development and testing; and

(c) 60 days for new interfaces requiring minimal development and testing.

(4) Contractor acknowledges that County may modify interfaces requirements as deemed needed by County. County shall notify Contractor of the effective dates(s) by which Contractor shall be required to comply with each modified interface in accordance with County's revised requirements through County's release of revised Companion Guides. Revised Companion Guides shall be released prior to the effective date(s) upon which each modified interface is required in accordance with the schedule below and in accordance with County's estimate of the effort required to implement each revised interface, unless earlier effective dates(s) are imposed by law or regulation, or earlier effective dates(s) are established by mutual contract between County and Contractor.

(a) 90 days for existing interfaces requiring major development and testing;

(b) 60 days for existing interfaces that requiring moderate development and testing; and

(c) 30 days for existing interfaces requiring minimal development and testing.

(5) Contractor agrees to comply with the exchange of all required interfaces specified by County and the method by which these transactions are to be exchanged between Contractor and County as of the effectives date(s) specified by County.

(6) County has Trading Partner Agent Authorization Contracts available at http://lacdmh.lacounty.gov/hipaa/edi_homepage.html and http://lacdmh.lacounty.gov/hipaa/IBHIS_EDI_homepage.htm which includes the Contractor's authorization to its Agent(s) to submit HIPAA-compliant transactions on behalf of Contractor to the IBHIS.

9.2.6 Contractor understands that County operates an informational website http://dmh.lacounty.gov/wps/portal/dmh related to the services under this Contract and the parties' HIPAA obligations, and agrees to undertake reasonable efforts to utilize said website to obtain updates, other information, and forms to assist Contractor in its performance.

9.2.7 Contractor understands and agrees that if it uses the services of an Agent in any capacity in order to receive, transmit, store or otherwise process Data or Data Transmissions or perform related activities, the Contractor shall be fully liable to DMH for any acts, failures or omissions of the Agent in providing said services as though they were the Contractor's own acts, failures, or omissions.

9.2.8 Contractor further understands and agrees that the terms and conditions of the current IBHIS Trading Partner Contract (TPA) available at http://lacdmh.lacounty.gov/hipaa/edi_homepage.html and http://lacdmh.lacounty.gov/hipaa/IBHIS_EDI_homepage.htm respectively, shall apply to this Contract and that said Terms and Conditions are incorporated by reference as though fully set forth herein.

9.2.9 Contractor acknowledges that County participates in the Meaningful Use of Electronic Health Records Incentive Program (MU Program) under the HITECH Act which requires the annual submission of data documenting the compliance of eligible professionals with certain MU measures.

9.2.10 County and Contractor further understand and agree that mutual cooperation in the collection and reporting of MU

Program measures may be required in cases in which both County and Contractor have employed or contracted the professional medical services of the same eligible professional during any calendar year in which the MU Program is in effect. In such cases, the requesting party shall deliver to the receiving party a letter on agency letterhead indicating the specific information requested, the format in which the information is to be delivered to the requesting party, and the required date of delivery of the information requested. The receiving party shall have 30 days from receipt of the request to deliver the requested information to the requesting party in the format specified by the requester.

9.3 Contractor Protection of Electronic County Information

9.3.1 The Board has recognized that the County must ensure that appropriate safeguards are in place to protect public data and avoid the penalties and fines that may be imposed when unprotected confidential/sensitive information is disclosed inappropriately. The County Policy 5.200 "Contractor Protection of Electronic County Information" for specific details on this policy reference the following link: https://library.municode.com/ca/la_county_bos/codes/board_policy?nodeId=CH5COPU_5.200COPRELCOIN was adopted to protect personal information (PI), protected health information (PHI) and medical information (MI) electronically stored and/or transmitted by County Contractors. Contractor agrees that it will comply with County Policy 5.200, as it now exist or as it might be modified in the future, as it relates to information acquired in the course of providing services during the term of this Contract.

9.3.2 Contractor shall comply with the encryption standards set forth in Exhibit Q, Protection of Electronic County PI, PHI and MI (Data Encryption) and submit Required Forms Exhibit R, LACDMH Contractor's Compliance with Encryption Requirements. Encryption requirements shall apply to all County PI, PHI and MI electronically stored or transmitted by Contractors and subcontractors, irrespective of storage and/or transmission methodology.

9.3.3 Contractor shall comply with the Information Security Requirements set for in Exhibit T, Information Security and Privacy Requirements.

9.3.4 Contractor shall complete and submit to DMH the Confidentiality Oath (Non-LAC-DMH Workforce Members), Exhibit U to this Contract.

9.3.5 Contractor shall sign, submit to DMH and comply with County of Los Angeles Agreement for Acceptable Use and Confidentiality of County Information Technology Resources, Exhibit S to this Contract.

9.4 Technology Requirements

9.4.1 Contractor shall acquire, manage, and maintain Contractor's own information technology, infrastructure, platforms, systems and/or services in order to meet all requirements specified by County for interoperability (as stated in section 9.2.5).

9.4.2 Contractor shall ensure that each individual using electronic methods to sign electronic health records in the performance of work specified under this Contract completes an Electronic Signature Agreement annually. The Electronic Signature Agreement shall be substantially similar to the sample available at http://lacdmh.lacounty.gov/hipaa/edi_homepage.html.

9.4.2.1 Contractor shall maintain a copy of each Electronic Signature Contract and make them available for inspection by County upon request.

9.4.2.2 Contractor shall submit to County a Legal Entity Electronic Signature Certification to certify compliance with this provision of this Contract. Contractors who implement electronic methods to sign electronic health records subsequent to the execution of this Contract shall submit to County a Legal Entity Electronic Signature Certification immediately upon implementation. The Legal Entity Electronic Signature Certification to be used by Contractor is found at http://lacdmh.lacounty.gov/hipaa/edi_homepage.html. Nothing in this requirement is intended to imply that Contractor qualifies as a Legal Entity, as that term is generally understood by Department.

9.5 Contractor's Charitable Activities Compliance

The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the Charitable Contributions Certification, Exhibit O, the County seeks to ensure that all County contractors which receive or raise charitable contributions comply with California law in order to protect the County and its taxpayers. A Contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings or both. (County Code Chapter 2.202)

9.6 Data Destruction

Contractor(s) and Vendor(s) that have maintained, processed, or stored the County of Los Angeles' ("County") data and/or information, implied or expressed, have the sole responsibility to certify that the data and information have been appropriately destroyed consistent with the National Institute of Standards and Technology (NIST) Special Publication SP 800-88 titled Guidelines for Media Sanitization. Available at: http://csrc.nist.gov/publications/PubsDrafts.html#SP-800-88 Rev.%201

The data and/or information may be stored on purchased, leased, or rented electronic storage equipment (e.g., printers, hard drives) and electronic devices (e.g., servers, workstations) that are geographically located within the County, or external to the County's boundaries. The County must receive within twenty (20) business days, a signed document from Contractor(s) and Vendor(s) that certifies and validates the data and information containing PHI and PII were placed in one or more of the following stored states: unusable, unreadable, and indecipherable.

Vendor shall certify that any County data stored on purchased, leased, or rented electronic storage equipment and electronic devices, including, but not limited to printers, hard drives, servers, and/or workstations are destroyed consistent with the current National Institute of Standard and Technology (NIST) Special Publication SP-800-88, Guidelines for Media Sanitization. Vendor shall provide County with written certification. within ten (10) business days of removal of any electronic storage equipment and devices that validates that any and all County data was destroyed and is unusable, unreadable, and/or undecipherable.

9.7 Local Small Business Enterprise (LSBE) Preference Program

9.7.1 This Contract is subject to the provisions of the County's ordinance entitled LSBE Preference Program, as codified in Chapter 2.204 of the Los Angeles County Code.

9.7.2 The Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a LSBE.

9.7.3 The Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a LSBE.

9.7.4 If the Contractor has obtained certification as a LSBE by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this contract to which it would not otherwise have been entitled, shall:

1. Pay to the County any difference between the contract amount and what the County's costs would have been if the contract had been properly awarded;

2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than ten (10) percent of the amount of the contract; and

3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

The above penalties shall also apply to any business that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the State and the Department of Consumer and Business Affairs of this information prior to responding to a solicitation or accepting a contract award.

9.8 Social Enterprise (SE) Preference Program

9.8.1 This Contract is subject to the provisions of the County's ordinance entitled SE Preference Program, as codified in Chapter 2.205 of the Los Angeles County Code.

9.8.2 Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a SE.

9.8.3 Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a SE.

9.8.4 If Contractor has obtained County certification as a SE by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this contract to which it would not otherwise have been entitled, Contractor shall:

1. Pay to the County any difference between the contract amount and what the County's costs would have been if the contract had been properly awarded;

2. In addition to the amount described in subdivision (1) above, the Contractor will be assessed a penalty in an amount of not more than ten percent (10%) of the amount of the contract; and

3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

The above penalties shall also apply to any entity that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the Department of Consumer and Business Affairs of this information prior to responding to a solicitation or accepting a contract award.

9.9 Disabled Veteran Business Enterprise (DVBE) Preference Program

9.9.1 This Contract is subject to the provisions of the County's ordinance entitled DVBE Preference Program, as codified in Chapter 2.211 of the Los Angeles County Code.

9.9.2 Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a DVBE.

9.9.3 Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a DVBE.

9.9.4 If Contractor has obtained certification as a DVBE by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this contract to which it would not otherwise have been entitled, Contractor shall:

1. Pay to the County any difference between the contract amount and what the County's costs would have been if the contract had been properly awarded;

2. In addition to the amount described in subdivision (1) above, the Contractor will be assessed a penalty in an amount of not more than 10 percent of the amount of the contract; and

3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

Notwithstanding any other remedies in this contract, the above penalties shall also apply to any business that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the State and the Department of Consumer and Business Affairs of this

information prior to responding to a solicitation or accepting a contract award.

9.10 Air or Water Pollution Requirements: Unless specifically exempted under federal law, any federally funded Legal Entity Contract and/or any subcontracts in excess of $100,000 must comply with the following provisions:

9.10.1 Contractor agrees to comply with all applicable standards, orders, or requirements issued under section 306 of the Clean Air Act [42 U.S.C. 1857(h)], section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR Chapter 1).

9.10.2 Institutions of higher education, hospitals, nonprofit organizations and commercial businesses agree to comply with all applicable standards, orders, or requirements issued under the Clean Air Act (42 U.S.C. 7401 et seq.), as amended, and the Federal Water Pollution Control Act (33 U.S.C. 1251 et seq.), as amended.

9.11 Contractor's Exclusion From Participation In A Federally Funded Program

9.11.1 Contractor hereby warrants that neither it nor any of its staff members is restricted, excluded or suspended from providing services under any health care program funded by the federal government, directly or indirectly, in whole or in part, and that Contractor will notify Director within 30 calendar days in writing of: (1) any event that would require Contractor or a staff member's mandatory exclusion or suspension from participation in a federally funded health care program; and (2) any exclusionary or suspension action taken by any agency of the federal or State governments against Contractor or one or more staff members barring it or the staff members from participation in a federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part. This warranty and notice requirements apply equally to suspensions from the Medi-Cal program as well as any other federally funded health care programs including but not limited to Medicare and Healthy Families.

9.11.2 There are a variety of different reasons why an individual or entity may be excluded from participating in a federally funded health care program. Sometimes, the exclusion is mandatory and in other cases the Office of Inspector General (OIG), and State officials have the discretion not to exclude.

9.11.3 The mandatory bases for federal exclusion include: (1) felony convictions for program related crimes, including fraud or false claims, or for offenses related to the dispensing or use of controlled substances, or (2) convictions related to patient abuse.

9.11.4 Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or financial misconduct involving a government program; (2) obstructing an investigation; (3) failing to provide access to documents or premises as required by federal health care program officials; (4) conviction of a misdemeanor related to controlled substances; (5) failing to disclose information about the entity itself, its subcontractors or its significant business transactions; (6) loss of a State license to practice a health care profession; (7) default on a student loan given in connection with education in a health profession; (8) charging excessive amounts to a federally funded health care program or furnishing services of poor quality or which are substantially in excess of the needs of the patients; (9) paying a kickback or submitting a false or fraudulent claim. Persons controlling or managing excluded entities who knew of the conduct leading to the exclusion can themselves be excluded, and entities which are owned and controlled by excluded individuals can also be excluded. Mandatory exclusions under State law from Medi-Cal are similar but also include convictions of a misdemeanor for fraud or abuse involving the Medi-Cal program or a Medi-Cal beneficiary.

9.11.5 Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any federal or State exclusion or suspension of Contractor or its staff members from such participation in a federally funded health care program. Contractor shall provide the certification set forth in Exhibit K (Attestation Regarding

Federally Funded Program) as part of its obligation under this Paragraph 9.11.

9.11.6 Contractor shall also comply with DMH Policy 106.04 (Contractors Eligibility to Provide Goods and Services to Federally Funded Health Care Programs and to Secure Federally Funded Contracts) which includes the following topics: 1) Contractor's responsibility for any and all Civil Monetary Penalties associated with repayments for claims submitted for excluded or suspended agencies or individuals and 2) Contractor's responsibility to provide employee identification information within three (3) business days should DMH or its representatives request it related to sanction list screening compliance.

9.11.7 Failure by Contractor to meet the requirements of this Paragraph 9.11 shall constitute a material breach of Contract upon which County may immediately terminate or suspend this Contract.

9.12 Certification Regarding Debarment, Suspension, Ineligibility And Voluntary Exclusion – Lower Tier Covered Transactions (45 C.F.R. Part 76)

9.12.1 In addition to Paragraph 8.12 (Contractor Responsibility and Debarment) the Contractor hereby acknowledges that the County is prohibited from contracting with and making sub-awards to parties that are suspended, debarred, ineligible, or excluded or whose principals are suspended, debarred, ineligible, or excluded from securing federally funded contracts. By executing this Contract, Contractor certifies that neither it nor any of its owners, officers, partners, directors or other principals is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Further, by executing this Contract, Contractor certifies that, to its knowledge, none of its subcontractors, at any tier, or any owner, officer, partner, director or other principal of any subcontractor is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Contractor shall immediately notify County in writing, during the term of this Contract, should it or any of its subcontractors or any principals of either be suspended, debarred, ineligible, or excluded from securing federally funded contracts. Failure of Contractor to comply with this provision shall constitute a material breach

of this Contract upon which the County may immediately terminate or suspend this Contract.

9.13 Restrictions On Lobbying

9.13.1 If any federal funds are to be used to pay for any of Contractor's services under this Contract, Contractor shall fully comply with all certification and disclosure requirements prescribed by Section 319 of Public Law 101 121 (31 United States Code Section 1352) and any implementing regulations, and shall ensure that each of its subcontractors receiving funds under this Contract also fully complies with all such certification and disclosure requirements.

9.14 Disclosures

9.14.1 Disclosure of 5% or More Ownership Interest: Pursuant to Code of Federal Regulations (CFR) Paragraph 455.104, Contractor shall submit the disclosures below to County regarding ownership and control. Contractor shall provide the certification set forth in Exhibit P (Ownership/Controlling Interest Disclosure) as part of its obligation under this Paragraph 9.14. Contractor must submit updated disclosures (Exhibit P) to County before entering into contract, and within 35 days after any change in the Contractor's ownership or upon request by the County. Contractor shall send all the disclosures to those persons and addresses which are set forth in Paragraph 8.34 (NOTICES).

(a) Disclosures to be provided:

i. The name and address of any person (individual or corporation) with an ownership of control interest in the Contractor's business. The address for corporate entities shall include, as applicable, a primary business address, every business location, and a P.O. Box address;

ii. Date of birth and Social Security Number (in the case of an individual);

iii. Other tax identification number (in the case of corporation with a 5% or more ownership or control interest in Contractors' business);

iv. Whether the person (individual or corporation) with an ownership or control interest in the Contractor's business is related to another person with ownership or control in the Contractor's business such as a spouse, parent, child, or sibling;

v. The name of any other disclosing entity in which the Contractor has an ownership or control interest; and

vi. The name, address, date of birth, and Social Security Number of any managing employee of the Contractor.

9.14.2 Disclosures Related to Business Transactions: Contractor must submit disclosures and updated disclosures to County including information regarding certain business transactions within 35 days, upon request:

(a) The ownership of any subcontractor with whom the Contractor has had business transactions totaling more than $25,000 during the 12-month period ending on the date of the request; and

(b) Any significant business transactions between the Contractor and any subcontractor during the 5-year period ending on the date of the request.

9.14.3 Disclosure Related to Persons Convicted of Crimes: Contractor shall submit the following disclosures to County regarding the Contractor's management:

(a) The identity of any person who is a managing employee of the Contractor who has been convicted of a crime related to federal health care programs (42 CFR Paragraph 455.106(a)(1), (2).)

(b) The identity of any person who is an agent of the Contractor who has been convicted of a crime related to federal health care programs (42 CFR Paragraph

455.106(a)(1), (2).) For this purpose, the word "agent" has the meaning described in 42 CFR Paragraph 455.101.

(c) The Contractor shall supply the disclosures before entering into the contract and at any time upon County's request.

(d) Contractor's subcontractors, if any, shall submit the same disclosures to the Contractor regarding the subcontractors' owners, persons with controlling interest, agents, and managing employees' criminal convictions. Subcontractors shall supply the disclosures before entering into a contract and at any time upon County's request.

9.15 Certification Of Drug-Free Work Place

9.15.1 Contractor certifies and agrees that Contractor and its employees shall comply with DMH's policy of maintaining a drug-free work place. Contractor and its employees shall not manufacture, distribute, dispense, possess, or use any controlled substances as defined in 21 United States Code Section 812, including, but not limited to, marijuana, heroin, cocaine, and amphetamines, at any of Contractor's facilities or work sites or County's facilities or work sites. If Contractor or any of its employees is convicted of or pleads nolo contendere to any criminal drug statute violation occurring at any such facility or work site, then Contractor, within five (5) days thereafter, shall notify Director in writing.

9.16 Purchases

9.16.1 Purchase Practices: Contractor shall fully comply with all federal, State and County laws, ordinances, rules, regulations, manuals, guidelines, and directives, in acquiring all furniture, fixtures, equipment, materials, and supplies. Such items shall be acquired at the lowest possible price or cost if funding is provided for such purposes hereunder.

9.16.2 Proprietary Interest of County: In accordance with all applicable federal, State and County laws, ordinances,

rules, regulations, manuals, guidelines and directives, County shall retain all proprietary interest, except the use during the term of this Contract, in all furniture, fixtures, equipment, materials, and supplies, purchased or obtained by Contractor using any County funds. Upon the expiration or termination of this Contract, the discontinuance of the business of Contractor, the failure of Contractor to comply with any of the provisions of this Contract, the bankruptcy of Contractor or its giving an assignment for the benefit of creditors, or the failure of Contractor to satisfy any judgment against it within 30 calendar days of filing, County shall have the right to take immediate possession of all such furniture, removable fixtures, equipment, materials, and supplies, without any claim for reimbursement whatsoever on the part of Contractor. County, in conjunction with Contractor, shall attach identifying labels on all such property indicating the proprietary interest of County.

9.16.3 Inventory Records, Controls and Reports: Contractor shall maintain accurate and complete inventory records and controls for all furniture, fixtures, equipment, materials, and supplies, purchased or obtained using any County funds. Within 90 calendar days following the execution of this Contract, Contractor shall provide Director with an accurate and complete inventory report of all furniture, fixtures, equipment, materials, and supplies, purchased or obtained using any County funds. The inventory report shall be prepared by Contractor on a form or forms designated by Director, certified and signed by an authorized officer of Contractor, and one copy thereof shall be delivered to County within 30 calendar days of any change in the inventory. Within five business days after the expiration or termination of the Contract, Contractor shall submit to County six copies of the same inventory report updated to the expiration or termination date of the Contract, certified and signed by an authorized officer of Contractor, based on a physical count of all items of furniture, fixtures, equipment, materials, and supplies, as of such expiration or termination date.

9.16.4 Protection of Property in Contractor's Custody: Contractor shall maintain vigilance and take all reasonable precautions, to protect all furniture, fixtures, equipment, materials, and supplies, purchased or obtained using any County funds, against any damage or loss by fire, burglary, theft, disappearance, vandalism or misuse. In the event of any burglary, theft, disappearance, or vandalism of any item of furniture, fixtures, equipment, materials, and supplies, Contractor shall immediately notify the police and make a written report thereof, including a report of the results of any investigation which may be made. In the event of any damage or loss of any item of furniture, fixtures, equipment, materials, and supplies, from any cause, Contractor shall immediately send Director a detailed, written report. Contractor shall contact DMH's Administrative Services Division for instructions for disposition of any such property which is worn out or unusable.

9.16.5 Disposition of Property in Contractor's Custody: Upon the termination of the funding of any program covered by this Contract, or upon the expiration or termination of this Contract, or at any other time that County may request, Contractor shall: (1) provide access to and render all necessary assistance for physical removal by County or its authorized representatives of any or all furniture, fixtures, equipment, materials, and supplies, purchased or obtained using any County funds, in the same condition as such property was received by Contractor, reasonable wear and tear excepted, or (2) at Director's option, deliver any or all items of such property to a location designated by Director. Any disposition, settlement or adjustment connected with such property shall be in accordance with all applicable federal, State and County laws, ordinances, rules, regulations, manuals, guidelines and directives.

EXHIBIT

EXHIBIT A-1: COUNTY OF LOS ANGELES DEPARTMENT OF MENTAL HEALTH CONTRACTOR CLAIMS CERTIFICATION FOR TITLE XIX SHORT-DOYLE MEDI-CAL AND TITLE XXI MEDICAID CHILDREN'S HEALTH INSURANCE PROGRAM REIMBURSEMENTS

FINANCIAL EXHIBIT A
FINANCIAL PROVISIONS

A. GENERAL

(1) The County shall pay Contractor in arrears for eligible services provided under this DMH Legal Entity Contract and in accordance with the terms of this Financial Exhibit A up to the amounts identified for each Funded Program as shown in the Financial Summary and as otherwise may be limited under this DMH Legal Entity Contract and the exhibits thereto, including but not limited to this Financial Exhibit A and the Financial Summary.

(a) For the purposes of the Contract, a "Funded Program" is a set of services and/or activities (including invoiced services and activities) paid through a particular funding source for the benefit of a specific beneficiary or program (e.g., Medi-Cal or Non-Medi-Cal) as identified on a row of the Financial Summary.

(b) For the purposes of the Contract, the "Funded Program Amount" is the amount identified in the last column of the Financial Summary for each Funded Program.

(c) For the purposes of this Contract, "Non-Medi-Cal" includes all of the following: Persons with no known outside payer source, persons for whom eligibility for benefits under the State's Medi-Cal programs is being determined or established, and persons whose eligibility for the Medi-Cal programs was unknown at the time that services were rendered.

(d) The Contractor understands and agrees that the Medi-Cal Funded Program Amount(s) in the Financial Summary is provided based on Contractor's ability to provide specific services and/or serve specific populations, which may include but is not limited to, Medi-Cal beneficiaries eligible under Early and Periodic, Screening, Diagnosis, and Treatment (EPSDT) Program; Title XXI Medicaid Children's Health Insurance Program (MCHIP); existing Title XIX Short-Doyle/Medi-Cal Program for low-income individuals who are age 65 or older, blind, disabled, or members of families with dependent children or qualified pregnant women or children; and, Medicaid (Medi-Cal in California) Coverage Expansion under the Affordable Care Act, as set forth in the Negotiation Package. Therefore, Contractor shall ensure access and provision of a full array of Specialty Mental Health Services to all eligible beneficiaries based on client needs, as set forth in the Negotiation Package under this Contract.

(2) The Contractor shall comply with all requirements necessary for reimbursement as established by federal, State and local statutes, laws, ordinances, rules, regulations, manuals, policies, guidelines and directives.

(3) In order to reduce County costs, the Contractor shall comply with all applicable provisions of the Welfare and Institutions Code (WIC) and/or California Code of Regulations (CCR) related to reimbursement by non-County and non-State sources, including, but not limited to, collecting reimbursement for services from clients (which shall be the same as patient fees established pursuant to WIC Section 5710) and from private or public third-party payers. In addition, Contractor shall ensure that, to the extent a recipient of services under this Contract is eligible for coverage under Medi-Cal or Medicare or any other federal or State funded program (an eligible beneficiary), services provided to such eligible beneficiary are billed appropriately.

(a) Contractor shall be responsible for delivering services to the extent that funding is allocated by County. To the extent that Contractor does not have funds allocated in this Contract for a Funded Program that pays for services to a particular eligible beneficiary, Contractor shall, at the first opportunity, refer said eligible beneficiary to another Contractor or County facility that, to the extent feasible, is within the same geographic area and has funds allocated for the needed service(s).

(b) To the extent that the County determines Contractor has improperly billed for services to a particular Funded Program, County in its discretion may disallow payment of said services and/or may make corrective accounting entries to post the payment of the said services to the appropriate Funded Program and/or require Contractor to void said claimed services and replace/resubmit said services for payment from the correct Funded Program, if applicable.

(4) The Countywide Maximum Allowances (CMA) are in effect during the Initial Period, the First Automatic Renewal Period, and the Second Automatic Renewal Period, or any part thereof, and shall be applicable to this Contract as of the date executed by DMH.

B. LIMITATIONS ON MAXIMUM REIMBURSEMENT

(1) The total maximum reimbursement that will be paid by County to Contractor under this Contract, including Cash Flow Advances (CFA) if applicable, for the Initial Period, First Automatic Renewal Period, and the Second Automatic Renewal Period shall be, in no event more than, the Maximum Contract Amount (MCA) specified in Contract, for the Initial Period, First Automatic Renewal Period, and the Second Automatic Renewal Period, respectively, of this Contract.

(a) In addition to the general limitation of Paragraph B (1) of this Financial Exhibit A, in no event shall the maximum reimbursement that will be paid by County to Contractor under this Contract for any Funded Program be more than the amount identified as the Funded Program Amount for each Funded Program, as stated on the Financial Summary for the Initial Period, First Automatic Renewal Period and the Second Automatic Renewal Period, as applicable.

(2) Contractor shall immediately provide written notice to the County when, based on the Contractor's own internal records, it has billed for services/activities under this Contract in an amount equal to seventy-five (75) percent of the total MCA or seventy-five (75) percent of the Funded Program Amount(s) during the Initial Period, First Automatic Renewal Period or the Second Automatic Renewal Period of this Contract.

(a) Contractor shall send such notice to those persons and addresses which are set forth in the DMH Legal Entity Contract, Paragraph 8.34 (NOTICES).

(b) Failure of Contractor to comply with Subparagraph (2) of this Paragraph B (LIMITATIONS ON MAXIMUM REIMBURSEMENT) will be considered a breach of this Contract.

(3) Except as otherwise provided in this Contract, the total MCA and/or the Funded Program Amount(s) for any of the periods specified in this Financial Exhibit A (FINANCIAL PROVISIONS), Paragraphs C (REIMBURSEMENT FOR INITIAL PERIOD) and D (REIMBURSEMENT IF CONTRACT IS AUTOMATICALLY RENEWED) may not be increased or decreased without a properly executed amendment to this Contract. The Parties acknowledge that the actual number of individuals seeking care from Contractor who are eligible under a particular Funded Program may differ from the estimated number upon which the Funded Program Amounts were based and that it may be appropriate to increase Contractor's responsibility to provide services to certain eligible individuals while decreasing its responsibilities to provide services to other eligible individuals. Any such modification in Contractor's responsibilities, along with commensurate changes in the appropriate Funded Program Amounts, may be accomplished through a formal amendment or administrative amendment for shifting of funds, completed in advance of the provision of services and as outlined in the DMH Policy, *Shifting Guidelines for the Legal Entity Agreement.* In case of an administrative amendment, such administrative amendment may be executed by Director under delegated authority from the Board of Supervisors without prior approval of County Counsel. Such administrative amendment may be initiated by the County, with Contractor's written consent. Contractor's signature will be required to make such administrative amendment effective.

C. REIMBURSEMENT FOR INITIAL PERIOD

(1) The MCA for the Initial Period of this Contract as described in Paragraph 4 (TERM) of the Legal Entity Contract shall not exceed THREE MILLION THREE HUNDRED SIXTY-ONE THOUSAND TWO HUNDRED EIGHTY-TWO DOLLARS (**$3,361,282**) and shall consist of Funded Programs as shown on the Financial Summary.

D. REIMBURSEMENT IF CONTRACT IS AUTOMATICALLY RENEWED

(1) Reimbursement For First Automatic Renewal Period : The MCA for the First Automatic Renewal Period of this Contract as described in Paragraph 4 (TERM) of the DMH Legal Entity Contract shall not exceed THREE MILLION THREE HUNDRED SIXTY-ONE THOUSAND TWO HUNDRED EIGHTY-TWO (**$3,361,282**) and shall consist of Funded Programs as shown on the Financial Summary.

(2) Reimbursement For Second Automatic Renewal Period: The MCA for the Second Automatic Renewal Period of this Contract as described in Paragraph 4 (TERM) of the DMH Legal Entity Contract shall not exceed THREE MILLION THREE HUNDRED SIXTY-ONE THOUSAND TWO HUNDRED EIGHTY-TWO DOLLARS (**$3,361,282**) and shall consist of Funded Programs as shown on the Financial Summary.

E. REIMBURSEMENT BASIS

(1) Reimbursement Rates for Mental Health Services: For mental health services claimed and billed through the County's claims processing information system, and except as further limited elsewhere in this Contract, Contractor will utilize provisional rates based on a Cost Reimbursement methodology under this Contract, except as may be provided under Subparagraph (4) of this Paragraph E (REIMBURSEMENT BASIS) of this Financial Exhibit A.

(a) Contractor shall calculate its requested provisional rates in accordance with the terms and limitations set forth in DMH Policy, *Provisional Rate Setting.*

(b) Requested provisional rates for services provided under this Contract shall be uniform, unless otherwise agreed to by County and Contractor, and will apply to all similar services regardless of Funded Program.

(c) Notwithstanding any other provision of this Contract, in no event may Contractor request a provisional rate that exceeds the CMA or request a provisional rate that exceeds Contractor's published charge(s) to the general public except if the Contractor is a Nominal Charge Provider.

(d) All provisional rates are subject to prior review and approval of the County consistent with the DMH Policy, *Provisional Rate Setting*.

(e) County's approval of Contractor's provisional rates does not guarantee payment at the provisional rate.

(f) Contractor shall be reimbursed provisionally based on Contractor's provisional rate, subject to and in accordance with the terms of this Contract.

(2) Reimbursement Rates for Institutions for Mental Diseases: Pursuant to Section 5902(e) of the WIC, Institutions for Mental Diseases (IMD), which are licensed as level B nursing facilities (SNF) by the State Department of Health Care Services (SDHCS), are reimbursed for basic services at the rate(s) established by SDHCS for Medi-Cal services provided by level B nursing facilities, in addition to the Medi-Cal rate established by SDHCS for a Special Treatment Plan (STP). Accordingly, the IMD reimbursement rate will consist of a basic SNF rate and a STP rate; and for some IMD programs a rate for specialized programming and/or provision of more intensive mental health services provided to clients at County's request, if applicable; or a Mental Health Rehabilitation Center (MHRC) rate established by the County for basic services and, if applicable, specialized programming and/or provision of more intensive mental health services provided to clients at County's request.

(3) Reimbursement for Medi-Cal Administrative Activities (MAA): Reimbursement for MAA shall be based on the direct and indirect costs of the actual time spent performing MAA services using State's latest MAA claim template

(4) Reimbursement of Other Costs and Direct Charges: Certain Funded Programs may provide for and allow Contractor to submit requests for reimbursement to the County for specific expenses that cannot be claimed through the County's claims processing information system. These expenses shall be referred to as a "Direct Charge." Such reimbursement shall be based on actual costs plus an administrative fee, if applicable, expressed as a percentage of actual costs, which shall be reviewed and approved in advance by the County.

(5) Unique Funded Program: To the extent that Contractor's Contract includes a Funded Program which has billing and payment requirements that are not consistent with the provisions of this Paragraph E (REIMBURSEMENT BASIS), the special billing and payment requirements shall be set forth in an amendment or other written form of addenda to this Financial Exhibit A memorializing the specific billing and payment requirement which shall be signed by Contractor and Director.

F. BILLING PROCEDURES

(1) If Title XIX Short-Doyle/Medi-Cal services, and/or MAA, and/or Title XXI MCHIP services are provided under this Contract, Contractor authorizes County to serve as the Mental Health Plan for State claiming and reimbursement and to act on Contractor's behalf with SDHCS in regard to claiming.

(2) Claims Certification and Program Integrity:

(a) Contractor hereby certifies that all units of service entered by Contractor into the County's claims processing information system and/or the MAA data base system and/or claims for actual costs submitted as Direct Charges to County for any Funded Program covered by this Contract are true and accurate to the best of Contractor's knowledge.

(b) Contractor shall annually provide the additional certification set forth in the "Contractor Claims Certification for Title XIX Short-Doyle/Medi-Cal and Title XXI Medicaid Children's Health Insurance Program Reimbursements" (Exhibit A–1 to this Exhibit A) related to the Contractor's compliance with specific State and federal statutory and regulatory requirements which are conditions for the reimbursement of Title XIX Short-Doyle/Medi-Cal and/or MAA and/or Title XXI MCHIP claims.

(3) Mental Health Services: Claims for all mental health services, including services funded by Title XIX Short-Doyle/Medi-Cal and Title XXI MCHIP, shall be entered into the County's claims processing information system within 30 calendar days of the end of the month in which services are delivered, except as otherwise provided in this Paragraph F (BILLING PROCEDURES).

(a) Contractor must submit claims within 30 calendar days as specified above unless there is a reasonable justification in which case Contractor must submit (i) an initial or original (non-replacement) claim, including claims for services under Title XIX Short-Doyle/Medi-Cal or under Title XXI MCHIP, within six (6) months after the end of the month in which the services were rendered, to the extent doing so would not preclude payment from a funding source; and (ii) a replacement claim for services under Title XIX Short-Doyle/Medi-Cal or under Title XXI MCHIP within nine (9) months after the end of the month in which the services were rendered, to the extent doing so would not preclude payment from a funding source.

(b) Notwithstanding Subparagraph (3) (a) of this Paragraph (F) (BILLING PROCEDURES), good cause justification for late claim submission is

governed by applicable federal and State laws and regulations and is subject to approval by the State and/or County.

(c) In addition to all other limitations provided in this Paragraph F (BILLING PROCEDURES), claims for all services provided through June 30th of a given fiscal year under Categorically Funded Programs as set forth in the Financial Summary shall be entered into the County's claims processing information system no later than July 15th of the subsequent fiscal year.

(d) In the event the State or federal government or any funding source denies any or all claims submitted by County on behalf of Contractor, County will not be responsible for any payment obligation and, accordingly, Contractor shall not seek or retain payment from County and shall indemnify and hold harmless County from any and all liabilities for payment of any or all denied claims, including those denied claims that were submitted outside the period of time specified in Subparagraphs (3) (a), (b) and (c) of this Paragraph F (BILLING PROCEDURES), except any claims which are denied due to the fault of the County. Any controversy or dispute arising from such State or federal denied claims shall be handled by Contractor in accordance with the applicable State and/or federal administrative appeal process.

(e) Contractor shall, as soon as practicable, notify County of any delay in meeting the timeframe for submitting claims specified in Subparagraph (3) of this Paragraph F (BILLING PROCEDURES) in the event Contractor is not able to make timely data entry into the County's claims processing information system due to no fault on the part of Contractor. Such Contractor notification should be immediate upon Contractor's recognition of the delay and must include a specific description of the problem that the Contractor is having with the County's claims processing information system. Notification shall be pursuant to the DMH Legal Entity Contract, Paragraph 8.34 (NOTICES), and such notification shall also be made by Contractor to the DMH Chief Information Office Bureau's (CIOB) Help Desk.

(f) The County will notify Contractor in writing as soon as practicable of any County issue(s) which will prevent the entry by Contractor of claiming information into the County's claims processing information system, and County will waive the requirement of Subparagraph (3) of this Paragraph F (BILLING PROCEDURES) in the event of any such County issue(s). Once County has notified Contractor that its issues are resolved, Contractor shall enter billing information into the County's claims processing information system within 30 calendar days of County's notice unless otherwise agreed to by County and Contractor.

To the extent that issues identified pursuant to Subparagraph (3) (f) of this Paragraph F (BILLING PROCEDURES) requires that Contractor modify its procedures for entering claims into the County's claims processing information system, Contractor shall consult with County regarding a reasonable time required to implement such modifications and, upon approval by County, the 30 calendar days required by Subparagraph (3) (f) of this Paragraph F (BILLING PROCEDURES) shall be extended by the amount of time required to implement such modifications.

(g) County may modify the County's claims processing information system at any time in order to comply with changes in, or interpretations of, State or federal laws, rules, regulations, manuals, guidelines, and directives. County shall notify Contractor in writing of any such modification and the reason, if known, for the modification and the planned implementation date of the modification. To the extent that such modifications create a delay in Contractor submitting claims into the County's claims processing information system for a period of time, the timelines under this Paragraph F (BILLING PROCEDURES) shall be extended by the number of calendar days reasonably based on the time the system is inactive.

(4) Institutions for Mental Diseases (IMD): If Contractor is an IMD, Contractor shall, no later than the 15th of each month following the service month, submit an invoice to the County for patient days approved in writing by the County . Said invoice shall be in a form as specified by the County, and will include an itemized accounting of all charges for each patient day. Invoices shall be submitted to the persons and at the address identified in Paragraph Y (PAYMENT AND INVOICE NOTIFICATIONS).

(5) Medi-Cal Administrative Activities (MAA): To the extent that MAA is identified as a Funded Program in the Financial Summary, Contractor shall submit claims for reimbursement for MAA by entering the eligible MAA services provided and the actual time incurred rendering the MAA services into the County's MAA data base system within 30 calendar days of rendering the MAA services.

(a) County may modify the County's MAA in the claims processing information system, at any time in order to comply with changes in, or interpretations of, State or federal laws, rules, regulations, manuals, guidelines, and directives. County shall notify Contractor in writing prior to implementing any such modification and the reason, if known, for the modification and the planned implementation date of the modification.

(6) Direct Charges: Contractor shall submit invoices for Direct Charges within 60 calendar days of the end of the month in which the eligible expense was

incurred. Contractor shall assign a unique invoice number to each invoice. Such invoice shall be in the form and include the content specified by County for each Funded Program. Invoices shall be submitted to the persons and at the address identified in Paragraph Y (PAYMENT AND INVOICE NOTIFICATIONS) of this Financial Exhibit A or in case of the Funded Program set up for an electronic submission of invoices (e.g., Wraparound Invoice), invoices shall be submitted to the appropriate electronic tracking system. Failure to comply with the terms specified in Subparagraph (6) of this Paragraph F (BILLING PROCEDURES) may result in non-payment of said invoice.

(a) In addition to all other limitations provided in this Paragraph F (BILLING PROCEDURES), Direct Charges for all services provided through June 30th of a given fiscal year under Categorically Funded Programs as set forth in the Financial Summary shall be submitted to the persons and at the addresses identified in Paragraph Y (PAYMENT AND INVOICE NOTIFICATIONS) no later than July 15th of the subsequent fiscal year or in case of the Funded Program set up for an electronic submission of invoices (e.g., Wraparound Invoice), invoices shall be submitted to the appropriate electronic tracking system no later than July 15th of the subsequent fiscal year.

G. COUNTY PAYMENT FOR SERVICES RENDERED

(1) General: County agrees to reimburse Contractor for services rendered under Funded Programs during the term of this Contract based on the provisional rates approved to in writing by the County for the Initial Period, First Automatic Renewal Period and Second Automatic Renewal Period, as applicable, subject to all of the rules, regulations and policies established by the County, State and/or federal governments regarding payment and reimbursement of services, and in accordance with the terms of this Contract.

(2) County Payments: After Director's review and approval of the billing (i.e., claim or invoice), County shall provisionally pay Contractor in accordance with the following:

(a) County shall make good faith efforts to make payments for services billed through the County's claims processing information system as soon as possible after submission and approval, subject to the limitations and conditions specified in this Contract, but within 60 calendar days after submission and approval. County shall make available a schedule of anticipated payment dates for claims submitted by Contractor into the County's claims processing information system on or prior to July 1 of each year.

(b) Payments for services or Direct Charges billed through invoices shall be paid within 60 calendar days after receipt of a complete and

accurate invoice, subject to the limitations and conditions specified in this Contract.

(c) Payments for MAA will be made on a quarterly basis and will be based upon actual State approval and State payment to the County of MAA claims. Only Contractors who have been approved by the State to participate in and to claim reimbursement for MAA and who have MAA authorized as a Unique Funded Program in their Contract are permitted to claim MAA.

H. BILLING AND PAYMENT LIMITATIONS

(1) Provisional Payments: County payments to Contractor for performance of eligible services hereunder are provisional until the completion of all settlement activities and audits, as such payments are subject to future County, State and/or federal adjustments. County adjustments to provisional payments to Contractor will be based upon the local match funds amount specified in the Financial Summary, County's claims processing information system data, MAA data base information, State adjudication of Medi-Cal claims files, contractual limitations of this Contract, annual cost report, application of various County, State and/or federal reimbursement limitations, application of any County, State and/or federal policies, procedures and regulations, and/or County, State or federal audits, all of which take precedence over monthly claim reimbursements provided by County. County and Contractor acknowledge that the references in this Paragraph H (BILLING AND PAYMENT LIMITATIONS) represent examples only and are not intended, nor shall be construed, to represent all of the circumstances or conditions that may result in adjustments to provisional payments.

(2) Other Limitations for Certain Funded Programs: In addition to all other limitations provided in this Paragraph H (BILLING AND PAYMENT LIMITATIONS), reimbursement for services rendered under certain Funded Programs may be further limited by rules, regulations and procedures applicable only to that Funded Program. Contractor shall be familiar with said rules, regulations and procedures and submit all claims in accordance therewith.

(a) Reimbursement of certain Direct Charges, such as but not limited to capital improvement, are contingent upon the delivery of appropriate and associated services. If the County reasonably determines from a review of Contractor's service and billing records that the Contractor failed to deliver required services associated with such Direct Charge(s), County shall have the right to adjust and/or recover provisional payment(s) associated with such Direct Charge(s). The recovery from Contractor shall be made through cash payment made by Contractor to County and/or County offsets to County payment(s) of Contractor's approved claim(s) in accordance with the terms of

Paragraph T (PAYMENTS BY CONTRACTOR TO COUNTY) and Paragraph Y (PAYMENT AND INVOICE NOTIFICATIONS).

(3) Adjustment of Claims Based on Other Data and Information: The County shall have the right to adjust claims based upon data and information that may include, but is not limited to, County's claims processing information system reports, remittance advices, State adjudication of Medi-Cal claims, 835 data, and Contractor's annual Cost Report, all of which shall supersede and take precedence over the claimed amount submitted by Contractor.

(4) Adjustment of Claims for Contract Compliance: Director, in his/her sole discretion and at any time and without prior written notice to Contractor, may take any necessary actions required to ensure that Contractor shall not be paid a sum in excess of the amount due to the Contractor under the terms and conditions of this Contract. Such actions may include, but are not limited to, reimbursing claims submitted through the claims processing information system at an amount less than that amount that would be calculated using Contractor's provisional rates, denying claims for payment; holding claims for Medi-Cal services from being forwarded for adjudication by the State; withholding payment of certain claims; and/or demanding repayment from Contractor.

(a) Concurrent with any such action, Director shall provide Contractor with written notice of the County's decision to take such action(s), including the reason(s) for the action. Thereafter, Contractor may, within ten (10) calendar days of Contractor's receipt of the notification, request reconsideration of the County's decision. Contractor may request in writing, and shall receive if requested, County's computations for making a determination that such action was necessary, including any amount(s) held, denied or reduced.

(b) Upon receiving a request for reconsideration from Contractor, County shall, within 15 calendar days, schedule a meeting with Contractor to consider Contractor's request to reconsider its action. At said meeting, Contractor may present to the County information or documentation relevant to the circumstances that led the County to take such actions and may propose alternative actions.

(c) Within 15 calendar days of said meeting, County shall, in writing, notify Contractor, of its final decision which may include County's request to Contractor to void said claims in the County's claim processing information system. The decision of the Director will be final.

Should the County grant reconsideration, such reconsideration will only be applicable to claims paid and processed to the appropriate funding sources after the date that said reconsideration is granted.

(5) County Withhold of Payment for Contractor Lapse in Providing Service Data: If Contractor fails to submit service data as required by County, then the County may, in its discretion, withhold all or a portion of its payment until County is in receipt of complete and correct service data and such service data has been reviewed and approved by Director.

(a) Prior to withholding payment, Director shall provide Contractor with at least 30 calendar days written notice of the County's decision to withhold payment, including the reason(s) for the intended action and the identification of the incomplete or incorrect service data. Thereafter, Contractor may, within 15 calendar days, request reconsideration of the County's decision.

(b) Upon receiving a request for reconsideration from Contractor, County shall, within 15 calendar days, schedule a meeting with Contractor to consider Contractor's request to reconsider its action. At said meeting, Contractor may present to the County information or documentation relevant to the circumstances that led the County to take such actions and may propose a date for submitting the complete and correct data.

(c) Within 15 calendar days of said meeting, County shall, in writing, notify Contractor, of its final decision. The decision of the Director will be final.

(d) Upon receipt from the Contractor of revised service data, Director shall review such revised service data within 60 calendar days of receipt. Upon determination that such submitted service data is complete and correct, County shall release withheld payments within 30 days of such determination.

(6) County Denial of Payments for Lack of Documentation: Director may deny payment for services when documentation of clinical work does not meet minimum federal, State, and County written standards.

(a) Prior to denying payment, Director shall provide Contractor with at least 30 calendar days' written notice of the County's decision to deny payment, including the reason(s) for the intended actions. Thereafter, Contractor may, within 15 calendar days, request reconsideration of the County's decision.

(b) Upon receiving a request for reconsideration from Contractor, County shall, within 15 calendar days, schedule a meeting with Contractor to consider Contractor's request to reconsider its action. At said meeting, Contractor may present to the County information or documentation relevant to the circumstances that led the County to take such actions and may propose alternative actions.

(c) Within 15 calendar days of said meeting, County shall, in writing, notify Contractor of its final decision. The decision of the Director will be final.

(7) County Suspension of Payment for Default: Director may suspend payments to Contractor, for good cause, if the Director determines that Contractor is in default under any of the provisions of this Contract.

(a) In cases of alleged fraud or similar intentional wrongdoing relating to any provision of this Contract Director may immediately suspend payments to Contractor without prior written notice. Thereafter, Contractor may, within 15 calendar days of the date of written notice from County, request reconsideration of Director's decision to suspend payment.

(b) For all other reasons of default or a reasonable good faith determination of impending insolvency, Director shall provide Contractor with at least 30 calendar days' prior written notice of such suspension that includes the reason(s) for such suspension. Thereafter, Contractor may, within 15 calendar days of the date of written notice from County, request reconsideration of Director's decision to suspend payment. Suspension of payment to Contractor shall not take effect pending the results of such reconsideration process.

(c) Upon receiving a request for reconsideration of suspension from Contractor, County shall, within 15 calendar days, schedule a meeting with Contractor to consider Contractor's request. At said meeting, Contractor may present to the County information or documentation relevant to the circumstances that led the County to take such actions and may propose alternative actions.

(d) Within 15 calendar days of said meeting, County shall notify Contractor of its final decision in writing. The decision of the Director will be final.

(8) No Payment for Services Rendered Following Expiration/Termination of Contract: Contractor shall have no claim against County for payment of any money, or reimbursement of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Contract or any part thereof. Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Contract shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Contract.

(9) Contractor agrees to hold harmless both the State and beneficiary in the event County cannot or will not pay for services performed by Contractor pursuant to this Contract.

I. LIMITATION OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS

(1) This Contract shall be subject to any restrictions, limitations, or conditions imposed by State which may in any way affect the provisions or funding of this Contract, including, but not limited to, those contained in State's Budget Act.

(2) This Contract shall also be subject to any additional restrictions, limitations, or conditions imposed by the federal government which may in any way affect the provisions or funding of this Contract.

(3) In the event that the County's Board of Supervisors adopts, in any fiscal year, a County Budget which provides for reductions in County contracts, the County reserves the right to reduce its payment obligation under this Contract correspondingly for that fiscal year and any subsequent fiscal year during the term of this Contract (including any extensions), and the services to be provided by the Contractor under this Contract shall also be reduced correspondingly. The County's notice to the Contractor regarding said reduction in payment obligation shall be provided within 30 calendar days of the Board's approval of such action. Except as set forth above in Subparagraph (3) of this Paragraph I (LIMITATIONS OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS) and Subparagraph (5) of Paragraph J (CONTRACTOR PROHIBITED FROM REDIRECTION OF CONTRACTED FUNDS), the Contractor shall continue to provide all of the services set forth in this Contract.

(4) Notwithstanding any other provision of this Contract, County shall not be obligated for Contractor's performance hereunder or by any provision of this Contract during this or any of County's future fiscal years unless and until County's Board of Supervisors appropriates funds for this Contract in County's Budget for each such fiscal year. In the event funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. County shall notify Contractor of any such non-appropriation of funds at the earliest possible date.

(5) Notwithstanding any other provision of this Contract, for the purposes of any special grants such as Substance Abuse and Mental Health Services Administration (SAMHSA) and discretionary funds received from the Board of Supervisors, any unspent amounts of such grants and/or discretionary funds, if so authorized by the grantor or the Board of Supervisors, may be rolled over from one fiscal year to the next by decreasing the Funded Program Amount and MCA for the fiscal year in which the funds were unspent and increasing

the Funded Program Amount and MCA by the same amount in the following fiscal year. Such roll over of funds shall not, in any event, allow Contractor to receive reimbursement for services/activities paid by these grants and/or discretionary funds in excess of the total allotment of such grants and discretionary funds over the period covered by such grants and discretionary funds. Any such change in the MCA due to such roll over of funds shall be effected by a duly executed amendment to this Contract.

J. CONTRACTOR PROHIBITED FROM REDIRECTION OF CONTRACTED FUNDS

(1) Funds under this Contract are provided for the delivery of mental health services to eligible beneficiaries under each of the Funded Programs identified in the Financial Summary. Each Funded Program has been established in accordance with the requirements and restrictions imposed by each respective County, State and/or federal payer source contributing to the Funded Program.

(2) Contractor may not redirect funds from one Funded Program to another Funded Program, except through a duly executed amendment to this Contract as outlined in DMH Policy, *Shifting Guidelines for the Legal Entity Contract.*

(3) Contractor may not charge services delivered to an eligible beneficiary under one Funded Program to another Funded Program unless the recipient is also an eligible beneficiary under the second Funded Program. When a recipient of services is an eligible beneficiary under more than one Funded Program, Contractor shall charge the services to the Funded Program under which the County shall receive maximum reimbursement from non-County sources, provided that Contractor has available funds under the appropriate Funded Program.

(4) Contractor also shall not charge services delivered to an eligible beneficiary for Medi-Cal to the Non-Medi-Cal Funded Program Amount except in such cases when a client's eligibility for benefits is being established or determined, or when the client is eligible for Medi-Cal minor consent, or when DMH has given advance approval to use the Non-Medi-Cal Funded Program Amount. Upon confirming that said client is approved for Medi-Cal benefits, or in such case that the County may determine that a service paid originally through the Non-Medi-Cal Funded Program Amount was to a client approved for Medi-Cal, Contractor shall void the original claims for services provided on or after the effective date that Medi-Cal services became eligible for reimbursement, and replace/resubmit such claims for Medi-Cal under the correct Funded Program.

(5) Contractor shall be responsible for delivering services to clients to the extent that funding is provided by the County. Where Contractor determines that services to clients can no longer be delivered, Contractor shall provide 30

calendar days prior written notice to County. Contractor shall thereafter refer clients to County or to another appropriate Contractor.

(a) Contractor shall not be required to provide the notice required under Subparagraph (5) of this Paragraph J (CONTRACTOR PROHIBITED FROM REDIRECTION OF CONTRACTED FUNDS) if the County reduces funding to the Contractor under Paragraph I (LIMITATION OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS) whether such reductions occur at the beginning or during a fiscal year. In addition, if County reduces or eliminates funding for a specific Funded Program, or portion thereof, Contractor shall not be responsible for continuing services for those clients served by the Funded Program, or portion thereof.

K. CONTRACTOR'S RESPONSIBILITY TO ENSURE QUALITY OF SERVICES AND TO MONITOR SERVICE PLAN AND COUNTY'S RIGHT TO RE-ALLOCATE FUNDS

(1) County and Contractor may by written amendment reduce programs or services and revise the applicable MCA and/or Funded Program Amount. The Director shall provide 15 business days prior written notice of such funding changes to Contractor, including any changes in the amount of services to be received by County. Any such change in any applicable MCA and/or Funded Program Amount shall be effected by a formal amendment or administrative amendment by Director to this Contract.

(2) Contractor shall be responsible for delivering and monitoring services so that Contractor can provide continued and uninterrupted provision of quality eligible services to eligible beneficiaries as specified in this Contract, to the extent funding is provided by County. Notwithstanding Subparagraph (1) of this Paragraph K (CONTRACTOR'S RESPONSIBILITY TO ENSURE QUALITY OF SERVICES AND TO MONITOR SERVICE PLAN AND COUNTY'S RIGHT TO RE-ALLOCATE FUNDS), if the County reasonably determines the Contractor will not meet expectations listed in Subparagraph (3), County may notify Contractor to discuss and determine whether a corrective action plan (CAP) will be required.

(3) Without limiting Contractor's obligations under this Contract, Contractor shall meet the following expectations:

(a) Contractor will meet performance and/or outcome expectations that are specified in the approved Negotiation Package; and

(b) Contractor will meet performance and/or outcome expectations that are specified in the Contract and/or any Service Exhibit, that may be developed with contractors' input and are specified in program Service Exhibits, and/or are set forth in Department guidelines, directives, and/or practice parameters.

(4) If a CAP is issued and Contractor fails to comply with such CAP, County may implement options listed in subsections (a), (b), and/or (c) to safeguard County's mission to ensure access to quality services for all client populations and to ensure the types of services and supports necessary to assist clients in achieving hope, wellness, and recovery:

(a) Restrict Contractor from expending any more funds allocated for the program(s) at issue and the County's intent to reallocate funds to another program budget category for the same period within this Contract, and/or reallocate such funds for the efficient use of such funds.

(b) Decrease the amount of funds allocated in subsequent fiscal years for the program(s) at issue and reallocate such funds for the efficient use of such funds;

(c) Terminate specific programs within the Contractor's Contract and/or the Contractor's Contract in its entirety for failure to meet performance and/or outcome expectations as specified in program service exhibits and/or Department guidelines, directives, and practice parameters.

Prior to implementing options (a), (b), and/or (c) of Subparagraph (4), County shall provide 15 business days prior written notification to Contractor of County's intent to implement one or more such options. Such notification shall include an explanation of how the County reached the conclusion that Contractor is not meeting the expectations listed in Subparagraph (3); copies of relevant data, such as but not limited to County information system reports used by County in making this decision; the nature and amount of proposed funding changes; and, any proposed changes in the amount of services to be provided by Contractor.

(5) In the event Contractor believes that an adjustment under Subparagraph (4) of this Paragraph K (CONTRACTOR'S RESPONSIBILITY TO ENSURE QUALITY OF SERVICES AND TO MONITOR SERVICE PLAN AND COUNTY'S RIGHT TO RE-ALLOCATE FUNDS) is unjustified, Contractor may, within the 15 business days of the date on the County's notice, notify the Director in writing and request a meeting with County to review its documentation. Any such meeting shall be held within 30 calendar days of the initial written notification. If Contractor fails to meet with County in this period of time, and County has provided an opportunity to meet within that time period, Contractor is deemed to have waived its opportunity to meet with County and accepts County recommended changes to its MCA; Funded Program Amount; and/or program/service delivery up to and including termination of specific programs and/or the entire Contract.

If, after any such meeting, it is still determined that an adjustment under this Subparagraph (4) of Paragraph K (CONTRACTOR'S RESPONSIBILITY TO

ENSURE QUALITY OF SERVICES AND TO MONITOR SERVICE PLAN AND COUNTY'S RIGHT TO RE-ALLOCATE FUNDS) is justified, the County shall take the appropriate action, as provided above. Director shall provide final prior written notice to Contractor of such action(s), including any changes in the amount of services to be received by County, and the determination of the Director will be final. Any such change in Contractor's Contract, including termination of programs with the Contract and/or the entire Contract shall be effected by an administrative amendment to this Contract issued by Director. Changes that are based on one-time circumstances will be applicable to the current contract year only and shall not result in reductions (or increases) of MCA and/or Funded Program Amount in subsequent years, while changes that are based on clearly documented ongoing historical trends may result in ongoing reductions (or increases) of MCA and/or Funded Program Amount in subsequent years.

The determination by the Director shall be effective upon the receipt of such final prior written notice by Contractor and the changes to funding and services shall be incorporated into this Contract as of the date of receipt. Contractor understands and agrees that its MCA and/or Funded Program Amount may be reduced as a result of the adjustments authorized by this provision, and further acknowledges that County has relied upon this flexibility in establishing the MCA and/or Funded Program Amount for this Contract. By executing this Contract, Contractor specifically consents to the prospective adjustments set forth in this provision up to and including termination of programs and/or the Contract.

L. LIMITATION ON COUNTY'S FINANCIAL RESPONSIBILITY FOR PAYMENT OF SERVICES UNDER TITLE XIX SHORT-DOYLE/MEDI-CAL SERVICES, MEDI-CAL ADMINISTRATIVE ACTIVITIES AND/OR TITLE XXI MEDICAID CHILDREN'S HEALTH INSURANCE PROGRAM

(1) If, under this Contract, Contractor has Funded Programs that include Title XIX Short-Doyle/Medi-Cal services, Medi-Cal Administrative Activities, and/or Title XXI MCHIP services, Contractor shall certify annually, no later than July 10th of each year, in writing that all necessary documentation will exist at the time any claims for Title XIX Short-Doyle/Medi-Cal services and/or Medi-Cal Administrative Activities, and/or Title XXI MCHIP are submitted by Contractor to County.

Contractor shall be solely liable and responsible for all service data and information submitted by Contractor.

(2) Contractor acknowledges and agrees that the County, in undertaking the processing of claims and payment for services rendered under this Contract for these Funded Programs, does so as the Mental Health Plan for the State and federal governments.

(3) Contractor shall submit to County all Title XIX Short-Doyle/Medi-Cal and/or Medi-Cal Administrative Activities, and/or Title XXI MCHIP claims or other State required claims data within the time frame(s) prescribed by this Contract to allow the County to meet the timeframes prescribed by the State and federal governments. County shall have no liability for Contractor's failure to comply with the time frames established under this Contract and State and federal time frames, except to the extent that such failure was through no fault of Contractor.

(4) County, as the Mental Health Plan, shall submit to the State in a timely manner claims for Title XIX Short-Doyle/Medi-Cal services and/or Medi-Cal Administrative Activities, and/or Title XXI MCHIP services only for those services/activities identified and entered into the County's claims processing information system and/or into the Medi-Cal Administrative Activities data base system, as appropriate, which are compliant with State and federal requirements. County shall make available to Contractor any subsequent State approvals or denials of such claims within 30 days of receipt thereof.

(5) Contractor acknowledges and agrees that County's final payment for services and activities claimed by Contractor for Title XIX Short-Doyle/Medi-Cal services and/or Medi-Cal Administrative Activities, and/or Title XXI MCHIP services is contingent upon reimbursement from the State and federal governments and that County's provisional payment for said services does not render County in any way responsible for payment of, or liable for, Contractor's claims for payment for these services.

(6) Contractor's ability to retain payment for such services and/or activities is entirely dependent upon Contractor's compliance with all laws and regulations related to same.

(7) Notwithstanding any other provision of this Contract, Contractor shall hold County harmless from and against any loss to Contractor resulting from the denial or disallowance of claims for or any audit disallowances related to said services by the County, State or federal governments, or other applicable payer source, unless the denial or disallowance was due to the fault of the County.

(8) Contractor shall repay to County the amount paid by County to Contractor for Title XIX Short-Doyle/Medi-Cal and/or Medi-Cal Administrative Activities, and/or Title XXI MCHIP services/activities which are subsequently denied or disallowed by the County, State, and/or federal governments. In no event shall County be liable or responsible to Contractor for any State approved Title XIX Short-Doyle/Medi-Cal and/or Medi-Cal Administrative Activities, and/or Title XXI MCHIP services/activities that are subsequently denied or disallowed by County, State, and/or federal governments unless the denial or disallowance was due to the fault of the County.

(9) The total County payment for Title XIX Short-Doyle/Medi-Cal services and/or Title XXI MCHIP services and/or MAA under federal requirements consists of federal and local match, and such local match may consist of County and/or State funds. Contractor acknowledges that if such services are subsequently denied, voided, and/or disallowed, County shall make a full recovery of such payments, including State and local match amounts.

(10) Notwithstanding any other provision of this Contract, Contractor agrees that the County may offset future payments to the Contractor and/or demand repayment from Contractor when amounts are owed to the County pursuant to above Subparagraphs (7) and (8) of this Paragraph L (LIMITATIONS ON COUNTY'S FINANCIAL RESPONSIBILITY FOR PAYMENT OF SERVICES UNDER TITLE XIX SHORT-DOYLE/MEDI-CAL SERVICES, MEDI-CAL ADMINISTRATIVE ACTIVITIES AND/OR TITLE XXI MEDICAID CHILDREN'S HEALTH INSURANCE PROGRAM). Such demand for repayment and Contractor's repayment shall be in accordance with Paragraph T (PAYMENTS BY CONTRACTOR TO COUNTY), except for denials reflected on the State's 835 files, which will be offset immediately from the County's next payment to Contractor.

(11) Contractor shall comply with all written instructions provided to Contractor by Director, State or other applicable payer source regarding claiming and documentation.

(12) Nothing in this Paragraph L (LIMITATIONS ON COUNTY'S FINANCIAL RESPONSIBILITY FOR PAYMENT OF SERVICES UNDER TITLE XIX SHORT-DOYLE/MEDI-CAL SERVICES, MEDI-CAL ADMINISTRATIVE ACTIVITIES AND/OR TITLE XXI MEDICAID CHILDREN'S HEALTH INSURANCE PROGRAM) shall be construed to limit Contractor's rights to appeal State and federal settlement and/or audit findings in accordance with the applicable State and federal regulations.

M. PATIENT/CLIENT ELIGIBILITY, UMDAP FEES, THIRD PARTY REVENUES, AND INTEREST

(1) Contractor shall comply with all County, State, and federal requirements and procedures relating to:

(a) The determination and collection of patient/client fees for services hereunder based on the Uniform Method of Determining Payment (UMDAP), in accordance with State guidelines and Welfare and Institutions Code Sections 5709 and 5710.

(b) The eligibility of patients/clients for Short-Doyle/Medi-Cal, Medicare, private insurance, or other third party revenue, and the collection, reporting and deduction of all patient/client and other revenue for

patients/clients receiving services hereunder. Contractor shall pursue and report collection of all patient/client and other revenue.

(c) Contractor shall not charge the client's financial responsibility for a service to the Non-Medi-Cal Funded Program Amount.

(2) All fees paid by patients/clients receiving services under this Contract and all fees paid on behalf of patients/clients receiving services hereunder shall be utilized by Contractor only for the delivery of mental health services/activities specified in this Contract.

(3) Contractor may retain unanticipated revenue, which is not shown in Contractor's Negotiation Package for this Contract, for a maximum period of one (1) fiscal year, provided that the unanticipated revenue is utilized for the delivery of mental health services/activities specified in this Contract. Contractor shall report the expenditures for the mental health services/activities funded by this unanticipated revenue in the Annual Cost Report submitted by Contractor to County.

(4) Contractor shall not retain any fees paid by any sources for, or on behalf of, Medi-Cal beneficiaries without deducting those fees from the cost of providing those mental health services for which fees were paid.

(5) Contractor may retain any interest and/or return which may be received, earned or collected from any funds paid by County to Contractor, provided that Contractor shall utilize all such interest and return only for the delivery of mental health services/activities specified in this Contract.

(6) Failure of Contractor to report in all its claims and in its Annual Cost Report all fees paid by patients/clients receiving services hereunder, all fees paid on behalf of patients/clients receiving services hereunder, all fees paid by third parties on behalf of Medi-Cal beneficiaries receiving services and/or activities hereunder, all unanticipated revenue not shown in Contractor's Negotiation Package for this Contract, and all interest and return on funds paid by County to Contractor, shall result in:

(a) Contractor's submission of a revised claim statement showing all such non-reported revenue.

(b) A report by County to SDHCS of all such non-reported revenue including any such unreported revenue paid by any sources for or on behalf of Medi-Cal beneficiaries.

(c) Any appropriate financial adjustment to Contractor's reimbursement.

N. CASH FLOW ADVANCE IN EXPECTATION OF SERVICES/ACTIVITIES TO BE RENDERED

(1) The CFA, if approved by County, is an advance of funds to be repaid by Contractor through direct payment of cash and/or through the provision of appropriate services/activities under this Contract during the applicable period.

(2) For each month of each period of this Contract, County will reimburse Contractor based upon Contractor's submitted claims for rendered services/activities subject to claim edits, and future settlement and audit processes. However, for each month of the first two (2) months, of the Initial Term, the First Automatic Renewal Period, or the Second Automatic Renewal Period, Contractor may request in writing from County a monthly County General Fund CFA as herein described.

(3) CFA disbursement(s), if any, shall be part of the total maximum reimbursement, which is limited to the MCA as specified in Paragraph B (LIMITATIONS ON MAXIMUM REIMBURSEMENT).

(4) CFA is intended to provide cash flow to Contractor pending Contractor's rendering and billing of eligible services/activities, as identified in DMH Legal Entity Contract Paragraph 3 (WORK) subsection 3.3 (DESCRIPTION OF SERVICES/ACTIVITIES), and County payment thereof. Contractor may request each monthly CFA only for such services/activities and only to the extent that there is no reimbursement from any public or private sources for such services/activities.

(5) Notwithstanding any other provision to the contrary, funding for Wraparound Case Rate (i.e., Specialized Foster Care Wraparound Invoice Funded Program) shall not be included when computing monthly CFA amount(s).

(6) Cash Flow Advance Request Letter: For each month for which Contractor is eligible to request and receive a CFA, Contractor must submit to the County a letter requesting a CFA and the amount of CFA Contractor is requesting.

(a) In order to be eligible to receive a CFA, the letter requesting a CFA must be received by County on or before the 15th of that month (i.e., for the month of July 2018, the request must be received by July 15, 2018).

i. If the letter requesting CFA is received by the County from the Contractor after the 15th of the month, Contractor will not be eligible to receive a CFA for that month.

(b) The signed letter requesting a CFA must be sent via mail, fax or email (PDF file) to the Department of Mental Health Financial Services

Bureau – Accounting Division, Provider Reimbursement Section (PRS).

i. PRS staff will determine whether Contractor is eligible to have its request considered based on the date the request letter is received by PRS and not the date on the request letter.

(c) Upon receipt of a request, Director, in his/her sole discretion, shall determine whether to approve the CFA and, if approved, whether the request is approved in whole or in part.

i. If a CFA is not approved, Director will notify Contractor within ten (10) business days of the decision, including the reason(s) for non-approval. Thereafter, Contractor may, within 15 calendar days, request reconsideration of the decision.

(7) Reduction of Cash Flow Advance Amount by Actual Adjudicated Claims: The CFA amount available to Contractor for any particular month will be reduced by County payments of claims received from Contractor. The County's claims payment process is initiated immediately upon County receipt from Contractor of a reimbursement claim.

(8) Business Rules for the Determination of the Maximum Amount of the Cash Flow Advance Request:

(a) For each of the first two (2) months of each period that this Contract is in effect, Contractor may request in writing from County a monthly County General Fund CFA for any funds which may be part of the MCA for such period as identified in the Financial Summary. Contractor shall specify in its request the amount of the monthly CFA it is requesting, not to exceed $280,107 for the first month and $280,107 for the second month, if applicable. In no event shall the monthly CFA requested by Contractor exceed 1/12th of MCA as identified on the Financial Summary as of the specified month the CFA is requested.

(b) In case the Contract is amended to increase or reduce the Maximum Contract Amount during the first two (2) months during which the Contractor may request and receive CFA, the CFA amount shall be recalculated for the remaining month(s) based on the effective date of the amendment. For the month in which the amendment is executed, the revised CFA amount shall be based on the effective date of the amendment, and if such effective date falls between the 1st and the 15th of the month, the revised CFA amount will be adjusted based on the total amount of the change in the MCA; and if the effective date falls between the 16th and the end of the month, the revised CFA amount will be calculated based on one half (1/2) of the total change in the MCA.

(c) The Contractor may request in writing from County, consistent with above Subparagraph (8) (a) of this Paragraph N (CASH FLOW ADVANCE IN EXPECTATION OF SERVICES/ACTIVITIES TO BE RENDERED), for additional monthly CFA to accommodate extraordinary circumstances that are beyond Contractor's control, including but not limited to, Contractor's inability to submit claims to the County as described in Subparagraph (3) of Paragraph F (BILLING PROCEDURES) or due to procedural matters associated with transitioning Contractor to County's new claims processing information system, County's inability to process claims due to extended disruption in the County's claims processing information system, or any other circumstance determined by the Director, in his/her sole discretion, to constitute an extraordinary circumstance beyond Contractor's control. The County in its sole discretion shall review Contractor's request, including but not limited to, the amount of CFA requested and the amount of CFA requested in relation to the number of months remaining in the fiscal year, and shall respond accordingly within 15 business days from the receipt of such request.

i. Additional monthly CFA is subject to approval by the Director, County Auditor-Controller, County Counsel and County Chief Executive Office.

(9) Recovery of Cash Flow Advances: If Contractor has received any CFA pursuant to this Paragraph N (CASH FLOW ADVANCE IN EXPECTATION OF SERVICES/ACTIVITIES TO BE RENDERED), then recovery from Contractor's monthly claims shall be made through cash payment made by Contractor to County and/or County offsets to County payment(s) of Contractor's approved claim(s) as follows:

(a) Generally, when Contractor rendering services at a level that would indicate it will utilize all or a substantial portion of its MCA, County initiates recovery of the CFA balance, if any, for a particular fiscal year in July following the close of such fiscal year or at such time as payments to Contractor, including the CFA, reach the MCA. Such recovery is initiated through the Contractor's rendering and submitting of appropriate services and activities into the County's claims processing information system and/or the submission of invoices for direct charges. The determination to begin recovery of CFA balance in July of the following fiscal year, or at such time as payments to Contractor, including the CFA, reach the MCA, is based on the presumption that when a contractor is meeting its contractual levels, then the Contractor will have rendered sufficient services/activities and entered such services/activities into the County's claims processing information system by September 30th following the end of the fiscal year. September 30th is the date by which all or a substantial portion of

the Contractor's prior fiscal year's claims should have been received from Contractor and processed by County.

(b) If at any time during the fiscal year, County determines that Contractor is not rendering services at a level that would utilize all of its MCA, County may initiate recovery of the CFA as specified above in Subparagraph (9) (a) of this Paragraph N (CASH FLOW ADVANCE IN EXPECTATION OF SERVICES/ACTIVITIES TO BE RENDERED) prior to July 1. If County intends to initiate recovery of the CFA prior to July 1, County will give Contractor 30 calendar days prior written notice, including the reason(s) for the intended actions, to ensure Contractor renders and submits sufficient services/activities to have repaid all, or a substantial portion of the CFA, by September 30 following the fiscal year close. Contractor may, within 15 calendar days of the receipt of County's written notice, request reconsideration of the County's decision.

(c) Should a Contractor have any remaining CFA balance for a particular fiscal year at such time as the State SD/MC Cost Report is complete, County will perform an analysis to determine the amount of unearned CFA balance based on the SD/MC Cost Report and Contractor repayment of the unearned CFA balance shall be conducted as specified in Paragraph T (PAYMENTS BY CONTRACTOR TO COUNTY) unless otherwise agreed to by County.

(10) When Contractor's CFA balance is zero (0) in any fiscal year of the term of this Contract, any County and/or State and/or federal government(s) approved Contractor reimbursement claims for eligible services/activities will be disbursed in accordance with the terms and conditions of this Contract.

(11) Should Contractor request and receive CFA, Contractor shall exercise cash management of such CFA in a prudent manner.

O. ANNUAL COST REPORTS

(1) For each fiscal year or portion thereof that this Contract is in effect, Contractor shall provide County with two (2) copies of an accurate and complete Annual Cost Report, along with a statement of expenses and revenue, and a Cost Report Certification. The statement of expenses and revenue and Cost Report Certification must be signed by a Contractor's executive official or designee, by the due date specified in Subparagraph (4) of this Paragraph O (ANNUAL COST REPORTS).

(2) An accurate and complete Annual Cost Report shall be defined as a cost report which is completed to the best of the ability of Contractor on such forms or in such formats as specified by the County and consistent with such instructions as the County may issue and is based on the best available data.

(3) The Annual Cost Report will be comprised of a separate set of forms for the County and State based on the Financial Summary applicable to the fiscal year.

(4) The Annual Cost Report will be due on September 15th for the fiscal year ending on the previous June 30th or seventy-five (75) calendar days following the expiration or termination date of this Contract, whichever occurs earlier. Should the due date fall on a weekend, such report will be due on the following business day.

(a) Failure by Contractor to submit an Annual Cost Report within 30 calendar days after the due date specified in above Subparagraph (4) of this Paragraph O (ANNUAL COST REPORTS) shall constitute a breach of this Contract.

i. In addition to, and without limiting, any other remedy available to the County for such breach, County may undertake any or all of the following to remedy such breach:

(A) In such instance that Contractor does not submit an Annual Cost Report(s) by such 30 calendar days after the applicable due date specified in Subparagraph (4) of this Paragraph O (ANNUAL COST REPORTS), then all amounts covered by the outstanding Annual Cost Report(s) and paid by County to Contractor for the fiscal year for which the Annual Cost Report(s) is (are) outstanding shall be due by Contractor to County. Contractor shall pay County according to the method described in Paragraph T (PAYMENTS BY CONTRACTOR TO COUNTY). Such payments shall be submitted to the persons and at the address identified in Paragraph Y (PAYMENT AND INVOICE NOTIFICATIONS).

(B) If this Contract is automatically renewed as provided in DMH Legal Entity Contract Paragraph 4 (TERM), then County may opt to suspend payments to Contractor under this Contract until the Annual Cost Report(s) is (are) submitted. County shall give Contractor at least 15 business days written notice of its intention to suspend payments hereunder, including the reason(s) for its intended action. Thereafter, Contractor shall have 15 business days either to correct the deficiency, or to request reconsideration of the decision to suspend payments. Payments to Contractor shall not be suspended during said 15 business days provided to

correct the deficiency or, if reconsideration is requested, pending the results of the reconsideration process.

(b) Failure by the Contractor to submit an Annual Cost Report(s) by the due date specified in Subparagraph (4) of this Paragraph O (ANNUAL COST REPORTS) will result in damages being sustained by the County. County and Contractor agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Contractor to submit its Annual Cost Report(s) to the County under this Paragraph O (ANNUAL COST REPORTS). The County and Contractor hereby agree that a reasonable estimate of said damages is $100 per day for each day that the Contractor fails to submit to the County by the due date.

i. Liquidated damages shall be assessed separately on each outstanding Annual Cost Report.

ii. Liquidated damages shall be assessed commencing on September 16th or on the seventy-sixth (76th) day following the expiration or earlier termination of this Contract and shall continue until the outstanding Annual Cost Report(s) is/are received.

iii. Upon written request from the County, Contractor shall, within 30 calendar days, submit to the County payment for said damages. Said Payment shall be submitted to the persons and at the address identified in Paragraph Y (PAYMENT AND INVOICE NOTIFICATIONS).

iv. Contractor may ask that liquidated damages not be assessed by sending a written request for an extension to submit the Annual Cost Report to the Director no later than 30 calendar days prior to the due date specified in this Subparagraph (4) of this Paragraph O (ANNUAL COST REPORTS). The decision to grant an extension without assessing liquidated damages in accordance with Subparagraph (4) (b) of this Paragraph O (ANNUAL COST REPORTS) shall be at the sole discretion of the Director.

(5) Each Annual Cost Report shall be prepared by Contractor in accordance with the Centers for Medicare and Medicaid Services' Publications #15-1 and #15-2; "The Provider Reimbursement Manual Parts 1 and 2;" the State's Cost and Financial Reporting System (CFRS) Instruction Manual; and any other written guidelines that shall be provided to Contractor at the Cost Report training, to be conducted by County on or before June 30th of the fiscal year for which the Annual Cost Report is to be prepared.

(a) Attendance by Contractor at the County's Cost Report Training is mandatory.

(b) Failure by the Contractor to attend the Cost Report Training shall be considered a breach of this Contract that will result in damages being sustained by the County. County and Contractor agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Contractor to attend the Cost Report Training. The County and Contractor hereby agree that a reasonable estimate of said damages is $100 per occurrence. Therefore, County may, in its sole discretion, assess liquidated damages in the amount of $100 for Contractor's non-attendance at the Cost Report Training. Said Payment shall be submitted to the persons and at the address identified in Paragraph Y (PAYMENT AND INVOICE NOTIFICATIONS).

(6) Upon written notification from the Director that its Annual Cost Report contains errors or inaccuracies, Contractor shall, within 30 calendar days, correct such errors and inaccuracies and resubmit its Annual Cost Report.

(a) If Contractor fails to correct inaccuracies in Annual Cost Report within 30 calendar days after receipt of written notification from the Director and said inaccuracies result in the loss of reimbursement to the County for claimable amounts that were paid to Contractor, Contractor must return back to the County the amount of lost reimbursement that the County could have claimed if the inaccuracy was corrected by Contractor.

(7) Contractor shall be solely responsible for any loss incurred by County due to Contractor's failure to comply with County and State cost report requirements.

P. OTHER REQUIREMENTS FOR CONTRACTORS PROVIDING TITLE XIX SHORT-DOYLE/MEDI-CAL SERVICES, MEDI-CAL ADMINISTRATIVE ACTIVITIES AND/OR TITLE XXI MEDICAID CHILDREN'S HEALTH INSURANCE PROGRAM SERVICES

(1) Contractor shall maintain records documenting all Title XIX Short-Doyle/Medi-Cal services and/or Medi-Cal Administrative Activities, and/or Title XXI MCHIP services for a period of ten (10) years from the end of the fiscal year in which such services were provided or until three (3) years after final resolution of any audits or appeals, whichever occurs later.

(2) Contractor shall complete and certify, in accordance with State and County instructions, and provide DMH with two (2) copies of an accurate and complete Specialty Mental Health Services (SMHS) Reconciliation Report, also referred to as Title XIX Short-Doyle/Medi-Cal Reconciliation Report, at

the legal entity level by the due date set by the State for the applicable fiscal year.

(a) Should Contractor fail to provide County with the SMHS Reconciliation Report by the due date, then Director, in his/her sole discretion, shall determine which State approved Short-Doyle/Medi-Cal services shall be used by County for completion of the SMHS Reconciliation Report.

(b) Contractor shall hold County harmless from and against any loss to Contractor resulting from the Contractor's failure to provide County with the SMHS Reconciliation Report and County's subsequent determination of which State-approved Short Doyle/Medi-Cal services to use for completion of the SMHS Reconciliation Report for the Contractor.

Q. INTERIM SETTLEMENT

Subsequent to the County's filing of the Annual Cost Report on behalf of the Contractor, County shall settle with Contractor on an interim basis only if sufficient funds are available. Interim Settlement is County's settlement process based on the Contractor's submitted Annual Cost Report. It will equal the difference between the Contractor's eligible costs for reimbursement under the Contract and the total year-to-date payments Contractor has already received, including any Cash Flow Advances. This Interim Settlement amount is provisional and may be subject to adjustment based on the Annual Cost Report Reconciliation and Settlement, and SD/MD Audit and Post-Audit Settlement outcomes.

(1) PAYMENTS: The Interim Settlement process may result in either County owing Contractor or Contractor owing County payments. The payment is determined by the Interim Settlement process, whereby the County will calculate the difference between the Contractor's eligible costs for reimbursement under the Contract and as submitted per the Annual Cost Report, and the total year-to-date payments Contractor has already received, including any Cash Flow Advances.

(2) PAYMENT BY COUNTY TO CONTRACTOR:

(a) Payment Amount: In addition to the amounts paid to Contractor for services, including services to Medi-Cal beneficiaries and/or MCHIP enrollees, under the Contract, County will calculate an interim settlement payment owed to Contractor and provide Contractor with written notification of the amount owed to Contractor.

(b) Funding: The payment amount may be composed of County, federal, and/or State funds. County will use the funds owed to Contractor to reduce any other amounts owed to County.

(c) Timing of Payment: If no other funds are owed to County, County will pay Contractor within 30 days of notification of interim settlement amounts.

(3) Contractor may, by a written notice to the County within 30 days of execution of this amendment, ask to review the County's Interim Settlement results.

(a) County will review the County Interim Settlement results with Contractor within 30 days of receipt of request.

(b) County will follow up with a written response within 30 days following review of the results, if needed."

R. SPECIALTY MENTAL HEALTH SERVICES RECONCILIATION AND SETTLEMENT

(1) Based on the Annual Cost Report(s) submitted pursuant to Paragraph O (ANNUAL COST REPORTS) and the most updated State Medi-Cal approvals and County claims information, at the end of each fiscal year or portion thereof that this Contract is in effect, the State and County will perform an SMHS Reconciliation and Settlement.

(a) Upon initiation and instruction by the State, County will begin the SMHS Reconciliation process with Contractors.

(b) County will perform settlement upon receipt of State Reconciliation Settlement to the County.

(2) Such reconciliation and settlement will be subject to the terms and conditions of this Contract and any other applicable State and/or federal statutes, regulations, policies, procedures and/or other requirements pertaining to cost reporting and settlements for Title XIX Short-Doyle/Medi-Cal and Medi-Cal Administrative Activities, and Title XXI MCHIP, and other applicable federal and/or State programs.

(3) SMHS Reconciliation Settlement shall be subject to the limitations contained in the Financial Summary. Such limitations include, but are not limited to:

(a) Available Match funds as indicated in Column D of the Financial Summary;

(b) Actual submitted and approved claims to those third-parties providing funds in support of specific Funded Programs;

(c) Funded Program Amounts;

(4) County shall issue its SMHS Reconciliation Settlement results no later than 180 calendar days after the receipt by County from the State of the State's Cost Report Settlement package and payment for a particular fiscal year.

(a) As part of its SMHS Reconciliation Settlement, County shall identify any amounts due to Contractor by the County or due from the Contractor to the County.

(b) Upon issuance of the County's SMHS Reconciliation Settlement results, Contractor may, within 30 calendar days, submit a written request to the County for review of the SMHS Reconciliation Settlement results.

i. Upon receipt by County of the Contractor's written request, the County shall, within 30 calendar days, meet with the Contractor to review the SMHS Reconciliation Settlement results and to consider any documentation or information presented by the Contractor. Contractor may waive such meeting and elect to proceed based on written submission at its sole discretion.

ii. Within 30 calendar days of the meeting specified above in Subparagraph (4) (i) of this Paragraph R (SPECIALTY MENTAL HEALTH SERVICES RECONCILIATION AND SETTLEMENT), County shall issue a response to the Contractor including confirming or adjusting any amounts due to Contractor by the County or due from Contractor to the County.

(5) In the event that the SMHS Reconciliation Settlement indicates that the Contractor is due payment from the County, County shall initiate the payment process to Contractor within 30 calendar days following the expiration of the date to request a review as specified above in Subparagraph (4) (b) of this Paragraph R (SPECIALTY MENTAL HEALTH SERVICES RECONCILIATION AND SETTLEMENT) or issuance of the County response as specified above in Subparagraph (4) (b) (ii) of this Paragraph R (SPECIALTY MENTAL HEALTH SERVICES RECONCILIATION AND SETTLEMENT), whichever is later.

(6) In the event that the SMHS Reconciliation Settlement indicates that the Contractor owes payment to the County, Contractor shall make payment to the County in accordance with the terms of Paragraph T (PAYMENTS BY CONTRACTOR TO COUNTY). Said payment shall be submitted to the persons and at the address identified in Paragraph Y (PAYMENT AND INVOICE NOTIFICATIONS).

(7) Regardless of any other provision of this Paragraph Q (SPECIALTY MENTAL HEALTH SERVICES RECONCILIATION AND SETTLEMENT),

reimbursement to Contractor shall not exceed the MCA and shall not exceed the Funded Program Amount, as identified on the Financial Summary.

S. AUDITS, AUDIT APPEALS AND POST-AUDIT APPEAL SHORT-DOYLE/MEDI-CAL (SD/MC) SETTLEMENT

(1) At any time during the term of this Contract or after the expiration or termination of this Contract, in accordance with State and federal law including but not limited to the California Welfare and Institutions Code (WIC) Sections 14170 et seq., authorized representatives from the County, State or federal governments may conduct an audit of Contractor regarding the services/activities provided under this Contract.

(2) Settlement of audit findings will be conducted according to the auditing party's procedures in place at the time of the audit.

(3) Post-Audit SD/MC Settlement: In the case of a State Short-Doyle/Medi-Cal (SD/MC) audit, the State and County will perform a post-audit SD/MC settlement based on State audit findings. Such settlement will take place when the State initiates its settlement action, which customarily is after the issuance of the audit report by the State and before the State's audit appeal process.

(a) County shall issue Post-Audit SD/MC Settlement to Contractor for any amount due County or due to Contractor within 90 calendar days after the State issues its audit report to the County.

(b) If the Post-Audit SD/MC Settlement determines that the amount paid by County to Contractor for any units furnished hereunder are more than the amounts allowable pursuant to this Contract, then the difference shall be due by Contractor to County. Contractor shall make payment to the County in accordance with the terms of Paragraph T (PAYMENTS BY CONTRACTOR TO COUNTY). Said payment shall be submitted to the persons and at the address identified in Paragraph Y (PAYMENT AND INVOICE NOTIFICATIONS).

(c) County shall follow all applicable federal laws, regulations manuals, guidelines and directives in recovering from Contractor any federal over-payment.

(d) In the event that Post-Audit SD/MC Settlement indicates that Contractor is due payment from County, County shall initiate the payment process to Contractor within 30 days of settlement issuance date.

(e) If the auditing party stays its collection of any amounts due or payable because of the audit findings, County will also stay its settlement of the same amounts due or payable until the responsible auditing party initiates its settlement action with County.

(4) SD/MC Audit Appeals: Contractor may appeal any such audit findings in accordance with the audit appeal process established by the party performing the audit.

(a) For federal audit exceptions, federal audit appeal processes shall be followed.

(b) Contractor may appeal the State audit findings in conformance with provisions of Sections 51016 et seq. of Title 22 of the California Code of Regulations. Such appeals must be filed through County. County shall notify Contractor of State appeal deadlines after County's receipt of information from State.

(5) Post-Audit Appeal SD/MC Settlement:

(a) If at any time the Appeal process results in a revision to the audit findings, and the State recalculates the audit settlement of the SD/MC cost report for a particular year and settles with County, County will perform a post-audit appeal Short-Doyle/Medi-Cal re-computed settlement after the State issues its revised settlement with the County, based on the State appeal resolution.

i. If the post-audit appeal SD/MC re-computed settlement results in amounts due to Contractor by the County, County shall initiate the payment process to Contractor within 30 calendar days of issuing the post-audit appeal SD/MC re-computed settlement to Contractor.

ii. If the post-audit appeal SD/MC re-computed settlement results in amounts due from Contractor to the County, Contractor shall make payment to the County in accordance with the terms of Paragraph T (PAYMENTS BY CONTRACTOR TO COUNTY). Said payment shall be submitted to the persons and at the address identified in Paragraph Y (PAYMENT AND INVOICE NOTIFICATIONS).

(b) Notwithstanding any other provisions of this Contract, if Contractor appeals any audit report, the appeal shall not prevent the County from recovering from Contractor any amount owed by Contractor that the State has recovered from County.

(6) County Audits: Should the auditing party be the County, Contractor will have 30 calendar days from the date of the audit report within which to file an appeal with County. The letter providing the Contractor with notice of the audit findings shall indicate the persons and address to which the appeal should be directed. County shall consider all information and argument provided by Contractor with its appeal, and will issue its decision on the appeal after such consideration. Such decision is final. County will issue an invoice for any amount due County 15 calendar days after County has notified Contractor of the County's audit appeal findings. Contractor shall make payment to the County in accordance with the terms of Section T (PAYMENTS BY CONTRACTOR TO COUNTY). Said payment shall be submitted to the persons and at the address identified in Paragraph Y (PAYMENT AND INVOICE NOTIFICATIONS).

T. PAYMENTS BY CONTRACTOR TO COUNTY

(1) Payment Amount: In the event that it is determined that the Contractor owes County under this Contract as the result of the Interim Settlement, SMHS Reconciliation and Settlement, and/or SD/MC Audit and Post-Audit Settlement processes, Contractor agrees to pay County the sum owed to County upon a written notification by County. County first shall offset this amount against any other amount owed to Contractor. If there is a remaining amount owed to County, Contractor will pay County using one or more of the options provided below by notifying County within ten (10) business days of receipt of County's written notification:

(a) Paid in one cash payment by Contractor to County;
(b) Paid by cash payment(s) by Contractor to County over a period not to exceed twelve (12) months;
(c) A repayment plan for up to and not to exceed six (6) years as negotiated between County and Contractor and approved by the Director or his designee:
    i. Paid by cash payment(s) or deducted from future claims
(d) Use of in-kind services; or
(e) A combination of any or all of the above to run concurrently, but up to and not to exceed six (6) consecutive years.

(2) If Contractor does not so notify County within such ten (10) days as state in Paragraph T. PAYMENT BY CONTRACTOR TO COUNTY, (1) Payment Amount, above, or if Contractor fails to make payment of any such amount to County as required, then Director, in his sole discretion, shall determine which of the above five (5) payment options shall be used by County for recovery of such amount from Contractor.

(3) In-Kind Services: This Contract considers the repayment of settlement amounts owed from Contractor to the County through the provision of in-kind services. As such, County and Contractor agree to the following terms and

conditions:

(a) The term of the in-kind repayment may be for up to and not to exceed six (6) years from the execution of this Contract as amended.
(b) No payment of any kind will be made by County to Contractor for such in-kind services provided under this Contract.
(c) In-kind services from Contractor will be valued at the hourly rate of Contractor's staff assigned to a DMH Directly Operated facility or otherwise specified by the Director, to perform the in-kind service. The hourly rate should be the higher of whatever the County pays for a compatible service or Contractor's rate. If Contractor's hourly rate is used, it will be verified according to Contractor's payroll records. Contractor shall not inclue costs and units of service for such staff while performing in-kind services to County on its year-end cost report.
(d) County will assign a contract program monitor, or designee, to oversee the in-kind repayment of services by Contractor's staff in a DMH Directly Operated facility or as otherwise specified by the Director. County's contract program monitor, or designee, will oversee Contractor's staff.
(e) County and Contractor agree that the in-kind services to be performed under this Contract will consist of appropriate clinical services as specified by the Director or his designee within mutually agreed upon service areas. This includes the type and qualification of staff to be assigned to such Directly Operated facilities to perform the in-kind services.
(f) County's contract program monitor has the discretion to terminate the in-kind services based upon work performance issues associated with the Contractor's staff performing the in-kind services.
(g) County's contract program monitor may ask for a Corrective Action Plan which may include, but not be limited to, recommending a new repayment option for the Contractor which may include:

    i. Paid in cash by Contractor to County over a period not to exceed three (3) months;

    ii. Deducted from future claims over a period not to exceed three (3) months;

    iii. A repayment plan for up to and not to exceed six (6) years as negotiated between County and Contractor and approved by the Director of his designee:

        1) Paid in cash payment(s) or deducted from future claims.

    iv. Any combination of the above, not to exceed a total of six (6) consecutive years from the date of the original repayment plan under this Contract.

(h) County will notify Contractor of the need for a Corrective Action Plan in writing.

i. If upon receipt of such written notice, Contractor does not provide the County with a written Corrective Action Plan within ten (10) business days, then Director, in his sole discretion, shall determine which of the four (4) payment options shall be used by County for recovery of amount owed by Contractor.

(i) Contractor will report the units of service delivered under the in-kind service arrangement in a format specified by County no later than the tenth calendar day of the month following the month of service. If the tenth calendar day of the month fals on a weekend or a County recognized holiday, the report is due the following business day.

(4) Under special circumstances, Contractor may request in writing an extension of the payment period beyond the six (6) – year extension period referenced in Paragraph T (PAYMENTS BY CONTRACTOR TO COUNTY), (1) Payment Amount, (c) – extended repayment plan option
(a) Director in his sole discretion may approve Contractor's request.

(5) Administrative Fee: A monthly administrative fee may be assessed for any Contractor repayment plan beyond 12 months;
(a) The fee assessed shall be a flat monthly amount based on the amount owed to County and the term of the repayment period at the time of the request.
(b) The amount of the fee may be determined by county at the time of Director's approval of Contractor's request, and shall be paid by Contractor to County with the monthly payment until Contractor pays County in full.

(6) Contractor may make additional cash payments to County at any time.

(7) If SMHS Reconciliation and Settlement, and/or SD/MC Audit and Post-Audit Settlement processes result in money owed to Contractor by County, such amount(s) shall be offset from the balance owed to County

(8) Contractor shall ensure that no current-year County funding is used to pay prior years' liabilities and that the County offset is absorbed by revenues, donations, and/or other sources of funds.

U. FINANCIAL SOLVENCY

(1) Contractor shall maintain adequate provisions to meet the solvency/working capital criteria specified in DMH Policy, *Financial Responsibility Requirements for Existing DMH Contractors.*

V. COUNTY AND CONTRACTOR REQUESTED CHANGES

(1) If Contractor desires any change in the terms and conditions of this Contract, Contractor shall request such change in writing prior to **March** 1st of the fiscal year for which the change would be applicable, except as otherwise provided in Paragraph X (SURVIVAL: AMENDMENTS TO MAXIMUM CONTRACT AMOUNT AND FINANCIAL SUMMARY (EXHIBIT B) or unless otherwise agreed to by County.

(a) All changes requested by Contractor shall be made by an amendment pursuant to DMH Legal Entity Contract Paragraph 8.1 (AMENDMENTS).

(b) All changes requested by the Contractor shall be followed by a Mid-Year Change to the last approved Negotiation Package to be submitted by the Contractor, which must be approved by the Director as specified in DMH Notice, *Negotiation Package Submission Procedures.*

(2) If Contractor requests an increase or decrease in the MCA or in the Funded Program Amount, Contractor shall provide all reports, data, and other information requested by the County, within 15 calendar days of County's request.

(a) Contactor's request for consideration of an increase in the MCA or in the Funded Program Amount, must be made and approved prior to Contractor rendering services that exceed the MCA or the Funded Program Amount. To the extent that County agrees to increase MCA or a Funded Program Amount, such approval shall be in the form of an executed amendment to this Contract. Director will make best efforts to expedite the amendments provided under this Subparagraph (2) (a) of this Paragraph V (CONTRACTOR REQUESTED CHANGES).

(b) Requests received after the Contractor has rendered services in excess of the MCA, or the Funded Program Amount, will only be considered on a prospective basis for payment of services rendered after the effective date of any executed amendment. The County shall not be responsible for payment, nor otherwise be liable for, services/activities that Contractor provided in excess of the MCA or the Funded Program Amount during any part of the Initial Period, First Automatic Renewal Period or Second Automatic Automatic Renewal Period, respectively.

(3) If County requires changes per options (a) and/or (b) as specified in Paragraph K (CONTRACTOR'S RESPONSIBILITY TO ENSURE QUALITY OF SERVICES AND TO MONITOR SERVICE PLAN AND COUNTY'S RIGHT TO RE-ALLOCATE FUNDS), Contractor must submit a Mid-Year Change to the last approved Negotiation Package as specified in DMH Notice, *Negotiation Package Submission Procedures.*

(4) If County requires changes per Paragraph I (LIMITATION OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS), Contractor must submit a Mid-Year Change to the last approved Negotiation Package.

(5) If County and Contractor agree to make a funding and/or service plan change relevant to this Contract, Contractor must submit a Mid-Year Change to the last approved Negotiation Package as specified in DMH Notice, *Negotiation Package Submission Procedures.*

W. DELEGATED AUTHORITY

(1) Notwithstanding any other provision of this Contract, the Director may, without further action by County's Board of Supervisors, prepare and sign amendments to this Contract under the following conditions.

(a) County's total payments to Contractor under this Contract, for each fiscal year of the term of this Contract, does not exceed an increase of more than the Board of Supervisor-approved percentage of the current applicable MCA; and

(b) Any such MCA amendment increase or amendment change shall only be for the provision of additional services; for the provision of new services as reflected on Exhibit C (STATEMENT OF WORK(S)/ SERVICE EXHIBIT(S) LIST); to ensure continuity of care; or to reflect program and/or policy changes that affect this Contract; or to allow final shift of funds pursuant to Paragraph X (SURVIVAL: AMENDMENTS TO MAXIMUM CONTRACT AMOUNT AND FINANCIAL SUMMARY (Exhibit B); and

(c) County's Board of Supervisors has appropriated sufficient funds for all changes described in each such amendment to this Contract; and

(d) Approval of County Counsel, or the designee, is obtained prior to any such amendment to this Contract.

(e) Director shall notify County's Board of Supervisors and the Chief Executive Officer of all Contract changes in writing within 30 calendar days following execution of any such amendment(s).

X. SURVIVAL: AMENDMENTS TO MAXIMUM CONTRACT AMOUNT AND FINANCIAL SUMMARY (EXHIBIT B)

(1) Due to the length of the State reconciliation and audit processes, County and contractor acknowledge that the final determination of the amounts that may be owed by the Parties to each other will occur during First and/or Second Automatic Renewal Period as described in Legal Entity Contract, Paragraph 4 (TERM) and/or after the expiration or termination of Contract. Therefore, the parties agree that all provisions of Contract related to effectuating payment, including, but not limited to, provisions related to cost reporting, settlement, and audit, including such provisions in Exhibit A, Financial Provisions, survive the First and/or Second Automatic Renewal Period as described in Legal Entity Contract, Paragraph 4 (TERM) and/or expiration or termination of Contract. This Paragraph X shall not be interpreted to imply that other provisions of Contract do not survive its expiration, if the Parties intent, as demonstrated by language, circumstances, law, or practice, is that the provision should survive.

(2) To maximize the use of federal and State funding for Medi-Cal services, Contractor, within 30 calendar days after the Annual Cost Report due date for the applicable fiscal year, may submit in writing a request to shift and/or increase funds on the Financial Summary (Exhibit B). Such shifting and/or increase of funds request shall reflect maximization of federal and other funding based on Contractor's complete and accurate Annual Cost Report submitted in accordance with Paragraph O (ANNUAL COST REPORTS) and in accordance with terms and limitations set forth in DMH Policy, Shifting Guidelines for the Legal Entity Contract. To the extent that County approves the shifting of funds request, such approval shall be in the form of an executed amendment to this Contract. In addition, the Director, at his/her sole discretion, may propose and, with the Contract of Contractor, execute a written amendment (a) to modify the distribution of funds identified for each Funded Program as shown on the Financial Summary (Exhibit B); (b) to change, including increase, the amount of federal or State funds on the Financial Summary (Exhibit B); or (c) to increase the MCA to include additional federal or State funds for Medi-Cal services, but only to the extent that such amendment is necessary for Contractor to be reimbursed for otherwise uncompensated care. Such amendment may be executed during First and/or Second Automatic Renewal Period as described in Legal Entity Contract, Paragraph 4 (TERM) and/or after the Contract has expired or terminated and shall be effective irrespective of whether the Contract is in the Automatic Renewal Period or has expired or terminated.

COUNTY OF LOS ANGELES DEPARTMENT OF MENTAL HEALTH CONTRACTOR CLAIMS CERTIFICATION FOR TITLE XIX SHORT-DOYLE MEDI-CAL and TITLE XXI MEDICAID CHILDREN'S HEALTH INSURANCE PROGRAM REIMBURSEMENTS

Legal Entity: St. Francis Medical Center

Legal Entity Number: 01366

Claims for services/activities with dates of services: July 1, 2018 through June 30, 2019.

I HEREBY CERTIFY under penalty of perjury that I am the official responsible for the administration of the mental health services in and for said claimant; that the amounts for which reimbursement will be claimed for Medi-Cal and Medicaid Children's Health Insurance Program (MCHIP) services to be rendered during the above indicated fiscal year and to be claimed to the County of Los Angeles Department of Mental Health will be in accordance with the terms and conditions of the Legal Entity Contract; and that to the best of my knowledge and belief each claim will be in all respects true, correct, and in accordance with State and federal law and regulation. I agree and shall certify under penalty of perjury that all claims for services to be provided to county mental health clients will be provided to the clients by this Legal Entity. The services will be provided in accordance with the client's written treatment plan. I agree and shall certify under penalty of perjury that no services will be submitted for the contractor nor any of its staff members who is restricted, excluded, and/or suspended from providing services under any health care program funded by the federal government, directly or indirectly, in whole or in part. This certification covers staff members who are directly included on the claim or any staff member whose time is included on the claim, but whose identifying Name and National Provider ID are not included if they were a co-practitioner in the service. This Legal Entity also certifies that all information submitted to the County Department of Mental Health will be accurate and complete. I and this Legal Entity understand that payment of these claims will be from County, State and federal funds, and any falsification or concealment of a material fact may be prosecuted under federal and/or State laws. The Legal Entity agrees to keep for a minimum period of as specified in its Legal Entity Contract with County a printed representation of all records which are necessary to disclose fully the extent of services furnished to the client. The Legal Entity agrees to furnish these records and any information regarding payments claimed for providing the services, on request, within the State of California, to the County of Los Angeles Department of Mental Health, California Department of Health Care Services, the Medi-Cal Fraud Unit; California Department of Justice, Office of the State Controller, U.S. Department of Health and Human Services, or their duly authorized representatives. The Legal Entity also agrees that services will be offered and provided without discrimination based on race, religion, color, national or ethnic origin, sex, age, or physical or mental disability.

FURTHER, I HEREBY CERTIFY under penalty of perjury to the following: An assessment of the beneficiary will be conducted in compliance with the requirements established in the County's Mental Health Plan (MHP) contract with the California Department of Health Care Services (State DHCS). The beneficiary will be determined to be eligible to receive Medi-Cal services at the time the services are provided to the beneficiary. The services to be included in the claims during the above indicated period will actually be provided to the beneficiary. Medical necessity will be established for the beneficiary as defined under Title 9, California Code of Regulations, Division 1, Chapter 11, for the service or services to be provided, for the timeframe in which the services will be provided. A client plan will be developed and maintained for the beneficiary that meets all client plan requirements established in the County's MHP contract with the State DHCS. For each beneficiary with day rehabilitation, day treatment intensive, or EPSDT supplemental specialty mental health services to be included in the claim during said period, all requirements for payment authorization for day rehabilitation, day treatment intensive, and EPSDT supplemental specialty mental health services will be met, and any reviews for such service or services will be conducted prior to the initial authorization and any re-authorization periods as established in the County's MHP contract with the State DHCS.

SERVICE EXHIBIT _____

TARGETED CASE MANAGEMENT SERVICES

(REHABILITATION OPTION)

(MODE OF SERVICE 15)

1. GENERAL: Targeted Case Management services shall be provided by Contractor to access needed medical, educational, social, pre-vocational, vocational rehabilitative, or other needed community services for patients/clients. These services provide for the continuity of care within the mental health system and related social service systems. Services include linkage and consultation, placement and plan development.

Services shall not include skill development, assistance in daily living, or training a patient/client to access services himself/herself.

Services may be either face-to-face or by telephone with the patient/client or significant support persons and may be provided anywhere in the community.

Prior to claiming Short-Doyle/Medi-Cal (SD/MC), a service site shall be certified by State Department of Mental Health (SDMH) as a Short-Doyle/Medi-Cal Mental Health Rehabilitation Provider.

In addition to the other staffing requirements of this Agreement, Contractor shall assure that these services are provided with the minimum qualified staff, as specified in the Department of Mental Health's (DMH) Guide to Procedure Codes.

The definition of a reimbursable unit for purposes of determining the number of units of service provided by Contractor hereunder shall be as established by Director. Billing restrictions for these services shall apply as set forth in the Guide to Procedure Codes.

2. PERSONS TO BE SERVED: Contractor shall provide services to the target population as identified in Contractor's Negotiation Package/Addenda who reside primarily within Los Angeles County Mental Health Service Areas identified on the Service Delivery Site Exhibit and who either are referred to Contractor by Director or voluntarily apply for and receive services with the subsequent consent of Director.

3. SERVICE DELIVERY SITE(S): Contractor's facility(ies) where services are to be provided hereunder is (are) located at: Site(s) as identified on the Service Delivery Site Exhibit and in the Contractor's Negotiation Package/Addenda Contractor shall obtain the prior written consent of Director at least seventy days before terminating services at such location(s) and/or before commencing such services at any other location(s).

4. QUALITY IMPROVEMENT: Contractor shall comply with all applicable provisions of WIC, CCR, Code of Federal Regulations, SDHS policies and procedures, SDMH policies and procedures, and DMH quality improvement policies and procedures. Contractor shall establish and maintain a complete and integrated quality improvement system.

5. PROGRAM ELEMENTS AND SERVICES: Contractor shall provide services to patients/clients in accordance with Contractor's Negotiation Package and any addenda thereto, as approved in writing by Director, and the RO/TCM Manual, for the term of this Agreement. Services shall include, but are not limited to:

A. Linkage and Consultation Services - May include, but are not limited to, the following:

(1) Identification and pursuit of resources which are necessary and appropriate to implement the service plan;

(2) Interagency and intra-agency consultation, communication, coordination, and referral; and

(3) Monitoring service delivery, the service plan, and the coordination plan implementation to ensure patient/client access to services and the service delivery system.

B. Placement Services - Supportive assistance to the patient/client in the assessment, determination of need, and securing of adequate and appropriate living arrangements, including, but not limited to the following:

(1) Locating and securing an appropriate living environment;

(2) Locating and securing funding for patient/client (e.g., Supplemental Security Income/State Supplemental Program (SSI/SSP), Medi-Cal, and Medicare);

(3) Pre-placement visit(s);

(4) Negotiation of housing or placement contracts; and

(5) Placement and placement follow-up.

C. Plan Development Services - May include any or all of the following:

(1) Development of coordination plans and/or service plans;

(2) Approval of plans; and

(3) Monitoring the patient's/client's progress.

SERVICE EXHIBIT ____

OUTREACH SERVICES

(MODE OF SERVICE 45)

1. GENERAL: Outreach services are delivered in the community-at-large to special population groups, to human services agencies, and to individuals and families who are not patients/clients of the mental health system. The intent of these services is to enhance the mental health of the general population, to prevent the onset of mental health problems in individuals and communities, and to assist those persons experiencing stress who are not reached by traditional mental health treatment services to obtain a more adaptive level of functioning. Outreach services are either community-related (Mental Health Promotion Services) or individual-related (Community Client Services).

The services to be provided hereunder are generally described in the CR/DC Manual, Chapter I (Introduction).

The definition of Service Function Code (SFC) unit for purposes of determining the number of units of service provided by Contractor hereunder shall be as established by Director.

2. PERSONS TO BE SERVED: Contractor shall provide services to the target population as identified in Contractor's Negotiation Package/Addenda who reside primarily within Los Angeles County Mental Health Service Areas identified on the Service Delivery Site Exhibit and who either are referred to Contractor by Director or who request outreach services.

3. SERVICE DELIVERY SITE(S): Contractor's facility(ies) where services are to be provided hereunder is (are) located at: Site(s) as identified on the Service Delivery Site Exhibit and in the Contractor's Negotiation Package/Addenda. Contractor shall obtain the prior written consent of Director at least seventy (70) days before terminating services at such location(s) and/or before commencing such services at any other location(s).

4. PROGRAM ELEMENTS AND SERVICES: Contractor shall provide services to

the community (Mental Health Promotion Services) and/or individuals (Community Client Services) in accordance with Contractor's Negotiation Package and any addenda thereto, as approved in writing by Director, for the term of this Agreement. Services shall include, but are not limited to:

A. Mental Health Promotion Services: Services shall be directed toward (1) enhancing and/or expanding agencies' or organizations' knowledge and skills in the mental health field for the benefit of the community-at-large or special population groups, and (2) providing education and/or consultation to individuals and communities regarding mental health service programs in order to prevent the onset of mental health problems. Services shall include, but are not limited to:

(i) Contact with school personnel, residential care providers, criminal justice system personnel, and others, in regard to meeting the mental health needs of the populations they serve;

(ii) Providing classes (such as parenting and drug abuse) requested by local schools, law enforcement agencies, and others, to high-risk, minority adolescents;

(iii) Participation in the organization of community advisory committees regarding local mental health needs; and

(iv) Training individuals, human service organizations, and others on how residents may be better informed of services available at their local mental health center.

B. Community Client Services: Services shall be directed toward: (1) assisting individuals and families for whom no case record can be opened to achieve a more adaptive level of functioning through single contact or occasional contact, and (2) enhancing or expanding the knowledge and skills of human services agency staff in meeting the needs of mental health patients/clients. Services shall include, but are not limited to:

(i) Contact with school personnel, residential care providers, criminal justice system personnel, and others, in regard

to specific mental health problems of individual patients/clients within their target population;

(ii) Presentations that import principles of sound mental health to high risk populations experiencing symptoms that, if unattended, could lead to the need for mental health treatment;

(iii) Providing leadership in organizing self-help type support groups within an existing human services program or agency; and

(iv) Home or field visits to underserved populations who cannot or are unwilling to avail themselves to mental health services.

SERVICE EXHIBIT _____

EARLY INTERVENTION EVIDENCE-BASED PROGRAMS
FOR CHILDREN AND TRANSITION AGE YOUTH (TAY) AGES 0-21

Provided under the
Mental Health Services Act (MHSA)
Prevention and Early Intervention (PEI) Plan

MODES OF SERVICE (15 and 45)

1. GENERAL

1.1 Early Intervention, Evidence-Based Programs (Program) services identified in Section 1.2) are specialized mental health services delivered by clinical staff, as part of multi-disciplinary treatment teams. The intent of the Program model is to 1) identify young children (ages 0-5), children (ages 6-15), and/or Transition Age Youth (TAY), (ages 16-20), who have experienced or have been exposed to or experienced traumatic events such as child sexual abuse, domestic violence, traumatic loss, and/or who are diagnosed with or experiencing difficulty related to symptoms such as Post-Traumatic Stress Disorder (PTSD), depression, anxiety, or co-occurring disorders, and 2) provide early intervention mental health services to reduce the impact of the identified symptoms. Specifically, the focus of the early intervention model is 1) to reduce trauma related symptoms and/or substance abuse, increase resilience, increase peer and parental support for young children/children/TAY, and 2) improve access to mental health services for those who are underserved either because they are unaware of available services or because they may be reluctant to access services due to stigma and/or discrimination. The Program services to be provided hereunder are described in Contractor's/Provider's (Contractor's) Proposal/Negotiation Package for the Legal Entity Agreement (Agreement), including any addenda thereto, as approved in writing by the Director of Mental Health.

1.2 Specific EBP Program to be implemented by Contractor includes the following: (check appropriate EBP):

- ☐ Child-Parent Psychotherapy
- ☐ Cognitive Behavioral Intervention for Trauma in Schools (CBITS)
- ☐ Cognitive Behavioral Therapy (CBT) for Major Depression for Children

and TAY

- ☐ Seeking Safety for TAY
- ☐ Trauma Focused Cognitive Behavioral Therapy (TF-CBT)
- ☐ Triple P Positive Parenting Program
- ☐ Other: _____
- ☐ Other: _____

2. PERSONS TO BE SERVED

2.1 The Program shall target its services towards young children, children, and/or TAY and/or their parents/caregivers. The Program is intended as an early intervention for young children/children/TAY who may be at risk for acting-out or who are diagnosed with or at risk of any number of mental health symptoms associated with depression, anxiety, psychological trauma, or co-occurring disorders, and is intended particularly to those individuals who are not currently receiving mental health services.

2.2 For each EBP treatment team identified in Section 1.2, it is estimated that ____ individuals and their families can be served annually per minimum Program team.

3. SERVICE DELIVERY SITE

Services shall be delivered at the service delivery sites listed in the Agreement. Contractor shall request approval from the Department of Mental Health (DMH) Program Manager in writing a minimum of 60 days before terminating services at any of the location(s) listed on its Agreement and/or before commencing services at any other location(s) not previously approved in writing by the DMH Program Manager. All service delivery sites listed on the Contractor's contract shall be operational within 30 days of the commencement of the Agreement or Agreement amendment.

4. PROGRAM ELEMENTS AND SERVICES

Contractor shall provide the following services:

4.1 Culturally and Linguistically Appropriate Services. Services shall be delivered by professional staff that have similar cultural and linguistic backgrounds to those of the client population(s) being served. Contractors shall understand and utilize the strengths of culture in service delivery and incorporate the languages and

cultures of their clients into the services that provide the most effective outcomes. If a Contractor elects to deliver specialized linguistically appropriate services through a subcontract agreement [refer to Agreement paragraph on Subcontracting] then Contractor shall ensure that individuals providing these services are participating members of multi-disciplinary teams.

4.2 Program Model. The Program is an empirically based and research proven treatment model, which is effective for resolving symptoms of PTSD, depression, anxiety, behavioral difficulties, substance abuse, and/or other problems related to trauma. Specifically, vis-à-vis group therapy sessions, complimented by individual and parent/collateral therapy sessions, during which Program techniques are implemented and reinforced, participants evidenced a significant improvement in behavioral and mental health symptoms. The Program may incorporate psychoeducation and parent education, relaxation training, cognitive therapy, real-life exposure, affective modulation, and/or social problem solving skills.

4.3 Outpatient Mental Health Services. The Program model identified above, may be offered via usual outpatient modes of service listed below. Some services such as medication support or crisis intervention, which are not formal aspects of the Program curricula, may also be offered during the course of treatment in order to provide for emergent client needs. However, clients requiring additional care extending beyond completion of the Program curriculum should be referred to specialty mental health services for longer term or more intensive interventions. Contractors retain clinical responsibility for such cases until they are successfully transitioned. All Outpatient Mental Health Services should be implemented by staff who reflect the community's cultural, ethnic and language characteristics.

4.3.1 Individual Therapy. Services are provided for individual clients utilizing the Program curricula. As with most PEI interventions, individual therapy is limited to the treatment protocols contained within the Program materials. In most instances, individual therapy is short-term and in most cases, should terminate following the completion of the Program curricula. Clinical tasks include developing diagnoses, treatment planning, and the provision of the Program curricula.

4.3.2 Collateral. Collateral sessions with parents or caregivers are scheduled

parallel to the child's individual sessions. These sessions may occur weekly at the onset of treatment and taper over the course therapy, as the clinician transitions from the parallel individual and collateral sessions to conjoint parent-child sessions. In those situations where on-going contact with individual parents/caregivers is desirable, then the family should be transitioned to a more intensive service. Clinical tasks include completing the intake assessment, psychoeducation and developing parenting skills, completing screenings and outcome measures, and treatment referrals.

4.3.3 Family Therapy. Services are provided for families utilizing the Program curricula. As with most PEI interventions, family therapy is a component of the Program curricula. In most instances, family therapy is short-term and should terminate following the completion of the Program curricula. These services include developing diagnoses, treatment planning, and the provision of the Program curricula.

4.3.4 Assessment. Services are provided at intake and other critical junctures during the Program curricula in order to ascertain progress. Clinical tasks include intake assessment, screenings, and on-going clinical assessment of treatment outcomes.

4.3.5 Case Management. This service is meant for clients in order to keep them engaged with treatment or connected with other ancillary services. Clinical tasks include referral and linkage to specialty mental health services. Contractor will identify appropriate referrals to those patients that are in need of a longer term or more intensive treatment. In these situations, Contractor will retain clinical responsibility for such cases until they are successfully transitioned into the appropriate setting.

4.3.6 Crisis Intervention. This service is available for situations where immediate action is necessary to help families manage crises. Clinical tasks include brief assessment or screenings, crisis intervention protocols, and treatment referrals.

4.3.7 Medication Support. This service is available for situations where a child has been identified with a disorder amenable to psychotropic medication. Medication support can work in conjunction with the other services above.

Clinical tasks include prescribing, administering, and dispensing medications, and assessment of medication effects.

4.3.8 Team Conferencing/Case Consultation. This service is available to assist in treatment planning, supervision, and fidelity adherence procedures. Clinical tasks include clinical case consultation, team conferencing, and fidelity control procedures.

4.4 Community Outreach Services (COS). Some aspects of the Program curricula identified above, particularly those components related to prevention (when there is no open mental health episode or identified client) may be offered via COS as listed below. It is vitally important that any agency engaging in COS should do so in a manner that is appropriate and respectful of a community's cultural diversity. This means that staff providing outreach services should reflect the service recipients' and service areas' cultural, ethnic and language characteristics.

4.4.1 Community Client Services (CCS). CCS services may include the provision of Program curricula to individuals or groups in instances where there is no identified client(s) or open mental health episode(s). CCS services are primarily preventative in nature but may also constitute an early intervention in some cases. Should a Contractor find that extended or more intensive services are required, then the client(s) should be transitioned into a more appropriate service. Clinical Tasks include screening clients, provision of the Program parenting groups, and referral to specialty mental health services.

4.4.2 Mental Health Promotion (MHP). MHP activities are directed at addressing and removing the barriers of mental health stigma and discrimination. The goal of MHP is to educate groups of individuals on the benefits of mental health treatment in a manner that is consistent and respectful of diverse cultures. Clinical Tasks include outreach and engagement strategies and activities directed at informing un-served, under-served and inappropriately-served ethnic minority populations, about the services available through the Program.

5. SERVICE GOALS AND OUTCOMES

As a result of the transformation of mental health services, early intervention services

will be offered. "Early Intervention" is defined as intervention directed toward individuals and families/caregivers for who a short duration (usually less than one year) of relatively low-intensity intervention is appropriate. Such "Early Intervention" includes between 10-50 Program services separate from other supportive, medically necessary services such as assessments, medication support, targeted case management, and crisis intervention as described in Section 4.3 (Outpatient Services), and should measurably improve a mental health problem or concern very early in its manifestation, thereby avoiding the need for more extensive mental health treatment or services, or to prevent a mental health problem from getting worse. The following outcomes may be identified for Program services:

Program Outcomes	Method/Measure of Success
1. Improve behavioral functioning	▪ Evaluation tool: (i.e., Life Events Scale, Pediatric Symptom Checklist)
2. Increase coping skills and resilience	▪ Evaluation tool: (i.e., Life Events Scale, Pediatric Symptom Checklist)
3. Decrease symptoms of Anxiety and PTSD	▪ Evaluation tool: (i.e., Child PTSD Symptoms Scale, Pediatric Symptom Checklist)
4. Decrease symptoms of depression	▪ Children's Depression Inventory ▪ Youth Outcome Questionnaire (especially the Interpersonal Distress, Somatic, and Critical Items subscales)
5. Decrease symptoms of trauma	▪ Trauma Symptom Checklist
6. Decrease behavioral problems	▪ Child Behavior Checklist (specifically the withdrawn and Aggressive Behaviors scales and Youth Outcome Questionnaire
7. Improve social competence and/or peer relationships, compliance, relationships within the home, and reduce interpersonal problems, substance abuse, interpersonal problems, and other behavioral problems	▪ Child Behavior Checklist or Youth Outcome Questionnaire. ▪ Youth Outcome Questionnaire (particularly the Interpersonal Relations and Social Problems subscales) ▪ Outcome Questionnaire (OQ, Y-OQ, Y-OQ SR) Interpersonal Distress, Interpersonal Relations, Social Problems, and Behavioral Dysfunction subscales)

8. Improve academic & vocational performance	▪ Student's grade point average ▪ Student's attendance record (e.g. as determined by student report card, CA Department of Education Dropout Rates, etc.) ▪ Report of parent/guardian
9. Improve dysfunctional parenting behaviors	▪ Parenting Scale (PS)
10. Provide prevention and early intervention services to underserved populations	▪ Monthly reports of clients served

6. QUALITY MANAGEMENT AND DATA COLLECTION

6.1 Quality Management,

6.1.1 Contractor shall establish and implement a comprehensive written Quality Management Program and Plan including Quality Assurance and Quality Improvement processes to ensure the organization monitors, documents and reports on required Program services provided and that identified measurable performance outcomes are attained. Quality Management activities are focused on assuring that the quality of services meets the Agreement requirements for the timeliness, accuracy, completeness, consistency and conformity to requirements as set forth in this Service Exhibit. The Plan shall be submitted to DMH for review and approval. The Plan shall be effective on the Agreement start date and shall be updated and re-submitted as changes are needed and/or as changes occur.

6.1.2 Contractor's plan shall specifically describe the methods by which performance outcomes will be measured and attained. The plan shall describe the quality monitoring methods and activities to be implemented to assure the stated measurable performance outcomes and specified Agreement requirements are met, including qualifications of monitoring staff, samples of monitoring forms and identification of related accountability reporting documents. The plan shall describe the methods and frequency by which the qualifying knowledge, skills, experience, and appropriate licenses and/or credentials of professional staff is properly assured, supervised, and maintained during the life of the Agreement. Further, the plan shall describe methods for identifying, preventing and

correcting barriers/deficiencies/problems related to the quality of services provided before the level of performance becomes unacceptable. The description of the methods shall include quality improvement strategies and interventions. The Contractor's plan shall be in keeping with the Department's Quality Improvement Work Plan, to the extent possible and as appropriate, with a focus on monitoring and improving the services provided and ensuring performance outcomes are achieved.

6.2 Data Collection. Contractor shall have the ability to collect, manage, and submit data and reports as directed by the DMH to demonstrate, profile, track, and document the effectiveness of: services delivered, performance outcomes, and quality improvement interventions including pertinent demographics of persons receiving services. Contractor's plan shall include a description of appropriate specific measures and data analysis methods that are currently in place and/or those to be developed to ensure accuracy of data for services delivered and performance outcomes measured. The Plan shall include a description of how data accuracy problems will be managed and resolved including a description of current data collection, data entry, data analysis, data reporting, and/or other data accuracy problems and actions already taken.

7. PERFORMANCE-BASED CRITERIA:

7.1 DMH shall evaluate Contractor on Performance-based Criteria that shall measure the Contractor's performance related to operational measures that are indicative of quality program administration. These criteria are consistent with the MHSA and the PEI Plan. These measures assess the agency's ability to provide the required services and to monitor the quality of the services.

7.2 Contractor shall collaborate with DMH to provide processes for systematically evaluating quality and performance indicators and outcomes at the program level. Should there be a change in federal, State and/or County policies/regulations, DMH, at its sole discretion, may amend these Performance-based Criteria via an amendment to the Agreement.

7.3 Contractor shall cooperate with DMH in the regularly scheduled monitoring of the program, including review of agency and program records, site visits, telephonic conferences, correspondence, and attendance at contractor meetings where the Contractor's adherence to the performance-based criteria will be evaluated.

7.4 The Performance-based Criteria are as follows:

PERFORMANCE-BASED CRITERIA	METHOD OF DATA COLLECTION	PERFORMANCE TARGETS
1. Agency has required multidisciplinary and multi-lingual team staffing	Negotiation packet, staff roster, List of Treatment Staff Language Capability	Agency hires staff as stipulated annually resulting in an increase of culturally and linguistically appropriate staff
2. Complete and accurate records are maintained that track referrals, usage, expenditure, as well as specific demographic, diagnostic, and outcome data for program participants	Review of monthly Program utilization reports for accuracy and completeness	Proposer maintains an accurate and complete database for Program, including all relevant back-up documentation, (e.g., referral forms) and required reports are submitted to DMH on or before due date every month (e.g. number of individuals contacted through outreach, number of individuals receiving Program services detailed by age and ethnic group, etc.)
3. Agency identifies and appropriate staff responds to referral in a timely manner	Centralized tracking of patients and time-to-treat interval	100% of referrals are assigned to Program group within two weeks of contact.
4. Agency has completed outcome measures as identified	All measures to be reported in Microsoft Excel 2003 format	Outcome measures given at baseline, annually, and upon discharge.

7.5 Contractor shall demonstrate in writing how the services impact the performance targets. Contractor shall maintain, at a minimum, the following documents that indicate the performance targets:

1. Completed referral forms.
2. Tracking report of Program referral and usage.

3. Statistical reports related to required data collection and Contractor's services.
4. Completed evaluation tool for measuring client's symptoms of depression and trauma.
5. Completed outcome measure to assess overall effectiveness of services.

ONE-TIME EXPENSES
ASSOCIATED WITH IMPLEMENTING A NEW
MENTAL HEALTH SERVICES ACT -
PREVENTION AND EARLY INTERVENTION PROGRAM(S)

I. OVERVIEW

In response to implementation requirements of Mental Health Services Act (MHSA), Prevention and Early Intervention (PEI) - Evidence-Based Practices (EBP), Promising Practices (PP), Community-Devined Evidence Practices (CDE), and two (2) Pilot programs, Los Angeles County Department of Mental Health (DMH) has designed policies, procedures and payment processes that support the implementation of these PEI programs.

DMH has developed this Service Exhibit to facilitate reimbursement of one-time only expenses associated with the development, training, and implementation of PEI - EBP, PP, CDE, and Pilot programs. Reimbursements are limited to those costs incurred during fiscal year (FY) 2010-11 - the first year in which the PEI - EBP, PP, CDE, and Pilot program(s) is/are initiated by Contractor. Maximum reimbursable costs shall not exceed one-time PEI program costs allocations for Fiscal Year 2010-11.

II. ALLOWABLE ONE-TIME COSTS

Service Function Code (SFC) 78: Other Non-Medi-Cal Client Support Expenditures

SFC 78 applies to one-time expenses associated with starting a new program that include general operating expenditures incurred in providing non-Medi-Cal client supports not otherwise reported in Treatment or Outreach Programs (Mode 05, 10, 15 or 55). Allowable expenses include credentialing and/or certification costs associated with the implementation of PEI - EBP, PP, CDE, and Pilot programs during FY 2010-11 only. Examples of allowable expenditures are training prior to the provision of services, EBP, PP, CDE, and Pilot programs' developer fees, training material costs, and/or staff time dedicated to program implementation.

III. REIMBURSEMENT

The procedures for reimbursement for One-Time Expenses Associated with Implementing a New MHSA PEI Program are provided in this Attachment A.

ONE-TIME EXPENSES ASSOCIATED WITH IMPLEMENTING A NEW MENTAL HEALTH SERVICES ACT PROGRAM REIMBURSEMENT PROCEDURES

The following procedures shall be used for reimbursement of One-Time MHSA expenditures:

1. ONE-TIME COSTS ELIGIBLE FOR REIMBURSEMENT

Service Function Code 78: One-Time Non-Medi-Cal Client Support Expenditures

2. REIMBURSEMENT GUIDELINES

The funds allocated for one-time costs shall be used only when no other non-Medi-Cal funds are available during the first year in which a new PEI EBP, PP, CDE, and Pilot program(s) is/are initiated.

3. DOCUMENTATION REQUIREMENTS FOR REIMBURSEMENT

The following supportive documentation shall be maintained on file in accordance with the Records and Audits paragraph of the Agreement:

a. Original receipts to support payment invoices. If an original receipt is not obtainable, a copy of the receipt or justification as to why the receipt was not obtained should be retained;

b. Copies of signed checks issued; and

c. Documentation of costs associated with training of staff.

4. SUBMISSION OF MONTHLY INVOICES

Contractor shall, on the last day of each month, complete a separate One-time MHSA Expenses invoice indicating the funding source name, category of expenses (SFC 78) and the amount spent, including staff salaries. All claims are to be submitted by Contractor to DMH within sixty (60) days from the month in which the expenditure occurred.

The One-time MHSA Expenses Claim form(s) (Attachment B) shall be submitted to:

County of Los Angeles – Department of Mental Health
550 S. Vermont Avenue
Los Angeles, CA 90020
ATTN: Provider Reimbursement

5. DMH REVIEW AND APPROVAL OF INVOICES

The DMH PEI Program Manager will review monthly invoices and sign to affirm that expenditures meet established procedures for One-time Expenses Associated with Implementing a New MHSA PEI program. Approved invoices will be forwarded to the DMH Provider Reimbursment Unit for payment.

DMH shall process all completed requests for reimbursement on a monthly basis. The judgment of DMH as to the allowability of any expenditure shall be final.

6. **MONTHLY RECONCILIATION REPORT**

The amount of funds allocated for one-time MHSA expenditures associated with implementing a new PEI program must have been approved by the Department prior to the expenditures. Monthly disbursements reports will be generated by the Accounting Division for the Contractors and Program staff to ensure expenditures have not been exceeded. The County shall not be liable for reimbursement of any expenses claimable hereunder in the event that Contractor exceeds its allocation or violates the terms and conditions of these procedures or the Legal Entity Agreement.

PREVENTION AND EARLY INTERVENTION (PEI) PROGRAMS

Provided under the
Mental Health Services Act

1. **GENERAL**

The Prevention and Early Intervention (PEI) Plan, the second largest component of the Mental Health Services Act (MHSA) focuses on evidence-based services, education, support, and outreach to help inform and identify those who may be affected by some level of mental health issue. Providing mental health education, outreach and early identification (prior to diagnosis) can mitigate costly negative long-term outcomes for mental health consumers and their families.

2. **PEI PROGRAMS**

Early Intervention programs, include evidence-based programs (EBPs), promising practices (PPs) and community-defined evidence (CDEs) practices, and are services delivered by clinical staff, as part of multi-disciplinary treatment teams. The intent of the programs are to 1) identify Young Children (ages 0-5), Children (ages 6-15), TAY (ages 16-25), Adults (ages 26-59), and Older Adults (ages 60 and over) who have experienced or have been exposed to or experienced traumatic events such as child sexual abuse, domestic violence, traumatic loss, and/or who are diagnosed with or experiencing difficulty related to symptoms such as Post-Traumatic Stress Disorder (PTSD), depression, anxiety, or co-occurring disorders, and 2) provide early intervention mental health services to reduce the impact of the identified symptoms. Specifically, the focus of the early intervention model is 1) to reduce trauma related symptoms and/or substance abuse, increase resilience, increase peer and parental support for young children/children/TAY/adults/older adults, and 2) improve access to mental health services for those who are underserved either because they are unaware of available services or because they may be reluctant to access services due to stigma and/or discrimination. The services to be provided hereunder are described in Contractor's/Provider's (Contractor's) Proposal/Negotiation Package for the Legal Entity Agreement (Agreement), including any addenda thereto, as approved in writing by the Director of Mental Health.

Table 1. PEI Programs

	Program Name	Summary Description	Age Groups Served
1	Aggression Replacement Training (ART)	A multi-level, family-centered intervention targeting youth at risk for substance abuse or behavior problems. Designed to address the family dynamics of adolescent problem behavior, the long term goals are to arrest the development of teen antisocial behaviors and drug experimentation. The intervention uses a "tiered" strategy with each level (universal, selective, and indicated) building on the previous level. Strategies targeting parents: based on evidence about the role of coercive parenting strategies in the development of problem behaviors in youth. Curriculum for teens: takes a social learning approach to behavior change and concentrates on setting realistic goals for behavior change, defining reasonable steps toward goal achievement, providing peer support for pro-social and abstinent behavior.	Children (ages 12-15) TAY (ages16-17)
2	Alternatives for Families – A Cognitive Behavioral Therapy (AF-CBT)	AF-CBT is designed for children, parents, caregivers, and families at risk of physically abusive or coercive behavior. AF-CBT incorporates several behavioral and cognitive-behavioral methods that have been described and examined for use with physically abusive or at-risk families in several studies over the past four decades. AF-CBT emphasizes training in both intrapersonal and interpersonal skills designed to enhance self-control, promote positive family relations, and reduce violent behavior. Its primary techniques include affect regulation, behavior management, social skills training, cognitive restructuring/problem-solving, and communication. Common treatment goals include reducing a caregiver's level of anger and use of force, promoting non-aggressive (alternative) discipline strategies, minimizing family risks for re-abuse, enhancing a child's coping skills, and encouraging non-aggressive family problem-solving and communication.	Children (ages 5-15)
3	Brief Strategic Family Therapy (BSFT)	A family-based intervention designed to prevent and treat child and adolescent behavior problems. BSFT targets children and adolescents who are displaying or are at risk for developing behavior problems, including substance abuse. The goal of BSFT is to improve a youth's behavior problems by improving family interactions that are presumed to be directly related to the child's symptoms, thus reducing risk factors and strengthening protective factors for adolescent drug abuse and other conduct problems. BSFT is a short-term, problem oriented EBP intervention targeted for youth with substance abuse and conduct problems.	Children
4	Caring for Our Families (CFOF)	A culturally appropriate adaptation of national "Family Connections" model that includes community outreach, family assessment, and individually tailored program of counseling, referrals and linkages. The goal is to help families meet the basic needs of their children and reduce the risk of child neglect. The core components of FC include (a) emergency assistance/concrete services; (b) home-based family intervention (e.g., family assessment, outcome-driven service plans, individual and family counseling); (c) service coordination with referrals targeted toward risk (e.g., substance abuse treatment) and protective factors (e.g., mentoring program); and (d) multi-family supportive recreational activities (e.g., theme-based gatherings such as Black History month, trips to museums, etc.).	Children
5	Child-Parent Psychotherapy (CPP)	Specialized services delivered by mental health clinicians, as part of multi-disciplinary treatment teams. CPP is a psychotherapy model that integrates psychodynamic, attachment, trauma, cognitive-behavioral, and social-learning theories into a dyadic treatment approach designed to restore the child-parent relationship and the child's mental health and developmental progression that have been damaged by the experience of domestic violence. CPP is intended as an early intervention for children ages birth to 5 years who may be at risk for acting-out and experiencing symptoms of depression and trauma, particularly those individuals who are not currently receiving mental health services.	Young Children (ages 0-5)

Table 1. PEI Programs

	Program Name	Summary Description	Age Groups Served
6	Center for the Assessment and Prevention of Prodromal States (CAPPS) Program	Designed to provide early prevention strategy aimed at the early identification of individuals at risk for psychosis and to provide preventive interventions targeting both conversion to psychosis and functional disability in TAY clients who are experiencing prodromal symptoms of their first-break psychosis. The CAPPS Program has made significant progress in the prediction of schizophrenia and related disorders, as well as in the identification of biological and psychosocial factors associated with their onset. They have translated this knowledge into their clinical work with clients experiencing their first-break psychosis and early onset of serious mental illnesses with psychotic features. The first year preceding full psychosis provides a critical time when preventive interventions can be made for greatest impact.	TAY
7	Cognitive Behavioral Intervention for Trauma in School (CBITS)	An early intervention for children who may be at risk for acting-out, and symptoms associated with depression and trauma, particularly those individuals who are not currently receiving mental health services. Services are specialized mental health services delivered within the school setting by clinical staff, as part of multi-disciplinary treatment teams. The intent is to identify children who have experienced or have been exposed to traumatic events, identify those students experiencing difficulty related to symptoms of Posttraumatic Stress Disorder (PTSD), depression or anxiety, and provided early intervention mental health services to reduce the impact of the identified symptoms. Specifically, it is to reduce trauma related symptoms, increase resilience, and increase peer and parental support, for students at risk of school failure and improve access to mental health services for those who are underserved, either because they are unaware of available services or may be reluctant to access services due to stigma and/or discrimination.	Children (ages 10-15) TAY
8	Crisis Oriented Recovery Services (CORS)	A short-term intervention designed to provide immediate crisis intervention, address identified case management needs, and assure hard linkage to ongoing services. The primary objective is to assist individuals in resolving and/or coping with psychosocial crises by mitigating additional stress or psychological harm. CORS promotes the development of coping strategies that individuals can utilize to help restore them to their previous level of functioning prior to the crisis event. Services are designed to provide alternatives to emergency room care, acute inpatient hospitalizations or other institutional care. Immediate access to short-term crisis intervention, mental health and case management services is at the core of the program.	Children TAY Adults Older Adults
9	Depression Treatment Quality Improvement Intervention (DTQI)	Service are delivered to individuals experiencing depressive symptoms and impaired functioning. DTQI is an action orientated therapy that assumes that maladaptive, or faulty, thinking patterns cause maladaptive behavior and negative emotions. The treatment focuses on changing an individual's thoughts or cognitive patterns, in order to change his/her behavior and emotional state. Group has two purposes, psychoeducation and psychotherapy. During the psychoeducation component of the program individuals can learn about major depression and ways to decrease the likelihood of becoming depressed in the future. During the psychotherapy component, individuals who are currently depressed can gain understanding about factors that have contributed to the onset and maintenance of their depression and learn ways to treat their disorder.	Children (ages 12-15) TAY (ages16-20)
10	FOCUS (Families OverComing Under Stress): (FOCUS)	FOCUS is a family-centered resiliency training program based on interventions previously found to improve psychological health and developmental outcomes for highly stressed children and families.	Adults
11	Functional Family Therapy (FFT)	A family-based prevention and intervention program for dysfunctional youths targeting ages 11-18. Program has been successful in a variety of multi-ethnic, multicultural contexts to treat a range of high-risk youths and their families. This model allows for successful intervention in complex and multi-dimensional problems through clinical practice that is flexibly structured and culturally sensitive. Specific phases for this model: 1) engagement/motivation, 2) behavior change, and 3) generalization.	Children (ages 10-15) TAY (ages16-18)

	Program Name	Summary Description	Age Groups Served
12	GLBT CHAMPS	Gay/Lesbian/Bisexual/ Transgender Comprehensive HIV & At-Risk Mental Health Service GLBT CHAMPS is a comprehensive package of interventions with enhanced case management and outreach intervention, mobile van HIV testing, and a CDC evidence-based social skills intervention for enhancing risk reduction education and decreasing stigma among HIV+ African American females (SISTA). Some of the elements of this program are consistent with PEI, while others are consistent it CSS.	TAY
13	Group CBT for Major Depression Group CBT)	Group CBT focuses on changing an individual's thoughts (cognitive patterns) in order to change his or her behavior and emotional state. Treatment is provided in a group format and assumes maladaptive, or faulty, thinking patterns cause maladaptive behavior and negative emotions. Group format is particularly helpful in challenging distorted perceptions and bringing thoughts more in line with reality. Cultural tailoring of treatment and case management shows increased effectiveness for low-income Latino and African-American adults.	TAY (18 – 25) Adults Older Adults
14	Incredible Years (IY)	A set of comprehensive, multifaceted, and developmentally based curricula targeting primarily 2-12 year old children, their parents and teachers. Program based on developmental theory of the role of multiple interacting risk and protective factors in the development of conduct problems. The three components are: Parent training intervention (focus on strengthening parenting competencies, parents' involvement in child's activities to reduce delinquent behavior); Child training curriculum (strengthen children's social/emotional competencies); and Teacher training intervention (focus on teachers' classroom management strategies, promoting pro-social behavior and school readiness). This intervention helps teachers work with parents to support their school involvement and promote consistency between home and school. All three training interventions utilize videotaped scenes to structure content and group discussion.	Children (ages 0-12)
15	Interpersonal Psychotherapy for Depression (IPT)	With targeted population of adolescents, with depression, ages 12-18, IPT was developed for the treatment of ambulatory depressed, non-psychotic, non-bipolar patients. Successful treatment for depression, modified to treat other psychiatric disorders and patient populations (late-life, primary medical care). Primary uses: short term therapy (16 weeks), but also has been modified for use as a maintenance therapy for patients with recurrent depression. Includes specific strategies such as assessing the symptoms of depression, relating the onset of the depressive inventory and selecting a focus for the treatment for the following problem areas: delayed/incomplete grief, role transitions, role disputes, or interpersonal deficit. Tasks usually accomplished in the first three sessions.	TAY
16	Loving Intervention Family Enrichment Program (LIFE)	An adaptation of Parent Project, a national model which is a 22-week skills-based curriculum for parents of children at risk of or involved with the juvenile justice system and multi-family group therapy. The program was designed for low income Latino families with monolingual (Spanish) parents of children at high-risk of delinquency and/or school failure.	Children TAY
17	Managing and Adapting Practice (MAP)	MAP is designed to improve the quality, efficiency, and outcomes of children's mental health services by giving administrators and practitioners easy access to the most current scientific information and by providing user-friendly monitoring tools and clinical protocols. Using an online database, the system can suggest formal evidence-based programs or, alternatively, can provide detailed recommendations about discrete components of evidence-based treatments relevant to a specific youth's characteristics. Whether services are delivered through existing evidence-based programs or assembled from components, the MAP system also adds a unifying evaluation framework to track outcomes and practices. The current state-of-the-art treatments in behavioral healthcare are evidence-based protocols targeted to defined client problems that are tested through randomized clinical trials.	Children (ages 3-15) TAY (ages 6-18)

Table 1. PEI Programs

	Program Name	Summary Description	Age Groups Served
18	Mental Health Integration Program (MHIP) also know as Improving Mood – Promoting Access to Collaborative Treatment (IMPACT)	MHIP (an adaptation of Improving Mood – Promoting Access To Collaborative Treatment (IMPACT), is an evidence-based treatment program for common mental health disorders (e.g. depression, anxiety) that integrates health and mental health systems of care. The intent of MHIP is to identify adults in the early stages of an episode in order to decrease symptoms, improve medication adherence when medication has been prescribed, and increase levels of behavioral and social functioning. Integrating behavioral health services within a primary care facility places mental health resources and psychiatric consultation within easy reach of primary care providers who are often the first point of contact for individuals in the midst of an episode or in the beginning stages of one. The intent of the service is to streamline access to treatments for depression and anxiety so that an intervention can occur as soon as possible. Patients may receive psycho-educational materials, medication, or interventions aimed at improving problem solving and other coping skills. Following successful response to treatment, patients are monitored and counseled on ways of avoiding symptom relapse. MHIP helps primary care providers (PCPs) and behavioral health providers integrate early identification, assessment, and treatment within the same clinic setting.	Adults
19	Mindful Parenting Groups (MPG)	Twelve week parenting program for parents and caregivers of infant, toddler and preschool children at risk to mental health problems and disrupted adoptions. Weekly sessions are sequenced to include parental engagement and skill building. Bilingual-Bicultural clinicians offer this service to monolingual Spanish speaking parents. In addition, the groups have been successful with gay and lesbian parents and bi-racial couples. The intervention is tailored to the parenting traditions and cultures of the parents in the group. In addition, discrimination (particularly as it relates to non traditional families) is explored as an additional parenting stressor	Young Children (ages 0-5)
20	Multidimensional Family Therapy (MDFT)	A family-based treatment and substance-abuse prevention program for adolescents (11-18) with drug and behavior/conduct problems. Treatment seeks to significantly reduce or eliminate an adolescent's substance abuse and other problem behavior, to improve overall family functioning through multiple components, assessments, and interventions in several core areas of life. With two separate and distinct objectives for both adolescent and parent, there are also two intermediate intervention goals for every family: 1) helping the adolescent achieve an interdependent attachment/bond to parents/family; and 2) helping the adolescent forge durable connections with pro-social influences such as schools, peer groups, and recreational and religious institutions.	Children TAY
21	Multisystemic Therapy (MST)	Targets youth (12-17) with criminal behavior, substance abuse and emotional disturbance, as well as juvenile probation youth. MST typically uses a home-based model of service delivery to reduce barriers that keep families from accessing services. MST therapists concentrate on empowering parents and improving their effectiveness by identifying strengths and developing natural support systems (e.g. extended family, friends) and removing barriers (e.g. parental substance abuse, high stress). Specific treatment techniques used to facilitate these gains are integrated from those therapies that have the most empirical support, including behavioral, cognitive-behavioral, and the pragmatic family therapies. This family-therapist collaboration allows the family to take the lead in setting treatment goals as the therapist helps them to accomplish their goals.	Children TAY
22	Promoting Alternative Thinking Strategies (PATHS)	PATHS is a school-based preventive intervention for children in preschool or elementary school designed to enhance areas of social-emotional development such as self-control, self-esteem, emotional awareness, social skills, friendships, and interpersonal problem-solving skills while reducing aggression and other behavior problems. Skill concepts are presented through direct instruction, discussion, modeling, storytelling, role-playing activities, and video presentations.	Children

Table 1. PEI Programs

	Program Name	Summary Description	Age Groups Served
24	Parent-Child Interaction Therapy (PCIT)	Highly specified, step-by-step, live-coached sessions with both the parent/caregiver and the child. Parents learn skills through PCIT didactic sessions, and, using a transmitter and receiver system, the parent/caregiver is coached in specific skills as he or she interacts in specific play with the child. The emphasis is on changing negative parent/caregiver-child patterns.	Young Children (ages 2-5) Children (ages 6-12)
24	Program To Encourage Active Rewarding Lives For Seniors (PEARLS)	The PEARLS Program is a highly effective method designed to reduce depressive symptoms and to improve the quality of life in older adults. During six to eight sessions that take place in the client's home and focus on brief behavioral techniques. PEARLS Program counselors empower individuals to take action and make lasting changes so that they can lead more active and rewarding lives. The PEARLS Program focuses on teaching each client the skills necessary to move to action and make lasting life changes, is delivered in the client's home, and is designed to be delivered in the community, primarily through existing service-provision programs. PEARLS, takes a team-based approach, involving PEARLS counselors, supervising psychiatrists and medical providers. The program aims to improve quality of life as well as reduce depressive symptoms, and is well-suited for individuals with chronic illness.	Older Adults
25	Prolonged Exposure Therapy for Post-Traumatic Stress Disorder (PE-PTSD)	PE-PTSD is designed as an early intervention, cognitive behavioral treatment model for individuals (18–70 years) who may be experiencing symptoms indicative of early signs of mental health complications due to experiencing one or more traumatic events. PE-PTSD can be used to treat Veterans and/or their families who have experienced single or multiple/continuous traumas and have post-traumatic stress disorder (PTSD). The individual therapy is designed to help clients process traumatic events and reduce their PTSD symptoms as well as depression, anger, and general anxiety. Treatment consists of 8-15 sessions conducted once or twice weekly for 90-minutes each.	TAY Adults Older Adults
26	Reflective Parenting Program (RPP)	Reflective Parenting Program focuses on enhancing the bonds between parents and children to improve parenting outcomes, and support emotionally healthy children. Parents and caregivers participate in a ten week workshop series designed to increase parental reflective functioning.	Children (ages 0-5)
27	Seeking Safety (SS)	Designed for flexible use with diverse populations and settings (outpatient, inpatient, residential) and can be conducted in group (males, females, mixed gender) or individual format. It has been found to be a cost-effective treatment which can be deployed quite quickly by clinicians. Seeking Safety has been used with people who have a trauma history, but do not meet criteria for PTSD, and with clients with varying degrees of substance abuse/dependence. Treatment is intended for individuals or groups who are trauma-exposed, experiencing symptoms of trauma(s) and/or substance abuse.	TAY
28	Strengthening Families (SF)	A family-skills training intervention designed to enhance school success and reduce substance use and aggression among youth. Sessions provide instruction for parents on understanding the risk factors for substance use, enhancing parent-child bonding, monitoring compliance with parental guidelines, and imposing appropriate consequences, managing anger and family conflict, and fostering positive child involvement in family tasks. Children receive instruction on resisting peer influences.	Children (ages 3-15) TAY (ages 16-18)
29	Trauma Focused CBT (TF-CBT)	An early intervention for children who may be at risk for symptoms of depression and psychological trauma, subsequent to any number of traumatic experiences, particularly those individuals who are not currently receiving mental health services. Services are specialized mental health services delivered by clinical staff, as part of multi-disciplinary treatment teams. Program is intended to reduce symptoms of depression and psychological trauma, which may be the result of any number of traumatic experiences (e.g., child sexual abuse, domestic violence, traumatic loss, etc.), for children and TAY receiving these services.	Young Children Children TAY (ages16-18)

	Program Name	Summary Description	Age Groups Served
30	Triple P Positive Parenting Program (Triple P)	Triple P is intended for the prevention and early intervention of social, emotional and behavioral problems in childhood, the prevention of child maltreatment, and the strengthening of parenting and parental confidence. An EBP parenting program and system for delivering parenting information to large and small populations. DMH is implementing two Level Four early interventions, the basic parenting modules: Standard Triple P and Standard Teen Triple P. Triple P programs, extensively researched within the United States and abroad, have been found to be an effective intervention for diverse cultural populations. Target population is towards parents/caregivers of children ages 0-16 years.	Young Children (ages 0-5) Children
31	UCLA Ties Transition Model (UCLA TTM)	UCLA Ties Transition Model (TTM) – Young Children. UCLA Ties Transition Model is a multi-tiered transitional and supportive intervention for adoptive parents of high-risk children. Families participate in three 3-hour psycho-educational groups. Additional service and support options available to families, including older children, for up to one year (e.g., monthly support sessions, adoption-specific counseling, home visiting if child is less than age 3, interdisciplinary educational and pediatric consultation).	Young Children (ages 0-5)

3. **PERSONS TO BE SERVED**

3.1 The PEI programs shall target services towards young children, children, TAY, adults, and older adults and/or their parents/caregivers. The PEI programs are intended as an early intervention for all age groups who may be at risk for acting-out or who are diagnosed with or at risk of any number of mental health symptoms associated with depression, anxiety, psychological trauma, or co-occurring disorders, and are intended particularly for those individuals who are not currently receiving mental health services.

3.2 The PEI Plan identified specific EBPs, PPs, and CDEs for each of the nine designated PEI Projects. Table 2 lists the PEI programs that are assigned to each PEI project. DMH will assign the designated percentage of claims to the appropriate PEI project.

4. **SERVICE DELIVERY SITE**

Services shall be delivered at the service delivery sites listed in the Agreement. Contractor shall request approval from the DMH PEI Program Manager in writing a minimum of 60 days before terminating services at any of the location(s) listed on its Agreement and/or before commencing services at any other location(s) not previously approved in writing by the DMH PEI Program Manager. All service delivery sites listed on the Contractor's Agreement shall be operational within 30 days of the commencement of the Agreement.

5. **PROGRAM ELEMENTS AND SERVICES**

Contractor shall provide the following services:

5.1 Culturally and Linguistically Appropriate Services. Services shall be delivered by professional staff that have similar cultural and linguistic backgrounds to those of the client population(s) being served. Contractors shall understand and utilize the strengths of culture in service delivery and incorporate the languages and cultures of their clients into the services that provide the most effective outcomes. If a Contractor elects to deliver specialized linguistically appropriate services through a subcontract agreement [refer to Agreement paragraph on Subcontracting] then Contractor shall ensure that individuals providing these services are participating members of multi-disciplinary teams.

5.2 Program Model. The PEI programs are empirically based and research proven treatment models, which are effective for resolving symptoms of PTSD, depression, anxiety, behavioral difficulties, substance abuse, and/or other problems related to trauma. Specifically, vis-à-vis group therapy sessions, complimented by individual and parent/collateral therapy sessions, during which the PEI programs techniques are implemented and reinforced, participants evidenced a significant improvement in behavioral and mental health symptoms. The PEI programs may incorporate psychoeducation and parent education, relaxation training, cognitive therapy, real-life exposure, affective modulation, and/or social problem solving skills.

5.3 Outpatient Mental Health Services. The PEI programs models identified above may be offered via usual outpatient modes of service listed below. Some services such as medication support or crisis intervention, which are not formal aspects of the PEI programs curricula, may also be offered during the course of

treatment in order to provide for emergent client needs. However, clients requiring additional care extending beyond completion of these programs curricula should be referred to specialty mental health services for longer term or more intensive interventions. Contractors retain clinical responsibility for such cases until they are successfully transitioned. All Outpatient Mental Health Services should be implemented by staff who reflect the community's cultural, ethnic and language characteristics.

5.3.1 Individual Therapy. Services are provided for individual clients utilizing the PEI programs curricula. As with most PEI interventions, individual therapy is limited to the treatment protocols contained within the programs materials. In most instances, individual therapy is short-term and in most cases, should terminate following the completion of the programs curricula. Clinical tasks include developing diagnoses, treatment planning, and the provision of the programs curricula.

5.3.2 Collateral. Collateral sessions with parents or caregivers are scheduled parallel to the child's individual sessions. These sessions may occur weekly at the onset of treatment and taper over the course therapy, as the clinician transitions from the parallel individual and collateral sessions to conjoint parent-child sessions. In those situations where on-going contact with individual parents/caregivers is desirable, then the family should be transitioned to a more intensive service. Clinical tasks include completing the intake assessment, psychoeducation and developing parenting skills, completing screenings and outcome measures, and treatment referrals.

5.3.3 Family Therapy. Services are provided for families utilizing the PEI programs curricula. As with most PEI interventions, family therapy is a component of the programs curricula. In most instances, family therapy is short-term and should terminate following the completion of these programs curricula. These services include developing diagnoses, treatment planning, and the provision of these programs curricula.

5.3.4 Assessment. Services are provided at intake and other critical junctures during the PEI programs curricula in order to ascertain progress. Clinical tasks include intake assessment, screenings, and on-going clinical assessment of treatment outcomes.

5.3.5 Case Management. This service is meant for clients in order to keep them engaged with treatment or connected with other ancillary services. Clinical tasks include referral and linkage to specialty mental health services. Contractor will identify appropriate referrals to those patients that are in need of a longer term or more intensive treatment. In these situations, Contractor will retain clinical responsibility for such cases until they are successfully transitioned into the appropriate setting.

5.3.6 Crisis Intervention. This service is available for situations where immediate action is necessary to help families manage crises. Clinical tasks include brief assessment or screenings, crisis intervention protocols, and treatment referrals.

5.3.7 Medication Support. This service is available for situations where a child has been identified with a disorder amenable to psychotropic medication. Medication support can work in conjunction with the other services above. Clinical tasks include prescribing, administering, and dispensing medications, and assessment of medication effects.

5.3.8 Team Conferencing/Case Consultation. This service is available to assist in treatment planning, supervision, and fidelity adherence procedures. Clinical tasks include clinical case consultation, team conferencing, and fidelity control procedures.

5.4 Core and Ancillary Services. Each EBP/PP/CDE has specific services that are core (mandatory) to that particular model. Ancillary (optional) services may also be billed. Attachment A identifies the core and ancillary services for each PEI EBP/PP/CDE model. This listing is subject to revision by DMH and notification to the Contractor.

6. STAFF TRAINING

6.1. Mandatory Training. Unless approved by DMH, agency staff must be sufficiently trained in the EBP, PP, or CDE prior to providing the specific PEI programs as a direct service. For staff that has had prior training, but may not have been actively practicing the service, a refresher course or booster training session is highly recommended.

6.2 Training Coordinator. Contractor shall identify a Training Coordinator to 1) to identify staff eligible for training who meet the minimum professional

qualifications to provide PEI program services; 2) identify staff with sufficient prior training to offer the specific PEI program services; and 3) ensure training on the EBP/PP/CDE model to maintain a high standard of care and treatment fidelity; and 4) submit documentation to DMH attesting that identified staff have met the standards required in the EBP/PP/CDE protocol. Contractor shall provide the Training Coordinator's contact information to DMH PEI Administration.

6.3 EBP/PP/CDE Trained Staff. Contractor shall provide DMH with periodic written reports as requested identifying the staff providing EBP/PP/CDE services, including information on professional credentials, licensure/waivers, discipline, EBP/PP/CDE workshop/training attended with dates of attendance, and any certifications that resulted from training activities.

6.4 Authorized Trainers. Only trainers who are currently authorized and acknowledged by the EBP/PP/CDE developer (or individual or corporate entity holding copyrights and/or intellectual property rights for the EBP/PP/CDE service) are considered sufficiently qualified to train agency staff under the scope of this protocol. It is the responsibility of the provider agency and training coordinator to insure that only authorized trainers are used.

7. SERVICE GOALS AND OUTCOMES

Each PEI EBP/PP/CDE has identified outcomes and outcome measures that must be utilized in the delivery of services. The utilization of the outcome measures and reporting of the data is mandatory. The outcome measures for each EBP/PP/CDE are listed in Attachment B – PEI Outcomes Measures. The outcomes measures on this chart are subject to change.

8. QUALITY MANAGEMENT AND DATA COLLECTION

8.1 Quality Management,

8.1.1 Contractor shall establish and implement a comprehensive written Quality Management Program and Plan including Quality Assurance and Quality Improvement processes to ensure the organization monitors, documents and reports on required EBP/PP/CDE services provided and that identified measurable performance outcomes are attained. Quality Management activities are focused on assuring that the quality of

services meets the contract requirements for the timeliness, accuracy, completeness, consistency and conformity to requirements as set forth in this Service Exhibit. The plan shall be submitted to DMH for review and approval. The plan shall be effective on the contract start date and shall be updated and re-submitted as changes are needed and/or as changes occur.

8.1.2 Contractor's plan shall specifically describe the methods by which performance outcomes will be measured and attained. The plan shall describe the quality monitoring methods and activities to be implemented to assure the stated measurable performance outcomes and specified contract requirements are met, including qualifications of monitoring staff, samples of monitoring forms and identification of related accountability reporting documents. The plan shall describe the methods and frequency by which the qualifying knowledge, skills, experience, and appropriate licenses and/or credentials of professional staff is properly assured, supervised, and maintained during the life of the contract. Further, the plan shall describe methods for identifying, preventing and correcting barriers/deficiencies/problems related to the quality of services provided before the level of performance becomes unacceptable. The description of the methods shall include quality improvement strategies and interventions. The Contractor's plan shall be in keeping with the Department's Quality Improvement Work Plan, to the extent possible and as appropriate, with a focus on monitoring and improving the services provided and ensuring performance outcomes are achieved.

8.2 Data Collection. Contractor shall have the ability to collect, manage, and submit data and reports as directed by the DMH to demonstrate, profile, track, and document the effectiveness of: services delivered, performance outcomes, and quality improvement interventions including pertinent demographics of persons receiving services. Contractor's plan shall include a description of appropriate specific measures and data analysis methods that are currently in place and/or those to be developed to ensure accuracy of data for services delivered and performance outcomes measured. The plan shall include a description of how data accuracy problems will be managed and resolved including a description of

current data collection, data entry, data analysis, data reporting, and/or other data accuracy problems and actions already taken.

9. **PERFORMANCE-BASED CRITERIA:**

9.1 DMH shall evaluate Contractor on five (5) Performance-based Criteria that shall measure the Contractor's performance related to operational measures that are indicative of quality program administration. These criteria are consistent with the MHSA and the PEI Plan. These measures assess the agency's ability to provide the required services and to monitor the quality of the services.

9.2 Contractor shall collaborate with DMH to provide processes for systematically evaluating quality and performance indicators and outcomes at the program level. Should there be a change in federal, State and/or County policies/regulations, DMH, at its sole discretion, may amend these Performance-based Criteria via a contract amendment.

9.3 Contractor shall cooperate with DMH in the regularly scheduled monitoring of the program, including review of agency and program records, site visits, telephonic conferences, correspondence, and attendance at contractor meetings where the Contractor's adherence to the performance-based criteria will be evaluated.

9.4 The Performance-based Criteria for each EBP/PP/CDE are as follows:

PERFORMANCE-BASED CRITERIA	METHOD OF DATA COLLECTION	PERFORMANCE TARGETS
1. Agency has required multidisciplinary and multi-lingual team staffing	Negotiation package, staff roster, List of Treatment Staff Language Capability	Agency hires staff as stipulated annually resulting in an increase of culturally and linguistically appropriate staff
2. Complete and accurate records are maintained that track referrals, usage, expenditure, as well as specific demographic, diagnostic, and outcome data for program participants	Review of monthly utilization reports for accuracy and completeness	Proposer maintains an accurate and complete database for the EBP/PP/CDE, including all relevant back-up documentation, (e.g., referral forms) and required reports are submitted to DMH on or before due date.
3. Agency identifies and appropriate staff responds to referrals in a timely manner	Centralized tracking of patients and time-to-treat interval	100% of referrals are assigned to the EBP/PP/CDE treatment within two weeks of contact

PERFORMANCE-BASED CRITERIA	METHOD OF DATA COLLECTION	PERFORMANCE TARGETS
4. Treatment protocols used are consistent with evidence based treatment guidelines	Verification of staff training and utilization of training and treatment manuals	100% of clients and their families receive treatment consistent with the EBP/PP/CDE Program
5. Agency has completed appropriate outcome measures, as determined by DMH	Agency completes appropriate outcome measures in formats and schedules designated by DMH	Outcome measurements are given at intake (prior to first session) and upon discharge

MHSA PEI PROGRAMS CORE INTERVENTIONS AND ANCILLARY SERVICES GUIDE

Attachment A

Core Interventions are those services intrinsic to the delivery of expected outcomes for the PEI program. Ancillary Services are those services that are not Core Interventions of the PEI program, but are required to meet emergent client needs. They should be short-term and should terminate upon completion of the PEI program.
All service delivery must adhere to the Scope of Practice guidelines in the current version of *A Guide to Procedure Codes for Claiming Mental Health Services* . The current version is available on the County of Los Angeles Department of Mental Health website. For a complete list of Options 1 and 2 of the Evidence-Based Practices/Service Strategies, please refer to the following link: http://dmh.lacounty.gov/hipaa/documents/PEITABLERevisedV9_002.pdf.

	Selecting an EBP/SS Option When claiming Core Interventions under Option 2, an EBP Code must be selected and, when appropriate, up to two Service Strategies	Selecting an EBP/SS Option When claiming an Ancillary Service, you must select codes from either Option 1 or Option 2. Under Option 1 select either 00 = No EBP/SS or 99 = Unknown EBP/SS. Under Option 2, you may select up to 3 Service Strategies only; an EBP should never be selected.

RECOVERY, RESILIENCE AND REINTEGRATION SERVICES

GENERAL

The Los Angeles County (LAC) Department of Mental Health (DMH) has consolidated work plans associated with the MHSA Community Services and Supports (CSS) Plan by mapping 24 work plans, up to 6, with the goal of creating administrative simplification and greater service continuity without modifying program expectations, intentions or service capacity. The consolidation will produce administrative efficiency for both DMH and contracted providers.

The 6 components of the new consolidated CSS Plan include:

1. Planning, Outreach & Engagement (POE);
2. Full Service Partnership (FSP);
3. Alternative Crisis Services;
4. Recovery, Resilience & Reintegration (RRR);
5. Linkage; and
6. Housing.

The RRR services cross all age groups and include services that may include community-based, clinic-based and well-being and peer-run services geared toward reintegration into the community.

Agencies that contract with LAC DMH to provide RRR services shall comply with specified provisions outlined in this Service Exhibit. Outside of the requirements noted in this Service Exhibit, specific program elements may vary based on the provider agency, location/site, unique program structure, staff expertise, and/or unique needs of ages/cultures of the consumers served.

1. WELL-BEING SERVICES

1.1. Adult Services

The primary purpose of Well-being Services is to support mental health consumers to re-engage in meaningful community activities. Well-being services offer consumers an array of services and supports delivered by peers as well as professionals which help individuals to realize their recovery goals and strengthen individual connections in the community.

Target Population

Well-being services primarily serve mental health consumers who are approaching readiness to transition to natural supports and who express a desire for more self-directed care.

Service Requirements

Individualized, culturally congruent services are provided to support consumers in achieving their personal well-being and recovery goals and reintegrating into the community of their choice. Services shall include:

1. Self-help groups;
2. Peer support services, including the development and use of a Wellness Recovery Action Plan;
3. Relapse prevention services and other services for clients with histories of or active co-occurring substance use and mental health conditions;
4. Health management activities, including health navigation;
5. Medication support;
6. Assistance with quality of life goals such as obtaining employment, housing and/or attending school, with a focus on Supported Employment and Supported Education;
7. Community integration support that seeks to strengthen the natural support systems in specific communities to which consumers belong by incorporating these supports in the consumers' recovery process; and
8. Culturally and Linguistically Appropriate Services –addressing an array of cultural and linguistic backgrounds to meet the needs of consumer population(s) being served. Service providers shall understand and utilize the strengths of culture in service delivery and incorporate the languages and cultures of their consumers into the services to maximize achievement of the most effective outcomes.

Staffing

Well-being services shall be delivered by mental health professionals and peer specialist staff with lived experience of mental illness, including volunteers.

1.1.1 Peer-Run Services

The primary purpose of Peer-Run Services is to provide peer support for consumers seeking self-help services to re-engage in meaningful community activities. Peer-run services offer consumers an array of self-help and peer services and supports which help individuals realize their recovery goals and strengthen individual connections in the community.

Target Population

Peer-run services are designed for consumers who desire peer support services as part of their personal recovery plan. A consumer may seek peer-run services as their sole source of

services or as an adjunct to traditional mental health services at any service level across the DMH continuum of care.

Service Requirements

1. Self-help groups;
2. Peer support services, including the development and use of a Wellness Recovery Action Plan;
3. Health management activities, including health navigation;
4. Assistance with quality of life goals such as obtaining employment, housing and/or attending school; and
5. Community integration support that seeks to strengthen the natural support systems in specific communities to which consumers belong by incorporating these supports in the consumers' recovery process.

Staffing

Peer-run services shall be staffed and managed exclusively by peers with lived mental health experience.

1.1.2 Peer-Run Respite Care Homes

Peer-Run Respite Care Homes (PRRCH) are entirely peer-run and managed homes that serve as an alternative to support consumers in psychiatric distress who are not a danger to others. The PRRCHs provide safe and healing environments where consumers can move through their psychiatric distress in a relatively brief time (up to 30 days) and then engage in further support services, if desired. Each PRRCH home shall serve six to eight individuals at any given time.

Target Population

The target population for PRRCHs are adults (18 years and older) who are in psychiatric distress, but not a danger to others and can perform basic daily living skills independently. Individuals who meet Lanterman Petris Short (LPS) criteria for involuntary acute psychiatric hospitalization **ARE NOT** appropriate for PRRCH and ineligible for services through this program.

Service Requirements

The PRRCHs shall provide temporary supportive housing in a comfortable, welcoming home-like residential environment with on-site trained peer support 24 hours per day, 7 days a week, for six to

eight individuals, with at least two staff working at all times. Program participation is voluntary.

The PRRCH respite care home sites shall include sleeping quarters for up to eight guests, with semi-private room conditions (defined as no more than two individuals per bedroom segregated by gender) and not less than one bathroom with bath/shower per four residents. The PRRCH site shall include a full kitchen for use by staff and consumers for preparing meals, cleaning, and congregate space not less than 800 square feet for community meetings, etc. All PRRCH sites shall meet ADA accessibility requirements for people with physical and sensory disabilities, including at least one bedroom and bathroom which meet ADA residential requirements.

The PRRCH house will function principally as a self-maintaining home with both staff and guests sharing in basic housekeeping, cooking, and cleaning activities. Daily guest participation in these duties shall be an expectation of consumers, but not a requirement for supportive services of the program. Participation in everyday functional activities is central to the empowering, non-clinical design of the service.

Peer Specialist Services

Peer support and education designed to encourage PRRCH guests to experience the benefits of reciprocal caring relationships. Examples of Wellness activities include: self-help recovery practices, meal preparation, relaxation and stress reduction techniques (guided imagery or visualization), exercise and physical wellness, culturally-based healing arts (yoga/meditation, singing, dancing, story-telling), painting/drawing, computer skills, and/or civic engagement. These program offerings shall be guided by the desires and interests of the respite care guests. Attendance/participation in program meetings and events shall be highly encouraged of respite care guests, although no one is forced to participate. No less than 12 self-help, recovery-oriented program sessions shall be available within each local PRRCH program on a weekly basis.

Bridging Services

PRRCH staff shall develop relationships with PRRCH consumers and continue to work with them through their transition into the community. Staff shall work with individuals who are moving out of PRRCHs and living alone. When appropriate Family Specialists will work with families and established caregivers, and Parent

Partners will work with adults seeking to reunite with their children. The focus will be on carrying the learning from the PRRCH into life in the greater surrounding community and linking to needed health, mental health, housing, and/or substance abuse supports.

Medication Self-Management Support

PRRCH consumers shall be provided a private, locked space to store their medication. Illegal substances shall not be permitted in the PRRCH. Peer Specialist team members may support the individual in taking the medication as prescribed, including alerting them to prescribed times, if such assistance is mutually determined upon admission. Taking prescribed medications according to directions is a decision made by each guest. It is not a staff function or responsibility.

Referral to Health, Mental Health, Housing, and Substance Abuse Specialty Services

Since the stay in the PRRCH is not of a strict clinically psychiatric nature, Peer Specialists shall supply information on specialty services and support to consumers seeking such services. This shall include referrals to peer services, including Peer-Run Integrated Service Management (PRISM), as well as to professional psychiatric services in the community. In instances where a consumer leaves the program and is still awaiting transition to specialized professional care, PRRCH staff shall stay in contact with the consumer until the appropriate alternative resources connection has been achieved.

Staffing

All management and service delivery staff must be peers with lived experience of mental illness. Family peer specialists or parent partners may provide supportive services as well.

1.2. Child Well-Being Services

Child Well-being services allow children and Transition Age Youth (TAY) (16-21) transitioning from an intensive level of care access to services that aide in maintaining their stability.

Children and TAY who can benefit from support offered in a mental health clinic, however do not meet criteria for PEI or intensive services, shall have access to well-being services that appropriately address their needs. These

services shall facilitate access to mental health services, as needed, for the entire family.

Additionally, families and caregivers from the local community shall be able to access services to obtain support, education, and information that may prevent the need for an intensive mental health program in the future.

Target Population

1. Children ages 0-15 and TAY ages 16-21 who do not meet PEI criteria and/or are transitioning from another level of care and require minimal support to maintain their stability in the community;
2. Parent(s)/caregiver(s) and other relatives of children and TAY (16-21) currently enrolled in mental health services; and
3. Members of the local community seeking support, resources and information regarding mental health and behavioral health.

Service Requirements

Child Well-Being services shall include, but are not limited to:

1. Outreach and engagement;
2. Parent and Peer support, and educational classes based on the surveyed needs of the community;
3. Self-help support groups to meet the needs of the community, especially parents/caregivers of children who have an open case;
4. Co-occurring disorder educational, preventative and recovery support groups for children/youth and caregivers that address, signs of addiction, impact of addiction, coping strategies, tools of recovery, motivation to change and relapse prevention. Provide guidance and support towards behavioral changes and recovery;
5. Mental health services including screenings and assessments to determine the level of functioning and impairment; individual, dyadic, family and group psychotherapy; and crisis intervention;
6. Medication management and support;
7. Linkage and case management;
8. Intensive Care Coordination (ICC);
9. Intensive Home Based Services (IHBS); and
10. Facilitate Child and Family Team (CFT) meetings

Staffing

The multidisciplinary treatment team composition may vary and will be based upon the nature of the program and the individual needs of the consumer. In some situations, the particular expertise of a team member may not be required on a full-time basis. However, it is essential that the special skills of

the various disciplines are available when needed and that all team members meet on a regular basis to plan, evaluate and monitor a consumer's response to treatment.

The multidisciplinary treatment team shall include, but not be limited to:

1. A social worker psychologist, on an as-needed basis;
2. Parent Advocate
3. A psychologist, on an as-needed basis;
4. A recreational or occupational therapist, on an as-needed basis;
5. A medical case worker, on an as-needed basis;
6. A substance abuse counselor, on an as-needed basis; and
7. A psychiatrist

Parent Advocate/Partner

Child Well-Being Services provider(s) must have a minimum of one (1) Parent Advocate/Partner is available on-site.

The Parent Advocate/Partner must have "lived experience" caring for a child who is currently receiving or who has previously received services from the public mental health system. The Parent Advocate/Partner must be knowledgeable about navigating multiple systems including but not limited to, obtaining IEP services, Regional Center, Department of Children and Family Services, Probation Department, and the Department of Health Services.

Parent Advocates/Partners shall work under the supervision of professional contractor staff. Examples of duties that may be performed by parent advocates/partners include, but are not limited to:

1. Engage and assist children/youth and families in treatment and assist with identifying their needs;
2. Outreach to families and communities to assist clients in accessing mental health services;
3. Provide education on available mental health and supportive services to children, families and community-based organizations;
4. Link children and TAY and their families to appropriate community resources, identifying any cultural and linguistic special needs of the family;
5. Advocate for parents and children and TAY receiving services to ensure they continue to receive appropriate levels of care;
6. Facilitate self-help support groups addressing topics that include, but are not limited to: parenting, normalizing fears and concerns related to caring for a child with mental health needs, developing skills to navigate the systems with which their child and family are involved,

accessing services to address their child and family's needs, and empowering families to advocate for themselves;
7. Participate in Countywide efforts to advocate for parents and families receiving mental health services; and
8. Provide support for family members to strengthen the family members' network of relationships.

1.3. Transition Age Youth Drop-In Centers

Target Population

Drop-In Centers are intended as entry points to the mental health system for Seriously Emotionally Disturbed (SED) and Severe and Persistently Mentally Ill (SPMI) TAY who are living on the street or in unstable living situations.

Drop-In Centers provide "low demand, high-tolerance" environments in which youth can find temporary safety and basic supports e.g. (showers, meals, clothing, referrals, vouchers, etc). TAY accessing Drop-In Centers have an opportunity to build trusting relationships with staff persons who can, as the youth is ready and willing, connect them to the services and supports they need in order to work toward stability/recovery.

Drop-In Centers have a strong emphasis on outreach and engagement to difficult to reach TAY who would otherwise remain unserved, as well as a strong emphasis on linkage of TAY to a range of resources that promote stability and self-sufficiency.

Service Requirements

Drop-In Centers shall provide:

1. A sate and pleasant environment;
2. A facility where these services are being provided must meet applicable licensing and community standards and/or zoning requirements;
3. Extended service hours that are in addition to, not in lieu of, Contractor's normal business hours. Extended hours of access and operation should total at a minimum of eight (8) hours Monday through Friday and a minimum of twelve (12) hours Saturday through Sunday. (Any deviation from your extended hours are subject to the written approval of the DMH TAY Division lead manager);
4. Services and supports provided directly or through linkage including, but not limited to: physical health care, preventive services, counseling centers, substance abuse facilities, and other organizations and providers, when appropriate, to ensure that required services and supports are available to TAY;

5. Services and supports provided in ways that are culturally and linguistically competent and appropriate;
6. A range of basic support services including, but not limited to: nutritional meals, healthy snacks, clothing, showers, and resources on employment, education, housing, legal services, and health;
7. All goods and services provided at no cost to clients; and
8. Utilize the DMH TAY Navigation team to ensure that TAY are referred to the appropriate level of care and ongoing services to meet their specific needs

Staffing

A minimum of three (3) staff to provide Drop-In Center services during extended hours of service. Staffing shall include professionals and paraprofessional staff, counselors, mental health workers, peer counselors, and volunteers. The availability of one clinical staff to respond to clinical urgencies, either on premises or on-call, during all hours of extended operation.

1.4. Older Adult Services

Target Population

6. Intensive Care Coordination (ICC);
7. Intensive Home Based Services (IHBS); and
8. Facilitate Child and Family Team (CFT) meetings

Staffing

The multidisciplinary treatment team composition may vary and will be based upon the nature of the program and the individual needs of the consumer. In some situations, the particular expertise of a team member may not be required on a full-time basis. However, it is essential that the special skills of the various disciplines are available when needed and that all team members meet on a regular basis to plan, evaluate and monitor a consumer's response to treatment.

