Re: St. Francis Medical Center
Request for Waiver under California Corporations Code §5914(c) and Title 11,
Division 1, Chapter 15 of the California Code of Regulations §999.5(a)(5)

Dear Mr. Chan:

St. Francis Medical Center, a California nonprofit public benefit corporation (“*SFMC*”) and Verity Health System of California, Inc., a California nonprofit public benefit corporation (“*VHS*”) (*SFMC* and *VHS* are collectively referred to herein as “*Verity*”) hereby request, pursuant to Section 5914(c) of the California Corporations Code (“*Code*”) and Section 999.5 of Title 11, Division 1, Chapter 15, of the California Code of Regulations Section 999.5 (“*Section 999.5*”), subdivision (a)(5), that the California Attorney General provide a written waiver of the requirements of Code Section 5914(a)(1) and Section 999.5, subdivision (a)(1) in connection with the pending sale by Verity of substantially all of the assets of St. Francis Medical Center, located in the City of Lynwood, California (the “*Hospital*”) to Prime Healthcare Services, Inc., a Delaware corporation (“*Prime*”) or an affiliate thereof. Pursuant to 11 C.C.R. Section 999.5, subdivision (a)(5), “[w]ritten notice to, and the written consent of, the Attorney General shall not be required under Section 999.5 of these regulations if the Attorney General has given the nonprofit corporation a written waiver of the proposed agreement or transaction.” Further, pursuant to Section 999.5, subdivision (a)(5)(A), a “corporation may request such a waiver by submitting, in writing, a description of the proposed agreement or transaction, a copy of all documents that effectuate any part of the proposed transaction, a description of the proposed use by the nonprofit corporation of any sales proceeds, and an explanation of why the waiver should be granted.” We address each of these requirements below.

I. Description of Proposed Agreement or Transaction

Verity and Verity Holdings, LLC, a California limited liability company (collectively referred to herein as “*Sellers*”), and Prime have entered into an Asset Purchase Agreement dated as of April 3, 2020 (the “*APA*”), pursuant to which substantially all of the assets associated with the operation of the Hospital will be sold to Prime or an affiliate thereof (collectively referred to herein as “*Purchaser*”). The transactions contemplated by the APA are referred to herein as the “*Transaction*.” As you know, on August 28, 2018, Sellers filed voluntary petitions for relief under Chapter 11 of Title 11 of the United States Code in the United States Bankruptcy Court for the Central District of California, Los Angeles Division, before the Honorable Ernest M. Robles (the “*Bankruptcy Court*”), which are jointly administered with their affiliates under Case No. 18-20151 (the “*Bankruptcy Cases*”). On April 9, 2020, the Bankruptcy Court issued an order approving the Sellers entering into the APA (the “*Sale Order*”), a copy of which order is attached hereto as **Exhibit A**. A summary of the primary terms of the APA is included on pages 6 through 12 of Debtor’s Memorandum in Support of Entry of the Sale Order, filed on April 8, 2020 [Bankruptcy Cases Docket No. #4471].¹

II. Copies of all Documents that Effectuate any Part of the Transaction

A copy of the APA and all Schedules and Exhibits thereto are attached hereto as **Exhibit B**. It is intended that all of the Exhibits to the APA (other than Exhibit 5.8(c)) are substantially all of the documents that are necessary to effectuate the transaction contemplated by the APA, and that such Exhibits will be executed and delivered by the parties at the Closing in the same form as the corresponding Exhibit that is attached to the APA. Promptly after the Closing, Verity will provide a complete set of the final closing documents to the Attorney General.

III. Proposed Use by Verity of any Sales Proceeds

The net proceeds from the sale of SFMC’s assets will be used to pay administrative costs related to the Bankruptcy Cases and creditors in the priority scheme set forth in the Bankruptcy Code (i.e., secured creditors, priority unsecured creditors, and general unsecured creditors). After the closing of the sale, and the sale of VHS’ other facilities, VHS and its affiliated entities will seek confirmation of a plan of liquidation to be confirmed pursuant to Section 1129 of the Bankruptcy Code, as approved by the Bankruptcy Court (the “*Plan*”). As part of the Plan, the St. Francis Medical Center will be dissolved.

¹ Copies of all documents filed in the Bankruptcy Cases are available at www.kcellc.net/verityhealth.

IV. Why the Waiver Should be Granted

Under the circumstances outlined below, the Attorney General should grant the waiver being requested in this letter.

A. Recently Issued Attorney General Conditions for the Hospital Render a New Approval Process Unnecessary

As you are aware, by letter dated September 25, 2019 (the “*September 2019 Letter*”), a copy of which is attached hereto as **Exhibit C**, the Attorney General conditionally consented to Verity’s proposed sale of substantially all of the assets of the Hospital, along with the sale of substantially all of the assets comprising St. Vincent Medical Center and Seton Medical Center, to Strategic Global Management, Inc. and/or one of its affiliates (“*SGM*”). The September 2019 Letter contained separate attachments setting forth the Attorney General’s conditions that would be specifically applicable to the sale of each of (a) the Hospitals (the “*September 2019 Hospital Conditions*”), (b) St. Vincent Medical Center and (c) Seton Medical Center and Seton Coast side.

Section 999.5, subdivision (a)(5)(B) states that the “Attorney General may condition the grant of a waiver in a manner that eliminates the need for full Attorney General Review.” As referenced above in this letter, Exhibit 5.8(c) to the APA sets forth the Attorney General’s conditions which Prime is ready, willing and able to accept be imposed upon its acquisition of the Hospital pursuant to the APA (referred to in the APA as the “*Accepted Conditions*”).

We recognize that the September 2019 Hospital Conditions were issued by the Attorney General in the context of the Asset Purchase Agreement between Verity and SGM, which transaction did not close. However, with the exception of the challenges imposed by COVID-19 that all California communities and California hospitals are facing, we are not aware of any material changes in the needs of the communities served by the Hospital since the date of the Attorney General’s previously obtained Health Care Impact Statement for the Hospital, which Health Care Impact Statement was utilized in issuing the September 2019 Hospital Conditions. Accordingly, it is not necessary for the Attorney General to engage its consultant at this time to update the Health Care Impact Statement for the Hospital that was prepared after hundreds and hundreds of hours of work a little over six months ago, and that was utilized by the Attorney General as it developed the September 2019 Hospital Conditions, particularly in light of the current pandemic and these chapter 11 Bankruptcy Cases.

The Accepted Conditions are substantially similar to the September 2019 Hospital Conditions, with any changes from the September 2019 Hospital Conditions reflected in the redline set forth on **Exhibit D** attached hereto (which also contains an addendum with a brief explanation provided to us by Prime for the material changes that Prime made to the September 2019 Hospital Conditions, as reflected in the Accepted Conditions). In particular, note that all of the post-closing timeframes that were contained in the September 2019 Hospital Conditions are acceptable to Prime.

B. Identity of the Purchaser

Although the September 2019 Letter was written in connection with SGM as the prospective purchaser, the change in purchaser does not make necessary the full Attorney General review process under Code Section 5914(a).

Attached to this letter as **Exhibit E** are the following materials that are specific to Prime that are relevant in connection with considering this waiver request.

- A list of the officers and directors of Prime and its applicable affiliate that would acquire the Hospital;
- The most recent audited financial statements for Prime (provided by Prime to your attention under separate cover);
- Prime's Articles of Incorporation and Bylaws;
- A description of Prime's policies, procedures, and eligibility requirements for the provision of charity care; and
- Copies of the parties' respective Hart-Scott-Rodino Act filings with the Federal Trade Commission for the Transaction (also provided under separate cover).

Additional information has already been provided to your attention about Prime and its other hospitals and Prime is committed to continuing to work with the Attorney General's office to provide addition information as requested. Please let us know if there is any additional information concerning Prime that the Attorney General desires to review in connection with this waiver request.

C. Evaluation of Decisional Factors in Code Section 5917 Section 999.5(a)(5)(B) states that the Attorney General shall consider whether any of the decisional factors set forth in Code Section 5917 are applicable to the proposed agreement or transaction and that a waiver shall be denied if any of these decisional factors require full Attorney General review of the proposed agreement or transaction. Each such decisional factor as it relates to the Transaction is addressed individually below, but you will note that the Bankruptcy Court approved the sale of St. Francis Medical Center to Prime and in doing so, has already addressed many of these decisional factors, including as set forth in the Sale Order. The thorough and complete review of the Transaction by the Bankruptcy Court is a critical factor in the Attorney General evaluating whether to waive its complete review here.

We review each of the factors outlined in Code Section 5917(a) below:

1. Code Section 5917(a): The terms and conditions of the agreement or transaction are fair and reasonable to the nonprofit corporation.

- The Bankruptcy Court found in Section E of the Sale Order that the terms and conditions of the Transaction are fair and reasonable:

“The terms and conditions of the APA and the other Transaction Documents, including, without limitation, the consideration provided in respect thereof, are fair and reasonable, and are not avoidable and shall not be avoided...”

2. Code Section 5917(b): The agreement or transaction will result in inurement to any private person or entity.

- The Bankruptcy Court determined, in Section F of the Sale Order, that the transaction will not result in any inurement to any private person or entity:

“(iv) all payments to be made by Prime and other agreements entered into or to be entered into between Prime and the Debtors in connection with the Transaction have been disclosed; (v) the negotiation and execution of the APA and related Transaction Documents were conducted in good faith and constituted an arm’s length transaction;...and (vii) the APA was not entered into, and the Transaction being consummated pursuant to and in accordance with the APA is not being consummated, for the purpose of hindering, delaying or defrauding creditors of the Debtors.”

3. Code Section 5917(c): Any agreement or transaction that is subject to this article is at fair market value. In this regard, “fair market value” means the most likely price that the assets being sold would bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller, each acting prudently, knowledgeably and in their own best interest, and a reasonable time being allowed for exposure in the open market.

- Fair market value is “[t]he price that a seller is willing to accept and a buyer is willing to pay on the open market and in an arm’s-length transaction.” *In re Hayden*, No. 1:14-AP-01182-MT, 2015 WL 9491310, at *6 (Bankr. C.D. Cal. Dec. 28, 2015) (quoting Black’s Law Dictionary 1691 (9th ed.2009)); *see also In re Cinema City Car Wash, Inc.*, 935 F.2d 273 (9th Cir. 1991) (noting a sale price the bankruptcy court found to be “the best price obtainable under the circumstances . . . represents the property’s fair market value”); *In re Verity Health Sys. of California, Inc.*, No. 2:18-BK-20151-ER, 2019 WL 5585007, at *14 (Bankr. C.D. Cal. Oct. 23, 2019) (“‘[F]air market value’ means the most likely price that the assets being sold would bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller, each acting prudently, knowledgeably

and in their own best interest, and a reasonable time being allowed for exposure in the open market.”) *vacated on other grounds* No. 2:18-BK-20151-ER, 2019 WL 6519342 (Bankr. C.D. Cal. Nov. 13, 2019).

- The Bankruptcy Court found in Section E of the Sale Order that the Transaction is at fair market value:

“The terms and conditions of the APA and the other Transaction Documents, including, without limitation, the consideration provided in respect thereof, are fair and reasonable...The consideration provided by Prime is fair, adequate and constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code and any other applicable laws of the United States or any of its jurisdictions or subdivisions, including the State of California.”

4. Code Section 5917(d): The market value has been manipulated by the actions of the parties in a manner that causes the value of the assets to decrease.

- In addition to its finding in Section E of the Sale Order as set forth above in the response concerning Code Section 5917(c), the Bankruptcy Court has also found in Section F of the Sale Order that the market value has not been so manipulated:

“Prime has proceeded in good faith and without collusion in all respects in connection with the sale process, in that: (i) Prime, in proposing and proceeding with the Transaction in accordance with the APA, recognized that the Debtors were free to deal with other interested parties; (ii) Prime agreed to provisions in the APA that would enable the Debtors to accept a higher and better offer; (iii) Prime complied with all of the provisions in the Bidding Procedures Order applicable to Prime; (iv) all payments to be made by Prime and other agreements entered into or to be entered into between Prime and the Debtors in connection with the Transaction have been disclosed; (v) the negotiation and execution of the APA and related Transaction Documents were conducted in good faith and constituted an arm’s length transaction; (vi) Prime did not induce or cause the chapter 11 filings by the Debtors;”

- Further, it bears noting that Prime was the only party to submit a Qualified Bid for St. Francis Medical Center.

5. Code Section 5917(e): The proposed use of the proceeds from the agreement or transaction is consistent with the charitable trust on which the assets are held by the health facility or by the affiliated nonprofit health system.

- As outlined above, the proceeds from the sale of St. Francis Medical Center will be used to pay administrative costs related to the Bankruptcy Cases and creditors in the priority scheme set forth in the Bankruptcy Code. The Bankruptcy Court will

oversee the distribution of the sale proceeds as well as the ultimate plan of liquidation of the Debtors.

6. Code Section 5917(f): The agreement or transaction involves or constitutes any breach of trust.
 - Please see response above in connection with Code Section 5917(d).
7. Code Section 5917(g): The Attorney General has been provided, pursuant to Code Section 5250, with sufficient information and data by the nonprofit corporation to evaluate adequately the agreement or transaction or the effects thereof on the public.
 - Verity previously made all such information available to the Attorney General in conjunction with the previous SGM transaction, and also submitted this week a complete notice and request for consent of this Transaction pursuant to Code Section 5914. Verity requests that this waiver request and notice and request to consent to approve the sale of St. Francis Medical Center be reviewed and processed by the Attorney General's office concurrently, so as to avoid any unnecessary delay.
8. Code Section 5917(h): The agreement or transaction may create a significant effect on the availability or accessibility of health care services to the affected community.
 - Please see discussion above concerning the previously obtained Health Care Impact Statement and Prime's willingness to be responsible for the Accepted Conditions, which will ensure the availability and accessibility of needed health care services to the communities served by the Hospital.
9. Code Section 5917(i): The proposed agreement or transaction is in the public interest.
 - Please see response above in connection with Code Section 5917(h). In addition, the prompt closure of the Transaction will help to ensure that the Hospital continues to serve the needs of the communities that it serves, which is especially critical in light of the current COVID-19 health care crisis.
10. Code Section 5917(j): The agreement or transaction may create a significant effect on the availability and accessibility of cultural interests provided by the facility in the affected community.
 - Please see discussion above concerning the previously obtained Health Care Impact Statement and Prime's willingness to be responsible for the Accepted Conditions.

D. Public Meetings; Time is of the Essence

While Code Section 5916 on its face contemplates that the Attorney General shall conduct one or more public meetings prior to giving a written waiver under Code Section 5914(c), the current State of California and County of Los Angeles Stay-at-Home orders would prevent the occurrence of any in-person public meeting concerning the Transaction. We are committed to working with the Attorney General's office, as needed, to ensure that any required public meeting requirements can be satisfied in a way that honors the various executive orders and local orders.

E. Other Considerations

Perhaps most importantly, the prompt closure of the Transaction is in the best interests of the communities served by the Hospital for a variety of reasons, including:

- (i) VHS has been actively trying to sell the Hospital since the middle of 2018. Maintaining the continuity of leadership and staff is challenging during a normal sale process, and is especially difficult for a hospital in bankruptcy. This difficulty becomes even more acute when the timeframe for consummating a sale is extended by virtue of a failed sale transaction like the proposed sale to SGM last year. St. Francis Medical Center can simply not endure another failed sale.
- (ii) Prime has committed in the APA to investing \$47 million in capital expenditures for the Hospital (including NPC-3 seismic compliance responsibilities). The sooner the Transaction is consummated, the sooner Prime will be able to begin deploying this capital at the Hospital.
- (iii) The current COVID-19 health care crisis is leading to an unprecedented amount of demand and uncertainty in the operation of all hospitals in California, including the Hospital. As such, it is imperative that the Hospital be operated by a party (in this case, Prime) that is in a strong financial condition to be able to support the needs of the Hospital, not only while the COVID-19 crisis continues, but also in the long-term.

Further delaying the consummation of the Transaction by undertaking a 90-135 day Attorney General review, including re-doing an impact evaluation report that was produced less than a year ago and conducting public hearings remotely would unnecessarily delay the ability of Prime to initiate its planned Hospital turn-around and under the circumstances, is an unnecessary delay given the Bankruptcy Court's thorough and complete review of the transaction and Prime's willingness to accept most of the conditions previously issued by the Attorney General's office in September 2019 in the context of the SGM sale.

* * * * *

For the reasons set forth above, we hereby request that the Attorney General promptly grant Verity a written waiver pursuant to Code Section 5914(c) and Section 999.5, subdivision (a)(5), in connection with the Transaction and concurrently condition the grant of such waiver on terms and conditions consistent with the Accepted Conditions.

Thank you for your consideration of this request. We are committed to ensuring a smooth transition for St. Francis Medical Center and preserving this vital community resource and believe the best way this can be done is through the prompt closure of the Transaction and sale to Prime. If you need additional information or would like to discuss this request further, please contact me at (213) 633-8608 or at hopelevybiehl@dwt.com.

Sincerely,

Hope R. Levy-Biehl

E. Arm’s Length Transaction. The APA and other documents and instruments (the “Transaction Documents”) related to and connected with this transaction (the “Transaction”) and the consummation thereof were negotiated and entered into by the Debtors and Prime Healthcare Services, Inc. (“Prime”), as Purchaser under the APA without collusion, in good faith and through an arm’s length bargaining process. Neither Prime nor any of its affiliates or representatives is an “insider” of the Debtors, as that term is defined in § 101(31). None of the Debtors, Prime, or their respective representatives engaged in any conduct that would cause or permit the APA, any of the

1 other Transaction Documents or the Transaction to be avoided under § 363(n), or have acted in any
2 improper or collusive manner. The terms and conditions of the APA and the other Transaction
3 Documents, including, without limitation, the consideration provided in respect thereof, are fair
4 and reasonable, and are not avoidable and shall not be avoided, and no damages may be assessed
5 against Prime or any other party as set forth in § 363(n). The consideration provided by Prime is
6 fair, adequate and constitutes reasonably equivalent value and fair consideration under the
7 Bankruptcy Code and any other applicable laws of the United States or any of its jurisdictions or
8 subdivisions, including the State of California.

9 F. Good Faith Purchaser. Prime has proceeded in good faith and without collusion in
10 all respects in connection with the sale process, in that: (i) Prime, in proposing and proceeding with
11 the Transaction in accordance with the APA, recognized that the Debtors were free to deal with
12 other interested parties; (ii) Prime agreed to provisions in the APA that would enable the Debtors
13 to accept a higher and better offer; (iii) Prime complied with all of the provisions in the Bidding
14 Procedures Order applicable to Prime; (iv) all payments to be made by Prime and other agreements
15 entered into or to be entered into between Prime and the Debtors in connection with the Transaction
16 have been disclosed; (v) the negotiation and execution of the APA and related Transaction
17 Documents were conducted in good faith and constituted an arm's length transaction; (vi) Prime
18 did not induce or cause the chapter 11 filings by the Debtors; and (vii) the APA was not entered
19 into, and the Transaction being consummated pursuant to and in accordance with the APA is not
20 being consummated, for the purpose of hindering, delaying or defrauding creditors of the Debtors.
21 Prime is therefore entitled to all of the benefits and protections provided to a good-faith purchaser
22 under § 363(m) and any other applicable bankruptcy or non-bankruptcy law with respect to the sale
23 and assignment of the Purchased Assets and Assumed Contracts that Prime is acquiring pursuant
24 to the APA and the other terms thereof. Accordingly, the reversal or modification on appeal of the
25 authorization provided herein to consummate the Transaction shall not affect the validity of the
26 Transaction, any terms or conditions of the Transaction or Prime's status as a "good faith"
27 purchaser.
28

1 G. Justification for Relief. Good and sufficient reasons for approval of the APA and
2 the other Transaction Documents and the Transaction have been articulated to this Court in the
3 Motion and at the Sale Hearing, and the relief requested in the Motion and set forth in this Sale
4 Order is in the best interests of the Debtors, their estates, and their creditors. The Debtors have
5 demonstrated through the Motion and other evidence submitted at the Sale Hearing both (i) good,
6 sufficient and sound business purpose and justification and (ii) compelling circumstances for the
7 transfer and sale of the Purchased Assets as provided in the APA outside the ordinary course of
8 business, and (iii) such transfer and sale pursuant to the terms of the APA and this Order is an
9 appropriate exercise of the Debtors' business judgment and in the best interests of the Debtors, their
10 estates, and their creditors.

11 H. Free and Clear. In accordance with §§ 363(b) and 363(f), the consummation of the
12 Transaction pursuant to the Transaction Documents shall be a legal, valid, and effective transfer
13 and sale of the Purchased Assets and shall vest in Prime, through the consummation of the
14 Transaction, all of the Debtors' right, title, and interest in and to the Purchased Assets, free and
15 clear of all liens, claims, interests, rights of setoff, recoupment, netting and deductions, rights of
16 first offer, first refusal and any other similar contractual property, legal or equitable rights, and any
17 successor or successor-in-interest liability theories (collectively, the "Encumbrances"). The
18 Debtors have demonstrated that one or more of the standards set forth in § 363(f)(1)-(5) have been
19 satisfied. Those holders of Encumbrances who did not object, or who withdrew their objections, to
20 the sale or the Motion are deemed to have consented pursuant to § 363(f)(2). Those holders of
21 Encumbrances who did object fall within one or more of the other subsections of § 363(f). All
22 holders of the Encumbrances in the Purchased Assets are adequately protected by having their
23 respective Encumbrances attach to the Debtors' interests in the proceeds of the sale of the Purchased
24 Assets under the APA (subject to any Challenge within the meaning of that certain *Final Order (I)*
25 *Authorizing Postpetition Financing, (II) Authorizing Use of Cash Collateral, (III) Granting Liens*
26 *and Providing Superpriority Administrative Expense Status, (IV) Granting Adequate Protection,*
27 *(V) Modifying Automatic Stay, and (VI) Granting Related Relief* [Docket No. 409] (the "Final DIP
28 Order") that has been, or may be, timely filed), and any related documents or instruments delivered

1 in connection therewith, whenever and wherever received (the “Sale Proceeds”) to the extent and
2 manner provided herein, including, without limitation, in paragraphs 6, 7 and 16 hereunder. The
3 outcome of any Challenge (as defined in the Final DIP Order) does not affect the findings in this
4 paragraph as it relates to Purchaser.

5 I. Prompt Consummation. The Debtors have demonstrated good and sufficient cause
6 to waive the stay requirement under Rules 6004(h) and 6006(d). Time is of the essence in
7 consummating the Transaction, and it is in the best interests of the Debtors and their estates to
8 consummate the Transaction within the timeline set forth in the Motion and the APA. The Court
9 finds that there is no just reason for delay in the implementation of this Order, and expressly directs
10 entry of judgment as set forth in this Order.

11 J. Assumption of Executory Contracts and Unexpired Leases. The Debtors have
12 demonstrated that it is an exercise of their sound business judgment to assume and assign to Prime
13 the “Assigned Contracts” (as that term is defined in the APA), subject to Prime’s right to designate
14 any Assigned Contracts as “Rejected Contracts” (as that term is defined in the APA) pursuant to
15 the APA, in connection with the consummation of the Transaction, and the assumption and
16 assignment of the Assigned Contracts is in the best interests of the Debtors and their estates.

17 K. Cure/Adequate Assurance. In connection with the Closing, and pursuant to the APA,
18 unless otherwise ordered, any and all defaults existing on or prior to the Closing under any of the
19 Assigned Contracts will have been cured, within the meaning of § 365(b)(1)(A), by payment of the
20 amounts (the “Cure Amounts”) and in the manner set forth below, unless otherwise agreed by Prime
21 and the counterparty (each a “Counterparty”) or as ordered by the Court. Prime has provided
22 adequate assurance of future performance of and under the Assigned Contracts within the meaning
23 of § 365(b)(1)(C) and § 365(f)(2)(B), and shall have no further obligation to provide assurance of
24 performance to any Counterparty to an Assigned Contract. Pursuant to § 365(f), the Assigned
25 Contracts to be assumed by the Debtors (i.e., SFMC, VHS, and Holdings), and assigned to Prime
26 under the APA shall be assigned and transferred to, and remain in full force and effect for the
27 benefit of Prime, notwithstanding any provision in such Assigned Contracts prohibiting their
28 assignment or transfer. The Debtors have demonstrated that no other parties to any of the Assigned

1 Contracts has incurred any actual pecuniary loss resulting from a default on or prior to the Closing
2 under any of the Assigned Contracts within the meaning of § 365(b)(1)(B).

3 L. Rejection of Executory Contracts and Unexpired Leases. The Debtors will have
4 demonstrated that it is a reasonable and appropriate exercise of their sound business judgment for
5 SFMC to reject all of its executory contracts and unexpired leases, excluding (i) Assigned
6 Contracts, (ii) any prepetition multiparty contract affecting more than one Debtor in addition to
7 SFMC, (iii) any prepetition contract that is the subject of a Rule 9019 settlement motion prior to
8 Closing, and (vi) any collective bargaining agreement (a “CBA”), pension plan or health and
9 welfare plan providing collectively bargained benefits to which SFMC is a party or sponsor. The
10 Debtors shall file an appropriate motion to reject the contracts, covered by this paragraph K, prior
11 to Closing and shall request therein that the rejection be effective as of the Closing or as otherwise
12 appropriate.

13 M. Highest and Best Offer. The Debtors solicited offers and noticed the Auction in
14 accordance with the provisions of the Bidding Procedures Order. The Auction was duly noticed,
15 the sale process was conducted in a non-collusive manner and the Debtors afforded a full, fair and
16 reasonable opportunity for any person or entity to make a higher and better offer to purchase the
17 Purchased Assets. Commencing on January 3, 2020, the Debtors contacted all parties that had
18 executed a nondisclosure agreements (an “NDA”) in connection with the Debtors’ previous efforts
19 to market St. Francis and, following the receipt of executed NDAs, granted fifty three (53) parties
20 access to a secured diligence data site and received seven written indications of interest for the
21 potential acquisition of St. Francis by January 31, 2020. Other than Prime’s Bid, the Debtors
22 received no other Qualified Bids by the Bid Deadline (as such terms are defined by the Bidding
23 Procedures Order). The Debtors properly consulted with the Consultation Parties in selecting
24 Prime’s Bid as the highest and best bid pursuant to the Bidding Procedures Order. The transfer and
25 sale of the Purchased Assets to Prime on the terms set forth in the APA constitutes the highest and
26 best offer for the Purchased Assets and will provide a greater recovery for the Debtors’ estates than
27 would be provided by any other available alternative. The Debtors’ determination, in consultation
28

1 with the Consultation Parties (as defined in the Bidding Procedure Order), that the APA constitutes
2 the Winning Bid, constitutes a valid and sound exercise of the Debtors' business judgment.

3 N. No De Facto or Sub Rosa Plan of Reorganization. The sale of the Purchased Assets
4 does not constitute a *de facto* or *sub rosa* plan of reorganization or liquidation because it does not
5 propose to (i) impair or restructure existing debt of, or equity or membership interests in, the
6 Debtors, (ii) impair or circumvent voting rights with respect to any plan proposed by the Debtors,
7 (iii) circumvent chapter 11 safeguards, including those set forth in §§ 1125 and 1129, or (iv) classify
8 claims or equity or membership interests.

9 O. Legal and Factual Bases. The legal and factual bases set forth in the Motion and at
10 the Sale Hearing establish just cause for the relief granted herein.

11 **NOW THEREFORE, IT IS HEREBY ORDERED THAT:**

12 1. The relief requested in the Motion is GRANTED and APPROVED in all respects to
13 the extent provided herein.

14 2. The UNAC Objection is overruled as premature. The Hooper reservation is
15 preserved for adjudication at the hearing scheduled before this Court on April 29, 2020, at 10:00
16 a.m. All other objections with regard to the relief sought in the Motion that have not been
17 withdrawn, waived, settled, or provided for herein or in the Bidding Procedures Order, including
18 any reservation of rights included in such objections, are overruled on the merits with prejudice,
19 including, without limitation, the SEIU-UHW Objection. To the extent of any inconsistency
20 between this Sale Order and the Bidding Procedures Order, the terms of this Sale Order shall
21 prevail.

