Exhibit A

Dear Edgemere Stakeholders,

Edgemere initiated a voluntary Chapter 11 process in the U.S. Bankruptcy Court for the Northern District of Texas on April 14, 2022. This process is intended to rebuild the financial strength of Edgemere, allowing it to best position the community for the future and protect the interests of its stakeholders.

As part of the bankruptcy process, we are required to distribute certain legal documents during the case. Enclosed you will find one of those documents, the Notice of Commencement. This notice simply informs recipients of the Chapter 11 filing and provides additional information about the case deadlines. These notices are typical of the process and are required to be sent to various stakeholders, including current and former residents or their family members, current and former team members, and vendors, among others.

This notice does not change anything about your current relationship with Edgemere, nor does it change anything that we have previously communicated about our restructuring. As the case progresses, you may continue to receive these notices. While not every notice will require action on your part, we advise you review them to ensure you are aware of your rights during these proceedings.

Edgemere is operating uninterrupted and continues to prioritize the health and well-being of our residents. We are committed to keeping our stakeholders updated throughout this case as we work to strengthen our financial foundation and preserve the health and lifestyle of our residents. We greatly appreciate your continued support and commitment to our community.

If you have any questions, please reach out to your usual Edgemere contact. For more information about Edgemere's Chapter 11 case, please visit <http://www.kccllc.net/Edgemere>, email EdgemereInfo@kccllc.com, or call 866-967-0269 for U.S. calls or 310-751-2669 for international calls.