/

The multidisciplinary treatment team shall include, but not be limited to:

1. A social worker, on an as-needed basis;
2. A psychologist, on an as-needed basis;
3. A recreational or occupational therapist, on an as-needed basis;
4. A medical case worker, on an as-needed basis;
5. A Parent or Peer Advocate, on an as-needed basis;
6. A substance abuse counselor, on an as-needed basis; and
7. A psychiatrist

2.2. Transition Age Youth Clinic-Based Services

The Supported Employment: Independent Placement and Support (SEIPS) for TAY program which utilizes the IPS evidence-based practice model. IPS assists and supports people who are Seriously Emotionally Disturbed (SED) and/or Severe and Persistently Mentally Ill (SPMI) with obtaining and maintaining competitive employment. This model is defined by eight (8) practice principles and IPS services are integrated with the person's mental health treatment. The practice principles include:

1. Focus on Competitive Employment
2. Eligibility Based on Client Choice
3. Integration of Rehabilitation and Mental Health Services
4. Attention to Worker Preferences
5. Personalized Benefits Counseling
6. Rapid Job Search
7. Systematic Job Development
8. Time-Unlimited and Individualized Support

Every person who is interested in employment is eligible for IPS services. The model does not exclude any person based on symptomology, substance use disorders, treatment issues, lack of work history, or any other issue. IPS focuses on competitive employment rather than on prevocational, sheltered work (settings where all of the employees have a disability), or volunteer positions. The goal is competitive employment in the community. In randomized control studies, the IPS model has consistently shown higher rates of competitive employment (37% higher) when compared with the control groups (Bond 2008). The IPS model also incorporates program fidelity reviews to assess that the model is being implemented with fidelity.

Target Population

The target population is SED/SPMI TAY ages 18-25 and who are interested in improving their employment prospects. This population may also live with co-occurring substance abuse issues.

Service Requirements

Contractor shall provide SEIPS as follows:

1. Engage and identify clients within their agency and in the target population;
2. Contractor shall have the capacity to provide IPS pilot to clients of other mental health agencies in their Service Area who are referred (if there is a lack of clients within their own agency who meet the criteria of the target population);
3. Provide services and supports that are culturally and linguistically competent and appropriate

Staffing

Contractor's mental health staff, including qualified professional and paraprofessional mental health treatment staff, shall continue to provide the mental health services and services required by the clients participating in the SEIPS program.

Contractor shall assign a sufficient number of employees to perform the required work. The minimum number of staff shall include full time employees (FTE) as follows:

1. Employment Specialist (2.0 FTE)
    - 1a. The Employment Specialists shall be trained in the IPS model (to be coordinated by DMH) and
    - 1b. The Employment Specialists shall possess education and experience equivalent to undergraduate degree in mental health or social services. These staff shall have experience providing services to populations with serious mental illness and show familiarity of providing employment services.

2. Employment Specialist Supervisor (.5 FTE)
    - 2a. The Employment Specialist Supervisor shall be trained in the IPS model (to be coordinated by DMH) and
    - 2b. The Employment Specialist Supervisor is required to have a Bachelor's degree in rehabilitation counseling or related field; Master's degree is preferred.

2.3. Adult Clinic-Based Services

Adult outpatient services shall include, but are not limited to:

1. Bio-psychosocial assessment;
2. Medication support;
3. Individual and group therapy, primarily utilizing recovery-focused Evidence-Based and Promising Practices such as Cognitive Behavioral Therapy, Dialectical Behavior Therapy, Prolonged Exposure, Supported Employment: Individual Placement and Support and other such practices targeting depression and trauma;
4. Crisis intervention;
5. Family education and support;
6. Targeted Case Management; and
7. Peer services

2.4. Older Adult Clinic-Based Services

Older Adult outpatient services shall include, but are not limited to:

1. Bio-psychosocial assessment;
2. Medication support;
3. Individual and group therapy, primarily utilizing recovery-focused Evidence-Based and Promising Practices such as Cognitive Behavioral Therapy, IPT, Seeking Safety, PEARLS, PST, and CORS and other such practices targeting mental health symptoms;
4. Crisis intervention;
5. Family education and support;
6. Targeted Case Management;
7. Peer services;
8. Cognitive Screening (MMSE and MoCA);
9. Symptom screening tools such as Geriatric Depression Scale, PHQ-9; and
10. Wellness Support groups such as Grief & Loss, Coping with Chronic Health Conditions, Socialization, Sustaining Safe & Affordable Housing, Mental Wellness series, Life Transitions groups, Coping with the Aging Process, Mindfulness, Preserving Your Memory Practice, Managing your Medications, Hoarding Support, Managing Family Dynamics, Navigating Community Resources.

Transportation shall be provided whenever feasible.

3. COMMUNITY-BASED SERVICES (CBS)

3.1. All Age Groups

Target Population

Clients of all age groups who are unwilling or unable to utilize clinic-based mental health services or where the service is best delivered in a community setting, such as a school, home, or other community setting.

Community-based services will also be utilized for clients of all ages who have advanced in their treatment and are beginning to move toward reintegrating back into their community.

Service Requirements

Community-Based Services (CBS) are specialized clinical services delivered by professional and paraprofessional staff in community-based settings. CBS are intended to improve access to needed mental health services for those individuals who would be unwilling or unable to utilize clinic-based mental health services or where the service is best delivered in a community setting, such as a school. CBS are particularly important for the Older Adult population given the prevalence of mobility and/or sensory challenges.

Clients who are beginning to reintegrate back into their community shall also utilize CBS to support their efforts. Treatment staff shall accompany clients into the community for initial warm handoffs to resources and social supports.

CBS shall be provided to meet the treatment goals of clients. Practice leads may identify minimum requirements for the amount of services provided in the community. CBS for all age groups shall include a full array of mental health services such as:

1. Outreach and Engagement;
2. Mental health services, including the delivery of evidence-based practices;
3. Bio-psychosocial assessment;
4. Individual and family treatment;
5. Medication support;
6. Specialized assessment and treatment interventions for clients with co-occurring disorders, i.e. mental illness, substance abuse, physical health, including mental health service co-location in health settings, substance use facilities, schools, recreation facilities, libraries, etc.;
7. Cognitive screening-(Older Adults);
8. Family education and support;
9. Linkage and case management support, including linkage for co-occurring medical, dental, vision or other health care needs;

10. Consultation with age specific specialty treatment providers;
11. Telephone response 24/7 in the event of an after-hours crisis;
12. Community reintegration support;
13. Intensive Care Coordination (ICC)-(Children Services Only);
14. Intensive Home Based Services (IHBS)-(Children Services Only); and
15. Facilitate Child and Family Team (CFT) meetings-(Children and TAY Services)

Service Requirements for Older Adults

In addition to Section 3.1 All Age Groups, requirements for Older Adults shall include the following:

1. Face to face visit with client at minimum once per quarter;
2. Monthly phone check-ins by peers/Service Extenders; and
3. One home visit per quarter.

Service Requirements for Child and TAY

In addition to Section 3.1 All Age Groups, assessment, care planning and treatment shall be family-focused for Child and TAY clients whenever possible. Services in the field will be a minimum of 35%.

Staffing

Services shall be provided by a sufficient number of properly licensed and qualified staff to meet all the mental health service needs of their clients, and shall satisfy any other staffing requirements requested by the Director of Mental Health.

For staff working with Older Adult clients, particular attention should be paid to ensuring that staff have Older Adult specific training in cognitive screening, working with co-morbid medical conditions and other psychosocial factors that are pertinent to the aging process.

The multidisciplinary treatment team composition for all age groups may vary and will be based upon the nature of the program and the individual needs of the consumer. In some situations, the particular expertise of a team member may not be required on a full-time basis. However, it is essential that the special skills of the various disciplines are available when needed and that all team members meet on a regular basis to plan, evaluate and monitor a consumer's response to treatment.

The multidisciplinary treatment team shall include, but not be limited to:

1. A Registered Nurse (RN) is mandatory for the Older Adult population but on an as-needed basis for other populations;
2. A Social Worker on an as-needed basis;;
3. A psychologist, on an as-needed basis;
4. A recreational therapist, on an-as needed basis;
5. A Parent/Peer Advocate, on an as-needed basis;
6. A medical case worker, on an as-needed basis; and
7. A physician (Medical Doctor)

Older adult community-based services shall include a Service Extender and/or Peer Advocate as part of the multi-disciplinary treatment team. These staff shall be considered part of the Older Adult Service Extender Stipend Program.

Some examples of duties that may be performed by Service Extenders are:

1. Provide support to vulnerable clients to support Well-being and recovery;
2. Provide home visits to strengthen network of relationships and decrease social isolation;
3. Provide support to clients who are transitioning from one level of care to another;
4. Assist clients in developing community living skills and accessing and utilizing community resources by discussing common experiences;
5. Provide support for family members to strengthen the family members' network of relationships;
6. Facilitate self-help support groups;
7. Convey community and client cultural patterns and attitudes to multi-disciplinary team; and
8. Participate in conference meetings with the Department of Mental Health (DMH)

Facilities

The principal facility(ies) from which community-based services are provided shall be properly licensed and staffed pursuant to WIC and CCR Titles 9 and 22 in accordance with the services being provided.

The co-location of services, such as providing mental health services in health care settings, is also considered a community-based service. To meet this criteria, an established partnership between the mental health provider and primary care program shall be established.

3.2. Transition Age Youth Community-Based Services

Community-based services for the TAY population are provided through the SEIPS for TAY program which utilizes the IPS evidence-based practice model. IPS assists and supports people who are Seriously Emotionally Disturbed

(SED) and/or Severe and Persistently Mentally Ill (SPMI) with obtaining and maintaining competitive employment. This model is defined by eight (8) practice principles and IPS services are integrated with the person's mental health treatment. The practice principles include:

1. Focus on Competitive Employment;
2. Eligibility Based on Client Choice;
3. Integration of Rehabilitation and Mental Health Services;
4. Attention to Worker Preferences;
5. Personalized Benefits Counseling;
6. Rapid Job Search;
7. Systematic Job Development; and
8. Time-Unlimited and Individualized Support

Any TAY who is interested in employment is eligible for IPS services. The model does not exclude any person based on symptomology, substance use disorders, treatment issues, lack of work history, or any other issue. IPS focuses on competitive employment rather than on prevocational, sheltered work (settings where all of the employees have a disability), or volunteer positions. The goal is competitive employment in the community. In randomized control studies, the IPS model has consistently shown higher rates of competitive employment (37% higher) when compared with the control groups (Bond 2008). The IPS model also incorporates program fidelity reviews to assess that the model is being implemented with fidelity.

Target Population

The target population is SED/SPMI TAY ages 18-25 and who are interested in improving their employment prospects. This population may also live with co-occurring substance abuse issues.

Service Requirements

Contractor shall provide community-based services through the SEIPS for TAY program as follows:

1. Shall engage and identify clients within their agency who meets the criteria of the target population;
2. Shall have the capacity to provide IPS pilot to clients of other mental health agencies in their Service Area who are referred (in the case that there is a lack of persons identified within their own agency who meets the criteria of the focal population);
3. Shall provide services and supports that are culturally and linguistically competent and appropriate.

/

Staffing

Contractor shall have Mental health staff, including qualified professional and paraprofessional mental health treatment staff to continue to provide the mental health services and services required by the clients participating in the SEIPS program.

Contractor shall assign a sufficient number of employees to perform the required work. The minimum number of staff shall include:

1. Employment Specialist (2.0 FTE)
   - 1a. The Employment Specialists shall be trained in the IPS model (to be coordinated by DMH) and
   - 1b. The Employment Specialists shall possess an undergraduate degree in mental health or social services. This individual shall have experience providing services to people with serious mental illness and familiarity with providing employment services.

2. Employment Specialist Supervisor (.5 FTE)
   - 2a. The Employment Specialist Supervisor shall be trained in the IPS model (to be coordinated by DMH) and
   - 2b. The Employment Specialist Supervisor shall possess a Bachelor's degree in rehabilitation counseling or related field; Master's degree is preferred.

4. Integrated Care Program (ICP)

A mental health – Federally Qualified Mental Health Center (FQHC) partnership that provides co-located, integrated mental health, physical health and substance use services to individuals with co-morbid medical and mental health conditions.
The Integrated Care Program – Integrated Services Management (ICP-ISM) model is designed to increase the quality of services, specifically for underserved ethnic communities by building on the strengths of a particular Under Represented Ethnic Populations (UREP) community. UREP communities targeted in the ICP/ISM include the following: African/African American; American Indian/Alaska Native; Asian Pacific Islander; Eastern European/Middle Eastern; Latino; and Lesbian, Gay, Bisexual, Transgender and Questioning (LGBTQ). The ICP/ISM requires collaboration and partnerships between formal and non-traditional service providers, and community-based organizations (e.g. faith based organizations, voluntary associations, grassroots organizations, etc.) and places a strong emphasis on non-traditional services and training peers to perform the outreach and engagement, education, linkage, and advocacy services to the stated UREP communities.

/
/

Target Population

ICP/ISM are designed to serve the mental health, substance abuse, and physical health needs of UREP communities that have limited access to culturally-appropriate services and/or may be potentially displaced from services due to funding gaps. LACDMH has identified specific UREP communities, based on existing penetration and enrollment rates, that will be targeted by the ICP/ISM providers and include the following: African/African American, American Indian/Alaska Native, Asian/Pacific Islander, Eastern European/Middle Eastern and Latino. The integrated services provided (mental health, substance abuse, physical health and non-traditional services) must be culturally competent and tailored to meet the service needs of one targeted UREP community. As well, staff must be trained to be linguistically and culturally competent in working with the targeted UREP community.

ICP/ISM programs will serve all age groups.

These populations include:

1. Individuals/Families who have a history of dropping out of mental health, substance abuse and physical health services
2. Linguistically-isolated individuals/families
3. Individuals/Families that have not accessed mental health, substance abuse and physical health services due to stigma
4. Individuals/Families that have not benefitted from mental health, substance abuse and physical health services or have received inappropriate services
5. Individuals/Families who are indigent/uninsured

It is recommended that 25-50% of the clients enrolled are indigent/uninsured.

Individuals served by the ICP/ISM program shall have physical health conditions that largely can be treated by primary care providers in outpatient settings. Conditions that would likely resolve quickly, such as upper respiratory illnesses, routine pregnancies, and simple injuries, are excluded as a basis for eligibility.

Qualifying chronic medical conditions include, but are not limited to, one or more of the following categories:

1. Cardiovascular conditions (e.g. hypertension, hyperlipidemia, etc.)
2. Cardiopulmonary conditions (e.g. asthma, emphysema, chronic obstructive pulmonary disease, etc.)
3. Diabetes and/or obesity
4. Sexually transmitted diseases, including HIV/AIDS and hepatitis
5. Chronic pain (e.g. arthritis, etc.)

/
/

Service Requirements

Each ICP/ISM shall have a program team that will integrate formal and non-traditional providers as well as community-based resources through the following: 1) Community-Designed Peer-Based Outreach, Engagement, and Education; 2) Integrated Care and Support; 3) Peer-Based Enhanced Services, Linkage, and Advocacy; and 4) Integrated Care Network. ICP/ISM program teams shall be set up to work with each client to ensure that service access, coordination, understanding, follow-up, and clinical communication are provided. The teams shall consist of both service professionals and specially-trained peers who will meet regularly with clients and provide information, transportation, motivation, encouragement, and help with provider communication. Individuals must voluntarily consent to receive ongoing ICP/ISM mental health services. Prime Contractor and Partnering Contractor(s) shall base the level and intensity of ongoing services on each client's documented assessed needs.

Prime Contractor and Partnering Contractor(s) shall ensure that services provided by the ICP/ISM meet the Standards of Care as determined by DMH and at a minimum include the following:

1. Outreach, Engagement, and Education Services (OEE). Outreach is a process of informing individuals of ICP/ISM services. Engagement is a process of establishing trusting relationships with individuals and as a result, the individuals view the ICP/ISM as being of service to them and are willing to receive services. OEE activities will be provided throughout the ICP/ISM program and will not have enrollment restrictions. OEE activities can be one-time events or ongoing. Education is a core component of the ICP/ISM and includes educating communities about mental health, substance abuse and physical health in order to increase awareness and decrease stigma. The Prime Contractor's and Partnering Contractor(s)' education plan shall involve anti-stigma efforts in order to reduce barriers that have historically impaired the specific UREP community members from accessing and maintaining services.

   Clients that are enrolled in the ICP/ISM Model and un-enrolled clients (O & E phase of treatment) can participate in joint group activities as long as: (1) Subcontractor staff bill as rendering providers via COS services for the group activities and they adhere to COS documentation guidelines; (2) The focus of the services is geared towards client treatment goals for enrolled clients; (3) When multiple staff are providing group services, each staff's role must be distinct and should be delineated on the COS billing form; and (4) Providers develop guidelines regarding the group norms related to limits to privacy.

   Upon request, Prime Contractor and Partnering Contractor(s) shall make available a schedule of all planned PESLA and OEE services, including

dates, times and location of intended services. All scheduled activities must be publicly displayed with identified partners

2. Integrated Care and Support (ICS). The ICS phase involves the completion of 1) a screening to determine eligibility for ICP/ISM services **and** 2) clinical assessment by the Integrated Clinical Care Professional to assess what further services are required to meet the integrated health needs of the individual.

3. Peer-Based Enhanced Services, Linkage, and Advocacy (PESLA) While the clients/families are in ICS phase, the ICP/ISM is to provide PESLA to ensure that clients are able to efficiently navigate the mental health, substance abuse, physical health and other systems necessary to sustain their recovery and overcome institutional barriers. PESLA connects families to both formal and non-traditional services, provides follow-up, encouragement, and proactively facilitates communication and transportation. Recognizing that mental health needs are embedded within a continuum of care, ICP/ISMs shall provide education or referrals to the appropriate agencies that can help with benefits establishment, housing, child care, education, vocational training, legal counseling, and others. All PESLA services will be documented with weekly follow-up notes on a client's progress along with a plan to assist with system navigation as needed.

   Another service that will be provided starting in the PESLA stage is Life Skill Activities. Life Skill Activities are designed for clients/families that need assistance with restoring, improving and/or maintaining daily living, social interactions, recreation/leisure, and personal hygiene skills. Life Skill Activities may also focus on assisting clients/families to access additional resources and reach personal vocational goals such as:

   3a. Benefits Establishment – responsible for assessing the financial status, identifying benefits to which they may be entitled (e.g., Medicare, Medi-Cal, etc.) and performing all actions, including advocacy, to ensure entitlements are established.
   3b. Employment and Education Activities – assisting with job searching; locating volunteer/educational opportunities; and/or providing necessary ongoing supports and advocacy regarding education, vocational preparation and employment.
   3c. Client Supportive Services – CSS funds can enhance outreach and engagement activities and ongoing ICP/ISM services in order to engage clients and support a client's recovery. These services include, but are not limited to, food, clothing, shelter, bus tokens, school books/supplies, furniture, appliances, on-going rental assistance, services provided by non-traditional providers, and other items necessary for daily living and personal and community integration.

a. On-going rental assistance/housing shall only be allowable through Master Leasing; paid through General System Development (GDS) as a project based housing resource to increase housing capacity Client-based rental assistance/housing is not allowable under this plan for ICP/ISM under CSS SFC 70. Master Agreements must be pre-approved by LACDMH.

Additionally, CSS funds can be used to reimburse ICP/ISM providers for food and beverages for OEE events via SFC 72, as long as (1) a sign-in sheet of the event (with the participants names, date of event, and time of the event) is attached to the invoice; and (2) an agenda/flyer of the event is attached to the invoice as well. Pre-approval is required for, but not limited to, the use of CSS funds for food/beverages for OEE, non-traditional providers, and medical services and materials. DMH reserves the right to require pre-approval for additional costs as well the right to deny CSS fund requests.

For details about eligible CSS expenditures and reimbursement procedures Client Supportive Services for Mental Health Services Act (see Service Exhibit for CSS).

3d. Referral and Linkage: Referring and linking to community resources and supports including self-help groups.

3e. Transportation: Providing transportation, as needed, to clients by means of bus fare/pass, agency vehicle(s), or private vendor.

4. Integrated Care Network (ICN)

The ICN phase constitutes the formal mental health, substance abuse, physical health and non-traditional services that are to be provided to the client as determined by his/her assessment. The ICN is comprised of the following services:

4a. Specialty Mental Health Services. Specialty Mental Health Services are defined as those individual or group therapies and interventions that are designed to provide reduction of mental disability and improvement or maintenance of functioning consistent with the goals of learning, development, independent living and enhanced self-sufficiency. Specialty Mental Health Services shall improve wellness and include the following services:

- Assessment and Diagnosis: Analysis of the history and current status of the individual's co-occurring mental health and substance use and readiness for change, including relevant cultural issues.

- Psychotherapy/counseling – Recovery oriented therapeutic interventions consistent with the client's goals. These short-term interventions are used to assist in the understanding of problematic behaviors and the development and use of alternative behaviors. They may be in the format of individual, group and family psychotherapies.

- Medication Support: Prescribing, administering, dispensing and monitoring psychiatric medications as well as providing medication education.

- Crisis Intervention: Assessing acute psychiatric and other emergency situations and providing interventions including initiating hospitalization if necessary.

- Targeted Case Management – assisting client's access to needed medical, educational, social, pre-vocational, vocational, rehabilitative, or other community services for eligible clients. The service activities may include, but are not limited to, communication, coordination and referral; monitoring service delivery to ensure client's access to service and the service delivery system; monitoring of the client's progress; and plan development.

- Family Supportive Services: Services that facilitate the recovery of the client receiving ICP/ISM services by providing services as needed to their family members. These services shall include referrals and linkage to supports and resources including but not limited to mental health, substance abuse or physical health care available either from the agency providing ICP/ISM services or from other community agencies.

Mental Health Services may also include:

- Collateral Support: Contacting family members and/or significant others with the client's authorization to provide them with information about the client and/or to discuss how they can assist the client with their care/treatment goals.

- Integrated Treatment Team Conferences/Case Consultation: Using interdisciplinary inter/intra-agency conferences and consultation to coordinate client care activities.

4b. Physical Health Care Services: Physical health care services are primary and preventative health care services designed to minimize the need for emergency rooms and hospitals through the early and effective treatment of many physical health conditions, as well as better management of chronic disease. These services shall be delivered by providers in good standing and who have appropriate training, licensure, and scope of practice and must follow community standards of care.

These services shall include:

- Assessment and Diagnosis: Services include physical examination, laboratory and other diagnostic assessment consistent with community standards for such services.

- Treatment: Providing treatment as defined by local, state and federal healthcare regulations as well as by established health care industry credentialing standards and guidelines. Treatment shall be consistent with community standards for such services in a primary care setting. These services shall include management of chronic illnesses such as diabetes and hypertension and/or prescription and monitoring of medications. Treatment shall include emergency first aid.

- Medication Support: Prescribing, administering, dispensing and monitoring the safety, effectiveness and side effects of medications and providing medication education.

- Referrals and linkage: Referring and linking to long term primary health care providers, and as needed to emergency care, specialty care, dental and other community resources and healthcare supports.

Preventative Health Education and Screenings: Providing information about physical health conditions and preventative care measures including risk factors that negatively impact health, behaviors that promote good health, and screenings to assess for health conditions and/or infectious diseases and the need for vaccinations. Screenings must include, but are not limited, to those for diabetes, cardiovascular disease and hypertension.

4c. Substance Abuse Services: Substance abuse services are designed to establish the presence or absence of co-occurring disorders and addictive behaviors, determine the client's readiness for change, identify the client's strengths or problem areas that may affect the processes of treatment and recovery, and engage client in the development of an appropriate treatment plan to address problematic substance use. Substance abuse

services support an individual's choice to abstain from substance use and addictive behaviors or their choice to prevent/reduce the harm and risks associated with using substances and to assist individuals to achieve their wellness and recovery goals. The substance abuse disorders should cause a functional impairment, meet Medi-Cal Medical Necessity, be within the scope of services the Department of Mental Health currently funds and provides and must be linked to the mental health services being provided. **Funding will not be used for clients that require intensive services (i.e., drug detox, hospitalization, etc.).**

These services shall include:

- Individual/Group Counseling: Interventions used to assist in the understanding of problematic substance use behaviors and the development and use of alternative behaviors.

- Referrals and linkage: Referring and linking clients to community resources and supports, including self-help groups and detoxification providers.

- Education: Providing information about substance abuse and alternative wellness activities.

4d. Non-Traditional Services: The integration of non-traditional services is the core of the ICP/ISM. It seeks to build upon the strengths of the UREP communities by creating a model of care that is defined by the community through the collaboration between formal and non-traditional service providers. Recognizing that many communities have historically utilized non-traditional services in order to achieve mental and physical wellness in place of formal mental health services, the ICP/ISMs seek to incorporate community-defined, non-traditional services as a key component of the ICN phase. Non-traditional services can be provided to enrolled and un-enrolled clients (as part of OEE).

Non-traditional services can either be directly provided by the Prime Contractor and Partnering Contractor(s) or can be subcontracted to individuals, organizations, or agencies. Non-traditional activities can include, but are not limited to, the following:

- Mind/Body Wellness activities (e.g. acupuncture, yoga, massages, meditation, gardening, nutrition classes, Zumba classes, etc.)
- Spiritual activities (e.g. spiritual blessings, pastoral counseling, drumming groups, etc.)
- Community engagement activities (e.g. knitting support groups, coffee club support groups, etc.)

Staffing

Prime Contractor shall ensure that each ICP/ISM is staffed by a multidisciplinary team which constitutes the minimum core staff required to coordinate the various functions of the ICP/ISM. The ICP/ISM team is a discrete team of specially trained and culturally competent staff that helps clients utilize the resources of formal and non-traditional service networks, based on culturally-effective principles and values. In addition to the following minimally required staffing functions, the Prime Contractor must describe the collaborative partners that will comprise the integrated network of providers in the system of care. The following are the minimally required staffing functions for the ICP/ISM. Each position may be fulfilled by full-time or part-time staff, but must total 1 FTE.

1. Program Director: This qualified professional is responsible for the overall management and implementation of the ICP/ISM. The Program Director coordinates regular team meetings with the ICP/ISM staff. The Program Director is responsible for all administrative, clinical and contract management aspects of the model. This staff is responsible for overseeing the fiscal administration and fiscal leveraging of the ICP/ISM. This individual shall hold a graduate degree in a behavioral sciences field with demonstrated experience providing specialty mental health services and a working knowledge of fiscal operations. The Program Director must assure that all required data outcomes are being collected and entered on time.

2. Integrated Clinical Care Professional: This person is a licensed or license-waivered professional who is primarily responsible for each client's initial clinical diagnostic assessment, screening for mental health and substance abuse problems, providing crisis intervention, as well as other interventions that promote wellness and recovery. The Integrated Clinical Care Professional also participates in regular integrated treatment team meetings with the ICP/ISM team to review the existing caseload, discuss new and ongoing clients. In addition, the Integrated Clinical Care Professional facilitates treatment referrals to higher levels of care as needed. The Integrated Clinical Care Professional shall ensure that all ICP/ISM staff will provide the services to assist the client to meet their mental health, substance abuse, physical health and non-traditional service goals and objectives. The client and their family/significant others, as appropriate, shall participate in the development and review of the care/treatment plans.

3. Case Manager/Wellness Coordinator: The Case Manager/Wellness Coordinator conducts targeted outreach, engagement and education activities in order to increase awareness regarding mental health, substance abuse and physical health services as well as to assist in bringing clients into the ICP/ISM. The Case Manager/Wellness Coordinator will also help clients access needed community resources and supports, will perform routine case management activities and work with the mental health professionals in

providing services to clients. He/she is responsible for coordinating the provision of wellness/non-traditional services such as parenting classes, dance activities, arts & crafts, and cultural activities. This person may or may not be directly responsible for the provision of these services. The Case Manager/Wellness Coordinator may be a consumer/client. Experienced consumers/clients may mentor and train other consumers to work as Case Manager/Wellness Coordinator, peer or family advocates. Experienced peer or family advocates may mentor and train other peers to work as case managers.

4. Administrative Assistant: The Administrative Assistant is responsible for providing administrative support which includes secretarial work, filing of charts and paperwork, and other roles related to office flow. The Administrative Assistant provides assistance to the Program Director, data entry of billings into the IS system, and ensure that invoices are paid in a timely manner. The Administrative Assistant provides assistance to the Program Director, Integrated Clinical Care Professional, and Case Manager/Wellness Coordinator wherever needed.

5. Peer or Family/Community Advocate: A Peer Advocate is an individual with lived mental health experience, whereas a Family/Community Advocate may not have direct lived mental health experience but is very familiar with the mental health issues of a specific UREP community and has experience advocating for those with mental health issues in his/her family and/or community. The Peer or Family/Community Advocate is responsible for providing self-help groups, peer-to-peer/family-to-family/parent-to-parent groups, assisting clients with accessing community resources and supports and with restoring, improving or maintaining daily independent living, social/leisure and personal hygiene skills.

5. OUTCOME DATA REQUIREMENTS

5.1. All Age Groups

Collecting and entering outcome data as specified by the Department at baseline and at 6 month intervals is a requirement of providing Recovery, Resilience and Reintegration services.

5.2. Transition Age Youth IPS

Outcomes data collection and program fidelity are reported regularly for individuals participating in Individual Placement and Support pilot program. Contractors shall also participate in DMH coordinated fidelity reviews (every 6 months, at a minimum). Fidelity Reviews are designed to assess the program's implementation of the IPS model, ensure model fidelity, and provide technical assistance and consultation to enhance the implementation of the model.

Contractor shall collect specific outcome data and engage in program fidelity reviews and to use this outcome data to assess the provider's program design and implementation, and make mid-course corrections as necessary to ensure the achievement of positive outcomes.

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

2.203.020 Definitions.

The following definitions shall be applicable to this chapter:

A. "Contractor" means a person, partnership, corporation or other entity which has a contract with the county or a subcontract with a county contractor and has received or will receive an aggregate sum of $50,000 or more in any 12-month period under one or more such contracts or subcontracts.

B. "Employee" means any California resident who is a full-time employee of a contractor under the laws of California.

C. "Contract" means any agreement to provide goods to, or perform services for or on behalf of, the county but does not include:

1. A contract where the board finds that special circumstances exist that justify a waiver of the requirements of this chapter; or

2. A contract where federal or state law or a condition of a federal or state program mandates the use of a particular contractor; or

3. A purchase made through a state or federal contract; or

4. A monopoly purchase that is exclusive and proprietary to a specific manufacturer, distributor, or reseller, and must match and inter-member with existing supplies, equipment or systems maintained by the county pursuant to the Los Angeles County Purchasing Policy and Procedures Manual, Section P-3700 or a successor provision; or

5. A revolving fund (petty cash) purchase pursuant to the Los Angeles County Fiscal Manual, Section 4 4.0 or a successor provision; or

6. A purchase card purchase pursuant to the Los Angeles County Purchasing Policy and Procedures Manual, Section P-2810 or a successor provision; or

7. A non-agreement purchase with a value of less than $5,000 pursuant to the Los Angeles County Purchasing Policy and Procedures Manual, Section A-0300 or a successor provision, or

8. A bona fide emergency purchase pursuant to the Los Angeles County Purchasing Policy and Procedures Manual, Section PP-1100 or a successor provision.

D. "Full time" means 40 hours or more worked per week, or a lesser number of hours if:

1. The lesser number is a recognized industry standard as determined by the chief administrative officer, or

2. The contractor has a long-standing practice that defines the lesser number of hours as full time.

E. "County" means the county of Los Angeles or any public entities for which the board of supervisors is the governing body. (Ord. 2002-0040 § 1, 2002: Ord. 2002-0015 § 1 (part), 2002)

2.203.030 Applicability.

This chapter shall apply to contractors who enter into contracts that commence after July 11, 2002. This chapter shall also apply to contractors with existing contracts which are extended into option years that commence after July 11, 2002. Contracts that commence after May 28, 2002, but before July 11, 2002, shall be subject to the provisions of this chapter only if the solicitations for such contracts stated that the chapter would be applicable. (Ord. 2002-0040 § 2, 2002: Ord. 2002-0015 § 1 (part), 2002)

2.203.040 Contractor Jury Service Policy.

A contractor shall have and adhere to a written policy that provides that its employees shall receive from the contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the contractor or that the contractor deduct from the employees' regular pay the fees received for jury service. (Ord. 2002-0015 § 1 (part), 2002)

2.203.050 Other Provisions.

A. Administration. The chief administrative officer shall be responsible for the administration of this chapter. The chief administrative officer may, with the advice of county counsel, issue interpretations of the provisions of this chapter and shall issue written instructions on the implementation and ongoing administration of this chapter. Such instructions may provide for the delegation of functions to other county departments.

B. Compliance Certification. At the time of seeking a contract, a contractor shall certify to the county that it has and adheres to a policy consistent with this chapter or will have and adhere to such a policy prior to award of the contract. (Ord. 2002-0015 § 1 (part), 2002)

2.203.060 Enforcement and Remedies.

For a contractor's violation of any provision of this chapter, the county department head responsible for administering the contract may do one or more of the following:

1. Recommend to the board of supervisors the termination of the contract; and/or,

2. Pursuant to chapter 2.202, seek the debarment of the contractor. (Ord. 2002-0015 § 1 (part), 2002)

2.203.070. Exceptions.

A. Other Laws. This chapter shall not be interpreted or applied to any contractor or to any employee in a manner inconsistent with the laws of the United States or California.

B. Collective Bargaining Agreements. This chapter shall be superseded by a collective bargaining agreement that expressly so provides.

C. Small Business. This chapter shall not be applied to any contractor that meets all of the following:

1. Has ten or fewer employees during the contract period; and,

2. Has annual gross revenues in the preceding twelve months which, if added to the annual amount of the contract awarded, are less than $500,000; and,

3. Is not an affiliate or subsidiary of a business dominant in its field of operation.

"Dominant in its field of operation" means having more than ten employees and annual gross revenues in the preceding twelve months which, if added to the annual amount of the contract awarded, exceed $500,000.

"Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation. (Ord. 2002-0015 § 1 (part), 2002)

2.203.090. Severability.

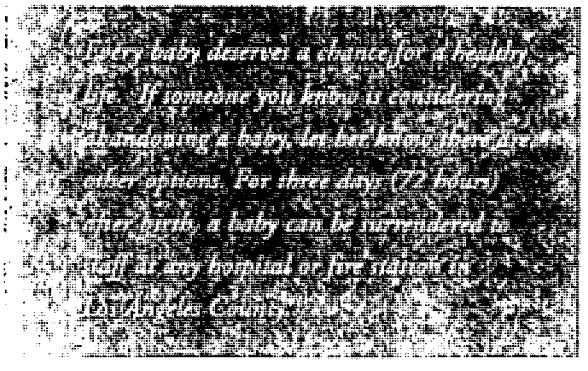
If any provision of this chapter is found invalid by a court of competent jurisdiction, the remaining provisions shall remain in full force and effect. (Ord. 2002-0015 § 1 (part), 2002)

SAFELY SURRENDERED BABY LAW

Safely Surrendered
118

Safely Surrendered

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.



How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the *parent* changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who leave their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby *to someone who works at the hospital* or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

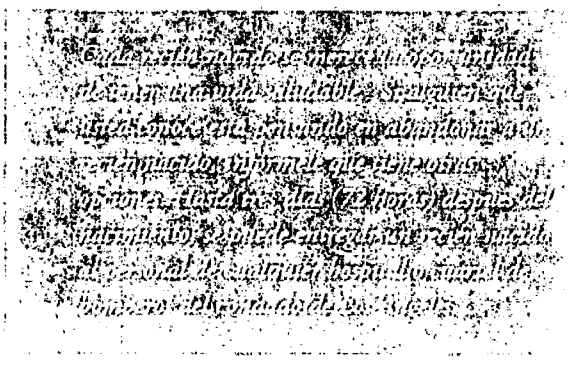
A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the one placed on the baby that would provide some identification in the event the mother changed her mind. Upon surrendering the baby, and if she failed to reclaim the baby in the 14-day period allowed by the Law, the aunt was also provided with a medical questionnaire and told she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés
Safe Haven
118
Los padres pueden entregar a bebés en California seguro al personal
de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles

Ley de Entrega de Bebés

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.



¿Cómo funciona?

El padre/madre con dificultades que no puede o no quiere cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

¿Sólo las madres pueden llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan *si tienen custodia legal.*

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dijo a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

BUSINESS ASSOCIATE AGREEMENT UNDER THE HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT OF 1996 ("HIPAA")

County is a Covered Entity as defined by, and subject to the requirements and prohibitions of, the Administrative Simplification provisions of the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 ("HIPAA"), and regulations promulgated thereunder, including the Privacy, Security, Breach Notification, and Enforcement Rules at 45 Code of Federal Regulations (C.F.R.) Parts 160 and 164 (collectively, the "HIPAA Rules").

Contractor performs or provides functions, activities or services to County that require Contractor in order to provide such functions, activities or services to create, access, receive, maintain, and/or transmit information that includes or that may include Protected Health Information, as defined by the HIPAA Rules. As such, Contractor is a Business Associate, as defined by the HIPAA Rules, and is therefore subject to those provisions of the HIPAA Rules that are applicable to Business Associates.

The HIPAA Rules require a written agreement ("Business Associate Agreement") between County and Contractor in order to mandate certain protections for the privacy and security of Protected Health Information, and these HIPAA Rules prohibit the disclosure to or use of Protected Health Information by Contractor if such an agreement is not in place.

This Business Associate Agreement and its provisions are intended to protect the privacy and provide for the security of Protected Health Information disclosed to or used by Contractor in compliance with the HIPAA Rules.

Therefore, the parties agree as follows:

1. DEFINITIONS

1.1 "Breach" has the same meaning as the term "breach" at 45 C.F.R. § 164.402.

1.2 "Business Associate" has the same meaning as the term "business associate" at 45 C.F.R. § 160.103. For the convenience of the parties, a "business associate" is a person or entity, other than a member of the workforce of covered entity, who performs functions or activities on behalf of, or provides certain services to, a covered entity that involve access by the business associate to Protected Health Information. A "business associate" also is a subcontractor that creates, receives, maintains, or transmits Protected Health Information on behalf of another business associate. And in reference to the party to this Business Associate Agreement "Business Associate" shall mean Contractor.

1.3 "Covered Entity" has the same meaning as the term "covered entity" at 45 CFR § 160.103, and in reference to the party to this Business Associate Agreement, "Covered Entity" shall mean County.

1.4 "Data Aggregation" has the same meaning as the term "data aggregation" at 45 C.F.R. § 164.501.

1.5 "De-identification" refers to the de-identification standard at 45 C.F.R. § 164.514.

1.6 "Designated Record Set" has the same meaning as the term "designated record set" at 45 C.F.R. § 164.501.

1.7 "Disclose" and "Disclosure" mean, with respect to Protected Health Information, the release, transfer, provision of access to, or divulging in any other manner of Protected Health Information outside Business Associate's internal operations or to other than its workforce. (See 45 C.F.R. § 160.103.)

1.8 "Electronic Health Record" means an electronic record of health-related information on an individual that is created, gathered, managed, and consulted by authorized health care clinicians and staff. (See 42 U.S. C. § 17921.)

1.9 "Electronic Media" has the same meaning as the term "electronic media" at 45 C.F.R. § 160.103. For the convenience of the parties, electronic media means (1) Electronic storage material on which data is or may be recorded electronically, including, for example, devices in computers (hard drives) and any removable/transportable digital memory medium, such as magnetic tape or disk, optical disk, or digital memory card; (2) Transmission media used to exchange information already in electronic storage media. Transmission media include, for example, the Internet, extranet or intranet, leased lines, dial-up lines, private networks, and the physical movement of removable/transportable electronic storage media. Certain transmissions, including of paper, via facsimile, and of voice, via telephone, are not considered to be transmissions via electronic media if the information being exchanged did not exist in electronic form immediately before the transmission.

1.10 "Electronic Protected Health Information" has the same meaning as the term "electronic protected health information" at 45 C.F.R. § 160.103, limited to Protected Health Information created or received by Business Associate from or on behalf of Covered Entity. For the convenience of the parties, Electronic Protected Health Information means Protected Health Information that is (i) transmitted by electronic media; (ii) maintained in electronic media.

1.11 "Health Care Operations" has the same meaning as the term "health care operations" at 45 C.F.R. § 164.501.

1.12 "Individual" has the same meaning as the term "individual" at 45 C.F.R. § 160.103. For the convenience of the parties, Individual means the person who is the subject of Protected Health Information and shall include a person who qualifies as a personal representative in accordance with 45 C.F.R. § 164.502 (g).

1.13 "Law Enforcement Official" has the same meaning as the term "law enforcement official" at 45 C.F.R. § 164.103.

1.14 "Minimum Necessary" refers to the minimum necessary standard at 45 C.F.R. § 162.502 (b).

1.15 "Protected Health Information" has the same meaning as the term "protected health information" at 45 C.F.R. § 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity. For the convenience of the parties, Protected Health Information includes information that (i) relates to the past, present or future physical or mental health or condition of an Individual; the provision of health care to an Individual, or the past, present or future payment for the provision of health care to an Individual; (ii) identifies the Individual (or for which there is a reasonable basis for believing that the information can be used to identify the Individual); and (iii) is created, received, maintained, or transmitted by Business Associate from or on behalf of Covered Entity, and includes Protected Health Information that is made accessible to Business Associate by Covered Entity. "Protected Health Information" includes Electronic Protected Health Information.

1.16 "Required by Law" " has the same meaning as the term "required by law" at 45 C.F.R. § 164.103.

1.17 "Secretary" has the same meaning as the term "secretary" at 45 C.F.R. § 160.103

1.18 "Security Incident" has the same meaning as the term "security incident" at 45 C.F.R. § 164.304.

1.19 "Services" means, unless otherwise specified, those functions, activities, or services in the applicable underlying Agreement, Contract, Master Agreement, Work Order, or Purchase Order or other service arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate.

1.20 "Subcontractor" has the same meaning as the term "subcontractor" at 45 C.F.R. § 160.103.

1.21 "Unsecured Protected Health Information" has the same meaning as the term "unsecured protected health information" at 45 C.F.R. § 164.402.

1.22 "Use" or "Uses" means, with respect to Protected Health Information, the sharing, employment, application, utilization, examination or analysis of such Information within Business Associate's internal operations. (See 45 C.F.R § 164.103.)

1.23 Terms used, but not otherwise defined in this Business Associate Agreement, have the same meaning as those terms in the HIPAA Rules.

2. PERMITTED AND REQUIRED USES AND DISCLOSURES OF PROTECTED HEALTH INFORMATION

2.1 Business Associate may only Use and/or Disclose Protected Health Information as necessary to perform Services, and/or as necessary to comply with the obligations of this Business Associate Agreement.

2.2 Business Associate may Use Protected Health Information for de-identification of the information if de-identification of the information is required to provide Services.

2.3 Business Associate may Use or Disclose Protected Health Information as Required by Law.

2.4 Business Associate shall make Uses and Disclosures and requests for Protected Health Information consistent with the applicable Covered Entity's Minimum Necessary policies and procedures.

2.5 Business Associate may Use Protected Health Information as necessary for the proper management and administration of its business or to carry out its legal responsibilities.

2.6 Business Associate may Disclose Protected Health Information as necessary for the proper management and administration of its business or to carry out its legal responsibilities, provided the Disclosure is Required by Law.

2.7 Business Associate may provide Data Aggregation services relating to Covered Entity's Health Care Operations if such Data Aggregation services are necessary in order to provide Services.

3. PROHIBITED USES AND DISCLOSURES OF PROTECTED HEALTH INFORMATION

3.1 Business Associate shall not Use or Disclose Protected Health Information other than as permitted or required by this Business Associate Agreement or as Required by Law.

3.2 Business Associate shall not Use or Disclose Protected Health Information in a manner that would violate Subpart E of 45 C.F.R. Part 164 if done by Covered Entity, except for the specific Uses and Disclosures set forth in Sections 2.5 and 2.6.

3.3 Business Associate shall not Use or Disclose Protected Health Information for de-identification of the information except as set forth in section 2.2.

4. OBLIGATIONS TO SAFEGUARD PROTECTED HEALTH INFORMATION

4.1 Business Associate shall implement, use, and maintain appropriate safeguards to prevent the Use or Disclosure of Protected Health Information other than as provided for by this Business Associate Agreement.

4.2 Business Associate shall comply with Subpart C of 45 C.F.R Part 164 with respect to Electronic Protected Health Information, to prevent the Use or Disclosure of such information other than as provided for by this Business Associate Agreement.

5. REPORTING NON-PERMITTED USES OR DISCLOSURES, SECURITY INCIDENTS, AND BREACHES OF UNSECURED PROTECTED HEALTH INFORMATION

5.1 Business Associate shall report to Covered Entity any Use or Disclosure of Protected Health Information not permitted by this Business Associate Agreement, any Security Incident, and/ or any Breach of Unsecured Protected Health Information as further described in Sections 5.1.1, 5.1.2, and 5.1.3.

5.1.1 Business Associate shall report to Covered Entity any Use or Disclosure of Protected Health Information by Business Associate, its employees, representatives, agents or Subcontractors not provided for by this Agreement of which Business Associate becomes aware.

5.1.2 Business Associate shall report to Covered Entity any Security Incident of which Business Associate becomes aware.

5.1.3 Business Associate shall report to Covered Entity any Breach by Business Associate, its employees, representatives, agents, workforce members, or Subcontractors of Unsecured Protected Health Information that is known to Business Associate or, by exercising reasonable diligence, would have been known to Business Associate. Business Associate shall be deemed to have knowledge of a Breach of Unsecured Protected Health Information if the Breach is known, or by exercising reasonable diligence would have been known, to any person, other than the person committing the Breach, who is an employee, officer, or other agent of Business Associate, including a Subcontractor, as determined in accordance with the federal common law of agency.

5.2 Except as provided in Section 5.3, for any reporting required by Section 5.1, Business Associate shall provide, to the extent available, all information required by, and within the times frames specified in, Sections 5.2.1 and 5.2.2.

5.2.1 Business Associate shall make an immediate telephonic report upon discovery of the non-permitted Use or Disclosure of Protected Health Information, Security Incident or Breach of Unsecured Protected Health Information to **(562) 940-3335** that minimally includes:

(a) A brief description of what happened, including the date of the non-permitted Use or Disclosure, Security Incident, or Breach and the date of Discovery of the non-permitted Use or Disclosure, Security Incident, or Breach, if known;

(b) The number of Individuals whose Protected Health Information is involved;

(c) A description of the specific type of Protected Health Information involved in the non-permitted Use or Disclosure, Security Incident, or Breach (such as whether full name, social security number, date of birth, home address, account number, diagnosis, disability code or other types of information were involved);

(d) The name and contact information for a person highly knowledgeable of the facts and circumstances of the non-permitted Use or Disclosure of PHI, Security Incident, or Breach

5.2.2 Business Associate shall make a written report without unreasonable delay and in no event later than three (3) business days from the date of discovery by Business Associate of the non-permitted Use or Disclosure of Protected Health Information, Security Incident, or Breach of Unsecured Protected Health Information and to the **Chief HIPAA Privacy Officer at: Chief HIPAA Privacy Officer, Kenneth Hahn Hall of Administration, 500 West Temple Street, Suite 525, Los Angeles, California 90012, HIPAA@auditor.lacounty.gov,** that includes, to the extent possible:

(a) A brief description of what happened, including the date of the non-permitted Use or Disclosure, Security Incident, or Breach and the date of Discovery of the non-permitted Use or Disclosure, Security Incident, or Breach, if known;

(b) The number of Individuals whose Protected Health Information is involved;

(c) A description of the specific type of Protected Health Information involved in the non-permitted Use or Disclosure, Security Incident, or Breach (such as whether full name, social security number, date of birth, home address, account number, diagnosis, disability code or other types of information were involved);

(d) The identification of each Individual whose Unsecured Protected Health Information has been, or is reasonably believed by Business Associate to have been, accessed, acquired, Used, or Disclosed;

(e) Any other information necessary to conduct an assessment of whether notification to the Individual(s) under 45 C.F.R. § 164.404 is required;

(f) Any steps Business Associate believes that the Individual(s) could take to protect him or herself from potential harm from the non-permitted Use or Disclosure, Security Incident, or Breach;

(g) A brief description of what Business Associate is doing to investigate, to mitigate harm to the Individual(s), and to protect against any further similar occurrences; and

(h) The name and contact information for a person highly knowledgeable of the facts and circumstances of the non-permitted Use or Disclosure of PHI, Security Incident, or Breach.

5.2.3 If Business Associate is not able to provide the information specified in Section 5.2.1 or 5.2.2 at the time of the required report, Business Associate shall provide such information promptly thereafter as such information becomes available.

5.3 Business Associate may delay the notification required by Section 5.1.3, if a law enforcement official states to Business Associate that notification would impede a criminal investigation or cause damage to national security.

5.3.1 If the law enforcement official's statement is in writing and specifies the time for which a delay is required, Business Associate shall delay its reporting and/or notification obligation(s) for the time period specified by the official.

5.3.2 If the statement is made orally, Business Associate shall document the statement, including the identity of the official making the statement, and delay its reporting and/or notification obligation(s) temporarily and no longer than 30 days from the date of the oral statement, unless a written statement as described in Section 5.3.1 is submitted during that time.

6. WRITTEN ASSURANCES OF SUBCONTRACTORS

6.1 In accordance with 45 C.F.R. § 164.502 (e)(1)(ii) and § 164.308 (b)(2), if applicable, Business Associate shall ensure that any Subcontractor that creates, receives, maintains, or transmits Protected Health Information on behalf of Business Associate is made aware of its status as a Business Associate with respect to such information and that Subcontractor agrees in writing to the same restrictions, conditions, and requirements that apply to Business Associate with respect to such information.

6.2 Business Associate shall take reasonable steps to cure any material breach or violation by Subcontractor of the agreement required by Section 6.1.

6.3 If the steps required by Section 6.2 do not cure the breach or end the violation, Contractor shall terminate, if feasible, any arrangement with Subcontractor by which Subcontractor creates, receives, maintains, or transmits Protected Health Information on behalf of Business Associate.

6.4 If neither cure nor termination as set forth in Sections 6.2 and 6.3 is feasible, Business Associate shall immediately notify County.

6.5 Without limiting the requirements of Section 6.1, the agreement required by Section 6.1 (Subcontractor Business Associate Agreement) shall require Subcontractor to contemporaneously notify Covered Entity in the event of a Breach of Unsecured Protected Health Information.

6.6 Without limiting the requirements of Section 6.1, agreement required by Section 6.1 (Subcontractor Business Associate Agreement) shall include a provision requiring Subcontractor to destroy, or in the alternative to return to Business Associate, any Protected Health Information created, received, maintained, or transmitted by Subcontractor on behalf of Business Associate so as to enable Business Associate to comply with the provisions of Section 18.4.

6.7 Business Associate shall provide to Covered Entity, at Covered Entity's request, a copy of any and all Subcontractor Business Associate Agreements required by Section 6.1.

6.8 Sections 6.1 and 6.7 are not intended by the parties to limit in any way the scope of Business Associate's obligations related to Subcontracts or Subcontracting in the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order, or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate.

7. ACCESS TO PROTECTED HEALTH INFORMATION

7.1 To the extent Covered Entity determines that Protected Health Information is maintained by Business Associate or its agents or Subcontractors in a Designated Record Set, Business Associate shall, within two (2) business days after receipt of a request from Covered Entity, make the Protected Health Information specified by Covered Entity available to the Individual(s) identified by Covered Entity as being entitled to access and shall provide such Individuals(s) or other person(s) designated by Covered Entity with a copy the specified Protected Health Information, in order for Covered Entity to meet the requirements of 45 C.F.R. § 164.524.

7.2 If any Individual requests access to Protected Health Information directly from Business Associate or its agents or Subcontractors, Business Associate shall notify Covered Entity in writing within two (2) days of the receipt of the request. Whether access shall be provided or denied shall be determined by Covered Entity.

7.3 To the extent that Business Associate maintains Protected Health Information that is subject to access as set forth above in one or more Designated Record Sets electronically and if the Individual requests an electronic copy of such information, Business Associate shall provide the Individual with access to the

Protected Health Information in the electronic form and format requested by the Individual, if it is readily producible in such form and format; or, if not, in a readable electronic form and format as agreed to by Covered Entity and the Individual.

8. AMENDMENT OF PROTECTED HEALTH INFORMATION

8.1 To the extent Covered Entity determines that any Protected Health Information is maintained by Business Associate or its agents or Subcontractors in a Designated Record Set, Business Associate shall, within ten (10) business days after receipt of a written request from Covered Entity, make any amendments to such Protected Health Information that are requested by Covered Entity, in order for Covered Entity to meet the requirements of 45 C.F.R. § 164.526.

8.2 If any Individual requests an amendment to Protected Health Information directly from Business Associate or its agents or Subcontractors, Business Associate shall notify Covered Entity in writing within five (5) days of the receipt of the request. Whether an amendment shall be granted or denied shall be determined by Covered Entity.

9. ACCOUNTING OF DISCLOSURES OF PROTECTED HEALTH INFORMATION

9.1 Business Associate shall maintain an accounting of each Disclosure of Protected Health Information made by Business Associate or its employees, agents, representatives or Subcontractors, as is determined by Covered Entity to be necessary in order to permit Covered Entity to respond to a request by an Individual for an accounting of disclosures of Protected Health Information in accordance with 45 C.F.R. § 164.528.

9.1.1 Any accounting of disclosures provided by Business Associate under Section 9.1 shall include:

(a) The date of the Disclosure;

(b) The name, and address if known, of the entity or person who received the Protected Health Information;

(c) A brief description of the Protected Health Information Disclosed; and

(d) A brief statement of the purpose of the Disclosure.

9.1.2 For each Disclosure that could require an accounting under Section 9.1, Business Associate shall document the information specified in Section 9.1.1, and shall maintain the information for six (6) years from the date of the Disclosure.

9.2 Business Associate shall provide to Covered Entity, within ten (10) business days after receipt of a written request from Covered Entity, information collected in

accordance with Section 9.1.1 to permit Covered Entity to respond to a request by an Individual for an accounting of disclosures of Protected Health Information in accordance with 45 C.F.R. § 164.528

9.3 If any Individual requests an accounting of disclosures directly from Business Associate or its agents or Subcontractors, Business Associate shall notify Covered Entity in writing within five (5) days of the receipt of the request, and shall provide the requested accounting of disclosures to the Individual(s) within 30 days. The information provided in the accounting shall be in accordance with 45 C.F.R. § 164.528.

10. COMPLIANCE WITH APPLICABLE HIPAA RULES

10.1 To the extent Business Associate is to carry out one or more of Covered Entity's obligation(s) under Subpart E of 45 C.F.R. Part 164, Business Associate shall comply with the requirements of Subpart E that apply to Covered Entity's performance of such obligation(s).

10.2 Business Associate shall comply with all HIPAA Rules applicable to Business Associate in the performance of Services.

11. AVAILABILITY OF RECORDS

11.1 Business Associate shall make its internal practices, books, and records relating to the Use and Disclosure of Protected Health Information received from, or created or received by Business Associate on behalf of Covered Entity available to the Secretary for purposes of determining Covered Entity's compliance with the Privacy and Security Regulations.

11.2 Unless prohibited by the Secretary, Business Associate shall immediately notify Covered Entity of any requests made by the Secretary and provide Covered Entity with copies of any documents produced in response to such request.

12. MITIGATION OF HARMFUL EFFECTS

12.1 Business Associate shall mitigate, to the extent practicable, any harmful effect of a Use or Disclosure of Protected Health Information by Business Associate in violation of the requirements of this Business Associate Agreement that is known to Business Associate.

13. BREACH NOTIFICATION TO INDIVIDUALS

13.1 Business Associate shall, to the extent Covered Entity determines that there has been a Breach of Unsecured Protected Health Information by Business Associate, its employees, representatives, agents or Subcontractors, provide breach notification to the Individual in a manner that permits Covered Entity to comply with its obligations under 45 C.F.R. § 164.404.

13.1.1 Business Associate shall notify, subject to the review and approval of Covered Entity, each Individual whose Unsecured Protected Health Information has been, or is reasonably believed to have been, accessed, acquired, Used, or Disclosed as a result of any such Breach.

13.1.2 The notification provided by Business Associate shall be written in plain language, shall be subject to review and approval by Covered Entity, and shall include, to the extent possible:

(a) A brief description of what happened, including the date of the Breach and the date of the Discovery of the Breach, if known;

(b) A description of the types of Unsecured Protected Health Information that were involved in the Breach (such as whether full name, social security number, date of birth, home address, account number, diagnosis, disability code, or other types of information were involved);

(c) Any steps the Individual should take to protect him or herself from potential harm resulting from the Breach;

(d) A brief description of what Business Associate is doing to investigate the Breach, to mitigate harm to Individual(s), and to protect against any further Breaches; and

(e) Contact procedures for Individual(s) to ask questions or learn additional information, which shall include a toll-free telephone number, an e-mail address, Web site, or postal address.

13.2 Covered Entity, in its sole discretion, may elect to provide the notification required by Section 13.1 and/or to establish the contact procedures described in Section 13.1.2.

13.3 Business Associate shall reimburse Covered Entity any and all costs incurred by Covered Entity, in complying with Subpart D of 45 C.F.R. Part 164, including but not limited to costs of notification, internet posting, or media publication, as a result of Business Associate's Breach of Unsecured Protected Health Information; Covered Entity shall not be responsible for any costs incurred by Business Associate in providing the notification required by 13.1 or in establishing the contact procedures required by Section 13.1.2.

14. INDEMNIFICATION

14.1 Business Associate shall indemnify, defend, and hold harmless Covered Entity, its Special Districts, elected and appointed officers, employees, and agents from and against any and all liability, including but not limited to demands, claims, actions, fees, costs, expenses (including attorney and expert witness fees), and penalties and/or fines (including regulatory penalties and/or fines), arising from or

connected with Business Associate's acts and/or omissions arising from and/or relating to this Business Associate Agreement, including, but not limited to, compliance and/or enforcement actions and/or activities, whether formal or informal, by the Secretary or by the Attorney General of the State of California.

14.2 Section 14.1 is not intended by the parties to limit in any way the scope of Business Associate's obligations related to Insurance and/or Indemnification in the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order, or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate.

15. OBLIGATIONS OF COVERED ENTITY

15.1 Covered Entity shall notify Business Associate of any current or future restrictions or limitations on the Use or Disclosure of Protected Health Information that would affect Business Associate's performance of the Services, and Business Associate shall thereafter restrict or limit its own Uses and Disclosures accordingly.

15.2 Covered Entity shall not request Business Associate to Use or Disclose Protected Health Information in any manner that would not be permissible under Subpart E of 45 C.F.R. Part 164 if done by Covered Entity, except to the extent that Business Associate may Use or Disclose Protected Health Information as provided in Sections 2.3, 2.5, and 2.6.

16. TERM

16.1 Unless sooner terminated as set forth in Section 17, the term of this Business Associate Agreement shall be the same as the term of the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order, or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate.

16.2 Notwithstanding Section 16.1, Business Associate's obligations under Sections 18.1 to 18.4 shall survive the termination or expiration of this Business Associate Agreement.

17. TERMINATION FOR CAUSE

17.1 In addition to and notwithstanding the termination provisions set forth in the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order, or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate, if either party determines that the other party has violated a material term of this Business Associate Agreement, and the breaching party has not cured the breach or ended the violation within the time specified by the non-breaching party, which

shall be reasonable given the nature of the breach and/or violation, the non-breaching party may terminate this Business Associate Agreement.

17.2 In addition to and notwithstanding the termination provisions set forth in the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order, or services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate, if either party determines that the other party has violated a material term of this Business Associate Agreement, and cure is not feasible, the non-breaching party may terminate this Business Associate Agreement immediately.

18. DISPOSITION OF PROTECTED HEALTH INFORMATION UPON TERMINATION OR EXPIRATION

18.1 Except as provided in Section 18.3, upon termination for any reason or expiration of this Business Associate Agreement, Business Associate shall return or, if agreed to by Covered entity, shall destroy as provided for in Section 18.2, all Protected Health Information received from Covered Entity, or created, maintained, or received by Business Associate on behalf of Covered Entity, that Business Associate, including any Subcontractor, still maintains in any form. Business Associate shall retain no copies of the Protected Health Information.

18.2 Destruction for purposes of Section 18.2 and Section 6.1.2 shall mean that media on which the Protected Health Information is stored or recorded has been destroyed and/or electronic media have been cleared, purged, or destroyed in accordance with the use of a technology or methodology specified by the Secretary in guidance for rendering Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals.

18.3 Notwithstanding Section 18.1, in the event that Business Associate determines that any such Protected Health Information is necessary for Business Associate to continue its proper management and administration or to carry out its legal responsibilities, Business Associate may retain that Protected Health Information which is necessary for Business Associate to continue its proper management and administration or to carry out its legal responsibilities and shall return or destroy all other Protected Health Information.

18.3.1 Business Associate shall extend the protections of this Business Associate Agreement to such Protected Health Information, including continuing to use appropriate safeguards and continuing to comply with Subpart C of 45 C.F.R Part 164 with respect to Electronic Protected Health Information, to prevent the Use or Disclosure of such information other than as provided for in Sections 2.5 and 2.6 for so long as such Protected Health Information is retained, and Business Associate shall not Use or Disclose such Protected Health Information other than for the purposes for which such Protected Health Information was retained.

18.3.2 Business Associate shall return or, if agreed to by Covered entity, destroy the Protected Health Information retained by Business Associate when it is no longer needed by Business Associate for Business Associate's proper management and administration or to carry out its legal responsibilities.

18.4 Business Associate shall ensure that all Protected Health Information created, maintained, or received by Subcontractors is returned or, if agreed to by Covered entity, destroyed as provided for in Section 18.2.

19. AUDIT, INSPECTION, AND EXAMINATION

19.1 Covered Entity reserves the right to conduct a reasonable inspection of the facilities, systems, information systems, books, records, agreements, and policies and procedures relating to the Use or Disclosure of Protected Health Information for the purpose of determining whether Business Associate is in compliance with the terms of this Business Associate Agreement and any non-compliance may be a basis for termination of this Business Associate Agreement and the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate, as provided for in Section 17.

19.2 Covered Entity and Business Associate shall mutually agree in advance upon the scope, timing, and location of any such inspection.

19.3 At Business Associate's request, and to the extent permitted by law, Covered Entity shall execute a nondisclosure agreement, upon terms and conditions mutually agreed to by the parties.

19.4 Covered Entity inspects, fails to inspect, or has the right to inspect as provided for in Section 19.1 does not relieve Business Associate of its responsibility to comply with this Business Associate Agreement and/or the HIPAA Rules or impose on Covered Entity any responsibility for Business Associate's compliance with any applicable HIPAA Rules.

19.5 Covered Entity's failure to detect, its detection but failure to notify Business Associate, or its detection but failure to require remediation by Business Associate of an unsatisfactory practice by Business Associate, shall not constitute acceptance of such practice or a waiver of Covered Entity's enforcement rights under this Business Associate Agreement or the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate.

19.6 Section 19.1 is not intended by the parties to limit in any way the scope of Business Associate's obligations related to Inspection and/or Audit and/or similar review in the applicable underlying Agreement, Contract, Master Agreement,

Work Order, Purchase Order, or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate.

20. MISCELLANEOUS PROVISIONS

20.1 Disclaimer. Covered Entity makes no warranty or representation that compliance by Business Associate with the terms and conditions of this Business Associate Agreement will be adequate or satisfactory to meet the business needs or legal obligations of Business Associate.

20.2 HIPAA Requirements. The Parties agree that the provisions under HIPAA Rules that are required by law to be incorporated into this Amendment are hereby incorporated into this Agreement.

20.3 No Third Party Beneficiaries. Nothing in this Business Associate Agreement shall confer upon any person other than the parties and their respective successors or assigns, any rights, remedies, obligations, or liabilities whatsoever.

20.4 Construction. In the event that a provision of this Business Associate Agreement is contrary to a provision of the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order, or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate, the provision of this Business Associate Agreement shall control. Otherwise, this Business Associate Agreement shall be construed under, and in accordance with, the terms of the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate.

20.5 Regulatory References. A reference in this Business Associate Agreement to a section in the HIPAA Rules means the section as in effect or as amended.

20.6 Interpretation. Any ambiguity in this Business Associate Agreement shall be resolved in favor of a meaning that permits the parties to comply with the HIPAA Rules.

20.7 Amendment. The parties agree to take such action as is necessary to amend this Business Associate Agreement from time to time as is necessary for Covered Entity or Business Associate to comply with the requirements of the HIPAA Rules and any other privacy laws governing Protected Health Information.

EXHIBIT Q
Protection of Electronic County PI, PHI and MI
Data Encryption

Contractor and Subcontractors that electronically transmit or store personal information (PI), protected health information (PHI) and/or medical information (MI) shall comply with the encryption standards set forth below. PI is defined in California Civil Code Section 1798.29(g). PHI is defined in Health Insurance Portability and Accountability Act of 1996 (HIPAA), and implementing regulations. MI is defined in California Civil Code Section 56.05(j).

1. **Stored Data**

   Contractors' and Subcontractors' workstations and portable devices (e.g., mobile, wearables, tablets, thumb drives, external hard drives) require encryption (i.e. software and/or hardware) in accordance with: (a) Federal Information Processing Standard Publication (FIPS) 140-2; (b) National Institute of Standards and Technology (NIST) Special Publication 800-57 Recommendation for Key Management — Part 1: General (Revision 3); (c) NIST Special Publication 800-57.

   Recommendation for Key Management — Part 2: Best Practices for Key Management Organization; and (d) NIST Special Publication 800-111 Guide to Storage Encryption Technologies for End User Devices. Advanced Encryption Standard (AES) with cipher strength of 256-bit is minimally required.

2. **Transmitted Data**

   All transmitted (e.g. network) County P1, PHI and/or MI require encryption in accordance with: (a) NIST Special Publication 800-52 Guidelines for the Selection and Use of Transport Layer Security Implementations; and (b) NIST Special Publication 800-57 Recommendation for Key Management — Part 3: Application-Specific Key Management Guidance. Secure Sockets Layer (SSL) is minimally required with minimum cipher strength of 128-bit.

3. **Certification**

   The County must receive within ten (10) business days of its request, a certification from Contractor (for itself and any Subcontractors) that certifies and validates compliance with the encryption standards set forth above. In addition, Contractor shall maintain a copy of any validation/attestation reports that its data encryption product(s) generate and such reports shall be subject to audit in accordance with the Contract. Failure on the part of the Contractor to comply with any of the provisions of this Exhibit (Data Encryption) shall constitute a material breach of this Contract upon which the County may terminate or suspend this Contract.

4. **Compliance**

   The Proposer shall provide information about its encryption practices by completing Exhibit R "Contractor's Compliance with Encryption Requirements" questionnaire. By submitting, Proposer certifies that it will be in compliance with Los Angeles County Board of Supervisors Policy 5.200, Contractor Protection of Electronic County Information, at the commencement of any contract and during the term of any contract that may be awarded pursuant to this solicitation. The completed forms must be returned to DMH DISO within ten (10) business days to certify compliance.

COUNTY OF LOS ANGELES
AGREEMENT FOR ACCEPTABLE USE
AND
CONFIDENTIALITY OF
COUNTY INFORMATION TECHNOLOGY RESOURCES

ANNUAL

As a County of Los Angeles (County) employee, contractor, subcontractor, volunteer, or other authorized user of County information technology (IT) resources, I understand that I occupy a position of trust. Furthermore, I shall use County IT resources in accordance with my Department's policies, standards, and procedures. I understand that County IT resources shall not be used for:

- For any unlawful purpose;
- For any purpose detrimental to the County or its interests;
- For personal financial gain;
- In any way that undermines or interferes with access to or use of County IT resources for official County purposes;
- In any way that hinders productivity, efficiency, customer service, or interferes with a County IT user's performance of his/her official job duties;

I shall maintain the confidentiality of County IT resources (e.g., business information, personal information, and confidential information).

This Agreement is required by Board of Supervisors Policy No. 6.101 – Use of County Information Technology Resources, which may be consulted directly at website

As used in this Agreement, the term "County IT resources" includes, without limitation, computers, systems, networks, software, and data, documentation and other information, owned, leased, managed, operated, or maintained by, or in the custody of, the County or non-County entities for County purposes. The definitions of the terms "County IT resources", "County IT user", "County IT security incident", "County Department", and "computing devices" are fully set forth in Board of Supervisors Policy No. 6.100 – Information Technology and Security Policy, which may be consulted directly at website The terms "personal information" and "confidential information" shall have the same meanings as set forth in Board of Supervisors Policy No. 3.040 – General Records Retention and Protection of Records Containing Personal and Confidential Information, which may be consulted directly at website

As a County IT user, I agree to the following:

1. Computer crimes: I am aware of California Penal Code Section 502(c) – Comprehensive Computer Data Access and Fraud Act (set forth, in part, below). I shall immediately report to my management any suspected misuse or crimes relating to County IT resources or otherwise.

2. No Expectation of Privacy: I do not expect any right to privacy concerning my activities related to County IT resources, including, without limitation, in anything I create, store, send, or receive using County IT resources. I understand that having no expectation to

any right to privacy includes, for example, that my access and use of County IT resources may be monitored or investigated by authorized persons at any time, without notice or consent.

3. Activities related to County IT resources: I understand that my activities related to County IT resources (e.g., email, instant messaging, blogs, electronic files, County Internet services, and County systems) may be logged stored, may be a public record, and are subject to audit and review, including, without limitation, periodic monitoring and or investigation, by authorized persons at any time. I shall not either intentionally, or through negligence, damage, interfere with the operation of County IT resources. I shall neither, prevent authorized access, nor enable unauthorized access to County IT resources responsibly, professionally, ethically, and lawfully.

4. County IT security incident reporting I shall notify the County Department's Help Desk and or Departmental Information Security Officer (DISO) as soon as a County IT security incident is suspected.

5. Security access controls: I shall not subvert or bypass any security measure or system which has been implemented to control or restrict access to County IT resources and any related restricted work areas and facilities. I shall not share my computer identification codes and other authentication mechanisms (e.g., logon identification (ID), computer access codes, account codes, passwords, SecurID cards tokens, biometric logons, and smartcards).

6. Passwords: I shall not keep or maintain any unsecured record of my password(s) to access County IT resources, whether on paper, in an electronic file, or otherwise. I shall comply with all County and County Department policies relating to passwords. I shall immediately report to my management any compromise or suspected compromise of my password(s) and have the password(s) changed immediately.

7. Business purposes: I shall use County IT resources in accordance with my Department's policies, standards, and procedures.

8. Confidentiality: I shall not send, disseminate, or otherwise expose or disclose to any person or organization, any personal and/or confidential information, unless specifically authorized to do so by County management. This includes, without limitation information that is subject to Health Insurance Portability and Accountability Act of 1996, Health Information Technology for Economic and Clinical Health Act of 2009, or any other confidentiality or privacy legislation.

9. Computer virus and other malicious devices: I shall not intentionally introduce any malicious device (e.g., computer virus, spyware, worm, key logger, or malicious code), into any County IT resources. I shall not use County IT resources to intentionally introduce any malicious device into any County IT resources or any non-County IT systems or networks. I shall not disable, modify, or delete computer security software (e.g., antivirus software, antispyware software, firewall software, and host intrusion prevention software) on County IT resources. I shall notify the County Department's Help Desk and/or DISO as soon as any item of County IT resources is suspected of being compromised by a malicious device.

10. Offensive materials: I shall not access, create, or distribute (e.g., via email) any offensive materials (e.g., text or images which are sexually explicit, racial, harmful, or insensitive) on County IT resources (e.g., over County-owned, leased, managed, operated, or maintained local or wide area networks; over the Internet; and over private networks), unless authorized to do so as a part of my assigned job duties (e.g., law enforcement). I shall report to my management any offensive materials observed or received by me on County IT resources.

11. Internet: I understand that the Internet is public and uncensored and contains many sites that may be considered offensive in both text and images. I shall use County Internet services in accordance with my Department's policies and procedures. I understand that my use of the County Internet services may be logged/stored, may be a public record, and are subject to audit and review, including, without limitation, periodic monitoring and/or investigation, by authorized persons at any time. I shall comply with all County Internet use policies, standards, and procedures. I understand that County Internet services may be filtered, but in my use of them, I may be exposed to offensive materials. I agree to hold County harmless from and against any and all liability and expense should I be inadvertently exposed to such offensive materials.

12. Electronic Communications: I understand that County electronic communications (e.g., email, text messages, etc.) created, sent, and/or stored using County electronic communications systems/applications/services are the property of the County. All such electronic communications may be logged/stored, may be a public record, and are subject to audit and review, including, without limitation, periodic monitoring and/or investigation, by authorized persons at any time, without notice or consent. I shall comply with all County electronic communications use policies and use proper business etiquette when communicating over County electronic communications systems/applications/services.

13. Public forums: I shall only use County IT resources to create, exchange, publish, distribute, or disclose in public forums (e.g., blog postings, bulletin boards, chat rooms, Twitter, Facebook, MySpace, and other social networking services) any information (e.g., personal information, confidential information, political lobbying, religious promotion, and opinions) in accordance with Department's policies, standards, and procedures.

14. Internet storage sites: I shall not store County information (i.e., personal, confidential (e.g., social security number, medical record), or otherwise sensitive (e.g., legislative data)) on any Internet storage site in accordance with Department's policies, standards, and procedures.

15. Copyrighted and other proprietary materials: I shall not copy or otherwise use any copyrighted or other proprietary County IT resources (e.g., licensed software and documentation, and data), except as permitted by the applicable license agreement and approved by designated County Department management. I shall not use County IT resources to infringe on copyrighted material.

16. Compliance with County ordinances, rules, regulations, policies, procedures, guidelines, directives, and agreements: I shall comply with all applicable County ordinances, rules, regulations, policies, procedures, guidelines, directives, and agreements relating to County IT resources. These include, without limitation, Board of Supervisors Policy No. 6.100 - Information Technology and Security Policy, Board of Supervisors Policy No.

6.101 – Use of County Information Technology Resources, and Board of Supervisors Policy No. 3.040 – General Records Retention and Protection of Records Containing Personal and Confidential Information.

17. Disciplinary action and other actions and penalties for non-compliance: I understand that my non-compliance with any provision of this Agreement may result in disciplinary action and other actions (e.g., suspension, discharge, denial of access, and termination of contracts) as well as both civil and criminal penalties and that County may seek all possible legal redress.

CALIFORNIA PENAL CODE SECTION 502(c)
"COMPREHENSIVE COMPUTER DATA ACCESS AND FRAUD ACT"

Below is a section of the "Comprehensive Computer Data Access and Fraud Act" as it pertains specifically to this Agreement. California Penal Code Section 502(c) is incorporated in its entirety into this Agreement by reference, and all provisions of Penal Code Section 502(c) shall apply. For a complete copy, consult the Penal Code directly at website www.leginfo.ca.gov.

502(c) Any person who commits any of the following acts is guilty of a public offense:

(1) Knowingly accesses and without permission alters, damages, deletes, destroys, or otherwise uses any data, computer, computer system, or computer network in order to either (A) devise or execute any scheme or artifice to defraud, deceive, or extort, or (B) wrongfully control or obtain money, property, or data.

(2) Knowingly accesses and without permission takes, copies, or makes use of any data from a computer, computer system, or computer network, or takes or copies any supporting documentation, whether existing or residing internal or external to a computer, computer system, or computer network.

(3) Knowingly and without permission uses or causes to be used computer services.

(4) Knowingly accesses and without permission adds, alters, damages, deletes, or destroys any data, computer software, or computer programs which reside or exist internal or external to a computer, computer system, or computer network.

(5) Knowingly and without permission disrupts or causes the disruption of computer services or denies or causes the denial of computer services to an authorized user of a computer, computer system, or computer network.

(6) Knowingly and without permission provides or assists in providing a means of accessing a computer, computer system, or computer network in violation of this section.

(7) Knowingly and without permission accesses or causes to be accessed any computer, computer system, or computer network.

(8) Knowingly introduces any computer contaminant into any computer, computer system, or computer network.

(9) Knowingly and without permission uses the Internet domain name of another individual, corporation, or entity in connection with the sending of one or more electronic mail messages, and thereby damages or causes damage to a computer, computer system, or computer network.

INFORMATION SECURITY AND PRIVACY REQUIREMENTS

This Exhibit (Information Security and Privacy Requirements) sets forth information security procedures to be established by Contractor and maintained throughout the term of the Purchase Order. These procedures are in addition to the requirements of the Purchase Order between the Parties. They present a minimum standard only. It is Contractor's sole obligation to: (i) implement appropriate administrative, physical and technical measures to secure its systems and data to protect and ensure the privacy, confidentiality, integrity and availability of County Data (consisting of but not limited to County Confidential Information, Personally Identifiable Information, and Protected Health Information) against internal and external threats, vulnerabilities and risks; and (ii) continuously review and revise those measures to address ongoing threats, vulnerabilities and risks. Failure to comply with the minimum standards set forth in this Exhibit (Information Security and Privacy Requirements) will constitute a material, non-curable breach of the Purchase Order by Contractor, entitling County, in addition to and cumulative of all other remedies available to it at law, in equity, or under the Purchase Order, to immediately terminate the Purchase Order.

1. **Security Policy**. Contractor shall establish and maintain a formal, documented, mandated, company-wide information security program, including security policies, standards and procedures (collectively "**Information Security Policy**"). The Information Security Policy will be communicated to all Contractor personnel, agents and subcontractors in a relevant, accessible, and understandable form and will be regularly reviewed and evaluated to ensure its operational effectiveness, compliance with all applicable laws and regulations, and to address new threats and risks.

2. **Personnel and Contractor Protections**. Contractor shall screen and conduct background checks on all Contractor personnel exposed to County Confidential Information and require all employees and contractors to sign an appropriate written confidentiality/non-disclosure agreement. All agreements with third-parties involving access to Contractor's systems and data, including all outsourcing arrangements and maintenance and support agreements (including facilities maintenance), shall specifically address security risks, controls, and procedures for information systems. Contractor shall supply each of its Contractor personnel with appropriate, ongoing training regarding information security procedures, risks, vulnerabilities and threats. Contractor shall have an established set of procedures to ensure Contractor personnel promptly report actual and/or suspected breaches of security.

3. **Removable Media**. Except in the context of Contractor's routine back-ups or as otherwise specifically authorized by County in writing, Contractor shall institute strict administrative, physical and logical security controls to prevent transfer of County information to any form of Removable Media. For purposes of this Exhibit (Information Security and Privacy Requirements), "**Removable Media**" means portable or removable hard disks, floppy disks, USB memory drives, zip disks, optical disks, CDs, DVDs, digital film, digital cameras, memory cards (e.g., Secure Digital (SD), Memory Sticks (MS), CompactFlash (CF), Smart Media (SM), Multimedia Card (MMC), and xD-Picture Card (xD)), magnetic tape, and all other removable data storage media.

4. **Storage, Transmission, and Destruction of Personally Identifiable Information and Protected Health Information.** All Personally Identifiable Information and Protected Health Information

shall be rendered unusable, unreadable, or indecipherable to unauthorized individuals in accordance with HIPAA, as amended and supplemented by the HITECH Act and the California Civil Code section 1798 et seq. Without limiting the generality of the foregoing, Contractor shall encrypt (i.e., National Institute of Standards and Technology (NIST) Special Publication (SP) 800-111 Guide to Storage Encryption Technologies for End User Devices[1]) all Personally Identifiable Information and electronic Protected Health Information (stored and during transmission) in accordance with HIPAA and the HITECH Act, as implemented by the U.S. Department of Health and Human Services. If Personally Identifiable Information and Protected Health Information is no longer required to be retained by Contractor under the Agreement and applicable law, Contractor shall destroy such Personally Identifiable Information and Protected Health Information by: (a) shredding or otherwise destroying paper, film, or other hard copy media so that the Personally Identifiable Information and Protected Health Information cannot be read or otherwise cannot be reconstructed; and (b) clearing, purging, or destroying electronic media containing Personally Identifiable Information and Protected Health Information consistent with National Institute of Standards and Technology (NIST) Special Publication (SP) 800-88, Guidelines for Media Sanitization[2] and US Department of Defense (DOD) 5220.22-M data sanitization and clearing directive[3] such that the Personally Identifiable Information and Protected Health Information cannot be retrieved.

5. **Data Control, Media Disposal and Servicing**. Subject to and without limiting the requirements under Section 4 (Storage, Transmission and Destruction of Personally Identifiable Information and Protected Health Information), County Data (i) may only be made available and accessible to those parties explicitly authorized under the Agreement or otherwise expressly Approved by County in writing; (ii) if transferred across the Internet, any wireless network (e.g., cellular, 802.11x, or similar technology), or other public or shared networks, must be protected using industry standard encryption technology in accordance with the NIST SP 800-52 Guidelines for the Selection and use of Transport Layer Security Implementations[4]; and (iii) if transferred using Removable Media (as defined above) must be sent via a bonded courier or protected using industry standard encryption technology in accordance with NIST SP 800-111 Guide to Storage Encryption Technologies for End User Devices[5]. The foregoing requirements shall apply to back-up data stored by Contractor at off-site facilities. In the event any hardware, storage media, or Removable Media must be disposed of or sent off-site for servicing, Contractor shall ensure all County Confidential Information, including Personally Identifiable Information and Protected Health Information, has been cleared, purged, or scrubbed from such hardware and/or media using industry best practices in accordance with NIST SP 800-88, Guidelines for Media Sanitization[6]).

6. **Hardware Return.** Upon termination or expiration of the Agreement or at any time upon County's request, Contractor will return all hardware, if any, provided by County containing Personally Identifiable Information, Protected Health Information, or County Confidential Information to County. The Personally Identifiable Information, Protected Health Information, and County Confidential Information shall not be removed or altered in any way. The hardware

should be physically sealed and returned via a bonded courier or as otherwise directed by County. In the event the hardware containing County Confidential Information or Personally Identifiable Information is owned by Contractor or a third-party, a notarized statement, detailing the destruction method used and the data sets involved, the date of destruction, and the company or individual who performed the destruction will be sent to a designated County security representative within fifteen (15) days of termination or expiration of the Agreement or at any time upon County's request. Contractor's destruction or erasure of Personal Information and Protected Health Information pursuant to this Section shall be in compliance with industry Best Practices (*e.g.*, NIST Special Publication 800-88, Guidelines for Media Sanitization[7]).

7. **Physical and Environmental Security**. Contractor facilities that process County Data will be housed in secure areas and protected by perimeter security such as barrier access controls (e.g., the use of guards and entry badges) that provide a physically secure environment from unauthorized access, damage, and interference.

8. **Communications and Operational Management**. Contractor shall: (i) monitor and manage all of its information processing facilities, including, without limitation, implementing operational procedures, change management and incident response procedures; and (ii) deploy adequate anti-viral software and adequate back-up facilities to ensure essential business information can be promptly recovered in the event of a disaster or media failure; and (iii) ensure its operating procedures will be adequately documented and designed to protect information, computer media, and data from theft and unauthorized access.

9. **Access Control**. Contractor shall implement formal procedures to control access to its systems, services, and data, including, but not limited to, user account management procedures and the following controls:

   a. Network access to both internal and external networked services shall be controlled, including, but not limited to, the use of properly configured firewalls;

   b. Operating systems will be used to enforce access controls to computer resources including, but not limited to, authentication, authorization, and event logging;

   c. Applications will include access control to limit user access to information and application system functions; and

   d. All systems will be monitored to detect deviation from access control policies and identify suspicious activity. Contractor shall record, review and act upon all events in accordance with incident response policies set forth below.

10. **Security Incident.** A "Security Incident" shall have the meaning given to such term in 45 C.F.R. § 164.304.

    a. Contractor will promptly notify (but in no event more than twenty-four (24) hours after the detection of a Security Incident) the designated County security contact by

[7] Available at http://www.csrc.nist.gov/

telephone and subsequently via written letter of any potential or actual security attacks or Security Incidents.

b. The notice shall include the approximate date and time of the occurrence and a summary of the relevant facts, including a description of measures being taken to address the occurrence. A Security Incident includes instances in which internal personnel access systems in excess of their user rights or use the systems inappropriately.

c. Contractor will provide a monthly report of all Security Incidents noting the actions taken. This will be provided via a written letter to the County security representative on or before the first (1st) week of each calendar month. County or its third-party designee may, but is not obligated, perform audits and security tests of Contractor's environment that may include, but are not limited to, interviews of relevant personnel, review of policies, procedures and guidelines, and other documentation, or technical inspection of systems, as they relate to the receipt, maintenance, use, retention, and authorized destruction of County Data.

d. In the event County desires to conduct an unannounced penetration test, County shall provide contemporaneous notice to Contractor's Vice President of Audit, or such equivalent position. Any of County's regulators shall have the same right upon request. Contractor shall provide all information reasonably requested by County in connection with any such audits and shall provide reasonable access and assistance to County or its regulators upon request. Contractor agrees to comply with all reasonable

reports that Contractor has undertaken on its behalf to assess Contractor's own network security. If requested, copies of these reports will be sent via bonded courier to the County security contact. Contractor will notify County of any new assessments.

11. **Contractor Self Audit.** Contractor will provide to County a summary of: (1) the results of any security audits, security reviews, or other relevant audits listed below, conducted by Contractor or a third-party as applicable; and (2) the corrective actions or modifications, if any, Contractor will implement in response to such audits.

Relevant audits conducted by Contractor as of the Effective Date include:

a. ISO 27001:2013 (Information Security Management) or FDA's Quality System Regulation, etc. – Contractor-Wide. A full recertification is conducted every three (3) years with surveillance audits annually.

i. **External Audit** – Audit conducted by non-Contractor personnel, to assess Contractor's level of compliance to applicable regulations, standards, and contractual requirements.

ii. **Internal Audit** – Audit conducted by qualified Contractor Personnel (or contracted designee) not responsible for the area of review, of Contractor organizations, operations, processes, and procedures, to assess compliance to

and effectiveness of Contractor's Quality System ("**CQS**") in support of applicable regulations, standards, and requirements.

iii. **Supplier Audit** – Quality audit conducted by qualified Contractor Personnel (or contracted designee) of product and service suppliers contracted by Contractor for internal or Contractor client use.

iv. **Detailed findings**- are not published externally, but a summary of the report findings, and corrective actions, if any, will be made available to County as provided above and the ISO certificate is published on Contractor's website.

b. SSAE-16 (formerly known as SAS -70 II) – As to the Hosting Services only:

i. Audit spans a full twelve (12) months of operation and is produced every six (6) months (end of June, end of December) to keep it "fresh".

ii. The resulting detailed report is available to County.

Detailed findings are not published externally, but a summary of the report findings, and corrective actions, if any, will be made available to County as provided above.

12. **Security Audits.** In addition to the audits described in Section 10 (Contractor Self Audit), during the term of the Agreement, County or its third-party designee may annually, or more frequently as agreed in writing by the Parties, request a security audit (e.g., attestation of security controls) of Contractor's data center and systems. The audit will take place at a time mutually agreed to by the Parties, but in no event on a date more than ninety (90) days from the date of the request by County. County's request for security audit will specify the areas (e.g., Administrative, Physical and Technical) that are subject to the audit and may include but not limited to physical controls inspection, process reviews, policy reviews, evidence of external and internal vulnerability scans, penetration tests results, evidence of code reviews, and evidence of system configuration and audit log reviews. County shall pay for all third-party costs associated with the audit. It is understood that summary data of the results may filtered to remove the specific information of other Contractor customers such as IP address, server names, and others. Contractor shall cooperate with County in the development of the scope and methodology for the audit, and the timing and implementation of the audit. Any of the County's regulators shall have the same right upon request, to request an audit as described above. Contractor agrees to comply with all reasonable recommendations that result from such inspections, tests, and audits within reasonable timeframes.

CONFIDENTIALITY OATH

Non-LAC-DMH Workforce Members

The intent of this Confidentiality Form is to ensure that all County Departments, Contractors, LAC-DMH Non-Governmental Agencies (NGA), Fee-For-Service Hospital (FFS1), Fee-For-Service Outpatient (FFS2) and Pharmacy users are aware of their responsibilities and accountability to protect the confidentiality of clients' sensitive information viewed, maintained and/or accessed by any DMH on-line systems.

Further, the Department's Medi-Cal and MEDS access policy has been established in accordance with Federal and State laws governing confidentiality.

The California Welfare and Institutions (W&I) Code, Section 14100.2, cites the information to be regarded confidential. This information includes applicant/beneficiary names, addresses, services provided, social and economic conditions or circumstances, agency evaluation of personal information, and medical data. (See also 22 California Code of Regulations (C.C.R.), Sections 50111 and 51009)

The Medi-Cal Eligibility Manual, Section 2-H, titled "Confidentiality of Medi-Cal Case Records," referring to Section 14100.2, a, b, f, and h, W&I Code, provides in part that:

"(a) All types of information, whether written or oral, concerning a person, made or kept by any public office or agency in connection with the administration of any provision of this chapter *... shall be confidential, and shall not be open to examination other than for purposes directly connected with administration of the Medi-Cal program."

"(b) Except as provided in this section and to the extent permitted by Federal Law or regulation, all information about applicants and recipients as provided for in subdivision (a) to be safeguarded includes, but is not limited to, names and addresses, medical services provided, social and economic conditions or circumstances, agency evaluation or personal information, and medical data, including diagnosis and past history of disease or disability."

"(f) The State Department of Health Services may make rules and regulations governing the custody, use and preservation of all records, papers, files, and communications pertaining to the administration of the laws relating to the Medi-Cal program **...."

"(h) Any person who knowingly releases or possesses confidential information concerning persons who have applied for or who have been granted any form of Medi-Cal benefits ***... for which State or Federal funds are made available in violation of this section is guilty of a misdemeanor."

*, ** *** The State of California's Statute for Medicaid Confidentiality can be found at the following web address:

Please read the agreement and take due time to consider it prior to signing.

I understand that County Departments, Contractors, LAC-DMH Non-Governmental Agencies (NGA), Fee-For-Service Hospital (FFS1), Fee-For-Service Outpatient (FFS2) and Pharmacy users are prohibited from sharing their unique Logon I D. and password with co-worker or other agencies.

Further, I understand that data browsing is strictly prohibited and my access to information is restricted to the minimum necessary required to carry out my job responsibilities.

Further, I understand that County Departments, Contractors, LAC-DMH Non-Governmental Agencies (NGA), Fee-For-Service Hospital (FFS1), Fee-For-Service Outpatient (FFS2) and Pharmacy users are prohibited from obtaining, releasing, or using confidential client information from case records or computer records for purposes not specifically related to the administration of services and authorized by the California Welfare and Institutions Code (Section 14100.2).

Further, I understand the violation of the confidentiality of records or of these policies which are made for protection of the confidentiality of such records, may cause:

1. A civil action under the provision of the Welfare and Institutions Code 5330 Sections:
   a) Any person may bring an action against an individual who has willfully and knowingly released confidential information or records concerning him or her in violation of this chapter, or of Chapter 1 (commencing with Section 11860) of Part 3 of Division 10.5 of the Health and Safety Code, for the greater of the following amounts:
      1. Ten thousand Dollars ($10,000)
      2. Three times the amount of actual damages, if any sustained by the plaintiff.
   b) Any person may bring an action against an individual who has negligently released confidential information or records concerning him or her in violation of this chapter, or of Chapter 1 (commencing with Section 11860) of Part 3 of Division 10.5 of the Health and Safety Code, for both of the following:
      1. One thousand dollars ($1,000) In order to recover under this paragraph, it shall not be a prerequisite that the plaintiff suffer or be threatened with actual damages.
      2 The amount of actual damages, if any, sustained by the plaintiff
   c) Any person may, in accordance with Chapter 3(commencing with Section 525) of Title 7 of Part 2 of the Code of Civil Procedure, bring an action to enjoin the release of confidential information or records in violation of this chapter, and may in the same action seek damages as provided in this section.
   d) In addition to the amounts specified in subdivisions (a) and (b), the plaintiff shall recover court costs and reasonable attorney's fees as determined by the court.
2. Disciplinary action including suspension or termination of employment.

Further, I understand that the County will not provide legal protection if violations of these policies or procedures occur.

I hereby certify that I have read this form and I have knowledge of the requirements of State and Federal confidentiality laws and will comply with all applicable provisions of same.

I, the undersigned, hereby agree not to divulge any information or records concerning any client except in accordance with W&I Code, Section 5328 et seq. and the Health Insurance Portability and Accountability Act of 1996 (HIPAA). I acknowledge that the unauthorized release of confidential information as described in this document may result in disciplinary action up to and including termination of any office of employment. I further agree I have read as described in this document that a person may make me subject to a civil action under the provisions of the W&I Code for the unauthorized release of confidential information.

DEPARTMENT OF MENTAL HEALTH LEGAL ENTITY AGREEMENT

THIS AGREEMENT is made and entered into this 12th day of June, 2007, by and between the County of Los Angeles (hereafter "County"), and St. Francis Medical Center (hereafter "Contractor") with the following business address at 3630 East Imperial Highway, Lynwood, CA 90262-2636.

WHEREAS, County desires to provide to those persons in Los Angeles County who qualify therefor certain mental health services contemplated and authorized by the Bronzan-McCorquodale Act, California Welfare and Institutions Code (WIC) Section 5600 et seq.; and

WHEREAS, County desires through the County's Request for Statement of Qualification (RFSQ) process to provide to those persons in Los Angeles County who qualify therefor certain mental health services contemplated and authorized by the Mental Health Service Act (MHSA) adopted by the California electorate on November 2, 2004; and

WHEREAS, Contractor is equipped, staffed, and prepared to provide these services as described in this Agreement; and

WHEREAS, County believes it is in the best interest of the people of the County of Los Angeles to provide these services by contract; and

WHEREAS, these services shall be provided by Contractor in accordance with all applicable Federal, State and local laws, required licenses, ordinances, rules, Regulations, manuals, guidelines, and directives, which may include, but are not necessarily limited to, the following: Bronzan-McCorquodale Act, California Welfare and Institutions Code Section 5600 et seq., including, but not limited to, Sections 5600.2, 5600.3, 5600.4, 5600.9, 5602, 5608, 5651, 5670, 5670.5, 5671, 5671.5, 5672, 5705, 5709, 5710, 5716, 5719, 5721, 5722, 5751.2, and 5900 et seq.; Medi-Cal Act, California Welfare and Institutions Code Section 14000 et seq., including, but not limited to, Section 14132.44; California Welfare and Institutions Code Section 15600 et seq., including Section 15630; California Welfare and Institutions Code Section 17601 et seq.; California Work Opportunities and Responsibilities to Kids Act, California Welfare and Institutions Code

Section 11200 et seq.; California Government Code Sections 26227 and 53703; Title XIX of the Social Security Act, 42 United States Code Section 1396 et seq.; Part B of Title XIX of the Public Health Service Act, 42 United States Code Section 300x et seq.; Title XXI of the Social Security Act; California Penal Code (PC) Section 11164 et seq.; Title 9 and Title 22, including, but not limited to, Sections 51516, 70001, 71001, 72001 et seq., and 72443 et seq. of the California Code of Regulations; State Department of Mental Health's (SDMH) Cost Reporting/Data Collection Manual (CR/DC); Los Angeles County DMH Organizational Provider's Manual for Specialty Mental Health Services under the Rehabilitation Option and Targeted Case Management Services; State Department of Mental Health's Cost and Financial Reporting System Instruction Manual; Federal Office of Management and Budget Circular A-122 (Cost principles for non-profit organizations); Federal Office of Management and Budget Circular A-133 (Audits of States, local governments, and non-profit organizations); Auditor-Controller Contract Accounting and Administration Handbook; policies and procedures developed by County; State's Medicaid Plan; and policies and procedures which have been documented in the form of Policy Letters issued by State Department of Mental Health; and/or for State Department of Health Services; and

WHEREAS, this Agreement is authorized by WIC Section 5600 et seq., California Government Code Sections 23004, 26227 and 53703, and otherwise.

NOW, THEREFORE, Contractor and County agree as follows:

PREAMBLE

For over a decade, the County has collaborated with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human services that support achievement of the County's vision, goals, values, and adopted outcomes. Key to these efforts is the integration of service delivery systems and the adoption of the Customer Service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the County by providing responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, businesses and communities.

This philosophy of teamwork and collaboration is anchored in the shared values of:

- Responsiveness
- Professionalism
- Accountability
- Compassion
- Integrity
- Commitment
- A Can-Do Attitude
- Respect for Diversity

These shared values are encompassed in the County Mission to enrich lives through effective and caring service and the County Strategic Plan's eight goals: 1) Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5) Children and Families' Well-Being; 6) Community Services; 7) Health and Mental Health; and 8) Public Safety. Improving the well-being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- Good Health;
- Economic Well-Being;
- Safety and Survival;
- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy - in isolation - can achieve the County's outcomes of well-being for children and families, consensus has emerged among County and community leaders that making substantial improvements in integrating the County's health and human services system is necessary to significantly move toward achieving these outcomes. The County has also established the following values and goals for guiding this effort to integrate the health and human services delivery system:

- ✓ Families are treated with respect in every encounter they have with the health, educational, and social services systems.
- ✓ Families can easily access a broad range of services to address their needs, build on their strengths, and achieve their goals.
- ✓ There is no "wrong door": wherever a family enters the system is the right

place.

- ✓ Families receive services tailored to their unique situations and needs.
- ✓ Service providers and advocates involve families in the process of determining service plans, and proactively provide families with coordinated and comprehensive information, services, and resources.
- ✓ The County service system is flexible, able to respond to service demands for both the Countywide population and specific population groups.
- ✓ The County service system acts to strengthen communities, recognizing that just as individuals live in families, families live in communities.
- ✓ In supporting families and communities, County agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- ✓ County agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, family-focused, culturally-competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.
- ✓ County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of families.
- ✓ County agencies and their partners pursue multi-disciplinary service delivery, a single service plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.
- ✓ County agencies and their partners create incentives to reinforce the direction toward service integration and a seamless service delivery system.
- ✓ The County human service system embraces a commitment to the disciplined pursuit of results accountability across systems. Specifically, any strategy designed to improve the County human services system for children and families should ultimately be judged by whether it helps achieve the County's five outcomes for children and families: good health, economic well-being, safety and survival, emotional and social well-being, and education and

workforce readiness.

The County, its clients, contracting partners, and the community will continue to work together to develop ways to make County services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity; and using a strengths-based and multi-disciplinary team approach. County departments are also working to provide the Board of Supervisors and the community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?

The County of Los Angeles health and human service departments and their partners are working together to achieve the following ***Customer Service And Satisfaction Standards*** in support of improving outcomes for children and families.

Personal Service Delivery

The service delivery team – staff and volunteers – will treat customers and each other with courtesy, dignity, and respect.

- Introduce themselves by name
- Listen carefully and patiently to customers
- Be responsive to cultural and linguistic needs
- Explain procedures clearly
- Build on the strengths of families and communities

Service Access

Service providers will work proactively to facilitate customer access to services.

- Provide services as promptly as possible
- Provide clear directions and service information
- Outreach to the community and promote available services
- Involve families in service plan development
- Follow-up to ensure appropriate delivery of services

Service Environment

Service providers will deliver services in a clean, safe, and welcoming environment, which supports the effective delivery of services.

- Ensure a safe environment
- Ensure a professional atmosphere

- Display vision, mission, and values statements
- Provide a clean and comfortable waiting area
- Ensure privacy
- Post complaint and appeals procedures

The basis for all County health and human services contracts is the provision of the highest level of quality services that support improved outcomes for children and families. The County and its contracting partners must work together and share a commitment to achieve a common vision, goals, outcomes, and standards for providing services.

1. TERM:

A. Initial Period: The Initial Period of this Agreement shall commence on July 1, 2007 and shall continue in full force and effect through June 30, 2008.

B. Automatic Renewal Period(s): After the Initial Period, this Agreement shall be automatically renewed two additional periods without further action by the parties hereto unless either party desires to terminate this Agreement at the end of either the Initial Period or First Automatic Renewal Period and gives written notice to the other party not less than 30 calendar days prior to the end of the Initial Period or at the end of the First Automatic Renewal Period, as applicable.

(1) First Automatic Renewal Period: If this Agreement is automatically renewed, the First Automatic Renewal Period shall commence on N/A and shall continue in full force and effect through N/A.

(2) Second Automatic Renewal Period: If this Agreement is automatically renewed, the Second Automatic Renewal Period shall commence on N/A and shall continue in full force and effect through N/A.

C. Termination:

(1) This Agreement may be terminated by either party at any time without cause by giving at least 30 calendar days prior written notice to the other party.

(2) This Agreement may be terminated by County immediately:

(a) If County determines that:

i. Any Federal, State, and/or County funds are not available for this Agreement or any portion thereof; or

ii. Contractor has failed to initiate delivery of services within 30 calendar days of the commencement date of this Agreement; or

iii. Contractor has failed to comply with any of the provisions of Paragraphs 17 (NONDISCRIMINATION IN SERVICES), 18 (NONDISCRIMINATION IN EMPLOYMENT), 20 (INDEMNIFICATION AND INSURANCE), 21 (WARRANTY AGAINST CONTINGENT FEES), 22 (CONFLICT OF INTEREST), 27 (DELEGATION AND ASSIGNMENT), 28 (SUBCONTRACTING), 33 (CHILD SUPPORT COMPLIANCE PROGRAM), 47 (CERTIFICATION OF DRUG-FREE WORK PLACE), and/or 53 (CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM); or

(b) In accordance with Paragraphs 34 (TERMINATION FOR INSOLVENCY), 35 (TERMINATION FOR DEFAULT), 36 (TERMINATION FOR IMPROPER CONSIDERATION), and/or 48 (COUNTY LOBBYISTS).

(3) This Agreement shall terminate as of June 30 of the last Fiscal Year for which funds for this Agreement were appropriated by County as provided in Paragraph 5 (COUNTY'S OBLIGATION FOR CURRENT AND FUTURE FISCAL YEARS).

(4) In the event that this Agreement is terminated, then:

(a) On or after the date of the written notice of termination, County, in its sole discretion, may stop all payments to Contractor hereunder until preliminary settlement based on the Annual Cost Report. Contractor shall prepare an Annual Cost Report, including a statement of expenses and revenues, which shall be submitted pursuant to Attachment II, Financial Exhibit A (FINANCIAL PROVISIONS), Paragraph L (Annual Cost Reports), within 75 calendar days of the date of termination. Such preliminary settlement shall not exceed the Maximum Monthly Payment (see Attachment II, Financial Exhibit A (FINANCIAL PROVISIONS), Paragraph D (Billing and Payment Procedures and Limitations), Subparagraph (6) (Maximum Monthly and Year-to-Date and Other Payment Limitations) multiplied by the actual number of months or portion thereof during which this Agreement was in effect during the particular Fiscal Year; and

(b) Upon issuance of any notice of termination, Contractor shall make immediate and appropriate plans to transfer or refer all patients/clients receiving services under this Agreement to other agencies for continuing services in accordance with the patient's/client's needs. Such plans shall be subject to prior written approval of Director or his designee, except that in specific cases, as determined by Contractor, where

an immediate patient/client transfer or referral is indicated, Contractor may make an immediate transfer or referral. If Contractor terminates this Agreement, all costs related to all such transfers or referrals as well as all costs related to all continuing services shall not be a charge to this Agreement nor reimbursable in any way under this Agreement; and

(c) If Contractor is in possession of any equipment, furniture, removable fixtures, materials, or supplies owned by County as provided in Paragraph 44 (PURCHASES), the same shall be immediately returned to County.

(5) Any termination of this Agreement by County shall be approved by County's Board of Supervisors.

D. Suspension of Payments: Payments to Contractor under this Agreement shall be suspended if Director, for good cause, determines that Contractor is in default under any of the provisions of this Agreement. Except in cases of alleged fraud or similar intentional wrongdoing, at least 30 calendar days notice of such suspension shall be provided to Contractor, including a statement of the reason(s) for such suspension. Thereafter, Contractor may, within 15 calendar days, request reconsideration of the Director's decision. Payments shall not be withheld pending the results of the reconsideration process.

E. Six Months Notification of Agreement Expiration: Contractor shall notify County when this Agreement is within six (6) months of expiration. Contractor shall send such notice to those persons and addresses which are set forth in Paragraph 61 (NOTICES).

2. ADMINISTRATION: Director or his designee shall have the authority to administer this Agreement on behalf of County. Contractor shall designate in writing a Contract Manager who shall function as liaison with County regarding Contractor's performance hereunder.

3. DESCRIPTION OF SERVICES/ACTIVITIES: Contractor shall provide mental health services in the form as identified on the Financial Summary(ies) and Service Exhibit(s) and in the Program Description of Contractor's Negotiation Package for this Agreement as approved in writing by Director or his designee, including any addenda thereto as approved in writing by Director or his designee. Services provided by Contractor shall be the same regardless of the patient's/client's ability to pay or source of

payment.

Contractor shall be responsible for delivering services to new clients to the extent that funding is provided by County. Where Contractor determines that services to new clients can no longer be delivered, Contractor shall provide 30 calendar days prior notice to County. Contractor shall also thereafter make referrals of new clients to County or other appropriate agencies.

Contractor shall not be required to provide the notice in the preceding paragraph when County reduces funding to Contractor, either at the beginning or during the fiscal year. In addition, when County cuts the funding for a particular program provided by Contractor, Contractor shall not be responsible for continuing services for those clients linked to that funding. Contractor shall also thereafter make referrals of those clients to County or other appropriate agencies.

Contractor may provide activities claimable as Title XIX Medi-Cal Administrative Activities pursuant to WIC Section 14132.44. The administrative activities which may be claimable as Title XIX Medi-Cal Administrative Activities are shown on the Financial Summary and are described in the policies and procedures provided by SDMH and/or SDHS.

Contractor may provide mental health services claimable as Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) services.

If, during Contractor's provision of services under this Agreement, there is any need for substantial deviation from the services as described in Contractor's Negotiation Package for this Agreement, as approved in writing by Director or his designee, including any addenda thereto as approved in writing by Director or his designee, then Contractor shall submit a written request to Director or his designee for written approval before any such substantial deviation may occur. A 30% variance of actual services from those projected and shown by Contractor in the Negotiation Package will be considered a substantial deviation in service delivery. The following language applies only to *Contractors found eligible to provide mental health services claimable under the Mental Health Services Act (MHSA):* Contractor has been found to be eligible to provide mental health services claimable as MHSA services. Contractor has demonstrated experience and training in its specialized field and has submitted to the County a Statement of

Qualifications (SOQ) in response to County's RFSQ for the provision of such services, and Contractor has met the minimum qualifications listed in the RFSQ and has been selected for recommendation for placement on a MHSA Master Agreement eligibility list. Placement on the Master Agreement eligibility list does not guarantee that Contractor will be selected to provide mental health services claimable as MHSA services. In order to provide mental health services claimable as MHSA services, a provider must have been selected to provide MHSA services pursuant to a Request for Services.

4. FINANCIAL PROVISIONS: In consideration of services and/or activities provided by Contractor, County shall reimburse Contractor in the amount and manner described in Attachment II, Financial Exhibit A (FINANCIAL PROVISIONS) attached thereto and by this reference incorporated herein.

5. COUNTY'S OBLIGATION FOR CURRENT AND FUTURE FISCAL YEARS: Notwithstanding any other provision of this Agreement, this Agreement shall not be effective and binding upon the parties unless and until County's Board of Supervisors appropriates funds for purposes hereof in County's Budget for County's current Fiscal Year. Further, County shall not be obligated for Contractor's performance hereunder or by any provision of this Agreement during any of County's future Fiscal Years unless and until County's Board of Supervisors appropriates funds for purposes hereof in County's Budget for each such future Fiscal Year. In the event that funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last Fiscal Year for which funds were appropriated.

6. PRIOR AGREEMENT(S) SUPERSEDED:

A. Reference is made to the certain document(s) entitled:

TITLE	COUNTY AGREEMENT NUMBER	DATE OF EXECUTION
Department of Mental Health Legal Entity Agreement	MH120130	6/27/2006

The parties agree that the provisions of such prior Agreement(s), and all Amendments thereto, shall be entirely superseded as of July 1, 2007 by the provisions of this Agreement.

B. The parties further agree that all payments made by County to Contractor under any such prior Agreement(s) for services rendered thereunder on and after N/A

shall be applied to and considered against all applicable Federal, State, and/or County funds provided hereunder.

C. Notwithstanding any other provision of this Agreement or the Agreement(s) described in Subparagraph 6.A, the total reimbursement by County to Contractor under all these Agreements for Fiscal Year **2007-08** shall not exceed **TWO MILLION THIRTY-EIGHT THOUSAND EIGHT HUNDRED** DOLLARS ($**2,038,800**); and for Fiscal Year **N/A** shall not exceed **N/A** DOLLARS ($**N/A**); and for Fiscal Year **N/A** shall not exceed **N/A** DOLLARS ($**N/A**).

The supersession of this Agreement is not intended to supersede ongoing programs and/or special provisions (such as, deeds, leases, rentals, or space use) which are implemented by special amendments with Contractors. Such ongoing programs and special provisions set forth in special amendments can only be affected by a written contract amendment that refers specifically to the provisions set forth in the Amendment.

For information on amendment(s) for special provisions for such ongoing programs and/or special services, see Exhibit(s) N/A. (If applicable, this attachment has been included under the Table of Contents in the Attachments Section.)

7. STAFFING: Contractor shall operate throughout the term of this Agreement with staff, including, but not limited to, professional staff, that approximates the type and number as indicated in Contractor's Negotiation Package for this Agreement, as approved in writing by Director or his designee, including any addenda thereto as approved in writing by Director or his designee and as required by WIC and CCR. Such staff shall be qualified and shall possess all appropriate licenses in accordance with WIC Section 5603 and all other applicable requirements of the California Business and Professions Code, WIC, CCR, CR/DC Manual, Los Angeles County DMH Organizational Provider's Manual for Specialty Mental Health Services under the Rehabilitation Option and Targeted Case Management Services, SDMH Policy Letters, and function within the scope of practice as dictated by licensing boards/bodies. If vacancies occur in any of Contractor's staff that would reduce Contractor's ability to perform any services under the Agreement, Contractor shall promptly notify Director or his designee of such vacancies. During the term of this Agreement, Contractor shall have available and shall provide upon request to authorized representatives of County, a list of all persons by name, title, professional degree, and

experience, who are providing any services under this Agreement.

8. STAFF TRAINING AND SUPERVISION: Contractor shall institute and maintain an in-service training program of treatment review and case conferences in which all its professional, para-professional, intern, student and clinical volunteer personnel shall participate. Contractor shall institute and maintain appropriate supervision of all persons providing services under this Agreement with particular emphasis on the supervision of para-professionals, interns, students, and clinical volunteers in accordance with Departmental clinical supervision policy. Contractor shall be responsible for the provision of federal mandatory training for all staff at the time of employment and for subsequent updates as required by Federal and State law including but not limited to HIPAA and Sexual Harassment and for the training of all appropriate staff on the Los Angeles County DMH Organizational Provider's Manual for Specialty Mental Health Services under the Rehabilitation Option and Targeted Case Management Services, CR/DC Manual (as applicable), and other State and County policies and procedures as well as on any other matters that County may reasonably require.

Contractor shall document and make available upon request by the Federal, State and/or County the type and number of hours of training provided to Contractor's officers, employees, agents, and subcontractors as required by State or Federal law.

9. PROGRAM SUPERVISION, MONITORING AND REVIEW:

A. Pursuant to WIC Section 5608 and CCR Title 9, Section 521, all services hereunder shall be provided by Contractor under the general supervision of Director or his designee. Director or his designee shall have the right to monitor and specify the kind, quality, appropriateness, timeliness, amount of services, and the criteria for determining the persons to be served. Upon receipt of any contract monitoring report pertaining to services/activities under this Agreement, Contractor shall respond in writing to the particular DMH Contract Monitor within the time specified in the contract monitoring report either acknowledging the reported deficiencies or presenting contrary evidence, and, in addition, submitting a plan for immediate correction of all deficiencies. In the event of a State audit of this Agreement, if State auditors disagree with County's written instructions to Contractor in its performance of this Agreement, and if such disagreement results in a State disallowance of any of Contractor's costs hereunder, then County shall be liable for

Contractor's disallowed costs as determined by State.

B. To assure compliance with this Agreement and for any other reasonable purpose relating to performance of this Agreement, and subject to the provisions of State and Federal law, authorized County, State, and/or Federal representatives and designees shall have the right to enter Contractor's premises (including all other places where duties under this Agreement are being performed), with or without notice, to: inspect, monitor and/or audit Contractor's facilities, programs and procedures, or to otherwise evaluate the work performed or being performed; review and copy any records and supporting documentation pertaining to the performance of this Agreement; and elicit information regarding the performance of this Agreement or any related work. The representatives and designees of such agencies may examine, audit and copy such records at the site at which they are located. Contractor shall provide access to facilities and shall cooperate and assist County, State, and/or Federal representatives and designees in the performance of their duties. Unless otherwise agreed upon in writing, Contractor must provide specified data upon request by County, State, and/or Federal representatives and designees within ten (10) State business days for monitoring purposes.

10. PERFORMANCE STANDARDS AND OUTCOME MEASURES: The Contractor shall comply with all applicable Federal, State, and County policies and procedures relating to performance standards and outcome measures. This is applicable whenever specific Federal or State funding, which has policies or procedures for performance standards and/or outcome measures has been included as part of the Contractor's contract and shall apply for all County policies, procedures, or departmental bulletins approved by the Director or his designee for performance standards and/or outcome measures. County will notify Contractor whenever County policies or procedures are to apply to this contract provision (e.g., AB 2034 grant) at least, where feasible, 30 calendar days prior to implementation.

These Federal, State or County performance standards and/or outcome measures will be used as part of the determination of the effectiveness of the services delivered by the Contractor.

/

11. COUNTY'S QUALITY ASSURANCE PLAN: The County or its agent will evaluate Contractor's performance under this Agreement on not less than an annual basis. Such evaluation will include assessing Contractor's compliance with all contract terms and performance standards. Contractor deficiencies which County determines are severe or continuing and that may place performance of the Agreement in jeopardy if not corrected will be reported to the Board of Supervisors. The report will include improvement/corrective action measures taken by the County and Contractor. If improvement does not occur consistent with the corrective action measures, County may terminate this Agreement or impose other financial deductions as specified in this Agreement.

12. RECORDS AND AUDITS:

A. Records:

(1) Direct Services and Indirect Services Records: Contractor shall maintain a record of all direct services and indirect services rendered by all the various professional, para-professional, intern, student, volunteer and other personnel to fully document all services provided under this Agreement and in sufficient detail to permit an evaluation and audit of such services. All such records shall be retained, maintained, and made immediately available for inspection, program review, and/or audit by authorized representatives and designees of County, State, and/or Federal governments during the term of this Agreement and during the applicable period of records retention. Such access shall include regular and special reports from Contractor. In the event any records are located outside Los Angeles County, Contractor shall pay County for all travel, per diem, and other costs incurred by County for any inspection, program review, and/or audit at such other location. In addition to the requirements in this Paragraph 12, Contractor shall comply with any additional patient/client record requirements described in the Service Exhibit(s) and shall adequately document the delivery of all services described in the Service Exhibit(s).

(a) Patient/Client Records (Direct Services): Contractor shall maintain treatment and other records of all direct services (i.e., 24-hour services, day services, targeted case management, mental health services, medication support, and crisis intervention) in accordance with all applicable County, State and Federal

requirements on each individual patient/client which shall include, but not be limited to, patient/client identification number, patient/client face sheet, all data elements required by the County's information system, consent for treatment form, initial evaluation form, treatment plan, progress notes and discharge summary. All patient/client records shall be maintained by Contractor at a location in Los Angeles County for a minimum period of seven (7) years following discharge of the patient/client or termination of services (except that the records of unemancipated minors shall be kept at least one year after such minor has reached the age of 18 years and in any case not less than seven (7) years), or until County, State and/or Federal audit findings applicable to such services are fully resolved, whichever is later. During such retention period, all such records shall be immediately available and open during County's normal business hours to authorized representatives and designees of County, State, and/or Federal governments for purposes of inspection, program review, and/or audit.

(b) Case Management Support Services and Outreach Services Records (Indirect Services): Contractor shall maintain accurate and complete program records of all indirect services (i.e., all services other than direct services) in accordance with all applicable County, State and Federal requirements. All program records shall be maintained by Contractor at a location in Los Angeles County for a minimum period of seven years following the expiration or termination of this Agreement, or until County, State and/or Federal audit findings applicable to such services are fully resolved, whichever is later. During such retention period, all such records shall be immediately available and open during normal business hours to authorized representatives and designees of County, State, and/or Federal governments for purposes of inspection and/or audit.

(2) Financial Records: Contractor shall prepare and maintain, on a current basis, accurate and complete financial records of its activities and operations relating to this Agreement in accordance with generally accepted accounting principles, with the procedures set out in the State Department of Mental Health's Cost and Financial Reporting System (CFRS) Instruction Manual, and with all guidelines, standards, and procedures which shall be furnished to Contractor by County upon request. Minimum standards for accounting principles are set forth in County's Auditor-Controller's Contract

Accounting and Administration Handbook which shall be furnished to Contractor by County upon request. The above financial records shall include, but are not limited to:

(a) Books of original entry and a general ledger.

(b) Reports, studies, statistical surveys or other information Contractor used to identify and allocate indirect costs among Contractor's various modes of service. "Indirect costs" shall mean those costs as described by the guidelines, standards, and procedures which may be provided by County in writing to Contractor, the Centers for Medicare and Medicaid Provider Reimbursement Manual, and the Federal Office of Management and Budget Circular A-122 (Cost principles for non-profit organizations).

(c) Bronzan-McCorquodale/County statistics and total facility statistics (e.g., patient days, visits) which can be identified by type of service pursuant to any policies and procedures which may be provided by County in writing to Contractor.

(d) A listing of all County remittances received.

(e) Patient/client financial folders clearly documenting:

i. Contractor's determination of patient's/client's eligibility for Medi-Cal, medical insurance and any other third party payer coverage; and

ii. Contractor's reasonable efforts to collect charges from the patient/client, his responsible relatives, and any other third party payer.

(f) Individual patient/client ledger cards indicating the type and amount of charges incurred and payments by source and service type.

(g) Employment records.

(3) The entries in all of the above financial records must be readily traceable to applicable source documentation (e.g., remittance invoices, vendor invoices, employee timecards signed by employee and countersigned by supervisor in ink, subsidiary ledgers and journals, appointment logs, patient ledger cards, etc.). Any apportionment of costs shall be made in accordance with the requirements of the State Department of Mental Health Cost and Financial Reporting System (CFRS) Instruction Manual, the Federal Centers for Medicare and Medicaid Provider Reimbursement Manual Parts 1 and 2 (Publications #15–1 and #15–2), and Los Angeles County DMH Organizational Provider's Manual for Specialty Mental Health Services under the

Rehabilitation Option and Targeted Case Management Services. All such records shall be maintained by Contractor at a location in Los Angeles County for a minimum period of seven (7) years following the expiration or termination of the Agreement, or until County, State and/or Federal audit findings are fully resolved, whichever is later. During such retention period, all such records shall be immediately available and open during County's normal business hours to authorized representatives and designees of County, State, and/or Federal governments for purposes of inspection, program review, and/or audit. Such access shall include access to individuals with knowledge of financial records and Contractor's outside auditors, and regular and special reports from Contractor. In the event any records are located outside Los Angeles County, Contractor shall pay County for all travel, per diem, and other costs incurred by County for any inspection or audit at such other location.

(4) Preservation of Records: If, following termination of this Agreement, Contractor's facility(ies) is (are) closed or if majority ownership of Contractor changes, then within forty-eight hours thereafter, Director of SDMH and Director or his designee shall be notified thereof by Contractor in writing of all arrangements made by Contractor for preservation of all the patient/client, financial, and other records referred to in this Paragraph 12.

B. Audits:

(1) Contractor shall provide County and its authorized representatives access to and the right to examine, audit, excerpt, copy, or transcribe, any pertinent transaction, activity, time cards, or any other records relating to this Agreement.

(2) County may, in its sole discretion, perform periodic fiscal and/or program review(s) of Contractor's records that relate to this Agreement. If County determines that the results of any such reviews indicate the need for corrective action, Contractor shall within 30 calendar days after receiving the findings of the fiscal and/or program review, either (a) submit a corrective plan of action to DMH, or (b) request a review by the Director. If Contractor requests a review by the Director within the 30 calendar days, and if a corrective plan of action is then required, Contractor shall have 30 calendar days to submit its corrective plan of action.

/

(3) Audit Reports: In the event that any audit of any or all aspects of this Agreement is conducted of Contractor by any Federal or State auditor, or by any auditor or accountant employed by Contractor or otherwise, then Contractor shall file a copy of such audit report(s) with DMH's Contracts Development and Administration Division within 30 calendar days of Contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Agreement. Contractor shall promptly notify County of any request for access to information related to this Agreement by any other governmental agency.

(4) State Department of Mental Health Access to Records: Contractor agrees that for a period of seven (7) years or until final audit is completed, which ever occurs later, following the furnishing of services under this Agreement, Contractor shall maintain and make available to the State Department of Mental Health, the Secretary of the United States Department of Health and Human Services or the Controller General of the United States, and any other authorized Federal and State agencies, or to any of their duly authorized representatives, the contracts, books, documents and records of Contractor which are necessary to verify the nature and extent of the cost of services hereunder. Furthermore, if Contractor carries out any of the services provided hereunder through any subcontract with a value or cost of TEN THOUSAND DOLLARS ($10,000) or more over a 12-month period with a related organization (as that term is defined under Federal law), Contractor agrees that each such subcontract shall provide for such access to the subcontract, books, documents and records of the subcontractor as provided in Paragraph 9 and in this Paragraph 12.

(5) Federal Access to Records: Grant-funded programs require audits and compliance with Federal guidelines pursuant to Circular A-133 issued by the Federal Office of Management and Budgets (OMB), If, and to the extent that, Section 1861(v)(1)(I) of the Social Security Act (42 United States Code Section 1395x(v)(1)(I)) is applicable, Contractor agrees that for a period of seven (7) years following the furnishing of services under this Agreement, Contractor shall maintain and make available to the Secretary of the United States Department of Health and Human Services or the Controller General of the United States, or to any of their duly authorized representatives, the contracts, books, documents and records of Contractor which are necessary to verify the nature and extent

of the cost of services hereunder. Furthermore, if Contractor carries out any of the services provided hereunder through any subcontract with a value or cost of TEN THOUSAND DOLLARS ($10,000) or more over a 12-month period with a related organization (as that term is defined under Federal law), Contractor agrees that each such subcontract shall provide for such access to the subcontract, books, documents and records of the subcontractor as provided in Paragraph 9 and in this Paragraph 12.

13. REPORTS:

A. Contractor shall make reports as required by Director or his designee or by State regarding Contractor's activities and operations as they relate to Contractor's performance of this Agreement. In no event may County require such reports unless it has provided Contractor with at least 30 calendar days' prior written notification. County shall provide Contractor with a written explanation of the procedures for reporting the required information.

B. Income Tax Withholding: Upon Director's or his designee's request, Contractor shall provide County with certain documents relating to Contractor's income tax returns and employee income tax withholding. These documents shall include, but are not limited to:

(1) A copy of Contractor's Federal and State quarterly income tax withholding returns (i.e., Federal Form 941 and/or State Form DE-3 or their equivalents).

(2) A copy of a receipt for, or other proof of payment of, each employee's Federal and State income tax withholding, whether such payments are made on a monthly or quarterly basis.

C. County Information System:

(1) Contractor shall submit all required data to the County's Information System, as required by Director or his designee. Contractor shall report to County, all program, patient/client, staff, and other data and information about Contractor's services, within the specified time periods as required by County Chief Information Office's Training Manuals, IS Bulletins, and Reports Reference Guide and any other County requirements; in no event, no later than 40 calendar days after the close of each fiscal year in which the services were provided.

(2) Notwithstanding any other provision of this Agreement, only units of

service submitted by Contractor into the County's claims processing information system shall be counted as delivered units of service. All units of service generated during the Start-Up Period, if any, shall be submitted by Contractor into the County's claims processing information system.

(3) Notwithstanding any other provision of this Agreement, the only units of service which shall be considered legitimate and reimbursable at Annual Cost Report adjustment and settlement time or otherwise shall be those units of service as submitted by Contractor into the County's claims processing information system.

(4) Contractor shall train its staff in the operation, procedures, policies, and all related use, of the County's information system as required by County. County shall train Contractor's designated trainer in the operation, procedures, policies, and all related use of the County's information system.

14. CONFIDENTIALITY: Contractor shall maintain the confidentiality of all records and information, including, but not limited to, claims, County records, patient/client records and information, and County information system records, in accordance with WIC Sections 5328 through 5330, inclusive, and all other applicable County, State, and Federal laws, ordinances, rules, regulations, manuals, guidelines, and directives, relating to confidentiality. Contractor shall require all its officers, employees, and agents providing services hereunder to acknowledge, in writing, understanding of, and agreement to fully comply with, all such confidentiality provisions. Contractor shall indemnify and hold harmless County, its officers, employees, and agents, from and against any and all loss, damage, liability, and expense arising from any disclosure of such records and information by Contractor, its officers, employees, or agents.

15. PATIENTS'/CLIENTS' RIGHTS: Contractor shall comply with all applicable patients'/clients' rights provisions, including, but not limited to, WIC Section 5325 et seq., CCR Title 9, Section 850 et seq., and CCR Title 22. Further, Contractor shall comply with all patients'/clients' rights policies provided by County. County Patients' Rights Advocates shall be given access by Contractor to all patients/clients, patients'/clients' records, and Contractor's personnel in order to monitor Contractor's compliance with all applicable statutes, regulations, manuals and policies.

/

16. REPORTING OF PATIENT/CLIENT ABUSE AND RELATED PERSONNEL REQUIREMENTS:

A. Elders and Dependent Adults Abuse: Contractor, and all persons employed or subcontracted by Contractor, shall comply with WIC Section 15600 et seq. and shall report all known or suspected instances of physical abuse of elders and dependent adults under the care of Contractor either to an appropriate County adult protective services agency or to a local law enforcement agency, as mandated by WIC Sections 15630, and permitted by 15631 and 15632. Contractor and all persons employed or subcontracted by Contractor, shall make the report on such abuse, and shall submit all required information, in accordance with WIC Sections 15630, 15633 and 15633.5.

B. Minor Children Abuse: Contractor and all persons employed or subcontracted by Contractor, shall comply with California Penal Code (hereafter "PC") Section 11164 et seq. and shall report all known or suspected instances of child abuse to an appropriate child protective agency, as mandated by California Penal Code 11164, 11165.8 and 11166. Contractor and all persons employed or subcontracted by Contractor, shall make the report on such abuse, and shall submit all required information, in accordance with PC Sections 11166 and 11167.

C. Contractor Staff:

(1) Contractor shall assure that any person who enters into employment as a care custodian of elders, dependent adults or minor children, or who enters into employment as a health or other practitioner, prior to commencing employment, and as a prerequisite to that employment, shall sign a statement on a form provided by Contractor in accordance with the above code sections to the effect that such person has knowledge of, and will comply with, these code sections.

(2) Contractor shall assure that clerical and other nontreatment staff who are not legally required to directly report suspected cases of abuse, consult with mandated reporters upon suspecting any abuse.

(3) For the safety and welfare of elders, dependent adults, and minor children, Contractor shall, to the maximum extent permitted by law, ascertain arrest and conviction records for all current and prospective employees and shall not employ or continue to employ any person convicted of any crime involving any harm to elders,

dependent adults, or minor children.

(4) Contractor shall not employ or continue to employ, or shall take other appropriate action to fully protect all persons receiving services under this Agreement concerning, any person whom Contractor knows, or reasonably suspects, has committed any acts which are inimical to the health, morals, welfare, or safety of elders, dependent adults or minor children, or which otherwise make it inappropriate for such person to be employed by Contractor.

17. NONDISCRIMINATION IN SERVICES:

A. Contractor shall not discriminate in the provision of services hereunder because of race, religion, national origin, ancestry, sex, age, marital status, or physical or mental handicap or medical conditions, in accordance with requirements of Federal and State law. For the purpose of this Paragraph 17, discrimination in the provision of services may include, but is not limited to, the following: denying any person any service or benefit or the availability of a facility; providing any service or benefit to any person which is different, or is provided in a different manner or at a different time, from that provided to others; subjecting any person to segregation or separate treatment in any matter related to the receipt of any service; restricting any person in any way in the enjoyment of any advantage or privilege enjoyed by others receiving any service or benefit; and treating any person differently from others in determining admission, enrollment quota, eligibility, membership, or any other requirement or condition which persons must meet in order to be provided any service or benefit. Contractor shall take affirmative action to ensure that intended beneficiaries of this Agreement are provided services without regard to ability to pay or source of payment, race, religion, national origin, ancestry, sex, age, marital status, or physical or mental handicap, or medical conditions.

B. Contractor shall establish and maintain written complaint procedures under which any person applying for or receiving any services under this Agreement may seek resolution from Contractor of a complaint with respect to any alleged discrimination in the rendering of services by Contractor's personnel. Such procedures shall also include a provision whereby any such person, who is dissatisfied with Contractor's resolution of the matter, shall be referred by Contractor to Director for the purpose of presenting his complaint of the alleged discrimination. Such complaint procedures shall also indicate that

if such person is not satisfied with County's resolution or decision with respect to the complaint of alleged discrimination, such person may appeal the matter to the State, if appropriate.

C. If direct services (i.e., 24-hour services, day services, targeted case management, mental health services, medication support, and crisis intervention) are provided hereunder, Contractor shall have admission policies which are in accordance with CCR Title 9, Sections 526 and 527, and which shall be in writing and available to the public. Contractor shall not employ discriminatory practices in the admission of any person, assignment of accommodations, or otherwise. Any time any person applies for services under this Agreement, such person shall be advised by Contractor of the complaint procedures described in the above paragraph. A copy of such complaint procedures shall be posted by Contractor in a conspicuous place, available and open to the public, in each of Contractor's facilities where services are provided under this Agreement.

18. NONDISCRIMINATION IN EMPLOYMENT:

A. Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and will be treated equally by it without regard to, or because of, race, color, religion, national origin, ancestry, sex, age, marital status, condition of physical disability (including HIV and AIDS) or mental disability, medical condition (cancer), denial of family care leave, or political affiliation, and in compliance with all applicable Federal and State anti-discrimination laws and regulations.

B. Contractor shall take affirmative action to ensure that qualified applicants are employed, and that employees are treated during employment without regard to race, color, religion, national origin, ancestry, sex, age, marital status, condition of physical disability (including HIV and AIDS) or mental disability, medical condition (cancer), denial of family care leave, or political affiliation. Such action shall include, but is not limited to, the following: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship. Contractor shall not discriminate against or harass, nor shall it permit harassment of, its employees during employment based upon race, color, religion, national origin, ancestry, sex, age, marital status, condition of physical

disability (including HIV and AIDS) or mental disability, medical condition (cancer), denial of family care leave, or political affiliation in compliance with all applicable Federal and State anti-discrimination laws and regulations. Contractor shall insure that the evaluation and treatment of its employees and applicants for employment are free from such discrimination and harassment, and will comply with the provisions of the Fair Employment and Housing Act (Government Code section 12990 et seq.) and the applicable regulations promulgated thereunder (California Code of Regulations, Title 2, Section 7285.0 et seq.).

C. Contractor shall deal with its subcontractors, bidders, or vendors without regard to or because of race, color, religion, national origin, ancestry, sex, age, marital status, condition of physical disability (including HIV and AIDS) or mental disability, medical condition (cancer), denial of family care leave, or political affiliation. Further, Contractor shall give written notice of its obligations under this Paragraph 18 to labor organizations with which it has a collective bargaining or other agreement.

D. Contractor shall allow County representatives access to its employment records during regular business hours to verify compliance with the provisions of this Paragraph 18 when so requested by Director.

E. If County finds that any of the above provisions has been violated, the same shall constitute a material breach of this Agreement upon which County may immediately terminate or suspend this Agreement. While County reserves the right to determine independently that the anti-discrimination provisions of this Agreement have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that Contractor has violated State or Federal anti-discrimination laws or regulations shall constitute a finding by County that Contractor has violated the anti-discrimination provisions of this Agreement.

F. In the event that Contractor violates any of the anti-discrimination provisions of this Paragraph 18, County shall be entitled, at its option, to the sum of FIVE HUNDRED DOLLARS ($500) pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Agreement.

19. FAIR LABOR STANDARDS: Contractor shall comply with all applicable provisions of the Federal Fair Labor Standards Act, and shall indemnify, defend, and hold harmless County, its officers, employees, and agents, from any and all liability, including, but not

limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for services performed by Contractor's employees for which County may be found jointly or solely liable.

20. INDEMNIFICATION AND INSURANCE:

A. Indemnification: Contractor shall indemnify, defend and hold harmless County, and its Special Districts, elected and appointed officers, employees, and agents from and against any and all liability, including but not limited to demands, claims, actions, fees, costs, and expenses (including attorney and expert witness fees), arising from or connected with Contractor's acts and/or omissions arising from and/or relating to this Agreement.

B. General Insurance Requirements: Without limiting Contractor's indemnification of County and during the term of this Agreement, Contractor shall provide and maintain, and shall require all of its subcontractors to maintain, the following programs of insurance specified in this Agreement. Such insurance shall be primary to and not contributing with any other insurance or self-insurance programs maintained by County, and such coverage shall be provided and maintained at Contractor's own expense.

1) Evidence of Insurance: Certificate(s) or other evidence of coverage satisfactory to County shall be delivered to *Department of Mental Health, 550 South Vermont Avenue, Contracts Development and Administration Division, 5th Floor, Los Angeles, CA, 90020,* prior to commencing services under this Agreement. Such certificates or other evidence shall:

(a) Specifically identify this Agreement.

(b) Clearly evidence all coverages required in this Agreement.

(c) Contain the express condition that County is to be given written notice by mail at least 30 days in advance of cancellation for all policies evidenced on the certificate of insurance.

(d) Include copies of the additional insured endorsement to the commercial general liability policy, adding the County of Los Angeles, its Special Districts, its officials, officers and employees as insureds for all activities arising from this Agreement.

(e) Identify any deductibles or self-insured retentions for County's approval. The County retains the right to require Contractor to reduce or eliminate such deductibles or self-insured retentions as they apply to County, or, require Contractor to provide a bond guaranteeing payment of all such retained losses and related costs, including, but not limited to, expenses or fees, or both, related to investigations, claims administrations, and legal defense. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

2) Insurer Financial Ratings: Insurance is to be provided by an insurance company acceptable to the County with an A.M. Best rating of not less than A:VII, unless otherwise approved by County.

3) Failure to Maintain Coverage: Failure by Contractor to maintain the required insurance, or to provide evidence of insurance coverage acceptable to County, shall constitute a material breach of the contract upon which County may immediately terminate or suspend this Agreement. County, at its sole option, may obtain damages from Contractor resulting from said breach. Alternatively, County may purchase such required insurance coverage, and without further notice to Contractor, County may deduct from sums due to Contractor any premium costs advanced by County for such insurance.

4) Notification of Incidents, Claims or Suits: Contractor shall report to County:

(a) Any accident or incident relating to services performed under this Agreement which involves injury or property damage which may result in the filing of a claim or lawsuit against Contractor and/or County. Such report shall be made in writing within 24 hours of occurrence.

(b) Any third party claim or lawsuit filed against Contractor arising from or related to services performed by Contractor under this Agreement.

(c) Any injury to a Contractor employee which occurs on County property. This report shall be submitted on a County "Non-employee Injury Report" to the County contract manager.

(d) Any loss, disappearance, destruction, misuse, or theft of any kind whatsoever of County property, monies or securities entrusted to Contractor under the terms of this Agreement.

5) Compensation for County Costs: In the event that Contractor fails to comply with any of the indemnification or insurance requirements of this Agreement, and such failure to comply results in any costs to County, Contractor shall pay full compensation for all costs incurred by County.

6) Insurance Coverage Requirements for Subcontractors: Contractor shall ensure any and all sub-contractors performing services under this Agreement meet the insurance requirements of this Agreement by either:

(a) Contractor providing evidence of insurance covering the activities of sub-contractors, or

(b) Contractor providing evidence submitted by sub-contractors evidencing that sub-contractors maintain the required insurance coverage. County retains the right to obtain copies of evidence of sub-contractor insurance coverage at any time.

C. Insurance Coverage Requirements:

1) General Liability: Insurance (written on ISO policy form CG 00 01 or its equivalent) with limits of not less than the following:

General Aggregate:	Two Million Dollars	($2,000,000)
Products/Completed Operations Aggregate:	One Million Dollars	($1,000,000)
Personal and Advertising Injury:	One Million Dollars	($1,000,000)
Each Occurrence:	One Million Dollars	($1,000,000)

2) Automobile Liability: Insurance (written on ISO policy form CA 00 01 or its equivalent) with a limit of liability of not less than One Million Dollars ($1,000,000) for each accident. Such insurance shall include coverage for all "owned", "hired" and "non-owned" vehicles, or coverage for "any auto".

3) Workers Compensation and Employers' Liability: Insurance providing workers compensation benefits, as required by the Labor Code of the State of California or by any other state, and for which Contractor is responsible. If Contractor's employees will be engaged in maritime employment, coverage shall provide workers compensation benefits as required by the U.S. Longshore and Harbor Workers' Compensation Act, Jones Act or any other Federal law for which Contractor is responsible. In all cases, the

above insurance also shall include Employers' Liability coverage with limits of not less than the following:

Each Accident:	One Million Dollars	($1,000,000)
Disease – policy limit:	One Million Dollars	($1,000,000)
Disease – each employee:	One Million Dollars	($1,000,000)

4) Professional Liability: Insurance covering liability arising from any error, omission, negligent or wrongful act of the Contractor, its officers or employees with limits of not less than One Million Dollars ($1,000,000) per occurrence and Three Million Dollars ($3,000,000) aggregate. The coverage also shall provide an extended two-year reporting period commencing upon termination or cancellation of this Agreement.

5) Property Coverage: Such insurance shall be endorsed naming the County of Los Angeles as loss payee, provide deductibles of no greater than 5% of the property value, and shall include:

Real Property and All Other Personal Property: – Special form (all-risk) coverage for the full replacement value of County-owned or leased property.

21. WARRANTY AGAINST CONTINGENT FEES: Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Agreement upon any agreement or understanding for any commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by Contractor for the purpose of securing business. For Contractor's breach or violation of this warranty, County may, in its sole discretion, deduct from the Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

22. CONFLICT OF INTEREST:

A. No County employee whose position in County enables such employee to influence the award or administration of this Agreement or any competing agreement, and no spouse or economic dependent of such employee, shall be employed in any capacity by Contractor or have any direct or indirect financial interest in this Agreement. No officer or employee of Contractor who may financially benefit from the provision of services hereunder shall in any way participate in County's approval, or ongoing evaluation, of such services, or in any way attempt to unlawfully influence County's approval or ongoing

evaluation of such services.

B. Contractor shall comply with all conflict of interest laws, ordinances and regulations now in effect or hereafter to be enacted during the term of this Agreement. Contractor warrants that it is not now aware of any facts which create a conflict of interest. If Contractor hereafter becomes aware of any facts which might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to County. Full written disclosure shall include, without limitation, identification of all persons implicated and complete description of all relevant circumstances.

23. UNLAWFUL SOLICITATION: Contractor shall require all of its employees to acknowledge, in writing, understanding of and agreement to comply with the provisions of Article 9 of Chapter 4 of Division 3 (commencing with Section 6150) of California Business and Professions Code (i.e., State Bar Act provisions regarding unlawful solicitation as a runner or capper for attorneys) and shall take positive and affirmative steps in its performance hereunder to insure that there is no violation of such provisions by its employees. Contractor shall utilize the attorney referral service of all those bar associations within the County of Los Angeles that have such a service.

24. INDEPENDENT STATUS OF CONTRACTOR:

A. This Agreement is by and between County and Contractor and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between County and Contractor. The employees and agents of one party shall not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.

B. Contractor shall be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Agreement all compensation and benefits. County shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of Contractor.

C. Contractor understands and agrees that all persons performing services pursuant to this Agreement are, for purposes of workers' compensation liability, the sole employees of Contractor and not employees of County. Contractor shall be solely liable and responsible for furnishing any and all workers' compensation benefits to any person

as a result of any injuries arising from or connected with any services performed by or on behalf of Contractor pursuant to this Agreement.

D. Contractor shall obtain and maintain on file an executed Contractor Employee Acknowledgment of Employer, in the form as contained in Contractor's Negotiation Package for this Agreement, for each of its employees performing services under this Agreement. Such Acknowledgments shall be executed by each such employee on or immediately after the commencement date of this Agreement but in no event later than the date such employee first performs services under this Agreement.

25. CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF OR FORMER COUNTY EMPLOYEES ON A REEMPLOYMENT LIST: Should Contractor require additional or replacement personnel after the effective date of this Agreement to perform the services set forth herein, Contractor shall give first consideration for such employment openings to qualified permanent County employees who are targeted for layoff or qualified former County employees who are on a reemployment list during the term of this Agreement.

26. CONSIDERATION FOR HIRING GREATER AVENUES FOR INDEPENDENCE (GAIN) OR GENERAL RELIEF OPPORTUNITIES FOR WORK (GROW) PARTICIPANTS FOR EMPLOYMENT: Should Contractor require additional or replacement personnel after the effective date of this Agreement, Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services' Greater Avenues for Independence (GAIN) Program or General Relief Opportunities for Work (GROW) Program who meet Contractor's minimum qualifications for the open position. The County will refer GAIN/GROW participants, by job category, to the Contractor.

In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given priority.

27. DELEGATION AND ASSIGNMENT BY CONTRACTOR:

A. Contractor shall not assign its rights or delegate its duties under this Agreement, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this paragraph, County consent shall

require a written amendment to this Agreement, which is formally approved and executed by the parties. Any payments by County to any approved delegate or assignee on any claim under this Agreement shall be deductible, at County's sole discretion, against the claims which Contractor may have against County.

B. Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or entity other than the majority controlling interest therein at the time of execution of this Agreement, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Agreement.

C. Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of this Agreement which may result in the termination of this Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

28. SUBCONTRACTING:

A. No performance of this Agreement, or any portion thereof, shall be subcontracted by Contractor without the prior written consent of County as provided in this Paragraph 28. Any attempt by Contractor to subcontract any performance, obligation, or responsibility under this Agreement, without the prior written consent of County, shall be null and void and shall constitute a material breach of this Agreement. Notwithstanding any other provision of this Agreement, in the event of any such breach by Contractor, this Agreement may be terminated forthwith by County. Notwithstanding any other provision of this Agreement, the parties do not in any way intend that any person or entity shall acquire any rights as a third party beneficiary of this Agreement.

B. If Contractor desires to subcontract any portion of its performance,

obligations, or responsibilities under this Agreement, Contractor shall make a written request to County for written approval to enter into the particular subcontract. Contractor's request to County shall include:

(1) The reasons for the particular subcontract.

(2) A detailed description of the services to be provided by the subcontract.

(3) Identification of the proposed subcontractor and an explanation of why and how the proposed subcontractor was selected, including the degree of competition involved.

(4) A description of the proposed subcontract amount and manner of compensation, together with Contractor's cost or price analysis thereof.

(5) A copy of the proposed subcontract which shall contain the following provision:

> "This contract is a subcontract under the terms of the prime contract with the County of Los Angeles and shall be subject to all of the provisions of such prime contract."

(6) A copy of the proposed subcontract, if in excess of $10,000 and utilizes public funds, shall also contain the following provision:

> "The contracting parties shall be subject to the examination and audit of the State Auditor, pursuant to the California Government Code, Section 8546.7.for a period of seven (7) years from the end of the Fiscal Year in which such services were provided or until final resolution of any audits, whichever occurs later."

Further, the Contractor will also be subject to the examination and audit of the State Auditor , pursuant to the Government Code, Section 8546.7, for a period of seven (7) years from the end of the Fiscal Year in which such services were provided or until final resolution of any audits, which ever occurs later.

(7) Any other information and/or certifications requested by County.

C. County shall review Contractor's request to subcontract and shall determine, in its sole discretion, whether or not to consent to such request on a case-by-case basis.

D. Contractor shall indemnify and hold harmless County, its officers,

employees, and agents, from and against any and all liability, damages, costs, and expenses, including, but not limited to, defense costs and legal fees, arising from or related to Contractor's use of any subcontractor, including any officers, employees, or agents of any subcontractor, in the same manner as required for Contractor, its officers, employees, and agents, under this Agreement.

E. Notwithstanding any County consent to any subcontracting, Contractor shall remain fully liable and responsible for any and all performance required of it under this Agreement, and no subcontract shall bind or purport to bind County. Further, County approval of any subcontract shall not be construed to limit in any way Contractor's performance, obligations, or responsibilities, to County, nor shall such approval limit in any way any of County's rights or remedies contained in this Agreement. Additionally, County approval of any subcontract shall not be construed in any way to constitute the determination of the allowability or appropriateness of any cost or payment under this Agreement.

F. In the event that County consents to any subcontracting, such consent shall be subject to County's right to give prior and continuing approval of any and all subcontractor personnel providing services under such subcontract. Contractor shall assure that any subcontractor personnel not approved by County shall be immediately removed from the provision of any services under the particular subcontract or that other action is taken as requested by County. County shall not be liable or responsible in any way to Contractor, to any subcontractor, or to any officers, employees, or agents of Contractor or any subcontractor, for any liability, damages, costs or expenses arising from or related to County's exercise of such right.

G. In the event that County consents to any subcontracting, such consent shall be subject to County's right to terminate, in whole or in part, any subcontract at any time upon written notice to Contractor when such action is deemed by County to be in its best interest. County shall not be liable or responsible in any way to Contractor, to any subcontractor, or to any officers, employees, or agents of Contractor or any subcontractor, for any liability, damages, costs, or expenses arising from or related to County's exercise of such right.

H. In the event that County consents to any subcontracting, each and all of the

provisions of this Agreement and any amendment thereto shall extend to, be binding upon, and inure to the benefit of, the successors or administrators of the respective parties.

I. In the event that County consents to any subcontracting, such consent shall apply to each particular subcontract only and shall not be, or be construed to be, a waiver of this Paragraph 28 or a blanket consent to any further subcontracting.

J. In the event that County consents to any subcontracting, Contractor shall be solely liable and responsible for any and all payments and/or other compensation to all subcontractors and their officers, employees, and agents. County shall have no liability or responsibility whatsoever for any payment and/or other compensation for any subcontractors or their officers, employees, and agents.

K. Contractor shall deliver to the Chief of DMH's Contracts Development and Administration Division a fully executed copy of each subcontract entered into by Contractor pursuant to this Paragraph 28, on or immediately after the effective date of the subcontract but in no event later than the date any services are performed under the subcontract.

L. In the event that County consents to any subcontracting, Contractor shall obtain and maintain on file an executed Subcontractor Employee Acknowledgment of Employer, in the form as contained in Contractor's Negotiation Package for the Agreement, for each of the subcontractor's employees performing services under the subcontract. Such Acknowledgments shall be obtained and maintained on file and made available upon request on or immediately after the commencement date of the particular subcontract but in no event later than the date such employee first performs any services under the subcontract.

M. County shall have no liability or responsibility whatsoever for any payment or other compensation for any subcontractor or its officers, employees, and agents.

N. Director or his designee is hereby authorized to act for and on behalf of County pursuant to this Paragraph 28, including, but not limited to, consenting to any subcontracting.

29. GOVERNING LAW, JURISDICTION AND VENUE: This Agreement shall be governed by, and construed in accordance with, the laws of the State of California.

Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Agreement and further agrees and consents that venue of any action brought hereunder shall be exclusively in the County of Los Angeles, California. Further, this Agreement shall be governed by, and construed in accordance with, all laws, regulations, and contractual obligations of County under its agreement with the State.

30. COMPLIANCE WITH APPLICABLE LAW:

A. Contractor shall comply with all Federal, including, but not limited to, Title XIX of the Social Security Act, State, and local laws, ordinances, rules, regulations, manuals, guidelines, Americans with Disabilities Act (ADA) standards, and directives applicable to its performance hereunder. Further, all provisions required thereby to be included in this Agreement are hereby incorporated herein by reference.

B. Contractor shall indemnify and hold harmless County from and against any and all liability, damages, costs or expenses, including, but not limited to, defense costs and attorneys' fees, arising from or related to any violation on the part of Contractor, its officers, employees, or agents, of any such Federal, State or local laws, ordinances, rules, regulations, manuals, guidelines, ADA standards, or directives.

C. Contractor shall maintain in effect an active compliance program in accordance with the recommendations set forth by the Department of Health and Human Services, Office of the Inspector General.

D. Duty to Notify: Contractor agrees to notify County of any and all legal complaints, citations, enforcement proceedings, administrative proceedings, judgments or litigation, known to Contractor, whether civil or criminal initiated against Contractor, its officers, employees, or agents which are likely to have a material effect on the organization's stewardship, financial position and/or ability to perform and deliver services under this contract.

31. THIRD PARTY BENEFICIARIES: Notwithstanding any other provision of this Agreement, the parties do not in any way intend that any person or entity shall acquire any rights as a third party beneficiary of this Agreement.

/

32. LICENSES, PERMITS, REGISTRATIONS, ACCREDITATIONS, AND CERTIFICATES:

A. Contractor shall obtain and maintain in effect during the term of this Agreement, all licenses, permits, registrations, accreditations, and certificates (including, but not limited to, certification as a Short-Doyle/Medi-Cal provider if Title XIX Short-Doyle/Medi-Cal services are provided hereunder), as required by all Federal, State, and local laws, ordinances, rules, regulations, manuals, guidelines, and directives, which are applicable to Contractor's facility(ies) and services under this Agreement. Contractor shall further ensure that all of its officers, employees, and agents, who perform services hereunder, shall obtain and maintain in effect during the term of this Agreement all licenses, permits, registrations, accreditations, and certificates which are applicable to their performance hereunder. A copy of each such license, permit, registration, accreditation, and certificate (including, but not limited to, certification as a Short-Doyle/Medi-Cal provider if Title XIX Short-Doyle/Medi-Cal services are provided hereunder) as required by all applicable Federal, State, and local laws, ordinances, rules, regulations, manuals, guidelines and directives shall be provided, in duplicate, to DMH's Contracts Development and Administration Division.

B. If Contractor is a participant in the Short-Doyle/Medi-Cal program, Contractor shall keep fully informed of all current Short-Doyle/Medi-Cal Policy Letters, including, but not limited to, procedures for maintaining Medi-Cal certification of all its facilities.

33. CHILD SUPPORT COMPLIANCE PROGRAM:

A. Contractor's Warranty of Adherence to County's Child Support Compliance Program: Contractor acknowledges that County has established a goal of ensuring that all individuals who benefit financially from County through contract are in compliance with their court-ordered child, family, and spousal support obligations in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

As required by County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting Contractor's duty under this Agreement to comply with all applicable provisions of law, Contractor warrants that it is now in compliance and shall during the term of this Agreement maintain in compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 United States

Code (USC) Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholdings Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family, or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

B. Termination for Breach of Warranty to Maintain Compliance with County's Child Support Compliance Program: Failure of Contractor to maintain compliance with the requirements set forth in Subparagraph A (Contractor's Warranty of Adherence to County's Child Support Compliance Program) shall constitute default under this Agreement. Without limiting the rights and remedies available to County under any other provision of this Agreement, failure of Contractor to cure such default within 90 calendar days of written notice shall be grounds upon which County may terminate this Agreement pursuant to Paragraph 35 (TERMINATION FOR DEFAULT) and pursue debarment of Contractor, pursuant to County Code Chapter 2.202.

34. TERMINATION FOR INSOLVENCY:

A. County may terminate this Agreement immediately in the event of the occurrence of any of the following:

(1) Insolvency of Contractor. Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least 60 days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not Contractor is insolvent within the meaning of the Federal Bankruptcy Code.

(2) The filing of a voluntary or involuntary petition regarding Contractor under the Federal Bankruptcy Code.

(3) The appointment of a Receiver or Trustee for Contractor.

(4) The execution by Contractor of a general assignment for the benefit of creditors.

B. The rights and remedies of County provided in this Paragraph 34 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

/

35. TERMINATION FOR DEFAULT:

A. County may, by written notice of default to Contractor, terminate this Agreement immediately in any one of the following circumstances:

(1) If, as determined in the sole judgment of County, Contractor fails to perform any services within the times specified in this Agreement or any extension thereof as County may authorize in writing; or

(2) If, as determined in the sole judgment of County, Contractor fails to perform and/or comply with any of the other provisions of this Agreement or so fails to make progress as to endanger performance of this Agreement in accordance with its terms, and in either of these two circumstances, does not cure such failure within a period of five days (or such longer period as County may authorize in writing) after receipt of notice from County specifying such failure.

B. In the event that County terminates this Agreement as provided in Subparagraph A, County may procure, upon such terms and in such manner as County may deem appropriate, services similar to those so terminated, and Contractor shall be liable to County for any reasonable excess costs incurred by County, as determined by County, for such similar services.

C. The rights and remedies of County provided in this Paragraph 35 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

36. TERMINATION FOR IMPROPER CONSIDERATION: County may, by written notice to Contractor, immediately terminate the right of Contractor to proceed under this Agreement if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer, employee or agent with the intent of securing the Agreement or securing favorable treatment with respect to the award, amendment or extension of the Agreement or the making of any determinations with respect to the Contractor's performance pursuant to the Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by the Contractor.

Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County

manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

37. SEVERABILITY: If any provision of this Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Agreement and the application of such provision to other persons or circumstances shall not be affected thereby.

38. CAPTIONS AND PARAGRAPH HEADINGS: Captions and paragraph headings used in this Agreement are for convenience only and are not a part of this Agreement and shall not be used in construing this Agreement.

39. ALTERATION OF TERMS: No addition to, or alteration of, the terms of the body of this Agreement, or the Financial Summary or Service Exhibit(s) hereto, whether by written or oral understanding of the parties, their officers, employees or agents, shall be valid and effective unless made in the form of a written amendment to this Agreement which is formally approved and executed by the parties in the same manner as this Agreement.

40. ENTIRE AGREEMENT: The body of this Agreement, all attachments, Financial Exhibit A (Financial Provisions), Financial Summary(ies), Fiscal Years 2007-08, Service Delivery Site Exhibit, and Service Exhibit(s) 1, 2, and 3, attached hereto and incorporated herein by reference, and Contractor's Negotiation Package for this Agreement, as approved in writing by Director, including any addenda thereto as approved in writing by Director, which are hereby incorporated herein by reference but not attached, shall constitute the complete and exclusive statement of understanding between the parties which supersedes all previous agreements, written or oral, and all other communications between the parties relating to the subject matter of this Agreement. In the event of any conflict or inconsistency in the definition or interpretation of any word, responsibility, or schedule, or the contents or description of any service or other work, or otherwise, between the body of this Agreement and the other referenced documents, or between such other documents, such conflict or inconsistency shall be resolved by giving precedence first to the body of this Agreement and its definitions and then to such other documents according to the following priority:

A. Financial Exhibit A (Financial Provisions)

B. Financial Summary(ies)

C. Service Delivery Site Exhibit

D. Service Exhibit(s)

E. Contractor's Negotiation Package.

41. WAIVER: No waiver by County of any breach of any provision of this Agreement shall constitute a waiver of any other breach of such provision. Failure of County to enforce at any time, or from time to time, any provision of this Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in this Paragraph 41 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

42. EMPLOYMENT ELIGIBILITY VERIFICATION: Contractor warrants that it fully complies with all Federal statutes and regulations regarding employment of aliens and others and that all its employees performing services hereunder meet the citizenship or alien status requirements set forth in Federal statutes and regulations. Contractor shall obtain, from all covered employees performing services hereunder, all verification and other documentation of employment eligibility status required by Federal statutes and regulations as they currently exist and as they may be hereafter amended. Contractor shall retain all such documentation for the period prescribed by law. Contractor shall indemnify, defend, and hold harmless County, its officers and employees from and against any employer sanctions and any other liability which may be assessed against Contractor or County in connection with any alleged violation of any Federal statutes or regulations pertaining to the eligibility for employment of persons performing services under this Agreement.

43. PUBLIC ANNOUNCEMENTS AND LITERATURE: In public announcements and literature distributed by Contractor for the purpose of apprising patients/clients and the general public of the nature of its treatment services, Contractor shall clearly indicate that the services which it provides under this Agreement are funded by the County of Los Angeles.

44. PURCHASES:

A. Purchase Practices: Contractor shall fully comply with all Federal, State and

County laws, ordinances, rules, regulations, manuals, guidelines, and directives, in acquiring all furniture, fixtures, equipment, materials, and supplies. Such items shall be acquired at the lowest possible price or cost if funding is provided for such purposes hereunder.

B. Proprietary Interest of County: In accordance with all applicable Federal, State and County laws, ordinances, rules, regulations, manuals, guidelines and directives, County shall retain all proprietary interest, except the use during the term of this Agreement, in all furniture, fixtures, equipment, materials, and supplies, purchased or obtained by Contractor using any County funds. Upon the expiration or termination of this Agreement, the discontinuance of the business of Contractor, the failure of Contractor to comply with any of the provisions of this Agreement, the bankruptcy of Contractor or its giving an assignment for the benefit of creditors, or the failure of Contractor to satisfy any judgment against it within 30 calendar days of filing, County shall have the right to take immediate possession of all such furniture, removable fixtures, equipment, materials, and supplies, without any claim for reimbursement whatsoever on the part of Contractor. County, in conjunction with Contractor, shall attach identifying labels on all such property indicating the proprietary interest of County.

C. Inventory Records, Controls and Reports: Contractor shall maintain accurate and complete inventory records and controls for all furniture, fixtures, equipment, materials, and supplies, purchased or obtained using any County funds. Within 90 calendar days following the execution of this Agreement, Contractor shall provide Director with an accurate and complete inventory report of all furniture, fixtures, equipment, materials, and supplies, purchased or obtained using any County funds. The inventory report shall be prepared by Contractor on a form or forms designated by Director, certified and signed by an authorized officer of Contractor, and one copy thereof shall be delivered to County within 30 calendar days of any change in the inventory. Within five business days after the expiration or termination of the Agreement, Contractor shall submit to County six copies of the same inventory report updated to the expiration or termination date of the Agreement, certified and signed by an authorized officer of Contractor, based on a physical count of all items of furniture, fixtures, equipment, materials, and supplies, as of such expiration or termination date.

D. Protection of Property in Contractor's Custody: Contractor shall maintain vigilance and take all reasonable precautions, to protect all furniture, fixtures, equipment, materials, and supplies, purchased or obtained using any County funds, against any damage or loss by fire, burglary, theft, disappearance, vandalism or misuse. In the event of any burglary, theft, disappearance, or vandalism of any item of furniture, fixtures, equipment, materials, and supplies, Contractor shall immediately notify the police and make a written report thereof, including a report of the results of any investigation which may be made. In the event of any damage or loss of any item of furniture, fixtures, equipment, materials, and supplies, from any cause, Contractor shall immediately send Director a detailed, written report. Contractor shall contact DMH's Administrative Services Division for instructions for disposition of any such property which is worn out or unusable.

E. Disposition of Property in Contractor's Custody: Upon the termination of the funding of any program covered by this Agreement, or upon the expiration or termination of this Agreement, or at any other time that County may request, Contractor shall: (1) provide access to and render all necessary assistance for physical removal by County or its authorized representatives of any or all furniture, fixtures, equipment, materials, and supplies, purchased or obtained using any County funds, in the same condition as such property was received by Contractor, reasonable wear and tear excepted, or (2) at Director's option, deliver any or all items of such property to a location designated by Director. Any disposition, settlement or adjustment connected with such property shall be in accordance with all applicable Federal, State and County laws, ordinances, rules, regulations, manuals, guidelines and directives.

45. AUTHORIZATION WARRANTY: Contractor represents and warrants that the person executing this Agreement for Contractor is an authorized agent who has actual authority to bind Contractor to each and every term, condition, and obligation of this Agreement and that all requirements of Contractor have been fulfilled to provide such actual authority.

46. RESTRICTIONS ON LOBBYING: If any Federal funds are to be used to pay for any of Contractor's services under this Agreement, Contractor shall fully comply with all certification and disclosure requirements prescribed by Section 319 of Public Law 101-121 (31 United States Code Section 1352) and any implementing regulations, and shall ensure

that each of its subcontractors receiving funds under this Agreement also fully complies with all such certification and disclosure requirements.

47. CERTIFICATION OF DRUG-FREE WORK PLACE: Contractor certifies and agrees that Contractor and its employees shall comply with DMH's policy of maintaining a drug-free work place. Contractor and its employees shall not manufacture, distribute, dispense, possess, or use any controlled substances as defined in 21 United States Code Section 812, including, but not limited to, marijuana, heroin, cocaine, and amphetamines, at any of Contractor's facilities or work sites or County's facilities or work sites. If Contractor or any of its employees is convicted of or pleads nolo contendere to any criminal drug statute violation occurring at any such facility or work site, then Contractor, within five (5) days thereafter, shall notify Director in writing.

48. COUNTY LOBBYISTS: Contractor and each County lobbyist or County lobbying firm as defined in Los Angeles County Code Section 2.160.010, retained by Contractor, shall fully comply with County's Lobbyist Ordinance, Los Angeles County Code Chapter 2.160. Failure on the part of Contractor or any County lobbyist or County lobbying firm retained by Contractor to fully comply with County's Lobbyist Ordinance shall constitute a material breach of this Agreement upon which County may immediately terminate or suspend this Agreement.

49. MAINTENANCE STANDARDS FOR SERVICE DELIVERY SITES: Contractor shall assure that all locations where services are provided under this Agreement are operated at all times in accordance with all County community standards with regard to property maintenance and repair, graffiti abatement, refuse removal, fire safety, landscaping, and in full compliance with all applicable local laws, ordinances, and regulations relating to the property. County's periodic monitoring visits to Contractor's facility(ies) shall include a review of compliance with this Paragraph 49.

50. NOTICE TO EMPLOYEES REGARDING THE FEDERAL EARNED INCOME CREDIT: Contractor shall notify its employees, and shall require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the Federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice 1015.

/

51. USE OF RECYCLED-CONTENT PAPER PRODUCTS: Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on the Project.

52. CONTRACTOR RESPONSIBILITY AND DEBARMENT: The following requirements set forth in the County's Non-Responsibility and Debarment Ordinance (Title 2, Chapter 2.202 of the County Code) are effective for this Agreement, except to the extent applicable State and/or Federal laws are inconsistent with the terms of the Ordinance.

A. A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible contractors.

B. The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other Agreements which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Agreement, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County Agreements for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing Agreements the Contractor may have with the County.

C. The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of an Agreement with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

D. If there is evidence that the Contractor may be subject to debarment, the

Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

F. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Hearing Board.

G If a Contractor has been debarred for a period longer than five (5) years, that Contractor may, after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.

H. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will

provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

l. These terms shall also apply to subcontractors of County Contractors.

53. CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM: Contractor hereby warrants that neither it nor any of its staff members is restricted or excluded from providing services under any health care program funded by the Federal government, directly or indirectly, in whole or in part, and that Contractor will notify Director within 30 calendar days in writing of: (1) any event that would require Contractor or a staff member's mandatory exclusion from participation in a Federally funded health care program; and (2) any exclusionary action taken by any agency of the Federal government against Contractor or one or more staff members barring it or the staff members from participation in a Federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

There are a variety of different reasons why an individual or entity may be excluded from participating in a Federally funded health care program. Sometimes, the exclusion is mandatory and in other cases the Office of Inspector General (OIG) has the discretion not to exclude.

The mandatory bases for exclusion include: (1) felony convictions for program related crimes, including fraud or false claims, or for offenses related to the dispensing or use of controlled substances, or (2) convictions related to patient abuse.

Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or financial misconduct involving a government program; (2) obstructing an

investigation; (3) failing to provide access to documents or premises as required by federal health care program officials; (4) conviction of a misdemeanor related to controlled substances; (5) failing to disclose information about the entity itself, its subcontractors or its significant business transactions; (6) loss of a state license to practice a health care profession; (7) default on a student loan given in connection with education in a health profession; (8) charging excessive amounts to a Federally funded health care program or furnishing services of poor quality or which are substantially in excess of the needs of the patients; (9) paying a kickback or submitting a false or fraudulent claim. Persons controlling or managing excluded entities who knew of the conduct leading to the exclusion can themselves be excluded, and entities which are owned and controlled by excluded individuals can also be excluded.

Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any Federal exclusion of Contractor or its staff members from such participation in a Federally funded health care program. Contractor shall provide the certification set forth in Attachment VI as part of its obligation under this Paragraph 53.

Failure by Contractor to meet the requirements of this Paragraph 53 shall constitute a material breach of Agreement upon which County may immediately terminate or suspend this Agreement.

54. HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT:

A. The parties acknowledge the existence of the Health Insurance Portability and Accountability Act of 1996 and its implementing regulations ("HIPAA"). Contractor understands and agrees that it is a *"Covered Entity"* under HIPAA and, as such, has obligations with respect to the confidentiality, privacy, and security of patients' medical information, and must take certain steps to preserve the confidentiality of this information, both internally and externally, including the training of staff and the establishment of proper procedures for the release of such information, including the use of appropriate consents and authorizations specified under HIPAA.

B. The parties acknowledge their separate and independent obligations with respect to HIPAA, and that such obligations relate to *transactions and code sets*, *privacy*, and *security*. Contractor understands and agrees that it is separately and independently

responsible for compliance with HIPAA in all these areas and that County has not undertaken any responsibility for compliance on Contractor's behalf. Contractor has not relied, and will not in any way rely, on County for legal advice or other representations with respect to Contractor's obligations under HIPAA, but will independently seek its own counsel and take the necessary measures to comply with the law and its implementing regulations.

C. Contractor and County understand and agree that each is independently responsible for HIPAA compliance and agree to take all necessary and reasonable actions to comply with the requirements of HIPAA law and implementing regulations related to Transactions and Code Sets, Privacy, and Security. Each party further agrees to indemnify and hold harmless the other party (including their officers, employees and agents) for its failure to comply with HIPAA.

D. Contractor and County understand and agree that HIPAA has imposed additional requirements in regards to changes in DMH's County's information system.

(1) County desires to clarify County's information system terminology under this Agreement as it relates to HIPAA, and, accordingly, has set forth in Attachment VIII (Crosswalk Fact Sheet) a "crosswalk" of technical terms, definitions and language to be used with this Agreement.

(2) County desires to clarify other HIPAA-related changes set forth in the DMH Provider Manual and which are incorporated herein by reference as though fully set forth.

(a) County has added to the DMH Provider Manual a Guide to Procedure Codes, which includes a "crosswalk" of DMH activity codes to Current Procedural Terminology (CPT) and Health Care Procedure Coding System (HCPCS) codes.

(b) County has added to the DMH Provider Manual an Electronic Data Interchange Fact Sheet which includes information about the applicable HIPAA transactions that can be processed in the County's claims processing information system. Effective January 2009 Electronic Data Interchange (EDI) will be the only acceptable method by which Contractor or its Subcontractor(s) may submit HIPAA-compliant transactions.

(c) County has added to the DMH Provider Manual a Trading Partner Agent Authorization Agreement which includes the Contractor's authorization to its Subcontractor(s) to submit HIPAA-compliant transactions on behalf of Contractor.

E. Contractor understands that County operates an informational website **http://dmh.lacounty.info/hipaa/index.html** related to the services under this Agreement and the parties' HIPAA obligations, and agrees to undertake reasonable efforts to utilize said website to obtain updates, other information, and forms to assist Contractor in its performance.

F. Contractor understands and agrees that if it uses the services of an Agent in any capacity in order to receive, transmit, store or otherwise process Data or Data Transmissions or perform related activities, the Contractor shall be fully liable to DMH or for any acts, failures or omissions of the Agent in providing said services as though they were the Contractor's own acts, failures, or omissions.

G. Contractor further understands and agrees that the terms and conditions of the current Trading Partner Agreement (TPA) set forth in the DMH Provider Manual shall apply to this Agreement and that said Terms and Conditions are incorporated by reference as though fully set forth herein.

55. COMPLIANCE WITH JURY SERVICE PROGRAM:

A. Jury Service Program: This Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

B. Written Employee Jury Service Policy:

(1) Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

(2) For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has an Agreement with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of $50,000 or more in any 12-month period under one or more County Agreements or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the Agreement, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract Agreement and a copy of the Jury Service Program shall be attached to the Agreement.

(3) If Contractor is not required to comply with the Jury Service Program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Agreement and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

(4) Contractor's violation of this section of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar Contractor from the award of future County Agreements for a period of time consistent with the seriousness of the breach.

56. NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW: The Contractor shall notify and provide to its employees, and shall require each

subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby.

The fact sheet is set forth in Attachment VII of this Agreement and is also available on the Internet at **www.babysafela.org** for printing purposes.

57. CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW: The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. The County's Department of Children and Family Services will supply the Contractor with the poster to be used.

58. COMPLIANCE WITH THE COUNTY'S LIVING WAGE PROGRAM:

(LANGUAGE APPLIES ONLY TO PROP A LIVING WAGE CONTRACTS)

A. Living Wage Program: This Contract is subject to the provisions of the County's ordinance entitled Living Wage Program as codified in Sections 2.201.010 through 2.201.100 of the Los Angeles County Code, a copy of which is attached as *Exhibit K* and incorporated by reference into and made a part of this Contract.

B. Payment of Living Wage Rates:

(1) Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not an "Employer" as defined under the Program (Section 2.201.020 of the County Code) or that the Contractor qualifies for an exception to the Living Wage Program (Section 2.201.090 of the County Code), the Contractor shall pay its Employees no less than the applicable hourly living wage rate, as set forth immediately below, for the Employees' services provided to the County under the Contract:

i. Not less than $9.46 per hour if, in addition to the per-hour wage, the Contractor contributes less than $1.14 per hour towards the provision of bona fide health care benefits for its Employees and any dependents; or

ii. Not less than $8.32 per hour if, in addition to the per-hour

wage. the Contractor contributes at least $1.14 per hour towards the provision of bona fide health care benefits for its Employees and any dependents. The Contractor will be deemed to have contributed $1.14 per hour towards the provision of bona fide health care benefits if the benefits are provided through the County Department of Health Services Community Health Plan. If, at any time during the Contract, the Contractor contributes less than $1.14 per hour towards the provision of bona fide health care benefits, the Contractor shall be required to pay its Employees the higher hourly living wage rate.

(2) For purposes of this Sub-paragraph, "Contractor" includes any subcontractor engaged by the Contractor to perform services for the County under the Contract. If the Contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor shall be subject to the provisions of this Sub-paragraph. The provisions of this Sub-paragraph shall be inserted into any such subcontract Contract and a copy of the Living Wage Program shall be attached to the Contract. "Employee" means any individual who is an employee of the Contractor under the laws of California, and who is providing full-time services to the Contractor, some or all of which are provided to the County under the Contract. "Full-time" means a minimum of 40 hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by the County; however, fewer than 35 hours worked per week will not, in any event, be considered full-time.

(3) If the Contractor is required to pay a living wage when the Contract commences, the Contractor shall continue to pay a living wage for the entire term of the Contract, including any option period.

(4) If the Contractor is not required to pay a living wage when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its "exemption status" from the living wage requirement. The Contractor shall immediately notify the County if the Contractor at any time either comes within the Living Wage Program's definition of "Employer" or if the Contractor no longer qualifies for an exception to the Living Wage Program. In either event, the Contractor shall immediately be required to commence paying the living wage and shall be obligated to pay the living wage for the remaining term of the Contract, including any option period. The County may also require, at any time during the Contract and at its sole discretion, that the

Contractor demonstrate to the County's satisfaction that the Contractor either continues to remain outside of the Living Wage Program's definition of "Employer" and/or that the Contractor continues to qualify for an exception to the Living Wage Program. Unless the Contractor satisfies this requirement within the time frame permitted by the County, the Contractor shall immediately be required to pay the living wage for the remaining term of the Contract, including any option period.

C. Contractor's Submittal of Certified Monitoring Reports: The Contractor shall submit to the County certified monitoring reports at a frequency instructed by the County. The certified monitoring reports shall list all of the Contractor's Employees during the reporting period. The certified monitoring reports shall also verify the number of hours worked, the hourly wage rate paid, and the amount paid by the Contractor for health benefits, if any, for each of its Employees. The certified monitoring reports shall also state the name and identification number of the Contractor's current health care benefits plan, and the Contractor's portion of the premiums paid as well as the portion paid by each Employee. All certified monitoring reports shall be submitted on forms provided by the County (*Exhibit L and Exhibit M*), or other form approved by the County which contains the above information. The County reserves the right to request any additional information it may deem necessary. If the County requests additional information, the Contractor shall promptly provide such information. The Contractor, through one of its officers, shall certify under penalty of perjury that the information contained in each certified monitoring report is true and accurate.

D. Contractor's Ongoing Obligation to Report Labor Law/Payroll Violations and Claims: During the term of the Contract, if the Contractor becomes aware of any labor law/payroll violation or any complaint, investigation or proceeding ("claim") concerning any alleged labor law/payroll violation (including but not limited to any violation or claim pertaining to wages, hours and working conditions such as minimum wage, prevailing wage, living wage, the Fair Labor Standards Act, employment of minors, or unlawful employment discrimination), the Contractor shall immediately inform the County of any pertinent facts known by the Contractor regarding same. This disclosure obligation is not limited to any labor law/payroll violation or claim arising out of the Contractor's contract with the County, but instead applies to any labor law/payroll violation or claim arising out of

any of the Contractor's operations in California.

E. County Auditing of Contractor Records: Upon a minimum of twenty-four (24) hours' written notice, the County may audit, at the Contractor's place of business, any of the Contractor's records pertaining to the Contract, including all documents and information relating to the certified monitoring reports. The Contractor is required to maintain all such records in California until the expiration of four years from the date of final payment under the Contract. Authorized agents of the County shall have access to all such records during normal business hours for the entire period that records are to be maintained.

F. Notifications to Employees: The Contractor shall place County-provided living wage posters at each of the Contractor's places of business and locations where Contractor's Employees are working. The Contractor shall also distribute County-provided notices to each of its Employees at least once per year. The Contractor shall translate into Spanish and any other language spoken by a significant number of Employees the posters and handouts.

G. Enforcement and Remedies: If the Contractor fails to comply with the requirements of this Sub-paragraph, the County shall have the rights and remedies described in this Sub-paragraph in addition to any rights and remedies provided by law or equity.

(1) Remedies For Submission of Late or Incomplete Certified Monitoring Reports: If the Contractor submits a certified monitoring report to the County after the date it is due or if the report submitted does not contain all of the required information or is inaccurate or is not properly certified, any such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:

(a) Withholding of Payment: If the Contractor fails to submit accurate, complete, timely and properly certified monitoring reports, the County may withhold from payment to the Contractor up to the full amount of any invoice that would otherwise be due, until Contractor has satisfied the concerns of the County, which may include required submittal of revised certified monitoring reports or additional supporting documentation.

(b) Liquidated Damages: It is mutually understood and agreed that the Contractor's failure to submit an accurate, complete, timely and properly certified monitoring report will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the Contractor's breach. Therefore, in the event that a certified monitoring report is deficient, including but not limited to being late, inaccurate, incomplete or uncertified, it is agreed that the County may, in its sole discretion, assess against the Contractor liquidated damages in the amount of $100 per monitoring report for each day until the County has been provided with a properly prepared, complete and certified monitoring report. The County may deduct any assessed liquidated damages from any payments otherwise due the Contractor.