22 3. Notice of the Sale Motion, and the assumption and assignment of the Assumed
23 Contracts (including proposed Cure Amounts related thereto), the Auction, the Sale Hearing and
24 the Sale was fair and equitable under the circumstances and complied in all respects with the
25 Bidding Procedures, §§ 102(1), 363, and 365, and Rules 2002, 6004, 6006, 9006, and 9007.

26 4. Pursuant to §§ 105(a), 363(b), 363(f), and 365, the Transaction, including the
27 transfer and sale of the Purchased Assets to Prime on the terms set forth in the APA, is approved
28 in all respects, and the Debtors are authorized and directed to consummate the Transaction in

1 accordance with the APA, including, without limitation, by executing all of the Transaction
2 Documents (and any ancillary documents or instruments that may be reasonably necessary or
3 desirable to implement the APA or the Transaction) and taking all actions necessary and appropriate
4 to effectuate and consummate the Transaction (including the transfer and sale of the Purchased
5 Assets) in consideration of the Purchase Price (as defined in § 1.1 of the APA) upon the terms set
6 forth in the APA, including, without limitation, assuming and assigning to Prime the Assigned
7 Contracts. The Debtors and Prime shall have the right to make any mutually agreeable, non-material
8 changes to the APA, which shall be in writing signed by both parties, without further order of the
9 Court provided, that after reasonable notice, the Official Committee of Unsecured Creditors (the
10 "Committee") and the Prepetition Secured Creditors (as defined in the Final DIP Order) do not
11 object to such changes. Any timely objection by the aforementioned parties to any agreed non-
12 material changes to the APA may be resolved by the Court on shortened notice.

13 5. As of the Closing, (i) the Transaction set forth in the APA shall effect a legal, valid,
14 enforceable and effective transfer and sale of the Purchased Assets to Prime free and clear of all
15 Encumbrances as further set forth in the APA and this Sale Order; and (ii) the APA, and the other
16 Transaction Documents, and the Transaction, shall be enforceable against and binding upon, and
17 not subject to rejection or avoidance by, the Debtors, any successor thereto including a trustee or
18 estate representative appointed in the Bankruptcy Cases, the Debtors' estates, all holders of any
19 Claim(s) (as defined in the Bankruptcy Code) against the Debtors, whether known or unknown,
20 any holders of Encumbrances on all or any portion of the Purchased Assets, all Counterparties to
21 the Assigned Contracts and all other persons and entities.

22 6. Encumbrances in and to Purchased Assets shall attach (subject to any Challenge
23 within the meaning of the Final DIP Order that has been, or may be, timely filed) to the Sale
24 Proceeds of such Purchased Assets with each such Encumbrance having the same force, extent,
25 effect, validity and priority as such Encumbrance had on the Purchased Assets giving rise to the
26 Sale Proceeds immediately prior to the Closing. For the avoidance of doubt, the foregoing force,
27 extent, effect, validity and priority of such Encumbrances of the Prepetition Secured Creditors that
28 attach to the Sale Proceeds shall: (i) reflect and include, without limitation, the security interests,

liens (including any Prepetition Replacement Liens arising for diminution of value, if any) and rights, powers and authorities that have been granted to the Prepetition Secured Creditors, as applicable, pursuant to the Financing Orders,³ subject to (x) the results of the appeal from the Final DIP Order filed by the Committee on November 29, 2019 challenging the rights granted to the Prepetition Secured Creditors pursuant to the Final DIP Order with respect to Sections 506(c) and 552(b); and/or (ii) the results of any Challenge within the meaning of the Final DIP Order that has been, or may be, timely filed. In addition, the Intercreditor Agreement (as defined in the Final DIP Order) and the Final DIP Order shall apply with respect to the rights of the parties thereto in and to the Sale Proceeds and the Escrow Deposit Accounts, to the extent of and in accordance with its terms with all parties reserving all rights thereunder. Each of the Prepetition Secured Creditors opposes all existing Challenges and the appeal brought by the Committee, and nothing contained herein shall constitute an express or implicit admission by any of the Prepetition Secured Creditors in connection therewith, or shall be deemed to be a waiver of any rights in respect thereof. The outcome of any such Challenge does not affect the Transaction in any respect.

7. The Accounts Receivable shall be transferred from Debtors to Prime free and clear of all Encumbrances as further set forth in the APA and this Sale Order, subject only to the A/R Accounting set forth in the APA. Subject to the fulfillment of the terms and conditions of the APA, this Sale Order shall, as of the Closing, be considered and constitute for all purposes a full and complete general assignment, conveyance, and transfer of the Purchased Assets and/or a bill of sale transferring all of the Debtors' rights, title and interest in and to the Purchased Assets to Prime free

1 and clear of the Encumbrances. Consistent with, but not in limitation of the foregoing, each and
2 every federal, state, and local governmental agency or department, except as stated herein, is hereby
3 authorized and directed to accept all documents and instruments necessary and appropriate to
4 consummate the transactions contemplated by the APA and approved in this Sale Order. A certified
5 copy of this Order may be filed with the appropriate clerk and/or recorded with the appropriate
6 recorder to cancel any Encumbrances of record.

7 8. Any person or entity that is currently, or on the Closing Date may be, in possession
8 of some or all of the Purchased Assets is hereby directed to surrender possession of such Purchased
9 Assets either to (a) the Debtors before the Closing or (b) to Prime or its designee upon the Closing,
10 and to cooperate with the Debtors and Prime in the Debtors' and Prime's fulfillment of their
11 obligations hereunder and pursuant to the APA.

12 9. The transfer of the Purchased Assets pursuant to the Transaction Documents shall
13 be a legal, valid, and effective transfer and shall, in accordance with §§ 105(a) and 363(f), and upon
14 consummation of the Transaction, including, without limitation, payment of the Purchase Price to
15 the Debtors, vest Prime with all right, title, and interest in the Purchased Assets, free and clear of
16 all Encumbrances. Upon closing of the Transaction, Prime shall take title to and possession of the
17 Purchased Assets as set forth in the APA, provided that notwithstanding any other provision of this
18 Order or the APA to the contrary, Purchased Assets shall not include any Accounts Receivable (as
19 that term is defined in the APA) for which UnitedHealthcare Insurance Company is an account
20 debtor. The transfer of the Purchased Assets from the Debtors to Prime constitutes a transfer in
21 good faith and for reasonable equivalent value and fair consideration under the Bankruptcy Code
22 and the laws of the State of California.

23 10. Following the Closing, no holder of any Encumbrance against the Debtors or upon
24 the Purchased Assets shall interfere with Prime's respective rights in, title to or use and enjoyment
25 of the Purchased Assets. All persons and entities are hereby forever prohibited and enjoined from
26 taking any action that would adversely affect or interfere with the ability of the Debtors to sell and
27 transfer the Purchased Assets to Prime, including the assumption and assignment of the Assigned
28 Contracts.

11. Prime is a good faith purchaser of the Purchased Assets and is hereby granted and entitled to all of the protections provided to a good faith purchaser under § 363(m). Pursuant to § 363(m), if any or all of the provisions of this Sale Order are hereafter reversed, modified, or vacated by a subsequent order of the Bankruptcy Court or any other court (including modification of the terms of the APA), such reversal, modification, or vacatur shall not affect the validity and enforceability of the Transaction, any sale, transfer, or assignment under the APA or obligation or right granted pursuant to the terms of this Sale Order, and, notwithstanding any reversal, modification, or vacatur, the original provisions of this Sale Order and the APA, as the case may be, shall apply with respect to the Transaction.

12. The Sale approved by this Sale Order is not subject to avoidance or any recovery or damages pursuant to § 363(n) or any other section of the Bankruptcy Code or otherwise, except for any rights of the parties to enforce the terms of the APA.

13. Prime shall not be deemed, as a result of any action taken in connection with, or as a result of the Transaction (including the transfer and sale of the Purchased Assets), to the maximum extent permitted by law by reason of any theory of law or equity with respect to any claims or liens against Sellers or the Assets, to: (i) be a successor, continuation or alter ego (or other such similarly situated party) to or of the Debtors or their estates by reason of any theory of law or equity, including, without limitation, any bulk sales law, doctrine or theory of successor liability, or any theory or basis of liability, regardless of source of origin; or (ii) have, *de facto* or otherwise, merged with or into the Debtors; or (iii) be a mere continuation, *alter ego*, or substantial continuation of the Debtors. Prime is not assuming any of the Debtors' debts.

14. This Sale Order (i) shall be effective as a determination that, on Closing, all Encumbrances existing against the Purchased Assets before the Closing have been unconditionally released, discharged and terminated, except to the extent provided in paragraph 6 above, and that the transfers and conveyances described herein have been effected, and (ii) shall be binding upon and shall govern the acts of all persons and entities. If, following a reasonable written request made by the Debtors, any person or entity that has filed financing statements or other documents or agreements evidencing any Encumbrances against the Purchased Assets shall not have delivered to

the Debtors for use at or in connection with Closing, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, releases of all Encumbrances which the person or entity has with respect to the Purchased Assets, then Prime and/or the Debtors are hereby authorized to execute and file such statements, instruments, releases and other documents on behalf of the person or entity with respect to such Purchased Assets. For the avoidance of doubt, such statements, instruments, releases and other documents shall not impair Encumbrances that attach (subject to any Challenge within the meaning of the Final DIP Order that has been, or may be, timely filed, which shall not affect the enforceability of this Sale Order as to Prime) to the Sale Proceeds by the terms of this Order, including, but not limited to paragraphs 6, 7 and 16 hereof.

15. In accordance with the APA, concurrently with the Closing, Prime shall pay that portion of the Purchase Price due at Closing, by wire transfer of immediately available funds, to Debtors' Escrow Deposit Accounts (defined below), subject to the adjustments set forth in the APA. Any direct expenses of the Sale shall be disclosed by Debtors to the Prepetition Secured Creditors and the Committee in advance of the Closing.

16. The terms and conditions of the Financing Orders shall apply with respect to the Sale Proceeds and Escrow Deposit Accounts (defined herein), except as expressly modified hereby. Without limiting the foregoing, the Debtors shall comply with paragraph 4 of the Final DIP Order in the following manner:

a. the Debtors shall direct Prime, pursuant to the terms of the APA, to remit to Chicago Title Insurance Company as closing escrow agent (the "Closing Escrow Agent") all Sale Proceeds for the separate account of each selling Debtor. Upon closing, the Closing Escrow Agent shall remit the Sale Proceeds to the separate accounts for each selling Debtor (each such account hereafter referred to as "Escrow Deposit Account").

b. in giving direction to Prime pursuant to sub-paragraph (a), above, the Debtors shall exercise their reasonable business judgment, in good faith, and allocate the Sale Proceeds among the Escrow Deposit Accounts on the basis of the value of each Debtor's Purchased Assets as of the Closing which allocation, for the avoidance of doubt, shall be subject to the

1 reservations of rights in paragraph 4 of the Final DIP Order; provided that nothing in this paragraph
2 shall waive or limit any rights the Committee or the Prepetition Secured Creditors may have in
3 connection with the confirmation of a proposed chapter 11 plan for any of the Debtors' cases
4 (including the right to seek to reallocate estate values and the Sale Proceeds at any time);

5 c. no funds held in any Escrow Deposit Account shall be (i) commingled with
6 any other funds of the applicable Debtor or any of the other Debtors or (ii) used by the Debtors for
7 any purpose, except as provided by paragraphs 17, 19, 20, and 22 of this Order with respect to Cure
8 Costs, and to fund any Purchase Price adjustment in favor of Prime under the APA, in each case,
9 without first obtaining the consent of the Prepetition Secured Creditors or obtaining an order of the
10 Court pursuant to § 363 after reasonable notice under the circumstances to the Prepetition Secured
11 Creditors and to the Committee and, if necessary, a hearing thereon;

12 d. establishment of an Escrow Deposit Account shall not require execution by
13 the Debtors of a deposit account control agreement in favor of the Prepetition Secured Creditors to
14 establish their perfected lien rights over the Escrow Deposit Account balances as collateral or
15 proceeds of collateral (which lien rights shall be deemed automatically granted and perfected by
16 the terms of the Financing Orders and this Order); and

17 e. for the avoidance of doubt, the rights of the Debtors, the Committee, and the
18 Prepetition Secured Creditors as to the Sale Proceeds and any funds held in any Escrow Deposit
19 Accounts shall be, except as set forth herein, as contemplated by Paragraph 4 of the Final DIP Order
20 and the terms of the Financing Orders, and nothing in this Order shall be construed as altering,
21 amending, waiving, or affecting in any way such rights or any rights under the Intercreditor
22 Agreement, to the extent applicable.

23 17. Concurrently with the Closing or as soon thereafter as is possible, and in accordance
24 with the APA, the Debtors shall pay out of the Sale Proceeds to the Counterparties to the Assigned
25 Contracts the Cure Amounts either as (i) set forth in the Cure Notice, (ii) otherwise agreed to by
26 the Debtors, Prime, and the applicable Counterparties thereto, or (iii) ordered by this Court after a
27 hearing on any objection to the Cure Amount set forth in the Cure Notice. Prime has the right under
28

1 the APA to remove any contracts from the list of Assigned Contracts up to thirty (30) days prior to
2 Closing.

3 18. Any executory contracts and/or unexpired leases, which give rise to Cure Costs and
4 are designated as Assigned Contracts and are not timely removed from the Assigned Contracts list
5 by Prime under the APA shall be deemed Assigned Contracts at the Closing, subject to the
6 provisions of the APA and this Sale Order. The Court shall resolve any and all disputes which may
7 arise between the Debtors, Prime, and any applicable Counterparty concerning (i) whether a
8 particular Assigned Contract is an executory contract or unexpired lease or (ii) whether a
9 Counterparty to an Assigned Contract is entitled to an allowed claim against the Debtors which
10 exceeds the Cure Amount set forth in the Cure Notice (an “Assumption Dispute”).

11 19. All of the Assigned Contracts, to the extent they are executory contracts or
12 unexpired leases and are not subsequently and timely removed by Prime under the APA, or deemed
13 a rejected contract within the meaning of § 1.11 of the APA, shall be part of the Assigned Contracts
14 that will be assumed by the Debtors and assigned to Prime at the Closing, subject to the provisions
15 of the APA. All Assigned Contracts shall be assumed by the Debtors and assigned to Prime at the
16 Closing, with Prime to be obligated to pay all Cure Costs owing to such Assigned Contract Counter-
17 Parties concurrently with the Closing, as set forth in the APA, or as otherwise agreed to by the
18 Debtors, Prime and the applicable counter-parties thereto, or ordered by the Court (the “Additional
19 Cure Costs”), so long as such amount as ordered by the Court is no greater than the amount agreed
20 upon by Prime; and in the event the Additional Cure Costs is greater than the amount agreed upon
21 by Prime, and Prime is not willing to pay the Additional Cure Costs, the Debtors shall not be
22 required to pay the Additional Cure Cost(s) and the Assigned Contract(s) shall be deemed a rejected
23 contract within the meaning of § 1.11 of the APA and this Sale Order, and funds in an amount equal
24 to the Cure Amount for such Rejected Contract shall be returned to Prime within seven (7) business
25 days of such contract being deemed a rejected contract pursuant to the APA; provided, and for the
26 avoidance of doubt, except as provided in Section 4.9 of the APA, no collective bargaining
27 agreement, pension plan or health and welfare plan providing collectively bargained benefits to
28

1 which the Hospital is a party or sponsor constitutes an Assigned Contract for which Prime or the
2 Debtors may be obligated to pay any cure amount.

3 20. In the event the Court determines that a Counterparty has an allowed cure claim
4 against the Debtors which exceeds the Cure Cost agreed to between the Debtors and Prime (the
5 “Excess Cure Amount”) with respect to an Assigned Contract, the difference will be paid by Prime
6 as an increase to the Cure Pool and the Purchase Price and shall not be the responsibility of the
7 Debtors as more specifically set forth below; provided, however, that an Assigned Contract subject
8 to an Assumption Dispute shall be deemed a “Rejected Contract” within the meaning of § 1.11 of
9 the APA if the Assumption Dispute is not resolved by the later of (i) three days following entry of
10 an order, or (ii) removal of the Assigned Contract from the list of Assigned Contracts on or before
11 thirty (30) days prior to Closing, unless the Debtor, Prime, and the applicable Counterparty agree
12 otherwise. To the extent an Assumption Dispute relates solely to the Cure Amount, the Debtors
13 may, with Prime’s consent, assume and assign the applicable executory contract or unexpired lease
14 at Closing and prior to the resolution of the Assumption Dispute by the Bankruptcy Court, provided,
15 that the Bankruptcy Court has estimated the maximum cure payment, pursuant to § 502(c) and
16 Prime includes such amount in the Cure Pool to be held by the Debtors in the Sale Proceeds Account
17 for the relevant Debtor(s). The Debtors shall pay and hereby are authorized to pay disputed Cure
18 Amounts from the relevant Sales Proceeds Account(s) upon entry of a final and non-appealable
19 order by this Court to the extent Prime remitted to Sellers the amount required by this paragraph of
20 the Order.

21 21. Prime shall have the right to designate any contracts on the Assigned Contract list
22 as a Rejected Contract until the later of (i) three business days following entry of an order resolving
23 any Assumption Dispute or (ii) 5:00 p.m. (Pacific Time) on the day that is thirty (30) days prior to
24 Closing Date, provided further that the Debtors shall have the absolute right to remove any
25 Evaluated Contract from the list of Assigned Contracts in order to preserve avoidance claims.

26 22. Upon the Closing or as otherwise provided herein or under the APA, the Debtors are
27 authorized and directed to assume, assign and/or transfer each of the Assigned Contracts to Prime. At
28 the Closing, Prime shall pay out of the Sale Proceeds, which shall include the “Cure Pool” (as defined

1 in the APA), the Cure Amounts identified pursuant to paragraph 17 above. Notwithstanding anything
2 in this Order to the contrary, and with the exception of Cure Amounts subject to Assumption Disputes
3 on the Closing Date (which shall be paid upon resolution of such Assumption Dispute), the Debtors shall
4 pay to the Counterparties of Assigned Contracts the applicable Cure Amount (including, any Excess
5 Cure Amount) from the Cure Pool upon the Closing or as soon thereafter as is reasonably practicable.
6 The Debtors' payment of such Cure Amounts are deemed the necessary and sufficient amounts to "cure"
7 all "defaults" with respect to all such Assigned Contracts under § 365(b). The foregoing payment shall
8 (i) effect a cure of all defaults existing under all such Assigned Contracts, and (ii) compensate all such
9 Counterparties for any actual pecuniary loss resulting from any such default. The Debtors shall then
10 have assumed and assigned to Prime, effective as of the Closing, subject to the provisions of the APA
11 and this Sale Order, all of the Assigned Contracts, and, pursuant to § 365(f), the assignment by the
12 Debtors of all such Assigned Contracts to Prime shall not be a default thereunder. After the payment of
13 the Cure Amounts, neither the Debtors nor Prime shall have any further liabilities to any Counterparties,
14 other than Prime's obligations under the Assigned Contracts that accrue and become due and payable
15 after the Closing Date, except as provided in Section 4.9 of the APA, are attributable solely to post-
16 Closing events or activities. In addition, adequate assurance of future performance has been
17 demonstrated by or on behalf of Prime with respect to all of the Assigned Contracts within the meaning
18 of §§ 365(b)(1)(c), 365(b)(3) (to the extent applicable) and 365(f)(2)(B). For the avoidance of doubt,
19 Prime shall not be liable for the payment of any liabilities or obligations, including but not limited to the
20 obligation to provide assurance of future performance, arising from or related to (a) any Rejected
21 Contracts, (b) any prepetition multiparty contract affecting more than one Debtor in addition to SFMC,
22 or (c) any CBA, pension plan, or health and welfare plan providing for collectively bargained for benefits
23 to which SFMC is a party or a sponsor, unless expressly assumed and assigned with Prime's consent or
24 as otherwise set forth in this Sale Order.

25 23. The Debtors intend, and are hereby authorized, to (A) reject, pursuant to § 365(a), all
26 executory contracts to which SFMC is a party, excluding (i) Assigned Contracts, and (ii) any
27 prepetition multiparty contract affecting more than one Debtor in addition to SFMC, and, (B) reject
28 and terminate, to the extent separately authorized by this Court, pursuant to §§ 1113, 1114, and any

1 other applicable provision of the Bankruptcy Code, any CBA, pension plan or health and welfare
2 plan providing collectively bargained benefits to which SFMC is a party or sponsor.

3 24. All of the Counterparties are forever barred, estopped, and permanently enjoined from
4 (i) raising or asserting against the Debtors or Prime, or any of their property, any assignment fee,
5 acceleration, default, breach, or claim of pecuniary loss, or condition to assignment, arising under or
6 related to the Assigned Contracts, existing as of the Closing, or arising by reason of the consummation
7 of the Transaction contemplated by the APA, including, without limitation, the Transaction and the
8 assumption and assignment of the Assigned Contracts, including any asserted breach relating to or
9 arising out of the change-in-control provisions in such Assigned Contracts, or any purported written or
10 oral modification to the Assigned Contracts and (ii) asserting against Prime any claim, counterclaim,
11 breach, or condition asserted or assertable against the Debtors existing as of the Closing or arising by
12 reason of the transfer of the Purchased Assets.

13 25. Any provisions in any Assigned Contracts that prohibit or condition the assignment of
14 such Assigned Contract or allow the counterparty to such Assigned Contract to terminate, recapture,
15 impose any penalty, condition on renewal or extension or modify any term or condition upon the
16 assignment of such Assigned Contract constitute unenforceable anti-assignment provisions that are void
17 and of no force and effect with respect to the Debtors' assumption and assignment of such Assigned
18 Contract to Prime in accordance with the APA, pursuant to § 363(f).

19 26. The terms and provisions of this Sale Order, as well as the rights granted under the
20 Transaction Documents, shall continue in full force and effect and are binding upon any successor,
21 reorganized Debtors, or chapter 7 or chapter 11 trustee applicable to the Debtors, notwithstanding entry
22 of any order of conversion or dismissal. Nothing contained in any chapter 11 plan confirmed in the
23 Debtors' cases or in any order confirming such a plan, nor any order dismissing the cases or converting
24 the cases to a case under chapter 7, shall conflict with or derogate from the provisions of the APA, any
25 documents or instruments executed in connection therewith, or the terms of this Sale Order, provided
26 however, that in the event of a conflict between this Sale Order and an express or implied provision of
27 the APA, this Sale Order shall govern. The provisions of this Sale Order and any actions taken pursuant
28 hereto shall survive any conversion or dismissal of the cases and the entry of any other order that may

1 be entered in the cases, including any order (i) confirming any plan of reorganization; (ii) converting the
2 cases from chapter 11 to chapter 7; (iii) appointing a trustee or examiner in the cases; or (iv) dismissing
3 the cases.

4 27. The Transaction contemplated by the APA and other Transaction Documents are
5 undertaken without collusion and in “good faith,” as that term is defined in § 363(m). Prime is a good
6 faith purchaser within the meaning of § 363(m) and, as such, is entitled to the full protections of § 363(m).
7 Accordingly, the reversal or modification on appeal of the authorization provided herein by this Sale
8 Order to consummate the Transaction shall not affect the validity of the sale of the Purchased Assets to
9 Prime or the terms thereof. The APA and the Transactions contemplated thereby cannot be avoided
10 under § 363(n).

11 28. The failure to specifically include any particular provision of the APA or the other
12 Transaction Documents in this Sale Order shall not diminish or impair the effectiveness of such
13 provisions, it being the intent of the Bankruptcy Court that the Transaction, the APA and the other
14 Transaction Documents be authorized and approved in their entirety. Likewise, all of the provisions of
15 this Sale Order are non-severable and mutually dependent.

16 29. This Order constitutes a final and appealable order within the meaning of 28 U.S.C.
17 § 158(a). Notwithstanding Rules 6004(h), 6006(d), 7062, or 9014, if applicable, or any other LBR or
18 otherwise, this Sale Order shall not be stayed for 14-days after the entry hereof, but shall be effective and
19 enforceable immediately upon entry pursuant to Rule 6004(h) and 6006(d). Time is of the essence in
20 approving the Transaction (including the transfer and the sale of the Purchased Assets).

21 30. The automatic stay in effect pursuant to § 362 is hereby lifted with respect to the Debtors
22 to the extent necessary, without further order of this Court, to (i) allow Prime to deliver any notice
23 provided for in the APA and Transaction Documents and (ii) allow Prime to take any and all actions
24 permitted under the APA and Transaction Documents in accordance with the terms and conditions
25 thereof.

26 31. Unless otherwise provided in this Sale Order, to the extent any inconsistency exists
27 between the provisions of the APA and this Sale Order, the provisions contained in this Sale Order shall
28 govern.

32. This Court shall retain exclusive jurisdiction to interpret, construe, and enforce the provisions of the APA and this Sale Order in all respects, and further, including, without limitation, to (i) hear and determine all disputes between the Debtors and/or Prime, as the case may be, and any other non-Debtor party to, among other things, the Assigned Contracts concerning, among other things, assignment thereof by the Debtors to Prime and any dispute between Prime and the Debtors as to their respective obligations with respect to any asset, liability, or claim arising hereunder; (ii) compel delivery of the Purchased Assets to Prime free and clear of Encumbrances; (iii) compel the delivery of the Purchase Price or performance of other obligations owed to the Debtors; (iv) interpret, implement, and enforce the provisions of this Sale Order; and (v) protect Prime against (A) claims made related to any of the Excluded Liabilities (as defined in the APA), (B) any claims of successor or vicarious liability (or similar claims or theories) related to the Purchased Assets or the Assigned Contracts, or (C) any Encumbrances asserted on or against Prime or the Purchased Assets.

33. Following the date of entry of this Sale Order, the Debtors and Prime are authorized to make changes to the APA and/or execute supplemental agreements implementing the transactions contemplated by the APA without the need for any further order of the Court provided that all such changes have been approved in writing by the Debtors, Prime, the Committee, and Prepetition Secured Creditors. Any other proposed changes to the APA or this Sale Order shall require a further order of the Court, after reasonable notice under the circumstances and a hearing.

34. Notwithstanding any other provision of this Sale Order or any other Order of this Court, no sale, transfer or assignment of any rights and interests of a regulated entity in any federal license or authorization issued by the FCC shall take place prior to the issuance of FCC regulatory approval for such sale, transfer or assignment pursuant to the Communications Act of 1934, as amended, and the rules and regulations promulgated thereunder. The FCC's rights and powers to take any action pursuant to its regulatory authority, including, but not limited to, imposing any regulatory conditions on such sales, transfers and assignments and setting any regulatory fines or forfeitures, are fully preserved, and nothing herein shall proscribe or constrain the FCC's exercise of such power or authority to the extent not inconsistent with the applicable provisions of the Bankruptcy Code.

35. Debtors shall make commercially reasonable efforts to enter into settlement agreements with the Centers for Medicare and Medicaid Services (“CMS”), with respect to the Medicare Provider Agreement, and the California Department of Health Care Services (“DHCS”), with respect to the Medi-Cal Provider Agreement or, alternatively, obtain Bankruptcy Court rulings and pursue possible appeals that the Medicare Provider Agreement and/or the Medi-Cal Provider Agreement may be transferred without the consent of CMS or DHCS, as applicable, and without successor liability, and free and clear of all Encumbrances, to enable such agreements to be assigned to Prime. Between the Closing Date and the Licensure Date, Prime may bill and collect for patient services under Debtors’ health plan agreements, pursuant to the terms of the IMA and Leaseback Agreement (as those terms are defined in the APA).

36. For the avoidance of doubt, no pension plans are being assumed pursuant to the APA or this Sale Order.

37. Notwithstanding anything to the contrary in this Sale Order, nothing in this Sale Order constitutes a finding or determination on (a) any Cure Objection or (b) on the ability of the Debtors to assume and assign to Prime any contract or lease held by a Counterparty subject to any order extending the deadlines related to such Cure Objections (the “Extended Contracts”). All Cure Objections, and any objections related to assumption and assignment of the Extended Contracts, are preserved until resolved either by agreement between the Debtors and the Counterparty or further order of the Court.

