Re: Verity Health System of California, Inc. Notice of Proposed Transfer
St. Francis Medical Center, St. Vincent Medical Center, and Seton Medical Center and Request for Consent

Dear Mr. Chan:

Pursuant to California Corporations Code Section 5914 and Title 11 of the California Code of Regulations, Sec. 999.5, Verity Health System of California, Inc. ("VHS") hereby provides notice to, and requests written consent from, the California Office of the Attorney General (the "AG") for the proposed sale (the "Transaction") of the assets of St. Francis Medical Center, St. Vincent Medical Center (including its St. Vincent Dialysis Center ("SVDC")), and Seton Medical Center (collectively the "Hospitals") to Strategic Global Management, Inc. and/or one or more of its affiliates (collectively "SGM").[1] As outlined in greater detail below, the sale to SGM described in the enclosed notice (the "Notice") is critical in order to ensure that the Hospitals survive the current financial challenges facing them, while being preserved as providers of essential health care services to the communities they serve.

As we have discussed, the Asset Purchase Agreement ("APA") signed by the parties in connection with the Transaction, contains a detailed provision that requires SGM to close on the Transaction provided the conditions imposed by the AG are "substantially consistent" with the conditions outlined in Schedule 8.6. As outlined in Schedule 8.6 to the APA, with limited

[1] VHS hereby reserves the right to challenge any conditions imposed by the AG upon completion of its review of this submission, including the renewal of the conditions previously imposed in connection with the 2015 transaction involving the VHS predecessor. Pursuant to the Bankruptcy Court's Tentative Ruling enclosed herein as Exhibit 2 to the VHS response to Section 999.5(d)(1)(B), VHS is not, through this request, waiving its right or ability to later assert that the Hospitals may be sold free and clear of conditions imposed by the Attorney General under § 363(f) of the Bankruptcy Code.

exceptions and adaptations to conform to the present Transaction and parties, SGM has agreed to honor the applicable existing conditions contained in the AG's Decision dated December 3, 2015, conditionally consenting to the proposed change in governance and control of Daughters of Charity Ministry Services Corporation and Daughters of Charity Health System (the "Prior Conditions") for a term that coincides with the remaining term applicable to each condition.

Given the modifications to the Prior Conditions described on Schedule 8.6, VHS hereby requests that the AG review this Notice as a hybrid submission, as both (i) a request for approval of the pending sale to SGM under California Corporations Code Section 5914; and concurrently (ii) a request to amend the Prior Conditions as permitted under Title 11 of the California Code of Regulations, Sec. 999.5(h). This approach is critical given the untenable and unforeseeable financial condition the Hospitals find themselves in today, in part because of the costs and challenges associated with the conditions imposed by the AG in December of 2015.

As contemplated by Sec. 999.5(h), modifications to the Prior Conditions are appropriate as a result of the change in circumstances impacting the Hospitals that could not have reasonably been foreseen at the time of the AG's original action. There has been a material change in market factors and circumstances since 2015 (including VHS' current bankruptcy and the significant reduction in the population in need of charity care in California since implementation of the Affordable Care Act).

As described in more detail in the Notice, VHS specifically requests that the AG: (1) modify and update the Prior Conditions governing the volume of charity care and community benefits provided by the Hospitals; (2) modify and update the Prior Conditions to credit SGM for the significant capital expenditures VHS has invested in the health system; (3) modify and update the Prior Conditions to eliminate the requirement that SGM maintain cancer care at the Hospitals in recognition of SGM's inability to access 340B drug pricing and the availability of sufficient cancer resources in the Hospital communities; and (4) modify and update the Prior Conditions to conform to the present Transaction and specific parties involved.

In order to ensure that the Transaction can close and in order to preserve the Hospitals as resources to the communities they serve, VHS also requests that the AG allow SGM to essentially stand in its shoes, with the term of the conditions that apply to SGM modified prospectively but continuing to run from the close of the BlueMountain Transaction. VHS believes this is necessary in order to ensure that the Transaction will close and in order to preserve the Hospitals as resources to the communities they serve.

1. **Background Information**

The Hospitals were originally sponsored by the Daughters of Charity of St. Vincent de Paul, Province of the West ("DCHS"), to support the mission of the Catholic Church through a commitment to providing care to the sick and poor. Beginning in the 1990s, while operated by the Daughters of Charity, the Hospitals were experiencing substantial operating losses due to, among other things, mounting labor costs, low reimbursement rates, and the ever-changing healthcare landscape. The Daughters of Charity explored numerous solutions to these financial challenges but ultimately, none were fruitful.

In October of 2014, DCHS entered in to an agreement with Prime Healthcare Services and Prime Healthcare Foundation (collectively "Prime") to sell the health system. In early 2015, the Attorney General consented to the sale to Prime, subject to conditions that Prime determined were too onerous and burdensome, resulting in the termination of the transaction.

In 2015, DCHS again marketed the health system for sale, and in July 2015, the DCHS Board of Directors selected BlueMountain Capital Management LLC ("BlueMountain"), a private investment firm, to recapitalize its operations and transition leadership of the health system to the new Verity Health System (the "BlueMountain Transaction"). In connection with the BlueMountain Transaction, BlueMountain agreed to make a capital infusion of $100 million to the hospital system, arrange loans for another $160 million to the health system, and manage operations of the health system, with an option to buy the health system at a future time. In addition, the parties entered into a System Restructuring and Support Agreement (the "Restructuring Agreement"), pursuant to which DCHS' name was changed to Verity Health System, and Integrity Healthcare, LLC ("Integrity") was formed to carry out the management services under a new management agreement. Under the Restructuring Agreement, VHS, O'Connor Hospital, St. Louise Regional Hospital, St. Francis Medical Center, St. Vincent Medical Center, Seton Medical Center, and Seton Medical Center Coastside were converted from religious corporations to public benefit corporations.

On December 3, 2015, the California Attorney General approved the BlueMountain Transaction, subject to numerous conditions, ranging in duration from 5 to 15 years. Generally, the terms of the Prior Conditions included: (1) limits on transfers of control; (2) maintenance of specific health services and specific bed counts; (3) required participation in Medicare and Medi-Cal programs, including required contracts with LA Care and San Mateo Health Plan; (4) required funding levels of community benefit programs; (5) required monetary levels of charity care; (6) required capital expenditures; (7) maintenance of certain county payor contracts; (8) requirements for local governing boards; (9) requirements for medical staff compliance; and (10) an annual attestation of compliance with the Attorney General conditions.

Despite BlueMountain's infusion of cash and retention of various consultants and experts to assist in improving cash flow and operations, the health system continued to operate with significant financial losses. Among other things, the Prior Conditions compelled the expenditure of millions of dollars to provide charity care even though the number of uninsured people in California and by extension those in need of charity care, had steadily decreased since implementation of the Affordable Care Act. The costs and operational limitations resulting from the Prior Conditions, coupled with the legacy burden of more than a billion dollars of bond debt and unfunded pension liabilities, an inability to renegotiate collective bargaining agreements or payor contracts, the continuing need for significant capital expenditures for seismic obligations and aging infrastructure, and the general headwinds facing the hospital industry, VHS was simply unable to turn the Hospitals around. This ultimately led to VHS and the Hospitals (along with other VHS-affiliated entities) filing voluntary petitions for relief under Chapter 11 of the United States Bankruptcy Code on August 31, 2018 in an effort to protect the original legacy of the Daughters of Charity to the maximum extent possible by retiring debt incurred over the past 18 years and freeing the hospital facilities and work force to continue to operate as hospitals under new ownership and leadership without the accumulated financial burdens of the past.

2. **Proposed Transaction**

After an extensive marketing and sale process, the VHS Board chose SGM as the stalking horse bidder because (i) SGM is a buyer who will maintain the healthcare characteristics of the Hospitals and SVDC and continue patient care for the communities served by the Hospitals, and (ii) SGM provided the best and highest purchase price for the assets. As outlined in Schedule 8.6 to the APA, attached to Section 999.5(d)(5)(H), with limited exceptions and adaptations to conform to the present Transaction and parties, SGM has agreed to honor most of the applicable Prior Conditions for a term that coincides with the remaining term applicable to each condition. The existing health care services provided at the Hospitals will remain largely unchanged as a result of this Transaction.

Importantly, by assuming most of the obligations contained in the Prior Conditions, SGM is committing to maintain and improve the health care services provided in the communities the Hospitals serve. Following the expiration of the remaining term of the Prior Conditions, SGM will evaluate what operational changes, if any, may be required or recommended in connection with the future viability of each of the Hospitals and the services provided.

3. **Timing and Anticipated Closing**

At this stage, the final Asset Purchase Agreement has been lodged with the Bankruptcy Court and an order approving the Transaction with SGM has been entered. In addition to preparing this submission, VHS and SGM are working cooperatively to prepare and file any required Hart-Scott-Rodino Act of 1976 filings as well as to submit change of ownership

applications and other filings so as to facilitate the re-issuance of licenses, permits and approvals to SGM and so that any other consents necessary to close the Transaction are obtained in an expeditious manner. The closing of the Transaction will occur as soon as reasonably possible upon satisfaction of each party's respective closing conditions, which we are targeting to occur sometime between July and September. We request the AG's prompt review of this request so as to help the parties close on the Transaction as soon as is reasonably possible. Given the significant amount of money the Hospitals are losing each day, the longer it takes for the sale to close, the greater the risk of the Transaction closing.

Thank you for your assistance as we have prepared this submission. Please contact me at 310.651.9602 or hlevybiehl@nelsonhardiman.com if you have any questions or would like any additional documentation or information as the AG conducts its review.

Sincerely,

NELSON HARDIMAN, LLP

Title 11, California Code of Regulations, § 999.5(d)(1)

DESCRIPTION OF THE TRANSACTION

#2

Title 11, California Code of Regulations, § 999.5(d)(1)(A)

A full description of the proposed agreement and transaction

St. Francis Medical Center, St. Vincent Medical Center, and Seton Medical Center (the "Applicants") are submitting this application pursuant to California Corporations Code Section 5914 et seq. and California Code of Regulations, Title 11, Chapter 15, section 999.5. This application is not a waiver or admission by VHS (defined below) or the Applicants.

Please take note of the Bankruptcy Court Tentative Ruling attached to Section 999.5(d)(1)(B) as Exhibit 2 [Docket No. 2221], which states:

> The California Attorney General, the Debtors, the Consultation Parties (as defined in the Bid Procedures Order) and the Purchaser, reserve all rights, arguments and defenses concerning the California Attorney General's authority, if any, to review the Sale under California Corporations Code sections 5914-5924 and California Code of Regulations – Title 11, Chapter 15, section 999.5 and any conditions issued thereto.
>
> The [Bankruptcy] Court notes that, although the Debtors will submit to the Attorney General applications for transfer of the Hospitals pursuant to Cal. Corp. Code §§ 5914 et seq., the Debtors reserve the right to challenge any conditions imposed by the Attorney General upon completion of the review, including the renewal of the conditions previously imposed in connection with the 2015 transaction involving the Debtors' predecessor. The Court finds that the Debtors' election to participate in the regulatory process established by Cal. Corp. Code §§ 5914 et seq. does not waive their ability to later assert that the Hospitals may be sold free and clear of conditions imposed by the Attorney General under § 363(f) of the Bankruptcy Code.

I. General Background

A. Hospitals' Bankruptcy Filing

Verity Health System of California, Inc., a California nonprofit public benefit corporation ("VHS"), is the sole corporate member of the following California nonprofit public benefit corporations that operate three acute care hospitals, St. Francis Medical Center, St. Vincent Medical Center, and Seton Medical Center (including the Seton Medical Center Coastside campus) (collectively, the "Hospitals") and other facilities in the state of California. Seton Medical Center and Seton Medical Center Coastside operate under one consolidated acute care license. St. Vincent Medical Center is the sole corporate member of the St. Vincent Dialysis Center ("SVDC"), located on the St. Vincent Medical Center's campus. The assets of the Hospitals and SVDC are referred to herein as the "Assets." Please see the attached Declaration

of Richard G. Adcock In Support Of Emergency First-Day Motions [Docket Nos. 8 and 12] (the "Adcock Declaration") for more detail regarding VHS, which is attached to this Section 999.5(d)(1)(A) as **Exhibit 1.**

VHS also is the sole corporate member of O'Connor Hospital and St. Louise Medical Center, all of the assets of which were sold to Santa Clara County on February 28, 2019 (the "Sold Hospitals").

On August 31, 2018, VHS and the Hospitals (along with other VHS-affiliated entities) each filed voluntary petitions for relief under Chapter 11 of the United States Bankruptcy Code (the "Bankruptcy Code"). The cases (collectively, the "Bankruptcy Cases") are jointly administered under Case No. 18-20151 before the Honorable Ernest M. Robles, in the United States Bankruptcy Court for the Central District of California (the "Bankruptcy Court"). All documents related to the Bankruptcy Cases can be viewed and downloaded at kccllc.net/verityhealth.

As of June 30, 2018, VHS' consolidated unaudited financial statements reflected total assets of approximately $847,000,000, and total liabilities of approximately $1,278,000,000. Please see the attached Declaration of Anita Chou, Chief Financial Officer [Docket No. 32] (the "Chou Declaration"), which is attached to this Section 999.5(d)(1)(A) as **Exhibit 2.**

B. Historical Challenges[1]

The Hospitals were originally sponsored by the Daughters of Charity of St. Vincent de Paul, Province of the West (the "Daughters of Charity"), to support the mission of the Catholic Church through a commitment to the sick and poor. The Daughters of Charity began their healthcare mission in California in 1858 with the opening of Los Angeles Infirmary, now known as St. Vincent Medical Center. The Daughters of Charity expanded its hospitals to San Jose in 1889 and San Francisco in 1893. The Daughters of Charity ministered to ill, poverty-stricken individuals for more than 150 years.

In March 1995, the Daughters of Charity merged their hospitals with Catholic Healthcare West ("CHW"). In June 2001, the Daughters of Charity Health System ("DCHS") was formed. In October 2001, the Daughters of Charity withdrew from CHW. In 2002, DCHS commenced operations and was the sole corporate member of the Hospitals, which at that time were California nonprofit religious corporations.

Between 1995 and 2015, the Daughters of Charity and DCHS struggled to find a solution to continuing operating losses, either through a sale of some or all of the hospitals or a merger with a more financially sound partner. All these efforts failed. During these efforts, however, the health system's losses continued to mount. In 2005, DCHS issued $364 million in bonds to refinance existing debt and to fund future capital expenditures. Three years later, in 2008, they issued another $143 million in bonds to refinance existing debt.

Between 2012 and 2014, DCHS participated in an affiliation with Ascension Health Alliance ("Ascension") in an effort to create greater operating efficiencies. At the time, Ascension was

[1] The financial data in Sections B and C relates to VHS' six hospitals, as it was overly burdensome and in some cases, impossible, to separate the data by hospital.

the largest Catholic health system in the world and the largest non-profit health system in the United States with facilities in 23 states and the District of Columbia. The affiliation between DCHS and Ascension failed.

Despite continuous efforts to improve operations, operating losses continued to plague the health system due to, among other things, mounting labor costs, low reimbursement rates, and the ever-changing healthcare landscape. In 2013, DCHS actively solicited offers for O'Connor Hospital, St. Louise Regional Hospital, Seton Medical Center, and Seton Medical Center Coastside. In 2013, to avoid failing debt covenants, the Daughters of Charity Foundation, an organization separate and distinct from DCHS, donated $130 million to DCHS to allow it to retire the 2008 Bonds in the total amount of $143.7 million.

In early 2014, DCHS announced that they were beginning a process to evaluate strategic alternatives for the health system. Throughout 2014, DCHS explored offers to sell their health system and, in October of 2014, they entered into an agreement with Prime Healthcare Services and Prime Healthcare Foundation (collectively, "Prime") to sell the health system. However, to keep the hospitals open, DCHS needed to borrow another $125 million to mitigate immediate cash needs during the sale process; in other words, to allow DCHS to continue to operate until the sale could be consummated. Notably, DCHS' goal in the transaction was to maintain the status quo; their guiding principles for the sale included protecting existing pensions, repaying all their bond debt, continuation of all collective bargaining agreements, maintenance of existing contracts for patient services, and obtaining promises for substantial capital expenditures. In early 2015, the California Attorney General consented to the sale to Prime, subject to conditions on that sale that Prime claimed were so onerous that Prime terminated the transaction.

In 2015, DCHS again marketed their health system for sale, and, again, focused on offers that maintained the health system as a whole, and assumed all the obligations. In July 2015, the DCHS Board of Directors selected BlueMountain Capital Management LLC ("BlueMountain"), a private investment firm, to recapitalize its operations and transition leadership of the health system to the new Verity Health System (the "BlueMountain Transaction").

In connection with the BlueMountain Transaction, BlueMountain agreed to make a capital infusion of $100 million to the hospital system, arrange loans for another $160 million to the health system, and manage operations of the health system, with an option to buy the health system at a future time. In addition, the parties entered into a System Restructuring and Support Agreement (the "Restructuring Agreement"), DCHS's name was changed to Verity Health System, and Integrity Healthcare, LLC ("Integrity") was formed to carry out the management services under a new management agreement.

DCHS requested the California Attorney General's consent to enter into the Restructuring Agreement and the BlueMountain Transaction. According to the report prepared by MDS Consulting, a consulting firm retained to prepare healthcare impact reports for the AG, DCHS outlined the following reasons why the BlueMountain Transaction was either necessary or desirable:

- The current structure and sponsorship of DCHS was no longer possible as a result of cash flow projections and dire financial conditions.

- In July and August of 2014, DCHS obtained a short-term financing bridge loan in the amount of $125 million to mitigate the immediate cash needs for an estimated period of time long enough to allow for the transaction to close. Repayment of the funds was due on December 15, 2015, at which time if the full amount was not repaid, DCHS would be at risk of defaulting on both their 2014 and 2005 Revenue Bonds.

- Without bankruptcy protection or additional financial support, DCHS could not continue hospital operations if there was a default.

On December 3, 2015, the California Attorney General approved the BlueMoutain Transaction, subject to conditions. The Attorney General conditions were imposed for periods ranging from 5 to 15 years. Generally, the terms of conditions (collectively, the "Conditions") included: (1) limits on transfers of control; (2) maintenance of specific health services and specific bed counts; (3) required participation in Medicare and Medi-Cal programs, including required contracts with LA Care and San Mateo Health Plan; (4) required funding levels of community benefit programs; (5) required monetary levels of charity care; (6) maintenance of certain county payor contracts; (7) requirements for local governing boards; (8) requirements for medical staff compliance; and (9) an annual attestation of compliance with the Attorney General conditions.

Under the Restructuring Agreement, VHS, O'Connor Hospital, St. Louise Regional Hospital, St. Francis Medical Center, St. Vincent Medical Center, Seton Medical Center, and Seton Medical Center Coastside were converted from religious corporations to public benefit corporations.

Despite BlueMountain's infusion of cash and retention of various consultants and experts to assist in improving cash flow and operations, the health system continued to operate with significant financial losses.

In July 2017, NantWorks, LLC acquired a controlling stake in Integrity. NantWorks brought in a new CEO, CFO, and COO. NantWorks loaned another $148 million to VHS in just one year.

Despite the infusion of capital and new management, it became apparent that the problems facing VHS were too large to solve without a formal court supervised restructuring. Thus, despite VHS' great efforts to revitalize its hospitals and improvements in performance and cash flow, the legacy burden of more than a billion dollars of bond debt and unfunded pension liabilities, an inability to renegotiate collective bargaining agreements or payor contracts, the continuing need for significant capital expenditures for seismic obligations and aging infrastructure, and the general headwinds facing the hospital industry, made success impossible. Losses continue to amount to approximately $175 million annually on a cash flow basis.

Based on the foregoing, and while VHS has made improvements to the existing system, VHS commenced the Bankruptcy Cases to protect the original legacy of the Daughters of Charity to the maximum extent possible by retiring debt incurred over the past 18 years and freeing the hospital facilities and work force to continue to operate as hospitals under new ownership and leadership without the accumulated financial burdens of the past.

C. Fiscal Crisis

As described above, VHS' fiscal crisis is the confluence of various factors and historical challenges. Below are a few of the most significant and expected funding requirements in the immediate future.[2]

Payor Rates.

VHS is paid below market rates through its payor contracts with health plans. VHS's contracts are 20-43% below market. These below market rates would make it difficult for any hospital to break even. Summarized below is illustrative data, highlighting VHS's rates as a percentage of Medicare relative to the market rates.

Managed Care Rates Expressed as a Percent of Medicare Rates
(Combined Inpatient and Outpatient)

	BlueCross			BlueShield			United		
	Verity	Market	% Difference	Verity	Market	% Difference	Verity	Market	% Difference
SFMC	193%	223%	-15%	193%	226%	-17%	198%	237%	-20%
SVMC	139%	206%	-48%	156%	202%	-29%	139%	195%	-40%
OCH	164%	237%	-44%	229%	244%	-6%	151%	242%	-60%
SMC	207%	252%	-22%	235%	254%	-8%	228%	262%	-15%
SLRH	202%	280%	-38%	204%	280%	-37%	159%	289%	-82%
Average			**-34%**			**-20%**			**-43%**

Labor Rates.

Payroll costs in the twelve months prior to August 31, 2018 increased nearly $65,000,000, partially related to VHS's union contracts (~5% increases annually).

Pension Obligations.

Under the pension plans, there are expected pension funding requirements in and around 2019, of over $66 million. Only ~$20M relates to current year costs. In other words, most is funding the underfunded status of the plans. Between December 2015 and March 2019, VHS funded approximately $210,000,000 in pension plan and retirement plan contributions, all of which was funded from borrowing.

IT Investment.

VHS' information technology systems require IT investment in the amount of nearly $50 million over the next year alone. There are outdated electronic health records and enterprise resource planning systems (e.g., human resources, supply chain management, inventory management, etc.). Further, VHS needs significant upgrades to its IT assets in order to modernize its hospitals and remain able to continue providing quality patient care services. For example, VHS needs to

[2] The financial data in this Section C relates to VHS' six hospitals, as it was overly burdensome and in some cases, impossible, to separate the data by hospital.

(i) immediately replace its outdated local area and wireless networking equipment with modern equipment to enable reliable access by all VHS system users (estimated to cost $15 million over a one-year implementation period), (ii) replace VHS' obsolete clinical systems — including its medical record systems and financial systems — in order to provide up-to-date patient records, improved clinical planning, care management, and better charge control (estimated to cost $220 million over a period of two years), and (iii) replace and upgrade such other information technology hardware and software, including for imaging clinics, that are necessary for operating a full range of healthcare services.

Seismic and Energy Requirements.

VHS requires seismic and energy expenditures of over $150 million over the next few years. By way of example, there are significant improvements (including demolishment of certain buildings) required for St. Vincent Medical Center and Seton Medical Center. There are additional improvements required by 2030 to St. Vincent and Seton Medical Center. These seismic improvement deadlines are part of the conditions imposed by the Attorney General in the BlueMountain Transaction, as well as mandated by the California Office of Statewide Health Planning and Development (OSHPD).

Medical Equipment.

VHS requires over $100 million in medical equipment expenditures over a period of several years.

D. Attorney General Requirements

As set forth above, as part of approving the Restructuring Agreement, the Attorney General placed certain operational restrictions on VHS and each of the Hospitals, which include certain minimum annual funding requirements for charity care, community benefits, and capital expenditures and other mandates. Taken separately, most of these conditions would not have contributed to VHS' financial failure. However, the cumulative effect of the conditions was to lock VHS into a failing business model, mandating contracting with low-paying health plans, dictating minute details of business operations, and denying VHS the ability to repurpose facilities to meet changing community healthcare needs. For example, VHS management believes that SMC could better serve the community by operating as a much-needed long-term post-acute care facility, rather than as one of the many acute care hospitals in a saturated service area.

The Attorney General's conditions also compelled the expenditure of millions of dollars to provide charity care even though the number of uninsured people in California has steadily decreased since implementation of the Affordable Care Act.

The Attorney General's conditions required VHS to make up for years of under-funding of pension obligations, a condition which VHS could only satisfy through additional borrowings.

The Attorney General's conditions also required VHS to commit and spend $40 million per year for the first 3 years following the close of the BlueMountain Transaction, with a requirement for it to commit and spend an additional $30 million per year for two additional

years. Notwithstanding its financial challenges, in just three years from December 2015 through December 2018, VHS committed and spent a total of $185 million in capital expenditures for its facilities, over $65 million more than the required capital commitment for that period.

The Attorney General's conditions denied the Applicants the benefits of the marketplace. The conditions required VHS to enter into contracts with certain entities and payors. Because those entities were well aware of the Attorney General's requirement that VHS contract with them or be in default, VHS had no bargaining power with those entities or payors. For example, L.A. Care Health Plan's systematic refusal to pay claims timely and in compliance with regulations has necessitated legal action to collect over $20 million owed to VHS. *See*, St. Vincent Medical Center v. Local Initiative Health Authority for Los Angeles County dba L.A. Care Health Plan, Case No. 19-01002, available at http://www.kccllc.net/verityhealth/document/list/4812.

For additional detail and background, please see the Adcock Declaration, attached to this Section 999.5(d)(1)(A) as Exhibit 1.

II. Description of Proposed Agreement and Transactions[3]

Below is a summary of the Asset Purchase Agreement entered into by and between Verity Health System of California, Inc., St. Francis Medical Center, St. Vincent Medical Center, St. Vincent Dialysis Center, and Seton Medical Center, as sellers, and Strategic Global Management, Inc. ("SGM"), as purchaser, [Docket No. 2305] (the "Asset Purchase Agreement" or "APA"). Please refer to the APA attached to Section 999.5(d)(1)(B) as Exhibit 1 for more specific and definitive details about the Transaction.

Pursuant to the APA and related documents, SGM will purchase substantially all of the assets of the Hospitals, hire substantially all of the employees, and continue the operations of these historic institutions as healthcare facilities to ensure community access to needed healthcare services. Without SGM purchasing the Hospitals' Assets, VHS most likely would be forced to close the Hospitals.

Consideration.

SGM has made a good faith deposit in the amount of Thirty Million Dollars ($30,000,000) (the "Deposit"). Such deposit is non-refundable, except if SGM terminates the APA pursuant to its termination rights in the APA. The Deposit will be credited against the Purchase Price (defined below).

The consideration is an aggregate amount of Six Hundred Ten Million Dollars ($610,000,000) (the "Purchase Price") and will be allocated as follows: (i) Four Hundred Twenty Million Dollars ($420,000,000) to St. Francis Medical Center; (ii) One Hundred Twenty Million Dollars ($120,000,000) to St. Vincent Medical Center; and (iii) Seventy Million Dollars ($70,000,000) to Seton Medical Center for Seton Medical Center and Seton Medical Center Coastside. Additionally, the consideration also includes assumption of the Assumed Liabilities and Cure

[3] Capitalized terms used in this Section II but not defined herein, shall have the respective meanings given to them in the APA.

Costs associated with any Assumed Leases and/or Assumed Contracts, as defined in the APA. However, in the event the approval of the California Attorney General does not include a requirement that Seton Hospital remain open as an acute care hospital or that Seton Coastside Hospital remain open as a skilled nursing facility, then the Purchase Price shall be re-allocated from St. Francis Medical Center to Seton Medical Center.

The Purchase Price is subject to a QAF Adjustment. The Sellers shall credit against the Purchase Price the amount by which payments received by Sellers under QAF IV and QAF V between the Signing Date and Closing exceed the sum of (i) fees paid under QAF IV and QAF V during such period plus (ii) the amount of fees which are unpaid and owing as of the Closing in respect of invoices received by Sellers prior to Closing under QAF IV and QAF V. Conversely, the Purchase Price may be increased by the amount by which the sum of (i) fees paid under QAF IV and QAF V between the Signing Date and Closing plus (ii) the amount of fees which are unpaid and owing as of Closing in respect of invoices received by Sellers prior to Closing under QAF IV and QAF V exceeds payments received under QAF IV and QAF V during such period.

Purchase Assets and Assumption of Obligations.

SGM will purchase the Assets of the Sellers, excluding cash, and will assume certain Assumed Obligations. Each Seller will file such motions in the Bankruptcy Court and take such other actions as are reasonably necessary to ensure that final and non-appealable orders (x) assuming and assigning the respective Assumed Contracts or Assumed Leases applicable to such Seller to Purchaser are entered, and (y) rejecting the Rejected Contracts are entered. With respect to each Assumed Lease and Assumed Contract, the applicable Seller shall execute and deliver to Purchaser an Assignment and Assumption of Lease and Assumed Contract. SGM will retain the ability to designate additional Assumed Contracts or Assumed Leases up to 30 days prior to Closing and may remove Assumed Contracts or Assumed Leases from the designated list up to 7 days prior to Closing.

At Closing and pursuant to an order of the Bankruptcy Court, each Seller will assume and immediately assign to Purchaser the leases of such Seller for Leased Real Property and the Tenant Leases.

Closing Date.

The Closing Date will be within ten (10) business days following the satisfaction or waiver of all of the conditions precedent to Closing set forth in the APA.

Employment.

SGM will make offers of employment to substantially all Hospital Employees (defined in the summary of the APA below), which includes employees of Sellers and Seller affiliates that employ individuals at the Hospitals and other employees as scheduled in the APA.

SGM Termination Rights.

SGM may terminate the APA if a material breach of the APA has been committed by Sellers and such breach has not been (i) waived in writing by SGM or (ii) cured by Sellers to the reasonable satisfaction of SGM within fifteen (15) business days after service by SGM. SGM may also terminate the APA if the Bankruptcy Court enters an order dismissing the Bankruptcy Case or fails to approve the sale of the Assets to SGM.

SGM Termination Rights Related to Attorney General Conditions.

SGM has the following rights to terminate the APA related to the Attorney General conditions:

> 8.6 Attorney General Provisions. Purchaser recognizes that the transactions contemplated by this Agreement may be subject to review and approval of the CA AG. Purchaser agrees to close the transactions contemplated by this Agreement so long as any conditions imposed by the CA AG are substantially consistent with the conditions set forth, as Purchaser Approved Conditions, in Schedule 8.6. In the event the CA AG imposes conditions on the transactions contemplated by this Agreement, or on Purchaser in connection therewith, which are materially different than the Purchaser Approved Conditions set forth on Schedule 8.6 (the "Additional Conditions"), Sellers shall have the opportunity to file a motion with the Bankruptcy Court seeking the entry of an order ("Supplemental Sale Order") finding that the Additional Conditions are an "interest in property" for purposes of 11 U.S.C. § 363(f), and that the Assets can be sold free and clear of the Additional Conditions without the imposition of any other conditions, which would adversely affect the Purchaser. For purposes of this Section 8.6, Additional Conditions which individually or collectively impose a direct or indirect cost to Purchaser of $5 million, or more, shall be conclusively deemed to be "materially different." If Sellers determine not to seek such Supplemental Sale Order, or fail to obtain such Supplemental Sale Order within 60 days of the Attorney General's imposition of Additional Conditions, Purchaser shall be entitled to terminate this Agreement and receive the return of its Good Faith Deposit. If Sellers timely obtain such Supplemental Sale Order from the Bankruptcy Court or another court, Purchaser shall have a period of 21 business days from the entry of such order (the "Evaluation Period") to determine, in the exercise of the Purchaser's reasonable business judgment and in consultation with Purchaser's financing sources, whether to proceed to consummate the transactions contemplated by this Agreement; provided, however, (i) Purchaser shall not terminate or provide notice of termination of the Stalking Horse APA based on the Seller's failure to satisfy the condition set

forth under this Section 8.6 until the expiration of the Evaluation Period as may be extended herein, and (ii) the Evaluation Period may be extended by the Debtors, in consultation with the Consultation Parties, by up to 90 days for any appeal properly perfected with respect to the Supplemental Sale Order (the "Extended Evaluation Periods"). For the avoidance of doubt, if the Debtors or any of the Consultation Parties dispute the reasonableness of the exercise of the Purchaser's business judgment, such dispute shall be determined by the Bankruptcy Court only in the context of an adversary proceeding. If, at the conclusion of the Extended Evaluation Periods, such Supplemental Sale Order has not become a final, non-appealable order and Purchaser determines not to proceed, Purchaser shall have the right within ten (10) business days after the conclusion of the Extended Evaluation Periods to terminate this Agreement and receive the return of its Good Faith Deposit. Sellers shall provide Purchaser with prompt written notice of the conclusion of the Extended Evaluation Periods and whether the Supplemental Sale Order has become a final, non-appealable order. For purposes of this Section 8.6, "a final, non-appealable order" shall include a Supplemental Sale Order (i) which has been affirmed or the appeal of which has been dismissed by any appellate court and for which the relevant appeal period has expired (other than any right of appeal to the U.S. Supreme Court), or (ii) which has been withdrawn by the appellant. If the Supplemental Sale Order becomes a final, non-appealable order prior to the expiration of the Evaluation Period or, if applicable, the Extended Evaluation Periods, Purchaser shall consummate the Sale provided that all other conditions to closing have been satisfied. During any Evaluation Period or Extended Evaluation Periods, Purchaser shall reasonably cooperate in any efforts to render the Supplemental Sale Order a final, non-appealable order, including timely taking reasonable steps in preparation for closing of the transactions described in this Agreement; provided, however, Purchaser shall not be obligated to expend more than $500,000. For the avoidance of doubt, neither this provision, nor any of the rights granted to the Purchaser herein, shall constitute a waiver of any party in interest's right to argue that any appeal from the Sale Order should be dismissed on statutory, Constitutional or equitable mootness grounds.

See the APA [Docket No. 2305], attached to Section 999.5(d)(1)(B) as Exhibit 1.

Limitation on Liability.

Sellers may sue for damages for any material default by SGM, provided that SGM shall not be liable for damages in excess of Sixty Million Dollars ($60,000,000).

Good Faith Purchaser.

Pursuant to the Bankruptcy Court Tentative Ruling [Docket No. 2221], attached to Section 999.5(d)(1)(B) as Exhibit 2, the Bankruptcy Court made a final determination that purchaser is a good faith purchaser pursuant to § 363(m) of the Bankruptcy Code and meets the requirements under the law that there was no self-dealing, there was an arms-length negotiation and there was no collusion between Seller and Purchaser.

Summary Description.

Please see the following description of the Asset Purchase Agreement from the Stalking Horse Motion (attached to Section 999.5(d)(1)(B) as Exhibit 4). Certain terms and conditions set forth below have been modified following the filing of the Stalking Horse Motion.

Stalking Horse APA Provision	**Summary Description**
APA Parties	Verity Health System of California, Verity Holdings, LLC, St. Francis Medical Center, St. Vincent Medical Center, St. Vincent Dialysis Center, and Seton Medical Center ("Sellers"). Strategic Global Management, Inc. ("Purchaser").
Consideration **APA § 1.1**	Six Hundred Ten Million Dollars ($610,000,000), which shall be allocated as follows: Four Hundred Twenty Million Dollars ($420,000,000) to St. Francis Medical Center, One Hundred Twenty Million Dollars ($120,000,000) to St. Vincent Medical Center, and Seventy Million Dollars ($70,000,000) to Seton Medical Center for Seton Medical Center and Seton Coastside, plus assumption of the Assumed Liabilities, provided, that if the California Attorney General's approval does not include a requirement that Seton Hospital remain open as an acute care hospital or that Seton Coastside Hospital remain open as a skilled nursing facility, then an amount to be determined by Purchaser, in its sole discretion, of such Cash Consideration shall be re-allocated from St. Francis to Seton; plus payment of Cure Costs associated with any Assumed Leases and/or Assumed Contracts.
QAF Adjustment **APA § 1.1(c), 1.1(d)**	At Closing, Sellers shall credit against the cash consideration, the amount by which payments received by Sellers under QAF IV and QAF V between the Signing Date and Closing exceed the sum of (i) fees paid under QAF IV and QAF V during such period plus (ii) the amount of fees which are unpaid and owing as of the Closing in respect of invoices received by Sellers prior to Closing under QAF IV and QAF V (the "Net QAF Reduction Amount"), or Purchaser shall pay Sellers (as an increase to the cash consideration) the amount by which the sum of (i) fees paid under QAF IV and QAF V between the Signing Date and Closing plus (ii) the amount of fees which are unpaid and owing as of Closing in respect of invoices received by Sellers prior to Closing under QAF IV and QAF V exceeds payments received under QAF IV and QAF V during such period (the "Net QAF Increase Amount").

Stalking Horse APA Provision	Summary Description
Assets; Avoidance Actions **APA § 1.7**	In each case, solely to the extent used primarily in the conduct of the Business, "Assets" shall mean (a) all of the tangible personal property owned by such Seller and used by such Seller in the operation of the Hospital of such Seller, or in the case of St. Vincent Dialysis Center, the operation of its dialysis business, including equipment, furniture, fixtures, machinery, vehicles, office furnishings and leasehold improvements; (b) all of such Seller's rights, to the extent assignable or transferable, in and to all Licenses; (c) all of such Seller's right, title and interest in and to the Owned Real Property and all of such Seller's interest, to the extent assignable or transferable, in and to the Assumed Leases; (d) all of such Seller's right, title and interest in and to any and all Assumed Contracts; (e) all claims, rights, interests and proceeds with respect to amounts overpaid by such Seller to any third party health plans with respect to periods prior to the Effective Time, except with respect to any causes of action or proceeds thereof arising under Chapter 5 of the Bankruptcy Code other than with respect to Assumed Contracts and Assumed Leases; (f) all Inventory; (g) all Prepaids; (h) all operating manuals, files and computer software, including all patient records, medical records, employee records, financial records, equipment records, construction plans and specifications and medical and administrative libraries; (i) all systems, servers, computers, hardware, firmware, middleware, telecom equipment, networks, data communications lines, routers, hubs, switches and all other information technology equipment, and all associated documentation; (j) all Measure B trauma funding received after the Signing Date; (k) all Accounts Receivable; (l) all rights, claims and causes of action of such Seller arising out of the Accounts Receivable acquired by Purchase; (m) all regulatory settlements, rebates, adjustments, refunds or group appeals; (n) all casualty insurance proceeds arising in respect of casualty losses occurring after the Signing Date in connection with the ownership or operation of the Assets; (o) all surpluses arising out of any risk pools, shared savings program or accountable care organization arrangement; (p) all transferable unclaimed property of any Person in Sellers' possession as of the Closing Date; (q) all warranties in favor of the Hospitals or Sellers; (r) certain intellectual property rights, as further described in the Transition Services Agreement; (s) all goodwill; (t) all rights and interest in the telephone and facsimile numbers and uniform resource locaters; (u) all Medicare and Medi-Cal provider agreements and lockbox accounts identified on Schedule 1.7(u) to the Stalking Horse APA; (v) all documents, records, correspondence, work papers and other documents, other than patient records, relating to the Accounts Receivable; (w) the Purchased Verity Holdings Assets; (x) except for the Excluded Assets, any other asset owned by the Seller; (y) all of Seton's interest in and to the PACE Obligations; and (z) all QAF V and subsequent QAF program payments received after the Closing (e.g., QAF VI and QAF VII).
Excluded Assets **APA § 1.8**	"Excluded Assets" include cash, cash equivalents and investments; all Seller Plans and the assets of all Seller Plans; all contracts and leases that are not Assumed Contracts or Assumed Leases; inventory and assets disposed of by any Seller in the ordinary course of business after the Signing Date but prior to the Effective Time; all claims, counterclaims, and causes of action of each Seller or each Seller's bankruptcy estate; (except as otherwise provided) all insurance policies and contracts and coverages obtained by any Seller or listing a Seller as insured party, a beneficiary or loss payee; all Utility Deposits; all bank accounts of each Seller (except as otherwise provided); all tax refunds of each Seller; all QAF IV and QAF V payments actually received prior to the Signing Date.

Stalking Horse APA Provision	Summary Description
Assumed Obligations **APA § 1.9**	"Assumed Obligations" include all Assumed Contracts and Assumed Leases and all liabilities and obligations arising thereunder on and after the Effective Time, including any related Cure Costs; all liabilities and obligations arising out of or relating to any act, omission, event, or occurrence connected with the use, ownership, or operation by Purchaser of the Hospital or any of the Assets on or after the Effective Time; all unpaid real and personal property taxes that are attributable to the Assets after the Effective Time, subject to prorations; and all liabilities and obligations arising on or following the Effective Time relating to utilities being furnished to the Assets, subject to prorations and all accrued vacation and other paid time off, to the extent assumed under Section 1.1(a)(ii).
Excluded Liabilities **APA § 1.10**	Purchaser shall not assume or become responsible for any duties, obligations, or liabilities of any Seller other than the Assumed Obligations.
Assumption of Transferred Contracts and Assignment **APA § 1.11**	Not later than seven (7) days prior to the date of the Auction (i) Purchaser shall notify each Seller in writing of which Evaluated Contracts are to be assumed by such Seller and assigned to Purchaser, and (ii) Purchaser shall notify each Seller in writing signed and dated by Purchaser of which Evaluated Contracts are to be rejected by such Seller (collectively, the "Rejected Contracts"). Each Seller shall file such motions in the Bankruptcy Court and take such other actions as are reasonably necessary to ensure that final and non-appealable orders (x) assuming and assigning the respective Assumed Contracts or Assumed Leases applicable to such Seller to Purchaser are entered, and (y) rejecting the Rejected Contracts are entered. With respect to each Assumed Lease, the applicable Seller shall execute and deliver to Purchaser an Assignment and Assumption of Lease. Notwithstanding anything to the contrary set forth in this Agreement, the Rejected Contracts shall constitute part of the Excluded Assets pursuant to, and as defined in, this Agreement. At Closing and pursuant to an order of the Bankruptcy Court, each Seller will assume and immediately assign to Purchaser the leases of such Seller for Leased Real Property and the Tenant Leases.
Good Faith Deposit **APA § 1.2**	Purchaser has made a good faith deposit in the amount of Thirty Million Dollars ($30,000,000.00) (the "Deposit") by wire transfers to an account designated by Sellers. The Deposit shall be non-refundable in all events, except in the event Purchaser is not the winning bidder at the Auction, in the event Purchaser terminates the Stalking Horse APA if a stay of the sale order has not been vacated on or before 180 days following issuance of such stay, or in the event Purchaser has terminated the Stalking Horse APA pursuant to Section 9.1 (other than Section 9.1(b)). Upon Closing, the Deposit will be credited against the Purchase Price.
Closing Date **APA § 1.3**	The Closing Date shall occur within ten (10) business days following the satisfaction or waiver of the conditions precedent to Closing set forth in Articles 7 and 8 of the Stalking Horse APA.

Stalking Horse APA Provision	Summary Description
Employment Provisions **APA § 5.3**	Purchaser agrees to make offers of employment, effective as of the Effective Time, to substantially all employees (the "Hospital Employees") who, immediately prior to the Effective Time are: (i) employees of either Seller; (ii) employees of any affiliate of either Seller which employs individuals at the Hospital and are listed on Schedule 5.3; or (iii) employed by an affiliate of either Seller and are listed on Schedule 5.3. Any of the Hospital Employees who accept an offer of employment with Purchaser as of or after the Effective Time shall be referred to in this Agreement as the "Hired Employees." All employees who are Hired Employees shall cease to be employees of the applicable Seller or its affiliates as of the Effective Time.
Payment of Cure Costs **APA § 5.8**	Purchaser, upon assumption, shall pay the Cure Costs for each Assumed Contract and Assumed Lease so that each such Assumed Contract and Assumed Lease may be assumed by the applicable Seller and assigned to Purchaser in accordance with the provisions of section 365 of the Bankruptcy Code.
Break-Up Fee and Minimum Bid **APA § 6.1**	Any full overbids must be in a minimum amount of Six Hundred Ten Million Dollars ($610,000,000.00), plus Cure Costs and the Break-Up Fee, and accompanied by a deposit in the form of cash or a cashier's check in the amount of Thirty Million Dollars ($30,000,000.00). The "Break-Up Fee" shall mean a breakup fee in the amount totaling three and a half percent (3.25%) of the Cash Consideration (or $19,825,000) plus reimbursement of reasonably documented reasonable costs and expenses incurred by Purchaser related to its due diligence, and pursuing, negotiating, and documenting the transactions contemplated by this Agreement in an amount not to exceed $2,000,000.00; provided, however, that in the event that the Purchaser is successful in acquiring some but not all of the Assets, the Break-Up Fee shall be reduced pro rata to the percentage of Assets actually purchased by the Purchaser, based on the allocation of the Purchase Price as described in Section 1.1(a)(i) of the Stalking Horse APA. The Break-Up Fee will be subject to Bankruptcy Court approval and shall be deemed to be an allowed expense of the kind specified in § 503(b) of the Bankruptcy Code to be paid solely from the proceeds of an alternate transaction, pursuant to the Sale Order. Purchaser shall be allowed to credit bid the Break-Up Fee in any overbids that Purchaser may elect to make with respect to the Assets.
Requested Findings as to Good Faith, **APA § 6.1**	Each Seller agrees to proceed in good faith to obtain Bankruptcy Court approval of the sale contemplated herein with a determination that Purchaser is a good faith purchaser pursuant to § 363(m) and to file such declarations and other evidence as may be required to support a finding of good faith.

Stalking Horse APA Provision	Summary Description
Buyer's Termination Rights **APA § 9.1**	The Stalking Horse APA may be terminated by Purchaser if it is not satisfied with either (i) the results of its due diligence examination of the Hospitals, or (ii) the contents of any schedule or exhibit that was not completed and attached to the Stalking Horse APA, but which has been provided to Purchaser after the Signing Date, and Purchaser has notified Seller of its election to terminate the Agreement under Section 9.1(c) on or prior to January 8, 2019 [which period has expired], by Purchaser if a material breach of the Agreement has been committed by Sellers and such breach has not been (i) waived in writing by Purchaser or (ii) cured by Sellers to the reasonable satisfaction of Purchaser within fifteen (15) business days after service by Purchaser and by Purchaser or Sellers or if the Closing has not occurred on or before December 31, 2019. The Stalking Horse APA may also be terminated by Purchaser if satisfaction of any condition in Article 8 has not occurred by December 31, 2019 or becomes impossible and Purchaser has not waived such condition in writing. The Stalking Horse APA may also be terminated by Purchaser if the Bankruptcy Court enters an order dismissing the Bankruptcy Case or fails to approve the sale of the Assets to Purchaser.
Record Retention **APA § 10.2**	From the Closing Date until seven (7) years after the Closing Date or such longer period as required by law (the "Document Retention Period"), Purchaser shall keep and preserve all medical records, patient records, medical staff records and other books and records which are among the Assets as of the Effective Time, but excluding any records which are among the Excluded Assets. After the expiration of the Document Retention Period, if Purchaser intends to destroy or otherwise dispose of any of the documents, Purchaser shall provide written notice to Sellers of Purchaser's intention no later than forty-five (45) calendar days prior to the date of such intended destruction or disposal.
Limitation on Liability **APA § 11.1**	If Purchaser commits any material default under the APA, Sellers shall have the right to sue for damages; provided, however that the amount of such damages shall never exceed $60,000,000.00. For the avoidance of doubt, Sellers shall have no right to sue for specific performance under the APA.

I, Richard G. Adcock, hereby state and declare as follows:

1. I am the Chief Executive Officer of Verity Health System of California, Inc. ("VHS"). I became the Debtors' Chief Executive Officer effective January 2018. Prior thereto, I served as VHS's Chief Operating Officer since August 2017.

2. I have extensive senior-level experience in the not-for-profit healthcare arena, especially in the areas of healthcare delivery, hospital acute care services, health plan management, product management, acquisitions, integrations, population health management, budgeting, disease management and medical devices. I have meaningful experience in both the technology and healthcare industries in the areas of product development, business development, mergers and acquisitions, marketing, financing, strategic and tactical planning, human resources, and engineering.

3. Prior to VHS, from 2014 until 2017, I served as Executive Vice President and Chief Innovation Officer of Sanford Health, a large integrated health system headquartered in the Dakotas and is dedicated to health and healing. In this role, I was responsible for leading Sanford Health's growth and innovation, in addition to direct operational oversight of the following related entities: Sanford Research, Sanford Health Plan, Sanford Foundation (a philanthropic fundraising foundation), Sanford Frontiers (a commercial and real estate company), Profile by Sanford (a scientific weight loss program), and Sanford World Clinic (which operates clinics in multiple countries).

4. From 2012 to 2017, I served as the President of Sanford Frontiers and was responsible for starting a new entity within Sanford Health focused on innovative ventures. From 2008 to 2012, I served as Executive Vice President of Sanford Clinic. I was responsible both for (i) working directly with the President of the Clinic to the lead team of Vice Presidents in all aspects of management, and (ii) Sanford World Clinics operations, including the design, opening and operation of several global clinics. From 2006 to 2008, I served as the Vice President of Sanford Clinic and was responsible for leading strategic, operational and financial aspects within Sanford Clinic. From 2004 to 2006, I served as Director of Clinical Operations at Sanford

Children's Specialty Clinic and was responsible for leading the Pediatric Subspecialty Physician program and the clinical practice through all facets of the operation.

5. Prior to Sanford Health, I served as the Director of Engineering and Six Sigma Master Black Belt at GE Medical Systems, and before that I was the Vice President of Research and Development and the Co-Owner/Founder of Micro Medical Systems. I have a bachelor of science in business administration and a masters of business administration in healthcare management.

6. On the date hereof (the "Petition Date"), VHS and certain of its subsidiaries (collectively, the "Debtors" or "Verity") filed voluntary petitions for relief under Chapter 11 of Title 11 of the United States Code (the "Bankruptcy Code") in the United States Bankruptcy Court for the Central District of California, Los Angeles Division (the "Bankruptcy Court"). I am knowledgeable and familiar with the Debtors' day-to-day operations, business and financial affairs, and the circumstances leading to the commencement of these chapter 11 cases (the "Chapter 11 Cases").

7. Except as otherwise indicated herein, this Declaration is based upon my personal knowledge, my review of relevant documents, information provided to me by employees of the Debtors and Integrity Healthcare, LLC ("Integrity") or the Debtors' legal and financial advisors, or my opinion based upon my experience, knowledge, and information concerning the Debtors' operations and the healthcare industry. If called upon to testify, I would testify competently to the facts set forth in this Declaration.

8. I make this declaration for the purpose of apprising the Court and parties in interest of the circumstances that compelled the commencement of these Chapter 11 Cases and in support of the First-Day Motions (as defined below).

9. To enable the Debtors to minimize the adverse effects of the commencement of these Chapter 11 Cases on their business, the Debtors have requested various types of relief in a number of applications and motions (each a "First Day Motion," and, collectively, the "First Day Motions"). The First-Day Motions seek relief intended to maintain the Debtors' business operations; to preserve value for the Debtors, its stakeholders, and parties in interest; and, most

importantly, to protect the health and wellbeing of the patients who are being treated at the Hospitals (defined below) operated by the Debtors and the employees of the Debtors. Each First Day Motion is crucial to the Debtors' reorganization efforts and to the health and wellbeing of the patients. Any capitalized term not expressly defined herein shall have the meaning ascribed to that term in the relevant First-Day Motion.

10. Section I provides an overview of the Debtors and these Chapter 11 Cases. Section II describes the Debtors' businesses. Section III describes the circumstances that compelled the commencement of the Chapter 11 Cases. Section IV describes the Debtors' corporate and capital structure. Section V describes the Debtors' sales efforts. Section VI provides a summary of the First-Day Pleadings and factual bases for the relief requested therein.

I. OVERVIEW[1]

11. Debtor VHS, a California nonprofit public benefit corporation, is the sole corporate member of the following five Debtor California nonprofit public benefit corporations that operate six acute care hospitals, O'Connor Hospital, Saint Louise Regional Hospital, St. Francis Medical Center, St. Vincent Medical Center, Seton Medical Center, and Seton Medical Center Coastside (collectively, the "Hospitals") and other facilities in the state of California. Seton Medical Center and Seton Medical Center Coastside operate under one consolidated acute care license.

12. VHS, the Hospitals, and their affiliated entities (collectively, "Verity Health System") operate as a nonprofit health care system in the state of California, with approximately 1,680 inpatient beds, six active emergency rooms, a trauma center, and a host of medical specialties, including tertiary and quaternary care. The scope of the services provided by the Verity Health System (defined below) is exemplified by the fact that in 2017, the Hospitals provided medical services to over 50,000 inpatients and approximately 480,000 outpatients.

13. The VHS affiliated entities, including the Debtors, are as follows:

- O'Connor Hospital
- Saint Louise Regional Hospital

[1] Capitalized terms used but not defined in this overview section shall have the meanings assigned to them below.

- St. Francis Medical Center
- St. Vincent Medical Center
- Seton Medical Center, including
- Seton Medical Center Coastside campus
- Verity Business Services
- Marillac Insurance Company, Ltd.
- O'Connor Hospital Foundation

- St. Vincent de Paul Ethics Corporation
- St. Vincent Dialysis Center
- De Paul Ventures, LLC
- De Paul Ventures San Jose Dialysis, LLC
- De Paul Ventures San Jose ASC, LLC
- Verity Medical Foundation
- Verity Holdings, LLC

14. Verity Medical Foundation ("VMF"), incorporated in 2011, is a medical foundation, exempt from licensure under California Health & Safety Code § 1206(l). VMF contracts with physicians and other healthcare professionals to provide high quality, compassionate, patient-centered care to individuals and families throughout California. With more than 100 primary care and specialty physicians, VMF offers medical, surgical and related healthcare services for people of all ages at community-based, multi-specialty clinics conveniently located in areas served by the Debtor Hospitals. VMF holds long-term professional services agreements with the following medical groups: (a) Verity Medical Group; (b) All Care Medical Group, Inc.; (c) CFL Children's Medical Associates, Inc.; (d) Hunt Spine Institute, Inc.; (e) San Jose Medical Clinic, Inc., D/B/A San Jose Medical Group; and (f) Sports, Orthopedic And Rehabilitation Associates.

15. Verity Holdings LLC ("Holdings"), a direct subsidiary of its sole member VHS, was created in 2016 to hold and finance Verity's interests in six medical office buildings whose tenants are primarily physicians, medical groups, healthcare providers, and certain of the VHS Hospitals. Holdings' real estate portfolio includes over 30 properties, as more fully described below.

16. Saint Louise Regional Hospital Foundation, St. Francis Medical Center Foundation, St. Vincent Medical Center Foundation, Seton Medical Center Foundation, and

O'Connor Medical Center Foundation handle fundraising and grant-making programs for each of their respective Debtor Hospitals.

17. As of August 30, 2018, the Debtors' facilities had approximately 850 patients, and are currently at approximately 50% occupancy.

18. As of August 31, 2018, the Debtors have approximately 7,385 employees, of whom 4,733 are full-time employees. Approximately 74% of these employees are represented by collective bargaining units. Specifically, 72% of the Debtors' Employees – approximately 5,331 Employees in total – are represented through California Nurses Associations ("CNA"), Service Employees International Union ("SEIU"), National Union Healthcare Workers ("NUHW") and United Nurses Association of California/Union of Health Care Professionals ("UNAC").

19. As part of the mission of Verity Health System to serve the community, VHS provides care to patients even though they may lack adequate insurance or may participate in programs that do not pay full charges.

20. All of the Debtors' Hospitals are licensed as general acute care hospitals by the California Department of Public Health, certified to participate in the Medicare and Medicaid programs, and managed by VHS.

21. Each of the Debtors are exempt from federal income taxation as an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986, except for Verity Holdings, LCC, DePaul Ventures, LLC, and DePaul Ventures - San Jose Dialysis, LLC.

22. St. Francis Medical Center owns real property commonly known as: (i) 3630 E. Imperial Highway Lynwood, CA 90262, including the patient tower and all of the facilities thereon; (ii) 2700 E. Slauson Ave, Huntington Park, CA 90255, and the Huntington Park Medical Office Building thereon; and (iii) 5953 S. Atlantic Blvd. 5, Maywood, CA 90270, and Maywood Medical Office Building thereon.

II. The Debtors' Businesses

A. The Debtors' Current Business Operations.

28. A description of VHS, each Hospital and its respective subsidiaries and affiliates is described below, all of which are jointly-administered Debtors in these cases.

29. **Verity Health Systems.** As set forth above, VHS is a nonprofit regional healthcare system headquartered in El Segundo, California. VHS was originally established by the Daughters of Charity of St. Vincent de Paul, Province of the West, to support the mission of the Catholic Church through a commitment to the sick and poor. VHS operates six hospitals in California.

30. **Verity Business Services.** VHS operates Verity Business Services ("VBS"), a nonprofit public benefit corporation. VBS provides support services to Verity and its affiliated hospitals including accounting, finance, patient financial services, supply chain management, and purchasing services for the entire health system.

31. **Verity Medical Foundation.** As set forth above, VMF operates clinics and contracts with physicians to provide high quality, compassionate, patient-centered care to

TONS US LLP
601 South Figueroa Street, Suite 2500
Los Angeles, California 90017-5704
(213) 623-9300

individuals and families throughout California. With more than 100 primary care and specialty physicians, VMF offers medical, surgical and related healthcare services for people of all ages at community-based, multi-specialty clinics conveniently located in areas served by the Hospitals.

32. **O'Connor Hospital.** O'Connor Hospital is a nonprofit public benefit corporation that operates a 358 licensed-bed, general acute care hospital that serves residents from the greater San Jose area. The hospital has an emergency department with 23 emergency treatment stations. It also has 11 surgical operating rooms and two cardiac catheterization labs. The hospital offers a comprehensive range of healthcare services, including emergency, cardiac, orthopedic, cancer, obstetrics, and sub-acute care services. The hospital is accredited by The Joint Commission.

33. **O'Connor Foundation.** O'Connor Foundation was incorporated in 1983 and is governed by a Board of Trustees. Charitable donations and endowments help fund the acquisition of new equipment, the expansion of O'Connor Hospitals' facilities, healthcare services, and community outreach programs. O'Connor Hospital is the sole corporate member of O'Connor Foundation. As of May 31, 2018, O'Connor Hospital Foundation had a balance of $1,123,644.15 in temporarily restricted assets and a balance of approximately $334,802.20 in permanently restricted assets for the purpose of funding the cardiac catheterization lab capital, wound care services, surgical services, and various other programs.

34. **St. Vincent Medical Center.** St. Vincent Medical Center was founded as the first hospital in Los Angeles in 1856. In 1971, a new facility was constructed at the Hospital's current location at 2131 West Third Street, Los Angeles, CA 90057. The hospital has expanded to a 366 licensed bed, regional acute care, tertiary referral facility, specializing in cardiac care, cancer care, total joint and spine care, and multi-organ transplant services. The Hospital serves both local residents and residents from Los Angeles, San Bernardino, Riverside, and Orange Counties. As a provider of healthcare services for a high percentage of elderly patients, many of the hospital's services and programs are focused on the treatment of various chronic diseases.

35. **St. Vincent Foundation.** St. Vincent Foundation was incorporated in 1989 as a nonprofit public benefit corporation. Charitable donations and endowments raised by St. Vincent Foundation help fund the acquisition of new equipment, the expansion of the Hospital's facilities,

healthcare services, and community outreach programs. St. Vincent Foundation raises funds through grants, special events, and individual donors. St. Vincent is governed by a Board of Trustees, and St. Vincent Medical Center is the sole corporate member of the Foundation. St. Vincent, as well as St. Vincent Foundation, holds donor-restricted funds. As of May 31, 2018, St. Vincent Foundation had a balance of approximately $1,590,149.89 in temporarily restricted assets and a balance of approximately $136,159 in board designated temporarily restricted assets for the purpose of funding programs such as bone mineral density research, transportation for low-income patients, the organ transplantation program, and oncology research and treatment.

36. **St. Vincent Dialysis Center.** St. Vincent Medical Center is the sole corporate member of the St. Vincent Dialysis Center, located on the Hospital's campus. The St. Vincent Dialysis Center provides dialysis services for kidney disease patients, including hemodialysis and isolated ultrafiltration treatments as part of the Hospital's end-stage renal disease program.

37. **St. Francis.** St. Francis Medical Center was established in 1945 and gained sponsorship from Daughters of Charity, Province of the West, in 1981. The hospital provides comprehensive healthcare services and operates one of the busiest emergency trauma centers in Los Angeles County. The Hospital serves 1.2 million residents of Southeast Los Angeles, located in the communities of Lynwood, South Gate, Downey, Huntington Park, Bell Gardens, Maywood, and Compton. As a provider of healthcare services for many Medi-Cal and uninsured patients, the hospital receives significant Disproportionate Share Hospital funding. St. Francis operates a 384 licensed bed, general acute care hospital located at 3630 East Imperial Highway in Lynwood, California. The hospital has an emergency department with 46 licensed emergency treatment stations and is designated a Level II Trauma Center. It also has nine surgical operating rooms and three cardiac catheterization labs for inpatient and outpatient cardiac catheterization services. The hospital offers a comprehensive range of services, including emergency and trauma care, neonatal intensive, cardiovascular, oncology, pediatrics, behavioral health, and maternity and child services. In addition to the inpatient programs and services, the Hospital also offers various outpatient services, including ambulatory surgical services, laboratory services, imaging services, infusion therapy, nuclear medicine services, respiratory therapy, and physical therapy.

Other outpatient services are provided at the following clinics: Orthopedics Clinic, Wound Care Clinic, Industrial Clinic, Lynwood Clinic, Downey Clinic , and Huntington Park Clinic. The Hospital is accredited by The Joint Commission.

38. **St. Francis Medical Center Foundation.** St. Francis Medical Center is the sole corporate member of St. Francis Medical Center Foundation. St. Francis Medical Center Foundation was incorporated in 1983 as a nonprofit public benefit corporation and is governed by a volunteer Board of Trustees. Charitable donations and endowments help fund the acquisition of new equipment, the expansion of the Hospital's facilities, healthcare services, and community outreach programs. St. Francis Foundation raises funds through grants, special events, and individual donors. As of May 31, 2018, St. Francis Foundation had a balance of $656,118.24 in temporarily restricted assets for the purpose of funding programs such as the Children's Counseling Center, nurse education, and the annual Women's Luncheon in support of mammogram equipment. The Foundation also funds Health Benefit Resource Center, Healthy Communities Initiative, and Trauma Recovery.

39. **Seton Medical Center.** Seton Medical Center was originally founded as Mary's Help Hospital by the Daughters of Charity of St. Vincent De Paul in 1893. The original facility was destroyed in the San Francisco Earthquake of 1906, and by 1912, Mary's Help Hospital reopened a new facility in San Francisco. In 1965, the hospital was moved to its current location at 1900 Sullivan Avenue in Daly City. The hospital was renamed Seton Medical Center in 1983, is currently licensed for 357 beds and serves residents from San Francisco and San Mateo areas. Seton Medical Center has an emergency department with 18 licensed treatment stations. It also has 13 surgical operating rooms and three cardiac catheterization labs. Of the Hospital's 83 licensed skilled nursing beds, 39 are in suspense, and the remaining 44 beds are utilized as sub-acute care beds. Additionally, the hospital has 24 licensed acute psychiatric beds which have been placed in suspense. The hospital has a broad spectrum of medical services, including cancer, cardiac, emergency, surgical, rehabilitation, respiratory, orthopedic, and sub-acute care. The hospital is accredited by The Joint Commission. Seton Medical Center and Seton Coastside share a consolidated license.

40. **Seton Coastside.** Seton Coastside was founded as Moss Beach Rehabilitation Hospital in 1970. In 1980, the City of Half Moon Bay acquired ownership of the hospital and signed an agreement for Daughters of Charity to manage operations of the hospital and rename it St. Catherine's Hospital. In 1993, St. Catherine's Hospital became Seton Coastside as it became integrated with Seton Medical Center. Today, Seton Coastside is licensed for 116 skilled nursing beds and five general, acute-care beds. Seton Coastside also operates the only 24-hour "standby" Emergency Department along the 55-mile stretch between Santa Cruz and Daly City. Under a consolidated license, Seton Medical Center and Seton Coastside share the same Board of Directors, executive leadership team, charity care policies, and union collective bargaining agreements.

41. **Seton Foundation.** Seton Foundation, governed by a Board of Trustees, raises funds through grants, special events and individual donors. Charitable donations and endowments raised by Seton Foundation help fund the acquisition of new equipment and the expansion of facilities at the Seton Medical Center and Seton Coastside. Seton is the sole corporate member of the Seton Foundation. As of May 31, 2018, Seton Foundation had a balance of $2,693,778.66 million in temporary restricted assets and a balance of $ 2,717,591 million in permanently restricted assets for the purpose of funding programs such as oncology, the San Francisco Heart & Vascular Institute, and women and delivery services.

42. **Saint Louise Hospital.** Saint Louise Hospital opened in 1989 in the Morgan Hill area of Santa Clara County. In December 1999, the Daughters of Charity of St. Vincent de Paul relocated the hospital to Gilroy and renamed it Saint Louise Regional Hospital. Today, the Hospital's 93-bed facility and 24-hour emergency department provide services to the residents of southern Santa Clara County, including Morgan Hill, San Martin, and Gilroy. Saint Louise Regional Hospital operates a 93 licensed bed, general acute care hospital located at 9400 No Name Uno, Gilroy, California 95020. The Hospital has an emergency department with eight licensed emergency treatment stations. The Hospital also has five surgical operating rooms for inpatient and outpatient surgical procedures. Ten of the Hospital's 21 licensed skilled nursing

beds are in suspense. The Hospital provides comprehensive healthcare services including cancer, emergency, rehabilitation, and surgical care. The Hospital is accredited by The Joint Commission.

43. Saint Louise Regional Hospital owns and operates the De Paul Urgent Care Center. The De Paul Urgent Care Center is located in Morgan Hill, and offers patients non-emergency medical services seven days a week. The De Paul Urgent Care Center treats non-life threatening cases, such as minor injuries and lacerations, strep throat, sinus infections, rashes, nausea, vomiting, colds, flu, and fever.

44. **Saint Louise Foundation.** Saint Louise Foundation, governed by a Board of Trustees, raises funds through grants, special events, and individual donors. Charitable donations and endowments raised by Saint Louise Foundation help fund the acquisition of new equipment and the expansion of the Hospital's facilities. Saint Louise is the sole corporate member of Saint Louise Foundation. As of May 31, 2018, Saint Louise Regional Hospital Foundation had a balance of approximately $561,486.86 in temporarily restricted assets.

45. **De Paul Ventures, LLC.** De Paul Ventures, LLC is a wholly-owned and operated holding company of Verity that was formed in August 2010 for the purpose of investing in a freestanding surgery center and other healthcare entities.

46. **DePaul Ventures - San Jose Dialysis, LLC.** In April, 2013, DePaul Ventures, LLC, formed DePaul Ventures - San Jose Dialysis, LLC ("Dialysis"). Dialysis is a general and limited partner of Priday Dialysis, LLC, a healthcare center specializing in end-stage renal disease treatment. Dialysis shares an interest in Priday Dialysis with Total Renal Care, Inc., which is a subsidiary of DaVita.

47. **Verity Holdings, LLC.** As set forth above, Holdings is a direct subsidiary of its sole member VHS and was created in 2016 to hold and finance Verity's interests in six medical office buildings whose tenants are primarily physicians, medical groups, healthcare providers, and certain of the VHS Hospitals. Holdings' real estate portfolio includes over 30 properties, including, but not limited to, apartment buildings, parking lots, and condominiums. Holdings is the borrower on approximately $66.2 million of non-recourse financing secured by separate deeds of trust and revenue and accounts pledges, including the rents on each medical office building

(collectively "MOB Financing").

48. **Non-Debtor VHS Entities.** The Debtors' have an interest in the entities described below that are not filing chapter 11.

49. Marillac Insurance Company, LTD. ("Marillac"), a wholly-owned subsidiary of VHS, was incorporated in the Cayman Islands on December 9, 2003, as an exempted company and was granted an Unrestricted Class "B" Insurer's License effective December 15, 2003, which it holds subject to the provisions of the Insurance Law of the Cayman Islands. On November 1, 2012, The Insurance Law, 2010 (the "Law") became effective. Under such law, Class B licenses were changed from "restricted" and "unrestricted," as they had been described in previous revisions of the law, into three separate classes "(i)," "(ii)" and "(iii)." Insurers writing at least 95% of net premiums with their related business (in this case VHS) fell into Class B(i). The Company was granted a Class B(i) license, effective April 2, 2015. Marillac provides insurance coverage to VHS and its affiliates.

50. St. Vincent De Paul Ethics Corporation does not hold any assets and is a nondebtor entity. St. Francis Medical Center is its sole corporate member.

51. VHoldings MOB, LLC ("VHoldings") is currently an inactive subsidiary of VHS and has no assets or obligations. It was created as a "special purpose entity" for a proposed financing that did not materialize. As part of the proposed transaction structure, four additional LLCs were established in which, VHoldings was the sole member of each. The four additional LLCs were dissolved on January 23, 2017.

52. De Paul Ventures – San Jose ASC, LLC ("San Jose ASC"), was formed in February 2011, by De Paul Ventures, LLC (which is a filing entity), and owns a 25% interest as a limited partner in a partnership with Physician Surgery Services, dba Advanced Surgery Center, a freestanding surgery center in San Jose. San Jose ASC's only asset is a sale contract, pursuant to which it receives payments of $125,000 every other month. Postpetition, San Jose ASC will continue to forward to VHS the $125,000 received every other month. Once all payments are received, the Debtors will dissolve San Jose.

53. Robert F. Kennedy Medical Center is a nonprofit public benefit corporation that

601 South Figueroa Street, Suite 2500
Los Angeles, California 90017-5704
(213) 623-9300

operated a 229-bed general acute care hospital and served residents in Hawthorne, California, until December 31, 2004. Robert F. Kennedy Medical Center Foundation is a nonprofit public benefit corporation that raised funds for the Robert F. Kennedy Medical Center.

54. O'Connor Health Center I is a California limited partnership, formed in January 1996 ("OCH1"). O' Connor Hospital is a limited partner in OCH1 and the general partner is OCH Forest 1, LP. OCH1 owns certain real property at 455 O'Connor Drive, San Jose, California. Such property is leased by O'Connor Hospital.

55. Sports Medical Management, Inc. has no assets or obligations.

B. Integrity's Management of Debtors.

56. As set forth above, Integrity was formed in 2015 to carry out the management services under the Management Agreement, for which Integrity is paid a monthly management fee. Through June 30, 2017, Integrity was wholly owned by BlueMountain. In July 2017, NantWorks, LLC ("NantWorks"), acquired a majority stake in Integrity from BlueMountain. There were no significant changes to the terms of the Restructuring Agreement or the California Attorney General requirements as a result of this transaction.

57. On a monthly basis, VHS records management fee expense and makes payments to Integrity associated with the management services received under the Management Agreement. During the initial fiscal year which ended June, 2016, the monthly management fee was determined based on a specified percentage of trailing 12 month operating revenues for VHS. Such management fees are adjusted each succeeding fiscal year based on changes in the consumer price index. VHS defers payment for a portion of management fees based on its days' cash on hand over the most recent 90 day period. All deferred management fees accrue interest at 2.82% per annum to the extent such amounts are not paid in the fiscal year that services are received. Such deferred management fees are contingently payable based on the terms of the Management Agreement, which include annual calculations of excess cash on hand.

C. Verity's Employees.

58. As set forth above, altogether, the Debtors employ approximately 7,385 employees (the "Employees") – 6,907 excluding VMF and 478 under VMF. Almost three-quarters of the

Debtors' Employees – approximately 5,488 Employees in total – are represented through CNA, SEIU, California Licensed Vocational Nurses' Association, and The International Union of Operating Engineers, Stationary Local No. 39, AFL-CIO.

59. For W-2 tax and payroll purposes, the Debtors are divided into eight employers:

(a) VHS, which covers the Systems Office and the Philanthropic Foundations, and as of the Petition Date employed approximately 294 employees, of which 289 are full-time, 3 are part time and 2 are employed on a per diem basis;

(b) Verity Business Services, which as of the Petition Date employed approximately 307 employees, of which 285 are full-time, 11 are part time and 11 are per diem;

(c) O'Connor Hospital, which as of the Petition Date employed approximately 1,370 employees, of which 586 are full-time, 441 are part time and 343 are per diem;

(d) Saint Louise Regional Hospital, which as of the Petition Date employed approximately 480 employees, of which 153 are full-time, 159 are part time and 168 are per diem;

(e) St. Francis Medical Center, which as of the Petition Date employed approximately 2,017 employees, of which 1,583 are full-time, 136 are part time and 298 are per diem;

(f) St. Vincent Medical Center, which as of the Petition Date employed approximately 1,099 employees, of which 897 are full-time, 42 are part time and 160 are per diem;

(g) Seton Medical Center, which includes Seton Medical Center Coastside, and as of the Petition Date employed approximately 1,340 employees, of which 516 are full-time, 551 are part time and 273 are per diem; and

(h) VMF, which as of the Petition Date employed approximately 478 employees, of which 424 are full-time, 15 are part-time and 39 are per diem.

60. The Debtors' Employees are represented by the following unions with the respective contractual obligations: (i) SEIU-UHW (Non-Nursing Service Employees) at St. Francis Medical Center, St. Vincent Medical Center, O'Connor Medical Center, Saint Louise Regional Hospital; (ii) SEIU-UHW (Non-Nursing Service Employees) at Verity Medical Foundation; (iii) NUHW (Non-Nursing Service Employees) at Verity Medical Foundation; (iv) NUHW (Non-Nursing Service Employees) at Seton Medical Center, Seton Medical Center Coastside; (v) CAN (Nurses) St.

D. Pension and Other Postretirement Benefit Plans.

61. VHS maintains two single employer defined benefit pension plans and participates in two multi-employer defined benefit pension plans. The defined benefit pension plans have been frozen for all employees, except members of the CNA at certain facilities. Defined benefit pension plan benefits are generally based on age, years of service, and employee compensation. In addition, VHS and VMF maintain several defined contribution retirement plans for employees.

62. The significant multiemployer defined benefit pension plan is the Retirement Plan for Hospital Employees ("RPHE"). The VHS entities that participate in the RPHE are Seton Medical Center, Seton Medical Center Coastside, O'Connor Hospital, Saint Louise Regional Hospital, and Verity Business Services. The RPHE is frozen as to these facilities, other than with respect to CNA members at O'Connor Hospital, Saint Louise Regional Hospital and Seton Medical Center. Benefits under the RPHE are generally based on years of service and employee compensation. Contributions to the RPHE are based on actuarially determined amounts by the RPHE Board of Trustees to meet benefits to be paid to plan participants and satisfy IRS funding requirements. VHS recorded benefit expenses of approximately $20.46 million and $17.22 million in cash contributions to the RPHE for the fiscal years ended June 30, 2017 and 2016, respectively. The VHS contributions accounted for approximately 43% and 40% of total contributions made to the RPHE for the fiscal years ending June 30, 2017 and 2016, respectively. Of the estimated remaining $4.79 million for 2018 and expected $12.68 million for 2019, VHS contributions to RPHE, approximately $3.15 million and $7.63 million, respectively, is for make-up of underfunded amounts that arose prior to VHS' acquisition from the Daughters of Charity Health System ("DCHS"). As of July 31, 2018, there were no unpaid contribution installment obligations owed by VHS to the RPHE.

63. In addition to the RPHE, Verity assumed in the Daughters of Charity restructuring

certain obligations under a multiemployer plan commonly referred to as Stationary Engineers Local 39 Pension Plan (the "Local 39 Plan"). As of July 31, 2018, there were no unpaid contributions due on the Local 39 Plan.

64. VHS maintains two single-employer defined benefit pension plans (the "Verity A & B Plans"). VHS personnel at St. Francis Medical Center, St. Vincent Medical Center, O'Connor Hospital, Saint Louise Regional Hospital, and the VHS system office are eligible to participate in these plans. However, only CNA members continue to earn new benefits under the Verity Plan A; the Verity Plan B is completely frozen with no ongoing benefit accruals. VHS contributed approximately $41.68 million and $9.92 million during the fiscal years ended June 30, 2017 and 2016, respectively. Of the estimated remaining $10.12 million for 2018 and expected $35.53 million for 2019 VHS contributions to Verity Plan A, approximately $8.10 million and $28.05 million, respectively, is for make-up of underfunded amounts that arose prior to VHS' acquisition from the Daughters of Charity. As of July 31, 2018, there were no unpaid contribution installment obligations owed by VHS to the Verity A & B Plans.

65. VHS and VMF also maintain several active defined contribution retirement plans for eligible employees; eligibility for and benefits under the defined contribution retirement plans vary according to facility, union status, and employee classification/hire date. These defined contribution plans include the Verity Health System Supplemental Retirement Plan (TSA), the Verity Health System Supplemental Retirement Plan (401(a)), the Verity Health System Retirement Account (RPA), the Verity Medical Foundation 401(k) Plan, the Verity Medical Foundation Management Bargaining Unit Employees 401(k) Plan for represented employees and the Verity Health System Executive Long-Term Savings Plan (457(b)) Plan for nonrepresented employees. These defined contribution plans are funded from employee and/or employer contributions generally on a payroll by payroll basis. In addition to the above active defined contribution plans, there are several small, frozen ancillary retirement plans. During the fiscal years ended June 30, 2017 and 2016, the employer's contribution expense for defined contribution plans was approximately $18.48 million and $21.75 million respectively. As of July 31, 2018, there were no unpaid employer contributions owed on any of these defined contribution

plans other than unpaid contributions for current and recent payroll cycles consistent with ordinary administrative practices.

66. VHS also maintains an early retiree health insurance program (the Postretirement Healthcare Plan), which provides medical benefits to eligible retirees from early retirement to age 65 only. The postretirement health care benefits are determined based on age and years of service. Certain employees at O'Connor Hospital, St. Louise Regional Hospital, Seton Medical Center, and Seton Medical Center Coastside are eligible to participate in this plan. The Postretirement Healthcare Plan is an unfunded plan. VHS contributed $50,000 and $58,000 to the Postretirement Healthcare Plan during the fiscal years ended June 30

E. Insurance Policies

67. The Debtors maintain various insurance policies issued by several insurance carriers (collectively, the "Insurance Carriers"). Collectively, these policies provide for coverage for, among other things: storage tank liability, commercial property, workers' compensation and employers liability, commercial automobile, helipad liability & non-owned aircraft liability, sexual misconduct and molestation liability, D&O liability, general liability, and professional liability (collectively, the "Insurance Policies").[2]

68. Significant insurance is issued to the Debtors by its captive insurer Marillac. VHS is the sole owner of Marillac. The policies issued by Marillac cover professional and general liability (both at the primary and excess level) and additional excess coverage as to automobile liability, heliport and non-owned aircraft liability, employer's liability and certain other general liability. Marillac also issued a Deductible Liability Protection Policy which provides coverage for the deductible obligations on the Debtors' workers' compensation policy issued by Old Republic Insurance Company ("Old Republic").

69. Most of the Debtors' Insurance Policies will expire between September 5, 2018 and July 1, 2019. The Debtors have begun negotiating renewals, extensions and/or entries into new insurance policies with respect to the expiring Insurance Policies.

[2] The Insurance Policies include six (6) CA DHS patient Trust Bonds, which have an annual premium in the aggregate of $1,100 that was paid in full in December 2017 and will not come due for renewal until December 2018.

TONS US LLP
601 South Figueroa Street, Suite 2500
Los Angeles, California 90017-5704
(213) 623-9300

70. In certain instances, the Debtors pay premiums for their Insurance Policies in full at the beginning of the policy and in other instances in quarterly installments. The total annual premium due for Insurance Policies is approximately $18,647,036. Of that amount, the Debtors pay $2,637,071 at the time of inception, and the remaining $16,009,965 is paid in quarterly installments. As of the Petition Date, there are no outstanding unpaid premiums due. The total amount of annual insurance premiums which will come due postpetition is $10,043,085.

a. Self-Insured Retentions

71. The Debtors maintain self-insured retentions of $250,000 per claim under their D&O liability coverage, $350,000 per claim under their employment practices coverage, $50,000 per claim under their fiduciary liability coverage, $100,000 per claim under their crime coverage, and $50,000 per claim under their sexual misconduct and molestation liability coverage (the "Self-Insured Retentions" or "SIRs"). A SIR is a loss amount that the insured is obligated to pay before the insurer's coverage obligation is triggered.

72. The Debtors' Self-Insured Retentions are administered so that the Debtors pay directly for the losses under each policy as they are incurred up to the amounts of the Self-Insured Retentions. Such SIRs due prepetition have been paid. For the last year, no SIR amounts have been due for (a) the D&O liability coverage, (b) the employment practices coverage, (c) the fiduciary liability coverage, and (d) the crime coverage. There have also been no SIR amounts incurred under the sexual misconduct and molestation liability policy last year.

b. Deductibles

73. The Debtors maintain a workers' compensation insurance policy with Old Republic with a $500,000 deductible for each claim. Old Republic provides coverage under the policy up to $1 million for each claim. On average, the monthly invoice amounts for deductibles (including ALAE) incurred under the workers' compensation policy is between $400,000 and $650,000, which are timely paid by Marillac under the Deductible Liability Protection Policy.

74. The deductibles included in the Debtors' other Insurance Policies are:

- Storage Tank Liability - ACE American Insurance Company (Chubb) - $5,000 per Storage Tank Incident;

- Storage Tank Liability - Tokio Marine Specialty Insurance Company (Philadelphia) - $25,000 per Confirmed Release;
- Commercial Property - American Guarantee and Liability Insurance Company (Zurich) - $100,000 Basic Policy Deductible;
- Commercial Automobile - National Union Fire Insurance Company of Pittsburg, PA (AIG) - $1,000 Comprehensive, $1,000 Collision;
- Helipad Liability & Non-Owned Aircraft Liability - StarNet Insurance Company (Berkley Aviation) - $1,000 Physical Damage per Occurrence; and
- General Liability - Chubb - $10,000 per Occurrence.

75. The Debtors expect their prepetition deductible obligations, other than those deductibles owed under the workers' compensation policy (which are paid by Marillac, a non-debtor), to be minimal.

c. Letter of Credit

76. The Debtors provide a $34,087,296 letter of credit to Old Republic as security for all of the Debtors' obligations, as required under their workers' compensation policy. Marillac is the account party on the letter of credit, and the letter of credit is fully secured by Marillac's assets - $34,087,296 of liquid securities. Pursuant to the Program Agreement Endorsement to the workers' compensation policy, Old Republic may draw upon the letter of credit to reimburse Old Republic for payment of the Debtors' deductible obligations or for payment of other obligations of the Debtors under the workers' compensation policy, if not paid by Marillac. Old Republic may also draw down the $34,087,296 letter of credit in full upon the Debtors' insolvency or filing of a bankruptcy petition.

77. The Debtors expect that Marillac will continue to honor its policy to insure the Debtors' obligations under the workers' compensation policy, and that Old Republic will not be harmed by the Debtors' chapter 11 filing.

d. Claims Administration Agreements

78. The Debtors have entered into administrative services contracts with Sedgwick Claims Management Services, Inc. ("Sedgwick"), for administration of claims submitted under

TONS US LLP
601 South Figueroa Street, Suite 2500
Los Angeles, California 90017-5704
(213) 623-9300

the Debtors' workers' compensation policy as well as their professional and general liability policy.

79. The Debtors pay Sedgwick an annual estimated fee of $702,000 which is paid in quarterly installments of $175,000 for services provided by Sedgwick under the Debtor's workers' compensation policy. The actual fees owed to Sedgwick are based on the staffing necessary for Sedgwick to provide claims services and are calculated by taking the actual program salaries, bonuses and temporary expenses multiplied by the salary multiplier. Sedgwick will periodically provide an accounting to determine the actual fees incurred. The Debtors are entitled to a credit if the amount of actual fees owed to Sedgwick are less than the estimated fees paid. On the other hand, Sedgwick bills the Debtors for the additional actual fee owed if the actual fee amount is higher than the estimated fees.

80. With respect to administration of their professional and general liability policy, the Debtors pay Sedgwick $3,545 per claim and suit file, $1,825 per Potentially Compensable Event ("PCE") where an investigation has been requested, $275 for a PCE where an investigation has not been requested pursuant to this agreement. Fees are paid monthly as files are assigned to Sedgwick by the Debtors. Debtors also pay Sedgwick a program management fee of $1,250 each month.

F. Recent Financial Results.

81. As of June 30, 2018, Verity's consolidated unaudited financial statements reflected total assets of approximately $847 million and total liabilities of approximately $1,278 billion.

III. The Need For Chapter 11 Relief And The Events Leading To The Commencement Of These Chapter 11 Cases

A. Historical Challenges.

82. The Hospitals and VMF were originally owned and operated by the Daughters of Charity of St. Vincent de Paul, Province of the West (the "Daughters of Charity"), to support the mission of the Catholic Church through a commitment to the sick and poor. The Daughters of Charity began their healthcare mission in California in 1858 with the opening of Los Angeles Infirmary, now known as St. Vincent Medical Center. The Daughters of Charity expanded its

...TONS US LLP

Los Angeles, California 90017-5704
(213) 623-9300

hospitals to San Jose in 1889 and San Francisco in 1893. The Daughters of Charity ministered to ill, poverty-stricken individuals for more than 150 years.

83. In March 1995, the Daughters of Charity merged with Catholic Healthcare West ("CHW"). In June 2001, the Daughters of Charity Health System ("DCHS") was formed. In October 2001, the Daughters of Charity withdrew from CHW. In 2002, DCHS commenced operations and was the sole corporate member of the Hospitals, which at that time were California nonprofit religious corporations.

84. Between 1995 and 2015, the Daughters of Charity and DCHS struggled to find a solution to continuing operating losses, either through a sale of some or all of the hospitals or a merger with a more financially sound partner. All these efforts failed. During these efforts, however, the health system's losses continued to mount. In 2005, DCHS issued $364 million in bonds to refinance existing debt and to fund future capital expenditures. Three years later, in 2008, they issued another $143 million in bonds to refinance existing debt.

85. Between 2012 and 2014, DCHS participated in an affiliation with Ascension Health Alliance ("Ascension") in an effort to create greater operating efficiencies. Ascension is the largest Catholic health system in the world and the largest non-profit health system in the United States with facilities in 23 states and the District of Columbia. The affiliation between DCHS and Ascension failed.

86. Despite continuous efforts to improve operations, operating losses continued to plague the health system due to, among other things, mounting labor costs, low reimbursement rates and the ever-changing healthcare landscape. In 2013, DCHS actively solicited offers for O'Connor Hospital, St. Louise Regional Hospital, Seton Medical Center and Seton Medical Center Coastside. In 2013, to avoid failing debt covenants, the Daughters of Charity Foundation, an organization separate and distinct from DCHS, donated $130 million to DCHS to allow it to retire the 2008 Bonds in the total amount of $143.7 million.

87. In early 2014, DCHS announced that they were beginning a process to evaluate strategic alternatives for the health system. Throughout 2014, DCHS explored offers to sell their health system and, in October of 2014, they entered into an agreement with Prime Healthcare

...TONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

Services and Prime Healthcare Foundation (collectively, "Prime") to sell the health system. However, to keep the hospitals open, DCHS, needed to borrow another $125 million to mitigate immediate cash needs during the sale process; in other words, to allow DCHS to continue to operate until the sale could be consummated. Notably, DCHS' goal in the transaction was to basically maintain the status quo; their guiding principles for the sale included protecting existing pensions, repaying all their bond debt, continuation of all collective bargaining agreements, maintenance of existing contracts for patient services, and obtaining promises for substantial capital expenditures. In early 2015, the California Attorney General consented to the sale to Prime, subject to conditions on that sale that were so onerous that Prime terminated the transaction.

88. In 2015, DCHS again marketed their health system for sale, and, again, focused on offers that maintained the health system as a whole, and assumed all the obligations. In July 2015, the DCHS Board of Directors selected BlueMountain Capital Management LLC ("BlueMountain"), a private investment firm, to recapitalize its operations and transition leadership of the health system to the new Verity Health System (the "BlueMountain Transaction").

89. In connection with the BlueMountain Transaction, BlueMountain agreed to make a capital infusion of $100 million to the hospital system, arrange loans for another $160 million to the health system, and manage operations of the health system, with an option to buy the health system at a future time. In addition, the parties entered into a System Restructuring and Support Agreement (the "Restructuring Agreement"), DCHS's name was changed to Verity Health System, and Integrity was formed to carry out the management services under a new management agreement.

90. DCHS requested the California Attorney General's consent to enter into the Restructuring Agreement and the BlueMountain Transaction. According to report prepared by MDS Consulting, an expert consulting firm retained to prepare healthcare impact reports for the AG, DCHS outlined the following reasons why the BlueMountain Transaction was either necessary or desirable:

TONS US LLP
601 South Figueroa Street, Suite 2500
Los Angeles, California 90017-5704
(213) 623-9300

- The current structure and sponsorship of DHCS was no longer plausible as a result of cash flow projections and dire financial conditions.
- In July and August of 2014, DCHS obtained a short-term financing bridge loan in the amount of $125 million to mitigate the immediate cash needs for an estimated period of time long enough to allow for the transaction to close. Repayment of the funds was due on December 15, 2015, at which time if the full amount was not repaid, DCHS would be at risk of defaulting on both their 2014 and 2005 Revenue Bonds.
- Without bankruptcy protection or additional financial support, DHCS could not continue hospital operations if there is a default.

91. On December 3, 2015, the California Attorney General approved the BlueMoutain Transaction, subject to conditions. The Attorney General conditions were imposed for periods ranging from 5 to 15 years. Generally, the terms of conditions (collectively, the "Conditions") included: (1) limits on transfers of control; (2) maintenance of specific health services and specific bed counts; (3) required participation in Medicare and Medi-Cal programs; (4) required levels of community benefit programs; (5) required levels of charity care; (6) maintenance of certain county payor contracts; (7) requirements for local governing boards; (8) requirements for medical staff compliance; and (9) an annual attestation of compliance with the AG conditions.

92. Under the Restructuring Agreement, VHS, O'Connor Hospital, Saint Louise Regional Hospital, St. Francis Medical Center, St. Vincent Medical Center, Seton Medical Center and Seton Medical Center Coastside, all of whom are members of the Obligated Group (as defined below), were converted from religious corporations to public benefit corporations.

93. Despite BlueMountain's infusion of cash and retention of various consultants and experts to assist in improving cash flow and operations, the health system did not prosper.

94. In July 2017, NantWorks, LLC acquired a controlling stake in Integrity. NantWorks brought in a new CEO, CFO, and COO. NantWorks loaned another $148 million to the Debtors.

95. Despite the infusion of capital and new management, it became apparent that the problems facing the Verity Health System were too large to solve without a formal court supervised restructuring. Thus, despite VHS' great efforts to revitalize its Hospitals and improvements in performance and cash flow, the legacy burden of more than a billion dollars of bond debt and unfunded pension liabilities, an inability to renegotiate collective bargaining

...TONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

agreements or payor contracts, the continuing need for significant capital expenditures for seismic obligations and aging infrastructure, and the general headwinds facing the hospital industry, make success impossible. Losses continue to amount to approximately $175 million annually on a cash flow basis.