(c) Termination: The Contractor's continued failure to submit accurate, complete, timely and properly certified monitoring reports may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

(2) Remedies for Payment of Less Than the Required Living Wage: If the Contractor fails to pay any Employee at least the applicable hourly living wage rate, such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:

(a) Withholding Payment: If the Contractor fails to pay one or more of its Employees at least the applicable hourly living wage rate, the County may withhold from any payment otherwise due the Contractor the aggregate difference between the living wage amounts the Contractor was required to pay its Employees for a given pay period and the amount actually paid to the employees for that pay period. The County may withhold said amount until the Contractor has satisfied the County that any underpayment has been cured, which may include required submittal of revised certified monitoring reports or additional supporting documentation.

(b) Liquidated Damages: It is mutually understood and agreed that the Contractor's failure to pay any of its Employees at least the applicable hourly living

wage rate will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the Contractor's breach. Therefore, it is agreed that the County may, in its sole discretion, assess against the Contractor liquidated damages of $50 per Employee per day for each and every instance of an underpayment to an Employee. The County may deduct any assessed liquidated damages from any payments otherwise due the Contractor.

(c) Termination: The Contractor's continued failure to pay any of its Employees the applicable hourly living wage rate may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

(3) Debarment: In the event the Contractor breaches a requirement of this Sub-paragraph, the County may, in its sole discretion, bar the Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach, not to exceed three years.

H. Use of Full-Time Employees: The Contractor shall assign and use full-time Employees of the Contractor to provide services under the Contract unless the Contractor can demonstrate to the satisfaction of the County that it is necessary to use non-full-time Employees based on staffing efficiency or County requirements for the work to be performed under the Contract. It is understood and agreed that the Contractor shall not, under any circumstance, use non-full-time Employees for services provided under the Contract unless and until the County has provided written authorization for the use of same. The Contractor submitted with its proposal a full-time Employee staffing plan. If the Contractor changes its full-time Employee staffing plan, the Contractor shall immediately provide a copy of the new staffing plan to the County.

I. Contractor Retaliation Prohibited: The Contractor and/or its Employees shall not take any adverse action which would result in the loss of any benefit of employment, any contract benefit, or any statutory benefit for any Employee, person or entity who has reported a violation of the Living Wage Program to the County or to any

other public or private agency, entity or person. A violation of the provisions of this Sub-paragraph may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

J. Contractor Standards: During the term of the Contract, the Contractor shall maintain business stability, integrity in employee relations and the financial ability to pay a living wage to its employees. If requested to do so by the County, the Contractor shall demonstrate to the satisfaction of the County that the Contractor is complying with this requirement.

K. Employee Retention Rights:

(Note: This Sub-paragraph applies only if the contract involves the provision of services that were previously provided by a Contractor under a predecessor Proposition A contract or a predecessor cafeteria services contract, which predecessor contract was terminated by the County prior to its expiration.)

(1) Contractor shall offer employment to all retention employees who are qualified for such jobs. A "retention employee" is an individual:

(a) Who is not an exempt employee under the minimum wage and maximum hour exemptions defined in the federal Fair Labor Standards Act; and

(b) Who has been employed by a Contractor under a predecessor Proposition A contract or a predecessor cafeteria services contract with the County for at least six (6) months prior to the date of this new Contract, which predecessor contract was terminated by the County prior to its expiration; and

(c) Who is or will be terminated from his or her employment as a result of the County entering into this new contract.

(2) Contractor is not required to hire a retention employee who:

(a) Has been convicted of a crime related to the job or his or her performance; or

(b) Fails to meet any other County requirement for employees of a Contractor.

(3) Contractor shall not terminate a retention employee for the first 90 days of employment under the contract, except for cause. Thereafter, Contractor may

retain a retention employee on the same terms and conditions as Contractor's other employees.

L. Neutrality in Labor Relations: The Contractor shall not use any consideration received under the Contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of the Contractor's employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining Contract, or which would otherwise be permitted under the provisions of the National Labor Relations Act.

59. CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION – LOWER TIER COVERED TRANSACTIONS (45 C.F.R. PART 76): The Contractor hereby acknowledges that the County is prohibited from contracting with and making sub-awards to parties that are suspended, debarred, ineligible, or excluded or whose principals are suspended, debarred, ineligible, or excluded from securing federally funded contracts. By executing this Agreement, Contractor certifies that neither it nor any of its owners, officers, partners, directors or other principals is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Further, by executing this Agreement, Contractor certifies that, to its knowledge, none of its subcontractors, at any tier, or any owner, officer, partner, director or other principal of any subcontractor is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Contractor shall immediately notify County in writing, during the term of this Agreement, should it or any of its subcontractors or any principals of either be suspended, debarred, ineligible, or excluded from securing federally funded contracts. Failure of Contractor to comply with this provision shall constitute a material breach of this Agreement upon which the County may immediately terminate or suspend this Agreement.

60. CONTRACTOR'S CHARITABLE ACTIVITIES COMPLIANCE:

The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the certification in Attachment IX, the County seeks to ensure that

all County contractors which receive or raise charitable contributions comply with California law in order to protect the County and its taxpayers. A Contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings or both. (County Code Chapter 2.202)

61. NOTICES: All notices or demands required or permitted to be given under this Agreement shall be in writing and shall be delivered with signed receipt or mailed by first class, registered or certified mail, postage pre-paid, addressed to the parties at the following addresses and to the attention of the persons named. Director shall have the authority to execute all notices or demands which are required or permitted by County under this Agreement. Addresses and persons to be notified may be changed by either party by giving ten (10) days prior written notice thereof to the other party.

FOR
PARAMEDIC BASE HOSPITAL SERVICES

This Agreement and Exhibits made and entered into this 1ST day of January, 2013 by and between the County of Los Angeles, hereinafter referred to as County and St. Francis Medical Center, hereinafter referred to as Hospital. St. Francis Medical Center is located at 3628 East Imperial Highway, Suite 400, Lynwood, California 90262.

RECITALS

WHEREAS, the County may contract with private businesses for Paramedic Base Hospital Services when certain requirements are met; and

WHEREAS, the Hospital is a private firm specializing in providing Paramedic Base Hospital Services; and

WHEREAS, pursuant to the authority granted under the Emergency Medical Services and Prehospital Emergency Medical Care Personnel Act ("Act") (Health and Safety Code, Sections 1797, et seq.), County maintains an Advanced Life Support ("ALS") system providing services utilizing Emergency Medical Technicians-Paramedics (hereafter "paramedics") for the delivery of emergency medical care to the sick and injured at the scene of an emergency, during transport to a general acute care Hospital, during interfacility transfer, while in the emergency department of a general acute care Hospital, until care responsibility is assumed by the regular staff of that Hospital, and during training within the facilities of a participating general acute care Hospital; and

WHEREAS, County has designated its Department of Health Services as the local Emergency Medical Services Agency (hereafter " EMS Agency"); and

WHEREAS, the EMS Agency approves and designates selected paramedic base hospital(s) as the Agency deems necessary to provide immediate medical direction and supervision of paramedics within Los Angeles County in accordance with policies and procedures established by the Agency and State EMS Authority; and

WHEREAS, various general acute care Hospitals, both public and private, in Los Angeles County have been designated by the EMS Agency to serve as paramedic base hospitals pursuant to a selection procedure developed and implemented with the assistance of health services provider agencies and other qualified agencies and organizations; and

WHEREAS, Hospital, by virtue of its qualifications pursuant to such selection process and its execution of this Agreement, is a County designated paramedic base hospital (hereafter "base hospital"); and

WHEREAS, a County-designated 911 receiving facility which is also a base hospital shall provide medical direction for all ill and injured patients meeting base hospital contact criteria or guidelines within its area, in addition to other base contacts normally handled; and

WHEREAS, in the event a Hospital is approved as a County-designated trauma center during the term of this Agreement, this Agreement will be incorporated as Exhibit L into Hospital's new Trauma Center Service Agreement (hereafter "TCSA"); and

WHEREAS, "Director" as used herein, refers to County's Director of the Department of Health Services or his or her duly authorized designee; and

WHEREAS, the Act and related implementing regulations require commitment of hospital administration, emergency department, and medical staff to meet requirements for program participation as specified by law and by EMS Agency policies and procedures; and

WHEREAS, the parties wish to cooperate with each other and with paramedic provider agencies in the joint development and operation of an ALS system in Los Angeles County in order to efficiently and appropriately meet the needs of Los Angeles County residents for high quality paramedic services; and

WHEREAS, a physician in the base hospital's emergency department, under the direction of a base hospital medical director and with the assistance of registered nurses who are specially trained and certified as authorized mobile intensive care nurses (hereafter "MICNs") by the EMS Agency, exercises control over the delivery by paramedics of certain emergency care services in the field by issuance to them of verbal medical instructions over a radio or commercial telephone; and

WHEREAS, a base hospital supervises prehospital triage, treatment, patient destination, and advanced life support, and monitors personnel program compliance by providing medical direction; and

WHEREAS, a base hospital provides, or causes to be provided, emergency medical services, and prehospital personnel training and continuing education in accordance with EMS Agency policies and procedures; and

WHEREAS, a base hospital collects prehospital and emergency department data specified in the Base Hospital Form; and

WHEREAS, a base hospital utilizes and maintains two-way telecommunications equipment, as part of the County's Paramedic Communications System (hereafter "PCS"), as specified by the EMS Agency, capable of direct two-way voice communication with the paramedic advanced life support units (hereafter "ALS unit") assigned to a base hospital; and

WHEREAS, the PCS is composed of discrete radio subsystems licensed individually by the Federal Communications Commission (hereafter "FCC") with Hospital holding title to the PCS subsystem(s) used to link to a County facility and County holding title to the PCS subsystem(s) used to link the County facilities with the EMS Agency; and

WHEREAS, Hospital's commitment to provide and operate PCS equipment, and to otherwise establish and maintain a base hospital and to provide the professional and hospital services associated therewith represents a substantial and continuing commitment of financial, physical, professional, and personnel resources by Hospital and its professional staff; and

WHEREAS, the parties desire to carry out their respective obligations under this Agreement in an efficient cost-effective manner; and

WHEREAS, Hospital agrees to share in a portion of costs required to implement and maintain a countywide computerized data collection and information management system (costs specified in body); and

WHEREAS, in exchange, County agrees to provide countywide standardized prehospital management reports and to make available countywide statistical data; and

WHEREAS, this Agreement is authorized by Health and Safety Code Sections 1797.58 and 1798.100 and Title 22 California Code of Regulations, Section 100168.

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for good and valuable consideration, the parties agree to the following:

2.1 **Agreement:** Agreement executed between County and Hospital. It sets forth the terms and conditions for the issuance and performance of the Statement of Work, Exhibit A.

2.2 **Hospital:** The sole proprietor, partnership, or corporation that has entered into an agreement with the County to perform or execute the work covered by the Statement of Work.

2.3 **Hospital Project Manager:** The individual designated by the Hospital to administer the Agreement operations after the Agreement award.

2.4 **County Agreement Project Monitor:** Person with responsibility to oversee the day to day activities of this Agreement. Responsibility for inspections of any and all tasks, deliverables, goods, services and other work provided by Hospital.

2.5 **County Project Director:** Person designated by County with authority for County on contractual or administrative matters relating to this Agreement that cannot be resolved by the County's Project Manager.

2.6 **County Project Manager:** Person designated by County's Project Director to manage the operations under this Agreement.

2.7 **Day(s):** Calendar day(s) unless otherwise specified.

2.8 **Fiscal Year:** The twelve (12) month period beginning July 1st and ending the following June 30th.

2.9 **DHS:** Department of Health Services

2.10 **Director:** Director of Health Services or his/her authorized designee

3.0 WORK

3.1 Pursuant to the provisions of this Agreement, Hospital shall fully perform, complete and deliver on time, all tasks, deliverables, services and other work as set forth herein.

3.2 If Hospital provides any tasks, deliverables, goods, services, or other work, other than as specified in this Agreement, the same shall be deemed to be a gratuitous effort on the part of the Hospital, and Hospital shall have no claim whatsoever against the County.

4.0 TERM OF AGREEMENT

4.1 The term of this Agreement shall be four (4) years six (6) months commencing January 1, 2013 through June 30, 2017 after execution by the Director or his designee, unless sooner terminated or extended, in whole or in part, as provided in this Agreement.

4.2 The County shall have the sole option to extend this Agreement term for up to two (2) additional one-year periods for a maximum total Agreement term of six (6) years six (6) months. Each such option and extension shall be exercised at the sole discretion of the Director or his designee as authorized by the Board of Supervisors and must be agreed to and executed in writing by both parties.

4.3 The County maintains databases that track/monitor Hospital performance history and compliance with Title 22, California Code of Regulations, Section 100168. Information entered into such databases may be used for a variety of purposes, including determining whether the County will exercise an agreement term extension option.

4.4 Notwithstanding any other provision of this Agreement, Director may suspend this Agreement immediately upon giving written notice to Hospital if Hospital's license to operate as a general acute care Hospital or its

permit to operate basic or comprehensive emergency service is revoked or suspended. Any such action by the EMS Agency shall be subject to the review procedures for suspensions established in Paragraph 9.8, Due Process, herein below. If such a suspension order has been issued and remains in effect for a period of at least sixty (60) calendar days, Director may terminate this Agreement upon giving at least thirty (30) calendar days prior written notice thereof to Hospital.

5.0 AGREEMENT SUM

5.1 To provide ongoing financial support to County for data collection, monitoring, and evaluation of the ALS programs, all of which benefit Hospital in the provision of base hospital services, Hospital agrees to offset the portion of the cost outlined in Paragraph 6.20 of Exhibit A, Statement of Work.

5.2 Hospital shall not be entitled to payment or reimbursement for any tasks or services performed, nor for any incidental or administrative expenses whatsoever incurred in or incidental to performance hereunder, except as specified herein. Assumption or takeover of any of Hospital's duties, responsibilities, or obligations, or performance of same by any entity other than Hospital, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever, shall occur only with the County's express prior written approval.

6.0 ADMINISTRATION OF AGREEMENT - COUNTY

COUNTY ADMINISTRATION

The Director shall have the authority to administer this Agreement on behalf of the County. Director retains professional and administrative responsibility for the services rendered under this Agreement. A listing of all County Administration referenced in the following sub-paragraphs are designated in Exhibit E - County's Administration. The County shall notify Hospital in writing of any change in the names or addresses shown.

6.1 County's Project Director

Responsibilities of the County's Project Director include:

- ensuring that the objectives of this Agreement are met; and

- providing direction to Hospital in the areas relating to County policy, information requirements, and procedural requirements.

6.2 County's Project Manager

The responsibilities of the County's Project Manager include:

- meeting with Hospital's Project Manager on a regular basis; and
- inspecting any and all tasks, deliverables, goods, services, or other work provided by or on behalf of Hospital.

The County's Project Manager is not authorized to make any changes in any of the terms and conditions of this Agreement and is not authorized to further obligate County in any respect whatsoever.

6.3 County's Agreement Project Monitor

The County's Project Monitor is responsible for overseeing the day-to-day administration of this Agreement. The Project Monitor reports to the County's Project Manager.

7.0 ADMINISTRATION OF AGREEMENT - HOSPITAL

7.1 Hospital's Project Manager

7.1.1 The Hospital's Project Manager is designated in Exhibit F - Hospital's Administration. The Hospital shall notify the County in writing of any change in the name or address of the Hospital's Project Manager.

7.1.2 The Hospital's Project Manager shall be responsible for the Hospital's day-to-day activities as related to this Agreement and shall coordinate with County's Project Manager and County's Agreement Project Monitor on a regular basis.

7.2 Hospital's Authorized Official (s)

7.2.1 Hospital's Authorized Official(s) are designated in Exhibit F. Hospital shall promptly notify County in writing of any change in the name(s) or address(es) of Hospital's Authorized Official(s).

7.2.2 Hospital represents and warrants that all requirements of Hospital have been fulfilled to provide actual authority to such officials to execute documents under this Agreement on behalf of Hospital.

7.3 Intentionally Omitted

7.4 Hospital's Staff Identification

Hospital shall provide, at Hospital's expense, all staff providing services under this Agreement with a photo identification badge.

7.5 Background and Security Investigations

Mobile Intensive Care Nurses (MICN) performing services under this Agreement have undergone and passed a background investigation through the Board of Registered Nursing and Department of Justice as required by their license as Registered Nurses (RN).

7.6 Confidentiality

7.6.1 Hospital shall maintain the confidentiality of all records and information, including, but not limited to, billings, County records, and patient records, in accordance with all applicable Federal, State and local laws, rules, regulations, ordinances, directives, guidelines, policies and procedures relating to confidentiality, including, without limitation, County policies concerning information technology security and the protection of confidential records and information.

7.6.2 Hospital shall indemnify, defend, and hold harmless County, its Special Districts, elected and appointed officers, employees, and agents, from and against any and all claims, demands, damages, liabilities, losses, costs and expenses, including, without limitation, defense costs and legal, accounting and other expert, consulting, or professional fees, arising from, connected with, or related to any failure by Hospital, its officers, employees, agents, or subcontractors, to comply with this Paragraph 7.6, as determined by County in its sole judgment. Any legal defense pursuant to Hospital's indemnification obligations under this Paragraph 7.6 shall be conducted by Hospital and performed by counsel selected by Hospital and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Hospital fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from Hospital for all such costs and expenses incurred by County in doing so. Hospital shall not have the right to enter into any settlement, agree to any

injunction, or make any admission, in each case, on behalf of County without County's prior written approval.

7.6.3 Hospital shall inform all of its officers, employees, agents and subcontractors providing services hereunder of the confidentiality provisions of this Agreement.

7.6.4 Hospital shall sign and adhere to the provisions of the "Contractor Acknowledgement and Confidentiality Agreement", Exhibit G1.

7.7 Staff Performance under the Influence

Hospital shall not knowingly permit any employee to perform services under this Agreement while under the influence of any alcoholic beverage, medication, narcotic, or other substance which might impair their physical or mental performance.

8.0 STANDARD TERMS AND CONDITIONS

8.1 AMENDMENTS

8.1.1 For any change which affects the scope of work, term, Agreement Sum, payments, or any term or condition included under this Agreement, an Amendment shall be prepared, mutually agreed to in writing, and executed by the Hospital and by Director.

8.1.2 The County's Board of Supervisors or Chief Executive Officer or designee may require the addition and/or change of certain terms and conditions in the Agreement during the term of this Agreement. The County reserves the right to add and/or change such provisions as required by the County's Board of Supervisors or Chief Executive Officer. To implement such changes, an Amendment to the Agreement shall be prepared and executed by the Hospital and by Director.

8.1.3 The Director, may at his/her sole discretion, authorize extensions of time as defined in Paragraph 4.0 - Term of Agreement. The Hospital agrees that such extensions of time shall not change any other term or condition of this Agreement during the period of such extensions. To implement an extension of time, an Amendment to the Agreement shall be prepared, mutually agreed to in writing, and executed by the Hospital and by Director.

8.2 ASSIGNMENT AND DELEGATION

8.2.1 The Hospital shall not assign its rights or delegate its duties under

this Agreement, or both, whether in whole or in part, without timely written notice to and consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this sub-paragraph, County consent shall require a written amendment to the Agreement, which is formally approved and executed by the parties. Any payments by the County to any approved delegate or assignee on any claim under this Agreement shall be deductible, at County's sole discretion, against the claims, which the Hospital may have against the County.

8.2.2 Shareholders, partners, members, or other equity holders of Hospital may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Hospital to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Agreement, such disposition is an assignment requiring the written consent of County in accordance with applicable provisions of this Agreement.

8.2.3 Any assumption, assignment, delegation, or takeover of any of the duties, responsibilities, obligations, or performance of same by any entity other than the Hospital, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without timely written notice to the County, shall be a material breach of the Agreement which may result in the termination of this Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Hospital as it could pursue in the event of default by Hospital. If County does not consent to such assignment and delegation, County may terminate this Agreement with 30 days written notice to Hospital.

8.3 AUTHORIZATION WARRANTY

The Hospital represents and warrants that the person executing this Agreement for the Hospital is an authorized agent who has actual authority to bind the Hospital to each and every term, condition, and obligation of this Agreement and that all requirements of the Hospital have been fulfilled to provide such actual authority.

8.4 BUDGET REDUCTIONS

In the event that the County's Board of Supervisors adopts, in any fiscal year, a County Budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County Contracts, the County reserves the right to reduce its payment obligation under this Agreement correspondingly for that fiscal year and any subsequent fiscal year during the term of this Agreement (including any extensions), and the services to be provided by the Hospital under this Agreement shall also be reduced correspondingly. The County's notice to the Hospital regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such actions. Except as set forth in the preceding sentence, the Hospital shall continue to provide all of the services set forth in this Agreement unless it chooses to exercise its rights under Paragraph 8.42, Termination for Convenience.

8.5 COMPLAINTS

The Hospital shall develop, maintain and operate procedures to comply with Exhibit V, Prehospital Care Policy Reference No. 214, Base Hospital and Provider Agency Reporting Responsibilities.

8.6 COMPLIANCE WITH APPLICABLE LAW

8.6.1 In the performance of this Agreement, Hospital shall comply with all applicable Federal, State and local laws, rules, regulations, ordinances, directives, guidelines, policies and procedures. All provisions required thereby to be included in this Agreement are incorporated herein by reference.

8.6.2 Hospital and County shall indemnify, defend, and hold harmless each party, its officers, employees, and agents, from and against any and all claims, demands, damages, liabilities, losses, costs, and expenses, including, without limitation, defense costs and legal, accounting and other expert, consulting or professional fees, arising from, connected with, or related to any failure by Hospital, its officers, employees, agents, or subcontractors, to comply with any such laws, rules, regulations, ordinances, directives, guidelines, policies, or procedures. Any legal defense pursuant to Hospital's indemnification obligations under this Paragraph 8.6 shall be conducted by Hospital and performed by counsel selected by Hospital. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Hospital fails to provide County with a full and adequate defense. County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and

reimbursement from Hospital for all such costs and expenses incurred by County in doing so. Hospital shall not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

8.7 COMPLIANCE WITH CIVIL RIGHTS LAWS – ANTI-DISCRIMINATION AND AFFIRMATIVE ACTION

8.7.1 The Hospital hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), the Fair Employment & Housing Act, Government Code Section 12920-12922; and Affirmative Action in County Agreements, Chapter 4.32 of the Los Angeles County Code, to the end that no person shall, on the grounds of race, creed, color, religious creed, ancestry, national origin, sex, sexual orientation, age, physical or mental disability, medical condition, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Agreement or under any project, program, or activity supported by this Agreement.

8.7.2 Hospital certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and shall be treated equally without regard to or because of race, color, religious creed, ancestry, national origin, sex, sexual orientation, age, physical or mental disability, medical condition, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations.

8.7.3 Hospital shall ensure that applicants are employed, and that employees are treated during employment, without regard to race, color, religious creed, ancestry, national origin, sex, sexual orientation, age, physical or mental disability, medical condition, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations. Such action shall include, but is not limited to: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

8.7.4 Hospital certifies and agrees that it will deal with its subcontractors, bidders, or vendors without regard to or because of race, color, religious creed, ancestry, national origin, sex, sexual orientation,

age, physical or mental disability, medical condition, marital status, or political affiliation.

8.7.5 Hospital certifies and agrees that it, its affiliates, subsidiaries, or holding companies shall comply with all applicable Federal and State laws and regulations to the end that no person shall, on the grounds of race, color, religious creed, ancestry, national origin, sex, sexual orientation, age, physical or mental disability, medical condition, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Agreement or under any project, program, or activity supported by this Agreement.

8.7.6 Hospital shall allow County representatives access to the Hospital's employment records during regular business hours to verify compliance with the provisions of this sub-paragraph 8.7 when so requested by the County.

8.7.7 If the County finds that any provisions of this sub-paragraph 8.7 have been violated, such violation shall constitute a material breach of this Agreement upon which the County may terminate or suspend this Agreement. While the County reserves the right to determine independently that the anti-discrimination provisions of this Agreement have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that the Hospital has violated Federal or State anti-discrimination laws or regulations shall constitute a finding by the County that the Hospital has violated the anti-discrimination provisions of this Agreement.

8.7.8 The parties agree that in the event the Hospital violates any of the anti-discrimination provisions of this Agreement, the County shall, at its sole option, be entitled to the sum of Five Hundred Dollars ($500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Agreement.

The parties agree that in the event the Hospital violates any of the anti-discrimination provisions of this Agreement, the County shall, at its sole option after considering any written evidence in mitigation or explanation of the violation presented by the Hospital, be entitled to the sum of Five Hundred Dollars ($500) for each such violation or a maximum of One Thousand Five Hundred Dollars ($1,500) for any continuing course of violations, pursuant to California Civil Code

Section 1671 as liquidated damages in lieu of terminating or suspending this Agreement.

8.8 Intentionally Omitted

8.9 CONFLICT OF INTEREST

8.9.1 No County employee whose position with the County enables such employee to influence the award of this Agreement or any competing Agreement shall participate in the negotiation of this Agreement. No County employee with a spouse or economic dependent employed in any capacity by Hospital herein shall participate in the negotiation of this Agreement, or have a direct or indirect interest in this Agreement. No officer or employee of the Hospital who may financially benefit from the performance of work hereunder shall in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.

8.9.2 The Hospital shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Agreement. The Hospital warrants that it is not now aware of any facts that create a conflict of interest. If the Hospital hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this sub-paragraph shall be a material breach of this Agreement.

8.10 CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST

Should the Hospital require additional or replacement personnel after the effective date of this Agreement to perform the services set forth herein, the Hospital shall give consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Agreement.

8.11 CONSIDERATION OF HIRING GAIN/GROW PROGRAM PARTICIPANTS

8.11.1 Should the Hospital require additional or replacement personnel after the effective date of this Agreement, the Hospital shall give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Hospital's minimum qualifications for the open position. If the Hospital decides to pursue consideration of GAIN/GROW participants for hiring, the Hospital shall provide information regarding job openings and job requirements to DPSS' GAIN/GROW staff at GAINGROW@dpss.lacounty.gov. The County will refer GAIN/GROW participants by job category to the Hospital.

8.11.2 In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, referred County employees shall be given first priority.

8.12 CONTRACTOR RESPONSIBILITY AND DEBARMENT

8.12.1 Responsible Contractor

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the agreement. It is the County's policy to conduct business only with responsible Contractors.

8.12.2 Chapter 2.202 of the County Code

The Hospital is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Hospital on this or other contracts which indicates that the Hospital is not responsible, the County may, in addition to other remedies provided in the Agreement, debar the Hospital from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing Contracts the Hospital may have with the County.

8.12.3 Non-responsible Contractor

The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of an agreement with the County or a nonprofit corporation created by the County, (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform an agreement with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

8.12.4 Contractor Hearing Board

1. If there is evidence that the Hospital may be subject to debarment, the EMS Agency will notify the Hospital in writing of the evidence which is the basis for the proposed debarment and will advise the Hospital of the scheduled date for a debarment hearing before the Contractor Hearing Board.

2. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Hospital and/or the Hospital's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Hospital should be debarred, and, if so, the appropriate length of time of the debarment. The Hospital and the EMS Agency shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

4. If a Hospital has been debarred for a period longer than five (5) years, that Hospital may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Hospital has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.

5. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Hospital has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

6. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8.12.5 Subcontractors of Hospital

These terms shall also apply to Subcontractors of County Hospitals.

8.13 HOSPITAL'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW

The Hospital acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Hospital understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Hospital's place of business. The Hospital will also encourage its Subcontractors, if any, to post this poster in a prominent position in the Subcontractor's place of business. The County's Department of Children and Family Services will supply the Hospital with the poster to be used. Information on how to receive the poster can be found on the Internet at www.babysafela.org.

8.14 HOSPITAL'S WARRANTY OF ADHERENCE TO COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

8.14.1 The Hospital acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County through Agreement are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

8.14.2 As required by the County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting the Hospital's duty under this Agreement to comply with all applicable provisions of law, the Hospital warrants that it is now in compliance and shall during the term of this Agreement maintain in compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

8.15 COUNTY'S QUALITY ASSURANCE PLAN

8.15.1 The County or its agent will evaluate the Hospital's performance under this Agreement on not less than a three year basis. Such

evaluation will include assessing the Hospital's compliance with all Agreement terms and conditions and performance standards identified in the Statement of Work. Hospital deficiencies which the County determines are severe or continuing and that may place performance of the Agreement in jeopardy if not corrected will be reported to the Board of Supervisors.

8.15.2 The report will include improvement/corrective action measures taken by the County and the Hospital. If improvement does not occur consistent with the corrective action measures, the County may terminate this Agreement or in accordance with Paragraph 8.43

8.16 Intentionally Omitted

8.17 EMPLOYMENT ELIGIBILITY VERIFICATION

8.17.1 The Hospital warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Agreement meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. The Hospital shall retain all such documentation for all covered employees for the period prescribed by law.

8.17.2 The Hospital shall indemnify, defend, and hold harmless, the County, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against the Hospital or the County or both in connection with any alleged violation of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Agreement.

8.18 FACSIMILE, SCANNED REPRESENTATIONS

The County and the Hospital hereby agree to regard facsimile and or scanned (sent via electronic mail) representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Amendments prepared pursuant to sub-paragraph 8.1, and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed to Amendments to this Agreement, such that the parties need not follow up facsimile or scanned transmissions of such documents with subsequent (non-facsimile or non-scanned) transmission of "original" versions of such documents.

8.19 FAIR LABOR STANDARDS

The Hospital shall comply with all applicable provisions of the Federal Fair Labor Standards Act and shall indemnify, defend, and hold harmless the County and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for work performed by the Hospital's employees for which the County may be found jointly or solely liable.

8.20 FORCE MAJEURE

8.20.1 Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Agreement, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this sub-paragraph as "force majeure events").

8.20.2 Notwithstanding the foregoing, a default by a subcontractor of Hospital shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Hospital and such subcontractor, and without any fault or negligence of either of them. In such case, Hospital shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Hospital to meet the required performance schedule. As used in this sub-paragraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.

8.20.3 In the event Hospital's failure to perform arises out of a force majeure event, Hospital agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

8.21 GOVERNING LAW, JURISDICTION, AND VENUE

This Agreement shall be governed by, and construed in accordance with, the laws of the State of California. The Hospital agrees and consents to the

exclusive jurisdiction of the courts of the State of California for all purposes regarding this Agreement and further agrees and consents that venue of any action brought hereunder shall be exclusively in the County of Los Angeles.

8.22 INDEPENDENT CONTRACTOR STATUS

8.22.1 This Agreement is by and between the County and the Hospital and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the County and the Hospital. The employees and agents of one party shall not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.

8.22.2 The Hospital shall be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Agreement all compensation and benefits. The County shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the Hospital.

8.22.3 The Hospital understands and agrees that all persons performing work pursuant to this Agreement are, for purposes of Workers' Compensation liability, solely employees of the Hospital and not employees of the County. The Hospital shall be solely liable and responsible for furnishing any and all Workers' Compensation benefits to any person as a result of any injuries arising from or connected with any work performed by or on behalf of the Hospital pursuant to this Agreement.

8.23 INDEMNIFICATION

The Hospital shall indemnify, defend and hold harmless the County, its Special Districts, elected and appointed officers, employees, and agents from and against any and all liability, including but not limited to demands, claims, actions, fees, costs, and expenses (including attorney and expert witness fees), arising from or connected with the Hospital's acts and/or omissions arising from and/or relating to this Agreement.

The County shall indemnify, defend and hold harmless Hospital, and its agents and employees from and against any and all liability, including but not limited to demands, claims, actions, fees, costs, and expenses (including attorney and expert witness fees), arising from or connected

with the County's acts and/or omissions arising from and/or relating to this Agreement.

8.24 GENERAL PROVISIONS FOR ALL INSURANCE COVERAGE

Without limiting Hospital's indemnification of County, and in the performance of this Agreement and until all of its obligations pursuant to this Agreement have been met, Hospital shall provide and maintain at its own expense insurance coverage satisfying the requirements specified in Sections 8.24 and 8.25 of this Agreement. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Hospital pursuant to this Agreement. The County in no way warrants that the Required Insurance is sufficient to protect the Hospital for liabilities which may arise from or relate to this Agreement.

8.24.1 Evidence of Coverage and Notice to County

- Certificate(s) of insurance coverage (Certificate) or other evidence of coverage satisfactory to County, and a copy of an Additional Insured endorsement confirming County and its Agents (defined below) has been given Insured status under the Hospital's General Liability policy, shall be delivered to County at the address shown below and provided prior to commencing services under this Agreement.

- Renewal Certificates shall be provided to County prior to Hospital's policy expiration dates. The County reserves the right to obtain complete, certified copies of any required Hospital and/or Sub-Contractor insurance policies at any time.

- Certificates shall identify all Required Insurance coverage types and limits specified herein, reference this Agreement by name or number, and be signed by an authorized representative of the insurer(s). The Insured party named on the Certificate shall match the name of the Hospital identified as the contracting party in this Agreement. Certificates shall provide the full name of each insurer providing coverage, its NAIC (National Association of Insurance Commissioners) identification number if applicable, its financial rating, the amounts of any policy deductibles or self-insured retentions exceeding fifty thousand ($50,000.00) dollars, and list any County required endorsement forms.

- Neither the County's failure to obtain, nor the County's receipt of, or failure to object to a non-complying insurance certificate

or endorsement, or any other insurance documentation or information provided by the Hospital, its insurance broker(s) and/or insurer(s), shall be construed as a waiver of any of the Required Insurance provisions.

Certificates and copies of any required endorsements shall be sent to:

Attention: Administrative Services

Hospital also shall promptly report to County any injury or property damage accident or incident, including any injury to a Hospital employee occurring on County property, and any loss, disappearance, destruction, misuse, or theft of County property, monies or securities entrusted to Hospital. Hospital also shall promptly notify County of any third party claim or suit filed against Hospital or any of its Sub-Contractors which arises from or relates to this Agreement, and could result in the filing of a claim or lawsuit against Hospital and/or County.

8.24.2 Additional Insured Status and Scope of Coverage

The County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees and Volunteers (collectively County and its Agents) shall be provided additional insured status under Hospital's General Liability policy with respect to liability arising out of Hospital's ongoing and completed operations performed on behalf of the County. Use of a blanket additional insured endorsement form is acceptable providing it satisfies the Required Insurance provisions herein.

8.24.3 Cancellation of or Changes in Insurance

Hospital shall provide County with, or Hospital's insurance policies shall contain a provision that County shall receive, written notice of cancellation or any change in Required Insurance, including insurer, limits of coverage, term of coverage or policy period. The written notice shall be provided to County at least ten (10) days in advance of cancellation for non-payment of premium and thirty (30) days in advance for any other cancellation or policy change. Failure to provide written notice of cancellation or any change in Required Insurance may constitute a material breach of the Agreement, in the sole discretion of the County, upon which the County may suspend or terminate this Agreement.

8.24.4 Failure to Maintain Insurance

Hospital's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of the Agreement, upon which County immediately may withhold payments due to Hospital, and/or suspend or terminate this Agreement.

8.24.5 Insurer Financial Ratings

Coverage shall be placed with insurers acceptable to the County with A.M. Best ratings of not less than A:VII unless otherwise approved by County.

8.24.6 Hospital's Insurance Shall Be Primary

Hospital's insurance policies, with respect to any claims related to this Agreement, shall be primary with respect to all other sources of coverage available to Hospital. Any County maintained insurance or self-insurance coverage shall be in excess of and not contribute to any Hospital coverage.

8.24.7 **Waivers of Subrogation**

To the fullest extent permitted by law, the Hospital hereby waives its rights and its insurer(s)' rights of recovery against County under all the Required Insurance for any loss arising from or relating to this Agreement. The Hospital shall require its insurers to execute any waiver of subrogation endorsements which may be necessary to effect such waiver.

8.24.8 **Sub-Contractor Insurance Coverage Requirements**

INTENTIONALLY OMITTED

8.24.9 **Deductibles and Self-Insured Retentions (SIRs)**

Hospital's policies shall not obligate the County to pay any portion of any Hospital deductible or SIR. The Hospital agrees to carry at all times insurance of the kinds and in the amounts listed below with a deductible or self-insured retention that does not exceed $50,000, provided it is commercially available, and provide notice to the County if any deductibles or self-insured retentions (SIR) with respect to the insurance coverages described below exceed $50,000. Hospital's policies shall not obligate the County to pay any portion of any Hospital deductible or SIR.

8.24.10 **Claims Made Coverage**

If any part of the Required Insurance is written on a claims made basis, any policy retroactive date shall precede the effective date of this Agreement. Hospital understands and agrees it shall maintain such coverage for a period of not less than three (3) years following Agreement expiration, termination or cancellation.

8.24.11 **Application of Excess Liability Coverage**

Hospitals may use a combination of primary, and excess insurance policies which provide coverage as broad as the underlying primary policies, to satisfy the Required Insurance provisions.

8.24.12 **Separation of Insureds**

With the exception of D&O liability insurance coverage, all liability policies shall provide cross-liability coverage as would be afforded by the standard ISO (Insurance Services Office, Inc.) separation

of insureds provision with no insured versus insured exclusions or limitations.

8.24.13 **Alternative Risk Financing Programs**

The County reserves the right to review, and then approve, Hospital use of self-insurance, risk retention groups, risk purchasing groups, pooling arrangements and captive insurance to satisfy the Required Insurance provisions. The County and its Agents shall be designated as an Additional Covered Party under any approved program.

8.24.14 **County Review and Approval of Insurance Requirements**

The County reserves the right to review and adjust the Required Insurance provisions, conditioned upon County's determination of changes in risk exposures. Before adjusting any of the Required Insurance provision, the County must consult with the Hospital. If the Required Insurance provisions are increased, the Hospital may immediately terminate this Agreement.

8.25 INSURANCE COVERAGE

8.25.1 **Commercial General Liability** insurance (providing scope of coverage equivalent to ISO policy form CG 00 01), naming County and its Agents as an additional insured, with limits of not less than:

General Aggregate:	$2 million
Products/Completed Operations Aggregate:	$1 million
Personal and Advertising Injury:	$1 million
Each Occurrence:	$1 million

8.25.2 **Automobile Liability** insurance (providing scope of coverage equivalent to ISO policy form CA 00 01) with limits of not less than $1 million for bodily injury and property damage, in combined or equivalent split limits, for each single accident. Insurance shall cover liability arising out of Hospital's use of autos pursuant to this Agreement, including owned, leased, hired, and/or non-owned autos, as each may be applicable.

8.25.3 **Workers Compensation and Employers' Liability** insurance or qualified self-insurance satisfying statutory requirements, which includes Employers' Liability coverage with limits of not less than $1

million per accident. If Hospital will provide leased employees, or, is an employee leasing or temporary staffing firm or a professional employer organization (PEO), coverage also shall include an Alternate Employer Endorsement (providing scope of coverage equivalent to ISO policy form WC 00 03 01 A) naming the County as the Alternate Employer, and the endorsement form shall be modified to provide that County will receive not less than thirty (30) days advance written notice of cancellation of this coverage provision. If applicable to Hospital's operations, coverage also shall be arranged to satisfy the requirements of any federal workers or workmen's compensation law or any federal occupational disease law.

8.25.4 **Unique Insurance Coverage**

- **Intentionally Omitted**
- **Professional Liability/Errors and Omissions**

  Insurance covering Hospital's liability arising from or related to this Agreement, with limits of not less than $1 million per claim and $3 million aggregate. Further, Hospital understands and agrees it shall maintain such coverage for a period of not less than three (3) years following this Agreement's expiration, termination or cancellation.

8.26 LIQUIDATED DAMAGES

8.26.1 If the Director, or his/her designee, determines that there are deficiencies in the performance of this Agreement that the Director, or his/her designee, deems are correctable by the Hospital over a certain time span, the Director, or his/her designee, will provide a written notice to the Hospital to correct the deficiency within specified time frames. Should the Hospital fail to correct deficiencies within said time frame, the Director, or his/her designee, may impose penalties outlined in Exhibit 3, Statement of Work Exhibits.

8.26.2 This sub-paragraph shall not, in any manner, restrict or limit the County's right to damages for any breach of this Agreement provided by law or as specified in the Procedure for Non-Compliance with Data Collection Requirements or sub-paragraph

8.26.1, and shall not, in any manner, restrict or limit the County's right to terminate this Agreement as agreed to herein.

8.32 NOTICE TO EMPLOYEES REGARDING THE FEDERAL EARNED INCOME CREDIT

The Hospital shall notify its employees, and shall require each Subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice No. 1015.

8.33 NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW

The Hospital shall notify and provide to its employees, and shall require each Subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in Exhibit I of this Agreement and is also available on the Internet at www.babysafela.org for printing purposes.

8.34 NOTICES

8.34.1 All notices or demands required or permitted to be given or made under this Agreement shall be in writing and shall be hand delivered with signed receipt or mailed by first-class registered or certified mail, postage prepaid, addressed to the parties as identified in Exhibits E - County's Administration and F - Hospital's Administration. Addresses may be changed by either party giving ten (10) days' prior written notice thereof to the other party. The Director or his /her designee shall have the authority to issue all notices or demands required or permitted by the County under this Agreement.

8.34.2 **Electronic Notice:** In addition, and in lieu of written notification, the Director, or his/her designee, shall have the authority to issue any

notice to Hospital electronically via e-mail at the designated email address as identified in Exhibit F – Hospital's Administration. This includes all notices or demands required or permitted by the County under this Agreement.

8.35 PROHIBITION AGAINST INDUCEMENT OR PERSUASION

Notwithstanding the above, the Hospital and the County agree that, during the term of this Agreement and for a period of one year thereafter, neither party shall in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. No bar exists against any hiring action initiated through a public announcement.

8.36 Intentionally Omitted

8.37 PUBLICITY

8.37.1 The Hospital shall not disclose any details in connection with this Agreement to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing the Hospital's need to identify its services and related clients to sustain itself, the County shall not inhibit the Hospital from publishing its role under this Agreement within the following conditions:

- The Hospital shall develop all publicity material in a professional manner; and

- During the term of this Agreement, the Hospital shall not, and shall not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior written consent of the County's Project Director. The County shall not unreasonably withhold written consent.

8.37.2 The Hospital may, without the prior written consent of County, indicate in its proposals and sales materials and signs that it has been awarded this Agreement with the County of Los Angeles.

8.38 RECORD RETENTION AND INSPECTION/AUDIT SETTLEMENT

Hospital shall submit copies of all records, audio recordings, and logs pertaining to prehospital care of patients and personnel involved in the prehospital care system at the request of representatives of the EMS Agency. Records obtained from Hospital may be used for, but are not

limited to, audit, investigation, statistical analysis or education. Representatives of the EMS Agency shall comply with all applicable State and federal laws relating to confidentiality and shall maintain the confidentiality of all records, audio recordings and logs submitted in compliance with this subparagraph.

Hospital shall retain the receiving Hospital copy of the EMS Report Form for a minimum of seven (7) years and include such reports with patient charts for patients brought to Hospital as part of the EMS system. Such records, if for a minor, shall be retained for a minimum of seven (7) years, or one (1) year past the age of majority, whichever is greater.

Hospital shall retain all records related to suspected or pending litigation in any way related to this Agreement until completion and resolution of all issues arising therefrom.

The Hospital shall maintain and provide upon request by County accurate and complete financial records of its activities and operations relating to this Agreement in accordance with generally accepted accounting principles. The Hospital shall also maintain accurate and complete employment and other records relating to its performance of this Agreement. The Hospital agrees that the County, or its authorized representatives, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Agreement. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by the Hospital and shall be made available to the County during the term of this Agreement and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by the Hospital at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's option, the Hospital shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

8.38.1 In the event that an audit of the Hospital is conducted specifically regarding this Agreement by any Federal or State auditor, then the Hospital shall file a copy of such audit report, with the County's Auditor-Controller within thirty (30) days of the Hospital's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Agreement. Subject to applicable law, the County shall make a reasonable effort to maintain the confidentiality of such audit report(s).

8.38.2 Failure on the part of the Hospital to comply with any of the provisions of this sub-paragraph 8.38 shall constitute a material breach of this Agreement upon which the County may terminate or suspend this Agreement.

8.39 RECYCLED BOND PAPER

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Hospital agrees to use recycled-content paper to the maximum extent possible on this Agreement.

8.40 SUBCONTRACTING

8.40.1 The requirements of this Agreement may not be subcontracted by the Hospital without the advance approval of the County. Any attempt by the Hospital to subcontract without the prior consent of the County may be deemed a material breach of this Agreement.

8.40.2 If the Hospital desires to subcontract, the Hospital shall provide the following information promptly at the County's request:

- A description of the work to be performed by the Subcontractor;
- A draft copy of the proposed subcontract; and
- Other pertinent information and/or certifications requested by the County.

8.40.3 The Hospital shall remain fully responsible for all performances required of it under this Agreement, including those that the Hospital has determined to subcontract, notwithstanding the County's approval of the Hospital's proposed subcontract.

8.40.4 The County's consent to subcontract shall not waive the County's right to prior and continuing approval of any and all personnel, including Subcontractor employees, providing services under this Agreement. The Hospital is responsible to notify its Subcontractors of this County right.

8.40.5 The County's Project Director is authorized to act for and on behalf of the County with respect to approval of any subcontract and Subcontractor employees. After approval of the subcontract by the County, Hospital shall forward a fully executed subcontract to the County for their files.

8.40.6 The Hospital shall be solely liable and responsible for all payments or other compensation to all Subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County's consent to subcontract.

8.40.7 The Hospital shall obtain certificates of insurance, which establish that the Subcontractor maintains all the programs of insurance required by the County from each approved Subcontractor. The Hospital shall ensure delivery of all such documents to:

8.41 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

Failure of the Hospital to maintain compliance with the requirements set forth in sub-paragraph 8.14 - Hospital's Warranty of Adherence to County's Child Support Compliance Program, shall constitute default under this Agreement. Without limiting the rights and remedies available to the County under any other provision of this Agreement, failure of the Hospital to cure such default within ninety (90) calendar days of written notice shall be grounds upon which the County may terminate this Agreement pursuant to sub-paragraph 8.43 - Termination for Default and pursue debarment of the Hospital, pursuant to County Code Chapter 2.202.

8.42 TERMINATION FOR CONVENIENCE

The EMS Agency may elect to restructure the prehospital care system as it deems necessary in accordance with paragraph 6.4 and 6.5 of Exhibit A, Statement of Work

8.43 TERMINATION FOR DEFAULT

8.43.1 The County may, by written notice to the Hospital, terminate the whole or any part of this Agreement, if, in the judgment of County's Project Director:

- Hospital has materially breached this Agreement; or
- Hospital fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Agreement; or
- Hospital fails to demonstrate a high probability of timely fulfillment of performance requirements under this Agreement, or of any obligations of this Agreement and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.
- Hospital expressly repudiates this Agreement by an unequivocal refusal to perform
- In the event the County intends to terminate this Agreement in accordance with Paragraph 8.43, it shall give thirty (30) days' notice to the Hospital that it is in material breach and/or anticipatory breach of the Agreement. In the notice of intended termination, the Director shall set forth the facts underlying its claim that the Hospital is in material breach and/or anticipatory breach. Remedy of the breach or convincing progress towards a cure within twenty (20) days (or such longer period as the County may authorize in writing) of receipt of said notice shall revive the Agreement in effect for the remaining term.

8.43.2 In the event that the County terminates this Agreement in whole or in part as provided in sub-paragraph 8.43.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so

terminated. The Hospital shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Hospital shall continue the performance of this Agreement to the extent not terminated under the provisions of this sub-paragraph. The parties agree that this particular damage provision (i.e., that the costs incurred by the County) shall be limited to a time period of twelve (12) months or the remaining period this Agreement after breach or whichever time period is less.

8.43.3 Except with respect to defaults of any Subcontractor, the Hospital shall not be liable for any such excess costs of the type identified in sub-paragraph 8.43.2 if its failure to perform this Agreement arises out of causes beyond the control and without the fault or negligence of the Hospital. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Hospital. If the failure to perform is caused by the default of a Subcontractor, and if such default arises out of causes beyond the control of both the Hospital and Subcontractor, and without the fault or negligence of either of them, the Hospital shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit the Hospital to meet the required performance schedule. As used in this sub-paragraph, the term "Subcontractor(s)" means Subcontractor(s) at any tier.

8.43.2 The rights and remedies of the County provided in this sub-paragraph 8.43 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

8.44 TERMINATION FOR IMPROPER CONSIDERATION

8.44.1 The County may, by written notice to the Hospital, immediately terminate the right of the Hospital to proceed under this Agreement if it is found that consideration, in any form, was offered or given by the Hospital, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Agreement or securing favorable treatment with respect to the award, amendment, or extension of this Agreement or the making

of any determinations with respect to the Hospital's performance pursuant to this Agreement. In the event of such termination, the County shall be entitled to pursue the same remedies against the Hospital as it could pursue in the event of default by the Hospital.

8.44.2 The Hospital shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

8.44.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

8.45 TERMINATION FOR INSOLVENCY

8.45.1 The County may terminate this Agreement forthwith in the event of the occurrence of any of the following:

- The filing of a voluntary or involuntary petition regarding the Hospital under the Federal Bankruptcy Code;
- The appointment of a Receiver or Trustee for the Hospital; or
- The execution by the Hospital of a general assignment for the benefit of creditors.

8.45.2 The rights and remedies of the County provided in this sub-paragraph 8.45 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

8.46 TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE

The Hospital, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the Hospital, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Hospital or any County Lobbyist or County Lobbying firm retained by the Hospital to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Agreement, upon which the County may in its sole discretion, immediately terminate or suspend this Agreement.

8.47 Intentionally Omitted

8.48 SEVERABILITY

If any provision of this Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Agreement and the application of such provision to other persons or circumstances shall not be affected thereby.

8.49 WAIVER

No waiver by the County of any breach of any provision of this Agreement shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in this sub-paragraph 8.49 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

8.50 WARRANTY AGAINST CONTINGENT FEES

8.50.1 The Hospital warrants that no person or selling agency has been employed or retained to solicit or secure this Agreement upon any Agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Hospital for the purpose of securing business.

8.50.2 For breach of this warranty, the County shall have the right to terminate this Agreement and, at its sole discretion, deduct from the Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

8.51 WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

Hospital acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through agreement are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

Unless Hospital qualifies for an exemption or exclusion, Hospital warrants and certifies that to the best of its knowledge it is now in compliance, and

during the term of this agreement will maintain compliance, with Los Angeles County Code Chapter 2.206.

8.52 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

Failure of Hospital to maintain compliance with the requirements set forth in Paragraph 8.51 "Warranty of Compliance with County's Defaulted Property Tax Reduction Program" shall constitute default under this agreement. Without limiting the rights and remedies available to County under any other provision of this agreement, failure of Hospital to cure such default within 10 days of notice shall be grounds upon which County may terminate this agreement and/or pursue debarment of Hospital, pursuant to County Code Chapter 2.206.

9.0 UNIQUE TERMS AND CONDITIONS

9.1 Intentionally Omitted

9.2 HOSPITAL'S OBLIGATIONS AS A "COVERED ENTITY" UNDER HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT OF 1996 (HIPAA) AND THE HEALTH INFORMATION TECHNOLOGY FOR ECONOMIC AND CLINICAL HEALTH ACT (HITECH)

9.2.1 The parties acknowledge the existence of the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the Health Information Technology for Economic and Clinical Health Act (HITECH) and their implementing regulations. Hospital understands and agrees that, as a provider of medical services, it is a "covered entity" under HIPAA/HITECH and, as such, has obligations with respect to the confidentiality, privacy, and security of patients' medical information, and must take certain steps to preserve the confidentiality of this information, both internally and externally, including the training of its staff and the establishment of proper procedures for the release of such information, including the use of appropriate consents and authorizations specified under HIPAA/HITECH.

9.2.2 The parties acknowledge their separate and independent obligations with respect to HIPAA/HITECH, and that such obligations relate to transactions and code sets, privacy, and security. Hospital understands and agrees that it is separately and independently responsible for compliance with HIPAA/HITECH in all these areas and that County has not

undertaken any responsibility for compliance on Hospital's behalf. Hospital has not relied, and will not in any way rely, on County for legal advice or other representations with respect to Hospital's obligations under HIPAA/HITECH, but will independently seek its own counsel and take necessary measures to comply with the law and its implementing regulations.

9.2.3 Hospital and County understand and agree that each is independently responsible for HIPAA/HITECH compliance and agree to take all necessary and reasonable actions to comply with the requirements of the HIPAA/HITECH laws and implementing regulations related to transactions and code sets, privacy, and security.

9.2.4 Each party further agrees that, should it fail to comply with its obligations under HIPAA/HITECH, it shall indemnify and hold harmless the other party (including the other party's officers, employees, and agents), for damages to the other party that are attributable to such failure.

9.3 DUE PROCESS

9.3.1 Notice of Proposed Adverse Action: In all cases in which the EMS Agency has the authority to, and pursuant to this authority, has taken any of the actions constituting grounds for hearing as set forth in Paragraph 9.8.2 herein below, Hospital shall promptly be given written notice of the specific charges and factual basis upon which the EMS Agency action is based. With the exception of summary suspensions, summary suspensions with intent to terminate Agreement, or interim system re-configuration, Hospital shall be afforded its due process right to a hearing before implementation of any of the actions which constitute grounds for a hearing. Hospital shall have thirty (30) calendar days following the receipt of such notice within which to file with Director a written request for hearing before the EMSC.

9.3.2 Grounds for Hearing: Any one or more of the following actions constitute grounds for a hearing:

REMEDIAL HEARING:

1) Summary Suspension

2) Summary Suspension with intent to terminate

3) Suspension

4) Suspension with intent to terminate

5) Termination for cause

OTHER:

6) Substantial operational changes in the ALS program (interim system re-configuration and system re-configuration).

7) Restructuring, including deletions, additions, or substitution of base hospitals in the system.

8) Agency requests to modify existing forms, logs, and documentation or Agency's request for additional data as specified in Exhibit A, Paragraph 6.20.

9.3.3 Summary Suspension or Summary Suspension with Intent to Terminate: In the case of summary suspensions or summary suspensions with intent to terminate, Hospital, at its election, shall have the right to request Director in writing to reconsider the summary suspension action. Director shall act on this request for reconsideration within ten (10) calendar days after the receipt of the reconsideration request. Hospital shall be given an opportunity to meet with Director. The meeting shall not be a full hearing but is intended to identify the alleged basis for the summary action.

Within ten (10) calendar days following the meeting with Director, Director shall issue to Hospital a written recommendation regarding the summary suspension. This recommendation may be that the suspension be continued for a particular time or upon particular conditions, that the summary suspension be terminated, that Hospital's agreement be terminated, that other conditions be imposed on Hospital, or such other action as may seem warranted. If Director recommends any action other than immediate return of Hospital to full base hospital status, Hospital may request a hearing on the summary suspension before the EMSC, as provided in this Paragraph. Such request shall be in writing and addressed to Director. Any such request shall be delivered within five (5) calendar days of Director's delivery to Hospital of their written decisions.

9.3.4 Time and Place of Hearing: Director shall, within fifteen (15) calendar days of receipt of a Hospital request for hearing as set forth above, apply to the EMSC for such hearing. Director shall give notice to Hospital of the time, place, and date of the hearing

in accordance with EMSC rules and procedures. The date of commencement of the hearing shall be not less than thirty (30) calendar days, nor more than ninety (90) calendar days from the receipt of the request for hearing, subject to the convenience and approval, however, of the EMSC. However, if the request is received from Hospital when under a summary suspension then in effect, Director shall attempt to arrange a hearing before the EMSC as soon as possible. In situations involving a summary suspension, Director shall use his/her best efforts to schedule a hearing within forty-five (45) calendar days of receipt of a request for hearing.

9.3.5 Notice of Charges: As part of, or together with the notice of hearing, Director shall state in writing, in concise language, the acts or omissions with which Hospital is charged or reasons for substantial operational change or restructuring. If either party, by written notice, requests a list of individuals who will appear on behalf of the other, then each party within ten (10) calendar days of such request shall furnish to the other a list, in writing, of the names and addresses of the individuals, so far as is then reasonably known, who will give testimony or evidence in support of that party at the hearing.

9.3.6 Hearing Procedure: At the hearing, subject to the rules of the EMSC, both sides shall have the following rights: to call and examine witnesses, to introduce exhibits, and to rebut any evidence. The EMSC may question witnesses.

9.3.7 Memorandum of Points and Authorities: Subject to the rules of EMSC, each party shall have the right to submit to the EMSC a memorandum of points and authorities.

9.3.8 Basis of Decision: Subject to the rules of the EMSC, the EMSC decision on a hearing under this Agreement shall be based upon the evidence produced at the hearing. The evidence may consist of the following:

1) Oral testimony of the parties' representatives;

2) Documentary evidence introduced at the hearing;

3) Briefs or memoranda of points and authorities presented in connection with the hearing;

4) Policies and procedures of the EMS Agency; and

5) All officially noticed matters.

9.3.9 Record of Hearing: The parties understand that the EMSC maintains a record of hearings by one or more of the following methods: a shorthand reporter, an audio or disc recording, or by its clerk's minutes of the proceedings. If a shorthand reporter is specifically requested in writing by Hospital or by Director, the costs of same shall be borne by such party. The parties understand that the EMSC may, but shall not be required to, order that oral evidence shall be taken only by oath or affirmation administered by any person designated by such body and entitled to notarize documents in the State of California.

9.3.10 Decision of the EMSC: The decision of the EMSC shall be effective and binding on the parties to the extent permitted and prescribed in County Code Section 3.20.070 B.

9.4 RESPONSIBILITY FOR INDIGENT PATIENTS

Nothing contained in this Agreement is intended nor shall it be construed to affect either party's existing rights, obligations, and responsibilities with respect to care required by or provided to indigent patients.

9.5 STATUS OF HOSPITAL

The parties hereto agree that Hospital, its officers, agents, and employees, including its professional and non-professional personnel, shall act in an independent capacity and not as officers, agents, or employees of County and shall not have the benefit of County employees. Except as may otherwise expressly be provided hereunder, Hospital shall employ all personnel (excluding physicians), assure physicians availability, provide supplies, equipment, equipment space, furniture, insurance, utilities, and telephones necessary for performance of Hospital's responsibilities as set forth in this Agreement. This Paragraph shall not preclude or limit Hospital from seeking reimbursement, contributions, tuition, or other payment from public or private paramedic provider agencies for services provided by Hospital. However, this Paragraph shall not be interpreted to mean that any such reimbursement, contributions, or payment is required or mandated.

IN WITNESS WHEREOF, Hospital has executed this Agreement, or caused it to be duly executed and the County of Los Angeles, by order of its Board of Supervisors has caused this Agreement to be executed on its behalf by the Chair of said Board and attested by the Executive Officer-Clerk of the Board of Supervisors thereof, the day and year first above written.

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

2.203.020 Definitions.

The following definitions shall be applicable to this chapter:

A. "Contractor" means a person, partnership, corporation or other entity which has a contract with the county or a subcontract with a county contractor and has received or will receive an aggregate sum of $50,000 or more in any 12-month period under one or more such contracts or subcontracts.

B. "Employee" means any California resident who is a full-time employee of a contractor under the laws of California.

C. "Contract" means any agreement to provide goods to, or perform services for or on behalf of, the county but does not include:

1. A contract where the board finds that special circumstances exist that justify a waiver of the requirements of this chapter; or

2. A contract where federal or state law or a condition of a federal or state program mandates the use of a particular contractor; or

3. A purchase made through a state or federal contract; or

4. A monopoly purchase that is exclusive and proprietary to a specific manufacturer, distributor, or reseller, and must match and inter-member with existing supplies, equipment or systems maintained by the county pursuant to the Los Angeles County Purchasing Policy and Procedures Manual, Section P-3700 or a successor provision; or

5. A revolving fund (petty cash) purchase pursuant to the Los Angeles County Fiscal Manual, Section 4.4.0 or a successor provision; or

6. A purchase card purchase pursuant to the Los Angeles County Purchasing Policy and Procedures Manual, Section P-2810 or a successor provision; or

7. A non-agreement purchase with a value of less than $5,000 pursuant to the Los Angeles County Purchasing Policy and Procedures Manual, Section A-0300 or a successor provision; or

8. A bona fide emergency purchase pursuant to the Los Angeles County Purchasing Policy and Procedures Manual, Section PP-1100 or a successor provision.

D. "Full time" means 40 hours or more worked per week, or a lesser number of hours if:

1. The lesser number is a recognized industry standard as determined by the chief administrative officer, or

2. The contractor has a long-standing practice that defines the lesser number of hours as full time.

E. "County" means the county of Los Angeles or any public entities for which the board of supervisors is the governing body. (Ord. 2002-0040 § 1, 2002: Ord. 2002-0015 § 1 (part), 2002)

2.203.030 Applicability.

This chapter shall apply to contractors who enter into contracts that commence after July 11, 2002. This chapter shall also apply to contractors with existing contracts which are extended into option years that commence after July 11, 2002. Contracts that commence after May 28, 2002, but before July 11, 2002, shall be subject to the provisions of this chapter only if the solicitations for such contracts stated that the chapter would be applicable. (Ord. 2002-0040 § 2, 2002: Ord. 2002-0015 § 1 (part), 2002)

2.203.040 Contractor Jury Service Policy.

A contractor shall have and adhere to a written policy that provides that its employees shall receive from the contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the contractor or that the contractor deduct from the employees' regular pay the fees received for jury service. (Ord. 2002-0015 § 1 (part), 2002)

2.203.060 Other Provisions.

A. Administration. The chief administrative officer shall be responsible for the administration of this chapter. The chief administrative officer may, with the advice of county counsel, issue interpretations of the provisions of this chapter and shall issue written instructions on the implementation and ongoing administration of this chapter. Such instructions may provide for the delegation of functions to other county departments.

B. Compliance Certification. At the time of seeking a contract, a contractor shall certify to the county that it has and adheres to a policy consistent with this chapter or will have and adhere to such a policy prior to award of the contract. (Ord. 2002-0015 § 1 (part), 2002)

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

2.203.060 Enforcement and Remedies.

For a contractor's violation of any provision of this chapter, the county department head responsible for administering the contract may do one or more of the following:

1. Recommend to the board of supervisors the termination of the contract; and/or,

2. Pursuant to chapter 2.202, seek the debarment of the contractor. (Ord. 2002-0015 § 1 (part), 2002)

2.203.070. Exceptions.

A. Other Laws. This chapter shall not be interpreted or applied to any contractor or to any employee in a manner inconsistent with the laws of the United States or California.

B. Collective Bargaining Agreements. This chapter shall be superseded by a collective bargaining agreement that expressly so provides.

C. Small Business. This chapter shall not be applied to any contractor that meets all of the following:

   1. Has ten or fewer employees during the contract period; and,

   2. Has annual gross revenues in the preceding twelve months which, if added to the annual amount of the contract awarded, are less than $600,000; and,

   3. Is not an affiliate or subsidiary of a business dominant in its field of operation.

"Dominant in its field of operation" means having more than ten employees and annual gross revenues in the preceding twelve months which, if added to the annual amount of the contract awarded, exceed $500,000.

"Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation. (Ord. 2002-0015 § 1 (part), 2002)

2.203.090. Severability.

If any provision of this chapter is found invalid by a court of competent jurisdiction, the remaining provisions shall remain in full force and effect. (Ord. 2002-0015 § 1 (part), 2002)

Safely Surrendered Baby Law

In Los Angeles County, 1-877-BABY-SAFE • 1-877-222-9723
www.babysafela.org

What is the Safely Surrendered Baby Law?

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

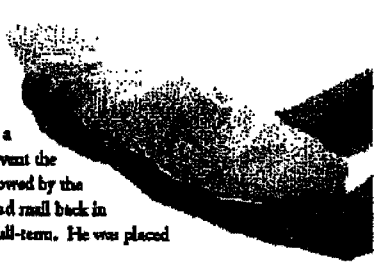
What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

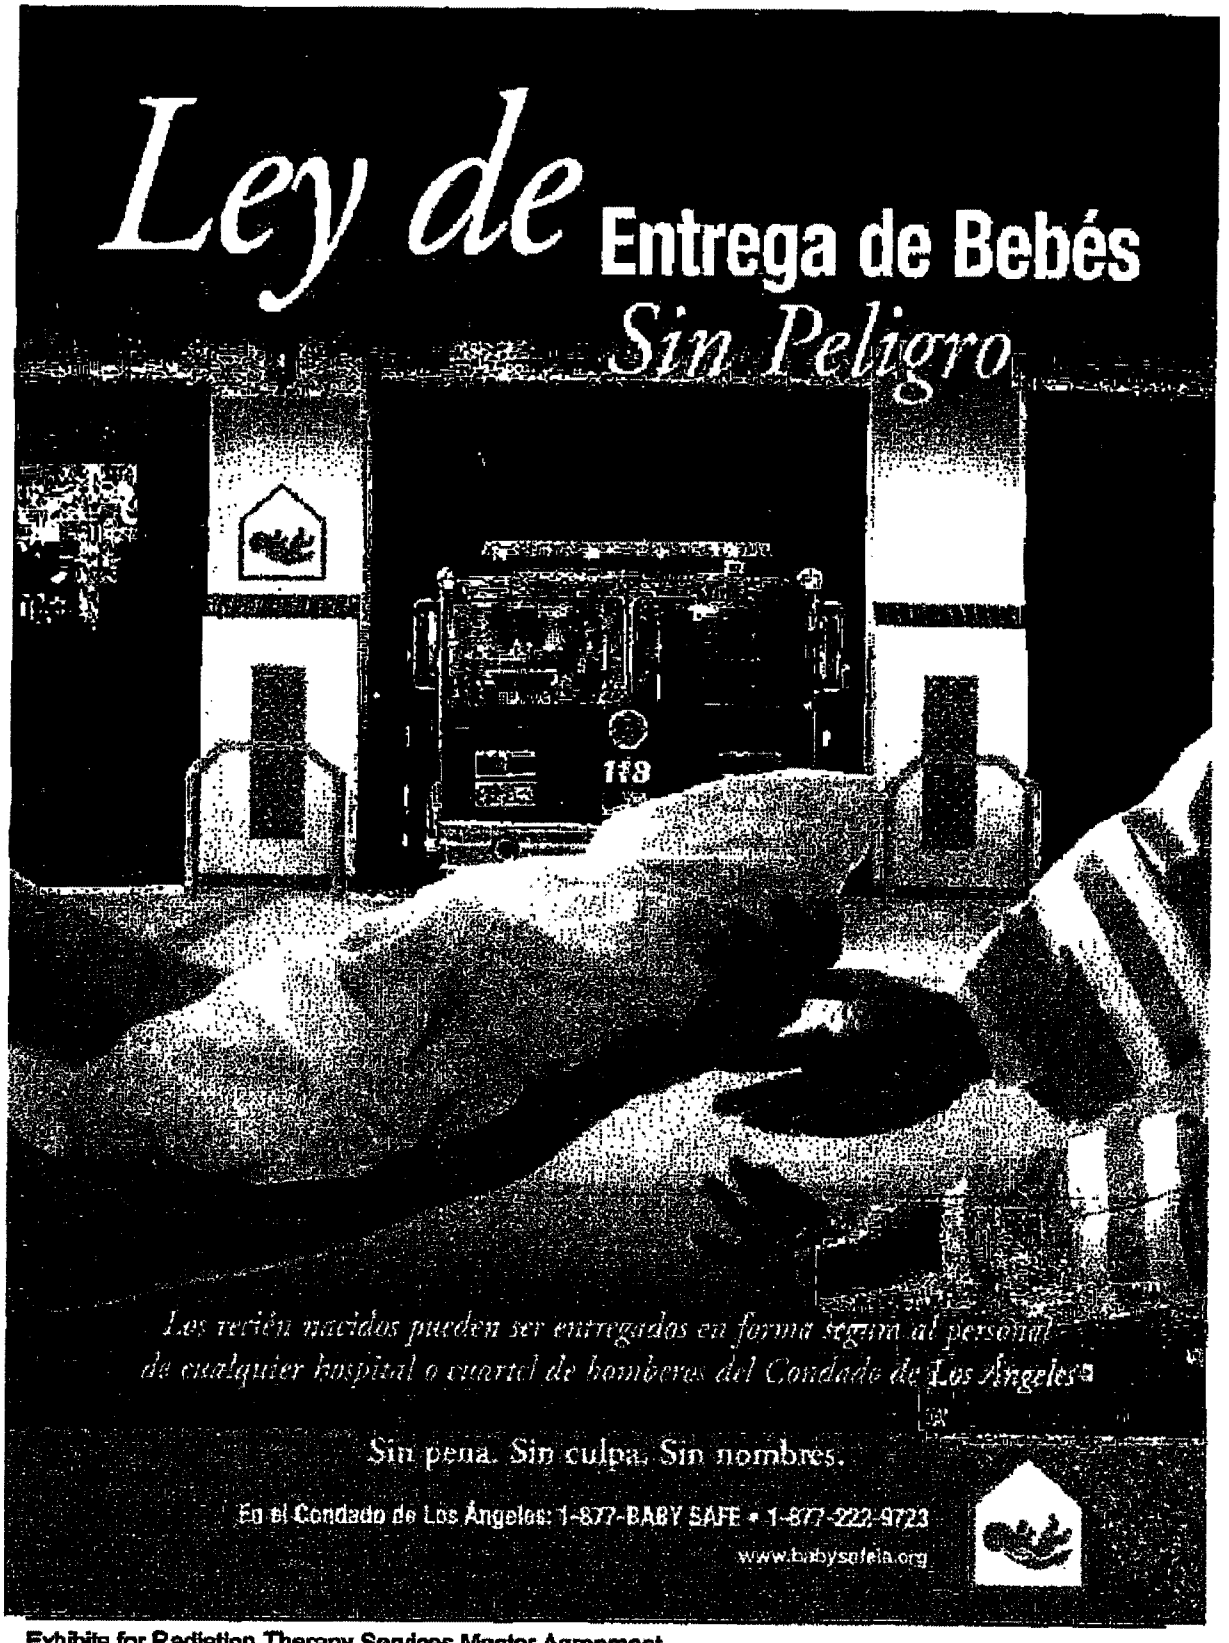
Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to prevent babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story



Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.



Ley de Entrega de Bebés Sin Peligro
Los recién nacidos pueden ser entregados en forma segura al personal de cualquier hospital o cuartel de bomberos del Condado de Los Angeles

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Ángeles.

¿Cómo funciona?

El padre/madre con dificultades que no puede o no quiere cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores sufrirán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan *si tienen custodia legal.*

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó al recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera reclamarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

BUSINESS ASSOCIATE AGREEMENT UNDER THE HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT OF 1996 ("HIPAA")

County is a Covered Entity as defined by, and subject to the requirements and prohibitions of, the Administrative Simplification provisions of the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 ("HIPAA"), and regulations promulgated thereunder, including the Privacy, Security, Breach Notification, and Enforcement Rules at 45 Code of Federal Regulations (C.F.R.) Parts 160 and 164 (collectively, the "HIPAA Rules").

Contractor performs or provides functions, activities or services to County that require Contractor in order to provide such functions, activities or services to create, access, receive, maintain, and/or transmit information that includes or that may include Protected Health Information, as defined by the HIPAA Rules. As such, Contractor is a Business Associate, as defined by the HIPAA Rules, and is therefore subject to those provisions of the HIPAA Rules that are applicable to Business Associates.

The HIPAA Rules require a written agreement ("Business Associate Agreement") between County and Contractor in order to mandate certain protections for the privacy and security of Protected Health Information, and these HIPAA Rules prohibit the disclosure to or use of Protected Health Information by Contractor if such an agreement is not in place.

This Business Associate Agreement and its provisions are intended to protect the privacy and provide for the security of Protected Health Information disclosed to or used by Contractor in compliance with the HIPAA Rules.

Therefore, the parties agree as follows:

1. DEFINITIONS

1.1 "Breach" has the same meaning as the term "breach" at 45 C.F.R. § 164.402.

1.2 "Business Associate" has the same meaning as the term "business associate" at 45 C.F.R. § 160.103. For the convenience of the parties, a "business associate" is a person or entity, other than a member of the workforce of covered entity, who performs functions or activities on behalf of, or provides certain services to, a covered entity that involve access by the business associate to Protected Health Information. A "business associate" also is a subcontractor that creates, receives, maintains, or transmits Protected Health Information on behalf of another business associate. And in reference to the party to this Business Associate Agreement "Business Associate" shall mean Contractor.

1.3 "Covered Entity" has the same meaning as the term "covered entity" at 45 C.F.R. § 160.103, and in reference to the party to this Business Associate Agreement, "Covered Entity" shall mean County.

1.4 "Data Aggregation" has the same meaning as the term "data aggregation" at 45 C.F.R. § 164.501.

1.5 "De-identification" refers to the de-identification standard at 45 C.F.R. § 164.514.

1.6 "Designated Record Set" has the same meaning as the term "designated record set" at 45 C.F.R. § 164.501.

1.7 "Disclose" and "Disclosure" mean, with respect to Protected Health Information, the release, transfer, provision of access to, or divulging in any other manner of Protected Health Information outside Business Associate's internal operations or to other than its workforce. (See 45 C.F.R. § 160.103.)

1.8 "Electronic Health Record" means an electronic record of health-related information on an individual that is created, gathered, managed, and consulted by authorized health care clinicians and staff. (See 42 U.S. C. § 17921.)

1.9 "Electronic Media" has the same meaning as the term "electronic media" at 45 C.F.R. § 160.103. For the convenience of the parties, electronic media means (1) Electronic storage material on which data is or may be recorded electronically, including, for example, devices in computers (hard drives) and any removable/transportable digital memory medium, such as magnetic tape or disk, optical disk, or digital memory card; (2) Transmission media used to exchange information already in electronic storage media. Transmission media include, for example, the Internet, extranet or intranet, leased lines, dial-up lines, private networks, and the physical movement of removable/transportable electronic storage media. Certain transmissions, including of paper, via facsimile, and of voice, via telephone, are not considered to be transmissions via electronic media if the information being exchanged did not exist in electronic form immediately before the transmission.

"Electronic Protected Health Information" has the same meaning as the term "electronic protected health information" at 45 C.F.R. § 160.103, limited to Protected Health Information created or received by Business Associate from or on behalf of Covered Entity. For the convenience of the parties, Electronic Protected Health Information means Protected Health Information that is (i) transmitted by electronic media; (ii) maintained in electronic media. "Health Care Operations" has the same meaning as the term "health care operations" at 45 C.F.R. § 164.501.

1.10 "Individual" has the same meaning as the term "individual" at 45 C.F.R. § 160.103. For the convenience of the parties, Individual means the person who is the subject of Protected Health Information and shall include a person who qualifies as a personal representative in accordance with 45 C.F.R. § 164.502 (g).

1.11 "Law Enforcement Official" has the same meaning as the term "law enforcement official" at 45 C.F.R. § 164.103.

1.12 "Minimum Necessary" refers to the minimum necessary standard at 45 C.F.R. § 162.502 (b).

1.13 "Protected Health Information" has the same meaning as the term "protected health information" at 45 C.F.R. § 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity. For the convenience of the parties, Protected Health Information includes information that (i) relates to the past, present or future physical or mental health or condition of an Individual; the provision of health care to an Individual, or the past, present or future payment for the provision of health care to an Individual; (ii) identifies the Individual (or for which there is a reasonable basis for believing that the information can be used to identify the Individual); and (iii) is created, received, maintained, or transmitted by Business Associate from or on behalf of Covered Entity, and includes Protected Health Information that is made accessible to Business Associate by Covered Entity. "Protected Health Information" includes Electronic Protected Health Information.

1.14 "Required by Law" " has the same meaning as the term "required by law" at 45 C.F.R. § 164.103.

1.15 "Secretary" has the same meaning as the term "secretary" at 45 C.F.R. § 160.103

1.16 "Security Incident" has the same meaning as the term "security incident" at 45 C.F.R. § 164.304.

1.17 "Services" means, unless otherwise specified, those functions, activities, or services in the applicable underlying Agreement, Contract, Master Agreement, Work Order, or Purchase Order or other service arrangement with or without payment, that gives rise to Contractor's status as a Business Associate.

1.18 "Subcontractor" has the same meaning as the term "subcontractor" at 45 C.F.R. § 160.103.

1.19 "Unsecured Protected Health Information" has the same meaning as the term "unsecured protected health information" at 45 C.F.R. § 164.402.

1.20 "Use" or "Uses" means, with respect to Protected Health Information, the sharing, employment, application, utilization, examination or analysis of such Information within Business Associate's internal operations. (See 45 C.F.R § 164.103.)

1.21 Terms used, but not otherwise defined in this Business Associate Agreement, have the same meaning as those terms in the HIPAA Rules.

2. PERMITTED AND REQUIRED USES AND DISCLOSURES OF PROTECTED HEALTH INFORMATION

2.1 Business Associate may only Use and/or Disclose Protected Health Information as necessary to perform Services, and/or as necessary to comply with the obligations of this Business Associate Agreement.

2.2 Business Associate may Use Protected Health Information for de-identification of the information if de-identification of the Information is required to provide Services.

2.3 Business Associate may Use or Disclose Protected Health Information as Required by Law.

2.4 Business Associate shall make Uses and Disclosures and requests for Protected Health Information consistent with the Covered Entity's applicable Minimum Necessary policies and procedures.

2.5 Business Associate may Use Protected Health Information as necessary for the proper management and administration of its business or to carry out its legal responsibilities.

2.6 Business Associate may Disclose Protected Health Information as necessary for the proper management and administration of its business or to carry out its legal responsibilities, provided the Disclosure is Required by Law or Business Associate obtains reasonable assurances from the person to whom the Protected Health Information is disclosed (i.e., the recipient) that it will be held confidentially and Used or further

Disclosed only as Required by Law or for the purposes for which it was disclosed to the recipient and the recipient notifies Business Associate of any instances of which it is aware in which the confidentiality of the Protected Health Information has been breached.

2.7 Business Associate may provide Data Aggregation services relating to Covered Entity's Health Care Operations if such Data Aggregation services are necessary in order to provide Services.

3. PROHIBITED USES AND DISCLOSURES OF PROTECTED HEALTH INFORMATION

3.1 Business Associate shall not Use or Disclose Protected Health Information other than as permitted or required by this Business Associate Agreement or as Required by Law.

3.2 Business Associate shall not Use or Disclose Protected Health Information in a manner that would violate Subpart E of 45 C.F.R. Part 164 if done by Covered Entity, except for the specific Uses and Disclosures set forth in Sections 2.5 and 2.6.

3.3 Business Associate shall not Use or Disclose Protected Health Information for de-identification of the information except as set forth in section 2.2.

4. OBLIGATIONS TO SAFEGUARD PROTECTED HEALTH INFORMATION

4.1 Business Associate shall implement, use, and maintain appropriate safeguards to prevent the Use or Disclosure of Protected Health Information other than as provided for by this Business Associate Agreement.

4.2 Business Associate shall comply with Subpart C of 45 C.F.R Part 164 with respect to Electronic Protected Health Information, to prevent the Use or Disclosure of such information other than as provided for by this Business Associate Agreement.

5. REPORTING NON-PERMITTED USES OR DISCLOSURES, SECURITY INCIDENTS, AND BREACHES OF UNSECURED PROTECTED HEALTH INFORMATION

Business Associate shall report to Covered Entity any Use or Disclosure of Protected Health Information not permitted by this Business Associate Agreement, any Security Incident, and/ or any Breach of Unsecured Protected Health Information as further described in Sections 5.1.1, 5.1.2, and 5.1.3.

5.1.1 Business Associate shall report to Covered Entity any Use or Disclosure of Protected Health Information by Business Associate, its employees, representatives, agents or Subcontractors not provided for by this Agreement of which Business Associate becomes aware.

5.1.2 Business Associate shall report to Covered Entity any Security Incident of which Business Associate becomes aware.

5.1.3 Business Associate shall report to Covered Entity any Breach by Business Associate, its employees, representatives, agents, workforce members, or Subcontractors of Unsecured Protected Health Information that is known to Business Associate or, by exercising reasonable diligence, would have been known to Business Associate. Business Associate shall be deemed to have knowledge of a Breach of Unsecured Protected Health Information if the Breach is known, or by exercising reasonable diligence would have been known, to any person, other than the person committing the Breach, who is an employee, officer, or other agent of Business Associate, including a Subcontractor, as determined in accordance with the federal common law of agency.

5.2 Except as provided in Section 5.3, for any reporting required by Section 5.1, Business Associate shall provide, to the extent available, all information required by, and within the times frames specified in, Sections 5.2.1 and 5.2.2.

5.2.1 Business Associate shall make an immediate telephonic report upon discovery of the non-permitted Use or Disclosure of Protected Health Information, Security Incident or Breach of Unsecured Protected Health Information to **(562) 940-3335** that minimally includes:

(a) A brief description of what happened, including the date of the non-permitted Use or Disclosure, Security Incident, or Breach and the date of Discovery of the non-permitted Use or Disclosure, Security Incident, or Breach, if known;

(b) The number of Individuals whose Protected Health Information is involved;

A description of the specific type of Protected Health Information involved in the non-permitted Use or Disclosure, Security Incident, or Breach (such as whether full name, social security number, date of birth, home address, account number, diagnosis, disability code or other types of information were involved);

(c) The name and contact information for a person highly knowledgeable of the facts and circumstances of the non-permitted Use or Disclosure of PHI, Security Incident, or Breach

5.2.2 Business Associate shall make a written report without unreasonable delay and in no event later than three (3) business days from the date of discovery by Business Associate of the non-permitted Use or Disclosure of Protected Health Information, Security Incident, or Breach of Unsecured Protected Health Information and to the **Chief HIPAA Privacy Officer at: Chief HIPAA Privacy Officer, Kenneth Hahn Hall of Administration, 500 West Temple Street, Suite 525, Los Angeles, California 90012, HIPAA@auditor.lacounty.gov,** that includes, to the extent possible:

(a) A brief description of what happened, including the date of the non-permitted Use or Disclosure, Security Incident, or Breach and the date of Discovery of the non-permitted Use or Disclosure, Security Incident, or Breach, if known;

(b) The number of Individuals whose Protected Health Information is involved;

(c) A description of the specific type of Protected Health Information involved in the non-permitted Use or Disclosure, Security Incident, or Breach (such as whether full name, social security number, date of birth, home address, account number, diagnosis, disability code or other types of information were involved);

(d) The identification of each Individual whose Unsecured Protected Health Information has been, or is reasonably believed by Business Associate to have been, accessed, acquired, Used, or Disclosed;

(e) Any other information necessary to conduct an assessment of whether notification to the Individual(s) under 45 C.F.R. § 164.404 is required;

(f) Any steps Business Associate believes that the Individual(s) could take to protect him or herself from potential harm from the non-permitted Use or Disclosure, Security Incident, or Breach;

(g) A brief description of what Business Associate is doing to investigate, to mitigate harm to the Individual(s), and to protect against any further similar occurrences; and

(h) The name and contact information for a person highly knowledgeable of the facts and circumstances of the non-permitted Use or Disclosure of PHI, Security Incident, or Breach.

5.2.3 If Business Associate is not able to provide the information specified in Section 5.2.1 or 5.2.2 at the time of the required report, Business Associate shall provide such information promptly thereafter as such information becomes available.

5.3 Business Associate may delay the notification required by Section 5.1.3, if a law enforcement official states to Business Associate that notification would impede a criminal investigation or cause damage to national security.

5.3.1 If the law enforcement official's statement is in writing and specifies the time for which a delay is required, Business Associate shall delay its reporting and/or notification obligation(s) for the time period specified by the official.

5.3.2 If the statement is made orally, Business Associate shall document the statement, including the identity of the official making the statement, and delay its reporting and/or notification obligation(s) temporarily and no longer than 30 days from the date of the oral statement, unless a written statement as described in Section 5.3.1 is submitted during that time.

6. WRITTEN ASSURANCES OF SUBCONTRACTORS

6.1 In accordance with 45 C.F.R. § 164.502 (e)(1)(ii) and § 164.308 (b)(2), if applicable, Business Associate shall ensure that any Subcontractor that creates, receives, maintains, or transmits Protected Health Information on behalf of Business Associate is made aware of its status as a Business Associate with respect to such information and that Subcontractor agrees in writing to the same restrictions, conditions, and requirements that apply to Business Associate with respect to such information.

6.2 Business Associate shall take reasonable steps to cure any material breach or violation by Subcontractor of the agreement required by Section 6.1.

If the steps required by Section 6.2 do not cure the breach or end the violation, Contractor shall terminate, if feasible, any arrangement with Subcontractor by which Subcontractor creates, receives, maintains, or transmits Protected Health Information on behalf of Business Associate.

6.3 If neither cure nor termination as set forth in Sections 6.2 and 6.3 is feasible, Business Associate shall immediately notify County.

6.4 Without limiting the requirements of Section 6.1, the agreement required by Section 6.1 (Subcontractor Business Associate Agreement) shall require Subcontractor to contemporaneously notify Covered Entity in the event of a Breach of Unsecured Protected Health Information.

6.6 Without limiting the requirements of Section 6.1, agreement required by Section 6.1 (Subcontractor Business Associate Agreement) shall include a provision requiring Subcontractor to destroy, or in the alternative to return to Business Associate, any Protected Health Information created, received, maintained, or transmitted by Subcontractor on behalf of Business Associate so as to enable Business Associate to comply with the provisions of Section 18.4.

6.7 Business Associate shall provide to Covered Entity, at Covered Entity's request, a copy of any and all Subcontractor Business Associate Agreements required by Section 6.1.

6.8 Sections 6.1 and 6.7 are not intended by the parties to limit in any way the scope of Business Associate's obligations related to Subcontracts or Subcontracting in the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order, or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate.

7. ACCESS TO PROTECTED HEALTH INFORMATION

7.1 To the extent Covered Entity determines that Protected Health Information is maintained by Business Associate or its agents or Subcontractors in a Designated Record Set, Business Associate shall, within two (2) business days after receipt of a request from Covered Entity, make the Protected Health Information specified by Covered Entity available to the Individual(s) identified by Covered Entity as being entitled to access and shall provide such Individuals(s) or other person(s) designated by Covered Entity with a copy the specified Protected Health Information, in order for Covered Entity to meet the requirements of 45 C.F.R. § 164.524.

7.2 If any Individual requests access to Protected Health Information directly from Business Associate or its agents or Subcontractors, Business Associate shall notify Covered Entity in writing within two (2) days of the receipt of the request. Whether access shall be provided or denied shall be determined by Covered Entity.

7.3 To the extent that Business Associate maintains Protected Health Information that is subject to access as set forth above in one or more Designated Record Sets electronically and if the Individual requests an electronic copy of such information, Business Associate shall provide the Individual with access to the Protected Health Information in the electronic form and format requested by the Individual, if it is readily producible in such form and format; or, if not, in a readable electronic form and format as agreed to by Covered Entity and the Individual.

8. AMENDMENT OF PROTECTED HEALTH INFORMATION

8.1 To the extent Covered Entity determines that any Protected Health Information is maintained by Business Associate or its agents or Subcontractors in a Designated Record Set, Business Associate shall, within ten (10) business days after receipt of a written request from Covered Entity, make any amendments to such Protected Health Information that are requested by Covered Entity, in order for Covered Entity to meet the requirements of 45 C.F.R. § 164.526.

8.2 If any Individual requests an amendment to Protected Health Information directly from Business Associate or its agents or Subcontractors, Business Associate shall notify Covered Entity in writing within five (5) days of the receipt of the request. Whether an amendment shall be granted or denied shall be determined by Covered Entity.

9. ACCOUNTING OF DISCLOSURES OF PROTECTED HEALTH INFORMATION

9.1 Business Associate shall maintain an accounting of each Disclosure of Protected Health Information made by Business Associate or its employees, agents, representatives or Subcontractors, as is determined by Covered Entity to be necessary in order to permit Covered Entity to respond to a request by an Individual for an accounting of disclosures of Protected Health Information in accordance with 45 C.F.R. § 164.528.

9.1.1 Any accounting of disclosures provided by Business Associate under Section 9.1 shall include:

(a) The date of the Disclosure;

(b) The name, and address if known, of the entity or person who received the Protected Health Information;

(c) A brief description of the Protected Health Information Disclosed; and

(d) A brief statement of the purpose of the Disclosure.

9.1.2 For each Disclosure that could require an accounting under Section 9.1, Business Associate shall document the information specified in Section 9.1.1, and shall maintain the information for six (6) years from the date of the Disclosure.

9.2 Business Associate shall provide to Covered Entity, within ten (10) business days after receipt of a written request from Covered Entity, information collected in accordance with Section 9.1.1 to permit Covered Entity to respond to a request by an Individual for an accounting of disclosures of Protected Health Information in accordance with 45 C.F.R. § 164.528

9.3 If any Individual requests an accounting of disclosures directly from Business Associate or its agents or Subcontractors, Business Associate shall notify Covered Entity in writing within five (5) days of the receipt of the request, and shall provide the requested accounting of disclosures to the Individual(s) within 30 days. The information provided in the accounting shall be in accordance with 45 C.F.R. § 164.528.

10. COMPLIANCE WITH APPLICABLE HIPAA RULES

To the extent Business Associate is to carry out one or more of Covered Entity's obligation(s) under Subpart E of 45 C.F.R. Part 164, Business Associate shall comply with the requirements of Subpart E that apply to Covered Entity's performance of such obligation(s).

10.1 Business Associate shall comply with all HIPAA Rules applicable to Business Associate in the performance of Services.

11. AVAILABILITY OF RECORDS

11.1 Business Associate shall make its internal practices, books, and records relating to the Use and Disclosure of Protected Health Information received from, or created or received by Business Associate on behalf of Covered Entity available to the Secretary for purposes of determining Covered Entity's compliance with the Privacy and Security Regulations.

11.2 Unless prohibited by the Secretary, Business Associate shall immediately notify Covered Entity of any requests made by the Secretary and provide Covered Entity with copies of any documents produced in response to such request.

12. MITIGATION OF HARMFUL EFFECTS

12.1 Business Associate shall mitigate, to the extent practicable, any harmful effect of a Use or Disclosure of Protected Health Information by Business Associate in violation of the requirements of this Business Associate Agreement that is known to Business Associate.

13. BREACH NOTIFICATION TO INDIVIDUALS

13.1 Business Associate shall, to the extent Covered Entity determines that there has been a Breach of Unsecured Protected Health Information by Business Associate, its employees, representatives, agents or Subcontractors, provide breach notification to the Individual in a manner that permits Covered Entity to comply with its obligations under 45 C.F.R. § 164.404.

13.1.1 Business Associate shall notify, subject to the review and approval of Covered Entity, each Individual whose Unsecured Protected Health Information has been, or is reasonably believed to have been, accessed, acquired, Used, or Disclosed as a result of any such Breach.

13.1.2 The notification provided by Business Associate shall be written in plain language, shall be subject to review and approval by Covered Entity, and shall include, to the extent possible:

(a) A brief description of what happened, including the date of the Breach and the date of the Discovery of the Breach, if known;

(b) A description of the types of Unsecured Protected Health Information that were involved in the Breach (such as whether full name, social security number, date of birth, home address, account number, diagnosis, disability code, or other types of information were involved);

(c) Any steps the Individual should take to protect him or herself from potential harm resulting from the Breach;

(d) A brief description of what Business Associate is doing to investigate the Breach, to mitigate harm to Individual(s), and to protect against any further Breaches; and

(e) Contact procedures for Individual(s) to ask questions or learn additional information, which shall include a toll-free telephone number, an e-mail address, Web site, or postal address.

13.2 Covered Entity, in its sole discretion, may elect to provide the notification required by Section 13.1 and/or to establish the contact procedures described in Section 13.1.2.

13.3 Business Associate shall reimburse Covered Entity any and all costs incurred by Covered Entity, in complying with Subpart D of 45 C.F.R. Part 164, including but not limited to costs of notification, internet posting, or media publication, as a result of Business Associate's Breach of Unsecured Protected Health Information; Covered Entity shall not be responsible for any costs incurred by Business Associate in providing the notification required by 13.1 or in establishing the contact procedures required by Section 13.1.2.

14. INDEMNIFICATION

14.1 Business Associate shall indemnify, defend, and hold harmless Covered Entity, its Special Districts, elected and appointed officers, employees, and agents from and against any and all liability, including but not limited to demands, claims, actions, fees, costs, expenses (including attorney and expert witness fees), and penalties and/or fines (including regulatory penalties and/or fines), arising from or connected with Business Associate's acts and/or omissions arising from and/or relating to this Business Associate Agreement, including, but not limited to, compliance and/or enforcement actions and/or activities, whether formal or informal, by the Secretary or by the Attorney General of the State of California.

14.2 Section 14.1 is not intended by the parties to limit in any way the scope of Business Associate's obligations related to insurance and/or indemnification in the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order, or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate.

15. OBLIGATIONS OF COVERED ENTITY

15.1 Covered Entity shall notify Business Associate of any current or future restrictions or limitations on the Use or Disclosure of Protected Health Information that would affect Business Associate's performance of the Services, and Business Associate shall thereafter restrict or limit its own Uses and Disclosures accordingly.

Covered Entity shall not request Business Associate to Use or Disclose Protected Health Information in any manner that would not be permissible under Subpart E of 45 C.F.R. Part 164 if done by Covered Entity, except to the extent that Business Associate may Use or Disclose Protected Health Information as provided in Sections 2.3, 2.5, and 2.6.

16. TERM

16.1 Unless sooner terminated as set forth in Section 17, the term of this Business Associate Agreement shall be the same as the term of the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order, or other service arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate.

16.2 Notwithstanding Section 16.1, Business Associate's obligations under Sections 11, 14, and 18 shall survive the termination or expiration of this Business Associate Agreement.

17. TERMINATION FOR CAUSE

17.1 In addition to and notwithstanding the termination provisions set forth in the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order, or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate, if either party determines that the other party has violated a material term of this Business Associate Agreement, and the breaching party has not cured the breach or ended the violation within the time specified by the non-breaching party, which shall be reasonable given the nature of the breach and/or violation, the non-breaching party may terminate this Business Associate Agreement.

In addition to and notwithstanding the termination provisions set forth in the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order, or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate, if either party determines that the other party has violated a material term of this Business Associate Agreement, and cure is not feasible, the non-breaching party may terminate this Business Associate Agreement immediately.

18. DISPOSITION OF PROTECTED HEALTH INFORMATION UPON TERMINATION OR EXPIRATION

Except as provided in Section 18.3, upon termination for any reason or expiration of this Business Associate Agreement, Business Associate shall return or, if agreed to by Covered entity, shall destroy as provided for in Section 18.2, all Protected Health Information received from Covered Entity, or created, maintained, or received by Business Associate on behalf of Covered Entity, that Business Associate, including any Subcontractor, still maintains in any form. Business Associate shall retain no copies of the Protected Health Information.

18.1 Destruction for purposes of Section 18.2 and Section 6.6 shall mean that media on which the Protected Health Information is stored or recorded has been destroyed and/or electronic media have been cleared, purged, or destroyed in accordance with the use of a technology or methodology specified by the Secretary in guidance for rendering Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals.

18.3 Notwithstanding Section 18.1, in the event that return or destruction of Protected Health Information is not feasible or Business Associate determines that any such Protected Health Information is necessary for Business Associate to continue its proper management and administration or to carry out its legal responsibilities, Business Associate may retain that Protected Health Information for which destruction or return is infeasible or that Protected Health Information which is necessary for Business Associate to continue its proper management and administration or to carry out its legal responsibilities and shall return or destroy all other Protected Health Information.

18.3.1 Business Associate shall extend the protections of this Business Associate Agreement to such Protected Health Information, including continuing to use appropriate safeguards and continuing to comply with Subpart C of 45 C.F.R Part 164 with respect to Electronic Protected Health Information, to prevent the Use or Disclosure of such information other than as provided for in Sections 2.5 and 2.6 for so long as such Protected Health Information is retained, and Business Associate shall not Use or Disclose such Protected Health Information other than for the purposes for which such Protected Health Information was retained.

18.3.2 Business Associate shall return or, if agreed to by Covered entity, destroy the Protected Health Information retained by Business Associate when it is no longer needed by Business Associate for Business Associate's proper management and administration or to carry out its legal responsibilities.

18.4 Business Associate shall ensure that all Protected Health Information created, maintained, or received by Subcontractors is returned or, if agreed to by Covered entity, destroyed as provided for in Section 18.2.

2.22 **Third-Party Insured Patient:** County-referred patients with private medical insurance or other third party coverage, such as Health Maintenance Organizations (HMOs), Preferred Provider Organizations (PPOs), etc., not including County-Responsible Healthplan Patients.

3.0 WORK

3.1 Pursuant to the provisions of this Master Agreement, the Contractor shall fully perform, complete and deliver on time, all tasks, deliverables, services and other work as set forth herein.

3.2 If the Contractor provides any tasks, deliverables, goods, services, or other work, other than as specified in this Master Agreement, the same shall be deemed to be a gratuitous effort on the part of the Contractor, and the Contractor shall have no claim whatsoever against the County.

4.0 TERM OF MASTER AGREEMENT

4.1 This Master Agreement is effective upon the date of its execution by the Director of DHS or his designee as authorized by the Board of Supervisors. This Master Agreement shall expire on June 30, 2024 unless sooner terminated, in whole or in part, as provided herein.

4.2 The County maintains databases that track/monitor contractor performance history. Information entered into such databases may be used for a variety of purposes, including determining whether the County will exercise an Agreement term extension option.

4.3 The Contractor shall notify DHS when this Master Agreement is within six (6) months from the expiration of the term as provided for hereinabove. Upon occurrence of this event, the Contractor shall send written notification to the DHS at the address herein provided in Exhibit C - County's Administration section.

5.0 MASTER AGREEMENT SUM

5.1 During the term of this Master Agreement, Contractor shall be compensated at the rates set forth in Exhibit B, Pricing Schedule – Compensation Rates for Radiation Therapy Services.

5.2 The Contractor shall not be entitled to payment or reimbursement for any tasks or services performed, nor for any incidental or administrative expenses whatsoever incurred in or incidental to performance hereunder, except as specified herein. Assumption or takeover of any of the Contractor's duties, responsibilities, or obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever, shall occur only with the County's express prior written approval.

5.3 **No Payment for Services Provided Following Expiration/ Termination of Agreement**

The Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by the Contractor after the expiration or other termination of this Master Agreement. Should the Contractor receive any such payment it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Master Agreement shall not constitute a waiver of County's right to recover such payment from the Contractor. This provision shall survive the expiration or other termination of this Master Agreement.

5.4 **Invoices and Payments**

5.4.1 The Contractor shall invoice the County monthly in arrears only for providing the tasks, deliverables, goods, services, and other work specified in Exhibit A - Statement of Work and elsewhere hereunder. The Contractor shall prepare invoices, which shall include the charges owed to the Contractor by the County under the terms of this Master Agreement. The Contractor's payments shall be as provided in Exhibit B, Pricing Schedule - Compensation Rates for Radiation Therapy Services, and the Contractor shall be paid only for the tasks, deliverables, goods, services, and other work approved in writing by the County. If the County does not

approve work in writing no payment shall be due to the Contractor for that work.

5.4.2 The Contractor's invoices shall be priced in accordance with Exhibit B Pricing Schedule - Compensation Rates for Radiation Therapy Services.

5.4.3 The Contractor's invoices shall contain the information set forth in Exhibit A - Statement of Work describing the tasks, deliverables, goods, services, work hours, and facility and/or other work for which payment is claimed.

5.4.4 The Contractor shall submit the monthly invoices to the County by the 15th calendar day of the month following the month of service.

5.4.5 **County-Responsible Patients**

5.4.5.1 For Radiation Therapy Services provided to County-Referred patients where the County Facility has identified the third-party coverage (i.e., Third Party Covered Patients) and so informed Contractor, Contractor shall bill the applicable third party and accept payment as payment in full.

5.4.5.2 If third-party coverage is determined by County Facility after County has paid Contractor, County Facility shall so inform Contractor and Contractor shall bill the applicable third-party payer for the services provided. Upon receipt of payment from the third-party payer, Contractor shall refund to County all monies paid by County to Contractor for that patient.

5.4.5.3 For County-Responsible Patients, Contractor shall invoice and bill County at the rate set forth in Schedule 1 or Schedule 2 of Exhibit B Pricing Schedule - Compensation Rates for Radiation Therapy Services. The referring County Facility shall select the rate of payment from either Schedule 1 or 2, and inform Contractor of its selection upon referral.

5.4.5.4 Depending on the DHS Facility for which services were provided, two (2) copies of the invoices for services provided under this Master Agreement shall be submitted to the following addresses:.

5.4.6 **County-Responsible Healthplan Patients**

For County-Responsible Healthplan Patients, Contractor shall submit claims to County at the rates set forth in Schedule 2 of Exhibit B, Pricing Schedule - Compensation Rates for Radiation Therapy Services and agrees that all claims for payment for services provided to County-Responsible Healthplan Patients

shall be made directly to DHS Managed Care Services (MCS) and further agrees that Contractor, its agents, trustees, or assignees shall look solely to the County for payment and not to the Healthplan member. The County Facility will inform Contractor if the patient referred by County Facility is a Healthplan Member. The MCS address is:

Department of Health Services
Managed Care Services-Finance
Building A-1, 2nd Floor
1000 S. Fremont Avenue, Unit 4, Room 205
Alhambra, California, 91803-8859
Attention: Claims Management

5.4.6 **County Approval of Invoices**

All invoices submitted by the Contractor for payment must have the written approval of the Facility's Project Manager prior to any payment thereof. In no event shall the County be liable or responsible for any payment prior to such written approval. Approval for payment will not be unreasonably withheld.

5.4.7 Upon expiration or prior termination of this Master Agreement, Contractor shall submit to the appropriate County Facility's expenditure management office within ninety (90) calendar days, any outstanding and/or final invoice(s) along with any outstanding claims for County-Responsible Healthplan patients to MCS, for processing and payment. Contractor's failure to submit any outstanding and/or final invoice(s) or claims to the appropriate County Facility's expenditure management office within the specified period described above, shall constitute Contractor's waiver to receive payment for any outstanding and/or final invoices.

5.4.8 **Local Small Business Enterprises (SBE) – Prompt Payment Program**

Certified Local SBE's will receive prompt payment for services they provide to County departments. Prompt payment is defined as fifteen (15) calendar days after receipt of an undisputed invoice.

6.0 ADMINISTRATION OF MASTER AGREEMENT - COUNTY

The Director shall have the authority to administer this Master Agreement on behalf of the County. The Director retains professional and administrative responsibility for the services rendered under this Master Agreement. A listing of

all County Administration referenced in the following sub-paragraphs is designated in Exhibit C - County's Administration. The County shall notify the Contractor in writing of any change in the names or addresses shown.

6.1 Master Agreement Program Director (MAPD)

The MAPD has the authority to negotiate, recommend all changes to this Master Agreement, and resolve disputes between the DHS and the Contractor.

6.2 Facility's Project Director

The Facility's Project Director, or designee, is the approving authority for the monthly invoices submitted for payment and attends the meetings with the Contractor's Project Manager on a regular basis and provides oversight of the tasks, services, or other work provided by or on behalf of the Contractor.

6.3 Facility's Project Manager

The Facility's Project Manager is the County's chief contact person with respect to the day-to-day administration of this Master Agreement.

The Facility's Project Manager is not authorized to make any changes in any of the terms and conditions of this Master Agreement and is not authorized to further obligate County in any respect whatsoever.

7.0 ADMINISTRATION OF MASTER AGREEMENT – CONTRACTOR

7.1 Contractor's Project Manager

7.1.1 The Contractor's Project Manager is designated in Exhibit D - Contractor's Administration. The Contractor shall notify the County in writing of any change in the name or address of the Contractor's Project Manager, within five (5) business days of such change.

7.1.2 The Contractor's Project Manager shall be responsible for the Contractor's day-to-day activities as related to this Agreement and shall coordinate with Facility's Project Manager and Facility's Project Monitor on a regular basis.

7.2 Contractor's Authorized Official(s)

7.2.1 Contractor's Authorized Official(s) are designated in Exhibit D – Contractor's Administration. The Contractor shall promptly notify County in writing of any change in the name(s) or address(es) of Contractor's Authorized Official(s), within five (5) business days of any such change.

7.2.2 The Contractor represents and warrants that all requirements of Contractor have been fulfilled to provide actual authority to such officials to execute documents under this Master Agreement on behalf of Contractor.

7.3 Approval of Contractor's Staff

The County has the absolute right to approve or disapprove all of the Contractor's staff performing work hereunder and any proposed changes in the Contractor's staff, including, but not limited to, the Contractor's Project Manager.

7.4 Contractor's Staff Identification

If any of Contractor's employees are assigned to County facilities, they are required to have a County Identification (ID) badge on their person and visible at all times. Contractor bears all expense of the badging.

7.4.1 The Contractor is responsible to ensure that employees have obtained a County ID badge if they are assigned to work in a County facility. The Contractor personnel may be asked to leave a County facility by a County representative if they do not have the proper County ID badge on their person.

7.4.2 The Contractor shall notify the County within one business day when any staff is terminated from working under this Master Agreement. The Contractor shall retrieve and return an employee's County ID badge to the County on the next business day after the employee has terminated employment with the Contractor.

7.4.3 If County requests the removal of Contractor's staff, Contractor shall retrieve and return an employee's County ID badge to the County on the next business day after the employee has been removed from working on the County's Agreement.

7.5 Background and Security Investigations

7.5.1 At the discretion of the County, all Contractor staff performing work under this Master Agreement may be required to undergo and

pass, to the satisfaction of County, a background investigation as a condition of beginning and continuing to work under this Master Agreement. The County shall use its discretion in determining the method of background clearance to be used, which may include, but is not limited to fingerprinting. The County may perform the background check.

7.5.2 County may request that the Contractor's staff be immediately removed from working on the County Master Agreement at any time during the term of this Master Agreement. The County will not provide to the Contractor nor to the Contractor's staff any information obtained through the County conducted background clearance.

7.5.3 The County may immediately, at the sole discretion of the County, deny or terminate facility access to the Contractor's staff that do not pass such investigation(s) to the satisfaction of the County whose background or conduct is incompatible with County facility access.

7.5.4 Disqualification, if any, of the Contractor's staff, pursuant to this sub-paragraph 7.5, shall not relieve the Contractor of its obligation to complete all work in accordance with the terms and conditions of this Master Agreement.

7.6 Confidentiality

7.6.1 The Contractor shall maintain the confidentiality of all records and information, including, but not limited to, billings, County records and patient records, in accordance with all applicable federal, State and local laws, rules, regulations, ordinances, directives, guidelines, policies and procedures relating to confidentiality, including, without limitation, County policies concerning information technology security and the protection of confidential records and information.

7.6.2 The Contractor shall indemnify, defend, and hold harmless the County, its Special Districts, elected and appointed officers, employees, and agents, from and against any and all claims, demands, damages, liabilities, losses, costs and expenses, administrative penalties and fines assessed including, without limitation, defense costs and legal, accounting and other expert, consulting, or professional fees, arising from, connected with, or related to any failure by the Contractor, its officers, employees, agents, or subcontractors, to comply with this sub-paragraph 7.6, as determined by the County in its sole judgment. Any legal

defense pursuant to the Contractor's indemnification obligations under this sub-paragraph 7.6 shall be conducted by the Contractor and performed by counsel selected by the Contractor and approved by the County. Notwithstanding the preceding sentence, the County shall have the right to participate in any such defense at its sole cost and expense, except that in the event the Contractor fails to provide the County with a full and adequate defense, as determined by the County in its sole judgment, the County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from the Contractor for all such costs and expenses incurred by the County in doing so. The Contractor shall not have the right to enter into any settlement, agree to any injunction, or make any admission, in each case, on behalf of the County without the County's prior written approval.

7.6.3 The Contractor shall inform all of its officers, employees, agents and subcontractors providing services hereunder of the confidentiality and indemnification provisions of this Master Agreement.

7.6.4 Contractor shall cause each employee performing services covered by this Agreement to sign and adhere to the provisions of the "Contractor Employee Acknowledgment and Confidentiality Agreement", Exhibit H2.

7.6.5 Contractor shall cause each non-employee performing services covered by this Master Agreement to sign and adhere to the provisions of the "Contractor Non-Employee Acknowledgment and Confidentiality Agreement", Exhibit H3.

7.7 Intentionally Omitted.

7.8 Staff Performance under the Influence

Contractor shall not knowingly permit any employee to perform services under this Master Agreement while under the influence of any alcoholic beverage, medication, narcotic, or other substance which might impair their physical or mental performance.

8.0 STANDARD TERMS AND CONDITIONS

8.1 AMENDMENTS

8.1.1 For any change which affects the scope of work, Master Agreement Sum, payments, or any term or condition included

under this Master Agreement, an Amendment shall be prepared by the County and then executed by the Contractor and by the Board of Supervisors or its authorized designee. Any Amendment shall be subject to the review by and approval of County Counsel prior to its implementation.

8.1.2 The County's Board of Supervisors or Chief Executive Officer or designee may require the addition and/or change of certain terms and conditions in the Master Agreement during the term of this Master Agreement. The County reserves the right to add and/or change such provisions as required by the County's Board of Supervisors or Chief Executive Officer, or designee. To implement such changes, an Amendment to the Master Agreement shall be prepared by the County and then executed by the Contractor and by the Director or his designee.

8.1.3 The Director or his designee may require, at his sole discretion, authorize the addition and/or change of certain terms and conditions in the Master Agreement to conform to changes in federal or State law or regulation or County policy, during the term of this Master Agreement. The County reserves the unilateral right to add and/or change such provisions as required by law, regulation or County policy, without the need for Contractor's written consent, to preserve this Master Agreement's conformity and compliance to federal and State law or regulation. To implement such changes, an Amendment to the Master Agreement shall be prepared by the County and then executed by the Contractor and by the Director or his designee.

8.2 ASSIGNMENT AND DELEGATION

8.2.1 The Contractor shall not assign its rights or delegate its duties under this Master Agreement, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this sub-paragraph, County consent shall require a written amendment to the Master Agreement, which is formally approved and executed by the parties. Any payments by the County to any approved delegate or assignee on any claim under this Master Agreement shall be deductible, at County's sole discretion, against the claims, which the Contractor may have against the County.

8.2.2 Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest

themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Master Agreement, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Master Agreement.

8.2.3 Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of the Master Agreement which may result in the termination of this Master Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

8.3 AUTHORIZATION WARRANTY

The Contractor represents and warrants that the person executing this Master Agreement for the Contractor is an authorized agent who has actual authority to bind the Contractor to each and every term, condition, and obligation of this Master Agreement and that all requirements of the Contractor have been fulfilled to provide such actual authority.

8.4 CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION – LOWER TIER COVERED TRANSACTIONS (2 C.F.R. PART 376)

The Contractor hereby acknowledges that the County is prohibited from contracting with and making sub-awards to parties that are suspended, debarred, ineligible, or excluded or whose principals are suspended, debarred, ineligible, or excluded from securing federally funded contracts. By executing this Agreement, the Contractor certifies that neither it nor any of its owners, officers, partners, directors, other principals, employees, or independent contractors is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Further, by executing this Agreement, the Contractor certifies that, to its knowledge, none of its subcontractors, at any tier, or any owners, officers, partners, directors, other principals, employees, or independent contractors of any subcontractor is currently suspended, debarred, ineligible, or excluded from securing

federally funded contracts. The Contractor shall immediately notify the County in writing, during the term of this Agreement, should it or any of the aforementioned parties either be suspended, debarred, ineligible, or excluded from securing federally funded contracts. The Contractor is responsible to reimburse the County for all associated costs (repayment, fine and/or penalty) that may be incurred as a result of inappropriate claims submitted by or on behalf of one of their staff or vendors who was excluded or suspended. Failure of the Contractor to comply with this provision shall constitute a material breach of this Agreement upon which the County may immediately terminate or suspend this Agreement.

8.5 COMPLAINTS

The Contractor shall develop, maintain and operate procedures for receiving, investigating and responding to complaints.

8.5.1 Within ten (10) business days after the Master Agreement effective date, the Contractor shall provide the County with the Contractor's policy for receiving, investigating and responding to user complaints.

8.5.2 The County will review the Contractor's policy and provide the Contractor with approval of said plan or with requested changes.

8.5.3 If the County requests changes in the Contractor's policy, the Contractor shall make such changes and resubmit the plan within thirty (30) business days for County approval.

8.5.4 If, at any time, the Contractor wishes to change the Contractor's policy, the Contractor shall submit proposed changes to the County for approval before implementation.

8.5.5 The Contractor shall preliminarily investigate all complaints and notify the Facility's Project Manager of the status of the investigation within thirty (30) business days of receiving the complaint.

8.5.6 When complaints cannot be resolved informally, a system of follow-through shall be instituted which adheres to formal plans for specific actions and strict time deadlines.

8.5.7 Copies of all written responses shall be sent to the Facility's Project Manager within thirty (30) business days of mailing to the complainant.

8.6 COMPLIANCE WITH APPLICABLE LAWS, RULES AND REGULATIONS

8.6.1 In the performance of this Master Agreement, the Contractor shall comply with all current and applicable federal, State and local laws, rules, regulations, ordinances, directives, guidelines, policies and procedures, including, but not limited to standards of The Joint Commission, its National Patient Safety Goals, California Code of Regulations, Title 22, Division 5 regulations and all other applicable industry best practices standards. All provisions required thereby to be included in this Master Agreement are incorporated herein by reference.

8.6.2 The Contractor shall indemnify, defend, and hold harmless the County, its officers, employees, and agents, from and against any and all claims, demands, damages, liabilities, losses, administrative penalties and fines assessed, costs, and expenses, including, without limitation, defense costs and legal, accounting and other expert, consulting or professional fees, arising from, connected with, or related to any failure by the Contractor, its officers, employees, agents, or subcontractors, to comply with any such laws, rules, regulations, ordinances, directives, guidelines, policies, or procedures, as determined by the County in its sole judgment. Any legal defense pursuant to the Contractor's indemnification obligations under this sub-paragraph 8.6 shall be conducted by the Contractor and performed by counsel selected by the Contractor and approved by the County. Notwithstanding the preceding sentence, the County shall have the right to participate in any such defense at its sole cost and expense, except that in the event the Contractor fails to provide the County with a full and adequate defense, as determined by the County in its sole judgment, the County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from the Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of the County without the County's prior written approval.

8.6.3 **Facilities' Rules and Regulations**

During the time that the Contractor's agents, employees, or subcontractors are at a Facility, the Contractor and such persons shall be subject to the rules and regulations of that Facility. Facility's Administrator shall furnish a copy of rules and

regulations to the Contractor pertaining to the Facility prior to the execution of this Master Agreement and, during the term of this Master Agreement, shall furnish the Contractor with any changes thereto as from time to time may be adopted. It is the responsibility of the Contractor to acquaint all persons who may provide services hereunder with such rules and regulations. Contractor agrees to immediately and permanently withdraw any of its employees or subcontractors from the provision of services hereunder upon receipt of written notice from the Director that: (1) such employee or subcontractor has violated such rules or regulations, or (2) such employee's or subcontractor's actions while on County premises, may adversely affect the delivery of health care services to County patients. The Director must submit with such notice a written statement of the facts supporting any such alleged violation or action.

8.7 COMPLIANCE WITH CIVIL RIGHTS LAWS- ANTI-DISCRIMINATION AND AFFIRMATIVE ACTION LAWS

8.7.1 The Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17); the Fair Employment & Housing Act, Government Code Section 12920-12922; and Affirmative Action in County Agreements, Chapter 4.32 of the Los Angeles County Code to the end that no person shall, on the grounds of race, color, religious creed, ancestry, national origin, sex, sexual orientation, age, physical or mental disability, medical condition, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Master Agreement or under any project, program, or activity supported by this Master Agreement.

8.7.2 The Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and shall be treated equally without regard to or because of race, color, religious creed, ancestry, national origin, sex, sexual orientation, age, physical or mental disability, medical condition, marital status, or political affiliation, in compliance with all applicable federal and State anti-discrimination laws and regulations.

8.7.3 The Contractor shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to race, color, religious creed, ancestry, national origin, sex, sexual orientation, age, physical or

mental disability, medical condition, marital status, or political affiliation, in compliance with all applicable federal and State anti-discrimination laws and regulations. Such action shall include, but is not limited to: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

8.7.4 The Contractor certifies and agrees that it will deal with its subcontractors, bidders, or vendors without regard to or because of race, color, religious creed, ancestry, national origin, sex, sexual orientation, age, physical or mental disability, medical condition, marital status, or political affiliation.

8.7.5 The Contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies shall comply with all applicable federal and State laws and regulations to the end that no person shall, on the grounds of race, color, religious creed, ancestry, national origin, sex, sexual orientation, age, physical or mental disability, medical condition, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Master Agreement or under any project, program, or activity supported by this Master Agreement.

8.7.6 The Contractor shall allow the County representatives access to the Contractor's employment records during regular business hours to verify compliance with the provisions of this sub-paragraph 8.7 when so requested by the County.

8.7.7 If the County finds that any provisions of this sub-paragraph 8.7 have been violated, such violation shall constitute a material breach of this Master Agreement upon which the County may terminate or suspend this Master Agreement. While the County reserves the right to determine independently that the anti-discrimination provisions of this Master Agreement have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated federal or State anti-discrimination laws or regulations shall constitute a finding by the County that the Contractor has violated the anti-discrimination provisions of this Master Agreement.

8.7.8 The parties agree that in the event the Contractor violates any of the anti-discrimination provisions of this Master Agreement, the County shall, at its sole option, be entitled to the sum of five hundred dollars ($500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Master Agreement.

8.7.9 **Anti-discrimination in Services**

The Contractor shall not discriminate in the provision of services hereunder because of race, color, religious creed, national origin, ethnic group identification, ancestry, age, sex, sexual orientation, medical condition, marital status, political affiliation, or physical or mental disability in accordance with requirements of federal and State laws. For the purpose of this sub-paragraph, discrimination in the provision of services may include, but is not limited to, the following: denying any person any service or benefit or the availability of a facility; providing any service or benefit to a person which is not equivalent or is provided in a non-equivalent manner or at a non-equivalent time, from that provided to others; subjecting any person to segregation or separate treatment in any manner related to the receipt of any service; restricting any person in any way in the enjoyment of any advantage or privilege enjoyed by others receiving any service or benefit; and/or treating any person differently from others in determining admission, enrollment quota, eligibility, membership, or any other requirements or conditions which persons must meet in order to be provided any service or benefit. The Contractor shall take affirmative action to ensure that intended beneficiaries of this Master Agreement are provided services without regard to race, color, religious creed, national origin, ethnic group identification, ancestry, sex, sexual orientation, age, medical condition, marital status, political affiliation, physical or mental disability.

8.7.10 The Contractor shall certify to, and comply with, the provisions of Exhibit E - Contractor's EEO Certification.

8.8 COMPLIANCE WITH THE COUNTY'S JURY SERVICE PROGRAM

8.8.1 Jury Service Program:
This Master Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of

which is attached as Exhibit F and incorporated by reference into and made a part of this Master Agreement.

8.8.2 Written Employee Jury Service Policy.

1. Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that the Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), the Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

2. For purposes of this sub-paragraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of $50,000 or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of the Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If the Contractor uses any subcontractor to perform services for the County under the Master Agreement, the subcontractor shall also be subject to the provisions of this sub-paragraph. The provisions of this sub-paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the Master Agreement.

3. If the Contractor is not required to comply with the Jury Service Program when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service

Program, and the Contractor shall immediately notify the County if the Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if the Contractor no longer qualifies for an exception to the Jury Service Program. In either event, the Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate, to the County's satisfaction that the Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that the Contractor continues to qualify for an exception to the Program.

4. The Contractor's violation of this sub-paragraph of the Master Agreement may constitute a material breach of the Master Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Master Agreement and/or bar the Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

8.9 CONFLICT OF INTEREST

8.9.1 No County employee whose position with the County enables such employee to influence the award or administration of this Master Agreement or any competing Contract, and no spouse or economic dependent of such employee, shall be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Master Agreement. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder shall in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.

8.9.2 The Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Master Agreement. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a

complete description of all relevant circumstances. Failure to comply with the provisions of this sub-paragraph shall be a material breach of this Master Agreement.

8.10 CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST

Should the Contractor require additional or replacement personnel after the effective date of this Master Agreement to perform the services set forth herein, the Contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Master Agreement.

8.11 CONSIDERATION OF HIRING GAIN/GROW PROGRAM PARTICIPANTS

8.11.1 Should the Contractor require additional or replacement personnel after the effective date of this Master Agreement, the Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that the Contractor will interview qualified candidates. The County will refer GAIN/GROW participants by job category to the Contractor. Contractors shall report all job openings with job requirements to: GAINGROW@dpss.lacounty.gov to obtain a list of qualified GAIN/GROW job candidates.

8.11.2 In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first priority.

8.12 CONTRACTOR RESPONSIBILITY AND DEBARMENT

8.12.1 Responsible Contractor

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible Contractors.

8.12.2 Chapter 2.202 of the County Code

The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and terminate any or all existing contracts the Contractor may have with the County.

8.12.3 Non-responsible Contractor

The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County, (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

8.12.4 Contractor Hearing Board

1. If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

2. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative/proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the

debarment. The Contractor and the Department shall be provided an opportunity to object to the proposed decision prior to its presentation to the Board of Supervisors.

3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

4. If a Contractor has been debarred for a period longer than five (5) years, that Contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.

5. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

6. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and

recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8.12.5 Subcontractors of Contractor

These terms shall also apply to subcontractors of County Contractors.

8.13 CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW

The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. The County's Department of Children and Family Services will supply the Contractor with the poster to be used. Information on how to receive the poster can be found on the Internet at www.babysafela.org.

8.14 CONTRACTOR'S EXCLUSION FROM PARTICIPATING IN A FEDERALLY FUNDED PROGRAM

8.14.1 The Contractor hereby warrants that neither it nor any of its staff members is restricted or excluded from providing services under any health care program funded by the federal government, directly or indirectly, in whole or in part, (which includes Medicare, Medi-Cal and Healthy Families) and that Contractor will notify Director within ten (10) calendar days in writing of: (1) any event that would require Contractor or a staff member's mandatory exclusion or suspension from participation in a federally funded health care program; and (2) any exclusionary action taken by any agency of the federal or State governments against Contractor or one or more staff members barring it or the staff members from participating in a federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

8.14.2 Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any federal

exclusion or suspension of the Contractor or its staff members from such participation in a federally funded health care program.

8.14.3 Failure by Contractor to meet the requirements of this sub-paragraph shall constitute a material breach of the Contract upon which County may immediately terminate or suspend this Master Agreement.

8.15 CONTRACTOR'S WARRANTY OF ADHERENCE TO COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

8.15.1 The Contractor acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County through contract are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

8.15.2 As required by the County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting the Contractor's duty under this Master Agreement to comply with all applicable provisions of law, the Contractor warrants that it is now in compliance and shall during the term of this Master Agreement maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

8.16 CONTRACTOR'S WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

8.16.1 The Contractor acknowledges that the County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

8.16.2 Unless the Contractor qualifies for an exemption or exclusion, the Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this Master

Agreement will maintain compliance, with Los Angeles Code Chapter 2.206.

8.17 COUNTY'S QUALITY ASSURANCE PLAN

The County or its agent will evaluate the Contractor's performance under this Master Agreement on not less than an annual basis. Such evaluation will include assessing the Contractor's compliance with all Master Agreement terms and conditions and performance standards. Contractor deficiencies which the County determines are severe or continuing and that may place performance of the Master Agreement in jeopardy if not corrected will be reported to the Board and listed in the appropriate contractor performance database. The report to the Board will include improvement/corrective action measures taken by the County and the Contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate this Master Agreement or impose other penalties as specified in this Master Agreement.

8.18 INTENTIONALLY OMITTED

8.19 EMPLOYMENT ELIGIBILITY VERIFICATION

8.19.1 The Contractor warrants that it fully complies with all federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Master Agreement meet the citizenship or alien status requirements set forth in federal and State statutes and regulations. The Contractor shall obtain, from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. The Contractor shall retain all such documentation for all covered employees for the period prescribed by law.

8.19.2 The Contractor shall indemnify, defend, and hold harmless, the County, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against the Contractor or the County or both in connection with any alleged violation of any federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Master Agreement.

8.20 FACSIMILE REPRESENTATIONS

The County and the Contractor hereby agree to regard facsimile representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Amendments prepared pursuant to sub-paragraph 8.1, and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed to Amendments to this Agreement, such that the parties need not follow up facsimile transmissions of such documents with subsequent (non-facsimile) transmission of "original" versions of such documents.

8.21 FAIR LABOR STANDARDS

The Contractor shall comply with all applicable provisions of the Federal Fair Labor Standards Act and shall indemnify, defend, and hold harmless the County and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for work performed by the Contractor's employees for which the County may be found jointly or solely liable.

8.22 FEDERAL ACCESS TO RECORDS

If, and to the extent that, Section 1861(v)(1)(I) of the Social Security Act (42 U.S.C. Section 1395x(v)(1)(I) is applicable, Contractor agrees that for a period of five (5) years following the furnishing of services under this Master Agreement, Contractor shall maintain and make available, upon written request, to the Secretary of the United States Department of Health and Human Services or the Controller General of the United States, or to any of their authorize representatives, the Agreements, books, documents and records of Contractor which are necessary to verify the nature and extent of the costs of services provided hereunder. Furthermore, if Contractor carries out any of the services provided hereunder through any subcontract with a value or cost of ten thousand dollars ($10,000) or more over a twelve (12) month period with a related organization (as that term is defined under federal law), Contractor agrees that each such subcontract shall provide for such access to the subcontract and books, documents and records of the subcontractor.

8.23 CONTRACTOR PERFORMANCE DURING CIVIL UNREST OR DISASTER

The Contractor recognizes that health care Facilities maintained by County provide care essential to the residents of the communities they

serve, and that these services are of particular importance at the time of a riot, insurrection, civil unrest, natural disaster, or similar event. Notwithstanding any other provision of this Master Agreement, full performance by Contractor during any riot, insurrection, civil unrest, natural disaster or similar event is not excused if such performance remains physically possible. Failure to comply with this requirement shall be considered a material breach by Contractor for which County may immediately terminate this Master Agreement.

8.24 GOVERNING LAW, JURISDICTION, AND VENUE

This Master Agreement shall be governed by, and construed in accordance with, the laws of the State of California. The Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Master Agreement and further agrees and consents that venue of any action brought hereunder shall be exclusively in the County of Los Angeles.

8.25 HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT OF 1996 (HIPAA)

The County is subject to the Administrative Simplification requirements and prohibitions of the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 (HIPAA), and regulations promulgated thereunder, including the Privacy, Security, Breach Notification, and Enforcement Rules at 45 Code of Federal Regulations (C.F.R.) Parts 160 and 164 (collectively, the "HIPAA Rules"). Under this Agreement, the Contractor provides services to the County and the Contractor creates, has access to, receives, maintains, or transmits Protected Health Information as defined in Exhibit I in order to provide those services. The County and the Contractor therefore agree to the terms of Exhibit J - "Business Associate" Under Health Insurance Portability and Accountability Act of 1996 (HIPAA).

8.26 INDEPENDENT CONTRACTOR STATUS

8.26.1 This Master Agreement is by and between the County and the Contractor and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the County and the Contractor. The employees and agents of one party shall not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.

8.26.2 The Contractor shall be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this

Master Agreement all compensation and benefits. The County shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the Contractor.

8.26.3 The Contractor understands and agrees that all persons performing work pursuant to this Agreement are, for purposes of Workers' Compensation liability, solely employees of the Contractor and not employees of the County. The Contractor shall be solely liable and responsible for furnishing any and all Workers' Compensation benefits to any person as a result of any injuries arising from or connected with any work performed by or on behalf of the Contractor pursuant to this Agreement.

8.26.4 The Contractor shall adhere to the provisions stated in sub-paragraph 7.6 - Confidentiality.

8.27 INDEMNIFICATION

The Contractor shall indemnify, defend and hold harmless the County, its Special Districts, elected and appointed officers, employees, and agents and volunteers ("County Indemnitees") from and against any and all liability, including but not limited to demands, claims, actions, fees, costs, and expenses (including attorney and expert witness fees), arising from or connected with the Contractor's acts and/or omissions arising from and/or relating to this Master Agreement, except for such loss or damage arising from the sole negligence or willful misconduct of the County Indemnitees.

8.28 GENERAL PROVISIONS FOR ALL INSURANCE COVERAGE

Without limiting Contractor's indemnification of County, and in the performance of this Master Agreement and until all of its obligations pursuant to this Master Agreement have been met, Contractor shall provide and maintain at its own expense insurance coverage satisfying the requirements specified in Sections 8.28 and 8.29 of this Master Agreement. These minimum insurance coverage terms, types and limits (the "Required Insurance") are in addition to and separate from any other contractual obligation imposed upon the Contractor pursuant to this Master Agreement. The County in no way warrants that the Required Insurance is sufficient to protect the Contractor for liabilities which may arise from or relate to this Master Agreement.

8.28.1 Evidence of Coverage and Notice to County

- Certificate(s) of insurance coverage (Certificate) satisfactory to County, and a copy of an Additional Insured endorsement confirming County and its Agents (defined below) have been given Insured status under the Contractor's General Liability policy, shall be delivered to County at the address shown below and provided prior to commencing services under this Master Agreement.

- Renewal Certificates shall be provided to County not less than ten (10) days prior to Contractor's policy expiration dates. The County reserves the right to obtain complete, certified copies of any required Contractor and/or subcontractor insurance policies at any time.

- Certificates shall identify all Required Insurance coverage types and limits specified herein, reference this Master Agreement by name or number, and be signed by an authorized representative of the insurer(s). The Insured party named on the Certificate shall match the name of the Contractor identified as the contracting party in this Master Agreement. Certificates shall provide the full name of each insurer providing coverage, its NAIC (National Association of Insurance Commissioners) identification number, its financial rating, the amounts of any policy deductibles or self-insured retentions exceeding fifty thousand dollars ($50,000), and list any County required endorsement forms.

- Neither the County's failure to obtain, nor the County's receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by the Contractor, its insurance broker(s) and/or insurer(s), shall be construed as a waiver of any of the Required Insurance provisions.

  Certificates and copies of any required endorsements shall be sent to:

  County of Los Angeles
  Department of Health Services
  Contracts and Grants Division
  313 N. Figueroa Street, 6th Floor-East
  Los Angeles, CA 90012
  Attention: Director, Contracts and Grants

The Contractor shall also promptly report to the County any injury or property damage accident or incident, including any injury to a Contractor employee occurring on County property, and any loss, disappearance, destruction, misuse, or theft of County property, monies or securities entrusted to Contractor. The Contractor also shall promptly notify the County of any third party claim or suit filed against the Contractor or any of its subcontractors which arises from or relates to this Master Agreement, and could result in the filing of a claim or lawsuit against the Contractor and/or the County.

8.28.2 Additional Insured Status and Scope of Coverage

The County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees and Volunteers (collectively County and its Agents) shall be provided additional insured status under Contractor's General Liability policy with respect to liability arising out of Contractor's ongoing and completed operations performed on behalf of the County. County and its Agents additional insured status shall apply with respect to liability and defense of suits arising out of the Contractor's acts or omissions, whether such liability is attributable to the Contractor or to the County. The full policy limits and scope of protection also shall apply to the County and its Agents as an additional insured, even if they exceed the County's minimum Required Insurance specifications herein. Use of an automatic additional insured endorsement form is acceptable providing it satisfies the Required Insurance provisions herein.

8.28.3 Cancellation of or Changes in Insurance

The Contractor shall provide the County with, or the Contractor's insurance policies shall contain a provision that the County shall receive, written notice of cancellation or any change in Required Insurance, including insurer, limits of coverage, term of coverage or policy period. The written notice shall be provided to the County at least ten (10) days in advance of cancellation for non-payment of premium and thirty (30) days in advance for any other cancellation or policy change. Failure to provide written notice of cancellation or any change in Required Insurance may constitute a material breach of the Master Agreement, in the sole discretion of the County, upon which the County may suspend or terminate this Master Agreement.

8.28.4 Failure to Maintain Insurance

The Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of this Master Agreement, upon which the County immediately may withhold payments due to the Contractor, and/or suspend or terminate this Master Agreement. The County, at its sole discretion, may obtain damages from the Contractor resulting from said breach. Alternately, the County may purchase the Required Insurance, and without further notice to the Contractor, deduct the premium cost from sums due to the Contractor or pursue Contractor reimbursement.

8.28.5 Insurer Financial Ratings

Coverage shall be placed with insurers acceptable to the County with A.M. Best ratings of not less than A:VII unless otherwise approved by County.

8.28.6 Contractor's Insurance Shall Be Primary

The Contractor's insurance policies, with respect to any claims related to this Master Agreement, shall be primary with respect to all other sources of coverage available to the Contractor. Any County maintained insurance or self-insurance coverage shall be in excess of and not contribute to any Contractor coverage.

8.28.7 Waivers of Subrogation

To the fullest extent permitted by law, the Contractor hereby waives its rights and its insurer(s)' rights of recovery against County under all the Required Insurance for any loss arising from or relating to this Master Agreement. The Contractor shall require its insurers to execute any waiver of subrogation endorsements which may be necessary to effect such waiver.

8.28.8 Subcontractor Insurance Coverage Requirements

The Contractor shall include all subcontractors as insureds under the Contractor's own policies, or shall provide the County with each subcontractor's separate evidence of insurance coverage. The Contractor shall be responsible for verifying each subcontractor complies with the Required Insurance provisions herein, and shall require that each subcontractor name the County and Contractor as additional insureds on the subcontractor's General Liability policy. The Contractor shall

obtain the County's prior review and approval of any subcontractor request for modification of the Required Insurance.

8.28.9 Deductibles and Self-Insured Retentions (SIRs)

The Contractor's policies shall not obligate the County to pay any portion of any Contractor deductible or SIR. The County retains the right to require the Contractor to reduce or eliminate policy deductibles and SIRs as respects the County, or to provide a bond guaranteeing Contractor's payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

8.28.10 Claims Made Coverage

If any part of the Required Insurance is written on a claims-made basis, any policy retroactive date shall precede the effective date of this Master Agreement. The Contractor understands and agrees it shall maintain such coverage for a period of not less than three (3) years following Master Agreement expiration, termination or cancellation.

8.28.11 Application of Excess Liability Coverage

The Contractors may use a combination of primary, and excess insurance policies which provide coverage as broad as ("follow form" over) the underlying primary policies, to satisfy the Required Insurance provisions.

8.28.12 Separation of Insureds

All liability policies shall provide cross-liability coverage as would be afforded by the standard ISO (Insurance Services Office, Inc.) separation of insureds provision with no insured versus insured exclusions or limitations.

8.28.13 Alternative Risk Financing Programs

The County reserves the right to review, and then approve, the Contractor's use of self-insurance, risk retention groups, risk purchasing groups, pooling arrangements and captive insurance to satisfy the Required Insurance provisions. The County and its Agents shall be designated as an Additional Covered Party under any approved program.

8.28.14 County Review and Approval of Insurance Requirements

The County reserves the right to review and adjust the Required Insurance provisions, conditioned upon County's determination of changes in risk exposures.

8.29 INSURANCE COVERAGE

8.29.1 **Commercial General Liability** insurance (providing scope of coverage equivalent to ISO policy form CG 00 01), naming County and its Agents as an additional insured, with limits of not less than:

General Aggregate:	$2 million
Products/Completed Operations Aggregate:	$1 million
Personal and Advertising Injury:	$1 million
Each Occurrence:	$1 million

8.29.2 **Automobile Liability** insurance (providing scope of coverage equivalent to ISO policy form CA 00 01) with limits of not less than $1 million for bodily injury and property damage, in combined or equivalent split limits, for each single accident. Insurance shall cover liability arising out of the Contractor's use of autos pursuant to this Master Agreement, including owned, leased, hired, and/or non-owned autos, as each may be applicable.

8.29.3 **Workers Compensation and Employers' Liability**

Insurance or qualified self-insurance satisfying statutory requirements, which includes Employers' Liability coverage with limits of not less than $1 million per accident. If the Contractor will provide leased employees, or is an employee leasing or temporary staffing firm or a professional employer organization (PEO), coverage also shall include an Alternate Employer Endorsement (providing scope of coverage equivalent to ISO policy form WC 00 03 01 A) naming the County as the Alternate Employer, and the endorsement form shall be modified to provide that County will receive not less than thirty (30) days advance written notice of cancellation of this coverage provision. If applicable to Contractor's operations, coverage also shall be arranged to satisfy the requirements of any federal workers or workmen's compensation law or any federal occupational disease law.

8.29.4 Professional Liability/Errors and Omissions

Insurance covering the Contractor's liability arising from or related to this Master Agreement, with limits of not less than $1 million per claim and $2 million aggregate. Further, the Contractor understands and agrees it shall maintain such coverage for a period of not less than three (3) years following this Master Agreement's expiration, termination or cancellation.

8.29.5 Property Coverage

The Contractors given exclusive use of County owned or leased property shall carry property coverage at least as broad as that provided by the ISO special causes of loss (ISO policy form CP 10 30) form. The County and its Agents shall be named as an Additional Insured and Loss Payee on Contractor's insurance as its interests may appear. Automobiles and mobile equipment shall be insured for their actual cash value. Real property and all other personal property shall be insured for their full replacement value.

8.30 LICENSES, PERMITS, REGISTRATIONS, ACCREDITATIONS, AND CERTIFICATES

The Contractor shall obtain and maintain in effect during the term of this Master Agreement, all valid licenses, permits, registrations, accreditations, and certificates required by law which are applicable to its performance of this Master Agreement, and shall ensure that all of its officers, employees, and agents who perform services hereunder obtain and maintain in effect during the term of this Master Agreement, all licenses, permits, registrations, accreditations, and certificates required by law which are applicable to their performance of services hereunder. All such licenses, permits, registrations, accreditations, and certifications relating to services hereunder shall be made available to the County upon request.

8.31 LIQUIDATED DAMAGES

8.31.1 If, in the judgment of the Director, or his designee, the Contractor is deemed to be non-compliant with the terms and obligations assumed hereby, the Director, or his designee, at his option, in addition to, or in lieu of, other remedies provided herein, may withhold the entire monthly payment or deduct pro rata from the Contractor's invoice for work not performed. A description of the work not performed and the amount to be withheld or deducted from payments to the Contractor from the County, will be

forwarded to the Contractor by the Director, or his designee, in a written notice describing the reasons for said action.

8.31.2 If the Director, or his designee, determines that there are deficiencies in the performance of this Master Agreement that the Director, or his designee, deems are correctable by the Contractor over a certain time span, the Director, or his designee, will provide a written notice to the Contractor to correct the deficiency within specified time frames. Should the Contractor fail to correct deficiencies within said time frame, the Director, or his designee, may:

(a) Deduct from the Contractor's payment, pro rata, those applicable portions of the monthly invoices; and/or

(b) Deduct liquidated damages. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Contractor to correct a deficiency within the specified time frame. The parties hereby agree that under the current circumstances a reasonable estimate of such damages is one hundred dollars ($100) per day per infraction, or as specified in the Performance Requirements Summary (PRS) Chart, as defined in Exhibit A, Statement of Work, Attachment 2, hereunder, and that the Contractor shall be liable to the County for liquidated damages in said amount. Said amount shall be deducted from the County's payment to the Contractor; and/or

(c) Upon giving five (5) days notice to the Contractor for failure to correct the deficiencies, the County may correct any and all deficiencies and the total costs incurred by the County for completion of the work by an alternate source, whether it be County forces or separate private Contractor, will be deducted and forfeited from the payment to the Contractor from the County, as determined by the County.

8.31.3 The action noted in sub-paragraph 8.31.2 shall not be construed as a penalty, but as adjustment of payment to the Contractor to recover the County cost due to the failure of the Contractor to complete or comply with the provisions of this Master Agreement.

8.31.4 This sub-paragraph shall not, in any manner, restrict or limit the County's right to damages for any breach of this Master Agreement provided by law or as specified in the PRS or sub-paragraph 8.31.2, and shall not, in any manner, restrict or limit the

County's right to terminate this Master Agreement as agreed to herein.

8.32 NON EXCLUSIVITY

Nothing herein is intended nor shall be construed as creating any exclusive arrangement with the Contractor. This Master Agreement shall not restrict the Department of Health Services from acquiring similar, equal or like goods and/or services from other entities or sources.

8.33 NOTICE OF DELAYS

Except as otherwise provided under this Master Agreement, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Master Agreement, that party shall, within one (1) business day, give notice thereof, including all relevant information with respect thereto, to the other party.

8.34 NOTICE OF DISPUTES

The Contractor shall bring to the attention of the Facility's Project Manager and/or Facility's Program Director any dispute between the County and the Contractor regarding the performance of services as stated in this Master Agreement. If the Facility's Project Manager or Facility's Program Director is not able to resolve the dispute, the Director or his designee shall resolve it.

8.35 NOTICE TO EMPLOYEES REGARDING THE FEDERAL EARNED INCOME CREDIT

The Contractor shall notify its employees, and shall require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice No. 1015.

8.36 NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW

The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in Exhibit I of this Master Agreement and is also available on the Internet at www.babysafela.org for printing purposes.

8.37 NOTICES

8.37.1 All notices or demands required or permitted to be given or made under this Master Agreement shall be in writing and shall be hand delivered with signed receipt or mailed by first-class registered or certified mail, postage prepaid, addressed to the parties as identified in Exhibit C – County's Administration and Exhibit D - Contractor's Administration. Addresses may be changed by either party giving ten (10) days' prior written notice thereof to the other party.

8.37.2 **Electronic Notice:** In addition, and in lieu of written notification, the Director, or his designee, shall have the authority to issue any notice to Contractor electronically via e-mail at the designated E-mail address as identified in Exhibit D – Contractor's Administration. This includes all notices or demands required or permitted by the County under this Master Agreement.

8.38 PROHIBITION AGAINST INDUCEMENT OR PERSUASION

Notwithstanding the above, the Contractor and the County agree that, during the term of this Master Agreement and for a period of one (1) year thereafter, neither party shall in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. No bar exists against any hiring action initiated through a public announcement.

8.39 PUBLIC RECORDS ACT

8.39.1 Any documents submitted by the Contractor; all information obtained in connection with the County's right to audit and inspect the Contractor's documents, books, and accounting records pursuant to sub-paragraph 8.41 - Record Retention and Inspection/Audit Settlement of this Master Agreement; as well as any documents that may have been submitted in response to a solicitation process for this Master Agreement, become the exclusive property of the County. All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. (Public Records Act) and which are marked "trade secret", "confidential", or "proprietary". The County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if

disclosure is required by law, or by an order issued by a court of competent jurisdiction.

8.39.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a solicitation response marked "trade secret", "confidential", or "proprietary", the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

8.40 PUBLICITY

8.40.1 The Contractor shall not disclose any details in connection with this Master Agreement to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing the Contractor's need to identify its services and related clients to sustain itself, the County shall not inhibit the Contractor from publishing its role under this Master Agreement within the following conditions:

- The Contractor shall develop all publicity material in a professional manner; and

- During the term of this Master Agreement, the Contractor shall not, and shall not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior written consent of the Director or his designee. The County shall not unreasonably withhold written consent.

8.40.2 The Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Master Agreement with the County of Los Angeles, provided that the requirements of this sub-paragraph 8.40 shall apply.

8.41 RECORD RETENTION AND INSPECTION/AUDIT SETTLEMENT

8.41.1 The Contractor shall maintain, and provide upon request by County, accurate and complete financial records of its activities and operations relating to this Master Agreement in accordance with generally accepted accounting principles. The Contractor

shall also maintain accurate and complete employment and other records relating to its performance of this Master Agreement.

8.41.2 The Contractor agrees that the County, or its authorized representatives, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Master Agreement. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by the Contractor and shall be made available to the County during the term of this Master Agreement and for a period of ten (10) years thereafter unless the County's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

8.41.3 In the event that an audit of the Contractor is conducted specifically regarding this Master Agreement by any federal or State auditor, or by any auditor or accountant employed by the Contractor or otherwise, including audits conducted by the Medicare and Medi-Cal programs, or both, then the Contractor shall file a copy of each such audit report, including Service Organization Controls (SOC) Reports, with the County's Auditor-Controller within thirty (30) days of the Contractor's receipt thereof, unless otherwise provided by applicable federal or State law or under this Master Agreement. Subject to applicable law, the County shall make a reasonable effort to maintain the confidentiality of such audit report(s).

8.41.4 Failure on the part of the Contractor to comply with any of the provisions of this sub-paragraph 8.41 shall constitute a material breach of this Master Agreement upon which the County may terminate or suspend this Master Agreement.

8.41.5 If, at any time during the term of this Master Agreement or within ten (10) years after the expiration or termination of this Master Agreement, representatives of the County conduct an audit of the Contractor regarding the work performed under this Master Agreement, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the

Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Master Agreement or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County's maximum obligation for this Master Agreement exceed the funds appropriated by the County for the purpose of this Master Agreement.

8.41.6 Patient Records

The Contractor shall prepare all appropriate medical records for County patients receiving services hereunder. If a County patient receives services from the Contractor at Contractor's private office, then the Contractor shall also maintain such records on any such patient. Such records shall include, but are not limited to, progress notes and records of services provided in sufficient detail to permit the evaluation of services rendered pursuant to this Master Agreement. All patient records for patients seen in Contractor's office shall be retained by the Contractor for a period of ten (10) years following the expiration or earlier termination of this Master Agreement, unless otherwise required under State law. During such ten (10) year period, as well as during the term of this Master Agreement, all such records shall be retained by the Contractor at a location in Los Angeles County and shall be made available upon ten (10) working days prior written notice to authorized representatives of the County designated by the Director or by the County's Auditor-Controller, or both, for purposes of inspection and audit.

8.41.7 Audit/Compliance Review

In the event County representatives conduct an audit/ compliance review of the Contractor, the Contractor shall fully cooperate with County's representatives. Contractor shall allow County representatives access to all financial reports, medical records, and reports pertaining to this Master Agreement and shall allow photocopies to be made of these documents utilizing Contractor's photocopier, for which County shall reimburse Contractor its customary charge for record copying services, if requested. Director shall provide Contractor with at least ten (10) working days prior written notice of any audit/compliance review.

The County may conduct a statistical audit/compliance review of all claims paid by the County during a specified period. The sample shall be determined in accordance with generally accepted auditing standards. An exit conference shall be held following the performance of any such audit/ compliance review at which time the results shall be discussed with the Contractor. The Contractor shall be provided with a copy of any resultant written evaluation report(s).

The Contractor shall have the opportunity to review the County's findings for the Contractor, and the Contractor shall have thirty (30) calendar days after receipt of County's audit/compliance review results to provide documentation to the County representatives to resolve audit exceptions. If, at the end of the thirty (30) day period there remain audit exceptions which have not been resolved to the satisfaction of the County's representatives, then the exception rate found in the audit or sample results shall be applied to the total County payments made to the Contractor for all claims paid during the audit/ compliance review period to determine the Contractor's liability to the County.

8.42 RECYCLED BOND PAPER

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on this Master Agreement.

8.43 RESTRICTIONS ON LOBBYING

If any federal funds are to be used to pay for the Contractor's services under this Master Agreement, the Contractor shall fully comply with all certification and disclosure requirements prescribed by Section 319 of Public Law 101-121 (31 United States Code Section 1352) and any implementing regulations, and shall ensure that each of its subcontractors receiving funds provided under this Master Agreement also fully complies with all such certification and disclosure requirements.

8.44 SUBCONTRACTING

8.44.1 The requirements of this Master Agreement may not be subcontracted by the Contractor **without the advance written approval of the County**. Any attempt by the Contractor to

subcontract without the prior consent of the County may be deemed a material breach of this Master Agreement.

8.44.2 If the Contractor desires to subcontract, the Contractor shall provide the following information promptly at the County's request:

- A description of the work to be performed by the subcontractor;
- A draft copy of the proposed subcontract; and
- Other pertinent information and/or certifications requested by the County.

8.44.3 The Contractor shall indemnify and hold the County harmless with respect to the activities of each and every subcontractor in the same manner and to the same degree as if such subcontractor(s) were the Contractor employees.

8.44.4 The Contractor shall remain fully responsible for all performances required of it under this Master Agreement, including those that the Contractor has determined to subcontract, notwithstanding the County's approval of the Contractor's proposed subcontract.

8.44.5 The County's consent to subcontract shall not waive the County's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Master Agreement. The Contractor is responsible to notify its subcontractors of this County right.

8.44.6 The Director or his designee is authorized to act for and on behalf of the County with respect to approval of any subcontract and subcontractor employees. After approval of the subcontract by the County, Contractor shall forward a fully executed subcontract to the County for their files.

8.44.7 The Contractor shall be solely liable and responsible for all payments or other compensation to all subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County's consent to subcontract.

8.44.8 The Contractor shall obtain certificates of insurance, which establish that the subcontractor maintains all the programs of insurance required by the County from each approved subcontractor. The Contractor shall ensure delivery of all such documents to:

County of Los Angeles
Department of Health Services
Contracts and Grants Division
313 N. Figueroa Street – 6E
Los Angeles, CA 90012
Attention: Director, Contracts and Grants

before any subcontractor employee may perform any work hereunder.

8.45 SURVIVAL

In addition to any provisions of this Agreement which specifically state that they will survive the termination or expiration of this Agreement and any rights and obligations under this Agreement which by their nature should survive, the following sub-paragraphs shall survive any termination or expiration of this Agreement:

Sub-paragraph 5.3 (No Payment for Services Provided Following Expiration/Termination of Master Agreement)

Sub-paragraph 7.6 (Confidentiality)

Sub-paragraph 8.6 (Compliance with Applicable Laws, Rules and Regulations

Sub-paragraph 8.24 (Governing Law, Jurisdiction, and Venue)

Sub-paragraph 8.27 (Indemnification)

Sub-paragraph 8.28 (General Provisions for all Insurance Coverage)

Sub-paragraph 8.29 (Insurance Coverage)

Sub-paragraph 8.41 (Record Retention and Inspection/Audit Settlement)

Sub-paragraph 8.45 (Survival)

8.46 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

Failure of the Contractor to maintain compliance with the requirements set forth in sub-paragraph 8.15 - Contractor's Warranty of Adherence to County's Child Support Compliance Program, shall constitute default under

this Master Agreement. Without limiting the rights and remedies available to the County under any other provision of this Master Agreement, failure of the Contractor to cure such default within ninety (90) calendar days of written notice shall be grounds upon which the County may terminate this Master Agreement pursuant to sub-paragraph 8.49 - Termination for Default and pursue debarment of the Contractor, pursuant to County Code Chapter 2.202.

8.47 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

Failure of the Contractor to maintain compliance with the requirements set forth in sub-paragraph 8.16 - Contractor's Warranty of Compliance with County's Defaulted Property Tax Reduction Program shall constitute default under this Master Agreement. Without limiting the rights and remedies available to County under any other provision of this Master Agreement, failure of Contractor to cure such default within ten (10) days of notice shall be grounds upon which the County may terminate this Master Agreement and/or pursue debarment of the Contractor, pursuant to County Code Chapter 2.206.

8.48 TERMINATION FOR CONVENIENCE

8.48.1 This Master Agreement may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to the Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.

8.48.2 After receipt of a notice of termination and except as otherwise directed by the County, the Contractor shall:

- Stop work under this Master Agreement on the date and to the extent specified in such notice, and
- Complete performance of such part of the work as shall not have been terminated by such notice.

8.48.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Master Agreement shall be maintained by the Contractor in accordance with sub-paragraph 8.41, Record Retention and Inspection/Audit Settlement.

8.49 TERMINATION FOR DEFAULT

8.49.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Master Agreement, if, in the judgment of the Director or his designee.

- Contractor has materially breached this Master Agreement; or
- Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Master Agreement; or
- Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Master Agreement, or of any obligations of this Master Agreement and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

8.49.2 In the event that the County terminates this Master Agreement in whole or in part as provided in sub-paragraph 8.49.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor shall continue the performance of this Master Agreement to the extent not terminated under the provisions of this sub-paragraph.

8.49.3 Except with respect to defaults of any subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in sub-paragraph 8.49.2 if its failure to perform this Master Agreement arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or Contractual capacity, acts of federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and

subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this sub-paragraph, the term "subcontractor(s)" means subcontractor(s) at any tier.

8.49.4 If, after the County has given notice of termination under the provisions of this sub-paragraph 8.49, it is determined by the County that the Contractor was not in default under the provisions of this sub-paragraph 8.49, or that the default was excusable under the provisions of sub-paragraph 8.50.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to sub-paragraph 8.48 - Termination for Convenience.

8.49.5 The rights and remedies of the County provided in this sub-paragraph 8.49 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

8.50 TERMINATION FOR IMPROPER CONSIDERATION

8.50.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Master Agreement if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Master Agreement or securing favorable treatment with respect to the award, amendment, or extension of this Master Agreement or the making of any determinations with respect to the Contractor's performance pursuant to this Master Agreement. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

8.50.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Fraud Hotline at (800) 544-6861 or www.lacountyfraud.org.

8.50.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

8.51 TERMINATION FOR INSOLVENCY

8.51.1 The County may terminate this Master Agreement forthwith in the event of the occurrence of any of the following:

- Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;

- The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;

- The appointment of a Receiver or Trustee for the Contractor; or

- The execution by the Contractor of a general assignment for the benefit of creditors.

8.51.2 The rights and remedies of the County provided in this sub-paragraph 8.51 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

8.52 TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE

The Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the Contractor, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Master Agreement, upon which the County may in its sole discretion, immediately terminate or suspend this Master Agreement.

8.53 TERMINATION FOR NON-APPROPRIATION OF FUNDS

Notwithstanding any other provision of this Master Agreement, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Master Agreement during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Master Agreement in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Master Agreement, then this Master Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.54 TIME OFF FOR VOTING

The Contractor shall notify its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the time off for voting law (Elections Code Section 14000). Not less than ten (10) days before every statewide election, every Contractor and subcontractor shall keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of Elections Code Section 14000.

8.55 UNLAWFUL SOLICITATION

The Contractor shall inform all of its officers and employees performing services hereunder of the provisions of Article 9 of Chapter 4 of Division 3 (commencing with section 6150) of Business and Professions Code of the State of California (i.e. State Bar Act provisions regarding unlawful solicitation as a runner or capper for attorneys) and shall take positive and affirmative steps in its performance hereunder to ensure that there is no violation of said provisions by its officers and employees. Contractor agrees that if a patient requests assistance in obtaining the services of any attorney, it will refer the patient to the attorney referral service of all those bar associations within Los Angeles County that have such a service.

8.56 VALIDITY

If any provision of this Master Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Master Agreement and the application of such provision to other persons or circumstances shall not be affected thereby.

8.57 WAIVER

No waiver by the County of any breach of any provision of this Master Agreement shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Master Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in this sub-paragraph 8.57 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

8.58 WARRANTY AGAINST CONTINGENT FEES

8.58.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Master Agreement upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

8.58.2 For breach of this warranty, the County shall have the right to terminate this Master Agreement and, at its sole discretion, deduct from the Master Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

8.59 COMPLIANCE WITH COUNTY'S ZERO TOLERANCE HUMAN TRAFFICKING POLICY

8.59.1 The Contractor acknowledges that the County has established a Zero Tolerance Human Trafficking Policy prohibiting Contractors from engaging in human trafficking.

8.59.2 If a Contractor or member of the Contractor's staff is convicted of a human trafficking offense, the County shall require that the Contractor or member of the Contractor's staff be removed immediately from performing services under this Master Agreement. The County will not be under any obligation to disclose confidential information regarding the offenses other than those required by law.

8.59.3 Disqualification of any member of the Contractor's staff pursuant to this sub-paragraph shall not relieve the Contractor of its obligation to complete all work in accordance with the terms and conditions of this Master Agreement.

9.0 UNIQUE TERMS AND CONDITIONS

9.1 NO INTENT TO CREATE A THIRD PARTY BENEFICIARY CONTRACT

Notwithstanding any other provision of this Master Agreement, the parties do not in any way intend that any person shall acquire any rights as a third party beneficiary of this Master Agreement.

9.2 REPORTING OF CHILD/ELDER AND DEPENDENT ADULT ABUSE

9.2.1 The Contractor staff working on this Master Agreement shall comply with California Penal Code (hereinafter "PC") Section 11164 et seq. and shall report all known and suspected instances of child abuse to an appropriate child protective agency, as mandated by these Code sections and shall submit all required information, in accordance with the PC Sections 11166 and 11167.

9.2.2 The Contractor staff working on this Master Agreement shall comply with California Welfare and Institutions Code (WIC) Section 15600 et seq. and shall report all known or suspected instances of physical abuse of elders and dependent adults either to an appropriate County adult protective services agency or to a local law enforcement agency, as mandated by these Code sections. The Contractor staff working on this Master Agreement shall make the report on such abuse, and shall submit all required information, in accordance with the WIC Sections 15630, 15633 and 15633.5.

9.2.3 Contractor staff's failure to report as required is considered a breach of this Master Agreement subject to immediate termination and is also a misdemeanor, punishable by up to one (1) year in jail, a fine of up to five thousand dollars ($5,000), or both.

9.3 CONTRACTOR'S CHARITABLE ACTIVITIES COMPLIANCE

The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the Charitable Contributions Certification, Exhibit I, the County seeks to ensure that all County contractors which receive or raise charitable contributions comply with California law in order to protect the County and its taxpayers. A Contractor which receives or raises charitable contributions without complying with its obligations under

California law commits a material breach subjecting it to either contract termination or debarment proceedings or both. (County Code Chapter 2.202).

AUTHORIZATION OF MASTER AGREEMENT FOR RADIATION THERAPY SERVICES

IN WITNESS WHEREOF, the Board of Supervisors of the County of Los Angeles has caused this Master Agreement to be executed by the Director of the Department of Health Services or designee and approved by County Counsel, and Contractor has caused this Master Agreement to be executed in its behalf by its duly authorized officer, the day, month and year first above written.

MASTER AGREEMENT FOR RADIATION THERAPY SERVICES

STATEMENT OF WORK (SOW)

1.0 SCOPE OF WORK

Under this Master Agreement, Contractors shall provide, as required by County, certain Radiation Therapy Services (hereafter "Services") for patients referred by High Desert Regional Health Center (HDRHC), Coastal Cluster - Harbor-UCLA Medical Center (H-UCLA MC), Southwest Cluster - Martin Luther King, Jr. Outpatient Center (MLK-OC), Rancho Los Amigos National Rehabilitation Center (RLANRC), LAC+USC Healthcare Network - LAC+USC Medical Center (LAC+USC) and San Fernando Valley Cluster/Valley Care - Olive View-UCLA Medical Center (OV-UCLA MC), (hereafter "County") under this Master Agreement. The services may include: 1) radiology services including magnetic resonance imaging (MRI), 2) computed tomography (CT) simulation, 3) nuclear medicine, 4) cardiac and vascular diagnostic testing, and 5) oncology radiation therapy treatment. Additionally, the provision of radiation oncology services may include, but not be limited to, 1) conventional external beam radiation therapy, 2) 3-Dimensional (3-D) conformal radiation therapy, 3) brachytherapy, 4) Intensive Modulated Radiation Therapy (IMRT), 5) stereotactic radiation (both stereotactic brain and stereotactic whole body), palliative therapy, and 6) intraoperative radiation therapy. These services shall be provided for patient referrals when these services are not available at the referring Facility.

2.0 ADDITION/DELETION OF FACILITIES, SPECIFIC TASKS AND/OR WORK HOURS

The Director may, with the mutual agreement of Contractor, include the referral of patients from additional DHS Facilities located within Los Angeles County. The addition of such referral sites shall be memorialized through a written Amendment to this Master Agreement in accordance with Paragraph 8.0, Standard Terms and Conditions, Sub-paragraph 8.1 Amendments, of the Master Agreement. .

3.0 QUALITY CONTROL

The Contractor shall establish and utilize a comprehensive Quality Control Plan to assure the County a consistently high level of service throughout the term of the Master Agreement. The Plan shall be submitted to the Facility Project Manager for review. The plan shall include, but may not be limited to the following:

3.1 Method of monitoring to ensure that Master Agreement requirements are being met;

3.2 A record of all inspections conducted by the Contractor, any corrective action taken, the time a problem was first identified, a clear description of the problem, and the time elapsed between identification and completed corrective action, shall be provided to the County upon request.

4.0 QUALITY ASSURANCE PLAN

The County will evaluate the Contractor's performance under this Master Agreement using the quality assurance procedures as defined in Paragraph 8.0, Standard Terms and Conditions, sub-paragraph 8.17, County's Quality Assurance Plan of the Agreement.

4.1 Monthly Meetings

Contractor may be required to attend scheduled quality assurance meetings (no more than monthly) at the request of the Facility Project Manager. Failure to attend may cause an assessment of fifty dollars ($50) per failure to attend.

4.2 Contractor Discrepancy Report - Attachment 1

Verbal notification of a Master Agreement discrepancy will be made to the Contractor Project Manager as soon as possible whenever a discrepancy is identified. The problem shall be resolved within a time period mutually agreed upon by the County and the Contractor.

The Facility's Project Manager will determine whether a formal Contractor Discrepancy Report shall be issued. Upon receipt of this document, the Contractor is required to respond in writing to the Facility's Project Manager within five (5) business days with a plan for correction of all deficiencies identified in the Contractor Discrepancy Report.

4.3 County Observations

In addition to departmental contracting staff, other County personnel may observe performance, activities, and review documents relevant to this Agreement at any time during normal business hours. However, these personnel may not unreasonably interfere with the Contractor's performance.

5.0 DEFINITIONS

5.1 JCAHO: Joint Commission on Accreditation of Healthcare Organizations

6.0 RESPONSIBILITIES

The County's and the Contractor's responsibilities are as follows:

COUNTY

6.1 Personnel

The County will administer the Master Agreement according to the Master Agreement, Paragraph 6.0, Administration of Master Agreement - County. Specific duties will include:

6.1.1 Monitoring the Contractor's performance in the daily operation of this Master Agreement.

6.1.2 Providing direction to the Contractor in areas relating to policy, information and procedural requirements.

6.1.3 Preparing Amendments in accordance with Paragraph 8.0, Standard Terms and Conditions, sub-paragraph 8.1, Amendments of the Master Agreement.

CONTRACTOR

6.2 Project Manager

6.2.1 Contractor shall provide a full-time Project Manager or designated alternate. County must have access to the Project Manager during all hours, 365 days per year. Contractor shall provide a telephone number where the Project Manager may be reached on a twenty-four (24) hour per day basis.

6.2.2 Project Manager shall act as a central point of contact with the County.

6.2.3 Project Manager shall have a minimum of one (1) year of experience providing managerial oversight in a Radiation Oncology Agency.

6.2.4 Project Manager/alternate shall have full authority to act for Contractor on all matters relating to the daily operation of the Master Agreement. Project Manager/alternate shall be able to effectively communicate in English, both orally and in writing.

6.3 Personnel

6.3.1 Contractor shall assign a sufficient number of employees to perform the required work. At least one employee, at each site where services are provided, shall be authorized to act for Contractor in every detail and must speak and understand English.

6.3.2 Contractor shall be required to background check their employees as set forth in Paragraph 7.0, Administration of Master Agreement – Contractor, sub-paragraph 7.5, Background & Security Investigations, of the Master Agreement.

6.4 Physical Examination

Contractor shall ensure that each person who performs patient care services under this Master Agreement is examined by a California licensed physician on an annual or biannual basis, as required by JCAHO and section 70723, Title 22, California Code of Regulations, and shall provide County, upon request, with written certification that each such person is free of infectious disease(s).

6.5 Materials and Equipment

The purchase of all materials/equipment to provide the needed services is the responsibility of the Contractor. Contractor shall use materials and equipment that are safe for the environment and safe for use by the employee.

6.6 Training

6.6.1 Contractor shall provide training programs for all new employees and continuing in-service training for all employees.

6.6.2 All employees shall be trained in their assigned tasks and in the safe handling of equipment. All equipment shall be checked daily for safety. All employees must wear safety and protective gear according to OSHA standards.

6.7 Contractor's Office

Contractor should have a local office in operation located within Southern California, defined as within the boundaries of the following Counties: Los Angeles, Orange, Riverside, San Bernardino, San Diego, Santa Barbara and Ventura.

Contractor shall maintain their office(s) with a telephone in the company's name where Contractor conducts business. The office(s) shall be staffed during the hours of 8:00 a.m. to 5:00 p.m., Monday through Friday, by at

least one employee who can respond to inquiries and complaints which may be received about the Contractor's performance of the Master Agreement. When the office is closed, an answering service shall be provided to receive calls. The Contractor shall answer calls received by the answering service within two (2) hours of receipt of the call.

6.8 Licenses, Permits, Registrations, Accreditations and Certificates

Contractor shall obtain and maintain during the term of this Agreement all licenses, permits, registrations, accreditations and certificates required by law for the operation of its business and for the provision of services hereunder. Contractor shall further ensure that all of its officers, employees and agents who perform services hereunder obtain and maintain in effect during the term of this Agreement all licenses, permits, registrations, accreditations and certificates required by law which are applicable to their performance hereunder, such as: possess an X-Ray Supervisor and Operator's Permit to perform fluoroscopy examinations on site as applicable, be an authorized user with a State of California Radioactive Materials license for the provision of final reports on Nuclear Medicine Imaging examinations, and possess a Cardio-Pulmonary Resuscitation Certification, as required. Copies of such licenses, permits, registrations, accreditations and certificates shall be made available to County upon request.

7.0 SPECIFIC WORK REQUIREMENTS

7.1 Contractor shall provide the Radiation Therapy Services listed in Exhibit B Pricing Schedule - Compensation Rates for Radiation Therapy Services, Schedule 2 Per Treatment/Procedure Rates for County-Responsible and County-Referred patients.

All Services provided pursuant to this Master Agreement shall be performed under the supervision of physicians duly licensed to practice medicine in the State of California and performed at the Facilities listed under the Exhibit A, Attachment 4, Contractor's Practice Locations and Contract Liaison form.

7.2 All services must be authorized in advance by County. Proof of such authorization shall be evidenced by a form (hereafter "Authorization Form") issued to the patient by County. Said Authorization Form need not be the original, but may instead be a photocopy or facsimile and need not be carried by the patient, if it has been transmitted to the Contractor's facility prior to the patient's arrival for diagnosis, or treatment, or both. Invoices without written proof of authorization will not be processed or paid.

7.3 County shall notify Contractor in advance when special provisions are necessary for patients who require isolation procedures.

7.4 Written reports of test results or therapeutic services provided under this Master Agreement must be on test forms which conform to County's required format and which can be entered directly into County's patient medical records. Each report must contain all data and information as specified by JCAHO and by the State Department of Health Services. Where possible and when requested by the referring Facility, reports will be provided electronically through Access to ORCHID for integration into an electronic health record.

7.5 Contractor shall provide the referring Facility with written reports for all services provided. When requested, Contractor shall provide County with the original and any copies of images or films. Such film may be provided in an electronic or film format, based on the needs of the referring facility.

7.6 Contractor shall provide County with a preliminary report within twenty-four (24) hours after provision of Services. A verbal preliminary report shall be provided within twenty-four (24) hours if results are abnormal or upon request of County.

7.7 Contractor shall submit all final written reports and any requested images or films to the County Facility during the Facility's normal business hours (8:00 a.m. to 4:30 p.m.), Monday through Friday, at the following address:

Attention: Department of Medicine

When agreed to by Contractor and the Facility Project Manager, reports may be transmitted in an approved electronic format.

Final reports for outpatients must be received by the County referring facility within five (5) working days after the provision of services. County shall have no obligation to pay for any late reports.

Reports for immediate (STAT) Services shall be telephoned to County contact numbers provided to the Contractor by the Facility Project Manager.

7.8 **STANDARDS OF CARE:**

Contractor shall provide for supervision and monitoring of the medical care provided pursuant to this Master Agreement.

7.8.1 Contractor's facility and Services shall be in conformance with the standards of JCAHO and with all applicable federal and State statutes, regulations and related requirements, as amended from time to time, which are applicable to Contractor's provision of Services under this Master Agreement.

7.8.2 County has established a Quality Assessment and Improvement Committee (QA and QI) composed of County employees appointed by Director to review the Services contemplated by this Master Agreement and to assure a standard of care by Contractor and others which is consistent with the laws of the State and federal governments, County's QA and QI standards and the prevailing stands of medical practice in the community. Contractor agrees to adhere to the standards thereby established and will permit review of Contractor's patient medical records for County-Responsible and Referred patients by County's QA and QI Committee representatives..

7.8.3 Contractor shall establish and maintain a written QA and QI Program that describes the program objectives, organization and mechanisms for overseeing the effectiveness of monitoring, evaluation and problem-solving activities. Contractor shall provide a copy of such plan to County within thirty (30) days of the effective date of this Master Agreement. Such a plan shall be reviewed by County's QA and QI Committee to ensure compliance with the applicable JCAHO standards. Contractor shall maintain records of peer review plans, audit results, problems identified and corrective actions for a period of ten (10) years from the date such records

were prepared, and shall have them available upon request for review by County's QA and QI Committee.

7.8.4 **Infection Control**

If Contractor's employees are diagnosed with an infectious disease and such employees have had contact with a County-responsible or County-Referred patient during the usual incubation period for such infectious disease, Contractor shall report such occurrences to the referring facility's Infection Control Department at contact numbers provided by the Facility Project Manager.

If a County-Responsible or County-Referred Patient is diagnosed with an infectious disease, and the County-Responsible or County-Referred patient has had contact with Contractor's employees during the usual incubation period for such infectious disease, County shall report such occurrences to Contractor.

For purposes of this Master Agreement, the infectious diseases reportable hereunder are those listed in the Public Health List of Reportable Diseases.

7.8.5 **Emergency Medical Treatment**

For County-Responsible or County-Referred Patients, emergency medical care may be required for physical illness or accident while at Contractor's facility, and where such care is not available at Contractor's facility, Contractor may authorize such emergency care. In such instances, Contractor must notify County of the emergency and the actions taken in accordance with the following procedures:

7.8.5.1 Within two hours of notification of the onset of illness or accident, Contractor shall contact the County Facility Project Manager and submit the following information to the Medical Director's Office:

(1) Name of Contractor;

(2) Name of patient and medical record;

(3) Hospital to which patient has been transported if applicable;

(4) Name of attending physician for the patient, if possible;

(5) Complete diagnosis of patient, if available;

(6) Approximate length of time until patient can be safely transported back to County.

7.8.5.2 Contractor shall submit a written report County's Risk Manager within five (5) working days of the incident.

7.8.5.3 Contractor shall prepare a separate invoice covering all costs incurred by Contractor in providing such extraordinary care. Such invoice, however, will not be processed or paid unless the above procedures have been followed completely.

8.0 PERFORMANCE REQUIREMENTS SUMMARY

8.1 All listings of services used in the Performance Requirements Summary (PRS) are intended to be completely consistent with the Master Agreement and the SOW, and are not meant in any case to create, extend, revise, or expand any obligation of Contractor beyond that defined in the Master Agreement and the SOW. In any case of apparent inconsistency between services as stated in the Master Agreement and the SOW and the PRS Chart, Attachment 2, the meaning apparent in the Master Agreement and the SOW will prevail. If any service seems to be created in this PRS which is not clearly and forthrightly set forth in the Master Agreement and the SOW, that apparent service will be null and void and place no requirement on Contractor.

8.2 The Contractor is expected to perform all services described herein. The PRS Chart describes certain required services which will be monitored by the County during the term of the Master Agreement, and for which Contractor may be assessed financial deductions from payment if the service has not been satisfactorily provided. The PRS Chart indicates the SOW and/or Master Agreement section of the performance referenced (column 1); the service to be provided (column 2); the monitoring method that will be used (column 3); and the deductions/fees to be assessed for services that are not satisfactory (column 4).

TRAUMA CENTER SERVICE AGREEMENT

THIS AGREEMENT is made and entered into this 1st day of July, 2008,

by and between COUNTY OF LOS ANGELES (hereafter "County"),

and ST. FRANCIS MEDICAL CENTER (hereafter "Contractor")

WHEREAS, various general acute care hospitals located within Los Angeles County have been identified by County as hospitals which are uniquely staffed and equipped to provide appropriate care to emergency patients who suffer major trauma; and

WHEREAS, Contractor is willing to accept and care for trauma patients at hospital under County's advanced trauma system and in accordance with the terms and conditions which follow herein; and

WHEREAS, Contractor, by virtue of the parties' execution of this Agreement, is a County designated Trauma Center; and

WHEREAS, this Agreement establishes funding available to Contractor for certain services performed during the term of this Agreement for services to be performed by Contractor described herein in accordance with the terms and conditions under this Agreement; and

WHEREAS, Contractor has agreed to use its best efforts to maintain continuous participation as a County-designated Trauma Center and Paramedic Base Hospital during the term of this

Agreement; and

WHEREAS, the Agreement is authorized by Health and Safety Code Sections 1797.204, 1797.252, and 1798.170, Government Code Section 26227, as well as by provisions of Welfare and Institutions Code Section 16946.

NOW, THEREFORE, the parties agree as follows:

1. TERM:

A. This Agreement supersedes all other previous agreements entitled "Trauma Center Service Agreement" and shall commence effective July 1, 2008, and it shall remain in full force and effect until June 30, 2010, without further action of the parties. In any event, County may terminate this Agreement in accordance with the TERMINATION Paragraphs of the ADDITIONAL PROVISIONS hereunder.

B. Notwithstanding any other provision of this Agreement, Director of County's Department of Health Services or his duly authorized designee (jointly hereafter referred to as "Director") may immediately suspend this Agreement at any time if Contractor's license to operate basic or comprehensive emergency services is revoked or suspended. If such licensure, suspension, or revocation remains in effect for a period of at least sixty (60) days, Director may terminate this

Agreement upon giving at least thirty (30) days prior written notice to Contractor.

C. Notwithstanding any other provision hereof, Director may suspend this Agreement immediately upon giving written notice to Contractor, if Contractor, its agents, subcontractors, or employees at Contractor may be engaging in a continuing course of conduct which poses an imminent danger to the life or health of patients receiving or requesting medical care and services at Contractor. Any such action by Director shall be subject to the "due process" procedures established in Paragraph 16 hereinbelow.

D. Notwithstanding any other provision of this Agreement, in the event the County makes a final decision to implement a central hospital base station concept, Director may withdraw the requirement that Contractor maintain designation as a base hospital, furnish base hospital services, and meet all requirements set forth in Exhibit "F", Paramedic Base Hospital Requirements, attached hereto and incorporated herein by reference by giving Contractor at least one-hundred eighty (180) days prior written notice thereof. This provision shall not affect County's right to terminate this Agreement for cause under Paragraph 37 of the

Additional Provisions of the Agreement.

E. Notwithstanding any other provision of this Agreement, either party may terminate this Agreement with or without cause by giving the other party at least sixty (60) days prior written notice thereof. This provision shall not affect County's right to terminate this Agreement for cause under Paragraph 37 of the Additional Provisions of the Agreement.

F. If the State EMS Authority and the State EMS Commission disapprove for any reason the County's trauma system plan, County may terminate this Agreement by providing written notice to Contractor of the State's action, and by setting forth in the notice an effective date of termination which is no less than thirty (30) days from the date of the County's receipt of notification of the State's action, but which is no more than sixty (60) days from said date.

G. In accordance with this Agreement, Contractor may, during the term of this Agreement, submit claims for services provided to eligible indigent patients. In consideration for services to be performed by Contractor under this Agreement, these claims will be reimbursed at the all-inclusive rates set forth in Exhibit B.

2. ADDITIONAL PROVISIONS: Attached hereto and incorporated herein by reference, is a document labeled "ADDITIONAL PROVISIONS". The terms and conditions therein contained are part of this Agreement.

