For eleven fiscal years from the closing date of the System Restructuring and Support Agreement, St. Francis Medical Center shall provide an annual amount of Charity Care (as defined below) at St. Francis Medical Center equal to or greater than \$16,646,323 (the Minimum Charity Care Amount). For purposes hereof, the term "charity care" shall mean the amount of charity care costs (not charges) incurred by St. Francis Medical Center in connection with the operation and provision of services at St. Francis Medical Center. The definition and methodology for calculating "charity care" and the methodology for calculating "costs" shall be the same as that used by Office of Statewide Health Planning Development (OSHDP) for annual hospital reporting purposes.⁴ St. Francis Medical Center shall use and maintain a charity care policy that is no less favorable than St. Francis Medical Center's current charity care policy and in compliance with California and Federal law. The planning of, and any subsequent changes to, the charity care and collection policies, and charity care services provided at St. Francis Medical Center shall be decided by the St. Francis Medical Center Board of Directors after consultation with the Local Governing Board of Directors as set forth in Condition XII.

St. Francis Medical Center's obligation under this Condition shall be prorated on a daily basis if the closing date of the System Restructuring and Support Agreement is a date other than the first day of St. Francis Medical Center's fiscal year.

For the second fiscal year and each subsequent fiscal year, the Minimum Charity Care Amount shall be increased (but not decreased) by an amount equal to the Annual Percent increase, if any, in the 12 Months Percent Change: All Items Consumer Price Index for All Urban Consumers in the Los Angeles-Riverside-Orange County Consolidated Metropolitan Statistical Area Base Period: 1982-84=100" (CPI-LA, as published by the U.S. Bureau of Labor Statistics).

While the Health System Management Agreement with Integrity Healthcare, LLC is in effect, if the actual amount of charity care provided at St. Francis Medical Center for any fiscal year is less than the Minimum Charity Care Amount (as adjusted pursuant to the above-referenced Consumer Price Index) required for such fiscal year, St. Francis Medical Center shall pay an amount equal to the deficiency as follows: 50% of the deficiency payment as a contribution to the Daughters of Charity Health System Retirement Plan (Defined Benefit Church Plan), as defined in the System Restructuring and Support Agreement, in addition to the contributions that are required by the amortization schedule and premium payments required under Employee Retirement Income Security Act of 1974 and the Internal Revenue Code of 1986 (as amended), as set forth in section 7.3 in the System Restructuring and Support Agreement until the Defined Benefit Church Plan is fully funded, and 50% of the deficiency payment for capital expenditures as set forth in section 7.7 of the System Restructuring and Support Agreement for repairing and/or upgrading the hospital buildings and equipment including, but not limited to, seismic

⁴ OSHPD defines charity care by contrasting charity care and bad debt. According to OSHPD, "the determination of what is classified as . . . charity care can be made by establishing whether or not the patient has the ability to pay. The patient's accounts receivable must be written off as bad debt if the patient has the ability but is unwilling to pay off the account."

compliance as required in Condition XVI. Such payments shall be made within four months following the end of such fiscal year.

After the closing date on the Operating Asset Purchase Agreement and the Real Estate Purchase Agreement, if the actual amount of charity care provided at St. Francis Medical Center for any fiscal year is less than the Minimum Charity Care Amount (as adjusted pursuant to the above-referenced Consumer Price Index) required for such fiscal year, St. Francis Medical Center shall pay an amount equal to the deficiency to one or more tax-exempt entities that provide direct health care services to residents in St. Francis Medical Center's service area (30 ZIP codes), as defined on page 65 of the Health Care Impact Report, dated October 2, 2015, and attached hereto as Exhibit 1. Such payment(s) shall be made within four months following the end of such fiscal year.

The 2010 Federal Affordable Care Act may cause a reduction in future needs of charity care. Because of the impact of the Medi-Cal expansion in California and other effects from the 2010 Federal Affordable Care Act, the California Attorney General will consider adjusting the Minimum Charity Care Amount based on financial data submitted to OSHPD from time periods after implementation of the 2010 Federal Affordable Care Act. Any actual reduction will be considered "unforeseen" for purposes of Title 11, California Code of Regulations, section 999.5, subdivision (h). Once St. Francis Medical Center submits its Annual Financial Disclosure Report to OSHPD for Fiscal Year 7/1/2015 to 6/30/2016, it may seek a request for an amendment of the Minimum Charity Care Amount beginning for Fiscal Year 7/1/2016 to 6/30/2017. The Attorney General's Decision on such a request will be issued within 90 days of the submission of all of the information required in Title 11, California Code of Regulations, section 999.5, subdivision (h)(2) and all the information requested by the Attorney General's Office.

X.

For eleven fiscal years from the closing date of the System Restructuring and Support Agreement, St. Francis Medical Center shall provide an annual amount of Community Benefit Services at St. Francis Medical Center equal to or greater than \$1,362,680 (the "Minimum Community Benefit Services Amount") exclusive of any funds from grants. For eleven fiscal years, the following community benefit programs and services shall continue to be offered:

- a. Health Benefits Resource Center;
- b. Welcome Baby Program;
- c. Healthy Community Initiatives;
- d. St. Francis Career College's access for onsite training;
- e. Paramedic Training and Education; and
- f. Patient Transportation support.

The planning of, and any subsequent changes to, the community benefit services provided at St. Francis Medical Center shall be decided upon by the St. Francis Medical Center's Board of Directors after consultation with the Local Governing Board of Directors as set forth in Condition XII.

St. Francis Medical Center's obligation under this Condition shall be prorated on a daily basis if the effective date of the System Restructuring and Support Agreement is a date other than the first day of St. Francis Medical Center's fiscal year.

For the second fiscal year and each subsequent fiscal year, the Minimum Community Benefit Services Amount shall be increased (but not decreased) by an amount equal to the Annual Percent increase, if any, in the 12 Months Percent Change: All Items Consumer Price Index for All Urban Consumers in the Los Angeles-Riverside-Orange County Consolidated Metropolitan Statistical Area Base Period: 1982-84=100" (CPI-LA, as published by the U.S. Bureau of Labor Statistics).

If the actual amount of community benefit services provided at St. Francis Medical Center for any fiscal year is less than the Minimum Community Benefit Services Amount (as adjusted pursuant to the above-referenced Consumer Price Index) required for such fiscal year, St. Francis Medical Center shall pay an amount equal to the deficiency to one or more tax-exempt entities that provide community benefit services for residents in St. Francis Medical Center's service area (30 ZIP codes), as defined on page 65 of the Health Care Impact Report, dated October 2, 2015, and attached hereto as Exhibit 1. related to staffing assessments, clinical guidelines, services provided, and technology needs for St. Francis Medical Center. Such information and documents will also be provided to the Local Governing Board.

BOARD OF DIRECTORS

Section 1. Powers. Subject to the provisions of this Corporation's Articles of Incorporation, these Bylaws, the Reserved Powers of the Corporate Member, the System Authority Matrix and the laws of the State of California, the activities and affairs of this Corporation shall be managed and conducted and all corporate powers shall be exercised by or under the direction of this Corporation's Board of Directors. To facilitate the management and conduct of this Corporation's activities and affairs, the Board of Directors shall establish corporate policies for, and formulate the basic rules and regulations governing the operation and management of, this Corporation and generally oversee and be responsible for the quality of care and the planning of services rendered by this Corporation. The Board of Directors may delegate the management and conduct of this Corporation's activities and affairs to any person or persons, management company, or committee however composed, provided that no delegation of authority by the Board of Directors to the Chief Executive Officer (as defined in Article VIII, Section 4 below), or anyone else, shall preclude the Board of Directors from exercising the authority required to meet its governance responsibility for the management and conduct of this Corporation's activities and affairs; and provided, further, that any delegation of powers of the Board may be made only to a committee of the Board consisting only of directors and shall be subject to the further limitations on Board committees set forth in Article IX, Section 1 of these Bylaws. The Board of Directors shall retain the right to rescind any such delegation.

Section 2. Reserved Powers of Verity as the Corporate Member; Final Action. Certain actions of the Board of Directors are subject to the Reserved Powers of Verity, acting in

its capacity as the Corporate Member of this Corporation, as set forth above in Article V of these Bylaws. Action by the Board of Directors of this Corporation that is subject to the approval of the Corporate Member pursuant to the Reserved Powers of the Corporate Member shall become final, binding action of the Corporation when such action has been approved or ratified by final action of the Corporate Member acting in accordance with these Bylaws and the bylaws of the Corporate Member.

Section 3. Number and Qualification.

(a) The Board of Directors shall consist of not less than three (3) nor more than seventeen (17) members, including at least one (1) person who is a member in good standing of the Board of Directors of Verity.

(b) The President and Chief Executive Officer of the Corporate Member shall serve as a member of the Board, *ex officio*.

(c) Restriction on Interested Directors. Not more than forty-nine percent (49%) of the persons serving on the Board of Directors at any time may be interested persons within the meaning of Section 5227 of the California Nonprofit Public Benefit Corporation Law. An interested person is (i) any person currently being compensated by this Corporation for services rendered to it within the previous twelve (12) months, whether as a full-time or part-time employee, independent contractor or otherwise, but excluding any reasonable compensation paid to a Director as Director; or (ii) any brother, sister, ancestor, descendant, spouse, brother-in-law, sister-in-law, son-in-law, daughter-in-law, mother-in-law, or father-in-law of any such person. However, any violation of the provision of this Section shall not affect the validity or enforceability of any transaction entered into by this Corporation.

Section 4. Appointment by Corporate Member. The Directors shall be appointed by Verity at each annual meeting of the Corporate Member.

Section 5. Term. Each Director (other than the President and Chief Executive Officer of the Corporate Member) shall hold office for a term of one (1) year or such other period set by the Corporate Member or until a successor is appointed and qualified or until such person sooner dies, resigns, is removed or becomes disqualified.

Section 6. Removal and Filling of Vacancies. The Board of Directors may declare vacant the office of a Director who has been declared of unsound mind by a final order of court or convicted of a felony or who has missed more than half of the meetings of the Board of Directors during any twelve-month period other than by reason of illness, or who has been found, by a final order or judgment of any court, to be in breach of any duty owed to the Corporation under Sections 5230-5239 of the California Nonprofit Public Benefit Corporation Law. In the event that such office is declared vacant, a new Director to fill the unexpired portion of the term of the Director whose office was declared vacant shall be appointed by the Corporate Member.

Section 7. Resignation. Any Director may resign at any time by delivering her or his resignation in writing to the Chairperson of the Board of Directors, the President or the Secretary or to the Board of Directors of the Corporation at its principal office; provided that, except upon

notice to the Attorney General, no director may resign if the Corporation would then be left without a duly elected Director or Directors in charge of its affairs. Such resignation shall be effective upon receipt unless specified to be effective at some other time.

Section 8. Fees and Compensation. Directors may receive such reasonable compensation (within the meaning of Internal Revenue Code Section 4958), if any, for serving as Director, and advances or reimbursement for reasonable expenses, as may be fixed or determined by the Corporate Member. Directors may receive compensation from the corporation for services rendered to it, subject to the restriction on interested Directors as set forth in Section 3(c) above of this Article VI.

Section 9. Self-Dealing Transactions. This Corporation shall not enter into self-dealing transactions. Except as provided in Section 9(a) of this Article VI, for the purpose of this Section, a self-dealing transaction means a transaction to which this corporation is a party and in which one or more of the members of its Board of Directors or officers has a material financial interest and which does not meet the requirements of Sections 9(b) or 9(c) of this Article VI. Such a member of the Board of Directors is an "interested director" for the purpose of this Section.

(a) Exceptions. The provisions of this section do not apply to any of the following:

(i) An action of the Board of Directors fixing the compensation of a member of the Board of Directors as an officer of this corporation.

(ii) A transaction which is part of a public or charitable program of this corporation if it (i) is approved or authorized by this corporation in good faith and without unjustified favoritism and (ii) results in a benefit to one or more members of the Board of Directors or their families because they are in the class of persons intended to be benefited by the public or charitable program.

(iii) A transaction, of which the interested director or directors have no actual knowledge, and which does not exceed the lesser of one percent of the gross receipts of this corporation for the preceding fiscal year or one hundred thousand dollars (\$100,000).

(b) Prior Board of Directors Approval. This Corporation may enter into a self-dealing transaction if all of the following facts are established:

(i) This Corporation entered into the transaction for its own benefit;

(ii) The transaction was fair and reasonable as to this Corporation at the time this Corporation entered into the transaction;

(iii) Prior to consummating the transaction or any part thereof the Board of Directors authorized or approved the transaction in good faith by a vote of a majority of the members of the Board of Directors then in office without counting the vote of the interested director or directors, and with knowledge of the material facts concerning the transaction and the director's interest in the transaction. Interested directors may be counted in determining the

presence of a quorum at a meeting of the Board of Directors which authorizes, approves or ratifies the contract or transaction. Except as provided in Section 9(c)(i) of this Article VI, action by a committee of the Board of Directors shall not satisfy this paragraph; and

(iv) Prior to authorizing or approving the transaction the Board of Directors considered and in good faith determined after reasonable investigation under the circumstances that this corporation could not have obtained a more advantageous arrangement with reasonable effort under the circumstances or (ii) this corporation in fact could not have obtained a more advantageous arrangement with reasonable effort under the circumstances.

(c) Subsequent Board of Directors Approval. This Corporation may enter into a self-dealing transaction if all of the following facts are established:

(i) A committee or person authorized by the Board of Directors approved the transaction in a manner consistent with the standards set forth in Section 9(b) of this Article VI;

(ii) It was not reasonably practicable to obtain approval of the Board of Directors prior to entering into the transaction; and

(iii) The Board of Directors, after determining in good faith that the conditions of subparagraphs (i) and (ii) of this subsection (c) were satisfied, ratified the transaction at its next meeting by a vote of the majority of the members of the Board of Directors then in office without counting the vote of the interested director or directors. Interested directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors which authorizes, approves or ratifies the contract or transaction.

ARTICLE VII

MEETINGS OF THE BOARD OF DIRECTORS

Section 1. Place of Meeting. All meetings of the Board of Directors shall be held at the principal office of this Corporation or at such other place as may be designated for that purpose in the notice of the meeting or, if not stated in the notice or there is no notice, at such place as may be set by resolution of the Board.

Section 2. Annual Meeting. As soon as reasonably practicable, but no later than sixty (60) days after the annual meeting of the Corporate Member, the Board of Directors shall hold an annual meeting for the purpose of organizing the Board, electing the officers and the transaction of such other business as may come before the meeting. The date of the annual meeting shall be fixed by resolution. No notice of the annual meeting of the Board of Directors need be given.

Section 3. Regular Meetings. Regular meetings of the Board of Directors shall be held at such time as the Corporate Member may fix by resolution from time to time. No notice of regular meetings of the Board of Directors need be given.

Section 4. Special Meetings. Special meetings of the Board of Directors for any purpose or purposes may be called at any time by the Chairperson of the Board or by two (2) or more Directors of this Corporation, or by the Corporate Member.

Section 5. Notice of Special Meetings. Notice of the time and place of special meetings shall be communicated personally or by telephone to each Director or sent to each Director by mail or other form of written communication (including e-mail), addressed to such Director at her or his address as it is shown on the records of this Corporation. Such notice, if mailed, shall be mailed at least seventy-two (72) hours prior to the time of the meeting, or if delivered personally, telephonically or telegraphically or by e-mail, shall be received at least forty-eight (48) hours prior to the time of the meeting.

Section 6. Waiver of Notice. Notice of a meeting need not be given to any Director who signs a waiver of notice or a written consent to hold the meeting or an approval of the minutes thereof, whether before or after the meeting, or who attends the meeting without protesting, prior thereto or at its commencement, the lack of notice. All such waivers, consents and approvals shall be filed with the corporate records or made a part of the minutes of the meeting.

Section 7. Quorum. At all meetings of the Board of Directors, a majority of the then serving Directors, but not less than two (2), whichever is greater, shall be necessary and sufficient to constitute a quorum for the transaction of business, except that a majority of the Directors present, whether or not a quorum, may adjourn any Directors meeting to another time and place. The act of a majority of the Directors present at any meeting at which there is a quorum shall be the act of the Board of Directors, unless a greater number is required by law. Notwithstanding the previous provisions of this Section, the Directors present at a meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of Directors, so long as any action taken is approved by at least a majority of the required quorum for such meeting.

Section 8. Action Without Meeting. Any action required or permitted to be taken by the Board of Directors may be taken without a meeting if all of the Directors individually or collectively shall consent in writing to such action. Such written consent or consents shall be filed with the minutes of the proceedings of the Board. Such action by written consent shall have the same force and effect as the unanimous vote of such Directors. Any certificate or other document filed on behalf of this Corporation relating to an action taken by the Board without a meeting shall state that the action was taken by written consent of the Board of Directors without a meeting and that the Bylaws of the Corporation authorize its Directors to so act.

Section 9. Telephonic Meeting. Directors may participate in a meeting of the Board through the use of conference telephone or similar communication equipment, as long as all Directors participating in such meeting can hear one another. Participation in this manner shall constitute presence in person at such meeting.

Section 10. Prohibition Against Voting by Proxy. Directors may not vote by proxy.

Reference to Policy/Procedure #: 04.01.02 Conflict of Interests Disclosures by Covered
Associates, Physician Leaders, and Other
Designated Persons

Purpose

The purpose of this policy is to protect the Corporation's interests when it is contemplating entering into a transaction or arrangement that may also benefit a Director and/or family member personally.

This policy applies to Board members, Board officers, and members of Board committees, herein referred to as "Directors". A related policy (Policy/Procedure 04.01.02 "Conflict of Interests Disclosures by Covered Associates, Physician Leaders, and Other Designated Persons") applies to associates (including employed officers and other members of senior management) and physician leaders. A conflict of interests exists when a Director has a personal financial interest that may influence the decisions that the Director makes on behalf of the Corporation.

This policy provides a systematic and ongoing method of assisting Directors in disclosing and addressing potential and actual conflicts of interests.

Principles

Directors must exercise their fiduciary duties in a manner consistent with the mission and values of Daughters of Charity Health System (DCHS). Directors must exercise the utmost good faith and fair dealing in all transactions touching their duties to the Corporation, scrupulously avoiding conflicts of interests, whether potential, actual or perceived, to ensure that the Corporation and its Board of Directors conduct activities in a fair and unbiased manner.

Definitions

For the purpose of this Policy/Procedure, the following definitions apply:

1. **Corporation:** DCHS and its affiliates including, but not limited to, O'Connor Hospital, Saint Louise Regional Hospital, St. Francis Medical Center, St. Vincent Medical Center, St. Vincent Dialysis Center, Seton Medical Center, Seton Coastside, Caritas Business Services, O'Connor Hospital Foundation, Saint Louise Regional Hospital Foundation, Seton Health Services Foundation, St. Francis Medical Center of Lynwood Foundation, St. Vincent Foundation, and the DCHS Medical Foundation.
2. **Family:** Anyone related to the Director through blood, marriage, adoption, domestic partnership, or anyone living in the Director's household.
3. **Favors:** Something offered without requesting the monetary value in return, such as discounts, meals, entertainment, tuition, seminars, and conferences.
4. **Financial Interest:** A Director or Family member has, directly or indirectly, a current or potential
 - Ownership or investment interest in; or
 - Compensation arrangement with; or
 - Other economic interest in any of the following:
 - i. The Corporation; or
 - ii. Any entity or individual with which the Corporation has a transaction or arrangement; or
 - iii. Any entity or individual with which the Corporation is negotiating a transaction or arrangement; or
 - iv. Any entity or individual that competes with the Corporation.

"Compensation" includes direct and/or indirect remuneration, as well as gifts or Favors in excess of \$300 in any calendar year.

"Ownership or investment" excludes interests of less than 1% in entities whose securities are publicly listed and have \$75 million or more of stockholders equity.

5. **Potential Conflict of Interests:** A Financial Interest is not necessarily a conflict of interests. Directors have a duty to disclose all Financial Interests for purposes of evaluation. The Board or Board committee, as applicable, shall decide whether a conflict of interests exists.

Procedures

1. **Duty to Disclose**

Directors have an ongoing duty to disclose Financial Interests, when such Financial Interests may be potential or actual conflicts of interests. Directors have a duty to disclose Financial Interests relating to specific corporate transactions, annually, and otherwise during the year, in accordance with the procedures below.

2. **Disclosures Related to Specific Corporate Transactions**

When a potential conflict of interests arises or any situation arises in which a Director may be in doubt, the Director must disclose the material facts to the other Board members or Board committee. Disclosure of the Financial Interest shall be made prior to the Board or committee voting on such transaction or arrangement. Such disclosure may be made in person or in writing, as the Chair of the Board or committee may direct.

After disclosure of the Financial Interest and all material facts, the Director may be asked to clarify or provide additional information relevant to the Financial Interest. After all needed information is obtained by the Board or committee, the Director shall not be present during evaluation of the disclosure. The remaining Board or committee members shall decide if a conflict of interests exists.

If a determination is made that a conflict of interests does indeed exist, action may be taken as listed below.

- A. The Chair of the Board or committee may, if appropriate, appoint a disinterested Director or committee to consider alternatives to the proposed transaction or arrangement.
- B. After exercising due diligence, the disinterested members of the Board or committee shall determine whether the Corporation can obtain a more advantageous transaction or arrangement with reasonable efforts from a person or entity that would not give rise to a conflict of interests.
- C. If a more advantageous transaction or arrangement is not reasonably attainable under circumstances that would not give rise to a conflict of interests, the Board or committee shall determine by a majority vote of the disinterested Directors or committee members whether the transaction or arrangement is fair and reasonable to the Corporation and shall make its decision as to whether to enter into the transaction or arrangement in conformity with such determination.

- D. The Director shall not be present when the transaction is voted on and only disinterested Directors or committee members may vote to approve the transaction.
- E. At their discretion, disinterested Board or committee members may require the Director to leave the room while the proposed transaction is discussed. The disinterested members shall balance the need for independence of the determination with the need to have the Director on hand to answer questions or provide additional information to assist the Board or committee.
- F. To the extent permitted by applicable state law and the Corporation's governing documents, Directors may be counted in determining the presence of a quorum of a meeting where a potential conflict of interests has been disclosed.
- G. Prior to corporate approval of a contract or transaction in which a Financial Interest of a Director has been identified, counsel shall be consulted to determine whether any additional steps before such approval are required under California or federal law, including the California Nonprofit Corporation Law and the Internal Revenue Code and accompanying regulations.

3. Annual and Ongoing Disclosure Requirements for Directors

- A. **Annual Disclosure Statement:** The President and Chief Executive Officer of the Corporation or designee shall annually send the Conflict of Interests Disclosure Statement to all Directors, immediately following the annual meeting of the Board of Directors. Not later than January 31 of each year, each Director shall complete and sign a Conflict of Interests Disclosure Statement in the Exhibit to this policy.
- B. **Ongoing Requirements for Disclosures by Directors:** If any Financial Interest of a Director changes which gives rise to a potential or actual conflict of interests while the Director is serving, the Director shall promptly provide an updated Conflict of Interests Disclosure Statement to the Chair of the Board.
- C. Directors shall submit completed Conflict of Interests Disclosure Statements to the Chair of the Board. Conflict of Interests Disclosure Statements shall be made a matter of record.
- D. The information of each Conflict of Interests Statement can be compiled into a summary report for review by the Chair of the Board at their request.
- E. The Chair of the Board will address any conflict of interests issues.
- F. The Chair of the Board will report all Director conflict of interests findings (if any) and resolutions to the Board of Directors.

4. Documentation of Disclosures

- A. The minutes of the Board and all Board committees will contain the following:
 - i. The name of each Director who disclosed or otherwise was found to have a Financial Interest that was an actual or potential conflict of interests, a general statement as to the nature of the interest, the evaluation, and the Board's or committee's determination as to whether a conflict of interests in fact existed.
 - ii. The names of the persons who were present for discussions and votes relating to the transaction, a summary of the discussion that identifies whether any alternatives to the proposed transaction were considered, and a record of any votes taken in connection therewith.
- B. The President/CEO or designee shall maintain for 10 years a confidential record of the disclosure, evaluation of the facts, conclusion, and (if any) action taken to address the conflict.

5. Violations of this Policy

- A. If the Board or committee has reasonable cause to believe that a Director has failed to disclose an actual or potential conflict of interests, it shall inform the Director of the basis for such belief and afford the Director an opportunity to explain the alleged failure to disclose.
- B. After hearing the response of the Director and making such further investigation, as may be warranted, if the Board or committee determines that the Director has failed to disclose an actual or potential conflict of interests, it will take such action as it considers appropriate, which may include disciplinary and corrective action.

6. Members Precluded from Voting on Matters relating to Compensation

- A. **Voting Member of Board:** A voting member of the Board of Directors who receives compensation, directly or indirectly, from the Corporation for services is precluded from voting on matters pertaining to that member's compensation.
- B. **Physician Member of Board:** A physician who is a voting member of the Board of Directors and receives compensation, directly or indirectly, from the Corporation is precluded from discussing and voting on matters pertaining to the member's or another physician's compensation. No physician or physician Director, either individually or collectively, is prohibited from providing information to the Board of Directors regarding physician compensation.
- C. **Voting Member of Committee:** A voting member of any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from the Corporation for services is precluded from voting on matters pertaining to that member's compensation.

- D. Physician Participation on Committee: Physicians who receive compensation, directly or indirectly, from the Corporation, whether as employees or independent contractors, are precluded from membership on any committee whose jurisdiction includes compensation matters. No physician, either individually or collectively, is prohibited from providing information to any committee regarding physician compensation.