38. The California Attorney General, the Debtors, the Consultation Parties (as defined in the Bidding Procedures Order) and Prime, reserve all rights, arguments and defenses concerning the California Attorney General’s authority, if any, to review the sale under California Corporations Code §§ 5914-5924 and California Code of Regulations on Nonprofit Hospital Transactions—Title 11, Chapter 15, § 999.5, and any conditions issued thereto. Notwithstanding any provision to the contrary in the APA or the Sale Order, nothing in the APA or this Sale Order shall limit or be construed as a waiver of the Attorney General’s statutory or regulatory authority or other rights or defenses, or a waiver of the Debtors’ statutory or other rights or defenses.

39. Notwithstanding anything to the contrary in the Motion, the Bidding Procedures, the Bidding Procedures Order, any Cure Notice or assumption notice, any purchase agreement, or this

3 Company, Illinois Union Insurance Company and each of their affiliates and successors

5 the Chubb Insurance Contracts shall be sold, assigned or otherwise transferred to the Buyer in
6 connection with the Sale; (ii) nothing shall alter, modify or otherwise amend the terms or conditions
7 of the Chubb Insurance Contracts; and (iii) for the avoidance of doubt, the Winning Bidder is not,
8 and shall not be deemed to be, an insured under any of the Chubb Insurance Contracts; *provided,*

12 in accordance with the terms of the Chubb Insurance Contracts, and, if applicable, turn over to the

ASSET PURCHASE AGREEMENT

This Asset Purchase Agreement (the “**Agreement**”) is made and entered into as of April 3, 2020 (the “**Signing Date**”) by and among St. Francis Medical Center, a California nonprofit public benefit corporation (“**SFMC**”), Verity Holdings, LLC (“**Verity Holdings**”), a California limited liability company and Verity Health System of California, Inc., a California nonprofit public benefit corporation (“**VHS**” and, together with SFMC and Verity Holdings, the “**Sellers**” and each individually a “**Seller**”) and Prime Healthcare Services, Inc., a Delaware corporation (“**Purchaser**” and, together with the Sellers, the “**Parties**” and each individually a “**Party**”).

RECITALS

A. SFMC engages in the business of operating a hospital known as St. Francis Medical Center (“**St. Francis**”) in the City of Lynwood, California, including the hospital pharmacy, laboratory and emergency department as well as through the medical office buildings and clinics owned or operated by SFMC (with St. Francis, collectively referred to herein, as the “**Hospital**”).

B. VHS is the sole member of SFMC and Verity Holdings. Verity Holdings owns and rents certain properties on or near the Hospital campus.

C. Purchaser desires to purchase from Sellers, and Sellers desire to sell to Purchaser, the assets described in Section 1.7 below for the consideration and upon the terms and conditions contained in this Agreement.

D. On August 28, 2018, Sellers filed voluntary petitions for relief under Chapter 11 of Title 11 of the United States Code (the “**Bankruptcy Code**”) in the United States Bankruptcy Court for the Central District of California, Los Angeles Division, before the Honorable Ernest M. Robles (the “**Bankruptcy Court**”), which are jointly administered with their affiliates under Case No. 18-20151 (the “**Bankruptcy Cases**”).

E. On February 10, 2020, Sellers filed the *Debtors’ Notice of Motion and Motion for the Entry of (I) an Order (1) Approving Form of Asset Purchase Agreement; (2) Approving Auction Sale Format, Bidding Procedures and Stalking Horse Bid Protections; (3) Approving Form of Notice to be Provided to Interested Parties; (4) Scheduling a Court Hearing to Consider Approval of the Sale to the Highest Bidder; and (5) Approving Procedures Related to the Assumption of Certain Executory Contracts and Unexpired Leases; and (II) an Order (A) Authorizing the Sale of Property Free and Clear of All Claims, Liens and Encumbrances; Memorandum Of Points And Authorities In Support Thereof* [Docket No. 4069] (the “**Bidding Procedures Motion**”) which was approved by an order of the Bankruptcy Court (the “**Bidding Procedures Order**”) [Docket No. 4165] and pursuant thereto the Parties have entered into this Agreement.

F. The Parties intend to effectuate the transactions contemplated by this Agreement through a sale of the Assets pursuant to the Bidding Procedures and as approved by the Bankruptcy Court pursuant to Sections 363 and 365 of the Bankruptcy Code.

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing premises and the mutual promises and covenants contained in this Agreement, and for their mutual reliance and incorporating into this Agreement the above recitals, the Parties hereto agree as follows:

ARTICLE 1 SALE AND TRANSFER OF ASSETS; CONSIDERATION; CLOSING

1.1 Purchase Price.

(a) Subject to the terms and conditions of this Agreement, the aggregate consideration shall be as follows:

- (i) Payment to Sellers of a cash base purchase price (“**Base Price**”) as follows: Two Hundred Million Dollars (\$200,000,000); provided, that in the event at Closing the Annualized Normalized EBITDA (as defined in Schedule 1.1(a)(i)) is more than Fifty Million Dollars (\$50,000,000) less than the Prior Period Annualized Normalized EBITDA (as defined in Schedule 1.1(a)(i)), the Purchaser shall offset from the portion of the remaining QAF V net receipts collected after Closing (but not by more than an aggregate of Thirty Million Dollars (\$30,000,000)) one dollar for every dollar of difference between Prior Period Annualized Normalized EBITDA and Annualized Normalized EBITDA over Fifty Million Dollars (\$50,000,000) up to Eighty Million Dollars (\$80,000,000). In the event that the QAF V payments are insufficient to satisfy the amount of offset, then Purchaser shall have offset rights from the Seller’s QAF VI Seller Net Payments;
- (ii) Sellers shall retain, as an Excluded Asset, the QAF V Payments (defined below) and the QAF VI Seller Net Payments (defined below) as described in Section 1.8(b), which are currently estimated at Twenty-Nine Million Dollars (\$29,000,000) in connection with the QAF V Payments and Eighty-Three Million Dollars (\$83,000,000) in connection with the QAF VI Seller Net Payments;
- (iii) Cash payment of Sixty-One Million Dollars (\$61,000,000) (the “**A/R Target Amount**”) as consideration for the Accounts Receivable transferred at Closing (subject to adjustment in Section 1.12);
- (iv) Cash payment for Sellers’ payroll liabilities at Closing (the “**Payroll Amount**”) (which as of October 31, 2019, had an aggregate value of approximately Five Million Dollars (\$5,000,000));
- (v) Cash payment for accrued vacation and other paid time-off of Sellers’ employees at Closing (the “**PTO Amount**”) (which as of October

31, 2019, had an aggregate value of approximately Ten Million Dollars (\$10,000,000));

(vi) An amount equal to the Cure Costs (defined below) associated with outstanding liabilities of Sellers under any Assigned Leases and/or Assigned Contracts; and

(vii) An amount determined in accordance with Section 1.6.

(b) At the Closing, Purchaser shall pay to Sellers, by wire transfer of immediately available funds to the accounts specified by Sellers to Purchaser in writing, an aggregate amount equal to the Base Price, *plus* the A/R Target Amount, *plus* the Cure Cost Amount, *plus* the PTO Amount, *plus* the Payroll Amount (collectively, the “**Purchase Price**”), *minus* the Deposit (defined below).

(c) For purposes of this Agreement, the “**QAF Program**” means the California Department of Health Care Services (“**DHCS**”) Hospital Quality Assurance Fee Programs V (“**QAF V**”) and VI (“**QAF VI**”). During the period prior to the Closing, Sellers shall pay or permit DHCS to offset from amounts owed to St. Francis any fees due and owing prior to the Closing under QAF V and QAF VI (such payments or offsets shall be included in the formula described in Section 1.8(b)), and Sellers shall be entitled to retain all payments received under QAF V and QAF VI.

(d) Separate from, and in addition to, the Purchase Price, Purchaser commits to invest Forty-Seven Million Dollars (\$47,000,000) in capital expenditures for St. Francis (including NPC-3 seismic compliance responsibilities).

1.2 Deposit. Purchaser has deposited an amount equal to \$27,725,342.48 (the “**Initial Deposit**”) by wire transfer to Chicago Title Insurance Company (“**Escrow Agent**”) pursuant to that certain Escrow Agreement attached hereto as Exhibit 1.2. Within two (2) business day after the date of the conclusion of the auction for the Assets, if any, if Purchaser is the Prevailing Bidder (as defined below) and as a result of such auction has opted to increase the Purchase Price (the “**Auction Purchase Price**”), Purchaser shall deposit an additional amount with the Escrow Agent such that the total amount deposited with the Escrow Agent is equal to ten percent (10%) of the Auction Purchase Price (the Initial Deposit and any additional amount deposited with the Escrow Agent (if any) referred to collectively as the “**Deposit**”) by wire transfer to the Escrow Agent. All fees of the Escrow Agent shall be paid by Purchaser. The Deposit shall be non-refundable in all events, except in the event the Closing does not occur due to Purchaser’s termination of the Agreement pursuant to Sections 9.1 (a), (c), (d), (f), (g), (h) or (i) hereof. Upon Closing, the Deposit will be credited against the Purchase Price.

1.3 Closing Date. The consummation of the transactions contemplated by this Agreement (the “**Closing**”) shall take place at the offices of Dentons US LLP, 601 South Figueroa St., Suite 2500, Los Angeles, CA 90017-5704 (the day on which Closing actually occurs, the “**Closing Date**”) within three (3) business days following the satisfaction or waiver of the conditions set forth in ARTICLE 7 and ARTICLE 8, and other than those conditions that by their nature are to be satisfied at Closing but subject to fulfillment or waiver of those conditions. The

Closing shall be deemed to occur and to be effective as of 12:00 a.m. pacific time on the day immediately after the Closing Date (the “**Effective Time**”). Purchaser and Sellers agree that because the change of ownership and regulatory approval process may take an extended period of time, at the Effective Time, the Assets (less any Assets constituting drugs or pharmacy assets, the Medicare/Medi-Cal Agreements, the Lockboxes, the Transferred Managed Care Agreements and the Transferred Private Payor Agreements (as such terms are defined below)) will be sold to Purchaser and immediately leased back to Sellers (substantially in the form of the Leaseback Agreement attached hereto as Exhibit 1.3(a), the “**Leaseback Agreement**”), with a concurrent management arrangement (substantially in the form of the Interim Management Agreement attached hereto as Exhibit 1.3(b), the “**IMA**”). On the effective date that Purchaser obtains a general acute care hospital license from the California Department of Public Health (“**CDPH**”) and a hospital pharmacy permit from the California State Board of Pharmacy (“**BOP**”) (i) the Leaseback Agreement and IMA will terminate and (ii) the drugs and pharmacy assets, the Medicare/Medi-Cal Agreements, the Lockboxes, the Transferred Managed Care Agreements and the Transferred Private Payor Agreements will be transferred to Purchaser (without payment of any additional Purchase Price) (the “**Licensure Date**”). For the avoidance of any doubt, the Licensure Date shall be the date the Purchaser’s hospital license and pharmacy permit are effective, even if they are not actually issued until a later date. The Licensure Date may be determined based on oral assurances from CDPH and the BOP.

1.4 Items to be Delivered by Sellers at Closing. At or before the Closing, Sellers shall deliver, or cause to be delivered, to Purchaser the following:

(a) a Bill of Sale substantially in the form of Exhibit 1.4(a) attached hereto (the “**Bill of Sale**”), duly executed by each Seller;

(b) Real Estate Assignment Agreements (the “**Real Estate Assignments**”) in the form of Exhibit 1.4(b) attached hereto with respect to (i) the Leased Real Property, and (ii) the Tenant Leases, each duly executed by the applicable Sellers;

(c) Quitclaim Deeds in the form of Exhibit 1.4(c) attached hereto with respect to the real property listed in Schedule 1.4(c), together with all plant, buildings, structures, installments, improvements, fixtures, betterments, additions and constructions in progress situated thereon (the “**Owned Real Property**”) duly executed by SFMC and Verity Holdings as applicable;

(d) an Assigned Contract Transfer Agreement (the “**Transfer Agreement**”) in the form of Exhibit 1.4(d) attached hereto, duly executed by the applicable Sellers;

(e) evidence of payment of all Cure Costs;

(f) the Transition Services Agreement (the “**Transition Services Agreement**”) in form attached hereto as Exhibit 1.4(f), duly executed by the applicable Sellers;

(g) the Leaseback Agreement and IMA, duly executed by SFMC;

(h) favorable certificates of good standing, of each Seller, issued by the State of California, dated no earlier than a date which is fifteen (15) calendar days prior to the Closing

Date;

The final list of Assigned Contracts at Closing will appear on Schedule 1.7(d).

1.12 Accounts Receivable Reconciliation.

(a) Sellers and Purchaser have mutually agreed that the target Accounts Receivable amount that will be transferred from Sellers to Purchaser as of the Effective Time is the A/R Target Amount. In connection with the Account Receivable reconciliation process, Purchaser shall collect the Accounts Receivable during the one hundred thirty-five (135) day period immediately following the Closing Date (collectively, the "**Final A/R Collected**"), and within the thirty (30) day period thereafter, Purchaser shall provide Sellers, in good faith, a schedule which provides an accounting of the Final A/R Collected (the "**A/R Accounting Schedule**"), together with reasonably detailed schedules and data supporting such accounting.

(b) After receipt of the A/R Accounting Schedule, Sellers shall have sixty (60) days to review the A/R Accounting Schedule and the Final A/R Collected as proposed by Purchaser, together with the work papers used in the preparation thereof, and have their representatives and advisors review such A/R Accounting Schedule and proposed Final A/R Collected. In connection with the review of the A/R Accounting Schedule and proposed Final A/R Collected, Purchaser shall give, and shall cause its representatives and advisors to give, to Sellers and their representatives and advisors reasonable access, upon reasonable prior notice, to the books, records and other materials and the personnel of, and work papers prepared by or for, Purchaser and its representatives and advisors, including to such historical financial information relating to the Sellers and the Accounts Receivable as Sellers or their representatives or advisors

may request, in each case, in order to permit the timely and complete review of the A/R Accounting Schedule and proposed Final A/R Collected in accordance with this Section 1.12(b) and so long as such access does not unreasonably interfere with the operations of the Purchaser.

(c) If Sellers disagree with the A/R Accounting Schedule and/or proposed Final A/R Collected, they shall notify Purchaser in writing within sixty (60) days after the date on which Purchaser delivers such A/R Accounting Schedule and proposed Final A/R Collected to Sellers, which shall include the items as to which they disagree and their calculation of such disputed amounts with reasonable supporting detail (the “Statement of Objections”). Purchaser and Sellers shall reasonably cooperate to resolve any such disagreements. If Purchaser and Seller are unable to resolve all such disagreements on or before the date which is thirty (30) days following notification by Sellers of any such disagreements, such disagreements shall be submitted to the Bankruptcy Court for resolution. The A/R Accounting Schedule and Final A/R Collected shall become final on the earlier of (i) failure by Sellers to deliver a Statement of Objections within the time period required by this section; (ii) mutual written agreement by Sellers and Purchaser; or (iii) a determination by the Bankruptcy Court.

(d) Once the A/R Accounting Schedule and Final A/R Collected have become final in accordance with Section 1.12(c), the following shall occur:

(ii) if the Final A/R Collected is less than the A/R Target Amount, then such deficit amount shall be paid by Sellers to Purchaser within ten (10) business days of Purchaser’s delivery of the accounting of the Final A/R Collected to Sellers (and if not paid, Purchaser shall have the right to offset such amounts against Seller’s QAF VI Seller Net Payments); or

(iii) if the Final A/R Collected is equal to the A/R Target Amount, then no adjusting payments in respect of the Accounts Receivable shall be required by either Purchaser or Sellers.

(e) During the one hundred thirty-five (135) day period immediately following the Closing Date Purchaser shall (i) use good faith, commercially reasonable best efforts to collect the Accounts Receivable (including at least the efforts used by Purchaser to collect its other receivables) within the one hundred thirty-five (135) day period immediately following the Closing Date; (ii) not take any action for the purpose of or which would be reasonably likely to result in any of the Accounts Receivable not being collected in a timely manner and within the one hundred thirty-five (135) day period immediately following the Closing Date; and (iii) provide Sellers with weekly written updates on its collection of the Accounts Receivable.

ARTICLE 3

REPRESENTATIONS AND WARRANTIES OF PURCHASER

As an inducement to Sellers to enter into this Agreement and to consummate the transactions contemplated by this Agreement, Purchaser hereby represents and warrants to Sellers as to the following matters as of the Signing Date and as of the Closing Date:

3.1 Authorization. Purchaser has full power and authority to enter into this Agreement and has full power and authority to perform its obligations hereunder and to carry out the transactions contemplated hereby. No additional internal consents are required in order for Purchaser to perform its obligations and agreements hereunder.

3.2 Binding Agreement. This Agreement has been duly and validly executed and delivered by Purchaser and, assuming due and valid execution by Sellers, this Agreement constitutes a valid and binding obligation of Purchaser enforceable in accordance with its terms subject to (a) applicable bankruptcy, reorganization, insolvency, moratorium and other laws affecting creditors’ rights generally from time to time in effect, and (b) limitations on the enforcement of equitable remedies.

3.3 Organization and Good Standing. Purchaser is a corporation duly organized, validly existing and in good standing under the laws of the State of California, is or will be duly authorized to transact business in the State of California, and has full power and authority to own, operate and lease its properties and to carry on its business as now conducted.

3.4 No Violation. Except as set forth in Schedule 3.4, neither the execution and delivery by Purchaser of this Agreement nor the consummation of the transactions contemplated hereby nor compliance with any of the material provisions hereof by Purchaser will (a) violate, conflict with or result in a breach of any material provision of the Articles of Incorporation, Bylaws or other organizational documents of Purchaser or any contract, lease or other instrument by which Purchaser is bound; (b) require any approval or consent of, or filing with, any governmental agency or authority, (c) violate any law, rule, regulation, or ordinance to which Purchaser is or may be subject, or (d) violate any judgment, order or decree of any court or other governmental agency or authority to which Purchaser is subject.

3.5 Brokers and Finders. Neither Purchaser nor any affiliate thereof nor any officer or director thereof has engaged any finder or broker in connection with the transactions contemplated hereunder.

3.6 Representations of Sellers. Purchaser acknowledges that it is purchasing the Assets on an “AS IS, WHERE IS” basis (as more particularly described in Section 1.12), and that Purchaser is not relying on any covenant, representation, warranty (expressed or implied, oral or

otherwise) made by or on behalf of Sellers, or any other provision of this Agreement, in entering into and performing under this Agreement. Purchaser further acknowledges that Sellers are not making any covenants, representations or warranties herein relating to the Assets or the operation of the Hospital on or after the Effective Time.

3.7 Legal Proceedings. Except as described on Schedule 3.7, there are no claims, proceedings or investigations pending or, to the best knowledge of Purchaser, threatened relating to or affecting Purchaser or any affiliate of Purchaser before any court or governmental body (whether judicial, executive or administrative) in which an adverse determination would adversely affect Purchaser's ability to consummate the transactions contemplated hereby. Neither Purchaser nor any affiliate of Purchaser is subject to any judgment, order, decree or other governmental restriction specifically (as distinct from generically) applicable to Purchaser or any affiliate of Purchaser which would adversely affect Purchaser's ability to consummate the transactions contemplated hereby.

3.8 No Knowledge of Sellers' Breach. Neither Purchaser nor any of its affiliates has knowledge of any breach of any covenant, representation or warranty by Sellers or of any condition or circumstance that would give Purchaser a right to terminate this Agreement pursuant to Section 9.1(c). If information comes to Purchaser's attention on or before the Closing Date (whether through Sellers or otherwise and whether before or after the Signing Date) which indicates that Sellers have breached any of their covenants, representations, warranties or any other provision or condition under this Agreement, then the effect shall be as if the covenants, representations and warranties or any other provision or condition of this Agreement had been modified in accordance with the actual state of facts existing prior to the Effective Time such that there will be no breach under Sellers' covenants, representations and warranties or any other provision or condition of this Agreement in relation to such information; provided, further, that Purchaser must immediately notify Sellers if any such breach comes to its attention on or before the Closing Date, and Purchaser's failure to so notify Sellers shall constitute a waiver by Purchaser of Sellers' breach, if any, of this Agreement or any ancillary agreements entered into pursuant to this Agreement. Upon written request of Sellers, Purchaser shall promptly confirm and remake this representation in writing.

3.9 Ability to Perform. Purchaser has the ability to obtain funds and at the Closing shall have cash in amounts necessary to consummate the transactions contemplated by this Agreement by means of cash, credit facilities or otherwise. Upon the earlier of ten (10) days after satisfaction of Section 8.3 or five (5) days prior to the Closing Date, Purchaser shall have delivered to Sellers true, correct and complete copies of (i) executed commitment letter(s) from one or more banks or other lending institutions or sources (the "**Debt Commitment Letter**"), pursuant to which, and subject to the terms and conditions thereof, the lender parties thereto have committed to lend the amounts set forth therein to Purchaser for the purpose of funding the transactions contemplated by this Agreement and (ii) any executed equity commitment letter(s) (the "**Equity Commitment Letter**" and, together with the Debt Commitment Letter, the "**Financing Commitments**"). The Financing Commitments provide sufficient funds to consummate the transactions contemplated by this Agreement.

3.10 Investigation. Purchaser has been afforded reasonable access to, and has been provided adequate time to review, the books, records, information, operations, facilities and

personnel of Sellers and the Hospital for purposes of conducting a due diligence investigation of Sellers and the Hospital. Purchaser has conducted a reasonable due diligence investigation of Sellers and the Hospital and has received satisfactory answers to all inquiries it has made respecting Sellers and the Hospital and has received all information it considers necessary to make an informed business evaluation of Sellers and the Hospital. In connection with its due diligence investigation of Sellers and the Hospital, Purchaser has not relied upon any books, records, information, operations, facilities and personnel provided by Sellers, including in making its determination to enter into this Agreement and/or consummate the transactions contemplated hereby. Purchaser has completed all of its due diligence of Sellers and the Hospital and this Agreement is not subject to any further due diligence of Sellers and the Hospital by Purchaser.

3.11 Purchaser Knowledge. References in this Agreement to “Purchaser’s knowledge” or “the knowledge of Purchaser” means the actual knowledge of the Chief Executive Officer and Chief Financial Officer of Purchaser, without independent research. No constructive or imputed knowledge shall be attributed to any such individual by virtue of any position held, relationship to any other Person or for any other reason.

ARTICLE 4 COVENANTS OF SELLERS

4.1 Access and Information; Inspections.

(a) From the Signing Date through the Effective Time, (a) Sellers shall afford to the officers and agents of Purchaser (which shall include accountants, attorneys, bankers and other consultants and authorized agents of Purchaser) reasonable access during normal business hours at Sellers’ corporate headquarters in Los Angeles, California to, and the right to inspect, the books, accounts, records and all other relevant documents and information with respect to the assets, liabilities and business of the Hospital and the plant and property of the Hospital at the Hospital and (b) Sellers shall furnish Purchaser with such additional financial and operating data and other information in Sellers’ possession as to the businesses and properties of the Hospital as Purchaser or its representatives may from time to time reasonably request; *provided, however*, that Sellers are not obligated to disclose information which is proprietary to Sellers and would not be essential to the ongoing operation of the Hospital by Purchaser; *provided, further*, that all disclosures of information shall be consistent with the confidentiality agreements and any other non-disclosure agreements entered into (or to be entered into) among Purchaser, its representatives and Sellers or their representatives. Purchaser’s right of access and inspection shall be exercised in such a manner as not to interfere unreasonably with the operations of Sellers or the Hospital.

(b) Notwithstanding anything contained herein, Sellers shall not be required to provide Purchaser or its representatives or agents access to or disclose information where such access or disclosure would violate the rights of its patients, jeopardize the attorney-client or similar privilege with respect to such information or contravene any law, judgment, fiduciary duty or contract entered into prior to or on the date of this Agreement with respect to such information.

4.2 Cooperation.

(a) The Parties shall reasonably cooperate with each other and their respective

authorized representatives and attorneys in: (a) all efforts to obtain all consents, approvals, authorizations, clearances and licenses required to carry out the transactions contemplated by this Agreement (including, without limitation, those of governmental and regulatory authorities), (b) the preparation of any document or other material which may be required by any governmental agency as a predicate to or result of the transactions contemplated in this Agreement, and (c) Purchaser's efforts to effectuate the assignment of Assigned Contracts to Purchaser as of the Closing Date.

(b) Except as may be otherwise requested by Sellers in order to comply with applicable law or regulatory guidance, notwithstanding anything contained herein, other than Bankruptcy Court orders and authorizations, it shall be Purchaser's sole responsibility (including payment of any fees, expenses, filing costs or other amounts) to obtain the Contract and Lease Consents, as well as all governmental consents, approvals, assignments, authorizations, clearances and licenses required to (x) carry out the transactions contemplated by this Agreement and/or (y) transfer any of the Assets, including any Licenses, Transferred Managed Care Agreements and/or Transferred Private Payor Agreements, not including the application required to be submitted to the California Attorney General and the transfer of the Medicare Provider Agreement and the Medi-Cal Provider Agreement, which are dealt with in Sections 5.8(c) and 4.5 hereto respectively. Upon request, Sellers shall provide Seller-specific information that may be needed by Purchaser to obtain such Contract and Lease Consents and such governmental consents, approvals, assignments, authorizations, clearances and licenses.

(c) Notwithstanding any provision to the contrary contained in this Agreement, Sellers shall not be obligated to obtain the approval or consent to the assignment, to Purchaser, of any Assigned Contracts or Assigned Leases, from any party to any of the Assigned Contracts or Assigned Leases even if any such contract or lease states that it is not assignable without such party's consent.

4.3 Sellers' Efforts to Close. Sellers shall use their reasonable commercial efforts to satisfy all of the conditions precedent set forth in ARTICLE 7 and ARTICLE 8 to their or Purchaser's obligations under this Agreement to the extent that Sellers' action or inaction can control or materially influence the satisfaction of such conditions; *provided, however*, that Sellers shall not be required to pay or commit to pay any amount to (or incur any obligation in favor of) any person (other than any filing or application fees to the extent Sellers are responsible therefor under this Agreement).

4.4 Termination Cost Reports. Sellers shall file all Medicare, Medi-Cal and any other termination cost reports required to be filed as a result of the consummation of (a) the transfer of the Assets to Purchaser and (b) the transactions contemplated by this Agreement, provided that Purchaser shall fund reasonable costs and expenses of preparation, filing and audit of such reports. Purchaser shall permit Sellers access to all Hospital books and records to prepare such reports and shall assist Sellers in the process of preparing, filing, and reviewing the termination cost reports. All such termination cost reports shall be filed by Sellers in a manner that is consistent with current laws, rules and regulations. Sellers shall be responsible for filing governmental cost reports for all periods through the day immediately preceding the Licensure Date. Purchaser shall be responsible for their own cost report filings relating to the Hospital beginning on the Licensure Date.

4.5 Medicare and Medi-Cal Enrollment. Sellers shall make commercially reasonable efforts to expeditiously enter into settlement agreements with the Centers for Medicare and Medicaid Services (“CMS”), with respect to the Medicare Provider Agreement, and the California Department of Health Care Services (“DHCS”), with respect to the Medi-Cal Provider Agreement or, alternatively, obtain Bankruptcy Court rulings that the Medicare Provider Agreement and/or the Medi-Cal Provider Agreement may be transferred without the consent of CMS or DHCS, as applicable, free and clear of Encumbrances and Excluded Liabilities and without successor liability, to enable such agreements to be assigned to Purchaser. Between the Closing Date and the Licensure Date, Purchaser may bill and collect for patient services under Seller’s health plan agreements, pursuant to the terms of the IMA and Leaseback Agreement.