3. SPECIFIC RESPONSIBILITIES OF COUNTY'S DEPARTMENT OF HEALTH SERVICES (COUNTY'S LOCAL EMERGENCY MEDICAL SERVICES (EMS) AGENCY):

A. The Department of Health Services ("Department") shall develop and monitor compliance with triage protocols and procedures for County's trauma system.

B. The Department shall be responsible for the development and ongoing evaluation and Performance Improvement of the trauma system.

C. The Department shall be responsible for periodic performance evaluations of the trauma system, which shall be conducted at least every three (3) years in conjunction with the American College of Surgeons review. The evaluation shall be based, in part, on requirements described in Exhibit "A.I", Level I Trauma Center Requirements, Exhibit "A.II", Level II Trauma Center Requirements, Exhibit "A.III", Level I Pediatric Trauma Center Requirements, and Exhibit "A.IV", Level II Pediatric Trauma Center Requirements, attached hereto and incorporated herein by reference. Results

of the trauma evaluation shall be made available to individual participants.

D. The Department shall implement policies and procedures for quality improvement in order to monitor the appropriateness and quality of care rendered to trauma patients in Los Angeles County as described under Paragraph 15 hereinbelow.

E. The Department shall be responsible for maintaining a source of reimbursement for eligible indigent patients described in Exhibit "B", Provisions For Reimbursement of Eligible Indigent Patients, attached hereto and incorporated herein by reference.

F. One or more individuals within the Department shall be designated by Director to liaise with all Los Angeles County designated Trauma Centers with respect to matters affecting County's advanced trauma system.

G. The Department shall be responsible for ensuring that Trauma Centers and other hospitals that treat trauma patients participate in the data and quality improvement process.

H. The Department shall be responsible for ensuring that patient inclusion in the data collection system is based on Exhibit "C", Patient Inclusion in the Trauma Center Data System, attached hereto and incorporated

herein by reference.

I. The Trauma Center data collection system requirements are described and set forth in Exhibit "D", Trauma Center Data Collection System, attached hereto and incorporated herein by reference. The Department shall comply with all Department responsibilities for the Trauma Center data collection system in Exhibit "D".

J. The Department, after consultation with and advice from the Emergency Medical Services Commission ("EMSC"), EMS Data Advisory Committee shall maintain a comprehensive Trauma Center data collection system. The composition of the EMS Data Advisory Committee, is described in Exhibit "E", Data Advisory Committee Membership, attached hereto and incorporated herein by reference.

K. The Department shall monitor the trauma patient catchment area defined for Contractor to ensure that trauma patients are triaged appropriately to Contractor. Contractor acknowledges receipt of a map defining its catchment area as of the date of execution of this Agreement.

L. The Department may modify trauma patient catchment areas from time to time to meet the needs of the advanced trauma system. In the event that a catchment area is to be changed, then sixty (60) days prior to

the effective date of the change, the Department shall give written notice to all designated Trauma Centers. All impacted Trauma Centers which are not County operated, including Contractor, shall be afforded the opportunity to provide written statements regarding the proposed change. If Contractor is adversely affected by the change of the catchment areas, Contractor shall be provided with "due process" as specified in Paragraph 16 hereinbelow prior to the change in the catchment areas.

M. In the event that an existing Trauma Center ceases to participate in the advanced trauma system, the Department shall first attempt to reconfigure the trauma patient catchment areas so as to provide coverage for the area no longer served by such hospital by utilizing existing Trauma Centers. If coverage cannot be provided by the use of existing Trauma Centers, the Director shall give written notice to Contractor and to all concerned designated Trauma Centers of any Department intention to seek a new hospital to provide the coverage. Contractor and all other concerned designated Trauma Centers shall have the opportunity to provide written statements to Director within ten (10) days of receipt of such

notification regarding the proposed change. If Contractor believes it would be adversely affected by the addition of a new Trauma Center in such circumstances, Contractor may present its complaint in accordance with the "due process" provisions specified in Paragraph 16 hereinbelow prior to County designation of the new Trauma Center.

N. Interim System Re-Configuration. The Department may, on an interim basis, restructure the trauma system as it deems necessary, in those instances when a Contractor gives notice that it is withdrawing from the system or when a Contractor is suspended or terminated from the prehospital care system. In the event that an interim restructuring occurs, any affected Contractor shall be given the opportunity to provide written and oral statements regarding the restructuring to the local EMS agency. The affected existing Contractors shall be provided with the "due process" procedures as specified in Paragraph 16 hereinbelow.

O. The Department shall follow the trauma system policy which addresses the coordination with all health care organizations within the trauma system to facilitate the transfer of an organization member in accordance with the criteria set forth in Paragraph 11

hereinbelow.

4. SPECIFIC RESPONSIBILITIES OF CONTRACTOR:

A. Contractor shall furnish Trauma Center services to patients in need thereof who are delivered, or present themselves, to Contractor. In the provision of such services, Contractor shall comply at all times during the term of this Agreement with the staffing criteria and other requirements of applicable Exhibits "A.I" - "A.IV".

B. The Contractor shall comply with the reimbursement process for eligible indigent patients described in Exhibit "B", attached hereto and incorporated herein by reference.

C. The Contractor shall include only those patients that meet inclusion in the data collection system based on Exhibit "C", attached hereto and incorporated herein by reference.

D. The Contractor shall comply with all Contractor responsibilities for the Trauma Center data collection system in Exhibit "D", attached hereto and incorporated herein by reference.

E. It is understood and agreed that medical care furnished to patients pursuant to this Agreement shall be provided by physicians duly licensed to practice

medicine in the State of California, and the agreement by Contractor to arrange for the furnishing of such treatment at hospital is not to be construed as Contractor entering into the practice of medicine. This provision shall not limit the right of practitioners or nursing personnel affiliated with or employed by Contractor at hospital to render any and all services within the scope of their professional licensure or certification, as permitted by Contractor=s rules, regulations, and policies with respect thereto.

F. Contractor shall maintain designation as a base hospital, furnish base hospital services, and meet all requirements set forth in Exhibit "F", Paramedic Base Hospital Requirements, attached hereto and incorporated herein by reference. The foregoing base hospital requirement shall not apply to Childrens Hospital Los Angeles or to a Contractor that has lost its designation as a base hospital in accordance with Paragraph 1(D) of this Agreement.

5. INDEMNIFICATION: Contractor shall indemnify, defend, and hold harmless County, elected and appointed officers, employees, and agents from and against any and all liability, including but not limited to demands, claims,

actions, fees, costs, and expenses (including attorney and expert witness fees), arising from or connected with Contractor's acts and/or omissions arising from and/or relating to this Agreement.

County shall indemnify, defend, and hold harmless Contractor and its officers, employees and agents, from and against any and all liability, including but not limited to demands, claims, actions, fees, costs and expenses (including attorney and expert witness fees), arising from or connected with County's acts and/or omissions arising from and/or relating to this Agreement.

6. GENERAL INSURANCE REQUIREMENTS: Without limiting Contractor's indemnification of County, and during the term of this Agreement, Contractor shall provide and maintain, and shall require all of its subcontractors to maintain, the following programs of insurance specified in this Agreement. Such insurance shall be primary to and not contributing with any other insurance or self-insurance programs maintained by County, and such coverage shall be provided and maintained at Contractor's own expense.

A. Evidence of Insurance: Certificate(s) or other evidence of coverage satisfactory to County shall be delivered to County's Department of Health Services, Contracts and Grants Division, 313 North Figueroa

Street, Sixth Floor-East, Los Angeles, California 90012, prior to commencing services under this Agreement. Such certificates or other evidence shall:

(1) Specifically identify this Agreement.

(2) Clearly evidence all coverages required in this Agreement.

(3) Contain the express condition that Contractor will use best efforts to give County written notice by mail at least thirty (30) calendar days in advance of cancellation for all policies evidenced on the certificate of insurance. Should Contractor receive notice from insurer of a cancellation to take effect earlier than thirty (30) calendar days from such notice, Contractor shall use best efforts to notify County in writing of such cancellation on the next business day.

(4) Include copies of the additional insured endorsement to the commercial general liability policy, adding County of Los Angeles, its Special Districts, its officials, officers, and employees as insured for all activities arising from this Agreement.

(5) Identify any deductibles or self-insured retentions for County's approval. Contractor

shall be responsible for all deductibles as they apply to any insurance coverage with respect to this Agreement.

B. Insurer Financial Ratings: Insurance is to be provided by an insurance company acceptable to County with an A.M. Best rating of not less than A: VII, unless otherwise approved by County.

C. Failure to Maintain Coverage: Failure by Contractor to maintain the required insurance, or to provide evidence of insurance coverage acceptable to County, shall constitute a material breach of contract upon which County may immediately terminate or suspend this Agreement. County, at its sole option, may obtain damages from Contractor resulting from said breach.

D. Notification of Incidents, Claims, or Suits: Contractor shall report to County:

(1) Any third party claim or lawsuit filed against Contractor arising from or related to services performed by Contractor under this Agreement.

(2) Any loss, disappearance, destruction, misuse, or theft of any kind whatsoever of County property, monies or securities entrusted to Contractor under the terms of this Agreement.

(3) Simultaneously, any injury, death or treatment of

a patient provided services covered in this Agreement for which Contractor provides any report/notice to the Joint Commission on Accreditation of Hospital Organization (JCAHO), or any report/notice as required under Title 22, C.C.R.70737 (e.g., unusual occurrence). Such report to County shall only include the patient name, date, and treatment.

E. Insurance Coverage Requirements for Subcontractors: Except as set forth below, Contractor shall ensure that any and all non-physician subcontractors (e.g. pump technicians) performing medical care and treatment services under this Agreement shall meet the professional liability insurance requirements of this Agreement by either:

(1) Contractor providing evidence of insurance covering the activities of subcontractors, or

(2) Contractor providing evidence submitted by subcontractors evidencing that subcontractors maintain the required insurance coverage. County retains the right to obtain copies of evidence of subcontractor insurance coverage at any time.

The amount of professional liability insurance required in this Agreement for non-physician

subcontractors would be an amount equal to that which the County routinely requires in its agreements with non-physician contractors providing similar medical care and treatment services to the County.

F. Insurance Coverage Requirements for Affiliate Physicians: Contractor shall ensure that any and all physicians, either individually, or by or through a related medical group, physician group, or independent physician association where appropriate, with privileges to perform or otherwise performing any services covered under this Agreement on premises of or used by Contractor maintain professional liability insurance covering liability arising from any error, omission, negligent, or wrongful act of such physician(s) with limits of not less than One Million Dollars ($1,000,000) per occurrence and Three Million Dollars ($3,000,000) aggregate. The coverage also shall provide an extended two (2) year reporting period commencing upon the termination or cancellation of this Agreement, only if such coverage is consistent with the industry standard in California.

7. SPECIFIC INSURANCE COVERAGE REQUIREMENTS:

A. General Liability Insurance: (written on ISO policy form CG 00 01 or its equivalent) with limits of not

less than the following:

General Aggregate:	$2 Million
Personal and Advertising Injury:	$1 Million
Each Occurrence:	$1 Million

B. Automobile Liability Insurance: (written on ISO policy form CA 00 01 or its equivalent) with a limit of liability of not less than One Million Dollars ($1,000,000) for each accident. Such insurance shall include coverage for all "owned", "hired", and "non-owned" vehicles, or coverage for "any auto".

C. Workers' Compensation and Employers' Liability: Insurance providing workers' compensation benefits, as required by the Labor Code of the State of California or by any other state, and for which Contractor is responsible. If Contractor's employees will be engaged in maritime employment, coverage shall provide workers' compensation benefits as required by the U.S. Longshore and Harbor Worker's Compensation Act, Jones Act, or any other Federal law for which Contractor is responsible.

In all cases, the above insurance also shall include Employers' Liability coverage with limits of not less than the following:

Each Accident:	$1 Million
Disease - Policy Limit:	$1 Million

Disease - Each Employee $1 Million

D. Professional Liability: Insurance maintained by Contractor covering liability arising from any error, omission, negligent or wrongful act of Contractor, its officers, or employees with limits of not less than Three Million Dollars ($3,000,000) per occurrence. The coverage also shall provide an extended two (2) year reporting period commencing upon the termination or cancellation of this Agreement.

8. WAIVERS: Director may waive trauma center criteria contained in Exhibits "A.I" - "A.IV", when it is determined that the conditions necessitating the waiver request will be in effect less than seventy-two (72) hours for any one occurrence and that procedures exist to ensure that patient care is not jeopardized. Waivers may, upon discretion of Director, include but not be limited to, the following instances:

A. Temporary inability of Contractor to meet staffing requirements with regard to trauma team or any in-house or on-call or second call physicians whose absence, as determined by Director, would not jeopardize the welfare of trauma patients.

B. Temporary loss of function or restricted capacity of any of the special facilities, resources or

capabilities of Contractor, if such loss or restriction would not jeopardize the welfare of trauma patients. County recognizes that routine servicing and subsequent temporary inoperability ("down time") of the Computerized Tomography (CT) scanner does not require invocation of a waiver.

Contractor shall direct its waiver request to Director's office. If a waiver is given, Contractor shall re-contact Director as soon as the temporary staffing or the equipment deficiency for which the waiver was given has been resolved. If a deficiency has not been corrected within the time deemed appropriate by Director, Director may temporarily suspend Contractor's designation as a Trauma Center. In this event, Contractor shall notify surrounding base hospitals and Trauma Centers, and paramedic provider agencies serving Contractor's area that it is on temporary bypass status. When the deficiency necessitating bypass status has been corrected, Director may lift the suspension, and Contractor shall immediately notify such surrounding hospitals.

9. STANDARDS OF CARE:

A. Contractor shall provide for supervision and monitoring of care rendered under the terms of this Agreement in

accordance with the recognized standards thereof through regular review of patient medical records by Contractor's appropriately designated medical staff committee(s) at hospital. In addition, Contractor shall provide for specific quality improvement activities as described in the QUALITY IMPROVEMENT Paragraph 15, hereinbelow.

B. Contractor shall:

(1) maintain Contractor's accreditation by the Joint Commission on Accreditation of Healthcare Organizations (JCAHO) and be in conformance at hospital with the standards of the JCAHO which apply to the provision of emergency medical services.

(2) not subject trauma patients to avoidable delay in receiving necessary medical care at Contractor pending financial arrangements.

10. NUMBER OF PATIENTS TO BE TREATED: While the parties contemplate that persons suffering major trauma at locations near Contractor will normally be delivered to Contractor for care, the parties recognize that County can make no guarantee in this regard and further that County is unable to assure that any minimum number of trauma patients will be delivered to Contractor during the term of this Agreement.

11. PATIENT TRANSFERS:

A. Patients to whom service is being provided hereunder may be transferred between and from trauma centers to other medical facilities, including County-operated facilities, in compliance with JCAHO standards, Title 22 of the California Administrative Code, Emergency Medical Treatment and Active Labor Act (EMTALA), and other laws and protocols governing such transfers, providing that:

(1) any transfer shall be, as determined by the trauma center surgeon of record, medically prudent; and

(2) in accordance with local EMS agency interfacility transfer policies; and

(3) the transfer may not be refused if the receiving facility has the capacity to accept.

B. Contractor agrees to continue to provide services hereunder until a patient is transferred.

C. Contractor shall have written transfer agreements with trauma centers. Contractor shall develop written criteria for consultation and transfer of patients needing a higher level of care.

D. To the extent that it is not contrary to, or inconsistent with, any Federal or State law, regulation or policy, the County shall take the necessary steps to

ensure that preference is given to Contractor seeking to effectuate a medically prudent transfer of a patient to a County owned facility.

E. Contractor or other responsible party shall be financially liable for transportation of patients for whom services are rendered hereunder and who are being transferred from Contractor to any other facility. Nothing herein shall prevent Contractor from billing the patient or other financially responsible party for such services.

12. TRAUMA CENTER SIGNS: Contractor may, at its own expense, identify itself as a Trauma Center by placing signs to that effect on Contractor's grounds. Such signs shall exclude any reference to the level of its County designation and shall otherwise conform to local government regulations.

13. TRAUMA TEAM: Contractor agrees to designate trauma teams, whose members must include the general surgeon, and other team members as appropriate to respond to all trauma codes called either from the field or from the hospital. Upon activation of the trauma code, appropriate team members shall be available as defined in regulations and shall assemble in the trauma resuscitation area.

14. TRAUMA CENTER FEES: By payment as set forth in this paragraph, Contractor agrees to offset a portion of the cost

of the data collection effort excluding new hardware, the data management system, and a portion of the County's administrative costs for the trauma system and base hospital operation. The annual Trauma Center/Base Hospital fee for Fiscal Years 2008-09 and 2009-10 shall be Fifty-One Thousand Two Hundred Twenty-Seven Dollars ($51,227) and Fifty-Two Thousand Seven Hundred and Eighty-Two Dollars ($52,782), respectively, for each Contractor and is due on or before August 31 of the fiscal year. Since the base hospital requirement does not apply to Childrens Hospital Los Angeles, as noted in Paragraph 4. SPECIFIC RESPONSIBILITIES OF CONTRACTOR, Section F., the annual Trauma Center fee for Childrens Hospital Los Angeles for Fiscal Years 2008-09 and 2009-10 shall be Thirty-Nine Thousand Six Hundred and Seventy Dollars ($39,670) and Forty-One Thousand and Twenty-Eight Dollars ($41,028), respectively, and is due on or before August 31 of the fiscal year.

If this Agreement is revoked, cancelled, or otherwise terminated on a date other than June 30, the amount reflected herein above for such term shall be prorated, and a reduced amount, based upon the actual number of days of such term that the Agreement is in effect, shall be due County hereunder. If the greater sum has already been paid by Contractor, County shall refund the difference between

that payment and the prorated amount.

If this Agreement is revoked, cancelled, or terminated because of Contractor's failure to maintain the trauma system criteria as described in applicable Exhibits "A.I" - "A.IV", or failure to maintain an acceptable level of trauma care as determined by community standards, Contractor shall not be eligible for any such refund.

In any event, County shall refund to Contractor its prorated share of remaining funds contributed by designated County Trauma Centers to the data collection system, if the total cost of such programs, as determined by the County=s Auditor Controller and Director in accordance with standard auditing and accounting practices, is found to be less than the total amount contributed by designated Trauma Centers.

15. QUALITY IMPROVEMENT:

A. Specific rights of the Department:

(1) Director may from time to time review Contractor's policies and procedures regarding quality improvement as they pertain to care rendered under this Agreement.

(2) Director may request Contractor to verify that internal follow up is occurring by Contractor on a particular case under review by the Department. Contractor shall respond in writing within fifteen

(15) days of Director's written request.

B. Specific responsibilities of Contractor:

(1) Contractor shall conduct a detailed audit of:

(a) all trauma related deaths;

(b) all trauma patient transfers;

(c) all major complications.

(2) Contractor shall abide by the following requirements concerning case audit:

(a) Audit attendances must be documented by signature and rosters retained by Contractor;

(b) Audit minutes must be recorded and retained by Contractor.

(3) All such records shall be available to designees duly authorized by Director during the term of this Agreement and for a period of seven (7) years thereafter upon request of Director.

(4) Contractor shall further advise Director, upon request, what corrective action was taken on specific cases.

16. DUE PROCESS:

A. Notice of Proposed Adverse Action: In all cases in which the Director has the authority to, and pursuant to this authority, has taken any of the actions constituting grounds for hearing as hereafter set forth

in Subparagraph 16.B., Contractor shall promptly be given written notice of the specific charges and factual basis upon which the Director's action is based. With the exception of summary suspensions or summary suspension with intent to terminate, Contractor shall be afforded a right to request a hearing before implementation of any of the actions which constitute grounds for a hearing. Contractor shall have thirty (30) days following the receipt of such notice within which to file with Director a request for hearing before the EMSC.

B. Grounds for Hearing: Any one or more of the following actions constitute grounds for a hearing: summary suspension of Contractor as a Trauma Center; summary suspension with intent to terminate Agreement; Trauma Center operational and programmatic changes wherein Contractor has been given specific rights herein to request a hearing; modifications to Contractor's trauma patient catchment area; and the proposed addition of a new hospital as a Trauma Center when Contractor believes it would be adversely affected by such addition. Nothing in this paragraph 16 shall affect County's right to terminate Agreement under subparagraph 1.D.

C. Summary Suspension or Summary Suspension with Intent To Terminate: In the case of summary suspensions or summary suspension with intent to terminate this Agreement, Contractor, at its election, shall have the right to request in writing that Director reconsider the summary suspension action. Director shall act on this request for reconsideration within ten (10) days after the receipt of the reconsideration request. Contractor representatives shall be given an opportunity to meet with Director to discuss the alleged basis for the summary action.

Within ten (10) days following the meeting with Director, or within ten (10) days following the summary suspension action, Director shall issue a written decision to Contractor regarding the summary suspension. This decision may be that the suspension be continued for a particular time or upon particular condition, that the summary suspension be terminated, that Agreement be terminated, that other conditions be imposed on Contractor, or such other action as may seem warranted. If Director takes any action other than full and immediate termination of the summary suspension, Contractor may request a hearing on the summary suspension before the EMSC, as provided in this

Paragraph. Such request shall be in writing and addressed to Director. Such request shall be delivered to Director within five (5) days of Director's delivery to Contractor of his/her written decision.

D. Time and Place of Hearing: Director shall, within fifteen (15) days of receipt of a request for hearing, file a request for the hearing with the EMSC. The EMSC shall give notice to Contractor of the time, place, and date of the hearing in accordance with EMSC rules and procedures. The date of commencement of the hearing shall be not less than thirty (30) days, nor more than ninety (90) days from the filing of the request for a hearing, subject to the convenience and approval of the EMSC; however, if the request is received from Contractor when Contractor is under a summary suspension then in effect, Director shall attempt to arrange a hearing before the EMSC as soon as possible.

E. Notice of Charges: As part of, or together with the notice of hearing, Director shall state in writing, in concise language, the acts or omissions with which Contractor is charged or reasons for substantial operational change or restructuring. If either party, by written notice, requests a list of individuals who will appear on behalf of the other, then each party,

within ten (10) days of such request, shall furnish to the other a list, in writing, of the names and addresses of the individuals, so far as is then reasonably known, who will give testimony or evidence in support of that party at the hearing.

F. Hearing Procedure: At the hearing, subject to the rules of the EMSC, both sides shall have the following rights: to call and examine witnesses, to introduce exhibits, and to rebut any evidence. The EMSC may question witnesses.

G. Memorandum of Points and Authorities: Subject to the rules of the EMSC, each party shall have the right to submit a memorandum of points and authorities to the EMSC.

H. Basis of Decision: Subject to the rules of the EMSC, the EMSC decision on a hearing under this Agreement shall be based upon the evidence produced at the hearing. The evidence may consist of the following:

(1) oral testimony of the parties' representatives;

(2) documentary evidence introduced at the hearing;

(3) briefs or memorandum of points and authorities presented in connection with the hearing;

(4) policies and procedures of the Department;

(5) all officially noticed matters.

I. Record of Hearing: The parties understand that the EMSC maintains a record of hearings by one or more of the following methods: a shorthand reporter, a tape or disc recording, or by its clerk's minutes of the proceedings. If a shorthand reporter is specifically requested in writing by Contractor or by Director, the cost of same shall be borne by such party.

J. Decision of the EMSC: The decision of the EMSC shall be effective and binding on the parties to the extent permitted and prescribed in County Code Section 3.20.070B.

17. RESPONSIBILITY FOR INDIGENT PATIENTS: Nothing contained in this Agreement is intended nor shall it be construed to affect either party's existing rights, obligations, and responsibilities with respect to care required by or provided to indigent patients.

18. STATUS OF CONTRACTOR: The parties hereto agree that Contractor, its officers, agents, and employees, including its professional and nonprofessional personnel, shall act in an independent capacity and not as officers, agents, or employees of County and shall not have the benefits of County employees. Except as may otherwise expressly be provided hereunder, Contractor shall furnish all personnel, supplies, equipment, space, furniture, insurance, utilities,

and telephone necessary for performance of Contractor's responsibilities set forth in this Agreement. This Paragraph shall not preclude or limit Contractor from seeking reimbursement, contributions, tuition, or other payments from the public or from non-County provider agencies for services provided by Contractor hereunder where entitlement thereto is permitted by law or by separate contract.

19. INTERPRETERS: If Contractor is located in an area where communication problems may exist because of a high concentration of non-English-speaking residents, Contractor shall provide interpreters in accordance with the requirements for such services established under Section 70721, Title 22 of the California Administrative Code.

20. CONSUMER COMPLAINTS:

A. Contractor agrees to comply with all responsibilities and related requirements applicable under Section 70707, Title 22 of the California Administrative Code, to ensure that each patient receiving services hereunder at Contractor is made aware of the following information prior to discharge: the name, location, and telephone number of Contractor's representative responsible for handling patient complaints; means, including forms, for submitting complaints in writing

to that representative; a "Bill of Rights" defining patient prerogatives relative to matters on care, services, communication, and registry of complaints.

B. Contractor shall, on request, furnish to Director, copies of all trauma patient complaints, and the results of Contractor's investigation and action taken. All of Contractor's administrative files maintained on such complaints shall be open to inspection by Director. Such inspection rights shall not extend to reports of medical staff committees, nor to incident reports or other attorney-client communication or materials qualifying for the attorney-client privilege.

21. NOTICES: Any and all notices required, permitted, or desired to be given hereunder by one party to the other shall be in writing and shall be delivered to the other party personally or by United States mail, certified or registered postage prepaid return receipt requested, to the parties at the following addresses and to the attention of the persons named. County's Director shall have the authority to issue all notices which are required or permitted by County hereunder. Addresses and persons to be notified may be changed by a party by giving at least ten (10) calendar days prior written notice thereof to the other.

A. Notices to County shall be addressed as follows:

TRAUMA CENTER SERVICE AGREEMENT

EXHIBIT B-4

PROVISIONS FOR REIMBURSEMENT

I. OVERVIEW

This Exhibit addresses funding for the fiscal year ended June 30, 2018 (the "Contract Period") for the Los Angeles County trauma hospitals ("Non-County Trauma Hospitals") that are not owned and operated by Los Angeles County (the "County"). The County provides Funding to Non-County Trauma Hospitals for the Contract Period to assure the continuance of emergency care access for Medi-Cal beneficiaries and stabilize the provision of trauma care services in Los Angeles County.

The funding has the following major components:

1. Patient-Based Payments

These payments are described in Sections II and III. They have two components, payments based on the uninsured trauma volume and value of those claims and payments based on pediatric trauma services.

2. Designation Support Payments

These payments are described in Section IV.A. They include two components, payments in support of the Non-County Trauma Hospitals serving as base stations, and payments in support of the Non-County Trauma Hospitals' infrastructure.

3. Add-On Payments

These payments are described in Section IV.B. They are based on various factors such as the trauma patient volume for each hospital, patient acuity, and underinsured utilization, including utilization by Medi-Cal and law enforcement patients. These amounts are then further adjusted for purposes of system stabilization.

The total funding for each hospital receiving funding is $82,695,604.

It is the County's intention that several different revenue sources be used to pay for trauma services under this Agreement. These sources include revenue from Measure B, Maddy EMS Funds and Richie Funds. Further, the County intends that the Agreement be funded, to the extent possible, through additional Medi-Cal payments made pursuant to pg. 51a of Attachment 4.19B of the Medi-Cal State Plan (the "Trauma SPA").

The parties acknowledge that the Trauma SPA effective July 1, 2003, was approved by the United States Department of Health and Human Services, Centers for Medicare and Medicaid Services. The Trauma SPA enables private trauma hospitals in Los Angeles County to receive enhanced Medi-Cal payments, including federal matching funds upon payment by the County of an intergovernmental transfer (IGT) of funds pursuant to Section 14087.3 of the W&IC. Pursuant to the Trauma SPA and

a related interagency agreement between the County and the California Department of Health Care Services ("CDHCS"), the IGT and federal matching funds are distributed among the County-designated private trauma hospitals in a lump sum amount to ensure continued access by Medi-Cal beneficiaries to trauma and emergency room care in the County.

II. ELIGIBLE PATIENT-BASED FUNDING

A. BUDGET ALLOCATION:

1. Patient-Based Allocation Amounts

This Section II is applicable to the Non-County Trauma Hospitals with the exception of Children's Hospital Los Angeles. For the Contract Period, the County has established a budget allocation (the "Budget Allocation") for each such Non-County Trauma Hospital providing medical care to Eligible Patients (as defined below) during the Contract Period. The budget allocations are as follows:

Antelope Valley Hospital	$ 360,201
California Hospital Medical Center	$1,521,340
Cedars-Sinai Medical Center	$ 155,424
Henry Mayo Newhall Memorial Med. Ctr.	$ 124,242
Huntington Memorial Medical Center	$ 586,063
Long Beach Memorial Medical Center	$ 515,013
Northridge Hospital Medical Center	$ 923,943
Pomona Valley Hospital Medical Center	$ 426,358
Providence Holy Cross Medical Center	$1,789,019

Ronald Reagan UCLA Medical Center	$ 323,985
St. Francis Medical Center	$1,491,538
St. Mary Medical Center	$ 218,232
Total Patient Based Funding	**$8,435,358**

The Budget Allocation for each hospital has been determined using the relative dollar value of each Non-County Trauma Hospital's indigent claims for the 2016-17 fiscal year, compared to total value of all claims, with the exception of Pomona Valley Hospital Medical Center. The amount for Pomona Valley Hospital Medical Center was based on the actual value of the indigent claims provided during the four months during 2016-17 fiscal year that it was providing trauma services, and the estimated amount of trauma care that would have been provided had it been a trauma hospital during the other eight months. The value of the claims was determined by applying the rates described in section II.A.2 below to the services delivered. The percentage for each hospital so determined was then applied to the total amount available for patient-based payments. Payments to Non-County Trauma Hospitals of the Budget Allocations described in this section will be made directly by the County (inclusive of the Maddy Funds as defined below) and/or as enhanced Medi-Cal payments from CDHCS as set forth in this Exhibit. Accordingly, these Budget Allocations will be taken into account in the amounts that the County recommends be paid by

CDHCS as enhanced Medi-Cal payments taking into account direct payments the County has made or will make to the hospitals for such allocations.

2. Maddy EMS Funds:

Certain funding is available for hospital care rendered to Eligible Patients (as defined below) by the Non-County Trauma Hospitals, known as "Maddy EMS Funds." As described in II.D of this Exhibit, Contractor is required to submit a claim (an "Eligible Claim") to the County for the hospital care rendered to Eligible Patients within the Contract Period. Based on patient visits and days in such claims, County will use the rates below for emergency department visits and inpatient services up to three days to disburse Maddy EMS Funds to each hospital for the Contract Period. Maddy EMS Funds are included in determining the full funding for the Budget Allocations.

The County will compute the value for each Eligible Claim using the following rates:

$ 6,425	per emergency department visit and assessment. (No such fee will be paid if the patient is admitted to the hospital as an inpatient from the emergency department.)
$12,471	for the first inpatient day; and
$ 5,417	for the second inpatient day; and
$ 4,283	for the third inpatient day; and

$ 4,283 for the fourth inpatient day; and

$ 3,023 for each day thereafter.

To the extent possible, the County will use Maddy EMS Funds to pay the portion of each Non-County Trauma Hospital's Budget Allocation equal to the value of its FY 2016-17 claims for the emergency department visit and assessment where the patient is not admitted to the hospital as an inpatient from the emergency department, and the first three days of an inpatient stay if the patient is admitted, based on the rates above.

B. GENERAL CONDITIONS:

Contractor shall provide Trauma Services, as defined below to Eligible Patients. For purposes of this Exhibit, an "Eligible Patient" is a patient receiving Trauma Services from Contractor, (1) who Contractor determines is unable to pay for the Trauma Services so provided, and (2) for whom there is no third-party coverage, in part or in whole for the Trauma Services provided by Contractor. For purposes of this Exhibit, "third party coverage" or "third party payers" includes, but is not limited to commercial insurance or any program funded in whole or in part by the federal government, and "Trauma Services" refers to all hospital services furnished by the Contractor to a patient who presents to the Contractor, or is classified subsequently during the patient's stay as a Trauma Patient from the time the patient

presents at or is admitted to the Contractor's hospital until the patient is discharged. The term "Trauma Patient" for purposes of this Contract is defined in Exhibit C.

A claim (a "Patient-Based Claim") shall not be submitted to the County hereunder for an Eligible Patient if: (a) the patient has the ability to pay for the service, but refuses or fails to pay for same; or (b) Contractor has failed to submit to any known third-party payer(s) for the patient, an accurate, complete, and timely billing, and for that reason has been denied payment by such payer(s); or (c) for any Trauma Services which is covered in, or the subject of reimbursement in, any other contract between Contractor and County. Subject to the County's review and verification, Contractor will determine and document persons who are Eligible Patients as described in Section II.C below.

County claiming is limited to Trauma Patients without the ability to pay for the services and for whom Contractor, in accordance with Section II.C below, has made a reasonable, good faith effort to determine if there is a responsible private or public third-party source of payment, and Contractor determines that there is no source of payment (including where the Contractor determines there is a potential source of payment which the Contractor reasonably pursues but the Contractor is unable to obtain payment).

During the term of this Agreement, as required by Section 16818 of the Welfare and Institutions Code (W&IC), Contractor shall continue to provide, at the time treatment is sought by a patient at its facility, individual notice of the availability of reduced cost hospital care. Additionally, Contractor shall post, in conspicuous places in its emergency department and patient waiting rooms, notices of the procedures for applying for reduced cost hospital care. The approved "Notice" language is reflected in English in Attachment "B-2" and in Spanish in Attachment "B-3".

C. PATIENT ELIGIBILITY:

For a patient to be an Eligible Patient, Contractor must document that it has made reasonable efforts to secure payment from the patient by billing (at least monthly) for a period of no less than two (2) months after the date of discharge, with a minimum of three (3) billings. Financial notes must clearly indicate that the patient was billed at least three (3) times. Contractor must document that the person cannot afford to pay for the services provided by the Contractor. This documentation must show that the patient's annual income places the patient at or below 200% of the current year Federal Poverty Level. Contractor must also document that payment for the services will not be covered by third-party coverage, including any program funded in whole or in part by

the federal government; and that Contractor has not received payment for any portion of the amount billed.

Contractor will determine and document the patients who are eligible for trauma care coverage hereunder in accordance with the procedures set forth in Attachment "B-1", Trauma Service County Eligibility ("TSCE") Protocol, attached hereto and incorporated herein by reference.

Contractor shall utilize Attachment "B-1.1", Trauma Service County Eligibility ("TSCE") Agreement form as the sole means for determining whether the patient is at or below the 200% of the current year Federal Poverty Level and therefore meets patient's eligibility criteria for trauma care claiming during the term of this Agreement. The TSCE Agreement form must be completed and signed by the patient or the patient's responsible relative(s) at the time it is determined there is not a responsible private or public third-party source of payment and that the patient meets the eligibility requirements. The completed form must be signed and dated by the hospital representative who obtained the information, verifying that the information was obtained from the patient or the patient's responsible relative(s). If a TSCE Agreement form cannot be secured because the patient or the patient's responsible relative(s) is (are) unable to cooperate in providing the necessary financial information, then Attachment "B-1.1", *Hospital Certification of Inability*

to Cooperate form must be completed. If the Inability to Cooperate form is used it should be completed at the initial interaction with the patient or the patient's responsible relative(s). A hospital representative will complete the form, sign and date it and a second hospital representative will verify the information by also signing and dating the form. The original (or electronic scan) of either the *TSCE* or *Inability to Cooperate* form must be maintained by Contractor as part of its financial records. Contractor shall submit a copy of the applicable form to the County Emergency Medical Services (EMS) Agency when submitting a claim to be included in the patient-based claims total as stated in Attachment "B-4", *Instructions for Submission of Claims and Data Collection.*

Documentation to establish that Contractor has complied with the aforementioned patient eligibility requirements must be maintained by Contractor and made available upon request, pursuant to Paragraph 5, of the Additional Provisions Exhibit of this Agreement, to authorized County or State representatives for inspection, audit, and photocopying.

D. CLAIMS SUBMISSION:

Contractor shall submit all Patient-based Claims to the County for Trauma Services to Eligible Patients, for the Contract Period. These claims, subject to the following conditions and subsequent agreements of the parties, will be

used to determine the amount of the Budget Allocation for Contractor for the contract period(s) following the Contract Period.

a) A valid claim shall include a completed Trauma Patient Summary ("TPS") form, found in Attachment "D-2", of Agreement, for each Eligible Patient receiving Trauma Services.

b) In addition to the TPS form, Contractor shall submit the required claim form, (UB04) as well as all required reports as set forth in Attachment "B-4", *Instructions for Submission of Claims and Data Collection*, attached hereto and incorporated herein by reference, to County's Emergency Medical Services Agency, 10100 Pioneer Boulevard, Suite 200, Santa Fe Springs, California 90670, for Trauma Services provided to Eligible Patients under the terms of this Agreement. This information shall be used in determining the next (and possibly subsequent) year's Budget Allocation.

c) Claims submitted to the County shall be limited to the hospital component of Trauma Services provided to Eligible Patients during the term of this Agreement. Inclusion of the claims in the determination of a Contractor's Budget Allocation or funding under this Agreement shall be limited to the claims for which all required data has been included in the Trauma and

Emergency Medicine Information System (TEMIS) and which has been submitted as required by reporting procedures reflected in Attachment "B-4".

d) Claims shall be submitted to County's EMS Agency on an on-going basis once all eligibility requirements have been met and the Contractor has determined that no other source of funding is likely to be available. All Contractor claims for services provided during a County Fiscal Year (FY) (July 1 - June 30) must be received by County no later than the last working day of the first December following the close of the FY. Only claims for which the Contractor has ascertained that no payment will be received should be submitted.

e) To the extent permitted by law, upon submission of claim by Contractor to County for a trauma patient's care, and unless and until the claim is rejected by the County, Contractor assigns and subrogates to County any and all rights to collection as set forth herein, and Contractor shall cease all current and waive all future collection efforts, by itself and by its contractors/agents, to obtain any payment from the patient. At its sole discretion, County and/or County's Contractor may proceed independently against any parties responsible for payment for the Trauma Services to the extent permitted by law. The rights hereby assigned and

subrogated to County under this provision include reimbursement up to the full amount of usual and customary fees (including, for example, billed charges) for patient care and services regardless of any amount the Contractor has received under the TCSA, but only to the extent permitted by law. In the event Contractor is contacted by a third party's representative (e.g., insurance claim adjuster) or a patient's attorney regarding pending litigation concerning a claim that has been assigned to the County hereunder, Contractor shall indicate that the claim is assigned and subrogated to the County and refer such representative to the designated County contact. Contractor shall reasonably cooperate with County in its collection efforts.

f) Contractor shall notify the County, and update the financial status of patient in TEMIS, if Contractor becomes aware of any third-party coverage such as Medi-Cal, Medicare, other government programs, or other health insurance for any claim that the Contractor submitted to be included for purposes of calculating the Budget Allocation. The County has all rights to work with the identified third-party payers to receive any payment due with respect to claims that Contractor has assigned to County, but only to the extent permitted by law.

g) Any and all payments received by Contractor from a Trauma Patient or from third-party payers, including a legal settlement, for a claim previously submitted to and not rejected by the County, must be immediately reported to the County and the payment amount shall be surrendered and remitted to the County since Contractor assigned and subrogated its rights to said claim. Contractor must remit to the County the payment it received within sixty (60) days of receipt of such payment, and must complete and submit a *TRAUMA CENTER PAYMENT SURRENDER FORM* (Attachment B-6) with each surrendered payment.

h) For Trauma Patients admitted to Contractor's facility prior to or on the last day during the term of this Agreement, and remaining in the hospital after that date, reports and claim submission to County shall be made only after the patient has been discharged; the Contractor shall not submit partial or interim billings.

i) All reports and claims shall be completed in such detail and with such attachments as are in accordance with procedures prescribed in writing in Attachment "B-4". Contractor hereby acknowledges receipt of such forms, attachments, and procedures. Contractor and County agree that County may revise such forms, and such procedures and instructions without using a formal

amendment to this Agreement. Such revised forms, procedures and instructions shall be effective at least fifteen (15) calendar days after written notice to Contractor. In the event Contractor submits a timely written objection, Contractor and County will promptly meet and confer in good faith in an effort to resolve their differences. In the event the parties are not able to resolve their differences, Contractor may send a written notice to County within (30) days of the meet and confer session terminating this Agreement. This Agreement shall terminate fifteen (15) days after the date of the written notice, on such other days as the parties shall agree in writing.

E. AUDITING OF RECORDS:

Contractor shall maintain and, upon request, make available to State or County representatives, records containing all of the financial information referenced in this Section, including records of patient and third-party payer payments, all in accordance with Paragraph 5 of the Additional Provisions Exhibit of this Agreement.

a) County may periodically conduct an audit of the Contractor's records pertaining to the Patient-Based Claims for Eligible Patients that are required under this Exhibit. Audits shall be performed in accordance with generally accepted auditing standards. The audit

may be conducted on a statistically random sample of submitted claims for a fiscal year, provided the sampling methodology is statistically valid. The scope of the audit shall include an examination of patient medical and financial records, patient and/or insurance billing records, and collection agency reports associated with the sampled claims.

b) Audited claims that do not comply with requirements in this Agreement shall result in a reduction in the total value of Patient-Based Claims that will be used to determine each trauma hospital's Budget Allocation for the next fiscal year.

For example, if two Patient-Based Claims for the prior fiscal year with a total value of $12,850 were audited and determined not to be in compliance with the program requirements and the Contractor's total value of submitted claims for that prior fiscal year was $150,000, $12,850 would be subtracted from the total value, reducing it to $137,150 which would then be the amount used to determine the Contractor's Budget Allocation for the next fiscal year. The County will notify Contractor of any audit findings. Audit results may be appealed to the EMS Agency Director, or his/her designee.

III. FUNDING FOR PEDIATRIC TRAUMA CENTERS:

The parties acknowledge that Chapter 841 of the Statutes of 2006, authorized the County Board of Supervisors (Board), until December 31, 2008, to elect to levy an additional penalty in the amount of two dollars ($2) for every ten dollars ($10), upon fines, penalties, and forfeitures collected for specific criminal offenses. This authority was subsequently extended to December 31, 2013 by Chapter 288 of the Statutes of 2008. New legislation (SB 191) was chaptered October 5, 2013 and Section 76000.5 of the Government Code was amended extending these provisions through January 1, 2017. In 2016, legislation (SB 867) was again passed amending Section 76000.5 of the Government Code, extending these provisions through January 1, 2027.

The legislation further authorized the Board to utilize fifteen percent (15%) of the funds collected pursuant to these provisions (known as Richie's fund) to provide funding to enhance pediatric trauma services by both publicly and privately owned and operated Pediatric Trauma Centers (PTCs) throughout the County.

FY 2016-17 Richie Fund collections available for allocation to non-County PTCs for FY 2017-18 are $1,028,540. This amount is allocated to PTCs for expansion of pediatric trauma care services as follows:

Cedars-Sinai Medical Center	$	107,135
Children's Hospital Los Angeles	$	107,135

Long Beach Memorial Medical Center	$ 107,135
Northridge Hospital Medical Center	$ 600,000
Ronald Reagan UCLA Medical Center	$ 107,135
Total	**$ 1,028,540**

IV. DESIGNATION SUPPORT AND ADD-ONS FUNDING

The funding described in this Section IV is in addition to the funding described in Section II and III of this Exhibit.

A. BASE HOSPITAL SERVICES AND INFRASTRUCTURE

To account for the special costs incurred for those private trauma hospitals providing base and trauma hospital services and to ensure the continued access by Medi-Cal beneficiaries to emergency rooms and emergency room care in the County by maintaining efficient prehospital transport of all patients to the most appropriate emergency room, the County will recommend to the State that it make an aggregate supplemental payment in the amount of $700,000 for base station and $1,200,000 for infrastructure to each private Non-County Trauma Hospital pursuant to the Trauma SPA, with the exception of Children's Hospital Los Angeles. Children's Hospital Los Angeles will receive a supplemental infrastructure payment in the amount of $1,200,000 but will not receive a supple-

mental base station payment because it does not provide base hospital services.

As public hospitals, Ronald Reagan UCLA Medical Center ("UCLA") and Antelope Valley Hospital ("Antelope") may not receive these supplemental Medi-Cal payments under the State Plan. Accordingly, the County will directly pay each of those hospitals the amount of $700,000 for base station support and $1,200,000 for infrastructure support at or about the same time as County makes its IGT payment to the State. In the event the County makes its IGT payment to the State in multiple installments, the County will make the base station and infrastructure supplemental payments to UCLA and Antelope in the same number of installments.

B. EMERGENCY CARE ACCESS FOR MEDI-CAL BENEFICIARIES (ADD-ONS)

Except for UCLA and Antelope, it is the intent of the County, and the County shall recommend to the State, that supplemental "add-on payments" be paid to each private Non-County Trauma Hospital in the amounts set forth in this section IV.B, which include both funding from the County's IGT and federal matching funds. Such payment shall be made pursuant to a separate agreement between the trauma hospital and the State or its intermediary, subject to the limitations set forth in

the Trauma SPA. The County will make the add-on supplemental payments for UCLA and Antelope.

The add-on supplemental payment amounts are as follows:

Antelope Valley Hospital	$ 2,459,009
California Hospital Medical Center	$ 8,552,944
Cedars-Sinai Medical Center	$ 4,625,953
Children's Hospital Los Angeles	$ 2,244,032
Henry Mayo Newhall Memorial Med. Ctr.	$1,596,832
Huntington Memorial Medical Center	$ 2,599,617
Long Beach Memorial Medical Center	$ 4,578,702
Northridge Hospital Medical Center	$ 2,603,200
Pomona Valley Hospital Medical Center	$ 3,340,706
Providence Holy Cross Medical Center	$ 5,444,965
Ronald Reagan UCLA Medical Center	$ 2,570,996
St. Francis Medical Center	$ 6,483,600
St. Mary Medical Center	$ 2,131,150
Total	**$49,231,706**

C. Payment Limit

Contractor acknowledges that the amounts payable under the Trauma SPA are limited to the uncompensated costs of providing outpatient hospital services of all eligible private trauma hospitals in Los Angeles County and are also limited by the State's upper payment limit, as established in 42 C.F.R. Section 447.321. To the

extent that either or both limits preclude the State from paying all of the aggregate amounts set forth below, the amount to be recommended by the County for each private trauma hospital shall be reduced by the same percentage as the percentage of total allowable supplemental payments under the Trauma SPA is to total recommended supplemental Medi-Cal payments under the Trauma SPA to all private trauma hospitals.

V. POTENTIAL IGT FOR FEDERAL MATCHING FUNDS:

As discussed in Section IV, the County intends that the Designation Support payments, Add-On Payments, and certain patient-based payments to the private Non-County Trauma Hospitals be made as Medi-Cal payments in accordance with the Trauma SPA. Unless CDHCS rejects this payment approach, the County will transfer the non-federal share of such funds to CDHCS in one or more IGTs. The amount of the payments to the private Non-County Trauma Hospitals will be the amounts set forth in Sections II, IV.A and IV.B above, including both the non-federal share funded by the IGT(s) and matching federal funds. All funding shall be used first to pay the amount of the Budget Allocation, then any amounts due under Section IV.A and then Section IV.B.

The parties acknowledge and agree that some or all of the IGT which the County intends to make to effectuate the provisions of this Agreement may not be capable of drawing

down federal matching funds under the SPA. To the extent that is true, the parties agree that the County shall have no obligation to make an IGT of such amounts and shall instead provide such funds directly to the private Non-County Trauma Hospitals. The amount of such direct payments shall be the amounts set forth in Section IV (A) and (B) that are not paid under the Trauma SPA multiplied by fifty percent (50%). To the extent that Non-County Trauma Hospitals receive the full amounts set forth in Section IV (A) and (B), County has no obligation to make further direct payments, even if not all of the funds set aside for use as an IGT are ultimately used for that purpose.

The total amount of the IGT that the County intends to make shall be $34.5 million.

VI. TOTAL MAXIMUM PAYMENTS

The total maximum payments that each Non-County Trauma Hospital may receive, either directly from the County, or from the State of California as additional Medi-Cal payments under the Trauma SPA (which includes the amounts of IGTs made by the County and federal matching funds), and subject to the limitations and conditions as described in this Agreement, shall be as follows:

Antelope Valley Hospital	$ 4,719,210
California Hospital Medical Center	$11,974,284
Cedars-Sinai Medical Center	$ 6,788,512

Children's Hospital Los Angeles	$ 3,551,167
Henry Mayo Newhall Memorial Med. Ctr.	$ 3,621,074
Huntington Memorial Medical Center	$ 5,085,680
Long Beach Memorial Medical Center	$ 7,100,850
Northridge Hospital Medical Center	$ 6,027,143
Pomona Valley Hospital Medical Center	$ 5,667,064
Providence Holy Cross Medical Center	$ 9,133,984
Ronald Reagan UCLA Medical Center	$ 4,902,116
St. Francis Medical Center	$ 9,875,138
St. Mary Medical Center	$ 4,249,382
Total	**$ 82,695,604**

Each non-County Trauma Hospital will be paid the above amounts through a combination of direct payments by the County or Medi-Cal payments under the Trauma SPA except for UCLA and Antelope which shall receive only funds from the County. Payments may be reduced to the extent amounts anticipated to be paid as Medi-Cal funds through the Trauma SPA cannot be paid in that manner, in which case the County will make direct payments of the non-federal share of such payments, up to, but not exceeding the amount of the IGT set forth above, less the amount used to fund the Medi-Cal payments which were actually made.

VI. EFFECTIVE DATES

The provisions of this Exhibit B-4 shall only apply to trauma services provided on or after July 1, 2017 and before July 1, 2018.

Agreement No.: H-703500

TRAUMA CENTER SERVICE AGREEMENT

Amendment No. 20

THIS AMENDMENT is made and entered into this 29th day of June, 2018,

By and between	COUNTY OF LOS ANGELES (hereafter "County")
And	ST. FRANCIS MEDICAL CENTER (hereafter "Contractor")
	Business Address:
	3630 E. Imperial Highway Lynwood, CA 90262

WHEREAS, reference is made to that certain document entitled "Trauma Center Service Agreement," dated June 17, 2008, and further identified as Agreement No. H-703500, and any amendments thereto (all hereafter referred to as "Agreement") and,

WHEREAS, it is the intent of the parties hereto to amend Agreement to extend its term, to modify certain of its payment provisions, and to provide for the other changes set forth herein; and

WHEREAS, Agreement provides that changes in accordance to Additional Provisions, Paragraph 24, Merger Provision may be made in the form of an Amendment which is formally approved and executed by the parties; and

WHEREAS, Contractor warrants that it possesses the competence, expertise and personnel necessary to provide services consistent with the requirements of this Agreement and consistent with the professional standard of care for these services.

NOW, THEREFORE, THE PARTIES HERETO AGREE AS FOLLOWS:

1. This Amendment shall be effective upon execution; with payment provisions applied for services provided during the period of July 1, 2017 through June 30, 2018.

2. Agreement Paragraph 1, Term, Subparagraph A, is deleted in its entirety and replaced as follows:

"A. The term of this Agreement shall commence and be effective July 1, 2008, and shall remain in full force and effect through to and including June 30, 2019. In any event, County may terminate this Agreement in accordance with the Termination Paragraphs of the Additional Provisions hereunder."

3. Agreement Exhibit B-3, Provisions for Reimbursement, is deleted in its entirety and replaced by Exhibit B-4 attached hereto and incorporated herein by reference. All reference in Agreement to Exhibit B-3 shall be deemed to be references to Exhibit B-4.

4. The Parties acknowledge and agree that none of the financial provisions in the Agreement apply to services provided on or after July 1, 2018.

4. Except for the changes set forth hereinabove, Agreement shall not be changed in any respect by this Amendment.

TRAUMA CENTER SERVICE AGREEMENT

EXHIBIT B-4

PROVISIONS FOR REIMBURSEMENT

I. OVERVIEW

This Exhibit addresses funding for the fiscal year ended June 30, 2018 (the "Contract Period") for the Los Angeles County trauma hospitals ("Non-County Trauma Hospitals") that are not owned and operated by Los Angeles County (the "County"). The County provides Funding to Non-County Trauma Hospitals for the Contract Period to assure the continuance of emergency care access for Medi-Cal beneficiaries and stabilize the provision of trauma care services in Los Angeles County.

The funding has the following major components:

1. Patient-Based Payments

These payments are described in Sections II and III. They have two components, payments based on the uninsured trauma volume and value of those claims and payments based on pediatric trauma services.

2. Designation Support Payments

These payments are described in Section IV.A. They include two components, payments in support of the Non-County Trauma Hospitals serving as base stations, and payments in support of the Non-County Trauma Hospitals' infrastructure.

3. Add-On Payments

These payments are described in Section IV.B. They are based on various factors such as the trauma patient volume for each hospital, patient acuity, and underinsured utilization, including utilization by Medi-Cal and law enforcement patients. These amounts are then further adjusted for purposes of system stabilization.

The total funding for each hospital receiving funding is $82,695,604.

It is the County's intention that several different revenue sources be used to pay for trauma services under this Agreement. These sources include revenue from Measure B, Maddy EMS Funds and Richie Funds. Further, the County intends that the Agreement be funded, to the extent possible, through additional Medi-Cal payments made pursuant to pg. 51a of Attachment 4.19B of the Medi-Cal State Plan (the "Trauma SPA").

The parties acknowledge that the Trauma SPA effective July 1, 2003, was approved by the United States Department of Health and Human Services, Centers for Medicare and Medicaid Services. The Trauma SPA enables private trauma hospitals in Los Angeles County to receive enhanced Medi-Cal payments, including federal matching funds upon payment by the County of an intergovernmental transfer (IGT) of funds pursuant to Section 14087.3 of the W&IC. Pursuant to the Trauma SPA and

a related interagency agreement between the County and the California Department of Health Care Services ("CDHCS"), the IGT and federal matching funds are distributed among the County-designated private trauma hospitals in a lump sum amount to ensure continued access by Medi-Cal beneficiaries to trauma and emergency room care in the County.

II. ELIGIBLE PATIENT-BASED FUNDING

A. BUDGET ALLOCATION:

1. Patient-Based Allocation Amounts

This Section II is applicable to the Non-County Trauma Hospitals with the exception of Children's Hospital Los Angeles. For the Contract Period, the County has established a budget allocation (the "Budget Allocation") for each such Non-County Trauma Hospital providing medical care to Eligible Patients (as defined below) during the Contract Period. The budget allocations are as follows:

Antelope Valley Hospital	$ 360,201
California Hospital Medical Center	$1,521,340
Cedars-Sinai Medical Center	$ 155,424
Henry Mayo Newhall Memorial Med. Ctr.	$ 124,242
Huntington Memorial Medical Center	$ 586,063
Long Beach Memorial Medical Center	$ 515,013
Northridge Hospital Medical Center	$ 923,943
Pomona Valley Hospital Medical Center	$ 426,358
Providence Holy Cross Medical Center	$1,789,019

Ronald Reagan UCLA Medical Center	$ 323,985
St. Francis Medical Center	$1,491,538
St. Mary Medical Center	$ 218,232
Total Patient Based Funding	**$8,435,358**

The Budget Allocation for each hospital has been determined using the relative dollar value of each Non-County Trauma Hospital's indigent claims for the 2016-17 fiscal year, compared to total value of all claims, with the exception of Pomona Valley Hospital Medical Center. The amount for Pomona Valley Hospital Medical Center was based on the actual value of the indigent claims provided during the four months during 2016-17 fiscal year that it was providing trauma services, and the estimated amount of trauma care that would have been provided had it been a trauma hospital during the other eight months. The value of the claims was determined by applying the rates described in section II.A.2 below to the services delivered. The percentage for each hospital so determined was then applied to the total amount available for patient-based payments. Payments to Non-County Trauma Hospitals of the Budget Allocations described in this section will be made directly by the County (inclusive of the Maddy Funds as defined below) and/or as enhanced Medi-Cal payments from CDHCS as set forth in this Exhibit. Accordingly, these Budget Allocations will be taken into account in the amounts that the County recommends be paid by

CDHCS as enhanced Medi-Cal payments taking into account direct payments the County has made or will make to the hospitals for such allocations.

2. Maddy EMS Funds:

Certain funding is available for hospital care rendered to Eligible Patients (as defined below) by the Non-County Trauma Hospitals, known as "Maddy EMS Funds." As described in II.D of this Exhibit, Contractor is required to submit a claim (an "Eligible Claim") to the County for the hospital care rendered to Eligible Patients within the Contract Period. Based on patient visits and days in such claims, County will use the rates below for emergency department visits and inpatient services up to three days to disburse Maddy EMS Funds to each hospital for the Contract Period. Maddy EMS Funds are included in determining the full funding for the Budget Allocations.

The County will compute the value for each Eligible Claim using the following rates:

$ 6,425	per emergency department visit and assessment. (No such fee will be paid if the patient is admitted to the hospital as an inpatient from the emergency department.)
$12,471	for the first inpatient day; and
$ 5,417	for the second inpatient day; and
$ 4,283	for the third inpatient day; and

$ 4,283 for the fourth inpatient day; and

$ 3,023 for each day thereafter.

To the extent possible, the County will use Maddy EMS Funds to pay the portion of each Non-County Trauma Hospital's Budget Allocation equal to the value of its FY 2016-17 claims for the emergency department visit and assessment where the patient is not admitted to the hospital as an inpatient from the emergency department, and the first three days of an inpatient stay if the patient is admitted, based on the rates above.

B. GENERAL CONDITIONS:

Contractor shall provide Trauma Services, as defined below to Eligible Patients. For purposes of this Exhibit, an "Eligible Patient" is a patient receiving Trauma Services from Contractor, (1) who Contractor determines is unable to pay for the Trauma Services so provided, and (2) for whom there is no third-party coverage, in part or in whole for the Trauma Services provided by Contractor. For purposes of this Exhibit, "third party coverage" or "third party payers" includes, but is not limited to commercial insurance or any program funded in whole or in part by the federal government, and "Trauma Services" refers to all hospital services furnished by the Contractor to a patient who presents to the Contractor, or is classified subsequently during the patient's stay as a Trauma Patient from the time the patient

presents at or is admitted to the Contractor's hospital until the patient is discharged. The term "Trauma Patient" for purposes of this Contract is defined in Exhibit C.

A claim (a "Patient-Based Claim") shall not be submitted to the County hereunder for an Eligible Patient if: (a) the patient has the ability to pay for the service, but refuses or fails to pay for same; or (b) Contractor has failed to submit to any known third-party payer(s) for the patient, an accurate, complete, and timely billing, and for that reason has been denied payment by such payer(s); or (c) for any Trauma Services which is covered in, or the subject of reimbursement in, any other contract between Contractor and County. Subject to the County's review and verification, Contractor will determine and document persons who are Eligible Patients as described in Section II.C below.

County claiming is limited to Trauma Patients without the ability to pay for the services and for whom Contractor, in accordance with Section II.C below, has made a reasonable, good faith effort to determine if there is a responsible private or public third-party source of payment, and Contractor determines that there is no source of payment (including where the Contractor determines there is a potential source of payment which the Contractor reasonably pursues but the Contractor is unable to obtain payment).

During the term of this Agreement, as required by Section 16818 of the Welfare and Institutions Code (W&IC), Contractor shall continue to provide, at the time treatment is sought by a patient at its facility, individual notice of the availability of reduced cost hospital care. Additionally, Contractor shall post, in conspicuous places in its emergency department and patient waiting rooms, notices of the procedures for applying for reduced cost hospital care. The approved "Notice" language is reflected in English in Attachment "B-2" and in Spanish in Attachment "B-3".

C. PATIENT ELIGIBILITY:

For a patient to be an Eligible Patient, Contractor must document that it has made reasonable efforts to secure payment from the patient by billing (at least monthly) for a period of no less than two (2) months after the date of discharge, with a minimum of three (3) billings. Financial notes must clearly indicate that the patient was billed at least three (3) times. Contractor must document that the person cannot afford to pay for the services provided by the Contractor. This documentation must show that the patient's annual income places the patient at or below 200% of the current year Federal Poverty Level. Contractor must also document that payment for the services will not be covered by third-party coverage, including any program funded in whole or in part by

the federal government; and that Contractor has not received payment for any portion of the amount billed.

Contractor will determine and document the patients who are eligible for trauma care coverage hereunder in accordance with the procedures set forth in Attachment "B-1", Trauma Service County Eligibility ("TSCE") Protocol, attached hereto and incorporated herein by reference.

Contractor shall utilize Attachment "B-1.1", Trauma Service County Eligibility ("TSCE") Agreement form as the sole means for determining whether the patient is at or below the 200% of the current year Federal Poverty Level and therefore meets patient's eligibility criteria for trauma care claiming during the term of this Agreement. The TSCE Agreement form must be completed and signed by the patient or the patient's responsible relative(s) at the time it is determined there is not a responsible private or public third-party source of payment and that the patient meets the eligibility requirements. The completed form must be signed and dated by the hospital representative who obtained the information, verifying that the information was obtained from the patient or the patient's responsible relative(s). If a TSCE Agreement form cannot be secured because the patient or the patient's responsible relative(s) is (are) unable to cooperate in providing the necessary financial information, then Attachment "B-1.1", *Hospital Certification of Inability*

to Cooperate form must be completed. If the Inability to Cooperate form is used it should be completed at the initial interaction with the patient or the patient's responsible relative(s). A hospital representative will complete the form, sign and date it and a second hospital representative will verify the information by also signing and dating the form. The original (or electronic scan) of either the *TSCE* or *Inability to Cooperate* form must be maintained by Contractor as part of its financial records. Contractor shall submit a copy of the applicable form to the County Emergency Medical Services (EMS) Agency when submitting a claim to be included in the patient-based claims total as stated in Attachment "B-4", *Instructions for Submission of Claims and Data Collection*.

Documentation to establish that Contractor has complied with the aforementioned patient eligibility requirements must be maintained by Contractor and made available upon request, pursuant to Paragraph 5, of the Additional Provisions Exhibit of this Agreement, to authorized County or State representatives for inspection, audit, and photocopying.

D. CLAIMS SUBMISSION:

Contractor shall submit all Patient-based Claims to the County for Trauma Services to Eligible Patients, for the Contract Period. These claims, subject to the following conditions and subsequent agreements of the parties, will be

used to determine the amount of the Budget Allocation for Contractor for the contract period(s) following the Contract Period.

a) A valid claim shall include a completed Trauma Patient Summary ("TPS") form, found in Attachment "D-2", of Agreement, for each Eligible Patient receiving Trauma Services.

b) In addition to the TPS form, Contractor shall submit the required claim form, (UB04) as well as all required reports as set forth in Attachment "B-4", *Instructions for Submission of Claims and Data Collection*, attached hereto and incorporated herein by reference, to County's Emergency Medical Services Agency, 10100 Pioneer Boulevard, Suite 200, Santa Fe Springs, California 90670, for Trauma Services provided to Eligible Patients under the terms of this Agreement. This information shall be used in determining the next (and possibly subsequent) year's Budget Allocation.

c) Claims submitted to the County shall be limited to the hospital component of Trauma Services provided to Eligible Patients during the term of this Agreement. Inclusion of the claims in the determination of a Contractor's Budget Allocation or funding under this Agreement shall be limited to the claims for which all required data has been included in the Trauma and

Emergency Medicine Information System (TEMIS) and which has been submitted as required by reporting procedures reflected in Attachment "B-4".

d) Claims shall be submitted to County's EMS Agency on an on-going basis once all eligibility requirements have been met and the Contractor has determined that no other source of funding is likely to be available. All Contractor claims for services provided during a County Fiscal Year (FY) (July 1 - June 30) must be received by County no later than the last working day of the first December following the close of the FY. Only claims for which the Contractor has ascertained that no payment will be received should be submitted.

e) To the extent permitted by law, upon submission of claim by Contractor to County for a trauma patient's care, and unless and until the claim is rejected by the County, Contractor assigns and subrogates to County any and all rights to collection as set forth herein, and Contractor shall cease all current and waive all future collection efforts, by itself and by its contractors/agents, to obtain any payment from the patient. At its sole discretion, County and/or County's Contractor may proceed independently against any parties responsible for payment for the Trauma Services to the extent permitted by law. The rights hereby assigned and

subrogated to County under this provision include reimbursement up to the full amount of usual and customary fees (including, for example, billed charges) for patient care and services regardless of any amount the Contractor has received under the TCSA, but only to the extent permitted by law. In the event Contractor is contacted by a third party's representative (e.g., insurance claim adjuster) or a patient's attorney regarding pending litigation concerning a claim that has been assigned to the County hereunder, Contractor shall indicate that the claim is assigned and subrogated to the County and refer such representative to the designated County contact. Contractor shall reasonably cooperate with County in its collection efforts.

f) Contractor shall notify the County, and update the financial status of patient in TEMIS, if Contractor becomes aware of any third-party coverage such as Medi-Cal, Medicare, other government programs, or other health insurance for any claim that the Contractor submitted to be included for purposes of calculating the Budget Allocation. The County has all rights to work with the identified third-party payers to receive any payment due with respect to claims that Contractor has assigned to County, but only to the extent permitted by law.

g) Any and all payments received by Contractor from a Trauma Patient or from third-party payers, including a legal settlement, for a claim previously submitted to and not rejected by the County, must be immediately reported to the County and the payment amount shall be surrendered and remitted to the County since Contractor assigned and subrogated its rights to said claim. Contractor must remit to the County the payment it received within sixty (60) days of receipt of such payment, and must complete and submit a *TRAUMA CENTER PAYMENT SURRENDER FORM* (Attachment B-6) with each surrendered payment.

h) For Trauma Patients admitted to Contractor's facility prior to or on the last day during the term of this Agreement, and remaining in the hospital after that date, reports and claim submission to County shall be made only after the patient has been discharged; the Contractor shall not submit partial or interim billings.

i) All reports and claims shall be completed in such detail and with such attachments as are in accordance with procedures prescribed in writing in Attachment "B-4". Contractor hereby acknowledges receipt of such forms, attachments, and procedures. Contractor and County agree that County may revise such forms, and such procedures and instructions without using a formal

amendment to this Agreement. Such revised forms, procedures and instructions shall be effective at least fifteen (15) calendar days after written notice to Contractor. In the event Contractor submits a timely written objection, Contractor and County will promptly meet and confer in good faith in an effort to resolve their differences. In the event the parties are not able to resolve their differences, Contractor may send a written notice to County within (30) days of the meet and confer session terminating this Agreement. This Agreement shall terminate fifteen (15) days after the date of the written notice, on such other days as the parties shall agree in writing.

E. AUDITING OF RECORDS:

Contractor shall maintain and, upon request, make available to State or County representatives, records containing all of the financial information referenced in this Section, including records of patient and third-party payer payments, all in accordance with Paragraph 5 of the Additional Provisions Exhibit of this Agreement.

a) County may periodically conduct an audit of the Contractor's records pertaining to the Patient-Based Claims for Eligible Patients that are required under this Exhibit. Audits shall be performed in accordance with generally accepted auditing standards. The audit

may be conducted on a statistically random sample of submitted claims for a fiscal year, provided the sampling methodology is statistically valid. The scope of the audit shall include an examination of patient medical and financial records, patient and/or insurance billing records, and collection agency reports associated with the sampled claims.

b) Audited claims that do not comply with requirements in this Agreement shall result in a reduction in the total value of Patient-Based Claims that will be used to determine each trauma hospital's Budget Allocation for the next fiscal year.

For example, if two Patient-Based Claims for the prior fiscal year with a total value of $12,850 were audited and determined not to be in compliance with the program requirements and the Contractor's total value of submitted claims for that prior fiscal year was $150,000, $12,850 would be subtracted from the total value, reducing it to $137,150 which would then be the amount used to determine the Contractor's Budget Allocation for the next fiscal year. The County will notify Contractor of any audit findings. Audit results may be appealed to the EMS Agency Director, or his/her designee.

III. FUNDING FOR PEDIATRIC TRAUMA CENTERS:

The parties acknowledge that Chapter 841 of the Statutes of 2006, authorized the County Board of Supervisors (Board), until December 31, 2008, to elect to levy an additional penalty in the amount of two dollars ($2) for every ten dollars ($10), upon fines, penalties, and forfeitures collected for specific criminal offenses. This authority was subsequently extended to December 31, 2013 by Chapter 288 of the Statutes of 2008. New legislation (SB 191) was chaptered October 5, 2013 and Section 76000.5 of the Government Code was amended extending these provisions through January 1, 2017. In 2016, legislation (SB 867) was again passed amending Section 76000.5 of the Government Code, extending these provisions through January 1, 2027.

The legislation further authorized the Board to utilize fifteen percent (15%) of the funds collected pursuant to these provisions (known as Richie's fund) to provide funding to enhance pediatric trauma services by both publicly and privately owned and operated Pediatric Trauma Centers (PTCs) throughout the County.

FY 2016-17 Richie Fund collections available for allocation to non-County PTCs for FY 2017-18 are $1,028,540. This amount is allocated to PTCs for expansion of pediatric trauma care services as follows:

Cedars-Sinai Medical Center	$ 107,135
Children's Hospital Los Angeles	$ 107,135

Long Beach Memorial Medical Center	$ 107,135
Northridge Hospital Medical Center	$ 600,000
Ronald Reagan UCLA Medical Center	$ 107,135
Total	**$ 1,028,540**

IV. DESIGNATION SUPPORT AND ADD-ONS FUNDING

The funding described in this Section IV is in addition to the funding described in Section II and III of this Exhibit.

A. BASE HOSPITAL SERVICES AND INFRASTRUCTURE

To account for the special costs incurred for those private trauma hospitals providing base and trauma hospital services and to ensure the continued access by Medi-Cal beneficiaries to emergency rooms and emergency room care in the County by maintaining efficient prehospital transport of all patients to the most appropriate emergency room, the County will recommend to the State that it make an aggregate supplemental payment in the amount of $700,000 for base station and $1,200,000 for infrastructure to each private Non-County Trauma Hospital pursuant to the Trauma SPA, with the exception of Children's Hospital Los Angeles. Children's Hospital Los Angeles will receive a supplemental infrastructure payment in the amount of $1,200,000 but will not receive a supple-

mental base station payment because it does not provide base hospital services.

As public hospitals, Ronald Reagan UCLA Medical Center ("UCLA") and Antelope Valley Hospital ("Antelope") may not receive these supplemental Medi-Cal payments under the State Plan. Accordingly, the County will directly pay each of those hospitals the amount of $700,000 for base station support and $1,200,000 for infrastructure support at or about the same time as County makes its IGT payment to the State. In the event the County makes its IGT payment to the State in multiple installments, the County will make the base station and infrastructure supplemental payments to UCLA and Antelope in the same number of installments.

B. EMERGENCY CARE ACCESS FOR MEDI-CAL BENEFICIARIES (ADD-ONS)

Except for UCLA and Antelope, it is the intent of the County, and the County shall recommend to the State, that supplemental "add-on payments" be paid to each private Non-County Trauma Hospital in the amounts set forth in this section IV.B, which include both funding from the County's IGT and federal matching funds. Such payment shall be made pursuant to a separate agreement between the trauma hospital and the State or its intermediary, subject to the limitations set forth in

the Trauma SPA. The County will make the add-on supplemental payments for UCLA and Antelope.

The add-on supplemental payment amounts are as follows:

Antelope Valley Hospital	$ 2,459,009
California Hospital Medical Center	$ 8,552,944
Cedars-Sinai Medical Center	$ 4,625,953
Children's Hospital Los Angeles	$ 2,244,032
Henry Mayo Newhall Memorial Med. Ctr.	$1,596,832
Huntington Memorial Medical Center	$ 2,599,617
Long Beach Memorial Medical Center	$ 4,578,702
Northridge Hospital Medical Center	$ 2,603,200
Pomona Valley Hospital Medical Center	$ 3,340,706
Providence Holy Cross Medical Center	$ 5,444,965
Ronald Reagan UCLA Medical Center	$ 2,570,996
St. Francis Medical Center	$ 6,483,600
St. Mary Medical Center	$ 2,131,150
Total	**$49,231,706**

C. Payment Limit

Contractor acknowledges that the amounts payable under the Trauma SPA are limited to the uncompensated costs of providing outpatient hospital services of all eligible private trauma hospitals in Los Angeles County and are also limited by the State's upper payment limit, as established in 42 C.F.R. Section 447.321. To the

extent that either or both limits preclude the State from paying all of the aggregate amounts set forth below, the amount to be recommended by the County for each private trauma hospital shall be reduced by the same percentage as the percentage of total allowable supplemental payments under the Trauma SPA is to total recommended supplemental Medi-Cal payments under the Trauma SPA to all private trauma hospitals.

V. POTENTIAL IGT FOR FEDERAL MATCHING FUNDS:

As discussed in Section IV, the County intends that the Designation Support payments, Add-On Payments, and certain patient-based payments to the private Non-County Trauma Hospitals be made as Medi-Cal payments in accordance with the Trauma SPA. Unless CDHCS rejects this payment approach, the County will transfer the non-federal share of such funds to CDHCS in one or more IGTs. The amount of the payments to the private Non-County Trauma Hospitals will be the amounts set forth in Sections II, IV.A and IV.B above, including both the non-federal share funded by the IGT(s) and matching federal funds. All funding shall be used first to pay the amount of the Budget Allocation, then any amounts due under Section IV.A and then Section IV.B.

The parties acknowledge and agree that some or all of the IGT which the County intends to make to effectuate the provisions of this Agreement may not be capable of drawing

down federal matching funds under the SPA. To the extent that is true, the parties agree that the County shall have no obligation to make an IGT of such amounts and shall instead provide such funds directly to the private Non-County Trauma Hospitals. The amount of such direct payments shall be the amounts set forth in Section IV (A) and (B) that are not paid under the Trauma SPA multiplied by fifty percent (50%). To the extent that Non-County Trauma Hospitals receive the full amounts set forth in Section IV (A) and (B), County has no obligation to make further direct payments, even if not all of the funds set aside for use as an IGT are ultimately used for that purpose.

The total amount of the IGT that the County intends to make shall be $34.5 million.

VI. TOTAL MAXIMUM PAYMENTS

The total maximum payments that each Non-County Trauma Hospital may receive, either directly from the County, or from the State of California as additional Medi-Cal payments under the Trauma SPA (which includes the amounts of IGTs made by the County and federal matching funds), and subject to the limitations and conditions as described in this Agreement, shall be as follows:

Antelope Valley Hospital	$ 4,719,210
California Hospital Medical Center	$11,974,284
Cedars-Sinai Medical Center	$ 6,788,512

Children's Hospital Los Angeles	$ 3,551,167
Henry Mayo Newhall Memorial Med. Ctr.	$ 3,621,074
Huntington Memorial Medical Center	$ 5,085,680
Long Beach Memorial Medical Center	$ 7,100,850
Northridge Hospital Medical Center	$ 6,027,143
Pomona Valley Hospital Medical Center	$ 5,667,064
Providence Holy Cross Medical Center	$ 9,133,984
Ronald Reagan UCLA Medical Center	$ 4,902,116
St. Francis Medical Center	$ 9,875,138
St. Mary Medical Center	$ 4,249,382
Total	**$ 82,695,604**

Each non-County Trauma Hospital will be paid the above amounts through a combination of direct payments by the County or Medi-Cal payments under the Trauma SPA except for UCLA and Antelope which shall receive only funds from the County. Payments may be reduced to the extent amounts anticipated to be paid as Medi-Cal funds through the Trauma SPA cannot be paid in that manner, in which case the County will make direct payments of the non-federal share of such payments, up to, but not exceeding the amount of the IGT set forth above, less the amount used to fund the Medi-Cal payments which were actually made.

VI. EFFECTIVE DATES

The provisions of this Exhibit B-4 shall only apply to trauma services provided on or after July 1, 2017 and before July 1, 2018.

HOSPITAL AFFILIATION AGREEMENT
FOR PARAMEDIC TRAINING INSTITUTE STUDENTS

THIS AGREEMENT is entered into this 1st day of October, 2001, in the State of California by and between Saint Francis Medical Center - (clinical training facility) hereinafter referred to as "AFFILIATE", and **EL CAMINO COMMUNITY COLLEGE DISTRICT**, hereinafter referred to as "DISTRICT."

WITNESSETH:

WHEREAS, the DISTRICT operates a program which provides a curriculum for the education of paramedic students; and,

WHEREAS, the AFFILIATE is willing, under specific conditions, to allow the DISTRICT to utilize the facilities of the AFFILIATE for clinical and/or other learning experiences of students enrolled in the Clinical Training;

NOW, THEREFORE IT IS AGREED AS FOLLOWS:

1. PERIOD OF AGREEMENT. This Agreement shall become effective July 1, 1998, and shall remain in effect until canceled or amended by either party. Written notice of such termination to the other shall be made in not less than forty-five (45) calendar days before the effective date of such termination and which would not interrupt completion of a student assignment in treatment progress at the AFFILIATE's training location.

GENERAL RESPONSIBILITIES:

2. **STUDENT UNIFORMS**. Students shall wear professional clothing as designated by the paramedic training program.

3. **RULES AND REGULATIONS**. Students shall be subject to the rules and regulations of AFFILIATE and DISTRICT.

4. **COMPENSATION**. Neither party of this Agreement shall be obligated to pay any monetary compensation to the other or to any student.

5. **AFFIRMATIVE ACTION**. In accordance with the prevailing commitment to affirmative action, neither party in this Agreement shall employ discriminatory practices in its performance hereunder on the AGREEMENT basis of ethnicity, religion, sexual identity, national origin, ancestry, age, or physical handicap.

6. **GOVERNING LAW**. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

DISTRICT RESPONSIBILITIES:

7. STUDENT SELECTION. DISTRICT shall be responsible for the selection, testing, placement and/or removal, and final grading of each student placed with the AFFILIATE.

8. HEALTH CERTIFICATION. The DISTRICT agrees to place students who fulfill the DISTRICT's health and vaccination requirements. The DISTRICT shall disseminate any additional AFFILIATE's health requirements (e.g. TB testing) to any student participant under this Agreement, and shall advise student that compliance with such requirements is required for participation in the program at the AFFILIATE's location. Any exception shall be discussed with AFFILIATE before placement of the student, in order to secure the AFFILIATE's approval and acceptance of the student.

9. REQUIRED INSTRUCTION. DISTRICT shall provide instruction required in the program unless in specific instances other provisions are made and are mutually satisfactory to the DISTRICT and the AFFILIATE. DISTRICT shall offer paramedic education programs approved by the County of Los Angeles and the Community College Accrediting Agency (Western Association of Schools and Colleges/WASC). DISTRICT shall provide an orientation to the hospital setting that meets Joint Commission on Accreditation of Healthcare Organizations requirements for students in the clinical setting (See attachment I).

10. COURSE OBJECTIVES. DISTRICT shall initiate the development of mutually acceptable practical instruction plans for using the AFFILIATE's clinical areas to meet the DISTRICT's educational goals. These plans will be made available to the AFFILIATE and mutually agreed upon prior to the start of Agreement and subject to revision in instances of conflict with AFFILIATE patient care responsibilities and/or the DISTRICT's interests.

11. REQUIRED ACADEMIC RECORDS. DISTRICT shall maintain all academic records of students participating in the program pursuant to this Agreement.

12. STUDENT SCHEDULES. DISTRICT shall determine the required number of hours of clinical experience for paramedic students. The selection of time and days for individual students shall be made by the training program in concurrence with appropriate DISTRICT and AFFILIATE personnel. All plans for observation and/or clinical experience shall be subject to the approval of AFFILIATE.

13. AFFILIATE/DISTRICT MEETINGS. DISTRICT will schedule meetings, as needed, with appropriate AFFILIATE staff to interpret, discuss and evaluate the education program and clinical experience.

DISTRICT RESPONSIBILITIES, continued

14. **INDEMNIFICATION**. DISTRICT agrees to indemnify, save harmless, and at the AFFILIATE's request, defend the AFFILIATE, its agents and employees from and against all loss or expense (including costs and attorney fees) resulting from liability imposed by law upon AFFILIATE because of bodily injury, death of any person or on account of damages to property, including the loss of use thereof, arising out of or in connection with this Agreement and due or claimed to be due in proportion and to the extent from negligence of the DISTRICT, its agents, employees or students.

15. **INSURANCE**. During the term of this Agreement, the DISTRICT will carry insurance for comprehensive general liability and professional liability insurance, each for no less than $1,000,000 per occurrence, with an aggregate of $3,000,000. DISTRICT will provide AFFILIATE with a Certificate of Insurance showing such coverage upon the execution of this Agreement.

AFFILIATE RESPONSIBILITIES

16. **PATIENT CARE**. AFFILIATE shall retain ultimate control and responsibility for supervision of patient care.

17. **EDUCATION**. AFFILIATE shall provide such clinical experience and observational opportunities as are of educational value. AFFILIATE shall designate an appropriate staff member who will function as a Preceptor, and who will be responsible for working with the designated school faculty for implementing the training experience. AFFILIATE staff member shall be briefed on student practices and expectations. AFFILIATE shall determine the number of students which it can accommodate during a given period of time. However, no more than two (2) students shall be assigned to a Preceptor.

18. **FACILITIES**.

    18a. AFFILIATE shall permit the use of parking and cafeteria facilities by paramedic students.

    18b. AFFILIATE agrees to provide adequate clinical space for the training of students in the EMT/Paramedic Program.

    18c. AFFILIATE shall allow Paramedic instructional staff to make periodic visits to evaluate student performance.

AFFILIATE RESPONSIBILITIES, continued

19. HEALTH CARE. AFFILIATE shall provide first-aid to paramedic students needing such care, but shall not be obligated to furnish any other medical or surgical services to any paramedic student. The AFFILIATE may, upon request, require that any paramedic student returning from an absence caused by illness or injury be cleared by the DISTRICT.

20. STAFF. AFFILIATE shall not decrease the normal number of its staff as a result of the assignment of paramedic students.

21. DISCONTINUANCE OF STUDENT ASSIGNMENT. AFFILIATE may, at any time, recommend the discontinuance of the assignment of a paramedic student. DISTRICT will make every effort to promptly comply with such request; if DISTRICT disagrees with AFFILIATE's request to discontinue a particular student assignment, the subject student shall not participate at AFFILIATE's location until DISTRICT and AFFILIATE representatives have met to discuss AFFILIATE's request, and the basis therefor.

22. INDEMNIFICATION. AFFILIATE agrees to indemnify, save harmless, and at the DISTRICT's request, defend the DISTRICT, its agents and employees from and against all loss or expense (including costs and attorney fees) resulting from liability imposed by law upon DISTRICT because of bodily injury, death of any person or on account of damages to property, including the loss of use thereof, arising out of or in connection with this Agreement and due or claimed to be due in proportion and to the extent from negligence of the AFFILIATE, its agents, employees or students.

23. INSURANCE. During the term of this Agreement, the AFFILIATE shall carry insurance for insuring against the perils of bodily injury, personal injury, malpractice, property damage and including a contractual liability endorsement, for no less than $1,000,000 per occurrence, with an aggregate of $3,000,000. Upon request by the DISTRICT, AFFILIATE will provide a Certificate of Insurance showing evidence of coverage in the amounts and for the perils listed above, upon the execution of this Agreement.

24. COMMUNICATION. Correspondence concerning this Agreement and communications between the parties shall be through the following persons:

Agreement No. 2974

AGREEMENT BETWEEN THE COUNTY OF SAN MATEO AND

SETON MEDICAL CENTER / SETON COASTSIDE MEDICAL CENTER

This Agreement is entered into this 1st day of September, 2017, by and between the County of San Mateo, a political subdivision of the state of California, hereinafter called "County," and SETON MEDICAL CENTER / SETON COASTSIDE MEDICAL CENTER, hereinafter collectively called "Contractor." Contractor is affiliated with Verity Health System of California, Inc. ("**Verity**").

RECITALS* * *

Whereas, pursuant to Section 31000 of the California Government Code, County may contract with independent contractors for the furnishing of such services to or for County or any Department thereof; and

Whereas, the County has been awarded Hospital Preparedness Program ("HPP") grant funds to support the ability of hospitals and health care systems to prepare for and respond to health emergencies; and

Whereas, the County has established Health Care Coalitions ("Coalitions") with hospitals, clinics, skilled nursing facilities, local health departments, local emergency medical service agencies, mental health facilities, community service agencies and stakeholders for this purpose; and

Whereas, these Coalitions are required to plan, train, drill and exercise throughout the grant year; and

Whereas, HPP grant funds, when available, may be used to assist Coalition members with certain costs for such activities; and

Whereas, it is necessary and desirable that the Contractor be retained to participate in activities hereto described, to enhance health system disaster response, mitigation and recovery.

Now, therefore, it is agreed by the parties to this Agreement as follows:

AGREEMENT

1. Exhibits and Attachments

The following exhibits and attachments are attached to this Agreement and incorporated into this Agreement by this reference:

Exhibit A—Services
Exhibit B—Payments and Rates
Attachment I—§ 504 Compliance

2. Services to be performed by Contractor

In consideration of the payments set forth in this Agreement and in Exhibit B, Contractor shall perform services for County in accordance with the terms, conditions, and specifications set forth in this Agreement and in Exhibit A.

3. Payments

In consideration of the services provided by Contractor in accordance with all terms, conditions, and specifications set forth in this Agreement and in Exhibit A, County shall make payment to Contractor based on the rates and in the manner specified in Exhibit B. County reserves the right to withhold payment if County determines that the quantity or quality of the work performed is unacceptable. In no event shall County's total fiscal obligation under this Agreement exceed SEVENTY-TWO THOUSAND FIVE HUNDRED DOLLARS ($72,500). In the event that the County makes any advance payments, Contractor agrees to refund any amounts in excess of the amount owed by the County at the time of contract termination or expiration. Contractor is not entitled to payment for work not performed as required by this Agreement.

4. Term

Subject to compliance with all terms and conditions, the term of this Agreement shall be from September 1, 2017, through August 31, 2022.

5. Termination

This Agreement may be terminated by Contractor or by the Chief of San Mateo County Health System or his/her designee at any time without a requirement of good cause upon thirty (30) days' advance written notice to the other party. Subject to availability of funding, Contractor shall be entitled to receive payment for work/services provided prior to termination of the Agreement. Such payment shall be that prorated portion of the full payment determined by comparing the work/services actually completed to the work/services required by the Agreement.

County may terminate this Agreement or a portion of the services referenced in the Attachments and Exhibits based upon the unavailability of Federal, State, or County funds by providing written notice to Contractor as soon as is reasonably possible after County learns of said unavailability of outside funding.

County may terminate this Agreement for cause. In order to terminate for cause, County must first give Contractor notice of the alleged breach. Contractor shall have five (5) business days after receipt of such notice to respond and a total of ten (10) calendar days after receipt of such notice to cure the alleged breach. If Contractor fails to cure the breach within this period, County may immediately terminate this Agreement without further action. The option available in this paragraph is separate from the ability to terminate without cause with appropriate notice described above. In the event that County provides notice of an alleged breach pursuant to this section, County may, in extreme circumstances, immediately suspend performance of services and payment under this Agreement pending the resolution of the process described in this paragraph. County has sole discretion to determine what constitutes an extreme circumstance for purposes of this paragraph, and County shall use reasonable judgment in making that determination.

6. Contract Materials

At the end of this Agreement, or in the event of termination, all finished or unfinished documents, data, studies, maps, photographs, reports, and other written materials (collectively referred to as "contract materials") prepared by Contractor under this Agreement shall become the property of County and shall be promptly delivered to County. Upon termination, Contractor may make and retain a copy of such contract materials if permitted by law.

7. Relationship of Parties

Contractor agrees and understands that the work/services performed under this Agreement are performed as an independent contractor and not as an employee of County and that neither Contractor nor its employees acquire any of the rights, privileges, powers, or advantages of County employees.

8. **Hold Harmless**

a. **General Hold Harmless**

Contractor shall indemnify and save harmless County and its officers, agents, employees, and servants from all claims, suits, or actions of every name, kind, and description resulting from this Agreement, the performance of any work or services required of Contractor under this Agreement, or payments made pursuant to this Agreement brought for, or on account of, any of the following:

(A) injuries to or death of any person, including Contractor or its employees/officers/agents;

(B) damage to any property of any kind whatsoever and to whomsoever belonging;

(C) any sanctions, penalties, or claims of damages resulting from Contractor's failure to comply, if applicable, with the requirements set forth in the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and all Federal regulations promulgated thereunder, as amended; or

(D) any other loss or cost, including but not limited to that caused by the concurrent active or passive negligence of County and/or its officers, agents, employees, or servants. However, Contractor's duty to indemnify and save harmless under this Section shall not apply to injuries or damage for which County has been found in a court of competent jurisdiction to be solely liable by reason of its own negligence or willful misconduct.

The duty of Contractor to indemnify and save harmless as set forth by this Section shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

9. **Assignability and Subcontracting**

Contractor shall not assign this Agreement or any portion of it to a third party or subcontract with a third party to provide services required by Contractor under this Agreement without the prior written consent of County. Any such assignment or subcontract without County's prior written consent shall give County the right to automatically and immediately terminate this Agreement without penalty or advance notice.

10. **Insurance**

a. **General Requirements**

Contractor shall not commence work or be required to commence work under this Agreement unless and until all insurance required under this Section has been obtained and such insurance has been approved by County's Risk Management, and Contractor shall use diligence to obtain such insurance and to obtain such approval. Contractor shall furnish County with certificates of insurance evidencing the required coverage, and there shall be a specific contractual liability endorsement extending Contractor's coverage to include the contractual liability assumed by Contractor pursuant to this Agreement. These certificates shall specify or be endorsed to provide that thirty (30) days' notice must be given, in writing, to County of any pending change in the limits of liability or of any cancellation or modification of the policy.

b. Workers' Compensation and Employer's Liability Insurance

Contractor shall have in effect during the entire term of this Agreement workers' compensation and employer's liability insurance providing full statutory coverage. In signing this Agreement, Contractor certifies, as required by Section 1861 of the California Labor Code, that (a) it is aware of the provisions of Section 3700 of the California Labor Code, which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of the Labor Code, and (b) it will comply with such provisions before commencing the performance of work under this Agreement.

c. Liability Insurance

Contractor shall take out and maintain during the term of this Agreement such bodily injury liability and property damage liability insurance as shall protect Contractor and all of its employees/officers/agents while performing work covered by this Agreement from any and all claims for damages for bodily injury, including accidental death, as well as any and all claims for property damage which may arise from Contractor's operations under this Agreement, whether such operations be by Contractor, any subcontractor, anyone directly or indirectly employed by either of them, or an agent of either of them. Such insurance shall be combined single limit bodily injury and property damage for each occurrence and shall not be less than the amounts specified below:

(a) Comprehensive General Liability... $1,000,000

(b) Motor Vehicle Liability Insurance... $1,000,000

(c) Professional Liability..... $1,000,000

County and its officers, agents, employees, and servants shall be named as additional insured on any such policies of insurance, which shall also contain a provision that (a) the insurance afforded thereby to County and its officers, agents, employees, and servants shall be primary insurance to the full limits of liability of the policy and (b) if the County or its officers, agents, employees, and servants have other insurance against the loss covered by such a policy, such other insurance shall be excess insurance only.

In the event of the breach of any provision of this Section, or in the event any notice is received which indicates any required insurance coverage will be diminished or canceled, County, at its option, may, notwithstanding any other provision of this Agreement to the contrary, immediately declare a material breach of this Agreement and suspend all further work and payment pursuant to this Agreement.

11. Compliance With Laws

All services to be performed by Contractor pursuant to this Agreement shall be performed in accordance with all applicable Federal, State, County, and municipal laws, ordinances, and regulations, including but not limited to HIPAA and the Federal Regulations promulgated thereunder, as amended (if applicable), the Business Associate requirements set forth in Attachment H (if attached), the Americans with Disabilities Act of 1990, as amended, and Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination on the basis of disability in programs and activities receiving any Federal or County financial assistance. Such services shall also be performed in accordance with all applicable ordinances and regulations, including but not limited to appropriate licensure, certification regulations, provisions pertaining to confidentiality of records, and applicable quality assurance regulations. In the event of a conflict between the terms of this Agreement and any applicable State, Federal, County, or municipal law

or regulation, the requirements of the applicable law or regulation will take precedence over the requirements set forth in this Agreement.

Contractor will perform services in accordance with the Essential Characteristics of the Verity Health System of California, Inc. Corporate Responsibility Program and Standards of Conduct.

Contractor will timely and accurately complete, sign, and submit all necessary documentation of compliance.

12. Non-Discrimination and Other Requirements

a. General Non-discrimination

No person shall be denied any services provided pursuant to this Agreement (except as limited by the scope of services) on the grounds of race, color, national origin, ancestry, age, disability (physical or mental), sex, sexual orientation, gender identity, marital or domestic partner status, religion, political beliefs or affiliation, familial or parental status (including pregnancy), medical condition (cancer-related), military service, or genetic information.

b. Equal Employment Opportunity

Contractor shall ensure equal employment opportunity based on objective standards of recruitment, classification, selection, promotion, compensation, performance evaluation, and management relations for all employees under this Agreement. Contractor's equal employment policies shall be made available to County upon request.

c. Section 504 of the Rehabilitation Act of 1973

Contractor shall comply with Section 504 of the Rehabilitation Act of 1973, as amended, which provides that no otherwise qualified individual with a disability shall, solely by reason of a disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination in the performance of any services this Agreement. This Section applies only to contractors who are providing services to members of the public under this Agreement.

d. Compliance with County's Equal Benefits Ordinance

Contractor shall comply with all laws relating to the provision of benefits to its employees and their spouses or domestic partners, including, but not limited to, such laws prohibiting discrimination in the provision of such benefits on the basis that the spouse or domestic partner of the Contractor's employee is of the same or opposite sex as the employee.

e. Discrimination Against Individuals with Disabilities

The nondiscrimination requirements of 41 C.F.R. 60-741.5(a) are incorporated into this Agreement as if fully set forth here, and Contractor and any subcontractor shall abide by the requirements of 41 C.F.R. 60–741.5(a). This regulation prohibits discrimination against qualified individuals on the basis of disability and requires affirmative action by covered prime contractors and subcontractors to employ and advance in employment qualified individuals with disabilities.

f. History of Discrimination

Contractor certifies that no finding of discrimination has been issued in the past three hundred and sixty-five (365) days against Contractor by the Equal Employment Opportunity Commission, the California Department of Fair Employment and Housing, or any other investigative entity. If any finding(s) of discrimination have been issued against Contractor within the past three hundred and sixty-five (365) days by the Equal Employment Opportunity Commission, the California Department of Fair Employment and Housing, or other investigative entity, Contractor shall provide County with a written explanation of the outcome(s) or remedy for the discrimination prior to execution of this Agreement. Failure to comply with this Section shall constitute a material breach of this Agreement and subjects the Agreement to immediate termination at the sole option of the County.

g. Reporting; Violation of Non-discrimination Provisions

Contractor shall report to the County Manager the filing in any court or with any administrative agency of any complaint or allegation of discrimination on any of the bases prohibited by this Section of the Agreement or the Section titled "Compliance with Laws". Such duty shall include reporting of the filing of any and all charges with the Equal Employment Opportunity Commission, the California Department of Fair Employment and Housing, or any other entity charged with the investigation or adjudication of allegations covered by this subsection within thirty (30) days of such filing, provided that within such 30 days such entity has not notified Contractor that such charges are dismissed or otherwise unfounded. Such notification shall include a general description of the circumstances involved and a general description of the kind of discrimination alleged (for example, gender-, sexual orientation-, religion-, or race-based discrimination).

Violation of the non-discrimination provisions of this Agreement shall be considered a breach of this Agreement and subject the Contractor to penalties, to be determined by the County Manager, including but not limited to the following:

i. termination of this Agreement;
ii. disqualification of the Contractor from being considered for or being awarded a County contract for a period of up to three (3) years;
iii. liquidated damages of two thousand, five hundred dollars ($2,500.00) per violation; and/or
iv. imposition of other appropriate contractual and civil remedies and sanctions, as determined by the County Manager.

To effectuate the provisions of this Section, the County Manager shall have the authority to offset all or any portion of the amount described in this Section against amounts due to Contractor under this Agreement or any other agreement between Contractor and County.

h. Compliance with Living Wage Ordinance

As required by Chapter 2.88 of the San Mateo County Ordinance Code, Contractor certifies all contractor(s) and subcontractor(s) obligated under this contract shall fully comply with the provisions of the County of San Mateo Living Wage Ordinance, including, but not limited to, paying all Covered Employees the current Living Wage and providing notice to all Covered Employees and Subcontractors as required under the Ordinance.

13. Compliance with County Employee Jury Service Ordinance

Contractor shall comply with Chapter 2.85 of the County's Ordinance Code, which states that Contractor shall have and adhere to a written policy providing that its employees, to the extent they are full-time employees and live in San Mateo County, shall receive from the Contractor, on an annual basis, no fewer than 5 (five) days of regular pay for jury service in San Mateo County, with jury pay being provided only for each day of actual jury service. The policy may provide that such employees deposit any fees received for such jury service with Contractor or that the Contractor may deduct from an employee's regular pay the fees received for jury service in San Mateo County. By signing this Agreement, Contractor certifies that it has and adheres to a policy consistent with Chapter 2.85. For purposes of this Section, if Contractor has no employees in San Mateo County, it is sufficient for Contractor to provide the following written statement to County: "For purposes of San Mateo County's jury service ordinance, Contractor certifies that it has no full-time employees who live in San Mateo County. To the extent that it hires any such employees during the term of its Agreement with San Mateo County, Contractor shall adopt a policy that complies with Chapter 2.85 of the County's Ordinance Code." The requirements of Chapter 2.85 do not apply if this Agreement's total value listed in the Section titled "Payments", is less than one-hundred thousand dollars ($100,000), but Contractor acknowledges that Chapter 2.85's requirements will apply if this Agreement is amended such that its total value meets or exceeds that threshold amount.

14. Retention of Records; Right to Monitor and Audit

(a) Contractor shall maintain all required records relating to services provided under this Agreement for three (3) years after County makes final payment and all other pending matters are closed, and Contractor shall be subject to the examination and/or audit by County, a Federal grantor agency, and the State of California.

(b) Contractor shall comply with all program and fiscal reporting requirements set forth by applicable Federal, State, and local agencies and as required by County.

(c) Contractor agrees upon reasonable notice to provide to County, to any Federal or State department having monitoring or review authority, to County's authorized representative, and/or to any of their respective audit agencies access to and the right to examine all records and documents necessary to determine compliance with relevant Federal, State, and local statutes, rules, and regulations, to determine compliance with this Agreement, and to evaluate the quality, appropriateness, and timeliness of services performed.

15. Merger Clause; Amendments

This Agreement, including the Exhibits and Attachments attached to this Agreement and incorporated by reference, constitutes the sole Agreement of the parties to this Agreement and correctly states the rights, duties, and obligations of each party as of this document's date. In the event that any term, condition, provision, requirement, or specification set forth in the body of this Agreement conflicts with or is inconsistent with any term, condition, provision, requirement, or specification in any Exhibit and/or Attachment to this Agreement, the provisions of the body of the Agreement shall prevail. Any prior agreement, promises, negotiations, or representations between the parties not expressly stated in this document are not binding. All subsequent modifications or amendments shall be in writing and signed by the parties.

16. Controlling Law; Venue

The validity of this Agreement and of its terms, the rights and duties of the parties under this Agreement, the interpretation of this Agreement, the performance of this Agreement, and any other dispute of any

nature arising out of this Agreement shall be governed by the laws of the State of California without regard to its choice of law or conflict of law rules. Any dispute arising out of this Agreement shall be venued either in the San Mateo County Superior Court or in the United States District Court for the Northern District of California.

17. Notices

Any notice, request, demand, or other communication required or permitted under this Agreement shall be deemed to be properly given when both: (1) transmitted via facsimile to the telephone number listed below or transmitted via email to the email address listed below; and (2) sent to the physical address listed below by either being deposited in the United States mail, postage prepaid, or deposited for overnight delivery, charges prepaid, with an established overnight courier that provides a tracking number showing confirmation of receipt.

Agreement No. 62050-17-D003

AGREEMENT BETWEEN THE COUNTY OF SAN MATEO AND SETON MEDICAL CENTER

This Agreement is entered into this first day of November, 2016, by and between the County of San Mateo, a political subdivision of the state of California, hereinafter called "County," and Seton Medical Center, hereinafter called "HOSPITAL."

* * *

Whereas, pursuant to Section 31000 of the California Government Code, County may contract with independent HOSPITALs for the furnishing of such services to or for County or any Department thereof; and

Whereas, COUNTY has implemented a ST Segment Elevation Myocardial Infarction (STEMI) Care System of care for patients with STEMI; and

Whereas, COUNTY wishes to assure the highest quality of care by directing STEMI patients, as define below, to facilities committed to meeting STEMI Receiving Center (SRC) standards; and

Whereas, COUNTY has found the HOSPITAL meets COUNTY SRC standards; and

Whereas, HOSPITAL is willing to accept designation as a SRC; and

Whereas HOSPITAL by virtue of the parties' execution of this Agreement, will be designated by COUNTY as a SRC under the terms of the Agreement;

Now, therefore, It is agreed by the parties to this Agreement as follows: In consideration of the recitals and the mutual obligations of the parties expressed herein, both COUNTY and HOSPITAL do hereby expressly agree as follows

1. Exhibits and Attachments

The following exhibits and attachments are attached to this Agreement and incorporated into this Agreement by this reference:

Exhibit A—Services
Exhibit B—Payments and Rates
Facilities – 9 – STEMI System Receiving Center Standards and Designation
Attachment I—§ 504 Compliance

2. Services to be performed by HOSPITAL

Hospital shall perform services for COUNTY In accordance with the terms, conditions, and specifications set for herein.

3. Payments

In consideration of the services provided by HOSPITAL in accordance with all terms, conditions, and specifications set forth in this Agreement and in Exhibit A, HOSPITAL shall make payment to COUNTY based on the rates and In the manner specified in Exhibit B. HOSPITAL shall pay COUNTY an annual fee for TWENTY-FIVE THOUSAND DOLLARS ($25,000.00) for the STEMI Receiving Center Designation

for a maximum obligation of SEVENTY-FIVE THOUSAND DOLLARS ($75,000.00) over the term of the contract. The fee shall be used to pay COUNTY costs of administering and evaluating the STEMI Care System, updating and enhancing the data collection system, and providing public information/outreach education. The fee shall be paid annually in full within thirty calendar days once SMC-EMSA invoice is received. In the event of the early termination of this contract by the COUNTY, a prorated amount of the annual fee paid by HOSPITAL for that year will be returned within 45 days of termination. The fee is not otherwise refundable in whole or in part.

4. Term

Subject to compliance with all terms and conditions, the term of this Agreement shall be from November 1, 2016, through October 31, 2019.

5. Termination

This Agreement may be terminated by HOSPITAL or by the Chief of San Mateo Health System or his/her designee at any time without a requirement of good cause upon ninety (90) days' advance written notice to the other party.

COUNTY may terminate this Agreement for cause. To terminate for cause, COUNTY must first give HOSPITAL written notice of the alleged breach, , upon the occurrence of any one or more of the following events, and is subject to HOSPITAL's opportunity to correct the underlying breach issues as set forth in item 6 below:

a. Any material breach of this Agreement by HOSPITAL:

b. Any violation by HOSPITAL of any applicable laws, regulations, or local ordinances;

c. Any failure to provide timely surgical and non-surgical physician coverage for STEMI patients, causing unnecessary risk of mortality and/or morbidity for STEMI patients;

d. Submission by HOSPITAL to COUNTY of reports or information that HOSPITAL knows or should know are incorrect in any material respect;

e. Any failure by HOSPITAL to comply with STEMI Receiving Center Standards;

f. Loss or suspension of licensure as an acute care hospital or loss or suspension of any existing or future special permits (Cardiac Catheterization Lab, Cardiovascular Surgery Service) issued by state or federal agencies necessary for the provision of the services provided by HOSPITAL under the terms of this Agreement.

g. Any failure to comply with a plan of correction related to a breach of any term of this Agreement imposed by COUNTY;

h. Any failure to remedy HOSPITAL's diversion of ambulances transporting STEMI patients intended for HOSPITAL; and

i. Repeated failure to submit specified reports, STEMI Information System data, or other information required under this Agreement.

6. Opportunity to Cure

Prior to the exercise of COUNTY right to terminate for cause, COUNTY shall give HOSPITAL at least thirty (30) days written notice (hereinafter "Correction Period") specifying in reasonable detail the grounds for termination and all deficiencies requiring correction. COUNTY may shorten the Correction Period to immediate termination if COUNTY determines that HOSPITAL's action or inaction has seriously threatened, or will seriously threaten, public health and safety. If HOSPITAL has not remedied each deficiency prior to the end of the Correction Period to the satisfaction of COUNTY, or COUNTY has not approved a plan of correction within the Correction Period, COUNTY may terminate this Agreement upon written notice to HOSPITAL, specifying the effective date of termination. No opportunity to cure is required prior to COUNTY termination of this Agreement for failure by HOSPITAL to complete any plan of correction imposed by COUNTY.

7. Relationship of Parties

HOSPITAL agrees and understands that the work/services performed under this Agreement are performed as an independent HOSPITAL and not as an employee of County and that neither HOSPITAL nor its employees acquire any of the rights, privileges, powers, or advantages of County employees.

8. Hold Harmless

a. General Hold Harmless

HOSPITAL shall indemnify and save harmless County and its officers, agents, employees, and servants from all claims, suits, or actions of every name, kind, and description resulting from this Agreement, the performance of any work or services required of HOSPITAL under this Agreement, or payments made pursuant to this Agreement brought for, or on account of, any of the following:

(A) injuries to or death of any person, including HOSPITAL or its employees/officers/agents;

(B) damage to any property of any kind whatsoever and to whomsoever belonging;

(C) any sanctions, penalties, or claims of damages resulting from HOSPITAL's failure to comply, if applicable, with the requirements set forth in the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and all Federal regulations promulgated thereunder, as amended; or

(D) any other loss or cost, including but not limited to that caused by the concurrent active or passive negligence of County and/or its officers, agents, employees, or servants. However, HOSPITAL's duty to indemnify and save harmless under this Section shall not apply to injuries or damage for which County has been found in a court of competent jurisdiction to be solely liable by reason of its own negligence or willful misconduct.

The duty of HOSPITAL to indemnify and save harmless as set forth by this Section shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

9. Assignability and Subcontracting

HOSPITAL shall not assign this Agreement or any portion of it to a third party or subcontract with a third party to provide services required by HOSPITAL under this Agreement without the prior written consent of County. Any such assignment or subcontract without County's prior written consent shall give County the right to automatically and immediately terminate this Agreement without penalty or advance notice. Documentation of written agreements to provide cardiac surgery and transportation to facilities for cardiac

surgery for hospitals that do not have this service on site will be demonstrated during the STEMI Receiving Center Standards review.

10. Insurance

a. General Requirements

HOSPITAL shall not commence work or be required to commence work under this Agreement unless and until all insurance required under this Section has been obtained and such insurance has been approved by County's Risk Management, and HOSPITAL shall use diligence to obtain such insurance and to obtain such approval. HOSPITAL shall furnish County with certificates of insurance evidencing the required coverage, and there shall be a specific contractual liability endorsement extending HOSPITAL's coverage to include the contractual liability assumed by HOSPITAL pursuant to this Agreement. These certificates shall specify or be endorsed to provide that thirty (30) days' notice must be given, in writing, to County of any pending change in the limits of liability or of any cancellation or modification of the policy.

b. Workers' Compensation and Employer's Liability Insurance

HOSPITAL shall have in effect during the entire term of this Agreement workers' compensation and employer's liability insurance providing full statutory coverage. In signing this Agreement, HOSPITAL certifies, as required by Section 1861 of the California Labor Code, that (a) it is aware of the provisions of Section 3700 of the California Labor Code, which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of the Labor Code, and (b) it will comply with such provisions before commencing the performance of work under this Agreement.

c. Liability Insurance

HOSPITAL shall take out and maintain during the term of this Agreement such bodily injury liability and property damage liability insurance as shall protect HOSPITAL and all of its employees/officers/agents while performing work covered by this Agreement from any and all claims for damages for bodily injury, including accidental death, as well as any and all claims for property damage which may arise from HOSPITAL's operations under this Agreement, whether such operations be by HOSPITAL, any HOSPITAL, anyone directly or indirectly employed by either of them, or an agent of either of them. Such insurance shall be combined single limit bodily injury and property damage for each occurrence and shall not be less than the amounts specified below:

(a) Comprehensive General Liability...	$1,000,000
(b) Motor Vehicle Liability Insurance...	$1,000,000
(c) Professional Liability.....	$1,000,000

County and its officers, agents, employees, and servants shall be named as additional insured on any such policies of insurance, which shall also contain a provision that (a) the insurance afforded thereby to County and its officers, agents, employees, and servants shall be primary insurance to the full limits of

liability of the policy and (b) if the County or its officers, agents, employees, and servants have other insurance against the loss covered by such a policy, such other insurance shall be excess insurance only.

In the event of the breach of any provision of this Section, or in the event any notice is received which indicates any required insurance coverage will be diminished or canceled, County, at its option, may, notwithstanding any other provision of this Agreement to the contrary, immediately declare a material breach of this Agreement and suspend all further work and payment pursuant to this Agreement.

11. Compliance With Laws

All services to be performed by HOSPITAL pursuant to this Agreement shall be performed in accordance with all applicable Federal, State, County, and municipal laws, ordinances, and regulations, including but not limited to the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the Federal Regulations promulgated thereunder, as amended (if applicable), the Business Associate requirements set forth in Attachment H (if attached), the Americans with Disabilities Act of 1990, as amended, and Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination on the basis of disability in programs and activities receiving any Federal or County financial assistance. Such services shall also be performed in accordance with all applicable ordinances and regulations, including but not limited to appropriate licensure, certification regulations, provisions pertaining to confidentiality of records, and applicable quality assurance regulations. In the event of a conflict between the terms of this Agreement and any applicable State, Federal, County, or municipal law or regulation, the requirements of the applicable law or regulation will take precedence over the requirements set forth in this Agreement.

HOSPITAL will timely and accurately complete, sign, and submit all necessary documentation of compliance.

12. Non-Discrimination and Other Requirements

a. General Non-discrimination

No person shall be denied any services provided pursuant to this Agreement (except as limited by the scope of services) on the grounds of race, color, national origin, ancestry, age, disability (physical or mental), sex, sexual orientation, gender identity, marital or domestic partner status, religion, political beliefs or affiliation, familial or parental status (including pregnancy), medical condition (cancer-related), military service, or genetic information.

b. Equal Employment Opportunity

HOSPITAL shall ensure equal employment opportunity based on objective standards of recruitment, classification, selection, promotion, compensation, performance evaluation, and management relations for all employees under this Agreement. HOSPITAL's equal employment policies shall be made available to County upon request.

c. Section 504 of the Rehabilitation Act of 1973

HOSPITAL shall comply with Section 504 of the Rehabilitation Act of 1973, as amended, which provides that no otherwise qualified individual with a disability shall, solely by reason of a disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination in the performance of any services this Agreement. This Section applies only to HOSPITALs who are providing services to members of the public under this Agreement.

d. Compliance with County's Equal Benefits Ordinance

HOSPITAL shall comply with all laws relating to the provision of benefits to its employees and their spouses or domestic partners, including, but not limited to, such laws prohibiting discrimination in the provision of such benefits on the basis that the spouse or domestic partner of the HOSPITAL's employee is of the same or opposite sex as the employee.

e. Discrimination Against Individuals with Disabilities

The nondiscrimination requirements of 41 C.F.R. 60-741.5(a) are incorporated into this Agreement as if fully set forth here, and HOSPITAL and any subHOSPITAL shall abide by the requirements of 41 C.F.R. 60–741.5(a). This regulation prohibits discrimination against qualified individuals on the basis of disability and requires affirmative action by covered prime HOSPITALs and subHOSPITALs to employ and advance in employment qualified individuals with disabilities.

f. History of Discrimination

HOSPITAL certifies that no finding of discrimination has been issued in the past 365 days against HOSPITAL by the Equal Employment Opportunity Commission, the California Department of Fair Employment and Housing, or any other investigative entity. If any finding(s) of discrimination have been issued against HOSPITAL within the past 365 days by the Equal Employment Opportunity Commission, the California Department of Fair Employment and Housing, or other investigative entity, HOSPITAL shall provide County with a written explanation of the outcome(s) or remedy for the discrimination prior to execution of this Agreement. Failure to comply with this Section shall constitute a material breach of this Agreement and subjects the Agreement to immediate termination at the sole option of the County.

g. Reporting; Violation of Non-discrimination Provisions

HOSPITAL shall report to the County Manager the filing in any court or with any administrative agency of any complaint or allegation of discrimination on any of the bases prohibited by this Section of the Agreement or the Section titled "Compliance with Laws". Such duty shall include reporting of the filing of any and all charges with the Equal Employment Opportunity Commission, the California Department of Fair Employment and Housing, or any other entity charged with the investigation or adjudication of allegations covered by this subsection within 30 days of such filing, provided that within such 30 days such entity has not notified HOSPITAL that such charges are dismissed or otherwise unfounded. Such notification shall include a general description of the circumstances involved and a general description of the kind of discrimination alleged (for example, gender-, sexual orientation-, religion-, or race-based discrimination).

Violation of the non-discrimination provisions of this Agreement shall be considered a breach of this Agreement and subject the HOSPITAL to penalties, to be determined by the County Manager, including but not limited to the following:

i. termination of this Agreement;
ii. disqualification of the HOSPITAL from being considered for or being awarded a County contract for a period of up to 3 years;
iii. liquidated damages of $2,500 per violation; and/or
iv. imposition of other appropriate contractual and civil remedies and sanctions, as determined by the County Manager.

To effectuate the provisions of this Section, the County Manager shall have the authority to offset all or any portion of the amount described in this Section against amounts due to HOSPITAL under this Agreement or any other agreement between HOSPITAL and County.

13. Compliance with County Employee Jury Service Ordinance

HOSPITAL shall comply with Chapter 2.85 of the County's Ordinance Code, which states that HOSPITAL shall have and adhere to a written policy providing that its employees, to the extent they are full-time employees and live in San Mateo County, shall receive from the HOSPITAL, on an annual basis, no fewer than five days of regular pay for jury service in San Mateo County, with jury pay being provided only for each day of actual jury service. The policy may provide that such employees deposit any fees received for such jury service with HOSPITAL or that the HOSPITAL may deduct from an employee's regular pay the fees received for jury service in San Mateo County. By signing this Agreement, HOSPITAL certifies that it has and adheres to a policy consistent with Chapter 2.85. For purposes of this Section, if HOSPITAL has no employees in San Mateo County, it is sufficient for HOSPITAL to provide the following written statement to County: "For purposes of San Mateo County's jury service ordinance, HOSPITAL certifies that it has no full-time employees who live in San Mateo County. To the extent that it hires any such employees during the term of its Agreement with San Mateo County, HOSPITAL shall adopt a policy that complies with Chapter 2.85 of the County's Ordinance Code." The requirements of Chapter 2.85 do not apply if this Agreement's total value listed in the Section titled "Payments", is less than one-hundred thousand dollars ($100,000), but HOSPITAL acknowledges that Chapter 2.85's requirements will apply if this Agreement is amended such that its total value meets or exceeds that threshold amount.

14. Retention of Records; Right to Monitor and Audit

HOSPITAL shall maintain patient care, revenue, and expenditure data during the term of this Agreement and for a period of seven (7) years from the termination of this Agreement and for a period of seven (7) years from the termination of this Agreement or until all claims, if any, have been resolved, whichever period is longer, or longer is otherwise required by law for the provisions of this Agreement. Such records shall be maintained in such a fashion as to be able to separately identify STEMI patients from all other patients.

COUNTY and its authorized representatives shall be entitled to monitor, assess, and evaluate HOSPITAL's performance pursuant to this Agreement. To the extent permitted by law, such monitoring, assessments, or evaluations shall include, but not limited to, audits, inspection of premises, review of reports, review of patient records, and interviews of HOSPITAL's staff and STEMI program participants, so long as such activities do not interfere with the provision of patient care and hospital operations; and, any on-site activities are scheduled at least one (1) week in advance and at a time that is mutually convenient for both parties. At a mutually convenient to which the parties agree in advance, during normal business hours, as often as COUNTY may deem necessary, and to the extent permitted by law, HOSPITAL shall make available to COUNTY, upon COUNTY request, all of HOSPITAL's records with respect to HOSPITAL's performance under this Agreement.

HOSPITAL may, at its discretion, as may be reasonably requested by COUNTY, participate in evaluations and/or research designed to show the effectiveness of the STEMI response and shall submit reports and materials on its STEMI services as reasonably requested by COUNTY. These reports, evaluations and studies shall be used by COUNTY to analyze and generate aggregate statistical reports on the Comprehensive Cardiac Care System for STEMI.

HOSPITAL agrees to participate and enter data in COUNTY data system for each STEMI patient received to help in the assessment of the overall STEMI system of care in a manner that is mutually agreed upon by the parties. COUNTY represents and warrants that the data system complies with all California and Federal laws related to security of patient medical records and to patient privacy.

15. Merger Clause; Amendments

This Agreement, including the Exhibits and Attachments attached to this Agreement and incorporated by reference, constitutes the sole Agreement of the parties to this Agreement and correctly states the rights, duties, and obligations of each party as of this document's date. In the event that any term, condition, provision, requirement, or specification set forth in the body of this Agreement conflicts with or is inconsistent with any term, condition, provision, requirement, or specification in any Exhibit and/or Attachment to this Agreement, the provisions of the body of the Agreement shall prevail. Any prior agreement, promises, negotiations, or representations between the parties not expressly stated in this document are not binding. All subsequent modifications or amendments shall be in writing and signed by the parties.

16. Controlling Law; Venue

The validity of this Agreement and of its terms, the rights and duties of the parties under this Agreement, the interpretation of this Agreement, the performance of this Agreement, and any other dispute of any nature arising out of this Agreement shall be governed by the laws of the State of California without regard to its choice of law or conflict of law rules. Any dispute arising out of this Agreement shall be venued either in the San Mateo County Superior Court or in the United States District Court for the Northern District of California.

17. Notices

Any notice, request, demand, or other communication required or permitted under this Agreement shall be deemed to be properly given when both: (1) transmitted via facsimile to the telephone number listed below or transmitted via email to the email address listed below; and (2) sent to the physical address listed below by either being deposited in the United States mail, postage prepaid, or deposited for overnight delivery, charges prepaid, with an established overnight courier that provides a tracking number showing confirmation of receipt.

Exhibit A

In consideration of the payments set forth in Exhibit B, HOSPITAL shall provide the following services:

I. Definitions for the purposes of this agreement:

a. "EMS Agency" means the San Mateo County Emergency Medical Services Agency (SMC-EMSA).

b. "STEMI Patient" means a person who has an identified ST Segment Elevation Myocardial Infarction (STEMI) as evaluated by prehospital, physician, nursing or other clinical personnel according to the policies and procedures established by the EMS Agency, as may be amended from time to time, and been found to require STEMI Receiving Center services.

c. "STEMI Care System" means an integrated prehospital and hospital program that is intended to direct patients with field or Referral Hospital identified STEMI directly to hospitals with specialized capabilities to promptly treat these patients

d. "STEMI Receiving Center" or "SRC" means a licensed general acute care hospital with a special permit for a cardiac catheterization laboratory from the California Department of Public Health (CDPF) and designated as a SRC by San Mateo County.

e. "STEMI Receiving Center Standards" means the standards applicable to SRC set forth in the attached SMC-EMS policy Facilities -9 included as part of this Agreement. SMC-EMSA policies and procedures, as may be amended from time to time in consultation of HOSPITAL through HOSPITAL's participation at STEMI QI Committee. A copy of the STEMI Standards and the SMC-EMSA STEMI policies and procedures will be provided to the SRC's.

f. "STEMI Receiving Center Services" means the customary and appropriate hospital and physician services provided by a SRC to STEMI patients, which, at a minimum, meet SRC Standards.

g. "STEMI Referral Hospital" or "SRH" means a licensed general acute care hospital which does not meet SRC Standards, but facilitates the transport of STEMI patients to designated SRC's for appropriate care.

h. "STEMI Quality Improvement Committee" means the multi-disciplinary peer-review committee, comprised of representatives from the STEMI Receiving Centers (SRC), STEMI Referral Hospitals (SRH) and other professionals designated by the SMC-EMSA, which audits the STEMI Care System, makes recommendations for system improvements, and functions in an advisory capacity on other STEMI and cardiac care system issues. Committee members designated by the SMC-EMSA may include, but are not limited to, SRC medical directors and program managers, representatives from SRH, interventional and non-interventional cardiologists, emergency medicine sub-specialists, and representatives from ground and air emergency medical services providers.

i. "STEMI Information System" means the computer information system maintained by each SRC which captures the presentation, diagnostic, treatment and outcome data sets required

by COUNTY and the SRC Standards.

j. "PCR Viewer" a proprietary product furnished at no cost by American Medical Response which allows the receiving hospital to view and obtain a copy of the prehospital patient care record for the STEMI patient.

k. "CARES" means a Cardiac Arrest Registry to Enhance Survival

II. Obligations of HOSPITAL:

a. HOSPITAL shall provide all services, equipment and personnel including maintenance of adequate staffing levels, equipment, and facilities according to STEMI designation criteria which are described in SMC-EMSA policy Facilities-9 and included as part of this agreement.

b. Accept all San Mateo County EMS patients triaged as having a suspected STEMI transported or "come" to HOSPITAL's facility and provide appropriate medical management for said patients without regard to race, color, national origin, religious affiliation, age, sex, or ability to pay. For the purpose of this Agreement, the phrase "comes to the emergency department" shall have the same meaning as set forth in the Emergency Medical Treatment and Active Labor Act (42 U.S.C § 1395dd) and the regulations promulgated there under (EMTALA).

c. HOSPITAL acknowledges that SMC-EMSA makes no representation, does not guarantee that STEMI Patients will be delivered or diverted to HOSPITAL for care and cannot assure that a minimum number of STEMI Patients will be delivered to HOSPITAL during the term of this Agreement.

d. Any transfer of a STEMI Patient by HOSPITAL must be in accordance with EMTALA.

e. HOSPITAL shall comply with SRC Standards described in SMC-EMSA Facilities-9 (STEMI Receiving Center Standards and Designation). Exhibit B, which is attached and incorporated into this Agreement. HOSPITAL shall monitor compliance with SRC Standards on a regular and ongoing basis. Documentation of such efforts shall be made available to the SMC-EMSA upon request.

f. HOSPITAL shall notify the SMC-EMSA, in writing, within twenty-four (24) hours of any failure to meet SRC Standards, and take corrective action within a reasonable period of time to correct the failure.

g. HOSPITAL shall immediately notify the SMC-EMSA of any circumstances that will prevent HOSPITAL from providing SRC services.

h. HOSPITAL shall comply with any SMC-EMSA plan of correction, regarding any identified failure to meet SRC Standards, within the timeframes established by the SMC-EMSA.

i. HOSPITAL shall maintain a designated telephone number to facilitate rapid access to an on-site physician for consultation with ems personnel, community physicians and other providers regarding care and transfer of STEMI Patients.

j. HOSPITAL shall actively and cooperatively participate as a member of the Continuous Quality Improvement Program, and such other related committees that may, from time to time, be named and organized by the SMC-EMSA.

k. HOSPITAL shall submit STEMI Information System data and CARES data to the SMC-EMSA

in a timely manner until such time as a Bidirectional Healthcare Data Exchange network is established between SMC-EMSA and HOSPITAL, for the purposes of continuous quality improvement and training to enhance the level of care.

l. HOSPITAL shall, at a minimum, collect and maintain the data specified in the STEMI Receiving Center Standards identified in SMC-EMSA policy Facilities-9, unless additional data points are adopted by the STEMI Quality Improvement Committee.

m. Hospital shall allow and maintain access to the electronic prehospital patient care record via a secure link to PCR Viewer provided by American Medical Response, under contract with the SMC-EMSA.

III. Obligations of the San Mateo County EMS Agency (SMC-EMSA)

a. The SMC-EMSA shall meet and consult with HOSPITAL prior to the adoption of any policy or procedure that concerns the administration of the STEMI Care System, STEMI public education efforts, or the triage, transport, and treatment of STEMI Patients through the HOSPITAL's participation on the STEMI Quality Improvement Committee.

b. The SMC-EMSA will provide, or cause to be provided to HOSPITAL and/or the STEMI Quality Improvement Committee, prehospital system data related to STEMI care.

c. The SMC-EMSA will strive to optimize the overall effectiveness of the STEMI Care System and its individual components through the development of performance measures for each component and for the system function as a whole (both process and outcomes measures) and by employing continuous quality improvement strategies and collaboration with stakeholders.

d. The SMC-EMSA will update and maintain the STEMI Information System, that requires minimum data duplication and well work with HOSPITAL to explore methods to establish bidirectional automated data submission process, as well as, provide appropriate training and/or training documents for its operation and use.

Exhibit B

In consideration of the services provided by County described in Exhibit A and subject to the terms of the Agreement, HOSPITAL shall pay COUNTY based on the following fee schedule and terms:

HOSPITAL shall pay COUNTY an annual fee of TWENTY-FIVE THOUSAND DOLLARS ($25,000.00) for the STEMI Receiving Center Designation for a maximum obligation of SEVENTY-FIVE THOUSAND DOLLARS ($75,000.00) over the term of the contract. The fee shall be used to pay COUNTY costs of administering and evaluating the STEMI Care System, updating and enhancing data collection system, and providing public information/outreach education.

The fee shall be paid in full within thirty calendar days of receipt of SMC-EMSA invoice for STEMI designation.. In the event of the early termination of this contract by the COUNTY, a prorated amount of the annual fee paid by HOSPITAL for that year will be returned within 45 days of termination. The fee is not otherwise refundable in whole or in part.

Authority: Health and Safety Code, Division 2.5, Sections 1789, 1797.220 and 1798. 101, 1798.105, 1798.2. California Code of Regulations, Title 22, Sections 100147 and 100169 and 100175.

Definitions:

ST Segment Elevation Myocardial Infarction (STEMI): A type of myocardial infarction, acute in nature, generating an ST segment elevation on the 12-lead EKG.

STEMI Receiving Center (SRC): A licensed general acute care hospital with a special permit for a cardiac catheterization laboratory from the California Department of Public Health (CDPH) and designated as a SRC by San Mateo County EMS Agency (SMC-EMSA)

STEMI Referral Hospital (SRH): A licensed general acute care hospital in San Mateo County (SMC) that is not designated as a SRC.

Percutaneous Coronary Intervention (PCI): A broad group of techniques used for the diagnosis and treatment of patients with STEMI.

STEMI Team: A group of hospital staff including physicians, nurses, and other hospital personnel from the emergency department and cardiology involved in the care of STEMI patients.

Policy: A STEMI Receiving Center (SRC), approved and designated by San Mateo County EMS Agency (SMC-EMSA) shall meet the following requirements:

1. Hospital License Requirements for a SRC
   a. Licensed general acute care hospital recognized by SMC-EMSA as a receiving facility.
   b. Holds a special permit for a Cardiac Catheterization Laboratory from the California State Department of Health Services (DHS)
   c. Holds a special permit issued by DHS for Cardiovascular Surgery Service or has established current transfer agreements with a hospital or hospitals holding such a special permit.
   d. Enters into a written agreement with SMC for designation.

APPROVED:

Nancy A. Lapolla, EMS Director

Greg H. Gilbert, MD, EMS Medical Director

2. Hospital Capabilities
   a. Cardiac Catheterization Laboratory available 24 hours per day / 7 days per week.
   b. An Intra-Aortic Balloon Pump shall be available on site 24 hours per day / 7 days per week with a person capable of operating this equipment.
   c. Ability to receive electronic 12-lead EKG transmission from the EMS system

3. Personnel
   a. SRC Medical Director:
      i. The SRC shall designate a medical director for the STEMI program who shall be a physician certified by the American Board of Internal Medicine (ABIM) with current ABIM sub-specialty certification in Cardiovascular Disease and Interventional Cardiology who will ensure compliance with these SRC standards and perform ongoing Quality Improvement (QI) as part of the hospital QI Program.
      ii. The SRC Medical Director must be a credentialed member of the medical staff with PCI privileges.
   b. SRC Program Manager:
      i. The SRC shall designate a program manager for the STEMI program who shall have experience in Emergency Medicine or Cardiovascular Care, who shall assist the SRC Medical Director to ensure compliance with these SRC standards and the QI program.
   c. Cardiovascular Lab Coordinator:
      i. The SRC shall have a Cardiovascular Lab Coordinator who shall assist the SRC Medical Director and the SRC Program Manager to ensure compliance with these SRC Standards and the QI Program.
   d. Physician Consultants:
      i. The SRC shall maintain a daily roster of on-call Interventional Cardiologists with privileges for PCI and credentialed by the hospital in accordance with the American College of Cardiology/American Heart Association national standards. This requirement may be waived by SMC-EMSA for physicians with SRC primary privileges if all of the following are met:
         1. Board certified by the ABIM with subspecialty certification in cardiovascular disease;
         2. Demonstrated lifetime minimum of 500 PCI procedures and 11 primary or 75 PCI Annually.
      ii. These physicians must respond immediately upon notification and be available within 30 minutes of when a STEMI patient presents to the hospital.
      iii. The SRC will submit a list of Cardiologists with active PCI privileges to the EMS Agency annually.

4. Clinical Process Performance Standard
   a. The overall goal of the STEMI Care System in San Mateo County is to minimize the interval between first medical contact to coronary artery reperfusion.
   b. SRCs will adopt evidence-based strategies to reduce time to reperfusion.
   c. An on-going internal quality improvement process, including data measurements and feedback from STEMI patients and SRHs.

5. Policies

Internal policies and procedures shall be developed for the following:

a. STEMI Alert: Through a "one call" process, the interventional cardiologist and cardiac catheterization lab team will be immediately contacted upon notification by prehospital personnel that they are transporting a patient on whom a 12-lead ECG that has been interpreted as an "Acute MI Suspected" or "Meets ST Elevation MI Criteria."
b. Interventional cardiologist and cardiac catheterization laboratory staff will be required to respond immediately upon notification and have a response time standard of 20-30 minutes.
c. Emergency medicine physicians will have the authority to activate the cardiac catheterization laboratory staff.
d. Allow the automatic acceptance of any STEMI patient from a San Mateo County Hospital upon notification by the transferring physician.
e. That an interventional cardiologist assumes care of the patient from the time the patient arrives at the SRC.
f. To accept all patients meeting STEMI patient triage criteria or upon transfer notification from a STEMI Referral Hospital, except when on an internal disaster, and provide a plan for triage and treatment of simultaneously presenting STEMI patients, regardless of ICU/CCU or ED status.
g. Criteria for patients to receive emergent angiography or emergent fibrinolysis based on physician decisions for individual patients.
h. Any SRC that has been activated from the field is to ensure that the transporting paramedic can be is placed in radio contact with the Base Station physician prior to ED arrival if requested.

6. Data Collection

a. Data listed in data dictionary posted on SMC-EMSA website shall be collected on an ongoing basis and provided to the SMC-EMSA (www.smchealth.org/ems/policyprocedures/facilities).
b. Data will be entered into an EMS-approved instrument and submitted monthly, by no later than the 15th of the following month.
c. In consultation with the STEMI CQI Committee, EMS will update the data dictionary and/or identify another process to expedite data submission and reduce duplication.

7. Quality Improvement

a. The Quality Improvement program will include a process to review all cases of STEMI patients taken to the catheterization laboratory at the end of the procedure and provide immediate feedback to the staff in the emergency department and the catheterization laboratory – prior to the end of that shift. Additionally, formal feedback utilizing the standardized format designated by the SMC-EMSA will be provided to any prehospital agency or SRH that participated in the care of a "STEMI Activation" patient, within 72 hours.

b. An SRC QI program shall be established, maintained, and conducted to review performance and outcome data for STEMI patients.
c. The SRC will actively participate in the SMC-EMSA STEMI QI Program. This will require regular meeting attendance by the SRC Medical Director or designee, who will be a staff interventional cardiologist, and the SRC Program Manager.

Procedure:

8. Designation
    a. An SRC may be designated following satisfactory review of written documentation and a site survey, when deemed necessary, by the SMC-EMSA.
        i. Application: Eligible hospitals shall submit a written letter of intent and request for SRC approval to the SMC-EMSA, as well as complete a formal application documenting the compliance of the hospital with SMC-EMSA SRC Standards.
        ii. Approval: SRC approval or denial shall be made in writing by the SMC-EMSA to the requesting hospital within a reasonable time (30 days) after receipt of the request for approval, application completion and submission of all required documentation.
9. Redesignation
    a. SMC-EMSA may suspend or revoke the approval of a SRC at any time for failure to comply with any applicable policies, procedures, or regulations.
    b. An SRC may be re-designated following a satisfactory SMC-EMSA review in accordance to current standards and the term of the written agreement.
    c. SRCs shall receive notification of evaluation from SMC-EMSA.
    d. SRCs shall respond in writing regarding program compliance.
    e. On-site SRC visits for evaluative purposes may occur.
    f. SRCs shall notify the SMC-EMSA by telephone, followed by a letter or email within 48 hours, of changes in program compliance or performance.

10. Discontinuation
    a. The SRC shall submit a written 90 calendar day notice to SMC-EMSA prior to the discontinuation of SRC services.

RE: STEMI Receiving Center Designation Agreement with San Mateo County

Thank you for your commitment to participate in the San Mateo County ST Elevation Myocardial Infarction (STEMI) system as a designated STEMI Receiving Center (SRC). San Mateo County wishes to assure the highest quality of care by directing STEMI patients to facilities committed to meeting SRC standards. Earlier this month, San Mateo County EMS Agency completed the final visit of the of the SRC redesignation site reviews, which began in August. San Mateo County EMS Agency has determined that Seton Medical Center has demonstrated a strong commitment to quality cardiac care meeting all standards. Therefore your designation as a SRC for San Mateo County will continue in accordance to the terms of the agreement attached.

The STEMI site verification on August 25, 2016 resulted in the following recommendations with the intent to continue to improve San Mateo County's STEMI system in partnership with Seton Medical Center:

STEMI Receiving Center:

- Case reviews demonstrated strong peer review
- Need to focus on board certification for next visit
- Low volume practitioners who are not Board Certified and taking call
- Need to address practitioners not meeting national procedure volume standards
- Walk-in ED arrival to EKG should be <10 minutes, this was not met consistently and needs to be an area for focused improvement

EMS Action Items:

- Will develop a standardized follow-up tool for SRC to provide feedback to EMS Providers.
- Work with SRC regarding uninsured STEMI patients access to insurance programs
- Consider merging NCDR w/pre-hospital data and/or identify alternative data collection systems
- Review referral hospitals times
- EMS will participate in SRC performance improvement meeting to represent the EMS perspective

Thank you again for your commitment to the San Mateo County STEMI system. Seton Medical Center continues to demonstrate a true tradition of quality cardiac care and is a strong partner for San Mateo County's EMS system.

Our next STEMI QI Committee meeting is scheduled for November 10, 9:00-11:30 at Kaiser Redwood City hospital. At this meeting we will select a SRC cardiologist to chair the committee for the coming year as part of a new annual rotation schedule. The EMS Agency and EMS system partners thank Dr. Sunil Bhopale of Kaiser Redwood City for serving as committee chair and longstanding commitment to improving quality of care throughout STEMI system.

As we approach a new year, we look forward to continuing to work with committee leadership and representatives as we strive towards new goals, including goals for door to device (60 minutes) and patient bedside to device times (90 minutes).

Please do not hesitate to contact me should you have any questions regarding this notice. I may be reached at (650) 573-2579 or at nlapolla@smcgov.org.

Sincerely,

AGREEMENT BETWEEN SETON MEDICAL CENTER AND THE COUNTY OF SAN MATEO FOR FINANCIAL SUPPORT FOR SEISMIC UPGRADES

I. RECITALS

Seton Medical Center, a California nonprofit corporation and licensed operator of a general acute care hospital of the same name in the City of Daly City (the "Hospital") and the County of San Mateo, a political subdivision of the State of California (the "County" and, together with the Hospital, the "Parties"), enter into this Agreement whereby the County agrees to provide financial support for the Hospital for use in seismic upgrades at the Hospital site in exchange for the Hospital's agreement to maintain its role as a non-profit safety net provider in San Mateo County for the periods and under the conditions set forth in this Agreement.

The Parties agree that the Hospital plays an important role in the County's healthcare delivery system and that the Hospital is key to the continued success of this system in light of changes to healthcare policy that have occurred at the federal, state, and local levels.

The County has recognized and continues to recognize the importance of the Hospital's mission to provide medical care to undeserved residents of the County, including Health Plan of San Mateo members and County residents who receive healthcare under the County's Access to Care for Everyone ("ACE") Program, and has determined that it is in the public interest to work with the Hospital to ensure its continuing viability as a component of the County's medical safety net.

Pursuant to statutory requirements and certain conditions imposed by the California Attorney General on continued operations of Seton Medical Center as an affiliate of the Verity Health System, Seton must undertake certain seismic upgrades to its facilities by 2020 to meet and maintain OSHPD seismic compliance requirements through 2030 under the Alfred E. Alquist Hospital Facilities Seismic Safety Act of 1983 as amended by the California Hospital Facilities Seismic Act (the "Seismic Project"). Seton will seek to expend at least $5,000,000 in the County's 2016-2017 fiscal year, and at least the same amount in the County's 2017-2018 and 2018-2019 fiscal years for such required seismic upgrades. The total cost of the Seismic Project is expected to be up to $60,000,000. The Hospital intends to commit up to $45,000,000 to the completion of the Seismic Project.

The Board of Supervisors of the County of San Mateo has emphasized the need to ensure the overall quality of health care in the County, as well as to ensure that hospitals, including Seton Medical Center, are earthquake safe. The Board of Supervisors has adopted, and the voters of the County have approved, Measure A and Measure K, which provide for a one-half cent sales and use tax for general fund purposes and considered the use of general funds to provide substantial assistance to the Hospital to rebuild to meet seismic standards, which will better allow Seton Medical Center to meet the overall health needs of the County.

The County, by way of this Agreement, hereby commits to make a grant to the Hospital of $5,000,000 during the County's 2016-2017 fiscal year, a grant of $5,000,000 during the County's 2017-2018 fiscal year, and a final grant of $5,000,000 during the County's 2018-2019 fiscal year provided that the Hospital shall use these granted funds exclusively for purposes of

funding the required seismic work, which shall consist of those costs customarily incurred in hospital based seismic remediation projects, including, but not limited to construction costs, architectural and engineering costs, attorney fees, such fees to be directly related to the Seismic Project, for example environmental reviews, permitting, contract negotiations, and the like, as well as the incurred costs of actual construction.

The parties recognize, however, that for the period from December 15, 2018 through December 14, 2030, upon certain terms and conditions, the Hospital may undergo a change of control whereby it would no longer be operated as a nonprofit facility. The Parties recognize that this may occur as a result of the exercise of an option to acquire the Hospital held by an affiliate of the Manager of Hospital, which option may be exercised pursuant to the terms of a Purchase Option Agreement dated December 14, 2015. The "Manager" is Integrity Healthcare, LLC, which agreed to provide management, administrative and support services to the sole member of Hospital, Verity Health System of California, Inc. At the same time as the management agreement and enhanced funding capacity was created, the Purchase Option Agreement was also created.

The Parties agree that, in the event that the Hospital does cease to be operated as a nonprofit entity, the grant funds received from the County by the Hospital pursuant to this Agreement shall be returned in the form of funding by the Hospital or its successor entities, for programming identified by the County to benefit its residents, in the manner set forth herein.

II. Term of the Agreement and Obligations of the Parties

In recognition of the foregoing recitals, the parties agree to the following:

1. The term of this Agreement shall begin on January 1, 2017 and shall end on December 15, 2030. If, however, Hospital ceases to be a non-profit entity at any point on or before December 15, 2030, the term of this Agreement shall end on the date on which the Hospital or any of the Hospital's successor entities makes all of the payments called for in Section 9 of the Agreement.

2. During the term of this Agreement, the County shall make available to the Hospital $15,000,000 that the Hospital may use only to pay for, or as reimbursement of expenses incurred for, planning, development and construction involved in seismic upgrades ("Qualified Expenses") at the Hospital's facility at 1900 Sullivan Avenue, in Daly City, California. The funding shall not exceed actual Qualified Expenses. The funds shall be made available and disbursed to the Hospital as follows:

a. $5,000,000 shall be made available to the Hospital during the County's 2016-2017 fiscal year (i.e., through June 30, 2017), not to exceed actual Qualified Expenses. Up to $3,000,000 may be used to reimburse the Hospital for Qualified Expenses incurred by the Hospital prior to the first day of the term of this Agreement.

b. $5,000,000 shall be made available to the Hospital during the County's 2017-2018 fiscal year (i.e., from July 1, 2017 through June 30, 2018), not to exceed actual Qualified Expenses incurred or committed during the 2017 – 2018 fiscal year.

c. $5,000,000 shall be made available to the Hospital during the County's 2018-2019 fiscal year (i.e., from July 1, 2018 through June 30, 2019), not to exceed actual Qualified Expenses incurred or committed during the 2017-2018 fiscal year.

d. To the extent monies which are to be made available in fiscal years 2016-2017, 2017-2018 and 2018-2019 are not fully expended (i.e. incurred or committed) by the Hospital on Qualified Expenses in each fiscal year, the shortfall in the use of the available total for each fiscal year shall continue to be made available in the following fiscal years, not to extend beyond fiscal year 2019-2020. For example, if $4,000,000 is incurred and committed in each of the fiscal years involved in this grant, then $3,000,000 shall be made available in the fiscal year 2019-2020.

e. The Hospital shall use the funds disbursed by the County pursuant to this Agreement to pay, in part, for the Seismic Project.

f. Funding under this Agreement will be used solely to support the work identified in this Section 2, and no funding shall be used to support the Hospital's general administrative expenses.

g. Within three business days of the initiation of each fiscal year, the funds to be made available will be disbursed into an escrow account to be arranged and agreed by the Parties in the amounts provided for in this Section 2. The escrow account will be managed by an escrow agent with explicit instructions for purposes of managing disbursements. The escrow agents will provide a regular reporting of all disbursements to the County and shall maintain all records of requests, invoices and receipts. The Parties agree to confer in good faith to develop and deliver to the escrow holder commercially reasonable escrow instructions regarding, among other things, the disbursement of funds to the Hospital for Qualified Expenses. Interest on the account shall accrue to the Hospital.

h. Funds will be disbursed by the escrow agent upon presentation by Hospital to the escrow holder, with a copy provided to the County at the address set forth in Section 12 of this Agreement, of invoices that comply with the escrow instructions and that substantiate, in the reasonable judgment of the escrow agent, Qualified Expenses. The Hospital will also be required to provide receipts for all paid invoices.

i. If the County objects to any disbursement request submitted by the Hospital to the escrow agent, the County will provide Hospital with a written statement of the specific nature of the County's questions within ten calendar days of notice of a request for a disbursement. If the County fails to provide an objection within that period, and the request is otherwise satisfactory to the escrow holder, the request will be deemed acceptable and the escrow agent will disburse the funds. Absent a later determination that false information was furnished or the funds were not spent on the Seismic Project, there shall be no retroactive disallowance of funding disbursements. The Hospital shall respond to the County's written statement within fifteen calendar days of actual receipt of the County's written statement. The parties to this Agreement shall meet and confer regarding any questions raised by the County and the escrow agent shall not be obligated to make any further disbursement until all of the County's questions regarding

the disbursement request have been resolved. If the parties cannot informally resolve any objection, the parties shall engage in mediation with a mutually agreed mediator before resorting to any other remedies available under law.

j. Jensen Partners, project manager for the Seismic Project (or any successor project manager), will provide a quarterly letter to the County providing a status update on the Seismic Project, and confirmation that both the Seismic Project is expected to meet the project's deadline and the proceeds disbursed by the escrow agent are Qualified Expenses and have been used exclusively for the Seismic Project. The County reserves the right to instruct the escrow agent to withhold disbursements if the County reasonably determines that the Seismic Project is not expected to meet the project's deadline, that the proceeds disbursed by the escrow agent are not Qualified Expenses, or that the use of disbursed funds is otherwise not in compliance with this Agreement, based on the Jensen Partners' letters or other evidence reliant on a third party expert that it is commercially reasonable to rely upon provided that the County shall provide the Hospital with notice and a reasonable period of time in which to cure. In no event shall County's total fiscal obligation under this Agreement exceed $15,000,000.

3. Notwithstanding any other provision in this Agreement, County may terminate this Agreement, or any portion thereof, based upon evidence of unavailability of County funds by providing written notice to Hospital as soon as is reasonably possible after County learns of said unavailability of funding, but in no event shall such notice period be less than 90 days. Any funds then held in the escrow account as of the time of receiving notice shall remain in the account to be used for the Seismic Project as contemplated by this Agreement.

4. Hospital agrees and understands that as a result of this Agreement, neither the Hospital, nor its employees/agents acquire any of the rights, privileges, powers, or advantages of County employees.

5. Hospital agrees to indemnify and defend County and its employees and agents from any and all claims, damages, and liability in any way occasioned by or arising out of the negligence of Hospital and/or its employees/officers/agents in the performance of this Agreement, or any activities paid for, in whole or in part, from the funds made available to Hospital pursuant to the terms of this Agreement, including any sanctions, penalties, or claims of damages resulting from Hospital's failure to comply with any law, regulation, or ordinance, including but not limited to those listed in this Agreement. Such indemnity, however, shall not extend to any claims arising from the County's decision to make funds available under this agreement or to exercise any rights it may have under this Agreement or other legal responsibilities that it may have in connection with the Seismic Project, or otherwise under any applicable law.

6. Except as permitted in this Agreement, Hospital shall not assign this Agreement or any portion thereof to a third party without the prior written consent of County unless such third party is a non-profit hospital which agrees to be bound the conditions imposed by the California Attorney General on Seton Medical Center by the Attorney General of California's letter dated December 3, 2015, approving the creation of the Verity Health System.

7. The County shall not be obligated to make available any of the funding provided for under this Agreement until insurance of the types and in the amounts reasonably satisfactory to the County has been obtained by the Hospital, and approved by the County's Risk Manager. Hospital shall furnish the County with certificates of insurance evidencing required coverage.

8. Hospital shall maintain all records related to this Agreement for at least 5 years after the end of the term of this Agreement.

9. If, at any time on or before December 15, 2030, the Hospital, or any successor entity of the Hospital, ceases to operate as a non-profit hospital, the Hospital, or any successor entity of the Hospital, shall be required to make grants for programming or activities benefiting the residents of San Mateo County ("Grants"), as identified and directed by the County Manager. The total amount of the Grants to be made will be based on the total amount funded by the County to the Hospital under this Agreement less an annual reduction of 10% beginning in fiscal year 2019-2020 ("Outstanding Repayment Amount"). The annual reduction of 10% will cease at the end of any fiscal year whereby the Hospital, or any successor entity of the Hospital, ceases to operate as a non-profit hospital. For avoidance of doubt, at the end of fiscal year 2019-2020, to the extent the County has funded $15,000,000, $13,500,000 will be deemed the Outstanding Repayment Amount. Grants will be in made in the following schedule and in the following amounts.

a. Within one year after Hospital or any successor for profit entity of the Hospital ceases to operate as a non-profit hospital, the Hospital or any successor for profit entity of the Hospital shall make Grants in the total amount of one quarter of the Outstanding Repayment Amount as of the date that the Hospital ceases to operate as a non-profit hospital in the amounts and to the programs and/or entities directed in writing by the County Manager. The County Manager shall provide the Hospital with written directions regarding these Grants at least ninety days before the Grants are required to be paid by the Hospital or any successor entity of the Hospital. For clarity, if the amount of Outstanding Repayment Amount is $15,000,000, the Hospital or its successor for profit entity shall make $3,750,000 in Grants.

b. Within two years after the Hospital or any successor for profit entity of the Hospital ceases to operate as a non-profit hospital, the Hospital or any successor for profit entity of the Hospital shall make further Grants in the total amount of an additional one quarter of the Outstanding Repayment Amount as of the date that the Hospital ceases to operate as a non-profit hospital in the amounts and to the programs and/or entities directed in writing by the County Manager. The County Manager shall provide the Hospital with written directions regarding these Grants at least ninety days before the Grants are required to be paid by the Hospital or any successor entity of the Hospital. For clarity, if the amount of Outstanding Repayment Amount, as reduced pursuant to section 9.a. of this Agreement, is $11,250,000, the Hospital or its successor for profit entity shall make $3,750,000 in Grants.

c. Within three years after the Hospital or any successor for profit entity of the Hospital ceases to operate as a non-profit hospital, the Hospital or any successor for profit entity of the Hospital shall make further Grants in the total amount of an additional on quarter of the Outstanding Repayment Amount as of the date that the Hospital ceases to operate as a non-profit

hospital in the amounts and to the programs and/or entities directed in writing by the County Manager. The County Manager shall provide the Hospital with written directions regarding these Grants at least ninety days before the Grants are required to be paid by the Hospital or any successor entity of the Hospital. For clarity, if the amount of Outstanding Repayment Amount, as reduced pursuant to sections 9.a. and 9.b. of this Agreement, is $7,500,000, the Hospital or its successor for profit entity shall make $3,750,000 in Grants.

d. Within four years after the Hospital or any successor for profit entity of the Hospital ceases to operate as a non-profit hospital, the Hospital or any successor for profit entity of the Hospital shall make further Grants in the total amount of the remaining one quarter of the Outstanding Repayment Amount as of the date that the Hospital ceases to operate as a non-profit hospital in the amounts and to the programs and/or entities directed in writing by the County Manager. The County Manager shall provide the Hospital with written directions regarding these Grants at least ninety days before the Grants are required to be paid by the Hospital or any successor entity of the Hospital. For clarity, if the amount of Outstanding Repayment Amount, as reduced pursuant to sections 9.a.,9.b. and 9c. of this Agreement, is $3,750,000, the Hospital or its successor for profit entity shall make $3,750,000 in Grants.

10. This Agreement constitutes the sole Agreement of the parties to this Agreement and correctly states the rights, duties, and obligations of each party as of this document's date. Any prior agreement, promises, negotiations, or representations between the parties not expressly stated in this document are not binding. All subsequent modifications or amendments shall be in writing and signed by the parties.

11. This Agreement and any disputes arising out of this Agreement shall for all purposes be deemed subject to the laws of the State of California without regard to its choice of law rules, and any lawsuit concerning or arising out of this Agreement shall be venued in the County of San Mateo.

12. Any notice, request, demand, or other communication required or permitted under this Agreement shall be deemed to be properly given when both:

a) Transmitted via email to the email address listed below; and
b) Sent to the physical address listed below by either being deposited in the United States mail, postage prepaid, or deposited for overnight delivery, charges prepaid, with an established overnight courier that provides a tracking number showing confirmation of receipt.

BIOSENSE PROGRAM
INFORMATION SHARING AND DATA USE AGREEMENT

This **INFORMATION SHARING AND DATA USE AGREEMENT** (this "***Agreement***") is entered into as of June 26, 2014, (the "***Effective Date***"), by and between **County of San Mateo Health System**, located at 225 37th Avenue, San Mateo, CA 94403 (the **"PHA"**), and **Seton Medical Center**, located at 1900 Sullivan Avenue, Daly City, CA 94015 (the **"Provider"**), concerning the provision by the Provider of certain Provider Data to PHA in connection with the BioSense Program (as defined below) pursuant to the terms of this Agreement.

WHEREAS, PHA has entered into an information sharing and data use agreement with the Association of State and Territorial Health Officials ("ASTHO") as a participant in BioSense 2.0 (as defined below), and

WHEREAS, ASTHO has been funded through a cooperative agreement with the Centers for Disease Control and Prevention, US Department of Health and Human Services ("CDC") to assist with the coordination of governance of BioSense 2.0, and

WHEREAS, PHA is utilizing BioSense 2.0 to facilitate the sharing of certain health-related data for public health surveillance and to assist in the possible detection, confirmation, situation awareness, monitoring of, and response to public health threats, and

WHEREAS, Provider intends to contribute certain Provider Data to PHA and BioSense 2.0 for public health surveillance purposes as described herein, subject to the terms and conditions of this Agreement, and

WHEREAS, within BioSense 2.0, PHA will have access to: (1) a secure space where it will be the only party able to view and analyze Provider Data; and (2) a shared space wherein PHA will have the ability and discretion to determine whether, how, with whom, and at what level to share PHA's aggregate data, views and maps, which shall not contain PHI or IIHI, with other data sources, the CDC or other agencies, and

WHEREAS, Provider will submit Provider Data to PHA through the secure space within BioSense 2.0, and

WHEREAS, the parties seek to comply with applicable law, including applicable public health laws and Privacy Laws, including but not limited to HIPAA, and

NOW THEREFORE, in consideration of the mutual promises set forth herein and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties hereto agree as follows:

1. Background

As of November 2011, the BioSense Program has developed a distributed computing environment and tools with state and local control ("BioSense 2.0"). Governance is facilitated by ASTHO, in coordination with the CDC, Council of State and Territorial Epidemiologists ("CSTE"), National Association of County and City Health Officials ("NACCHO"), and International Society for Disease Surveillance ("ISDS") (collectively, the "Governance Group"). ASTHO has contracted with a vendor to act as a data storage company ("Vendor") for BioSense 2.0 that is certified as described in Section 8 of this Agreement. Through the Vendor, ASTHO will offer BioSense 2.0 for receiving and managing

public health surveillance information. BioSense 2.0 will provide the PHA with the ability to contribute and access data that will support existing and potential expansion of its public health surveillance systems.

BioSense 2.0 will provide two spaces:

The first space within BioSense 2.0 shall be a secure space in which PHA shall have exclusive access and control over any data it submits (or submitted on its behalf), to the extent permitted by applicable law and provided that such information is necessary for public health surveillance purposes and meets the HIPAA public health activities exception (45 C.F.R. 164.512(b)). PHA will also have the ability to permit data providers within its jurisdiction, such as Provider, to send public health-related data (collectively, "Public Health Data Providers" or "PHDPs") directly to its secure space within BioSense 2.0. This secure space shall provide the PHA with an environment capable of receiving all data forms and formats (including HL7) and converting them to any format the PHA desires.

The second space within BioSense 2.0 shall be a shared space in which PHA and others providing data to BioSense 2.0 shall provide and share access to PHA's aggregate data, views and maps, which shall not contain PHI or IIHI, with other data sources, the CDC or other agencies, provided that such information is fully de-identified consistent with the HIPAA de-identification standard (45 C.F.R. 164.514(a)) and is necessary for public health surveillance purposes and meets the HIPAA public health activities exception (45 C.F.R. 164.512(b)).

2. Definitions

For purposes of this Agreement, the following definitions shall apply:

"*BioSense 2.0*" means the cloud-enabled, web-based platform and tools used to store, maintain, process, display, receive, analyze, and destroy data received for the advancement of the BioSense Program as described in Section 1 of this Agreement.

"*BioSense Program*" means the program run by the CDC that tracks health problems as they evolve and provides public health officials with data, information and tools they need to better prepare for and coordinate responses to safeguard and improve the health of American people.

"*Privacy Laws*" means federal privacy laws, including, but not limited to, HIPAA, and the laws of the State of California governing the confidentiality of PHI, including, but not limited to, the California Confidentiality of Medical Information Act (Cal. Civil Code §56 *et seq.*), the patient access law (Cal. Health & Safety Code §123100 et seq.), the HIV test result confidentiality law (Cal. Health & Safety Code §120975 et seq.), the Lanterman-Petris-Short Act (Cal. Wel. & Inst. Code §5328 et seq.), the medical identity theft law (Cal. Civil Code §1798.82), and the improper access notification law (Cal. Health & Safety Code §1280.15).

"*Provider Data*" means the public health-related information gathered by or contributed to the Provider or gathered by an individual User on behalf of the Provider. Such information shall be limited to the data elements specifically required by PHA in its letter to Provider, dated April 10, 2014 and set forth in **Exhibit A**. Such information shall partially de-identified, and shall not contain sensitive identifiers (such as patient name, social security number, etc.), but shall nonetheless contain PHI and IHII.

"Data Set" means the data provided or contributed to BioSense 2.0 by the PHA on behalf of Provider and any PHDPs within the jurisdiction of the PHA that have entered into an agreement that complies with Section 4 herein.

"HIPAA" means the Health Insurance Portability and Accountability Act of 1996, P.L. 104-191, as amended, and the regulations promulgated under HIPAA by the U.S. Department of Health and Human Services, including, but not limited to, the Privacy Rule, the Security Rule, and the Breach Notification Rule, as currently in effect and as modified from time to time.

"Individually Identifiable Health Information" **or** ***"IIHI"*** shall have the same definition as provided by HIPAA.

"Meaningful Use regulations" currently means the regulations as defined by Centers for Medicare & Medicaid Services (42 CFR Parts 412, 413, 422 et al.) Medicare and Medicaid Programs; Electronic Health Record Incentive Program; Final Rules and the Office of the National Coordinator for Health Information Technology (45 CFR Part 170) Health Information Technology: Initial Set of Standards, Implementation Specifications, and Certification Criteria for Electronic Health Record Technology; Final Rules.

"Party" means Provider or PHA; ***"Parties"*** means Provider and PHA.

"Protected Health Information" or ***"PHI"*** shall have the same definition as is contained in HIPAA.

"User" means any authorized user of Provider Data available through BioSense 2.0. All Users must be affiliated with a PHA, except as otherwise provided herein.

3. Data Sharing.

BioSense 2.0 is designed to promote the contribution of public health data by all Users and the appropriate sharing of aggregate data, which shall not contain PHI or IIHI, in the shared space. While PHA, Provider and other Users are not required to share aggregate data in the shared space, they are encouraged to do so, provided that such information is fully de-identified consistent with the HIPAA de-identification standard (45 C.F.R. 164.514(a)) and is necessary for public health surveillance purposes and meets the HIPAA public health activities exception (45 C.F.R. 164.512(b)).

The Governance Group may consider and make recommendations for data sharing in the shared space. These could include recommendations for types of data (e.g., minimum data sets), seasonal data collections, and similar contributions that would enhance the value of BioSense 2.0 to all Users.

4. Data Disclosure, Access, and Use.

Provider agrees to participate in the BioSense Program by submitting Provider Data, as defined by PHA, through the BioSense 2.0 secure space and utilizing BioSense 2.0 in accordance with the terms and conditions herein. The Provider shall not take any actions that are inconsistent with this Agreement.

a. The Provider acknowledges and agrees that as part of BioSense 2.0, the Provider Data may be used and/or disclosed for the following purposes:

(i) Sole Use of Provider Data by PHA in Secure Space. In order for PHA to use, analyze, and view the Provider Data to perform its public health surveillance activities, provided that

such information is necessary for public health surveillance purposes and meets the HIPAA public health activities exception (45 C.F.R. 164.512(b)).

(ii) Shared Space. To facilitate the sharing of views of Provider Data or analyses thereof, which shall not contain PHI or IIHI, for public health surveillance purposes. PHA can share, at minimum, aggregate views of the Provider Data at a level determined by the PHA, provided that such information is fully de-identified consistent with the HIPAA de-identification standard (45 C.F.R. 164.514(a)) and is necessary for public health surveillance purposes and meets the HIPAA public health activities exception (45 C.F.R. 164.512(b)). The PHA acknowledges such use, access and publication between jurisdictions, *provided, however*, that such use, access and sharing of the Provider's Data shall be determined solely by PHA and must comply with all applicable state and/or federal law. Selected aggregate data in the shared space, which shall not contain PHI or IIHI, will also be available for public use and publication, but only with PHA's knowledge of such use and publication.

(iii) Other health agency uses. To provide access to views of Provider Data or analyses thereof, which shall not contain PHI or IIHI, to local, state and federal governmental health agencies (including, but not limited to, CDC) or other agencies and entities in connection with the conducting of their respective public health responsibilities consistent with applicable state and/or federal law, provided that such information is fully de-identified consistent with the HIPAA de-identification standard (45 C.F.R. 164.514(a)) and is necessary for public health surveillance purposes and meets the HIPAA public health activities exception (45 C.F.R. 164.512(b)). Such access shall be only for the following purposes: (1) To facilitate the interchange of information that can be used to coordinate responses and monitor events routinely and during a potential health event; (2) For early detection and characterization of events (or health-related threats) by building on state and local health departments systems and programs; (3) To provide health-related information for: (a) public health situation awareness, (b) routine public health practice, and (c) improved health outcomes and public health; and (4) To improve the ability to detect emergency health threats by supporting the enhancement of systems to signal alerts for potential problems in collaboration with federal, state and local health jurisdictions and other potential stakeholders.

(iv) ASTHO Use. To provide access to views of Provider Data or analyses thereof, which shall not contain PHI or IIHI, to conducting of their respective public health responsibilities consistent with applicable state and/or federal law, provided that such information is fully de-identified consistent with the HIPAA de-identification standard (45 C.F.R. 164.514(a)) and is necessary for public health surveillance purposes and meets the HIPAA public health activities exception (45 C.F.R. 164.512(b)).

b. PHA may use and share Provider Data contributed to BioSense 2.0 for the purpose of monitoring and assessing public health activity within its jurisdiction, provided that such information is necessary for public health surveillance purposes and meets the HIPAA public health activities exception (45 C.F.R. 164.512(b)).

c. As part of access to the shared space in BioSense 2.0 and in accordance with this Agreement, Provider understands and agrees that CDC will be provided with, at minimum, aggregate level data (city or county or state), which shall not contain PHI or IIHI, for PHA's jurisdiction. Provider also understands and agrees that CDC may access and review data contributed to the shared space for use as described in Section 4a(iii) above; *provided however*, that such access and review shall be as determined by PHA to the extent permitted by applicable law and provided that such information is fully de-identified consistent with the HIPAA de-identification standard (45 C.F.R. 164.514(a)) and necessary for public health surveillance purposes and meets the HIPAA public health activities

exception (45 C.F.R. 164.512(b)). CDC may prepare associated reports and analyses related to public health surveillance. Further, Provider acknowledges that CDC will work with the PHA and/or PHDP(s) within the PHA's jurisdiction in the development of analytic methods for identification and investigation of public health concerns. Such analysis and development may be shared by the CDC with other governmental agencies as necessary and appropriate; *provided, however*, that the PHA shall, to the extent permitted by applicable law, have the ability to control the distribution of its Data Set and may deny the sharing of the Data Set, and any related analyses, with any governmental agency.

d. It is anticipated that the shared space may also have a second component in which the general public would be provided with certain general aggregated access to information, which shall not contain PHI or IIHI, as established by each PHA, provided that such information is fully de-identified consistent with the HIPAA de-identification standard (45 C.F.R. 164.514(a)) and is necessary for public health surveillance purposes and meets the HIPAA public health activities exception (45 C.F.R. 164.512(b)).

5. Data Set Content Restrictions and Requirements.

Data Set information shall be provided in compliance with the published Data Set requirements of BioSense 2.0, including but not limited to then-current requirements of the Meaningful Use regulations. Such Data Set information requirements shall be published on the BioSense 2.0 website and may be changed from time to time. The Governance Group may make recommendations regarding the types of data to be submitted to the shared space.

6. Confidentiality and De-Identification/Encryption of Data

a. Neither PHI nor IIHI contained in the Provider Data will be submitted to BioSense 2.0 by Provider unless transmitted to PHA's secure space in BioSense 2.0; neither ASTHO, the CDC, the Vendor, nor any other PHA (other than PHA's authorized PHDPs), shall have access to such Data in the secure space. Provider shall not provide data to PHA other than the Provider Data and shall not transmit such Provider Data other than through the BioSense 2.0 secure space.

7. Open Records Laws. Provider acknowledges and understands that the aggregate data in the shared space, which shall not contain PHI or IHII, may be subject to state and federal open records laws (e.g., the Freedom of Information Act).

8. Data Retention/ Data Security

a. Provider Data shall be archived, stored, maintained, protected, and disposed of in compliance with federal law and the applicable state law for the PHA, to the extent state law is not superseded by federal law. Provider Data shall be maintained in a distributed computing environment and any and all policies and procedures applicable to the use of such an environment for BioSense 2.0 shall be in compliance with the Federal Information Security Management Act ("FISMA").

b. Provider is responsible for creating and protecting its passwords and other secure measures used for accessing and using BioSense 2.0 and for establishing its own security protocols and procedures in the use of the passwords and administration of the Data Set and any Data Set viewed through BioSense 2.0. Provider shall be responsible and liable for any misuse or abuse of its passwords and other measures and any resulting misuse or abuse of BioSense 2.0.

c. The Parties agree to immediately alert the other Party if there is a potential or actual breach of the security of BioSense 2.0 or the Data Set contained within BioSense 2.0, or any actual or potential misappropriation or misuse of a Data Set or any Data available through BioSense 2.0. The Parties

further agree to work cooperatively to investigate and comply with any federal and state laws should a breach occur.

9. Term and Termination

a. The initial term of this Agreement (the "***Initial Term***") shall commence on the Effective Date and shall continue for five (5) years. Unless this Agreement is earlier terminated as set forth herein, this Agreement shall be automatically and successively renewed without further action by either Party for an indefinite number of successive one-year terms (each such additional term a "***Renewal Term***" and together with the Initial Term, the "***Term***").

b. Either Party may terminate this Agreement upon 30 days prior written notice to the other Party. If this Agreement is so terminated, the Parties shall be liable only for performance rendered in accordance with the terms of this Agreement prior to the effective date of termination. Further, either party may terminate this Agreement immediately in the event the other Party materially breaches its obligations under the Agreement.

c. Promptly upon termination of this Agreement (i) the Provider shall cease providing any additional Provider Data and/or any updates to previously submitted Provider Data and (ii) PHA may retain the Provider Data that have been previously contributed to BioSense 2.0 unless otherwise restricted by law. Provider may request that any previously submitted Provider Data be removed from BioSense 2.0 and that PHA's, ASTHO's and any other User's (including the CDC's) access to that specific Provider Data be terminated; however, such removal shall be subject to whether the specific Provider Data was accessed or used, feasibility of removal, and whether the Provider Data is subject to related laws, including any outlined as a part of Section 7 herein.

10. Ownership of Data.

The Provider retains ownership of any Provider Data it contributes to BioSense 2.0; but, as indicated in Sections 7 and 9 herein, Provider Data and aggregate data in the shared space, which shall not contain PHI or IHII, may be subject to continued legal requirements, including but not limited to retention and open records laws. As described in Section 9, the Provider may request that previously submitted Provider Data in the secure space be removed; however, the Provider has no right to return or destruction of any aggregate data in the shared space, which shall not contain PHI or IHII. Any aggregate data in the shared space that cannot be returned or destroyed will be maintained in compliance with the terms and requirements of this Agreement. The Provider acknowledges that contribution of Provider Data to BioSense 2.0 does not in any way grant the Provider any rights, beyond those provided under this Agreement, to any data that it may access through BioSense 2.0 or to BioSense 2.0 itself. Further, PHA acknowledges that the Provider's contribution of Provider Data to BioSense 2.0 does not grant PHA any rights, beyond those provided under this Agreement, to any Provider Data the Provider chooses not to submit to BioSense 2.0.

11. Warranties

a. PHA represents and warrants that the Provider Data requested in its letter to Provider dated April 10, 2014, attached hereto as **Exhibit A**, accurately describes the minimum information that is necessary for PHA to fulfill its public health surveillance purposes as a public health authority.

b. PHA represents and warrants that it is authorized by law to collect the Provider Data in its capacity as a public health authority.

c. PHA represents and warrants that its request and use of Provider Data pursuant to this Agreement complies with applicable public health and Privacy Laws, including, but not limited to, HIPAA.

d. PHA understands and agrees that Provider is relying upon PHA's representations under this Section 11 as the lawful basis for disclosing the Provider Data to PHA and BioSense 2.0.

e. Provider represents and warrants it has the authority to enter into this Agreement and to participate in BioSense 2.0.

f. Provider acknowledges and agrees to the following: (i) ASTHO is responsible for the oversight of BioSense 2.0; and (ii) Provider acknowledges and agrees that it has taken appropriate steps to ensure that the Provider Data submitted complies with PHA's request and, to the extent that PHA is legally entitled to the Provider Data, the submission of that data complies with applicable federal, state, and local laws.

12. Accuracy and Completeness of Data.

Provider shall have sole responsibility for the accuracy, quality, integrity, reliability, and intellectual property ownership of Provider Data. Neither ASTHO nor PHA makes any representations or warranties as to the accuracy or completeness of Provider Data and disclaims responsibility for any errors caused by inaccuracies or incompleteness of the Provider Data.

13. Indemnification.

PHA shall indemnify, hold harmless and defend Provider and its affiliated entities from and against any and all claims, losses, liabilities, costs and other expenses (including reasonable attorneys' fees and costs, and administrative penalties and fines) incurred as a result of, or arising directly out of, or in connection with, any act or omission of PHA under this Agreement including, but not limited to, negligent or intentional acts or omissions. The indemnification obligation of PHA shall survive termination of this Agreement.

14. Advertising or Marketing. Neither party shall, without the prior written approval of the other party, engage in any advertising or marketing activities relating to the Agreement, the subject matter thereof, or the other party. Notwithstanding the generality of the foregoing, this provision is not intended to limit or otherwise restrict PHA in carrying out its public health activities.

15. Amendment; Waiver. This Agreement, or any term or condition, may be modified only by a written amendment signed by the Provider and PHA. Either party may propose an amendment. Failure or delay on the part of either party to exercise any right, power, privilege or remedy provided under this Agreement shall not constitute a waiver. No provision of this Agreement may be waived by either party except in writing signed by the Provider or PHA.

16. Amendment to Comply with Law. If any modification to this Agreement is required for conformity with federal or state law or if Provider reasonably concludes that an amendment to this Agreement is required because of a change in federal or state law, Provider shall notify PHA of such proposed modification(s) ("Required Modifications"). Such Required Modifications shall be deemed accepted by PHAA and this Agreement so amended, if PHA does not, within thirty (30) calendar days following the date of the notice, deliver to Provider its written rejection of such Required Modifications. If PHA submits a written rejection of the Required Modification, Provider may terminate this Agreement upon receipt of the written rejection.

17. Severability. If any term or condition of this Agreement is held invalid, such invalidity shall not affect the validity of the other terms or conditions of this Agreement, provided, however, that the remaining terms and conditions can still fairly be given effect.

18. Entire Agreement; No Assignment. This Agreement is the complete agreement between the Parties concerning the subject matter hereof, and supersedes any prior oral or written communications between the Parties. This Agreement may only be assigned by a written agreement executed by duly appointed officers of both Parties.

19. Governing Law. U.S. federal law shall govern the construction, interpretation, and performance of this Agreement; provided, however, the laws of the state of where the Provider Data originated (i.e. California) shall govern any disputes, claims or issues arising from, relating to or concerning the Provider Data, or the contribution of the Provider Data to BioSense 2.0, except to the extent such state law is limited, or superseded, in whole or in part by applicable U.S. federal law.

20. Notices. Any notice, demand or other communication required or permitted to be given under the Agreement shall be in writing and shall be deemed delivered to a Party: (i) when delivered by hand or nationally recognized overnight courier; or (ii) six (6) days after the date of mailing if mailed by United States certified mail, return receipt requested, postage prepaid, in each case to the address of such Party set forth below (or at such other address as the Party may from time to specify by notice delivered in the foregoing manner):

RE: SAN MATEO COUNTY PUBLIC HEALTH MEANINGFUL USE REQUEST

This request letter is in follow-up to your e-mail dated April 10, 2014.

The San Mateo County Health Department (aka the Public Health Authority or Agency (PHA)) is entering into a Data Use Agreement (DUA) with Biosense to meet a portion of the Public Health Meaningful Use requirements. Biosense is a program of the Association of State and Territorial Health Officials and CDC and is an available product that meets the Public Health Meaningful Use requirements. Our DUA with Biosense is signed, and my request is that you sign a DUA with us. Once that is complete, we can begin the onboarding process.

In your e-mail, you had requested that a list of data elements I'm interested in receiving through this process be forwarded to you. You also requested that I identify from where these data would be sent. These data elements are listed at the end of this request letter.

- I am requesting these data on all patient level encounters (not a subset) from inpatient units, the emergency department, and outpatient (ambulatory) clinics. I understand that some outpatient clinics may have very little data that meets my primary interests. While we can discuss that issue in detail later, I am not requesting outpatient data from the following specialties: Plastic Surgery, Neurosurgery, Ophthalmology, Nephrology, Urology, Radiology, Pathology, Anesthesiology, Dentists, or Chiropractors.
- I am requesting this data in real-time (or near real-time, in the period of at least once every 24 hours).
- I am requesting three years of prior data also be submitted so baselines and seasonal trends can be established.

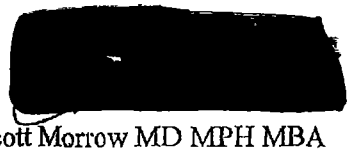
I am interested in using these data to advance population health in its broadest sense and to assist in developing public and private policies that result in the improvement of population-based health outcomes. I am primarily interested communicable disease, chronic disease prevalence and management, mental health and substance use, environmental conditions including how the built environment impacts health, and injury. I am requesting these data from all systems that provide healthcare in San Mateo County.

Please note, although there is, what some may consider protected health information, I am not requesting the name of the individuals be sent with this data feed. As always, patient names and other identifiers must be reported under regulations regarding reportable conditions. In addition, patient names and other identifiers can be requested on an individual case-by-case basis, as a related, but separate part of our routine public health function.

The PHA exemption in HIPAA (which exempts PHAs from obtaining patient consent for disclosures of protected health information (PHI) when the PHA is authorized by law to collect the information), CMIA exemption provisions in California Civil Code 56.10(c)(18), the general authority of the Health Officer found in various sections of the California Health and Safety Code, and the Meaningful Use provisions of the HITECH Act serve as the basis of this request.

Thank you for your cooperation as we take this next step in the evolution of healthcare in this county.

Sincerely,



Scott Morrow MD MPH MBA
San Mateo County Health Officer

SAN FRANCISCO HEALTH PLAN
FEE-FOR-SERVICE HOSPITAL SERVICES AGREEMENT

This Fee-For-Service Hospital Services Agreement (the "Agreement") is made and entered into this 1st day of September, 2018, by and between San Francisco Health Authority and San Francisco Community Health Authority both local governmental entities and doing business as the San Francisco Health Plan ("Health Plan") and Seton Medical Center and Seton Coastside ("Provider").

RECITALS

This Agreement is made with reference to the following facts:

A. Health Plan operates a prepaid health care service plan licensed pursuant to the Knox-Keene Health Care Service Plan Act of 1975, as amended (the "Knox-Keene Act").

B. Health Plan provides health care benefits to its Members who are entitled to such benefits pursuant to the contract with San Francisco Health Plan, the DHCS, and the City and County of San Francisco.

C. Provider owns and operates certain licensed hospitals, as listed in Exhibit B, attached hereto and incorporated herein by this reference, through which Provider desires to provide Hospital Services under this Agreement. Only those locations listed on Exhibit B are covered under this Agreement.

D. Provider is duly licensed by the State of California, to the extent required, and its personnel providing the abovementioned services are qualified and equipped to deliver those services in accordance with all applicable licensing provisions and requirements.

E. Provider shall participate in the lines of business indicated in Exhibit A (Compensation), pursuant to the terms and conditions of this Agreement.

F. Health Plan desires to contract with Provider and Provider desires to contract with Health Plan, to provide Covered Services to Health Plan Members pursuant to the terms and conditions set forth hereinafter.

NOW, THEREFORE the parties agree as follows:

ARTICLE 1. DEFINITIONS

1.1 Acute Condition means a medical condition that involves a sudden onset of symptoms due to an illness, injury, or other medical problem that requires prompt medical attention and that has a limited duration.