96. Based on the foregoing, and while VHS has made improvements to the existing system, the Debtors have commenced these chapter 11 cases to protect the original legacy of the Daughters of Charity to the maximum extent possible by retiring debt incurred over the past 18 years and freeing the hospital facilities and work force to continue to operate as hospitals under new ownership and leadership without the accumulated crisis of the past. To do that requires the bankruptcy court supervised sale of some or all of the hospitals and related facilities, and the comprehensive resolution of the Debtors financial obligations through a court approved plan of reorganization.

97. The goals of the Debtors' restructuring are to maintain the Debtors' business operations; preserve the going-concern value of the Debtors' businesses, its stakeholders, and parties in interest; and, most importantly, to protect the health and wellbeing of the patients who are treated at the Hospitals and the jobs of the Debtors' approximately 7,000 employees.

B. Current Fiscal Crisis.

98. As described above, the fiscal crisis is the confluence of various factors and historical challenges. Below are a few of the most significant and expected funding requirements in the immediate future.

a. Payor Rates.

99. Verity is paid below market rates through its payor contracts with health plans. Verity's contracts are 20-43% below market. These below market rates would make it difficult for any hospital to break even. Summarized below is illustrative data, highlighting Verity's rates as a percentage of Medicare relative to the market rates.

b. Labor Rates.

100. Payroll costs in the last twelve months have increased nearly $65,000,000 partially related to Verity's union contracts (~5% increases year over year forward).

c. Pension Obligations.

101. Under the Pension Plans (as defined above), there are expected pension funding requirements in the next year of over $66 million. Only ~$20M relates to current year costs. In other words, most is funding the underfunded status of the plans.

d. IT Investment.

102. VHS' system requires IT investment in the amount of nearly $50 million over the next year alone. There is outdated electronic health records and enterprise resource planning (i.e., human resources, supply chain management, inventory management, etc.). Further, VHS needs significant upgrades to its IT assets in order to modernize its Hospitals and remain able to continue providing quality patient care services. For example, VHS needs to (i) immediately replace its outdated local area and wireless networking equipment with modern equipment to enable reliable access by all VHS system users (estimated cost $15 million over a one-year implementation period), (ii) replace VHS' obsolete clinical systems — including its medical record systems and financial systems — in order to provide up-to-date patient records, improved clinical planning, care management, and better charge control (estimated cost $220 million over a period of two years), and (iii) replace and upgrade such other information technology hardware and software, including for imaging clinics, that are necessary for operating a full range of healthcare services.

LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

e. Seismic and Energy Requirements.

103. The Verity system requires seismic and energy expenditures of over $150 million over the next few years. By way of example, there are significant improvements (including demolishment of certain buildings) required by 2020 to St. Vincent Medical Center, Seton Medical Center, and O'Connor Medical Center. There are additional improvement required by 2030 to St. Vincent, Seton Medical Center, O'Connor Medical Center, and St. Louise Regional Hospital. These seismic improvement deadlines are part of the conditions imposed by the Attorney General in the BlueMountain Transaction, as well as mandated by the California Office of Statewide Health Planning and Development (OSHPD).

f. Medical Equipment.

104. The Verity system requires over $100 million in medical equipment expenditures over a period of several years.

C. Working Capital Shortages.

105. The Debtors, like other hospitals serving similar communities, rely on HQAF, DSH and other government support to help bridge the gap between what they get reimbursed by Medicare and Medi-Cal and their cost of providing care. The Hospital Quality Assurance Fee (HQAF), established in 2010, provides funding for supplemental payments to California hospitals that serve Medi-Cal and uninsured patients. The program has been very successful, providing billions of dollars in supplemental payments to California hospitals. The Medicare and Medi-cal programs also provide funding to hospitals that treat indigent patients through the Disproportionate Share Hospital (DSH) programs, under which facilities are able to receive at least partial compensation. Under the Patient Protection and Affordable Care Act of 2010 (ACA, P.L. 111-148, as amended), Congress would have reduced federal DSH allotments beginning in 2014, to account for the decrease in uncompensated care anticipated under health insurance coverage expansion. However, several pieces of legislation have been enacted since 2010 have since delayed the ACA's Medicaid DSH reduction schedule. Unfortunately, both HQAF and DSH have proven difficult to rely on, as payments are reduced and delayed.

106. Relying on the HQAF payments has led to working capital shortages due to delays

...TONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

in approval and receiving less than expected amounts. For example:

- *14-Month Delay*: QAF 5 FFS (service period 1/1/17 –6/30/19) was not approved until Dec. 2017 and the Debtors did not start receiving payments until the end of Feb. 2018 (14-month delay);
- *Potential 24 Month Delay*: QAF 5 HMO is likely not going to be approved until the end of 2018 (potentially a 24-month delay on receiving funds);
- *Receiving less than Expected*: through the first 4 cycles of QAF 5 FFS, the Debtors have received anywhere from 69.2-93.9% of expected payments.

D. Attorney General Requirements.

107. As set forth above, as part of approving the Restructuring Agreement, the AG placed certain operational restrictions on VHS and each of the Hospitals, which include certain minimum annual requirements for charity care, community benefits, and capital expenditures among other mandates. Taken separately, most of these conditions would not have contributed to the Debtors' failure to thrive. However, the cumulative effect of the conditions was to lock the Debtors into a failing business model, dictating both minute details of business operations, as well as denying the Debtors the ability to repurpose facilities. For example, SMC could better serve the community by operating as a much-needed long-term post-acute care facility, rather than as one of the many acute care hospitals in a saturated service area.

108. The AG's conditions also compelled the expenditure of millions of dollars to provide charity care even though the number of uninsured people in California has steadily decreased since passage of the Affordable Care Act. Also, as a result of a shortfall in the fiscal year 2017 charity care requirement for certain hospitals, VHS was required to make an additional contribution to the Retirement Plans of $7,619,000 in October 2017.

109. The AG's conditions denied the Debtor the benefits of the marketplace. For example, the conditions required Verity to enter into contracts with certain entities. Because those entities were well aware of the AG's requirement that Verity contract with them or be in default, Verity had no bargaining power with those entities or payors.

E. Increased Cap Volumes.

110. The Debtors have capitation contracts with health plans. Capitation is a flat periodic payment per enrollee paid to a healthcare provider; it is the sole reimbursement for

...TONS US LLP
601 South Figueroa Street, Suite 2500
Los Angeles, California 90017-5704
(213) 623-9300

providing services to a defined population. Under capitation, fixed payments are made to providers regardless of the volume of services rendered, so providers like the Debtors bear the risk that the costs of providing service, including opportunity costs (profits), might exceed the capitation payment. Capitation completely reverses the actions that providers must take to ensure financial success; under capitation, the keys to profitability are to work more efficiently and decrease volume. The Debtors have seen a significant increase in volume from capitated populations and therefore are bearing the loss from that increased volume.

IV. Corporate And Capital Structure

A. Corporate Structure.

111. As set forth above, VHS is a California nonprofit public benefit corporation and the sole member of O'Connor Hospital, St. Francis Medical Center, St. Vincent Medical Center, Seton Medical Center, Verity Business Services, Verity Medical Foundation, Verity Holdings, LLC, and DePaul Ventures, LLC.

112. As set forth above, each Debtor Hospital is the sole member of the Debtor nonprofit public benefit corporation that handles its fundraising and grant-making programs: St. Francis Medical Center Foundation, St. Vincent Foundation, Seton Medical Center Foundation, Saint Louise Regional Hospital Foundation, and O'Connor Hospital Foundation (collectively, the "Philanthropic Foundations").

113. St. Vincent Medical Center is the sole Member of St. Vincent Dialysis Center, Inc.

114. VHS is the sole member of DePaul Ventures, LLC. DePaul Ventures, LLC, is the sole Member of DePaul Ventures-San Jose ASC, LLC, and of DePaul Ventures-San Jose Dialysis, LLC.

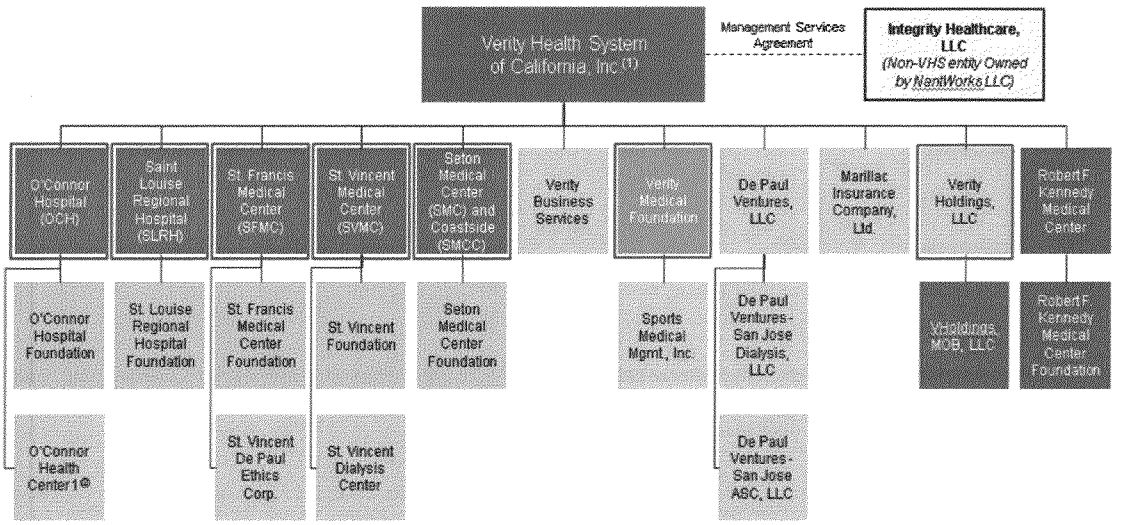
115. The following graphic depicts Verity's prepetition organizational structure:



116. Each Debtor entity has its own management and governance structure. Under the leadership of the Daughters of Charity, each Hospital operated independently except that all employees were under the same pension plans. After the transition of operations and leadership to VHS, there has been a systemizing of operations, so that functions that were being performed at each of the Debtors are being transitioned and performed by VHS and being standardized, such as pharmacy operations, credentialing, IT, case management, etc.

117. As set forth above, VMF offers medical, surgical and related healthcare services for people of all ages at community-based, multi-specialty clinics conveniently located in areas served by Verity hospitals. The following graphic depicts VMF's structure that is comprised of, among other things, professional service agreements with seven medical groups that provide physicians to VMF's clinics:

120. Verity Holdings, LLC, De Paul Ventures, LLC, and De Paul - San Jose Dialysis, LLC, are all limited liability companies that do not have Boards of Directors. The sole Member of Verity Holdings, LLC, and De Paul Ventures, LLC, is VHS. The sole member of De Paul Ventures - San Jose Dialysis, LLC, is De Paul Ventures, LLC. I am the President and Eleanor Ramirez and Art Huber were appointed Vice Presidents of Verity Holdings, LLC, on November 17, 2017. I am the managing member for De Paul Ventures, LLC. Dr. Tirso del Junco, Jr., is the managing member for De Paul Ventures - San Jose Dialysis, LLC.

B. Capital Structure.

121. As more fully set forth in the declaration of Anita Chou in support of the Debtors' *Emergency Motion Of Debtors For Interim And Final Orders (A) Authorizing The Debtors To Obtain Post Petition Financing (B) Authorizing The Debtors To Use Cash Collateral And (C) Granting Adequate Protection To Prepetition Secured Creditors Pursuant To 11 U.S.C. §§ 105, 363, 364, 1107 And 1108*, VHS, Verity Business Services ("VBS"), the Hospitals, and one operating division are jointly obligated parties on approximately $461.4 million of outstanding secured debt consisting of: (a) $259.4 million outstanding tax exempt revenue bonds, Series 2005 A, G and H issued by the California Statewide Communities Development Authority (the "2005 Bonds"), which loaned the bond proceeds to VHS to provide funds for capital improvements and to refinance certain tax exempt bonds previously issued in 2001 by the DCHS, a religious not-for-profit enterprise and VHS's reorganization predecessor; and (b) $202 million outstanding tax exempt revenue notes, Series 2015 A, B, C, and D and Series 2017 issued by the California Public Finance Authority, which loaned the proceeds to VHS to provide working capital (the "Working Capital Notes"). Wells Fargo Bank, N.A. ("Wells Fargo") is the Bond Trustee and UMB Bank National Association ("UMB Bank") is the successor Master Trustee and for the prepetition secured 2005 Bonds. U.S. Bank, National Association ("U.S. Bank") is the Note Trustee and also the Collateral Agent for the Working Capital Notes.

122. Except for the taxable Series 2015C Working Capital Notes, the 2005 Bonds and the Working Capital notes are all tax exempt, meaning interest on the bonds is not taxable to the holders so long as the issuer maintains its qualified tax exempt status and the proceeds of the

... TONS US LLP

(213) 623-9300

bonds were used for the tax exempt purposes for which they were originally intended. The Series 2005 A Bonds are comprised four term bonds maturing on July 1, 2024, 2030 and 2035 bearing interest at 5.75% (Series 2005A-2024), (Series 2005A-2030), (Series 2005A-2035) and one maturing July 1, 2039 bearing interest at 5.50% (Series 2005A-2039). The Series 2005G term bond matures on July 1, 2022 and bears interest at 5.50%. The Series 2005H- term bond matures on July 1, 2025 and bears interest at 5.75%. The Working Capital Notes mature on June 10, 2019 (Series 2015A, Series 2015B, Series 2015C and Series 2015D) and on December 10, 2020 (Series 2017A, 2017B). Series 2015A and B and Series 2017 and 2017B bear interest at 7.25%, while the Series 2015D carries an 8.75% interest rate and Series 2015C accrues interest at 9.5%.

123. As set forth above, Holdings, a direct subsidiary of its sole member Verity, was created in 2016 to hold and finance Verity's interests in six medical office buildings whose tenants are primarily physician and other practicing medical groups and certain of the Verity Hospitals. Holdings is the borrower on approximately of $66 million on two series of non-recourse financing secured by separate deeds of trust, revenue and accounts pledges, including lease rents on each medical buildings (collectively "MOB Financing"). The MOB Financings bear interest at a variable interest rate based on equal to One Month LIBOR plus a spread of 5.0% with a floor of 6.23%. The secured lenders for the MOB Financings are affiliates of NantWorks, LLC, which is an affiliate of Integrity.

124. During May 2017, the California Statewide Communities Development Authority issued $20 million of limited obligation tax exempt bonds, pursuant to the CaliforniaFIRST Clean Fund Program in five series all with the same maturity date of September 2, 2047 (the "Clean Fund Bonds") as the conduit issuer for the benefit and obligation of Verity. The purpose of the bond funding was to assist with clean energy construction efforts of the Seaton Medical Center and are secured by Seton Medical Center's voluntary agreement to special tax assessments by Daley City. No other Debtor is liable for repayment of the Clean Fund Bonds. Wilmington Trust National Association ("WTNA") is the Trustee holding the construction funds, and a pre funded capitalized interest fund and is the collateral agent for collection of the special tax assessments for use in paying interest and principal on the Clean Fund Bonds. Interest on the Clean Fund Bonds

601 South Figueroa Street, Suite 2500
Los Angeles, California 90017-5704
(213) 623-9300

accrues at 6.4%. The special assessment runs for a period which is the shorter of 30 years or the early full defeasement of the Clean Fund Bonds.

125. Also in September 2017, the California Statewide Communities Development Authority issued a single series $20 million of limited obligation tax exempt bonds pursuant to the CaliforniaFIRST Program for the purpose of assisting with clean energy and seismic improvement construction at Seton Medical Center ("NR2 Petros Bonds"). The NR2 Petros Bonds also mature on September 2, 2047, but carry an interest rate of 6.45%. The NR2 Petros Bonds are also California tax exempt and are secured by a special Daly City tax assessment on Seton Medical Center property. No other Debtor is liable for repayment of the NR2 Petros Bonds. The special assessment runs for a period which is the shorter of 30 years or the early full defeasement of the NR2 Petros Bonds. WTNA is the Trustee holding the seismic improvement funds, as well as a pre-funded interest payment fund.

126. NantCapital also provided $40 million of unsecured debt financing for Verity as reflected in two $20 million unsecured notes (the "Unsecured Notes"). The Unsecured Notes are balloon notes with interest and principal payable at maturity in 2020 and carry annual compounded interest rates of 7.25%.

C. Unsecured Debt.

127. The Debtors have approximately $500 million in total unsecured debt, including disputed, unliquidated or contingent claims, which are comprised of claims made by vendors of goods and services, cost report payables, pension obligations, management fees, and incurred but not reported third party claims.

V. Sale Efforts

128. Prior to the Petition Date, the Debtors engaged in substantial efforts to market and sell their assets. In June 2018, the Debtor engaged Cain Brothers, a division of KeyBanc Capital Markets ("Cain"), to identify potential buyers of some or all of the Verity hospitals and related assets and commenced discussions with those potential buyer.

129. Cain prepared a Confidential Investment Memorandum (the "CIM") and organized an online data site to share information with potentially buyers and contacted over 110 strategic

and financial buyers beginning in July 2018 to solicit their interest in exploring a transaction regarding the Debtors and has advanced significantly towards achieving sales.

130. In August 2018, as a result of its ongoing and broad marketing process, Cain has received 11 Indications of Interest ("IOI") to date, and expects to receive additional proposals on or near the end of August. Shortly after the Petition Date, the Debtors, in consultation with Cain and its other advisors, anticipate selecting an offer from one or more stalking horse bidder(s) to acquire some or substantially all of the Debtors' assets through a sale under § 363 of the Bankruptcy Code.

V. First-Day Pleadings

131. The Debtors request that the relief described below in the First-Day Motions be granted, as each request constitutes a critical element in achieving the successful restructuring of the Debtors for the benefit of its patients, creditors and the communities they serve.

A. Administrative Motions.

132. In the *Motion of Debtors for Entry of an Order Directing the Joint Administration of their Related Chapter 11 Cases* (the "Joint Administration Motion"), the Debtors request entry of an order directing joint administration of these chapter 11 cases for procedural purposes pursuant to Bankruptcy Rule 1015(b) and that the Court maintain one file and one docket for all of the chapter 11 cases under the lead case, Verity Health System of California, Inc.

133. Joint administration of the chapter 11 cases will provide significant administrative efficiencies without harming the substantive rights of any party in interest. Many of the motions, hearings and orders that will be filed in the chapter 11 cases almost certainly will affect each of the Debtors. The entry of an order directing joint administration of the chapter 11 cases will reduce fees and costs by avoiding duplicative filings, objections, notices, and hearings, and will allow all parties in interest to monitor the chapter 11 cases with greater ease and efficiency. The relief requested in the Joint Administration Motion is in the best interests of the Debtors' estates, their creditors, and all other parties in interest and will enable the Debtors to continue to operate their businesses in chapter 11 with the least disruption.

134. In the *Ex Parte Motion For Entry Of Order Extending Time To File Schedules Of Assets And Liabilities, Schedules Of Executory Contracts And Unexpired Leases, And Statements Of Financial Affairs* (the "Schedules and SOFA Motion"), as set forth in the declaration of Anita M. Chou, the Debtors request entry of an order granting additional time to file their schedules of assets and liabilities, schedules of executory contracts and unexpired leases, and statements of financial affairs. As a consequence of the size and complexity of the Debtors' business operations, the number of creditors likely to be involved in these chapter 11 cases, the numerous critical operational matters that the Debtors' management and employees must address, a 30-day extension (without prejudice to further extensions) is necessary and appropriate.

135. In the *Debtors' Emergency Motion (A) Approving the Debtors Filing a Consolidated List of Fifty Largest General Unsecured Creditors For All Cases; (B) Approving The Debtors Filing A Consolidated Master Mailing Matrix For All Cases; and (C) Permitting the Debtors' Claims And Noticing Agent To Maintain The Master Mailing Matrix,* the Debtors seek entry of an order approving each Debtor having filed in its respective case: a consolidated list of the fifty largest general unsecured creditors for all eighteen Debtors and a consolidated Master Mailing Matrix for all 17 Debtors; and permitting the Debtor's claims and Noticing Agent (Kurztman Carson Consultants) to maintain and update the Master Mailing Matrix. There are 17 entities that are Debtors in these chapter 11 cases. As of the Petition Date, the Debtors estimate that they have over $1 billion in liabilities and they have over 20,000-40,000 potential creditors and parties in interest (on a consolidated basis) in these chapter 11 cases. Many of the Debtors' creditors overlap. As such, requiring the Debtors to prepare individual Top 20 Lists of Creditors and individual Mailing Matrixes for each Debtor would be an exceptionally burdensome task and would greatly increase the risk and recurrence of error of information already on computer systems maintained by the Debtors or their agents.

B. Operational Motions Requesting Immediate Relief.

136. The Debtors intend to ask for immediate relief with respect to the following First Day Pleadings and, therefore, will present these motions at the First Day Hearing.

a. Emergency Motion Of Debtors For Interim And Final Orders (A) Authorizing The Debtors To Obtain Post Petition Financing (B) Authorizing The Debtors To Use Cash Collateral And (C) Granting Adequate Protection To Prepetition Secured Creditors Pursuant To 11 U.S.C. §§ 105, 363, 364, 1107 And 1108 (the "Cash Collateral/DIP Motion").

137. By way of the Cash Collateral/DIP Motion, and as set forth in the Declaration of Anita M. Chou (the "Chou Declaration"), Chief Financial Officer of VHS ("Chou Decl."), in support of the Cash Collateral/DIP Motion, the Debtors move, on an emergency basis, for entry of an interim order (substantially in the form attached as Exhibit "A" to the Chou Declaration, the "Interim Order") and a final order (the "Final Order" and together with the Interim Order, the "DIP Orders") (i) (a) authorizing the Debtors to enter into a senior secured, superpriority debtor in possession financing facility with Ally Bank, a subsidiary of Ally Financial, Inc., (the "DIP Lender"), in an (a) interim amount not to exceed $30,000,000 and only as needed to avoid immediate and irreparable harm, and (b) after a final hearing, amount up to $185,000,000 (as amended, modified or otherwise in effect from time to time, the "DIP Facility"), substantially on the terms set forth in the Chou Declaration and the Debtors In Possession Facility Agreement, attached as Exhibit "1" to the proposed Interim Order (as amended, supplemented, or otherwise modified and in effect from time to time, the "DIP Facility Agreement," and together with all other agreements, documents, notes, certificates, and instruments executed and/or delivered with, to or in favor of the DIP Lender, (the "DIP Financing Agreements"), and (b) granting the DIP Liens and the DIP Superpriority Claims (in each case, as defined below); (ii) authorizing the interim use of Cash Collateral (as defined below) on the terms set forth in the Interim Order; (iii) granting "adequate protection" to UMB Bank, N.A., as successor Master Trustee for the Prepetition Secured Revenue Bonds, Series 2005 A, G and H ("2005 Bonds") , U.S. Bank National Association ("U.S. Bank"), as the Collateral Agent and Note Trustee for the Series 2015 A, B, C, and D and the Series 2017 A and B Revenue Notes (collectively, the "Working Capital Notes") and MOB Financing LLC and MOB Financing II LLC as holders of security interests in Verity Holdings prepetition accounts, including rents arising from the prepetition MOB Financing (described below) in the form of Adequate Protection Payments and Replacement Liens, each as defined in the Chou Decl.; (iv) modifying the automatic stay as imposed by section 362 of the

Bankruptcy Code to the extent necessary to implement and effectuate the terms of the DIP Facility and the DIP Orders; and (v) scheduling an interim hearing to approve the proposed Interim Order and a final hearing with respect to the relief requested herein (the "Final Hearing").

138. Each Debtor has all requisite corporate power and authority to execute and deliver the DIP Financing Agreements to which it is a party and to perform its obligations thereunder.

139. Absent granting emergency access to the Debtors' cash collateral, the Debtors will not be able to made payroll or meet other obligations critical to the maintenance of safe facilities and the delivery of effective acute care services for its patients and staff during the week ending September 7, 2018. Absent emergency access to postpetition financing, the Debtors will lose vendor support for critical postpetition deliveries of goods and services further burdening the Debtors use of cash. Absent entry of an interim order granting the requested relief, the very existence of the Hospitals will be threatened and the ability of the Hospitals to survive as long term going concerns, whether or not owned by the Debtors, will be irreparably harmed.

b. Emergency Motion Of Debtors For Entry Of Order: (I) Authorizing The Debtors To (A) Pay Prepetition Employee Wages And Salaries, And (B) Pay And Honor Employee Benefits And Other Workforce Obligations; And (II) Authorizing And Directing The Applicable Bank To Pay All Checks And Electronic Payment Requests Made By The Debtors Relating To The Foregoing; Memorandum Of Points And Authorities In Support Thereof (the "Wage Motion").

140. By the Wage Motion, the Debtors move the Court for entry of an order (i) authorizing the Debtors, in their discretion, to (a) pay prepetition employee wages and salaries, and (b) pay and honor employee benefits and other workforce obligations (including remitting withholding obligations, maintaining workers' compensation and benefits programs, paying related administration obligations, making contributions to retirement plans, and paying reimbursable employee expenses) (collectively, the "Employee Obligations"); and (ii) authorizing and directing the applicable bank to pay all checks and electronic payment requests made by the Debtors relating to the foregoing.

141. Wages. The Employees are paid their wages and salaries (the "Wages") bi-weekly, in arrears, either five or six days after the end of every 14-day pay period, through direct deposit or by check. The Debtors' average bi-weekly gross payroll is approximately

$25,394,994, which includes approximately $463,907 for executive payroll, $3,726,816 for withholding obligations (relating to various taxes, claims and other obligations) and $208,476 for retirement plan contribution matching. Under a bifurcated, constant pay cycle, Employees were last paid on August 24 and 30, 2018. The next routine payroll dates covering all Employees' accrued and unpaid prepetition Wages are scheduled for September 7, 13 and 14, 2018, and expected to include approximately $15,353,375 that is attributable to prepetition Wages (the "Requested Prepetition Payroll"), which the Debtors seek authority to pay by the Wage Motion. The Debtors do not believe payments of Wages to any individual Employee will exceed the $12,850 cap under § 507(a).

142. Withholding and Union Obligations. In the ordinary course of their business, the Debtors routinely withhold from the Wages certain amounts that the Debtors are required to transmit to third parties for purposes such as Social Security and Medicare, federal and state or local income taxes, contributions to the Debtors' benefit plans, savings and retirement plan contributions, union claims, garnishment, child support or other similar obligations pursuant to court order or law (collectively, the "Withholding Obligations"). The Debtors owe approximately $3,726,816 for Withholding Obligations in connection with the Requested Prepetition Payroll, which the Debtors seek authority to pay by the Wage Motion. The Debtors are also required to make certain Union-specific contributions, which are currently accrued and unpaid in the amount of $85,089 on account of prepetition Wages, which the Debtors seek authority to pay by the Wage Motion.

143. Bonuses. Certain Employees are eligible to receive sign-on, retention and incentive bonuses. Payout opportunity is based on Employee position, title and location (i.e., Hospital or Systems Office). The Debtors do not, by the Wage Motion, seek permission to pay any bonuses to continuing Employees but do seek the authority, in the Debtors' discretion, to pay the Employees for contractually agreed bonuses that accrued within the 180 days prior to the Petition Date when their services with the Debtors are terminated so long as the total of the payments already then made for prepetition Employee Obligations and the bonuses does not exceed the statutory limit for priority claims of $12,850.

(213) 623-9300

144. Reimbursement Obligations. The Debtors customarily reimburse Employees who incur business expenses in the ordinary course of performing their duties on behalf of the Debtors. Such expenses typically include, but are not limited to, business-related travel expenses (including mileage), business meals, relocation allowances, tuition reimbursement, and other items specified in the CBAs. Based on historical experience, the Debtors anticipate that, as of the Petition Date, the Debtors owe an estimated $30,200 in Reimbursement Obligations to their Employees, which they seek authority to pay by the Wage Motion. The Debtors further seek to continue to pay Reimbursement Obligations incurred postpetition in the ordinary course of the Debtors' business.

145. Paid Time Off and Extended Sick Leave. Full-time and part-time Employees become eligible to receive employment benefits beginning the first of the month following 30 days of employment (when they become "Eligible Employees"). *Per diem* Employees are not Eligible Employees. The Debtors provide Eligible Employees with Paid Time Off ("PTO") and Extended Sick Leave ("ESL"), which are accrued annually and in increasing rates over successive years. PTO is time off due to vacation, holiday, personal or incidental sick time. ESL kicks in (a) immediately where the Eligible Employee is admitted for surgery, (b) after a 3-day waiting period for a workers' compensation injury, and (c) after a 7-day waiting period if workers' compensation is not implicated. As of the Petition Date, the Debtors are carrying approximately $36.6 million on their books for 789,942 hours of accrued and unused PTO. Eligible Employees are permitted to cash out their unused PTO on one or two occasions during the year depending on the relevant Hospital or CBA. As of the Petition Date, the Debtors are carrying approximately $17.5 million on their books for 372,000 hours of accrued and unused ESL. Some CBAs permit Eligible Employees to cash out a portion of their unused ESL at retirement. By the Wage Motion, the Debtors seek authority to honor their existing PTO and ESL policies to the extent it would permit continuing Employees to use their prepetition accrued leave in the ordinary course of business, and going forward. The Debtors are not, by the Wage Motion, seeking permission to cash out any accrued and unused PTO or ESL of continuing Employees but do seek the authority, in the Debtors' discretion, to pay the Employees for unused PTO and/or ESL, as permitted per

Hospital policy and relevant CBA terms, that accrued within the 180 days prior to the Petition Date so long as the total of the payments for prepetition Employee Obligations does not exceed the statutory limit for priority claims of $12,850.

146. Health Benefits. The Debtors offer Eligible Employees the opportunity to participate in a number of insurance and benefit programs, including, among other things, medical, dental and vision plans, life insurance, short-term and long-term disability insurance, workers' compensation, retirement plans and other insurance plans and benefits. As of the Petition Date, the Debtors owed (a) approximately $3,162,816 to Healthnow as third-party administrator on account of accrued and unpaid prepetition claims against the self-insured medical plans; (b) approximately $48,060 to Cigna and Delta Dental for accrued and unpaid prepetition claims against the self-insured dental plans; (c) approximately $60,150 to VSP for accrued and unpaid prepetition claims on account of the self-insured vision plans. By the Wage Motion, the Debtors seek authority to pay these prepetition claims. The Debtors believe that they are current on the administration fees and premiums related to the health plans to pay their portion of any premiums or administration fees for the health plans that accrued and remain unpaid as of the Petition Date, and to turn over to Blue Shield of California any amounts sufficient to satisfy the portion of the accrued and unpaid prepetition premiums to be paid by the Employees in connection with the payment of the Wages and Withholding Obligations. By the Wage Motion, the Debtors also seek authority to continue to pay, in their discretion and in the ordinary course of their business, the administration fees, premiums for and claims under the health plans incurred postpetition. The Debtors further seek, by the Wage Motion, to continue to perform any obligations under Continuation Health Coverage (COBRA) in respect to former employees.

147. Life, Disability and Workers' Compensation. The Debtors offer Eligible Employees premium-based group life insurance and accidental death and dismemberment insurance ("AD&D") through UNUM; premium based short term ("STD") and long term disability coverage ("LTD") through Cigna; workers' compensation insurance through Old Republic Insurance; and an employee assistance program through Optum. The Debtors are also are obligated to Cigna on account of claims under the Federal Medical Leave Act (FMLA) and

California Family Rights Act (CFRA). The Debtors believe that they are current on all the above mentioned insurance policies and claims obligations. To the extent they are not, however, the Debtors seek authority, by the Wage Motion, in their discretion, to pay any accrued and unpaid prepetition premiums and related charges and to continue these benefits postpetition and to deliver the Employees' portion of any accrued and unpaid prepetition premiums to the corresponding administrators.

148. Retirement Plans. As described in further detail above, the Debtors offer eligible Employees the opportunity to participate in various retirement plans, including defined benefit plans and defined contribution plans. By the Wage Motion, the Debtors seek authority to pay their matching contributions that accrued and remain unpaid as of the Petition Date for the retirement plans and to deliver the Employee contributions in connection with the payment of Wages and Withholding Obligations described above. The Debtors also seek authority, by the Wage Motion, to continue to pay, in their discretion and in the ordinary course of their business, matching contributions for the retirement plans incurred postpetition.

149. Miscellaneous Plans. The Debtors also offer their eligible Employees the opportunity to participate in a "Cafeteria Plan" through Alliant Choice Plus, which includes voluntary critical care insurance, pet insurance, auto and home insurance. The healthcare reimbursement account and dependent care reimbursement account are administered through Healthnow, and long-term care is administered through UNUM. All of these programs are 100% funded by the Employees and are paid for through payroll deductions. By the Wage Motion, the Debtors request authority to continue to honor these programs, in their discretion, and to continue distributing to third-parties the payments for these programs in connection with the payment of Wages and Withholding Obligations as described above, including the distributions of payments that are for prepetition amounts due.

150. The Debtors believe that substantially all of its Employees rely exclusively on their compensation to pay their daily living expenses. Also, the Employee Benefit Programs are a critical component of the Employees' total compensation package. It is imperative to the accomplishment of the Debtors' goals in this case that the Debtors minimize any adverse impact

of the chapter 11 filing on the Debtors' workforce, patients, operations, and orderly administration of these Cases. Any disruption to payment of the payroll in the ordinary course, or to the continued implementation of employee programs in the Debtors' discretion, would adversely affect the Debtors' goals in this case because such events are likely to cause some employees to terminate their employment with the Debtors, will cause employees to be distracted from their duties to care for the patients, and will hurt employee morale at a particularly sensitive time for all employees. Failure to honor the Employee Obligations could have severe repercussions on the Debtors' ability to preserve its assets and administer its estate, to the detriment of all constituencies. Accordingly, as set forth in the Wage Motion, the Debtors request authority to continue paying the Employees and administering the Employee Benefit Programs and any obligations related to the foregoing (subject to the Budget and any applicable payment caps) in the ordinary course of business.

c. Emergency Motion Of Debtors For Authority To: (1) Continue Using Existing Cash Management System, Bank Accounts And Business Forms; (2) Implement Changes To The Cash Management System In The Ordinary Course Of Business; (3) Continue Intercompany Transactions; (4) Provide Administrative Expense Priority For Postpetition Intercompany Claims; And (5) Obtain Related Relief; Memorandum Of Points And Authorities In Support Thereof (the "Cash Management Motion").

151. By the Cash Management Motion, the Debtors move the Court for the entry of an order authorizing them, subject to the terms of the DIP Orders and DIP Financing Agreements to: (1) continue to use their cash management system, including the continued maintenance of their existing bank accounts (three of which include passive investing) and business forms; (2) implement changes to their cash management system in the ordinary course of business, including opening new or closing existing bank accounts; (3) continue to perform under and honor intercompany transactions in the ordinary course of business, in their business judgment and at their sole discretion; (4) provide administrative expense priority for postpetition intercompany claims, all as set forth in more detail below; and (5) obtain related relief.

152. The Debtors further request, by the Cash Management Motion, that the Court authorize the financial institutions at which the Debtors maintain various bank accounts to (a) continue to maintain, service and administer the Debtors' bank accounts, and (b) debit the bank

accounts in the ordinary course of business on account of (i) wire transfers or checks drawn on the bank accounts, or (ii) undisputed service charges owed to the banks for maintenance of the Debtors' cash management system, if any.

153. The Debtors currently have 63 accounts (the "Accounts") with five commercial banks and one investment bank (collectively the "Banks"). The Debtors request authority to continue utilizing the Accounts, subject to the terms of the DIP Orders and DIP Financing Agreements. Requiring the Debtors to close certain of the Accounts and open new ones will disrupt the Debtors' cash flow – and, ultimately, impact patient care – because (i) the depositors (some of which are governmental agencies) will not respond quickly to the change and will likely continue to send deposits to the original deposit account, and (ii) the Debtors have certain obligations (including for debt, pension and defined contribution) that they pay exclusively by electronic funds transfer and changes to the payment accounts have the potential of slowing down these crucial payments. Closing the Accounts will also increase the work of the Debtors' accounting personnel, who are already dealing with the many and varied issues related to these Cases. Closing the Accounts and opening new ones under the circumstances described in the corresponding Memorandum of Points and Authorities would needlessly cost the Debtors time and money at a time when they are trying to conserve both, and would result in no discernible benefit to the Debtors' bankruptcy estates.

154. The Debtors also request in the Cash Management Motion authority to continue using their business forms without the designation "Debtors in Possession" on them *for a limited time*. The Debtors' forms are either electronically printed or can be electronically altered. The Debtors seek the authority of this Court to utilize their electronically generated forms without the "Debtors in Possession" designation until the adjustments to the software can be initiated and existing stock is exhausted.

155. Subject to the DIP Orders and DIP Financing Agreements, by the Cash Management Motion, the Debtors request that the Court authorize them to continue using their cash management system in connection with the continued use of Accounts and continued use of

the Debtors' business forms; in furtherance thereof, the Debtors further request that the Court authorize and direct the Banks to continue honoring the Debtors' transactions.

d. Emergency Motion Of Debtors For Order (A) Prohibiting Utilities From Altering, Refusing, Or Discontinuing Service And (B) Determining Adequate Assurance Of Payment For Future Utility Services (the "Utilities Motion").

156. By the Utilities Motion, the Debtors move the Court for the entry of an order authorizing them to (i) prohibiting utilities (collectively, the "Utility Companies" and individually, a "Utility Company") from altering, refusing, or discontinuing service without further order of the Court; and (ii) determining adequate assurance of payment for future utility services. The Debtors receive essential utility services from several Utility Companies. Furthermore, the Debtors seek a determination that: (i) a deposit made by the Debtors to each Utility Company in an amount equal to the average monthly invoice for prepetition services provided to the Debtors by such Utility Company (the "Deposit"); (ii) the ability of any Utility Company to obtain an initial hearing on the adequacy of the Deposit; and (iii) the ability of any Utility Company to obtain an expedited hearing regarding further adequate assurance if the Debtors fail to cure a post-petition payment default within twenty (20) days after written notice of such default, constitute adequate assurance of payment for future utility services.

157. As life-saving medical service providers, the Debtors are situated in a vulnerable position—without the continual flow of vital services of Utility Companies, the mission of the Debtors' business would unravel, irreparably harming the Debtors and their patients who seek medical care in the hospitals, medical centers, and clinics operated by the Debtors. Thus, I believe that in order to ensure the timely and proper care of the patients and maintain ongoing business operations, it is imperative the Debtors are able to rely on a consistent supply of these services.

158. Specifically, uninterrupted electricity, gas, telephone, and similar services are essential to the Debtors' provision of medical services to the Debtors' patients. Any interruption, however brief, to utility services to the Debtors' business will result in a serious disruption of the Debtors' business operations and dramatically affect patient care. Therefore, I believe that it is critical that the Court prohibit the Utility Companies from altering, refusing or discontinuing service to the Debtors without further order of this Court. The Deposit for each of the Utility

Companies, coupled with the streamlined mechanism for requesting further adequate assurance will provide adequate assurance of payment to the Utility Companies as well as safeguard the Debtors' continuing operations.

159. The Debtors are current on payment to the Utility Companies. Further, the Debtors have sufficient cash to pay their postpetition utility bills as they come due and have specifically budgeted for such payments in the Debtors' operating budget submitted in connection with the Debtors' Cash Collateral Motion.

e. Debtors' Emergency Motion For Entry Of An Order Authorizing Debtors To Honor Prepetition Obligations To Critical Vendors (the "Critical Vendors Motion").

160. By the Critical Vendors Motion, the Debtors move the Court for the entry of an order authorizing, but not directing, the Debtors to continue to pay and/or honor the prepetition claims, up to $20 million (the "Critical Vendor Cap"), with (i) an interim amount of up to $5 Million, and (ii) an additional amount of up to $15 Million, of their most critical vendors, in the Debtors' discretion and in the ordinary course of the Debtors' business, pursuant to a carefully-designed Protocol (defined below) overseen by a core, centralized team consisting of senior members of Debtors' management and professional advisors, and subject to the terms and conditions. The Debtors will suffer irreparable harm without the relief requested in Critical Vendors Motion.

161. As life-saving medical service providers, the Debtors are situated in a vulnerable position in that their entire mission would immediately unravel, irreparably harming the Debtors and their patients without the continual flow of vital medical services, medical supplies, medical equipment, physicians, nurses, nurse practitioners, physicians assistants, professional technicians such as, imaging technicians, surgical technicians, sterile processing technicians and interim clinical/management staff, coders, admission department staff, as well as non-medical services, information technology support, and/or benefits.

162. Additionally, local, state, and federal law places certain compliance requirements on the Debtors. For example, as the operator of hospitals licensed under California state law and certified to participate in the Medicare and Medicaid programs, the Debtors must comply with all

...TONS US LLP

hospital licensing and certification requirements, including those found in the Health and Safety Code and in Title 22 of the California Code of Regulations, as well as the applicable Medicare conditions of participation and corresponding Medicaid requirements. In addition to complying with these overarching requirements, the Debtors must monitor and comply with all of the other licensing and operational requirements that apply to the different service lines and programs offered by the hospitals, including, for example, those applicable to the hospital pharmacies and laboratories. These extensive, comprehensive requirements can only be fulfilled through continued, uninterrupted access to various goods and services. Thus, in order to ensure the timely and proper care of the patients and maintain ongoing business operations, it is imperative the Debtors are able to rely on a consistent, quality supply of various physicians, nurses, nurse practitioners, physicians assistants, professional technicians such as, imaging technicians, surgical technicians, sterile processing technicians and interim clinical/management staff, coders, admission department staff, as well as certain medical supplies, medical equipment, and services provided by vendors, suppliers and/or service-providers that are "critical" to the Debtors' businesses (the "Critical Vendors").

163. The Debtors' Critical Vendors include the following categories of providers: (i) uncompensated care contract physicians and on-call coverage physicians (collectively, the "Uncompensated Care and On-Call Coverage Physicians"); (ii) medical directors (the "Medical Directors"); (iii) medical staff officers and leadership positions ("Medical Leadership"); (iv) physicians providing teaching services ("Physician Educators"); (v) medical services providers (the "Medical Services Providers"); (vi) medical supplies and medical equipment providers (collectively, the "Medical Supplies and Equipment Providers"); (vii) medical staffing agencies and hospital-based services providers (collectively, the "Clinical Staffing"); (viii) non-medical services providers (the "Non-Medical Services Providers"); (ix) information technology services providers (the "IT Services Providers"); and (x) various employee benefits providers (the "Benefits Providers").

164. The Debtors require the use of various physicians, the Uncompensated Care and On-Call Coverage Physicians, who provide care to patients who lack the ability to compensate the Debtors for their medical treatment (individually, "Uncompensated Care Contract Physicians") and the physicians who provide on-call services to cover the Debtors' daily on-call needs (individually, "On-Call Coverage Physicians"), all in order to ensure patient care. The Uncompensated Care Contract Physicians routinely provide the following vital services: (i) Emergency Room coverage; (ii) surgical procedures for any Patient who is uninsured or underinsured; (iii) psychiatry; and (iv) cardiac services. The On-Call Coverage Physicians make themselves available to the Debtors for certain periods of time to ensure that a specialist is available at all times for emergency situations, including such emergent conditions as cardiac arrest and immediate trauma. The On-Call Coverage Physicians routinely provide the following areas of expertise: (i) urology; (ii) general surgery; (iii) orthopedics; (iv) cardiology; (v) neurosurgery; (vi) thoracic surgery; (vii) cardiac surgery; (viii) radiation oncology; (ix) neurology, (x) psychiatry; (xi) nephrology; (xii) gastroenterology; (xiii) pediatric surgery; and (xiv) obstetrics.

165. Due to the strong economy and the tight labor market for professionals with expertise, Uncompensated Care and On-Call Coverage Physicians have a vast array of working opportunities available to them, and to the extent the Debtors are unable to ensure payment for prepetition claims, these Uncompensated Care and On-Call Coverage Physicians will work at other hospitals, resulting in a devastating impact on patient care and irreparable harm to the smooth transition into chapter 11 and preservation and maximization of value for the benefit of the Debtors' creditors.

166. Further, the Debtors require the use of various physicians who serve as Medical Directors. As Medical Directors, it is their responsibility to ensure the hospital runs smoothly and efficiently and according to local, state, and federal mandates in order to ensure patient care. These Medical Directors supervise and coordinate the On-Call Coverage Physicians, provide vital operating and administrative services, such as (i) the Long Term & Sub-Acute Unit; (ii) Advanced Wound Care; (iii) the Comprehensive Spine Care Program; (iv) the Stroke Program;

(v) Cardiac & Pulmonary Rehabilitation; (vi) Oncology; (vii) Non-Invasive Cardiology; (viii) Radiation Therapy; (ix) the Intensive Care Unit and Neonatal Intensive Care Unit; (x) the Antimicrobial Stewardship Program; (xi) Interventional Neurology; (xii) the Bioethics Program; (xiii) the Catherization Laboratory; (xiv) the Skilled Nursing Facility, the Stroke Program; (xv) Thoracic Surgery; (xvi) the Dialysis Center; and (xvii) Nuclear Medicine and Vascular Laboratory. They also are vital for program quality, oversight, and risk management. There are approximately 60 physicians serving as Medical Directors. Similar to the Uncompensated Care and On-Call Coverage Physicians. I believe they also are vital for program quality, oversite, and risk management. There are approximately 68 physicians serving as Medical Directors.

167. Similar to the Uncompensated Care and On-Call Coverage Physicians, and due to the strong economy and the low labor market for professionals with expertise, Medical Directors are in demand and have a vast array of working opportunities available to them. To the extent the Debtors are unable to ensure payment for prepetition claims to Medical Directors, these Medical Directors will work at other hospitals, resulting in a devastating impact on patient care and irreparable harm to the smooth transition into chapter 11 and preservation and maximization of value for the benefit of the Debtors' creditors.

168. Debtors require the use of various physicians who serve as medical staff officers and in other leadership positions, as required by each Hospital's accreditation with The Joint Commission (the "TJC"). Medical Leadership includes the Chiefs of Staff and all Department Chairs required by each of the Debtors' Medical Staff Bylaws, and by Title 22, including physician oversight for cardiology, pulmonary, laboratory, stroke, and ST-elevation myocardial infarction departments. The Chief Medical Officers are essential to ensure quality and risk oversight. Without these physicians, who I believe can easily find competitive opportunities elsewhere, the Debtors' day-to-day programs will cease to function, resulting in a significant impact on patient care and other irreparable harm to the Debtors' Chapter 11 Cases.

169. The Debtors require the use of various physicians, the Physician Educators, who provide teaching services in the Debtors' graduate medical education (the "GME") program, a legal requirement with which the Debtors must comply. The GME program simultaneously

(213) 623-9300

provides: (i) training for interns, residents, and fellows until they become independent and licensed practitioners; and (ii) access to healthcare for elderly and impoverished patients. Physician Educators are in high demand because the State of California mandates that every teaching hospital support the efforts to provide access to high quality healthcare to its most vulnerable population. To maintain Level 2 Trauma status, the Debtors must maintain the GME program. Therefore, the Physician Educators are vital to maintaining the Debtors' teaching hospital status and affording access to healthcare, both of which are key to the Debtors' Patient care, ongoing operations, and/or potential sale of its assets for the benefit of its creditors and the Estates.

170. Debtors require the use of various Medical Services Providers, including, but not limited to, those who provide services such as surgical anesthesia coverage, organ harvesting and organ matching services, medical equipment sanitization, diagnostic interventional cardiology services, interventional neuroradiology, imaging services, advanced wound care, pathology and laboratory services, dialysis services, lithotripsy services, sterile compounding services, rehabilitation staffing and management services, subacute management services, psychiatric management services, hospitalist services, intensivist program services, medical screening services, and medical instrument repair services. These services are vital to the Debtors' day-to-day operations, in particular with regard to Patient care, and the Debtor will suffer immediate irreparable harm should the Court not grant the Debtors' request to include the Medical Services Providers as Critical Vendors.

171. Debtors require the use of various medical supplies and medical equipment from the Medical Supplies and Equipment Providers, including, but not limited to, blood and plasma, heart valves, coronary intervention products, defibrillators, laparoscopic and minimally invasive surgical supplies, neurosurgical supplies and neurology devices, other surgical medical products, bone substitute biologics, regenerative vascular grafts, vaccinations and other pharmaceuticals, nuclear medicines, medical gases, anesthesia medical equipment, laboratory medical supplies, radiation equipment, gastrointestinal supplies, cochlear implants, orthopedic implants, spinal implants, intraocular lenses and ophthalmology supplies, sterilization equipment and products,

and fetal monitoring systems. Equipment includes medical equipment rentals, biomedical repair tools and equipment, patient beds and stretchers, vital sign monitoring, infusion pumps, medication supply stations, gastro-intestinal lab equipment, cardiac catherization lab equipment, operating room equipment, imaging equipment, laboratory equipment, pharmacy dispensing equipment, and transplant program equipment. The medical supplies and medical equipment the Debtors receive from the Medical Supplies and Equipment Providers are vital to the Debtors' day-to-day operations, to maintain Patient care, and the Debtors will suffer immediate irreparable harm should the Court not grant the Debtors' request to include the Medical Supplies and Equipment Providers as Critical Vendors.

172. The Debtors also require the Clinical Staffing, which are various medical groups, staffing agencies, and other hospital-based services providers, to meet critical thresholds of physicians, nurses, nurse practitioners, physicians assistants, professional technicians such as, imaging technicians, surgical technicians, sterile processing technicians and interim clinical/management staff, coders, and admission department staff servicing patients in emergency and non-emergency room situations. The provision of physicians, nurses, professional technicians such as, imaging technicians, surgical technicians, sterile processing technicians and interim clinical/management staff, coders, and admission department staff is vital to service the Debtors' six active emergency rooms, trauma center, and the multiple medical specialty units providing tertiary and quaternary care.

173. Additionally, regarding the provision of nurses, the staffing supplementation is essential because: (1) California has a mandatory statutory nurse to patient ratio, and so the Debtors are required by law to meet certain ratios in order to operate on a daily basis; and (2) it is difficult to recruit experienced staff—as opposed to recent graduates—for short-term assignments. Indeed, these staffing agencies provide the requisite "registry" nurses who take short single-day assignments and "traveler" nurses who take longer-term assignments to fill in during busier seasons—*e.g.*, flu season—and understaffed periods—*e.g.*, during nurses strikes of represented nurses—where the Debtors may not otherwise have sufficient numbers of nurses between their core and per diem nurses.

174. Moreover, many of the Clinical Staffing who provide physicians, nurses, nurse practitioners, physicians assistants, professional technicians such as, imaging technicians, surgical technicians, sterile processing technicians and interim clinical/management staff, coders, and admission department staff to the Debtors will not staff the Debtors' business if there is any interruption or delay in the payment of the amounts due to them. Given the Debtors' reliance on the medical services provided by the Clinical Staffing to provide Patient care and otherwise fulfill the Debtors' daily medical services needs, and the fact that the Clinical Staffing can simply shift their services to a medical services company, it is crucial that the Debtors be authorized to pay any prepetition amounts due to the Clinical Staffing as Critical Vendors in the ordinary course of business.

175. The Debtors require use of Non-Medical Services Providers, including, but not limited to, those who provide services such as payroll tax services, financial audit services, billing services, cost reporting services, revenue cycle management services, consulting and education services for various required national, state, and local accreditations and mandates, environmental services, record retention services, building maintenance services, medical equipment maintenance services, management services, and other similar services, as well as to seismic contractors. Seismic contractors are designers, engineers, suppliers and constructors who are engaged in the statutory work of retrofitting hospital structures to meet the SB1953 and subsequent amendments that are required to be completed by December 31, 2019. Delay of the projects will cause the Debtors to miss the regulated deadlines, risking the Debtors' California Department of Public Health license and suspension of such. These non-medical services are vital to the Debtors' day-to-day operations, particular with regard to Patient care, and the Debtor's ability to comply with regulatory requirements set by the State of California legislature, and the Debtor will suffer immediate irreparable harm should the Court not grant the Debtors' request to include the Non-Medical Services Providers as Critical Vendors.

176. The Debtors require use of various IT Services Providers who provide information technology services, including, but not limited to, those who provide services such as diagnostic technology, interoperability between devices, risk management and software services, revenue

...TONS US LLP

cycle management billing software and services, teleradiology services, customer relationship management, networking solutions services, multi-function copiers, voice over internet protocol system services, hosting services for applications, and point of care data management system services. Critical patient care systems such as electronic health record systems and enterprise resource planning systems must be maintained to ensure continuity and Patient care. I believe these information technology services are vital to the Debtors' day-to-day operations, in particular with regard to Patient care, and the Debtor will suffer immediate irreparable harm should the Court not grant the Debtors' request to include the IT Services Providers as Critical Vendors.

177. The Debtors require certain Benefits Providers because the Debtors have incentivized their employees to continue working through the continuation of company-subsidized benefits, such as workers compensation, medical, dental, vision, short term and long term care, leave of absence, and life insurance. If the Debtors are not permitted to pay any prepetition premium amounts due to these Benefits Providers, the employees' insurance coverage will be jeopardized and the employees will likely seek employment elsewhere. Specifically, I believe any disruption to payment of the employee benefits in the ordinary course (and in the Debtors' discretion), would adversely affect the Debtors' goals in this Case because such events are likely to cause some employees to terminate their employment with the Debtors, will cause all employees to be distracted from their duties to care for the patients and the operations of the hospitals, and will inevitably hurt employee morale at a particularly sensitive time for all employees, resulting in severe repercussions on the Debtors' ability to provide Patient care, and to preserve their assets and administer the Estates, to the detriment of all constituencies. Since the Debtors do not have the ability to quickly or cost-effectively replace their employees who provide vital medical and non-medical services on a daily basis, it is critical that the Debtors be allowed to continue these benefits in order to retain their employees and maintain their business operations to preserve the full value of their assets for the benefit of their creditors. Therefore, the Court should include Benefits Providers as Critical Vendors.

178. I, along with the Debtors, am mindful of the Debtors' fiduciary obligations to seek to preserve and maximize the value of their Bankruptcy Estate. To that end, the Debtors and their

...TONS US LLP

advisors have engaged in an intense process of reviewing and analyzing the Debtors' books and records, consulting operations management and purchasing personnel, reviewing contracts and supply agreements, and analyzing applicable laws, regulations, and historical practices to identify business relationships—which, if lost, could materially harm the Debtors' patients, the Debtors' businesses, reduce their enterprise value, and/or impair their restructuring process—all in an effort to identify only those most critical vendors using their business judgment (the "Protocol"). Such Protocol is on-going; however, the amounts proposed to be paid to the Critical Vendors are already provided for in the Debtors' operating budget submitted in connection with the Debtors' Cash Collateral Motion.

179. Indeed, during the Protocol process, the Debtors and I have deemed certain vendors as critical because each of these Critical Vendors meets the following criteria: (a) the vendor is essential to patient care, supports maintaining the Debtors' business in full compliance with California's Title XII requirements for operating general acute care hospitals in the state of California, and allows the Debtors to maintain their business postpetition until reorganization and/or sale of the Debtors' assets for the benefit of creditors; (b) the vendor is indispensable for providing vital goods or services, replacing said vendor would be prohibitively expensive, or said vendor is otherwise critical to prevent the diversion of management and key personnel to solicit other vendors to provide comparable goods or services and to prevent other unnecessary distraction during the extensive transitional period; (c) the vendor holds an unpaid prepetition claim for the provision of goods or services; (d) the vendor will refuse to deliver goods or provide services without payment of the prepetition claim and the automatic stay imposed by section 362(a) will be inadequate to address the issue; (e) cash on delivery is unlikely to provide the requisite incentive for the vendor to continue providing goods or services; (f) the Debtors lack a long-term contractual relationship with the vendor that would oblige the vendor to continue the prepetition relationship, and the Debtors are otherwise without adequate leverage to compel performance on commercially reasonable terms; and (g) the Debtors will suffer immediate and irreparable harm if the vendor is not specially incentivized to continue providing goods or services. The Debtors will use commercially reasonable efforts to require the vendor to sign a

postpetition agreement with normalized terms and conditions that contractually bind the vendor to continue providing goods and services postpetition.

I declare under penalty of perjury that, to the best of my knowledge and after reasonable inquiry, the foregoing is true and correct.

I, Anita Chou, submit this Declaration in support of the Debtors' MOTION FOR INTERIM ORDER AUTHORIZING (A) USE OF CASH COLLATERAL, (B) DEBTOR IN POSSESSION CREDIT AGREEMENT, (C) GRANT OF SUPERPRIORITY PRIMING LIENS TO DIP LENDER, (D) GRANT OF JUNIOR LIENS ON POST PETITION ACCOUNTS AND INVENTORY AS ADEQUATE PROTECTION TO PREPETITION SECURED PARTIES PURSUANT TO 11 U.S.C. §§105(A), 363(C)(2), AND 364(C) AND (D) (the "DIP Motion"), and hereby state and declare as follows:

1. I am the Chief Financial Officer ("CFO") of Verity Health System of California, Inc. ("VHS"). I became the Debtors' acting CFO on August 20, 2018 and on August 29, 2018, the board of directors appointed me as the CFO. Prior to my appointment as acting CFO, I served as the VHS SVP Hospital Finance, with oversight responsibilities over all of Verity Health System hospitals' CFOs from February 1, 2018 until August 19, 2018, and as the St Vincent Medical Center CFO from March 2016 to February 2018. My career has included three years at Prospect Medical Holdings from March 2013 to March 2016 in various senior level corporate finance positions including Hospital System CFO, ten years as the controller for three different hospital and hospital systems (e.g., Saint John's Health Center & Affiliates, Valley Presbyterian Hospital, and USC Kenneth Norris Jr. Cancer Hospital), and three years as a Financial Market Analyst for El Camino Hospital. I received my Masters in Health Administration from the University of Southern California in 2005, and my Bachelor of Science from University of California, San Diego in 1998.

2. The statements herein are based upon my personal knowledge of the facts and information gathered by me in my capacity as CFO for VHS.

I. Capital Structure and Need for Additional Financing

3. On August 31, 2018 (the "Petition Date"), the above referenced Debtors filed voluntary petitions under Chapter 11 of the United States Bankruptcy Code, 11 U.S.C. section 101, et seq. I have prepared a summary of the funded debt obligations of the Debtors in these jointly administered chapter 11 cases.[1] My summary is attached as **Exhibit "1"** to this Declaration.

4. VHS, Verity Business Services ("VBS") and VHS's five acute care hospital subsidiaries[2], and one operating division (the "Hospitals")[3] are jointly obligated parties on approximately $461.4 million of outstanding secured debt consisting of: (a) $259.4 million outstanding tax exempt revenue bonds, Series 2005 A, G and H issued by the California Statewide Communities Development Authority (the "2005 Bonds"), which loaned the bond proceeds to VHS to provide funds for capital improvements and to refinance certain tax exempt bonds previously issued in 2001 by the Daughters of Charity Health System, a religious enterprise and VHS's reorganization predecessor; and (b) $202 million outstanding tax exempt revenue notes, Series 2015[4] A, B, C, and D and Series 2017 issued by the California Public Finance Authority, which loaned the proceeds to VHS to provide working capital (the "Working Capital Notes"). Wells Fargo Bank, N.A. ("Wells Fargo") is the Bond Trustee and U.S. Bank National Association ("U.S. Bank") is the Master Trustee[5] and DACA Collateral Agent for the prepetition

[1] The Debtors in these cases are: Verity Health System of California, Inc., O'Connor Hospital, Saint Louise Regional Hospital, St Francis Medical Center, St. Vincent Medical Center, Seton Medical Center and Seton Coastside, Verity Holdings LLC and Verity Medical Foundation, O'Connor Hospital Foundation, Saint Louise Regional Hospital Foundation, St. Francis Medical Center of Lynwood Medical Foundation, St. Vincent Foundation, St. Vincent Dialysis Center, Seton Medical Center Foundation, Verity Business Services, and DePaul Ventures, LLC.

[2] The following hospitals operate as separate not-for-profit corporate subsidiaries of Verity: (1) O'Connor Hospital, located in San Jose, California (2) Saint Louise Regional Hospital, located in Daley City, California, (3) Seaton Medical Center, located in Daly City, California, (4) St. Francis Medical Center, located in Lynwood, California and (5) St. Vincent Medical Center, located in Los Angeles, California. Seton Medical Center Coastside is a separately named Obligor, but is an operating division of Seaton Medical Center located in Moss Beach, California.

[3] See note 1, *supra*.

[4] A portion of the Series 2015 Working Capital Notes refinanced a 2014 tax exempt conduit issuance of Verity secured debt also issued by the California Public Finance Authority.

[5] The Debtors have been advised, that UMB Bank, N.A., a national banking association, has accepted an appointment as successor Master Trustee as of the Petition Date.

secured 2005 Bonds. U.S. Bank is the Note Trustee and also the Collateral Agent for the Working Capital Notes.

5. Except for the taxable Series 2015C of the Working Capital Notes,[6] the 2005 Bonds and the Working Capital Notes are all tax exempt, meaning interest on the bonds and notes is not taxable to the holders so long as the issuer maintains its qualified tax-exempt status and the proceeds of the bonds and notes were used for the tax exempt purposes for which they were originally intended. The Series 2005 A Bonds are comprised four term bonds maturing on July 1, 2024, 2030 and 2035 bearing interest at 5.75% (Series 2005A-2024), (Series 2005A-2030), (Series 2005A-2035) and one maturing July 1, 2039 bearing interest at 5.50% (Series 2005A-2039). The Series 2005G term bond matures on July 1, 2022 and bears interest at 5.50%. The Series 2005H- term bond matures on July 1, 2025 and bears interest at 5.75%. The Working Capital Notes mature on June 10, 2019 (Series 2015A, Series 2015B, Series 2015C and Series 2015D) and on December 10, 2020 (Series 2017A, 2017B). Series 2015A and B and Series 2017 and 2017B bear interest at 7.25%, while the Series 2015D carries an 8.75% interest rate and Series 2015C accrues interest at 9.5%.

6. Verity Holdings LLC ("Holdings"), a direct subsidiary of its sole member VHS, was created in 2016 to hold and finance VHS's interests in various parcels of real estate, including six medical office buildings whose tenants are primarily physician and other practicing medical groups and certain of the Verity Hospitals. Holdings is the borrower on approximately $66 million in two series of non-recourse financing secured by separate deeds of trust, revenue and accounts pledges, including lease rents on each medical building (collectively the "MOB Financings"). The MOB Financings bear interest at a variable interest rate based on equal to One Month LIBOR plus a spread of 5.0% with a floor of 6.23% and 6.92%. The secured lenders for the MOB Financings are affiliates of NantWorks, LLC, which is an affiliate of the Debtors' pre-petition manager, Integrity Healthcare LLC ("Integrity").[7]

[6] The Working Capital Note Series 2015C in the currently outstanding amount of $10.0 million is the sole series of the Working Capital Notes that is not tax-exempt.

[7] Integrity was the prepetition manager of the Verity hospital system, whose contract and arrangement with Verity was approved by the former California Attorney General Kamala Harris during 2015.

7. During May 2017, the California Statewide Communities Development Authority issued $20 million of limited obligation tax exempt bonds,[8] pursuant to the CaliforniaFIRST Clean Fund Program in five series, all with the same maturity date of September 2, 2047 (the "Clean Fund Bonds"), as the conduit issuer for the benefit and obligation of Seton Medical Center. The purpose of the bond funding was to assist with clean energy and seismic construction efforts of the Seton Medical Center and are secured by Seton Medical Center's voluntary agreement to special tax assessments by Daly City. No other Debtor is liable for repayment of the Clean Fund Bonds. Wilmington Trust National Association ("WTNA") is the Trustee holding the construction funds, and a pre funded capitalized interest fund and is the collateral agent for collection of the special tax assessments for use in paying interest and principal on the Clean Fund Bonds. Interest on the Clean Fund Bonds accrues at 6.4%. The special assessment runs for a period which is the shorter of 30 years or the early full defeasement of the Clean Fund Bonds. However, only Seton Medical Center is liable on the Clean Fund Bonds.

8. Also in September 2017, the California Statewide Communities Development Authority issued a single series $20 million of limited obligation tax exempt bonds[9] pursuant to the CaliforniaFIRST Program for the purpose of assisting with clean energy and seismic improvement construction at Seton Medical Center ("NR2 Petros Bonds"). The NR2 Petros Bonds also mature on September 2, 2047 but carry an interest rate of 6.45%. The NR2 Petros Bonds also are secured by a special Daly City tax assessment on Seton Medical Center property. No other Debtor is liable for repayment of the NR2 Petros Bonds. The special assessment runs for a period which is the shorter of 30 years or the early full defeasement of the NR2 Petros Bonds.[10] WTNA is the Trustee holding the seismic improvement funds, as well as a pre-funded interest payment fund.

9. NantCapital, LLC also provided $40 million of unsecured debt financing for VHS as reflected in two $20 million unsecured notes dated March 7, 2018 and March 29, 2018 (the

"Unsecured Notes"). The Unsecured Notes are balloon notes with interest and principal payable at maturity in 2020 and near interest at 7.25% compounded annually.

II. Access to Cash

10. As explained above, virtually all the Debtors' income is subject to prepetition perfected pledges. The gross revenue of the Hospitals (the "Gross Revenue Pledge") is in favor of the 2005 Bonds and their prepetition accounts and government receivables are subject to a perfected collateral pledge (the "Accounts Pledge") in favor of the Working Capital Notes. Pursuant to the terms of a certain Amended and Restated Intercreditor Agreement dated September 1, 2017 (the "Intercreditor Agreement"), the Master Trustee acting on behalf of the 2005 Bonds expressly agreed to subordinate of its liens, including the Gross Revenue Pledge, to the Accounts Pledge. In addition, the assets, revenues and accounts for various income generating medical buildings owned by Holdings are the subject of prepetition deeds of trust and perfected pledges of accounts, including lease rents. Although, the Debtors' operating cash is held in bank accounts that are not the subject of control agreements, and are thus unsecured, all of the Debtors revenue-based receipts are pass through Lockboxes and Gross Revenue Accounts that are the subject of control agreements in favor of the prepetition collateral agent, U.S. Bank.

11. As explained in the First Day Declaration of Rich Adcock, the Debtors have consistently lost money for many years due to, among other things, unfavorable payor contracts and burdensome labor agreements with accelerating pension costs for union and non-union employees. The VHS Hospitals also are dramatically under invested in structural improvements necessary to meet California's state mandated seismic and clean energy requirements. The combined effect of these issues has resulted in a consistent decline in operating cash balances absent additional financing.

11A. Absent granting emergency access to the Debtors' cash collateral, the Debtors will not be able to make payroll or meet other obligations critical to the maintenance of safe facilities and the delivery of effective acute care services for its patients and staff during the week ending September 7, 2018. Absent emergency access to postpetition financing, the Debtors will lose vendor support for critical postpetition deliveries of goods and services further burdening the

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

Debtors use of cash. Absent entry of an interim order granting the requested relief, the very existence of the Hospitals will be threatened and the ability of the Hospitals to survive as going concerns, whether or not owned by the Debtors, will be irreparably harmed.

12. As of the filing date, I expect the Debtors to have less than $40 million of cash on hand[11] that is not subject to control accounts in favor of either the 2005 Bonds, the Working Capital Notes or the MOB Financings, and excluding cash held by WTNA for the Clean Fund Bonds or the NR2 Petros Bonds. However, the Debtors expect to spend approximately $113 million during the first four weeks of the case and operating cash losses for the same four weeks are expected to exceed $11 million. Such expenditure and negative cash flow (the "burn") does not include critical vendors payments, adequate protection payments to prepetition secured lenders, pension contributions or needed capital expenditures. Although, the Debtors anticipate having in excess of $219 million in net accounts receivable on hand at the Petition Date and expect to generate approximately $80 million in new post-petition receivables over the first four week period, U.S. Bank as Note Trustee for the obligated group Working Capital Notes has taken the position that all of the postpetition receipts for the near term are the proceeds of prepetition accounts and government receivables, which constitute priority collateral for the Working Capital Notes. As a result, in order to survive the opening phases of the Chapter 11 cases and beyond, the Debtors must obtain access to prepetition cash collateral by stipulation or order of this Court.

13. In addition, the Debtors have immediate needs for access to debtor in possession financing. The Debtors have substantial trade payables consistent with the operations of a large organization that receives substantial trade support in the form of traditional credit terms. While the length of terms has begun to shorten as the trade balances grew, I believe, after consultation with financial and capital markets advisers from the Berkley Research Group ("BRG") and Cain Brothers, a division of KeyBanc Capital Markets ("Cain"), that the Debtors will have access to normal or near normal unsecured credit terms providing the Debtors have access to substantial liquidity in the form of postpetition financing.

[11] This is a book balance value and does not take into consideration any uncashed employee wage checks against accounts or third-party payment checks drawn on the Debtors' bank accounts in accordance with long term risk sharing contracts with non-Verity hospital and medical providers.

13A. As a result of these factors, the Debtors have filed the Emergency Motion for an order seeking use of cash collateral and authority to undertake debtor in possession financing, both on terms described in this Declaration.

III. Search for Additional Financing

14. As indicated above, the financing requested herein is being requested for up to the lesser period of (a) the first anniversary of the Interim Order approving the DIP Facility or (b) the earlier of (i) the date that is 30 days from entry of the Interim Order (as defined herein) unless a final, non-appealable order of the Bankruptcy Court authorizing the DIP Facility in form and substance satisfactory to the DIP Agent in its sole and absolute discretion (the "Final Order") has been entered and has become effective prior to the expiration of such period (or such later date as the DIP Agent may approve in writing in its sole and absolute discretion), (ii) the date the Court denies entry of the Final Order, or (iii) the date of revocation of the Interim Order or the Final Order, as applicable; (c) the substantial consummation (as defined in § 1101 of the Bankruptcy Code and which for purposes hereof shall be no later than the "effective date") of a plan of reorganization filed in the Chapter 11 Cases that is confirmed pursuant to an order entered by the Bankruptcy Court; (d) the consummation of a sale of all or substantially all of the Collateral; (e) the date the Bankruptcy Court orders the conversion of the Chapter 11 Cases to a Chapter 7 liquidation or the dismissal of the Chapter 11 Cases or the appointment of a trustee or examiner with expanded power in the Chapter 11 Cases; and (f) the acceleration of the DIP Loans and the termination of the commitments with respect to the DIP Facility in accordance with the DIP Loan Documents (the earliest of such dates, the "Termination Date").

15. In my judgment, after consultation with advisers from Cain and BRG, the twelve-month time frame is the reasonably necessary period of time to reorganize or complete a plan of liquidation. The Debtors' have a poor financial history, face the possibility of extended regulatory review of any transactions by the Office of the California Attorney General, project continuing operating losses and were recently informed that California will delay disbursement of the next two cycles of the Managed Care Quality Assurance Fee payments to Hospitals by up to six months. As a result of the cumulative effect of these circumstances, the management team

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

has concluded that there is no realistic possibility for the Debtors to achieve a true reorganization as a not-for-profit enterprise that is (a) self-sustaining on a cash basis and (b) capable of supporting a capital structure sufficient to provide needed capital improvements to provide a safe and energy-efficient hospital and medical services delivery system. As a result, twelve months could be the reasonable minimum passage of time until either (i) all of the Debtors' major assets have been sold or (ii) the Court could confirm a plan of liquidation that anticipated the closings relating to such sales of assets. The proposed DIP Facility clearly advances the Debtors' public purpose of providing effective, safe and efficient medical services delivery for the benefit of the communities they may serve.

16. The proposed DIP Facility and its expedited term contemplate speedy resolution of these Chapter 11 cases. Such financing is critical to both the Debtors' operations, and their ability to preserve the value of the hospital and medical building assets pending the results of the Debtors' prepetition transaction solicitation process, one or more auctions and approval of any related private or auction sale(s). The proposed financing under the DIP Facility is needed to maintain an appropriate level of liquidity independently of the use of any asset sale proceeds and help fund the continuing losses associated with the Debtors' day-to-day operations.

17. As evidenced by the Unsecured Notes and the MOB Financing, the Debtors have continued to seek additional liquidity throughout 2018. In July 2018, Cain, acting as our investment advisers, began to search alternative transactions including new investors. Beginning the week of July 23, Cain expanded its efforts to include possible debtor in possession ("DIP") financing. Cain has reached out to over 110 potential buyers and 16 DIP financing parties; 51 potential buyers and 8 DIP financing parties signed confidentiality agreements. The Debtors have also consulted with certain existing holders of the 2005 Bonds and the Working Capital Notes and the MOB Financings to gauge their interest in post-petition term loans and consents to the use of cash collateral. The combined searches yielded 11 indications of interest from potential buyers and 4 offers for debtor in possession financing, including the one firm proposal being put forward through the Debtors. A summary of principal terms expressly agreed by Ally Bank as DIP

Lender and DIP Agent is and described below under Section V, and a copy of the currently proposed form of DIP Credit Agreement is attached to this Declaration as **Exhibit "3."**

18. All of the parties who expressed interest offered either less financing than the Debtors initially sought, sought higher interest rates on the offered lending and/or insisted upon a prompt sales process to dispose of all or substantially all of the Debtors' assets. Although the Debtors continue to explore the possibility of a reorganization as a tax-exempt enterprise around one or more Hospitals, it has chosen to agree to an expedited consideration of a sales process for all of its assets to compare against its possible reorganization value.

IV. Adequate Protection for Pre-Petition Secured Creditors.

19. The Debtors propose four forms of adequate protection for use of cash collateral and imposition of first priority priming liens on all assets of the Debtors that are subject to perfected liens and deeds of trust in favor of the Prepetition Secured Lenders: (1) adequate protection payments. (2) replacement lien, (3) preservation of Debtors' equity cushion through continuous maintenance of real property and (4) super priority expenses of administration for any proven diminution of value, as follows. First, use of DIP Facility proceeds in accordance with the Initial Agreed Budget (defined below) attached to my Declaration as **Exhibit "2"** to provide adequate protection payments equivalent to post-petition, non-default interest on the outstanding balances of the 2005 Bonds, Working Capital Notes and MOB Financings, plus reasonable attorneys' fees and financial advisor fees for one set of attorneys and financial advisors for U.S. Bank as Trustee and Collateral Agent for the Working Capital Notes and the 2005 Bonds and one set of attorneys and financial advisors for the MOB Notes.

20. Second, to the extent of the diminution in the value of the interest of the Prepetition Secured Creditors in the Prepetition Collateral the Debtors propose to provide junior replacement liens. The Prepetition Secured Creditors shall have, subject to the terms and conditions set forth below, pursuant to sections 361, 363(e), and 364(d) of the Bankruptcy Code additional and replacement security interests and Liens in the DIP Collateral, excluding Clean Fund Bonds and NR2 Petros Bonds collateral held by WTNA and Bankruptcy Recoveries (the "Prepetition Replacement Liens") which shall be junior only to the Carve Out, the DIP Liens

(213) 623-9300

securing the DIP Obligations, *provided, however,* that any Prepetition Replacement Liens granted to the Note Trustee on account of the Diminution in Value of any Prepetition Collateral in which it holds senior priority security interests shall be senior to the replacement liens granted to the other Prepetition Secured Creditors and junior only to the Carve Out and the DIP Liens securing the DIP Obligations. Proceeds of Prepetition Replacement Liens shall be allocated amongst Prepetition Secured Creditors in accordance with the terms of the Second Amended and Restated Intercreditor Agreement. "Bankruptcy Recoveries" shall mean any claims and causes of action to which the Debtor may be entitled to assert by reason of any avoidance or other power vested in or on behalf of the Debtor or the estate of the Debtor under Chapter 5 of the Bankruptcy Code and any and all recoveries and settlements thereof.

21. Third, it is my judgment based upon the current book value of the Debtors' assets (approximately $847 million as of June 30, 2018), that the realizable value of the prepetition collateral securing the obligations due the Prepetition Secured Lenders, exceeds the value of such obligations (approximately $568 million). To preserve the prepetition value of the Debtors real property and improvements, the Debtors will use DIP Facility proceeds in accordance with the Initial Agreed Budget (defined below) and in the ordinary course to continue to maintain all of the pre-petition real property securing the Debtors' obligations due to the Prepetition Secured Creditors in good repair.

22. Fourth, to the extent of the diminution in the value of the allowed interests of the Prepetition Secured Creditors in the Prepetition Collateral, the Prepetition Secured Creditors shall have an allowed superpriority administrative expense claim (the "Prepetition Superpriority Claim"), which shall have priority (except with respect to (i) the DIP Liens, (ii) the DIP Superpriority Claim, and (iii) the Carve Out), in the Chapter 11 Case under sections 364(c)(1), 503(b), and 507(b) of the Bankruptcy Code and otherwise over all administrative expense claims and unsecured claims against the Debtor and its estate, now existing or hereafter arising, of any kind or nature whatsoever including, without limitation, administrative expenses of the kinds specified in or ordered pursuant to sections 105, 326, 328, 330, 331, 503(a), 503(b), 507(a), 507(b), 546(c), 546(d), 552, 726, 1113, and 1114 of the Bankruptcy Code, and, upon entry of the

Final Order, section 506(c) of the Bankruptcy Code, whether or not such expenses or claims may become secured by a judgment Lien or other non-consensual Lien, levy, or attachment. Other than the DIP Liens, the DIP Superpriority Claim, and the Carve Out, no costs or expenses of administration, including, without limitation, professional fees allowed and payable under sections 328, 330, and 331 of the Bankruptcy Code, or otherwise, that have been or may be incurred in the Chapter 11 Case, or in any Successor Case, will be senior to, prior to, or on parity with the Prepetition Superpriority Claim (for purposes hereof, such liens will be deemed part of the "Prepetition Replacement Liens").

23. All of the adequate protection and property maintenance expenses undertaken by the Debtors in the ordinary course of business are included in the Initial Agreed Budget (defined below). Thus, expenditures of DIP Financing proceeds along with use of cash derived from pre-petition cash collateral will preserve the Debtors going concern values, in general and for each subsidiary. In the event one or more Hospitals are sold, I am advised that the pre-petition lenders security interest, along with the DIP Liens will attach to the proceeds such sale providing more generalized protection of the collateral values as of the Petition Date.

24. As a final consideration of the adequacy of the Debtors protection proposal, based upon my experience and training as an operating finance professional, I believe based upon current book value of the Obligated Group assets of approximately $709 million, excluding related party receivables, that the realizable value of such assets exceeds the prepetition value of the secured Obligated Group liabilities of approximately $501 million. I also believe, based upon the current book value of the non-Obligated Group assets of $144 million, excluding related party receivables, that the realizable value of such assets exceeds the prepetition value of the secured non-Obligated Group liabilities of $66 million under the MOB Financings. Indeed, the book value, of the assets are respectively more than 20% above (a) the combined outstanding 2005 Bonds and Working Capital Notes and (b) the MOB Financings. My views are further informed by the confident expression of realizable value by Cain, as the Debtors investment advisors.

by the managed care health plan by September 30, 2019, which in the case of clause (i) and (ii) are fully earned and net of any outstanding related liabilities, plus (3) 95% of the amount held in escrow constituting net cash proceeds from assets sales of the Borrowers (which amount held in escrow, for the avoidance of doubt, shall constitute Collateral and shall be in a deposit account subject to a satisfactory control agreement in favor of DIP Agent), plus (4) $10,000,000, however, for the avoidance of doubt, in no circumstance shall the Borrowing Base exceed $185,000,000, minus (5) reserves imposed in the reasonable business judgment of the DIP Agent (the "Borrowing Base").

(b) Under the DIP Credit Agreement, "Net Collectable Value" means percentages that the DIP Agent reasonably applies from time to time to eligible accounts receivable by payor class based upon the DIP Agent's review and analysis of Borrower's historical collection history, contractual allowances, returns, rebates, discounts, credits and other allowances for each such payor class and taking into account other factors deemed appropriate by the DIP Agent.

(c) The borrowing base shall exclude accounts receivable generated from the operations of Hospitals which are sold; provided that if such accounts receivable are not sold with the hospital, the associated Net Collectible Value of eligible accounts receivable would remain in the borrowing base until the earlier of 60 days after the sale of the hospital and 45 days before the Scheduled Termination Date

(d) The borrowing base will include availability for certain unbilled eligible accounts aged no greater than 21 days from discharge date (subject to an aggregate cap on such unbilled accounts in an amount to be determined and acceptable to the DIP Agent).

30. CLOSING DATE: The date on or after the entry of the Interim Order on which the "Interim Funding Conditions" set forth herein are satisfied (the "Closing Date").

31. INTERIM FUNDING CONDITIONS: The obligation of the DIP Lenders to make available the Interim Funding Amount under the DIP Facility (the "Interim Funding") shall be subject to the satisfaction (or waiver by the DIP Agent, in its sole and absolute discretion) of the following conditions:

(a) the DIP Credit Documents shall have been executed and delivered by each party thereto, in form and substance satisfactory to the DIP Agent;

(b) the Petition Date shall have occurred, and each Borrower shall be a debtor and a debtor in possession;

(c) "First day orders" related to or affecting the Collateral or DIP Facility (including cash and cash management) shall be in form and substance satisfactory to the DIP Agent, and all other "first day orders" entered at the time of commencement of the Chapter 11 Cases shall be reasonably satisfactory to the DIP Agent;

(d) Within 60 days following the Petition Date, the Borrowers shall have filed either (i) a motion for approval of bid procedures for an identified stalking horse bidder in an amount of at least $235,000,000 of cash consideration in connection with the sale of the St. Louise and O'Connor Hospitals and related assets pursuant to section 363(b) and (f) of the Bankruptcy Code (the "Bid Procedures Motion") on terms and conditions acceptable to the DIP Agent or (ii) a motion for approval of a negotiated asset purchase agreement executed by a third party for the entire hospital system with expected consideration in the form of cash or assumption of prepetition secured debt in an amount not less than $700,000,000 and the simultaneous payment in full of the obligations owed, and termination of all commitments of the DIP Agent and DIP Lenders, under the DIP Credit Facility (the "Sale Motion"). Provided however, if the Borrowers do not file either the Bid Procedures Motion or the Sale Motion acceptable to the DIP Agent within 30 days following the Petition Date, then (i) availability shall be $0 for items number (2) and (4) in the Borrowing Base and (ii) the minimum liquidity covenant shall be the greater of $15 million and 15% of the Borrowing Base, in each case until such time that a satisfactory Bid Procedures Motion or Sale Motion acceptable to the DIP Agent is filed so long as such Bid Procedures Motion or Sale Motion is filed within 60 days following the Petition Date;

(e) Within 60 days following the Petition Date, the Borrowers shall have presented a plan for the reduction and eventual elimination of the cash burn from the operation of Seton Medical Center and Seton Medical Center Coastside (which may be by a sale of such facilities to an identified stalking horse bidder or by other means including the Sale Motion, in either case on

terms and conditions reasonably satisfactory to the DIP Agent), provided however, if the Borrowers' do not present such a plan on terms and conditions acceptable to the DIP Agent within 60 days following the Petition Date, thereafter, (i) availability shall be $0 for items number (2) and (4) in the Borrowing Base and (ii) the minimum liquidity covenant shall be the greater of $15 million and 15% of the Borrowing Base;

(f) the Interim Order shall have been entered and the DIP Agent shall have received a signed copy of the Interim Order, in form and substance satisfactory to the DIP Agent in its sole and absolute discretion, which order shall have been entered not later than three (3) business days following the Petition Date (or such later date as the DIP Agent may agree), authorizing and approving the making of the loans in the amounts consistent with those set forth in the "DIP Facility" section above and the granting of the superpriority claims and liens and other liens referred to above under the heading "Security and Priority" (such order, the "Interim Order", and together with the Final Order, the "DIP Orders"), which Interim Order shall not have been vacated, reversed or stayed in any respect;

(g) no trustee or examiner having expanded powers shall have been appointed, or any Borrower shall have applied for, consented to, or acquiesced in, any such appointment, with respect to the Borrowers or their respective properties;

(h) all reasonable and documented out-of-pocket costs, fees and expenses (including, without limitation, reasonable and documented legal fees) set forth in the DIP Credit Documents or otherwise required to be paid to the DIP Agent and the DIP Lenders on or before the Closing Date shall have been paid, to the extent such expenses exceed the Deposit;[13]

(i) the DIP Agent shall have received the Initial Budget and the Initial 13 Week Cash Flow Forecast;

(j) the DIP Agent shall have received closing deliverables customary and/or appropriate in the judgment of the DIP Agent for transactions of this type;

shall be no later than the "effective date") of a plan of reorganization filed in the Chapter 11 Cases that is confirmed pursuant to an order entered by the Bankruptcy Court; (d) the consummation of a sale of all or substantially all of the Collateral; (e) the date the Bankruptcy Court orders the conversion of the Chapter 11 Cases to a Chapter 7 liquidation or the dismissal of the Chapter 11 Cases or the appointment of a trustee or examiner with expanded power in the Chapter 11 Cases; and (f) the acceleration of the DIP Loans and the termination of the commitments with respect to the DIP Facility in accordance with the DIP Loan Documents (the earliest of such dates, the "Termination Date").

33. USE OF PROCEEDS: DIP Facility: In accordance with the Initial Agreed Budget (defined below) proceeds will be utilized to fund the Debtors' day-to-day operations and general corporate purposes, pay the administrative expenses of the Chapter 11 cases, to maintain and preserve the Debtor's assets, and to make adequate protection payments to the following identified pre-petition secured creditors: (1) U.S. Bank as Note Trustee for 2015 and 2017 Working Capital Notes; (2) U.S. Bank as Master Trustee for 2005 Series Bonds; (3) Verity MOB Financing, LLC and Verity MOB Financing II, LLC; but excluding (4) Wilmington Trust National Association, as Trustee ("WTNA") for the California Statewide Communities Development Authority for the CaliforniaFirst Clean Program and CaliforniaFirst Seismic Program ("PACE"), for the Debtor following the closing of the DIP Credit Facility, provided that Borrower may utilize proceeds to pay Daley City, California special tax assessments, for the benefit of WTNA as Trustee for the Pace Bonds. Adequate protection payments and other advances under the DIP Facility will be subject to compliance with minimum liquidity or maximum DIP budget variance financial covenants and the absence of any other Default or Event of Default which has not been cured to the extent provided in the DIP Facility.

34. INITIAL AGREED BUDGET: The Debtor's use of the DIP Facility proceeds will be in accordance with the DIP Budget providing financial projections for the Parties covering the period from the entry of the Interim Order on a rolling 13-week basis, which projections shall include, at a minimum, projected receipts, and projected disbursements. The proposed initial agreed budget covering the initial 13-week period (the "Initial Agreed Budget") is attached hereto

as **Exhibit "2"**. The Borrowers may provide the DIP Agent, which shall be acceptable to the DIP Agent and the DIP Lenders in their sole discretion, an updated budget (each an "Updated DIP Budget" and, together with the Initial Agreed Budget or the most recently proposed and accepted Updated DIP Budget, the "DIP Budget") for the then-remaining term of the DIP Facility including updates to the information in the most recently accepted DIP Budget

35. INTEREST RATE: Borrower shall pay interest under the DIP Facility at 30 Day LIBOR plus 4.50%. There will be a LIBOR floor of 2.0%. Interest shall be calculated on the basis of the actual number of days elapsed in a 360 day year.

36. FEES AND EXPENSES: The Debtors agree to pay to the DIP Lender, (i) a closing fee on the Closing Date in the amount of 1.25% of the commitment amount of the DIP Facility and (ii) Unused Line Fees of 0.75% per annum, on the average daily balance of the unused portion of the DIP Facility payable monthly in arrears, and (iii) all reasonable costs, fees and expenses incurred or to be incurred by the DIP Agent in connection with the documentation, administration, syndication, closing, amendment, modification and/or enforcement of the DIP Facility, including but not limited to field exam expenses, shall be payable upon demand by the Borrower. However, under the DIP Facility there will be no (x) early termination or prepayment fee, (y) collateral management fee or (z) minimum balance requirement.

37. CARVE OUT: The DIP Liens, DIP Superpriority Claim, the Prepetition Liens, the Prepetition Replacement Liens, and the Prepetition Superpriority Claims are subordinate only to the following (collectively, the "Carve Out"):

(a) all fees required to be paid to the clerk of the Bankruptcy Court and to the Office of the United States Trustee under section 1930(a) of title 28 of the United States Code plus interest, if any, at the statutory rate (without regard to the notice set forth in (c) below); and

(b) to the extent allowed at any time, whether by interim order, procedural order or otherwise, all allowed claims for unpaid fees, costs and expenses incurred by persons or firms retained by the Borrowers or the official committee of unsecured creditors in the Chapter 11 Cases (the "Creditors' Committee"), if any, whose retention is approved by the Bankruptcy Court pursuant to any one or more of sections 327, 363, and 1103 of the Bankruptcy Code, to the extent

such claims for fees, costs and expenses are both (i) allowed by the Bankruptcy Court pursuant to a final order at any time, and (ii) in accordance with, and solely up to the total respective amounts set forth in, the DIP Budget (as defined below) for the applicable timeframe (the "Carve-Out Expenses"); provided that the aggregate amount of such Carve-Out Expenses shall not exceed (i) $2,000,000 with respect to persons or firms retained by the Borrowers, and (ii) $75,000 with respect to persons or firms retained by the Creditors' Committee (collectively, the "Carve-Out Amount"). Any payment or reimbursement made after the Carve Out Trigger Date in respect of any Carve-Out Expenses shall permanently reduce the Carve-Out Amount on a dollar-for-dollar basis.

38. DIP LIENS: All DIP Obligations of the Borrowers shall be secured by the DIP Liens, which shall be granted in the DIP Credit Documents and approved by the Bankruptcy Court in the DIP Orders, on (1) all existing and after-acquired real and personal property of each Borrower, and (2) the outstanding equity interests issued by each Borrower (to the extent applicable), and all substitutions, accessions, products and proceeds of each of the foregoing (the "Collateral"). All of the DIP Liens shall be effective and perfected as of the Petition Date upon entry of the Interim Order, without need for any additional filings or documentation, except to the extent requested by the DIP Lender in its sole discretion.

39. The DIP Collateral shall not include any specified excluded collateral agreed to by the DIP Lenders, and donor restricted funds at the Philanthropic Foundations, the Pace collateral (which consists solely of use restricted proceeds of a conduit California tax exempt financing under the control of WTNA as Trustee and the associated Daly City special property tax assessments on the applicable properties) and claims and causes of action of the Borrowers' bankruptcy estates under chapter 5 of the Bankruptcy Code ("Avoidance Actions").

40. PRIMING LIENS: The DIP Liens shall, pursuant to section 364(d)(1) of the Bankruptcy Code, be valid, perfected, continuing, enforceable, non-avoidable first priority liens and security interests on the Collateral of each Borrower, and shall prime all other liens and security interest on the Collateral, including any liens and security interests in existence on the Petition Date, and any other current or future liens granted on the Collateral, including any

adequate protection or replacement liens granted on the Collateral (the "Primed Liens").

