If the actual amount of community benefit services provided at Seton Medical Center and Seton Coastside for any fiscal year is less than the Minimum Community Benefit Services Amount (as adjusted pursuant to the above-referenced Consumer Price Index) required for such fiscal year, AHMC Healthcare Inc. shall pay an amount equal to the deficiency to one or more tax-exempt entities that provide community benefit services for residents in Seton Medical Center’s service area (14 ZIP codes), as defined on as described on page 57 in the Healthcare Impact Report authored by JD Healthcare dated June 18, 2020.