4.6 Transferred Private Payor Agreements. For purposes of this Section 4.6, the following terms shall have the meanings set forth herein: (a) “**Payor**” means the non-debtor counter-party to a Transferred Private Payor Agreement; (b) “**Overpayment**” means an overpayment made by a Payor to SFMC on account of a Contracted Payment; (c) “**Contracted Payment**” means the contractual reimbursement due from a Payor to SFMC under a Transferred Private Payor Agreement for covered services rendered by Hospital under such agreement with a date of service on or prior to the Effective Time. Purchaser agrees that, as a condition to the assignment of any Transferred Private Payor Agreement on the Licensure Date, it shall honor any defenses to the payment of, and shall permit recoupment against, an Account Receivable due from Payor to Purchaser based on an Overpayment under such agreement, *provided that*, the determination and allowance of any Overpayment shall remain subject to the terms and conditions of the relevant Transferred Private Payor Agreement. Without limiting the scope of the foregoing sentence, Purchaser acknowledges and agrees that (a) the Sale Order shall authorize a Payor to continue to exercise its defenses to the payment to Purchaser of an Account Receivable based on an Overpayment, and (b) Overpayments do not constitute Cure Costs under this Agreement. This Section 4.6 shall satisfy the requirements under Sections 365(b) and (f) of the Bankruptcy Code. Following the Licensure Date, pursuant to Section 365(k) of the Bankruptcy Code, the SFMC shall be relieved and released from any obligation to any Payor on account of any Overpayment or otherwise.

4.7 Hospital Operations. From the date of the Sale Order until the Closing, Sellers shall, with respect to the operation of the Hospital, use commercially reasonable efforts (in each case subject to actions relating to and impacts arising from the SARS-CoV-2 virus or mutations therefrom or in connection with the disease COVID-19) to:

(a) without regard to negative financial impacts or any Material Adverse Effect, carry on Sellers’ operation of the Hospital consistent with past practice, but subject to the Bankruptcy Cases and Sellers’ obligations and actions in connection therewith;

(b) without regard to Material Adverse Effect, maintain in effect the insurance coverages with respect to the Assets;

(c) without regard to Material Adverse Effect, perform Sellers’ material obligations under all Assigned Contracts with respect to the Assets in compliance with the Bankruptcy Code;

(d) with respect to material deficiencies, if any, cited by any governmental authority or accreditation body in the most recent surveys conducted by each, develop and implement a plan of correction (without regard to Material Adverse Effect) that is reasonably acceptable to such governmental authority or such accreditation body, but excluding any deficiencies cited (i) by the Attorney General or (ii) with respect to seismic or OSHPD-related requirements; *provided, however*, that Sellers may appeal any material deficiency citations under applicable laws if a plan of correction is not accepted by the applicable governmental authority or accreditation body which appeal shall satisfy Sellers obligations under this subsection;

(e) following entry of the Sale Order, permit and allow reasonable access by Purchaser and its representatives to make offers of post-Closing employment to any of Sellers' personnel and to establish relationships with physicians, medical staff and others having business relations with Sellers, provided, that any written materials shall be approved by Sellers prior to being sent, and provided further that such actions by Purchaser do not unreasonably interfere with Sellers' operation of the Hospital;

(f) timely file or cause to be filed all material reports, notices and tax returns required to be filed and pay all required taxes as they come due, unless such failure would not have a Material Adverse Effect; and

(g) without regard to Material Adverse Effect, maintain all existing material approvals, permits and environmental permits relating to the Hospital.

4.8 Interim Collections. Purchaser may bill and collect for patient services rendered by Hospital between the Closing Date and the Licensure Date under Seller's Private Payor Agreements and Transferred Managed Care Agreements, pursuant to the terms of the IMA and Leaseback Agreement.

4.9 Contract With Unions.

(a) Promptly following the Signing Date, representatives of Sellers who are parties to St. Francis related collective bargaining agreements and of the Purchaser, respectively, shall meet and confer from time to time as reasonably requested by either Party to discuss strategic business options including terms contained under all operative collective bargaining agreements. The applicable Sellers and Purchaser shall each participate in all negotiations related to the potential modification and assignment of specific Seller's collective bargaining agreements to Purchaser. The applicable Sellers shall use commercially reasonable efforts to initiate discussions with Purchaser and unions and conduct discussions to renegotiate each collective bargaining agreement currently in effect with each applicable union. The applicable Sellers will not unreasonably withhold, condition or delay Bankruptcy Court approval of any successfully renegotiated collective bargaining agreement. The Parties recognize that Seller's failure to conclude a successor collective bargaining agreement shall not be a breach of Sellers' obligation under this Agreement or otherwise excuse Purchaser's obligations under this Agreement.

(b) On or before the date that is thirty (30) days after the Sale Order Date, the negotiations pursuant to Section 4.9(a) shall have resulted in each, such labor unions, agreeing to either (i) either modification of the St. Francis related collective bargaining agreements under

terms that are to be substantially consistent with the Purchaser's existing and most current collective bargaining agreements with each such respective labor union, and that settle all liabilities under the existing Seller collective bargaining agreements that shall be assigned to Purchaser, provided that there shall be no cure obligations to the Sellers or (ii) enter into new collective bargaining agreements that are substantially consistent with the Purchaser's existing collective bargaining agreements with each such respective labor union; provided, that if Purchaser and each labor union have not entered into such agreements described in (i) or (ii) above, or have entered into an agreement under (ii), then Sellers shall have the absolute right to file or take any other action to reject and terminate any such collective bargaining agreement and, in such event, the Bankruptcy Court shall have entered an order granting Sellers' requested rejection of such collective bargaining agreement prior to the Closing Date. In no event will Sellers be liable for any obligations in respect of settlements described in this section.

4.10 Consulting Services. Subject to compliance with applicable Legal Requirements and after entry of the Sale Order if the Purchaser is the Prevailing Bidder:

(a) Purchaser shall provide consulting services to the Hospital for the period prior to the Closing Date;

(b) the consulting services provided by Purchaser may include, but not be limited to, reviewing and advising SFMC regarding accounting and financial records, contracting, billing and collection activities, compliance with law, any of the plans or actions proposed in the following sentence, and other functions;

(c) Sellers shall consider and implement any mutually reasonably agreed upon plans and actions proposed by Purchaser to (a) assist the Hospital in meeting any seismic compliance deadlines, (b) stabilize and improve the operations of the Hospital or (c) develop and implement turnaround plans for the long-term viability of the Hospital; and

(d) Purchaser shall have reasonable access to the business office and records of the Hospital, which shall include reasonable access to the Hospital's chief executive officer, chief financial officer, chief operations officer or other equivalent personnel of the Hospital reasonably necessary for Purchaser to perform the aforementioned consulting services.

Notwithstanding the foregoing, VHS, SFMC and their boards of directors shall at all times retain ultimate control and governance over the assets and operation of the Hospital. Neither VHS nor SFMC shall delegate to Purchaser any of the powers, duties and responsibilities required to own or operate the Hospital or those that are retained by VHS and/or SFMC under law (including all certificates and licenses issued under authority of law for ownership or operation of the Hospital). For the period of time during which such consulting services are provided, Hospital and VHS shall have the non-exclusive, royalty-free, unlimited license to use any implemented Purchaser-owned intellectual property. Purchaser shall not charge Sellers any consulting fee for providing the services described in this Section 4.11.

4.11 Cure Costs. On or about the Closing Date, Sellers (from the proceeds of the Purchase Price) shall pay an amount equal to the Cure Costs to each counter party to an Assigned Contract and Assigned Lease so that each such Assigned Contract and Assigned Lease may be

assumed by Sellers and assigned to Purchaser in accordance with the provisions of Section 365 of the Bankruptcy Code. For purposes of this Agreement, “**Cure Costs**”, means all amounts that must be paid and all obligations that otherwise must be satisfied, including pursuant to Sections 365(b)(1)(A) and (B) of the Bankruptcy Code in connection with the assumption and/or assignment of the Assigned Contracts and Assigned Leases to Purchaser as provided herein.

ARTICLE 5 COVENANTS OF PURCHASER

5.1 Purchaser’s Efforts to Close. Purchaser shall use its reasonable commercial efforts to satisfy all of the conditions precedent set forth in ARTICLE 7 and ARTICLE 8 to its or Sellers’ obligations under this Agreement to the extent that Purchaser’s action or inaction can control or materially influence the satisfaction of such conditions.

5.2 Consents. Purchaser shall be entitled, but not obligated, to seek to obtain the Contract and Lease Consents. Purchaser shall be entitled, but not obligated, to solicit and seek to obtain estoppel certificates from any third party to any Leased Real Property. Purchaser’s failure to obtain any or all of the Contract and Lease Consents or estoppel certificates as of the Closing Date shall not be a condition precedent to either Party’s obligation to consummate the Closing and perform all transactions contemplated by this Agreement.

5.3 Certain Employee Matters.

(a) Purchaser agrees to make offers of employment, effective as of the Effective Time, to substantially all persons (whether such persons are full time employees, part-time employees, on short-term or long-term disability or on leave of absence, military leave or workers compensation leave) who, immediately prior to the Effective Time are: (i) employees of SFMC; or (ii) employed by another Seller or affiliate and are listed on Schedule 5.3 (collectively, the “**Hospital Employees**”). For the avoidance of doubt, the Hospital Employees shall not include any employees of VHS or any other affiliate of Sellers unless such individual is listed on Schedule 5.3. Any of the Hospital Employees who accept an offer of employment with Purchaser as of or after the Effective Time shall be referred to in this Agreement as the “**Hired Employees**.” All employees who are Hired Employees shall cease to be employees of Sellers or its affiliates as of the Closing Date.

(b) After the Closing Date, Purchaser’s human resources department will give reasonable assistance to Sellers and their affiliates with respect to Sellers’ and Sellers’ affiliates’ post-Closing administration of Sellers’ and Sellers’ affiliates’ pre-Closing employee benefit plans for the Hospital Employees. Within five (5) days after the Closing Date, Purchaser shall provide to Sellers a list of all the Hospital Employees who were offered employment by Purchaser but refused such employment along with a list of all Hired Employees (which such list Purchaser shall periodically update).

(c) With respect to any collective bargaining agreements or labor contract with respect to any union employees, Purchaser shall comply with the applicable laws, or to the extent applicable, Bankruptcy Court orders relating to collective bargaining agreements or labor contracts.

(d) The provisions of this Section 5.3 are solely for the benefit of the Parties, and no employee or former employee or any other individual associated therewith or any employee benefit plan or trustee thereof shall be regarded for any purpose as a third party beneficiary of this Agreement, and nothing herein shall be construed as an amendment to any employee benefit plan for any purpose.

5.4 Waiver of Bulk Sales Law Compliance. Purchaser hereby waives compliance by Sellers with the requirements, if any, of Article 6 of the Uniform Commercial Code as in force in any state in which the Assets are located and all other laws applicable to bulk sales and transfers.

5.5 Conduct Pending Closing. Prior to consummation of the transactions contemplated hereby or the termination or expiration of this Agreement pursuant to its terms, unless Sellers shall otherwise consent in writing, Purchaser shall not take any action or fail or omit to take any action which would cause any of Purchaser's representations and warranties set forth in ARTICLE 4 to be inaccurate or untrue during the term of this Agreement and as of the Closing.

5.6 Resale Certificate. Purchaser agrees to furnish to Sellers any resale certificate or certificates or other similar documents reasonably requested by Sellers to comply with or obtain an exemption from pertinent excise, sales and use tax laws.

5.7 Operating Covenant. Purchaser shall act in good faith in fulfilling its obligations under this Agreement.

5.8 Governmental Approvals.

(a) Best Efforts. Purchaser (a) shall use its best efforts to secure, as promptly as possible after the Signing Date, all consents, approvals (or exemptions therefrom), authorizations, clearances and licenses required to be obtained from governmental and regulatory authorities in order to carry out the transactions contemplated by this Agreement and to cause all of its covenants and agreements to be performed, satisfied and fulfilled, and (b) will provide such other information and communications to governmental and regulatory authorities as Sellers or such authorities may reasonably request. Purchaser is responsible for all filings with and requests to governmental authorities necessary to enable Purchaser to operate the Hospital at and after the Licensure Date. Purchaser acknowledges that Sellers may independently contact governmental and regulatory authorities as part of this process.

(b) Change of Ownership Applications. Purchaser shall, promptly, but no later than ten (10) business days after the entry of the Sale Order, or sooner if required by applicable governmental or regulatory authorities, file all applications, licensing packages and other documents with all applicable governmental and regulatory authorities which are necessary for the operation of a hospital and the consummation of the transactions hereunder, including the hospital license change of ownership application with CDPH, the hospital pharmacy change of ownership application with the BOP, and the Medicare and Medi-Cal change-of-ownership applications.

(c) Attorney General Application. Purchaser and Sellers shall, promptly, but no later than five (5) business days after the date of the Sale Order, file with the California Attorney General (the "**Attorney General**"), the application and report forms required for the transactions

contemplated hereby and any supplemental information that may be reasonably requested in connection therewith pursuant to Title 11, Division 1, Chapter 15, Section 999.5 of the California Code of Regulations (“**Section 999.5**”), which application and report forms and supplemental information will comply in all material respects with the requirements of such regulations and shall state that Purchaser agrees to close the transactions contemplated by this Agreement so long as any conditions imposed by the Attorney General are not materially more burdensome than the conditions attached hereto as Exhibit 5.8(c) (the “**Accepted Conditions**”). Purchaser shall pay all fees (including, without limitation, attorneys’ fees) required of Purchaser or Sellers with respect to the preparation and submission of the application, hearings, expert reports, Attorney General attorney review time, reports and other requirements of the Attorney General under Section 999.5. Each of Purchaser and Sellers shall furnish to the other such information and assistance as the other shall reasonably requires in connection with the preparation and submission to, or agency proceedings by, the Attorney General, and each of Purchaser and Sellers shall keep the other promptly apprised of any communications with, and inquires or requests for information from, the Attorney General. Purchaser shall take such action as may be required by the Attorney General in order to resolve with the minimum practicable delay any objections the Attorney General may have to the transactions contemplated by this Agreement under Section 999.5. For any late submission of the Attorney General application, at Seller’s election, either the Purchase Price shall be increased by an amount equal to One Thousand Dollars (\$1,000) per day or Sellers may terminate this Agreement.

(d) HSR Filing. Purchaser and Sellers shall, promptly, but no later than five (5) business days after the date of the Sale Order, file with the Federal Trade Commission and the Department of Justice the notification and report forms required for the transactions contemplated hereby and any supplemental information that may be reasonably requested in connection therewith pursuant to the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the “**HSR Act**”), which notification and report forms and supplemental information will comply in all material respects with the requirements of the HSR Act. Purchaser shall pay all filing fees required of Purchaser or Sellers with respect to the notification, report and other requirements of the HSR Act. Each of Purchaser and Sellers shall furnish to the other such information and assistance as the other shall reasonably requires in connection with the preparation and submission to, or agency proceedings by, any governmental authority under the HSR Act, and each of Purchaser and Sellers shall keep the other promptly apprised of any communications with, and inquires or requests for information from, such governmental authorities. Purchaser shall take such action (including divestitures or hold separate arrangements) as may be required by any governmental authority in order to resolve with the minimum practicable delay any objections such governmental authorities may have to the transactions contemplated by this Agreement under the HSR Act. For any late submission of the application under the HSR Act, at Seller’s election, either the Purchase Price shall be increased by an amount equal to One Thousand Dollars (\$1,000) per day or Sellers may terminate this Agreement.

ARTICLE 6 BANKRUPTCY COURT APPROVAL

6.1 Bankruptcy Court Approval.

(a) Sellers and Purchaser acknowledge that this Agreement has been solicited in conformity with the Bidding Procedures approved by the Bankruptcy Court on February 26, 2020 [Docket No. 4165] (the “**Bid Procedures Order**”), and that the sale of the Assets and the assignment of the Assigned Contracts and Assigned Leases remain subject to Bankruptcy Court approval. Purchaser further acknowledges that this Agreement and the transactions contemplated hereby are subject to Sellers’ right and ability to consider higher or better competing bids with respect to the Assets subject to the terms of the Bid Procedures Order. Pursuant to the Bid Procedures Order, Purchaser shall, if its bid is determined to be the second highest bid, serve as a back-up bidder (the “**Back-up Bidder**”) and, subject to the provisions of the Bid Procedures Order with respect to the retention of the Deposit, keep Purchaser’s bid to consummate the transactions contemplated by this Agreement on the terms and conditions set forth in this Agreement (as the same may be modified with the written consent of Purchaser in any auction under the Bid Procedures Order) open and irrevocable until the earlier of (i) (a) 5:00 p.m. pacific time on the date which is thirty (30) days after the entry by the Bankruptcy Court of the Sale Order; or (b) 5:00 p.m. pacific time on May 31, 2020 (the “**Outside Back-up Date**”), or (ii) the date of closing of an alternative transaction with the bidder who prevails at the auction (the “**Prevailing Bidder**”). Following the entry of the Sale Order and prior to the Outside Back-up Date, if the Prevailing Bidder breaches or fails to perform its obligations under the terms and conditions of its respective transaction documents and Sellers terminate such agreement with the Prevailing Bidder, the Back-up Bidder will be deemed to have the new prevailing bid, and the Bankruptcy Court order approving the sale to the Prevailing Bidder shall provide that Sellers will be authorized, without further order of the Bankruptcy Court, to consummate the transactions contemplated by this Agreement on the terms and conditions set forth in this Agreement (as the same may be modified with the written consent of Purchaser in the auction) with the Back-up Bidder.

(b) Purchaser further acknowledges that this Agreement is subject to termination, up to the time of entry of the Sale Order, except to the extent otherwise provided in the Bid Procedures Order, in the event Sellers in the reasonable exercise of their fiduciary duties determine that they have received a higher and better offer for Sellers’ Assets and the Bankruptcy Court has authorized the Sellers to accept and implement the terms of such offer in accordance with the Bankruptcy Code.

(c) Sellers shall, at any hearing to consider approval of this Agreement (the “**Sale Hearing**”), exercise reasonable efforts to expeditiously obtain a “Sale Order” approving this Agreement subject to the reasonable exercise of their fiduciary duties to consider and accept a higher and better offer for Sellers’ assets in accordance with the Bankruptcy Code and this Agreement. For purposes of this Agreement, the term “**Sale Order**” shall mean an order of the Bankruptcy Court in form and substance reasonably acceptable to Purchaser, authorizing the sale of the Assets pursuant to Section 363(b) of the Bankruptcy Code (including the Sellers’ assumption and assignment to Purchaser of the Assigned Contracts and Assigned Leases pursuant to Section 365 of the Bankruptcy Code) on the terms and conditions set forth herein, free and clear of all Encumbrances (other than Permitted Exceptions) and Excluded Liabilities, including, for the

avoidance of doubt, any successor liability, to the maximum extent permitted by the Bankruptcy Code. For the avoidance of doubt, in the event the Sale Order is not in form and substance reasonably acceptable to Purchaser, Purchaser may, at its sole election, terminate the transaction proposed hereby.

(d) Sellers agree, subject to the reasonable exercise of their fiduciary duties, to expeditiously seek a Bankruptcy Court determination that Purchaser is a good faith purchaser within the meaning of Section 363(m) of the Bankruptcy Code and in good faith to file such declarations and other evidence as may be required to support a determination.

(e) Sellers shall seek expeditiously an order from the Bankruptcy Court retaining jurisdiction over all matters relating to claims against Sellers, whether or not arising in connection with this Agreement, solely in the Bankruptcy Court.

6.2 Appeal of Sale Order. In the event an appeal is taken or a stay pending appeal is requested from the Sale Order, Sellers shall immediately notify Purchaser of such appeal or stay request and shall provide to Purchaser promptly a copy of the related notice of appeal or order of stay. Sellers shall also provide Purchaser with written notice of any motion or application filed in connection with any appeal from either of such orders. In the event of an appeal of the Sale Order, Sellers shall be primarily responsible for drafting pleadings and attending hearings as necessary to defend against the appeal.

6.3 Bidding Procedures. Sellers and Purchaser shall comply with the terms of the Bid Procedures Order. Sellers shall sign this Agreement as and when permitted pursuant to the Bid Procedures Order and the Sale Order.

(a) Any Competing Bidder (as defined in the Bid Procedures) must be a Qualified Bidder (as defined in the Bid Procedures Order) under the conditions set forth in the Bid Procedures without waiver thereof or extension of any timing or similar conditions. Purchaser is irrevocably deemed to be a Qualified Bidder.

(b) The Sellers shall immediately upon determination that a bid is a Qualified Bid, simultaneously provide to all Qualified Bidders copies of all other Qualified Bids.

ARTICLE 7

CONDITIONS PRECEDENT TO OBLIGATIONS OF SELLERS

Sellers' obligation to sell the Assets and to close the transactions as contemplated by this Agreement shall be subject to the satisfaction of each of the following conditions on or prior to the Closing Date unless specifically waived in writing by Sellers in whole or in part at or prior to the Closing:

7.1 Signing and Delivery of Instruments. Purchaser shall have executed and delivered all documents, instruments and certificates required to be executed and delivered pursuant to the provisions of this Agreement.

7.2 No Restraints. No temporary restraining order, preliminary or permanent injunction or other order preventing the consummation of the transactions contemplated in this

Agreement shall have been issued by any court of competent jurisdiction or any other governmental body and remain in effect on the Closing Date.

7.3 Governmental Submissions. Purchaser shall have submitted the hospital license change of ownership application to CDPH and the hospital pharmacy change of ownership application to the BOP.

7.4 Attorney General Approval. The Attorney General shall have approved the transactions contemplated by this Agreement, or the Debtors shall have obtained a Bankruptcy Court order or orders providing for the transfer of the Debtors' assets on conditions which are not materially more burdensome than those forth in Exhibit 5.8(c).

7.5 Bankruptcy Court Approval. The Bankruptcy Court shall have entered the Sale Order.

7.6 HSR Act. The applicable waiting period under the HSR Act shall have expired or been earlier terminated.

ARTICLE 8 CONDITIONS PRECEDENT TO OBLIGATIONS OF PURCHASER

Purchaser's obligation to purchase the Assets and to close the transactions contemplated by this Agreement shall be subject to the satisfaction of each of the following conditions on or prior to the Closing Date unless specifically waived in writing by Purchaser in whole or in part at or prior to the Closing.

8.1 Signing and Delivery of Instruments. Sellers shall have executed and delivered all documents, instruments and certificates required to be executed and delivered pursuant to the provisions of this Agreement.

8.2 No Restraints. No temporary restraining order, preliminary or permanent injunction or other order preventing the consummation of the transactions contemplated in this Agreement shall have been issued by any court of competent jurisdiction or any other governmental body and remain in effect on the Closing Date.

8.3 Attorney General Approval. The Attorney General shall have approved the transactions contemplated by this Agreement, or the Debtors shall have obtained a Bankruptcy Court order or orders providing for the transfer of the Debtors' assets on conditions which are not materially more burdensome than those forth in Exhibit 5.8(c). In the event the Attorney General imposes conditions on the transactions contemplated by this Agreement, or on Purchaser in connection therewith which are materially more burdensome than the Purchaser Approved Conditions set forth on Exhibit 5.8(c) (the "**Additional Conditions**"), Sellers shall file a motion with the Bankruptcy Court seeking the entry of an order ("**Supplemental Sale Order**") finding that the Additional Conditions are an "interest in property" for purposes of 11 U.S.C. § 363(f), and that the Assets can be sold free and clear of the Additional Conditions without the imposition of any other conditions, which would adversely affect the Purchaser. For purposes of this Section 8.3, Additional Conditions which individually or collectively impose a direct or indirect cost to

Purchaser of Five Million Dollars (\$5,000,000), or more, shall be conclusively deemed to be “materially more burdensome.” If Sellers fail to obtain such Supplemental Sale Order within sixty (60) days of the Attorney General’s imposition of Additional Conditions, Purchaser (at its sole discretion) shall be entitled to terminate this Agreement and receive the return of its Deposit or elect to extend such sixty (60) day period. Upon the entry of such an order from the Bankruptcy Court, and so long as such order is not stayed, Purchaser shall be required to consummate the transactions contemplated by this Agreement. If Sellers do not obtain such an order, or such order does not relieve the Additional Conditions to the satisfaction of Purchaser, Purchaser shall not be required to consummate the transactions contemplated by this Agreement.

8.4 Bankruptcy Court Approval. The Bankruptcy Court shall have entered the Sale Order and made a finding that Purchaser is a “good faith” purchaser, and such order shall not subject to any stay.

8.5 HSR Act. The applicable waiting period under the HSR Act shall have expired or been earlier terminated.

8.6 Medicare and Medi-Cal Provider Agreement. Following consultation with Purchaser, Sellers shall have obtained agreements with CMS and DHCS or an order from the Bankruptcy Court that has not been stayed with respect to the transfer of the Medicare Provider Agreement and/or the Medi-Cal Provider Agreement, such that (a) all liabilities, obligations and Encumbrances under the Medicare/Medi-Cal Agreements are fully satisfied, discharged, and released with regard to any claims under the Medicare/Medi-Cal Agreements, whether known or unknown, that CMS or DHCS has against the Sellers or Purchaser for liabilities and obligations arising under the Medicare/Medi-Cal Agreements before the Effective Time, and (b) the Medicare/Medi-Cal Agreements will be transferred to Purchaser as of the Effective Time free and clear of such pre-Closing liabilities, obligations and Encumbrances; provided, however, that Purchaser acknowledges and agrees that it may be treated by CMS and DHCS as the successor to the quality history associated with the relevant Medicare/Medi-Cal Agreements assigned and, for purposes of survey and certification issues associated with such quality history, Purchaser may be treated as if it is the relevant Seller and no change of ownership occurred.

8.7 Collective Bargaining Agreements and Labor Contracts. Sellers shall have satisfied, in all material respects, their obligations set forth in Section 4.9(b). For the avoidance of doubt, in the event that Purchaser and each labor union has not entered into an agreement described in Section 4.9(b)(i) or (ii), then material satisfaction of Section 4.9(b) means that Seller has filed or taken action to reject and terminate any such collective bargaining agreement and that the Bankruptcy Court has entered an order granting Seller’s requested rejection of such collective bargaining agreement prior to the Closing Date.

ARTICLE 9 TERMINATION

9.1 Termination. This Agreement may be terminated at any time prior to Closing:

- (a) by the mutual written consent of the Parties;

(b) by Sellers if a material breach of this Agreement has been committed by Purchaser and such breach has not been (i) waived in writing by Sellers or (ii) cured by Purchaser to the reasonable satisfaction of Sellers within fifteen (15) business days after Sellers provide Purchaser of a written notice which describes the nature of such breach and acceptable cure actions; *provided, however*, Sellers shall not be permitted to terminate this Agreement pursuant to this Section 9.1(b) if Sellers are also in material breach of this Agreement;

(c) by Purchaser if Purchaser has complied with Section 3.8 and a material breach of this Agreement has been committed by Sellers, which material breach has resulted, or would more likely than not result, in a Material Adverse Effect on the Assets taken as a whole, and such breach has not been (i) waived in writing by Purchaser or (ii) cured by Sellers to the reasonable satisfaction of Purchaser within fifteen (15) business days after Purchaser provides Sellers of a written notice which describes the nature of such breach and acceptable cure actions; *provided, however*, Purchaser shall not be permitted to terminate this Agreement pursuant to this Section 9.1(c) if Purchaser is also in material breach of this Agreement;

(d) by Purchaser if satisfaction of any condition in ARTICLE 8 is or becomes impossible and Purchaser has not waived such condition in writing (provided that the failure to satisfy the applicable condition or conditions has occurred by reason other than (i) through the failure of Purchaser to comply with its obligations under this Agreement or (ii) Sellers' failure to provide their closing deliveries on the Closing Date as a result of Purchaser not being ready, willing and able to close the transaction on the Closing Date);

(e) by Sellers if satisfaction of any such condition in ARTICLE 7 is or becomes impossible and Sellers have not waived such condition in writing (provided that the failure to satisfy the applicable condition or conditions has occurred by reason other than (i) through the failure of Sellers to comply with their obligations under this Agreement or (ii) Purchaser's failure to provide its closing deliveries on the Closing Date as a result of Sellers not being ready, willing and able to close the transaction on the Closing Date);

(f) by either Purchaser or Sellers if the Bankruptcy Court enters an order dismissing the Bankruptcy Case prior to the sale closing or fails to approve the sale of the Assets to Purchaser;

(g) by Sellers in the event Sellers in the exercise of their fiduciary duties determine that they have received a higher and better offer for Sellers' assets and the Bankruptcy Court has authorized the Sellers to accept and implement the terms of such offer in accordance with the Bankruptcy Code;

(h) by Purchaser in the event that its Back-Up Bidder status has expired in accordance with the Bid Procedures Order and/or the terms of this Agreement; and

(i) by either Purchaser or Sellers if the Closing has not occurred (other than through the failure of any Party seeking to terminate this Agreement to comply fully with its obligations under this Agreement) on or before September 1, 2020 (the "**Termination Date**"); provided, that the Termination Date shall be extended in the event the conditions set forth in Section 7.4 and Section 8.3 have not been satisfied (but the conditions to Closing in Article 7 and

Article 8 have otherwise been satisfied other than such conditions that are to be satisfied by payments and deliveries to be made at the Closing) to the earlier of (A) ten (10) business days after the satisfaction of the conditions set forth in Section 7.4 and Section 8.3 or (B) December 31, 2020.