41. SALE PROCEEDS AS COLLATERAL: Proceeds of sales of Hospitals and other assets constituting Collateral shall be held in escrow, shall constitute Collateral and shall not be distributed, in whole or in part to other creditors of the Borrowers until either (a) the DIP Agent and DIP Lenders shall have been paid in full all amounts owed under the DIP Credit Documents and all obligations of the Borrowers to the DIP Agent and DIP Lenders shall have been satisfied in full and the DIP Lenders shall have no further obligations under the DIP Facility to make any advances thereunder, or (b) the DIP Agent otherwise expressly consents in writing to such distribution on terms and conditions that are acceptable to the DIP Agent, which consent may be withheld in its sole discretion.

42. PRIORITY: The DIP Obligations shall, pursuant to Section 364(c)(1) of the Bankruptcy Code, be entitled to superpriority administrative expense claim status in the Chapter 11 Case of each Borrower (the "DIP Superpriority Claims"), which DIP Superpriority Claims in respect of the DIP Facility shall have priority over any and all claims against the Borrowers.

43. WAIVER OF 506(C) SURCHARGE: Except with respect to the Carve-Out, the DIP Liens shall not be subject to surcharge under section 506(c) or any other provision of the Bankruptcy Code.

44. FINANCIAL REPORTING:

(a) Prior to the Petition Date, the Borrowers shall deliver to the DIP Agent a 13-week cash flow forecast of receipts and disbursements (the "Initial 13 Week Cash Flow Forecast"), in form and substance satisfactory to the DIP Agent and the DIP Lenders in their sole discretion, for the initial 13-week period commencing on the Petition Date.

(b) Weekly Reporting. Commencing on the second Wednesday after the Petition Date, and on each subsequent Wednesday thereafter, the Borrowers will provide a certified "Variance Report" to the DIP Agent and containing: (a) a report (i) showing actual cash receipts and disbursements for the immediately preceding week (or weeks, depending on the applicable testing period), noting therein all variances, on a line-item basis, from amounts set forth for such period in the Cash Flow Forecast (as defined herein), and including explanations for all material

variances (including: (A) if known, the degree to which the variance is a permanent variance from the DIP Budget, (B) the cause of the variance, (C) if appropriate, how the source of such variance will be addressed in subsequent forecasts and (D) whether this variance is expected to impact the DIP Budget) and (ii) an update of the Cash Flow Forecast (as defined herein) to reflect the prior week's actual cash receipts and disbursements, and, as appropriate, an update to the remaining weeks under the then-current Cash Flow Forecast (as defined herein), and (b) an aged report listing current accounts receivable and current post-petition accounts payable.

(c) Monthly Reporting. On the first Thursday of each month after the Petition Date commencing in September, the Borrowers shall provide a new certified 13-week cash flow forecast (each an "Updated 13 Week Cash Flow Forecast", and, together with the Initial 13 Week Cash Flow Forecast, the "Cash Flow Forecast") that has been extended four weeks beyond the ending date for the prior Cash Flow Forecast. Each Updated 13 Week Cash Flow Forecast shall additionally contain: (a) a reconciliation of the prior month's actual results to the corresponding period in the Initial DIP Budget; (b) as appropriate, an Updated DIP Budget covering the period of the DIP Facility and (c) as appropriate, a reconciliation of the prior month's actual results to the corresponding period in the Updated DIP Budget.

45. AFFIRMATIVE AND NEGATIVE COVENANTS: Customary for financings of this type, as may be set forth more fully in the DIP Credit Agreement, but including the following financial covenants:

(1). Minimum Liquidity: The greater of $10 million and 10% of the Borrowing Base (except as otherwise provided for under the Interim Funding Conditions), to be tested weekly.

(2). Maximum DIP Budget Variance: Aggregate disbursements by the Borrowers shall not exceed the DIP Budget by more than a specified threshold, to be determined to the satisfaction of the DIP Agent. Any amounts unused by the Borrowers for a particular budget period may be carried forward to subsequent budget periods for the Borrowers until used in full. Any un-waived deviation from the covenant described above shall constitute an Event of Default upon notice given by the DIP Agent.

(3). Aggregate Limit. For the avoidance of doubt, nothing herein or in the other DIP

Credit Documents shall entitle the Borrowers to receive, or require the DIP Lenders to extend, a DIP Loan if, at the time of the proposed funding of such DIP Loan (and after giving effect thereto and to all pending requests for DIP Loans), the aggregate amount of DIP Loans would exceed the lesser of (a) the DIP Loan Commitment and (b) the Borrowing Base.

46. REPRESENTATIONS AND WARRANTIES: Customary for financings of this type, as may be set forth more fully in the DIP Credit Agreement.

47. EVENTS OF DEFAULT: Customary and appropriate for financings of this type, including the failure of the Court to approve the Bid Procedures Motion by a date to be mutually agreed upon.

48. CASH MANAGEMENT:

(a) Borrower agrees to obtain satisfactory control agreements for the benefit of the DIP Agent on existing account structure for the six hospitals. Cash collections from these existing accounts shall be remitted or swept to DIP Lockbox (defined below).

(b) Borrower shall maintain and pay for a depository account (the "DIP Lockbox") subject to a control agreement satisfactory to the DIP Agent into which any other Borrowers cash collections shall be remitted and swept to the DIP Agent on a daily basis for application to the DIP Facility balance, and thereafter made available for draw and transfer into existing AP accounts in accordance with the terms of the DIP Credit Agreement. The DIP Agent shall have full dominion over all collections, and collections will be swept on a daily basis at all times and applied to the amounts outstanding under the DIP Facility; provided that, for purposes of calculating interest and fees under the DIP Facility, all collections shall be subject to a two business day clearance period. For the avoidance of doubt, subject to the two business day clearance, the DIP Agent shall turn over excess proceeds of Accounts and Government Receivables on any date that there are no obligations owing and no claims have been made or threatened against DIP Agent or the DIP Lenders.

50. CONDITIONS PRECEDENT: In addition to such other customary conditions as set forth in the DIP Credit Documents and the continued satisfaction of the Interim Funding Conditions, the obligation of the DIP Lenders to advance the DIP Loans (other than the Interim

Funding) shall be subject to the satisfaction (or waiver by the DIP Agent, in its sole and absolute discretion) of the following conditions:

(a) entry of the Final Order within the time set forth above and the DIP Agent shall have received a signed copy of the Final Order, in form and substance satisfactory to the DIP Agent in its sole and absolute discretion, authorizing and approving, on a permanent basis, the making of the DIP Loans in the amounts consistent with those set forth in the "DIP Facility" section above and the granting of the superpriority claims and liens and other liens referred to above under the heading "Security and Priority", which Final Order shall not have been vacated, reversed or stayed in any respect;

(b) the Final Order shall have been entered without opposition by U.S. Bank as Note Trustee for 2015 and 2017 Working Capital Notes; U.S. Bank as Master Trustee for 2005 Series Bonds; Verity MOB Financing, LLC and Verity MOB Financing II, LLC; Wilmington Trust National Association, as Trustee for the California Statewide Communities Development Authority for the California First Clean Program and California First Seismic Program; and any other party identified by the DIP Agent, unless the DIP Agent waives such condition in its sole and absolute discretion; and

(c) Conditions customary and/or appropriate, in the judgment of the DIP Agent, for transactions of this type.

51. CONDITIONS TO EACH EXTENSION OF CREDIT: On the date of each extension of credit under the DIP Facility, the cash management order, Interim Order, or Final Order, as the case may be, shall be in full force and effect and shall not have been vacated, reversed or stayed in any respect or, except as expressly permitted by the DIP Credit Documents, modified or amended in any manner.

52. RELEASE OF CLAIMS: To induce the DIP Lenders to enter into the DIP Credit Documents, each Borrower, for itself and on behalf of their subsidiaries, successors and assigns (each a "Releasor" and, collectively, the "Releasors"), hereby releases, acquits, and forever discharges each of the DIP Lenders, the DIP Agent and any of their respective officers, directors, employees, agents, attorneys, representatives, subsidiaries, affiliates or shareholders (the

The provisions of this paragraph shall survive the termination of the DIP Facility and any other DIP Credit Document and payment in full of any indebtedness thereunder. Each Borrower, for itself and on behalf of their successors, assigns and other legal representatives, hereby unconditionally and irrevocably agrees that such Releasor shall not sue any Releasee on the basis of any Claim released, remised and discharged pursuant to the foregoing provisions of this paragraph, and if any Releasor violates the foregoing covenant, such Releasor, for itself and its successors and assigns, agrees to pay, in addition to such other damages as any Releasee may sustain as a result of such violation, all attorneys' fees and cost incurred by any Releasee as a result of such violation.

53. REQUISITE LENDERS: Amendments and waivers of the DIP Facility Documentation will require the approval of the Lenders holding more than 66.66% of the aggregate amount of the loans and commitments under the DIP Facility, provided however, if there are two or more unaffiliated Lenders, Requisite Lenders shall require at least two unaffiliated Lenders

54. GOVERNING LAW: New York, without regard to choice of law and subject to applicable federal bankruptcy laws, provided that from and after the Petition Date, the United

DEBTOR IN POSSESSION REVOLVING CREDIT AGREEMENT

THIS DEBTOR IN POSSESSION REVOLVING CREDIT AGREEMENT is dated as of September [5], 2018 (as the same may be amended, restated, supplemented or otherwise modified from time to time, this "***Agreement***") by and among each of the Persons signatory hereto and named on Schedule 1 hereto as a Borrower (each a "***Borrower***" and, collectively, the "***Borrowers***"), each of the Persons signatory hereto and named on Schedule 1 hereto as a Guarantor, the financial institutions from time to time party hereto as lenders (each, a "***Lender***" and collectively the "***Lenders***") and ALLY BANK, a Utah state chartered bank ("***Ally Bank***"), in its capacity as administrative agent for Lenders (together with its successors and assigns, the "***Administrative Agent***"), documentation agent and joint bookrunner.

RECITALS

A. On August 31, 2018 (the "***Petition Date***"), each Borrower filed a separate voluntary petition for relief under chapter 11 of the Bankruptcy Code (defined below) in the United States Bankruptcy Court for the Central District of California (the "***Bankruptcy Court***") and is continuing to operate its respective businesses and manage its properties as a debtor and debtor in possession under sections 1107 and 1109 of the Bankruptcy Code.

B. Borrowers have requested that Lenders provide financing to Borrowers in the form of a revolving loan in the maximum aggregate amount of $185,000,000 subject to the terms set forth herein, in the Financing Orders and pursuant to sections 364(c)(1), 364(c)(2), 364(c)(3) and 364(d) of the Bankruptcy Code, the proceeds of which will be used solely for (i) payment of all fees and expenses due to Administrative Agent and Lenders pursuant to this Agreement, (ii) financing ongoing debtor in possession working capital needs, maintenance and preservation of Borrowers' assets, general corporate purposes relating to postpetition operations and related costs, fees and expenses of the Bankruptcy Cases, (iii) payment of the administration expenses of the Bankruptcy Cases as approved by the Bankruptcy Court, (iv) to make adequate protection payments to the Specified Prepetition Secured Creditors and (v) to pay Daly City, California special tax assessments, for the benefit of Wilmington Trust National Association, as Trustee (the "***PACE Bond Trustee***") for the California Statewide Communities Development Authority for the CaliforniaFirst Clean Program and CaliforniaFirst Seismic Program ("***PACE***") Bonds.

C. Lenders have agreed to provide a revolving loan to Borrowers pursuant to sections 364(c)(1), 364(c)(2), 364(c)(3) and 364(d) of the Bankruptcy Code on the terms and conditions of this Agreement and in the Financing Orders so long as such postpetition credit obligations are secured by Liens granted, or purported to be granted, by Borrowers pursuant to this Agreement and the other Loan Documents and given super-priority status as provided in the Financing Orders.

AGREEMENT

NOW, THEREFORE, in consideration of the premises and the agreements, provisions and covenants herein contained, Borrowers, Lenders and the Administrative Agent agree as follows:

ARTICLE 1 DEFINITIONS; PRINCIPLES OF CONSTRUCTION

1.1 Specific Definitions. The following terms have the meanings set forth below:

"***Account(s)***": (i) any right to payment of a monetary obligation, whether or not earned by performance, (ii) without duplication, any "account" (as defined in Article 9 of the UCC), any accounts receivable (whether in the form of payments for services rendered or goods sold, rents, license fees or otherwise), any Health-Care-Insurance Receivables (as defined in the UCC), any Payment Intangibles (as defined in the UCC) and all other rights to payment and/or reimbursement of every kind and description, whether or not earned by performance, (iii) all accounts, General Intangibles (as defined in the UCC), Intellectual Property, rights, remedies, guarantees, Supporting Obligations (as defined in the UCC), Letter-of-Credit Rights (as defined in the UCC) and security interests in respect of the foregoing, all rights of enforcement and collection, all books and records evidencing or related to the foregoing, and all rights under the Loan Documents in respect of the foregoing, (iv) all information and data compiled or derived by any Credit Party or to which any Credit Party is entitled in respect of or related to the foregoing, and (v) all Proceeds (as defined in the UCC) of any of the foregoing. For the avoidance of doubt, "Account" shall include any account receivable, Payment Intangible and/or right to payment and/or reimbursement of every kind and description, whether or not earned by performance arising under any QAF Program.

"***Account Debtor***": any Person obligated on any Account.

"***ACH***": the Automated Clearing House or any successor reasonably acceptable to Lender.

"***Administrative Agent***": the meaning set forth in the preamble to this Agreement.

"***Administrative Agent's Account***": the following deposit account of Administrative Agent:

JPMorgan Chase Bank, N.A.

Reference: [_____]

"***Affiliate***": as to any Person, any other Person that, directly or indirectly, is in Control of, is Controlled by or is under common Control with such Person or is a director or officer of such Person or of an Affiliate of such Person.

"***Agreement***": the meaning set forth in the preamble to this Agreement.

"***Allowed Fees***": in each case with respect to the Bankruptcy Cases, fees and reimbursement for distributions of professionals retained by the Borrowers and/or a statutory committee of unsecured creditors allowed or otherwise payable pursuant to an order of the Bankruptcy Court, including, without limitation, pursuant to monthly fee statements, that has not been vacated, stayed, appealed or objected to by Administrative Agent, under sections 327, 328 or 1103 of the Bankruptcy Code.

"***Ally Bank***": the meaning set forth in the preamble to this Agreement.

"***Anti-Terrorism Laws***": any Laws relating to terrorism or money laundering, including, without limitation, Executive Order No. 13224 (effective September 24, 2001), the USA PATRIOT Act, the Laws comprising or implementing the Bank Secrecy Act, and the Laws administered by OFAC.

"***Applicable Law***": all Laws applicable to any Credit Party or any other Person, or any conduct, transaction, agreement or matter in question, including all applicable statutory law, common law and equitable principles, and all provisions of constitutions, treaties, statutes, rules, regulations, orders and decrees of Governmental Authorities.

"***Applicable LIBOR Margin***": 4.5% per annum.

"***Approved Cash Management Obligations***": any obligations to Administrative Agent, any Lender or any Affiliate of any of the foregoing pursuant to any Cash Management Agreement of which (a) if such cash management obligations were established prior to the date of this Agreement, the Lender or its Affiliate has provided written notice to Administrative Agent executed by an authorized signatory of such Lender disclosing the existence of such Cash Management Agreement and the maximum liability of Borrowers or (b) if such Cash Management Agreement is established following the date of this Agreement, then (i) such Lender or its Affiliate (which in no case may be a Defaulting Lender) shall have provided written notice to Administrative Agent executed by an authorized signatory of such Lender disclosing the existence of such Cash Management Agreement and the maximum liability of Borrowers thereunder and (b) as of the date of delivery of such notice to Administrative Agent, no Event of Default shall have occurred and be continuing. In all events, the Approved Cash Management Obligations shall not exceed the maximum liability so disclosed in the notice to Administrative Agent.

"***Asset Disposition***": a sale, lease, license, consignment, transfer or other disposition of any property or assets of any Credit Party, including a disposition in connection with a sale-leaseback transaction or synthetic lease.

"***Asset Purchase Agreement(s)***": each Asset Purchase Agreement entered into with respect to the purchase of substantially all of the assets of any Borrower, including any Healthcare Facility, in a "363 sale" pursuant to Section 363 of the Bankruptcy Code.

"***Asset Sale***": the sale of all or some portion of the assets of a Borrower pursuant to an Asset Purchase Agreement approved by the Bankruptcy Court in an Asset Sale Order pursuant to Section 363 of the Bankruptcy Code.

"***Asset Sale Bid Procedures Order***": each order of the Bankruptcy Court, in form and substance satisfactory to Administrative Agent, approving applicable sale and bid procedures for each respective Asset Sale.

"***Asset Sale Documents***": collectively, the Asset Sale Purchase Agreements, Asset Sale Motions, Asset Sale Orders, Asset Sale Bid Procedures Orders and any and all other agreements, documents and certificates executed and delivered in connection therewith.

"***Asset Sale Motions***": each motion, in form and substance satisfactory to Administrative Agent, filed in the Bankruptcy Cases seeking entry of an order by the Bankruptcy Court approving the applicable Asset Sale, procedures for such Asset Sale, and the form of the applicable Asset Purchase Agreement.

"***Asset Sale Orders***": each order of the Bankruptcy Court, in form and substance satisfactory to Administrative Agent, approving each applicable Asset Sale and distribution of proceeds to Administrative Agent.

"***Assignee***": the meaning set forth in Section 10.1(b).

"***Assignment Agreement***": an Assignment and Assumption Agreement substantially in the form attached hereto as Exhibit E, with such amendments or modifications as may be approved by the Administrative Agent.

"***Authorized Officer***": the chief executive officer, president, chief financial officer, chief operating officer or treasurer of a Credit Party authorized to bind such Credit Party and, solely for purposes of notices given pursuant to Article 2, any other officer or employee of the applicable Credit Party so designated by any of the foregoing officers in a written notice to Administrative Agent. Any document delivered hereunder that is signed by an Authorized Officer of a Credit Party shall be conclusively presumed to have been authorized by all necessary corporate, limited liability company, partnership and/or other action on the part of such Credit Party and such Authorized Officer shall be conclusively presumed to have acted on behalf of such Credit Party.

"***Availability***": the meaning set forth in Section 2.1(a).

"***Availability Period***": the period from and including the Closing Date to the earliest of (a) the Revolving Loan Termination Date, and (b) the date of termination of the commitment of Lenders to make Loans pursuant to Section 9.2.

"***EEA Member Country***": any of the member states of the European Union, Iceland, Liechtenstein, and Norway.

"***EEA Resolution Authority***": any public administrative authority or any person entrusted with public administrative authority of any EEA Member Country (including any delegee) having responsibility for the resolution of any EEA Financial Institution.

"***Eligible Account***": subject to the criteria below, an Account of any Borrower that was generated in the ordinary course of such Borrower's business and consistent with past practices which was generated originally in the name of such Borrower and not acquired via assignment or otherwise, and that Administrative Agent, in its reasonable credit judgment, deems to be an Eligible Account. The net amount of Eligible Accounts at any time shall be (a) the face amount of such Eligible Accounts as originally billed minus (b) all cash collections and other proceeds of such Account received from or on behalf of the Account Debtor thereunder as of such date and any and all returns, rebates, discounts (which may, at Administrative Agent's option, be calculated on shortest terms), credits, allowances or excise

taxes of any nature at any time issued, owing, claimed by Account Debtors, granted, outstanding or payable in connection with such Accounts at such time. Without limiting the generality of the foregoing, no Account shall be an Eligible Account if:

(a) the Account or any portion of the Account is payable by a Person other than a Third-Party Payor;

(b) the Account is an obligation of an Account Debtor that has suspended business, made a general assignment for the benefit of creditors, is unable to pay its debts as they become due or is subject to an Insolvency Proceeding, or the Account is an Account as to which any facts, events or occurrences exist which could reasonably be expected to impair the validity, enforceability or collectability of such Account or reduce the amount payable or delay payment thereunder;

(c) the Account Debtor is a natural person (i.e. an individual), or an Affiliate of any Borrower;

(d) any representation and warranty contained in any Loan Document with respect to such Account is not true and correct;

(e) the Account remains unpaid more than one hundred and eighty (180) days past the applicable discharge date;

(f) more than fifty percent (50%) of the net aggregate balance of all Accounts owing from the Account Debtor (and its Affiliates but not including any Government Account Debtor making payments under Medicare or Medicaid) obligated on the Account are outstanding more than one hundred and eighty (180) days after the applicable services were rendered;

(g) without limiting the provisions of clause (f) above, fifty percent (50%) or more of the aggregate unpaid Accounts from the Account Debtor (but not including any Government Account Debtor making payments under a Government Reimbursement Program) obligated on the Account are not deemed Eligible Accounts hereunder for any reason;

(h) to the extent that the Account and all other Accounts owed by any particular Account Debtor and its Affiliates (but not including any Government Account Debtor making payments under a Government Reimbursement Program) exceed twenty percent (20%) of the net amount of all Eligible Accounts (calculated as set forth above) at any one time (including Accounts from any Government Account Debtor making payments under a Government Reimbursement Program);

(i) the Account is subject to any defense, set-off, recoupment, counterclaim, deduction, discount, credit, chargeback, freight claim, allowance, or adjustment of any kind (but such ineligibility shall extend only to the extent of such defense, set-off, recoupment, counterclaim, deduction, discount, credit, chargeback, freight claim, allowance, or adjustment), or the Borrower owning such Account is not able to bring suit or otherwise enforce its remedies against the Account Debtor through administrative or judicial process, as applicable;

(j) the Account involves (i) a workers' compensation claim which is not covered by a Third-Party Payor or (ii) services delivered for injury sustained in a motor vehicle accident, the repayment of which is contingent on litigation;

(k) the applicable Account Debtor for such Account is any Governmental Authority, and, following a written request by Administrative Agent to Borrowers, rights to payment of such

Account have not been assigned to Administrative Agent (for the benefit of itself and the Lenders) pursuant to the Federal Assignment of Claims Act, 31 U.S.C. § 3727 et seq. (as amended from time to time), or all other applicable statutes or regulations respecting the assignment of Lockbox Accounts have not been complied with (for example, with respect to all Accounts payable directly by a Government Account Debtor);

(l) if the Account arises from the performance of services, the services have not actually been performed, or the services were undertaken in violation of any Applicable Law;

(m) the Account includes late charges or finance charges (but only such portion of the Account shall be ineligible);

(n) the Account arises out of a cost report settlement or constitutes a disproportionate share hospital payment;

(o) the Account is not subject to a valid and enforceable First Priority Lien in favor of Administrative Agent (for the benefit of itself and the Lenders);

(p) the Account is not evidenced by an invoice, statement or other documentary evidence satisfactory to Administrative Agent; provided, however, that Eligible Unbilled Accounts in an aggregate amount not to exceed twelve and one half percent (12.5%) of Availability at any time may constitute Eligible Accounts notwithstanding that such Accounts have not been billed to the applicable Account Debtor as described in this clause (p);

(q) the Account (or the right to payment on or proceeds of such Account) has been sold or otherwise disposed of, or the Account (i) arises from a Healthcare Facility that has been sold or otherwise disposed of and (ii) remains unpaid after the earlier to occur of (x) sixty (60) days past the date the applicable Healthcare Facility was sold or otherwise transferred or (y) forty-five (45) days before the Scheduled Termination Date; or

(r) the Account or Account Debtor fails to meet such other specifications and requirements which may from time to time be established by Administrative Agent in its reasonable credit judgment;

provided, that neither QAF Accounts nor Eligible QAF Accounts shall constitute Eligible Accounts.

"***Eligible QAF Account(s)***": QAF Accounts of a Borrower arising under the QAF Phase V Program constituting fully earned (a) managed care "Cycle 1" receivables expected to be collected by the managed care health plan by April 30, 2019 ("***Cycle 1 Accounts***"), or (b) managed care "Cycle 2" pass-through receivables expected to be collected by the managed care health plan by September 30, 2019 ("***Cycle 2 Accounts***"), the value of which, in each case, shall be at any time the amount of expected estimated payments as reasonably determined by Administrative Agent in accordance with the documentation provided by Borrowers to Administrative Agent. Without limiting the generality of the foregoing, no QAF Account shall be an Eligible Account if: (i) any rights to payment with respect to the QAF Account are held by any Person not a Credit Party and not subject to a Subordination Agreement in form and substance satisfactory to Administrative Agent in its sole discretion, (ii) the QAF Account is not subject to a valid and enforceable First Priority Lien in favor of Administrative Agent; (iii) with respect to Cycle 1 Accounts, the QAF Account has not been received by the Borrowers May 31, 2019, (iv) with respect to Cycle 2 Accounts, the QAF Account has not been received by the Borrowers by October 31, 2019, or (v) the QAF Account (or the right to payment on or proceeds of such QAF Account) has been

sold or otherwise disposed of or arises from a Healthcare Facility that has been sold or otherwise disposed of.

"***Eligible Unbilled Account(s)***": an Account of any Borrower meeting all of the criteria of an Eligible Account except that an invoice, statement or other billing document has not yet been created or sent, provided, that, any such Account will cease to be an Eligible Unbilled Account on the earlier to occur of (i) the date on which such Account becomes evidenced by an invoice, statement or other documentary evidence of any kind, or (ii) the twenty-second (22nd) day following the date on which the applicable patient was discharged.

1.2 **Other Interpretive Provisions.** With reference to this Agreement and each other Loan Document, unless otherwise specified herein or in such other Loan Document:

(a) The definitions of terms herein shall apply equally to the singular and plural forms of the terms defined. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The words "include," "includes" and "including" shall be deemed to be followed by the phrase "without limitation." The word "will" and the word "shall" will be construed to have the same meaning and effect. Unless the context requires otherwise, (i) any definition of or reference to any agreement, instrument or other document (including any Organization Document and any Loan Document) shall be construed as referring to such agreement, instrument or other document as from time to time amended, restated, extended, renewed, supplemented or otherwise modified in writing from time to time (subject to any restrictions on such amendments, supplements or modifications set forth herein or in any other Loan Document), (ii) any reference herein to any Person shall be construed to include such Person's successors and assigns, (iii) the words "herein," "hereof," "hereto" and "hereunder," and words of similar import when used in any Loan Document, shall be construed to refer to such Loan Document in its entirety and not to any particular provision thereof, (iv)

all references in a Loan Document to Articles, clauses, Sections, Exhibits and Schedules shall be construed to refer to Articles, clauses and Sections of, and Exhibits and Schedules to, the Loan Document in which such references appear, (v) any reference to any Law shall include all statutory and regulatory provisions consolidating, amending, replacing or interpreting such Law and any reference to any Law or regulation shall, unless otherwise specified, refer to such Law or regulation as amended, modified or supplemented from time to time, and (vi) unless otherwise specified, the words "asset" and "property" shall be construed to have the same meaning and effect and to refer to any and all tangible and intangible assets and properties, including cash, securities, accounts and contract rights. As used hereunder or in the other Loan Documents, the phrase "to Borrowers' knowledge" or "to the best of Borrowers' knowledge" or similar phrases, means each Borrower's and each other Credit Party's knowledge after due and diligent inquiry.

(b) In the computation of periods of time from a specified date to a later specified date, the word "from" means "from and including;" the words "to" and "until" each mean "to but excluding;" and the word "through" means "to and including."

(c) Section headings herein and in the other Loan Documents are included for convenience of reference only and shall not affect the interpretation of this Agreement or any other Loan Document.

1.3 Accounting Terms.

(a) **Generally.** All accounting terms not specifically or completely defined herein shall be construed in conformity with, and all financial data (including financial ratios and other financial calculations) required to be submitted pursuant to this Agreement shall be prepared in conformity with, GAAP applied on a consistent basis, as in effect from time to time, except as otherwise specifically prescribed herein.

(b) **Changes in GAAP.** If at any time any change in GAAP would affect the computation of any financial ratio or requirement set forth in any Loan Document, and Borrowers or Administrative Agent shall so request, Administrative Agent and Borrowers shall negotiate in good faith to amend such ratio or requirement to preserve the original intent thereof in light of such change in GAAP (subject to the approval of Administrative Agent); provided that, until so amended, (i) such ratio or requirement shall continue to be computed in accordance with GAAP prior to such change therein and (ii) Borrowers shall provide to Administrative Agent and Lenders financial statements and other documents required hereunder or as reasonably requested hereunder setting forth a reconciliation between calculations of such ratio or requirement made before and after giving effect to such change in GAAP.

1.4 Rounding. Any financial ratios required to be maintained by Borrowers pursuant to this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-up if there is no nearest number).

1.5 Times of Day. Unless otherwise specified, all references herein to times of day shall be references to United States Eastern time (daylight or standard, as applicable).

ARTICLE 2 GENERAL REVOLVING LOAN TERMS

2.1 The Revolving Loans and Swingline Loans.

(a) **Revolving Facility.** Subject to the terms and conditions set forth herein and in the Financing Orders, the Lenders hereby establish for the benefit of Borrowers a revolving credit facility (the "***Revolving Facility***") pursuant to which each Lender agrees to make its Pro Rata Share of loans (each such loan, a "***Revolving Loan***") to Borrowers from time to time, on any Business Day during the Availability Period, in an aggregate principal amount at any one time outstanding not to exceed such Lender's Revolving Commitment. The Outstanding Amount shall not exceed at any time the lesser of (i) the Revolving Commitment and (ii) the Borrowing Base (such lesser amount at any time, the "***Availability***"). Subject to the terms and conditions hereof, Borrowers may borrow, repay and reborrow Revolving Loans hereunder until the Revolving Loan Termination Date. The calculation of the Borrowing Base as of any time shall originally be made by Borrowers and certified by an Authorized Officer of Borrower Representative pursuant to the delivery of a Borrowing Base Certificate under Section 8.3 hereof; provided, however, that Administrative Agent shall have the right to review and adjust any such calculation, in its reasonable credit judgment, to the extent that the calculation was not made in accordance with this Agreement.

(b) **Reduction of Eligible Accounts and Establishment of Reserves; Eligible QAF Accounts.** Administrative Agent shall also have the right, in its reasonable credit judgment, and at any time and for any reason, to (i) reduce the dollar amount of Eligible Accounts by the amount of discounts, credits, allowances and returns of any kind then outstanding, issued, granted, owing, accrued or liable to be accrued; (ii) establish and fund reserves against the Borrowing Base and/or charge the same against the Revolving Facility as Revolving Loans at such time as it deems appropriate (including without limitation for any liabilities consisting of Approved Cash Management Obligations) and (iii) with respect to any Eligible QAF Accounts, the Administrative Agent in its reasonable credit judgment may adjust the advance rates, the reserves and eligibility periods.

(c) **Swingline Loans.**

(i) Administrative Agent may convert any request by a Borrower for a Revolving Loan into a request for an advance under the Swingline Loan. The Swingline Loan shall not exceed in the aggregate at any time outstanding the Maximum Swingline Loan Amount. In the event that on any Business Day Swingline Lender desires that all or any portion of the Swingline Loan should be reduced in whole or in part, Swingline Lender shall promptly notify Administrative Agent to that effect and indicate the portion of the Swingline Loan to be reduced. Swingline Lender hereby agrees that it shall notify Administrative Agent to reduce the Swingline Loan to $0 at least once every week. Administrative Agent agrees to transmit to Revolving Lenders the information contained in each notice received by Administrative Agent from Swingline Lender and shall concurrently notify Revolving Lenders of each Revolving Lender's Pro Rata Share of the obligation to make a Revolving Loan to repay the Swingline Loan (or portion thereof).

(ii) Each of the Revolving Lenders hereby unconditionally and irrevocably agrees to fund to Administrative Agent for the benefit of Swingline Lender, in lawful money of the United States and in same day funds, not later than 1:00 p.m. (New York City time) on the Business Day immediately following the Business Day of such Revolving Lender's receipt of such notice from Administrative Agent (provided that if any Revolving Lender shall receive such notice at or prior to 1:00 p.m. (New York City time) on a Business Day, such funding shall be made by such Revolving Lender on such Business Day), such Revolving Lender's Pro Rata Share

of a Revolving Loan (which Revolving Loan shall be deemed to be requested by Borrowers) in the principal amount of such portion of the Swingline Loan which is required to be paid to Swingline Lender under this Section 2.1(c) (regardless of whether the conditions precedent thereto set forth in Article 3 are then satisfied and whether or not Borrower Representative has provided a Loan Notice and whether or not any Default or Event of Default exists or all or any of the Loans have been accelerated, but subject to the other provisions of this Section 2.1(c)). The proceeds of any such Revolving Loan shall be immediately paid over to Administrative Agent for the benefit of Swingline Lender for application to the Swingline Loan.

(iii) In the event that an Event of Default shall occur and either (A) such Event of Default is of the type described in Section 9.1(e) hereof or (B) no further Revolving Loans are being made under this Agreement, so long as any such Event of Default is continuing, then, each of Revolving Lenders (other than Swingline Lender) shall be deemed to have irrevocably, unconditionally and immediately purchased a participation in the Swingline Loan from Swingline Lender in an amount equal to such Revolving Lender's Pro Rata Share of the Revolving Commitment multiplied by the total amount of the Swingline Loan outstanding. Each Revolving Lender shall effect such purchase by making available the amount of such Revolving Lender's participation in the Swingline Loan in U.S. Dollars in immediately available funds to Administrative Agent's Account for the benefit of Swingline Lender. In the event any Revolving Lender fails to make available to Swingline Lender when due the amount of such Revolving Lender's participation in the Swingline Loan, Swingline Lender shall be entitled to recover such amount on demand from such Revolving Lender together with interest at the Federal Funds Effective Rate. Each such purchase by a Revolving Lender shall be made without recourse to Swingline Lender, without representation or warranty of any kind, and shall be effected and evidenced pursuant to documents reasonably acceptable to Swingline Lender. The obligations of Revolving Lenders under this Section 2.1(c) shall be absolute, irrevocable and unconditional, shall be made under all circumstances and shall not be affected, reduced or impaired for any reason whatsoever.

(iv) The unpaid principal amount of all Swingline Loans shall bear interest, subject to the terms hereof, at a per annum rate equal to LIBOR Rate plus the Applicable LIBOR Margin.

2.2 [Reserved].

2.3 Funding of the Revolving Loans and Swingline Loans.

(a) Each Revolving Loan and Swingline Loan shall be made upon Borrower Representative's irrevocable notice to Administrative Agent, which may be given by telephone by an Authorized Officer of Borrower Representative (so long as such telephonic notice is confirmed by the delivery of a written Loan Notice in accordance with the terms and conditions set forth in the next sentence). Each notice by Borrower Representative pursuant to this Section 2.3 must be confirmed promptly by delivery to Administrative Agent of a written Loan Notice, appropriately completed and signed by an Authorized Officer of Borrower Representative. Such Loan Notice must be received by Administrative Agent (1) not later than 1:00 p.m. (New York City time) one (1) Business Day prior to the requested date of any Swingline Loan or (2) not later than 1:00 p.m. (New York City time) on the Business Day that is two (2) Business Days prior to the requested date of any Revolving Loan. Loan Notices received after 1:00 p.m. (New York City time) shall be deemed received on the next Business Day. Each Revolving Loan shall be in a principal amount of at least $250,000.00 and integral multiples of $50,000 in excess of such amount.

(b) Upon receipt of a Loan Notice, Administrative Agent will promptly notify each Lender of such Loan Notice and of the amount of such Lender's Pro Rata Share of the requested Revolving Loan. Each Lender shall promptly remit to Administrative Agent its Pro Rata Share of all funds disbursed on its behalf by Administrative Agent either before or after such disbursement as requested by Administrative Agent. If Administrative Agent requires funds from a Lender prior to disbursement to Borrowers, which Administrative Agent may so require in its sole and absolute discretion, Administrative Agent shall advise each such Lender by written notice in accordance with this Agreement of the amount of such Lender's Pro Rata Share of such requested disbursement no later than 5:00 p.m. (New York City time) on the Business Day prior to the funding date thereof, and each such Lender shall pay Administrative Agent its Pro Rata Share of such requested Revolving Loan, in same day funds, by wire transfer to Administrative Agent's account not later than 2:00 p.m. (New York City time) on the intended date of disbursement to Borrowers. If Administrative Agent shall have already disbursed funds to Borrowers, each Lender shall pay its Pro Rata Share thereof to Administrative Agent within one (1) Business Day of Administrative Agent's request therefor. If Administrative Agent shall have disbursed funds to Borrowers and any Lender fails to pay its Pro Rata Share thereof in accordance with this Agreement within one (1) Business Day of Administrative Agent's request therefor, Administrative Agent shall promptly notify Borrower Representative and Borrowers shall immediately repay such amount to Administrative Agent without premium or penalty. Nothing in any Loan Document shall be deemed to require Administrative Agent to advance funds on behalf of any Lender or to relieve any Lender from its obligation to fulfill its commitments under the Loan Documents (including those set forth in Section 12.12) or to prejudice any rights that Administrative Agent may have against any Lender as a result of any default by such Lender under the Loan Documents.

2.4 Deposit Accounts and Control Agreements.

(a) The Borrowers have established and shall maintain one or more Lockbox Accounts with Bank of America, N.A. (such depository institution, a "***Deposit Account Bank***"), subject to the provisions of this Agreement. Borrowers shall execute with the Deposit Account Bank a deposit account control agreement for each Lockbox Account in form and substance acceptable to Administrative Agent. Each Borrower shall ensure that all Collections of Accounts (including QAF Accounts) are paid directly into and deposited in the Lockbox Account of the applicable Borrower, and that all funds deposited into the Lockbox Account are immediately transferred into a depository account owned by a Borrower and subject to a deposit account control agreement in form and substance acceptable to Administrative Agent (the "***Concentration Account***") and that all funds deposited into the Concentration Account shall immediately be transferred to the Administrative Agent's Account for application to the Obligations in accordance with the terms and conditions of this Agreement. In addition, each Borrower shall ensure that the net proceeds from any Asset Disposition and any proceeds of insurance or condemnation awards paid are paid directly into the Escrow Deposit Account.

(b) The Borrowers may establish subaccounts of the Escrow Deposit Account as appropriate to hold funds on account of separate prepetition collateral pools, as may be direct by the Bankruptcy Court; provided that such subaccounts shall be subject to the requirements of Section 5.18.

(c) If any Borrower receives any Collections that should have been sent to a Lockbox Account, such Borrower shall promptly upon receipt (and in any event within one (1) Business Day of receipt) forward such Collections directly to the applicable Lockbox Account or the Concentration Account, as applicable, in the form received, and promptly notify Administrative Agent of such event. Until so forwarded, such Collections shall be held in trust for the benefit of Administrative Agent and Lenders.

(d) No Credit Party shall withdraw any amounts from any Lockbox Account, nor shall any Credit Party change the procedures or sweep instructions under any agreement governing a Lockbox Account. Each Credit Party shall cooperate with Administrative Agent in the identification and reconciliation on a daily basis of all amounts received in or required to be deposited into a Lockbox Account.

(e) Notwithstanding anything in any account instruction agreement or deposit account agreement to the contrary, each Credit Party agrees that it shall be liable for any fees and charges in effect from time to time and charged by the Deposit Account Bank in connection with the deposit accounts, and that neither Administrative Agent nor any Lender shall have any liability therefor. Each Credit Party agrees that all payments made to the Administrative Agent's Account or otherwise received by Administrative Agent, whether in respect of the Accounts or as proceeds of other Collateral or otherwise, may be applied by Administrative Agent on account of the Obligations. Each Credit Party further acknowledges and agrees that, to the extent such fees and charges are not paid by such Credit Party directly but are satisfied using Collections in the Deposit Accounts, such fees and charges shall be deemed to be Revolving Loans made by Lenders hereunder and, to the extent that the payment of such fees or charges by such Credit Party as provided herein results in any overadvance under Section 2.5 of this Agreement, such Credit Party agrees to immediately (upon notice to Borrower Representative) repay to Administrative Agent (for the benefit of itself and the Lenders) the amount of such overadvance. Each Credit Party agrees to indemnify and hold Administrative Agent harmless from any and all liabilities, claims, losses and demands whatsoever, including the fees and disbursements of legal counsel for Administrative Agent, including the charges of internal legal counsel, arising from or relating to actions of Administrative Agent or the Deposit Account Bank pursuant to this Section 2.4 or any deposit account agreement.

(f) Each Credit Party agrees that all payments made to the Administrative Agent's Account or otherwise received by Administrative Agent, whether in respect of the Accounts or as proceeds of other Collateral or otherwise, will be applied on account of the Obligations in accordance with the terms of this Agreement, but, for purposes of calculating interest and fees hereunder, shall be subject to a two (2) Business Day clearance period.

(g) Each Credit Party acknowledges and agrees that compliance with the provisions of this Section 2.4 is a material term of this Agreement and that, in addition to and notwithstanding any other rights Administrative Agent and the Lenders may have hereunder, under any other Loan Document, under Applicable Law or at equity, upon each and every failure by any Credit Party to comply with any of such provisions Administrative Agent shall be entitled to assess a non-compliance fee which shall operate to increase the rate of interest otherwise in effect hereunder with respect to the Loans by two percent (2.0%) per annum during any period of non-compliance, whether or not a Default or an Event of Default occurs or is declared, provided that nothing shall prevent Administrative Agent from considering any failure to comply with the provisions of this Section 2.4 to be a Default or an Event of Default.

(h) Each Borrower and each other Credit Party shall maintain at all times a valid and enforceable deposit account control agreement with respect to each deposit account of any such Borrower and any such other Credit Party (other than any deposit account dedicated exclusively to payroll purposes or donor restricted funds), in form and substance satisfactory to Administrative Agent in its reasonable discretion. Borrowers shall not maintain a greater balance in their payroll accounts than is necessary to support Borrowers' current payroll and payroll for one additional payroll cycle (bi-monthly or weekly as applicable). No Borrower shall (i) permit any donor restricted funds to be deposited or held in a Lockbox Account, the Concentration Account or any operating account that holds funds other than donor restricted funds or (ii) otherwise allow such funds to be commingled with any other funds of the Borrowers.

2.5 Borrowing Base Exceeded. If for any reason the Outstanding Amount at any time exceeds Availability, Borrowers shall immediately prepay outstanding Loans in an aggregate amount equal to such excess.

2.6 Repayment of the Loans. Notwithstanding the provisions of Section 362 of the Bankruptcy Code, and without further application to or order of the Bankruptcy Court, all of the Obligations shall be immediately due and payable upon the Revolving Loan Termination Date. Borrowers hereby unconditionally promise to pay to the Administrative Agent, on behalf of the Lenders, on the Revolving Loan Termination Date, the aggregate outstanding principal amount of the Loans as of such date together with interest (with interest being determined in accordance with the provisions of Section 2.7(a)) and all other Obligations outstanding and unpaid hereunder.

2.7 Interest.

(a) The unpaid principal amount of all Loans under the Revolving Facility shall bear interest, subject to the terms hereof, at a per annum rate equal to the LIBOR Rate plus the Applicable LIBOR Margin.

(b) Interest shall be payable monthly, in arrears, on each Payment Date, on the Revolving Loan Termination Date and as otherwise provided in this Agreement.

2.8 Additional Interest Provisions.

(a) All computations of interest for the Loans shall be made on the basis of a year of 360 days and calculated for actual days elapsed.

(b) Notwithstanding the provisions of Section 362 of the Bankruptcy Code, after the occurrence and during the continuance of an Event of Default hereunder, Administrative Agent may, in its sole discretion, or upon the request of the Required Lenders shall, increase the per annum effective rate of interest applicable to the Loans to the Default Rate. All such increases may be applied retroactively to the date of the occurrence of the Event of Default. Each Borrower agrees that the Default Rate payable to Lenders is a reasonable estimate of Lenders' damages and is not a penalty.

(c) All contractual rates of interest chargeable on outstanding principal under the Revolving Loans shall continue to accrue and be paid even after Default, an Event of Default, maturity, acceleration, judgment, Insolvency Proceedings or the happening of any other event or occurrence similar or dissimilar to the foregoing.

2.9 Fees and Charges.

(a) Contemporaneously with Borrowers' execution of this Agreement, Borrowers shall pay Administrative Agent, for the benefit of all Lenders committed to make Revolving Loans on the Closing Date, in accordance with their respective Pro Rata Share, a fee in an amount equal to (i) the Revolving Commitment, *multiplied by* (ii) one and one quarter percent (1.25%). All fees payable pursuant to this clause (f) shall be non-refundable as of the Closing Date.

(b) [Reserved].

(c) On each Payment Date, on the Revolving Loan Termination Date and as otherwise provided in this Agreement, Borrowers shall pay to Administrative Agent, for the benefit of Lenders in accordance with their Pro Rata Shares, an unused fee in an amount equal to 0.75% per annum

of the difference derived by subtracting (i) the average daily Outstanding Amount during the preceding month, from (ii) the Revolving Commitment.

(d) All fees hereunder shall be computed on the basis of a year of 360 days and calculated for the actual number of days elapsed in each calculation period. All fees hereunder shall be non-refundable and deemed fully earned when due and payable.

2.10 Use of Proceeds.

(a) The extensions of credit under and proceeds of the Revolving Loans pursuant to the Revolving Facility shall be made available subject to the terms and conditions herein (including but not limited to the absence of an Event of Default) and used in accordance with the Budget exclusively for (i) payment of all fees and expenses due to Administrative Agent and Lenders pursuant to this Agreement, (ii) financing ongoing debtor in possession working capital needs, maintenance and preservation of Borrowers' assets, general corporate purposes relating to postpetition operations and related costs, fees and expenses of the Bankruptcy Cases, (iii) payment of the administration expenses of the Bankruptcy Cases as approved by the Bankruptcy Court, (iv) to make adequate protection payments (absent the existence of a Default or Event of Default) to the Specified Prepetition Secured Creditors and (v) to pay Daly City, California special tax assessments, for the benefit of the PACE Bond Trustee.

(b) Notwithstanding anything to the contrary set forth herein or in any other Loan Document, no portion of the Revolving Loans, the Collateral, the Carve-Out funds or cash collateral of Administrative Agent or Lenders may be used to fund any activities: (i) preventing, hindering, or delaying any of Administrative Agent's or the Lenders' enforcement or realization upon any of the Collateral; (ii) using or seeking to use Administrative Agent's or any Lenders' cash collateral or selling or otherwise disposing of any of the Collateral (other than Permitted Asset Dispositions) without the consent of the Administrative Agent and the Required Lenders; (iii) using or seeking to use any insurance proceeds constituting Collateral without the consent of the Administrative Agent and the Required Lenders; (iv) except as permitted under Section 6.3, incurring Indebtedness without the prior written consent of Administrative Agent and the Required Lenders; (v) objecting or challenging in any way any claims, Liens, Collateral (including cash collateral) held by or on behalf of any of Administrative Agent or the Lenders; (vi) asserting any claims or causes of action including, without limitation, any action under Chapter 5 of the Bankruptcy Code, against any of Administrative Agent, the Lenders, or any of their respective affiliates, agents, attorneys, advisors, professionals, officers, directors, and employees; (vii) prosecuting an objection to, or contesting in any manner, or raising defenses to, the validity, extent, amount, perfection, priority, or enforceability of any of the Obligations, the Liens of Administrative Agent securing the Obligations or any other rights or interests of any of Administrative Agent or the Lenders; or (viii) taking any action which (A) has or could have the effect of adversely modifying or compromising the rights and remedies of Administrative Agent or the Lenders, or (B) is contrary, in a manner adverse to Administrative Agent or the Lenders, to any term or condition set forth in any of the Financing Orders or the other Loan Documents.

2.11 Evidence of Indebtedness. The Loans made by any Lender shall be evidenced by one or more accounts or records maintained by such Lender and by the Administrative Agent in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be prima facie evidence of the existence and amounts of the Loans and shall be conclusive absent manifest error with respect to the amount of the Loans and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrowers hereunder to pay any amount owing with respect to the Obligations. The Borrowers shall, upon the request of any Lender, execute and deliver to the Administrative Agent a Revolving Note or Swingline Note (as applicable) for such Lender, which Note shall evidence such Lender's applicable

Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, amount and maturity of its Loans and payments with respect thereto.

2.12 Payments Generally. All payments to be made by Borrowers shall be made without condition or deduction for any counterclaim, defense, recoupment or set-off. Except as otherwise expressly provided herein, all payments by Borrowers hereunder shall be made in Dollars immediately available to Administrative Agent, on behalf of Lenders, by 11:00 a.m. (New York City time), on the date such payment is due, to Administrative Agent by deposit to the Administrative Agent's Account or to such other deposit account as Administrative Agent may designate by written notice to Borrower Representative. All payments received by Administrative Agent after 11:00 a.m. (New York City time) shall be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. If any payment to be made by Borrowers shall become due on a day other than a Business Day, payment shall be made on the next following Business Day. Each Borrower hereby grants to Administrative Agent the right, in Administrative Agent's discretion, without notice to any Borrower, to make Loans to make payments on the Obligations, including any and all interest, fees and Expenses, as and when due hereunder. Each Borrower acknowledges that such Borrower's failure to maintain sufficient funds in any deposit account for payment of any of the Obligations, or Administrative Agent's failure to make a Loan or withdrawal from any deposit account shall not relieve Borrowers of any payment obligation hereunder or any other Loan Document.

2.13 Protective Advances. (a) Borrowers and Lenders authorize Administrative Agent, in its sole discretion, at any time that a Default or Event of Default exists or any conditions in Article 3 are not satisfied, and without regard to the Revolving Commitment or the Borrowing Base, to make Revolving Loans (***"Protective Advances"***) (a) in such amounts as Administrative Agent deems necessary or desirable to preserve or protect any Collateral, or to enhance the collectability or repayment of Obligations, or (b) to pay any other amounts chargeable to Borrowers under any Loan Documents, including fees, Expenses, taxes, assessments, insurance, repairs, maintenance, storage and other charges and expenditures upon, against or otherwise relating to the Collateral; provided, however, that the aggregate amount of Protective Advances outstanding at any time shall not exceed ten percent (10%) of the Revolving Commitment without the consent of the Required Lenders. All Protective Advances constitute Obligations, are secured by the Collateral, and shall be treated for all purposes as Revolving Loans.

(b) Upon Administrative Agent's making of any Protective Advances under this Section 2.13, each of the Lenders shall be deemed to have irrevocably, unconditionally and immediately purchased from Administrative Agent a participation in such Protective Advances in an amount equal to such Lender's Pro Rata Share of the Revolving Commitment multiplied by the total amount of such Protective Advances outstanding under this Section 2.13. Each Lender shall effect such purchase by making available the amount of such Lender's participation in such Protective Advances in U.S. Dollars in immediately available funds to Administrative Agent's Account. In the event any Lender fails to make available to Administrative Agent when due the amount of such Lender's participation in such Protective Advances, Administrative Agent shall be entitled to recover such amount on demand from such Lender together with interest at the Federal Funds Effective Rate. Each such purchase by a Lender shall be made without recourse to Administrative Agent, without representation or warranty of any kind, and shall be effected and evidenced pursuant to documents reasonably acceptable to Administrative Agent. The obligations of the Lenders under this Section 2.13(b) shall be absolute, irrevocable and unconditional, shall be made under all circumstances and shall not be affected, reduced or impaired for any reason whatsoever.

2.14 Taxes.

(a) Defined Terms. For purposes of this Section 2.14, the term "Applicable Law" includes FATCA.

(b) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Credit Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by Applicable Law. If any Applicable Law (as determined in the good faith discretion of the Administrative Agent) requires the deduction or withholding of any Tax from any such payment by the Administrative Agent or a Credit Party, then the Administrative Agent or such Credit Party shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with Applicable Law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Credit Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(c) Payment of Other Taxes by the Credit Parties. The Credit Parties shall timely pay to the relevant Governmental Authority in accordance with Applicable Law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(d) Indemnification by the Borrower. The Credit Parties shall jointly and severally indemnify each Recipient, within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Credit Parties by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within ten (10) days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Credit Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Credit Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Article 10 relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this Section 2.14(e).

(f) Evidence of Payments. As soon as practicable after any payment of Taxes by any Credit Party to a Governmental Authority pursuant to this Section 2.14, such Credit Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(g) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrowers and the Administrative Agent, at the time or times reasonably requested by the Borrowers or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrowers or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrowers or the Administrative Agent, shall deliver such other documentation prescribed by Applicable Law or reasonably requested by the Borrowers or the Administrative Agent as will enable the Borrowers or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in clauses (ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, if any Borrower is a U.S. Person,

A. any Lender that is a U.S. Person shall deliver to the Borrowers and the Administrative Agent on or prior to the date on which such Lender becomes a Lender hereunder (and from time to time thereafter upon the reasonable request of the Borrowers or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

B. any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrowers and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender hereunder (and from time to time thereafter upon the reasonable request of the Borrowers or the Administrative Agent), whichever of the following is applicable:

1. in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

2. executed copies of IRS Form W-8ECI;

3. in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in form reasonably acceptable to Administrative Agent to the effect that such Foreign Lender is not a "bank" within the meaning of Section

881(c)(3)(A) of the Code, a "10 percent shareholder" of any Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "***U.S. Tax Compliance Certificate***") and (y) executed copies of IRS Form W-8BEN; or

4. to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, a U.S. Tax Compliance Certificate substantially in the form reasonably acceptable to Administrative Agent, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form reasonably acceptable to Administrative Agent on behalf of each such direct and indirect partner;

C. any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrowers and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender hereunder (and from time to time thereafter upon the reasonable request of the Borrowers or the Administrative Agent), executed copies of any other form prescribed by Applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by Applicable Law to permit the Borrowers or the Administrative Agent to determine the withholding or deduction required to be made; and

D. if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrowers and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrowers or the Administrative Agent such documentation prescribed by Applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrowers or the Administrative Agent as may be necessary for the Borrowers and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrowers and the Administrative Agent in writing of its legal inability to do so.

(h) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.14 (including by the payment of additional amounts pursuant to this Section 2.14), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than

any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this Section 2.14(h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) if such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 2.14(h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this Section 2.14(h) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This Section 2.14(h) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(i) Survival. Each party's obligations under this Section 2.14 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Revolving Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

2.15 Increased Costs.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender;

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, converting to, continuing or maintaining any Loan or of maintaining its obligation to make any such Loan, or to reduce the amount of any sum received or receivable by such Lender or other Recipient hereunder (whether of principal, interest or any other amount) then, upon request of such Lender or other Recipient, the Borrowers will pay to such Lender or other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender or other Recipient, as the case may be, for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender determines that any Change in Law affecting such Lender or any lending office of such Lender or such Lender's holding company, if any, regarding capital or liquidity requirements, has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Revolving Commitments of such Lender or the Loans made by, or participations in Swingline Loans held by, such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from

time to time the Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in Sections 2.15(a) or (b) and delivered to the Borrowers, shall be conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation; provided that the Borrowers shall not be required to compensate a Lender pursuant to this Section for any increased costs incurred or reductions suffered more than nine months prior to the date that such Lender notifies the Borrowers of the Change in Law giving rise to such increased costs or reductions, and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

(e) In the event that any change in market conditions or any Change in Law shall at any time after the date hereof, in the reasonable opinion of any Lender, make it unlawful or impractical for such Lender to determine or charge interest rates at the LIBOR Rate, such Lender shall give notice of such changed circumstances to Administrative Agent and Borrowers and Administrative Agent promptly shall transmit the notice to each other Lender and while such circumstances continue, the Revolving Loans held by such Lender shall be converted from accruing interest a per annum rate equal to the LIBOR Rate plus the LIBOR Rate Margin to accruing interest at a per annum rate equal to the Base Rate plus such applicable margin as will result in the same effective rate of interest applicable immediately prior to such conversion.

(f) After the occurrence and during the continuance of an Event of Default hereunder, each Lender may, in its sole discretion, provide Administrative Agent and Borrowers notice of its election to charge interest rates at the Base Rate, and Administrative Agent promptly shall transmit the notice to each other Lender and during the continuance of such Event of Default, the Revolving Loans held by such Lender shall be converted from accruing interest a per annum rate equal to the LIBOR Rate plus the LIBOR Rate Margin to accruing interest at a per annum rate equal to the Base Rate plus such applicable margin as will result in the same effective rate of interest applicable immediately prior to such conversion.

2.16 Effective Date and Termination. This Agreement shall become effective on the Closing Date and shall continue in full force and effect until the Revolving Loan Termination Date unless sooner terminated as herein provided. Borrowers may terminate this Agreement prior to the Revolving Loan Termination Date with at least thirty (30) Business Days' prior written notice thereof to Administrative Agent, upon (a) the payment in full of all outstanding Loans, together with accrued and unpaid interest thereon, and (b) the payment in full of all fees, Expenses and other Obligations together with accrued and unpaid interest thereon.

2.17 Effect of Termination. The termination of this Agreement shall not affect any Credit Party's, the Administrative Agent's, any Lender's or any Lender Affiliate's rights, or any of the Obligations having their inception prior to the effective date of such termination, and the provisions hereof shall continue to be fully operative until all transactions entered into, rights or interests created or Obligations have been fully disposed of, concluded or liquidated. The security interests, Liens and rights granted to the Administrative Agent and Lenders hereunder and under the other Loan Documents shall

continue in full force and effect, notwithstanding the termination of this Agreement or the fact that the Revolving Facility may from time to time be temporarily in a zero position, until all of the Obligations of each Credit Party have been paid in full after the termination of this Agreement. Accordingly, each Credit Party waives any rights which it may have under the UCC to demand the filing of termination statements with respect to the Collateral, and the Administrative Agent shall not be required to send such termination statements to each Credit Party, or to file them with any filing office, unless and until this Agreement shall have been terminated in accordance with its terms and all Obligations shall have been paid in full in immediately available funds.

ARTICLE 3 CONDITIONS PRECEDENT TO LOANS

3.1 Conditions of Initial Revolving Loan. The obligation of Lenders to make the initial Revolving Loan hereunder on the Closing Date (the "***Closing***") is subject to satisfaction of each of the following conditions precedent:

(a) Administrative Agent shall have received all of the following deliverables, each in form and substance satisfactory to Administrative Agent:

(i) the Interim Order shall (A) have been entered without opposition by any Specified Prepetition Secured Creditor, the PACE Bond Trustee, NantWorks, LLC or any other Person identified by Administrative Agent, (B) shall have been entered not later than three (3) days following the Petition Date and (C) be in effect and shall not have been reversed, modified, amended or stayed, and no motion seeking a reversal, modification, amendment or stay shall have been filed by any Person;

(ii) Administrative Agent shall have received the Initial Cash Flow Forecast, which shall be dated no more than seven (7) days prior to the Interim Hearing, and the Initial Budget, in each case in form and substance satisfactory to the Administrative Agent;

(iii) executed counterparts of this Agreement and the other Loan Documents required by Administrative Agent to be executed on the Closing Date;

(iv) such certificates of resolutions or other action, incumbency certificates and/or other certificates of Authorized Officers of each Credit Party as Administrative Agent may require;

(v) such Organization Documents and certifications as Administrative Agent may require to evidence that each Credit Party is duly organized or formed, and that each Credit Party is validly existing, in good standing and qualified to engage in business in each jurisdiction where its ownership, lease or operation of properties or the conduct of its business requires such qualification;

(vi) a certificate signed by an Authorized Officer of each Credit Party either (A) certifying that all consents, licenses and approvals required in connection with the execution, delivery and performance by the Credit Parties and the validity against the Credit Parties of the Loan Documents are in full force and effect and have been delivered to Administrative Agent, or (B) stating that no such consents, licenses or approvals are so required;

(vii) a certificate signed by an Authorized Officer of Borrowers certifying: (A) that the conditions specified in Section 3.1 have been satisfied, (B) that there has been no event or circumstance since the public disclosures on August 14, 2018 for the period ending June

30, 2018 that has had or could be reasonably expected to have, either individually or in the aggregate, a Material Adverse Effect, and (C) that no event or circumstance has occurred or exists that constitutes a Default or an Event of Default;

(viii) correct and complete certified copies of (i) each Lease Agreement, (ii) each Material Contract, (iii) the hospital licenses and permits of each Borrower, and (iv) all "first day orders" entered at the time of commencement of the Bankruptcy Cases, in each case together with all applicable amendments thereto, all of which shall be acceptable to Administrative Agent in its sole and absolute discretion; and

(ix) evidence that all Required Insurance has been obtained and is in effect;

(b) Administrative Agent, for the benefit of itself and the Lenders, as applicable, shall have received payment in full of all fees required to be paid under Section 2.9 on or before the Closing Date;

(c) Administrative Agent shall have valid and perfected super-priority Liens on the Collateral pursuant to the Financing Orders, and no further action by any entity shall be required to perfect such Liens; *provided* that Administrative Agent may, in its sole and absolute discretion, file UCC financing statements, require delivery of certificated equity interests required to be pledged, and require execution and delivery of intellectual property security agreements, in each case in suitable form for filing;

(d) Administrative Agent shall have received a completed Borrowing Base Certificate and a pro forma Compliance Certificate;

(e) Administrative Agent shall have received such financial statements, reports, certifications, and other operational information required to be delivered hereunder or otherwise required by Administrative Agent, which shall include financial statements of the type required to be delivered under (i) Section 8.4(d) for the three (3) Fiscal Years preceding the Closing Date and (ii) Section 8.4(b) for the calendar month and year-to-date period most recently ended at least thirty (30) days prior to the Closing Date;

(f) each Borrower shall have established the Lockbox Accounts with the Deposit Account Bank and the Concentration Account at JPMorgan Chase Bank, N.A. and shall have entered into all deposit account control agreements required by Section 5.14, and Administrative Agent shall otherwise be satisfied with the cash dominion arrangements effective with respect to the Collateral;

(g) the payment of all reasonable and documented out-of-pocket fees, costs and expenses associated with the transactions contemplated by this Agreement, the Interim Order and the other Loan Documents incurred by the Administrative Agent or the Lenders;

(h) each Borrower and each other Credit Party shall have executed and filed IRS Form 8821 with the appropriate office of the Internal Revenue Service;

(i) at least three (3) days prior to the Closing Date, each Credit Party shall have provided all documentation and other information that the Administrative Agent or such Lender requests at least five (5) Business Days prior to the Closing Date in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the Patriot Act;

(j) Administrative Agent shall have received and be satisfied with background checks on certain owners and senior management of the Borrowers;

(k) Administrative Agent shall be satisfied with the results of its review of a quality of earnings report, a field examination, site visits, and due diligence with respect to the Credit Parties, including healthcare and regulatory due diligence;

(l) the Closing Date shall have occurred on or prior to two (2) business days after the entry of the Interim Order; and

(m) Administrative Agent shall have received such other assurances, certificates, documents, consents or opinions as Administrative Agent or any Lender reasonably may require.

3.2 Conditions to all Loans. The obligation of the Lenders to make any Revolving Loan is subject to satisfaction of each of the following conditions precedent:

(a) The representations and warranties of each Borrower and each other Credit Party contained in Article 4 or any other Loan Document (excluding the representation that there exists no Default (but only to the extent such Default has not become an Event of Default)), shall be true and correct in all material respects (provided that any representation or warranty that is qualified as to "materiality", "Material Adverse Effect" or similar language shall be true and correct in all respects) on and as of the date of such Revolving Loan, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they shall be true and correct in all material respects (provided that any representation or warranty that is qualified as to "materiality", "Material Adverse Effect" or similar language shall be true and correct in all respects) as of such earlier date, and except that for purposes of this Section 3.2, the representations and warranties contained in Section 4.9 shall be deemed to refer to the most recent Borrowing Base Certificate and financial statements furnished pursuant to Sections 8.3 and 8.4;

(b) No Event of Default shall exist, or would result from such proposed Loan or from the application of the proceeds thereof;

(c) Administrative Agent shall have received, in form and substance satisfactory to it, such other assurances, certificates, documents or consents related to the foregoing as Administrative Agent reasonably may require; and

(d) Each Loan Notice submitted by Borrowers shall be deemed to be a representation and warranty that the conditions specified in this Section 3.2 have been satisfied on and as of the date of the applicable Loan.

3.3 Final Funding Conditions. The obligation of Lenders to make Revolving Loans in excess of the Interim Commitment Amount is subject to satisfaction of each of the following conditions precedent:

(a) the conditions set forth in Sections 3.1 and 3.2 shall be met on and as of such date;

(b) the Final Order shall (A) have been entered without opposition by any Specified Prepetition Secured Creditor, the PACE Bond Trustee, NantWorks, LLC or any other Person identified by Administrative Agent, (B) shall have been entered not later than thirty (30) days following the entry of the

Interim Order and (C) be in effect and shall not have been reversed, modified, amended or stayed, and no motion seeking a reversal, modification, amendment or stay shall have been filed by any Person;

(c) the final report with respect to the full scope of the field exam shall be completed in form and substance satisfactory to Administrative Agent; and

(d) Administrative Agent shall have received, in form and substance satisfactory to it, such other assurances, certificates, documents or consents related to the foregoing as Administrative Agent reasonably may require.

3.4 **Limited Waiver of Conditions Precedent.** If any Lender funds any Loan or grants any other accommodation, or if Swingline Lender funds any Swingline Loan, when any conditions precedent are not satisfied (regardless of whether the lack of satisfaction was known or unknown at the time), it shall not operate as a waiver of (a) the right of such Lender to insist upon satisfaction of all conditions precedent with respect to any subsequent funding, issuance, creation or grant; or (b) any Default or Event of Default due to such failure of conditions or otherwise.

ARTICLE 4 REPRESENTATIONS AND WARRANTIES

Each Borrower and each other Credit Party represents and warrants to Administrative Agent and Lenders that, as of the Closing Date and as of the date of the making of each Loan or other extension of credit hereunder:

4.1 **Organization.** Each Borrower and each other Credit Party has been duly organized and is validly existing and in good standing under the laws of the state of its formation, with requisite power and authority, and all rights, licenses, permits and authorizations, governmental or otherwise, necessary to own its properties and to transact its business. Each Borrower and each other Credit Party is duly qualified to do business and is in good standing in each jurisdiction where it is required to be so qualified in connection with its properties, business and operations.

4.2 **Authorization; Enforceability.** Each Borrower and each other Credit Party has taken all necessary action to authorize the execution, delivery and performance of the Loan Documents to which it is a party. The Loan Documents have been duly executed and delivered by each Borrower and each other Credit Party and constitute legal, valid and binding obligations of each Borrower and each other Credit Party enforceable against such Borrower and such other Credit Party in accordance with their respective terms, subject to applicable bankruptcy, insolvency and similar laws affecting rights of creditors generally, and general principles of equity. The Loan Documents are not subject to, and neither Borrower nor any other Credit Party has asserted, any right of rescission, set-off, counterclaim or defense, including the defense of usury. No exercise of any of the terms or conditions of the Loan Documents, or any right thereunder, will render any Loan Document unenforceable.

4.3 **No Conflicts.** The execution, delivery and performance of the Loan Documents by each Borrower and each other Credit Party and the transactions contemplated thereby will not (a) conflict with or result in a breach of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any Lien (other than pursuant to the Loan Documents) upon any of the properties and assets of any Borrower or any other Credit Party pursuant to the terms of, any agreement or instrument to which such Borrower or such other Credit Party is a party or by which its property is subject or (b) result in any violation of any Applicable Laws relating to any Borrower, any Credit Party or the property or assets of the foregoing. Other than the entry of the Financing Orders, any consent, approval, authorization, order, registration or qualification of or with any Governmental Authority required for the

execution, delivery and performance by each Borrower and each other Credit Party of the Loan Documents has been obtained and is in full force and effect.

4.4 Litigation. As of the Closing Date, there are no actions, suits or other proceedings at law or in equity by or before any Governmental Authority pending or threatened against or affecting any Borrower, any other Credit Party or any Healthcare Facility or otherwise relating to the operations of any Healthcare Facility, in which the amount of claimed damages, fines or other liabilities is in excess of $500,000, except as set forth on Schedule 4.4 hereto. There are no facts, circumstances or conditions that would reasonably be expected to form the basis for any material investigation, suit, claim, audit, action (legal or regulatory) or proceeding (legal or regulatory) by a Governmental Authority against or affecting any Credit Party relating to any Healthcare Law. There are no actions, suits or other proceedings at law or in equity by or before any Governmental Authority now pending or threatened against or affecting any Borrower, any other Credit Party or any Healthcare Facility (other than the Bankruptcy Cases), which could reasonably be expected to, individually or in the aggregate, have a Material Adverse Effect.

4.5 Restrictive Agreement. No Borrower or Credit Party is a party to any Restrictive Agreement (other than a Restrictive Agreement entered into in connection with a purchase or lease of fixed or capital assets, including real property, that prohibits Liens on such fixed or capital assets).

4.6 Title. Each Borrower and each other Credit Party owns the property granted by it as Collateral under the Collateral Documents, free and clear of any and all Liens (other than Permitted Liens). Upon the entry of the Financing Orders, the Liens granted pursuant to the Collateral Documents will constitute valid and enforceable First Priority Liens on the Collateral in favor of Administrative Agent (for the benefit of itself and the Lenders).

4.7 [Reserved].

4.8 [Reserved].

4.9 Full and Accurate Disclosure. No statement of fact made by any Borrower or any other Credit Party in any Loan Documents contains any untrue statement of a material fact or omits to state any material fact necessary to make statements contained therein not misleading. There is no material fact presently known to any Borrower or any other Credit Party that has not been disclosed to Administrative Agent and Lenders which adversely affects, or, as far as any Borrower or any other Credit Party can foresee, might adversely affect, the Healthcare Facilities or the business, operations or condition (financial or otherwise) of any Borrower or any other Credit Party. All financial data, including the statements of cash flow and income and operating expense, that have been delivered to Administrative Agent and Lenders in respect of each Borrower, each other Credit Party and the Healthcare Facilities (i) are true, complete and correct in all material respects, (ii) accurately represent the financial condition of each Borrower, each other Credit Party and the Healthcare Facilities as of the date of such reports, and (iii) to the extent prepared by an independent certified public accounting firm, have been prepared in accordance with GAAP consistently applied throughout the periods covered, except as disclosed therein. No Credit Party has any contingent liabilities, liabilities for taxes, unusual forward or long-term commitments, unrealized or anticipated losses from any unfavorable commitments or any liabilities or obligations not expressly permitted by this Agreement. Since the financial statements delivered to Administrative Agent and the Lenders dated as of May 31, 2018, except for the filing of the Bankruptcy Cases and the Asset Sales, there has been no material adverse change in the financial condition, operations or business of any Borrower, any other Credit Party or the Healthcare Facilities from that set forth in such financial statements which has not been disclosed to the Administrative Agent in writing.

4.10 Tax Filings. To the extent required, each Borrower and each other Credit Party has filed or has filed on its behalf (or has obtained effective extensions for filing) all federal, state and local tax returns required to be filed and have paid or made adequate provision for the payment of all federal, state and local taxes, charges and assessments payable by each Borrower and each other Credit Party. The tax returns of each Borrower and each other Credit Party (if any) properly reflect the income and taxes of such Borrower and such other Credit Party for the periods covered thereby, subject only to reasonable adjustments required by the Internal Revenue Service or other applicable tax authority upon audit.

4.11 No Plan Assets. As of the Closing Date and at all times thereafter (i) no Credit Party is and will not be an "employee benefit plan," as defined in Section 3(3) of ERISA, (ii) none of the assets of any Credit Party constitutes or will constitute "plan assets" of one or more such plans within the meaning of 29 C.F.R. Section 2510.3-101, (iii) no Credit Party is nor will be a "governmental plan" within the meaning of Section 3(32) of ERISA, and (iv) transactions by or with Credit Parties are not and will not be subject to state statutes regulating investment of, and fiduciary obligations with respect to, governmental plans.

4.12 Compliance. Each Borrower and each other Credit Party is in compliance with the requirements of all Applicable Laws and all Governmental Authorizations applicable to it or to its properties, except in such instances in which (a) such requirement of Applicable Law or order, writ, injunction or decree is being reasonably contested in good faith by appropriate proceedings diligently conducted, or (b) the failure to comply therewith, either individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect.

4.13 Federal Reserve Regulations; Investment Company Act. No part of the proceeds of the Loans will be used for the purpose of purchasing or acquiring any "margin stock" within the meaning of Regulation U of the Board of Governors of the Federal Reserve System or for any other purpose that would be inconsistent with such Regulation U or any other regulation of such Board of Governors, or for any purpose prohibited by Laws or any Loan Document. No Credit Party is (i) an "investment company" or a company "controlled" by an "investment company," within the meaning of the Investment Company Act of 1940, as amended; (ii) a "holding company" or a "subsidiary company" of a "holding company" or an "affiliate" of either a "holding company" or a "subsidiary company" within the meaning of the Public Utility Holding Company Act of 2005, as amended; or (iii) subject to any other Laws which purport to restrict or regulate its ability to borrow money.

4.14 Ownership of Borrowers and other Credit Parties. A list of the holders of the Equity Interests of each Borrower and each other Credit Party is set forth on Schedule 4.14 hereto, and no other Person has any rights and/or claim to any issued or unissued Equity Interest of any Borrower or any other Credit Party, except as set forth on Schedule 4.14.

4.15 Material Contracts. A list of all Material Contracts as of the Closing Date is set forth on Schedule 4.15. Borrowers have delivered to Administrative Agent true and correct copies of all Material Contracts. Each Material Contract is in full force and effect. Except as a result of the filing of the Bankruptcy Cases, there is no default, breach or violation existing thereunder, and no event has occurred (other than payments due but not yet delinquent) that, with the passage of time or the giving of notice, or both, would constitute a default, breach or violation thereunder, by either party thereto. None of the Material Contracts have been amended or modified except pursuant to a written agreement which has been delivered to Administrative Agent.

4.16 Compliance with Environmental Laws. Each Credit Party's past or present operations, real estate or other properties and assets, including the Healthcare Facilities, are not subject to any investigation of any Governmental Authority to determine whether any remedial action is needed to

address any environmental pollution, Hazardous Material or environmental clean-up. No Credit Party has received any Environmental Notice. No Credit Party has any contingent liability with respect to any Environmental Release, environmental pollution or Hazardous Materials on any real estate now or previously owned, leased or operated by it, including the Healthcare Facilities.

4.17 Employee Matters. There are no controversies pending or, to the knowledge of any Credit Party, threatened between any Credit Party and any of its employees, agents or independent contractors, other than employee grievances arising in the ordinary course of business which, in the aggregate, could not reasonably be expected to have a Material Adverse Effect, and each Credit Party is in compliance with all Applicable Laws respecting employment and employment terms, conditions and practices, except for such noncompliance which could not reasonably be expected to have a Material Adverse Effect.

4.18 Intellectual Property. Each Credit Party owns or has the legal right to use adequate Intellectual Property to conduct its business as heretofore conducted by it, except to the extent that any such failure could not reasonably be expected to have a Material Adverse Effect. No claim or litigation regarding any of the foregoing is pending or, to the best knowledge of any Credit Party, threatened, by any Licensor or other Person against any Credit Party, which, either individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect.

4.19 Healthcare Authorizations. Each Borrower and each other Credit Party (a) have, or have made timely application for all Healthcare Authorizations and other rights from, and have made all declarations and filings with, all applicable Governmental Authorities, all self-regulatory authorities and all courts and other tribunals necessary to engage in the ownership, management and operation of the Healthcare Facilities as presently conducted, and (b) have not received a Material Citation, nor have any knowledge that any Governmental Authority is considering limiting, suspending or revoking any Healthcare Authorization. All of such Healthcare Authorizations are valid and in full force and effect and Borrower and each other Credit Party are in material compliance with the terms and conditions of all such Healthcare Authorizations.

4.20 HIPAA Compliance. Each Borrower and other Credit Party and, with respect to the Healthcare Facilities, any Manager (a) is in compliance in all material respects with HIPAA, (b) has undertaken or will promptly undertake all necessary surveys, audits, inventories, reviews, analyses and/or assessments (including any necessary risk assessments) of all areas of its business and operations required by HIPAA and (c) has in a place a HIPAA compliance program and is in material compliance with its HIPAA compliance program. Neither the Borrower nor any other Credit Party has received any request to make available to the Secretary of the U.S. Department of Health and Human Services or any other Governmental Authority any of its internal practices, books and records relating to the use and disclosure of protected health information. There has not been any Breach of PHI as defined at 45 C.F.R. §164.402, or violations of any security policy regarding, or any unauthorized access of, any data or information used by the Borrower and the other Credit Parties.

4.21 Reimbursement; Third-Party Payors. Each Borrower and each other Credit Party has provided to Administrative Agent copies of all participation agreements with Third-Party Payors with respect to the business operations of each Borrower and each other Credit Party. The Healthcare Facilities and the Healthcare Services provided at such Healthcare Facilities are qualified for participation in the Government Reimbursement Programs, and each Borrower and each other Credit Party is entitled to reimbursement under the Government Reimbursement Programs for Healthcare Services rendered at such Healthcare Facilities to qualified beneficiaries, and each Borrower and each other Credit Party complies with the conditions of participation in all Government Reimbursement Programs and related contracts. Each Borrower and each other Credit Party is in compliance in all material respects with

contracts with Non-Government Payors and is entitled to reimbursement under such contracts. Without limitation, there is no condition not complied with that could reasonably be expected to jeopardize participation in any Government Reimbursement Program or related contracts or otherwise could reasonably be expected to have a Material Adverse Effect. Borrowers are in compliance, and will continue to comply, with all requirements for eligibility for supplemental payments under the QAF Program.

4.22 Compliance with Healthcare Laws.

(a) Each Borrower and each other Credit Party has timely filed or caused to be timely filed, all material cost reports and other reports of every kind whatsoever required by a Government Reimbursement Program, to have been filed or made with respect to the business operations of any such Borrower and any such Credit Party. There are no materials claims, actions or appeals filed, pending or threatened (and neither any Borrower nor any other Credit Party has filed any claims or reports which would result in any such material claims, actions or appeals) before any Governmental Authority pertaining to any such Borrower's or any such Credit Party's business operations including any intermediary or contractor, the Provider Reimbursement Review Board or the Administrator of CMS, with respect to any Medicare or Medicaid cost reports or claims filed by any such Borrower or any such other Credit Party, or any disallowance by any Governmental Authority in connection with any audit of such cost reports;

(b) No Borrower, Credit Party or Manager (i) has been served with or received any written search warrant, subpoena, civil investigative demand or contact letter from any Governmental Authority related to its business operations or any Healthcare Facility or (ii) is currently (nor has been) subject to: (1) any investigation, inspection or inquiry by any Governmental Authority related to any license or licensure standards applicable to any Borrower or any other Credit Party; (2) any civil or criminal investigations, inquiries or audits involving and/or related to any federal, state or private payor healthcare fraud and abuse provisions or contractual prohibitions of healthcare fraud and abuse; or (3) any federal, state or private payor inquiry, investigation, inspection or audit regarding any Borrower or any other Credit Party or their activities, including any federal, state or private payor inquiry or investigation of any Person having "ownership, financial or control interest" in any Borrower or any other Credit Party (as that term is defined in 42 C.F.R. §420.201 et seq.) involving and/or related to healthcare fraud and abuse, false claims under 31 U.S.C. §§3729-3731 or any similar contractual prohibition, or any qui tam action brought pursuant to 31 U.S.C. § 3729 et seq.;

(c) No Credit Party, nor any director, officer, shareholder, employee, agent or Person with a "direct or indirect ownership or control interest" (as that phrase is defined in 42 C.F.R. §420.201) in any Borrower or any other Credit Party or Manager: (1) has had a civil monetary penalty assessed against him or her pursuant to 42 U.S.C. §1320a-7a; (2) has been excluded from participation in a Federal Health Care Program (as that term is defined in 42 U.S.C. §1320a-7b); (3) has been convicted (as that term is defined in 42 C.F.R. §1001.2) of any of those offenses described in 42 U.S.C. §1320a-7b or 18 U.S.C. §§669, 1035, 1347, 1518, including any of the following categories of offenses: (A) criminal offenses relating to the delivery of an item or service under any Federal Health Care Program (as that term is defined in 42 U.S.C. §1320a-7b) or healthcare benefit program (as that term is defined in 18 U.S.C. §24b); (B) criminal offenses under federal or state law relating to patient neglect or abuse in connection with the delivery of a healthcare item or service; (C) criminal offenses under Applicable Laws relating to fraud and abuse, theft, embezzlement, false statements to third parties, money laundering, kickbacks, breach of fiduciary responsibility or other financial misconduct in connection with the delivery of a healthcare item or service or with respect to any act or omission in a program operated by or financed in whole or in part by any Governmental Authority; (D) Applicable Laws relating to the interference with or obstruction of any investigations into any criminal offenses described in (1) through (3) above; or (E)

criminal offenses under Applicable Laws relating to the unlawful manufacturing, distribution, prescription or dispensing of a controlled substance; or (4) has been involved or named in a U.S. Attorney complaint made or any other action taken pursuant to the False Claims Act under 31 U.S.C. §§3729-3731 or qui tam action brought pursuant to 31 U.S.C. §3729 et seq.;

(d) Each Borrower and each other Credit Party is and shall continue to be in material compliance with all Applicable Laws relating to its relationships with physicians;

(e) All Persons providing Healthcare Services for or on behalf of any Borrower or any other Credit Party (either as an employee or independent contractor) are appropriately licensed in every jurisdiction in which they hold themselves out as professional health care providers;

(f) Except as previously disclosed in writing to the Administrative Agent, no Credit Party (i) has retained any overpayment received from, or failed to refund any overpayment due to, any Third-Party Payor in violation of any Healthcare Law or contract; or (ii) has received written notice of, or has knowledge of, any overpayment or refunds due to any Third-Party Payor;

(g) Each Borrower and each other Credit Party has developed and implemented a current and effective corporate and health care regulatory compliance program ("*CCP*") in accordance with applicable state and federal guidelines to ensure that all aspects of its operations, its employees and healthcare providers under contract comply with all applicable Healthcare Laws. As of the Closing Date, neither any Borrower nor any other Credit Party (i) is a party to a corporate integrity agreement or (ii) has any reporting or other obligations pursuant to a settlement agreement, plan of correction, or other remedial measure entered into with a Governmental Authority;

(h) Each Credit Party has obtained all necessary accreditations to operate its business as now conducted, and currently is in material compliance with all statutory and regulatory requirements applicable to it;

(i) Each Credit Party and their employees and contractors, in the exercise of their duties on behalf of any Credit Party, is and shall continue to be in compliance in all material respects with all Healthcare Laws, and any Laws applicable to the collections on Accounts, any contracts relating thereto or any other Collateral, or otherwise applicable to its business and properties, a violation of which could materially affect its ability to collect on the Accounts, or, in the case of the Credit Parties, repay the Obligations; and

(j) No Healthcare Authorizations of any Credit Party necessary to conduct its business are currently or are likely to be suspended, revoked, limited or denied renewal at any time, which suspension, revocation, limitation or denial could reasonably be expected to have a Material Adverse Effect.

4.23 Licensed Beds. As of the Closing Date, the number of licensed beds authorized for use in each Healthcare Facility is set forth on Schedule 4.23 hereto.

4.24 No Defaults. No event or circumstance has occurred or exists that constitutes a Default or Event of Default.

4.25 Patriot Act and OFAC Compliance. Neither any Borrower nor any other Credit Party nor any officer, director, shareholder or partner in any Borrower or member of such partner nor any owner of a direct or indirect interest in any Borrower (a) is listed on any Government Lists, (b) is a person who has been determined by competent authority to be subject to the prohibitions contained in

Presidential Executive Order No. 13224 (Sept. 23, 2001) or any other similar prohibitions contained in the rules and regulations of OFAC or in any enabling legislation or other Presidential Executive Orders in respect thereof, (c) has been previously indicted for or convicted of any felony involving a crime or crimes of moral turpitude or for any Patriot Act Offense, (d) is currently under investigation by any Governmental Authority for alleged criminal activity or (e) is currently the subject or target of any Sanctions or located, organized or resident in any country or territory targeted by any Sanctions.

4.26 Survival. All of the representations and warranties in this Article 4 and elsewhere in the Loan Documents (i) shall survive until the repayment in full of the Obligations and the termination of this Agreement as described herein and (ii) shall be deemed to have been relied upon by Administrative Agent and Lenders notwithstanding any investigation heretofore or hereafter made by Administrative Agent or any Lender, or on its or their behalf.

4.27 Subordinated Indebtedness. The Credit Parties have delivered to Administrative Agent true and correct copies of all Subordinated Indebtedness Documents. None of the Subordinated Indebtedness Documents have been amended or modified except pursuant to a written agreement which has been delivered to Administrative Agent. No breach or default (beyond any applicable notice or cure period) has occurred or is continuing under any Subordinated Indebtedness Documents.

4.28 Federal Employer Identification Number. Each Credit Party's federal employer identification number is listed on Schedule 4.27 hereto.

4.29 Appointment of a Trustee or Examiner; Liquidation. No order has been entered in any Bankruptcy Case (a) for the appointment of a Chapter 11 trustee, (b) for the appointment of an examiner with expanded powers (beyond those set forth in Sections 1106(a)(3) and (4) of the Bankruptcy Code) under Section 1104 of the Bankruptcy Code, (c) to convert any Bankruptcy Case to a case under Chapter 7 of the Bankruptcy Code, or (d) to dismiss any Bankruptcy Case, and in each case no Borrower has applied for, consented to or acquiesced in such actions.

4.30 Reorganization Matters.

(a) The Bankruptcy Cases were commenced on the Petition Date in accordance with applicable Law and proper notice thereof.

(b) Proper notice for (i) the motion seeking approval of this Agreement, the other Loan Documents, the Interim Order and Final Order, (ii) the hearing for the approval of the Interim Order (the "***Interim Hearing***") and (iii) the hearing for approval of the Final Order has been given. The Borrowers and Guarantors have given, on a timely basis as specified in the Interim Order and the Final Order, all notices required to be given to all parties specified in the Interim Order and Final Order.

(c) From and after the entry of the Interim Order, and pursuant to and to the extent provided in the Interim Order, the Liens securing the Obligations are valid and enforceable, perfected Liens on all of the Collateral of the Administrative Agent and Lenders with the priority required by the Financing Orders with respect to all Collateral.

(d) After entry of the Interim Order, and pursuant to the Interim Order and Final Order, the Obligations will constitute allowed administrative expense claims in the Bankruptcy Case, having priority over all administrative expense claims and unsecured claims against the Borrowers and Guarantors now existing or hereafter arising, of any kind whatsoever, including, without limitation, all administrative expense claims of the kind specified in Sections 105, 326, 328, 330, 331, 503(a), 503(b), 506(c), 507(a), 507(b), 546(c) 726 (to the extent permitted by Law), 1113, 1114, or any other provision of

the Bankruptcy Code or otherwise, as provided under Section 364(c)(1) of the Bankruptcy Code, subject only to the Carve-Out.

(e) The Interim Order (with respect to the period prior to entry of the Final Order) or the Final Order (with respect to the period on and after entry of the Final Order), as the case may be, is in full force and effect and has not been reversed, stayed, modified, or amended.

(f) Notwithstanding the provisions of Section 362 of the Bankruptcy Code, and subject to the applicable provisions of the Interim Order or Final Order and Section 9.2, as the case may be, on the Revolving Loan Termination Date the Administrative Agent and Lenders shall be entitled to payment of such Obligations and to enforce the remedies provided for hereunder or under applicable Law, without further application to or order by the Bankruptcy Court.

(g) Proper notice for (i) any Asset Sale Motions, Asset Sale Bid Procedure Orders, and Asset Sale Orders, and (ii) the hearing for the approval of any Asset Sale Orders has been given. Borrowers and Guarantors have given on a timely basis all notices required to be given to all parties specified in the applicable Asset Sale Motion, Asset Sale Bid Procedure Order and Asset Sale Order.

ARTICLE 5 AFFIRMATIVE COVENANTS

So long as any Lender shall have any commitment to make any Loan hereunder, or any Loan or other Obligation hereunder shall remain unpaid or unsatisfied, each Borrower and each other Credit Party that is a party hereto covenants and agrees as follows:

5.1 Payment of Obligations. Subject to the entry of appropriate orders of the Bankruptcy Court (if any), each Borrower and each other Credit Party shall pay and discharge as the same shall become due and payable, all its obligations and liabilities, including (a) all tax liabilities, assessments and governmental charges or levies upon it or its properties or assets, unless the same are being reasonably contested in good faith by appropriate proceedings diligently conducted and adequate reserves in accordance with GAAP are being maintained by such Borrower or such other Credit Party; (b) all lawful claims which, if unpaid, would by law become a Lien upon its property (other than Permitted Liens); and (c) all Indebtedness, as and when due and payable (subject to any applicable grace or cure periods), but subject to any subordination provisions contained in any instrument or agreement evidencing such Indebtedness.

5.2 Preservation of Existence, Etc. Each Borrower and each other Credit Party shall (a) preserve, renew and maintain in full force and effect its legal existence and good standing under the Laws of the jurisdiction of its organization; and (b) take all action to maintain all rights, privileges, permits, licenses and franchises necessary or desirable in the normal conduct of its business, except to the extent that failure to do so could not reasonably be expected to have a Material Adverse Effect.

5.3 Maintenance of Properties. Each Borrower and each other Credit Party shall (a) maintain, preserve and protect all of its material properties and equipment necessary in the operation of its business in good working order and condition, ordinary wear and tear excepted; (b) make all necessary repairs thereto and renewals and replacements thereof except where the failure to do so could not reasonably be expected to have a Material Adverse Effect; and (c) use the standard of care typical in the industry in the operation and maintenance of its Healthcare Facilities. Subject to entry of the appropriate order or orders of the Bankruptcy Court (if any), Borrowers will pay or cause to be paid all Taxes on or prior to the date due, and in any event, prior to the date upon which any fine, penalty, interest or cost for nonpayment could be imposed, and furnish to Administrative Agent, upon request, receipted bills of the appropriate taxing authority or other documentation reasonably satisfactory to Administrative Agent

evidencing the payment thereof. If any Borrower shall fail to pay any Taxes in accordance with this section (unless such Taxes are being reasonably contested in good faith by appropriate proceedings diligently conducted and adequate reserves in accordance with GAAP are being maintained by such Borrower or such other Credit Party), Administrative Agent shall have the right, but shall not be obligated, to (for the account of all Lenders) pay such Taxes, and Borrowers shall repay to Administrative Agent, on written demand, any amount paid by Administrative Agent, with interest thereon from the date of the advance thereof to the date of repayment, at the rate applicable during periods of Default hereunder, and such amount shall constitute a portion of the Obligations. Borrowers shall not pay any Taxes or other obligations in installments unless permitted by applicable Laws, and shall, upon the request of Administrative Agent, deliver copies of all notices and bills relating to any Taxes or other charge covered by this section to Administrative Agent.