1.2 Advance Directive means a Member's written instructions, recognized under state law, relating to the provision of health care when the Member is not competent to make a health care decision as determined under state law. Examples of Advance Directives are living wills and durable powers of attorney for health care.

1.3 Agreement Year means the twelve (12) calendar month period commencing on the Effective Date of the Agreement, and thereafter commencing on the anniversary date of such Effective Date.

1.4 Authorization (Authorized) is the procedure for obtaining Medical Group's and/or Health Plan's prior approval (as applicable), in accordance with Medical Group's and/or Health Plan's Utilization Management policies and procedures, for services provided to Members which are Covered Services other than Emergency Services and Special Arrangements.

1.5 Benefit Program is a benefit program offered by the Health Plan through generally standard Subscriber Agreements. In the case of Healthy Kids Members, the benefit programs may be set forth in the rules and regulations adopted by the City and County of San Francisco and/or as required by Health Plan. In the case of Medi-Cal Members, the benefit program is set forth in the rules and regulations adopted by DHCS and as set forth in the Medi-Cal Agreement.

1.6 CCS means California Children Services.

1.7 CCS MOU is that agreement between Health Plan and CCS whereby CCS agrees to provide and pay for services for CCS eligible Members.

1.8 Claims Operations Manual ("COM") is the manual created by Health Plan, of which an online electronic version has been provided to Provider, which sets forth the procedures for claims processing, as updated from time to time, and incorporated into the Agreement by this reference. In the event that any provision in the COM or any updates thereto are clearly inconsistent with the terms of the Agreement, the terms of this Agreement shall prevail.

1.9 Clean Claim is defined as a fully completed claim form and any additional information that contains substantially all the required data elements necessary (including any essential documentation) for accurate adjudication without the need for additional information from outside Health Plan's system or additional review from other entities.

1.10 Confidential Information includes but is not limited to: (a) Individually Identifiable Health Information; (b) personal information and financial information concerning Health Plan, Members, health professional or any hospital; (c) provider-specific information related to credentialing proceedings, quality reviews, malpractice suits, and peer-reviewed determination; and (d) proprietary business information and trade secrets.

1.11 Continuity of Care Services are those Covered Services rendered by non-Participating Providers to Members undergoing a course of treatment with a non-Participating Provider and which are required to be provided to new Members or following termination of a

Participating Provider pursuant to California Health & Safety Code Section 1373.96 and/or the Benefit Program. Continuity of Care Services include completion of Covered Services for: (1) the duration of an Acute Condition; (2) up to twelve (12) months for a Serious Chronic Condition; (3) the duration of pregnancy and the immediate postpartum period; (4) completion of Covered Services for a terminal illness; (5) up to twelve (12) months care of a newborn child between birth and age thirty-six (36) months; (6) performance of surgeries or other procedures scheduled to occur within 180 days if Authorized as part of a documented course of treatment.

ARTICLE 2. TERM AND TERMINATION

2.1 Term. This Agreement will become effective on the Effective Date and shall continue in effect for a period of two (2) years. Thereafter, this Agreement will automatically renew for one-year periods, until terminated by either party pursuant to the terms of this Article 2.

2.2 Termination without Cause. Notwithstanding any other provision of this Agreement after the first year of the term hereunder, either party may voluntarily terminate this Agreement at any time giving at least ninety (90) calendar days prior written notice to the other party.

2.3 Termination with Cause. If either party defaults in the performance of any material term or condition of this Agreement, and the default is one which may be cured, the party in default must cure that default by a satisfactory performance within thirty (30) calendar days of written notice of the default or an alternative timeframe as mutually agreed upon

between the parties. If the party in default fails to cure the default within that time, then the non-defaulting party may terminate this Agreement by giving at least fifteen (15) calendar days prior written notice to the defaulting party. Material defaults shall include, but are not limited to, the following: failure to provide medical care in accordance with the standard of care in the medical community of which Provider is providing Covered Services to Members.

2.4 Immediate Termination. Notwithstanding any other provision of this Agreement, Health Plan may without prior notice immediately terminate this Agreement and transfer Member(s) to another provider by giving notice to Provider in the event of any of the following:

(a) Provider's license or certificate to render Covered Services is limited, suspended or revoked, or disciplinary proceedings are commenced against Provider by the state licensing authority;

(b) Provider fails to maintain insurance required by this Agreement;

(c) Provider loses credentialed status;

(d) Provider becomes insolvent or files a petition to declare bankruptcy or for reorganization under the bankruptcy laws of the United States, or a trustee in bankruptcy or receiver for Provider is appointed by appropriate authority;

(e) Health Plan determines that Provider's facility, vehicles and/or equipment is insufficient to render Hospital Services to Members;

(f) Provider is excluded from participation in Medicare and state health care programs pursuant to Section 1128 of the Social Security Act or the Medi-Cal Suspended and Ineligible Provider List or otherwise terminated, suspended, or excluded as a provider by any state or federal health care program;

(g) Provider engages in fraud or deception, or knowingly permits fraud or deception by another in connection with Provider's obligations under this Agreement;

(h) Health Plan determines that Hospital Services are not being properly provided, or arranged for, and that such failure poses a threat to Members' health and safety;

(i) Health Plan's license necessary for the performance of this Agreement is revoked or Health Plan's Subscriber Agreement(s) with Regulating Agency(ies) is terminated.

2.5 Effect of Termination. Upon termination of this Agreement, this Agreement shall be considered of no further force or effect whatsoever, and each of the parties shall be relieved and discharged from its duties under this Agreement, except as follows:

(a) At Health Plan's option, Provider will continue to provide services to Health Plan Members who are under its care at the time of termination at the current rates set forth in this Agreement until such time as:

i. Appropriate discharge or transfer of members receiving Hospital Services is achieved, or Health Plan makes reasonable and medically appropriate arrangements of the assumption of such care by a Participating Provider, whichever is sooner; or

ii. An alternate source of payment for such services, acceptable to Provider and Health Plan has been found.

(b) Provider will at the request of the Member continue to provide Continuity of Care Services until the Continuity of Care Services are completed.

(c) Provider will, in the event of Health Plan's insolvency, continue rendering Covered Services to any Member who is an inpatient of Provider until such Member's discharge or transfer to another appropriate facility.

(d) Both Health Plan and Provider will cooperate to achieve an orderly and dignified transfer of Members, including the transfer of Member's medical records, to other Participating Providers.

(e) Termination of this Agreement shall have no effect upon the rights and obligations of the parties arising out of any transactions or health care services provided or occurring prior to the effective date of such termination. In addition, termination of this Agreement will not affect any right or obligations hereunder which will have been previously accrued, or will thereafter arise with respect to any occurrence prior to termination. Such rights and obligations will continue to be governed by the terms of this Agreement including, but not limited to, the provisions of Articles 8 (Medical Records, Reports and Inspections), Article 10 (Dispute Resolution), and Article 13 (Confidentiality), as well as Section 6.2 (Surcharges Prohibited) Section 9.1 (Provider Insurance) and this Section 2.5 (Effect of Termination), 14.15 (Mutual Indemnification) which shall survive the termination of this Agreement.

2.6 Additional Health Plan Rights and Remedies. In addition to all other rights and remedies set forth in this Agreement, Health Plan may:

(a) In the event that Health Plan in good faith determines that Provider is either: (i) in breach of material obligations hereunder, or (ii) in any other respect is not able to timely and properly provide Hospital Services to which Members are entitled, then in any such event, after Health Plan provides notice and the opportunity to cure (if required), Health Plan may elect to transfer some or all Members, as medically appropriate, to other Participating Providers who provide the same or similar Hospital Services and who are under contract to Health Plan. In such event, Provider agrees to provide assistance and consultation for all such transfers.

(b) In the event that any Regulating Agency requires that Health Plan be able to take a specified action in respect to Provider due to Provider's failure to satisfy regulatory requirements, quality of care, quality improvement, credentialing, or any other standard or requirement, then in such event this Agreement shall be deemed to include the right of Health Plan, after providing notice to Provider of such action or actions, and in consultation with Provider to take such required action(s).

2.7 Termination of Subscriber Agreement. In the event the Subscriber Agreement terminates or expires, prior to such termination or expiration, Provider will allow Regulating Agency and Health Plan to copy medical records of all Members pertaining to Covered Services, or will provide copies of medical records of all Members pertaining to Covered Services, in order to facilitate the transition of such Members to another health care system. Subject to privacy and confidentiality requirements, prior to the termination or expiration of the Subscriber Agreement, upon request by Regulating Agency, Provider will assist Regulating Agency in the orderly transfer of Member's medical care by making available to Regulating Agency copies of medical records for Covered Services, patient files, and any other pertinent information, including information maintained by any of the Provider's subcontractors, necessary for efficient case management of Members, as determined by Regulating Agency. Provider will not charge Regulating Agency, Health Plan, or Member for Provider's photocopying of such records. Under no circumstances will a Member be billed for this service.

ARTICLE 3. SERVICES TO BE PROVIDED

3.1 Services To Be Provided. Provider shall provide Authorized Hospital Services (except for Emergency Services) which are Medically Necessary to Members, directly or through arrangements with other providers, in accordance with this Agreement and Health Plan's policies and procedures. Provider shall make Hospital Services available to Members, at Provider Locations, and such other locations, if any, as may be agreed in writing between Health Plan and Provider. Emergency Services will be available, as Medically Necessary, twenty-four (24) hours a day, seven (7) days a week, three hundred sixty-five (365) days per year. Provider shall provide Hospital Services to Members, including Emergency Services, in a timely manner appropriate for the nature of the Member's condition consistent with good professional practices and on the same basis as it makes such services available to all its patients. Provider is responsible for coordinating the provision of Hospital Services with Medical Group or Health Plan, as applicable.

3.2 Services Not Covered by a Benefit Program. Health Plan shall have the right to determine whether or not a particular service is a Covered Service. If Provider disagrees with Health Plan's determination, Provider shall submit the dispute through the Provider Dispute Mechanism. Non-Covered Services shall include, but are not limited to: (i) treatments which are not Medically Necessary; (ii) treatments which are not Authorized; and (iii) treatments which are not a covered benefit under the applicable Benefit Program.

3.3 Access Standards. Provider shall make necessary and appropriate arrangements to assure the availability of Hospital Services to Members in a timely manner appropriate for the nature of the Member's condition consistent with good professional practices and as necessary to comply with Health Plan's, Regulating Agencies' or other accrediting organization standards, the Knox-Keene Act and the rules promulgated thereunder as set forth at Title 28 of the California Code of Regulations, including without limitation, sections 1300.67.2, 1300.67.2.1, and 1300.67.2.2.

3.4 Arranging for Services. Provider shall supply and be financially responsible for all necessary facilities, services, personnel, equipment, instruments and supplies required to operate Provider's facility(ies).

3.5 Service Authorization/Case Management.

(a) Provider shall comply with the Authorization requirements and utilization review requirements of Medical Group and/or Health Plan, as applicable, at any and all contracted sites of service prior to providing services to any Member. In the case of Emergency Services, Provider, prior to the provision of post stabilization services, shall obtain the Authorization of Medical Group or Health Plan (as applicable) as soon as possible but in no event later than twenty-four (24) hours after admission ("Notification Period"). If such Notification Period ends on a weekend or holiday, the Notification Period shall be extended to 5:00 p.m. on the next occurring non-holiday weekday.

(b) Provider shall, in coordination with Medical Group, notify Health Plan of the denial, deferral, or modification of Authorization requests to enable Health Plan to meets its obligations under the Subscriber Agreement. Provider shall also provide information regarding the referral of Members as may be set forth in the Network Operations Manual.

3.6 Utilization Review Coordination. Provider shall designate an experienced U.R. Coordinator, capable of effectively coordinating the provision of Hospital Services to Members. The U.R. Coordinator shall, among other duties, assist Provider and Health Plan with respect to implementing Hospital Services Authorizations, approval of Member referrals, and such other duties to coordinate and arrange Hospital Services for Members as Provider shall designate and Health Plan or Medical Group (as applicable) shall approve from time to time.

3.7 Local Health Department Coordination. Provider acknowledges that Health Plan is required by the Subscriber Agreement to coordinate the delivery of Covered Services with local public health department services. To comply with such provisions of the Subscriber Agreement, Provider shall follow the reasonable rules and procedures regarding Provider's coordination with and payment for public health services set forth in the Network Operations Manual.

3.8 Consultants, Specialists and Non-Participating Provider Services. Members who are inpatients at Provider Locations will have access to hospital staff for consultation as Medically Necessary and as requested by the Member's admitting physician or PCP. Covered Services requested by non-Participating Providers will require prior Authorization except as otherwise provided in this Agreement, or where necessary due to a Member's need for Emergency Services.

3.9 Staff Privileges. Provider shall arrange staff privileges or other appropriate access to qualified Participating Providers and physicians who are members or participants in the Medical Group network, as applicable. Such Participating Providers and physicians shall meet the reasonable standards established by Provider's medical staff and the bylaws, rules, and regulations of Provider. Provider shall immediately notify Health Plan in the event Provider restricts, terminates, or limits the staff privileges of any Participating Provider or any physician or health care provider under contract with Medical Group or, in respect to such Participating Provider, physician, or healthcare provider, initiates an investigation or other proceeding based upon a medical disciplinary cause of action, or learns that such has been sanctioned by the Medicare or Medi-Cal Program or subjected to discipline or sanctions by the California Medical Board. Notwithstanding the foregoing, Provider does not waive its rights under California Evidence Code Section 1157 et. Seq.

3.10 Standard of Care and Legal Compliance. Provider shall maintain the necessary registrations, accreditation, certifications and licenses required by the State of California, federal government and/or any other accreditation entity or regulating agency. Provider shall be, and remain, accredited by the Joint Commission on Accreditation of Health Care Organizations ("Joint Commission") and certified under Title XVIII and XIX of the Social Security Act. All Hospital Services will be provided by professional personnel and at physical facilities at a level of care and competence that equals or exceeds the generally accepted and professionally recognized standard of practice prevailing in San Francisco, California at the time of treatment, all applicable federal and state laws, licensing requirements and professional standards, government programmatic requirements, and in conformity with the professional and technical standards adopted by Health Plan's Utilization Management Program (as defined below). Provider agrees to perform its duties under the Agreement in manner consistent with the reasonable administrative guidelines provided by Health Plan. Provider and each of its subcontractors shall meet applicable requirements established under Titles XVIII and XIX of the Social Security Act unless exempted from those provisions; applicable requirements of Chapters 3 and 4, Subdivision 1, Division 3, Title 22, California Code of Regulations; and the standards set forth in the Subscriber Agreements which are applicable to Provider and its subcontractors.

3.11 Advance Directive. Provider shall document all Member records with respect to the existence of an Advance Directive in compliance with the Patient Self-Determination Act (Section 4751 of the Omnibus Reconciliation Act of 1990), as amended, and other appropriate laws. Provider shall not condition treatment or otherwise discriminate on the basis or whether a member has executed an Advance Directive.

3.12 Facilities, Equipment, and Personnel. Provider shall maintain facilities, equipment, personnel and administrative services at a level and quality as necessary to perform Provider's duties and responsibilities under this Agreement and to meet all applicable legal requirements, including the provisions of Title 22, California Code of Regulations Section 53230 and the accessibility requirements of the Americans with Disabilities Act. Provider agrees to provide at least sixty (60) calendar days' notice to Health Plan prior to the opening of any new location and one hundred twenty (120) calendar days' notice to Health Plan prior to the closing of any location.

3.13 Inspection of Facilities. Provider shall permit Health Plan and its representatives reasonable access to such facilities for onsite inspections, accreditation reviews, and credentialing purposes. In addition, Provider agrees that it shall cooperate with inspections of Provider facilities and records, as conducted by Regulating Agencies or Health Plan, which are required to assure compliance with required facility standards and as required by Title 28 of the California Code of Regulations, Section 1300.80. In the event that Health Plan or Regulating Agencies find any deficiencies in such facilities or records, Provider shall have thirty (30) calendar days (or a shorter period of time if so prescribed by a Regulating Agency) to substantially correct such deficiencies which are identified. Provider and its subcontractors shall fully cooperate with Health Plan in respect to accreditation of Health Plan and shall permit inspections of its facilities and records by NCQA and other accreditation organizations and will provide such as information as requested by such organizations.

3.14 Utilization Management. A Utilization Management program shall be established to review the medical necessity of Covered Services furnished by Provider to Members on an inpatient and outpatient basis. Such program will be established by Health Plan, in its sole and absolute discretion, and will include pre-admission, concurrent and retrospective review and Authorization procedures. Provider agrees to participate in and abide by Health Plan's utilization review, subject to the rights of reconsideration available under the Agreement. Provider agrees to provide Health Plan, or designee, access to, the necessary records for the purpose of conducting concurrent review and case management on Members who are receiving services by Provider, Health Plan, or designee, shall adhere to the reasonable procedures established by Provider regarding such access. Provider agrees that Utilization Management decisions of the Health Plan may be used to deny Provider payment hereunder for those Covered Services provided to a Member which is determined not to be Medically Necessary or for which Provider failed to receive a prior written Authorization to treat a Member. Provider shall have approved procedures, which includes but is not limited to coordinating with Health Plan, to identify, assess and establish a treatment plan for Members with serious or complex medical conditions. Provider will provide Health Plan access to all records and information systems necessary for Health Plan to perform Utilization Management for Members When accessing medical records containing Individually Identifiable Health Information, Health Plan will comply with the terms and conditions of Article 13 of this Agreement. If Provider has provided Authorized Medically Necessary Covered Services to a Member in good faith pursuant to an Authorization given by Health Plan, payment will not be denied.

3.15 Referrals. Provider has no authority to refer Members to other providers or authorize services with another provider except Emergency Services. Members should be directed to contact Health Plan or Member's Primary Care Physician to obtain an Authorization for services other than Emergency Services.

3.16 Quality Management and Improvement Program. A quality management and improvement program shall be established to review the quality of Covered Services furnished by Provider to Members on an inpatient and outpatient basis. Such program will be established by Health Plan, in its sole and absolute discretion. Provider agrees to cooperate with Health Plan in the Health Plan quality management and improvement program, with regular Health Plan monitoring and evaluation of compliance with the quality management standards and Health Plan policies and procedures, including participation in Member Grievance Procedures and quality of care studies. Provider shall implement an ongoing quality management and improvement programs which conform with generally accepted and professionally recognized standards of practice in compliance with the standards developed by Health Plan. Provider shall develop written procedures for remedial action whenever, as determined by the quality management and improvement programs, inappropriate or substandard services have been furnished or services that should have been furnished have not been furnished. Upon reasonable request, Provider shall provide Health Plan, or designee, with copies of records maintained by Provider that are required in connection with such program, subject to applicable state and federal law concerning the confidentiality of medical records, within five (5) calendar days of request.

3.17 Credentialing Standards.

(a) Provider shall participate in Health Plan's credentialing and re-credentialing process and shall satisfy, throughout the term of this Agreement, all credentialing and re-credentialing criteria established by the Health Plan. If Provider's credentialed status is revoked, suspended or limited by Health Plan, Health Plan may at its discretion terminate this Agreement and/or reassign Members to another provider.

(b) In providing services hereunder, and except as otherwise provided below, Provider shall utilize only providers who are credentialed and re-credentialed in accordance with Health Plan's standards. Each of Provider's providers shall provide to Health Plan, on request, credentialing information, in such form as reasonably required by Health Plan. Health Plan, in its sole discretion, may elect to exclude specific providers from caring for Members, provided that Health Plan first notifies Provider of its intent to exclude such provider and the reasons for such exclusion.

(c) Provider, its employees, its contractors (direct and indirect), and each of its providers through whom it will provide services under this Agreement shall not have been convicted of crimes as specified in Section 1128 of the Social Security Act (42 U.S.C. 1320a-7), excluded from participation in the Medicare or Medicaid program, assessed a civil penalty under the provisions of Section 1128,

entered into a contractual relationship with an entity convicted of a crime specified in Section 1128, or taken any other action that would prohibit it from participation in Medicaid and/or state health care programs.

(d) Provider represents and warrants that during the term of this Agreement, Provider and each of its providers through whom it will provide services under this Agreement shall maintain a current, unrestricted license or certificate as required under California law, free of disciplinary action, to provide services to Health Plan Members within the scope of the provider's practice. Provider shall provide evidence of such licensure to Health Plan upon request.

(e) Provider shall immediately notify Health Plan if it knows or reasonably should know that:

i. The license of Provider or any of its providers through whom it will provide services under this Agreement is suspended, revoked or restricted in any manner; or any action or investigation is initiated which may result in such a suspension, revocation, or restriction; or

ii. Such person is the subject of legal (malpractice) action or governmental action, inquiry or formal allegation concerning his or her qualifications or ability to perform services (including any allegation of malpractice); or

iii. Any payment is made by or on behalf of such person pursuant to a judgment rendered upon a malpractice legal (malpractice) action or governmental action, inquiry or formal allegation; or

iv. Any criminal investigations or proceedings have been brought against such person; or

v. Such person is or has been convicted for crimes involving moral turpitude or felonies; or

vi. Any civil claim asserted against such person that may jeopardize such person's financial soundness; or

vii. There is any material change in any of the credentialing information which has been provided to Health Plan regarding such person; or

viii. Such person is excluded from participation in or subject to sanctions under the Medicare or Medi-Cal Programs, or any other state or federal health care program.

(f) Provider hereby authorizes Health Plan to release any and all information, records, summaries of records and statistical reports specific to Provider (including, but not limited to, physician utilization profiles pertinent to Provider's use of Covered Services, professional qualifications and credentialing information) to any Regulating Agencies or other Participating Providers without

receiving Provider's prior written consents. Provider hereby releases Health Plan, its employees and/or its authorized agents from any and all liability and expense which is incurred by Health Plan, its employees or its authorized agents due to any action taken by Health Plan pursuant to this Section of the Agreement.

3.18 Medical Staff. Provider shall maintain a medical staff organization that shall conduct, among other things, credentialing, appointment, re-credentialing, discipline and termination of medical staff physicians. Without limiting the foregoing sentence:

(a) To the extent permitted by law, Provider shall provide to Health Plan documentation as may be reasonably requested in writing by Health Plan specifying the names, medical staff category, and clinical privileges of Participating Providers on Provider's medical staff, and any credentialing, recredentialing, discipline, termination or other action taken with respect to such physicians, no less than a quarterly basis or at such other intervals as may be reasonably required by Health Plan.

(b) The medical staff of Provider shall implement and maintain a fair hearing plan for providing medical staff members with hearing rights in connection with actions taken on any Participating Provider's application, continued employment or contracting status or any other actions by Provider, due to a medical disciplinary cause or reason (as defined in applicable law and regulations). To the extent permitted by law, Provider shall promptly notify Health Plan in writing of: (1) any Final Actions described herein taken with respect to any Participating Provider; (2) any Final Action taken by Provider to terminate, suspend, restrict, proctor or otherwise affect the medical staff membership or clinical privileges of any Participating Providers; and (3) any reports of statements relating to any Participating Providers that require filing with the Medical Board of California pursuant to California Business and Professions Code section 805, within seven (7) calendar days of filing the same. A Final Action marks the consummation of the Provider's decision making process and is not merely tentative or interlocutory in nature. A Final Action is one by which rights or obligations have been determined, or which will result in legal consequences.

(c) Provider shall, upon written request, provide Health Plan with any requested information and shall execute any releases requested by Health Plan to allow Health Plan to make credentialing, recredentialing, utilization review, and quality review determinations with respect to Provider and any Participating Provider maintaining medical staff membership and/or clinical privileges with Provider.

(d) Health Plan will preserve and protect the confidentiality of all information received from Provider pursuant to this Section and shall not disclose such information to any third party except as may be required by law.

3.19 Delegated Services.

(a) If Provider has been delegated responsibilities pursuant to the Agreement, Provider agrees that:

i. Any and all delegated activities, obligations and reporting responsibilities are required to be specified in the Agreement, and have been so specified in the Delegation Agreement and R3;

ii. Provider agrees to perform the delegated activities and reporting responsibilities set forth in the Delegation Agreement and R3; and

iii. Health Plan maintains the right to revoke the delegated activities or obligations, or specify other remedies (i.e. corrective action plan) where DHCS or Health Plan determines Provider is not performing satisfactorily.

3.20 Subcontracting.

(a) In the event Provider subcontracts its duties or obligations under this Agreement, Provider shall obtain the express prior written consent of Health Plan. All subcontracts shall be in writing and shall ensure that such providers comply with all applicable terms and conditions of this Agreement including, but not limited to:

i. Requirements related to licensure and insurance;

ii. Requirements to provide treatment to Health Plan Members;

iii. The requirement not to balance bill or otherwise seek any type of payment or remuneration (other than allowable Copayment amounts) from Health Plan Members;

iv. The requirement to maintain and disclose such records to Health Plan and to Regulating Agencies;

v. The requirement to cooperate with and participate in Health Plan's quality improvement and utilization management programs and Member grievance procedures;

vi. Acknowledgment that Health Plan shall not be responsible for the performance of Provider's obligations; and

vii. The requirement to submit timely, complete and accurate claims in compliance with Health Plan's standards as communicated to and accepted by Provider.

(b) Subcontracts must indemnify and hold Health Plan harmless from and against any and all claims, increasing any penalties and interest thereon, which a subcontracted provider may have for reimbursement for Hospital Services provided to Members.

(c) Upon Health Plan's written request, such written agreements between Provider and other providers, and any amendments thereto, shall be submitted to Health Plan for its prior review and comment. In submitting such agreements to Health Plan, Provider may, in its discretion, delete from such agreements its negotiated rates of payment and other Confidential Information.

(d) Health Plan shall have the right to terminate a subcontractor's services for any Member should Health Plan determine that the subcontractor is not providing services in a manner that meets Health Plan's reasonable approval.

(e) Provider shall remain the prime contractor for Hospital Services and be responsible for the conduct and performance of each approved subcontractor as if Provider had performed all of the subcontracted Hospital Services. Provider shall be solely responsible for reimbursing subcontractors for services rendered to Health Plan Members. Provider shall provide Health Plan with at least one hundred twenty (120) calendar days' written notice prior to termination of an agreement with a subcontracted facility, unless subcontract provides for a shorter termination period.

3.21 Nondiscrimination/Equal Treatment. Provider shall not differentiate or discriminate in the scheduling of appointments, the treatment of Members, the quality of services, or in any other respect against Member, or on the basis of race, color, national origin, ancestry, religion, sex, marital status, health status, sexual orientation, physical, sensory or mental handicap, disability, age, socioeconomic status, or participation in publicly financed programs of health care, or because any grievance or complaint has been filed by such Member. Provider shall render Covered Physician Services to Members in the same location, in the same manner, in accordance with the same standards, and within the same time availability regardless of payor. Provider will provide reasonable access and accommodation to persons with disabilities to the extent required of a health services provider under the Americans with Disabilities Act and any applicable state law. Provider shall comply with Section 1557 of the Patient Protection and Affordable Care Act, the regulations promulgated thereto, and other applicable Federal civil rights laws in providing services to Members. Without limiting the generality of the foregoing, Provider shall take reasonable and appropriate steps to:

(a) Provide meaningful access to each Member with limited English proficiency (including, without limitation, offering a qualified interpreter) and ensure such language assistance services are accurate and timely, protect the privacy and independence of Members, and provided free of charge;

(b) Ensure that communications with Members who have disabilities are effective and in accordance with the standards found at 28 CFR 35.160 through 35.164, including, without limitation, provision of sign language interpreters and appropriate auxiliary aids and services to Members with impaired sensory, manual, or speaking skills; and

(c) Make reasonable modifications to policies, practices, or procedures when such modifications are necessary to avoid discrimination on the basis of disability, unless Provider can demonstrate that making the modifications would fundamentally alter the nature of the health program or activity.

3.22 California Children Services. If applicable, Provider agrees to assist Health Plan in identifying Members who qualify for the CCS program and shall refer such Members to an approved CCS provider or hospital for treatment of the specific CCS qualifying condition, as set forth in the Network Operation's Manual, and as required by the CCS MOU. Provider shall continue to provide health care services and all other Medically Necessary health services to Members and shall cooperate with Health Plan in coordinating the CCS Member's care. Services rendered for CCS eligible conditions are not the financial responsibility of Health Plan.

3.23 SED Health Referrals. Provider will notify Health Plan of Members who are determined to be SED and will assist Health Plan in coordinating such Members' care with the San Francisco County Department of Mental Health, if applicable and as set forth in the SED Memorandum of Understanding. Services rendered for SED eligible conditions are not the financial responsibility of the Health Plan.

3.24 Cooperation with Health Plan. Provider will participate whenever possible in Health Plan activities, including but not limited to, Authorization protocols, utilization protocols, quality improvement programs, and provider education programs, all as set forth in the Network Operations Manual or individual Health Plan policies. Provider will cooperate with requests made by Health Plan pursuant to regulatory policy decisions or other notices received by Health Plan from a Regulating Agency regarding its obligation to meet contractual or regulatory standards. In addition, Provider will cooperate with Health Plan in meeting patient satisfaction standards, will assist Health Plan in the maintenance of statistical data, records, reporting requirements, and will implement policies as may be reasonably required by Health Plan for Health Plan's compliance with the Knox-Keene Act and the regulatory or contractual requirements of any Regulating Agency, or the City and County of San Francisco and any other applicable accrediting agencies and bodies.

3.25 Health Education/Training and Lactation Services.

(a) Provider shall make reasonable efforts to participate in and cooperate with Health Plan's Provider education and training efforts as well as Member education and efforts. Provider shall also comply with all Health Plan health education, cultural and linguistic standards, policies, and procedures, and such standards, policies, and procedures as may be necessary for Health Plan to comply with its Subscriber Agreements.

(b) Provider shall make reasonable efforts to ensure that Provider promptly delivers to Provider's subcontracted providers, if any, all informational, promotional, educational, or instructional materials prepared by Health Plan regarding any aspect of providing Covered Services to Members.

(c) Provider shall make reasonable efforts to make available to Members at no charge to Members, the health education services which are required to be provided under Health Plan's Subscriber Agreements, as described in the Network Operations Manual, incorporated herein to this Agreement by this reference. Additionally, Provider shall make available to Members those health education programs available at Provider's facility(ies) which are provided to their other patients or members at no charge.

3.26 Cultural & Linguistic Services. Provider shall provide Covered Services to Members in a culturally, ethnically and linguistically appropriate manner. Provider shall recognize and integrate Members' practices and beliefs about disease causation and prevention into the provision of Covered Services. Provider shall comply with Health Plan's language assistance program standards developed under California Health and Safety Code Section 1367.04, Title 28 CCR Section 1300.67.04, and Section 1557 of the Patient Protection and Affordable Care Act, and shall cooperate with Health Plan by providing any information necessary to assess compliance. Health Plan shall retain ongoing administrative and financial responsibility for implementing and operating the language assistance program.

3.27 Interpreter Services. Provider shall provide access to interpreter services for all limited English proficient (LEP) Members at all Provider facilities. Provider shall provide face-to-face interpreter services, and may use telephone language lines when face-to-face interpretation is not available. Interpreter services must be provided on a 24-hour basis. Provider must discourage the use of friends, family members, and minors as interpreters, unless specifically requested by the Member after he/she has been informed that free interpretation services are available. Refusals or requests for interpreter services must be documented in the Member's medical record. If Provider sends Members written materials (approved by Health Plan, if applicable), Provider is responsible for providing the written translation of any Provider generated member informing materials sent to Health Plan Members in Health Plan determined threshold languages.

3.28 Change in Provider Services. Provider shall promptly provide written notification to Health Plan in the event Provider either discontinues providing a service or adds a service.

3.29 Research. Provider warrants that no clinical investigation, experiments, or research on Members (except such investigation or research that consists of statistical analysis of patient records and treatment or other use of such records which does not involve the dissemination of information identifying the particular patient concerned) shall be initiated or performed without prior notification to and approval by Health Plan and without the written informed consent of the Member requested to participate in the research, experiment, or investigation.

3.30 Daily Census Report. Provider shall make best efforts to provide Health Plan with a daily census report on all Members who are Inpatients of Provider at the time the report is generated ("Daily Census Report"). The Daily Census Report shall include a listing of

(1) all Member discharges reasonably anticipated for that date; and (2) a daily census of the Members who are Inpatients on the date of the report.

ARTICLE 4. HEALTH PLAN OBLIGATIONS

4.1 Identification Cards and Verification. Health Plan will issue identification cards to Members as set forth in the Network Operations Manual. Production of such identification card will be indicative of a person's status as a Member, but will not be conclusive of such status. At Provider's request during normal business hours, Health Plan will provide information regarding Member status and Medical Group/PCP selection. Provider will make every reasonable effort to access Health Plan's website and telephonic Interactive Voice Recognition (IVR)system for Member eligibility verification. Participating Providers are responsible for verifying a Member's eligibility with Health Plan and assignment to medical group prior to providing any services.

4.2 Eligibility List and Modifications. Health Plan will provide to Provider, on a monthly basis, an eligibility listing of Members assigned to or selecting a PCP who is a Medical Group provider.

ARTICLE 5. REIMBURSEMENT

5.1 Compensation. Health Plan shall pay to Provider and Provider shall accept from Health Plan, in full and final satisfaction for all Authorized Hospital Services rendered to Members under this Agreement by Provider, the fees specified in Exhibit A.

5.2 DHCS Disproportionate Share Payments. Nothing in this Agreement shall be construed to deprive or deny Provider's entitlement to disproportionate share compensation from DHCS in the event Provider is entitled to such compensation under the Medi-Cal Rules.

5.3 Renegotiation and Recalculation of Compensation.

(a) At the written request of either party, Health Plan and Provider will, on an annual basis, meet and confer in good faith regarding the compensation payable hereunder for Provider's provision of Hospital Services. However, nothing contained in this subsection will obligate either Health Plan or Provider to agree to a modification or any particular modification of the compensation payable hereunder. In the event the parties mutually agree to modify such compensation, such modification will be set forth in an amendment to this Agreement, executed by each of the parties.

(b) In the event DHCS, CMS, or any other payor entity changes the rates payable to Health Plan during the term of this Agreement, Health Plan shall have the right to modify the rates to reflect changes of laws and regulations, changes in the State budget, changes to Regulating Agency policies, changes to Covered Services, or other changes which affect the revenue provided to Health Plan. In the event such

modification results in a decrease to the rate paid by Health Plan, Health Plan shall provide sixty (60) business days' written notice to Provider of Health Plan's intent to revise the rates ("Health Plan Notice"). Provider shall have the right to: (i) negotiate and agree to the change within thirty (30) business days of receipt of the Health Plan Notice, or (ii) to terminate the Agreement within sixty (60) business days from receipt of the Health Plan Notice. If no response is received by Provider exercising its right under the aforementioned subsections (i) or (ii), the changes reflected in the Health Plan Notice will be deemed accepted by Provider and will constitute an amendment to this Agreement, to be effective sixty (60) business days from the date of the Health Plan Notice (or as otherwise specified therein). Notwithstanding the foregoing, Provider will not have the right to reject any such change that is commensurate and proportionate to the changes made by DHCS, CMS, or other payor entity.

5.4 Payments which are the Responsibility of Medical Group, Delegated Provider, Delegated Plan or Regulating Agency. Provider acknowledges that Health Plan maintains contracts with Medical Group, Delegated Providers and Delegated Plans who receive capitation or fixed periodic payments from Health Plan for Covered Services and are responsible for arranging for Covered Services through subcontract arrangements. Provider agrees to look solely to Medical Group/Delegated Provider/Delegated Plan, and not Health Plan, Regulating Agency, or Member, for payment of Covered Services rendered to Members, where Medical Group/Delegated Provider/Delegated Plan receives a capitation or fixed periodic payment for Hospital Services from Health Plan. Provider agrees that if Provider is or becomes a party to a subcontract, agreement or other arrangement with Medical Group/Delegated Provider/Delegated Plan pertaining to services under this Agreement, payment will be made by Medical Group/Delegated Provider/Delegated Plan in accordance with such subcontract, agreement, or other arrangement with Medical Group/Delegated Provider/Delegated Plan. Further, Health Plan shall have no obligation to Provider for any payments which are the obligation of a Regulating Agency.

5.5 Payment Under Mistaken Eligibility. Provider acknowledges that a patient's identification card confers no right to service or other benefits. Provider shall verify eligibility of Members prior to rendering services. Referral from a primary care physician is not a guarantee of Member eligibility with Health Plan or eligibility in the Benefit Program. In the event services which would otherwise be classified as Covered Services are provided to an individual who is not a Member, based on erroneous enrollment lists or erroneous confirmation of enrollment by Health Plan, Health Plan shall not deny payment for all such Services rendered by Hospital prior to the time Hospital received notice of that person's ineligibility. In the event Health Plan is financially liable, Health Plan shall promptly pay Hospital at the rates contained in Exhibit A when Hospital supplies Health Plan with evidence that it has sought payment through one billing cycle for all or a portion of such charges from the patient. In the event, Health Plan pays Hospital pursuant to this section, Hospital shall have no further right and shall not attempt to collect any additional payments from patient. Health Plan shall not reimburse Hospital for services rendered to persons who are not Members, unless Health Plan has mistakenly verified eligibility.

5.6 Overpayments, Offsets and Deductions. Health Plan shall not offset or otherwise reduce the reimbursement due to Provider unless and until Health Plan has provided Provider in writing a separate notice clearly identifying the claim, the name of the patient, the date of service and a clear explanation of the basis upon which Health Plan believes the amount paid was in excess of the amount due, including interest and penalties.

(a) If Provider contests Health Plan's notice of reimbursement of the overpayment, Provider shall within 30 working days of the receipt of the notice of overpayment send written notice to Health Plan stating the basis upon which Provider believes the claim was not over paid.

(b) Health Plan shall receive and process the contested notice of overpayment through Health Plan's Provider Dispute Procedure.

(c) If Provider does not contest Health Plan's notice of reimbursement of the overpayment, Provider shall reimburse Health Plan within 60 calendar days of receipt of the notice overpayment.

(d) Health Plan shall offset an uncontested notice of reimbursement of overpayment against Provider's current claims submission when Provider fails to reimburse Health Plan within the timeframe of subsection (c), above. Health Plan will notify Provider before the offset is taken as noted above in this section 5.6.

(e) Health Plan may request a refund of overpayments where the need to do so is identified by incorrect adjudication based on a Member benefit determination. In this case, Health Plan shall make such a request in writing to Provider. Provider shall refund overpayments to Health Plan upon receipt of any adjusted amounts first due from Member.

(f) Health Plan may request a refund of an overpayment in accordance within the timeframes set forth in federal or State law, as may be applicable. Where no timeframe is set forth in federal or State law, Health Plan may request a refund for a period up to one (1) year following the day of payment.

(g) As a material condition to Health Plan's obligations under this Agreement, Provider agrees that the offset and recoupment rights set forth herein shall be deemed to be and to constitute rights of offset and recoupment authorized in state and federal law or in equity to the maximum extent legally permissible, and that such rights shall not be subject to any requirement of prior or other approval from any court or other governmental authority that may now or hereafter have jurisdiction over Health Plan and/or Provider.

5.7 Reciprocity Rates for Covered Services. In the event that Provider provides Covered Services to Members which are the financial responsibility of a Delegated Provider or Delegated Plan, in absence of a direct agreement, Provider shall accept from such Delegated Provider or Delegated Plan, as payment in full, the amounts set forth in Exhibit A-1 hereto, provided that such Delegated Provider or Delegated Plan has agreed to a similar reciprocity provision in its contract with Health Plan.

ARTICLE 6. ADMINISTRATION OF BENEFITS

6.1 Copayments and/or Deductibles. Provider shall collect from Members any amounts identified by Health Plan as the responsibility of the Member, including applicable Copayments and/or deductibles. Provider will not waive Copayments and/or deductibles which are the responsibility of a Member under the Member's Benefit Program. Provider agrees that Members eligible for the Medi-Cal Program will not be held liable to Provider for any cost-sharing if the Medi-Cal Program does not require cost-sharing. Provider agrees that Members eligible for both Medicare and Medi-Cal will not be held liable by Provider for Medicare Part A and B cost sharing when the State of California is responsible for paying such amounts, nor be held liable for cost-sharing that exceeds the amount a Member would be required to pay through Medi-Cal. Provider agrees to accept Health Plan's payment as payment in full.

6.2 Surcharges Prohibited.

(a) Provider agrees that in no event, including but not limited to non-payment by Health Plan, or Health Plan's insolvency or breach of this Agreement, will Provider bill, charge, collect a deposit from, seek compensation, remuneration or reimbursement from, or have any recourse against Members, persons acting on a Member's behalf, or a Regulating Agency for Covered Services. Nor shall Provider seek payments from Members, persons acting on a Member's behalf, or a Regulating Agency for Covered Services denied by Health Plan, Medical Group, Delegated Provider or Delegated Plan because such bill or claim was not submitted in accordance with the time limits and/or billing procedures set forth herein, or because the rendered services were not Medically Necessary or Authorized.

(b) In the event that Health Plan receives notice of any such surcharges being applied by Provider to Members, Health Plan will notify Provider of its violation of this section and Provider will immediately cease billing the Member, or if Provider has collected funds from a Member for Covered Services, Provider will refund the same to the Member.

(c) This provision shall not prohibit collection of Copayments or deductibles. This provision shall not prohibit billing and collection for Non-Covered Services rendered to Members, provided that the Member acknowledges in writing in advance of performance of the services that the services are not covered, the estimated cost of the services, and that the Member will be financially responsible for the Non-Covered Services. Such acknowledgment shall be executed by both Provider and Member in writing prior to the Non-Covered Service being performed. An executed copy of such shall be promptly provided to Health Plan upon written request by Health Plan in the event of dispute between Health Plan and Member regarding such Non-Covered Service. This provision shall survive the termination of this Agreement, regardless of the cause giving rise to termination and shall be construed to be for the benefit of Members, and

supersedes any oral or written contrary agreement now existing or hereafter entered into between Provider and Members or person acting on their behalf. Additionally, Provider specifically agrees that Health Plan shall have no liability to compensate Provider for the provision of Non-Covered Services. Provider shall ensure that its subcontractors, if any, agents, assignees, and trustees comply with this Section.

6.3 Coordination of Benefits. In the event the Benefit Program or Health Plan is not the primary payor for Hospital Services, any and all right to bill and receive coordination of benefits ("COB") shall be a right of Provider unless a right of DHCS, as set forth in the Subscriber Agreement or by state law. Provider may submit claims to Health Plan or Medical Group, as applicable, within ninety (90) calendar days from the date of payment or date of contest, denial or notice from the primary payor. Except as otherwise provided by law or provided by government sponsored program requirements, any claims that are not submitted by Provider to Health Plan or Medical Group (as applicable) within ninety (90) calendar days from the date of payment or date of contest, denial or notice from the primary payor shall not be eligible for payment, and Provider hereby waives any right to payment therefore. Upon request, no more frequently than annually, Provider shall report to Health Plan as to the amount of COB collected in respect to Members.

6.4 Third Party Liens. In no event will Provider assert any lien against any third party recovery sought by or on behalf of the Member. Any and all rights to receive reimbursement pursuant to third party liens shall be a right solely of Health Plan or DHCS (as set forth in the Subscriber Agreement). Provider shall provide all information in its possession which is necessary to permit Health Plan to report Workers' Compensation and third party lien information to DHCS as may be required by the Subscriber Agreement.

6.5 Benefits and Medical Necessity Determinations. All final decisions regarding Covered Services and Medical Necessity are reserved to the Health Plan, and Provider shall refer Members who have inquiries or disputes regarding such coverage to the Health Plan for response and resolution.

6.6 Final Decision. Health Plan shall have the final decision making authority between the parties for payment of claims for health services rendered to Members, determination of Medical Necessity and Covered Services, determination of eligibility and determination of Member's benefits under the applicable Subscriber Agreement subject to Health Plan's Member Grievance Procedures. Notwithstanding the foregoing or any other provision of this Agreement, in no case will Health Plan deny authorization or payment to Provider for Covered Services rendered to Members for which Provider obtained prior Authorization, concurrently reviewed, or approved as Medically Necessary by Health Plan.

6.7 Member Grievance Resolution.

(a) As set forth in the Network Operations Manual, Provider will promptly notify Health Plan of any complaints from or on behalf of Members and any professional liability claims filed or asserted regarding services provided by, or on behalf of, Provider.

(b) Provider will cooperate with Health Plan in Health Plan's Member grievance procedure and in resolving Members' complaints regarding Provider's or Participating Providers' provision of services or any other matter related to Provider and Participating Providers. Provider will cooperate with Health Plan's resolution of any such complaints or grievances.

(c) At no time shall a Member's medical condition be permitted to deteriorate because of delay in provision of care that Provider disputes. Fiscal and administrative concerns shall not influence the independence of the medical decision-making process to resolve any medical disputes between Member and provider of service.

ARTICLE 7. CLAIMS PAYMENT AND CLAIMS DISPUTE RESOLUTION

7.1 Time Limitations. Provider shall submit initial claims within one-hundred and eighty (180) days following the date of discharge (for Inpatients) or date of services (for Outpatients). Claims received after one hundred and eighty (180) days from the date Covered Services are rendered are subject to the Medi-Cal reduced reimbursement structure as set forth in the Claims Operations Manual. This requirement is not applicable to TPL claims or those subject to Coordination of Benefits.

7.2 Form. Provider shall bill using the guidelines set forth in the Claims Operations Manual. Provider shall submit claims using the industry standard billing forms as further specified in the Claims Operations Manual and/or the Network Operations Manual, or submit claims using a HIPAA compliant and approved electronic format.

7.3 Payment. Health Plan shall process claim(s) as required by Health and Safety Code 1371 and shall pay Provider at the rates set forth in Exhibit A within 45 working days upon receipt of a Clean Claim. If the Clean Claim is not paid within 45 working days of Health Plan's receipt of the claim, Health Plan will pay any and all interest as required by statute. If Health Plan disputes the billing for any reason, Health Plan shall, within 45 working days of receipt, notify Provider of the dispute and the specific reasons Health Plan is contesting the claim in writing. If Health Plan contests the claim because it has not received all information necessary to determine its liability and Provider supplements its billing with the necessary additional information, Health Plan will pay the claim within 45 working days of receipt of the additional information or will otherwise pay any and all interest as required by statute. If Health Plan contests the claim for any other reason, Health Plan will seek to resolve the dispute as soon as reasonably possible with Provider. Provider's requests for

adjustments to claims payments must be made within one year from the date of receipt of payment or denial to be considered by Health Plan.

7.4 Authorized or Concurrently Reviewed. If Health Plan issues Authorization for Covered Services to Provider or if Covered Services are concurrently reviewed by Health Plan and Authorized, then Health Plan shall pay claims for those Authorized or concurrently reviewed Covered Services within the timeframes and according to the procedures established by law.

7.5 Emergency Services. Health Plan shall pay claims for Emergency Services within the timeframes and according to the procedures established by law. Health Plan shall not require Authorization of, or retroactively deny reimbursement to Provider for, Emergency Services rendered to a Member. Health Plan may only deny claims for Emergency Services if Health Plan reasonably determines that an Emergency Medical Condition did not exist, and that under the prudent layperson standard, the Member should have known that an Emergency Medical Condition did not exist.

7.6 Benefits Determinations. All final decisions regarding Covered Services are reserved to the Health Plan, and Provider shall refer Members who have inquiries or disputes regarding such coverage to the Health Plan for response and resolution.

7.7 Member Complaints and Grievances.

(a) As set forth in the Network Operations Manual, Provider shall promptly notify Health Plan of receipt of any complaints from or on behalf of Members and any professional liability claims filed or asserted regarding services provided by Provider.

(b) Provider shall cooperate with Health Plan's Grievance Procedure in resolving Members' complaints regarding Provider's provision of services and/or any other matter related to Provider. Provider shall cooperate with Health Plan's resolution of any such complaints or grievances.

ARTICLE 8. MEDICAL RECORDS, REPORTS AND INSPECTIONS

8.1 Maintenance of Medical Records. Provider shall maintain and require its subcontractors to maintain a medical record for each Member to whom Provider or its subcontractor renders Covered Services. Provider or Provider's subcontractor shall open each Member's medical record upon the Member's first encounter with Provider or Provider's subcontractor. The Member's medical record shall be in such form and detail as may be required by State and federal law, generally accepted and prevailing professional practice, applicable Benefit Programs, Regulating Agencies, or by Health Plan. Such records shall be maintained in a current, detailed, organized, and comprehensive manner and available for access in San Francisco, California. Provider shall comply with all

federal, State and local confidentiality and Member record accuracy requirements. Subject to such confidentiality requirements, Provider will make records available upon request for Health Plan and its designated agents, including as follows:

(a) Provider will provide copies of Member medical and payment records reasonably requested by Health Plan in writing that are in the custody of Provider and its subcontractors. Health Plan will not be required to pay for medical records necessary from Provider for a determination of Medical Necessity or for State, federal, regulatory or quality purpose;

(b) Upon prior written notice (including notice by facsimile), Provider will allow Health Plan's and Regulating Agencies' authorized personnel access to such records at the Provider's/Participating Provider's offices during its regular business hours in accordance with Provider 's policies regarding access to such records;

(c) Provider will transmit Member's medical record information by telephone or facsimile or other electronic means to Health Plan for purposes of Authorizations or other Health Plan quality and utilization management activities;

(d) Upon reasonable request, Provider will provide copies of a Member's medical record to any Health Plan physician or Participating Provider treating such Member; and

(e) Health Plan will not be required to obtain a Member's consent for any records necessary for Health Plan use for purposes of treatment, payment or Health Plan operations.

8.2 Retention of Records. Provider shall retain all medical records, books, charges and papers relating to Provider's provision of services to Members, the cost of such services, and payment received by Provider from Members (or others on their behalf). Provider shall safeguard the privacy of any information that identifies a particular Member and shall maintain such records in an accurate and timely manner. Provider shall retain all such records for at least:

(a) Ten (10) years after rendering Covered Services, and the records of a minor child shall be kept for a period of at least one (1) year after the minor has reached the age of eighteen (18) years, but in no event less than ten (10) years;

(b) Ten (10) years from the close of the fiscal year in which the Agreement was in effect; and

(c) Such longer time period as may be required by law including, but not limited to: (i) the Knox-Keene Act, and the regulations promulgated thereunder; (ii) HIPAA, as amended and any regulations promulgated thereunder; and (iii) in respect to a particular record or group of records, a longer time period when a Regulating Agency requests such longer record retention and Provider is notified of such request by Health Plan.

8.3 Confidentiality of Member Health Information. Provider and each party with which Provider has, or will have, a contractual relationship to provide the Covered Services shall comply with all applicable state and federal laws, Health Plan's policies and procedures, Benefit Program requirements regarding privacy and confidentiality of Members' health information and medical records, including mental health records. Provider shall not disclose or use Member names, addresses, social security numbers, identities, other personal information, treatment modalities, or medical records without obtaining appropriate authorization to do so. This provision shall not affect or limit Provider's obligation to make available medical records and information concerning Covered Services to Health Plan, any authorized state or federal agency, or other Providers of health care upon authorized referral. Notwithstanding the foregoing, Provider shall notify Health Plan within five (5) calendar days of any subpoenas, document production requests, or requests for records, received by Provider or its Subcontractors related to this Agreement or subcontracts entered into under this Agreement, and Provider shall not produce any documents to which Health Plan asserts a privilege without a final order being rendered by a trier of fact as to Health Plan's asserted privilege.

8.4 Access to Records. Subject to such privacy and confidentiality requirements, Provider shall provide such information to Health Plan and Regulating Agencies, and their respective designees, as may be necessary for compliance by Health Plan with the provision of all state and federal laws and the rules thereunder. In addition, Provider agrees to make available to Health Plan for inspection any account, administrative, and medical records maintained by Provider pertaining to care rendered to Members under this Agreement, or to Provider's participation under this Agreement. Access to records will be upon at least forty-eight hours prior notice (including notice by facsimile), except in the event of concurrent review by Health Plan, in which case Provider will provide access to the records upon request by Health Plan. Health Plan will not reimburse Provider for records requested for prior or retro-authorization, to document or review medical necessity, for the payment of claims, or for state, federal, regulatory or quality purposes. Maximum payment by Health Plan to Provider for copies of medical records will be $0.10 per page for copies from paper and $0.20 per page for copies from microfilm, not to exceed fifty dollars ($50.00) per medical record.

8.5 Access to Audited Financial Statements. Provider will provide to Health Plan, on a timely basis (as required by Health Plan), audited financial statements, meeting criteria determined by Health Plan.

8.6 Compliance with NCQA and HEDIS Guidelines. Provider shall comply with the NCQA and HEDIS guidelines and the requirements of any other applicable accrediting agency, as amended from time-to-time. Said compliance shall include, but not be limited to, cooperation with Health Plan by providing information required by Health Plan to demonstrate compliance with said NCQA and HEDIS guidelines and in such format as it is compatible for submission to payers.

8.7 Consent to Obtain Information. Provider grants Health Plan permission to gain access to any and all information, records, summaries of records, reports, files or data relative to

Provider's professional qualifications, mental or physical fitness, or the quality of care rendered by Provider from any hospital, governmental or private agency or association (including the National Practitioner Data Bank and the Medical Board of California) or any other entity or individual. Provider agrees to provide Health Plan with any authorizations, consents or releases which Health Plan may require from Provider to obtain the information described above.

8.8 Member Access to Health Information. Provider shall give Members access to Members' health information including, but not limited to, medical records and billing records, in accordance with the requirements of state and federal law, Benefit Programs, and Health Plan's policies and procedures.

8.9 Access to Accounting and Financial Books and Records.

(a) Health Plan shall have the right to inspect the accounting and administrative books and records of Provider as permitted and required by law, upon five (5) calendar days' prior written notice and during normal business hours (or at such other time as may be mutually agreed). The inspection shall take place at Provider's principal business office location, or in the alternative, at Health Plan's request, upon ten (10) calendar days' prior written notice, at one of Provider's facilities or offices in San Francisco, California.

(b) Provider shall also permit the inspection of such books and records by Regulating Agencies as may be required by law and required by the Regulating Agency including, but not limited to, Provider's subcontracts. Provider shall disclose to Regulating Agencies the method and amount of compensation or other consideration to be received by it from Health Plan or payable to its subcontractors.

(c) Provider shall retain such accounting and administrative books and records for ten (10) years after the date such financial records were created. When requested by Health Plan or Regulatory Agency, Provider shall produce copies of any such records at no cost.

8.10 Site Evaluations and Inspections. Provider and its subcontractors shall permit Regulating Agencies and Health Plan (or its representatives) to conduct periodic site evaluations and inspections of Provider's and subcontractors' facilities, including access to secure areas.

(a) Provider and its Participating Providers will permit Health Plan with thirty (30) days prior written notice and at a time and place(s) mutually agreed to by the parties to conduct periodic site evaluations and inspections of their facilities and records. In the event that Health Plan finds any deficiencies in such facilities or records, Provider, or Participating Provider, as applicable, will have sixty (60) days to substantially correct such deficiencies, which are identified by Health Plan.

(b) Provider will permit site inspections to both Regulating Agencies as well as to any external quality review organization designated by Regulating Agencies. Any deficiencies will be corrected within such time frames as required by Regulating

Agencies with 30 days prior written notice or the external quality review organization. In the event such deficiencies are not so corrected, Provider will not utilize such site in the provision of Covered Services to Members unless Regulating Agency and Health Plan have agreed to a plan of corrective action to be implemented by the site, and such plan is being implemented to the satisfaction of Regulating Agency.

(c) Provider and Participating Providers will permit on-site inspection by Health Plan (upon 30 days prior written notice) of all records which are to be disclosed hereunder, including, all records of claims payments received by Provider for Covered Services to Members.

(d) Health Plan will have the right to conduct, or have conducted by a third party (subject to approval by Provider, which will not be unreasonably withheld), medical audits and evaluations of Provider's records and facilities with respect to Members. With respect to such audits and evaluations, Provider records and papers, as well as any and all Members' medical files maintained by Provider, will be subject to inspection during reasonable office hours by Health Plan or by a duly authorized and approved third party representative, with prior written notice. In conducting any medical audit, Health Plan will not be entitled to examine Provider medical records of Provider's patients who are not Members.

8.11 Survival. The obligations as set forth in this Article shall survive any termination of this Agreement.

ARTICLE 9. LIABILITY INSURANCE

9.1 Provider Insurance. Provider, at its sole cost and expense, shall procure and maintain such policies of general liability and other insurance as shall be necessary to insure Provider and its agents, servants, and employees against any claims for damages arising by reason of personal injuries or death occasioned directly or indirectly in connection with the performance of any health care service by Provider or by Provider's agents, servants or employees, the use of any property or equipment provided by Provider, or any other activities performed by Provider or by Provider's agents, servants or employees in connection with this Agreement as follows:

(a) Medical Professional and Liability Insurance or an equivalent program of self-insurance acceptable to Health Plan for bodily injury, property damage and personal injury in an amount no less than three million ($3,000,000) dollars for each occurrence, with a general aggregate of ten million ($10,000,000) dollars applying , to cover any loss, liability or damage to Members alleged to have been committed by Provider, and/or Provider's agents, independent contractors or employees, including without limitation Provider's U.R. Coordinator, all Provider personnel, physician employees, independent contractors and/or residents. If such insurance is written on a commercial claims-made form, following termination of this Agreement, coverage shall survive for the maximum reporting periods

available from insurance sources but in no event for less than five years following termination of this Agreement.

(b) Comprehensive or Commercial Form General Liability Insurance (contractual liability included) with limits as set forth below. However, if such insurance is written on a claims made form, following termination of this Agreement, coverage will survive for a period of not less than three years. Coverage will also provide for a retroactive date of placement coinciding with the Effective Date of this Agreement.

i.	Each Occurrence	$ 500,000
ii.	Products Completed Operations Aggregate	$5,000,000
iii.	Personal and Advertising Injury	$1,000,000
iv.	General Aggregate	$5,000,000

(c) Business Automobile Liability Insurance for owned, scheduled, non-owned, or hired automobiles with a combined single limit no less than one million dollars ($1,000,000) per occurrence.

(d) Workers' Compensation Insurance in a form and amount covering Provider's full liability under the Workers' Compensation Insurance and Safety Act of the State of California as amended from time to time.

(e) Such other insurance in such amounts which from time to time may be reasonably required by the mutual consent of Provider and Health Plan against other insurable risks relating to performance.

(f) If any policy includes an aggregate limit or provides that claims investigation or legal defense costs are included in such aggregate limit, the aggregate limit will be double the occurrence limits specified above.

(g) Insurance policies must be provided by insurers licensed to do business in the State of California and who have obtained an A.M. Best rating of A:VIII or better.

(h) All insurance policies carried by Provider whether specified herein or otherwise shall contain endorsements waiving the insurer's rights of subrogation against Health Plan.

(i) If the coverage is claims made or reporting, Provider agrees to purchase similar "tail" coverage upon termination of the Provider's present or subsequent policy.

(j) Provider shall give Health Plan prompt written notice, but in no event less than fifteen (15) business days' notice, of any claims against Provider's coverage by or regarding a Health Plan Member.

(k) Any insurance provided by Provider or its subcontractors or drivers shall be primary to any coverage available to Health Plan. Any insurance or self-insurance maintained by Health Plan and its officials, officers, employees, agents or volunteers, shall be in excess of Provider's insurance and shall not contribute with it.

(l) Procurement of insurance by Provider shall not be construed as a limitation of Provider's liability or as full performance of Provider's duties to indemnify, hold harmless and defend Health Plan under this Agreement.

(m) Provider, upon execution of this Agreement, shall furnish Health Plan with Certificates of Insurance evidencing compliance with all requirements. Certificates shall further provide for thirty (30) calendar days advance written notice to Health Plan of any modification, change or cancellation of any of the above insurance coverages.

ARTICLE 10. DISPUTE RESOLUTION

10.1 Provider Dispute Resolution Mechanism. Provider may have complaints, concerns, or differences that arise as a provider for Health Plan. These complaints, concerns or differences may be resolved through Health Plan's Provider Dispute Resolution Mechanism, set forth in the Network Operations Manual. If these are related to any action taken by Health Plan with respect to the oversight and administration of Provider's provision of Covered Services which relate to, among other things, scope of service determinations, prior authorization decisions, and the assignment or reassignment of Members, then Provider shall inform Health Plan and Provider and Health Plan shall use its best efforts to resolve said complaint, concern or dispute through the Provider Dispute Resolution Mechanism prior to submitting said complaint, concern or dispute to arbitration, pursuant to Section 10.2 of this Agreement. Provider and Health Plan shall be bound by the resolutions of such issues that emerge from the Provider Dispute Resolution Mechanism except as otherwise provided by law.

10.2 Binding Arbitration. Any claim or dispute between Provider and Health Plan arising under this Agreement, which exceeds the jurisdiction of Small Claims Court and which cannot be resolved through Health Plan's Dispute Resolution Mechanism within 45 calendar days, must, irrespective of legal theories or type of relief requested, be resolved through binding arbitration pursuant to the Commercial Rules of the American Arbitration Association ("AAA"), then in effect, using a mutually selected arbitrator. If the parties cannot agree on such an arbitrator, then an arbitrator shall be selected by the AAA. If possible, the arbitrator shall be an attorney with at least fifteen (15) years of experience, including at least five (5) years of experience in managed health care. The party requesting arbitration shall initiate such arbitration by serving the other party with written notice of the nature of the claim, the relief requested, and a demand for arbitration. Such arbitration shall take place in San Francisco, California. The parties shall conduct a mandatory settlement conference at the initiation of arbitration, to be administered by AAA. The arbitrator shall have no authority to provide a remedy or

award damages that would not be available to such prevailing party in a court of law, nor shall the arbitrator have the authority to award punitive damages. Each party shall bear its own costs and expenses, including its own attorneys' fees, and shall bear an equal share of the arbitrator's and administrative fees of arbitration. The parties agree to accept any decision by the arbitrator as a final determination of the matter in dispute, and judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction. Arbitration must be initiated within one year of the earlier of the date the claim or controversy arose, was discovered, or should have been discovered with reasonable diligence; otherwise it shall be deemed waived. The use of binding arbitration shall not preclude a request for equitable and injunctive relief made to a court of appropriate jurisdiction.

10.3 Small Claims Court. If the amount in dispute by the parties is within the jurisdictional limits of the small claims court, then such matter shall be submitted to the small claims court for resolution in lieu of arbitration. Such action shall take place in San Francisco, California.

10.4 Limitation. Any controversy or claim arising under this Agreement shall be deemed waived unless an action in small claims court or arbitration is initiated within one year after such controversy or claim arises.

ARTICLE 11. COOPERATION WITH HEALTH PLAN POLICIES AND PROCEDURES

11.1 Policy and Procedures. Health Plan and Provider acknowledge that Health Plan is obligated to provide health care services to Members pursuant to contractual and regulatory obligations and that these obligations are set forth in various policies and procedures adopted by Health Plan. Provider agrees to cooperate with Health Plan's policies and procedures, as applicable to Provider.

11.2 Network Operations Manual and Claims Operations Manual. Provider will comply with Health Plan's Network Operations Manual and Claims Operations Manual, which set forth Health Plan's administrative requirements and procedures for claims processing. Health Plan may modify the Network Operations Manual or Claims Operations Manual from time to time by prior written notice to Provider. If Provider, in good faith, determines that compliance with any of Health Plan's updates to the Network Operations Manual or Claims Operations Manual is not possible, then the parties will meet and in good faith negotiate a mutually acceptable modification to the update. Provider will notify Health Plan of its inability to meet the new requirements within sixty (60) days of written receipt from Health Plan of the update. If the parties are unable to negotiate a mutually acceptable modification, then either party will have the right to terminate this agreement pursuant to Section 2.2 of this Agreement (Termination Without Cause). Health Plan will not retroactively apply policies prior to the date when such policies are communicated in writing to the Provider. Copies of the Network Operations Manual and Claims Operations Manual will be provided to Provider prior to the execution of this Agreement and acknowledged in Exhibit G, as updated, and upon request. To the extent

of any conflict between this Agreement and the Network Operations Manual or Claims Operations Manual, the terms of this Agreement will govern.

11.3 Quality Improvement. Provider will cooperate with and whenever possible participate in Health Plan's quality improvement programs, and in all quality improvement oversight functions performed by Health Plan, as set forth in the Network Operations Manual, including participation in its peer review functions and Quality Improvement Committee and submission of quality improvement reports. Provider acknowledges that Health Plan's quality improvement program will, at a minimum, meet the standards set forth in California Health and Safety Code Section 1370, Title 28 California Code of Regulations Section 1300.70, and Title 22 California Code of Regulations 53280.

11.4 Case Management. Provider will cooperate with Health Plan's case management policies.

11.5 Compliance with Committee Decisions. In the interest of program integrity or the welfare of Members, Health Plan may introduce additional utilization controls, quality improvement programs, or other policies and procedure as may be necessary, and will provide copies of such additional controls and policies in writing to Provider no less than forty-five (45) business days prior to their implementation effective date. Provider will cooperate and participate with Health Plan in quality improvement and utilization management programs and in Member Grievance procedures and will cooperate with all final determinations rendered by the Quality Improvement, Utilization Management, and Grievance Committees. If Provider in good faith, determines that compliance with any of Health Plan's updates is not possible, then the parties will meet and in good faith negotiate a mutually acceptable modification to the update. Provider will notify Health Plan of their inability to meet the new requirements within forty-five (45) business days of written receipt from Health Plan of the update. If the parties are unable to negotiate a mutually acceptable modification, then either party will have the right to either pursue the dispute through the Provider Dispute Procedure or to terminate this Agreement pursuant to Section 2.2.

11.6 Drug Formulary. Provider will comply with the drug formulary adopted by Health Plan, which is available on the Health Plan website at: http://www.sfhp.org/

ARTICLE 12. COMPLIANCE AND REGULATORY REQUIREMENTS

12.1 Compliance with Law and Ethical Standards. Health Plan and Provider agree that each will comply with all applicable requirements of State and federal authorities, all applicable State and federal statutes and regulations now or hereafter in force and effect to the extent that they apply to this Agreement. These include, without limitation of the foregoing, applicable requirements under the Knox-Keene Act, Medi-Cal (Title XIX of the Social Security Act and Title 22 of CCR), any State fair employment practices or similar laws declaring discrimination in employment based upon race, color, creed, religion, sex, sexual preference, or national origin as illegal and, if applicable, Title VII of the Civil Rights Act of 1964, and Title 28 of the CCR, or any applicable rule or

regulation promulgated pursuant to any such laws herein above described or any amendment or modifications to these laws and regulations. This Agreement will be governed by and construed in accordance with all State and federal laws, and regulations incumbent on Health Plan and Provider including, but not limited to, those provisions set forth in Exhibits C, D, and E, attached hereto and incorporated herein by reference.

12.2 Compliance With Subscriber Agreements. Health Plan and Provider agree that Health Plan is under specific obligations pursuant to its Subscriber Agreements with relevant Regulating Agencies. Provider agrees to assist Health Plan whenever possible in meeting its obligations under the Subscriber Agreements, including policy letters issued by the relevant Regulating Agency interpreting such Subscriber Agreements, as those obligations relate to the subject matter of this Agreement.

12.3 Directory and Use of Names. Health Plan and Provider hereby agree to comply with the requirements of the law in regard to provider directories, including California Health & Safety Code Section 1367.27. Health Plan will develop a directory which shall include, without limitation, participating Primary Care Physicians, other Health Professionals, facilities (general acute care hospitals, skilled nursing facilities, urgent care clinics, ambulatory surgery centers, etc.), pharmacies, laboratories, and imaging centers, which will be distributed to Members.

(a) Provider's information in Health Plan's provider directories includes, but is not limited to, name, address(es), telephone number, email address (if available), hours of operation, level of accessibility of facilities, services, language(s) spoken, National Provider Identifier number, California license number and license type, and telephone numbers of its Participating Providers. Provider shall promptly notify Health Plan of any changes in this information.

(b) Provider shall comply with notifications from Health Plan requesting verification of Provider information or the submission of any additions, deletions, or modifications within time frames to enable compliance with Health & Safety Code Section 1367.27.

12.4 Disclosure Form. Provider agrees to complete the Disclosure Form, attached hereto and incorporated herein as Exhibit F.

12.5 Federal Lobbying Certification. Provider shall comply with 31 U.S.C. 1352, which prohibits the use of federal funds for lobbying. By signing this Agreement, the authorized agent executing this Agreement certifies that to the best of his or her knowledge and belief that:

(a) No federal appropriated funds have been paid or will be paid, by or on behalf of Provider, to any person for influencing or attempting to influence an officer or employee of an agency of the United States Government, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with the making, awarding or entering this Agreement, federal grant,

or cooperative agreement, and the extension continuations, renewal, amendment, or modification of this Agreement, grant or cooperative agreement.

(b) If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency of the United States Government, a member of Congress, an officer or employee of Congress or an employee of a Member of Congress in connection with this Agreement, Provider shall complete and submit Standard Form LLL, "Disclosure of Lobbying Activities."

(c) In the event the aggregate consideration under this Agreement is one hundred thousand dollars ($100,000) or more, then the language in this section shall be included in all subcontracts of Provider pertaining to this Agreement.

12.6 Patient Bill of Rights. To the extent required by State or federal law, Provider and each of its subcontractors performing services hereunder will adopt and post in a conspicuous place a written policy on patient's rights in accordance with Section 70707 of Title 22 of the California Code of Regulations.

12.7 Drug Free Workplace. Provider agrees to notify all persons who perform Covered Services under this Agreement of Health Plan's policy concerning drug and alcohol use that prohibits (a) the use, possession, distribution, purchasing or selling drugs or alcohol on Health Plan's premises or while engaged in Health Plan's business and (b) reporting to and/or performing work for Health Plan while under the influence of same (except for authorized amounts of prescribed drugs required for health reasons).

12.8 Provider Non-Solicitation Obligations. Provider shall not solicit, induce, or encourage Members to disenroll from Health Plan or select another health plan for the primary purpose of securing financial gain for Provider. During the period of this Agreement and for a period of one year after termination, Provider and Provider's employees, agents and subcontractors shall not solicit or attempt to persuade any Member not to participate in the Medi-Cal Managed Care Program or any other benefit program for which Provider rendered Covered Services to Member. In the event of breach of this Section, in addition to any other of Health Plan's legal rights, Health Plan may at its sole discretion immediately terminate this Agreement. Nothing in this provision is intended to limit Provider's ability to fully inform Members of all available health care treatment options or modalities.

12.9 Export Regulations. Provider acknowledges its obligations to control access to technical data under the U.S. Export Laws and Regulations and agrees to adhere to such laws and regulations with regard to any technical data received under this Agreement.

12.10 Offshore Resources. Provider or its agents or subcontractors shall not perform any Covered Services outside the United States of America without the prior written consent of Health Plan and approval by Regulating Agencies. If during the term of this Agreement, or at any time after the Effective Date of this Agreement, it is determined

that Provider is in breach of this Section, Health Plan shall have, in its sole discretion, the right to immediately terminate this Agreement.

12.11 Federal Equal Opportunity Requirements.

(a) Discrimination. Provider will not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era. Provider will take affirmative action to ensure that qualified applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, national origin, physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and career development opportunities and selection for training, including apprenticeship.

(b) Posting. Provider shall post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Federal Government or DHCS, setting forth the provisions of the Equal Opportunity clause, Section 503 of the Rehabilitation Act of 1973, the affirmative action clause required by the Vietnam Era Veterans' Readjustment Assistance Act of 1974 (38 USC Section 4212) and of the Federal Executive Order No. 11246 as amended, including by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and as supplemented by regulation at 41 CFR 60, "Office of the Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," and of the rules, regulations, and relevant orders of the Secretary of Labor. Such notices shall state Provider's obligation under the law to take affirmative action to employ and advance in employment qualified applicants without discrimination based on their race, color, religion, sex, national origin physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era and the rights of applicants and employees.

12.12 Fraud and Abuse Prevention and Detection. Provider shall comply with all fraud and abuse related laws and regulations as well as any and all Health Plan fraud and abuse prevention requirements. This shall include, but is not limited to, the following:

(a) Provide Health Plan with all data needed to investigate potential cases of fraud and abuse;

(b) Permit Health Plan access to Provider's (and Provider's subcontractors') books and records and facilities in order to complete any fraud investigations;

(c) Require Provider to represent and warrant that all claims and other reports represent truthful and accurate information; and

(d) Require disclosure of any sanctions for a health care related offense of Provider or its subcontractors.

12.13 Reporting Accuracy. Provider certifies that all claims, reports, documents, instruments, papers, data, information and forms of evidence delivered to Health Plan with respect to this Agreement are accurate and correct, and complete to the extent that completeness is necessary to give Health Plan true and accurate knowledge of the subject matter thereof, and do not contain any misrepresentations or omissions.

12.14 Exclusion Lists. Provider represents that as of the Effective Date of this Agreement, it is not, to Provider's knowledge, under investigation for exclusion or debarment from any federal or State health care program. Provider shall check the applicable exclusion lists, including but not limited to, the Medi-Cal Suspended and Ineligible Provider List, the System for Award Management list, and the Health and Human Services Federal Office of Inspector General List of Excluded Individuals/Entities. In the event Provider discovers any employees or subcontractors on such lists, it will promptly remove such employee or subcontractor from performing any services for Health Plan and will immediately notify Health Plan of such action.

12.15 Disclosure of Provider Information. Subject to the terms of this Agreement, Provider will notify Health Plan in writing upon gaining knowledge of the occurrence of any of the following events:

(a) The license of Provider or any employee or subcontractor of Provider is suspended, revoked, terminated, or subjected to terms of probation or other restriction;

(b) Provider or Participating Provider's liability insurance is canceled, terminated, not renewed, or materially modified;

(c) Provider learns that it has become a defendant in a negligence action filed by a Member or is required to pay damages in any such action by way of judgment;

(d) An act of nature or any event occurs which has a materially adverse effect on Provider's ability to perform its obligations hereunder;

(e) A petition is filed to declare Provider bankrupt or for reorganization under the bankruptcy laws of the United States or a receiver is appointed over all or any portion of the Provider's assets;

(f) Provider is sued by a Participating Provider for nonpayment of compensation.

ARTICLE 13. CONFIDENTIALITY

13.1 Proprietary and Confidential Information. Provider understands and agrees that, in the performance of the Services under this Agreement, or in contemplation thereof, Provider may have access to private or Confidential Information that may be owned or controlled

by Health Plan, and that such information may contain proprietary or confidential details, the disclosure of which to third parties may be damaging to Health Plan. Provider shall hold all information disclosed by Health Plan to Provider in confidence and shall use such information only in the performance of this Agreement. Provider shall exercise the same standard of care to protect such information as a reasonably prudent business entity would use to protect its own proprietary data. Pursuant to Cal. Government Code §6254.22 and/or Cal. Welfare & Institutions Code §14087.58, as applicable, any provisions of this Agreement or records that relate to provider rate or payment determinations, allocation or distribution methodologies for provider payments, formulae or calculations for these payments, and contract negotiations with providers for alternative rates, shall be exempt from a Public Records Act request for a period of three years after this Agreement is fully executed.

13.2 Compensation Terms. The compensation terms of this Agreement and all terms relating to compensation shall be confidential to the extent allowed under applicable law. Provider shall not disclose such terms except with the prior written consent of Health Plan.

13.3 Confidentiality of Health Information. Each party acknowledges that it will have access to Confidential Information, including Individually Identifiable Health Information. The parties agree to hold Confidential Information in strict confidence and to disclose and use such Confidential Information only as authorized by this Agreement. Health Plan and Provider shall not sell, transfer, publish, disclose, display or otherwise make available to others, any portion of the Confidential Information or related materials without the express written consent of the other or, as may be required, the express written consent of the Member. Each party shall comply with confidentiality, medical records and/or other applicable state and federal laws and regulations with regard to any and all information directly or indirectly accessed or used by the respective parties and their personnel, including HIPAA and all regulations promulgated thereunder.

Without limiting the obligations of the parties otherwise set forth in this Agreement or imposed by applicable law, the parties as both covered entities under HIPAA, agree to comply with applicable requirements of law relating to PHI and with respect to any task or other activity either party performs on behalf of the other, specifically the parties shall:

(a) Implement policies and procedures to appropriately safeguard and protect the confidentiality of Individually Identifiable Health Information in compliance required by the provisions of HIPAA or HITECH, regulations promulgated thereunder, and other federal and State laws and regulations;

(b) Maintain computers and network data in a secure manner;

(c) Not use or further disclose PHI other than as permitted or required by this Agreement or as required by law;

(d) Use appropriate safeguards to prevent use of disclosure of PHI other than as provided for by this Agreement;

(e) Report to the other party any use or disclosure of PHI not provided for by this Agreement of which either party becomes aware. Provider will let Health Plan know of any unauthorized disclosure of PHI or any breach of data security, or intrusion as soon as possible but no later than within one business day of discovery.

(f) Promptly take appropriate disciplinary action against any employee who inappropriately accesses or wrongly discloses PHI;

(g) Promptly take corrective action to cure any security deficiencies;

(h) Ensure that any subcontractors, vendors or others who may have access to PHI agree to the same restrictions and conditions that apply to the parties with respect to PHI, which includes, but is not limited to, ensuring that Business Associate Agreements are executed with such parties;

(i) Make available PHI in accordance with applicable law;

(j) Make internal practices, books, and records relating to the use and disclosure of PHI received available to the Secretary of the United States Health & Human Services for purposes of determining compliance with applicable law;

(k) Make available the information required to provide an accounting of disclosures pursuant to applicable law; and

(l) At termination of this Agreement, destroy any PHI that either party still maintains in any form and is not required to be saved or retained by a party for regulatory or necessary business purposes.

The parties agree that this Agreement may be amended from time to time if, and to the extent required by, the provisions of HIPAA or the HITECH Act and regulations promulgated thereunder, in order to assure that this Agreement is consistent therewith.

13.4 Protection of Information in Provider's Electronic Information Systems. Health Plan will take the following safeguards to protect the confidentiality of the information in Provider's Electronic Information Systems:

(a) Implement policies and procedures to adequately safeguard and protect the confidentiality of Individually Identifiable Health Information in compliance with HIPAA and other federal and State laws and regulations;

(b) Maintain Health Plan computers and network in a secure manner;

(c) Establish an auditing procedure for monitoring appropriate accessing of Provider's electronic information systems by Health Plan employees;

(d) Notify Provider within one business day after discovery of an inappropriate accessing of information or wrongful use or disclosure of information by a Health

Plan employee and promptly take appropriate disciplinary action against such employee;

(e) Notify Provider within one business day of any suspected or actual breaches of security and promptly take corrective action to cure any security deficiencies to the satisfaction of Provider; and

(f) Permit Provider to conduct audits of appropriate accessing of Provider's electronic information systems and appropriate uses and disclosures of Individually Identifiable Patient Information by Health Plan employees.

13.5 Disclosure of Member Names. The names of persons receiving public social services are confidential and are to be protected from unauthorized disclosure by Provider and its subcontractors in accordance with Title 42, CFR, Section 431.300 et seq. All information, records, data, and data elements collected and maintained by Provider and its subcontractors pertaining to the operation of this Agreement and pertaining to Members will be protected by Provider from unauthorized disclosure.

13.6 National Provider Identification ("NPI"). In accordance with HIPAA, Provider shall comply with the Standard Unique Identifier for Health Care Provider regulations promulgated under HIPAA (45 CFR Section 162.402, et seq.) and use only the NPI to identify HIPAA covered health care providers in standard transactions. Provider shall obtain an NPI from the National Plan and Provider Enumeration System ("NPPES") for itself or for any subpart of the Provider. Provider shall make best efforts to report its NPI and any subparts to Health Plan. Provider shall report any changes in its NPI or subparts to Health Plan within thirty (30) calendar days of the change. Provider shall use its NPI to identify itself on all claims (both electronic and paper formats) submitted to Health Plan.

13.7 Enforcement and Injunctive Relief. Notwithstanding any other provisions of this Agreement, Provider and Health Plan agree that if any party to this Agreement violates any of the provisions of this Article 13 of this Agreement, that the aggrieved party shall be entitled to seek any and all applicable remedies at law and/or equity to prevent further breach of this Article, including injunctive relief, without posting bond. Provider acknowledges that any unauthorized use or disclosure of Confidential Information would result in damage to Health Plan that may be intangible but nonetheless real, and that is incapable of complete remedy by an award of damages. Accordingly, any such violation shall give Health Plan the right to a court-ordered injunction or other appropriate order to specifically enforce the provisions of this Agreement. Provider agrees to pay to Health Plan any reasonable expenses, including but not limited to attorneys' fees, incurred in obtaining and collecting any remedies, relief or damages.

13.8 Confidentiality Agreement of Employees and Agents. Prior to accessing confidential information, all of Provider's employees and/or agents who will have access to confidential information, including PHI, will be required to sign a confidentiality agreement, or obtain training in privacy and security practices, including HIPAA and HITECH training. Provider's employees and/or agents who have access to confidential information will:

(a) Access confidential information only as necessary to carry out the responsibilities of his or her employment or engagement;

(b) Maintain the confidentiality of confidential information in accordance with Health Plan's standards and guidelines;

(c) Be subject to corrective action, up to an including termination of employment or of the engagement for violation of confidentiality requirements; and

(d) Provide written acknowledgement that the employee or agent has been informed of and understands the obligation to protect confidential information and will do so.

13.9 Survival. The obligations in this Article shall survive the termination of this Agreement.

ARTICLE 14. GENERAL PROVISIONS

14.1 Interruptions. In the event Provider's or Health Plan's operations, or any substantial portion thereof, are interrupted by war, fire, insurrection, riots, the elements, earthquakes, acts of nature, or without limiting the foregoing, any other cause beyond the control of either party, both parties shall be relieved of their obligations with respect to the provisions of the Agreement (or such portions which either party is rendered incapable of performing) for the duration of such interruption. Notwithstanding, both parties shall at all times use best efforts to comply with the terms of this Agreement, despite the occurrence of any causes beyond their control and shall provide prompt notice to the other as soon as reasonably possible of any inability to perform, and the reasons for such inability. Should a substantial part of the services that Provider has agreed to provide under this Agreement be interrupted pursuant to such event for a period in excess of thirty calendar days, either party shall have the right to terminate this Agreement upon ten calendar days prior written notice to the other party.

14.2 Partial Invalidity. If for any reason any provision of this Agreement is held invalid, the remaining provisions shall remain in full force and effect.

14.3 Waiver of Breach. The waiver of any breach of this Agreement by either party shall not constitute a continuing waiver of any subsequent breach of either the same or any other provisions of this Agreement. No party will be deemed to have waived any rights hereunder unless the waiver is made in writing and is signed by the waiving party's duly authorized representative.

14.4 Incorporation. All exhibits, and schedules referenced in this Agreement and attached hereto are incorporated herein by reference.

14.5 Governing Law. This Agreement shall be construed and enforced in accordance with the laws of the State of California.

14.6 Entire Agreement. This Agreement, including the Exhibits attached hereto (as set forth in the Table of Contents), contains the entire agreement of the parties and as of the Effective Date supersedes any prior contracts, agreements, negotiations, proposals or understandings relating to the subject matter of this Agreement.

14.7 Independent Contractors. In the performance of each party's work, duties, and obligations pursuant to this Agreement, each of the parties shall at all times by acting and performing as an independent contractor, and nothing in the Agreement shall be construed or deemed to create a relationship of employer and employee or partner or joint venture or principal and agent.

14.8 No Volume Guarantee. Health Plan does not represent, warrant, or covenant any minimum volume of patients or Members to Provider.

14.9 Non-Exclusivity. This Agreement is non-exclusive and each party shall have at all times the right to enter into agreements comparable to this Agreement with other persons or entities.

14.10 Notices. Any notices or other communication made or contemplated by this Agreement to be in writing shall be deemed to have been received by the party to whom it is addressed three (3) calendar days after it is deposited in the United States mail, postage prepaid, return receipt requested or by overnight delivery, and addressed as follows:

If to Health Plan: Chief Executive Officer
San Francisco Health Plan
50 Beale Street, 12th Floor
San Francisco, CA 94105

If to Provider: VP of Managed Care Contracting & Payor Relations
Verity Health System 2040 E. Mariposa Avenue
El Segundo, CA 90245

or to such other address as either party from time to time informs the other in writing.

If to DHCS:

California Department of Health Care Services, Medi-Cal Managed Care Division
1501 Capitol Avenue, Suite 71.4001
MS 4407, P.O. Box 997413
Sacramento, CA 95899-7413

14.11 Third Party Beneficiaries. Neither Members nor any other third parties are intended by the parties hereto to be third party beneficiaries under this Agreement, and no action to enforce the terms of this Agreement may be brought against either party by any person who is not a party hereto.

14.12 Captions. The captions contained herein are for reference purposes only and shall not affect the meaning of this Agreement.

14.13 Assignment. Neither party shall assign, delegate or transfer its rights, duties, or obligations under this Agreement without the prior written consent of the other party and of DHCS.

14.14 Information Systems and Technology. Provider shall develop and maintain such information systems and technology to have the capability to submit claims in electronic format.

14.15 Mutual Indemnification.

(a) Provider shall defend, indemnify and hold Health Plan, its officers, employees and agents harmless from and against any and all liability, loss, expense (including reasonable attorneys' fees) or claims for injury or damages arising out of the performance of this Agreement to the extent such liability, loss, expense, attorneys' fees, or claims for injury or damages are caused by or result from the negligent or intentional acts or omissions of Provider, its officers, agents, or employees.

(b) Health Plan shall defend, indemnify and hold Provider its officers, employees and agents harmless from and against any and all liability, loss, expense (including reasonable attorneys' fees) or claims for injury or damages arising out of the performance of this Agreement to the extent such liability, loss, expense, attorneys' fees, or claims for injury or damages are caused by or result from the negligent or intentional acts of omissions of Health Plan, its officers, agents, or employees.

(c) The terms of this indemnification provision shall survive the termination or expiration of this Agreement.

14.16 Amendment. Health Plan may, without Provider's consent, amend this Agreement to maintain consistency and/or compliance with any State or federal law, policy, directive, or government sponsored program requirement upon forty-five (45) business days' notice to Provider unless a shorter timeframe is necessary for compliance. Health Plan may otherwise materially amend this Agreement only after forty-five (45) business days' prior written notice to Provider and only if mutually agreed to by the parties as evidenced by the amendment being executed by each party hereto. Notwithstanding the foregoing, the parties mutually acknowledge that this Agreement and subsequent amendments shall be effective upon regulatory approval as set forth in all Subscriber Agreements, Medi-Cal Agreement, and the Knox-Keene Act. In the event that a Regulating Agency disapproves either this Agreement or any other amendment, the parties shall promptly meet and in good faith seek to modify the Agreement or amendment(s) in a manner which will receive approval and achieve the parties' intent.

14.17 Immigration Compliance. Provider warrants, represents and agrees that Covered Services will not be performed under this Agreement by any person who is an

unauthorized alien under the immigration and reform and control act of 1986 (as the same has been or may be amended) or its implementing regulations. Provider shall ensure that each and every person performing Covered Services shall be a citizen or permanent resident of the United States, or have a valid United States visa authorizing employment in the United States, and shall be permitted to work for federal contractors, including but not limited to Medicare and Medicaid contractors.

14.18 Additional Disclosures. Subject to the terms of this Agreement, Provider will notify Health Plan in writing upon gaining knowledge of the occurrence of any of the following events:

(a) Provider's license or certificate to render Covered Services is limited, suspended or revoked, or disciplinary proceedings are commenced against Provider by the state licensing authority;

(b) Any insurance required under this Agreement is cancelled, terminated, not renewed, or materially modified;

(c) Provider becomes insolvent or files a petition to declare bankruptcy or for reorganization under the bankruptcy laws of the United States, or a trustee in bankruptcy or receiver for Provider is appointed by appropriate authority;

(d) Provider is excluded from participation in Medicare and state health care programs pursuant to Section 1128 of the Social Security Act or otherwise terminated, suspended, or excluded as a provider by any state or federal health care program;

(e) Provider learns, or reasonably should know, that it has become a defendant in legal action filed by Member or is required to pay damages in any such action by way of judgment or settlement;

(f) Provider learns, or reasonably should know, that it is the subject of a governmental action, inquiry or formal allegation concerning his or her qualifications or ability to perform services (including any allegation of negligence);

(g) Any criminal investigations or proceedings have been brought against Provider;

(h) Any civil claim asserted against Provider which may jeopardize Provider's financial soundness; or

(i) Any other situation arises which could reasonably be expected to materially affect Provider's ability to carry out its obligations under this Agreement.

14.19 Binding Effect. This Agreement and the right, covenants, conditions and obligations of the respective parties hereto and any instrument or agreement executed pursuant hereto shall be binding upon the parties and be binding upon the successors, assignees and legal representatives of the respective parties hereto.

14.20 Interpretation of Agreement. This Agreement shall be interpreted according to its fair intent and not for or against any one party on the basis of which party drafted the Agreement. Section headings are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed by their authorized representatives.

EXHIBIT C
REQUIRED PROVISIONS
(Health Care Service Plans)

The following provisions are required by (i) federal statutes and regulations applicable to Health Plan, or (ii) state statutes and regulations applicable to health care service plans. Any purported modifications to these provisions inconsistent with such statutes, regulations, and agreements shall be null and void.

DMHC Provisions

1) In the event that Health Plan fails to pay Provider for Covered Services, the Member or subscriber shall not be liable to Provider for any sums owed by Health Plan. Provider shall not collect or attempt to collect from a Member or subscriber any sums owed to Provider by the Health Plan. Provider, or agent, trustee or assignee thereof, may not and will not maintain any action at law against a Member or subscriber to collect sums owed to the Provider by Health Plan. (Health and Safety Code section 1379)

2) To the extent that any of Health Plan's quality of care review functions or systems are administered by Provider, Provider shall deliver to Health Plan any information requested in order to monitor or require compliance with Health Plan's quality of care review system. (Rule 1300.51, J-5)

3) Provider is responsible for coordinating the provision of health care services to Members who select Provider if Provider is a primary care physician. (Rule 1300.67.1(a))

4) Provider shall maintain Member medical records in a readily available manner that permits sharing within Health Plan of all pertinent information relating to the health care of Members. (Rule 1300.67.1(c))

5) Provider shall maintain reasonable hours of operation and make reasonable provisions for after-hour services. (Rule 1300.67.2(b))

6) To the extent Provider has any role in rendering emergency health care services, Provider shall make such emergency health care services available and accessible twenty-four (24) hours a day, seven days a week. (Rule 1300.67.2(c))

7) Provider shall participate in Health Plan's system for monitoring and evaluating accessibility of care including but not limited to waiting times and appointment availability, and addressing problems that may develop. Provider shall timely notify Health Plan of any changes to address or inability to maintain Health Plan's access standards. (Rule 1300.67.2(f))

8) Health Plan is subject to the requirements of the Knox-Keene Health Care Service Plan Act of 1975, as amended (Chapter 2.2 of Division 2 of the Health and Safety Code), and the Regulations promulgated hereunder (subchapter 5.5 of Chapter 3 of Title 28 of the

California Code of Regulations). Any provision of the aforementioned statutes or regulations that are required to be in this Agreement shall bind the Health Plan whether or not expressly set forth in this Agreement. (Rule 1300.67.4(a)(9))

9) Upon the termination of this Agreement, Health Plan shall be liable for Covered Services rendered by Provider (other than for copayments as defined in subdivision (g) of Section 1345 of the Health and Safety Code) to a subscriber or Member who retains eligibility under the applicable plan contract or by operation of law under the care of Provider at the time of termination of the Agreement until the services being rendered to the subscriber or Member by Provider are completed, unless the Health Plan makes reasonable and medically appropriate provision for the assumption of services by a contracting provider. (Health and Safety Code section 1373.96) (Rule 1300.67.4(a)(10))

10) Any written communications to Members that concern a termination of this agreement shall comply with the notification requirements set forth in Health and Safety Code section 1373.65(f)

11) Provider shall maintain all records and provide all information to the Health Plan or the DMHC as may be necessary for compliance by the Health Plan with the provisions of the Knox-Keene Health Care Service Plan Act of 1975, as amended and any regulations promulgated thereunder. To the extent feasible, all such records shall be located in this state. Provider shall retain such records for at least ten years: this obligation shall not terminate upon termination of the Agreement, whether by rescission or otherwise. (Health and Safety Code section 1381) (Rule 1300.67.8(b))

12) Provider shall afford Health Plan and the DMHC access at reasonable times upon demand to the books, records and papers of Provider relating to health services provided to Members and subscribers, to the cost thereof, to payments received by Provider from Members and subscribers of the Health Plan (or from others on their behalf), and, unless Provider is compensated on a fee-for-services basis, to the financial condition of Provider. Provider shall promptly deliver to Health Plan, any financial information requested by Health Plan for the purpose of determining Provider's ability to bear capitation or other applicable forms of risk sharing compensation. (Rule 1300.67.8(c))

13) Provider shall not and is hereby prohibited from demanding surcharges from Members for Covered Services. Should Health Plan receive notice of any such surcharges by Provider, Health Plan may take any action it deems appropriate including but not limited to demanding repayment by Provider to Members of any surcharges, terminating this Agreement, repaying surcharges to Members and offsetting the cost against any amounts otherwise owing to Provider. (Rule 1300.67.8(d))

14) Upon Health Plan's request, provider shall report all co-payments paid by Members to provider. (Health and Safety Code section 1385)

15) To the extent that any of Health Plan's quality assurance functions are delegated to Provider, Provider shall promptly deliver to Health Plan all information requested for the

purpose of monitoring and evaluating Provider's performance of those quality assurance functions. (Rule 1300.70)

16) Provider may utilize Health Plan's Provider Dispute Resolution Process by phoning or writing the Claims Department, San Francisco Health Plan, PO.Box 194247, San Francisco, CA 94119 Phone 415-547-7818 ext. 7115. The Provider Dispute Resolution Process, however, does not and cannot serve as an appeal process from any fair hearing proceeding held pursuant to Health and Safety Code Section 809, et. seq. Please see the Provider Manual for more information regarding the dispute resolution process. (Health and Safety Code Section 1367(h).) (Rule 1300.71.38)

17) The written contract between Health Plan and Provider shall be prepared or arranged in a manner which permits confidential treatment by the Director of payment rendered or to be rendered to the provider without concealment or misunderstanding of other terms and provisions of the Agreement.

18) For any material revision to the Agreement or to the sub-delegation of duties by the parties, the parties shall receive prior authorization from the DMHC. (Rule 1300.52.4)

19) A description of the grievance procedure shall be readily available at each Provider facility. Provider shall provide grievance forms and assist Members in filing grievances. Provider shall cooperate with Health Plan in responding to Member grievances and requests for independent medical reviews. (Rule 1300.68(b))

20) In the event a Member seeks and obtains a recovery from a third party or a third party's insurer for injuries caused to that Member, and only to the extent permitted by the Member's evidence of coverage and by California law, Provider may have the right to assert a third party lien for and to recover from the Member the reasonable value of Covered Services provided to the Member by Provider for the injuries caused by the third party. Health Plan shall similarly have the right to assert a lien for and recover for payments made by Health Plan for such injuries. Provider shall cooperate with Health Plan in identifying such third party liability claims and in providing such information. Pursuit and recovery of under third party liens shall be conducted in accordance with California Civil Code section 3040.

EXHIBIT D
Medi-Cal Program Provisions

Provider understands that Health Plan is a Medi-Cal Managed Care Health Plan and subject to requirements under applicable laws, regulations, and contractual obligations set forth under the contract between Health Plan and the California Department of Health Care Services (the "Medi-Cal Agreement"). This Exhibit sets forth requirements pursuant to DHCS APL 17-004 and the Medi-Cal Agreement, and applies to contracts with any individual or entity who is classified as a "subcontractor" of Health Plan, as that term is defined in 42 C.F.R. § 438.2.

Provider has been identified as a subcontractor of Health Plan and subject to the requirements below.

1. **Compliance with Legal and Regulatory Requirements and the Medi-Cal Managed Care Program**. Provider agrees to comply with all applicable state and federal Medicaid laws and regulations, including applicable subregulatory guidance, contractual requirements set forth under the Medi-Cal Agreement, and the applicable requirements of the Medi-Cal Managed Care Program. Provider further understands and agrees that this Agreement is governed by and construed in accordance with all laws and applicable regulations governing the contract between Health Plan and DHCS.

2. **Approval by DHCS**. Provider understands that the Agreement is effective upon written approval by DHCS, or by operation of law where DHCS has acknowledged receipt and has failed to approve or disapprove the Agreement within 60 days of receipt. Amendments shall be submitted to DHCS for prior approval, at least 30 days before the effective date of any proposed changes governing compensation, services, or terms. Proposed changes, which are neither approved nor disapproved by DHCS, shall become effective by operation of law 30 days after DHCS has acknowledged receipt, or upon the date specified in the amendment, whichever is later.

3. **Emergency Services**. In the event that Provider is delegated risk for non-contracting emergency services, Provider shall provide the services in compliance with applicable State and Federal law as well as applicable sections of the Medi-Cal Agreement (including but not limited to, 22 CCR § 53855 and Exhibit A, Attachment 8, Provision 13 of the Medi-Cal Agreement).

4. **Reports**. Provider agrees to submit any reports required by Health Plan, in a form acceptable to Health Plan.

5. **Monitoring Rights**. Provider shall comply with all monitoring provisions of the Medi-Cal Agreement and any monitoring requests by DHCS. Provider understands that authorized State and Federal agencies have the right to monitor all aspects of Health Plan's operation for proper compliance, including, the inspection and auditing of Provider, which can be announced or unannounced. Provider is required to provide reasonable facilities, cooperation, and assistance to such agency representatives in the performance of their duties.

6. **Audit and Inspection**. Provider agrees to make all of its premises, facilities, equipment, books, records, contracts, computer and other electronic systems pertaining to the goods and services furnished under the terms of the Agreement, available for the purpose of an audit, inspection, evaluation, examination or copying, including but not limited to Access Requirements and State's Right to Monitor, as set forth in Exhibit E, Attachment 2, Provision 20 of the Medi-Cal Agreement:

    a) By DHCS, CMS, Department of Health and Human Services (DHHS) Inspector General, the Comptroller General, Department of Justice (DOJ), DMHC, or their designees.

    b) At all reasonable times at Provider's place of business or at such other mutually agreeable location in California.

    c) In a form maintained in accordance with the general standards applicable to such book or record keeping.

    d) For a term of at least 10 years from the final date of the Agreement period or from the date of completion of any audit, whichever is later.

    e) Including all Encounter Data, as applicable, for a period of at least 10 years.

    f) If DHCS, CMS, or the DHHS Inspector General determines there is a reasonable possibility of fraud or similar risk, DHCS, CMS, or the DHHS Inspector General may inspect, evaluate, and audit Provider at any time.

    g) Upon resolution of a full investigation of fraud, DHCS reserves the right to suspend or terminate Provider from participation in the Medi-Cal program; seek recovery of payments made to Provider; impose other sanctions provided under the State Plan, and direct Health Plan to terminate the Agreement due to fraud.

7. **Policies and Procedures**. Provider shall implement and maintain policies and procedures that are designed to detect and prevent fraud, waste, and abuse.

8. **Provider Subcontracts**. Provider agrees to maintain and make available to DHCS, upon request, copies of all subcontracts and to ensure that all subcontracts are in writing and require that the subcontractor:

    a) Make all premises, facilities, equipment, applicable books, records, contracts, computer, or other electronic systems related to the Agreement , available at all reasonable times for audit, inspection,

examination, or copying by DHCS, CMS, or the DHHS Inspector General, the Comptroller General, DOJ, and DMHC, or their designees.

b) Retain all records and documents for a minimum of 10 years from the final date of the Agreement period or from the date of completion of any audit, whichever is later.

9. **Transfer of Care**. In the event the Medi-Cal Agreement between Health Plan and DHCS is terminated, Provider shall assist Health Plan in the orderly transfer of Members and medical care, as required by the Medi-Cal Agreement; including but not limited to, making available to DHCS copies of medical records, patient files, and any other pertinent information, necessary for efficient case management of Members. Provider further agrees to assist Health Plan in the orderly transfer of care in the event the contract between Provider and a subcontractor is terminated.

10. **Notice to DHCS**. Provider agrees to notify DHCS in the event this Agreement is amended or terminated. Notice is considered given when properly addressed and deposited in the U.S. Postal Service as first-class registered mail, postage attached.

11. **Assignment and Delegation**. Provider agrees that assignment or delegation of this Agreement is void unless prior written approval is obtained from DHCS in those instances where prior approval by DHCS is required.

12. **Hold Harmless**. Provider agrees to hold harmless both the State and Members in the event Health Plan cannot or will not pay for services performed by Provider pursuant to this Agreement. Provider shall further ensure that any subcontracts contain this requirement.

13. **Records Related to Litigation**. Provider agrees to timely gather, preserve, and provide to Health Plan and/or DHCS, any records in Provider's possession, in the form and manner specified by DHCS, any information specified by DHCS, subject to any lawful privileges, in Provider's possession relating to threatened or pending litigation by or against DHCS. Provider agrees to use all reasonable efforts to immediately notify Health Plan and DHCS of any subpoenas, document production requests, or requests for records, received by Provider related to this Agreement. Provider shall further ensure that any subcontracts contain this requirement.

14. **Interpreter Services**. Provider agrees to arrange for the provision of interpreter services for Members at all provider sites.

15. **Provider Dispute Resolution**. Provider understands that it has a right to submit a grievance to Health Plan in accordance with Health Plan's provider dispute resolution process.

16. **Quality Improvement System**. Provider agrees to participate and cooperate in Health Plan's Quality Improvement System. If Provider delegates Quality Improvement

activities, the subcontract shall include those provisions stipulated in Exhibit A, Attachment 4, Provision 6 (Delegation of Quality Improvement Activities).

17. **Revocation of Delegated Activities**. Provider agrees to allow revocation of delegated activities or obligations, or specify other remedies in instances where DHCS or Health Plan determine that the Provider has not performed satisfactorily.

18. **Data Sharing for Coordination of Care**. If Provider is responsible for the coordination of care for Members, Health Plan agrees to share with Provider any utilization data that DHCS has provided to Health Plan, and Provider agrees to receive the utilization data provided and use it as Provider is able for the purpose of Member care coordination. Provider must meet all applicable care coordination requirements for Medi-Cal beneficiaries, including without limitation, those designated to assure availability and access to care, clinical services, specialty services and care management services, including comprehensive basic and complex case management.

19. **Changes to DHCS Contract**. Health Plan agrees to inform Provider of prospective requirements added by DHCS to the contract between Health Plan and DHCS before the requirement would be effective, and Provider agrees to comply with the new requirements within thirty (30) days of the effective date, unless otherwise instructed by DHCS and to the extent possible.

20. **Disclosure Form**. Provider understands that DHCS mandates specified information regarding ownership and control interests to be disclosed due to Provider's relationship to Health Plan. Provider shall complete the Disclosure Form, attached hereto as Exhibit F, in compliance with DHCS requirements.

21. **Recovery from Other Sources**. Provider shall not attempt recovery in circumstances involving casualty insurance, tort liability or workers' compensation. Provider shall report to the Health Plan and DHCS within ten (10) days after discovery of any circumstances which may result in casualty insurance payments, tort liability payments, or workers' compensation award.

22. **Protected Health Information (PHI)**. As a condition of obtaining access to records utilized/maintained by Health Plan for the Medi-Cal Program, Provider agrees not to divulge any information obtained in the course of performing services under this Agreement to unauthorized persons. Provider further agrees not to publish or otherwise make public any information regarding persons receiving Medi-Cal services, which would identify or make identifiable such persons. Provider acknowledges receipt of a copy of Exhibit G of the Medi-Cal Agreement, and agrees to the applicable restrictions and conditions therein with respect to such PHI.

EXHIBIT E
San Francisco Administrative Code

Provider agrees to comply with all applicable requirements of the City and County of San Francisco authorities and City and County of San Francisco statutes, regulations, and administrative codes now or hereinafter in force and effect to the extent that they directly bear upon the subject matter or services to be performed under this Agreement including, but not limited to, all provisions of the San Francisco Administrative Code Chapter 12P Minimum Compensation Ordinance ("MCO") and 12Q Health Care Accountability Ordinance ("HCAO"), including the remedies provided, and implementing guidelines and rules as follows:

1. **Minimum Compensation for Covered Employees.** The provisions of Sections 12P.5 and 12.P5.1 of Chapter 12P are incorporated by reference herein and made a part of this Agreement as though fully set forth herein. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of Provider's obligations under the MCO is set forth herein. Provider is required to comply with all of the provisions of the MCO irrespective of the partial listing of the Sections herein.

    a. The MCO requires Provider to pay Provider's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year, and the Provider is obligated to keep informed of the then-current requirements. Any subcontract entered into by Provider shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is Provider's obligation to ensure that any subcontractors of any tier under this Agreement comply with the requirements of the MCO. If Provider or any subcontractor under this Agreement fails to comply, Health Plan will pass through any remedies and fines set forth or assessed by the City and County applicable agency under the MCO to Provider. Provider will indemnify, hold harmless and reimburse Health Plan consistent with Section 14.15 Mutual Indemnification, of the Agreement for any and all liability, loss, expense (including reasonable attorneys' fees), fines, liquidated damages, administration of remedies, claims or damages arising out of Provider's or Provider's subcontractor's failure to comply with this Section.
    b. Provider shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.
    c. Provider shall maintain employee and payroll records as required by the MCO. If Provider fails to do so, it shall be presumed that the Provider paid no more than the minimum wage required by State law.
    d. The City of San Francisco (the "City") is authorized to inspect Provider's job site and conduct interviews with employees at reasonable times and with reasonable notice and conduct audits of Provider.
    e. Provider's commitment to provide the Minimum Compensation as defined in the MCO is a material element of the City's consideration to Health Plan and a material

element of the Health Plan's Agreement with Provider. The City in its sole discretion shall determine whether such a breach has occurred. The City and public will suffer actual damage that will be impractical or extremely difficult to determine if the Provider fails to comply with these requirements. Provider agrees that the sums set forth in Section 12.P.6.1 of the MCO as liquidated damages are not a penalty, but are reasonable estimates of the loss that the City and the public will incur for Provider's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12.6.2 of Chapter 12P.

f. Provider understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages) against Provider, under the terms of the Agreement and/or under the applicable law. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, Provider fails to cure such breach, or if such breach cannot be reasonably cured within such period of 30 days, Provider fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

g. Provider represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

2. **Health Care Accountability Ordinance.** Provider agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Section 12.Q.5.1 of Chapter 12Q are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the HCAO is available on the web at www.sfgov.org/olse. Capitalized terms used in this Subsection and not previously defined the Agreement shall have the meaning assigned to such terms by Chapter 12Q.

   a. For each Covered Employee, Provider shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If Provider chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

   b. Notwithstanding the above, if Provider is a small business as defined in Section 12Q.3(e) of the HCAO, it shall have no obligation to comply with this part (i) above.

   c. Provider's failure to comply with the HCAO shall constitute a material breach of the Agreement. City shall notify Health Plan and/or Provider if such a breach has occurred. If within 30 days after receiving City's written notice of a breach of this Agreement for violating the HCAO, Provider fails to cure such a breach or, if such breach cannot reasonably be cured within such period of 30 days, Provider fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies set forth in 12Q.5.1 and 12Q.5(f)(1-6). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to City.

d. Any subcontracts entered into by Provider shall require the subontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. Provider shall notify Health Plan prior to entering into any subcontract so Health Plan can meet its contractual obligations to the City. Provider will be responsible for Subcontractor's compliance with this HCAO. If Provider or its subcontractor fails to comply with the HCAO after notification from Health Plan or City, and City pursues remedies set forth in this Chapter against Health Plan, Provider agrees that Provider will indemnify and hold harmless Health Plan consistent with section 14.15 Mutual Indemnification of the Agreement for any and all liability, loss, expense (including reasonable attorneys' fees), fines, liquidated damages, administration of remedies, claims or damages arising out of Provider's or Provider's subcontractor's failure to comply with this Section or associated with its failure to comply with the HCAO provided that City and/or Health Plan has first provided Provider with notice and an opportunity to obtain a cure of the violation.

e. Provider shall not discharge, reduce compensation, or otherwise discriminate against any employee for notifying City with regards to Provider's noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

f. Provider represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

g. Provider shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders including, but not limited to, the number of hours each employee has worked on a City Contract.

h. Provider shall keep itself informed of the current requirements of the HCAO.

i. Provider shall provide reports to the City and Health Plan in accordance with any reporting standards promulgated by the City under the HCAO, including reports on subcontractors and subtenants, as applicable.

j. Provider shall provide City and Health Plan with access to records pertaining to compliance with HCAO after receiving a written request from the City to do so and being provided at least ten business days to respond.

k. Provider at reasonable times and with reasonable notice shall allow City and Health Plan to inspect Provider's job sites and have access to Provider's employees in order to monitor and determine compliance with HCAO.

l. City or Health Plan may conduct random audits of Provider to ascertain its compliance with HCAO. Provider agrees to cooperate with the City and/or Health Plan when such audits are conducted.

3. **Consideration of Criminal History in Hiring and Employment Decisions.** Provider agrees to comply fully with and be bound by all of the provisions set forth in San Francisco Administrative Code Chapter 12T, including the remedies provided, and implementing regulations, as the same may be amended from time to time. Provider agrees to include in all subcontracts for Services under this Agreement a provision requiring subcontractor's compliance with Chapter 12T. The provisions of Chapter 12T are incorporated by reference and made a part of this Agreement as though fully set forth

herein. The text of the Chapter 12T is available on the web at www.sfgov.org/olse. Capitalized terms used in this Subsection and not previously defined the Agreement shall have the meaning assigned to such terms by Chapter 12T.

a. Regarding applicants or potential applicants for employment, or employees, Provider or Subcontract shall not, at any time or by any means, inquire about, require disclosure of, or if such information is received base an Adverse Action in whole or part on:

   i. An Arrest not leading to a Conviction, exception under circumstances identified in San Francisco Administrative Code Chapter 12T, Section 12T.4 an Unresolved Arrest;

   ii. Participation in or completion of a diversion or a deferral of judgment program;

   iii. A Conviction that has been judicially dismissed, expunged, voided, invalidated, or otherwise rendered inoperative, by way of example but not limitation under California Penal Code sections 1203.4, 1203.4a, or 1203.41;

   iv. A Conviction or any other determination or adjudication in the juvenile justice system, or information regarding a matter considered in or processed through the juvenile justice system; or

   v. A Conviction that is more than seven years old, the date of Conviction being the date of sentencing; or

   vi. Information pertaining to offense other than a felony or misdemeanor, such as an infraction.

b. Matters identified in this Section 3 may not be considered in any manner by Provider or subcontractor.

c. Provider or its subcontractor shall not require applicants or potential applicants for employment to disclose on any employment application the fact or details of any Conviction History, any Unresolved Arrest, or any matter identified in Section 3(a) above. Nor shall Provider or Subcontractor inquire on any employment application about the fact or details of any Conviction History, any Unresolved Arrest, or any matter identified in subsection 3(a).

d. Provider or Subcontractor shall not require applicants or potential applicants for employment, or employees, to disclose and shall not inquire into, their Conviction History or an Unresolved Arrest until either after the first live interview with the person (via telephone, videoconferencing, use of other technology, or in person) or, at the discretion of Provider or Subcontractor, after a conditional offer of employment.

e. Prior to any Conviction History inquiry, Provider or Subcontractor shall provide a copy of the notice described in Section 12T.5(b) of the San Francisco Administrative Code Chapter 12T to the applicant or employee.

f. Prior to obtaining a copy of a Background Check Report, Provider or Subcontractor shall comply with all state and federal requirements including but not limited to California Investigative Consumer Reporting Agencies Act (ICRAA), California Civil code sections 1786 et seq., and the Federal Consumer Reporting Act (FCRA), 15 United States Code

sections 1681 et seq., to provide notice to the applicant or employee that such a report is being sought.

g. In making an employment decision based on an applicant's or employee's Conviction History, Provider or Subcontractor shall conduct an individualized assessment, considering only Directly-Related Convictions, the time that has elapsed since the Conviction or Unsolved Arrest, and any evidence of inaccuracy Evidence of Rehabilitation or Other Mitigating Factors.

h. If Provider or Subcontactor intends to base an Adverse Action on an item or items of the applicant or employee's Conviction History, prior to taking any Adverse Action, Provider or Subcontractor shall provide the applicant or employee with a copy of a Background Check Report, and shall notify the applicant or employee of the prospective Adverse Action and the item or items forming the basis of the prospective Adverse Action.

i. If, within seven days of the date that the notice described in Section 3(h) is provided by Provider or Subcontractor to the applicant or employee, the applicant or employee gives Provider or Subcontractor notice, orally or in writing, of evidence of the inaccuracy of the item or items of Conviction History or any Evidence of Rehabilitation or Other Mitigating Factors, Provider or Subcontractor shall delay any Adverse Action for a reasonable period after receipt of the information and during that time shall reconsider the prospective Adverse action in light of this information.

j. Upon taking any final Adverse Action based upon the Conviction History of an applicant or employee, Provider or Subcontractor shall notify the applicant or employee of the final Adverse Action.

k. Provider or Subcontractor shall not produce or disseminate any solicitation or advertisement that is reasonably likely to reach persons who are reasonably likely to seek employment to be perform under this Agreement and that expresses, directly or indirectly, that any person with an arrest or conviction will not be considered for employment or may not apply for employment.

l. Nothing in this Section 3 shall be construed to prohibit Provider or Subcontractor from observing the conditions of a seniority system or an employee benefit plan provided such systems or plans are not a subterfuge to evade the purposes or requirements of this Section.3.

m. Provider or Subcontractor shall state in all solicitations or advertisements for employees that are reasonably likely to reach persons who are reasonably likely to seek employment to be perform under this Agreement, that Provider or Subcontractor will consider for employment qualified applicants with criminal histories in a manner consistent with the requirements of Chapter 12T.

n. Provider and Subcontractor shall post the notice required in San Francisco Administrative Code Chapter 12T in a conspicuous place as set forth in San Francisco Administrative Code Chapter 12T.5(c).

MEMORANDUM OF UNDERSTANDING
BETWEEN SAN MATEO COUNTY BEHAVIORAL HEALTH AND RECOVERY SERVICES DIVISION AND SETON MEDICAL CENTER

The purpose of this Memorandum of Understanding (MOU) is to describe and make explicit the agreement between the San Mateo County Behavioral Health and Recovery Services Division and Seton Medical Center regarding the designation of Seton Medical Center as a 5150 facility.

1. Exhibits and Attachments

The following exhibits and attachments are attached and incorporated into this MOU by this reference:

Attachment 1: DHCS_1010_Involuntary Detentions Reporting Form and Instructions
Attachment 2: Discharge Planning Instructions, Draft, Version 12-19-17, Seton

2. Background Information

Through this Agreement, San Mateo County Behavioral Health and Recovery Services Division (BHRS) designates Seton Medical Center as a 5150 facility. The designation allows Seton Medical Center to receive patients on a 5150 hold that meet Seton's admissions criteria and are in need of treatment at a geropsych facility. The designation authorizes the Seton Medical Center to provide psychiatric evaluation and treatment of persons on a 5150 hold that can be served by the program and meet the admissions criteria as determined by Seton Medical Center. This designation conforms to the requirements of BHRS Policy 90-09: 5150 Designated Facilities, and California Welfare & Institutions Code Section 5150, which are incorporated into this Agreement by reference herein.

3. Term and Termination

3.1 Term
Subject to compliance with all terms and conditions, the term of this Agreement shall be from January 2, 2018 through January 3, 2019. This Agreement will automatically renew annually for a one year term upon review by the BHRS Designated Facility Review Team.

3.2 Amendment/Modification Process
All subsequent modifications or amendments shall be in writing and signed by the parties.

3.3 Termination
This Agreement may be terminated by either party at any time without a requirement of good cause upon thirty (30) days' written notice to the other party.

4. Applicability of Designation

The designation is only valid if Seton Medical Center's Geriatric Behavioral Health Unit is State licensed, approved by the County of San Mateo, satisfies any and all conditions set forth within, and satisfactorily completes an annual review conducted by the BHRS Designated Facility Review Team.

4.1 Annual Review
The annual review will include at a minimum review of the treatment milieu of the facility, discharge procedures and plans, patients' rights procedures, medication monitoring, and quality of care issues. The annual review may result in the formulation of plans for improving any situation which needs attention and Seton Medical Center will participate in the plan development and comply with any requirements of the plan.

5. Regulations Compliance

Seton Medical Center shall comply with all applicable Federal and State regulations, and BHRS Policies & Procedures, including, but not limited to:

a. File quarterly report (DHCS 1010: Involuntary Detentions Reporting Form (Attachment 1)) for disclosing involuntary detentions to the County.

b. Maintain appropriate activities that afford patient due process, such as access to the Patients' Right Advocate, a process and location for 5250 hearings, Riese Hearings, and other applicable activities required as part of the patient's protection rights.

c. Acquire and maintain staff certification for writing 5150 holds.

6. Conditions of Designation

The 5150 Designation for Seton Medical Center includes the following conditions that must be met during the period in which the designation is valid.

6.1 Coordination of Care
Seton operates the Geriatric Behavioral Health Unit, a hospital-based SNF, and a community-based SNF, all of which play a critical role in the continuum of care for patients with a mental health diagnosis with high regard for state of the art treatment and care. Seton Medical Center shall strive to coordinate care with the County of San Mateo in an effort to comprehensively meet the needs of our communities, which may include acceptance of patients into placement into the range of facilities operated by Seton Medical Center. Such placements will be appropriate, meet the criteria established by Seton, and not current patients of SMMC 3A/B (Inpatient). Seton Medical Center reserves the right to not accept said patients, but will endeavor to accept patients when appropriate.

6.2 Quarterly Meeting

To facilitate ongoing communication between BHRS and Seton Medical Center a condition of this designation is for the two parties to meet no less than quarterly to discuss at a minimum, designation issues, inpatient issues, client flow, claims, compliance matters, and other issues that may arise from time to time. Meetings will be held at the main hospital campus. Minimum meeting attendees include the Medical Director and/or Deputy/Assistant Medical Director for BHRS and Seton, Program Director for the Geriatric Behavioral Health Unit, Seton Administration Representative, and the BHRS Assistant Director.

6.3 Out-of-County Placements

Patients admitted to the Geriatric Behavioral Health Unit from counties other than the County of San Mateo, shall be discharged back to the placing County or County of Residence from the Unit or other necessary levels of care. Under no circumstances shall out of county placements become the responsibility of the County of San Mateo. Any transportation costs associated with these placements will not be borne by the County.

6.4 Admission Criteria

Psychiatric holds may only be transported to Seton Medical Center if the patient meets admission criteria and Seton concurs with the transfer, or is transferred internally within the Seton system of care due to the specialization of the program. Under no circumstances shall law enforcement transport 5150 Holds to Seton Medical Center unless Seton authorizes acceptance of the patient on the hold. Law enforcement and others authorized to issue a 5150 Hold should always coordinate with the San Mateo Medical Center Psychiatric Emergency Services as the entryway to the County Inpatient System of Care. Holds issued by law enforcement for agencies in the northern portion of the County can be transported to Mills Peninsula Hospital and Psychiatric Emergency Services. Seton Medical Center shall provide upon receipt of this designation the admission criteria for the Geriatric Behavioral Health Unit to the County and upon any changes to the criteria and within 30 days of the criteria change.

Upon admission to the inpatient unit, the BHRS Hospital Liaison will make contact with Seton staff to establish communication with the County and coordinate placement to lower levels of care. To the extent feasible, the BHRS Hospital Liaison will assist with the referral of patients to Seton Medical Center from either SMMC PES or Mills-Peninsula PES in the County using the admission criteria.

6.5 Discharge Planning

When patients are residents of the County of San Mateo and known to BHRS, staff at the Geriatric Behavioral Health Unit will contact the BHRS

ACCESS Call Center prior to discharge in order to coordinate care across the levels of care. When discharging a patient with medications prescribed by Seton Medical Center during the inpatient stay, staff shall provide for a doctor to doctor consult. Doctor to doctor consults can be scheduled through the ACCESS Call Center or the Therapist on Duty at a County Regional Clinic, if the client is known to the clinic.

When patients are residents of the County of San Mateo and known to BHRS, the Discharge Planning Instructions, Attachment 2, shall be followed by Seton Medical Center. To assist with the identification of patients that are residents of San Mateo County and known to BHRS, the County shall provide access and basic training to the BHRS Electronic Health Record. Users granted access shall meet credentialing criteria and are subject to all local, state, and federal regulations concerning confidentiality, HIPAA, and protected health information.

6.6 Training and Certification

Seton Medical Center shall assure that staff working the Geriatric Behavioral Health Unit have been trained and certified to write 5150 Holds in sufficient numbers so that no work shift is without properly trained and certified staff. Seton Medical Center shall work with the County to maintain an adequate number of trained and certified staff ongoing.

6.7 Specialty Psychiatric Health Facility

The County of San Mateo recognizes that Seton Medical Center operates a specialty geriatric behavioral health unit designed to treat persons 65 years of age and older and that patients admitted into this facility will meet the age requirement and other admissions criteria. Seton Medical Center recognizes that as a designated facility, the specialty geriatric behavioral health unit operates within a greater network of inpatient facilities in the County of San Mateo.

Along with the San Mateo Medical Center and Mills Peninsula Hospital, Seton Medical Center brings services to this network for older adults. Mills Peninsula Hospital brings services to this network for children and youth. The San Mateo Medical Center operates as the hub of this network of inpatient care and as the safety net for those who may not otherwise afford care. This creates an expectation that Seton Medical Center coordinate with this network as may be necessary and in ways that satisfy the individual charge of Seton Medical Center and the other hospitals in this network so as to assure that County residents receive coordinated care in the most appropriate facility if available at the time of placement. This does not create a requirement that Seton Medical Center must accept transfers from within this network, only to the extent that such a transfer would benefit County residents and satisfy the requirements of Seton Medical Center. This creates an expectation that Seton Medical Center actively participate in the local network to help plan and coordinate

inpatient services generally.

6.8 Compliance and Conditions
The County of San Mateo shall monitor compliance with the conditions set forth in this document through the BHRS Compliance Officer. Results of the ongoing monitoring shall be reported and discussed at the regular quarterly meetings. Such issues may result in a plan of correction, which if necessary, will be developed by Seton Medical Center and submitted to the Compliance Officer for review and approval.

REPORTING INSTRUCTIONS:

SPECIAL INSTRUCTIONS: This reporting applies to all instances of involuntary treatment regardless of funding source. That is, persons who are treated involuntarily in private psychiatric facilities or whose treatment is funded by private resources must be reported along with persons whose treatment is funded through Medi-Cal or the county mental health program. **Do not count persons who are referred to another county for services. It is the responsibility of the treatment facility to include all of the information about the facility in its report.**

If there are no persons admitted involuntarily for evaluation and treatment, you must still submit this report on a quarterly basis with zero counts in each of the boxes provided. For example: In the "Facility Name" box enter "*Your Facility Name*", and zero fill each of the six treatment categories.

For each private or public facility reported, completely fill out each category of Involuntary Detention. Do not leave any section blank. If there are no counts for a specific category, please enter a zero count. Please include a telephone number of a contact for data verification purposes.

Please use one form to report each quarter.

PROVIDER CODE: Enter the provider code for the facility assigned for the Cost Reporting System. If the facility is not a Short-Doyle provider, then leave blank.

FACILITY NAME: Enter the the name of the facility designated by the county to which at least one person was admitted involuntarily for 72-hour evaluation and treatment, 14-day intensive treatment, Additional 14-day intensive treatment (Suicidal), 30-day intensive treatment, or 180-day post certification during the reporting period.

Note: A person who initially is admitted to a unit within a facility and is subsequently transferred to another unit within the same facility or to another facility for the same treatment episode while being held under the same Welfare & Institutions (WIC) section is to be counted only once. This person is to be counted in the unit or facility where each specific detention was initiated. This is to eliminate duplicate reporting.

72-HOUR EVALUATION AND TREATMENT: Enter the total count of persons admitted to the county-designated facility for 72-hour treatment and evaluation under WIC Section 5150, 5170, 5200, 5225, and 5585.55 during the report quarter. If the same person was admitted more than once during the quarter for 72-hour evaluation and treatment, count each admission. The number of persons reported should be separated into two groups, children and adolescents (0-17 years old) in one and adults (18 years & over) in the other as indicated.

14-DAY INTENSIVE TREATMENT: Enter the total count of persons certified during the report quarter for 14 day intensive treatment under WIC Section 5250.

ADDITIONAL 14-DAY INTENSIVE TREATMENT (SUICIDAL): Enter the total count of persons certified during the report quarter for an additional 14-days intensive treatment due to suicidal tendencies under WIC Section 5260. If the same person is involuntarily detained for a 14-day certification more than once during the quarter, count each certification.

30-DAY INTENSIVE TREATMENT: Enter the total count of persons certified during the report quarter for an additional period of intensive treatment of not more than 30 days under WIC Section 5270.15 for gravely disabled mentally disordered individuals who are unable to sufficiently stabilize within the 14-day period of intensive treatment.

180-DAY POST-CERTIFICATION: Enter the total count of persons certified during the report quarter for 180 days additional treatment under WIC Section 5303 and 5304.

DISCHARGE PLANNING INSTRUCTIONS FOR ACCESS CALL CENTER FOR PATIENT DISCHARGING FROM INPATIENT (External) v. 12-19-17

1. STANDARD TO BE ACHIEVED

A. Discharged patients shall be seen by BHRS within the HEDIS Follow Up after Hospitalization Standard of 7 days, but in no case greater than 14 days for those discharged with medication. Clients shall be seen by BHRS, prior to the end of medication supply.

B. For continuing BHRS clients, this needs to be an in-person meeting for medication, psychotherapy, and/or case management.

C. For clients new to BHRS, this needs to be an initial assessment, which could be substituted with a PIN, for SMI or an assessment for Mild/Moderate.

2. HOSPITAL PATIENT DISCHARGES WITH MEDICATION NEED

A. *NOTE: Seton will contact BHRS Doc directly.* Hospital discharge planner will call the Access Call Center and request a Priority PIN Appointment. This request should occur before the discharge as early as possible such as 1 or 2 days. The discharge planner will indicate amount of medication client will be discharged with.

B. Access Call Center determines available Priority PIN Appointment at the appropriate clinic for the discharging patient.

C. Access Call Center calls the Hospital Discharge Planner back with the date and time of the PIN appointment prior to the established discharge time. Access staff requests any assessments/discharge summaries, to be faxed to the Call Center.

3. HOSPITAL PATIENT DISCHARGES WITHOUT MEDICATION NEED

A. Hospital Discharge Planner will call the Access Call Center and request an appointment.

B. Access Call Center determines available appointment at the appropriate clinic for the discharging patient.

June 15, 2017

AFFILIATION AGREEMENT
between
SETON MEDICAL CENTER
and
SAN MATEO COMMUNITY COLLEGE DISTRICT

THIS AFFILIATION AGREEMENT ("Agreement") is made and entered into as of *August 1, 2017* (the "Effective Date"), by and between *Seton Medical Center* ("Hospital"), located at *1900 Sullivan Avenue* and San Mateo Community College District ("Institution"), located at *3401 CSM Drive, San Mateo, CA 94402.*

W I T N E S S E T H:

WHEREAS, Institution operates the *Radiology Technology Program* at its *Cañada College*, an educational program approved and accredited by the *Joint Review Committee on Education in Radiologic Technology (JRCERT) and the California Department of Public Health, Radiologic Health Branch* which provides in its curriculum an educational program for the benefit of students in the field of *radiology*, and Institution desires that the facilities of Hospital be utilized to provide clinical experience for such students;

WHEREAS, Hospital is willing, in order to foster training of health care providers for its future patients, on the terms and conditions hereinafter set forth, to make its facilities available for such purpose, and said terms and conditions are agreeable to Institution:

NOW, THEREFORE, in consideration of the foregoing, and upon the terms and conditions hereinafter set forth, Hospital and Institution do hereby agree as follows:

1. Duties of Institution

Institution shall, during the term of this Agreement carry out the following responsibilities, without cost or expense to Hospital:

1.1. Clinical Program Development. Institution shall, prior to commencement of such students' clinical experience and training, (a) submit to Hospital a written statement of the clinical objectives and proposed procedural format (including the days and hours during which students receive the clinical experience and training) of the clinical program ("Clinical Program"), attached hereto as Exhibit A and (b) obtain Hospital's written approval of such clinical objectives and procedural format. Once approved by Hospital, the Clinical Program's clinical objectives and procedural format shall not be altered without the prior written consent of Hospital.

1.2. Student Selection. Institution shall select and send to Hospital all student participants in the Clinical Program ("Students"). No more than *eight (8)* Students shall participate in the Clinical Program at any given time.

1.3. Student Supervision. :

1.3.1. Supervision of Students. Shall ensure that the Hospital's designated Clinical Instructor(s) at all times (a) remains on Hospital premises while Students participate in any patient care activities on Hospital premises and

(b) provides appropriate supervision of Students' participation in any patient care activities on Hospital premises.

1.3.2. Assignments. Shall cause each Instructor to (a) ensure that all required paperwork related to Students' and the Instructor's activities are completed to Hospital's satisfaction prior to the end of the shift.

1.4. Assurances Regarding Students. Institution shall ensure the following with respect to Students during the term of this Agreement:

1.4.1. Hospital Orientation. Shall ensure that each Student completes Hospital-provided orientation as to Hospital protocols, policies and procedures prior to commencement of the Clinical Program.

1.4.2. Adherence to Standards. Shall ensure that each Student adheres to such standards, policies, and procedures, including without limitation, those policies and procedures governing patient privacy and confidentiality, as may be established from time to time by either or both of Hospital and Institution. In the event of a conflict between the standards, policies and procedures of Hospital and Institution, those of Hospital shall govern.

klb 1.4.3. Health Certification. Shall ensure that, prior to commencement of the Clinical Program, each Student and Instructor has undergone a pre-employment physical examination, including chest X-ray or tuberculosis skin testing, and any other health testing required by the Hospital, and has obtained results satisfactory to Hospital. Thereafter, Institution shall ensure that each Student and Instructor undergoes an annual physical examination and obtains physician clearance for continued participation in the Clinical Program at Hospital. For each Student and Instructor, Institution shall provide to Hospital documentary evidence of all required vaccinations.

1.4.4. Uniforms. Shall ensure that each Student participating in the Clinical Program wears such uniform(s) as may be designated by Institution, unless given a specific assignment for which Hospital requires and furnishes a special uniform, in which case Institution shall ensure that such Student wear Hospital's special uniform. Institution shall supply a name tag to each Student indicating affiliation with Institution and shall ensure that each Student wears this name tag at all times during the Clinical Program on Hospital premises.

1.4.5. Publication Rights. Shall ensure that no Student publishes any paper, article, or other material relating to the Clinical Program unless the same has first been approved by Hospital for publication.

2. Duties of Hospital

2.1. Duties. Subject to the provisions of Section 2.2 below, Hospital shall provide the following, without charge, during the term of this Agreement:

2.1.1. Clinical Instructor(s). Hospital shall select at least one Clinical Instructor employed or engaged by the Hospital and approved by the board or agency that accredits the *Radiology Technology Program*.

2.1.2. Facilitate such clinical experience and training for the Students as may be specified in the clinical objectives and format referred to in Exhibit A attached hereto.

2.1.3. Provide supervision and instruction reasonably required by the Clinical Program and described in Exhibit B attached hereto. Hospital shall have the ultimate right to direct and control each Student while he/she is on Hospital premises. In the event of a disagreement between Hospital staff and Institution/Instructor/Students regarding patient care activities on Hospital premises, Hospital shall prevail.

2.1.4. Make available adequate classroom and conference room space for the conduct of the Clinical Program.

2.1.5. Conduct orientation for Students on Hospital's standards, policies, and procedures.

2.1.6. Make available a sufficient supply of Hospital policy and procedure manuals in each Hospital department or nursing unit (as the case may be).

2.1.7. Provide a representative from Hospital's Education Services to coordinate the Clinical Program with a specified representative of Institution.

2.1.8. Prior to each occasion in which a Student participates in the care of a Hospital patient, or a Clinical Coordinator is observing a Student in the care of a Hospital patient, the Radiologic Technologist assigned to the patient, the Radiologic Technologist Supervisor or either's designee shall (a) notify the patient of the Student's status as a Student and (b) shall explain to the patient that the Student will, absent the patient's objection, participate in the patient's medical care.

2.2. Exception to Duties. Notwithstanding the foregoing provisions of this Section 2, nothing herein shall obligate Hospital to provide any service or perform any activity (including, without limitation, those activities specified in Exhibits A and B) which, in the sole judgment of Hospital, may interfere with the provision of medical care to its patients.

2.3. Medical Aid. Hospital shall provide emergency first-aid treatment, as available, to a Student or Clinical Coordinator if such treatment becomes necessary while any such Student or Clinical Coordinator is on the premises of Hospital and participating in the Clinical Program. Hospital shall not be obligated to furnish other medical care, service, or treatment to any Student or Clinical Coordinator.

2.4. Use of Facilities. Hospital shall permit Students and Clinical Coordinators participating in the Clinical Program to purchase their meals in the Hospital cafeteria and to use Hospital's parking facilities for such fees as may be established from time to time by Hospital. Use of Hospital's parking facilities by any Student or Clinical Coordinator is contingent upon Hospital's receipt of written proof of commercial automobile liability insurance in accordance with state law.

3. Operation of Clinical Program. Hospital Clinical Instructor(s) will attend Monthly meetings, held at the Institution, to share information, set policies for clinical education,

and discuss specific issues related to student progress. Additional meetings between the respective representatives of Hospital and Institution may be held from time to time as may be necessary for the efficient and effective administration of the Clinical Program.

4. Nature of Agreement

4.1. Public Service. Hospital and Institution acknowledge and agree that Hospital is entering into this Agreement as an accommodation to Institution and as a public service in furtherance of its charitable mission. Subject to the provisions of Section 6 hereof, neither party shall be required to make any payment to the other pursuant to this Agreement.

4.2. Independent Contractors. The relationship between Hospital and Institution hereunder is that of independent contractors. This Agreement is not intended to create, and shall not be deemed to have created, any other relationship of any kind between Hospital and Institution, whether of agency, partnership, joint venture, association, or otherwise. None of Institution, Clinical Coordinator or Student shall have a claim against Hospital under this agreement or otherwise for social security benefits, workers' compensation benefits, vacation pay, sick leave, retirement benefits, disability or unemployment benefits, or employee benefits of any kind, including any health care benefits that will satisfy the obligations of Institution, Clinical Coordinator or Student to enroll in minimum essential coverage for purposes of satisfying the obligations of Institution, Clinical Coordinator or Student under the Affordable Care Act to enroll in such coverage or pay a penalty. Hospital shall not withhold on behalf of Institution, Clinical Coordinator or Student any sums for income tax, unemployment insurance, social security or any other purposes, and all such withholdings or obligations shall be the sole responsibility of Institution.

4.3. Institution Training Program. The Clinical Program is understood and agreed to be a training program of Institution and not of Hospital. Other than as expressly provided in this Agreement, each Student and Clinical Coordinator participating in the Clinical Program shall be and remain under the direction and control of Institution. No such Student or Clinical Coordinator shall be entitled to compensation or remuneration from Hospital for activities or services performed in the Clinical Program. Except to the extent required by law, in no event shall any such Student or Clinical Coordinator be deemed to be an employee, servant, representative, or agent of Hospital for any purpose whatsoever.

5. Term and Termination

5.1. Term. The term of this Agreement shall commence as of the Effective Date, and shall continue in full force and effect for three (3) years unless earlier terminated according to this Agreement. This Agreement may thereafter be renewed with the written consent of both parties.

5.2. Termination Without Cause. Hospital or Institution may terminate this Agreement at any time by giving written notice of such termination to the other party not less than ninety (90) days prior to the commencement of the next quarter (if the Institution operates on the quarter system) or the next semester (if the Institution operates on the semester system).

5.3. Termination With Cause. Hospital or Institution may terminate this Agreement

by giving thirty (30) days' written notice to the other party if the party to whom such notice is given is in breach of any material provision of this Agreement. The party giving notice of termination shall set forth in the notice the facts underlying its claim for breach. Notwithstanding the foregoing, this Agreement shall not terminate in the event the breaching party cures the breach to the satisfaction of the nonbreaching party within fifteen (15) days of receipt of such notice.

5.4. Immediate Termination.

5.4.1. Hospital may terminate this Agreement immediately by giving written notice to Institution upon the occurrence of any one or more of the following events: Hospital determines in good faith that any aspect of the activities of Institution or any Student or Clinical Coordinator hereunder endangers patient safety or will subject Hospital to ill repute; Institution or any Student or Clinical Coordinator fails to maintain compliance with all of the requirements set forth in Sections 1.3, 1.4, 6, 7, 8, 9 and 11.1; and Institution or any Student or Clinical Coordinator is convicted of a crime punishable as a felony or involving moral turpitude.

5.4.2. In the event legal counsel for either party advises that this Agreement or any practices which could be, or are, employed in exercising rights under this Agreement pose a material risk of violating any legal requirements, including without limitation those referenced in Section 9 or any legal requirement related to Hospital's tax-exempt status or tax-exempt bond financing, the parties in good faith shall undertake to revise this Agreement to comply with such legal requirements. In the event the parties are unable to agree upon the revised terms within thirty (30) days thereafter, either party may terminate this Agreement immediately upon written notice to the other.

5.5. Termination of Participation.

Either Hospital or Institution may, for cause and after prior consultation with the other, terminate the participation of any Student or Clinical Coordinator in the Clinical Program at any time by providing written notice of termination to the other. Events constituting cause for termination of participation shall include, without limitation, the following: (a) Hospital determines in good faith that any aspect of the activity of the Student or Clinical Coordinator hereunder endangers patient safety or will subject Hospital to ill repute; (b) the Student or Clinical Coordinator fails to maintain compliance with all of the requirements set forth in Sections 1.3, 1.4, 7, 8, 9 and 11.1; (c) the Student or Clinical Coordinator is convicted of a crime punishable as a felony or involving moral turpitude; and (d) in Hospital's judgment, the Student or Clinical Coordinator is incapable of carrying out the duties and obligations under this Agreement. Upon receipt of written notice by Hospital or Institution, Institution shall cause Student or Clinical Coordinator to cease participation in the Clinical Program within twenty-four (24) hours.

5.6. Survival. The provisions of Sections 6, 7, and 9.3 shall survive termination of this Agreement.

6. Indemnification and Insurance

6.1. Indemnification. Institution shall indemnify, defend and hold harmless Hospital, its directors, officers, employees and agents from and against any and all claims, demands, damages, liabilities, losses, costs, and expenses (including, without limitation, attorneys' fees and expenses of litigation) arising out of or relating in any manner to the Clinical Program, the participation of any Student or Clinical Coordinator therein, or the actions or activities of any Student Clinical Coordinator thereunder. Such indemnification shall extend to and include, without limitation: (a) all claims made under the workers' compensation law in California Labor Code Section 3200 et. seq. or any comparable statutory provision or provisions and (b) all assertions of liability due to illness or injury to any Student or Clinical Coordinator arising during or relating to participation by such Student or Clinical Coordinator in the Clinical Program.

6.2. Insurance. Institution shall, at all times during the term of this Agreement, maintain in force insurance policies which provide continuous coverage for (a) professional liability, (b) commercial general liability, (c) if Students or Clinical Coordinator operate Institution vehicles on Hospital premises, commercial automobile liability (including hired and non-ownership liability), (d) workers' compensation insurance for illness or injury to any Student or Clinical Coordinator arising during or relating to participation by such Student or Clinical Coordinator in the Clinical Program, and (e) umbrella liability providing excess coverage for the insurance specified in Sections 6.2 (a) through 6.2 (d) above. Without limitation, these insurance policies shall provide coverage for injury to or death of any person or damage to property which occur in connection with or arising from the Clinical Program, the participation of any Student or Clinical Coordinator therein, or the actions or activities of any Student or Clinical Coordinator thereunder. The liability coverage under such insurance shall not be less than the following amounts:

6.2.1. For commercial general liability insurance, One Million Dollars ($1,000,000) per occurrence and Two Million Dollars ($2,000,000) annual aggregate for Institution and for Students and Clinical Coordinator.

6.2.2. For professional liability insurance, One Million Dollars ($1,000,000) per occurrence and Three Million Dollars ($3,000,000) annual aggregate for Institution, for each Student, and for each Instructor.

6.2.3. For commercial automobile insurance, One Million Dollars ($1,000,000) per occurrence.

6.2.4. For umbrella insurance to cover excess liability, Five Million Dollars ($5,000,000) per occurrence.

All such insurance required pursuant to this Section shall be issued by an insurance company licensed to write insurance in the State of California and rated A- or better by A.M. Best Rating Agency. Hospital shall be named as an additional insured thereunder for the full amount of the specified coverage. Upon request by Hospital, Institution shall provide Hospital with certificates of insurance evidencing the insurance coverage required of it pursuant to this Section. Institution agrees to (a) give Hospital not less than sixty (60) days' written notice of its intent to cancel such insurance and (b) notify Hospital in writing within five (5) days of any cancellation, reduction, or material change in the amount or scope of any coverage under its insurance policies.

If any such insurance is claims-made form coverage and there is a termination, expiration, cancellation, non-renewal, or reduction or other change in the amount or scope of coverage of such insurance, Institution shall purchase extended reporting coverage (i.e., "tail" coverage) at the levels specified in this Section and expiring not less than five (5) years following the expiration or earlier termination of this Agreement.

6.3. Certain Claims or Actions. Institution and Hospital shall promptly notify each other in writing of a malpractice claim, disciplinary action, or other claim for damages asserted or initiated against Institution, Hospital or any Student or Clinical Coordinator in a matter arising out of Institution's, Hospital's or any Student's or Clinical Coordinator's activities under this Agreement. Institution shall and shall cause Students and Clinical Coordinators to cooperate with Hospital in the investigation and disposition of any incident report filed or malpractice claim, disciplinary action or other claim for damages asserted or initiated against Institution, Hospital or any Student or Clinical Coordinator in a matter arising out of activities under this Agreement.

7. Confidentiality

7.1. Patient Records. Any and all patient records and charts produced as a result of Students' or Clinical Coordinators' activities under this Agreement shall be and remain the property of Hospital.

7.2. Trade Secrets. Institution acknowledges and shall cause each Student and Clinical Coordinator to acknowledge that in connection with its/his/her performance under this Agreement, it/he/she may or will have access to and the use of confidential information and trade secrets (the "**Confidential Information**") of Hospital related to its operations which include, but are not limited to, financial statements, internal memoranda, reports, patient lists, and other materials or records of a proprietary nature. In order to protect the Confidential Information after the date of this Agreement and for so long as any such Confidential Information remains confidential, secret or otherwise wholly or partially protectable, Institution shall not and shall cause each Student and Clinical Coordinator not to, use such Confidential Information (except in connection with the activities hereunder) or divulge the Confidential Information to any third party, without first obtaining the prior written consent of the Hospital President and CEO or his/her designee.

8. Compliance With Hospital Standards

8.1. Compliance Program. In carrying out the obligations under this Agreement, Institution expressly agrees and shall cause each Student and Clinical Coordinator to expressly agree that Hospital's Corporate Responsibility Program, as adopted and amended from time to time ("**Compliance Program**"), shall be incorporated herein and made a part of this Agreement. Institution shall and shall cause each Student and Clinical Coordinator to comply with such Compliance Program at Institution's sole cost and expense. Without limiting the foregoing commitment to comply with Hospital's Compliance Program, Institution agrees that:

8.1.1. Institution shall and shall cause each Student and Clinical Coordinator to comply with all applicable federal and state laws and regulations;

8.1.2. Institution shall and shall cause each Student and Clinical Coordinator (Clinical Coordinator) to cooperate with Hospital corporate compliance audits, reviews and investigations which relate to Institution and/or any of the services provided by Institution, Students, or Clinical Coordinators(Clinical Coordinator) under this Agreement (including, without limitation, providing any and all Institution documents and/or information with respect to Institution, Students, Clinical Coordinators and Institution activities under this Agreement);

8.1.3. If requested by Hospital, Institution shall and shall cause each Student and Clinical Coordinator (Clinical Coordinator) to participate in corporate compliance-related seminars and educational programs sponsored by Hospital; and

8.1.4. Institution shall and shall cause each Student and Clinical Coordinator to comply with and not do or cause to be done any act or omission which in any way conflicts with or violates the standards of conduct (the "**Standards of Conduct**" Exhibit D) that are part of Hospital's Compliance Program.

8.2. Copy of Hospital Standards. Institution hereby acknowledges that (a) it has received a description of the Compliance Program titled "Essential Characteristics of the Verity Health System of California, Inc. Corporate Responsibility Program," and the Standards of Conduct, each attached hereto as Exhibit C and D, and (b) Institution and each Student and Clinical Coordinator has been given ample opportunity to read and review these copies.

9. Compliance With Laws

9.1. Generally. In carrying out the obligations under this Agreement, Institution shall comply and shall cause each Student and Clinical Coordinator to comply with all applicable laws, rules and regulations of all governmental authorities and accrediting agencies having jurisdiction over Hospital, Institution, Students, Clinical Coordinators and/or this Agreement, including Medicare and Medi-Cal laws, rules and regulations and all hospital and professional licensure and reimbursement laws, regulations, rules and policies.

9.2. Nondiscrimination. In selecting Students and Clinical Coordinators for participation in the Clinical Program, Institution shall not engage in unlawful discrimination, whether based upon sex, age, race, creed, national origin, political affiliation, or otherwise. In carrying out the obligations under this Agreement, Institution shall not and shall cause each Student and Clinical Coordinator not to differentiate or discriminate in the provision of medical services to Hospital's patients due to race, color, national origin, ancestry, religion, sex, marital status, sexual orientation, age, physical handicap, medical condition, medical history, genetics, evidence of insurability, or claims history, in violation of any applicable state, federal or local law or regulation, or the rules and regulations of Hospital with respect to such matters.

10. Privacy and Confidentiality. In carrying out the obligations under this Agreement, Institution shall and shall cause each Student and Clinical Coordinator to comply with all federal and state laws governing the confidentiality and privacy of Hospital's patient health information, including, without limitation, the Health Insurance Portability Dispute

Resolution

10.1. Special Meeting. Except as set forth in Section 10.6 below, in the event of any dispute or disagreement between the parties with respect to this Agreement, either party may request in writing a special meeting for the resolution of the dispute (a "**Special Meeting**"). The Special Meeting shall be held at a mutually agreeable location within ten (10) days of a written request for the meeting, which request shall specify the nature of the dispute to be resolved. The Special Meeting shall be attended by representatives of both parties (who may or may not be accompanied by legal counsel, in their respective discretion), who shall attempt in good faith to resolve the dispute and shall have reasonable authority to do so.

10.2. Mediation. If a dispute has not been resolved within thirty (30) days after the date of the Special Meeting or within forty-five (45) days of the written request for the Special Meeting, either party may initiate mediation of the dispute by sending a written request for mediation to the other party. The parties shall meet to jointly select an independent and neutral person qualified to act as a mediator. The mediation proceeding shall commence not more than thirty (30) days after the written request for mediation. The mediation shall be attended by representatives of both parties (who may or may not be accompanied by legal counsel, in their respective discretion), who shall attempt in good faith to resolve the dispute and shall have reasonable authority to do so.

10.3. Arbitration. If the parties are unable to reach a mutually acceptable resolution to the dispute within thirty (30) days following an initial mediation conference or within sixty (60) days following the written request for mediation, the matter shall be submitted to arbitration. Either party may commence arbitration by giving a written notice to the other party demanding arbitration. There shall be one (1) impartial arbitrator, who shall be experienced in mediation and arbitration and knowledgeable regarding the health care/health related services industry. The parties shall meet to jointly select a single arbitrator to serve in the matter of dispute resolution. If the parties cannot reach agreement as to a mutually acceptable arbitrator within ten (10) days after the demand to arbitrate is made, they shall request that an arbitrator be chosen by JAMS/Endispute, Inc.

10.4. Hearing. The arbitration process shall consist of an adversary hearing and each party shall have the right to call and cross-examine witnesses under oath and to introduce oral and documentary evidence. The decision of the arbitrator shall be final and binding. The arbitration hearing shall take place at a location mutually agreed upon by the parties, and shall be governed by the rules of Section 1280 *et. seq.* of the California Code of Civil Procedure.

The arbitration shall be held within sixty (60) days after the appointment of the arbitrator, and in no event shall the taking of evidence before the arbitrator commence more than six (6) months following the date of the written demand for arbitration. In the event that the taking of evidence before the arbitrator does not commence within this time period, the party demanding arbitration shall be able to pursue all legal remedies, including without limitation bringing an action regarding the dispute in a court of law.

10.5. Good Faith Finding. The arbitrator, in addition to resolving the dispute, shall make a finding whether the parties to the arbitration acted in good faith. If the parties are found by the arbitrator to have acted in good faith, both parties shall

equally share in the expenses and fees of the arbitration. However, if one party is found not to have acted in good faith,that party alone will bear the expenses and fees of the arbitration, including attorneys' fees for both parties.

10.6. Injunctive Relief. Notwithstanding the provisions of this Section 10 and except as provided in Section 10.4 above, each of the parties hereto shall have the right to apply for and obtain a temporary restraining order or other temporary, interim or permanent injunctive or equitable relief from a court of competent jurisdiction in order to enforce the provisions of any part of this Agreement as may be necessary to protect its rights under those Sections.

10.7. Costs. In the event a court action is brought to enforce or interpret any part of this Agreement, the prevailing party shall be entitled to recover as an element of its costs of suit, reasonable attorneys' fees, as determined by the court.

11. Miscellaneous Provisions

11.1. Use of Premises. In order to preserve Hospital's exemption from property and other taxes, pursuant to state and federal law, Hospital space must be used for Hospital purposes only. Consequently, Institution shall and shall cause each Student and Clinical Coordinator to use Hospital premises solely for the activities specified in this Agreement. No part of the premises of Hospital shall be used at any time by Institution, Students or Clinical Coordinators other than for the activities of the Clinical Program.

11.2. Use of Name. Without the prior written consent of the relevant party, neither party shall use the name or any substantive part of the name of the other party in any advertising, publicity, or publication, except to the extent required to comply with applicable law, to supply information to any licensing or accrediting body of Hospital or Institution, or to obtain the consent of Hospital patients for Students and Clinical Coordinators to participate in their medical care.

11.3. Hospital Equipment and Supplies. Institution shall not and shall cause each Student and Clinical Coordinator not to remove any equipment or supplies furnished by Hospital without the express written authorization of Hospital.

11.4. Notices. Written notice required under this agreement shall be delivered personally or sent by United States registered or certified mail, postage prepaid and return receipt requested, and addressed or delivered to the parties at the following addresses (or such address as may hereafter be designated by a party by written notice thereof to the other party):

Institution
Executive Vice Chancellor

San Mateo Community College District
3401 CSM Drive
San Mateo, CA 94402

Hospital
President and Chief Executive Officer
Seton Medical Center
1900 Sullivan Avenue
Daly City, CA 94015

11.1. Obligations of Students and Staff. Institution shall ensure that all obligations and prohibitions imposed on Institution pursuant to this Agreement are equally

applicable to each and every Student, Clinical Coordinator and any other employee or contractor (collectively, the "Institution Staff") engaged, retained, employed or contracted by Institution to assist in the performance of this Agreement. Without limiting the generality of the foregoing, upon Hospital's request, Institution shall obtain from each member of the Institution Staff a written acknowledgment and agreement to be bound by the terms and conditions of this Agreement in such form as may be required by Hospital.

11.2. Incorporation of Exhibits. All schedules, exhibits, addenda, and recitals referred to in this Agreement are an integral part of this Agreement and are incorporated in full in this Agreement by this reference.

11.3. Governing Law. This Agreement shall be construed and enforced in accordance with the laws of California without regard to conflict of law rules.

11.4. Force Majeure. Neither party shall be liable or be deemed in default of this Agreement for any delay or failure to perform caused by Acts of God, war, acts of terrorism, disasters, strikes, or any similar cause beyond the control of either party.

11.5. Catastrophe. In the event that Hospital facilities shall be partially damaged or destroyed by fire, earthquake or other catastrophe, and such damage is sufficient to render the facilities untenantable but not entirely or substantially destroyed, this Agreement may be suspended by Hospital until such time as Hospital determines that the premises or the facilities shall again be tenantable. In the event Hospital determines that Hospital facilities have been entirely or substantially destroyed by fire, earthquake, or other catastrophe, this Agreement may be terminated by either party upon ten (10) days' written notice to the other; or, in the alternative, this Agreement shall be suspended until such time as Hospital shall erect or otherwise acquire new facilities with accommodations substantially similar to those provided herein, in the event that Hospital gives written notice to Institution that it shall erect or otherwise acquire facilities. Nothing in this Agreement shall obligate Hospital to erect or otherwise acquire such facilities.

11.6. Tax Exempt Financing. Notwithstanding anything in this Agreement to the contrary, in the event that the Hospital uses the proceeds of tax-exempt financing, this Agreement shall be amended as may be necessary in order for Hospital to comply with the requirements of such financing so that the activities under this Agreement are not considered "private activity use" under the Internal Revenue Code. Immediately upon request by Hospital, Institution shall execute any and all such amendments presented by Hospital and shall return promptly said executed original amendments to Hospital.

11.7. Severability. The provisions of this Agreement shall be deemed severable and if any portion shall be held invalid, illegal or unenforceable for any reason, the remainder of this Agreement shall be effective and binding upon the parties.

11.8. Assignment and Delegation. Institution shall not assign or delegate any of its rights or obligations under this Agreement, and any such assignment or delegation is expressly prohibited and shall be void. Subject to the prohibition contained in this paragraph, this Agreement shall be binding upon and inure to the benefit of the permitted successors and assigns of the parties hereto. Hospital, in its sole and absolute discretion, shall have the right at any time to assign, delegate or in any

manner transfer all or any portion of its interests, obligations or duties under this Agreement to any person, group or entity without the consent of Institution.

11.9. Amendment. This Agreement may be amended at any time by mutual agreement of the parties, provided that before any amendment shall become effective, it shall be reduced to writing and signed by the parties.

11.10. Entire Agreement. This Agreement, including all Exhibits, constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and may be altered or amended only by a written instrument executed by each of the parties hereto. This Agreement supersedes all prior agreements, negotiations, and communications of whatever type, whether written or oral, between the parties hereto with respect to the subject matter hereof.

11.11. Captions. Any captions or headings of the articles, sections, subsections, paragraphs, or subparagraphs of this Agreement are solely for the convenience of the parties, are not a part of this Agreement and shall not be used for the interpretation or determination of validity of this Agreement or any provision hereof.

11.12. Cumulation of Remedies. The various rights, options, elections, powers, and remedies of the respective parties hereto contained in, granted, or reserved by this Agreement, are in addition to any others that said parties may be entitled to by law, shall be construed as cumulative, and no one of them is exclusive of any of the others, or of any right or priority allowed by law.

11.13. No Third Party Rights. The parties do not intend the benefits of this Agreement to inure to any third person not a signatory hereto. Notwithstanding anything contained herein, or any conduct or course of conduct by any party hereto, before or after signing this Agreement, this Agreement shall not be construed as creating any right, claim or cause of action against either party by any person or entity not a party to this Agreement.

11.14. Counting Days. If the day for performance of any obligation under this Agreement is a Saturday, Sunday, or legal holiday (within the meaning of California Civil Code Section 7), then the time for performance of any obligation under this Agreement shall be extended to 5:00 p.m. on the first business day following such Saturday, Sunday, or legal holiday.

11.15. Construction of Agreement. The parties agree that each party and its counsel have fully participated in the review and revision of this Agreement and that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this Agreement or any amendment hereto or exhibit herein or therein.

11.16. Waiver. No delay or omission by either party to exercise any right or remedy under this Agreement shall be construed to be either acquiescence or the waiver of the ability to exercise any right or remedy in the future. Any waiver of any terms and conditions hereof must be in writing, and signed by the parties hereto. A waiver of any term or condition hereof shall not be construed as a future waiver of the same or any other term or condition hereof.

11.17. Counterparts. This Agreement may be executed in any number of counterparts,

each of which shall be deemed an original, but all such counterparts together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed by their respective duly authorized representatives effective as of the date first above written.

GLOSSARY OF CAÑADA TERMS

Clinical Instructor. An employee of a medical center [Seton Medical Center] who:

Is proficient in supervision, instruction, and evaluation,

Documents two years clinical experience in the professional discipline, and

Holds American Registry of Radiologic Technologists current registration in radiography or equivalent (i.e., unrestricted state license for the state in which the clinical setting is located).

Clinical Instructors are responsible for overseeing the students in the clinical setting, including:

Clinical Instructors are responsible for scheduling and documenting student educational activities, evaluating student performance, and assuring that opportunities for students to meet the clinical objectives are provided in the clinical setting.

Clinical instructors assign students to other staff technologists who supervise them in the performance of radiographic procedures, evaluate their performance, and monitor their progress.

Clinical instructors provide the communication link between the hospital and the college. They meet with college faculty once each month to share information, set policies for clinical education, and discuss specific issues related to the program.

In the case of an unusual incident or medical emergency, the Clinical Instructor will refer the student to college personnel.

Additional Clinical Instructors can be designated depending on the Hospital's scheduling needs.

Clinical Coordinator. An employee of the institution [Cañada College] who:

Holds, at a minimum, a baccalaureate degree,

Is proficient in curriculum development, supervision, instruction, evaluation, and academic advising,

Documents two years clinical experience in the professional discipline,

Documents a minimum of one year of experience as an instructor in a JRCERT-accredited program, and

Holds American Registry of Radiologic Technologists current registration in radiography or equivalent (i.e., unrestricted state license for the state in which the program is located).

Clinical Coordinators are responsible for assessing the students' ongoing learning and performance in the clinical setting, including:

Acting as liaison between the institution and the medical center Clinical Instructor and Department Manager.

Coordinates and evaluates student clinical experiences; monitors and assures student health and safety during clinical rotations.

Maintain student clinical records, and disseminate and control x-ray monitoring devices; submits appropriate documents to clinical facilities.

Takes a leadership role in the development, assessment and modification (as needed) of student learning outcomes for clinical training and in-program learning outcomes.

Clinical Coordinators have regularly scheduled visits throughout the students' placement (typically every other week), and will visit more frequently if needed.

Effective August 1, 2016

AFFILIATION AGREEMENT
between
SETON MEDICAL CENTER
and
SAN MATEO COUNTY COMMUNITY COLLEGE DISTRICT

THIS AFFILIATION AGREEMENT ("Agreement") is made and entered into as of August 1, 2016 (the "Effective Date"), by and between *Seton Medical Center* ("Hospital"), located at *1900 Sullivan Avenue, Daly City, California 94015*, and *San Mateo County Community College District* ("Institution"), located at *3401 CSM Drive, San Mateo, California 94402.*

W I T N E S S E T H:

WHEREAS, Institution operates the *Registered Nursing Program*, an educational program approved and accredited by *The California Board of Registered Nursing* which provides in its curriculum an educational program for the benefit of students in the field of *nursing*, and Institution desires that the facilities of Hospital be utilized to provide clinical experience for such students;

WHEREAS, Hospital is willing, in order to foster training of health care providers for its future patients, on the terms and conditions hereinafter set forth, to make its facilities available for such purpose, and said terms and conditions are agreeable to Institution:

NOW, THEREFORE, in consideration of the foregoing, and upon the terms and conditions hereinafter set forth, Hospital and Institution do hereby agree as follows:

1. Duties of Institution

Institution shall, during the term of this Agreement carry out the following responsibilities, without cost or expense to Hospital:

1.1. Clinical Program Development. Institution shall, prior to commencement of such students' clinical experience and training, (a) submit to Hospital a written statement of the clinical objectives and proposed procedural format (including the days and hours during which students receive the clinical experience and training) of the clinical program ("Clinical Program"), attached hereto as Exhibit A and (b) obtain Hospital's written approval of such clinical objectives and procedural format. Once approved by Hospital, the Clinical Program's clinical objectives and procedural format shall not be altered without the prior written consent of Hospital.

1.2. Student Selection. Institution shall select and send to Hospital all student participants in the Clinical Program ("Students"). No more than *ten (10* Students shall participate in the Clinical Program at any given time.

1.3. Instructors Accompanying Students. Institution shall select a clinical instructor employed or engaged by Institution and approved by the board or agency that accredits the *Registered Nursing Program* to accompany Students in the Clinical Program ("Instructor"). Institution shall ensure the following with respect to Instructors during the term of this Agreement:

1.3.1. Supervision of Students. Shall ensure that an Instructor at all times (a) remains on Hospital premises while Students participate in any patient care activities on Hospital premises and (b) provides appropriate supervision of Students' participation in any patient care activities on Hospital premises.

1.3.2. Assignments. Shall cause each Instructor to (a) report at the beginning of a shift to the on-duty supervisor of the Hospital department or unit to which the Instructor and Student(s) are scheduled on any given day ("**On-Duty Supervisor**"), (b) ensure that all required paperwork related to Students' and the Instructor's activities are completed to Hospital's satisfaction prior to the end of the shift, and (c) follow any direction of the On-Duty Supervisor or his/her designee.

1.4. Assurances Regarding Students and Instructors. Institution shall ensure the following with respect to Students and Instructors during the term of this Agreement:

1.4.1. Hospital Orientation. Shall ensure that each Student and Instructor completes Hospital-provided orientation as to Hospital protocols, policies and procedures prior to commencement of the Clinical Program.

1.4.2. Adherence to Standards. Shall ensure that each Student and Instructor adheres to such standards, policies, and procedures, including without limitation, those policies and procedures governing patient privacy and confidentiality, as may be established from time to time by either or both of Hospital and Institution. In the event of a conflict between the standards, policies and procedures of Hospital and Institution, those of Hospital shall govern.

1.4.3. Health Certification. Shall ensure that, prior to commencement of the Clinical Program, each Student and Instructor has undergone a pre-employment physical examination, including chest X-ray or tuberculosis skin testing, and has obtained results satisfactory to Hospital. Thereafter, Institution shall ensure that each Student and Instructor undergoes an annual physical examination and obtains physician clearance for continued participation in the Clinical Program at Hospital. For each Student and Instructor, Institution shall provide to Hospital documentary evidence of Hepatitis B vaccination status or a copy of his/her informed declination.

1.4.4. Uniforms. Shall ensure that each Student and Instructor participating in the Clinical Program wears such uniform(s) as may be designated by Institution, unless given a specific assignment for which Hospital requires and furnishes a special uniform, in which case Institution shall ensure that such Student and Instructor wear Hospital's special uniform. Institution shall supply a name tag to each Student and Instructor indicating affiliation with Institution and shall ensure that each Student and Instructor wears this name tag at all times during the Clinical Program on Hospital premises.

1.4.5. Publication Rights. Shall ensure that no Student or Instructor publishes any paper, article, or other material relating to the Clinical Program unless the same has first been approved by Hospital for publication.

2. Duties of Hospital

2.1. Duties. Subject to the provisions of Section 2.2 below, Hospital shall provide the following, without charge, during the term of this Agreement:

2.1.1. Facilitate such clinical experience and training for the Students as may be specified in the clinical objectives and format referred to in Exhibit A attached hereto.

2.1.2. Provide supervision and instruction reasonably required by the Clinical Program and described in Exhibit C attached hereto. Hospital shall have the ultimate right to direct and control each Student and Instructor while he/she is on Hospital premises. In the event of a disagreement between Hospital staff and Institution/Instructor/Students regarding patient care activities on Hospital premises, Hospital shall prevail.

2.1.3. Make available adequate classroom and conference room space for the conduct of the Clinical Program.

2.1.4. Conduct orientation for Students and Instructors on Hospital's standards, policies, and procedures.

2.1.5. Make available a sufficient supply of Hospital policy and procedure manuals in each Hospital department or nursing unit (as the case may be).

2.1.6. Provide a representative from Hospital's Education Services to coordinate the Clinical Program with a specified representative of Institution.

2.1.7. Prior to each occasion in which a Student or Instructor participates in the care of a Hospital patient, the Hospital staff nurse assigned to the patient, the Nursing Supervisor or either's designee shall (a) notify the patient of the Student's status as a Student and Instructor's status as an Instructor and (b) shall explain to the patient that the Student and Instructor will, absent the patient's objection, participate in the patient's medical care.

2.2. Exception to Duties. Notwithstanding the foregoing provisions of this Section 2, nothing herein shall obligate Hospital to provide any service or perform any activity (including, without limitation, those activities specified in Exhibits A and C) which, in the sole judgment of Hospital, may interfere with the provision of medical care to its patients.

2.3. Medical Aid. Hospital shall provide emergency first-aid treatment, as available, to a Student or Instructor if such treatment becomes necessary while any such Student or Instructor is on the premises of Hospital and participating in the Clinical Program. Hospital shall not be obligated to furnish other medical care, service, or treatment to any Student or Instructor.

2.4. Use of Facilities. Hospital shall permit Students and Instructors participating in the Clinical Program to purchase their meals in the Hospital cafeteria and to use Hospital's parking facilities for such fees as may be established from time to time by Hospital. Use of Hospital's parking facilities by any Student or Instructor is contingent upon Hospital's receipt of written proof of commercial automobile liability insurance in accordance with state law.

3. Operation of Clinical Program. Periodic meetings between the respective representatives of Hospital and Institution shall be held from time to time as may be necessary for the efficient and effective administration of the Clinical Program.

4. Nature of Agreement

4.1. Public Service. Hospital and Institution acknowledge and agree that Hospital is entering into this Agreement as an accommodation to Institution and as a public service in furtherance of its charitable mission. Subject to the provisions of Section 6 hereof, neither party shall be required to make any payment to the other pursuant to this Agreement.

4.2. Independent Contractors. The relationship between Hospital and Institution hereunder is that of independent contractors. This Agreement is not intended to create, and shall not be deemed to have created, any other relationship of any kind between Hospital and Institution, whether of agency, partnership, joint venture, association, or otherwise. None of Institution, Instructor or Student shall have a claim against Hospital under this agreement or otherwise for social security benefits, workers' compensation benefits, vacation pay, sick leave, retirement benefits, disability or unemployment benefits, or employee benefits of any kind, including any health care benefits that will satisfy the obligations of Institution, Instructor or Student to enroll in minimum essential coverage for purposes of satisfying the obligations of Institution, Instructor or Student under the Affordable Care Act to enroll in such coverage or pay a penalty. Hospital shall not withhold on behalf of Institution, Instructor or Student any sums for income tax, unemployment insurance, social security or any other purposes, and all such withholdings or obligations shall be the sole responsibility of Institution.

4.3. Institution Training Program. The Clinical Program is understood and agreed to be a training program of Institution and not of Hospital. Other than as expressly provided in this Agreement, each Student and Instructor participating in the Clinical Program shall be and remain under the direction and control of Institution. No such Student or Instructor shall be entitled to compensation or remuneration from Hospital for activities or services performed in the Clinical Program. Except to the extent required by law, in no event shall any such Student or Instructor be deemed to be an employee, servant, representative, or agent of Hospital for any purpose whatsoever.

5. Term and Termination

5.1. Term. The term of this Agreement shall commence as of the Effective Date, and shall continue in full force and effect for one (1) year unless earlier terminated according to this Agreement. This Agreement may thereafter be renewed with the written consent of both parties.

5.2. Termination Without Cause. Hospital or Institution may terminate this Agreement at any time by giving written notice of such termination to the other party not less than thirty (30) days prior to the commencement of the next quarter (if the Institution operates on the quarter system) or the next semester (if the Institution operates on the semester system).

5.3. Termination With Cause. Hospital or Institution may terminate this Agreement by giving thirty (30) days' written notice to the other party if the party to whom

such notice is given is in breach of any material provision of this Agreement. The party giving notice of termination shall set forth in the notice the facts underlying its claim for breach. Notwithstanding the foregoing, this Agreement shall not terminate in the event the breaching party cures the breach to the satisfaction of the nonbreaching party within fifteen (15) days of receipt of such notice.

5.4. Immediate Termination.

5.4.1. Hospital may terminate this Agreement immediately by giving written notice to Institution upon the occurrence of any one or more of the following events: Hospital determines in good faith that any aspect of the activities of Institution or any Student or Instructor hereunder endangers patient safety or will subject Hospital to ill repute; Institution or any Student or Instructor fails to maintain compliance with all of the requirements set forth in Sections 1.3, 1.4, 6, 7, 8, 9 and 11.1; and Institution or any Student or Instructor is convicted of a crime punishable as a felony or involving moral turpitude.

5.4.2. In the event legal counsel for either party advises that this Agreement or any practices which could be, or are, employed in exercising rights under this Agreement pose a material risk of violating any legal requirements, including without limitation those referenced in Section 9 or any legal requirement related to Hospital's tax-exempt status or tax-exempt bond financing, the parties in good faith shall undertake to revise this Agreement to comply with such legal requirements. In the event the parties are unable to agree upon the revised terms within thirty (30) days thereafter, either party may terminate this Agreement immediately upon written notice to the other.

5.5. Termination of Participation.

Either Hospital or Institution may, for cause and after prior consultation with the other, terminate the participation of any Student or Instructor in the Clinical Program at any time by providing written notice of termination to the other. Events constituting cause for termination of participation shall include, without limitation, the following: (a) Hospital determines in good faith that any aspect of the activity of the Student or Instructor hereunder endangers patient safety or will subject Hospital to ill repute; (b) the Student or Instructor fails to maintain compliance with all of the requirements set forth in Sections 1.3, 1.4, 7, 8, 9 and 11.1; (c) the Student or Instructor is convicted of a crime punishable as a felony or involving moral turpitude; and (d) in Hospital's judgment, the Student or Instructor is incapable of carrying out the duties and obligations under this Agreement. Upon receipt of written notice by Hospital or Institution, Institution shall cause Student or Instructor to cease participation in the Clinical Program within twenty-four (24) hours.

5.6. Survival. The provisions of Sections 6, 7, and 9.3 shall survive termination of this Agreement.

6. Indemnification and Insurance

6.1. Indemnification. Institution shall indemnify, defend and hold harmless Hospital, its directors, officers, employees and agents from and against any and all claims,

demands, damages, liabilities, losses, costs, and expenses (including, without limitation, attorneys' fees and expenses of litigation) arising out of or relating in any manner to the Clinical Program, the participation of any Student or Instructor therein, or the actions or activities of any Student or Instructor thereunder. Such indemnification shall extend to and include, without limitation: (a) all claims made under the workers' compensation law in California Labor Code Section 3200 et. seq. or any comparable statutory provision or provisions and (b) all assertions of liability due to illness or injury to any Student or Instructor arising during or relating to participation by such Student or Instructor in the Clinical Program.

6.2. Insurance. Institution shall, at all times during the term of this Agreement, maintain in force insurance policies which provide continuous coverage for (a) professional liability, (b) commercial general liability, (c) if Students or Instructors operate Institution vehicles on Hospital premises, commercial automobile liability (including hired and non-ownership liability), (d) workers' compensation insurance for illness or injury to any Student or Instructor arising during or relating to participation by such Student or Instructor in the Clinical Program, and (e) umbrella liability providing excess coverage for the insurance specified in Sections 6.2 (a) through 6.2 (d) above. Without limitation, these insurance policies shall provide coverage for injury to or death of any person or damage to property which occur in connection with or arising from the Clinical Program, the participation of any Student or Instructor therein, or the actions or activities of any Student or Instructor thereunder. The liability coverage under such insurance shall not be less than the following amounts:

6.2.1. For commercial general liability insurance, One Million Dollars ($1,000,000) per occurrence and Two Million Dollars ($2,000,000) annual aggregate for Institution and for Students and Instructors.

6.2.2. For professional liability insurance, One Million Dollars ($1,000,000) per occurrence and Three Million Dollars ($3,000,000) annual aggregate for Institution, for each Student, and for each Instructor.

6.2.3. For commercial automobile insurance, One Million Dollars ($1,000,000) per occurrence.

6.2.4. For umbrella insurance to cover excess liability, Five Million Dollars ($5,000,000) per occurrence.

All such insurance required pursuant to this Section shall be issued by an insurance company licensed to write insurance in the State of California and rated A- or better by A.M. Best Rating Agency. Hospital shall be named as an additional insured thereunder for the full amount of the specified coverage. Upon request by Hospital, Institution shall provide Hospital with certificates of insurance evidencing the insurance coverage required of it pursuant to this Section. Institution agrees to (a) give Hospital not less than sixty (60) days' written notice of its intent to cancel such insurance and (b) notify Hospital in writing within five (5) days of any cancellation, reduction, or material change in the amount or scope of any coverage under its insurance policies.

If any such insurance is claims-made form coverage and there is a termination, expiration, cancellation, non-renewal, or reduction or other change in the amount or

scope of coverage of such insurance, Institution shall purchase extended reporting coverage (i.e., "tail" coverage) at the levels specified in this Section and expiring not less than five (5) years following the expiration or earlier termination of this Agreement.

6.3. Certain Claims or Actions. Institution and Hospital shall promptly notify each other in writing of a malpractice claim, disciplinary action, or other claim for damages asserted or initiated against Institution, Hospital or any Student or Instructor in a matter arising out of Institution's, Hospital's or any Student's or Instructor's activities under this Agreement. Institution shall and shall cause Students and Instructors to cooperate with Hospital in the investigation and disposition of any incident report filed or malpractice claim, disciplinary action or other claim for damages asserted or initiated against Institution, Hospital or any Student or Instructor in a matter arising out of activities under this Agreement.

7. Confidentiality

7.1. Patient Records. Any and all patient records and charts produced as a result of Students' or Instructors' activities under this Agreement shall be and remain the property of Hospital.

7.2. Trade Secrets. Institution acknowledges and shall cause each Student and Instructor to acknowledge that in connection with its/his/her performance under this Agreement, it/he/she may or will have access to and the use of confidential information and trade secrets (the "**Confidential Information**") of Hospital related to its operations which include, but are not limited to, financial statements, internal memoranda, reports, patient lists, and other materials or records of a proprietary nature. In order to protect the Confidential Information after the date of this Agreement and for so long as any such Confidential Information remains confidential, secret or otherwise wholly or partially protectable, Institution shall not and shall cause each Student and Instructor not to, use such Confidential Information (except in connection with the activities hereunder) or divulge the Confidential Information to any third party, without first obtaining the prior written consent of the Hospital President and CEO or his/her designee.

8. Compliance With Hospital Standards

8.1. Compliance Program. In carrying out the obligations under this Agreement, Institution expressly agrees and shall cause each Student and Instructor to expressly agree that Hospital's Corporate Responsibility Program, as adopted and amended from time to time ("**Compliance Program**"), shall be incorporated herein and made a part of this Agreement. Institution shall and shall cause each Student and Instructor to comply with such Compliance Program at Institution's sole cost and expense. Without limiting the foregoing commitment to comply with Hospital's Compliance Program, Institution agrees that:

8.1.1. Institution shall and shall cause each Student and Instructor to comply with all applicable federal and state laws and regulations;

8.1.2. Institution shall and shall cause each Student and Instructor to cooperate with Hospital corporate compliance audits, reviews and investigations which relate to Institution and/or any of the services provided by Institution, Students, or Instructors under this Agreement (including,

without limitation, providing any and all Institution documents and/or information with respect to Institution, Students, Instructors and Institution activities under this Agreement);

8.1.3. If requested by Hospital, Institution shall and shall cause each Student and Instructor to participate in corporate compliance-related seminars and educational programs sponsored by Hospital; and

8.1.4. Institution shall and shall cause each Student and Instructor to comply with and not do or cause to be done any act or omission which in any way conflicts with or violates the standards of conduct (the "**Standards of Conduct**") that are part of Hospital's Compliance Program.