Section 5.6 Nomination and Election of At-Large Directors. Candidates for At-Large Directors may be recommended by any member of the Board of Directors to the Nominating Committee, constituted in accordance with Section 8.7 of these Bylaws. Except as otherwise provided in this Section 5.6, and acting by the unanimous consent or vote of all of its members, the Nominating Committee shall nominate At-Large Director candidates to the Board of Directors and the Board of Directors shall elect the Directors of this Corporation at its annual meeting or at any other time designated by the Board of Directors. Notwithstanding the foregoing, if, after taking votes on two candidates for the same Director seat, the Nominating Committee does not vote unanimously for one of two initially considered candidates, then the affirmative vote needed to formally nominate a candidate to the Board of Directors may be by simple majority of the members of the Nominating Committee. The Nominating Committee shall notify the Board of Directors in writing of nominees at least ten (10) business days in advance of any regular or special meeting of the Board of Directors at which Directors are to be

elected. At the next regular or special meeting of the Board of Directors, the Board of Directors shall either elect or reject as an At-Large Director any nominees provided by the Nominating Committee. If any Director positions remain unfilled, the nomination procedure shall be repeated and new names nominated in accordance with the procedures set forth in this Section, until all Director positions are filled.

Section 5.7 Term. Each appointed Director shall hold office for a term of one (1) year or such other period as the Board of Directors may set and until his or her successor is elected or appointed and qualified. Appointed Directors may be reappointed in accordance with Section 5.5(A) of these Bylaws.

Section 5.8 Removal and Filling of Vacancies. Any or all Directors may be removed from office, with or without cause, by the Board of Directors, except that the removal of a BM Director Appointee also requires the agreement of BMCM. The Board of Directors may declare vacant the office of a Director who has been removed; who has been declared of unsound mind by a final order of court or convicted of a felony, or who has been found, by a final order or judgment of any court, to be in breach of any duty owed to the Corporation under California law. In the event a Director shall be so removed or his or her office is declared vacant, a new Director to fill the unexpired term or terms of the Director who was removed or whose office was declared vacant may be appointed by the Board of Directors from nominees selected by the Nominating Committee, except that the vacant seat of a BM Director Appointee can only be filled by a new appointment by BMCM in accordance with Section 5.5(A) of these Bylaws. At all times the Board of Directors shall have not more than twenty percent (20%) of its members appointed by BMCM.

Section 5.9 Resignation. Any Director may resign at any time by delivering her or his resignation in writing to the Chairperson of the Board of Directors, or the Secretary or to the Board of Directors of the Corporation at its principal office; provided that, except upon notice by the Attorney General, no Director may resign if the Corporation would then be left without a duly elected Director or Directors in charge of its affairs. Such resignation shall be effective upon receipt unless specified to be effective at some other time.

Section 5.10 Compensation and Expenses. Directors may receive such reasonable compensation (within the meaning of Internal Revenue Code Section 4958), if any, for serving as Director, and advances or reimbursement for reasonable expenses, as may be fixed or determined by the Board of Directors. Directors may receive compensation from the Corporation for services rendered to it, subject to the restriction on interested Directors as set forth in Section 5.5(C).

Section 5.11 Self-Dealing Transactions. This Corporation shall not enter into self-dealing transactions. Except as provided in Section 5.11(A), for the purpose of this section, a self-dealing transaction means a transaction to which this corporation is a party and in which one or more of the members of its Board of Directors or officers has a material financial interest and which does not meet the requirements of Sections 5.11(B) or 5.11(C). Such a member of the Board of Directors is an "interested director" for the purpose of this section.

A. Exceptions. The provisions of this section do not apply to any of the following:

(1) An action of the Board of Directors fixing the compensation of a member of the Board of Directors as an officer of this corporation.

(2) A transaction which is part of a public or charitable program of this corporation if it (i) is approved or authorized by this corporation in good faith and without unjustified favoritism and (ii) results in a benefit to one or more members of the Board of Directors or their families because they are in the class of persons intended to be benefited by the public or charitable program.

(3) A transaction, of which the interested director or directors have no actual knowledge, and which does not exceed the lesser of one percent of the gross receipts of this corporation for the preceding fiscal year or one hundred thousand dollars (\$100,000).

B. Prior Board of Directors Approval. This Corporation may enter into a self-dealing transaction if all of the following facts are established:

(1) This Corporation entered into the transaction for its own benefit;

(2) The transaction was fair and reasonable as to this Corporation at the time this Corporation entered into the transaction;

(3) Prior to consummating the transaction or any part thereof the Board of Directors authorized or approved the transaction in good faith by a vote of a majority of the members of the Board of Directors then in office without counting the vote of the interested director or directors, and with knowledge of the material facts concerning the transaction and the director's interest in the transaction. Interested directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors which authorizes, approves or ratifies the contract or transaction. Except as provided in Paragraph 5.11(C)(1), action by a committee of the Board of Directors shall not satisfy this paragraph; and

(4) Prior to authorizing or approving the transaction the Board of Directors considered and in good faith determined after reasonable investigation under the circumstances that this corporation could not have obtained a more advantageous arrangement with reasonable effort under the circumstances or (ii) this corporation in fact could not have obtained a more advantageous arrangement with reasonable effort under the circumstances.

C. Subsequent Board of Directors Approval. This corporation may enter into a self-dealing transaction if all of the following facts are established:

(1) A committee or person authorized by the Board of Directors approved the transaction in a manner consistent with the standards set forth in Section 5.11(B);

(2) It was not reasonably practicable to obtain approval of the Board of Directors prior to entering into the transaction; and

(3) The Board of Directors, after determining in good faith that the conditions of subparagraphs (1) and (2) of this Section were satisfied, ratified the transaction at its next meeting by a vote of the majority of the members of the Board of Directors then in office without counting the vote of the interested director or directors. Interested directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors which authorizes, approves or ratifies the contract or transaction.

ARTICLE VI

MEETINGS OF THE BOARD OF DIRECTORS

Section 6.1 Place of Meeting. All meetings of the Board of Directors shall be held at the principal office of this Corporation or at such other place as may be designated for that purpose in the notice of the meeting or, if not stated in the notice or there is no notice, at such place as may be set by resolution of the Board.

Section 6.2 Meetings by Telephone or Electronic Communication. Directors may participate in any meeting of the Board of Directors, regular or special, through the use of conference telephone, electronic video screen communication, or electronic transmission by and to the Corporation. Participation in a meeting through conference telephone or electronic video screen communication constitutes presence in person at that meeting so long as all members participating are able to hear one another. Participation in a meeting through electronic transmission other than telephone conference or electronic video transmission constitutes presence at that meeting so long as both of the following apply: (A) each member participating in the meeting can communicate with all of the other members concurrently; (B) each member is provided the means of participating in all matters before the Board of Directors, including, without limitation, the capacity to propose, or to interpose an objection to, a specific action to be taken by the Corporation.

Section 6.3 Annual Meetings. The Board of Directors shall hold an annual meeting for the purpose of organizing the Board, the election of officers, and the transaction of such other business as may come before the meeting. The annual meeting shall be held at such time as the Board may fix by resolution from time to time. No notice of the annual meeting of the Board of Directors need be given.

Section 6.4 Regular Meetings. Regular meetings of the Board of Directors shall be held at such time as the Board may fix by resolution from time to time. No notice of any regular meeting of the Board of Directors need be given.

Section 6.5 Special Meetings. Special meetings of the Board of Directors for any purpose or purposes may be called at any time by the Chairperson of the Board or by two (2) or more Directors of this Corporation.

Section 6.6 Notice of Special Meetings. Notice of the time and place of special meetings shall be communicated personally or by telephone to each Director or sent to each Director by mail or other form of written communication, addressed to him or her at his or her address as it is shown on the records of this Corporation. Such notice, if mailed, shall be mailed at least seventy-two (72) hours prior to the time of the meeting, or if delivered personally, telephonically or telegraphically or by e-mail, shall be received at least forty-eight (48) hours prior to the time of the meeting.

Section 6.7 Waiver of Notice. Notice of a meeting need not be given to any Director who signs a waiver of notice or a written consent to hold the meeting or an approval of the minutes thereof, whether before or after the meeting, or who attends the meeting without protesting, prior thereto or at its commencement, the lack of notice. All such waivers, consents and approvals shall be filed with the corporate records or made a part of the minutes of the meeting.

Section 6.8 Quorum. At all meetings of the Board of Directors, a majority of the then serving Directors, but not less than two (2), whichever is greater, shall be necessary and sufficient to constitute a quorum for the transaction of business, except that a majority of the Directors present, whether or not a quorum, may adjourn any Directors' meeting to another time and place. The act of a majority of the Directors present at any time at which there is a quorum shall be the act of the Board of Directors, unless a greater number is required by law. Notwithstanding the previous provisions of this Section, the Directors present at a meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of Directors, so long as any action taken is approved by at least a majority of the required quorum for such meeting.

Section 6.9 Action Without Meeting. Any action required or permitted to be taken by the Board of Directors under any provision of law, the Articles of Incorporation or these Bylaws may be taken without a meeting if all of the Directors individually or collectively consent in writing to such action. Such written consent or consents shall be filed with the minutes of the proceedings of the Board. Such action by written consent shall have the same force and effect as the unanimous vote of such Directors. Any certificate or other document filed on behalf of this Corporation relating to an action taken by the Board without a meeting shall state that the action was taken by written consent of the Board of Directors without a meeting and that the Bylaws of the Corporation authorize its Directors to so act.

Section 6.10 Prohibition Against Voting by Proxy. Directors may not vote by proxy.

ARTICLE VII

In the event the Manager terminates the President/CEO or Chief Financial Officer, the Manager shall be required to provide a replacement of such officer to be approved by the Board of Directors. The Board of Directors shall have the right to require Manager to replace the President/CEO if the Board of Directors determines, in its sole judgment, that the President/CEO is unacceptable.

C. Subject to any consultation or approval requirements under the System Authority Matrix, any officer may be removed, with or without cause, by a majority of Directors then in office, at any regular or special meeting of the Board, except that if an employment agreement is in effect for any officer, its terms shall govern the removal of the officer. Should a vacancy occur in any office as a result of death, resignation, removal, disqualification or any other cause, the Board of Directors may delegate the powers and duties of such office, except as otherwise provided in these Bylaws, to any officer or to any Director until such time as a successor for such office has been elected or appointed. Any officer shall be automatically removed as such an officer upon his or her removal as a Director in accordance with the provisions of Section 5.6 of these Bylaws.

Section 7.3 Chairperson of the Board. The Chairperson of the Board shall be elected from among the Directors and shall have the powers and duties usually associated with such

Section 7.4 Vice Chairperson of the Board. The Vice Chairperson of the Board shall be elected from among the Directors and, in the absence or disability of the Chairperson of the Board, shall perform all duties of the Chairperson of the Board and, when so acting, shall have all powers of and be subject to all restrictions upon the Chairperson of the Board. In the absence of both the Chairperson of the Board and the Vice Chairperson of the Board, the Board shall select one of its members, other than the Secretary or Treasurer, to act as Chairperson of the Board.

ARTICLE VIII

COMMITTEES

Section 8.1 Generally.

A. The Board of Directors may by resolution establish (1) Committees of the Board which shall have legal authority to act for this Corporation and, as determined by the Board of Directors, the Health System, and (2) Advisory Committees. Committees may be either standing or special. Members of all committees shall serve at the pleasure of the Board. Any Committee of the Board which shall have legal authority to act for this Corporation, to the extent provided in a resolution of the Board, shall have all authority of the Board, except with respect to:

(1) The approval of any action for which the California Nonprofit Public Benefit Corporation Law or these Bylaws also require approval of a majority of this Corporation's Board of Directors;

(2) The filling of vacancies on the Board of Directors or on any committee that has the authority of the Board;

(3) The amendment or repeal of any resolution of the Board of Directors that by its express terms is not so amendable or repealable;

(4) The appointment of other committees or members thereof;

(5) The approval of any self-dealing transaction, except as provided in Section 5233(d)(3) of the California Nonprofit Public Benefit Corporation Law;

(6) Any decision with respect to the retention or termination of the Chief Executive Officer, approval or amendment of any operating or capital budget, approval of the annual audit, amendment of these Bylaws, any unbudgeted capital expenditure, or any decision with respect to the acquisition, divestiture, sale or other disposition of Corporation's assets, or the creation of any new Corporation liabilities, or the exercise of any reserved power held by the Corporation with respect to any of the Affiliates.

B. The Board of Directors shall have the power to prescribe the manner in which proceedings of any committee shall be conducted. In the absence of any such prescription, such committee shall have the power to prescribe the manner in which its proceedings shall be conducted. Unless these Bylaws, the Board or such committee shall otherwise provide, the regular and special meetings and other actions of any committee shall be governed by the provisions of Article VII of these Bylaws. Each committee shall keep minutes of its proceedings and shall report the same to the Board from time to time, as the Board of Directors may require. The Board of Directors shall review the charter of each committee governed by a charter at least once every two years.

Section 8.2 Committees of the Board. Only Directors may be appointed as voting members of Committees of the Board. Each Committee of the Board shall consist of five (5) or more Directors, with at least one (1) member of each Committee being a BM Director Appointee. The Chairperson and members of Committees of the Board shall be appointed by the Board of Directors. The Board may designate one or more Directors as alternate members of any such committee, who may replace any absent member at any meeting of the committee.

Section 8.3 Advisory Committees. Advisory Committees may consist of two or more persons and may consist of Directors only, Directors and non-Directors, or non-Directors only, and may include non-voting members and alternate members. The Chairperson and members of Advisory Committees shall be appointed by the Chairperson of the Board or the Board of Directors. Advisory Committees shall have no legal authority to act for this Corporation.

Section 8.4 Executive Committee.

A. There may be an Executive Committee which, if established, shall consist of such members of the Board of Directors as the Board may designate, and shall include at least one BM Director Appointee. The Chairperson of the Executive Committee shall be the person then serving as Chairperson of the Board. The Executive Committee shall have authority to act for this Corporation, subject to the provisions of Section 8.1(A) of these Bylaws, as to those matters which may arise and cannot be handled in the ordinary course of regular or special meetings of the Board of Directors.

B. The establishment of an Executive Committee and the delegation of authority to it shall not operate to relieve the Board of Directors or any individual Director of any responsibility imposed on it or him or her by law, by the Articles of Incorporation of this Corporation or these Bylaws.

C. The Executive Committee shall meet at such times as it deems necessary, provided that reasonable notice of all meetings of the Executive Committee shall be given to its members and no act of the Executive Committee shall be valid unless approved by the vote of a majority, or by the unanimous written consent, of its members.

Section 8.5 Audit Committee. In a fiscal year in which the Corporation's gross revenue is \$2,000,000 or more, the Corporation shall appoint an audit committee (the "Audit Committee"), shall hire an independent auditor, and shall have such auditor prepare an audited

financial statement. Such \$2,000,000 threshold excludes grants received from and contracts and services with government entities for which the governmental entity requires an accounting of funds received.

A. Members. The Audit Committee may include non-Board members, but it may not include any members of the staff, the President/CEO, or the CFO. If the Corporation has a Finance Committee, it shall be separate from the Audit Committee. The Audit Committee may include members of the Finance Committee, but such overlapping members shall constitute less than half of the Audit Committee and the chairperson of the Audit Committee may not be a member of the Finance Committee. Any person who has any material financial interest in any entity doing business with the Corporation may not serve on the Audit Committee. Each member of the Audit Committee shall serve as such until such member's successor shall be appointed by the Board of Directors. In the event that any member of the Audit Committee shall resign or cease to be a Director of the Corporation, the vacancy thus caused shall be filled by the Board. The Audit Committee shall be an Advisory Committee and shall operate in accordance with this Section 8.5 and the charter adopted by the Board of Directors as in effect from time to time. The Audit Committee shall consist of not fewer than three members, all of whom shall be or shall be capable of becoming familiar with basic financial statements and accounting principles, and all of whom shall be deemed by the Board of Directors to be free of any relationship that would interfere with independent judgment. The Audit Committee shall meet at least quarterly, and shall meet at least annually with the outside auditor or auditors of the Corporation in the absence of all members who are employees of the Corporation or any Affiliate controlled by the Corporation.

B. Duties of the Audit Committee. Subject to the supervision of the Board, the Audit Committee shall exercise the following powers, responsibilities, and duties:

- (1) To make recommendations to the Board regarding the appointment, retention, and termination of the independent auditor for the corporation and the Affiliates;
- (2) To negotiate the auditor's compensation;
- (3) To confer with the auditor to satisfy its members that the financial affairs of the corporation and the Affiliates are in order;
- (4) To review the audit and decide whether to accept it; and
- (5) To assure that any non-audit services performed by the auditor conform to the applicable independent standards and to approve such nonaudit services.

C. Compensation. No member of the Audit Committee shall receive compensation for serving on the Audit Committee. An Audit Committee member may be reimbursed for reasonable expenses incurred in attending such meetings.

D. Control by the Board. The Audit Committee shall be subject at all times to the control of the Board, which shall have the power to revise or alter any action taken by the Audit Committee; provided, however, that no rights of third parties shall be affected thereby.

Section 8.6 Financial Statements Must Be Made Available. If the Corporation prepares an audited financial statement (either in accordance with Section 8.5 above or otherwise), such audited financial statement shall be made available for inspection by the California Attorney General and by all members of the public no later than nine months after the close of the relevant fiscal year in the same manner as the corporation's Internal Revenue Service Form 990. Each annual financial statement shall be made available to the public for three years.

Section 8.7 Nominating Committee. The Nominating Committee shall be a standing advisory committee and shall be composed of five (5) Directors appointed by the Chairperson, including one BM Director Appointee. The Nominating Committee shall have the authority and responsibility to:

A. Recruit, screen, and evaluate candidates for Directors of this Corporation and other entities in which the Corporation has the right or power to appoint directors or managers and shall solicit recommendations and input from all Directors, BlueMountain Capital Management, LLC, and Manager for nominees to the Board of Directors;

B. Nominate Director nominees to the Board of Directors, and of other entities for which this Corporation has the right to appoint directors or managers; and

C. Perform such other functions as may be assigned to it by the Board of Directors.

Section 8.8 Executive Compensation Review and Approval. During any period that the President/CEO and CFO are employed by the Corporation, rather than the Manager, the Board, or any authorized Committee of the Board, shall review and approve the compensation, including benefits, of the President/CEO and the CFO to ensure that each such officer's compensation is just and reasonable. Such review and approval shall occur when the officer is initially hired; whenever the officer's term of employment is renewed or extended, and when the officer's compensation is modified, unless such modification applies to substantially all employees.

Section 8.9 Term of Office. The Chairperson and each member of a standing committee shall serve until the next election of Directors and until his or her successor is appointed or until such committee is sooner terminated or until he or she is removed, resigns or otherwise ceases to qualify as a member of the committee. The Chairperson and each member of

a special committee shall serve for the life of the committee unless they are sooner removed, resign or cease to qualify as members of such committee.

Section 8.10 Vacancies. Vacancies on any committee may be filled for the unexpired portion of the term in the same manner as provided in the case of original appointments.

Section 8.11 Quorum. At all committee meetings, a majority of committee members then serving, but not less than three (3), whichever is greater, shall be necessary and sufficient to constitute a quorum for the transaction of business, except that a majority of committee members present, whether or not a quorum, may adjourn any committee meeting to another time and place. The act of a majority of the committee members present at a meeting at which there is a quorum shall be the act of the committee. Notwithstanding previous provisions of this Section, the committee members present at a meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of committee members, so long as any action taken is approved by at least a majority of the required quorum for such meeting.

ARTICLE IX

GENERAL PROVISIONS

Such action shall be undertaken or evidenced on behalf of this Corporation by such officer, agent or proxy as the Board of Directors may appoint or, in default of any such appointment, by the Chairperson of the Board or by an officer who is also a Director and, in such case, such person may likewise appoint a proxy to vote shares.

Section 9.2 Checks, Drafts, Etc. All checks, drafts or other orders for payment of money, notes or other evidences of indebtedness issued in the name of or payable to this Corporation and any and all securities owned or held by this Corporation requiring signature for transfer shall be signed or endorsed by such person or persons and in such manner as from time to time shall be determined by the Board of Directors.

Section 9.3 Execution of Contracts. Except as otherwise provided in these Bylaws, the Board of Directors may authorize any officer or officers, agent or agents to enter into any contract or execute any instrument in the name of and on behalf of this Corporation and such authority may be general or confined to specific instances. For six fiscal years from the closing date of the System Restructuring and Support Agreement, St. Vincent Medical Center shall provide an annual amount of Charity Care (as defined below) at St. Vincent Medical Center equal to or greater than \$407,513 (the Minimum Charity Care Amount). For purposes hereof, the term "charity care" shall mean the amount of charity care costs (not charges) incurred by St. Vincent Medical Center in connection with the operation and provision of services at St. Vincent Medical Center. The definition and methodology for calculating "charity care" and the methodology for calculating "costs" shall be the same as that used by Office of Statewide Health Planning Development (OSHDP) for annual hospital reporting purposes.⁴ St. Vincent Medical Center shall use and maintain a charity care policy that is no less favorable than St. Vincent Medical Center's current charity care policy and in compliance with California and Federal law. The planning of, and any subsequent changes to, the charity care and collection policies, and charity care services provided at St. Vincent Medical Center shall be decided by the St. Vincent Medical Center Board of Directors after consultation with the Local Governing Board of Directors as set forth in Condition XI.

St. Vincent Medical Center's obligation under this Condition shall be prorated on a daily basis if the closing date of the System Restructuring and Support Agreement is a date other than the first day of St. Vincent Medical Center's fiscal year.

For the second fiscal year and each subsequent fiscal year, the Minimum Charity Care Amount shall be increased (but not decreased) by an amount equal to the Annual Percent increase, if any,

⁴ OSHPD defines charity care by contrasting charity care and bad debt. According to OSHPD, "the determination of what is classified as . . . charity care can be made by establishing whether or not the patient has the ability to pay. The patient's accounts receivable must be written off as bad debt if the patient has the ability but is unwilling to pay off the account."

in the 12 Months Percent Change: All Items Consumer Price Index for All Urban Consumers in the Los Angeles-Riverside-Orange County Consolidated Metropolitan Statistical Area Base Period: 1982-84=100" (CPI-LA, as published by the U.S. Bureau of Labor Statistics).

While the Health System Management Agreement with Integrity Healthcare, LLC is in effect, if the actual amount of charity care provided at St. Vincent Medical Center for any fiscal year is less than the Minimum Charity Care Amount (as adjusted pursuant to the above-referenced Consumer Price Index) required for such fiscal year, St. Vincent Medical Center shall pay an amount equal to the deficiency as follows: 50% of the deficiency payment as a contribution to the Daughters of Charity Health System Retirement Plan (Defined Benefit Church Plan), as defined in the System Restructuring and Support Agreement, in addition to the contributions that are required by the amortization schedule and premium payments required under Employee Retirement Income Security Act of 1974 and the Internal Revenue Code of 1986 (as amended), as set forth in section 7.3 in the System Restructuring and Support Agreement until the Defined Benefit Church Plan is fully funded, and 50% of the deficiency payment for capital expenditures as set forth in section 7.7 of the System Restructuring and Support Agreement for repairing and/or upgrading the hospital buildings and equipment including, but not limited to, seismic compliance as required in Condition XV. Such payments shall be made within four months following the end of such fiscal year.

After the closing date on the Operating Asset Purchase Agreement and the Real Estate Purchase Agreement, if the actual amount of charity care provided at St. Vincent Medical Center for any fiscal year is less than the Minimum Charity Care Amount (as adjusted pursuant to the above-referenced Consumer Price Index) required for such fiscal year, St. Vincent Medical Center shall pay an amount equal to the deficiency to one or more tax-exempt entities that provide direct health care services to residents in St. Vincent Medical Center's primary service area (17 ZIP codes), as defined on page 62 of the Health Care Impact Report, dated October 2, 2015, and attached hereto as Exhibit 1. Such payment(s) shall be made within four months following the end of such fiscal year.

The 2010 Federal Affordable Care Act may cause a reduction in future needs of charity care. Because of the impact of the Medi-Cal expansion in California and other effects from the 2010 Federal Affordable Care Act, the California Attorney General will consider adjusting the Minimum Charity Care Amount based on financial data submitted to OSHPD from time periods after implementation of the 2010 Federal Affordable Care Act. Any actual reduction will be considered "unforeseen" for purposes of Title 11, California Code of Regulations, section 999.5, subdivision (h). Once St. Vincent Medical Center submits its Annual Financial Disclosure Report to OSHPD for Fiscal Year 7/1/2015 to 6/30/2016, it may seek a request for an amendment of the Minimum Charity Care Amount beginning for Fiscal Year 7/1/2016 to 6/30/2017. The Attorney General's Decision on such a request will be issued within 90 days of the submission of all of the information required in Title 11, California Code of Regulations, section 999.5, subdivision (h)(2) and all the information requested by the Attorney General's Office.

IX.

For six fiscal years from the closing date of the System Restructuring and Support Agreement, St. Vincent Medical Center shall provide an annual amount of Community Benefit Services at St. Vincent Medical Center equal to or greater than \$1,018,762 (the "Minimum Community Benefit Services Amount") exclusive of any funds from grants. For six fiscal years, the following community benefit programs and services shall continue to be offered:

- a) Health Benefits Resource Center or similar services; and
- b) Asian Pacific Liver Center.

The planning of, and any subsequent changes to, the community benefit services provided at St. Vincent Medical Center shall be decided upon by the St. Vincent Medical Center's Board of Directors after consultation with the Local Governing Board of Directors as set forth in Condition XI.