9.2 Termination Consequences. If this Agreement is terminated pursuant to Section 9.1: (a) all further obligations of the Parties under this Agreement shall terminate, other than Purchaser's right to receive a return on the Deposit in accordance with Section 1.2 and a break-up fee in accordance with the Bidding Procedures, and provided that the provisions of ARTICLE 11 shall survive, and (b) each Party shall pay the costs and expenses incurred by it in connection with this Agreement; *provided, however*, that in the case of any termination based on Section 9.1(b) or Section 9.1(c), the consequences of such termination shall be determined in accordance with ARTICLE 11 hereof. Each Party acknowledges that the agreements contained in this Section 9.2 are an integral part of the transactions contemplated by this Agreement, that without these agreements such Party would not have entered into this Agreement.

9.3 Additional Termination Consequences. In the event that Purchaser is not the winning bidder as defined in the Bidding Procedures order, Purchaser shall be paid the Stalking Horse Bidder Protections in accordance with the Bidding Procedures Order.

ARTICLE 10 POST-CLOSING MATTERS

10.1 Excluded Assets. Subject to Section 10.2 hereof, any Excluded Asset (or proceeds thereof) (a) pursuant to the terms of this Agreement, (b) as otherwise determined by the Parties' mutual written agreement or (c) absent such agreement, as determined by adjudication by the Bankruptcy Court, which comes into the possession, custody or control of Purchaser (or its respective successors-in-interest, assigns or affiliates) shall, within ten (10) business days following receipt, be transferred, assigned or conveyed by Purchaser (and its respective successors-in-interest, assigns and affiliates) to Sellers without imposing any charge to Sellers for Purchaser's transfer, storage, handling or holding of same on and after the Effective Time. Purchaser (and its respective successors-in-interest, assigns and affiliates) shall have neither the right to offset amounts payable to Sellers under this Section 10.1 against, nor the right to contest its obligation to transfer, assign and convey to Sellers because of, outstanding claims, liabilities or obligations asserted by Purchaser against Sellers. If Purchaser does not remit any monies included in the Excluded Assets (or proceeds thereof) to Sellers in accordance with the first sentence of this Section 10.1, such withheld funds shall bear interest at the Prime Rate in effect on the calendar day upon which such payment was required to be made to Sellers (the "**Excluded Asset Due Date**") plus five percent (5%) (or the maximum rate allowed by law, whichever is less), such interest accruing on each calendar day after the Excluded Asset Due Date until payment of the Excluded Assets and all interest thereon is made to Sellers.

10.2 Preservation and Access to Records After the Closing.

(a) From the Licensure Date until seven (7) years after the Licensure Date or such longer period as required by law (the "**Document Retention Period**"), Purchaser shall keep and preserve all medical records, patient records, medical staff records and other books and records which are among the Assets as of the Effective Time, but excluding any records which are among

the Excluded Assets. Purchaser will afford to the representatives of Sellers, any of their affiliates, the Official Committee of the Unsecured Creditors of the Sellers, Sellers' estate representative or any liquidating trustee of the Sellers' bankruptcy estate ("**Seller Parties**"), including their counsel and accountants, full and complete access to, and copies (including, without limitation, color laser copies) of, such records with respect to time periods prior to the Licensure Date (including, without limitation, access to records of patients treated at the Hospital prior to the Licensure Date) during normal business hours after the Licensure Date, to the extent reasonably needed by any Seller Party for any lawful purpose. Purchaser acknowledges that, as a result of entering into this Agreement and operating the Hospital, it will gain access to patient records and other information which are subject to rules and regulations concerning confidentiality. Purchaser shall abide by any such rules and regulations relating to the confidential information it acquires. Purchaser shall maintain the patient and medical staff records at the Hospital in accordance with applicable law and the requirements of relevant insurance carriers. After the expiration of the Document Retention Period, if Purchaser intends to destroy or otherwise dispose of any of the documents described in this Section 10.2(a), Purchaser shall provide written notice to Sellers of Purchaser's intention no later than forty-five (45) calendar days prior to the date of such intended destruction or disposal. Any of the Seller Parties shall have the right, at its sole cost, to take possession of such documents during such forty-five (45) calendar day period. If any of the Seller Parties do not take possession of such documents during such forty-five (45) calendar day period, Purchaser shall be free to destroy or otherwise dispose of such documentation upon the expiration of such forty-five (45) calendar day period.

(b) Provided that Purchaser shall not incur any out of pocket costs, Purchaser shall give full cooperation to the Seller Parties and their insurance carriers in connection with the administration of Sellers' estate, including, without limitation, in connection with all claims, actions, causes of action or audits relating to the Excluded Assets, Excluded Liabilities or pre-Closing operation of the Sellers or the Hospital that any Seller Party may elect to pursue, dispute or defend, in respect of events occurring prior to the Licensure Date with respect to the operation of the Hospital. Such cooperation shall include, without limitation, making the Hired Employees available for interviews, depositions, hearings and trials and other assistance in connection with the administration of Sellers' estate and such cooperation shall also include making all of its employees available to assist in the securing and giving of evidence and in obtaining the presence and cooperation of witnesses (all of which shall be done without payment of any fees or expenses to Purchaser or to such employees. In addition, Sellers and Sellers' affiliates shall be entitled to remove from the Hospital originals of any such records, but only for purposes of pending litigation involving the persons to whom such records refer, as certified in writing prior to removal by counsel retained by Sellers or any of Sellers' affiliates in connection with such litigation. Any records so removed from the Hospital shall be promptly returned to Purchaser following Sellers' or its applicable affiliate's use of such records.

(c) In connection with (i) the transition of the Hospital pursuant to the transaction contemplated by this Agreement, (ii) Sellers' rights to the Excluded Assets, (iii) any claim, audit, or proceeding, including, without limitation, any tax claim, audit, or proceeding and (iv) the Sellers' obligations under the Excluded Liabilities, Purchaser shall after the Effective Time give Sellers access during normal business hours to Purchaser's books, personnel, accounts and records and all other relevant documents and information with respect to the assets, liabilities and business of the Hospital as representatives of Sellers and Sellers' affiliates may from time to time

reasonably request, all in such manner as not to unreasonably interfere with the operations of the Hospital.

(d) Purchaser and its representatives shall be given access by Sellers during normal business hours to the extent reasonably needed by Purchaser for business purposes to all documents, records, correspondence, work papers and other documents retained by Sellers pertaining to any of the Assets prior to the Effective Time (excluding confidential employee information, privileged materials and patient records), all in such manner as to not interfere unreasonably with Sellers. Such documents and other materials shall be, at Sellers' option, either (i) copied by Sellers for Purchaser at Purchaser's expense, or (ii) removed by Purchaser from the premises, copied by Purchaser and promptly returned to Sellers.

(e) Purchaser shall comply with, and be solely responsible for, all obligations under the Standards for Privacy of Individually Identifiable Health Information (45 CFR Parts 160 and 164) promulgated pursuant to the Health Insurance Portability and Accountability Act of 1996 and any and all corresponding California state law requirements with respect to the operation of the Hospital on and after the Licensure Date.

(f) Purchaser shall cooperate with Sellers, on a timely basis and as reasonably requested by Sellers, in connection with the provision of all data of the Hospital and other information required by Sellers for reporting purposes, including without limitation QAF or DSH reporting.

(g) To the maximum extent permitted by law, if any Person requests or demands, by subpoena or otherwise, any documents relating to the Excluded Liabilities or Excluded Assets, including without limitation, documents relating to the operations of any of the Hospital or any of the Hospital's committees prior to the Licensure Date, prior to any disclosure of such documents, Purchaser shall notify Sellers and shall provide Sellers with the opportunity to object to, and otherwise coordinate with respect to, such request or demand.

10.3 Provision of Benefits of Certain Contracts. Notwithstanding anything contained herein to the contrary, this Agreement shall not constitute an agreement to assign any Assigned Contract or Assigned Lease, if, notwithstanding the provisions of Sections 363 and 365 of the Bankruptcy Code, an attempted assignment thereof, without the consent of the third party thereto, would constitute a breach thereof or in any way negatively affect the rights of Sellers or Purchaser, as the assignee of such Assigned Contract or Assigned Lease, as the case may be, thereunder. If, notwithstanding the provisions of Sections 363 and 365 of the Bankruptcy Code, such consent or approval is required but not obtained, Sellers will cooperate with Purchaser in any reasonable arrangement designed to both (a) provide Purchaser with the benefits of or under any such Assigned Contract or Assigned Lease, and (b) cause Purchaser to bear all costs and obligations of or under any such Assigned Contract or Assigned Lease. Further, notwithstanding anything contained in this Agreement to the contrary, this Agreement shall not constitute an agreement to assign any Account Receivable the assignment of which is either prohibited by law or by the terms of any contract with a payor without the consent of such payor.

10.4 General Cooperation and Turnover Obligations. The Parties shall cooperate to ensure that any and all payments that constitute "Excluded Assets" shall be paid to and received

by Sellers, with any payments that constitute “Assets” transferred to Purchaser pursuant to Section 1.7 or that otherwise arise from services rendered by Purchaser on or after the Licensure Date be paid to and received by Purchaser. In this regard, for a period of two (2) years after the Effective Date (“**Turnover Period**”), the Parties shall, within ten (10) business days of receipt, copy and send to the other Party copies (either in hard copy or via electronic file) of all remittance advices for all deposits to all Lockboxes or other bank accounts for the Receivables, from whatever payor or source of funds, that are received on and after the Effective Time. In the event that payments that constitute a transferred Asset are deposited to a bank account of Sellers which is not automatically swept or transferred to Purchaser, then Sellers, within ten (10) days of notice of the receipt of such payments shall turnover and pay Purchaser said funds. In the event that a deposit representing payment of any Excluded Assets is received by Purchaser, then Purchaser, within ten (10) days of notice of the receipt of funds representing any Excluded Assets, shall turnover and pay Sellers such funds. Each Party shall have the right, within three (3) months after the expiration of the Turnover Period, to audit by an independent and competent auditor, at the requesting Party’s sole expense, of the bank records and remittance advices of the other Party. Thereafter, upon the findings of the auditor that there has either been an overpayment or and underpayment of funds due, the Party owning funds shall, within ten (10) business days, make a payment of such funds to whom they are owed.

10.5 Closing of Financials. Provided that Purchaser shall not incur any out of pocket costs, Purchaser shall cause the individual acting as the chief financial officer of the Hospital after the Effective Time (the “**Post-Effective Time CFO**”) to cooperate with Sellers’ representatives in order to complete the standardized closing of Sellers’ financial records through the Licensure Date including, without limitation, the closing of general ledger account reconciliations (collectively, the “**Closing of Financials**”). Purchaser shall cause the Post-Effective Time CFO to use their good faith efforts to cooperate with Sellers’ representatives in order to complete the Closing of Financials by no later than the date which is sixty (60) calendar days after the Closing Date. The Post-Effective Time CFO and other appropriate personnel shall be reasonably available to Sellers for a period of no less than one hundred eighty (180) calendar days after the Closing Date to assist Sellers in the completion of Sellers’ post-Closing audit, such assistance not to interfere unreasonably with such Post-Effective Time CFO’s other duties.

10.6 Medical Staff. To ensure continuity of care in the community, Purchaser agrees that the Hospital’s medical staff members in good standing as of the Licensure Date shall maintain medical staff privileges at the Hospital as of the Licensure Date. On and after the Licensure Date, the medical staff will be subject to the Hospital’s Medical Staff Bylaws then currently in effect, provided that such Bylaws are in compliance with all applicable laws and regulations and contain customary obligations.

10.7 Shared Intangible Assets. In the event and to the extent that certain intangible Assets transferred by Sellers have been used to operate businesses of Verity or Verity Holdings or their affiliates (“**Shared Intangible Assets**”) and such Shared Intangible Assets continue to be used by Verity or Verity Holdings or their affiliates to operate such businesses after Closing, Verity and Verity Holdings retain the rights to continue to use such Assets notwithstanding their sale to Purchaser. Purchaser shall reasonably cooperate with Verity and Verity Holdings and their affiliates to give effect to such rights and shall provide Verity and Verity Holdings and their affiliates such documentation, records and information and reasonable access to such systems as

necessary for Verity and Verity Holdings and their affiliates to continue to operate such businesses; all in such manner as not to reasonably interfere with the operations of the Hospitals; *provided, however*, Purchaser shall not be required to incur any out-of-pocket costs in association therewith unless reimbursed by Verity and Verity Holdings and their affiliates.

ARTICLE 11 DEFAULT, TAXES AND COST REPORTS

11.1 Purchaser Default. If the Agreement is terminated pursuant to Section 9.1(b), Sellers shall be entitled to retain the Deposit, and Sellers may, in addition thereto, pursue any rights or remedies that Sellers may have under this Agreement or applicable law, including the right to sue for damages or specific performance.

11.2 Sellers Default. If the Agreement is terminated pursuant to Section 9.1(c), Purchaser shall have the right to demand and receive a refund of the Deposit, and Purchaser may, in addition thereto, pursue any rights or remedies that Purchaser may have under applicable law, including the right to sue for damages or specific performance.

11.3 Tax Matters; Allocation of Purchase Price.

(a) After the Licensure Date, the Parties shall cooperate fully with each other and shall make available to each other, as reasonably requested, all information, records or documents relating to tax liabilities or potential tax liabilities attributable to Sellers with respect to the operation of the Hospital for all periods prior to the Licensure Date and shall preserve all such information, records and documents at least until the expiration of any applicable statute of limitations or extensions thereof. The Parties shall also make available to each other to the extent reasonably required, and at the reasonable cost of the requesting Party (for out-of-pocket costs and expenses only), personnel responsible for preparing or maintaining information, records and documents in connection with tax matters and as Sellers reasonably may request in connection with the completion of any post-Closing audits of the Hospital.

(b) Solely for purposes of tax reporting, Schedule 11.3 sets forth the allocation of the Purchase Price (including any liabilities that are considered to be an increase to the Purchase Price for United States federal income tax purposes) among the Assets in accordance with Section 1060 of the Code and the Treasury Regulations promulgated thereunder (the “**Allocation Schedule**”). The Allocation Schedule shall be final and binding upon Sellers and Purchaser with respect to matters relating to required tax reporting by each such Party. The Parties shall refrain from taking any position that is inconsistent with the Allocation Schedule with respect to tax reporting.

11.4 Cost Report Matters.

(a) Consistent with Section 4.4, Sellers shall, at Purchaser’s expense, prepare and timely file all cost reports relating to the periods ending prior to the Licensure Date or required as a result of the consummation of the transactions described in this Agreement, including, without limitation, those relating to Medicare, Medicaid, and other third party payors which settle on a cost report basis (the “**Seller Cost Reports**”).

(b) Upon reasonable notice and during normal business office hours, Purchaser will cooperate reasonably with Sellers in regard to Sellers' preparation and filing of the Seller Cost Reports. Such cooperation shall include, at no cost to Sellers, obtaining access to files at the Hospital and Purchaser's provision to Sellers of data and statistics, and the coordination with Sellers pursuant to reasonable notice of Medicare and Medicaid exit conferences or meetings. Sellers shall have no obligations after the Licensure Date with respect to Seller Cost Reports except for preparation and filing thereof.

ARTICLE 12 MISCELLANEOUS PROVISIONS

12.1 Further Assurances and Cooperation. Each Party shall execute, acknowledge and deliver to the other Party any and all other assignments, consents, approvals, conveyances, assurances, documents and instruments reasonably requested by such Party at any time and shall take any and all other actions reasonably requested by such Party at any time for the purpose of consummating the transactions hereunder and fulfilling such Party's obligations hereunder. After consummation of the transactions contemplated in this Agreement, the Parties agree to cooperate with each other and take such further actions as may be necessary or appropriate to effectuate, carry out and comply with all of the terms of this Agreement, the documents referred to in this Agreement and the transactions contemplated hereby.

12.2 Successors and Assigns. All of the terms and provisions of this Agreement shall be binding upon and shall inure to the benefit of and be enforceable by the respective successors and assigns of the Parties hereto; *provided, however*, that no Party hereto may assign any of its rights or delegate any of its duties under this Agreement without the prior written consent of the other Parties which consent shall not be unreasonably withheld or delayed, except that Purchaser may, without the prior written consent of Sellers, assign all or any portion of its rights under this Agreement to one or more of its affiliates prior to the Closing Date so long as such affiliate was described and was part of the Attorney General application under Section 5.8(c) and provided that any such assignment shall not relieve Purchaser of or reduce Purchaser's obligations under this Agreement.

12.3 Governing Law; Venue. This Agreement shall be construed, performed, and enforced in accordance with, and governed by, the laws of the State of California (without giving effect to the principles of conflicts of laws thereof), except to the extent that the laws of such State are superseded by the Bankruptcy Code or other applicable federal law. For so long as Sellers are subject to the jurisdiction of the Bankruptcy Court, the Parties irrevocably elect, as the sole judicial forum for the adjudication of any matters arising under or in connection with the Agreement, and consent to the exclusive jurisdiction of, the Bankruptcy Court. The Parties hereby consent to the jurisdiction of such court and waive their right to challenge any proceeding involving or relating to this Agreement on the basis of lack of jurisdiction over the Person or forum non conveniens.

12.4 Amendments. This Agreement may not be amended other than by written instrument signed by the Parties.

12.5 Exhibits, Schedules and Disclosure Schedule. The Disclosure Schedule and all exhibits and schedules referred to in this Agreement shall be attached hereto and are incorporated

by reference herein. From the Signing Date until the Closing, the Parties agree that Sellers may update the Disclosure Schedule as necessary upon written notice to Purchaser, and the applicable representation and warranty shall thereafter be deemed amended for all purposes by such updated Disclosure Schedule. Notwithstanding the foregoing, should any exhibit or schedule not be completed and attached hereto as of the Signing Date, Sellers and Purchaser shall promptly negotiate in good faith any such exhibit or schedule, which exhibit or schedule must be acceptable to each of Sellers and Purchaser in their reasonable discretion prior to being attached hereto. Any matter disclosed in this Agreement or in the Disclosure Schedule with reference to any Section of this Agreement shall be deemed a disclosure in respect of all sections to which such disclosure may apply. The headings, if any, of the individual sections of the Disclosure Schedule are provided for convenience only and are not intended to affect the construction or interpretation of this Agreement. The Disclosure Schedule is arranged in sections and paragraphs corresponding to the numbered and lettered sections and paragraphs of this Agreement merely for convenience, and the disclosure of an item in one section of the Disclosure Schedule as an exception to a particular obligation, representation or warranty shall be deemed adequately disclosed as an exception with respect to all other obligations, representations or warranties, notwithstanding the presence or absence of an appropriate section of the Disclosure Schedule with respect to such other obligation, representations or warranties or an appropriate cross reference thereto.

12.6 Notices. Any notice, demand, letter or other communication required, permitted, or desired to be given hereunder shall be deemed effectively given when either personally delivered, or when received by telegraphic or other electronic means (including facsimile) or overnight courier, or five (5) calendar days after being deposited in the United States mail, with postage prepaid thereon, certified or registered mail, return receipt requested, addressed as follows:

The section and other headings contained in this Agreement and in the Disclosure Schedule, exhibits and schedules to this Agreement are included for the purpose of convenient reference only and shall not restrict, amplify, modify or otherwise affect in any way the meaning or interpretation of this Agreement or the Disclosure Schedule, exhibits and schedules hereto.

12.8 Publicity. Prior to the Closing Date, Sellers and Purchaser shall consult with each other as to the form and substance of any press release or other public disclosure materially related to this Agreement or any other transaction contemplated hereby and each shall have the right to review and comment on the other's press releases at least forty-eight (48) hours prior to issuance; *provided, however*, that nothing in this Section 12.8 shall be deemed to prohibit either Sellers or Purchaser from making any disclosure that its counsel deems necessary or advisable in order to satisfy either Party's disclosure obligations imposed by law subject to reasonable prior notice to the other Party thereof.

12.9 Fair Meaning. This Agreement shall be construed according to its fair meaning and as if prepared by all Parties.

12.10 Gender and Number; Construction; Affiliates. All references to the neuter gender shall include the feminine or masculine gender and vice versa, where applicable, and all references to the singular shall include the plural and vice versa, where applicable. Unless otherwise expressly provided, the word "including" followed by a listing does not limit the preceding words or terms and shall mean "including, without limitation." Any reference in this Agreement to an "affiliate" shall mean any Person directly or indirectly controlling, controlled by or under common control with a second Person. The term "control" (including the terms "controlled by" and "under common control with") means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of voting securities, by contract or otherwise. A "Person" shall mean any natural person, partnership, corporation, limited liability company, association, trust or other legal entity.

12.11 Third Party Beneficiary. None of the provisions contained in this Agreement are intended by the Parties, nor shall they be deemed, to confer any benefit on any person not a party to this Agreement, except for the Parties' successors and permitted assigns, and except for any liquidating trustee or plan administrator for Sellers' estate.

12.12 Expenses and Attorneys' Fees. Except as otherwise provided in this Agreement, each Party shall bear and pay its own costs and expenses relating to the preparation of this Agreement and to the transactions contemplated by, or the performance of or compliance with any condition or covenant set forth in, this Agreement, including without limitation, the disbursements and fees of their respective attorneys, accountants, advisors, agents and other representatives, incidental to the preparation and carrying out of this Agreement, whether or not the transactions contemplated hereby are consummated. The Parties expressly agree that all sales, transfer, documentary transfer and similar taxes, fees, surcharges and the like in connection with the sale of the Assets shall be borne by Purchaser. If any action is brought by any Party to enforce any

provision of this Agreement, the prevailing Party shall be entitled to recover its court costs and reasonable attorneys' fees.

12.13 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same Agreement, binding on all of the Parties hereto. The Parties agree that facsimile copies of signatures shall be deemed originals for all purposes hereof and that a Party may produce such copies, without the need to produce original signatures, to prove the existence of this Agreement in any proceeding brought hereunder.

12.14 Entire Agreement. This Agreement, the Disclosure Schedule, the exhibits and schedules, and the documents referred to in this Agreement contain the entire understanding between the Parties with respect to the transactions contemplated hereby and supersede all prior or contemporaneous agreements, understandings, representations and statements, oral or written, between the Parties on the subject matter hereof (the "**Superseded Agreements**"), which Superseded Agreements shall be of no further force or effect.

12.15 No Waiver. Any term, covenant or condition of this Agreement may be waived at any time by the Party which is entitled to the benefit thereof but only by a written notice signed by the Party expressly waiving such term or condition. The subsequent acceptance of performance hereunder by a Party shall not be deemed to be a waiver of any preceding breach by any other Party of any term, covenant or condition of this Agreement, other than the failure of such other Party to perform the particular duties so accepted, regardless of the accepting Party's knowledge of such preceding breach at the time of acceptance of such performance. The waiver of any term, covenant or condition shall not be construed as a waiver of any other term, covenant or condition of this Agreement.

12.16 Severability. If any term, provision, condition or covenant of this Agreement or the application thereof to any Party or circumstance shall be held to be invalid or unenforceable to any extent in any jurisdiction, then the remainder of this Agreement and the application of such term, provision, condition or covenant in any other jurisdiction or to persons or circumstances other than those as to whom or which it is held to be invalid or unenforceable, shall not be affected thereby, and each term, provision, condition and covenant of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

12.17 Time is of the Essence. Time is of the essence for all dates and time periods set forth in this Agreement and each performance called for in this Agreement.

TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (A) NO REPRESENTATIVE, AGENT OR

ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (B) EACH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (C) EACH PARTY MAKES THIS WAIVER VOLUNTARILY, AND (D) EACH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 12.18. THIS IS AN AFFIRMATIVE WAIVER OF THE PARTIES' RIGHTS TO A JURY TRIAL UNDER CALIFORNIA LAW, Cal. C. Civ. Pro. Sec 631. BY SIGNING BELOW ON THE SIGNATURE LINES, EACH PARTY IS EXPLICITLY WAIVING JURY TRIAL AND AUTHORIZING ANY AND ALL PARTIES TO FILE THIS WAIVER WITH ANY COURT AS THE WAIVER REQUIRED UNDER Cal. C. Civ. Proc. Sec. 631(f)(2).

SALE LEASEBACK AGREEMENT

[Note: This agreement is drafted for 3 Purchaser parties: Purchaser/Parent Company, Hospital Newco and Manager. This structure is not required.]

This Sale Leaseback Agreement (the “**Leaseback Agreement**”) is made and entered into as of _____, 2020 (the “**Signing Date**”), by and among St. Francis Medical Center, a California nonprofit public benefit corporation (the “**Corporation**”) on the one hand, and _____ (“**Parent Company**”) and _____ (“**Hospital Newco**,” and collectively with Parent Company, the “**Parent Company Parties**”) on the other hand. The Corporation, Parent Company, and Hospital Newco may be referred to herein individually as a “**Party**,” and collectively as the “**Parties**.”

RECITALS

A. On August 31, 2018, the Corporation and certain of its affiliates each filed a voluntary petition for relief (collectively, the “**Bankruptcy Cases**”) under chapter 11 of title 11 of the United State Code (the “**Bankruptcy Code**”).

B. The Bankruptcy Cases are jointly administered under Lead Case No. 18-20151 and are currently pending in the Bankruptcy Court for the Central District of California in Los Angeles (the “**Bankruptcy Court**”).

C. Parent Company and the Corporation have entered into that certain Asset Purchase Agreement, dated of even date herewith (the “**APA**”), which provides for the sale of the assets of the Corporation and related assets (collectively, the “**Assets**”). Capitalized terms not defined in this Leaseback Agreement shall have the meanings given to such terms in the APA.

D. The Corporation operates St. Francis Medical Center as a 384-bed general acute care hospital (the “**Hospital**”), with its primary location at 3630 East Hospital Newco Highway, Lynwood, California 90262, and such other locations where the Hospital’s services are provided (collectively, the “**Hospital Premises**”).

E. Parent Company designated its affiliate, Hospital Newco, as the owner of the Corporation’s Assets purchased by Parent Company under the APA (the “**Designation**”), and its affiliate _____ (the “**Manager**”) as the operator of the Hospital.

F. Pursuant to Section 1.3 of the APA, the Corporation, Parent Company, and the Manager, are entering into that certain Interim Management Agreement (“**IMA**”) of even date herewith, and commencing at the Effective Time, to enable the Manager to manage the day-to-day operations of the Hospital following the Closing until the Manager is issued the Licenses necessary to operate the Hospital (for the avoidance of doubt, that date will occur when the Manager is issued both a license to operate the Hospital as an acute care hospital by the California Department of Public Health, and a permit to operate a hospital-based pharmacy by the California Board of Pharmacy (collectively, the “**New Licenses**”)).

A. Pursuant to the APA, at the Effective Time, Parent Company will purchase the Corporation’s Assets, except for the Excluded Assets (as set forth in the APA). Also pursuant to

the APA, that portion of the Assets constituting drugs, dangerous devices, pharmacy systems, or other pharmacy assets (the “**Pharmacy Assets**”), the Medicare/Medi-Cal Agreements, the Lockboxes, the Transferred Managed Care Agreements and the Transferred Private Payor Agreements (collectively, the “**Licensure Date Assets**”) shall transfer to Parent Company (or its affiliate) as of the Licensure Date.

B. Immediately following the Closing, and until the Manager obtains the New Licenses, the Parent Company Parties desire to lease back or license to the Corporation all of the then-acquired Corporation’s Assets used in the operation of the Hospital, and the Corporation desires to so lease or license such Corporation’s Assets from the Parent Company Parties on the terms and conditions set forth herein. The Corporation’s Assets shall exclude the Licensure Date Assets, which the Corporation shall own until the New Licenses are issued.

AGREEMENT

NOW, THEREFORE, in consideration of the covenants and conditions contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

1. Definitions. Any capitalized term appearing herein that is not defined shall have the same definition ascribed to it under the IMA or the APA (as designated when such term first appears herein).