5.4 Maintenance of Insurance. Subject to entry of the appropriate order or orders of the Bankruptcy Court (if any), each Borrower and each other Credit Party shall maintain at all times insurance on all of their respective properties and assets covering the repair and replacement costs of all such property (including the perils of flood and earthquake) and coverage for business interruption and professional liability, comprehensive general liability and excess liability/umbrella insurance with financially sound and reputable insurance companies, in such reasonable amounts and covering such insurable risks as are at all times reasonably satisfactory to Administrative Agent and with respect to coverage limits, the limits and coverages as in effect on the Closing Date (the "***Required Insurance***").[1] All policies relating to Required Insurance are to contain such other provisions as Administrative Agent reasonably may require to fully protect Administrative Agent's and Lenders' interest in the Collateral and to any payments to be made under such policies. All professional and general liability insurance policies, including umbrella/excess policies, relating to Required Insurance shall name Administrative Agent, on behalf of itself and the Lenders, as an "additional insured," and all property insurance policies relating to Required Insurance shall name Administrative Agent, on behalf of itself and the Lenders, as lender's loss payee. Each loss payable endorsement in favor of Administrative Agent, on behalf of itself and the Lenders, shall provide (x) for not less than thirty (30) days prior written notice to Administrative Agent of the exercise of any right of cancellation or material alteration and (y) that Administrative Agent's, on behalf of itself and the Lenders, right to payment under any property insurance policy will not be invalidated by any act or neglect of, or any breach of warranty or condition by, Borrowers (or any of them) or any other party. If an Event of Default shall have occurred and remain outstanding, Administrative Agent shall have the sole right, in the name of Administrative Agent, on behalf of itself and the Lenders, or Borrowers (or any of them), to file claims under any insurance policies, to receive, receipt and give acquittances for any payments that may be payable thereunder, and to execute any and all endorsements, receipts, releases, assignments, reassignments or other documents that may be necessary to effect the collection, compromise or settlement of any claims under any such insurance policies. In the event any Borrower or any other Credit Party fails to provide Administrative Agent with evidence of the Required Insurance in the manner set forth in this Section 5.4, Administrative Agent (for the benefit of itself and the Lenders) may, following three (3) days' written notice to Borrower Representative, purchase insurance at Borrowers' expense to protect Administrative Agent's and the Lenders' interests in the Collateral. The insurance purchased by Administrative Agent (for the benefit of itself and the Lenders) may, but need not, protect Borrowers' interests in the Collateral, and therefor such insurance may not pay any claim that any Borrower may make or any claim that is made against any Borrower in connection with the Collateral. Borrowers may later request that Administrative Agent cancel any insurance purchased by Administrative Agent, but only after providing Administrative Agent with satisfactory evidence that Borrowers have the Required Insurance. If Administrative Agent purchases insurance covering all or any portion of the Collateral, Borrowers shall be responsible for the costs of such insurance, including interest (at the applicable rate set forth hereunder for Revolving Loans) and other

[1] Ally still reviewing.

charges accruing on the purchase price thereof, until the effective date of the cancellation or the expiration of the insurance, and Administrative Agent may add all of such costs, interest and other charges to the Obligations. The costs of the premiums of any insurance purchased by Administrative Agent may exceed the costs of insurance that Borrowers may be able to purchase on their own.

5.5 Compliance With Laws. Each Borrower and each other Credit Party shall and shall cause any Manager to comply with the requirements of all Applicable Laws (including without limitation any Environmental Laws and Healthcare Laws) and obtain, maintain and comply with all Governmental Authorizations and Healthcare Authorizations, in each instance, applicable to it or to its business or property, in each case except to the extent any failure to comply with the foregoing could not reasonably be expected to have a Material Adverse Effect. Without limiting the generality of the foregoing, if any Environmental Release occurs at any Healthcare Facility or any other properties of any Borrower or any other Credit Party, the applicable Borrower or other Credit Party shall act promptly and diligently to investigate and report to Administrative Agent and all appropriate Governmental Authorities the extent of, and to make appropriate remedial action to eliminate, such Environmental Release, whether or not directed to do so by any Governmental Authority.

5.6 Books and Records. Each Borrower and each other Credit Party shall (a) maintain proper books of record and account, in which full, true and correct entries in conformity with GAAP, consistently applied shall be made of all financial transactions and matters involving the assets and business of such Borrower or such other Credit Party; and (b) maintain such books of record and account in material conformity with all applicable requirements of any Governmental Authority having regulatory jurisdiction over such Borrower or such other Credit Party. Each Credit Party shall maintain or cause to be maintained at all times books and records pertaining to the Collateral in such detail, form and scope as Administrative Agent shall reasonably require.

5.7 Inspection Rights; Field Audits. Each Borrower and each other Credit Party will cause the Bankruptcy Court to provide access, pursuant to court order, to and will permit (and shall direct each Subsidiary and any Manager to permit) agents, representatives, consultants and other independent contractors of Administrative Agent to visit and inspect any of its Healthcare Facilities and other properties, to examine its corporate, financial and operating records, and make copies thereof or abstracts therefrom, to discuss its affairs, finances and accounts with its directors, officers, and independent public accountants, and to conduct a field examination and audit of the Collateral, all at the expense of Borrowers and at such reasonable times during normal business hours and as often as may be reasonably desired (provided that so long as no Event of Default exists, not more than once every three (3) months), and so long as no Event of Default exists, upon reasonable advance notice to Borrower Representative.

5.8 Landlord and Warehouse Agreements. Each Borrower and each other Credit Party shall, upon request, provide Administrative Agent with copies of all existing agreements, and promptly after execution thereof provide Administrative Agent with copies of all future agreements, between any Borrower, any other Credit Party and any landlord, warehouseman, processor, shipper, bailee or other Person that owns any premises at which any Collateral may be kept or that otherwise may possess or handle any Collateral and obtain a Collateral Access Agreement with any such landlord, warehouseman, processor, shipper, bailee or other Person. Upon Administrative Agent's request, each Borrower and each other Credit Party shall deliver to Administrative Agent fully-executed agreements, in form and substance satisfactory to Administrative Agent, between each Borrower and each other Credit Party, the Administrative Agent and the Credit Parties' vendors that provide off-site data storage, network hosting or management, shared application services or other "cloud-based" services to Borrowers or other Credit Parties, which shall provide Administrative Agent with such access to Borrowers' and other Credit Parties' billing and Accounts records as Administrative Agent deems necessary or helpful in connection

with Administrative Agent's and Lenders' audit and inspection rights under the Loan Documents and the collection or realization of or on the Collateral.

5.9 Licenses. Each Borrower and each other Credit Party shall (a) keep each License affecting any Collateral or any other properties and assets of any Credit Party in full force and effect, and pay all Royalties, in each case, except where the failure to do so would not reasonably be likely to result in a Material Adverse Effect (each such License shall be referred to herein as a "***Material License***"); (b) promptly notify Administrative Agent of any proposed modification to any Material License, or entry into any new Material License, in each case at least ten (10) days prior to its closing date; and (c) notify Administrative Agent of any default or breach (beyond any applicable cure period) asserted by any Person to have occurred under any Material License.

5.10 Healthcare Operations.

(a) Each Borrower and each other Credit Party shall maintain in full force and effect, and free from restrictions, probations, conditions or known conflicts which would materially impair the use or operation of any Healthcare Facility for its current use, all Healthcare Authorizations necessary under Healthcare Laws (A) to carry on the business of Borrowers as it is conducted on the Closing Date, and (B) to continue to receive reimbursement thereunder in substantial compliance with all requirements for participation in, and for the licensure required to provide the Healthcare Services that are reimbursable under, any Third-Party Payor programs as to which any Borrower or any other Credit Party receives or has applied for reimbursement as part of its business.

(b) Each Borrower and each other Credit Party shall cause all Healthcare Authorizations and any other agreements necessary for the use and operation of the Healthcare Facilities or as may be necessary for participation in Third-Party Payor programs to remain in full force and effect.

(c) Each Borrower and each other Credit Party shall maintain a CCP to ensure that all aspects of its operations, its employees and healthcare providers under contract comply with all applicable Healthcare Laws, and shall, upon request, allow Administrative Agent and/or any outside consultants from time to time to review such CCP.

(d) If any Healthcare Facility is currently accredited by the Joint Commission, Borrower and each other Credit Party shall (i) maintain such accreditation in good standing and without limitation or impairment, (ii) timely submit to the Joint Commission a plan of correction for any deficiencies listed on any Joint Commission accreditation survey report, and (iii) cure all such deficiencies within such time frame as is necessary to preserve and maintain in good standing and without limitation or impairment such Joint Commission accreditation.

(e) Each Borrower and each other Credit Party shall timely file all cost reports, cost statements, documents, notices and other reports required to be filed by any Governmental Authority or any Third-Party Payor program. All such filings shall be complete and accurate in all material respects and shall comply with all requirements of Applicable Law and all conditions of participation, conditions of payment, contracts, standards, policies, manuals, procedures and other requirements of all applicable Third-Party Payor programs.

(f) All documentation, coding, billing and collection practices of each Borrower and each other Credit Party, and of any billing or collection agent acting on behalf of any Borrower or any other Credit Party, shall be in compliance with all Applicable Laws and all conditions of participation, conditions of payment, contracts, standards, policies, manuals, procedures and other requirements of all applicable Third-Party Payor programs. Each Borrower and each other Credit Party shall document, code,

bill and process claims for reimbursement and report and refund any overpayments received from Third-Party Payor programs in material compliance with all Applicable Law and Third-Party Payor programs.

(g) Each Credit Party shall use commercially reasonable efforts to obtain and provide to Administrative Agent upon request, (i) an accurate, complete and current list of all participation agreements with Third-Party Payors and (ii) Medicare certification letters, in each case, with respect to the business of such Credit Party.

(h) Each Credit Party shall maintain each CON required under applicable Healthcare Laws in full force and effect and free from restrictions or known conflicts which would materially impair the use or operation of such Healthcare Facility for its current use, and shall not permit any such CON to become provisional, probationary or restricted in any way, except for such restrictions existing on the Closing Date with respect to which such Healthcare Facility's operations are compliant.

5.11 Further Assurances. Each Borrower and each other Credit Party shall (a) execute and deliver to Administrative Agent promptly upon request such documents, instruments, certificates, assignments and other writings, and do such other acts necessary or desirable, to evidence, preserve and/or protect the Collateral and/or for the better and more effective carrying out of the intents and purposes of the Loan Documents, as Administrative Agent may reasonably require from time to time including the filing of a financing statement or financing statement change to establish or maintain the validity, perfection and priority of the security interest granted herein in the event of the name change of a Credit Party, delivery of certificated equity interests required to be pledged, execution and delivery of intellectual property security agreements or other actions that are necessary or desirable to perfect the Liens of Administrative Agent on the Collateral; (b) upon Administrative Agent's request therefor given from time to time, pay for reports of UCC, federal tax Lien, state tax Lien, judgment and pending litigation searches with respect to each Borrower and each other Credit Party, each such search to be conducted by search firms designated by Administrative Agent in each of the locations designated by Administrative Agent; and (c) comply with the requirements of all Applicable Laws in order to grant to Administrative Agent, for the benefit of itself and Lenders, valid and perfected First Priority security interests in the Collateral, with perfection, in the case of any investment property, deposit account or letter of credit, being effected by giving Administrative Agent control of such investment property or deposit account or letter of credit.

5.12 [Reserved].

5.13 Environmental Matters. In addition to and without limiting the generality of Section 5.5, each Credit Party shall (a) comply with all applicable Environmental Laws to the extent that noncompliance could reasonably be expected to have a Material Adverse Effect; (b) obtain and comply with any and all Governmental Authorizations required by applicable Environmental Laws to the extent that not obtaining and not complying with such licenses, approvals, notifications, and registrations could reasonably be expected to have a Material Adverse Effect; and (c) conduct and complete all investigations, studies, sampling and testing, and all remedial, removal and other actions required under applicable Environmental Laws following any Environmental Release, and promptly comply with all lawful orders and directives of any Governmental Authority regarding such Environmental Laws, except orders and directives that are being challenged in good faith. Without limiting the generality of the foregoing, if any material Environmental Release occurs at or on any properties of any Credit Party, it shall act promptly and diligently to investigate and report the extent of such Environmental Release to Administrative Agent and, if required by Applicable Law, all appropriate Governmental Authorities, and, to the extent required by Applicable Law, to take appropriate remedial action to address, such Environmental Release, whether or not directed to do so by any Governmental Authority.

5.14 Account Control Agreements. Each Credit Party shall maintain at all times a valid and enforceable account control agreement with respect to each Lockbox Account, the Concentration Account, the Borrower Operating Account and any other deposit account or securities account owned by any Credit Party (other than any deposit account dedicated exclusively to payroll purposes), in each case in form and substance satisfactory to Administrative Agent.

5.15 Patriot Act Compliance.

(a) Each Credit Party shall comply with the Patriot Act and all applicable requirements of Governmental Authorities having jurisdiction over such Credit Party or the Collateral, including those relating to money laundering and terrorism. Administrative Agent shall have the right to audit each Credit Party's compliance with the Patriot Act and all applicable requirements of any Governmental Authority having jurisdiction over any such Credit Party and the Collateral, including those relating to money laundering and terrorism. In the event that any Credit Party fails to comply with the Patriot Act or any such requirements of any such Governmental Authority, then Administrative Agent may, at its option, cause such Credit Party to comply therewith and any and all reasonable costs and expenses incurred by Administrative Agent in connection therewith shall be added to the Obligations, shall be secured by the Collateral and the other Loan Documents and shall be immediately due and payable. For purposes hereof, the term "***Patriot Act***" means the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism (USA PATRIOT ACT) Act of 2001, as the same may be amended from time to time, and corresponding provisions of future laws.

(b) No Credit Party nor any officer, director, shareholder or partner in any Credit Party or member of such partner nor any owner of a direct or indirect interest in any Credit Party (a) is listed on any Government Lists, (b) is a person who has been determined by competent authority to be subject to the prohibitions contained in Presidential Executive Order No. 13224 (Sept. 23, 2001) or any other similar prohibitions contained in the rules and regulations of OFAC or in any enabling legislation or other Presidential Executive Orders in respect thereof, (c) has been previously indicted for or convicted of any felony involving a crime or crimes of moral turpitude or for any Patriot Act Offense, or (d) is currently under investigation by any Governmental Authority for alleged criminal activity.

5.16 Reorganization Milestones. The Borrowers shall timely comply with the Reorganization Milestones, it being expressly understood that time is of the essence.

5.17 Bankruptcy Reports. Promptly after the sending, receiving or filing thereof, copies of all reports, motions, affidavits, statements and other documents that any Borrower sends, receives or files in connection with the Bankruptcy Cases, including all correspondence with the Bankruptcy Court, shall be delivered to Administrative Agent and Lenders.

5.18 Escrow of Asset Sale Proceeds and Deposits. Prior to the date on which the Obligations have been indefeasibly paid in full, all in accordance with the terms of this Agreement, and this Agreement has been terminated (or as otherwise expressly consented to by Administrative Agent on terms and conditions that are acceptable to Administrative Agent, which consent may be withheld in its sole discretion), all proceeds and deposits received by any Borrower in connection with any Asset Sale shall be held in escrow in a deposit account subject to a deposit account control agreement in favor of Administrative Agent (including all subaccounts thereof, the "***Escrow Deposit Account***"). Any funds held in the Escrow Deposit Account shall not be commingled with any other funds of the Borrowers or otherwise. Administrative Agent, on behalf of the Lenders, is hereby granted a first priority Lien on the Escrow Deposit Account and all proceeds of any Asset Sale, including any deposit provided by any Buyer in connection with any Asset Sale, and such proceeds, deposits, and the Escrow Deposit Account shall constitute Collateral hereunder. On the Revolving Loan Termination Date, Administrative Agent shall

apply any and all amounts remaining on deposit in the Escrow Deposit Account to the outstanding principal amount of each Revolving Loan, together with accrued and unpaid Obligations, with any remaining balance to be delivered to Borrowers; provided, however, that upon any Borrower's request and with the consent of the Administrative Agent (which consent may, for the avoidance of doubt, be withheld in its sole discretion), proceeds of any Asset Sales and deposits provided in connection with any Asset Sales may be disbursed to Specified Prepetition Secured Creditors on terms and conditions that are acceptable to the Administrative Agent in its sole discretion.

5.19 Post-Closing Items. Each Borrower and each other Credit Party shall satisfy the requirements, and provide to the Administrative Agent each of the agreements, instruments and documents, in each case described on Schedule 5.19 on or before the date specified for such requirement or delivery on Schedule 5.19 (or such later date as agreed to by the Administrative Agent in its sole discretion), and any failure of the Borrowers and Credit Parties to satisfy any such requirement or delivery shall constitute an immediate Event of Default.

ARTICLE 6 NEGATIVE COVENANTS

So long as any Lender shall have any commitment to make any Loan hereunder, or any Loan or other Obligation hereunder shall remain unpaid or unsatisfied, each Borrower and each other Credit Party that is a party hereto covenants and agrees as follows:

6.1 Liens. Each Borrower and each other Credit Party shall not create, incur, assume or suffer to exist any Lien upon any Collateral or any of its other property, assets or revenues, whether now owned or hereafter acquired, other than Permitted Liens. The designation of any Lien or other encumbrance as a Permitted Lien shall not limit the Administrative Agent's right to take a reserve against Availability with respect thereto. The prohibition provided for in this Section 6.1 specifically includes any effort by any Borrower, any Committee or any other party in interest in the Bankruptcy Cases to prime or create *pari passu* to any claims Liens or interests of the Administrative Agent and the Lenders, other than as set forth in the applicable Financing Order and irrespective of whether such claims, Liens or interests may be "adequately protected."

6.2 Investments. Each Borrower and each other Credit Party shall not make any Investments, except for Permitted Investments.

6.3 Indebtedness. Each Borrower and each other Credit Party shall not create, incur, assume or suffer to exist any Indebtedness, except for Permitted Indebtedness.

6.4 Loans. Each Borrower and each other Credit Party shall not make any loans or other advances of money to any Person, except (a) advances to an officer or employee for salary, travel expenses, commissions and similar items in the ordinary course of business; (b) prepaid expenses and extensions of trade credit made in the ordinary course of business; (c) deposits with financial institutions permitted hereunder; and (d) Permitted Intercompany Loans.

6.5 Asset Dispositions; Settlement of Debts. Each Borrower and each other Credit Party shall not make any Asset Disposition, except a Permitted Asset Disposition (whereupon the net proceeds of any such Permitted Asset Disposition shall be promptly deposited into the Escrow Deposit Account). Each Borrower and each other Credit Party shall not cancel or otherwise forgive or release any claim or debt owed to such Borrower or such other Credit Party by any Person, except for adequate consideration and in the ordinary course of such Borrower's or such other Credit Party's business.

6.6 Distributions. Each Borrower and each other Credit Party shall not declare or make, directly or indirectly, any Distribution, or incur any obligation (contingent or otherwise) to do so.

6.7 Fundamental Changes; Change to Organization Documents. Each Borrower and each other Credit Party shall not (a) engage in any business activity not related to the ownership or operation of the Healthcare Facilities or any business substantially related or incidental thereto, (b) cease operating any material portion of the Healthcare Facilities or its business as conducted on the Closing Date, except with respect to the Seton Cash Burn Elimination Plan, (c) amend any of their respective Organization Documents in a manner adverse to any Credit Party or the Lenders, (d) change their jurisdiction of formation or organization or their type or form of organization (e.g., corporation or limited liability company), (e) change their name or identity (including trade name), (f) change their principal place of business, chief executive office, or location of any Collateral, without providing Administrative Agent at least thirty (30) days' prior written notice of such change in location, or (g) merge, dissolve, liquidate, or consolidate with or into another Person, or transfer (whether in one transaction or in a series of transactions) all or substantially all of its assets (whether now owned or hereafter acquired) to or in favor of any Person. No Borrower or other Credit Party will utilize or enter into any agreement with any remote access or internet-based/cloud-based billing services or records repository provider without first entering into such agreements with Administrative Agent and such service provider, in form and substance satisfactory to Administrative Agent, as Administrative Agent shall deem necessary or helpful in the collection or realization of or on its Collateral.

6.8 Transactions With Affiliates. Each Borrower and each other Credit Party shall not enter into any transaction of any kind with any of such Borrower's or such other Credit Party's Affiliates, except (a) transactions expressly permitted by the Loan Documents; (b) payment of regularly scheduled compensation to officers and employees, and loans and advances permitted by Section 6.4; (c) payment of reasonable directors' fees and directors' indemnities to natural Persons; (d) transactions solely between Credit Parties (provided no indebtedness may exist other than Permitted Intercompany Loans); and (e) transactions with Affiliates that were consummated on or prior to the Closing Date, as shown on Schedule 6.8.

6.9 Use of Proceeds. Each Borrower and each other Credit Party shall not use the proceeds of any Loans, whether directly or indirectly, and whether immediately, incidentally or ultimately, for the purpose of purchasing or acquiring any "margin stock" within the meaning of Regulation U of the Board of Governors of the Federal Reserve System or for any other purpose that would be inconsistent with such Regulation U or any other regulation of such Board of Governors, or for any purpose prohibited by Laws or any Loan Document.

6.10 Payroll Service. Verity Medical Foundation, as a Borrower, shall not fail to maintain a contractual relationship with a payroll tax service provider acceptable to Administrative Agent, in its reasonable discretion, at any time.

6.11 Certain Accounting Changes. Each Borrower and each other Credit Party shall not (a) change its Fiscal Year end or (b) make any change in its accounting treatment and reporting practices except as required or permitted by GAAP.

6.12 Healthcare Matters. Each Borrower and each other Credit Party shall not suffer or permit to occur any of the following:

(a) any transfer of a Healthcare Authorization or rights thereunder to any Person (other than a Borrower or Administrative Agent) or to any location other than a Healthcare Facility approved by Administrative Agent in advance in writing; or

(b) any rescission, withdrawal, revocation, amendment or modification of or other alteration to the nature, tenor or scope of any Healthcare Authorization without Administrative Agent's prior written consent, including (I) any change to the authorized licensed beds or units capacity of any Healthcare Facility and/or the number of licensed beds or units approved by the applicable Governmental Authority, and (II) any transfer all or any part of any Healthcare Facility's authorized units or licensed beds to another site or location.

Notwithstanding the foregoing, no Credit Party shall enter into arrangements which (i) provide remuneration to Persons in return for referrals to any Credit Party; (ii) receive remuneration from Persons in return for referrals by any Credit Party; or (iii) otherwise violate the provisions of the Federal health care program exclusion provisions (42 U.S.C. §1320a-7); the Civil Monetary Penalties Act (42 U.S.C. §1320a-7a), the Federal health care program fraud and abuse provision (42 U.S.C. §1320-7b) and other such Healthcare Laws.

6.13 ERISA. Each Borrower and each other Credit Party shall not engage in any transaction which would cause any obligation, or action taken or to be taken, hereunder (or the exercise by Administrative Agent or any Lender of any of its rights hereunder or the other Loan Documents) to be a non-exempt (under a statutory or administrative class exemption) prohibited transaction under ERISA.

6.14 Management Agreement; Leases, Subordinated Indebtedness and other Material Contracts.

(a) Each Borrower and each other Credit Party shall not retain, substitute or replace any Manager or make or enter into, consent to any modification, amendment, assignment, termination or cancellation of any Management Agreement without the prior written consent of the Administrative Agent. The covenants, agreements and restrictions contained in this Section 6.14 are solely for the purposes of assuring that the Healthcare Facilities are managed and operated in a first-class manner consistent with Healthcare Laws and the preservation and protection of the Healthcare Facilities as security for the Obligations and shall not place responsibility for the control, care, management or repair of the Healthcare Facilities upon Administrative Agent or any Lender, or make Administrative Agent or any Lender responsible or liable for any negligence in the management, operation, upkeep, repair or control of the Healthcare Facilities. No Borrower shall suffer or permit any material breach or default to occur in any of such Borrower's obligations under any Management Agreement, nor suffer or permit the same to terminate by reason of any failure of such Borrower to meet any requirement thereof.

(b) Each Credit Party shall cause any Manager to enter into a Management Fee Subordination Agreement, in form and substance satisfactory to Administrative Agent, pursuant to which (i) all compensation due to such Manager is subordinated in right and time of payment to all Obligations hereunder, (ii) all compensation due to such Manager is subordinated in right and time of payment to all Obligations hereunder, and (iii) Administrative Agent has the right to terminate the engagement of such Manager upon or following the occurrence of any Default or Event of Default.

(c) No Borrower nor any other Credit Party shall amend, otherwise modify or terminate any Lease Agreement, Subordinated Indebtedness Document, Asset Sale Document or other Material Contract except as approved by the Administrative Agent.

6.15 Restrictive Agreements. Each Borrower and each other Credit Party shall not enter into any Restrictive Agreement, except (a) a Restrictive Agreement relating to secured Permitted Indebtedness, if such restrictions apply only to the collateral for such Permitted Indebtedness; and (b) customary provisions in leases and other contracts restricting assignment thereof or Liens in the assets or real property covered thereby.

6.16 Swap Agreements. Each Borrower and each other Credit Party shall not enter into any Swap Agreement.

6.17 IRS Form 8821; Federal Employer Identification Number. Each Borrower and each other Credit Party shall not alter, amend, restate, or otherwise modify, or withdraw, terminate or re-file the IRS Form 8821 required to be filed pursuant to Section 3.1(f). No Borrower or other Credit Party shall change its federal employer identification number.

6.18 Burdensome Agreements. Each Borrower and each other Credit Party shall not, directly or indirectly, enter into any Contractual Obligation (other than this Agreement and any other Loan Document) that (a) limits the ability (i) of any Credit Party or any Subsidiary to make Distributions to any Credit Party or to otherwise transfer property to any Credit Party, (ii) of any Credit Party or any Subsidiary to guarantee the Indebtedness of any Credit Party or (iii) of any Credit Party or any Subsidiary to create, incur, assume or suffer to exist Liens on property of such Person (other than Permitted Liens and customary anti-assignment provisions in leases, sub-lease, licenses, sub-licenses and contracts); or (b) requires the grant of a Lien to secure an obligation of such Person if a Lien is granted to secure another obligation of such Person.

6.19 Interim Order; Final Order; Asset Sale Order; Administrative Expense Priority; Payments.

(a) No Borrower will seek, consent to or suffer to exist at any time any modification, stay, vacation or amendment of the Interim Order, the Final Order or any Asset Sale Order, except for modifications and amendments joined in or agreed to in writing by Administrative Agent.

(b) No Borrower will suffer to exist at any time a priority for any administrative expense or unsecured claim against any Borrower (now existing or hereafter arising of any kind or nature whatsoever, including, without limitation, any administrative expense of the kind specified in Sections 503(b) and 507(b) of the Bankruptcy Code) equal or superior to the priority of Administrative Agent and the Lenders in respect of the Obligations, except for the Carve-Out.

(c) Prior to the date on which the Obligations have been indefeasibly paid in full, all in accordance with the terms of this Agreement, and this Agreement has been terminated, no Borrower will (i) pay any administrative expenses pursuant to Section 503(b) of the Bankruptcy Code, except (A) administrative expenses incurred in the ordinary course of business of the Borrowers or approved by an order of the Bankruptcy Court and (B) Allowed Fees payable under Section 330 and 331 of the Bankruptcy Code, or (ii) permit or seek to permit the granting of adequate protection in favor of any Person.

(d) Except as provided in the Financing Orders, no Borrower will waive any claims under Section 506(c) of the Bankruptcy Code, or take any other action Administrative Agent deems adverse to Administrative Agent or the Lenders or their rights and remedies under the Loan Documents.

6.20 Bankruptcy Actions.

(a) No Borrower shall enter into any agreement to return any of its inventory or other Collateral outside the ordinary course of business to any of its creditors for application against any prepetition Indebtedness, prepetition trade payables, or other prepetition claims under Section 546(h) of the Bankruptcy Code or allow any creditor to take any setoff or recoupment against any of its prepetition Indebtedness, prepetition trade payables, or other prepetition claims based upon any such return pursuant to Section 553(b)(1) of the Bankruptcy Code or otherwise.

(b) No Borrower shall make (i) any payments on account of any creditor's claims against any Borrowers (including any defeasance with respect to any bonds or other Indebtedness) or, except pursuant to the Budget, any other payments or transfers with respect to any Lien or Indebtedness, (ii) payments on account of claims or expenses arising under Section 503(b)(9) of the Bankruptcy Code, (iii) payments in respect of a reclamation program, or (iv) payments under any management incentive plan or on account of claims or expenses arising under Section 503(c) of the Bankruptcy Code, except in each case, in amounts and on terms and conditions that (A) are approved by order of the Bankruptcy Court and (B) are expressly permitted by the Budget, or otherwise approved by the Administrative Agent in writing. Without limiting the foregoing, no Borrower shall make any adequate protection payments (including any adequate protection payment to a Specified Prepetition Secured Creditor otherwise permitted hereby or by the Financing Orders) during the continuance of a Default or Event of Default.

(c) No Borrower shall insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law or other law wherever enacted (to the extent that it may lawfully do so), now or at any time hereafter in force, that may affect the covenants or the performance of its obligations under this Agreement or the other Loan Documents, and each Credit Party hereby expressly waives all benefit or advantage of any such law, and covenants that it shall not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to Lenders, but shall suffer and permit the execution of every such power as though no such law has been enacted. Without limiting the foregoing, no Borrower shall obtain, or seek to obtain, any stay on the exercise of the remedies of the Administrative Agent or any Lender hereunder, under any Loan Document or the Financing Orders.

(d) No Borrower shall incur, create, assume, suffer to exist or permit any other super-priority administrative claim which is *pari passu* with or senior to the claims of Administrative Agent and the Lenders against the Borrowers, except as set forth in the applicable Financing Order.

(e) No Borrower shall seek, consent to, or permit to exist, without the prior written consent of the Administrative Agent, any order granting authority to take any action that is prohibited by the terms of this Agreement or the other Loan Documents or refrain from taking any action that is required to be taken by the terms of this Agreement or any of the other Loan Documents.

6.21 Right of Subrogation. No Credit Party shall assert any right of subrogation or contribution against any Credit Party or Subsidiary.

6.22 Subsidiaries. No Credit Party shall create or acquire any Subsidiary other than the Subsidiaries listed on Schedule 4.14.

ARTICLE 7 FINANCIAL COVENANTS

7.1 Maximum Budget Variance. Except as otherwise approved by Administrative Agent, Borrowers shall not permit the (a) aggregate actual disbursements under the Budget for any Test Period (as tested weekly) to exceed the aggregate budgeted disbursements for such Test Period by more than seven and one half percent (7.5%) of the aggregate budgeted amount for such Test Period; provided that with respect to the foregoing clause (a), the amount by which the actual disbursements thereunder during such period are less than the relevant budgeted disbursements may be carried forward to reduce the disbursements under clause (a) in the next succeeding periods until used in full; or (b) aggregate actual cash receipts under the Budget for any Test Period (as tested weekly) to be less ninety-two and one half percent (92.5%) of the aggregate budgeted cash receipts for such Test Period; provided that with respect to the foregoing clause (b), the amount by which the actual cash receipts thereunder during such period

are greater than the relevant budgeted cash receipts may be carried forward to increase the cash receipts under clause (b) in the next succeeding periods until used in full.

7.2 Minimum Liquidity. From the entry of the Interim Order until the entry of the Final Order, Minimum Liquidity shall not be less than the greater of $3,000,000 and 10% of Availability, as tested weekly for the most recent Test Period then ended. After entry of the Final Order, Minimum Liquidity shall not be less than the greater of $10,000,000 and 10% of Availability, as tested weekly for the most recent Test Period then ended; provided, however, Minimum Liquidity shall not be less than the greater of $15,000,000 and 15% of Availability, as tested weekly for the most recent Test Period then ended, if (i) the Borrowers have failed to file with the Bankruptcy Court within thirty (30) days following the Petition Date either (A) the Saint Louise/O'Connor Hospital Bid Procedures Motion, or (B) the Consolidated Sale Motion, in each case unless and until either the Saint Louise/O'Connor Hospital Bid Procedures Motion or the Consolidated Sale Motion is thereafter filed with the Bankruptcy Court within sixty (60) days following the Petition Date, or (ii) the Borrowers have failed to present to the Administrative Agent the Seton Cash Burn Elimination Plan within sixty (60) days following the Petition Date.

ARTICLE 8 NOTICES AND REPORTING

8.1 Notices.

(a) All notices, consents, approvals and requests required or permitted hereunder or any other Loan Document shall be given in writing and shall be effective for all purposes if either hand delivered with receipt acknowledged, or by a nationally recognized overnight delivery service (such as Federal Express), or by certified or registered United States mail, return receipt requested, postage prepaid, or, with respect to routine or administrative notices (but specifically excluding notices of Default, Events of Default or acceleration of the Loans) by electronic mail, in each case addressed as follows (or to such other address or Person as a party shall designate from time to time by notice to the other party):

A notice given hereunder or any other Loan Document shall be deemed to have been given: in the case of hand delivery, at the time of delivery; in the case of registered or certified mail, when delivered or the first attempted delivery on a Business Day; in the case of overnight delivery, upon the first attempted delivery on a Business Day; or, in the case of electronic mail, at the time of delivery.

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that, the foregoing shall not apply to notices to any Lender pursuant to Article 2 if such Lender has notified the Administrative Agent that it is incapable of receiving notices under such Article 2 by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that, approval of such procedures may be limited to particular notices or communications. Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement); provided that, if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient, and (ii) notices or communications posted to an internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(c) THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF ANY MATERIALS OR INFORMATION PROVIDED BY OR ON BEHALF OF THE BORROWERS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM ANY MATERIALS OR INFORMATION

PROVIDED BY OR ON BEHALF OF THE BORROWERS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH ANY MATERIALS OR INFORMATION PROVIDED BY OR ON BEHALF OF THE BORROWERS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Affiliates, partners, directors, officers, employees, agents, trustees, administrators, managers, advisors and representatives (collectively, the "***Agent Parties***") have any liability to the Borrowers, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrowers' or the Administrative Agent's transmission of any materials or information provided by or on behalf of the Borrowers through the internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Agent Party; provided, however, that in no event shall any Agent Party have any liability to the Borrowers, any Lender or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages). As used in this Section 8.1, "***Platform***" means any electronic system, including Intralinks®, ClearPar® and any other internet or extranet-based site, whether such electronic system is owned, operated or hosted by the Administrative Agent, any other Agent Party or any other Person, providing for access to data protected by passcodes or other security system.

8.2 **Required Notices from Credit Parties.** Each Borrower and each other Credit Party shall promptly, and in any event within three (3) Business Days after such Person or any Authorized Officer of such Person obtains knowledge thereof, provide telephonic and written notice to Administrative Agent and each Lender of any of the following applicable to it:

(a) the commencement of any litigation, proceedings or investigations, including those by or before any Governmental Authority, and all actions and proceedings in any court or before any arbitrator against or involving any Borrower or any other Credit Party or any of its properties, assets or businesses in which the amount of claimed damages, fines or other liabilities is $500,000 or more;

(b) any Material Citation or other notice of any material violation received by any Borrower or any other Credit Party from any Governmental Authority, including any notice of violation of Healthcare Laws or Environmental Laws or any rescission or threatened revocation of any Healthcare Authorization;

(c) any attachment, judgment, Lien, levy or order exceeding $250,000.00 that may be assessed against any Borrower or any other Credit Party;

(d) the occurrence of any "reportable event" (as defined in ERISA) which might result in the termination by the PBGC of any Plan covering any officers or employees of any Credit Party, any benefits of which are, or are required to be, guaranteed by the PBGC, (y) receipt of any notice from the PBGC of its intention to seek termination of any Plan or appointment of a trustee therefor or (z) its intention to terminate or withdraw from any Plan;

(e) the occurrence of any Default or Event of Default;

(f) any material Environmental Release by any Credit Party or on any Healthcare Facility or any other property owned, leased or occupied by any Credit Party; or receipt of any Environmental Notice;

(g) copies of all material reports, if any, submitted to any Borrower, its Board of Directors or members by its independent public accountants in connection with their auditing function, including any management report and any management responses thereto or any notice given or received regarding the discharge of or any withdrawal or resignation by any Borrower's or Credit Party's certified independent accountants;

(h) promptly after any material property owned or used by any Borrower or any other Credit Party is materially damaged or destroyed, or suffers any other material loss in excess of $1,000,000;

(i) (i) the receipt of any complaint, notice or request from any Governmental Authority or Government Reimbursement Program regarding any investigation or claim of liability, (ii) any pending, threatened or actual investigation or survey of any Borrower, any other Credit Party, or their directors, officers or managing employees by any Third-Party Payor, (iii) any Borrower or any other Credit Party becoming a party to a corporate integrity agreement with the Office of Inspector General of the Department of Health and Human Services, (iv) any Borrower or any other Credit Party entering into any settlement agreement with any Governmental Authority, (v) any Borrower or any other Credit Party becoming a defendant in any qui tam/False Claims Act litigation, (vi) any Borrower or other Credit Party being served with or receiving any search warrant, subpoena, civil investigative demand or contact letter by or from any federal or state enforcement agency relating to an investigation, but only to the extent that a Borrower or other Credit Party or any Contract Provider material to the applicable Healthcare Facility is the subject of any such investigation, or (viii) any Borrower or other Credit Party becoming subject to any written complaint filed with or submitted to any Governmental Authority having jurisdiction over such Borrower or Credit Party or filed with or submitted to such Borrower or such Credit Party pursuant to their policies relating to the filing or submissions of such types of complaints, from employees, independent contractors, vendors, physicians, or any other Person that would indicate that such Borrower or such Credit Party has violated any Law; the violation thereof which could reasonably be expected to have a Material Adverse Effect;

(j) the receipt of any cost reports, operating surveys, rate reports, rate computation reports, licensing reports, deficiency notices, recoupment orders or similar reports from any Government Reimbursement Program, each together with true and correct copies thereof;

(k) any termination or default (after the lapse of any cure period) or any material notice given or received by a Borrower or any other Credit Party under any Material Contract;

(l) the assertion of any Intellectual Property claim, if an adverse resolution could reasonably be expected to have a Material Adverse Effect; or

(m) the occurrence of any event or circumstance that could reasonably be expected to result in a Material Adverse Effect.

8.3 Borrowing Base Certificates. Each time a Loan is requested and, in any event and regardless of whether a Loan is being requested, not later than Thursday of each week during the Availability Period (and more frequently if Administrative Agent shall request from time to time), Borrower Representative shall deliver to Administrative Agent and each Lender: (A) a Borrowing Base Certificate in form and substance satisfactory to Administrative Agent and signed by an Authorized Officer of Borrower Representative, (B) an aging of gross accounts receivable for Borrowers in form and substance satisfactory to Administrative Agent, and (C) such other information in respect of Eligible Accounts and other Collateral as Administrative Agent may reasonably request, all prepared in accordance with GAAP and in a form reasonably satisfactory to Administrative Agent.

8.4 Financial Statements, Compliance Certificates and Projections.

(a) Weekly.

(i) Commencing on the second Wednesday after the Petition Date and continuing on Wednesday of each week thereafter, Borrowers shall provide a "Variance Report" to Administrative Agent, certified by an Authorized Officer of each Borrower, containing (A) a reconciliation for the immediately preceding week (or two weeks, with respect to the first such report) of budgeted and actual revenue and expense/disbursement amounts, noting therein all variances, on a line-item basis, from amounts set forth for such period in the Cash Flow Forecast, (B) a written narrative explanation (including (1) the cause of the variance, (2) whether this variance is expected to impact the Budget, (3) if known, the degree to which the variance is a permanent variance from the Budget and (4) if appropriate, how the source of such variance will be addressed in subsequent forecasts) if (w) actual disbursements under any line item on the Budget for any week or the then most recently ended Test Period exceed the budgeted disbursements for either such period in such line item by more than ten percent (10%), (x) aggregate actual disbursements under the Budget for any week or the then most recently ended Test Period exceed the aggregate budgeted disbursements for either such period by more than seven and one half percent (7.5%), (y) actual cash receipts under any line item on the Budget for any week or the then most recently ended Test Period are less than ninety percent (90%) of the budgeted cash receipts for either such period in such line item or (z) aggregate actual cash receipts during any week or the then most recently ended Test Period are less than ninety-two and one half percent (92.5%) of aggregate projected cash receipts set forth in the Budget for either such period, (C) an update of the Cash Flow Forecast to reflect the prior week's actual cash receipts and disbursements, and, as appropriate, an update to the remaining weeks under the then-current Cash Flow Forecast, and (D) an aged report listing current gross accounts receivable and current postpetition accounts payable.

(ii) Contemporaneously with delivery of the Variance Report referred to in clause (a)(i) above, Borrowers shall deliver to Administrative Agent and each Lender a Compliance Certificate executed by an Authorized Officer of Borrower Representative.

(b) Monthly.

(i) As soon as available, but in no event later than thirty (30) days after the last day of each calendar month, Borrowers shall deliver to Administrative Agent and each Lender consolidated and consolidating financial statements of Borrowers, the other Credit Parties and their Subsidiaries for such month certified by an Authorized Officer of Borrower Representative, which consolidated and consolidating financial statements shall include the consolidated and consolidating balance sheet of Borrowers, the other Credit Parties and their Subsidiaries at the end of such month and the consolidated and consolidating statement of income, statement of retained earnings and statement of cash flows for such month, all of which shall be in reasonable detail and prepared in accordance with GAAP.

(ii) Contemporaneously with delivery of financial statements referred to in clause (a)(i) above, Borrowers shall deliver to Administrative Agent and each Lender: (A) a Compliance Certificate executed by an Authorized Officer of Borrower Representative, (B) evidence satisfactory to Administrative Agent that all federal and state taxes to the extent such federal and state taxes are due, if any, have been paid in full, including payroll taxes, and (C) a reconciliation of the account trial balance for accounts receivable to the general ledgers.

(iii) On the first Thursday of each month following the Petition Date, Borrowers shall deliver to Administrative Agent and each Lender (A) an updated "rolling" 13-week Cash Flow Forecast in a form similar to the Initial Cash Flow Forecast, which, once approved in writing by the Administrative Agent in its reasonable discretion, shall supplement and replace the prior Cash Flow Forecast without further notice, motion, application to, order of, or hearing before the Bankruptcy Court; (B) a reconciliation of the immediately preceding month's budgeted and actual revenue and expense/disbursement amounts to the corresponding period in the Initial Budget; (C) if there has been a material change in the then current Budget (and in any case if requested by Administrative Agent) an updated budget in a form similar to the Initial Budget (the most recent such updated Budget, the "***Updated Budget***"), which, once approved in writing by the Administrative Agent in its reasonable discretion, shall supplement and replace the prior Budget without further notice, motion, application to, order of, or hearing before the Bankruptcy Court; and (D) if an Updated Budget has been delivered, a reconciliation of the immediately preceding month's budgeted and actual revenue and expense/disbursement amounts to the corresponding period in the Updated Budget.

(c) [Reserved].

(d) Annually.

(i) As soon as available and in any event within one hundred twenty (120) days after the last day of each Fiscal Year, Borrowers shall deliver to Administrative Agent and each Lender: (A) the consolidated and consolidating balance sheet of Borrowers, the other Credit Parties and their Subsidiaries as at the end of such Fiscal Year and the related consolidated and consolidating statements of income, stockholders' equity and cash flow for such Fiscal Year, setting forth in each case in comparative form the corresponding figures for the previous Fiscal Year, in reasonable detail and consistent in all material respects with the manner of presentation as of the Closing Date and (B) which shall be certified by an Authorized Officer of Borrower Representative.

(e) Upon Request. Borrowers shall deliver to Administrative Agent and Lenders such other financial reports and other information regarding the operations, business affairs and financial condition of Borrowers and the other Credit Parties as Administrative Agent may reasonably request.

8.5 Protected Health Information. All written information, reports, statements and other papers and data furnished by or on behalf of each Borrower and each other Credit Party to Administrative Agent and Lenders shall be furnished by each Borrower and each other Credit Party in material compliance with all Applicable Laws regarding the use and/or disclosure of patient health information, including, but not limited to, regulations, standards and rules promulgated under the HIPAA. Each Borrower and each other Credit Party, agrees not to include or disclose any "protected health information" in any such information, reports, statements and other papers or data furnished by or on behalf of each Borrower and each other Credit Party to Administrative Agent and Lenders and further agrees to indemnify Administrative Agent and each Lender pursuant to Section 11.15 for any Indemnified Liabilities Administrative Agent or any Lender may incur as a result of the provision of any "protected health information," other than any breach by Administrative Agent or such Lender that results from its own gross negligence or willful misconduct.

ARTICLE 9 DEFAULTS AND REMEDIES

9.1 Events of Default. An "Event of Default" shall exist hereunder if any of the following shall occur:

(a) **Payment:** If any Borrower fails to make any payment of principal on the Loans when due, including any overadvance pursuant to Section 2.5, or fails to make any payment of interest when due and such failure shall continue unremedied for a period of two (2) Business Days;

(b) **Other Obligations:** If any Borrower fails to make any payment of fees, Expenses or other monetary obligations (other than as described in Section 9.1(a)), arising out of or incurred in connection with this Agreement and the other Loan Documents on the date any such payment is due and payable, and such failure continues for a period of three (3) Business Days;

(c) **Covenants:** If any Borrower or any other Credit Party:

(i) shall be in violation, breach or default of, or shall fail to perform, observe or comply with any covenant, obligation or agreement set forth in (A) Sections 5.2, 5.4, 5.7, 5.11, 5.14 or 5.16 of this Agreement or (B) Article 6, Article 7 (at such time as written notice thereof is given to Borrowers by Administrative Agent) or Article 8 of this Agreement; or

(ii) shall be in violation, breach or default of, or shall fail to perform, observe or comply with, any other covenant, obligation or agreement in this Agreement or any other Loan Document (other than any such covenant, obligation or agreement described in Sections 9.1(a), 9.1(b), or 9.1(c)(i) above), and such violation, breach, default or failure continues for a period of thirty (30) calendar days after the earlier of (i) the date on which any Authorized Officer of any Borrower or other Credit Party first knew or became aware (or should have known or been aware) of such failure, violation, breach or default, and (ii) the date on which written notice thereof is given to Borrowers by Administrative Agent;

(d) **Representations, Warranties and Information:** If any representation or warranty made, or financial or other information provided, by any Borrower or any other Credit Party or Affiliate thereof in this Agreement and any other Loan Document, or in any report, certificate, financial statement or other instrument, agreement or document that is delivered in connection with the Loan Documents shall be false or misleading in any material respect (except that such materiality qualifier shall not be applicable to any representations and warranties that already are qualified or modified by materiality in the text thereof) as of the date the representation or warranty was made or the financial or other information was provided;

(e) **[Reserved];**

(f) **Other Indebtedness:** If (i) any Borrower or any other Credit Party shall default beyond any grace period in the payment of principal or interest of any Indebtedness of such Credit Party in excess of $100,000 in the aggregate to any Person (other than to the Administrative Agent and Lenders under Section 9.1(a) or (b)), or (ii) any Borrower or any other Credit Party otherwise defaults under the terms of any such Indebtedness and the holder of such Indebtedness accelerates the payment of such Credit Party's obligations thereunder prior to the maturity date or prior to the regularly scheduled date of payment (without regard to the provisions of any intercreditor agreement that would restrict the ability of the holder to so accelerate or exercise any remedies), in the case of (i) or (ii), other than defaults existing prior to the Petition Date or occurring solely as a result of the commencement of the Bankruptcy Cases or resulting from a Permitted Asset Disposition or entry into the Financing Orders;

(g) **Loan Documents Validity and Enforceability**: The validity or enforceability of any Loan Document shall at any time for any reason be declared to be null and void, or a proceeding shall be commenced by any Borrower, any other Credit Party or any Affiliate thereof, or by any Governmental Authority, seeking to establish the invalidity or unenforceability thereof, or any Borrower or any other Credit Party or any Affiliate of any of the foregoing that is a party thereto shall deny that it has any liability or obligation purported to be created under any Loan Document or shall otherwise attempt to rescind any of their obligations under the Loan Documents;

(h) **Loan Documents**: The occurrence of any event identified in any other Loan Document as an Event of Default;

(i) **Liens**: If any Lien in favor of Administrative Agent shall cease to be a valid, enforceable First Priority Lien or if any Borrower, any Credit Party, any Affiliate of any of the foregoing or any Governmental Authority shall assert any of the foregoing;

(j) **Deposit Account Agreement Instructions**: If (i) any instruction or agreement relating to any Lockbox Account, or any related depository account is amended or terminated without the written consent of Administrative Agent, (ii) any Credit Party instructs or gives any notice to a Deposit Account Bank to cause amounts on deposit in any Lockbox Account to be transferred or disposed of other than as required under Section 2.4, (iii) any Borrower fails to forward any Collections to the applicable Lockbox Account as required under Section 2.4, (iv) any Borrower directs any Account Debtor to make a payment in respect of any Account to any place or deposit account other than the applicable Lockbox Account as required under Section 2.4, or (v) any Borrower fails to remit any other Collections it receives to the Concentration Account in the time period provided under Section 2.4;

(k) **Healthcare Laws and Healthcare Authorizations**: If any of the following shall occur:

(i) any Healthcare Authorizations of any Borrower or any other Credit Party necessary for the operation of any Healthcare Facility in all material respects as presently operated shall be revoked, fail to be renewed, restricted, suspended or terminated;

(ii) any Borrower or any other Credit Party shall fail to be eligible for any reason to participate in any Government Reimbursement Program or to accept assignments or rights to reimbursement thereunder;

(iii) any Non-Government Payor shall terminate, revoke or fail to renew any Borrower's or any other Credit Party's right to participate in any program that provides reimbursement for Healthcare Services, and such termination, revocation or failure to renew has or could reasonably be expected to have a Material Adverse Effect;

(iv) any Credit Party or any Authorized Officer shall have been found guilty of an act of fraud or shall have been indicted for or convicted of a felony crime that relates to any Healthcare Services, any Government Reimbursement Program or any other reimbursement program with a Third-Party Payor; or

(v) If any Credit Party is found to have been overpaid by a Government Account Debtor by more than $1,000,000 (individually or the aggregate) during any period covered by an audit conducted by such Government Account Debtor, and such overpayment is not repaid within 30 days of its due date or subject to an extended repayment plan or similar

agreement with a Governmental Authority, unless the same is being contested in good faith and reserved for in a manner reasonably acceptable to the Administrative Agent;

(l) **Material Contracts**: If (i) a default or event of default shall occur under any Material Contract, any Asset Sale Document or any Lease Agreement that has not been cured within the time period set forth therein, or (ii) the termination of any Material Contract or any Lease Agreement;

(m) **Change of Control**: If any Change of Control shall occur;

(n) **Judgments**: If one or more judgments, orders, or awards for the payment of money involving an aggregate amount of $250,000, or more (except to the extent fully covered by insurance pursuant to which the insurer has not denied coverage) is entered or filed against any Borrower or any other Credit Party, or with respect to any of their respective assets, and either (a) there is a period of thirty (30) consecutive days at any time after the entry of any such judgment, order, or award following obtaining relief from the automatic stay during which (1) the same is not discharged, satisfied, vacated, or bonded pending appeal, or (2) a stay of enforcement thereof is not in effect, or (b) enforcement proceedings are commenced upon such judgment, order, or award;

(o) **Material Adverse Change**: If any material adverse change occurs in the Collateral, business, property, assets, prospects, operations or condition, financial or otherwise of any Borrower or any other Credit Party, or the occurrence of any other event which has or would have a Material Adverse Effect;

(p) **Admissions Default**: Any Governmental Authority ceases to permit new patients to be admitted to any Healthcare Facility other than in connection with the Seton Cash Burn Elimination Plan or Permitted Asset Dispositions; or

(q) **Bankruptcy Defaults**:

(i) if (i) any of the Bankruptcy Cases is converted to a case under Chapter 7 of the Bankruptcy Code, or (ii) any of the Bankruptcy Cases is dismissed, or (iii) any Credit Party shall file a motion or other pleading seeking the dismissal of the Bankruptcy Cases under Section 1112 of the Bankruptcy Code or otherwise or the conversion of the Bankruptcy Cases to Chapter 7 of the Bankruptcy Code;

(ii) if a Chapter 11 trustee, receiver or an examiner with enlarged powers relating to the operations of the Borrowers' business (beyond those set forth under Sections 1106(a)(3) and (4) of the Bankruptcy Code) is appointed pursuant to Section 1104 of the Bankruptcy Code in any of the Bankruptcy Cases;

(iii) except with respect to the Carve-Out, the existence of any claims or charges, or the entry of any order of the Bankruptcy Court authorizing any claims or charges entitled to any super-priority administrative expense claim status or any Lien that is *pari passu* with or senior to those of Administrative Agent and the Lenders is granted to any Person other than Administrative Agent;

(iv) the entry of any order by the Bankruptcy Court granting, or the filing by any Credit Party or any of its Subsidiaries of any motion or other request with the Bankruptcy Court (in each case, other than the Financing Orders and motions seeking entry thereof or permitted amendments or modifications thereto) seeking, authority to use any cash proceeds of any of the Collateral without the Administrative Agent's consent or to obtain any financing under

Section 364 of the Bankruptcy Code, in each case, other than as permitted by the Loan Documents or the Financing Orders

(v) if any Credit Party shall file a motion seeking, or the Bankruptcy Court shall enter an order granting, relief from or modifying the automatic stay of Section 362 of the Bankruptcy Code (A) to allow any creditor (other than the Administrative Agent) to execute upon or enforce a Lien on any Collateral having a value in excess of $50,000, (B) approving any settlement or other stipulation not approved by the Administrative Agent with any secured creditor of any Credit Party providing for payments as adequate protection or otherwise to such secured creditor, (C) with respect to any Lien of or the granting of any Lien on any Collateral to any federal, state or local environmental or regulatory agency or authority, which in either case involves a claim of $100,000 or more or (D) permit other actions not permitted hereunder that could reasonably be expected to have a Material Adverse Effect;

(vi) if any Borrower's or Guarantor's Board of Directors (or other governing body) shall authorize the liquidation of such Borrower's or Guarantor's business pursuant to one or more Section 363 sales or otherwise, or shall file any motion under Section 363 of the Bankruptcy Code, other than pursuant to the Asset Sale Documents, or as otherwise consented to in writing by Administrative Agent and the Required Lenders, other than the Seton Cash Burn Elimination Plan;

(vii) if any Borrower or Guarantor shall fail to comply with or perform any of the terms, conditions, covenants or other obligations under the Interim Order, the Final Order or any Asset Sale Order or to perform in any material respect its obligations under any order of the Bankruptcy Court approving bidding procedures;

(viii) the failure of the Closing Date to occur within three (3) Business Days after entry of the Interim Order without the prior written consent of Administrative Agent;

(ix) if the Final Order has not been entered within thirty (30) days after the date the Interim Order is entered without the prior written consent of Administrative Agent;

(x) if the Borrowers fail to achieve any Reorganization Milestones as and when required, except as otherwise consented to in writing by Administrative Agent;

(xi) except in connection with any Asset Sale, any assumption or rejection of any executory contract without the prior written consent of Administrative Agent;

(xii) (A) the amendment, modification, reversal, revocation, issuance of a stay or order to vacate or supplement the Interim Order, the Final Order, any Asset Sale Order or any other order of the Bankruptcy Court affecting this Agreement, any other Loan Document, any Asset Sale or the transactions contemplated hereby or thereby, in each case, in any manner not acceptable to Administrative Agent and the Required Lenders, (B) the filing of a motion by a Credit Party for reconsideration with respect to the Interim Order, the Final Order or the Cash Management Order, (C) the Interim Order, the Final Order or the cash management order, as applicable, shall otherwise not be in full force and effect or (D) the termination of any Asset Purchase Agreement by the applicable Buyer;

(xiii) if the Confirmation Order shall fail to provide for the payment in full, in cash of all Obligations on or before the Reorganization Effective Date;

(xiv) the circulation or distribution by or on behalf of the Borrowers of any plan of reorganization and/or disclosure statement, or draft thereof (or term sheet or similar indicative statements of terms thereof) that does not provide for repayment in full in cash of all Obligations before or at the Reorganization Effective Date;

(xv) if (A) any Plan Documentation is executed, filed, delivered, or any confirmation order is entered which is not acceptable to the Administrative Agent in its sole discretion or does not provide for repayment in full in cash of all Obligations before or at the Reorganization Effective Date or any of the Credit Parties or their Subsidiaries shall seek, support or fail to contest in good faith the filing or confirmation of any such plan or entry of any such order, (B) the entry of any order terminating any Credit Party's exclusive right to file a plan of reorganization, or (C) the expiration of any Credit Party's exclusive right to file a plan of reorganization;

(xvi) the failure of the Bankruptcy Court to approve any Asset Sale Bid Procedure Order or the Consolidated Sale Motion within thirty (30) days of the filing of the applicable Asset Sale Bid Procedure Order or Consolidated Sale Motion, respectively;

(xvii) if there is a stay or injunction of the Confirmation Order in effect precluding the consummation of the transactions contemplated thereby;

(xviii) the bringing of a motion, taking of any action or the filing of any plan of reorganization or disclosure statement attendant thereto by any of the Credit Parties or any Subsidiary, or any Person claiming by or through any Credit Party or any Subsidiary, in the Bankruptcy Cases: (A) to obtain additional financing under Section 364(c) or Section 364(d) of the Bankruptcy Code not otherwise permitted pursuant to this Agreement; (B) to grant any Lien other than Permitted Liens upon or affecting any Collateral; (C) except as provided in the Interim Order or Final Order or permitted hereunder, as the case may be, to use "cash collateral" of Administrative Agent and the Lender under Section 363(c) of the Bankruptcy Code without the prior written consent of the Administrative Agent; or (D) any other action or actions materially adverse to the Administrative Agent and Lenders or their rights and remedies hereunder, under any other Loan Documents, or their interest in the Collateral, other than as provided in the Financing Orders;

(xix) the payment of, or application for authority to pay, any prepetition claim (including by defeasance) without the Administrative Agent's prior written consent unless in accordance with the Budget or as contemplated by the Financing Orders;

(xx) the allowance of any claim or claims under Section 506(c) of the Bankruptcy Code or otherwise against the Administrative Agent, any Lender or any of the Collateral in excess of $100,000;

(xxi) the commencement of a suit or an action (but not including a motion for standing to commence a suit or an action) against either the Administrative Agent or any Lender by a Credit Party and, as to any suit or action brought by any Person other than an Credit Party or a Subsidiary or a Credit Party, officer or employee of a Credit Party, the continuation thereof without dismissal for sixty (60) days after service thereof on either the Administrative Agent or such Lender, that asserts or seeks by or on behalf of a Credit Party, any state of federal environmental protection or health and safety agency, any official committee in any Bankruptcy Case or any other party in interest in any of the Bankruptcy Cases, a claim or any legal or equitable remedy that would (x) have the effect of invalidating, subordinating or challenging

any or all of the Obligations or Liens of the Administrative Agent or any Lender under the Loan Documents to any other claim, or (y) have a material adverse effect on the rights and remedies of the Administrative Agent or any Lender or the collectability of all or any portion of the Obligations;

(xxii) the entry of an order in the Bankruptcy Cases avoiding or permitting recovery of any portion of the payments made on account of the Obligations;

(xxiii) the Financing Orders shall cease to create a valid and perfected Lien on the Collateral as contemplated therein or to be in full force and effect, shall have been reversed, modified, amended, stayed, vacated, or subject to stay pending appeal, in the case of modification or amendment, without the prior written consent of the Administrative Agent;

(xxiv) an order in the Bankruptcy Cases shall be entered charging any of the Collateral in an amount greater than $100,000 under Section 506(c) of the Bankruptcy Code against the Administrative Agent or any Lender, or the commencement of other actions that is materially adverse to the Administrative Agent, the Lenders or their respective rights and remedies under the Loan Documents in any of the Bankruptcy Cases or inconsistent with any of the Loan Documents, except as provided in the Financing Orders with respect to the Carve-Out;

(xxv) if the Final Order does not include a waiver, in form and substance satisfactory to the Administrative Agent, of the right to surcharge the Collateral under Section 506(c) of the Bankruptcy Code;

(xxvi) an order of the Bankruptcy Court shall be entered denying or terminating use of cash collateral by the Credit Parties;

(xxvii) an order materially adversely impacting the rights and interests of the Administrative Agent and the Lenders, as determined by the Administrative Agent in its reasonable discretion, shall have been entered by the Bankruptcy Court or any other court of competent jurisdiction;

(xxviii) any Credit Party shall challenge, support or encourage a challenge of any payments made to the Administrative Agent or any Lender with respect to the Obligations, or without the consent of the Administrative Agent, the filing of any motion by the Credit Parties seeking approval of (or the entry of an order by the Bankruptcy Court approving) adequate protection to any prepetition agent or lender that is inconsistent with the Financing Orders;

(xxix) if, unless otherwise approved by the Administrative Agent, an order of the Bankruptcy Court shall be entered providing for a change in venue with respect to the Bankruptcy Cases and such order shall not be reversed or vacated within ten (10) days;

(xxx) without the Administrative Agent's consent, any Credit Party or any Subsidiary thereof shall file any motion or other request with the Bankruptcy Court seeking (A) to grant or impose, under Section 364 of the Bankruptcy Code or otherwise, liens or security interests in any DIP Collateral (as defined in the Financing Orders), whether senior, equal or subordinate to the Administrative Agent's and Lenders' liens and security interests other than as permitted hereunder; or (B) to modify or affect in any material respect any of the rights of the Administrative Agent or the Lenders under the Financing Orders, the Loan Documents, and related documents by any plan of reorganization confirmed in the Bankruptcy Cases or subsequent order entered in the Bankruptcy Cases; or

(xxxi) any Credit Party or any Subsidiary thereof shall take any action in support of any matter prohibited by this Section 9.1(r) or any other Person shall do so and such application is not contested in good faith by the Credit Parties and the relief requested is granted in an order that is not stayed pending appeal.

9.2 Remedies. Notwithstanding the provisions of Section 362 of the Bankruptcy Code, if any Event of Default occurs and is continuing, Administrative Agent shall have the right in its sole discretion (or at the discretion of the Required Lenders) to take any or all of the following actions:

(a) declare the commitment of the Lenders to make Loans to be terminated;

(b) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by any Borrower;

(c) reduce the advance rates in respect of Eligible Accounts or take additional reserves against or otherwise modify the Borrowing Base; and

(d) exercise all rights and remedies available to Administrative Agent and the Lenders under the Loan Documents, including any right of set-off under Section 11.21, or under the UCC or any other Applicable Law;

provided, however, that upon the occurrence of an Event of Default described in Section 9.1(r), the obligation of Lenders to make Loans shall automatically terminate, the unpaid principal amount of all outstanding Loans and other Obligations and all interest and other amounts as aforesaid shall automatically become due and payable without further act of Administrative Agent or any Lender.

9.3 Application of Payments.

(a) So long as no Event of Default has occurred and is continuing, all proceeds of any repayment, including any prepayments of the Loans, shall be applied by Administrative Agent in the following order of priority:

FIRST, to fees, Expenses and any other amounts then due and owing under the Loan Documents;

SECOND, to accrued and unpaid interest on the Loans of each Lender, ratably among them in accordance with their Pro Rata Shares; and

THIRD, to principal on the Loans of each Lender, ratably among them in accordance with their Pro Rata Shares.

(b) Notwithstanding any other provisions of this Agreement to the contrary, upon the occurrence and during the continuance of an Event of Default (or after the Loans and all other Obligations under the Loan Documents have otherwise become due and payable in accordance with the terms of Section 9.2), all amounts collected or received by Administrative Agent and any Lender on account of the Obligations or any other amounts outstanding under any of the Loan Documents or in respect of the Collateral or any disposition of the Collateral shall be applied as follows (and each Borrower irrevocably waives the right to direct the application of any such amounts in any other manner):

FIRST, to the payment of all fees, costs, Expenses and indemnities of Administrative Agent and any Protective Advances made by Administrative Agent pursuant to the terms of the Loan Documents;

SECOND, to payment of that portion of the Obligations constituting fees, costs, Expenses and indemnities of the Lenders as provided herein, ratably among them in accordance with their Pro Rata Shares;

THIRD, to the payment of all of the Obligations consisting of accrued and unpaid interest owing to the Lenders, ratably among them in accordance with their Pro Rata Shares;

FOURTH, to the payment on a pari passu basis of (1) all Obligations consisting of unpaid principal on the Loans, ratably among the Lenders in accordance with their Pro Rata Shares and (2) any amounts due under any Approved Cash Management Obligations;

FIFTH, to all other Obligations which shall have become due and payable under the Loan Documents or otherwise and not repaid pursuant to clauses "FIRST" through "FOURTH" above; and

SIXTH, to the payment of the surplus, if any, to Borrowers or whoever else may be lawfully entitled to receive such surplus.

In carrying out the foregoing, amounts received shall be applied in the numerical order provided above until exhausted prior to application to the next succeeding category.

9.4 Rights to Appoint Receiver. Without limiting and in addition to any other rights, options and remedies Administrative Agent and Lenders have hereunder, the other Loan Documents, the UCC, at law or in equity, upon the occurrence and continuation of an Event of Default or the acceleration of the Loans pursuant to Section 9.2, Administrative Agent shall have the right to apply for and have a receiver appointed by a court of competent jurisdiction to enforce the rights and remedies of the Administrative Agent and the Lenders in order to manage, protect, preserve, sell or dispose the Collateral and continue the operation of the business of Borrowers and the Credit Parties and to collect all revenues and profits thereof and apply the same to the payment of all expenses and other charges of such receivership including the compensation of the receiver and to the payments as aforesaid until a sale or other disposition of such Collateral shall be finally made and consummated. EACH BORROWER AND EACH OTHER CREDIT PARTY HEREBY IRREVOCABLY CONSENTS TO AND WAIVES ANY RIGHT TO OBJECT TO OR OTHERWISE CONTEST THE APPOINTMENT OF RECEIVER AS PROVIDED ABOVE. EACH BORROWER AND EACH OTHER CREDIT PARTY (I) GRANTS SUCH WAIVER AND CONSENT KNOWINGLY AFTER HAVING DISCUSSED THE IMPLICATIONS THEREOF WITH COUNSEL, (II) ACKNOWLEDGES THAT (A) THE UNCONTESTED RIGHT TO HAVE A RECEIVER APPOINTED FOR THE FOREGOING PURPOSES IS CONSIDERED ESSENTIAL BY THE ADMINISTRATIVE AGENT AND LENDERS IN CONNECTION WITH THE ENFORCEMENT OF ITS RIGHTS AND REMEDIES HEREUNDER AND THE OTHER LOAN DOCUMENTS, AND (B) THE AVAILABILITY OF SUCH APPOINTMENT AS A REMEDY UNDER THE FOREGOING CIRCUMSTANCES WAS A MATERIAL FACTOR IN INDUCING ADMINISTRATIVE AGENT AND LENDERS TO MAKE THE LOANS; AND (III) AGREES TO ENTER INTO ANY AND ALL STIPULATIONS IN ANY LEGAL ACTIONS, OR AGREEMENTS OR OTHER INSTRUMENTS IN CONNECTION WITH THE FOREGOING AND TO COOPERATE FULLY WITH ADMINISTRATIVE AGENT AND LENDERS IN CONNECTION WITH THE ASSUMPTION AND EXERCISE OF CONTROL BY THE RECEIVER

OVER ALL OR ANY PORTION OF THE COLLATERAL, THE HEALTHCARE FACILITIES OR ANY OTHER PROPERTY OF ANY BORROWER OR ANY OTHER CREDIT PARTY.

9.5 Remedies Cumulative. Upon the occurrence of an Event of Default, all or any one or more of the rights, powers, privileges and other remedies available to Administrative Agent or any Lender against any Borrower or any of the other Credit Parties under the Loan Documents or at law or in equity may be exercised by Administrative Agent at any time and from time to time, whether or not all or any of the Obligations shall be declared, or be automatically, due and payable, and whether or not Administrative Agent shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Loan Documents. Any such actions taken by Administrative Agent shall be cumulative and concurrent and may be pursued independently, singly, successively, together or otherwise, at such time and in such order as Administrative Agent may determine in its discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of Administrative Agent and Lenders permitted by law, equity or contract or as set forth in the Loan Documents. Without limiting the generality of the foregoing, each Borrower agrees that if an Event of Default is continuing, (i) to the extent permitted by Applicable Law, Administrative Agent is not subject to any "one action" or "election of remedies" law or rule, and (ii) all Liens and other rights, remedies or privileges provided to Administrative Agent and Lenders shall remain in full force and effect until Administrative Agent has exhausted all of its remedies against the Collateral, the Collateral has been sold and/or otherwise realized upon in satisfaction of the Obligations or the Obligations have been paid in full. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default, or the granting of any indulgence or compromise by Administrative Agent or any Lender shall impair any such remedy, right or power hereunder or be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. Any suspension or waiver by Administrative Agent or Lenders, as applicable, of a Default or Event of Default shall not suspend, waive or affect any other Default or Event of Default, whether the same is prior or subsequent thereto and whether of the same or of a different kind or character.

9.6 Severance. Administrative Agent shall have the right from time to time to sever this Agreement, any Revolving Notes, and the other Loan Documents into one or more separate notes, mortgages and other security documents in such denominations and priorities of payment and Liens as Administrative Agent shall determine in its discretion for purposes of evidencing and enforcing the rights and remedies of the Administrative Agent and the other Lenders hereunder. Each Credit Party shall execute and deliver to Administrative Agent from time to time, promptly after the request of Administrative Agent, a severance agreement and such other documents as Administrative Agent shall request in order to effect the severance described in the preceding sentence, all in form and substance reasonably satisfactory to Administrative Agent. Each Credit Party hereby absolutely and irrevocably appoints Administrative Agent as its true and lawful attorney, coupled with an interest, in its name and stead to make and execute all documents necessary or desirable to effect such severance, each Credit Party ratifying all that such attorney shall do by virtue thereof.

9.7 Administrative Agent's Right to Perform. If any Borrower or any other Credit Party fails to perform any covenant or obligation contained herein and such failure shall continue for a period of five (5) Business Days after any Borrower's or any other Credit Party's receipt of written notice thereof from Administrative Agent, without in any way limiting Administrative Agent's and Lenders' right to exercise any of their rights, powers or remedies as provided hereunder, or under any of the other Loan Documents, Administrative Agent may, but shall have no obligation to, perform, or cause performance of, such covenant or obligation, and all costs, expenses, liabilities, penalties and fines of Administrative Agent incurred or paid in connection therewith shall be payable by Borrowers to Administrative Agent upon demand and if not paid shall be added to the Obligations, shall be secured by the Collateral and shall

bear interest thereafter at the Default Rate. Notwithstanding the foregoing, Administrative Agent shall have no obligation to send notice to Borrower Representative or any Credit Party of any such failure.

9.8 License. Administrative Agent, on behalf of itself and the Lenders, is hereby granted an irrevocable, non-exclusive license or other right to use, license or sub-license (without payment of royalty or other compensation to any Person) any or all Intellectual Property of any Borrower or any other Credit Party, computer hardware and software, trade secrets, brochures, customer lists, promotional and advertising materials, labels, packaging materials and other property, in advertising for sale, marketing, selling, collecting, completing manufacture of, or otherwise exercising any rights or remedies with respect to, any Collateral. Each Credit Party's rights and interests under Intellectual Property shall inure to Administrative Agent's and Lenders' benefit.

9.9 Injunctive Relief. Each Borrower and each other Credit Party acknowledges and agrees that if any Borrower or other Credit Party fails to perform any covenant or obligation contained herein or under any of the other Loan Documents, Administrative Agent and Lenders may have no adequate remedy in monetary damages and, accordingly, shall be entitled to an injunction, (including a temporary restraining order, preliminary injunction, writ of attachment or order compelling performance) against such non-performance, including maintaining the procedure set forth in this Agreement with respect to Collections. Neither Administrative Agent nor Lenders shall be deemed to have waived any other legal or equitable remedies hereunder, the other Loan Documents or at law if Administrative Agent and Lenders shall seek injunctive relief under this Section 9.9. Each Borrower waives any requirement for the posting of a bond or other security by Administrative Agent and Lenders in connection with any such injunctive relief.

9.10 Collection of Accounts. Subject to Applicable Law regarding Government Account Debtors, Administrative Agent may, at any time and from time to time after the occurrence and during the continuance of an Event of Default, whether before or after notification to any Account Debtor and whether before or after the maturity of any of the Obligations, (i) enforce collection of any Accounts of any Credit Party or other amounts owed to any Credit Party by suit or otherwise; (ii) exercise all of any Credit Party's rights and remedies with respect to proceedings brought to collect any Accounts or other amounts owed to such Credit Party; (iii) surrender, release or exchange all or any part of any Accounts or other amounts owed to any Credit Party, or compromise or extend or renew for any period (whether or not longer than the original period) any indebtedness thereunder; (iv) sell or assign any Account of any Credit Party or other amount owed to any Credit Party upon such terms, for such amount and at such time or times as Administrative Agent deems advisable; (v) prepare, file and sign any Credit Party's name on any proof of claim in bankruptcy or other similar document against any Account Debtor or other Person obligated to any Credit Party; and (vi) do all other acts and things which are necessary, in Administrative Agent's sole discretion, to fulfill any Credit Party's obligations under this Agreement and the other Loan Documents and to allow Administrative Agent to collect the Accounts or other amounts owed to any Credit Party. In addition to any other provision hereof, Administrative Agent may at any time, after the occurrence and during the continuance of an Event of Default, at Borrowers' expense, notify Account Debtors (subject to Applicable Law regarding Government Account Debtors) to make payment directly to Administrative Agent of any amounts due or to become due thereunder (and once such notice has been given to an Account Debtor, no Credit Party shall give any contrary instructions to such Account Debtor during the continuance of an Event of Default without Administrative Agent's prior written consent).

9.11 Assistance and Cooperation. Each Credit Party agrees to assist and cooperate with Administrative Agent, and take any action which Administrative Agent may reasonably request or require of such Credit Party, in order to enable Administrative Agent and Lenders to obtain and enjoy the full rights and benefits granted to Administrative Agent and Lenders by the Credit Parties under this Agreement and the other Loan Documents, including specifically, at the cost and expense of Borrowers,

the use of their commercially reasonable efforts to assist in obtaining approval of any Governmental Authority for any transaction or action contemplated thereunder which is necessary under any Law or Contractual Obligation, and specifically, without limitation, the preparation, execution and filing with any such Person of any application for consent to assignment of Governmental Authorizations or otherwise.

9.12 Terminated Use of Cash Collateral. Without limitation of any of the remedies set forth in this Agreement and the other Loan Documents, upon the occurrence and during the continuance of any Event of Default, or upon the occurrence of the Revolving Loan Termination Date, no Borrower or Guarantor shall have any right to use any cash collateral (as defined in Section 363(a) of the Bankruptcy Code) in which Administrative Agent or the Lenders has an interest other than amounts used for purposes and in a manner otherwise permitted by this Agreement and held in operating accounts subject to "springing" deposit account control agreements in favor of Administrative Agent for which Administrative Agent has not given a notice of exclusive control or similar blocking notice.

9.13 Lift of Automatic Stay. Subject to the Financing Orders, if any Event of Default then exists, the automatic stay shall be modified or vacated to permit Administrative Agent and the Lenders to exercise all rights and remedies under this Agreement, the other Loan Documents or Applicable Law, without notice, application or motion, hearing before, or order of the Bankruptcy Court.

ARTICLE 10 PARTICIPATIONS AND ASSIGNMENTS

10.1 Participations and Assignments.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither the Borrower nor any other Credit Party may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender, and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of paragraph (b) of this Section, (ii) by way of participation in accordance with the provisions of paragraph (d) of this Section, or (iii) by way of pledge or assignment of a security interest subject to the restrictions of paragraph (e) of this Section (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby and Participants to the extent provided in paragraph (d) of this Section) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Any Lender may at any time assign to one or more assignees (any such assignee, an "*Assignee*") all or any portion of such Lender's Pro Rata Share of the Revolving Commitment, the Loans and its other rights and obligations hereunder, with the prior written consent of Administrative Agent, Swingline Lender and, so long as no Default or Event of Default has occurred and is continuing, with the prior written consent of Borrowers (all of which consents shall not be unreasonably withheld, conditioned or delayed and shall not be required for an assignment by a Lender to another Lender or an Affiliate of a Lender). Except as Administrative Agent may otherwise agree, any such assignment shall be in a minimum aggregate amount equal to $5,000,000 or, if less, the remaining Revolving Commitment and Loans held by the assigning Lender. Borrowers and Administrative Agent shall be entitled to continue to deal solely and directly with such assigning Lender in connection with the interests so assigned to an Assignee until Administrative Agent shall have received an Assignment Agreement executed, delivered and fully completed by the applicable parties thereto and a processing fee paid by such applicable parties of $3,500.00. No assignment hereunder shall be permitted if to any Ineligible Assignee. Any attempted assignment not made in accordance with this Section 10.1(b) shall be treated as the sale of a participation under Section 10.1(d).

(c) From and after the date on which the conditions described in Section 10.1(b) above have been met, (i) such Assignee shall be deemed automatically to have become a party hereto and, to the extent that rights and obligations hereunder have been assigned to such Assignee pursuant to such Assignment Agreement, shall have the rights and obligations of a Lender hereunder, and (ii) the assigning Lender, to the extent that rights and obligations hereunder have been assigned by it pursuant to such Assignment Agreement, shall be released from its rights (other than its indemnification rights) and obligations hereunder. Upon the request of the Assignee (and, as applicable, the assigning Lender) pursuant to an effective Assignment Agreement, Borrowers shall execute and deliver to Administrative Agent for delivery to the Assignee (and, as applicable, the assigning Lender) a Revolving Note in the principal amount of the Assignee's Revolving Commitment (and, as applicable, a Revolving Note in the principal amount of the Revolving Commitment retained by the assigning Lender). Each such Revolving Note shall be dated the effective date of such assignment. Upon receipt by the assigning Lender of such Revolving Note, the assigning Lender shall return to Borrowers any prior Revolving Note held by it.

(d) Any Lender may at any time (without any required consent) sell to one or more Persons (other than a Person that is an Ineligible Assignee) participating interests in its respective Revolving Commitment and Loans or other interests hereunder (any such Person, a "***Participant***"). In the event of a sale by a Lender of a participating interest to a Participant, (a) such Lender's obligations hereunder shall remain unchanged for all purposes, (b) Administrative Agent and Borrowers shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations hereunder and (c) all amounts payable by Borrowers shall be determined as if such Lender had not sold such participation and shall be paid directly to such Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "***Participant Register***"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. No Participant shall have any direct or indirect voting rights hereunder except with respect to any event described in Section 11.4 expressly requiring the unanimous vote of all Lenders or, as applicable, all affected Lenders. Each Lender agrees to incorporate the requirements of the preceding sentence into each participation agreement which such Lender enters into with any Participant. Each Borrower agrees that if amounts outstanding hereunder are due and payable (as a result of acceleration or otherwise), each Participant shall be deemed to have the right of set-off in respect of its participating interest in amounts owing hereunder to the same extent as if the amount of its participating interest were owing directly to it as a Lender hereunder; provided that such right of set-off shall be subject to the obligation of each Participant to share with Lenders, and Lenders agree to share with each Participant, as provided in Section 11.21. Each Borrower agrees that each Participant shall be entitled to the benefits of Section 2.15 as if it were a Lender (provided that on the date of the participation no Participant shall be entitled to any greater compensation pursuant to Section 2.15 than would have been paid to the participating Lender on such date if no participation had been sold and that each Participant complies with Section 2.15 as if it were an Assignee).

(e) Notwithstanding anything to the contrary set forth herein, any Lender may at any time pledge or assign a security interest in all or any portion of its rights hereunder and applicable Revolving Note to secure obligations of such Lender, including any pledge or assignment to secure obligations to any Federal Reserve Bank (including as collateral security pursuant to Regulation A and any Operating Circular issued by such Federal Reserve Bank), and such Loans and Revolving Note(s) shall be fully transferable as provided therein, and this Section 10.1 shall not apply to any such pledge or

assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(f) Administrative Agent will maintain a copy of each Assignment Agreement delivered and accepted by it and register (the "*Register*") for the recordation of names and addresses of Lenders, the Pro Rata Share of each Lender and the portion of the Revolving Commitment and the Loans of each Lender and whether such Lender is the original Lender or the Assignee. All records of transfer of a Lender's interest in the Register shall be conclusive, absent manifest error, as to the ownership of the interests in such Revolving Commitment and the Loans. Administrative Agent shall not incur any liability of any kind with respect to any Lender with respect to the maintenance of the Register or for any failure to ensure that any assignment is made in accordance with the terms hereof. Upon the reasonable written request of Borrower Representative, Administrative Agent will furnish a copy of the Register to Borrower Representative or another Borrower (at the cost, if any, to Borrowers).

ARTICLE 11 MISCELLANEOUS

11.1 Financial Advisors. Each Borrower (except for Cain Brothers and Berkley Research Group, LLC) shall indemnify and hold Administrative Agent and Lenders harmless from and against any and all claims, liabilities, costs and expenses (including the reasonable fees and disbursements of legal counsel for Administrative Agent and Lenders, including the reasonable charges of internal legal counsel, whether incurred in connection with enforcing this indemnity or defending claims of third parties) of any kind in any way relating to or arising from a claim by any Person that such Person acted on behalf of such Borrower in connection with the transactions contemplated herein.

11.2 Administrative Agent's Discretion. Whenever pursuant to this Agreement or any other Loan Document, Administrative Agent exercises any right given to it to approve or disapprove, or consent or withhold consent, or any arrangement or term is to be satisfactory to Administrative Agent or is to be in Administrative Agent's discretion, the decision of Administrative Agent to approve or disapprove, to consent or withhold consent, or to decide whether arrangements or terms are satisfactory or not satisfactory, or acceptable or unacceptable or in Administrative Agent's discretion shall (except as is otherwise specifically herein provided) be in the sole discretion of Administrative Agent (unless another standard is specified herein, in which event such other standard shall be applied) and shall be final and conclusive.

11.3 Governing Law.

(a) IN ALL RESPECTS, INCLUDING MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE, THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS AND THE OBLIGATIONS ARISING HEREUNDER AND THEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND PERFORMED IN SUCH STATE AND ANY APPLICABLE LAW OF THE UNITED STATES OF AMERICA. TO THE FULLEST EXTENT PERMITTED BY LAW, EACH BORROWER AND EACH OTHER CREDIT PARTY HEREBY UNCONDITIONALLY AND IRREVOCABLY WAIVES ANY CLAIM TO ASSERT THAT THE LAW OF ANY OTHER JURISDICTION GOVERNS THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, AND THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS.

(b) EACH PARTY HERETO HEREBY CONSENTS AND AGREES THAT THE BANKRUPTCY COURT SHALL HAVE EXCLUSIVE JURISDICTION (OR IF THE BANKRUPTCY COURT DOES NOT HAVE JURISDICTION, ANY FEDERAL OR STATE COURT OF COMPETENT

JURISDICTION LOCATED IN NEW YORK, NEW YORK) TO HEAR AND DETERMINE ANY CLAIMS OR DISPUTES BETWEEN THE PARTIES HERETO, ON THE ONE HAND, AND ADMINISTRATIVE AGENT OR ANY LENDER, ON THE OTHER HAND, PERTAINING TO THE AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS OR TO ANY MATTER ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS; PROVIDED THAT EACH PARTY ACKNOWLEDGES THAT ANY APPEALS FROM THE BANKRUPTCY COURT MAY HAVE TO BE HEARD BY A COURT OTHER THAN THE BANKRUPTCY COURT; PROVIDED, FURTHER, THAT NOTHING IN THE AGREEMENT SHALL BE DEEMED OR OPERATE TO PRECLUDE ADMINISTRATIVE AGENT OR ANY LENDER FROM BRINGING SUIT OR TAKING OTHER LEGAL ACTION IN ANY OTHER JURISDICTION TO REALIZE ON THE COLLATERAL OR ANY OTHER SECURITY FOR THE OBLIGATIONS, OR TO ENFORCE A JUDGMENT OR OTHER COURT ORDER IN FAVOR OF ADMINISTRATIVE AGENT OR ANY LENDER. EACH PARTY HERETO EXPRESSLY SUBMITS AND CONSENTS IN ADVANCE TO SUCH JURISDICTION IN ANY ACTION OR SUIT COMMENCED IN ANY SUCH COURT, AND EACH PARTY HEREBY WAIVES ANY OBJECTION THAT SUCH PARTY MAY HAVE BASED UPON LACK OF PERSONAL JURISDICTION, IMPROPER VENUE OR FORUM NON CONVENIENS, AND HEREBY CONSENTS TO THE GRANTING OF SUCH LEGAL OR EQUITABLE RELIEF AS IS DEEMED APPROPRIATE BY SUCH COURT.

11.4 Modification, Waiver in Writing.

(a) **No Deemed Consent.** Administrative Agent's or Lenders' failure, at any time or times hereafter, to require strict performance by Borrowers or other Credit Parties of any provision of this Agreement shall not waive, affect or diminish any right of Administrative Agent or Lenders thereafter to demand strict compliance and performance therewith. In particular, and not by way of limitation, by accepting payment after the due date of any amount payable under any Loan Document, neither Administrative Agent nor any Lender shall be deemed to have waived any right either to require prompt payment when due of all other amounts due under the Loan Documents, or to declare an Event of Default for failure to effect prompt payment of any such other amount. None of the undertakings, agreements, warranties, covenants and representations of Borrowers and the other Credit Parties contained in this Agreement or any of the other Loan Documents and no Default or Event of Default shall be deemed to have been suspended or waived by Administrative Agent and Lenders unless such suspension or waiver is in writing signed by an officer of Administrative Agent and Required Lenders, and directed to Borrower specifying such suspension or waiver.

(b) **Amendments, Consents and Waivers Generally.** Except as otherwise expressly provided in this Agreement, (i) any consent or approval required or permitted by this Agreement or in any Loan Document to be given by the Lenders may be given, (ii) any term of this Agreement or of any other Loan Document may be amended, (iii) the performance or observance by the Borrower or any other Credit Party of any terms of this Agreement or any other Loan Document may be waived, and (iv) the continuance of any Default or Event of Default may be waived (either generally or in a particular instance and either retroactively or prospectively) with, but only with, the written consent of the Required Lenders (or the Administrative Agent at the written direction of the Required Lenders), and, in the case of an amendment to any Loan Document, the written consent of each Credit Party which is party thereto, provided that no such amendment, modification or waiver or consent shall:.

(i) extend or increase the Revolving Commitment of any Lender without the written consent of such Lender;

(ii) extend any date scheduled for the payment of principal or interest without the written consent of each Lender directly affected thereby;

(iii) extend the Revolving Loan Termination Date without the written consent of all Lenders;

(iv) reduce the principal amount of the Loans, the rate of interest thereon (including applicable margins and interest rate floors) or any fees payable hereunder, without the consent of each Lender directly affected thereby (except for any periodic adjustments of interest rates and fees as provided for in this Agreement or any right to waive the Default Rate);

(v) release any Borrower or any Guarantor from its obligations hereunder or under any Guaranty;

(vi) release all or substantially all of the Collateral granted hereunder or under any of the Loan Documents (except as otherwise specifically permitted or provided in this Agreement);

(vii) change the payment application waterfall in Section 9.3, the definition of Required Lenders, any provision of this Section 11.4 or reduce the aggregate Pro Rata Share required to effect an amendment, modification, waiver or consent, without, in each case, the written consent of all Lenders; or

(viii) provide, or otherwise permit, the subordination of any Loan, or authorize Administrative Agent to subordinate its Lien in all or substantially all of the Collateral to a third party (except as otherwise specifically permitted or provided in this Agreement) without the written consent of each Lender.

(c) **Administrative Agent Consent.** This Agreement or any Loan Document may be amended or waived pursuant to an agreement in writing entered into by the Administrative Agent and the Borrower or other applicable Credit Parties (without the consent of any Lender) (1) to cure a defect or error, (2) to grant a new Lien for the benefit of the Administrative Agent and the Lenders or extend an existing Lien over additional property or (3) to make modifications required under Applicable Law that are not materially adverse to the Lenders. No provision of Article 12 or other provision of this Agreement affecting Administrative Agent as such shall be amended, modified or waived without the prior written consent of Administrative Agent. Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that the Revolving Commitment of such Lender may not be increased or extended without the consent of such Defaulting Lender.

(d) **Swingline Lender Consent.** No amendment, waiver or consent shall, unless in writing and signed by the Swingline Lender in addition to the Lenders otherwise required under this Section 11.4 affect the rights or duties of the Swingline Lender hereunder.

11.5 Waiver of Trial by Jury.

(a) EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN

THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION. ADMINISTRATIVE AGENT AND EACH LENDER IS HEREBY AUTHORIZED TO FILE A COPY OF THIS SECTION 11.5 IN ANY PROCEEDING AS CONCLUSIVE EVIDENCE OF THIS WAIVER BY ANY BORROWER AND ANY OTHER CREDIT PARTY.

(b) In the event any such action or proceeding is brought or filed in any United States federal court sitting in the State of California or in any state court of the State of California, and the waiver of jury trial set forth in Section 11.5(a) hereof is determined or held to be ineffective or unenforceable, the parties agree that all actions or proceedings shall be resolved by reference to a private judge sitting without a jury, pursuant to California Code of Civil Procedure Section 638, before a mutually acceptable referee or, if the parties cannot agree, a referee selected by the Presiding Judge of the Los Angeles County, California. Such proceeding shall be conducted in Los Angeles County, California, with California rules of evidence and discovery applicable to such proceeding. In the event any actions or proceedings are to be resolved by judicial reference, any party may seek from any court having jurisdiction thereover any prejudgment order, writ or other relief and have such prejudgment order, writ or other relief enforced to the fullest extent permitted by Law notwithstanding that all actions or proceedings are otherwise subject to resolution by judicial reference.

11.6 Waiver of Consequential Damages, Etc. To the fullest extent permitted by Applicable Law, each Borrower and each other Credit Party agree not to assert, and hereby waive, in any legal action or other proceeding, any claim against Administrative Agent, any Lender or any Lender Affiliate, on any theory of liability, for special, indirect, consequential, special, exemplary or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof.

11.7 Headings/Exhibits. The section headings in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose. The Exhibits attached hereto, are hereby incorporated by reference as a part of this Agreement with the same force and effect as if set forth in the body hereof.

11.8 Severability. Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under Applicable Law, but if any provision of this Agreement shall be prohibited by or invalid under Applicable Law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

11.9 Preferences. To the extent Borrowers make a payment to Administrative Agent or any Lender hereunder, or Administrative Agent or any Lender receives proceeds of any Collateral, which is in whole or part subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any Debtor Relief Law, common law or equitable cause, then, to the extent of such payment or proceeds received, the Indebtedness or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by Administrative Agent or such Lender.

11.10 Waiver of Notice. Each Borrower and each other Credit Party hereby expressly waives the right to receive any notice from Administrative Agent or any Lender with respect to any matter, except to the extent that this Agreement or any other Loan Document specifically and expressly requires

the giving of notice by Administrative Agent or any Lender to any Borrower and except with respect to matters for which Borrowers are not, pursuant to Applicable Laws, permitted to waive the giving of notice.