St. Vincent Medical Center's obligation under this Condition shall be prorated on a daily basis if the effective date of the System Restructuring and Support Agreement is a date other than the first day of St. Vincent Medical Center's fiscal year.

For the second fiscal year and each subsequent fiscal year, the Minimum Community Benefit Services Amount shall be increased (but not decreased) by an amount equal to the Annual Percent increase, if any, in the 12 Months Percent Change: All Items Consumer Price Index for All Urban Consumers in the Los Angeles-Riverside-Orange County Consolidated Metropolitan Statistical Area Base Period: 1982-84=100" (CPI-LA, as published by the U.S. Bureau of Labor Statistics).

If the actual amount of community benefit services provided at St. Vincent Medical Center for any fiscal year is less than the Minimum Community Benefit Services Amount (as adjusted pursuant to the above-referenced Consumer Price Index) required for such fiscal year, St. Vincent Medical Center shall pay an amount equal to the deficiency to one or more tax-exempt entities that provide community benefit services for residents in St. Vincent Medical Center's primary service area (17 ZIP codes), as defined on page 62 of the Health Care Impact Report, dated October 2, 2015, and attached hereto as Exhibit 1. Such payment shall be made within four months following the end of such fiscal year.

The goal is to ensure that St. Vincent Medical Center's decisions or changes in these areas will not be motivated by a desire to move away from serving the Medical population. Such information and documents will also be provided to the Local Governing Board.

XI.

For five years from the closing date of the System Restructuring and Support Agreement, St. Vincent Medical Center shall have a Local Governing Board of Directors. St. Vincent Medical Center's Board of Directors shall consult with the Local Governing Board of Directors prior to making changes to medical services, community benefit programs, making capital expenditures including the spending of the funds for the "Capital Commitment" set forth in section 7.7 of the Definitive Agreement and attached hereto as Exhibit 2, making changes to the charity care and collection policies, and making changes to charity care services provided at St. Vincent Medical Center. b) If there are funds from St. Vincent Medical Center or St. Vincent Foundation previously restricted to support a specific charitable organization, such funds shall be deposited into a fund or funds at California Community Foundation restricted to continuing support for such charitable organization or organizations. XIX.

For six fiscal years from the closing date of the System Restructuring and Support Agreement, St. Vincent Medical Center shall submit to the Attorney General, no later than four months after the conclusion of each fiscal year, a report describing in detail compliance with each Condition set forth herein. The Chairman of the Board of Directors of St. Vincent Medical Center and the Chief Executive Officer at St. Vincent Medical Center shall each certify that the report is true, accurate, and complete and provide documentation of the review and approval of the report by the St. Vincent Medical Center Board of Directors and the Local Governing Board.

The Attorney General shall, at the request of a party and to the extent provided by law, keep confidential any information so produced to the extent that such information is a trade secret or is privileged under state or federal law, or if the private interest in maintaining confidentiality clearly outweighs the public interest in disclosure.

XXI.

Once the System Restructuring and Support Agreement is closed, all parties listed in Condition I, Integrity Healthcare, LLC, a Delaware limited liability company, BlueMountain Capital Management, LLC, a Delaware limited liability company, and any other parties referenced in the agreements listed in Condition II, are deemed to have explicitly and implicitly consented to the applicability and compliance with each and every Condition and to have waived any right to seek judicial relief with respect to each and every Condition.

The Attorney General reserves the right to enforce each and every Condition set forth herein to the fullest extent provided by law. In addition to any legal remedies the Attorney General may have, the Attorney General shall be entitled to specific performance, injunctive relief, and such other equitable remedies as a court may deem appropriate for breach of any of these Conditions. BOARD OF DIRECTORS

Section 1. Powers. Subject to the provisions of this Corporation's Articles of Incorporation, these Bylaws, the Reserved Powers of the Corporate Member, the System Authority Matrix and the laws of the State of California, the activities and affairs of this Corporation shall be managed and conducted and all corporate powers shall be exercised by or under the direction of this Corporation's Board of Directors. To facilitate the management and conduct of this Corporation's activities and affairs, the Board of Directors shall establish corporate policies for, and formulate the basic rules and regulations governing the operation and management of, this Corporation and generally oversee and be responsible for the quality of care and the planning of services rendered by this Corporation. The Board of Directors may delegate the management and conduct of this Corporation's activities and affairs to any person or persons, management company, or committee however composed, provided that no delegation of authority by the Board of Directors to the Chief Executive Officer (as defined in Article VIII, Section 4 below); or anyone else, shall preclude the Board of Directors from exercising the authority required to meet its governance responsibility for the management and conduct of this Corporation's activities and affairs; and provided, further, that any delegation of powers of the Board may be made only to a committee of the Board consisting only of directors and shall be subject to the further limitations on Board committees set forth in Article IX, Section 1 of these Bylaws. The Board of Directors shall retain the right to rescind any such delegation.

Section 2. Reserved Powers of Verity as the Corporate Member; Final Action. Certain actions of the Board of Directors are subject to the Reserved Powers of Verity, acting in

its capacity as the Corporate Member of this Corporation, as set forth above in Article V of these Bylaws. Action by the Board of Directors of this Corporation that is subject to the approval of the Corporate Member pursuant to the Reserved Powers of the Corporate Member shall become final, binding action of the Corporation when such action has been approved or ratified by final action of the Corporate Member acting in accordance with these Bylaws and the bylaws of the Corporate Member.

Section 3. Number and Qualification.

(a) The Board of Directors shall consist of not less than three (3) nor more than seventeen (17) members, including at least one (1) person who is a member in good standing of the Board of Directors of Verity.

(b) The President and Chief Executive Officer of the Corporate Member shall serve as a member of the Board, *ex officio*.

(c) Restriction on Interested Directors. Not more than forty-nine percent (49%) of the persons serving on the Board of Directors at any time may be interested persons within the meaning of Section 5227 of the California Nonprofit Public Benefit Corporation Law. An interested person is (i) any person currently being compensated by this Corporation for services rendered to it within the previous twelve (12) months, whether as a full-time or part-time employee, independent contractor or otherwise, but excluding any reasonable compensation paid to a Director as Director; or (ii) any brother, sister, ancestor, descendant, spouse, brother-in-law, sister-in-law, son-in-law, daughter-in-law, mother-in-law, or father-in-law of any such person. However, any violation of the provision of this Section shall not affect the validity or enforceability of any transaction entered into by this Corporation.

Section 4. Appointment by Corporate Member. The Directors shall be appointed by Verity at each annual meeting of the Corporate Member.

Section 5. Term. Each Director (other than the President and Chief Executive Officer of the Corporate Member) shall hold office for a term of one (1) year or such other period set by the Corporate Member or until a successor is appointed and qualified or until such person sooner dies, resigns, is removed or becomes disqualified.

Section 6. Removal and Filling of Vacancies. The Board of Directors may declare vacant the office of a Director who has been declared of unsound mind by a final order of court or convicted of a felony or who has missed more than half of the meetings of the Board of Directors during any twelve-month period other than by reason of illness, or who has been found, by a final order or judgment of any court, to be in breach of any duty owed to the Corporation under Sections 5230-5239 of the California Nonprofit Public Benefit Corporation Law. In the event that such office is declared vacant, a new Director to fill the unexpired portion of the term of the Director whose office was declared vacant shall be appointed by the Corporate Member.

Section 7. Resignation. Any Director may resign at any time by delivering her or his resignation in writing to the Chairperson of the Board of Directors, the President or the Secretary or to the Board of Directors of the Corporation at its principal office; provided that, except upon

notice to the Attorney General, no director may resign if the Corporation would then be left without a duly elected Director or Directors in charge of its affairs. Such resignation shall be effective upon receipt unless specified to be effective at some other time.

Section 8. Fees and Compensation. Directors may receive such reasonable compensation (within the meaning of Internal Revenue Code Section 4958), if any, for serving as Director, and advances or reimbursement for reasonable expenses, as may be fixed or determined by the Corporate Member. Directors may receive compensation from the corporation for services rendered to it, subject to the restriction on interested Directors as set forth in Section 3(c) above of this Article VI.

Section 9. Self-Dealing Transactions. This Corporation shall not enter into self-dealing transactions. Except as provided in Section 9(a) of this Article VI, for the purpose of this Section, a self-dealing transaction means a transaction to which this corporation is a party and in which one or more of the members of its Board of Directors or officers has a material financial interest and which does not meet the requirements of Sections 9(b) or 9(c) of this Article VI. Such a member of the Board of Directors is an "interested director" for the purpose of this Section.

(a) Exceptions. The provisions of this section do not apply to any of the following:

(i) An action of the Board of Directors fixing the compensation of a member of the Board of Directors as an officer of this corporation.

(ii) A transaction which is part of a public or charitable program of this corporation if it (i) is approved or authorized by this corporation in good faith and without unjustified favoritism and (ii) results in a benefit to one or more members of the Board of Directors or their families because they are in the class of persons intended to be benefited by the public or charitable program.

(iii) A transaction, of which the interested director or directors have no actual knowledge, and which does not exceed the lesser of one percent of the gross receipts of this corporation for the preceding fiscal year or one hundred thousand dollars (\$100,000).

(b) Prior Board of Directors Approval. This Corporation may enter into a self-dealing transaction if all of the following facts are established:

(i) This Corporation entered into the transaction for its own benefit;

(ii) The transaction was fair and reasonable as to this Corporation at the time this Corporation entered into the transaction;

(iii) Prior to consummating the transaction or any part thereof the Board of Directors authorized or approved the transaction in good faith by a vote of a majority of the members of the Board of Directors then in office without counting the vote of the interested director or directors, and with knowledge of the material facts concerning the transaction and the director's interest in the transaction. Interested directors may be counted in determining the

presence of a quorum at a meeting of the Board of Directors which authorizes, approves or ratifies the contract or transaction. Except as provided in Section 9(c)(i) of this Article VI, action by a committee of the Board of Directors shall not satisfy this paragraph; and

(iv) Prior to authorizing or approving the transaction the Board of Directors considered and in good faith determined after reasonable investigation under the circumstances that this corporation could not have obtained a more advantageous arrangement with reasonable effort under the circumstances or (ii) this corporation in fact could not have obtained a more advantageous arrangement with reasonable effort under the circumstances.

(c) Subsequent Board of Directors Approval. This Corporation may enter into a self-dealing transaction if all of the following facts are established:

(i) A committee or person authorized by the Board of Directors approved the transaction in a manner consistent with the standards set forth in Section 9(b) of this Article VI;

(ii) It was not reasonably practicable to obtain approval of the Board of Directors prior to entering into the transaction; and

(iii) The Board of Directors, after determining in good faith that the conditions of subparagraphs (i) and (ii) of this subsection (c) were satisfied, ratified the transaction at its next meeting by a vote of the majority of the members of the Board of Directors then in office without counting the vote of the interested director or directors. Interested directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors which authorizes, approves or ratifies the contract or transaction.

ARTICLE VII

MEETINGS OF THE BOARD OF DIRECTORS

Section 1. Place of Meeting. All meetings of the Board of Directors shall be held at the principal office of this Corporation or at such other place as may be designated for that purpose in the notice of the meeting or, if not stated in the notice or there is no notice, at such place as may be set by resolution of the Board.

Section 2. Annual Meeting. As soon as reasonably practicable, but no later than sixty (60) days after the annual meeting of the Corporate Member, the Board of Directors shall hold an annual meeting for the purpose of organizing the Board, electing the officers and the transaction of such other business as may come before the meeting. The date of the annual meeting shall be fixed by resolution. No notice of the annual meeting of the Board of Directors need be given.

Section 3. Regular Meetings. Regular meetings of the Board of Directors shall be held at such time as the Corporate Member may fix by resolution from time to time. No notice of regular meetings of the Board of Directors need be given.

Section 4. Special Meetings. Special meetings of the Board of Directors for any purpose or purposes may be called at any time by the Chairperson of the Board or by two (2) or more Directors of this Corporation, or by the Corporate Member.

Section 5. Notice of Special Meetings. Notice of the time and place of special meetings shall be communicated personally or by telephone to each Director or sent to each Director by mail or other form of written communication (including e-mail), addressed to such Director at her or his address as it is shown on the records of this Corporation. Such notice, if mailed, shall be mailed at least seventy-two (72) hours prior to the time of the meeting, or if delivered personally, telephonically or telegraphically or by e-mail, shall be received at least forty-eight (48) hours prior to the time of the meeting.

Section 6. Waiver of Notice. Notice of a meeting need not be given to any Director who signs a waiver of notice or a written consent to hold the meeting or an approval of the minutes thereof, whether before or after the meeting, or who attends the meeting without protesting, prior thereto or at its commencement, the lack of notice. All such waivers, consents and approvals shall be filed with the corporate records or made a part of the minutes of the meeting.

Section 7. Quorum. At all meetings of the Board of Directors, a majority of the then serving Directors, but not less than two (2), whichever is greater, shall be necessary and sufficient to constitute a quorum for the transaction of business, except that a majority of the Directors present, whether or not a quorum, may adjourn any Directors meeting to another time and place. The act of a majority of the Directors present at any meeting at which there is a quorum shall be the act of the Board of Directors, unless a greater number is required by law. Notwithstanding the previous provisions of this Section, the Directors present at a meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of Directors, so long as any action taken is approved by at least a majority of the required quorum for such meeting.

Section 8. Action Without Meeting. Any action required or permitted to be taken by the Board of Directors may be taken without a meeting if all of the Directors individually or collectively shall consent in writing to such action. Such written consent or consents shall be filed with the minutes of the proceedings of the Board. Such action by written consent shall have the same force and effect as the unanimous vote of such Directors. Any certificate or other document filed on behalf of this Corporation relating to an action taken by the Board without a meeting shall state that the action was taken by written consent of the Board of Directors without a meeting and that the Bylaws of the Corporation authorize its Directors to so act.

Section 9. Telephonic Meeting. Directors may participate in a meeting of the Board through the use of conference telephone or similar communication equipment, as long as all Directors participating in such meeting can hear one another. Participation in this manner shall constitute presence in person at such meeting.

Section 10. Prohibition Against Voting by Proxy. Directors may not vote by proxy.

(a) The officers of this Corporation shall include a Chairperson of the Board, a Vice Chairperson of the Board, a President and Chief Executive Officer ("CEO"), a Chief Financial Officer ("CFO"), a Secretary and a Chief Medical Officer ("CMO"), all of whom shall be selected in accordance with the provisions of this Article VIII. Reference to Policy/Procedure #: 04.01.02 Conflict of Interests Disclosures by Covered
Associates, Physician Leaders, and Other
Designated Persons

Purpose

The purpose of this policy is to protect the Corporation's interests when it is contemplating entering into a transaction or arrangement that may also benefit a Director and/or family member personally.

This policy applies to Board members, Board officers, and members of Board committees, herein referred to as "Directors". A related policy (Policy/Procedure 04.01.02 "Conflict of Interests Disclosures by Covered Associates, Physician Leaders, and Other Designated Persons") applies to associates (including employed officers and other members of senior management) and physician leaders. A conflict of interests exists when a Director has a personal financial interest that may influence the decisions that the Director makes on behalf of the Corporation.

This policy provides a systematic and ongoing method of assisting Directors in disclosing and addressing potential and actual conflicts of interests.

Principles

Directors must exercise their fiduciary duties in a manner consistent with the mission and values of Daughters of Charity Health System (DCHS). Directors must exercise the utmost good faith and fair dealing in all transactions touching their duties to the Corporation, scrupulously avoiding conflicts of interests, whether potential, actual or perceived, to ensure that the Corporation and its Board of Directors conduct activities in a fair and unbiased manner.

Definitions

For the purpose of this Policy/Procedure, the following definitions apply:

1. **Corporation:** DCHS and its affiliates including, but not limited to, O'Connor Hospital, Saint Louise Regional Hospital, St. Francis Medical Center, St. Vincent Medical Center, St. Vincent Dialysis Center, Seton Medical Center, Seton Coastsides, Caritas Business Services, O'Connor Hospital Foundation, Saint Louise Regional Hospital Foundation, Seton Health Services Foundation, St. Francis Medical Center of Lynwood Foundation, St. Vincent Foundation, and the DCHS Medical Foundation.
2. **Family:** Anyone related to the Director through blood, marriage, adoption, domestic partnership, or anyone living in the Director's household.
3. **Favors:** Something offered without requesting the monetary value in return, such as discounts, meals, entertainment, tuition, seminars, and conferences.
4. **Financial Interest:** A Director or Family member has, directly or indirectly, a current or potential
 - Ownership or investment interest in; or
 - Compensation arrangement with; or
 - Other economic interest in any of the following:
 - i. The Corporation; or
 - ii. Any entity or individual with which the Corporation has a transaction or arrangement; or
 - iii. Any entity or individual with which the Corporation is negotiating a transaction or arrangement; or
 - iv. Any entity or individual that competes with the Corporation.

"Compensation" includes direct and/or indirect remuneration, as well as gifts or Favors in excess of \$300 in any calendar year.

"Ownership or investment" excludes interests of less than 1% in entities whose securities are publicly listed and have \$75 million or more of stockholders equity.

5. **Potential Conflict of Interests:** A Financial Interest is not necessarily a conflict of interests. Directors have a duty to disclose all Financial Interests for purposes of evaluation. The Board or Board committee, as applicable, shall decide whether a conflict of interests exists.

Procedures

1. Duty to Disclose

Directors have an ongoing duty to disclose Financial Interests, when such Financial Interests may be potential or actual conflicts of interests. Directors have a duty to disclose Financial Interests relating to specific corporate transactions, annually, and otherwise during the year, in accordance with the procedures below.

2. Disclosures Related to Specific Corporate Transactions

When a potential conflict of interests arises or any situation arises in which a Director may be in doubt, the Director must disclose the material facts to the other Board members or Board committee. Disclosure of the Financial Interest shall be made prior to the Board or committee voting on such transaction or arrangement. Such disclosure may be made in person or in writing, as the Chair of the Board or committee may direct.

After disclosure of the Financial Interest and all material facts, the Director may be asked to clarify or provide additional information relevant to the Financial Interest. After all needed information is obtained by the Board or committee, the Director shall not be present during evaluation of the disclosure. The remaining Board or committee members shall decide if a conflict of interests exists.

If a determination is made that a conflict of interests does indeed exist, action may be taken as listed below.

- A. The Chair of the Board or committee may, if appropriate, appoint a disinterested Director or committee to consider alternatives to the proposed transaction or arrangement.
- B. After exercising due diligence, the disinterested members of the Board or committee shall determine whether the Corporation can obtain a more advantageous transaction or arrangement with reasonable efforts from a person or entity that would not give rise to a conflict of interests.
- C. If a more advantageous transaction or arrangement is not reasonably attainable under circumstances that would not give rise to a conflict of interests, the Board or committee shall determine by a majority vote of the disinterested Directors or committee members whether the transaction or arrangement is fair and reasonable to the Corporation and shall make its decision as to whether to enter into the transaction or arrangement in conformity with such determination.

- D. The Director shall not be present when the transaction is voted on and only disinterested Directors or committee members may vote to approve the transaction.
- E. At their discretion, disinterested Board or committee members may require the Director to leave the room while the proposed transaction is discussed. The disinterested members shall balance the need for independence of the determination with the need to have the Director on hand to answer questions or provide additional information to assist the Board or committee.
- F. To the extent permitted by applicable state law and the Corporation's governing documents, Directors may be counted in determining the presence of a quorum of a meeting where a potential conflict of interests has been disclosed.
- G. Prior to corporate approval of a contract or transaction in which a Financial Interest of a Director has been identified, counsel shall be consulted to determine whether any additional steps before such approval are required under California or federal law, including the California Nonprofit Corporation Law and the Internal Revenue Code and accompanying regulations.

3. Annual and Ongoing Disclosure Requirements for Directors

- A. **Annual Disclosure Statement:** The President and Chief Executive Officer of the Corporation or designee shall annually send the Conflict of Interests Disclosure Statement to all Directors, immediately following the annual meeting of the Board of Directors. Not later than January 31 of each year, each Director shall complete and sign a Conflict of Interests Disclosure Statement in the Exhibit to this policy.
- B. **Ongoing Requirements for Disclosures by Directors:** If any Financial Interest of a Director changes which gives rise to a potential or actual conflict of interests while the Director is serving, the Director shall promptly provide an updated Conflict of Interests Disclosure Statement to the Chair of the Board.
- C. Directors shall submit completed Conflict of Interests Disclosure Statements to the Chair of the Board. Conflict of Interests Disclosure Statements shall be made a matter of record.
- D. The information of each Conflict of Interests Statement can be compiled into a summary report for review by the Chair of the Board at their request.
- E. The Chair of the Board will address any conflict of interests issues.
- F. The Chair of the Board will report all Director conflict of interests findings (if any) and resolutions to the Board of Directors.

4. Documentation of Disclosures

- A. The minutes of the Board and all Board committees will contain the following:
 - i. The name of each Director who disclosed or otherwise was found to have a Financial Interest that was an actual or potential conflict of interests, a general statement as to the nature of the interest, the evaluation, and the Board's or committee's determination as to whether a conflict of interests in fact existed.
 - ii. The names of the persons who were present for discussions and votes relating to the transaction, a summary of the discussion that identifies whether any alternatives to the proposed transaction were considered, and a record of any votes taken in connection therewith.
- B. The President/CEO or designee shall maintain for 10 years a confidential record of the disclosure, evaluation of the facts, conclusion, and (if any) action taken to address the conflict.

5. Violations of this Policy

- A. If the Board or committee has reasonable cause to believe that a Director has failed to disclose an actual or potential conflict of interests, it shall inform the Director of the basis for such belief and afford the Director an opportunity to explain the alleged failure to disclose.
- B. After hearing the response of the Director and making such further investigation, as may be warranted, if the Board or committee determines that the Director has failed to disclose an actual or potential conflict of interests, it will take such action as it considers appropriate, which may include disciplinary and corrective action.

6. Members Precluded from Voting on Matters relating to Compensation

- A. Voting Member of Board: A voting member of the Board of Directors who receives compensation, directly or indirectly, from the Corporation for services is precluded from voting on matters pertaining to that member's compensation.
- B. Physician Member of Board: A physician who is a voting member of the Board of Directors and receives compensation, directly or indirectly, from the Corporation is precluded from discussing and voting on matters pertaining to the member's or another physician's compensation. No physician or physician Director, either individually or collectively, is prohibited from providing information to the Board of Directors regarding physician compensation.
- C. Voting Member of Committee: A voting member of any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from the Corporation for services is precluded from voting on matters pertaining to that member's compensation.

D. Physician Participation on Committee: Physicians who receive compensation, directly or indirectly, from the Corporation, whether as employees or independent contractors, are precluded from membership on any committee whose jurisdiction includes compensation matters. No physician, either individually or collectively, is prohibited from providing information to any committee regarding physician compensation.

(2) the remainder shall be persons nominated by the Nominating Committee as provided in Section 5.4 of these Bylaws and elected by the Board of Directors (the "At-Large Directors").

B. Qualifications.

(1) At-Large Directors recommended by the Nominating Committee shall be selected in a manner that meets any applicable requirements for the Corporation to maintain its tax-exempt status. Collectively, the At-Large Directors shall have the experience and expertise appropriate to fulfillment of their fiduciary duties as independent directors of a California nonprofit public benefit corporation. In the ordinary course, this means they will have experience in complex business operations and have had involvement in non-profit tax-exempt organizations. They will have exercised judgment in challenging business settings, and will have experience in working with teams in reaching goals. The At-Large Directors shall have demonstrated a willingness to commit support for

the mission of the Corporation and training and experience in matters relevant to service as a member of the Board of Directors through:

- (1) participation in community affairs or in the work of other charitable organizations;
- (2) ability and willingness to contribute to the achievement of the purposes of the Corporation;
- (3) awareness of the objectives of the Corporation as they relate to the health needs of the Corporation's service area; and
- (4) such other criteria as may be recommended to the Nominating Committee by the Board of Directors.

(2) BM Director Appointees and At-Large Directors shall not, either directly or indirectly, personally or through a family member, have any financial relationship with BMCM, or its owned or managed affiliates, and may not serve as an officer, director, contractor or employee of BMCM, any managed fund, or entity in which BMCM has an equity stake or option to purchase, except for public companies wherein BMCM has an interest of less than 10%.

C. Restriction on Interested Directors. Not more than forty-nine percent (49%) of the persons serving on the Board of Directors at any time may be interested persons. An interested person is (i) any person currently being compensated by this Corporation for services rendered to it within the previous twelve (12) months, whether as a full-time or part-time employee, independent contractor or otherwise, but excluding any reasonable compensation paid to a Director as Director; or (ii) any brother, sister, ancestor, descendant, spouse, brother-in-law, sister-in-law, son-in-law, daughter-in-law, mother-in-law or father-in-law of any such person. However, any violation of the provisions of this Section shall not affect the validity or enforceability of any transaction entered into by this Corporation.

Section 5.6 Nomination and Election of At-Large Directors. Candidates for At-Large Directors may be recommended by any member of the Board of Directors to the Nominating Committee, constituted in accordance with Section 8.7 of these Bylaws. Except as otherwise provided in this Section 5.6, and acting by the unanimous consent or vote of all of its members, the Nominating Committee shall nominate At-Large Director candidates to the Board of Directors and the Board of Directors shall elect the Directors of this Corporation at its annual meeting or at any other time designated by the Board of Directors. Notwithstanding the foregoing, if, after taking votes on two candidates for the same Director seat, the Nominating Committee does not vote unanimously for one of two initially considered candidates, then the affirmative vote needed to formally nominate a candidate to the Board of Directors may be by simple majority of the members of the Nominating Committee. The Nominating Committee shall notify the Board of Directors in writing of nominees at least ten (10) business days in advance of any regular or special meeting of the Board of Directors at which Directors are to be

elected. At the next regular or special meeting of the Board of Directors, the Board of Directors shall either elect or reject as an At-Large Director any nominees provided by the Nominating Committee. If any Director positions remain unfilled, the nomination procedure shall be repeated and new names nominated in accordance with the procedures set forth in this Section, until all Director positions are filled.