2. Description of The Leased or Licensed Assets.

2.1 Leased or Licensed Assets. The Parent Company Parties hereby lease or license to the Corporation, and the Corporation leases or licenses from the Parent Company Parties, all of the Corporation’s Assets used in the operation of the Hospital, except for the Licensure Date Assets, which the Corporation shall continue to own until the Licensure Date (as defined in the APA) (collectively, the “**Leased or Licensed Assets**”). Specifically, the Leased or Licensed Assets shall include: (a) the Hospital Premises (which shall be leased); (b) tangible personal property, including, but not limited to, fixtures, furnishings, hard copy medical and financial records and equipment (including, but not limited to, hardware to operate and run the electronic health record systems, hospital operating systems, laboratory information systems, and financial reporting systems) (which shall be leased); and (c) intangible intellectual property saved or embodied in the electronic health record systems, hospital operating systems, laboratory information systems, and financial reporting systems (which shall be licensed for use by the Corporation).

2.2 Management of Pharmacy and Use of Pharmacy Assets.

(a) The Corporation shall at all times during the term of this Leaseback Agreement be the owner of the Pharmacy Assets. The Parties acknowledge, however, that under the IMA, the Manager will be managing the Corporation’s pharmacy during the Management Period (as defined in the IMA), and the Corporation therefore grants the Manager (i) access to and authority to use the drugs, dangerous drug delivery devices, or other tangible pharmacy assets, and (ii) a license to use the intangible intellectual property saved or embodied in the

pharmacy systems, in each case to the extent necessary for the Manager to fulfill its obligations under the IMA.

(b) Pursuant to the IMA, the Corporation shall be responsible for purchasing drugs and dangerous devices identified by the Manager as necessary for the operations of the Hospital, and the Manager shall reimburse the Corporation for all costs and expenses incurred for such purchases.

4.3 Insurance. The Parent Company Parties shall pay for all insurance coverages, including premiums, deductibles, stop-loss, and any other insurance covering the Leased or Licensed Assets, the Licensure Date Assets, the Hospital, and the Corporation during the term hereof. All such insurance shall name the Parent Company Parties and the Corporation as insureds as their respective interests may appear.

4.4 Repairs and Maintenance: Alterations. During the term of this Leaseback Agreement, the Parent Company Parties shall pay all costs of repairing (including replacement of) and maintaining the Leased or Licensed Assets and Hospital and every part thereof in good and sanitary order, condition and repair during the term hereof, reasonable wear and tear excepted, including, without limitation, all costs of all repairs, replacements and maintenance required by any applicable governmental law, statute, ordinance, rule or regulation, including the California Office of Statewide Health Planning and Development ("OSHPD"). The Corporation shall not make any alterations or changes to the Leased or Licensed Assets without prior written approval

of the Parent Company Parties, which may be given or withheld in the Parent Company Parties' sole discretion.

4.5 Payment. Nothing in this Section 4 shall in any way limit, reduce, or otherwise affect Parent Company's payment obligations under the IMA or the APA.

5. Use. The Leased or Licensed Assets shall be used for the operation of the Hospital, subject to the terms of the APA and the IMA.

6. Risk of Loss.

6.1 The Corporation assumes no risks or liability for damage to or injury occurring to the Leased or Licensed Assets or Hospital during the term of this Leaseback Agreement by any means whatsoever, including fire, storm, earthquake, vandalism, strike, accident or any other casualty (collectively, "**Casualty**"), and the Parent Company Parties shall have all right, title, and interest in and to the proceeds of any insurance it obtained and paid for covering such Casualty.

6.2 If, during the term of this Leaseback Agreement, action is initiated to take the Hospital Premises or any portion thereof by eminent domain or condemnation proceedings, exercise of state authority under an executive order or by deed in lieu thereof (collectively, "**Condemnation**"), the Parent Company Parties, and not the Corporation, shall have all right, title, and interest in and to the award from the Condemnation.

6.3 In the event of a Casualty or Condemnation, neither the Parent Company Parties nor the Corporation may terminate this Leaseback Agreement.

7. Continued Access. Following termination of this Leaseback Agreement, and until the entry of final decrees closing the Bankruptcy Cases, the Patient Care Ombudsman, appointed by the United States Trustee pursuant to Bankruptcy Code § 333 and approved by the Bankruptcy Court [*see* Docket No. 430], shall have continuing access to the Leased or Licensed Assets and related personnel during normal business hours and upon at least one (1) business day's prior written notice to the Parent Company Parties, for the purpose of winding down the Corporation's affairs, in connection with any litigation or adversary proceedings, and to effectuate the chapter 11 plan as approved by the Bankruptcy Court.

prior agreements, arrangements, and understandings relating to the subject matter hereof and thereof. Nothing in this Leaseback Agreement modifies or shall be construed as modifying any orders entered by the Bankruptcy Court. This Leaseback Agreement may not be modified or amended except in writing signed by the Parties. No waiver of any term, provision or condition of this Leaseback Agreement in any one or more instances, shall be deemed to be or be construed as a further or continuing waiver of any such term, provision or condition of this Leaseback Agreement. No failure to act shall be construed as a waiver of any term, provision, condition or rights granted hereunder.

8.6 Assignment. Neither this Leaseback Agreement nor the rights, duties or obligations arising hereunder shall be assignable or delegable by the Corporation or the Parent Company Parties without the prior written consent of the other Parties, which may be granted, denied or conditioned in such Party's absolute discretion except that the Parent Company Parties may assign this Leaseback Agreement in connection with any permitted assignment under the IMA. Subject to the foregoing, this Leaseback Agreement shall be binding upon, and inure to the benefit of, the respective successors and assigns of the Parties.

8.7 Joint Venture; No Third Party Beneficiaries. Nothing contained herein shall be construed as forming a joint venture or partnership among the Parties with respect to the subject matter hereof. The Parties do not intend that any third party shall have any rights under this Leaseback Agreement.

8.8 Captions. The section headings contained herein are for convenience only and shall not be considered or referred to in resolving questions of interpretation.

8.9 Governing Law. This Leaseback Agreement shall be governed by and construed in accordance with the laws of the State of California without regard to its conflicts of laws principles or decisions, except to the extent that the laws of such State are superseded by the Bankruptcy Code or other applicable federal law.

8.10 Jurisdiction. The Parties agree that the Bankruptcy Court shall have exclusive personal and subject matter jurisdiction over any action or proceeding with respect to any claim arising out of or related to this Leaseback Agreement, and any of the documents or transactions contained in or contemplated by this Leaseback Agreement; *provided, however*, that the Parties agree that the United States District Court for the Central District of California (together with the Bankruptcy Court, the "**Chosen Courts**") shall have exclusive jurisdiction over such claim if (i) the Bankruptcy Cases are closed and if the Bankruptcy Cases are not reopened to adjudicate such claim after request by the Party bringing such claim or (ii) the Bankruptcy Court determines that it does not have jurisdiction over such claim. See attached.

INTERIM MANAGEMENT AGREEMENT

[Note: This IMA is drafted for 3 Purchaser parties: Purchaser/Parent Company, Hospital Newco and Manager. This IMA is drafted assuming Purchaser is buying hospital's accounts receivable. This structure is not required.]

This Interim Management Agreement (the “**Agreement**”) is made and entered into as of _____, 2020 (the “**Signing Date**”), by and among St. Francis Medical Center, a California nonprofit public benefit corporation (the “**Corporation**”) on the one hand, and _____ (“**Parent Company**”) and _____ (the “**Manager**,” and collectively with the Corporation and Parent Company, the “**Parties**” and each individually a “**Party**”) on the other hand.

RECITALS

A. On August 31, 2018, the Corporation and certain of its affiliates each filed a voluntary petition for relief (collectively, the “**Bankruptcy Cases**”) under chapter 11 of title 11 of the United State Code (the “**Bankruptcy Code**”).

B. The Bankruptcy Cases are jointly administered under Lead Case No. 18-20151 and are currently pending in the Bankruptcy Court for the Central District of California in Los Angeles (the “**Bankruptcy Court**”).

C. Parent Company, as purchaser, and the Corporation and certain of its affiliates (collectively, the “**Sellers**” as defined in the APA), as seller, entered into that certain Asset Purchase Agreement, dated of even date herewith (the “**APA**”), which provides for the sale of certain assets of the Sellers (collectively, the “**Assets**”). All terms not otherwise defined herein shall have the meaning ascribed to them in the APA.

D. The Corporation operates St. Francis Medical Center as a 384-bed general acute care hospital (the “**Hospital**”), with its primary location at 3630 East Hospital Newco Highway, Lynwood, California 90262, and such other locations where the Hospital's services are provided (collectively, the “**Hospital Premises**”).

E. Pursuant to the APA, Parent Company agreed to purchase the Assets, which include certain assets of the Corporation (the “**Corporation's Assets**”).

F. Parent Company designated its affiliate, _____ (“**Hospital Newco**”) as the owner of the Corporation's Assets, and the Manager as the operator of the Hospital.

G. Parent Company and the Manager have requested this Agreement to afford the Manager additional time to obtain its general acute care hospital license from the California Department of Public Health (“**CDPH**”), and its hospital pharmacy permit from the California Board of Pharmacy (together, the “**New Licenses**,” and the date on which the New Licenses are issued is the “**Licensure Date**”).

H. Pursuant to the APA, that portion of the Assets constituting drugs, dangerous devices, pharmacy systems, or other pharmacy assets (the “**Pharmacy Assets**”), the

Medicare/Medi-Cal Agreements, the Lockboxes, the Transferred Managed Care Agreements and the Transferred Private Payor Agreements (collectively, the “**Licensure Date Assets**”) shall transfer to Hospital Newco as of the Licensure Date.

I. The Corporation shall maintain a possessory interest in the Hospital and the Hospital Premises, and Parent Company and Hospital Newco on the one hand as lessor, and the Corporation, on the other hand as lessee, are entering into that certain Sale Leaseback Agreement of even date herewith, pursuant to which certain of the Corporation’s Assets will be leased back to the Corporation (the “**Leaseback Agreement**”).

J. Until Hospital Newco obtains the New Licenses, the Manager desires to assume the management of the Hospital, including its pharmacy, on behalf of the Corporation, and the Corporation desires to avail itself of such management services, upon the terms and conditions set forth in this Agreement.

TERMS OF AGREEMENT

NOW, THEREFORE, in consideration of the promises and the mutual covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

1. Term.

1.1 The term of this Agreement (the “**Management Period**”) shall commence as of the Effective Time (as defined in the APA) and shall continue until the earlier of the Licensure Date or [June 30, 2021]. The Parties acknowledge that, during the Management Period, the Corporation shall remain the licensee of the Hospital, and in that capacity, and during such period, shall retain statutory and regulatory authority and responsibility for the Hospital and for oversight of the Manager.

2. Acknowledgements and Covenants.

2.1 As of the Effective Time, Parent Company shall have acquired all of the Corporation’s Assets as set forth in the APA (other than the Licensure Date Assets), which shall be leased back to the Corporation pursuant to the terms of the Leaseback Agreement during the term of this Agreement.

2.2 Pursuant to Section 1.3 of the APA, contemporaneously with the date the New Licenses are issued and the termination of the Leaseback Agreement, ownership of the Licensure Date Assets shall be transferred to Hospital Newco. Parent Company and the Manager acknowledge that this Agreement and the foregoing subsequent transfer of the Licensure Date Assets are made at the request of Parent Company and the Manager, to provide more time for the Manager to obtain its New Licenses. As such, Parent Company acknowledges, covenants, and agrees that the total Purchase Price (as defined in the APA) shall be paid to the Sellers under the APA as if the Licensure Date Assets were transferred as of the Effective Time.

2.3 As of the Effective Time, the Corporation shall have ended the employment or engagement of all employees and contractors and, to the extent they received offers of employment

or engagement from the Manager (or its affiliates) and accepted such offers, shall have been transferred to the Manager (or its affiliate) as employees or contractors of the Manager (collectively, the “**Hired Employees**”).

2.4 During the Management Period, the Corporation will (a) assign an individual to oversee the operation of the Hospital and serve as the president of the Corporation, as required by the Centers for Medicare & Medicaid Services, CDPH, and applicable California laws and regulations (the “**Responsible Officer**”), and (b) maintain proper oversight by a board of directors.

3. Appointment of Manager.

3.1 During the Management Period, the Corporation hereby appoints the Manager as the sole and exclusive provider of the Services (defined below) and hereby grants to the Manager the exclusive right to manage the Hospital under the Corporation’s Licenses (as defined in the APA) as a general acute care hospital, including without limitation, the right to undertake those certain management responsibilities and permitted activities described in Section 4 below. The Manager hereby accepts such appointment for all purposes with respect to the Corporation’s rights, duties, and responsibilities under the Licenses for the Hospital, to the fullest extent permitted by law, and agrees, to the fullest extent permitted by law, to provide management services to the Hospital on behalf of the Corporation (the “**Services**”).

3.2 The Manager’s Services hereunder shall include management and operation of the Hospital’s pharmacy on behalf of the Hospital, even though the Pharmacy Assets will not be transferred to Hospital Newco pursuant to the APA until the Licensure Date.

3.3 Upon the Licensure Date, the Manager’s Services provided to the Hospital under the Corporation’s Licenses shall terminate and, thereafter, Hospital Newco (and its affiliates) will be operating the Hospital as the licensee holding its own New Licenses.

3.4 During the Management Period, the Manager shall submit claims for services rendered by the Hospital to various governmental and non-governmental entities, patients, and other third parties pursuant to the Corporation’s provider agreements, payor contracts, and NPI numbers as set forth in Schedule 3.4, attached hereto (collectively, the “**Corporation’s Billing Credentials**”). Because all billing and collecting shall be under the Corporation’s Billing Credentials, payments shall be made in the Corporation’s name and deposited in the Corporation’s bank accounts. The Parties acknowledge and agree that during the Management Period, the Corporation’s bank accounts and lockboxes shall remain under the Corporation’s name and in the Corporation’s control. Consistent with Section 4.5(b), the Manager may transfer the Manager Compensation to its accounts. To the extent the Manager is unable to make such transfers to its own accounts, upon request by the Manager, the Corporation will, at the Manager’s cost, forward to the Manager any payment or reimbursement received during the Management Period.

3.5 To the extent the Corporation’s lenders continue to have Encumbrances on the Corporation’s bank accounts or lockboxes as of the Effective Time, the Corporation, Parent Company, and the Manager shall work cooperatively to facilitate termination and release of such Encumbrances.

3.6 The Corporation shall retain and, upon the Licensure Date, the Manager shall assume, any contracts necessary for the Corporation to continue to be the holder of the Licenses and to bill for Hospital services during the Management Period, in accordance with the APA. Such contracts shall be as set forth in Schedule 3.6, attached hereto (the “**Retained Contracts**”). Parent Company hereby designates each Retained Contract as an Assigned Contract under Section 1.11 of the APA.

4. Management Responsibility.

4.1 During the Management Period, the Manager shall, subject to all applicable legal and regulatory requirements and the Corporation’s ultimate oversight and control, have responsibility for the management of the Hospital, and agrees to assume and discharge all responsibilities, duties, liabilities, payments, and obligations in connection with properly maintaining the Hospital in full compliance with all regulations and standards required of a general acute care hospital facility so licensed. In furtherance thereof, the Manager’s Services shall include, but not be limited to, the following duties, which duties shall be performed at the Manager’s sole cost and expense:

(a) Managing the operations of the Hospital as a general acute care hospital in compliance with all applicable laws, regulations, provider agreements, payor contracts, CDPH requirements for maintenance of the Licenses in good standing, Medicare conditions of participation and requirements for payment with respect to governmental programs, and the requirements for maintenance of the Hospital’s accreditations;

(b) Employing and managing the Hired Employees and any other non-clinical and clinical personnel (i) deemed necessary by the Corporation for the operation of the Hospital as a general acute care hospital, or (ii) required by law so as to meet all applicable labor laws and regulations, and consistent with orders of the Bankruptcy Court;

(c) Ensuring that the Corporation is able to pay itself out of the Hospital Revenues for the costs and expenses set forth in Sections 4.5(b);

(g) Upon at least one (1) day’s prior written notice to the Manager, providing access, during normal business hours, to the Hospital Premises to lessors of equipment at the

Hospital Premises, if any, who have been authorized by order of the Bankruptcy Court to remove their equipment from the Hospital Premises, provided that the Manager shall have full power and authority to require that the removal of such equipment by such lessors does not damage the Hospital Premises;

(h) Providing access, during normal business hours, to the Hospital, the Hospital Premises, the Hospital's books and records, electronic health records, financial information systems, operating systems, laboratory systems, the Hired Employees and any other personnel of Manager or otherwise who are providing services associated with the operation of the Hospital, to the Corporation, the Corporation's directors, officers and representatives, and the Corporation's successors in interest, including, but not limited to, any plan administrator, liquidating trustee or similar representatives appointed or approved by the Bankruptcy Court, as well as the Patient Care Ombudsman appointed in the Bankruptcy Cases under Section 333 of the Bankruptcy Code (the "PCO") [see Docket No. 430], for the purpose of winding down the Corporation's affairs, pursuing litigation and adversary proceedings, and to effectuate a plan of liquidation, as approved by the Bankruptcy Court (the "Plan"), *provided, however*, that such access does not unreasonably disrupt the Hospital's operations;

(i) Maintaining, all licenses, permits consents, approvals, accreditations, and certifications currently held by the Corporation in good standing, in active status, and in compliance with all applicable local, state, and federal laws, including the timely payment of all applicable fees to support or renew these approvals;

(j) Maintaining and obtaining all insurance coverages, from and after the Effective Time, for the Hospital that a prudent hospital operator or owner would maintain, including directors and officers insurance with no less coverage than was maintained for directors and officers just prior to the Effective Time;

(k) Maintaining and obtaining those insurance coverages required under the Leaseback Agreement, for its own account, with the Corporation included as a named insured, and paying all amounts required under the Leaseback Agreement in a timely manner, including rent, utilities, taxes, and insurance premiums;

(l) Opening and forwarding all mail relating to the financial or business affairs of the Corporation to the notice address below;

(m) Periodically reporting to the Corporation (or its designee), either in person or telephonically, the condition of the Hospital and the Hospital Premises;

(n) Coordinating with the governing board and the organized medical staff (each, as established by the Corporation and the Sellers) on the appropriateness and quality of medical care and all medical staff issues requiring governing board oversight;

(o) Paying all costs and expenses in connection with and incidental to ownership of the Corporation's Assets and management and operation of the Hospital hereunder, including but not limited to, all the Hospital operating costs, employee-related costs, and taxes, whether or not identified, described, or referenced in this Agreement;

(p) Cooperating with the Corporation in facilitating termination and release of any Encumbrances on the Corporation's bank accounts and lockboxes; and

(q) Performing such other duties and activities as are reasonably necessary for the Manager to fulfill its responsibilities under this Agreement and the APA.

4.2 Permitted Manager Activities. During the Management Period, the Manager may do any of the following, in consultation with the Corporation and subject to the requirements of applicable local, state, and federal law, which activities may be performed by the Manager at the Manager's sole cost and expense:

(a) Make alterations, improvements, and repairs to the interior or exterior of the Hospital Premises, including structural alterations, improvements, and repairs;

(b) Remove and dispose of furniture, fixtures, equipment (other than equipment owned by equipment lessors), and supplies at the Hospital Premises;

(c) Move into and install furniture, fixtures, equipment, and supplies at the Hospital Premises;

(d) Prepare the Hospital for a name change, except that no such name change may take effect, and no signage reflecting such change shall be installed, during the Management Period; and

(e) Perform, or permit to be performed, any other activities at the Hospital Premises that are not inconsistent with operating the Hospital under the Licenses, and receiving and retaining for the Manager's own account all revenues and proceeds of any such activities, to the extent they comprise the Manager Compensation.

4.3 Prohibited Manager Activities.

(a) Notwithstanding anything to the contrary in this Agreement, the Manager shall have no authority to take and shall not take any action with respect to any Excluded Assets or Excluded Liabilities (as such terms are defined in the APA) of the Corporation.

(b) The Manager's authority to manage and operate the Hospital is limited to those actions that Manager is expressly required or permitted to do hereunder.

(c) The Manager shall not (i) take any action that interferes with the Corporation's transfer of funds to pay itself out of the Hospital Revenues as set forth in Section 4.5(b); or (ii) remove, withdraw, or authorize removal or withdrawal of funds from the Corporation's bank accounts or lockboxes to the extent that the Corporation would be unable to fully pay itself as set forth in Section 4.5(b).

4.4 APA Provisions; Transition Services Agreement.

(a) Nothing herein shall modify the prorations of expenses and utilities set forth in the APA, including specifically as set forth in Section 1.6 of the APA.

(b) None of the information accessed, learned or obtained by Parent Company or the Manager or any of their affiliates in the course of performing their duties hereunder may serve as the basis for payment of less than the full Purchase Price or to otherwise assert a claim against the Sellers.

(c) Nothing herein shall modify the transfer of the Assets from the Sellers to Parent Company as contemplated in the APA, including specifically as set forth in Section 1.7 of the APA.

(d) Nothing herein shall modify the APA in respect of the exclusion from purchase by Parent Company of the Excluded Assets, including specifically as set forth in Section 1.8 of the APA.

(e) Pursuant to Section 1.4(f) and Section 1.5(d) of the APA, the Sellers and Parent Company will be entering into a Transition Services Agreement to facilitate the winding down of the Sellers' businesses, the completion of the Bankruptcy Cases, and the dissolution of the Sellers. The Parties shall cooperate with each other to enable the Corporation and Parent Company to carry out their obligations under, and give effect to the terms of, the Transition Services Agreement.

4.5 Manager Compensation; Distribution of Revenue.

(a) As used in this Agreement, the term "**Hospital Revenues**" shall mean all revenues and reimbursement received by the Corporation after the Effective Time, including, but not limited to, cash, accounts, notes, or other accounts receivable, disproportionate share payments, quality assurance fee payments, Seller Cost Report (as defined in the APA) settlements, and capitation premiums, whether payable by Medicare, Medi-Cal or any other commercial or governmental payor, or any health maintenance organization or any other managed care program or any private pay patients, but only to the extent they are not Excluded Assets (as defined in the APA).

(b) As full and complete payment for the Manager's Services, the Manager shall be entitled to receive an amount equal to the Hospital Revenues less the following amounts that will be paid to the Corporation by Manager (the "**Manager Compensation**"):

(i) All costs and expenses incurred by the Corporation for the Corporation's purchase of drugs and dangerous devices that the Manager determines are necessary for the operation of the Hospital;

(ii) All salaries, stipends, costs and expenses associated with the employment or engagement of the board of directors of the Corporation and its parent organization, VHS, the Responsible Officer and any other retained employees or contractors of the Corporation

primarily or exclusively providing services necessary for the operation of the Hospital and compliance with applicable laws, if any; and

(iii) All other costs and expenses associated with keeping the Corporation in good standing, maintaining its Licenses and maintaining the Retained Contracts, including, but not limited to, filings with the secretary of state, filing tax returns, board of directors expenses, directors and officers insurance, employment practices liability insurance, compensation, benefits, and such other costs and expenses incurred by a hospital corporation in the normal course of business.

(c) Corporation shall instruct the financial institutions that service its bank accounts or lockboxes to, immediately following the Effective Time and during the Management Period, sweep all Hospital Revenues from the Corporation's bank accounts or lockboxes on a daily basis into an account designated in writing by Manager, and Corporation shall not revise such written instructions without obtaining the prior written consent of Manager.

(d) Under no circumstance shall the Manager seek payment for the Manager's Services from the liquidating trustee, the Corporation, any of the Corporation's officers, directors, agents, contractors, personnel, affiliates or subsidiaries, Verity Health System of California, Inc. ("VHS"), or any of VHS' officers, directors, agents, contractors, personnel, affiliates or subsidiaries.

(e) The Corporation shall issue invoices to the Manager on a weekly basis for the items described in Section 4.5(b) (i), (ii) and (iii), with reasonable supporting detail therefor. The Manager shall pay such invoices within ten (10) business days of receipt of such invoices. If the Manager does not remit payment in respect of such invoices in accordance with the immediately preceding sentence, the unpaid amount of such invoices shall bear interest at the Prime Rate in effect on the calendar day upon which such payment was required to be made to the Corporation (the "**Invoice Payment Due Date**") plus five percent (5%) (or the maximum rate allowed by law, whichever is less), such interest accruing on each calendar day after the Invoice Payment Due Date until payment of such invoices and all interest thereon is made to the Corporation.

4.6 Liabilities and Losses.

(a) Parent Company shall be responsible for all the Hospital liabilities and losses incurred or accrued during the Management Period.

(b) Nothing hereunder shall, or is intended to, modify or supersede Parent Company's responsibility for the Transferred Obligations (as defined in the APA) or the Corporation's responsibility for the Excluded Liabilities (as defined in the APA).

(c) Specifically, with respect to any and all quality assurance fee ("QAF") liabilities owed by the Corporation, Parent Company shall pay all QAF fees that become due and owing or are overdue during the Management Period, even though such fees may have been calculated based on data prior to the Effective Time.

(d) If Parent Company (or its affiliate) has designated any health plan capitation agreements to be assigned to Hospital Newco, then Parent Company hereby assumes all liabilities and responsibilities related to managing the members covered by such health plan capitation agreements, including arranging for services from and payment under all related risk pool arrangements, all related arrangements with independent physician associations (IPAs), all downstream provider agreements, and all out-of-network provider arrangements or services, without regard to whether the member services were rendered prior to or after the Effective Time.

4.7 The Corporation's Ultimate Control. Notwithstanding anything to the contrary in this Section 4 or in this Agreement more generally, the Corporation, as holder of the Licenses, shall remain ultimately responsible for the operation of the Hospital, and may, at any time and from time-to-time during the Management Period, take any action (at Parent Company's or the Manager's sole cost and expense) necessary to ensure the Corporation's compliance with applicable laws and regulations, even if such action requires the Corporation to intervene in the Manager's performance of the Manager's duties or permitted activities pursuant to this Section 4.

5. Continued Responsibility of the Corporation.

5.1 During the Management Period, the Corporation shall maintain (at Parent Company's or the Manager's sole cost and expense), and shall not take or voluntarily permit any actions which may adversely affect, the Corporation's corporate existence and its full rights as the licensee under the Licenses. In addition, during the Management Period, the Corporation and its officers shall reasonably cooperate with the Manager (at Parent Company's or the Manager's sole cost and expense) in the Manager's provision of the Services.

5.2 Notwithstanding the statutory and regulatory authority and responsibility of the Corporation for the continued management of the Hospital during the Management Period, the Parties recognize and acknowledge that under this Agreement, the Manager shall, subject to the ultimate oversight by and approval of the Corporation, be responsible for the day-to-day operation and maintenance of the Hospital as a general acute care hospital. In the event that any violation or alleged violation of or non-compliance with any statute or regulation applicable to the operation or maintenance of the Hospital as a general acute care hospital certified by the Medicare and Medical programs occurs during the Management Period, then without regard to legal or statutory fault on the part of the Manager or of the Corporation, the Manager shall immediately notify the Corporation of such violation or alleged violation or non-compliance and take reasonable efforts to avoid or minimize any related adverse consequences. Parent Company and the Manager shall be responsible for the costs of any penalty, fine or remediation identified during the Management Period arising out of or relating to any act, omission, event or occurrence connected with the operation of the Hospital after the Effective Time, including, without limitation, the cost of engaging third party consultants or experts to help address or resolve the violation, alleged violation or non-compliance, and shall indemnify and hold the Corporation harmless for the same in accordance with Section 9.2. The Corporation retains the right to join the Manager in contesting said violations upon providing the Manager with notice of its intent to do so.

5.3 The Corporation shall be responsible for purchasing drugs and dangerous devices that the Manager determines are necessary for the operation of the Hospital at the Manager's sole cost and expense, as set forth in Section 4.5(b)(i).

5.4 The Corporation agrees to execute and deliver to the Manager such documents as the Manager may reasonably request to maintain the hospital license active and in good standing with CDPH and the other Licenses necessary or appropriate to maintain the Hospital as a general acute care hospital and to facilitate the Manager's obtaining of the New Licenses.