11.11 Remedies of Borrowers. If a claim or adjudication is made that Administrative Agent or any Lender or any of their respective agents has acted unreasonably or unreasonably delayed acting in any case where by law or under any Loan Document, Administrative Agent, such Lender or any such agent, as the case may be, has an obligation to act reasonably or promptly, each Borrower and each other Credit Party agrees that neither Administrative Agent, any Lender nor its respective agents shall be liable for any monetary damages, and such Borrower's or Credit Party's sole remedy shall be to commence an action seeking injunctive relief or declaratory judgment. Any action or proceeding to determine whether Administrative Agent or any Lender has acted reasonably shall be determined by an action seeking declaratory judgment. Each Borrower and each other Credit Party specifically waives any claim against Administrative Agent, each Lender and its respective agents with respect to actions taken by Administrative Agent, each Lender or its respective agents on any Borrower's or Credit Party's behalf.

11.12 Prior Agreements. This Agreement and the other Loan Documents contain the entire agreement of the parties hereto and thereto in respect of the transactions contemplated hereby and thereby, and all prior agreements, understandings and negotiations among or between such parties, whether oral or written, are superseded by the terms of this Agreement and the other Loan Documents.

11.13 Offsets, Counterclaims and Defenses. Each Borrower and each other Credit Party hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by Administrative Agent, any Lender or their respective agents or otherwise offset any obligations to make payments required under the Loan Documents. Any Assignee of Administrative Agent's or any Lender's interest in and to the Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses which such Borrower or such other Credit Party may otherwise have against any assignor of such documents, and no such offset, counterclaim or defense shall be interposed or asserted by such Borrower or such other Credit Party in any action or proceeding brought by any such Assignee upon such documents, and any such right to interpose or assert any such offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by such Borrower or such other Credit Party.

11.14 Publicity. Except as required in connection with the Bankruptcy Cases, neither any Borrower nor any other Credit Party shall, whether now or in the future issue. any press releases or other public disclosure using the name "Ally Bank", the name of any other Lender or the name of any of their respective Lender Affiliates or referring to this Agreement or the other Loan Documents without at least five (5) Business Days' prior notice to Administrative Agent (and in the case of a disclosure of a Lender's name, such Lender) and without the prior written consent of Administrative Agent (and in the case of a disclosure of a Lender's name, such Lender) unless (and only to the extent that) such Borrower or such other Credit Party is required to do so under Applicable Law and then, in any event, such Borrower or such other Credit Party will consult with Administrative Agent (and in the case of a disclosure of a Lender's name, such Lender) before issuing such press release or other public disclosure. Each Borrower and each other Credit Party expressly consents to and authorizes the publication by Administrative Agent and Lenders of a summary description of the transaction(s) contemplated by this Agreement in any format (including tombstones, deal listings or similar advertising materials), which may be published in one or more of financial or other industry periodicals, newspapers, reporting services, trade organizations, written promotional materials, web site, or otherwise. In addition, each Borrower or each other Credit Party expressly consents to and authorizes Administrative Agent and Lenders to provide to financial or other industry periodicals, newspapers, reporting services or trade organizations information necessary

and customary for inclusion of the transaction(s) in league table measurements, including the aggregate dollar value of the transaction.

11.15 Indemnification; Expenses.

(a) Expenses. Each Borrower and each other Credit Party shall reimburse Administrative Agent (or any Lender, as applicable) upon receipt of notice for all Expenses. Any Expenses due and payable by any Borrower or any other Credit Party hereunder which are not paid within five (5) days after demand shall accrue interest at the Default Rate and may be paid by Administrative Agent, in its sole discretion, pursuant to Section 2.8.

(b) Indemnity. Each Borrower and each other Credit Party shall defend, indemnify and hold harmless Administrative Agent, each Lender, each Lender Affiliate, each of their respective directors, officers, partners, members, shareholders, participants, employees, professionals and agents, and each of their respective successors and assigns (each, an "***Indemnified Party***"), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (including the fees and disbursements of counsel for an Indemnified Party in connection with any investigative, administrative or judicial proceeding commenced or threatened, court costs and costs of appeal at all appellate levels, investigation and laboratory fees, consultant fees and litigation expenses), that may be imposed on, incurred by, or asserted against any Indemnified Party (collectively, the "***Indemnified Liabilities***") arising out of or related to (i) the execution, enforcement, performance, or administration of this Agreement, any of the other Loan Documents, the transactions contemplated hereby; (ii) any breach by any Borrower, any other Credit Party or any Affiliate thereof of their obligations under, or any misrepresentation by any of the foregoing contained in, any Loan Document; (iii) any Environmental Release or the presence, disposal, escape, seepage, leakage, spillage, discharge, emission, release, or threatened release of any Hazardous Materials on, from or affecting any Healthcare Facility; (iv) any violation of any Laws by Borrower, any other Credit Party or any Affiliate thereof and (iv) any other mater arising out of or related to the Revolving Loans, any Credit Party, any Healthcare Facility or any Collateral; provided, however, that Borrowers shall not have any obligation to any Indemnified Party hereunder to the extent that it is judicially determined by a court of competent jurisdiction in a final, non-appealable judgment that such Indemnified Liabilities are the result of the gross negligence or willful misconduct of such Indemnified Party. Any amounts payable to any Indemnified Party by reason of the application of this Section 11.15 shall be payable on demand and shall bear interest at the Default Rate from the date loss or damage is sustained by any Indemnified Party until paid.

(c) Each Borrower and each other Credit Party for itself and all endorsers, guarantors and sureties and their heirs, legal representatives, successors and assigns, hereby further specifically waives any rights that it may have under Section 1542 of the California Civil Code (to the extent applicable), which provides as follows: "A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR," and further waives any similar rights under applicable Laws.

11.16 Survival. All obligations, covenants, agreements, representations, warranties, waivers and indemnities made by any Borrower in any Loan Document shall survive the execution and delivery of the Loan Documents, the Closing, the making of the Loans and any termination of this Agreement until all Obligations are fully performed and indefeasibly paid in full in cash. The obligations and provisions of Sections 2.2(k), 2.14, 2.15, 5.13, 9.9, 11.1, 11.3, 11.5, 11.6, 11.8, 11.9, 11.11, 11.13, 11.14, 11.15,

11.16, 11.17, 11.20, 11.27, 12.3, 12.6, 12.7 and 12.13 shall survive the termination of this Agreement and the other Loan Documents and any payment, in full or in part, of the Obligations.

11.17 No Usury. If Applicable Law is ever judicially interpreted so as to render usurious any amount called for hereunder or any other Loan Document, or contracted for, charged, taken, reserved or received with respect to the Obligations, or if Administrative Agent's and Lenders' exercise of the option to accelerate the maturity of the Loans or any prepayment by any Borrower results in Borrowers having paid any interest in excess of that permitted by Applicable Law, then it is each Borrower's, Administrative Agent's and Lenders' express intent that all excess amounts theretofore collected by Administrative Agent or any Lender shall be credited against the unpaid principal amount of the Obligations (or, if the Obligations have been or would thereby be paid in full, refunded to Borrowers), and the provisions of the Loan Documents immediately be deemed reformed and the amounts thereafter collectible thereunder reduced, without the necessity of the execution of any new document, so as to comply with Applicable Law, but so as to permit the recovery of the fullest amount otherwise called for thereunder. All sums paid or agreed to be paid to Lenders for the use, forbearance or detention of the Loans shall, to the extent permitted by Applicable Law, be amortized, prorated, allocated, and spread throughout the full stated term of the Loans until payment in full so that the rate or amount of interest on account of the Loans does not exceed the maximum lawful rate from time to time in effect and applicable to the Loans for so long as the Loans are outstanding. Notwithstanding anything to the contrary contained in any Loan Document, it is not the intention of Administrative Agent or any Lender to accelerate the maturity of any interest that has not accrued at the time of such acceleration or to collect unearned interest at the time of such acceleration.

11.18 Conflict; Construction of Documents. In the event of any conflict between the provisions of this Agreement and any of the other Loan Documents, the provisions of this Agreement shall control. The parties hereto acknowledge that each is represented by separate counsel in connection with the negotiation and drafting of the Loan Documents and that the Loan Documents shall not be subject to the principle of construing their meaning against the party that drafted them.

11.19 No Third Party Beneficiaries. The Loan Documents are solely for the benefit of Administrative Agent, Lenders and Credit Parties and nothing contained in any Loan Document shall be deemed to confer upon any Person (other than Administrative Agent, Lenders, Credit Parties, Indemnified Parties under Section 11.15 and Indemnified Agent Parties under Section 12.7, their respective successors and assigns permitted hereby and, to the extent expressly contemplated hereby, Affiliates of each of Administrative Agent and Lenders) any right to insist upon or to enforce the performance or observance of any of the obligations contained therein.

11.20 Assignment. The Loans, any Notes, the Loan Documents and/or any Lender's rights, title, obligations and interests therein may be assigned by such Lender and any of its successors and assigns in accordance with the terms and conditions set forth in Article 10. Neither any Borrower nor any other Credit Party may assign its rights, title, interests or obligations hereunder or under any of the other Loan Documents.

11.21 Set-Off. Subject in all events to Section 12.13 hereunder, if an Event of Default shall have occurred and be continuing, each Lender and each of their respective Affiliates is hereby authorized at any time and from time to time, after obtaining the prior written consent of the Administrative Agent, to the fullest extent permitted by Applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender or any such Affiliate to or for the credit or the account of any Borrower or any other Credit Party against any and all of the obligations of such Borrower or such other Credit Party now or hereafter existing hereunder or any other Loan Document to such

Lender, irrespective of whether or not such Lender shall have made any demand hereunder or any other Loan Document and although such obligations of such Borrower or such other Credit Party may be contingent or unmatured or are owed to a branch or office or Affiliate of such Lender different from the branch, office or Affiliate holding such deposit or obligated on such indebtedness; provided, that if any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 12.15 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender and their respective Affiliates under this Section 11.21 are in addition to other rights and remedies (including other rights of setoff) that such Lender or their respective Affiliates may have. Each Lender agrees to notify the Borrower Representative and the Administrative Agent promptly after any such setoff and application, provided that the failure to give such notice shall not affect the validity of such setoff and application.

11.22 Confidentiality. Except as required in connection with the Bankruptcy Cases, each Credit Party agrees (i) not to transmit or disclose provisions of any Loan Document to any Person (other than to Borrowers' advisors and officers on a need-to-know basis (as reasonably determined by the applicable Credit Party) or as otherwise may be required by Law) without the Administrative Agent's prior written consent and (ii) to inform all Persons of the confidential nature of the Loan Documents and to direct them not to disclose the same to any other Person and to require each of them to be bound by these provisions.

11.23 Patriot Act Compliance. Each Lender that is subject to the Patriot Act (as defined below) and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies each Credit Party that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies each Credit Party, which information includes the name, address and tax identification number of each Credit Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Credit Party in accordance with the Patriot Act. The Borrowers shall, promptly following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the Patriot Act.

11.24 [Reserved].

11.25 Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. Delivery of an executed counterpart of a signature page to this Agreement by telecopier, facsimile machine, portable document format ("***PDF***") or other electronic means shall be as effective as delivery of a manually executed counterpart of this Agreement. The effectiveness of any such documents and signatures shall, subject to Applicable Laws, have the same force and effect as manually signed originals and shall be binding on Borrowers, Administrative Agent and Lenders. Administrative Agent may also require that any such documents and signatures be confirmed by a manually signed original thereof; provided, however, that the failure to request or deliver the same shall not limit the effectiveness of any facsimile document or signature. No party may raise the use of a telecopier, facsimile machine, PDF or other electronic means, or the fact that any signature was transmitted through the use of a telecopier, facsimile machine, PDF or other electronic means, as a defense to the enforcement of this Agreement.

11.26 Borrower Representative.

(a) Each Credit Party hereby irrevocably appoints and constitutes Borrower Representative as its agent to (i) request and receive the proceeds of advances in respect of the Loans (and to otherwise act on behalf of such Credit Party pursuant to this Agreement and the other Loan Documents) from Administrative Agent and Lenders in the name or on behalf of each such Credit Party, (ii) receive statements of account and all other notices from Administrative Agent or any Lender, as applicable, with respect to the Obligations or otherwise under or in connection with this Agreement and the other Loan Documents, (iii) execute and deliver Borrowing Base Certificates, Compliance Certificates and all other notices, certificates and documents to be executed and/or delivered by any Credit Party hereunder or the other Loan Documents; and (iv) otherwise act on behalf of such Credit Party pursuant to this Agreement and the other Loan Documents.

(b) The authorizations contained in this Section 11.26 are coupled with an interest and shall be irrevocable, and Administrative Agent and Lenders may rely on any notice, request, information supplied by Borrower Representative, every document executed by Borrower Representative, every agreement made by Borrower Representative or other action taken by Borrower Representative in respect of any Borrower or other Credit Party as if the same were supplied, made or taken by such Borrower or such other Credit Party. Without limiting the generality of the foregoing, the failure of one or more Borrowers or other Credit Parties to join in the execution of any writing in connection herewith shall not relieve any Borrower or other Credit Party from obligations in respect of such writing. No purported termination of the appointment of Borrower Representative as agent shall be effective without the prior written consent of Administrative Agent.

11.27 Joint and Several.

(a) Each Borrower shall be jointly and severally liable for all of the Obligations of Borrowers hereunder, regardless of which of Borrowers actually receives the proceeds or other benefits of the Loans or other extensions of credit hereunder or the manner in which Borrowers, the Administrative Agent or the Lenders account therefor in their respective books and records.

(b) Each Borrower is accepting joint and several liability hereunder and under the other Loan Documents in consideration of the financial accommodations to be provided by the Administrative Agent and Lenders hereunder, for the mutual benefit, directly and indirectly, of each Borrower and in consideration of the undertakings of the other Borrowers to accept joint and several liability for the Obligations.

(c) To the extent that Applicable Law otherwise would render the full amount of the joint and several obligations of any Borrower hereunder and under the other Loan Documents invalid or unenforceable, such Person's obligations hereunder and under the other Loan Documents shall be limited to the maximum amount which does not result in such invalidity or unenforceability; provided, however, that each Borrower's obligations hereunder and under the other Loan Documents shall be presumptively valid and enforceable to their fullest extent in accordance with the terms hereof or thereof, as if this Section 11.27 were not a part of this Agreement.

(d) To the extent that any Borrower shall make a payment under this Section 11.27 of all or any of the Obligations (as used in this clause (g), a "***Joint Liability Payment***") which, taking into account all other Joint Liability Payments then previously or concurrently made by any other Borrower, exceeds the amount that such Borrower would otherwise have paid if each Borrower had paid the aggregate Obligations satisfied by such Joint Liability Payments in the same proportion that such Person's "Allocable Amount" (as defined below) (as determined immediately prior to such Joint Liability

Payments) bore to the aggregate Allocable Amounts of each of Borrowers as determined immediately prior to the making of such Joint Liability Payments, then, following indefeasible payment in full in cash of the Obligations (other than contingent obligations that survive the repayment in full of the Loans and the termination of the Loan Documents and for which no claim has been asserted) and termination of the Revolving Commitment, such Borrower shall be entitled to receive contribution and indemnification payments from, and be reimbursed by, each other Borrower for the amount of such excess, *pro rata* based upon their respective Allocable Amounts in effect immediately prior to such Joint Liability Payments. As of any date of determination, the "Allocable Amount" of any Borrower shall be equal to the maximum amount of the claim which could then be recovered from such Borrower under this Section 11.27 without rendering such claim voidable or avoidable under §548 of the Bankruptcy Code or under any applicable state Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act or similar statute or common law.

(e) Each Borrower assumes responsibility for keeping itself informed of the financial condition of each other Borrower, and any and all endorsers and/or guarantors of any instrument or document evidencing all or any part of such other Borrower's Obligations, and of all other circumstances bearing upon the risk of nonpayment by such other Borrower of their Obligations and each Borrower agrees that neither Administrative Agent nor any Lender has any duty to advise such Borrower of information known to Administrative Agent or any Lender regarding such condition or any such circumstances or to undertake any investigation not a part of its regular business routine. If Administrative Agent or any Lender, in its sole discretion, undertakes at any time or from time to time to provide any such information to a Borrower, Administrative Agent or such Lender shall not be under any obligation to update any such information or to provide any such information to such Borrower or any other Person on any subsequent occasion.

(f) Administrative Agent and Lenders are hereby authorized, without notice or demand and without affecting the liability of a Borrower hereunder, to, at any time and from time to time, (A) renew, extend, accelerate or otherwise change the time for payment of, or other terms relating to, Obligations incurred by any Borrower or other Credit Party, otherwise modify, amend or change the terms of any promissory note or other agreement, document or instrument now or hereafter executed by any Borrower or other Credit Party and delivered to Administrative Agent or any Lender; (B) accept partial payments on an Obligation incurred by any Borrower; (C) take and hold security or collateral for the payment of an Obligation incurred by any Borrower hereunder or for the payment of any guaranties of an Obligation incurred by any Borrower or other liabilities of any Borrower and exchange, enforce, waive and release any such security or collateral; (D) apply such security or collateral and direct the order or manner of sale thereof as Administrative Agent may determine in its sole discretion; and (E) settle, release, compromise, collect or otherwise liquidate an Obligation incurred by any Borrower and any security or collateral therefor in any manner, without affecting or impairing the obligations of any other Borrower. Administrative Agent shall have the exclusive right to determine the time and manner of application of any payments or credits, whether received from a Borrower or any other source, and such determination shall be binding on each Borrower. All such payments and credits may be applied, reversed and reapplied, in whole or in part, to any of an Obligation incurred by any Borrower as Administrative Agent shall determine in their sole discretion without affecting the validity or enforceability of the Obligations of the other Borrowers.

(g) Each Borrower hereby agrees that, except as hereinafter provided, its obligations hereunder shall be unconditional, irrespective of and each Borrower hereby waives notice of: (A) the absence of any attempt to collect an Obligation incurred by a Borrower from any Borrower or any guarantor or other action to enforce the same; (B) the waiver or consent by Administrative Agent and Lenders with respect to any provision of any instrument evidencing an Obligation incurred by any other Borrower, or any part thereof, or any other agreement heretofore, now or hereafter executed by any other

Borrower and delivered to Administrative Agent or any Lender; (C) failure by Administrative Agent to take any steps to perfect and maintain its security interest in, or to preserve its rights to, any security or collateral for an Obligation incurred by any Borrower; (D) Administrative Agent's or any Lender's election in any of the Bankruptcy Cases of the application of §1111(b)(2) of the Bankruptcy Code; (E) any other borrowing or grant of a security interest by a Borrower to any third party in the Bankruptcy Cases; (F) the disallowance, under Section 502 of the Bankruptcy Code, of all or any portion of Administrative Agent's claim(s) for repayment of any of the Obligations; or (G) any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor.

(h) This Section 11.27 is intended only to define the relative rights of Borrowers and nothing set forth in this Section 11.27 is intended to or shall impair the obligations of Borrowers, jointly and severally, to pay any amounts as and when the same shall become due and payable in accordance with the terms of this Agreement or any other Loan Documents. Nothing contained in this Section 11.27 shall limit the liability of any Borrower to pay the Loans made directly or indirectly to such Borrower and accrued interest, fees and Expenses with respect thereto for which such Borrower shall be primarily liable.

(i) No payment made by or for the account of any Borrower, including (A) a payment made by such Borrower on behalf of an Obligation of another Borrower or (B) a payment made by any other person under any guaranty, shall entitle such Borrower, by subrogation or otherwise, to any payment from such other Borrower or from or out of property of such other Borrower and such Borrower shall not exercise any right or remedy against such other Borrower or any property of such other Borrower by reason of any performance of such Borrower of its joint and several obligations hereunder until the Obligations (other than contingent obligations that survive the repayment in full of the Loans and the termination of the Loan Documents and for which no claim has been asserted) are paid in full.

(j) Each Borrower hereby agrees that after the occurrence and during the continuance of any Default or Event of Default, such Borrower will not demand, sue for or otherwise attempt to collect any indebtedness of any other Borrower owing to such Borrower until the Obligations (other than contingent obligations that survive the repayment in full of the Loans and the termination of the Loan Documents and for which no claim has been asserted) are paid in full. If, notwithstanding the foregoing sentence, such Borrower shall collect, enforce or receive any amounts in respect of such indebtedness, such amounts shall be collected, enforced and received by such Borrower as trustee for Administrative Agent, and such Borrower shall deliver any such amounts to Administrative Agent for application to the Obligations in accordance with Section 9.3.

(k) Any notice given by Borrower Representative hereunder shall constitute and be deemed to be notice given by all Borrowers, jointly and severally. Notice given by Administrative Agent or any Lender to Borrower Representative hereunder or pursuant to any other Loan Documents in accordance with the terms hereof or thereof shall constitute notice to all Borrowers. The knowledge of any Borrower shall be imputed to all Borrowers and any consent by Borrower Representative or any Borrower shall constitute the consent of and shall bind all Borrowers.

(l) The parties hereto acknowledge that the rights of contribution and indemnification hereunder shall constitute assets of each Borrower to which such contribution and indemnification is owing. The rights of any indemnifying Borrower against the other Borrowers under this Section shall be exercisable upon the full and indefeasible payment of the Obligations (other than contingent obligations that survive the repayment in full of the Loans and the termination of the Loan Documents and for which no claim has been asserted) and the termination of the Revolving Facility.

11.28 Release of Claims. Each Borrower and each other Credit Party does hereby (i) waive any claim in tort, contract or otherwise which such Borrower or such other Credit Party may have against Administrative Agent, any Lender, any of their respective Affiliates or their respective officers, directors, agents, or employees (collectively, "***Lender Agents***") which may arise out of the relationship between any such Borrower or such other Credit Party and any such Person prior to the Closing Date; and (ii) absolutely and unconditionally releases and discharges the Administrative Agent, each Lender, each of their respective Affiliates and the Lender Agents from any and all claims, causes of action, losses, damages or expenses which may arise out of any relationship between it and the Administrative Agent, such Lender, any such Affiliate or the Lender Agents which such Borrower or such other Credit Party may have as of the Closing Date. Each Borrower and each other Credit Party acknowledges that it makes this waiver and release knowingly, voluntarily and only after considering the ramifications of this waiver and release with its legal counsel.

11.29 Acting Through Agents. In exercising any rights under the Loan Documents or taking any actions provided for therein, Administrative Agent may act through its employees, agents or independent contractors as authorized by Administrative Agent. Each Borrower shall authorize its accounting firm and/or service bureaus to provide Administrative Agent with such information as is requested by Administrative Agent in accordance with this Agreement. Each Borrower authorizes Administrative Agent to contact directly any such accounting firm and/or service bureaus to obtain such information.

ARTICLE 12 AGENCY PROVISIONS; SETTLEMENT

Administrative Agent, Lenders, Borrowers and each other Credit Party agree that, except for the rights expressly granted to Borrowers under Section 12.9, no Borrower or other Credit Party shall be a party to the agreements contained in this Article 12. Without limitation of the foregoing, Administrative Agent, Lenders, Borrowers and each other Credit Party agree that in no event shall Borrowers or other Credit Parties be required to seek comment from, deliver notices to or otherwise deal with any Lender other than Administrative Agent (except as otherwise specifically stated in this Agreement). No Borrower or other Credit Party shall have any benefits or rights as a third party beneficiary of any term or condition contained in this Article 12.

12.1 Appointment and Authorization.

(a) **Generally.** Each Lender hereby irrevocably (subject to Section 12.9) appoints, designates and authorizes Administrative Agent to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorized Administrative Agent to take such action on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to it by the terms of this Agreement or any other Loan Document, together with such powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary contained elsewhere in this Agreement or in any other Loan Document, Administrative Agent shall not have any duty or responsibility except those expressly set forth herein, nor shall Administrative Agent have or be deemed to have any fiduciary relationship with any Lender or Participant, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against Administrative Agent. The duties of Administrative Agent shall be mechanical and administrative in nature. Without limiting the generality of the foregoing sentence, the use of the term "agent" herein and in other Loan Documents with reference to Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any Applicable Law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

(b) **Specific Authorizations.** Except as otherwise specified in this Agreement, Administrative Agent shall have the right to exercise its sole and absolute discretion to act or not to act under the Loan Documents. Without limiting the generality of the foregoing, Administrative Agent shall have the sole and exclusive right and authority to:

A. act as the disbursing and collecting agent for the Lenders with respect to all payments and collections arising in connection with this Agreement and the Loan Documents relating to the Collateral securing the Loans;

B. make any subsequent advances to the Borrower for the purposes described in this Agreement;

C. approve or disapprove any form of real property lease agreement to which the Borrowers or other Credit Parties are subject;

D. execute and deliver each Collateral Document and accept delivery of each such agreement delivered by the Credit Parties;

E. act as collateral agent for the Lenders for purposes of the perfection of all security interests and Liens created by such agreements and all other purposes stated therein;

F. take such action as is necessary or desirable to maintain the perfection and priority of the security interest and Liens created or purported to be created by the Loan Documents;

G. release or assign (without recourse, representation or warranty, other than representations as to title and as to no encumbrances by Administrative Agent) any or all Collateral upon payment and satisfaction in full of the Loans; and

H. enter into any so-called "pre-negotiation agreement" with Borrower or any other Credit Party (provided that as a condition precedent to such authority, all Lenders have been given a reasonable opportunity to (i) comment on the proposed form of pre-negotiation agreement and (ii) discuss such comments with Administrative Agent).

12.2 Delegation of Duties. Administrative Agent may execute any of its duties hereunder or any other Loan Document by or through agents, employees or attorneys-in-fact and shall be entitled to advice of legal counsel and other consultants, independent public accountants or experts concerning all matters pertaining to such duties. Administrative Agent shall not be responsible for the negligence or misconduct of any agent or attorney-in-fact that it selects in the absence of gross negligence or willful misconduct as finally determined in a non-appealable judicial proceeding.

12.3 Exculpation of Administrative Agent. None of Administrative Agent nor any of its directors, officers, employees, Affiliates or agents shall (a) be liable to any Lender or any other Person for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except to the extent resulting from its own gross negligence or willful misconduct in connection with its duties expressly set forth herein as determined by a final, nonappealable judgment by a court of competent jurisdiction), or (b) be responsible in any manner to any Lender or Participant for any recital, statement, representation or warranty made by any Borrower, any Credit Party or any of their Affiliates, or any officer thereof, contained in this Agreement or in any other Loan Document, or in any certificate, report, statement or other document referred to or provided for in, or received by Administrative Agent under or in connection with, this

Agreement or any other Loan Document, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document (or the creation, perfection or priority of any Lien or security interest therein), or for any failure of any Borrower, any Credit Party or any other party to any Loan Document to perform its obligations and liabilities hereunder or thereunder, or be responsible for or have any duty to ascertain or verify the satisfaction of any conditions specified in this Agreement or any other Loan Document. Administrative Agent shall not be under any obligation to any Lender to ascertain or to inquire as to (i) the performance or observance of any of the terms, provisions or conditions of this Agreement or any of the other Loan Documents, (ii) the financial condition of any Credit Party, (iii) the contents of any certificate, report or other document delivered hereunder or any other Loan Document or in connection herewith or therewith, (iv) the existence or possible existence of any Default or Event of Default, or (v) the satisfaction of any condition set forth in Section 3 of this Agreement or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to Administrative Agent.

12.4 Reliance by Administrative Agent. Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, communication, signature, resolution, representation, notice, consent, certificate, electronic mail message, affidavit, letter, telegram, facsimile, telex or telephone message, statement or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and upon advice and statements of legal counsel (including legal counsel to Borrowers), independent accountants and other experts selected by Administrative Agent. Administrative Agent shall be fully justified in failing or refusing to take any action hereunder or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders or such other number or percentage of Lenders as shall be required elsewhere in this Agreement as it deems appropriate and, if it so requests, confirmation from Lenders of their obligation to indemnify Administrative Agent against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, hereunder or any other Loan Document in accordance with a request or consent of the Required Lenders or such other number or percentage of Lenders as shall be required elsewhere in this Agreement and such request and any action taken or failure to act pursuant thereto shall be binding upon each Lender. For purposes of determining compliance with the conditions specified in Section 3.2, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless Administrative Agent shall have received written notice from such Lender prior to the Closing Date specifying its objection thereto.

12.5 Notice of Default. Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default except with respect to defaults in the payment of principal, interest and fees required to be paid to Administrative Agent for the account of Lenders, unless Administrative Agent shall have received written notice from a Lender or a Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default". Administrative Agent will notify Lenders of its receipt of any such notice. Administrative Agent shall take such action with respect to such Default or Event of Default as may be requested by the Required Lenders in accordance with Section 9.5; provided that unless and until Administrative Agent has received any such request, Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable or in the best interest of Lenders.

12.6 Credit Decision. Each Lender acknowledges that Administrative Agent has not made any representation or warranty to it, and that no act by Administrative Agent hereafter taken, including any consent and acceptance of any assignment or review of the affairs of Borrowers or the other Credit

Parties, shall be deemed to constitute any representation or warranty by Administrative Agent to any Lender as to any matter, including whether Administrative Agent has disclosed material information in its possession. Each Lender represents to Administrative Agent that it has, independently and without reliance upon Administrative Agent and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, prospects, operations, property, financial and other condition and creditworthiness of Borrowers and the other Credit Parties, and made its own decision to enter into this Agreement and to extend credit to Borrowers hereunder. Each Lender also represents that it will, independently and without reliance upon Administrative Agent and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action hereunder and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of Borrowers and the other Credit Parties. Except for notices, reports and other documents expressly herein required to be furnished to Lenders by Administrative Agent, Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial or other condition or creditworthiness of Borrowers and the other Credit Parties which may come into the possession of Administrative Agent. Each Lender hereby acknowledges and agrees that it is not entitled to rely upon any notice, report or other document furnished by the Administrative Agent from time to time in connection with this Agreement and the other Loan Documents and the transactions contemplated hereby, and hereby release any and all claims it may have against Administrative Agent or any agent thereof as a result of any reliance by any Lender in any such notice, report, document or other information furnished by Administrative Agent.

12.7 Indemnification. Whether or not the transactions contemplated hereby are consummated, each Lender shall indemnify, defend and hold harmless upon demand Administrative Agent and its directors, officers, employees, Affiliates and agents (each an "***Indemnified Agent Party***") (to the extent not reimbursed by or on behalf of any Borrower and without limiting the obligation of any Borrower to do so), according to its applicable Pro Rata Share, from and against any and all Indemnified Liabilities (as defined in Section 11.15), provided, that no Lender shall be liable for any payment to any such Person of any portion of the Indemnified Liabilities to the extent determined by a final, non-appealable judgment by a court of competent jurisdiction to have resulted from the applicable Indemnified Agent Party's own gross negligence or willful misconduct. No action taken in accordance with the directions of Required Lenders shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 12.7. Without limitation of the foregoing, each Lender shall reimburse Administrative Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including all Expenses) incurred by Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that Administrative Agent is not reimbursed for such expenses by or on behalf of Borrowers. If any indemnity furnished to Administrative Agent for any purpose shall, in the reasonable, good faith opinion of Administrative Agent, be insufficient or become impaired, Administrative Agent may call for additional reasonable indemnity and cease, or not commence, to do the acts indemnified against even if so directed by Required Lenders until such additional reasonable indemnity is furnished. The undertaking in this Section 12.7 shall survive repayment of the Loans and other liabilities, cancellation of any promissory notes, any foreclosure under, or modification, release or discharge of, any or all of the Loan Documents, termination of this Agreement and the resignation or replacement of Administrative Agent.

12.8 Administrative Agent in Individual Capacity. Ally Bank and its Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire equity interests in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with any

Credit Party and its Affiliates as though Ally Bank were not Administrative Agent hereunder and without notice to or consent of any Lender; provided, however, if Ally Bank acquires equity interests in any Credit Party or any Affiliate of any Credit Party and such equity interests are not publicly traded, Ally Bank will provide written notice to the Lenders. Each Lender acknowledges that, pursuant to such activities, Ally Bank or its Affiliates may receive information regarding a Credit Party or its Affiliates (including information that may be subject to confidentiality obligations in favor of such Credit Party or such Affiliates) and acknowledge that Administrative Agent shall be under no obligation to provide such information to them. With respect to its portion of the Loans, Ally Bank and its Affiliates shall have the same rights and powers hereunder as any other Lender and may exercise the same as though Ally Bank were not Administrative Agent, and the terms "Lender" and "Lenders" include Ally Bank and its Affiliates, to the extent applicable, in their individual capacities.

12.9 Successor Administrative Agent. Administrative Agent may resign as Administrative Agent upon thirty (30) days' notice to Lenders. If Administrative Agent resigns hereunder, Required Lenders shall, with (so long as no Default or Event of Default exists) the consent of Borrowers (which shall not be unreasonably withheld, conditioned or delayed), appoint from among Lenders a successor agent for Lenders. Notwithstanding the immediately foregoing sentence, if no successor agent is appointed prior to the effective date of the resignation of Administrative Agent, Administrative Agent may appoint, after consulting with Lenders and Borrowers, a successor agent from among Lenders. Upon the acceptance of its appointment as successor agent hereunder, such successor agent shall succeed to and become vested with all the rights, powers and duties of the retiring Administrative Agent and the term "Administrative Agent" shall mean such successor agent, and the retiring Administrative Agent's appointment, powers and duties as Administrative Agent shall be terminated. After any retiring Administrative Agent's resignation hereunder as Administrative Agent, the provisions of this Article 12 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent hereunder. If no successor agent has accepted appointment as Administrative Agent by the date which is thirty (30) days following a retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective and Lenders shall perform all of the duties of Administrative Agent hereunder until such time, if any, as Required Lenders appoint a successor agent as provided for above.

12.10 Collateral Matters; Restriction on Lenders. (a) Each Lender authorizes and directs Administrative Agent to enter into the other Loan Documents for the benefit of Administrative Agent and Lenders. Each Lender hereby agrees that, except as otherwise set forth herein, any action taken by Administrative Agent or Required Lenders in accordance with the provisions of this Agreement or the other Loan Documents, and the exercise by the Administrative Agent or Required Lenders of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all Lenders. Administrative Agent is hereby authorized on behalf of all Lenders, without the necessity of any notice to or further consent from any Lender, to take any action with respect to any Collateral and any of the other collateral pursuant to Loan Documents that may be necessary to perfect and maintain perfected the Liens upon the Collateral and the other collateral pursuant to the other Loan Documents. Lenders irrevocably authorize Administrative Agent, at its option and in its discretion, (i) to release any Lien granted to or held by Administrative Agent hereunder and any other Loan Document (x) upon the termination of this Agreement in accordance with Section 2.17; (y) constituting property sold or to be sold or disposed of, financed or refinanced, as part of or in connection with any sale, disposition, financing or refinancing which is expressly permitted by this Agreement at any time; or (z) subject to Section 11.4, if approved, authorized or ratified in writing by Required Lenders; or (ii) to subordinate its interest in any Collateral to any holder of a Lien on such Collateral which is expressly permitted by this Agreement. Upon request by Administrative Agent at any time, Lenders will promptly confirm in writing Administrative Agent's authority to release, or subordinate its interest in, particular types or items of Collateral pursuant to this Section 12.10. Administrative Agent and each

Lender hereby appoint each other Lender as agent for the purpose of perfecting Administrative Agent's security interest in assets and Collateral (and other collateral pursuant to other Loan Documents) which, in accordance with the Uniform Commercial Code in any applicable jurisdiction, can be perfected by possession or control. Should any Lender (other than Administrative Agent) obtain possession or control of any such assets or Collateral, such Lender shall promptly notify Administrative Agent thereof in writing, and, promptly upon Administrative Agent's written request therefor, shall deliver such assets or Collateral to Administrative Agent or in accordance with Administrative Agent's instructions or transfer control to Administrative Agent in accordance with Administrative Agent's instructions. Each Lender agrees that, except as otherwise expressly provided herein, it will not have any right individually to enforce or seek to enforce this Agreement or any other Loan Document or to realize upon any Collateral for the liabilities unless instructed in writing to do so by Administrative Agent, it being understood and agreed that such rights and remedies may be exercised only by Administrative Agent.

(b) Each Lender agrees that it shall not, without the express written consent of Administrative Agent, and shall, upon the written request of Administrative Agent (to the extent it is lawfully entitled to do so), set off against the liabilities, any amounts owing by such Lender to a Credit Party or any deposit accounts of any Credit Party now or hereafter maintained with such Lender. Each of the Lenders further agrees that it shall not, unless specifically requested to do so in writing by Administrative Agent, take or cause to be taken, any action, including the a commencement of any legal or equitable proceedings to foreclose any loan or otherwise enforce any security interest in any of the Collateral or to enforce all or any part of this Agreement or the other Loan Documents. All enforcement actions hereunder and the other Loan Documents against the Credit Parties or any third party with respect to the liabilities or the Collateral may only be taken by Administrative Agent (at the direction of the Required Lenders or as otherwise permitted in this Agreement) or by its agents at the direction of Administrative Agent.

(c) If any Lender, directly or through an Affiliate or branch office thereof, obtains any payment of any Obligation of any Credit Party (whether voluntary, involuntary or through the exercise of any right of setoff or the receipt of any Collateral or "proceeds" (as defined under the applicable UCC) of Collateral) other than from the Administrative Agent in accordance with this Agreement and such payment exceeds the amount such Lender would have been entitled to receive if all payments had gone to, and been distributed by, Administrative Agent in accordance with the provisions of the Loan Documents, such Lender shall purchase for cash from other Lenders such participations in their Obligations as necessary for such Lender to share such excess payment with such Lenders to ensure such payment is applied as though it had been received by Administrative Agent and applied in accordance with this Agreement (or, if such application would then be at the discretion of the Borrowers, applied to repay the Obligations in accordance herewith); provided, however, that (a) if such payment is rescinded or otherwise recovered from such Lender in whole or in part, such purchase shall be rescinded and the purchase price therefor shall be returned to such Lender without interest and (b) such Lender shall, to the fullest extent permitted by Applicable Law, be able to exercise all its rights of payment (including the right of setoff) with respect to such participation as fully as if such Lender were the direct creditor of the applicable Credit Party in the amount of such participation.

12.11 Administrative Agent May File Proofs of Claim. In case of the pendency of any Insolvency Proceeding relative to any Borrower or other Credit Party, Administrative Agent (irrespective of whether the principal of the Loans shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether Administrative Agent shall have made any demand on a Borrower or other Credit Party) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, and all other liabilities that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of Lenders and Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of Lenders and Administrative Agent and their respective agents and attorneys and all other amounts due Lenders and Administrative Agent hereunder) allowed in such judicial proceedings; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to Administrative Agent and, if Administrative Agent shall consent to the making of such payments directly to Lenders, to pay to Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of Administrative Agent and its agents and attorneys, and any other amounts due Administrative Agent hereunder.

Nothing contained herein shall be deemed to authorize Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, affecting the liabilities or to authorize Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

12.12 Return of Payments.

(a) If Administrative Agent pays an amount to a Lender hereunder in the belief or expectation that a related payment has been or will be received by Administrative Agent from any Borrower and such related payment is not received by Administrative Agent, or if Administrative Agent overpays an amount to a Lender hereunder or otherwise in error, then Administrative Agent shall be entitled to recover such amount from such Lender on demand without setoff, counterclaim or deduction of any kind, together with interest accruing on a daily basis at the Federal Funds Effective Rate. If Administrative Agent determines at any time that any amount received by Administrative Agent hereunder must be returned to Borrowers or paid to any other Person pursuant to any insolvency law or otherwise, then, notwithstanding any other term or condition of this Agreement or any other Loan Document, Administrative Agent will not be required to distribute any portion thereof to any Lender. In addition, each Lender shall repay to Administrative Agent on demand any portion of such amount that Administrative Agent has distributed to such Lender, together with interest at such rate, if any, as Administrative Agent is required to pay to Borrowers or such other Person, without setoff, counterclaim or deduction of any kind.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of the making of any Loan that such Lender will not make available to the Administrative Agent such Lender's share of such Loan, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.3(b) and may, in reliance upon such assumption, make available to the Borrowers a corresponding amount. If a Lender has not in fact made its share of the applicable Loan available to Administrative Agent, then the applicable Lender agrees to pay to Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the applicable Borrower to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. The obligations of each Lender hereunder are in addition to

any obligation of Borrowers to make any repayment to Lender (including those provided in Section 2.3(b)).

12.13 Sharing of Payments by Lenders. If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or other obligations hereunder resulting in such Lender receiving payment of a proportion of the aggregate amount of its Loans and accrued interest thereon or other such obligations greater than its Pro Rata Share thereof as provided herein, then the Lender receiving such greater proportion shall (a) notify the Administrative Agent of such fact, and (b) purchase (for cash at face value) participations in the Loans and such other obligations of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them; provided that:

(a) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(b) the provisions of this Section 12.13 shall not be construed to apply to (x) any payment made by the Borrowers pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender), or (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any Assignee or Participant.

Each Credit Party consents to the foregoing and agrees, to the extent it may effectively do so under Applicable Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against each Borrower and each other Credit Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of each Borrower and each other Credit Party in the amount of such participation.

12.14 Settlements; Payments. The Outstanding Amount may fluctuate from day to day through Administrative Agent's disbursement of funds to, and receipt of funds from, Borrowers. In order to minimize the frequency of transfers of funds between Administrative Agent and each Lender, repayments of Loans may, at the election of Administrative Agent, be settled according to the procedures set forth in this Section 12.14. Notwithstanding the procedures set forth in this Section 12.14, each Lender's obligation to fund its portion of any advances made by Administrative Agent to Borrowers will commence on the date such advances are made by Administrative Agent. Such payments will be made by such Lender without set-off, counterclaim or reduction of any kind.

(a) At least once each calendar week, or more frequently if Administrative Agent so elects (each such day being a "***Settlement Date***"), Administrative Agent will advise each Lender by 1:00 p.m. (New York City time) on a Business Day by telephone or written notice in accordance with this Agreement of the amount of each such Lender's Pro Rata Share of the Outstanding Amount. If payments are necessary to adjust the amount of such Lender's share of the Outstanding Amount to such Lender's Pro Rata Share of the Outstanding Amount, the party from which such payment is due will pay the other party, in same day funds, by wire transfer to the other's account, not later than 1:00 p.m. (New York City time) on the Business Day immediately following the Settlement Date (provided that if Administrative Agent gives such notice at or prior to 1:00 p.m. (New York City time) on the Settlement Date, such funding shall be made on the Settlement Date).

(b) On the first Business Day of each month (each, an "***Interest Settlement Date***"), Administrative Agent will advise each Lender by written notice in accordance with this Agreement of the amount of interest and fees charged to and collected from Borrowers for the preceding month in respect of the Loans. Provided that such Lender is not then a Defaulting Lender, Administrative Agent will pay to such Lender, by wire transfer to such Lender's account (as specified by such Lender in accordance with this Agreement) such Lender's Pro Rata Share of such interest and fees not later than the next Business Day following the Interest Settlement Date.

12.15 Defaulting Lender.

(a) **Defaulting Lender Adjustments.** Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(i) Any amount payable to a Defaulting Lender hereunder (whether on account of principal, interest, fees or otherwise) shall, in lieu of being distributed to such Defaulting Lender, be retained by Administrative Agent in a segregated account and, subject to any Applicable Law, be applied at such time or times as may be determined by Administrative Agent (i) first, to the payment of any amounts owing by such Defaulting Lender to Administrative Agent hereunder, (ii) second, if so determined by Administrative Agent and Borrowers, held in such account as cash collateral for future funding obligations (if any) of the Defaulting Lender hereunder, (iii) third, pro rata, to the payment of any amounts owing to Borrowers, Administrative Agent or the Lenders as a result of any judgment of a court of competent jurisdiction obtained by Borrowers, Administrative Agent or any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations hereunder, and (iv) fourth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided, that if such payment is a prepayment of the principal amount of the Loan, such payment shall be applied solely to prepay the Loans of all Lenders that are not Defaulting Lenders pro rata prior to being applied to the prepayment of any Loans of any Defaulting Lender.

(ii) Notwithstanding anything set forth herein to the contrary, a Defaulting Lender shall not have any voting or consent rights under or with respect to this Agreement or any other Loan Document or constitute a "Lender" (or be included in the calculation of "Required Lenders" hereunder) for any voting or consent rights under or with respect to this Agreement or any other Loan Document except with respect to items described in Section 11.4(c) which require the vote or consent of all Lenders or all affected Lenders, and no Defaulting Lender shall have any other right to approve or disapprove any amendment, waiver, consent or any other action the Lenders or the Required Lenders have taken or may take hereunder (including any consent to any amendment or waiver pursuant to Section 11.4), provided that any waiver, amendment or modification described in Section 11.4(c) requiring the consent of all Lenders or each directly affected Lender which affects such Defaulting Lender differently than other affected Lenders shall require the consent of such Defaulting Lender.

(iii) The failure of any Defaulting Lender to make any Loan, advance or any payment required by it hereunder shall not relieve any other Lender of its obligations to make such Loan, advance or payment, but neither any Lender nor Administrative Agent shall be responsible for the failure of any Defaulting Lender to make a Loan, advance or make any other payment required hereunder.

(iv) At the written request of the Borrower Representative, Administrative Agent or a Person reasonably acceptable to Administrative Agent shall have the right with

Administrative Agent's written consent and in Administrative Agent's sole discretion (but without any obligation whatsoever on Administrative Agent) to purchase from any Defaulting Lender, and each Defaulting Lender agrees that it shall, at Administrative Agent's written request, promptly sell and assign to Administrative Agent or such Person, all of the lending commitments and commitment interests of that Defaulting Lender for an amount equal to the principal balance of all Loans held by such Defaulting Lender and all accrued interest and fees with respect thereto through the date of sale, such purchase and sale to be consummated (if at all upon Administrative Agent's election) pursuant to an executed Assignment Agreement.

(b) **Defaulting Lender Cure.** If Borrowers and Administrative Agent agree in writing that a Lender is no longer a Defaulting Lender, Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any cash collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as Administrative Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Swingline Loans to be held pro rata by the Lenders in accordance with their Pro Rata Shares, whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of Borrowers while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

12.16 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

[Remainder of Page Intentionally Left Blank]

IN WITNESS WHEREOF, the parties hereto have caused this Debtor in Possession Revolving Credit Agreement to be duly executed by their duly authorized representatives, all as of the day and year first above written.

ASSET PURCHASE AGREEMENT

This Asset Purchase Agreement (the "**Agreement**") is made and entered into as of the 8th day of January, 2019 (the "**Signing Date**") by and among Verity Health System of California, Inc., a California nonprofit public benefit corporation ("**Verity**"), Verity Holdings, LLC, a California limited liability company ("**Verity Holdings**"), St. Francis Medical Center, a California nonprofit public benefit corporation ("**St. Francis**"), St. Vincent Medical Center, a California nonprofit public benefit corporation ("**St. Vincent**"), St. Vincent Dialysis Center, Inc., a California nonprofit public benefit corporation ("**St. Vincent Dialysis**"), and Seton Medical Center, a California nonprofit public benefit corporation ("**Seton**" and together with St. Francis Medical Center, St. Vincent Medical Center and St. Vincent Dialysis, collectively, the "**Hospital Sellers**") (Verity, Verity Holdings, St. Francis, St. Vincent, St. Vincent Dialysis and Seton are each referred to herein individually as a "**Seller**" and collectively as the "**Sellers**"), and Strategic Global Management, Inc., a California corporation ("**Purchaser**").

RECITALS:

A. St. Francis engages in the business of the operation of the hospital known as St. Francis Medical Center, located at 3630 E. Imperial Highway, Lynwood, CA 90262, including the hospital pharmacy, laboratory and emergency department as well as through the medical office buildings and clinics owned or operated by St. Francis (collectively, the "**St. Francis Hospital**").

B. St. Vincent engages in the business of the operation of the hospital known as St. Vincent Medical Center, located at 2131 W 3rd Street, Los Angeles, CA 90057, including the hospital pharmacy, laboratory and emergency department as well as through the medical office buildings and clinics owned or operated by St. Vincent (collectively, the "**St. Vincent Hospital**").

C. Seton engages in the business of the operation of two general acute care hospitals under a single license, consisting of: (i) the hospital known as Seton Medical Center, located at 1900 Sullivan Avenue, Daly City, CA 94015, including the hospital pharmacy, laboratory and emergency department as well as through the medical office buildings and clinics owned or operated by Seton (collectively, the "**Seton Hospital**") and (ii) the hospital known as Seton Medical Center Coastside, located at 600 Marine Blvd, Moss Beach, CA 94038, including the hospital pharmacy, laboratory and emergency department as well as through the medical office buildings and clinics owned or operated by Seton (collectively, the "**Seton Coastside Hospital**" and together with the St. Francis Medical Center Hospital, the St. Vincent Medical Center Hospital and the Seton Hospital, the "**Hospitals**"; the business of the operation of the Hospitals is referred to herein as the "**Businesses**").

D. Purchaser desires to purchase from Sellers, and Sellers desire to sell to Purchaser, the assets described in Section 1.7 below (the "**Assets**") owned by Sellers and used with respect to the Businesses, for the consideration and upon the terms and conditions contained in this Agreement.

E. Sellers filed voluntary petitions for relief under Chapter 11 of Title 11 of the United States Code (the "**Bankruptcy Code**") with the United States Bankruptcy Court for the Central District of California, Los Angeles Division (the "**Bankruptcy Court**"), lead Case No. 2:18-bk-201510ER, jointly administered or to be jointly administered with their affiliates (the "**Bankruptcy Cases**").

F. The parties intend to effectuate the transactions contemplated by this Agreement through a sale of the Assets approved by the Bankruptcy Court pursuant to Section 363 of Title 11 of the Bankruptcy Code.

NOW, THEREFORE, in consideration of the foregoing premises and the mutual promises and covenants contained in this Agreement, and for their mutual reliance and incorporating into this Agreement the above recitals, the parties hereto agree as follows:

ARTICLE 1

SALE AND TRANSFER OF ASSETS; CONSIDERATION; CLOSING

1.1 Purchase Price.

(a) Subject to the terms and conditions of this Agreement, the purchase price ("**Purchase Price**") shall consist of the following:

(i) Cash payment to Sellers (the "**Cash Consideration**") of Six Hundred Ten Million Dollars ($610,000,000.00), which shall be allocated Four Hundred Twenty Million Dollars ($420,000,000) to St. Francis Medical Center, One Hundred Twenty Million Dollars ($120,000,000) to St. Vincent Medical Center, and Seventy Million Dollars ($70,000,000) to Seton for Seton Hospital and Seton Coastside Hospital, provided, that if the CA AG's approval does not include a requirement that Seton Hospital remain open as an acute care hospital or that Seton Coastside Hospital remain open as a skilled nursing facility, then an amount to be determined by Purchaser, in its sole discretion, of such Cash Consideration shall be re-allocated from St. Francis to Seton;

(ii) Assumption of Sellers' accrued vacation and other paid time off as of the Closing, to be provided only with respect to Hired Employees (as defined in Section 5.3(a)) in the form of credited vacation and PTO, subject to compliance with applicable law and regulation, including consent of such employees if required;

(iii) Assumption of all liabilities of Seton as Obligated Party and Property Owner under the (i) Agreement to Pay Assessment and Finance Improvements dated May 17, 2017 with California Statewide Communities Development Authority ("**CSCDA**") and (ii) Agreement to Pay Assessment and Finance Improvements dated May 18, 2017 with CSCDA (collectively

the "**Special Assessments**") each associated with of the Property Assessed Clean Energy ("**PACE**") (seismic and clean energy) loans (collectively the "**PACE Obligations**"); and

(iv) Payment of Cure Costs (defined below) associated with any Assumed Leases and/ or Assumed Contracts and assumption of the other Assumed Obligations (as defined below).

(b) Purchaser (i) is acquiring the Assets and (ii) is only assuming (x) the PACE Obligations and (y) the Assumed Obligations (as defined below).

(c) At the Closing, Purchaser shall pay to Sellers, by wire transfer of immediately available funds to the accounts specified by Sellers to Purchaser in writing, an aggregate amount equal to the Cash Consideration, minus the Net QAF Reduction Amount (defined below), if any, plus the Net QAF Increase Amount (defined below), if any, plus any amounts (x) held by the PACE Trustee as an interest or fee reserve on account the PACE Obligations on the Closing Date and (y) remitted to CSCDA by Seton pursuant to the Special Assessments from and after the date of execution of this Agreement by Buyer up to and including the Closing Date, minus the Deposit (defined below).

(d) For purposes of this Agreement, the "**QAF Program**" means the California Department of Health Care Services Hospital Quality Assurance Fee Programs IV ("**QAF IV**") and V ("**QAF V**"). During the period prior to Closing, Sellers shall pay any fees owing under QAF IV and QAF V, and Sellers shall be entitled to retain all payments received under QAF IV and QAF V. At Closing, Sellers shall credit to the Cash Consideration the amount by which payments received under QAF IV and QAF V between the Signing Date and Closing exceed the sum of (i) fees paid under QAF IV and QAF V during such period plus (ii) the amount of fees which are unpaid and owing as of the Closing in respect of invoices received by Sellers prior to Closing under QAF IV and QAF V (the "**Net QAF Reduction Amount**"), as provided above in Section 1.1(c). At Closing, Purchaser shall pay Sellers (as an increase to the Cash Consideration) the amount by which the sum of (i) fees paid under QAF IV and QAF V between the Signing Date and Closing plus (ii) the amount of fees which are unpaid and owing as of Closing in respect of invoices received by Sellers prior to Closing under QAF IV and QAF V exceeds payments received under QAF IV and QAF V during such period (the "**Net QAF Increase Amount**"), as provided above in Section 1.1(c).

(e) Purchaser shall, prior to Closing, be permitted to communicate with holders of secured debt of the Sellers regarding the possible assumption by Purchaser of all or a portion of such debt at the Closing. If Purchaser agrees to assume any such debt at the Closing, Purchaser and Sellers shall negotiate an appropriate credit to the Purchase Price for such assumption of debt.

1.2 Deposit. Purchaser, by wire transfer to an account designated by Sellers has made a good faith deposit in the amount of Thirty Million Dollars ($30,000,000) on the date hereof (the "**Deposit**"). The Deposit shall be non-refundable in all events, except as provided in Section 6.1(b) or Section 6.2, or in the event Purchaser has terminated this Agreement pursuant to Section 9.1 (other than Section 9.1(b)) or as set forth in Section 9.2, in which case Seller shall immediately return the Deposit to Purchaser with all interest earned thereon. Upon Closing, the Deposit will

be credited against the Purchase Price. Pending the Closing, or until this Agreement is terminated, the Deposit shall be deposited in an interest bearing account, with interest credited to Purchaser, at a federally-insured financial institution mutually acceptable to Purchaser and Sellers. In addition, on the Signing Date, Purchaser shall deliver to Sellers executed letters from its financing sources, in form and substance satisfactory to Sellers in their discretion.

1.3 Closing Date. The consummation of the transactions contemplated by this Agreement (the "**Closing**") shall take place at 10:00 a.m. local time at the offices of Dentons US LLP, 601 South Figueroa St., Suite 2500, Los Angeles, CA 90017-5704 (the day on which Closing actually occurs, the "**Closing Date**") promptly but no later than ten (10) business days following the satisfaction or waiver of the conditions set forth in ARTICLE 7 and ARTICLE 8, other than those conditions that by their nature are to be satisfied at Closing but subject to fulfillment or waiver of those conditions. The Closing shall be deemed to occur and to be effective as of 11:59 p.m. Pacific time on the Closing Date (the "**Effective Time**").

1.4 Items to be Delivered by Sellers at Closing. At or before the Closing, Sellers shall deliver, or cause to be delivered, to Purchaser the following:

1.4.1 a Bill of Sale substantially in the form of **Exhibit 1.4.1** attached hereto (the "**Bill of Sale**"), duly executed by each Seller, with respect to the Assets;

1.4.2 Real Estate Assignment and Assumption Agreements (the "**Real Estate Assignments**") in the form of **Exhibit 1.4.2** attached hereto with respect to (i) the Leased Real Property, and (ii) the Tenant Leases, each duly executed by each Seller;

1.4.3 a Quitclaim Deed (the "**Deed**") in the form of **Exhibit 1.4.2** attached hereto with respect to the real property listed in Schedule 1.4.3, together with all plant, buildings, structures, installments, improvements, fixtures, betterments, additions and constructions in progress situated thereon (collectively, the "**Owned Real Property**") duly executed by each Seller;

1.4.4 an Assumption Agreement (the "**Assumption Agreement**") in the form of **Exhibit 1.4.2** attached hereto with respect to the Assumed Obligations duly executed by each Seller;

1.4.5 favorable original certificates of good standing, of each Seller, issued by the State of California, dated no earlier than a date which is fifteen (15) calendar days prior to the Closing Date;

1.4.6 a duly executed certificate of an officer of each Seller certifying to Purchaser (i) the incumbency of the officers of such Seller on the Signing Date and on the Closing Date and bearing the authentic signatures of all such officers who shall execute this Agreement and any additional documents contemplated by this Agreement and (ii) the due adoption and text of the resolutions or consents of the Board of Directors of such Seller authorizing (I) the transfer of the Assets and transfer of the Assumed Obligations by such Seller to Purchaser and (II) the due execution, delivery and performance of this Agreement and all additional documents contemplated

by this Agreement, and that such resolutions have not been amended or rescinded and remain in full force and effect on the Closing Date;

1.4.7 a certified copy of the Sale Order (as defined below);

1.4.8 a Transition Services Agreement (the "**Transition Services Agreement**") in form and substance satisfactory to Sellers and Purchaser, in their reasonable discretion, granting to Sellers use of certain assets, systems and personnel identified in such agreement solely in connection with Sellers' wind-down of the Businesses, the completion of the Bankruptcy Cases and the dissolution of Sellers (and following completion of such wind-down, Bankruptcy Cases and dissolution of Sellers, such Transition Services Agreement shall automatically terminate);

1.4.9 acknowledgements by CSCDA and the PACE Trustee that Purchaser is the Successor Property Owner and Obligated Party under the PACE Obligations and releases of the Sellers from any and all claims arising or accruing prior to the Closing Date, and

1.4.10 any such other instruments, certificates, consents or other documents which Purchaser and Sellers mutually deem reasonably necessary to carry out the transactions contemplated by this Agreement and to comply with the terms hereof.

1.5 Items to be Delivered by Purchaser at Closing. At or before the Closing, Purchaser shall deliver or cause to be delivered to Sellers the following:

1.5.1 payment of the Cash Consideration subject to credits or plus payment to Sellers of all amounts as provided under Section 1.6;

1.5.2 evidence of payment of all Cure Costs required hereunder to be paid by Purchaser;

1.5.3 a duly executed certificate of the Secretary of Purchaser certifying to Sellers (a) the incumbency of the officers of Purchaser on the Signing Date and on the Closing Date and bearing the authentic signatures of all such officers who shall execute this Agreement and any additional documents contemplated by this Agreement and (b) the due adoption and text of the resolutions of the Board of Directors of Purchaser authorizing the execution, delivery and performance of this Agreement and all additional documents contemplated by this Agreement, and that such resolutions have not been amended or rescinded and remain in full force and effect on the Closing Date;

1.5.4 favorable original certificate of good standing, of Purchaser, issued by the California Secretary of State dated no earlier than a date which is fifteen (15) calendar days prior to the Closing Date;

1.5.5 the Bill of Sale, duly executed by Purchaser;

1.5.6 the Real Estate Assignment(s), duly executed by Purchaser;

1.5.7 the Assumption Agreement, duly executed by Purchaser;

1.5.8 the License Agreement referenced in Section 1.7(q);

1.5.9 the Transition Services Agreement; and

1.5.10 any such other instruments, certificates, consents or other documents which Purchaser and Sellers mutually deem reasonably necessary to carry out the transactions contemplated by this Agreement and to comply with the terms hereof.

1.6 Prorations and Utilities. All items of income and expense listed below with respect to the Assets shall be prorated in accordance with the principles and the rules for the specific items set forth hereafter:

1.6.1 All transfer, conveyance, sales, use, stamp, similar state and local taxes arising from the sale of the Assets hereunder shall be the responsibility of, and allocated to, Purchaser.

1.6.2 Other than the Utility Deposits (defined below), which are governed by Section 1.8(j), and other than with respect to Cure Costs payable by Purchaser, the following costs and expenses shall be prorated based upon the payment period (*i.e.*, calendar or other tax fiscal year) to which the same are attributable: all real estate and personal property lease payments, real estate and personal property taxes, real estate assessments, other than the PACE Special Assessments and other similar charges against real estate, and power and utility charges (collectively, the "**Prorated Charges**") on the Assets. Each Seller shall pay its respective portion at or prior to the Closing (or Purchaser shall receive credit for) of any unpaid Prorated Charges attributable to periods or portions thereof occurring prior to the Effective Time, and Purchaser shall assume as an Assumed Liability or, to the extent previously paid by any Seller, pay to such Seller at the Closing all Prorated Charges attributable to periods or portions thereof occurring from and after the Effective Time. In the event that as of the Closing Date the actual tax bills for the tax year or years in question are not available and the amount of taxes to be prorated as aforesaid cannot be ascertained, then rates, millages and assessed valuation of the previous year, with known changes, shall be used. The parties agree that if the real estate and personal property tax prorations are made based upon the taxes for the preceding tax period, the prorations shall be re-prorated after the Closing. As to power and utility charges, "final readings" as of the Closing Date shall be ordered from the utilities; the cost of obtaining such "final readings," if any, shall be paid by Purchaser.

1.6.3 Sellers shall be entitled to all rents and other payments under Tenant Leases accruing for the period prior to the Effective Time ("**Pre Effective Time Lease Amounts**"), and Purchaser shall be entitled to all rents and other payments under tenant leases accruing for the period after the Effective Time ("**Post Effective Time Lease Amounts**" and together with the Pre Effective Time Lease Amounts, the "**Lease Amounts**"). All Lease Amounts that are collected prior to the Closing shall be prorated as of the Closing in accordance with the immediately preceding sentence. All Lease Amounts that are accrued but uncollected as of the Closing (including, without limitation, rents and other payments accrued prior to the Closing but payable in arrears after the Closing) (collectively, the "**Unpaid Amounts**") shall belong to Sellers, and Purchaser shall, upon receipt of said rents and other payments, receive the same in trust for Sellers and shall promptly remit any of such amounts to the applicable Seller within ten (10) days after

Purchaser's receipt of same. For the avoidance of doubt, all rental payments received after Closing shall be first applied to any amounts owed to the Sellers under this Section 1.6.3.

1.6.4 All prorations and payments to be made under the foregoing provisions shall be agreed upon by Purchaser and Sellers prior to the Closing and shall be binding upon the parties; provided, however, with respect to the Unpaid Amounts, in the event any proration, apportionment or computation shall prove to be incorrect for any reason, then either the applicable Seller or Purchaser shall be entitled to an adjustment to correct the same, provided that said party makes written demand on the party from whom it is entitled to such adjustment within thirty (30) calendar days after the erroneous payment or computation was made, or such later time as may be required, in the exercise of due diligence, to obtain the necessary information for proration. This Section 1.6 shall survive Closing.

1.7 Transfer of Assets of Sellers. On the Closing Date and subject to the terms and conditions of this Agreement, each Seller shall sell, assign, transfer, convey and deliver to Purchaser, free and clear of all liens, claims, interests and encumbrances other than the Permitted Exceptions (defined below), and Purchaser shall acquire, all of each Seller's right, title and interest in and to only the following assets and properties, as such assets shall exist on the Closing Date, in each case (notwithstanding anything else in this Agreement) solely to the extent used primarily in the conduct of the Businesses and to the extent not included among the Excluded Assets, such transfer being deemed to be effective at the Effective Time:

(a) all of the tangible personal property owned by such Hospital Seller, or to the extent assignable or transferable by each Hospital Seller, leased, subleased or licensed by such Hospital Seller, and used by such Seller in the operation of the Hospital of such Hospital Seller, including equipment, furniture, fixtures, machinery, vehicles, office furnishings and leasehold improvements (the "**Personal Property**");

(b) all of such Hospital Seller's rights, to the extent assignable or transferable, to all Medicare and Medi-Cal provider agreements, permits, approvals, certificates of exemption, franchises, accreditations and registrations and other governmental licenses, permits or approvals issued to such Seller for use in the operation of the Hospital of such Hospital Seller (the "**Licenses**"), including, without limitation, the Licenses and Medicare/Medi-Cal Provider Agreements set forth on **Schedule 1.7(b)**, except to the extent Purchaser elects, in its discretion, not to take assignment of any such Licenses;

(c) all of such Hospital Seller's interest in and to the Owned Real Property and all of such Hospital Seller's interest, to the extent assignable or transferable, in and to all of the following (the "**Assumed Leases**"): (i) personal property leases with respect to the operation of the Hospital of such Hospital Seller (including leases for assets described in Section 1.7(i), (ii) the real property leases for all real property leased by such Hospital Seller and set forth on **Schedule 1.7(c)(ii)** (the "**Leased Real Property**"), and (iii) the real property leased or subleased by such Seller to a third party and set forth on **Schedule 1.7(c)(iii)** (the "**Tenant Leases**");

(d) all of such Hospital Seller's interest, to the extent assignable or transferable, in and to all contracts and agreements (including, but not limited to, purchase orders) with respect

to the operation of the Hospital of such Hospital Seller that have been designated by Purchaser as a contract to be assumed pursuant to Section 1.11 (the "**Assumed Contracts**");

(e) other than the Excluded Settlements and Actions (defined below), all claims, rights, interests and proceeds (whether received in cash or by credit to amounts otherwise due to a third party) with respect to amounts overpaid by such Seller to any third party health plans with respect to periods prior to the Effective Time (e.g. such overpaid amounts may be determined by billing audits undertaken by such Seller or such Seller's consultants), except with respect to any causes of action or proceeds thereof arising under Chapter 5 of the Bankruptcy Code other than with respect to Assumed Contracts and Assumed Leases and other items described in Section 1.8(h);

(f) to the extent assignable or transferable, all inventories of supplies, drugs, food, janitorial and office supplies and other disposables and consumables (i) located at the Hospital of such Seller or (ii) used in the operation of the Hospital of such Seller (the "**Inventory**") except as set forth in Section 1.8(e);

(g) other than Utility Deposits, all prepaid rentals, deposits, prepayments (excluding prepaid insurance and prepaid taxes) and similar amounts relating to the Assumed Contracts and/or the Assumed Leases, which were made with respect to the operation of the Hospital of such Hospital Seller (the "**Prepaids**");

(h) to the extent assignable or transferrable, all of the following that are not proprietary to such Seller and/or owned by or proprietary to such Hospital Seller's affiliates: operating manuals, files and computer software with respect to the operation of the Hospital of such Hospital Seller, including, without limitation, all patient records, medical records, employee records, financial records, equipment records, construction plans and specifications, and medical and administrative libraries; *provided, however*, that any patient records and medical records which are not required by law to be maintained by such Hospital Seller as of the Effective Time shall be an Excluded Asset;

(i) to the extent assignable or transferrable (and if leased, to the extent the associated lease is transferrable), including any assignment which is made effective pursuant to the Sale Order where the consent of a third party is required pursuant to the terms of an applicable agreement but not obtained, all systems, servers, computers, hardware, firmware, middleware, telecom equipment, networks, data communications lines, routers, hubs, switches and all other information technology equipment, and all associated documentation owned, leased or licensed by Sellers and used by Sellers with respect to the operations of the Hospitals;

(j) all Measure B trauma funding received after the Signing Date to be paid related to service periods ending on or after the Signing Date (pro rated between Purchaser and Sellers for any such payments covering service periods which include days both before and after the Signing Date based upon the number of days in the relevant payment period before the Signing Date (for the account of Sellers) and after the Signing Date (for the account of Purchaser));

(k) Except for as stated in Section 1.7(j), all accounts and interest thereupon, notes and interest thereupon and other receivables of such Seller, including, without limitation,

accounts, notes or other amounts receivable, disproportionate share payments and all claims, rights, interests and proceeds related thereto, including all accounts and other receivables, and Seller Cost Report settlements related thereto, in each case arising from the rendering of services or provision of goods, products or supplies to inpatients and outpatients at the Hospital of such Seller, billed and unbilled, recorded and unrecorded, for services, goods, products and supplies provided by such Seller prior to the Effective Time whether payable by Medicare, Medicaid, or any other payor (including an insurance company), or any health care provider or network (such as a health maintenance organization, preferred provider organization or any other managed care program) or any fiscal intermediary of the foregoing, private pay patients, private insurance or by any other source (collectively, "**Accounts Receivable**");

(l) all rights, claims and causes of action of such Seller to the extent related to and/or to the extent arising out of the Accounts Receivable acquired by Purchaser at the Closing;

(m) other than the Excluded Settlements and Actions, all regulatory settlements, rebates, adjustments, refunds or group appeals, including without limitation pursuant to all cost reports filed by Sellers for payment or reimbursement from government payment programs and other payors with respect to periods after the Signing Date;

(n) other than the Excluded Settlements and Actions, all casualty insurance proceeds arising in respect of casualty losses occurring after the Signing Date in connection with the ownership or operation of the Assets;

(o) other than the Excluded Settlements and Actions, all surpluses arising out of any risk pools, shared savings program or accountable care organization arrangement to which any Seller is party on the Closing Date, in each case to the extent Purchaser assumes the underlying contract relating to such risk pools, shared savings program or accountable care organization arrangement;

(p) all transferable unclaimed property of any Person in Sellers' possession as of the Closing Date, including, without limitation, property which is subject to applicable escheat laws;

(q) to the extent assignable or transferable by Sellers without out-of-pocket expense to Sellers, all warranties (including warranties of any manufacturer or vendor) on or in connection with the Assets (including the Personal Property) in favor of the Hospitals or Sellers;

(r) the right to use the names "St. Francis Medical Center", "St. Vincent Medical Center", "Seton Medical Center" and "Seton Medical Center Coastside", including any trademarks, service marks, trademark and service mark registrations and registration applications, trade names, trade name registrations, logos, domain names, trade dress, copyrights, copyright registrations, website content, know- how, trade secrets and the corporate or company names of Sellers and the names of the Hospitals, together with all rights to sue and recover damages for infringement, dilution, misappropriation or other violation or conflict associated with any of the foregoing; at the Closing, Purchaser will execute and deliver to Sellers the Transition Services Agreement granting to Sellers an unlimited, royalty free, irrevocable license to use any and all of the foregoing solely in connection with the wind-down of the Businesses, the completion of the

Bankruptcy Cases and the dissolution of Sellers (and following completion of such wind-down, Bankruptcy Cases and dissolution of Sellers, such license shall automatically terminate);

(s) all goodwill of the Hospital of such Hospital Seller evidenced by or associated with any of the Assets;

(t) to the extent transferable or assignable, such Hospital Seller's right or interest in the telephone and facsimile numbers and uniform resource locaters used with respect to the operation of the Hospital of such Hospital Seller;

(u) each such Hospital Seller's Medicare and Medi-Cal provider agreements and lockbox account(s) identified on **Schedule 1.7(u)**;

(v) all documents, records, correspondence, work papers and other documents, other than patient records, primarily relating to the Accounts Receivable;

(w) with respect to Verity Holdings, the assets represented by the assessor's parcel numbers (APN's) listed in **Schedule 1.7(w)** hereof (the "**Purchased Verity Holdings Assets**");

(x) except for the Excluded Assets, to the extent assignable or transferable, and subject to the Permitted Exceptions, any other assets owned by such Hospital Seller (which are not otherwise specifically described above in this Section 1.7) that are used in the operation of the Hospital of such Hospital Seller;

(y) all of Seton's interest in and to the PACE Obligations; and

(z) all QAF V and subsequent QAF program payments received after the Closing (e.g., QAF VI and QAF VII).

1.8 Excluded Assets. Notwithstanding anything to the contrary in Section 1.7, each Seller shall retain all interests, rights and other assets owned directly or indirectly by it (or any of such Seller's affiliates) which are not among the Assets, including, without limitation, the following interests, rights and other assets of such Seller (collectively, the "**Excluded Assets**"):

(a) cash, cash equivalents and short-term investments;

(b) all Seller Plans (defined below) and the assets of all Seller Plans and any asset that would revert to the employer upon the termination of any Seller Plan, including, without limitation, any assets representing a surplus or overfunding of any Seller Plan;

(c) all contracts that are not Assumed Contracts;

(d) all leases that are not Assumed Leases;

(e) the portions of Inventory, Prepaids, and other assets disposed of, expended or canceled, as the case may be, by such Seller after the Signing Date and prior to the Effective Time in the ordinary course of business;

(f) assets owned and provided by vendors of services or goods to the Hospital of such Hospital Seller;

(g) all of such Seller's organizational or corporate record books, minute books, tax returns, tax records and reports, data, files and documents, including electronic data related thereto;

(h) all claims, counterclaims and causes of action of such Seller or such Seller's bankruptcy estate (including parties acting for or on behalf of such Seller's bankruptcy estate, including, but not limited to, the official committee of unsecured creditors appointed in the Bankruptcy Cases), including, without limitation, rights of recovery or set-off of every kind and character against third parties, causes of action arising out of any claims and causes of action under chapter 5 of the Bankruptcy Code and any related claims, counterclaims and causes of action under applicable non-bankruptcy law, and any rights to challenge liens asserted against property of such Seller's bankruptcy estate, including, but not limited to, liens attaching to the Purchase Price paid to such Seller, and the proceeds from any of the foregoing;

(i) other than casualty insurance proceeds described in Section 1.7(m), all insurance policies and contracts and coverages obtained by such Seller or listing such Seller as insured party, a beneficiary or loss payee, including prepaid insurance premiums, and all rights to insurance proceeds under any of the foregoing, and all subrogation proceeds related to any insurance benefits arising from or relating to Assets prior to the Closing Date;

(j) all deposits made with any entity that provides utilities to the Hospital (the "**Utility Deposits**");

(k) all rents, deposits, prepayments, and similar amounts relating to any contract or lease that is not an Assumed Contract or Assumed Lease;

(l) all non-transferrable unclaimed property of any third party as of the Effective Time, including, without limitation, property which is subject to applicable escheat laws;

(m) all other bank accounts of such Sellers not listed on **Schedule 1.7(u)**;

(n) all writings and other items that are protected from discovery by the attorney-client privilege, the attorney work product doctrine or any other cognizable privilege or protection;

(o) the rights of such Seller to receive mail and other communications with respect to Excluded Assets or Excluded Liabilities;

(p) all director and officer insurance;

(q) all tax refunds of such Seller;

(r) all documents, records, operating manuals and film pertaining to the Hospital that the parties agree that such Seller is required by law to retain;

(s) all patient records and medical records which are not required by law to be maintained by such Seller as of the Effective Time;

(t) all documents, records, correspondence, work papers and other patient records that may not be transferred under applicable law, and any other documents, records, or correspondence (including with respect to any employees) that may not be transferred under applicable law;

(u) any rights or documents relating to any Excluded Liability or other Excluded Asset;

(v) any rights or remedies provided to such Seller under this Agreement and each other document executed in connection with the Closing;

(w) any (i) personnel files for employees of such Seller who are not hired by Purchaser; (ii) other books and records that such Seller is required by Law to retain; provided, however, that except as prohibited by Law and subject to Article 5, Purchaser shall have the right to make copies of any portions of such retained books and records that relate to the business of the Hospital as conducted before the Closing or that relate to any of the Assets; (iii) documents which such Seller is not permitted to transfer pursuant to any contractual obligation owed to any third party; (iv) documents primarily related to any Excluded Assets; and (v) documents necessary to prepare tax returns (Purchaser shall be entitled to a copy of such documents). With respect to documents necessary to prepare cost reports, Purchaser shall receive the original document and such Seller shall be entitled to retain a copy of such documents for any period ending on or prior to the Closing Date;

(x) all deposits or other prepaid charges and expenses paid in connection with or relating to any other Excluded Assets;

(y) all rights, claims and causes of action of such Seller to the extent related to and/or to the extent arising out of the receivables identified in **Schedule 1.8(y)** and rights to settlements and retroactive adjustments, if any, whether arising under a Seller Cost Report or otherwise, for any reporting periods ending on or prior to the Effective Time, whether open or closed, arising from or against the United States government under the terms of the Medicare

program or TRICARE (formerly the Civilian Health and Medical Program of the Uniformed Services);

(z) all pre-Closing settlements or settlements pursuant to adversary proceedings in the Bankruptcy Cases, including, without limitation, any proceedings identified in Section 1.8(h) or 1.8(y) (together with the items identified in Section 1.8(h) and 1.8(y), the "**Excluded Settlements and Actions**");

(aa) for the avoidance of doubt, all QAF IV and QAF V payments actually received prior to the Signing Date;

(bb) all assets of Verity Holdings other than the Purchased Verity Holdings Assets and all assets of any of the tenants located in the leased premises of the purchased Verity Holdings properties; and

(cc) any assets identified in **Schedule 1.8(cc)**.

1.9 Assumed Obligations. On the Closing Date, each Seller shall assign, and Purchaser shall assume and agrees to discharge, perform and satisfy fully, on and after the Effective Time, the following liabilities and obligations of such Seller and only the following liabilities and obligations (collectively, the "**Assumed Obligations**"):

(a) the Assumed Contracts and all liabilities of such Seller under the Assumed Contracts, including related Cure Costs;

(b) the Assumed Leases and all liabilities of such Seller under the Assumed Leases, including related Cure Costs;

(c) all liabilities and obligations arising out of or relating to any act, omission, event or occurrence connected with the use, ownership or operation by Purchaser of the Hospital or any of the Assets on or after the Effective Time;

(d) all accrued vacation and other paid time off, to the extent assumed under Section 1.1(a)(ii);

(e) all liabilities and obligations of such Seller related to the Hired Employees arising on or following the Effective Time;

(f) all unpaid real and personal property taxes, if any, that are attributable to the Assets after the Effective Time, subject to the prorations provided in Section 1.6;

(g) all liabilities and obligations relating to utilities being furnished to the Assets, subject to the prorations provided in Section 1.6;

(h) any documentary, sales and transfer tax liabilities of such Seller incurred as a result of the consummation of the transaction contemplated by this Agreement;

(i) all liabilities or obligations provided for in Section 5.3;

(j) any obligations or liabilities Purchaser may desire or need to assume in order to have the Certifications/Licenses/Permits identified on Schedule 1.7(b) reissued to Purchaser, as well as any liabilities or obligations associated with Sellers' Medicare and Medi-Cal provider agreements, but only to the extent assumed by Purchaser, and any Medi-Cal liabilities or obligations needed to support ongoing Hospital Quality Assurance Fee Program payments; and

(k) any other obligations and liabilities identified in **Schedule 1.9(k)**.

1.10 Excluded Liabilities. Purchaser shall not assume or become responsible for any duties, obligations or liabilities of any Seller that are not assumed by Purchaser pursuant to the terms of this Agreement, the Bill of Sale, the Assumption Agreement or the Real Estate Assignment(s) (the "**Excluded Liabilities**"), and each Seller shall remain fully and solely responsible for all of such Seller's debts, liabilities, contract obligations, expenses, obligations and claims of any nature whatsoever related to the Assets or the Hospital unless assumed by Purchaser under this Agreement, in the Bill of Sale, the Assumption Agreement or in the Real Estate Assignment(s).

1.11 Designation of Assumed Contracts and Assumed Leases.

(a) Except as provided in Section 1.11(b), all contracts and leases will be subject to evaluation by Purchaser for assumption or rejection (collectively "**Evaluated Contracts**"). Not later than seven (7) days prior to the date of the auction for the Assets (i) Purchaser shall notify each Seller in writing of which Evaluated Contracts are to be assumed by such Seller and assigned to Purchaser and (ii) Purchaser shall notify each Seller in writing signed and dated by Purchaser of which Evaluated Contracts are to be rejected by such Seller (collectively, the "**Rejected Contracts**"); provided, that Purchaser shall have the right to designate additional Evaluated Contracts for assumption up to thirty (30) days prior to Closing. Each Seller shall file such motions in the Bankruptcy Court and take such other actions as are reasonably necessary to ensure that final and non-appealable orders are entered (x) assuming and assigning the respective Assumed Contracts or Assumed Leases applicable to such Seller to Purchaser and (y) rejecting the Rejected Contracts. With respect to each Assumed Lease, the applicable Seller shall execute and deliver to Purchaser an Assignment and Assumption of Lease. Notwithstanding anything to the contrary set forth in this Agreement, the Rejected Contracts shall constitute part of the Excluded Assets pursuant to, and as defined in, this Agreement.

(b) At Closing and pursuant to an order of the Bankruptcy Court, each Seller will assume and immediately assign to Purchaser the leases of such Seller for Leased Real Property and the Tenant Leases.

(c) Notwithstanding the foregoing, Purchaser's obligation to consummate the transactions contemplated by this Agreement are not contingent upon the assumption, assignment or rejection of any contract or lease, or on the amount of any payment or other performance needed to cure any default thereunder.

1.12 Disclaimer of Warranties; Release.

(a) THE ASSETS TRANSFERRED TO PURCHASER WILL BE SOLD BY SELLERS AND PURCHASED BY PURCHASER IN THEIR PHYSICAL CONDITION AT THE EFFECTIVE TIME, "AS IS, WHERE IS AND WITH ALL FAULTS AND NONCOMPLIANCE WITH LAWS" WITH NO WARRANTIES, INCLUDING, WITHOUT LIMITATION, THE WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, SUITABILITY, USAGE, WORKMANSHIP, QUALITY, PHYSICAL CONDITION, OR VALUE, AND ANY AND ALL SUCH OTHER REPRESENTATIONS AND WARRANTIES ARE HEREBY EXPRESSLY DISCLAIMED, AND WITH RESPECT TO THE LEASED REAL PROPERTY WITH NO WARRANTY OF HABITABILITY OR FITNESS FOR HABITATION, INCLUDING, WITHOUT LIMITATION, THE LAND, THE BUILDINGS AND THE IMPROVEMENTS. ALL OF THE PROPERTIES, ASSETS, RIGHTS, LICENSES, PERMITS, PRIVILEGES, LIABILITIES, AND OBLIGATIONS OF SELLERS INCLUDED IN THE ASSETS AND THE ASSUMED OBLIGATIONS ARE BEING ACQUIRED OR ASSUMED "AS IS, WHERE IS" ON THE CLOSING DATE AND IN THEIR PRESENT CONDITION, WITH ALL FAULTS. ALL OF THE TANGIBLE ASSETS SHALL BE FURTHER SUBJECT TO NORMAL WEAR AND TEAR AND NORMAL AND CUSTOMARY USE OF THE INVENTORY AND SUPPLIES IN THE ORDINARY COURSE OF BUSINESS UP TO THE EFFECTIVE TIME.

(b) Purchaser acknowledges that Purchaser will be examining, reviewing and inspecting all matters which in Purchaser's judgment bear upon the Assets, the Sellers, the Hospitals, the business of the Hospitals and their value and suitability for Purchaser's purposes and is relying solely on Purchaser's own examination, review and inspection of the Assets and Assumed Obligations. Purchaser releases each Seller and its affiliates from all responsibility and liability regarding the condition, valuation, salability or utility of the business of the Hospitals or the Assets, or their suitability for any purpose whatsoever. Purchaser further acknowledges that the representations and warranties of Sellers contained in ARTICLE 2 of this Agreement are the sole and exclusive representations and warranties made by Sellers to Purchaser (including with respect to the Hospitals, the Assets and the Assumed Obligations) and shall expire, and be of no further force or effect after January 8, 2019 (the period from the Signing Date until January 8, 2019, the "**Final Diligence Period**"), except that the Sale Order Date Representations shall expire, and be of no further force or effect upon the Sale Order Date, and in each case Sellers shall not have any liability in respect of any breach thereof following such expiration.

ARTICLE 2

REPRESENTATIONS AND WARRANTIES OF SELLERS

Each Seller hereby represents, warrants and covenants to Purchaser, severally (and not jointly) with respect to such Seller that the following matters are true and correct as of the Signing Date and as of the last day of the Final Diligence Period, except as would not have a material adverse effect upon the Hospitals, taken as a whole (a "**Material Adverse Effect**") and except as disclosed in the disclosure schedule, as may be amended pursuant to the terms of this Agreement (the "**Disclosure Schedule**"), provided that the representations and warranties set forth in Sections 2.1 (Authorization), 2.2 (Binding Agreement), 2.3 (Organization and Good Standing; No Violation), 2.8 (Compliance with Legal Requirements), 2.9 (Required Consents), 2.11 (Title) and 2.14 (Legal Proceedings) (the "**Sale Order Date Representations**") shall also be made as of immediately prior to the entry of the Sale Order (the "**Sale Order Date**"):

2.1 Authorization. Such Seller has all necessary corporate power and authority to enter into this Agreement and, subject to Bankruptcy Court approval, to carry out the transactions contemplated hereby.

2.2 Binding Agreement. This Agreement has been duly and validly executed and delivered by such Seller and, assuming due and valid execution by Purchaser, this Agreement constitutes a valid and binding obligation of such Seller enforceable in accordance with its terms subject to (a) applicable bankruptcy, reorganization, insolvency, moratorium and other laws affecting creditors' rights generally from time to time in effect and (b) limitations on the enforcement of equitable remedies. Except for such corporate actions which have been taken on or before the date hereof, no other corporate action on the part of Sellers is necessary to authorize the execution, delivery and performance of this Agreement and the transactions contemplated hereby and thereby.

2.3 Organization and Good Standing; No Violation.

(a) Such Seller is an entity duly organized, validly existing and in good standing under the laws of the State of California. Such Seller has all necessary power and authority to own, operate and lease its properties and to carry on its businesses as now conducted.

(b) Neither the execution and delivery by such Seller of this Agreement nor the consummation of the transactions contemplated hereby by such Seller nor compliance with any of the material provisions hereof by such Seller, will violate, conflict with or result in a breach of any material provision of such Seller's articles of incorporation or bylaws or any other organizational documents of such Seller.

2.4 Contracts. Except as set forth in Schedule 2.4, upon entry of the Sale Order and Purchaser's payment of the Cure Costs, to Seller's knowledge, Seller is not in material breach or default of the Assumed Contracts or Assumed Leases. No provision of this Section 2.4 shall apply to any failure to obtain consents to the assignment of the Assumed Contracts and Assumed Leases from third parties to the Assumed Contracts and Assumed Leases for which consent is required to

assign the Assumed Contracts and Assumed Leases to Purchaser (the "**Contract and Lease Consents**").

2.5 Brokers and Finders. Except as set forth on Schedule 2.5, neither such Seller nor any affiliate thereof, nor any officer or director thereof, have engaged or incurred any liability to any finder, broker or agent in connection with the transactions contemplated hereunder.

2.6 Seller Knowledge. References in this Agreement to "Sellers' knowledge or "the knowledge of Sellers" means the actual knowledge of the Chief Executive Officer or Chief Financial Officer of the applicable Seller, without independent research. No constructive or imputed knowledge shall be attributed to any such individual by virtue of any position held, relationship to any other Person or for any other reason.

2.7 Non-Contravention. Neither the execution and delivery by Sellers of this Agreement and each Ancillary Agreement nor performance of any of the material provisions hereof by Sellers, will violate, conflict with or result in a breach of any material provisions of the articles of incorporation or bylaws of Sellers.

2.8 Compliance with Legal Requirements. Except as set forth in Schedule 2.8, to the knowledge of Sellers: each Seller, with respect to the operation of the Hospitals, is in material compliance with all applicable laws, statutes, ordinances, orders, rules, regulations, policies, guidelines, licenses, certificates, judgments or decrees of all judicial or governmental authorities (federal, state, local, foreign or otherwise) (collectively, "**Legal Requirements**"). Except as set forth in Schedule 2.8, to the knowledge of Sellers, none of the Sellers, with respect to the operation of the Hospitals, has been charged in writing with or been given written notice of or is under investigation with respect to, any material violation of, or any obligation to take material remedial action under, any applicable Legal Requirements.

2.9 Required Consents. Except as set forth in Schedule 2.9, and other than in connection with any Licenses, any provider agreements (including any such agreements with a governmental authority) and the CA AG (defined below), Sellers are not a party to or bound by, nor are any of the Assets subject to, any mortgage, or any material lien, deed of trust, material lease, or material contract or any material order, judgment or decree which, after giving effect to the Sale Order (a) will require the consent of any third party to the execution of this Agreement or (b) will require the consent of any third party to consummate the transactions contemplated by this Agreement.

2.10 Environmental Matters.

(a) Sellers have provided Purchasers with the Phase I Environmental Site Assessments set forth in said Schedule 2.10(a).

(b) Except as disclosed in Schedule 2.10(b), to the knowledge of Sellers, the operations of the Hospitals are not in material violation of any applicable limitations, restrictions, conditions, standards, prohibitions, requirements and obligations of Environmental Laws and related orders of any court or any other governmental authority.

(c) For the purposes of this Section, the term "**Environmental Laws**" shall mean all state, federal or local laws, ordinances, codes or regulations relating to Hazardous Substances or to the protection of the environment, including, without limitation, laws and regulations relating to the storage, treatment and disposal of medical and biological waste. For purposes of this Agreement, the term "**Hazardous Substances**" shall mean (i) any hazardous or toxic waste, substance, or material defined as such in (or for the purposes of) any Environmental Laws, (ii) asbestos-containing material, (iii) medical and biological waste, (iv) polychlorinated biphenyls, (v) petroleum products, including gasoline, fuel oil, crude oil and other various constituents of such products, and (vi) any other chemicals, materials or substances, exposure to which is prohibited, limited or regulated by any Environmental Laws.

2.11 Title. Prior to December 21, 2018, Sellers have delivered at their own expense (i) for all the Real Property preliminary title reports issued by First American Title Insurance Company (the "**Title Commitments**"), (ii) for all of the Real Property all underlying title documents listed on the Title Commitments (the "**Underlying Title Documents**"), and (iii) for all of the Hospitals an as-built ALTA Surveys (the "**Surveys**", and collectively with the Title Commitment and the Underlying Title Documents, the "**Title Documents**").

2.12 Certain Other Representations with Respect to the Hospitals.

(a) Except as set forth in Schedule 2.12, all Licenses which are material and necessary to the operation of the Hospitals or the Hospitals by Sellers are valid and in good standing and Sellers are in compliance with the terms and conditions of all such Licenses in all material respects, in each case except where the failure to be valid and in good standing or in compliance would not have a material adverse effect on the Assets or the Hospitals. Except as set forth in Schedule 2.12, as of the Closing Date Sellers will have any and all material Licenses required under Legal Requirements to conduct the Hospitals as presently conducted by Sellers, except where the failure to have any such License would not have a material adverse effect on the Assets or the Hospitals. To the knowledge of Sellers, no loss or expiration of any License is pending or threatened.

(b) Sellers are certified for participation in the Medicare, Medi-Cal and TRICARE programs and any other federal or state health care reimbursement programs in which they participate, and have current and valid provider agreements with each such program, except where the failure to be so certified or have such provider agreements would not have a material adverse effect.

