<sup>1</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are: Extraction Oil & Gas, Inc. (3923); 7N, LLC (4912); 8 North, LLC (0904); Axis Exploration, LLC (8170); Extraction Finance Corp. (7117); Mountaintop Minerals, LLC (7256); Northwest Corridor Holdings, LLC (9353); Table Mountain Resources, LLC (5070); XOG Services, LLC (6915); and XTR Midstream, LLC (5624). The location of the Debtors’ principal place of business is 370 17th Street, Suite 5300, Denver, Colorado 80202.

Administrative Order with respect to the sums of \$437,758.00 (80% of \$547,198.50) as compensation and \$4,133.50 for reimbursement of actual and necessary expenses, for a total of \$441,892.30 for the period September 1, 2020 through and including September 30, 2020 (the “Compensation Period”). In support of this Application, WTP respectfully represents as follows:

**Background**

1. On June 14, 2020 (the “Petition Date”), each of the Debtors filed a voluntary petition with this Court for relief under chapter 11 of the Bankruptcy Code. The Debtors manage and operate their businesses as debtors in possession under sections 1107(a) and 1108 of the Bankruptcy Code. On June 16, 2020, this Court entered an order directing joint administration of the Debtors’ chapter 11 cases for procedural purposes only pursuant to Bankruptcy Rule 1015(b) and Local Rule 1015-1 [Docket No. 79].

2. On July 14, 2020, the Debtors filed the *Debtors’ Application for Entry of an Order Authorizing the Retention and Employment of Whiteford, Taylor & Preston LLC as Co-Counsel to the Debtors and Debtors in Possession Nunc Pro Tunc to the Petition Date* [Docket No. 263] (the “Retention Application”).

3. On August 11, 2020, the Bankruptcy Court entered the *Order Granting Debtors’ Application for Entry of An Order Authorizing the Retention and Employment of Whiteford, Taylor & Preston LLC as Co-Counsel to the Debtors and Debtors in Possession Nunc Pro Tunc to the Petition Date* [Docket No. 397] (the “Retention Order”).

**Compensation Paid and Its Source**

4. All services for which compensation is herein requested by WTP were performed for or on behalf of the Debtors.

5. WTP has received no payment and no promises for payment from any source for services rendered or to be rendered in any capacity whatsoever in connection with the matters

covered by this Application. There is no agreement or understanding between WTP and any other person other than the Partners of WTP for the sharing of compensation to be received for services rendered in these cases.

**Fee Statement**

6. The fee statement for the Compensation Period is attached hereto as **Exhibit A**. This statement contains daily time logs describing the time spent by each attorney and paraprofessional for the Compensation Period. To the best of WTP's knowledge, this Application complies with Sections 330 and 331 of the Bankruptcy Code, the applicable Bankruptcy Rules, Local Rule 2016-2, applicable Third Circuit law and the Administrative Order.

**Actual and Necessary Expenses**

7. A summary of actual and necessary expenses and daily logs of expenses incurred by WTP during the Compensation Period is attached hereto as **Exhibit B**. WTP charges all of its bankruptcy clients \$0.10 per page for photocopying expenses and \$0.10 per page for printing. Actual long-distance carrier charges for outgoing facsimile transmissions are reflected in the long-distance telephone charges, if applicable.

8. Regarding providers of on-line legal research (*e.g.*, LEXIS and WESTLAW), WTP charges all of its clients a pro-rated rate relative to the standard usage rates these providers charge, which, due to contractual flat fees, may not always equal WTP's actual cost. WTP currently is under contract to pay these providers a flat fee every month. Charging its clients a pro-rated rate of the on-line providers' standard usage rates allows WTP to provide a discount to its clients while covering adequately the monthly flat fees it must pay to these types of providers.

9. WTP believes the foregoing rates are the market rates that the majority of law firms charges clients for such services. In addition, WTP believes that such charges are in accordance

with the American Bar Association's ("ABA") guidelines, as set forth in the ABA's Statement of Principles, dated January 12, 1995, regarding billing for disbursements and other charges.

**Summary of Services Rendered**

10. The attorneys of WTP who have rendered professional services in these cases are as follows: Marc R. Abrams, Richard W. Riley, William F. Ryan, Kevin G. Hroblak, Stephen B. Gerald, Edward U. Lee, III, Dennis J. Shaffer, Cara C. Murray, Ryan J. Stoker, and Emily K. Kelsay. The paraprofessional who has provided service to these attorneys in these cases is as follows: Christopher Lano.

11. WTP, by and through the above-named persons, has prepared and/or assisted in the preparation of various applications and orders submitted to the Court for consideration, advised the Debtors on a regular basis with respect to various matters in connection with these cases and has performed all necessary professional services, which are described and narrated in detail hereinafter.

**Summary of Services By Project**