Section 5.7 Term. Each appointed Director shall hold office for a term of one (1) year or such other period as the Board of Directors may set and until his or her successor is elected or appointed and qualified. Appointed Directors may be reappointed in accordance with Section 5.5(A) of these Bylaws.

Section 5.8 Removal and Filling of Vacancies. Any or all Directors may be removed from office, with or without cause, by the Board of Directors, except that the removal of a BM Director Appointee also requires the agreement of BMCM. The Board of Directors may declare vacant the office of a Director who has been removed, who has been declared of unsound mind by a final order of court or convicted of a felony, or who has been found, by a final order or judgment of any court, to be in breach of any duty owed to the Corporation under California law. In the event a Director shall be so removed or his or her office is declared vacant, a new Director to fill the unexpired term or terms of the Director who was removed or whose office was declared vacant may be appointed by the Board of Directors from nominees selected by the Nominating Committee, except that the vacant seat of a BM Director Appointee can only be filled by a new appointment by BMCM in accordance with Section 5.5(A) of these Bylaws. At all times the Board of Directors shall have not more than twenty percent (20%) of its members appointed by BMCM.

Section 5.9 Resignation. Any Director may resign at any time by delivering her or his resignation in writing to the Chairperson of the Board of Directors, or the Secretary or to the Board of Directors of the Corporation at its principal office; provided that, except upon notice by the Attorney General, no Director may resign if the Corporation would then be left without a duly elected Director or Directors in charge of its affairs. Such resignation shall be effective upon receipt unless specified to be effective at some other time.

Section 5.10 Compensation and Expenses. Directors may receive such reasonable compensation (within the meaning of Internal Revenue Code Section 4958), if any, for serving as Director, and advances or reimbursement for reasonable expenses, as may be fixed or determined by the Board of Directors. Directors may receive compensation from the Corporation for services rendered to it, subject to the restriction on interested Directors as set forth in Section 5.5(C).

Section 5.11 Self-Dealing Transactions. This Corporation shall not enter into self-dealing transactions. Except as provided in Section 5.11(A), for the purpose of this section, a self-dealing transaction means a transaction to which this corporation is a party and in which one or more of the members of its Board of Directors or officers has a material financial interest and which does not meet the requirements of Sections 5.11(B) or 5.11(C). Such a member of the Board of Directors is an "interested director" for the purpose of this section.

A. Exceptions. The provisions of this section do not apply to any of the following:

(1) An action of the Board of Directors fixing the compensation of a member of the Board of Directors as an officer of this corporation.

(2) A transaction which is part of a public or charitable program of this corporation if it (i) is approved or authorized by this corporation in good faith and without unjustified favoritism and (ii) results in a benefit to one or more members of the Board of Directors or their families because they are in the class of persons intended to be benefited by the public or charitable program.

(3) A transaction, of which the interested director or directors have no actual knowledge, and which does not exceed the lesser of one percent of the gross receipts of this corporation for the preceding fiscal year or one hundred thousand dollars (\$100,000).

B. Prior Board of Directors Approval. This Corporation may enter into a self-dealing transaction if all of the following facts are established:

(1) This Corporation entered into the transaction for its own benefit;

(2) The transaction was fair and reasonable as to this Corporation at the time this Corporation entered into the transaction;

(3) Prior to consummating the transaction or any part thereof the Board of Directors authorized or approved the transaction in good faith by a vote of a majority of the members of the Board of Directors then in office without counting the vote of the interested director or directors, and with knowledge of the material facts concerning the transaction and the director's interest in the transaction. Interested directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors which authorizes, approves or ratifies the contract or transaction. Except as provided in Paragraph 5.11(C)(1), action by a committee of the Board of Directors shall not satisfy this paragraph; and

(4) Prior to authorizing or approving the transaction the Board of Directors considered and in good faith determined after reasonable investigation under the circumstances that this corporation could not have obtained a more advantageous arrangement with reasonable effort under the circumstances or (ii) this corporation in fact could not have obtained a more advantageous arrangement with reasonable effort under the circumstances.

C. Subsequent Board of Directors Approval. This corporation may enter into a self-dealing transaction if all of the following facts are established:

(1) A committee or person authorized by the Board of Directors approved the transaction in a manner consistent with the standards set forth in Section 5.11(B);

(2) It was not reasonably practicable to obtain approval of the Board of Directors prior to entering into the transaction; and

(3) The Board of Directors, after determining in good faith that the conditions of subparagraphs (1) and (2) of this Section were satisfied, ratified the transaction at its next meeting by a vote of the majority of the members of the Board of Directors then in office without counting the vote of the interested director or directors. Interested directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors which authorizes, approves or ratifies the contract or transaction.

ARTICLE VI

MEETINGS OF THE BOARD OF DIRECTORS

Section 6.1 Place of Meeting. All meetings of the Board of Directors shall be held at the principal office of this Corporation or at such other place as may be designated for that purpose in the notice of the meeting or, if not stated in the notice or there is no notice, at such place as may be set by resolution of the Board.

Section 6.2 Meetings by Telephone or Electronic Communication. Directors may participate in any meeting of the Board of Directors, regular or special, through the use of conference telephone, electronic video screen communication, or electronic transmission by and to the Corporation. Participation in a meeting through conference telephone or electronic video screen communication constitutes presence in person at that meeting so long as all members participating are able to hear one another. Participation in a meeting through electronic transmission other than telephone conference or electronic video transmission constitutes presence at that meeting so long as both of the following apply: (A) each member participating in the meeting can communicate with all of the other members concurrently; (B) each member is provided the means of participating in all matters before the Board of Directors, including, without limitation, the capacity to propose, or to interpose an objection to, a specific action to be taken by the Corporation.

Section 6.3 Annual Meetings. The Board of Directors shall hold an annual meeting for the purpose of organizing the Board, the election of officers, and the transaction of such other business as may come before the meeting. The annual meeting shall be held at such time as the Board may fix by resolution from time to time. No notice of the annual meeting of the Board of Directors need be given.

Section 6.4 Regular Meetings. Regular meetings of the Board of Directors shall be held at such time as the Board may fix by resolution from time to time. No notice of any regular meeting of the Board of Directors need be given.

Section 6.5 Special Meetings. Special meetings of the Board of Directors for any purpose or purposes may be called at any time by the Chairperson of the Board or by two (2) or more Directors of this Corporation.

Section 6.6 Notice of Special Meetings. Notice of the time and place of special meetings shall be communicated personally or by telephone to each Director or sent to each Director by mail or other form of written communication, addressed to him or her at his or her address as it is shown on the records of this Corporation. Such notice, if mailed, shall be mailed at least seventy-two (72) hours prior to the time of the meeting, or if delivered personally, telephonically or telegraphically or by e-mail, shall be received at least forty-eight (48) hours prior to the time of the meeting.

Section 6.7 Waiver of Notice. Notice of a meeting need not be given to any Director who signs a waiver of notice or a written consent to hold the meeting or an approval of the minutes thereof, whether before or after the meeting, or who attends the meeting without protesting, prior thereto or at its commencement, the lack of notice. All such waivers, consents and approvals shall be filed with the corporate records or made a part of the minutes of the meeting.

Section 6.8 Quorum. At all meetings of the Board of Directors, a majority of the then serving Directors, but not less than two (2), whichever is greater, shall be necessary and sufficient to constitute a quorum for the transaction of business, except that a majority of the Directors present, whether or not a quorum, may adjourn any Directors' meeting to another time and place. The act of a majority of the Directors present at any time at which there is a quorum shall be the act of the Board of Directors, unless a greater number is required by law. Notwithstanding the previous provisions of this Section, the Directors present at a meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of Directors, so long as any action taken is approved by at least a majority of the required quorum for such meeting.

Section 6.9 Action Without Meeting. Any action required or permitted to be taken by the Board of Directors under any provision of law, the Articles of Incorporation or these Bylaws may be taken without a meeting if all of the Directors individually or collectively consent in writing to such action. Such written consent or consents shall be filed with the minutes of the proceedings of the Board. Such action by written consent shall have the same force and effect as the unanimous vote of such Directors. Any certificate or other document filed on behalf of this Corporation relating to an action taken by the Board without a meeting shall state that the action was taken by written consent of the Board of Directors without a meeting and that the Bylaws of the Corporation authorize its Directors to so act.

Section 6.10 Prohibition Against Voting by Proxy. Directors may not vote by proxy.

ARTICLE VII

CORPORATE OFFICERS

Section 7.1 Officers.

A. The officers of this Corporation shall include a Chief Executive Officer and President (“CEO”), Chairperson of the Board, Vice Chairperson of the Board, Chief Financial Officer (“CFO”), and a Secretary, all of whom shall be selected in accordance with the provisions of this Article VII. Any number of such offices may be held by the same person, but neither the Chairperson of the Board nor the President/CEO may serve concurrently as the Secretary or CFO of this Corporation.

B. Except as otherwise set forth in these Bylaws, the officers of this Corporation shall be chosen annually by the Board of Directors and shall hold office until his or her resignation or removal by the Board of Directors or, in the case of the President/CEO and Chief Financial Officer, by the Manager (during any time that the Management Agreement is in effect), other disqualification to serve, or until his or her successor shall be elected and qualified. Notwithstanding any provision to the contrary in these Bylaws, as long as the Management Agreement remains in effect and has not terminated or expired, the Manager (as defined in the Management Agreement) will be obligated to provide an acceptable President/CEO and Chief Financial Officer, all as set forth under the terms and conditions of the Management Agreement, and will have the right to terminate or remove the Chief Executive Officer and President and Chief Financial Officer, without the approval of the Board of Directors. In the event the Manager terminates the President/CEO or Chief Financial Officer, the Manager shall be required to provide a replacement of such officer to be approved by the Board of Directors. The Board of Directors shall have the right to require Manager to replace the President/CEO if the Board of Directors determines, in its sole judgment, that the President/CEO is unacceptable.

C. The Board of Directors may appoint such other officers from among the members of the Board of Directors, such as one or more assistant secretaries or treasurers, as the business of this Corporation may require, each of whom shall hold office for such period, have such authority and perform such duties as are provided in these Bylaws or as the Board of Directors from time to time may authorize.

Section 7.2 Removal of Officers. Subject to any consultation or approval requirements under the System Authority Matrix, any officer may be removed, with or without cause, by a majority of Directors then in office, at any regular or special meeting of the Board, except that if an employment agreement is in effect for any officer, its terms shall govern the removal of the officer. Should a vacancy occur in any office as a result of death, resignation, removal, disqualification or any other cause, the Board of Directors may delegate the powers and duties of such office, except as otherwise provided in these Bylaws, to any officer or to any Director until such time as a successor for such office has been elected or appointed. Any officer shall be automatically removed as such an officer upon his or her removal as a Director in accordance with the provisions of Section 5.6 of these Bylaws.

Section 7.3 Chairperson of the Board. The Chairperson of the Board shall be elected from among the Directors and shall have the powers and duties usually associated with such

office. The Chairperson of the Board shall preside over meetings of the Board of Directors, supervise activities of the Board, and serve as an ex-officio voting member of all Board committees.

Section 7.4 Vice Chairperson of the Board. The Vice Chairperson of the Board shall be elected from among the Directors and, in the absence or disability of the Chairperson of the Board, shall perform all duties of the Chairperson of the Board and, when so acting, shall have all powers of and be subject to all restrictions upon the Chairperson of the Board. In the absence of both the Chairperson of the Board and the Vice Chairperson of the Board, the Board shall select one of its members, other than the Secretary or Treasurer, to act as Chairperson of the Board.

Section 7.5 Secretary. The Secretary shall give or cause to be given notice of all meetings of the Board of Directors required by these Bylaws or by law. He or she shall keep the corporate seal in safe custody and shall have such other powers and perform such other duties as may be prescribed by the Board of Directors or these Bylaws.

The books of account shall at all times be open to inspection by any Director, or the Corporate Member. The President and Chief Executive Officer may be an ex-officio voting member of all Advisory Committees, if so determined by the Board of Directors. He or she shall have the general powers and duties of management usually vested in the chief executive officer under the California Nonprofit Public Benefit Corporation Law and shall have other powers and duties as may be prescribed by this Corporation's Board of Directors, these Bylaws, and the System Authority Matrix.

acceptance of the resignation is without prejudice to the rights, if any, of the Corporation under any contract to which the officer is a party.

Section 7.11 Vacancies. A vacancy in any office because of death, resignation, removal, disqualification or any other cause shall be filled in the manner prescribed in these Bylaws for regular appointments to that office.

ARTICLE VIII

COMMITTEES

Section 8.1 Generally.

A. The Board of Directors may by resolution establish (1) Committees of the Board which shall have legal authority to act for this Corporation and, as determined by the Board of Directors, the Health System, and (2) Advisory Committees. Committees may be either standing or special. Members of all committees shall serve at the pleasure of the Board. Any Committee of the Board which shall have legal authority to act for this Corporation, to the extent provided in a resolution of the Board, shall have all authority of the Board, except with respect to:

(1) The approval of any action for which the California Nonprofit Public Benefit Corporation Law or these Bylaws also require approval of a majority of this Corporation's Board of Directors;

(2) The filling of vacancies on the Board of Directors or on any committee that has the authority of the Board;

(3) The amendment or repeal of any resolution of the Board of Directors that by its express terms is not so amendable or repealable;

(4) The appointment of other committees or members thereof;

(5) The approval of any self-dealing transaction, except as provided in Section 5233(d)(3) of the California Nonprofit Public Benefit Corporation Law;

(6) Any decision with respect to the retention or termination of the Chief Executive Officer, approval or amendment of any operating or capital budget, approval of the annual audit, amendment of these Bylaws, any unbudgeted capital expenditure, or any decision with respect to the acquisition, divestiture, sale or other disposition of Corporation's assets, or the creation of any new Corporation liabilities, or the exercise of any reserved power held by the Corporation with respect to any of the Affiliates.

B. The Board of Directors shall have the power to prescribe the manner in which proceedings of any committee shall be conducted. In the absence of any such prescription, such committee shall have the power to prescribe the manner in which its proceedings shall be conducted. Unless these Bylaws, the Board or such committee shall otherwise provide, the regular and special meetings and other actions of any committee shall be governed by the provisions of Article VII of these Bylaws. Each committee shall keep minutes of its proceedings and shall report the same to the Board from time to time, as the Board of Directors may require. The Board of Directors shall review the charter of each committee governed by a charter at least once every two years.

Section 8.2 Committees of the Board. Only Directors may be appointed as voting members of Committees of the Board. Each Committee of the Board shall consist of five (5) or more Directors, with at least one (1) member of each Committee being a BM Director Appointee. The Chairperson and members of Committees of the Board shall be appointed by the Board of Directors. The Board may designate one or more Directors as alternate members of any such committee, who may replace any absent member at any meeting of the committee.

Section 8.3 Advisory Committees. Advisory Committees may consist of two or more persons and may consist of Directors only, Directors and non-Directors, or non-Directors only, and may include non-voting members and alternate members. The Chairperson and members of Advisory Committees shall be appointed by the Chairperson of the Board or the Board of Directors. Advisory Committees shall have no legal authority to act for this Corporation.

Section 8.4 Executive Committee.

A. There may be an Executive Committee which, if established, shall consist of such members of the Board of Directors as the Board may designate, and shall include at least one BM Director Appointee. The Chairperson of the Executive Committee shall be the person then serving as Chairperson of the Board. The Executive Committee shall have authority to act for this Corporation, subject to the provisions of Section 8.1(A) of these Bylaws, as to those matters which may arise and cannot be handled in the ordinary course of regular or special meetings of the Board of Directors.

B. The establishment of an Executive Committee and the delegation of authority to it shall not operate to relieve the Board of Directors or any individual Director of any responsibility imposed on it or him or her by law, by the Articles of Incorporation of this Corporation or these Bylaws.

C. The Executive Committee shall meet at such times as it deems necessary, provided that reasonable notice of all meetings of the Executive Committee shall be given to its members and no act of the Executive Committee shall be valid unless approved by the vote of a majority, or by the unanimous written consent, of its members.

Section 8.5 Audit Committee. In a fiscal year in which the Corporation's gross revenue is \$2,000,000 or more, the Corporation shall appoint an audit committee (the "Audit Committee"), shall hire an independent auditor, and shall have such auditor prepare an audited

financial statement. Such \$2,000,000 threshold excludes grants received from and contracts and services with government entities for which the governmental entity requires an accounting of funds received.

A. Members. The Audit Committee may include non-Board members, but it may not include any members of the staff, the President/CEO, or the CFO. If the Corporation has a Finance Committee, it shall be separate from the Audit Committee. The Audit Committee may include members of the Finance Committee, but such overlapping members shall constitute less than half of the Audit Committee and the chairperson of the Audit Committee may not be a member of the Finance Committee. Any person who has any material financial interest in any entity doing business with the Corporation may not serve on the Audit Committee. Each member of the Audit Committee shall serve as such until such member's successor shall be appointed by the Board of Directors. In the event that any member of the Audit Committee shall resign or cease to be a Director of the Corporation, the vacancy thus caused shall be filled by the Board. The Audit Committee shall be an Advisory Committee and shall operate in accordance with this Section 8.5 and the charter adopted by the Board of Directors as in effect from time to time. The Audit Committee shall consist of not fewer than three members, all of whom shall be or shall be capable of becoming familiar with basic financial statements and accounting principles, and all of whom shall be deemed by the Board of Directors to be free of any relationship that would interfere with independent judgment. The Audit Committee shall meet at least quarterly, and shall meet at least annually with the outside auditor or auditors of the Corporation in the absence of all members who are employees of the Corporation or any Affiliate controlled by the Corporation.

B. Duties of the Audit Committee. Subject to the supervision of the Board, the Audit Committee shall exercise the following powers, responsibilities, and duties:

- (1) To make recommendations to the Board regarding the appointment, retention, and termination of the independent auditor for the corporation and the Affiliates;
- (2) To negotiate the auditor's compensation;
- (3) To confer with the auditor to satisfy its members that the financial affairs of the corporation and the Affiliates are in order;
- (4) To review the audit and decide whether to accept it; and
- (5) To assure that any non-audit services performed by the auditor conform to the applicable independent standards and to approve such nonaudit services.

C. Compensation. No member of the Audit Committee shall receive compensation for serving on the Audit Committee. An Audit Committee member may be reimbursed for reasonable expenses incurred in attending such meetings.

D. Control by the Board. The Audit Committee shall be subject at all times to the control of the Board, which shall have the power to revise or alter any action taken by the Audit Committee; provided, however, that no rights of third parties shall be affected thereby.

Section 8.6 Financial Statements Must Be Made Available. If the Corporation prepares an audited financial statement (either in accordance with Section 8.5 above or otherwise), such audited financial statement shall be made available for inspection by the California Attorney General and by all members of the public no later than nine months after the close of the relevant fiscal year in the same manner as the corporation's Internal Revenue Service Form 990. Each annual financial statement shall be made available to the public for three years.

Section 8.7 Nominating Committee. The Nominating Committee shall be a standing advisory committee and shall be composed of five (5) Directors appointed by the Chairperson, including one BM Director Appointee. The Nominating Committee shall have the authority and responsibility to:

A. Recruit, screen, and evaluate candidates for Directors of this Corporation and other entities in which the Corporation has the right or power to appoint directors or managers and shall solicit recommendations and input from all Directors, BlueMountain Capital Management, LLC, and Manager for nominees to the Board of Directors;

B. Nominate Director nominees to the Board of Directors, and of other entities for which this Corporation has the right to appoint directors or managers; and

C. Perform such other functions as may be assigned to it by the Board of Directors.

Section 8.8 Executive Compensation Review and Approval. During any period that the President/CEO and CFO are employed by the Corporation, rather than the Manager, the Board, or any authorized Committee of the Board, shall review and approve the compensation, including benefits, of the President/CEO and the CFO to ensure that each such officer's compensation is just and reasonable. Such review and approval shall occur when the officer is initially hired; whenever the officer's term of employment is renewed or extended, and when the officer's compensation is modified, unless such modification applies to substantially all employees.

Section 8.9 Term of Office. The Chairperson and each member of a standing committee shall serve until the next election of Directors and until his or her successor is appointed or until such committee is sooner terminated or until he or she is removed, resigns or otherwise ceases to qualify as a member of the committee. The Chairperson and each member of

a special committee shall serve for the life of the committee unless they are sooner removed, resign or cease to qualify as members of such committee.

Section 8.10 Vacancies. Vacancies on any committee may be filled for the unexpired portion of the term in the same manner as provided in the case of original appointments.

Section 8.11 Quorum. At all committee meetings, a majority of committee members then serving, but not less than three (3), whichever is greater, shall be necessary and sufficient to constitute a quorum for the transaction of business, except that a majority of committee members present, whether or not a quorum, may adjourn any committee meeting to another time and place. - a) Be certified to participate in the Medi-Cal program;
- b) Maintain and have Medi-Cal Managed Care contracts with the below listed Medi-Cal Managed Care Plans to provide the same types and levels of emergency and non-emergency services at O'Connor Hospital to Medi-Cal beneficiaries (both Traditional Medi-Cal and Medi-

c) Be certified to participate in the Medicare program by maintaining a Medicare Provider Number to provide the same types and levels of emergency and non-emergency services at O'Connor Hospital to Medicare beneficiaries (both Traditional Medicare and Medicare Managed Care) as required in these Conditions.

VIII.

For six fiscal years from the closing date of the System Restructuring and Support Agreement, O'Connor Hospital shall provide an annual amount of Charity Care (as defined below) at O'Connor Hospital equal to or greater than \$3,326,708 (the Minimum Charity Care Amount). For purposes hereof, the term "charity care" shall mean the amount of charity care costs (not charges) incurred by O'Connor Hospital in connection with the operation and provision of services at O'Connor Hospital. The definition and methodology for calculating "charity care" and the methodology for calculating "costs" shall be the same as that used by Office of Statewide Health Planning Development (OSHPD) for annual hospital reporting purposes.⁴ O'Connor Hospital shall use and maintain a charity care policy that is no less favorable than O'Connor Hospital's current charity care policy and in compliance with California and Federal law. The planning of, and any subsequent changes to, the charity care and collection policies, and charity care services provided at O'Connor Hospital shall be decided by the O'Connor Hospital Board of Directors after consultation with the Local Governing Board of Directors as set forth in Condition XI.

O'Connor Hospital's obligation under this Condition shall be prorated on a daily basis if the closing date of the System Restructuring and Support Agreement is a date other than the first day of O'Connor Hospital's fiscal year.

⁴ OSHPD defines charity care by contrasting charity care and bad debt. According to OSHPD, "the determination of what is classified as . . . charity care can be made by establishing whether or not the patient has the ability to pay. The patient's accounts receivable must be written off as bad debt if the patient has the ability but is unwilling to pay off the account."

For the second fiscal year and each subsequent fiscal year, the Minimum Charity Care Amount shall be increased (but not decreased) by an amount equal to the Annual Percent increase, if any, in the 12 Months Percent Change: All Items Consumer Price Index for All Urban Consumers in the San Francisco-Oakland-San Jose, CA Consolidated Metropolitan Statistical Area Base Period: 1982-84=100" (as published by the U.S. Bureau of Labor Statistics).

While the Health System Management Agreement with Integrity Healthcare, LLC is in effect, if the actual amount of charity care provided at O'Connor Hospital for any fiscal year is less than the Minimum Charity Care Amount (as adjusted pursuant to the above-referenced Consumer Price Index) required for such fiscal year, O'Connor Hospital shall pay an amount equal to the deficiency as follows: 50% of the deficiency payment as a contribution to the Daughters of Charity Health System Retirement Plan (Defined Benefit Church Plan), as defined in the System Restructuring and Support Agreement, in addition to the contributions that are required by the amortization schedule and premium payments required under Employee Retirement Income Security Act of 1974 and the Internal Revenue Code of 1986 (as amended), as set forth in section 7.3 in the System Restructuring and Support Agreement until the Defined Benefit Church Plan is fully funded, and 50% of the deficiency payment for capital expenditures as set forth in section 7.7 of the System Restructuring and Support Agreement for repairing and/or upgrading the hospital buildings and equipment including, but not limited to, seismic compliance as required in Condition XV. Such payments shall be made within four months following the end of such fiscal year.

After the closing date on the Operating Asset Purchase Agreement and the Real Estate Purchase Agreement, if the actual amount of charity care provided at O'Connor Hospital for any fiscal year is less than the Minimum Charity Care Amount (as adjusted pursuant to the above-referenced Consumer Price Index) required for such fiscal year, O'Connor Hospital shall pay an amount equal to the deficiency to one or more tax-exempt entities that provide direct health care services to residents in O'Connor Hospital's service area (25 ZIP codes), as defined on page 64 of the Health Care Impact Report, dated October 2, 2015, and attached hereto as Exhibit 1. Such payment(s) shall be made within four months following the end of such fiscal year.