(c) Sellers have not been excluded from Medicare, Medi-Cal or any federal or state health care reimbursement program, and, to the knowledge of Sellers, there is no pending or threatened exclusion action by a governmental authority against Sellers.

2.13 Financial Statements.

(a) Schedule 2.13(a) hereto contains the following financial statements (the "Historical Financial Statements"): (i) the unaudited balance sheets of the Sellers as of June 30,

2018; (ii) unaudited income statements of the Sellers for the twelve-month periods ended June 30, 2018; (iii) the audited consolidated income statements of Sellers for the years ended 2016 and 2017; and (iv) the unaudited consolidated balance sheet of Sellers as of June 30, 2018.

(b) the income statements contained in the Historical Financial Statements present, fairly in all material respects the results of the operations of the Sellers as of and for the periods covered therein and, except as set forth on Schedule 2.13(b), the balance sheets contained in the Historical Financial Statements (i) are true, complete and correct in all material respects; (ii) present, fairly in all material respects the financial condition of the Sellers as of the dates indicated thereon; and (iii) to the extent prepared by an independent certified public accounting firm, have been prepared in accordance with generally accepted accounting principles consistently applied throughout the periods covered, except as disclosed therein.

2.14 Legal Proceedings. Except as set forth on Schedule 2.14, and except for any and all cases and/or pleadings filed or to be filed in the Bankruptcy Court, which shall be available through Sellers' claims and noticing agent's website at http://www.kcclcc.com/VERITYHEALTH/, to the knowledge of Sellers, there are no material claims, proceedings or investigations pending or threatened with respect to the ownership of the Assets or the operation of the Hospitals or the Hospitals by Sellers before any governmental authority. Except as set forth on Schedule 2.14, and other than any action or proceeding brought in the Bankruptcy Court, to the knowledge of Sellers, Sellers are not subject to any government order with respect to the ownership or operation by Sellers of the Hospitals or the other Assets or the Hospitals and are in substantial compliance with respect to each such government order.

2.15 Employee Benefits. Schedule 2.15(a) contains a list of (i) each pension, profit sharing, bonus, deferred compensation, or other retirement plan or arrangement of Seller with respect to the operation of the Hospital, whether oral or written, which constitutes an "employee pension benefit plan" as defined in Section 3(2) of ERISA, (ii) each medical, health, disability, insurance or other plan or arrangement of Seller with respect to the operation of the Hospital, whether oral or written, which constitutes an "employee welfare benefit plan" as defined in Section 3(1) of ERISA, and (iii) each other employee benefit or perquisite provided by Seller with respect to the operation of the Hospital, in which any employee of Seller participates in his capacity as such (collectively, the "**Seller Plans**").

2.16 Personnel. Schedule 2.16 sets forth a complete list (as of the date set forth therein) of names, positions and current annual salaries or wage rates and scheduled bonus, and the accrued paid time off pay of all employees of Sellers (including employees of the Hospitals and employees of Verity and Verity Holdings) immediately prior to December 21, 2018, whether such employees are full time employees, part-time employees, on short-term or long-term disability or on leave of absence pursuant to Sellers's policies, the Family and Medical Leave Act of 1993 or other similar Legal Requirements (the "**Hospital Employees**") and indicating whether the Hospital Employee is full- time or part-time. Sellers shall have the right to update to Schedule 2.16(a) to reflect changes in employment status or new hires and terminations occurring after December 21, 2018 by providing a revised schedule to Purchase no later than five (5) Business Days before the date scheduled for the Closing.Insurance. Schedule 2.17 contains a list of all material insurance maintained by Sellers with respect to the Assets and the Businesses, as of the Signing Date.

2.18 Accounts Receivable. To the knowledge of Sellers, all Accounts Receivable included in the Assets at Closing result from the bona fide provision of products or services in the ordinary course of business. All Sellers Accounts Receivable are currently deposited, either electronically or manually, into the bank accounts listed on Schedule 4.25(b).

2.19 Payer Contracts. To the knowledge of Sellers, and subject to Section 365 of the Bankruptcy Code, Schedule 2.19 sets forth a complete list of all written contracts with private third party payers including insurance companies and HMOs ("**Payer Contracts**"). Sellers have provided Purchasers with a true and correct copy of all material Payer Contracts, whether or not entered into in the ordinary course of business, or otherwise required to be disclosed on Schedule 2.20, in each case together with all amendments thereto.

2.20 Excluded Individuals. Except as set forth on Schedule 2.20, to the knowledge of Sellers: neither Sellers, Hospitals nor any director, officer or employee of Sellers or Hospitals (a) was, is or is proposed to be, suspended, excluded from participation in, or sanctioned under, any federal or state health care program (including, without limitation, Medicare and Medicaid) (an "**Excluded Individual**"); (b) has been convicted of any criminal offense related to the delivery of any medical or health care services or supplies, or related to the neglect or abuse of patients; (c) has failed to maintain its current License to provide the services required to be provided by it to or on behalf of Sellers and Hospitals; or (d) is unable to obtain or maintain liability insurance consistent with commercially reasonable industry practices.

ARTICLE 3

REPRESENTATIONS AND WARRANTIES OF PURCHASER

As an inducement to Sellers to enter into this Agreement and to consummate the transactions contemplated by this Agreement, Purchaser hereby represents, warrants and covenants to Sellers as to the following matters as of the Signing Date and, except as otherwise provided herein, shall be deemed to remake all of the following representations, warranties and covenants as of the Closing Date:

3.1 Authorization. Purchaser has full power and authority to enter into this Agreement and has full power and authority to perform its obligations hereunder and to carry out the transactions contemplated hereby. No additional internal consents are required in order for Purchaser to perform its obligations and agreements hereunder.

3.2 Binding Agreement. This Agreement has been duly and validly executed and delivered by Purchaser and, assuming due and valid execution by Sellers, this Agreement constitutes a valid and binding obligation of Purchaser enforceable in accordance with its terms subject to (a) applicable bankruptcy, reorganization, insolvency, moratorium and other laws affecting creditors' rights generally from time to time in effect and (b) limitations on the enforcement of equitable remedies.

3.3 Organization and Good Standing. Purchaser is a corporation duly organized, validly existing and in good standing under the laws of the State of California, is or will be duly

authorized to transact business in the State of California, and has full power and authority to own, operate and lease its properties and to carry on its business as now conducted.

3.4 No Violation. Except as set forth in **Schedule 3.4**, neither the execution and delivery by Purchaser of this Agreement nor the consummation of the transactions contemplated hereby nor compliance with any of the material provisions hereof by Purchaser will (a) violate, conflict with or result in a breach of any material provision of the Articles of Incorporation, Bylaws or other organizational documents of Purchaser or any contract, lease or other instrument by which Purchaser is bound; (b) require any approval or consent of, or filing with, any governmental agency or authority, (c) violate any law, rule, regulation, or ordinance to which Purchaser is or may be subject, (d) violate any judgment, order or decree of any court or other governmental agency or authority to which Purchaser is subject.

3.5 Brokers and Finders. Neither Purchaser nor any affiliate thereof nor any officer or director thereof has engaged any finder or broker in connection with the transactions contemplated hereunder.

3.6 Representations of Sellers. Purchaser acknowledges that it is purchasing the Assets on an "AS IS, WHERE IS" basis (as more particularly described in Section 1.12), and that Purchaser is not relying on any representation or warranty (expressed or implied, oral or otherwise) made on behalf of any Seller other than as expressly set forth in this Agreement. Purchaser further acknowledges that no Seller is making any representations or warranties herein relating to the Assets or the operation of the Hospital on and after the Effective Time.

3.7 Legal Proceedings. Except as described on **Schedule 3.7**, there are no claims, proceedings or investigations pending or, to the best knowledge of Purchaser, threatened relating to or affecting Purchaser or any affiliate of Purchaser before any court or governmental body (whether judicial, executive or administrative) in which an adverse determination would materially adversely affect the properties, business condition (financial or otherwise) of Purchaser or any affiliate of Purchaser or which would adversely affect Purchaser's ability to consummate the transactions contemplated hereby. Neither Purchaser nor any affiliate of Purchaser is subject to any judgment, order, decree or other governmental restriction specifically (as distinct from generically) applicable to Purchaser or any affiliate of Purchaser which materially adversely affects the condition (financial or otherwise), operations or business of Purchaser or any affiliate of Purchaser or which would adversely affect Purchaser's ability to consummate the transactions contemplated hereby.

3.8 No Knowledge of a Seller's Breach. Neither Purchaser nor any of its affiliates has knowledge of any breach of any representation or warranty by any Seller or of any other condition or circumstance that would give Purchaser a right to terminate this Agreement pursuant to Section 9.1(c). If information comes to Purchaser's attention on or before the Closing Date (whether through a Seller or otherwise and whether before or after the Signing Date) which indicates that Sellers have breached any of its representations and warranties under this Agreement, then the effect shall be as if the representations and warranties had been modified in this Agreement in accordance with the actual state of facts existing prior to the Effective Time such that there will be no breach under Sellers' representations and warranties in relation to such information; *provided, however*, that Purchaser must immediately notify Sellers if any such breach comes to its attention

on or before the Closing Date, and Purchaser's failure to so notify Sellers shall constitute a waiver by Purchaser of Sellers' breach, if any, of any representation or warranty. If any such information comes to Purchaser's attention on or before the Closing Date (whether through a Seller or otherwise, including through updated schedules, and whether before or after the Signing Date) that would give Purchaser a right to terminate this Agreement pursuant to Section 9.1(c), Purchaser must immediately notify Sellers if any such information comes to its attention on or before the Closing Date, and Purchaser's failure to so notify Sellers shall constitute a waiver of such right in relation to the relevant breach.

3.9 Ability to Perform. Purchaser has the ability to obtain funds in cash in amounts equal to the Purchase Price by means of credit facilities or otherwise and will at the Closing have immediately available funds in cash, which are sufficient to pay the Purchase Price and to pay any other amounts payable pursuant to this Agreement and to consummate the transactions contemplated by this Agreement.

3.10 Purchaser Knowledge. References in this Agreement to "Purchaser's knowledge" or "the knowledge of Purchaser" means the actual knowledge of the Chief Executive Officer, Chief Financial Officer or Chief Operating Officer of Purchaser, without independent research. No constructive or imputed knowledge shall be attributed to any such individual by virtue of any position held, relationship to any other Person or for any other reason.

3.11 Investigation. Purchaser has been afforded reasonable access to, and has been provided adequate time to review, the books, records, information, operations, facilities and personnel of each Seller and the Hospital for purposes of conducting a due diligence investigation of each Seller and the Hospital. Purchaser has conducted a reasonable due diligence investigation of each Seller and the Hospital and has received satisfactory answers to all inquiries it has made respecting each Seller and the Hospital and has received all information it considers necessary to make an informed business evaluation of each Seller and the Hospital. In connection with its due diligence investigation of each Seller and the Hospital, Purchaser has not relied upon any books, records, information, operations, facilities and personnel provided by any Seller, including in making its determination to enter into this Agreement and/or consummate the transactions contemplated hereby.

ARTICLE 4

COVENANTS OF SELLERS

4.1 Access and Information; Inspections.

4.1.1 From the Signing Date through the Effective Time, (a) each Seller shall afford to the officers and agents of Purchaser (which shall include accountants, attorneys, bankers and other consultants and authorized agents of Purchaser) reasonable access during normal business hours at Seller's corporate headquarters in El Segundo, California to, and the right to inspect, the books, accounts, records and all other relevant documents and information with respect to the assets, liabilities and business of the Hospital of such Seller and the plant and property of the Hospital of such Seller at the Hospital of such Seller and (b) each Seller shall furnish Purchaser with such additional financial and operating data and other information in such Seller's possession

as to businesses and properties of the Hospital of such Seller as Purchaser or its representatives may from time to time reasonably request; *provided, however*, that such Seller is not obligated to disclose information which is proprietary to such Seller and would not be essential to the ongoing operation of the Hospital of such Seller by Purchaser; *provided, further*, that all disclosures of information shall be consistent with the confidentiality agreements and any other non-disclosure agreements entered into (or to be entered into) among Purchaser, its representatives and such Seller. Purchaser's right of access and inspection shall be exercised in such a manner as not to interfere unreasonably with the operations of any Seller or the Hospital.

4.1.2 Notwithstanding anything contained herein, no Seller shall be required to provide Purchaser or its representatives or agents access to or disclose information where such access or disclosure would violate the rights of its patients, jeopardize the attorney-client or similar privilege with respect to such information or contravene any law, judgment, fiduciary duty or contract entered into prior to or on the date of this Agreement with respect to such information.

4.2 Cooperation.

4.2.1 Each Seller shall reasonably cooperate with Purchaser and its authorized representatives and attorneys: (a) in Purchaser's efforts to obtain all consents, approvals, authorizations, clearances and licenses required to carry out the transactions contemplated by this Agreement (including, without limitation, those of governmental and regulatory authorities) or which Purchaser reasonably deems necessary or appropriate, (b) in the preparation of any document or other material which may be required by any governmental agency as a predicate to or result of the transactions contemplated in this Agreement, and (c) in Purchaser's efforts to effectuate the assignment of Assumed Contracts to Purchaser as of the Closing Date. Except as may be otherwise requested by a Seller in order to comply with applicable law or regulatory guidance, notwithstanding anything contained herein, other than Bankruptcy Court orders and authorizations, it shall be Purchaser's sole responsibility (including payment of any fees, expenses, filings costs or other amounts) to obtain the Contract and Lease Consents, as well as all governmental consents, approvals, assignments, authorizations, clearances and licenses required to (x) carry out the transactions contemplated by this Agreement, including but not limited to medical licenses and/or (y) transfer any of the Assets, including any Licenses. To the extent Purchaser needs certain information and data which is in the possession of a Seller in order for Purchaser to complete Purchaser's license and permit approval applications, Purchaser shall receive, upon request, reasonable assistance from such Seller in connection with the provision of such information.

4.2.2 Notwithstanding any provision to the contrary contained in this Agreement (including Section 8.7), no Seller shall be obligated to obtain the approval or consent to the assignment, to Purchaser, of any Assumed Contracts or Assumed Leases, from any party to any of the Assumed Contracts or Assumed Leases even if any such contract or lease states that it is not assignable without such party's consent.

4.3 Other Bidders. Purchaser expressly acknowledges and agrees that each Seller has an obligation to seek out and determine the best and highest offer reasonably available for such

Seller's assets in accordance with the Bankruptcy Code, and nothing herein shall amend, modify, alter, diminish or affect such obligation.

4.4 Sellers' Efforts to Close. Each Seller shall use its reasonable commercial efforts to satisfy all of the conditions precedent set forth in ARTICLE 7 and ARTICLE 8 to its or Purchaser's obligations under this Agreement to the extent that such Seller's action or inaction can control or materially influence the satisfaction of such conditions; provided, however, that such Seller shall not be required to pay or commit to pay any amount to (or incur any obligation in favor of) any person (other than filing or application fees).

4.5 Termination Cost Reports. Each Seller shall file all Medicare, Medi-Cal and any other termination cost reports required to be filed as a result of the consummation of (a) the transfer of the Assets of such Seller to Purchaser and (b) the transactions contemplated by this Agreement with respect to such Seller, provided that Purchaser shall fund reasonable costs and expenses of preparation, filing and audit of such reports. Purchaser shall permit each Seller access to all Hospital books and records to prepare such reports and shall assist such Seller in the process of preparing, filing, and reviewing the termination cost reports. All such termination cost reports shall be filed by the applicable Seller in a manner that is consistent with current laws, rules and regulations. Each Seller shall be responsible for filing governmental cost reports for the period of January 1, 2019 through the Closing Date. Purchaser shall be responsible for its own cost report filings relating to the Hospitals beginning on the day immediately following the Effective Time.

4.6 Conduct of the Business. From the Signing Date until the Closing, or the earlier termination of this Agreement, without the prior written consent of Purchaser, Sellers shall, with respect to the ownership of the Assets and the operation of the Hospitals, use commercially reasonable efforts to, in each case except as would not have a Material Adverse Effect (except as otherwise noted):

(a) without regard to Material Adverse Effect, carry on Sellers' ownership of the Assets and the operation of the Hospitals consistent with past practice, but subject to the Bankruptcy Cases and Sellers' obligations and actions in connection therewith;

(b) maintain in effect the insurance and equipment replacement coverage with respect to the Assets;

(c) if and as permitted by the Bankruptcy Court, pay any bonuses payable under the Key Employee Retention Plan and Key Employee Incentive Plan of Sellers;

(d) maintain the Assets in materially the same condition as at present, ordinary wear and tear excepted;

(e) perform its obligations under all contracts with respect to the Assets in compliance with the Bankruptcy Code;

(f) following entry of the Sale Order, permit and allow reasonable access by Purchaser and its representatives (which shall include the right to send written materials, all of which shall be subject to Sellers' reasonable approval prior to delivery) to make offers of post-

Closing employment to any of Sellers' personnel (including access by Purchasers and their representatives for the purpose of conducting open enrollment sessions for Purchasers' employee benefit plans and programs) and to establish relationships with physicians, medical staff and others having business relations with Sellers;

(g) with respect to material deficiencies, if any, cited by any governmental authority (other than the Attorney General of the State of California and other than with respect to Seismic requirements) or accreditation body in the most recent surveys conducted by each, cure or develop and timely implement a plan of correction that is acceptable to such governmental authority or such accreditation body;

(h) timely file or cause to be filed all material reports, notices and tax returns required to be filed and pay all required taxes as they come due;

(i) without regard to Material Adverse Effect, beginning on February 21, 2019 and in accordance with the Sellers' budget under their debtor in possession financing, timely pay any fees that are or become due and payable under QAF IV and QAF V;

(j) comply in all material respects with all Legal Requirements (including Environmental Laws) applicable to the conduct and operation of the Hospitals; and

(k) without regard to Material Adverse Effect, maintain all material approvals, permits and environmental permits relating to the Hospitals and the Assets.

4.7 Contract With Unions. Representatives of Sellers who are parties to collective bargaining agreements and Purchaser shall meet and confer from time to time as reasonably requested by either party to discuss strategic business options and alternative approaches in negotiating each collective bargaining agreement. The applicable Sellers and Purchaser shall each participate in all union negotiations related to any specific collective bargaining agreement. Promptly following the Signing Date, applicable Sellers shall use commercially reasonable efforts to initiate discussions with Purchaser and conduct discussions to renegotiate each collective bargaining agreement currently in effect with each applicable union. The applicable Sellers will not unreasonably withhold, condition or delay approval or implementation of any successfully renegotiated collective bargaining agreement. The parties recognize that an applicable Seller's failure to secure a modification to any collective bargaining agreement, or to conclude a successor collective bargaining agreement shall not be a breach of Sellers' obligation under this Agreement, provided that if the unions refuse to negotiate, or otherwise are not timely, reasonable or realistic in renegotiating, the collective bargaining agreements during the period between the Signing Date and the Closing Date, Sellers and Purchaser will jointly consider, and negotiate mutually in good faith, alternative approaches that may be available and/or necessary to reduce Sellers' labor cost structure, including, but not limited to, seeking to reject the collective bargaining agreement(s).

ARTICLE 5

COVENANTS OF PURCHASER

5.1 Purchaser's Efforts to Close. Purchaser shall use its reasonable commercial efforts to satisfy all of the conditions precedent set forth in ARTICLE 7 and ARTICLE 8 to its or Sellers' obligations under this Agreement to the extent that Purchaser's action or inaction can control or materially influence the satisfaction of such conditions. Prior to consummation of the transactions contemplated hereby or the termination or expiration of this Agreement, Purchaser shall be permitted to communicate and meet with (a) counter-parties to the agreements and contracts of the Hospitals, included those included in Assumed Obligations, regarding the terms and conditions under which they may be assumed and assigned to Purchaser, and (b) applicable governmental and regulatory authorities regarding prospective compliance with regulatory requirements and related issues; so long as, in the case of each of (a) and (b) (i) such communications and meetings do not interfere with the operation of the Businesses or the conduct of the Bankruptcy Cases and (ii) any communications or meetings with any governmental authority are approved in advance by Sellers as to timing and content (and Sellers are copied on such communications and afforded the opportunity to participate in such meetings).

5.2 Required Governmental Approvals.

(a) Purchaser, at its sole cost and expense (a) shall use its best efforts to secure, as promptly as practicable before the Closing Date, all consents, approvals (or exemptions therefrom), authorizations, clearances and licenses required to be obtained from governmental and regulatory authorities in order to carry out the transactions contemplated by this Agreement and to cause all of its covenants and agreements to be performed, satisfied and fulfilled (and provide Sellers copies of all materials relating to such consents, approvals, authorizations, clearances and licenses upon submission and all materials received from third parties in connection with such consents, approvals, authorizations, clearances and licenses upon receipt), and (b) will provide such other information and communications to governmental and regulatory authorities as any Seller or such authorities may reasonably request. Purchaser will provide Sellers periodic and timely updates regarding all such consents, approvals, authorizations, clearances and licenses. Purchaser is responsible for all filings with and requests to governmental authorities necessary to enable Purchaser to operate the Hospital at and after the Effective Time. Purchaser shall, promptly, but no later than thirty (30) business days after the entry of the Sale Order or sooner if required by applicable governmental or regulatory authorities, file all applications, licensing packages and other similar documents with all applicable governmental and regulatory authorities which are a prerequisite to obtaining the material licenses, permits, authorizations and provider numbers described in Section 8.1. Purchaser shall be entitled, but not obligated, to obtain the Contract and Lease Consents. Purchaser shall be entitled, but not obligated, to solicit and obtain estoppel certificates from any third party to any Leased Real Property. Purchaser's failure to obtaining any or all of the Contract and Lease Consents or estoppel certificates as of the Closing Date shall not be a condition precedent to either party's obligation to close the transactions contemplated by this Agreement.

(b) Purchaser and Sellers agree that because the change of ownership and regulatory approval process in connection with the transactions contemplated by this Agreement may take an extended period of time, Purchaser and Sellers agree to an initial closing effective upon the approval of the court and upon the approval of the transaction by the CA AG (as defined below) in accordance with Sections 7.5 and 8.6, at which time the Assets (less the portion of the Assets constituting drugs or other pharmacy assets) will be sold to Purchaser and immediately leased back

to Sellers, with a concurrent management agreement entered into at that time upon terms mutually agreeable to the parties in their reasonable business judgment. The Sale Leaseback Agreement and Interim Management Agreement will terminate at the Closing when the Purchaser is issued the Licenses necessary to operate the Hospitals directly (namely, the Hospital Licenses and pharmacy permits).

5.3 Certain Employee Matters.

(a) Purchaser agrees to make offers of employment, effective as of the Effective Time, to substantially all persons (whether such persons are full time employees, part-time employees, on short-term or long-term disability or on leave of absence, military leave or workers compensation leave) (the "**Hospital Employees**") who, immediately prior to the Effective Time are: (i) employees of any Seller; (ii) employees of any affiliate of any Seller which employs individuals at the Hospital and are listed on **Schedule 5.3**; or (iii) employed by an affiliate of any Seller and are listed on **Schedule 5.3**. For the avoidance of doubt, the Hospital Employees shall not include any employees of Verity or any other affiliate of Seller unless such individual is listed on **Schedule 5.3**. Any of the Hospital Employees who accept an offer of employment with Purchaser as of or after the Effective Time shall be referred to in this Agreement as the "**Hired Employees**." All employees who are Hired Employees shall cease to be employees of the applicable Seller or its affiliates as of the Effective Time.

(b) Purchaser shall give all Hired Employees full credit for paid time off pay to such employees as of the Closing Date by crediting such employees the time off reflected in the employment records of the applicable Seller and/or any of its affiliates immediately prior to the Effective Time, subject to compliance with applicable law and regulation, including consent of such employees if required.

(c) After the Closing Date, Purchaser's human resources department will give reasonable assistance to each Seller and its affiliates with respect to such Seller's and such Seller's affiliates' post-Closing administration of such Seller's and such Seller's affiliates' pre-Closing employee benefit plans for the Hospital Employees. Within five (5) days after the Closing Date, Purchaser shall provide to each Seller a list of all the Hospital Employees who were offered employment by Purchaser but refused such employment along with a list of all Hired Employees (which such list Purchaser shall periodically update).

(d) With respect to any collective bargaining agreements or labor contract with respect to any employees, Purchaser shall comply with the applicable laws and bankruptcy court orders relating to collective bargaining agreements or labor contracts.

(e) The provisions of this Section 5.3 are solely for the benefit of the parties to this Agreement, and no employee or former employee or any other individual associated therewith or any employee benefit plan or trustee thereof shall be regarded for any purpose as a third party beneficiary of this Agreement, and nothing herein shall be construed as an amendment to any employee benefit plan for any purpose.

5.4 Excluded Assets. As soon as practicable after the Closing Date, Purchaser shall deliver to each Seller or such Seller's designee any Excluded Assets of such Seller found at the

Hospital on and after the Effective Time, without imposing any charge on any Seller for Purchaser's storage or holding of same on and after the Effective Time.

5.5 Waiver of Bulk Sales Law Compliance. Purchaser hereby waives compliance by Sellers with the requirements, if any, of Article 6 of the Uniform Commercial Code as in force in any state in which the Assets are located and all other laws applicable to bulk sales and transfers.

5.6 Attorney General. Promptly after entry of the Sale Order, but in any event within ten (10) calendar days, Purchaser shall, at its sole cost and expense, make any notices or other filings with the Attorney General of the State of California (the "**CA AG**"). Each Seller shall reasonably cooperate with Purchaser in such notices or other filings.

5.7 Conduct Pending Closing. Prior to consummation of the transactions contemplated hereby or the termination or expiration of this Agreement pursuant to its terms, unless Sellers shall otherwise consent in writing, Purchaser shall not take any action or fail or omit to take any action which would cause any of Purchaser's representations and warranties set forth in ARTICLE 4 to be inaccurate or untrue as of the Closing.

5.8 Cure Costs. Purchaser, upon assumption, shall pay the Cure Costs for each Assumed Contract and Assumed Lease so that each such Assumed Contract and Assumed Lease may be assumed by the applicable Seller and assigned to Purchaser in accordance with the provisions of section 365 of the Bankruptcy Code. For purposes of this Agreement, "**Cure Costs**", means all amounts that must be paid and all obligations that otherwise must be satisfied, including pursuant to Sections 365(b)(1)(A) and (B) of the Bankruptcy Code in connection with the assumption and/or assignment of the Assumed Contracts and Assumed Leases to Purchaser as provided herein.

5.9 Operating Covenant. Purchaser shall act in good faith and use Purchaser's commercially reasonable efforts to serve the medical needs of each Hospital's service area.

5.10 HSR Filing. Purchaser and each Seller will as promptly as practicable, and in any event no later than five business days after the date of the Sale Order, file with the Federal Trade Commission and the Department of Justice the notification and report forms required for the transactions contemplated hereby and any supplemental information that may be reasonably requested in connection therewith pursuant to the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the "**HSR Act**"), which notification and report forms and supplemental information will comply in all material respects with the requirements of the HSR Act. Purchaser shall pay all filing fees required with respect to the notification, report and other requirements of the HSR Act. Each of Purchaser and Sellers shall furnish to the other such information and assistance as the other shall reasonably requires in connection with the preparation and submission to, or agency proceedings by, any governmental authority under the HSR Act, and each of Purchaser and Sellers shall keep the other promptly apprised of any communications with, and inquires or requests for information from, such governmental authorities. Purchaser shall take such action (including divestitures or hold separate arrangements) as may be required by any governmental authority in order to resolve with the minimum practicable delay any objections such governmental authorities may have to the transactions contemplated by this Agreement under the HSR Act.

5.11 Contract with Unions. Representatives of Sellers who are parties to collective bargaining agreements and Purchaser shall meet and confer from time to time as reasonably requested by either party to discuss strategic business options and alternative approaches in negotiating each collective bargaining agreement. The applicable Sellers and Purchaser shall each participate in all union negotiations related to any specific collective bargaining agreement. Promptly following the Signing Date, applicable Sellers shall use commercially reasonable efforts to initiate discussions with Purchaser and conduct discussions to renegotiate each collective bargaining agreement currently in effect with each applicable union. The applicable Sellers will not unreasonably withhold, condition or delay approval or implementation of any successfully renegotiated collective bargaining agreement to be assumed by Purchaser. The parties recognize that an applicable Seller's failure to secure a modification to any collective bargaining agreement, or to conclude a successor collective bargaining agreement shall not be a breach of Sellers' obligation under this Agreement. In addition, Sellers may, in their discretion, seek to reject any or all of the collective bargaining agreement(s).

ARTICLE 6

SELLERS' BANKRUPTCY AND BANKRUPTCY COURT APPROVAL

6.1 Bankruptcy Court Approval; Overbid Protection and Break-Up Fee.

(a) Sellers and Purchaser acknowledge that this Agreement and the sale of the Assets and the assumption and assignment of the Assumed Contracts and Assumed Leases are subject to Bankruptcy Court approval, and that this Agreement is subject to termination in its entirety in the event any Seller receives a better and higher offer for the Assets in accordance with the Bankruptcy Code and subject to the terms stated herein.

(b) Promptly following the execution of this Agreement by all parties, the Seller shall file a motion with the Bankruptcy Court (the "**Sales Procedures Motion**"), the content of which shall be subject to the reasonable approval by Purchaser, for entry of an order approving bid procedures and overbid protections containing substantially the following terms and conditions:

(1) the Seller shall not accept any offer to sell the Assets subject to this Agreement ("**Overbid**") to another purchaser ("**Overbidder**") unless that offer exceeds the Purchase Price by an amount sufficient to pay the Break-Up Fee and such offer includes the purchase of substantially all Assets subject of this Agreement;

(2) in the event that an overbidder (and not the Purchaser) is the successful bidder for the purchase of the Assets (the "**Alternate Transaction**") and the Alternative Transaction is approved by the Bankruptcy Court, (a) the Deposit, and any interest earned thereon, shall be returned to Purchaser immediately upon the entry of such sale order, and (b) Purchaser shall be paid a break-up fee of three and one-half percent (3.25%) of the Cash Consideration ($19,825,000.00) plus reimbursement of reasonably documented reasonable costs and expenses incurred by Purchaser related to its due diligence, and pursuing, negotiating, and documenting the transactions contemplated by this Agreement in an amount not to exceed $2,000,000.00 ((the "**Break-Up Fee**"); provided, however, that in the event that

the Purchaser is successful as to some but not all of the Assets, the Break-Up Fee shall be reduced pro rata to the percentage of Assets not actually purchased by the Purchaser, based on the allocation of the Purchase Price as described in Section 1.1(a)(i), as compared to the Assets which were the subject of this Agreement; in the event that Purchaser terminates this Agreement in accordance with Section 8.6 hereof, expenses of Purchaser incurred in satisfaction of Section 8.6 shall be reimbursed up to $500,000; and

(3) The Break-Up Fee shall be deemed to be an allowed expense of the kind specified in Section 503(b) of the Bankruptcy Code to be paid solely from the proceeds of the Alternate Transaction, pursuant to the Sale Order. The Break-Up Fee shall not be paid if the Alternate Transaction was pursued due to a material breach by the Purchaser or the Purchaser's failure or refusal to consummate the transaction after the satisfaction or waiver of all closing conditions.

The Sales Procedures Motion will contain bid procedures as set forth in the bid procedures attached hereto as **Schedule 6.1(b)(3)**.

If Sellers fails to obtain Bankruptcy Court approval for the Sales Procedures Motion by no later than four weeks after the end of the Final Diligence Period, Purchaser shall have the right to terminate this Agreement, without recourse or liability, and Seller shall immediately thereafter return to Purchaser the Deposit and any interest earned thereon.

(c) Each Seller shall at the Sale Hearing exercise reasonable efforts to obtain a "Sale Order" approving this Agreement, subject to its obligations in respect of any better and higher offer for such Seller's assets in accordance with the Bankruptcy Code. For purposes of this Agreement, the term "**Sale Order**" shall mean an order of the Bankruptcy Court authorizing the sale of the Assets (including the assumption and assignment of the Assumed Contracts and Assumed Leases) to Purchaser consistent with this Agreement and in a form reasonably satisfactory to Purchaser.

(d) Each Seller agrees to proceed in good faith to obtain Bankruptcy Court approval of the sale contemplated herein with a determination that Purchaser is a good faith purchaser pursuant to Bankruptcy Code section 363(m) and to file such declarations and other evidence as may be required to support a finding of good faith.

(e) Each Seller shall seek an order from the Bankruptcy Court retaining jurisdiction over all matters relating to claims against such Seller as debtor solely in the Bankruptcy Court.

6.2 Appeal of Sale Order. In the event an appeal is taken or a stay pending appeal is requested from the Sale Order, Sellers shall immediately notify Purchaser of such appeal or stay request and shall provide to Purchaser promptly a copy of the related notice of appeal or order of stay. Sellers shall also provide Purchaser with written notice of any motion or application filed in connection with any appeal from either of such orders. In the event of an appeal of the Sale Order, Sellers shall be primarily responsible for drafting pleadings and attending hearings as necessary to defend against the appeal; provided, however, Purchaser, at its option, shall have the right to

participate as a party in interest in such appeal. In the event a stay is issued by any appellate court, including the United States District Court, which prevents the sale from closing, as scheduled, Purchaser shall have the right to terminate this Agreement if such stay is not vacated on or before 45 days from the date of the stay is issued, and Purchaser shall be entitled to the prompt return of the Deposit and any interest earned thereon.

ARTICLE 7

CONDITIONS PRECEDENT TO OBLIGATIONS OF SELLERS

Sellers' obligation to sell the Assets and to close the transactions as contemplated by this Agreement shall be subject to the satisfaction of each of the following conditions on or prior to the Closing Date unless specifically waived in writing by Sellers in whole or in part at or prior to the Closing:

7.1 Signing and Delivery of Instruments. Purchaser shall have executed and delivered all documents, instruments and certificates required to be executed and delivered pursuant to the provisions of this Agreement.

7.2 No Restraints. No temporary restraining order, preliminary or permanent injunction or other order preventing the consummation of the transactions contemplated in this Agreement shall have been issued by any court of competent jurisdiction or any other governmental body and shall remain in effect on the Closing Date, and further, no governmental entity shall have commenced any action or suit before any court of competent jurisdiction or other governmental authority that seeks to restrain or prohibit the consummation of the transactions contemplated hereby.

7.3 Performance of Covenants. Purchaser shall have in all respects performed or complied with each and all of the obligations, covenants, agreements and conditions required to be performed or complied with by it on or prior to the Closing Date.

7.4 Governmental Authorizations. Purchaser shall have obtained all material licenses, permits and authorizations from governmental agencies or governmental bodies that are necessary or required for completion of the transactions contemplated by this Agreement, including reasonable assurances that any material licenses, permits and authorizations not actually issued as of the Closing will be issued following Closing (which may include oral assurances from appropriate governmental agencies or bodies).

7.5 Attorney General Provisions. The conditions to Purchaser's obligations to close set forth in Section 8.6 shall have been satisfied.

7.6 Bankruptcy Court Approval. The Bankruptcy Court shall have entered the Sale Order.

7.7 HSR Act. The applicable waiting period under the HSR Act shall have expired or been earlier terminated.

7.8 CSCDA Acknowledgement. The CSCDA and PACE Trustee shall have executed acknowledgements in form and substance acceptable to Sellers that Purchaser is the Successor Property Owner and Obligated Party under the PACE Obligations, and releases of the Sellers from any and all claims arising or accruing prior to the Closing Date.

ARTICLE 8

CONDITIONS PRECEDENT TO OBLIGATIONS OF PURCHASER

Purchaser's obligation to purchase the Assets and to close the transactions contemplated by this Agreement shall be subject to the satisfaction of each of the following conditions on or prior to the Closing Date unless specifically waived in writing by Purchaser in whole or in part at or prior to the Closing.

8.1 Governmental Authorizations. Except as otherwise set forth in this Agreement, Purchaser and Sellers shall have obtained licenses, permits and authorizations from governmental agencies or governmental bodies that are required for the purchase, sale and operation of the Hospitals, including without limitation approval of the CA AG (subject to Section 8.6), except in such case where failure to obtain such license, permit or authorizations from a governmental agency or governmental body does not have a Material Adverse Effect.

8.2 Bankruptcy Court Approval. The Bankruptcy Court shall have entered the Sale Order and made a finding that Purchaser is a "good faith" purchaser under Section 363(m) of the Bankruptcy Code.

8.3 Signing and Delivery of Instruments. Sellers shall have executed and delivered all documents, instruments and certificates required to be executed and delivered pursuant to all of the provisions of this Agreement.

8.4 Performance of Covenants. Sellers shall have in all material respects performed or complied with each and all of the obligations, covenants, agreements and conditions required to be performed or complied with by Sellers on or prior to the Closing Date; *provided, however*, this condition will be deemed to be satisfied unless (a) Sellers were given written notice of such failure to perform or comply and did not or could not cure such failure to perform or comply within fifteen (15) business days after receipt of such notice and (b) the respects in which such obligations, covenants, agreements and conditions have not been performed have had or would have a Material Adverse Effect.

8.5 No Restraints. No temporary restraining order, preliminary or permanent injunction or other order preventing the consummation of the transactions contemplated in this Agreement shall have been issued by any court of competent jurisdiction and shall remain in effect on the Closing Date, and further, no governmental entity shall have commenced any action or suit before any court of competent jurisdiction or other governmental authority that seeks to restrain or prohibit the consummation of the transactions contemplated hereby.

8.6 Attorney General Provisions. Purchaser recognizes that the transactions contemplated by this Agreement may be subject to review and approval of the CA AG. Purchaser

agrees to close the transactions contemplated by this Agreement so long as any conditions imposed by the CA AG are substantially consistent with the conditions set forth, as Purchaser Approved Conditions, in Schedule 8.6. In the event the CA AG imposes conditions on the transactions contemplated by this Agreement, or on Purchaser in connection therewith, which are materially different than the Purchaser Approved Conditions set forth on Schedule 8.6 (the "Additional Conditions"), Sellers shall have the opportunity to file a motion with the Bankruptcy Court seeking the entry of an order ("Supplemental Sale Order") finding that the Additional Conditions are an "interest in property" for purposes of 11 U.S.C. § 363(f), and that the Assets can be sold free and clear of the Additional Conditions without the imposition of any other conditions, which would adversely affect the Purchaser. For purposes of this Section 8.6, Additional Conditions which individually or collectively impose a direct or indirect cost to Purchaser of $5 million, or more, shall be conclusively deemed to be "materially different." If Sellers determine not to seek such Supplemental Sale Order, or fail to obtain such Supplemental Sale Order within 60 days of the Attorney General's imposition of Additional Conditions, Purchaser shall be entitled to terminate this Agreement and receive the return of its Good Faith Deposit. If Sellers timely obtain such Supplemental Sale Order from the Bankruptcy Court or another court, Purchaser shall have a period of 21 business days from the entry of such order (the "Evaluation Period") to determine, in the exercise of the Purchaser's reasonable business judgment and in consultation with Purchaser's financing sources, whether to proceed to consummate the transactions contemplated by this Agreement; provided, however, (i) Purchaser shall not terminate or provide notice of termination of the Stalking Horse APA based on the Seller's failure to satisfy the condition set forth under this Section 8.6 until the expiration of the Evaluation Period as may be extended herein, and (ii) the Evaluation Period may be extended by the Debtors, in consultation with the Consultation Parties, by up to 90 days for any appeal properly perfected with respect to the Supplemental Sale Order (the "Extended Evaluation Periods"). For the avoidance of doubt, if the Debtors or any of the Consultation Parties dispute the reasonableness of the exercise of the Purchaser's business judgment, such dispute shall be determined by the Bankruptcy Court only in the context of an adversary proceeding. If, at the conclusion of the Extended Evaluation Periods, such Supplemental Sale Order has not become a final, non-appealable order and Purchaser determines not to proceed, Purchaser shall have the right within ten (10) business days after the conclusion of the Extended Evaluation Periods to terminate this Agreement and receive the return of its Good Faith Deposit. Sellers shall provide Purchaser with prompt written notice of the conclusion of the Extended Evaluation Periods and whether the Supplemental Sale Order has become a final, non-appealable order. For purposes of this Section 8.6, "a final, non-appealable order" shall include a Supplemental Sale Order (i) which has been affirmed or the appeal of which has been dismissed by any appellate court and for which the relevant appeal period has expired (other than any right of appeal to the U.S. Supreme Court), or (ii) which has been withdrawn by the appellant. If the Supplemental Sale Order becomes a final, non-appealable order prior to the expiration of the Evaluation Period or, if applicable, the Extended Evaluation Periods, Purchaser shall consummate the Sale provided that all other conditions to closing have been satisfied. During any Evaluation Period or Extended Evaluation Periods, Purchaser shall reasonably cooperate in any efforts to render the Supplemental Sale Order a final, non-appealable order, including timely taking reasonable steps in preparation for closing of the transactions described in this Agreement; provided, however, Purchaser shall not be obligated to expend more than $500,000. For the avoidance of doubt, neither this provision, nor any of the rights granted to the Purchaser herein,

shall constitute a waiver of any party in interest's right to argue that any appeal from the Sale Order should be dismissed on statutory, Constitutional or equitable mootness grounds.

8.7 Medicare and Medi-Cal Provider Agreements. Sellers shall transfer their Medicare provider agreements pursuant to a settlement agreement with the Centers for Medicare and Medicaid Services (**"CMS"**) and shall transfer their Medi-Cal provider agreements pursuant to a settlement agreement with the California Department of Health Care Services (**"DHCS"**), which such settlement agreements shall result in: (i) resolution of all outstanding financial defaults under any of Sellers' Medicare and Medi-Cal provider agreements and (ii) full satisfaction, discharge, and release of any claims under the Medicare or Medi-Cal provider agreements, whether known or unknown, that CMS or DHCS, as applicable, has against the Seller or Purchaser for monetary liability arising under the Medicare or Medi-Cal provider agreements before the Effective Time; provided, however, that Purchaser acknowledges that it will succeed to the quality history associated with the relevant Medicare or Medi-Cal provider agreements assigned and shall be treated, for purposed of survey and certification issues as if it is the relevant Seller and no change of ownership occurred.

8.8 HSR Act. The applicable waiting period under the HSR Act shall have expired or been earlier terminated.

ARTICLE 9

TERMINATION

9.1 Termination. This Agreement may be terminated at any time prior to Closing:

(a) by the mutual written consent of the parties;

(b) by Sellers if a material breach of this Agreement has been committed by Purchaser and such breach has not been (i) waived in writing by Sellers or (ii) cured by Purchaser to the reasonable satisfaction of Sellers within fifteen (15) business days after service by Sellers upon Purchaser of a written notice which describes the nature of such breach;

(c) by Purchaser if, in its sole and absolute discretion, it is not satisfied with either (i) the results of its due diligence examination of the Hospitals, or (ii) the contents of any schedule or exhibit that was not completed and attached to this Agreement, but which has been provided to Purchaser after the Signing Date, and Purchaser has notified Seller of its election to terminate the Agreement under this Section 9.1(c) on or prior to January 8, 2019, which notice may be given by facsimile or email correspondence; provided, that for the avoidance of doubt, following expiration of the Final Diligence Period, notwithstanding anything else in this Agreement, Purchaser shall not be entitled to terminate this Agreement (or not Close) as a result of the breach of any representation or warranty made by Sellers (or any of them) other than the breach of a Sale Order Date Representation, but in each case solely to the extent such breach of a

Sale Order Date Representation would result in a Material Adverse Effect; provided, further, that any dispute between Purchaser and Sellers as to whether a Material Adverse Effect has occurred for any purpose under this Agreement shall be exclusively settled by a determination made by the Bankruptcy Court;

(d) by Purchaser if a material breach of this Agreement has been committed by Sellers and such breach has not been (i) waived in writing by Purchaser or (ii) cured by Sellers to the reasonable satisfaction of Purchaser within fifteen (15) business days after service by Purchaser upon Sellers of a written notice which describes the nature of such breach;

(e) by Purchaser if satisfaction of any of the conditions in ARTICLE 8 has not occurred by December 31, 2019 or becomes impossible, and Purchaser has not waived such condition in writing (provided that the failure to satisfy any of the applicable condition or conditions in Sections 8.1 through 8.5 inclusive has occurred by reason other than (i) through the failure of Purchaser to comply with its obligations under this Agreement or (ii) Sellers' failure to provide their closing deliveries on the Closing Date as a result of Purchaser not being ready, willing and able to close the transaction on the Closing Date); provided that upon the imposition of Additional Conditions by the CA AG, Section 8.6 must be satisfied or waived by Purchaser by no later than sixty (60) days thereafter.

(f) by Sellers if satisfaction of any of the conditions in ARTICLE 7 has not occurred by December 31, 2019 or becomes impossible, and Sellers have not waived such condition in writing (provided that the failure to satisfy the applicable condition or conditions has occurred by reason other than (i) through the failure of Sellers to comply with their obligations under this Agreement or (ii) Purchaser's failure to provide its closing deliveries on the Closing Date as a result of Sellers not being ready, willing and able to close the transaction on the Closing Date);

(g) by either Purchaser or Sellers if the Bankruptcy Court enters an order dismissing the Bankruptcy Cases or fails to approve the Sales Procedures Motion by the date specified in Section 6.1(b);

(h) by Sellers if, in connection with the Bankruptcy Cases, any Seller accepts an Alternate Transaction and pays the Break-Up Fee;

(i) by either Purchaser or Sellers if the Closing has not occurred (other than through the failure of any party seeking to terminate this Agreement to comply fully with its obligations under this Agreement) on or before December 31, 2019; or

(j) by Purchaser if a force majeure event (such as acts of God, storms, floods, landslides, earthquakes, lightning, riots, fires, pandemics, sabotage, civil commotion or civil unrest, interference by civil or military authorities, acts of war (declared or undeclared) or armed hostilities, other national or international calamity, one or more acts of terrorism, or failure of energy sources) shall have occurred between the Signing Date and Closing Date, which event is reasonably likely to have a Material Adverse Effect.

9.2 Termination Consequences. If this Agreement is terminated pursuant to

Sections 6.1(b), 6.2 or 9.1: (a) all further obligations of the parties under this Agreement shall terminate (other than Purchaser's right to receive the Break-Up Fee if applicable), provided that the provisions of ARTICLE 12, shall survive; and (b) each party shall pay only its own costs and expenses incurred by it in connection with this Agreement; provided, in the case of any termination based on Sections 9.1(b) or (d) the consequences of such termination shall be determined in accordance with ARTICLE 11 hereof. In addition, if this Agreement is terminated pursuant to Sections 6.1(b), 6.2 or 9.1 (other than Section 9.1(b)), Seller shall immediately return the Deposit to Purchaser with all interest earned thereon. Each Party acknowledges that the agreements contained in this Section 9.2 are an integral part of the transactions contemplated by this Agreement, that without these agreements such Party would not have entered into this Agreement.

ARTICLE 10

POST-CLOSING MATTERS

10.1 Excluded Assets.

Subject to Section 10.2 hereof, any Excluded Asset (or proceeds thereof) (a) pursuant to the terms of this Agreement, (b) as otherwise determined by the parties' mutual written agreement or (c) absent such agreement, as determined by adjudication by the Bankruptcy Court, which comes into the possession, custody or control of Purchaser (or its respective successors-in-interest, assigns or affiliates) shall, within five (5) business days following receipt, be transferred, assigned or conveyed by Purchaser (and its respective successors-in-interest, assigns and affiliates) to the applicable Seller. Purchaser (and its respective successors-in-interest, assigns and affiliates) shall have neither the right to offset amounts payable to any Seller under this Section 10.1 against, nor the right to contest its obligation to transfer, assign and convey to any Seller because of, outstanding claims, liabilities or obligations asserted by Purchaser against any Seller. If Purchaser does not remit any monies included in the Excluded Assets (or proceeds thereof) to the applicable Seller in accordance with the first sentence of this Section 10.1, such withheld funds shall bear interest at the Prime Rate in effect on the calendar day upon which such payment was required to be made to Seller (the "**Excluded Asset Due Date**") plus five percent (5%) (or the maximum rate allowed by law, whichever is less), such interest accruing on each calendar day after the Excluded Asset Due Date until payment of the Excluded Assets and all interest thereon is made to the applicable Seller.

10.2 Preservation and Access to Records After the Closing.

(a) From the Closing Date until seven (7) years after the Closing Date or such longer period as required by law (the "**Document Retention Period**"), Purchaser shall keep and preserve all medical records (including, without limitation, electronic medical records), patient records, medical staff records and other books and records which are among the Assets as of the Effective Time, but excluding any records which are among the Excluded Assets. Purchaser will afford to the representatives of Sellers, any of their affiliates, the Official Committee of the Unsecured Creditors of the Sellers, Sellers' estate representative or any liquidating trustee of the Sellers' bankruptcy estate ("**Seller Parties**"), including their counsel and accountants, full and complete access to, and copies (including, without limitation, color laser copies) of, such records with respect to time periods prior to the Effective Time (including, without limitation, access to

records of patients treated at the Hospital prior to the Effective Time) during normal business hours after the Effective Time, to the extent reasonably needed by any Seller Party for any lawful purpose. Purchaser acknowledges that, as a result of entering into this Agreement and operating the Hospital, it will gain access to patient records and other information which are subject to rules and regulations concerning confidentiality. Purchaser shall abide by any such rules and regulations relating to the confidential information it acquires. Purchaser shall maintain the patient and medical staff records at the Hospital in accordance with applicable law and the requirements of relevant insurance carriers. After the expiration of the Document Retention Period, if Purchaser intends to destroy or otherwise dispose of any of the documents described in this Section 10.2(a), Purchaser shall provide written notice to Sellers of Purchaser's intention no later than forty-five (45) calendar days prior to the date of such intended destruction or disposal. Any of the Seller Parties shall have the right, at its sole cost, to take possession of such documents during such forty-five (45) calendar day period. If any of the Seller Parties does not take possession of such documents during such forty-five (45) calendar day period, Purchaser shall be free to destroy or otherwise dispose of such documentation upon the expiration of such forty-five (45) calendar day period.

(b) Provided that Purchaser shall not incur any out of pocket costs, Purchaser shall give full cooperation to the Seller Parties and their insurance carriers in connection with the administration of Sellers' estate, including, without limitation, in connection with all claims, actions, causes of action or audits relating to the Excluded Assets, Excluded Liabilities or pre-Closing operation of the Sellers or the Hospital that any Seller Party may elect to pursue, dispute or defend, in respect of events occurring prior to the Effective Time with respect to the operation of the Hospital. Such cooperation shall include, without limitation, making the Hired Employees available for interviews, depositions, hearings and trials and other assistance in connection with the administration of Sellers' estate and such cooperation shall also include making all of its employees available to assist in the securing and giving of evidence and in obtaining the presence and cooperation of witnesses (all of which shall be done without payment of any fees or expenses to Purchaser or to such employees); provided that Purchaser shall not be required to incur any out of pocket costs in association therewith. In addition, Sellers and their affiliates shall be entitled to remove from the Hospital originals of any such records, but only for purposes of pending litigation involving the persons to whom such records refer, as certified in writing prior to removal by counsel retained by Sellers or any of their affiliates in connection with such litigation. Any records so removed from the Hospital shall be promptly returned to Purchaser following Sellers' or their applicable affiliate's use of such records.

(c) In connection with (i) the transition of the Hospital pursuant to the transaction contemplated by this Agreement, (ii) Sellers' rights to the Excluded Assets, (iii) any claim, audit, or proceeding, including, without limitation, any tax claim, audit, or proceeding and (iv) the Sellers' obligations under the Excluded Liabilities, Purchaser shall after the Effective Time give Sellers access during normal business hours to Purchaser's books, personnel, accounts and records and all other relevant documents and information with respect to the assets, liabilities and business of the Hospital as representatives of Sellers and their affiliates may from time to time reasonably request, all in such manner as not to unreasonably interfere with the operations of the Hospital.

(d) Purchaser and its representatives shall be given access by Sellers during normal business hours to the extent reasonably needed by Purchaser for business purposes to all documents, records, correspondence, work papers and other documents retained by Sellers pertaining to any of the Assets prior to the Effective Time (excluding confidential employee information, privileged materials and patient records), all in such manner as to not interfere unreasonably with Sellers. Such documents and other materials shall be, at Sellers' option, either (i) copied by Sellers for Purchaser at Purchaser's expense, or (ii) removed by Purchaser from the premises, copied by Purchaser and promptly returned to Sellers.

(e) Purchaser shall comply with, and be solely responsible for, all obligations under the Standards for Privacy of Individually Identifiable Health Information (45 CFR Parts 160 and 164) promulgated pursuant to the Health Insurance Portability and Accountability Act of 1996 with respect to the operation of the Hospital on and after the Effective Time.

(f) Purchaser shall cooperate with Sellers, on a timely basis and as reasonably requested by Sellers, in connection with the provision of all data of the Hospital and other information required by Sellers for reporting to HFAP for the remainder of the quarterly period in which the Closing has occurred.

(g) To the maximum extent permitted by law, if any Person requests or demands, by subpoena or otherwise, any documents relating to the Excluded Liabilities or Excluded Assets, including without limitation, documents relating to the operations of any of the Hospital or any of the Hospital's committees prior to the Effective Time, prior to any disclosure of such documents, Purchaser shall notify Sellers and shall provide Sellers with the opportunity to object to, and otherwise coordinate with respect to, such request or demand.

(h) Provision of Benefits of Certain Contracts. Notwithstanding anything contained herein to the contrary, this Agreement shall not constitute an agreement to assign any Assumed Contract or Assumed Lease, if, notwithstanding the provisions of Sections 363 and 365 of the Bankruptcy Code, an attempted assignment thereof, without the consent of the third party thereto, would constitute a breach thereof or in any way negatively affect the rights of Sellers or Purchaser, as the assignee of such Assumed Contract or Assumed Lease, as the case may be, thereunder. If, notwithstanding the provisions of Sections 363 and 365 of the Bankruptcy Code, such consent or approval is required but not obtained, Sellers will cooperate with Purchaser in any reasonable arrangement designed to both (a) provide Purchaser with the benefits of or under any such Assumed Contract or Assumed Lease, and (b) cause Purchaser to bear all costs and obligations of or under any such Assumed Contract or Assumed Lease. Further, notwithstanding anything contained in this Agreement to the contrary, this Agreement shall not constitute an agreement to assign any Account Receivable the assignment of which is either prohibited by law or by the terms of any contract with a payor without the consent of such payor. Any payments received by Sellers after the Closing Date from patients, payors, clients, customers, or others who are the obligors on Accounts Receivables transferred to Purchaser as a part of the Assets on the Closing Date shall be paid over to Purchaser within ten (10) business days after receipt by Seller.

10.3 Closing of Financials. Provided that Purchaser shall not incur any out of pocket costs, Purchaser shall cause the individual acting as the chief financial officer of the Hospital after the Effective Time (the "**Post-Effective Time CFO**") to cooperate with Sellers' representatives in

order to complete the standardized closing of Sellers' financial records through the Closing Date including, without limitation, the closing of general ledger account reconciliations (collectively, the "**Closing of Financials**"). Purchaser shall cause the Post-Effective Time CFO to use his or her good faith efforts to cooperate with Sellers' representatives in order to complete the Closing of Financials by no later than the date which is thirty (30) calendar days after the Closing Date. The Post-Effective Time CFO and other appropriate personnel shall be reasonably available to Sellers for a period of no less than one hundred eighty (180) calendar days after the Closing Date to assist Sellers in the completion of Sellers' post-Closing audit, such assistance not to interfere unreasonably with such Post-Effective Time CFO's other duties.

10.4 Medical Staff. To ensure continuity of care in the community, Purchaser agrees that the Hospital's medical staff members in good standing as of the Effective Time shall maintain medical staff privileges at the Hospital as of the Effective Time. On and after the Effective Time, the medical staff will be subject to the Hospital's Medical Staff Bylaws then currently in effect, provided that such Bylaws are in compliance with all applicable laws and regulations and contain customary obligations.

10.5 Shared Intangible Assets. In the event and to the extent that certain intangible Assets transferred by Sellers have been used to operate businesses of Verity or Verity Holdings or their affiliates which are not being sold to Purchaser ("**Shared Intangible Assets**") and such Shared Intangible Assets continue to be used by Verity or Verity Holdings or their affiliates to operate such businesses after Closing, Verity and Verity Holdings retain the rights to continue to use such Assets notwithstanding their sale to Purchaser. Purchaser shall reasonably cooperate with Verity and Verity Holdings and their affiliates to give effect to such rights and shall provide Verity and Verity Holdings and their affiliates such documentation, records and information and reasonable access to such systems as necessary for Verity and Verity Holdings and their affiliates to continue to operate such businesses; all in such manner as not to reasonably interfere with the operations of the Hospitals; provided, however, Purchaser shall not be required to incur any out-of-pocket costs in association therewith unless reimbursed by Verity and Verity Holdings and their affiliates.

ARTICLE 11

DEFAULT, TAXES AND COST REPORTS

11.1 Purchaser Default. If Purchaser commits any material default under this Agreement, Sellers shall have the right to sue for damages; provided, however that the amount of such damages shall never exceed $60,000,000.00. For the avoidance of doubt, Sellers shall have no right to sue for specific performance under this Agreement.

11.2 Seller Default. If Sellers commit any material default under this Agreement, Purchaser shall have the right to demand and receive a refund of the Deposit, and Purchaser may, in addition thereto, pursue any rights or remedies that Purchaser may have under applicable law, including the right to sue for damages or specific performance.

11.3 Tax Matters; Allocation of Purchase Price.

(a) After the Closing Date, the parties shall cooperate fully with each other and shall make available to each other, as reasonably requested, all information, records or documents relating to tax liabilities or potential tax liabilities attributable to Sellers with respect to the operation of the Hospital for all periods prior to the Effective Time and shall preserve all such information, records and documents at least until the expiration of any applicable statute of limitations or extensions thereof. The parties shall also make available to each other to the extent reasonably required, and at the reasonable cost of the requesting party (for out-of-pocket costs and expenses only), personnel responsible for preparing or maintaining information, records and documents in connection with tax matters and as Sellers reasonably may request in connection with the completion of any post-Closing audits of the Hospital.

(b) The Purchase Price (including any liabilities that are considered to be an increase to the Purchase Price for United States federal income Tax purposes) shall be allocated among the Assets in accordance with Section 1060 of the Code and the Treasury Regulations promulgated thereunder as set forth in **Schedule 11.3(b)** (such schedule the "**Allocation Schedule**"). The Allocation Schedule shall be for Sellers' and Purchaser's tax purposes only, and shall not limit the Sellers' creditors in any way.

11.4 Cost Report Matters.

(a) Consistent with Section 4.5, Sellers shall, at Purchaser's expense, prepare and timely file all cost reports relating to the periods ending prior to the Effective Time or required as a result of the consummation of the transactions described in this Agreement, including, without limitation, those relating to Medicare, Medicaid, and other third party payors which settle on a cost report basis (the "**Seller Cost Reports**").

(b) Upon reasonable notice and during normal business office hours, Purchaser will cooperate reasonably with Sellers in regard to Sellers' preparation and filing of the Seller Cost Reports. Such cooperation shall include, at no cost to Sellers, obtaining access to files at the Hospital and Purchaser's provision to Sellers of data and statistics, and the coordination with Sellers pursuant to reasonable notice of Medicare and Medicaid exit conferences or meetings. Sellers shall have no obligations after the Effective Time with respect to Seller Cost Reports except for preparation and filing thereof.

ARTICLE 12

MISCELLANEOUS PROVISIONS

12.1 Further Assurances and Cooperation. Sellers shall execute, acknowledge and deliver to Purchaser any and all other assignments, consents, approvals, conveyances, assurances, documents and instruments reasonably requested by Purchaser at any time and shall take any and all other actions reasonably requested by Purchaser at any time for the purpose of more effectively assigning, transferring, granting, conveying and confirming to Purchaser, the Assets. After consummation of the transaction contemplated in this Agreement, the parties agree to cooperate with each other and take such further actions as may be necessary or appropriate to effectuate, carry out and comply with all of the terms of this Agreement, the documents referred to in this Agreement and the transactions contemplated hereby.

12.2 Successors and Assigns. All of the terms and provisions of this Agreement shall be binding upon and shall inure to the benefit of and be enforceable by the respective successors and assigns of the parties hereto; *provided, however,* that no party hereto may assign any of its rights or delegate any of its duties under this Agreement without the prior written consent of the other parties which consent shall not be unreasonably withheld or delayed, except that Purchaser may, without the prior written consent of Sellers, assign all or any portion of its rights under this Agreement to one or more of its affiliates prior to the Closing Date.

12.3 Governing Law; Venue. This Agreement shall be construed, performed, and enforced in accordance with, and governed by, the laws of the State of California (without giving effect to the principles of conflicts of laws thereof), except to the extent that the laws of such State are superseded by the Bankruptcy Code or other applicable federal law. For so long as Sellers are subject to the jurisdiction of the Bankruptcy Court, the parties irrevocably elect, as the sole judicial forum for the adjudication of any matters arising under or in connection with the Agreement, and consent to the exclusive jurisdiction of, the Bankruptcy Court. The parties hereby consent to the jurisdiction of such court and waive their right to challenge any proceeding involving or relating to this Agreement on the basis of lack of jurisdiction over the Person or forum non conveniens.

12.4 Amendments. This Agreement may not be amended other than by written instrument signed by the parties hereto.

12.5 Exhibits, Schedules and Disclosure Schedule. The Disclosure Schedule and all exhibits and schedules referred to in this Agreement shall be attached hereto and are incorporated by reference herein. From the Signing Date until the Closing, the parties agree that Sellers may update the Disclosure Schedule as necessary upon written notice to Purchaser, and the applicable representation and warranty shall thereafter be deemed amended for all purposes by such updated Disclosure Schedule. Notwithstanding the foregoing, but subject to Section 9.2(c), should any exhibit or schedule not be completed and attached hereto as of the Signing Date, Sellers and Purchaser shall promptly negotiate in good faith any such exhibit or schedule, which exhibit or schedule must be acceptable to each of Sellers and Purchaser in their reasonable discretion prior to being attached hereto. Any matter disclosed in this Agreement or in the Disclosure Schedule with reference to any Section of this Agreement shall be deemed a disclosure in respect of all sections to which such disclosure may apply. The headings, if any, of the individual sections of the Disclosure Schedule are provided for convenience only and are not intended to affect the construction or interpretation of this Agreement. The Disclosure Schedule is arranged in sections and paragraphs corresponding to the numbered and lettered sections and paragraphs of Article III merely for convenience, and the disclosure of an item in one section of the Disclosure Schedule as an exception to a particular representation or warranty shall be deemed adequately disclosed as an exception with respect to all other representations or warranties to the extent that the relevance of such item to such representations or warranties is reasonably apparent on the face of such disclosure, notwithstanding the presence or absence of an appropriate section of the Disclosure Schedule with respect to such other representations or warranties or an appropriate cross reference thereto.

12.6 Notices. Any notice, demand or communication required, permitted, or desired to be given hereunder shall be deemed effectively given when personally delivered, when received by telegraphic or other electronic means (including facsimile) or overnight courier, or five (5)

calendar days after being deposited in the United States mail, with postage prepaid thereon, certified or registered mail, return receipt requested, addressed as follows:

or at such other address as one party may designate by notice hereunder to the other parties.

12.7 Headings. The section and other headings contained in this Agreement and in the Disclosure Schedule, exhibits and schedules to this Agreement are included for the purpose of convenient reference only and shall not restrict, amplify, modify or otherwise affect in any way the meaning or interpretation of this Agreement or the Disclosure Schedule, exhibits and schedules hereto.

12.8 Publicity. Prior to the Closing Date, Sellers and Purchaser shall consult with each other as to the form and substance of any press release or other public disclosure materially related

to this Agreement or any other transaction contemplated hereby and each shall have the right to review and comment on the other's press releases prior to issuance; *provided, however*, that nothing in this Section 12.8 shall be deemed to prohibit either Sellers or Purchaser from making any disclosure that its counsel deems necessary or advisable in order to satisfy either party's disclosure obligations imposed by law subject to reasonable prior notice to the other party thereof.

12.9 Fair Meaning. This Agreement shall be construed according to its fair meaning and as if prepared by all parties hereto.

12.10 Gender and Number; Construction; Affiliates. All references to the neuter gender shall include the feminine or masculine gender and vice versa, where applicable, and all references to the singular shall include the plural and vice versa, where applicable. Unless otherwise expressly provided, the word "including" followed by a listing does not limit the preceding words or terms and shall mean "including, without limitation." Any reference in this Agreement to an "affiliate" shall mean any Person directly or indirectly controlling, controlled by or under common control with a second Person. The term "control" (including the terms "controlled by" and "under common control with") means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of voting securities, by contract or otherwise. A "Person" shall mean any natural person, partnership, corporation, limited liability company, association, trust or other legal entity.

12.11 Third Party Beneficiary. None of the provisions contained in this Agreement are intended by the parties, nor shall they be deemed, to confer any benefit on any person not a party to this Agreement, except for the parties' successors and permitted assigns, and except for any liquidating trustee or plan administrator for Sellers' estate.

12.12 Expenses and Attorneys' Fees. Except as otherwise provided in this Agreement, each party shall bear and pay its own costs and expenses relating to the preparation of this Agreement and to the transactions contemplated by, or the performance of or compliance with any condition or covenant set forth in, this Agreement, including without limitation, the disbursements and fees of their respective attorneys, accountants, advisors, agents and other representatives, incidental to the preparation and carrying out of this Agreement, whether or not the transactions contemplated hereby are consummated. The parties expressly agree that all sales, transfer, documentary transfer and similar taxes, fees, surcharges and the like in connection with the sale of the Assets shall be borne by Purchaser. If any action is brought by any party to enforce any provision of this Agreement, the prevailing party shall be entitled to recover its court costs and reasonable attorneys' fees.

12.13 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same Agreement, binding on all of the parties hereto. The parties agree that facsimile copies of signatures shall be deemed originals for all purposes hereof and that a party may produce such copies, without the need to produce original signatures, to prove the existence of this Agreement in any proceeding brought hereunder.

12.14 Entire Agreement. This Agreement, the Disclosure Schedule, the exhibits and schedules, and the documents referred to in this Agreement contain the entire understanding

between the parties with respect to the transactions contemplated hereby and supersede all prior or contemporaneous agreements, understandings, representations and statements, oral or written, between the parties on the subject matter hereof (the "**Superseded Agreements**"), which Superseded Agreements shall be of no further force or effect; provided, that notwithstanding the foregoing, the letter Confidentiality Agreement dated July 12, 2018 between Purchaser and Cain Brothers, a division of KeyBanc Capital Markets Inc., on behalf of Sellers and their related entities shall not be a Superseded Agreement and shall continue in full force in effect in accordance with its terms.

12.15 No Waiver. Any term, covenant or condition of this Agreement may be waived at any time by the party which is entitled to the benefit thereof but only by a written notice signed by the party expressly waiving such term or condition. The subsequent acceptance of performance hereunder by a party shall not be deemed to be a waiver of any preceding breach by any other party of any term, covenant or condition of this Agreement, other than the failure of such other party to perform the particular duties so accepted, regardless of the accepting party's knowledge of such preceding breach at the time of acceptance of such performance. The waiver of any term, covenant or condition shall not be construed as a waiver of any other term, covenant or condition of this Agreement.

12.16 Severability. If any term, provision, condition or covenant of this Agreement or the application thereof to any party or circumstance shall be held to be invalid or unenforceable to any extent in any jurisdiction, then the remainder of this Agreement and the application of such term, provision, condition or covenant in any other jurisdiction or to persons or circumstances other than those as to whom or which it is held to be invalid or unenforceable, shall not be affected thereby, and each term, provision, condition and covenant of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

12.17 Time is of the Essence. Time is of the essence for all dates and time periods set forth in this Agreement and each performance called for in this Agreement.

LEGAL DESCRIPTION

FORM OF ASSIGNMENT AND ASSUMPTION OF LEASES

THIS ASSIGNMENT AND ASSUMPTION OF LEASES (the "**Assignment**") is dated as of _____ ___, 201_ by and between _____, a _____ ("**Assignor**") and STRATEGIC GLOBAL MANAGEMENT, INC., a California corporation ("**Assignee**").

RECITALS

A. Assignor, certain of Assignor's affiliates, and Assignee entered into that certain Asset Purchase Agreement dated as of December __, 2018 (as the same may be amended, the "**Agreement**") with respect to the purchase of certain Assets. Capitalized terms not defined in this Assignment shall have the meanings ascribed to such terms in the Agreement.

B. Pursuant to the Agreement, Assignor has agreed to assign to Assignee (i) those certain leases governing the Leased Real Property described on Exhibit A attached hereto (the "**Operational Leases**"), and (ii) those Tenant Leases described on Exhibit B attached hereto.

C. In addition, pursuant to the Agreement, Assignor has agreed to assign to Assignee (i) Assignor's right to the deposits held by landlords in connection with the Operational Leases in the amounts set forth on Exhibit A attached hereto, and (ii) the security deposits held by Assignor in connection with the Tenant Leases set forth on Exhibit B attached hereto ((i) and (ii), collectively, the "**Security Deposits**").

NOW THEREFORE, for good and valuable consideration, Assignor and Assignee agree:

AGREEMENT

1. Assignment of Leases and Security Deposits. Assignor hereby assigns, sells, transfers, sets over and delivers to Assignee all of Assignor's right, title and interest in and to the Operational Leases, the Tenant Leases and the Security Deposits.

2. Assumption of Leases. Assignee hereby assumes all covenants and obligations to be performed, fulfilled or complied with by Assignor under the Operational Leases and the Tenant Leases to the extent arising on or after the Effective Time, including any related Cure Costs.

3. Notices. Immediately following the Closing, Assignor and Assignee shall give notice to the landlords of the Operational Leases and the tenants under the Tenant Leases that Assignee has assumed the respective lease.

4. Governing Law. This Assignment and the legal relations between the parties hereto shall be governed by and be construed in accordance with the laws of the State of California.

5. Counterparts. This Assignment may be executed in counterparts, each of which shall constitute an original. This Assignment shall only be effective if a counterpart is signed by both Assignor and Assignee. Signatures to this Assignment created by the signer by electronic means and/or transmitted by telecopy, email, or other electronic transmission shall be valid and effective to bind the party so signing.

6. Purchase Agreement. This Assignment is executed and delivered in connection with the Agreement. Notwithstanding anything herein to the contrary, nothing herein shall in any way alter or waive the promises, agreements, and covenants set forth in the Agreement, and in the event of a conflict between the terms of this Assignment and the Agreement, the Agreement shall control.

7. Successors and Assigns. This Assignment and all of the provisions hereof shall be binding upon, and inure to the benefit of, the successors and assigns of the parties hereto permitted under the Agreement.

8. Miscellaneous. If any term or provision of this Assignment shall be held invalid or unenforceable, the remainder of this Assignment shall not be affected. This Assignment may not be amended or altered except by a written instrument executed by Assignor and Assignee.

IN WITNESS WHEREOF, the parties have executed this Assignment as of the date first written above.

Report of Independent Auditors

The Board of Directors
Daughters of Charity Health System

We have audited the accompanying consolidated financial statements of Daughters of Charity Health System, which comprise the consolidated balance sheets as of June 30, 2015 and 2014, and the related consolidated statements of operations and changes in net (deficit) assets and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in conformity with U.S. generally accepted accounting principles; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We did not audit the financial statements of Marillac Insurance Company, Ltd (Marillac), a wholly-owned subsidiary, which statements reflect total assets constituting 6.81% as of June 30, 2015 and 6.68% as of June 30, 2014 and total revenues constituting 0.88% in 2015 and 0.85% in 2014 of the related consolidated totals. Those statements were audited by other auditors whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for Marillac, is based solely on the report of the other auditors. We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not

for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, based on our audits and the report of the other auditors, the financial statements referred to above present fairly, in all material respects, the consolidated financial position of Daughters of Charity Health System at June 30, 2015 and 2014, and the consolidated results of its operations and changes in net (deficit) assets and its cash flows for the years then ended in conformity with U.S. generally accepted accounting principles.

Daughters of Charity Health System's Ability to Continue as a Going Concern

The accompanying consolidated financial statements have been prepared assuming that Daughters of Charity Health System will continue as a going concern. As discussed in Note 2 to the consolidated financial statements, Daughters of Charity Health System has recurring losses from operations and has a net deficit that raise substantial doubt about its ability to continue as a going concern. Management's plans in regard to these matters are also described in Note 2. The consolidated financial statements do not include any adjustments that might result from the outcome of this uncertainty. Our opinion is not modified with respect to this matter.

Daughters of Charity Health System

Notes to Consolidated Financial Statements

June 30, 2015

1. Organization

The Daughters of Charity Health System (Parent), a California nonprofit religious corporation, was formed in June 2001 by the Daughters of Charity Ministry Services Corporation (Ministry Services), a California not-for-profit religious corporation. Ministry Services is the sole corporate member of Daughters of Charity Health System. Daughters of Charity Health System is the sole corporate member of six California not-for-profit religious corporations that operate six acute care hospitals and other facilities (the Hospitals, see list below) in the state of California. Daughters of Charity Health System and the following list of affiliated entities (collectively, DCHS) became one of the largest not-for-profit health care systems in the state of California, with approximately 1,660 licensed acute care and skilled nursing beds.

DCHS consists of Parent* and the following:

- O'Connor Hospital*
- Saint Louise Regional Hospital*
- St. Francis Medical Center Lynwood*
- St. Vincent Medical Center*
- Seton Medical Center*
- Seton Medical Center Coastside (a division of Seton Medical Center)*
- Caritas Business Services
- Marillac Insurance Company, Ltd. (Marillac)
- O'Connor Hospital Foundation
- Saint Louise Regional Hospital Foundation
- St. Francis Medical Center of Lynwood Foundation
- St. Vincent Medical Center Foundation
- Seton Health Services Foundation
- St. Vincent de Paul Ethics Corporation
- St. Vincent Dialysis Center
- De Paul Ventures, LLC (see Note 2)
- DCHS Medical Foundation (see Note 2)

*Part of the Obligated Group (see discussion below and Note 9)

The Daughters of Charity of St. Vincent de Paul (the Daughters of Charity) commenced its health care mission in California in 1856, with four of the Hospitals having been sponsored by the Daughters of Charity since their formation.

1. Organization (continued)

DCHS established an Obligated Group (see listing of entities included in the Obligated Group above) to access the capital markets. Obligated Group members are jointly and severally liable for the long-term debt outstanding under the Bond Master Indenture.

2. Summary of Significant Accounting Policies

Basis of Presentation and Going Concern

In recent years, DCHS has experienced recurring operating losses that have been funded primarily from cash reserves. For the year ended June 30, 2015, DCHS recorded a net operating loss of $73,824,000 and a decrease in cash, cash equivalents, short-term and long-term investments of $13,911,000. In 2014, DCHS received a $130,000,000 contribution from the Daughters of Charity Foundation that was restricted for the purpose of defeasing the Series 2008 Bonds. Refer to Note 9 for further details on the defeased Series 2008 Bonds. DCHS anticipates that it will continue to incur operating losses and intends to continue to fund its losses from operations. Subsequent to June 30, 2015, DCHS has not borrowed any additional short-term debt from the California Statewide Development Corporation. Refer to Note 9 for further details.

On July 17, 2015, the DCHS Parent and Daughters of Charity Ministry Services selected Blue Mountain Capital Management (Blue Mountain), a private investment firm, to recapitalize the Hospitals. Blue Mountain will also provide management services (via Integrity Healthcare, a wholly owned subsidiary) to operate the six California hospitals and medical foundation (collectively, the "Transaction"). Under the terms of the Transaction, the DCHS board of directors will transfer control of the Hospitals to an independent, non-profit board of directors, which will oversee hospital operations. The Transaction is subject to regulatory approval and there can be no guarantee that the Transaction will close. Refer to Note 12 for further details on the Transaction.

In the event that the Transaction does not close, the Board of DCHS will consider all alternatives, which may include seeking alternative transactions, closure, and use of bankruptcy proceedings to accomplish alternatives.

The uncertainties surrounding future cash flows and liquidity position raise substantial doubt regarding DCHS' ability to continue as a going concern. The accompanying consolidated financial statements have been prepared in accordance with United States (U.S.) generally accepted accounting principles applicable to a going concern, which contemplates the realization

2. Summary of Significant Accounting Policies (continued)

of assets and the settlement of liabilities and commitments in the normal course of business for the foreseeable future. Such consolidated financial statements do not include any adjustments relating to the recoverability of the carrying amounts of recorded assets or the amount of liabilities that might result from the outcome of the uncertainties described above.

Consolidation

The accompanying consolidated financial statements include the accounts of DCHS after elimination of intercompany transactions.

Use of Estimates

The preparation of the consolidated financial statements in conformity with U.S. generally accepted accounting principles requires management to make certain estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. DCHS considers critical accounting policies to be those that require more significant judgments and estimates in the preparation of its consolidated financial statements, including the following: recognition of net patient service revenue, which includes contractual allowances and discounts; provisions for doubtful accounts and charity care; and risks and assumptions for measurement of pension and other postretirement liabilities. Management bases its estimates on historical experience and various other assumptions that it believes are reasonable under the particular facts and circumstances. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents consist primarily of cash and highly liquid marketable securities with original maturities, at the time of purchase, of three months or less.

2. Summary of Significant Accounting Policies (continued)

Patient Accounts Receivable, Allowance for Doubtful Accounts, and Net Patient Service Revenue

Patient accounts receivable and net patient service revenue are reported at the estimated net realizable amounts from patients, third-party payers, and others for services rendered, including estimated settlements under reimbursement agreements with third-party payers. Settlements with third-party payers are accrued on an estimated basis in the period in which the related services are rendered and are adjusted in future periods as final settlements are determined.

DCHS manages the receivables by regularly reviewing its patient accounts and contracts and by providing appropriate allowances for uncollectible amounts. These allowances are estimated based upon an evaluation of historical payments, negotiated contracts and governmental reimbursements. Adjustments and changes in estimates are recorded in the period in which they are determined. The allowance for doubtful accounts for self-pay patients was 87% and 87% of self-pay accounts receivable at June 30, 2015 and 2014, respectively.

Patient service revenues, net of contractual allowances and discounts, are as follows (in thousands):

	Year Ended June 30	
	2015	**2014**
Government	**$ 881,274**	$ 656,291
Contracted	**380,068**	412,280
Self-pay and others	**53,808**	68,147
Net patient service revenue	**1,315,150**	1,136,718
Less: Provision for doubtful accounts	**(31,903)**	(43,282)
Net patient service revenue less provision for doubtful accounts	**$ 1,283,247**	$ 1,093,436

Daughters of Charity Health System

Notes to Consolidated Financial Statements (continued)

2. Summary of Significant Accounting Policies (continued)

Significant concentrations of net patient accounts receivable are as follows:

	June 30	
	2015	**2014**
HMO/PPO/Commercial	**36%**	38%
Medicare	**32**	29
Medi-Cal	**29**	28
Other	**3**	5
Total	**100%**	100%

Inpatient acute care services, outpatient services, and skilled nursing services rendered to Medicare program beneficiaries are paid at prospectively determined rates per discharge. These rates vary according to a patient classification system that is based on clinical, diagnostic, and other factors. Certain inpatient nonacute services and defined capital and medical education costs related to Medicare beneficiaries are paid using a cost reimbursement methodology.

Health care services are provided free of charge or at a significant discount based on a sliding scale to individuals who meet certain financial criteria. DCHS makes every effort to determine if a patient qualifies for charity care upon admission. If a patient is determined to qualify for charity care, services are rendered to the patient free of cost. The costs of providing these services are included in unsponsored community benefit expense (see Note 3).

After satisfaction of amounts due from insurance and the application of financial discounts to patients' balances, and after exhausting all reasonable efforts to collect from the patients, a significant portion of the DCHS's uninsured and self-pay patient accounts are referred to the third-party agencies based on DCHS's established guidelines for further collection activities. As a result, DCHS's records a significant provision for doubtful accounts related to these uninsured patients in the period the services are rendered.

Payments from Medi-Cal and contracted-rate payers are based on a per diem, per discharge, modified cost, or capitated basis or a combination of these.

Daughters of Charity Health System

Notes to Consolidated Financial Statements (continued)

2. Summary of Significant Accounting Policies (continued)

Adjustments for the finalization of prior year cost reports from both Medicare and Medi-Cal resulted in an increase to patient service revenues of $5,176,000 and $9,291,000, for the years ended June 30, 2015 and 2014, respectively. Additionally, as a result of recent finalized cost reports, management determined that certain allocated reserves related to open prior year Medicare cost reports were no longer necessary, which resulted in a gain of $15,069,000 for the year ended June 30, 2015.

DCHS's St. Francis Medical Center qualified for and received Medi-Cal funding as a disproportionate-share hospital from the state of California under Senate Bill (SB) 855. Related revenues were $27,143,000 and $27,381,000, for the years ended June 30, 2015 and 2014, respectively, and are included in net patient service revenue. Amounts to be received in future years, if any, are subject to annual determination.

The St. Francis Medical Center also received funding for Medi-Cal disproportionate-share hospitals under Senate Bill 1255 (SB 1255). These SB 1255 funds are paid from the Emergency Services and Supplemental Payments Fund. Related revenues were $8,413,000 and $9,023,000, for the years ended June 30, 2015 and 2014, respectively, and are included in net patient service revenue. This funding must be applied for and approved each year.

The St. Francis Medical Center also qualifies for Medi-Cal funding as a disproportionate-share hospital from the state of California under Senate Bill 1732 (SB 1732). This SB 1732 program permits health care facilities servicing a disproportionate share of Medi-Cal patients to receive supplemental reimbursement for a portion of their debt service for qualified capital projects. St. Francis Medical Center has an amendment to its Medi-Cal contract, which was executed on June 19, 1993, for reimbursement related to the St. Francis Medical Center Health Services Pavilion, which was completed in 1991. Related revenues were $2,570,000 and $2,475,000, for the years ended June 30, 2015 and 2014, respectively, and are included in net patient service revenue.

As part of DCHS's mission to serve the community, DCHS provides care to patients even though they may lack adequate insurance or may participate in programs that do not pay full charges. Reserves for charity care and uncollectible amounts have been established and are netted against patient accounts receivable in the consolidated balance sheets.

2. Summary of Significant Accounting Policies (continued)

Industry Concentration

The receipt of future revenues by DCHS is subject to, among other factors, federal and state policies affecting the health care industry. There are future revenue uncertainties that may require that costs be controlled, which will be subject to the capability of management; future economic conditions, which may include an inability to control expenses in periods of inflation; increased competition; and other conditions, which are impossible to predict.

Inventories

Inventories consist of supplies and are stated at the lower of cost or market value, which is determined using the first-in, first-out method. Inventories are reviewed for obsolescence on a periodic basis. Amounts are included in other current assets.

Assets Limited as to Use

Assets limited as to use represent assets designated by the board of directors for future capital improvements, other specific purposes for Marillac over which the board of directors retains control, assets held by trustees under bond indenture agreements, and investments restricted by donors. The board of directors has the full ability to utilize the Marillac assets limited as to use to satisfy the needs of on-going operations, as necessary. Additionally, DCHS participated in a pooled investment fund administered by Ascension Health until September 2014. Assets limited as to use are stated at fair value. Refer to Note 4 for further details.

Investment income or loss is included in deficiency of revenues over expenses, unless the income or loss is restricted by donor or law. The assets are reflected in the assets limited as to use line item in the consolidated balance sheets.

Investments

Investments received through gifts are recorded at estimated fair value at the date of donation. Gains and losses that result from market fluctuations are recognized in the period that such fluctuations occur. Realized gains or losses resulting from sales or maturities are calculated on an adjusted-cost basis. Adjusted-cost is the original cost of the security adjusted for any purchases or sales during the year. Dividend and interest income are accrued when earned.

2. Summary of Significant Accounting Policies (continued)

Investment income includes the following (in thousands):

	Year Ended June 30	
	2015	**2014**
Interest and dividends	**$ 3,362**	$ 1,559
Investment fees	**(213)**	(246)
Unrealized (loss) gain on investments – net	**(936)**	8,871
Net realized gain on sales of securities	**1,660**	6,450
	3,873	16,634
Amounts included in changes in restricted net assets	**3**	(358)
Investment income	**$ 3,876**	$ 16,276

Property and Equipment

Property and equipment are stated at cost, if purchased, and at fair market value, if donated. Depreciation of property and equipment is calculated using a half-year convention and the straight-line method for financial statement purposes. Estimated useful lives by classification are as follows:

Land improvements	5–25 years
Buildings	10–40 years
Building service equipment	5–25 years
Equipment	4–20 years

Long-Lived Asset Impairment

DCHS routinely evaluates the carrying value of its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset, or related group of assets, may not be recoverable from estimated future undiscounted cash flows generated by the underlying tangible assets. When the carrying value of an asset exceeds the estimated recoverability, an asset impairment charge is recognized. The impairment tests are based on financial projections prepared by management that incorporate anticipated results from programs and initiatives being implemented and market value assessments of the assets. If the projections are not met, or if negative trends occur that impact the future outlook, the value of the long-lived assets may be impaired, which could be material.

2. Summary of Significant Accounting Policies (continued)

DCHS recorded $10,000,000 of impairment for the estimated non-recoverability of the building and select equipment at St. Vincent Medical Center. The amount of impairment was determined using a distressed revenue multiple, and was allocated using comparable prices for similar assets.

Goodwill and Intangible Assets

Goodwill is measured as of the effective date of a business acquisition as the excess of the aggregate of the fair value of consideration transferred over the fair value of the tangible and intangible assets acquired and liabilities assumed.

The changes in the carrying amount of goodwill are as follows (in thousands):

	Year Ended June 30	
	2015	2014
Beginning balance	$ –	$ 10,421
Addition from acquisition	–	2,955
Impairment	–	(13,376)
Ending balance	$ –	$ –

DCHS, through the DCHS Medical Foundation, acquired intangible assets and goodwill valued at $3,251,000 as of June 30, 2014, as a result of various physician practice acquisitions during fiscal year 2014. No acquisitions were made during fiscal year 2015.

The goodwill impairment tests are based on financial projections prepared by management that incorporate anticipated results from programs and initiatives being implemented. If these projections are not met or if negative trends occur that impact outlook, the value of goodwill may be impaired. During the year ended June 30, 2014, management determined that all goodwill was impaired.

It is DCHS's policy to amortize intangible assets with a finite life over their useful lives.

Fair Value of Financial Instruments

The carrying amounts reported in the consolidated balance sheets for cash and cash equivalents, accounts receivable, accounts payable, accrued liabilities, and due to/from government agencies approximate fair value. The fair value of investments is disclosed in Notes 4 and 8, and the fair value of debt is disclosed in Note 9.

2. Summary of Significant Accounting Policies (continued)

Medical Foundation

The DCHS Medical Foundation (Medical Foundation) was established in December 2011 and incorporated under the California Nonprofit Religious Corporation regulations as a not-for-profit corporation exempted from IRC Section 501(c)(3). The sole member of this corporation is DCHS, acting through its board of directors.

During the fiscal year ended June 30, 2014, the Medical Foundation acquired eight physician groups, comprising the physician groups tangible and intangible assets, respectively. The total purchase consideration for the year ended June 30, 2014, amounted to $3,473,000, of which $2,488,000 was paid in cash and the remaining balance of $985,000 in notes payable in two installments of $492,500 due in fiscal years 2015 and 2016, respectively. The majority of the purchase price was allocated to goodwill at June 30, 2014. These acquisition costs have been reflected in DCHS's consolidated financial statements as of June 30, 2014. No acquisitions were made during the fiscal year ended June 30, 2015.

Guarantees

In the normal course of its business, DCHS enters into various types of guarantees with counterparties in connection with asset sales and other transactions. DCHS also provides indemnifications against potential losses to certain parties involved in their bond financing. The indemnifications are ordinarily documented in standard contract terms. Generally, there are no stated or notional amounts included in these indemnifications, and the events or contingences triggering the obligations to indemnify are generally not expected to occur. There have been no claims, and none are expected to occur; therefore, it is not possible to develop an estimate of the maximum payout and fair value under these guarantees and indemnifications. DCHS has not recorded any liabilities in the consolidated financial statements as of June 30, 2015 and 2014, related to any guarantees or indemnification arrangements.

Self Insurance

DCHS is self-insured for hospital professional and general liabilities by a wholly-owned self-insured captive insurance company. The provisions for estimated hospital professional and general liability claims include estimates of the ultimate costs for both uninsured reported claims and claims incurred-but-not-reported (IBNR), in accordance with actuarial projections or paid claims lag models based on past experience. Such claim reserves are based on the best data

2. Summary of Significant Accounting Policies (continued)

available to DCHS; however, these estimates are subject to a significant degree of inherent variability. There is at least a reasonable possibility that a material change to the estimated reserves will occur in the near term. Such estimates are continually monitored and reviewed, and as reserves are adjusted, the differences are reflected in current operations. Management is of the opinion that the associated liabilities recognized in the accompanying consolidated financial statements are adequate to cover such claims.

DCHS has entered into reinsurance, stop loss, and excess policy agreements with independent insurance companies to limit its losses on hospital professional and general liability claims.

Hospital professional and general liabilities were $13,161,000 and $6,022,000, discounted at a rate of 4% and 3% as of June 30, 2015 and 2014, respectively. Management is not aware of any potential hospital professional and general liability claims whose settlement would have a material adverse effect on DCHS's consolidated financial position.

Workers' Compensation Insurance

DCHS is insured for workers' compensation claims with major independent insurance companies, subject to certain deductibles of $500,000 per occurrence as of June 30, 2015 and 2014. Based on actuarially determined estimates, provisions have been made in the consolidated financial statements, with the current portion included within accrued liabilities and the non-current portion within workers' compensation and hospital professional and general liabilities, for all known claims and incurred but not reported claims as of June 30, 2015 and 2014. Workers' compensation liabilities were $24,278,000 and $26,115,000 discounted using a rate of 4% and 3%, as of June 30, 2015 and 2014, respectively. Estimation differences between actual payments and amounts recorded in previous years are recognized as expense in the year such amounts become determinable.

Temporarily and Permanently Restricted Net Assets

Temporarily restricted net assets are those for which use by DCHS has been limited by donors to a specific time period or purpose. Permanently restricted net assets have been restricted by donors to be maintained by DCHS in perpetuity.

2. Summary of Significant Accounting Policies (continued)

California Hospital Fee Program

California legislation established a program in 2009 that imposes a Quality Assurance Fee (QA Fee) on certain general acute-care hospitals in order to make supplemental and grant payments and increased capitation payments (Supplemental Payments) to hospitals up to the aggregate upper payment limit for various periods. There have been four such programs (the "Programs") since inception.