8.2. Copy of Hospital Standards. Institution hereby acknowledges that (a) it has received a description of the Compliance Program titled "Essential Characteristics of the Verity Health System of California, Inc. Corporate Responsibility Program," and the Standards of Conduct, each attached hereto as Exhibit D, and (b) Institution and each Student and Instructor has been given ample opportunity to read and review these copies.

9. Compliance With Laws

9.1. Generally. In carrying out the obligations under this Agreement, Institution shall comply and shall cause each Student and Instructor to comply with all applicable laws, rules and regulations of all governmental authorities and accrediting agencies having jurisdiction over Hospital, Institution, Students, Instructors and/or this Agreement, including Medicare and Medi-Cal laws, rules and regulations and all hospital and professional licensure and reimbursement laws, regulations, rules and policies.

9.2. Nondiscrimination. In selecting Students and Instructors for participation in the Clinical Program, Institution shall not engage in unlawful discrimination, whether based upon sex, age, race, creed, national origin, political affiliation, or otherwise. In carrying out the obligations under this Agreement, Institution shall not and shall cause each Student and Instructor not to differentiate or discriminate in the provision of medical services to Hospital's patients due to race, color, national origin, ancestry, religion, sex, marital status, sexual orientation, age, physical handicap, medical condition, medical history, genetics, evidence of insurability, or claims history, in violation of any applicable state, federal or local law or regulation, or the rules and regulations of Hospital with respect to such matters.

9.3. Privacy and Confidentiality. In carrying out the obligations under this Agreement, Institution shall and shall cause each Student and Instructor to comply with all federal and state laws governing the confidentiality and privacy of Hospital's patient health information, including, without limitation, the Health Insurance Portability and Accountability Act of 1996 and implementing regulations.

10. Dispute Resolution

10.1. Special Meeting. Except as set forth in Section 10.6 below, in the event of any dispute or disagreement between the parties with respect to this Agreement, either party may request in writing a special meeting for the resolution of the dispute (a

"**Special Meeting**"). The Special Meeting shall be held at a mutually agreeable location within ten (10) days of a written request for the meeting, which request shall specify the nature of the dispute to be resolved. The Special Meeting shall be attended by representatives of both parties (who may or may not be accompanied by legal counsel, in their respective discretion), who shall attempt in good faith to resolve the dispute and shall have reasonable authority to do so.

10.2. Mediation. If a dispute has not been resolved within thirty (30) days after the date of the Special Meeting or within forty-five (45) days of the written request for the Special Meeting, either party may initiate mediation of the dispute by sending a written request for mediation to the other party. The parties shall meet to jointly select an independent and neutral person qualified to act as a mediator. The mediation proceeding shall commence not more than thirty (30) days after the written request for mediation. The mediation shall be attended by representatives of both parties (who may or may not be accompanied by legal counsel, in their respective discretion), who shall attempt in good faith to resolve the dispute and shall have reasonable authority to do so.

10.3. Arbitration. If the parties are unable to reach a mutually acceptable resolution to the dispute within thirty (30) days following an initial mediation conference or within sixty (60) days following the written request for mediation, the matter shall be submitted to arbitration. Either party may commence arbitration by giving a written notice to the other party demanding arbitration. There shall be one (1) impartial arbitrator, who shall be experienced in mediation and arbitration and knowledgeable regarding the health care/health related services industry. The parties shall meet to jointly select a single arbitrator to serve in the matter of dispute resolution. If the parties cannot reach agreement as to a mutually acceptable arbitrator within ten (10) days after the demand to arbitrate is made, they shall request that an arbitrator be chosen by JAMS/Endispute, Inc.

10.4. Hearing. The arbitration process shall consist of an adversary hearing and each party shall have the right to call and cross-examine witnesses under oath and to introduce oral and documentary evidence. The decision of the arbitrator shall be final and binding. The arbitration hearing shall take place at a location mutually agreed upon by the parties, and shall be governed by the rules of Section 1280 *et. seq.* of the California Code of Civil Procedure.

The arbitration shall be held within sixty (60) days after the appointment of the arbitrator, and in no event shall the taking of evidence before the arbitrator commence more than six (6) months following the date of the written demand for arbitration. In the event that the taking of evidence before the arbitrator does not commence within this time period, the party demanding arbitration shall be able to pursue all legal remedies, including without limitation bringing an action regarding the dispute in a court of law.

10.5. Good Faith Finding. The arbitrator, in addition to resolving the dispute, shall make a finding whether the parties to the arbitration acted in good faith. If the parties are found by the arbitrator to have acted in good faith, both parties shall equally share in the expenses and fees of the arbitration. However, if one party is found not to have acted in good faith, that party alone will bear the expenses and fees of the arbitration, including attorneys' fees for both parties.

10.6. Injunctive Relief. Notwithstanding the provisions of this Section 10 and except as

provided in Section 10.4 above, each of the parties hereto shall have the right to apply for and obtain a temporary restraining order or other temporary, interim or permanent injunctive or equitable relief from a court of competent jurisdiction in order to enforce the provisions of any part of this Agreement as may be necessary to protect its rights under those Sections.

10.7. Costs. In the event a court action is brought to enforce or interpret any part of this Agreement, the prevailing party shall be entitled to recover as an element of its costs of suit, reasonable attorneys' fees, as determined by the court.

11. Miscellaneous Provisions

11.1. Use of Premises. In order to preserve Hospital's exemption from property and other taxes, pursuant to state and federal law, Hospital space must be used for Hospital purposes only. Consequently, Institution shall and shall cause each Student and Instructor to use Hospital premises solely for the activities specified in this Agreement. No part of the premises of Hospital shall be used at any time by Institution, Students or Instructors other than for the activities of the Clinical Program.

11.2. Use of Name. Without the prior written consent of the relevant party, neither party shall use the name or any substantive part of the name of the other party in any advertising, publicity, or publication, except to the extent required to comply with applicable law, to supply information to any licensing or accrediting body of Hospital or Institution, or to obtain the consent of Hospital patients for Students and Instructors to participate in their medical care.

11.3. Hospital Equipment and Supplies. Institution shall not and shall cause each Student and Instructor not to remove any equipment or supplies furnished by Hospital without the express written authorization of Hospital.

11.4. Notices. Written notice required under this agreement shall be delivered personally or sent by United States registered or certified mail, postage prepaid and return receipt requested, and addressed or delivered to the parties at the following addresses (or such address as may hereafter be designated by a party by written notice thereof to the other party):

Institution	Hospital

San Mateo County Community College District	*Seton Medical Center*
3401 CSM Drive, San Mateo, CA 94402	*1900 Sullivan Avenue* *Daly City, CA 94015*

11.5. Obligations of Students and Staff. Institution shall ensure that all obligations and prohibitions imposed on Institution pursuant to this Agreement are equally applicable to each and every Student, Instructor and any other employee or contractor (collectively, the "Institution Staff") engaged, retained, employed or contracted by Institution to assist in the performance of this Agreement. Without limiting the generality of the foregoing, upon Hospital's request, Institution shall

obtain from each member of the Institution Staff a written acknowledgment and agreement to be bound by the terms and conditions of this Agreement in such form as may be required by Hospital.

11.6. Incorporation of Exhibits. All schedules, exhibits, addenda, and recitals referred to in this Agreement are an integral part of this Agreement and are incorporated in full in this Agreement by this reference.

11.7. Governing Law. This Agreement shall be construed and enforced in accordance with the laws of California without regard to conflict of law rules.

11.8. Force Majeure. Neither party shall be liable or be deemed in default of this Agreement for any delay or failure to perform caused by Acts of God, war, acts of terrorism, disasters, strikes, or any similar cause beyond the control of either party.

11.9. Catastrophe. In the event that Hospital facilities shall be partially damaged or destroyed by fire, earthquake or other catastrophe, and such damage is sufficient to render the facilities untenantable but not entirely or substantially destroyed, this Agreement may be suspended by Hospital until such time as Hospital determines that the premises or the facilities shall again be tenantable. In the event Hospital determines that Hospital facilities have been entirely or substantially destroyed by fire, earthquake, or other catastrophe, this Agreement may be terminated by either party upon ten (10) days' written notice to the other; or, in the alternative, this Agreement shall be suspended until such time as Hospital shall erect or otherwise acquire new facilities with accommodations substantially similar to those provided herein, in the event that Hospital gives written notice to Institution that it shall erect or otherwise acquire facilities. Nothing in this Agreement shall obligate Hospital to erect or otherwise acquire such facilities.

11.10. Tax Exempt Financing. Notwithstanding anything in this Agreement to the contrary, in the event that the Hospital uses the proceeds of tax-exempt financing, this Agreement shall be amended as may be necessary in order for Hospital to comply with the requirements of such financing so that the activities under this Agreement are not considered "private activity use" under the Internal Revenue Code. Immediately upon request by Hospital, Institution shall execute any and all such amendments presented by Hospital and shall return promptly said executed original amendments to Hospital.

11.11. Severability. The provisions of this Agreement shall be deemed severable and if any portion shall be held invalid, illegal or unenforceable for any reason, the remainder of this Agreement shall be effective and binding upon the parties.

11.12. Assignment and Delegation. Institution shall not assign or delegate any of its rights or obligations under this Agreement, and any such assignment or delegation is expressly prohibited and shall be void. Subject to the prohibition contained in this paragraph, this Agreement shall be binding upon and inure to the benefit of the permitted successors and assigns of the parties hereto. Hospital, in its sole and absolute discretion, shall have the right at any time to assign, delegate or in any manner transfer all or any portion of its interests, obligations or duties under this Agreement to any person, group or entity without the consent of Institution.

11.13. Amendment. This Agreement may be amended at any time by mutual agreement

of the parties, provided that before any amendment shall become effective, it shall be reduced to writing and signed by the parties.

11.14. Entire Agreement. This Agreement, including all Exhibits, constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and may be altered or amended only by a written instrument executed by each of the parties hereto. This Agreement supersedes all prior agreements, negotiations, and communications of whatever type, whether written or oral, between the parties hereto with respect to the subject matter hereof.

11.15. Captions. Any captions or headings of the articles, sections, subsections, paragraphs, or subparagraphs of this Agreement are solely for the convenience of the parties, are not a part of this Agreement and shall not be used for the interpretation or determination of validity of this Agreement or any provision hereof.

11.16. Cumulation of Remedies. The various rights, options, elections, powers, and remedies of the respective parties hereto contained in, granted, or reserved by this Agreement, are in addition to any others that said parties may be entitled to by law, shall be construed as cumulative, and no one of them is exclusive of any of the others, or of any right or priority allowed by law.

11.17. No Third Party Rights. The parties do not intend the benefits of this Agreement to inure to any third person not a signatory hereto. Notwithstanding anything contained herein, or any conduct or course of conduct by any party hereto, before or after signing this Agreement, this Agreement shall not be construed as creating any right, claim or cause of action against either party by any person or entity not a party to this Agreement.

11.18. Counting Days. If the day for performance of any obligation under this Agreement is a Saturday, Sunday, or legal holiday (within the meaning of California Civil Code Section 7), then the time for performance of any obligation under this Agreement shall be extended to 5:00 p.m. on the first business day following such Saturday, Sunday, or legal holiday.

11.19. Construction of Agreement. The parties agree that each party and its counsel have fully participated in the review and revision of this Agreement and that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this Agreement or any amendment hereto or exhibit herein or therein.

11.20. Waiver. No delay or omission by either party to exercise any right or remedy under this Agreement shall be construed to be either acquiescence or the waiver of the ability to exercise any right or remedy in the future. Any waiver of any terms and conditions hereof must be in writing, and signed by the parties hereto. A waiver of any term or condition hereof shall not be construed as a future waiver of the same or any other term or condition hereof.

11.21. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all such counterparts together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed by their respective duly authorized representatives effective as of the date first above written.

Essential Characteristics of the Verity Health System of California, Inc.
Corporate Responsibility Program

and

Standards of Conduct

(See attached.)

Exhibit C

ESSENTIAL CHARACTERISTICS OF THE VERITY HEALTH SYSTEM OF CALIFORNIA, INC. CORPORATE RESPONSIBILITY PROGRAM

The Verity Health System Corporate Responsibility Program (CRP) will have the following characteristics:

1. Require proactive guidance, self-review, monitoring, auditing and reporting.

   Each organization is to be proactive in the area of corporate compliance. Each Hospital will develop, implement, and maintain a Corporate Responsibility Plan (Plan) to carry out the requirements of the Verity Health System Corporate Responsibility Program. The Hospital's Plan will provide guidance through the development of standards of conduct and procedures to be followed in identified risk areas and will provide for self-review and audit to detect and report illegal activity.

2. Require good faith effort to comply with law and regulations.

   Each Hospital is expected to comply with federal, state and local laws and regulations. With the proliferation of a myriad of laws and regulations in the health care field, coupled with increased governmental scrutiny, inadvertent non-compliance can expose Verity Health System to civil and criminal fines and penalties. By providing a focus and education on compliance with laws and regulations that impact Verity Health System in risk-sensitive areas, the Plan helps demonstrate the exercise of appropriate due diligence and a good faith effort to comply.

3. Require commitment of high-level personnel.

   The Plan will only be as effective in accomplishing its goals and objectives as the level of commitment made by the organization's board of directors, president/CEO and executive management. Each Hospital will assign a high-level executive responsible to oversee the implementation and operation of the Plan, and be accountable to its president/CEO for corporate compliance.

4. Heighten awareness and sensitivity to high-risk areas through education and communication.

   Through an initial and ongoing environmental assessment/risk analysis, high-risk areas will be identified that need to be addressed in the Plan. Upon inclusion in the Plan, the education and communication procedures in the Plan will heighten the awareness of and the sensitivity to these areas throughout the Hospital, which will help facilitate compliance.

5. Be complementary, not duplicative, of existing policies, standards and guidelines.

   The CRP has been designed to complement, not duplicate, other Verity Health System policies. Because of the importance placed on corporate compliance, Verity Health System believes that it merits a separate policy and plan, with specifically identified focus and accountabilities.

Verity Health System

STANDARDS OF CONDUCT ATTESTATION

Verity Health System of California, Inc. (Verity Health System) is committed to carrying out our health care services in a manner consistent with the Verity Health System Values. Our shared Verity Health System Values serve to guide our actions and include: Respect, Caring, Authenticity, Passion, and Stewardship.

The following Standards of Conduct are a practical extension of the Verity Health System Values. They describe expectations for conduct necessary to promote and protect the integrity of Verity Health System. We are expected to act in a manner consistent with these standards.

Each of us is accountable for our own actions, and we must also hold each other accountable for adherence to the Standards of Conduct. We are encouraged to report violations of the Standards of Conduct and are protected from retaliation.

Quality of Care: Verity Health System is committed to providing competent and compassionate care, respecting and safeguarding the dignity of the patient, and allowing patient access to all medical information necessary to make decisions about their care. A central focus of Verity Health System in meeting patient needs is serving the whole person in his or her intellectual, emotional, and physical dimensions. Care will be provided in a safe and positive environment, free of disruptive, disrespectful, discourteous, and unethical behavior.

Laws and Regulations: Verity Health System will operate in accordance with all laws and regulations. In our work, these laws and regulations apply to areas such as patient referrals, employment, physician relationships, billing and payment practices, discount arrangements, lobbying, political contributions, the environment, health and safety, and dealings with payers and regulatory agencies.

Human Resources: Verity Health System maintains a work environment where we treat each other with honesty and respect. We are expected to perform our duties with care, compassion, and courtesy in a lawful and ethical manner. Disruptive, offensive, harassing, disrespectful, and unethical behaviors are unacceptable and will be addressed.

Business and Ethics: Verity Health System is committed to ethical business conduct and integrity. We must represent Verity Health System accurately and honestly and must not do anything that purposely defrauds anyone, including other companies or the government, of money, property, or services. Recordkeeping and billing for services provided to patients must be complete, accurate, timely, and lawful.

Confidentiality: In keeping with various laws, regulations, and professional guidelines, we must maintain the confidentiality of medical records and other patient information. We are also expected to keep information, regarding our colleagues and the proprietary business practices of the organization, confidential.

Conflict of Interests: We are expected to act in the best interests of Verity Health System and the patients we serve. We may not use our positions to profit personally or to assist others in profiting in any way at the expense of the organization. In any situation where outside interests conflict with those of the organization, the conflict must be disclosed in accordance with organizational policy.

Responsible Stewardship: Verity Health System is committed to preserving and protecting our organization's assets by making prudent and effective use of its resources. Verity Health System encourages innovative, cost-effective business decisions and strives to eliminate wasteful practices.

BUSINESS ASSOCIATE AGREEMENT

The Business Associate Agreement ("BA Agreement") is entered into as of and is in effect as of August 1, 2016 ("Effective Date") by and between Seton Medical Center ("Covered Entity" or "CE") and San Mateo County Community College District – College of San Mateo ("Business Associate" or "BA").

RECITALS

A. CE provides certain Protected Health Information (as defined below and referred to herein as "PHI") to BA in the course of the parties' business relationship.

B. In order to protect the privacy of the PHI and to comply with HIPAA, the HIPAA Regulations, and the California Confidentiality Laws (each as defined below), CE and BA desire to enter into this BA Agreement setting forth the terms and conditions of the use and disclosure of such PHI.

In consideration of the mutual promises set forth below, the parties agree as follows:

ARTICLE I: DEFINITIONS

1.1 **General Rule**. Capitalized terms not otherwise defined in this BA Agreement shall have the same meaning as those terms have in the HIPAA Regulations.

1.2 **HIPAA** means the Health Insurance Portability & Accountability Act of 1996, P.L. 104-191, as amended by the HITECH Act.

1.3 **HIPAA Regulations** means the regulations promulgated under HIPAA by the U.S. Department of Health and Human Services, including, but not limited to, the Privacy Rule, the Security Rule, and the Breach Notification Rule, as currently in effect and as modified from time to time.

1.4 **HITECH Act** means Subtitle D of the Health Information Technology for Economic and Clinical Health Act ("HITECH"), which is Title XIII of the American Recovery and Reinvestment Act of 2009, P.L. 111-5.

1.5 **Privacy Rule** means the Standards for Privacy of Individually Identifiable Health Information, codified at 45 CFR Parts 160 and 164, Subparts A and E, as currently in effect and as modified from time to time.

1.6 **Protected Health Information or "PHI"** shall have the meaning given to the term "Protected Health Information" under the Privacy Rule.

1.7 **Breach Notification Rule** means the Standards for Notification in the Case of Breach of Unsecured Protected Health Information, codified at 45 CFR Parts 160 and 164, Subparts A and D, as currently in effect and as modified from time to time.

1.8 **Security Rule** means the Security Standards for the Protection of Electronic Protected Health Information, codified at 45 CFR Parts 160 and 164, Subparts A and C, as currently in effect and as modified from time to time.

1.9 **California Confidentiality Laws** means the laws of the State of California governing the confidentiality of PHI, including, but not limited to, the California Confidentiality of Medical Information Act (Cal. Civil Code §56 *et seq.*), the patient access law (Cal. Health & Safety Code §123100 et seq.), the HIV test result confidentiality law (Cal. Health & Safety Code §120975 et seq.), the Lanterman-Petris-Short Act (Cal. Wel. & Inst. Code §5328 et seq.), the medical identity theft law (Cal. Civil Code §1798.82), and the improper access notification law (Cal. Health & Safety Code §1280.15).

ARTICLE II: OBLIGATIONS OF BA

2.1 **General Requirements**. Except as otherwise limited in this BA Agreement, BA may use or disclose PHI to perform functions, activities, or services for, or on behalf of, CE pursuant to one or more services agreements between CE and BA (the "Services Agreements"), as listed on Exhibit A to this BA Agreement, provided that such Use or Disclosure would not violate HIPAA, the HIPAA Regulations, or the California Confidentiality Laws if done by CE. BA and its agents and subcontractors shall only request, use, and disclose the minimum amount of PHI necessary to accomplish the purpose of the permitted Use or Disclosure. BA agrees to comply with all applicable provisions in HIPAA, the HIPAA Regulations, and the California Confidentiality Laws.

2.2 **Uses or Disclosures Permitted by Privacy Rule**. As permitted by the Privacy Rule, BA may use or disclose PHI: (a) as is necessary for the proper management and administration of BA's organization, or (b) to carry out the legal responsibilities of BA; provided, however, that any permitted Disclosure to a third party must be either Required By Law or subject to reasonable assurances obtained by BA from the third party that the PHI will be held confidentially, and securely, and used or disclosed only as Required By Law or for the purposes for which it was disclosed to such third party, and that any breaches of confidentiality of the PHI which become known to such third party will be immediately reported to BA. BA shall obtain the prior permission of CE before making any such disclosure that is not Required by Law. BA shall notify CE in a timely manner prior to making any Disclosure that is Required By Law, in order to afford CE the opportunity to respond to the request for such a Disclosure.

2.3 **Data Aggregation**. BA may provide Data Aggregation services relating to the Health Care Operations of CE.

2.4 **Disclosures to Agents and Subcontractors**. BA shall ensure that any agent or subcontractor to whom it provides PHI agrees in writing to the same restrictions, conditions, and requirements that apply to BA with respect to such PHI and as set forth herein regarding the Use and Disclosure and security of PHI, including, but not limited to, implementation of administration, physical and technical safeguards, notice of prohibited Use or Disclosure, mitigation of harmful effects, responses to requests for access and amendment, and a term permitting immediate termination of the agent's or

subcontractor's agreement with BA for improper Use or Disclosure of PHI. BA shall terminate its agreement with any agent or subcontractor to whom it provides PHI if such agent or subcontractor fails to abide by any material term of such agreement.

2.5 **Safeguards**. BA shall implement and use appropriate safeguards as necessary to prevent the Use or Disclosure of PHI in any manner that is not permitted by this BA Agreement, including but not limited to, safeguards designed to limit incidental Uses or Disclosures made pursuant to an otherwise permitted or required Use or Disclosure.

2.6 **Security Rule Safeguards**. To the extent that BA creates, receives, maintains, or transmits electronic PHI, BA shall comply with the Security Rule and implement administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of any electronic PHI that may be transmitted in conformity with the requirements of the Security Rule and prevent the Use or Disclosure of electronic PHI in any manner that is not permitted by this BA Agreement.

2.7 **Direct Access to CE's Electronic Systems**. If BA or its employees/agents are granted direct access to CE's electronic systems, BA will ensure that each of its employees and agents has access to only what is required for each employee/agent to perform the specific duties assigned by BA to that individual employee/agent pursuant to the Services Agreement with CE. Further, BA will provide immediate notice when its employees/agents are terminated or change roles or otherwise no longer have a need for access, BA will routinely monitor the list of employees/agents with access, BA will educate its employees/agents that sharing of login information among its employees/agents is prohibited, and BA will provide CE with a list of its employees/agents with access to CE's electronic systems upon request by CE.

2.8 **Minimum Necessary Use and Disclosure**. In conducting functions and/or activities under this BA Agreement or any other agreement between the parties hereto that involve the use and/or disclosure of PHI, BA shall make reasonable efforts to limit the use and/or disclosure of PHI to the minimum amount of information necessary as determined by CE to accomplish the intended purpose of the use or disclosure.

2.9 **Reporting**. BA agrees to provide written notice to CE of any Use or Disclosure of PHI that is in violation of this BA Agreement, the Privacy Rule, the California Confidentiality Laws, or other applicable federal or state law, within five (5) calendar days of becoming aware of such Use or Disclosure. BA shall also notify CE in writing within five (5) calendar days of receipt of any complaint that BA receives concerning the handling of PHI or compliance with this BA Agreement. BA further agrees to provide written notice to CE of any Security Incident within five (5) calendar days of BA's discovery of such Security Incident.

Notwithstanding the foregoing, BA shall immediately, and in no case longer than forty-eight (48) hours after, upon discovery of a Breach under HIPAA or breach under applicable state law, report to CE such Breach/breach, consistent with HIPAA, the HIPAA Regulations, and the California Confidentiality Laws. BA must also, without

unreasonable delay, identify each individual whose unsecured PHI has been, or is reasonably believed to have been, accessed, acquired or disclosed as a result of the Breach/breach, and provide such information to CE as needed in order to meet the data breach notification requirements under the Breach Notification Rule and the California Confidentiality Laws, and in any event within five (5) calendar days after the discovery of the Breach/breach. The Breach shall be considered "discovered" when the BA knew or reasonably should have known when the Breach occurred.

BA agrees to fully cooperate, coordinate with and assist CE in gathering the information necessary to notify the affected individuals. BA agrees to cooperate with CE to ensure that all such Breach/breach notices are sent without unreasonable delay, and in no case more than five (5) business days from the discovery of the Breach/breach, as required under the applicable California Confidentiality Laws. BA agrees that it shall be solely responsible for all costs and expenses incurred by both CE and BA as a result of the Breach/breach, including costs associated with mitigation, preparation and delivery of the notices.

2.10 **Mitigation**. BA shall mitigate promptly, to the extent practicable, any harmful effect that is known to BA of a Use or Disclosure of PHI by BA in violation of this BA Agreement, the Privacy Rule, or other applicable federal or state law.

2.11 **Requests for Restrictions**. BA agrees to comply with requests for restrictions on Use or Disclosure of PHI that CE has agreed to or is required to abide by under 45 C.F.R. §164.522, to the extent that such restriction may affect BA's use or disclosure of such PHI.

2.12 **Access and Amendment**. To enable CE to fulfill its obligations under the Privacy Rule, BA shall make PHI in Designated Record Sets that are maintained by BA or its agents or subcontractors available to CE for inspection, copying or amendment within ten (10) calendar days of a request by CE. If an Individual requests inspection, copying or amendment of PHI directly from BA or its agents or subcontractors, BA shall notify CE in writing within five (5) business days of receipt of the request, and shall defer to, and comply with, CE's direction in a timely manner regarding the response to the Individual regarding the request for inspection, copying or amendment.

2.13 **Accounting**. BA shall implement a process for recording certain Disclosures of PHI by BA ("Accounting Information") in order to enable CE to comply timely with its obligations under the Privacy Rule including, but not limited to, 45 CFR Section 164.528. At a minimum, this Accounting Information shall include for each such Disclosure recordation of (a) the name and date of birth of the Individual whose PHI was the subject of the Disclosure; (b) the date of Disclosure; (c) the name and address of the recipient of the PHI; (d) a brief description of the PHI disclosed; and (e) a brief statement of the purpose for the Disclosure that reasonably informs the Individual of the basis for the Disclosure. Within ten (10) calendar days of notice from CE of a request for an accounting of Disclosures of PHI, BA shall make available to CE this Accounting Information. In addition, for any month in which BA makes a Disclosure of PHI, BA shall provide Accounting Information during the subsequent month pertaining to CE, in a

format and medium specified by CE. If an Individual requests an accounting directly from BA or its agents or subcontractors, BA must notify CE in writing within five (5) business days of the request, and shall defer to, and comply in a timely manner with, CE's direction regarding the response to the Individual regarding the request for an accounting.

2.14 **Government Officials**. BA shall make its internal practices, books and records relating to the Use and Disclosure of PHI available to the Secretary of the U.S. Department of Health and Human Services ("Secretary") for purposes of determining CE's compliance with the Privacy Rule. BA shall notify CE regarding any PHI that BA provides to the Secretary concurrently with providing such PHI to the Secretary, and upon CE's request, shall provide CE with a duplicate copy of such PHI.

2.15 **Insurance and Indemnity**. BA shall maintain or cause to be maintained sufficient insurance coverage as shall be necessary to insure BA and its agents or subcontractors against any claim or claims for damages arising under this BA Agreement. Such insurance coverage shall apply to all sites of BA and to all services provided by BA or its agents or subcontractors under this BA Agreement.

BA shall indemnify, hold harmless and defend CE and its affiliated entities from and against any and all claims, losses, liabilities, costs and other expenses (including reasonable attorneys' fees and costs, and administrative penalties and fines) incurred as a result of, or arising directly or indirectly out of or in connection with any act or omission of BA, its agents or subcontractors, under this BA Agreement including, but not limited to, negligent or intentional acts or omissions. The indemnification obligation of BA shall survive termination of this BA Agreement.

2.16 **Prohibition on Sale of PHI**. BA agrees to comply with the prohibition of sale of PHI without authorization unless an exception under 45 C.F.R. § 164.508 applies.

2.17 **Compliance with CE's Obligations.** To the extent that BA carries out CE's obligations under HIPAA, the HIPAA Regulations, or the California Confidentiality Laws, BA shall comply with all of the requirements of HIPAA, the HIPAA Regulations, and the California Confidentiality Laws, in the performance of such obligations.

ARTICLE III: OBLIGATIONS OF CE

3.1 **Notice of Privacy Practices**. CE shall notify BA of limitation(s) in its notice of privacy practices, in accordance with 45 CFR Section 164.520, to the extent such limitation affects BA's permitted Uses or Disclosures.

3.2 **Individual Permission**. CE shall notify BA of changes in, or revocation of, permission by an Individual to use or disclose PHI, to the extent such changes affect BA's permitted Uses or Disclosures.

3.3 **Restrictions**. CE shall notify BA of restriction(s) in the Use or Disclosure of PHI that CE has agreed to, in accordance with 45 CFR Section 164.522, to the extent such restriction affects BA's permitted Uses or Disclosures.

3.4 **Prohibited Requests**. CE shall not request BA to use or disclose PHI in any manner that would not be permissible under HIPAA, the HIPAA Regulations, or the California Confidentiality Laws, if done by CE.

ARTICLE IV: TERM AND TERMINATION

4.1 **Term**. This BA Agreement shall be effective as of the Effective Date, and shall continue in effect with respect to each Services Agreement until: (i) this BA Agreement is terminated in accordance with the provisions of Section 4.2 or (ii) the relevant Services Agreement (in its entirety) is terminated; provided, however, that in the event that CE has entered into more than one Services Agreements with BA and one or more, or a portion of one or more, but not all, of such Services Agreements are terminated, this BA Agreement shall terminate only with respect to the Services Agreement(s) (or portions thereof) that have been terminated. Under such circumstances, this BA Agreement shall continue in effect with respect to all Services Agreements (or portions thereof) between CE and BA which have not been terminated.

4.2 **Termination for Cause**. In the event of either party's material breach of this BA Agreement, the non-breaching party may terminate this BA Agreement upon ten (10) calendar days prior written notice to the breaching party in the event the breaching party does not cure such breach to the reasonable satisfaction of the non-breaching party within such ten (10) calendar day period. In the event that cure of a breach under this Section 4.2 is not reasonably possible, the non-breaching party may immediately terminate this BA Agreement; or if neither termination nor cure is feasible, the non-breaching party may, subject to all applicable legal privileges, report the violation to the Secretary of the Department of Health and Human Services. Either party may terminate this BA Agreement immediately if (a) the other party is named as a defendant in a criminal proceeding for a violation of HIPAA, HIPAA Regulations, or the California Confidentiality Laws, or (b) if a finding or stipulation that the other party has violated any standard or requirement of HIPAA, the HIPAA Regulations, the California Confidentiality Laws, or any other security or privacy law is made in any administrative or civil proceeding in which that party has been joined.

4.3 **Effects of Termination**. Upon termination of the business relationship between the parties and/or the BA Agreement for any reason, BA shall, at CE's direction, return or destroy all PHI that BA or its agents or subcontractors still maintain in any form, and shall retain no copies of such PHI. Upon CE's request, BA shall certify in writing that such return or destruction has occurred. If BA determines that return or destruction is not feasible, BA shall explain to CE in writing why conditions make the return or destruction of such PHI not feasible. If CE agrees that the return or destruction of PHI is not feasible, BA shall retain the PHI, subject to all of the protections of this BA Agreement, and shall make no further Use or Disclosure of the PHI, except as for those purposes that make the return or destruction of the PHI not feasible. In any event, upon termination of the business relationship between the parties and/or the BA Agreement, BA shall retain for no less than six (6) years the Accounting Information compiled by BA pursuant to section 2.13 of this BA Agreement, and shall make such Accounting Information available to CE within five (5) business days of a request.

4.4 **Survival**. The obligations of BA under this Article IV shall survive the termination of the business relationship between the parties and/or the BA Agreement.

ARTICLE V: MISCELLANEOUS

5.1 **Assistance**. In the event of an administrative or judicial action commenced against CE where BA may be at fault, in whole or in part, as the result of its performance under this BA Agreement, BA agrees to defend or to cooperate with CE in the defense against such action.

5.2 **Subcontracts and Assignment**. BA shall not subcontract its obligations, assign its rights, or delegate its duties under this BA Agreement without the express written consent of CE.

5.3 **Amendment**. If any modification to this BA Agreement is required for conformity with federal or state law or if CE reasonably concludes that an amendment to this BA Agreement is required because of a change in federal or state law, or by reason of CE's status as a business associate of another covered entity, CE shall notify BA of such proposed modification(s) ("Required Modifications"). Such Required Modifications shall be deemed accepted by BA and this BA Agreement so amended, if BA does not, within thirty (30) calendar days following the date of the notice, deliver to CE its written rejection of such Required Modifications. If BA submits a written rejection of the Required Modification, CE may terminate its business relationship with BA upon thirty (30) calendar days written notice, or such longer period as may be required by law. Other modifications to this BA Agreement may be made on mutual agreement of the parties.

5.4 **Business Relationship**. Except as specifically required to implement the purposes of this BA Agreement, and except to the extent inconsistent with this BA Agreement, all terms of the business relationship between the parties shall remain in full force and effect. In the event of a conflict between the terms of the business relationship between the parties and this BA Agreement, this BA Agreement shall control.

5.5 **Ambiguity**. Any ambiguity in this BA Agreement relating to the Use and Disclosure of PHI shall be resolved in favor of a meaning that furthers the obligations to protect the privacy and security of the PHI, whether electronic or other medium, in accordance with the Privacy Rule.

5.6 **Primacy**. To the extent that any provisions of this BA Agreement conflict with the provisions of any other agreement or understanding between the parties, this BA Agreement shall control with respect to the subject matter of this BA Agreement.

5.7 **Third Party Beneficiaries**. Except as expressly provided for in this BA Agreement or the Privacy Rule, there are no third party beneficiaries to this BA Agreement.

5.8 **Independent Contractors**. No provision of this BA Agreement is intended to create, nor shall be deemed or construed to create, any employment, agency or joint venture relationship between CE and BA other than that of independent entities contracting with each other hereunder solely for the purpose of effectuating the provisions of this BA

Agreement. None of the parties nor any of their respective representatives shall be construed to be the agent, employer, or representative of the other. The parties have reviewed the factors to determine whether an agency relationship exists under the federal common law of agency and it is not the intention of either CE or BA that BA constitute an "agent" under such common law.

5.9 **Counterparts; Facsimiles**. This BA Agreement and any exhibits hereto may be executed in one or more counterparts; each counterpart shall be deemed an original. Facsimile copies hereof shall be deemed to be originals.

5.10 **Notices**. All notices required or permitted to be given under this BA Agreement shall be in writing and shall be sufficient in all respects if delivered personally, by nationally recognized overnight delivery service, or by registered or certified mail, postage prepaid, addressed as follows:

If to CE:

PATIENT TRANSFER AGREEMENT

between

SAN MATEO COUNTY MEDICAL CENTER

AND

SETON MEDICAL CENTER

JANUARY 1, 2014

PATIENT TRANSFER AGREEMENT

THIS TRANSFER AGREEMENT ("Agreement") is made as of January 1, 2014, by and between San Mateo County Medical Center, and Seton Medical Center, California nonprofit religious corporation ("Hospital"), each individually referred to herein as "facility," or "Transferring Facility" if transferring a patient, or "Receiving Facility" if receiving a patient, pursuant to the terms and provisions of this Agreement, and collectively as "facilities."

WITNESSETH

WHEREAS, the parties hereto desire to enter into this Agreement governing the transfer of patients between the two facilities; and,

WHEREAS, the parties hereto desire to enter into this Agreement in order to specify the rights and duties of each of the parties and to specify the procedure for ensuring the timely transfer of patients between the facilities;

NOW, THEREFORE, to facilitate the continuity of care and the timely transfer of patients and records between the facilities, the parties hereto agree as follows:

1. **TRANSFER OF PATIENTS.** In the event any patient of either facility is deemed by that facility ("Transferring Facility") as requiring the services of the other facility ("Receiving Facility") and the transfer is deemed medically appropriate, a member of the nursing staff of the Transferring Facility or the patient's attending physician will contact the admitting office or Emergency Department of the Receiving Facility to arrange for appropriate treatment as contemplated herein. All transfers between the facilities shall be made in accordance with applicable federal and state laws and regulations, including but not limited to the Emergency Medical Treatment and Active Labor Act ("EMTALA"), the standards of The Joint Commission and any other applicable accrediting bodies, and reasonable policies and procedures of the facilities. Any transfer shall be subject to applicable federal and state law, the terms of this Agreement, and except in the case of a transfer of a patient with an emergency medical condition, the patient's satisfaction of the Receiving Facility's Conditions of Admission.

2. **RESPONSIBILITIES OF THE TRANSFERRING FACILITY.** The Transferring Facility shall be responsible for performing or ensuring performance of the following:

a. Provide, prior to transfer and within its capabilities (including ancillary and any on-call physician specialists services), stabilizing medical treatment as may be necessary to assure, within reasonable medical probability, that no material deterioration of the patient's condition is likely to result from or occur during the transfer of the individual from the Transferring Facility. If the Transferring Facility cannot stabilize a patient in an emergency medical condition prior to transfer, the Transferring Facility may only transfer the patient to the Receiving Facility if the patient requests the transfer in writing or the transferring physician signs a certification that the medical benefits expected from the provision of treatment at the Receiving Facility is expected to outweigh any increased risks to the patient from effecting the transfer;

b. Arrange for appropriate and safe transportation and care of the patient during transfer, in accordance with applicable federal and state laws and regulations;

c. Designate a person who has authority to represent the Transferring Facility and coordinate the transfer of the patient from the transferring facility;

d. Notify the Receiving Facility's designated representative prior to transfer to receive confirmation as to availability of appropriate facilities, services, and staff necessary to provide care to the patient;

e. Prior to patient transfer, the transferring physician shall contact and secure a receiving physician at the Receiving Facility who shall attend to the medical needs of the patient and who will accept responsibility for the patient's medical treatment and hospital care;

f. Notify the patient, patient's parent(s), legal guardian or other relatives, prior to the transfer or attempt, over a 24 hour period, to notify persons legally responsible for the patient unless such delay might seriously endanger the health of the patient. Obtain any necessary consents to effect the transfer, and use best efforts to arrange for the parent(s), legal guardian or other relative to be present at the time of transport and, if feasible, to accompany the patient;

g. Provide, within its capabilities, appropriate personnel, equipment, and services to assist the transferring physician with the coordination and transfer of the patient;

h. Provide, within its capabilities, personnel, equipment, and life support measures determined appropriate for the transfer of the patient by the transferring physician;

i. Subject to federal and state laws regarding confidentiality of medical information, forward to the Receiving Facility a copy of those portions of the patient's medical record that are available and relevant to the transfer and continued care of the patient, including identification of the patient; demographics; ambulation status; records related to the patient's condition, including patient's physical and psycho-social status; observations of signs or symptoms; preliminary diagnosis; prognosis; treatment provided; nursing care plan and dietary information; the reason for transfer; summary of care provided and progress toward treatment goals; relevant transfer and referral forms; relevant transport forms; results of any tests; with respect to a patient with an emergency medical condition that has not been stabilized, a copy of the patient's informed consent to the transfer or physician certification that the medical benefits of the transfer outweigh the risks of transfer; and, except in the case of a transfer of a patient with an emergency medical condition, a copy of the Receiving Facility's Conditions for Admission signed by the patient, the patient's parent(s) or legal guardian. If all necessary and relevant medical records are not available at the time the patient is transferred, then the records will be forwarded by the Transferring Facility as soon as possible. The Transferring Facility shall also provide the Receiving Facility with the name and address of any on-call physician who refused or failed to appear within a reasonable time to provide necessary stabilizing treatment to a patient who came to the Transferring Facility with an emergency medical condition and who was subsequently transferred to the Receiving Facility;

j. Transfer the patient's personal effects, including, but not limited to, money and valuables, and information related to those items;

k. Provide the Receiving Facility any information that is available concerning the patient's coverage or eligibility under a third party coverage plan, Medicare or Medicaid, or a health care assistance program established by a county, public hospital, or hospital district.

l. Notify the Receiving Facility of the estimated time of arrival of the patient;

m. Provide for the completion of a certification statement, summarizing the risk and benefits of the transfer of a patient with an emergency condition that has not been stabilized, by the transferring physician or other qualified personnel if the physician is not physically present at the facility at the time of transfer;

n. Acknowledge any contractual obligations and comply with any statutory or regulatory obligations that might exist between a patient and a designated provider;

o. Recognize the right of a patient to request to transfer into the care of a physician and hospital of the patient's choosing;

p. Recognize the right of a patient to refuse consent to treatment or transfer;

q. Complete, execute, and forward a memorandum of transfer form to the Receiving Facility for every patient who is transferred;

r. Establish and comply with a policy and/or protocols (i) for maintaining the confidentiality of the patient's medical records in accordance with applicable state and federal law and (ii) for the inventory and safekeeping of any patient valuables sent with the patient to the Receiving Facility; and

s. Recognize and comply with the requirements of any state law and regulations or local ordinances that apply to the care and transfer of patients.

3. **RESPONSIBILITIES OF THE RECEIVING FACILITY.** The Receiving Facility shall be responsible for performing or ensuring performance of the following:

a. Provide, as promptly as possible, confirmation to the Transferring Facility regarding the availability of bed(s), appropriate facilities, services, and staff necessary to treat the patient and confirmation that the Receiving Facility has agreed to accept transfer of the patient. The Receiving Facility shall respond to the Transferring Facility within thirty (30) minutes after receipt of the request to transfer a patient with an emergency medical condition or in active labor;

b. Provide, within its capabilities, appropriate personnel, equipment, and services to assist the receiving physician with the receipt and treatment of the patient transferred, maintain a call roster of physicians at the Receiving Facility and provide, on request, the names of on-call physicians to the Transferring Facility;

c. Reserve beds, facilities, and services as appropriate for patients being transferred from the Transferring Facility who have been accepted by the Receiving Facility and a receiving physician, if deemed necessary by a transferring physician unless such are needed by the Receiving Facility for an emergency;

d. Designate a person who has authority to represent and coordinate the transfer and receipt of patients into the facility;

e. When appropriate and within its capabilities, assist with the transportation of the patient as determined appropriate by the transferring or receiving physician;

f. Subject to federal and state laws regarding confidentiality of medical information, provide the Transferring Facility with a copy of the medical records of the prognosis, and any complications, if the patient is returned to the Transferring Facility by the Receiving Facility;

g. Maintain the confidentiality of the patient's medical records in accordance with applicable state and federal law;

h. Establish a policy and/or protocols (i) for maintaining the confidentiality of the patient's medical records in accordance with applicable state and federal law, (ii) for the receipt of the patient into the Facility, and (iii) for the acknowledgment and inventory of any patient valuables transported with the patient;

i. Provide for the return transfer of patients to the Transferring Facility as required under Section 5 of this Agreement or when requested by the patient or the Transferring Facility and ordered by the patient's attending/transferring physician, if the Transferring Facility has a statutory or regulatory obligation to provide health care assistance to the patient, and if transferred back to the Transferring Facility, provide the items and services specified in Section 2 of this Agreement;

j. Provide the Transferring Facility any information available about the patient's coverage or eligibility under a third party coverage plan, Medicare or Medicaid, or a healthcare assistance program established by a county, public hospital, or hospital district;

k. Upon request, provide current information concerning its eligibility standards and payment practices to the Transferring Facility and patient;

l. Acknowledge any contractual obligations and comply with any statutory or regulatory obligations that might exist between a patient and a designated provider;

m. Complete, execute, and return the memorandum of transfer form to the Transferring Facility; and,

n. Recognize and comply with the requirements of any state law and regulations of local ordinances that apply to the care and transfer of patients.

4. **BILLING.** All claims or charges incurred with respect to any services performed by either facility for patients received from the other facility pursuant to this Agreement shall be billed and collected by the facility providing such services directly from the patient, third party payer, Medicare or Medicaid, or other sources appropriately billed by that facility, unless applicable law and regulations require that one facility bill the other facility for such services. In addition, it is understood that professional fees will be billed by those physicians or other professional providers who actually participate in the care and treatment of the patient and who are entitled to bill for their professional services at usual and customary charges. Each facility agrees to provide information in its possession to the other facility and such physicians or professional providers sufficient to enable them to bill the patient, responsible party, or appropriate third party payer.

5. **TRANSFER BACK; DISCHARGE; POLICIES.** At such time as the patient is ready for transfer back to the Transferring Facility or another health care facility or discharge from the Receiving Facility, in accordance with the direction from the Transferring Facility and with the proper notification of the patient's family or guardian, the patient will be transferred to the agreed upon location. If the patient is to be transferred back to the Transferring Facility, the Receiving Facility will be responsible for the care of the patient up until the time the patient is re-admitted to the Transferring Facility.

6. **INDEMNIFICATION.** The facilities hereby indemnify, defend and hold one another, their officers, agents and employees harmless from and against any and all liability, loss, expense, attorney's fees, or claims for injury or damages arising out of their performance under this Agreement, but only in proportion to and to the extent such liability, loss, expense, attorney's fees, or claims for injury or damages are caused by or result from the negligent or intentional act or omission of the indemnifying party.

7. **INSURANCE.** In addition, each party shall maintain, throughout the term of this Agreement, professional medical and hospital liability, general liability, comprehensive or commercial, business automobile liability, workers' compensation, and such other insurance coverage in such amounts as may be acceptable to the other party, and shall provide evidence of such coverage upon request.

All such insurance required pursuant to this Section shall be issued by an insurance company licensed to write insurance in the State of California and rated A- or better by A.M. Best Rating Agency. Both parties shall name the other as an additional insured under its insurance policies required under this section. Upon request, either party shall provide the other party with certificates of insurance evidencing the insurance coverage required of it pursuant to this Section. Both parties agree to (a) give not less than sixty (60) days' written notice of its intent to cancel such insurance and (b) notify the other party in writing within five (5) days of any cancellation, reduction, or material change in the amount or scope of any coverage under its insurance policies.

If any such insurance is claims-made form coverage and there is a termination, expiration, cancellation, non-renewal, or reduction or other change in the amount or scope of coverage of such insurance, such party shall purchase extended reporting coverage (i.e., "tail"

coverage) at the levels specified in this Section and expiring not less than five (5) years following the expiration or earlier termination of this Agreement.

8. **TERM.** The term of this Agreement shall commence as of the Effective Date, and shall continue in full force and effect for two (2) years, unless sooner terminated as provided herein. This Agreement may thereafter be renewed with the written consent of both parties.

9. **TERMINATION** Notwithstanding any other provisions of this Agreement, this Agreement may be terminated upon any of the following:

a. Without Cause. Either party may terminate this Agreement, without cause or penalty, by giving no less than thirty (30) days' written notice to the other party.

b. For Breach. Either party may terminate this Agreement by giving five (5) days' written notice to the other party if the party to whom such notice is given is in breach of any material provision of this Agreement. The party giving such notice of termination shall set forth in the notice the facts underlying its claim that the other party is in breach of this Agreement. Notwithstanding the foregoing, this Agreement shall not terminate in the event that the breaching party cures the breach, to the satisfaction of the non-breaching party, within five (5) days of the receipt of such notice.

c. Immediately. This Agreement may be terminated immediately upon the occurrence of any f the following events:

(1) Either facility closes or discontinues operation to such an extent that patient care cannot be carried out adequately, or

(2) Either facility loses its license, or Medicare or Medi-Cal certification.

10. **CHANGES IN LAW.** Notwithstanding any other provision of this Agreement, if the governmental agencies (or their representatives) which administer Medicare, any other payer, or any other federal, state or local government or agency passes, issues or promulgates any law, rule, regulation, standard or interpretation, or if any court of competent jurisdiction renders any decision or issues any other, at any time while this Agreement is in effect, which prohibits, restricts, limits or in any way significantly affects either party's rights or obligations hereunder, either party may give the other notice of intent to amend this Agreement to the satisfaction of both parties, to compensate for such prohibition, restriction, limitation or change. If this Agreement is not so amended in writing within three (3) days after said notice was received, this Agreement shall terminate as of midnight on the third (3rd) day after said notice was received.

11. **COMPLIANCE WITH LAWS**

a. Generally. In carrying out the obligations under this Agreement, both parties shall comply with all applicable laws, rules and regulations of all governmental authorities and accrediting agencies having jurisdiction over the parties and/or this Agreement, including Medicare and Medi-Cal laws, rules and regulations and all hospital and professional licensure and reimbursement laws, regulations, rules and policies.

b. Nondiscrimination. In carrying out the obligations under this Agreement, neither party shall differentiate or discriminate in the provision of medical services to Hospital's patients due to race, color, national origin, ancestry, religion, sex, marital status, sexual orientation, age, physical handicap, medical condition, medical history, genetics, evidence of insurability, or claims history, in violation of any applicable state, federal or local law or regulation, or the rules and regulations of facilities with respect to such matters.

c. Privacy and Confidentiality. In carrying out the obligations under this Agreement, facilities shall comply with all federal and state laws governing the confidentiality and privacy of Hospital's patient health information, including, without limitation, the Health Insurance Portability and Accountability Act of 1996 and implementing regulations.

12. **DISPUTE RESOLUTION**

a. Special Meeting. Except as set forth in Section 13(f) below, in the event of any dispute or disagreement between the parties with respect to this Agreement, either party may request in writing a special meeting for the resolution of the dispute (a "Special Meeting"). The Special Meeting shall be held at a mutually agreeable location within ten (10) days of a written request for the meeting, which request shall specify the nature of the dispute to be resolved. The Special Meeting shall be attended by representatives of both parties (who may or may not be accompanied by legal counsel, in their respective discretion), who shall attempt in good faith to resolve the dispute and shall have reasonable authority to do so.

b. Mediation. If a dispute has not been resolved within thirty (30) days after the date of the Special Meeting or within forty-five (45) days of the written request for the Special Meeting, either party may initiate mediation of the dispute by sending a written request for mediation to the other party. The parties shall meet to jointly select an independent and neutral person qualified to act as a mediator. The mediation proceeding shall commence not more than thirty (30) days after the written request for mediation. The mediation shall be attended by representatives of both parties (who may or may not be accompanied by legal counsel, in their respective discretion), who shall attempt in good faith to resolve the dispute and shall have reasonable authority to do so.

c. Arbitration. If the parties are unable to reach a mutually acceptable resolution to the dispute within thirty (30) days following an initial mediation conference or within sixty (60) days following the written request for mediation, the matter shall be submitted to arbitration. Either party may commence arbitration by giving a written notice to the other party demanding arbitration. There shall be one (1) impartial arbitrator, who shall be experienced in mediation and arbitration and knowledgeable regarding the health care/health related services industry. The parties shall meet to jointly select a single arbitrator to serve in the matter of dispute resolution. If the parties cannot reach agreement as to a mutually acceptable arbitrator within ten (10) days after the demand to arbitrate is made, they shall request that an arbitrator be chosen by JAMS/Endispute, Inc.

d. Hearing. The arbitration process shall consist of an adversary hearing and each party shall have the right to call and cross-examine witnesses under oath and to introduce oral and documentary evidence. The decision of the arbitrator shall be final and binding. The

arbitration hearing shall take place at a location mutually agreed upon by the parties, and shall be governed by the rules of Section 1280 *et. seq.* of the California Code of Civil Procedure.

The arbitration shall be held within sixty (60) days after the appointment of the arbitrator, and in no event shall the taking of evidence before the arbitrator commence more than six (6) months following the date of the written demand for arbitration. In the event that the taking of evidence before the arbitrator does not commence within this time period, the party demanding arbitration shall be able to pursue all legal remedies, including without limitation bringing an action regarding the dispute in a court of law.

e. Good Faith Finding. The arbitrator, in addition to resolving the dispute, shall make a finding whether the parties to the arbitration acted in good faith. If the parties are found by the arbitrator to have acted in good faith, both parties shall equally share in the expenses and fees of the arbitration. However, if one party is found not to have acted in good faith, that party alone will bear the expenses and fees of the arbitration, including attorneys' fees for both parties.

f. Injunctive Relief. Notwithstanding the provisions of this Section 13 and except as provided in Section 13(e) above, each of the parties hereto shall have the right to apply for and obtain a temporary restraining order or other temporary, interim or permanent injunctive or equitable relief from a court of competent jurisdiction in order to enforce the provisions of any part of this Agreement as may be necessary to protect its rights under those Sections.

g. Costs. In the event a court action is brought to enforce or interpret any part of this Agreement, the prevailing party shall be entitled to recover as an element of its costs of suit, reasonable attorneys' fees, as determined by the court.

13. **GOVERNING LAW.** This Agreement shall be construed and enforced in accordance with the laws of California, without regard to conflicts of law rules to the contrary.

14. **PARTIAL INVALIDITY.** If any provision of this Agreement is prohibited by law or court decree of any jurisdiction, said prohibition shall not invalidate or affect the remaining provisions of this Agreement.

15. **NOTICES.** All notices hereunder by either party to the other shall be in writing, delivered personally, by certified or registered mail, return receipt requested, or by overnight courier, and shall be deemed to have been duly given when delivered personally or when deposited in the United States mail, postage prepaid, addressed as follows:

If to:

Seton Medical Center
1900 Sullivan Avenue
Daly City, CA 94015
Attn: Chief Executive Officer

If to:

San Mateo County Medical Center
222 W. 39th Avenue
San Mateo, CA 94403
Attn: Chief Executive Officer

or to such other persons or places as either party may from time to time designate by written notice to the other.

16. **WAIVER.** No delay or omission by either party to exercise any right or remedy under this Agreement shall be construed to be either acquiescence or the waiver of the ability to exercise any right or remedy in the future. Any waiver of any terms and conditions hereof must be in writing, and signed by the parties hereto. A waiver of any term or condition hereof shall not be construed as a future waiver of the same or any other term or condition hereof.

17. **FORCE MAJEURE.** Neither party shall be liable or be deemed in default of this Agreement for any delay or failure to perform caused by Acts of God, war, acts of terrorism, disasters, strikes, or any similar cause beyond the control of either party.

18. **CATASTROPHE.** In the event that the facilities of either party shall be partially damaged or destroyed by fire, earthquake or other catastrophe, and such damage is sufficient to render the facilities untenantable but not entirely or substantially destroyed, this Agreement may be suspended by the affected party until such time as it determines that the premises or the facilities shall again be tenantable. In the event the affected party determines that its facilities have been entirely or substantially destroyed by fire, earthquake, or other catastrophe, this Agreement may be terminated by either party upon ten (10) days' written notice to the other; or, in the alternative, this Agreement shall be suspended until such time as the affected party shall erect or otherwise acquire new facilities with accommodations substantially similar to those provided herein, in the event that the affected party gives written notice to non-affected party that it shall erect or otherwise acquire facilities. Nothing in this Agreement shall obligate the affected party to erect or otherwise acquire such facilities.

19. **SEVERABILITY.** The provisions of this Agreement shall be deemed severable and if any portion shall be held invalid, illegal or unenforceable for any reason, the remainder of this Agreement shall be effective and binding upon the parties.

20. **ASSIGNMENT AND DELEGATION.** Neither party shall assign or delegate any of its rights or obligations under this Agreement, and any such assignment or delegation is expressly prohibited and shall be void. This Agreement shall be binding upon and inure to the benefit of the permitted successors and assigns of the parties hereto.

21. **AMENDMENT.** This Agreement may be amended at any time by mutual agreement of the parties, provided that before any amendment shall become effective, it shall be reduced to writing and signed by the parties.

22. **ENTIRE AGREEMENT.** This Agreement constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and may be altered or amended only by a written instrument executed by each of the parties hereto. This Agreement supersedes all prior agreements, negotiations, and communications of whatever type, whether written or oral, between the parties hereto with respect to the subject matter hereof.

23. **CAPTIONS.** Any captions or headings of the articles, sections, subsections, paragraphs, or subparagraphs of this Agreement are solely for the convenience of the parties, are

not a part of this Agreement and shall not be used for the interpretation or determination of validity of this Agreement or any provision hereof.

24. CUMULATION OF REMEDIES. The various rights, options, elections, powers, and remedies of the respective parties hereto contained in, granted, or reserved by this Agreement, are in addition to any others that said parties may be entitled to by law, shall be construed as cumulative, and no one of them is exclusive of any of the others, or of any right or priority allowed by law.

25. NO THIRD PARTY RIGHTS. The parties do not intend the benefits of this Agreement to inure to any third person not a signatory hereto. Notwithstanding anything contained herein, or any conduct or course of conduct by any party hereto, before or after signing this Agreement, this Agreement shall not be construed as creating any right, claim or cause of action against either party by any person or entity not a party to this Agreement.

26. CONSTRUCTION OF AGREEMENT. The parties agree that each party and its counsel have fully participated in the review and revision of this Agreement and that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this Agreement or any amendment hereto or exhibit herein or therein.

27. COUNTERPARTS. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all such counterparts together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the day and year first above written.

Amendment No. 4

To

RAIL SHUTTLE BUS SERVICE ADMINISTRATION AGREEMENT BETWEEN SAN MATEO COUNTY TRANSIT DISTRICT AND SETON MEDICAL CENTER FOR SETON SHUTTLE

THIS AMENDMENT modifies the Rail Shuttle Bus Service Administration Agreement ("Agreement"), which was effective August 21, 2014, by and between the San Mateo County Transit District ("District" or "SamTrans") and Seton Medical Center ("Lead Organization").

The District and the Lead Organization entered into the Agreement, whereby the Lead Organization participates in the District Shuttle Bus Services program; and

The Agreement was modified previously to extend the Agreement and adjust the contribution and payment terms; and

The last modification was memorialized pursuant to Amendment Number 3, which was effective July 1, 2017; and

The Agreement is set to expire on June 30, 2018; and

The Parties desire to amend the Agreement and extend the Agreement for another twelve-month period and set forth the contribution and payment terms applicable during said extension; in accordance with the terms and conditions of this Fourth Amendment.

NOW THEREFORE, IT IS AGREED to amend the Agreement as follows:

1. Section 2 of the Agreement, Lead Organization, is amended by adding the following language as the fourth paragraph:

> During the twelve (12) month extension of the Agreement, commencing July 1, 2018 and ending June 30, 2019, the Lead Organization shall provide a minimum Twenty-Five percent (25%), financial share excluding contributions from the District described under Section 5 of the Agreement, Maximum Contribution; Payment, as amended.

2. Section 4 of the Agreement, Term, is amended by adding the following language as the fourth paragraph:

> Effective July 1, 2018, the term of the Agreement shall be extended for twelve (12) months commencing July 1, 2018 and ending June 30, 2019.

3. Section 5 of the Agreement, Maximum Contribution; Payment is amended by adding the following language as the fourth paragraph:

> During the twelve (12) month extension of the Agreement, commencing July 1, 2018 and ending June 30, 2019, the District's maximum contribution (which includes contributions from all other funding agencies involved, if any) for Shuttle Service shall not exceed Seventy-Five Thousand Dollars ($75,000) or Seventy-Five percent (75%) of the actual total operating costs for the Shuttle Service as determined by the District, **whichever amount is less**.

4. Effective July 1, 2018, the following Exhibits have been deleted and replaced by revised Exhibit(s):

> EXHIBIT G GRANTING ENTITIES

Except for those changes expressly specified in this Fourth Amendment, all other provisions, requirements, conditions, and sections of the underlying Agreement shall remain in full force and effect.

SAN MATEO ACE PROGRAM
HOSPITAL AGREEMENT

This Agreement is made this **1st day of January, 2013**, by and between the San Mateo Community Health Authority, dba Health Plan of San Mateo, a public entity, hereinafter referred to as "PLAN", and **Seton Medical Center**, a hospital corporation, hereinafter referred to as "HOSPITAL."

RECITALS

WHEREAS, PLAN is a public entity that has entered into or will enter into and maintain a contract with the San Mateo County Health System to provide third party administration services for the San Mateo ACE Program starting January 1, 2009, pursuant to which individuals who subscribe and are enrolled under the San Mateo ACE Program (hereinafter referred to as "Participants" will receive health services hereinafter defined as "Covered Services," that will be administered by the PLAN;

WHEREAS, PLAN is authorized to negotiate and to enter into hospital agreements with institutional health care providers for the purpose of arranging for the provision of "Covered Services" to ACE Program Participants; and

WHEREAS, HOSPITAL, a general acute care facility licensed in accordance with the requirements of the California Health Facilities Licensure Act (Health and Safety Code, Sections 1250 et seq.), and the regulations promulgated pursuant thereto, is currently certified under Title XVIII of the Federal Social Security Act, and is equipped, staffed, and prepared to provide Benefits to Participants; and

WHEREAS, the parties hereto desire to enter into this Agreement to provide a statement of their respective rights and responsibilities in connection with the provision of Benefits to ACE Program Participants by HOSPITAL during the term hereof;

NOW THEREFORE, in consideration of the mutual promises and covenants hereinafter contained the parties agree as follows:

ARTICLE I
DEFINITIONS

General Meaning of Words and Terms - The words and terms used in this Agreement, and any and all attachments, are intended to have their usual meanings unless specifically defined in this Article I or elsewhere in this Agreement.

A. "ACE Program" The term "ACE Program" or "San Mateo ACE Program" or "Access and Care for Everyone Program" shall mean the consolidated health care coverage program for indigent residents of San Mateo County that includes both the Coverage Initiative benefit and the formerly named Wellness-Education-Linkage-Low Cost (WELL) Program. The ACE Program is not an insurance product licensed under the Knox-Keene Act.

B. "Acute Medical/Surgical Day" shall mean a day approved in an acute care inpatient facility which provides a medical-surgical, intensive, or other inpatient care not specifically designated as ICU Heart Day, Obstetrical Common Day, Nursery Common Day, Acute Psychiatric Day, ICU Burn Day, Neonatal Critical Care Day, Pediatric Critical Care Day, Obstetrical Critical Care Day, or Administrative Day.

C. "Acute Psychiatric Day" shall mean a day of that care provided on an inpatient facility basis to persons whose primary diagnosis is mental disorder, and whose care is approved by PLAN as such. Acute Psychiatric Days are Excluded Services under the San Mateo ACE Program.

D. "Administrative Day" shall mean any day of care in an acute care facility for which acute inpatient care is not required, and whose care has been approved by PLAN as such. Administrative Days are Excluded Services under the San Mateo ACE Program.

E. "Attending Physician" shall mean (a) any Physician who is acting in the provision of Emergency Services or in an acute care setting to meet the medical needs of the Participant or (b) any Physician who is, through delegation from the Participant's Primary Care Physician, actively engaged in the treatment or evaluation of a Participant's condition.

F. "Authority" shall mean the San Mateo Community Health Authority, also known as Health Plan of San Mateo.

G. "Benefits" or "Covered Services" shall mean those health services and supplies which Participant is entitled to receive under the ACE Program and which are set forth in Exhibit 1 of this Agreement, the San Mateo ACE Program Participant Handbook, and in PLAN's Provider Manual.

H. "Claim" shall mean a claim for compensation filed by HOSPITAL in accordance with PLAN's policies and procedures as defined in the HPSM Provider Manual and Bulletins.

I. "Contracting Hospital" shall mean any hospital which has entered into a medical services agreement with PLAN.

J. "Contracting Physician" shall mean a person who holds a degree of Doctor of Medicine or Osteopathy, who is licensed to practice medicine in State of California, and who has contracted with PLAN either directly or through a group contract to provide medical services to ACE Program participants.

K. "Contracting Primary Care Provider Clinic" or "PCP Clinic" shall mean a Participating Provider duly licensed in California and certified by the Medi-Cal Program and who has executed an Agreement with the PLAN to provide the services of a PCP Clinic.

L. "Copayment" shall mean the fee prescribed by San Mateo ACE Program and paid by Participants for Covered Services as applicable.

M. "Emergency Services" shall mean those HOSPITAL services required to relieve a medical condition which is manifested by acute symptoms of sufficient severity, including severe pain, such that a prudent lay person who possesses an average knowledge of health and medicine could reasonably expect the absence of immediate medical attention to result in:

i) placing the health of an individual (or, in the case of a pregnant woman, the health of the woman or her unborn child) in serious jeopardy
ii) serious impairment of bodily functions, or
iii) serious dysfunction of any bodily organ or part.

Emergency services and care include psychiatric screening, examination, evaluation, and treatment by a physician or other personnel to the extent permitted by applicable law and within the scope of their licensure and privileges. Emergency Services are Excluded Services under the San Mateo ACE Program, except if provided to an ACE/MCE participant at the San Mateo Medical Center or to a MCE Participant by HOSPITAL.

N. "Excluded Services" shall mean those health care services which are excluded as non-covered services in Exhibit 1, the San Mateo ACE Program Participant Handbook, and/or that are noted throughout this Agreement to be an Excluded Service, for which the Participant is financially responsible. These services may also be called "Non-Covered Services".

O. "Health Plan of San Mateo" (HPSM) shall mean the health plan governed by the San Mateo Community Health Authority.

P. "ICU Burn Day" shall mean a day of that care provided on an inpatient basis to persons whose primary diagnosis is extensive burn, and whose care has been approved by PLAN as such.

Q. "ICU Heart Day" shall mean a day approved in an acute care inpatient facility for patients undergoing open-heart surgery or other procedures such as percutaneous transluminal coronary angioplasty so approved by PLAN.

R. "Identification Card" shall mean that card issued by PLAN and which bears the name and symbol of PLAN and contains: Participant name and identification number, Participant's Primary Care Provider Clinic and other identifying data. The card is not proof of participant eligibility.

S. "Inpatient Services" includes, but is not limited to, the following services when ordered by a Participant's physician or other qualified health practitioner and rendered in accordance with Section 51327 of Title 22 of the California Administrative Code to a participant, subject, however, to such exclusions, limitations, exceptions, and conditions as are otherwise set forth in any provision of this Agreement or an Exhibit thereto:

(1) Bed and Board required for the delivery of medically necessary services;

(2) Medical, nursing, surgical, pharmaceuticals, dietary services, medical social services, biologicals, supplies, appliances and equipment provided on an inpatient basis, with the exception of those services and items which Hospital is not equipped or staffed to provide, or which are identified as Excluded Services in Exhibit 1, the San Mateo ACE Program Participant Handbook, or which are identified as an Excluded Service throughout this Agreement;

(3) Diagnostic and therapeutic services required by the Participant, which shall exclude physicians' services, except as noted as Excluded Services in Exhibit 1 or throughout this Agreement. HOSPITAL shall not be responsible for assuring that Participant will be able to obtain physician services.

(4) Administrative Services required in providing inpatient services hereunder.

T. "Long-Term Care Services" shall mean any sub- acute level inpatient services, including but not limited to the following: Skilled Nursing Facilities Services, Intermediate Care Facilities Services, Extended Care Services, and Sub-Acute Level Services excluding PLAN approved administrative days. Long-Term Care Services are Excluded Services under the San Mateo ACE Program.

U. "May" is used to indicate a permissive or discretionary term or function.

V. "MCE" shall mean those participants of the ACE Program that meet the criteria of the San Mateo County Medicaid Coverage Expansion Program, which is defined as individuals who are documented citizens at or below 133 percent of the Federal Poverty Level (FPL).

W. "Medical Director" shall mean the Medical Director of PLAN.

X. "Medi-Cal Rates" shall mean the schedule of Medi-Cal maximum allowances and rates of payment for physician and non-physician hospital services in effect for California's Medi-Cal program at the

time the services were rendered.

Y. "Medical Interpreter" shall mean a person fluent in English and in the necessary second language, providing language services at medical points of contact with language proficiency related to clinical settings.

Z. "Neonatal Critical Care Day" shall mean a day of care provided on an inpatient basis to a child whose neonatal care requires the provision of specialized services whose need for such care has been determined by the Medical Director. Neonatal Critical Care Days are not Covered Services under the San Mateo ACE Program.

AA. "Non-Medical Interpreter" shall mean a person fluent in English and the necessary second language, providing language services at non-medical points of contact with language proficiency related to the specific setting or circumstance.

BB. "Nursery Common Day" shall mean a day of that care provided on an inpatient basis to newborns when the mother is also an inpatient in the HOSPITAL. Nursery Common Days are not Covered Services under the San Mateo ACE Program.

CC. "Obstetrical Common Day" shall mean a day approved in an acute care inpatient facility for patients delivering a baby when the newborn child (children) is an inpatient at the HOSPITAL. Obstetrical Common Days are not Covered Services under the San Mateo ACE Program.

DD. "Obstetrical Critical Care Day" shall mean a day of care provided on an inpatient basis to women whose obstetrical care requires a specialized level of service. Obstetrical Critical Care Days are not Covered Services under the San Mateo ACE Program.

EE. "Outpatient Services" shall mean all HOSPITAL Covered Services other than Inpatient Services and Emergency Services provided to a Participant.

FF. "Participant" shall mean an individual who is enrolled in good standing with the ACE Program.

GG. "Participant Handbook" shall mean the document issued by the Authority to Participants that describes Covered Services and Non-Covered Services under the San Mateo ACE Program.

HH. "Pediatric Critical Care Day" shall mean a day of care provided on an inpatient basis to a child whose pediatric care requires the provision of specialized services not currently available at all contract hospitals and whose need for such care has been determined by the Medical Director. Pediatric Critical Care Days are not Covered Services under the San Mateo ACE Program.

II. "Physician" shall mean an individual licensed to practice medicine or osteopathy in accordance

with applicable California law.

JJ. "Contracting Provider" shall mean a health professional or institution licensed and certified to provide Covered Services to ACE Participants and who has executed an agreement with PLAN.

KK. "Referral/Authorization" shall mean the process by which Participating Physicians or Providers direct a Participant to seek or obtain Covered Services from a health professional, hospital or any other Provider of Covered Services in accordance with HPSM's referral and authorization procedures. Referral is required for all services provided by HOPSITAL.

LL. "Referral Physician" shall mean a Participating Physician who is professionally qualified to practice his/her designated specialty and to whom the PCP Clinic may refer any Participant for consultation or treatment.

MM. "Referral Services" shall mean any services which are not Primary Care Services and which are provided by physicians on referral from the PCP Clinic or by the PCP Clinic.

NN. "San Mateo County" shall also be referred to as "County".

OO. "Shall" is used to introduce an obligation of either the PLAN or the HOSPITAL, and is mandatory.

PP. "Threshold Language" shall mean primary languages spoken by Limited English Proficient Member (LEP) population groups meeting a numeric threshold of 3,000 eligible Participants residing in a county. Additionally, languages spoken by a population of eligible LEP Participants residing in a county, who meet the concentration standard of 1,000 in a single ZIP code or 1,500 in two contiguous ZIP codes, are also considered threshold languages for a county. Threshold languages in each county are designated by the California Department of Health Care Services.

QQ. "Utilization Management (UM)" shall mean those review processes and procedures which are designed to determine whether services are Covered Services or medically necessary and which all Participating Providers must follow.

ARTICLE II
HOSPITAL PERFORMANCE PROVISIONS

A. Services Provided by HOSPITAL. HOSPITAL shall provide Benefits to Participants and all other services designated by PLAN, subject to the availability of appropriate HOSPITAL facilities and HOSPITAL services.

B. Services Neither Covered Nor Compensated. HOSPITAL shall not be obligated to provide

Participants with, and the PLAN shall not be obligated to compensate HOSPITAL for Benefits excluded from the ACE Program's scope of benefits, as identified in the San Mateo ACE Program Participant Handbook document, PLAN's Provider Manual, or this Agreement. Excluded Services include, but are not limited to:

(1) Acute Psychiatric Days
(2) Administrative Days
(3) Emergency Services, except if provided at the San Mateo Medical Center or to a MCE Participant by HOSPITAL
(4) Long-Term Care Services
(5) Neonatal Critical Care Days
(6) Nursery Common Days
(7) Obstetrical Common Days
(8) Obstetrical Critical Care Days
(9) Pediatric Critical Care Days

C. Availability of Services.

(1) HOSPITAL shall not differentiate or discriminate in the treatment of PLAN's Participants, nor shall HOSPITAL discriminate on the basis of race, religion, sex, marital status, sexual orientation or age, except as limited by the scope of services HOSPITAL is qualified to provide. HOSPITAL shall render services to Participants in the same manner, in accordance with the same time availability as offered HOSPITAL's other patients, except as limited by ACE Program restrictions.

(2) Throughout the term of this Agreement and subject to the conditions within the Agreement, HOSPITAL shall use its best efforts to maintain its current facilities, equipment and patient service personnel (as well as allied health personnel), as HOSPITAL, in its reasonable discretion, may employ, to meet HOSPITAL's obligation to provide Benefits hereunder.

(3) The parties acknowledge that HOSPITAL is an institution operated in accordance with the Ethical and Religious Directives applicable to Catholic Health Care Services. Notwithstanding any provision of this Agreement to the contrary, HOSPITAL shall not be required, nor shall any provision hereof be construed to require HOSPITAL, to provide services or participate in activities that are inconsistent with the medical ethics or precepts of the Catholic Church.

(4) HOSPITAL shall retain the right, within its sole discretion, to alter, enlarge, reconstruct, modify, or shut down all or any part of its facilities, provided, however, that written notice of

any action described herein, which would materially affect the services available to Participants hereunder, shall be given to PLAN at least sixty (60) days prior to implementation of such change, and PLAN shall have the right to terminate this Agreement upon providing HOSPITAL with thirty (30) days prior written notice given at any time within the foregoing sixty (60) day notice period.

D. Standards of Care. HOSPITAL shall, in rendering services to Participants, provide hospital care in accordance with recognized HOSPITAL and professional standards and applicable State licensing laws and regulations.

E. Emergency Services. Both parties recognize that the provision of Emergency Services, both in HOSPITAL's Emergency Department and for inpatients who require immediate treatment for conditions, requires the professional care of a physician who is immediately available on or near HOSPITAL premises. HOSPITAL has arranged for the provision of such services to all patients of HOSPITAL requiring such services, and shall arrange for such services to be provided on the same basis as they are provided to all other patients of HOSPITAL. HOSPITAL agrees, however, that PLAN shall not be responsible for the payment for treatment and services rendered by HOSPITAL's Emergency Department or its physician(s) hereunder. Emergency Services are not Covered Services under the San Mateo ACE Program unless they are provided at the San Mateo Medical Center or to a MCE Participant by the HOSPITAL. Instead, HOSPITAL shall be responsible for providing Emergency Services to Participants under its SB 12 charity care requirements. HOSPITAL may seek to repatriate Participants who receive Emergency Services to San Mateo Medical Center once the Participant's condition is stable.

F. PLAN Not to Interfere with HOSPITAL. PLAN and HOSPITAL agree that PLAN is responsible for paying for medical care, and that HOSPITAL shall not be entitled to reimbursement for any services provided to a Participant unless HOSPITAL has obtained the necessary authorization from PLAN in accordance with PLAN's procedures. The Participant's Attending Physician shall determine the need for acute care in accordance with national professionally recognized standards of medical practice, and Participant's Attending Physician shall decide the course of treatment which is medically necessary. Nothing in this agreement is intended to create (nor shall it be construed to create) any right in PLAN or Contracting Physicians (except in their capacity as members of HOSPITAL's medical staff) to intervene with the method(s) by which HOSPITAL or Attending Physicians render services hereunder. PLAN shall have no authority to override the medical judgment of a Participant's Attending Physician.

G. Licensure and Certification.

(1) HOSPITAL hereby represents and warrants that it is currently, and for the duration of this Agreement shall remain, licensed as a general acute care hospital in accordance with Sections 1250 et seq. of the Health and Safety Code and the licensing regulations contained in Titles 22 and 17 of the California Administrative Code.

(2) HOSPITAL hereby represents and warrants that it is currently, and for the duration of this Agreement shall remain, certified under Title XVIII of the Federal Social Security Act.

H. Utilization Controls. Plan shall not be obligated to pay HOSPITAL for any services provided to a Participant unless HOSPITAL adheres to all Utilization Management requirements and obtains prior authorization for services in accordance with ACE Program rules. Specifically, all services provided by HOSPITAL must have a referral from an ACE Program PCP Clinic that is approved by PLAN for services to be payable by PLAN. In addition, certain procedures, as documented in HPSM's Provider Manual and Provider Bulletins, require prior authorization.

I. Notification of Emergency Services. HOSPITAL shall provide Emergency Services to each Participant who presents at HOSPITAL's Emergency Room and who, within the judgment of the Attending Physician, requires such Emergency Services.

ARTICLE III
PLAN PERFORMANCE PROVISIONS

A. Payment Obligation. PLAN shall pay HOSPITAL those amounts set forth and in the manner and at the times as specified in Exhibit 2, Reimbursement Addendum to this Agreement for Benefits provided to Participant's hereunder (Exhibits 2 is attached hereto and hereby incorporated by reference), except as noted in Article IV Section C below.

B. List of Participating Physicians. PLAN shall provide HOSPITAL with a continually updated list of all Participating Physicians no less frequently than once every calendar year.

ARTICLE IV
REIMBURSEMENT FOR SERVICES

A. HOSPITAL Services. PLAN shall pay to HOSPITAL, and HOSPITAL shall accept from PLAN in full and final satisfaction of PLAN's reimbursement obligation for Covered Services provided to Participants by HOSPITAL hereunder, those amounts set forth and in the manner and at the times as specified in Exhibit 2 to this Agreement

B. Frequency of Adjudication. PLAN shall adjudicate claims for the ACE Program no less frequently than once every calendar month.

C. Insufficient Funds. HOSPITAL acknowledges that PLAN remits payment to HOSPITAL under PLAN's role as a contracted third party administrator to San Mateo County. As such, PLAN's ability to remit payment to HOSPITAL is contingent on the availability of funding from San Mateo County to cover payments to HOSPITAL and other Participating Providers. Should PLAN lack sufficient funding from San Mateo County to cover payments to providers for the San Mateo ACE Program for any given adjudication cycle, PLAN retains the right to withhold payment until such time as sufficient funding is made available to PLAN. In addition, should sufficient funding not be made available within a timely manner, HOSPITAL agrees that San Mateo County maintains ultimate payment responsibility for Covered Services provided under the San Mateo ACE Program and that HOSPITAL shall seek such payment from San Mateo County rather than PLAN.

D. Participant Billing. HOSPITAL shall not submit claims to or demand or otherwise collect reimbursement from Participants, or from other persons on behalf of Participants, for any service included in the ACE Program scope of benefits in addition to a claim submitted to the PLAN for that service.

E. No State Reimbursement. HOSPITAL agrees to hold harmless Participants and the State of California, its officers, agents, and employees in the event the PLAN cannot or will not pay for services rendered or materials provided pursuant to the terms of this Agreement.

ARTICLE V
CONTRACTING PHYSICIANS

A. Relationship of HOSPITAL and Contracting Physicians. It is expressly understood and agreed that no Contracting Physician or other Physician shall be entitled to admit, or treat, or prescribe for Participants in HOSPITAL if Physician is not a member in good standing of HOSPITAL's Medical

Staff with appropriate clinical privileges to admit and treat Participant in HOSPITAL. Medical Staff membership and clinical privileges may be granted to Contracting Physicians by HOSPITAL's Governing Board, acting in conjunction with its Medical Staff, in accordance with the standards, procedures, and other provisions of HOSPITAL's Medical Staff Bylaws and the Rules and Regulations relating thereto which have been adopted by HOSPITAL's Medical Staff with the approval of said Board.

B. HOSPITAL Privileges of Contracting Physicians. Nothing contained in this Agreement shall be construed to grant any greater rights to Contracting Physicians with respect to the granting and retention of Medical Staff membership and privileges than are available to any other Physician HOSPITAL and any delegate performing the covenants of the HOSPITAL shall not deny medical staff membership or clinical privileges for reasons other than a Physician's individual qualifications as determined by professional and ethical criteria, uniformly applied to all medical staff applicants and members. Determination of medical staff membership or clinical privileges shall be made in accordance with Hospital's established rules and policies.

HOSPITAL shall henceforth notify PLAN when it revokes or modifies privileges of any Physician who is also contracted with PLAN. Written notification shall be submitted to the PLAN at the time of occurrence or at least on a quarterly basis.

ARTICLE VI
PAYMENT PROCEDURES

A. Billing Procedures. Completed Claims submitted by HOSPITAL to the PLAN shall be paid by the PLAN in accordance with PLAN's policies as evidenced in the HPSM Provider Manual and Bulletins, notwithstanding Article IV Section C above.

B. Day of Services. A day of service shall be billed and paid for each Participant who occupies an inpatient bed to receive acute inpatient care at 12:01 a.m. in the facilities of either HOSPITAL or an appropriately licensed HOSPITAL subcontractor. However, a day of service may be billed if the Participant is admitted and discharged during the same day provided that such admission and discharge are not within twenty-four (24) hours of a prior discharge. Payment for said day shall be the lesser of billed charges or the amounts set forth in Exhibit 2 to this Agreement. There shall be no separate billing hereunder for those Outpatient and Emergency Services provided to a Participant during the same calendar day as the admission of the Participant to HOSPITAL when the foregoing services are directly related to the condition(s) for which the Participant is admitted to

HOSPITAL.

C. Participant Notification. HOSPITAL shall comply with existing State and Federal law and regulations promulgated thereto pertaining to the issuance of explanations of benefits for Participants.

D. Discharge Planning. HOSPITAL shall continue to be responsible for discharge planning and HOSPITAL shall prepare a written discharge summary within thirty (30) days of Participant's discharge and shall make said summary available to PLAN upon receiving a prior written request from PLAN. Said discharge summary shall contain that information ordinarily prepared by HOSPITAL and provided to patients and third-party payors at the time a bill for service is submitted.

ARTICLE VII
INSURANCE

A. PLAN Insurance. PLAN, at its sole cost and expense, shall procure and maintain a professional liability policy in the amount of $1,000,000.00 to insure PLAN and its agents, and employees, acting within the scope of their duties, against any claims for personal injury or death occasioned directly or indirectly by PLAN or by its agents, or employees in connection with the performance of PLAN's responsibilities under this Agreement.

B. HOSPITAL Insurance. HOSPITAL and its subcontractors providing patient care services at their sole cost and expense, shall procure and maintain policies or self-insurance programs of comprehensive general liability, professional liability in excess of $1,000,000.00, and other insurance as shall be necessary to insure HOSPITAL and its agents, employees, and subcontractors acting within the scope of their duties, against any claims for personal injury or death occasioned directly or indirectly by HOSPITAL or by its agents, or employees in connection with the performance of HOSPITAL's responsibilities under this Agreement.

C. HOSPITAL Indemnification. HOSPITAL agrees to indemnify, defend and hold harmless PLAN, its agents, officers and employees from and against any and all liability, expense, including defense costs and legal fees, and claims for damages of any nature whatsoever, including, but not limited to, bodily injury, death, personal injury, or property damage arising from or connected with HOSPITAL's operations or its services hereunder. This provision is not intended to nor shall it be construed to require HOSPITAL to indemnify PLAN for any PLAN liability independent of that of

HOSPITAL, nor to cause HOSPITAL to be subject to any liability to any third party (either directly, or as an indemnitor of PLAN or its agents, officers, and employees) in any case where HOSPITAL liability would not otherwise exist. Rather, the purpose of this provision is to assure that PLAN and its agents, officers, and employees, will be provided with indemnification for and a defense to any vicarious or other indirect liability or claim against PLAN or such agents, officers, or employees resulting from the actions or other omissions of HOSPITAL in connection with HOSPITAL's operations or its services under this Agreement.

D. PLAN Indemnification. PLAN agrees to indemnify, defend and hold harmless HOSPITAL, its agents, officers and employees from and against any and all liability, expense, including defense costs and legal fees, and claims for damages of any nature whatsoever, including, but not limited to, bodily injury, death, personal injury, or property damage arising from or connected with PLAN's operations or its services hereunder. This provision is not intended to nor shall it be construed to require PLAN to indemnify HOSPITAL for any HOSPITAL liability independent of that of PLAN, nor to cause PLAN to be subject to any liability to any third party (either directly, or as an indemnitor of HOSPITAL or its agents, officers, and employees) in any case where PLAN liability would not otherwise exist. Rather, the purpose of this provision is to assure that HOSPITAL and its agents, officers, and employees, will be provided with indemnification for and a defense to any vicarious or other indirect liability or claim against HOSPITAL or such agents, officers, or employees resulting from the actions or other omission of PLAN in connection with PLAN's operations or its services (including utilization review services) under this Agreement.

ARTICLE VIII
RECORDS, AUDITS, AND REPORTS

A. Inspection Rights

(1) HOSPITAL shall make all of its books and records, pertaining to the goods and services furnished under the terms of this Agreement, available for inspection, examination or copying:

(a) By the PLAN, all applicable county, state and federal agencies, and self regulatory agencies.

(b) At all reasonable times at the HOSPITAL or at such other mutually-agreeable location in California.

(c) In a form maintained in accordance with the general standards applicable to such book or recordkeeping.

(d) For a term of at least five (5) years from the close of the state's fiscal year in which this Agreement was in effect.

(2) These audits or reviews may evaluate the following pertinent to Participants:

(a) Level and quality of care, and the necessity and appropriateness of the services provided.

(b) Internal procedures for assuring efficiency, economy, and quality of care.

(c) Grievances relating to medical care and their disposition.

(d) Financial records when determined necessary by the PLAN to assure accountability for public funds.

(3) The parties agree that the purpose of the audits and reviews authorized by this Paragraph VIII A is solely to assess the HOSPITAL and HOSPITAL's subcontract's compliance with the terms and conditions of this Agreement.

(4) HOSPITAL does not waive the provisions of Evidence Code 1157 with regard to Medical Staff records.

B. Records to be Kept; Audits or Review; Availability; Period of Retention.

(1) HOSPITAL shall maintain books, records, documents, and other evidence, using accounting procedures and practices sufficient to reflect properly all direct and indirect costs of whatever nature claimed to have been incurred in the performance of this Agreement in accordance with generally accepted accounting principles.

(2) HOSPITAL shall maintain the above information in accordance with Medicare principles of reimbursement, and shall be consistent with the requirements of the California Health Facilities Commission. In cases where any of the above requirements are in conflict, HOSPITAL's compliance with any one of such requirements is sufficient.

(3) HOSPITAL shall maintain medical records required by Sections 70747-70751 of Title 22 of the California Code of Regulations, and other records related to a Participant's eligibility for services, the service rendered, the Participant to whom the service was rendered, the date of the service, the medical necessity of the service and the quality of the service provided. Records shall be maintained in accordance with Section 51476 of Title 22 of the California Code of Regulations, and the provisions of the Knox-Keene Health Care Service Plan Act of 1975, as amended, and the regulations promulgated thereunder. Such Obligations shall not be terminated upon termination of this Agreement.

C. HOSPITAL's Subcontracts. HOSPITAL shall maintain and make available to PLAN, San Mateo County, and all applicable state and federal agencies, and self regulatory agencies, upon written request, copies of all subcontracts for the performance of any of HOSPITAL's obligations under this Agreement. HOSPITAL shall further assure that all subcontracts entered into from the effective date of this Agreement shall require that the subcontractor:

(1) Make all applicable books and records available at all reasonable times for inspection, examination, or copying by the PLAN, San Mateo County, all applicable state and federal agencies, and self regulatory agencies.

(2) Retain such books and records for a term of five (5) years from the close of the state's fiscal year in which the subcontract became effective.

D. Confidentiality of Participant Information. Notwithstanding any other provision of this Agreement, names of Participants hereunder are confidential and are to be protected from unauthorized disclosure in accordance with state and federal laws. For the purpose of this Agreement, all information, records, date, and data elements collected and maintained for the operation of the Agreement and pertaining to Participants shall be protected by the HOSPITAL from unauthorized disclosure.

E. Third-Party Liability. HOSPITAL shall report to PLAN, when HOSPITAL discovers that Benefits rendered either directly by HOSPITAL or through the instrumentality of a HOSPITAL subcontractor

are covered, in whole or in part, by workers' compensation, tort liability, or casualty insurance.

ARTICLE IX
PATIENT RIGHTS

A. Patient Rights. The HOSPITAL or any subcontractor performing the obligations of the HOSPITAL pursuant to the terms of this Agreement shall adopt and post in a conspicuous place a written policy on patient's rights in accordance with Section 70707 of Title 22 of the California Code of Regulations.

ARTICLE X
TERM, TERMINATION, AND EFFECT OF TERMINATION

A. Term. The term of this Agreement shall commence on January 1, 2013 and shall terminate on December 31, 2013. This Agreement will automatically renew for successive twelve (12) month periods on the same terms and conditions (including subsequent amendments) unless terminated pursuant to the terms of this Agreement.

B. Termination Without Cause. HOSPITAL or PLAN may terminate this Agreement without cause upon providing the other party with ninety (90) days prior written notice.

C. Termination for Material Breach. Either party shall have the right to terminate this Agreement upon providing thirty (30) days prior written notice to the other party if the party to whom such notice is given is in material default under this Agreement. The party claiming the right to terminate hereunder shall set forth in the notice of intended termination required hereby the effective date of such termination and the facts underlying its claim that the other party is in breach of this Agreement. If HOSPITAL or PLAN remedies such alleged breach within twenty (20) days of the receipt of such notice, the Agreement shall remain in effect for the remaining term and such termination notice shall no longer be in effect. Notwithstanding the other provisions of this paragraph, the PLAN may immediately suspend this Agreement pending completion of applicable termination procedures, if PLAN makes a reasonable determination, supported by written findings, that the health and welfare of Participants is jeopardized by continuation of the Agreement.

D. Termination Based upon Unforeseen Events. In the event there are (1) changes effected in the PLAN's contract with San Mateo County, or (2) changes effected in San Mateo County ACE

Program, or (3) substantial changes in public or private health and/or hospital care insurance programs or policies which will have a material detrimental financial effect on the operations of HOSPITAL or PLAN, HOSPITAL or PLAN may terminate this Agreement upon providing the other party with thirty (30) days prior written notice. In any case where such notice is provided, both parties shall negotiate in good faith during such thirty (30) day period in an effort to develop a revised Agreement, which, to the extent reasonably practicable, under the circumstance, will adequately protect the interests of both parties in light of the governmental program or private insurance policy changes which constituted the basis for the exercise of this termination provision.

E. Termination for Insufficient Provider Participation. If, for any reason, PLAN is unable to enter into or maintain service contracts with sufficient numbers of Physicians on the Medical Staff of Participating Hospitals to assure adequate Participant access to needed Covered Services, the PLAN may terminate this Agreement upon thirty (30) days written notice to HOSPITAL.

F. Termination by U.S. Department of Health and Human Services or San Mateo County. If the qualification of HOSPITAL under the Federal Social Security Act is terminated or ceases for any reason or if the PLAN's ACE Program contract with the County of San Mateo is terminated or ceases for any reason, PLAN shall give HOSPITAL immediate written notice of the foregoing termination(s) and this Agreement shall terminate in accordance with the terms under D of this Article.

G. Effect of Termination. As of the date of termination pursuant to any provision of this Agreement, this Agreement shall be of no further force or effect whatsoever, and each of the parties hereto shall be relieved and discharged herefrom, except that PLAN shall remain liable for all Benefits rendered to Participants up to the date of termination and for any Benefits rendered hereunder after such date until such time as appropriate transfer (or other medically acceptable disposition) of Participants receiving inpatient services as of the date of termination is achieved.

H. Termination for Interruption. PLAN may terminate Agreement upon ten (10) days written notice pursuant to Article XI A.

I. Amendments to Avoid Termination. If the provisions of Article X D of this Agreement are invoked, the party who invokes them shall make all reasonable efforts, if so requested by the other party, to negotiate amendments to this Agreement which will bring the terms of the Agreement in compliance with such statute, regulation, or judicial decision.

ARTICLE XI
INTERRUPTIONS

A. Cause Beyond Control of HOSPITAL. In the event the operations of HOSPITAL's facilities, or any substantial portion thereof, are interrupted by war, fire, insurrection, riots, the elements, earthquakes, acts of God, or without limiting the foregoing, any other cause beyond the control of HOSPITAL, the HOSPITAL shall be relieved of its obligations with respect to the provisions of this Agreement (or such portions hereof which HOSPITAL is thereby rendered incapable of performing) for the duration of such interruptions. Nothing contained herein shall be construed to limit or reduce PLAN's obligation to pay HOSPITAL for Benefits rendered to Participants prior to or subsequent to an event described herein. Should a substantial part of the services which HOSPITAL has agreed to provide hereunder be interrupted for a period in excess of thirty (30) days, PLAN shall have the right to terminate this Agreement upon providing ten (10) days prior written notice to HOSPITAL.

ARTICLE XII
GENERAL PROVISIONS

A. Applicability of State and Federal Laws and Regulations. This Agreement shall be governed and construed in accordance with the laws of the State of California and of the United States and ordinances and policies of San Mateo County. Any provision of this Agreement which is in conflict with, or does not conform to applicable State or Federal statutes or regulations promulgated pursuant thereto, or to applicable San Mateo County ordinances and policies, shall be amended to conform to the requirements of such statutes or regulations.

B. Severability. In the event any provision of this Agreement is rendered invalid or unenforceable by Act of Congress, by statute of the State of California, by any regulation duly promulgated by the United States or the State of California in accordance with law or is declared null and void by any court of competent jurisdiction, the remainder of the provisions hereof shall remain in full force and effect.

C. Limitation of Severability. In the event the removal of a provision rendered invalid or unenforceable or declared null and void has the effect of materially altering the obligations of either party in such manner as to cause serious financial hardship to such party, the party so affected shall have the right to terminate this Agreement upon providing thirty (30) days prior written notice to the other party.

ARTICLE XIII
GRIEVANCES AND APPEALS

A. Resolution of Member and Provider-Initiated Grievances or Appeals. The Hospital agrees that all disputes or disagreements between the Hospital and the PLAN or the Member shall be resolved in accordance with the HPSM Provider Manual and PLAN policies. PLAN retains

responsibility for grievance and appeals resolution and does not delegate it to Hospital. Hospital agrees to cooperate with PLAN in resolving Member grievances and/or appeals related to the Hospital. PLAN will bring to the Hospital's attention all Member complaints involving Hospital. Hospital will, in accordance with PLAN approved procedures, investigate such complaints and use their best efforts to resolve them in a fair and equitable manner that is acceptable to PLAN. Hospital agrees to notify PLAN promptly of any action taken or proposed with respect to the resolution of such complaints and the avoidance of similar complaints in the future. Hospital shall promptly make available to PLAN, any and all records, notes, and documents or other information regarding Hospital's dispute resolution mechanism and the resolution of any and all disputes with Members.

ARTICLE XIV
MISCELLANEOUS

A. Time of the Essence. Time shall be of the essence of each and every term, obligation, and condition of this Agreement.

B. Entire Agreement. This Agreement (together with all Exhibits hereto) contains the entire agreement between the parties relating to the rights herein granted and the obligations herein assumed. It is the express intention of HOSPITAL and PLAN that any and all prior or contemporaneous agreements, promises, negotiations or representations, either oral or written, relating to the subject matter and period governed by this Agreement which are not expressly set forth herein shall be of no further force, effect or legal consequence after the effective date hereunder.

C. Amendments. This Agreement and any Exhibits hereto may be amended only by an instrument in writing, duly executed by both parties hereto.

D. Waivers. No obligation under this Agreement or an Exhibit hereto may be waived by any party hereto except by an instrument in writing, duly executed by the party waiving such obligations. All manners shall specify the provisions being waived, and no waiver of any provision of this contract extends or implies the extension of the waiver to any other provisions of this Agreement unless so specified in writing.

E. Independent Contractors. PLAN and HOSPITAL hereby acknowledge that they are independent contractors and neither is an officer, agent or employee of the other for any purpose.

F. Counterparts. This agreement may be executed in counterparts, each of which shall be considered to be an original; however, all such counterparts shall constitute but one and the same Agreement.

G. Headings. The headings or titles of articles and sections contained in this Agreement are intended solely for the purpose of facilitating reference, are not a part of the Agreement and shall not affect in any way the meaning or interpretation of this Agreement.

H. Inurement. This Agreement shall be binding upon all assignees, heirs and successors-in-interest of either party.

I. Assignment. Neither PLAN nor HOSPITAL shall assign this Agreement without the written consent of the other party.

ARTICLE XV
NOTICES

A. Any notice required to be given pursuant to the terms and provisions hereof, unless otherwise indicated herein, shall be in writing and shall be sent by certified, registered or express mail, courier services (Airborne, Federal Express, UPS, etc.), or other means which can provide written proof of delivery, and shall be deemed given two (2) days after the date of mailing unless written proof indicates differently, and is to be addressed as follows:

B. Hospital Outpatient Services Reimbursement

PLAN shall pay HOSPITAL for those Outpatient Services, excluding physician services, provided to Participants, and for which approved claims have been submitted by HOSPITAL at the prevailing state Medi-Cal Outpatient Service reimbursement rates for services or PLAN's payment rate, whichever is higher. HOSPITAL shall not seek payment from an ACE Program Participant for any deductibles, copayments, or coinsurance for Covered Services

C. Emergency and Required Post-stabilization Services Reimbursement for MCE

For MCE participants only, the PLAN shall pay Hospital for those Emergency and Required Post-stabilization services, provided to Participants, providing that notification of such services was

made to the PLAN within 24 hours of admission or on the first business day following a weekend for the following amount:

-Except for covered inpatient hospital services, the PLAN will pay 30 percent of the applicable regulatory fee-for-service rate under the California State Plan (excluding any supplemental payments) for emergency and post-stabilization services.

HOSPITAL shall not seek payment from a MCE Program Participant for any deductibles, copayments, denied payments, or coinsurance of Covered Services.

EXHIBIT 3

PROCESS FOR EMERGENCY OR POST-STABILIZATION SERVICES PROVIDED TO A MCE PARTICIPANT

1. HOSPITAL will contact PLAN at (650) 616-2070 within 24 hours of ED visit or ED admission of a MCE participant.

2. PLAN has an after hours message informing HOSPITAL that services, provided in the Emergency Department or in an inpatient hospital setting for post-stabilization of care to a MCE participant, require fax notification to PLAN. HOSPITAL is required to fax PLAN, at (650) 829-2021, notification with the hospital admission face sheet and admit order or ED registration record notification, as appropriate, within 24 hours of the ED visit or emergent acute care admission.

3. MCE participants stable for transfer shall be transferred back to San Mateo Medical Center (SMMC) 24/7/365. HOSPITAL shall note date and time of communication with SMMC and repatriation outcome by fax communication to PLAN.

4. PLAN will require an authorization extension and continue stay review on the first business day immediately following HOSPITAL admission. HOSPITAL may call PLAN's Health Services Department at (650) 616-2070 to establish continued stay review and authorization.

5. Failure to notify PLAN within 24 hours and/or adhering to PLAN's protocol for approval of ED service or post-stabilization of care admission will result in denial of payment for services.

HOSPITAL AGREEMENT

This Agreement is made this First day of January, 2007, by and between the San Mateo Health Commission, d.b.a. Health Plan of San Mateo, an independent public agency established by the San Mateo County Board of Supervisors pursuant to WIC section 14087.51, hereinafter referred to as "PLAN", and Seton Medical Center, a non-profit organization, hereinafter referred to as "HOSPITAL."

RECITALS

WHEREAS, the PLAN is a public corporation authorized to negotiate and to enter into hospital agreements with institutional health care providers for the purpose of arranging for the provision of "Medi-Cal Benefits", as that term is defined and more particularly set forth in this Agreement, (hereinafter referred to as "Benefits" or "Covered Services"), to "Medi-Cal Members", as that term is defined and more particularly set forth in this Agreement and in the PLAN's Medi-Cal Services Contract with the State of California; and

WHEREAS, the HOSPITAL, a general acute care facility licensed in accordance with the requirements of the California Health Facilities Licensure Act (Health and Safety Code, Sections 1250 et seq.) and the regulations promulgated pursuant thereto, is currently certified under Title XVIII of the Federal Social Security Act, and is equipped, staffed, and prepared to provide Medi-Cal Benefits to Medi-Cal Members; and

WHEREAS, the parties hereto desire to enter into this Agreement to provide a statement of their respective rights and responsibilities in connection with the provision of Medi-Cal Benefits to San Mateo County Medi-Cal Members by the HOSPITAL during the term hereof;

NOW THEREFORE, in consideration of the mutual promises and covenants hereinafter contained the parties agree as follows:

ARTICLE I
DEFINITIONS

General Meaning of Words and Terms - The words and terms used in this Agreement, and any and all attachments, are intended to have their usual meanings unless a particular or more limited

meaning is associated with their usage in Sections 14000 et seq. of the Welfare and Institutions Code and Sections of the Knox-Keene Health Care Services Plan Act of 1975, as amended (the "Act") Sections 1340 et seq. of the Health and Safety Code, and Title 22 and Title 28 of the California Code of Regulations pertaining to the rendition of health care or unless specifically defined in this Article 1 or otherwise in this Agreement.

A. "**Acute Medical/Surgical Day**" shall mean a day approved in an acute care inpatient facility which provides a medical-surgical, intensive, or other inpatient care not specifically designated as ICU Heart Day, Obstetrical Common Day, Nursery Common Day, ICU Burn Day, Neonatal Critical Care Day, Pediatric Critical Care Day, Obstetrical Critical Care Day, or Administrative Day.

B. "**Administrative Day**" shall mean any day of care in an acute care facility for which acute inpatient care is not required, and whose care has been approved by the PLAN as such.

C. "**Attending Physician**" shall mean (a) any Physician who is acting in the provision of Emergency Services or in an acute care setting to meet the medical needs of the Member or (b) any Physician who is, through delegation from the Member's Primary Care Physician, actively engaged in the treatment or evaluation of a Member's condition.

D. "**Claim**" shall mean a claim for compensation for services to PLAN Members filed by the HOSPITAL in accordance with Medi-Cal policy and procedures as defined in Title 22, State Fiscal Intermediary Provider Manual and bulletins, and as specifically modified by the PLAN issued Provider Manual and bulletins.

E. "**Contracting Hospital**" shall mean a Hospital which has executed an Agreement with the PLAN to provide services to PLAN Members as specified in the Hospital Services Agreement.

F. "**Contracting Physician**" shall mean a person who holds a degree of Doctor of Medicine or Osteopathy, who is licensed to practice medicine in the State of California, and who has contracted with the PLAN to provide medical services to Medi-Cal Beneficiaries.

G. **"Contracting Provider"** shall mean a health professional or institution licensed and certified to provide Covered Services to Medi-Cal Members and who has executed an Agreement with the PLAN.

H. **"Contracting Primary Care Physician" or "PCP"** shall mean a physician or physicians who have executed an Agreement with PLAN to provide the services of a Primary Care Physician as specified in PLAN's Primary Care Physician Contract.

I. **"Emergency Medical Condition"** shall mean those HOSPITAL services required to relieve a medical condition which is manifested by acute symptoms of sufficient severity, including severe pain, such that a prudent lay person who possesses an average knowledge of health and medicine could reasonably expect the absence of immediate medical attention to result in:

a) placing the health of an individual (or, in the case of a pregnant woman, the health of the woman or her unborn child) in serious jeopardy,

b) serious impairment of bodily functions, or

c) serious dysfunction of any bodily organ or part.

Emergency services and care include psychiatric screening, examination, evaluation, and treatment by a physician or other personnel to the extent permitted by applicable law and within the scope of their licensure and privileges.

J. **"Emergency Services"** shall mean those HOSPITAL services provided to a Member for an Emergency Medical Condition.

K. **"Evidence of Coverage"** shall mean the document issued by the PLAN to Members that describes Covered Services and Non-Covered Services in the PLAN.

L. **"Excluded Services"** shall mean those health care services which are excluded as non-covered services in Exhibit 3 and in PLAN's Evidence of Coverage and for which the Member is financially responsible. These services may also be called "Non-Covered Services".

M. **"Health Plan of San Mateo"** (HPSM) shall mean the health plan governed by the San Mateo Health Commission.

N. **"ICU Burn Day"** shall mean a day of that care provided on an inpatient basis to persons whose primary diagnosis is extensive burn, and whose care has been approved by the PLAN as such.

O. **"ICU Heart Day"** shall mean a day approved in an acute care inpatient facility for patients undergoing open-heart surgery or other cardiovascular procedures such as percutaneous transluminal coronary angioplasty so approved by the PLAN.

P. **"Identification Card"** shall mean that card which is issued by the PLAN to each covered Member and that bears the name and symbol of the PLAN and contains: Member's name, Member's identification number, Member's Primary Care Physician and other identifying data. The Identification Card is not proof of Member eligibility.

Q. **"Inpatient Services"** includes, but is not limited to, the following services when ordered by a Member's Physician or other qualified health provider and rendered in accordance with Section 51327 of Title 22 of the California Administrative Code to a Member, subject, however, to such exclusions, limitations, exceptions, and conditions as are otherwise set forth in any provision of this Agreement or an Exhibit thereto:

(1) Bed and Board;

(2) Medical, nursing, surgical, pharmaceuticals, dietary services, medical social services, biologicals, supplies, appliances and equipment provided on an inpatient basis, with the exception of those services and items which the Hospital is not equipped or staffed to provide as specified in Exhibit 1, Excluded Services and Items, to this Agreement (Exhibit 1 is attached hereto and hereby incorporated by reference).

(3) Diagnostic and therapeutic services required by the Member, which shall exclude Physicians' services, except as noted in Exhibit 1. The HOSPITAL shall not be responsible for assuring that the Member will be able to obtain Physician services.

(4) Administrative Services required in providing inpatient services hereunder.

R. **"Interpreter"** shall mean a person fluent in English and in the necessary second language, who can accurately speak, read, and readily interpret the necessary second language, or a person who can accurately sign and read sign language.

S. **"Limited English Proficient Member (LEP)"** shall mean Members who are limited-English-speaking or non-English-speaking including those who speak a language other than a threshold language as defined herein.

T. **"Long-Term Care Services"** shall mean any sub- acute level inpatient services, including but not limited to the following: Skilled Nursing Facilities Services, Intermediate Care Facilities Services, Extended Care Services, and Sub-Acute Level Services excluding the PLAN approved administrative days.

U. **"May"** is used to indicate a permissive or discretionary term or function.

V. **"Medi-Cal Benefits"** shall mean those Inpatient, Outpatient, and Emergency Services for which Medi-Cal Members are eligible pursuant to Welfare and Institutions Code, Sections 14000 et seq. and regulations promulgated thereto, and all other services designated by the PLAN. Also may be referred to as "Covered Service".

W. **"Medical Director"** shall mean the PLAN's Medical Director.

X. **"Medi-Cal Rates"** shall mean the schedule of Medi-Cal maximum allowances and rates of payment for physician and non-physician hospital services in effect for California's Medi-Cal Program at the time the services were rendered.

Y. **"Medical Interpreter"** shall mean a person fluent in English and in the necessary second language, providing language services at medical points of contact with language proficiency related to clinical settings.

Z. **"Member"** shall mean any person certified as eligible for the Medi-Cal Program, pursuant to Welfare and Institutions Code, Sections 14016 and 14018, whose Member I.D. number contains San Mateo County Code Number "41", as the first two numbers and whose Aid Code is included for capitation payment in the PLAN's contract with the State of California and included in Exhibit 3 of this Agreement (Exhibit 3 is attached hereto and hereby incorporated by reference). A Member shall include any individual whose eligibility is not determined until after the rendition of inpatient services to said individual by the HOSPITAL.

AA. "**Neonatal Critical Care Day**" shall mean a day of care provided on an inpatient basis to a child whose neonatal care requires the provision of specialized services not currently available at all Contract Hospitals and whose need for such care has been determined by the PLAN's Medical Director pursuant to criteria in Exhibit 1A (Exhibit 1A is attached hereto and hereby incorporated by reference).

BB. **"Non-Medical Interpreter"** shall mean a person fluent in English and the necessary second language, providing language services at non-medical points of contact with language proficiency related to the specific setting or circumstance.

CC. "**Nursery Common Day**" shall mean a day of that care provided on an inpatient basis to newborns when the mother is also an inpatient in the HOSPITAL.

DD. "**Obstetrical Common Day**" shall mean a day approved in an acute care inpatient facility for Members delivering a baby when the newborn child (children) is an inpatient at the HOSPITAL.

EE. "**Obstetrical Critical Care Day**" shall mean a day of care provided on an inpatient basis to Members whose obstetrical care requires the provision of services pursuant to Exhibit 1B (Exhibit 1B is attached hereto and hereby incorporated by reference).

FF. "**Outpatient Services**" shall mean all HOSPITAL Covered Services other than Inpatient Services and Emergency Services provided to a Medi-Cal Beneficiary.

GG. "**Pediatric Critical Care Day**" shall mean a day of care provided on an inpatient basis to a child whose pediatric care requires the provision of specialized services not currently available at all Contract Hospitals and whose need for such care has been determined by the PLAN's Medical Director pursuant to criteria in Exhibit 1A.

HH. **"Physician"** shall mean an individual licensed to practice medicine or osteopathy in accordance with applicable California law.

II. **"Referral/Authorization"** shall mean the process by which Contracting Physicians or Providers direct a Member to seek or obtain Covered Services from a health professional,

hospital or any other Provider of Covered Services in accordance with the PLAN's referral and authorization procedures.

JJ. **"Referral Physician"** shall mean a Contracting Physician who is professionally qualified to practice his/her designated specialty and to whom the Primary Care Physician may refer any Member for consultation or treatment.

KK. **"Referral Services"** shall mean any services which are not Primary Care Services and which are provided by Physicians on referral from the Primary Care Physician or by the Primary Care Physician.

LL. **"San Mateo County"** shall also be referred to as "County".

MM. **"Shall"** is used to introduce an obligation of either the PLAN or the HOSPITAL, and is mandatory.

NN. **"Special Member"** shall mean a member of the PLAN who has not selected or is not assigned to a Contracting Primary Care Physician and who is designated a Special Member by the PLAN.

OO. **"State"** shall mean the State Department of Health Care Services, Department of Managed Health Care, and the United States Department of Health and Human Services.

PP. **"Suspension"** shall mean the PLAN's action to temporarily and immediately suspend all rights and responsibilities of the HOSPITAL while the termination process takes place as set forth in Article X of this Agreement.

QQ. **"Threshold Language"** shall mean primary languages spoken by Limited English Proficiency (LEP) Member population groups meeting a numeric threshold of 3,000 eligible Members residing in a county. Additionally, languages spoken by a population of eligible LEP Members residing in a county, who meet the concentration standard of 1,000 in a single ZIP code or 1,500 in two contiguous ZIP codes, are also considered threshold languages for a county. Threshold languages in each county are designated by the California Department of Health Care Services.

RR. "**Utilization Management (UM)**" shall mean those review processes and procedures which are designed to determine whether services are Covered Services or medically necessary and which all Contracting Providers must follow.

ARTICLE II
HOSPITAL PERFORMANCE PROVISIONS

A. Services Provided by the HOSPITAL. The HOSPITAL shall provide Medi-Cal Benefits to Members and all other services designated by the PLAN, subject to the availability of appropriate HOSPITAL facilities and HOSPITAL services.

B. Services Neither Covered Nor Compensated. The HOSPITAL shall not be obligated to provide Members with, and the PLAN shall not be obligated to compensate the HOSPITAL for, the following services pursuant to this Agreement (services not covered under the PLAN's contract with the State):

(1) Services rendered under the California Children Services Program which are not reimbursable under the State's Medi-Cal Program.

(2) Dental Services, as defined in Title 22, California Code of Regulations, Section 51059, except, hospital services provided by a dentist or an oral surgeon for medically indicated dental procedures when they are a Covered Service authorized by the PLAN.

(3) Short-Doyle/Medi-Cal Mental Health Services.

(4) Long-Term Care Institutional Services including the use of swing beds.

C. Availability of Services.

(1) The HOSPITAL shall not differentiate or discriminate in the treatment of Medi-Cal Members, nor shall the HOSPITAL discriminate on the basis of race, religion, sex or age, except as limited by the scope of services HOSPITAL is qualified to provide. HOSPITAL shall render services to Beneficiaries in the same manner, in accordance with the same time availability as offered HOSPITAL's other patients, except as limited by existing Medi-Cal restrictions.

(2) Throughout the term of this Agreement and subject to the conditions within the Agreement, the HOSPITAL shall use its best efforts to maintain its current

facilities, equipment and patient service personnel (as well as allied health personnel), as the HOSPITAL, in its reasonable discretion, may employ, to meet the HOSPITAL's obligation to provide Medi-Cal Benefits hereunder.

(3) The HOSPITAL shall not be obligated hereunder to provide Members with those inpatient, outpatient or emergency services that are not maintained by the HOSPITAL due to religious reasons as of the effective date of this Agreement and throughout the term of this Agreement.

(4) The HOSPITAL shall retain the right, within its sole discretion, to alter, enlarge, reconstruct, modify, or shut down all or any part of its facilities, provided, however, that written notice of any action described herein, which would materially affect the services available to Members hereunder, shall be given to the PLAN at least sixty (60) days prior to implementation of such change, and the PLAN shall have the right to terminate this Agreement upon providing the HOSPITAL with thirty (30) days prior written notice given at any time within the foregoing sixty (60) day notice period.

D. Standards of Care. The HOSPITAL shall, in rendering services to Medi-Cal Members, provide hospital care in accordance with recognized HOSPITAL and professional standards and applicable State licensing laws and regulations.

E. Emergency Services. Both parties recognize that the provision of Emergency Services, both in the HOSPITAL's Emergency Department and for inpatients who require immediate treatment for conditions, requires the professional care of a Physician who is immediately available on or near the HOSPITAL premises. The HOSPITAL has arranged for the provision of such services to all patients of the HOSPITAL requiring such services, and shall arrange for such services to be provided on the same basis as they are provided to all other patients of the HOSPITAL.

F. The PLAN Not to Interfere with the HOSPITAL. The PLAN and the HOSPITAL agree that the PLAN is responsible for paying for medical care, and that HOSPITAL is responsible for providing service to PLAN Members. However, except in emergencies, the HOSPITAL shall not be entitled to reimbursement for any services provided to a Member unless the HOSPITAL has obtained the necessary authorization from the PLAN

in accordance with the PLAN's procedures. The Member's Attending Physician shall determine the need for acute care in accordance with national, professionally recognized standards of medical practice, and Member's Attending Physician shall decide the course of treatment which is medically necessary. Nothing in this Agreement is intended to create (nor shall it be construed to create) any right in the PLAN or Contracting Physicians (except in their capacity as members of the HOSPITAL's medical staff) to intervene with the method(s) by which the HOSPITAL or Attending Physicians render services hereunder. The PLAN shall have no authority to override the medical judgment of a Member's Attending Physician.

G. Licensure and Certification.

(1) The HOSPITAL hereby represents and warrants that it is currently, and for the duration of this Agreement shall remain, licensed as a general acute care hospital in accordance with Sections 1250 et seq. of the Health and Safety Code and the licensing regulations contained in Titles 22 and 17 of the California Code of Regulations.

(2) The HOSPITAL hereby represents and warrants that it is currently and for the duration of this Agreement shall remain, certified under Title XVIII of the Federal Social Security Act.

H. Utilization Controls. Except for urgent and emergency services, the PLAN shall not be obligated to pay the HOSPITAL for any services provided to a Member unless the HOSPITAL adheres to all Utilization Management requirements and obtains prior authorization for services in accordance with Medi-Cal policy and procedures as defined in Title 22, State Fiscal Intermediary Provider Manual and Bulletins, and as specifically modified by the PLAN issued Provider Manual and Bulletins.

I. Notification of Emergency Services. The HOSPITAL shall provide Emergency Services to each Medi-Cal Member who presents at the HOSPITAL's Emergency Room and who, within the judgment of the Attending Physician, requires such Emergency Services. The HOSPITAL (its employee or Attending Physician) shall contact a Member's Contracting Primary Care Physician or the PLAN subsequent to providing said Emergency Services to a Member regarding said Member's condition, (in accordance with the PLAN's protocols, procedures and provider manuals and bulletins).

ARTICLE III
PLAN PERFORMANCE PROVISIONS

A. Payment Obligation. The PLAN shall pay the HOSPITAL those amounts set forth and in the manner and at the times as specified in Exhibit 2, Reimbursement Addendum to this Agreement for Medi-Cal Benefits provided to Members hereunder.

B. Eligibility Verification. The PLAN shall reimburse the HOSPITAL for Covered Services properly authorized for any person certified as eligible for the Medi-Cal Program pursuant to Welfare and Institutions Code, Sections 14016 and 14018, and where Member ID number contains San Mateo County Code Number "41" as the first two numbers and the Aid Code is included for the capitation payment in the PLAN's contract with the State of California. Eligible Members shall include individuals whose eligibility is not determined until after the rendition of Covered Services to individual by the HOSPITAL.

C. List of Contracting Physicians. The PLAN shall provide the HOSPITAL with a continually updated list of all Contracting Physicians.

ARTICLE IV
REIMBURSEMENT FOR SERVICES

A. The HOSPITAL Services. The PLAN shall pay to the HOSPITAL, and the HOSPITAL shall accept from the PLAN in full and final satisfaction of the PLAN's reimbursement obligation for Medi-Cal Benefits provided to Members by the HOSPITAL hereunder those amounts set forth and in the manner and at the times as specified in Exhibit 2 to this Agreement.

B. Medi-Cal Member Billing. The HOSPITAL shall not submit claims to demand, or otherwise collect reimbursement from a Medi-Cal Member, or from other persons on behalf of the Member, for any service included in the Medi-Cal Program's Scope of Benefits in addition to a claim submitted to the PLAN for that service, except to:

(1) Collect payments due under a contractual or legal entitlement pursuant to Section 14000 (b) of the Welfare and Institutions Code;

(2) Collect co-payment pursuant to Welfare and Institutions Code Section 14134.

C. Member Hold Harmless. The HOSPITAL agrees to hold harmless the Member in the event the PLAN cannot or will not pay for services rendered or materials provided by the HOSPITAL pursuant to the terms of this Agreement.

ARTICLE V
CONTRACTING PHYSICIANS

A. Relationship of the HOSPITAL and Contracting Physicians. It is expressly understood and agreed that no Contracting Physician or other Physician shall be entitled to admit, or treat, or prescribe for Members in the HOSPITAL if the Physician is not a member in good standing of the HOSPITAL's Medical Staff with appropriate clinical privileges to admit and treat Medi-Cal Members in the HOSPITAL. Medical Staff membership and clinical privileges may be granted to Contracting Physicians by the HOSPITAL's Governing Board, acting in conjunction with its Medical Staff, in accordance with the standards, procedures, and other provisions of the HOSPITAL's Medical Staff Bylaws and the Rules and Regulations relating thereto which have been adopted by the HOSPITAL's Medical Staff with the approval of said Board.

The HOSPITAL shall henceforth notify the PLAN when it revokes or modifies privileges of any Physician who is also contracted with the PLAN, subject to the requirements of Hospital Bylaws and Policy. Written notification shall be submitted to the PLAN at the time of occurrence or at least on a quarterly basis.

ARTICLE VI
PAYMENT PROCEDURES

A. Coordination of Benefits. The HOSPITAL shall use its reasonable efforts to collect monies due and owing, for health care services provided to a Member, from the Federal Medicare Program, Kaiser Permanente, Ross-Loos, the TRICARE/CHAMPUS Program and Health Maintenance Organizations and other private health insurance plans when the HOSPITAL has knowledge that a Patient is a Member of one of the foregoing programs or plans. In the event the HOSPITAL collects monies from one of the foregoing entities

listed in this Article VI A, the HOSPITAL shall notify the PLAN and the PLAN's obligation hereunder shall be reduced by the amount actually collected by the HOSPITAL. No adjustment shall be made for any amounts which the HOSPITAL is unable to collect.

B. Billing Procedures. Completed claims submitted by the HOSPITAL to the PLAN shall be paid by the PLAN in accordance with existing Medi-Cal policies as evidenced in Title 22, State Fiscal Intermediary Provider Manual and Bulletins, and as modified by the PLAN issued Provider Manual and Bulletins.

C. Day of Services. A day of service shall be billed and paid for each Member who occupies an inpatient bed at 12:01 a.m. in the facilities of either the HOSPITAL or an appropriately licensed HOSPITAL subcontractor. However, a day of service may be billed if the Member is admitted and discharged during the same day provided that such admission and discharge are not within twenty-four (24) hours of a prior discharge. Payment for said day shall be the lesser of billed charges or the amounts set forth in Exhibit 2 to this Agreement. Separate patient days of service shall be billed and paid for mother and newborn child (children) when both mother and newborn child (children) are inpatients of the HOSPITAL. Such days shall be billed as Obstetrical Common Day for mother and Nursery Common Day for newborn child (children) unless otherwise approved by the PLAN. There shall be no separate billing hereunder for those Outpatient and Emergency Services provided to a Medi-Cal Member during the same calendar day as the admission of the Member to the HOSPITAL when the foregoing services are directly related to the condition(s) for which the Member is admitted to the HOSPITAL, except as permitted in Exhibit 2.

D. Member Notification. The HOSPITAL shall comply with existing State and Federal law and regulations promulgated thereto pertaining to the issuance of explanations of benefits for Members.

E. Discharge Planning. The HOSPITAL shall continue to be responsible for discharge planning and the HOSPITAL shall prepare a written discharge summary within thirty (30) days of Member's discharge and shall make said summary available to the PLAN upon receiving a prior written request from the PLAN. Said discharge summary shall

contain that information ordinarily prepared by the HOSPITAL and provided to patients and third-party payors at the time a bill for service is submitted.

ARTICLE VII
INSURANCE

A. PLAN Insurance. The PLAN, at its sole cost and expense, shall procure and maintain a professional liability policy in the amount of $1,000,000.00 to insure the PLAN and its agents, and employees, acting within the scope of their duties, against any claims for personal injury or death occasioned directly or indirectly by the PLAN or by its agents, or employees in connection with the performance of the PLAN's responsibilities under this Agreement.

B. HOSPITAL Insurance. The HOSPITAL and its subcontractors providing patient care services at their sole cost and expense, shall procure and maintain policies or self-insurance programs of comprehensive general liability, professional liability in excess of $10,000,000.00, and other insurance as shall be necessary to insure the HOSPITAL and its agents, employees, and subcontractors acting within the scope of their duties, against any claims for personal injury or death occasioned directly or indirectly by the HOSPITAL or by its agents, or employees in connection with the performance of the HOSPITAL's responsibilities under this Agreement.

C. HOSPITAL Indemnification. The HOSPITAL agrees to indemnify, defend and hold harmless the PLAN, its agents excluding physicians, officers and employees from and against any and all liability, expense, including defense costs and legal fees, and claims for damages of any nature whatsoever, including, but not limited to, bodily injury, death, personal injury, or property damage arising from or connected with the HOSPITAL's operations or its services hereunder. This provision is not intended to nor shall it be construed to require the HOSPITAL to indemnify the PLAN for any PLAN liability independent of that of the HOSPITAL, nor to cause the HOSPITAL to be subject to any liability to any third party (either directly, or as an indemnitor of the PLAN or its agents, officers, and employees) in any case where the HOSPITAL liability would not otherwise exist. Rather, the purpose of this provision is to assure that the PLAN and its agents, officers, and employees, will be provided with indemnification for and a defense to any vicarious or other indirect liability or claim against the PLAN or such agents, officers, or

employees resulting from the actions or other omissions of the HOSPITAL in connection with the HOSPITAL's operations or its services under this Agreement.

D. PLAN Indemnification. The PLAN agrees to indemnify, defend and hold harmless the HOSPITAL, its agents, officers and employees from and against any and all liability, expense, including defense costs and legal fees, and claims for damages of any nature whatsoever, including, but not limited to, bodily injury, death, personal injury, or property damage arising from or connected with the PLAN's operations or its services hereunder. This provision is not intended to nor shall it be construed to require the PLAN to indemnify the HOSPITAL for any HOSPITAL liability independent of that of the PLAN, nor to cause the PLAN to be subject to any liability to any third party (either directly, or as an indemnitor of the HOSPITAL or its agents, officers, and employees) in any case where the PLAN liability would not otherwise exist. Rather, the purpose of this provision is to assure that the HOSPITAL and its agents, officers, and employees, will be provided with indemnification for and a defense to any vicarious or other indirect liability or claim against the HOSPITAL or such agents, officers, or employees resulting from the actions or other omission of the PLAN in connection with the PLAN's operations or its services (including utilization review services) under this Agreement.

ARTICLE VIII
RECORDS, AUDITS, AND REPORTS

A. Inspection Rights

(1) The HOSPITAL shall make all of its books and records, pertaining to the goods and services furnished under the terms of this Agreement, available for inspection, examination or copying:

(a) By the PLAN, or any entity designated by the PLAN (e.g. for HEDIS data collection), the State Department of Health Care Services, the State Department of Managed Health Care, and the United States Department of Health and Human Services, and all applicable state and federal agencies, and self regulatory agencies.

(b) Upon reasonable notice and at all reasonable times at the HOSPITAL or at such other mutually agreeable location in California.

(c) In a form maintained in accordance with the general standards applicable to such book or record keeping.

(d) For a term of at least five (5) years from the close of the State's fiscal year in which this Agreement was in effect. The requirement to maintain records shall remain in effect even upon the termination of this Agreement.

(2) These audits or reviews may evaluate the following pertinent to Medi-Cal Members:

(a) Level and quality of care, and the necessity and appropriateness of the services provided.

(b) Internal procedures for assuring efficiency, economy, and quality of care.

(c) Grievances relating to medical care and their disposition.

(d) Financial records when determined necessary by the PLAN to assure accountability for public funds.

(3) The parties agree that the purpose of the audits and reviews authorized by this Paragraph VIII A is solely to assess the HOSPITAL and the HOSPITAL's subcontract's compliance with the terms and conditions of this Agreement.

(4) HOSPITAL does not waive the provisions of Evidence Code 1157 with regard to Medical Staff records.

B. Records to be Kept; Audits or Review; Availability; Period of Retention.

(1) The HOSPITAL shall maintain books, records, documents, and other evidence, using accounting procedures and practices sufficient to reflect properly all direct and indirect costs of whatever nature claimed to have been incurred in the performance of this Agreement in accordance with generally accepted accounting principles.

(2) The HOSPITAL shall maintain the above information in accordance with Medicare principles of reimbursement, and shall be consistent with the requirements of the California Health Facilities Commission. In cases where any of the above requirements are in conflict, the HOSPITAL's compliance with any one of such requirements is sufficient.

(3) The HOSPITAL shall maintain medical records required by Sections 70747-70751 of Title 22 of the California Code of Regulation, and other records related to a Member's eligibility for services, the service rendered, the Member to whom the service was rendered, the date of the service, the medical necessity of the service and the quality of the service provided. Records shall be maintained

in accordance with Section 51476 of Title 22 of the California Administrative Code. The foregoing constitutes "records" for the purposes of this Paragraph.

C. HOSPITAL's Subcontracts. The HOSPITAL shall maintain and make available to the PLAN, the U.S. Department of Health and Human Services, Department of Managed Health Care, and the State Department of Health Care Services, upon written request, copies of all subcontracts for the performance of any of the HOSPITAL's obligations under this Agreement. The HOSPITAL shall further assure that all subcontracts entered into from the effective date of this Agreement shall require that the subcontractor:

(1) Make all applicable books and records available at all reasonable times for inspection, examination, or copying by the PLAN, the Department of Managed Health Care, the above named State agencies, all applicable state and federal agencies, and self regulatory agencies.

(2) Retain such books and records for a term of five (5) years from the close of the State's fiscal year in which the subcontract became effective.

D. Confidentiality of Member Information. Notwithstanding any other provision of this Agreement, names of Members receiving public social services hereunder are confidential and are to be protected from unauthorized disclosure in accordance with Title 42, Code of Federal Regulations, Section 431.300 et seq. and Section 14100.2 of the Welfare and Institutions Code and regulations adopted hereunder. For the purpose of this Agreement, all information, records, payment information, data, and data elements collected and maintained for the operation of the Agreement and pertaining to Members shall be protected by the HOSPITAL from unauthorized disclosure as required by Medi-Cal and any applicable law.

E. Third-Party Liability. The HOSPITAL shall report to the PLAN, when the HOSPITAL discovers that Medi-Cal Benefits rendered either directly by the HOSPITAL or through the instrumentality of a HOSPITAL subcontractor are covered, in whole or in part, by workers' compensation, tort liability, or casualty insurance. Nothing contained herein shall be construed to reduce or modify the PLAN's obligation to reimburse the HOSPITAL for Medi-Cal Benefits rendered to a Member.

ARTICLE IX
PATIENT RIGHTS

A. Patient Rights. The HOSPITAL or any subcontractor performing the obligations of the HOSPITAL pursuant to the terms of this Agreement shall adopt and post in a conspicuous place a written policy on patient's rights in accordance with Section 70707 of Title 22 of the California Code of Regulations.

B. Linguistic Services and Cultural Sensitivity

1. Interpreter Services for Limited English Proficient (LEP) Members

The HOSPITAL shall ensure equal access to health care services for all Limited English Proficient (LEP) members through the provision of interpreter services at medical (advice, face-to-face or telephone encounters), and non-medical (appointment services, reception) points of contact.

a) Interpreter services shall be furnished during encounters with providers (physicians, physician extenders, registered nurses, or other personnel) who provide medical or health care advice to Members, when identified by a Provider or requested by a Member.

i. Interpreter services may be obtained through the HPSM telephone language line service, bilingual or multilingual providers and/or staff or by contacting the PLAN's Member Services Department for assistance.

ii. The PLAN contracts with a free 24 hour telephone language line service to assist Providers in complying with this Section.

b) The HOSPITAL must document the request or refusal of language interpreter services by an LEP member in the medical record.

2. Additional Linguistic Services for Threshold Language Members

Threshold languages in each county are designated by the Department of Health Services. These are primary languages spoken by the LEP population groups meeting a specific numeric threshold or concentration standard. The threshold language for San Mateo County effective 1/1/2007 is Spanish.

In addition to interpreter services for LEP members as stated in section B1., the HOSPITAL shall provide the following services for Members whose language proficiency is in a threshold language.

a) Translated signage;
b) Translated written materials; and
c) Referrals to culturally and linguistically appropriate community service programs.
d) Information on how to file a grievance and the ability to file a grievance in a non-English language.

The HOSPITAL may request assistance from the PLAN in meeting these requirements.

3. Hospital shall comply with all of the following requirements related to the provision of linguistic and culturally sensitive services in accordance with this Agreement and PLAN Policies.

Hospital shall address the special health care needs of all Members. Hospital shall ensure equal access and participation in federally funded programs to Members with Limited English Proficiency (LEP) or hearing, speech or vision impairment through the provision of bilingual services. Hospital shall in policies, administration, and services practice the values of: (a) honoring the Member's beliefs, traditions and customs; (b) recognizing individual differences within a culture; (c) creating an open, supportive and responsive organization in which differences are valued, respected and managed; (d) through cultural diversity training, fostering in staff and Contracting Providers attitudes and interpersonal communication styles which respect Member's cultural backgrounds and are

sensitive to their special needs; and (e) referring Members to linguistically and culturally sensitive programs.

ARTICLE X
TERM, TERMINATION, AND EFFECT OF TERMINATION

A. Term. The term of this Agreement shall commence on January 1, 2007, and shall terminate on December 31, 2007.

This Agreement will automatically renew for successive twelve (12) month periods on the same terms and conditions (including subsequent amendments) unless terminated pursuant to the terms of this Agreement.

B. Termination Without Cause. The HOSPITAL or the PLAN may terminate this Agreement without cause upon providing the other party with ninety (90) days prior written notice.

C. Termination for Material Breach. Either party shall have the right to terminate this Agreement upon providing thirty (30) days prior written notice to the other party if the party to whom such notice is given is in material default under this Agreement. The party claiming the right to terminate hereunder shall set forth in the notice of intended termination required hereby the effective date of such termination and the facts underlying its claim that the other party is in breach of this Agreement. If the HOSPITAL or the PLAN remedies such alleged breach within twenty (20) days of the receipt of such notice, the Agreement shall remain in effect for the remaining term and such termination notice shall no longer be in effect. Notwithstanding the other provisions of this paragraph, the PLAN may immediately suspend this Agreement pending completion of applicable termination procedures, if the PLAN makes a reasonable determination, supported by written findings, that the health and welfare of Members is jeopardized by continuation of the Agreement.

D. Termination Based upon Unforeseen Events. In the event there are (1) changes effected in the PLAN's contract with the State of California, or (2) changes effected in the Medi-Cal Program, or changes in Federal laws governing the Medi-Cal Program, or (3) changes in the Federal Medicare Program and/or substantial changes under other public

or private health and/or hospital care insurance programs or policies which will have a material detrimental financial effect on the operations of the HOSPITAL or the PLAN, the HOSPITAL or the PLAN may terminate this Agreement upon providing the other party with thirty (30) days prior written notice. In any case where such notice is provided, both parties shall negotiate in good faith during such thirty (30) day period in an effort to develop a revised Agreement, which, to the extent reasonably practicable, under the circumstance, will adequately protect the interests of both parties in light of the governmental program or private insurance policy changes which constituted the basis for the exercise of this termination provision.

E. Termination for Insufficient Provider Participation. If, for any reason, the PLAN is unable to enter into or maintain service contracts with sufficient numbers of Primary Care Physician and Providers on the Medical Staff of Contracting Hospitals to assure adequate Member access to needed Physician Services, the PLAN may terminate this Agreement upon thirty (30) days written notice to the HOSPITAL.

F. Termination by U.S. Department of Health and Human Services or the State Department of Health Care Services. If the qualification of the HOSPITAL under the Federal Social Security Act is terminated or ceases for any reason or if the PLAN's Medi-Cal Services Contract with the State of California is terminated or ceases for any reason, the PLAN shall give the HOSPITAL immediate written notice of the foregoing termination(s) and this Agreement shall terminate in accordance with the terms under D of this Article.

G. Effect of Termination. As of the date of termination pursuant to any provision of this Agreement, this Agreement shall be of no further force or effect whatsoever, and each of the parties hereto shall be relieved and discharged herefrom, except that the PLAN shall remain liable for payment for all Medi-Cal Benefits rendered to PLAN's Medi-Cal Members up to the date of termination and for any Medi-Cal Benefits rendered hereunder after such date until such time as appropriate transfer (or other medically acceptable disposition) of Medi-Cal Members receiving inpatient services as of the date of termination is achieved.

H. Termination for Interruption. The PLAN may terminate Agreement upon ten (10) days written notice pursuant to Article XI.

I. Amendments to Avoid Termination. If the provisions of Article X D of this Agreement are invoked, the party who invokes them shall make all reasonable efforts, if so requested by the other party, to negotiate amendments to this Agreement which will bring the terms of the Agreement in compliance with such statute, regulation, or judicial decision.

ARTICLE XI
INTERRUPTIONS

Cause Beyond Control of the HOSPITAL. In the event the operations of the HOSPITAL's facilities, or any substantial portion thereof, are interrupted by war, fire, insurrection, riots, the elements, earthquakes, acts of God, or without limiting the foregoing, any other cause beyond the control of the HOSPITAL, the HOSPITAL shall be relieved of its obligations with respect to the provisions of this Agreement (or such portions hereof which the HOSPITAL is thereby rendered incapable of performing) for the duration of such interruptions. Nothing contained herein shall be construed to limit or reduce the PLAN's obligation to pay the HOSPITAL for Medi-Cal Benefits rendered to Members prior to or subsequent to an event described herein. Should a substantial part of the services which the HOSPITAL has agreed to provide hereunder be interrupted for a period in excess of thirty (30) days, the PLAN shall have the right to terminate this Agreement upon providing ten (10) days prior written notice to the HOSPITAL.

ARTICLE XII
GENERAL PROVISIONS

A. Applicability of State and Federal Laws and Regulations. This Agreement shall be governed and construed in accordance with the laws of the State of California and of the United States. Any provision of this Agreement which is in conflict with, or does not conform to applicable State or Federal statutes or regulations promulgated pursuant thereto shall be amended to conform to the requirements of such statutes or regulations.

B. Severability. In the event any provision of this Agreement is rendered invalid or unenforceable by Act of Congress, by statute of the State of California, by any regulation duly promulgated by the United States or the State of California in accordance with law or is declared null and void by any court of competent jurisdiction, the remainder of the provisions hereof shall remain in full force and effect.

C. Limitation of Severability. In the event the removal of a provision rendered invalid or unenforceable or declared null and void has the effect of materially altering the obligations of either party in such manner as to cause serious financial hardship to such party, the party so affected shall have the right to terminate this Agreement upon providing thirty (30) days prior written notice to the other party.

ARTICLE XIII
GRIEVANCES AND APPEALS

A. Grievance and Appeals. It is understood that the Hospital may have Grievances and Appeals which may arise as a health care Provider under contract with the PLAN. These Grievances and Appeals shall be resolved through the mechanisms set out in this section. Hospital and the PLAN shall be bound by the decisions of the PLAN's Grievances and Appeals mechanisms.

B. Disputes. It is understood that the Hospital may have disputes which may arise as a health care Provider under contract with the PLAN. These disputes shall be resolved through the mechanisms set out in this section. Hospital and the PLAN shall be bound by the decisions of the PLAN's Grievances and Appeals mechanisms.

C. PLAN Grievances and Appeals and Dispute Resolution Procedure Responsibility. The PLAN's Executive Director has primary responsibility for maintenance, review, formulation of policy changes, and procedural improvements of the Grievances and Appeals and dispute resolution review system. The Executive Director shall be assisted by other PLAN staff as requested.

D. Resolution of Member and Provider Initiated Grievances or Appeals at PLAN Level. The Hospital agrees that all disputes or disagreements between the Hospital and the PLAN or the Member shall be resolved in accordance with the Provider Manual, PLAN policies and State guidelines and regulations. Hospital agrees to cooperate with PLAN in resolving Member grievances and/or appeals related to the Hospital. PLAN will bring to the Hospital's attention all Member complaints involving Hospital. Hospital will, in accordance with PLAN approved procedures, investigate such complaints and use their best efforts to resolve them in a fair and equitable manner. Hospital shall immediately make available to PLAN, any and all records, notes, and documents or other information regarding Hospital's dispute resolution mechanism and the resolution of any and all disputes with Members. If a Member files a complaint at the Hospital Level, Hospital agrees to send to the PLAN's Grievances and Appeals Coordinator, a quarterly report, containing the Member's name, PLAN ID Number, date of complaint or grievance, type of complaint or grievance, category, and the resolution.

E. Dispute Resolution. The Hospital agrees that all disputes between the Hospital and the PLAN shall be resolved in accordance with the Provider Manual, PLAN policies and State guidelines and regulations. PLAN retains responsibility for dispute resolution and does not delegate it to Hospital. PLAN agrees to cooperate with Hospital in resolving disputes. PLAN will investigate such disputes and use their best efforts to resolve them in a fair and equitable manner that is acceptable to PLAN and Hospital. Hospital agrees to notify PLAN promptly of any action taken or proposed with respect to the resolution of such disputes and the avoidance of similar disputes in the future. Hospital shall immediately make available to PLAN, any and all records, notes, and documents or other information regarding Hospital's dispute resolution mechanism.

ARTICLE XIV
MISCELLANEOUS

A. Time of the Essence. Time shall be of the essence of each and every term, obligation, and condition of this Agreement.

B. Entire Agreement. This Agreement (together with all Exhibits hereto) contains the entire Agreement between the parties relating to the rights herein granted and the obligations herein assumed. It is the express intention of the HOSPITAL and the PLAN that any and all prior or contemporaneous agreements, promises, negotiations or representations, either oral or written, relating to the subject matter and period governed by this Agreement which are not expressly set forth herein shall be of no further force, effect or legal consequence after the effective date hereunder.

C. Amendments. This Agreement and any Exhibits hereto may be amended only by an instrument in writing, duly executed by both parties hereto in accordance with applicable provisions of the Knox-Keene Health Service Plan Act of 1975, as amended, and the regulations promulgated hereunder by the Department of Managed Health Care.

D. Waivers. No obligation under this Agreement or an Exhibit hereto may be waived by any party hereto except by an instrument in writing, duly executed by the party waiving such obligations. All manners shall specify the provisions being waived, and no waiver of any provision of this Agreement extends or implies the extension of the waiver to any other provisions of this Agreement unless so specified in writing.

E. State Approval. This Agreement and any amendment hereto shall become effective only upon review and approval by the State Department of Health Care Services.

F. Independent Contractors. The PLAN and The HOSPITAL hereby acknowledge that they are independent contractors and neither is an officer, agent or employee of the other for any purpose.

G. Counterparts. This Agreement may be executed in counterparts, each of which shall be considered to be an original; however, all such counterparts shall constitute but one and the same Agreement.

H. Headings. The headings or titles of articles and sections contained in this Agreement are intended solely for the purpose of facilitating reference, are not a part of the Agreement and shall not affect in any way the meaning or interpretation of this Agreement.

I. Inurement. This Agreement shall be binding upon all assignees, heirs and successors-in-interest of either party.

J. Assignment. Neither the PLAN nor the HOSPITAL shall assign this Agreement without the written consent of the other party.

K. Ethical Principles, Policies and Practices.

Hospital and any service or activity operated or sponsored by it, including the services and activities of the Medical Staff, are governed by the Ethical and Religious Directives for Catholic Health Care Services, as approved by the National Conference of Catholic Bishops and as the same may be updated and revised (the "Directives"). A copy of the Directives is available on the internet at http://www.nccbuscc.org/bishops/directives.htm.

B. HOSPITAL Outpatient Services Reimbursement

(1) The PLAN shall pay the HOSPITAL for those outpatient hospital services, excluding physician services, provided to Medi-Cal Members, and for which approved claims have been submitted by the HOSPITAL at 123 % of the prevailing state Medi-Cal outpatient service reimbursement rates for services rendered or the PLAN's payment rate, whichever is higher.

The PLAN shall pay the Hospital for professional services, provided to Medi-Cal Members, and for which approved claims have been submitted by the HOSPITAL at 123 % of the prevailing state Medi-Cal reimbursement rate for services rendered or the PLAN's payment rate, whichever is higher.

(2) The all-inclusive per diem rates, as described above, are to be the only payments made by the PLAN to the HOSPITAL for inpatient services provided to Medi-Cal Members except where otherwise provided hereunder.

Amendment to
Hospital Agreements Between
San Mateo Health Commission d/b/a Health Plan of San Mateo (PLAN)
And
Seton Medical Center (HOSPITAL)

This Amendment to the Hospital Agreements is made this 1st day of November, 2018, by and between the San Mateo Health Commission, a public entity, hereinafter referred to as "PLAN", and Seton Medical Center, hereinafter referred to as "HOSPITAL."

PLAN and HOSPITAL have entered into a Medi-Cal Hospital Agreement effective January 1, 2007;

PLAN and HOSPITAL have entered into a HealthWorx Hospital Agreement effective January 1, 2006;

PLAN and HOSPITAL have entered into a HealthyKids Hospital Agreement effective January 1, 2006;

PLAN and HOSPITAL have entered into an ACE Hospital Agreement effective January 1, 2009;

The Agreements entered into for Medi-Cal, HealthWorx, HealthyKids and ACE benefit services shall be collectively referred to herein as "Hospital Agreements".

PLAN and HOSPITAL wish to amend the hospital inpatient services reimbursement addendum of the Hospital Agreements.

NOW, THEREFORE, PLAN and HOSPITAL hereby agree as follows:

Exhibit 2 – Reimbursement Addendum shall be amended to read:

A. **Hospital Inpatient Service Reimbursement**

PLAN shall reimburse HOSPITAL at a rate equal to one hundred (100%) percent of the state's Medi-Cal APR DRG rate with no carve outs. This rate shall be effective for dates of service on or after November 1, 2018.

Incorporation of Agreement Rights, Duties and Obligations

All other terms and provisions of said Agreement, including but not limited to the Outpatient Hospital rates, shall remain in full force and effect so that all rights, duties and obligations, and liabilities of the parties hereto otherwise remain unchanged.

SAN MATEO ACE PROGRAM
HOSPITAL AGREEMENT

This Agreement is made this **1st day of January, 2013**, by and between the San Mateo Community Health Authority, dba Health Plan of San Mateo, a public entity, hereinafter referred to as "PLAN", and **Seton Medical Center**, a hospital corporation, hereinafter referred to as "HOSPITAL."

RECITALS

WHEREAS, PLAN is a public entity that has entered into or will enter into and maintain a contract with the San Mateo County Health System to provide third party administration services for the San Mateo ACE Program starting January 1, 2009, pursuant to which individuals who subscribe and are enrolled under the San Mateo ACE Program (hereinafter referred to as "Participants" will receive health services hereinafter defined as "Covered Services," that will be administered by the PLAN;

WHEREAS, PLAN is authorized to negotiate and to enter into hospital agreements with institutional health care providers for the purpose of arranging for the provision of "Covered Services" to ACE Program Participants; and

WHEREAS, HOSPITAL, a general acute care facility licensed in accordance with the requirements of the California Health Facilities Licensure Act (Health and Safety Code, Sections 1250 et seq.), and the regulations promulgated pursuant thereto, is currently certified under Title XVIII of the Federal Social Security Act, and is equipped, staffed, and prepared to provide Benefits to Participants; and

WHEREAS, the parties hereto desire to enter into this Agreement to provide a statement of their respective rights and responsibilities in connection with the provision of Benefits to ACE Program Participants by HOSPITAL during the term hereof;

NOW THEREFORE, in consideration of the mutual promises and covenants hereinafter contained the parties agree as follows:

ARTICLE I
DEFINITIONS

General Meaning of Words and Terms - The words and terms used in this Agreement, and any and all attachments, are intended to have their usual meanings unless specifically defined in this Article I or elsewhere in this Agreement.

A. **"ACE Program"** The term "ACE Program" or "San Mateo ACE Program" or "Access and Care for Everyone Program" shall mean the consolidated health care coverage program for indigent residents of San Mateo County that includes both the Coverage Initiative benefit and the formerly named Wellness-Education-Linkage-Low Cost (WELL) Program. The ACE Program is not an insurance product licensed under the Knox-Keene Act.

B. **"Acute Medical/Surgical Day"** shall mean a day approved in an acute care inpatient facility which provides a medical-surgical, intensive, or other inpatient care not specifically designated as ICU Heart Day, Obstetrical Common Day, Nursery Common Day, Acute Psychiatric Day, ICU Burn Day, Neonatal Critical Care Day, Pediatric Critical Care Day, Obstetrical Critical Care Day, or Administrative Day.

C. **"Acute Psychiatric Day"** shall mean a day of that care provided on an inpatient facility basis to persons whose primary diagnosis is mental disorder, and whose care is approved by PLAN as such. Acute Psychiatric Days are Excluded Services under the San Mateo ACE Program.

D. **"Administrative Day"** shall mean any day of care in an acute care facility for which acute inpatient care is not required, and whose care has been approved by PLAN as such. Administrative Days are Excluded Services under the San Mateo ACE Program.

E. **"Attending Physician"** shall mean (a) any Physician who is acting in the provision of Emergency Services or in an acute care setting to meet the medical needs of the Participant or (b) any Physician who is, through delegation from the Participant's Primary Care Physician, actively engaged in the treatment or evaluation of a Participant's condition.

F. **"Authority"** shall mean the San Mateo Community Health Authority, also known as Health Plan of San Mateo.

G. **"Benefits" or "Covered Services"** shall mean those health services and supplies which Participant is entitled to receive under the ACE Program and which are set forth in Exhibit 1 of this Agreement, the San Mateo ACE Program Participant Handbook, and in PLAN's Provider Manual.

H. **"Claim"** shall mean a claim for compensation filed by HOSPITAL in accordance with PLAN's policies and procedures as defined in the HPSM Provider Manual and Bulletins.

I. "Contracting Hospital" shall mean any hospital which has entered into a medical services agreement with PLAN.

J. "Contracting Physician" shall mean a person who holds a degree of Doctor of Medicine or Osteopathy, who is licensed to practice medicine in State of California, and who has contracted with PLAN either directly or through a group contract to provide medical services to ACE Program participants.

K. "Contracting Primary Care Provider Clinic" or "PCP Clinic" shall mean a Participating Provider duly licensed in California and certified by the Medi-Cal Program and who has executed an Agreement with the PLAN to provide the services of a PCP Clinic.

L. "Copayment" shall mean the fee prescribed by San Mateo ACE Program and paid by Participants for Covered Services as applicable.

M. "Emergency Services" shall mean those HOSPITAL services required to relieve a medical condition which is manifested by acute symptoms of sufficient severity, including severe pain, such that a prudent lay person who possesses an average knowledge of health and medicine could reasonably expect the absence of immediate medical attention to result in:

i) placing the health of an individual (or, in the case of a pregnant woman, the health of the woman or her unborn child) in serious jeopardy
ii) serious impairment of bodily functions, or
iii) serious dysfunction of any bodily organ or part.

Emergency services and care include psychiatric screening, examination, evaluation, and treatment by a physician or other personnel to the extent permitted by applicable law and within the scope of their licensure and privileges. Emergency Services are Excluded Services under the San Mateo ACE Program, except if provided to an ACE/MCE participant at the San Mateo Medical Center or to a MCE Participant by HOSPITAL.

N. "Excluded Services" shall mean those health care services which are excluded as non-covered services in Exhibit 1, the San Mateo ACE Program Participant Handbook, and/or that are noted throughout this Agreement to be an Excluded Service, for which the Participant is financially responsible. These services may also be called "Non-Covered Services".

O. "Health Plan of San Mateo" (HPSM) shall mean the health plan governed by the San Mateo Community Health Authority.

P. "ICU Burn Day" shall mean a day of that care provided on an inpatient basis to persons whose primary diagnosis is extensive burn, and whose care has been approved by PLAN as such.

Q. **"ICU Heart Day"** shall mean a day approved in an acute care inpatient facility for patients undergoing open-heart surgery or other procedures such as percutaneous transluminal coronary angioplasty so approved by PLAN.

R. **"Identification Card"** shall mean that card issued by PLAN and which bears the name and symbol of PLAN and contains: Participant name and identification number, Participant's Primary Care Provider Clinic and other identifying data. The card is not proof of participant eligibility.

S. **"Inpatient Services"** includes, but is not limited to, the following services when ordered by a Participant's physician or other qualified health practitioner and rendered in accordance with Section 51327 of Title 22 of the California Administrative Code to a participant, subject, however, to such exclusions, limitations, exceptions, and conditions as are otherwise set forth in any provision of this Agreement or an Exhibit thereto:

(1) Bed and Board required for the delivery of medically necessary services;

(2) Medical, nursing, surgical, pharmaceuticals, dietary services, medical social services, biologicals, supplies, appliances and equipment provided on an inpatient basis, with the exception of those services and items which Hospital is not equipped or staffed to provide, or which are identified as Excluded Services in Exhibit 1, the San Mateo ACE Program Participant Handbook, or which are identified as an Excluded Service throughout this Agreement;

(3) Diagnostic and therapeutic services required by the Participant, which shall exclude physicians' services, except as noted as Excluded Services in Exhibit 1 or throughout this Agreement. HOSPITAL shall not be responsible for assuring that Participant will be able to obtain physician services.

(4) Administrative Services required in providing inpatient services hereunder.

T. **"Long-Term Care Services"** shall mean any sub- acute level inpatient services, including but not limited to the following: Skilled Nursing Facilities Services, Intermediate Care Facilities Services, Extended Care Services, and Sub-Acute Level Services excluding PLAN approved administrative days. Long-Term Care Services are Excluded Services under the San Mateo ACE Program.

U. **"May"** is used to indicate a permissive or discretionary term or function.

V. "MCE" shall mean those participants of the ACE Program that meet the criteria of the San Mateo County Medicaid Coverage Expansion Program, which is defined as individuals who are documented citizens at or below 133 percent of the Federal Poverty Level (FPL).

W. **"Medical Director"** shall mean the Medical Director of PLAN.

X. **"Medi-Cal Rates"** shall mean the schedule of Medi-Cal maximum allowances and rates of payment for physician and non-physician hospital services in effect for California's Medi-Cal program at the

time the services were rendered.

Y. "Medical Interpreter" shall mean a person fluent in English and in the necessary second language, providing language services at medical points of contact with language proficiency related to clinical settings.

Z. "Neonatal Critical Care Day" shall mean a day of care provided on an inpatient basis to a child whose neonatal care requires the provision of specialized services whose need for such care has been determined by the Medical Director. Neonatal Critical Care Days are not Covered Services under the San Mateo ACE Program.

AA. "Non-Medical Interpreter" shall mean a person fluent in English and the necessary second language, providing language services at non-medical points of contact with language proficiency related to the specific setting or circumstance.

BB. "Nursery Common Day" shall mean a day of that care provided on an inpatient basis to newborns when the mother is also an inpatient in the HOSPITAL. Nursery Common Days are not Covered Services under the San Mateo ACE Program.

CC. "Obstetrical Common Day" shall mean a day approved in an acute care inpatient facility for patients delivering a baby when the newborn child (children) is an inpatient at the HOSPITAL. Obstetrical Common Days are not Covered Services under the San Mateo ACE Program.

DD. "Obstetrical Critical Care Day" shall mean a day of care provided on an inpatient basis to women whose obstetrical care requires a specialized level of service. Obstetrical Critical Care Days are not Covered Services under the San Mateo ACE Program.

EE. "Outpatient Services" shall mean all HOSPITAL Covered Services other than Inpatient Services and Emergency Services provided to a Participant.

FF. "Participant" shall mean an individual who is enrolled in good standing with the ACE Program.

GG. "Participant Handbook" shall mean the document issued by the Authority to Participants that describes Covered Services and Non-Covered Services under the San Mateo ACE Program.

HH. "Pediatric Critical Care Day" shall mean a day of care provided on an inpatient basis to a child whose pediatric care requires the provision of specialized services not currently available at all contract hospitals and whose need for such care has been determined by the Medical Director. Pediatric Critical Care Days are not Covered Services under the San Mateo ACE Program.

II. "Physician" shall mean an individual licensed to practice medicine or osteopathy in accordance

with applicable California law.

JJ. "Contracting Provider" shall mean a health professional or institution licensed and certified to provide Covered Services to ACE Participants and who has executed an agreement with PLAN.

KK. "Referral/Authorization" shall mean the process by which Participating Physicians or Providers direct a Participant to seek or obtain Covered Services from a health professional, hospital or any other Provider of Covered Services in accordance with HPSM's referral and authorization procedures. Referral is required for all services provided by HOPSITAL.

LL. "Referral Physician" shall mean a Participating Physician who is professionally qualified to practice his/her designated specialty and to whom the PCP Clinic may refer any Participant for consultation or treatment.

MM. "Referral Services" shall mean any services which are not Primary Care Services and which are provided by physicians on referral from the PCP Clinic or by the PCP Clinic.

NN. "San Mateo County" shall also be referred to as "County".

OO. "Shall" is used to introduce an obligation of either the PLAN or the HOSPITAL, and is mandatory.

PP. "Threshold Language" shall mean primary languages spoken by Limited English Proficient Member (LEP) population groups meeting a numeric threshold of 3,000 eligible Participants residing in a county. Additionally, languages spoken by a population of eligible LEP Participants residing in a county, who meet the concentration standard of 1,000 in a single ZIP code or 1,500 in two contiguous ZIP codes, are also considered threshold languages for a county. Threshold languages in each county are designated by the California Department of Health Care Services.

QQ. "Utilization Management (UM)" shall mean those review processes and procedures which are designed to determine whether services are Covered Services or medically necessary and which all Participating Providers must follow.

ARTICLE II
HOSPITAL PERFORMANCE PROVISIONS

A. Services Provided by HOSPITAL. HOSPITAL shall provide Benefits to Participants and all other services designated by PLAN, subject to the availability of appropriate HOSPITAL facilities and HOSPITAL services.

B. Services Neither Covered Nor Compensated. HOSPITAL shall not be obligated to provide

Participants with, and the PLAN shall not be obligated to compensate HOSPITAL for Benefits excluded from the ACE Program's scope of benefits, as identified in the San Mateo ACE Program Participant Handbook document, PLAN's Provider Manual, or this Agreement. Excluded Services include, but are not limited to:

(1) Acute Psychiatric Days
(2) Administrative Days
(3) Emergency Services, except if provided at the San Mateo Medical Center or to a MCE Participant by HOSPITAL
(4) Long-Term Care Services
(5) Neonatal Critical Care Days
(6) Nursery Common Days
(7) Obstetrical Common Days
(8) Obstetrical Critical Care Days
(9) Pediatric Critical Care Days

C. Availability of Services.

(1) HOSPITAL shall not differentiate or discriminate in the treatment of PLAN's Participants, nor shall HOSPITAL discriminate on the basis of race, religion, sex, marital status, sexual orientation or age, except as limited by the scope of services HOSPITAL is qualified to provide. HOSPITAL shall render services to Participants in the same manner, in accordance with the same time availability as offered HOSPITAL's other patients, except as limited by ACE Program restrictions.

(2) Throughout the term of this Agreement and subject to the conditions within the Agreement, HOSPITAL shall use its best efforts to maintain its current facilities, equipment and patient service personnel (as well as allied health personnel), as HOSPITAL, in its reasonable discretion, may employ, to meet HOSPITAL's obligation to provide Benefits hereunder.

(3) The parties acknowledge that HOSPITAL is an institution operated in accordance with the Ethical and Religious Directives applicable to Catholic Health Care Services. Notwithstanding any provision of this Agreement to the contrary, HOSPITAL shall not be required, nor shall any provision hereof be construed to require HOSPITAL, to provide services or participate in activities that are inconsistent with the medical ethics or precepts of the Catholic Church.

(4) HOSPITAL shall retain the right, within its sole discretion, to alter, enlarge, reconstruct, modify, or shut down all or any part of its facilities, provided, however, that written notice of

any action described herein, which would materially affect the services available to Participants hereunder, shall be given to PLAN at least sixty (60) days prior to implementation of such change, and PLAN shall have the right to terminate this Agreement upon providing HOSPITAL with thirty (30) days prior written notice given at any time within the foregoing sixty (60) day notice period.

D. Standards of Care. HOSPITAL shall, in rendering services to Participants, provide hospital care in accordance with recognized HOSPITAL and professional standards and applicable State licensing laws and regulations.

E. Emergency Services. Both parties recognize that the provision of Emergency Services, both in HOSPITAL's Emergency Department and for inpatients who require immediate treatment for conditions, requires the professional care of a physician who is immediately available on or near HOSPITAL premises. HOSPITAL has arranged for the provision of such services to all patients of HOSPITAL requiring such services, and shall arrange for such services to be provided on the same basis as they are provided to all other patients of HOSPITAL. HOSPITAL agrees, however, that PLAN shall not be responsible for the payment for treatment and services rendered by HOSPITAL's Emergency Department or its physician(s) hereunder. Emergency Services are not Covered Services under the San Mateo ACE Program unless they are provided at the San Mateo Medical Center or to a MCE Participant by the HOSPITAL. Instead, HOSPITAL shall be responsible for providing Emergency Services to Participants under its SB 12 charity care requirements. HOSPITAL may seek to repatriate Participants who receive Emergency Services to San Mateo Medical Center once the Participant's condition is stable.

F. PLAN Not to Interfere with HOSPITAL. PLAN and HOSPITAL agree that PLAN is responsible for paying for medical care, and that HOSPITAL shall not be entitled to reimbursement for any services provided to a Participant unless HOSPITAL has obtained the necessary authorization from PLAN in accordance with PLAN's procedures. The Participant's Attending Physician shall determine the need for acute care in accordance with national professionally recognized standards of medical practice, and Participant's Attending Physician shall decide the course of treatment which is medically necessary. Nothing in this agreement is intended to create (nor shall it be construed to create) any right in PLAN or Contracting Physicians (except in their capacity as members of HOSPITAL's medical staff) to intervene with the method(s) by which HOSPITAL or Attending Physicians render services hereunder. PLAN shall have no authority to override the medical judgment of a Participant's Attending Physician.

G. Licensure and Certification.

(1) HOSPITAL hereby represents and warrants that it is currently, and for the duration of this Agreement shall remain, licensed as a general acute care hospital in accordance with Sections 1250 et seq. of the Health and Safety Code and the licensing regulations contained in Titles 22 and 17 of the California Administrative Code.

(2) HOSPITAL hereby represents and warrants that it is currently, and for the duration of this Agreement shall remain, certified under Title XVIII of the Federal Social Security Act.

H. Utilization Controls. Plan shall not be obligated to pay HOSPITAL for any services provided to a Participant unless HOSPITAL adheres to all Utilization Management requirements and obtains prior authorization for services in accordance with ACE Program rules. Specifically, all services provided by HOSPITAL must have a referral from an ACE Program PCP Clinic that is approved by PLAN for services to be payable by PLAN. In addition, certain procedures, as documented in HPSM's Provider Manual and Provider Bulletins, require prior authorization.

I. Notification of Emergency Services. HOSPITAL shall provide Emergency Services to each Participant who presents at HOSPITAL's Emergency Room and who, within the judgment of the Attending Physician, requires such Emergency Services.

ARTICLE III
PLAN PERFORMANCE PROVISIONS

A. Payment Obligation. PLAN shall pay HOSPITAL those amounts set forth and in the manner and at the times as specified in Exhibit 2, Reimbursement Addendum to this Agreement for Benefits provided to Participant's hereunder (Exhibits 2 is attached hereto and hereby incorporated by reference), except as noted in Article IV Section C below.

B. List of Participating Physicians. PLAN shall provide HOSPITAL with a continually updated list of all Participating Physicians no less frequently than once every calendar year.

ARTICLE IV
REIMBURSEMENT FOR SERVICES

A. HOSPITAL Services. PLAN shall pay to HOSPITAL, and HOSPITAL shall accept from PLAN in full and final satisfaction of PLAN's reimbursement obligation for Covered Services provided to Participants by HOSPITAL hereunder, those amounts set forth and in the manner and at the times as specified in Exhibit 2 to this Agreement

B. Frequency of Adjudication. PLAN shall adjudicate claims for the ACE Program no less frequently than once every calendar month.

C. Insufficient Funds. HOSPITAL acknowledges that PLAN remits payment to HOSPITAL under PLAN's role as a contracted third party administrator to San Mateo County. As such, PLAN's ability to remit payment to HOSPITAL is contingent on the availability of funding from San Mateo County to cover payments to HOSPITAL and other Participating Providers. Should PLAN lack sufficient funding from San Mateo County to cover payments to providers for the San Mateo ACE Program for any given adjudication cycle, PLAN retains the right to withhold payment until such time as sufficient funding is made available to PLAN. In addition, should sufficient funding not be made available within a timely manner, HOSPITAL agrees that San Mateo County maintains ultimate payment responsibility for Covered Services provided under the San Mateo ACE Program and that HOSPITAL shall seek such payment from San Mateo County rather than PLAN.

D. Participant Billing. HOSPITAL shall not submit claims to or demand or otherwise collect reimbursement from Participants, or from other persons on behalf of Participants, for any service included in the ACE Program scope of benefits in addition to a claim submitted to the PLAN for that service.

E. No State Reimbursement. HOSPITAL agrees to hold harmless Participants and the State of California, its officers, agents, and employees in the event the PLAN cannot or will not pay for services rendered or materials provided pursuant to the terms of this Agreement.

ARTICLE V
CONTRACTING PHYSICIANS

A. Relationship of HOSPITAL and Contracting Physicians. It is expressly understood and agreed that no Contracting Physician or other Physician shall be entitled to admit, or treat, or prescribe for Participants in HOSPITAL if Physician is not a member in good standing of HOSPITAL's Medical

Staff with appropriate clinical privileges to admit and treat Participant in HOSPITAL. Medical Staff membership and clinical privileges may be granted to Contracting Physicians by HOSPITAL's Governing Board, acting in conjunction with its Medical Staff, in accordance with the standards, procedures, and other provisions of HOSPITAL's Medical Staff Bylaws and the Rules and Regulations relating thereto which have been adopted by HOSPITAL's Medical Staff with the approval of said Board.

B. HOSPITAL Privileges of Contracting Physicians. Nothing contained in this Agreement shall be construed to grant any greater rights to Contracting Physicians with respect to the granting and retention of Medical Staff membership and privileges than are available to any other Physician HOSPITAL and any delegate performing the covenants of the HOSPITAL shall not deny medical staff membership or clinical privileges for reasons other than a Physician's individual qualifications as determined by professional and ethical criteria, uniformly applied to all medical staff applicants and members. Determination of medical staff membership or clinical privileges shall be made in accordance with Hospital's established rules and policies.

HOSPITAL shall henceforth notify PLAN when it revokes or modifies privileges of any Physician who is also contracted with PLAN. Written notification shall be submitted to the PLAN at the time of occurrence or at least on a quarterly basis.

ARTICLE VI
PAYMENT PROCEDURES

A. Billing Procedures. Completed Claims submitted by HOSPITAL to the PLAN shall be paid by the PLAN in accordance with PLAN's policies as evidenced in the HPSM Provider Manual and Bulletins, notwithstanding Article IV Section C above.

B. Day of Services. A day of service shall be billed and paid for each Participant who occupies an inpatient bed to receive acute inpatient care at 12:01 a.m. in the facilities of either HOSPITAL or an appropriately licensed HOSPITAL subcontractor. However, a day of service may be billed if the Participant is admitted and discharged during the same day provided that such admission and discharge are not within twenty-four (24) hours of a prior discharge. Payment for said day shall be the lesser of billed charges or the amounts set forth in Exhibit 2 to this Agreement. There shall be no separate billing hereunder for those Outpatient and Emergency Services provided to a Participant during the same calendar day as the admission of the Participant to HOSPITAL when the foregoing services are directly related to the condition(s) for which the Participant is admitted to

HOSPITAL.

C. Participant Notification. HOSPITAL shall comply with existing State and Federal law and regulations promulgated thereto pertaining to the issuance of explanations of benefits for Participants.

D. Discharge Planning. HOSPITAL shall continue to be responsible for discharge planning and HOSPITAL shall prepare a written discharge summary within thirty (30) days of Participant's discharge and shall make said summary available to PLAN upon receiving a prior written request from PLAN. Said discharge summary shall contain that information ordinarily prepared by HOSPITAL and provided to patients and third-party payors at the time a bill for service is submitted.

ARTICLE VII
INSURANCE

A. PLAN Insurance. PLAN, at its sole cost and expense, shall procure and maintain a professional liability policy in the amount of $1,000,000.00 to insure PLAN and its agents, and employees, acting within the scope of their duties, against any claims for personal injury or death occasioned directly or indirectly by PLAN or by its agents, or employees in connection with the performance of PLAN's responsibilities under this Agreement.

B. HOSPITAL Insurance. HOSPITAL and its subcontractors providing patient care services at their sole cost and expense, shall procure and maintain policies or self-insurance programs of comprehensive general liability, professional liability in excess of $1,000,000.00, and other insurance as shall be necessary to insure HOSPITAL and its agents, employees, and subcontractors acting within the scope of their duties, against any claims for personal injury or death occasioned directly or indirectly by HOSPITAL or by its agents, or employees in connection with the performance of HOSPITAL's responsibilities under this Agreement.

C. HOSPITAL Indemnification. HOSPITAL agrees to indemnify, defend and hold harmless PLAN, its agents, officers and employees from and against any and all liability, expense, including defense costs and legal fees, and claims for damages of any nature whatsoever, including, but not limited to, bodily injury, death, personal injury, or property damage arising from or connected with HOSPITAL's operations or its services hereunder. This provision is not intended to nor shall it be construed to require HOSPITAL to indemnify PLAN for any PLAN liability independent of that of

HOSPITAL, nor to cause HOSPITAL to be subject to any liability to any third party (either directly, or as an indemnitor of PLAN or its agents, officers, and employees) in any case where HOSPITAL liability would not otherwise exist. Rather, the purpose of this provision is to assure that PLAN and its agents, officers, and employees, will be provided with indemnification for and a defense to any vicarious or other indirect liability or claim against PLAN or such agents, officers, or employees resulting from the actions or other omissions of HOSPITAL in connection with HOSPITAL's operations or its services under this Agreement.

D. PLAN Indemnification. PLAN agrees to indemnify, defend and hold harmless HOSPITAL, its agents, officers and employees from and against any and all liability, expense, including defense costs and legal fees, and claims for damages of any nature whatsoever, including, but not limited to, bodily injury, death, personal injury, or property damage arising from or connected with PLAN's operations or its services hereunder. This provision is not intended to nor shall it be construed to require PLAN to indemnify HOSPITAL for any HOSPITAL liability independent of that of PLAN, nor to cause PLAN to be subject to any liability to any third party (either directly, or as an indemnitor of HOSPITAL or its agents, officers, and employees) in any case where PLAN liability would not otherwise exist. Rather, the purpose of this provision is to assure that HOSPITAL and its agents, officers, and employees, will be provided with indemnification for and a defense to any vicarious or other indirect liability or claim against HOSPITAL or such agents, officers, or employees resulting from the actions or other omission of PLAN in connection with PLAN's operations or its services (including utilization review services) under this Agreement.

ARTICLE VIII
RECORDS, AUDITS, AND REPORTS

A. Inspection Rights

(1) HOSPITAL shall make all of its books and records, pertaining to the goods and services furnished under the terms of this Agreement, available for inspection, examination or copying:

(a) By the PLAN, all applicable county, state and federal agencies, and self regulatory agencies.

(b) At all reasonable times at the HOSPITAL or at such other mutually-agreeable location in California.

(c) In a form maintained in accordance with the general standards applicable to such book or recordkeeping.

(d) For a term of at least five (5) years from the close of the state's fiscal year in which this Agreement was in effect.

(2) These audits or reviews may evaluate the following pertinent to Participants:

(a) Level and quality of care, and the necessity and appropriateness of the services provided.

(b) Internal procedures for assuring efficiency, economy, and quality of care.

(c) Grievances relating to medical care and their disposition.

(d) Financial records when determined necessary by the PLAN to assure accountability for public funds.

(3) The parties agree that the purpose of the audits and reviews authorized by this Paragraph VIII A is solely to assess the HOSPITAL and HOSPITAL's subcontract's compliance with the terms and conditions of this Agreement.

(4) HOSPITAL does not waive the provisions of Evidence Code 1157 with regard to Medical Staff records.

B. Records to be Kept; Audits or Review; Availability; Period of Retention.

(1) HOSPITAL shall maintain books, records, documents, and other evidence, using accounting procedures and practices sufficient to reflect properly all direct and indirect costs of whatever nature claimed to have been incurred in the performance of this Agreement in accordance with generally accepted accounting principles.

(2) HOSPITAL shall maintain the above information in accordance with Medicare principles of reimbursement, and shall be consistent with the requirements of the California Health Facilities Commission. In cases where any of the above requirements are in conflict, HOSPITAL's compliance with any one of such requirements is sufficient.

(3) HOSPITAL shall maintain medical records required by Sections 70747-70751 of Title 22 of the California Code of Regulations, and other records related to a Participant's eligibility for services, the service rendered, the Participant to whom the service was rendered, the date of the service, the medical necessity of the service and the quality of the service provided. Records shall be maintained in accordance with Section 51476 of Title 22 of the California Code of Regulations, and the provisions of the Knox-Keene Health Care Service Plan Act of 1975, as amended, and the regulations promulgated thereunder. Such Obligations shall not be terminated upon termination of this Agreement.

C. HOSPITAL's Subcontracts. HOSPITAL shall maintain and make available to PLAN, San Mateo County, and all applicable state and federal agencies, and self regulatory agencies, upon written request, copies of all subcontracts for the performance of any of HOSPITAL's obligations under this Agreement. HOSPITAL shall further assure that all subcontracts entered into from the effective date of this Agreement shall require that the subcontractor:

(1) Make all applicable books and records available at all reasonable times for inspection, examination, or copying by the PLAN, San Mateo County, all applicable state and federal agencies, and self regulatory agencies.

(2) Retain such books and records for a term of five (5) years from the close of the state's fiscal year in which the subcontract became effective.

D. Confidentiality of Participant Information. Notwithstanding any other provision of this Agreement, names of Participants hereunder are confidential and are to be protected from unauthorized disclosure in accordance with state and federal laws. For the purpose of this Agreement, all information, records, date, and data elements collected and maintained for the operation of the Agreement and pertaining to Participants shall be protected by the HOSPITAL from unauthorized disclosure.

E. Third-Party Liability. HOSPITAL shall report to PLAN, when HOSPITAL discovers that Benefits rendered either directly by HOSPITAL or through the instrumentality of a HOSPITAL subcontractor

are covered, in whole or in part, by workers' compensation, tort liability, or casualty insurance.

ARTICLE IX
PATIENT RIGHTS

A. Patient Rights. The HOSPITAL or any subcontractor performing the obligations of the HOSPITAL pursuant to the terms of this Agreement shall adopt and post in a conspicuous place a written policy on patient's rights in accordance with Section 70707 of Title 22 of the California Code of Regulations.

ARTICLE X
TERM, TERMINATION, AND EFFECT OF TERMINATION

A. Term. The term of this Agreement shall commence on January 1, 2013 and shall terminate on December 31, 2013. This Agreement will automatically renew for successive twelve (12) month periods on the same terms and conditions (including subsequent amendments) unless terminated pursuant to the terms of this Agreement.

B. Termination Without Cause. HOSPITAL or PLAN may terminate this Agreement without cause upon providing the other party with ninety (90) days prior written notice.

C. Termination for Material Breach. Either party shall have the right to terminate this Agreement upon providing thirty (30) days prior written notice to the other party if the party to whom such notice is given is in material default under this Agreement. The party claiming the right to terminate hereunder shall set forth in the notice of intended termination required hereby the effective date of such termination and the facts underlying its claim that the other party is in breach of this Agreement. If HOSPITAL or PLAN remedies such alleged breach within twenty (20) days of the receipt of such notice, the Agreement shall remain in effect for the remaining term and such termination notice shall no longer be in effect. Notwithstanding the other provisions of this paragraph, the PLAN may immediately suspend this Agreement pending completion of applicable termination procedures, if PLAN makes a reasonable determination, supported by written findings, that the health and welfare of Participants is jeopardized by continuation of the Agreement.

D. Termination Based upon Unforeseen Events. In the event there are (1) changes effected in the PLAN's contract with San Mateo County, or (2) changes effected in San Mateo County ACE

Program, or (3) substantial changes in public or private health and/or hospital care insurance programs or policies which will have a material detrimental financial effect on the operations of HOSPITAL or PLAN, HOSPITAL or PLAN may terminate this Agreement upon providing the other party with thirty (30) days prior written notice. In any case where such notice is provided, both parties shall negotiate in good faith during such thirty (30) day period in an effort to develop a revised Agreement, which, to the extent reasonably practicable, under the circumstance, will adequately protect the interests of both parties in light of the governmental program or private insurance policy changes which constituted the basis for the exercise of this termination provision.

E. Termination for Insufficient Provider Participation. If, for any reason, PLAN is unable to enter into or maintain service contracts with sufficient numbers of Physicians on the Medical Staff of Participating Hospitals to assure adequate Participant access to needed Covered Services, the PLAN may terminate this Agreement upon thirty (30) days written notice to HOSPITAL.

F. Termination by U.S. Department of Health and Human Services or San Mateo County. If the qualification of HOSPITAL under the Federal Social Security Act is terminated or ceases for any reason or if the PLAN's ACE Program contract with the County of San Mateo is terminated or ceases for any reason, PLAN shall give HOSPITAL immediate written notice of the foregoing termination(s) and this Agreement shall terminate in accordance with the terms under D of this Article.