The 2010 Federal Affordable Care Act may cause a reduction in future needs of charity care. Because of the impact of the Medi-Cal expansion in California and other effects from the 2010 Federal Affordable Care Act, the California Attorney General will consider adjusting the Minimum Charity Care Amount based on financial data submitted to OSHPD from time periods after implementation of the 2010 Federal Affordable Care Act. Any actual reduction will be considered "unforeseen" for purposes of Title 11, California Code of Regulations, section 999.5, subdivision (h). Once O'Connor Hospital submits its Annual Financial Disclosure Report to OSHPD for Fiscal Year 7/1/2015 to 6/30/2016, it may seek a request for an amendment of the Minimum Charity Care Amount beginning for Fiscal Year 7/1/2016 to 6/30/2017. The Attorney General's Decision on such a request will be issued within 90 days of the submission of all of the information required in Title 11, California Code of Regulations, section 999.5, subdivision (h)(2) and all the information requested by the Attorney General's Office.

IX.

For six fiscal years from the closing date of the System Restructuring and Support Agreement, O'Connor Hospital shall provide an annual amount of Community Benefit Services at O'Connor Hospital equal to or greater than \$2,751,213 (the "Minimum Community Benefit Services Amount") exclusive of any funds from grants. For six fiscal years, the following community benefit programs and services shall continue to be offered:

- a. Family Medicine Residency Program; and
- b. Health Benefits Resource Center.

The planning of, and any subsequent changes to, the community benefit services provided at O'Connor Hospital shall be decided upon by the O'Connor Hospital's Board of Directors after consultation with the Local Governing Board of Directors as set forth in Condition XI.

O'Connor Hospital's obligation under this Condition shall be prorated on a daily basis if the effective date of the System Restructuring and Support Agreement is a date other than the first day of O'Connor Hospital's fiscal year.

For the second fiscal year and each subsequent fiscal year, the Minimum Community Benefit Services Amount shall be increased (but not decreased) by an amount equal to the Annual Percent increase, if any, in the 12 Months Percent Change: All Items Consumer Price Index for All Urban Consumers in the San Francisco-Oakland-San Jose, CA Consolidated Metropolitan Statistical Area Base Period: 1982-84=100" (as published by the U.S. Bureau of Labor Statistics).

If the actual amount of community benefit services provided at O'Connor Hospital for any fiscal year is less than the Minimum Community Benefit Services Amount (as adjusted pursuant to the above-referenced Consumer Price Index) required for such fiscal year, O'Connor Hospital shall pay an amount equal to the deficiency to one or more tax-exempt entities that provide community benefit services for residents in O'Connor Hospital's service area (25 ZIP codes), as defined on page 64 of the Health Care Impact Report, dated October 2, 2015, and attached hereto as Exhibit 1. Such payment shall be made within four months following the end of such fiscal year.

X.

- d. Agreement Between the County of Santa Clara and O'Connor Hospital For Use of Automated Vital Statistics System; and
- e. County of Santa Clara Hospital Mutual Aid System Memorandum of Understanding.

O'Connor shall request that the Neonatal and Pediatric Services Regional Cooperation Agreement Between O'Connor Hospital and County of Santa Clara contract be amended to remove any requirement to comply with and any reference to the "Ethical and Religious Directives for Catholic Health Care Services" as determined by the United States Conference of Catholic Bishops.

For at least ten years from the closing date of the System Restructuring and Support Agreement, O'Connor Hospital shall provide to the Santa Clara County Public Health Department and Santa Clara County Mental Health Department information and documents related to staffing assessments, clinical guidelines, services provided, and technology needs for O'Connor Hospital. The goal is to ensure that O'Connor Hospital's decisions or changes in these areas will not be motivated by a desire to move away from serving the Medi-Cal population. Such information and documents will also be provided to the Local Governing Board.

XI.

For ten years from the closing date of the System Restructuring and Support Agreement, O'Connor Hospital shall have a Local Governing Board of Directors. O'Connor Hospital's Board of Directors shall consult with the Local Governing Board of Directors prior to making changes to medical services, community benefit programs, making capital expenditures including the spending of the funds for the "Capital Commitment" set forth in section 7.7 of the System Restructuring and Support Agreement and attached hereto as Exhibit 2, making changes to the charity care and collection policies, and making changes to charity care services provided at O'Connor Hospital. The members of the Local Governing Board shall include physicians from O'Connor Hospital's medical staff, O'Connor Hospital's Chief of Staff, one member designated by the Santa Clara County Board of Supervisors, and community representatives from O'Connor Hospital's primary service area (25 ZIP codes), as defined on page 64 of the Health Care Impact Report, dated October 2, 2015, and attached hereto as Exhibit 1, including at least one member from a local healthcare advocacy group. Such consultation shall occur at least sixty days prior to the effective date of such changes or actions unless done so on an emergency basis. The Local Governing Board's approval is required of all reports submitted to the Attorney General regarding compliance with these Conditions.

- a) The funds from O'Connor Hospital Foundation, if not previously restricted to support a specific charitable organization, will be deposited into the California Community Foundation's O'Connor Hospital Fund, and used to support nonprofit tax-exempt charitable organizations, clinics and facilities in providing healthcare services to residents of O'Connor Hospital's service area (25 ZIP codes), as described on page 64 in the Healthcare Impact Report authored by Medical Development Specialists, LLC, dated October 2, 2015. (Exhibit 1.) The donated funds shall be maintained and used for the purposes specified herein for a period of at least five years.

XIX.

For eleven fiscal years from the closing date of the System Restructuring and Support Agreement, O'Connor Hospital shall submit to the Attorney General, no later than four months after the conclusion of each fiscal year, a report describing in detail compliance with each Condition set forth herein. The Chairman of the Board of Directors of O'Connor Hospital and the Chief Executive Officer at O'Connor Hospital shall each certify that the report is true, accurate, and complete and provide documentation of the review and approval of the report by the O'Connor Hospital's Board of Directors and the Local Governing Board.

The Attorney General shall, at the request of a party and to the extent provided by law, keep confidential any information so produced to the extent that such information is a trade secret or is privileged under state or federal law, or if the private interest in maintaining confidentiality clearly outweighs the public interest in disclosure.

XXI.

Once the System Restructuring and Support Agreement is closed, all parties listed in Condition I, Integrity Healthcare, LLC, a Delaware limited liability company, BlueMountain Capital Management, LLC, a Delaware limited liability company, and any other parties referenced in the agreements listed in Condition II are deemed to have explicitly and implicitly consented to the applicability and compliance with each and every Condition and to have waived any right to seek judicial relief with respect to each and every Condition.

The Attorney General reserves the right to enforce each and every Condition set forth herein to the fullest extent provided by law. In addition to any legal remedies the Attorney General may have, the Attorney General shall be entitled to specific performance, injunctive relief, and such other equitable remedies as a court may deem appropriate for breach of any of these Conditions. BOARD OF DIRECTORS

Section 1. Powers. Subject to the provisions of this Corporation's Articles of Incorporation, these Bylaws, the Reserved Powers of the Corporate Member, the System Authority Matrix and the laws of the State of California, the activities and affairs of this Corporation shall be managed and conducted and all corporate powers shall be exercised by or under the direction of this Corporation's Board of Directors. To facilitate the management and conduct of this Corporation's activities and affairs, the Board of Directors shall establish corporate policies for, and formulate the basic rules and regulations governing the operation and management of, this Corporation and generally oversee and be responsible for the quality of care and the planning of services rendered by this Corporation. The Board of Directors may delegate the management and conduct of this Corporation's activities and affairs to any person or persons, management company, or committee however composed, provided that no delegation of authority by the Board of Directors to the Chief Executive Officer (as defined in Article VIII, Section 4 below), or anyone else, shall preclude the Board of Directors from exercising the authority required to meet its governance responsibility for the management and conduct of this Corporation's activities and affairs; and provided, further, that any delegation of powers of the Board may be made only to a committee of the Board consisting only of directors and shall be subject to the further limitations on Board committees set forth in Article IX, Section 1 of these Bylaws. The Board of Directors shall retain the right to rescind any such delegation.

Section 2. Reserved Powers of Verity as the Corporate Member: Final Action. Certain actions of the Board of Directors are subject to the Reserved Powers of Verity, acting in

its capacity as the Corporate Member of this Corporation, as set forth above in Article V of these Bylaws. Action by the Board of Directors of this Corporation that is subject to the approval of the Corporate Member pursuant to the Reserved Powers of the Corporate Member shall become final, binding action of the Corporation when such action has been approved or ratified by final action of the Corporate Member acting in accordance with these Bylaws and the bylaws of the Corporate Member.

Section 3. Number and Qualification.

(a) The Board of Directors shall consist of not less than three (3) nor more than seventeen (17) members, including at least one (1) person who is a member in good standing of the Board of Directors of Verity.

(b) The President and Chief Executive Officer of the Corporate Member shall serve as a member of the Board, *ex officio*.

(c) Restriction on Interested Directors. Not more than forty-nine percent (49%) of the persons serving on the Board of Directors at any time may be interested persons within the meaning of Section 5227 of the California Nonprofit Public Benefit Corporation Law. An interested person is (i) any person currently being compensated by this Corporation for services rendered to it within the previous twelve (12) months, whether as a full-time or part-time employee, independent contractor or otherwise, but excluding any reasonable compensation paid to a Director as Director; or (ii) any brother, sister, ancestor, descendant, spouse, brother-in-law, sister-in-law, son-in-law, daughter-in-law, mother-in-law, or father-in-law of any such person. However, any violation of the provision of this Section shall not affect the validity or enforceability of any transaction entered into by this Corporation.

Section 4. Appointment by Corporate Member. The Directors shall be appointed by Verity at each annual meeting of the Corporate Member.

Section 5. Term. Each Director (other than the President and Chief Executive Officer of the Corporate Member) shall hold office for a term of one (1) year or such other period set by the Corporate Member or until a successor is appointed and qualified or until such person sooner dies, resigns, is removed or becomes disqualified.

Section 6. Removal and Filling of Vacancies. The Board of Directors may declare vacant the office of a Director who has been declared of unsound mind by a final order of court or convicted of a felony or who has missed more than half of the meetings of the Board of Directors during any twelve-month period other than by reason of illness, or who has been found, by a final order or judgment of any court, to be in breach of any duty owed to the Corporation under Sections 5230-5239 of the California Nonprofit Public Benefit Corporation Law. In the event that such office is declared vacant, a new Director to fill the unexpired portion of the term of the Director whose office was declared vacant shall be appointed by the Corporate Member.

Section 7. Resignation. Any Director may resign at any time by delivering her or his resignation in writing to the Chairperson of the Board of Directors, the President or the Secretary or to the Board of Directors of the Corporation at its principal office; provided that, except upon

notice to the Attorney General, no director may resign if the Corporation would then be left without a duly elected Director or Directors in charge of its affairs. Such resignation shall be effective upon receipt unless specified to be effective at some other time.

Section 8. Fees and Compensation. Directors may receive such reasonable compensation (within the meaning of Internal Revenue Code Section 4958), if any, for serving as Director, and advances or reimbursement for reasonable expenses, as may be fixed or determined by the Corporate Member. Directors may receive compensation from the corporation for services rendered to it, subject to the restriction on interested Directors as set forth in Section 3(c) above of this Article VI.

Section 9. Self-Dealing Transactions. This Corporation shall not enter into self-dealing transactions. Except as provided in Section 9(a) of this Article VI, for the purpose of this Section, a self-dealing transaction means a transaction to which this corporation is a party and in which one or more of the members of its Board of Directors or officers has a material financial interest and which does not meet the requirements of Sections 9(b) or 9(c) of this Article VI. Such a member of the Board of Directors is an "interested director" for the purpose of this Section.

(a) Exceptions. The provisions of this section do not apply to any of the following:

(i) An action of the Board of Directors fixing the compensation of a member of the Board of Directors as an officer of this corporation.

(ii) A transaction which is part of a public or charitable program of this corporation if it (i) is approved or authorized by this corporation in good faith and without unjustified favoritism and (ii) results in a benefit to one or more members of the Board of Directors or their families because they are in the class of persons intended to be benefited by the public or charitable program.

(iii) A transaction, of which the interested director or directors have no actual knowledge, and which does not exceed the lesser of one percent of the gross receipts of this corporation for the preceding fiscal year or one hundred thousand dollars (\$100,000).

(b) Prior Board of Directors Approval. This Corporation may enter into a self-dealing transaction if all of the following facts are established:

(i) This Corporation entered into the transaction for its own benefit;

(ii) The transaction was fair and reasonable as to this Corporation at the time this Corporation entered into the transaction;

(iii) Prior to consummating the transaction or any part thereof the Board of Directors authorized or approved the transaction in good faith by a vote of a majority of the members of the Board of Directors then in office without counting the vote of the interested director or directors, and with knowledge of the material facts concerning the transaction and the director's interest in the transaction. Interested directors may be counted in determining the

presence of a quorum at a meeting of the Board of Directors which authorizes, approves or ratifies the contract or transaction. Except as provided in Section 9(c)(i) of this Article VI, action by a committee of the Board of Directors shall not satisfy this paragraph; and

(iv) Prior to authorizing or approving the transaction the Board of Directors considered and in good faith determined after reasonable investigation under the circumstances that this corporation could not have obtained a more advantageous arrangement with reasonable effort under the circumstances or (ii) this corporation in fact could not have obtained a more advantageous arrangement with reasonable effort under the circumstances.

(c) Subsequent Board of Directors Approval. This Corporation may enter into a self-dealing transaction if all of the following facts are established:

(i) A committee or person authorized by the Board of Directors approved the transaction in a manner consistent with the standards set forth in Section 9(b) of this Article VI;

(ii) It was not reasonably practicable to obtain approval of the Board of Directors prior to entering into the transaction; and

(iii) The Board of Directors, after determining in good faith that the conditions of subparagraphs (i) and (ii) of this subsection (c) were satisfied, ratified the transaction at its next meeting by a vote of the majority of the members of the Board of Directors then in office without counting the vote of the interested director or directors. Interested directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors which authorizes, approves or ratifies the contract or transaction.

All meetings of the Board of Directors shall be held at the principal office of this Corporation or at such other place as may be designated for that purpose in the notice of the meeting or, if not stated in the notice or there is no notice, at such place as may be set by resolution of the Board.

Section 2. Annual Meeting. As soon as reasonably practicable, but no later than sixty (60) days after the annual meeting of the Corporate Member, the Board of Directors shall hold an annual meeting for the purpose of organizing the Board, electing the officers and the transaction of such other business as may come before the meeting. The date of the annual meeting shall be fixed by resolution. No notice of the annual meeting of the Board of Directors need be given.

Section 3. Regular Meetings. Regular meetings of the Board of Directors shall be held at such time as the Corporate Member may fix by resolution from time to time. No notice of regular meetings of the Board of Directors need be given.

Section 4. Special Meetings. Special meetings of the Board of Directors for any purpose or purposes may be called at any time by the Chairperson of the Board or by two (2) or more Directors of this Corporation, or by the Corporate Member.

Section 5. Notice of Special Meetings. Notice of the time and place of special meetings shall be communicated personally or by telephone to each Director or sent to each Director by mail or other form of written communication (including e-mail), addressed to such Director at her or his address as it is shown on the records of this Corporation. Such notice, if mailed, shall be mailed at least seventy-two (72) hours prior to the time of the meeting, or if delivered personally, telephonically or telegraphically or by e-mail, shall be received at least forty-eight (48) hours prior to the time of the meeting.

Section 6. Waiver of Notice. Notice of a meeting need not be given to any Director who signs a waiver of notice or a written consent to hold the meeting or an approval of the minutes thereof, whether before or after the meeting, or who attends the meeting without protesting, prior thereto or at its commencement, the lack of notice. All such waivers, consents and approvals shall be filed with the corporate records or made a part of the minutes of the meeting.

Section 7. Quorum. At all meetings of the Board of Directors, a majority of the then serving Directors, but not less than two (2), whichever is greater, shall be necessary and sufficient to constitute a quorum for the transaction of business, except that a majority of the Directors present, whether or not a quorum, may adjourn any Directors meeting to another time and place. The act of a majority of the Directors present at any meeting at which there is a quorum shall be the act of the Board of Directors, unless a greater number is required by law. Notwithstanding the previous provisions of this Section, the Directors present at a meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of Directors, so long as any action taken is approved by at least a majority of the required quorum for such meeting.

Section 8. Action Without Meeting. Any action required or permitted to be taken by the Board of Directors may be taken without a meeting if all of the Directors individually or collectively shall consent in writing to such action. Such written consent or consents shall be filed with the minutes of the proceedings of the Board. Such action by written consent shall have the same force and effect as the unanimous vote of such Directors. Any certificate or other document filed on behalf of this Corporation relating to an action taken by the Board without a meeting shall state that the action was taken by written consent of the Board of Directors without a meeting and that the Bylaws of the Corporation authorize its Directors to so act.

Section 9. Telephonic Meeting. Directors may participate in a meeting of the Board through the use of conference telephone or similar communication equipment, as long as all Directors participating in such meeting can hear one another. Participation in this manner shall constitute presence in person at such meeting.

Section 10. Prohibition Against Voting by Proxy. Directors may not vote by proxy.

DCHS POLICIES AND PROCEDURES
SECTION 04: CORPORATE RESPONSIBILITY

POLICY/PROCEDURE #: 04.01.01

TITLE: CONFLICT OF INTERESTS DISCLOSURES BY THE
BOARD OF DIRECTORS AND BOARD
COMMITTEES

BOARD APPROVAL DATE: May 23, 2008

EFFECTIVE DATE: May 23, 2008

REVISION DATE: December 2, 2011

Robert Issai, President /CEO

Reference to Policy/Procedure #: 04.01.02 Conflict of Interests Disclosures by Covered
Associates, Physician Leaders, and Other
Designated Persons

Purpose

The purpose of this policy is to protect the Corporation's interests when it is contemplating entering into a transaction or arrangement that may also benefit a Director and/or family member personally.

This policy applies to Board members, Board officers, and members of Board committees, herein referred to as "Directors". A related policy (Policy/Procedure 04.01.02 "Conflict of Interests Disclosures by Covered Associates, Physician Leaders, and Other Designated Persons") applies to associates (including employed officers and other members of senior management) and physician leaders. A conflict of interests exists when a Director has a personal financial interest that may influence the decisions that the Director makes on behalf of the Corporation.

This policy provides a systematic and ongoing method of assisting Directors in disclosing and addressing potential and actual conflicts of interests.

Principles

Directors must exercise their fiduciary duties in a manner consistent with the mission and values of Daughters of Charity Health System (DCHS). Directors must exercise the utmost good faith and fair dealing in all transactions touching their duties to the Corporation, scrupulously avoiding conflicts of interests, whether potential, actual or perceived, to ensure that the Corporation and its Board of Directors conduct activities in a fair and unbiased manner.

Definitions

For the purpose of this Policy/Procedure, the following definitions apply:

1. **Corporation:** DCHS and its affiliates including, but not limited to, O'Connor Hospital, Saint Louise Regional Hospital, St. Francis Medical Center, St. Vincent Medical Center, St. Vincent Dialysis Center, Seton Medical Center, Seton Coastside, Caritas Business Services, O'Connor Hospital Foundation, Saint Louise Regional Hospital Foundation, Seton Health Services Foundation, St. Francis Medical Center of Lynwood Foundation, St. Vincent Foundation, and the DCHS Medical Foundation.
2. **Family:** Anyone related to the Director through blood, marriage, adoption, domestic partnership, or anyone living in the Director's household.
3. **Favors:** Something offered without requesting the monetary value in return, such as discounts, meals, entertainment, tuition, seminars, and conferences.
4. **Financial Interest:** A Director or Family member has, directly or indirectly, a current or potential
 - Ownership or investment interest in; or
 - Compensation arrangement with; or
 - Other economic interest in any of the following:
 - i. The Corporation; or
 - ii. Any entity or individual with which the Corporation has a transaction or arrangement; or
 - iii. Any entity or individual with which the Corporation is negotiating a transaction or arrangement; or
 - iv. Any entity or individual that competes with the Corporation.

"Compensation" includes direct and/or indirect remuneration, as well as gifts or Favors in excess of \$300 in any calendar year.

"Ownership or investment" excludes interests of less than 1% in entities whose securities are publicly listed and have \$75 million or more of stockholders equity.

5. **Potential Conflict of Interests:** A Financial Interest is not necessarily a conflict of interests. Directors have a duty to disclose all Financial Interests for purposes of evaluation. The Board or Board committee, as applicable, shall decide whether a conflict of interests exists.

Procedures

1. Duty to Disclose

Directors have an ongoing duty to disclose Financial Interests, when such Financial Interests may be potential or actual conflicts of interests. Directors have a duty to disclose Financial Interests relating to specific corporate transactions, annually, and otherwise during the year, in accordance with the procedures below.

2. Disclosures Related to Specific Corporate Transactions

When a potential conflict of interests arises or any situation arises in which a Director may be in doubt, the Director must disclose the material facts to the other Board members or Board committee. Disclosure of the Financial Interest shall be made prior to the Board or committee voting on such transaction or arrangement. Such disclosure may be made in person or in writing, as the Chair of the Board or committee may direct.

After disclosure of the Financial Interest and all material facts, the Director may be asked to clarify or provide additional information relevant to the Financial Interest. After all needed information is obtained by the Board or committee, the Director shall not be present during evaluation of the disclosure. The remaining Board or committee members shall decide if a conflict of interests exists.

If a determination is made that a conflict of interests does indeed exist, action may be taken as listed below.

- A. The Chair of the Board or committee may, if appropriate, appoint a disinterested Director or committee to consider alternatives to the proposed transaction or arrangement.
- B. After exercising due diligence, the disinterested members of the Board or committee shall determine whether the Corporation can obtain a more advantageous transaction or arrangement with reasonable efforts from a person or entity that would not give rise to a conflict of interests.
- C. If a more advantageous transaction or arrangement is not reasonably attainable under circumstances that would not give rise to a conflict of interests, the Board or committee shall determine by a majority vote of the disinterested Directors or committee members whether the transaction or arrangement is fair and reasonable to the Corporation and shall make its decision as to whether to enter into the transaction or arrangement in conformity with such determination.

- D. The Director shall not be present when the transaction is voted on and only disinterested Directors or committee members may vote to approve the transaction.
- E. At their discretion, disinterested Board or committee members may require the Director to leave the room while the proposed transaction is discussed. The disinterested members shall balance the need for independence of the determination with the need to have the Director on hand to answer questions or provide additional information to assist the Board or committee.
- F. To the extent permitted by applicable state law and the Corporation's governing documents, Directors may be counted in determining the presence of a quorum of a meeting where a potential conflict of interests has been disclosed.
- G. Prior to corporate approval of a contract or transaction in which a Financial Interest of a Director has been identified, counsel shall be consulted to determine whether any additional steps before such approval are required under California or federal law, including the California Nonprofit Corporation Law and the Internal Revenue Code and accompanying regulations.

3. Annual and Ongoing Disclosure Requirements for Directors

- A. **Annual Disclosure Statement:** The President and Chief Executive Officer of the Corporation or designee shall annually send the Conflict of Interests Disclosure Statement to all Directors, immediately following the annual meeting of the Board of Directors. Not later than January 31 of each year, each Director shall complete and sign a Conflict of Interests Disclosure Statement in the Exhibit to this policy.
- B. **Ongoing Requirements for Disclosures by Directors:** If any Financial Interest of a Director changes which gives rise to a potential or actual conflict of interests while the Director is serving, the Director shall promptly provide an updated Conflict of Interests Disclosure Statement to the Chair of the Board.
- C. Directors shall submit completed Conflict of Interests Disclosure Statements to the Chair of the Board. Conflict of Interests Disclosure Statements shall be made a matter of record.
- D. The information of each Conflict of Interests Statement can be compiled into a summary report for review by the Chair of the Board at their request.
- E. The Chair of the Board will address any conflict of interests issues.
- F. The Chair of the Board will report all Director conflict of interests findings (if any) and resolutions to the Board of Directors.

4. Documentation of Disclosures

- A. The minutes of the Board and all Board committees will contain the following:
 - i. The name of each Director who disclosed or otherwise was found to have a Financial Interest that was an actual or potential conflict of interests, a general statement as to the nature of the interest, the evaluation, and the Board's or committee's determination as to whether a conflict of interests in fact existed.
 - ii. The names of the persons who were present for discussions and votes relating to the transaction, a summary of the discussion that identifies whether any alternatives to the proposed transaction were considered, and a record of any votes taken in connection therewith.
- B. The President/CEO or designee shall maintain for 10 years a confidential record of the disclosure, evaluation of the facts, conclusion, and (if any) action taken to address the conflict.

5. Violations of this Policy

- A. If the Board or committee has reasonable cause to believe that a Director has failed to disclose an actual or potential conflict of interests, it shall inform the Director of the basis for such belief and afford the Director an opportunity to explain the alleged failure to disclose.
- B. After hearing the response of the Director and making such further investigation, as may be warranted, if the Board or committee determines that the Director has failed to disclose an actual or potential conflict of interests, it will take such action as it considers appropriate, which may include disciplinary and corrective action.

6. Members Precluded from Voting on Matters relating to Compensation

- A. Voting Member of Board: A voting member of the Board of Directors who receives compensation, directly or indirectly, from the Corporation for services is precluded from voting on matters pertaining to that member's compensation.
- B. Physician Member of Board: A physician who is a voting member of the Board of Directors and receives compensation, directly or indirectly, from the Corporation is precluded from discussing and voting on matters pertaining to the member's or another physician's compensation. No physician or physician Director, either individually or collectively, is prohibited from providing information to the Board of Directors regarding physician compensation.
- C. Voting Member of Committee: A voting member of any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from the Corporation for services is precluded from voting on matters pertaining to that member's compensation.