The Programs are designed to make supplemental inpatient and outpatient Medi-Cal payments to private hospitals, including additional payments for certain facilities that provide high-acuity care and trauma services to the Medi-Cal population. This hospital QA Fee program provides a mechanism for increasing payments to hospitals that serve Medi-Cal patients, with no impact on the state's General Fund. Payments are made directly by the state or Medi-Cal managed care plans, which will receive increased capitation rates from the state in amounts equal to the Supplemental Payments. Outside of the legislation, the California Hospital Association has created a private program, operated by the California Health Foundation and Trust (CHFT), which was established to alleviate disparities potentially resulting from the implementation of the Programs.

The Programs require full federal approval (i.e., by the Centers for Medicare and Medicaid Services (CMS)) in order for them to be fully enacted. If final federal approval is not ultimately obtained, provisions in the underlying legislation allowed for the QA Fee, previously assessed, and Supplemental Payments, previously received, to be returned and recouped, respectively. As such, revenue and expense recognition is not allowed until full CMS approval was obtained.

In June 2012, the third program (30-Month Program), covering the period from July 2011 to December 2013, was amended to allow for the fee-for-service portion to be administered separately from the managed care portion. The fee-for-service portion of the 30-Month Program was approved in June 2012. In May and June 2013, 24 months of managed care payments were approved by CMS. In December 2014, the final six months of managed care payments were approved by CMS.

In October 2013, the fourth program (36-Month Program), covering the period from January 2014 to December 2016, was signed into law by the Governor of California. The fee-for-service payments of the 36-Month Program were approved in December 2014 by CMS. The first six months of non-expansion managed care payments were approved by CMS in June 2015.

2. Summary of Significant Accounting Policies (continued)

DCHS recognized payments to the California Department of Health Care Services for the QA fee in the amount of $134,198,000 and $33,411,000 and pledge payments to CHFT of $2,282,000 and $1,577,000 within purchased services and other expenses for the years ended June 30, 2015 and 2014, respectively. DCHS also recognized Supplemental Payment revenue in the amount of $222,467,000 and $49,606,000 pertaining to the 30-Month and 36-Month Programs within the net patient service revenues for the years ended June 30, 2015 and 2014, respectively.

Meaningful Use Incentives

The American Recovery and Reinvestment Act of 2009 established payments under the Medicare and Medi-Cal programs for certain professionals and hospitals that meaningfully use certified electronic health record (EHR) technology. The Medicare incentive payments are paid out to qualifying hospitals over four consecutive years on a transitional schedule. To qualify for Medi-Cal incentives, hospitals and physicians must annually meet EHR "meaningful use" criteria that become more stringent over three stages as determined by CMS. For the years ended June 30, 2015 and 2014, DCHS has recorded meaningful use incentive payments of $7,947,000 and $10,104,000, respectively. These incentive payments have been recorded as other operating revenue in the DCHS consolidated financial statements.

Premium Revenue

Certain entities of DCHS have at-risk agreements with various payers to provide medical services to enrollees. Under these agreements, DCHS receives monthly payments based on the number of enrollees, regardless of services actually performed by DCHS. DCHS accrues costs when services are rendered under these contracts, including estimates of IBNR claims and amounts receivable/payable under risk-sharing arrangements.

The IBNR accrual includes an estimate of the costs of services for which DCHS is responsible, including out-of-network services.

Other Operating Revenue

Included in other operating revenue are amounts from investments in health-related activities, rental income, cafeteria, and other nonpatient care revenue.

2. Summary of Significant Accounting Policies (continued)

Contributions

Unconditional promises to give cash and other assets to DCHS are reported at fair value at the date the promise is received. The gifts are reported as either temporarily or permanently restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified as unrestricted net assets. Net assets released from restrictions used for operations are also included in other operating revenue as contribution revenue to the Hospitals.

Interest Expense

Interest expense on debt issued for construction projects, net of income earned on the funds held pending use, is capitalized from the date of the borrowing until the projects are placed in service. Interest components include the following (in thousands):

	Year Ended June 30	
	2015	**2014**
Total interest expense	**$ 23,215**	$ 19,930
Less: capitalized interest expense	**(665)**	(824)
Net interest expense	**$ 22,550**	$ 19,106

Income Taxes

DCHS has established its status as an organization exempt from income taxes under the Internal Revenue Code (IRC) Section 501(c) (3) and the laws of California. Certain activities of the operating entities of DCHS may be subject to income taxes; however, such activities are not significant to the consolidated financial statements.

Performance Indicator

Management considers the deficiency of revenues over expenses to be DCHS's performance indicator. Deficiency of revenues over expenses includes all changes in unrestricted net assets, except net assets released from restrictions used for purchase of property and equipment, the change in funded status of pension plans, and other.

2. Summary of Significant Accounting Policies (continued)

Transactions Between Related Organizations

DCHS and various members of DCHS pay for sisters' services provided to it by its sponsoring congregation at amounts comparable to low-wage employees' salaries.

Certain Obligated Group members have a policy whereby assets are periodically transferred as charitable distributions to subsidiaries of DCHS that are not members of the Obligated Group. These transfers are accounted for as direct charges to the Obligated Group members' unrestricted net assets. It is anticipated that Obligated Group members will continue to make asset transfers to the subsidiaries. These transfers are eliminated upon consolidation.

Asset Retirement Obligations (AROs)

AROs are legal obligations associated with the retirement of long-lived assets. These liabilities are initially recorded at fair value, and the related asset retirement costs are capitalized by increasing the carrying amount of the related assets by the same amount as the liability. Asset retirement costs are subsequently depreciated over the useful lives of the related assets. Subsequent to initial recognition, DCHS records period-to-period changes in the ARO liability resulting from the passage of time. DCHS's ARO liabilities recorded in the consolidated financial statements at June 30, 2015 and 2014 were $3,421,000 and $3,227,000, respectively.

Revenue Guarantees

DCHS has agreements with physicians whereby minimum revenues are guaranteed by DCHS for stipulated dollar amounts over specified periods, as defined in the contracts. DCHS records a liability for the amount of the guaranteed revenue at the time the contract is entered into and adjusts the liability as it is expended. DCHS has recorded liabilities of $746,000 and $1,396,000 as of June 30, 2015 and 2014, respectively.

2. Summary of Significant Accounting Policies (continued)

Recent Accounting Pronouncements

In April 2015, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2015-07, *Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities that Calculate Net Asset Value per Share (or its Equivalent)* (ASU 2015-07), which removes the requirement to categorize, within the fair value hierarchy, investments for which fair value is measured using the net asset value per share practical expedient. It also limits disclosures related to investments for which the entity has elected to measure the fair value using that practical expedient. The guidance is effective for DCHS as of July 1, 2016. The adoption of ASU 2015-07 is not expected to have a material impact on the consolidated financial statements.

In April 2015, the FASB issued ASU No. 2015-03, *Simplifying the Presentation of the Debt Issuance Costs* (ASU 2105-03), which changes the presentation of debt issuance costs in financial statements. Under ASU 2015-03, an entity presents such costs in the balance sheet as a direct deduction from the related debt liability rather than as an asset, and amortization of the costs is reported as interest expense. The guidance is effective for DCHS as of July 1, 2016. The adoption of ASU 2015-03 is not expected to have a material impact on the consolidated financial statements.

In May 2014, the FASB issued ASU No. 2014-09, *Revenue from Contracts with Customers* (ASU 2014-09), which outlines a comprehensive model for entities to use in accounting for revenue arising from contracts with customers and supersedes most current revenue recognition guidance, including industry-specific guidance, and requires significantly expanded disclosures about revenue recognition. The core principle of the revenue model is that an entity recognizes revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The guidance, as amended by ASU 2015-14, *Revenue From Contracts With Customers (Topic 106)*, is effective for DCHS as of July 1, 2018. Early adoption is not permitted; DCHS management is currently evaluating the impact on the consolidated financial statements and the options of adopting either a full retrospective or a modified approach.

In April 2014, the FASB issued ASU No. 2014-08, *Reporting Discontinued Operations and Disclosures of Disposals of Components of an Entity* (ASU 2014-08), which amends the definition of a discontinued operation in Accounting Standards Codification (ASC) 205-20, *Discontinued Operations*, and requires entities to disclose additional information about disposal

transactions that do not meet the discontinued operations criteria. The guidance is effective for DCHS as of July 1, 2015. DCHS is assessing the impact of the adoption of ASU 2014-08 on its consolidated financial statements.

3. Unsponsored Community Benefit Expense

The following is a summary of DCHS's community service in terms of services to the poor and benefits to the broader community for the year ended June 30, 2015. The summary has been prepared in accordance with the Catholic Health Association of the United States publication, *A Guide for Planning and Reporting Community Benefit* (dollars in thousands) (unaudited):

3. Unsponsored Community Benefit Expense (continued)

Benefits for the Poor

Benefits for the poor include services provided to persons who cannot afford health care because of inadequate resources and/or who are uninsured or underinsured.

Benefits for the Broader Community

Benefits for the broader community include services and programs provided to other needy populations that may not qualify as poor, but that need special services and support. Examples include the elderly, substance abusers, victims of child abuse, and persons with acquired immune deficiency syndrome. They also include the cost of health promotion and education, health clinics and screenings, and medical research, which benefit the broader community.

Traditional Charity Care

Traditional charity care covers services provided to persons who cannot afford to pay and who meet DCHS's criteria for financial assistance. DCHS utilizes information obtained directly from patients as well as information from publicly available sources in determining charity care eligibility. The amounts above reflect the costs of these services (based on DCHS's relationship of costs to charges) before and after contributions and other revenues received as direct assistance for the provision of charity care. The amount of traditional charity care at cost was $13,226,000 and $21,768,000 for the years ended June 30, 2015 and 2014, respectively.

Unpaid Costs of Public Programs – Medi-Cal

Unpaid costs of public programs are the costs of treating indigent and Medi-Cal beneficiaries in excess of government payments. Cost is based on DCHS's relationship of costs to charges.

Nonbilled Services

Nonbilled services include the cost of services for which a patient is not billed or for which a nominal fee has been assessed. These are services that are not expected to be financially self-supporting. Examples are free clinic services and meal programs.

3. Unsponsored Community Benefit Expense (continued)

Cash and In-Kind Donations

Cash and in-kind donations are made by DCHS to special funds used to benefit the poor and the community.

Education

Education includes the unpaid cost of training health professionals, such as medical residents, nursing students, and students in allied health professions.

Research

Research includes the unpaid cost of testing medical equipment and controlled studies of therapeutic protocols.

Other Benefits for the Broader Community Expenses

Other benefits for the broader community expenses include low-or negative-margin services, which are services offered because of a need in the community. They do not include services offered because they create revenues elsewhere.

Total Community Benefit Expense

Total community benefit expense is the total cost of community benefits before direct offsetting revenue, donations, or other funds used to defray such costs.

Unsponsored Community Benefit Expense

Unsponsored community benefit expense is the total cost incurred after direct offsetting revenue, if any, from patients, donations, and other sources.

Unpaid Costs of Medicare Program

Unpaid costs of the Medicare program are the costs of treating Medicare beneficiaries in excess of government payments. Cost is based on DCHS's relationship of costs to charges.

4. Fair Value Measurements

DCHS accounts for certain assets at fair value or on a basis that approximates fair value. A fair value hierarchy for valuation inputs has been established to prioritize the valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Each fair value measurement is reported in one of the three levels, which is determined by the lowest-level input that is significant to the fair value measurement in its entirety. These levels are as follows:

- *Level 1* – Quoted prices are available in active markets for identical assets as of the measurement date. Financial assets in Level 1 include listed equities and money market balances.

- *Level 2* – Pricing inputs are based upon quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data for substantially the full term of the assets. Financial assets in this category generally include asset-backed securities, corporate bonds, municipal bonds, and commingled investment funds.

- *Level 3* – Pricing inputs are generally unobservable for the assets and include situations where there is little, if any, market activity for the investment. The inputs used in determination of fair value require management's judgment or estimation of assumptions that market participants would use in pricing the assets. Therefore, the fair values are determined using factors that involve judgment and interpretations, including discounted cash flow models and similar techniques. There were no Level 3 investments at June 30, 2015 and 2014.

4. Fair Value Measurements (continued)

4. Fair Value Measurements (continued)

There were no transfers to or from Levels 1, 2 or 3 during the years presented. The Level 2 financial assets listed in fair value hierarchy tables above use the following valuation techniques and inputs:

DCHS participated in Ascension Health's pooled Catholic Healthcare Investment Management Company (CHIMCO) Alpha Fund, LLC, which is carried at fair value based on quoted market prices, quoted market prices for similar instruments, and observable and unobservable inputs. The pooled fund is composed of cash, equity securities (domestic and foreign), U.S. federal and corporate obligations, to be announced (TBA) mortgage-backed securities, asset-backed securities, and fixed-income securities and is designated as Level 2. Beginning January 1, 2014, DCHS moved all of its investments in the Alpha Fund to short-term liquid funds, such as cash and cash equivalents. As of September 2014, DCHS sold its investment in the Fund, and Ascension Investment Management no longer manages any funds on behalf of DCHS.

For marketable securities, such as foreign corporation and U.S. government debt securities, government and commercial mortgage-backed securities, TBA mortgaged-backed securities, corporate U.S. debt securities, index funds, and beneficial interest held in trust accounts, wherein identical quoted market prices are not readily available, the fair value of such investments is determined based on market participant pricing or other available market data for comparable instruments and transactions at the measurement date. DCHS, therefore, incorporates industry-standard valuation techniques as inputs to fair valuation of its investments designated as Level 2.

DCHS's rationale for the assignment of levels is based on types or classes of financial assets, rather than an analysis of each individual asset. Key consideration in the assignment of levels was given to the determination of a security's fair valuation measurement if obtained from an active market, and then further consideration was given for the types of inputs used to evaluate the fair value price. This approach has been supported by management's analysis of the methodology, the evaluated pricing models, and inputs used by its pricing vendors. It is also consistent with industry practice.

4. Fair Value Measurements (continued)

Where quoted prices are available in an active market (exchange-traded), the securities are classified as Level 1. It is a market in which transactions occur with sufficient frequency and volume to provide pricing information on an ongoing basis. If quoted market prices are not readily available for a specific financial asset, then value is determined using quoted prices of assets with similar characteristics and is classified as Level 2. Examples of these categories are DCHS's investment in high-yield debt securities, collateralized mortgage obligations, and fixed-income prices provided by a broker-dealer. In cases where there is limited activity and less transparency associated with inputs to the valuation, DCHS will designate the investments as Level 3.

Included within the assets above are investments in certain securities that report fair value, using a calculated Net Asset Value (NAV) or its equivalent. The following table and explanations identify attributes relating to the nature and risk of such investments (in thousands):

	June 30, 2014		
	Fair Value	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Level 2			
Pooled funds – short-term (1)	$ 921	Daily	1–3 days
Pooled funds – long-term (1)	26,881	Daily	1–3 days
Total pooled funds	$ 27,802		

(1) This category includes investments in CHIMCO Alpha Fund and is mainly invested in U.S. government, state, municipal, and agency obligations; corporate- and foreign government-fixed maturities; and U.S. government and corporate asset-backed securities.

The investments included above are not expected to be sold at amounts that are different from their NAV. There were no unfunded commitments at June 30, 2015 and 2014.

Investment Held in Trust Accounts

DCHS is the beneficiary of a split-interest agreement from a donor. The related assets are controlled and invested by an independent third party. DCHS records the assets for its share when formal written or other verifiable documentation is received. DCHS's share of the assets is based on the present value of the estimated future distributions to be received by DCHS over the term of the agreement. The agreements are carried at fair value based on the underlying assets. DCHS used 2.0% discount rate to value split-interest agreements at June 30, 2015.

4. Fair Value Measurements (continued)

Receivables Under Repurchase Agreements

DCHS participates in a repurchase agreement with a custodian, whereby DCHS lends cash from a bond reserve fund to a third party on a short-term basis. The loans are secured by collateral, consisting of various investments that equal the amount of the cash loaned. DCHS is paid a fixed rate of return of 4.6% for the amounts loaned. Interest is accrued monthly and paid semi-annually. The amounts of the receivables under repurchase agreements were $23,871,000 and $24,133,000 at June 30, 2015 and 2014, respectively, and are included in assets limited as to use under bond indenture agreements. The loans remained in place until the termination date, which was July 1, 2015, at which time these funds were reinvested in other securities.

8. Pension and Other Postretirement Benefit Plans

DCHS maintains a single employer defined benefit retirement plan and participates in a multi-employer defined benefit retirement plan. The plans have been frozen for all employees, except members of the California Nurses Association (CNA). Benefits are generally based on age, years of service, and employee compensation. DCHS also offers postretirement health care benefits to a limited number of its employees. The postretirement health care benefits are determined based on age and years of service.

The first retirement plan is a multiemployer defined benefit pension plan called Retirement Plan for Hospital Employees (RPHE). The entities that participate in the RPHE are Seton Medical Center, Seton Medical Center Coastside, O'Connor Hospital, Saint Louise Regional Hospital, and Caritas Business Services (however, as noted above, only CNA members at these locations earn new benefits under the plan). Benefits are generally based on years of service and the employee's compensation. Contributions to the plan are based on actuarially determined amounts sufficient to meet the benefits to be paid to plan participants and satisfy IRS funding requirements. DCHS contributed cash of $14,495,000 and $14,788,000 to the RPHE during the fiscal years ended June 30, 2015 and 2014, respectively.

The second retirement plan is a single-employer defined benefit pension plan (the DCHS Retirement Plan). DCHS associates at St. Francis Medical Center, St. Vincent Medical Center, O'Connor Hospital, Saint Louise Regional Hospital and the system office are eligible to participate in this plan (however, as noted above, only CNA members continue to earn new benefits under the plan). DCHS contributed $18,479,000 and $19,333,000 to the DCHS Retirement Plan during the fiscal years ended June 30, 2015 and 2014, respectively.

DCHS also maintains a retiree health insurance program (the Postretirement Healthcare Plan) which provides medical benefits to retirees from early retirement to age 65 only. DCHS employees at O'Connor Hospital, St. Louise Regional Hospital, Seton Medical Center, and Seton Medical Center Coastside are eligible to participate in this plan. The Postretirement Healthcare Plan is an unfunded plan. DCHS contributed $98,000 and $114,000 to the Postretirement Healthcare Plan during the fiscal years ended June 30, 2015 and 2014, respectively.

8. Pension and Other Postretirement Benefit Plans (continued)

Defined Contribution Retirement Plans

In addition to the above pension plans, DCHS maintains three different defined contribution retirement plans for its employees. One of these defined contribution plans (TSA/403(b)) includes employee voluntary contributions only. A second defined contribution plan (Match Benefit) requires employer contributions and the benefits are based on a percentage of the employees' contributions to the TSA/403(b). A third plan covers all employee groups, except members of the CNA and is a fully employer-paid defined contribution plan with benefits based on a percentage of compensation. During the fiscal years ended June 30, 2015 and 2014, the employer's contribution for these three defined contribution plans was $24,472,000 and $24,935,000, respectively.

Pension Plan Amendments

In April 2012, DCHS's largest union, SEIU, ratified freezing the defined benefit pension plan covering all its members in DCHS's six hospitals effective January 1, 2013 (the plan had previously been frozen for all nonunion employees). Upon freezing the defined benefit pension plan, DCHS introduced an employer-paid defined contribution plan (IRC 401(a)) for its SEIU members beginning January 1, 2013.

The funded status of the DCHS Retirement Plan and the Postretirement Healthcare Plan benefits is as follows (in thousands):

Assumptions

The weighted-average assumptions used to determine benefit obligations and net period benefit costs, are as follows:

	June 30, 2015		June 30, 2014	
	DCHS Retirement Plan	Postretirement Healthcare Plan	DCHS Retirement Plan	Postretirement Healthcare Plan
Weighted-average assumptions used to determine benefit obligations:				
Discount rate	**4.80%**	**4.55%**	4.70%	4.40%
Rate of compensation increase	**2.50%**	**N/A**	3.50	N/A
Weighted-average assumptions used to determine net periodic benefit costs:				
Discount rate	**4.70%**	**4.40%**	5.20%	4.89%
Expected return on plan assets	**7.25%**	**N/A**	7.25	N/A
Rate of compensation increase	**3.50%**	**N/A**	3.50	N/A

Expected Return on Plan Assets

The DCHS Retirement Plan's estimated long-term rate of return on pension assets is driven primarily by historical asset-class returns, an assessment of expected future performance, advice from external actuarial firms, and the incorporation of specific asset-class risk factors. Asset allocations are periodically updated using pension plan asset/liabilities studies, and DCHS's estimated long-term rates of return are consistent with these studies. The DCHS Retirement Plan portfolio return assumption is 7.00% and 7.25% at June 30, 2015 and 2014, respectively.

Discount Rate

The discount rate assumptions used to determine the postretirement benefit plan obligations and expenses reflect the prevailing rate available on high-quality, fixed-income debt instruments. The rate was based on cash flow analysis that matched estimated future benefit payments to the bond discount yield curve as of June 30, 2015 and 2014.

8. Pension and Other Postretirement Benefit Plans (continued)

Other Benefit Assumptions

For the measurement of accumulated postretirement benefit obligations at June 30, 2015, the Postretirement Healthcare Plan assumed health care cost trend rates start at 8.00% in 2015 and decrease by 0.25-0.50% annually, reaching an ultimate rate of 5.50% in fiscal year 2023.

Plan Assets and Investment Strategy

As of June 30, 2015, $1,587,000 of the plan's cash balance was held in a separate non-interest-bearing cash account for the purpose of claims disbursement by the plan's administrator.

DCHS's investment strategy for the assets of the DCHS Retirement Plan is designed to preserve principal while earning returns relative to the overall market consistent with a prudent level of risk. The strategy balances the liquidity needs of the DCHS Retirement Plan with the long-term return goals necessary to satisfy future obligations. The target asset allocation is diversified across traditional asset classes. Diversification is also achieved through participation in U.S. and non-U.S. markets, investment manager style, philosophy, and capitalization. The complementary investment styles and approaches used by investment managers are aimed at reducing volatility while capturing the equity premium from the capital markets over the long-term. Risk tolerance is established through consideration of plan liabilities, plan funded status, and DCHS's consolidated financial condition. Consistent with DCHS's fiduciary responsibilities, the fixed-income allocation generally provides for security of principal to meet near-term expenses and obligations. Periodic reviews of the market values and corresponding asset allocation percentages are performed to determine whether a rebalancing of the portfolio is necessary.

8. Pension and Other Postretirement Benefit Plans (continued)

The following were the target asset allocations as of June 30, 2015, by major asset classification:

Common collective trust funds	5%
Fixed-income funds	38
Domestic stocks	30
Real estate equity investments	7
Foreign stock funds	20
Total plan assets	100%

Cash Contributions and Benefit Payments

DCHS expects to contribute $12,467,000 to the DCHS Retirement Plan and $172,000 to the Postretirement Healthcare Plan in 2016.

The benefit payments, which reflect expected future service, as appropriate, expected to be paid in each of the next five years, and in aggregate for the next five years are as follows (in thousands):

	DCHS Retirement Plan Benefits	Postretirement Healthcare Benefits
2016	$ 18,672	$ 172
2017	20,435	174
2018	22,300	209
2019	24,462	244
2020	26,425	290

Multiemployer Plan

Certain affiliated entities in Northern California participate in multiemployer defined benefit retirement plans as described below (in thousands):

Plan	Pension Plan Employer Identification Number/Plan Number	Pension Protection Act Zone Status June 30 2015	Pension Protection Act Zone Status June 30 2014	Funding Improvement/ Rehabilitation Plan Status June 30, 2015
Retirement Plan for Hospital Employees	94-2995676/001	**Green**	Green	No

Pension Protection Act Zone Status (from worst to best):

Critical Status	Red
Seriously Endangered	Orange
Endangered	Yellow
None of the above	Green

8. Pension and Other Postretirement Benefit Plans (continued)

Plan	Pension Plan Employer Identification Number/Plan Number	Contributions 2016 (Expected)	2015	2014	Surcharge Imposed (during 2013)	Collective Bargaining Agreement Expiration Date
Retirement Plan for Hospital Employees	94-2995676/001	$18,068	**$ 14,588**	$ 14,788	No	November 30, 2015

Since March 1, 2011, participant benefits were frozen for the non-contractual employees of the two participating affiliates in the Retirement Plan for Hospital Employees. Beginning January 1, 2013 participant benefits were frozen for all Service Employees International Union (SEIU) employees. Certain affiliates will continue to make periodic contributions as needed for eligible participants.

The contributions for the multiemployer plan were approximately 45% and 43% of the total contributions to the plans for June 30, 2015 and 2014, respectively. There are no minimum contributions required for future periods by the collective-bargaining agreements, statutory obligations, or other contractual obligations for both plans.

The risks of participating in multiemployer plans are different from single-employer plans in the following aspects: (i) assets contributed to the multiemployer plan by one employer may be used to provide benefits to employees of other participating employers; (ii) if a participating employer stops contributing to the plan, the unfunded obligations of the plan may be borne by the remaining participating employers; and (iii) if the affiliates choose to stop participating in the multiemployer plan, the affiliates may be required to pay the plan an amount based on the underfunded status of the plan, referred to as a withdrawal liability.

Obligated Group

DCHS and the local health ministries identified in Note 1 are the members of the Obligated Group established pursuant to a Master Trust Indenture dated December 1, 2001 (the Master Indenture), with U.S. Bank, National Association, as master trustee (the Master Trustee). DCHS and such local health ministries collectively are referred to as the Obligated Group or as "Members," and each individually is sometimes referred to herein as a "Member." The Obligated Group is jointly and severally liable for the debt outstanding under the Master Indenture.

The Series 2005 Bonds (the Revenue Bonds) are a limited obligation of California Statewide Communities Development Authority and are payable solely from payments made by the Obligated Group. Payment of principal and interest on the Revenue Bonds is secured by the property and equipment of each Member of the Obligated Group. Each of the Obligated Group Members has executed one or more deeds of trust pursuant to which the respective Obligated Group Member has granted to the trustee hereunder, as trustee for the benefit of the Master Trustee, a first lien on, and security interest in, the Hospitals and other parcels of property owned by such Obligated Group Members, subject to permitted liens, as security for the performance of the Obligated Group Members' obligations under the Master Indenture. Additionally, each of the Obligated Group Members has created a gross revenue fund with its depository bank to further secure its gross revenues for the benefit of the Master Trustee.

The Obligated Group's financing agreements contain restrictive covenants, including maintenance of a debt ratio, limitations on the amount of any additional borrowings, and limitations on the disposal or transfer of assets to nonobligated group members. Additionally, the financing agreements require that funds are established with, and controlled by, a trustee during the period the bonds remain outstanding. The Obligated Group has complied with such financial covenants and restrictions at June 30, 2015.

Loan Forgiveness and Contributions To Pay Off Debts

On September 12, 2013, The Daughters of Charity Foundation (DOCF), an organization separate and independent from DCHS, unconditionally forgave the line of credit that was owed by DCHS to DOCF, amounting to $12,408,000 as of that date. This balance was part of DCHS' notes payable to DOCF payable in monthly installments through 2032.

9. Debt (continued)

In October 2013, DOCF made a restricted donation of $130,000,000 for the benefit of DCHS by depositing sufficient funds with the bond trustee to redeem the $143,655,000 principal amount of the California Statewide Development Authority Revenue Bonds Series 2008A Bonds. The Series 2008A Bonds were redeemed at par on October 25, 2013. The Series 2008A Bonds included a debt service reserve fund of $13,655,000, which was released as part of the redemption.

DCHS recognized the contributions made by DOCF aggregating $130,000,000 as contribution revenue on the consolidated statement of operations and changes in net assets for the year ended June 30, 2014.

Short-Term Debt

On July 30, 2014, DCHS borrowed $110,000,000 from the California Statewide Communication Development Authority (CSCDA) in two series of bonds: the $100,000,000 CSCDA Revenue Bonds (Daughters of Charity Health System) Series 2014A (the "2014 Series A Bonds") and the $10,000,000 CSCDA Revenue Bonds (Daughters of Charity Health System) Series 2014 B (the "2014 Series B Bonds"). On August 28, 2014, DCHS borrowed an additional $15,000,000 from the CSCDA pursuant to the $15,000,000 CSCDA Revenue Bonds (Daughters of Charity Health System) Series 2014C (the "2014 Series C Bonds") (collectively, the "Series 2014 Bonds"). The Series 2014 Bonds are supported by obligations issued pursuant to the DCHS Master Trust Indenture dated as of December 1, 2001.

The Series 2014 Bonds are secured by: (1) a first priority lien on the accounts receivable of St. Francis Medical Center, St. Vincent Medical Center, O'Connor Hospital, Saint Louise Regional Hospital, Seton Medical Center and Seton Coastside as a division of Seton Medical Center; and (2) first priority Deeds of Trust and related subordination agreements with the master trustee on certain property of St. Francis Medical Center and Saint Louise Regional Hospital (collectively, the 2014 Priority Assets). The Master Trustee has subordinated its interest in the 2014 Priority Assets to the Series 2014 Bond trustee. The Series 2014 Bonds are also secured by a parity lien under the master indenture.

The Series 2014 Bonds had an initial maturity date of July 10, 2015. That maturity date has been extended to December 15, 2015, and the Series 2014 Bonds are recorded as short-term debt on the DCHS consolidated balance sheets. Interest accrues at the rate of 6% and is paid on a monthly basis. The total proceeds of the Series 2014 Bonds have been deposited with the trustee,

9. Debt (continued)

with funds made available to DCHS subject to the satisfaction of certain conditions. On June 29, 2015, debt redemption was made in the amount of $1,145,000 which reduced the outstanding principal balance to $123,855,000 as of June 30, 2015. DCHS has drawn down $47,600,000 of funds from the Series 2014 Bonds, excluding the debt redemption of $1,145,000 as of June 30, 2015.

Fair Values

The fair value of debt is estimated based on the quoted market prices for the same or similar issues or on the current rates offered for debt of the same remaining maturities. The estimated fair values of the DCHS's debt instruments as of June 30, 2015 and 2014, are $393,704,000 and $277,294,000, respectively, and are valued using Level 2 inputs. The reported fair value of DCHS's debt instrument excludes the full value of an irrevocable principal pre-payment of $5,795,000 and $5,510,000 made as of June 30, 2015 and 2014, respectively. The fair value amounts do not represent the amount that would be required to expend to retire the indebtedness.

10. Temporarily and Permanently Restricted Net Assets

Temporarily and permanently restricted net assets are available for the following purposes (in thousands):

	June 30	
	2015	**2014**
Equipment and expansion	**$ 4,823**	$ 9,322
Research and education	**2,965**	3,033
Charity and other	**7,665**	15,709
Total temporarily restricted net assets	**15,453**	28,064
Permanently restricted net assets	**8,207**	9,154
Total restricted net assets	**$ 23,660**	$ 37,218

Equipment and expansion relate to assets held by DCHS, which are restricted by donors or grantors to be used specifically for equipment, capital projects, or other capital needs.

10. Temporarily and Permanently Restricted Net Assets (continued)

Research and education relate to assets held by DCHS, which are restricted by donors or grantors to be used in specific research or education programs.

Charity and other relate mainly to assets held by DCHS, which are restricted by donors or grantors to be used in specific health care programs for charity care and other medical and patient services.

Permanently restricted net assets of $8,207,000 and $9,154,000 at June 30, 2015 and 2014, respectively, are restricted to investments to be held in perpetuity, with the income expendable to support DCHS's mission.

Endowments

DCHS and five of its consolidated charitable foundations follow the Uniform Prudent Management of Institutional Funds Act (UPMIFA). UPMIFA eliminates the concept of "historic dollar value" and allows an institution to spend or accumulate as the board determines is prudent for the uses, benefits, purposes, and duration of the endowment fund unless the gift instrument states a particular spending rate or formula. California's version of UPMIFA also includes a rebuttable provision that spending greater than 7% of the average fair market value (calculated at least quarterly over a minimal period of three years) is presumed to be imprudent.

In accordance with UPMIFA, DCHS considers the following factors when appropriating or accumulating an endowment fund: (i) general economic conditions, (ii) effects of inflation and deflation, (iii) the purposes of the institution and the endowment fund, (iv) expected total return from income and appreciation of investments, (v) DCHS's other resources, (vi) the duration and preservation of the endowment fund, and (vii) DCHS's investment policies.

From time to time, the fair value of assets associated with individual endowment funds may fall below the level that the donor or UPMIFA requires DCHS to retain as a fund of perpetual duration. Deficiencies of this nature that are reported in unrestricted net assets were not material as of June 30, 2015 and 2014. These deficiencies resulted from unfavorable investment market fluctuations.

10. Temporarily and Permanently Restricted Net Assets (continued)

DCHS has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Under these policies, as approved by the boards of trustees of the charitable foundations, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results while assuming a moderate level of investment risk.

To satisfy its long-term rate-of-return objectives, DCHS relies on a balanced investment strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). DCHS targets a diversified asset allocation that places a great emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

The endowment net asset composition by type of fund consists of the following (in thousands):

	June 30, 2015			
	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
Donor-restricted endowment funds	$ 596	$ 778	$ 8,207	$ 9,581

11. Commitments and Contingent Liabilities

Standby Letter of Credit

Marillac, a subsidiary of DCHS, pledged $25,850,000 of its assets as of June 30, 2015 and 2014, to support a standby letter of credit in favor of Old Republic Insurance Company (ORIC), one of the parent's insurers.

Litigation

Certain entities of DCHS are defendants in various actions arising from their health care service activities. It is the opinion of management, after consulting with legal counsel, that such actions will not have a material adverse effect on DCHS's consolidated financial position or results of operations as of June 30, 2015. Therefore, based on the information provided by its legal counsel, DCHS has accrued $1,369,000 and $1,515,000 as of June 30, 2015 and 2014, respectively, which were related to certain of these actions. DCHS evaluates recoveries from insurance coverage separately from its liability, and when appropriate, an asset is recorded separately from the associated liability.

11. Commitments and Contingent Liabilities (continued)

As part of its ongoing compliance program, DCHS routinely reviews arrangements between physicians and its hospitals. In September and October 2013, DCHS made a voluntary self-disclosure to the federal government (in accordance with federal self-disclosure guidelines) related to certain financial arrangements between physicians and one of its hospitals, Seton Medical Center (SMC), that might constitute potential violations of federal regulatory standards. Pursuant to a settlement agreement entered into by SMC with CMS, effective as of November 6, 2015, SMC paid to CMS the sum of $815,000, and CMS agreed to release SMC from administrative liabilities and claims under section 1877(g)(1) of the Social Security Act relating to the matters addressed in the voluntary self-disclosure.

DCHS and certain other entities and individuals have been named as defendants in a punitive class action complaint under ERISA. The complaint alleges that DCHS's Retirement plan, a defined benefit "church plan" exempt from ERISA, is not a "church plan" and seeks orders, among other relief, requiring the plan to be brought into compliance with ERISA's minimum funding, reporting, and other administrative requirements. The proceeding is in its initial stage and is stayed through December 15, 2015. At this time, management cannot accurately estimate the amounts of any payments or settlements that might result, or if additional related issues will arise. There can be no guarantee that any resulting payments or settlements will not have a material adverse impact on DCHS's consolidated financial position or results of operations.

DCHS is a named defendant in a breach of contract, unjust enrichment, and declaratory relief complaint filed by Prime Healthcare Services, Inc. and Prime Healthcare Foundation, Inc. and captioned Prime Healthcare Services, Inc., et al., vs. Blue Mountain Management Capital, et al., in the Superior Court of California, County of San Bernardino, San Bernardino Justice Center. The complaint alleges that DCHS and the other defendants materially breached the Definitive Agreement entered into between Prime Healthcare Services, Inc., Prime Healthcare Foundation, Inc. and DCHS in October 2014 and that the defendants also unjustly enriched themselves at the Plaintiff's expense and seeks, among other relief, $135 million in damages. At this time, management cannot accurately estimate the amounts of any payments or settlements that might result, or if additional related issues will arise. There can be no guarantee that any resulting payments or settlements will not have a material adverse impact on DCHS's consolidated financial position or results of operations.

11. Commitments and Contingent Liabilities (continued)

Laws and Regulations

The health care industry is subject to numerous laws and regulations of federal, state, and local governments. Compliance with such laws and regulations can be subject to future government review and interpretation, as well as regulatory actions unknown or unasserted at this time. These laws and regulations include, but are not necessarily limited to, matters, such as licensure, accreditation, government health care program participation requirements, reimbursement laws and regulations, anti-referral laws, and false claims prohibitions. In recent years, government activity has increased with respect to investigations and allegations concerning possible violations of reimbursement, false claims, and anti-referral statutes and regulations by health care providers. Certain entities of DCHS are subject to such laws and regulations and to governmental investigations, whistle-blower lawsuits, and other legal proceedings concerning such laws and regulations. Violations of these laws and regulations could result in expulsion from government health care programs, as well as imposition of significant fines and penalties and significant repayments for patient services previously reimbursed.

DCHS had 6,937 employees as of June 30, 2015, of whom just over 5,569 are full-time employees. Approximately 72% of these employees are employed by DCHS entities and are represented by collective bargaining units. Majority of the employees are represented by collective bargaining agreements with Service Employees International Union (SEIU) and California Nurses Association (CNA). The agreement with SEIU, representing 37% of these employees, will expire on November 30, 2015, and the agreement with CNA, representing 22% of these employees, will expire on April 30, 2016. These contracts are currently in the process of being negotiated. Employee strikes or other adverse labor actions may have a material adverse impact on DCHS's consolidated financial position or results of operations.

11. Commitments and Contingent Liabilities (continued)

Lease Commitments

Future minimum lease payments under DCHS's significant non-cancelable operating leases (with initial or remaining lease terms in excess of one year) as of June 30, 2015, are as follows (in thousands):

	Operating Leases
2016	$ 11,030
2017	7,060
2018	4,135
2019	2,450
2020	2,134
Thereafter	5,415
	$ 32,224

Rent expense was $22,318,000 and $22,042,000 for the years ended June 30, 2015 and 2014, respectively.

Seismic Standards

DCHS assessed its earthquake retrofit requirements for health care facilities under a state of California law (SB90) that can allow a delay of up to seven years from the January 1, 2013, deadline for Structural Performance Category 1 (SPC-1) retrofits. This affects six buildings at three of DCHS's hospitals. The previously reported seventh building, the St. Vincent Medical Center Central Plant, has been upgraded to SPC-2 status. Extensions have been approved by the Office of Statewide Health Planning and Development as follows:

St. Vincent Medical Center Main Hospital must meet SP-2 standards by January 1, 2019. St. Vincent Medical Center Doheny Wing must meet SP-2 standards by July 1, 2019.

O'Connor Hospital 1953 Building must meet SPC-2 standards by July 1, 2019. O'Connor Hospital 1953 Boiler Plant/Laundry must meet SPC-2 standards by January 1, 2019.

Seton Medical Center Main Tower and Seton Medical Center Front Wing must meet SP-2 standards by July 1, 2019.

12. Subsequent Events

DCHS has evaluated subsequent events and disclosed all material events through November 16, 2015, which is the date these consolidated financial statements of DCHS were issued.

Sale Announcement

On July 17, 2015, Parent and Ministry Services executed the System Restructuring and Support Agreement (System Agreement) to change the governance of and recapitalize Parent and the other entities comprising DCHS in partnership with certain funds managed by Blue Mountain Capital Management LLC (with its affiliates, "Blue Mountain") and Blue Mountain's subsidiary, Integrity Healthcare, Inc. (Integrity) (collectively, the "Transaction"). Under the System Agreement, a new, independent board will replace the existing members of the board of directors of Parent. Parent and its subsidiaries will be converted from religious corporations to public benefit corporations, the name of Parent will be changed to Verity Health System, and the Daughters of Charity will cease to sponsor DCHS. It is expected that Parent and its nonprofit subsidiaries will continue to be organizations described in Section 501(c) (3) of the Internal Revenue Code, based on a determination by the Internal Revenue Service and a group ruling, applications for which are pending. Blue Mountain will provide DCHS with $100,000,000 of funding in exchange for the lease of IT assets and purchase options to acquire the assets of DCHS exercisable between the third and fifteenth years after the closing of the Transaction. In addition, Blue Mountain and certain affiliated lenders have committed to provide DCHS with a senior secured line of credit of not less than $150,000,000 and not exceeding $160,000,000. DCHS intends to apply a portion of the proceeds of the line of credit at closing to, among other uses, repay in full the Series 2014 Bonds. The balance of the funds available under the line of credit and the proceeds of the acquisition price of the purchase options and IT assets lease are intended to provide DCHS with substantial new operating liquidity. At closing of the Transaction, Integrity and the Verity Health System will enter into an agreement under which Integrity will provide executive management services to Verity Health System under the direction of Verity Health System's independent board. After closing of the Transaction, Verity Health System and the other entities comprising the health system will be non-profit, tax-exempt California public benefit corporations. Verity Health System shall continue to hold all of DCHS's existing liabilities, including pensions and the Series 2005 Bonds, which will remain outstanding and payable in accordance with their terms. There will be no change in the composition of the Obligated Group. The Transaction is subject to regulatory approval and, accordingly, there can be no assurance that the Transaction will be consummated.

12. Subsequent Events (continued)

In the event that the Transaction does not close, the Board of DCHS will consider all alternatives, which may include seeking alternative transactions, closure of facilities, and use of bankruptcy proceedings to accomplish alternatives.

Report of Independent Auditors on Supplementary Information

The Board of Directors
Daughters of Charity Health System

We have audited, in accordance with auditing standards generally accepted in the United States, the consolidated financial statements of Daughters of Charity Health System as of and for the year ended June 30, 2015, and have issued an unmodified opinion report thereon dated November 16, 2015. Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating financial statement schedules for Daughters of Charity Health System are presented for the purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Report of Independent Auditors

The Board of Directors
Verity Health System of California, Inc.

We have audited the accompanying consolidated financial statements of Verity Health System of California, Inc., which comprise the consolidated balance sheets as of June 30, 2016 and 2015, and the related consolidated statements of operations and changes in net (deficit) assets and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in conformity with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We did not audit the financial statements of Marillac Insurance Company, Ltd. (Marillac), a wholly-owned subsidiary, which statements reflect total assets constituting 7.40% as of June 30, 2016, and 6.81% as of June 30, 2015, and total revenues constituting 1.00% in 2016 and 0.88% in 2015 of the related consolidated totals. Those statements were audited by other auditors whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for Marillac, is based solely on the report of the other auditors. We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not

for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, based on our audits and the report of the other auditors, the financial statements referred to above present fairly, in all material respects, the consolidated financial position of Verity Health System of California, Inc. at June 30, 2016 and 2015, and the consolidated results of its operations and changes in net (deficit) assets and its cash flows for the years then ended in conformity with U.S. generally accepted accounting principles.

Notes to Consolidated Financial Statements

June 30, 2016

1. Organization

Verity Health System of California, Inc., a California nonprofit public benefit corporation (Parent) (formerly named Daughters of Charity Health System) is the sole corporate member of five California nonprofit public benefit corporations that operate five acute care hospitals and other facilities (the Hospitals, see list below) in the state of California. The Parent and the following affiliated entities (collectively, Verity Health System or VHS) operate as a nonprofit health care system in the state of California, with approximately 1,680 licensed acute care and skilled nursing beds.

Verity Health System consists of Parent* and the following:

- O'Connor Hospital*
- Saint Louise Regional Hospital*
- St. Francis Medical Center*
- St. Vincent Medical Center*
- Seton Medical Center (including its unincorporated division, Seton Medical Center Coastside)*
- Verity Business Services
- Marillac Insurance Company, Ltd.
- O'Connor Hospital Foundation
- Saint Louise Regional Hospital Foundation
- St. Francis Medical Center Foundation
- St. Vincent Medical Center Foundation
- Seton Medical Center Foundation
- St. Vincent de Paul Ethics Corporation
- St. Vincent Dialysis Center
- De Paul Ventures, LLC
- Verity Medical Foundation
- Verity Holdings, LLC

* Member of the Obligated Group

With the exceptions of De Paul Ventures, LLC and Marillac Insurance Company, Ltd., each Verity Health System entity named above is exempt from federal income taxation as an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986 (IRC).

1. Organization (continued)

On July 17, 2015, Daughters of Charity Ministry Services Corporation, the Parent managed by Blue Mountain Capital Management, LLC (Blue Mountain), and Integrity Healthcare, LLC entered into a System Restructuring and Support Agreement (the Restructuring Agreement) to change the governance of and recapitalize the Parent and certain of its subsidiaries. Under the Restructuring Agreement, the Parent and other members of the Obligated Group were converted from religious corporations to public benefit corporations. In exchange for options to acquire the assets of Verity Health System, Blue Mountain agreed to provide $100,000,000 in funding to the Parent and a commitment to provide additional debt financing at the option of the Corporation. Of the $100,000,000, $27,559,000 was recorded as deferred revenue for the value of the option to purchase the real estate and operating assets of VHS and $72,441,000 was recorded as a restricted contribution to be released pursuant to the terms of the Restructuring Agreement. After approval was obtained from the California Attorney General's office, the transactions contemplated by the Restructuring Agreement closed on December 14, 2015. Effective upon the closing of the transaction, the Parent's board of directors resigned and Daughters of Charity Ministry Services Corporation, acting as sole corporate member of the Parent, appointed an independent board of the Parent and amended the bylaws of the Parent to eliminate the corporate membership rights of Daughters of Charity Ministry Services Corporation as sole corporate member of the Parent and to convert the Parent into a nonprofit corporation without members. The name of the Parent has been amended to be Verity Health System of California, Inc. The Parent and all of its nonprofit corporate affiliates that were not previously public benefit corporations changed status from religious corporations to public benefit corporations under the California Nonprofit Corporation Law.

Verity Health System established an Obligated Group (see listing of entities included in the Obligated Group above) to access the capital markets. Obligated Group members are jointly and severally liable for the long-term debt outstanding under the Bond Master Indenture.

2. Summary of Significant Accounting Policies

Consolidation

The accompanying consolidated financial statements include the accounts of VHS after elimination of intercompany transactions.

2. Summary of Significant Accounting Policies (continued)

Use of Estimates

The preparation of the consolidated financial statements in conformity with U.S. generally accepted accounting principles requires management to make certain estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. VHS considers critical accounting policies to be those that require more significant judgments and estimates in the preparation of its consolidated financial statements, including the following: recognition of net patient service revenue, which includes contractual allowances and discounts; provisions for doubtful accounts and charity care; and assumptions for measurement of pension and other postretirement liabilities. Management bases its estimates on historical experience and various other assumptions that it believes are reasonable under the particular facts and circumstances. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents consist primarily of cash and highly liquid marketable securities with original maturities, at the time of purchase, of three months or less.

Patient Accounts Receivable, Allowance for Doubtful Accounts, and Net Patient Service Revenue

Patient accounts receivable and net patient service revenue are reported at the estimated net realizable amounts from patients, third-party payers, and others for services rendered, including estimated settlements under reimbursement agreements with third-party payers. Settlements with third-party payers are accrued on an estimated basis in the period in which the related services are rendered and are adjusted in future periods as final settlements are determined.

VHS manages the receivables by regularly reviewing its patient accounts and contracts and by providing appropriate allowances for uncollectible amounts. These allowances are estimated based upon an evaluation of historical payments, negotiated contracts, and governmental reimbursements. Adjustments and changes in estimates are recorded in the period in which they are determined. The allowance for doubtful accounts for self-pay patients was 49% and 46% of self-pay accounts receivable at June 30, 2016 and 2015, respectively. This percentage does not include the portion of self-pay that is reserved in contractual allowance as self-pay accounts receivable are reserved between allowance for doubtful accounts and contractual allowance.

2. Summary of Significant Accounting Policies (continued)

Patient service revenues, net of contractual allowances and discounts, are as follows (in thousands):

	Year Ended June 30	
	2016	**2015**
Government	**$ 780,884**	$ 881,274
Contracted	**332,686**	380,068
Self-pay and others	**48,109**	53,808
Net patient service revenue	**1,161,679**	1,315,150
Less: Provision for doubtful accounts	**(26,734)**	(31,903)
Net patient service revenue less provision for doubtful accounts	**$ 1,134,945**	$ 1,283,247

Significant concentrations of net patient accounts receivable are as follows:

	June 30	
	2016	**2015**
HMO/PPO/Commercial	**42%**	36%
Medicare	**29**	32
Medi-Cal	**28**	29
Other	**1**	3
Total	**100%**	100%

Inpatient acute care services, outpatient services, and skilled nursing services rendered to Medicare program beneficiaries are paid at prospectively determined rates per discharge. These rates vary according to a patient classification system that is based on clinical, diagnostic, and other factors. Certain inpatient non-acute services and defined capital and medical education costs related to Medicare beneficiaries are paid using a cost reimbursement methodology.

Health care services are provided free of charge or at a significant discount based on a sliding scale to individuals who meet certain financial criteria. VHS makes every effort to determine if a patient qualifies for charity care upon admission. If a patient is determined to qualify for charity

2. Summary of Significant Accounting Policies (continued)

care, services are rendered to the patient free of cost. The costs of providing these services are included in unsponsored community benefit expense and included in net patient service revenue in the consolidated statement of operations. The amount of charity care at cost was $13,981,000 and $13,226,000 for the years ended June 30, 2016 and 2015, respectively.

After satisfaction of amounts due from insurance and the application of financial discounts to patients' balances, and after exhausting all reasonable efforts to collect from the patients, a significant portion of VHS's uninsured and self-pay patient accounts are referred to the third-party agencies based on VHS's established guidelines for further collection activities. As a result, VHS records a significant provision for doubtful accounts related to these uninsured patients in the period the services are rendered.

Payments from Medi-Cal and contracted-rate payers are based on a per-diem, per-discharge, modified cost, or capitated basis or a combination of these.

Adjustments for the finalization of prior year cost reports from both Medicare and Medi-Cal resulted in an increase to patient service revenues of $5,613,000 and $5,176,000, for the years ended June 30, 2016 and 2015, respectively. Additionally, as a result of recent finalized cost reports, management determined that certain allocated reserves related to open prior year Medicare cost reports were no longer necessary, which resulted in a gain of $15,069,000 for the year ended June 30, 2015. St. Francis Medical Center qualified for and received Medi-Cal funding as a disproportionate-share hospital from the state of California under Senate Bill (SB) 855. Related revenues were $27,029,000 and $27,143,000, for the years ended June 30, 2016 and 2015, respectively, and are included in net patient service revenue. Amounts to be received in future years, if any, are subject to annual determination.

The St. Francis Medical Center also received funding for Medi-Cal disproportionate-share hospitals under SB 1255. These SB 1255 funds are paid from the Emergency Services and Supplemental Payments Fund. Related revenues were $7,908,000 and $8,413,000, for the years ended June 30, 2016 and 2015, respectively, and are included in net patient service revenue. This funding must be applied for and approved each year.

The St. Francis Medical Center also qualifies for Medi-Cal funding as a disproportionate-share hospital from the state of California under SB 1732. This SB 1732 program permits health care facilities servicing a disproportionate share of Medi-Cal patients to receive supplemental

2. Summary of Significant Accounting Policies (continued)

reimbursement for a portion of their debt service for qualified capital projects. St. Francis Medical Center has an amendment to its Medi-Cal contract, which was executed on June 19, 1993, for reimbursement related to the St. Francis Medical Center Health Services Pavilion, which was completed in 1991. Related revenues were $2,220,000 and $2,570,000, for the years ended June 30, 2016 and 2015, respectively, and are included in net patient service revenue.

As part of VHS's mission to serve the community, VHS provides care to patients even though they may lack adequate insurance or may participate in programs that do not pay full charges. Reserves for charity care and uncollectible amounts have been established and are netted against patient accounts receivable in the consolidated balance sheets.

Industry Concentration

The receipt of future revenues by VHS is subject to, among other factors, federal and state policies affecting the health care industry. There are future revenue uncertainties that may require that costs be controlled, which will be subject to the capability of management; future economic conditions, which may include an inability to control expenses in periods of inflation; increased competition; and other conditions, which are impossible to predict.

Inventories

Inventories consist of supplies and are stated at the lower of cost or market value, which is determined using the first-in, first-out method. Inventories are reviewed for obsolescence on a periodic basis. Amounts are included in other current assets.

Assets Limited as to Use

Assets limited as to use represent assets designated by the board of directors for future capital improvements, other specific purposes for Marillac over which the board of directors retains control, assets held by trustees under bond indenture agreements, and investments restricted by donors. The board of directors has the full ability to utilize the Marillac assets limited as to use to satisfy the needs of on-going operations, as necessary. Investment income or loss is included in deficiency of revenues over expenses, unless the income or loss is restricted by donor or law. The assets are reflected in the assets limited as to use line item in the consolidated balance sheets.

2. Summary of Significant Accounting Policies (continued)

Investments

Investments received through gifts are recorded at estimated fair value at the date of donation. Gains and losses that result from market fluctuations are recognized in the period that such fluctuations occur. Realized gains or losses resulting from sales or maturities are calculated on an adjusted-cost basis. Adjusted-cost is the original cost of the security adjusted for any purchases or sales during the year. Dividend and interest income are accrued when earned.

Investment income includes the following (in thousands):

	Year Ended June 30	
	2016	**2015**
Interest and dividends	**$ 867**	$ 3,362
Investment fees	**(208)**	(213)
Unrealized gain (loss) on investments – net	**848**	(936)
Net realized gain on sales of securities	**555**	1,660
	2,062	3,873
Amounts included in changes in restricted net assets	**(12)**	3
Investment income	**$ 2,050**	$ 3,876

Property and Equipment

Property and equipment are stated at cost if purchased, and at fair market value if donated. Depreciation of property and equipment is calculated using a half-year convention and the straight-line method for financial statement purposes. Estimated useful lives by classification are as follows:

Land improvements	5–25 years
Buildings	10–40 years
Building service equipment	5–25 years
Equipment	4–20 years

2. Summary of Significant Accounting Policies (continued)

Long-Lived Asset Impairment

VHS routinely evaluates the carrying value of its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset, or related group of assets, may not be recoverable from estimated future undiscounted cash flows generated by the underlying tangible assets. When the carrying value of an asset exceeds the estimated recoverability, an asset impairment charge is recognized. The impairment tests are based on financial projections prepared by management that incorporate anticipated results from programs and initiatives being implemented and market value assessments of the assets. If the projections are not met, or if negative trends occur that impact the future outlook, the value of the long-lived assets may be impaired, which could be material.

In fiscal year 2015, VHS recorded $10,000,000 of impairment for the estimated non-recoverability of the building and select equipment at St. Vincent Medical Center. The amount of impairment was determined using a distressed revenue multiple, and was allocated using comparable prices for similar assets. There is no long-lived asset impairment recorded for the year ended June 30, 2016.

Fair Value of Financial Instruments

The carrying amounts reported in the consolidated balance sheets for cash and cash equivalents, accounts receivable, accounts payable, accrued liabilities, and due to/from government agencies approximate fair value. The fair value of investments is disclosed in Notes 3 and 7, and the fair value of debt is disclosed in Note 8.

Medical Foundation

The VHS Medical Foundation was established in December 2011 and incorporated under the California Nonprofit Religious Corporation regulations as a not-for-profit corporation exempted from IRC Section 501(c)(3). The sole member of this corporation is VHS, acting through its board of directors.

2. Summary of Significant Accounting Policies (continued)

Self Insurance

VHS is self-insured for hospital professional and general liabilities by a wholly-owned self-insured captive insurance company. The provisions for estimated hospital professional and general liability claims include estimates of the ultimate costs for both uninsured reported claims and claims incurred-but-not-reported (IBNR), in accordance with actuarial projections or paid claims lag models based on past experience. Such claim reserves are based on the best data available to VHS; however, these estimates are subject to a significant degree of inherent variability. There is at least a reasonable possibility that a material change to the estimated reserves will occur in the near term. Such estimates are continually monitored and reviewed, and as reserves are adjusted, the differences are reflected in current operations. Management is of the opinion that the associated liabilities recognized in the accompanying consolidated financial statements are adequate to cover such claims.

VHS has entered into reinsurance, stop loss, and excess policy agreements with independent insurance companies to limit its losses on hospital professional and general liability claims.

Hospital professional and general liabilities (HPL/GL) were $16,802,000 and $13,161,000, discounted at a rate of 4% as of June 30, 2016 and 2015, respectively. Management is not aware of any potential hospital professional and general liability claims whose settlement would have a material adverse effect on VHS's consolidated financial position.

Workers' Compensation Insurance

VHS is insured for workers' compensation claims with major independent insurance companies, subject to certain deductibles of $500,000 per occurrence as of June 30, 2016 and 2015. Based on actuarially determined estimates, provisions have been made in the consolidated financial statements, with the current portion included within accrued liabilities and the non-current portion within workers' compensation and hospital professional and general liabilities, for all known claims and IBNR claims as of June 30, 2016 and 2015. Workers' compensation liabilities were $24,751,968 and $24,278,000, discounted using a rate of 4%, as of June 30, 2016 and 2015, respectively. Estimation differences between actual payments and amounts recorded in previous years are recognized as expense in the year such amounts become determinable.

2. Summary of Significant Accounting Policies (continued)

Temporarily and Permanently Restricted Net Assets

Temporarily restricted net assets are those for which use by VHS has been limited by donors to a specific time period or purpose. Permanently restricted net assets have been restricted by donors to be maintained by VHS in perpetuity.

California Hospital Fee Program

California legislation established a program in 2009 that imposes a Quality Assurance Fee (QA Fee) on certain general acute-care hospitals in order to make supplemental and grant payments and increased capitation payments (Supplemental Payments) to hospitals up to the aggregate upper payment limit for various periods. There have been four such programs (the Programs) since inception.

The Programs are designed to make supplemental inpatient and outpatient Medi-Cal payments to private hospitals, including additional payments for certain facilities that provide high-acuity care and trauma services to the Medi-Cal population. This hospital QA Fee program provides a mechanism for increasing payments to hospitals that serve Medi-Cal patients, with no impact on the state's General Fund. Payments are made directly by the state or Medi-Cal managed care plans, which will receive increased capitation rates from the state in amounts equal to the Supplemental Payments. Outside of the legislation, the California Hospital Association has created a private program, operated by the California Health Foundation and Trust (CHFT), which was established to alleviate disparities potentially resulting from the implementation of the Programs.

The Programs require full federal approval (i.e., by the Centers for Medicare and Medicaid Services (CMS)) in order for them to be fully enacted. If final federal approval is not ultimately obtained, provisions in the underlying legislation allowed for the QA Fee, previously assessed, and Supplemental Payments, previously received, to be returned and recouped, respectively. As such, revenue and expense recognition is not allowed until full CMS approval was obtained.

2. Summary of Significant Accounting Policies (continued)

In June 2012, the third program (30-Month Program), covering the period from July 2011 to December 2013, was amended to allow for the fee-for-service portion to be administered separately from the managed care portion. The fee-for-service portion of the 30-Month Program was approved in June 2012. In May and June 2013, 24 months of managed care payments were approved by CMS. In December 2014, the final six months of managed care payments were approved by CMS.

In October 2013, the fourth program (36-Month Program), covering the period from January 2014 to December 2016, was signed into law by the governor of California. The fee-for-service payments of the 36-Month Program were approved in December 2014 by CMS. The first six months of expansion managed care payments were approved by CMS in June 2016. The first six months of non-expansion managed care payments were approved by CMS in June 2015. The first six months of expansion managed care payments were approved by CMS in March 2016.

VHS recognized payments to the California Department of Health Care Services for the QA Fee in the amount of $84,221,000 and $134,198,000 and pledge payments to CHFT of $1,228,000 and $2,282,000 within purchased services and other expenses for the years ended June 30, 2016 and 2015, respectively. VHS also recognized Supplemental Payment revenue in the amount of $134,061,000 and $222,467,000 pertaining to the 30-Month and 36-Month Programs within the net patient service revenues for the years ended June 30, 2016 and 2015, respectively.

Meaningful Use Incentives

The American Recovery and Reinvestment Act of 2009 established payments under the Medicare and Medi-Cal programs for certain professionals and hospitals that meaningfully use certified electronic health record (EHR) technology. The Medicare incentive payments are paid out to qualifying hospitals over four consecutive years on a transitional schedule. To qualify for Medi-Cal incentives, hospitals and physicians must annually meet EHR "meaningful use" criteria that become more stringent over three stages as determined by CMS. For the years ended June 30, 2016 and 2015, VHS has recorded meaningful use incentive payments of $507,334 and $7,947,000, respectively. These incentive payments have been recorded as other operating revenue in the VHS consolidated financial statements.

2. Summary of Significant Accounting Policies (continued)

Premium Revenue

Certain entities of VHS have at-risk agreements with various payers to provide medical services to enrollees. Under these agreements, VHS receives monthly payments based on the number of enrollees, regardless of services actually performed by VHS. VHS accrues costs when services are rendered under these contracts, including estimates of IBNR claims and amounts receivable/payable under risk-sharing arrangements.

The IBNR accrual includes an estimate of the costs of services for which VHS is responsible, including out-of-network services.

Other Operating Revenue

Included in other operating revenue are amounts from investments in health-related activities, rental income, cafeteria, and other non-patient care revenue.

Contributions

Unconditional promises to give cash and other assets to VHS are reported at fair value at the date the promise is received. The gifts are reported as either temporarily or permanently restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified as unrestricted net assets. Net assets released from restrictions used for operations are also included in other operating revenue as contribution revenue to the Hospitals.

2. Summary of Significant Accounting Policies (continued)

Interest Expense

Interest expense on debt issued for construction projects, net of income earned on the funds held pending use, is capitalized from the date of the borrowing until the projects are placed in service. Interest components include the following (in thousands):

	Year Ended June 30	
	2016	**2015**
Total interest expense	**$ 20,943**	$ 23,215
Less: capitalized interest expense	**(350)**	(665)
Net interest expense	**$ 20,593**	$ 22,550

Income Taxes

VHS has established its status as an organization exempt from income taxes under IRC Section 501(c)(3) and the laws of California. Certain activities of the operating entities of VHS may be subject to income taxes; however, such activities are not significant to the consolidated financial statements.

Performance Indicator

Management considers the deficiency of revenues over expenses to be VHS's performance indicator. Deficiency of revenues over expenses includes all changes in unrestricted net assets, except net assets released from restrictions used for purchase of property and equipment, the change in funded status of pension plans, and other.

Certain Obligated Group members have a policy whereby assets are periodically transferred as charitable distributions to subsidiaries of VHS that are not members of the Obligated Group. These transfers are accounted for as direct charges to the Obligated Group members' unrestricted net assets. It is anticipated that Obligated Group members will continue to make asset transfers to the subsidiaries. These transfers are eliminated upon consolidation.

2. Summary of Significant Accounting Policies (continued)

Asset Retirement Obligations (AROs)

AROs are legal obligations associated with the retirement of long-lived assets. These liabilities are initially recorded at fair value, and the related asset retirement costs are capitalized by increasing the carrying amount of the related assets by the same amount as the liability. Asset retirement costs are subsequently depreciated over the useful lives of the related assets. Subsequent to initial recognition, VHS records period-to-period changes in the ARO liability resulting from the passage of time. VHS's ARO liabilities recorded in the consolidated financial statements at June 30, 2016 and 2015, were $3,627,000 and $3,421,000, respectively.

Revenue Guarantees

VHS has agreements with physicians whereby minimum revenues are guaranteed by VHS for stipulated dollar amounts over specified periods, as defined in the contracts. VHS records a liability for the amount of the guaranteed revenue at the time the contract is entered into and adjusts the liability as it is expended. VHS has recorded liabilities of $921,506 and $746,000 as of June 30, 2016 and 2015, respectively.

Recent Accounting Pronouncements

In August 2016, the Financial Accounting Standard Board (FASB) issued Accounting Standards Update (ASU) 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements for Not-For-Profit Entities*, which will require not-for-profit entities to revise financial presentation to include: net asset classifications, provide quantitative and qualitative information as to available resources and management of liquidity and liquidity risk, information on investment expenses and returns, and the presentation of operating cash flows. The standard aims to help the reader of the financial statements to better understand the financial position of the organization and enhance consistency among similar organizations. ASU 2016-02 is effective for annual periods beginning after December 15, 2017. Early adoption is permitted. VHS is currently evaluating the impact of this new standard on the consolidated financial statements.

2. Summary of Significant Accounting Policies (continued)

In February 2016, the FASB issued ASU No. 2016-02, *Leases, (Topic 842): Amendments to the FASB ASC.* ASU 2016-02 amends the existing accounting standards for lease accounting, including requiring lessees to recognize most leases on their balance sheets and making targeted changes to lessor accounting. The new standard requires a modified retrospective transition approach for all leases existing at, or entered into after, the date of initial application, with an option to use certain transition relief. The amendments in this update are effective for fiscal years (and interim reporting periods within fiscal years) beginning after December 15, 2018. Early adoption of the amendments is permitted for all entities. VHS is currently evaluating the impact of this new standard on the consolidated financial statements.

In May 2015, the FASB issued ASU 2015-07, *Fair Value Measurement (Topic 820),* which removes the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value per share practical expedient and limits the disclosure requirement. ASU 2015-07 is effective for annual and interim periods beginning after December 15, 2015. VHS does not believe this standard will have an impact on the consolidated financial statements.

In April 2015, the FASB issued ASU 2015-03, *Interest-Imputation of Interest (Subtopic 835-30),* which changes the presentation of debt issuance costs in the financial statements. Under ASU 2015-03, an entity presents such costs in the balance sheet as a direct deduction from the related debt liability rather than as an asset, and amortization of the costs is reported as interest expense. The guidance is effective for VHS as of July 1, 2016. The adoption of ASU 2015-03 is not expected to have a material impact on the consolidated financial statements.

In May 2014, the FASB issued ASU 2014-09, *Revenue from Contracts with Customers (Topic 606),* and in August 2015, the FASB issued ASU 2015-14, *Revenue from Contracts with Customers (Topic 606): Deferral of the Effective Date,* which defers the effective date of ASU 2014-09 by one year. ASU 2014-09 requires the entity to recognize revenue for the transfer of goods or services equal to the amount that it expects to be entitled to receive for those goods or services, effective for periods beginning after December 15, 2017. VHS is currently evaluating the impact of this new standard on the consolidated financial statements.

3. Fair Value Measurements

VHS accounts for certain assets at fair value or on a basis that approximates fair value. A fair value hierarchy for valuation inputs has been established to prioritize the valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Each fair value measurement is reported in one of the three levels, which is determined by the lowest-level input that is significant to the fair value measurement in its entirety. These levels are as follows:

- *Level 1* – Quoted prices are available in active markets for identical assets as of the measurement date. Financial assets in Level 1 include listed equities and money market balances.

- *Level 2* – Pricing inputs are based upon quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data for substantially the full term of the assets. Financial assets in this category generally include asset-backed securities, corporate bonds, municipal bonds, and commingled investment funds.

- *Level 3* – Pricing inputs are generally unobservable for the assets and include situations where there is little, if any, market activity for the investment. The inputs used in determination of fair value require management's judgment or estimation of assumptions that market participants would use in pricing the assets. Therefore, the fair values are determined using factors that involve judgment and interpretations, including discounted cash flow models and similar techniques. There were no Level 3 investments at June 30, 2016 and 2015.

There were no transfers to or from Levels 1, 2, or 3 during the years presented. The Level 2 financial assets listed in fair value hierarchy tables above use the following valuation techniques and inputs:

VHS participated in Ascension Health's pooled Catholic Healthcare Investment Management Company (CHIMCO) Alpha Fund, LLC, which is carried at fair value based on quoted market prices, quoted market prices for similar instruments, and observable and unobservable inputs. The pooled fund is composed of cash, equity securities (domestic and foreign), U.S. federal and corporate obligations, to be announced (TBA) mortgage-backed securities, asset-backed securities, and fixed-income securities and is designated as Level 2. Beginning January 1, 2014, VHS moved all of its investments in the Alpha Fund to short-term liquid funds, such as cash and cash equivalents. As of September 2014, VHS sold its investment in the Fund, and Ascension Investment Management no longer manages any funds on behalf of VHS.

3. Fair Value Measurements (continued)

For marketable securities, such as foreign corporation and U.S. government debt securities, government and commercial mortgage-backed securities, TBA mortgaged-backed securities, corporate U.S. debt securities, index funds, and beneficial interest held in trust accounts, wherein identical quoted market prices are not readily available, the fair value of such investments is determined based on market participant pricing or other available market data for comparable instruments and transactions at the measurement date. VHS, therefore, incorporates industry-standard valuation techniques as inputs to fair valuation of its investments designated as Level 2.

VHS's rationale for the assignment of levels is based on types or classes of financial assets, rather than an analysis of each individual asset. Key consideration in the assignment of levels was given to the determination of a security's fair valuation measurement if obtained from an active market, and then further consideration was given for the types of inputs used to evaluate the fair value price. This approach has been supported by management's analysis of the methodology, the evaluated pricing models, and inputs used by its pricing vendors. It is also consistent with industry practice.

Where quoted prices are available in an active market (exchange-traded), the securities are classified as Level 1. It is a market in which transactions occur with sufficient frequency and volume to provide pricing information on an ongoing basis. If quoted market prices are not readily available for a specific financial asset, then value is determined using quoted prices of assets with similar characteristics and is classified as Level 2. Examples of these categories are VHS's investment in high-yield debt securities, collateralized mortgage obligations, and fixed-income prices provided by a broker-dealer. In cases where there is limited activity and less transparency associated with inputs to the valuation, VHS will designate the investments as Level 3.

Investment Held in Trust Accounts

VHS is the beneficiary of a split-interest agreement from a donor. The related assets are controlled and invested by an independent third party. VHS records the assets for its share when formal written or other verifiable documentation is received. VHS's share of the assets is based on the present value of the estimated future distributions to be received by VHS over the term of the agreement. The agreements are carried at fair value based on the underlying assets. VHS used 2% discount rate to value split-interest agreements at June 30, 2016.

3. Fair Value Measurements (continued)

Receivables Under Repurchase Agreements

VHS participated in a repurchase agreement with a custodian, whereby VHS loaned cash from a bond reserve fund to a third party on a short-term basis. The loans were secured by collateral, consisting of various investments that equal the amount of the cash loaned. VHS was paid a fixed rate of return of 4.6% for the amounts loaned. Interest is accrued monthly and paid semi-annually. The amounts of the receivables under repurchase agreements were $0 and $23,871,000 at June 30, 2016 and 2015, respectively, and are included in assets limited as to use under bond indenture agreements. The loans remained in place until the termination date, which was July 1, 2015, at which time these funds were held in cash by the trustee.

7. Pension and Other Postretirement Benefit Plans

VHS maintains a single employer defined benefit retirement plan and participates in a multi-employer defined benefit retirement plan. The plans have been frozen for all employees, except members of the California Nurses Association (CNA). Benefits are generally based on age, years of service, and employee compensation. VHS also offers postretirement health care benefits to a limited number of its employees. The postretirement health care benefits are determined based on age and years of service.

The first retirement plan is a multiemployer defined benefit pension plan called Retirement Plan for Hospital Employees (RPHE). The entities that participate in the RPHE are Seton Medical Center, Seton Medical Center Coastside, O'Connor Hospital, Saint Louise Regional Hospital, and Caritas Business Services (however, as noted above, only CNA members at these locations earn new benefits under the plan). Benefits are generally based on years of service and the employee's compensation. Contributions to the plan are based on actuarially determined amounts sufficient to meet the benefits to be paid to plan participants and satisfy IRS funding requirements. VHS contributed cash of $17,223,000 and $14,495,000 to the RPHE during the fiscal years ended June 30, 2016 and 2015, respectively.

7. Pension and Other Postretirement Benefit Plans (continued)

The second retirement plan is a single-employer defined benefit pension plan (the Retirement Plan). VHS associates at St. Francis Medical Center, St. Vincent Medical Center, O'Connor Hospital, Saint Louise Regional Hospital, and the system office are eligible to participate in this plan (however, as noted above, only CNA members continue to earn new benefits under the plan). VHS contributed $12,915,000 and $18,479,000 to the Retirement Plan during the fiscal years ended June 30, 2016 and 2015, respectively.

VHS also maintains a retiree health insurance program (the Postretirement Healthcare Plan), which provides medical benefits to retirees from early retirement to age 65 only. VHS employees at O'Connor Hospital, St. Louise Regional Hospital, Seton Medical Center, and Seton Medical Center Coastside are eligible to participate in this plan. The Postretirement Healthcare Plan is an unfunded plan. VHS contributed $58,000 and $98,000 to the Postretirement Healthcare Plan during the fiscal years ended June 30, 2016 and 2015, respectively.

Defined Contribution Retirement Plans

In addition to the above pension plans, VHS maintains three different defined contribution retirement plans for its employees. One of these defined contribution plans (TSA/403(b)) includes employee voluntary contributions only. A second defined contribution plan (Match Benefit) requires employer contributions and the benefits are based on a percentage of the employees' contributions to the TSA/403(b). A third plan covers all employee groups except members of the CNA and is a fully employer-paid defined contribution plan with benefits based on a percentage of compensation. During the fiscal years ended June 30, 2016 and 2015, the employer's contribution for these three defined contribution plans was $21,749,023 and $24,472,000, respectively.

7. Pension and Other Postretirement Benefit Plans (continued)

The estimated actuarial loss and prior service cost for the Retirement Plan that will be amortized into net periodic benefit cost over the next fiscal year is $6,157,000 and $0, respectively.

The estimated actuarial gain and prior service cost for the Postretirement Healthcare Plan that will be amortized into net periodic benefit cost over the next fiscal year is $(1,193,000) and $72,000, respectively.

Assumptions

The weighted-average assumptions used to determine benefit obligations and net period benefit costs, are as follows:

	June 30, 2016		June 30, 2015	
	Retirement Plan	Postretirement Healthcare Plan	Retirement Plan	Postretirement Healthcare Plan
Weighted-average assumptions used to determine benefit obligations:				
Discount rate	**4.05%**	**3.85%**	4.80%	4.55%
Rate of compensation increase	**2.50%**	**N/A**	2.50%	N/A
Weighted-average assumptions used to determine net periodic benefit costs:				
Discount rate	**4.80%**	**4.55%**	4.70%	4.40%
Expected return on plan assets	**7.00%**	**N/A**	7.25%	N/A
Rate of compensation increase	**2.50%**	**N/A**	3.50%	N/A

Expected Return on Plan Assets

The Retirement Plan's estimated long-term rate of return on pension assets is driven primarily by historical asset-class returns, an assessment of expected future performance, advice from external actuarial firms, and the incorporation of specific asset-class risk factors. Asset allocations are periodically updated using pension plan asset/liabilities studies, and VHS's estimated long-term rates of return are consistent with these studies. The Retirement Plan portfolio return assumption is 6.75% and 7.00% at June 30, 2016 and 2015, respectively.

7. Pension and Other Postretirement Benefit Plans (continued)

Discount Rate

The discount rate assumptions used to determine the postretirement benefit plan obligations and expenses reflect the prevailing rate available on high-quality, fixed-income debt instruments. The rate was based on cash flow analysis that matched estimated future benefit payments to the bond discount yield curve as of June 30, 2016 and 2015.

Other Benefit Assumptions

For the measurement of accumulated postretirement benefit obligations at June 30, 2016, the Postretirement Healthcare Plan assumed health care cost trend rates start at 8.00% in 2016 and decrease by 0.25%-0.50% annually, reaching an ultimate rate of 5.50% in fiscal year 2023. A one-percentage-point change in assumed health care cost trend rates would not have a material effect on VHS's consolidated financial statements.

Plan Assets and Investment Strategy

The following information represents VHS's pension plan assets measured at fair value and indicate the fair value hierarchy and valuation techniques utilized to determine such fair value (in thousands):

As of June 30, 2016, $2,806,336 of the plan's cash balance was held in a separate non-interest-bearing cash account for the purpose of claims disbursement by the plan's administrator.

VHS's investment strategy for the assets of the Retirement Plan is designed to preserve principal while earning returns relative to the overall market consistent with a prudent level of risk. The strategy balances the liquidity needs of the Retirement Plan with the long-term return goals necessary to satisfy future obligations. The target asset allocation is diversified across traditional asset classes. Diversification is also achieved through participation in U.S. and non-U.S. markets, investment manager style, philosophy, and capitalization. The complementary investment styles and approaches used by investment managers are aimed at reducing volatility while capturing the equity premium from the capital markets over the long term. Risk tolerance is established through consideration of plan liabilities, plan funded status, and VHS's consolidated financial condition. Consistent with VHS's fiduciary responsibilities, the fixed-income allocation generally provides for security of principal to meet near-term expenses and obligations. Periodic reviews of the market values and corresponding asset allocation percentages are performed to determine whether a rebalancing of the portfolio is necessary.

7. Pension and Other Postretirement Benefit Plans (continued)

The following were the target asset allocations as of June 30, 2016, by major asset classification:

Fixed-income funds	33%
Domestic stocks	30
Foreign stock funds	20
Inflation linked	17
Total plan assets	100%

Cash Contributions and Benefit Payments

VHS expects to contribute $28,501,000 to the Retirement Plan and $67,000 to the Postretirement Healthcare Plan the fiscal year ending in 2017.

The benefit payments, which reflect expected future service, as appropriate, expected to be paid in each of the next five years, and in aggregate for the next five years, are as follows (in thousands):

	Retirement Plan Benefits	Postretirement Healthcare Benefits
2017	$ 21,563	$ 67
2018	22,949	89
2019	24,628	112

Retirement Plan for Hospital Employees	94-2995676/001	$ 19,330	**$ 17,223**	$ 14,588	No	October 31, 2018

Since March 1, 2011, participant benefits were frozen for the non-contractual employees of the two participating affiliates in the Retirement Plan for Hospital Employees. Beginning January 1, 2013, participant benefits were frozen for all Service Employees International Union (SEIU) employees. Certain affiliates will continue to make periodic contributions as needed for eligible participants.

7. Pension and Other Postretirement Benefit Plans (continued)

The contributions for the multiemployer plan were approximately 38% and 45% of the total contributions to the plan for June 30, 2016 and 2015, respectively. There are no minimum contributions required for future periods by the collective-bargaining agreements, statutory obligations, or other contractual obligations for both plans.

The risks of participating in multiemployer plans are different from single-employer plans in the following aspects: (i) assets contributed to the multiemployer plan by one employer may be used to provide benefits to employees of other participating employers; (ii) if a participating employer stops contributing to the plan, the unfunded obligations of the plan may be borne by the remaining participating employers; and (iii) if the affiliates choose to stop participating in the multiemployer plan, the affiliates may be required to pay the plan an amount based on the underfunded status of the plan, referred to as a withdrawal liability.

Obligated Group

Verity Health System of California, Inc. and its five hospitals are collectively referred to as the "Obligated Group" or as "Members," and each individually is sometimes referred to herein as a "Member." The Obligated Group is established pursuant to a Master Indenture of Trust, dated December 1, 2001, as supplemented to date (the Master Indenture), between the Obligated Group and U.S. Bank National Association, as successor master trustee (the Master Trustee). The Obligated Group is jointly and severally liable for obligations issued pursuant to and outstanding under the Master Indenture (Obligations).

Each of the Obligated Group Members has executed one or more deeds of trust pursuant to which the respective Obligated Group Member has granted for the benefit of the Master Trustee, a first lien on, and security interest in, the hospitals and certain other parcels of property owned by such Obligated Group Members, subject to permitted liens, as security for the performance of the Obligated Group Members' obligations under the Master Indenture. Additionally, each of the Obligated Group Members has created a gross revenue fund with its depository bank to further secure its gross revenues for the benefit of the Master Trustee.

The Master Indenture and certain other Obligated Group's financing agreements contain restrictive covenants, including maintenance of a debt ratio, limitations on the amount of any additional borrowings, and limitations on the disposal or transfer of assets to non-obligated group members. Additionally, the financing agreements require that funds are established with, and controlled by, a trustee during the period the bonds remain outstanding. The Obligated Group has complied with such financial covenants and restrictions at June 30, 2016.

Long-Term Debt

Series 2005 Bonds.

In March 2005, the California Statewide Communities Development Authority (CSCDA), on behalf of Daughters of Charity Health System (now known as VHS), issued four series of revenue bonds in the aggregate principal amount of $364,655,000 (the 2005 Bonds). The 2005 Bonds were comprised of $259,125,000 of 2005 Series A bonds, $39,715,000 of Series F bonds, $48,245,000 of Series H bonds, and $17,570,000 of Series H bonds. The issuance of the 2005 Bonds generated original issue premiums of $12,929,196. A portion of the proceeds of the 2005 was used to refinance prior bonds and finance the costs of constructing, improving, renovating, and equipping certain improvements to the facilities of the Obligated Group. The 2005 Series F bonds matured and were paid pursuant to their terms on July 1, 2010.

The Series 2005 Bonds are a limited obligation of CSCDA and are payable solely from payments made by the Obligated Group. Payment of principal and interest on the Series 2005 Bonds is secured by Obligations issued pursuant to the Master Indenture.

Series 2015 Notes.

On December 14, 2015, the California Public Finance Authority issued an aggregate of $160,000,000 of Revenue Notes (Verity Health System) Series 2015A, B, C, and D (collectively, the 2015 Notes) for the benefit of VHS. There are four series of 2015 Notes. The Series 2015A, B, and D Notes are tax exempt, and the Series 2015C Notes are taxable. While all of the 2015 Notes were authorized and issued, only the Series 2015A Notes ($60,000,000) and the 2015B Notes ($45,000,000) were funded as of June 30, 2016. The Series 2015C Notes ($10,000,000) and the Series 2015D Notes ($45,000,000) were funded on September 19 and October 31, 2016, respectively. A portion of the proceeds of the 2015 Notes was used, together with other funds, to pay the principal of and accrued and unpaid interest on the 2014 Bonds that matured on December 15, 2015.

The 2015 Notes are secured by an Obligation (as defined in the Master Indenture) on parity with other Obligations issued pursuant to the Master Indenture. In addition to their parity lien under the Master Indenture, the 2015 Notes have additional lien rights on the Obligated Group's accounts receivable and in certain properties owned by St. Francis Medical Center and Saint Louise Regional Hospital.

Short-Term Debt

Series 2014 Bonds.

On July 30, 2014, the CSCDA issued an aggregate of $110,000,000 of Revenue Bonds (Daughters of Charity Health System), Series 2014 A and B (the Series 2014 A and B Bonds) on behalf of Daughters of Charity Health System (now known as VHS). On August 28, 2014, CSCDA issued an additional $15,000,000 of Revenue Bonds (Daughters of Charity Health System), Series 2014 C (together with the Series 2014 A and B Bonds, the "Series 2014 Bonds"). The Series 2014 Bonds were secured by Obligations issued pursuant to the Master Indenture and (1) a first priority lien on the accounts receivable of St. Francis Medical Center, St. Vincent Medical Center, O'Connor Hospital, Saint Louise Regional Hospital, Seton Medical Center, and Seton Coastside as a division of Seton Medical Center; and (2) first priority Deeds of Trust and related subordination agreements with the Master Trustee on certain property of St. Francis Medical Center and Saint Louise Regional Hospital (collectively, the 2014 Priority Assets). The Master Trustee subordinated its interest in the 2014 Priority Assets to the Series 2014 Bond trustee. The Series 2014 Bonds were also secured by a parity lien under the Master Indenture.

Interest accrued at the rate of 6% and was paid on a monthly basis. The Series 2014 Bonds had an initial maturity date of July 10, 2015, and the Series 2014 Bonds were recorded as short-term debt on the VHS consolidated balance sheets as of June 30, 2015. That maturity date was extended to December 15, 2015. On December 15, 2015, VHS paid the full redemption price of the Series 2014 Bonds, which included principal (inclusive of undrawn proceeds of $76,212,000 recorded as other restricted assets as of June 30, 2015), and all accrued and unpaid interest thereon.

Fair Values

The fair value of VHS's bond indebtedness is estimated based on the quoted market prices for the same or similar issues or on the current rates offered for debt of the same remaining maturities. The estimated fair values of the VHS's debt instruments as of June 30, 2016 and 2015, are $336,803,500 and $393,704,000, respectively, and are valued using Level 2 inputs. The reported fair value of VHS's bond indebtedness instruments excludes the full value of an irrevocable principal pre-payment of $6,090,000 and $5,795,000 made as of June 30, 2016 and June 30, 2015, respectively. The fair value amounts do not represent the amount that would be required to expend to retire the indebtedness.

9. Functional Classification of Expense

The following is a functional classification of Verity's expenses:

	Year Ended June 30	
	2016	**2015**
Health services	**$ 1,193,112**	$ 1,227,560
General and administrative	**301,768**	310,454
	$ 1,494,880	$ 1,538,014

10. Temporarily and Permanently Restricted Net Assets

Temporarily and permanently restricted net assets are available for the following purposes (in thousands):

	June 30	
	2016	**2015**
Equipment and expansion	**$ 3,522**	$ 4,823
Research and education	**2,848**	2,965
Restricted contribution	**60,367**	–
Charity and other	**6,593**	7,665
Total temporarily restricted net assets	**73,330**	15,453
Permanently restricted net assets	**8,137**	8,207
Total restricted net assets	**$ 81,467**	$ 23,660

Equipment and expansion relate to assets held by VHS, which are restricted by donors or grantors to be used specifically for equipment, capital projects, or other capital needs.

Research and education relate to assets held by VHS, which are restricted by donors or grantors to be used in specific research or education programs.

Restricted contribution is the remaining portion of the contribution recognized at the time of the transaction contemplated by the Restructuring Agreement (see Note 1 "Organization"). The restriction of this contribution will be lifted pursuant to the terms of the Restructuring Agreement.

10. Temporarily and Permanently Restricted Net Assets (continued)

Charity and other relate mainly to assets held by VHS, which are restricted by donors or grantors to be used in specific health care programs for charity care and other medical and patient services.

Permanently restricted net assets of $8,137,000 and $8,207,000 at June 30, 2016 and 2015, respectively, are restricted to investments to be held in perpetuity, with the income expendable to support VHS's mission.

Endowments

VHS and five of its consolidated charitable foundations follow the Uniform Prudent Management of Institutional Funds Act (UPMIFA). UPMIFA eliminates the concept of "historic dollar value" and allows an institution to spend or accumulate as the board determines is prudent for the uses, benefits, purposes, and duration of the endowment fund unless the gift instrument states a particular spending rate or formula. California's version of UPMIFA also includes a rebuttable provision that spending greater than 7% of the average fair market value (calculated at least quarterly over a minimal period of three years) is presumed to be imprudent.

In accordance with UPMIFA, VHS considers the following factors when appropriating or accumulating an endowment fund: (i) general economic conditions, (ii) effects of inflation and deflation, (iii) the purposes of the institution and the endowment fund, (iv) expected total return from income and appreciation of investments, (v) VHS's other resources, (vi) the duration and preservation of the endowment fund, and (vii) VHS's investment policies.

From time to time, the fair value of assets associated with individual endowment funds may fall below the level that the donor or UPMIFA requires VHS to retain as a fund of perpetual duration. Deficiencies of this nature that are reported in unrestricted net assets were not material as of June 30, 2016 and 2015. These deficiencies resulted from unfavorable investment market fluctuations.

VHS has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Under these policies, as approved by the boards of trustees of the charitable foundations, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results while assuming a moderate level of investment risk.

10. Temporarily and Permanently Restricted Net Assets (continued)

To satisfy its long-term rate-of-return objectives, VHS relies on a balanced investment strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends).VHS targets a diversified asset allocation that places a great emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

The endowment net asset composition by type of fund consists of the following (in thousands):

	June 30, 2016			
	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
Donor-restricted endowment funds	$ 606	$ 789	$ 8,137	$ 9,532

11. Commitments and Contingent Liabilities

Standby Letter of Credit

Marillac, a subsidiary of VHS, pledged $36,939,150 of its investments to support a standby letter of credit issued in favor of Old Republic Insurance Company, one of the Parent's insurers, at June 30, 2016.

Litigation

Certain entities of VHS are defendants in various actions arising from their health care service activities. It is the opinion of management, after consulting with legal counsel, that such actions will not have a material adverse effect on VHS's consolidated financial position or results of operations as of June 30, 2016. Therefore, based on the information provided by its legal counsel, VHS has accrued $1,240,000 and $1,369,000 as of June 30, 2016 and 2015, respectively, which were related to certain of these actions. VHS evaluates recoveries from insurance coverage separately from its liability, and when appropriate, an asset is recorded separately from the associated liability.

As part of its ongoing compliance program, VHS routinely reviews arrangements between physicians and its hospitals. In September and October 2013, VHS made a voluntary self-disclosure to the federal government (in accordance with federal self-disclosure guidelines) related to certain financial arrangements between physicians and one of its hospitals, Seton Medical Center (SMC), that might constitute potential violations of federal regulatory standards. Pursuant to a settlement agreement entered into by SMC with CMS, effective as of November 6, 2015, SMC paid to CMS the sum of $815,000, and CMS agreed to release SMC from administrative liabilities and claims under section 1877(g)(1) of the Social Security Act relating to the matters addressed in the voluntary self-disclosure. VHS filed a self-disclosure with the U.S. Department of Health & Human Services Office of the Inspector General (OIG) indicating possible violations of the Stark Law and the Anti-Kickback Statute by Seton Medical Center. The date of the letter is October 13, 2016. The OIG informed VHS on November 17, 2016, that the disclosure was officially accepted into the Self-Disclosure Protocol. VHS understands that the OIG will next assign the matter to one of its staff attorneys to review. With respect to the facts, VHS continues to investigate to ascertain the amount of potential damages or penalties, and that review is ongoing.

11. Commitments and Contingent Liabilities (continued)

VHS and certain other entities and individuals have been named as defendants in a punitive class action complaint under ERISA. The complaint alleges that VHS's Retirement plan, a defined benefit "church plan" exempt from ERISA, is not a "church plan" and seeks orders, among other relief, requiring the plan to be brought into compliance with ERISA's minimum funding, reporting, and other administrative requirements. This class action has been settled.

VHS is a named defendant in a breach of contract, unjust enrichment, and declaratory relief complaint filed by Prime Healthcare Services, Inc. and Prime Healthcare Foundation, Inc. and captioned *Prime Healthcare Services, Inc., et al., vs. Blue Mountain Management Capital, et al.*, in the Superior Court of California, County of San Bernardino, and San Bernardino Justice Center. The complaint alleges that VHS and the other defendants materially breached the Definitive Agreement entered into between Prime Healthcare Services, Inc., Prime Healthcare Foundation, Inc. and VHS in October 2014 and that the defendants also unjustly enriched themselves at the plaintiff's expense and seeks, among other relief, $135 million in damages. VHS has filed a cross-complaint seeking $40 million. The parties are engaged in discovery and the case is currently scheduled for trial in June 2017. At this time, management cannot accurately estimate the amounts of any payments or settlements that might result, or if additional related issues will arise. There can be no guarantee that any resulting payments or settlements will not have a material adverse impact on VHS's consolidated financial position or results of operations.