G. Effect of Termination. As of the date of termination pursuant to any provision of this Agreement, this Agreement shall be of no further force or effect whatsoever, and each of the parties hereto shall be relieved and discharged herefrom, except that PLAN shall remain liable for all Benefits rendered to Participants up to the date of termination and for any Benefits rendered hereunder after such date until such time as appropriate transfer (or other medically acceptable disposition) of Participants receiving inpatient services as of the date of termination is achieved.

H. Termination for Interruption. PLAN may terminate Agreement upon ten (10) days written notice pursuant to Article XI A.

I. Amendments to Avoid Termination. If the provisions of Article X D of this Agreement are invoked, the party who invokes them shall make all reasonable efforts, if so requested by the other party, to negotiate amendments to this Agreement which will bring the terms of the Agreement in compliance with such statute, regulation, or judicial decision.

ARTICLE XI
INTERRUPTIONS

A. Cause Beyond Control of HOSPITAL. In the event the operations of HOSPITAL's facilities, or any substantial portion thereof, are interrupted by war, fire, insurrection, riots, the elements, earthquakes, acts of God, or without limiting the foregoing, any other cause beyond the control of HOSPITAL, the HOSPITAL shall be relieved of its obligations with respect to the provisions of this Agreement (or such portions hereof which HOSPITAL is thereby rendered incapable of performing) for the duration of such interruptions. Nothing contained herein shall be construed to limit or reduce PLAN's obligation to pay HOSPITAL for Benefits rendered to Participants prior to or subsequent to an event described herein. Should a substantial part of the services which HOSPITAL has agreed to provide hereunder be interrupted for a period in excess of thirty (30) days, PLAN shall have the right to terminate this Agreement upon providing ten (10) days prior written notice to HOSPITAL.

ARTICLE XII
GENERAL PROVISIONS

A. Applicability of State and Federal Laws and Regulations. This Agreement shall be governed and construed in accordance with the laws of the State of California and of the United States and ordinances and policies of San Mateo County. Any provision of this Agreement which is in conflict with, or does not conform to applicable State or Federal statutes or regulations promulgated pursuant thereto, or to applicable San Mateo County ordinances and policies, shall be amended to conform to the requirements of such statutes or regulations.

B. Severability. In the event any provision of this Agreement is rendered invalid or unenforceable by Act of Congress, by statute of the State of California, by any regulation duly promulgated by the United States or the State of California in accordance with law or is declared null and void by any court of competent jurisdiction, the remainder of the provisions hereof shall remain in full force and effect.

C. Limitation of Severability. In the event the removal of a provision rendered invalid or unenforceable or declared null and void has the effect of materially altering the obligations of either party in such manner as to cause serious financial hardship to such party, the party so affected shall have the right to terminate this Agreement upon providing thirty (30) days prior written notice to the other party.

ARTICLE XIII
GRIEVANCES AND APPEALS

A. Resolution of Member and Provider-Initiated Grievances or Appeals. The Hospital agrees that all disputes or disagreements between the Hospital and the PLAN or the Member shall be resolved in accordance with the HPSM Provider Manual and PLAN policies. PLAN retains

responsibility for grievance and appeals resolution and does not delegate it to Hospital. Hospital agrees to cooperate with PLAN in resolving Member grievances and/or appeals related to the Hospital. PLAN will bring to the Hospital's attention all Member complaints involving Hospital. Hospital will, in accordance with PLAN approved procedures, investigate such complaints and use their best efforts to resolve them in a fair and equitable manner that is acceptable to PLAN. Hospital agrees to notify PLAN promptly of any action taken or proposed with respect to the resolution of such complaints and the avoidance of similar complaints in the future. Hospital shall promptly make available to PLAN, any and all records, notes, and documents or other information regarding Hospital's dispute resolution mechanism and the resolution of any and all disputes with Members.

ARTICLE XIV
MISCELLANEOUS

A. Time of the Essence. Time shall be of the essence of each and every term, obligation, and condition of this Agreement.

B. Entire Agreement. This Agreement (together with all Exhibits hereto) contains the entire agreement between the parties relating to the rights herein granted and the obligations herein assumed. It is the express intention of HOSPITAL and PLAN that any and all prior or contemporaneous agreements, promises, negotiations or representations, either oral or written, relating to the subject matter and period governed by this Agreement which are not expressly set forth herein shall be of no further force, effect or legal consequence after the effective date hereunder.

C. Amendments. This Agreement and any Exhibits hereto may be amended only by an instrument in writing, duly executed by both parties hereto.

D. Waivers. No obligation under this Agreement or an Exhibit hereto may be waived by any party hereto except by an instrument in writing, duly executed by the party waiving such obligations. All manners shall specify the provisions being waived, and no waiver of any provision of this contract extends or implies the extension of the waiver to any other provisions of this Agreement unless so specified in writing.

E. Independent Contractors. PLAN and HOSPITAL hereby acknowledge that they are independent contractors and neither is an officer, agent or employee of the other for any purpose.

F. Counterparts. This agreement may be executed in counterparts, each of which shall be considered to be an original; however, all such counterparts shall constitute but one and the same Agreement.

G. Headings. The headings or titles of articles and sections contained in this Agreement are intended solely for the purpose of facilitating reference, are not a part of the Agreement and shall not affect in any way the meaning or interpretation of this Agreement.

H. Inurement. This Agreement shall be binding upon all assignees, heirs and successors-in-interest of either party.

I. Assignment. Neither PLAN nor HOSPITAL shall assign this Agreement without the written consent of the other party.

ARTICLE XV
NOTICES

A. Any notice required to be given pursuant to the terms and provisions hereof, unless otherwise indicated herein, shall be in writing and shall be sent by certified, registered or express mail, courier services (Airborne, Federal Express, UPS, etc.), or other means which can provide written proof of delivery, and shall be deemed given two (2) days after the date of mailing unless written proof indicates differently, and is to be addressed as follows:

HOSPITAL shall not seek payment from an ACE Program Participant for any deductibles, copayments, or coinsurance for Covered Services

C. Emergency and Required Post-stabilization Services Reimbursement for MCE

For MCE participants only, the PLAN shall pay Hospital for those Emergency and Required Post-stabilization services, provided to Participants, providing that notification of such services was

made to the PLAN within 24 hours of admission or on the first business day following a weekend for the following amount:

-Except for covered inpatient hospital services, the PLAN will pay 30 percent of the applicable regulatory fee-for-service rate under the California State Plan (excluding any supplemental payments) for emergency and post-stabilization services.

HOSPITAL shall not seek payment from a MCE Program Participant for any deductibles, copayments, denied payments, or coinsurance of Covered Services.

EXHIBIT 3

PROCESS FOR EMERGENCY OR POST-STABILIZATION SERVICES PROVIDED TO A MCE PARTICIPANT

1. HOSPITAL will contact PLAN at (650) 616-2070 within 24 hours of ED visit or ED admission of a MCE participant.

2. PLAN has an after hours message informing HOSPITAL that services, provided in the Emergency Department or in an inpatient hospital setting for post-stabilization of care to a MCE participant, require fax notification to PLAN. HOSPITAL is required to fax PLAN, at (650) 829-2021, notification with the hospital admission face sheet and admit order or ED registration record notification, as appropriate, within 24 hours of the ED visit or emergent acute care admission.

3. MCE participants stable for transfer shall be transferred back to San Mateo Medical Center (SMMC) 24/7/365. HOSPITAL shall note date and time of communication with SMMC and repatriation outcome by fax communication to PLAN.

4. PLAN will require an authorization extension and continue stay review on the first business day immediately following HOSPITAL admission. HOSPITAL may call PLAN's Health Services Department at (650) 616-2070 to establish continued stay review and authorization.

5. Failure to notify PLAN within 24 hours and/or adhering to PLAN's protocol for approval of ED service or post-stabilization of care admission will result in denial of payment for services.

Memorandum of Understanding
Between
Health Plan of San Mateo
And
Seton Medical Center

This Memorandum of Understanding ("MOU") is entered into effective February 5, 2019,, by and between **Seton Medical Center** ("FACILITY"), and the San Mateo Health Commission, a public corporation, dba Health Plan of San Mateo ("HPSM"). The parties agree as follows:

WHEREAS, the parties have a Medical Services Agreement to provide HPSM members with access to FACILITY's health care services; and

WHEREAS, the parties share an interest in having FACILITY participate in HPSM's LTC Partnership program focused on developing a community of practice to coordinate and integrate services for HPSM members and collaborate with other facilities on best practices; and

WHEREAS, by participating in HPSM's LTC Partnerships program FACILITY will support the goals of the program, including the development of targets for access and quality of care, staff engagement and retention, the exploration of new payment models; and

WHEREAS, the models, systems and standards developed jointly by HPSM and FACILITY, along with other program participants, will subsequently serve to drive best practices in long-term care throughout San Mateo County;

NOW, THEREFORE, HPSM and FACILITY hereby agree as follows:

1. FACILITY responsibilities:
    a. Identify at least five team members to participate in the LTC Partnership program, including the following roles:
        i. Direct caregivers, clinical lead, operations or social services lead, staff engagement lead, and Executive Sponsor
    b. Ensure the participation of all team members in the following LTC Partnership program:
        i. Three half-day quarterly meetings;
        ii. Presentation of agreed upon reporting metrics at each of the three half-day meetings;
        iii. Participation in activities in between meetings to further the learning, including hosting onsite visits for HPSM staff and other facilities if requested and with prior notice;
        iv. Participation in separate payment sub-group meetings by the Executive Sponsor or his or her designees.
    c. Deliver the following to HPSM
        i. Reporting metrics one week prior to the scheduled quarterly session.

2. HPSM responsibilities:
    a. HPSM will make payment of $20,000 to FACILITY for up to three quarters starting in the first quarter of 2019 that FACILITY participates fully by meeting the requirements in Section 1;
    b. HPSM will provide the conference room, materials, equipment, and training for the LTC Partnership program;
    c. If program funds are available, HPSM may offer a one-time stipend of up to $5,000 to FACILITY for team attendance at a local, regional, or national conference or training on best practices in skilled nursing and long-term care. Payment is inclusive of all event costs, such as airfare, hotel, food and conference registration. No submission of receipts or documentation of expenses is required.
3. Term. The MOU is effective as of the date below for eight months until October 1, 209, unless terminated earlier as specified below.
4. Termination Without Cause. Either party may terminate this MOU at any time without cause upon thirty (30) days' written notice provided that any obligation for payment from HPSM upon termination is contingent upon Facility fully participating in any quarter's activities described in Section 2a.
5. Assignment. FACILITY shall have the right at any time to assign, delegate or in any manner transfer all or any portion of its interests, obligations or duties under this MOU to any entity without the consent of HPSM.

IN WITNESS WHEREOF, HPSM and FACILITY have duly executed this MOU to be effective as of February 5, 2019.

HOSPITAL SERVICE AGREEMENT

BETWEEN

SAN MATEO HEALTH COMMISSION, d.b.a. PLAN OF SAN MATEO

AND

Seton Medical Center

2006 ~~2005,~~ THIS AGREEMENT is made and entered into as of the 1ST day of January by and between San Mateo Health Commission, d.b.a. Health Plan of San Mateo ("PLAN"), an independent public agency established by the San Mateo County Board of Supervisors pursuant to WIC section 14087.51, hereinafter called "PLAN and **Seton Medical Center**, ("Hospital"), a hospital licensed under the laws of the State of California.

RECITALS

A. PLAN is licensed as a Health Care Service Plan under the Knox-Keene Health Care Service Plan Act of 1975 as amended ("Knox-Keene Act").

B. PLAN intends to operate a Medicare Advantage Plan ("Care Advantage") pursuant to the Balanced Budget Act of 1997 ("BBA") and to offer a prepaid health benefits plan to individuals covered under the federal Medicare program.

C. Hospital desires to provide certain Covered Services to Members under the terms and conditions set forth herein.

D. PLAN desires to enter into an agreement with Hospital obligating Hospital to provide certain Covered Services for Members of PLAN.

E. PLAN and Hospital mutually desire to preserve and enhance patient dignity.

NOW, THEREFORE, in consideration of the promises and the mutual covenants herein stated, it is agreed by and between the parties hereto as follows:

I. DEFINITIONS

1.1 **"CMS"** will mean the Centers for Medicare and Medicaid Services, which is the agency of the federal government responsible for administration of the Medicare program including PLAN's Care Advantage Program.

1.2 **"Case Management"** shall mean the coordination and follow up by the Primary Care Physician, of all services deemed necessary to provide the Member with a plan of medically necessary and appropriate health care.

1.34 **"Urgent Care"** will mean Covered Services required to prevent deterioration of an Member's health that results from an unforeseen illness or injury.

1.35 **"Utilization Management Plan"** will mean the programs and processes established and carried out by PLAN, Hospital and Plan Physicians, and approved by PLAN, to evaluate, authorize and monitor the utilization of Covered Services provided to Members.

II. HOSPITAL OBLIGATIONS

2.1 Accessibility of Care. Hospital agrees that, to the extent feasible, Covered Services provided by it will be made available and accessible to Members promptly and in a manner which ensures continuity of care.

2.2 CMS Participation Requirements. Hospital is prohibited from employing or contracting with a provider who is excluded from participating in Medicare for the provision of

any of the following: healthcare services, utilization review services, medical social work services and administrative services.

2.3 **Collection of Copayments and Deductibles from Members.** Hospital shall collect applicable Copayments and/or deductible amounts from Members upon the rendition of service. Such amounts shall be retained by Hospital.

2.4 **Compliance.** Hospital will use reasonable efforts to ensure that any Downstream Entity comply with State and Federal laws and regulations. Hospital shall include in its contracts with any Downstream Entity all provisions required by Federal and State laws, including the BBA and related regulations. Hospital shall ensure that all contracts with any Downstream Entity comply with all applicable Care Advantage regulations as described in this Agreement and as outlined in the Provider Manual, as a condition for continued participation in the PLAN's Care Advantage plan.

Hospital understands that payments made by PLAN are, in whole or in part, derived from Federal funds, and therefore Hospital and any Downstream Entity are subject to certain laws that are applicable to individuals and entities receiving Federal funds. Hospital agrees to comply with all applicable Federal laws, regulations, reporting requirements and CMS instructions including Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, the Americans with Disabilities Act, and to require any Downstream Entity comply accordingly. Hospital agrees to include the requirements of this section in its contracts with any Downstream Entity.

2.5 **Member Grievances.** PLAN retains responsibility for grievance resolution and does not delegate it to Hospital. Hospital agrees to cooperate with PLAN in resolving Member grievances related to Hospital. PLAN will bring to the Hospital's attention all Member complaints involving Hospital and Hospital will, in accordance with its regular procedure, investigate such complaints and use its best efforts to resolve them in a fair and equitable manner. Hospital will use reasonable efforts to notify PLAN promptly of any action taken or proposed with respect to the resolution of such complaints and the avoidance of similar complaints in the future.

2.6 **PLAN Liaison.** Hospital agrees to designate an individual(s) who will assume the day-to-day responsibilities with regard to Hospital's obligations hereunder and to serve as liaison with PLAN. Such individual will also be responsible for responding promptly to an Member's grievance.

2.7 **Hospital Services.** Hospital agrees to provide or arrange for the provision of the Hospital Services to Members of PLAN.

2.8 **Identification of Hospital.** Hospital agrees that PLAN may list its name, address, telephone number and a description of its facilities and services in PLAN's roster of participating hospitals that is given to Members and prospective Members, and may use Hospital's name for advertising/marketing purposes. The use of Hospital's trademarks or logos by PLAN without Hospital's prior written approval is prohibited.

2.9 **Non-Discrimination.** Hospital agrees: (1) not to differentiate or discriminate in his/her provision of Covered Services to Members because of race, color, national origin, ancestry, religion, sex, health status, marital status, sexual orientation, age, or other protected classes according to federal and state law; and (2) to render Covered Services to Members in the same manner, in accordance with the same standards and within the same time availability

as offered to non-Members consistent with existing medical/ethical/legal requirements for providing continuity of care to any patient.

2.10 **Private Contract.** Hospital understands that PLAN is prohibited by CMS from including in its provider network, any provider that has entered into a private contract with a Medicare beneficiary (excludes fee-for-service Medicare beneficiary for the provision of Covered Services). In such an event, PLAN reserves the right to exclude any such provider from its provider network.

2.11 **Quality Improvement Programs.** PLAN retains responsibility for quality improvement. Hospital agrees to comply with PLAN's quality improvement program. PLAN's quality improvement program shall be developed in consultation with its Participating Providers to ensure that practice guidelines of quality improvement and quality management pursuant to CMS regulations and instructions are met.

Hospital and its Downstream Entities shall fully cooperate with and participate in PLAN's quality improvement program and procedures as described in the Provider Manual. Hospital shall immediately notify PLAN of those Members and cases which fall within the catastrophic and targeted case management guidelines set forth in the Provider Manual and shall cooperate with PLAN's case management program for catastrophic and targeted cases. Hospital and Participating Providers shall comply with PLAN's Medical Policy. Hospital shall comply with and accept as final, the decisions of the PLAN quality improvement program, and pending resolution of any dispute through the dispute resolution process, comply with the decisions of the PLAN quality improvement program.

2.12 **Provider Terminations.** In the event a provider intending to become a Participating Provider is denied a contract with Hospital or a Participating Provider is suspended or terminated for cause, Hospital shall provide the provider with written notice of the reason for the action as required by Federal law, including any standards and profiling data Hospital used to evaluate the provider, the number and mix of similar health care providers that Hospital needs (if applicable), and notice of the provider's right to appeal the action, including notice of the process and timing to request a hearing. In the event Hospital terminates a contract with a Participating Provider for deficiencies in the quality of care provided, Hospital shall give notice of the action to the appropriate licensing and disciplinary bodies.

2.13 **Prohibited Interference With Enrollment Relationships.** Hospital agrees that it will not: (a) violate any laws and regulations governing the solicitation of PLAN members; (b) encourage or seek to have an Member disenroll from PLAN and/or enroll in (i) a health maintenance organization, including one in which Hospital has an ownership interest, (ii) another managed care plan, (iii) a case management arrangement, or (iv) any other similar arrangement, including any other arrangement in which Hospital has a direct or indirect ownership interest (collectively referred to as "Alternative Care Plan"); and/or (c) interfere with the enrollment of PLAN Members. Any such activity would constitute a material breach of this contract. The provisions of this Section shall apply to all Hospital employees and subsidiaries of Hospital, including any such arrangements established after the Effective Date of this Agreement. Nothing in this Section shall prohibit Hospital from providing information to the public as to its affiliation with an Alternative Care Plan, so long as such activities do not include any of the prohibited activities set forth above. Both parties agree that if a dispute arises as to whether there has been a breach of this Section it shall be resolved in accordance with the dispute resolution section of this Agreement, set forth in Article XIII.

2.14 **Communications Regarding PLAN.** Hospital agrees that in connection with all actions taken on behalf of Members and in all communications with Members in connection with this Agreement, Hospital shall avoid actions and communications that could or shall undermine the confidence of the Member, a potential Member or the public in PLAN or in the quality of care which PLAN provides. The obligations set forth in this Section shall survive termination of this Agreement.

2.15 **Standards of Care.** Hospital will provide all Hospital Services in accordance with professionally recognized standards of care.

2.16 **State and Federal Site Visits.** Hospital agrees to permit the California Department of Managed Health Care ("DMHC"), CMS and the U.S. Department of Health and Human Services ("HHS") to conduct on-site evaluations of Hospital periodically in accordance with the current state and federal laws and regulations and to comply with the agency's recommendations, if any. Hospital shall give CMS, DMHC, HHS, the U.S. General Accounting Office ("GAO"), any Peer Review Organization ("PRO") or accrediting organizations, their designees, and other representatives of regulatory or accrediting organizations the right to audit, evaluate, inspect books, contracts, medical records, patient care documentation, other records of contractors, subcontractors or related entities for six (6) years following the termination of this Agreement or the completion of an audit, whichever is later unless further extended for the reasons specified in Title 42, Code of Federal Regulations ("42 CFR"), §422.504(e)(4).

2.17 **Transfers.** Hospital agrees to assist in facilitating the transfer of Members to Hospital if determined medically acceptable by attending physicians and the PLAN medical director.

2.18 **Utilization Management Coordinator.** Hospital agrees to designate an individual(s) to assume the day-to-day responsibilities with regard to the Hospital's obligation to prospectively and concurrently review services to Members and to support the Utilization Management Plan as it relates to the services provided to Members assigned to Hospital.

2.19 **Hospital-Based Physician Services.** Hospital shall make best efforts to facilitate that its entire staff of Hospital-based Physicians become Plan Physicians, under contract with PLAN. Except for Emergency Services and Urgent Care, Hospital shall not utilize a non-Plan Physician for Hospital-based Physician services, including, but not limited to emergency medicine, anesthesiology, radiology and pathology services, without the express approval of PLAN's medical director or his designee. In the event an Member needs Hospital-based Physician services and a Plan Physician is not available, Hospital shall contact PLAN's Utilization Management Program to obtain authorization for such services by a non-Plan Physician. Hospital shall make best efforts to ensure that its Hospital-based Physicians comply with the terms and conditions of this Agreement, including participation in PLAN's Utilization Management Program and Quality Management Program.

2.20 **Skilled Nursing Facility and Other Sub-acute Services.** In the event that Hospital contracts with PLAN to provide skilled nursing facility ("SNF") or any other type of sub-acute institutional service to Members, the applicability of which level of care shall be determined by the PLAN's utilization management criteria and the Hospital's case manager, then Hospital's obligation to provide such service(s) shall be binding whether or not Hospital is currently licensed or maintains such licenses to bill Medicare for such services, or has otherwise separately licensed or maintains such separate licenses for the SNF or other contracted for sub-acute institutional services from its acute care beds.

III. PLAN OBLIGATIONS

3.1 **PLAN Services.** PLAN agrees to provide certain consumer and administrative services, including but not limited to processing Member application, maintaining eligibility records and a system of verifying eligibility and processing enrollments and disenrollments through communication with CMS, responding to Member complaints and grievances, informing Members of PLAN policies, providing Members with membership cards and informational material and informing Members of Participating Providers.

3.2 **Orientation.** PLAN agrees to provide orientation and training for Hospital in the application of the policies and procedures of PLAN.

3.3 **Marketing.** PLAN agrees to market Care Advantage program to Medicare beneficiaries.

3.4 **Listing of PLAN.** PLAN agrees that Hospital may list its name, address, telephone number and a description of the PLAN along with other PLANs that use Hospital in Hospital's promotional materials and advertisements. The use of PLAN's trademarks, logos, or other intellectual property by Hospital is prohibited without PLAN's prior written approval.

IV. UTILIZATION MANAGEMENT PROGRAM

4.1 **Non-Emergency Procedures.** Except for Emergency Services and Urgent Care, Hospital agrees to admit Members to Hospital only upon the Referral of a Plan Physician who has medical staff membership and admitting privileges at Hospital, or upon presentation to Hospital of the proper Referral form or authorization information designated by PLAN certifying the Hospital Services and the number of inpatient days authorized under the Utilization Management Program. In the event a PLAN Referral is not presented, Hospital may admit an Member if it verifies prior to admission that the admission is approved by PLAN by telephoning PLAN in accordance with the policies and procedures of PLAN's Utilization Management Program. Plan shall have in place an insurance verification system that allows Hospital to verify insurance 24 hours a day, 7 days a week. PLAN shall provide a tracking number within 72 hours of an emergency admission. This tracking number shall be indicated on the UB-92 Form submitted to PLAN for payment. In the event a PLAN authorization form is not presented and Hospital does not receive authorization from PLAN prior to admission, PLAN shall not pay Hospital for such admission. In the event that Hospital is given incorrect information from the member which leads Hospital to believe that the member is not associated with Plan, Hospital shall not be unduly penalized.

4.2 **Procedures for Emergencies.** In case of Emergency Services or Urgent Care services for which prior authorization has not been received by Hospital, Hospital agrees to contact PLAN by telephone to obtain authorization at the time, or within twenty four (24) hours, of any admission. Hospital shall make best efforts to encourage Members that present themselves to the Emergency Department to contact PLAN for temporary authorization. Hospital further agrees that if services are provided in its emergency room which are neither Emergency Services nor Urgent Care services, as determined by PLAN, PLAN shall not pay Hospital for such services. Hospital agrees that PLAN's Utilization Management staff shall have

access to timely information and documentation in order to enable PLAN to review emergency admissions in order to certify the number of inpatient days authorized under the Utilization Management Program. Hospital agrees that, irrespective of the requirements for authorization of services set forth herein, it will not withhold or delay emergency treatment to Members whose condition, in the judgment of the physician in attendance is a Medical Necessity requiring immediate diagnosis or treatment to prevent death, disability or significant functional impairment. Emergency Services provided within) seventy two (72) hours of inpatient admission will be included in the inpatient case rates.

4.3 **Acceptance of Pre-Admission Testing.** PLAN at its option may elect to arrange for pre-admission diagnostic testing for any elective admissions to the Hospital. Hospital shall accept the results of diagnostic tests performed in accordance with PLAN's arrangements provided that: (i) diagnostic test results are provided to the Hospital at the time of Member's admission; (ii) test results are reported in a format mutually acceptable to PLAN and Hospital; (iii) for diagnostic laboratory tests performed, test results shall be acceptable only if the facility that performed the tests is certified under the federal Clinical Laboratory Improvement Act; (iv) the diagnostic tests to be utilized shall be performed within the time frames established by the rules and regulations of Hospital's Medical Staff, which rules shall not unduly impede use of pre-admission tests; and (v) that additional testing is not medically necessary. Hospital shall not require duplicate tests or procedures be performed or charged to PLAN after the Member is admitted, unless ordered by a Specialist or Primary Care Physician.

4.4 **Discharge Planning.** Hospital agrees to give timely notice to PLAN's Utilization Management Department for each Member admitted to the Hospital. At minimum, timely notice shall require Hospital to telephone the PLAN Utilization Management Department to discuss an Member's health status at least twenty-four (24) hours in advance of discharge.

4.5 **Tertiary and Non-Primary Hospital Referrals.** Scheduled admissions or referrals to tertiary or general acute hospitals, other than Primary Hospital, must be authorized by PLAN.

4.6 **Hospital Cooperation with Concurrent Review.** Hospital will cooperate with Physician Group and PLAN and Plan Physicians in conducting concurrent and retrospective review of the services provided to Members. Such cooperation will include periodic review of Member's medical records by Hospital utilization management staff and the communication of such information to Plan Physicians, Physician Group and PLAN personnel involved in the Utilization Management Plan.

4.7 **Resolving Utilization Management Disputes.** Disputes regarding Covered Services, Medical Necessity, utilization management, admissions, length of stay or selection of facilities will be resolved in accordance with the dispute resolution procedures described in Article XIII.

4.8 **On-Site Review of Inpatient Records.** Hospital shall permit PLAN utilization management staff and other qualified representatives of PLAN to conduct on site review of the medical records of Members. PLAN staff shall notify Hospital's utilization management department prior to conducting such on site reviews and shall wear appropriate identification. Plan staff shall conduct itself in accordance with Hospital's policies and procedures at all times.

4.9 **Quality Management.** Hospital will cooperate with PLAN in the establishment of peer review and quality management programs to evaluate the services provided to and outcomes experienced by Members.

4.10 **Medical Decision-Making.** It is not the intention of PLAN to use the preauthorization and approval provisions set forth herein as a device by which it may practice medicine. Rather, the authorization and approval procedures are used to make benefit and coverage determinations so that the Member and Contracting Providers know, before a course of treatment is initiated, that such course of treatment is covered in full, in part or not at all. If a course of treatment is not covered, e.g., not approved, such determination is not intended to suggest that the course of treatment is medically inappropriate. PLAN will notify the attending Plan Physician (Referral Provider) and, if applicable; the Primary Care Physician, of a denial of coverage; however, Plan Physicians and/or Hospital may choose to provide such course of treatment, so long as prior written notice is given to the Member that the course of treatment is not covered by PLAN. Hospital may bill a Member for non-Covered Services, but may not bill a Member for Covered Services which are not Medically Necessary.

V. PROVIDER MANUAL

5.1 **Policies and Procedures.** PLAN will provide Hospital with a Provider Manual that contains those PLAN policies and procedures necessary for the proper operation of the Hospital as it relates to Members and which describes all benefits plans, including Copayments, limitations and exclusions offered by the PLAN to subscriber groups. Hospital agrees to comply and will use reasonable efforts to have any Downstream Entity agree to comply with PLAN standards and policies outlined the Provider Manual. Plan shall provide Hospital with a complete copy of its policies and procedures prior to the completed execution of this contract. Plan shall notify Hospital at least sixty (60) days prior to any material change in its Provider Manual. Hospital has the right to negotiate and agree to any change. In the event that Plan and Hospital cannot agree regarding the proposed modification within thirty (30) business days, Hospital has the right to terminate this Agreement prior to implementation of the change.

5.2 **Precedence.** The Provider Manual and all revisions thereto shall be consistent with the laws and regulations governing the Medicare program, the regulations established by CMS, the Knox-Keene Act and the provisions of this Agreement. In the event of any conflict or inconsistency between the Provider Manual, the Agreement, and/or any of the cited State or Federal laws and regulations, the provision which governs shall be determined by applying the following order of precedence: the BBA, CMS regulations and instructions, the Knox-Keene Act and regulations, the Agreement and, then, the Provider Manual.

VI. COMPENSATION

6.1 **Hospital Compensation.** Compensation to Hospital for Hospital Services will be the payments set forth in Attachment A. Such payments shall be payment in full for Hospital Services. Copayments and collections from other third party payers resulting from Coordination of Benefits shall be deducted from the compensation due Hospital by PLAN pursuant to Attachment A.

6.2 **Payment Of Claims.** Hospital agrees to submit claims to PLAN in such format as PLAN may require (but at minimum the CMS form UB-92) within six (6) months after the

services are rendered. PLAN reserves the right to deny claims that are not submitted within six (6) months of the date of service, except where Hospital bills a third party payor as primary. In the event Hospital is unable to submit claims within the time specified herein because of circumstances beyond its control, the time for submission shall be extended as reasonably necessary. PLAN shall provide payment to Hospital within forty-five (45) business days of PLAN's receipt of a clean and uncontested claim from Hospital, or, within forty-five (45) business days following PLAN's receipt thereof, or, PLAN will contest or deny Hospital's claim.

6.3 **Retroactive Denials Of Payment.** When PLAN is notified of retroactive disenrollments of Members , PLAN may retroactively deny Covered Services furnished to Members and shall send immediate written notice of such denial to Hospital. Hospital shall recognize PLAN's immediate right to recovery for retroactively disenrolled Members who were disenrolled no earlier than sixty (60) days prior to the date of service at the Hospital and shall repay contested paid claims within thirty (30) days of notice from PLAN. For Covered Services which are retroactively denied due to determinations by PLAN that all or part of a Hospital stay was not of Medically Necessity, Hospital shall either repay the contested claim or respond with additional documentation within thirty (30) days of notice from PLAN.

6.4 **Member Non-Liability.** Hospital hereby agrees that in no event, including, but not limited to nonpayment by PLAN, insolvency of PLAN, or breach of this Agreement, shall Hospital bill, charge, collect a deposit from, seek compensation, remuneration or reimbursement from, or have any recourse against Members or persons other than PLAN for services provided pursuant to this Agreement. At no time will Hospital or any party with a claim against Hospital for Covered Services provided to Members bill or otherwise seek compensation from Members for Covered Services except in the case of Copayments and Deductible amounts permitted under the Member's Evidence of Coverage or in cases when a third party payer is primarily responsible and has paid Member for a Covered Service.

Hospital further agrees that (a) this provision shall survive the termination of this Agreement regardless of the cause giving rise to such termination and shall be construed to be for the benefit of PLAN's Members; and (b) this provision supersedes any oral or written agreement to the contrary now existing or hereafter entered into between Hospital and the Member or persons acting on Member's behalf, insofar as such contrary agreement relates to liability for payment for, or continuation of Hospital Services provided under, this Agreement.

6.5 **Payment for Non-Covered Services.** Hospital may seek payment from Members for Non-Covered Services at usual and customary charges. The determination of whether a service or supply is a Covered Service rests with PLAN, subject to the Evidence of Coverage and the regulations and appeals procedure established by CMS.

6.6 **Overpayments.** In the event the PLAN determines that it has overpaid a claim, the PLAN shall notify the Hospital in writing through a separate notice clearly identifying the claim, the name of the patient, the date of service, and a clear explanation of the basis upon which the PLAN believes the amount paid on the claim was in excess of the amount due.

If the Hospital does not contest the PLAN's notice of overpayment, the Hospital shall have 30 working days from the receipt of the notice to reimburse the PLAN the amount of the overpayment. If the Hospital contests the PLAN's notice of overpayment, the Hospital shall have 30 working days from the receipt of the notice to send written notice to the PLAN stating the basis upon which the Hospital believes that the claim was not overpaid. The PLAN will

receive and process the contested notice of overpayment of a claim as a provider dispute under the PLAN's provider dispute processes.

If the Hospital does not contest the overpayment and does not reimburse the PLAN according to the above timelines, then the PLAN may offset the uncontested overpayment against payments made to the Hospital's current or future claim submissions. In the event that an overpayment of a claim or claims is offset against a Hospital's current or future claim or claims, the PLAN shall provide the Hospital a detailed written explanation identifying the specific overpayment or payments that have been offset against the specific claim or claims. Such offset rights shall expire one hundred twenty (120) days after such payment.

VII. COORDINATION OF BENEFITS/THIRD PARTY LIABILITY

7.1 **Definition.** Coordination of Benefits ("COB") refers to the determination of order of financial responsibility which applies when two or more health benefit plans provide coverage of services for an individual. Such coordination is intended to preclude the Hospital from receiving an aggregate of more than one hundred percent (100%) of usual and customary charges from all coverage. When the primary and secondary benefits are coordinated, determination of liability will be in accordance with the usual procedures of the Medicare program, the National Association of Insurance Commissioners (NAIC) and applicable state regulations.

7.2 **COB Obligations of Hospital**. Hospital agrees to cooperate with PLAN for proper determination of COB and to bill and collect from other payers and third parties such charges for which the other party is responsible. Such collections will be deducted from any amount payable by PLAN to Hospital pursuant to this Agreement. In any case where an Member admitted to Hospital has primary coverage from any third party payor, and Hospital has reason to know of a primary payor other than PLAN, Hospital shall bill the third party payor and notify PLAN of the existence of any primary payor source at the time that Hospital submits a claim to PLAN.

7.3 **COB Obligations of PLAN.** PLAN will cooperate in providing COB information to Hospital by collecting appropriate data from the Member at the point of enrollment and supplying such data to Hospital.

7.4 **Assignment of Third Party Liability Payments.** If Hospital collects any third party liability payments, for services provided to an Member and has previously received payments for such services from PLAN, PLAN shall be entitled to receive all such third party liability payments up to the amount of any payments made to Hospital by PLAN on behalf of such Member, and Hospital shall promptly remit the same to PLAN. Hospital may bill Member if Member receives reimbursement from a third party that is primarily responsible for payment under Medicare regulations.

VIII. WARRANTIES/COMPLIANCE WITH PLAN AND CMS RULES AND REGULATIONS

8.1 **Hospital Certification, Accreditation and License Requirements.** Hospital warrants that it is licensed as a general acute care hospital pursuant to the California Health and Safety Code Section 1250 et seq., certified as a hospital provider under Title XVIII (Medicare) of the Social Security Act, and is accredited by the Joint Commission on Accreditation of

Healthcare Organizations (JCAHO). Hospital further agrees that it will maintain said licensure, certification and accreditation during the term of this Agreement.

8.2 **Compliance with Governing Provisions and State and Federal Law.** Hospital is subject to the provisions of this Agreement as well as all applicable state and federal laws, rules, and regulations.

8.3 **Compliance with Care Advantage Laws and Regulations.** Hospital understands that PLAN oversees and is accountable to CMS for any functions or responsibilities that are described in the laws or regulations applicable to Care Advantage PLANs, and that PLAN may be held accountable by CMS if Hospital violates the provisions of such law or regulations or PLAN policies in the performance of this Agreement. In furtherance of the foregoing, Hospital shall comply with applicable Medicare laws, regulations, and CMS instructions.

8.3.1 Hospital shall comply with the reporting requirements in 42 CFR §422.516 and the requirements in 42 CFR §422.257 for submitting encounter data to CMS. Hospital also agrees to furnish medical records that may be required to obtain any additional information or corroborate the encounter data.

8.3.2 Hospital understands and agrees that PLAN is responsible for the monitoring and oversight of all duties of Hospital under this Agreement, and that PLAN has the authority and responsibility to: (i) implement, maintain and enforce PLAN's policies governing Hospital's duties under this Agreement and/or governing PLAN's oversight role; (ii) conduct audits, inspections and/or investigations in order to oversee Hospital's performance of duties described in this Agreement; (iii) require Hospital to take corrective action if PLAN or an applicable federal or state regulator reasonably determines that corrective action is needed with regard to any duty under this Agreement; and/or (iv) revoke the delegation of any duty, if Hospital fails to meet PLAN standards in the performance of that duty. Hospital shall cooperate with PLAN in its oversight efforts and shall take corrective action as PLAN determines necessary to comply with the laws, accreditation agency standards, and/or PLAN policies governing the duties of Hospital or the oversight of those duties.

IX. MEDICAL AND ADMINISTRATIVE RECORDS

9.1 **Medical Records.** Hospital will maintain for Members a single standard hospital medical record, containing such accurate, descriptive and timely information and preserved for such time period(s) as required by the rules and regulations of the California Department of Health Services, the Federal Medicare Program, and the Joint Commission on Accreditation of Health Care Organizations. Unless otherwise specifically agreed by Hospital, it is the understanding and agreement of the parties that the records described herein are deemed to meet all record keeping requirements imposed on Hospital pursuant to the Knox-Keene Act.

9.2 **Right to Inspection.** It is understood that the medical records referred to in Section 9.1 above will be and remain the property of Hospital and will not be removed or transferred from Hospital except in accordance with applicable laws and general Hospital policies. PLAN or its designated representatives will have the right, in accordance with Section 9.3 below, and upon 48 hours prior notice, to inspect, review, and make copies of such records at PLAN's expense upon request to facilitate PLAN's obligation to conduct quality management, utilization monitoring, and peer review activities. The amount paid by PLAN to Hospital for the copying of such records shall not be more than would have been paid by the federal Medicare

program or the Medicare contracted Peer Review Organization (PRO) for obtaining copies of such records.

9.3 **Confidentiality.** Hospital and PLAN agree to maintain the confidentiality of information contained in the medical records of Member in accordance with the "Confidentiality of Medical Information Act", Cal. Civ. Code § 56 et seq, and with 42 CFR § 422.118. Without limitation, Medical records may be disseminated to authorized Plan Physicians or PLAN representatives, to Hospital's, morbidity, mortality, tissue, utilization management, judicial review, other quality of care and administrative review committees, to PLAN itself, or to a PLAN peer review, quality management or utilization management committee or subcommittee identified by PLAN.

9.4 **Release of Records.** Notwithstanding the provisions of Section 9.3 above, Hospital will be authorized to release Member's medical records to official governmental agencies or for purposes of civil discovery, subject to applicable law and Hospital's policies and procedures.

9.5 **PLAN and Governmental Agency Access to Records.** Hospital will cooperate and assist with PLAN and agencies of the state and federal government and their designees in maintaining and providing medical, financial, administrative and other records of Members as shall be requested by PLAN or such agencies. PLAN and such agencies will have access at reasonable times upon demand to the books, records and papers of Hospital relating to services provided to Members, the quality, appropriateness, timeliness, cost thereof, and any payments received by Hospital for Covered Services provided to Members.

9.6 **Availability of Records Upon Termination.** The obligations contained in this article will continue despite the termination of this Agreement, whether by rescission or otherwise. In the event of termination of this Agreement, Hospital will provide PLAN, Member, Plan Physicians, and any duly designated third party with reasonable access to medical records of Members maintained by Hospital, for a period of six (6) years after the termination of this Agreement, and at any time thereafter that such access is required in connection with an Member's medical care. PLAN will be entitled to obtain copies of Member's medical records if it either makes arrangements to have such copies prepared on Hospital premises, or agrees to reimburse the Hospital for the reasonable cost of preparing such copies. The amount paid by PLAN to Hospital for the copying of such records shall not be more than would have been paid by the federal Medicare program or the Medicare contracted Peer Review Organization (PRO) for obtaining copies of such records. The provisions of this paragraph will not operate to waive or limit any restriction on release or disclosure of patient records established in any other provision of this Agreement or as otherwise required by law.

9.7 **Member Access to Records.** Hospital shall ensure that Members have access to their medical records in accordance with the requirements of State and Federal law.

X. INSURANCE AND INDEMNIFICATION

10.1 **Hospital Liability Insurance.** Hospital shall maintain, by purchase of a policy or through self-insurance, throughout the term of this Agreement, malpractice and general liability insurance in the minimum amounts of one Million Dollars ($1,000,000) per occurrence coverage for Hospital, its agents and employees. In the event Hospital procures a "claims made" policy as distinguished from an occurrence policy, Hospital shall procure and maintain prior to termination of such insurance, continuing "tail" coverage as required under Federal and/or State

law. Hospital shall immediately notify PLAN of any material changes in insurance coverage or self-insurance arrangements and shall provide a certificate of insurance coverage to PLAN upon PLAN's request.

10.2 **PLAN Liability Insurance**. PLAN, at its sole cost and expense, will procure and maintain policies of general liability and other insurance necessary, or programs of self-insurance, to insure PLAN and its employees against any claim or claims for damages arising by reason of personal injuries or death occasioned directly or indirectly in connection with the use of any property and facilities or equipment provided by PLAN, and the activities performed by PLAN in connection with this Agreement. A copy of such insurance policies will be provided to Hospital upon its request.

10.3 **Mutual Indemnification.** Hospital and PLAN agree to indemnify the other and hold the other harmless against any and all loss, damage, liability, and expense, including court costs, with respect to this Agreement directly resulting from or arising out of the dishonest, fraudulent, negligent or criminal acts of the respective party, their respective officers, directors, shareholders, employees, contractors, agents and/or representatives, acting alone or in collusion with others.

10.4 **Notification of Claims**. PLAN and Hospital agree to promptly notify the other party hereto of any claims or demands which arise and for which indemnification hereunder is sought.

10.5 **Termination.** The terms of Sections 10.3 and 10.4 shall survive the termination of this Agreement.

XI. COOPERATION

11.1 **Non-Interference—Hospital.** Hospital agrees that it will not, during the term of this Agreement, advise or counsel any Member to disenroll from PLAN and will not solicit such Member to become enrolled with any other health maintenance organization, preferred provider organization or any other similar hospitalization, medical payment plan or insurance program.

11.2 **Cooperation.** PLAN and Hospital agree that, to the extent compatible with the separate and independent management of each, they will at all times maintain an effective liaison and close cooperation with each other to provide maximum benefits to Members at the most reasonable cost, consistent with quality standards of hospital and physician care.

11.3 **Cooperation Regarding Utilization Management and Quality Management.** Hospital agrees to cooperate in the implementation of an effective on-site Utilization Management Plan consisting of prospective, concurrent and post-discharge review of Hospital's services. In this regard, Hospital will cooperate with Physician Group, PLAN and Plan Physicians in the development and operation of utilization management and quality management programs. While on-site, Plan employees will conduct themselves in accordance with Hospital's policies and procedures and in a manner which is not disruptive to Hospital staff.

11.4 **Signs.** Hospital agrees that PLAN may post notices, mutually acceptable as to size, content and form in a prominent place in patient receiving areas, including the emergency room, instructing Members as to proper procedures and limitations on coverage.

XII. TERM AND TERMINATION

12.1 **Term of Agreement.** This Agreement will become effective on the latter of the date first written above, or on the date which the PLAN first assumes responsibility for members under the HPSM Care Advantage program, and will continue for a period of twelve (12 months thereafter. This agreement will automatically renew for successive twelve (12) month periods on the same terms and conditions (including subsequent amendments) unless terminated pursuant to the terms of this Agreement.

12.2 **Termination.** This Agreement may be terminated without cause by either party by written notice given at least ninety (90) days in advance of such termination. Said termination shall become effective the first (1st) day of the month following the expiration of the ninety (90) day notice. The obligation of Hospital to provide Covered Services following the effective date of termination will be as set forth in this Article.

12.3 **PLAN's Right to Terminate Agreement.** Nothing herein will be construed as limiting the right of PLAN to terminate this Agreement immediately upon the occurrence of any of the following events and delivery of written notice:

(a) The suspension or revocation of any license, certification or accreditation required by Hospital to perform its obligations under this Agreement;

(b) The imposition of sanctions or disciplinary action against Hospital or against Hospital officers and directors in their capacities with the Hospital by a state or federal licensing agency;

(c) The violation of Sections 2.13 or 2.14 of this Agreement;

(d) The cancellation, termination or reduction of Hospital's malpractice or general liability insurance coverage;

(e) A determination by PLAN, based on reasonable evidence, that the health and well-being of Members is jeopardized as a result of continuation of this Agreement; or

(f) Hospital commits fraud.

12.4 **Hospital's Right to Terminate Agreement.** Nothing herein will be construed as limiting the right of Hospital to terminate this Agreement immediately upon the occurrence of any of the following events and delivery of written notice:

(a) PLAN commits fraud; or

(b) Failure by PLAN to pay claims; or

(c) The State of California or the United States Government revokes any certification or license of PLAN necessary for the performance of this Agreement.

12.5 **Hospital Obligations Following Termination.** In the event of termination of this Agreement, Hospital shall continue to provide Hospital Services to hospitalized Members in accordance with generally accepted medical standards and practices until the earlier of:

(a) Member's discharge from Hospital; or

(b) Alternate coverage is arranged for by PLAN or subscriber group.

(c) Payment for any continued Hospital Services as described in this Section shall be at the rates set forth in Attachment A to this Agreement for a period of 90 days. Upon day 91, Hospital shall be reimbursed at 110% of Medicare Inpatient DRG case rates and 100% of Outpatient APC Rate.

12.6 **Hospital Relationship with Member Following Termination of Agreement.** In the event of termination of this Agreement, with or without cause, Hospital agrees that it shall not, under any circumstances, including failure of PLAN to pay amount owed Hospital, seek payment from Members for Covered Services rendered prior to the termination of this Agreement; provided, however, Hospital may collect Copayments and Deductibles permitted under the Member's Evidence of Coverage. This section does not preclude Hospital from pursuing legal action against PLAN to collect payments owed to Hospital by PLAN.

12.7 **Bankruptcy.** PLAN or Hospital may terminate this Agreement with thirty (30) day written notice to the other party in the event a petition is filed in a court of record jurisdiction to declare either party bankrupt or for reorganization under the bankruptcy laws of the United States or any similar statute of a state of the United States, or if a trustee in bankruptcy or a receiver is appointed for such party, and such petition, trustee, or receiver, as the case may be, is not dismissed within one hundred and twenty (120) days thereof.

12.8 **Breach of Contract.** Either party will have the right to terminate this Agreement if the other party is in material breach of this Agreement and such breach remains uncured within thirty (30) days following the breaching party's receipt of written notice from the non-breaching party. The remedy of such breach within twenty (20) days of the receipt of such notice will revive the Agreement in effect for the remaining term, subject to any other rights of termination contained in this, or any other provision of this Agreement.

The party claiming the right to terminate hereunder will set forth in the required notice of intended termination the facts underlying its claim that the other party is in breach of this Agreement.

Each party will retain the right to seek redress through dispute resolution in accordance with Article XIII.

12.9 **Interruption by Disasters.** In the event the operations of Hospital's facilities or any substantial portion thereof, are interrupted by war, fire, and other elements, insurrection, labor disputes, riots, earthquakes, acts of God, or, without limiting the foregoing, any other cause beyond the control of Hospital, the provisions of this Agreement (or such portions hereof as Hospital is thereby rendered incapable of performing) may be suspended for the duration of such interruption. Such suspension shall be determined by mutual agreement of the parties and shall include an identification of the necessary adjustments to any provision of this Agreement.

Should a substantial part of the services which Hospital has agreed to provide hereunder be interrupted pursuant to such event for a period in excess of thirty (30) days, PLAN or Hospital will have the right to terminate this Agreement upon ten (10) days prior written notice to the other party.

12.10 **Continuation of Benefits.** Hospital and their Participating Providers agree that, in the event of PLAN's insolvency or cessation of operations, benefits to Members will continue until the discharge of Member from an inpatient facility. Hospital agrees that in the event of PLAN's insolvency or cessation of operations, benefits to Members will continue until discharge from Hospital or through the period for which premium has been paid.

XIII. DISPUTE RESOLUTION

13.1 **INFORMAL DISPUTE RESOLUTION** - Plan and Hospital agree to meet and confer in good faith to resolve any problems or disputes that may arise under this Agreement. Such good faith meet and confer shall be a condition precedent to the filing of any arbitration demand by either party. In addition, should the parties, prior to submitting a dispute to arbitration, desire to utilize other impartial dispute settlement techniques such as mediation or fact-finding, the parties may initiate such other procedures as they may mutually agree upon at such time.

13.2 **BINDING ARBITRATION** - All disputes between the parties to this Agreement which in any manner arise out of or relate to this Agreement that cannot be resolved informally shall be resolved by binding arbitration . Such arbitration shall be governed by applicable state law, including rights of discovery and evidentiary rules, and shall take place in city and state in which the Hospital is domiciled, unless the parties otherwise agree. The arbitrator shall have no authority to make material errors of law, to make any award which could not have been made by a court of law, to award punitive damages, or to add to, modify, or refuse to enforce any agreements between the parties. The arbitrator's decision shall be final and binding. In all cases submitted to arbitration, the parties agree to share equally the amount of the administrative fee and the arbitrator's fee. However, the party initiating arbitration will be responsible for advancing the filing fees. Each party shall be responsible for its own attorneys' fees and costs.

13.3. **Grievance and Appeals**. It is understood that the Hospital may have Grievances which may arise as a health care Provider under contract with the PLAN. These Grievances shall be resolved through the mechanisms set out in this section. Hospital and the PLAN shall be bound by the decisions of the PLAN's Grievance and Appeal mechanisms.

13.4 **PLAN Grievance Procedure Responsibility**. The PLAN's Executive Director has primary responsibility for maintenance, review, formulation of policy changes, and procedural improvements of the Grievance review system. The Executive Director shall be assisted by other PLAN staff as requested.

13.5. **Resolution of Member and Provider-Initiated Grievances.** The Hospital agrees that all disputes or disagreements between the Hospital and the PLAN or the Member shall be resolved in accordance with such Grievance resolution process as the PLAN may establish, and amend from time to time. To the extent permitted by law, in accordance with applicable provisions of the Knox-Keene Health Service Plan Act of 1975, as amended, and the regulations promulgated hereunder by the Department of Managed Health Care, the Hospital shall permit the PLAN to inspect and make copies of any and all records pertaining to any such dispute or disagreement, and shall provide copies of such record to the PLAN upon request.

Hospital can file a Grievance by telephoning, writing or visiting one of the PLAN's Provider Relations Representatives or the Grievance Coordinator. Within three (3) days of receiving the Grievance said employee will send an acknowledgement letter to the Hospital. The Grievance will be investigated and resolved within thirty (30) days. A Grievance Resolution Letter is sent to

the Hospital for review and approval. The Hospital may request a review by the Grievance Review Committee at any time during the Grievance process. The review will take place within thirty (30) days of the date it was requested, unless an extension is agreed upon by all parties. Within five (5) days following the review, the PLAN will notify the Hospital of the Committee's decision and the right to appeal. Decision by Committee may be Appealed to a PLAN Ad Hoc Committee which will convene at the earliest possible date within thirty (30) days of the Hospital's request for Appeal. The Ad Hoc Committee's decision will be forwarded to the Hospital via letter. If the decision is adverse said letter will include the Hospital's Appeal Rights. An Appeal is closed to the Hospital when all Appeal rights have been exhausted.

XIV. GENERAL PROVISIONS

14.1 **Compliance with State and Federal Laws.** This Agreement is intended to be in compliance with all state and federal laws. Should this Agreement be out of compliance with any existing or newly enacted or adopted laws or regulations, the parties shall meet immediately to develop alternative provisions to comply with the laws. Such alternative provisions shall be incorporated into this Agreement by addendum. Hospital shall comply with all applicable Federal and State laws, licensing requirements and professional standards and shall provide Care Advantage benefits in accordance with generally accepted medical and surgical practices and standards in the applicable professional community at the time of treatment. In addition, Hospital and Downstream Entities shall comply with the professional and technical standards adopted by the PLAN's Quality and Utilization Management Program set forth in the Provider Manual.

14.2 **Waiver.** The waiver by either party of a breach or violation of any provision of this Agreement will not operate as or be construed to be a waiver of any subsequent breach thereof.

14.3 **Governing Law.** This Agreement will be governed in all respects by the laws of the State of California.

14.4 **Assignment.** This Agreement shall not be assigned, delegated or transferred by Hospital without the prior mutual written consent.

14.5 **Notices.** Any notice required to be given pursuant to the terms and provisions hereof will be in writing and will be sent by postage prepaid by certified, registered or express mail, courier services (Airborne, Federal Express, UPS, etc.), or other means which can provide written proof of delivery to PLAN or Hospital at the addresses listed below or at such other addresses as either PLAN or Hospital may hereafter designate to the other:

To PLAN:
Health Plan of San Mateo
701 Gateway Blvd, Suite 400
South San Francisco, CA 94080
Attn: Provider Relations

To Hospital:
Seton Medical Center
1900 Sullivan Avenue
Daly City, CA 94015

Attn: Bernadette Smith, President. CEO

Any notice sent by registered or certified mail, return receipt requested, shall be deemed given on the date of delivery shown on the receipt card, or if no delivery date is shown, the postmark date.

14.6 **Independent Parties.** None of the provisions of this Agreement are intended to create nor will be deemed or construed to create any relationship between the parties hereto other than that of independent contractors, solely for the purposes of effecting the provisions of the Agreement. Neither of the parties hereto, not any of their respective officers, directors, or employees, shall act as nor be construed to be the agent, the employee or the representative of the other.

14.7 **Integration of Entire Agreement.** This Agreement contains all of the terms and conditions agreed upon by the parties regarding the subject matter of this Agreement. Any prior agreements, promises, negotiations or representations of or between the parties, either oral or written, relating to the subject matter of this Agreement, which are not expressly set forth in this Agreement are null and void and of no further force or effect. All Attachments to this Agreement are considered part of this Agreement and are hereby incorporated herein.

14.8 **Invalidity or Unenforceability.** The invalidity or unenforceability of any terms or provisions hereof will in no way affect the validity or enforceability of any other term or provision.

14.9 **Headings.** The captions contained herein are for convenience of reference purposes only and shall have no force or effect.

14.10 **Amendment.** This Agreement may be amended immediately upon written notice in the event such amendment is required in order to maintain compliance with applicable state or federal laws. Other amendments to the Agreement shall be effective only upon mutual, written agreement of the parties.

14.11 **Member Hold Harmless.** Hospital agrees that in no event, including but not limited to nonpayment by the PLAN or intermediary, or breach of this Agreement, shall the provider bill, charge, collect a deposit from, seek compensation, remuneration or reimbursement from, or have any recourse against an Member or a person (other that the PLAN or intermediary) acting on behalf of the Member for services provided pursuant to this Agreement. This Agreement does not prohibit the Hospital from collecting copayments and deductibles, as specifically provided in the Evidence of Coverage, or fees for non-covered services delivered on a fee-for-service basis to Members. This Agreement does not prohibit Hospital (except for a health care professional who is employed full-time on staff of Hospital and has agreed to provide services exclusively to that Hospital's Members and others) and an Member from agreeing to continue services solely at the expense of the Member, subject to Hospital, prior to rendering such service, specifically informing the Member that the PLAN may not cover or continue to cover a specific service or services. Except as provided herein, this Agreement does not prohibit the PLAN from pursuing any available legal remedy.

14.12 Free Exchange of Information. No provision of this Agreement shall be construed to prohibit, nor shall any provision in any contract between Hospital and its employees or subcontractors prohibit, the free, open and unrestricted exchange of any and all

information of any kind between health care providers and Members regarding the nature of the Member's medical condition, the health care treatment options and alternatives available and their relative risks and benefits, whether or not covered or excluded under the Member's PLAN, and the Member's right to appeal any adverse decision made by Hospital or PLAN regarding coverage of treatment which has been recommended or rendered. Moreover, Hospital and PLAN agree not to penalize nor sanction any health care provider in any way for engaging in such free, open and unrestricted communication with a Member nor for advocating for a particular service on an Member's behalf.

14.13 **Confidential And Proprietary Information.** Hospital agrees to maintain confidential (the "Confidential Information"): (a) eligibility lists and any other information containing the names, addresses and telephone numbers of PLAN Members; (b) PLAN's administrative service manuals and all forms related thereto; (c) the financial arrangements between PLAN and any Participating Provider (other than Hospital); and (d) any other information compiled or created by PLAN which is proprietary to PLAN and which PLAN identifies as proprietary to Hospital in writing. Except as required by law, Hospital shall not disclose or use the Confidential Information for its own benefit or gain either during the term of this Agreement or after the date of termination of this Agreement. Hospital may use the Confidential Information to the extent necessary to perform its duties under this Agreement or upon express prior written permission of PLAN. Upon the effective date of termination of this Agreement, Hospital shall promptly return to PLAN the Confidential Information in its possession, upon PLAN's request. PLAN shall maintain the confidentiality of the rates and special terms of this Agreement that are unique to the Hospital. The obligations contained in this Section shall survive the termination of this Agreement.

14.14 **Confidentiality Of This Agreement.** Each party, and their agents, agrees to maintain the terms of this Agreement confidential. Disclosure of the terms of the Agreement shall not be made without the prior written approval of the other party, which approval may be withheld in either party's sole and absolute discretion.

14.15 **Fifteen Business Days Review.** This Agreement contains provisions that require the Hospital to comply with quality improvement, case management, and utilization management programs. By signing this Agreement, the Hospital indicates that Hospital has been given 15 business days in which to consider this Agreement. If Hospital executes this Agreement within these 15 business days, Hospital does so of its own free will.

14.16 **CMS Approval.** This Agreement shall become effective only after approval by the Center for Medicare and Medicaid Services.

14.17 **Ethical Principles, Policies and Practices**. Hospital and any service or activity operated or sponsored by it, including the services and activities of the Medical Staff, are governed by the Ethical and Religious Directives for Catholic Health Care Services, as approved by the National Conference of Catholic Bishops and as the same may be updated and revised (the "Directives"). Throughout the term of this Agreement, the Directives shall govern performance of Plan's obligations hereunder, and no activities or procedures that are contrary to the Directives shall be permitted or performed by Plan within Hospital's facilities. A copy of the Directives is available at on the internet at http://www.nccbuscc.org/bishops/directives.htm.

14.18 **Compliance Program**. Upon reasonable request, Plan shall provide copies of documents and other information to Hospital relating to claims submitted and services provided under this Agreement for purposes of the conduct of Hospital's corporate compliance

program. Hospital shall pay Plan, upon request, a reasonably copying charge for any copies provided.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement the day and year set forth above.

Title 11, California Code of Regulations, § 999.5(d)(5)(J)

Description of compliance with the Alfred E. Alquist Hospital Facilities Seismic Safety Act of 1983, as amended by the California Hospital Facilities Seismic Safety Act, for each health facility that is the subject of the affiliation

All of St. Francis Medical Center's hospital facilities are at least SPC-3 compliant. Its Family Life Center and New Hospital Tower, constructed in 1996 and 2000 respectively, are SPC-5 compliant. All of St. Francis Medical Center's facilities are NPC-2 compliant and have been granted OSHPD SB499 NPC-3 extension to 2030.

St. Vincent Medical Center has one building that is SPC-2 compliant, which holds the central plant and parking garage. To attain seismic compliance, St. Vincent Medical Center's plan is to demolish the Doheny Building and relocate the catheterization lab and emergency department to the main tower. A letter of intent – AB 2190 Seismic Extension application has been submitted for these two projects. The deadline for construction final for these projects is July 1, 2022. All of the St. Vincent Medical Center facilities are NPC-2 compliant and have been granted OSHPD SB499 NPC-3 extensions to 2030.

Seton Medical Center's 1963 Tower and Front Wing are SPC-1 buildings and require renovation or closure prior to 2020. The Hospital submitted a Letter of Intent – AB 2190 Seismic Extension application to renovate these buildings. The deadline for construction final for these projects is July 1, 2022. The remainder of Seton Medical Center's facilities are SPC-3 or higher. All of its buildings are at least NPC-3 compliant.

Title 11, California Code of Regulations, § 999.5(d)(5)(K)

A description of each measure proposed by the applicant to mitigate or eliminate any significant adverse effect on the availability or accessibility of health care services to the affected communities by the transaction

The proposed Transaction is not expected to have an adverse effect on the availability or accessibility of health care services. The proposed Transaction will generally provide greater availability and accessibility of health care services to the affected communities since SGM, as the new operator, will not have the same financial challenges and constraints the Applicants have had. Most critically, the Transaction will allow the Hospitals to remain open instead of VHS having to close them through the bankruptcy process. Although SGM is a for-profit entity, it has committed to providing $8,000,000 in charity care at St. Francis Medical Center, $430,384 in charity care at St. Vincent Medical Center, and $935,405 in charity care at Seton Medical Center (including its Coastside campus), while also committing to maintain many needed health care services.

SGM has indicated it will not maintain cancer care at the Hospitals. It is our understanding that there are sufficient alternative resources for cancer care such that this will not have a material adverse effect on patient access. By way of example, the Applicants have identified alternative facilities for oncology patients currently receiving care at the Hospitals. Specifically, the following hospitals offer cancer care services in the larger service area currently served by the Hospitals: (1) St. Mary's Medical Center/Dignity Health ("St. Mary's"), located 7.6 miles away from Seton Medical Center; (2) Long Beach Memorial Hospital/MemorialCare, located 7.7 miles away from St. Francis Medical Center; and (3) Good Samaritan Hospital, located 1.2 miles away from St. Vincent Medical Center. Notably, many oncology patients who previously received care at Seton Medical Center have already moved to St. Mary's over the last six months as two oncologists previously practicing at Seton Medical Center have retired. The Patient Care Ombudsman appointed in the Bankruptcy Cases has provided a favorable report regarding the orderly transfer and care of these patients. *See* Submission of First Report by Patient Care Ombudsman, Jacob Nathan Rubin, MD, FACC, Pursuant to 11 U.S.C. § 333(b)(2) at www.kccllc.net/verityhealth in the "Patient Information" tab.

Title 11, California Code of Regulations, § 999.5(d)(6)

POSSIBLE EFFECT ON COMPETITION

#26

Title 11, California Code of Regulations, § 999.5(d)(6)(A)

If a Premerger Notification and Report Form is required to be submitted to the Federal Trade Commission under the Hart-Scott-Rodino Antitrust Improvement Act of 1976, a brief analysis of the possible effect of the transaction on each health facility that is subject to the transaction on competition and market share in any relevant product or geographic market

The Applicants are located at:

- St. Francis Medical Center, 3630 East Imperial Highway Lynwood, CA 90262;
- St. Vincent Medical Center, 2131 West 3rd Street, Los Angeles, CA 90057;
- Seton Medical Center, 1900 Sullivan Avenue, Daly City, CA 94015; and
- 600 Marine Blvd, Moss Beach, CA 94038.

Attached to this Section 999.5(d)(6)(A) as **Exhibit 1**, is a list of the licensed health facilities owned or managed by affiliates of SGM.

The Applicants are not in close proximity to, are in different counties and in nonadjacent Zip Codes from, and have no meaningful competition with any of the health care facilities owned or managed by any affiliate of SGM.

There exists great potential for procompetitive effects on the quality of care provided when all of these hospitals and health care facilities are under common ownership and control through care coordination, training, best practices and protocols, a larger capital structure and commitments.

The parties to the proposed Transaction will be submitting the appropriate HSR Premerger Notification and Report and all necessary exhibits and attachments pursuant to the Hart-Scott-Rodino Antitrust Improvement Act of 1976, as amended, to the Federal Trade Commission and the United States Department of Justice, Antitrust Division.

Title 11, California Code of Regulations, § 999.5(d)(7)

OTHER PUBLIC INTEREST FACTORS

#28

Title 11, California Code of Regulations, § 999.5(d)(7)

Other Public Interest Factors

The future of St. Francis Medical Center, St. Vincent Medical Center, and Seton Medical Center are, once again, at risk.

As outlined in greater detail above, from 1995 through 2015, DCHS was plagued by operating losses, the threat of bankruptcy, and hospital closure, as evidenced by the closure of its Robert F. Kennedy Medical Center in Hawthorne, California in 2004. Despite extensive efforts to address these financial challenges, including through an affiliation with Catholic Healthcare West, multiple bond issuances, a substantial donation from the Daughters of Charity Foundation and a subsequent affiliation with Ascension, operating losses continued to plague the system. In October of 2014, DCHS entered in to an agreement with Prime to sell the health system. In early 2015, the California Attorney General consented to this sale, subject to conditions that Prime determined were too onerous to accept. The transaction with Prime did not proceed as a result and extensive litigation ensued.

In July of 2015, the BlueMountain Transaction was approved by the DCHS Board of Directors. At that time, MDS Consulting determined that DCHS was no longer viable as a hospital system without bankruptcy protection or additional financial support. The Attorney General approved the BlueMountain Transaction on December 3, 2015 imposing significant conditions ranging from 5 to 15 years in duration, many of which limited VHS' ability to adjust to market conditions or to modify hospital operations to respond to community needs and support ongoing financial health.

Notwithstanding a large infusion of cash, retention of experts, and a new management team and structure, the health system continued to incur significant financial losses following the BlueMountain Transaction. The legacy burden of more than a billion dollars of bond debt and unfunded pension liabilities, the inability to renegotiate collective bargaining agreements or payor contracts, the continuing need for significant capital expenditures to address seismic obligations, and an aging infrastructure and the challenges facing the hospital industry more generally became insurmountable. Unable to pay its bills, VHS had no choice but to initiate the Bankruptcy Cases in an effort to protect the longstanding legacy of the Daughters of Charity with the hope of shedding debt and liabilities so that a new operator could step in and operate the Hospitals in a manner that would best address and support the needs of the communities they serve.

The VHS Board concluded that SGM is a buyer who would maintain the healthcare characteristics of the Hospitals and continue patient care while providing the best and highest purchase price for the assets. After extensive ongoing marketing and discussions, VHS received two qualifying partial bids, one non-qualifying partial bid, and one non-qualifying full bid. The VHS Board reviewed the final bids submitted and after applying the requirements of the Bankruptcy Court approved bid procedures, approved SGM as the winning bidder for the Hospitals on April 15, 2019.

SGM has agreed to close on the acquisition of the Hospitals provided that any conditions imposed by the California Attorney General's office are "substantially consistent" with the Purchaser Approved Conditions enumerated in Schedule 8.6 to the APA, which is attached to Section 999.5(d)(5)(H) as Exhibit 1. If the Attorney General imposes conditions that are materially different from these Purchaser Approved Conditions, Applicants have the right to challenge these conditions in the context of the Bankruptcy Cases. Notwithstanding the right to, or outcome of, any such challenge, to the extent the Attorney General imposes conditions on this Transaction that are overburdensome, extend beyond the term of the conditions imposed in the BlueMountain Transaction, or unreasonably inhibit the ability of SGM to provide health care services in a manner that aligns with the needs of the Hospital communities and that allows the Hospitals to be financially viable, this would likely prevent the Transaction from closing.

To the extent the SGM Transaction does not close, it would take months before a new purchaser is identified and approved, a purchase agreement finalized, and a new submission to the Attorney General is prepared, reviewed, and ultimately approved. Given that the Hospitals are losing hundreds of thousands of dollars every day and the current debtor-in-possession financing ends September 6, 2019, the most likely scenario is that if the SGM Transaction does not close then, in the face of sustaining ongoing, substantial operational losses, VHS will have no choice but to close the Hospitals. This would be a tragic loss to the community members who receive care at the Hospitals, the employees who rely on the Hospitals for their employment, and the larger health care delivery systems impacted by the loss of emergency departments, inpatient hospital beds and services and critical skilled nursing and subacute care services.

List of officers and directors of the transferee, the most recent audited financial statements, transferee's governance documents, and a description of the transferee's policies, procedures, and eligibility requirements for the provision of charity care

As described below, the purchaser is providing governance information for Strategic Global Management, Inc. in response to this question. As contemplated by the APA, the purchaser intends to create a series of commonly controlled affiliates that will own the assets and operations of the Hospitals involved in this Transaction. The specific entities have not yet been formed, but the purchaser will supplement this application with additional detail on the new entities when it is available.

Below are the current officers and directors of Strategic Global Management, Inc.

Name	Position(s)
Kali Chaudhuri	Director Chief Executive Officer
Kali Priyo Chaudhuri	Chief Financial Officer
William Thomas	Secretary

The purchaser is requesting confidential treatment for the financial statements of Strategic Global Management, Inc. and has provided copies to the Attorney General under separate cover.

Attached to this Section 999.5(d)(9) as **Exhibit 1** are copies of Strategic Global Management, Inc. Articles of Incorporation and Bylaws.

Attached to this Section 999.5(d)(9) as **Exhibit 2** are copies of the charity care policy currently in effect for Orange County Global Medical Center. The purchaser intends to adapt this policy for use at the facilities after the completion of the proposed Transaction.

ARTICLES OF INCORPORATION

OF

STRATEGIC GLOBAL MANAGEMENT, INC.

Kali P. Chaudhuri, M.D. certifies that:

1. He is the Chairman of the Board and Secretary of Strategic Global Management, Inc.

2. The Articles of Incorporation of the corporation shall be amended and restated to read in full as follows:

ONE: The name of this corporation is Strategic Global Management, Inc.

TWO: The purpose of this corporation is to engage in any lawful act or activity for which a corporation may be organized under the General Corporation Law of California, other than the banking business, the trust company business or the practice of a profession permitted to be incorporated by the California Corporations Code.

THREE: The liability of the directors of the corporation for monetary damages shall be eliminated to the full extent permissible under Section 204(a)(10) of the California General Corporation Law.

FOUR: The corporation is authorized to provide indemnification of agents (as defined in Section 317 of the California Corporations Code) through bylaw provisions, agreements with agents, vote of shareholders or disinterested directors or otherwise, in excess of the indemnification otherwise permitted by Section 317 of the California Corporations Code, subject only to the applicable limits set forth in Section 204 of the California Corporations Code with respect to actions for breach of duty to the corporation and its shareholders.

FIVE: This corporation is authorized to issue only one class of shares, which shall be designated as "common." The total number of shares which this corporation is authorized to issue is 1,000,000 shares.

SIX: This corporation is a close corporation. All of the corporation's issued shares of all classes shall be held of record by not more than 35 persons.

3. The foregoing amendment and restatement of articles of incorporation has been duly approved by the board of directors.

4. The foregoing amendment and restatement of articles of incorporation has been duly approved by the required vote of shareholders in accordance with Section 902 of the California Corporations Code. The total number of outstanding shares of this corporation is 100,000. The number of shares voting in favor of the amendment equaled or exceeded the vote required. The percentage vote required was 100%.

5. I further declare under penalty of perjury under the laws of the State of California that the matters set forth in this certificate are true and correct of my own knowledge.

Dated: June 21 '96

Secretary

BYLAWS

OF

STRATEGIC GLOBAL MANAGEMENT, INC.
a California corporation

ARTICLE I

OFFICES

Section 1. PRINCIPAL OFFICES. The Board of Directors shall fix the location of the principal executive office of the Corporation at any place within or outside the State of California. If the principal executive office is located outside this State and the Corporation has one or more business offices in this State, the Board of Directors shall fix and designate a principal business office within the State of California.

Section 2. OTHER OFFICES. The Board of Directors may at any time establish branch or subordinate offices at any place or places where the Corporation is qualified to do business.

ARTICLE II

MEETINGS OF SHAREHOLDERS

Section 1. PLACE OF MEETINGS. Meetings of Shareholders shall be held at any place within or outside the State of California designated by the Board of Directors. In the absence of any such designation, Shareholders' meetings shall be held at the principal executive office of the Corporation or at any place consented to in writing by all persons entitled to vote at such meeting, given before or after the meeting and filed with the Secretary of the Corporation.

Section 2. ANNUAL MEETING. The annual meeting of Shareholders shall be held each year on a date and at a time designated by the Board of Directors. At each annual meeting Directors shall be elected and any other proper business may be transacted.

Section 3. SPECIAL MEETINGS. A special meeting of the Shareholders may be called at any time, subject to Sections 4 and 5 of this Article II, by the Board of Directors, or by the Chairman of the Board, or by the President, or by one or more Shareholders holding shares in the aggregate entitled to cast not less than ten percent (10%) of the votes at that meeting. If a special meeting is called by any person or persons other than the Board of Directors, or the President or the Chairman of the Board, the request shall be in writing, specifying the time of such meeting and the general nature of the business to be transacted, and shall be delivered personally or sent by registered mail or by telegraphic or other facsimile transmission to the Chairman of the Board, the President, any Vice President, or the Secretary of the Corporation. The Officer receiving the request shall cause notice to be promptly given to the Shareholders entitled to vote, in accordance with the provisions of Sections 4 and 5 of this Article II, that a meeting will be held at the time requested by the person or persons calling the meeting, so long as that time is not less than thirty-five (35) nor more than sixty (60) days after the receipt of the request. If the notice is not given within twenty (20) days after receipt of the request, the person or persons requesting the meeting may give the notice. Nothing contained in this Section 3 shall be construed as limiting, fixing, or affecting the time when a meeting of Shareholders called by action of the Board of Directors may be held.

Section 4. NOTICE OF SHAREHOLDERS' MEETINGS. All notices of meetings of Shareholders shall be sent or otherwise given in accordance with Section 5 of this Article II not less than ten (10) (or, of sent by third class mail pursuant to Section 5 of this Article II, not less than thirty (30)) nor more than sixty (60) days before the date of the meeting. The notice shall specify the place, date, and hour of the meeting and (i) in the case of a special meeting, the general nature of the business to be transacted, and no business other than that specified may be transacted, or (ii) in the case of the annual meeting, those matters which the Board of Directors, at the time of giving the notice, intends to present for action by the Shareholders, but, subject to the provisions of the next paragraph of this Section, any proper matter may be presented at the meeting for such action. The notice of any meeting at which Directors are to be elected shall include the name(s) of any nominee(s) whom, at the time of the notice, the Board of Directors intend to present for election.

If action is proposed to be taken at any meeting for approval of (i) a contract or transaction in which a Director has a direct or indirect financial interest, pursuant to Section 310 of the California Corporations Code, (ii) an amendment of the Articles of InCorporation, pursuant to Section 902 of that Code, (iii) a reorganization of the Corporation, pursuant to Section 1201 of that Code, (iv) a voluntary dissolution of the Corporation, pursuant to Section 1900 of that Code, or (v) a distribution in dissolution other than in accordance with the rights of any outstanding preferred shares,

pursuant to Section 2007 of that Code, the notice shall also state the general nature of that proposal.

Section 5. MANNER OF GIVING NOTICE: AFFIDAVIT OF NOTICE. Notice of any meeting of Shareholders shall be given either personally or by first-class mail, or, if the Corporation has outstanding shares held of record by 500 or more persons (determined as provided in Section 605 of the California Corporations Code) on the record date of the Shareholder's meeting, notice may be sent by third class mail, or other written communication, charges prepaid, addressed to the Shareholder at the address of that Shareholder appearing on the books of the Corporation or given by the Shareholders to the Corporation for the purpose of notice. If no such address appears on the Corporation's books or is given, notice shall be deemed to have been given if sent to that Shareholder by first-class mail or other written communication to the Corporation's principal executive office, or if published at least once in a newspaper of general circulation in the county where the Corporation's principal executive office is located. Notice shall be deemed to have been given at the time when delivered personally or deposited in the mail or sent by other means of written communication.

If any notice (or report referenced in Article VII of these Bylaws) addressed to a Shareholder at the address of that Shareholder appearing on the books of the Corporation is returned to the Corporation by the United States Postal Service, marked to indicate that the United States Postal Service is unable to deliver the notice to the Shareholder at that address, all future notices or reports shall be deemed to have been duly given without further mailing if these shall be available to the Shareholder on written demand of the Shareholder at the principal executive Officer of the Corporation for a period of one year from the date of the giving of the notice.

An affidavit of the mailing or other means of giving any notice or report, in accordance with this Section, shall be executed by the Secretary, Assistant Secretary, or any transfer agent of the Corporation, shall be filed and maintained in the minute book of the Corporation, and shall be prima facie evidence of the giving of the notice or report.

Section 6. QUORUM. The presence in person or by proxy of the holders of a majority of the shares entitled to vote at any meeting of Shareholders shall constitute a quorum for the transaction of business. The Shareholders present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough Shareholders to leave less than a quorum, if any action taken (other than adjournment) is approved by at least a majority of the shares required to constitute a quorum.

In the absence of a quorum, any meeting of Shareholders may be adjourned from time to time by the vote of a majority of the shares represented either in person or by proxy, but no other business may be transacted, except as provided in the last sentence of the proceeding paragraph of this Section.

Section 7. ADJOURNED MEETING; NOTICE. Any Shareholders' meeting, annual or special, whether or not a quorum is present, may be adjourned from time to time by the vote of the majority of the shares represented at that meeting, either in person or by proxy.

When any meeting of Shareholders, either annual or special, is adjourned to another time or place, notice need not be given of the adjourned meeting if the time and place are announced at a meeting at which that adjournment is taken, unless a new record date for the adjourned meeting is fixed, or unless the adjournment is for more than forty-five (45) days from the date set for the original meeting, in which case the Board of Directors shall set a new record date. Notice of any such adjourned meeting shall be given to each Shareholder of record entitled to vote at the adjourned meeting in accordance with the provisions of Sections 4 and 5 of this Article II. At any adjourned meeting the Corporation may transact any business which might have been transacted at the original meeting.

Section 8. VOTING. The Shareholders entitled to vote at any meeting of Shareholders shall be determined in accordance with the provisions of Section 11 of this Article II, subject to the provisions of Sections 702 to 704, inclusive, of the California Corporations Code (relating to voting shares held by a fiduciary, in the name of a Corporation, or in joint ownership). The Shareholders' vote may be by voice vote or by ballot; provided, however, that any election of Directors must be by ballot if demanded by any Shareholder before the voting has begun. On any matter other than elections of Directors, any Shareholder may vote part of the shares in favor of the proposal and refrain from voting the remaining shares or vote them against the proposal; but, if the Shareholder fails to specify the number of shares which the Shareholder is voting affirmative, it will be conclusively presumed that the Shareholders' approving vote is with respect to all shares that the Shareholder is entitled to vote. If a quorum is present, the affirmative vote of the majority of the shares represented at the meeting and entitled to vote on any matter (other than the election of Directors) shall be the act of Shareholders, unless the vote of a greater number of voting by classes is required by the California Corporations Code or by the Articles of Incorporation.

At a Shareholders' meeting at which Directors are to be elected, no Shareholder shall be entitled to cumulate votes (i.e., cast for any one or more

candidates a number of votes greater than the number of the Shareholder's shares) unless the candidates' names have been placed in nomination prior to commencement of the voting and a Shareholder has given notice prior to commencement of the voting of the Shareholder's intention to cumulate votes. If any Shareholder has given such notice, then every Shareholder entitled to vote may cumulate votes for candidates in nomination and give one candidate a number of votes equal to the number of Directors to be elected multiplied by the number of votes to which that Shareholder's shares are entitled, or distribute the Shareholder's votes on the same principle among any or all of the candidates, as the Shareholder deems fit. The candidates receiving the highest number of votes, up to the number of Directors to be elected, shall be elected. Votes against any candidate and votes withheld shall have no legal effect.

Section 9. WAIVER OF NOTICE OR CONSENT BY ABSENT SHAREHOLDERS. The transactions of any meeting of Shareholders, either annual or special, however called or noticed, and wherever held, shall be as valid as though had at a meeting duly held after regular call and notice, if a quorum is present either in person or by proxy, and if, either before or after the meeting, each person entitled to vote who was not present in person or by proxy signs a written waiver of notice or a consent to a holding of the meeting or an approval of the minutes thereof. The waiver of notice or consent need not specify either the business to be transacted or the purpose of any annual or special meeting of Shareholders, except that if action is taken or proposed to be taken for approval of any of those matters specified in the second paragraph of Section 4 of this Article II, the waiver of notice or consent shall state the general nature of the proposal. All such waivers, consents, or approvals shall be filed with the corporate records or made a part of the minutes of the meeting.

Attendance by a person at a meeting shall constitute a waiver of notice of that meeting, except when the person objects at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened, and except that attendance at a meeting is not a waiver of any right to object to the consideration of matters required by the California Corporations Code to be included in the notice of the meeting but not so included, if that objection is expressly made at the meeting.

Section 10. SHAREHOLDER ACTION BY WRITTEN CONSENT WITHOUT A MEETING. Any action which may be taken at any annual or special meeting of Shareholders may be taken without a meeting and without prior notice, if a consent in writing, setting forth the action so taken, is signed by the holders of outstanding shares having not less than the minimum number of votes that would be necessary to authorize or take that action at a meeting at which all shares entitled to vote on that action were present and voted. In the case of election of Directors, such a

consent shall be effective only if signed by the holders of all outstanding shares entitled to vote for the election of Directors; provided, however, a Director may be elected at any time to fill a vacancy on the Board of Directors that was not created by removal of a Director and that has not been filled by the Directors, by the written consent of the holders of a majority of the outstanding shares entitled to vote for the election of Directors. All such consents shall be filed with the Secretary of the Corporation and shall be maintained in the corporate records. Any Shareholder giving a written consent or the Shareholder's proxy holders, or a transferee of the shares, or a personal representative of the Shareholder, or their respective proxy holders, may revoke the consent by a writing received by the Secretary of the Corporation before written consents of the number of shares required to authorize the proposed action have been filed with the Secretary.

If the consents of all Shareholders entitled to vote have not been solicited in writing the Secretary shall give prompt notice of any corporate action approved by the Shareholders without a meeting to those Shareholders entitled to vote who have not consented in writing. Such notice shall be given in the manner specified in Section 5 of this Article II. In the case of approval of (i) contracts or transactions in which a Director has a direct or indirect financial interest, pursuant to Section 310 of the California Corporations Code, (ii) indemnification of agents of the Corporation, pursuant to Section 317 of that Code, (iii) a reorganization of the Corporation, pursuant to Section 1201 of that Code, and (iv) a distribution in dissolution other than in accordance with the rights of outstanding preferred shares, pursuant to Section 2007 of that Code, the notice shall be given at least ten (10) days before the consummation of any action authorized by that approval, unless the consents of all Shareholders entitled to vote shall have been solicited in writing.

Section 11. RECORD DATE FOR SHAREHOLDER NOTICE, VOTING AND GIVING CONSENTS. For purposes of determining the Shareholders entitled to notice of any meeting or to vote, the Board of Directors may fix, in advance, a record date, which shall not be more than sixty (60) days nor less than ten (10) days before the date of any such meeting nor more than sixty (60) days before any such action without a meeting. Only Shareholders of record at the close of business on the date so fixed are entitled to notice and to vote or give consents, as the case may be, notwithstanding any transfer of any shares on the books of the Corporation after the record date, except as otherwise provided in the California Corporations Code. A determination of Shareholders of record entitled to notice of or to vote at a meeting of Shareholders shall apply to any adjournment of the meeting unless the Board of Directors fixes a new record date for the adjourned meeting, but the Board of Directors shall fix a new record dated if the meeting is adjourned for more than forty-five (45) days from the date set for the original meeting.

Shareholder or a Shareholder's proxy shall, appoint inspectors of election at the meeting. The number of inspectors shall be either one (1) or three (3). If inspectors are appointed at a meeting on the request of one or more Shareholders or proxies, the holders of a majority of shares or their proxies present at the meeting shall determine whether one (1) or three (3) inspectors are to be appointed.

The inspectors of election shall determine the number of shares outstanding and the voting power of each, the shares represented at the meeting, the existence of a quorum, and the authenticity, validity, and effect of proxies, receive votes, ballots or consents, hear and determine all challenges and questions in any way arising in connection with the right to vote, count and tabulate all votes or consents, determine when the polls shall close, determine the result and do any other acts that may be property to conduct the election or vote with fairness to all Shareholders.

ARTICLE III

DIRECTORS

Section 1. POWERS. Subject to the provisions of the California Corporations Code and any limitations in the Articles of Incorporation and these Bylaws relating to action required to be approved by the Shareholders or by the outstanding shares, the business and affairs of the Corporation shall be managed and all corporate powers shall be exercised by or under the direction of the Board of Directors. The Board may delegate the management of the day-to-day business and affairs of the Corporation to a management company or other person, provided that the business and affairs of the Corporation shall be managed and all corporate powers shall be exercised under the ultimate direction of the Board.

Section 2. NUMBER AND QUALIFICATION OF DIRECTORS. The authorized number of Directors shall be two (2) until changed by a duly adopted amendment to these by laws adopted by the notice or written consent of holders of a majority of the outstanding shares entitled to vote. No reduction of the authorized number of Directors shall have the effect of removing any Director before that Director's term of office expires.

Section 3. ELECTION AND TERM OF OFFICE OF DIRECTORS. Directors shall be elected at each annual meeting of the Shareholders to hold office until the next annual meeting. Each Director, including a Director elected to fill a vacancy, shall hold office until the expiration of the term for which elected and until a successor has been elected and qualified, except in the case of the death, resignation or removal of such Director.

Section 4. REMOVAL. The entire Board of Directors or any individual Director may be removed from office without cause by the affirmative vote of a majority of the outstanding shares entitled to vote on such removal; provided, however, that unless the entire Board id removed, no individual Director may be removed when the votes case against such Director's removal, or not consenting in writing to such removal, would be sufficient to elect that Director if voted cumulatively at an election at which the same total number cast were cast (or, if such action is taken by written consent, all shares entitled to vote were voted) and the entire number of Directors authorized at the time of such Director's most recent election were then being elected.

Section 5. VACANCIES. Any Director may resign effective on given oral or written notice to the Chairman of the Board, the President, the Secretary, or the Board of Directors, unless the notice specifies a later time for that resignation to become effective. If the resignation of a Director is effective at a future time, the Board of Directors may elect a successor to take office when the resignation becomes effective.

Vacancies on the Board of Directors may be filled by a majority of the remaining Directors, though less than a quorum, or by a sole remaining Director, except that a vacancy created by the removal of a Director by the vote or written consent of the Shareholders or by court order may be filled only by the vote of a majority of the shares entitled to vote represented at a duly held meeting at which a quorum is present, or by the written consent of holders of a majority of the outstanding shares entitled to vote. Each Director so elected shall hold office until the next annual meeting of the Shareholders and until a successor has been elected and qualified, except in the case of the Director's death, resignation or removal.

A vacancy or vacancies in the Board of Directors shall be deemed to exist in the event of the death, resignation, or removal of any Director, or if the Board of Directors by resolution declares vacant the office of a Director who has been declared of unsound mind by an order of court or convicted of a felony, or if the authorized number of Directors is increased, or if the Shareholders fail, at any meeting of Shareholders at which any Director or Directors are elected, to elect the number of Directors to be voted for at that meeting.

The Shareholders may elect a Director or Directors at any time to fill any vacancy or vacancies not filled by the Directors, but any such election by written consent shall require the consent of the outstanding shares entitled to vote.

A Director may not be elected by written consent to fill a vacancy created by removal except by unanimous consent of all shares entitled to vote for the election of directors.

Section 6. PLACE OF MEETINGS AND MEETINGS BY TELEPHONE. Regular meetings of the Board of Directors may be held at any place within or outside the State of California that has been designated from time to time by resolution of the Board. In the absence of such a designation, regular meetings shall be held at the principal executive office of the Corporation. Special meetings of the Board shall be held at any place within or outside the State of California that has been designated in the notice of the meeting or, if not stated in the notice or there is no notice, at the principal executive office of the Corporation. Directors may participate in a meeting of the Board of Directors through the use of conference telephone or similar communications equipment, so long as all Directors participating in the meeting can hear one another, and all such Directors shall be deemed to be present in person at the meeting.

Section 7. ANNUAL MEETING. Immediately following each annual meeting of Shareholders, the Board of Directors shall hold a regular meeting for the purpose of organization, any desired election of Officers, and the transaction of other business. Notice of this meeting shall not be required.

Section 8. OTHER REGULAR MEETINGS. Other regular meetings of the Board of Directors shall be held without call at such time as shall from time to time be fixed by the Board of Directors. Such regular meetings may be held without notice.

Section 9. SPECIAL MEETINGS; NOTICE. Special meetings of the Board of Directors for any purpose or purposes may be called at any time by the Chairman of the Board or the President or the Secretary or any two (2) Directors.

Notice of the time and place of special meetings shall be delivered personally or by telephone to each Director or sent by first-class mail or telegram, charges prepaid, or by other electronic communications, addressed to each Director at that Director's address as it is shown on the records of the Corporation. In case the notice is mailed, it shall be deposited in the United States mail at least four (4) days before the time of the holding of the meeting. In case the notice is delivered personally or by telephone, telegram, or by other electronic communications, it shall be delivered personally or by telephone or by other electronic communications at least forty-eight (48) hours before the time of the holding of the meeting. Any oral notice given personally or by telephone may be communicated either to the Director or to a person at the office of the Director who the person giving the notice has reason to believe will

promptly communicate it to the Director. The notice need not specify the purpose of the meeting.

Section 10. QUORUM AND VOTING. A majority of the authorized number of Directors constitute a quorum for the transaction of business, except to adjourn as provided in Section 12 of this Article III. Every act or decision done or made by a majority of the Directors present at a meeting duly held at which a quorum is present shall be regarded as the act of the Board of Directors, subject to the provisions of Section 310 of the Corporations Code of California (as to approval of contracts or transactions in which a Director has a direct or indirect material financial interest), Section 311 of that Code (as to appointment of committees), Section 317(e) of that Code (as to indemnification of Directors), and other applicable law. A meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of Directors, if any action taken is approved by at least a majority of the required quorum for that meeting.

Section 11. WAIVER OF NOTICE. The transactions of any meeting of the Board of Directors, however called and notice or wherever held, shall be as valid as though had at a meeting duly held after regular call and notice, if a quorum is present and if, either before or after the meeting, each of the Directors not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes. The waiver of notice or consent need not specify the purpose of the meeting. All such waivers, consents and approvals shall be filed with the corporate records or made a part of the minutes of the meeting. Any Director who attends a meeting without protesting, before or at its commencement, the lack of notice to that Director shall be deemed to have waived any defect of notice of such meeting.

Section 12. ADJOURNMENT. A majority of the Directors present, whether or not constituting a quorum, may adjourn any meeting to another time and place.

Section 13. NOTICE OF ADJOURNMENT. Notice of the time and place of holding an adjourned meeting need not be given, unless the meeting is adjourned for more than twenty-four (24) hours, in which case notice of the time and place shall be given before the time of the adjourned meeting, in the manner specified in Section 9 of this Article III, to any Director not present at the time of the adjournment.

Section 14. ACTION WITHOUT MEETING. Any action required or permitted to be taken by the Board of Directors may be taken without a meeting if all members of the Board shall individually or collectively consent in writing to that

action. Such action by written consent shall have the same force and effect as a unanimous vote of the Board of Directors. Such written consent or consents shall be filed with the Secretary of the Corporation and shall be maintained in the Corporation's records.

Section 15. FEES AND COMPENSATION OF DIRECTORS. Directors and members of committees may receive such compensation, if any, for their services, and such reimbursement of expenses as may be fixed or determined by resolution of the Board of Directors. This Section shall not be construed to preclude any Director from serving the Corporation in any other capacity as an Officer, agent, employee, or otherwise, and receiving compensation for those services.

ARTICLE IV

COMMITTEES

Section 1. COMMITTEES OF DIRECTORS. The Board of Directors may, by resolution adopted by a majority of the authorized number of Directors, designate one or more committees, each consisting of two or more Directors, to serve at the pleasure of the Board. The Board may designate as alternate members of any committee one or more Directors who may replace any absent member at any meeting of the committee. The appointment of members or alternate members of a committee requires a vote of a majority of the authorized number of Directors. Any committee, to the extent provided in the resolution of the Board, shall have all the authority of the Board, except with respect to:

(a) The approval of any action which, under the California Corporations Code, also requires Shareholders' approval or approval of the outstanding shares;

(b) The filling of vacancies on the Board of Directors or in any committee;

(c) The fixing of compensation of the Directors for serving on the Board or on any committee;

(d) The amendment or repeal of Bylaws or the adoption of new Bylaws;

(e) The amendment or repeal of any resolution of the Board of Directors which by its express terms is not amendable or repealable;

(f) A distribution to the Shareholders of the Corporation, except at a rate, in a periodic amount or within a price range determined by the Board of Directors; or

(g) The appointment of any other committees of the Board of Directors or the members of these committees.

Section 2. MEETINGS AND ACTION OF COMMITTEES. Meetings and action of committees shall be governed by, and held and taken in accordance with, the provisions of Article III of these Bylaws, Sections 6 (place of meetings), 8 (regular meetings), 9 (special meetings and notice), 10 (quorum), 11 (waiver of notice), 12 (adjournment), 13 (notice of adjournment), and 14 (action without meeting), with such changes in the context of those Bylaws as are necessary to substitute the committee and its members for the Board of Directors and its members, except that the time of regular meetings of committees may be determined either by resolution of the Board of Directors or by resolution of the committee, that special meetings of committees may also be called by resolution of the Board of Directors, and notice of special meetings of committees shall also be given to all alternate members who shall have the right to attend all meetings of the committee. The Board of Directors may adopt for the government of any committee rules not inconsistent with the provisions of these Bylaws.

ARTICLE V

OFFICERS

Section 1. OFFICERS. The Officers of the Corporation shall be a President, Secretary, and Chief Financial Officer. The Corporation may also have, at the discretion of the Board of Directors, a Chairman of the Board, one or more Vice Presidents, one or more Assistant Secretaries, one or more Assistant Treasurers, and such other Officers as may be appointed in accordance with the provisions of Section 3 of this Article V. Any number of offices may be held by the same person.

Section 2. ELECTION OF OFFICERS. The Officers of the Corporation, except such Officers as may be appointed in accordance with the provisions of Section 3 or Section 5 of this Article V, shall be chosen by the Board of Directors. Each shall serve at the pleasure of the Board, subject to the rights, if any, of an Officer under any contract of employment.

Section 3. SUBORDINATE OFFICERS. The Board of Directors may appoint, and may empower the President to appoint, such other Officers as the business

of the Corporation may require, each of whom shall hold office for such period, have such authority, and perform such duties as are provided in the Bylaws or as the Board of Directors may from time to time determine.

Section 4. REMOVAL AND RESIGNATION OF OFFICERS. Subject to the rights, if any, of an Officer under any contract of employment, all Officers serve at the pleasure of the Board and any Officer may be removed, either with or without cause, by the Board of Directors at any regular or special meeting of the Board, or, except in case of an Officer chosen by the Board of Directors, by any Officer upon whom such power of removal may be conferred by the Board of Directors.

Any Officer may resign at any time by giving written notice to the Corporation. Any resignation shall take effect at the date of the receipt of that notice or at any later time specified in that notice; and, unless otherwise specified in that notice, the acceptance of the resignation shall not be necessary to make it effective. Any resignation is without prejudice to the rights, if any, of the Corporation under any contract to which the Officer is a party.

Section 5. VACANCIES IN OFFICES. A vacancy in any office because of death, resignation, removal, disqualification, or any other cause shall be filled in the manner prescribed in these Bylaws for regular appointments to that office.

Section 6. CHAIRMAN OF THE BOARD. The Chairman of the Board, if such Officer be elected, shall, if present, preside at meetings of the Board of Directors, and shall exercise and perform such other powers and duties as may from time to time be assigned to him or her by the Board of Directors or prescribed by the Bylaws. If there is no President, the Chairman of the Board shall in addition be the Chief Executive Officer of the Corporation and shall have the powers and duties prescribed in Section 7 of this Article V.

Section 7. PRESIDENT. Subject to such supervisory powers, if any, as may be given by the Board of Directors to the Chairman of the Board, if there be such an Officer, the President shall be the Chief Executive Officer of the Corporation and shall, subject to the control of the Board of Directors, have general supervision, direction and control of the business and the Officers of the Corporation. The President shall preside at all meetings of the Shareholders and, in the absence of the Chairman of the Board, or if there be none, at all meetings of the Board of Directors. The President shall have the general powers and duties of management usually vested in the office of President of a Corporation and shall have such other powers and duties as may be prescribed by the Board of Directors or these Bylaws.

Section 8. VICE PRESIDENTS. In the absence or disability of the President, the Vice Presidents, if any, in order of their rank as fixed by the Board of Directors or, if not ranked, a Vice President designated by the Board of Directors, shall perform all the duties of the President, and when so acting shall have all the powers of, and be subject to all the restrictions upon, the President. The Vice Presidents shall have such other powers and perform such other duties as from time to time may be prescribed for them respectively by the Board of Directors, these Bylaws, or the President, or the Chairman of the Board.

Section 9. SECRETARY. The Secretary shall keep, or cause to be kept, at the principal executive office of the Corporation or such other place as the Board of Directors may direct, a book of minutes of all meetings and actions of Directors, committees, Officers, and Shareholders. Such minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized), the notice given, the names of those present at Directors' meetings or committee meetings, the number of shares present or represented at Shareholders' meetings, and the proceedings thereof.

The Secretary shall keep, or cause to be kept, at the principal executive office or at the office of the Corporation's transfer agent or registrar, as determined by resolution of the Board of Directors, a share register, or a duplicate share register, showing the names of all Shareholders and their addresses, the number of and classes of shares held by each, the number and date of certificates issued for the same, and the number and date of cancellation of every certificate surrendered for cancellation.

The Secretary shall give, or cause to be given, notice of all meetings of the Shareholders and of the Board of Directors required by the Bylaws or by law to be given. The Secretary shall keep the seal of the Corporation (if one be adopted) in safe custody and shall have such other powers and perform such other duties as may be prescribed by the Board of Directors or by these Bylaws.

Section 10. CHIEF FINANCIAL OFFICER. The Chief Financial Officer shall keep and maintain, or cause to be kept and maintained, adequate and correct books and records of accounts of the properties and business transactions of the Corporation, including accounts of its assets, liabilities, receipts, disbursements, gains, losses, capital, retained earnings, and shares. The books of account shall at all reasonable times be open to inspection by any Director.

The Chief Financial Officer shall deposit all monies and other valuables in the name and to the credit of the Corporation with such depositories as may be designated by the Board of Directors. The Chief Financial Officer shall disburse the

funds of the Corporation as may be ordered by the Board of Directors, shall render to the President and Directors (whenever they request it) an account of all of Chief Financial Officer's transactions on behalf of the Corporation and of the financial condition of the Corporation, and shall have other powers and perform such other duties as may be prescribed by the Board of Directors or the Bylaws.

ARTICLE VI

INDEMNIFICATION OF DIRECTORS, OFFICERS, EMPLOYEES AND OTHER AGENTS

Section 1. INDEMNIFICATION OF DIRECTORS. The Corporation shall, to the maximum extent and in the manner permitted by the California Corporations Code, indemnify each of its Directors against expenses (as defined in Section 317(a) of that Code), judgments, fines, settlements, and other amounts actually and reasonably incurred in connection with any proceeding (as defined in Section 317(a) of that Code), arising by reason of the fact that such person is or was a Director of the Corporation. For purposes of this Article VI, a "Director" of the Corporation includes any person (i) who is or was a Director of the Corporation, (ii) who is or was serving at the request of the Corporation as a Director of another foreign or domestic corporation, partnership, joint venture, trust or the enterprise, or (iii) who was a Director of a corporation which was a predecessor corporation of the Corporation or of another enterprise at the request of such predecessor corporation.

Section 2. INDEMNIFICATION OF OTHERS. The Corporation shall have the power, to the extent and in the manner permitted by the California Corporations Code, to indemnify each of its employees, Officers, agents (other than Directors) against expenses (as defined in Section 317(a) of that Code), judgments, fines, settlements, and other amounts actually and reasonably incurred in connection with any proceeding (as defined in Section 317(a) of that Code), arising by reason of the fact that such person is or was an employee, Officer, or agent of the Corporation. For purposes of this Article VI, an "employee" or "Officer" or "agent" of the corporation (other than a Director) includes any person (i) who is or was an employee, Officer, or agent of the Corporation, (ii) who is or was serving at the request of the Corporation as an employee, Officer, or agent of another foreign or domestic corporation, partnership, joint venture, trust or other enterprise, or (iii) who was an employee, Officer, or agent of a corporation which was a predecessor corporation of the Corporation or of another enterprise at the request of such predecessor corporation.

Section 3. PAYMENT OF EXPENSES IN ADVANCE. Expenses and attorneys' fees incurred in defending any civil or criminal action or proceeding for

which indemnification is required pursuant to Section 1 of this Article VI, or if otherwise authorized by the Board of Directors, shall be paid by the Corporation in advance of the final disposition of such action or proceeding upon receipt of an undertaking by or on behalf of the indemnified party to repay such amount if it shall ultimately be determined that the indemnified party is not entitled to be indemnified as authorized in this Article VI.

Section 4. INDEMNITY NOT EXCLUSIVE. The indemnification provided by this Article VI shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any Bylaw, agreement, vote of Shareholders or Directors or otherwise, both as to action in an official capacity and as to action in another capacity while holding such office. The rights to indemnity hereunder shall continue as to a person who has ceased to be a Director, Officer, employee, or agent and shall inure to the benefit of the heirs, executors, and administrators of the person.

Section 5. INSURANCE INDEMNIFICATION. The Corporation shall have the power to purchase and maintain insurance on behalf of any person who is or was a Director, Officer, employee or agent of the Corporation against any liability asserted against or incurred by such person in such capacity or arising out of that person's status as such, whether or not the Corporation would have the power to indemnify that person against such liability under the provisions of this Article VI.

Section 6. CONFLICTS. No indemnification or advance shall be made under this Article VI, except where such indemnification or advance is mandated by law or the order, judgment or decree of any court of competent jurisdiction, in any circumstance where it appears:

(1) That it would be inconsistent with the provision of the Articles of Incorporation, these Bylaws, a resolution of the Shareholders or an agreement in effect at the time of the accrual of the alleged cause of the action asserted in the proceeding in which the expenses were incurred or other amounts were paid, which prohibits or otherwise limits indemnification; or

(2) That it would be inconsistent with any condition expressly imposed by a court in approving a settlement.

Section 7. RIGHT TO BRING SUIT. If a claim under this Article is not paid in full by the Corporation within ninety (90) days after a written claim has been received by the Corporation (either because the claim is denied or because no determination is made), the claimant may at any time thereafter bring suit against the

Corporation to recover the unpaid amount of the claim and, if successful in whole or in part, the claimant shall also be entitled to be paid the expenses of prosecuting such claim. The Corporation shall be entitled to raise as a defense to any such action that the claimant has not met the standards of conduct that make it permissible under the California Corporations Code for the Corporation to indemnify the claimant for the claim. Neither the failure of the Corporation (including its Board of Directors, independent legal counsel, or its Shareholders) to have made a determination prior to the commencement of such action that indemnification of the claimant is permissible in the circumstances because he or she has met the applicable standard of conduct, if any, nor an actual determination by the Corporation (including its Board of Directors, independent legal counsel, or its Shareholders) that the claimant has not met the applicable standard of conduct, shall be a defense to such action or create a presumption for the purposes of such action that the claimant has not met the applicable standard of conduct.

Section 8. INDEMNITY AGREEMENTS. The Board of Directors is authorized to enter into a contract with any Director, Officer, employee or agent of the Corporation, or any person who is or was serving at the request of the Corporation as a Director, Officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, including employee benefit plans, or any person who was a Director, Officer, employee or agent of a corporation which was a predecessor corporation of the Corporation or of another enterprise at the request of such predecessor corporation, providing for indemnification rights equivalent to or, if the Board of Directors so determines and to the extent permitted by applicable law, greater than, those provided for in this Article VI.

Section 9. AMENDMENT, REPEAL, OR MODIFICATION. Any amendment, repeal or modification of any provision of this Article VI shall not adversely affect any right or protection of a Director or agent of the Corporation existing at the time of such amendment, repeal or modification.

ARTICLE VII

RECORDS AND REPORTS

Section 1. MAINTENANCE AND INSPECTION OF SHARE REGISTER. The Corporation shall keep at its principal executive office, or at the office of its transfer agent or registrar (if either be appointed), as determined by resolution of the Board of Directors, a record of its Shareholders giving the names and addresses of all Shareholders and the number and class of shares held by each Shareholder.

A Shareholder or Shareholders of the Corporation shall have the right to inspect the share register as provided in Section 1600 of the California Corporations Code.

Section 2. MAINTENANCE AND INSPECTION OF BYLAWS. The Corporation shall keep at its principal executive office, or if its principal executive office is not in the State of California, at its principal business office in this State, the original or a copy of the Bylaws, as amended to date, which shall be open to inspection by the Shareholders at all reasonable times during office hours. If the principal executive office of the Corporation is outside the State of California and the Corporation has no principal business office in this State, the Secretary shall, upon the written request of any Shareholder, furnish to that Shareholder a copy of the Bylaws as amended to date.

Section 3. MAINTENANCE AND INSPECTION OF OTHER CORPORATE RECORDS. The accounting books and records and minutes of proceedings of the Shareholders and the Board of Directors and committees of the Board of Directors shall be kept at such place or places designated by the Board of Directors, or, in the absence of such designation, at the principal executive office of the Corporation. The minutes shall be kept in written form, and the accounting books and records shall be kept either in written form or in any other form capable of being converted into written form. The minutes and accounting books and records shall be open to inspection upon the written demand of any Shareholder or holder of a voting trust certificate at any reasonable time during usual business hours for a purpose reasonably related to the holder's interests as a Shareholder or as the holder of a voting trust certificate. Such inspection may be made in person or by an agent or attorney and shall include the right to copy and make extracts. These rights of inspection shall extend to the records of each subsidiary Corporation of the Corporation.

Section 4. INSPECTION BY DIRECTORS. Every Director shall have the absolute right at any reasonable time to inspect all books, records, and documents of every kind and the physical properties of the Corporation and each of its subsidiary Corporations. This inspection by a Director may be made in person or by an agent or attorney, and the right of inspection includes the right to copy and make extracts of documents.

Section 5. ANNUAL REPORT TO SHAREHOLDERS; WAIVER. The Board of Directors shall cause an annual report to be sent to the Shareholders not later than one hundred twenty (120) days after the close of the fiscal year adopted by the Corporation. Such report shall be sent to the Shareholders at least fifteen (15) (or, if sent by third-class mail, thirty-five (35)) days prior to the annual meeting of

Shareholders to be held during the next fiscal year and in the manner specified in Section 5 of Article II of these Bylaws for giving notice to Shareholders of the Corporation.

The annual report shall contain a balance sheet as of the end of the fiscal year and an income statement and statement of changes in financial position for the fiscal year, accompanied by any report thereon of independent accountants or, if there is no such report, the certificate of an authorized Officer of the Corporation that the statements were prepared without audit from the books and records of the Corporation.

The foregoing requirement of an annual report shall be waived so long as the shares of the Corporation are held by fewer than one hundred (100) holders of record.

Section 6. FINANCIAL STATEMENTS. If no annual report for the fiscal year has been sent to Shareholders, then the Corporation shall, upon the written request of any Shareholder made more than one hundred twenty (120) days after the close of such fiscal year, deliver or mail to the person making the request, within thirty (30) days thereafter, a copy of a balance sheet as of the end of such fiscal year and an income statement and statement of changes in financial position for such fiscal year.

The Shareholder or Shareholders holding at least five percent (5%) of the outstanding shares of any class of the Corporation may make a written request to the Corporation for an income statement of the Corporation for the three-month, six-month or nine-month period of the current fiscal year ended more than thirty (30) days prior to the date of the request and a balance sheet of the Corporation as of the end of that period. The statements shall be delivered or mailed to the person making the request within thirty (30) days thereafter. A copy of the statements shall be kept on file in the principal office of the Corporation for twelve (12) months and it shall be exhibited at all reasonable times to any Shareholder demanding an examination of the statements or a copy shall be mailed to the Shareholder. If the Corporation has not sent to the Shareholders it annual report for the last fiscal year, the statements referred to in the first paragraph of this Section 6 shall likewise be delivered or mailed to the Shareholder or Shareholders within thirty (30) days after the request.

The quarterly income statements and balance sheets referred to in this section shall be accompanied by the report thereon, if any, of any independent accountants engaged by the Corporation or the certificate of an authorized Officer of the Corporation that the financial statements were prepared without audit from the books and records of the Corporation.

Section 7. REPRESENTATION OF SHARES OF OTHER CORPORATIONS. The Chairman of the Board, the President, any Vice President, the Chief Financial Officer, the Secretary or Assistant Secretary of this Corporation, or any other person authorized by the Board of Directors or the President or a Vice President, is authorized to vote, represent, and exercise on behalf of this Corporation all rights incident to any and all shares of any other corporation or corporations standing in the name of this Corporation. The authority herein granted may be exercised either by such person directly or by any other person authorized to do so by proxy or power of attorney duly executed by such person having the authority.

ARTICLE VIII

GENERAL CORPORATE MATTERS

Section 1. RECORD DATE FOR PURPOSES OTHER THAN NOTICE AND VOTING. For purposes of determining the Shareholders entitled to receive payment of any dividend or other distribution or allotment of any rights or entitled to exercise any rights in respect of any other lawful action (other than with respect to notice or voting at a Shareholder's meeting or action by Shareholders by written consent without a meeting), the Board of Directors may fix, in advance, a record date, which shall not be more than sixty (60) days before any such action. Only Shareholders of record at the close of business on the date so fixed are entitled to receive the dividend, distribution, or allotment of rights or to exercise the rights, as the case may be, notwithstanding any transfer of any shares on the books of the Corporation after the record date so fixed, except as otherwise provided in the California Corporations Code.

If the Board of Directors does not so fix a record date, the record date for determining Shareholders for any such purpose shall be at the close of business on the date on which the Board adopts the applicable resolution or the sixtieth (60th) day before the date of that action, whichever is later.

Section 2. CHECKS, DRAFTS, EVIDENCES OF INDEBTEDNESS. All checks, drafts, or other orders for payment of money, notes, or other evidences of indebtedness, issued in the name of or payable to the Corporation, shall be signed or endorsed by such person or persons, and only such person or persons, and in such manner as shall be determined, from time to time, by resolution of the Board of Directors.

Section 3. CORPORATE CONTRACTS AND INSTRUMENTS: HOW EXECUTED. The Board of Directors, except as otherwise provided in these Bylaws,

may authorize any Officer(s) or agent(s) to enter into any contract or execute any instrument in the name of and on behalf of the Corporation. This authority may be general or confined to specific instances; and, unless so authorized or ratified by the Board of Directors or within the agency power of an officer, no officer, agent, or employee shall have any power or authority to bind the Corporation by any contract or engagement or to pledge its credit or to render it liable for any purpose or for any amount.

Section 4. CERTIFICATES FOR SHARES. A certificate or certificates for shares of the capital stock of the Corporation shall be issued to each Shareholder when any of these shares are fully paid. The Board of Directors may authorize the issuance of certificates or shares as partly paid, provided that these certificates shall state the amount of the consideration to be paid for them and the amount paid. All certificates shall be signed in the name of the Corporation by the Chairman of the Board or the President or Vice President and by the Chief Financial Officer or an Assistant Treasurer or the Secretary or any Assistant Secretary, certifying the number of shares and the class or series of shares owned by the Shareholder. Any or all of the signatures on the certificate may be facsimile. In case any Officer, transfer agent, or registrar who has signed or whose facsimile signature has been placed on a certificate shall have ceased to be that Officer, transfer agent, or registrar before that certificate is issued, it may be issued by the Corporation with the same effect as if that person were an Officer, transfer agent, or registrar at the date of issue.

Section 5. LOST CERTIFICATES. Except as provided in this Section 5, no new certificates for shares shall be issued to replace an old certificate unless the latter is surrendered to the Corporation and cancelled at the same time. The Board of Directors may, in case any share certificate or certificate for any security is lost, stolen, or destroyed, authorize the issuance of a replacement certificate on such terms and conditions as the Board may require, including provision for indemnification of the Corporation secured by a bond or other adequate security sufficient to protect the Corporation against any claim that may be made against it, including any expense or liability, on account of the alleged loss, theft, or destruction of the certificate or the issuance of the replacement certificate.

Section 6. CONSTRUCTION AND DEFINITIONS. Unless the context requires otherwise, the general provisions, rules of construction, and definitions in the California Corporations Code shall govern the construction of these Bylaws. Without limiting the generality of this provision, the singular number includes the plural, the plural number includes the singular, and the term "person" includes both a corporate and natural person.

ARTICLE IX

AMENDMENTS

Section 1. AMENDMENT BY SHAREHOLDERS. New Bylaws may be adopted or these Bylaws may be amended or repealed by the vote or written consent of holders of a majority of the outstanding shares entitled to vote; provided, however, that if the Articles of InCorporation of the Corporation set forth the number of authorized Directors of the Corporation, the authorized number of Directors may be changed only by an amendment of the Articles of InCorporation.

Section 2. AMENDMENT BY DIRECTORS. Subject to the rights of the Shareholders as provided in Section 1 of this Article IX, other than a Bylaw or an amendment of a Bylaw changing the authorized number of Directors, these Bylaws may be adopted, amended, or repealed by the Board of Directors.

Section 3. RECORD OF AMENDMENTS. Whenever an amendment or new Bylaw is adopted, it shall be copied in the book of minutes with the original Bylaws. If any Bylaw is repealed, the fact of repeal, with the date of the meeting at which the repeal was enacted or written consent was filed, shall be stated in said book.

ARTICLE X

INTERPRETATION

Reference in these Bylaws to any provision of the California Corporations Code shall be deemed to include all amendments thereof.

Title 11, California Code of Regulations, § 999.5(d)(9)

Exhibit 2

ORANGE COUNTY GLOBAL MEDICAL CENTER POLICY AND PROCEDURE			
Title:	**CHARITY CARE/DISCOUNT CARE POLICY**		
Manual:	**BUSINESS OFFICE PROCEDURE MANUAL**	**Policy No.:**	02.06.02
Original Date: 3/08/2005	**Revised Date:** 2/01/2015	**Reviewed Date:** 4/01/2015	

PURPOSE:

The purpose of this Policy is to define the criteria which will be used by KPC Healthcare Inc.'s hospitals – Anaheim Global Medical Center, Chapman Global Medical Center, Orange County Global Medical Center, and South Coast Global medical Center - hereinafter each referred to a "Facility", to comply with the requirements of the California Hospital Fair Pricing Policies Act..

SCOPE:

All KPC facilities' Admitting and Patient Accounting Platforms (Central Business Office)

DEFINITIONS:

Charity Care: Charity care is defined as medically necessary inpatient or outpatient hospital services provided at no cost to a patient who (1) is an Uninsured Patient or a Patient with High Medical Costs, (2) has an income equal to or less that 199% of the current applicable federal poverty guideline (FPG) and (3) has established qualification in accordance with requirements contained in this policy.

Discount Payment: A discount payment is defined as partial financial assistance that results from any medically necessary inpatient or outpatient hospital service provided to a patient who: (1) desires assistance with paying their hospital bill , (2) is Uninsured or is a Patient with High Medical Costs, (3) has an income from 200% to 350% of the applicable FPG; and (4) who has established qualification in accordance with requirements contained in this policy.

Federal Poverty Guidelines ("FPG"): The Federal Poverty Guidelines are guidelines issued and updated periodically by the United States Department of Health and Human Services that establish the gross income eligibility criteria (based on family size) for Charity Care and Discount Payment status as described in this Policy.

Good Faith Estimate: An amount quoted by Facility Registration staff that represents a reasonable approximation of the actual price to be paid for services received by the patient at the Facility. If a Good Faith Estimate is reasonably required, Registration staff

will make their best efforts to develop and quote a Good Faith Estimate, however, registration staff may not be able to fully predict the actual medical services that will subsequently be ordered by the patient's attending, treating or consulting physician(s).

Medically Necessary Services: Financial assistance under this policy shall only apply to medically necessary services which are services or supplies determined to be proper and needed for the diagnosis, direct care or treatment of the medical condition and meet the standards of good medical practice in the medical community. Financial assistance is excluded under this policy for services that are not medically necessary including, but not limited to, unique services where medically efficacious alternative therapies are available. Examples of excluded services include, but are not limited to, the following: cosmetic and/or plastic surgery services, infertility services, or other services that are primarily for patient comfort and/or patient convenience.

Patient with High Medical Costs: A patient is considered to have high medical costs if he or she has (1) a family income equal to or less than 350% of the applicable FPG and (2) annual out of pocket medical expenses aid and/or incurred by the patient or the patient's family in the past 12 months that exceed 10% of the patient's family income, provided the patient provides documentation of the patient's expenses paid by the patient or the patient's family in the prior 12 months

Patient's Family: A Patient's family means the following:

1. For persons 18 years of age and older: spouse, domestic partner, as defined in Section of the California Family Code, and dependent children under 21 years of age, whether living at home or not.

    a. Domestic Partner: A domestic partnership shall be established in California when both persons file a Declaration of Domestic Partnership with the Secretary of State pursuant to this division, and, at the time of filing, all of the following requirements are met:
        (1) Both persons have a common residence.
        (2) Neither person is married to someone else or is a member of another domestic partnership with someone else that has not been terminated, dissolved, or adjudged a nullity.
        (3) The two persons are not related by blood in a way that would prevent them from being married to each other in this state.
        (4) Both persons are at least 18 years of age.
        (5) Either of the following:
            (A) Both persons re members of the same sex.
            (B) One or both of the persons meet the eligibility criteria under Title II of the Social Security Act as defined in 42 U.S.C. Section 402(a) for old-

age insurance benefits or Title XVI of the Social Security Act as defined in 42 U.S.C. Section 1381 for aged individuals. Notwithstanding any other provision of this section, persons of opposite sexes may not constitute a domestic partnership unless one or both of the persons are over the age of 62.

(6) Both persons are capable of consenting t the domestic partnership.

2. For persons under 18 years of age: parent, caretaker relatives and other children under 31 years of age of the parent or caretaker relative.

Policy: A reference to "this policy" shall refer to this Charity Care/Discount Payment Policy.

Qualified Payment Plan: A payment plan established for a patient who has qualified for a Discount Payment through this Policy is classified as a Qualified Payment Plan. A Qualified Payment Plan shall have no interest charges applied to any or all balances due from the patient/guarantor. In the event that the Facility and the patient/guarantor cannot reach agreement on terms for a Qualified Payment Plan, the Facility shall use the formula described in Health & Safety Code Section 127400(i) to establish terms for a "reasonable payment plan," as defined in the statute.

Uninsured Patient: An Uninsured Patient is a patient who does not have third-party coverage from a health insurer, health care service plan, Medicare or Medicaid, and whose injury is not a compensable injury for purposes of workers' compensation, automobile insurance or other insurance as determined and documented by the Facility.

POLICY:

I. Charity Care/Discount Payment Qualification Requirements. Depending upon Individual patient qualification, financial assistance in the form of Charity Care or a Discount Payment may be granted to the patient. If a person requests charity care or a discount payment and fails to provide information that is reasonable and necessary for the Facility to make a determination, the Facility may consider that failure in making its determination. Financial assistance may be denied when the patient/responsible person does not meet the qualification requirements under this Policy.

II. Patient Cooperation: This Policy relies upon the cooperation of individual patients who may be eligible for full or partial assistance. To facilitate receipt of accurate and timely patient financial information, the Facility utilizes a Financial assistance Application. All patients unable to demonstrate financial coverage by

third party insurers will be offered an opportunity to complete the Financial Assistance Application.

Patients are required to provide accurate and truthful eligibility documentation reasonably necessary to make a determination of the patient's qualification for financial assistance coverage through any government coverage program or this Policy. Patient should expect and are required to pay any or all amounts due at the time of service. Said amounts due may include, but are not limited to, copayments and deductibles.

III. Process and Procedure.

A. Eligibility. A patient is eligible for financial assistance under this Policy if (1) the patient's family income is equal to or less than 350% of the applicable FPG and (2) the patient is either an Uninsured Patient or a Patient with High Medical Costs.

Eligibility alone is not an entitlement to financial assistance qualification under this Policy. The patient must complete the Financial Assistance Application and provide all required documentation and the Facility must complete a process of applicant evaluation and determine qualification before charity care or a discount payment may be extended to the patient.

B. Other Insurance Options. Uninsured patients will also be (1) offered information, assistance and referral to government-sponsored programs for which they may be eligible and (2) provided information regarding insurance coverage through Covered California. Uninsured patients will also be provided with contact information for local consumer legal assistance center which may assist the uninsured patient with obtaining health benefits coverage.

C. Completion of a Financial Assistance Application.

1. The Financial Assistance Application should be completed as soon as there is an indication the patient may be in need of financial assistance. The application form may be completed prior to service, during a patient stay, or after services are completed and the patient has been discharged.

2. The Financial Assistance Application provides:

a. Information necessary for the Facility to determine if the patient has income sufficient to pay for services.
b. Documentation useful in determining qualification for financial assistance; and
c. An audit trail documenting the Facility's commitment to providing financial assistance.

3. In certain circumstances, a completed Financial Assistance Application may not be required if the Facility, in its sole discretion, determines it has sufficient patient financial information from which to make a financial assistance qualification decision.
4. If a patient applies or has a pending application for another health coverage program at the same time he or she applies for financial assistance under this Policy, neither application shall prevent the patient for establishing eligibility under the other program.

D. Determination Based On Ability to Pay. Qualification for charity care or a discount payment shall be determined solely based on the patient's and/or patient family representative's ability to pay. Qualification for financial assistance shall not be based in any way on age, gender, sexual orientation, gender identity, ethnicity, national origin, veteran status, disability or religion. While financial assistance shall not be provided on a discriminatory or arbitrary basis, the Facility retains full discretion, consistent with laws and regulations, to establish eligibility criteria and determine when a patient has provided sufficient evidence of qualification for financial assistance.

E. Asset/Income Qualification.

1. For Discount Payments: Family size and documentation of family income in the form of federal income tax returns and recent pay stubs.

2. For Charity Care:

a. Family size and documentation of income and assets including information on all monetary assets including, without limitation, federal income tax returns, recent pay stubs, and/or other relevant information, but including statements on retirement or deferrre3d compensation plans qualified under the Internal Revenue Code, or nonqualified deferred compensation plans. The Facility may require waivers or

releases from the patient or patient's family, authorizing the Facility to obtain account information from financial commercial institutions, or other entities that hold or maintain the monetary assets, to verify their value.

b. A patient's family assets may be evaluated to determine if sufficient patient household resources exist to satisfy the Facility's bill for services rendered. Evaluation of patient assets will consider both the asset value and amounts owed against the asset to determine if potential net worth is available to satisfy the patient payment obligation. Recognizing the need to protect basic household assets, each patient family unit evaluat3d will be allowed the following asset exemptions:

   i. Primary residence;
   ii. One vehicle per patient or two vehicles per family unit;
   iii. The first $10,000 of monetary assets, and 50% of monetary assets after the first $10,00; and
   iv. Retirement or deferred compensation plans qualified under the Internal Revenue Code, or nonqualified deferred compensation plans.

Patients who have assets beyond those specifically exempted will be expected to leverage the assets through independent financing in order to satisfy the patient account.

F. Catastrophic Medical Event. Any patient who experiences a catastrophic medical event may be deemed eligible for financial assistance as determined in the Facility's sole discretion. The determination of a catastrophic medical event shall be based upon the amount of the patient's family income and assets as reported at the time of occurrence. As a general guideline, any account with a patient liability for services rendered that exceeds $100,00 may be considered for eligibility as a catastrophic medical event.

G. Pricing Guidelines. If a patient qualifies for a Discount Payment, the Facility shall limit the expected payment for medically necessary services rendered to the amount the Facility would expect, in good faith, to receive for providing the services from Medicare, Medi-Cal or any other government –sponsored health program of health benefits in which the Facility participates, whichever is greater. If the Facility provides a service for which there is not established payment by a government-sponsored program, the Facility shall establish an appropriate discount payment. Generally, the following rates shall apply:

California Fair Pricing Rates-Reference Sheet

Services	Rates
Emergency Room	Medicare guidelines
Outpatient Ancillary services	Medicare guidelines
Outpatient surgery/invasive services	*Greater of: Medicare guidelines or CalOptima Direct Adult Expansion guidelines; and the cost for implants (if applicable) is equal to or greater than $3K cost*
Inpatient Services:	
OB Delivery	*Greater of: Medicare guidelines or CalOptima Direct Adult Expansion guidelines; and the cost for implants (if applicable) is equal to or greater than $3K cost*
Outpatient OB observation	*Greater of: Medicare guidelines or CalOptima Direct Adult Expansion guidelines; and the cost for implants (if applicable) is equal to or greater than $3K cost*
NICU	*Greater of: Medicare guidelines or CalOptima Direct Adult Expansion guidelines; and the cost for implants (if applicable) is equal to or greater than $3K cost*
Trauma	*Greater of: Medicare guidelines or CalOptima Direct Adult Expansion guidelines; and the cost for implants (if applicable) is equal to or greater than $3K cost*
Burn	*Greater of: Medicare guidelines or CalOptima Direct guidelines; and the cost for implants (if applicable) is equal to or greater than $3K cost*

H. Qualified Payment Plans.

1. When the Facility has determined a patient is qualified for a discount payment, the patient shall have the option to pay any or all outstanding amounts due in one lump sum payment or through a scheduled term Qualified Payment Plan. The Facility will discuss payment plan options with each patient that requests to make arrangements for term payments. Individual payment plans will be arranged based upon the patient's ability to effectively meet the payment terms. As a general guideline, payment plans will be structured to last no longer than 36 months.

2. Reasonable Payment Plan. KPC Healthcare shall negotiate in good faith with the patient; however the Facility is not obligated to accept the payment terms offered by the patient. In the event that the Facility and an individual patient or guarantor cannot reach an agreement to establish a Qualified Payment Plan, he Facility will use the "reasonable payment plan" formula as defined in Health & Safety Code Section 127400(i) as the basis for a payment plan. A "reasonable payment plan" means monthly payments that are not more than 10% of patient's family income for a

month, excluding deductions for essential living expenses as such expenses are defined in the statute.

In order to apply the "reasonable payment plan" formula, the Facility shall collect patient family information on income and "essential living expenses" in accordance with the statute. The Facility shall use a standardized form to collect such information. Each patient or guarantor seeking to establish a payment plan by applying the "reasonable payment plan" formula shall submit the family income and expense information as requested, unless the information request is waived by the Facility.

3. No Interest. No interest will be charged to Qualified Payment Plan accounts for the duration of any plan arranged under the provisions of the Policy.

4. Payment Default. Once a Qualified Payment Plan has been approved by the Facility, any failure to pay all consecutive payments due may constitute a payment plan default. It is the patient or guarantor's responsibility to contact the Facility's Central Business Office if circumstances change and payment plan terms cannot be met. However, in the event of payment plan default, the Facility will make a reasonable attempt to contact the patient or their family representative by telephone and also give notice of the default in writing. The patient shall have an opportunity to renegotiate the extended Qualified Payment Plan and may do so by contacting the Central Business Office within twenty-one (21) days from the date of the written notice of extended payment plan default. If the patient fails to request renegotiation of the Qualified Payment Plan within twenty-one (21) days, the payment plan will be deemed inoperative and the account may become subject to collection actions as permitted by law.

IV. Emergency Physician. An emergency physician, as defined in Health and Safety Code Section 127450, who provides emergency medical services in a hospital that provides emergency care, is also required by law to provide discounts to Uninsured Patients or Patients with High Medical Costs who are at or below 350% of the applicable FPG. This statement shall not be construed to impose any additional responsibilities upon the Facility.

V. Public Notice. The Facility shall post notices informing the public of this Policy.

Such notices shall be posted in high volume inpatient, and outpatient service areas, including but not limited to, the emergency department, billing office, inpatient admission and outpatient registration areas or other common patient waiting areas in the Facility. Notices shall also be posted at any location where a patient may pay his or her bill. Notices will include contact information on how a patient may obtain more information on financial assistance as well as where apply for such assistance.

PUBLIC COMMUNICATIONS

#31

Title 11, California Code of Regulations, § 999.5(d)(10)

A description of the Applicants' efforts to inform local governmental entities, professional staff, and employees of the health facilities, and the general public of the proposed transaction

The Applicants' Bankruptcy Cases as well as the Transaction and the sale of the Hospitals has been very public. All filings in the Bankruptcy Cases are publicly available through the Court and also through the Applicants' notice portal at www.kccllc.net/verityhealth. By way of example, **Exhibit 1** includes a summary of the categories of parties served with notice of the commencement of the Bankruptcy Cases, notice of the bidding procedures motion and sale, and notice of the claims bar date, as well as copies of the notices that were sent to these recipients. In addition to numerous creditors and interested parties who received these notices, governmental agencies like the Attorney General's Office, the Department of Health Care Services, the Securities and Exchange Commission, the United States Department of Health and Human Services, the Counties of San Mateo and Santa Clara, Daly City, the Los Angeles Tax Collector, the LA County Treasurer and Tax Collector are among the parties receiving these types of notices from the Bankruptcy Cases.

In addition, VHS representatives were in regular communications with representatives from the California Attorney General's office regarding the systems' financial challenges, the bankruptcy and the pending sales, including meetings with the Attorney General's Office in June 2018 and February 2019 and more frequent email, telephonic, and in-person communications.

Attached to this Section 999.5(d)(10) as **Exhibit 2** are various press releases issued by the Applicants and letters sent out by VHS to its employees.

PURPOSE OF CHAPTER 11 FILING: Chapter 11 of the Bankruptcy Code enables a debtor to reorganize or liquidate pursuant to a plan of reorganization. A plan is not effective unless approved by the Court at a confirmation hearing. Creditors will be given notice concerning any plan and will be given notice if this case is dismissed or converted to another chapter of the Bankruptcy Code. The Debtors will remain in possession of their property and will continue to operate their business unless a trustee is appointed. No motion to appoint a trustee has been filed at this time. Creditors may be sent a copy of the plan and a disclosure statement describing the plan. Creditors may have the opportunity to vote on the plan. Creditors will be sent notice of the date of the confirmation hearing and may object to confirmation of the plan and attend the confirmation hearing.

CREDITORS MAY NOT TAKE CERTAIN ACTIONS: A creditor is anyone to whom the Debtors owe money or property. Under the Bankruptcy Code, the Debtors are granted certain protection against creditors. Common examples of prohibited actions by creditors include contacting the Debtors to demand repayment, taking action against the Debtors to collect money owed to creditors or to take property of the Debtors and starting or continuing foreclosure actions, repossessions or wage deductions. If unauthorized actions are taken against the Debtors, the Court may penalize the creditor who takes them. A creditor who is considering taking action against the Debtors or property of the Debtors should review section 362 of the Bankruptcy Code and may wish to seek legal advice.

MEETING OF CREDITORS: The Debtors' representative, as specified in Federal Rule of Bankruptcy Procedure 9001(5), is required to appear at a meeting of creditors on the date and at the place set forth below for the purpose of being examined under oath. Attendance by creditors at the meeting is welcomed, but not required. At the meeting, creditors may examine the Debtors' representative. The meeting may be continued or adjourned from time to time by notice at the meeting, without further written notice to creditors.

DATE, TIME AND LOCATION OF MEETING OF CREDITORS

Date: October 12, 2018	Location: St. Vincent Hospital Seton Auditorium 2131 West Third Street
Time: 9:30 a.m.	Los Angeles, CA 90057

PROOF OF CLAIM: Schedules of creditors will be filed pursuant to Federal Rule of Bankruptcy Procedure 1007, and the Debtors will seek an order of the Court establishing procedures for the filing of proofs of claim. A proof of claim is a signed statement describing a creditor's claim. Any creditor holding a scheduled claim that is not listed as disputed, contingent or unliquidated as to amount may, but is not required to, file a proof of claim in these cases. Creditors whose claims are not scheduled or whose claims are listed as disputed, contingent or unliquidated as to amount and who desire to participate in these cases or share in any distribution must file their proofs of claim. A creditor who desires to rely on the schedules of creditors has the responsibility for determining that the claim is listed accurately.

A proof of claim may be filed at any time prior to the deadline established by the Court. No deadline has yet been established in these cases. When a deadline is established, all known creditors will received notice of the deadline, along with a proof of claim form indicating how their claim is scheduled and instructions for completing and filing a proof of claim. Proof of claim forms are also available in the office of the clerk of the court of any bankruptcy court. Kurtzman Carson Consultants LLC is the claims agent in these cases. The place to request a proof of claim form from the Claims Agent is 2335 Alaska Avenue, El Segundo, California 90245. You will be notified by separate notice when and where to file a proof of claim.

PLEASE DO NOT FILE OR MAIL ANY PROOFS OF CLAIM OR OTHER DOCUMENTATION, INCLUDING CORRESPONDENCE CONCERNING A CLAIM, WITH OR TO ANYONE, INCLUDING THE BANKRUPTCY COURT, THE UNITED STATES TRUSTEE AND/OR THE UNDERSIGNED COUNSEL, UNTIL YOU ARE INSTRUCTED WHEN AND WHERE TO FILE A PROOF OF CLAIM

DISCHARGE OF DEBTS: Confirmation of a chapter 11 plan may result in a discharge of debts, which may include all or part of your claim. See section 1141(d) of the Bankruptcy Code. A discharge means that you may never try to collect your claim from any of the Debtors, except as provided in the plan.

NOTICE: You will not receive notice of all documents filed in these cases. All documents filed with the Court, including schedules of the Debtors' property and debts, will be available for inspection at the office of the clerk of the court. Since this case is governed by the Local Bankruptcy Rules regarding electronic means of filing, signing and verifying documents, the Court's docket sheet and documents filed electronically are also accessible at the Court's Internet site, www.nysb.uscourts.gov, through an account obtained from Pacer Service Center by dialing (800) 676-6856 (from the US) or (210) 301-6440 (from outside the US).

PLEASE TAKE NOTICE that, on October 1, 2018, the above-captioned debtors and debtors in possession (the "Debtors"), filed the *Debtors' Notice of Motion and Motion for the Entry of (I) an Order (1) Approving Form of Asset Purchase Agreement for Stalking Horse Bidder and for Prospective Overbidders to Use, (2) Approving Auction Sale Format, Bidding Procedures and Stalking Horse Bid Protections, (3) Approving Form of Notice to be Provided to Interested Parties, (4) Scheduling a Hearing to Consider Approval of the Sale to the Highest Bidder, (5) Approving Procedures Related to the Assumption of Certain Executory Contracts and Unexpired Leases; and (II) an Order (A) Authorizing the Sale of Property Free and Clear of All Claims, Liens and Encumbrances* (the "Motion").[1] The Debtors seek, among other things, to sell all assets of O'Connor Hospital and Saint Louise Regional Hospital (excluding cash, A/R and causes of action) (the "Purchased Assets") to the successful bidder(s) (the "Successful Bidder"), at an auction, free and clear of all liens, claims, encumbrances and other interests, pursuant to §§ 363 and 365 of the Bankruptcy Code.

PLEASE TAKE FURTHER NOTICE that, on October 31, 2018, the Bankruptcy Court entered an order (the "Bidding Procedures Order") approving the Motion and the bidding procedures (the "Bidding Procedures"), which set the key dates and times related to the Sale of the Offered Assets. All interested bidders should carefully read the Bidding Procedures Order and the Bidding Procedures, which are being served on you with this Notice. To the extent that there are any inconsistencies between the Bidding Procedures Order (including the Bidding Procedures) and the summary description of its terms and conditions contained in this Notice, the terms of the Bidding Procedures Order shall control.

PLEASE TAKE FURTHER NOTICE that, pursuant to the terms of the Bidding Procedures, a partial bid auction (the "Partial Bid Auction") to sell the Offered Assets will be conducted on **December 10, 2018, at 10:00 a.m. (prevailing Pacific Time)** at the offices of Dentons US LLP, 601 South Figueroa Street, Suite 2500, Los Angeles, California 90017, or at such other location as shall be identified in a notice filed with the Bankruptcy Court at least 24 hours before the Partial Bid Auction. Within forty-eight (48) hours of the conclusion of the Partial Bid Auction, the Debtors shall file a notice with the Bankruptcy Court identifying the Successful Bidder(s), if any.

PLEASE TAKE FURTHER NOTICE that, pursuant to the terms of the Bidding Procedures, a full bid auction (the "Full Bid Auction") to sell the Offered Assets will be conducted on **December 11, 2018, at 10:00 a.m. (prevailing Pacific Time)** at the offices of Dentons US LLP, 601 South Figueroa Street, Suite 2500, Los Angeles, California 90017, or at such other location as shall be identified in a notice filed with the Bankruptcy Court at least 24 hours before the Full Bid Auction. Within forty-eight (48) hours of the conclusion of the Full Bid Auction, the Debtors shall file a notice with the Bankruptcy Court identifying the Successful Bidder.

PLEASE TAKE FURTHER NOTICE that a hearing will be held to approve the sale of the Offered Assets to the Successful Bidder (the "Sale Hearing") before the Honorable Ernest Robles, United States Bankruptcy Judge, United States Bankruptcy Court for the Central District of California, 255 E. This matter came before the Court on the *Motion For The Entry Of (I) An Order (1) Approving Form Of Asset Purchase Agreement For Stalking Horse Bidder And For Prospective Overbidders To Use, (2) Approving Auction Sale Format, Bidding Procedures And Stalking Horse Bid Protections, (3) Approving Form Of Notice To Be Provided To Interested Parties, (4) Scheduling A Court Hearing To Consider Approval Of The Sale To The Highest Bidder And (5) Approving Procedures Related To The Assumption Of Certain Executory Contracts And Unexpired Leases; And (II) An Order (A) Authorizing The Sale Of Property Free And Clear Of All Claims, Liens And Encumbrances* (the "Motion") [Docket No. 365], filed by Verity Health System of California, Inc. ("VHS"), and the above-referenced affiliated debtors and debtors in possession in the above-captioned chapter 11 bankruptcy cases (the "Debtors"), for the entry of an order, pursuant to §§ 105(a), 363, and 365 of title 11 of the United States Code (the "Bankruptcy Code"), Rules 2002, 6004, 6006, 9007, and 9014, and LBR 6004-1.[1]

At the previous hearing on the Motion on October 31, 2018 (the "Bidding Procedures Hearing"), the Court considered various objections (the "Premature Objections") filed by: (i) the Federal Communications Commission ("FCC") [Docket No. 437]; (ii) the United States Department of Health and Human Services ("HHS") [Docket No. 447, 562, and 613]; (iii) the California Attorney General ("CAG") [Docket No. 463, 599, 605, 608, and 619]; (iv) entities who are parties to or benefit from various collective bargaining agreements with the Debtors [Docket No. 450, 458, 460, 465, and 597]; (v) the Pension Benefit Guaranty Corporation ("PBGC") [Docket No. 439]; (vi) the Retirement Plan for Hospital Employees [Docket No. 460]; (vii) OCH Forest 1 [Docket Nos. 452 and 561]; (viii) Premier and Infor [Doc. Nos. 444, 561, and 592]; and (ix) the MOB Financing Entities [Docket No. 500]. The Debtors filed an omnibus reply to the majority of the objections [Docket No. 561], and separate replies to the HHS [Docket No. 562], and the CAG [Docket No. 560] objections. The Court ruled that the Premature Objections were premature and preserved for the Sale Hearing, as set forth in order granting the Motion (the

"Bidding Procedures Order") [Docket No. 724]. Any additional objections that were filed and overruled at the Bidding Procedures Hearing are not listed herein.

The Court, having reviewed the Memorandum [Docket No. 1041] and the notice of errata related thereto [Docket No. 1050], the Declarations of Richard Adcock [Docket Nos. 8 and 393], James Moloney [Docket Nos. 394 and 1041] and Jeffrey Smith [Docket No. 1044] in support of the Motion, the *Notice to Counterparties to Executory Contracts and Unexpired Leases of the Debtors That May Be Assumed and Assigned* [Docket No. 810], the *Supplement to Notice to Counterparties to Executory Contracts and Unexpired Leases of the Debtors That May be Assumed and Assigned* [Docket No. 998], the *Notice That No Auction Shall Be Held* [Docket No. 1005], the response by the CAG [Docket No. 1066], the *Amended Notice of Contracts Designated by Santa Clara County for Assumption and Assignment* [Docket No. 1110], the objections filed by various counter-parties to certain contracts and leases [Docket Nos. 882, 889, 904-05, 913-14, 919, 920-21, 923, 928-29, 931, 933, 946, 970, 986, 1016, 1018, 1043, 1046, 1057-59, 1062, 1068-69, 1070-71,1080, 1085, 1088-89, 1091-96, 1120-21], as set forth on **Exhibit "A"** attached to the *Notice Of Filing Listing Objections To Proposed Cure Amounts And Assumption And Assignment Of Certain Unexpired Executory Contracts And Unexpired Leases* (the "Cure Objections") [Docket No. 1145], the California Department of Health Care Services ("DHCS") [Docket No. 906], and the California Nurses Association and Stationary Engineers Local 39 [Docket Nos. 1057-1062, 1067-1071], the Premature Objections and any withdrawals thereof [Docket Nos. 1090 and 1100], the statements, arguments and representations of the parties made at the Sale Hearing; and the entire record of these cases; and the Court, having determined that the relief sought in the Motion is in the best interests of the Debtors, their estates, their creditors and their shareholders, and that the legal and factual bases set forth in the Motion and presented at the Sale Hearing establish just cause for the relief granted herein and for the reasons set forth in the *Memorandum of Decision Overruling Objections of the California Attorney General to the Debtor's Sale Motion* [Docket No. 1146]; ~~Court's tentative ruling [Docket No. ___], the *Order Providing Notice Of The Court's Intent To Authorize The Debtors To Sell Hospitals Free And*~~

~~*Clear Of The 2015 Conditions Asserted By The California Attorney General* [Docket No. 1125], and the responses thereto [Docket Nos. 1136-37, 1139-41];~~ and all objections to the Motion, if any, having been withdrawn or overruled; and after due deliberation and sufficient good cause appearing therefor,

THE COURT HEREBY FINDS AND CONCLUDES THAT:[2]

A. Jurisdiction and Venue. This Court has jurisdiction to hear and determine the Motion pursuant to 28 U.S.C. §§ 157 and 1334. This matter relates to the administration of the Debtors' bankruptcy estates and is accordingly a core proceeding pursuant to 28 U.S.C. § 157(b)(2) (A), (M), (N) and (O). Venue of these cases is proper in this District and in this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

B. Statutory Predicates. The statutory predicates for the relief requested in the Motion are (i) §§ 105(a), 363(b), (f), (k), (l) and (m), and 365, (ii) Rules 2002(a)(2), 2002(c)(1) and (d), 6004 (a), (b), (c), (e), (f) and (h), 6006(a), (c) and (d), 9006, 9007, 9013 and 9014, and (iii) LBR 6004-1 and 9013-1.

C. Notice. As evidenced by the affidavits of service previously filed with the Court, the Debtors have provided proper, timely, adequate and sufficient notice with respect to the following: (i) the Motion and the relief sought therein, including the entry of this Sale Order and the transfer and sale of the assets (the "Purchased Assets"), as set forth in the Asset Purchase Agreement, dated October 1, 2018, a copy of which is attached as Exhibit "A" to Docket No. 365 (the "APA"); (ii) the Sale Hearing; (iii) the *Notice That No Auction Shall Be Held*; and (iv) the assumption and assignment of the executory contracts and unexpired leases and proposed cure amounts owing under such executory contracts and unexpired leases (the "Cure Amounts"); and no further notice of the Motion, the relief requested therein or the Sale Hearing is required. The Debtors have also complied with all obligations to provide notice of the Auction, the Sale

[2] The findings and conclusions set forth herein constitute the Court's findings of fact and conclusions of law pursuant to Rule 7052, made applicable to this proceeding pursuant to Rule 9014. To the extent that any of the following findings of fact constitute conclusions of law, they are adopted as such. To the extent that any of the following conclusions of law constitute findings of fact, they are adopted as such.

Hearing, the proposed sale and otherwise, as required by the Bidding Procedures Order. A reasonable opportunity to object and to be heard regarding the relief provided herein has been afforded to parties-in-interest.

D. Arm's Length Transaction. The APA and other documents and instruments (the "Transaction Documents") related to and connected with this transaction (the "Transaction") and the consummation thereof were negotiated and entered into by the Debtors and the County of Santa Clara, a political subdivision of the State of California ("SCC"), as Purchaser under the APA without collusion, in good faith and through an arm's length bargaining process. Neither SCC nor any of its affiliates or representatives is an "insider" of the Debtors, as that term is defined in § 101(31). None of the Debtors, SCC, or their respective representatives engaged in any conduct that would cause or permit the APA, any of the other Transaction Documents or the Transaction to be avoided under § 363(n), or have acted in any improper or collusive manner. The terms and conditions of the APA and the other Transaction Documents, including, without limitation, the consideration provided in respect thereof, are fair and reasonable, and are not avoidable and shall not be avoided, and no damages may be assessed against SCC or any other party, as set forth in § 363(n). The consideration provided by SCC is fair and adequate and constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code and any other applicable laws of the United States, including the State of California.

E. Good Faith Purchaser. SCC has proceeded in good faith and without collusion in all respects in connection with the sale process, in that: (i) SCC, in proposing and proceeding with the Transaction in accordance with the APA, recognized that the Debtors were free to deal with other interested parties; (ii) SCC agreed to provisions in the APA that would enable the Debtors to accept a higher and better offer; (iii) SCC complied with all of the provisions in the Bidding Procedures Order applicable to SCC; (iv) all payments to be made by SCC and other agreements entered into or to be entered into between SCC and the Debtors in connection with the Transaction have been disclosed; (v) the negotiation and execution of the APA and related Transaction Documents were conducted in good faith and constituted an arm's length transaction;

ONS US LLP
601 South Figueroa Street, Suite 2500
Los Angeles, California 90017-5704
(213) 623-9300

(vi) SCC did not induce or cause the chapter 11 filings by the Debtors; and (vii) the APA was not entered into, and the Transaction being consummated pursuant to and in accordance with the APA is not being consummated, for the purpose of hindering, delaying or defrauding creditors of the Debtors. SCC is therefore entitled to all of the benefits and protections provided to a good-faith purchaser under § 363(m). Accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the Transaction shall not affect the validity of the Transaction or SCC's status as a "good faith" purchaser.

F. Justification for Relief. Good and sufficient reasons for approval of the APA and the other Transaction Documents and the Transaction have been articulated to this Court in the Motion and at the Sale Hearing, and the relief requested in the Motion and set forth in this Sale Order is in the best interests of the Debtors, their estates, and their creditors. The Debtors have demonstrated through the Motion and other evidence submitted at the Sale Hearing both (i) good, sufficient and sound business purpose and justification and (ii) compelling circumstances for the transfer and sale of the Purchased Assets as provided in the APA outside the ordinary course of business, and (iii) such transfer and sale is an appropriate exercise of the Debtors' business judgment and in the best interests of the Debtors, their estates, and their creditors.

G. Free and Clear. In accordance with §§ 363(b) and 363(f), the consummation of the Transaction pursuant to the Transaction Documents will be a legal, valid, and effective transfer and sale of the Purchased Assets and will vest in SCC, through the consummation of the Transaction, all of the Debtors' right, title, and interest in and to the Purchased Assets, free and clear of all liens, claims, interests, rights of setoff, netting and deductions, rights of first offer, first refusal and any other similar contractual property, legal or equitable rights, and any successor or successor-in-interest liability theories (collectively, the "Encumbrances"). The Debtors have demonstrated that one or more of the standards set forth in § 363(f)(1)-(5) have been satisfied. Those holders of Encumbrances who did not object, or who withdrew their objections, to the Sale or the Motion are deemed to have consented pursuant to § 363(f)(2). Those holders of Encumbrances who did object fall within one or more of the other subsections

ONS US LLP
601 South Figueroa Street, Suite 2500
Los Angeles, California 90017-5704
(213) 623-9300

of § 363(f). All holders of the Encumbrances in the Purchased Assets are adequately protected by having their respective Encumbrances attach to the Debtors' interests in the proceeds of the sale of the Purchased Assets under the APA (subject to any Challenge within the meaning of the Final DIP Order that has been, or may be, timely filed), and any related documents or instruments delivered in connection therewith, whenever and wherever received (the "Sale Proceeds") to the extent and manner herein provided.

H. Prompt Consummation. The Debtors have demonstrated good and sufficient cause to waive the stay requirement under Rules 6004(h) and 6006(d). Time is of the essence in consummating the Transaction, and it is in the best interests of the Debtors and their estates to consummate the Transaction within the timeline set forth in the Motion and the APA. The Court finds that there is no just reason for delay in the implementation of this Order, and expressly directs entry of judgment as set forth in this Order.

I. Assumption of Executory Contracts and Unexpired Leases. The Debtors have demonstrated that it is an exercise of their sound business judgment to assume and assign to SCC the Currently Identified Designated Contracts (as defined and identified in paragraph 15 below) and to the extent subsequently identified by SCC pursuant to paragraph 16 below, the Subsequently Identified Designated Contracts (as defined in paragraph 16 below) (the Currently Identified Designated Contracts and the Subsequently Identified Contracts are collectively referred to herein as the "Designated Contracts") in connection with the consummation of the Transaction, and the assumption and assignment of the Designated Contracts is in the best interests of the Debtors and their estates.

J. Cure/Adequate Assurance. In connection with the Closing, and pursuant to the APA, the Debtors (i.e., O'Connor Hospital ("OCH") and Saint Louise Regional Hospital ("SLRH")) will have cured, unless otherwise ordered, any and all defaults existing on or prior to the Closing under any of the Designated Contracts, within the meaning of § 365(b)(1)(A), by payment of the amounts and in the manner set forth below. SCC has provided or will provide adequate assurance of future performance of and under the Designated Contracts within the

ONS US LLP

(213) 623-9300

meaning of § 365(b)(1)(C) and § 365(f)(2)(B), and shall have no further obligation to provide assurance of performance to any counterparty to a Designated Contract. Pursuant to § 365(f), the Designated Contracts to be assumed by the Debtors and assigned to SCC under the APA shall be assigned and transferred to, and remain in full force and effect for the benefit of, SCC notwithstanding any provision in such Designated Contracts prohibiting their assignment or transfer. The Debtors have demonstrated that no other parties to any of the Designated Contracts has incurred any actual pecuniary loss resulting from a default on or prior to the Closing under any of the Designated Contracts within the meaning of § 365(b)(1)(B). Pursuant to § 365(f), the Designated Contracts to be assumed by the Debtors and assigned to SCC at the Closing shall be assigned and transferred to, and remain in full force and effect for the benefit of, SCC notwithstanding any provision in such contracts or other restrictions prohibiting their assignment or transfer.

K. Rejection of Executory Contracts and Unexpired Leases. The Debtors have demonstrated that it is a reasonable and appropriate exercise of their sound business judgment for OCH and SLRH to reject all of their executory contracts and unexpired leases, excluding (i) Designated Contracts, (ii) any prepetition multiparty contract affecting more than one Debtor in addition to OCH and/or SLRH, and (iii) any collective bargaining agreement, pension plan or health and welfare plan providing collectively bargained benefits to which OCH and/or SLRH is a party or sponsor, which matters shall be scheduled for determination as provided in paragraph 33 below. Each such executory contract rejection is subject only to the conditions set forth in paragraphs 18, 31, and 32. The Debtors shall file an appropriate motion to reject such contracts, covered by this paragraph K, prior to Closing and shall request therein that the rejection be effective as of the Closing or as otherwise appropriate.

L. Highest or Otherwise Best Offer. The Debtors solicited offers and noticed the Auction in accordance with the provisions of the Bidding Procedures Order. The Auction was duly noticed, the sale process was conducted in a non-collusive manner and the Debtors afforded a full, fair and reasonable opportunity for any person or entity to make a higher or otherwise

(213) 623-9300

better offer to purchase the Purchased Assets. No other Qualified Bid (as defined in the Bidding Procedures Order) was received by the Partial Bid Deadline or the Bid Deadline (as defined in the Bidding Procedures Order). Accordingly, on December 7, 2018, the Debtors filed the *Notice That No Auction Shall Be Held.* The transfer and sale of the Purchased Assets to SCC on the terms set forth in the APA constitutes the highest or otherwise best offer for the Purchased Assets and will provide a greater recovery for the Debtors' estates than would be provided by any other available alternative. The Debtors' determination, in consultation with the Official Committee of Unsecured Creditors (the "Committee") and the Prepetition Secured Creditors (as defined in the Final DIP Order defined below), that the APA constitutes the highest or best offer for the Purchased Assets constitutes a valid and sound exercise of the Debtors' business judgment.

M. No *De Facto* or *Sub Rosa* Plan of Reorganization. The sale of the Purchased Assets does not constitute a *de facto* or *sub rosa* plan of reorganization or liquidation because it does not propose to (i) impair or restructure existing debt of, or equity or membership interests in, the Debtors, (ii) impair or circumvent voting rights with respect to any plan proposed by the Debtors, (iii) circumvent chapter 11 safeguards, including those set forth in §§ 1125 and 1129, or (iv) classify claims or equity or membership interests.

N. Legal and Factual Bases. The legal and factual bases set forth in the Motion and at the Sale Hearing establish just cause for the relief granted herein.

NOW THEREFORE, IT IS HEREBY ORDERED THAT:

1. The relief requested in the Motion is GRANTED and APPROVED in all respects to the extent provided herein.

2. All objections with regard to the relief sought in the Motion that have not been withdrawn, waived, settled, or provided for herein or in the Bidding Procedures Order, including any reservation of rights included in such objections, are overruled on the merits with prejudice. To the extent of any inconsistency between this Sale Order and the Bidding Procedures Order, the terms of this Sale Order shall prevail.

3. Pursuant to §§ 105(a), 363(b), 363(f), and 365, the Transaction, including the transfer and sale of the Purchased Assets to SCC on the terms set forth in the APA, is approved in all respects, and the Debtors are authorized and directed to consummate the Transaction in accordance with the APA, including, without limitation, by executing all of the Transaction Documents (and any ancillary documents or instruments that may be reasonably necessary or desirable to implement the APA or the Transaction) and taking all actions necessary and appropriate to effectuate and consummate the Transaction (including the transfer and sale of the Purchased Assets) in consideration of the Purchase Price (as defined in Section 1.1 of the APA) upon the terms set forth in the APA, including, without limitation, assuming and assigning to SCC the Designated Contracts. The Debtors and SCC shall have the right to make any mutually agreeable, non-material changes to the APA, which shall be in writing signed by both parties, without further order of the Court provided, that after reasonable notice, the Committee, the DIP Agent (as defined in the Final DIP Order defined below), and the Prepetition Secured Creditors, do not object to such changes. Any timely objection by the aforementioned parties to any agreed non-material changes to the APA may be resolved by the Court on shortened notice.

4. As of the Closing, (i) the Transaction set forth in the APA shall effect a legal, valid, enforceable and effective transfer and sale of the Purchased Assets to SCC free and clear of all Encumbrances, as further set forth in the APA and this Sale Order; and (ii) the APA, and the other Transaction Documents, and the Transaction, shall be enforceable against and binding upon, and not subject to rejection or avoidance by, the Debtors, any successor thereto including a trustee or estate representative appointed in the Bankruptcy Cases, the Debtors' estates, all holders of any Claim(s) (as defined in the Bankruptcy Code) against the Debtors, whether known or unknown, any holders of Encumbrances on all or any portion of the Purchased Assets, all counterparties to the Designated Contracts and all other persons and entities.

5. Encumbrances in and to Purchased Assets shall attach (subject to any Challenge within the meaning of the Final DIP Order that has been, or may be, timely filed) to the Sale Proceeds of such Purchased Assets with each such Encumbrance having the same force, extent,

ONS US LLP
601 South Figueroa Street, Suite 2500

effect, validity and priority as such Encumbrance had on the Purchased Assets giving rise to the Sale Proceeds immediately prior to the Closing. For the avoidance of doubt, the foregoing force, extent, effect, validity and priority shall: (i) reflect the security interests, liens (including any Prepetition Replacement Liens arising for diminution of value, if any) and rights, powers and authorities that have been granted to the DIP Agent, the DIP Lender and to the Prepetition Secured Creditors, as applicable, pursuant to that certain *Final Order (I) Authorizing Postpetition Financing, (II) Authorizing Use of Cash Collateral, (III) Granting Liens and Providing Superpriority Administrative Expense Status, (IV) Granting Adequate Protection, (V) Modifying Automatic Stay, and (VI) Granting Related Relief* [Docket No. 409] (the "Final DIP Order"); and (ii) be subject to any Challenge within the meaning of the Final DIP Order that has been, or may be, timely filed. In addition, the Intercreditor Agreement (as defined in the Final DIP Order) shall apply with respect to the rights of the parties thereto in and to the Sale Proceeds and the Escrow Deposit Account, to the extent of and in accordance with its terms with all parties reserving all rights thereunder.

6. Subject to the fulfillment of the terms and conditions of the APA, this Sale Order shall, as of the Closing, be considered and constitute for all purposes a full and complete general assignment, conveyance, and transfer of the Purchased Assets and/or a bill of sale transferring all of the Debtors' rights, title and interest in and to the Purchased Assets to SCC. Consistent with, but not in limitation of the foregoing, each and every federal, state, and local governmental agency or department, except as stated herein, is hereby authorized and directed to accept all documents and instruments necessary and appropriate to consummate the transactions contemplated by the APA and approved in this Sale Order. A certified copy of this Order may be filed with the appropriate clerk and/or recorded with the appropriate recorder to cancel any Encumbrances of record.

7. Any person or entity that is currently, or on the Closing Date may be, in possession of some or all of the Purchased Assets is hereby directed to surrender possession of

(213) 623-9300

such Purchased Assets either to (a) the Debtors before the Closing or (b) to SCC or its designee upon the Closing.

8. The transfer of the Purchased Assets pursuant to the Transaction Documents shall be a legal, valid, and effective transfer and shall, in accordance with §§ 105(a) and 363(f), and upon consummation of the Transaction, including, without limitation, payment of the Purchase Price to the Debtors, vest SCC with all right, title, and interest in the Purchased Assets, free and clear of all Encumbrances. Upon closing of the Transaction, SCC shall take title to and possession of the Purchased Assets, subject only to the Assumed Obligations, as set forth in the APA. The transfer of the Purchased Assets from the Debtors to SCC constitutes a transfer for reasonable equivalent value and fair consideration under the Bankruptcy Code and the laws of the State of California.

9. Following the Closing, no holder of any Encumbrance against the Debtors or upon the Purchased Assets shall interfere with SCC's respective rights in, title to or use and enjoyment of the Purchased Assets. All persons and entities are hereby forever prohibited and enjoined from taking any action that would adversely affect or interfere with the ability of the Debtors to sell and transfer the Purchased Assets to SCC, including the assumption and assignment of the Designated Contracts.

10. SCC shall not be deemed, as a result of any action taken in connection with, or as a result of the Transaction (including the transfer and sale of the Purchased Assets), to: (i) be a successor, continuation or alter ego (or other such similarly situated party) to the Debtors or their estates by reason of any theory of law or equity, including, without limitation, any bulk sales law, doctrine or theory of successor liability, or any theory or basis of liability regardless of source of origin; or (ii) have, *de facto* or otherwise, merged with or into the Debtors; or (iii) be a mere continuation, *alter ego*, or substantial continuation of the Debtors. Other than the Assumed Liabilities, SCC is not assuming any of the Debtors' debts.

11. This Sale Order (i) shall be effective as a determination that, on Closing, all Encumbrances existing against the Purchased Assets before the Closing have been

unconditionally released, discharged and terminated, and that the transfers and conveyances described herein have been effected, and (ii) shall be binding upon and shall govern the acts of all persons and entities. If, following a reasonable written request made by the Debtors, any person or entity that has filed financing statements or other documents or agreements evidencing any Encumbrances against the Purchased Assets shall not have delivered to the Debtors for use at or in connection with Closing, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, releases of all Encumbrances which the person or entity has with respect to the Purchased Assets, then SCC and/or the Debtors are hereby authorized to execute and file such statements, instruments, releases and other documents on behalf of the person or entity with respect to such Purchased Assets. For the avoidance of doubt, such statements, instruments, releases and other documents shall not impair Encumbrances that attach (subject to any Challenge within the meaning of the Final DIP Order that has been, or may be, timely filed) to the Sale Proceeds or the terms of this Order, including, but not limited to paragraphs 5 and 13 hereof.

12. In accordance with the APA, concurrently with the Closing, SCC shall pay that portion of the Purchase Price due at Closing, by wire transfer of immediately available funds, to Debtors' Escrow Deposit Accounts (defined below), subject to the adjustments set forth in Section 1.1.1 of the APA. Any direct expenses of the Sale shall be disclosed by Debtors to the DIP Agent, the Prepetition Secured Creditors, and the Committee in advance of the Closing.

13. The terms and conditions of the Final DIP Order shall apply with respect to the Sale Proceeds and Escrow Deposit Accounts (defined herein). Without limiting the foregoing, the Debtors shall comply with paragraph 4 of the Final DIP Order in the following manner:

(a) the Debtors shall direct SCC and any post-closing escrow agent appointed pursuant to the terms of the APA to remit all Sale Proceeds to be received by the Debtors at Closing or thereafter in cash, to deposit such Sale Proceeds in separate accounts labeled "Santa Clara Sale Proceeds Account," in the name of each Debtor that is a Seller within the meaning of the APA (each such hereafter referred to as "Escrow Deposit Account");

(b) in giving direction to SCC pursuant to sub-paragraph (a), above, the Debtors shall exercise their reasonable business judgment, in good faith, and allocate the Sale Proceeds among the Escrow Deposit Accounts on the basis of the value of each Debtor's Purchased Assets as of the Closing (which allocation, for the avoidance of doubt, shall be subject to the reservations of rights in paragraph 4 of the Final DIP Order and footnote 5 of Exhibit 1 of the Bidding Procedures Order); provided further that nothing in this paragraph shall waive or limit any rights the Committee may have in connection with the confirmation of a proposed chapter 11 plan for any of the Debtors' cases (including the right to seek to reallocate estate values);

(c) without limitation of the rights of the DIP Agent and DIP Lender under the DIP Financing Agreements and the Final DIP Order, no funds held in any Escrow Deposit Account shall be (i) commingled with any other funds of the applicable Debtor or any of the other Debtors or (ii) used by the Debtors for any purpose, except as provided in this Order, the DIP Credit Agreements or Final DIP Order without further order of this Court, after reasonable notice under the circumstances to the DIP Agent, the Prepetition Secured Creditors and the Committee;

(d) each Escrow Deposit Account shall be subject to a deposit account control agreement in favor of the DIP Agent and DIP Lender, and subject to, without limitation of the rights of the DIP Agent and DIP Lender under the DIP Financing Agreements and the Final DIP Order with respect to the Sale Proceeds and Escrow Deposit Account, including, without limitation, following the occurrence of an Event of Default or the Revolving Loan Termination Date (as defined in the DIP Credit Agreement), the Debtors shall not be permitted to use the funds held in any Escrow Deposit Account for any purpose, except as provided in paragraph 14, 15, 16, and 17 of this Order, and to fund any Purchase Price adjustment in favor of the Purchaser, without first obtaining the consent of the DIP Agent, DIP Lender and the Prepetition Secured Creditors or obtaining an order of the Court pursuant to §§ 363 or 1129 after reasonable notice under the circumstances to the DIP Agent, the DIP Lender, the Prepetition Secured Creditors and the Committee and, if necessary, a hearing thereon.

14. Concurrently with the Closing or as soon thereafter as is possible, and in accordance with the APA, the Debtors (i.e., the Hospital Debtors defined in the APA) shall pay out of the Sale Proceeds to the counter-parties to the Designated Contracts the cure amounts set forth in the *Debtors' Notice to Counterparties to Executory Contracts and Unexpired Leases of the Debtors That May Be Assumed and Assigned* [Docket No. 810], the *Supplement to Notice to Counterparties to Executory Contracts and Unexpired Leases of the Debtors That May be Assumed and Assigned* [Docket No. 998], the *Amended Notice of Contracts Designated by Santa Clara County for Assumption and Assignment* [Docket No. 1110] (collectively, the "Cure Notices"), or as otherwise agreed to by the Debtors, SCC and the applicable counter-parties thereto or ordered by this Court after a continued hearing on the Cure Objections (the "Designated Cure Amounts").

15. To the extent that any of the contracts and/or leases, which give rise to the Designated Cure Amounts and are set forth in the *Amended Notice of Contracts Designated by Santa Clara County for Assumption and Assignment* [Docket No. 1110] (the "Currently Identified Designated Contracts") are executory contracts or unexpired leases (over which the Court is not making any such determination at this time), then in connection with the Closing, the Debtors shall be deemed to have assumed all such Currently Identified Designated Contracts (so that they are deemed part of the Designated Contracts) and to have assigned them to SCC, and SCC shall have assumed all obligations owing under all such Currently Identified Designated Contracts arising after and following the Closing. In the event that the Court ultimately determines that any such counter-parties to the Currently Identified Designated Contracts (the "Currently Identified Designated Contract Counter-Parties") have an allowed claim against the Debtors which exceeds the Designated Cure Amounts, the difference will be paid by the Debtors out of the Sale Proceeds and shall not be the responsibility of SCC. The Court shall resolve any and all disputes which may arise between the Debtors, SCC and any of the Currently Identified Designated Contract Counter-Parties over whether the Currently Identified Designated Contracts are executory contracts or unexpired leases and whether any of the Currently Identified Designated Contract

Counter-Parties are entitled to an allowed claim against the Debtors which exceeds the Designated Cure Amounts.

16. All of the Currently Identified Designated Contracts, to the extent they are executory contracts or unexpired leases, shall be part of the Designated Contracts that will be assumed by the Debtors and assigned to SCC at the Closing. In the event that SCC elects to add any other of the Debtors' executory contracts or unexpired leases to the list of Designated Contracts (the "Subsequently Identified Designated Contracts"), the Debtors shall (i) file a notice with the Court, by January 23, 2019, identifying all such Subsequently Identified Designated Contracts and their respective cure amounts, and (ii) serve such notice by over-night mail on all counter-parties to the Subsequently Identified Designated Contracts (the "Subsequently Identified Designated Contract Counter-Parties"). All Subsequently Identified Designated Contracts shall be assumed by the Debtors and assigned to SCC at the Closing, with the Debtors to be obligated to pay all cure amounts owing to such Subsequently Identified Designated Contract Counter-Parties concurrently with the Closing, as set forth in the Debtors' notice, or as otherwise agreed to by the Debtors, SCC and the applicable counter-parties thereto, or ordered by the Court in accordance with paragraph 36 below (the "Additional Cure Amounts").

17. Upon the Closing, the Debtors are authorized and directed to assume, assign and/or transfer each of the Designated Contracts to SCC, including the Currently Identified Designated Contracts and any Subsequently Identified Designated Contracts (all counterparties to the Currently Identified Designated Contracts and any Subsequently Identified Designated Contracts collectively, the "Contract Counter-Parties"). At the Closing, the Debtors shall pay out of the Sale Proceeds (i) ~~to~~ the Designated Cure Amounts identified in paragraph 14 above, and (ii) the Additional Cure Amounts. Payment by the Debtors of such Designated Cure Amounts and Additional Cure Amounts are deemed the necessary and sufficient amounts to "cure" all "defaults" with respect to all such Currently Identified Designated Contracts and Subsequently Identified Designated Contracts under § 365(b). The payment by the Debtors shall (i) effect a cure of all defaults existing under all such Currently Identified Designated Contracts, and (ii) compensate all such Contract Counter-Parties for any actual

pecuniary loss resulting from any such default. The Debtors shall then have assumed and assigned to SCC, effective as of the Closing, all of the Designated Contracts (comprised of both all Currently Identified Designated Contracts and all Subsequently Identified Designated Contracts, if any), and, pursuant to § 365(f), the assignment by the Debtors of all such Designated Contracts to SCC shall not be a default thereunder. After the payment of the Designated Cure Amounts and the Additional Cure Amounts by the Debtors, neither the Debtors nor SCC shall have any further liabilities to any Contract Counter-Parties, other than SCC's obligations under the Designated Contracts that accrue and become due and payable after the Closing Date. In addition, adequate assurance of future performance has been demonstrated by or on behalf of SCC with respect to all of the Designated Contracts within the meaning of §§ 365(b)(1)(c), 365(b)(3) (to the extent applicable) and 365(f)(2)(B). For the avoidance of doubt, the Debtors shall be liable for the payment of all cure costs with respect to the Designated Contracts as may be required under § 365(b)(1). SCC shall not be liable for the payment of any cure costs with respect to the Designated Contracts as may be required under § 365(b)(1) or for the payment of any liabilities or obligations arising from or related to (a) such Designated Contracts on or prior to the Closing of the Transaction, (b) any executory contracts which the Debtors intend to reject by appropriate motion at a later date and which are not being assumed and assigned to SCC as part of the Transaction, (c) any prepetition multiparty contract affecting more than one Debtor in addition to OCH and/or SLRH, or (d) any collective bargaining agreement, pension plan, or health and welfare plan providing collectively bargained benefits to which OCH and/or SLRH is a party or sponsor.

18. The Debtors intend to reject, pursuant to § 365(a), all executory contracts to which OCH and SLRH are a party, excluding (i) Designated Contracts, (ii) any prepetition multiparty contract affecting more than one Debtor in addition to OCH and/or SLRH, and (iii) any collective bargaining agreement, pension plan or health and welfare plan providing collectively bargained benefits to which OCH and/or SLRH is a party or sponsor. The Debtors shall file an appropriate motion to reject such contracts prior to Closing. Notwithstanding the prior statement, Closing is conditioned upon the rejection, termination and/or modification of all applicable CBAs

ONS US LLP

related to OCH and SLRH, pursuant to § 1113 or as otherwise agreed to between the Debtors, the respective unions, and as approved by the Court.

19. All of the Contract Counter-Parties are forever barred, estopped, and permanently enjoined from (i) raising or asserting against the Debtors or SCC, or any of their property, any assignment fee, acceleration, default, breach, or claim of pecuniary loss, or condition to assignment, arising under or related to the Designated Contracts, existing as of the Closing, or arising by reason of the consummation of the Transaction contemplated by the APA, including, without limitation, the Transaction and the assumption and assignment of the Designated Contracts, including any asserted breach relating to or arising out of the change-in-control provisions in such Designated Contracts, or any purported written or oral modification to the Designated Contracts and (ii) asserting against SCC any claim, counterclaim, breach, or condition asserted or assertable against the Debtors existing as of the Closing or arising by reason of the transfer of the Purchased Assets, except for the Assumed Obligations.

20. Any provisions in any Designated Contracts that prohibit or condition the assignment of such Designated Contract or allow the counterparty to such Designated Contract to terminate, recapture, impose any penalty, condition on renewal or extension or modify any term or condition upon the assignment of such Designated Contract constitute unenforceable anti-assignment provisions that are void and of no force and effect with respect to the Debtors' assumption and assignment of such Designated Contract to SCC in accordance with the APA, pursuant to § 363(f). Notwithstanding the foregoing, the rights of Contract Counter-Parties to assert that a Designated Contract may not be assumed and assigned absent consent, on the ground that such Designated Contract pertains to the licensing of intellectual property, are preserved, and any such objections may be asserted in accordance with the procedures set forth in paragraphs 34, 35, and 36; provided, however, that any Contract Counter-Party that has failed to object within the deadlines set forth in the applicable Cure Notice is now forever barred from asserting its objection.

21. The terms and provisions of this Sale Order, as well as the rights granted under the Transaction Documents, shall continue in full force and effect and are binding upon any successor,

reorganized Debtors, or chapter 7 or chapter 11 trustee applicable to the Debtors, notwithstanding any such conversion, dismissal or order entry. Nothing contained in any chapter 11 plan confirmed in the Debtors' cases or in any order confirming such a plan, nor any order dismissing the cases or converting the cases to a case under chapter 7, shall conflict with or derogate from the provisions of the APA, any documents or instruments executed in connection therewith, or the terms of this Sale Order, provided however, that in the event of a conflict between this Sale Order and an express or implied provision of the APA, this Sale Order shall govern. The provisions of this Sale Order and any actions taken pursuant hereto shall survive any conversion or dismissal of the cases and the entry of any other order that may be entered in the cases, including any order (i) confirming any plan of reorganization; (ii) converting the cases from chapter 11 to chapter 7; (iii) appointing a trustee or examiner in the cases; or (iv) dismissing the cases.

22. The Transaction contemplated by the APA and other Transaction Documents are undertaken without collusion and in "good faith," as that term is defined in § 363(m) of the Bankruptcy Code. SCC is a good faith purchaser within the meaning of § 363(m) and, as such, is entitled to the full protections of § 363(m). Accordingly, the reversal or modification on appeal of the authorization provided herein by this Sale Order to consummate the Transaction shall not affect the validity of the sale of the Purchased Assets to SCC. The APA and the Transactions contemplated thereby cannot be avoided under § 363(n).

23. The failure to specifically include any particular provision of the APA or the other Transaction Documents in this Sale Order shall not diminish or impair the effectiveness of such provisions, it being the intent of the Bankruptcy Court that the Transaction, the APA and the other Transaction Documents be authorized and approved in their entirety. Likewise, all of the provisions of this Sale Order are non-severable and mutually dependent.

24. This Order constitutes a final and appealable order within the meaning of 28 U.S.C. § 158(a). Notwithstanding Rules 6004(h), 6006(d), 7062, or 9014, if applicable, or any other LBR or otherwise, this Sale Order shall not be stayed for 14-days after the entry hereof, but shall be effective

and enforceable immediately upon entry pursuant to Rule 6004(h) and 6006(d). Time is of the essence in approving the Transaction (including the transfer and the sale of the Purchased Assets).

25. The automatic stay in effect pursuant to § 362 is hereby lifted with respect to the Debtors to the extent necessary, without further order of this Court, to (i) allow SCC to deliver any notice provided for in the APA and Transaction Documents and (ii) allow SCC to take any and all actions permitted under the APA and Transaction Documents in accordance with the terms and conditions thereof.

26. Unless otherwise provided in this Sale Order, to the extent any inconsistency exists between the provisions of the APA and this Sale Order, the provisions contained in this Sale Order shall govern.

27. This Court shall retain exclusive jurisdiction to interpret, construe, and enforce the provisions of the APA and this Sale Order in all respects, and further, including, without limitation, to (i) hear and determine all disputes between the Debtors and/or SCC, as the case may be, and any other non-Debtor party to, among other things, the Designated Contracts concerning, among other things, assignment thereof by the Debtors to SCC and any dispute between SCC and the Debtors as to their respective obligations with respect to any asset, liability, or claim arising hereunder; (ii) compel delivery of the Purchased Assets to SCC free and clear of Encumbrances; (iii) compel the delivery of the Purchase Price or performance of other obligations owed to the Debtors; (iv) interpret, implement, and enforce the provisions of this Sale Order; and (v) protect SCC against (A) claims made related to any of the Excluded Liabilities (as defined in the APA), (B) any claims of successor or vicarious liability (or similar claims or theories) related to the Purchased Assets or the Designated Contracts, or (C) any Encumbrances asserted on or against SCC or the Purchased Assets.

28. Following the date of entry of this Sale Order, the Debtors and SCC are authorized to make changes to the APA without the need for any further order of the Court provided that all such changes have been approved in writing by the Debtors, SCC, the Committee, the DIP Agent, and Prepetition Secured Creditors. Any other changes to the APA or this Sale Order require a further order of the Court, after reasonable notice under the circumstances and a hearing.