D. Physician Participation on Committee: Physicians who receive compensation, directly or indirectly, from the Corporation, whether as employees or independent contractors, are precluded from membership on any committee whose jurisdiction includes compensation matters. No physician, either individually or collectively, is prohibited from providing information to any committee regarding physician compensation.

7. Confidentiality Agreement

(2) BM Director Appointees and At-Large Directors shall not, either directly or indirectly, personally or through a family member, have any financial relationship with BMCM, or its owned or managed affiliates, and may not serve as an officer, director, contractor or employee of BMCM, any managed fund, or entity in which BMCM has an equity stake or option to purchase, except for public companies wherein BMCM has an interest of less than 10%.

C. Restriction on Interested Directors. Not more than forty-nine percent (49%) of the persons serving on the Board of Directors at any time may be interested persons. An interested person is (i) any person currently being compensated by this Corporation for services rendered to it within the previous twelve (12) months, whether as a full-time or part-time employee, independent contractor or otherwise, but excluding any reasonable compensation paid to a Director as Director; or (ii) any brother, sister, ancestor, descendant, spouse, brother-in-law, sister-in-law, son-in-law, daughter-in-law, mother-in-law or father-in-law of any such person. However, any violation of the provisions of this Section shall not affect the validity or enforceability of any transaction entered into by this Corporation.

Section 5.6 Nomination and Election of At-Large Directors. Candidates for At-Large Directors may be recommended by any member of the Board of Directors to the Nominating Committee, constituted in accordance with Section 8.7 of these Bylaws. Except as otherwise provided in this Section 5.6, and acting by the unanimous consent or vote of all of its members, the Nominating Committee shall nominate At-Large Director candidates to the Board of Directors and the Board of Directors shall elect the Directors of this Corporation at its annual meeting or at any other time designated by the Board of Directors. Notwithstanding the foregoing, if, after taking votes on two candidates for the same Director seat, the Nominating Committee does not vote unanimously for one of two initially considered candidates, then the affirmative vote needed to formally nominate a candidate to the Board of Directors may be by simple majority of the members of the Nominating Committee. The Nominating Committee shall notify the Board of Directors in writing of nominees at least ten (10) business days in advance of any regular or special meeting of the Board of Directors at which Directors are to be

elected. At the next regular or special meeting of the Board of Directors, the Board of Directors shall either elect or reject as an At-Large Director any nominees provided by the Nominating Committee. If any Director positions remain unfilled, the nomination procedure shall be repeated and new names nominated in accordance with the procedures set forth in this Section, until all Director positions are filled.

Section 5.7 Term. Each appointed Director shall hold office for a term of one (1) year or such other period as the Board of Directors may set and until his or her successor is elected or appointed and qualified. Appointed Directors may be reappointed in accordance with Section 5.5(A) of these Bylaws.

Section 5.8 Removal and Filling of Vacancies. Any or all Directors may be removed from office, with or without cause, by the Board of Directors, except that the removal of a BM Director Appointee also requires the agreement of BMCM. The Board of Directors may declare vacant the office of a Director who has been removed; who has been declared of unsound mind by a final order of court or convicted of a felony, or who has been found, by a final order or judgment of any court, to be in breach of any duty owed to the Corporation under California law. In the event a Director shall be so removed or his or her office is declared vacant, a new Director to fill the unexpired term or terms of the Director who was removed or whose office was declared vacant may be appointed by the Board of Directors from nominees selected by the Nominating Committee, except that the vacant seat of a BM Director Appointee can only be filled by a new appointment by BMCM in accordance with Section 5.5(A) of these Bylaws. At all times the Board of Directors shall have not more than twenty percent (20%) of its members appointed by BMCM.

Section 5.9 Resignation. Any Director may resign at any time by delivering her or his resignation in writing to the Chairperson of the Board of Directors, or the Secretary or to the Board of Directors of the Corporation at its principal office; provided that, except upon notice by the Attorney General, no Director may resign if the Corporation would then be left without a duly elected Director or Directors in charge of its affairs. Such resignation shall be effective upon receipt unless specified to be effective at some other time.

Section 5.10 Compensation and Expenses. Directors may receive such reasonable compensation (within the meaning of Internal Revenue Code Section 4958), if any, for serving as Director, and advances or reimbursement for reasonable expenses, as may be fixed or determined by the Board of Directors. Directors may receive compensation from the Corporation for services rendered to it, subject to the restriction on interested Directors as set forth in Section 5.5(C).

Section 5.11 Self-Dealing Transactions. This Corporation shall not enter into self-dealing transactions. Except as provided in Section 5.11(A), for the purpose of this section, a self-dealing transaction means a transaction to which this corporation is a party and in which one or more of the members of its Board of Directors or officers has a material financial interest and which does not meet the requirements of Sections 5.11(B) or 5.11(C). Such a member of the Board of Directors is an "interested director" for the purpose of this section.

A. Exceptions. The provisions of this section do not apply to any of the following:

(1) An action of the Board of Directors fixing the compensation of a member of the Board of Directors as an officer of this corporation.

(2) A transaction which is part of a public or charitable program of this corporation if it (i) is approved or authorized by this corporation in good faith and without unjustified favoritism and (ii) results in a benefit to one or more members of the Board of Directors or their families because they are in the class of persons intended to be benefited by the public or charitable program.

(3) A transaction, of which the interested director or directors have no actual knowledge, and which does not exceed the lesser of one percent of the gross receipts of this corporation for the preceding fiscal year or one hundred thousand dollars (\$100,000).

B. Prior Board of Directors Approval. This Corporation may enter into a self-dealing transaction if all of the following facts are established:

(1) This Corporation entered into the transaction for its own benefit;

(2) The transaction was fair and reasonable as to this Corporation at the time this Corporation entered into the transaction;

(3) Prior to consummating the transaction or any part thereof the Board of Directors authorized or approved the transaction in good faith by a vote of a majority of the members of the Board of Directors then in office without counting the vote of the interested director or directors, and with knowledge of the material facts concerning the transaction and the director's interest in the transaction. Interested directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors which authorizes, approves or ratifies the contract or transaction. Except as provided in Paragraph 5.11(C)(1), action by a committee of the Board of Directors shall not satisfy this paragraph; and

(4) Prior to authorizing or approving the transaction the Board of Directors considered and in good faith determined after reasonable investigation under the circumstances that this corporation could not have obtained a more advantageous arrangement with reasonable effort under the circumstances or (ii) this corporation in fact could not have obtained a more advantageous arrangement with reasonable effort under the circumstances.

C. Subsequent Board of Directors Approval. This corporation may enter into a self-dealing transaction if all of the following facts are established:

(1) A committee or person authorized by the Board of Directors approved the transaction in a manner consistent with the standards set forth in Section 5.11(B);

(2) It was not reasonably practicable to obtain approval of the Board of Directors prior to entering into the transaction; and

(3) The Board of Directors, after determining in good faith that the conditions of subparagraphs (1) and (2) of this Section were satisfied, ratified the transaction at its next meeting by a vote of the majority of the members of the Board of Directors then in office without counting the vote of the interested director or directors. Interested directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors which authorizes, approves or ratifies the contract or transaction.

ARTICLE VI

MEETINGS OF THE BOARD OF DIRECTORS

Section 6.1 Place of Meeting. All meetings of the Board of Directors shall be held at the principal office of this Corporation or at such other place as may be designated for that purpose in the notice of the meeting or, if not stated in the notice or there is no notice, at such place as may be set by resolution of the Board.

Section 6.2 Meetings by Telephone or Electronic Communication. Directors may participate in any meeting of the Board of Directors, regular or special, through the use of conference telephone, electronic video screen communication, or electronic transmission by and to the Corporation. Participation in a meeting through conference telephone or electronic video screen communication constitutes presence in person at that meeting so long as all members participating are able to hear one another. Participation in a meeting through electronic transmission other than telephone conference or electronic video transmission constitutes presence at that meeting so long as both of the following apply: (A) each member participating in the meeting can communicate with all of the other members concurrently; (B) each member is provided the means of participating in all matters before the Board of Directors, including, without limitation, the capacity to propose, or to interpose an objection to, a specific action to be taken by the Corporation.

Section 6.3 Annual Meetings. The Board of Directors shall hold an annual meeting for the purpose of organizing the Board, the election of officers, and the transaction of such other business as may come before the meeting. The annual meeting shall be held at such time as the Board may fix by resolution from time to time. No notice of the annual meeting of the Board of Directors need be given.

Section 6.4 Regular Meetings. Regular meetings of the Board of Directors shall be held at such time as the Board may fix by resolution from time to time. No notice of any regular meeting of the Board of Directors need be given.

Section 6.5 Special Meetings. Special meetings of the Board of Directors for any purpose or purposes may be called at any time by the Chairperson of the Board or by two (2) or more Directors of this Corporation.

Section 6.6 Notice of Special Meetings. Notice of the time and place of special meetings shall be communicated personally or by telephone to each Director or sent to each Director by mail or other form of written communication, addressed to him or her at his or her address as it is shown on the records of this Corporation. Such notice, if mailed, shall be mailed at least seventy-two (72) hours prior to the time of the meeting, or if delivered personally, telephonically or telegraphically or by e-mail, shall be received at least forty-eight (48) hours prior to the time of the meeting.

Section 6.7 Waiver of Notice. Notice of a meeting need not be given to any Director who signs a waiver of notice or a written consent to hold the meeting or an approval of the minutes thereof, whether before or after the meeting, or who attends the meeting without protesting, prior thereto or at its commencement, the lack of notice. All such waivers, consents and approvals shall be filed with the corporate records or made a part of the minutes of the meeting.

Section 6.8 Quorum. At all meetings of the Board of Directors, a majority of the then serving Directors, but not less than two (2), whichever is greater, shall be necessary and sufficient to constitute a quorum for the transaction of business, except that a majority of the Directors present, whether or not a quorum, may adjourn any Directors' meeting to another time and place. The act of a majority of the Directors present at any time at which there is a quorum shall be the act of the Board of Directors, unless a greater number is required by law. Notwithstanding the previous provisions of this Section, the Directors present at a meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of Directors, so long as any action taken is approved by at least a majority of the required quorum for such meeting.

Section 6.9 Action Without Meeting. Any action required or permitted to be taken by the Board of Directors under any provision of law, the Articles of Incorporation or these Bylaws may be taken without a meeting if all of the Directors individually or collectively consent in writing to such action. Such written consent or consents shall be filed with the minutes of the proceedings of the Board. Such action by written consent shall have the same force and effect as the unanimous vote of such Directors. Any certificate or other document filed on behalf of this Corporation relating to an action taken by the Board without a meeting shall state that the action was taken by written consent of the Board of Directors without a meeting and that the Bylaws of the Corporation authorize its Directors to so act.

Section 6.10 Prohibition Against Voting by Proxy. Directors may not vote by proxy.

ARTICLE VII

Section 7.1 Officers.

A. The officers of this Corporation shall include a Chief Executive Officer and President (“CEO”), Chairperson of the Board, Vice Chairperson of the Board, Chief Financial Officer (“CFO”), and a Secretary, all of whom shall be selected in accordance with the provisions of this Article VII. Any number of such offices may be held by the same person, but neither the Chairperson of the Board nor the President/CEO may serve concurrently as the Secretary or CFO of this Corporation.

Notwithstanding any provision to the contrary in these Bylaws, as long as the Management Agreement remains in effect and has not terminated or expired, the Manager (as defined in the Management Agreement) will be obligated to provide an acceptable President/CEO and Chief Financial Officer, all as set forth under the terms and conditions of the Management Agreement, and will have the right to terminate or remove the Chief Executive Officer and President and Chief Financial Officer, without the approval of the Board of Directors. In the event the Manager terminates the President/CEO or Chief Financial Officer, the Manager shall be required to provide a replacement of such officer to be approved by the Board of Directors. The Board of Directors shall have the right to require Manager to replace the President/CEO if the Board of Directors determines, in its sole judgment, that the President/CEO is unacceptable.

C. The Board of Directors may appoint such other officers from among the members of the Board of Directors, such as one or more assistant secretaries or treasurers, as the business of this Corporation may require, each of whom shall hold office for such period, have such authority and perform such duties as are provided in these Bylaws or as the Board of Directors from time to time may authorize.

Subject to any consultation or approval requirements under the System Authority Matrix, any officer may be removed, with or without cause, by a majority of Directors then in office, at any regular or special meeting of the Board, except that if an employment agreement is in effect for any officer, its terms shall govern the removal of the officer. Should a vacancy occur in any office as a result of death, resignation, removal, disqualification or any other cause, the Board of Directors may delegate the powers and duties of such office, except as otherwise provided in these Bylaws, to any officer or to any Director until such time as a successor for such office has been elected or appointed. Any officer shall be automatically removed as such an officer upon his or her removal as a Director in accordance with the provisions of Section 5.6 of these Bylaws.

Section 7.3 Chairperson of the Board. The Chairperson of the Board shall be elected from among the Directors and shall have the powers and duties usually associated with such

Section 7.4 Vice Chairperson of the Board. The Vice Chairperson of the Board shall be elected from among the Directors and, in the absence or disability of the Chairperson of the Board, shall perform all duties of the Chairperson of the Board and, when so acting, shall have all powers of and be subject to all restrictions upon the Chairperson of the Board. In the absence of both the Chairperson of the Board and the Vice Chairperson of the Board, the Board shall select one of its members, other than the Secretary or Treasurer, to act as Chairperson of the Board.

The President and Chief Executive Officer may be an ex-officio voting member of all Advisory Committees, if so determined by the Board of Directors. Section 7.11 Vacancies. A vacancy in any office because of death, resignation, removal, disqualification or any other cause shall be filled in the manner prescribed in these Bylaws for regular appointments to that office.

ARTICLE VIII

COMMITTEES

Section 8.1 Generally.

A. The Board of Directors may by resolution establish (1) Committees of the Board which shall have legal authority to act for this Corporation and, as determined by the Board of Directors, the Health System, and (2) Advisory Committees. Committees may be either standing or special. Members of all committees shall serve at the pleasure of the Board. Any Committee of the Board which shall have legal authority to act for this Corporation, to the extent provided in a resolution of the Board, shall have all authority of the Board, except with respect to:

(1) The approval of any action for which the California Nonprofit Public Benefit Corporation Law or these Bylaws also require approval of a majority of this Corporation's Board of Directors;

(2) The filling of vacancies on the Board of Directors or on any committee that has the authority of the Board;

(3) The amendment or repeal of any resolution of the Board of Directors that by its express terms is not so amendable or repealable;

(4) The appointment of other committees or members thereof;

(5) The approval of any self-dealing transaction, except as provided in Section 5233(d)(3) of the California Nonprofit Public Benefit Corporation Law;

(6) Any decision with respect to the retention or termination of the Chief Executive Officer, approval or amendment of any operating or capital budget, approval of the annual audit, amendment of these Bylaws, any unbudgeted capital expenditure, or any decision with respect to the acquisition, divestiture, sale or other disposition of Corporation's assets, or the creation of any new Corporation liabilities, or the exercise of any reserved power held by the Corporation with respect to any of the Affiliates.

B. The Board of Directors shall have the power to prescribe the manner in which proceedings of any committee shall be conducted. In the absence of any such prescription, such committee shall have the power to prescribe the manner in which its proceedings shall be conducted. Unless these Bylaws, the Board or such committee shall otherwise provide, the regular and special meetings and other actions of any committee shall be governed by the provisions of Article VII of these Bylaws. Each committee shall keep minutes of its proceedings and shall report the same to the Board from time to time, as the Board of Directors may require. The Board of Directors shall review the charter of each committee governed by a charter at least once every two years.

Section 8.2 Committees of the Board. Only Directors may be appointed as voting members of Committees of the Board. Each Committee of the Board shall consist of five (5) or more Directors, with at least one (1) member of each Committee being a BM Director Appointee. The Chairperson and members of Committees of the Board shall be appointed by the Board of Directors. The Board may designate one or more Directors as alternate members of any such committee, who may replace any absent member at any meeting of the committee.

Section 8.3 Advisory Committees. Advisory Committees may consist of two or more persons and may consist of Directors only, Directors and non-Directors, or non-Directors only, and may include non-voting members and alternate members. The Chairperson and members of Advisory Committees shall be appointed by the Chairperson of the Board or the Board of Directors. Advisory Committees shall have no legal authority to act for this Corporation.

Section 8.4 Executive Committee.

A. There may be an Executive Committee which, if established, shall consist of such members of the Board of Directors as the Board may designate, and shall include at least one BM Director Appointee. The Chairperson of the Executive Committee shall be the person then serving as Chairperson of the Board. The Executive Committee shall have authority to act for this Corporation, subject to the provisions of Section 8.1(A) of these Bylaws, as to those matters which may arise and cannot be handled in the ordinary course of regular or special meetings of the Board of Directors.

B. The establishment of an Executive Committee and the delegation of authority to it shall not operate to relieve the Board of Directors or any individual Director of any responsibility imposed on it or him or her by law, by the Articles of Incorporation of this Corporation or these Bylaws.

C. The Executive Committee shall meet at such times as it deems necessary, provided that reasonable notice of all meetings of the Executive Committee shall be given to its members and no act of the Executive Committee shall be valid unless approved by the vote of a majority, or by the unanimous written consent, of its members.

Section 8.5 Audit Committee. In a fiscal year in which the Corporation's gross revenue is \$2,000,000 or more, the Corporation shall appoint an audit committee (the "Audit Committee"), shall hire an independent auditor, and shall have such auditor prepare an audited

financial statement. Such \$2,000,000 threshold excludes grants received from and contracts and services with government entities for which the governmental entity requires an accounting of funds received.

A. Members. The Audit Committee may include non-Board members, but it may not include any members of the staff, the President/CEO, or the CFO. If the Corporation has a Finance Committee, it shall be separate from the Audit Committee. The Audit Committee may include members of the Finance Committee, but such overlapping members shall constitute less than half of the Audit Committee and the chairperson of the Audit Committee may not be a member of the Finance Committee. Any person who has any material financial interest in any entity doing business with the Corporation may not serve on the Audit Committee. Each member of the Audit Committee shall serve as such until such member's successor shall be appointed by the Board of Directors. In the event that any member of the Audit Committee shall resign or cease to be a Director of the Corporation, the vacancy thus caused shall be filled by the Board. The Audit Committee shall be an Advisory Committee and shall operate in accordance with this Section 8.5 and the charter adopted by the Board of Directors as in effect from time to time. The Audit Committee shall consist of not fewer than three members, all of whom shall be or shall be capable of becoming familiar with basic financial statements and accounting principles, and all of whom shall be deemed by the Board of Directors to be free of any relationship that would interfere with independent judgment. The Audit Committee shall meet at least quarterly, and shall meet at least annually with the outside auditor or auditors of the Corporation in the absence of all members who are employees of the Corporation or any Affiliate controlled by the Corporation.

B. Duties of the Audit Committee. Subject to the supervision of the Board, the Audit Committee shall exercise the following powers, responsibilities, and duties:

- (1) To make recommendations to the Board regarding the appointment, retention, and termination of the independent auditor for the corporation and the Affiliates;
- (2) To negotiate the auditor's compensation;
- (3) To confer with the auditor to satisfy its members that the financial affairs of the corporation and the Affiliates are in order;
- (4) To review the audit and decide whether to accept it; and
- (5) To assure that any non-audit services performed by the auditor conform to the applicable independent standards and to approve such nonaudit services.

C. Compensation. No member of the Audit Committee shall receive compensation for serving on the Audit Committee. An Audit Committee member may be reimbursed for reasonable expenses incurred in attending such meetings.

D. Control by the Board. The Audit Committee shall be subject at all times to the control of the Board, which shall have the power to revise or alter any action taken by the Audit Committee; provided, however, that no rights of third parties shall be affected thereby.

Section 8.6 Financial Statements Must Be Made Available. If the Corporation prepares an audited financial statement (either in accordance with Section 8.5 above or otherwise), such audited financial statement shall be made available for inspection by the California Attorney General and by all members of the public no later than nine months after the close of the relevant fiscal year in the same manner as the corporation's Internal Revenue Service Form 990. Each annual financial statement shall be made available to the public for three years.

Section 8.7 Nominating Committee. The Nominating Committee shall be a standing advisory committee and shall be composed of five (5) Directors appointed by the Chairperson, including one BM Director Appointee. The Nominating Committee shall have the authority and responsibility to:

A. Recruit, screen, and evaluate candidates for Directors of this Corporation and other entities in which the Corporation has the right or power to appoint directors or managers and shall solicit recommendations and input from all Directors, BlueMountain Capital Management, LLC, and Manager for nominees to the Board of Directors;

B. Nominate Director nominees to the Board of Directors, and of other entities for which this Corporation has the right to appoint directors or managers; and

C. Perform such other functions as may be assigned to it by the Board of Directors.

Section 8.8 Executive Compensation Review and Approval. During any period that the President/CEO and CFO are employed by the Corporation, rather than the Manager, the Board, or any authorized Committee of the Board, shall review and approve the compensation, including benefits, of the President/CEO and the CFO to ensure that each such officer's compensation is just and reasonable. Such review and approval shall occur when the officer is initially hired, whenever the officer's term of employment is renewed or extended, and when the officer's compensation is modified, unless such modification applies to substantially all employees.

Section 8.9 Term of Office. The Chairperson and each member of a standing committee shall serve until the next election of Directors and until his or her successor is appointed or until such committee is sooner terminated or until he or she is removed, resigns or otherwise ceases to qualify as a member of the committee. The Chairperson and each member of

a special committee shall serve for the life of the committee unless they are sooner removed, resign or cease to qualify as members of such committee.

Section 8.10 Vacancies. Vacancies on any committee may be filled for the unexpired portion of the term in the same manner as provided in the case of original appointments.

Section 8.11 Quorum. At all committee meetings, a majority of committee members then serving, but not less than three (3), whichever is greater, shall be necessary and sufficient to constitute a quorum for the transaction of business, except that a majority of committee members present, whether or not a quorum, may adjourn any committee meeting to another time and place. The act of a majority of the committee members present at a meeting at which there is a quorum shall be the act of the committee. Notwithstanding previous provisions of this Section, the committee members present at a meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of committee members, so long as any action taken is approved by at least a majority of the required quorum for such meeting.

ARTICLE IX

GENERAL PROVISIONS

Section 9.1 Voting Interests. The Corporation may vote any and all shares held by it in any other corporation and may exercise any and all membership rights held by it in any other corporation. Such action shall be undertaken or evidenced on behalf of this Corporation by such officer, agent or proxy as the Board of Directors may appoint or, in default of any such appointment, by the Chairperson of the Board or by an officer who is also a Director and, in such case, such person may likewise appoint a proxy to vote shares.

Section 9.2 Checks, Drafts, Etc. All checks, drafts or other orders for payment of money, notes or other evidences of indebtedness issued in the name of or payable to this Corporation and any and all securities owned or held by this Corporation requiring signature for transfer shall be signed or endorsed by such person or persons and in such manner as from time to time shall be determined by the Board of Directors.

Section 9.3 Execution of Contracts. The definition and methodology for calculating "charity care" and the methodology for calculating "costs" shall be

the same as that used by Office of Statewide Health Planning Development (OSHPD) for annual hospital reporting purposes.⁴ Saint Louise Regional Hospital shall use and maintain a charity care policy that is no less favorable than Saint Louise Regional Hospital's current charity care policy and in compliance with California and Federal law. The planning of, and any subsequent changes to, the charity care and collection policies, and charity care services provided at Saint Louise Regional Hospital shall be decided by the Saint Louise Regional Hospital Board of Directors after consultation with the Local Governing Board of Directors as set forth in Condition XII.

Saint Louise Regional Hospital's obligation under this Condition shall be prorated on a daily basis if the closing date of the System Restructuring and Support Agreement is a date other than the first day of Saint Louise Regional Hospital's fiscal year.

For the second fiscal year and each subsequent fiscal year, the Minimum Charity Care Amount shall be increased (but not decreased) by an amount equal to the Annual Percent increase, if any, in the 12 Months Percent Change: All Items Consumer Price Index for All Urban Consumers in the San Francisco-Oakland-San Jose, CA Consolidated Metropolitan Statistical Area Base Period: 1982-84=100" (as published by the U.S. Bureau of Labor Statistics).

⁴ OSHPD defines charity care by contrasting charity care and bad debt. According to OSHPD, "the determination of what is classified as . . . charity care can be made by establishing whether or not the patient has the ability to pay. The patient's accounts receivable must be written off as bad debt if the patient has the ability but is unwilling to pay off the account."

provide direct health care services to residents in Saint Louise Regional Hospital's service area (7 ZIP codes), as defined on page 60 of the Health Care Impact Report, dated October 2, 2015, and attached hereto as Exhibit 1. Such payment(s) shall be made within four months following the end of such fiscal year.

The 2010 Federal Affordable Care Act may cause a reduction in future needs of charity care. Because of the impact of the Medi-Cal expansion in California and other effects from the 2010 Federal Affordable Care Act, the California Attorney General will consider adjusting the Minimum Charity Care Amount based on financial data submitted to OSHPD from time periods after implementation of the 2010 Federal Affordable Care Act. Any actual reduction will be considered "unforeseen" for purposes of Title 11, California Code of Regulations, section 999.5, subdivision (h). Once Saint Louise Regional Hospital submits its Annual Financial Disclosure Report to OSHPD for Fiscal Year 7/1/2015 to 6/30/2016, it may seek a request for an amendment of the Minimum Charity Care Amount beginning for Fiscal Year 7/1/2016 to 6/30/2017. The Attorney General's Decision on such a request will be issued within 90 days of the submission of all of the information required in Title 11, California Code of Regulations, section 999.5, subdivision (h)(2) and all the information requested by the Attorney General's Office.