Laws and Regulations

The health care industry is subject to numerous laws and regulations of federal, state, and local governments. Compliance with such laws and regulations can be subject to future government review and interpretation, as well as regulatory actions unknown or unasserted at this time. These laws and regulations include, but are not necessarily limited to, matters, such as licensure, accreditation, government health care program participation requirements, reimbursement laws and regulations, anti-referral laws, and false claims prohibitions. In recent years, government activity has increased with respect to investigations and allegations concerning possible violations of reimbursement, false claims, and anti-referral statutes and regulations by health care providers. Certain entities of VHS are subject to such laws and regulations and to governmental investigations, whistle-blower lawsuits, and other legal proceedings concerning such laws and regulations. Violations of these laws and regulations could result in expulsion from government health care programs, as well as imposition of significant fines and penalties and significant repayments for patient services previously reimbursed.

11. Commitments and Contingent Liabilities (continued)

VHS has 6,682 employees as of June 30, 2016, of whom just over 3,954 are full-time employees. Approximately 76% of these employees are employed by VHS entities and are represented by collective bargaining units. Majority of the employees are represented by collective bargaining agreements with Service Employees International Union (SEIU) and California Nurses Association (CNA). The agreement with SEIU, representing 41% of these employees, will expire on October 31, 2018, and the agreement with CNA, representing 22% of these employees, expired on April 30, 2016, and is currently in the process of being negotiated. Employee strikes or other adverse labor actions may have a material adverse impact on VHS's consolidated financial position or results of operations.

Lease Commitments

Future minimum lease payments under VHS's significant non-cancelable operating leases (with initial or remaining lease terms in excess of one year) as of June 30, 2016, are as follows (in thousands):

	Operating Leases
2017	$ 9,521
2018	5,791
2019	3,830
2020	3,871
2021	3,235
Thereafter	2,970
	$ 29,218

Rent expense was $19,501,000 and $22,318,000 for the years ended June 30, 2016 and 2015, respectively.

11. Commitments and Contingent Liabilities (continued)

Seismic Standards

VHS assessed its earthquake retrofit requirements for health care facilities under a state of California law SB 90 that can allow a delay of up to seven years from the January 1, 2013, deadline for Structural Performance Category 1 (SPC-1) retrofits. This affects six buildings at three of VHS's hospitals. The previously reported seventh building, the St. Vincent Medical Center Central Plant, has been upgraded to SPC-2 status. Extensions have been approved by the Office of Statewide Health Planning and Development as follows:

St. Vincent Medical Center Main Hospital must meet SP-2 standards by January 1, 2019. St. Vincent Medical Center Doheny Wing must meet SP-2 standards by July 1, 2019.

O'Connor Hospital 1953 Building must meet SPC-2 standards by July 1, 2019. O'Connor Hospital 1953 Boiler Plant/Laundry must meet SPC-2 standards by January 1, 2019.

Seton Medical Center Main Tower and Seton Medical Center Front Wing must meet SP-2 standards by July 1, 2019.

12. Subsequent Events

VHS has evaluated subsequent events and disclosed all material events through December 8, 2016, which is the date these consolidated financial statements of VHS were issued.

VHS entered into an extended supply support agreement with Premier Healthcare Solutions to redesign the supply chain infrastructure and operations over a three-year period beginning September 1, 2016, to improve resource utilization.

In October 2016, VHS engaged Conifer Health Solutions for its expertise as a single-source revenue cycle management provider. The multi-year agreement will yield optimized revenue cycle operations for the health system's six facilities, enhanced operating efficiency and reduced administrative expenses.

Independent Auditor's Report

Board of Directors
Verity Health System
Redwood City, California

We have audited the accompanying consolidated financial statements of Verity Health System of California, Inc., which comprise the consolidated balance sheet as of June 30, 2017, and the related consolidated statements of operations and changes in net (deficit) assets and cash flows for the year then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We did not audit the financial statements of Marillac Insurance Company, Ltd. (Marillac), a wholly-owned subsidiary, which statements reflect total assets of $52,503,262 at June 30, 2017 and total revenues of $12,635,815 for the year then ended. Those statements were audited by other auditors, whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for such subsidiary, is based solely on the report of the other auditors. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

BDO

Opinion

In our opinion, based on our audit and the report of the other auditors, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Verity Health System of California, Inc. as of June 30, 2017, and the consolidated results of its operations, and the changes in its net (deficit) assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

The consolidated financial statements of Verity Health System of California, Inc. for the year ended June 30, 2016 were audited by other auditors, whose report dated December 8, 2016 expressed an unmodified opinion on those statements.

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying consolidating financial statement schedules for Verity Health System of California, Inc. are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The consolidating information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the consolidating information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

1 Organization and Business of the Company

Verity Health System of California, Inc., a California nonprofit public benefit corporation (Parent) (formerly named Daughters of Charity Health System) is the sole corporate member of five California nonprofit public benefit corporations that operate five acute care hospitals and other facilities (the Hospitals, see list below) in the state of California. The Parent and the following affiliated entities (collectively, Verity Health System or VHS) operate as a nonprofit health care system in the state of California, with approximately 1,680 licensed acute care and skilled nursing beds.

Verity Health System consists of Parent* and the following:

- O'Connor Hospital *
- Saint Louise Regional Hospital *
- St. Francis Medical Center *
- St. Vincent Medical Center *
- Seton Medical Center (including its unincorporated division, Seton Medical Center Coastside) *
- Verity Business Services
- Marillac Insurance Company, Ltd.
- O'Connor Hospital Foundation
- Saint Louise Regional Hospital Foundation
- St. Francis Medical Center Foundation
- St. Vincent Medical Center Foundation
- Seton Medical Center Foundation
- St. Vincent de Paul Ethics Corporation
- St. Vincent Dialysis Center
- De Paul Ventures, LLC
- Verity Medical Foundation
- Verity Holdings, LLC
- Verity BASM Holdco, LLC

* Member of the Obligated Group

With the exceptions of De Paul Ventures, LLC, Marillac Insurance Company, Ltd. (Marillac) and Verity BASM Holdco, LLC, each Verity Health System entity named above is exempt from federal income taxation as an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986 (IRC).

On July 17, 2015, Daughters of Charity Ministry Services Corporation (subsequently renamed Verity Health System of California, Inc.), Blue Mountain Capital Management, LLC (Blue Mountain), and Integrity Healthcare, LLC (Integrity) entered into a System Restructuring and Support Agreement (as subsequently amended, the Restructuring Agreement) to change the governance of and recapitalize the Parent and certain of its subsidiaries. Integrity represents the management company for Verity Health System that was formed to carry out the management services under the Management Agreement, which is part of the overall Restructuring Agreement. Through June 30, 2017, Integrity was wholly owned by Blue Mountain. In July 2017, NantWorks LLC, the parent

organization for health technology and biotech companies founded by Dr. Patrick Soon-Shiong, acquired a majority stake in Integrity from Blue Mountain. Refer to subsequent events at Note 13 for additional details.

Under the Restructuring Agreement, the Parent and other members of the Obligated Group were converted from religious corporations to public benefit corporations. In exchange for options to acquire the assets of Verity Health System at a purchase price to be determined based on a specified percentage of outstanding liabilities of Verity Health System at the time of closing, Blue Mountain agreed to provide $100,000 in funding to the Parent and a commitment to provide additional debt financing at the option of the Parent. To fulfill this commitment, Blue Mountain arranged for an additional $160,000 in working capital financing that was privately placed with third parties (the "2015 Notes" - see Note 9 for additional details). After approval was obtained from the California Attorney General's office, the transactions contemplated by the Restructuring Agreement closed on December 14, 2015. Effective upon the closing of the transaction, the Parent's board of directors resigned and Daughters of Charity Ministry Services Corporation, acting as sole corporate member of the Parent, appointed an independent board of the Parent and amended the bylaws of the Parent to eliminate the corporate membership rights of Daughters of Charity Ministry Services Corporation as sole corporate member of the Parent and to convert the Parent into a nonprofit corporation without members. The Parent and all of its nonprofit corporate affiliates that were not previously public benefit corporations changed status from religious corporations to public benefit corporations under the California Nonprofit Corporation Law.

In connection with the initial accounting for the $100,000 Blue Mountain contribution received during the fiscal year ended June 30, 2016, $27,559 was recorded as deferred revenue for the value of the option to purchase the real estate and operating assets of VHS and $72,441 was recorded as a restricted asset for contributions to be released pursuant to the terms of the Restructuring Agreement. For the years ended June 30, 2017 and 2016, VHS recorded approximately $60,367 and $12,074 of contribution revenue, respectively, associated with the releases of these funds from restrictions. $27,559 is recorded as deferred revenue in other long-term liabilities as of June 30, 2017, as such amount will be recognized upon exercise or expiration of the option.

On a monthly basis, VHS records management fee expense and makes payments to Integrity associated with the management services received under the Management Agreement. During the initial fiscal year which ended June 30, 2016, the monthly management fee was determined based on a specified percentage of trailing 12 month operating revenues for VHS. Such management fees are adjusted each succeeding fiscal year based on changes in the consumer price index. VHS defers payment for a portion of management fees based on its days' cash on hand over the most recent 90 day period. All deferred management fees accrue interest at 2.82% per annum to the extent such amounts are not paid in the fiscal year that services are received. Such deferred management fees are contingently payable based on the terms of the Management Agreement, which include annual calculations of excess cash on hand.

For the years ended June 30, 2017 and 2016, VHS recorded approximately $59,333 and $32,215 of management fee expense within the purchased services and other expense line item, respectively. As of June 30, 2017 and 2016, VHS had a liability of $46,228 and $16,108 within accrued expenses and other current liabilities, respectively, associated with deferred management fees.

Pursuant to the Master Indenture of Trust, dated as of December 1, 2001 (as amended and supplemented, the Master Indenture) among the Members of the Obligated Group and U.S. Bank National Association (Master Trustee), an Obligated Group (see listing of entities included in the Obligated Group above) was established to access the capital markets. Obligated Group members are jointly and severally liable for the long-term debt outstanding secured by an Obligation issued under the Master Indenture.

Liquidity

VHS had working capital of $61,059 and $103,598 as of June 30, 2017 and 2016, respectively. VHS had a deficit of revenues over expenses of $37,850 and cash used in operations of $12,181 for the year ended June 30, 2017 compared to a deficit of revenues over expenses of $195,429 and cash used in operations of $85,375 for the year ended June 30, 2016. The current year deficit of revenues over expenses and cash used in operations represented an improvement of $157,579 and $73,194, respectively, from the prior year. Such improvements have been largely driven by increases in patient volumes, additional reimbursement under the California Hospital Fee Program (see Note 2 for details), and overall cost-cutting initiatives that have been implemented. Additionally, VHS has been successful in raising additional financing, which includes issuance of the 2017 Notes for $21,000 in September 2017 and the MOB Loan for $46,220 in October 2017 (see subsequent events at Note 13 for additional details). Management believes that cash flows from operations and financing activities will provide sufficient capital resources to sustain operations through at least the next twelve months from the date the financial statements were issued.

2. Summary of Significant Accounting Policies

Basis for Presentation

The accompanying consolidated financial statements are prepared in conformity with U.S. generally accepted accounting principles and include the accounts of VHS after elimination of intercompany transactions. Certain reclassifications and changes in presentation were made in the 2016 consolidated financial statements to conform to the 2017 presentation. See the recent accounting pronouncements section below for additional details. All amounts in the consolidated financial statements and footnotes are presented in thousands.

Use of Estimates

The preparation of the consolidated financial statements in conformity with U.S. generally accepted accounting principles requires management to make certain estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. VHS considers critical accounting policies to be those that require more significant judgments and estimates in the preparation of its consolidated financial statements, including the following: recognition of net patient service revenue, which includes contractual allowances and discounts; provisions for doubtful accounts and charity care; assumptions for measurement of pension and other postretirement liabilities; and reserves for losses and expenses related to hospital professional and general liabilities, workers' compensation claims and out-

network services associated with certain at-risk capitation arrangements. Management bases its estimates on historical experience and various other assumptions that it believes are reasonable under the particular facts and circumstances. Actual results could differ materially from those estimates.

Medical Foundation

The VHS Medical Foundation was established in December 2011 and incorporated under the California regulations as a not-for-profit corporation exempted from income taxes under IRC Section 501(c)(3). The sole member of this corporation is VHS, acting through its board of directors.

Cash and Cash Equivalents

Cash equivalents consist primarily of highly liquid marketable securities with original maturities, at the time of purchase, of three months or less.

Patient Accounts Receivable, Allowance for Doubtful Accounts, and Net Patient Service Revenue

Patient accounts receivable and net patient service revenue are reported at the estimated net realizable amounts from patients, third-party payers, and others for services rendered, including estimated settlements under reimbursement agreements with third-party payers. Settlements with third-party payers are accrued on an estimated basis in the period in which the related services are rendered and are adjusted in future periods as final settlements are determined.

VHS manages the receivables by regularly reviewing its patient accounts and contracts and by providing appropriate contractual allowances and allowances for doubtful accounts. These allowances are estimated based upon an evaluation of historical payments, negotiated contracts, and governmental reimbursements. Adjustments and changes in estimates are recorded in the period in which they are determined. The gross self-pay accounts receivable was reserved at 92% and 90% at June 30, 2017 and 2016, respectively, in total between the allowance for doubtful accounts and contractual allowances.

Patient service revenues, net of contractual allowances and discounts, are as follows:

Year Ended June 30,	2017	2016
Government	$ 913,460	$ 780,884
Contracted	333,258	332,686
Self-pay and others	54,287	48,109
Net patient service revenue	1,301,005	1,161,679
Less: Provision for doubtful accounts	(33,770)	(26,734)
Net patient service revenue less provision for doubtful accounts	$ 1,267,235	$ 1,134,945

Net patient service revenue includes contractual and other allowances (excluding charity care) of $5,260,897 and $4,676,402 for the years ended June 30, 2017 and 2016, respectively.

Verity Health System of California, Inc.
(Formerly Daughters of Charity Health System)

Notes to Consolidated Financial Statements
(All amounts in Thousands)

Significant concentrations of net patient accounts receivable are as follows:

As of June 30,	2017	2016
HMO/PPO/Commercial	40%	42%
Medicare	25	29
Medi-Cal	32	28
Other	3	1
Total	100%	100%

Inpatient acute care services, outpatient services, and skilled nursing services rendered to Medicare program beneficiaries are paid at prospectively determined rates per discharge. These rates vary according to a patient classification system that is based on clinical, diagnostic, and other factors. Certain inpatient non-acute services and defined capital and medical education costs related to Medicare beneficiaries are paid using a cost reimbursement methodology.

Health care services are provided free of charge or at a significant discount based on a sliding scale to individuals who meet certain financial criteria. VHS makes an effort to determine if a patient qualifies for charity care upon admission. If a patient is determined to qualify for charity care, services are rendered to the patient free of cost. The costs of providing these services are included in unsponsored community benefit expense and included as a deduction to net patient service revenue in the consolidated statement of operations. VHS estimates the cost of charity care by calculating a ratio of cost to usual and customary charges and applying that ratio to the usual and customary uncompensated charges associated with providing care to patients that qualify for charity care. The amount of charity care at cost was $10,444 and $13,981 for the years ended June 30, 2017 and 2016, respectively.

After satisfaction of amounts due from insurance and the application of financial discounts to patients' balances, and after exhausting all reasonable efforts to collect from the patients, a significant portion of VHS's uninsured and self-pay patient accounts are referred to third-party agencies based on VHS's established guidelines for further collection activities. As a result, VHS records a significant provision for doubtful accounts related to these uninsured patients in the period the services are rendered based on historical collection experience.

As part of VHS's mission to serve the community, VHS provides care to patients even though they may lack adequate insurance or may participate in programs that do not pay full charges. Reserves for charity care and uncollectible amounts have been established and are netted against patient accounts receivable in the consolidated balance sheets.

Payments from Medi-Cal and contracted-rate payers are based on a per-diem, per-discharge, modified cost, or capitated basis or a combination of these.

Adjustments for the finalization of prior year cost reports from both Medicare and Medi-Cal resulted in an increase to patient service revenues of $4,402 and $5,613, for the years ended June 30, 2017 and 2016, respectively. St. Francis Medical Center qualified for and received Medi-Cal funding as a disproportionate-share hospital from the state of California under Senate Bill (SB) 855. Related revenues were $30,542 and $27,029, for the years ended June 30, 2017 and 2016, respectively, and are included in net patient service revenue. Amounts to be received in future years, if any, are subject to annual determination.

The St. Francis Medical Center also received funding for Medi-Cal disproportionate-share hospitals under SB 1255. These SB 1255 funds are paid from the Emergency Services and Supplemental Payments Fund. Related revenues were $8,040 and $7,908, for the years ended June 30, 2017 and 2016, respectively, and are included in net patient service revenue. This funding must be applied for and approved each year.

The St. Francis Medical Center also qualifies for Medi-Cal funding as a disproportionate-share hospital from the state of California under SB 1732. This SB 1732 program permits health care facilities servicing a disproportionate share of Medi-Cal patients to receive supplemental reimbursement for a portion of their debt service for qualified capital projects. St. Francis Medical Center has an amendment to its Medi-Cal contract, which was executed on June 19, 1993, for reimbursement related to the St. Francis Medical Center Health Services Pavilion, which was completed in 1991. Related revenues were $2,213 and $2,220, for the years ended June 30, 2017 and 2016, respectively, and are included in net patient service revenue.

Other than St. Francis Medical Center, no other VHS entities received funding under SB 855, SB 1255 or SB 1732 for the years ended June 30, 2017 and 2016.

Inventories

Inventories consist of supplies and are stated at the lower of cost or market value, which is determined using the first-in, first-out method. Inventories are reviewed for obsolescence on a periodic basis. Amounts are included in other current assets.

Assets Limited as to Use

Assets limited as to use represent assets designated by the board of directors for future capital improvements, assets at Marillac designated by the board of directors for payment of workers' compensation and hospital professional and general liability claims, assets held by trustees under bond indenture agreements (refer the Series 2005 Bonds, Series 2015 Notes, and 2017 Assessment C-PACE Bonds at Note 9), and investments restricted by donors. Investment income or loss is included in deficiency of revenues over expenses, unless the income or loss is restricted by donor or law. The assets are reflected in the assets limited as to use line items in the consolidated balance sheets.

Investments

Investments received through gifts are recorded at estimated fair value at the date of donation. Gains and losses that result from market fluctuations are recognized in the period that such fluctuations occur. Realized gains or losses resulting from sales or maturities are calculated on an adjusted-cost basis. Adjusted-cost is the original cost of the security adjusted for any purchases or sales during the year. Dividend and interest income are accrued when earned.

VHS also maintains ownership interests in certain entities that are recorded under the equity method of accounting as VHS has the ability to exercise significant influence over the operating and financial policies of the investee. Equity method investments are recorded as other long-term assets in the consolidated balance sheet and earnings or losses associated with equity method investments are recorded as investment income (loss) in the consolidated statement of operations and changes in net assets.

Investment (loss) income includes the following:

Years Ended June 30,	2017	2016
Interest and dividends	$ 953	$ 867
Investment fees	(168)	(208)
Change in unrealized gains (losses) on investments - net	(1,489)	775
Net realized gains on sales of investments	5,385	555
Equity method investments - other-than-temporary impairment losses	(3,310)	
Equity method investments - guarantee losses	(3,588)	-
Equity method investments - share of earnings (losses)	(118)	-
	(2,335)	1,989
Amounts included in changes in temporarily restricted net assets	(173)	(12)
Amounts included in changes in permanently restricted net assets	(65)	73
Investment (loss) income	$ (2,573)	$ 2,050

During the year ended June 30, 2017, VHS recorded other-than-temporary impairment losses of $3,310 associated with the decline in the fair value of certain surgery center investments that were purchased in January 2017. The decline in fair value resulted from the degradation in future estimated cash flows due to adverse changes in business conditions that occurred subsequent to the acquisition date. See Note 3 for additional details related to the initial purchase of non-controlling ownership interests in the surgery centers and a controlling ownership interest in the management company, Verity BASM Holdco, LLC. See Note 4 for additional details on the valuation methodology utilized to determine the fair value of the surgery center investments as of June 30, 2017.

During the year ended June 30, 2017, VHS also recorded investment losses of $3,588 associated with the guarantee of certain outstanding legal obligations on behalf of the surgery center equity method investees. See Note 3 for additional details on the terms of the guarantee. As of June 30, 2017, VHS estimated the fair value of the guarantee obligation to be $4,760, which resulted in the recording of a guarantee liability within other long-term liabilities. As this guarantee obligation was determined to represent an additional contribution to the investees, $1,172 was recorded as an increase in carrying value of VHS's equity method investment associated with VHS's portion of the investment and $3,588 was recorded as an investment loss associated with the non-contributing investees' portion of the investment. See Note 4 for additional details on the valuation methodology utilized to determine the fair value of the guarantee as of June 30, 2017.

Fair Value of Financial Instruments

The carrying amounts reported in the consolidated balance sheets for cash and cash equivalents, accounts receivable, accounts payable, accrued expenses, and due to/from government agencies approximate fair value due to their short-term nature. The fair value of investments is disclosed in Notes 4 and 8, and the fair value of debt is disclosed in Note 9.

Property and Equipment

Property and equipment are stated at cost if purchased, and at fair market value if donated. Depreciation of property and equipment is calculated using a half-year convention and the straight-line method for financial statement purposes. Estimated useful lives by classification are as follows:

Land improvements	5-25 years
Buildings	10-40 years
Building service equipment	5-25 years
Equipment	3-20 years
Software development	3-5 years

Long-Lived Asset Impairment

VHS routinely evaluates the carrying value of its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset, or related group of assets, may not be recoverable from estimated future undiscounted cash flows generated by the underlying tangible assets. When the carrying value of an asset exceeds the estimated recoverability, an asset impairment charge is recognized. The impairment tests are based on financial projections prepared by management that incorporate anticipated results from programs and initiatives being implemented and market value assessments of the assets. If the projections are not met, or if negative trends occur that impact the future outlook, the value of the long-lived assets may be impaired, which could be material. There was no long-lived asset impairment recorded for the years ended June 30, 2017 and 2016 associated with tangible assets.

VHS recorded an impairment loss of $6,858 associated with long-lived management contract intangible assets for the year ended June 30, 2017, which is included in goodwill and intangible asset impairment loss in the consolidated statement of operations and changes in net assets. See Note 3 for additional details.

Self Insurance

VHS is self-insured for hospital professional and general liabilities by a wholly-owned self-insured captive insurance company (Marillac). The provisions for estimated hospital professional and general liability claims include estimates of the ultimate costs for both uninsured reported claims and claims incurred-but-not-reported (IBNR), in accordance with actuarial projections or paid claims lag models based on past experience. Such claim reserves are based on the best data available to VHS; however, these estimates are subject to a significant degree of inherent variability. There is at least a reasonable possibility that a material change to the estimated reserves will occur in the near term. Such estimates are continually monitored and reviewed, and as reserves are adjusted, the

differences are reflected in current operations. Management is of the opinion that the associated liabilities recognized in the accompanying consolidated financial statements are adequate to cover such claims.

VHS has entered into reinsurance, stop loss, and excess policy agreements with independent insurance companies to limit its losses on hospital professional and general liability claims.

Hospital professional and general liabilities (HPL/GL) were $18,723 and $16,802, discounted at a rate of 4% as of June 30, 2017 and 2016, respectively. Management is not aware of any potential hospital professional and general liability claims whose settlement would have a material adverse effect on VHS's consolidated financial position.

Workers' Compensation Insurance

VHS is insured for workers' compensation claims with major independent insurance companies, subject to certain deductibles of $500 per occurrence as of June 30, 2017 and 2016. Based on actuarially determined estimates, provisions have been made in the consolidated financial statements, with the current portion included within accrued liabilities and the non-current portion within workers' compensation and hospital professional and general liabilities, for all known claims and IBNR claims as of June 30, 2017 and 2016. Workers' compensation liabilities were $26,274 and $24,752, discounted using a rate of 4%, as of June 30, 2017 and 2016, respectively. Estimation differences between actual payments and amounts recorded in previous years are recognized as expense in the year such amounts become determinable.

IBNR Claims under Premium Revenue Arrangements

Certain entities of VHS have capitation arrangements with various payers to provide medical services to enrollees. VHS accrues costs when services are rendered under these contracts, including estimates of IBNR claims and amounts receivable/payable under risk-sharing arrangements. The IBNR accrual includes an estimate of the costs for which VHS is responsible, including out-of-network services. The IBNR reserves are reported in accrued expenses and other current liabilities in the consolidated balance sheets (see Note 7 for additional information). Medical claims expense associated with premium revenue arrangements is separately reported in the consolidated statement of operations and changes in net (deficit) assets.

IBNR reserves are estimated based on actuarial studies, historical reporting, and payment trends. Subsequent actual claims experience will differ from the estimated liability due to variances in estimated and actual utilization of health care services, the amount of charges, and other factors. As settlement are made and estimates are revised, the differences are reflected in current operations.

The following table presents the roll forward of the medical claims and IBNR liabilities as of and for each of the fiscal years ended June 30, 2017 and 2016:

June 30,	2017	2016
Medical claims and IBNR liabilities as of beginning of year	$ 31,415	$ 35,556
Claims expenses incurred during the year	61,959	65,380
Claims paid during the year	(61,477)	(69,521)
Medical claims and IBNR liabilities as of end of year	$ 31,897	$ 31,415

Asset Retirement Obligations (AROs)

AROs are legal obligations associated with the retirement of long-lived assets. These liabilities are initially recorded at fair value, and the related asset retirement costs are capitalized by increasing the carrying amount of the related assets by the same amount as the liability. Asset retirement costs are subsequently depreciated over the useful lives of the related assets. Subsequent to initial recognition, VHS records period-to-period changes in the ARO liability resulting from the passage of time. VHS has recorded ARO liabilities of $3,844 and $3,627 in other long-term liabilities as of June 30, 2017 and 2016, respectively.

Revenue Guarantees

VHS has agreements with physicians whereby minimum revenues are guaranteed by VHS for stipulated dollar amounts over specified periods, as defined in the contracts. VHS records a liability for the amount of the guaranteed revenue at the time the contract is entered into and adjusts the liability as it is expended. VHS has recorded liabilities of $754 and $922 in accrued expenses and other current liabilities as of June 30, 2017 and 2016, respectively.

Temporarily and Permanently Restricted Net Assets

Temporarily restricted net assets are those for which use by VHS has been limited by donors to a specific time period or purpose. Permanently restricted net assets have been restricted by donors to be maintained by VHS in perpetuity.

California Hospital Fee Program

California legislation established a program in 2009 that imposes a Quality Assurance Fee (QA Fee) on certain general acute-care hospitals in order to make supplemental and grant payments and increased capitation payments (Supplemental Payments) to hospitals up to the aggregate upper payment limit for various periods. There have been four such programs (the Programs) since inception.

The Programs are designed to make supplemental inpatient and outpatient Medi-Cal payments to private hospitals, including additional payments for certain facilities that provide high-acuity care and trauma services to the Medi-Cal population. This hospital QA Fee program provides a mechanism for increasing payments to hospitals that serve Medi-Cal patients, with no impact on the state's General Fund. Payments are made directly by the state or Medi-Cal managed care plans, which will receive increased capitation rates from the state in amounts equal to the Supplemental Payments. Outside of the legislation, the California Hospital Association has created a private program,

operated by the California Health Foundation and Trust (CHFT), which was established to alleviate disparities potentially resulting from the implementation of the Programs.

The Programs require full federal approval by the Centers for Medicare and Medicaid Services (CMS) in order for them to be fully enacted. If final federal approval is not ultimately obtained, provisions in the underlying legislation allowed for the QA Fee, previously assessed, and Supplemental Payments, previously received, to be returned and recouped, respectively.

In October 2013, the fourth program (36-Month Program), covering the period from January 2014 to December 2016, was signed into law by the governor of California. The fee-for-service payments of the 36-Month Program were approved in December 2014 by CMS. The first six months of non-expansion managed care payments were approved by CMS in June 2015. The first six months of expansion managed care payments were approved by CMS in March 2016. On December 30, 2016, CMS approved the managed care payments spanning July 1, 2014, to December 31, 2014 for the expansion population and July 1, 2014 to June 30, 2015, for the non-expansion population.

VHS recognized payments to the California Department of Health Care Services for the QA Fee in the amount of $70,032 and $84,221 and pledge payments to CHFT of $2,428 and $1,228 within purchased services and other expenses for the years ended June 30, 2017 and 2016, respectively. VHS also recognized Supplemental Payment revenue in the amount of $169,686 and $134,061 within the net patient service revenues for the years ended June 30, 2017 and 2016, respectively. For the year ended June 30, 2017, these amounts include the six months of the 36-Month Program related to the fee-for-service portion (July 1, 2016 through December 31, 2016) and the managed care rates approved by CMS on December 30, 2016 noted above.

Refer to Note 6 and Note 7 for additional information on the assets and liabilities recorded at June 30, 2017 and 2016, associated with the provider fee programs.

Premium Revenue

Certain entities of VHS have capitation arrangements with various payers to provide medical services to enrollees. Under these arrangements, VHS receives monthly payments on a per member per month basis (PMPM), regardless of services actually performed by VHS. Premium revenues are recognized during the period in which VHS is obligated to provide services to enrollees.

Meaningful Use Incentives

The American Recovery and Reinvestment Act of 2009 established payments under the Medicare and Medi-Cal programs for certain professionals and hospitals that meaningfully use certified electronic health record (EHR) technology. The Medicare incentive payments are paid out to qualifying hospitals over four consecutive years on a transitional schedule. To qualify for Medi-Cal incentives, hospitals and physicians must annually meet EHR "meaningful use" criteria that become more stringent over three stages as determined by CMS. For the years ended June 30, 2017 and 2016, VHS has recorded meaningful use incentive payments of $1,378 and $507, respectively. These incentive payments have been recorded as other operating revenue in the VHS consolidated statements of operations and are recorded under the gain contingency method. Such incentives are subject to audit and recapture by the relevant authorities.

Other Operating Revenue

Included in other operating revenue are amounts from rental revenues, cafeteria revenues, meaningful use incentives, grant revenues, and other non-patient care revenue.

Contributions

Unconditional promises to give cash and other assets to VHS are reported at fair value at the date the promise is received. The gifts are reported as either temporarily or permanently restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified as unrestricted net assets. Net assets released from restrictions used for operations are also included in other operating revenue as contribution revenue to the Hospitals.

Refer to Note 1 for additional information on the unrestricted contribution revenue recorded during the years ended June 30, 2017 and 2016, associated with the release of the Blue Mountain restricted contributions.

Interest Expense

Interest expense on debt issued for construction projects, net of income earned on the funds held pending use, is capitalized from the date of the borrowing until the projects are placed in service. Interest components include the following:

Years Ended June 30,	2017	2016
Total interest expense	$ 29,041	$ 20,943
Less: capitalized interest expense	(907)	(350)
Net interest expense	$ 28,134	$ 20,593

Income Taxes

VHS has established its status as an organization exempt from income taxes under IRC Section 501(c)(3) and the laws of California. Certain activities of the operating entities of VHS may be subject to income taxes; however, such activities are not significant to the consolidated financial statements.

Performance Indicator

Management considers the (deficit) excess of revenues over expenses to be VHS's performance indicator. (Deficit) excess of revenues over expenses includes all changes in unrestricted net assets, except net assets released from restrictions used for purchase of property and equipment, the change in funded status of pension plans, and other

Certain Obligated Group members have a policy whereby assets are periodically transferred as charitable distributions to subsidiaries of VHS that are not members of the Obligated Group. These transfers are accounted for as direct charges to the Obligated Group members' unrestricted net assets. It is anticipated that Obligated Group members will continue to make asset transfers to the subsidiaries. These transfers are eliminated upon consolidation.

Recent Accounting Pronouncements

In March 2017, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2017-07, *Compensation - Retirement Benefits: Improving the Presentation of Net Periodic Pension Costs and Net Periodic Postretirement Benefit Cost*. This guidance was issued to improve the reporting of net benefit cost in the financial statements to make this information more transparent. Under the guidance, an employer must report the service cost component in the same line item or items as other compensation costs arising from services rendered by pertinent employees during the period. The other components of net benefit cost are required to be presented in the statement of operations separately from the service cost component and outside the subtotal of income from operations if one is presented. ASU 2017-07 is effective for annual reporting periods beginning after December 15, 2017. Early adoption is permitted. VHS is currently evaluating the impact of this new standard on the consolidated financial statements.

In January 2017, the FASB issued ASU 2017-02, *Not-For-Profit Entities - Consolidation: Clarifying When a Not-For-Profit Entity That is a General Partner or Limited Partner Should Consolidate a For-Profit Limited Partnership or Similar Entity*. The amendments in this ASU retain the consolidation guidance that existed in Subtopic 810-20 by including it in Subtopic 958-810 (not-for-profit consolidation guidance). ASU 2017-02 is effective for annual periods beginning after December 15, 2016 and early adoption is permitted. VHS early adopted this guidance for the year ended June 30, 2017. Adoption of this guidance did not have a material effect on the consolidated financial statements.

In August 2016, the FASB issued ASU 2016-15, *Classification of Certain Cash Receipts and Payments*. This guidance adds or clarifies guidance on the classification of certain cash receipts and payments in the statement of cash flows. ASU 2016-15 is effective for annual periods beginning after December 15, 2018. VHS is currently evaluating the impact of this new standard on the consolidated financial statements.

In August 2016, the FASB issued ASU 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements for Not-For-Profit Entities*, which will require not-for-profit entities to revise financial presentation to include: net asset classifications, provide quantitative and qualitative information as to available resources and management of liquidity and liquidity risk, information on investment expenses and returns, and the presentation of operating cash flows. The standard aims to help the reader of the financial statements to better understand the financial position of the organization and enhance consistency among similar organizations. ASU 2016-14 is effective for annual periods beginning after December 15, 2017. Early adoption is permitted. VHS is currently evaluating the impact of this new standard on the consolidated financial statements.

In February 2016, the FASB issued ASU 2016-02, *Leases, (Topic 842): Amendments to the FASB ASC*. ASU 2016-02 amends the existing accounting standards for lease accounting, including requiring lessees to recognize most leases on their balance sheets and making targeted changes to lessor accounting. The new standard requires a modified retrospective transition approach for all leases existing at, or entered into after, the date of initial application, with an option to use certain transition relief. The amendments in this update are effective for fiscal years (and interim reporting periods within fiscal years) beginning after December 15, 2018. Early adoption of the amendments is permitted for all entities. VHS is currently evaluating the impact of this new standard on the consolidated financial statements.

In July 2015, the FASB issued ASU 2015-11, *Simplifying the Measurement of Inventory*. This standard requires entities to measure most inventories at the lower of cost or net realizable value. ASU 2015-11 is effective for annual periods beginning after December 15, 2016. VHS does not expect this guidance to have a material effect on the consolidated financial statements.

In April 2015, the FASB issued ASU 2015-07, *Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities that Calculate Net Asset Value per Share (or its Equivalent)*. The standard removes the requirement to categorize, within the fair value hierarchy, investments for which fair value is measured using the net asset value per share as a practical expedient. VHS adopted ASU 2015-07 retrospectively for the fiscal year ended June 30, 2017. As a result of the retrospective adoption, VHS removed any investments from the fair value hierarchy for which fair value is measured using the NAV per share as a practical expedient. Refer to the fair value disclosures for VHS's pension plan assets in Note 8 for additional details.

In April 2015, the FASB issued ASU 2015-03, *Interest-Imputation of Interest: Simplifying the Presentation of Debt Issuance Costs*. The standard amends existing guidance to require the presentation of debt issuance costs in the balance sheet as a deduction from the carrying amount of the related debt liability instead of as an asset. VHS adopted ASU 2015-03 retrospectively for the fiscal year ended June 30, 2017. As a result of the retrospective adoption, VHS reclassified unamortized debt issuance costs of $4,483 from other long-term assets to a reduction in long-term debt in the consolidated balance sheet as of June 30, 2016.

In May 2014, the FASB issued ASU 2014-09, *Revenue from Contracts with Customers (Topic 606)*, and in August 2015, the FASB issued ASU 2015-14, *Revenue from Contracts with Customers (Topic 606): Deferral of the Effective Date*, which defers the effective date of ASU 2014-09 by one year. ASU 2014-09 requires the entity to recognize revenue for the transfer of goods or services equal to the amount that it expects to be entitled to receive for those goods or services, effective for periods beginning after December 15, 2017. VHS is currently evaluating the impact of this new standard on the consolidated financial statements.

3. Acquisitions

In January 2017, VHS expanded it ambulatory footprint by obtaining (1) a 51% controlling ownership interest in a newly formed management company, Verity BASM Holdco, LLC (a.k.a. Surgical Partners of California or BASM) which has agreements to manage multiple ambulatory surgery centers in the San Francisco Bay Area and (2) a non-controlling ownership interest in five of the surgery centers managed by BASM. The partnership is expected to advance VHS's goal of evolving into an integrated healthcare delivery network for the communities served.

VHS determined that the acquisition of BASM should be consolidated in the financial statements of VHS and the 49% non-controlling ownership interest should be separately presented. Refer below for additional details on the assets, liabilities and net assets recorded in connection with the purchase price allocation for BASM. VHS also determined that its non-controlling ownership interests in five of the surgery centers managed by BASM ranging from 20% - 25% should be accounted for under the equity method of accounting.

The consideration for the above ownership interests included a cash payment of approximately $15,000 and the assumption of a guarantee associated with an outstanding legal obligation owed by BASM and the five surgery centers for which VHS acquired an ownership interest (collectively, the "defendants"). The $15,000 purchase price was allocated between BASM and the five surgery centers based on the respective business valuations for VHS's ownership interest in each entity, which were determined using a discounted cash flow approach and appropriate discounts for lack of control and marketability, as required. Discount rates utilized to determine the business valuations ranged from 13% - 17% depending on the level of risk associated with the business operations.

Based on the valuations, approximately $7,165 was allocated to the five surgery centers and was recorded as equity-method investments and $7,835 was allocated to BASM, representing VHS's ownership interests in the net assets of BASM. In the opening balance sheet of BASM as of January 2017, VHS recorded (1) total assets of $21,799, including $12,720 of intangible assets, $5,702 of goodwill and $3,377 of tangible assets; and (2) total liabilities of $6,436 associated with the assumed legal obligations. The total net assets of $15,363 were allocated as $7,835 for VHS's controlling interest and $7,528 for the non-controlling interest. The intangible assets are associated with the management contracts assumed and are being amortized over a useful life ranging from 5 to 15 years in accordance with the duration of the contracts.

In connection with the transaction, VHS simultaneously entered into a series of Reimbursement Agreements with the defendants requiring that they reimburse VHS for any payments made under the guarantee agreement. Such reimbursement may either be in the form of cash payments or VHS has the ability to recover such amounts by acquiring additional membership units in the respective entities. The initial amount of the guarantee was $20,000 plus accrued interest at 6% per annum. As of June 30, 2017, the outstanding obligation at risk under the guarantee is $15,000 plus interest.

On June 30, 2017, which represents the annual impairment testing date, VHS concluded there were impairment indicators associated with VHS's equity method investments in certain of the surgery centers and the management contract intangible assets and goodwill recorded at BASM. Such impairment indicators resulted from significant adverse trends in the most recent estimates of future cash flows for both the surgery centers and BASM. As a result of the impairment analysis, VHS recorded (1) $3,310 of other-than-temporary impairment losses for its equity method investments in investment loss (see Note 2 for additional detail); (2) $6,858 of impairment losses for the management contract intangible assets at BASM in operating expenses; and (3) $3,374 of impairment losses for goodwill at BASM in operating expenses. See Note 4 for additional details on the valuation methodology utilized to determine the fair value of the respective assets and record the impairment charges as of June 30, 2017.

As a result of the impairment indicators identified at June 30, 2017, VHS also re-assessed the probability associated with a contingent loss under the guarantee agreement and recorded a guarantee obligation of $4,760 in other long-term liabilities. As this guarantee obligation was determined to represent an additional contribution to the surgery centers investees, $1,172 was recorded as an increase in carrying value of VHS's equity method investment associated with VHS's portion of the investment and $3,588 was recorded as an investment loss associated with the non-contributing investees' portion of the investment. See Note 4 for additional details on the valuation methodology utilized to determine the fair value of the guarantee as of June 30, 2017.

4. Fair Value Measurements

VHS accounts for certain assets at fair value or on a basis that approximates fair value. A fair value hierarchy for valuation inputs has been established to prioritize the valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Each fair value measurement is reported in one of the three levels, which is determined by the lowest-level input that is significant to the fair value measurement in its entirety. These levels are as follows:

- *Level 1* - Quoted prices are available in active markets for identical assets as of the measurement date. Financial assets in Level 1 include listed equities and money market balances.
- *Level 2* - Pricing inputs are based upon quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data for substantially the full term of the assets. Financial assets in this category generally include asset-backed securities, corporate bonds, municipal bonds, and commingled investment funds.
- *Level 3* - Pricing inputs are generally unobservable for the assets and include situations where there is little, if any, market activity for the investment. The inputs used in determination of fair value require management's judgment or estimation of assumptions that market participants would use in pricing the assets. Therefore, the fair values are determined using factors that involve judgment and interpretations, including discounted cash flow models and similar techniques.

The following represents assets measured at fair value on a recurring basis:

	June 30, 2017		
	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)
Other investments - assets limited as to use:			
Cash equivalents	$ 16,949	$ 16,949	$
Debt securities issued by foreign corporations	282	-	282
Debt securities issued by the U.S. Treasury and other U.S. government corporations	21,162	-	21,162

Index funds	10,416		10,416
Investment held in trust account	5,924		5,924
	112,243	60,264	51,979
Under bond indenture agreements assets limited as to use:			
Cash equivalents	25,154	25,154	
Total assets limited as to use	$ 137,397	$ 85,418	$ 51,979

There were no transfers to or from Levels 1, 2, or 3 during the years presented. The Level 2 financial assets listed in the fair value hierarchy tables above use the following valuation techniques and inputs:

For marketable securities, such as foreign corporation and U.S. government debt securities, government and commercial mortgage-backed securities, corporate U.S. debt securities, index funds, and beneficial interest held in trust accounts, wherein identical quoted market prices are not readily available, the fair value of such investments is determined based on market participant pricing or other available market data for comparable instruments and transactions at the measurement date. VHS, therefore, incorporates industry-standard valuation techniques as inputs to fair valuation of its investments designated as Level 2.

VHS's rationale for the assignment of levels is based on types or classes of financial assets, rather than an analysis of each individual asset. Key consideration in the assignment of levels was given to the determination of a security's fair valuation measurement if obtained from an active market, and then further consideration was given for the types of inputs used to evaluate the fair value price. This approach has been supported by management's analysis of the methodology, the evaluated pricing models, and inputs used by its pricing vendors. It is also consistent with industry practice.

Where quoted prices are available in an active market (exchange-traded), the securities are classified as Level 1. It is a market in which transactions occur with sufficient frequency and volume to provide pricing information on an ongoing basis. If quoted market prices are not readily available for a specific financial asset, then value is determined using quoted prices of assets with similar characteristics and is classified as Level 2. Examples of these categories are VHS's investment in high-yield debt securities, collateralized mortgage obligations, and fixed-income prices provided by

a broker-dealer, in cases where there is limited activity and less transparency associated with inputs to the valuation, VHS will designate the investments as Level 3. There were no Level 3 investments at June 30, 2017 and 2016.

Impairment Losses

During the year ended June 30, 2017, VHS recorded (1) $3,310 of other-than-temporary impairment losses for its equity method investments; (2) $6,858 of impairment losses for the management contract intangible assets at BASM; and (3) $3,374 of impairment losses for goodwill at BASM. These represent non-recurring fair value measurement as of June 30, 2017. See Notes 2 and 3 for additional details. The fair value of the respective assets was determined using a discounted cash flow approach and appropriate discounts for lack of control and marketability, as required. Discount rates utilized to determine the business valuations ranged from 13% - 15% depending on the level of risk associated with the business operations. Such fair value measurements represent Level 3 fair value measurements as they utilize significant unobservable inputs.

Guarantee

During the year ended June 30, 2017, VHS recorded a guarantee liability of $4,760 associated with the guarantee of certain outstanding legal obligations on behalf of the surgery center equity method investees. This represents a non-recurring fair value measurement as of June 30, 2017. See Note 3 for additional details on the terms of the guarantee. The fair value of the guarantee was estimated based on the contingent loss associated with the estimated payments to be made under the guarantee in the event of a default by the surgery centers.

Investment Held in Trust Accounts

VHS is the beneficiary of a split-interest agreement from a donor. The related assets are controlled and invested by an independent third party. VHS records the assets based on the fair value of the underlying investments.

5. Property and Equipment

Property and equipment consists of the following:

June 30,	2017	2016
Land	$ 26,235	$ 28,970
Land improvements	20,226	20,252
Buildings and service equipment	703,766	705,025

Other	47,287	64,243
Total accrued expenses and other current liabilities	$ 254,129	$ 217,403

8. Pension and Other Postretirement Benefit Plans

VHS maintains single employer defined benefit retirement plans and participates in a multi-employer defined benefit retirement plan. The plans have been frozen for all employees, except members of the California Nurses Association (CNA). Benefits are generally based on age, years of service, and employee compensation. VHS also offers postretirement health care benefits to a limited number of its employees. The postretirement health care benefits are determined based on age and years of service.

The multiemployer defined benefit pension plan is called the Retirement Plan for Hospital Employees (RPHE). The entities that participate in the RPHE are Seton Medical Center, Seton Medical Center Coastside, O'Connor Hospital, Saint Louise Regional Hospital, and Caritas Business Services (however, as noted above, only CNA members at these locations earn new benefits under the plan). Benefits are generally based on years of service and the employee's compensation. Contributions to the plan are based on actuarially determined amounts sufficient to meet the benefits to be paid to plan participants and satisfy IRS funding requirements. VHS recorded benefits expense of $21,093 and $17,223 associated with required cash contributions to the RPHE during the fiscal years ended June 30, 2017 and 2016, respectively.

VHS also maintains single-employer defined benefit pension plans (the Retirement Plans). VHS associates at St. Francis Medical Center, St. Vincent Medical Center, O'Connor Hospital, Saint Louise Regional Hospital, and the system office are eligible to participate in this plan (however, as noted above, only CNA members continue to earn new benefits under the plan). VHS contributed $41,678 and $12,915 to the Retirement Plans during the fiscal years ended June 30, 2017 and 2016, respectively.

VHS also maintains a retiree health insurance program (the Postretirement Healthcare Plan), which provides medical benefits to retirees from early retirement to age 65 only. VHS employees at O'Connor Hospital, St. Louise Regional Hospital, Seton Medical Center, and Seton Medical Center Coastside are eligible to participate in this plan. The Postretirement Healthcare Plan is an unfunded plan. VHS contributed $50 and $58 to the Postretirement Healthcare Plan during the fiscal years ended June 30, 2017 and 2016, respectively.

Defined Contribution Retirement Plans

In addition to the above pension plans, VHS maintains three different defined contribution retirement plans for its employees. One of these defined contribution plans (TSA/403(b)) includes employee voluntary contributions only. A second defined contribution plan (Match Benefit) requires employer contributions and the benefits are based on a percentage of the employees' contributions to the TSA/403(b). A third plan covers all employee groups except members of the CNA and is a fully employer-paid defined contribution plan with benefits based on a percentage of compensation. During the fiscal years ended June 30, 2017 and 2016, the employer's contribution expense for the defined contribution plans was $18,481 and $21,749, respectively.

The funded status of the Retirement Plan and the Postretirement Healthcare Plan benefits is as follows:

Other Adjustments	-	11,846	-	
Total	$ (19,386)	$ 11,762	$ 53,325	$ (1,071)

The estimated actuarial loss (gain) and prior service cost for the Retirement Plans that will be amortized into net periodic benefit cost over the next fiscal year is $6,213 and ($368), respectively.

During the fiscal year ended June 30, 2017, $11,846 remaining in net assets associated with prior service cost and net actuarial gains for the Postretirement Healthcare Plan was immediately recognized into net periodic benefit cost as a reduction of expense. During the next fiscal year any prior service cost (credits) and net actuarial losses (gains) will continue to be recognized immediately into net periodic pension cost and will not be amortized in future periods.

Assumptions

The weighted-average assumptions used to determine benefit obligations and net period benefit costs, are as follows:

	June 30, 2017		June 30, 2016

Expected Return on Plan Assets

The Retirement Plan's estimated long-term rate of return on pension assets is driven primarily by historical asset-class returns, an assessment of expected future performance, advice from external actuarial firms, and the incorporation of specific asset-class risk factors. Asset allocations are periodically updated using pension plan asset/liabilities studies, and VHS's estimated long-term rates of return are consistent with these studies.

Discount Rate

The discount rate assumptions used to determine the retirement and postretirement benefit plan obligations and expenses reflect the prevailing rates available on high-quality, fixed-income debt instruments. The rate was based on cash flow analysis that matched estimated future benefit payments to the bond discount yield curve as of June 30, 2017 and 2016. Approximately 98% of VHS's retirement plan liabilities were measured using a discount rate 3.84% as of June 30, 2017.

During the fiscal year ended June 30, 2017, the discount rate was updated from a single equivalent discount rate used to determine the projected benefit obligation and net periodic benefit cost to separate discount rates used for determining the projected benefit obligation, interest on the projected benefit obligation, service cost and interest on service cost. The range of discount rates used to determine the separate components have been included in the table above.

Other Benefit Assumptions

For the measurement of accumulated postretirement benefit obligations at June 30, 2017, the Postretirement Healthcare Plan assumed health care cost trend rates start at 8.00% in 2017 and decrease by 0.25%-0.50% annually, reaching an ultimate rate of 5.50% in fiscal year 2023. A one-percentage-point change in assumed health care cost trend rates would not have a material effect on VHS's consolidated financial statements.

Plan Assets and Investment Strategy

The following information represents VHS's pension plan assets measured at fair value and indicate the fair value hierarchy and valuation techniques utilized to determine such fair value:

Total plan assets	$ 270,880

As of June 30, 2017, $1,842 of the plan's cash balance was held in a separate non-interest-bearing cash account for the purpose of claims disbursement by the plan's administrator.

VHS's investment strategy for the assets of the Retirement Plan is designed to preserve principal while earning returns relative to the overall market consistent with a prudent level of risk. The strategy balances the liquidity needs of the Retirement Plan with the long-term return goals necessary to satisfy future obligations. The target asset allocation is diversified across traditional asset classes. Diversification is also achieved through participation in U.S. and non-U.S. markets, investment manager style, philosophy, and capitalization. The complementary investment styles and approaches used by investment managers are aimed at reducing volatility while capturing the equity premium from the capital markets over the long term. Risk tolerance is established through consideration of plan liabilities, plan funded status, and VHS's consolidated financial condition. Consistent with VHS's fiduciary responsibilities, the fixed-income allocation generally provides for security of principal to meet near-term expenses and obligations. Periodic reviews of the market values and corresponding asset allocation percentages are performed to determine whether a rebalancing of the portfolio is necessary.

The following were the target asset allocations as of June 30, 2017, by major asset classification:

Fixed-income	35%
Domestic stocks	29
Foreign stocks	19
Inflation linked	17
Total plan assets	100%

Cash Contributions and Benefit Payments

VHS expects to contribute $46,048 to the Retirement Plans and $58 to the Postretirement Healthcare Plan during fiscal year ending June 30, 2018. The expected contributions to the Retirement Plans include an additional expected contribution of approximately $7,619 resulting from a shortfall in 2017 charity care requirement established by the Attorney General in connection with the Restructuring Agreement.

The benefit payments, which reflect expected future service, as appropriate, expected to be paid in each of the next five years, and in aggregate for the next five years, are as follows:

	Retirement Plan Benefits	Postretirement Healthcare Benefits
2018	$ 23,834	$ 58
2019	25,316	47
2020	27,251	50
2021	29,016	55
2022	30,166	60
Next five years	161,490	330

Multiemployer Plan

Certain affiliated entities in Northern California participate in multiemployer defined benefit retirement plans as described below (in thousands):

Plan	Pension Plan Employer Identification Number/Plan Number	Pension Protection Act Zone Status June 30 2017	Pension Protection Act Zone Status June 30 2016	Funding Improvement/ Rehabilitation Plan Status June 30, 2017
Retirement Plan for Hospital Employees	94-2995676/001	Green	Green	No

Pension Protection Act Zone Status (from worst to best):

Critical Status	Red
Seriously Endangered	Orange
Endangered	Yellow
None of the above	Green

Plan	Pension Plan Employer Identification Number/Plan Number	Contributions 2018 (Expected)	2017	2016	Surcharge Imposed (during 2013)	Collective Bargaining Agreement Expiration Date
Retirement Plan for Hospital Employees	94-2995676/001	$15,706	$21,093	$ 17,223	No	October 31, 2018

Since March 1, 2011, participant benefits were frozen for the non-contractual employees of the two participating affiliates in the Retirement Plan for Hospital Employees. Beginning January 1, 2013, participant benefits were frozen for all Service Employees International Union (SEIU) employees. Certain affiliates will continue to make periodic contributions as needed for eligible participants.

The contributions for the multiemployer plan were approximately 45% and 38% of the total contributions to the plan for June 30, 2017 and 2016, respectively. There are no minimum contributions required for future periods by the collective-bargaining agreements, statutory obligations, or other contractual obligations for both plans.

The risks of participating in multiemployer plans are different from single-employer plans in the following aspects: (i) assets contributed to the multiemployer plan by one employer may be used to provide benefits to employees of other participating employers; (ii) if a participating employer stops contributing to the plan, the unfunded obligations of the plan may be borne by the remaining participating employers; and (iii) if the affiliates choose to stop participating in the multiemployer plan, the affiliates may be required to pay the plan an amount based on the underfunded status of the plan, referred to as a withdrawal liability.

9. Debt

Long-term debt consists of the following:

June 30,	2017	2016
California Statewide Communities Development Authority Revenue Bonds Series 2005A, payable in varying installments through 2040, fixed interest rates ranging from 5.00% to 5.25% per annum	$ 246,345	$ 249,850

Long-term debt - net of current portion and debt issuance costs	$ 459,156	$ 375,873

Obligated Group

Verity Health System of California, Inc. and its five hospitals are collectively referred to as the "Obligated Group" or as "Members," and each individually is sometimes referred to herein as a "Member." The Obligated Group is established pursuant to a Master Indenture of Trust, dated December 1, 2001, as supplemented to date (the Master Indenture), between the Obligated Group and U.S. Bank National Association, as successor master trustee (the Master Trustee). The Obligated Group is jointly and severally liable for obligations issued pursuant to and outstanding under the Master Indenture (Obligations).

Each of the Obligated Group Members has executed one or more deeds of trust pursuant to which the respective Obligated Group Member has granted for the benefit of the Master Trustee, a first lien on, and security interest in, the property of the hospitals and certain other parcels of property owned by such Obligated Group Members, subject to permitted liens, as security for the performance of the Obligated Group Members' obligations under the Master Indenture. Additionally, each of the Obligated Group Members has created a gross revenue fund with its depository bank to further secure its gross revenues for the benefit of the Master Trustee.

The Master Indenture and certain other Obligated Group's financing agreements contain restrictive covenants, including maintenance of a debt ratio, limitations on the amount of any additional borrowings, and limitations on the disposal or transfer of assets to non-obligated group members. Additionally, the financing agreements require that funds are established with, and controlled by, a trustee during the period the bonds remain outstanding. The Obligated Group has complied with such financial covenants and restrictions at June 30, 2017.

For the year ended June 30, 2017, the Obligated Group did not have to comply with a minimum required Annual Debt Service Coverage Ratio per the Master Indenture as there was a covenant holiday. For the year ending June 30, 2018, the minimum required Annual Debt Service Coverage Ratio is 0.7. The minimum required Annual Debt Service Coverage Ratio increases to 1.1 for the year ending June 30, 2019.

Long-Term Debt

Series 2005 Bonds

In March 2005, the California Statewide Communities Development Authority (CSCDA), on behalf of Daughters of Charity Health System (now known as VHS), issued four series of revenue bonds in the aggregate principal amount of $364,655 (the 2005 Bonds). The 2005 Bonds were comprised of $259,125 of 2005 Series A bonds, $39,715 of Series F bonds, $48,245 of Series G bonds, and $17,570 of Series H bonds. The issuance of the 2005 Bonds generated original issue premiums of $12,929. A portion of the proceeds of the 2005 Bonds was used to refinance prior bonds and finance the costs of constructing, improving, renovating, and equipping certain improvements to the facilities of the Obligated Group. The 2005 Series F bonds matured and were paid pursuant to their terms on July 1, 2010. Total interest expense related to the Series 2005 Bonds was $15,801 and $17,588 for the years ended June 30, 2017 and 2016, respectively.

The Series 2005 Bonds are a limited obligation of CSCDA and are payable solely from payments made by the Obligated Group. Payment of principal and interest on the Series 2005 Bonds is secured by Obligations issued pursuant to the Master Indenture.

Series 2015 Notes

On December 14, 2015, the California Public Finance Authority issued an aggregate of $160,000 of Revenue Notes (Verity Health System) Series 2015A, B, C, and D (collectively, the 2015 Notes) for the benefit of VHS. There are four series of 2015 Notes. The Series 2015A, B, and D Notes are tax exempt, and the Series 2015C Notes are taxable. While all of the 2015 Notes were authorized and issued, only the Series 2015A Notes ($60,000) and the 2015B Notes ($45,000) were funded as of June 30, 2016. The Series 2015C Notes ($10,000) and the Series 2015D Notes ($45,000) were funded on September 19 and October 31, 2016, respectively. A portion of the proceeds of the 2015 Notes was used, together with other funds, to pay the principal of and accrued and unpaid interest on the 2014 Bonds that matured on December 15, 2015. Total interest expense related to the Series 2015 Notes was $11,013 and $2,953 for the years ended June 30, 2017 and 2016, respectively.

The 2015 Notes are secured by an Obligation (as defined in the Master Indenture) on parity with other Obligations issued pursuant to the Master Indenture. In addition to their parity lien under the Master Indenture, the 2015 Notes have additional lien rights on the Obligated Group's accounts receivable and in certain properties owned by St. Francis Medical Center and Saint Louise Regional Hospital.

2017 Assessment Bonds (C-PACE bonds)

In May 2017, Verity closed on a Commercial Property Assessed Clean Energy ("C-PACE") funding in the amount of $40,000 to finance seismic upgrades to the Seton Medical Center campus. CleanFund Commercial PACE Capital, Inc. provided $20,000 of its own capital and brought in a partner, Petros PACE Finance, to provide an additional $20,000. The proceeds will be used to make upgrades to the hospital, as required by California's mandatory Hospital Facilities Seismic Safety Act (SB 1953).

C-PACE is long-term, fixed-rate financing, similar to the traditional tax-exempt debt that hospitals often use for infrastructure investments. The C-PACE bonds are exempt from income taxes imposed by the State of California; however are not exempt from federal income tax. To repay the C-PACE financing, Seton will pay property tax assessments at a fixed amount until the C-PACE financing matures in 2047. The assessment payments are secured by a lien against the property at the Seton Medical Center campus. Total interest expense related to the C-PACE bonds was $323 for the year ended June 30, 2017. Refer to Note 12 for additional information on VHS's seismic requirements.

Scheduled long-term principal debt payments as of June 30, 2017, are as follows:

Years Ending June 30,	Amount
2018	$ 13,165
2019	167,553
2020	7,982
2021	8,409
2022	8,852
Thereafter	266,775
	$ 472,736

Fair Values

The fair value of VHS's bond indebtedness is estimated based on the quoted market prices for the same or similar issues or on the current rates offered for debt of the same remaining maturities. The total estimated fair value of VHS's bond and note debt (Series 2005 bonds, Series 2015 Notes and 2017 Assessment Bonds) as of June 30, 2017 and 2016, was $448,472 and $336,804, respectively, and such debt was valued using Level 2 inputs. The total carrying value of VHS's bond and note debt as of June 30, 2017 and 2016, was $466,185 and $377,590, respectively. The reported fair value of VHS's bond indebtedness instruments excludes the full value of an irrevocable principal pre-payment of $6,405 and $6,090 made as of June 30, 2017 and June 30, 2016, respectively. The fair values of the remaining mortgage payable and other debt are not materially different from their carrying values as the majority of such amounts are due within the next 12 months. The fair value amounts do not represent the amount that would be required to expend to retire the indebtedness.

10. Functional Classification of Expense

The following is a functional classification of VHS's expenses:

Year Ended June 30,	2017	2016
Health services	$ 1,151,268	$ 1,193,112
General and administrative	363,558	301,768
	$ 1,514,826	$ 1,494,880

11. Temporarily and Permanently Restricted Net Assets

Temporarily and permanently restricted net assets are available for the following purposes:

June 30,	2017	2016
Equipment and expansion	$ 2,809	$ 3,522
Research and education	2,581	2,848
Restricted contribution	-	60,367
Charity and other	8,054	6,593
Total temporarily restricted net assets	13,444	73,330
Permanently restricted net assets	8,202	8,137
Total restricted net assets	$ 21,646	$ 81,467

Equipment and expansion relate to assets held by VHS, which are restricted by donors or grantors to be used specifically for equipment, capital projects, or other capital needs.

Research and education relate to assets held by VHS, which are restricted by donors or grantors to be used in specific research or education programs.

During the fiscal year ended June 30, 2016, the restricted contribution represented the remaining portion of the contribution recognized at the time of the transaction contemplated by the Restructuring Agreement (see Note 1 "Organization"). The restriction of this contribution was lifted during the fiscal year ended June 30, 2017, pursuant to the terms of the Restructuring Agreement. The release of the restricted funds was recorded as unrestricted contribution revenue for the year ended June 30, 2017.

Charity and other relate mainly to assets held by VHS, which are restricted by donors or grantors to be used in specific health care programs for charity care and other medical and patient services.

Permanently restricted net assets of $8,202 and $8,137 at June 30, 2017 and 2016, respectively, are restricted to investments to be held in perpetuity, with the income expendable to support VHS's mission.

Endowments

VHS and five of its consolidated charitable foundations follow the Uniform Prudent Management of Institutional Funds Act (UPMIFA). UPMIFA eliminates the concept of "historic dollar value" and allows an institution to spend or accumulate as the board determines is prudent for the uses, benefits, purposes, and duration of the endowment fund unless the gift instrument states a particular spending rate or formula. California's version of UPMIFA also includes a rebuttable provision that spending greater than 7% of the average fair market value (calculated at least quarterly over a minimal period of three years) is presumed to be imprudent.

In accordance with UPMIFA, VHS considers the following factors when appropriating or accumulating an endowment fund: (i) general economic conditions, (ii) effects of inflation and deflation, (iii) the purposes of the institution and the endowment fund, (iv) expected total return from income and appreciation of investments, (v) VHS's other resources, (vi) the duration and preservation of the endowment fund, and (vii) VHS's investment policies.

From time to time, the fair value of assets associated with individual endowment funds may fall below the level that the donor or UPMIFA requires VHS to retain as a fund of perpetual duration. Deficiencies of this nature that are reported in unrestricted net assets were not material as of June 30, 2017 and 2016. These deficiencies resulted from unfavorable investment market fluctuations.

VHS has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Under these policies, as approved by the boards of trustees of the charitable foundations, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results while assuming a moderate level of investment risk.

To satisfy its long-term rate-of-return objectives, VHS relies on a balanced investment strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). VHS targets a diversified asset allocation that places a great emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

The endowment net asset composition by type of fund consists of the following:

	June 30, 2017			
	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
Donor-restricted endowment funds	$ 615	$ 962	$ 8,202	$ 9,779
Total funds	$ 615	$ 962	$ 8,202	$ 9,779

	June 30, 2016			
	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
Donor-restricted endowment funds	$ 606	$ 789	$ 8,137	$ 9,532
Total funds	$ 606	$ 789	$ 8,137	$ 9,532

The changes in endowment net assets are as follows:

	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
Balance at June 30, 2015	$ 596	$ 778	$ 8,207	$ 9,581
Net gains (losses) - realized and unrealized	10	11	(73)	(52)
Other	-	-	3	3
Balance at June 30, 2016	606	789	8,137	9,532
Net gains (losses) - realized and unrealized	9	173	65	247
Other	-	-	-	-
Balance at June 30, 2017	$ 615	$ 962	$ 8,202	$ 9,779

12. Commitments and Contingent Liabilities

Standby Letter of Credit

Marillac, a subsidiary of VHS, pledged $43,408 of its investments to support a standby letter of credit issued in favor of Old Republic Insurance Company, one of the Parent's insurers, at June 30, 2017

Litigation, Regulatory and Compliance Matters

The health care industry is subject to numerous laws and regulations of federal, state, and local governments. Compliance with such laws and regulations can be subject to future government review and interpretation, as well as regulatory actions unknown or unasserted at this time. These laws and regulations include, but are not necessarily limited to, matters, such as licensure, accreditation, controlled substances, privacy, government health care program participation requirements, reimbursement laws and regulations, anti-referral laws, false claims prohibitions, and in the case of tax-exempt organizations, the requirements of tax exemption. In recent years, government activity has increased with respect to investigations and allegations concerning possible violations of reimbursement, false claims, and anti-referral statutes and regulations by health care providers. Violations of these laws and regulations could result in expulsion from government health care programs, as well as imposition of significant fines and penalties and significant repayments for patient services previously reimbursed

The Health Insurance Portability and Accountability Act (HIPAA) assures health insurance portability, reduces healthcare fraud and abuse, guarantees security and privacy of health information, and enforces standards for health information. The Health Information Technology for Economic and

Clinical Health Act (HITECH Act) expanded upon HIPAA in a number of ways, including establishing notification requirements for certain breaches of protected health information. In addition to these federal rules, California has also developed strict standards for the privacy and security of health information as well as for reporting certain violations and breaches. The Company may be subject to significant fines and penalties if found not to be compliant with these state or federal provisions.

Management assesses the probable outcome of unresolved litigation and investigations and records contingent liabilities reflecting estimated liability exposure. It is the opinion of management, after consulting with legal counsel, that such actions will not have a material effect on VHS's consolidated financial position or results of operations as of June 30, 2017. Therefore, based on the information provided by its legal counsel, VHS has accrued $1,100 and $1,240 as of June 30, 2017 and 2016, respectively, which were related to certain of these actions. VHS evaluates recoveries from insurance coverage separately from its liability, and when appropriate, an asset is recorded separately from the associated liability. Following is a discussion of matters of note.

VHS is a named defendant in two related class actions, *Jarmaine Johns v. Verity Health System of California* and *Iris Lara and Tanya Llera v. Verity Health System of California*. The complaints allege the plaintiffs were the victims of a data breach where their personal information was obtained and their identities were allegedly used. The breach involved approximately 7,500 employees. The complaints allege the plaintiffs have been harmed and have had to spend time and money addressing identity theft. In the *Lara* action, plaintiffs specifically allege that they have been harmed by false tax returns that were filed using information released in the data breach. The *Lara* action is currently stayed by order of the court. VHS intends to contest these actions. At this time, management cannot accurately estimate the amounts of any payments or settlements that might result from these matters.

VHS was previously a named defendant in a breach of contract, unjust enrichment, and declaratory relief complaint filed by Prime Healthcare Services, Inc. and Prime Healthcare Foundation, Inc. and captioned *Prime Healthcare Services, Inc., et al., vs. Blue Mountain Management Capital, et al.*, in the Superior Court of California, County of San Bernardino, and San Bernardino Justice Center. Subsequent to June 30, 2017, a settlement was reached between the parties, which resulted in no loss for VHS.

U.S. Department of Justice and OIG Investigations

VHS and/or its facilities periodically receive notices from governmental agencies, such as U.S. Department of Justice (DOJ) or the Office of Inspector General (OIG), requesting information regarding billing, payment, or other reimbursement matters, or initiating investigations, or indicating the existence of whistleblower litigation. VHS does not anticipate such requests to result in a material impact to the consolidated financial statements.

Within this category, VHS received an informal documentation request from the DOJ related to BASM during the current year (see Note 3 for information on the BASM acquisition transaction). Additionally, during the prior year, VHS filed a self-disclosure with the OIG indicating possible violations of the Stark Law and the Anti-Kickback Statute by Seton Medical Center. The OIG informed VHS that the disclosure was officially accepted into the Self-Disclosure Protocol. At this time, management cannot accurately estimate the amounts of any potential damages or penalties that might result from these matters.

Collective Bargaining

VHS has 6,787 employees as of June 30, 2017, of whom just over 4,149 are full-time employees. Approximately 78% of these employees are represented by collective bargaining units. A majority of the employees are represented by collective bargaining agreements with Service Employees International Union (SEIU) (approximately 40% of employees) and California Nurses Association (CNA) (approximately 23% of employees). Employee strikes or other adverse labor actions may have a material adverse impact on VHS's consolidated financial position or results of operations.

Attorney General Requirements

As part of approving the Restructuring Agreement (see Note 1), the California Attorney General's (AG) office placed certain operational restrictions on VHS and each of its hospitals, which include certain minimum annual targets for charity care, community benefits, and capital expenditures among other requirements. As a result of a shortfall in the fiscal year 2017 charity care requirement for certain hospitals, VHS was required to make an additional contribution to the Retirement Plans of $7,619 by October 31, 2017 (see Note 8). VHS has complied with such requirements under the AG agreement.

Lease Commitments

Future minimum lease payments under VHS's significant non-cancelable operating leases (with initial or remaining lease terms in excess of one year) as of June 30, 2017, are as follows:

Years Ending June 30,	Amount
2018	$ 11,840
2019	7,681
2020	5,553
2021	4,468
2022	2,807
Thereafter	996
	$ 33,345

Rent expense was $21,601 and $19,501 for the years ended June 30, 2017 and 2016, respectively.

Seismic Standards

VHS assessed its earthquake retrofit requirements for health care facilities under a state of California law SB 90 that can allow a delay of up to seven years from the January 1, 2013, deadline for Structural Performance Category 1 (SPC-1) retrofits. This affects six buildings at three of VHS's hospitals. The previously reported seventh building, the St. Vincent Medical Center Central Plant, has been upgraded to SPC-2 status. Extensions have been approved by the Office of Statewide Health Planning and Development as follows:

St. Vincent Medical Center Main Hospital must meet SP-2 standards by January 1, 2019. St. Vincent Medical Center Doheny Wing must meet SP-2 standards by July 1, 2019. Management currently estimates that remaining remediation costs required for meeting the standards is approximately $12,200 based on third-party estimates.

O'Connor Hospital 1953 Building must meet SPC-2 standards by July 1, 2019. O'Connor Hospital 1953 Boiler Plant/Laundry must meet SPC-2 standards by January 1, 2019. Management currently estimates that remaining remediation costs required for meeting the standards is approximately $13,200 based on third party estimates.

Seton Medical Center Main Tower and Seton Medical Center Front Wing must meet SP-2 standards by July 1, 2019. Management currently estimates that remaining remediation costs required for meeting the standards is approximately $40,300 based on third party estimates. Seton seismic work will be financed with the funds received from the C-PACE bonds (see Note 9) and grant funds received by the County of San Mateo.

13. Subsequent Events

VHS has evaluated subsequent events and disclosed all material events through November 8, 2017, which is the date these consolidated financial statements of VHS were issued.

In July 2017, NantWorks LLC (NantWorks), the parent organization for health technology and biotech companies founded by Dr. Patrick Soon-Shiong, acquired a majority stake in VHS's management company, Integrity Healthcare, LLC, from Blue Mountain. There were no significant changes to the terms of the Restructuring Agreement or the California Attorney General requirements as a result of this transaction.

In August 2017, St. Vincent Medical Center Foundation received an unrestricted contribution of $12,000 as part of a settlement.

In August 2017, VHS completed the sale of certain non-core land and real property located in Los Angeles, CA, for a total purchase price of $17,950. The net book value of the property was classified as assets held for sale (see Note 6) at June 30, 2017, and VHS expects to recognize a gain on the sale of approximately $15,500 in the fiscal year ending June 30, 2018.

In September 2017, the California Public Finance Authority issued $21,000 of tax-exempt notes (the "2017 Notes") for the benefit of VHS. All of the 2017 Notes were purchased by NantWorks. The 2017 Notes are secured pursuant to a certain master trust indenture among the Obligated Group Members and U.S. Bank, National Association. The 2017 Notes bear interest at 7.25% and the principal is due at the maturity date in December 2020.

In October 2017, VHS borrowed $46,220 (the "MOB Loan") from Verity MOB Financing, LLC. Verity MOB Financing, LLC, is wholly owned by NantWorks. The MOB Loan is secured by Deeds of Trust against four medical office buildings owned by Verity Holdings, LLC. The MOB Loan bears interest at a variable rate that adjusts monthly based on One Month Libor plus a spread and the MOB Loan is interest only for the initial term of 36 months. Principal and any unpaid interest is due at the end of the initial term unless extended. After the initial term, VHS has the option to extend the MOB Loan for two additional twelve month terms.

VERITY HEALTH SYSTEM OF CALIFORNIA, INC.
MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE TWELVE MONTHS ENDED
June 30, 2018

Verity Health System of California, Inc., a California nonprofit public benefit corporation (the "Parent") is the sole corporate member of five California nonprofit public benefit corporations that operate five acute care hospitals and other facilities (collectively, the "Hospitals," see list below) in the state of California. The Parent and the following affiliated entities (collectively, "Verity") operate as a nonprofit health care system in the state of California, with approximately 1,680 licensed acute care and skilled nursing beds.

Verity consists of Parent* and the following:

- O'Connor Hospital*
- Saint Louise Regional Hospital*
- St. Francis Medical Center*
- St. Vincent Medical Center*
- Seton Medical Center (including its unincorporated division Seton Medical Center Coastside)*
- Verity Business Services
- Marillac Insurance Company, Ltd.
- O'Connor Hospital Foundation
- Saint Louise Regional Hospital Foundation
- St. Francis Medical Center Foundation
- St. Vincent Medical Center Foundation
- Seton Medical Center Foundation
- St. Vincent de Paul Ethics Corporation
- St. Vincent Dialysis Center
- De Paul Ventures, LLC
- Verity Medical Foundation
- Verity Holdings, LLC
- Verity BASM Holdco, LLC**

* Member of the Obligated Group, as defined in the Master Indenture of Trust, dated as of December 1, 2001 (as previously amended and supplemented, the "Master Indenture"), among the Parent, the other Initial Members (as defined therein) and U.S. Bank National Association.
** Verity redeemed its investment in Verity BASM Holdco, LLC subsequent to June 30, 2018 (See "Other Events").

The financial information summarized herein represents consolidated financial information for Verity, not financial information solely for the Obligated Group. This summarized financial information includes the operations of all Obligated Group Members, as well as the results of operations of other entities that are not Members of the Obligated Group. For the twelve months ended June 30, 2018, the entities that are not Members of the Obligated Group had revenues and

investment income totaling $117.9 million (after the elimination of $59.1 million of inter-company revenues) representing 7.4% of Verity's consolidated revenues and investment income. Additional financial information pertaining to the entities that are not Members of the Obligated Group can be found in the accompanying unaudited financial statements.

The financial information for the twelve months ended June 30, 2018 is unaudited but includes adjustments which Verity management considers necessary to fairly present such information in conformity with United States generally accepted accounting principles. Operating results for the twelve months ended June 30, 2018 are not necessarily indicative of the results that may be expected in future periods.

CONSUMMATION OF THE RESTRUCTURING AGREEMENT

On July 17, 2015, Daughters of Charity Ministry Services Corporation, the Parent, certain funds managed by Blue Mountain Capital Management, LLC, and Integrity Healthcare, LLC entered into a System Restructuring and Support Agreement (the "Restructuring Agreement") to change the governance of and recapitalize the Parent and certain of its subsidiaries. The name of the Parent has been amended to be Verity Health System of California, Inc.

CALIFORNIA HOSPITAL FEE PROGRAM

California legislation established a program in 2009 that imposes a Quality Assurance Fee (the "QA Fee") on certain general acute-care hospitals to make supplemental, grant, and increased capitation payments (the "Supplemental Payments") to hospitals up to the aggregate upper payment limit for various periods. There have been five such programs (collectively, the "Programs") since inception.

The Programs are designed to make supplemental inpatient and outpatient Medi-Cal payments to private hospitals, including additional payments for certain facilities that provide high-acuity care and trauma services to the Medi-Cal population. This hospital QA Fee program provides a mechanism for increasing payments to hospitals that serve Medi-Cal patients, with no impact on the state's General Fund. Payments are made directly by the state or Medi-Cal managed care plans, which will receive increased capitation rates from the state in amounts equal to the Supplemental Payments. Outside of the legislation, the California Hospital Association has created a private program, operated by the California Health Foundation and Trust (CHFT), which was established to alleviate disparities potentially resulting from the implementation of the Programs.

The Programs require full federal approval (i.e., by the Centers for Medicare and Medicaid Services ("CMS")) in order for them to be fully enacted. If final federal approval is not ultimately obtained, provisions in the underlying legislation allowed for the QA Fee, previously assessed, and Supplemental Payments, previously received, to be returned and recouped, respectively.

In October 2013, the fourth program (the "36-Month Program") covering the period from January 2014 to December 2016 was signed into law by the Governor of California. The fee-for-service payments of the 36-Month Program were approved in December 2014 by CMS. The first six months of non-expansion managed care payments were approved by CMS in June 2015. The first six months of expansion managed care payments were approved by CMS in March 2016. On

December 30, 2016, CMS approved the managed care payments spanning July 1, 2014 to December 31, 2014 for the expansion population and July 1, 2014 to June 30, 2015 for the non-expansion population. During April and May 2017, the managed care payments were received covering the expansion population for the period of January 1, 2015 to June 30, 2015. During October 2017, the managed care payments were received covering the period of July 1, 2015 to June 30, 2016. The only remaining period of the 36-Month Program are the managed care payments covering the period of July 2016 to December 2016 which has not been approved by CMS at this time.

In December 2017, the fifth program (the "30-Month Program") covering the period of January 2017 to June 2019 was enacted after the voters approved Proposition 52 in the November 2016 election amending the California Constitution to make the QA Fee program permanent. CMS approved the fee for service ("FFS") portion of the program in December 2017. The managed care portion of the program has not been approved by CMS at this time.

For the twelve months ended June 30, 2017, Verity recognized payments to the California Department of Health Care Services (the "DHCS") for the QA Fee in the amount of $70.0 million and pledge payments to the CHFT of $2.4 million within purchased services, medical claims and other expenses. Verity recognized Supplemental Payment revenue for the twelve months ended June 30, 2017 in the amount of $169.7 million within net patient service revenues. During the twelve months ended June 30, 2017, Verity made fee payments to DHCS of $87.1 million and received cash receipts of $185.4 million.

For the twelve months ended June 30, 2018, Verity recognized payments to DHCS for the QA Fee in the amount of $127.1 million and pledge payments to CHFT of $3.5 million within purchased services, medical claims and other expenses. Verity recognized Supplemental Payment revenue for the twelve months ended June 30, 2018 in the amount of $298.9 million within net patient service revenues. During the twelve months ended June 30, 2018, Verity made fee payments to the DHCS of $88.9 million and received cash receipts of $272.2 million.

VOLUMES

Patient discharges for the twelve months ended June 30, 2018 increased by 2.9% as compared to the same period of the prior year. Adjusted discharges for the twelve months ended June 30, 2018 increased by 3.4% compared to the same period of the prior year.

Total deliveries decreased by 11.2% during the twelve months ended June 30, 2018 as compared to the same period of the prior year.

Inpatient surgeries for the twelve months ended June 30, 2018 increased 5.4% as compared to the same period of the prior year. Outpatient surgeries for the twelve months ended June 30, 2018 increased 0.2% as compared to the same period of the prior year.

Emergency department visits for the twelve months ended June 30, 2018 decreased 2.0% compared to the same period of the prior year.

REVENUES

Net Patient Service Revenue Less Provision for Bad Debts

Net patient service revenue of $1,373.3 million for the twelve months ended June 30, 2018 represents a net increase of $106.1 million or 8.4% as compared to the same period of the prior year. The net overall change in net patient service revenue was impacted by an increase of $129.2 million in Hospital Fee Program revenue. Net patient service revenue per adjusted discharge (excluding premium revenue, other revenue, contributions and investment earnings) of $18,121 for the twelve months ended June 30, 2018 increased 4.8% as compared to the same period of the prior year. This increase in net patient service revenue per adjusted discharge is primarily due to the increase in the amount of Hospital Fee Program revenue recognized into income during the twelve months ended June 30, 2018.

Premium Revenues, Other Revenues, and Contributions

Premium and other revenues of $197.9 million for the twelve months ended June 30, 2018 represents an increase of $51.3 million or 35.0% when compared to the same period of the prior year. This increase is mainly attributable to a gain on sale of an asset within the non-Obligated Group of $15.5 million, gains of $5.0 million associated with a settlement, and a $31.6 million increase in premium revenues associated with additional capitation arrangements. Contributions of $31.2 million during the twelve months ended June 30, 2018 decreased 52.5% as compared to the same period of the prior year. The decrease in contributions is related to the release of the restricted contribution as part of the consummation of the Restructuring Agreement which was recognized in the same period of the prior year.

Investment Earnings

For the twelve months ended June 30, 2018, investment losses totaled $7.5 million compared to losses of $2.6 million during the same period of the prior year. The investment losses in both the current year and the prior year primarily resulted from other-than-temporary impairments of certain surgery center equity-method investments and contingent losses associated with a guarantee within the Non-Obligated Group. Verity redeemed its investments in these surgery centers subsequent to June 30, 2018 (see "Other Events").

Verity recorded investment income of $2.4 million and $2.3 million for the twelve months ended June 30, 2018 and 2017, respectively, within the Obligated Group. Verity includes both realized and unrealized gains/losses as part of investment income. Verity invests in cash, equity securities, domestic and foreign, U.S. federal and corporate obligations.

EXPENSES

Total Operating Expenses

Total operating expenses of $1,713.8 million for the twelve months ended June 30, 2018 represents an increase of $199.0 million or 13.1% as compared to the same period of the prior year. The overall net change in operating expenses is due to an increase in salaries and benefits expense of $73.8 million, an increase in supplies expense of $26.1 million, an increase of $95.6 million in purchased services, medical claims and other expense and an increase of $8.8 million in interest expense, net, partially offset by a decrease in depreciation expense of $2.3 million and a decrease in goodwill and intangible asset impairment of $3.0 million. Total expense per adjusted discharge of $22,614 for the twelve months ended June 30, 2018 represents an increase of 9.4% compared to the same period of the prior year.

Salaries, Wages, and Benefits

Salaries, wages and benefits ("SWB") expense of $804.1 million for the twelve months ended June 30, 2018 increased $73.8 million or 10.1% as compared to the same period of the prior year. SWB as a percent of net patient revenue (excluding premium revenue) for the twelve months ended June 30, 2018 was 58.6%, represents an increase of 1.6% compared to the same period of the prior year. The overall increase was due to staffing for higher volumes, wage increases, and insourcing of multiple functions across the system.

Supplies

Supplies expense of $198.5 million for the twelve months ended June 30, 2018 increased $26.1 million or 15.2% as compared to the prior year due to the increase in overall volumes. Supplies expense as a percent of net patient revenue for the twelve months ended June 30, 2018 was 14.5% compared to 13.6% for the twelve months ended June 30, 2017.

Purchased Services, Medical Claims and Other

Purchased services, medical claims and other expense for the twelve months ended June 30, 2018 of $634.5 million increased by $95.6 million or 17.8% as compared to the same period of the prior year. The increase in purchased services, medical claims and other expense is primarily due to an increase of $34.5 million in medical claims corresponding with the increase in capitation arrangements, $57.1 million in the Hospital Fee Program expense, $17.6 million in medical fees corresponding to an increase in volumes and expansion at Verity Medical Foundation, partially offset by a decrease of $16.8 million in consulting and legal fees primarily resulting from insourcing efforts.

Goodwill and Intangible Asset Impairment

Goodwill and intangible asset impairment of $7.2 million and $10.2 million for the twelve months ended June 30, 2018 and 2017, respectively, is related to Verity's controlling ownership interests in its Northern California ambulatory surgery management company, Verity BASM Holdco, LLC, ("BASM"). Verity redeemed its investment in BASM subsequent to June 30, 2018 (see "Other Events").

Depreciation Expense

Depreciation expense of $32.6 million for the twelve months ended June 30, 2018 is a decrease of $2.3 million or 6.6% as compared to the same period of the prior year.

Interest Expense - Net

Interest expense of $36.9 million for the twelve months ended June 30, 2018 is an increase of $8.8 million as compared to the same period of the prior year as a result of the issuance of additional debt and tax assessment borrowing.

Management Agreement Fee Activity

The management agreement fee expense for the twelve months ended June 30, 2018 is $60.3 million of which $40.2 million was deferred and $20.1 million was payable in cash.

RESULTS FROM OPERATIONS

Operating Income / Loss

For the twelve months ended June 30, 2018, Verity recorded an operating loss of $111.4 million, equating to a negative operating margin of 7.0%. This compares to an operating loss of $35.3 million and a negative operating margin of 2.4% for the same period of the prior year. The operating performance for the twelve months ended June 30, 2018 included $171.8 million of net income related to the Hospital Fee Program excluding the CHFT pledge.

Excess of Revenues Over Expenses (Net Income)

For the twelve months ended June 30, 2018, Verity recorded a net loss of $118.9 million, equating to a negative net income margin of 7.5%. The net loss for the twelve months ended June 30, 2017 was $37.9 million, which equated to a negative net income margin of 2.6%.

Performance Relative to Budget

For the twelve months ended June 30, 2018, Verity's actual operating performance compared to budget was unfavorable by approximately $116.1 million. Total unrestricted revenues and other support was unfavorable to budget by $115.0 million. Expenses were unfavorable to budget by $1.1 million.

FINANCIAL POSITION

Liquidity

The following table summarizes Verity's cash position:

Days Cash on Hand (DCOH) ($'s in 000s)	**AS OF JUNE 30, 2018**
Operating Expenses [1]	$ 1,631,478
Cash & Equivalents, Balance Sheet [2]	68,534
DCOH	15.3

1) As calculated for the trailing twelve months per Amendment No. 2 to the System Restructuring and Support Agreement.
2) Per available month-end financial statements at the time of calculation, including any unrestricted capital contribution funds.

Patient Accounts Receivable

Net patient accounts receivable of $239.7 million as of June 30, 2018 is a decrease of $6.0 million or 2.5% when compared to March 31, 2018. Days in net patient accounts receivable decreased to 63.7 days as of June 30, 2018 versus 64.7 days as of March 31, 2018.

Capital Expenditures

Capital expenditures during the quarter ended June 30, 2018 for Members of the Obligated Group total $20.5 million. However, two single capital expenditures exceeded $1 million; the System Office expended approximately $6.8 million associated with the ongoing implementation of a new

electronic health record system and Seton Medical Center expended approximately $2.2 million for the Seismic Master Facility Plan.

Long-Term Debt

Series 2015 Notes. On December 14, 2015, the California Public Finance Authority issued an aggregate of $160 million of 2015 Revenue Notes (Verity Health System) Series 2015A, B, C, and D (collectively, the "2015 Notes") for the benefit of the Parent. A portion of the proceeds of the 2015 Notes was used, together with other funds, to pay the principal of and accrued and unpaid interest on prior bonds that matured on December 15, 2015. The 2015A, B, and D Notes are tax exempt, and the Series 2015C Notes are taxable.

The 2015 Notes are secured by an Obligation (as defined in the Master Indenture) on parity with other Obligations issued pursuant to the Master Indenture. In addition to their parity lien under the Master Indenture, the 2015 Notes have additional lien rights on the Obligated Group's accounts receivable and in certain properties owned by St. Francis Medical Center and Saint Louise Regional Hospital.

In September 2017, the California Public Finance Authority issued $21 million of tax-exempt notes (the "2017A Notes") for the benefit of the Parent. All of the 2017A Notes were purchased by NantWorks, LLC ("Nant"), the owner of a majority stake in VHS's management company, Integrity Healthcare LLC. The 2017A Notes are secured by an Obligation (as defined in the Master Indenture) on parity with other Obligations issued pursuant to the Master Indenture. In addition to their parity lien under the Master Indenture, the 2017A Notes have additional lien rights on the Obligated Group's accounts receivable and in certain properties owned by St Francis Medical Center and Saint Louise Regional Hospital, all on parity with the 2015 Notes. Further, the 2017A Notes have a lien on property owned by a non-Obligated Group Member. The 2017A Notes bear interest at 7.25% and the principal is due at the maturity date in December 2020.

In October 2017, Verity MOB Financing, LLC, an affiliate of Nant, made a loan in the amount of $46.2 million to Verity Holdings, LLC ("Holdings"), which is an affiliated entity of VHS; however, it is not a Member of the Obligated Group. The loan is secured by four medical office buildings and matures in October 2020 subject to two successive twelve month extensions. The loan bears interest at a variable rate tied to One Month Libor.

In December 2017, the California Public Finance Authority issued $21 million of tax-exempt notes (the "2017B Notes" together with the 2017A Notes; collectively the "2017 Notes") for the benefit of the Parent. All of the 2017B Notes were purchased by Nant. The 2017B Notes are secured by an Obligation (as defined in the Master Indenture) on parity with other Obligations issued pursuant to the Master Indenture. In addition to their parity lien under the Master Indenture, the 2017B Notes have additional lien rights on the Obligated Group's accounts receivable and in certain properties owned by St Francis Medical Center and Saint Louise Regional Hospital, all on parity with the 2015 Notes. Further, the 2017B Notes have a lien on property owned by a non-Obligated Group Member. The 2017B Notes bear interest at 7.25% and the principal is due at the maturity date in December 2020.

In March 2018, Nant Capital, LLC an affiliate of Nant, made two loans in the aggregate amount of $40 million to Holdings. The loans are unsecured, mature in March 2020, and bear a fixed interest rate of 7.25%.

In June 2018, Verity MOB Financing II, LLC, an affiliate of Nant, made a loan in the amount of $20 million to Holdings, which was drawn down in two tranches. The initial loan disbursement of $15 million was drawn in June 2018 and the second loan disbursement of $5 million was drawn in July 2018. The loan is secured by nine parcels including two medical office buildings, a storage facility and various other parcels. The loan matures in June 2021 and bears interest at a variable rate tied to One Month Libor.

Total long-term debt, including the current portion as of June 30, 2018 was $500.6 million for the Obligated Group. Total long-term debt, including the current portion as of March 31, 2018 was $502.0 million for the Obligated Group.

OTHER EVENTS

In July 2018, Verity announced it is exploring strategic options to alleviate financial and operational pressures on its five acute care hospitals and other facilities. At this time, a range of options is being considered, including the potential sale of some or all of its hospitals and medical buildings, among other possible transactions.

Also, in a series of transactions completed in August 2018, Verity Holdings, LLC, which is not a Member of the Obligated Group, redeemed its controlling interest in its Northern California ambulatory surgery management company, BASM, and its non-controlling ownership interest in five surgery centers managed by BASM.