6. The Parties' Cooperation with Regulatory Agencies. The Manager shall use its best efforts to obtain the New Licenses as expeditiously as possible. The Manager shall provide updates to the Corporation weekly, and as requested by the Corporation, on the status of the Manager's efforts to obtain the New Licenses. To the extent not already submitted prior to the Effective Time, the Manager shall provide a copy of all such initial and supplementary or amended license applications for the New Licenses to Corporation at least two (2) business days prior to submission. The Manager and the Corporation shall cooperate with each other in the event the Corporation requests revisions to a license application for a New License. The Corporation shall, at Parent Company's or the Manager's cost, reasonably cooperate with the Manager's efforts to obtain the New Licenses, and may communicate and coordinate with licensing agencies as necessary in connection with obtaining the New Licenses. Notwithstanding the foregoing, obtaining all governmental consents, approvals, assignments, authorizations, and clearances necessary to obtain the New Licenses shall be solely Parent Company's and the Manager's (and not the Corporation's) responsibility, including payment of any fees, expenses, filing costs or other amounts related thereto.

7. Risk of Loss.

7.1 The Corporation assumes no risks or liability for damage to or injury occurring to the Hospital Premises, Assets or the Hospital during the term of this Agreement by any means whatsoever, including fire, storm, earthquake, vandalism, strike, cyberattack, accident or any other casualty (collectively, "**Casualty**"), and Parent Company shall have all right, title, and interest in and to the proceeds of any insurance it obtained and paid for covering such Casualty.

7.2 If, during the term of this Agreement, action is initiated to take the Hospital Premises or any portion thereof by eminent domain proceedings or by deed in lieu thereof (collectively, "**Condemnation**"), Parent Company, and not the Corporation, shall have all right, title, and interest in and to the award from the Condemnation.

7.3 In the event of a Casualty or Condemnation, neither Parent Company nor the Corporation may terminate this Agreement.

8. Continued Access. Following the expiration or termination of this Agreement and until the entry of final decrees closing the Bankruptcy Cases, if expressly authorized or directed by the Bankruptcy Court, and only to the extent so authorized or directed, the PCO shall have continuing access to the Corporation's Assets and related personnel during normal business hours and upon at least one (1) business day's prior written notice to Parent Company or the Manager, for the purpose of winding down the Corporation's affairs, in connection with any litigation or adversary proceedings, and to effectuate the Plan.

9. Exculpation; Indemnification.

9.1 The Corporation and the Corporation's affiliates, members, officers, directors, employees, attorneys, accountants, consultants, agents, representatives, successors and assigns, including the liquidating trustee and responsible officer (collectively the "**Corporation Indemnified Parties**") shall have no liability in contract, tort or otherwise unless and until a Chosen Court finds in a final, non-appealable judgment that any Damages result solely from a Corporation Indemnified Party's gross negligence or willful misconduct.

9.2 Parent Company and the Manager shall promptly and fully keep and hold the Corporation Indemnified Parties forever harmless from, and shall indemnify and defend the Corporation Indemnified Parties from and against, without regard to materiality, any and all obligations, judgments, fines, civil money penalties, sanctions, awards, liabilities, losses, penalties, claims, costs, demands, damages, expenses, liens, and encumbrances, including investigation costs, time spent in depositions and reasonable attorneys' fees and expenses (collectively, "**Damages**"), whether civil or criminal, direct, indirect or consequential and no matter how arising, in any way related to, connected with, arising or resulting from, or under this Agreement, the APA, the Hired Employees (as defined in the APA), the Manager's performance of the Services, or the operation or management of the Hospital or the Corporation's Assets, in each instance after the Effective Time. Notwithstanding the foregoing, the Parties understand that except as otherwise specifically provided for in the APA, Parent Company and the Manager are not, by virtue of this Agreement or any term or provision herein, assuming any claim, liability, expense, debt or other obligation of the Corporation that both relates to the operation or management of the Hospital or the Corporation's Assets prior to the Effective Time and constitutes an Excluded Liability under the APA.

10. HIPAA Compliance. The Manager agrees to take such steps as are necessary to ensure compliance with the Health Insurance Portability and Accountability Act of 1996 (HIPAA), the California Confidentiality of Medical Information Act, and other applicable federal and state privacy laws and regulations (collectively, the "**Privacy Laws**") with respect to the Hospital and its operations, and the Corporation agrees not to take or voluntarily permit any actions which violate Privacy Laws with respect to the Hospital or its operations. Toward this end, Parent Company, the Manager, and the Corporation agree to execute and deliver that certain Business Associate Agreement, attached hereto as Exhibit A and incorporated by reference herein, upon execution of this Agreement.

11. Further Assurances. Each of the Parties hereto agree to execute and deliver any and all further agreements, documents or instruments necessary to effectuate this Agreement and the transactions referred to herein or contemplated hereby or reasonably requested by any other Party hereto to perfect or evidence their rights hereunder.

12. Relationship of Parties. In performing their duties and permitted activities under this Agreement, Parent Company, the Manager, and the Corporation shall, at all times be acting and performing as independent contractors. Parent Company, the Manager, and the Corporation are not partners or joint venturers with each other and nothing herein shall be construed as making them partners or joint venturers or imposing upon any of them any liability as partners or joint venturers.

13. Notices and Demands. Solely in connection with claims arising under this Agreement, or any of the documents or transactions contemplated hereby, the Parties (a) irrevocably submit to the exclusive jurisdiction of the Chosen Courts, (b) waive any objection to laying venue in any such action or proceeding in the Chosen Courts, (c) waive any objection that the Chosen Courts are an inconvenient forum or do not have jurisdiction over any Party hereto, and (d) agree that service of process upon such Party in any such action or proceeding shall be effective if notice is given in accordance with Section 13 hereof.

24. Commencement. The Parties acknowledge that commencement of the Manager’s Services under this Agreement is subject to and contingent upon the occurrence of the Closing (as defined in the APA). TRANSITION SERVICES AGREEMENT

This Transition Services Agreement (the “**Agreement**”), is made and entered into as of _____, 2020 (the “**Signing Date**”), by and among Verity Health System of California, Inc., a California nonprofit public benefit corporation (“**Verity**”), Verity Holdings, LLC, a California limited liability company (“**Verity Holdings**”), St. Francis Medical Center, a California nonprofit public benefit corporation (“**St. Francis**” and together with Verity and Verity Holdings, collectively the “**Sellers**” and each individually a “**Seller**”) and _____ (“**Purchaser**”). The Sellers, the Liquidating Trust, and Purchaser may each be referred to herein as a “**Party**” and collectively as the “**Parties**.”

This Agreement is being entered into in connection with the Asset APA, dated of even date herewith among Sellers and Purchaser (the “**APA**”). Capitalized terms used in this Agreement but not defined herein shall have the meanings given to them in the APA. The Parties have agreed to provide or cause one or more of their respective direct or indirect subsidiaries or affiliates to provide certain services as set forth below. The Party providing services hereunder (together with those of its direct and indirect subsidiaries and affiliates providing services hereunder) is referred to herein as the “**Service Provider**” and the Party receiving services hereunder (together with those of its direct and indirect subsidiaries and affiliates receiving services hereunder) is referred to herein as the “**Service Recipient**”. The Parties agree that this Agreement will be amended to include the Liquidating Trust (as defined below) after its creation, pursuant to the effective date set forth in the plan of liquidation (the “**Plan**”) to be confirmed by the Bankruptcy Court.

RECITALS

A. On August 31, 2018, the Sellers and certain of their affiliates each filed a voluntary petition for relief (collectively, the “**Bankruptcy Cases**”) under chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”).

B. The Bankruptcy Cases are jointly administered under Lead Case No. 18-20151 and are currently pending in the Bankruptcy Court for the Central District of California in Los Angeles (the “**Bankruptcy Court**”).

C. Purchaser and the Sellers entered into the APA, which provides for the sale of the assets of the Sellers (collectively, the “**Assets**”).

D. Sellers will file a motion with the Bankruptcy Court to approve the APA and upon approval, the Bankruptcy Court will enter a sale order (the “**Sale Order**”).

E. Sellers and certain of their affiliates will file a chapter 11 Plan, pursuant to which a liquidating trust (the “**Liquidating Trust**”) will be created on the effective date of the Plan after confirmation thereof.

F. The primary purpose of the Liquidating Trust is to, among other things, liquidate and distribute assets, which includes assets of the Sellers not sold to Purchaser pursuant to the APA.

G. Following the Closing Date, the Sellers and the Liquidating Trust need access to certain assets, systems, facilities, equipment, and personnel of Purchaser in connection with the Sellers' wind-down of the Businesses, the completion of the Bankruptcy Cases, and the dissolution of the Sellers, and Purchaser agrees to provide such access and services in connection therewith.

AGREEMENT

NOW, THEREFORE, in consideration of the promises and the mutual covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

ARTICLE I SERVICES

Section 1.1 Services to be Provided.

(a) Services to be Provided by the Sellers and/or the Liquidating Trust. Subject to the terms and conditions of this Agreement, the Sellers and/or the Liquidating Trust, as the Service Provider, shall provide or cause to be provided to Purchaser, as the Service Recipient, those services in support of the business of Purchaser on such terms (including payment) as may be mutually agreed upon in writing from time to time by the Sellers and/or the Liquidating Trust and Purchaser (the “**Seller Services**”).

(b) Services to be Provided by Purchaser. Subject to the terms and conditions of this Agreement, Purchaser, as the Service Provider, shall provide or cause to be provided to the Sellers and the Liquidating Trust, as the Service Recipient, those services and personnel in support of the business of the Sellers and/or the wind-down and liquidation of the Sellers set forth on Schedule A attached hereto (the “**Purchaser Services**”).

Section 1.2 Access to and Use of Assets, Systems, Facilities, and Equipment.

(a) Access. Beginning on the Effective Time and continuing through the termination or expiration of this Agreement in accordance with its terms, Purchaser hereby grants to the Sellers and the Liquidating Trust, reasonable access to and the right to use the hospital assets, systems, facilities, and equipment to the extent reasonably required in connection with the Sellers' wind-down of the Businesses, the completion of the Bankruptcy Cases, and the dissolution of the Sellers. If any third party to any lease, license or other agreement requires Sellers to sign any documents in order for Sellers to be granted access to, and the right to use, any hospital asset, system, facility or equipment under such lease, license or other agreement, Sellers agree to execute and deliver any such documents; provided, that such documents, leases, licenses or other agreements do not require Sellers to pay any money or take any action, not required by the Sale Order; and provided, further, that if Sellers do not sign such requisite documents, leases, licenses or other agreements, then Purchaser has no obligation to provide Sellers with access and the right to use the associated hospital assets, systems, facilities and equipment provided by such third party; and provided, further, that Purchaser agrees to indemnify, defend and hold harmless each of the Sellers in connection with any obligations under any such documents, leases, licenses or other agreements other than those obligations of Sellers thereunder which are required by the Sale Order.

In the event of any such relocation, references herein to the Premises shall constitute references to such relocated space.

(ii) Sellers shall not make any material alterations, decorations, additions, or improvements in or to the Premises or the Purchaser's other property without the prior written consent of Purchaser, which may be given or withheld in Purchaser's sole discretion.

(iii) Sellers shall not do, or permit their representatives to do, anything that would: (a) unreasonably obstruct or materially interfere with the lawful operation of the Premises or other portions of the Purchaser's property by Purchaser and other tenants of the Purchaser's property; or (b) use the Premises for any illegal or unlawful purpose, including without limitation any violations of applicable laws or regulations relating to or regulating hazardous substances.

(iv) The license, occupancy and access rights granted to Sellers under this Agreement shall be effective notwithstanding any ground lease, mortgage, deed of trust, or any other hypothecation or security placed at any time upon the Premises or any of Purchaser's property of which the Premises is a part, and notwithstanding any change in ownership (including any sale and/or leaseback involving any property of which the Premises is a part) .

Without limiting the preceding, Purchaser will not be required to use the Sellers existing IT and similar systems, but shall have the right to replace IT and other systems, used to provide any of the Purchaser Services provided that the new or replacement systems provide equivalent functionality. Sellers and Purchaser agree to fully cooperate with each other, at Purchaser's sole cost and expense, in connection with any data or other transition steps required

in connection moving any of the functions covered by the Purchaser Services to a new vendor or system.

Section 1.4 Cooperation; Access. Each Party shall, at reasonable times under the circumstances, make available to any other Party properly authorized personnel for the purpose of consultation and decisions in connection with the Services.

Section 1.5 Certain Qualifications.

(a) Provided AS-IS. Sellers and the Liquidating Trust shall not assign, transfer or hypothecate any of the rights subject to, and pursuant to, the preceding license and shall not use any such license rights in

any manner which could adversely affect Purchaser's intellectual property rights with respect to the items which are the subject of such license.

ARTICLE III PAYMENT

Section 3.1 Service Fees. The fee, rate or amount to be charged to the Service Recipient for the Services (the “**Service Fees**”) shall be as set forth on Schedule A hereto for the Purchaser Services and as agreed upon in writing from time to time by Sellers and/or the Liquidating Trust and Purchaser for the Purchaser Services. The Service Provider shall issue invoices on a monthly basis to the Service Recipient for the Services, with a statement of such Services and reasonable supporting detail therefor. The Service Recipient shall pay the undisputed portion of such invoices within thirty (30) days of receipt of such invoices. Any dispute relating to the Services shall be resolved in accordance with the dispute resolution procedures set forth in this Agreement.

Section 4.1 Term. Unless a Service is earlier terminated by the Service Recipient in accordance with Section 4.2(b), the Service Provider shall provide each Service to the Service Recipient for the period beginning at the Effective Time (as defined under the APA) and continuing through and including the applicable dates set forth in: (i) Schedule A (with respect to the Purchaser Services); and (ii) any written agreement between Sellers and/or the Liquidating Trust and Purchaser (with respect to the Seller Services) (the “**Applicable Term**”); provided, that in the event a particular Service provided by Purchaser hereunder is required by one or more Sellers to allow such Seller(s) to comply with applicable laws, rules or regulations, the Applicable Term shall be extended for so long as such Service is required to allow such Seller(s) to comply with such laws, rules and regulations; *provided, however*, that notwithstanding any other term herein any Party may, in any case, terminate this Agreement by written notice to any other Party at any time on and after the end of the 18th calendar month following the Licensure Date (as defined in the APA). In addition, upon termination or expiration of this Agreement, the Parties may mutually agree in writing to a tail period for any portion of the Services, and the terms of this Agreement shall continue to apply to such ongoing Services until performed in full.

Section 4.2 Termination.

(a) Termination for Material Breach. This Agreement may be terminated by the Sellers and/or the Liquidating Trust on the one hand, or Purchaser on the other hand, upon written notice to any other Party in the event that any other Party materially breaches any provision of this Agreement and fails to remedy such breach within thirty (30) days of its receipt of such written notice, except to the extent such remedy is prevented or not permitted by the Bankruptcy Court; and provided, further, however, that this Agreement may only be terminated under this Section 4.2(a) following approval of such termination by the Bankruptcy Court.

(b) Early Termination. The Service Recipient may terminate any particular Service early by providing not less than thirty (30) days prior written notice to the Service Provider of its intent to terminate early such particular Service. Any such partial termination notice delivered

shall specify in detail (i) the Service or Services to be terminated and (ii) the effective date(s) of such termination (subject to the foregoing sentence). If any such termination of a Service prior to the expiration of its Applicable Term requires any out-of-pocket fee, cost or expense of a similar nature payable to a third party (a “**Termination Fee**”), the Service Provider shall have no obligation to terminate such Service prior to the expiration of its Applicable Term unless the Service Recipient approves in advance such Termination Fee in writing (a “**Termination Fee Approval**”). If the Termination Fee Approval is granted, the Termination Fee shall be billed to and payable by the Service Recipient.

(b) Notwithstanding the foregoing, “Confidential Information” shall not include any information that the Receiving Party can demonstrate: (i) was publicly known at the time of disclosure to it, or has become publicly known through no act of the Receiving Party or its

Representatives in breach of this Section 5.5; (ii) was rightfully received from a third party without a duty of confidentiality; or (iii) was developed by it independently without any reliance on the Confidential Information.

(c) Upon demand by the Disclosing Party at any time, or upon expiration or termination of this Agreement with respect to any Service, the Receiving Party agrees promptly to return or destroy, at the Receiving Party's option, all Confidential Information. All notices, requests, claims, demands or other communications hereunder shall be deemed to have been duly given and made if in writing and (a) at the time personally delivered if served by personal delivery upon the Party for whom it is intended, (b) at the time received if delivered by registered or certified mail (postage prepaid, return receipt requested) or by a national courier service (delivery of which is confirmed), or (c) upon confirmation if sent by facsimile; in each case to the Party at the address set forth in Section 5.1, or such other address as may be designated in writing hereafter, in the same manner, by such Party.

Section 6.4 Amendment, Modification and Waiver. Any provision of this Agreement may be amended, modified or waived if, and only if, such amendment, modification or waiver is in writing and signed, in the case of an amendment, by the Parties, or in the case of a waiver, by the Party

against whom the waiver is to be effective. No failure or delay by any Party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

Section 6.5 Assignment. Neither this Agreement nor any of the rights, interests or obligations under it may be directly or indirectly assigned, delegated, hypothecated, sublicensed, subleased or transferred by any of the Parties, in whole or in part, to any other person without the prior written consent of the non-assigning Party, and any attempted or purported assignment in violation of this Section 6.5 will be null and void; provided, that Sellers may assign their rights hereunder to the Liquidating Trust. Notwithstanding the preceding, however, Purchaser may assign its rights or obligations hereunder to its any of its affiliates and may subcontract with third parties to provide any of the Purchaser Services as provided elsewhere in this Agreement, provided that any such assignment or subcontracting shall not relieve Purchaser of or reduce Purchaser's obligations under this Agreement.

Section 6.7 Third Party Beneficiaries. Nothing expressed or implied in this Agreement is intended to confer any rights, benefits, remedies, obligations or liabilities upon any person other than the Parties and their respective successors and permitted assigns.

Section 6.8 Expenses. In the event of litigation arising from or relating to this Agreement, the non-prevailing Party as determined by a court of competent jurisdiction in a final non-appealable order shall be liable and pay to the prevailing Party the reasonable attorney's fees and expenses incurred in connection with such litigation.

TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (A) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF

LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (B) EACH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (C) EACH PARTY MAKES THIS WAIVER VOLUNTARILY, AND (D) EACH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 6.10. The Parties agree that the Bankruptcy Court shall have exclusive personal and subject matter jurisdiction over any action or proceeding with respect to any claim arising out of or related to this Agreement, and any of the documents or transactions contained in or contemplated by this Agreement; *provided, however*, that the Parties agree that the United States District Court for the Central District of California (together with the Bankruptcy Court, the "Chosen Courts") shall have exclusive jurisdiction over such claim if (i) the Bankruptcy Cases are closed and if the Bankruptcy Cases are not reopened to adjudicate such claim after request by the Party bringing such claim or (ii) the Bankruptcy Court determines that it does not have jurisdiction over such claim. Solely in connection with claims arising under this Agreement, or any of the documents or transactions contemplated hereby, the Parties (a) irrevocably submit to the exclusive jurisdiction of the Chosen Courts, (b) waive any objection to laying venue in any such action or proceeding in the Chosen Courts, (c) waive any objection that the Chosen Courts are an inconvenient forum or do not have jurisdiction over any Party hereto, and (d) agree that service of process upon such Party in any such action or proceeding shall be effective if notice is given in accordance with Section 6.3 hereof.

Section 6.12 Mediation. If a dispute arises out of or relates to this contract, or the breach thereof, and if the dispute cannot be settled through negotiation, the Parties agree first to try in good faith to settle the dispute by mediation administered by the American Arbitration Association under its Commercial Mediation Procedures before resorting to litigation in accordance with the terms of this Agreement. Any such mediation shall take place in Los Angeles, California and be subject to the governing law as set forth in this Agreement.

Section 6.13 Counterparts. This Agreement may be executed in one or more counterparts, each of which will be deemed to constitute an original, but all of which shall constitute one and the same agreement, and may be delivered by facsimile or other electronic means intended to preserve the original graphic or pictorial appearance of a document.

Section 6.16 Severability. The provisions of this Agreement shall be deemed severable and the invalidity or unenforceability of any provision shall not affect the validity or enforceability of the other provisions hereof. If any provision of this Agreement, or the application thereof to any circumstance, is found by a court or other governmental authority of competent jurisdiction to be invalid or unenforceable, the remainder of this Agreement and the application of such provision to other circumstances shall not be affected by such invalidity or unenforceability, nor shall such invalidity or unenforceability affect the validity or enforceability of such provision, or the application thereof, in any other jurisdiction. If any provision of this Agreement is so broad as to be unenforceable, the provision shall be interpreted to be only so broad as would be enforceable.

Section 6.17 Force Majeure. No Party shall be liable for nonperformance or late performance of any of its obligations under this Agreement to the extent and for such periods of time as such nonperformance, or late performance is due to reasons outside such Party's control (including any arising from the SARS-CoV-2 virus or mutations therefrom or in connection with the disease COVID-19), including acts of God, war (declared or undeclared), riots, revolutions, fire, floods, explosions, sabotage, nuclear incidents, lightning, weather, earthquakes, storms, sinkholes, epidemics, failure of utilities, (or similar nonperformance or late performance of suppliers or subcontractors). The definition and methodology for calculating "charity care" and the methodology for calculating "costs" shall be the same as that used by Office of Statewide Health Planning Development (OSHPD) for annual hospital reporting purposes.³

Purchaser's obligation under this Condition shall be prorated on a daily basis if the closing date of the Asset Purchase Agreement is a date other than the first day of Verity Health System of California, Inc.'s fiscal year.

For the second fiscal year and each subsequent fiscal year, the Minimum Charity Care Amount shall be increased (but not decreased) by an amount equal to the Annual Percent increase, if any, in the 12 Months Percent Change: All Items Consumer Price Index for All Urban Consumers in the Los Angeles-Long Beach-Anaheim Average Base Period: 1982-84=100 (CPI-LA, as published by the U.S. Bureau of Labor Statistics).

than \$1,139,301 (the “Minimum Community Benefit Services Amount”) exclusive of any funds from grants. For six fiscal years, the following community benefit programs and services shall continue to be offered at its current or equivalent location:

- Southern California Crossroads Program;
- Health Benefit Resource Center;
- Welcome Baby Program;
- Healthy Community Initiatives;
- American Career College access for onsite training;
- Paramedic Training and Education; and
- Patient Transportation support.

The planning of, and any subsequent changes to, the community benefit services provided at St. Francis Medical Center shall be decided after consultation with the Local Governing Board of Directors.

Purchaser’s obligation under this Condition shall be prorated on a daily basis if the effective date of the Asset Purchase Agreement is a date other than the first day of Verity Health System of California, Inc.’s fiscal year.

For the second fiscal year and each subsequent fiscal year, the Minimum Community Benefit Services Amount shall be increased (but not decreased) by an amount equal to the Annual Percent increase, if any, in the 12 Months Percent Change: All Items Consumer Price Index for All Urban Consumers in the Los Angeles-Long Beach-Anaheim Average Base Period: 1982=100 (CPI-LA, as published by the U.S. Bureau of Labor Statistics).

If the actual amount of community benefit services provided at St. Francis Medical Center for any fiscal year is less than the Minimum Community Benefit Services Amount (as adjusted pursuant to the above-referenced Consumer Price Index) required for such fiscal year, Purchaser shall pay an amount equal to the deficiency to one or more tax-exempt entities that provide community benefit services for residents in St. Francis Medical Center’s service area (31 ZIP codes), as defined on as described on page 54 in the Healthcare Impact

Report authored by JD Healthcare dated August 16, 2019. (Exhibit 1.) Such payment(s) shall be made within six months following the end of such fiscal year.

For at least ten years from the closing date of the Asset Purchase Agreement unless otherwise indicated, Purchaser shall maintain its contracts and any amendments and exhibits thereto with the City and/or County of Los Angeles for services, including the following:

Trauma Center Service Agreement between the Hospital and Los Angeles County; and Paramedic Training Institute Students between the Hospital and Los Angeles County.

For at least ten years from the closing date of the Asset Purchase Agreement, Purchaser shall provide to the Los Angeles County Department of Health Services and Los Angeles County of Department of Mental Health information and documents related to staffing assessments, clinical guidelines, services provided, and technology needs for St. Francis Medical Center. The goal is to ensure that Purchaser's decisions or changes in these areas will not be motivated by a desire to move away from serving the Medi-Cal population. Such information and documents will also be provided to the Local Governing Board.

For ten years from the closing date of the Asset Purchase Agreement, Purchaser shall have at St. Francis Medical Center a Local Governing Board of Directors. Purchaser shall consult with the Local Governing Board of Directors prior to making changes to medical services, community benefit programs, making capital expenditures, including making changes to the charity care and collection policies, and making changes to charity care services provided at St. Francis Medical Center. The members of the Local Governing Board shall include physicians from St. Francis Medical Center's medical staff, St. Francis Medical Center's Chief of Staff, one member designated by the Los Angeles County Board of Supervisors, and community representatives from St. Francis Medical Center's primary service area (31 ZIP codes), as described on page 54 in the Healthcare Impact Report authored by JD Healthcare dated August 16, 2019 attached hereto as Exhibit 1, including at least one member from a local healthcare advocacy group. Such consultation shall occur at least sixty days prior to the effective date of such changes or actions unless done so on an emergency basis. The Local Governing Board's approval is required of all reports submitted to the Attorney General regarding compliance with these Conditions.

Purchaser shall commit to reserve or expend for St. Francis Medical Center for capital improvements to the hospital over the five-year period from the closing of the Asset Purchase Agreement, the amount of capital that remains unexpended from the \$180 million commitment required of Blue Mountain Capital Management, LLC as part of the Attorney General Conditions approved on December 3, 2015 but this amount can be no less than \$5.8 million among St. Francis Medical Center, Seton Medical Center and St. Vincent Medical Center. Purchaser understands that such condition has previously been satisfied but will still commit to expend approximately \$35 million on St. Francis Medical Center over the five-year period from the closing of the Asset Purchase Agreement.

Purchaser shall commit the necessary investments required to maintain OSHPD seismic compliance requirements at the Hospital through 2030 under the Alfred E. Alquist Hospital Facilities Seismic Safety Act of 1983, as amended by the California Hospital Facilities Seismic Safety Act, (Health & Safety. Code, § 129675-130070).

Purchaser shall maintain privileges for current medical staff who are in good standing as of the closing date of the Asset Purchase Agreement. Further, the closing of the Asset Purchase Agreement shall not change the independence of the medical staff.

There shall be no discrimination against lesbian, gay, bisexual, or transgender individuals at St. Francis Medical Center, and no restriction or limitation on providing or making reproductive health services available at St. Francis Medical Center, its medical office buildings, or at any of its facilities. Both of these prohibitions shall be set forth in Purchaser's written policies, adhered to, and strictly enforced.

For eleven fiscal years from the closing date of the Asset Purchase Agreement Purchaser shall submit to the Attorney General, no later than four months after the conclusion of each fiscal year, a report describing in detail compliance with each Condition set forth herein. The Chairman of the Board of Directors of Purchaser shall certify that the report is true, accurate, and complete and provide documentation of the review and approval of the report by the Local Governing Board.

At the request of the Attorney General, all parties listed in Condition I, Verity Health System of California, Inc., Verity Holdings, LLC, Purchaser, and any other parties referenced in the agreements listed in Condition II shall provide such information as is reasonably necessary for the Attorney General to monitor compliance with these Conditions and the terms of the transaction as set forth herein. The Attorney General shall, at the request of a Party and to the extent provided by law, keep confidential any information so produced to the extent that such information is a trade secret or is privileged under state or federal law, or if the private interest in maintaining confidentiality clearly outweighs the public interest in disclosure.

Once the Asset Purchase Agreement is closed, and so long as such actions are consistent with the Asset Purchase Agreement, all parties listed in Condition I, and any other parties referenced in the agreements listed in Condition II are deemed to have explicitly and implicitly consented to the applicability and compliance with each and every Condition and to have waived any right to seek judicial relief with respect to each and every Condition.