For the second fiscal year and each subsequent fiscal year, the Minimum Community Benefit Services Amount shall be increased (but not decreased) by an amount equal to the Annual Percent increase, if any, in the 12 Months Percent Change: All Items Consumer Price Index for All Urban Consumers in the San Francisco-Oakland-San Jose, CA Consolidated Metropolitan

Statistical Area Base Period: 1982-84=100” (as published by the U.S. Bureau of Labor Statistics).

If the actual amount of community benefit services provided at Saint Louise Regional Hospital for any fiscal year is less than the Minimum Community Benefit Services Amount (as adjusted pursuant to the above-referenced Consumer Price Index) required for such fiscal year, Saint Louise Regional Hospital shall pay an amount equal to the deficiency to one or more tax-exempt entities that provide community benefit services for residents in Saint Louise Regional Hospital’s service area (7 ZIP codes), as defined on page 60 of the Health Care Impact Report, dated October 2, 2015, and attached hereto as Exhibit 1. To facilitate the management and conduct of this Corporation's activities and affairs, the Board of Directors shall establish corporate policies for, and formulate the basic rules and regulations governing the operation and management of, this Corporation and generally oversee and be responsible for the quality of care and the planning of services rendered by this Corporation. The Board of Directors may delegate the management and conduct of this Corporation's activities and affairs to any person or persons, management company, or committee however composed, provided that no delegation of authority by the Board of Directors to the Chief Executive Officer (as defined in Article VIII, Section 4 below), or anyone else, shall preclude the Board of Directors from exercising the authority required to meet its governance responsibility for the management and conduct of this Corporation's activities and affairs; and provided, further, that any delegation of powers of the Board may be made only to a committee of the Board consisting only of directors and shall be subject to the further limitations on Board committees set forth in Article IX, Section 1 of these Bylaws. its capacity as the Corporate Member of this Corporation, as set forth above in Article V of these Bylaws. Action by the Board of Directors of this Corporation that is subject to the approval of the Corporate Member pursuant to the Reserved Powers of the Corporate Member shall become final, binding action of the Corporation when such action has been approved or ratified by final action of the Corporate Member acting in accordance with these Bylaws and the bylaws of the Corporate Member.

Section 3. Number and Qualification.

(a) The Board of Directors shall consist of not less than three (3) nor more than seventeen (17) members, including at least one (1) person who is a member in good standing of the Board of Directors of Verity.

(c) Restriction on Interested Directors. Not more than forty-nine percent (49%) of the persons serving on the Board of Directors at any time may be interested persons within the meaning of Section 5227 of the California Nonprofit Public Benefit Corporation Law. An interested person is (i) any person currently being compensated by this Corporation for services rendered to it within the previous twelve (12) months, whether as a full-time or part-time employee, independent contractor or otherwise, but excluding any reasonable compensation paid to a Director as Director; or (ii) any brother, sister, ancestor, descendant, spouse, brother-in-law, sister-in-law, son-in-law, daughter-in-law, mother-in-law, or father-in-law of any such person. However, any violation of the provision of this Section shall not affect the validity or enforceability of any transaction entered into by this Corporation.

Section 4. Appointment by Corporate Member. The Directors shall be appointed by Verity at each annual meeting of the Corporate Member.

Section 5. Term. Each Director (other than the President and Chief Executive Officer of the Corporate Member) shall hold office for a term of one (1) year or such other period set by the Corporate Member or until a successor is appointed and qualified or until such person sooner dies, resigns, is removed or becomes disqualified.

The Board of Directors may declare vacant the office of a Director who has been declared of unsound mind by a final order of court or convicted of a felony or who has missed more than half of the meetings of the Board of Directors during any twelve-month period other than by reason of illness, or who has been found, by a final order or judgment of any court, to be in breach of any duty owed to the Corporation under Sections 5230-5239 of the California Nonprofit Public Benefit Corporation Law. In the event that such office is declared vacant, a new Director to fill the unexpired portion of the term of the Director whose office was declared vacant shall be appointed by the Corporate Member.

Section 7. Resignation. Any Director may resign at any time by delivering her or his resignation in writing to the Chairperson of the Board of Directors, the President or the Secretary or to the Board of Directors of the Corporation at its principal office; provided that, except upon

notice to the Attorney General, no director may resign if the Corporation would then be left without a duly elected Director or Directors in charge of its affairs. Such resignation shall be effective upon receipt unless specified to be effective at some other time.

Section 8. Fees and Compensation. Directors may receive such reasonable compensation (within the meaning of Internal Revenue Code Section 4958), if any, for serving as Director, and advances or reimbursement for reasonable expenses, as may be fixed or determined by the Corporate Member. Directors may receive compensation from the corporation for services rendered to it, subject to the restriction on interested Directors as set forth in Section 3(c) above of this Article VI.

Section 9. Self-Dealing Transactions. This Corporation shall not enter into self-dealing transactions. Except as provided in Section 9(a) of this Article VI, for the purpose of this Section, a self-dealing transaction means a transaction to which this corporation is a party and in which one or more of the members of its Board of Directors or officers has a material financial interest and which does not meet the requirements of Sections 9(b) or 9(c) of this Article VI. Such a member of the Board of Directors is an "interested director" for the purpose of this Section.

(a) Exceptions. The provisions of this section do not apply to any of the following:

(i) An action of the Board of Directors fixing the compensation of a member of the Board of Directors as an officer of this corporation.

(iii) A transaction, of which the interested director or directors have no actual knowledge, and which does not exceed the lesser of one percent of the gross receipts of this corporation for the preceding fiscal year or one hundred thousand dollars (\$100,000).

(b) Prior Board of Directors Approval. This Corporation may enter into a self-dealing transaction if all of the following facts are established:

(i) This Corporation entered into the transaction for its own benefit;

(ii) The transaction was fair and reasonable as to this Corporation at the time this Corporation entered into the transaction;

(iii) Prior to consummating the transaction or any part thereof the Board of Directors authorized or approved the transaction in good faith by a vote of a majority of the members of the Board of Directors then in office without counting the vote of the interested director or directors, and with knowledge of the material facts concerning the transaction and the director's interest in the transaction. Interested directors may be counted in determining the

presence of a quorum at a meeting of the Board of Directors which authorizes, approves or ratifies the contract or transaction. Except as provided in Section 9(c)(i) of this Article VI, action by a committee of the Board of Directors shall not satisfy this paragraph; and

(iv) Prior to authorizing or approving the transaction the Board of Directors considered and in good faith determined after reasonable investigation under the circumstances that this corporation could not have obtained a more advantageous arrangement with reasonable effort under the circumstances or (ii) this corporation in fact could not have obtained a more advantageous arrangement with reasonable effort under the circumstances.

(c) Subsequent Board of Directors Approval. This Corporation may enter into a self-dealing transaction if all of the following facts are established:

(i) A committee or person authorized by the Board of Directors approved the transaction in a manner consistent with the standards set forth in Section 9(b) of this Article VI;

(ii) It was not reasonably practicable to obtain approval of the Board of Directors prior to entering into the transaction; and

All such waivers, consents and approvals shall be filed with the corporate records or made a part of the minutes of the meeting.

Section 7. Quorum. At all meetings of the Board of Directors, a majority of the then serving Directors, but not less than two (2), whichever is greater, shall be necessary and sufficient to constitute a quorum for the transaction of business, except that a majority of the Directors present, whether or not a quorum, may adjourn any Directors meeting to another time and place. The act of a majority of the Directors present at any meeting at which there is a quorum shall be the act of the Board of Directors, unless a greater number is required by law. Notwithstanding the previous provisions of this Section, the Directors present at a meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of Directors, so long as any action taken is approved by at least a majority of the required quorum for such meeting.

Section 8. Action Without Meeting. Any action required or permitted to be taken by the Board of Directors may be taken without a meeting if all of the Directors individually or collectively shall consent in writing to such action. Such action by written consent shall have the same force and effect as the unanimous vote of such Directors. Any certificate or other document filed on behalf of this Corporation relating to an action taken by the Board without a meeting shall state that the action was taken by written consent of the Board of Directors without a meeting and that the Bylaws of the Corporation authorize its Directors to so act.

Procedures

1. Duty to Disclose

Directors have an ongoing duty to disclose Financial Interests, when such Financial Interests may be potential or actual conflicts of interests. Directors have a duty to disclose Financial Interests relating to specific corporate transactions, annually, and otherwise during the year, in accordance with the procedures below.

2. Disclosures Related to Specific Corporate Transactions

When a potential conflict of interests arises or any situation arises in which a Director may be in doubt, the Director must disclose the material facts to the other Board members or Board committee. Disclosure of the Financial Interest shall be made prior to the Board or committee voting on such transaction or arrangement. Such disclosure may be made in person or in writing, as the Chair of the Board or committee may direct.

After disclosure of the Financial Interest and all material facts, the Director may be asked to clarify or provide additional information relevant to the Financial Interest. After all needed information is obtained by the Board or committee, the Director shall not be present during evaluation of the disclosure. The remaining Board or committee members shall decide if a conflict of interests exists.

If a determination is made that a conflict of interests does indeed exist, action may be taken as listed below.

- A. The Chair of the Board or committee may, if appropriate, appoint a disinterested Director or committee to consider alternatives to the proposed transaction or arrangement.
- B. After exercising due diligence, the disinterested members of the Board or committee shall determine whether the Corporation can obtain a more advantageous transaction or arrangement with reasonable efforts from a person or entity that would not give rise to a conflict of interests.
- C. If a more advantageous transaction or arrangement is not reasonably attainable under circumstances that would not give rise to a conflict of interests, the Board or committee shall determine by a majority vote of the disinterested Directors or committee members whether the transaction or arrangement is fair and reasonable to the Corporation and shall make its decision as to whether to enter into the transaction or arrangement in conformity with such determination.

- D. The Director shall not be present when the transaction is voted on and only disinterested Directors or committee members may vote to approve the transaction.
- E. At their discretion, disinterested Board or committee members may require the Director to leave the room while the proposed transaction is discussed. The disinterested members shall balance the need for independence of the determination with the need to have the Director on hand to answer questions or provide additional information to assist the Board or committee.
- F. To the extent permitted by applicable state law and the Corporation's governing documents, Directors may be counted in determining the presence of a quorum of a meeting where a potential conflict of interests has been disclosed.
- G. Prior to corporate approval of a contract or transaction in which a Financial Interest of a Director has been identified, counsel shall be consulted to determine whether any additional steps before such approval are required under California or federal law, including the California Nonprofit Corporation Law and the Internal Revenue Code and accompanying regulations.

3. Annual and Ongoing Disclosure Requirements for Directors

- A. **Annual Disclosure Statement:** The President and Chief Executive Officer of the Corporation or designee shall annually send the Conflict of Interests Disclosure Statement to all Directors, immediately following the annual meeting of the Board of Directors. Not later than January 31 of each year, each Director shall complete and sign a Conflict of Interests Disclosure Statement in the Exhibit to this policy.
- B. **Ongoing Requirements for Disclosures by Directors:** If any Financial Interest of a Director changes which gives rise to a potential or actual conflict of interests while the Director is serving, the Director shall promptly provide an updated Conflict of Interests Disclosure Statement to the Chair of the Board.
- C. Directors shall submit completed Conflict of Interests Disclosure Statements to the Chair of the Board. Conflict of Interests Disclosure Statements shall be made a matter of record.
- D. The information of each Conflict of Interests Statement can be compiled into a summary report for review by the Chair of the Board at their request.
- E. The Chair of the Board will address any conflict of interests issues.
- F. The Chair of the Board will report all Director conflict of interests findings (if any) and resolutions to the Board of Directors.

4. Documentation of Disclosures

- A. The minutes of the Board and all Board committees will contain the following:
 - i. The name of each Director who disclosed or otherwise was found to have a Financial Interest that was an actual or potential conflict of interests, a general statement as to the nature of the interest, the evaluation, and the Board's or committee's determination as to whether a conflict of interests in fact existed.
 - ii. The names of the persons who were present for discussions and votes relating to the transaction, a summary of the discussion that identifies whether any alternatives to the proposed transaction were considered, and a record of any votes taken in connection therewith.
- B. The President/CEO or designee shall maintain for 10 years a confidential record of the disclosure, evaluation of the facts, conclusion, and (if any) action taken to address the conflict.

5. Violations of this Policy

- A. If the Board or committee has reasonable cause to believe that a Director has failed to disclose an actual or potential conflict of interests, it shall inform the Director of the basis for such belief and afford the Director an opportunity to explain the alleged failure to disclose.
- B. After hearing the response of the Director and making such further investigation, as may be warranted, if the Board or committee determines that the Director has failed to disclose an actual or potential conflict of interests, it will take such action as it considers appropriate, which may include disciplinary and corrective action.

6. Members Precluded from Voting on Matters relating to Compensation

- A. Voting Member of Board: A voting member of the Board of Directors who receives compensation, directly or indirectly, from the Corporation for services is precluded from voting on matters pertaining to that member's compensation.
- B. Physician Member of Board: A physician who is a voting member of the Board of Directors and receives compensation, directly or indirectly, from the Corporation is precluded from discussing and voting on matters pertaining to the member's or another physician's compensation. No physician or physician Director, either individually or collectively, is prohibited from providing information to the Board of Directors regarding physician compensation.
- C. Voting Member of Committee: A voting member of any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from the Corporation for services is precluded from voting on matters pertaining to that member's compensation.

D. Physician Participation on Committee: Physicians who receive compensation, directly or indirectly, from the Corporation, whether as employees or independent contractors, are precluded from membership on any committee whose jurisdiction includes compensation matters. No physician, either individually or collectively, is prohibited from providing information to any committee regarding physician compensation.

Section 5.4 Board of Directors on the Effective Date. The Board of Directors on the Effective Date shall be those persons elected or appointed as specified in Section 2.1(a) of the System Restructuring and Support Agreement by and among Daughters of Charity Ministry Services Corporation, this Corporation, and Certain Funds Managed by BlueMountain Capital Management, LLC ("BMCM") dated July 17, 2015.

Section 5.5 Number and Qualification.

A. Generally. The Board of Directors shall consist of no less than five (5) members, as follows:

(1) BMCM shall have the right to appoint not more than twenty percent (20%) of the number of Directors constituting the Board of Directors at any time (each a "BM Director Appointee") during the period of time that its affiliate, Integrity Healthcare, LLC (the "Manager"), is providing management services to the Corporation pursuant to a management services agreement; and

(2) the remainder shall be persons nominated by the Nominating Committee as provided in Section 5.4 of these Bylaws and elected by the Board of Directors (the "At-Large Directors").

B. Qualifications.

(1) At-Large Directors recommended by the Nominating Committee shall be selected in a manner that meets any applicable requirements for the Corporation to maintain its tax-exempt status. Collectively, the At-Large Directors shall have the experience and expertise appropriate to fulfillment of their fiduciary duties as independent directors of a California nonprofit public benefit corporation. In the ordinary course, this means they will have experience in complex business operations and have had involvement in non-profit tax-exempt organizations. They will have exercised judgment in challenging business settings, and will have experience in working with teams in reaching goals. The At-Large Directors shall have demonstrated a willingness to commit support for

the mission of the Corporation and training and experience in matters relevant to service as a member of the Board of Directors through:

- (1) participation in community affairs or in the work of other charitable organizations;
- (2) ability and willingness to contribute to the achievement of the purposes of the Corporation;
- (3) awareness of the objectives of the Corporation as they relate to the health needs of the Corporation's service area; and
- (4) such other criteria as may be recommended to the Nominating Committee by the Board of Directors.

(2) BM Director Appointees and At-Large Directors shall not, either directly or indirectly, personally or through a family member, have any financial relationship with BMCM, or its owned or managed affiliates, and may not serve as an officer, director, contractor or employee of BMCM, any managed fund, or entity in which BMCM has an equity stake or option to purchase, except for public companies wherein BMCM has an interest of less than 10%.

C. Restriction on Interested Directors. Not more than forty-nine percent (49%) of the persons serving on the Board of Directors at any time may be interested persons. An interested person is (i) any person currently being compensated by this Corporation for services rendered to it within the previous twelve (12) months, whether as a full-time or part-time employee, independent contractor or otherwise, but excluding any reasonable compensation paid to a Director as Director; or (ii) any brother, sister, ancestor, descendant, spouse, brother-in-law, sister-in-law, son-in-law, daughter-in-law, mother-in-law or father-in-law of any such person. However, any violation of the provisions of this Section shall not affect the validity or enforceability of any transaction entered into by this Corporation.

Section 5.6 Nomination and Election of At-Large Directors. Candidates for At-Large Directors may be recommended by any member of the Board of Directors to the Nominating Committee, constituted in accordance with Section 8.7 of these Bylaws. Except as otherwise provided in this Section 5.6, and acting by the unanimous consent or vote of all of its members, the Nominating Committee shall nominate At-Large Director candidates to the Board of Directors and the Board of Directors shall elect the Directors of this Corporation at its annual meeting or at any other time designated by the Board of Directors. Notwithstanding the foregoing, if, after taking votes on two candidates for the same Director seat, the Nominating Committee does not vote unanimously for one of two initially considered candidates, then the affirmative vote needed to formally nominate a candidate to the Board of Directors may be by simple majority of the members of the Nominating Committee. The Nominating Committee shall notify the Board of Directors in writing of nominees at least ten (10) business days in advance of any regular or special meeting of the Board of Directors at which Directors are to be

elected. At the next regular or special meeting of the Board of Directors, the Board of Directors shall either elect or reject as an At-Large Director any nominees provided by the Nominating Committee. If any Director positions remain unfilled, the nomination procedure shall be repeated and new names nominated in accordance with the procedures set forth in this Section, until all Director positions are filled.

Section 5.7 Term. Each appointed Director shall hold office for a term of one (1) year or such other period as the Board of Directors may set and until his or her successor is elected or appointed and qualified. Appointed Directors may be reappointed in accordance with Section 5.5(A) of these Bylaws.

Section 5.8 Removal and Filling of Vacancies. Any or all Directors may be removed from office, with or without cause, by the Board of Directors, except that the removal of a BM Director Appointee also requires the agreement of BMC. The Board of Directors may declare vacant the office of a Director who has been removed, who has been declared of unsound mind by a final order of court or convicted of a felony, or who has been found, by a final order or judgment of any court, to be in breach of any duty owed to the Corporation under California law. In the event a Director shall be so removed or his or her office is declared vacant, a new Director to fill the unexpired term or terms of the Director who was removed or whose office was declared vacant may be appointed by the Board of Directors from nominees selected by the Nominating Committee, except that the vacant seat of a BM Director Appointee can only be filled by a new appointment by BMC in accordance with Section 5.5(A) of these Bylaws. At all times the Board of Directors shall have not more than twenty percent (20%) of its members appointed by BMC.

Section 5.9 Resignation. Any Director may resign at any time by delivering her or his resignation in writing to the Chairperson of the Board of Directors, or the Secretary or to the Board of Directors of the Corporation at its principal office; provided that, except upon notice by the Attorney General, no Director may resign if the Corporation would then be left without a duly elected Director or Directors in charge of its affairs. Such resignation shall be effective upon receipt unless specified to be effective at some other time.

Section 5.10 Compensation and Expenses. Directors may receive such reasonable compensation (within the meaning of Internal Revenue Code Section 4958), if any, for serving as Director, and advances or reimbursement for reasonable expenses, as may be fixed or determined by the Board of Directors. Directors may receive compensation from the Corporation for services rendered to it, subject to the restriction on interested Directors as set forth in Section 5.5(C).

Section 5.11 Self-Dealing Transactions. This Corporation shall not enter into self-dealing transactions. Except as provided in Section 5.11(A), for the purpose of this section, a self-dealing transaction means a transaction to which this corporation is a party and in which one or more of the members of its Board of Directors or officers has a material financial interest and which does not meet the requirements of Sections 5.11(B) or 5.11(C). Such a member of the Board of Directors is an "interested director" for the purpose of this section.

A. Exceptions. The provisions of this section do not apply to any of the following:

(1) An action of the Board of Directors fixing the compensation of a member of the Board of Directors as an officer of this corporation.

(2) A transaction which is part of a public or charitable program of this corporation if it (i) is approved or authorized by this corporation in good faith and without unjustified favoritism and (ii) results in a benefit to one or more members of the Board of Directors or their families because they are in the class of persons intended to be benefited by the public or charitable program.

B. The Board of Directors shall have the power to prescribe the manner in which proceedings of any committee shall be conducted. In the absence of any such prescription, such committee shall have the power to prescribe the manner in which its proceedings shall be conducted. Unless these Bylaws, the Board or such committee shall otherwise provide, the regular and special meetings and other actions of any committee shall be governed by the provisions of Article VII of these Bylaws. Each committee shall keep minutes of its proceedings and shall report the same to the Board from time to time, as the Board of Directors may require. The Board of Directors shall review the charter of each committee governed by a charter at least once every two years.

Section 8.2 Committees of the Board. Only Directors may be appointed as voting members of Committees of the Board. Each Committee of the Board shall consist of five (5) or more Directors, with at least one (1) member of each Committee being a BM Director Appointee. A. Members. The Audit Committee may include non-Board members, but it may not include any members of the staff, the President/CEO, or the CFO. If the Corporation has a Finance Committee, it shall be separate from the Audit Committee. The Audit Committee may include members of the Finance Committee, but such overlapping members shall constitute less than half of the Audit Committee and the chairperson of the Audit Committee may not be a member of the Finance Committee. Any person who has any material financial interest in any entity doing business with the Corporation may not serve on the Audit Committee. The Audit Committee shall consist of not fewer than three members, all of whom shall be or shall be capable of becoming familiar with basic financial statements and accounting principles, and all of whom shall be deemed by the Board of Directors to be free of any relationship that would interfere with independent judgment. The Audit Committee shall meet at least quarterly, and shall meet at least annually with the outside auditor or auditors of the Corporation in the absence of all members who are employees of the Corporation or any Affiliate controlled by the Corporation.

B. Duties of the Audit Committee. Subject to the supervision of the Board, the Audit Committee shall exercise the following powers, responsibilities, and duties:

- (1) To make recommendations to the Board regarding the appointment, retention, and termination of the independent auditor for the corporation and the Affiliates;
- (2) To negotiate the auditor's compensation;
- (3) To confer with the auditor to satisfy its members that the financial affairs of the corporation and the Affiliates are in order;
- (4) To review the audit and decide whether to accept it; and
- (5) To assure that any non-audit services performed by the auditor conform to the applicable independent standards and to approve such nonaudit services.

C. Compensation. No member of the Audit Committee shall receive compensation for serving on the Audit Committee. An Audit Committee member may be reimbursed for reasonable expenses incurred in attending such meetings.

D. Control by the Board. The Audit Committee shall be subject at all times to the control of the Board, which shall have the power to revise or alter any action taken by the Audit Committee; provided, however, that no rights of third parties shall be affected thereby.

Section 8.6 Financial Statements Must Be Made Available. Section 8.8 Executive Compensation Review and Approval. During any period that the President/CEO and CFO are employed by the Corporation, rather than the Manager, the Board, or any authorized Committee of the Board, shall review and approve the compensation, including benefits, of the President/CEO and the CFO to ensure that each such officer's compensation is just and reasonable. Such review and approval shall occur when the officer is initially hired; whenever the officer's term of employment is renewed or extended, and when the officer's compensation is modified, unless such modification applies to substantially all employees.

Section 8.9 Term of Office. The Chairperson and each member of a standing committee shall serve until the next election of Directors and until his or her successor is appointed or until such committee is sooner terminated or until he or she is removed, resigns or otherwise ceases to qualify as a member of the committee. The Chairperson and each member of

a special committee shall serve for the life of the committee unless they are sooner removed, resign or cease to qualify as members of such committee.

Section 8.10 Vacancies. Vacancies on any committee may be filled for the unexpired portion of the term in the same manner as provided in the case of original appointments.

Section 8.11 Quorum. At all committee meetings, a majority of committee members then serving, but not less than three (3), whichever is greater, shall be necessary and sufficient to constitute a quorum for the transaction of business, except that a majority of committee members present, whether or not a quorum, may adjourn any committee meeting to another time and place. The act of a majority of the committee members present at a meeting at which there is a quorum shall be the act of the committee. Notwithstanding previous provisions of this Section, the committee members present at a meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of committee members, so long as any action taken is approved by at least a majority of the required quorum for such meeting.

The definition and methodology for calculating "charity care" and the methodology for calculating "costs" shall be the same as that used by Office of Statewide Health Planning Development (OSHPD) for annual hospital reporting purposes.⁵ Seton Medical Center and Seton Coastsides shall use and maintain a charity care policy that is no less favorable than Seton Medical Center's and Seton Coastsides's current charity care policy and in compliance with California and Federal law. The planning of, and any subsequent changes to, the charity care and collection policies, and charity care services provided at Seton Medical Center and Seton Coastsides shall be decided by the Seton Medical Center and Seton Coastsides Board(s) of Directors after consultation with the Local Governing Board(s) of Directors as set forth in Condition XIII.

For the second fiscal year and each subsequent fiscal year, the Minimum Charity Care Amount shall be increased (but not decreased) by an amount equal to the Annual Percent increase, if any, in the 12 Months Percent Change: All Items Consumer Price Index for All Urban Consumers in the San Francisco-Oakland-San Jose, CA Consolidated Metropolitan Statistical Area Base Period: 1982-84=100" (as published by the U.S. Bureau of Labor Statistics).

⁵ OSHPD defines charity care by contrasting charity care and bad debt. Such payment(s) shall be made within four months following the end of such fiscal year.