29. Notwithstanding any other provision of this Sale Order or any other Order of this Court, no sale, transfer or assignment of any rights and interests of a regulated entity in any federal license or authorization issued by the FCC shall take place prior to the issuance of FCC regulatory approval for such sale, transfer or assignment pursuant to the Communications Act of 1934, as amended, and the rules and regulations promulgated thereunder. The FCC's rights and powers to take any action pursuant to its regulatory authority, including, but not limited to, imposing any regulatory conditions on such sales, transfers and assignments and setting any regulatory fines or forfeitures, are fully preserved, and nothing herein shall proscribe or constrain the FCC's exercise of such power or authority to the extent not inconsistent with the applicable provisions of the Bankruptcy Code.

30. To the extent the Purchased Assets contain records of the Verity Health System Retirement Plan A and Verity Health System Retirement Plan B (collectively, the "Pension Plans") or employment records of participants of the Pension Plans, the SCC shall store, and preserve any such records until the PBGC has completed its investigation regarding the Pension Plans and shall make such documents available to the PBGC for inspection and copying. Such records include, but are not limited to, any Pension Plan governing documents, actuarial documents, and employment records (collectively, the "Pension Plan Documents"). The Debtors shall retain and not abandon any Pension Plan Documents that are not Purchased Assets for not less than twelve (12) months after Closing and shall make such documents available to the PBGC for inspection and copying.

31. No later than January 18, 2019, either (i) the Debtors will file a notice of a resolution of the issues regarding the transfer and/or proposed assumption and assignment or rejection of the Medi-Cal Provider Agreements or (b) DHCS will file a supplemental objection to the proposed transfer of the Medi-Cal Provider Agreements. If necessary, the Debtors will file any reply to the supplemental objection no later than 4:00 p.m. (Pacific Time), on January 25, 2019, and a hearing will be held on the issues raised regarding the transfer and/or proposed assumption and assignment or rejection of the Medi-Cal Provider Agreements on January 30, 2019, at 10:00 a.m. (Pacific Time); and all parties' rights, claims, and defenses are preserved until that hearing. Nothing in this Sale Order shall apply to

Medi-Cal Provider Agreements until and unless there is a Court order approving a settlement between the Debtors and the DHCS or a Court order resolving the DHCS's objections.

32. No later than January 18, 2019, either (i) the Debtors will file a notice of a resolution of the issues regarding the transfer and/or proposed assumption and assignment or rejection of the Medicare Provider Agreements or (b) HHS will file a supplemental objection to the proposed transfer of the Medicare Provider Agreements. If necessary, the Debtors will file any reply to the supplemental objection no later than 4:00 p.m. (Pacific Time), on January 25, 2019, and a hearing will be held on the issues raised regarding the transfer and/or proposed assumption and assignment or rejection of the Medicare Provider Agreements on January 30, 2019, at 10:00 a.m. (Pacific Time); and all parties' rights, claims, and defenses are preserved until that hearing. Nothing in this Sale Order shall apply to Medicare Provider Agreements until and unless there is a Court order approving a settlement between the Debtors and the HHS or a Court order resolving the HHS's objections.

33. The Debtors must have resolution of the collective bargaining agreements (the "CBAs") that cover employees at Saint Louise Regional Hospital and O'Connor Hospital prior to SCC closing on the proposed Sale pursuant to the APA. The hearing on the Debtors' motion(s) with respect to the rejection and/or modification of such CBAs (the "CBA Motions") will occur on January 30, 2019, at 10:00 a.m. (Pacific Time). Debtors shall file the CBA Motions by no later than January 2, 2019. Any objection to the CBA Motions shall be filed on January 16, 2019, and any reply shall be filed on January 23, 2019.

34. A continued hearing on the Cure Objections shall be held on January 30, 2019, at 10:00 a.m. (Pacific Time). As to the Currently Identified Designated Contracts, by no later than Friday, January 18, 2019, the Debtors shall file a notice containing a list of (a) the Cure Objections that have been resolved, and (b) the Cure Objections as to which Court intervention is required. As to the Cure Objections for which Court intervention is required, the following briefing schedule shall apply: ~~(2)~~ (1) the Debtors' opposition to each outstanding Cure Objection shall be submitted by no later than Friday, January 18, 2019; and ~~(3)~~ (2) the counterparties' reply in support of its Cure Objections shall be submitted by no later than Friday, January 25, 2019. Nothing in this Sale Order constitutes a finding or

determination on any Cure Objection. All Cure Objections are preserved until resolved either by agreement between the Debtors and the contract counterparty or further order of the Court.

35. As to any executory contracts or unexpired leases that were listed on the Initial Designated Contract List, but not listed on any prior Cure Notices, any counterparty thereto may file an objection to the cure amount or assumption thereof by January 11, 2019, and all other provisions in paragraph 34 shall apply to resolution thereof.

36. As to Subsequently Identified Designated Contracts, (i) the Debtors shall file a notice with the Court, by January 23, 2019, identifying all Subsequently Identified Designated Contracts and provide service thereof in accordance with paragraph 16, and (ii) to the extent that any Subsequently Identified Designated Contracts were not listed on any of the prior Cure Notices, counterparties subject to contracts who object to assumption and/or the proposed cure amounts must file an objection no later than January 30, 2019, and any reply shall be filed on February 6, 2019. The request by Medical Office Building of California LLC for an extension of the January 30, 2019 objection deadline in the event that its lease is designated as a Subsequently Identified Designated Contract is overruled. To the extent that a negotiated resolution cannot be achieved, any objections filed in connection with the Subsequently Identified Designated Contracts shall be adjudicated on February 13, 2018, at 10:00 a.m. (Pacific Time), where the Court shall resolve any and all disputed issues related to the objection.

37. The Committee's and the Prepetition Secured Creditors' rights, and their ability to participate and be heard at the hearings described in paragraphs 31-36 of this Sale Order, are hereby reserved. To the extent that the DIP Agent, DIP Lender, Prepetition Secured Creditors or the Committee desire to file pleadings related to such hearings, their respective times for filing an objection or response to any of the requests for relief described in paragraphs 31-36 herein shall be the same as granted to the Debtors pursuant to the notice in each such instance.

Chapter 11 Cases

Hon. Judge Ernest M. Robles

NOTICE OF BAR DATE FOR FILING PROOFS OF CLAIMS AND INTERESTS

BAR DATE: APRIL 1, 2019

TO ALL CREDITORS, EQUITY AND INTEREST HOLDERS, AND OTHER PARTIES IN INTEREST:

NOTICE OF CLAIMS BAR DATE

The Bankruptcy Court has set a deadline of April 1, 2019 for creditors and holders of ownership interests in Verity Health System of California, Inc., a California nonprofit benefit corporation and the Debtor herein, and the above-referenced affiliated debtors, the debtors and debtors in possession in the above-captioned chapter 11 bankruptcy cases (collectively, the "Debtors"), to file proofs of claim against, or proofs of interest in, the Debtors' estates.

The exceptions to this deadline for filing proofs of claims or interest are: (1) claims arising from rejection of executory contracts or unexpired leases; (2) claims of governmental units; and (3) claims arising as the result of transfer avoidance pursuant to chapter 5 of the Bankruptcy Code.

Unless otherwise ordered by the Court, claims arising from (i) rejection of executory contracts or unexpired leases pursuant to 11 U.S.C. § 365, (ii) rejection or modification of collective bargaining agreements pursuant to 11 U.S.C. § 1113, (iii) voluntary termination of pension plans under the Employee Retirement Income Security Act ("ERISA"), or (iv) withdrawal from a multiemployer pension plan governed by ERISA, or (v) termination of retiree benefits, including as may be required under 11 U.S.C. § 1114, the last day to file a proof of claim is: (a) 30 days after the date of entry of the order authorizing such rejection, modification, voluntary termination or withdrawal; or (b) April 1, 2019, whichever is later.

For claims of "governmental units," as that term is defined in 11 U.S.C. § 101(27), the last day to file a proof of claim is: (a) 180 days after the entry the order for relief in this case; or (b) April 1, 2019, whichever is later. 11 U.S.C. § 502(b)(9).

For administrative claims arising under Section 503(b)(9) of the Bankruptcy Code (a "503(b)(9) Claim") on account of goods sold to the Debtors in the ordinary course of the Debtors' business that were received by the Debtors within 20 days before the commencement of the Debtors' cases, the last day to request allowance of such claims by filing a proof of claim and indicating that the claim asserted is a 503(b)(9) Claim is the Bar Date, i.e. April 1, 2019.

For claims arising from the avoidance of a transfer under chapter 5 of the Bankruptcy Code, the last day to file a proof of claim is: (a) 30 days after the entry of judgment avoiding the transfer; or (b) April 1, 2019, whichever is later.

If you are listed on the Schedules of Assets and Liabilities of the Debtors and your claim or interest is not scheduled as disputed, contingent, unliquidated or unknown, your claim or interest is deemed filed in the amount set forth in the schedules, and filing of a proof of claim or interest is unnecessary if you agree that the amount scheduled is correct and that the category in which your claim or interest is scheduled (secured, unsecured, preferred stock, common stock, *etc.*) is correct. 11 U.S.C. § 1111(a).

If your claim or interest is not listed on the schedules or is scheduled as disputed, contingent, unliquidated or unknown, or if you disagree with the amount or description scheduled for your claim or interest, you must file a proof of claim or interest.

Notwithstanding any other provision of this Notice, any record or beneficial holder of those certain California Statewide Communities Development Authority Revenue Bonds (Daughters of Charity Health System) Series 2005 A, G and H, California Public Finance Authority Revenue

Notes (Verity Health System) Series 2015 A, B, C and D, California Public Finance Authority Revenue Notes (Verity Health System) Series 2017 A and B, or any master indenture obligation issued by the Debtors or any of them in connection with the foregoing (each an "Obligated Debt Security") is not required to file any proof of claim for any claim that is (a) limited to the repayment of principal, interest, and other applicable fees and charges on account of an Obligated Debt Security, and (b) asserted against the Debtors O'Connor Hospital, St. Francis Medical Center, St. Vincent Medical Center, Saint Louise Regional Hospital, Seton Medical Center, and/or Verity Health Systems of California, Inc. (each a "Funded Debt Claim"). Notwithstanding the foregoing, (i) any record or beneficial holder of an Obligated Debt Security wishing to assert any other claim, including any claim other than a Funded Debt Claim is required to file proof(s) of claim in compliance with this Notice, unless another exception identified herein applies; and (ii) for the avoidance of doubt, the foregoing exclusion in this paragraph shall not apply to any indenture trustee or collateral agent described in the documents that evidence or secure any Obligated Debt Security.

Notwithstanding any other provisions of this Notice, any record or beneficial holder of those certain California Statewide Communities Development Authority ("CSCDA") Bonds issued pursuant to the CSCDA CaliforniaFirst Program dated May 11, 2017 or May 18, 2017 (each a "Special Assessment Debt Security") is not required to file any proof of claim for any claim that is (a) limited to the repayment of principal, interest, and other applicable fees and charges on account of a Special Assessment Debt Security and (b) asserted against the Debtor Seton Medical Center (a "Funded Assessment Claim"). Notwithstanding the foregoing, (i) any record or beneficial holder of a Special Assessment Debt Security wishing to assert any other claim, including any claim other than a Funded Assessment Claim is required to file proof(s) of claim in compliance with this Notice, unless another exception identified herein applies; and (ii) for the avoidance of doubt, the foregoing exclusion in this paragraph shall not apply to any indenture trustee or collateral agent described in the documents that evidence or secure any Special Assessment Debt Security.

Each indenture trustee or collateral agent for an Obligated Debt Security or a Special Assessment Debt Security is authorized to file such proof(s) of claim on behalf of itself and the beneficial and record holders of such Funded Debt Claims or Funded Assessment Claim against each relevant Debtor in compliance with this Notice and/or may in its sole discretion include or reference such documents that evidence or secure any Obligated Debt Security or Special Assessment Debt Security (and is excused from attaching copies of any referenced documents evidencing and/or securing those claims, so long as those materials remain available on request).

Failure of a creditor or interest holder to file timely a proof of claim or interest on or before the deadline may result in disallowance of the claim or interest or subordination under the terms of a plan of reorganization without further notice or hearing. 11 U.S.C. § 502(b)(9). Creditors and interest holders may wish to consult an attorney to protect their rights.

Verity Health

Verity Health System Announces Exploration of Strategic Options

LOS ANGELES, July 9, 2018 -- Verity Health System ("Verity Health"), a nonprofit healthcare system, today announced it is exploring strategic options to alleviate financial and operational pressures on its six hospitals. At this time, a range of options are being considered, including the potential sale of some or all of its locations, among other possible transactions.

"The top priority of Verity's board and management team is to establish a long-term, sustainable path forward for our hospitals, which are of critical importance to the communities they serve," said Rich Adcock, CEO of Verity Health. "Pursuant to Verity's strategic plan, we are exploring a number of options to deleverage our balance sheet and address challenges our hospitals face after a decade of deferred maintenance, poor payor contracts, and increasing costs. As the board and management team work together to evaluate these options, the interests of our patients, employees and communities remain paramount."

Verity Health's Board has not made any final decisions related to specific strategic options at this time. The organization will share additional information about the review process once it is complete and further disclosure is appropriate.

Cain Brothers is acting as financial advisor to the Company. Dentons is acting as legal advisor.

Verity Health System
Verity Health System is a nonprofit healthcare system. Its hospitals include 1,650 inpatient beds, six active emergency rooms, a trauma center and a host of medical specialties including tertiary and quaternary care. Verity's two Southern California hospitals are St. Francis Medical Center in Lynwood and St. Vincent Medical Center in Los Angeles. In Northern California, O'Connor Hospital in San Jose, St. Louise Regional Hospital in Gilroy, Seton Medical Center in Daly City and Seton Coastside in Moss Beach are part of Verity Health. Verity Health also includes Verity Physician Network and Verity Medical Foundation, encompassing hundreds of physicians across a variety of practice models, independent practice associations, ambulatory surgery centers and urgent care centers.

Since its creation in December 2015, Verity Health System has worked to revitalize its hospitals in Northern and Southern California and ensure financial sustainability in order to care for patients for generations to come – including the underserved.

Verity Health

Verity Health System Files for Protection under Chapter 11 to Reorganize and Facilitate an Orderly and Efficient Sale Process

- *All hospitals to continue to operate and provide high-quality care to patients throughout this process*
- *Verity intends to sell all or some of its assets in Chapter 11 and is actively seeking potential buyers*
- *Additional liquidity of up to $185M secured to ensure financial stability throughout the reorganization process*

LOS ANGELES, August 31, 2018 – Verity Health System of California, Inc. ("Verity Health," or "Verity," or "the System"), a nonprofit healthcare system, today filed voluntary petitions for protection under Chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the Central District of California – Los Angeles Division. Verity has secured debtor-in-possession financing of up to $185 million. This additional liquidity will enable continued operations without interruption to high-quality patient care, employees and suppliers throughout the Chapter 11 process.

This filing follows Verity's previous press release on July 9, which stated that the System has been exploring strategic options to address the issues facing the System. Today's announcement follows a thorough process of considering a range of alternatives for the System's hospitals, including the potential sale of some or all of the hospitals and related healthcare businesses.

The entities that are filing today are:

- De Paul Ventures San Jose Dialysis, LLC
- De Paul Ventures, LLC
- O'Connor Hospital
- O'Connor Hospital Foundation
- Saint Louise Regional Hospital
- Saint Louise Regional Hospital Foundation
- Seton Medical Center Foundation
- Seton Medical Center, including Seton Medical Center Coastside campus
- St. Francis Medical Center
- St. Francis Medical Center Foundation
- St. Vincent de Paul Ethics Corporation
- St. Vincent Dialysis Center
- St. Vincent Medical Center
- St. Vincent Medical Center Foundation
- Verity Business Services
- Verity Holdings, LLC
- Verity Medical Foundation

"After a diligent process of assessing all possible options alongside our financial and legal advisors, Verity Health has made the best strategic decision for all of our patients, employees and other stakeholders," said Rich Adcock, CEO of Verity Health. "Despite many efforts over the last decade to create opportunities for success, we can no longer swim against the tide of our operating reality, which includes a legacy burden of more than a billion dollars of bond debt and unfunded pension liabilities, an inability to renegotiate burdensome contracts, the continuing need for significant capital expenditures for seismic obligations and aging infrastructure."

Adcock continued: "Several other hospitals in California and across the U.S. have completed this process and have emerged to continue to care for patients, support employees, and serve the community. Those hospitals are now in improved financial and operational health. We are confident that today is a first critical step toward putting each facility on better footing for the future. Most importantly, we remain focused on our commitment to providing high-quality care to patients in underserved communities without disruption throughout this process."

DIP Financing

Verity Health has secured up to $185 million in debtor-in-possession ("DIP") financing to support its ongoing operations during the sale process. This additional financing, combined with normal operating revenue will help ensure Verity is able to meet its commitments to patients, employees, and suppliers while also successfully selling its existing operations.

Sale Process

Verity Health plans to consummate sales under Section 363 of the U.S. Bankruptcy Code. Potential buyers will have the opportunity to submit offers to acquire assets, including O'Connor Hospital, Saint Louise Regional Hospital, Seton Medical Center, Seton Medical Center Coastside, St. Vincent Medical Center and St. Francis Medical Center. All offers will be evaluated to ensure the highest and best acquisition agreement(s) are achieved for the benefit of Verity Health's patients, employees, creditors and other stakeholder groups.

"We are pursuing various strategic options for each of our six hospitals, with a focus on working with potential buyers who can continue the mission of patient care at each hospital," said Mr. Adcock. "Through the sales process, we will be putting our hospitals in a better position for long-term success."

Historical Events Leading to Today's Filings

The System was originally owned and operated by the Daughters of Charity of St. Vincent de Paul, Province of the West. Verity Health was formed in July 2015, when the Daughters of Charity selected BlueMountain Capital Management LLC ("BlueMountain"), a private investment firm, to recapitalize the health systems operations and transition leadership of the health system to the new Verity Health System. Prior to that, Daughters of Charity had been unsuccessful in an affiliation with Ascension Health Alliance and a sale to Prime Healthcare Services.

The financial and operational issues facing Verity Health System, are born out of a myriad of inherited, historical challenges. Operating losses had plagued the System's predecessor for some time due to, among other things, challenging cost structure, low reimbursement rates and the ever-changing healthcare landscape.

"After years of investment to assist in improving cash flow and operations, Verity's losses continue to amount to approximately $175 million annually on a cash flow basis," said Mr. Adcock.

Verity Health

August 31, 2018

Colleagues,

I am writing today with news about the future of our organization. Before I share this, I want to thank you from the bottom of my heart for the dedication you've shown through your hard work for our patients and families with the high-quality care they've come to expect and deserve. This remains our top priority.

This morning, Verity announced that it has voluntarily filed for protection under Chapter 11 of the United States Bankruptcy Code. Please understand, this was not an easy decision, or one made lightly, but this action allows for protection of our important historic institutions and our dedicated employees. As you all know, over the last two decades, we have suffered financial losses year after year. Today, this action allows us to obtain critical funding offered only under Chapter 11 protection, allowing a smooth and stable transition. **The press release is attached.**

While this was an incredibly difficult decision for our Boards, they all agreed, this is the best possible outcome for our patients, employees and the communities we serve, and will allow us to establish a long-term, sustainable path forward.

Here's why:

1. ***This does NOT mean close-of-business.***
   In fact, this action provides the essential protection and additional financing, which has already been secured, to ensure critical operations like providing patient care and funding employee wages can continue through this entire process.

2. ***Chapter 11 protection is a proven strategy.***
   Other hospitals and health systems in California and across the U.S. that have completed this process are now in improved financial and operational health. We carefully examined many examples before making this decision.

   Our employees are vital to the success of our system. The protection and funding provided under Chapter 11 ensures that our employees will continue to be paid and receive health benefits. We will make retirement plan contributions and

payments to retirees should be uninterrupted. Equally important is we will continue to be able to pay our vendors, so we can continue to deliver exceptional care.

3. ***This reorganization is designed to improve the financial and operational obstacles facing the System, and we have a carefully planned strategy to proceed.***
   The purpose of this filing is to facilitate a court-supervised sale of some or all of the hospitals. We are seeking protection and pursuing a sale process in order to preserve the original mission of these hospitals - providing high-quality care to patients in underserved communities. In addition, after the sales, Verity will propose a plan of reorganization, which will address claims and debt that have accumulated over the past two decades.

To close, I wanted to reiterate that Verity's Boards and management team have explored and continue to explore every option on the table. If the System continued down its previous path, we would not have been able to keep our doors open and our patients, employees and communities would be left without a plan.

I ask that you continue to focus on serving our patients and their families who are in a time of need and thank you for your patience as we enter this new phase.

Thanks for all you do every day,

Rich

Colleagues,

As the sale process moves forward, I want to update you with this week's events.

On Monday, a meeting with Verity Health creditors took place at St. Vincent Medical Center. The meeting was an official hearing led by the US Trustee, which is a component of the Department of Justice responsible for overseeing the administration of bankruptcy cases. The hearing was open to all creditors, secured and unsecured. Creditors had an opportunity to answer questions, and I responded to them directly, along with Verity's legal counsel. The US Trustee also had an opportunity to ask questions regarding Verity Health's assets and liabilities.

I recognize this process is challenging for all involved, including our employees and creditors. The entire leadership team has a tremendous amount of empathy for all of those impacted, which is why we are working diligently to move quickly through this sale process.

On Wednesday, we had several motions approved by the Bankruptcy Court, including a motion regarding the process for the sale of O'Connor Hospital, St. Louise Regional Hospital and the DePaul Campus with Santa Clara County as the stalking-horse bidder. After the hearing, we had a productive meeting with the Unsecured Creditors Committee.

To be clear, the hospitals are not yet sold. In December, there will be an auction where other interested parties can bid for the assets. The successful bidder will have to be approved by the Verity Board of Directors and the Bankruptcy Court.

In addition, the Court has given the final approval for up to $185 million in financing, which enables the System to provide uninterrupted patient care and allows the hospitals to remain open for business during the Chapter 11 process.

I want to reiterate that we are actively seeking potential buyers for our other hospitals and assets. The discussions with potential bidders are ongoing. I will provide an update as soon as we have news to share.

To all our physicians, nurses, employees, and volunteers, I thank you for your continued commitment and dedication to those who need us most - the patients and families who come to us for compassionate, quality healthcare.

I will continue to share updates in the days and weeks ahead. You may also find the details on filings at the following website **http://www.kccllc.net/verityhealth**.

Thank you,

Verity Health System Enters into Asset Purchase Agreement with The KPC Group

- *Verity Health System has entered into an agreement to sell St. Francis and St. Vincent Medical Centers in Southern California and Seton Medical Center and Seton Coastside in Northern California to The KPC Group for $610 million, subject to better and higher bids*
- *The KPC Group is committed to continuing operations at all four hospitals in the future and serving local communities*
- *Operations and services will continue uninterrupted at all facilities during a smooth and efficient transition process*
- *All six hospitals in the Verity Health System have a potential buyer or approved buyer, marking an important milestone in the Chapter 11 process for patients, employees and communities*

LOS ANGELES, January 18, 2019 – Verity Health System of California, Inc. ("Verity Health"), a nonprofit healthcare system, filed a motion in the U.S. Bankruptcy Court in Los Angeles seeking Bankruptcy Court approval to enter into a "stalking horse" purchase agreement with The KPC Group for the sale of St. Francis Medical Center in Lynwood, St. Vincent Medical Center in Los Angeles, Seton Medical Center in Daly City and Seton Coastside in Moss Beach. Under the agreement, which is subject to better or higher offers, The KPC Group intends to purchase the assets for $610 million ($610,000,000).

"We are excited about the future of these hospitals, and we look forward to the opportunity of continuing their excellent track record of care in the communities they serve," said Peter Baronoff, CEO and Managing Director at The KPC Group.

The motion seeks approval to implement bidding procedures for an auction where other potential buyers may submit qualified competing bids against The KPC Group's Stalking Horse Bid. The winning bid, as selected by the Verity Health Board of Directors, in consultation with its professional legal and financial advisors, is subject to the approval of the Bankruptcy Court, and, depending on the buyer, the California Attorney General.

"When we began this process, our goal was to ensure these important historic institutions continued to provide the high-level of care local communities need and deserve. We have reached an exciting milestone as we get closer to this goal becoming a reality," said Rich Adcock, CEO of Verity Health. "Verity has remained committed to finding the right buyer to provide uninterrupted service and operations for all employees, physicians and patients, and we will continue that commitment as this process advances."

The KPC Group is also focused on enhancing the health and welfare of communities and looks forward to serving patients in Los Angeles and San Mateo Counties.

Additional Details

The KPC Group has also agreed to make offers of employment to substantially all employees at these facilities, including full-time, part-time, those on short-term or long-term disability or on leave of absence. Verity Health System and The KPC Group will conduct discussions with the unions related to any specific collective bargaining agreement.

Verity Health anticipates that payments to retirees will continue.

Colleagues,

We are pleased to announce that The KPC Group has signed an asset purchase agreement to become the stalking horse bidder for St. Vincent Medical Center, St. Francis Medical Center, Seton Medical Center and Seton Coastside, as well as the medical office buildings located at these hospitals. Though you may have seen earlier references to this announcement, the final press release is attached.

While this is an important step in the process, these hospitals and assets are not yet sold. Rather, the filing of a motion in Federal Bankruptcy Court – which includes the asset purchase agreement – allows us to get court authority for a procedure to finalize the sale of these facilities. We anticipate the hearing on that motion will be held in mid-February.

As we said when we filed for Chapter 11 protection in August, this would be an orderly and efficient process – with a strong preference for buyers that will maintain our mission, fulfilling our promise to ensure continued care for our patients and service to our communities.

We are still early in the overall sale process for these hospitals and assets. The initial bid in a Chapter 11 asset sale proceeding like this one is referred to as a "Stalking Horse Bid," which sets the initial baseline price against which other potential buyers can submit bids. Other potential buyers will have the opportunity to submit bids at an auction, which we anticipate would take place in April. The successful bidder will have to be approved by both the Verity Board of Directors and the Federal Bankruptcy Court, and may also be subject to approval by the California Attorney General.

To be clear, the previously announced sale of O'Connor Hospital and St. Louise Regional Hospital to Santa Clara County is a separate process from what is being announced today. We are moving forward with the sale of those two facilities in parallel to what we are announcing today.

I want to extend my heartfelt thanks to all our physicians, nurses, employees, and volunteers for your continued commitment and dedication to those who need us most: the patients and families who come to us for compassionate, quality healthcare.

I will continue to share updates in the weeks ahead, and the CEOs and Executive Leadership teams for each facility will be rounding to answer any questions you may have.

You may also find the details of this announcement and other filings at the following website: http://www.kccllc.net/verityhealth.

Thank you for your ongoing dedication.

Colleagues,

Today, the Bankruptcy Judge approved the stalking horse bid by KPC for St. Vincent Medical Center, St. Francis Medical Center, Seton Medical Center and Seton Coastside, as well as, the medical office buildings located at these hospitals.

As we have communicated previously, the stalking horse bid sets the initial baseline price against which other potential buyers can submit bids. Other potential buyers will have the opportunity to submit bids at an auction, which we anticipate would take place in April. The successful bidder will have to be approved by both the Verity Board of Directors and the Federal Bankruptcy Court, and may also be subject to approval by the California Attorney General.

We also want to share the California Attorney General has asked the U.S. District Court for an "emergency" stay of the Bankruptcy Court's approval of the sale of St. Louis Regional Hospital, O'Connor Hospital and DePaul Health Center to Santa Clara County. The Federal District Court Judge refused to treat the AG's motion as an emergency and has set a hearing date for February 22.

We continue to be confident that on Thursday, February 28, the County will assume operations of these historic hospitals as part of its broader plan for delivery of health care services to the Santa Clara County community. It is important for everyone to know that the necessary work to transition the hospitals to the County will not stop or slow down in the coming weeks. The transition teams meet weekly and progress has been ongoing between the hospitals, Verity and the County.

We know there is a tremendous amount of work to be done in the next few weeks. We are close to the goal we set five months ago of establishing a long-term, sustainable path forward for St. Louise Regional Hospital, O'Connor Hospital and DePaul Health Center. We remain committed to ensuring that all of Verity's hospitals and facilities are able to continue their mission of providing high-quality care well into the future.

Thank you,

Rich

April 4, 2019

Colleagues,

As you may know, yesterday was the deadline for the submission of full bids for the remaining four Verity Health System hospitals which, include St. Francis Medical Center, St. Vincent Medical Center, Seton Medical Center, and Seton Coastside. After reviewing the materials submitted, the determination was made there are no bids exceeding the stalking horse bid from The KPC Group. This means there will not be an auction next week.

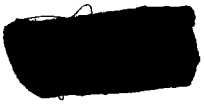
The previously approved stalking horse bid from The KPC Group will be considered by the Verity Health System Board on April 15th, and then to the Bankruptcy Court on April 17th for review and approval. Following both of these approvals, we will begin the process to submit to the California Attorney General for review.

This is yet another important milestone on the journey we started last year to establish a long-term, sustainable path forward for the Verity Health System hospitals. As we near the final steps of a full transfer of ownership of all the Verity assets, there are months of work ahead. In the coming weeks, we will begin the key transition teamwork with The KPC Group to move this sale forward to a close.

As a reminder, patient care remains our top priority and will be unaffected at each hospital throughout the process. I will continue to share updates in the weeks ahead, and the CEOs and Executive Leadership teams for each facility will be rounding to answer any questions you may have.

Thank you for your continued support.

Sincerely,



Rich

Verity Health System Receives Court Approval of Stalking Horse Agreement for Sale to The KPC Group

- *Agreement includes St. Francis and St. Vincent Medical Centers in Southern California and Seton Medical Center and Seton Coastside in Northern California to The KPC Group for $610 million*
- *The KPC Group is committed to continuing operations at all four hospitals in the future and serving local communities*
- *Operations and services will continue uninterrupted at all facilities during a smooth and efficient transition process*
- *These remaining four hospitals in the Verity Health System now have an approved buyer, marking an important milestone in the Chapter 11 process for patients, employees and communities*

LOS ANGELES – April 17, 2019 – Verity Health System of California, Inc. ("Verity Health"), a nonprofit healthcare system, today announced that it has received approval of its previously announced "Stalking Horse" agreement with The KPC Group from the U.S. Bankruptcy Court.

Under the agreement, The KPC Group will acquire substantially all assets related to St. Francis Medical Center in Lynwood, St. Vincent Medical Center in Los Angeles, Seton Medical Center in Daly City and Seton Coastside in Moss Beach for $610 million ($610,000,000). Also, as part of the agreement, The KPC Group has agreed to make offers of employment to substantially all employees at these facilities.

The sale was conducted through a Court-supervised process under Section 363 of the Bankruptcy Code and is subject to review by the California Attorney General.

"Today's court approval of the sale means we are one step closer to finalizing a smooth and orderly transition for Verity's remaining hospitals and assets to a buyer who will maintain Verity's core mission," said Rich Adcock, CEO of Verity Health. "We're pleased that these important institutions will continue providing local communities with the high-quality care they need and deserve."

"The KPC Group is focused on enhancing the health and welfare of communities," said Dr. Kali Chaudhuri, Chairman of The KPC Group. "We're looking forward to continuing Verity's track record of providing high-quality healthcare in Los Angeles and San Mateo Counties."

April 17, 2019

Colleagues,

Today, the Bankruptcy Court has approved the Final Sale Order for The KPC Group to purchase the remaining four Verity Health System hospitals, which include St. Francis Medical Center, St. Vincent Medical Center, Seton Medical Center and Seton Coastside, as well as the Medical Office Buildings located at these hospitals. With the approval of the Verity Health System Board and the Bankruptcy Court, we will now begin the process to submit to the California Attorney General for review of the sale.

We understand everyone has a lot of questions regarding the process. As previously shared, there will be a transition phase. A comprehensive team, including Verity Health, St. Vincent, St. Francis, Seton and KPC leadership, is being formed and will begin meeting. We will be working closely to ensure this transition is smooth for the employees, physicians and, most importantly, for the patients. In addition, we are setting up on-site meetings to help employees through the transition process.

We know there is a tremendous amount of work to be done. As a reminder, patient care remains our top priority and will be unaffected at each hospital throughout the process. I also want to recognize and thank the staff and physicians for continuing to deliver quality, compassionate health care to patients and their families.

We are close to the goal we set several months ago of establishing a long-term, sustainable path forward for St. Francis Medical Center, St. Vincent Medical Center, Seton Medical Center and Seton Coastside. We remain committed to ensuring that all of Verity's hospitals and facilities are able to continue their mission of providing high-quality care well into the future.

I will continue to share updates, and the CEOs and Executive Leadership teams for each facility will be rounding to answer any questions you may have.

Thank you for your continued support.

* Member of the Obligated Group, as defined in the Master Indenture of Trust, dated as of December 1, 2001 (as previously amended and supplemented, the "Master Indenture"), among the Parent, the other Initial Members (as defined therein) and U.S. Bank National Association.
** Verity redeemed its investment in Verity BASM Holdco, LLC subsequent to June 30, 2018 (See "Other Events").

The financial information summarized herein represents consolidated financial information for Verity, not financial information solely for the Obligated Group. This summarized financial information includes the operations of all Obligated Group Members, as well as the results of operations of other entities that are not Members of the Obligated Group. For the twelve months ended June 30, 2018, the entities that are not Members of the Obligated Group had revenues and

investment income totaling $117.9 million (after the elimination of $59.1 million of inter-company revenues) representing 7.4% of Verity's consolidated revenues and investment income. Additional financial information pertaining to the entities that are not Members of the Obligated Group can be found in the accompanying unaudited financial statements.

The financial information for the twelve months ended June 30, 2018 is unaudited but includes adjustments which Verity management considers necessary to fairly present such information in conformity with United States generally accepted accounting principles. Operating results for the twelve months ended June 30, 2018 are not necessarily indicative of the results that may be expected in future periods.

CONSUMMATION OF THE RESTRUCTURING AGREEMENT

On July 17, 2015, Daughters of Charity Ministry Services Corporation, the Parent, certain funds managed by Blue Mountain Capital Management, LLC, and Integrity Healthcare, LLC entered into a System Restructuring and Support Agreement (the "Restructuring Agreement") to change the governance of and recapitalize the Parent and certain of its subsidiaries. The name of the Parent has been amended to be Verity Health System of California, Inc.

CALIFORNIA HOSPITAL FEE PROGRAM

California legislation established a program in 2009 that imposes a Quality Assurance Fee (the "QA Fee") on certain general acute-care hospitals to make supplemental, grant, and increased capitation payments (the "Supplemental Payments") to hospitals up to the aggregate upper payment limit for various periods. There have been five such programs (collectively, the "Programs") since inception.

The Programs are designed to make supplemental inpatient and outpatient Medi-Cal payments to private hospitals, including additional payments for certain facilities that provide high-acuity care and trauma services to the Medi-Cal population. This hospital QA Fee program provides a mechanism for increasing payments to hospitals that serve Medi-Cal patients, with no impact on the state's General Fund. Payments are made directly by the state or Medi-Cal managed care plans, which will receive increased capitation rates from the state in amounts equal to the Supplemental Payments. Outside of the legislation, the California Hospital Association has created a private program, operated by the California Health Foundation and Trust (CHFT), which was established to alleviate disparities potentially resulting from the implementation of the Programs.

The Programs require full federal approval (i.e., by the Centers for Medicare and Medicaid Services ("CMS")) in order for them to be fully enacted. If final federal approval is not ultimately obtained, provisions in the underlying legislation allowed for the QA Fee, previously assessed, and Supplemental Payments, previously received, to be returned and recouped, respectively.

In October 2013, the fourth program (the "36-Month Program") covering the period from January 2014 to December 2016 was signed into law by the Governor of California. The fee-for-service payments of the 36-Month Program were approved in December 2014 by CMS. The first six months of non-expansion managed care payments were approved by CMS in June 2015. The first six months of expansion managed care payments were approved by CMS in March 2016. On

December 30, 2016, CMS approved the managed care payments spanning July 1, 2014 to December 31, 2014 for the expansion population and July 1, 2014 to June 30, 2015 for the non-expansion population. During April and May 2017, the managed care payments were received covering the expansion population for the period of January 1, 2015 to June 30, 2015. During October 2017, the managed care payments were received covering the period of July 1, 2015 to June 30, 2016. The only remaining period of the 36-Month Program are the managed care payments covering the period of July 2016 to December 2016 which has not been approved by CMS at this time.

In December 2017, the fifth program (the "30-Month Program") covering the period of January 2017 to June 2019 was enacted after the voters approved Proposition 52 in the November 2016 election amending the California Constitution to make the QA Fee program permanent. CMS approved the fee for service ("FFS") portion of the program in December 2017. The managed care portion of the program has not been approved by CMS at this time.

For the twelve months ended June 30, 2017, Verity recognized payments to the California Department of Health Care Services (the "DHCS") for the QA Fee in the amount of $70.0 million and pledge payments to the CHFT of $2.4 million within purchased services, medical claims and other expenses. Verity recognized Supplemental Payment revenue for the twelve months ended June 30, 2017 in the amount of $169.7 million within net patient service revenues. During the twelve months ended June 30, 2017, Verity made fee payments to DHCS of $87.1 million and received cash receipts of $185.4 million.

For the twelve months ended June 30, 2018, Verity recognized payments to DHCS for the QA Fee in the amount of $127.1 million and pledge payments to CHFT of $3.5 million within purchased services, medical claims and other expenses. Verity recognized Supplemental Payment revenue for the twelve months ended June 30, 2018 in the amount of $298.9 million within net patient service revenues. During the twelve months ended June 30, 2018, Verity made fee payments to the DHCS of $88.9 million and received cash receipts of $272.2 million.

VOLUMES

Patient discharges for the twelve months ended June 30, 2018 increased by 2.9% as compared to the same period of the prior year. Adjusted discharges for the twelve months ended June 30, 2018 increased by 3.4% compared to the same period of the prior year.

Total deliveries decreased by 11.2% during the twelve months ended June 30, 2018 as compared to the same period of the prior year.

Inpatient surgeries for the twelve months ended June 30, 2018 increased 5.4% as compared to the same period of the prior year. Outpatient surgeries for the twelve months ended June 30, 2018 increased 0.2% as compared to the same period of the prior year.

Emergency department visits for the twelve months ended June 30, 2018 decreased 2.0% compared to the same period of the prior year.

REVENUES

Net Patient Service Revenue Less Provision for Bad Debts

Net patient service revenue of $1,373.3 million for the twelve months ended June 30, 2018 represents a net increase of $106.1 million or 8.4% as compared to the same period of the prior year. The net overall change in net patient service revenue was impacted by an increase of $129.2 million in Hospital Fee Program revenue. Net patient service revenue per adjusted discharge (excluding premium revenue, other revenue, contributions and investment earnings) of $18,121 for the twelve months ended June 30, 2018 increased 4.8% as compared to the same period of the prior year. This increase in net patient service revenue per adjusted discharge is primarily due to the increase in the amount of Hospital Fee Program revenue recognized into income during the twelve months ended June 30, 2018.

Premium Revenues, Other Revenues, and Contributions

Premium and other revenues of $197.9 million for the twelve months ended June 30, 2018 represents an increase of $51.3 million or 35.0% when compared to the same period of the prior year. This increase is mainly attributable to a gain on sale of an asset within the non-Obligated Group of $15.5 million, gains of $5.0 million associated with a settlement, and a $31.6 million increase in premium revenues associated with additional capitation arrangements. Contributions of $31.2 million during the twelve months ended June 30, 2018 decreased 52.5% as compared to the same period of the prior year. The decrease in contributions is related to the release of the restricted contribution as part of the consummation of the Restructuring Agreement which was recognized in the same period of the prior year.

Investment Earnings

For the twelve months ended June 30, 2018, investment losses totaled $7.5 million compared to losses of $2.6 million during the same period of the prior year. The investment losses in both the current year and the prior year primarily resulted from other-than-temporary impairments of certain surgery center equity-method investments and contingent losses associated with a guarantee within the Non-Obligated Group. Verity redeemed its investments in these surgery centers subsequent to June 30, 2018 (see "Other Events").

Verity recorded investment income of $2.4 million and $2.3 million for the twelve months ended June 30, 2018 and 2017, respectively, within the Obligated Group. Verity includes both realized and unrealized gains/losses as part of investment income. Verity invests in cash, equity securities, domestic and foreign, U.S. federal and corporate obligations.

EXPENSES

Total Operating Expenses

Total operating expenses of $1,713.8 million for the twelve months ended June 30, 2018 represents an increase of $199.0 million or 13.1% as compared to the same period of the prior year. The overall net change in operating expenses is due to an increase in salaries and benefits expense of $73.8 million, an increase in supplies expense of $26.1 million, an increase of $95.6 million in purchased services, medical claims and other expense and an increase of $8.8 million in interest expense, net, partially offset by a decrease in depreciation expense of $2.3 million and a decrease in goodwill and intangible asset impairment of $3.0 million. Total expense per adjusted discharge of $22,614 for the twelve months ended June 30, 2018 represents an increase of 9.4% compared to the same period of the prior year.

Salaries, Wages, and Benefits

Salaries, wages and benefits ("SWB") expense of $804.1 million for the twelve months ended June 30, 2018 increased $73.8 million or 10.1% as compared to the same period of the prior year. SWB as a percent of net patient revenue (excluding premium revenue) for the twelve months ended June 30, 2018 was 58.6%, represents an increase of 1.6% compared to the same period of the prior year. The overall increase was due to staffing for higher volumes, wage increases, and insourcing of multiple functions across the system.

Supplies

Supplies expense of $198.5 million for the twelve months ended June 30, 2018 increased $26.1 million or 15.2% as compared to the prior year due to the increase in overall volumes. Supplies expense as a percent of net patient revenue for the twelve months ended June 30, 2018 was 14.5% compared to 13.6% for the twelve months ended June 30, 2017.

Purchased Services, Medical Claims and Other

Purchased services, medical claims and other expense for the twelve months ended June 30, 2018 of $634.5 million increased by $95.6 million or 17.8% as compared to the same period of the prior year. The increase in purchased services, medical claims and other expense is primarily due to an increase of $34.5 million in medical claims corresponding with the increase in capitation arrangements, $57.1 million in the Hospital Fee Program expense, $17.6 million in medical fees corresponding to an increase in volumes and expansion at Verity Medical Foundation, partially offset by a decrease of $16.8 million in consulting and legal fees primarily resulting from insourcing efforts.

Goodwill and Intangible Asset Impairment

Goodwill and intangible asset impairment of $7.2 million and $10.2 million for the twelve months ended June 30, 2018 and 2017, respectively, is related to Verity's controlling ownership interests in its Northern California ambulatory surgery management company, Verity BASM Holdco, LLC, ("BASM"). Verity redeemed its investment in BASM subsequent to June 30, 2018 (see "Other Events").

Depreciation Expense

Depreciation expense of $32.6 million for the twelve months ended June 30, 2018 is a decrease of $2.3 million or 6.6% as compared to the same period of the prior year.

Interest Expense - Net

Interest expense of $36.9 million for the twelve months ended June 30, 2018 is an increase of $8.8 million as compared to the same period of the prior year as a result of the issuance of additional debt and tax assessment borrowing.

Management Agreement Fee Activity

The management agreement fee expense for the twelve months ended June 30, 2018 is $60.3 million of which $40.2 million was deferred and $20.1 million was payable in cash.

RESULTS FROM OPERATIONS

Operating Income / Loss

For the twelve months ended June 30, 2018, Verity recorded an operating loss of $111.4 million, equating to a negative operating margin of 7.0%. This compares to an operating loss of $35.3 million and a negative operating margin of 2.4% for the same period of the prior year. The operating performance for the twelve months ended June 30, 2018 included $171.8 million of net income related to the Hospital Fee Program excluding the CHFT pledge.

Excess of Revenues Over Expenses (Net Income)

For the twelve months ended June 30, 2018, Verity recorded a net loss of $118.9 million, equating to a negative net income margin of 7.5%. The net loss for the twelve months ended June 30, 2017 was $37.9 million, which equated to a negative net income margin of 2.6%.

Performance Relative to Budget

For the twelve months ended June 30, 2018, Verity's actual operating performance compared to budget was unfavorable by approximately $116.1 million. Total unrestricted revenues and other support was unfavorable to budget by $115.0 million. Expenses were unfavorable to budget by $1.1 million.

FINANCIAL POSITION

Liquidity

The following table summarizes Verity's cash position:

Days Cash on Hand (DCOH) ($'s in 000s)	**AS OF JUNE 30, 2018**
Operating Expenses [1]	$ 1,631,478
Cash & Equivalents, Balance Sheet [2]	68,534
DCOH	15.3

1) As calculated for the trailing twelve months per Amendment No. 2 to the System Restructuring and Support Agreement.
2) Per available month-end financial statements at the time of calculation, including any unrestricted capital contribution funds.

Patient Accounts Receivable

Net patient accounts receivable of $239.7 million as of June 30, 2018 is a decrease of $6.0 million or 2.5% when compared to March 31, 2018. Days in net patient accounts receivable decreased to 63.7 days as of June 30, 2018 versus 64.7 days as of March 31, 2018.

Capital Expenditures

Capital expenditures during the quarter ended June 30, 2018 for Members of the Obligated Group total $20.5 million. However, two single capital expenditures exceeded $1 million; the System Office expended approximately $6.8 million associated with the ongoing implementation of a new

electronic health record system and Seton Medical Center expended approximately $2.2 million for the Seismic Master Facility Plan.

Long-Term Debt

Series 2015 Notes. On December 14, 2015, the California Public Finance Authority issued an aggregate of $160 million of 2015 Revenue Notes (Verity Health System) Series 2015A, B, C, and D (collectively, the "2015 Notes") for the benefit of the Parent. A portion of the proceeds of the 2015 Notes was used, together with other funds, to pay the principal of and accrued and unpaid interest on prior bonds that matured on December 15, 2015. The 2015A, B, and D Notes are tax exempt, and the Series 2015C Notes are taxable.

The 2015 Notes are secured by an Obligation (as defined in the Master Indenture) on parity with other Obligations issued pursuant to the Master Indenture. In addition to their parity lien under the Master Indenture, the 2015 Notes have additional lien rights on the Obligated Group's accounts receivable and in certain properties owned by St. Francis Medical Center and Saint Louise Regional Hospital.

In September 2017, the California Public Finance Authority issued $21 million of tax-exempt notes (the "2017A Notes") for the benefit of the Parent. All of the 2017A Notes were purchased by NantWorks, LLC ("Nant"), the owner of a majority stake in VHS's management company, Integrity Healthcare LLC. The 2017A Notes are secured by an Obligation (as defined in the Master Indenture) on parity with other Obligations issued pursuant to the Master Indenture. In addition to their parity lien under the Master Indenture, the 2017A Notes have additional lien rights on the Obligated Group's accounts receivable and in certain properties owned by St Francis Medical Center and Saint Louise Regional Hospital, all on parity with the 2015 Notes. Further, the 2017A Notes have a lien on property owned by a non-Obligated Group Member. The 2017A Notes bear interest at 7.25% and the principal is due at the maturity date in December 2020.

In October 2017, Verity MOB Financing, LLC, an affiliate of Nant, made a loan in the amount of $46.2 million to Verity Holdings, LLC ("Holdings"), which is an affiliated entity of VHS; however, it is not a Member of the Obligated Group. The loan is secured by four medical office buildings and matures in October 2020 subject to two successive twelve month extensions. The loan bears interest at a variable rate tied to One Month Libor.

In December 2017, the California Public Finance Authority issued $21 million of tax-exempt notes (the "2017B Notes" together with the 2017A Notes; collectively the "2017 Notes") for the benefit of the Parent. All of the 2017B Notes were purchased by Nant. The 2017B Notes are secured by an Obligation (as defined in the Master Indenture) on parity with other Obligations issued pursuant to the Master Indenture. In addition to their parity lien under the Master Indenture, the 2017B Notes have additional lien rights on the Obligated Group's accounts receivable and in certain properties owned by St Francis Medical Center and Saint Louise Regional Hospital, all on parity with the 2015 Notes. Further, the 2017B Notes have a lien on property owned by a non-Obligated Group Member. The 2017B Notes bear interest at 7.25% and the principal is due at the maturity date in December 2020.

In March 2018, Nant Capital, LLC an affiliate of Nant, made two loans in the aggregate amount of $40 million to Holdings. The loans are unsecured, mature in March 2020, and bear a fixed interest rate of 7.25%.

In June 2018, Verity MOB Financing II, LLC, an affiliate of Nant, made a loan in the amount of $20 million to Holdings, which was drawn down in two tranches. The initial loan disbursement of $15 million was drawn in June 2018 and the second loan disbursement of $5 million was drawn in July 2018. The loan is secured by nine parcels including two medical office buildings, a storage facility and various other parcels. The loan matures in June 2021 and bears interest at a variable rate tied to One Month Libor.

Total long-term debt, including the current portion as of June 30, 2018 was $500.6 million for the Obligated Group. Total long-term debt, including the current portion as of March 31, 2018 was $502.0 million for the Obligated Group.

OTHER EVENTS

In July 2018, Verity announced it is exploring strategic options to alleviate financial and operational pressures on its five acute care hospitals and other facilities. At this time, a range of options is being considered, including the potential sale of some or all of its hospitals and medical buildings, among other possible transactions.

Also, in a series of transactions completed in August 2018, Verity Holdings, LLC, which is not a Member of the Obligated Group, redeemed its controlling interest in its Northern California ambulatory surgery management company, BASM, and its non-controlling ownership interest in five surgery centers managed by BASM.

Independent Auditor's Report

Board of Directors
Verity Health System
Redwood City, California

We have audited the accompanying consolidated financial statements of Verity Health System of California, Inc., which comprise the consolidated balance sheet as of June 30, 2017, and the related consolidated statements of operations and changes in net (deficit) assets and cash flows for the year then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We did not audit the financial statements of Marillac Insurance Company, Ltd. (Marillac), a wholly-owned subsidiary, which statements reflect total assets of $52,503,262 at June 30, 2017 and total revenues of $12,635,815 for the year then ended. Those statements were audited by other auditors, whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for such subsidiary, is based solely on the report of the other auditors. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

BDO USA, LLP, a Delaware limited liability partnership, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.

Opinion

In our opinion, based on our audit and the report of the other auditors, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Verity Health System of California, Inc. as of June 30, 2017, and the consolidated results of its operations, and the changes in its net (deficit) assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

The consolidated financial statements of Verity Health System of California, Inc. for the year ended June 30, 2016 were audited by other auditors, whose report dated December 8, 2016 expressed an unmodified opinion on those statements.

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying consolidating financial statement schedules for Verity Health System of California, Inc. are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The consolidating information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the consolidating information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

1. Organization and Business of the Company

Verity Health System of California, Inc., a California nonprofit public benefit corporation (Parent) (formerly named Daughters of Charity Health System) is the sole corporate member of five California nonprofit public benefit corporations that operate five acute care hospitals and other facilities (the Hospitals, see list below) in the state of California. The Parent and the following affiliated entities (collectively, Verity Health System or VHS) operate as a nonprofit health care system in the state of California, with approximately 1,680 licensed acute care and skilled nursing beds.

Verity Health System consists of Parent* and the following:

- O'Connor Hospital *
- Saint Louise Regional Hospital *
- St. Francis Medical Center *
- St. Vincent Medical Center *
- Seton Medical Center (including its unincorporated division, Seton Medical Center Coastside) *
- Verity Business Services
- Marillac Insurance Company, Ltd.
- O'Connor Hospital Foundation
- Saint Louise Regional Hospital Foundation
- St. Francis Medical Center Foundation
- St. Vincent Medical Center Foundation
- Seton Medical Center Foundation
- St. Vincent de Paul Ethics Corporation
- St. Vincent Dialysis Center
- De Paul Ventures, LLC
- Verity Medical Foundation
- Verity Holdings, LLC
- Verity BASM Holdco, LLC

* Member of the Obligated Group

With the exceptions of De Paul Ventures, LLC, Marillac Insurance Company, Ltd. (Marillac) and Verity BASM Holdco, LLC, each Verity Health System entity named above is exempt from federal income taxation as an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986 (IRC).

On July 17, 2015, Daughters of Charity Ministry Services Corporation (subsequently renamed Verity Health System of California, Inc.), Blue Mountain Capital Management, LLC (Blue Mountain), and Integrity Healthcare, LLC (Integrity) entered into a System Restructuring and Support Agreement (as subsequently amended, the Restructuring Agreement) to change the governance of and recapitalize the Parent and certain of its subsidiaries. Integrity represents the management company for Verity Health System that was formed to carry out the management services under the Management Agreement, which is part of the overall Restructuring Agreement. Through June 30, 2017, Integrity was wholly owned by Blue Mountain. In July 2017, NantWorks LLC, the parent

organization for health technology and biotech companies founded by Dr. Patrick Soon-Shiong, acquired a majority stake in Integrity from Blue Mountain. Refer to subsequent events at Note 13 for additional details.

Under the Restructuring Agreement, the Parent and other members of the Obligated Group were converted from religious corporations to public benefit corporations. In exchange for options to acquire the assets of Verity Health System at a purchase price to be determined based on a specified percentage of outstanding liabilities of Verity Health System at the time of closing, Blue Mountain agreed to provide $100,000 in funding to the Parent and a commitment to provide additional debt financing at the option of the Parent. To fulfill this commitment, Blue Mountain arranged for an additional $160,000 in working capital financing that was privately placed with third parties (the "2015 Notes" - see Note 9 for additional details). After approval was obtained from the California Attorney General's office, the transactions contemplated by the Restructuring Agreement closed on December 14, 2015. Effective upon the closing of the transaction, the Parent's board of directors resigned and Daughters of Charity Ministry Services Corporation, acting as sole corporate member of the Parent, appointed an independent board of the Parent and amended the bylaws of the Parent to eliminate the corporate membership rights of Daughters of Charity Ministry Services Corporation as sole corporate member of the Parent and to convert the Parent into a nonprofit corporation without members. The Parent and all of its nonprofit corporate affiliates that were not previously public benefit corporations changed status from religious corporations to public benefit corporations under the California Nonprofit Corporation Law.

In connection with the initial accounting for the $100,000 Blue Mountain contribution received during the fiscal year ended June 30, 2016, $27,559 was recorded as deferred revenue for the value of the option to purchase the real estate and operating assets of VHS and $72,441 was recorded as a restricted asset for contributions to be released pursuant to the terms of the Restructuring Agreement. For the years ended June 30, 2017 and 2016, VHS recorded approximately $60,367 and $12,074 of contribution revenue, respectively, associated with the releases of these funds from restrictions. $27,559 is recorded as deferred revenue in other long-term liabilities as of June 30, 2017, as such amount will be recognized upon exercise or expiration of the option.

On a monthly basis, VHS records management fee expense and makes payments to Integrity associated with the management services received under the Management Agreement. During the initial fiscal year which ended June 30, 2016, the monthly management fee was determined based on a specified percentage of trailing 12 month operating revenues for VHS. Such management fees are adjusted each succeeding fiscal year based on changes in the consumer price index. VHS defers payment for a portion of management fees based on its days' cash on hand over the most recent 90 day period. All deferred management fees accrue interest at 2.82% per annum to the extent such amounts are not paid in the fiscal year that services are received. Such deferred management fees are contingently payable based on the terms of the Management Agreement, which include annual calculations of excess cash on hand.

For the years ended June 30, 2017 and 2016, VHS recorded approximately $59,333 and $32,215 of management fee expense within the purchased services and other expense line item, respectively. As of June 30, 2017 and 2016, VHS had a liability of $46,228 and $16,108 within accrued expenses and other current liabilities, respectively, associated with deferred management fees.

Pursuant to the Master Indenture of Trust, dated as of December 1, 2001 (as amended and supplemented, the Master Indenture) among the Members of the Obligated Group and U.S. Bank National Association (Master Trustee), an Obligated Group (see listing of entities included in the Obligated Group above) was established to access the capital markets. Obligated Group members are jointly and severally liable for the long-term debt outstanding secured by an Obligation issued under the Master Indenture.

Liquidity

VHS had working capital of $61,059 and $103,598 as of June 30, 2017 and 2016, respectively. VHS had a deficit of revenues over expenses of $37,850 and cash used in operations of $12,181 for the year ended June 30, 2017 compared to a deficit of revenues over expenses of $195,429 and cash used in operations of $85,375 for the year ended June 30, 2016. The current year deficit of revenues over expenses and cash used in operations represented an improvement of $157,579 and $73,194, respectively, from the prior year. Such improvements have been largely driven by increases in patient volumes, additional reimbursement under the California Hospital Fee Program (see Note 2 for details), and overall cost-cutting initiatives that have been implemented. Additionally, VHS has been successful in raising additional financing, which includes issuance of the 2017 Notes for $21,000 in September 2017 and the MOB Loan for $46,220 in October 2017 (see subsequent events at Note 13 for additional details). Management believes that cash flows from operations and financing activities will provide sufficient capital resources to sustain operations through at least the next twelve months from the date the financial statements were issued.

2. Summary of Significant Accounting Policies

Basis for Presentation

The accompanying consolidated financial statements are prepared in conformity with U.S. generally accepted accounting principles and include the accounts of VHS after elimination of intercompany transactions. Certain reclassifications and changes in presentation were made in the 2016 consolidated financial statements to conform to the 2017 presentation. See the recent accounting pronouncements section below for additional details. All amounts in the consolidated financial statements and footnotes are presented in thousands.

Use of Estimates

The preparation of the consolidated financial statements in conformity with U.S. generally accepted accounting principles requires management to make certain estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. VHS considers critical accounting policies to be those that require more significant judgments and estimates in the preparation of its consolidated financial statements, including the following: recognition of net patient service revenue, which includes contractual allowances and discounts; provisions for doubtful accounts and charity care; assumptions for measurement of pension and other postretirement liabilities; and reserves for losses and expenses related to hospital professional and general liabilities, workers' compensation claims and out-of-

network services associated with certain at-risk capitation arrangements. Management bases its estimates on historical experience and various other assumptions that it believes are reasonable under the particular facts and circumstances. Actual results could differ materially from those estimates.

Medical Foundation

The VHS Medical Foundation was established in December 2011 and incorporated under the California regulations as a not-for-profit corporation exempted from income taxes under IRC Section 501(c)(3). The sole member of this corporation is VHS, acting through its board of directors.

Cash and Cash Equivalents

Cash equivalents consist primarily of highly liquid marketable securities with original maturities, at the time of purchase, of three months or less.

Patient Accounts Receivable, Allowance for Doubtful Accounts, and Net Patient Service Revenue

Patient accounts receivable and net patient service revenue are reported at the estimated net realizable amounts from patients, third-party payers, and others for services rendered, including estimated settlements under reimbursement agreements with third-party payers. Settlements with third-party payers are accrued on an estimated basis in the period in which the related services are rendered and are adjusted in future periods as final settlements are determined.

VHS manages the receivables by regularly reviewing its patient accounts and contracts and by providing appropriate contractual allowances and allowances for doubtful accounts. These allowances are estimated based upon an evaluation of historical payments, negotiated contracts, and governmental reimbursements. Adjustments and changes in estimates are recorded in the period in which they are determined. The gross self-pay accounts receivable was reserved at 92% and 90% at June 30, 2017 and 2016, respectively, in total between the allowance for doubtful accounts and contractual allowances.

Patient service revenues, net of contractual allowances and discounts, are as follows:

Year Ended June 30,	2017	2016
Government	$ 913,460	$ 780,884
Contracted	333,258	332,686
Self-pay and others	54,287	48,109
Net patient service revenue	1,301,005	1,161,679
Less: Provision for doubtful accounts	(33,770)	(26,734)
Net patient service revenue less provision for doubtful accounts	$ 1,267,235	$ 1,134,945

Net patient service revenue includes contractual and other allowances (excluding charity care) of $5,260,897 and $4,676,402 for the years ended June 30, 2017 and 2016, respectively.

Significant concentrations of net patient accounts receivable are as follows:

As of June 30,	2017	2016
HMO/PPO/Commercial	40%	42%
Medicare	25	29
Medi-Cal	32	28
Other	3	1
Total	100%	100%

Inpatient acute care services, outpatient services, and skilled nursing services rendered to Medicare program beneficiaries are paid at prospectively determined rates per discharge. These rates vary according to a patient classification system that is based on clinical, diagnostic, and other factors. Certain inpatient non-acute services and defined capital and medical education costs related to Medicare beneficiaries are paid using a cost reimbursement methodology.

Health care services are provided free of charge or at a significant discount based on a sliding scale to individuals who meet certain financial criteria. VHS makes an effort to determine if a patient qualifies for charity care upon admission. If a patient is determined to qualify for charity care, services are rendered to the patient free of cost. The costs of providing these services are included in unsponsored community benefit expense and included as a deduction to net patient service revenue in the consolidated statement of operations. VHS estimates the cost of charity care by calculating a ratio of cost to usual and customary charges and applying that ratio to the usual and customary uncompensated charges associated with providing care to patients that qualify for charity care. The amount of charity care at cost was $10,444 and $13,981 for the years ended June 30, 2017 and 2016, respectively.

After satisfaction of amounts due from insurance and the application of financial discounts to patients' balances, and after exhausting all reasonable efforts to collect from the patients, a significant portion of VHS's uninsured and self-pay patient accounts are referred to third-party agencies based on VHS's established guidelines for further collection activities. As a result, VHS records a significant provision for doubtful accounts related to these uninsured patients in the period the services are rendered based on historical collection experience.

As part of VHS's mission to serve the community, VHS provides care to patients even though they may lack adequate insurance or may participate in programs that do not pay full charges. Reserves for charity care and uncollectible amounts have been established and are netted against patient accounts receivable in the consolidated balance sheets.

Payments from Medi-Cal and contracted-rate payers are based on a per-diem, per-discharge, modified cost, or capitated basis or a combination of these.

Adjustments for the finalization of prior year cost reports from both Medicare and Medi-Cal resulted in an increase to patient service revenues of $4,402 and $5,613, for the years ended June 30, 2017 and 2016, respectively. St. Francis Medical Center qualified for and received Medi-Cal funding as a disproportionate-share hospital from the state of California under Senate Bill (SB) 855. Related revenues were $30,542 and $27,029, for the years ended June 30, 2017 and 2016, respectively, and are included in net patient service revenue. Amounts to be received in future years, if any, are subject to annual determination.

The St. Francis Medical Center also received funding for Medi-Cal disproportionate-share hospitals under SB 1255. These SB 1255 funds are paid from the Emergency Services and Supplemental Payments Fund. Related revenues were $8,040 and $7,908, for the years ended June 30, 2017 and 2016, respectively, and are included in net patient service revenue. This funding must be applied for and approved each year.

The St. Francis Medical Center also qualifies for Medi-Cal funding as a disproportionate-share hospital from the state of California under SB 1732. This SB 1732 program permits health care facilities servicing a disproportionate share of Medi-Cal patients to receive supplemental reimbursement for a portion of their debt service for qualified capital projects. St. Francis Medical Center has an amendment to its Medi-Cal contract, which was executed on June 19, 1993, for reimbursement related to the St. Francis Medical Center Health Services Pavilion, which was completed in 1991. Related revenues were $2,213 and $2,220, for the years ended June 30, 2017 and 2016, respectively, and are included in net patient service revenue.

Other than St. Francis Medical Center, no other VHS entities received funding under SB 855, SB 1255 or SB 1732 for the years ended June 30, 2017 and 2016.

Inventories

Inventories consist of supplies and are stated at the lower of cost or market value, which is determined using the first-in, first-out method. Inventories are reviewed for obsolescence on a periodic basis. Amounts are included in other current assets.

Assets Limited as to Use

Assets limited as to use represent assets designated by the board of directors for future capital improvements, assets at Marillac designated by the board of directors for payment of workers' compensation and hospital professional and general liability claims, assets held by trustees under bond indenture agreements (refer the Series 2005 Bonds, Series 2015 Notes, and 2017 Assessment C-PACE Bonds at Note 9), and investments restricted by donors. Investment income or loss is included in deficiency of revenues over expenses, unless the income or loss is restricted by donor or law. The assets are reflected in the assets limited as to use line items in the consolidated balance sheets.

Investments

Investments received through gifts are recorded at estimated fair value at the date of donation. Gains and losses that result from market fluctuations are recognized in the period that such fluctuations occur. Realized gains or losses resulting from sales or maturities are calculated on an adjusted-cost basis. Adjusted-cost is the original cost of the security adjusted for any purchases or sales during the year. Dividend and interest income are accrued when earned.

VHS also maintains ownership interests in certain entities that are recorded under the equity method of accounting as VHS has the ability to exercise significant influence over the operating and financial policies of the investee. Equity method investments are recorded as other long-term assets in the consolidated balance sheet and earnings or losses associated with equity method investments are recorded as investment income (loss) in the consolidated statement of operations and changes in net assets.

Investment (loss) income includes the following:

Years Ended June 30,	2017	2016
Interest and dividends	$ 953	$ 867
Investment fees	(168)	(208)
Change in unrealized gains (losses) on investments - net	(1,489)	775
Net realized gains on sales of investments	5,385	555
Equity method investments - other-than-temporary impairment losses	(3,310)	-
Equity method investments - guarantee losses	(3,588)	-
Equity method investments - share of earnings (losses)	(118)	-
	(2,335)	1,989
Amounts included in changes in temporarily restricted net assets	(173)	(12)
Amounts included in changes in permanently restricted net assets	(65)	73
Investment (loss) income	$ (2,573)	$ 2,050

During the year ended June 30, 2017, VHS recorded other-than-temporary impairment losses of $3,310 associated with the decline in the fair value of certain surgery center investments that were purchased in January 2017. The decline in fair value resulted from the degradation in future estimated cash flows due to adverse changes in business conditions that occurred subsequent to the acquisition date. See Note 3 for additional details related to the initial purchase of non-controlling ownership interests in the surgery centers and a controlling ownership interest in the management company, Verity BASM Holdco, LLC. See Note 4 for additional details on the valuation methodology utilized to determine the fair value of the surgery center investments as of June 30, 2017.

During the year ended June 30, 2017, VHS also recorded investment losses of $3,588 associated with the guarantee of certain outstanding legal obligations on behalf of the surgery center equity method investees. See Note 3 for additional details on the terms of the guarantee. As of June 30, 2017, VHS estimated the fair value of the guarantee obligation to be $4,760, which resulted in the recording of a guarantee liability within other long-term liabilities. As this guarantee obligation was determined to represent an additional contribution to the investees, $1,172 was recorded as an increase in carrying value of VHS's equity method investment associated with VHS's portion of the investment and $3,588 was recorded as an investment loss associated with the non-contributing investees' portion of the investment. See Note 4 for additional details on the valuation methodology utilized to determine the fair value of the guarantee as of June 30, 2017.

Fair Value of Financial Instruments

The carrying amounts reported in the consolidated balance sheets for cash and cash equivalents, accounts receivable, accounts payable, accrued expenses, and due to/from government agencies approximate fair value due to their short-term nature. The fair value of investments is disclosed in Notes 4 and 8, and the fair value of debt is disclosed in Note 9.

Property and Equipment

Property and equipment are stated at cost if purchased, and at fair market value if donated. Depreciation of property and equipment is calculated using a half-year convention and the straight-line method for financial statement purposes. Estimated useful lives by classification are as follows:

Land improvements	5-25 years
Buildings	10-40 years
Building service equipment	5-25 years
Equipment	3-20 years
Software development	3-5 years

Long-Lived Asset Impairment

VHS routinely evaluates the carrying value of its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset, or related group of assets, may not be recoverable from estimated future undiscounted cash flows generated by the underlying tangible assets. When the carrying value of an asset exceeds the estimated recoverability, an asset impairment charge is recognized. The impairment tests are based on financial projections prepared by management that incorporate anticipated results from programs and initiatives being implemented and market value assessments of the assets. If the projections are not met, or if negative trends occur that impact the future outlook, the value of the long-lived assets may be impaired, which could be material. There was no long-lived asset impairment recorded for the years ended June 30, 2017 and 2016 associated with tangible assets.

VHS recorded an impairment loss of $6,858 associated with long-lived management contract intangible assets for the year ended June 30, 2017, which is included in goodwill and intangible asset impairment loss in the consolidated statement of operations and changes in net assets. See Note 3 for additional details.

Self Insurance

VHS is self-insured for hospital professional and general liabilities by a wholly-owned self-insured captive insurance company (Marillac). The provisions for estimated hospital professional and general liability claims include estimates of the ultimate costs for both uninsured reported claims and claims incurred-but-not-reported (IBNR), in accordance with actuarial projections or paid claims lag models based on past experience. Such claim reserves are based on the best data available to VHS; however, these estimates are subject to a significant degree of inherent variability. There is at least a reasonable possibility that a material change to the estimated reserves will occur in the near term. Such estimates are continually monitored and reviewed, and as reserves are adjusted, the

differences are reflected in current operations. Management is of the opinion that the associated liabilities recognized in the accompanying consolidated financial statements are adequate to cover such claims.

VHS has entered into reinsurance, stop loss, and excess policy agreements with independent insurance companies to limit its losses on hospital professional and general liability claims.

Hospital professional and general liabilities (HPL/GL) were $18,723 and $16,802, discounted at a rate of 4% as of June 30, 2017 and 2016, respectively. Management is not aware of any potential hospital professional and general liability claims whose settlement would have a material adverse effect on VHS's consolidated financial position.

Workers' Compensation Insurance

VHS is insured for workers' compensation claims with major independent insurance companies, subject to certain deductibles of $500 per occurrence as of June 30, 2017 and 2016. Based on actuarially determined estimates, provisions have been made in the consolidated financial statements, with the current portion included within accrued liabilities and the non-current portion within workers' compensation and hospital professional and general liabilities, for all known claims and IBNR claims as of June 30, 2017 and 2016. Workers' compensation liabilities were $26,274 and $24,752, discounted using a rate of 4%, as of June 30, 2017 and 2016, respectively. Estimation differences between actual payments and amounts recorded in previous years are recognized as expense in the year such amounts become determinable.

IBNR Claims under Premium Revenue Arrangements

Certain entities of VHS have capitation arrangements with various payers to provide medical services to enrollees. VHS accrues costs when services are rendered under these contracts, including estimates of IBNR claims and amounts receivable/payable under risk-sharing arrangements. The IBNR accrual includes an estimate of the costs for which VHS is responsible, including out-of-network services. The IBNR reserves are reported in accrued expenses and other current liabilities in the consolidated balance sheets (see Note 7 for additional information). Medical claims expense associated with premium revenue arrangements is separately reported in the consolidated statement of operations and changes in net (deficit) assets.

IBNR reserves are estimated based on actuarial studies, historical reporting, and payment trends. Subsequent actual claims experience will differ from the estimated liability due to variances in estimated and actual utilization of health care services, the amount of charges, and other factors. As settlement are made and estimates are revised, the differences are reflected in current operations.

The following table presents the roll-forward of the medical claims and IBNR liabilities as of and for each of the fiscal years ended June 30, 2017 and 2016:

June 30,	2017	2016
Medical claims and IBNR liabilities as of beginning of year	$ 31,415	$ 35,556
Claims expenses incurred during the year	61,959	65,380
Claims paid during the year	(61,477)	(69,521)
Medical claims and IBNR liabilities as of end of year	$ 31,897	$ 31,415

Asset Retirement Obligations (AROs)

AROs are legal obligations associated with the retirement of long-lived assets. These liabilities are initially recorded at fair value, and the related asset retirement costs are capitalized by increasing the carrying amount of the related assets by the same amount as the liability. Asset retirement costs are subsequently depreciated over the useful lives of the related assets. Subsequent to initial recognition, VHS records period-to-period changes in the ARO liability resulting from the passage of time. VHS has recorded ARO liabilities of $3,844 and $3,627 in other long-term liabilities as of June 30, 2017 and 2016, respectively.

Revenue Guarantees

VHS has agreements with physicians whereby minimum revenues are guaranteed by VHS for stipulated dollar amounts over specified periods, as defined in the contracts. VHS records a liability for the amount of the guaranteed revenue at the time the contract is entered into and adjusts the liability as it is expended. VHS has recorded liabilities of $754 and $922 in accrued expenses and other current liabilities as of June 30, 2017 and 2016, respectively.

Temporarily and Permanently Restricted Net Assets

Temporarily restricted net assets are those for which use by VHS has been limited by donors to a specific time period or purpose. Permanently restricted net assets have been restricted by donors to be maintained by VHS in perpetuity.

California Hospital Fee Program

California legislation established a program in 2009 that imposes a Quality Assurance Fee (QA Fee) on certain general acute-care hospitals in order to make supplemental and grant payments and increased capitation payments (Supplemental Payments) to hospitals up to the aggregate upper payment limit for various periods. There have been four such programs (the Programs) since inception.

The Programs are designed to make supplemental inpatient and outpatient Medi-Cal payments to private hospitals, including additional payments for certain facilities that provide high-acuity care and trauma services to the Medi-Cal population. This hospital QA Fee program provides a mechanism for increasing payments to hospitals that serve Medi-Cal patients, with no impact on the state's General Fund. Payments are made directly by the state or Medi-Cal managed care plans, which will receive increased capitation rates from the state in amounts equal to the Supplemental Payments. Outside of the legislation, the California Hospital Association has created a private program,

operated by the California Health Foundation and Trust (CHFT), which was established to alleviate disparities potentially resulting from the implementation of the Programs.

The Programs require full federal approval by the Centers for Medicare and Medicaid Services (CMS) in order for them to be fully enacted. If final federal approval is not ultimately obtained, provisions in the underlying legislation allowed for the QA Fee, previously assessed, and Supplemental Payments, previously received, to be returned and recouped, respectively.

In October 2013, the fourth program (36-Month Program), covering the period from January 2014 to December 2016, was signed into law by the governor of California. The fee-for-service payments of the 36-Month Program were approved in December 2014 by CMS. The first six months of non-expansion managed care payments were approved by CMS in June 2015. The first six months of expansion managed care payments were approved by CMS in March 2016. On December 30, 2016, CMS approved the managed care payments spanning July 1, 2014, to December 31, 2014 for the expansion population and July 1, 2014 to June 30, 2015, for the non-expansion population.

VHS recognized payments to the California Department of Health Care Services for the QA Fee in the amount of $70,032 and $84,221 and pledge payments to CHFT of $2,428 and $1,228 within purchased services and other expenses for the years ended June 30, 2017 and 2016, respectively. VHS also recognized Supplemental Payment revenue in the amount of $169,686 and $134,061 within the net patient service revenues for the years ended June 30, 2017 and 2016, respectively. For the year ended June 30, 2017, these amounts include the six months of the 36-Month Program related to the fee-for-service portion (July 1, 2016 through December 31, 2016) and the managed care rates approved by CMS on December 30, 2016 noted above.

Refer to Note 6 and Note 7 for additional information on the assets and liabilities recorded at June 30, 2017 and 2016, associated with the provider fee programs.

Premium Revenue

Certain entities of VHS have capitation arrangements with various payers to provide medical services to enrollees. Under these arrangements, VHS receives monthly payments on a per member per month basis (PMPM), regardless of services actually performed by VHS. Premium revenues are recognized during the period in which VHS is obligated to provide services to enrollees.

Meaningful Use Incentives

The American Recovery and Reinvestment Act of 2009 established payments under the Medicare and Medi-Cal programs for certain professionals and hospitals that meaningfully use certified electronic health record (EHR) technology. The Medicare incentive payments are paid out to qualifying hospitals over four consecutive years on a transitional schedule. To qualify for Medi-Cal incentives, hospitals and physicians must annually meet EHR "meaningful use" criteria that become more stringent over three stages as determined by CMS. For the years ended June 30, 2017 and 2016, VHS has recorded meaningful use incentive payments of $1,378 and $507, respectively. These incentive payments have been recorded as other operating revenue in the VHS consolidated statements of operations and are recorded under the gain contingency method. Such incentives are subject to audit and recapture by the relevant authorities.

Other Operating Revenue

Included in other operating revenue are amounts from rental revenues, cafeteria revenues, meaningful use incentives, grant revenues, and other non-patient care revenue.

Contributions

Unconditional promises to give cash and other assets to VHS are reported at fair value at the date the promise is received. The gifts are reported as either temporarily or permanently restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified as unrestricted net assets. Net assets released from restrictions used for operations are also included in other operating revenue as contribution revenue to the Hospitals.

Refer to Note 1 for additional information on the unrestricted contribution revenue recorded during the years ended June 30, 2017 and 2016, associated with the release of the Blue Mountain restricted contributions.

Interest Expense

Interest expense on debt issued for construction projects, net of income earned on the funds held pending use, is capitalized from the date of the borrowing until the projects are placed in service. Interest components include the following:

Years Ended June 30,	2017	2016
Total interest expense	$ 29,041	$ 20,943
Less: capitalized interest expense	(907)	(350)
Net interest expense	$ 28,134	$ 20,593

Income Taxes

VHS has established its status as an organization exempt from income taxes under IRC Section 501(c)(3) and the laws of California. Certain activities of the operating entities of VHS may be subject to income taxes; however, such activities are not significant to the consolidated financial statements.

Performance Indicator

Management considers the (deficit) excess of revenues over expenses to be VHS's performance indicator. (Deficit) excess of revenues over expenses includes all changes in unrestricted net assets, except net assets released from restrictions used for purchase of property and equipment, the change in funded status of pension plans, and other.

Certain Obligated Group members have a policy whereby assets are periodically transferred as charitable distributions to subsidiaries of VHS that are not members of the Obligated Group. These transfers are accounted for as direct charges to the Obligated Group members' unrestricted net assets. It is anticipated that Obligated Group members will continue to make asset transfers to the subsidiaries. These transfers are eliminated upon consolidation.

Recent Accounting Pronouncements

In March 2017, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2017-07, *Compensation - Retirement Benefits: Improving the Presentation of Net Periodic Pension Costs and Net Periodic Postretirement Benefit Cost.* This guidance was issued to improve the reporting of net benefit cost in the financial statements to make this information more transparent. Under the guidance, an employer must report the service cost component in the same line item or items as other compensation costs arising from services rendered by pertinent employees during the period. The other components of net benefit cost are required to be presented in the statement of operations separately from the service cost component and outside the subtotal of income from operations if one is presented. ASU 2017-07 is effective for annual reporting periods beginning after December 15, 2017. Early adoption is permitted. VHS is currently evaluating the impact of this new standard on the consolidated financial statements.

In January 2017, the FASB issued ASU 2017-02, *Not-For-Profit Entities - Consolidation: Clarifying When a Not-For-Profit Entity That is a General Partner or Limited Partner Should Consolidate a For-Profit Limited Partnership or Similar Entity.* The amendments in this ASU retain the consolidation guidance that existed in Subtopic 810-20 by including it in Subtopic 958-810 (not-for-profit consolidation guidance). ASU 2017-02 is effective for annual periods beginning after December 15, 2016 and early adoption is permitted. VHS early adopted this guidance for the year ended June 30, 2017. Adoption of this guidance did not have a material effect on the consolidated financial statements.

In August 2016, the FASB issued ASU 2016-15, *Classification of Certain Cash Receipts and Payments.* This guidance adds or clarifies guidance on the classification of certain cash receipts and payments in the statement of cash flows. ASU 2016-15 is effective for annual periods beginning after December 15, 2018. VHS is currently evaluating the impact of this new standard on the consolidated financial statements.

In August 2016, the FASB issued ASU 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements for Not-For-Profit Entities,* which will require not-for-profit entities to revise financial presentation to include: net asset classifications, provide quantitative and qualitative information as to available resources and management of liquidity and liquidity risk, information on investment expenses and returns, and the presentation of operating cash flows. The standard aims to help the reader of the financial statements to better understand the financial position of the organization and enhance consistency among similar organizations. ASU 2016-14 is effective for annual periods beginning after December 15, 2017. Early adoption is permitted. VHS is currently evaluating the impact of this new standard on the consolidated financial statements.

In February 2016, the FASB issued ASU 2016-02, *Leases, (Topic 842): Amendments to the FASB ASC.* ASU 2016-02 amends the existing accounting standards for lease accounting, including requiring lessees to recognize most leases on their balance sheets and making targeted changes to lessor accounting. The new standard requires a modified retrospective transition approach for all leases existing at, or entered into after, the date of initial application, with an option to use certain transition relief. The amendments in this update are effective for fiscal years (and interim reporting periods within fiscal years) beginning after December 15, 2018. Early adoption of the amendments is permitted for all entities. VHS is currently evaluating the impact of this new standard on the consolidated financial statements.

In July 2015, the FASB issued ASU 2015-11, *Simplifying the Measurement of Inventory.* This standard requires entities to measure most inventories at the lower of cost or net realizable value. ASU 2015-11 is effective for annual periods beginning after December 15, 2016. VHS does not expect this guidance to have a material effect on the consolidated financial statements.

In April 2015, the FASB issued ASU 2015-07, *Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities that Calculate Net Asset Value per Share (or its Equivalent).* The standard removes the requirement to categorize, within the fair value hierarchy, investments for which fair value is measured using the net asset value per share as a practical expedient. VHS adopted ASU 2015-07 retrospectively for the fiscal year ended June 30, 2017. As a result of the retrospective adoption, VHS removed any investments from the fair value hierarchy for which fair value is measured using the NAV per share as a practical expedient. Refer to the fair value disclosures for VHS's pension plan assets in Note 8 for additional details.

In April 2015, the FASB issued ASU 2015-03, *Interest-Imputation of Interest: Simplifying the Presentation of Debt Issuance Costs.* The standard amends existing guidance to require the presentation of debt issuance costs in the balance sheet as a deduction from the carrying amount of the related debt liability instead of as an asset. VHS adopted ASU 2015-03 retrospectively for the fiscal year ended June 30, 2017. As a result of the retrospective adoption, VHS reclassified unamortized debt issuance costs of $4,483 from other long-term assets to a reduction in long-term debt in the consolidated balance sheet as of June 30, 2016.

In May 2014, the FASB issued ASU 2014-09, *Revenue from Contracts with Customers (Topic 606),* and in August 2015, the FASB issued ASU 2015-14, *Revenue from Contracts with Customers (Topic 606): Deferral of the Effective Date,* which defers the effective date of ASU 2014-09 by one year. ASU 2014-09 requires the entity to recognize revenue for the transfer of goods or services equal to the amount that it expects to be entitled to receive for those goods or services, effective for periods beginning after December 15, 2017. VHS is currently evaluating the impact of this new standard on the consolidated financial statements.

3. Acquisitions

In January 2017, VHS expanded it ambulatory footprint by obtaining (1) a 51% controlling ownership interest in a newly formed management company, Verity BASM Holdco, LLC (a.k.a. Surgical Partners of California or BASM) which has agreements to manage multiple ambulatory surgery centers in the San Francisco Bay Area and (2) a non-controlling ownership interest in five of the surgery centers managed by BASM. The partnership is expected to advance VHS's goal of evolving into an integrated healthcare delivery network for the communities served.

VHS determined that the acquisition of BASM should be consolidated in the financial statements of VHS and the 49% non-controlling ownership interest should be separately presented. Refer below for additional details on the assets, liabilities and net assets recorded in connection with the purchase price allocation for BASM. VHS also determined that its non-controlling ownership interests in five of the surgery centers managed by BASM ranging from 20% - 25% should be accounted for under the equity method of accounting.

The consideration for the above ownership interests included a cash payment of approximately $15,000 and the assumption of a guarantee associated with an outstanding legal obligation owed by BASM and the five surgery centers for which VHS acquired an ownership interest (collectively, the "defendants"). The $15,000 purchase price was allocated between BASM and the five surgery centers based on the respective business valuations for VHS's ownership interest in each entity, which were determined using a discounted cash flow approach and appropriate discounts for lack of control and marketability, as required. Discount rates utilized to determine the business valuations ranged from 13% - 17% depending on the level of risk associated with the business operations.

Based on the valuations, approximately $7,165 was allocated to the five surgery centers and was recorded as equity-method investments and $7,835 was allocated to BASM, representing VHS's ownership interests in the net assets of BASM. In the opening balance sheet of BASM as of January 2017, VHS recorded (1) total assets of $21,799, including $12,720 of intangible assets, $5,702 of goodwill and $3,377 of tangible assets; and (2) total liabilities of $6,436 associated with the assumed legal obligations. The total net assets of $15,363 were allocated as $7,835 for VHS's controlling interest and $7,528 for the non-controlling interest. The intangible assets are associated with the management contracts assumed and are being amortized over a useful life ranging from 5 to 15 years in accordance with the duration of the contracts.

In connection with the transaction, VHS simultaneously entered into a series of Reimbursement Agreements with the defendants requiring that they reimburse VHS for any payments made under the guarantee agreement. Such reimbursement may either be in the form of cash payments or VHS has the ability to recover such amounts by acquiring additional membership units in the respective entities. The initial amount of the guarantee was $20,000 plus accrued interest at 6% per annum. As of June 30, 2017, the outstanding obligation at risk under the guarantee is $15,000 plus interest.

On June 30, 2017, which represents the annual impairment testing date, VHS concluded there were impairment indicators associated with VHS's equity method investments in certain of the surgery centers and the management contract intangible assets and goodwill recorded at BASM. Such impairment indicators resulted from significant adverse trends in the most recent estimates of future cash flows for both the surgery centers and BASM. As a result of the impairment analysis, VHS recorded (1) $3,310 of other-than-temporary impairment losses for its equity method investments in investment loss (see Note 2 for additional detail); (2) $6,858 of impairment losses for the management contract intangible assets at BASM in operating expenses; and (3) $3,374 of impairment losses for goodwill at BASM in operating expenses. See Note 4 for additional details on the valuation methodology utilized to determine the fair value of the respective assets and record the impairment charges as of June 30, 2017.

As a result of the impairment indicators identified at June 30, 2017, VHS also re-assessed the probability associated with a contingent loss under the guarantee agreement and recorded a guarantee obligation of $4,760 in other long-term liabilities. As this guarantee obligation was determined to represent an additional contribution to the surgery centers investees, $1,172 was recorded as an increase in carrying value of VHS's equity method investment associated with VHS's portion of the investment and $3,588 was recorded as an investment loss associated with the non-contributing investees' portion of the investment. See Note 4 for additional details on the valuation methodology utilized to determine the fair value of the guarantee as of June 30, 2017.

4. Fair Value Measurements

VHS accounts for certain assets at fair value or on a basis that approximates fair value. A fair value hierarchy for valuation inputs has been established to prioritize the valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Each fair value measurement is reported in one of the three levels, which is determined by the lowest-level input that is significant to the fair value measurement in its entirety. These levels are as follows:

- *Level 1* - Quoted prices are available in active markets for identical assets as of the measurement date. Financial assets in Level 1 include listed equities and money market balances.
- *Level 2* - Pricing inputs are based upon quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data for substantially the full term of the assets. Financial assets in this category generally include asset-backed securities, corporate bonds, municipal bonds, and commingled investment funds.
- *Level 3* - Pricing inputs are generally unobservable for the assets and include situations where there is little, if any, market activity for the investment. The inputs used in determination of fair value require management's judgment or estimation of assumptions that market participants would use in pricing the assets. Therefore, the fair values are determined using factors that involve judgment and interpretations, including discounted cash flow models and similar techniques.

The following represents assets measured at fair value on a recurring basis:

	June 30, 2017		
	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)
Other investments - assets limited as to use:			
Cash equivalents	$ 16,949	$ 16,949	$ -
Debt securities issued by foreign corporations	262	-	262
Debt securities issued by the U.S. Treasury and other U.S. government corporations	21,162	-	21,162
Government mortgage-backed securities	7,376	-	7,376
Corporate U.S. debt securities	11,194	-	11,194
Investment held in trust account	4,238	-	4,238
	61,181	16,949	44,232
Under bond indenture agreements - assets limited as to use:			
Cash equivalents	63,493	63,493	-
Total assets limited as to use	$ 124,674	$ 80,442	$ 44,232

	June 30, 2016		
	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)
Other investments - assets limited as to use:			
Cash equivalents	$ 60,264	$ 60,264	$ -
Debt securities issued by foreign corporations	2,063	-	2,063
Debt securities issued by the U.S. Treasury and other U.S. government corporations	13,919	-	13,919
Government mortgage-backed securities	1,096	-	1,096
Commercial mortgage-backed securities	5,111	-	5,111
Corporate U.S. debt securities	13,450	-	13,450
Index funds	10,416	-	10,416
Investment held in trust account	5,924	-	5,924
	112,243	60,264	51,979
Under bond indenture agreements - assets limited as to use:			
Cash equivalents	25,154	25,154	-
Total assets limited as to use	$ 137,397	$ 85,418	$ 51,979

There were no transfers to or from Levels 1, 2, or 3 during the years presented. The Level 2 financial assets listed in the fair value hierarchy tables above use the following valuation techniques and inputs:

For marketable securities, such as foreign corporation and U.S. government debt securities, government and commercial mortgage-backed securities, corporate U.S. debt securities, index funds, and beneficial interest held in trust accounts, wherein identical quoted market prices are not readily available, the fair value of such investments is determined based on market participant pricing or other available market data for comparable instruments and transactions at the measurement date. VHS, therefore, incorporates industry-standard valuation techniques as inputs to fair valuation of its investments designated as Level 2.

VHS's rationale for the assignment of levels is based on types or classes of financial assets, rather than an analysis of each individual asset. Key consideration in the assignment of levels was given to the determination of a security's fair valuation measurement if obtained from an active market, and then further consideration was given for the types of inputs used to evaluate the fair value price. This approach has been supported by management's analysis of the methodology, the evaluated pricing models, and inputs used by its pricing vendors. It is also consistent with industry practice.

Where quoted prices are available in an active market (exchange-traded), the securities are classified as Level 1. It is a market in which transactions occur with sufficient frequency and volume to provide pricing information on an ongoing basis. If quoted market prices are not readily available for a specific financial asset, then value is determined using quoted prices of assets with similar characteristics and is classified as Level 2. Examples of these categories are VHS's investment in high-yield debt securities, collateralized mortgage obligations, and fixed-income prices provided by

a broker-dealer. In cases where there is limited activity and less transparency associated with inputs to the valuation, VHS will designate the investments as Level 3. There were no Level 3 investments at June 30, 2017 and 2016.

Impairment Losses

During the year ended June 30, 2017, VHS recorded (1) $3,310 of other-than-temporary impairment losses for its equity method investments; (2) $6,858 of impairment losses for the management contract intangible assets at BASM; and (3) $3,374 of impairment losses for goodwill at BASM. These represent non-recurring fair value measurement as of June 30, 2017. See Notes 2 and 3 for additional details. The fair value of the respective assets was determined using a discounted cash flow approach and appropriate discounts for lack of control and marketability, as required. Discount rates utilized to determine the business valuations ranged from 13% - 15% depending on the level of risk associated with the business operations. Such fair value measurements represent Level 3 fair value measurements as they utilize significant unobservable inputs.

Guarantee

During the year ended June 30, 2017, VHS recorded a guarantee liability of $4,760 associated with the guarantee of certain outstanding legal obligations on behalf of the surgery center equity method investees. This represents a non-recurring fair value measurement as of June 30, 2017. See Note 3 for additional details on the terms of the guarantee. The fair value of the guarantee was estimated based on the contingent loss associated with the estimated payments to be made under the guarantee in the event of a default by the surgery centers.

Investment Held in Trust Accounts

VHS is the beneficiary of a split-interest agreement from a donor. The related assets are controlled and invested by an independent third party. VHS records the assets based on the fair value of the underlying investments.

5. Property and Equipment

Property and equipment consists of the following:

June 30,	2017	2016
Land	$ 26,235	$ 28,970
Land improvements	20,226	20,252
Buildings and service equipment	703,766	705,025
Equipment	543,947	524,828
Construction in progress	24,209	8,139
Total	1,318,383	1,287,214
Less accumulated depreciation	(1,071,341)	(1,042,302)
Property and equipment, net	$ 247,042	$ 244,912

VHS recorded depreciation expense of $34,453 and $48,308 for the years ended June 30, 2017 and 2016, respectively.

6. Other Assets

Other current assets consist of the following:

June 30,	2017	2016
Inventories	$ 24,032	$ 21,501
Prepaid expenses	8,377	13,129
Provider fee receivables	35,960	51,761
Other receivables	14,357	5,343
Pledges receivable	4,533	2,968
Deposits	2,782	5,108
Other	5,151	6,463
Total other current assets	$ 95,192	$ 106,273

Other long-term assets consist of the following:

June 30,	2017	2016
Notes receivable	$ 3,271	$ 646
Intangible assets	5,398	-
Goodwill	3,225	-
Assets held for sale	2,469	-
Equity-method investments	5,041	-
Other	5,681	5,232
Total other long-term assets	$ 25,085	$ 5,878

7. Accrued Expenses and Other Current Liabilities

Accrued expenses and other current liabilities consist of the following:

June 30,	2017	2016
Wages and benefits	$ 64,155	$ 66,471
Medical claims and IBNR	31,897	31,415
Deferred management fees	46,228	16,108
Current portion of workers' compensation and hospital professional and general liability	8,855	9,805
Provider fee payables and advances	55,707	29,361
Other	47,287	64,243
Total accrued expenses and other current liabilities	$ 254,129	$ 217,403

8. Pension and Other Postretirement Benefit Plans

VHS maintains single employer defined benefit retirement plans and participates in a multi-employer defined benefit retirement plan. The plans have been frozen for all employees, except members of the California Nurses Association (CNA). Benefits are generally based on age, years of service, and employee compensation. VHS also offers postretirement health care benefits to a limited number of its employees. The postretirement health care benefits are determined based on age and years of service.

The multiemployer defined benefit pension plan is called the Retirement Plan for Hospital Employees (RPHE). The entities that participate in the RPHE are Seton Medical Center, Seton Medical Center Coastside, O'Connor Hospital, Saint Louise Regional Hospital, and Caritas Business Services (however, as noted above, only CNA members at these locations earn new benefits under the plan). Benefits are generally based on years of service and the employee's compensation. Contributions to the plan are based on actuarially determined amounts sufficient to meet the benefits to be paid to plan participants and satisfy IRS funding requirements. VHS recorded benefits expense of $21,093 and $17,223 associated with required cash contributions to the RPHE during the fiscal years ended June 30, 2017 and 2016, respectively.

VHS also maintains single-employer defined benefit pension plans (the Retirement Plans). VHS associates at St. Francis Medical Center, St. Vincent Medical Center, O'Connor Hospital, Saint Louise Regional Hospital, and the system office are eligible to participate in this plan (however, as noted above, only CNA members continue to earn new benefits under the plan). VHS contributed $41,678 and $12,915 to the Retirement Plans during the fiscal years ended June 30, 2017 and 2016, respectively.

VHS also maintains a retiree health insurance program (the Postretirement Healthcare Plan), which provides medical benefits to retirees from early retirement to age 65 only. VHS employees at O'Connor Hospital, St. Louise Regional Hospital, Seton Medical Center, and Seton Medical Center Coastside are eligible to participate in this plan. The Postretirement Healthcare Plan is an unfunded plan. VHS contributed $50 and $58 to the Postretirement Healthcare Plan during the fiscal years ended June 30, 2017 and 2016, respectively.

Defined Contribution Retirement Plans

In addition to the above pension plans, VHS maintains three different defined contribution retirement plans for its employees. One of these defined contribution plans (TSA/403(b)) includes employee voluntary contributions only. A second defined contribution plan (Match Benefit) requires employer contributions and the benefits are based on a percentage of the employees' contributions to the TSA/403(b). A third plan covers all employee groups except members of the CNA and is a fully employer-paid defined contribution plan with benefits based on a percentage of compensation. During the fiscal years ended June 30, 2017 and 2016, the employer's contribution expense for the defined contribution plans was $18,481 and $21,749, respectively.

The funded status of the Retirement Plan and the Postretirement Healthcare Plan benefits is as follows:

	June 30, 2017		June 30, 2016	
	Retirement Plans	Postretirement Healthcare Plan	Retirement Plans	Postretirement Healthcare Plan
Change in benefit obligation:

Amounts that have not yet been recognized as components of net period benefit cost are as follows:

	June 30, 2017		June 30, 2016	
	Retirement Plans	Postretirement Healthcare Plan	Retirement Plans	Postretirement Healthcare Plan
Net actuarial loss (gain)	$ 225,849	$ -	$ 234,717	$ (12,042)
Prior service costs	(10,518)	-	-	280
Total amount not recognized	$ 215,331	$ -	$ 234,717	$ (11,762)

The components of net period benefit cost and amounts recognized in the consolidated statements of operations and changes in net assets apart from expenses are as follows:

	Year Ended June 30, 2017		Year Ended June 30, 2016	
	Retirement Plans	Postretirement Healthcare Plan	Retirement Plans	Postretirement Healthcare Plan
Components of net periodic benefit cost (income):				
Service cost	$ 1,837	$ 98	$ 2,062	$ 181
Interest cost	22,929	73	24,614	163
Expected return on plan assets	(18,665)	-	(18,611)	-
Net prior service cost amortization	(184)	72	-	72
Amortization of actuarial loss (gain)	5,918	(1,193)	4,463	(987)

Amortization of actuarial (loss) gain	(5,918)	1,193	(6,273)	987
Other Adjustments	-	11,846	-	-
Total	$ (19,386)	$ 11,762	$ 53,325	$ (1,071)

The estimated actuarial loss (gain) and prior service cost for the Retirement Plans that will be amortized into net periodic benefit cost over the next fiscal year is $6,213 and ($368), respectively.

During the fiscal year ended June 30, 2017, $11,846 remaining in net assets associated with prior service cost and net actuarial gains for the Postretirement Healthcare Plan was immediately recognized into net periodic benefit cost as a reduction of expense. During the next fiscal year any prior service cost (credits) and net actuarial losses (gains) will continue to be recognized immediately into net periodic pension cost and will not be amortized in future periods.

Assumptions

The weighted-average assumptions used to determine benefit obligations and net period benefit costs, are as follows:

	June 30, 2017		June 30, 2016	
	Retirement Plans	Postretirement Healthcare Plan	Retirement Plans	Postretirement Healthcare Plan
Weighted-average assumptions used to determine benefit obligations:				
Discount rate	3.84% - 4.00%	3.70%	4.05%	3.85%
Rate of compensation increase (rate of 4.00% used for 2019 and later)	5.00%	N/A	2.50%	N/A
Weighted-average assumptions used to determine net periodic benefit costs:				
Discount rate	3.31% - 3.98%	3.85%	4.80%	4.55%
Expected return on plan assets	6.75%	N/A	7.00%	N/A
Rate of compensation increase	5.00%	N/A	2.50%	N/A

Expected Return on Plan Assets

The Retirement Plan's estimated long-term rate of return on pension assets is driven primarily by historical asset-class returns, an assessment of expected future performance, advice from external actuarial firms, and the incorporation of specific asset-class risk factors. Asset allocations are periodically updated using pension plan asset/liabilities studies, and VHS's estimated long-term rates of return are consistent with these studies.

Discount Rate

The discount rate assumptions used to determine the retirement and postretirement benefit plan obligations and expenses reflect the prevailing rates available on high-quality, fixed-income debt instruments. The rate was based on cash flow analysis that matched estimated future benefit payments to the bond discount yield curve as of June 30, 2017 and 2016. Approximately 98% of VHS's retirement plan liabilities were measured using a discount rate 3.84% as of June 30, 2017.

During the fiscal year ended June 30, 2017, the discount rate was updated from a single equivalent discount rate used to determine the projected benefit obligation and net periodic benefit cost to separate discount rates used for determining the projected benefit obligation, interest on the projected benefit obligation, service cost and interest on service cost. The range of discount rates used to determine the separate components have been included in the table above.

Other Benefit Assumptions

For the measurement of accumulated postretirement benefit obligations at June 30, 2017, the Postretirement Healthcare Plan assumed health care cost trend rates start at 8.00% in 2017 and decrease by 0.25%-0.50% annually, reaching an ultimate rate of 5.50% in fiscal year 2023. A one-percentage-point change in assumed health care cost trend rates would not have a material effect on VHS's consolidated financial statements.

Plan Assets and Investment Strategy

The following information represents VHS's pension plan assets measured at fair value and indicate the fair value hierarchy and valuation techniques utilized to determine such fair value:

As of June 30, 2017, $1,842 of the plan's cash balance was held in a separate non-interest-bearing cash account for the purpose of claims disbursement by the plan's administrator.

VHS's investment strategy for the assets of the Retirement Plan is designed to preserve principal while earning returns relative to the overall market consistent with a prudent level of risk. The strategy balances the liquidity needs of the Retirement Plan with the long-term return goals necessary to satisfy future obligations. The target asset allocation is diversified across traditional asset classes. Diversification is also achieved through participation in U.S. and non-U.S. markets, investment manager style, philosophy, and capitalization. The complementary investment styles and approaches used by investment managers are aimed at reducing volatility while capturing the equity premium from the capital markets over the long term. Risk tolerance is established through consideration of plan liabilities, plan funded status, and VHS's consolidated financial condition. Consistent with VHS's fiduciary responsibilities, the fixed-income allocation generally provides for security of principal to meet near-term expenses and obligations. Periodic reviews of the market values and corresponding asset allocation percentages are performed to determine whether a rebalancing of the portfolio is necessary.

The following were the target asset allocations as of June 30, 2017, by major asset classification:

Fixed-income	35%
Domestic stocks	29
Foreign stocks	19
Inflation linked	17
Total plan assets	100%

Cash Contributions and Benefit Payments

VHS expects to contribute $46,048 to the Retirement Plans and $58 to the Postretirement Healthcare Plan during fiscal year ending June 30, 2018. The expected contributions to the Retirement Plans include an additional expected contribution of approximately $7,619 resulting from a shortfall in 2017 charity care requirement established by the Attorney General in connection with the Restructuring Agreement.

The benefit payments, which reflect expected future service, as appropriate, expected to be paid in each of the next five years, and in aggregate for the next five years, are as follows:

	Retirement Plan Benefits	Postretirement Healthcare Benefits
2018	$ 23,834	$ 58
2019	25,316	47
2020	27,251	50
2021	29,016	55
2022	30,166	60
Next five years	161,490	330

Multiemployer Plan

Certain affiliated entities in Northern California participate in multiemployer defined benefit retirement plans as described below (in thousands):

Plan	Pension Plan Employer Identification Number/Plan Number	Pension Protection Act Zone Status June 30 2017	Pension Protection Act Zone Status June 30 2016	Funding Improvement/ Rehabilitation Plan Status June 30, 2017
Retirement Plan for Hospital Employees	94-2995676/001	Green	Green	No

Pension Protection Act Zone Status (from worst to best):

Critical Status	Red
Seriously Endangered	Orange
Endangered	Yellow
None of the above	Green

Plan	Pension Plan Employer Identification Number/Plan Number	Contributions 2018 (Expected)	2017	2016	Surcharge Imposed (during 2013)	Collective Bargaining Agreement Expiration Date
Retirement Plan for Hospital Employees	94-2995676/001	$15,706	$21,093	$ 17,223	No	October 31, 2018

Since March 1, 2011, participant benefits were frozen for the non-contractual employees of the two participating affiliates in the Retirement Plan for Hospital Employees. Beginning January 1, 2013, participant benefits were frozen for all Service Employees International Union (SEIU) employees. Certain affiliates will continue to make periodic contributions as needed for eligible participants.

The contributions for the multiemployer plan were approximately 45% and 38% of the total contributions to the plan for June 30, 2017 and 2016, respectively. There are no minimum contributions required for future periods by the collective-bargaining agreements, statutory obligations, or other contractual obligations for both plans.

The risks of participating in multiemployer plans are different from single-employer plans in the following aspects: (i) assets contributed to the multiemployer plan by one employer may be used to provide benefits to employees of other participating employers; (ii) if a participating employer stops contributing to the plan, the unfunded obligations of the plan may be borne by the remaining participating employers; and (iii) if the affiliates choose to stop participating in the multiemployer plan, the affiliates may be required to pay the plan an amount based on the underfunded status of the plan, referred to as a withdrawal liability.

9. Debt

Long-term debt consists of the following:

June 30,	2017	2016
California Statewide Communities Development Authority Revenue Bonds Series 2005A, payable in varying installments through 2040, fixed interest rates ranging from 5.00% to 5.25% per annum	$ 246,345	$ 249,850

Obligated Group

Verity Health System of California, Inc. and its five hospitals are collectively referred to as the "Obligated Group" or as "Members," and each individually is sometimes referred to herein as a "Member." The Obligated Group is established pursuant to a Master Indenture of Trust, dated December 1, 2001, as supplemented to date (the Master Indenture), between the Obligated Group and U.S. Bank National Association, as successor master trustee (the Master Trustee). The Obligated Group is jointly and severally liable for obligations issued pursuant to and outstanding under the Master Indenture (Obligations).

Each of the Obligated Group Members has executed one or more deeds of trust pursuant to which the respective Obligated Group Member has granted for the benefit of the Master Trustee, a first lien on, and security interest in, the property of the hospitals and certain other parcels of property owned by such Obligated Group Members, subject to permitted liens, as security for the performance of the Obligated Group Members' obligations under the Master Indenture. Additionally, each of the Obligated Group Members has created a gross revenue fund with its depository bank to further secure its gross revenues for the benefit of the Master Trustee.

The Master Indenture and certain other Obligated Group's financing agreements contain restrictive covenants, including maintenance of a debt ratio, limitations on the amount of any additional borrowings, and limitations on the disposal or transfer of assets to non-obligated group members. Additionally, the financing agreements require that funds are established with, and controlled by, a trustee during the period the bonds remain outstanding. The Obligated Group has complied with such financial covenants and restrictions at June 30, 2017.

For the year ended June 30, 2017, the Obligated Group did not have to comply with a minimum required Annual Debt Service Coverage Ratio per the Master Indenture as there was a covenant holiday. For the year ending June 30, 2018, the minimum required Annual Debt Service Coverage Ratio is 0.7. The minimum required Annual Debt Service Coverage Ratio increases to 1.1 for the year ending June 30, 2019.

Long-Term Debt

Series 2005 Bonds

In March 2005, the California Statewide Communities Development Authority (CSCDA), on behalf of Daughters of Charity Health System (now known as VHS), issued four series of revenue bonds in the aggregate principal amount of $364,655 (the 2005 Bonds). The 2005 Bonds were comprised of $259,125 of 2005 Series A bonds, $39,715 of Series F bonds, $48,245 of Series G bonds, and $17,570 of Series H bonds. The issuance of the 2005 Bonds generated original issue premiums of $12,929. A portion of the proceeds of the 2005 Bonds was used to refinance prior bonds and finance the costs of constructing, improving, renovating, and equipping certain improvements to the facilities of the Obligated Group. The 2005 Series F bonds matured and were paid pursuant to their terms on July 1, 2010. Total interest expense related to the Series 2005 Bonds was $15,801 and $17,588 for the years ended June 30, 2017 and 2016, respectively.

The Series 2005 Bonds are a limited obligation of CSCDA and are payable solely from payments made by the Obligated Group. Payment of principal and interest on the Series 2005 Bonds is secured by Obligations issued pursuant to the Master Indenture.

Series 2015 Notes

On December 14, 2015, the California Public Finance Authority issued an aggregate of $160,000 of Revenue Notes (Verity Health System) Series 2015A, B, C, and D (collectively, the 2015 Notes) for the benefit of VHS. There are four series of 2015 Notes. The Series 2015A, B, and D Notes are tax exempt, and the Series 2015C Notes are taxable. While all of the 2015 Notes were authorized and issued, only the Series 2015A Notes ($60,000) and the 2015B Notes ($45,000) were funded as of June 30, 2016. The Series 2015C Notes ($10,000) and the Series 2015D Notes ($45,000) were funded on September 19 and October 31, 2016, respectively. A portion of the proceeds of the 2015 Notes was used, together with other funds, to pay the principal of and accrued and unpaid interest on the 2014 Bonds that matured on December 15, 2015. Total interest expense related to the Series 2015 Notes was $11,013 and $2,953 for the years ended June 30, 2017 and 2016, respectively.

The 2015 Notes are secured by an Obligation (as defined in the Master Indenture) on parity with other Obligations issued pursuant to the Master Indenture. In addition to their parity lien under the Master Indenture, the 2015 Notes have additional lien rights on the Obligated Group's accounts receivable and in certain properties owned by St. Francis Medical Center and Saint Louise Regional Hospital.

2017 Assessment Bonds (C-PACE bonds)

In May 2017, Verity closed on a Commercial Property Assessed Clean Energy ("C-PACE") funding in the amount of $40,000 to finance seismic upgrades to the Seton Medical Center campus. CleanFund Commercial PACE Capital, Inc. provided $20,000 of its own capital and brought in a partner, Petros PACE Finance, to provide an additional $20,000. The proceeds will be used to make upgrades to the hospital, as required by California's mandatory Hospital Facilities Seismic Safety Act (SB 1953).

C-PACE is long-term, fixed-rate financing, similar to the traditional tax-exempt debt that hospitals often use for infrastructure investments. The C-PACE bonds are exempt from income taxes imposed by the State of California; however are not exempt from federal income tax. To repay the C-PACE financing, Seton will pay property tax assessments at a fixed amount until the C-PACE financing matures in 2047. The assessment payments are secured by a lien against the property at the Seton Medical Center campus. Total interest expense related to the C-PACE bonds was $323 for the year ended June 30, 2017. Refer to Note 12 for additional information on VHS's seismic requirements.

Scheduled long-term principal debt payments as of June 30, 2017, are as follows:

Years Ending June 30,	Amount
2018	$ 13,165
2019	167,553
2020	7,982
2021	8,409
2022	8,852
Thereafter	266,775
	$ 472,736

Fair Values

The fair value of VHS's bond indebtedness is estimated based on the quoted market prices for the same or similar issues or on the current rates offered for debt of the same remaining maturities. The total estimated fair value of VHS's bond and note debt (Series 2005 bonds, Series 2015 Notes and 2017 Assessment Bonds) as of June 30, 2017 and 2016, was $448,472 and $336,804, respectively, and such debt was valued using Level 2 inputs. The total carrying value of VHS's bond and note debt as of June 30, 2017 and 2016, was $466,185 and $377,590, respectively. The reported fair value of VHS's bond indebtedness instruments excludes the full value of an irrevocable principal pre-payment of $6,405 and $6,090 made as of June 30, 2017 and June 30, 2016, respectively. The fair values of the remaining mortgage payable and other debt are not materially different from their carrying values as the majority of such amounts are due within the next 12 months. The fair value amounts do not represent the amount that would be required to expend to retire the indebtedness.

10. Functional Classification of Expense

The following is a functional classification of VHS's expenses:

Year Ended June 30,	2017	2016
Health services	$ 1,151,268	$ 1,193,112
General and administrative	363,558	301,768
	$ 1,514,826	$ 1,494,880

11. Temporarily and Permanently Restricted Net Assets

Temporarily and permanently restricted net assets are available for the following purposes:

June 30,	2017	2016
Equipment and expansion	$ 2,809	$ 3,522
Research and education	2,581	2,848
Restricted contribution	-	60,367
Charity and other	8,054	6,593
Total temporarily restricted net assets	13,444	73,330
Permanently restricted net assets	8,202	8,137
Total restricted net assets	$ 21,646	$ 81,467

Equipment and expansion relate to assets held by VHS, which are restricted by donors or grantors to be used specifically for equipment, capital projects, or other capital needs.

Research and education relate to assets held by VHS, which are restricted by donors or grantors to be used in specific research or education programs.

During the fiscal year ended June 30, 2016, the restricted contribution represented the remaining portion of the contribution recognized at the time of the transaction contemplated by the Restructuring Agreement (see Note 1 "Organization"). The restriction of this contribution was lifted during the fiscal year ended June 30, 2017, pursuant to the terms of the Restructuring Agreement. The release of the restricted funds was recorded as unrestricted contribution revenue for the year ended June 30, 2017.

Charity and other relate mainly to assets held by VHS, which are restricted by donors or grantors to be used in specific health care programs for charity care and other medical and patient services.

Permanently restricted net assets of $8,202 and $8,137 at June 30, 2017 and 2016, respectively, are restricted to investments to be held in perpetuity, with the income expendable to support VHS's mission.

Endowments

VHS and five of its consolidated charitable foundations follow the Uniform Prudent Management of Institutional Funds Act (UPMIFA). UPMIFA eliminates the concept of "historic dollar value" and allows an institution to spend or accumulate as the board determines is prudent for the uses, benefits, purposes, and duration of the endowment fund unless the gift instrument states a particular spending rate or formula. California's version of UPMIFA also includes a rebuttable provision that spending greater than 7% of the average fair market value (calculated at least quarterly over a minimal period of three years) is presumed to be imprudent.

In accordance with UPMIFA, VHS considers the following factors when appropriating or accumulating an endowment fund: (i) general economic conditions, (ii) effects of inflation and deflation, (iii) the purposes of the institution and the endowment fund, (iv) expected total return from income and appreciation of investments, (v) VHS's other resources, (vi) the duration and preservation of the endowment fund, and (vii) VHS's investment policies.

From time to time, the fair value of assets associated with individual endowment funds may fall below the level that the donor or UPMIFA requires VHS to retain as a fund of perpetual duration. Deficiencies of this nature that are reported in unrestricted net assets were not material as of June 30, 2017 and 2016. These deficiencies resulted from unfavorable investment market fluctuations.

VHS has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Under these policies, as approved by the boards of trustees of the charitable foundations, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results while assuming a moderate level of investment risk.

To satisfy its long-term rate-of-return objectives, VHS relies on a balanced investment strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends).VHS targets a diversified asset allocation that places a great emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

The endowment net asset composition by type of fund consists of the following:

	June 30, 2017			
	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
Donor-restricted endowment funds	$ 615	$ 962	$ 8,202	$ 9,779
Total funds	$ 615	$ 962	$ 8,202	$ 9,779

	June 30, 2016

Donor-restricted endowment funds	$ 606	$ 789	$ 8,137	$ 9,532
Total funds	$ 606	$ 789	$ 8,137	$ 9,532

The changes in endowment net assets are as follows:

	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
Balance at June 30, 2015	$ 596	$ 778	$ 8,207	$ 9,581
Net gains (losses) - realized and unrealized	10	11	(73)	(52)

12. Commitments and Contingent Liabilities

Standby Letter of Credit

Marillac, a subsidiary of VHS, pledged $43,408 of its investments to support a standby letter of credit issued in favor of Old Republic Insurance Company, one of the Parent's insurers, at June 30, 2017.

Litigation, Regulatory and Compliance Matters

The health care industry is subject to numerous laws and regulations of federal, state, and local governments. Compliance with such laws and regulations can be subject to future government review and interpretation, as well as regulatory actions unknown or unasserted at this time. These laws and regulations include, but are not necessarily limited to, matters, such as licensure, accreditation, controlled substances, privacy, government health care program participation requirements, reimbursement laws and regulations, anti-referral laws, false claims prohibitions, and in the case of tax-exempt organizations, the requirements of tax exemption. In recent years, government activity has increased with respect to investigations and allegations concerning possible violations of reimbursement, false claims, and anti-referral statutes and regulations by health care providers. Violations of these laws and regulations could result in expulsion from government health care programs, as well as imposition of significant fines and penalties and significant repayments for patient services previously reimbursed.

The Health Insurance Portability and Accountability Act (HIPAA) assures health insurance portability, reduces healthcare fraud and abuse, guarantees security and privacy of health information, and enforces standards for health information. The Health Information Technology for Economic and

Clinical Health Act (HITECH Act) expanded upon HIPAA in a number of ways, including establishing notification requirements for certain breaches of protected health information. In addition to these federal rules, California has also developed strict standards for the privacy and security of health information as well as for reporting certain violations and breaches. The Company may be subject to significant fines and penalties if found not to be compliant with these state or federal provisions.

Management assesses the probable outcome of unresolved litigation and investigations and records contingent liabilities reflecting estimated liability exposure. It is the opinion of management, after consulting with legal counsel, that such actions will not have a material effect on VHS's consolidated financial position or results of operations as of June 30, 2017. Therefore, based on the information provided by its legal counsel, VHS has accrued $1,100 and $1,240 as of June 30, 2017 and 2016, respectively, which were related to certain of these actions. VHS evaluates recoveries from insurance coverage separately from its liability, and when appropriate, an asset is recorded separately from the associated liability. Following is a discussion of matters of note.

VHS is a named defendant in two related class actions, *Jarmaine Johns v. Verity Health System of California* and *Iris Lara and Tanya Llera v. Verity Health System of California*. The complaints allege the plaintiffs were the victims of a data breach where their personal information was obtained and their identities were allegedly used. The breach involved approximately 7,500 employees. The complaints allege the plaintiffs have been harmed and have had to spend time and money addressing identity theft. In the *Lara* action, plaintiffs specifically allege that they have been harmed by false tax returns that were filed using information released in the data breach. The *Lara* action is currently stayed by order of the court. VHS intends to contest these actions. At this time, management cannot accurately estimate the amounts of any payments or settlements that might result from these matters.

VHS was previously a named defendant in a breach of contract, unjust enrichment, and declaratory relief complaint filed by Prime Healthcare Services, Inc. and Prime Healthcare Foundation, Inc. and captioned *Prime Healthcare Services, Inc., et al., vs. Blue Mountain Management Capital, et al.*, in the Superior Court of California, County of San Bernardino, and San Bernardino Justice Center. Subsequent to June 30, 2017, a settlement was reached between the parties, which resulted in no loss for VHS.

U.S. Department of Justice and OIG Investigations

VHS and/or its facilities periodically receive notices from governmental agencies, such as U.S. Department of Justice (DOJ) or the Office of Inspector General (OIG), requesting information regarding billing, payment, or other reimbursement matters, or initiating investigations, or indicating the existence of whistleblower litigation. VHS does not anticipate such requests to result in a material impact to the consolidated financial statements.

Within this category, VHS received an informal documentation request from the DOJ related to BASM during the current year (see Note 3 for information on the BASM acquisition transaction). Additionally, during the prior year, VHS filed a self-disclosure with the OIG indicating possible violations of the Stark Law and the Anti-Kickback Statute by Seton Medical Center. The OIG informed VHS that the disclosure was officially accepted into the Self-Disclosure Protocol. At this time, management cannot accurately estimate the amounts of any potential damages or penalties that might result from these matters.

Collective Bargaining

VHS has 6,787 employees as of June 30, 2017, of whom just over 4,149 are full-time employees. Approximately 78% of these employees are represented by collective bargaining units. A majority of the employees are represented by collective bargaining agreements with Service Employees International Union (SEIU) (approximately 40% of employees) and California Nurses Association (CNA) (approximately 23% of employees). Employee strikes or other adverse labor actions may have a material adverse impact on VHS's consolidated financial position or results of operations.

Attorney General Requirements

As part of approving the Restructuring Agreement (see Note 1), the California Attorney General's (AG) office placed certain operational restrictions on VHS and each of its hospitals, which include certain minimum annual targets for charity care, community benefits, and capital expenditures among other requirements. As a result of a shortfall in the fiscal year 2017 charity care requirement for certain hospitals, VHS was required to make an additional contribution to the Retirement Plans of $7,619 by October 31, 2017 (see Note 8). VHS has complied with such requirements under the AG agreement.

Lease Commitments

Future minimum lease payments under VHS's significant non-cancelable operating leases (with initial or remaining lease terms in excess of one year) as of June 30, 2017, are as follows:

Years Ending June 30,	Amount
2018	$ 11,840
2019	7,681
2020	5,553
2021	4,468
2022	2,807
Thereafter	996
	$ 33,345

Rent expense was $21,601 and $19,501 for the years ended June 30, 2017 and 2016, respectively.

Seismic Standards

VHS assessed its earthquake retrofit requirements for health care facilities under a state of California law SB 90 that can allow a delay of up to seven years from the January 1, 2013, deadline for Structural Performance Category 1 (SPC-1) retrofits. This affects six buildings at three of VHS's hospitals. The previously reported seventh building, the St. Vincent Medical Center Central Plant, has been upgraded to SPC-2 status. Extensions have been approved by the Office of Statewide Health Planning and Development as follows:

St. Vincent Medical Center Main Hospital must meet SP-2 standards by January 1, 2019. St. Vincent Medical Center Doheny Wing must meet SP-2 standards by July 1, 2019. Management currently estimates that remaining remediation costs required for meeting the standards is approximately $12,200 based on third-party estimates.

O'Connor Hospital 1953 Building must meet SPC-2 standards by July 1, 2019. O'Connor Hospital 1953 Boiler Plant/Laundry must meet SPC-2 standards by January 1, 2019. Management currently estimates that remaining remediation costs required for meeting the standards is approximately $13,200 based on third party estimates.

Seton Medical Center Main Tower and Seton Medical Center Front Wing must meet SP-2 standards by July 1, 2019. Management currently estimates that remaining remediation costs required for meeting the standards is approximately $40,300 based on third party estimates. Seton seismic work will be financed with the funds received from the C-PACE bonds (see Note 9) and grant funds received by the County of San Mateo.

13. Subsequent Events

VHS has evaluated subsequent events and disclosed all material events through November 8, 2017, which is the date these consolidated financial statements of VHS were issued.

In July 2017, NantWorks LLC (NantWorks), the parent organization for health technology and biotech companies founded by Dr. Patrick Soon-Shiong, acquired a majority stake in VHS's management company, Integrity Healthcare, LLC, from Blue Mountain. There were no significant changes to the terms of the Restructuring Agreement or the California Attorney General requirements as a result of this transaction.

In August 2017, St. Vincent Medical Center Foundation received an unrestricted contribution of $12,000 as part of a settlement.

In August 2017, VHS completed the sale of certain non-core land and real property located in Los Angeles, CA, for a total purchase price of $17,950. The net book value of the property was classified as assets held for sale (see Note 6) at June 30, 2017, and VHS expects to recognize a gain on the sale of approximately $15,500 in the fiscal year ending June 30, 2018.

In September 2017, the California Public Finance Authority issued $21,000 of tax-exempt notes (the "2017 Notes") for the benefit of VHS. All of the 2017 Notes were purchased by NantWorks. The 2017 Notes are secured pursuant to a certain master trust indenture among the Obligated Group Members and U.S. Bank, National Association. The 2017 Notes bear interest at 7.25% and the principal is due at the maturity date in December 2020.

In October 2017, VHS borrowed $46,220 (the "MOB Loan") from Verity MOB Financing, LLC. Verity MOB Financing, LLC, is wholly owned by NantWorks. The MOB Loan is secured by Deeds of Trust against four medical office buildings owned by Verity Holdings, LLC. The MOB Loan bears interest at a variable rate that adjusts monthly based on One Month Libor plus a spread and the MOB Loan is interest only for the initial term of 36 months. Principal and any unpaid interest is due at the end of the initial term unless extended. After the initial term, VHS has the option to extend the MOB Loan for two additional twelve month terms.

Report of Independent Auditors

The Board of Directors
Verity Health System of California, Inc.

We have audited the accompanying consolidated financial statements of Verity Health System of California, Inc., which comprise the consolidated balance sheets as of June 30, 2016 and 2015, and the related consolidated statements of operations and changes in net (deficit) assets and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in conformity with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We did not audit the financial statements of Marillac Insurance Company, Ltd. (Marillac), a wholly-owned subsidiary, which statements reflect total assets constituting 7.40% as of June 30, 2016, and 6.81% as of June 30, 2015, and total revenues constituting 1.00% in 2016 and 0.88% in 2015 of the related consolidated totals. Those statements were audited by other auditors whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for Marillac, is based solely on the report of the other auditors. We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not

for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, based on our audits and the report of the other auditors, the financial statements referred to above present fairly, in all material respects, the consolidated financial position of Verity Health System of California, Inc. at June 30, 2016 and 2015, and the consolidated results of its operations and changes in net (deficit) assets and its cash flows for the years then ended in conformity with U.S. generally accepted accounting principles.

Notes to Consolidated Financial Statements

June 30, 2016

1. Organization

Verity Health System of California, Inc., a California nonprofit public benefit corporation (Parent) (formerly named Daughters of Charity Health System) is the sole corporate member of five California nonprofit public benefit corporations that operate five acute care hospitals and other facilities (the Hospitals, see list below) in the state of California. The Parent and the following affiliated entities (collectively, Verity Health System or VHS) operate as a nonprofit health care system in the state of California, with approximately 1,680 licensed acute care and skilled nursing beds.

Verity Health System consists of Parent* and the following:

- O'Connor Hospital*
- Saint Louise Regional Hospital*
- St. Francis Medical Center*
- St. Vincent Medical Center*
- Seton Medical Center (including its unincorporated division, Seton Medical Center Coastside)*
- Verity Business Services
- Marillac Insurance Company, Ltd.
- O'Connor Hospital Foundation
- Saint Louise Regional Hospital Foundation
- St. Francis Medical Center Foundation
- St. Vincent Medical Center Foundation
- Seton Medical Center Foundation
- St. Vincent de Paul Ethics Corporation
- St. Vincent Dialysis Center
- De Paul Ventures, LLC
- Verity Medical Foundation
- Verity Holdings, LLC

* Member of the Obligated Group

With the exceptions of De Paul Ventures, LLC and Marillac Insurance Company, Ltd., each Verity Health System entity named above is exempt from federal income taxation as an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986 (IRC).

1. Organization (continued)

On July 17, 2015, Daughters of Charity Ministry Services Corporation, the Parent managed by Blue Mountain Capital Management, LLC (Blue Mountain), and Integrity Healthcare, LLC entered into a System Restructuring and Support Agreement (the Restructuring Agreement) to change the governance of and recapitalize the Parent and certain of its subsidiaries. Under the Restructuring Agreement, the Parent and other members of the Obligated Group were converted from religious corporations to public benefit corporations. In exchange for options to acquire the assets of Verity Health System, Blue Mountain agreed to provide $100,000,000 in funding to the Parent and a commitment to provide additional debt financing at the option of the Corporation. Of the $100,000,000, $27,559,000 was recorded as deferred revenue for the value of the option to purchase the real estate and operating assets of VHS and $72,441,000 was recorded as a restricted contribution to be released pursuant to the terms of the Restructuring Agreement. After approval was obtained from the California Attorney General's office, the transactions contemplated by the Restructuring Agreement closed on December 14, 2015. Effective upon the closing of the transaction, the Parent's board of directors resigned and Daughters of Charity Ministry Services Corporation, acting as sole corporate member of the Parent, appointed an independent board of the Parent and amended the bylaws of the Parent to eliminate the corporate membership rights of Daughters of Charity Ministry Services Corporation as sole corporate member of the Parent and to convert the Parent into a nonprofit corporation without members. The name of the Parent has been amended to be Verity Health System of California, Inc. The Parent and all of its nonprofit corporate affiliates that were not previously public benefit corporations changed status from religious corporations to public benefit corporations under the California Nonprofit Corporation Law.

Verity Health System established an Obligated Group (see listing of entities included in the Obligated Group above) to access the capital markets. Obligated Group members are jointly and severally liable for the long-term debt outstanding under the Bond Master Indenture.

2. Summary of Significant Accounting Policies

Consolidation

The accompanying consolidated financial statements include the accounts of VHS after elimination of intercompany transactions.

2. Summary of Significant Accounting Policies (continued)

Use of Estimates

The preparation of the consolidated financial statements in conformity with U.S. generally accepted accounting principles requires management to make certain estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. VHS considers critical accounting policies to be those that require more significant judgments and estimates in the preparation of its consolidated financial statements, including the following: recognition of net patient service revenue, which includes contractual allowances and discounts; provisions for doubtful accounts and charity care; and assumptions for measurement of pension and other postretirement liabilities. Management bases its estimates on historical experience and various other assumptions that it believes are reasonable under the particular facts and circumstances. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents consist primarily of cash and highly liquid marketable securities with original maturities, at the time of purchase, of three months or less.

Patient Accounts Receivable, Allowance for Doubtful Accounts, and Net Patient Service Revenue

Patient accounts receivable and net patient service revenue are reported at the estimated net realizable amounts from patients, third-party payers, and others for services rendered, including estimated settlements under reimbursement agreements with third-party payers. Settlements with third-party payers are accrued on an estimated basis in the period in which the related services are rendered and are adjusted in future periods as final settlements are determined.

VHS manages the receivables by regularly reviewing its patient accounts and contracts and by providing appropriate allowances for uncollectible amounts. These allowances are estimated based upon an evaluation of historical payments, negotiated contracts, and governmental reimbursements. Adjustments and changes in estimates are recorded in the period in which they are determined. The allowance for doubtful accounts for self-pay patients was 49% and 46% of self-pay accounts receivable at June 30, 2016 and 2015, respectively. This percentage does not include the portion of self-pay that is reserved in contractual allowance as self-pay accounts receivable are reserved between allowance for doubtful accounts and contractual allowance.

2. Summary of Significant Accounting Policies (continued)

Patient service revenues, net of contractual allowances and discounts, are as follows (in thousands):

	Year Ended June 30	
	2016	**2015**
Government	**$ 780,884**	$ 881,274
Contracted	**332,686**	380,068
Self-pay and others	**48,109**	53,808
Net patient service revenue	**1,161,679**	1,315,150
Less: Provision for doubtful accounts	**(26,734)**	(31,903)
Net patient service revenue less provision for doubtful accounts	**$ 1,134,945**	$ 1,283,247

Significant concentrations of net patient accounts receivable are as follows:

	June 30	
	2016	**2015**
HMO/PPO/Commercial	**42%**	36%
Medicare	**29**	32
Medi-Cal	**28**	29
Other	**1**	3
Total	**100%**	100%

Inpatient acute care services, outpatient services, and skilled nursing services rendered to Medicare program beneficiaries are paid at prospectively determined rates per discharge. These rates vary according to a patient classification system that is based on clinical, diagnostic, and other factors. Certain inpatient non-acute services and defined capital and medical education costs related to Medicare beneficiaries are paid using a cost reimbursement methodology.

Health care services are provided free of charge or at a significant discount based on a sliding scale to individuals who meet certain financial criteria. VHS makes every effort to determine if a patient qualifies for charity care upon admission. If a patient is determined to qualify for charity

2. Summary of Significant Accounting Policies (continued)

care, services are rendered to the patient free of cost. The costs of providing these services are included in unsponsored community benefit expense and included in net patient service revenue in the consolidated statement of operations. The amount of charity care at cost was $13,981,000 and $13,226,000 for the years ended June 30, 2016 and 2015, respectively.

After satisfaction of amounts due from insurance and the application of financial discounts to patients' balances, and after exhausting all reasonable efforts to collect from the patients, a significant portion of VHS's uninsured and self-pay patient accounts are referred to the third-party agencies based on VHS's established guidelines for further collection activities. As a result, VHS records a significant provision for doubtful accounts related to these uninsured patients in the period the services are rendered.

Payments from Medi-Cal and contracted-rate payers are based on a per-diem, per-discharge, modified cost, or capitated basis or a combination of these.

Adjustments for the finalization of prior year cost reports from both Medicare and Medi-Cal resulted in an increase to patient service revenues of $5,613,000 and $5,176,000, for the years ended June 30, 2016 and 2015, respectively. Additionally, as a result of recent finalized cost reports, management determined that certain allocated reserves related to open prior year Medicare cost reports were no longer necessary, which resulted in a gain of $15,069,000 for the year ended June 30, 2015. St. Francis Medical Center qualified for and received Medi-Cal funding as a disproportionate-share hospital from the state of California under Senate Bill (SB) 855. Related revenues were $27,029,000 and $27,143,000, for the years ended June 30, 2016 and 2015, respectively, and are included in net patient service revenue. Amounts to be received in future years, if any, are subject to annual determination.

The St. Francis Medical Center also received funding for Medi-Cal disproportionate-share hospitals under SB 1255. These SB 1255 funds are paid from the Emergency Services and Supplemental Payments Fund. Related revenues were $7,908,000 and $8,413,000, for the years ended June 30, 2016 and 2015, respectively, and are included in net patient service revenue. This funding must be applied for and approved each year.

The St. Francis Medical Center also qualifies for Medi-Cal funding as a disproportionate-share hospital from the state of California under SB 1732. This SB 1732 program permits health care facilities servicing a disproportionate share of Medi-Cal patients to receive supplemental

2. Summary of Significant Accounting Policies (continued)

reimbursement for a portion of their debt service for qualified capital projects. St. Francis Medical Center has an amendment to its Medi-Cal contract, which was executed on June 19, 1993, for reimbursement related to the St. Francis Medical Center Health Services Pavilion, which was completed in 1991. Related revenues were $2,220,000 and $2,570,000, for the years ended June 30, 2016 and 2015, respectively, and are included in net patient service revenue.

As part of VHS's mission to serve the community, VHS provides care to patients even though they may lack adequate insurance or may participate in programs that do not pay full charges. Reserves for charity care and uncollectible amounts have been established and are netted against patient accounts receivable in the consolidated balance sheets.

Industry Concentration

The receipt of future revenues by VHS is subject to, among other factors, federal and state policies affecting the health care industry. There are future revenue uncertainties that may require that costs be controlled, which will be subject to the capability of management; future economic conditions, which may include an inability to control expenses in periods of inflation; increased competition; and other conditions, which are impossible to predict.

Inventories

Inventories consist of supplies and are stated at the lower of cost or market value, which is determined using the first-in, first-out method. Inventories are reviewed for obsolescence on a periodic basis. Amounts are included in other current assets.

Assets Limited as to Use

Assets limited as to use represent assets designated by the board of directors for future capital improvements, other specific purposes for Marillac over which the board of directors retains control, assets held by trustees under bond indenture agreements, and investments restricted by donors. The board of directors has the full ability to utilize the Marillac assets limited as to use to satisfy the needs of on-going operations, as necessary. Investment income or loss is included in deficiency of revenues over expenses, unless the income or loss is restricted by donor or law. The assets are reflected in the assets limited as to use line item in the consolidated balance sheets.

Investments

Investments received through gifts are recorded at estimated fair value at the date of donation. Gains and losses that result from market fluctuations are recognized in the period that such fluctuations occur. Realized gains or losses resulting from sales or maturities are calculated on an adjusted-cost basis. Adjusted-cost is the original cost of the security adjusted for any purchases or sales during the year. Dividend and interest income are accrued when earned.

Investment income includes the following (in thousands):

	Year Ended June 30	
	2016	**2015**
Interest and dividends	**$ 867**	$ 3,362
Investment fees	**(208)**	(213)
Unrealized gain (loss) on investments – net	**848**	(936)
Net realized gain on sales of securities	**555**	1,660
	2,062	3,873
Amounts included in changes in restricted net assets	**(12)**	3
Investment income	**$ 2,050**	$ 3,876

Property and Equipment

Property and equipment are stated at cost if purchased, and at fair market value if donated. Depreciation of property and equipment is calculated using a half-year convention and the straight-line method for financial statement purposes. Estimated useful lives by classification are as follows:

Land improvements	5–25 years
Buildings	10–40 years
Building service equipment	5–25 years
Equipment	4–20 years

Long-Lived Asset Impairment

VHS routinely evaluates the carrying value of its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset, or related group of assets, may not be recoverable from estimated future undiscounted cash flows generated by the underlying tangible assets. When the carrying value of an asset exceeds the estimated recoverability, an asset impairment charge is recognized. The impairment tests are based on financial projections prepared by management that incorporate anticipated results from programs and initiatives being implemented and market value assessments of the assets. If the projections are not met, or if negative trends occur that impact the future outlook, the value of the long-lived assets may be impaired, which could be material.

In fiscal year 2015, VHS recorded $10,000,000 of impairment for the estimated non-recoverability of the building and select equipment at St. Vincent Medical Center. The amount of impairment was determined using a distressed revenue multiple, and was allocated using comparable prices for similar assets. There is no long-lived asset impairment recorded for the year ended June 30, 2016.

Fair Value of Financial Instruments

The carrying amounts reported in the consolidated balance sheets for cash and cash equivalents, accounts receivable, accounts payable, accrued liabilities, and due to/from government agencies approximate fair value. The fair value of investments is disclosed in Notes 3 and 7, and the fair value of debt is disclosed in Note 8.

Medical Foundation

The VHS Medical Foundation was established in December 2011 and incorporated under the California Nonprofit Religious Corporation regulations as a not-for-profit corporation exempted from IRC Section 501(c)(3). The sole member of this corporation is VHS, acting through its board of directors.

Self Insurance

VHS is self-insured for hospital professional and general liabilities by a wholly-owned self-insured captive insurance company. The provisions for estimated hospital professional and general liability claims include estimates of the ultimate costs for both uninsured reported claims and claims incurred-but-not-reported (IBNR), in accordance with actuarial projections or paid claims lag models based on past experience. Such claim reserves are based on the best data available to VHS; however, these estimates are subject to a significant degree of inherent variability. There is at least a reasonable possibility that a material change to the estimated reserves will occur in the near term. Such estimates are continually monitored and reviewed, and as reserves are adjusted, the differences are reflected in current operations. Management is of the opinion that the associated liabilities recognized in the accompanying consolidated financial statements are adequate to cover such claims.

VHS has entered into reinsurance, stop loss, and excess policy agreements with independent insurance companies to limit its losses on hospital professional and general liability claims.

Hospital professional and general liabilities (HPL/GL) were $16,802,000 and $13,161,000, discounted at a rate of 4% as of June 30, 2016 and 2015, respectively. Management is not aware of any potential hospital professional and general liability claims whose settlement would have a material adverse effect on VHS's consolidated financial position.

Workers' Compensation Insurance

VHS is insured for workers' compensation claims with major independent insurance companies, subject to certain deductibles of $500,000 per occurrence as of June 30, 2016 and 2015. Based on actuarially determined estimates, provisions have been made in the consolidated financial statements, with the current portion included within accrued liabilities and the non-current portion within workers' compensation and hospital professional and general liabilities, for all known claims and IBNR claims as of June 30, 2016 and 2015. Workers' compensation liabilities were $24,751,968 and $24,278,000, discounted using a rate of 4%, as of June 30, 2016 and 2015, respectively. Estimation differences between actual payments and amounts recorded in previous years are recognized as expense in the year such amounts become determinable.

Temporarily and Permanently Restricted Net Assets

Temporarily restricted net assets are those for which use by VHS has been limited by donors to a specific time period or purpose. Permanently restricted net assets have been restricted by donors to be maintained by VHS in perpetuity.

California Hospital Fee Program

California legislation established a program in 2009 that imposes a Quality Assurance Fee (QA Fee) on certain general acute-care hospitals in order to make supplemental and grant payments and increased capitation payments (Supplemental Payments) to hospitals up to the aggregate upper payment limit for various periods. There have been four such programs (the Programs) since inception.

The Programs are designed to make supplemental inpatient and outpatient Medi-Cal payments to private hospitals, including additional payments for certain facilities that provide high-acuity care and trauma services to the Medi-Cal population. This hospital QA Fee program provides a mechanism for increasing payments to hospitals that serve Medi-Cal patients, with no impact on the state's General Fund. Payments are made directly by the state or Medi-Cal managed care plans, which will receive increased capitation rates from the state in amounts equal to the Supplemental Payments. Outside of the legislation, the California Hospital Association has created a private program, operated by the California Health Foundation and Trust (CHFT), which was established to alleviate disparities potentially resulting from the implementation of the Programs.

The Programs require full federal approval (i.e., by the Centers for Medicare and Medicaid Services (CMS)) in order for them to be fully enacted. If final federal approval is not ultimately obtained, provisions in the underlying legislation allowed for the QA Fee, previously assessed, and Supplemental Payments, previously received, to be returned and recouped, respectively. As such, revenue and expense recognition is not allowed until full CMS approval was obtained.

2. Summary of Significant Accounting Policies (continued)

In June 2012, the third program (30-Month Program), covering the period from July 2011 to December 2013, was amended to allow for the fee-for-service portion to be administered separately from the managed care portion. The fee-for-service portion of the 30-Month Program was approved in June 2012. In May and June 2013, 24 months of managed care payments were approved by CMS. In December 2014, the final six months of managed care payments were approved by CMS.

In October 2013, the fourth program (36-Month Program), covering the period from January 2014 to December 2016, was signed into law by the governor of California. The fee-for-service payments of the 36-Month Program were approved in December 2014 by CMS. The first six months of expansion managed care payments were approved by CMS in June 2016. The first six months of non-expansion managed care payments were approved by CMS in June 2015. The first six months of expansion managed care payments were approved by CMS in March 2016.

VHS recognized payments to the California Department of Health Care Services for the QA Fee in the amount of $84,221,000 and $134,198,000 and pledge payments to CHFT of $1,228,000 and $2,282,000 within purchased services and other expenses for the years ended June 30, 2016 and 2015, respectively. VHS also recognized Supplemental Payment revenue in the amount of $134,061,000 and $222,467,000 pertaining to the 30-Month and 36-Month Programs within the net patient service revenues for the years ended June 30, 2016 and 2015, respectively.

Meaningful Use Incentives

The American Recovery and Reinvestment Act of 2009 established payments under the Medicare and Medi-Cal programs for certain professionals and hospitals that meaningfully use certified electronic health record (EHR) technology. The Medicare incentive payments are paid out to qualifying hospitals over four consecutive years on a transitional schedule. To qualify for Medi-Cal incentives, hospitals and physicians must annually meet EHR "meaningful use" criteria that become more stringent over three stages as determined by CMS. For the years ended June 30, 2016 and 2015, VHS has recorded meaningful use incentive payments of $507,334 and $7,947,000, respectively. These incentive payments have been recorded as other operating revenue in the VHS consolidated financial statements.

2. Summary of Significant Accounting Policies (continued)

Premium Revenue

Certain entities of VHS have at-risk agreements with various payers to provide medical services to enrollees. Under these agreements, VHS receives monthly payments based on the number of enrollees, regardless of services actually performed by VHS. VHS accrues costs when services are rendered under these contracts, including estimates of IBNR claims and amounts receivable/payable under risk-sharing arrangements.

The IBNR accrual includes an estimate of the costs of services for which VHS is responsible, including out-of-network services.

Other Operating Revenue

Included in other operating revenue are amounts from investments in health-related activities, rental income, cafeteria, and other non-patient care revenue.

Contributions

Unconditional promises to give cash and other assets to VHS are reported at fair value at the date the promise is received. The gifts are reported as either temporarily or permanently restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified as unrestricted net assets. Net assets released from restrictions used for operations are also included in other operating revenue as contribution revenue to the Hospitals.

2. Summary of Significant Accounting Policies (continued)

Interest Expense

Interest expense on debt issued for construction projects, net of income earned on the funds held pending use, is capitalized from the date of the borrowing until the projects are placed in service. Interest components include the following (in thousands):

	Year Ended June 30	
	2016	**2015**
Total interest expense	**$ 20,943**	$ 23,215
Less: capitalized interest expense	**(350)**	(665)
Net interest expense	**$ 20,593**	$ 22,550

Income Taxes

VHS has established its status as an organization exempt from income taxes under IRC Section 501(c)(3) and the laws of California. Certain activities of the operating entities of VHS may be subject to income taxes; however, such activities are not significant to the consolidated financial statements.

Performance Indicator

Management considers the deficiency of revenues over expenses to be VHS's performance indicator. Deficiency of revenues over expenses includes all changes in unrestricted net assets, except net assets released from restrictions used for purchase of property and equipment, the change in funded status of pension plans, and other.

Certain Obligated Group members have a policy whereby assets are periodically transferred as charitable distributions to subsidiaries of VHS that are not members of the Obligated Group. These transfers are accounted for as direct charges to the Obligated Group members' unrestricted net assets. It is anticipated that Obligated Group members will continue to make asset transfers to the subsidiaries. These transfers are eliminated upon consolidation.

2. Summary of Significant Accounting Policies (continued)

Asset Retirement Obligations (AROs)

AROs are legal obligations associated with the retirement of long-lived assets. These liabilities are initially recorded at fair value, and the related asset retirement costs are capitalized by increasing the carrying amount of the related assets by the same amount as the liability. Asset retirement costs are subsequently depreciated over the useful lives of the related assets. Subsequent to initial recognition, VHS records period-to-period changes in the ARO liability resulting from the passage of time. VHS's ARO liabilities recorded in the consolidated financial statements at June 30, 2016 and 2015, were $3,627,000 and $3,421,000, respectively.

Revenue Guarantees

VHS has agreements with physicians whereby minimum revenues are guaranteed by VHS for stipulated dollar amounts over specified periods, as defined in the contracts. VHS records a liability for the amount of the guaranteed revenue at the time the contract is entered into and adjusts the liability as it is expended. VHS has recorded liabilities of $921,506 and $746,000 as of June 30, 2016 and 2015, respectively.

Recent Accounting Pronouncements

In August 2016, the Financial Accounting Standard Board (FASB) issued Accounting Standards Update (ASU) 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements for Not-For-Profit Entities*, which will require not-for-profit entities to revise financial presentation to include: net asset classifications, provide quantitative and qualitative information as to available resources and management of liquidity and liquidity risk, information on investment expenses and returns, and the presentation of operating cash flows. The standard aims to help the reader of the financial statements to better understand the financial position of the organization and enhance consistency among similar organizations. ASU 2016-02 is effective for annual periods beginning after December 15, 2017. Early adoption is permitted. VHS is currently evaluating the impact of this new standard on the consolidated financial statements.

2. Summary of Significant Accounting Policies (continued)

In February 2016, the FASB issued ASU No. 2016-02, *Leases, (Topic 842): Amendments to the FASB ASC.* ASU 2016-02 amends the existing accounting standards for lease accounting, including requiring lessees to recognize most leases on their balance sheets and making targeted changes to lessor accounting. The new standard requires a modified retrospective transition approach for all leases existing at, or entered into after, the date of initial application, with an option to use certain transition relief. The amendments in this update are effective for fiscal years (and interim reporting periods within fiscal years) beginning after December 15, 2018. Early adoption of the amendments is permitted for all entities. VHS is currently evaluating the impact of this new standard on the consolidated financial statements.

In May 2015, the FASB issued ASU 2015-07, *Fair Value Measurement (Topic 820),* which removes the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value per share practical expedient and limits the disclosure requirement. ASU 2015-07 is effective for annual and interim periods beginning after December 15, 2015. VHS does not believe this standard will have an impact on the consolidated financial statements.

In April 2015, the FASB issued ASU 2015-03, *Interest-Imputation of Interest (Subtopic 835-30),* which changes the presentation of debt issuance costs in the financial statements. Under ASU 2015-03, an entity presents such costs in the balance sheet as a direct deduction from the related debt liability rather than as an asset, and amortization of the costs is reported as interest expense. The guidance is effective for VHS as of July 1, 2016. The adoption of ASU 2015-03 is not expected to have a material impact on the consolidated financial statements.

In May 2014, the FASB issued ASU 2014-09, *Revenue from Contracts with Customers (Topic 606),* and in August 2015, the FASB issued ASU 2015-14, *Revenue from Contracts with Customers (Topic 606): Deferral of the Effective Date,* which defers the effective date of ASU 2014-09 by one year. ASU 2014-09 requires the entity to recognize revenue for the transfer of goods or services equal to the amount that it expects to be entitled to receive for those goods or services, effective for periods beginning after December 15, 2017. VHS is currently evaluating the impact of this new standard on the consolidated financial statements.

3. Fair Value Measurements

VHS accounts for certain assets at fair value or on a basis that approximates fair value. A fair value hierarchy for valuation inputs has been established to prioritize the valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Each fair value measurement is reported in one of the three levels, which is determined by the lowest-level input that is significant to the fair value measurement in its entirety. These levels are as follows:

- *Level 1* – Quoted prices are available in active markets for identical assets as of the measurement date. Financial assets in Level 1 include listed equities and money market balances.

- *Level 2* – Pricing inputs are based upon quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data for substantially the full term of the assets. Financial assets in this category generally include asset-backed securities, corporate bonds, municipal bonds, and commingled investment funds.

- *Level 3* – Pricing inputs are generally unobservable for the assets and include situations where there is little, if any, market activity for the investment. The inputs used in determination of fair value require management's judgment or estimation of assumptions that market participants would use in pricing the assets. Therefore, the fair values are determined using factors that involve judgment and interpretations, including discounted cash flow models and similar techniques. There were no Level 3 investments at June 30, 2016 and 2015.

3. Fair Value Measurements (continued)

The following represents assets measured at fair value on a recurring basis (in thousands):

	June 30, 2016		
	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)

	$ 90,686	$ 14,737	$ 75,949

There were no transfers to or from Levels 1, 2, or 3 during the years presented. The Level 2 financial assets listed in fair value hierarchy tables above use the following valuation techniques and inputs:

VHS participated in Ascension Health's pooled Catholic Healthcare Investment Management Company (CHIMCO) Alpha Fund, LLC, which is carried at fair value based on quoted market prices, quoted market prices for similar instruments, and observable and unobservable inputs. The pooled fund is composed of cash, equity securities (domestic and foreign), U.S. federal and corporate obligations, to be announced (TBA) mortgage-backed securities, asset-backed securities, and fixed-income securities and is designated as Level 2. Beginning January 1, 2014, VHS moved all of its investments in the Alpha Fund to short-term liquid funds, such as cash and cash equivalents. As of September 2014, VHS sold its investment in the Fund, and Ascension Investment Management no longer manages any funds on behalf of VHS.

3. Fair Value Measurements (continued)

For marketable securities, such as foreign corporation and U.S. government debt securities, government and commercial mortgage-backed securities, TBA mortgaged-backed securities, corporate U.S. debt securities, index funds, and beneficial interest held in trust accounts, wherein identical quoted market prices are not readily available, the fair value of such investments is determined based on market participant pricing or other available market data for comparable instruments and transactions at the measurement date. VHS, therefore, incorporates industry-standard valuation techniques as inputs to fair valuation of its investments designated as Level 2.

VHS's rationale for the assignment of levels is based on types or classes of financial assets, rather than an analysis of each individual asset. Key consideration in the assignment of levels was given to the determination of a security's fair valuation measurement if obtained from an active market, and then further consideration was given for the types of inputs used to evaluate the fair value price. This approach has been supported by management's analysis of the methodology, the evaluated pricing models, and inputs used by its pricing vendors. It is also consistent with industry practice.

Where quoted prices are available in an active market (exchange-traded), the securities are classified as Level 1. It is a market in which transactions occur with sufficient frequency and volume to provide pricing information on an ongoing basis. If quoted market prices are not readily available for a specific financial asset, then value is determined using quoted prices of assets with similar characteristics and is classified as Level 2. Examples of these categories are VHS's investment in high-yield debt securities, collateralized mortgage obligations, and fixed-income prices provided by a broker-dealer. In cases where there is limited activity and less transparency associated with inputs to the valuation, VHS will designate the investments as Level 3.

Investment Held in Trust Accounts

VHS is the beneficiary of a split-interest agreement from a donor. The related assets are controlled and invested by an independent third party. VHS records the assets for its share when formal written or other verifiable documentation is received. VHS's share of the assets is based on the present value of the estimated future distributions to be received by VHS over the term of the agreement. The agreements are carried at fair value based on the underlying assets. VHS used 2% discount rate to value split-interest agreements at June 30, 2016.

3. Fair Value Measurements (continued)

Receivables Under Repurchase Agreements

VHS participated in a repurchase agreement with a custodian, whereby VHS loaned cash from a bond reserve fund to a third party on a short-term basis. The loans were secured by collateral, consisting of various investments that equal the amount of the cash loaned. VHS was paid a fixed rate of return of 4.6% for the amounts loaned. Interest is accrued monthly and paid semi-annually. The amounts of the receivables under repurchase agreements were $0 and $23,871,000 at June 30, 2016 and 2015, respectively, and are included in assets limited as to use under bond indenture agreements. The loans remained in place until the termination date, which was July 1, 2015, at which time these funds were held in cash by the trustee.

4. Property and Equipment

Property and equipment consists of the following (in thousands):

7. Pension and Other Postretirement Benefit Plans

VHS maintains a single employer defined benefit retirement plan and participates in a multi-employer defined benefit retirement plan. The plans have been frozen for all employees, except members of the California Nurses Association (CNA). Benefits are generally based on age, years of service, and employee compensation. VHS also offers postretirement health care benefits to a limited number of its employees. The postretirement health care benefits are determined based on age and years of service.

The first retirement plan is a multiemployer defined benefit pension plan called Retirement Plan for Hospital Employees (RPHE). The entities that participate in the RPHE are Seton Medical Center, Seton Medical Center Coastside, O'Connor Hospital, Saint Louise Regional Hospital, and Caritas Business Services (however, as noted above, only CNA members at these locations earn new benefits under the plan). Benefits are generally based on years of service and the employee's compensation. Contributions to the plan are based on actuarially determined amounts sufficient to meet the benefits to be paid to plan participants and satisfy IRS funding requirements. VHS contributed cash of $17,223,000 and $14,495,000 to the RPHE during the fiscal years ended June 30, 2016 and 2015, respectively.

7. Pension and Other Postretirement Benefit Plans (continued)

The second retirement plan is a single-employer defined benefit pension plan (the Retirement Plan). VHS associates at St. Francis Medical Center, St. Vincent Medical Center, O'Connor Hospital, Saint Louise Regional Hospital, and the system office are eligible to participate in this plan (however, as noted above, only CNA members continue to earn new benefits under the plan). VHS contributed $12,915,000 and $18,479,000 to the Retirement Plan during the fiscal years ended June 30, 2016 and 2015, respectively.

VHS also maintains a retiree health insurance program (the Postretirement Healthcare Plan), which provides medical benefits to retirees from early retirement to age 65 only. VHS employees at O'Connor Hospital, St. Louise Regional Hospital, Seton Medical Center, and Seton Medical Center Coastside are eligible to participate in this plan. The Postretirement Healthcare Plan is an unfunded plan. VHS contributed $58,000 and $98,000 to the Postretirement Healthcare Plan during the fiscal years ended June 30, 2016 and 2015, respectively.

Defined Contribution Retirement Plans

In addition to the above pension plans, VHS maintains three different defined contribution retirement plans for its employees. One of these defined contribution plans (TSA/403(b)) includes employee voluntary contributions only. A second defined contribution plan (Match Benefit) requires employer contributions and the benefits are based on a percentage of the employees' contributions to the TSA/403(b). A third plan covers all employee groups except members of the CNA and is a fully employer-paid defined contribution plan with benefits based on a percentage of compensation. During the fiscal years ended June 30, 2016 and 2015, the employer's contribution for these three defined contribution plans was $21,749,023 and $24,472,000, respectively.

7. Pension and Other Postretirement Benefit Plans (continued)

The funded status of the Retirement Plan and the Postretirement Healthcare Plan benefits is as follows (in thousands):

	June 30, 2016		June 30, 2015

The estimated actuarial loss and prior service cost for the Retirement Plan that will be amortized into net periodic benefit cost over the next fiscal year is $6,157,000 and $0, respectively.

The estimated actuarial gain and prior service cost for the Postretirement Healthcare Plan that will be amortized into net periodic benefit cost over the next fiscal year is $(1,193,000) and $72,000, respectively.

Assumptions

The weighted-average assumptions used to determine benefit obligations and net period benefit costs, are as follows:

	June 30, 2016		June 30, 2015	
	Retirement Plan	Postretirement Healthcare Plan	Retirement Plan	Postretirement Healthcare Plan
Weighted-average assumptions used to determine benefit obligations:

Expected Return on Plan Assets

The Retirement Plan's estimated long-term rate of return on pension assets is driven primarily by historical asset-class returns, an assessment of expected future performance, advice from external actuarial firms, and the incorporation of specific asset-class risk factors. Asset allocations are periodically updated using pension plan asset/liabilities studies, and VHS's estimated long-term rates of return are consistent with these studies. The Retirement Plan portfolio return assumption is 6.75% and 7.00% at June 30, 2016 and 2015, respectively.

7. Pension and Other Postretirement Benefit Plans (continued)

Discount Rate

The discount rate assumptions used to determine the postretirement benefit plan obligations and expenses reflect the prevailing rate available on high-quality, fixed-income debt instruments. The rate was based on cash flow analysis that matched estimated future benefit payments to the bond discount yield curve as of June 30, 2016 and 2015.

Other Benefit Assumptions

For the measurement of accumulated postretirement benefit obligations at June 30, 2016, the Postretirement Healthcare Plan assumed health care cost trend rates start at 8.00% in 2016 and decrease by 0.25%-0.50% annually, reaching an ultimate rate of 5.50% in fiscal year 2023. A one-percentage-point change in assumed health care cost trend rates would not have a material effect on VHS's consolidated financial statements.

As of June 30, 2016, $2,806,336 of the plan's cash balance was held in a separate non-interest-bearing cash account for the purpose of claims disbursement by the plan's administrator.

VHS's investment strategy for the assets of the Retirement Plan is designed to preserve principal while earning returns relative to the overall market consistent with a prudent level of risk. The strategy balances the liquidity needs of the Retirement Plan with the long-term return goals necessary to satisfy future obligations. The target asset allocation is diversified across traditional asset classes. Diversification is also achieved through participation in U.S. and non-U.S. markets, investment manager style, philosophy, and capitalization. The complementary investment styles and approaches used by investment managers are aimed at reducing volatility while capturing the equity premium from the capital markets over the long term. Risk tolerance is established through consideration of plan liabilities, plan funded status, and VHS's consolidated financial condition. Consistent with VHS's fiduciary responsibilities, the fixed-income allocation generally provides for security of principal to meet near-term expenses and obligations. Periodic reviews of the market values and corresponding asset allocation percentages are performed to determine whether a rebalancing of the portfolio is necessary.

Total plan assets	100%

Cash Contributions and Benefit Payments

VHS expects to contribute $28,501,000 to the Retirement Plan and $67,000 to the Postretirement Healthcare Plan the fiscal year ending in 2017.

The benefit payments, which reflect expected future service, as appropriate, expected to be paid in each of the next five years, and in aggregate for the next five years, are as follows (in thousands):

	Retirement Plan Benefits	Postretirement Healthcare Benefits

Retirement Plan for Hospital Employees	94-2995676/001	$ 19,330	**$ 17,223**	$ 14,588	No	October 31, 2018

Since March 1, 2011, participant benefits were frozen for the non-contractual employees of the two participating affiliates in the Retirement Plan for Hospital Employees. Beginning January 1, 2013, participant benefits were frozen for all Service Employees International Union (SEIU) employees. Certain affiliates will continue to make periodic contributions as needed for eligible participants.

7. Pension and Other Postretirement Benefit Plans (continued)

The contributions for the multiemployer plan were approximately 38% and 45% of the total contributions to the plan for June 30, 2016 and 2015, respectively. There are no minimum contributions required for future periods by the collective-bargaining agreements, statutory obligations, or other contractual obligations for both plans.

The risks of participating in multiemployer plans are different from single-employer plans in the following aspects: (i) assets contributed to the multiemployer plan by one employer may be used to provide benefits to employees of other participating employers; (ii) if a participating employer stops contributing to the plan, the unfunded obligations of the plan may be borne by the remaining participating employers; and (iii) if the affiliates choose to stop participating in the multiemployer plan, the affiliates may be required to pay the plan an amount based on the underfunded status of the plan, referred to as a withdrawal liability.

Obligated Group

Verity Health System of California, Inc. and its five hospitals are collectively referred to as the "Obligated Group" or as "Members," and each individually is sometimes referred to herein as a "Member." The Obligated Group is established pursuant to a Master Indenture of Trust, dated December 1, 2001, as supplemented to date (the Master Indenture), between the Obligated Group and U.S. Bank National Association, as successor master trustee (the Master Trustee). The Obligated Group is jointly and severally liable for obligations issued pursuant to and outstanding under the Master Indenture (Obligations).

Each of the Obligated Group Members has executed one or more deeds of trust pursuant to which the respective Obligated Group Member has granted for the benefit of the Master Trustee, a first lien on, and security interest in, the hospitals and certain other parcels of property owned by such Obligated Group Members, subject to permitted liens, as security for the performance of the Obligated Group Members' obligations under the Master Indenture. Additionally, each of the Obligated Group Members has created a gross revenue fund with its depository bank to further secure its gross revenues for the benefit of the Master Trustee.

The Master Indenture and certain other Obligated Group's financing agreements contain restrictive covenants, including maintenance of a debt ratio, limitations on the amount of any additional borrowings, and limitations on the disposal or transfer of assets to non-obligated group members. Additionally, the financing agreements require that funds are established with, and controlled by, a trustee during the period the bonds remain outstanding. The Obligated Group has complied with such financial covenants and restrictions at June 30, 2016.

Long-Term Debt

Series 2005 Bonds.

In March 2005, the California Statewide Communities Development Authority (CSCDA), on behalf of Daughters of Charity Health System (now known as VHS), issued four series of revenue bonds in the aggregate principal amount of $364,655,000 (the 2005 Bonds). The 2005 Bonds were comprised of $259,125,000 of 2005 Series A bonds, $39,715,000 of Series F bonds, $48,245,000 of Series H bonds, and $17,570,000 of Series H bonds. The issuance of the 2005 Bonds generated original issue premiums of $12,929,196. A portion of the proceeds of the 2005 was used to refinance prior bonds and finance the costs of constructing, improving, renovating, and equipping certain improvements to the facilities of the Obligated Group. The 2005 Series F bonds matured and were paid pursuant to their terms on July 1, 2010.

The Series 2005 Bonds are a limited obligation of CSCDA and are payable solely from payments made by the Obligated Group. Payment of principal and interest on the Series 2005 Bonds is secured by Obligations issued pursuant to the Master Indenture.

Series 2015 Notes.

On December 14, 2015, the California Public Finance Authority issued an aggregate of $160,000,000 of Revenue Notes (Verity Health System) Series 2015A, B, C, and D (collectively, the 2015 Notes) for the benefit of VHS. There are four series of 2015 Notes. The Series 2015A, B, and D Notes are tax exempt, and the Series 2015C Notes are taxable. While all of the 2015 Notes were authorized and issued, only the Series 2015A Notes ($60,000,000) and the 2015B Notes ($45,000,000) were funded as of June 30, 2016. The Series 2015C Notes ($10,000,000) and the Series 2015D Notes ($45,000,000) were funded on September 19 and October 31, 2016, respectively. A portion of the proceeds of the 2015 Notes was used, together with other funds, to pay the principal of and accrued and unpaid interest on the 2014 Bonds that matured on December 15, 2015.

The 2015 Notes are secured by an Obligation (as defined in the Master Indenture) on parity with other Obligations issued pursuant to the Master Indenture. In addition to their parity lien under the Master Indenture, the 2015 Notes have additional lien rights on the Obligated Group's accounts receivable and in certain properties owned by St. Francis Medical Center and Saint Louise Regional Hospital.

8. Debt (continued)

Short-Term Debt

Series 2014 Bonds.

On July 30, 2014, the CSCDA issued an aggregate of $110,000,000 of Revenue Bonds (Daughters of Charity Health System), Series 2014 A and B (the Series 2014 A and B Bonds) on behalf of Daughters of Charity Health System (now known as VHS). On August 28, 2014, CSCDA issued an additional $15,000,000 of Revenue Bonds (Daughters of Charity Health System), Series 2014 C (together with the Series 2014 A and B Bonds, the "Series 2014 Bonds"). The Series 2014 Bonds were secured by Obligations issued pursuant to the Master Indenture and (1) a first priority lien on the accounts receivable of St. Francis Medical Center, St. Vincent Medical Center, O'Connor Hospital, Saint Louise Regional Hospital, Seton Medical Center, and Seton Coastside as a division of Seton Medical Center; and (2) first priority Deeds of Trust and related subordination agreements with the Master Trustee on certain property of St. Francis Medical Center and Saint Louise Regional Hospital (collectively, the 2014 Priority Assets). The Master Trustee subordinated its interest in the 2014 Priority Assets to the Series 2014 Bond trustee. The Series 2014 Bonds were also secured by a parity lien under the Master Indenture.

Interest accrued at the rate of 6% and was paid on a monthly basis. The Series 2014 Bonds had an initial maturity date of July 10, 2015, and the Series 2014 Bonds were recorded as short-term debt on the VHS consolidated balance sheets as of June 30, 2015. That maturity date was extended to December 15, 2015. On December 15, 2015, VHS paid the full redemption price of the Series 2014 Bonds, which included principal (inclusive of undrawn proceeds of $76,212,000 recorded as other restricted assets as of June 30, 2015), and all accrued and unpaid interest thereon.

Fair Values

The fair value of VHS's bond indebtedness is estimated based on the quoted market prices for the same or similar issues or on the current rates offered for debt of the same remaining maturities. The estimated fair values of the VHS's debt instruments as of June 30, 2016 and 2015, are $336,803,500 and $393,704,000, respectively, and are valued using Level 2 inputs. The reported fair value of VHS's bond indebtedness instruments excludes the full value of an irrevocable principal pre-payment of $6,090,000 and $5,795,000 made as of June 30, 2016 and June 30, 2015, respectively. The fair value amounts do not represent the amount that would be required to expend to retire the indebtedness.

9. Functional Classification of Expense

The following is a functional classification of Verity's expenses:

	Year Ended June 30	
	2016	**2015**
Health services	**$ 1,193,112**	$ 1,227,560
General and administrative	**301,768**	310,454

10. Temporarily and Permanently Restricted Net Assets

Temporarily and permanently restricted net assets are available for the following purposes (in thousands):

	June 30	
	2016	**2015**
Equipment and expansion	**$ 3,522**	$ 4,823
Research and education	**2,848**	2,965

Permanently restricted net assets	**8,137**	8,207
Total restricted net assets	**$ 81,467**	$ 23,660

Equipment and expansion relate to assets held by VHS, which are restricted by donors or grantors to be used specifically for equipment, capital projects, or other capital needs.

Research and education relate to assets held by VHS, which are restricted by donors or grantors to be used in specific research or education programs.

Restricted contribution is the remaining portion of the contribution recognized at the time of the transaction contemplated by the Restructuring Agreement (see Note 1 "Organization"). The restriction of this contribution will be lifted pursuant to the terms of the Restructuring Agreement.

10. Temporarily and Permanently Restricted Net Assets (continued)

Charity and other relate mainly to assets held by VHS, which are restricted by donors or grantors to be used in specific health care programs for charity care and other medical and patient services.

Permanently restricted net assets of $8,137,000 and $8,207,000 at June 30, 2016 and 2015, respectively, are restricted to investments to be held in perpetuity, with the income expendable to support VHS's mission.

Endowments

VHS and five of its consolidated charitable foundations follow the Uniform Prudent Management of Institutional Funds Act (UPMIFA). UPMIFA eliminates the concept of "historic dollar value" and allows an institution to spend or accumulate as the board determines is prudent for the uses, benefits, purposes, and duration of the endowment fund unless the gift instrument states a particular spending rate or formula. California's version of UPMIFA also includes a rebuttable provision that spending greater than 7% of the average fair market value (calculated at least quarterly over a minimal period of three years) is presumed to be imprudent.

In accordance with UPMIFA, VHS considers the following factors when appropriating or accumulating an endowment fund: (i) general economic conditions, (ii) effects of inflation and deflation, (iii) the purposes of the institution and the endowment fund, (iv) expected total return from income and appreciation of investments, (v) VHS's other resources, (vi) the duration and preservation of the endowment fund, and (vii) VHS's investment policies.

From time to time, the fair value of assets associated with individual endowment funds may fall below the level that the donor or UPMIFA requires VHS to retain as a fund of perpetual duration. Deficiencies of this nature that are reported in unrestricted net assets were not material as of June 30, 2016 and 2015. These deficiencies resulted from unfavorable investment market fluctuations.

VHS has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Under these policies, as approved by the boards of trustees of the charitable foundations, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results while assuming a moderate level of investment risk.

10. Temporarily and Permanently Restricted Net Assets (continued)

To satisfy its long-term rate-of-return objectives, VHS relies on a balanced investment strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends).VHS targets a diversified asset allocation that places a great emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

The endowment net asset composition by type of fund consists of the following (in thousands):

	June 30, 2016			
	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
Donor-restricted endowment funds	$ 606	$ 789	$ 8,137	$ 9,532

11. Commitments and Contingent Liabilities

Standby Letter of Credit

Marillac, a subsidiary of VHS, pledged $36,939,150 of its investments to support a standby letter of credit issued in favor of Old Republic Insurance Company, one of the Parent's insurers, at June 30, 2016.

Litigation

Certain entities of VHS are defendants in various actions arising from their health care service activities. It is the opinion of management, after consulting with legal counsel, that such actions will not have a material adverse effect on VHS's consolidated financial position or results of operations as of June 30, 2016. Therefore, based on the information provided by its legal counsel, VHS has accrued $1,240,000 and $1,369,000 as of June 30, 2016 and 2015, respectively, which were related to certain of these actions. VHS evaluates recoveries from insurance coverage separately from its liability, and when appropriate, an asset is recorded separately from the associated liability.

As part of its ongoing compliance program, VHS routinely reviews arrangements between physicians and its hospitals. In September and October 2013, VHS made a voluntary self-disclosure to the federal government (in accordance with federal self-disclosure guidelines) related to certain financial arrangements between physicians and one of its hospitals, Seton Medical Center (SMC), that might constitute potential violations of federal regulatory standards. Pursuant to a settlement agreement entered into by SMC with CMS, effective as of November 6, 2015, SMC paid to CMS the sum of $815,000, and CMS agreed to release SMC from administrative liabilities and claims under section 1877(g)(1) of the Social Security Act relating to the matters addressed in the voluntary self-disclosure. VHS filed a self-disclosure with the U.S. Department of Health & Human Services Office of the Inspector General (OIG) indicating possible violations of the Stark Law and the Anti-Kickback Statute by Seton Medical Center. The date of the letter is October 13, 2016. The OIG informed VHS on November 17, 2016, that the disclosure was officially accepted into the Self-Disclosure Protocol. VHS understands that the OIG will next assign the matter to one of its staff attorneys to review. With respect to the facts, VHS continues to investigate to ascertain the amount of potential damages or penalties, and that review is ongoing.

11. Commitments and Contingent Liabilities (continued)

VHS and certain other entities and individuals have been named as defendants in a punitive class action complaint under ERISA. The complaint alleges that VHS's Retirement plan, a defined benefit "church plan" exempt from ERISA, is not a "church plan" and seeks orders, among other relief, requiring the plan to be brought into compliance with ERISA's minimum funding, reporting, and other administrative requirements. This class action has been settled.

VHS is a named defendant in a breach of contract, unjust enrichment, and declaratory relief complaint filed by Prime Healthcare Services, Inc. and Prime Healthcare Foundation, Inc. and captioned *Prime Healthcare Services, Inc., et al., vs. Blue Mountain Management Capital, et al.*, in the Superior Court of California, County of San Bernardino, and San Bernardino Justice Center. The complaint alleges that VHS and the other defendants materially breached the Definitive Agreement entered into between Prime Healthcare Services, Inc., Prime Healthcare Foundation, Inc. and VHS in October 2014 and that the defendants also unjustly enriched themselves at the plaintiff's expense and seeks, among other relief, $135 million in damages. VHS has filed a cross-complaint seeking $40 million. The parties are engaged in discovery and the case is currently scheduled for trial in June 2017. At this time, management cannot accurately estimate the amounts of any payments or settlements that might result, or if additional related issues will arise. There can be no guarantee that any resulting payments or settlements will not have a material adverse impact on VHS's consolidated financial position or results of operations.

Laws and Regulations

The health care industry is subject to numerous laws and regulations of federal, state, and local governments. Compliance with such laws and regulations can be subject to future government review and interpretation, as well as regulatory actions unknown or unasserted at this time. These laws and regulations include, but are not necessarily limited to, matters, such as licensure, accreditation, government health care program participation requirements, reimbursement laws and regulations, anti-referral laws, and false claims prohibitions. In recent years, government activity has increased with respect to investigations and allegations concerning possible violations of reimbursement, false claims, and anti-referral statutes and regulations by health care providers. Certain entities of VHS are subject to such laws and regulations and to governmental investigations, whistle-blower lawsuits, and other legal proceedings concerning such laws and regulations. Violations of these laws and regulations could result in expulsion from government health care programs, as well as imposition of significant fines and penalties and significant repayments for patient services previously reimbursed.

11. Commitments and Contingent Liabilities (continued)

VHS has 6,682 employees as of June 30, 2016, of whom just over 3,954 are full-time employees. Approximately 76% of these employees are employed by VHS entities and are represented by collective bargaining units. Majority of the employees are represented by collective bargaining agreements with Service Employees International Union (SEIU) and California Nurses Association (CNA). The agreement with SEIU, representing 41% of these employees, will expire on October 31, 2018, and the agreement with CNA, representing 22% of these employees, expired on April 30, 2016, and is currently in the process of being negotiated. Employee strikes or other adverse labor actions may have a material adverse impact on VHS's consolidated financial position or results of operations.

Lease Commitments

Future minimum lease payments under VHS's significant non-cancelable operating leases (with initial or remaining lease terms in excess of one year) as of June 30, 2016, are as follows (in thousands):

	Operating Leases
2017	$ 9,521
2018	5,791
2019	3,830
2020	3,871
2021	3,235
Thereafter	2,970
	$ 29,218

Rent expense was $19,501,000 and $22,318,000 for the years ended June 30, 2016 and 2015, respectively.

11. Commitments and Contingent Liabilities (continued)

Seismic Standards

VHS assessed its earthquake retrofit requirements for health care facilities under a state of California law SB 90 that can allow a delay of up to seven years from the January 1, 2013, deadline for Structural Performance Category 1 (SPC-1) retrofits. This affects six buildings at three of VHS's hospitals. The previously reported seventh building, the St. Vincent Medical Center Central Plant, has been upgraded to SPC-2 status. Extensions have been approved by the Office of Statewide Health Planning and Development as follows:

St. Vincent Medical Center Main Hospital must meet SP-2 standards by January 1, 2019. St. Vincent Medical Center Doheny Wing must meet SP-2 standards by July 1, 2019.

O'Connor Hospital 1953 Building must meet SPC-2 standards by July 1, 2019. O'Connor Hospital 1953 Boiler Plant/Laundry must meet SPC-2 standards by January 1, 2019.

Seton Medical Center Main Tower and Seton Medical Center Front Wing must meet SP-2 standards by July 1, 2019.

12. Subsequent Events

VHS has evaluated subsequent events and disclosed all material events through December 8, 2016, which is the date these consolidated financial statements of VHS were issued.

VHS entered into an extended supply support agreement with Premier Healthcare Solutions to redesign the supply chain infrastructure and operations over a three-year period beginning September 1, 2016, to improve resource utilization.

In October 2016, VHS engaged Conifer Health Solutions for its expertise as a single-source revenue cycle management provider. The multi-year agreement will yield optimized revenue cycle operations for the health system's six facilities, enhanced operating efficiency and reduced administrative expenses.

Title 11, California Code of Regulations, § 999.5(d)(11)(H)

Pro forma post-transaction balance sheet for the surviving or successor nonprofit corporation

Please see description in Section 999.5(d)(4)(B).

As stated above, VHS and its affiliated entities will file a plan of liquidation to be confirmed pursuant to Section 1129 of the Bankruptcy Code (the "Plan"). Depending on the timing of the close, VHS anticipates filing the Plan before the end of the calendar year 2019. VHS expects that the Plan will establish a "liquidating trust" (the "Trust") and appoint a "liquidating trustee." On the "effective date" of the Plan, all assets will be transferred to the Trust. The liquidating trustee's power and authorities and responsibilities will be set forth in a trust agreement and will include, among other things, (i) overseeing the implementation of the Plan, including with respect to management, control, and operation of the liquidating debtors, (ii) effectuate the wind down and ultimate dissolution of the debtors as legal entities, (iii) make distributions to creditors, (iv) pursue claims, counterclaims, and causes of action assigned to the Trust or the control of which is assumed by the Trust pursuant to this Plan, and (iv) take any other action required or permitted by the Plan. After consummation of the Plan, the liquidating trustee will request a final decree to close the Bankruptcy Cases, which may be one to two years after the Plan is confirmed, but could be longer depending on the nature and time of any litigation pursued by the trustee.