The Attorney General reserves the right to enforce each and every Condition set forth herein to the fullest extent provided by law. In addition to any legal remedies the Attorney General may have, the Attorney General shall be entitled to specific performance, injunctive relief, and such other equitable remedies as a court may deem appropriate for breach of any of these Conditions. Pursuant to Government Code section 12598, the Attorney General's office shall also be entitled to recover its attorney fees and costs incurred in remedying each and every violation.

Description of each of the material changes from the September 2019 Hospital Conditions that are reflected in the Accepted Conditions, and Prime’s explanation for such changes:

- In connection with the required maintenance of on-call coverage arrangements with physicians to retain Level II trauma center status, the reference to there being a “fair market value” requirement for those arrangements was removed. See Section V of the September 2019 Hospital Conditions.
 - Prime explanation: We understand that Prime removed the express “fair market value” language as being redundant with the requirements of applicable law for arrangements between hospitals and physicians, which by their very nature must be consistent with fair market value. As such, the “fair market value” language is unnecessary.
- In that same Section, the following sentence was removed: “Trauma II designation requires 24-hour immediate coverage by general surgeons, as well as coverage by the specialties of orthopedic surgery, neurosurgery, anesthesiology, emergency medicine, radiology and critical care.” See Section V of the September 2019 Hospital Conditions.
 - Prime explanation: We understand that Prime has every intention of complying with the spirit of this condition, with Prime revising the condition to be clear that it would commit to maintaining the Trauma II designation at the Hospital based upon whatever criteria are required in order to maintain such designation. Prime also notes that the orthopedic specialty was added to this list.
- In the ten-year maintenance of type and level of services condition, “cancer services, including radiation oncology” was removed. See Section VI of the September 2019 Hospital Conditions.
 - Prime explanation: We understand that Prime intends to provide such services, but desires to have flexibility concerning such services in light of the currently low volumes and current community demand for such services.
- In the five-year clinic operations condition, the following clinics were removed:
 - Pediatric services at Children’s Counseling Center, 4390 Tweedy Ave, South Gate, California;
 - The multi-specialty services, including wound care at Wound Care Center, 3628 E. Imperial Highway, Suite 103, Lynwood, CaliforniaSee Section VIII of the September 2019 Hospital Conditions.

- The six-year annual charity care amount was reduced from \$12,793,435 to \$8,000,000. See Section X of the September 2019 Hospital Conditions.
 - Prime explanation: We understand that Prime believes that the \$8,000,000 charity care amount is more in line with current community need. This figure is also consistent with what the Bankruptcy Court subsequently approved in connection with the SGM transaction.
- The requirement to maintain a charity care policy that is no less favorable than Verity's current charity care policy was removed, including all of the related requirements to post and make available such policies to patients, to otherwise let the community know about the hospital's charity care policies and to decide on changes to the hospital's charity care policy and charity care services only after consultation with the hospital's Local Governing Board of Directors. See Section X of the September 2019 Hospital Conditions.
 - Prime explanation: We understand that Prime intends to put into place Prime's standard Charity Care Policy, which policy is included as an attachment to this letter in **Exhibit E**.
- In the ten-year maintenance of contracts with the City and/or County of Los Angeles condition, the Affiliation Agreement for physicians in post-graduate training was removed. See Section XII of the September 2019 Hospital Conditions.
 - Prime explanation: We understand that Prime does have post-graduate residents at many of its facilities. While Prime has a willingness to have such arrangements at its facilities, Prime is not amenable to this being an affirmative requirement in connection with the Transaction.
- In the medical staff maintenance of privileges condition, the requirement to not change the medical staff officers or committee chairs was removed, along with the requirement that such persons remain in good standing for the remainder of their tenure at the hospital. See Section XVI of the September 2019 Hospital Conditions.
 - Prime explanation: We understand that Prime is committed to respecting the independence of the Hospital's medical staff, and as such, Prime believes that the removed language falls within the purview of the medical staff. Said another way, Prime's view is that the Hospital's operator should not be involved in such decisions.

- The requirement that the St. Francis Medical Center Foundation transfer all charitable assets within 15 days after the Closing was removed in its entirety. See Section XVIII of the September 2019 Hospital Conditions.
 - Prime explanation: We understand that Prime believes this requirement to no longer be necessary, insofar as Prime will have no involvement with how the St. Francis Medical Center Foundation holds or handles its assets.

Any repeal or modification of this Article shall be prospective only, and shall not adversely affect any limitation on the personal liability of a director of the Corporation existing at the time of such repeal or modification.

ELEVENTH: A. Each person who was or is made a party to or is threatened to be made a party to or is involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative (hereinafter a "proceeding"), by reason of the fact that he or she, or a person of whom he or she is the legal representative, is or was a director or officer of the Corporation or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans, whether the basis of such proceeding is alleged action in an official capacity as a director, officer, employee or agent or in any other capacity while serving as a director, officer, employee or agent, shall be indemnified and held harmless by the Corporation to the fullest extent, authorized by the Delaware General Corporation Law, as the same exists or may hereafter be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Corporation to provide broader indemnification rights than said law permitted the Corporation to provide prior to such amendment), against all expense, liability and loss (including attorneys' fees, judgments, fines, ERISA, excise taxes or penalties and amounts paid or to be paid in settlement) reasonably incurred or suffered by such person in connection therewith and such indemnification shall continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of his or her heirs, executors and administrators; provided, however, that, except as provided in subsection B of this Article, the Corporation shall indemnify any such person seeking indemnification in connection with a proceeding (or part thereof) initiated by such person only if such proceeding (or part thereof) was authorized by the board of directors of the Corporation. The right to indemnification conferred in this Article shall be a contract right and shall include the right to be paid by the Corporation the expenses incurred in defending any such proceeding in advance of its final disposition; provided, however, that if the Delaware General Corporation Law requires, the payment of such expenses incurred by a director or officer in his or her capacity as a director or officer (and not in any other capacity in which service was or is rendered by such person while a director or officer, including, without limitation, service to an employee benefit plan) in advance of the final disposition of a proceeding shall be made only upon delivery to the Corporation of an undertaking, by or on behalf of such director or officer, to repay all amounts so advanced if it shall ultimately be determined that such director or officer is not entitled to be indemnified under this Article or otherwise. The Corporation may, by action of its board of directors, provide indemnification to employees and agents of the Corporation with the same scope and effect as the foregoing indemnification of directors and officers.

B. If a claim under subsection A of this Article is not paid in full by the Corporation within thirty (30) days after a written claim has been received by the Corporation, the claimant may at any time thereafter bring suit against the Corporation to recover the unpaid amount of the claim and, if successful in whole or in part, the claimant shall be entitled to be paid also the expense of prosecuting such claim. It shall be a defense to any such action (other than an action brought to enforce a claim for expenses incurred in defending any proceeding in advance of its final disposition where the required undertaking, if any is required, has been tendered to the Corporation) that the

claimant has not met the standards of conduct which make it permissible under the Delaware General Corporation Law for the Corporation to indemnify the claimant for the amount claimed, but the burden of proving such defense shall be on the Corporation. Neither the failure of the Corporation (including its board of directors, independent legal counsel, or its stockholders) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because he or she has met the applicable standard of conduct set forth in the Delaware General Corporation Law, nor an actual determination by the Corporation (including its board of directors, independent legal counsel, or its stockholders) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct.

C. The right to indemnification and the payment of expenses incurred in defending a proceeding in advance of its final disposition conferred in this Article shall not be exclusive of any other right which any person may have or hereafter acquire under any statute, provision of this Certificate of Incorporation, by-law, agreement, vote of stockholders or disinterested directors or otherwise.

D. The Corporation may maintain insurance, at its expense, to protect itself and any director, officer, employee or agent of the Corporation or another corporation, partnership, joint venture, trust or other enterprise against any such expense, liability or loss, whether or not the Corporation would have the power to indemnify such person against such expense, liability or loss under the Delaware General Corporation Law.

E. As used in this Article, references to "the Corporation" shall include, in addition to the resulting or surviving corporation, any constituent corporation absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its directors, officers, employees and agents, so that any person who is or was a director, officer, employee or agent of such constituent corporation, or is or was serving at the request of such constituent corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, or other enterprise, shall stand in the same position under the provisions of this Article with respect to the resulting or surviving corporation as he would have with respect to such constituent corporation if its separate existence had continued.

F. ARTICLE I
STOCKHOLDERS

Section 1.1 Place of Stockholders' Meetings. All meetings of the stockholders of the Corporation shall be held at such place or places, within or outside the State of Delaware, as may be fixed by the Board of Directors from time to time or as shall be specified in the respective notices thereof.

Section 1.2 Date, Hour and Purpose of Annual Meetings of Stockholders. Annual Meetings of Stockholders, commencing with the year 2001, shall be held on such day and at such time as the Directors may determine from time to time by resolution, at which meeting the stockholders shall elect, by a plurality of the votes cast at such election, a Board of Directors, and transact such other business as may properly be brought before the meeting. If for any reason a Board of Directors shall not be elected at the Annual Meeting of Stockholders, or if it appears that such Annual Meeting is not held on such date as may be fixed by the Directors in accordance with the provisions of the By-laws, then in either such event the Directors shall cause the election to be held as soon thereafter as convenient.

Section 1.3 Special Meetings of Stockholders. Special meetings of the stockholders entitled to vote may be called by the Chairman of the Board, the Vice Chairman of the Board, the President or any Vice President, the Secretary or by the Board of Directors, and shall be called by any of the foregoing at the request in writing of stockholders owning a majority in amount of the entire capital stock of the Corporation issued and outstanding and entitled to vote. Such request shall state the purpose or purposes of the meeting.

Section 1.4 Notice of Meetings of Stockholders. Except as otherwise expressly required or permitted by the laws of Delaware, not less than ten days nor more than sixty days before the date of every stockholders' meeting the Secretary shall give to each stockholder of record entitled to vote at such meeting written notice stating the place, day and hour of the meeting and, in the case of a special meeting, the purpose or purposes for which the meeting is called. Such notice, if mailed, shall be deemed to be given when deposited in the United States mail, with postage thereon prepaid, addressed to the stockholder at the post office address for notices to such stockholder as it appears on the records of the Corporation.

An Affidavit of the Secretary or an Assistant Secretary or of a transfer agent of the Corporation that the notice has been given shall, in the absence of fraud, be prima facie evidence of the facts stated therein.

Section 1.5 Quorum of Stockholders.

(a) Unless otherwise provided by the laws of Delaware, at any meeting of the stockholders the presence in person or by proxy of stockholders entitled to cast a majority of the votes thereat shall constitute a quorum.

(b) At any meeting of the stockholders at which a quorum shall be present, a majority of those present in person or by proxy may adjourn the meeting from time to time without notice other than announcement at the meeting. In the absence of a quorum, the officer presiding thereat shall have power to adjourn the meeting from time to time until a quorum shall be present. Notice of any adjourned meeting other than announcement at the meeting shall not be required to be given, except as provided in paragraph (d) below and except where expressly required by law.

(c) At any adjourned meeting at which a quorum shall be present, any business may be transacted which might have been transacted at the meeting originally called, but only those stockholders entitled to vote at the meeting as originally noticed shall be entitled to vote at any adjournment or adjournments thereof, unless a new record date is fixed by the Board of Directors.

(d) If an adjournment is for more than thirty days, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the adjourned meeting.

Section 1.6 Chairman and Secretary of Meeting. The Chairman, or in his absence, the Vice Chairman, or in his absence, the President, or in his absence, any Vice President, shall preside at meetings of the stockholders. The Secretary shall act as secretary of the meeting, or in his absence an Assistant Secretary shall act, or if neither is present, then the presiding officer shall appoint a person to act as secretary of the meeting.

Section 1.7 Voting by Stockholders. Except as may be otherwise provided by the Certificate of Incorporation or by these By-laws, at every meeting of the stockholders each stockholder shall be entitled to one vote for each share of stock standing in his name on the books of the Corporation on the record date for the meeting. All elections and questions shall be decided by the vote of a majority in interest of the stockholders present in person or represented by proxy and entitled to vote at the meeting, except as otherwise permitted or required by the laws of Delaware, the Certificate of Incorporation or these By-laws.

Section 1.8 Proxies. Any stockholder entitled to vote at any meeting of stockholders may vote either in person or by his attorney-in-fact. Every proxy shall be in writing, subscribed by the stockholder or his duly authorized attorney-in-fact, but need not be dated, sealed, witnessed or acknowledged.

Section 1.9 List of Stockholders.

(a) At least ten days before every meeting of stockholders, the Secretary shall prepare or cause to be prepared a complete list of the stockholders entitled to vote at the meeting, arranged in alphabetical order and showing the address of each stockholder and the number of shares registered in the name of each stockholder.

(b) During ordinary business hours, for a period of at least ten days prior to the meeting, such list shall be open to examination by any stockholder for any purpose germane to the meeting, either at a place within the city where the meeting is to be held, which place shall be specified in the notice of the meeting, or if not so specified, at the place where the meeting is to be held.

(c) The list shall also be produced and kept at the time and place of the meeting during the whole time of the meeting, and it may be inspected by any stockholder who is present.

(d) The stock ledger shall be the only evidence as to who are the stockholders entitled to examine the stock ledger, the list required by this Section or the books of the Corporation, or to vote in person or by proxy at any meeting of stockholders.

The number of Directors which shall constitute the whole Board of Directors shall be such as from time to time shall be determined by resolution of the Board of Directors, but the number shall not be less than one provided that the tenure of a Director shall not be affected by any decrease in the number of Directors so made by the Board. Each Director shall hold office until his successor is elected and qualified, provided however that a Director may resign at any time.

Section 2.3 Vacancies on Board of Directors.

(a) Any Director may resign his office at any time by delivering his resignation in writing to the Chairman or the President or the Secretary. It will take effect at the time specified therein, or if no time is specified, it will be effective at the time of its receipt by the Corporation. The acceptance of a resignation shall not be necessary to make it effective, unless expressly so provided in the resignation.

(b) Any vacancy or newly created Directorship resulting from any increase in the authorized number of Directors may be filled by vote of a majority of the Directors then in office, though less than a quorum, and any Director so chosen shall hold office until the next annual election of Directors by the stockholders and until his successor is duly elected and qualified, or until his earlier resignation or removal.

(c) The first meeting of each newly elected Board of Directors except the initial Board of Directors shall be held as soon as practicable after the Annual Meeting of the stockholders for the election of officers and the transaction of such other business as may come before it.

(d) Special meetings of the Board of Directors shall be held whenever called by direction of the Chairman or the President or at the request of Directors constituting one-third of the number of Directors then in office, but not less than two Directors.

(e) The Secretary shall give notice to each Director of any meeting of the Board of Directors by mailing the same at least two days before the meeting or by telegraphing or delivering the same not later than the day before the meeting. Such notice need not include a statement of the business to be transacted at, or the purpose of, any such meeting. Any and all business may be transacted at any meeting of the Board of Directors. No notice of any adjourned meeting need be given. No notice to or waiver by any Director shall be required with respect to any meeting at which the Director is present.

Section 2.5 Quorum and Action. A majority of the entire Board of Directors shall constitute a quorum for the transaction of business; but if there shall be less than a quorum at any meeting of the Board, a majority of those present may adjourn the meeting from time to time. Unless otherwise provided by the laws of Delaware, the Certificate of Incorporation or these By-laws, the act of a majority of the Directors present at any meeting at which a quorum is present shall be the act of the Board of Directors.

Section 2.6 Presiding Officer and Secretary of Meeting. The Chairman or, in his absence, a member of the Board of Directors selected by the members present, shall preside at meetings of the Board. The Secretary shall act as secretary of the meeting, but in his absence the presiding officers shall appoint a secretary of the meeting.

Section 2.7 Action by Consent Without Meeting. Any action required or permitted to be taken at any meeting of the Board of Directors or of any committee thereof may be taken without a meeting if all members of the Board or committee, as the case may be, consent thereto in writing and the writing or writings are filed with the records of the Board or committee.

Section 2.8 Executive Committee. The Board of Directors may appoint from among its members and from time to time may fill vacancies in an Executive Committee to serve during the pleasure of the Board. The Executive Committee shall consist of three members, or such greater number of members as the Board of Directors may by resolution from time to time fix. One of such members shall be the Chairman of the Board and another shall be the Vice Chairman of the Board, who shall be the presiding officer of the Committee. During the intervals between the meetings of the Board, the Executive Committee shall possess and may exercise all of the powers of the Board in the management of the business and affairs of the Corporation conferred by these By-laws or otherwise. The Committee shall keep a record of all its proceedings and report the same to the Board. A majority of the members of the Committee shall constitute a quorum. The act of a majority of the members of the Committee present at any meeting at which a quorum is present shall be the act of the Committee.

Section 2.9 Other Committees. The Board of Directors may also appoint from among its members such other committees of two or more Directors as it may from time to time deem desirable, and may delegate to such committees such powers of the Board as it may consider appropriate.

Section 2.10 Compensation of Directors. Directors shall receive such reasonable compensation for their service on the Board of Directors or any committees thereof, whether in the form of salary or a fixed fee for attendance at meetings, or both, with expenses, if any, as the Board of Directors may from time to time determine. Nothing herein contained shall be construed to preclude any Director from serving in any other capacity and receiving compensation therefor.

Section 4.6 Fixing Record Date for Determination of Stockholders of Record. The Board of Directors may fix in advance a date as the record date for the purpose of determining the stockholders entitled to notice of, or to vote at, any meeting of the stockholders or any adjournment thereof, or the stockholders entitled to receive payment of any dividend or other distribution or the allotment of any rights, or entitled to exercise any rights in respect of any change, conversion or exchange of stock, or to express consent to corporate action in writing without a meeting, or in order to make a determination of the stockholders for the purpose of any other lawful action. Such record date in any case shall not be more than sixty days nor less than ten days before the date of a meeting of the stockholders, nor more than sixty days prior to any other action requiring such determination of the stockholders. A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; provided, however, that the Board of Directors may fix a new record date for the adjourned meeting.

(b) Whenever there shall be annexed to any instrument of assignment and transfer executed, pursuant to and in accordance with the foregoing paragraph (a), a certificate of the Secretary or an Assistant Secretary of the Corporation in office at the date of such certificate setting forth the provisions hereof and stating that they are in full force and effect and setting forth the names of persons who are then officers of the Corporation, then all persons to whom such instrument and annexed certificate shall thereafter come shall be entitled, without further inquiry or investigation and regardless of the date of such certificate, to assume and to act in reliance upon the assumption that the shares of stock or other securities named in such instrument were theretofore duly and properly transferred, endorsed, sold, assigned, set over and delivered by the Corporation, and that with respect to such securities the authority of these provisions of the By-laws and of such officers is still in full force and effect.

ARTICLE VI DIVIDENDS

Section 6.1 Declaration of Dividends. Dividends upon the capital stock of the Corporation may be declared by the Board of Directors at any regular or special meeting, pursuant to law. Section 6.3 Record Date. The Board of Directors may, to the extent provided by law, prescribe a period, in no event in excess of sixty (60) days, prior to the date for payment of any dividend, as a record date for the determination of stockholders entitled to receive payment of any such dividend, and in such case such stockholders and only such stockholders as shall be stockholders of record on said date so fixed shall be entitled to receive payment of such dividend, notwithstanding any transfer of any stock on the books of the Corporation after any such record date fixed as aforesaid.

A significant component of Prime Healthcare For-profit Facilities is to provide care for patients in times of need. Prime Healthcare For-profit Facilities provides charity care as a benefit to the community we serve as a not-for-profit hospital. To this end, Prime Healthcare For-profit Facilities are committed to assisting low-income and/or uninsured eligible patients with appropriate discount payment and charity care programs. All patients will be treated fairly, with compassion and respect.

Financial assistance policies must balance a patient's need for financial assistance with the hospital's broader fiscal stewardship.

Outside debt collection agencies and the hospital's internal collection practices will reflect the mission and vision of the hospital.

Financial assistance through discount payment and charity care programs is not a substitute for personal responsibility. It is the patients' responsibility to actively participate in the financial assistance screening process and where applicable, contribute to the cost of their care based upon their ability to pay.

Procedure:

1. Eligibility for Participation in Charity Care Program

A. Self-Pay Patients

A patient is eligible for the Charity Care Program under this policy if (1) The patient does not have third party coverage from a health insurer, health care service plan, union trust plan, Medicare, or Medi-Cal or whose injury is not a compensable injury for purposes of workers' compensation, automobile insurance, or other insurance as determined and documented by the hospital and (2) whose family income does not exceed 450% of the Federal Poverty Level and (3) the patient is either an uninsured patient or a patient with a high Medical cost.

Eligibility alone is not an entitlement to financial assistance qualification under this Policy. The patient must complete the Financial Assistance Application and provide all required documentation and the Facility must complete a process of applicant evaluation and determine qualification before charity care or a discount payment may be extended to the patient.

B. Insured Patients with high medical costs

A patient who has third party coverage or whose injury is a compensable injury for purposes of workers' compensation, automobile insurance, or other insurance as determined and documented by the hospital may qualify for the Charity care Program or the Discount Payment Program if all of the following conditions are met: (1) the patient has a family income of less than 450% of the Federal Poverty Level; (2) the patient does not receive a discount rate from the hospital as a result of his or her third party coverage; and (3) the patient has annual out-of-pocket costs incurred by that individual at a Prime Healthcare Facility that exceeds 10% of the patient's family income in the prior 12 months or the patient has annual out of pocket expenses that exceeds 10% of the patient's family income if the patient provides documentation of the patient's medical expenses paid by the patient or the patient's family in the prior 12 months.

Hospital staff shall make reasonable efforts to obtain from the patient, or his/ her representative, information about whether patient has coverage through a private or public health insurance plan that may fully or partially cover the charges for care. If the patient does not have proof of third party coverage, Hospital staff shall provide the patient with information that the patient may be eligible for specified health coverage programs, including, but not limited to, Medi-Cal, California Children's Services, the California Health Benefit Exchange or other county-funded health care programs.

The fact that a patient is applying for any of the above described health care coverage shall not preclude such patient from qualifying for the Charity program or the Discount Payment Program.

C. Other Circumstances

The Director of the Hospital's Patient Financial Services, (PFS) Department shall also have the discretion to extend charity care or a discount to patients under the following circumstances:

- (i) The patient qualifies for limited benefits under the State's Medi-Cal Program, i.e., limited pregnancy or emergency benefits, but does not have benefits for other services provided at the Hospital.
- (ii) The patient qualifies for a Medically Indigent Adult Program offered by a county other than the one in which the Hospital is located.
- (iii) Reasonable efforts have been made to locate and contact the patient, such efforts have been unsuccessful, and the PFS Director has reason to believe that the patient would qualify for charity or a discount, i.e., homeless;
- (iv) A Third-Party Collection Agency has made efforts to collect the outstanding balance and has recommended to the Hospital's PFS Director that charity care or a discount be offered.

D. Completion of a Financial Assistance Application.

1. The Financial Assistance Application should be completed as soon as there is an indication the patient may be in need of financial assistance. The application form may be completed during a patient stay, or after services are completed and the patient has been discharged.
2. The Financial Assistance Application provides:
 - a. Information necessary for the Facility to determine if the patient has income sufficient to pay for services.
 - b. Documentation useful in determining qualification for financial assistance; and
 - c. An audit trail documenting the Facility's commitment to providing financial assistance.
3. In certain circumstances, a completed Financial Assistance Application may not be required if the Facility, in its sole discretion, determines it has sufficient patient financial information from which to make a financial assistance qualification decision.
4. If a patient applies or has a pending application for another health coverage program at the same time he or she applies for financial assistance under this Policy, neither application shall prevent the patient for establishing eligibility under the other program.

E. Determination Based On Ability to Pay.

Qualification for charity care shall be determined solely based on the patient's and/or patient family representative's ability to pay. Qualification for financial assistance shall not be based in any way on age, gender, sexual orientation, gender identity, ethnicity, national origin, veteran status, disability or

While financial assistance shall not be provided on a discriminatory or arbitrary basis, the Facility retains full discretion, consistent with laws and regulations, to establish eligibility criteria and determine when a patient has provided sufficient evidence of qualification for financial assistance.

F. Asset/Income Qualification.

1. For Charity Care: Family size and documentation of family income in the form of federal income tax returns and recent pay stubs.
 - a. Family size and documentation of income and assets including information on all monetary assets including, without limitation, federal income tax returns, recent pay stubs, and/or other relevant information, but including statements on retirement or deferred compensation plans qualified under the Internal Revenue Code, or nonqualified deferred compensation plans. The Facility may require waivers or releases from the patient or patient's family, authorizing the Facility to obtain account information from financial commercial institutions, or other entities that hold or maintain the monetary assets, to verify their value.
 - b. A patient's family assets may be evaluated to determine if sufficient patient household resources exist to satisfy the Facility's bill for services rendered. Evaluation of patient assets will consider both the asset value and amounts owed against the asset to determine if potential net worth is available to satisfy the patient payment obligation. Recognizing the need to protect basic household assets, each patient family unit evaluated will be allowed the following asset exemptions:
 - i. Primary residence;
 - ii. One vehicle per patient or two vehicles per family unit;
 - iii. The first \$10,000 of monetary assets, and 50% of monetary assets after the first \$10,000; and
 - iv. Retirement or deferred compensation plans qualified under the Internal Revenue Code, or nonqualified deferred compensation plans.

Patients who have assets beyond those specifically exempted will be expected to leverage the assets through independent financing in order to satisfy the patient account.

G. Catastrophic Medical Event.

Any patient who experiences a catastrophic medical event may be deemed eligible for financial assistance as determined in the Facility's sole discretion. The determination of a catastrophic medical event shall be based upon the amount of the patient's family income and assets as reported at the time of occurrence. As a general guideline, any account with a patient liability for services rendered that exceeds \$100,000 may be considered for eligibility as a catastrophic medical event

2. Pricing Guidelines.

If a patient qualifies for a Discount Payment, the Facility shall limit the expected payment for medically necessary services rendered to the amount the Facility would expect in good faith to receive for providing the services from Medicare, Medi-Cal or any other government –sponsored health program of health benefits in which the Facility participates, whichever is greater. If the Facility provides a service for which there is not established payment by a government sponsored

program, the Facility shall establish an appropriate discount payment. Generally, the following rates shall apply:

3. Qualified Payment Plans.

When the Facility has determined a patient is qualified for a discount payment, the patient shall have the option to pay any or all outstanding amounts due in one lump sum payment or through a scheduled term Qualified Payment Plan. The Facility will discuss payment plan options with each patient that requests to make arrangements for term payments. Individual payment plans will be arranged based upon the patient's ability to effectively meet the payment terms. As a general guideline, payment plans will be structured to last no longer than 36 months.

4. Reasonable Payment Plan.

Prime Healthcare Facilities shall negotiate in good faith with the patient; however, the Facility is not obligated to accept the payment terms offered by the patient. If the Facility and an individual patient or guarantor cannot reach an agreement to establish a Qualified Payment Plan, the Facility will use the "reasonable payment plan" formula as defined in Health & Safety Code Section 127400(i) as the basis for a payment plan. A "reasonable payment plan" means monthly payments that are not more than 10% of patient's family income for a month, excluding deductions for essential living expenses as such expenses are defined in the statute.

To apply the “reasonable payment plan” formula, the Facility shall collect patient family information on income and “essential living expenses” in accordance with the statute. The Facility shall use a standardized form to collect such information. Each patient or guarantor seeking to establish a payment plan by applying the “reasonable payment plan” formula shall submit the family income and expense information as requested unless the information request is waived by the Facility.

5. No Interest.

No interest will be charged to Qualified Payment Plan accounts for the duration of any plan arranged under the provisions of the Policy.

6. Payment Default

Once a Qualified Payment Plan has been approved by the Facility, any failure to pay all consecutive payments due may constitute a payment plan default. It is the patient or guarantor’s responsibility to contact the Facility’s Business Office if circumstances change and payment plan terms cannot be met. However, in the event of payment plan default, the Facility will make a reasonable attempt to contact the patient or their family representative by telephone and also give notice of the default in writing. The patient shall have an opportunity to renegotiate the extended Qualified Payment Plan and may do so by contacting the Business Office within twenty-one (21) days from the date of the written notice of extended payment plan default. If the patient fails to request renegotiation of the Qualified Payment Plan within twenty-one (21) days, the payment plan will be deemed inoperative and the account may become subject to collection actions as permitted by law.