The 2010 Federal Affordable Care Act may cause a reduction in future needs of charity care. Because of the impact of the Medi-Cal expansion in California and other effects from the 2010 Federal Affordable Care Act, the California Attorney General will consider adjusting the Minimum Charity Care Amount based on financial data submitted to OSHPD from time periods after implementation of the 2010 Federal Affordable Care Act. Any actual reduction will be considered "unforeseen" for purposes of Title 11, California Code of Regulations, section 999.5, subdivision (h). Once Seton Medical Center and Seton Coastsides submit their Annual Financial Disclosure Report to OSHPD for Fiscal Year 7/1/2015 to 6/30/2016, they may seek a request for an amendment of the Minimum Charity Care Amount beginning for Fiscal Year 7/1/2016 to 6/30/2017. The Attorney General's Decision on such a request will be issued within 90 days of the submission of all of the information required in Title 11, California Code of Regulations, section 999.5, subdivision (h)(2) and all the information requested by the Attorney General's Office.

For the second fiscal year and each subsequent fiscal year, the Minimum Community Benefit Services Amount shall be increased (but not decreased) by an amount equal to the Annual Percent increase, if any, in the 12 Months Percent Change: All Items Consumer Price Index for All Urban Consumers in the San Francisco-Oakland-San Jose, CA Consolidated Metropolitan Statistical Area Base Period: 1982-84=100" (as published by the U.S. Bureau of Labor Statistics).

If the actual amount of community benefit services provided at Seton Medical Center and Seton Coastsides for any fiscal year is less than the Minimum Community Benefit Services Amount (as adjusted pursuant to the above-referenced Consumer Price Index) required for such fiscal year, Seton Medical Center and Seton Coastsides shall pay an amount equal to the deficiency to one or more tax-exempt entities that provide community benefit services for residents in Seton Medical Center's and Seton Coastsides service area (14 ZIP codes), as defined on page 65 of the Health Care Impact Report, dated October 2, 2015, and attached hereto as Exhibit 1. BOARD OF DIRECTORS

Section 1. Powers. Subject to the provisions of this Corporation's Articles of Incorporation, these Bylaws, the Reserved Powers of the Corporate Member, the System Authority Matrix and the laws of the State of California, the activities and affairs of this Corporation shall be managed and conducted and all corporate powers shall be exercised by or under the direction of this Corporation's Board of Directors. To facilitate the management and conduct of this Corporation's activities and affairs, the Board of Directors shall establish corporate policies for, and formulate the basic rules and regulations governing the operation and management of, this Corporation and generally oversee and be responsible for the quality of care and the planning of services rendered by this Corporation. The Board of Directors may delegate the management and conduct of this Corporation's activities and affairs to any person or persons, management company, or committee however composed, provided that no delegation of authority by the Board of Directors to the Chief Executive Officer (as defined in Article VIII, Section 4 below), or anyone else, shall preclude the Board of Directors from exercising the authority required to meet its governance responsibility for the management and conduct of this Corporation's activities and affairs; and provided, further, that any delegation of powers of the Board may be made only to a committee of the Board consisting only of directors and shall be subject to the further limitations on Board committees set forth in Article IX, Section 1 of these Bylaws. The Board of Directors shall retain the right to rescind any such delegation.

Section 2. Reserved Powers of Verity as the Corporate Member; Final Action. Certain actions of the Board of Directors are subject to the Reserved Powers of Verity, acting in

its capacity as the Corporate Member of this Corporation, as set forth above in Article V of these Bylaws. Action by the Board of Directors of this Corporation that is subject to the approval of the Corporate Member pursuant to the Reserved Powers of the Corporate Member shall become final, binding action of the Corporation when such action has been approved or ratified by final action of the Corporate Member acting in accordance with these Bylaws and the bylaws of the Corporate Member.

Section 3. Number and Qualification.

(a) The Board of Directors shall consist of not less than three (3) nor more than seventeen (17) members, including at least one (1) person who is a member in good standing of the Board of Directors of Verity.

(b) The President and Chief Executive Officer of the Corporate Member shall serve as a member of the Board, *ex officio*.

(c) Restriction on Interested Directors. Not more than forty-nine percent (49%) of the persons serving on the Board of Directors at any time may be interested persons within the meaning of Section 5227 of the California Nonprofit Public Benefit Corporation Law. An interested person is (i) any person currently being compensated by this Corporation for services rendered to it within the previous twelve (12) months, whether as a full-time or part-time employee, independent contractor or otherwise, but excluding any reasonable compensation paid to a Director as Director; or (ii) any brother, sister, ancestor, descendant, spouse, brother-in-law, sister-in-law, son-in-law, daughter-in-law, mother-in-law, or father-in-law of any such person. However, any violation of the provision of this Section shall not affect the validity or enforceability of any transaction entered into by this Corporation.

Section 4. Appointment by Corporate Member. The Directors shall be appointed by Verity at each annual meeting of the Corporate Member.

Section 5. Term. Each Director (other than the President and Chief Executive Officer of the Corporate Member) shall hold office for a term of one (1) year or such other period set by the Corporate Member or until a successor is appointed and qualified or until such person sooner dies, resigns, is removed or becomes disqualified.

Section 6. Removal and Filling of Vacancies. The Board of Directors may declare vacant the office of a Director who has been declared of unsound mind by a final order of court or convicted of a felony or who has missed more than half of the meetings of the Board of Directors during any twelve-month period other than by reason of illness, or who has been found, by a final order or judgment of any court, to be in breach of any duty owed to the Corporation under Sections 5230-5239 of the California Nonprofit Public Benefit Corporation Law. In the event that such office is declared vacant, a new Director to fill the unexpired portion of the term of the Director whose office was declared vacant shall be appointed by the Corporate Member.

Section 7. Resignation. Any Director may resign at any time by delivering her or his resignation in writing to the Chairperson of the Board of Directors, the President or the Secretary or to the Board of Directors of the Corporation at its principal office; provided that, except upon

notice to the Attorney General, no director may resign if the Corporation would then be left without a duly elected Director or Directors in charge of its affairs. Such resignation shall be effective upon receipt unless specified to be effective at some other time.

Section 8. Fees and Compensation. Directors may receive such reasonable compensation (within the meaning of Internal Revenue Code Section 4958), if any, for serving as Director, and advances or reimbursement for reasonable expenses, as may be fixed or determined by the Corporate Member. Directors may receive compensation from the corporation for services rendered to it, subject to the restriction on interested Directors as set forth in Section 3(c) above of this Article VI.

Section 9. Self-Dealing Transactions. This Corporation shall not enter into self-dealing transactions. Except as provided in Section 9(a) of this Article VI, for the purpose of this Section, a self-dealing transaction means a transaction to which this corporation is a party and in which one or more of the members of its Board of Directors or officers has a material financial interest and which does not meet the requirements of Sections 9(b) or 9(c) of this Article VI. Such a member of the Board of Directors is an "interested director" for the purpose of this Section.

(a) Exceptions. The provisions of this section do not apply to any of the following:

(i) An action of the Board of Directors fixing the compensation of a member of the Board of Directors as an officer of this corporation.

(ii) A transaction which is part of a public or charitable program of this corporation if it (i) is approved or authorized by this corporation in good faith and without unjustified favoritism and (ii) results in a benefit to one or more members of the Board of Directors or their families because they are in the class of persons intended to be benefited by the public or charitable program.

(iii) A transaction, of which the interested director or directors have no actual knowledge, and which does not exceed the lesser of one percent of the gross receipts of this corporation for the preceding fiscal year or one hundred thousand dollars (\$100,000).

(b) Prior Board of Directors Approval. This Corporation may enter into a self-dealing transaction if all of the following facts are established:

(i) This Corporation entered into the transaction for its own benefit;

(ii) The transaction was fair and reasonable as to this Corporation at the time this Corporation entered into the transaction;

(iii) Prior to consummating the transaction or any part thereof the Board of Directors authorized or approved the transaction in good faith by a vote of a majority of the members of the Board of Directors then in office without counting the vote of the interested director or directors, and with knowledge of the material facts concerning the transaction and the director's interest in the transaction. Interested directors may be counted in determining the

presence of a quorum at a meeting of the Board of Directors which authorizes, approves or ratifies the contract or transaction. Except as provided in Section 9(c)(i) of this Article VI, action by a committee of the Board of Directors shall not satisfy this paragraph; and

(iv) Prior to authorizing or approving the transaction the Board of Directors considered and in good faith determined after reasonable investigation under the circumstances that this corporation could not have obtained a more advantageous arrangement with reasonable effort under the circumstances or (ii) this corporation in fact could not have obtained a more advantageous arrangement with reasonable effort under the circumstances.

(c) Subsequent Board of Directors Approval. This Corporation may enter into a self-dealing transaction if all of the following facts are established:

(i) A committee or person authorized by the Board of Directors approved the transaction in a manner consistent with the standards set forth in Section 9(b) of this Article VI;

(ii) It was not reasonably practicable to obtain approval of the Board of Directors prior to entering into the transaction; and

(iii) The Board of Directors, after determining in good faith that the conditions of subparagraphs (i) and (ii) of this subsection (c) were satisfied, ratified the transaction at its next meeting by a vote of the majority of the members of the Board of Directors then in office without counting the vote of the interested director or directors. Interested directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors which authorizes, approves or ratifies the contract or transaction.

As soon as reasonably practicable, but no later than sixty (60) days after the annual meeting of the Corporate Member, the Board of Directors shall hold an annual meeting for the purpose of organizing the Board, electing the officers and the transaction of such other business as may come before the meeting. The date of the annual meeting shall be fixed by resolution. No notice of the annual meeting of the Board of Directors need be given.

Section 6. Waiver of Notice. Notice of a meeting need not be given to any Director who signs a waiver of notice or a written consent to hold the meeting or an approval of the minutes thereof, whether before or after the meeting, or who attends the meeting without protesting, prior thereto or at its commencement, the lack of notice. All such waivers, consents and approvals shall be filed with the corporate records or made a part of the minutes of the meeting.

Section 7. Quorum. At all meetings of the Board of Directors, a majority of the then serving Directors, but not less than two (2), whichever is greater, shall be necessary and sufficient to constitute a quorum for the transaction of business, except that a majority of the Directors present, whether or not a quorum, may adjourn any Directors meeting to another time and place. The act of a majority of the Directors present at any meeting at which there is a quorum shall be the act of the Board of Directors, unless a greater number is required by law. Notwithstanding the previous provisions of this Section, the Directors present at a meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of Directors, so long as any action taken is approved by at least a majority of the required quorum for such meeting.

Section 8. Action Without Meeting. Any action required or permitted to be taken by the Board of Directors may be taken without a meeting if all of the Directors individually or collectively shall consent in writing to such action. Such written consent or consents shall be filed with the minutes of the proceedings of the Board. Such action by written consent shall have the same force and effect as the unanimous vote of such Directors. Any certificate or other document filed on behalf of this Corporation relating to an action taken by the Board without a meeting shall state that the action was taken by written consent of the Board of Directors without a meeting and that the Bylaws of the Corporation authorize its Directors to so act.

Section 9. Telephonic Meeting. Directors may participate in a meeting of the Board through the use of conference telephone or similar communication equipment, as long as all Directors participating in such meeting can hear one another. Reference to Policy/Procedure #: 04.01.02 Conflict of Interests Disclosures by Covered
Associates, Physician Leaders, and Other
Designated Persons

Purpose

The purpose of this policy is to protect the Corporation's interests when it is contemplating entering into a transaction or arrangement that may also benefit a Director and/or family member personally.

This policy applies to Board members, Board officers, and members of Board committees, herein referred to as "Directors". A related policy (Policy/Procedure 04.01.02 "Conflict of Interests Disclosures by Covered Associates, Physician Leaders, and Other Designated Persons") applies to associates (including employed officers and other members of senior management) and physician leaders. A conflict of interests exists when a Director has a personal financial interest that may influence the decisions that the Director makes on behalf of the Corporation.

This policy provides a systematic and ongoing method of assisting Directors in disclosing and addressing potential and actual conflicts of interests.

Principles

Directors must exercise their fiduciary duties in a manner consistent with the mission and values of Daughters of Charity Health System (DCHS). Directors must exercise the utmost good faith and fair dealing in all transactions touching their duties to the Corporation, scrupulously avoiding conflicts of interests, whether potential, actual or perceived, to ensure that the Corporation and its Board of Directors conduct activities in a fair and unbiased manner.

Procedures

1. Duty to Disclose

Directors have an ongoing duty to disclose Financial Interests, when such Financial Interests may be potential or actual conflicts of interests. Directors have a duty to disclose Financial Interests relating to specific corporate transactions, annually, and otherwise during the year, in accordance with the procedures below.

2. Disclosures Related to Specific Corporate Transactions

When a potential conflict of interests arises or any situation arises in which a Director may be in doubt, the Director must disclose the material facts to the other Board members or Board committee. Disclosure of the Financial Interest shall be made prior to the Board or committee voting on such transaction or arrangement. Such disclosure may be made in person or in writing, as the Chair of the Board or committee may direct.

After disclosure of the Financial Interest and all material facts, the Director may be asked to clarify or provide additional information relevant to the Financial Interest. - C. If a more advantageous transaction or arrangement is not reasonably attainable under circumstances that would not give rise to a conflict of interests, the Board or committee shall determine by a majority vote of the disinterested Directors or committee members whether the transaction or arrangement is fair and reasonable to the Corporation and shall make its decision as to whether to enter into the transaction or arrangement in conformity with such determination.

- D. The Director shall not be present when the transaction is voted on and only disinterested Directors or committee members may vote to approve the transaction.
- E. At their discretion, disinterested Board or committee members may require the Director to leave the room while the proposed transaction is discussed. Section 5.4 Board of Directors on the Effective Date. The Board of Directors on the Effective Date shall be those persons elected or appointed as specified in Section 2.1(a) of the System Restructuring and Support Agreement by and among Daughters of Charity Ministry Services Corporation, this Corporation, and Certain Funds Managed by BlueMountain Capital Management, LLC ("BMCM") dated July 17, 2015.

Section 5.5 Number and Qualification.

A. Generally. The Board of Directors shall consist of no less than five (5) members, as follows:

(1) BMCM shall have the right to appoint not more than twenty percent (20%) of the number of Directors constituting the Board of Directors at any time (each a "BM Director Appointee") during the period of time that its affiliate, Integrity Healthcare, LLC (the "Manager"), is providing management services to the Corporation pursuant to a management services agreement; and

(2) the remainder shall be persons nominated by the Nominating Committee as provided in Section 5.4 of these Bylaws and elected by the Board of Directors (the "At-Large Directors").

B. Qualifications.

(1) At-Large Directors recommended by the Nominating Committee shall be selected in a manner that meets any applicable requirements for the Corporation to maintain its tax-exempt status. Collectively, the At-Large Directors shall have the experience and expertise appropriate to fulfillment of their fiduciary duties as independent directors of a California nonprofit public benefit corporation. In the ordinary course, this means they will have experience in complex business operations and have had involvement in non-profit tax-exempt organizations. They will have exercised judgment in challenging business settings, and will have experience in working with teams in reaching goals. The At-Large Directors shall have demonstrated a willingness to commit support for

the mission of the Corporation and training and experience in matters relevant to service as a member of the Board of Directors through:

- (1) participation in community affairs or in the work of other charitable organizations;
- (2) ability and willingness to contribute to the achievement of the purposes of the Corporation;
- (3) awareness of the objectives of the Corporation as they relate to the health needs of the Corporation's service area; and
- (4) such other criteria as may be recommended to the Nominating Committee by the Board of Directors.

(2) BM Director Appointees and At-Large Directors shall not, either directly or indirectly, personally or through a family member, have any financial relationship with BMCM, or its owned or managed affiliates, and may not serve as an officer, director, contractor or employee of BMCM, any managed fund, or entity in which BMCM has an equity stake or option to purchase, except for public companies wherein BMCM has an interest of less than 10%.

C. Restriction on Interested Directors. Not more than forty-nine percent (49%) of the persons serving on the Board of Directors at any time may be interested persons. An interested person is (i) any person currently being compensated by this Corporation for services rendered to it within the previous twelve (12) months, whether as a full-time or part-time employee, independent contractor or otherwise, but excluding any reasonable compensation paid to a Director as Director; or (ii) any brother, sister, ancestor, descendant, spouse, brother-in-law, sister-in-law, son-in-law, daughter-in-law, mother-in-law or father-in-law of any such person. However, any violation of the provisions of this Section shall not affect the validity or enforceability of any transaction entered into by this Corporation.

Section 5.6 Nomination and Election of At-Large Directors. Candidates for At-Large Directors may be recommended by any member of the Board of Directors to the Nominating Committee, constituted in accordance with Section 8.7 of these Bylaws. Except as otherwise provided in this Section 5.6, and acting by the unanimous consent or vote of all of its members, the Nominating Committee shall nominate At-Large Director candidates to the Board of Directors and the Board of Directors shall elect the Directors of this Corporation at its annual meeting or at any other time designated by the Board of Directors. Notwithstanding the foregoing, if, after taking votes on two candidates for the same Director seat, the Nominating Committee does not vote unanimously for one of two initially considered candidates, then the affirmative vote needed to formally nominate a candidate to the Board of Directors may be by simple majority of the members of the Nominating Committee. The Nominating Committee shall notify the Board of Directors in writing of nominees at least ten (10) business days in advance of any regular or special meeting of the Board of Directors at which Directors are to be

elected. At the next regular or special meeting of the Board of Directors, the Board of Directors shall either elect or reject as an At-Large Director any nominees provided by the Nominating Committee. If any Director positions remain unfilled, the nomination procedure shall be repeated and new names nominated in accordance with the procedures set forth in this Section, until all Director positions are filled.

Section 5.7 Term. Each appointed Director shall hold office for a term of one (1) year or such other period as the Board of Directors may set and until his or her successor is elected or appointed and qualified. Appointed Directors may be reappointed in accordance with Section 5.5(A) of these Bylaws.

Section 5.8 Removal and Filling of Vacancies. Any or all Directors may be removed from office, with or without cause, by the Board of Directors, except that the removal of a BM Director Appointee also requires the agreement of BMCM. The Board of Directors may declare vacant the office of a Director who has been removed; who has been declared of unsound mind by a final order of court or convicted of a felony, or who has been found, by a final order or judgment of any court, to be in breach of any duty owed to the Corporation under California law. In the event a Director shall be so removed or his or her office is declared vacant, a new Director to fill the unexpired term or terms of the Director who was removed or whose office was declared vacant may be appointed by the Board of Directors from nominees selected by the Nominating Committee, except that the vacant seat of a BM Director Appointee can only be filled by a new appointment by BMCM in accordance with Section 5.5(A) of these Bylaws. At all times the Board of Directors shall have not more than twenty percent (20%) of its members appointed by BMCM.

Section 5.9 Resignation. Any Director may resign at any time by delivering her or his resignation in writing to the Chairperson of the Board of Directors, or the Secretary or to the Board of Directors of the Corporation at its principal office; provided that, except upon notice by the Attorney General, no Director may resign if the Corporation would then be left without a duly elected Director or Directors in charge of its affairs. Such resignation shall be effective upon receipt unless specified to be effective at some other time.

Section 5.10 Compensation and Expenses. Directors may receive such reasonable compensation (within the meaning of Internal Revenue Code Section 4958), if any, for serving as Director, and advances or reimbursement for reasonable expenses, as may be fixed or determined by the Board of Directors. Directors may receive compensation from the Corporation for services rendered to it, subject to the restriction on interested Directors as set forth in Section 5.5(C).

Section 5.11 Self-Dealing Transactions. This Corporation shall not enter into self-dealing transactions. Except as provided in Section 5.11(A), for the purpose of this section, a self-dealing transaction means a transaction to which this corporation is a party and in which one or more of the members of its Board of Directors or officers has a material financial interest and which does not meet the requirements of Sections 5.11(B) or 5.11(C). Such a member of the Board of Directors is an "interested director" for the purpose of this section.

A. Exceptions. The provisions of this section do not apply to any of the following:

(1) An action of the Board of Directors fixing the compensation of a member of the Board of Directors as an officer of this corporation.

(2) A transaction which is part of a public or charitable program of this corporation if it (i) is approved or authorized by this corporation in good faith and without unjustified favoritism and (ii) results in a benefit to one or more members of the Board of Directors or their families because they are in the class of persons intended to be benefited by the public or charitable program.

(3) A transaction, of which the interested director or directors have no actual knowledge, and which does not exceed the lesser of one percent of the gross receipts of this corporation for the preceding fiscal year or one hundred thousand dollars (\$100,000).

B. Prior Board of Directors Approval. This Corporation may enter into a self-dealing transaction if all of the following facts are established:

(1) This Corporation entered into the transaction for its own benefit;

(2) The transaction was fair and reasonable as to this Corporation at the time this Corporation entered into the transaction;

(3) Prior to consummating the transaction or any part thereof the Board of Directors authorized or approved the transaction in good faith by a vote of a majority of the members of the Board of Directors then in office without counting the vote of the interested director or directors, and with knowledge of the material facts concerning the transaction and the director's interest in the transaction. Interested directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors which authorizes, approves or ratifies the contract or transaction. Except as provided in Paragraph 5.11(C)(1), action by a committee of the Board of Directors shall not satisfy this paragraph; and

(4) Prior to authorizing or approving the transaction the Board of Directors considered and in good faith determined after reasonable investigation under the circumstances that this corporation could not have obtained a more advantageous arrangement with reasonable effort under the circumstances or (ii) this corporation in fact could not have obtained a more advantageous arrangement with reasonable effort under the circumstances.

C. Subsequent Board of Directors Approval. This corporation may enter into a self-dealing transaction if all of the following facts are established:

B. The Board of Directors shall have the power to prescribe the manner in which proceedings of any committee shall be conducted. In the absence of any such prescription, such committee shall have the power to prescribe the manner in which its proceedings shall be conducted. Unless these Bylaws, the Board or such committee shall otherwise provide, the regular and special meetings and other actions of any committee shall be governed by the provisions of Article VII of these Bylaws. Each committee shall keep minutes of its proceedings and shall report the same to the Board from time to time, as the Board of Directors may require. The Board of Directors shall review the charter of each committee governed by a charter at least once every two years.

Section 8.2 Committees of the Board. Only Directors may be appointed as voting members of Committees of the Board. Each Committee of the Board shall consist of five (5) or more Directors, with at least one (1) member of each Committee being a BM Director Appointee. A. Members. The Audit Committee may include non-Board members, but it may not include any members of the staff, the President/CEO, or the CFO. If the Corporation has a Finance Committee, it shall be separate from the Audit Committee. The Audit Committee may include members of the Finance Committee, but such overlapping members shall constitute less than half of the Audit Committee and the chairperson of the Audit Committee may not be a member of the Finance Committee. Any person who has any material financial interest in any entity doing business with the Corporation may not serve on the Audit Committee. The Audit Committee shall consist of not fewer than three members, all of whom shall be or shall be capable of becoming familiar with basic financial statements and accounting principles, and all of whom shall be deemed by the Board of Directors to be free of any relationship that would interfere with independent judgment. The Audit Committee shall meet at least quarterly, and shall meet at least annually with the outside auditor or auditors of the Corporation in the absence of all members who are employees of the Corporation or any Affiliate controlled by the Corporation.

B. Duties of the Audit Committee. Subject to the supervision of the Board, the Audit Committee shall exercise the following powers, responsibilities, and duties:

- (1) To make recommendations to the Board regarding the appointment, retention, and termination of the independent auditor for the corporation and the Affiliates;
- (2) To negotiate the auditor's compensation;
- (3) To confer with the auditor to satisfy its members that the financial affairs of the corporation and the Affiliates are in order;
- (4) To review the audit and decide whether to accept it; and
- (5) To assure that any non-audit services performed by the auditor conform to the applicable independent standards and to approve such nonaudit services.

C. Compensation. No member of the Audit Committee shall receive compensation for serving on the Audit Committee. An Audit Committee member may be reimbursed for reasonable expenses incurred in attending such meetings.

D. Control by the Board. The Audit Committee shall be subject at all times to the control of the Board, which shall have the power to revise or alter any action taken by the Audit Committee; provided, however, that no rights of third parties shall be affected thereby.

Section 8.6 Financial Statements Must Be Made Available. Section 8.8 Executive Compensation Review and Approval. During any period that the President/CEO and CFO are employed by the Corporation, rather than the Manager, the Board, or any authorized Committee of the Board, shall review and approve the compensation, including benefits, of the President/CEO and the CFO to ensure that each such officer's compensation is just and reasonable. Such review and approval shall occur when the officer is initially hired, whenever the officer's term of employment is renewed or extended, and when the officer's compensation is modified, unless such modification applies to substantially all employees.

Section 8.9 Term of Office. The Chairperson and each member of a standing committee shall serve until the next election of Directors and until his or her successor is appointed or until such committee is sooner terminated or until he or she is removed, resigns or otherwise ceases to qualify as a member of the committee. The Chairperson and each member of

a special committee shall serve for the life of the committee unless they are sooner removed, resign or cease to qualify as members of such committee.

Section 8.10 Vacancies. Vacancies on any committee may be filled for the unexpired portion of the term in the same manner as provided in the case of original appointments.

Section 8.11 Quorum. At all committee meetings, a majority of committee members then serving, but not less than three (3), whichever is greater, shall be necessary and sufficient to constitute a quorum for the transaction of business, except that a majority of committee members present, whether or not a quorum, may adjourn any committee meeting to another time and place. The act of a majority of the committee members present at a meeting at which there is a quorum shall be the act of the committee. Notwithstanding previous provisions of this Section, the committee members present at a meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of committee members, so long as any action taken is approved by at least a majority of the required quorum for such meeting.
